Texans Favor All Amendments; Deaf Smith County Against Two

This is a good year for amendments! Such was the opinion of most people as election returns over the state Wednesday indicated that all 11 of the proposed amendments will be passed.

Deaf Smith County also followed the state-wide trend, except in the case of No. 8 (4-year Terms in Office) and No. 9 (Hospital Districts).

Voters of Deaf Smith County went right along with Texas and the Nation Tuesday in the general election. Both Walter Rogers, 18th District Congress, and Lyndon Johnson, Senate, were given majority votes in this county.

Walter Rogers, incumbent congressman, was given a 7-to-5 lead in this county, which was apparently less than the general 3-to-1 advantage he was getting over the district. Other races were so lopsided that they did not count.

Democrats Take Control Of House -- But Senate Is Another Question

The Democrats have won control of the House of Representatives—and expect to have a margin of about 31 seats.

A party must have 218 seats to control the House, and the Democrats have already won 228. They expect to win five more, Republicans, with a total of 133 elected, expect to win nine more seats, for a probable total of 202.

Control of the House also means control of the chairmanships of key committees, Chairmanship of the powerful ways and means committee is expected to pass from Daniel Reed of New York to Jere Cooper of Tennessee. The new head of the Judiciary Committee is expected to be Emanuel Celler of New York, replacing Chauncey Reed of Illinois. And the probable new chairman of the UN-American Activities Committee says he will ask Congress to abolish the group. Representative Francis Walter of Pennsylvania says the committee has abused its power.

Republican Senate

The see-saw battle for control of the next Senate has ended in apparent victory for the Republicans. With Representative Clifford Case the seeming victor over Democrat Charles Howell in New Jersey on the basis of soldier-and-other absentee votes, the GOP seems sure of 48 seats in the new Senate. Case now leads Howell by 2300 votes. And even if independent Senator Wayne Morse of Ore-

Russell Says Herd Will Give Rangers 'Run For Their Money' Friday Night

By Billy Paul Knox

"We will be underdogs, and it will be a rough game, but we'll give Perryton a run for their money Friday night," says L. E. Russell, Hereford coach, about Friday night's tussle with the ever-dangerous Rangers at Perryton in the far-most reaches of the Panhandle. The Herd has a week's rest under their belt, and they will be prepared to give the Rangers plenty of trouble.

Have Good Record

Perryton has won six and lost two over the whole year, but both of their losses have been in conference play. Phillips mangled them 30-0 and in their last game Canyon stopped them 35-26. All their victories have been impressive, but they have encountered much weaker competition than Hereford.

In their opening game they killed the White Deer Bucks by a 31-7 count, then they tracked down the Panhandle Panthers and trapped them 45-18. They slaughtered Price College 47-6 and blanked Canadian 39-0. Phillips handed them their first loss and then they rebounded to bury Shamrock 48-0. They humiliated Dalhart 40-6 then Canyon pulled one out of the fire and stopped them 35-26.

The Rangers have been setting a fine offensive clip. They are averaging 34.3 points per game and their opponents have managed to average 17.75 points per game. Perryton has shut out two of their

opponents and have been blanked once themselves.

Hereford has won four and lost three, possessing only one conference loss and two district wins to put the Herd ahead of the Rangers in that bracket. Hereford's only loss in district play is to Canyon, 26-14, and like Perryton their two wins are over Shamrock and Dalhart. The Whitefaces clobbered Shamrock 35-0 and coasted by Dalhart 41-13. Other Hereford wins have been over Muleshoe and Tulla. Brownfield cooled the Herd with a 33-13 shellacking as did Littlefield by a 40-13 count. Hereford has an offensive average of 23.2 points per game and have allowed their opponents 18.7 points per fracas.

Strong Pass Attack

The Perryton team has an excellent passing attack but they still have a fine running game and will depend on it as their basic offense.

Donald Deer guides the team from his quarterback position and is a fine runner. He shows great skill and accuracy as a passer. Deer weighs in at 169 pounds.

Probably the most respected back besides Deer is the 180 pound Demsey Gyger. Gyger is a very powerful runner and he is used a lot on straight line bucks.

The Rangers have two fine pass snatchers in ends Bill Farrington and Bill Thrasher. Farrington is a 150 pounder, but Thrasher weighs 185.

As Hereford, Coach James Peterson, Perryton tutor, takes full use of the two-platoon system. Many substitutes stream from the bench every time the ball changes hands.

The Rangers possess a heavy team on defense and are somewhat smaller on the offensive. They have a good sized backfield but the all around weight will be about the same as Hereford's.

Perryton will be smarting from last week's loss to Canyon and the Herd can be expected to give them plenty of trouble Friday night.

District Highway Patrol officers were here a few weeks ago making radar speed tests, which must have turned out pretty well. Anyway, the stage is set for a radar unit assignment to this district and, when signs have been erected, the unit will be put into operation to apprehend speeders. Farm-to-Market and rural roads will also be radar-patrolled, according to Highway Department releases, which say that climbing accident rates on rural roads is one of the chief reasons the department is going into the radar business.

Also in the immediate future is a Boy Scout drive to sell Christmas trees. The boys, working in cooperation with local firms, will sell cards redeemable at four stores on trees. A percentage of all sales will enrich the Scout treasury.

Freezing weather this week sharply hit the 1954 lettuce crop, according to reports Wednesday. However, most packers are planning on another 10 days to two weeks operation in the area. Prices were also reported up, along with stronger demand: 4's were bringing \$3.50; 5's, \$3.25; Cartons, \$1.75 and an occasional \$2.00.

Baptist Revival To Open Nov. 7

Revival services are scheduled to begin at the First Baptist Church in Hereford on Nov. 7 and will continue through Nov. 14, according to announcements today.

The time for the morning services has not been decided upon as yet but the evening services will begin at 7:30 o'clock.

Dr. Jay Wright, pastor of the First Baptist Church in Levelland, will be the evangelist for the revival services.

"Everyone is cordially invited to attend," said Rev. Howard Scott, pastor; he also said that Dr. Wright is widely recognized as a forceful and interesting speaker.

New \$90,000 Paving Project Given Okeh

Members of the City Commission Monday night gave official approval and formally accepted \$90,000 worth of new paving recently completed here in conjunction with property owners.

In addition to surface work, the project includes curb and gutter on approximately 18 blocks on Avenue I, Union, Forrest, Blevins, Irving and Centre Streets. Seal-coat was also applied on Star and Fourth Streets, along with patching of numerous places on paving which previously existed.

Cost to the property owners was \$78,000, while the city paid \$12,259.59. City cost on new paving ran close to \$3,000 with the remainder for additional repairs. Included in \$849 for patching, Southwestern Bell Telephone Company will repay the city \$535.25 to cover damages when underground cables were installed.

Name Zoning Group

The Commission also named a five-man Planning and Zoning Commission, which will be a permanent division of the government under existing laws. The commission included: J. C. McCracken, Neil Cooper, J. C. Ricketts, J. E. Allison, and Ben Childers. Object of this group will be to consider and recommend to the commission any basic changes in the new Zoning regulations, boundaries and other such problems which may appear justified.

A second body will also be appointed in connection with Zoning, according to the City Commission and will deal with exceptions to present regulations. They said that this group will be selected in the near future.

The City also agreed to purchase equipment for the office of City Engineer in the amount of \$1,482.93. It was pointed out that the equipment will probably serve the office for several years until such a time that a "boom" or expansion program might require additional equipment.

Rash Of Highway Accidents Adds Up To:

One Man Dead, Two In Hospital Property Damage Totals \$6,460

The Hereford area broke out with another rash of wrecks this weekend in a series of six accidents which closely paralleled the situation of two weeks ago. Most of the accidents occurred over Sunday and Monday and, oddly enough, four were in the Summerfield-Black area.

As Highway Patrolmen summarized the accidents Wednesday morning, the score added up: one dead, two seriously injured; total property damage, \$6,460. The accident series also boosted the total deaths to six in this immediate area during 1954, according to Patrolman J. R. Kirkwood, who said that four of the accidents this year have occurred on country roads.

One Man Killed In Auto Crash

Wilbur Lee Meyers, 29, brother of Mrs. Jack Luck of Hereford, died in the hospital here at 6:40 Monday afternoon, as the result of injuries received when his car over-turned five times on Highway 51, six and one-half miles south of Hereford. Meyers was a resident of Amarillo and had been visiting in Hereford and was on his way to Dimmitt to see his uncle, City Marshall W. C. Cook.

Seek Driver Who Ran From Scene

Property damage was heaviest in a wreck three miles north of Summerfield on the county road, when two dump trucks sideswiped head-on to the tune of around \$4,500 in losses. William Weldon Averett, Lubbock, was also placed in the hospital here with serious lacerations and bruises.

The other driver, who jumped from his truck and ran following the impact is still being sought.

Pedestrian Hit Near Summerfield

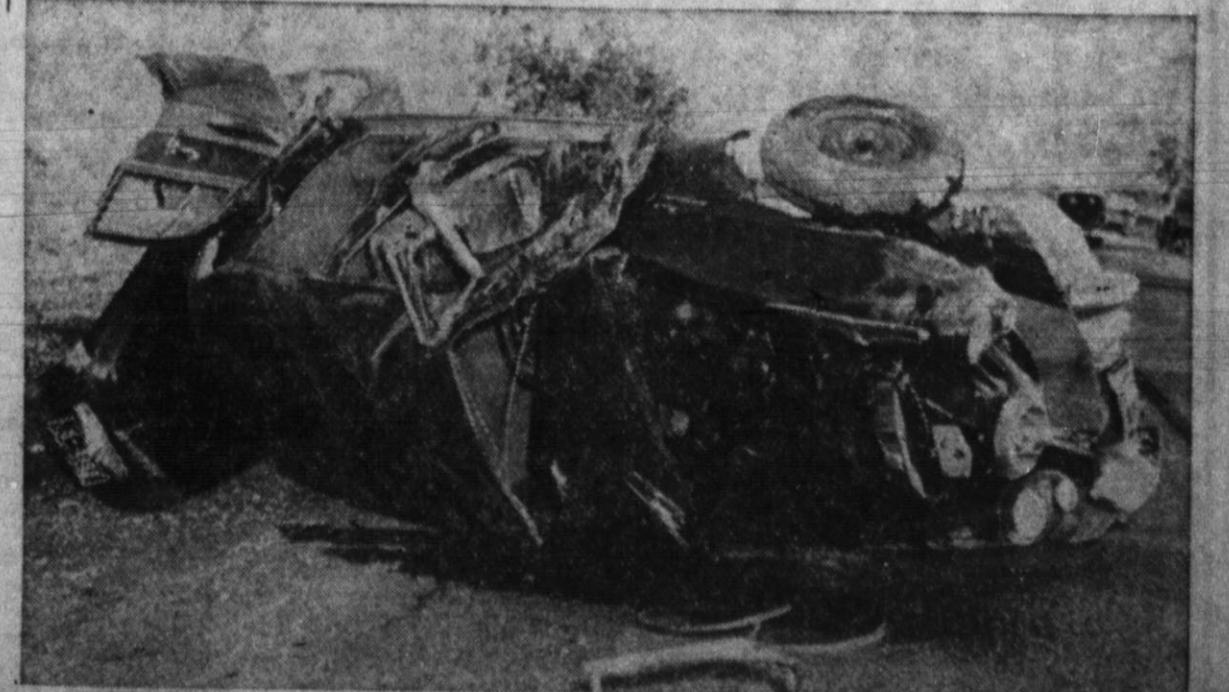

A broken leg, serious bruises and lacerations were suffered by Reuben N. Nez as he stepped down from the bus in front of the Summerfield Store Sunday night and started across Highway 60. The accident occurred at 8:45 o'clock.

Nez, an Indian from Chinle, Ariz., has been employed on the Santa Fe construction work here in recent months. He was rushed to the Deaf Smith Hospital and is still reported as being in serious condition.

Felt Slight Bump

The car which struck Nez was driven by Raymond W. Robertson of Oklahoma. Mr. Robertson and his wife drove down the road some distance following the accident before they decided that some person might have been involved. They returned to the scene after considerable argument during which Mrs. Robertson contended that she felt a "slight bump."

No charges were filed on the accident by investigating officer Joe (Continued on Page 2)

ONE MAN DIED when the above car overturned five times on Highway 51, around six miles south of Hereford Tuesday afternoon at 5:05. Wilbur Lee Meyers, 29, of Amarillo, was the victim and only occupant of the car. Myers, brother of Mrs. Jack Luck of Hereford, was on his way to Dimmitt to visit his uncle, City Marshall W. C. Cook. Foibles

FANCY and PLAIN

By Kent Snare

Glancing at this week's football contest in the Brand, my thoughts harkened back to the outlook, now blasted, at this season's outset, that many of these listed clubs entertained. Last week 3 more of the undefeated took the plunge shudderingly, namely, Virginia Tech, West Virginia and Boston College. Only last week I hazarded a guess that one of the Bowls might look to the Southern Conference for a filler and that VPI and the Mountaineers would be likely fodder, even though West Virginia fell flat of its face in New Orleans, last January One Mr. J. Cronley stumbled thru an extensive column on Tuesday, concerning the possibilities in the Big Seven alone. These were frightening, no less, and are doubtless giving the Orange Bowl pap's the goose bumps, large size, that is, Oklahoma is not eligible to return in '55, Colorado was supposed to be the successor, but up to now, has 2 demerits. Nebraska, not mentioned early, is in the driver's seat, with one loss, but has Oklahoma promising another. Missouri has one and is not past Oklahoma or Colorado. Kansas State has 2 losses, but is by the Sooners and the Huskers, having pinned the lone black mark on Nebraska. The thing will doubtless end in a tie for second and Mr. C., can show you, and logically, that it could terminate in a four way knot. Their established opponent, by declaration, comes from the Atlantic Coast Conference, and should be Duke, the Marylanders having defaulted with 2 losses and a tie to date, from a cream puff schedule. However, they close the sea-

son with Missouri of the Big 7 and they could really blobber the gate, if the cards fall right, or wrong, which ever angle, you might be employing, would dictate that decision. Last week, personal, I thought the Texas Ags was gonna put the Arkansaws back in that "Hog" category, but they only, runs second, albeit good. To return to the Brand list, skippingly, and on their dark side, they is more failure than successes, as they is wont to be. Marquette, touted highly, with 2 losses and a standoff. Maryland plus Texas Tech, likewise, Texas, even more so on the downslide, with 4 bangs and a no-decision. Auburn, front rated as a dark horse type, out in the cold 3 times, already. Cornell, accorded the Ivy Ivy, 4 straight tags. Georgia Tech, 3 demerits and 7 expulsions, to likely bring on more shaded with nine, expulsions, that is). Iowa out of the running, two marks agin them. Michigan State with 4-conference losses. Illinois, rated as potential National champ, has dropped 5 games, but will ear-mark some club before this lap is out. California with 5 losses and that doesn't count the possible cancellation of the Pappy guy. Oregon, Wisconsin, Penn State and on, ad infinitum. Course they is some surprisers, too, like Arkansas, Ohio State, Clemson, Purdue, et al. On that surpriser angle, leave me lean on an anecdote note. At 2 A.M., some lone distance joker got tangled in Mr. Bell's system and wound up ringing at the Snare menage, in error and resultant caustic comment. Any human bean type can easily visualize the resentment of Mr. and Mrs. S., but, hoo boy, the demeanor of the speckle pup dog, you needed to eyeball to appreciate. That character, being fresh out of words, as usual, exhibited her disgust by stalking about and around, stiff legged, huffing and puffing. The thing terminated in her hauling the no-hair man outside, barefoots, into the deep night and the grass burrs, the latter, of course, brought reality and more caustic comment and the speckle dog inside, and summarily. I pondered on having the instrument pulled up by its roots but abstained on account of the girl tad. Which affronts me with another problem, did you get the conditions or shall I take in after the Express Co. Advise???

gon votes with the Democrats as he has promised, Vice-President Nixon's deciding vote will keep the Senate in Republican hands.

Only one other Senate race remains undecided. But in that contest Republican Senator Guy Gordon has what appears to be a safe lead over Democrat Richard Neuberger.

In the close races decided yesterday, the Democrats scored one big upset. A-F-OF-L Executive Patrick McNamara retired veteran Republican Senator Homer Ferguson in Michigan.

Other late victors were Republican Representative George Bender of Ohio, who outlasted Senator Thomas Burke in a drawn out struggle, and veteran Democratic Senator James Murray of Montana and Joseph O'Mahoney of Wyoming.

The defeat early today of Democratic Senator Guy Gillette of Iowa by Republican Representative Thomas Martin and the failure of the Democrats to hold the seat given up in Colorado by Senator Edwin Johnson now seem to have been their worst breaks. Johnson was elected Governor of Colorado and Republican Gordon Allott won his Senate seat.

Meyers, who was alone when the accident occurred, was thought to have been circling around a combine or truck parked along the road. His car did not leave the pavement more than six feet although it swerved on both sides of the road during the 250-foot ride while it was out of control. When it overturned the fifth time, it covered half of the road and Meyers' body was thrown to the pavement in the center of the other half.

Meyers was born Jan. 18, 1925 in Amarillo. He married Jo Ann Scott in April of 1946 in Amarillo. Meyers worked as a switchman for the Santa Fe Railroad Company.

Survivors include: his wife, Jo Ann Meyers; two sons, Steven Lee and Jae Michael; his parents, Mr. and Mrs. Everett W. Meyers; two sisters, Francis Norene Luck of Hereford and Betty Jane Owens of Dallas; one brother, Robert Lawrence, of Amarillo.

Burial services were held at Amarillo.

by police. Contractors, unable to furnish complete details, said he had been only recently employed.

The accident occurred on actual scene of construction work of the Farm-to-Market road in the area, and gravel, dumped when the truck overturned, was so well on location that workmen spread it out on the spot to continue work.

Averett, age 29, driver of the loaded gravel truck, a new 1954 Ford, was headed south when he sideswiped the second truck, not loaded, and going north. Both trucks overturned, and the empty truck straddled a four-wire fence adjoining the scene of the accident.

Averett was thrown from his truck by the impact. The man who escaped was presumed to have gone without serious injuries.

Highway Patrolman Joe Culp said that charges of "Driving on the Wrong Side of the Road," have been filed against Averett. Estimated damage on the Averett truck was \$3,000, and that on the empty truck, a 1951 Ford, was estimated at \$1,500. Both trucks were near demolished.

Mr. and Mrs. Lawrence McGee were in Abilene the past weekend where they attended homecoming celebrations at Abilene Christian College, and visited their daughter, Barbara, a student at ACC.

The Matadors bowed twice to the Hartley teams Tuesday, Oct. 25, as the boys team lost 30-36; while the girls were defeated 25-36. Of the 20 points scored by the Adrian boys, Neil Pounds made eight; Edward Finnell four; Davis Brown and Sheldon Proctor three each; Freddy Hixor 10, and F. Inis Brown two.

The Adrian girls lost by 11 points to the Hartley girls. Of the 25 points scored, Jewett and Jordan made 10 each; Annie Leslie made three; and Barbara Pannell two points.

Tag Team Heads Saturday Card

A tag team championship wrestling match comes up at the Hereford Bull Barn Saturday night, with the famous James Brothers of Houston and Los Angeles challenging the roughsters, Bob Geigel of Iowa and Doc Gallagher of Bayonne, N. J.

Gallagher and Geigel own the title by virtue of victory over the Mexican athletes, Gary Guerrero and Pepper Gomez. They face a vigorous assignment in defending it against Jesse and Johnny James who held the championship last year until December 17.

Nearly a year later, the handsome, intelligent and super-active James boys are back in the territory, intent on winning the tag title, and maybe the individual championship.

There are few "brother teams" in the United States more popular and better liked, if any, than Jesse and Johnny. They are the favorite of fans wherever they work; although they are clean, scientific wrestlers, they can get angry when occasion demands.

Gallagher and Geigel are apt to provide the occasion at Hereford Saturday night. Numerous promoters have asked for this match, but Guy Lawrence and the Hereford Lions Club get it.

The Lions Club turns in a good percent of the gate receipts to charitable purposes. Of necessity, the pay-off to champions runs a bit higher than usually is the case, Gallagher and Geigel demanding a bit more since they won the title and it is a world-wide accepted situation.

To warm-up for the main event, two special matches have been slated. Jesse James meets Bob Geigel in the semi-final, one fall or 15 minutes, and Johnny James faces blond Doc Gallagher in the opener, also for one fall or 15 minutes. By the time these matches are over, anything can happen in the main tag team event, and probably will.

Willis Dufur spent the weekend at Keene visiting with Mrs. Mac Grimes and daughter, Betty. Betty is a senior in SWJC at Keene.

CARD OF THANKS

To all our many friends who wish to express our sincere gratitude in this manner for your many acts of kindness at the time of the death of our loved one. For your visits, the flowers, the food and for the many other things, we thank you. May God bless you. Sincerely,
The L. L. Strange family.

Black News

By Altha Presley

The Black Study Club met with Lucille Rockey Thursday, Oct. 21. Mrs. Latham brought the program on the latest in styles and fabrics. The members voted to have a "rummage sale" on Saturday, Oct. 30. After the business session was over the hostess served delicious refreshments to the following members: Elmer Prewitt, Louise Robinson, Beulah Deaton, Irene Latham, Carrie Tatum, Emma Elmore, Jennie Patton, Maxine Price, Mildred Barnett, Maudine Edelson, Altha Presley and the host-

ess, Lucille Rockey. Bettie Deaton of Bovina spent the weekend in the home of her parents, Mr. and Mrs. K. E. Deaton.

Pat Deaton of the U. S. Navy, who has been home on leave for a month, returned to his base in California Saturday.

Mrs. Loyd Lookingbill was in Lubbock Wednesday.

Mr. and Mrs. Ross Latham were shopping in Amarillo Tuesday.

Dick Rockey is on the sick list at his home this week.

Five little witches and goblins invaded the Presley home Saturday night for trick or treats. Perfect little ladies and gentlemen, we are proud of our children here at Black.

H. V. Rockey was home from Fort Worth over the weekend. Our home town newspapers are

wonderful sources of news, so thinks H. V. Rockey and his family. The first they knew about H. V. being chosen best Cadet of the year at Texas Christian University was when his mother saw it in the Friona Star. She mailed it to H. V., who had not yet heard about it. We think this is wonderful for H. V. and our community.

Mrs. Marjorie McGowan was shopping in Amarillo Thursday.

Leslie Deaton and his sisters, Mrs. Zanus Holly and Mrs. Lezer in Flowers went to Arkansas over the weekend to attend their uncle's funeral.

Mr. and Mrs. Adie Hinds attended the funeral of Clayburn Carr at Muleshoe Thursday. Mr. Carr formerly lived near Black.

Barbara Deaton attended the Dallas Fair with the E. W. Tatum family. Mary and Barbara return

ed on the train Thursday, while the rest of the family stayed until Saturday. Weldon's calf placed fifth in the show, which was not too bad considering the competition; although, a disappointment to Weldon.

Mr. and Mrs. Ralph Price were in Dimmitt Monday.

Mr. and Mrs. Ross Latham moved to their new home in Hereford this week. Their new friends here at Black regret to lose them, but we do wish them well in their new locality.

Miss Mary Tatum of this community was crowned football queen at Friona Friday night. The parade that the school staged Friday afternoon was wonderful and was enjoyed by everyone.

Mr. and Mrs. Fern Barnett and family were shopping in Amarillo Saturday.

Santano Chavarria plead guilty to "Driving While Intoxicated" in county court here Monday. He was sentenced to 10 days in the county jail, plus a fine of \$75 and costs by Judge Horace L. Schloss.

Chavarria was picked up back of Packard Milling Company Sunday night by Sheriff Lowell Sharp, who said that irregular driving caused him to follow the man for around two blocks on New York Avenue. Sharp also said that he confiscated whiskey and wine from the automobile.

The defendant, it developed, had no driver's license and the

How Can I?

By Anne Ashley

By Anne Ashley
Q. How can I remove oil stains on a carpet?
A. Rub with a clean cloth dipped in cleaning fluid. Begin at the edge of the stain and gradually work towards the center, changing to a clean section of the cloth when one part is soiled.
Q. How can I keep custard from forming on starch?
A. This skin will not form on the freshly made starch if it is covered with a pan.
Q. How can I have a smooth top when making fruit cake?
A. Save a little of the plain batter to spread on the bottom of the pan and on the top of the fruit batter. The surface of the cake will then be smooth and there will be no fruit sticking to the pan and burning on top.
Q. How can I soften brown sugar?
A. Brown sugar requires moisture or it will cake. To soften it put into a bag and wrap a damp cloth about it. Or, roll on a board with the rolling pin, and if necessary, sift also.
Q. How can I bring relief to a burn?
A. By applying a cloth wet with equal parts of sweet oil and lime water.
Q. How can I prevent scratches on the hardwood floor, from the casters on heavy pieces of furniture?
A. Remove the casters and roll pieces of adhesive tape around the outside of each one. It will act as a rubber casing and will not mark the floor.
Q. How can I make a good vegetable salad?
A. Use cooked or canned peas, grated raw carrots, and shredded cabbage. Or use cooked green lima beans, diced tomato, diced cucumber, chopped onion. Serve on lettuce leaves.

Walcott News

By Mrs. T. L. Collins
All of the children of Walcott Grade School enrolled in the American Red Cross, another way to help others.
Individual pictures of each child reached us this Friday. We expect to be exchanging pictures with our classmates soon.
"The Walcott Westerner," a school newspaper published monthly by the Walcott School, was issued Friday afternoon—"hot off the press." There are articles about each room's class activities; also news of general interest to all.
Mr. and Mrs. S. O. Perkins, our kindly custodian, bus driver and cafeteria operators, are the proud grandparents of a new granddaughter, Connie Lynn, born on Thursday, Oct. 28, in the Deaf Smith County Hospital. She is the first child of Mr. and Mrs. Tom Oliver. Mrs. Oliver is the former

Willier Funeral Is Held Tuesday

Funeral services for Noble Lewis Willier were held Tuesday afternoon at 2:30 o'clock in the First Methodist Church of Hereford, conducted by Rev. Don Davidson of Levelland and directed by the Gilliland Funeral Home of Hereford.
Willier died at his home, one mile east of Hereford, at 9:30 o'clock Sunday morning.
He was born March 10, 1908 in Quinlan, Okla. He married Anna R. Parker Sept. 10, 1928 in Alva, Okla. The Williers came to Deaf Smith County in 1946 from Quinlan, Okla. Mr. Willier was employed by the Hereford Creamery.
Pall bearers were Elton Malone, Bedford Forrest, Bob Foré, Joe Pitts, Don Cavness and Bud McIntosh.
Survivors include: his wife, Anna Willier of Hereford; three daughters, Mrs. Mary Lou Decker of Belva, Okla., Mrs. Dorris Burgess of Hereford and Mrs. Peggy Ann Short of Anton, Tex.; two sons Glen DeVirl, Sgt. First Class from Ft. Hood, and Jack LeRoy of Nisland, S. D.; nine grandchildren; his parents, Mr. and Mrs. Charles Willier, of Quinlan, Okla.; and his two sisters, Mrs. Dorothy Hopkins of Quinlan, Okla., and Mrs. Lois Garvie of Chester, Okla.
Willier was buried in the Rest Lawn Cemetery of Hereford.

LaNell Perkins. People of the Walcott community extend to you folks our congratulations and welcome to this new little one.
The next regular P-TA meeting will be Friday night, Nov. 5. This is "Game Night." Each family bring your favorite game and cookies.
Kit Sanders of Hereford, Cokie Kennon of Plainview and Richard Sanders of Floydada visited in the T. L. Collins' home Sunday afternoon. Their son, Raymond, accompanied them back to Canyon for school at West Texas State College.
Walcott School was all lighted and buzzing with activity for several hours on Saturday night, Oct. 30. The P-TA sponsored their annual "fund raising" Halloween Carnival. A happy fun - spirited crowd could be seen going from booth to booth enjoying the fun offered to them. Many children dressed in appropriate Halloween costumes added to the pleasure of the adults as well as their own pleasure.
Mrs. Don Guseman was the General Chairman for this 1954 Halloween Carnival. She worked carefully for weeks, along with good help, to make it the big success that it was considered to be by those attending. We appreciate the presence of everyone as well as your generous spending. Our thanks to the merchants of this trade territory for their donations of prizes for the bingo winners.
Proceeds from the Carnival will exceed \$300.
The auditorium was a busy place upon arrival you realized you were in for a good time. Bingo was played in the center of the room. Helping with this were Mr. and Mrs. Dub Harkrider, Mr. and Mrs. J. V. Ferrin, Mrs. Cliff Johnson, Mrs. N. A. Brown, and Mrs. S. N. Thweatt.
The "county store" did a good

business. Operators were: Mr. and Mrs. Eldred Brown, Mrs. S. D. Dufur and Mrs. Tommie Monroe.
Children fished all evening at the "fish pond" with Mrs. L. W. Campbell and Mrs. J. S. McCullar in charge.
The "grab bag" was much fun, always being sure of something. Mrs. A. J. Walker and Mrs. Jack Weaver took care of it.
The 4-H Club Girls sold chances on a pretty doll in crocheted clothing. Their sponsor, Mrs. Roy Pruitt sold more at the desk. At the drawing, Mrs. Cecil Guseman was the winner of the doll.
Mrs. M. L. Preston and Mrs. Sid Perkins sold fresh buttered popcorn from the stage. This was good to crunch on as one milled around.
"Fortune telling booth" was a popular place. Mrs. Charlie Burks collected the money and kept customers entertained while waiting their turn to see and talk to the fortune telling lady, who proved to be Mrs. Jimmy Stocks.
Weight guessing was done by Ernest Brown and Jack Weaver. Of course they were good, but several won noise makers. You figure it out.
The ever popular "Cakewalk" was run by Mr. and Mrs. Hershel Burrus. There were 33 beautiful cakes won. Some folks had cake for Sunday dinner.
The high school boys and girls worked hard on their two booths. Side Shows which contained the "Ruins of China," "A Ground Hog" and "Kisses," only for men, were run by Edna Patton and Donna Sue Guseman.
"The Horror House" had several of the boys in charge; Billy Dufur, Bob Perkins, Don Bomar, Bruce Collins and Bill Johnson. This was the spook house, which kept a line waiting to be scared.
"Penny Pitch" was always a scene of business. Mr. and Mrs. N. E. Tyler and Mrs. Morris Henderson were in charge.
"Clown Throw" was enjoyed by the children Mrs. Wallace Lumpkins helped them with their fun.
"Ball Toss" kept Mrs. Roy Grider and her daughter, Mrs. Hammock, occupied. This proved to be hard to do.
Darts were thrown at balloons. Indeed Roy Pruitt and Elmo Hall realized the business was constant.
The faithful help in the kitchen kept everyone supplied with hot dogs, sandwiches, pie, coffee, kool-aid, and Cokes. Helpers there were Mesdames Glenn Burrus, S. O. Perkins, Virgil Bomar, Clarence Hall and D. B. Roberson.
At a late hour the group departed realizing the 1954 Halloween Carnival was a big success, but each was weary.

Vacation Stops As Car Hits Cow
Two Kansas City couples brought their vacation to an abrupt halt 1 1/2 miles east of Black Sunday evening when the 1953 Buick, driven by Raymond H. Casebolt, struck an 800-pound cow owned by G. C. McCathern of Black. All four passengers were given medical treatment in Deaf Smith County Hospital, but were released shortly afterward.
After the cow was struck by the Casebolt car, it was also run over by a large freight truck and two passenger cars, but without additional damage.
Damage to the Buick was set at \$425 by the Highway Patrol.

Teen Talk

By VIVIAN BROWN
 This is the season for legs in the teen-age world.
 Fashions are built to show the knees. And the sub-deb set adores the chance. But styles are lady-like.
 Kilts are big news, worn with or without the traditional safety pin. Bermuda skirts about the same length as the shorts are other popular items. The skirts are frequently worn open down the front showing handsome plaid shorts or knit tights worn underneath. Kiltie cubbies made of tightly elasticized cotton, sporting a Scotch plaid motif on one cuff appeals to high school and college girls alike, particularly sports-minded lassies.
 Knockabout loafers are high on the list for casual shoes, tall girls preferring ballet shoes for little and big dates. Little girls prefer high heels for their big dates. String ties with matching belts (sometimes also with matching wristwatch band) are extra chic. And a steady beau emphasizes his role by wearing a matching four-in-hand tie.
 Big cuff links (the bigger the better) weigh down the wrists of the tiniest girls who wear blouses with French cuffs (and who would not be caught capering without).
 New hats worn for football dates include a fad—a little hand-crocheted wool skull cap with two long braids growing from each side of the hat, complete with perky bows at the ends. These are available in school colors and those that match tresses.
 White blazers are worn with Bermuda skirts and kilts. Charcoal is top color in solids. Tweed jumpers cut high enough so the jumper may be worn without a blouse for dates also is stylish.
 Knee-length wool socks in dark colors are extremely popular, although lots of kids prefer bright, bright colors: red, green, yellow, blue.
 Bracelets are being crocheted out of metal yarns. Some have initials integrated in the wristlet.

Beauty At Home

Q. How can I accent my eyes, which are very small?
 A. Usually, mascara is applied only to the upper eyelashes, but in the case of small eyes use some on the lower lashes, too.
 Q. What after-shampoo rinse is good for keeping blond hair light-looking?
 A. The juice of one lemon to a pint of water.
 Q. How can I add smoothness and transparency to my oily skin?
 A. Use a powder foundation of either liquid powder or cake makeup, sponging the latter on with a damp sponge or cotton pad. The liquid powder should be stroked on and then blotted after blending on the skin with a damp cotton pad. If the sponge or pad is dampened with skin freshener, it helps greatly.
 Q. What can I do to soften and bleach my skin?
 A. Add some lemon juice to your cleansing cream, and keep this in a cool place to prevent its turning rancid. Some women like to keep lemon juice in their hand lotions, too.
 Q. My skin seems to have acquired some traces of flakiness. How can I remove these?
 A. Try mixing a little ordinary kitchen salt with your cleansing cream two or three times a week.

Club Reports Show Active Year For H-D Members Of This Area

When a Club President is installed her principal duties are to preside at meetings and work her committees for a smooth-running organization, but presidents of the 11 Home Demonstration Clubs in Deaf Smith County are also responsible to Council and to the County Home Demonstration Agent for an annual report covering the year's activities.

These reports not only reveal how well the clubs have followed the Year book, but give information regarding other activities that have added interest or been profitable in their program in home improvement or family relations.

Annual Reports
Annual reports of most of the club presidents were given at the October H. D. Council Meeting and a summary of the material included follows:

An average of about 15 regular meetings, outlined in the year book, have been held and some of the clubs have held as many as three special interest meetings of some sort.

During the year a large percent of the clubs entertained another club or were invited to a tea or luncheon.

This summer most of the presidents reported some family or community activity, sponsored by

their H. D. organizations; others sponsored family dinners for their clubs on Thanksgiving and at Christmas.

Encourage 4-H Work
Four-H Club girls have been entertained by most of the clubs and clubs from several communities provided the 4-H leaders.

Food and Landscape demonstrators have given demonstrations on programs in every community, and special meetings have been held for additional demonstration on foods and work in craft.

Almost every club reports one or more members which have attended either or both the District and State THDA meetings.

A large number of women have participated in programs given to other organizations and some hold offices in the County Federation and other clubs work with civic groups and welfare projects. Women from several clubs make up the H. D. Choral Club.

Club Projects
The Club project of a large percent of the clubs includes some phase of community improvement. Some of those listed in the president's reports are:

Road Markers by the Cultural and the Westway Clubs.
Six miles more paving in the Messenger community and drive-

ways at several homes graveled. Water samples sent from the Dawn School to be tested.

And one of the biggest projects carried out by the club with the least membership was a visit to Boys Ranch by club women, their families and 4-H girls, when they gave the Boys 100 cup towels. Shirts have also been given to the 15 boys at the Ranch who had birthdays in September.

This greatly condensed summary is evidence that the year's work has been profitable not only to club members but to all who have had contact with Home Demonstration Club work as it is being carried out in Deaf Smith County.

Mrs. Phil Radovich and her sister, Mrs. George Miller of Austin who has been visiting relatives in Hereford recently, have returned from Tucuman, N. M., where they visited another sister, Mrs. Frank Ball and family.

By Argen Draper

A telephone conversation with Mrs. Clyde Cocanougher reminds us that it's just two months until Christmas. Mrs. Cocanougher was talking about Fruit Cakes and other holiday cakes and says she is going to make her cakes soon and let them cure or ripen for three or four weeks. After they are ripened she will store them possibly in the freezer. There are still some of the cake recipes that the clubs used last fall—White Fruit, Apple Sauce, Orange, and Potato. Also, an Unbaked Fruit Cake that is really more of a pudding but is good. The people on Mrs. Cocanougher's Christmas list don't read this but she may give some cakes as gifts.

Mrs. Leon Coffin recommends the Whole Egg Sponge Cake recipe which came from Tech. There are some recipe sheets in the office with three sponge cakes on it—the whole egg sponge, the angel food, and the yolk sponge. These recipes were worked out in the Foods and Nutrition Department of the Home Economics Division at Texas Tech. We'll be glad to give you a copy.

There's an exhibit in the office on Buffalo Grass, thanks to Jim Wiman and Jerry McCaskill of the Soil Conservation Service. If you are considering putting out a lawn of Buffalo Grass, come by the office and see this. If no one is in the home demonstration office ask the employees of Soil Conservation Service, they're better informed anyway.

Club Meetings Round Out Month

A social event and "Sidewalk Demonstrations" completed the October program for the Home Demonstration Clubs reporting:

West Hereford
Club members and visitors came masked to the home of Mrs. E. M. Cox for the regular meeting of the West Hereford H. D. Club on Oct. 26. In the receiving line were several unidentified ghosts and a witch had a pot already brewed up with fortunes for the guests as they arrived.

Each person was given a tally to identify the strange characters roaming about the house but some were recognized only after they had removed their masks.

Mrs. Pete Carmichael, a guest from the Progressive H. D. Club directed several Halloween games before the business session was opened by Mrs. John Jacobsen Sr.

Roberta Campbell a visitor from North Hereford Club, gave a short demonstration on "Materials and Methods Used in Laying a Walk."

Other visitors were Mrs. C. B. Williams, Mrs. Ab Thompson, and Mrs. Elwyn Hartman. Mrs. Norman Livesey was welcomed as a new member and Mrs. H. D. Tarlton as a former member. Members attending were: Mesdames Ida Mae Vaughn, John Jacobsen Sr., P. H. Luck, Carlos Vaughn, W. A. Waters, Vern Witherspoon,

Bessie Johnson, Miss Evelyn Bell and the hostess.

Westway
Mrs. Leo Onig was hostess to the Westway H. D. Club on Oct. 27.

Mrs. Joe Wagoner opened the meeting by presenting Mrs. Ohlig with a gift shower.

Mrs. C. A. Sauley gave the council report.

Refreshments were served to Mrs. Otho Snipe a visitor, and the following members: Mesdames G. C. Merritt, Charles Owen, Paul Rudd, P. B. Sowell, George Turmentine, Bobby Jones, Joe Wagoner, S. T. Loevald, Elvin Wilson and the hostess.

At The Movies

"Four Guns to the Border"

In an atmosphere of grim destiny, Universal-International's Technicolor "Four Guns to the Border" will deliver solid dramatic entertainment to the screen of the Star Theatre when it opens Friday and Saturday with Rory Calhoun, Colleen Miller, George Nader, Walter Brennan, Nina Foch and John McManis in starring roles. The gripping adventure of four outlaws and the homesteading father and daughter whose lives depend on the four renegade guns is told in a mood of tension that survives fist-fights, gun-battles and furious Apache attack.

The first major directorial effort of actor Richard Carlson, "Four Guns to the Border," builds strong interest with a first-rate plot, fresh and provocative love-interest, a roster of intriguing characters, and some of the wildest Indian fighting ever filmed.

"Elephant Walk"

The exotic and mysterious Ceylon jungle is the setting for Paramount's powerful Technicolor romantic drama, "Elephant Walk," which is due to open Sunday, Monday and Tuesday at the Star Theatre. Starring Elizabeth Taylor, Dana Andrews, and Peter Finch, "Elephant Walk" relates the unusual tale of a beautiful English girl, who, after a brief courtship, marries a man and then goes to live with him on his fabulous tea plantation thousands of miles from her native land.

A lavish production, "Elephant Walk" is a unique film accomplishment embodying a beautiful romantic story with a thrilling tale of adventure. The villains in the picture are the huge elephants who live in the jungle surrounding the gigantic plantation. These enormous pachyderms periodically stampede up to the very walls of the palatial home but each time they are beaten back by the native workers.

Long Time Ago

45 Years Ago

An interesting feature of the exhibits in the Agricultural Hall at the Fair Grounds is the exhibition of sugar beets grown in Dallam and Hartley Counties, this being the second year the farmers of those counties have experimented with the sugar beet for the purpose of determining, first, whether the soil of the upper Panhandle was suitable to the sugar beet and whether the plant would thrive at all in that sandy loam; second, whether it could be produced in sufficient volume to be profitable.

Last year was the first year the sugar beet was ever planted in either of the counties named, after the Commercial Club at Dalhart had succeeded in establishing an experiment farm there, to get which cost the club \$4,000. Under the impetus of the Government's supervision, a few farmers were induced to put in a number of small plants, and it was shown that the beet would grow there and do well.

Subsequent tests of the beets by Washington Agricultural Department showed that they yielded a saccharine content of a little more than 19 percent, the highest so far known having been around 25 percent saccharine matter.

The experiment was continued this year on a much larger scale; fifteen farmers have been induced to put in a quarter acre plot, and these plots have yielded a uniform amount, a little more than two tons to the plot, equaling slightly better than eight tons to the acre.

The average yield per acre under irrigation in Colorado is fifteen tons, which yield is very profitable to the grower, while eight tons to the acre will yield a reasonable profit.

DATE-WALNUT PIE

Ingredients: 2 cups milk, 1/2 teaspoon salt, 1/4 cup quick-cooking rice cereal, 9 inch unbaked pastry shell, 2 tablespoons soft butter, 2 eggs (separated), 1/2 cup sugar, 1/2 cup finely chopped walnuts, 1/2 cup finely chopped dates, 2 teaspoons grated orange rind.

Timely Tips for Better Foods

Easy Friday Night Supper: Dip shelled cleaned shrimps in a barbecue sauce and broil. Open a can of potato sticks and heat while the shrimp are broiling; make a big salad and have plenty of rolls on hand. For dessert? A bowl of fruit and cookies made from a mix.

Here's a new twist for pastry: add 1/4 teaspoon ground nutmeg and 1-8 teaspoon ground cloves to a package of piecrust mix; make up the rollout as usual. Use this spicy pastry with a fresh apple or fresh pear filling, sweetening the apples or pears with sugar and pointing up their flavor with a little grated lemon rind and lemon juice.

Everyone will like cauliflower if you top the cooked flowerets with well-buttered bread crumbs mixed with minced pimiento. Looks pretty, too!

Here's a fine way to serve condensed cream of chicken soup. Cook minced bacon, onion and celery together and drain; add the bacon mixture to the diluted soup and heat.

Method: Heat milk and salt in top of double boiler over boiling water. Sprinkle in quick-cooking rice cereal and cook, stirring constantly, until slightly thickened. Cover and continue cooking for 10 minutes. Cool slightly. Meanwhile prepare pastry shell. Blend together the butter, egg yolks and 1/4 cup of the sugar. Add walnuts, dates and orange rind. Combine with the slightly cooled cooked rice cereal.

Beat egg whites until stiff, gradually beating in remaining 1/4 cup sugar. Fold beaten whites into rice mixture. Pour into unbaked shell. Bake in moderately hot (375 degrees) oven until lightly browned, about 45 minutes. Serve warm.

Baked apples and baked pears take on new dessert interest when served with a sauce made from a package of lemon pie-and-pudding filling mix. Or, if you prefer, serve the fruit with a soft custard sauce.

Roast lamb on the menu for Sunday dinner. You can make a mint sauce for it by a couple of tablespoons of water and a couple of teaspoons of cider vinegar to a half cup of mint jelly; stir the jelly mixture over low heat until it dissolves.

If you add a little sugar into the milk and egg mixture into which bread is dipped when you are making French toast, the bread will brown well in the skillet.

You can use condensed cream of asparagus soup with dried beef for a supper dish. Serve over crisp toast, steamed rice or hot biscuits.

Like to have friends for Sunday tea? For a delicious sandwich filling, mix cream cheese with well-drained crushed pineapple. Make the sandwiches of thinly sliced bread, the cream-cheese mixture and sprays of water cress. A bowl of salted almonds goes well with these sandwiches.

Ever add drained canned whole-kernel corn to a snappy cheese sauce? Good over crisp crackers or toast for Sunday night supper. Serve a raw-vegetable salad with this corn rarebit.

Broil slices of onion and mushrooms, brushing with butter, and serve with steaks, chops, hamburgers or broiled chicken. Sprinkle the rounds of onion with paprika just before they are ready to come out of the broiler.

Sausage and fried apples taste wonderful for Sunday breakfast. For an extra-pretty platter, nestle a few sprigs of parsley around the sausage and fill the center of the apple rings with a little whole cranberry sauce or a tiny round of jellied cranberry sauce.

Q. How can I prevent chapping of hands when they have been in water?

A. The skin will pucker if the hands are in water for any length of time. But if rubbed with either

vinegar or lemon juice, it will make them soft and white, and prevent chapping.

All The Way...

THE churches of this community seek to help you. They will go *All The Way* in assisting your living a Christian life. The Church's Word to guide you and the sole purpose of its existence is to help all people find true happiness which comes only through faith in God. If you are one who does not go to church, then you become a very great problem. You are a bad example for others... your influence for good cannot be felt. *The Church serves All The Way... from the nursery department to ripe old age.* "Now abides faith, hope, love: these three; and the greatest of these is love." Surely that must be what the Bible teaching of the Church means... *All The Way Through.*

YOU IN THE CHURCH
THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with knowledge and a stronger democracy. In the church the mind, soul and conscience are nurtured. Citizens today desire that the church alone can furnish leadership to guide the affairs of state in these perilous times. They see with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular WES and a daily BIBLE READER.

Soft Drink

A soft drink for thirsty invalids is made with a teaspoon of pear barley, an ounce of sugar, and a quart of boiling water. Add part of the peeling of a lemon and allow it to stand for 10 or 12 hours.

Nickel
If nickel is tarnished make a paste of powdered pumice-stone, and sweet oil. Rub with this paste, then polish with a dry, clean cloth.

Disinfectant
If new stockings are allowed to soak in warm water for about 15 minutes, then dried slowly, before being worn, they will last much longer.

Custard
Custard will not curdle if the custard cups are put into a pan half filled with cold water instead of hot water. The custard will heat more gradually, will be firm and without a drop of whey.

Rust Stains
To clean rust stains from a white enameled sink, rub the spots thoroughly with fine coal ashes.

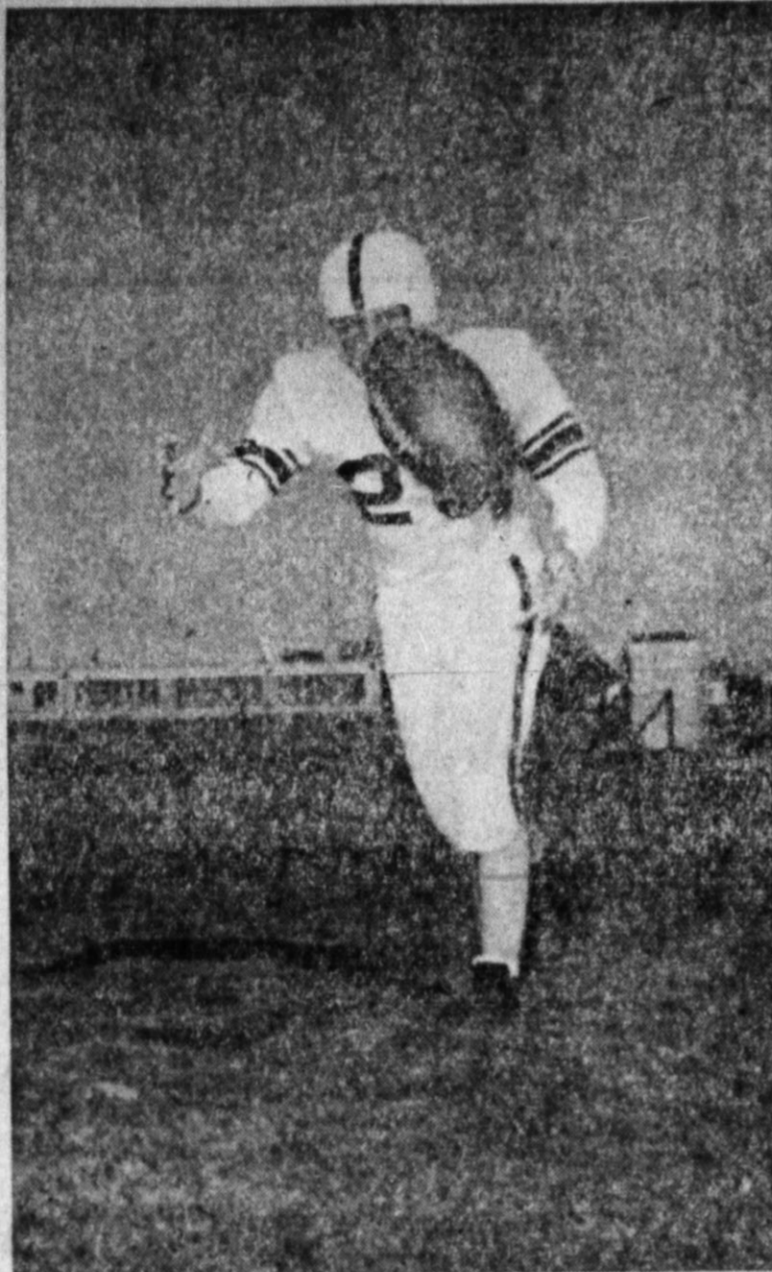

Coat Collars
Coat collars can be cleaned perfectly by moistening them with benzine, and after they have dried, thoroughly sponge with soap suds.

Hand Solution
To soften and whiten his hands, try washing them every night in borax, moistened with vinegar. Another method that is often of benefit is to rub the hands with buttermilk.

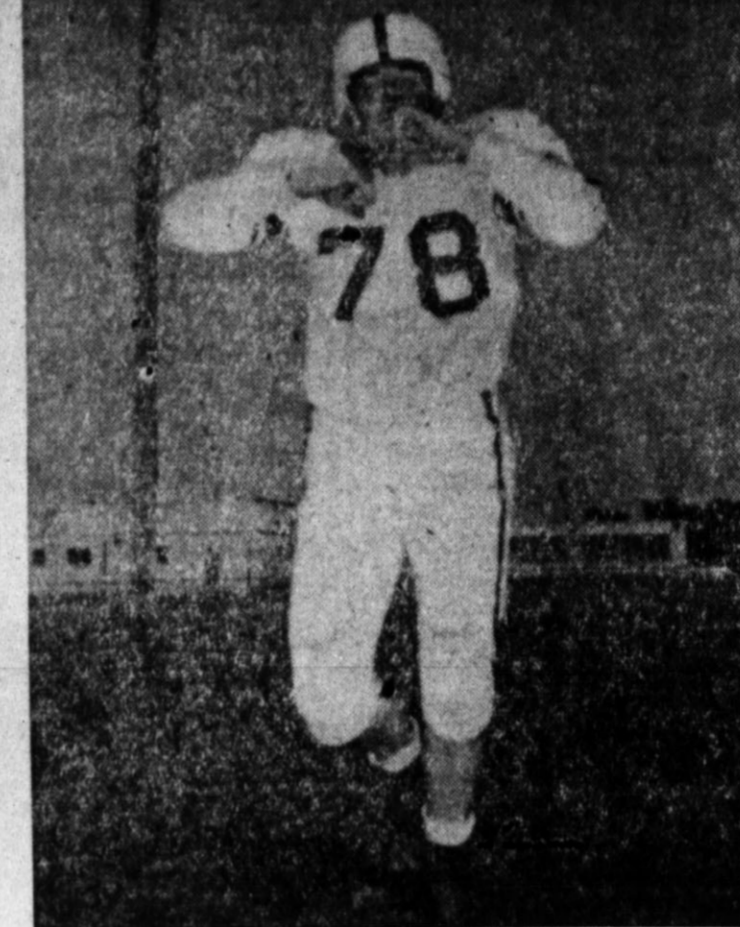

Foot Chopper
If the foot chopper slips when crowded on the table, place a piece of coarse sand paper (rough side up) under the clamp and it will not work loose.

Add a little grated orange rind to buttered beets for piquant flavor.

Use a wide pen when you are cooking more than one package of frozen vegetables that come in "blocks" so you won't have to stack them.

After you've finished baking, leave your oven door open for five minutes or so to let any moisture evaporate.

If you beat in sugar a little at a time, when you are making a meringue, the sugar will have its best chance of dissolving. When the sugar dissolves in the egg whites in this way, the meringue is creamy, airy and holds up well.

Beauty At Home

By Lynn Carter

Q. How should the woman with a long and thin face wear her hair?

A. She should wear it flat on top and fluffed out at the sides. A center part is usually good. Bangs also are often very becoming to this type, while the round-faced woman should avoid them.

Q. How can I help remove calluses from my hands?

A. Try applying some cuticle remover to the calluses, allowing to remain several minutes, then rinsing off and rubbing dry with a rough towel. Repeat, if necessary.

Q. What is a good waist-reducing exercise?

A. Stand erect with feet separated comfortably. Slide fingers of both hands down left leg toward the toes. Then drag the fingers up the leg and bend the trunk BACK to the right. Continue, alternating the hands on each leg.

Q. What external treatment can I give to pimples on my face?

A. A very beneficial treatment consists of adding a handful of starch to the morning bath, and spreading a thick paste of starch over the pimples at night before retiring.

Q. What can I do for hands that perspire excessively?

A. You can help dry them with a warm water and alcohol bath. Two or three times daily, use an astringent lotion made of one part boric acid to 20 parts water. Then dust the hands with talcum powder.
