Around Town

Folks Around Town this week were busy hunting up their heavy clothes and getting anti-freeze in their automobiles.

Seems as though there are some red faces in the Scout camp this week. The Boy Scout finance drive which was planned for Tuesday will be held Dec. 6 instead.

The Wesley Methodist Church will hold a box supper Thursday at 8 p.m. All the women will bring a box supper and everyone was invited to attend.

Distributive Education students at Hereford High will go to the airways Nov. 11. That day the DE class, under J. C. Reese, instructor, will take over the operation of Radio Station KPAN.

Due to the freeze, the Hereford Garden Club will not hold its annual flower show as scheduled Oct. 28.

Nov. 4 will be homecoming at Kress. A parade will be held at 10 a.m., followed by an afternoon football game and banquet.

Dub's Men's Shop has taken on a new look. The outside of the building has been completely repainted.

The Veterans of Foreign Wars have taken over the USO fund drive here.

Only a few more days to pay taxes and get that three percent discount. The big rush is on now, according to tax officials, and will probably last until the end of the month.

Newton Herold of Claude gave the Lions Club program Wednesday. He showed films of hunting in Africa.

The freeze early this week slowed down grain harvest, but it has about regained its momentum again now.

Harvest Is Normal Again After Freeze

Grain men said this week that Deaf Smith County's milo harvest has passed the half-way mark, but the season's first freeze early this week has slowed down harvest.

The freeze added moisture to the unharvested grain, and growers didn't get back into their fields until the latter part of this week.

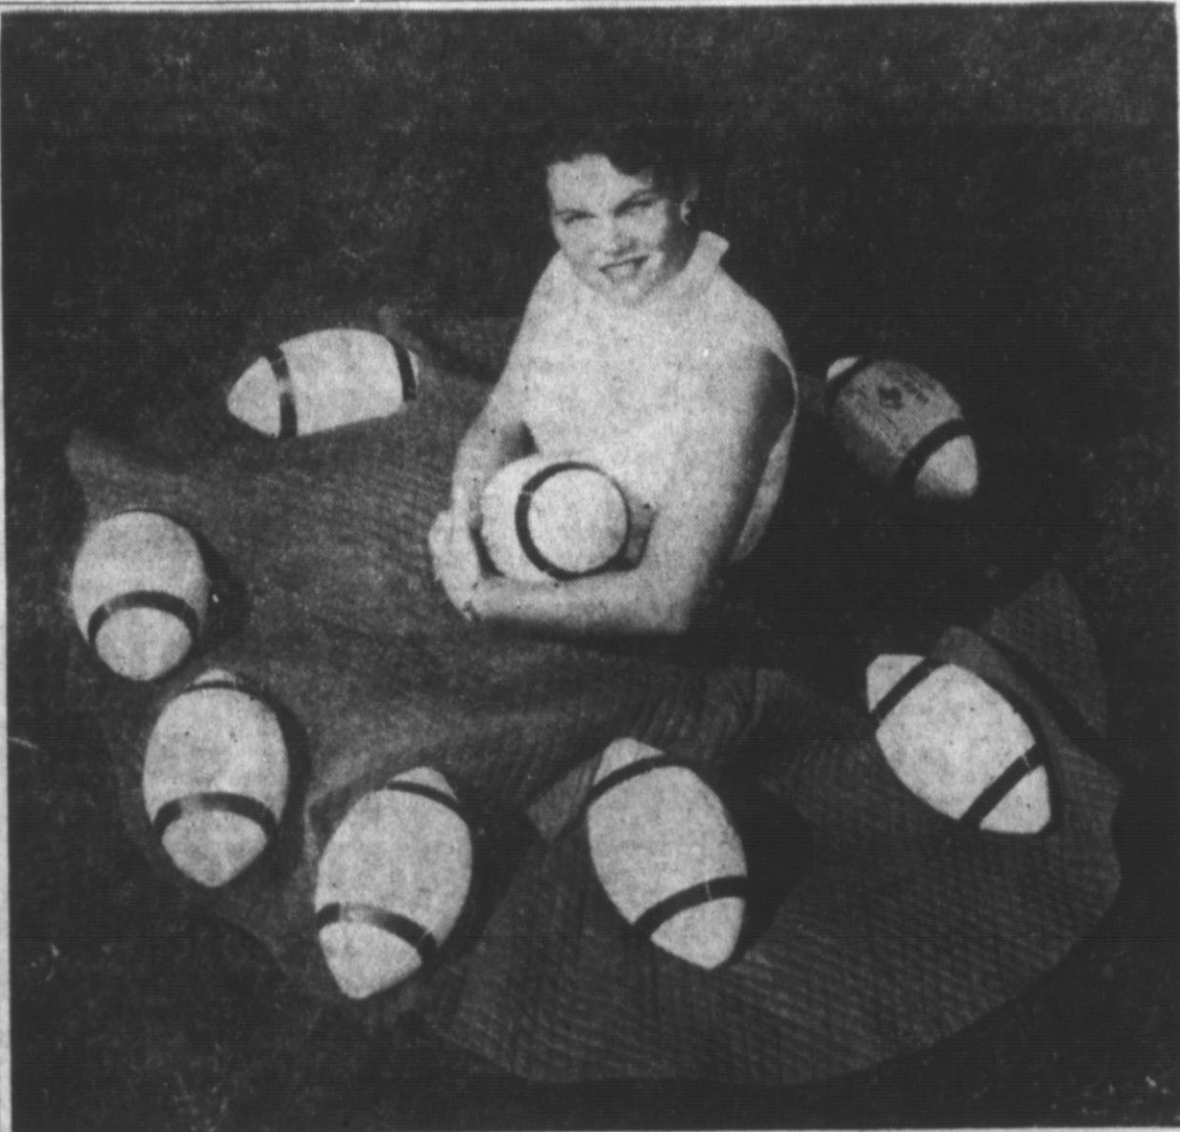

Almost all of Hereford's grain elevators were nearing full capacity, but still have some space available. Grain is being put on the ground at most of them now, however.

A shortage of railway cars is still causing a problem of getting the grain to terminals however. A bright sun helped the local situation by quickly drying out the dampened grain. Trucks were rolling into local elevators Wednesday at a steady rate.

Predictions on the 1955 crop were still good, however. Most everyone is sticking with their prediction that there will be more milo harvested this year than last year in the county, when eight million bushels were harvested. Most will agree, however, that the increase can be credited to more acreage and not to a better yield.

Most of the milo left to be harvested is on irrigated land. Dry land farmers, for the most part, reported poor yields. Running price on government storage remained slightly above \$1.50 per cwt., and the market price slightly lower.

Mr. and Mrs. A. O. Thompson are in Houston this week attending the seventieth annual meeting of the Baptist General Council which opens Tuesday.

TO BE CROWNED — Karen Sue McGee, football queen of HHS for 1955, will be crowned at the Hereford homecoming game, Friday, October 28, at the Whiteface stadium. Karen, a senior, is the daughter of Mr. and Mrs. Lawrence McGee. No the footballs don't belong to Karen—they were donated for the occasion by Western Auto. (Staff Photo by Carol Inman)

Farm Bureau Calls For Corn-Like Milo Controls

Deaf Smith County Farm Bureau members approved 34 of 42 resolutions submitted by the Resolutions Committee and elected eight new directors at their annual county convention held Saturday night.

Farm Bureau members recommended that "milo be controlled and supported on a similar basis to that of corn with commercial and non-commercial acres established" in one of the closest votes all night.

New directors elected were John Henderson, S. A. Fangman, Jim Kirby, Hardy Benson, A. L. Howe, Kenneth Rudd, Paul Lyons, Ed Daluk Jr., and H. E. Rippus. They were elected to serve two year terms.

Members also approved a resolution calling for a farm program "that permits freedom of action by the farmer on his farm with a minimum of cost to the Government at the same time, protecting the interest of the farmer and the nation."

They approved the "Soil Fertility Bank" plan and recommended

that all non-perishable farm products be supported at 90 percent parity with acreage control.

The County Farm Bureau urged more research, the disposal of non-milling wheat now in CCC storage "in any feasible manner that will not be in competition with feed grains and corn," use of "every means available" to increase exports of farm goods, a reduction of storage and handling charges "in accordance with the reduction in loan prices," and that "cotton reserve acres of Texas be left to the State Committee to be allocated similar as it has in the past."

The group voiced opposition to differential in the freight rate structure over the nation and asked that tariffs collected on imported farm products be used as a subsidy to sell surplus farm products.

A recommendation that the government give more consideration in foreign policy to South American countries "as our allies and

Anti-Grasshopper Meeting Is Set

A meeting of "everyone interested in grasshopper controls for 1956" has been called for Friday night here by County Agriculture Agent Hugh Clearman.

Clearman said that the meeting would be held in the courthouse beginning at 8 p.m. "If we are going to get any outside help next year we are going to have to identify we need it now," Clearman explained.

(Continued on Page 1)

neighbors," also was approved.

The group called for counteraction of unfavorable farm publicity and recommended that processors of milk be compelled to show the percentage of butter-fat on containers of all milk offered for sale. A revision of USDA grading standards was called for "so that wheat would be graded according to milling and baking qualities," and the FB asked for higher CCC loans on milling quality wheat than on non-milling quality wheat.

Repeal of the Cargo Preference Act was asked, and a recommendation that the Department of Agriculture set up a lending agency for farmers to use for installing mechanical distribution of irrigation water at low interest rate was approved. The group also asked that the present programs be taken away from the FHA and put into the hands of the USDA.

The group asked that Farm Bureau work to curb any monopoly and recommended that Social Security on farmers be voluntary. More weather research was asked and the repeal of the Texas Right to Work Law called for. The group also asked that the Farm License Law be changed to permit farmers with farm license vehicles to use the vehicles for family use.

A resolution asking for a reduction in gasoline tax was defeated and so was one calling for a sales tax. Approved were resolutions asking that the State Storage Fee Law be amended to permit commodity loans be exempt from the 50 cents fee on asking for an economy commission and one calling

Starfish Flower Jolts Owner On It's Initial Appearance

By ROBERTA CAMPBELL. Labels can be deceiving, but the lack of them can also give one a considerable jolt. Mrs. Pat Wederbrook discovered recently when a cactus plant on her porch bloomed for the first time.

The spiny individual was one of several little cacti she had bought in a pot at a dime store and brought home about two years ago because she is interested in all kinds of flowers.

There wasn't a name to identify any of them, but that wasn't particularly significant because she has almost every kind of plant that will be satisfied with a flower pot for living quarters. They practically fill up her bedroom—she says she can hardly get to her dresser for them—and spill over into every other room in the house.

The front porch has a nice variety that helps to welcome her visitors, especially flower lovers. When the thermometer threatens

with a death sentence these will have to take up winter quarters inside with the others.

As for the cactus, it made such a good growth that it soon rated a pot all its own and continued to send out sticky shoots until by the first of the summer it was commanding a bit more attention than usual.

One day Mrs. Wederbrook discovered a bud that kept expanding until it looked like a long pointed pod. She watched it, hoping of course that it would hurry and open, which is characteristic of a flower enthusiast waiting for a new bloom.

Then it happened! Mrs. Wederbrook walked out on her porch one afternoon for a look at her flowers and what she saw almost scared her.

The five-pointed object flattened on the table certainly looked more like a marine specimen of some sort than a bloom, even from any-

thing as belligerent as a cactus. Investigation proved that it was actually the flower she had been waiting for, but it's advent now brought up another question. What kind, in fact, of a cactus was it?

Other flower authorities around town weren't any help so a trip to the library finally revealed the answer.

A Starfish Flower or to be more technical a Stapelia, variety of cacti native to America and classed a nature's last word as drought resisters.

A Starfish Flower—not such a bad name to acquire for a dime but still not exactly the kind of blossom for a Boutonniere or to be used in a Bride's bouquet.

However, though the thrill of expectancy is gone if there are other blossoms, it will be an interesting plant with which Mrs. Wederbrook can look forward to spending the winter.

Court Asks Architect To Study Courthouse

New Jail Also Being Considered By Group

Deaf Smith County Commissioners Monday asked William C. Townes and Associates, architects of Amarillo, to make a study of the courthouse and jail in anticipation of remodeling the courthouse and building a new jail.

William C. Townes Sr., and William C. Townes Jr., met with the Court and discussed the possibility of such work. They agreed to send a crew down to make a study of the courthouse and make recommendations to the Court as to what they believed would be needed to put the courthouse in modern shape. They also said they would arrange for an expert on modern jails to meet with the group at a later date.

The Court also authorized the firm as architects for the new nurses' home to be built at the County Hospital. Townes had already met with members of the Hospital Board, and is expected to present plans for the new building to that group sometime this week.

Precinct Lines Changed

The Court also voted unanimously in favor of changing precinct lines slightly. Precincts two and three are affected by the changes. Precinct Two will pick up about 11 square miles from Precinct Three, while Precinct Three will gain about four square miles from Precinct Two. The changes, according to commissioners, will make it more economical for road workers of the two precincts.

The changes are as follows: "That the east line of Precinct Three shall begin at the southwest corner of Section 71, Block K-7, thence south to the southwest corner of Section 71, Block K-8, thence west to the west line of Section 5, Range two north, five east, thence south to the southwest corner of Section 17, Range two north, five east, thence west to the northwest corner of Section 14, Block B, thence south to the Castro County line."

Money Split Changed

Another important change was made by Commissioners, on a three and one vote. A revision of the way Highway Collection money and Tax Collection money shall be divided among the precincts was approved.

Donald Hicks of Precinct 4 made the motion for the change and his motion was seconded by J. T. Guinn of Precinct Three. Otto Massey of Precinct Two voted in favor of the change along with Hicks and Guinn, while M. T. Rutter of Precinct One voted against the change.

Highway Collections (Article II, Section 10, of the Texas Constitution) will be divided equally among the precincts under the new decision. In the past Precinct One and Two have received 27 1/2 percent of collections and Precinct Three and Four 22 1/2 percent.

Tax Collections will be divided as follows: Precincts One, Two and Three, 21 percent; and Precinct Four 37 percent. In the past Precinct One has received 23 percent, Precinct Two 21 percent, Precinct Three 19 percent and Precinct Four 37 percent. Precinct Four is by far the largest precinct in the county.

When Police Chief Leo Box called the woman's house, a woman answered. Box explained the situation, and asked the woman if she would check the papers and find out the license number.

"I don't need to," the woman said, "I can just look out in the driveway and tell you." Satisfied, the policeman then left as police told where she could find her car.

Police Solve Car Theft Mny Pronto

City Police solved the mystery of the missing car "mny pronto" Tuesday. A call came in from a local woman Tuesday afternoon asking for help in finding her car. The woman didn't know the license number, and since she was downtown, police agreed to check at her home to see what the number was.

When Police Chief Leo Box called the woman's house, a woman answered. Box explained the situation, and asked the woman if she would check the papers and find out the license number.

"I don't need to," the woman said, "I can just look out in the driveway and tell you." Satisfied, the policeman then left as police told where she could find her car.

Wanda Nell Gragg Gets Credit For First Santa Note

Credit Wanda Nell Gragg, 307 Jackson, with the first letter to Santa this year.

Wanda Nell wasn't wasting any time in getting her letter off to the North Pole. She wrote: "Dear Santa, have you been very busy? I have tried to be good, may I have a tiny tear doll and a puppet, I love you."

And the letter is on its way to the North Pole, but a copy will be kept at The Brand to go in this year's Christmas edition. It's about time to start writing to old Saint Nick, and as always, The Brand is ready to see that the letters get to Santa by raindeer express. Letters can be sent to Santa in care of The Brand.

Virgil Dodson Says

"Farm Bureau to me is the next thing to my church work," Virgil Dodson, retiring president of the Deaf Smith County Farm Bureau, said when asked about his refusal to accept reappointment on the Board of Directors.

"But I feel like I have been active in Farm Bureau and taking a leading part long enough," Dodson, who has served almost seven years as president of the farm group explained.

Dodson was first elected president of the County Farm Bureau in 1948. He had served on the Board of Directors for a year at that time. When he was named president there were 75 members of the organization. Today there are 494.

Asked what he believed Farm Bureau's biggest step forward in Deaf Smith County during his terms as president, Dodson replied "I'd have to say the construction and opening of the Farm Bureau building. The building was opened in 1953, and was the first building in the state devoted exclusively to Farm Bureau."

When Dodson became president, the records of FB were kept in the PMA office by Faust Collier's secretary. Today Farm Bureau has a full-time secretary and a full-time service agent.

The retiring president has been one of the most active Farm Bureau members in the Panhandle. In the seven years he was president he attended all but one state convention and was present at two national conventions. He served on the State Resolutions Committee in 1954, and the same year attended the State County Presidents meeting, which has been acclaimed as the most successful FB meet-

FAREWELL GIFT — George Graham, who recently resigned as school superintendent here, was presented with a farewell gift Wednesday by Hereford Lions. Graham was praised by Earnest Langley, who made the presentation, as a fine schoolman. He pointed out the achievements the local schools have made under Graham's leadership in the past nine years. (Staff Photo)

Hereford Young People To Trick Or Treat For Needy

Hereford young people will be out to trick-or-treat on Halloween night, but it will not be for their own amusement. They will be collecting money for the needy.

The project is sponsored by the Christian Rural Overseas Program (CROP) in cooperation with various state groups such as the Council of United Church Women, United Christian Youth Movement and others. Locally, the different churches of the city are sponsoring the project.

C. C. Billingslea of Dawn, who will supervise the local program, said that young people of different churches will meet together Monday at 6:30 at the Methodist Church. From there they will conduct a house-to-house adult-super-

vised canvass, then return to the church for traditional Halloween festivities. Each youth canvasser will be identified with CROP sashes and milk cartons with CROP stickers on them.

Proceeds from the canvass will go primarily to distribute surplus powdered milk overseas, Billingslea said. Each dollar received will distribute at least \$20 worth of government-donated milk; thus, 2000 cups of milk can be purchased for just \$1, he pointed out.

"Here is one way to bring back some sanity to Halloween," Billingslea said. "Young people throughout Texas are learning that there's lots of real fun in service."

Billingslea said a movie will be shown Sunday night at 6:30 at the Presbyterian Church showing the things the money will be used for. "We want all of the youth of the city to participate," he said.

Deaf Smith County Farm Bureau Is Not A One-Man Organization

"Farm Bureau to me is the next thing to my church work," Virgil Dodson, retiring president of the Deaf Smith County Farm Bureau, said when asked about his refusal to accept reappointment on the Board of Directors.

"But I feel like I have been active in Farm Bureau and taking a leading part long enough," Dodson, who has served almost seven years as president of the farm group explained.

Dodson was first elected president of the County Farm Bureau in 1948. He had served on the Board of Directors for a year at that time. When he was named president there were 75 members of the organization. Today there are 494.

Asked what he believed Farm Bureau's biggest step forward in Deaf Smith County during his terms as president, Dodson replied "I'd have to say the construction and opening of the Farm Bureau building. The building was opened in 1953, and was the first building in the state devoted exclusively to Farm Bureau."

When Dodson became president, the records of FB were kept in the PMA office by Faust Collier's secretary. Today Farm Bureau has a full-time secretary and a full-time service agent.

The retiring president has been one of the most active Farm Bureau members in the Panhandle. In the seven years he was president he attended all but one state convention and was present at two national conventions. He served on the State Resolutions Committee in 1954, and the same year attended the State County Presidents meeting, which has been acclaimed as the most successful FB meet-

ing ever held.

A native Texan, Dodson holds a BS degree from West Texas State College and is a former school teacher. He moved to Deaf Smith County in 1936 and purchased an irrigated farm in northeast of here. Later he sold that farm and bought a half-section of land near-by, where they now make their home.

He is an elder of the First Christian Church and a director of the High Plains Water Conservation District.

How does Dodson see the future of Farm Bureau? "I feel that Deaf Smith County Farm Bureau is not a one-man organization," he said. "I'm sure it will continue to grow and do good under our new president and Board of Directors."

Westway News

By MRS. T. B. THOMAS

Mr. and Mrs. C. A. Sauley visited in Hereford Sunday with Mrs. John Higgins and Mr. and Mrs. Will Buchanan.

Weekend guests of Mr. and Mrs. Joe Wagoner were Van, Pamela and Rondall Coltharp. Little Rondall is spending the week with his aunt while his mother Mrs. Van Coltharp is attending Grand Chapter in San Antonio. Mrs. John David Owens and son of Frio were guests of Mr. and Mrs. Joe Wagoner on Saturday night.

Mayo Phipps from Friona was in the community looking after his farming interests.

Mr. and Mrs. Marlin Pierce and girls were in Friona Sunday to visit with Mrs. Frank Reed.

Cliff Combs left Friday to join his parents Mr. and Mrs. W. E. Combs in Plainview. Together they went to Munday to visit with Mr. and Mrs. Don Combs and Lou Ann.

Mrs. Joe Wagoner, the assistant den mother to the Cub Scout Den 2 Pack 50, assisted Mrs. W. G. Vaughn with the Halloween party Monday afternoon.

Mr. and Mrs. T. B. Thomas and children spent Sunday afternoon in the home of Mr. and Mrs. Preacher Merritt and G. C. in Frio.

Rosemary and Eddy Kershen are spending some time with their aunt and uncle, Mr. and Mrs. Andrew Kershen, while their grandparents, Mr. and Mrs. Ed Jesko, attended the funeral of their great-grandmother, Mrs. Zipper, at Pilot Point.

Mr. and Mrs. George Olson and children of Wyche were Sunday guests of Mr. and Mrs. Kenneth Rudd and girls.

Mr. and Mrs. Andrew Kershen visited Marvin Diller in the hospital in Canyon Sunday afternoon.

Daniel Thomas son of Mr. and Mrs. T. B. Thomas spent Friday night in Hereford with Frank Cain. They attended the football game.

Mrs. T. B. Thomas, Mrs. J. C. Morrison, Mrs. C. A. Sauley, Mrs. Paul Rudd, and Mrs. P. B. Sowell attended H. D. Council Monday afternoon at the Veteran's Club House. Mrs. Thomas attended a reporter's meeting afterward.

Mrs. J. C. Morrison, Judith and Mary Lynn visited with Mrs. J. E. Morrison and Marvin Sunday afternoon.

Mr. and Mrs. Preacher Merritt visited with Mr. and Mrs. Ed Blakey Saturday night.

Mr. and Mrs. Elmer Combs visited with Mr. and Mrs. Finis Wright at Damp Sunday afternoon.

Mr. and Mrs. Wright have been ill.

Mr. and Mrs. A. A. Head were Sunday dinner guests of Mr. and

JOHN A. NEWSOM
pilot of the month

Lt. Newsom Named Top Instructor

First Lieut. John A. Newsom, son of Mr. and Mrs. G. W. Newsom, was named one of two top pilot instructors for September in the Pilot Training Group at Goodfellow AFB, according to Major A. J. Boutselis, Pilot Training Group Executive Officer, who made the announcement.

Lieut. Newsom represented the forty-sixth Pilot Training Squadron and First Lieut. Harold G. Wochman represents the forty-fifth Pilot Training Squadron. Both were classmates at Vance AFB, where they received their commissions and wings.

Lt. Newsom is a graduate of Hereford High School and a former student at Texas Tech College at Lubbock. After leaving school he became assistant credit manager for the City National Bank of Kansas City, Mo. After one year of employment he was notified of his appointment to an aviation cadet class at Lackland AFB. He has been instructing at Goodfellow for the past 18 months.

In his assignment as instructor, 20 students were assigned to him. And 20 students have graduated including two outstanding aviation cadets.

The two outstanding instructors were roommates at Vance AFB, where they took their basic multi-engine training to receive their silver wings and commissions.

Mrs. Harold Head and children, Gary and Phil Fitzgerald spent Saturday night with their grandparents Mr. and Mrs. Marvin Teasdale. Mr. and Mrs. Ray Fitzgerald were Sunday guests of the Teasdales.

Mr. and Mrs. Abraham Drager, Mrs. Henry Battenhorst and Debra Marie and Martin Drager of Friona have returned from a trip to Columbia S. Carolina to visit George Drager. Abraham Drager

went to Bergenfield, N. J., to bring George's car home since he is waiting for overseas orders. Mrs. Drager and the others were en route home when they had a car wreck. Mrs. Drager suffered a broken rib and her ankles were injured. Mrs. Battenhorst and baby were only scratched and bruised, and Martin was not injured. Mrs. Drager was kept in the hospital in Chantworth, Ga., several days for observation. Their car

was a total loss.

Mr. and Mrs. Irving and children of Hereford, and Mr. and Mrs. Tom Barclay and children of North Hereford were Sunday guests of Mr. and Mrs. Marvin Teasdale.

Mrs. Zona Cochran of Hereford was a Sunday guest of Mr. and Mrs. Joe Wagoner.

Henry Tiefel of Hereford, father of Mrs. P. B. Sowell, has been seriously ill. He has been moved from the hospital to his home.

Mr. and Mrs. Bill Franks and children visited Sunday with their friends Mr. and Mrs. Walter Goodgion and children in Lubbock.

Mr. and Mrs. Martin Campbell and children had as their guests Sunday Mr. Campbell's mother, Mrs. W. F. Campbell, and his sister and family, Mr. and Mrs. Warren Hoffman, all from Plainview.

Eugene Campbell, a sophomore at WTSC in Canyon, was a recent visitor in the home of his parents,

Mr. and Mrs. Martin Campbell.

Calendar of events for the Westway Community: Friday, Oct. 28, Sadie Lee Oliver 4-H Club will meet at Sandra Campbell's. Saturday, Oct. 29, C of C will sponsor a Halloween party in the community, each family to bring wieners and buns and pie, drinks will be furnished. The intermediate class will have opening exercises on Sunday morning. Bob Hunt, Methodist pastor, to fill pulpit Sunday

morning Oct. 30.

J. W. Stengel had word of the death of an uncle, Fred Stengel, in Arkansas. The Stengels were unable to attend the funeral services.

Mr. and Mrs. Leo Hoffman were Monday morning visitors in the home of Mr. and Mrs. Jim Clements.

Beatrice Gander, daughter of Mr. and Mrs. George Gander, spent the weekend here. She is a student nurse at the Methodist

Hospital in Lubbock.

Mr. and Mrs. Robert Boyd and Bill Nafzger of Hereford accompanied Merlin Kaul to Big Spring Sunday to attend the IOOF Encampment Meeting.

Larry Kaul, son of Mr. and Mrs. Merlin Kaul, who attends Oklahoma A&M College at Stillwater, Okla., was initiated recently into the Bit and Bridle Club. Larry is a freshman in the School of Agriculture.

Joe Griego On Way To Europe

FORT RILEY, Kans. — Pfc. Joe I. Griego, whose wife, Sara, and father, Ernest Griego, live at 203 Jackson, Hereford, is scheduled to be sent to Europe from Fort Riley, Kans., in November as part of Operation Gyroscope, the Army's new unit rotation plan.

Private First Class Griego's unit, the 10th Infantry Division, is the first division to move under the Gyroscope plan. It will replace the 1st Infantry Division which is returning to the U. S.

The 21-year-old soldier is a team chief in Headquarters Battery of the division's 25th Field Artillery Battalion. He entered the Army in January 1953 and completed basic training at Fort Bliss, Tex. Griego was last assigned in Germany.

ATTEND PRESBYTERIAL
In Tulla Monday to attend the fall Presbyterial of the Amarillo Presbytery were seven members of the Woman's Council of the First Presbyterian Church. They included Mesdames D. C. McWhorter, D. H. Alexander, Henry Hastings, J. T. Gilbreath Jr., N. E. Milburn, Dick Miller and Hugh Witherspoon.

"BAND" by Edwin Stein, Madison, Wis., strikes an eye-catching note in design when seen this way. Turn it sideways and see how it was taken. It won a \$100 prize in the 1955 Popular Photography contest.

Camera Fans Urged To Enter Black And White Competition For Bonds

By IRVING DESFOR youngsters.

I've just had a private, advance look at about 150 contest-winning black-and-white photos which won fairly large amounts in savings bonds. So many among them were good, but not exceptional, that I want to urge you to get into the photo contest frame of mind and be prepared for the next one.

Almost every camera fan has one or two better-than-average pictures because of plain luck or a burst of skill. Put a special folder aside for "Good Shots" so that you can keep track of the negatives. Make enlargements and see just how drastically you can crop, leaving only the principal subject matter with no extra details.

I guess more camera fans would be inspired to enter competitions if they were able to see all the photos that won a previous contest. Some would inspire them because of their excellence; others because the photographer had done as well or better. If you'd like to indulge in the popular game of second-guessing, you'll find the winners of the \$23,000 annual photo contest in Popular Photography's December issue.

High school camera fans have an immediate opportunity to test their desire for competition. Announcements of two major contests are at hand aimed at the

Local Man Wins Suit In Dallas

Dallas County Probate Judge F. M. Bartlett Jr., last week refused to set aside the will of the late Mrs. Henrietta Roegner, 66, who left her entire estate — valued at \$65,000 to \$85,000 — to two friends, one of them a Hereford man.

Defendants in the suit were Dan Finlan, Hereford onion grower, and R. O. Garrison, a Dallas freight agent. Mrs. Rose Glasgow, Mrs. Roegner's sister, brought the suit.

Brother Of Local Man Dies Of Farm Accident

Fred L. Stengel, oldest brother of F. E. Stengel of Hereford, passed away Friday. His death was caused by a tractor accident the previous day. Funeral services were held Monday at Paris, Mr. and Mrs. J. E. Stengel and Mr. and Mrs. Albert Stengel of Hereford attended the funeral.

TEACHERS JUBILEE
MT. ANGEL, Ore. — Six of the Benedictine Sisters at the Convent Queen of Angels here have completed 60 years in the religious order. They have devoted nearly 50 years to teaching here and in other Benedictine schools. The six who observed the jubilee in a joint ceremony are Sisters M. Genevieve, M. Romana, M. Gabriel, M. Beatrice, M. Raphael and M. Clementine.

Guests of Mr. and Mrs. J. C. McCracken recently were her brother, Sam Steele and Mrs. Steele of Fort Sumner, N. M. They also visited other relatives while in Hereford.

Miss Sylvia McCracken, student at Texas Tech, spent the past weekend here with her parents, the J. C. McCrackens.

Strawberries picked from the garden are popular Christmas fare in Bermuda.

Jim Doran, star defensive end for the Detroit Lions, is concentrating on offense at end this season.

Mr. and Mrs. Wayne Neel of Lubbock spent Saturday in the home of Mrs. J. W. Vick and Harlin. They spent Saturday night and Sunday in the O. R. Neel home. Sunday afternoon visitors in the Neel home were Mr. and Mrs. Offis Vick, Mrs. J. W. Vick and Harlin and Mr. and Mrs. Owen Neel of Dumas.

Fourth of July fireworks caused 466 deaths in 1903, but in recent years, only one to four such deaths have been reported in single years.

Eugene Mori, new president of Hialeah Park, says more than \$2 million in purses will be distributed at the Florida track next winter.

Iowa has 8,522 miles of railroad. Chiggers are not insects, but eight-legged mites.

Dory Funk vs. Leo Newman

Saturday, October 29, 8:30 P.M.

Sponsored By The Hereford Lions Club

One is sponsored by Ziff-Davis Publishing Co., and entry blanks are available at camera stores. Any number of black-and-white prints on any subject matter and in any size may be submitted. The contest is open now and closes on Jan. 31, 1956. First prize is a \$1000 U. S. Savings Bond, second prize a \$500 Bond, third a \$250 Bond and the next five will each get a \$100 Bond.

Besides these major awards, there are 100 other chances to be a winner. Awards will be announced before school closes in June and the winning photos will appear in Popular Photography at that time.

Secondly, there's the Eleventh Annual (1956) National High School Photographic Awards. This event, sponsored by Eastman Kodak, offers over 250 prizes totaling \$5000 in cash.

Pictures will be judged in four classes: 1. School Activities (including Sports), 2. People and Activities (outside of school), 3. Portraits, 4. Animals and Pets. Each class has its own group of winners with \$300 in cash for first, \$200 for second, \$100 for third and \$50 for Special Award. In addition, 60 others in each class will receive Honorable Mention awards of \$10.

Entries in this contest will be received from Jan. 1, 1956 to Mar. 31, and the winners will be announced in May, 1956. As in the past, a selection of prize-winning prints will form a traveling salon available on free loan for exhibition at high schools, art galleries and libraries.

No matter what photo contest a camera fan would like to enter, winning pictures are never judged by the photographer's equipment. Don't be discouraged if you have

PANTRY PROOF — Mrs. R. C. Anderson poses with more than 200 pints of pinto beans she put up this year. They are proof that it doesn't take a lot of acreage to produce a good yield. (Staff Photo)

HER PANTRY WILL PROVE IT

Percentage-Wise, Mrs. Anderson Is One Of Best County Farmers

By ROBERTA CAMPBELL
If the output rather than the acreage is taken into consideration, then Mrs. R. C. Anderson, who lives with her husband and two children, at 224 Ave. E. is about the biggest gardener within the city limits.

Early last spring the farmer's blood that Mrs. Anderson had kept dormant since she moved to Hereford from the country with her parents in 1920, began to warm up as she eyed a strip of ground outside the back fence that looks like good soil for a garden.

It was such a narrow strip that most people who had grown big farm gardens like the J. C. Allred's did each year before they took up residence in town, would have hardly given it a second thought. But to Mrs. Anderson (formerly Lottie Allred) it looked like a chance to grow something for the table.

There wasn't even room for a team or a plow, so Mrs. Anderson spaded up the plot and planted two rows of beans—the old-fashioned pinto variety from the pantry.

They aren't the popular stringless green pods of course, but they can be made such if one beats nature to the draw and gathers them early. To get them at this stage the industrious young housewife had to miss a business convention in June, which her husband was to attend as a butane dealer.

Mrs. Anderson doesn't remember the exact planting date, but she does recall that the seed were in the ground, but had not yet sprouted, when the last hard freeze came last spring.

She does remember that she picked her first mess of beans in June and from then on until September the job was continuous, or three times a week to be specific.

When the family's enthusiasm for fresh home-grown green beans began to diminish she started canning and sharing fresh picked ones with friends and neighbors.

By the end of the season, Mrs. Anderson had added 218 pints of canned green beans to her well filled pantry.

But canning beans was only a small part of Mrs. Anderson's work this summer. Along with putting up a variety of other vegetables she teaches a class of two-year-olds at the First Baptist Church each Sunday morning—a job she has been doing for seven years—and all through the week she visits any little youngster who may have been on the sick list come Sunday School time.

Another hobby of Mrs. Anderson's is baking cakes for the ill or the bereaved—and seeing that each child in her class takes home a little cup cake decorated with candles for a birthday.

Her first interest is, of course, her husband, a 12 year old son and an eight-year-old daughter, which would be reason enough for any homemaker to be interested in seeing that she has a well fed family. Over 200 pints of beans from two rows along the back fence is a good booster.

NEVER TOO OLD
WOOD RIVER, Ill. (AP)—How good is a rain check? Pretty good said Howard Oetting, manager of the city's swimming pool, when an Alton couple flashed a couple of year-old rain checks.

Rain checks are issued pool customers if they are driven from the pool by rain less than an hour after they entered it.

The swimmers found them in a dresser drawer and "just thought we'd go swimming."

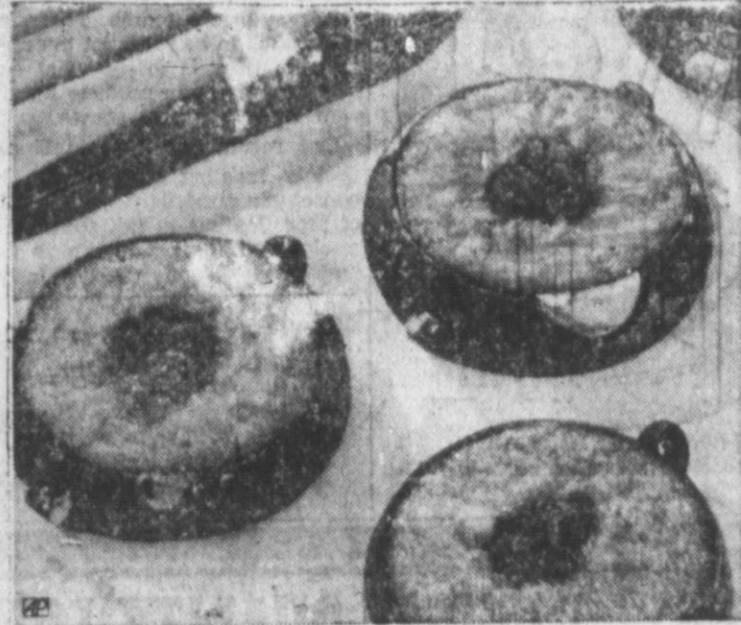

UNSEEN HANDS
OMAHA (AP)—A suspect found by detectives behind the counter of a burglarized grocery store with the store's money bag in his pocket, told this story:

Somebody had crept behind him and shoved him through the store's plate glass window and he had fallen uninjured where officers found him. Somebody—the person who pushed him or a police man—must have put the money sack in his pocket.

A skeptical deputy county attorney said he would file burglary charges.

Rhode Island has 181 miles of railroad.

Tamale Pie Big Hit With Most Everyone In Texas

TEXAN TAMALES — Penny-saving dish of ground beef, cornmeal and tomatoes.

By CECILY BROWNSTONE
Associated Press Food Editor

Dip into recipes from Texas—you're sure to find some for Tamale Pie. So many favorite versions! But main ingredients for this thrifty main course remain the same—cornmeal mush, ground beef and some form of tomatoes. Chili powder is always present, and occasionally cumin seed is added. Popular in Mexican cooking, cumin adds what always seems to us a kind of haunting flavor. It is used in the following Tamale Pie recipe; but if you are not accustomed to this spice, or do not feel adventurous, you can leave it out.

In many households, Tamale Pie appears on a buffet supper table along with hot crusty garlic bread and a tossed green salad. For dessert, Ambrosia is a good choice. It is that combination of fresh orange slices and shredded coconut that seems to have had its home in the south, but which has traveled all over the country. As it travels, it takes on ingredients! Some cooks like to add sliced bananas or pineapple to it. But when marshmallows are thrown in, we feel it's time to call a halt to improvisation! Chilled prune whip with fresh orange sections also makes a good light dessert after a Tamale Pie supper.

SPECIAL TAMALES

Ingredients: 1 can (8 ounces) tomato sauce, 2½ cups water, 1½ teaspoons salt, 1 teaspoon cumin seed, 1 cup enriched cornmeal, 1 cup of cold water, 1 tablespoon bacon drippings, ½ cup chopped onion, 1 pound ground beef, 1 can (1 pound and 4 ounces) tomatoes (drained), 1 tablespoon chili powder, 1 teaspoon salt, 1-4 teaspoon pepper.

Method: To make the cornmeal mush for the topping, mix together the tomato sauce, 2½ cups of water, 1½ teaspoons salt and cumin seed in a saucepan; bring to a boil. Mix cornmeal and the 1 cup cold water together. Pour into the boiling liquid, stirring constantly. Cook over moderate heat until it thickens, stirring often. Cover; continue cooking over low heat 10 minutes or longer. Let cool slightly. Line bottom and sides of 6 individual casseroles (each 1-cup size) with the mixture; save some mush for topping. For the filling, heat the bacon drippings in a large

skillet; add chopped onion and ground beef. Cook until meat has lost its red color, mashing with a long kitchen fork to separate into crumbles. Add drained tomatoes, chili powder, 1 teaspoon salt and 1-4 teaspoon pepper; simmer for about 10 minutes. Pour filling into casseroles. Top with remaining mush. Bake in a moderate (350 degrees) oven about 20 minutes. If filling has been refrigerated, allow 5 to 10 minutes extra baking time. Makes 6 servings.

Note: A 2-quart casserole may be used instead of individual baking dishes; allow about 45 minutes for baking in a moderate oven.

Home Repair

By ANDREW C. LANG
EXTERIOR PAINTING

DO... follow the advice of paint authorities who say that, even though most persons do their outside house painting in the spring or summer, it is much better to do it in the fall.

DO... prepare the surface thoroughly; remove loose, spaly paint with a putty knife or hand-scraper and sandpaper or steel wool for smoothness.

DO... use an old, clean paint brush for getting rid of the dust

that still remains on a surface that has been scraped or sanded.

DO... fill nail holes and cracks, wash off fungus growths and mildew, seal knots and sap streaks, and caulk all door and window frames when there are openings.

DO... bear in mind that all this necessary preparation, which often takes longer than the actual painting, will insure an excellent result only if a good quality paint is used.

DO... paint the outside of a house when the temperature is below 50 degrees Fahrenheit; about 70 degrees is best, but the mercury

can be as high as 90 if the air is not too damp.

DON'T... paint immediately after a rain or too early in the morning when everything is wet with dew.

DON'T... climb on a ladder that isn't completely steady; after it is set in place, jump on the first rung a few times, a sure way to show up any unsteadiness.

PANTRY PROOF — Mrs. R. C. Anderson poses with more than 200 pints of pinto beans she put up this year. They are proof that it doesn't take a lot of acreage to produce a good yield. (Staff Photo)

HER PANTRY WILL PROVE IT

Percentage-Wise, Mrs. Anderson Is One Of Best County Farmers

By ROBERTA CAMPBELL If the output rather than the acreage is taken into consideration, then Mrs. R. C. Anderson, who lives with her husband and two children, at 224 Ave. E. is about the biggest gardener within the city limits.

Early last spring the farmer's blood that Mrs. Anderson had kept dormant since she moved to Hereford from the country with her parents in 1930, began to warm up as she eyed a strip of ground outside the back fence that looks like good soil for a garden.

It was such a narrow strip that most people, who had grown big farm gardens like the J. C. Allred's did each year before they took up residence in town, would have hardly given it a second thought. But to Mrs. Anderson (formerly Lettie Allred) it looked like a chance to grow something for the table.

There wasn't even room for a team or a plow, so Mrs. Anderson spaded up the plot and planted two rows of beans—the old-fashioned pinto variety from the pantry.

They aren't the popular stringless green pods of course, but they can be made such if one beats nature to the draw and gathers them early. To get them at this stage the industrious young housewife had to miss a business convention in June, which her husband was to attend as a butane dealer.

Mrs. Anderson doesn't remember the exact planting date, but she does recall that the seed were in the ground, but had not yet sprouted, when the last hard freeze came last spring.

She does remember that she picked her first mess of beans in June and from then on until September the job was continuous, or three times a week to be specific.

When the family's enthusiasm for fresh home-grown green beans began to diminish she started canning and sharing fresh picked ones with friends and neighbors.

By the end of the season, Mrs. Anderson had added 218 pints of canned green beans to her well filled pantry.

But canning beans was only a small part of Mrs. Anderson's work this summer. Along with putting up a variety of other vegetables—she teaches a class of two-year-olds at the First Baptist Church each Sunday morning—a job she has been doing for seven years—and all through the week she visits any little youngster who may have been on the sick list come Sunday School time.

Another hobby of Mrs. Anderson's is baking cakes for the ill or the bereaved—and seeing that each child in her class takes home a little cup cake decorated with candles for a birthday.

Her first interest is, of course, her husband, a 12 year old son and an eight-year-old daughter, which would be reason enough for any homemaker to be interested in seeing that she has a well fed family. Over 200 pints of beans from two rows along the back fence is a good booster.

Tackle John Cox and guard Ron Gaeger have earned three letters each for football at the University of New Mexico.

Wallace Wade, commissioner of the Southern Conference, coached Duke football for 16 years.

Black News

By MRS. DICK ROCKEY

Mr. R. E. Barnett was honored with a birthday dinner Sunday, in his son's, Dr. Barnett's, home in Hereford. Those attending were: Mr. and Mrs. Fern Barnett, Judy, Bettie and Welsley, Mr. and Mrs. G. R. Brock of Lubbock, Mrs. R. E. Barnett and the honoree.

Pfc. John Southall of Seattle, Wash., spent the weekend with his sister, and family, Mr. and Mrs. J. R. Braxton.

With the freeze Sunday night, the combines will be humming in the grain sorghum this week.

Mrs. Kermie Denton is ill at her home this week.

Mrs. Howard Elmore had a Dresden painting party at the Black Club House Friday. The women to enjoy the painting and visiting were: Anna Druessold, Lillian McEllan, June Brumett, Ed Bogges, Opal Cobb, W. A. Anthony, M. B. Buchanan, Maxine Thompson, J. B. Williams, Wilma Jones, Carrie Tatum, W. M. Massey, Helen Fangman, Altha Presley, Lucille Rockey, Anna Mae Hays, Maryland Wycloff, and the hostess, Mrs. Elmore.

Miss Mary Tatum had minor surgery last weekend. She is back in school and doing fine.

Clyde Lyndel Hays of Texas Tech at Lubbock spent the weekend with his parents, Mr. and Mrs. Clyde Hays.

Mr. and Mrs. R. E. Barnett spent Monday at Needmore visiting Mr. Barnett's uncle A. P. Barnett.

Mr. and Mrs. Ralph Price spent the weekend at Cheyenne, Okla., visiting her parents, Mr. and Mrs. J. E. Shockeford.

Woodrow and Jack Nelson from McKinney spent Saturday night with Mr. and Mrs. R. E. Barnett. We would like to say "thanks" to the Massey Brothers Drilling Company of Frio for filling the water tank at the Black Club house free.

Collision Causes Minor Damages

A minor collision at the intersection of Third and Sampson streets Saturday caused \$85 in damages.

A 1947 Buick driven by Richard A. Frye collided with a 1951 Chevrolet driven by Alene T. Higgins, Frye was traveling east on Sampson and Higgins north on Third. Alene Higgins was given a ticket for failure to grant right-of-way.

Mr. and Mrs. A. C. Thompson returned Friday from a 10-day visit in Dallas and Waco where they visited relatives and friends.

NEVER TOO OLD
WOOD RIVER, Ill. (AP)—How good is a rain check? Pretty good said Howard Oetting, manager of the city's swimming pool, when an Alton couple flashed a couple of year-old rain checks.
Rain checks are issued pool customers if they are driven from the pool by rain less than an hour after they entered it.
The swimmers found them in a dresser drawer and just thought we'd go swimming.

UNSEEN HANDS
OMAHA (AP)—A suspect found by detectives behind the counter of a burglarized grocery store with the store's money bag in his pocket, told this story.
Somebody had crept behind him and shoved him through the store's plate glass window and he had fallen uninjured, where officers found him. Somebody—the person who pushed him or a police man—must have put the money sack in his pocket.
A skeptical deputy county attorney said he would file burglary charges.

Rhode Island has 181 miles of railroad.

Tamale Pie Big Hit With Most Everyone In Texas

TEXAN TAMALES — Penny-saving dish of ground beef, cornmeal and tomatoes.

By CECILY BROWNSTONE
Associated Press Food Editor

Dip into recipes from Texas—you're almost sure to find some for Tamale Pie. So many favorite versions! But main ingredients for this thrifty main course remain the same—cornmeal mush, ground beef and some form of tomatoes. Chili powder is always present, and occasionally cumin seed is added. Popular in Mexican cooking, cumin adds what always seems to us a kind of haunting flavor. It is used in the following Tamale Pie recipe; but if you are not accustomed to this spice, or do not feel adventurous, you can leave it out.

In many households, Tamale Pie appears on a buffet supper table along with hot crusty garlic bread and a tossed green salad. For dessert, Ambrosia is a good choice. It is that combination of fresh orange slices and shredded coconut that seems to have had its home in the south, but which has traveled all over the country. As it travels, it takes on ingredients! Some cooks like to add sliced bananas or pineapple to it. But when marshmallows are thrown in, we feel it's time to call a halt to improvisation! Chilled prune whip with fresh orange sections also makes a good light dessert after a Tamale Pie supper.

SPECIAL TAMALES
Ingredients: 1 can (8 ounces) tomato sauce, 2½ cups water, 1½ teaspoons salt, 1 teaspoon cumin seed, 1 cup enriched cornmeal, 1 cup of cold water, 1 tablespoon bacon drippings, ½ cup chopped onion, 1 pound ground beef, 1 can (1 pound and 4 ounces) tomatoes (drained), 1 tablespoon chili powder, 1 teaspoon salt, 1-4 teaspoon pepper.
Method: To make the cornmeal mush for the topping, mix together the tomato sauce, 2½ cups of water, 1½ teaspoons salt and cumin seed in a saucepan; bring to a boil. Mix cornmeal and the 1 cup cold water together. Pour into the boiling liquid, stirring constantly. Cook over moderate heat until it thickens, stirring often. Cover; continue cooking over low heat 10 minutes or longer. Let cool slightly. Line bottom and sides of 6 individual casseroles (each 1-cup size) with the mixture; save some mush for topping. For the filling, heat the bacon drippings in a large

skillet; add chopped onion and ground beef. Cook until meat has lost its red color, mashing with a long kitchen fork to separate into crumbles. Add drained tomatoes, chili powder, 1 teaspoon salt and 1-4 teaspoon pepper; simmer for about 10 minutes. Pour filling into casseroles. Top with remaining mush. Bake in a moderate (350 degrees) oven about 20 minutes. If filling has been refrigerated, allow 5 to 10 minutes extra baking time. Makes 6 servings.
Note: A 2-quart casserole may be used instead of individual baking dishes; allow about 45 minutes for baking in a moderate oven.

Home Repair

By ANDREW C. LANG
EXTERIOR PAINTING
DO... follow the advice of paint authorities who say that, even though most persons do their outside house painting in the spring or summer, it is much better to do it in the fall.
DO... prepare the surface thoroughly; remove loose, scaly paint with a putty knife or hand scraper and sandpaper or steel wool for smoothness.
DO... use an old, clean paint brush for getting rid of the dust

that still remains on a surface that has been scraped or sanded.
DO... fill nail holes and cracks, wash off fungus growth and mildew, seal knots and sap streaks, and caulk all door and window frames where there are openings.
DO... bear in mind that all this necessary preparation (which often takes longer than the actual painting) will insure an excellent result only if a good quality paint is used.
DON'T... paint the outside of a house when the temperature is below 50 degrees Fahrenheit; about 70 degrees is best, but the mercury

can be as high as 90 if the air is not too damp.
DON'T... paint immediately after a rain or too early in the morning when everything is wet with dew.

DON'T... climb on a ladder that isn't completely steady; after it is set in place, jump on the first rung a few times, a sure way to show up any unsteadiness.

HOMES FOR AMERICANS

AP Newsfeatures

TWO STORIES in the rear, this house presents a low and rambling front. Corner windows cheer the front dining room. A large living room with a corner fireplace opens into a spacious informal family room. A covered porch and an open terrace are secluded behind the two-car garage. Three bathrooms and the kitchen are grouped for economical plumbing. This is plan 101AP by Samuel Paul, architect, 89-51 164th St., Jamaica 32, N.Y. The house covers 1,032 square feet without garage and porches.

ADRIAN NEWS

By MRS. A. R. BRIGGS

Mrs. R. L. Pinnell and daughters, Judy and Linda, visited in Pampa Sunday with Mr. Pinnell's parents, Mr. and Mrs. G. Pinnell. Mrs. Pinnell stayed with her mother-in-law, who is ill. She plans to stay this week.

Erma Lou Jordan, Wanda and Reba Pinnell, Billie Crabb and Judy Pinnell stayed all night Friday with Judy Nell Tomlinson.

Members of the Adrian High School senior class and their guests had a wiener roast in Elwood Park in Amarillo Sunday. They then went skating and to a movie. Those attending were June Laelle, Erma Faye Bronniman, Marvalene Allen, Mr. and Mrs. Arthur Jewett, Neil Pounds, Erma Lou Jordan, Darla Betts, Bobby Sue Beavers and Bobby Allen.

Members of the Junior Class and their sponsor, A. P. Jones, thank everyone for their fine support of the Junior Play which was given last Friday night.

Remember! The first home basketball game of the season will be between the Matadors and Nazareth boys and girls teams Friday night at 7 o'clock. Also, Hawley will play the Matadors at Adrian Nov. 1.

Visiting Sunday with Mr. and Mrs. H. D. Tomlinson were his brother and family, Mr. and Mrs. C. S. Tomlinson and daughter, Sandra of Coleman. Mrs. A. H. Palk, from Shidner, Colo., Mrs. Betty Chadwick and son Johnny of Pampa and Mr. and Mrs. Glen Ellison of Canon City, Colo.

E. D. Pinnell and Edwara and Wayne Pinnell visited in Clovis on Sunday with Mr. and Mrs. Donald Pinnell and brought a load of cattle back with them.

Mr. and Mrs. Buster Mosteller visited Saturday before last until Thursday in Abilene with her daughter, Jean Finley, and Mr. and Mrs. Jack Beechley, former

residents of Adrian. In San Angelo with Mrs. A. R. Baldwin and in Paint Rock with cousins of Mr. Mosteller, Mr. and Mrs. Stanley Mosteller and Mr. and Mrs. Ed Mosteller. Mr. and Mrs. Beechley sent a hello to all of their friends in the community.

Mrs. Eva Story and Mrs. Orvil Benjamin of Woodward, Okla., returned home Monday after a visit with Mr. and Mrs. Wesley Story and other friends and relatives. Mrs. Story is Wesley's grandmother and Mrs. Benjamin is Mrs. Story's mother.

The Adrian Methodist Woman's Society of Christian Service are planning their annual Christmas bazaar. The date has been set for Dec. 7.

All youth of the community are invited to participate in the Christian Rural Overseas Program that will be sponsored by the Baptist and Methodist churches this year. The "milk fund drive" is becoming an annual Halloween affair in Adrian. The purpose of the drive is to collect money for overseas aid. Instead of the old-fashioned trick or treating, children ask for donations to the milk fund. All children will be costumed and will meet at the Methodist Church at 6:30 Saturday evening. Cars will be available to transport the children from house to house. Money collected will be used to buy surplus milk, grain and cheese. The government matches the food stuff they buy 20 to 1. The program is sponsored by the Texas Youth Council of the United Christian Youth Movement. Following the Trick or Treating a costume party will be given for participants in the Methodist Church Fellowship Hall.

Six of the eight football coaches with the University of Mississippi are former Rebel athletes. Eddie Dugan, West Virginia senior, holds the school record touchdown run. He ran 90 yards for the Mountaineer freshmen in scoring against Waynesburg in 1952.

Matching Shorts And Socks Makes Hit Parade With Nation's Teens

Dungarees haven't exactly hit the dust — most young people still wear them for chores — but sophisticated young moderns do not wear dungarees to a party these days. Even with cool breezes biting the knees, the choice is Bermuda shorts for play and lounging around the home. Matador pants are popular for at-home wear too, but if one has a choice usually the shorts win out.

A new style note with the shorts is gaily colored socks worn to the knees. These are circular striped in bright colors as a rule. One Connecticut girl knitted socks and matching sweater of orange, white and black in a wide stripe to complement charcoal shorts and a black cardigan sweater of a big-stitch knit.

Some stores are showing the socks in many combinations. There is a choice of shocking pink, navy blue and white, fun for blue shorts; white and red stripes for gray flannel shorts. Knit your own and then choose colors you like.

Sleepwear takes on a Far Eastern look with nightgowns of cotton challis in handsome Oriental designs. The Chinese tunic with trousers is popular for lounging.

Even though the fashionable silhouette for party wear is supposed to be the sheath, most girls still prefer the feminine crinolines worn with full skirts. The boys are supposed to be charmed by the rustle of these romantic-type dresses, one reason young moderns will not be pried loose from them.

The mailman is happy again what with the girls decorating envelopes with humorous notations for all eyes to see. A letter from Nancy Plough, Palo Alto, Calif., high school student, addressed to a relative is a case in point. Here are Nancy's instructions to addressee and mail man:

Chew along dotted line... It this letter gets lost don't send it back to me, I've read it... God bless the U. S. males... D-liver, D-letter, D-sooner, D-

better... S-h-h Boom... Receive B-4 opening, open B-4 reading, answer B-4 long...

A new party idea is a Cooking and Sipping Society. It can include boys or just chicks. Two or three couples or four or more girls organize to "meet and eat" once a week or once a month. There is a limit of \$2 to be spent on the menu and the trick is to see what each amateur chef can produce for that sum when her turn comes.

One recent Cooking and Sipping Society meeting started with hot consomme madrilene with a slice of lime floating on top, spiced with a clove, the main dish was rice and kidney beans, hotter than hot,

and the dessert was vanilla ice cream with a 1/2 peach on top. Food is served buffet style as a rule and many young moderns enjoy eating Oriental style — on pillows in a circle on the floor, swapping jokes while eating. This is so much fun that one group spent the entire evening eating, drinking and making merry by candlelight sitting on the floor in a circle.

Quarterback Buddy Sasser of North Carolina is the squad's smallest player. He weighs only 155 pounds.

ALSO SHOWING WINDBREAK PLANTING in relation to the house is this picture made at the Gregory home northwest of Hereford. Augustine is landscape demonstrator for the Progressive H.D. Club. Young fruit trees are shown in front of the windbreak planting and

in the foreground a lawn will be started this fall and foundation plantings made around the house. The modern ranch style house faces south and offers an ideal setting for landscaping. (Staff Photo)

Women Seek Practical Way To Destroy Waste

Since getting rid of trash is a universal problem, the demonstrations on "Trash Burners" given recently to the Home Demonstration Clubs by the landscape demonstrators has been a very practical phase of the long range program and has been received with a great deal of interest. Clubs reporting October meetings for the demonstrations are:

WESTWAY

Members of the Westway H. D. Club who met with Mrs. B. B. Northcutt Oct. 12, decided that the trash burners demonstrated by Mrs. Leo Ohlig were especially practical for the farm. The burners made of cinder block with or without the use of mortar are neat enough to be included anywhere in the landscape and provide adequate protection from flying sparks which can cause a great deal of damage to farm buildings.

Mrs. Joe Wagoner was in charge of recreation and asked all those present to write a short note to Mrs. Bobby Jones, a former member of the Club. The letter was mailed to Mrs. Jones, who has moved to California.

Plans were also made to send clothes to Council for a rummage sale.

Refreshments were served to: Mesdames Phillip Miller, C. A. Sauley, J. C. Morrison, R. L. Wilson, T. B. Thomas, B. C. Fitts, Leo Ohlig, Joe Wagoner, Paul Rudd and the hostess.

BIPPUS

The Bippus H. D. Club met with Mrs. J. G. Fortenberry Oct. 19, with Mrs. Elmo Hall, president, in charge of the meeting. Mrs. Hall gave a demonstration on making a trash burner and also discussed safety rules for the farm and home.

Mrs. Jimmie Perrin was welcomed as a new member and Mrs. Melvin Henderson and sons were visitors.

Members attending were: Mrs. C. F. Homfeld, Mrs. Elmo Hall, Christine Fortenberry and the hostess.

FORD

Mrs. Henry Browning gave the demonstration on "Trash Burners" and adequate covers for trash barrels for members of the Ford H. D. Club who met with Mrs. Bill Black Oct. 18.

Mrs. Browning pointed out the importance of having fire fighting equipment within reach if a fire should break out; however, emphasis was on methods of preventing fires on the farm as lack of proper facilities often results in a great loss to those in the country.

Mrs. Hardy Benson showed her films on home landscape and other landscaping made on trips about the country.

Mrs. O. K. Webster of Amarillo and Hardy Benson were special guests and Mrs. Bill Link and Mrs. Quinton Conn became new members. Others attending were: Mesdames C. D. Corley, Dwaine Walker, L. J. Straffus, Carl Straffus, Willis Bunch, Henry Browning, Willa Williamson and the hostess.

NORTH HEREFORD

Mrs. R. A. Fullwood was hostess for members of the North Hereford H. D. Club Oct. 20.

A "Trash Burner" demonstration was given by Roberta Campbell and the women were interested in the possibilities of converting the burner into an outdoor grill.

Miss Campbell, president, presided at the business meeting and called for committee reports.

Refreshments were served to: Mesdames O. C. Williams, O. L. Williams, C. L. Whitehead, W. H. Bodkin, Roberta Campbell and the A. A. Hare, E. E. Bishop, Mary

SOUTH HEREFORD

"Trash Burners" was the subject of a demonstration given by Mrs. Clara Shore for members of the South Hereford H. D. Club who met with Mrs. W. H. Goetsch Oct. 18.

Mrs. Conner joined the group as a new member.

Others present were: Mesdames Adam Flowers, John P. Slaton, Eldon Craig, Harry Schultz, Ada Hollabaugh, Otto Massie, John Draper, S. S. Williams, Clara Shore, Roy Manning, Miss Evelyn Bell, and the hostess.

The next meeting will be with Mrs. Conner.

WYCHE

"Courtesy Toward Others" was the program topic at the Wyche H. D. Club meeting in the home of Mrs. Ira Ott Oct. 20, when the members of the Westway Club were special guests.

Mrs. Ott welcomed the visitors and Mrs. C. R. Damron, president, presided at a short business session.

Mrs. T. B. Thomas, leader for the Westway Club presented the program in three parts: "Club Courtesy," "Telephone Etiquette" and "What To Do For A Sick Friend."

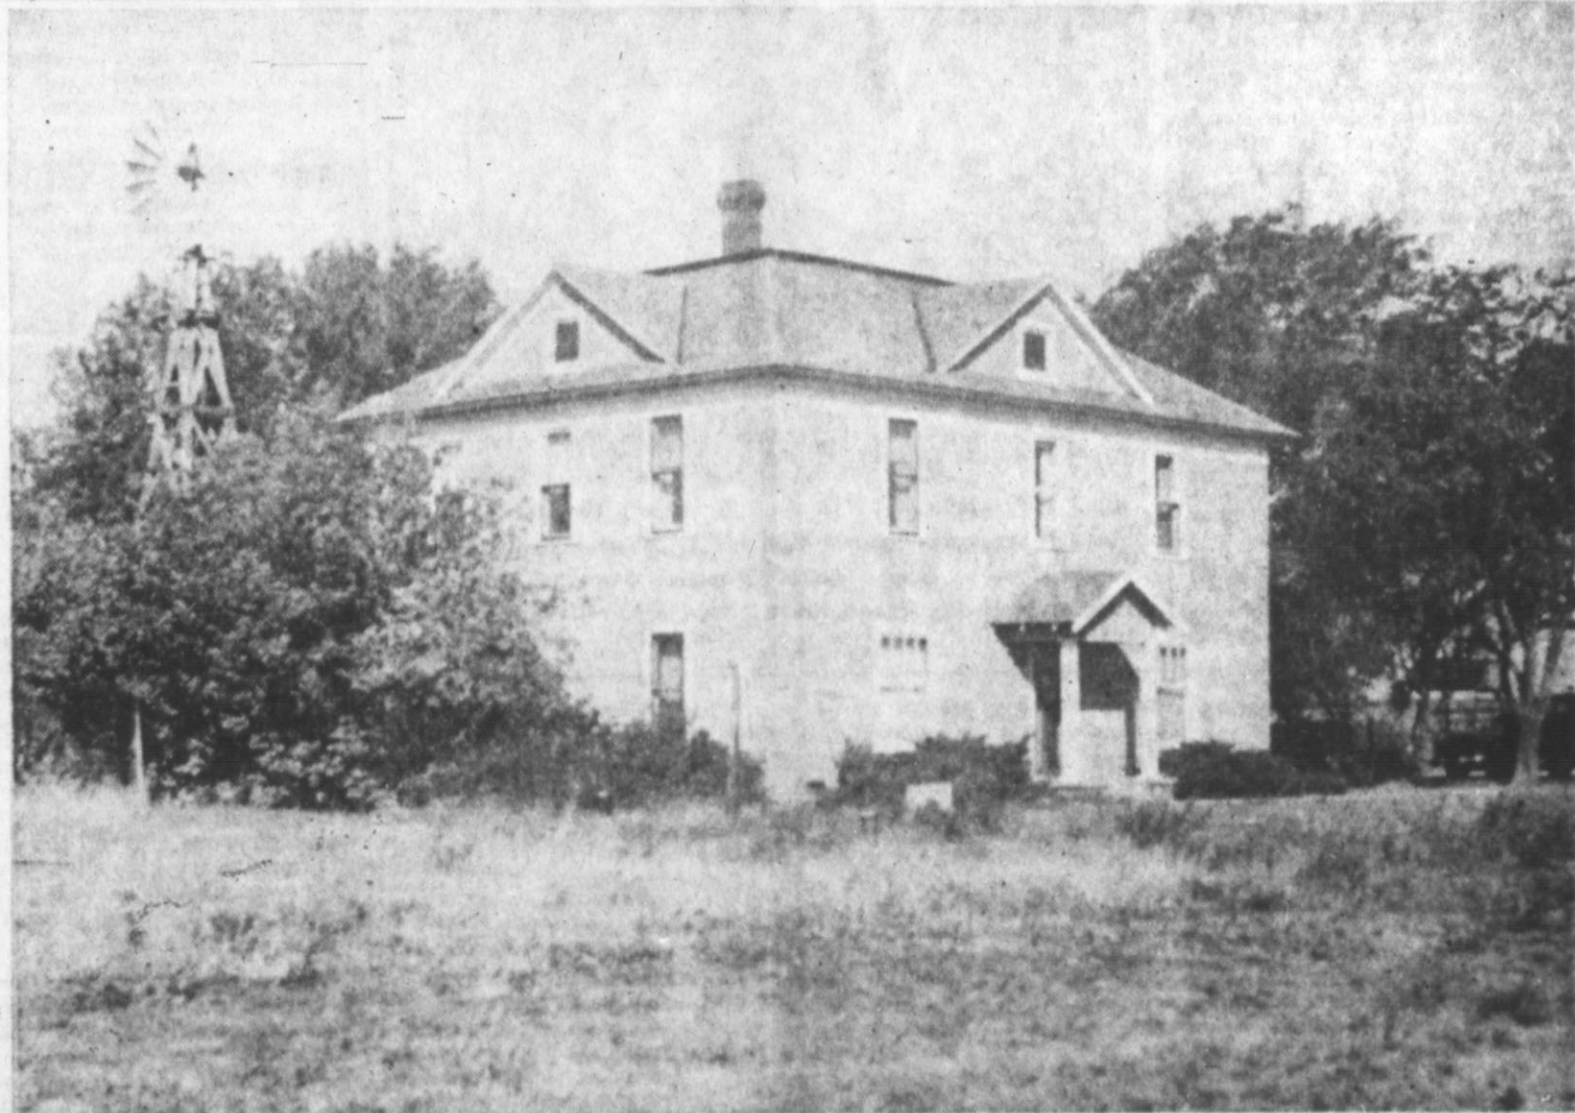

Mrs. C. C. Ellis gave the Council report. Mrs. H. L. Ward directed the recreation. Visitors attending from West-

Hereford, Texas, Thursday, October 27, 1955 Section Two

OVER PLANTING was the problem of Mrs. Galley, landscape demonstrator for the Dawn Home Demonstration Club, had when she started to work on the grounds around the big house built by a Mr. Askren back in 1908. She left the tall shade trees to frame the house and also the apricot tree which shades the south side of the house in the summer. Since the rule for a good landscape is everything to the front of the house should be evergreens for an "alive" look the year round, Mrs. Galley is working for a lawn in front and already has some low growing junipers under the windows. She also plans a front gate to channel part of the traffic to the

front door. The history of the place is interesting because it was one of the first places put into cultivation in Deaf Smith County, according to Lester Galley, who bought the place from Askren and made his home there until recently when he and Mrs. Galley moved to Hereford and the full two and a half story dwelling became the home of their son. Unique in the background is a barn which formerly housed a broom factory. The Askrens raised broom corn which was made into brooms on the farm and sold locally. Mrs. Galley is pleased with the protection which a windbreak planting of two rows of elm west of the house provides. (Staff Photo)

4-H Chatter

There is lots of interest in the new 4-H Club that has been organized in Dawn. The club met for the second meeting on Oct. 20. There are 14 members enrolled and the club has been named the Argen Draper Club. Mrs. L. W. Tooley and Mrs. H. H. Miller are the club leaders. June and Kay Owens, former members of the Happy Homes 4-H Club have transferred to this new club.

We have received word from the former Doris McHaffey that she has a baby girl born Oct. 12. The baby has been named Jill Eileen. For those who might be interested, the Starkey's address is: 810 North Dakota, Norman, Okla.

The Messenger Home Demonstration Club has sent girls' pajamas to Girls Town. Mrs. R. J. Coleman, president, mailed 12 pair of pajamas that were made by the club members in three different sizes to Girls Town last week.

Thanks to Mrs. R. A. Frye, Mrs. Ralph Smith and Mrs. Ira Ott for helping with programs while we will be away for the State Conference at College Station.

The next 4-H leaders meeting will be Oct. 31 at 2:30 p.m. in the County Court room. The training meeting will be conducted by Mrs. Ralph Smith and Mrs. Ira Ott and will feature "Wrapping Gift Packages."

Wayland Northcutt Is Walcott 4-H President

The Walcott Boys 4-H Club met Oct. 21. Hugh Clearman, county agent showed slides of livestock that will be in the Junior Livestock and Poultry Show in January.

Officers elected for the new year are Wayland Northcutt, president; Gary Guseman, vice president; Bobby Sessums, secretary

New 4-H Club Named After Mrs. Draper

A new 4-H Club has been organized in the Dawn community which now brings to eight the number of girls clubs in the county. Clubs reporting this week are:

DAWN

Girls of the Dawn Community met at the school Oct. 6 to organize a 4-H Club under the supervision of Mrs. Pat Sullivan, assistant Home Demonstration agent for Deaf Smith County.

The following officers were elected: Barbara Martin, president; Gail Miller, vice-president; Betty Hagar, secretary treasurer; Lee Ann Bell, reporter; Betty Tucker, song leader; Lucy Beth Miller, pianist; and Audri Miller, drill leader. Mrs. L. W. Tooley and Mrs. H. H. Miller are the adult leaders.

The first regular meeting of the club was held in the home of Mrs. Miller Oct. 20 with 13 members and one guest present.

The meeting was called to order by Gail Miller, vice president. Minutes were read by Betty Hagar, secretary and Betty Tucker led the group in singing. "Argen Draper 4-H Club" was the name selected for the club.

At the close of the business meeting a demonstration on Crafts was given by Mrs. Miller.

Refreshments were served to: Mrs. Tucker who was a guest and Gail Miller, Lucy Beth Miller, Linda Carathers, Lee Ann Bell, Betty Hagar, Evaleen Martin, Betty Tucker, June Owens, Audri Miller, Kay Owens, Waltine Beavers, Bobby Jean Payne, and Linda Tooley. Leaders, Mrs. L. W. Tooley and Mrs. Miller,

and J. V. Perrin, reporter.

Present were: Gary Rudd, Jas. Burrus, Johnny Campbell, Larry Minks, Jackson Ashburn, George and Clyde Lockhart, Leo Robertson, Bobby Sessums, Carl Myers, Ray Northcutt, Steve Patton, Lee Myers, J. V. Perrin, Micky Rudd, Norma Cole, Wayland Northcutt, and Gary Guseman.

Caprock 4-H Club

The Caprock 4-H Club met in the Adrian School Oct. 20. Cynthia Kromer called the meeting to order. Roll was called and minutes read by Glenda Homfeld.

Mrs. Pat Sullivan gave a demonstration on "Keeping Closets and Dresser Drawers in Order."

Refreshments were served by Janoe Taylor to the following: Cynthia Kromer, Glenda Homfeld, Glenda Furhman, Kathy Kromer, Janie Taylor, Mrs. Sullivan and Mrs. Homfeld, leader for the group

MERRY MAIDENS

The Merry Maidens 4-H Club met in the home of Donna Lovel Oct. 14.

The meeting was called to order by Nancy Parsons, president. Mildred Wester was elected secretary and other business was discussed.

A demonstration on "Copper Craft" was given by Mrs. T. J. Parsons, leader for the group.

Refreshments were served to Nancy Parsons, Mildred Wester, Jaquita Miller, Kay Albracht, Deanna Kreighauser, Ann Rose Dziuk, Polly Ann Monroe, Mrs. Parsons,

SADIE LEE OLIVER

The Sadie Lee Oliver 4-H Club met Oct. 14 in the T. B. Thomas home with Diedra, as hostess.

Loyce A. Sullivan had charge of the demonstration for the meeting which was on "Closet Accessories"—she showed the girls how to make drawer dividers in order to keep their drawers neat and tidy. The girls discussed what would be best for their individual cases.

Shoe racks were shown and the advantages of the rack compared to a shoe bag. The demonstrator finished the program by showing the girls how to make a laundry bag.

All members resolved to do something before the next meeting to improve their room.

Refreshments were served to Sandra Campbell, Jane Auten, Mary Lynn Morrison, Nancy and San-

YOUNG WINDBREAK TREES obtained from the Texas Forestry Service last year are making a good growth on the east side of the Gregory home. They are red cedar which is

most popular of the varieties used in this locality for an evergreen windbreak. (Staff Photo)

new style! new comfort! new power! new Internationals!

Functionally Styled for Practical Good Looks!

Here are the new INTERNATIONALs... great from any point of view! Their clean-lined styling is trim and functional—designed to take the rough going of truck work without excessive repair costs.

Driver-Designed for Real Comfort!

And they give you real comfort, too! They're driver-designed to let you work longer without fatigue. Loaded with performance and handling features that make every hauling job easier.

More usable horsepower for BIG-Money savings!

These great new INTERNATIONAL trucks offer more horsepower—develop their power for sustained operation at lower, more economical engine speeds. They're all truck with no passenger car engines or components asked to do a truck job. That saves you the BIG money—the over-the-years operating and maintenance money. Drive them today.

New INTERNATIONAL "5-line" includes light, medium and heavy-duty models from 4,200 to 33,000 lbs. GVW, 16-gallon, 475 and 500-cu. in. engines, modern truck features.

You relax in REAL comfort in Confo-Vision cabs. Comfort-angled steering wheel. Low hood for clear view ahead. "Quiet-ride" roof lining, draft-free door seals. A wide variety of solid and two-tone exterior colors. Optional deluxe cabs have color-keyed interior, chrome trim.

INTERNATIONAL TRUCKS

All-Truck Built to save you the BIG money!

HEREFORD IMPLEMENT CO.

Walcott News

By MRS. T. L. COLLINS

Jack Fortenberry of Bippus community got his right leg broken in two places Friday morning while working cattle. He was taken to Deaf Smith County Hospital. It was reported that Mr. Fortenberry was resting comfortably.

Mr. and Mrs. Cliff Patton are grandparents of a new granddaughter. She is the child of Mr. and Mrs. Earnest Scroggins of Olton. She was born Oct. 21. Mrs. Patton planned to go down to see her daughter and baby Saturday. Larry Scroggins, two year old grandson, will accompany his grandmother home for a visit.

Mrs. Roy Fruit entertained the "Farm and Ranch Club" in her home Thursday.

Mrs. Al Myers and Alice Marie went to Dumas Thursday. This was a trip to see about their house and visit Mrs. Myers grandfather. He is 84 years old, but is definitely improved from a recent heart attack. Since this was the first trip back to Dumas since their move here in February, Mrs. Myers and Alice made several "pop-calls" on friends.

Walcott's regular October meeting of P-TA proved to be quite interesting and entertaining to a good crowd Friday night. The president, Mrs. J. V. Perrin, called the meeting to order. Minutes were read by the secretary, Mrs. Roy Fruit. Mrs. Don Guseman, treasurer, gave a statement of "funds on hand." Mrs. Guseman is the general chairman for the Halloween Carnival. She thanked all who had helped her and urged others to volunteer their assistance—all are urged to come to the Walcott Halloween carnival Oct. 29. The kitchen will be open at 7 p.m. and all other booths will be open for business at 8 p.m. Each family in Walcott community is asked to bring a home baked pie for the kitchen, a cake for the cake walk and any white elephants lying around the house and two things for the country store, such as potholders, aprons, canned goods, fresh eggs, butter and vegetables announced Mrs. Guseman. Mrs. Glenn Burrus reported that the Neill Cleaners of Hereford have cleaned Walcott's basketball suits free of charge. These she has

JUNIOR CHAMPION STEER — Lile Lewter, 10-year-old Lubbock, Texas lad, is shown with his 1,150-pound steer "Punkin" which was named Junior Champion Steer at the American Royal Livestock and Horse Show in Kansas City. (AP Wirephoto)

Household Tips

Broil fresh pear halves, cut lengthwise and cored. Fill cavities with a little mint jelly and serve with roast lamb.

For best flavor don't shell peas until you are ready to cook them.

Dress up canned small white onions. Stiek a whole clove in each and heat in a cream sauce.

Your family like poppy seed? Spread crackers with soft butter and sprinkle with poppy seed. Heat in a moderate oven. Let cool a few seconds, then serve at once.

Ever serve stewed apples? Cut the peeled and cored apples in eighths and cook them in hot sugar syrup until just tender. Flavor with vanilla. Wonderful served over vanilla ice cream.

How to store fresh fish: put it in a tightly covered container in the coldest part of your refrigerator. Use it within 24 hours.

Sugar adds flavor to yeast bread and gives the crust a good color. It also provides food for the yeast to produce the leavening gas. Use the amount of sugar called for in a good recipe; adding sugar indiscriminately is not a good idea. Too much sugar will retard yeast.

If you use less than one to 1 1/2 teaspoons of tea to a cup of water, you won't have a good strong bracing beverage. And be sure to let the tea steep for five minutes.

Jigtime supper dish: Add tuna, broken into chunks, to canned macaroni with cheese sauce. Sprinkle with grated cheese and place in a moderate oven to heat while you are setting the table and putting a green salad together. French bread can go into the oven to heat along with the casserole. A big bowl of crisp red apples and succulent fresh pears for dessert with lots of coffee!

Mr. and Mrs. Thomas L. Collins and sons spent Saturday in Canyon, enjoying homecoming at West Texas. The group had an eventful day meeting old friends, seeing the parade, eating barbecue and witnessing the game. Rev. Jim Wickware of Tulia preached at Bippus Church twice Sunday. He will be back again the second Sunday in November. He was the dinner guest in the home of Mr. and Mrs. Charlie Burk. Next Sunday is the fifth Sunday of the month. Dinner will be served and singing throughout the day.

*The Audit Bureau of Circulations, of which this newspaper is a member, is a cooperative, nonprofit association of 3450 advertisers, advertising agencies and publishers. Organized in 1914, A.B.C. established a definition for paid circulation, rules and standards for measuring circulations and methods for auditing and reporting circulation **FACTS**.

The Hereford Brand - The Sunday Brand

MRS. HOLDEN TELLS HD WOMEN

Don't Discuss Food Dislikes In Front Of Your Children

Mrs. Gladys Holden of the Homemaking Department of Texas Tech, was guest speaker when the Home Demonstration Council met in the Veterans Club house on Oct. 24.

Mrs. Holden's subject was "Nu-

trition and Family Happiness" and she outlined some of the effects of hidden hunger which average persons are not aware of.

Mrs. Holden reminded the group that although there is something deadening about the recurrence

of three meals per day, still we, as homemakers, are rewarded by families that are healthy and happy.

There isn't any reason why a housewife can't judge whether her family is getting a well balanced

diet, according to the speaker, because she has available for checking The Texas Food Standards, The National Foods Standards, The Marketing Order Pattern, which is considered the least satisfactory of the three.

Mrs. Holden stressed the fact that elders should not be allowed to use meal time to air their food dislikes as children are influenced by such conversation and many such dislikes are a carry over from these sessions at the table.

She pointed out that a woman's husband is given to her with his bad food habits, but she is entirely responsible for the food hab-

its of her children. If the mother is wise she will make older members of the family understand that discussing food dislikes in front of the children is taboo, the same as swearing and telling some types of stories.

Mrs. N. A. Brown presided and called for committee reports. She also announced the names of committees for next year. Mrs. Ira Ott, who was in charge of recreation for the Wyche H. D. Club, read a poem, "When Tempers Fly."

A special meeting of Council has been called for Nov. 7 in the county courtroom when Miss Doris Leg-

gett, district agent of Amarillo, and Mrs. Melton McGehee, District vice president of "Wayside," will meet with the group to make plans for the District THDA meeting to be held in Hereford next spring.

Club presidents will also give their reports on that date. North Hereford H. D. Club had the largest number of members present. Those registering were: Mrs. E. E. Bishop, Roberta Campbell, Mrs. O. L. Williams, Mrs. Otto Olson, Mrs. O. C. Williams, Mrs. Mary Eodkin and Mrs. C. L. Whitehead.

From Dawn were Mrs. H. S. Fuller, Mrs. Zed Stewart, Mrs. J. B. Caraway, Mrs. W. P. Caraway, Mrs. J. M. Carathers, and Mrs. J. E. McCabe.

Cultural — Mrs. Louie Olson, Mrs. Earl DeHart, Mrs. J. T. Richardson, Mrs. W. E. Holcomb and Mrs. Paul S. Corbett.

West Hereford — Mrs. Vern Witherspoon, Mrs. Edna Bowe, Mrs. John N. Jacobsen Sr., Mrs. Carlos Vaughn and Mrs. Alice Cox.

Westway — Mrs. P. B. Sowell, Mrs. C. A. Sauley, Mrs. Paul Rudd, Mrs. J. C. Morrison and Mrs. T. B. Thomas.

South Hereford — Mrs. W. H. Goettsch, Mrs. Clarence Hollabaugh, Mrs. Clyde Cocanougher and Mrs. S. S. Williams.

Wyche — Mrs. C. R. Damron, Mrs. C. C. Ellis, Mrs. H. L. Ward and Mrs. Ira Ott.

Ford — Mrs. Henry Browning, Mrs. L. K. Williamson, Mrs. V. D. Walker and Mrs. Hardy Benson. Messenger — Mrs. N. A. Brown, Mrs. Bruce Coleman and Mrs. R. J. Coleman.

Progressive — Mrs. Cecil Boyer and Mrs. Pete Carmichael. Bippus — Mrs. Elmo Hall. Visitors were Mrs. Holden, Mrs. Pat Sullivan and Inez R. Tracy.

Youth Meets The Downbeat With An All Girl Band

AP Newsfeatures

Do you have a couple of sisters who like music? Or a couple of good friends, maybe.

If so you can make it pay off. Three Detroit sisters did just that. They organized a band and today they're satisfying their musical urge while earning money for future musical education.

The girls, Audrey 16, Arlene 14 and Alfreda Walenga 13, along with a friend Pat Schoblaski 15, made up the Bel-Airs, a four-piece band that is very much in demand for parties, dances, weddings and what have you.

All the girls have been interested in music since their sub-sub-deb days. Audrey, leader of the band started taking accordion lessons when she was six. Pat took to the song flute in the fourth grade but later she says, "I liked music so well, my parents let me take clarinet lessons from a private teacher. Two years ago I started on the sax."

The girls met at the music school Alfreda plays a hot drum for a

ALFREDA WALENGA

GIRL DRUMMER — Alfreda Walenga, 13, is one member of a girl band of four. They play churches, wedding, parties.

girl and incorporates all the gymnastics necessary to her beat, learned by observing other drummers on television. She's on her second set of drums and has a big order in for her Christmas stocking—cymbals, tom-toms and other accessories. Right now she sits behind a high and low tom-tom, a snare and bass drum, four cymbals, a wood block which she beats when the band plays polkas and a cow bell used for rumbas and mambo.

The thing that egged Arlene on was the chummy duets that Alfreda and Audrey played. Arlene felt left out so she started clarinet lessons. That was the end of her tears, because in no time at all she was one of the band.

The girls give off plenty of rhythm and in the first moving number "In the Mood" they're dancing while she plays. Arlene and Pat do back bends, touching their heads to the floor, never missing a note.

Right now the girls seek a trumpet player but the only applications so far have been from boys.

Max Eggleston of Denison, Tex., dean of Lake Texoma's fishing guides, spent his vacation, fishing in Yellowstone Park.

FINE FOOD

PLATTE, S. D., Oct. 22—Things are really humming in the little town of Platte this morning. Our maps show the population to be 1069, but since last night it has been nearer 1600 as hunters swarmed in from Michigan, Texas, Nebraska, Illinois, New Mexico and other distant states for what is considered to be the top pheasant shooting in the nation.

The natives, like the visitors, are pretty excited right now, however as they mark time for the opening shots which are scheduled to begin at 12 o'clock sharp today. There are a few "first timers" like myself but, for the most part, the hunters appear to be veterans. We neophytes keep pretty well in the background and let the old timers do most of the talking. Even these veterans appear to be

more than a little nervous, though; they keep running back and forth to the cars to make sure everything is in order. I never saw so many guns in my life. Everyone seems to have brought two or more. Even more of a surprise is the array of apparel. At breakfast this morning one old boy appeared in some Spanish American-type leggings; another had taken a pair of cowboy boots, removed the tops and fastened them onto the bottom parts of a pair of rubber boots. There are, as you would expect, a few fashion plates—and practically no women at all.

Sure enough, this is a man's deal—all of the way. We got here around noon Friday and checked in at the Win Serven Hotel, which is quite a place. I am told that it is impossible to get rooms unless

you happen to be in one of the parties which has been coming up here for years. That is how I chiseled in, in fact. We have nine Texans in the hotel—and all of them are in our party. Several of the bunch are from Muleshoe in a delegation headed by Pat Bobo and Sam Fox. Pat, you might say, is about the most popular man on the second floor. He has the only bathroom! And after walking in the dust all day, you can imagine how we are treating him. I thought he had a wonderful deal for a while, since he seems to have this particular room (No. 21) reserved until 1960—but I believe our room is better in view of the fact that there develops quite a traffic jam each afternoon in No. 21.

Right now, it's 9:45, and we are scheduled to be out in the country some 17 miles to a little hamlet known as "Academy" for our initiation as pheasant hunters.

BACK IN TOWN at 1:35. Everyone in our party of nine has his limit of three pheasants. Sam Fox of Muleshoe was the first one to clear out. Just 13 minutes after 12 o'clock he had his limit. Seems like all of the birds got up in front of Sam who, incidentally is Texaco dealer at Muleshoe, and is a good friend of R. J. Richardson of Hereford. This Pat Bobo I mentioned is a combination insurance man and lawyer and plays golf a lot on the Hereford course. He knows Jim Witherspoon, Ray Cowsett, Earnest Langley and other Hereford attorneys. Pat did his best to make expenses last night. He was offering to insure every hunter in the hotel of his limit of 15 birds for the season at 25 cents a bird—or \$3.75 for the 5 days; if they fail to get their 15 birds Pat says he will pay them \$10 a bird for each that they are short. He got no takers, however.

Pheasant shooting is a lot like quail shooting—only a little bit easier. I won't say I didn't get a little help on my quota of three, but almost anyone who is an expert on quail will say that pheasant shooting is duck soup. On the other hand, I doubt if any pheasant hunters in the good old U.S.A. have quite as good a deal as this particular bunch of Texans. I just stepped into a good deal as a result of a fine bunch of "in-laws," headed by Carl Christian of Decatur. We made the 17 miles out to Academy, arriving around 10:30—and were greeted by Alton Parish, one of the finest fellows you ever met. Mrs. Parish, in fact, is the only person I know who can outdo Alton. They had our entire group as dinner guests—and what a meal! I must have added six or seven pounds to my already bulging waistline. I never cared too much for fruit salad—but I had never eaten any of Mrs. Parish's fruit salad before. Their son, Dwaine Parish and his family, were there and Mrs. Parish apologized profusely for being three minutes late with lunch. She had set it up to start at 11 o'clock and we didn't get started until 11:03. It is a meal we will long remember.

Another thing. Everyone says this pheasant hunting gets harder as the days pass. The pheasant are plentiful at first, especially when you have a bunch of people to tell you where they will be and why. They also say that every year is different. It all depends on conditions. This has been a dry year in South Dakota. They got 11 inches of moisture instead of the average 21 inches. They have no corn—or practically none—and this makes a big difference in the way you hunt. It is always different, it seems, but you do get pheasant especially if you have some dead-eye friends and expert help from the natives.

ANYWAY, the first day is over. Everyone in our party has his state limit of three—and we are all happy.

ABOUT PLATTE. This town is no less unusual than most other South Dakota towns, except maybe larger than the average. The people are of the breed and type which we like to brag about Texas—but seldom carry through. We started to leave out this morning and a youngster rushed over and asked if we had a place to hunt. They actually worry about the tourists. He wanted to take us out—no charge whatever—just so we could get some birds. These South Dakotans really love people. I honestly believe that. They take the attitude that most of us came a long way—and they want us to have good luck hunting, and a good time. It is a lot like the old Texas I always heard about, but never saw.

People are honest, too. No one ever locks their doors in this hotel. No one ever locks his car. No one ever loses anything. I have not seen a sheriff or an officer—except those who are here from Michigan for the shooting. I would say the Michigans have it on population influx—and in a big way.

Here is something else most unusual, especially to the Texans. They have a municipal liquor store, which is the only one in town. It is operated in the same place they collect city taxes and water bills. The young fellow who operates the liquor store says that the liquor department does away yonder more volume than the city taxes and water combined. I never

heard of such a combination, but the young man says that it is the rule rather than the exception in South Dakota. He says that most of the cities operate the only liquor store in the municipality. Right over the neon sign which says, "Pay your Taxes Here" is a big Seagram "T Crown" sign and I'll bet that Seagram paid for the whole thing.

I haven't been able to find out what the tax rate runs up here, but they really do have something. Most cities just sell the chaser, but these boys get 'em coming and going. They sell the liquor, collect on the water they use for chaser—then get a fine if anyone drinks too much and lands in the hoosegow. However, they tell me that no drunk has been in the local jail for years. Fact is, if a fellow is inclined to over-indulge, he is cut off at the source—and never

MRS. HOBBY CHATS WITH SENATORS — Mrs. Oveta Culp Hobby, former Secretary of Health, Education, and Welfare, chats with Senator Stuart Symington, (D-Mo.), left, and Senator Lyndon B. Johnson, D-Tex., right, at a dinner in Austin honoring Mrs. Hobby, at which she was named "Texan Woman of the Year." (AP Wirephoto)

How Can I?

By Anne Ashley

Q. How can I make a good paint remover?

A. Dissolve 20 parts of caustic soda (98 percent) in 100 parts of water, mix this with 20 parts of mineral oil, and stir constantly until thoroughly mixed. Then add while stirring, 20 parts of sawdust, and if possible pass this solution through a paint mill to get a uniform mixture. Apply the paste moist.

Q. How can I destroy any taste of baking powder when making biscuits?

A. Add a teaspoonful of sugar and it will destroy any taste of baking powder. Buttermilk is always a good substitute for fresh milk when making biscuits.

Q. How can I clean a leather article?

A. Make a lather of castile soap and cold water. Apply it, and then when dry, polish with a soft woolen cloth.

Q. How can I avoid confusing window screens?

A. Before packing the screens away, paste a small label on each one, on which window it belongs. The labels can be removed easily when cleaning the screens and much effort in fitting can be avoided.

Q. How can I test the purity of air in a room?

A. By pouring some lime water into a glass. If a thin, white scum

forms on top, there is an excess of carbonic acid in the air and a need of more ventilation.

Q. How can I drive rats away?

A. Sprinkle a liberal quantity of chloride of lime in the garage, cellar, or other haunts, and the rats will not bother.

Q. How can I reduce?

A. Eat slowly. Masticate thoroughly. Take but one serving. Do not eat between meals. Avoid starchy vegetables, pastries, candy, salad oils, butter, cream, cake and all things containing sugar.

Q. How can I clean angora?

A. Gray or white angora or tibet can be washed in tepid, soapy water. Great care should be taken that the skin is stretched in the process of drying, to prevent puckering.

Q. How can I whiten the bone handles of knives that look shabby and become yellow after a time?

A. To whiten them, use a solution of peroxide mixed with water.

Michigan's lakeshore line of 3,121 miles is the longest coastline of any state in the union and equal to the Atlantic coastline from Florida to Maine.

Are All Cold Remedies Alike?

Not. For example, 666 is the wide-activity medicine, which combines 4 of the most effective, widely-prescribed drugs known, to relieve all cold miseries sooner. 666 is more potent and gives positive, dramatic, rapid relief from miseries of all kinds of colds. That's why 666 is unsurpassed in effectiveness. Try it.

No other cold remedy can match 666 liquid or 666 Cold Tablets. **666**

After the feast which, incidentally, marks the wedding anniversary of Mr. and Mrs. Parish and is an occasion to which they look forward each year. Dwaine took over our hunt. Every detail was planned for us. Honest, all we had to do was stand there and shoot. If we missed, they just reached down, came out with another deal—and here you were. (Note to June Neel, Melvin Young and Virgil Moore: You don't have to worry about identifying pheasant. They always yell out "Hen" or "Rooster"—all you have to do is point and shoot.)

Hereford, incidentally, is well represented. Last night at supper I ran across Emmett Milburn, Harold Close, Otis Hall, Ross and Marcus Latham, Dale Tinnin, Dub Reeves and S. S. Dodson. I told them about seeing 500 pheasant the afternoon before and they are kidding the pants off of me. They say maybe I was looking through "Charter colored glasses"—or something. Fact is, I am still trying to talk about.

Back to the Parish family. They are wonderful people. They came down here from New York state some 50 or 60 years ago and settled to make their home. They consider themselves to be South Dakotans by now—and they look forward to this gathering of Texans much like we folks in Hereford look forward to having our children and grandchildren home for Thanksgiving or Christmas. It always happens on the Parish wedding anniversary and has come to

Table Decor Can Make You Party A Success

FOOTBALL TABLE — Appliqued footballs and pennants set the theme for a runner easy to make at home. The basic tablecloth may be used with other color schemes.

By DOROTHY ROE

Associated Press Women's Editor

Part of the fun of throwing a dinner party is figuring out new and different table settings.

If you're bored with the old flowers - and - candlesticks arrangement, take a tip from experts at your local sewing center and run up some decorative table runners, to set the mood for your party.

For instance, try a football runner for your after-the-game buffet. A plain tablecloth covers the table; a gay runner sets the theme. Laced footballs alternate with college banners to set an autumn mood. Pottery plates and copper chafing dish harmonize with the brown, gold and rust tones of the runner.

A sturdy, washable fabric such as Indianhead is a good choice for cloth and runners. To make the basic cloth, use two yards of 54-inch fabric - or whatever length is needed to fit your table. Use your narrow hemmer to hem the raw edges. For the tablecloth, leave the selvages to edge the two sides.

The runner should measure 12 inches wide and the same length as the tablecloth. The basic runner is dark brown, edged with bias tape which is along one edge, white along the other. Bias tape forms the lettering on the banners and is used for edging all the appliques. Use the zigzag stitch if you have an automatic sewing machine, or your automatic zigzag attachment to stitch down the appliques. A single line of widely spaced zigzag stitching holds the tape and appliques securely to the basic runner.

Select the large tablecloth in a color to combine with as many different color schemes as possible.

For example, a dark green tablecloth could be used with the football runner and again for a wonderful Christmas setting. For the latter, make a runner of gay red cotton edged in white rickrack or bias tape. Decorate it with a wonderfully modern Christmas tree made of back-and-forth swags of tape, topped with a rickrack star. Applique gay packages under the tree.

The same basic green cloth may be used as the background for a barbecue table setting. For this one make a yellow runner with applique hot dogs and hamburgers.

For a New Year's party you could use a white runner with an applique design of horns, ribbons and bells. And the same green cloth could serve as a background for an Easter setting, with a pastel runner applique with bunnies or Easter eggs.

To do the appliques, first work out your design on a piece of brown paper, or use commercial transfers if your art work isn't equal to the challenge. If you make your own sketches, use carbon paper to transfer them to the fabric. When you cut out the appliques, leave a full inch all around the designs. Then arrange on runner for the best effect. Then baste the pieces on the runner, backing each with a piece of organdy. Then use the narrow satin stitch of your zigzag attachment to stitch around the lines of the designs. Use a small sharp pair of scissors to trim away excess fabric close to the line of stitching.

With a little imagination you can gain a reputation as the cleverest hostess in town. And don't keep the runners all to yourself - think how they would sell at a church bazaar. Make a set for Christmas

Tour Of Homes Is Big Success

The Garden Beautiful Club's eighth annual tour of homes and flower show held Friday was a big success with 270 visitors registering for the event. Mrs. Ansel McDowell was general chairman of the tour.

The club's fall flower show was held in connection with the tour with arrangements in each home keyed to a different theme to provide added color and beauty to the decor of the home. Mrs. N. D. Bartlett Jr., was flower show chairman.

Judges for the flower show were Mrs. Robert Singer, Mrs. Miller and Mrs. George Bradford of Dimmitt.

Blue ribbon winners were Mrs. Lisle Woodford and Mrs. D. C. Kinsey at the Kenny Gearn home, Mrs. Robert Veigel and Mrs. R. B. Miller at the Cavthon Bryant home, Mrs. G. P. Owen and Mrs. Gerald Wilson at the H. A. Cavness home, Mrs. Townsend Douglas at the Dougaas home, Mrs. W. J. Stanford at the R. G. Peeler home, Mrs. B. E. Roberson at the Gaston Baer home and Mrs. D. B. Roberson and Mrs. Carroll White-side at the Wayne Thomas home.

New 4-H...

(Continued from Page 1)

dra Green, Carol Ann Rickman, Diedra Thomas, Loyce A. Sullivan, Mrs. Buck Green and Mrs. Thomas leader. The next meeting will be in the home of Sandra Campbell. The program will be "Copper Crafts."

RANCE 4-H CLUB

The Rance 4-H Club met in the home of Mrs. R. L. Campbell Oct. 17.

Following the serving of refreshments the club's vice president called the meeting to order and the club minutes were read by the secretary. The group was led in singing by the song leader.

Mrs. Sybil Stringer, Castro County CHDA, presented the 4-H year book to the members and explained the projects the girls might choose for their annual work. Afterward a film was shown on "Well Grooming."

There were 12 members, three guests, Mrs. Stringer and the hostess present.

The next meeting will be in the home of Mrs. Jake Clearman on Nov. 7.

presents, or use them for birthday gifts, using the hobbies of the recipient as a motif for the appliques.

You'll find these runners so very much fun that you'll have trouble finding time to stitch up all the ideas you'll have.

Mrs. Geo. Graham Is Complimented

Mrs. George Graham was honored by the Young Married Group department of the First Baptist Church at a coffee Saturday morning given in the home of Mrs. Calvin Goodin. Mrs. Graham, who has been superintendent of the department for nine years, will move to Canyon this week to make her home.

A shower of personal gifts was a feature of the party and refreshments were served from a table decorated with yellow chrysanthemums.

Members and past members of the department and special guests attending included Mesdames Owen Stagner, Clarence Shanks, L. H. Lookingbill Jr., Travis Hendrick, Danny McLallen, Howard Scott, James Edmonson, Jim Wyman, Dean Herring, Eugene Sparks, Troys Riddle, Bobby Owen, Rex Lee, Clint Formby, Jess Robinson, V. C. Hopson, John Poindexter, the honoree and the hostess.

Beauty At Home

Q. What can I do about aged nail polish if it gets too thick and gummy to use?

A. You can thin it out to its proper consistency with some polish remover.

Q. How can I cause my eyelashes to look thicker and longer than they really are?

A. Trace a dark line along the edge of the lashes. A little mascara brushed on the lashes also gives them an illusion of length and thickness.

Q. How can I minimize the appearance of a nose that is too wide?

A. Blend some darker-than-skin-tone foundation along the sides of the nose, and a lighter shade down the center.

Q. What hairstyle is best for the woman with a square type of face?

A. To make her face seem more oval, she should introduce soft waves and curls and fullness at the sides. A high top effect will help, too.

Q. Please suggest a good, cleansing facial mask I can prepare at home.

A. Mix some raw oatmeal and milk into a paste and apply this after a thorough face washing. It is wonderfully cleansing and soothing to the skin.

Q. How can I put new life into my soiled powder puffs?

A. Wash them in warm soapsuds, scrubbing the bad spots with a fingernail brush. But don't lay them out flat to dry, or they may turn sour. Pin them, instead to the sunny side of a window curtain so that the air can get at them.

Q. What can I do about my complexion, which looks sallow and dull?

A. Wake it up! Wash more brisk-

ly, and follow with applications of skin tonic, lotion or freshener, patted in double-fast time over your face. Try a stimulating facial mask - such as honey.

Q. What should I do about lipstick when my lips are chapped?

A. It is better to refrain from lipstick at this time, as chapped lips never look well when rouged. Keep your lips soft and smooth by using a chap-stick during bitter weather, anointing them at night before retiring. A bit of petroleum jelly over the lip color is another

good protection.

Q. How can I clean the gold braid on one of my dresses?

A. By brushing it first with a stiff brush and then rubbing powdered alum well into the braid. Let the alum remain, and the braid will take on a brighter look after an hour or two.

Q. What are some important things to remember when selecting face powder?

A. If your powder is too deep in shade, it will make your face and skin look muddy. If its tones are

too light, you will look pasty. If you cannot buy the perfect shade, do a little mixing at home, until you hit upon the shade that flatters your skin and is opaque enough to cover any minor skin flaws you might have.

Q. Is it all right for me to use a curling iron on my white hair?

A. It is better not, as this is apt to turn your hair yellow. You would do better either to use curlers or to get a soft permanent wave.

Women...

(Continued from Page 1)

way were Mesdames Paul Rudd, T. B. Thomas, B. B. Northeutt, Joe Wagoner, Bess Werner, C. A. Saulcy, and Carl Smith.

Wyche Club members were: Mesdames W. P. Axe, H. L. Ward, C. R. Damron, C. C. Ellis, George L. Olson, Jim Cross, E. R. Roberson and the hostess.

The next meeting will be with Mrs. Ellis Nov. 3.

NEED MORE BOXCARS — A shortage of boxcars for grain movement to empty terminal elevators has resulted, in the case of a million bushels of the crop on the ground at Dimmock, Texas, and other towns in the southern plains. Over 100 boxcars are shown outside the grain elevators at the Dimmock Grain Company. (AP Wirephoto)

Some Ago

The choice of a dog leaves the entire sporting group open to you. There are breeds that specialize and those that generalize, and many make good family pets beside. Decide what you want from the dog and get good advice. A rule of thumb: you ought to plan to spend as much for your dog as you do for your shotgun, and that leaves a choice from \$25 to \$2,500. The shotgun may be your choice for various kinds of hunting. You settle down to special-

Dog As Necessary As Gun To Hunter Now As Always, Hunting Expert Says

By DION HENDERSON
What do you need besides your native wit and ingenuity to become a better hunter? Plenty. Let's face it. If the average man, at best an occasional visitor to the wild community, had to pit his craft against game birds and animals on an equal footing to survive, he'd soon become an expert on eggs and little else.

The quickest path to better hunting—both in the sense of putting more game in your pocket and having more fun in the process—is the path that leads to a mother hunting dog with a family of puppies. It's almost impossible to over-emphasize the value of a treaty between the hunter and the dog. In small game, upland bird and waterfowl hunting, the efficient dog long ago ceased being a luxury. He's as necessary as the gun. And if you are interested in the food return from hunting, consider this: A man with a good retriever can have more game in hand after a half-hour on any heavily-hunted public shooting area than the best gunned wing shot legally can in a day.

In waterfowl hunting, the retrieving dog means the difference between three birds in the bag and eight or nine for each 10 hit in flight. In upland bird hunting, the pointing dog means the difference between a long and fruitless walk and a pleasant day of finding at least most of the birds that hid along the way. And to the lover of rabbit stew, no siren sings a sweeter song than the hound bringing the rabbit around on its instinctive circle to the gun.

The choice of a dog leaves the entire sporting group open to you. There are breeds that specialize and those that generalize, and many make good family pets beside. Decide what you want from the dog and get good advice. A rule of thumb: you ought to plan to spend as much for your dog as you do for your shotgun, and that leaves a choice from \$25 to \$2,500. The shotgun may be your choice for various kinds of hunting. You settle down to special-

ize. The smooth bore was invented for waterfowl and wing shooting. It can be used on squirrels and rabbits, too, and although it's not the sportiest way in the world to take such game, it's fine if you take them on the run.

The squirrel experts, however, swear by the small bore rifles—either the familiar .22 in a wide range of models, or hand-loaded swifties in small bores that double as varmint guns during off season.

A shotgun can be made to do for such game as deer, bear and turkey, but except for the latter it puts you at a distinct disadvantage when you're firing at anything but point-blank range. The big-game load for shotguns is either buckshot, familiar to readers of crime stories, or the rifled slug which gives pretty fair accuracy up to 100 yards.

The price range on firearms is just about what's listed above for dogs. You can get a single barrel just like the one every boy ought to start out with, or you can get as fancy as you like.

Mary Faye Bettis is Listed In Who's Who

BELTON, (Spl.) — Miss Mary Faye Bettis of Hereford is one of the six seniors of Mary Hardin-Baylor College chosen for "Who's Who in American Universities and Colleges."

Miss Bettis is an English Major. She is president of the college's Student Government association and a member of Royal Academia. She was a dorm representative for the sophomore class and vice-president of International Relations Club, and was on the dean's list in 1954. Her parents are Mr. and Mrs. M. A. Bettis of 222 Avenue H.

seal, at Hereford, Texas, this the 17th day of October, 1955.

Ralph Smith Clerk of the County Court of Deaf Smith County, Texas By Claudia Martin Deputy T-42-3c.

Wife-Saving Shortcuts

The ancient and honorable subject of dishwashing seems to cause more family dissension and inspire more cartoons than practically any other topic except, possibly, women drivers.

A tip to husbands from the paper plate manufacturers is to this effect: If you use paper plates you won't be asked to wipe the dishes. This is strategically timed to coincide with "Save a Wife Week," Oct. 6-15.

Since the disappearance of the hired girl from many households, some housewives have a special shelf or cabinet these days for storage of paper plates and cups, for which they have found new and labor-saving uses. Here are a few suggestions:

Keep your stove clean by putting drippy stirring spoons on a paper plate. When sifting flour, keep the work table clean by putting a paper plate under the sifter, and use two plates to sift flour back and forth several times, as so many recipes require. A paper plate usually just fits the bottom of the garbage pail, and you can dispense with messy cat and dog

MOTHER'S HELPER . . . The paper plate is a handy item to have around the house. Store supplies sideways to save room.

dishes by using disposable paper ones. Put a paper plate in the bottom of the bird cage. Use paper plates under flower pots to avoid mess.

You'll find paper plates handy, also, for all kinds of drips, from paint can and brush to nail-polish—or just a wet glass.

And an adequate supply takes up very little room if the plates are stored sideways in the cupboard.

Area Dairy Herds Get Top Ranking

Forty-six Deaf Smith County cows were ranked in the monthly Randall County Dairy Herd Improvement Association report, according to Harold L. Hershey, supervisor.

A holstein owned by Harold Kriegshauser was "ranked in the high herds in milk and butterfat." Herbert Boardman is the owner of a holstein that was ranked as one of the "10 high cows in butterfat," and one of the "10 high cows in milk" is a holstein owned by Denzil Pulliam.

In the 60 pound to 70 pound group, Herbert Boardman and Denzil Pulliam both have holsteins listed. Two holsteins owned by George Heard are in the 50 pound to 60-pound group. Harold Kriegshauser had four and Herbert Boardman two holsteins and B.E. Brumley two in this group.

In the 40 pound to 50 pound group five guernseys, three holsteins and two jerseys of B. E. Brumley; four holsteins of George Heard, five of Harold Kriegshauser's, one of M. S. Simpson Jr.'s, five of Herbert Boardman and six of Denzil Pulliam, all holsteins, were ranked.

Hereford, Texas, Thursday, October 27, 1955 Section Three

KNOX'S KNOTHINGS
By BILL KNOX

Demons Offer Resignation

Has been some talk around town about the apparent dis-sension of the Dumas ball club. Some have even credited the Whiteface victory to the expelling of several Dumas players from the football team.

Numerous reports as to the number of boys relieved from duty have been circulating. They ranged from one man to eleven men. Before the game with the Demons Friday Hereford coach L. B. Russell expressed the opinion that there was no truth in any of the rumors.

Either there was some truth in the reports or Dumas coach John Whinnery all at once suddenly decided that two of his previously first string backs weren't good enough to play Hereford. At any rate Jim Anderson and Jack Jameson didn't touch a football Friday night. They didn't even put on a football uniform. And they won't for the rest of the season.

But there's as far as it goes. According to reports from authoritative sources down Dumas way, Anderson and Jameson were the only ones given walking papers.

Seems as though there was some misunderstanding about something the Dumas coach said. At any rate, quite a few Dumas parents were quite riled over the situation and Whinnery and the superintendent didn't have too tight a hold on their positions.

But we don't think the Demons could have whipped the Whitefaces Friday night if they would have had all 11 of their men and some Phillips players. They might have made the game somewhat closer, but the way the Whitefaces were playing Friday night nobody in this district, excepting Phillips, could have taken them into the fold.

Herd Defense Outstanding

Everybody was slightly stunned at the fine defense thrown up by the Herd. It was splendid. It was something the whitefaces haven't displayed all year. And that taunted offense finally returned to normal.

We thought the performance of Wayne Smith was especially outstanding. While scoring only one touchdown, Smith represented a churning ground-gaining machine which came through for yardage when the Whitefaces needed it.

However, most outstanding was the brilliant line play. Line play told the story of the game. It also told the story of the game against Perryton, but it was an entirely different story.

The Herd forward wall soundly outplayed a much heavier Demon line off their feet and the two defenses were uncomparable. Dumas was suppose to have a fine defense. They hadn't had more than 14 points scored against them all year. But the Whitefaces reversed the turntables.

'Wanted To Win' - - Russell

"Scat" Russell credited the Whiteface victory to a "greater will to win." And we're in whole-hearted agreement. And the Demons apparently encountered much tougher competition than they expected.

The spirit is good but we still haven't seen any paper on the goal posts. We're confident that the posts will be wrapped for homecoming against Shamrock, but is that the only game which rates? We don't think so. But crepe paper is high. And who has the time? Somebody should.

DEPRESSION DIDN'T BOTHER THEM

1929 Whitefaces Climaxed Feast

(Editor's Note: This is the second in a series of articles concerning Hereford football teams of the past.)

By BILL KNOX

The Hereford Whitefaces of 1929, under coach Tommy McCollum, climaxed a brilliant two-year football feast by rolling to 11 consecutive victories and tying another with mighty Olney in the game for championship of four districts.

Those Whitefaces will long be remembered as one of the greatest to don Hereford colors. The colors were black and white of today. They also had everything that went with a fine football team, a good band and pep squad. Hereford fans even went as far as to charter special trains for several important clashes.

Eight regulars of the district championship club of '28 returned to staff the squad which put Hereford on the face of the map—football-wise.

That team was not one which

whizzed through weak competition—if the Whitefaces today encountered the competition they did one would wonder who was so ambitious. Clovis, Pampa and Lamesa and Borger all dotted the schedule which would represent almost a completely AAAA schedule today. All fell to the potent Whitefaces.

And the Russells were just getting started good. William "Babe" Russell set the district afire and Jack Russell did reserve signal calling.

The Herd victimized 10 straight opponents before being tied by Olney. Four times the visitors were less than 20 yards away from Hereford's goal line, and only twice did Hereford get inside their 20. However, the Whitefaces forged past the 20 twice only to get the play called back because of penalties. The precise trouble the Whitefaces of '55 are having.

The tough part about the whole deal, however, was that Hereford was in possession of the ball with

(Continued on Page 5)

PHILLIPS LEADS

District Teams Have Battles Friday Night

District 1AA this week offers a slate in which undefeated teams must fall.

Phillips meets Perryton. Dumas takes on Dalhart, and Hereford tangles with Shamrock in games played Friday. The Phillips-Perryton tangle will probably be the most closely matched of the three. Despite the Rangers' undefeated record and one tie in conference play, the Hawks will be heavily favored.

The Blackhawks have marched to six straight victories and have had but 27 points scored upon them all year. Perryton boasts no losses but have three ties with Canadian, Canyon and Dalhart. The game is to be played at Phillips.

The Dalhart Wolves, after making an impressive showing against the Perryton Rangers, will be underdogs against Dumas' rebounding and crippled Demons. The Demons last week lost to Hereford by 33-14. However, Dalhart is steadily improving and may be tough to handle.

Hereford will also be heavily favored to topple once-victorious Shamrock. The Whitefaces, fresh from a 33-14 victory over Dumas, have won five while losing two. Phillips and Perryton own victories over the Herd. Shamrock's lone win is over McLean in the first game of the season.

Phillips continues to pace the district. Canyon and Perryton are deadlocked for second and third.

(Continued on Page 5)

Hapless Irishmen Have Only One Win

After a stunning 33-14 upset victory over highly regarded Dumas, the Hereford Whitefaces should encounter somewhat lighter competition Friday night when they meet the Shamrock Irish in the Herd's homecoming battle. It will be the last home game for the Whitefaces.

Sporting a season record of five wins and two losses, the Whitefaces will be installed as heavy 20-point favorites over the Irish who haven't won but one game all year and haven't won a conference game in two seasons. Last year Hereford stopped the Irish by 35-0.

The Whitefaces will be in top condition for the tilt which will be the last home game. The Herd journeys to Dalhart and Canyon for the final two fracas.

A relentless and monotonous ground machine pounded away for the Herd Friday night. Hereford's taunted offense had been stopped cold the week before by the fired-up Perryton Rangers who managed a 19-7 upset over the Herd.

Coach L. B. Russell was high in his praise of the Whitefaces. "The boys played a good game. We were just ready for Dumas and they weren't ready for us. I just hope we're ready for Canyon," Russell said.

The brightest spot of the Hereford victory Friday was the excellent defense. Twice the Dumas Demons got inside the 10 without crossing the double stripe. They were held to 160 yards rushing despite their puzzling Michigan State Multiple offense. Hereford garnered a total offense of 411 yards.

Shamrock runs off the "T" formation—somewhat the same as

Hereford. Canyon just stopped the Irish 26-7 and Dumas defeated them 35-0. Their only victory has been over McLean, the first game of the season. Since then they have lost to Wellington, Childress, Dumas, Lefors and Canyon.

AND HEREFORD WON,

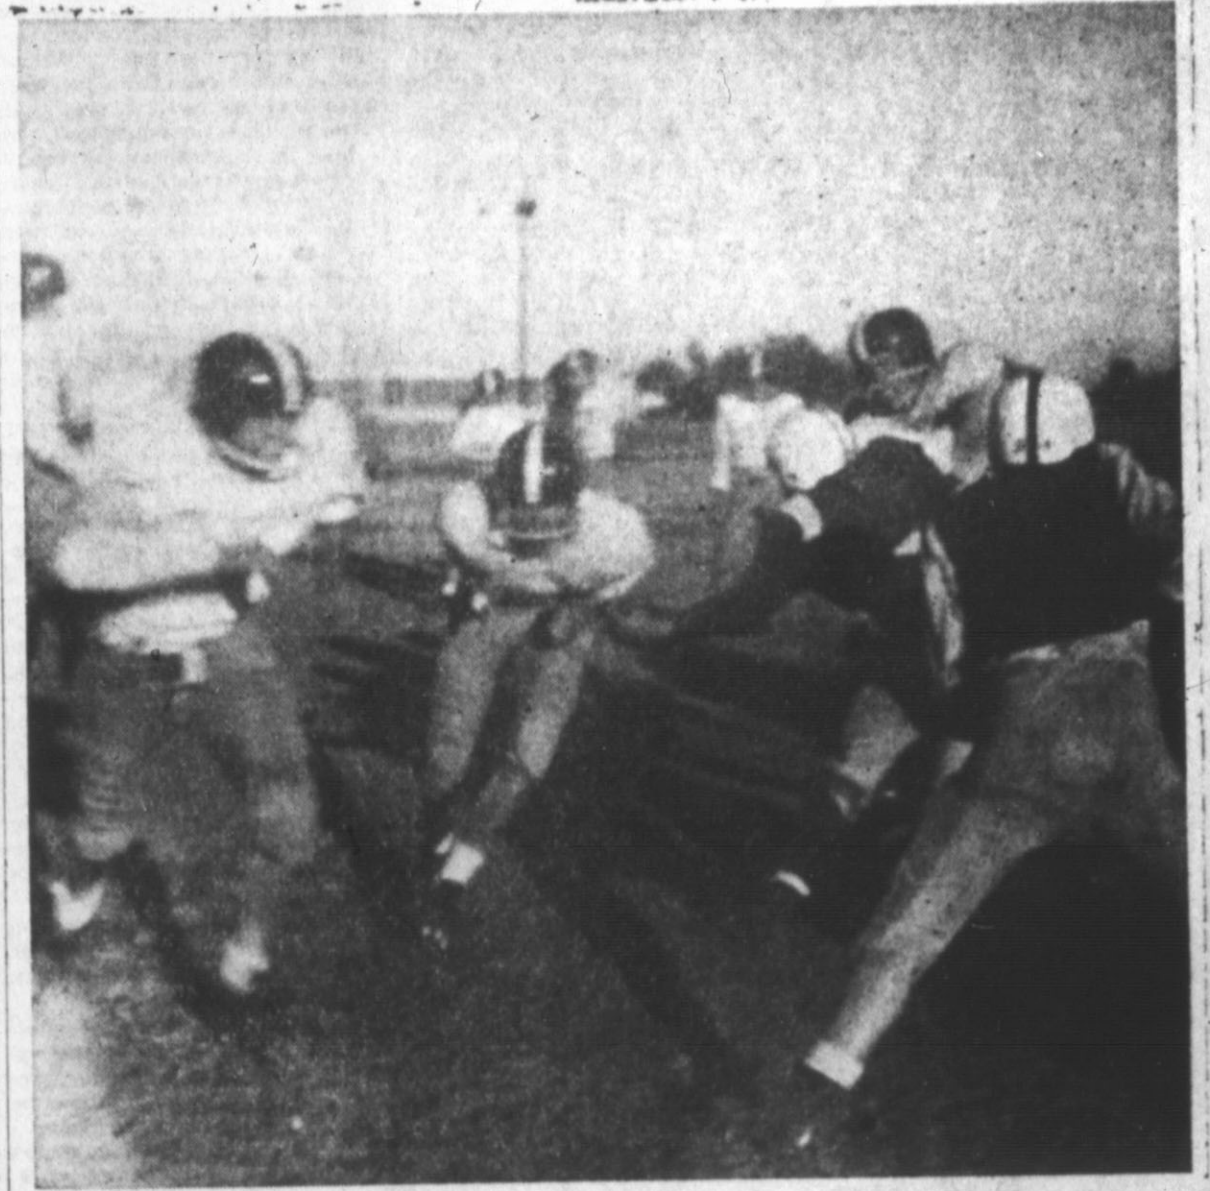

Parsons Weekly Winner In Football Contest

Entries in The Brand football contest again had a rugged week, the winner emerging with 17 correct predictions.

Buck Parsons was the winner. Dennis Lomas also had 17 correct, but Parsons won out in the tie breaker. Parsons and Lomas both picked Hereford to win.

Third place went to Robert Kubavak who had 16. He edged out Leroy Suttle and J. A. Loerwald, who also had 16, in the tie breaker. He was the only one of the three picking Hereford to win.

Frank McGuire University of North Carolina basketball coach, served as basketball and baseball captain while attending St. John's University in Brooklyn.

BIG HOLE — John Bryant lopes through a big hole Monday in a Whiteface scrimmage session. The Whitefaces are heavily favored to win over Shamrock Friday, but Coach L. B.

Russell said, "We're still going to work hard. We don't want to get slipped up on." Coming across to block is "Clubber" Moore. In the background is Don Parsons. (Staff Photo)

Highlights and Sidelights FROM YOUR State CAPITOL

By VEEN SANFORD
Texas Press Association

AUSTIN — Speculation is running high that both Gov. Allan Shivers and U. S. Sen. Lyndon B. Johnson will have leading roles in the selection of the next Democratic presidential nominee.

Both have denied participation in any movement for a Southern coalition to block re-nomination of Ad-

lai Stevenson. Johnson denies that he is heading up a coalition. Nomination is up to the delegates, he said, and he will support whoever wins out. And, he is not a "conservative," the senator stressed, but a "moderate."

Johnson, before his heart attack last summer, was considered a likely future contender for presidential nomination. Some believe, should he regain his health sufficiently, he again will enter the picture.

Gov. Shivers, at the conclusion of the Southern Governors Conference, took a slightly different approach. He said he will vote for the presidential candidate "I think is best for the future of my country, and I hope the Democrats can produce that man." He also said he knew nothing of a drive for Southern control.

DAC vs DSE
Texas has two Democratic organization drives, highly competi-

tive, under way. Selection of Lt. Gov. Ben Ramsey as a harmony-unity choice for Democratic State Committeeman so far has not reduced the competition.

Leaders of the Texas Democratic Advisory Council, set up by Speaker Sam Rayburn, say they play to carry on organizational and money-raising efforts. This liberal group, organized to "carry on the functions of national committeeman" during the years Wright Morrow was barred from the seat, has raised money the past four years for the national party. It now is busy organizing for control of presidential conventions next year.

On the other side of the picture is the Democratic State Executive Committee, conservative pro-Shivers organization. DSE also is carrying on organizational and money-raising efforts and has no intention of stopping, according to State Chairman George W. Sandlin.

A DAC meeting is scheduled for Nov. 4, to select a leader to replace Navarro County Judge Jim Sewell.

Outside observers have suggested a connection between the resignation of Sewell from the liberal group and the ousting by conservatives of Wright Morrow. It is part of an over-all effort, they hint, to rid both groups of extreme left and right-wingers and merge Democratic party factions for a strong voice in national affairs.

Third Shot Necessary
Officials of the State Health Department have declared that three Salk polio shots are necessary for maximum protection against crippling effects of polio.

Children who have had two shots should have the third "booster shot" early in the Spring of 1956, the Department urged.

In answer to a series of questions the Health Department explained that it is not known at present exactly how long protection from three Salk shots will last.

Experts now estimate protection at about two and one-half years. Perhaps after that time, booster shots again will be advised.

Persons who already have recovered from polio also should have the shots, the Department said. There are three types of polio—Having a case of one type will not set up immunity against the other two. The Salk vaccine is aimed at giving immunity to all three types.

Only nine Texas children have been stricken with paralytic polio despite Salk inoculations, Dr. Henry A. Holle, state health commissioner announced. The nine cases were among 473,830 vaccinated children.

UT Entrance Exam Approved
Beginning next fall the University of Texas will admit students on the basis of aptitude test scores.

Tests are to be given probably three times a year, without cost to the applicant, at centers throughout the state.

Rapidly increasing enrollment necessitated tests to eliminate students who will be unsuccessful, the Board of Regents stated.

Anti-Crime Strategy Outlined
A multi-fold educational program to reduce crime in Texas was proposed at an Austin conference of three law enforcement groups.

Suggestions included (1) greater publicity on the cost of crime, (2) establishment of a four-year college course in criminology, and (3) education of youngsters by a touring "crimobile" equipped with latest detection devices.

MORE MORE MORE MORE
Participants were the Texas Law Enforcement Foundation, the Attorney General's Citizens Committee on Law Enforcement and the State Law Enforcement Advisory Council.

Booby Prize Stolen
Last year Austin received the "booby prize" in the Safe Driving Day contest. Award was a dented fender which was displayed—but not proudly—on the city hall lawn.

Painted on the fender, in white, was "Awarded to Austin, Texas for Last Place in the First Annual Safety Bowl."

Theft of the "prize" was discovered last week when preliminary work began on the upcoming S-D Day. Nobody knows who took it, or when. "We never were too happy about getting that thing in the first place," said Captain Bob Miles of the Austin Police Department. "We didn't keep up with it very closely."

SHORT SNORTS: Amar Nandi, of Calcutta, India, on tour as a guest of the U. S. State Department, visited in Austin last week. He is assistant editor of India's largest newspaper. Only 36 years of age, Nandi spent nine years of his life in prison or in hiding, during India's struggle for independence. . . . Veterans land program profits of \$7 to \$8 million within 10 years and \$40 million after 40 years were predicted by Land Commr. J. Earl Rudder. Restored

ARMORED CARS FOR RANGERS — A fleet of five armored cars have been added to the fighting arsenal of the Texas Rangers for riot duty and to rout out fugitives, Ranger Capt. Cliff Peoples, on the turret, explains the car's operation to Col. Homer Garrison, right, State Police director and Joe S. Fletcher, assistant director, at a showing in Austin. (AP Wirephoto)

confidence and better laws will bring about the gains, he said. . . . Mail Christmas packages to military personnel overseas not later than Nov. 15, Austin Postmaster O. N. Bruck has urged. Even ear-

lier mailing for personnel in Japan, Korea and the Pacific was suggested. . . . Sen. Jimmy Phillips of Angleton said future veterans land inquiries will be hindered by complete overturn of the investi-

gating committee. It's unusual for the coach to put in a completely new team after you have driven from the shadow of your own goal posts to the opposition's 10-yard line," he said.

Household Scrapbook

Geraniums
Geraniums should not be kept too warm or watered too much for winter blooming. They should be kept just wet enough so that the ground looks dry most of the time and they do best in full sunlight.

Vaseline Jelly Stains
To remove Vaseline jelly stains, rub with kerosene. If the stain has been allowed to remain for a long time, soak it in kerosene, then rub and wash with soapsuds.

Sewing Machine Belt
If a new hole is needed in the sewing machine belt, heat a hat-

pin very hot and it will pierce the belt like magic.

Shirt Sleeves
If the sleeves of a man's new shirt are too long, shorten them from the shoulder instead of the cuffs. But before doing this, baste a pleat in them half way up the sleeve for the first laundering, as they may shrink enough to save the necessity of shortening.

Iodine Stains
If iodine has been accidentally spilled on a linen towel, cover the spot immediately with some dry starch and the stain will soon disappear.

Dodger World Series hero Johnny Poirer pitched shutout ball during his last 11 innings against the Yankees. They scored three runs against him in 18 innings but only two were earned.

By FRANCES ANDREWS

Bonnie Sparkman and Marilyn Jones of Hereford spent Saturday night in the J. E. Andrews home. Mr. and Mrs. J. T. Bryant of Wellman were supper guests Tuesday evening in the B. H. Baldwin home.

Mr. and Mrs. T. L. Sparkman Jr., and Tommy, and Mr. and Mrs. Leonard Schmidt were Sunday dinner guests of the Owen Andrews. Mr. and Mrs. Weldon Stephan and Rhonda spent Saturday night in the home of Mrs. Stephan's parents, the H. D. Robbins, of Hereford.

Rev. and Mrs. B. H. Baldwin, Godfrey, Eugene, and Robert were in Wellman Friday night to attend the Wellman homecoming. They returned by Levelland Saturday for Mrs. Baldwin to see her dentist and to visit with her mother, Mrs. Mary Keene.

Mrs. Elmer Jones and Marilyn and Mr. and Mrs. T. L. Sparkman Jr., were visitors of the J. E. Andrews Sunday afternoon.

Mrs. Clark Andrews and Mrs. Wallace White and Brenda were in Amarillo Friday for Brenda to see the doctor.

Rev. and Mrs. B. H. Baldwin and Godfrey and Robert were Sunday dinner guests of the Herb Schmidts.

Mr. and Mrs. Gary Mason and Cheri visited Sunday afternoon in the E. H. Little home.

Mr. and Mrs. Gene Noel and family were dinner guests Sunday in the Frank Robbins' home.

Mr. and Mrs. Harold Shearhart and children were Sunday dinner guests of the Floyd Coles.

Mr. and Mrs. Leonard Buttrill and children were in Tucumcari Sunday to visit with Mrs. Buttrill's mother, Mrs. Fish and brother, Leslie Fish.

Mr. and Mrs. Darwin Miller and Mrs. H. M. Mobley attended the Lockney-Dimmitt football game at Lockney Friday night.

Mr. and Mrs. Henry Dobbs and Larry and Mr. and Mrs. James Dobbs attended the E. N. M. U. homecoming at Portah's Saturday. They returned to their home Sunday.

Floyd Cole and Mr. and Mrs. Earl Cole were in Mobeetie Monday to attend the funeral services for Mr. Grammar. Mr. Grammar, who was an old friend of the Coles, died suddenly Sunday at his home in Mobeetie.

Mrs. E. B. Berryman and grandchildren, Mike and Garry White, visited Friday in the J. H. Dobbs home.

Mr. and Mrs. Darwin Miller spent Saturday night in the home of Mrs. H. M. Mobley.

Mrs. Gene Noel visited Thursday morning with Mrs. Glen Grip and children.

Mrs. W. T. Gunstenson, Mrs. G. W. Parker and Mrs. Olin Parris visited Wednesday afternoon with the T. L. Sparkmans Sr.

Mr. and Mrs. J. C. Simpson and children of Wildorado were Sunday dinner guests of the B. G. Cottons. Mrs. Sam Lindley and boys and Mr. and Mrs. John Simpson called in the afternoon.

C. N. McClure vacationed last week in the Pecos Valley, the Rio Grande Valley, in Corpus Christi and visited in Fort Worth with two brothers and a sister. Mrs. McClure went with her husband as far as Midland and stayed there for a visit with a daughter, Mrs. Brieth, while he continued his vacation.

Gary Cotton spent Friday night with his grandparents, the R. L. Simpsons.

RARE PET — Bernie, the 2½-year-old pet buzzard of Mrs. L. E. Humphries, of Balmorhea, Tex., perches on her shoulder and begs for tidbits. Unlike his wild kin, Bernie is without evil temper, plays with the family dog and likes to have his back scratched. (AP Wirephoto)

Household Scrapbook

Electric Light Bulbs

A bulb cannot give its required amount of light unless the glass is kept clean. It must be washed as well as anything else. Use lukewarm water, to which a few drops of ammonia have been added. Do not allow the water to come in contact with the metal part.

Into the Corners

Try trimming an old whiskbroom into a sharp "V" point, and you will then have a handy implement for cleaning out the floor corners and other difficult places to get into.

Suede Slippers

To remove rain spots that have accumulated on the suede slippers, rub them with an emery board such as is used for manicuring.

Care of Pictures

Examine the backs of all the pictures once in awhile to see that there are no breaks in the paper that cover them. Unless paper is pasted over the back of the frame,

dust is sure to enter and mar the pictures.

The Coffee Pot

If the pin in the hinge of the coffee pot lid breaks, or slips out and is lost, replace it with a small safety pin, and it will probably last as long as the pot.

Chicken that is going to be spit-roasted on an electric rotisserie, does not need to be rubbed with fat beforehand.

Broiler main course: squares of cooked ham or luncheon meat are put on skewers and broiled along with drained canned peaches. Both ham and peaches are basted with a sauce made by simmering a cup of the peach syrup with a couple of tablespoons of lime or lemon juice and a dash of nutmeg.

Vary a tossed green salad by adding one of the following along with olive oil, wine vinegar, salt and pepper: grated Parmesan cheese, grated lemon rind, minced parsley, paper-thin onion rings, crumbled blue cheese, strips of green pepper.

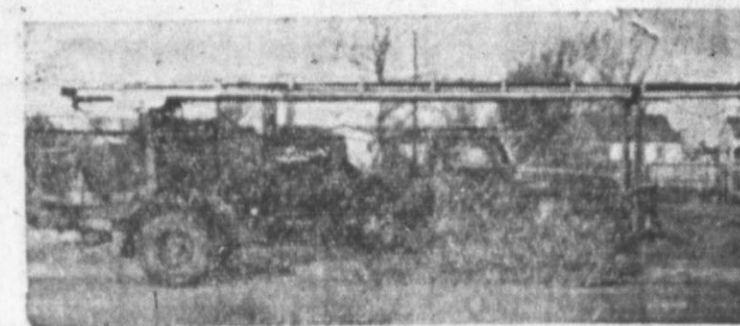

Hot rolls take to frosting. Make

the topping this way: mix one cup of confectioners' sugar with a couple of tablespoons of orange juice and a teaspoon of grated orange rind.

You can make delicious coating for chicken you are frying in shallow fat by mixing a quarter cup

of flour with a quarter cup of grated Parmesan cheese plus salt, pepper and paprika to taste.

Melt a couple of tablespoons of butter with a few slivered blanched almonds until the nuts are golden-brown; serve over green asparagus (frozen or canned) or cooked fresh snap beans.

Household Tips

Using seafood for a salad? Marinate it first in a well-seasoned French dressing. At serving time, drain off any of the dressing in the bowl and mix the seafood with diced celery, green pepper and mayonnaise. Surround the seafood with salad greens and garnish with paprika and capers. Or use sliced hard-cooked egg and gherkins for the garnish.

Cutting a frosted cake? You can keep your knife free of frosting and cake crumbs if you dip the knife into hot water before each cut.

Next time you are simmering a boneless pork shoulder butt in water, try adding whole cloves, peppercorns and bay leaves to the water.

Delicious dessert any time: vanilla ice cream served with maple syrup and salted pecans or almonds.

Corned beef hash and poached eggs take on new interest when you sprinkle the eggs with grated cheddar cheese.

Planning to have salmon or tuna patties for supper? Add a little finely diced celery to the standard recipe for interesting flavor and texture contrast.

Cook whole crab apples (uncored and with stems left on) in a light sugar syrup. Drain and serve them with baked ham, spoon bread and a green salad.

New apple dumplings: bake the apples, sweetening as usual, before covering with pastry and baking in a hot oven for about 20 minutes. Use standard pie pastry and brush it with a mixture of egg yolk and water for a pretty glaze.

When you are making broiled open-face sandwiches, it's usually satisfactory to toast one side of the bread first under the broiler. Then pile the topping on the untoasted side before putting under the broiler again.

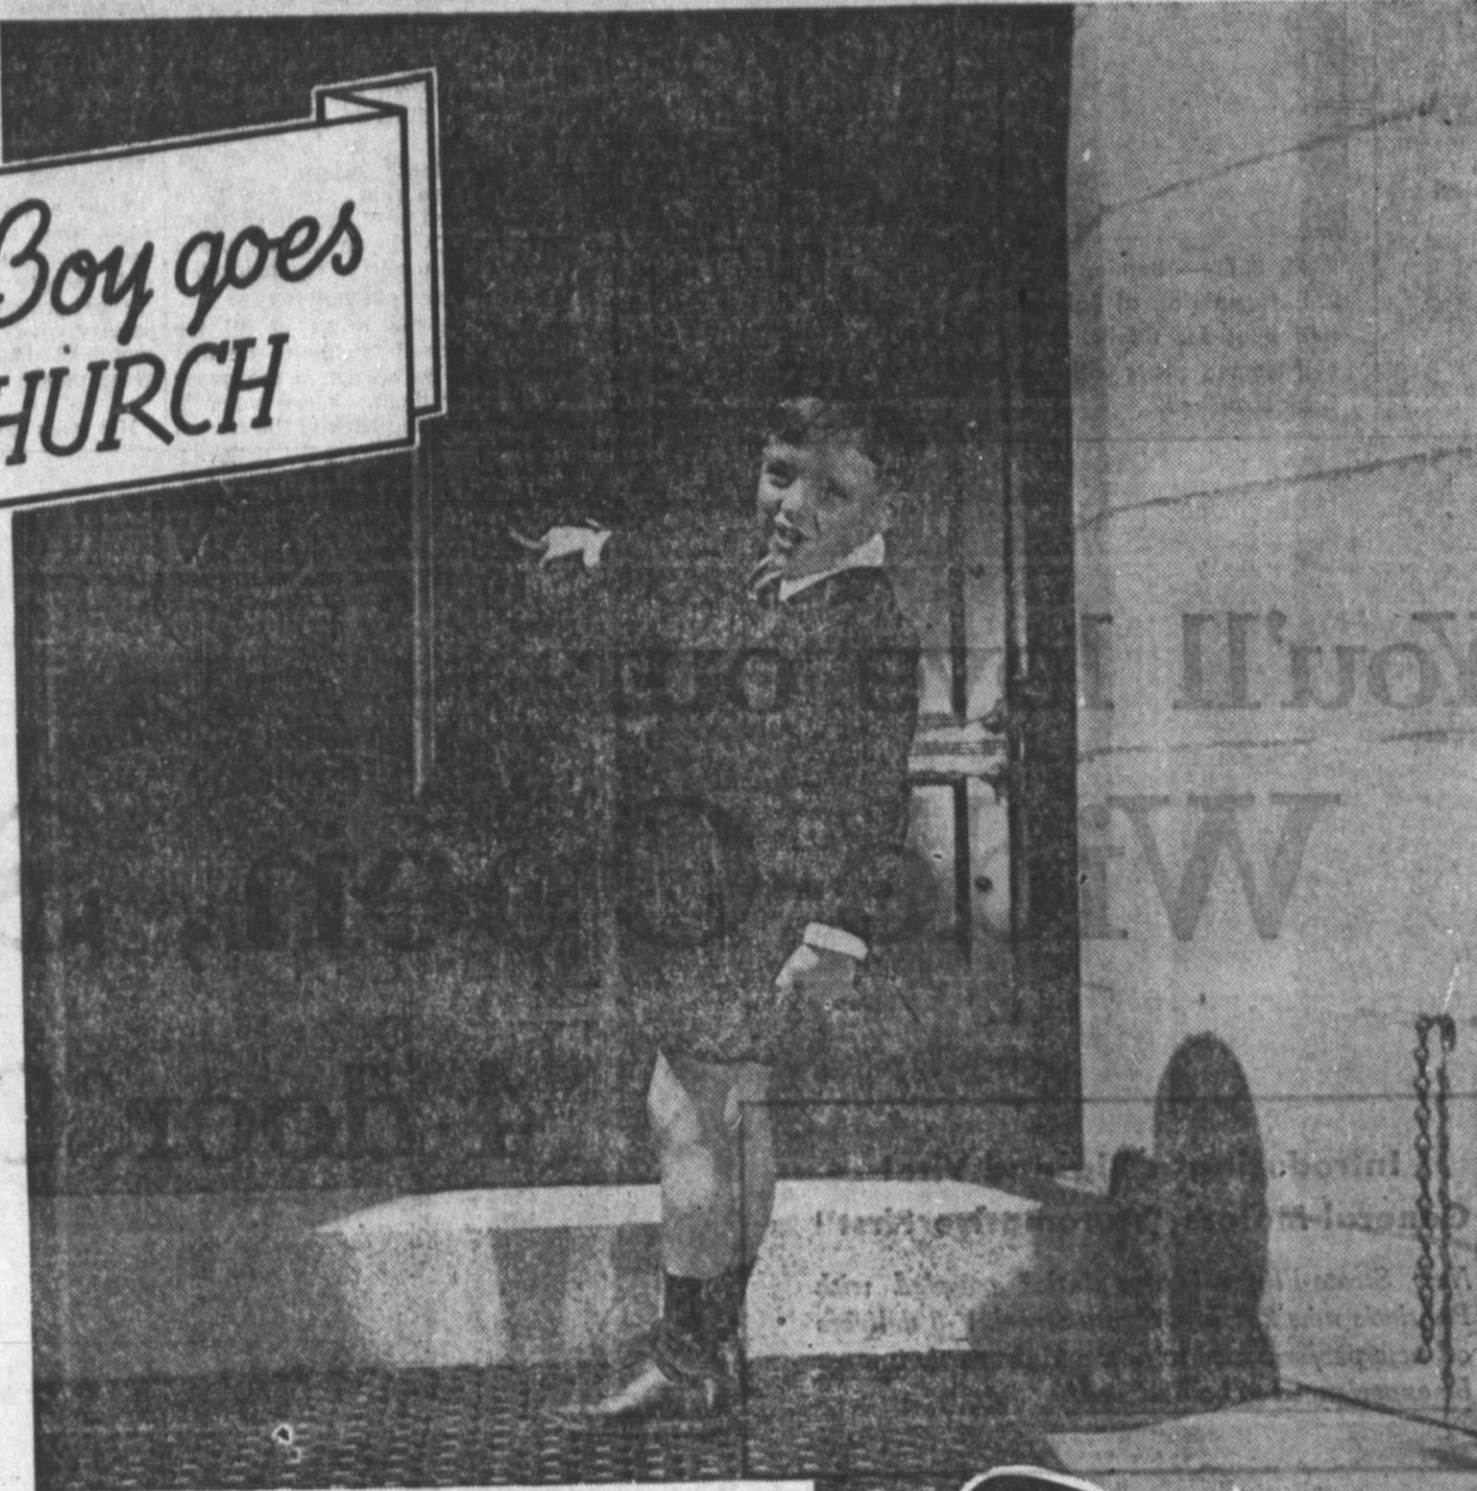

Ever serve sliced bananas and diced oranges with a soft custard? Flavor the custard with just a suspicion of nutmeg or mace.

Want to bake a cake for someone on a salt-free diet? Use low sodium baking powder and low sodium milk.

Our Boy goes to CHURCH

WHAT a fine lad he is! How proud we are of him! And now he goes to Church and the Church School. There he will worship and learn to love the great and the good; he will hear the most "wonderful story ever told," of the love and graciousness of God, as revealed in a human person. He will fellowship with other children who are learning to know and to serve God. This is a splendid picture. How we wish that all the boys in the land would do as this fine chap who is on the way that leads to life!

WHERE are the other three boys who make up three-fourths of our boy population? Perhaps their parents were too busy doing "practical things" on Sunday morning when they could have been leading their children by the hand to Sunday School and Church. Boys go to church better if they are brought by worshipping parents than if they are "sent by indifferent fathers and mothers." Our children will follow pretty much in our steps, and will take the same Sunday paths that we follow.

EVERY child born in a Christian land has a right to the advantages of religion. We do them an injustice if we fail to give them their rightful heritage of faith and hope and love. These are the Goods which will abide when other things fail us. Let's give our children the best. Since they are minds and souls as well as bodies, they have a right to expect of us good food for their higher nature as well as shelter and food for their bodies. Let's live with them in reverence toward God and in goodwill toward all men. The Church is ours to use and ours to serve. Shall we deny ourselves and our children the high and noble values of civilization?

**YOU IN THE CHURCH
THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the materials are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you"—form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

A FIRED HYDRANT
 BRIDGEPORT, Conn. — Firemen answered an alarm here and found a fire hydrant on fire. The blaze, they said, apparently began when gas fumes from a leak in an underground line somehow ignited.

Whitefaces...

(Continued from Page 1)

a first down on the Olney five yard line when the game reached conclusion.

"Sandy" Jowell was the most talked about player on the Whitefaces. Jowell did most of the scoring and was the big ground gainer and sparkplug on the team. Babe Russell came in for his share of the glory. Russell, who stepped the 100-yard dash in 9.8, was and still is the fastest player, ever to play football in Hereford High School. He went on to take fifth in a national track meet at Chicago.

Only 57 points were scored against the Whitefaces in 12 games—that's an average of only 4.9 points per game. The Whitefaces scored 250 offensively for an average of 20.9 points per game. On the average they won by 21.5.

The highest scoring total was 57 points. Eighteen was the most scored against Hereford and the Whitefaces were never held scoreless.

First of the 11 straight victories came over Tulla, a conference opponent. Hereford won by 44-6 over a not-so-weak Hornet delegation.

Then three straight New Mexico elevens fell. Texico-Farwell fell by 26-0 first. Then the Tucumcari Rattlers got the rattle shaken out of them by 15-0. In a bitterly fought game the local crew eased by strong Clovis 12-9.

After that came the slaughter. Happy was taken to camp by 57-0 with reserves playing most of the way. Babe Russell and quarterback Ralph Clennin were pulled out in the first quarter.

The Canyon Eagles were upended 20-18 in a very fine game. Jowell raced for all the touchdowns and provided the margin-of-victory by crashing over for both extra points.

The Borger Bulldogs, now an AAAA school, provided competition for the Herd in the next game. Hereford won the battle 7-2, a somewhat odd score for back in 'dem days. Borger got their only points when Ralph Clennin was tackled behind his own goal trying to return a long punt.

Dalhart and Perryton fell before the Whitefaces encountered big and powerful Pampa. The Harvesters were called the "holy terrorists" but found the odds reversed when they met the Whitefaces. Final score: Hereford 27, Pampa, a big fat zero.

Then came the more powerful competition. First Lamesa; then Olney. Lamesa lost to Hereford by 6-0 in the bi-district clash. But Olney was a different story.

Never before had a football game played in the Panhandle attracted as much attention as this one did. It was probably one of the best football games ever played in Hereford. Olney wound up a technical winner, but Hereford drew first blood and almost drew last blood.

The game was scoreless for three quarters; then things broke loose. Both teams marched up and down the field in the fourth quarter before the Whitefaces struck. Jowell climaxed the drive by going two yards. Clennin dropped the extra point and Hereford led, 7-0. But the lead didn't last. With their ferocious passing attack Olney scored a touchdown from 11 yards out and also scored

the extra point by the same method. Members of the Hereford team were Ralph Clennin, quarterback; Babe Russell and Woodrow Gilbreath, halfbacks; Sandie Jowell, fullback; Bernard Seed, center; Homer Brumley and Richard Stone guards; G. T. Higgins and Roger Orr, tackles; and J. C. Gregory and Newt Gilliland, ends.

District...

(Continued From Page 1)

while Dumas holds down fourth. Hereford is in fifth ahead of Dalhart and Shamrock. The standings may take quite a shuffling after Friday's games.

A DOG'S LIFE?

TAMPA, Fla. — About the only thing missing in the newest pet hospital here is a couch where ailing doggies can be psychoanalyzed.

Music is piped into each kennel room. A small swimming pool is for pups wanting recreation. Animal owners may romp with their pets during visiting hours in a patio that many a home owner would envy.

FAMILY PRICE

ALBUQUERQUE, N. M. — One of New Mexico's top ringmen got trapped in his own business recently. Parley Jensen, New Mexico Stockman Magazine editor and a recognized ring expert at cattle auctions, took the wife to a furniture auction. He lost out on his first bid and told the Mrs. he would go no higher on the next item than \$25. The bidding shot

quickly to \$20. It kept rising. Jensen finally got the furniture for \$24. He discovered later he had been bidding against his wife who figured he had stopped at \$20 and decided on her own to go higher.

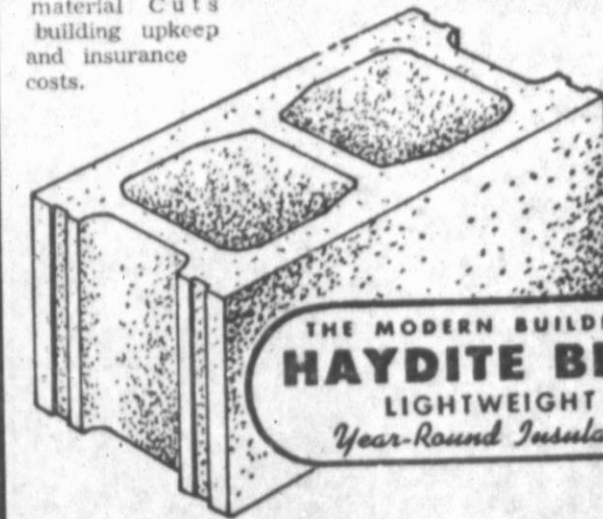

Eleven of 13 completed Tulane forward passes went into the hands

of Green Wave halfbacks in the first three games this season.

Coach Phil Watson of the New York Rangers predicts that Lorne Worsley will be the best goalie in the National Hockey League this season.

Your Congressman Reports

A sizeable group of Scandinavians looks upon Americans in the same respect as many Easterners look upon Texans. They think that all have a lot of money just because they come from the other side. Another group, well in evidence, takes the view that Americans have no goal in life, other than to get as many dollars together as possible. This group feels this applies to all Americans and that, therefore, the United States is not know how to enjoy life just for the sake of living. There is, of course, the very substantial group who feels most friendly toward Americans and so obviously shows it. Some look with great suspicion on any foreigners from across the sea, but by and large, this is a marked minority.

The Scandinavian countries all enjoy a very high standard of living, with Sweden holding top rank. There are more automobiles and other luxury items that are not so much in evidence in the other countries. The rural areas are in excellent shape. Mostly small farms. Many women are seen out working in the fields. One Swedish woman says this explains why the farms are so well kept and in such excellent condition. Both animals and machinery are used. The Swedes love their animals and take good care of them. Only the other day, while on route to a conference at the Swedish Shale Oil Company Plant, I saw an old woman driving a horse to a small wheeled wagon. Traffic had not congested and someone behind the old woman blew a horn. This frightened the horse and made him skit-

UNDER NEW RESERVE ACT Men Under 26 Who Enter Armed Forces Have Reserve Obligation

(Editor's Note: This is the second in a series of articles explaining the new Reserve Forces Act of 1955. Since a reserve unit is being organized in Hereford, The Brand feels that the information is timely.)

The Reserve Forces Act of 1955 which became effective Aug. 9, 1955 contains provisions to increase participation in Reserve training. The Act imposes on all young men under 26 who enter the Armed Forces after its enactment the obligation to take part in Reserve training, and provides effective measures for insuring compliance with that obligation.

EXTENT OF ARMY RESERVE TRAINING
The Act established a requirement to participate in not less than 48 scheduled drills or training periods and not more than 17 days' active duty for training each year or, in lieu thereof, to perform annually not more than 30 days of active duty for training.

The Secretary of Defense is authorized to make exceptions to this general rule. The Act provides specifically that Reservists who become divinity students may at their request be relieved of the training obligation.

The Act does not affect the obligation of members of the National Guard to attend all drills and periods of active duty for training scheduled for their units. They cannot elect to serve 30 days of active duty for training as a substitute for scheduled unit training.

COMPLIANCE MEASURE
Members of the Ready Reserve, except members of the National Guard who are subject to separate State codes, who fail or refuse to perform the prescribed annual training may be ordered without their consent and required to perform annual active duty for training for 45 days. Failure to comply with such active duty orders could result in appropriate disciplinary action under the Uniform Code of Military Justice.

This compliance measure is necessary since experience has demonstrated that volunteer and assigned obligors must obtain the experience and training necessary to meet minimum defense requirements.

The compliance measure applies to individuals who voluntarily enter directly into Army Reserve. It makes no difference whether initial entry into the Armed Forces is into the Active Forces or into the Army Reserve.

ROTC GRADUATED
Qualified ROTC graduates are guaranteed commissions under the Act. If the services of an ROTC graduate are not required on active duty at the time he receives his commission, he will be ordered to active duty training for six months, to train in the grade in which he was commissioned. At the conclusion of this training he will be assigned to a Reserve unit until the eighth anniversary of his commissioning. As long as he performs satisfactorily in Reserve

of much helpful information in the development of the process and more is being contributed each day. Its development under the circumstances left little doubt as to the resourcefulness of the Swede and his self-sufficiency in a tight. They are a proud people and rightfully so.

Finland is the most surprising of all the Scandinavian countries. An industrial exhibit, equal to anything any of us have ever seen, was in progress, and we were escorted through and had many surprises on the way. These people manufacture everything from telephones to textiles. They are great boat builders, especially icebreakers. They have about everything you can imagine except television.

WALTER ROGERS
Member of Congress
18th District of Texas

training, he will be deferred from the draft. If he fails to perform satisfactorily, his commission may be revoked. If called for two years' active duty after receiving his commission, he will be required to complete this, actively participate in a Reserve unit for three years, and may then transfer to the Stand by Reserve for his remaining year.

30 DAYS' ACTIVE DUTY FOR TRAINING
A member of the Army Reserve who is precluded by distance, geography, or occupation from a 48-hour drill program may apply for 30 days' active duty for training each year.

TRAINING PROGRAMS
Reserve training programs will be conducted in facilities such as Reserve training centers and armories, located throughout the country.

RESERVE PAY
A member of the Ready Reserve will be paid a full day's pay in the grade in which he is serving for each week's two-hour training period and a full day's pay for each day of his summer camp duty. In this way he will be earning money while executing his obligation of citizenship. For the under 18½ group who volunteer for eight years with six months' active duty training, pay to the individual during the six-months period will be at the rate of \$50.00 per month.

By participating in Reserve activities, a man can build up retirement credits with each drill and summer camp attended, and for each 30 days of duty for training. If an individual desires, he can obtain retirement in the Army Reserve after 20 years. Retirement pay starts at age 50.

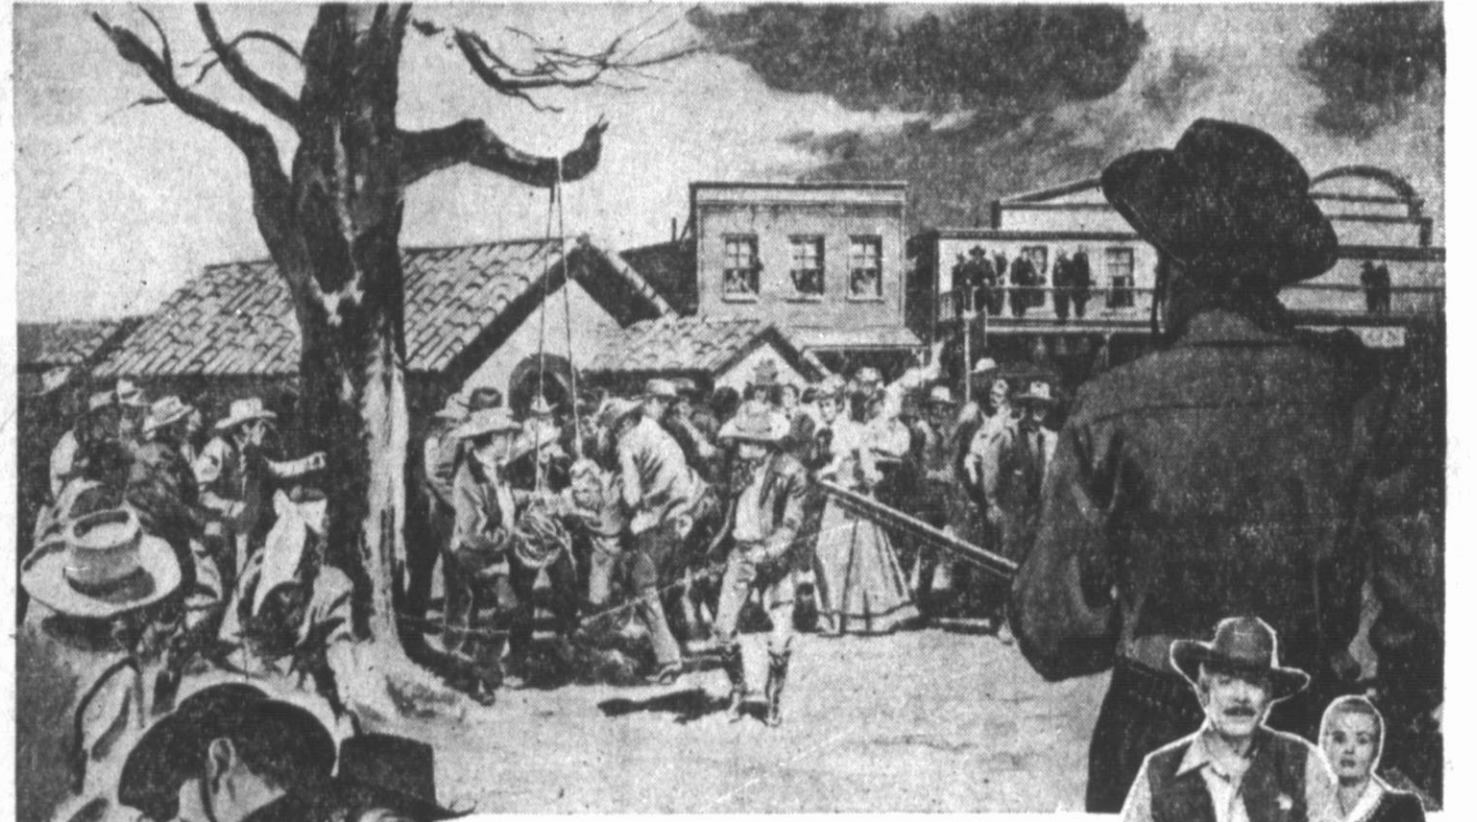

CONSTRUCTION NOTE
HOUSTON, Tex. (AP)—Testimony in a recent federal court suit centered around a receptionist in a doctor's office.

A woman witness was testifying when Atty. Carrington Williams asked if she knew the receptionist's name.

"No, sir," replied the witness, "We always called her that stacked-up blonde."
