**NEW MASONIC OFFICERS** -- Officers for the coming year were installed Friday night by Hereford Masons. From left to right, front row, are F. M. Kester, installing marshal; Clay Angelo, tiler; Troy Stambaugh, senior warden; Lynn Kester, worshipful master; C. P. Warthan, junior warden; Robert Thompson, secretary; Bill Bradley, junior deacon; and Edd Dart, installing officer. On the back row are Jim Robinson, senior steward; Deward Roberson, senior deacon; and Howard Scott, chaplain. Not pictured are Dub Hair, treasurer; and Hap Wiseman, junior steward. For the first time in the history of local Masons, a former worshipful master, F. M. Kester, saw his son become worshipful master. (Photo by Bill Patton)

## Potato Quality Is Judged Best Ever

Both the onion and potato deals began to pick up this past week as wheat harvest passed its peak and began to decline.

Neither potatoes or onions were anywhere near the peak of harvest however, and apparently potato growers were still waiting in anticipation of a better market.

A Frazer Elevators spokesman said Saturday the wheat harvest would probably be completed some time next week. He said yields had varied greatly in the county, all the way from five to 40 bushels an acre, and blamed greenbugs for greatly damaging this year's small crop.

**Best Quality Ever**

Packers were declaring this year's potato crop to be the "best quality" we have ever had. The onion crop was also said to be "excellent in quality."

Associated Growers said they had shipped only about four carloads of spuds so far, saying they wanted to get some on the market to prove the quality.

Howard Gaul said the potato demand was still slow and said he expected the onion harvest to get underway this weekend.

Price quoted on potatoes ranged from \$1.75 to \$2.00, and U. S. number one white onions were selling for \$1.75 and yellows at \$1.50.

**Rain Light Over County**

Thursday night's thundershower apparently did not affect the harvest. A check revealed that moisture was very light throughout the county. In Hereford the reading was .07.

O. C. Byckmeyer, northeast of Fort Hood, reported just a sprinkle. Tony Burrus of Dawn said he didn't get any rain. W. H. Awtrey Jr., of southeast of here said they got a sprinkle. Mrs. Leroy Williams

## Silver Tea Planned At Camp Day Center

**By CAROLYN INMAN**

Activities are working out very well in the day nursery at the Labor Camp, according to Miss Shirley Root, director of activities. Five weeks remain in the program and many more activities are being planned for the Latin-American children.

The children's activities include rummage sales each Monday under the direction of Mrs. Jack Winget. Boys' classes of woodwork and crafts are held each Wednesday afternoon under the direction of Miss Shirley Root.

Mrs. Alice Cox has charge of the mothers' crafts every Thursday afternoon. Girls' classes of fingerpainting and weaving are held each Friday afternoon under the direction of Mrs. Jack Winget.

Each morning nursery classes are held for children from two to six years of age and feature educational programs for 25 to 30 children. Forty or 50 children of all ages usually attend the afternoon recreation periods.

Jaycees are providing sand for three sandboxes to be installed this weekend. Swing sets for the children are also being set up.

There will be a silver tea July 19 for the public. Everyone interested in seeing the activities of the children, especially the men of Hereford, are invited to attend.

Each president of the Women's Council Group of each church will serve at the tea. Mrs. Glen Williams and Mrs. J. D. Nell are the chairmen. Other presenters to serve are Mesdames O. H. Culpepper from the Christian Church; J. D. Nell from the Presbyterian; Colby Conkright from the Methodist Church; A. D. Crume from the Wesley Methodist; and Bill Waldrep from the Episcopal.

## Four Area Men Are Inducted

Four area men were inducted into the armed services this past week. Mrs. A. Petersen, clerk at the local draft board, announced Saturday.

Those listed were Fred Johannas of Dimmitt, Willis Lane DeLozier of Summerfield, Johnny Bill Delashaw of Bovina and Charles Claude Money of Canyon. There was also one who was delinquent, Fredrick Johnson of Hart.

Those who took their exams Wednesday were Gayle Earl Cavin Amarillo; Dale Wallace Jackson, Hart; Bobby Ray Julley, Muleshoe; James Earl Thompson, Amarillo; Richard Glenn Walters, Canyon; Ray Lewis Farmer, Hereford; Marvin Brister, Cornette, Canyon; Parris Franklin Williams Jr., Hereford; and Jim Easterwood Russell, Canyon.

## Polio Shots To Be Given In July

Polio inoculations are expected to begin again here in the next few days, Dr. R. R. Wills, county health officer, said Saturday.

Dr. Wills said the shots must be given in July and said the public would be notified of the definite date and place the inoculations will be given through the local newspaper and radio station.

First and second grade students who were given the initial shots are the only ones who will be eligible.

Dr. Wills said he had been notified by the Texas Department of Health that a sufficient amount of the vaccine has been secured for the second shots. State health officers believe the total preventive effects of the vaccine in a period of rising polio incidence should be much greater than the possible hazard from the provoking effect of the injection.

## Man Arrested In Stolen Car Here

City Patrolman W. W. Jones left Saturday for Uvalde where he will testify in a case involving a man arrested here on a charge of automobile theft.

David DeLos Santos was arrested while sleeping in the stolen car at Jaycee Park last Saturday. He had two cases of wine in his possession at the time of his arrest.

## Around Town

Things Around Town were kinda quiet this week, with both the police and sheriff's department having little to enforce. The weather apparently had slowed things down in general.

Alan Box, son of Police Chief and Mrs. Leo Box, was given emergency treatment Friday at the Deaf Smith County Hospital after he fell on a barbwire fence and badly cut his arm. Twelve stitches were needed to close the wound and Alan lost quite a bit of blood, his father said. The youth was playing on a chicken house and fell off on the fence.

Final tabulation of the recent wheat referendum shows that 86.8 percent of county growers favor controls. The final vote was 337 for and 51 against. The latest count (Continued on page 2)

## Optimist Club Is Being Organized In Hereford

Initial meeting of the proposed Optimist Club of Hereford was held Friday at the Western Wheel Inn with Bill Phipps presiding. Attending the luncheon meeting were eight men interested in forming an Optimist Club here.

Al Kipp, president of the Optimist Club of Amarillo, W. R. (Bus) Kaufman Jr., first vice president of the Amarillo Club and Pat Balfour and Weldon Baskin also of Amarillo were present to explain the Optimist movement.

Aims and purposes of the Optimist clubs of North America were explained by Kaufman, who said, "The Optimist movement seeks to train young boys in good sportsmanship and good citizenship through sponsorship of Junior Optimist Clubs. Last year the Optimist movement in District Seven alone (which is comprised of parts of Texas, Oklahoma, Arkansas and Louisiana) contacted 93,956 boys with a total expenditure of over \$174,000. These 54 clubs own property used exclusively for boys' work valued at \$587,000 with another \$534,000 worth under construction. As a matter of fact, the motto of Optimist is 'Friend of the Boy'."

Phipps expressed gratification that the Optimists would soon have a full-fledged club operating in Hereford and issued an invitation to men of Hereford and the immediate surrounding area who are not now affiliated with any service club, to become charter members in the new club. Next meeting of the group will be held next Friday at the Wheel Inn at noon.

Dale Martin was named as temporary secretary of the group.

Those present were Sam Long, Jimmie Cryder, Clinton Jackson, C. W. Goss, Harry Linderer, John Fielder, Dale Martin and Bill Phipps.

## Wheat History Rule Relaxed

Wheat growers whose 1956 wheat acreage is as much as 25 percent below their farm wheat acreage allotment will get credit for full allotment acreage in calculating future farm allotments, Faust Collier, Agricultural Stabilization and Conservation office manager, announced Saturday.

"In other words," Collier said, "if the farm's wheat acreage for next year's harvest is only three-fourths of the farm allotment, the future wheat acreage allotments established for the farm will be figured as though the full allotment had been planted. Heretofore reductions of more than 10 percent were considered in calculating future allotments."

Collier went on to explain that each year's farm allotment is based primarily on the farm's wheat acreage for the previous three years. Under the new ruling, even if the wheat acreage is as much as one-fourth less than the farm allotment, future allotments will be calculated as though the full allotment had been harvested, he said.

## Guardsmen Leave For Fort Hood

Nine Hereford men left Saturday morning for Canyon where they joined their National Guard unit and left for Amarillo where they entrained for North Fort Hood for summer training.

The men will spend two weeks at Fort Hood, where part of their training will include work in the field under simulated combat conditions.

The first week will be used in tactical training and a division parade will be held the first weekend that the guardsmen are there. A bivouac is planned for the second week.

The men are members of the historic 36th Division of the Texas National Guard which was on active duty in both World Wars.

Those from Hereford include Sgt. Jack Allmon, Sgt. Terry K. Kirby, Cpl. George Parker, Cpl. Martinez, Cpl. Perez, Pvt. Milton White, Pvt. Gene Waits, and Pvt. Jack Parker.

## Driver Pleads Guilty To DWI

A \$75 fine and 15 day jail sentence were given Charles A. Evans Friday by County Judge Homer Henslee after Evans entered a plea of driving while intoxicated.

Evans was involved in a two car collision June 30 on Park Avenue in which two persons were slightly injured. He did not have a Texas driver's license, but was told by the Court that he would not be eligible to drive in Texas for six months.

## Bank Deposits Show Increase Over 1954

Deposits in the two Hereford banks are up \$79,798.41 over the same time last year, a summary of statements issued by the two banks this week reveal.

Total deposits at the two banks at the close of business June 30 were listed at \$10,166,708.47, while at this same time a year ago they were only \$9,586,910.06.

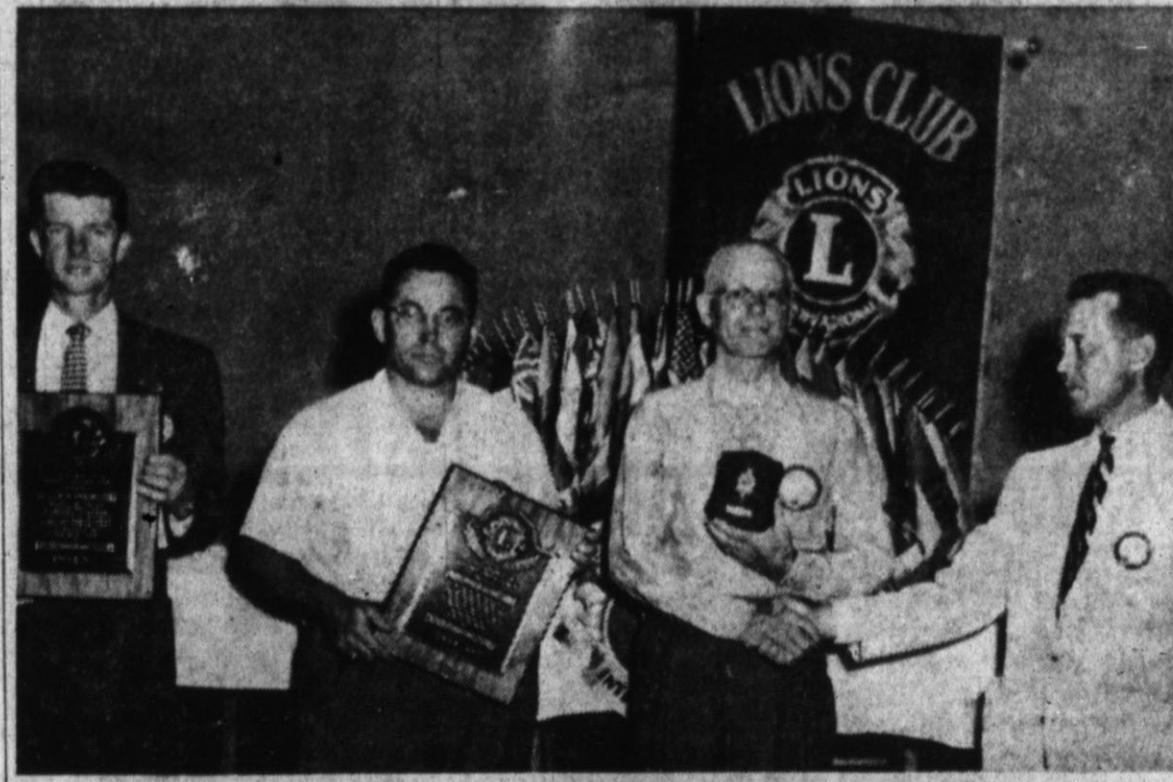

Loans are also up, the statements reveal. While at the same time last year, both banks' loans totaled \$3,412,193.25, loans now are listed at \$3,568,744.67. That is an increase of \$156,551.38.

Undivided profits tumbled from \$311,674.63 to \$182,478.64, a drop of \$129,195.99. Total capital stock of the two banks rose from \$175,000 to \$200,000, however, while the statements show a total surplus of \$250,000, the same as a year ago.

Most other area banks also have greater deposits than at the same time a year ago. Deposits at Dimmitt rose to \$5,750,899.05 at Littlefield the combined deposits of the two banks there totaled \$8,941,360.39; at Anton, \$1,601,209.26; Amberst, \$373,579.18; Olton, \$3,647,247.20; and Earth \$1,776,382.04.

**STYLISH SCOUTS** -- These four Hereford Explorer Scouts left Friday morning on a canoe tour of Canada and the northern United States. Their garb is strictly in keeping with the style. The scouts are: Pat Ferguson, Bill Drake, Robert Kinsey, and Carl Zimmerman. The boys will be gone for approximately a month on the supervised. They represent the largest number of local explorers ever to make the trip. (Staff Photo)

**LIONS HONORED** -- New Lions Club officers were installed last week by Deputy District Governor Bill Hunter of Amarillo. New officers pictured below are, from left to right, T. W. Alderson, director; Hunter; M. Latham, second vice president; Dub Reeves, president; Dr. A. T. Mims, third vice president; Earnest Langley, first vice president; F. W. Dool, director; H. E. Wester, director; Blue Turpin, secretary; Mutt Wheeler, tail twister; and Bruce Miller, Lion Tamer. In picture at left are Woody Wilson, retiring secretary; Cecil Massey, past president; T. W. Alderson, who was awarded a key award; and Bruce Miller, who made presentations to the trio. (Staff Photos)

**Accident Causes \$375 Damages**

An accident which occurred on Thursday morning at the intersection of Highways 51 and 60 caused an estimated \$375 worth of damages.

Involved in the accident were Herbert Lundrey driving a 1949 Chevrolet, and Mrs. Rosa Carl Lance, driving a 1953 Chrysler. The Chrysler received \$340 of damages.

The Chevrolet which had been driving east on Highway 60 stopped at the blinking light thinking it was a red light, the Chrysler which was right behind him, ran into the back of the car.

Mrs. Lance was charged with following too close.

J. H. Williams and family of El Paso were recent visitors in the home of his mother, Mrs. E. J. Williams.

The best way we can figure the deal is that if you have already bought a car from Dorval and failed to get your baby sitting time, then be sure and look him up. He will probably be glad to oblige.

Urtin Streu is at it again. He is giving me trouble because I do not wholeheartedly approve of Bermuda shorts. Snorts look bad enough on these youngsters who aren't old enough to know any better, but when grandfathers, like Streu, start sporting them, it's strictly a case of being obstinate. Streu in shorts reminds me of a Cub Scout, Wolf rank, who has lost his compass. You can't tell whether he's coming or going—unless you look carefully and peep the hip pockets.

Streu even wants me to sponsor a contest among the males who wear shorts. It might have possibilities, at that. We could have some women judges, and Streu would, no doubt, be glad to furnish a nice prize. As donor he wouldn't be eligible but that would make no difference. I am sure he wouldn't have a ghost of a chance, anyway.

Probably the most mangled Fourth of July casualty in Hereford this year was Jackie Allmon. Jack failed to get a haircut prior to the holiday period and was complaining loudly about it while visiting with his pal, Terry Kirby. The solution appeared fairly simple, however, when Terry volunteered to give Jack a homegrown haircut. First, the clippers slipped. Next the scissors slipped. Terry, in an effort to straighten out his mistakes, started shearing away—and the further he went, the worse things got. He went plenty far, too. So far, in fact, that Jack wound up with a trimmings like you never saw before.

Next day Jack sheepishly entered the barber shop for repairs, but the barber took one look, handed back Jack's dollar and told him to try Vigaro. This, Jack says, was the crowning blow. He is now saving up his money to send Terry to barber college.

Following the recent wage settlement, Union Boss Walter Reuther has announced that the next goal will likely be a 4-day, 32-hour work week. This, of course, will be along with present or higher pay scales, and with the continued guarantee of annual wages.

I don't know Mr. Reuther's policies, but I think it is high time that the American people woke up and elected him as President. An old boy of his calibre would pretty soon trade the stussians out of their last ounce of vodka. They wouldn't have a chance. This is exactly what the pioneers did when they were scolding the early West: if they ran across some hombre who killed all of the sheriffs, they elected the old boy sheriff—and let him do the worrying. This was true of Bill Hickock, and quite a few other old time sheriffs. Besides, if we don't do something

Everywhere you go people are talking about how many new cars are being sold these days. Few, however, stop to think about the stress and strain this situation places upon the automobile salesman. Even in a peak sales period, it still requires effort, thought and perseverance to make a sale. Sometimes these salesmen even go a step or two beyond the call of duty.

Take Doryal Young, for instance. He has had a prospective customer for several months, but the old boy kept on wiggling out of the sale. One night this week Doryal was slated to baby sit at home and, knowing the prospective customer's wife was going with Mrs. Young, he went over and collected the other old boy's kids too. According to all reports Doryal had a hectic night, but next day he got with the prospect and closed out the sale.

pretty soon, the Russians won't want this country—in the second place.

Neil Cooper and Wayne Edwards got to talking about the stocks required in the average store these days. Neil was talking about some delicacies which he carries, including snake meat and canned worms. Wayne frowned a couple of times, then said, "In a drug store we carry medicines to cure a lot of diseases which haven't even been discovered yet. The conversation, at this point, came to an abrupt halt, and both men went off down the street—in opposite directions.

### Three Texas Girls Attend South Dakota Music Camp

Three Texas girls were among the 132 students and their instructors taking part in the fourth annual Summer High School Music Camp at the University of South Dakota recently. The girls were

Lynda Phillips—Syble Rose—Ella Williams

Lynda Phillips, daughter of Mr. and Mrs. Coy Phillips; Syble Rose of Kermit, daughter of Mr. and Mrs. Aaron Rose, formerly of Hereford; and Ella Marie Williams daughter of Mr. and Mrs. S. S. Williams. Sixty communities in four states were represented at the week-long camp.

The girls found themselves objects of much interest and concern, especially since they had come all the way from Texas to attend the camp. They were dubbed "The Texas Belles" and were given special honor at every session. The last night they were serenaded at the dormitory where

they were housed, by the entire camp singing "Deep in the Heart of Texas." Accompanied by Mrs. S. S. Williams and Mrs. Clara Shore, Syble's grandmother, the group was away 16 days. After the band sessions they visited the Williams Ranch at Eagle Butte for a week, made a sight-seeing trip into North Dakota and returned by the Black Hills. Lynda and Ella Marie are both sophomores in Hereford High School and Syble is a junior in the Kermit High School. Lynda participated in the choral and organ divisions and the other girls attended the band clinics.

### Presbyterian Women Meet

Members of the Woman's Council of the Presbyterian Church met at the church Wednesday for the regular Fellowship luncheon. Hostesses were Mesdames Les Combs and Elizabeth Bonessio.

In keeping with a July Fourth theme American flags were used and garden flowers provided the floral decorations.

The president, Mrs. J. D. Neill, opened the program with a devotional lesson on "The Religious Relation Between Parents and Children."

### Couple Honored At Gift Party

Miss Betty Grimes and Willis Dufur who were married Thursday evening in the Avenue Baptist Church, were honored at a bridal shower given in the home of Mrs. R. W. Ellison recently. Other hostesses were Mesdames B. D. Forthner, Glen Hetzler, Delbert Deiter and George Cantrell.

The bride's selection of pink and white for her wedding were emphasized in decorations of the refreshment table. Mrs. B. D. Forthner poured and Mrs. C. P. Geimes directed games. Special vocal music was presented by Mrs. LaVerne Rembold of Alamogordo, N. M., accompanied by Mrs. Arthur Carlson at the piano.

Those attending were Mr. and Mrs. LaVerne Rembold and children of Alamogordo, N. M., Vera Lee and George Cantrell, Mrs. Floyd Fortner and children, Mrs. Lula Cantrell, Mr. and Mrs. D. F. Dieter and daughter, Mr. and Mrs. en Kamenzind, Miss Merle Elliston, Bernita Fortner, Mr. and Mrs. Arthur Carlson and children, Floyd and Lulu Botsford, Mr. and Mrs. Bernice D. Fortner and children and the honorees.

Reports were given by Mrs. C. C. Ferguson, mission work in India, Mrs. Ronald Babione, Mission work in Alaska, and Mrs. Lee Combs who reported on the spiritual life program, stressed attendance at the newly organized progresser sessions now being held each Tuesday morning at 9 o'clock.

The program for the afternoon dealt with "Achievements of Faith in Action" with Mrs. Fred-Axe as leader and Mrs. J. T. Gunn as reader. Mrs. D. H. Alexander represented the women of India, Mrs. C. R. McQuigg, the American Indian, and Mrs. Ronald Babione was the girl from Cuba. All were in costumes.

Seated at the July birthday table were Mesdames Mary Rodkin, Mary King, Henry Hastings, Howard Gault and Will S. Kerr. After reports on the recent training conference held at Buffalo Gap were given by Mrs. Will S. Kerr and Mrs. J. T. Gilbreath Jr., a special prayer was given in conclusion by Mrs. P. B. Miller.

Margaret Sowell of Amarillo and Donnie Johnson of Luck are visiting in the home of their grandparents, Mr. and Mrs. Henry Tietel.

# Pomona Pumps

- You get these big advantages:
1. Easily adjusted capacities—you just turn the nut in the top of the motor head.
  2. Modern impeller designs—whether you prefer a semi-open or closed type of impeller.
  3. Protection from corrosion—all steel parts subject to corrosion are protected by "Fairmorflect," a rust-repelling process developed by Fairbanks-Morse.
- Come in and talk to us about your irrigation and pumping problems—we've had many years' experience in this territory and will be glad to help you.

# Rutherford's Home Run Barrage Stuns Jim Hill

By BILL KNOX

Rutherford's unleashed an unstoppable barrage of home run power Thursday night to register a stunning 17-11 triumph over Hotel Jim Hill, while Piggly Wiggly fattened their batting averages with a two-inning 21-0 victory over the Popular Store.

John Winkler, winner of the All-Star game, was victim of the sudden flurry of four base blasts. Danny Elliston and John Bryant each clouted two apiece, and C. A. Shanks got another. Bill Callaway, leading the league in that department before game time, failed to connect, however. Raymond De-ment, Piggly Wiggly slugger, got two in the Pig's game with Popular Store to place him one ahead of Callaway.

The victory elevates Rutherford into a fourth place tie with Summerfield, while Jim Hill's hold on second place was cut to only one full game. Piggly Wiggly is in first by two full games.

From the second inning on the game was never in question. Nineteen hits bounced off Rutherford's bats, and they made only three errors. Danny Elliston led the attack with five base hits, personally accounting for seven runs batted in.

Rutherford's scored in every inning but one, the sixth. In the first

they scored two on a bases loaded single by Larry Summers. The first three men in the inning had drawn bases on balls to create the situation.

Then they really cut loose in the second. Veigel popped to shortstop to lead off, but then the hubalaloo started. Bryant cracked a home run down the line, and Elliston blasted one over Burdine's head. Shanks walked, and Callaway singled. Boyer walked to lead the sacks, and Larry Summers banged out a triple driving 'n three. Dunnam scored him with a double and scored himself on Veigel's double.

The second was their big inning, but they continued to score consistently. Two more runs came across in the third, this time on C. A. Shanks' home run with one mate aboard. Then Elliston and Bryant returned to the ritual in the fourth, but not to be outdone, Elliston sent another sizzling drive into left field which went for a home run.

They duplicated their previous inning output with three more in the fifth. Veigel grounded out, but Bryant lined a double. Elliston walked, and Shanks flied out. Two runs scored when Miles dropped Callaway's pop-up, and Boyer scored one more with a base hit.

Jim Hill was blanked in three innings, not an easy task for any

team to undertake. They chased one in the first on Callaway's error and Rose's hit.

Then they didn't score again until the third when they pushed across two. The first two men were retired, but Winkler singled, and Hale singled a triple and scored when Veigel fumbled the ball.

Forced to pull it rally, they had their biggest inning in the fifth. Howard and Winkler both singled to lead off. Hale walked to lead the socks, and Turpin sacrificed him in. David Miles came through with a double, and Burdine singled. After Carroll had popped out, Russ walked. Howard's triple scored the runners who were on base, and Winkler's second hit of the inning scored him. The two runs they scored in the seventh were by far short of the needed runs to tie the score.

Smartest car on the road—bar none! The Custom Royal Lancer by Dodge.

Not long ago, you had to figure on spending a lot of money if you wanted to step up to a big luxury car. Then along came this new Dodge—and things happened!

People who were used to paying a thousand dollars more found that Dodge offered all they could desire—at a sensible price.

Owners of medium-priced cars discovered that for the same amount of money, or

less, the new Dodge provided much more roominess, comfort, and more pride.

More, small-car owners found that several models of this big new Dodge even cost less than a tricked-up "lightweight."

Right off the bat, Dodge sales doubled! And we're taking advantage of skyrocketing sales to make you a "Drive It Home" deal you can't turn down. Come in today!

### At The Movies

#### "ATHENA"

Jarje Powell, Edmund Purdom, Debbie Reynolds, Vic Damone and Louis Calhern sing, dance, romp and clown their way through one of the most hilarious stories ever conceived for the screen in "Athena," M-G-M's latest musical in color showing Wednesday and Thursday at the Star Theatre. When you consider the personnel of the Mulvain family around whom the story of "Athena" is built, you may have some idea of the daffy doings that go on in this uproarious offering, in which the laughs alternate with a flock of engaging songs and dances.

#### "CAPTAIN LIGHTFOOT"

The first major feature production ever to be filmed in its entirety in Ireland is Universal-International's print by Technicolor-CineScope romantic adventure, "Captain Lightfoot" starring Rock Hudson, Barbara Rush and Jeff Morrow, showing Sunday and Monday at the Tower Drive-In Theatre. "Captain Lightfoot" abounds with natural charm and the wonderful romantic spirit of turn-of-the-century Ireland, as do Hudson and Miss Rush, perfectly cast as two young lovers caught up in the swirl of the Irish rebellion. Hudson again proves himself an actor

of high calibre as he plays with great skill the role of Michael Martin, second in command of the Irish rebels.

#### DOUBLE FEATURE

A double feature shows Tuesday and Wednesday night at the Tower Drive-In, the first being "War Arrow" and next "Creature from the Black Lagoon."

"Out of the flame and fury of the great southwest Indian wars comes the motion picture adventure, "War Arrow" starring Jeff Chandler as trouble shooting Major Howell Brady, his only troops a couple of devil-may-care sergeants, and his only orders, to perform a miracle of pitting Indian against Indian to stem the savage tide and save the nation's lifeline. Co-starring are Maureen O'Hara, whose heart held a traitor's secret and a hero's love, and Susan Ball as the beautiful daughter of the Indian chief.

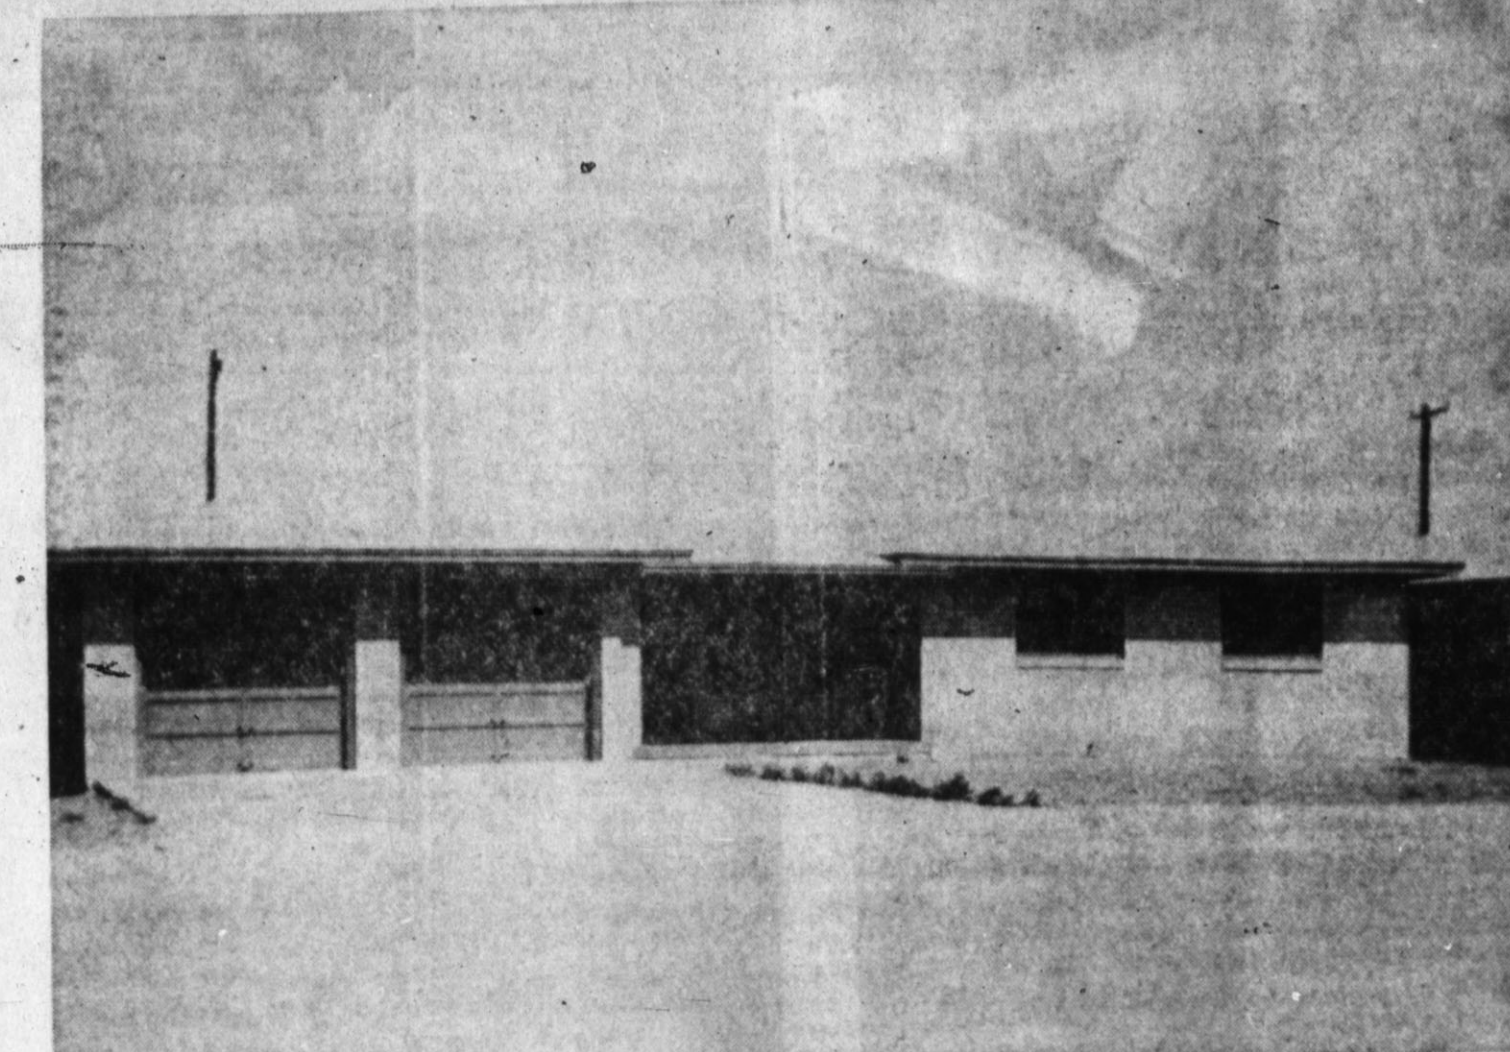

In the Amazon jungle, terror strikes from below the surface of a mysterious lagoon. Out of the black depths of the waters, a creature rises with webbed claws striking to kill, its heart filled with the strange man-like passions and its form, half-man and half-monster. In shock filled three dimension, the cameras take you below the surface of the Amazon to meet Richard Carlson as the fighting scientist and Julia Adams as the exciting beauty who stirred strange emotions in the "Creature from the Black Lagoon."

### Letter To The Editor

Amherst, Texas  
July 8, 1955

DEAR SIR:

Just a line to tell you about the people of Hereford. My two daughters were involved in an accident and were sent to the hospital. There were dozens of people who called or phoned. They were the nicest people I ever saw. We didn't know any of them as the girls were visiting in Hereford.

If I ever get a chance I intend to live in your wonderful town.

Please put the following card of thanks in The Hereford Brand.

We wish to extend our heartfelt thanks to everyone who was so nice during our daughter's, granddaughter's, and sister's stay in the hospital.

# Dovie Jane Jones Weds V.H. Harman

Miss Dovie Jane Jones, daughter of Mr. and Mrs. A. T. Jones, and V. H. Harman Jr., of Happy, were united in marriage Sunday afternoon at 4 o'clock in the First Methodist Church. The bridegroom is the son of Mr. and Mrs. V. H. Harman Sr., of Happy.

Before an altar decorated with baskets of white gladioli, shasta daisies and glittered canna leaves, the Rev. S. M. Dunning read the double-ring ceremony in the presence of relatives and friends. Wedding tapers burned in branched candelabra to give illumination. Soloist Eugene Campbell sang "Because" and "I Love Thee" accompanied at the organ by Mrs. S. M. Dunning who played nuptial selections preceding the ceremony and the traditional wedding marches. She played "The Lord's Prayer" softly in conclusion of the ceremony.

mother's dress was of mauve lace and she wore a corsage of blue daisies.

### Reception is Held

At the reception held in the home of the bride's aunt and uncle, Mr. and Mrs. Deward Roberson, a three-tiered wedding cake decorated in pink and blue centered the table which was laid with a pink net cloth with underlay of pink. Pink roses, Balerina Petunias, feverfew, Bells of Ireland, and blue shasta daisies with touch of glitter surrounded the huge wedding candle and formed a wreath around the beverage bowl. Patsy Cates and Johnnie Burkett presided at the table and Mrs. Joe Hacker presided at the bride's book of names.

In the house party were Mesdames George Jones, J. P. Jones, and Wesley Brown of Dimmitt and J. W. Benson.

Miss Sherry Benson was the bride's only attendant. She wore pastel blue corded cotton fashioned along princess lines. She carried pink carnations and roses in a hand bouquet. Candelights were Bernadine Brown of Dimmitt, a niece of the bride, who wore pink organdy with flower wristles of yellow pom poms and Carey Dean Jones, the bride's nephew.

Don Magness of Happy was best man and ushers were Franklin Springer, Charles Springer and Jimmy Cluck of Dimmitt.

### Bride Wears Nylon Net

Given in marriage by her father, the bride was lovely in a wedding gown of nylon net and tulle. The fitted bodice featured a surprise effect in the front and lace back with sweetheart neckline and tiny sleeves completed by guimettes. The voluminous ballerina skirt, worn over hoops, was accented with tiers of lace in the back. Her waist length veil of illusion was attached to a lace Juliet cap and she carried a white Bible topped with a single white orchid showered with pink rosebuds and streamers. Her only ornaments were rhinestone bracelet and ear rings, the gift of the bridegroom.

The bride's mother wore a charcoal nylon frock with a corsage of pink gladioli. The bridegroom's

Michail Fields, grandson of Mr. and Mrs. L. E. Fields, returned home to Los Angeles Friday morning. He has been visiting relatives

in Hereford for the past few weeks. Miss Jessie Morris has gone to Ardmore, Okla., for a short visit.

She accompanied Mrs. Blanche Wymore to her home in Ardmore after a visit here in the home of Mr. and Mrs. A. O. Thompson.

Mr. and Mrs. Ray Sunstrom of Austin have returned to their home after visiting relatives here. They

were accompanied by Mrs. Sundstrom's parents, Mr. and Mrs. R. Schroeter, who have moved to Austin to make their home.

## Churches, Like Schools, Now Faced With Question of Negro Segregation

A group of Hereford pastors, appearing as representatives of the Ministerial Alliance, reviewed church obligations "to the community" and "from the community" at the Community Breakfast meeting here Tuesday morning. Most interesting item in the meeting, however, in view of the national segregation program, was the proposal of a separate negro church in the community.

A Ministerial Alliance spokesman reviewed needs for a colored church, pointing out that the negro population definitely wants a separate church. Congregations and individual members of other churches were also urged to help in achieving the goal.

Some people will be inclined to interpret the Tuesday program as leaning strongly toward continued segregation in the community. They will point out that the negroes in most areas of the South want colored schools, just as they want a colored church in Hereford. Some will ask, "If the negro is good enough to associate

with our children, why is he not good enough to associate with us?"

As we see it, however, the church situation is far from parallel to the school situation. This is due in a large measure to the fact that public schools are tax-supported institutions, whereas our churches are not. Certainly, the Supreme Court has no control over church enrollment as compared to that which it holds over public, tax operated school systems.

In addition, school attendance is compulsory by law. Church attendance is not. Church membership and affiliation on the contrary, are strictly personal and voluntary, a privilege guaranteed by the Constitution of the United States.

Church segregation, when viewed from this standpoint, definitely falls into the category outlined through the Ministerial Alliance program. The colored population should have the same privileges as those of any other religious sect or congregation. If they can meet and worship better among themselves, then they definitely should have the right to form their own congregation.

The primary object of most churches, after all, is to worship and to better serve the Lord.

## Farm Supports Are Clear - Cut Issue

Frequently our national law makers, both Representatives and Senators, tell us that their job is more difficult because they cannot find a true, accurate picture of what the people in their districts really want. What's more, the same trend of thinking is often reflected through news reports arguments and action taken by our law-making bodies.

One thing is for sure, though, there is absolutely no question about what the farmers think and want in regard to farm commodity crop supports. Deaf Smith County, in the recent wheat referendum vote, cast 337 "for" and 51 "against" passing the controls by a margin of 86.8 percent. Many other wheat counties in West Texas voted even heavier margins, like the 90 percent ballot in Ochiltree County -- and it was pretty much the same across the country.

This vote, when analyzed, can tell a definite story. It was amased by growers who have been producing wheat under both formulas: with and without supports. It was voted without propaganda, and without influence of lobbyists; it was approved in the face of stringent government controls and marketing penalties. Still, the wheat farmers of America approved the continuation of the program by an overwhelming majority.

Add to this the fact that farm commodity supports have already been endorsed and approved by such labor unions as CIO and AF of L, and there should be little doubt in the mind of any Congressman or Senator as to what the people of the nation and of the Texas Panhandle actually want.

With these facts in mind we hardly see how any law maker or government official can take steps to curb farm price supports under the guise of not knowing what the people wanted. It would be much better if he flatly stated that he does not agree with them and that he is voting, instead, for what he wants and what he considers best.

## Telephone Service

A telephone company representative dropped into The Brand office last week with the sole object, as he put it, of getting our opinion on telephone service in the community.

"It's so-so," we told him, then went ahead to explain that sometimes it is good, occasionally very, very good -- and sometimes it is horrible. He attributed the variation in service to the fact that peak loads seem to be developing, often at unexpected times. He further pointed to some considerable change in personnel.

Contrary to a few past occasions, we told him, long distance service appears to be unusually good in Hereford. This has been true for several months. We are actually surprised at the extremes some of these "L-D" operators will go to give service, especially in times of emergency. They are to be commended.

Local service, on the other hand, has become so poor at times that complaints have been lodged with City of Hereford officials -- and the topic came up for round table discussion at the Commission meeting Tuesday.

Actually, there seems no other alternate than "doing the best they can" until 1957, when the telephone company is committed to install a modern dial telephone system. So long as Hereford is saddled with inadequate or less modern equipment, moved here from more fortunate areas, we doubt if any improvement will be more than temporary for a few days or a few months. Meanwhile, we do have a fine group of operators who are apparently doing their best, and it is nice to find that the telephone company is interested enough to continue investigations, even after the controversy settled through future expansion proposals.

## QUESTION OF THE WEEK

### Readers Asked What They Would Save If Fire Hit

If your home was burning down and you knew that all of your family were safe what one thing would you want to get out of the house most. Why?

W. H. KNOX

I would probably get my television set out as I get a lot of enjoyment out of it and also learn a lot of things with an educational value.

PIC HARMAN

I would get my golf clubs so I wouldn't get behind with my practice and win some money from Doc Cowan.

MRS. J. B. HARLIN

I would try to get a load of clothes as they would be the most essential and they are hard to replace.

MRS. BOB LAMM

I think I would get out my clothes as I could probably do more towards saving them than any other things.

PAUL HARVEY

If my family was all out, I wouldn't want to go back in because I might not get back out.

MRS. J. O. CLARK

My pictures and things would likely be the first thing I would get out because they have a sentimental value and some could not be replaced.

URLIN STREU

If I were alone I would probably get out my record collection as I value them and some of them could not be replaced.

MRS. HUB HOMER

We would first get out our statues because they mean a lot to us and also because of sentimental reasons.

## Community Builders

By MARGARET ALSTON

The fact that Loyd Lovel is a member of our community is very coincidental and a stroke of luck for the town. It happened when he and his family had gone through Hereford on a vacation trip. Lovel decided that he liked the town and the flat country very much so he wrote to Leo Forrest at Deaf Smith County Electric Cooperative, Inc., asking for a job. Luck must have been with him because at that particular time, Forrest needed an office manager, so in May of 1949, the family moved here and have been here since.

Born on a farm in Caddo County near Carnegie, Okla., June 11, 1914 Loyd attended school at Alfalfa grade school and graduated from high school in 1932 at Weatherford, Okla.

After graduation, he attended college at Southwestern State College at Weatherford where he went for three and a half years.

In 1938 Lovel became bookkeeper at the Liberty National Bank at Weatherford where he stayed for nearly three years, and then went to Oklahoma City where he became the assistant National Bank Examiner out of Oklahoma City. Traveling north central Oklahoma, he worked there until 1944 when he moved to Hobart, Okla. While in Hobart, he was located at the Public Service Company as the chief clerk. Five years later the Lovels moved to Hereford.

Sept. 18, 1938 was the day Loyd was married to Miss Venita Davidson in Vinson, Okla. Since, the Lovels have had three children, Gwinn who is 16, Donna who is 13 and six-year-old Mary Kay.

Although Lovel is interested in many clubs and civic works, he has always taken time for church work. A member of the First Methodist Church, he has been on the official board since 1950, one year after his arrival in Hereford.

Among his club and civic work, he is a charter member and president of the Kiwanis Club. Since the club was first started, Lovel has been the secretary until the first of this year. He is also a member of the Toastmasters Club.

Besides being active in the Red Cross, which he has helped in almost every drive, he has been a boy scout committeeman since he was in Hereford and is now the chairman of the committee for explorer scouts and is on the committee for girl scouts.

Loyd Lovel likes Hereford and likes to work with especially the farmers of Deaf Smith and surrounding counties. He also takes a lot of pride in his place of business and how it has grown.

One thing Hereford needs, according to Lovel is an industry which would use some of the farm products grown here such as something to use some of the locally grown maize and such.

## SECOND GRADE LOGIC

CHARLOTTE, N. C. (AP)—As one of his second grade projects, Doug Goines made a card for his mother and proudly presented it. It was addressed to "The best mother in the world," also referred to as "The king of mothers."

Mother decided to let "would" go, but she couldn't resist asking why he called her "king." It was simple enough, except for grownpuns. "Couldn't spell 'queen' so I used 'king,'" said Doug.

## HONORED HOUSE

SAN ANTONIO, Tex. (AP)—They held a formal memorial service at Fort Sam Houston for Pat, an Army warhorse who lived to be 45 years old. He's buried on the Post.

## INFORMED ACTION

ALLEGAN, Mich. (AP)—Printer Herbert Wise printed handbills for a missing dog. Then he went home to work in the yard. Son Jimmie, 8, shouted: "There's the dog." The two captured the animal -- and the \$3 reward the handbills offered.

## NEGATIVE VALUE

PERKIN, Ill. (AP)—James Everett Pherigo listed "one black cat" among his assets on his bankruptcy petition. Pherigo, a lumberman, used the space reserved for farmers to list livestock. He gave the cat's value at \$0.00.

## THE HARD WAY

RICHMOND, Va. (AP)—Conrad Dube, 26, a French Canadian, pedaled his bicycle to Richmond from Quebec via California and Florida. Dube was a polio victim when he was 2 and didn't walk until he was 10. He figured he had covered 24,000 miles on the bike when he arrived here.

## AUTHENTIC REVIEWS

HOLLYWOOD (AP)—Dorothy Dandridge, the actress, reports she went to a women's club luncheon last week. Preceding her on the program was the club's book reviewer, who was introduced as "Our Miss oaks."

"Lieutenant," meaning one who takes the place of another, comes from the French words "lieu" (place) and "tenant" (holding).

## TELEPHONE STRIKE

Twenty-nine employees of General Telephone Co. of Littlefield office staged a two-hour work stoppage at 9:15 Friday morning in protest of the failure of officials of the phone company and the CWA-CIO telephone workers union to reach an agreement on a contract which expired at midnight Thursday. Operators, linemen and business office employees locked the doors of the telephone exchange building here at 9:15 and left the building with a few employees, chief operator Sue Bennett and manager Bob Blatz to handle "emergency only" class messages. The employees returned to work shortly before 11 a.m. and resumed regular operation.

## SHAMROCK GETS "MILLION DOLLAR RAIN"

A "million dollar" rain soaked the Shamrock area Monday night stimulating young row crops and benefiting range land that was already becoming lush. The fall in Shamrock was gauged at 1.20 inches by Roe Davidson, and brought the total precipitation for the month of June to 5.73 inches. The rain covered the entire area and most of it fell slowly, doing little or no damage to crops.

## CELEBRATION PLANNED

Plans are now being formulated for a celebration at the top of the Caprock to celebrate the completion of the paving of the final gaps in state highways 256 and 70. Clifford Farmer, Memphis Chamber of Commerce manager, announced this week. This celebration calls for an old fashion food spread at "Inspiration Point" atop the Caprock and a short program to honor the men who had part in completing this stretch of road.

# The BOOTLEG Philosopher

Editor's note: The Bootleg Philosopher discusses golf and farming this week, either of which he is no expert at. Dear editor:

The other day I heard on the radio, I don't listen to the radio much because you have to listen only when the announcer gets ready to talk, whereas with a newspaper you can wait until you get good and ready to be informed, that some man was demanding that the White House announce what golf score President Eisenhower made the the other day, contending it was legitimate news and the public had a right to know.

I don't agree with the man. It's sort of like saying because Eisenhower is a farmer as well as a golfer and a President, he ought to tell how much he makes off his farm and if it led to that, it could lead to requiring every other farmer to tell what he made, which would be one of the worst invasions of privacy since the newspaper flash bulb was invented.

What a farmer makes off his land is strictly private information, in fact, I'm not sure even his wife ought to know in most cases, for two reasons. If he lost money, it's just another excuse for her to point out he ought to work harder, and if he made money, it's just another excuse to holler some more about the need for replacing the kitchen sink, or the stove, or the television set, or the back steps, the roof, the car, the window shades, the washing machine, or any of the other thousand and one things women are always wanting replaced.

What me and Mr. Eisenhower made on our farms last year is restricted information, in the same category with how many atom bombs the country has stored away, and you start breaking down this principle, like edging in on what his golfing score was, and another notch will be whittled on the gun handle of bureaucratic interference.

Wonder what his score was?

Yours faithfully,

J. A.

**Streu's Diary**

July 8, 1955

DEAR DIARY:  
Haven't been writing because I thought no one read this thing anyhow—but the other day someone asked me what had happened to my Diary. Behold, I have a reader, which is enough for old Streu!

Went to a showing of the new '56 model RCA Victor televisions last night, and they are dilleys for sure. I'd like to tell you that the '55's that I have in stock are just as good—but I'm afraid that just isn't true. But—I am caught with the '55 models, and something has to be done about it in the next thirty days—got to make room for new models in August. So-o-o, it just might come to pass that Streu would make a very, very, good deal indeed on present models (incidentally, they will outperform any set on the market today). So if you are interested in the best TV in the world at a real bargain price, see Streu right away while we still have a wide selection. Also some very good prices on RCA Victor Hi-Fi record players.

Would suggest that if you are contemplating the purchase of new well pipe or windmill—buy it right away because prices are due to rise very soon. Will also probably affect pipe fittings, bolts, and most other iron and steel products. Would appear that organized labor is again in the saddle and is cracking the whip. So swings the pendulum.

Noticed some time ago that Gillentine was cracking wise about men wearing shorts—I have been wearing them around home for some two years and even venture down to the post office once in a while—would play golf in them were it not for the fact that I blister too easily. I'm not sure (not having seen Jimmie's gams) but I think probably his main objection to wearing shorts is a case of sour grapes—I can remember when the spindle shanked, knobby kneed, and barrel legged gals raised old Billy when short dresses came into style a few years ago.

Jean has gone hog-wild again on buying gift goods—new shipments of wooden items, milk glass, and dozens of other trinkets, gadgets and junk have arrived recently. Now would be a good time to pick up a bunch of Christmas presents, while all lines are complete.

Walter (who is at present on vacation) has expanded the fishing tackle department and has the widest variety of rods, reels, and baits ever shown at Streu's. All price ranges are represented.

Just received: Onion shears, army cots, wooden kegs, eye bolts, belt dressing, window wipers, wrench repairs, files, Dutch ovens, lots of enameled ware, fuses, aspen wood for air conditioners, valves, floats, and pumps for conditioners and also plastic tubing.

Have plenty of garden tools and grain scoops as well as handles for same.

Don't forget that you can get the finest TV in the world at prices that will amaze even Streu—at Streu's this month.

## Gloria Walser Becomes Paul Schroeter's Bride

The home of the bridegroom's grandparents, Mr. and Mrs. A. O. Thompson, was the scene of the marriage of Miss Gloria Dee Walser and Paul Bryan Schroeter at 8:30 o'clock Saturday evening on July 2. The bride is the daughter of Mr. and Mrs. D. C. Walser and Schroeter is the son of Mr. and Mrs. A. J. Schroeter.

Rev. Howard Scott, pastor of the First Baptist Church, read the single ring ceremony as the couple and their attendants stood before an improvised altar arranged in front of a picture window. Floor baskets of white gladioli, majestic and Esther Reed daisies flanked

by wedding tapers in candelabra provided the setting.

Mrs. Howard Scott at the piano played "Because" and "Indian Love Call" preceding the ceremony, and accompanied Mrs. W. T. Carmichael, aunt of the bridegroom, who sang "I Love You Truly" (Bond). The Wedding Prayer was played softly as vows were spoken and The "Bridal" Chorus from Lohengrin and Mendelssohn's wedding march were used.

Gayle Potter was bridesmaid. She wore a pale blue shantung with darker blue trim and a corsage of white carnations. Merle Carmichael and Diane Slay were

the candlelighters.

Emory Brownlow was best man. Given in marriage by her father, the bride was attractive in a rose-pink silkaline frock accented with a touch of darker rose. The fitted bodice was designed with scoop neck and the full skirt fell into princess lines. She wore a coronet of pink rosebuds in her hair and carried the white Bible carried by her sister in her wedding. The bridal bouquet was of sweetheart roses and stephanotis strewn with white satin ribbon tied with pink rosebuds. Her only jewelry was a pair of her-loom ear rings.

The bride's mother wore a charcoal shantung with white trim and the bridegroom's mother wore an ice-blue embroidered nylon dress with white accessories. Their corsages were of Queen Elizabeth roses.

### Reception in Home

A reception for the close friends and relatives attending the wedding was held in the Thompson home immediately after the ceremony. The bride's table was laid with a white organdy cloth over white satin featuring a pink and white color theme with accents of silver.

The table centerpiece was entwined hearts of pink ruffled mulline, joined together with silver wedding bells; sanding on a styrofoam base where posed a kissing bride and groom in miniature with a miniature Bible and bride's bouquet as accessories. Fencil thin pink papers gave illumination. The wedding cake and rosebud mints carried out the pink and white theme. Mrs. Melvin Rainey and Mrs. Jim Clark presided with Mrs. Wallace Cox and Mrs. Lynn Kester assisting.

After the ceremony the couple left on a short wedding trip to points of interest in Texas. When they return they will reside at 803 Union Ave. He will be assistant manager of the Elm Courts.

The bride attended Hereford High School and has been employed at the Star Theatre. Mr. Schroeter graduated from Hereford High School and attended Hardin-Simmons University and West Texas State College.

Out of town guests at the wedding were Mr. and Mrs. T. R. Slay and daughter Diane of Amarillo, Mrs. Blanche Wymore of Ardmore, Okla., Mrs. Mollie Matthews and Mrs. Paul Matthews of Colgate, Okla., and Mr. and Mrs. Ray Sunstream of Austin.

Puppets are usually operated by placing them over the hand like a glove while marionettes are operated by strings.

The Statue of Liberty in New York Harbor was unveiled Oct. 28, 1886.

Mrs. Phil Radovich and Mr. and Mrs. Paul Dishman and baby have returned from Galveston and Austin where they spent the past six weeks.

This Big Buick SPECIAL 2-Door, 6-Passenger Sedan delivers locally at a small-car price (Come in and check it!)

We'll mince no words. You can buy a Buick SPECIAL like the one shown here if you can buy any new car. You can boss this big and brawny Buick Sedan for just about the price of the smaller cars—even for less than some models of the three most well-known smaller cars. The price tag we'll show you proves that. But you can't get anywhere else for the money what you get in this or any other new Buick—and that's something you really ought to look into. For Buick sales are soaring to all-time best-seller highs this year just because more and more people are discovering how much more automobile their dollars buy in a Buick than the same dollars buy elsewhere.

They find Buick a bigger package of automobile for the money—bigger in power thrill, in comfort, in ride steadiness, in structural solidity. They find Buick size and styling an added prestige—Buick roadability and handling ease an added pleasure—Buick brawn and precision an added reassurance. And they find Buick performance a thrill without peer—for where else can you get the whip-quick response and bettered gas mileage of Variable Pitch Dynaflo? Maybe you'd better drop in for a visit and see how much real automobile and fun and deep-down satisfaction your money buys in Buick. Whether you want the low-priced SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, or the custom-built ROADMASTER—you'll find the price more than right and the trade-in deal terrific. Can you make it today?

†Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

**DID YOU KNOW**

- ★ that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?
- ★ that the Buick SPECIAL is priced below some models of the three well-known smaller cars?
- ★ that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

# Grimes - Dufur Wedding Rites Read In Church

The Avenue Baptist Church was the scene Thursday evening at 8:30 o'clock for the marriage of Miss Betty Grimes and Willis Dow Dufur with the Rev. Bob Harris, pastor, officiating.

Parents of the couple are Mr. and Mrs. C. P. Grimes and Mr. and Mrs. Sherman Dufur.

Pyramiding tapers in candelabra formed the center background at the altar flanked by palm trees and tall baskets of white gladioli.

Mrs. Clay Ridgway served as organist, playing a brief concert of nuptial selections preceding the service and accompanying Sue Nell Sumner, vocalist, who sang "Because" and "I Love You Truly." "Bless This House" was sung in benediction. Mrs. Ridgway also played the traditional wedding marches.

Sonya Fagan of Cleburne served the bride as her only attendant. She wore a pink lace ballerina formal featuring a strapless bodice with matching lace cape, and very full skirt. She carried a cascade bouquet of pink and white carnations.

Haskell Dufur of Amarillo was best man and ushers were Wayne Elliston and Billy Dufur. Candles were lighted by Mary Dufur and Cary Lynn Scott.

**Bride Wears White**

The bride was escorted to the altar and given in marriage by her father. She wore a ballerina gown of chandilly type lace over taffeta. The strapless bodice was enhanced by a Eton lace jacket having long peal point sleeves and sweetheart neckline. The very full skirt was attached to the bodice

with a cord of taffeta. A tiara of lace held the tiered veil of illusion in place with simulated pearls studding the scalloped edge. The bridal bouquet was carried on a white satin Bible and was fashioned of silver pink Aristocrat roses and stephanotis streamered with satin ribbon tied in loveknots.

The bride's mother wore navy sheer and the bridegroom's mother wore a pink pongee dress. Both wore pink carnation corsages.

**Reception Held in Church**

Following the ceremony a reception was held in the church parlors. The bride's table was laid with a pink linen cloth overlaid with lace, and the floral decoration was of pink and white stock arranged in a fan shape.

Virginia Lee of Endee, N. M., poured and Sharon Chatfield of Crowell presided at the tiered wedding confection. Patsy Hyde was in charge of the guest register. Others in the house party were Mrs. George Canrell and Miss Merle Ellison.

The bride wore away a navy silk shantung fashioned along princess lines, with small pink hat and pink and navy accessories. The roses from the bridal bouquet formed her corsage.

The bride was a senior student at Southwestern Junior College at Keene a the time of her marriage.

## 225-Pounder Just A Bit Under Size To Jacob's Book

PHILADELPHIA—To most people a 225-pound man is giant, but to Herman and George Jacobs, he is a bit under size.

George and his father run a clothing store in downtown Philadelphia that caters to a select trade and is known as "the Store for Big Men."

The store stock includes boxer shorts with waistlines up to 76 inches. A size 69 suit is just an ordinary article of merchandise to the owners, but it would fit any average size man like an overcoat.

The establishment, the Jacobs say, is one of only four or five in the country. It does a large mail order business. On file are more than 25,000 names. Every state in the union plus Hawaii, Haiti, Puerto Rico, Germany, Sweden and Denmark are represented.

Among the regular customers is George Parker of Lancaster, Pa., who measures according to the Jacobs' tapes, 68 inches around the waist and wears a size 24 shirt.

Another is Bernie Berle, a band-leader, who hovers around the 69 inch waist mark. Ben Wise, of Dorchester, Mass., brings his 68-inch waist, 54-inch chest and 36-inch arms to be clothed by Jacobs.

Operating the measuring tapes is one problem for the Jacobs. Since they're both average-size, they have difficulty measuring some of these ample waists alone.

They usually solve the problem with George standing in front, losing the tape around to Herman, who then tosses it around to George to complete the circle.

Sammy Baugh, new head football coach at Hardin-Simmons University, was the star of the first Cotton Bowl Game, Jan. 1, 1937. Baugh quarterbacked Texas Christian to a 16-6 victory over Marquette.

Kentucky Derby favorite Nashua made his first start at Belmont Park on May 5, 1954 and won it by three lengths.

Until 46 B. C. when Julius Caesar changed the calendar, March was the first month of the year.

The average American consumed 27 pounds of cotton in 1913 and 28 pounds in 1952.

# Bettye Ramey Is Bride of A. Self

Miss Bettye Ramey, daughter of Mr. and Mrs. Robert L. Ramey, became the bride of A. W. Self, son of Mr. and Mrs. Aubrey Self at 10 o'clock Wednesday morning in the Avenue Baptist Church with the Rev. Bob Harris reading the service. Miss Sue Thomas registered the guests at the church.

The double ring ceremony was performed at the altar as the couple and their attendants stood before an arch of greenery tied at the top with silver bells and white satin ribbon. White tapers burned in seven branched candelabra at either side.

Powell and M. J. Layman were ushers.

**Brother Gives Bride Away**  
The bride, given in marriage by her brother, Bobby Ramey, wore a white embroidered organdy fashioned over polished cotton. The waist featured a Peter Pan collar and short puffed sleeves and was gathered to a waist length bouffant skirt. The waist length veil of illusion was held in place by a tara encrusted with pearls. She carried a white pearlized bible, the gift of the Y.W.A., topped by a single white orchid surrounded with stephanotis and showered with white satin streamers. She also carried out the traditional custom of wearing something old, new, borrowed and blue.

Mrs. Howard Scott played traditional melodies as an organ prelude and accompanied M.s. Bob Harris who sang "The Wedding Prayer," "The Lord's Prayer" and "Through the Years."

Mrs. Troy Powell served as honor matron wearing a pastel blue pique strapless sun dress with matching organdy duster. She carried a hand bouquet of yellow pom pom chrysanthemums.

David Self, brother of the bridegroom, was best man and Troy

## Snack Picnics Easy On Cooks

By CECILY BROWNSTONE

Associated Press Food Editor  
**EATING OUTDOORS**, on your own back porch or at the beach, why not make life easy for yourself and serve picnic-style snacks? You can have a fine lunch or supper this way.

For porch treatment, we suggest this good way to fix the club rolls you can buy at the bakery. No time at all needed to get these Combination Baby Subs ready, whether the summer cook does it herself or has helpers. Add pickles and olives, corn on the cob, fresh fruit and iced tea or coffee,

and you are all set.

For fun at the beach, try a canopener picnic: *no-worry, no-work*.  
Ingredients: 6 club rolls, 3 lb. no fuss and fret. Choose an assortment of canned meats, fish and relishes that can be opened at serving time. Bring along cheese, hard-cooked eggs and fresh vegetables as finger-food accompaniments. Pack in some assorted rolls and bread, just to give your spread a lift, and let ever; one make their own sandwiches. Bottled soft drinks and a ripe red watermelon will make a happy ending.  
crust but not through. Cream butter with mustard. Spread butter butter or margarine, 2 tablespoons prepared mustard, 2 small tomatoes (sliced), 1 medium-sized onion (sliced), 1/2 lb. sliced cooked ham, 1/2 lb. cheddar cheese (sliced).  
Method: Slash rolls into thin diagonal slices just to the bottom crust, but not through. Cream butter with mustard. Spread butter mixture on cut surfaces of rolls. Insert a slice of tomato and one of onion in one gash; place a slice of ham and one of cheese in the next gash; continue alternating this way. Place filled rolls on a
