WATER TABLES — The above charts produced by the High Plains Water District, show comparison in the water consumption in Deaf Smith County since 1938 (top chart) with 1955 (lower chart). From the 15 million acre foot reservoir in 1938, Water District records show a withdrawal of 1,300,000 acre feet -- or 8.7 percent of the reservoir during the past 17 years.

Test Show 8.7 Percent Water Drop in 17 Years

(Editor's Note: The following article was prepared by the High Plains Water District and concerns water consumption which covers a period of 17 years. Figures in the release were computed by Water District engineers, and cover a period during which rainfall in the area was far below normal during the past five years.

By HIGH PLAINS UNDERGROUND WATER DISTRICT

The portion of Deaf Smith County within the boundary of the High Plains Underwater Water Conservation District covers about 632,000 acres of land. (The total area of the county is 964,480 acres.) The underground reservoir in the Ogallala formation beneath the area within the district contains approximately 13,700,000 acre-feet of ground water in storage available for pumping.

The map in plate 1 shows the thickness of the water-bearing strata between the water table and the redbeds in 1938 before an appreciable amount of water had been pumped from the reservoir. The map in plate 2 shows the decline of the water table from the spring of 1938 to January, 1955.

The volume of water remaining in the underground reservoir was determined by subtracting the volume of material unwatered since 1938 from the total volume of saturated material in 1938 and multiplying the remainder by the coefficient of storage of 15 percent.

These data show that 15,000,000 acre-feet of water was in storage available for pumping in 1938, and that 1,300,000 acre-feet of water has been removed from storage since 1938. In other words, 8.7 percent of the volume of the available water has been removed from storage since 1938. Approximately 900,000 acre-feet, or about 70 percent of the volume of water removed from storage, was pumped during the five-year period from January 1950 to January 1955.

The approximate quantity of underground water in storage, available for pumping, beneath an individual farm may be determined by multiplying the number of acres in the farm by the thickness of the water-bearing strata underlying the farm and then multiplying by the storage coefficient of 15 percent.

Suppose the farm consists of 320 acres and has 200 feet of water-bearing strata underlying it, then 320 acres x 200 feet x 0.15 equals 9,600 acre-feet of water available for pumping. An acre-foot of water is the quantity required to cover one acre to a depth of one foot, and it is also equal to 43,560 cubic feet or 325,829 gallons.

An individual may use this information to determine, within reasonable limits, how long the quantity of underground water in storage

beneath his farm will last at any annual rate of withdrawal. This assumes, of course, that his neighbors pump a comparable amount of water per acre on their farms.

These maps and studies of this type are parts of the regular hydrological work in progress by the staff of the Water District. Similar maps and information will be prepared, as rapidly as practicable, for all the counties within the Water District. Maps of Deaf Smith and Parmer Counties are now available.

Joe Artho Burned As Tractor Fuel Suddenly Ignites

Joe Artho, 19-year-old Dawn youth, was seriously burned Tuesday afternoon when his shirt caught fire while he was refueling a tractor with butane on his brother's farm near Umbarger.

Artho, son of Mr. and Mrs. Paul Artho, was taken to Neblett Hospital in Canyon where he was not considered to be in critical condition. Attendants said that he had second degree burns on his face, neck, shoulder, back, and hands.

He was taken to the hospital by his sister-in-law, Mrs. Leo Artho. Jack Jennings of the Canyon Fire Department said that the youth ap-

ASC Lists Two New Practices In This County

Two additional soil practices have been added to the list already available in Deaf Smith County, according to Faust Collier, ASC manager, this week. One of the practices concerns planting of winter legumes, and the other concerns sowing of sorghums and small grains. Both practices are aimed toward prevention of soil erosion.

**Winter Legumes**  
The practice concerning winter legumes was previously in the local program, but was dropped earlier, according to Collier, who said that the practice was reinstated following general requests to the department.

The practice (1956 Practice D-1) follows:

Establish winter legumes in the fall of 1955 for winter protection from erosion. A good stand and growth must be obtained in sufficient time to protect the area in the fall and winter of 1955. Pasturing consistent with good management is permitted, but none of the growth may be harvested for hay or seed.

Following are eligible seeds and minimum seeding rates:

Austrian Winter and Dixie Wonder peas: 20 pounds, .65 per pound, federal cost share.

Hairy Vetch: 10 pounds, .10 per pound, federal cost share.

Madrid Clover: 5 pounds, .17 per pound, federal cost share.

Legume seed should be inoculated with fresh inoculants and must be seeded not later than October 31, 1955. The crops must be left on the land until April 1, 1955. 200 pounds per acre of 20 percent superphosphate should be applied immediately prior to planting time.

No seedbed preparation is required when seeded in stubble of intertilled crops. On other hand, seedbed should be prepared as for small grain.

Sales receipts are required. Sorghums—Small Grains F-4(f)—Seeding Grain Sorghums, (Continued on Page 2)

Reserve Officers Now At Ft. Hood

Army Reserve officers from this area left Friday and Saturday for camp at Fort Hood, Texas, where they will be for two weeks during August 7 through 21.

From this area there are seven men going: Major Donald Zimmerman of Hereford; Major Earnest Langley, Hereford; Major Roy Miller, Friona; Captain Thomas Berneau, Farwell; Captain Bud Posey, Hereford; Lt. Bill Sheehan, Friona; S-Sgt. Robert Irvin, Dimmitt.

According to Major Don Zimmerman, there is to be an Aviation Engineer Battalion established in Hereford around the first of September.

It is expected that there will be from 50 to 60 men in the group.

AROUND 3,500 ACRES PLANTED

Lettuce Outlook Good This Year

The lettuce outlook for 1955 is bright, according to growers and shippers, who estimate planting between 3,000 and 3,500 acres this year. Production costs, they say, will be lower, quality should be above average, leaving the market price as the only factor which might hinder the crop.

Growers are scattered over the irrigation area, including quite a few independents. Most of the acreage, however, is contracted among 10 major shippers who will operate in Hereford this year. Texas Arena, a firm which dropped out in 1954, will be replaced by two or three new handlers in the area. Last year approximately 4,000 acres of lettuce was harvested here and, even in view of a low market, most growers showed a small profit.

the plantings have been late.

Lettuce harvest should start in earnest early in October, although a few cars of early lettuce will probably roll here by Sept. 20, according to estimates.

Another important factor in the 1955 crop is the fact that there are fewer insects than ever before. Lettuce men say that only one-third as much spraying has been required this year as in the past. This factor, along with fewer weeds, they say, will sharply lower production costs on the current crop.

New Cooling Plants

A group of shippers are now busy installing a new \$110,000 Polar Vac pre-cooling plant, which will be in operation by Sept. 15. This plant will pre-cool cartons which are becoming popular on the market and which cannot be iced. Indications were also pointing strongly toward the erection of another pre-cooling plant of this type by other interests in the area.

The crop, all in all, is coming along fine, according to growers

Amateur Pole Climber

'Don't Look Down' Advises Amateur Flagpole Climber

Have you ever tried climbing a flagpole?

"If you haven't, don't ever do it," advises Tom Botsford, employee of the Hereford Public Schools, who adds, "And if you are foolish enough to try it, be sure that you don't look down."

Seems as though the rope on the flagpole at the new high school was knotted, making it impossible to raise and lower the flag. So Botsford was elected to free the tangles.

First, everybody was "bum-fuzzled" regarding a method to do the job. They tried several different ways before finally striking upon the right way. But by that time Botsford was too "pooped" to climb the complete distance, since he had already climbed half-way up about a half-dozen times. So they decided to wait until afternoon.

Botsford made it and freed the rope, but he still insists that "It sure was a long way up." What's more, he certainly doesn't recommend climbing flagpoles as an everyday diet.

Edwards Resigns Commission Post

Announcement was made this week of the resignation of Wayne Edwards as City Commissioner of Hereford, following receipt of a letter of resignation addressed to Mayor Henry Sears.

Served Since 1952

Mr. Edwards, who has served on the Commission since October, 1952, pointed solely to the pressure of other interests as the cause of his resignation. First appointed to fill the vacancy created by elevation of Commissioner S. O. Wilson to the post of mayor in October, 1952, Edwards was re-elected to the office of City Commissioner in April, 1953, for a two-year term,

and was again re-elected in April of 1955. His resignation became effective August 1, 1955.

The letter of resignation follows: "It is with regret that I must (Continued on Page 2)

LABOR IS WINNER ON 1955 CROP

Sagging Prices Slow Potato Harvest, Now 60 Percent Over

Now's the time to stock up on potatoes! If you don't believe it, just ask any grower in the area. All in all, it has been a "sour deal" from the word go and, what's more, the same situation exists all over the United States.

Estimates this week indicated that 40 percent of the potatoes grown in this territory are still in the ground. The going market price was generally running from \$1.25 to \$1.50 a hundred on No. 1's. Digging, processing, and other incidentals cost the grower \$1, speaking in round figures, which leaves very little for the potato man to pay expenses.

Growers say that approximately 6,000 acres of potatoes were seeded on the High Plains area with some 4,000 acres in the immediate Hereford territory. Figuring the average yield at 150 bags to the acre,

this area had approximately 600,000 bags of No. 1's—of which 240,000 bags still remain to be harvested.

Spuds Still Moving

Digging continues, however, in spite of the "below cost" selling prices. An estimated 10,000 to 12,000 bags of potatoes are moving out of Hereford each week. Most growers apparently operate on the theory that "a partial loss is better than a total loss."

Labor is probably the only division in the spud business which has actually made any money this year. The "pickers" charge around 35 cents per hundred—and that's the same price they would be drawing if potatoes were selling at \$10 instead of \$1.50. There have been a few slack periods but, generally speaking, the labor market has been good and the laborer has done pretty well, thank

you! Quality is another bright picture in the 1955 potato deal. The crop is, unquestionably, the finest ever produced in the territory. Part of this situation is due to a late harvest, and part is due to ideal growing weather from the start.

Many of the potato men are literally "down in the dumps." Those who can, however, take it with a grin and say: "It's no worse than 25-cent wheat—and I lived through that."

Bottom Drops Out

Most disheartening is the fact that the bottom dropped out from under the market just a few days before harvest got underway. Spuds were bringing \$8 to \$9 per hundred. They suddenly tumbled to \$2.50, then \$1.75—and finally sagged on down to \$1.50 and \$1.35.

Around Town

Considerable conversation was floating around town Friday when harvest started on 265 acres of carrots grown by Chas. Huston, seven miles west on the Gilbreath road. Plantings on the carrots have been staggered to come off at regular intervals—and the quality was reported to be "out of this world". First loads went to A&P. Harvest is scheduled to resume again Monday morning. Vegetable men are estimating approximately 1,000 acres of carrots in the Hereford area this year.

Approximately 1,300 ballots went into the mails this week for election of county and community committeemen. Ballots must be returned not later than Aug. 20, according to Faust Collier, ASC manager.

Football fever was spreading this week as reserve seat tickets went on sale at Dubb's Man's Shop. Those who had reserve seats last year will have until Aug. 15 to get tickets. After that date all remaining seats will be sold to the public, according to Supt. Geo. L. Graham.

Remodeling work was in progress at Hotel Jim Hill, where rooms are being constructed on the east side of the ballroom for the Chamber of Commerce, including a special meeting room for clubs and organizations.

Also coming right along is the remodeling work on Southwestern Public Service building, which is (Continued on Page 2)

being moderated throughout. The glass went on and a new sign went up Friday. Manager Cleo Meharg hopes to be able to move back into the building by Sept. 1.

Cards went out this week announcing City of Hereford Equalization Board hearings for Tuesday, August 16.

Morris Kellehor, former resident of Hereford and nephew of Joe

Kellehor, deceased, was a visitor here this week. Morris expressed surprise at the growth of Hereford and said he had to pinch himself to realize it was the same town in which he once lived. His brother, Joe, is now a resident of Enid, Okla., and the father of four children. Morris, however, is still single.

Buy-Rite Furniture, located on Highway 60, this week announced the opening of a store-wide clearance sale, beginning Monday.

W. L. Davis will represent Hereford at the district West Texas C.

of C. meeting in Amarillo August 9. Directors will feature designation of a work program for the organization the coming year.

The Hereford Pink Sox, semi-pro baseball team, is scheduled to meet Bovina today at Dimmitt to decide the owner of fourth place in the Central Plains baseball league—and to see who gets a shot at Frisco, pennant winner.

The Wesley Methodist ladies reported a net of \$50 on the pie a la mode supper held at the church Friday night. Approximately 150 persons attended. Proceeds will benefit the church building.

Heavy showers were reported in the area north of Dawn Friday night, with as high as two inches reported by C. L. McBroom and Dick Alfred. Chas. Cogdell was also in town Saturday boasting that he had been able to shut down his irrigation well.

Off for Colorado this week were Dr. J. H. Channer, Llama Beavers and Morris Beavers of Lubbock. The trio planned to vacation near Ft. Collins.

Sweet Sorghums, Sudan Grass, Millet, Barley, or Rye to Establish A Cover for the Control of Wind Erosion.

Triple dwarf grain sorghum and volunteer crops will not qualify. Sorghums, millet or small grains should be planted at the following seeding rates per acre: grain sorghums, sweet sorghums, and sudan grass in normal width rows, 5 to 6 pounds per acre; in rows 10 to 24 inches in width, 10 to 12 pounds per acre; drilled or broadcast, 15 to 18 pounds per acre; millet, 10 to 12 pounds per acre, barley, oats or rye, 30 to 40 pounds per acre.

Grazing consistent with good management is permitted, but a crop will not qualify if harvested for any purpose. The crop must be left on the land until the land is plowed in preparation for seeding a crop in the spring or summer of 1956.

Federal cost-sharing: (a) In normal width rows, earns \$1.20 per acre; (b) In rows 16 to 24 inches in width, earns \$1.90 per acre; (c) Drilled or broadcast, earns \$1.90 per acre.

Millet earns \$1.75 per acre. Small grains (rye, oats and barley), earn \$2.00 per acre.

tender my resignation as a member of the City Commission of Hereford, Texas. The pressure of other interests is such that I feel that I need to devote my time to these other matters. I would appreciate your accepting this resignation, effective as of Aug. 1, 1955.

"I cannot tender this resignation without expressing to you and Commissioner Evans my personal appreciation for the opportunity that I have had to be associated with you on the City Commission during these past years. I have enjoyed the many contacts that we have made with each other and others, and have come to know and appreciate the fine quality of yourselves personally and of your loyalty and devotion to the City of Hereford. I feel that the city is in good hands and that you will continue to serve the city well. If I can be of any assistance to you in any way at any time, please do not hesitate to call upon me."

To Name Successor  
"No appointment to fill the vacancy is possible at this time," said Mayor Sears, "due to the fact that Raylan Evans, the other commissioner, is vacationing in Colorado."

He did say, however, that several names are being considered and that an appointment will be made in the near future, probably following the next Commission meeting.

Mr. Edwards, in addition to his services on the City Commission, has also been active in other community affairs, including the Red Cross, March of Dimes, Boy Scouts, Lions Club, USO and other drives and organizations. He was born in Carter, Okla., Dec. 22, 1910, and moved to Hereford in 1947, since which time he has been engaged in the drug store business.

### Sagging.....

(Continued from Page 1)  
It is all due to the freeze in Alabama, say the experts. When this freeze wiped out a moderate acreage, everyone and his dog rushed out and planted potatoes in expectation of a bumper market in 1955. It looked good, too, right up to the time the bottom fell out of things.

Entirely new districts appeared on the scene, spurred on by the Alabama freeze. Yields started hitting the market from Virginia, California, Wisconsin, Minnesota, Colorado, Nebraska, Texas—and even Idaho got on the market with an early crop.

Housewife Is Winner  
The result was that the housewife went on a long, glorious potato buying spree.

Florida, usually a good market at the high price off-season period, has also been having a lot of fun. One Florida supermarket was this week offering 10-pound mesh bags, U. S. 1 potatoes at 14 cents. Another stacked the 10-pound bags to the ceiling—and gave a bag free with each \$2.50 purchase.

Big Boys Losers  
The big operators are apparently the heavy losers in the deal around this area. Many of them have been "share-cropping" potatoes, paying for seed, fertilizers, and similar costs. The grower, in these instances, generally broke even or, at most, lost his own labor, water, or the use of his land.

The old boy who went all of the way on his own, however, was the one who took a real drubbing. The grower who bought his own seed, fertilizer, and paid his own labor costs stands—at current prices—to drop around \$60 to \$70 per acre. Some of the earlier ones, of course, broke even—and that's a good situation on 1955 spuds.

and shippers. It offers as good prospects as the area has ever seen. The only possible "bug-a-boo", in fact, would be a low market.

"And that," as the growers say, "after all, is the produce business."

### Lloyd Johnson Enters Hospital

DALLAS, Aug. 5—Lloyd Edwin Johnson, Jr., five-month-old son of Mr. and Mrs. Lloyd E. Johnson of Hereford, was admitted on Wednesday, August 3, to the Scottish Rite Hospital for Crippled Children in Dallas.

Texas Scottish Rite Masons founded the hospital more than 30 years ago in an effort to provide a chance at a normal life and a useful place in society for the handicapped child.

The Scottish Rite Hospital has accepted almost 100,000 children for treatment since 1925. An expert staff, plus unique physical facilities and dedication to the welfare of the child, make it an outstanding treatment center which serves the entire state. It is supported by public contributions and bequests.

Mr. and Mrs. Don T. Martin and children left Friday for a ten-day vacation trip to points in Colorado

### Lions Carnival Profits \$1,100

The Lions Club reported a profit of around \$1,100 from the 1955 carnival this year, including \$500 in cash and approximately \$600 in excess prizes still to be returned for credit, according to Blue Turpin, secretary-treasurer, Saturday morning.

The carnival grossed \$3,348.29, according to Turpin, who said that rides, on which the club operates on a small percentage, accounted for \$1,649.24 of the total. The other concessions operated on the following gross for the week:

Bingo \$494.62; Coke bottle pitch \$85.29; Tractor booth \$114.70; Cigarette pitch \$86.10; Keg pitch \$108.89; Glass pitch \$76.47; Dunking board \$175.05; Concessions stand \$276.08; Doll racks \$127.31; Darts and numbers \$100.10; Darts and balloons \$72.

"These figures are gross," Turpin pointed out, "and cost of prizes has to be deducted before profits can be reached."

The rides were reported as follows: adult rides \$975.75; Kiddie rides \$527.99; Pony ride \$145.50.

Dubb Reeves, Lions president, said that rain and bad weather during the week contributed to small crowds, resulting in the excess of prizes still on hand with the club.

Proceeds from the carnival will be used toward improvement of the Lions Club Kiddie Park, located north of the swimming pool.

### Jaycee-Ette Hold Business Session

Jaycee Ettes held a business session at the Jaycee Clubhouse Wednesday evening. Mesdames Doryal Young and Ed Davis served as official hostesses.

Mrs. Dennis Lomas, vice-president, presided over the short business session.

Those attending were Mesdames Carrol Goss, Gerald Hale, Bill Williams, Doryal Young, Melvin Young, Hershel Miller, Ed Davis, Dennis Lomas, Bill Howard and Don Fudge.

## Band Camp Is Great Life; Lots of Work -- Fun, Too

By BILL KNOX  
For the 30 Hereford students at the summer band camp at West Texas, two weeks won't last long enough.

Besides band rehearsals, sectional rehearsals, twirling classes, theory, appreciation, and other classes, students find time to make acquaintances and have fun.

All Hereford boys are staying in Tierra Blanca dormitory, along with Hereford director William W. Miller, who is an instructor at the school. All Hereford girls are staying in Cousins Hall.

The students agree that the rules are somewhat stricter than they would like. But some find a few interesting or mischievous things to do which might be considered outside the rules. At times one wonders whether the students are there

to attain more musical knowledge or have fun. But everybody agrees that it's both.

One of the more pleasant aspects of the camp, at least to boys, is the meeting of so many girls—over 150, in fact. And the same applies to girls. When girls leave their dorms, they have to list their escort on the check-out book. One time last year one boy was checked out to five girls, the same night. The expose, incidentally, didn't make the boy altogether happy.

Regular programs are planned each night for the students, the first of such being a concert presented by the Amarillo Air Force Band. Also among other scheduled programs are presentations of the "Mikado" and other operettas.

Upon occasions in the boys dorm at night, the supervisors wish that about 150 boys would all of a sudden drop dead. The resounding crash of Coke bottles breaking in the hall, the gurgling of a flooded shower, or the frantic screams of somebody being thrown into a shower, clothes and all, sometimes make life very uneasy for the supervisors.

And when the two weeks are over, everybody feels as if it had just started.

It's a great life—if you don't weaken. And nobody ever does.

BAND CAMP — combines work and play. Ronald Zimmerman, top photo, is busy at daily practice -- a must to keep up to par for sectional rehearsals and daily classes. Relaxation, demonstrated by Ed Schroeter in the lower photo, also occurs daily in Tierra Blanca dorm, where the Hereford boys are housed this year. Schroeter, however, might be running things into the ground a bit, judging by appearances. (Staff Photos)

## Tourists Find Dameron Park Excellent For Picnic Lunch, Few Minutes Rest

Did you ever notice the regularity with which tourists stop to eat lunch in Dameron Park?

For the past three months an average of from two to four people have selected the shaded area as a lunch spot. Such an incident occurred Friday, when three out-of-town Texas cars, and one out-of-state car were spotted in the park around 12:30 o'clock. Just for fun, The Brand interviewed the tourists.

Three of the cars had met in the park by appointment, it developed, including three couples all of whom attended Abilene Christian College at the same time—and met in

the home of her parents, the Roy Lee Wilsons.

The Westway missionary society met at the church last Wednesday to continue a study of the book of Acts.

Ladies decided to have an afternoon tea on the annual guest day instead of the usual luncheon. The date for the tea will be August 17 and will be held at the church in Westway.

Mrs. Emmett Johnson is assisting her mother and father, Mr. and Mrs. Earl Mitchell, formerly of Lockney, in the Circle N Cafe in Hereford. The Mitchells recently took over the management.

Mr. and Mrs. Johnnie Townsend and Terrie visited in the home of Mr. and Mrs. Lewis Neal in Hereford, Wednesday night.

Dameron Park at the suggestion of Wesley Cox of Canyon, who was one of the group. In addition to Mr. and Mrs. J. C. Cox were the J. C. Hicks family of Tyler and the John Richey family of Littlefield. All were impressed with the park, and said they thought Hereford would be a fine place in which to live.

The other car, bearing Oklahoma license plates, was also parked in the area. It was occupied by the J. J. McCormicks, who explained that they had recently moved to Texico, N. M., and had come to Hereford to see a doctor. They just

hadn't changed license plates as yet. They, too, expressed appreciation to the community for such a fine place to spend a few minutes in the shade and to eat lunch under the large trees.

## Attends Funeral Of Aunt Friday

Mrs. Bob Fotheringham returned Friday from Aspermont where she attended the funeral of an aunt, Mrs. Will Flowers, 70. Funeral services were held Friday morning.

Mrs. Flowers died early Thursday morning in an Aspermont hospital after a long illness.

She is survived by her invalid husband, one son, Will Flowers, Jr., and two grandchildren, all of Aspermont.

She was well known in Hereford and had many friends here, having visited her niece and family on family occasions.

Mr. and Mrs. Donald Gaetz have returned to their home in Wichita Falls after visiting several days with his mother, Mrs. John Gaetz, and Francis.

## Westway Observes Farm Safety Week With Outbreak of Minor Accidents

Two accidents in the Westway area this week, plus finger injuries suffered by Dennis Richman last Thursday, have the residents of that community wondering if Farm Safety Week is worthwhile—after all. Both of the victims, however, reported only minor injuries.

**Dislocates Knee**  
Clarence Saucy, in a hurry to get across an irrigation ditch Tuesday morning, stepped on some soft dirt and fell. His knee struck the cement curbing of the ditch. In addition to ample bruises, he dislocated his knee. "And that, in addition to my arthritis, is rough," says Saucy. He will be on crutches for a period of around two weeks.

**Potato Digger Accident**  
A potato digger accident occurred Wednesday afternoon at the

Jack Renfro farm when Manuel Roho caught his foot in the digger chain. Fortunately, however, he was thrown free of the machine. Resulting bruises kept him from the field Thursday.

## Dress Revue Date Is Set Aug. 10-11

The Deaf Smith County 4-H Leaders Council met on August 2 at 2:30 p. m. in the home of Mrs. T. J. Parsons. Mrs. George Heard served as temporary chairman of the meeting. The group made plans for the county Dress Revue, which is to be on August 10 and 11 in Hereford.

Following the business meeting, Mrs. Glenn L. Burrus, Walcott 4-H leader, trained the 4-H leaders for their August program, which is "Making a Bed". Mrs. Burrus showed the group how to fold a contour sheet neatly and then demonstrated the steps in making a bed.

Seven clubs were represented at this meeting. The following people were present: Mrs. Glenn Burrus, Walcott 4-H; Mrs. George Heard, Happy Homes; Mrs. Jack Higgins, Daniel; Mrs. J. E. Dyer; Jolly Girls; Mrs. C. F. Honifield, Caprock; Mrs. Ed Dziuk, Countywide; Nancy Parsons, Merry Maidens 4-H, and Mrs. Loyce Sullivan.

The meeting adjourned at 4:00 o'clock.

Joe Smith and Emil Dettman have joined the many Herefordites who are spending their vacations at fishing spots. They are at Waggoner Mound, N. M.

FRIONA VICTIMS—the family of James Guinn, 35, of Friona sustained severe bruises and lacerations when the Guinn car above collided head-on with the truck below. The accident occurred around 4:00 Saturday afternoon, approximately one and one-half miles east of Summerfield. Another car, driven by Mrs. Elsie Mankins of Tucson Ariz., was also damaged in the three-way crash. Officers and spectators are still marveling at the escape of seven occupants. Damage to the three cars was estimated to be more than \$2,000.

# Seven Escape Death In Head-On Highway Crash

Seven people miraculously escaped death around 4:00 o'clock Saturday afternoon when three cars were involved in a head-on crash about one and one-half miles east of Summerfield.  
Hospitalized were James Wendell Guinn, 35, Mrs. Guinn, and the two Guinn daughters, Caroline age 9, and Cynthia Ann, 10, all of Friona.  
The accident according to highway patrolmen occurred when the Guinn Ford, going East, attempted to pass a 1950 Pontiac, also going east, driven by Mrs. Elsie Elizabeth

Mankins of Tucson, Ariz. Police believed that Guinn, realizing he could not pass, must have whipped back into the eastbound lane of traffic, where he struck the Mankins car. The impact then threw the Guinn Ford back into the left lane where it collided head-on with the heavy 1954 truck-trailer driven by Emmett Francis White, 48, of El Paso.  
Mr. Guinn suffered a deep cut on his wrist and a cut on his head and was still in emergency when The Brand went to press. Carolyn,

age 9, suffered a severe gash on her head, along with a swollen eye. Mrs. Guinn was in the X-Ray room where physicians were checking on hip injuries; she also suffered head gashes. Cynthia Ann, 10, was thrown from the car by the impact and, apparently, suffered shock and bruises when she collided with the pavement.  
Officer said that the two Arizona women both suffered from shock and bruises, but they had not been admitted to the emergency room for thorough check. Mrs. Mankins

was carrying her mother, Mrs. Dorcas Phipps, to Hico, following a visit of the mother at the Mankin home in Arizona.  
White, driver of the truck, was also under observation, but not considered critical. The truck was loaded with furniture and he was en route to El Paso, where he was moving when the accident occurred.  
Total damage on the accident was estimated at more than \$2,000 with total damage to the Ford, approximately \$1,000 damage to the truck and around \$50 damage to the Tucson Pontiac.

## Brock Leads Pigs Over Summerfield

By BILL KNOX  
Piggly Wiggly's rampant Pigs racked up victory number nineteen Friday night by stopping the Summerfield Farmers 16-7, while the KC's moved into a tie for second and third with Jim Hill by pulverizing the Popular Store, 26-6.  
Ken Brock, Pig power hitter, passed two more fourmasters to run his league-leading total to ten. He was robbed of another by a fine catch by Bobby Clark.  
Piggly Wiggly picked up their triumph on eleven base hits, six for extra bases. Summerfield was able to punch out only three safe blows off the effective offerings of Don Morgan. Morgan struck out eight. He walked six and hit two batsmen.  
The Pigs got off to a good start, and their lead looked good until Summerfield took over the lead with a loner in the fourth. But that lead didn't last long, and from then on it was no contest at all.  
Piggly Wiggly scored in only three separate innings, bunching their runs together. Summerfield also scored in only three innings, but Piggly Wiggly's run output in each of the three innings was somewhat greater.  
They came across with a loner to tie the score in the third, then took the lead for good by exploding for ten big runs in the fourth. Sims singled and Brock smashed another homer. Dement singled and went to third on Streun's error. Corbett popped out and Wilson went all the way to third when Streun dropped his fly ball. Pickens also popped out, then Laeb doubled. Morgan, McNeese, Sims, and Brock all drew free passes before Dement was again safe on Elvis Davis' error at second base. Tim Corbett blasted a triple before Marshall Wilson

grounded out to end the inning. Summerfield's runs were bunched together in the second, third, and fourth innings. They first denied the scoring column with four tallies in the second. All were accountable to Roy Botkins' bases-loaded home run.  
Then two more filed in during the third on Horace Baize's triple with two on. The final tally came in the fourth on an error and two bases on balls.  
Thomas Elison received 1100 patents.

# Frio News

By Verne and Frances Andrews

Mr. and Mrs. W. A. Springer visited the W. C. Buchanan family of Wildorado and also the Luther Griffins near Wildorado last Sunday.

Word was received in this community that Danny Chisholm was seriously hurt on July 25 while riding a horse. He has been unconscious since that date and seemed to be no better at the last report, which was Wednesday night. He is in the hospital in Sioux Falls, South Dakota. He is the son of Mr. and Mrs. Dayton Chisholm, former residents of this community.

Mr. and Mrs. J. E. Warrick Sr. and J. E. spent Wednesday in Wellington visiting the Lawrence and Velman Warrick families and other relatives. They attended the funeral Thursday morning for Mr. Phillip Parrish of Carey.

Mr. and Mrs. T. L. Sparkman Sr. and Mr. and Mrs. W. A. Springer also attended the funeral.

Mr. and Mrs. C. N. McClure left Wednesday morning for the annual Montague County homecoming. They also visited relatives in Fort Worth and returned to their home on Saturday.

Robert, Harold, and Olgene Baldwin and Clark Dobbs were in Amarillo Thursday night and played miniature golf.

Mr. and Mrs. B. M. Sudduth and Mr. and Mrs. T. L. Sparkman Sr. were visiting at Boys Ranch at Tascosa, Sunday.

The Frio Young People and the Young People of the Summerfield church enjoyed a volleyball game last Friday evening at the B. H. Baldwin home.

Mr. and Mrs. F. J. Springer of Kress visited the W. A. Springers, J. E. Warricks, T. L. Sparkmans Sr., A. T. Jones and Deward Robinsons, Monday and Tuesday.

Mr. and Mrs. Frank Robbins, Stevie and Carol, Mr. and Mrs. E. H. Little and girls, and Mr. and Mrs. Leonard Buttrill and family were in Red River, Gunnison, Creed and Colorado Springs from Thursday until Tuesday. At Gunnison, the group met Mr. and Mrs. T. L. Sparkman Jr. and family. On Saturday night, all of them celebrated the seventh birthday of Peggy Little. On Sunday, the group visited with E. H. Little's uncle at Gunnison, Mr. and Mrs. Sam Little. The Robbins, Buttrills and Littles returned to their homes on Tuesday, and the Sparkmans came home on Monday. Stevie Robbins fell from a see-saw and cut his head on a rock. He was taken to the doctor and three stitches were required.

Becky Little fell from the divan and suffered a fractured collar bone Wednesday. She is recovering nicely.

Mr. and Mrs. Weldon Stephan are the parents of a baby girl born August 1 in the Deaf Smith County hospital. She was named Nancy Rhonda. Maternal grandparents are Mr. and Mrs. H. D. Robbins and paternal grandparents are Mr. and Mrs. Moody Stephan.

Mr. and Mrs. Floyd Cole and family and Mr. and Mrs. Darwin Miller were vacationing and visiting relatives in County Line and Sulphur, Okla., from Thursday until Monday. They were also visiting and fishing at Lake Texoma.

Mr. and Mrs. Pierce Walker and family visited Friday and Saturday with her mother, Mrs. Bessie Mobley and brother, Otis Mobley of Tucumcari. On Sunday and Monday the Walkers visited his mother in Lubbock.

Mr. and Mrs. F. Y. Moreman visited Friday afternoon with their daughter and family, Mrs. Frank Robbins and children.

Austin Mobley spent the past weekend in Denver, Colo.

Mr. and Mrs. Lee Johnson visited her mother and family, Mrs. H. M. Mobley, Saturday night.

Charles Springer and Jim Lady attended the races in Amarillo Sunday.

Mrs. H. F. Benson visited Mrs. W. A. Springer Monday afternoon.

Mrs. Darwin Miller was hostess for a picnic at the park to honor her husband on his birthday. Those attending the celebration were Mr. and Mrs. Floyd Cole and family, Mrs. E. H. Mobley, Don Mobley, Mr. and Mrs. Raymond Mobley and family and the Millers.

Mrs. J. E. Warrick and Mrs. W. A. Springer visited with Mrs. W. A. Hunter in Hereford Tuesday afternoon. Mrs. Ed Blain and Miss Alma Wiles of Plainview also visited the Hunters. Mrs. Blain and Miss Wiles were former residents here and owned land in the community.

Recent visitors in the Glenn Gripp home were her parents, Mr. and Mrs. Tait Moring of Stephenville, and Mrs. Gripp's sister-in-law, Mrs. Marvin Moring and Shelley of Austin.

Mr. and Mrs. Clark Andrews and Rocky and Mr. and Mrs. Owen Andrews and family were vacationing this week in Oklahoma, Iowa and Colorado. In Tulsa, Okla., they visited with Mr. and Mrs. Bill Padgett and Suzanne. Bill and Clark were Army buddies at Ft. Bliss.

WCS Coffee  
Woman's Society of Christian Service of the First Methodist held its final coffee session of the season at the church Wednesday morning. The noon-day luncheons will be resumed in September.

Hostesses for the coffee were Mesdames E. W. Solomon, J. J. Durham, A. C. Pierce and Ed Warren.

Mrs. Dean Bishop presented the devotional lesson for the morning on "Symbols That Live", assisted by Mrs. Ed Warren, Elna Bishop at the piano and Nancy Crawford, soloist.

Mrs. Jack Winget and Miss Shirley Root gave a report on progress at the Labor Camp Center and Jane Newsom reported on the school of missions she attended recently in Lubbock. Mrs. Bill Thomas gave a report on educational work of the WCS.

## The Sheriff Reports

The weather would make a good topic for discussion, but since Jimmie is the expert on weather we will leave that to him. Frankly, I don't think he is so hot on his predictions but at long as he says it is going to rain we will go along with him.

Our work the last week consisted mainly of District Court, citations and the usual minor troubles.

Small claims must still be paying off pretty good, judging from the number of cases being filed. One thing that helps this office is the raising of the filing fee from \$2.00 to \$3.00. This allows us enough to at least pay the county for most of the gasoline we burn serving the citation. One thing the merchants can do to help us considerably is to get current addresses of those filed on. Sometimes we can find a fellow with a Gen. Del. address but we do less driving and bother less people if we have something a little more definite. The merchants should have more than a Gen. Del. address if they are going to open a charge account for a stranger anyway.

In case you are in the market for a late model car with all the extras, including an air conditioner, just contact Dean Herring. If you don't have the cash just give him a check. Most any bank will do.

We have about 8 in jail at this time and tonight we will pick up G. S. Thornton, better known as Pete Knight. You probably read about him in last Sunday's Amarillo paper. He is a good friend (I think) of Pete Gunn down at Hereford Motor Company. Wonder if the guy got paid for his fancy roping horse?

See you next week.

LISTENING—to someone who is better than you are helps considerably. At least that's the opinion of Ronald Zimmerman, Ed Schroeter, and David Wertenberger. The Coke bottles lined up along the wall is just a starter compared to what the collection will look like in a few days. (Staff Photo)

If it wasn't for pretzels some men would live on a liquid diet. Some people just aren't happy if they haven't a belly-ache. Sure are lots of people putting on an act who aren't on the stage.

## County May Seed Big Wheat Acreage - - When it Rains

Present activities indicate possibility of one of the largest wheat acreages for 1955-56 in the history of Deaf Smith County.

Actual allotment for the county is reported at 219,000 acres through the ASC office, but observers predict twice that amount will be planted—and possibly even more if sufficient moisture falls over the territory.

Chief reason for the increased interest in such a large acreage lies within a provision of the farm regulations which allows producers to store excess acreage yields for sale in dry years. Furthermore, the situation apparently well fits the dry-land methods of the territory.

"Excess acreages are penalized on normal yield of the farm," said Faust Collier, ASC manager. "However, the normal yield may

be stored to avoid the penalty on any particular year."

Farmers, becoming acquainted with the provision, have in a few past instances over-seeded wheat acreage on the theory of "grow it when you can". In turn, they have sold the surplus in following dry years when they failed to make a normal crop.

"Over-seeded wheat, stored under such a situation, can be sold without penalty the next year, either from under-seeding or from crop failure," Mr. Collier said. The owner must request a release on the stored wheat from the County Committee before he can meet requirements.

The chief hindrance right now, it seems, lies in the fact that farmers are waiting for ample summer moisture.

## Camp Fire Girls Leave Today For YMCA Camp In Colorado

The older group of Camp Fire Girls leave today for the annual summer camp. The younger group which included girls up to and in the sixth grade, have returned from their trip to a camp near Floydada.

The group will go to YMCA

Camp Rye in Colorado this year. This camp is located halfway between Pueblo and Walsenburg. All meals will be furnished. Councilors will also be provided by the camp and the camp mother will act as nurse.

Various sorts of entertainment will be featured and the girls will receive instructions in riflery, archery, and horseback riding.

Jimmy Paetzold will drive the truck with the camp equipment and Homer Brumley will drive the bus. They will spend the first night at Clayton, N. M., and have breakfast there after the "camp out", and expect to reach the camp in time for supper the second night.

Girls making the trip are Eugenia Alexander, Jane Bookout, Ann Caraway, Linda Hair, Carol Newell, Dolly Paetzold, Dolly Jo Prowell, Mary Ruth Strange, Novilla Findley, Donna Lovell, Doris Willoughby, Verena Parker, Dana Nafzgar, Patsy Cowart, Phyllis Goetsch, Joan Fowlkes, Carolyn

## DDT Spray Leads To 'False Alarm'

It's about like the time the lady came in from the cold and her glasses fogged up. Thinking it was smoke, she called the fire department.

Only this time it was DDT. Everything was going fine in the Star Theater when the City decided that the alley behind the theater needed spraying. The DDT came in through the air conditioner and created such a dense fog that patrons could hardly see.

Manager Francis Harwick, who was upstairs at the time, was unaware of the situation. He noticed what he thought was smoke and rushed downstairs with the fire extinguisher to put out the blaze.

All of which goes to show what a little hot weather can do to a person.

## Drop Reported In Postal Receipts

According to Elmer Patterson, assistant Postmaster, 1955 postal receipts took a drop of \$413.78 for the month of July.

In comparison with the last month and year, receipts for July are lower than both.

Receipts for July of 1955 total \$5,760.60 while for July of 1954 the total was \$6,174.38. In comparison with last month, the receipts were \$1,853.01 lower.

In the same period that 33,417 Americans were killed in the Korean war, 650,000 Americans died of cancer.

Knox, Betty Paetzold, Ella Marie Williams, Linda Parker, Judy Coffin, Jenny Lynn McEachern, Rosa Strange, Bonnie Craig and Jean Terry.

Others making the trip are leaders, Mrs. Louis Woodford, Delton M. Cowart and Jack Winget. Also Carolyn Brumley, David Brumley, Corky Paetzold and Susie Woodford.

## Dress Revue August 10-11 Plans Listed for County

Detailed plans were released today for the County 4-H Dress Revue, scheduled Aug. 10-11 in Hereford.

"Garments will be judged on Aug. 10, beginning at 9 o'clock Wednesday morning," according to Loyce Avent Sullivan. The session will be held in the county courtroom.

The Dress Revue will be held Thursday, Aug. 11, at 2:15 o'clock in the auditorium of St. Anthony's church, Mrs. Sullivan said, and a program has been planned at which awards will be presented.

"Girls should wear their garments with the accessories on Wednesday, Aug. 10, when it will be judged on the girl and upon the workmanship," Mrs. Sullivan said. Records are due in the county office Monday, Aug. 8, however.

She also asked that the different clubs please be present at the following hours:

- 9:00 a. m., Happy Homes.
- 9:30 a. m., Sadie Lee Oliver.
- 10:00, All girls 14 years by Jan. 1 of the current year, who are in competition for county and district awards.
- 10:30, Merry Maidens.
- 11:00, Jolly Girls.
- 11:30, Caprock.
- 1:00, County Wide.
- 1:30, Walcott.
- 2:00, Danial.

Judging will be done by home demonstration agents and other home economists. The county winner will be selected from the 11-year by Jan. 1 class. She must

have the highest combined score on record book and garment, Mrs. Sullivan pointed out.

## Ritchs Attend Lubbock Rites

Mr. and Mrs. H. E. Ritch, of eight miles south on Highway 51, returned from Lubbock from the funeral of P. W. Morris, 84, who was her father.

Mr. Morris died in his sleep on August 1.

The Ritches were joined at Lubbock by their children, Dr. Thomas Ritch of Shreveport, Texas, Charlotte Ritch of Pueblo, and Hugh Lee Ritch of Hereford.

Visiting this week in the home of Mr. and Mrs. Bill Shore is a nephew, Frankie Todd, of Lubbock. Frankie is the son of Mr. and Mrs. Frank L. Todd.

### Double Ring Ceremony Unites Miss Pauline Young, Lloyd Bridges

In a double-ring ceremony performed in the home of Mr. and Mrs. David Miles, Friday at 8 p. m., Miss Pauline Young became the bride of Lloyd Bridges. Parents of the young couple are Mr. and Mrs. R. Young of Dimmitt and Mr. and Mrs. Ed Bridges of this city.

Bridal bouquets of pink gladioli and greenery. Miss Christine Young attended the bride as maid of honor. She wore a pink bolero and a street length dress featuring blue and white accessories. Edwin Bridges served the bridegroom as best man.

The bride wore a pastel blue frock of chantilly lace with matching blue hat and shoes. Her bouquet was a cluster of pink rosebuds arranged on a white Bible. She al-

so wore an heirloom necklace as her only ornament.

Mr. and Mrs. Thomas Botsford gave the wedding music. Mr. Botsford sang "I Love You Truly" (Bond) preceding the ceremony, accompanied by Mrs. Botsford on the accordion and "Blest Be the Tie That Binds" was played as the bridal party entered.

The bride's mother wore a navy nylon dress and Mrs. Bridges, the bridegroom's mother, wore a dress in lighter blue. Their flowers were pink carnation corsages.

**Reception in Home**  
Following the ceremony a reception was held in the Miles home, where table decorations carried out the pink and blue colors used in the wedding. Mrs. David Miles and Mrs. J. R. Mitchell served the wedding cake and punch.

When the couple left on a honeymoon trip the bride traveled in her bridal attire with added matching purse and pink rosebud corsage.

Mrs. Bridges is a graduate of Spade High School and attended business college in Plainview. She also graduated from the Western Union Telegraph School in Springfield, Mo., and is now manager of Western Union offices in Hereford.

Mr. Bridges attended Hereford schools and is presently employed with the Hereford Wrecking Company. After August 11, the couple will reside at 131 W. Third St. in Hereford.

Out of town guests attending the wedding were Mr. and Mrs. J. R. Mitchell, Judy, Carroll and Joan, Mr. and Mrs. R. Young and Marshal of Dimmitt; Mr. and Mrs. Virgil Pierson, Gerald, Bobby and Don of Abernathy and Mr. and Mrs. A. R. Harper and children of Booker.

## Legion - Auxiliary Names New Slate Of Officers

New officers for the Hereford American Legion Post No. 192 and the Women's Auxiliary were installed in a joint ceremony held at the Legion Hall on August 2. Ira Ott, zone president and Ray Smith, past

District Commander of Amarillo, were the installing officers.

Officers installed were: Auxiliary, Argen Draper, president; Robert Watson, vice-president; Frances Parker, secretary-treasurer; Lena

Lomas, sergeant at arms; Troyce Hanna, chaplain; Neva Parker, reporter; Johnnie Morris, parliamentarian; Gladys Graham, historian. Outgoing officers for the organization were: Mrs. Homer Logan,

president; Mrs. Ralph Smith, first vice-president; Mrs. Carlos Vaughn, secretary; Mrs. Cecil Parker, historian; Mrs. Ira Ott, treasurer; Bessie Smith, chaplain; Mrs. Walter Frost, sergeant at arms; Mrs. Ida Mae Vaughn, parliamentarian. Legion officers installed were Cecil Parker, commander; Jimmie Roberts, first vice-commander; J. D. Pruitt, second vice-commander; Charlie Morris, adjutant; Carlos Vaughn, sergeant at arms; Argen Dobbins, historian; Ralph Smith, chaplain; C. C. Acker, finance officer.

Retiring officers for the Legion are: Charles Crowell, commander; Ira Ott, first vice-commander; Carlos Vaughn, second vice-commander; Harold Pettyjohn, adjutant; Homer Logan, sergeant at arms; Lewis Thomas, historian; Ralph Smith, chaplain; C. C. Acker, finance.

Following the installation, Mr. and Mrs. Homer Logan, delegates to the state meeting held in San Antonio, gave a report. Refreshments were served at the close of the meeting.

Members of both organizations emphasize child welfare, and each year sponsor delegates to go to Austin to become acquainted with the work of the state government. Delegates making the trip this year were Delores Loeerwald, Dick Wilson and Jerry Albracht.

Ordinarily only one girl is chosen for Girls State and one for Boys' State, but those making the trip were so enthusiastic about the program that a local business man sponsored a second boy this year.

Both groups meet twice a month with a business meeting on the first Tuesday night and a social meeting on the third Tuesday.

Mr. and Mrs. Delton R. Cochran

## Nelda Karen Phifer Is Bride Of Delton R. Cochran Here

The marriage of Miss Nelda Karen Phifer, daughter of Mr. and Mrs. F. A. Phifer, and Delton Ray Cochran, son of Mrs. Zona Cochran, was solemnized in the home of Mr. and Mrs. O. R. Sanders, Sunday, July 31. Rev. Don Root, pastor of the First Christian Church, conducted the double-ring ceremony in the presence of close friends and relatives.

An arch of flame-tipped wedding tapers in candelabra entwined with greenery provided an improvised altar setting for the service and traditional wedding music was played by Verita Sanders. Carol Phifer and Geneva Logan lighted the candles.

Miss Gayle Wagonner served as the bride's only attendant. She wore pale blue cotton taffeta fashioned with sleeveless bodice and full skirt. She carried an arm bouquet of pink carnations. Joel Newman was best man.

The bride wore a street length dress of embroidered organdy over cotton taffeta. A fitted bodice was designed with low square neck edged with organdy medallions, and cap sleeves. The full circular skirt was edged at the hemline with a tiny fold of matching material. Her veil of illusion was held by a rhinestone band. The bridal bouquet was a single white orchid surrounded with white Frenched carnations tied with wide satin ribbon carrying out the embroidered effect of the dress. She also carried a white Bible.

### Reception Is Held

A four-tiered wedding confection decorated with sugarpun rosebuds in pink and a mound of white carnations adorned the lace-laid reception table.

When the couple left on a honeymoon trip to points of interest in New Mexico, the bride was attired in a pastel yellow suit worn with pale blue blouse with navy trim. Accessories were in navy and she wore the orchid detached from the wedding bouquet.

Mrs. Phifer, the bride's mother, wore a frock of blue glazed cotton and the bridegroom's mother wore a gray nubby weave dress with Eton jacket trimmed in white. Both wore pink carnations.

Mrs. Cochran is a junior student in Hereford High School and will continue her studies here.

Mr. Cochran is a graduate of Hereford High School and has been in service for one year. He is now stationed at Camp Lejeune, North Carolina, with the U. S. Marines. He will return to his post August 21.

## Correspondent To Lecture Sunday At Assembly Of God

G. R. Dewey, foreign correspondent for the past 27 years, will present lectures at both Sunday morning and evening services at the Assembly of God Church.

Mr. Dewey has traveled throughout the nations of the world, has been across the ocean 25 times and behind the iron curtain five times.

He recently served as correspondent for the East African Mau Mau conference. He attended the Geneva Conference as one of the top correspondents and expects to discuss events of importance which took place at these meetings.

Mr. Dewey's lecture Sunday evening will be entitled, "The Four Horsemen", which he will link with prophesy and present-day events.

## Presbyterian Groups Meet

The summer group meeting of the Woman's Auxiliary of the Presbyterian Church was held at the church Wednesday. A morning coffee was the order of the day.

Mrs. R. B. Miller was in charge of the program on "Membership" with Mrs. Paul Mathers and Mrs. Emil Dettman assisting in presenting a skit, themed to point up the thought that there is a place in the women's work for all ages.

Miss Shirley Root, who is in charge of the Day Center at the local Labor Camp, outlined the aims and objectives of the center and told of the progress now being made.

Special guests were Mrs. Lee Foster, district president of the Auxiliary, and Mrs. R. Barkley of Canyon.

Although women dress to please men, they usually miss it about 30 minutes.

# New Homes Set Pace For Modern Living

THE SUNDAY BRAND

..... Relaxing At Home!

## Women's Activities

The Sunday Brand, Sunday, August 7, 1955

SECTION TWO

### Division Area Adds To Comfort

Mrs. Townsend Douglas and her six year old daughter Sue Ellen are pictured on the love seat which serves as a partition for the L-shaped living and dining area of her new three bedroom home on Texas Ave. The living room is paneled in pale turquoise

and decorative accents are in shades of mustard and shades of brown, with those colors repeated in the wall paper in the dining area and in drapes. The door at the left leads into a large den.

Relaxing in the living room of their new home on Harrison Highway are Mrs. O. R. Sanders and her daughter Verita. Walls of the combined living and dining area are in two shades of soft rose and the fireplace of knotty pine features concealed lights. The unusual shaped lounge chairs at either side are in lime green velvet. The sofa and matching chair wear

a textured weave of pink, black, and silver. Drapes in black, lime and rose add to the background and lime was used again in the lamps. Carpets are in soft grey. The Sanders home has three bedrooms, den, and two baths.

### Entertaining In The Kitchen .

Mrs. Fred Kroll finds fun in entertaining in her new modern kitchen. She is pictured with her son David, three and a half, and Diane, who is seven, getting ready for an afternoon snack. The kitchen-den combination is paneled in mahogany. The built-in electric oven at the right is attached to the built in stove which with the snackbar provides a

divider. Decorations in the den are in yellow and tan with gay drawn curtains repeating those colors with a touch of red. The den is a room of many uses. Family and guests alike, enjoy its informal atmosphere. It houses both the television and the radio. This three bedroom home is located at 315 Star St.

### Family-Friends Gather In Den

The den in the Clyde Truly new three-bedroom home looks like a place where both family and friends would like to spend a lot of time. Colors chosen are distinctive and alive without being bright. The walls are done in shrimp colored ripplewood and the tile floor picks up the shrimp with

rust. Furnishings are in ranch-oak and the panel above the divan is of double glass. Mrs. Truly is shown in her favorite nook reading to Candy age four, and Johnnie three. The divan is green with brown and rust pillows and the side lamps are brass with green shades.

## Bridesmaid's Luchéon Is Held In McCullough Home

A lovely nuptial courtesy honoring Miss Shirley McCullough, whose marriage to Harold Brothers will take place in the Hereford Church of Christ today, was the bridesmaid's luncheon given by Mrs. Ralph McCullough and Mrs. Don McCullough of Amarillo in the Ralph McCullough home Saturday, July 30.  
 Miss Mary Lou McCullough, sister of the bride, will serve as maid of honor and bridesmaids will be Betty Hamilton, Barbara McGee, Jo Sumerford of Abilene Christian College, and Mrs. James Killian of Amarillo, cousin of the bride. Cynthia Ann Knox will be flower girl.  
 Decorations throughout the house carried out the bride's chosen colors of aqua and pink. Tables for four were laid with pink linen cloths and centered with miniature ships fashioned of pale pink shells with sails of aqua net. These were filled with pink rosebuds tied with tiny wedding bells attached to streamers bearing the names of the bridal couple and announcing the date August 7, as the starting time of the matrimonial cruise. Places were marked by tiny bags of rice made of aqua net and tied with pink ribbon. At the bride-elect's place was a pink and aqua corsage.  
 The same colors were featured in the luncheon menu with molded ice cream in the shape of pink wedding bells serve as the dessert with wed-

ding cake iced in pale aqua.  
 Others attending besides the honoree and her attendants were the bride-elect's mother, Mrs. Ray McCullough, Mrs. Frank Mullican, Mrs. Fed Fox, Mrs. Bob Wear of Canyon, Mrs. Lawrence McGee, Mrs. Marvin Knox, Mrs. Ira Paige of Dimmitt, Mrs. Chester Wiggins, Mrs. Doug Rittenberry of Amarillo, Miss Sylvia McCracken, and Miss Nancy Zurrows of San Bernardino, Calif.

## Vows Are Read In Tucumcari

Mr. and Mrs. Wallace Shelton have announced the August 1 wedding of their daughter, Dorothy Ann, to Darrell Franklin, son of Mr. and Mrs. H. R. Franklin of Friona.  
 Vows were repeated in Tucumcari, N. M., Monday in a double ring service with the Rev. H. Whitehead, pastor of the Trinity Baptist Church of Tucumcari, officiating in his study.  
 The bride was dressed in soft gray faille fashioned with fitted bodice, very full skirt and winged white collar. Accessories were in white and she wore a small veiled white straw hat. Her bouquet was of white rosebuds.  
 The bride came to Hereford with her parents in 1947 and attended Hereford Schools. The bridegroom attended school in Friona and served overseas two years with the armed forces. He is presently employed by the Adams and Brookfield Pump Company in Friona.  
 The young couple are now residing at 120 Kibbe St. in Hereford.

## Random Thoughts About the Proposed Deaf Smith County Airport Bond Issue

Members of the Commissioners Court will tomorrow review petitions asking for a \$150,000 bond election for construction of a modern secondary airport. Furthermore, in view of the demand, it appears most likely that the election will be called.

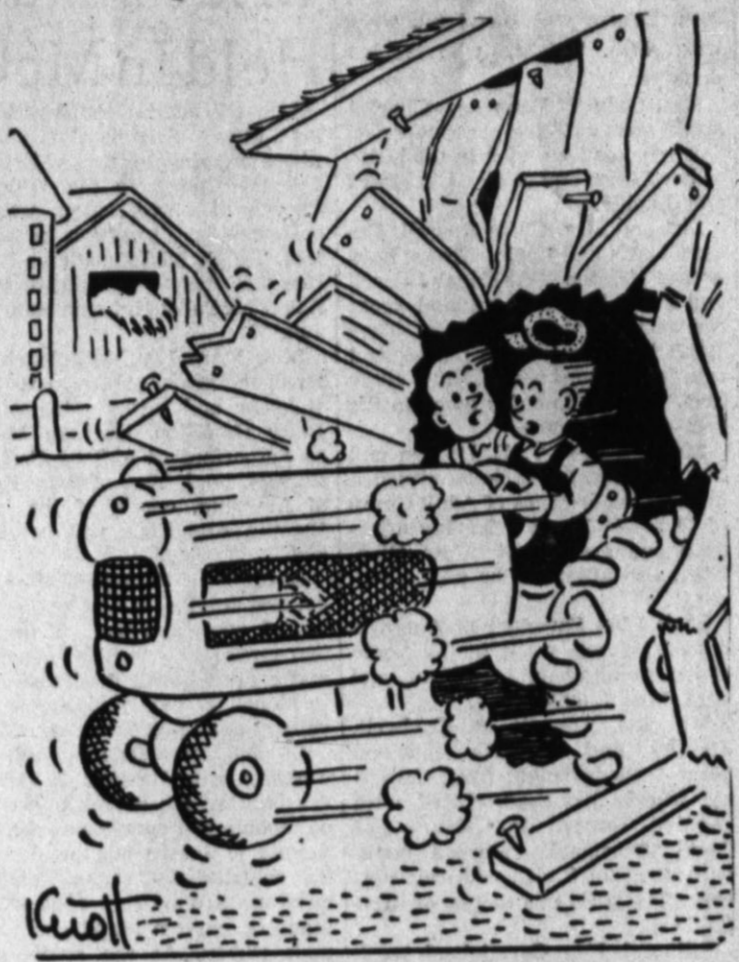

Such procedure is democratic view of the fact that the final decision is left up to the voters who, after all, are the ones who will foot the bill in case an airport is constructed.

The area needs an airport. There is no question about this fact. In addition, the financial condition of Deaf Smith County is in excellent shape to stand such an expenditure. Add to this the fact that the federal government will match the cost, dollar for dollar, and we have to admit that the county is getting a real bargain. Even of the remaining amount to be paid by the county, it is safe to say that 25 to 40 percent will be assessed against non-resident land owners who operate farms, and own rent houses and buildings in the territory, yet contribute a minimum to actual costs in the community.

Weighing against the proposal is the fact the area already faces heavy bonded indebtedness in its school district, along with considerable indebtedness on the city -- and the possibility of additional issues to cover future expansions along both of these lines.

Deaf Smith County was one of the few governmental agencies which failed to secure cooperative funds back during the days of WPA and other Federal Aid projects. The situation can be classed as good or as bad, depending on the point of view. Residents of the area, however, are still paying their part on similar projects which other counties and governmental agencies constructed at that time. The airport situation, as we see it, is much the same. As citizens of the United States we are already helping to pay for airports in other communities. Whether we get one of these modern, half-price airports will depend upon the outlook of the people.

To us it seems good business to vote for the bond issue and get back the \$150,000 in federal aid which, otherwise, we will pay out to benefit some other community.

"WELL, NOW WE KNOW WHAT THIS LEVER DOES."

### QUESTION OF THE WEEK

## City Equalizes Automobile Taxes

News of the City Commissioner's plan to tax all automobiles within the city limits will, no doubt, have varying effects upon different individuals.

Some of those who have been going tax free will be somewhat upset over the decision. Others in the same class will welcome the plan as a chance to pay their part in the operation of our city government.

No one can honestly argue that it is fair for the real estate owner, who already carries a lion's share of the tax burdens, to pay city taxes on his automobile while the other fellow escapes without paying anything on a car of equal, or greater value. Seen from this viewpoint, the movement to assess all automobiles will likewise leave the property owner in a better frame of mind.

Collections, of course, will be the big problem to be considered under the new plan. The State of Texas cites methods to make such collections through our courts. However, we are inclined to feel that cases where residents move away to other areas will present cost problems which might easily prove prohibitive to some collections. Too, we can well imagine the City of Hereford in the automobile business if it should develop that they confiscated 800 or 1,000 automobiles for back taxes.

All in all, though, the new measure appears to us to be a step in the right direction. No one likes to pay taxes—even under the best of circumstances. Equalization of the tax load by distributing it among all people with like possessions is definitely what the tax payer is entitled to expect from his government, whether it be city, county, or school district.

## Value of Time

Those who realize the value of time, comprehend the importance of employing it to best advantage. Recently a magazine writer wisely appropriated time in the following manner:

Take time to live, for that is what time is for; killing time is suicide. Take time to work; it is the price of success. Take time to think; it is the source of power. Take time to play; it is the fountain of wisdom. Take time to be friendly; it is the road to happiness.

Take time to dream; it is hitching your wagon to a star. Take time to look around; it is too short a day to be selfish. Take time to laugh; it is the music of the soul. Take time to play with children; it is the joy of joys. Take time to be courteous; it is the mark of a gentleman.

Man has a new ally in his fight against the destructive tent caterpillar. A black parasitic fly, which preys on larvae of the wooly menaces, has been discovered in the Adirondac Mountains.

Owner of a pub in Glasgow, Scotland, provides numbered glasses to avoid mix-up in drinks, he says. They also minimize the chances of accidentally pouring a wee free one, laddie.

It won't be long before the old narrow where two cars can barely pass without colliding, will be replaced by splendid highways on which six or eight cars can collide at the same time.

## Citizens Air Ideas On Following Fire Trucks

One of the most serious problems in all communities is the following of fire trucks by citizens, creating traffic hazards and sometimes hampering efficiency of the Fire department. What do you consider the most practical solution to the problem in this community?

**MRS. EUGENE NAUGLE**  
For adults to use their common sense and not follow the fire truck so the young people won't do it and will realize how dangerous the situation is.

**JEWEL SMITH**  
To have the police give each offender a ticket asking them to appear in court on a certain day and have a fireman talk to the group. Then fine all the second-time offenders.

**O. WERTENBURGER**  
Publicize all the damage done when the fire trucks are followed and educate the people to realize the seriousness of the problem.

**MARVIN L. WINGET**  
Make volunteer firemen out of all the persons following the trucks and require them to be at all fires, no matter what.

**MRS. FRED SIMS**  
A law should be passed and enforced to make it unlawful for the public to follow the trucks just out of curiosity, and fines should also be given.

**D. E. CLEVELAND**  
Fine the offenders and make them realize the seriousness of the problem.

**EARL PHILLIPS**  
In my estimation, people should just give the fire department two or three minutes before coming to the scene of the fire, so the way will be clear for the trucks and then the accidents won't be so apt to happen.

**MRS. L. E. FIELDS**  
Pass a law against the following of fire trucks and enforce it by fines.

## 'Tater Peelin's

by Roberta Campbell

Buster, our fourteen year old farmer, did just fine until we turned the calendar over to August. Now he is running up his blood pressure over school starting, but we don't take it too seriously because once he gets in the harness he is happy enough and always manages to squeeze his way up to the next grade. Maybe we aren't as enthusiastic about "A" grades and perfect attendance records but, in spite of all the years we spent behind a teacher's desk, we think the place for a sick child is at home - and that there are other things that will help him more in later life than a perfect report card.

We were interested in a magazine article recently which pointed out that it is well enough to teach a child to be cautious but don't emphasize the word "Stranger". Records show that Sex offenders usually molest children they know and it is more effective if the youngster is taught to refuse to get into cars, or accept money, etc., unless they have the consent of their parents.

Looks like the curfew laws that are getting results in some other places are catching on in Texas lately. The thing it includes adults as well as teenagers and children. May be that makes the whole idea workable seems to be that hard on the old folks but the kids seem to relish the idea of having somebody to come home to.

Somebody needs to invent stilts for a feller that has to hoe weeds. After he works all day he's too tired to lay awake nights scratching chiggers.

We also envy the person who seems to be immune to mosquitoes. We aren't that lucky but our niece says if they would just be quiet and light and bite she wouldn't mind. It's the buzzing that drives her crazy.

The things some folks find to worry about.

By Margaret Alston

When you were downtown shopping on Dollar Day, have you ever thought how it was started in this town—and by whom?

If you would like to know, go see Paul Harvey and he can tell you, since it was through his efforts and with the help of some of the other merchants that Dollar Day first started in November of 1946.

Another thing that can be attributed to Paul Harvey is the reinstated use of Christmas lights. Having recently come from another town, the first Christmas Harvey was here he noticed and missed the lights. He then decided something should be done about it. Again with the cooperation of the merchants and civic clubs, it was accomplished in the order of the Christmas decorations which we now appreciate every year through the sponsorship and hard work of the Jaycees.

Born December 6, 1909, in Gresham County, Texas, Paul Harvey attended school in Dennison. After his graduation from high school in 1928, he worked for a Dallas produce market as a salesman. Two years later in 1930, he went to work in Hugo, Oklahoma, for the J. C. Penney Co.

In 1940, Harvey went to work for the Pratt Grocery Company. Having worked there about a year, he then became connected with the C. R. Anthony Company in Chandler, Oklahoma, and has been associated with them ever since. In 1943, Harvey left Chandler, going to Carlsbad, but did not stay there long as he soon returned to Chandler to become manager of the store.

Harvey left Chandler again in 1946, when he moved to Clovis; but left there in the same year and came here as manager of the C. R. Anthony store in Hereford. He has been with the company for the past 14 years and has received many awards for his work.

One of the reasons Paul came to Hereford was because it was beginning to grow and he thought it had many possibilities.

In 1946, in Tishomingo, Oklahoma, Paul married Miss Margaret Watkins. The Harveys have one son, Mike who is seven and one-half years old.

For the past seven years, Paul has served as Deaf Smith Chapter Chairman for Infantile Paralysis and has aided many polio victims through hospital care.

A member of the First Baptist Church, Harvey has helped his church in every way. He is also a Scottish Rite Mason and a member of the Lions Club.

Past president of the Chamber of Commerce, he has also served on the board of directors of both the Lions and the Chamber of Commerce.

Harvey's idea of Hereford is that it is a growing town and is an ideal place to live and raise a family, though he feels that much can be done to improve the town.

"For one thing," says Harvey, "we need an airport and some kind of industry. Also, the highways leading into our city should be made more presentable so that more people might be attracted to our town."

## HUMOR FROM OTHER Columnists

J. Claude Wells, publisher of The Memphis Democrat, reported in his weekly column "Claude's Comments", that his news editor recently married. "The Amarillo News," he went on to add, "carried a story of Burl (McClellan) getting married and along with the story ran the picture of his sister-in-law, Mrs. Bill Davis. The next day the paper ran the Bill Davis wedding story and ran the picture of his sister, Mrs. Burl McClellan. Now, Burl is wondering who might be taken into the clutches of the law for committing bigamy. Anyway, the big dailies make errors just like the small weeklies frequently do."

Two bright statements turned up in Al Hinds' "Paducah Prattle" in The Paducah Post. Hinds said that, "Married men don't live longer than single ones. . . . It just seems that way." And to top it off he added, "A good sermon helps people in different ways. Some rise from it greatly strengthened. Others wake from it greatly refreshed."

Harlan Miller, writing in the Des Moines register, says that "Even in Texas they use Iowa corn for Christmas trees." Paul Crume, of The Dallas Morning News, quickly shot back, "This shows how states hundreds of miles away are always trying to capitalize on Texas. Matter of fact, we buy all those corn stalks for low hedges."

### NEW SCHOOL AT DIMMITT

Voters of the Dimmitt Independent School District endorsed a \$500,000 bond issue Saturday to provide for one of the most modern school plants in Texas. The election carried 128 to 29. The turnout according to election officials, was disappointing as less than one-third of the qualified voters of the district went to the polls at the high school. Interest was high among the 157 voters who did go to the polls, however, and considerable discussion was manifested in the election.

### SPUR HOSPITAL SHOWER

Over 200 area supporters of the Spur Memorial Hospital indicated their devotion to and belief in the hospital Tuesday by sending or bringing gifts to the shower. The hospital shower was sponsored by the Spur Memorial Hospital Auxiliary. Mrs. C. P. Scudder, vice-president of the auxiliary, states that the shower was a big success. She reports that among the gifts given to the hospital were linens, baby needs, smoking stands, kitchen utensils, glassware, waste-paper baskets, bed lamps and cash plus enough frozen food to fill up the freezer.

### PERRYTON BOND ELECTION

Tuesday, August 16, has been set as the date for the bond election to determine whether or not to rebuild Wolf Creek Dam. The Ochiltree county commissioners set the election date Tuesday after being presented petitions containing approximately 200 names of county taxpayers. The election will be whether or not to authorize the issuance of \$150,000 in bonds, not to exceed 30 years from their date, bearing interest at a rate not to exceed 2½ percent per year.

### LITTLEFIELD SEEKS AIRPORT

The Littlefield City Commission has applied to the Civil Aeronautics Authority for approval of federal aid funds amounting to \$85,750 for buying land and building a new airport in Littlefield. The city request the federal aid on the basis of a new plan whereby the CAA provides half the funds for buying land, building runways, administration buildings, engineering cost and other approved projects connected with building new airports according to CAA approved plans.

### DONATE 114 HOURS

A total of 114 local women served 520 hours in four-hour shifts at the Sanford Hospital in Perryton, staying with the four injured Holt children, survivors of the July 9 wreck which killed five members of their family. The volunteer nursing program was arranged by the local Red Cross chapter and Mrs. J. F. Cox, home service secretary, said that the Holt children were not left alone a moment during their eight day critical period. All are recovering satisfactorily.

## The BOOTLEG —Philosopher

Editor's Note: The Bootleg Philosopher has discovered a new problem, his letter this week reveals.

Dear Editor:

I have read lots of amazing news out of Washington, but I read some the other day which left me so amazed I haven't hit a lick of work all week.

I'd gotten up that morning intending to work a little, but thought I'd first look over a newspaper to maybe give me something to think about while I went up one row and down another, and sat down in the shade propped against a rear tractor tire and started reading. It ruined my working day.

According to an article that jumped out to me from the front page, Congress was in a turmoil recently because, when the time came to appropriate three and a half billion dollars for the defense department, it was discovered the department had failed to spend several hundred million of the money it got the previous year, but not wanting to get caught in such an unheard of position, the department spent it all in the last 24 hours of the fiscal year.

Somebody in Washington is slipping worse than I ever dreamed was possible, and I think something ought to be done about it immediately.

If Washington can't find men who can spend all the money Congress can appropriate, I'll be glad to help out, although I do not believe there is a shortage of such people in this country and I believe Washington can find them if it tries. There must be thousands of people, serving on city councils, at county seats, in state legislatures, who wouldn't have any trouble at all spending more money than anybody can budget.

It's embarrassing to Congress and the country as a whole, especially to me, to find there are people who have to rush out on the last day of their fiscal year and spend wildly in order to avoid having a carry-over.

It's a problem I never have encountered around here, but would like to try.

Yours Faithfully,

June Marian Smith

### Wedding Date Is Announced

The wedding date of Miss June Marian Smith to Walker Freeman was announced by her mother, Mrs. O. A. Smith, 403 Irving, Friday morning at a breakfast given in the Smith home. Mr. Freeman is the son of Mr. and Mrs. F. A. Freeman of Follett.

The bride-elect's chosen colors of orchid and yellow were carried out in appointments in gladioli and other seasonal flowers and in a wishing well where the nuptial news was reflected in a mirror at the bottom of the well. The wedding will be solemnized on September 1, in the First Baptist Church.

Miss Smith is a 1954 graduate of Hereford High School and attended West Texas State College last year. While there she was a member of Phi Gamma Nu sorority and took active part in Baptist church affairs on the campus.

Mr. Freeman served four years in the Korean War and attended W. T. after his release. Attending the breakfast announcing the forthcoming marriage were Treva Smith, Neidean Flowers, Marilyn Legg, Marlene Legg, Jerry Rayburn, Vendell Edwards, Marian Lomenick, Karen Sue Smith and the honoree.

Visitors Monday night in the F. A. Tucker home were Mr. and Mrs. Jess McGee and son Ricky and Mrs. James Pearson from Dallas, Mrs. A. C. Reeves from Midland, and Mrs. Cecil Welch from Gainesville. The ladies are all sisters of Mr. Tucker.

Mrs. Robert Veigel left Wednesday for Dallas where she went to bring home her daughter, Dorothy Veigel, who has been working there for the summer.

Mr. and Mrs. Nolan Gatewood, Wally and Jerry of Whittier, Calif., visited the past week with his mother, Mrs. J. W. Gatewood, and Mr. and Mrs. H. E. Wester.

Mr. and Mrs. Bill McCabe and Mrs. Stanley Cox of Borger, visited last weekend in the home of Mr. and Mrs. H. E. Wester.

### At The Movies

"New York Confidential" the film story which bares the secrets of the international crime cartel, shows Wednesday and Thursday at the Star Theatre.

An Edward Small presentation, the film stars Broderick Crawford, Richard Conte, Marilyn Maxwell, Anne Bancroft and J. Carrol Naish.

Broderick Crawford is seen in the role of Lupo, the boss of the organization's operations. Richard Conte is Nick Magellan, the cool-as-ice killer who accepts the "contracts" (assignments) to kill from the crime leaders—even if it means his own life.

### "Six Bridges To Cross"

The tremendous human drama behind the headline-story of the great \$2,500,000 Boston robbery that shocked the nation, makes Universal-International's "Six Bridges to Cross", starring Tony Curtis, Julie Adams, and George Nader, the picture shows Sunday and Monday at the Tower Drive In. Against the background of that crime this picture makes the screen's first honest appraisal of the strange law-enforcing bond that links cops and stool-piggon. Such a reluctant alliance ties slum-born Boston crook Tony Curtis, to world-wise policeman George Nader, a bond that finally breaks when Tony forfeits all favors and friendship in a master doublecross. Convinced that Tony is behind the daring \$2,500,000 hold-up, Nader proceeds ruthlessly and relentlessly to wear him down in an effort to solve the case.

### La Madre Mia Club Members Fete Husbands

La Madre Mia Study Club members entertained husbands with a swimming party and picnic at the Municipal Pool Friday evening.

Those attending the fun-fest and picnic feast were Messrs. and Mesdames Dean Herring, Troys Riddle, Carroll Goss, R. V. Hale, John Hampton, Ogle Riddle, Glen Hopson, Calvin Goodin, Dennis Lomas, Don Fudge, Hershel Miller and Eugene Sparks.

Alvis Bryant and Huland Masters, and son, James, of South Berry, Vermont, were guests Thursday evening in the home of Mr. and Mrs. Edgar Telchik.

Mr. and Mrs. Dan Trew and son Tommy left Saturday morning to go to Wellington where they are spending the weekend with his parents, Mr. and Mrs. J. B. Trew.

Mr. and Mrs. Floyd Walton and son Kim were in McLean a few days this past week when they took Mrs. Walton's sister home, Miss Othella Eustace.

# Streu's Diary

August 5, 1955

### DEAR DIARY:

I am really taking a beating on TV deals—however, I only have a few '55 sets left so guess I'll make out until they are gone. Prices are too low for you to pass up if you are interested in a TV at a bargain. Have one New Perfection oil range to sell—was \$135.00—priced now at only \$49.95! Jean has a bunch of stuff on the mezzanine bargain table that is priced idiotically low.

For those of you who have not as yet taken a vacation, Streu's is in a position to furnish all camping needs—tent, sleeping bags, cots, air mattresses, car refrigerators, water bags, cooking gear, thermic jugs, camp stoves, tables, lanterns and folding chairs. Of course we carry the famous Coleman lines. Also lots of fishing tackle for fly fishing, casting or spinning—or just plain old nigger fishing. Try Streu's for fishing tackle and outdoor equipment.

RECENT ARRIVALS: Sheet metal screws—faucet washers—electric lantern batteries and radio batteries—scythe snaths and blades—step ladders—enameled pots, pans, coffee pots, etc.—Old English paste wax—charcoal and brickettes—step on garbage cans—ice cream dipper and freezers—and dozens of other items—should have a new shipment of RCA Victor records Monday or Tuesday.

There are many new citizens moving into Hereford each month, and we, at Streu's invite each of you to visit our store, get acquainted with our personnel, our stock,

and our service—we are also happy to open thirty-day accounts for those of you who have need of credit. See us right away.

I understand there have been numerous complainants attending both County and School Board of Equalization hearings recently—mostly on account of increased taxes—no doubt the City Board of E will also hear from a great many citizens—which, in my opinion is a good thing. It is a good thing for the simple reason that anything is good that will cause a citizen to take more interest in his local government. I also understand that almost as many taxes have been lowered as have been raised—sort of an equalization process—no doubt there will be many happy citizens as well as unhappy ones—I will admit I am not happy! !

### Rebekahs Hear About U.N. Trip

Rebekah Lodge members held a regular session at the IOOF Hall Tuesday night. Featured on the program were Margie and Patsy Ford, who told of their trip to New York with the U. N. Pilgrimage, sponsored by the national organization of Theta Rho Clubs. Other Theta Rho girls attending were Rosa Lee and Nona Marie Strange, Mrs. Sandford Smith, noble grand

of the local Rebekah chapter, presided and conducted the business session when plans for future lodge activities were outlined.

### Gail Biggers Is Birthday Honoree

Gail Biggers was honored at a breakfast given by her aunt, Mrs. Emma Dettman, Thursday morning celebrating her 19th birthday.

The Dettman home was decorated throughout with midsummer flowers with old-fashioned larkspur and snapdragons used as table decorations.

Those attending were Marian Lanenick, Donna Cayler, Jane Kirby, Earline Plank, Martha Heard, Mary Durham, Mrs. Alton Biggers, Mrs. Joe Smith and the honoree.

Miss Biggers is much improved after receiving recent treatment at Baylor Hospital in Dallas. She became ill last March while attending Texas Technological College and plans to return to the Lubbock school to resume her studies this fall.

Mr. and Mrs. D. C. Barnard, Kay and Denise, left Wednesday for Tucson, Arizona, where they will visit with Mr. and Mrs. Claude Henderson. The Barnards plan to be gone about a week.

### Mr. and Mrs. Henry Tiefel Mark 50th Anniversary

Mr. and Mrs. Henry Tiefel, who were married fifty years ago in Brazil, Ind., marked their golden wedding anniversary Saturday, July 30.

Miss Susie Watkins became the bride of Henry Tiefel in a simple home wedding in 1905. They lived on a farm with his mother until they came to Texas in 1910, locating at Friona. He farmed there and did some construction work and a year later they moved to Hereford.

He continued his farming interests for several years and finally gave up farming altogether, devoting his time to carpenter work and construction. His activities now are on a limited scale but he is still interested in building.

Lifelong members of the Lutheran Church, both have been active in church work. He served as superintendent of the Sunday School and as a teacher for many years, while she was active in the wom-

en's work of the church. Her hobby is piecing quilts and last year she wore out three thimbles making twenty-one baby-doll quilts for children.

The couple has two children, Mrs. P. B. Sowell of Hereford, and Mrs. Thurman Johnson of Black. They also have seven grandchildren and five great-grandchildren.

Mr. and Mrs. Donald Tusha of Stratford spent the past weekend in the home of his sister and family, Mr. and Mrs. Dale Tinnin.

Dalene Tinnin spent several days this past week visiting in Dimmitt with a friend, Donna Wooddell.

# "Reddy is at my Fingertips!"

says MRS. JOHNNY JOHNSON, 810 Normandy St., Dumas, Texas

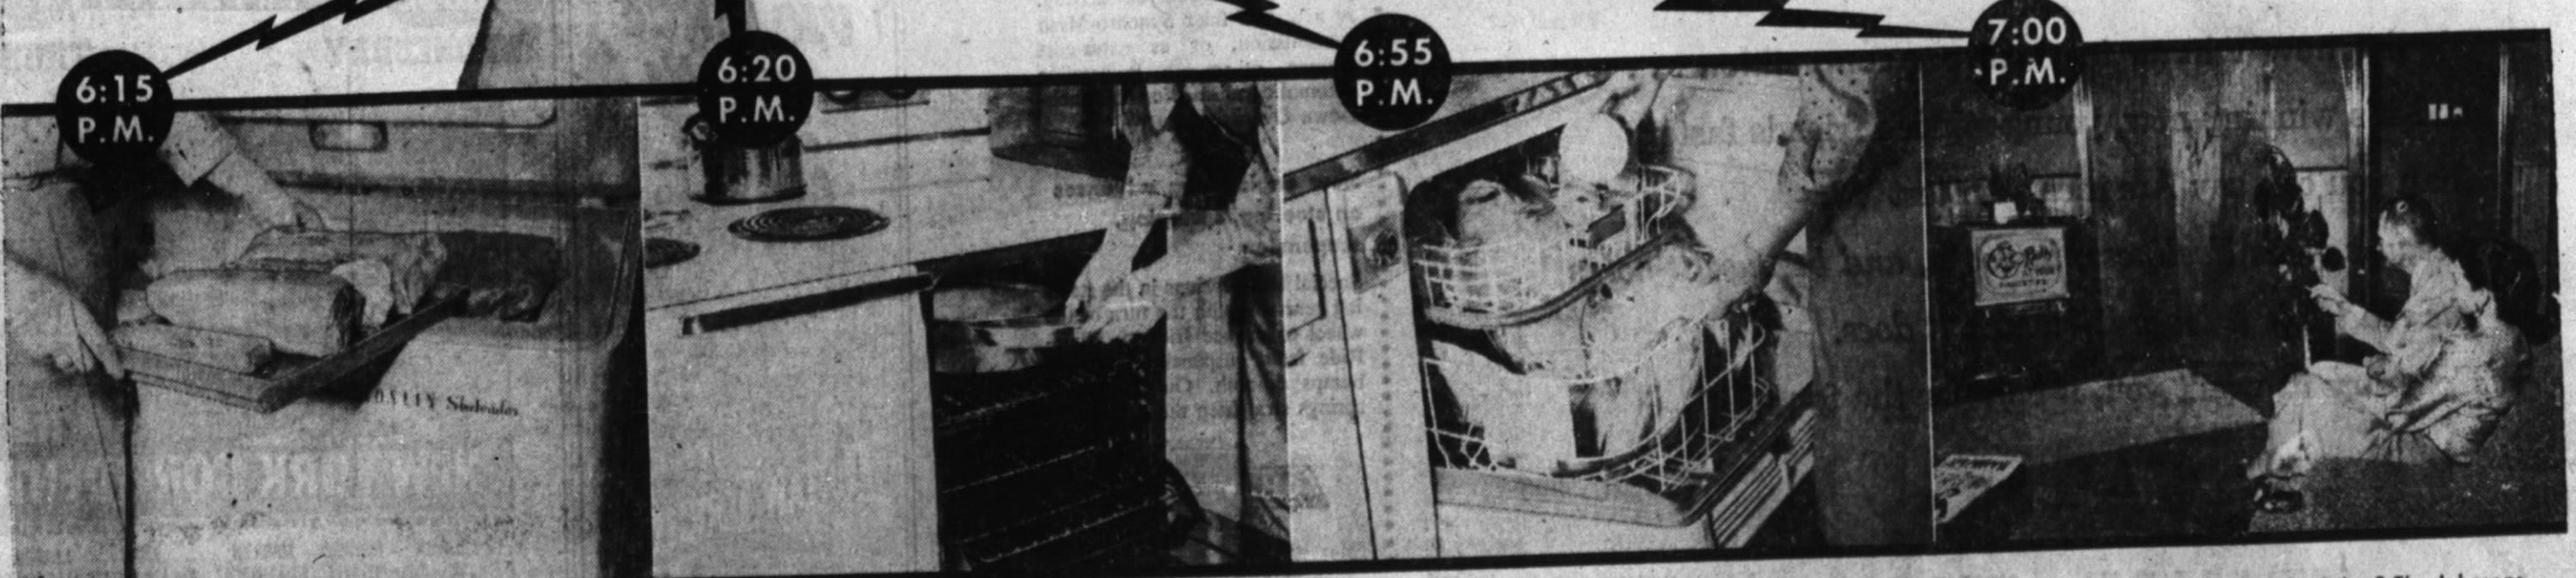

"My husband and I work all day, and when we get home, we like to relax. And we can now, with our wonderful 'wired helpers' in the kitchen."

"What a change from the days when I had to spend the entire evening preparing the meal, washing the dishes, and cleaning the kitchen. There wasn't

any relaxation then — just an evening of drudgery."

"With Reddy as my assistant cook and dish and bottle washer, I'm out of the kitchen in less than an hour now."

"Electric living is modern, time-saving, and wonderful."

"When we get home, I can take ready-to-cook, garden fresh vegetables, or an entire meal out of the freezer, ready for the electric range. This is both time and money saving."

"Frozen steaks and vegetables right out of the freezer into the broiler — and a cake for good measure. We're ready to eat in a few minutes, and I don't have to worry about a dirty kitchen because electric cooking is so clean."

"After our meal, washing dishes is no problem. I simply scrape off, load them in the dishwasher, and turn the dial — the work is done automatically. Just imagine fixing an entire meal, and doing the dishes, in less than an hour."

Can you watch television and do dishes? The Johnsons can — and, as Mrs. Johnson points out — she can be ready to watch television — and have her kitchen sparkling clean — in less than an hour. You're going to cook electrically eventually — do dishes electrically, too. Why not now.

Visiting for the past week in the home of Mr. and Mrs. H. E. Wester were their grandchildren, Carla and Kent McCabe from Borger. They are the children of Mr. and Mrs. Bill McCabe.

# KC Loss Gives Jim Hill Second

By BILL KNOX  
Rutherford's unseated the KC's from their position in second place by upsetting them 17-16, while Jim Hill was stopping Coopers 17-7, Thursday night.  
Rutherford's victory was hard-earned. They led for the complete game, but at times, especially in the last inning, the lead was precarious.  
They banged out a total of thirteen hits, two for home runs. Ken Walterscheid and Larry Walterscheid both tried unsuccessfully to harness the Rutherford power. Jim Russell started and pitched the complete game for Rutherford. The Knights connected for only six hits off Russell, but they took advantage of errors and bases on balls.  
The addition of three insurance runs by Rutherford in the top of the seventh probably gave them the victory. They held only a small one-run lead going into the inning, and at the end of the game the lead was still only one run.  
It was Kenny Walterscheid's fourth loss of the year compared to nine wins. His reliever, Larry Wal-

terscheid, possesses a season record of only one win and only one loss.  
Rutherford got started early, marking up five runs in the top half of the first inning. Bryant and Elliston walked to lead off. Maxwell flied to left and Boyer fanned, but Atchley walked to load the sacks. Bill Callaway then clouted his sixth homer of the year and his second grand slammer. Larry Summers followed with another fourmarter to chase across the fifth run.  
The KC's dented home with three in their half of the inning, but did so without the aid of a base hit. Jim Russell walked two, and two costly errors by Dan Elliston in left field let in the runs.  
But Rutherford got to work again in the second, scoring a pair of runs on two hits. Bryant again walked to lead off; Elliston and Maxwell both singled for one, and two more walks forced in the other jolly.  
The KC's duplicated precisely Rutherford's top of the second feat by scoring also two runs on two hits in the last of the second. Ker-shen singled but was forced at second by Peters. Peters was also forced by Bud Stengel and Al-bracht walked. Both moved up and scored on Urbanczyk's double.  
The third was the inning Rutherford cut loose, sending across six counters on seven base hits. Bryant, Elliston, Maxwell, Boyer, and Atchley all garnered base hits in consecutive order before Callaway walked and Summers singled. Russell's single with two out was wasted.  
The KC's made the score 13-7 with two runs in the bottom half of the third. Two walks, a single, and an error accounted for both of the runs.  
Neither team was able to accomplish anything in the fourth inning, but Rutherford got back to work with one in the fifth. It came on a double by Bill Callaway who stole third and took home on a

ground-out.  
But the KC's came up with their big inning, six runs, in the last of the fifth. They got only three hits, but drew four walks and Rutherford made two miscues in the field.  
Rutherford added three in the top of the seventh and held the KC's to one to walk off with the victory and bring themselves within one-half game of fourth place Summerfield.

Mrs. Todd Shy, of Woodward, Okla., arrived Tuesday to be with her brother, P. A. Winget, a patient in Deaf Smith County Hospital.

# 'Discount Plan' On Poor Wheat Clarified By Walter Rogers

Partial clarification of the discount basis to be assessed against poor wheat qualities was made this week through Ralph Hastings, Chamber of Commerce president, who released a statement from Cong. Walter Rogers concerning the subject.  
Mr. Rogers' letter follows:  
"A conference with Mr. Gray Barton of the Grain Division, Agricultural Stabilization Service, Department of Agriculture, discloses that the Secretary of Agriculture recently announced his hopes of incorporating in the 1956 program a discount for undesirable varieties of wheat. Mr. Barton advises that such reference was to the very poorest qualities of those few varieties that are poor for milling but that such discount or action has not yet been finally approved. The minimum support price for 1956 has been announced at \$1.81 per bushel. This will be subject to an adjustment as a combination of parity price and the supply percentage as of July 1st, but the \$1.81 will be the minimum.  
"He was asked the question as to whether or not the amount discounted on the poor varieties would have any effect as to the higher qualities. His answer was that it would affect the higher qualities only to a certain extent in that it would tend to increase the higher qualities but would have very little effect because the proportion of the poorer varieties is so very low. For example, let us assume that the discount would be 30 cents. Many people have thought that in such case the other wheat would be increased 30 cents. It does not work that way. It is estimated that less than 50 million bushels would be discounted. The last five-year average production is 1.2 billion bushels. Therefore, a relatively few million bushels of poor wheat against the 1.2 billion average would not cause much of a change in the over-all support program. Mr. Barton advises that the final decision is expected in about a week or ten days.  
"The authority for reducing the support price on the undesirable varieties is derived from Section 403 of the Agricultural Act which gives the Secretary authority to establish differentials where there are actual differentials in grade, type, staple, quality and other factors. The differential in wheat would be on the basis of quality.  
"Mr. Barton is going to furnish my office with a letter concerning these matters and will advise us when a final decision is reached. Your offices will be in turn advised."

# Nine Receive Top Band Ratings At Music Camp

Nine Hereford students received first-band ratings at the annual West Texas Music Camp in Canyon this summer.  
Hereford students receiving the rating were Ronald Zimmerman, Ed Schroeter, David Wertenberger, Verita Sanders, Barbara Darnon, Claudia Green, Joan Brown, Sandra Caraway, and Bill Kelly. More than thirty other students from Hereford and this vicinity are also attending the two-week camp. Over three hundred students from all over the Panhandle and West Texas are represented.  
Three bands and a camp choir have been formed and students attend daily sectional and group rehearsals, classes, practice sessions, and twirling classes throughout the camp. Concert recitals, television appearances, and entertainment are planned each night.  
Among the faculty of the camp is William Miller, Hereford band director. Other faculty members are M. J. Newman of West Texas, Frank Piersol of Iowa State College, Gerald Prescott of the University of Minnesota, Hiram Henry of Oklahoma A&M, Bob Roberts of Los Angeles, Bill Allen of Miami, Houston Bright of West Texas, Royal Brantley of West Texas, and Gene Murray of West Texas.  
Other students from Hereford in attendance are: Martha Bookout, Larry Boston, Jackie Brown, Ronald Corbett, Zell Crump, Jimmy Folkes, Glenna Gault, Morris Hacker, Cherry Holt, Clarabeth Holt, Alice Inman, Freda Inman, Margaret Inman, Linda Kimbrough, Robert Kinsey, Bonnie Lewis, Eddie May, Gayle Potter, Mary Beth Ricketts, Sharon Scott, Richard Smith, Nancey Story, Elaine Waggoner and Eilan Marie Williams.  
The camp is scheduled to end August 12.  
**AT GLORIETTA**

Nothing GOES like a Chevrolet V8!

It's the new winner in stock car competition... and it's winning new, young-minded friends faster than you can say America's hottest V8. Because of its liveliness, its looks, and because it holds the road like it loves it—which it does. Come try it, won't you, if only for the fun of it!

NOTHING (not even the high-priced cars) HAS GOT SO MUCH TO GO WITH!  
The most up-to-date V8  
So advanced in design and so efficient in operation that it needs only 4 quarts of oil instead of the usual 5. Shortest stroke of any V8 in the industry. Delivers more horsepower per pound than any engine in Chevrolet's field. Take your choice of the 162-h.p. "Turbo-Fire" or the 180-h.p. "Super Turbo-Fire," optional at extra cost.  
Two Sizzling 6's  
6 They're the most powerful 6's in Chevrolet's field—And like the V8's, they give you the extra punch, performance and reserve power of the only 12-volt electrical system in Chevrolet's field.  
Powerglide, Overdrive or Synchro-Mesh  
Chevrolet gives you the drive to suit your driving. A new and finer Synchro-Mesh transmission, or as extra-cost options, oil-smooth Powerglide automatic transmission or Touch-Down Overdrive.  
New engineering advances on steering, springing, suspension  
Special ball bearings in the steering gear roll with the turn of the wheel to reduce friction. Glide-Ride front suspension rolls the bumps smooth. Outrigger rear springs straighten the curves.
