Hereford Bank Deposits Continue To Be High; Good Year Expected In 1941

AROUND TOWN

Christmas window display submitted by Brumley-Motor Co. local Chevrolet dealers...

The sign of Alderson's Variety was given a re-painting last week.

Christmas present to delight sportsman's heart is the catfish entirely of horn which Jack Lunsford has hanging in office.

B. Black is especially proud of the fact that Franklin D. Roosevelt has been rated the best orator of the United States among those of the past years.

Bill Gillis and Mont Baker this week that Ernest Medwood sold his filling station last week to Dubs Pitman.

Recent Skypala out at West-tays they took care to have a good dinner on New Year's Day.

Thompson was suffering from a swollen right eye. What caused it was quite a puzzle, even to him, until some "best" friends at the court discovered that Bob Full-

gang down at Hereford are claiming that the Peas dinner on New Year's Day is already working.

Oliver was telling us about a 10-year-old son of Mr. and Mrs. G. Ellison of Wyche.

Ann Anderson began work at the station clerk at Corner Store yesterday, replacing Beene who resigned to take position with M. L. Steele.

Trimbles, former saleswoman at Norton Motor Co. is at the Ireland Motor Co. in a capacity.

Hereford bank deposits, despite a short wheat crop last year are almost the same as they were a year ago, reports of the First National and First State Bank this week show.

At the close of business, December 31, 1940, both banks had a total of \$1,054,479.94 on deposit.

At the close of business, December 31, 1939, both banks carried \$1,079,219.71 on deposit, or \$24,739.77 more than they had on deposit at the close of 1940.

Contributing factors to bank deposits last year were increased incomes from potato production and the fact that livestock prices have held up fairly well.

While anything can happen between now and the 1941 harvest, the outlook is definitely better at this time for a larger wheat crop and material expansion of the potato industry.

Conduct Conference Orchestra For Birthday Ball Named This Week

DR. ROY JOHNSON, of Canyon will be one of the five ministers who will be here Monday to conduct conferences during the day.

REV. CHAS. T. TALLY JR., is another of the Baptist ministers who will be here Monday in connection with the Associational BTU meeting at the First Baptist Church. Rev. Tally is from Childress.

Five Baptist Ministers of Panhandle and North Texas will meet at Hereford Monday, January 13, to conduct conferences in an all day meeting at the First Baptist Church.

Special music was two accordeon numbers rendered by Miss Ruth Harding.

Other out of town guests included Mrs. Honts, Chester L. Dunlap, Council field executive, and Mrs. Dunlap, of Dalhart, and Bob Johnson of Amarillo, Council commissioner.

Mayor C. J. Paddock today reminded dog owners that 1941 license tags are due and that dogs kept in the city must have a license tag, according to a city ordinance, and urged that tags be secured as soon as possible.

County Judge and Mrs. A. J. Schroeter returned yesterday afternoon from a school administrators meeting in Austin. They left Hereford last Saturday morning.

Suplt. Knox Kinard attended the meeting also. He was accompanied by Mrs. Kinard, who stopped in Temple during the meeting and then returned with Mr. Kinard.

Orchestra For Birthday Ball Named This Week

That Hetrick's Rhythm Clowns, the Sweethearts of Swing, an all-girl orchestra, would play for the dance celebrating the birthday of President Franklin D. Roosevelt, was announced here today by Harold Close, chairman of the dance committee.

Mr. Close accepted the chairmanship after it was learned that R. L. Thompson, who had been nominated for the post, had previously declined it.

The dance will be held Wednesday night, January 29, at the Firemen's hall and at the Club House in County Park. Tickets will be good at either place, Mr. Close said.

As in past years, purpose of the celebrations, which are nationwide, is to raise funds for treatment of infantile paralysis victims who are unable to help themselves. Half of the proceeds will remain in this county for administration by a local committee and half will go to the National Foundation for use in paralysis treatment, research, and other places of the fight against the disease.

Always a recipient of wholehearted support in this area, the dances this year are expected to be well attended. And in addition, many persons will buy tickets who do not expect to attend either dance, but want to help the worthy cause.

Scouter Meet And Chuckwagon Dinner Are Held

The speakers were excellent, the food was good and the entertainment was good, is the way the District Scouter Chuckwagon dinner Tuesday night at the Parochial School was described.

W. E. Dameron, acted as toastmaster. Talks were given by John McKnight, Amarillo, Council chairman for Advancement, District Attorney John B. Honts of Dalhart, Lon D. Edwards of Amarillo, president of the Llano Estacado Council, Wilbur J. Hiatt, council executive, of Amarillo, and John McLean, Deaf Smith county district chairman.

Reports on the years' activities were given by Cliff Estes, chairman of Leadership Training, Frank Cogdell, Camping and Activities; Mr. Dameron, Advancement; Rev. Marvin B. Norwood, Organization and Extension; Urlin Streu, Health and Safety report for Dr. R. R. Willis, who was unable to attend; Rev. James Aiken Jr., Finances, for Harold Close, who was unable to attend.

Uplin Streu, chairman of the nominating committee, named John McLean for district chairman and Roy Wagner for vice-chairman and they were elected by acclamation.

Special music was two accordeon numbers rendered by Miss Ruth Harding.

Other out of town guests included Mrs. Honts, Chester L. Dunlap, Council field executive, and Mrs. Dunlap, of Dalhart, and Bob Johnson of Amarillo, Council commissioner.

Plains Water Users Oppose Any Regulation By The State At Plainview Meeting Monday

City Offers To Haul Trash Off Free, Next Week

Mayor C. J. Paddock advised today that all persons who have trash, junk, old cans, etc., to be hauled off, to place it on the alleys, or street curbs, if you have no alley, so that the city trucks can haul it off.

There is no charge for this service, Mr. Paddock said, but persons are urged to get their trash out as soon as possible and thus contribute to a cleaner Hereford.

Louis Dupnik Is Army Volunteer

Latest person to volunteer at Hereford for the United States Army is Louis Laddie Dupnik, whose order number is 93, the Selective Service Board announced yesterday.

Mr. Dupnik, whose parents live near San Antonio, has been employed by his uncle, Bennie Urbanczyk. He is the thirteenth person at Hereford to volunteer since registration day. Of the 13, two are already in the army: Douglas Wilson Beene and Randolph Hyde. Two volunteers have been rejected and nine are on the waiting list. In a previous announcement, Army officials asked Deaf Smith county to supply seven draftees on January 16.

Legion To Meet At Wellington, January 16th

The regular monthly meeting of the Eighteenth District, The American Legion, will be held January 16 at Wellington with Frank-King Post No. 249 and its Auxiliary as hosts, J. M. Johnson, district commander has announced.

An estimated 800 water users, including a Hereford delegation numbering 40, Monday went on record emphatically opposing any move for state regulation of use of underground water resources of the High Plains. Meeting at Plainview, they requested that the control and development and use of ground waters on the High Plains, particularly in the Red River and Brazos River watersheds, be exempted from any statewide legislation at the present, expressing their desire not to interfere in any way with passage of legislation affecting water for irrigation or other purposes, in other sections of the state.

A copy of the resolutions adopted at Plainview will be found on page 12.

Specifically under fire was a bill drafted by five lawyers appointed by the Texas Watersheds Association, summary of which was published recently in the Brand.

J. E. Sturrock, statistician for the State Board of Water Engineers, who said that this was his first visit to the High Plains, explained why, in his opinion this area was in need of state regulation of its underground water.

Then two speakers, A. B. Tarwater of Plainview and D. L. McDonald of Hereford and Amarillo, received the enthusiastic approval of the crowd when they opposed any kind of state-wide regulation as being impractical.

"I am not ready to sustain now that ground water under your land is the property of the State of Texas," Mr. Tarwater said, receiving applause of the crowd.

"When the time comes that there is some needful step for conservation and use of ground water on the Plains, we can trust the people here to do whatever is needed."

He favored control by water conservation districts, when, if and as really needed.

D. L. McDonald, also opposed regulation by the state at this time.

"We are not ready for any control of ground water," he said. "Our users have no idea but to conserve our water to the last drop for beneficial uses," McDonald continued. "The idea that our water is inexhaustible is a mistake. The idea that it comes from the Rocky Mountains or the Pecos is erroneous. Rainwater is our source and it penetrates the porous ground and is upheld by impervious red beds."

He gave recorded water levels, under long irrigation experience to bolster his statement that there is nothing to be alarmed about.

R. Q. Silverthorne, president of the Plainview Board of City Development, presided and was instructed to appoint a resolutions committee. He named William McGeehee and D. L. McDonald of Hereford, Meade F. Griffin, Winfield Holbrook, A. B. Tarwater, R. E. Wilson, H. S. Hillburn, Plainview; C. E. Garrett, Hale Center; D. W. Frederiksen, Anton.

Later he added R. H. Bean, Lubbock; Jess Mitchell, Muleshoe; S. L. Hinds, Texline; C. E. Bley, Olton; A. R. Meriwether, Lockney, as a continuing steering committee.

The resolutions were unanimously adopted.

MRS. JIM CLARK

There is a great deal of sickness in this community. Influenza sends two or three more to bed each day. So far there has been very little serious sickness. David Walser, has bronchial pneumonia but was much better Monday.

Mr. and Mrs. Lee Curry and niece Pearl Prachar, returned Sunday from a visit with their daughter, Mrs. Pat Morse and Mr. Morse of Mineral Wells. They found them both in bed with the flu but enjoyed their visit anyway. They also visited Mr. Curry's father at Weatherford, who is in very poor health. Mr. Curry will be 87 years of age in February.

Little Della Yvonne Walser, daughter of Mr. and Mrs. W. H. Walser is the recipient of the bassinette given by Homer Fox to the first baby born this year in Deaf Smith County. The baby, who weighs 8.1-2-pounds was born Thursday, January 2, David Walser, three-year old son of Mr. and Mrs. W. H. Walser won the bassinette in 1938. He was born on January 3.

Miss Erma Fay Robinson of Hereford spent New Year's Day with Miss Ruth Atchley. Mr. and Mrs. Albert Cross and family moved to their new home on the Ky Lawrence place Tuesday. On Wednesday, Mr. and Mrs. L. B. Lookingbill and family moved to the house in Summerfield vacated by the Cross family. Mr. and Mrs. R. D. Lance and B. A. Atchley were Amarillo visitors Thursday.

Mr. and Mrs. Ray Johnson and Billie Ray returned Thursday from Gainesville and points in Louisiana where they spent the holidays. It rained everywhere they went. Mrs. Laura Shaw had charge of both rooms at school Friday afternoon as Mr. Tandy Legg had to go to bed with an attack of influenza. He was able to go back Monday morning.

Mr. and Mrs. B. E. Roberson and family returned home Friday. While away they visited her sister, Mrs. Hub Ray and family at Merkel, a brother, Pat Nell and wife, at Winters, while enroute to the Cotton Bowl game in Dallas they ate lunch with Mr. and Mrs. Pat Morse at Mineral Wells.

Mike Staats of Buffalo, Okla., and Bill Staats of New Mexico visited their brother, Ted and family recently. The three families went to Buffalo to visit their mother, Mrs. Margaret Staats. The Ted Staats family returned home Thursday. Mr. and Mrs. C. B. Thomas and Miss Shirley went to Amarillo Saturday. Miss Shirley remained to enter San Jacinto Beauty School. Mr. and Mrs. S. L. Walser of Hereford called in the C. R. Walser home Sunday afternoon.

Joe Kendall of Hereford was in the Lee Kendall home Sunday afternoon assisting in taking his father to the hospital in Hereford where he underwent an operation Monday morning.

Several from this community visited Mrs. W. H. Walser and little daughter in the hospital in Hereford Saturday and Sunday afternoon. Among those were Rev. and Mrs. Taylor Smith, Mrs. Bry Clark, Mrs. Lloyd Lookingbill, Mrs. D. C. Walser, Mr. and Mrs. C. R. Walser, Mrs. Ky Lawrence, Mrs. Lee Kendall, and Mrs. Jim Clark. Summerfield Study Club met Thursday with Mrs. Lloyd Lookingbill and Mrs. Kay Lawrence as hostesses in the Lookingbill home. Mrs. Britt Clark was in charge of the program which was "The Pursuit of Happiness."

Friends and neighbors surprised Mr. and Mrs. Andy Behrends and family Friday night with a farewell party. The Behrends are moving to the East-end community. Mr. and Mrs. Joe Story entertained in honor of the Behrends Tuesday evening with a dinner.

### LEGAL NOTICE

THE STATE OF TEXAS TO THE SHERIFF OR ANY CONSTABLE OF DEAF SMITH COUNTY, GREETING:

YOU ARE HEREBY COMMANDED to summon Daw Montgomery, Myrtle Brooks, Jay Brooks, Minnie Mae McCarthy, Kathleen Brooks, Lloyd Brooks, Dicky Jones, Henry Jones, Herbert Montgomery, and the unknown heirs and legal representatives of the said Daw Montgomery, deceased, and all persons claiming any title or interest in the hereinafter described land under a paving certificate issued by the City Commission of the City of Hereford, Texas, on the 14th day of August, 1926, in the amount of \$405.74, payable to and in favor of the Jordon Construction Company as grantee by making publication of this Citation, once in each week for four successive weeks previous to the return day thereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a

newspaper is published to appear at the next regular term of the District Court of Deaf Smith County, to be holden at the Court House thereof, in Hereford, Texas, on the First Monday in February A. D. 1941, the same being the 3rd day of February A. D. 1941, then and there to answer a petition filed in said Court on the 1st day of January A. D. 1941, in a suit, numbered on the docket of said Court as No. 2542 wherein J. F. Hickman is Plaintiff, and Daw Montgomery, Myrtle Brooks, Jay Brooks, Minnie Mae McCarthy, Kathleen Brooks, Lloyd Brooks, Dicky Jones, Henry Jones, Herbert Montgomery, and the unknown heirs and legal representatives of the said Daw Montgomery, deceased, and all persons claiming any title or interest in the hereinafter described land under a paving certificate issued by the City Commission of the City of Hereford, Texas, on the 14th day of August, 1926, in the amount of \$405.74, payable to and in favor of the Jordon Construction Company as grantee, defendants, and said petition alleging that plaintiff was the owner of all of the East 80 feet of the South 40 feet of Lot Number 4, and all of the East 80 feet of Lots 5 and 6, all in Block Number 71 of the Town of Hereford and Additions, in Deaf Smith County, Texas, on December 1, 1940, in fee simple and on such day he was in possession thereof and afterwards the defendants unlawfully dispossessed him and withholds from him possession and plaintiff prays for title to and possession of such premises. Plaintiff further alleges in the alternative, that he is the owner in fee simple of said land, having acquired the same by general warranty deed from Beulah Mercer, the surviving wife of L. D. Mercer, deceased, and that such property belonged to the community estate of her and the deceased L. D. Mercer, and that the recitations in the deed conveying the land to the said deceased, dated May 20, 1920, executed by Edna N. Mercer, wherein it recites the consideration to be love and affection, and that the same was conveyed thereby as his separate property was a mistake, and that a valuable consideration for said property was paid by the said L. D. Mercer and Beulah Mercer to the said Enna N. Mercer, out of community funds earned by them during their marriage. The defendants in said deed would have an apparent interest in said land though not real. That

Daw Montgomery, Myrtle Brooks, Minnie Mae McCarthy, Kathleen Brooks, Dicky Jones, are the children of Kate Montgomery, deceased. That Kate Montgomery is the daughter of Enna N. Mercer, both having died after the death of L. D. Mercer, who died intestate on July 23, 1937. That the administration proceedings are pending on the estate of either of said deceased persons, and they left no debts. That Herbert Montgomery is the surviving husband of Kate Montgomery, that Lloyd Brooks is the husband of Kathleen Brooks, and Jay Brooks is the husband of Myrtle Brooks, and Henry Jones is the husband of Dicky Jones, and Minnie Mae McCarthy, is a feme sole, and all of such parties are non-residents of the State of Texas, except Daw Montgomery and his residence is unknown. That the heirs and legal representatives of Daw Montgomery if deceased, are unknown. That the Jordon Construction Company was not on August 14, 1926, or thereafter a corporation, and the names of the members or persons owning an interest in said company are not disclosed in said certificate and such company is dissolved and the names of the persons holding or acquiring the title to the lien or an interest in said land by virtue of the hereinafter mentioned paving certificate after such dissolution are not disclosed in such instrument, and are unknown to plaintiff. That the City of Hereford issued a paving certificate dated August 14, 1926, covering said property in favor of Jordon Construction Company as grantee therein, securing the sum of \$405.74 and that on August 17, 1926, all of such indebtedness was paid by L. D. Mercer to said company out of funds owned by L. D. Mercer and Beulah Mercer during their marriage. Plaintiff prays that he have judgment for title to and possession of all of said land against all of said defendants and that the apparent claims, of each of the defendants in or to the same be cancelled, annulled and removed as clouds on plaintiff's title.

HEREIN FAIL NOT, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

GIVEN UNDER MY HAND and the Seal of said Court, at office in Hereford, Texas this 1st day of January A. D. 1941.

R. L. THOMPSON, Clerk, District Court, Deaf Smith County, Texas.  
By E. Womble, Deputy.

### LEGAL NOTICE

THE STATE OF TEXAS TO THE SHERIFF OR ANY CONSTABLE OF DEAF SMITH COUNTY, GREETING:

YOU ARE HEREBY COMMANDED to summon U. J. Fox, Mittle Fox, W. A. Cullen, Wm. A. Cullen, Lela M. Parks, Lila M. Parks, Henry K. Young, Liela M. Parks, J. C. Meacham, J. E. Clark, Grace Bailey, Ella M. Owens, Harold Johnston, F. H. Leightner, and Severt Nelson and the unknown heirs and legal representatives of them or either of them, if she or he be dead, the Colorado, Hereford & Gulf Townsite Co., a defunct corporation, and its stockholders, by making publication of this citation once each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Deaf Smith County, Texas, to be holden at the Court House thereof, in the city of Hereford, on the first Monday in February, 1941, the same being the 3rd day of February, 1941, then and there to answer a petition filed in said court on the 1st day of January, 1941, in a suit, numbered on the docket of said court as No. 2541, wherein Geo. G. Hopkins is plaintiff, and U. J. Fox, Mittle Fox, W. A. Cullen, Wm. A. Cullen, Lela M. Parks, Henry K. Young, Liela M. Parks, J. C. Meacham, J. E. Clark, Grace Bailey, Ella M. Owens, Harold Johnston, F. H. Leightner, and Severt Nelson, and the unknown heirs and legal representatives of either of them, who may be dead; and the Colorado, Hereford & Gulf Townsite Co., a defunct corporation, and said petition alleging in substance that plaintiff sues said defendant, Colorado, Hereford and Gulf Townsite Co., a defunct corporation, and its unknown stockholders; and all other of said defendants, and the unknown

heirs and legal representatives of them or any or either of them, if they, or any or either of them be dead, in trespass to try title to the following described land situated in Deaf Smith County, Texas, to-wit:

All of Section No. 23, Block K-7, containing 647.2 acres; and for the title to and possession of said land; and in the alternative alleges that on February 24th, 1931, said land was conveyed to plaintiff, by General Warranty Deed, which was, on March 4th, 1931, duly recorded in the deed records of Deaf Smith County, Texas, and on said date under said deed went into possession of said land and has continuously since said date, to the present time, held peaceable and adverse possession thereof, with claim of ownership under said deed, cultivating using and enjoying the same, and paying all taxes thereon, each year as the same became due and payable, and before any of said taxes became delinquent, and in case he did not own said land, and have a good title thereto, as to and against the rights of defendants, he has perfected his title under the five-year statute of limitation.

Plaintiff further pleads that while said section of land was owned by said corporation, it platted the same into a townsite, named it "Scherer" and recorded said plat in the deed records of Deaf Smith County, Texas, and thereafter, by deed dated June 25th, 1909, which is a link in the plaintiff's chain of title to said land, said corporation sold and conveyed said section of land to plaintiff, but recited therein that all of said section was conveyed "same and except about 15 lots heretofore sold by said Company."

That the only lots that had been theretofore so conveyed out of said townsite of "Scherer" are the following lots, to the following parties on the following dates:

- Lot 6, Block 20, to J. E. Clark, on Jan. 11, 1909;
- Lot 7, Block 21, to Grace Bailey, on Jan. 11, 1909;

Lot 16, Block 90, and 12, Block 100, to J. C. Meacham, on March 9, 1909;  
Lot 1, Block 111, to Lila M. Parks, on Sept. 5, 1908;  
Lot 6, Block 118, to Ella M. Owens, on Dec. 10, 1908;  
Lot 6, Block 125, to Severt Nelson, on March 27, 1909;  
Lots 1 and 2, in Block 15, to Henry K. Young, on Feb. 10, 1909;  
Lots 5 and 6, in Block 2, to Sam Johnston, on March 9, 1909;  
"Hotel Lot, Block, Hotel Block" to F. H. Leightner, on March 9, 1909.

The said deed is a link in plaintiff's title to said section of land, and said exception in said deed is uncertain in meaning, clouds plaintiff's title to said land, and should be construed and reformed by the court, meaning that the above described lots were the only lots intended, and that were excepted said conveyance of said section of land.

Plaintiff seeks judgment against defendants for title to and possession of said section of land, such construction, reformation of said deed, divesting them of the title thereto and vesting and quieting same in plaintiff.

### HEREIN FAIL NOT, and have you before said Court, at its aforesaid next regular term, writ with your return thereon, showing how you have executed the same.

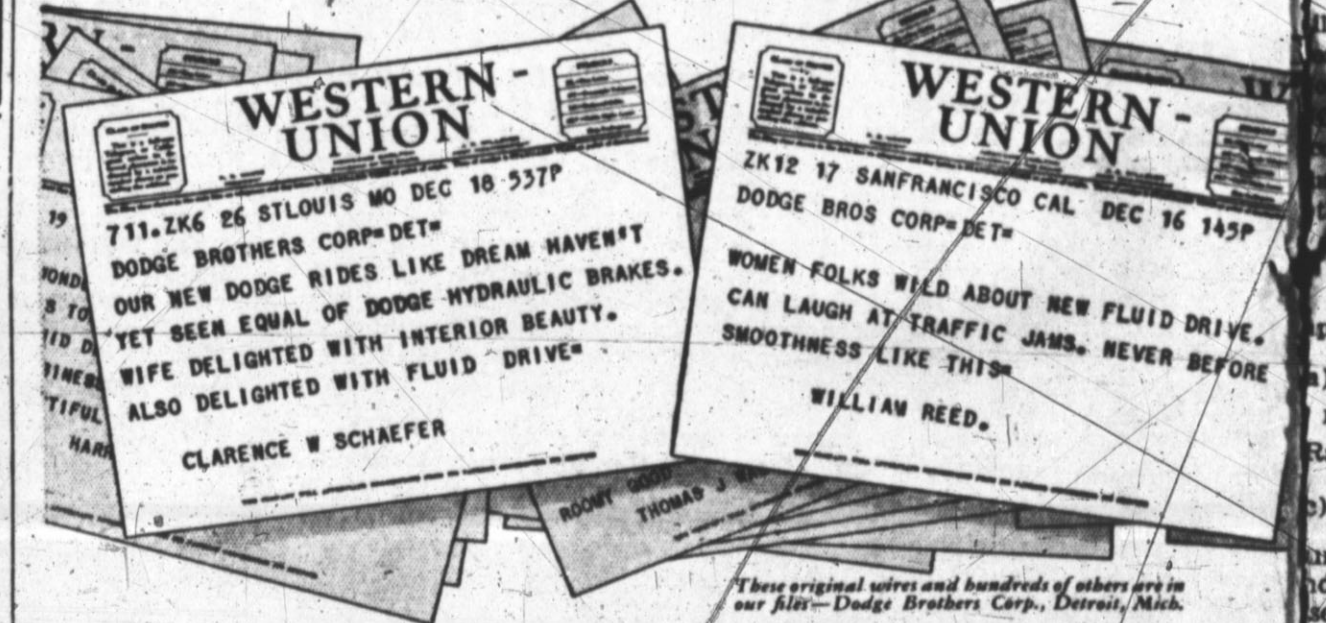

GIVEN UNDER MY HAND and the Seal of said Court, at office in City of Hereford, this 1st day of January, 1941.

R. L. THOMPSON, Clerk of the District Court of Deaf Smith County, Texas.

### Ole O. Olson Services Are Held In Iowa

Ole O. Olson, retired farmer and stock raiser of Marshall County, Iowa, died suddenly at 4:30 Monday, Dec. 23 at his home in Lipscomb, Iowa. He had been in failing health for several years. Heart disease and complications caused his death.

Mr. Olson was born in Le-Grande township, Marshall Co., December 10, 1868. A son of Ole and Margaret Olson, he grew to manhood there and married Miss Louise Bernston, May 16, 1890. They lived on a farm near Gilman, Ia. Mrs. Olson died November 15, 1907. He later married Miss Ida Moen of Colfax, Wis., and they moved to Adrian, Texas in October 1909, where he went into the cattle business and farming.

In July 1917 he moved to Deaf Smith county, settling on a farm 4 miles north west of Hereford. In 1926 he moved back to Iowa and lived near Gilman. He retired farming in 1935.

Besides his widow, he is survived by six sons and four daughters:

Louie and Otto Olson, Hereford; Tillman Olson, Waynesboro, Pa.; Mrs. J. C. Kuhlberg, Omar Olson, Gilman, Ia.; Mrs. Ed Devick, Mrs. Ollie Carter, Mrs. Lola Clark, Julius and Henry Olson, Marshalltown, Ia.; also 21 grandchildren and four great-grandchildren. One daughter, Karen, died in infancy; two sisters, Mrs. Bertha Larson, Adrian and Mrs. Julia Gunderson, Le-Grande, Ia.

Mr. Olson was a birthright member of the Friends Church. Funeral services were held at Marshalltown, Ia., Friday, Dec. 27 at 2 o'clock. Burial was in the Dunbar cemetery. The pallbearers were the six sons of Mr. Olson.

## Let's Cook Something

Double-dipped oysters is one Hereford, man-cook's specialty and some men, even though they are limited in the art, are very good cooks. As a usual rule men follow more rules for accuracy than women. Most men hesitate to exploit any culinary skill consequently the cooking done by the sterner sex, aside from male chefs, is done under-cover—so to speak. The man who gives you his recipe doesn't give his name with it and while we don't like to print recipes without names we will respect his modesty. The next time you fry oysters try this method:

### DOUBLE DIPPED OYSTERS

Beat two eggs well, salt to taste and add two tablespoons of milk and beat again. Select large even-sized oysters, wash drain. Dip in egg mixture and roll in cracker meal. Press between hands and dip in egg mixture again. Then dip in cracker meal again and fry in very hot fat.

The utensils for deep-fat frying are simple. A wire basket will fit in a deep kettle or you may use a wire egg beater lift out the food. The basket makes it possible to lift the food out all at one time and to drain it thoroughly before moving. If you do not have a fat thermometer, the standard fat test may be used, although this is not so dependable a test. Generally, when an inch square of fresh bread dropped in the fat becomes brown in forty seconds, the fat is hot enough. Filling your frying kettle with fat, be sure that you have enough over completely the food to be fried.

### Bay View Club Holds Annual Business Meet

The annual business session of the Bay View Club was held Thursday afternoon in the club rooms at the house. Reports from all standing committees were heard and plans for a new club year were discussed.

The legislation calendar prepared by Mrs. Bob Barker of Fifth, state legislation chairman, was read by Mrs. John O. The following objectives of legislation department were: 1. Public safety, 2. Unid narcotic law, 3. State aid library service, 4. adequate financial support to the state program, 5. Public welfare, 6. Education, 7. Jury reform for women.

Mrs. Ray Barber, president, presented a scrap book to the club which included an account of her trip as a delegate to the meeting held in Austin in November. The book is of special value to the club in that it contains pictures and highlights of convention not given in regular reports.

### Study Club Group Hears Book Review

Members of the Summerfield Study Club heard Mrs. Britt Clark review "Candle in the Dark" by Irwin Edman at the meeting held Thursday afternoon at the home of Mrs. Lloyd Lookingbill with Mrs. Ky Lawrence co-hostess.

Mrs. Clark said in part: "Edman speaks aloud what has been in the mind of every sensitive man and woman in the past-tragedy to Mrs. C. C. Acker and Mrs. Jimmie Gilentine played high for club.

Special guests included Mesdames A. R. Bateman, C. C. Acker, H. K. Fox, Knox Kinard, and Miss Aileen Walker of San Angelo.

Members playing included Mesdames Alton Fraser, C. C. Rockwell, J. C. McCracken, Jimmie Gilentine, Jack Wayland, Oscar Easley and S. P. Rosson.

### Mrs. Stambaugh Entertains Club

Members present were Mesdames R. R. Wills, Grant Fulmer, E. Milburn, G. R. Lunsford, Henry Sears, J. W. Witherston, Meade Halle and the hostess.

### W. Stambaugh Entertains Club

Table of guests enjoyed cheon and games with members of the Wednesday Lunch Club at the home of Mrs. L. Davis last week.

Lunch was served buffet from a table centered with arrangement of candles and flowers. Places were laid for six at quartet tables.

Best high score award went

ic months. The war seems to have made a complete mockery of all our hopes. The author faces these facts candidly, but he suggests a postscript to despair. He reminds us that civilization does not end and he invites us to share his sense of the quality of the present and the meaning of the eternal.

Mrs. Taylor Smithee was leader of the program and conducted the roll call which dealt with characteristic types and brought to light the classification of members.

The program which was built around "The Pursuit of Happiness" was given over to the review and to a magazine reader, Mrs. O. B. Sumner, who read excerpts from "The Happiness Road" by Alice Hegan Rice in a recent magazine. Mrs. Sumner discussed the subjects from five angles dealing with the technique of living. They included Health, Privileges in America, Humility, Courage and Selflessness. She stressed the thought that happiness is not only a worthwhile goal, but that there are many ways of reaching the road that leads to it.

Refreshments were served to Mesdames D. C. Walser, Chas. Noland, Taylor Smithee, Tandy Legg, Britt Clark, O. B. Sumner, Ky Lawrence, Mack Noland, Lloyd Lookingbill and J. B. Noland.

## LEGAL NOTICE

**THE STATE OF TEXAS**  
**TO THE SHERIFF OR ANY**  
**CONSTABLE OF DEAF SMITH**  
**COUNTY, GREETING:**

You are hereby commanded to summon W. T. Kemper, Mrs. Emma H. Wood, George B. Wood, Mrs. Ella M. Silkwood, B. Silkwood, Emma J. Bogardus, Ray R. Bogardus, Albert H. Conaway, R. W. Frick, and Blanche Aylor, and unknown heirs and legal representatives of them or either of them, if she or he be dead; the Colorado, Hereford and Gulf Railroad Company, a defunct corporation, and its stockholders and the Southern Rock Island Plow Company, a defunct corporation and its stockholders, by making publication of this citation once each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Deaf Smith County, Texas, to be holden at the Court House, hereof, in the city of Hereford, on the first Monday in February, 1941, the same being the 3rd day of February, 1941, then and there to answer a petition filed in said court on the 30 day of December, 1940, in a suit numbered on the docket of said Court as No. 2536 wherein Ben C. Aylor is plaintiff, and W. T. Kemper, Mrs. Emma H. Wood, George B. Wood, Mrs. Ella M. Silkwood, B. Silkwood, Emma J. Bogardus, Ray R. Bogardus, Albert H. Conaway, R. W. Frick, and Blanche Aylor, and the unknown heirs and legal representatives of either of them, who may be dead, and the Colorado, Hereford and Gulf Railroad Company, a defunct corporation, and the Southern Rock Island Plow Company, a defunct corporation, and the unknown stockholders of said defunct corporations, and The Massey-Harris Company, a corporation, and J. M. Murchison are defendants, and said petition alleging in substance that

plaintiff is the owner in fee simple of the following described lands situated in Deaf Smith County, Texas, to-wit: All of Sections numbers, 75, 85, 95, and 96; in block K-4, and all of sections 5 and 6, in Block K-7 and that he acquired and perfected his title thereto as to and against each and all of the defendants under the ten year statute of limitation and that he is now in possession thereof, and that he has had and held the continuous, peaceable, and adverse possession of said lands, cultivating, using and enjoying the same since July 29th, 1919, down to the present time, during which time said lands have been inclosed with fences, and at no time was there as much as 5000 acres embraced in one enclosure, and that no suit has been filed by the defendants or either of them against plaintiff questioning his right to the possession of said land.

That on June 26th, 1908, while J. D. Thompson was the owner of said lands, he gave the defendant, Colorado, Hereford and Gulf Railroad Company a railroad right-of-way deed across said sections 5 and 6, which is of record in book 3, at page 253, deed records of Deaf Smith County, Texas, 50 feet on each side of a center line to be thereafter located by a surveyor, which said deed provided that unless said right-of-way was located, a railroad bed graded and used, within 12 months, from June 26th, 1908, the said lands would revert back to and vest in grantor, and on March 8th, 1909, said Thompson conveyed all of each of said sections of land by deed recorded in book 26, at page 278, deed records of Deaf Smith County, Texas, to J. W. Aylor, now deceased, through and under whom plaintiff's title deaigned, and the said railroad company did not so use said right-of-way, but has long since abandoned the same.

That on June 15th, 1910, J. W. Aylor, who was then the owner of said six sections of land,

executed to Mary L. Thompson a note for \$25,000.00 of said date, due on or before March 8th, 1914, and at said time executed a deed of trust to J. L. Fuqua, as trustee, on said sections 95 and 96, which is recorded in book 16, at page 178 deed of trust records of Deaf Smith County, Texas, and on said date, executed to J. D. Thompson 16 notes, all dated June 15th, 1910, for \$1660.55 each, all due March 8th, 1914, and on said date executed and delivered to said Fuqua, as trustee, his 16 deeds of trust, each to secure one of the said \$1660.55 notes, on portion of said sections 75, 95, 85, and 5, and that said deeds of trust are each of record in the deed of trust records of Deaf Smith County, Texas, in book 16 at pages 179, to 186, both inclusive, and pages 191 to 198, both inclusive.

That thereafter all of said notes, together with the deed of trust liens securing them, were sold, assigned and transferred to the defendant, W. T. Kemper, and although they have all been paid, the said liens securing them have not been released, and constitute clouds on plaintiff's title, and that they are barred by both the four and ten year statute of limitation.

That the said Southern Rock Island Plow Company recovered judgement against W. S. Day for the sum of \$1577.43, with interest thereon and cost of suit, and caused the same to be abstracted and filed and recorded, on January 17th, 1932, in the

Judgement records of Deaf Smith County, Texas, in book 3, at page 35, and the said defendant and stockholders are asserting and claiming that it fixes a lien on said sections 95 and 96, and clouds plaintiff's title thereto, in that the said Day did not own any right, title, interest or estate in and to said lands, upon which a judgement lien could be affixed, and if it did, both the three and four year statutes of limitation has barred it.

Plaintiff seeks judgement against the above named defendants divesting them of all right, title, interest and estate in and to said six sections of land, and vesting said title and quieting the same in plaintiff; and for cancellation and annulment of said deeds of trust and record thereof and said right-of-way deed, and record thereof, and said abstract of judgment, and record thereof and removing the same as clouds on plaintiff's title to, said land.

HEREIN FAIL NOT, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

GIVEN UNDER MY HAND AND SEAL OF SAID COURT, at Office in the City of Hereford, this 30 day of December, 1940.

R. L. THOMPSON, Clerk of the District Court of Deaf Smith County, Texas.  
 By E. Wombie, Deputy.

### Modern Florence Nightingales

(NOTE: The following material is presented by the Hereford Division of the Women's Field Army of the American Society for the Control of Cancer, Inc.)

In the grim days of the Crimean war, Florence Nightingale began her pioneer work. Today we know her as the mother of nursing, the lady with the lamp. Since her time women have played an increasingly important part in health work. The cool, quick, and healing hands of nurses have helped hundreds of thousands of frightened patients to health.

Women were widely accepted as nurses long before their abilities as physicians and research workers were recognized. Today, however, the great contributions that women have made to medicine and to related scientific fields are well known. A few months ago the American Society for the Control of Cancer decided to pay tribute to three outstanding women who had done important work in the fight against cancer in the laboratory or as practicing doctors. Then a problem arose. It was not difficult to find women who should be honored, the serious matter was how to limit the list of names. Finally instead of three women, the Society cited eleven as "pioneers, as craftsmen, and as colleagues."

But it is not only as nurses, as research workers, as physicians that women are doing valiant work against cancer. Since 1936, women throughout the country have taken the leadership in the educational work against this disease. The Women's Field Army of the American Society for the Control of Cancer has become one of the great health organizations of America. Its members are the Florence Nightingales of today. Many persons have wondered why it should be a women's army. There are several reasons. Women suffer particularly from cancer of the uterus (womb) and cancer of the breast, types of diseases that are usually curable if taken in time. Of the thirty thousand who die from cancer starting in these two organs, it is agreed by qualified experts that more than twenty-two thousand should and could be saved by early diagnosis and prompt proper treatment. In other words, women have a direct and personal interest in this work.

There is another and more compelling reason: the educational campaign against cancer must be careful and clear; basic facts must be repeated again and again. The hopeful attitude that science now has about this disease must be explained calmly and thoroughly. To carry out this program we need patience and courage and endurance. These are the qualities mothers know they must have in bringing up their children, they are womenly qualities.

Every mother is the health officer of her family. It is she who sees that her children get the vitamins they need, that her husband goes to a physician for an annual check-up, that her father stays home when he has a cold. Many of her public health duties may seem trivial; those that concern cancer are vitally important. It is the duty of every woman to learn the facts about this disease and to see that she and her family take the steps necessary for their protection.

Florence Nightingale began her nursing in a war that took place nearly ninety years ago. Today the world is once more torn by the destruction of a cruel war. In our own country agencies are concentrating themselves on war relief. Our government is bending all its efforts towards national defense. At a time like this what will our American Florence Nightingales do? We believe that they will carry on the fight against cancer which they have so well begun. National health is the first line of national defense. By saving lives from cancer we are protecting our productive forces and are maintaining our country's morale. Cancer control is a vital and patriotic task. The Women's Field Army is resolved to fulfill its national duty.

You may secure more information and free leaflets from the headquarters of the Texas Division of the Women's Field Army at Brownsville or from the American Society for the Control of Cancer, 350 Madison Avenue, New York, N. Y.

### West Texas Chamber Commerce Seeks To Put State Affairs On More Business-Like Basis

The West Texas Chamber of Commerce program, and campaign for more business-like administration in the Texas state government has been taken directly to taxpayers' groups from 120 towns in the past three weeks. And the response, said WTCC Manager D. A. Bandgen in a statement from the Abilene headquarters, "has been gratifyingly responsive, fully up to our expectations."

The regional chamber is pushing for passage by the coming legislature of a bill covering its financial reorganization plan. The problem, the legislative remedy and the benefits expected to accrue have been explained to and discussed with taxpayers' groups in 31 regional meetings held throughout West Texas beginning November 27. A half-dozen more are scheduled—the next, at Decatur Wednesday the 18 with the local chamber of commerce board and Lions club. The 31 meetings to date have been held under sponsorship of local chambers, joined by WTCC town directors; and the WTCC is asking the local chambers to, first pledge support of the plan, and second, to take leadership in winning support of other community organizations. They are also asked to appoint committees to call upon their legislators, asking them to put the program through early in the session at Austin.

**NEED FOR HASTE**  
"With the legislature's opening less than a month away, time is the all-important factor," said J. S. Bridwell, WTCC president. "We want our bill to be given the right-of-way. We want as many co-sponsors as we can get, strong blocs in the two houses, fast action in bringing about this vitally needed change in our state administrative departments. We urge all bodies concerned over the problem and believing in the soundness of this plan to at once send in their endorsements."

The bill will be introduced in the lower house by Rep. J. Humphrey of Abilene. This new legislator majored in college in study of government. He holds a master's degree from Southern Methodist university. The drive for better business methods in the state government will not be pushed by West Texas alone. The three regional chambers of commerce—East and South Texas as well as West Texas—are planning to "throw in" together; a united front. A joint statement to that effect was issued by their executives December 2. Last week the South Texas chamber's board formally confirmed its participation; and on December 17 the WTCC and ETEX presidents and managers will meet in Longview to plan future steps in the campaign.

**EXPLANATION OF PLAN.**  
The reorganization bill, now being written, will provide for the continuous and responsible supervision of the state's receipts and expenditures through an executive budget. It will set up a closely thought out system for centralized purchasing of supplies, materials and equipment, an integrated centrally

controlled accounting system kept on an accrual basis; and better auditing and independent post-auditing of expenditures. It will set up a system for closer coordination of the staff ser-

It seeks reorganization of the state administrative agencies, now numbering more than 100, into not more than 18 departments. And it provides for complete information on administrative affairs to the legislature for policy determining purposes.

Two new agencies are created under the plan. One is a governor's cabinet, an advisory board composed of the constitutionally designated executives of the state all of whom are elective officials except the secretary of state, and of the appointive departmental executives representing the major functions of the government. The bill provides that the governor will organize the cabinet and be its presiding officer.

The other new agency is a department of finance and control charged with the responsibility of carrying out the objectives of the act. By the act the commissioner heading the department will be an appointive officer, by the governor, to be confirmed by the senate. The department will be composed of budget, personnel and purchasing divisions, also a division on reorganization and efficiency. Job of this division will be to study the constitutional duties of all state agencies; report on duplications, wastes and inefficiencies; submit plans for reorganizing and consolidating the administrative functions; and serve the legislature in an advisory capacity.

**GOVERNOR AND LEGISLATURE**  
"The very essence of the plan," said Jas. D. Hamlin, chairman of the WTCC's public expenditure commission, "is making the governor really the chief executive and giving him the machinery with which he can be a chief executive, as is very definitely prescribed in our constitution of Texas. At the same time the plan provides a sound system of checks against the misuse of executive authority by making the governor responsible

to the people through the legislature, which is the other constitutionally designated policy determining agency of the state. "Again," said Hamlin, "The plan is built within the terms of the constitution. Finally, it is not in any sense startling, revolutionary or even new. Mainly it is a composite of the best features of reorganization plans in practice in other states, notably Minnesota, Nebraska, Kentucky and Virginia. In these states inspiring results are being won, and we can do the same in Texas, in ending overlapping and duplications of effort, in checking of wasteful spending in all efficiency, and in tremendous savings to the taxpayers."

### Students Pick Best News Stories Of 1940

Fort Worth.—When a man bites a dog, 'tis said it makes war there is no doubt about it—the result is BIG News.

When students in the department of journalism at Texas Christian University were asked to name the "10 best news stories of 1940" they compiled a list in which eight of the 10 are war stories.

One exception—election of President Roosevelt to a third term—might be included without too much bickering concerning classification.

Roosevelt's third-term election rated first place in 1940 news stories by a wide margin. "The issues were unique, the characters dynamic," one student wrote. "The nation-old third-term precedent is shattered and Roosevelt and the Gallop Poll gallop on!"

The next three stories can be ranked in any order preferred, so close did the final balloting place them. They are listed in this order: Fall of France, Siege of England and U. S. Peace-Time Conscription.

These three, and the remaining six of the "Best 10," are listed in the order of their rank by the T. C. U. journalism students, with typical comment:

2—Fall of France. The almost unbelievable event of World War II which shocked everyone

but Hitler. The highly-touted Maginat Line could stand only so much, and internal traitors were not among the things it was built to withstand. But the cry of "Liberty, Fraternity, Equality" is still cautiously heard.

3—Siege of England. The British "muddle through" an unending hail of German bombs. The eyes of the world are focused on England, declared to be the front line of western hemisphere defense. The outcome is unknown, but the white chalk cliffs of Dover still stand.

4—U. S. Peace-Time conscription. A great protective step taken by a great nation is certainly great news. The war is brought home to everyone. And another "first" in our history, along with the third term.

5—U. S. Aid to England. The U. S. enters the war as a non-belligerent. Amid much discussion, pro and con, this country has embarked upon a policy of giving England all possible aid "short of war."

6—Italo-Grecian War. After much bragging and boasting, Mussolini finally invaded Greece. U. S. sympathies being instinctively with the under dog (to say nothing of its anti-Axis leanings), this episode of the Greeks pushing Mussolini's "crack" troops around may have been

overplayed. But it's tops as news story.

7—British Retreat From Dunkerque. One of the most disastrous defeats in England's history, yet at the same time one of her most amazing accomplishments. Heroes are news, and the miraculous event had thousands of them.

8—U. S. Re-armament Program. Billions of dollars and millions of men are involved as sleeping giant bestirs himself. We muster our muskets and prepare for the worst that we may retain the best.

9—Japan Joins the Axis. To the benefit of the U. S., a threat is designed of making the war a two-ocean conflict.

10—Mexican Presidential Election. Involved are U. S.-Mexican relations as well as important phases of the hemisphere defense program. All of the speculation about revolution keeps the story alive for weeks.

**COYOTE RETURNS HOME**  
Even coyotes have a homing instinct—provided they have home to go to, says the Coyote Christi Caller.

Mickey, a 6-month old coyote raised by E. C. Schneider of Mercedes, recently was given away to a family six miles away. Being raised in the city ever since the day he opened his eyes, the young coyote evidently never developed a liking for the wide open spaces and even the farm had no appeal to this city-bred convert of the wolf pack. Mickey returned to his home when his new owner turned him loose.

"Eating meat scraps from a plate is probably a lot easier than running down jackrabbits for a daily meal," Schneider said in trying to figure out why the wolf pup returned. "Confidently though, I believe he'll find his old master."

While Jack Smooth, sailor of the U. S. S. Idaho, was being congratulated on the arrival of a son, he was called to the telephone again and informed that he was the father of triplet. Smooth fainted.

Tobe Catlett of Aurora, Neb. bought a chest of drawers at sale for 40 cents. On his way home a drawer came open and out fell an envelope containing \$165.

Lurline Dixon and Ray Brown, Oliva and Virginia Benson, Jas. Dixon and Noble Brown attended a party given by Eleanor Paetgold of Wyche, Saturday night. The moisture that fell Sunday has again delayed threshing.

Mrs. H. M. Mobley and children spent Sunday with Mr. and Mrs. W. S. Dixon.

There has been quiet an epidemic of influenza and colds in this community the past week. Due to illness, Lucille Bowers, Clark Andrews, James Dobbs, Treva Jo Pool and Evelyn Jean Benson were absent from school Thursday, Friday, Treva Jo and James were able to return. Others who have been ill from colds or the flu are Wanza Johnson, Haskell Benson, and Mack Dixon.

Henry Andrews, who has been in the Hereford Hospital due to injuries received in a car accident before Christmas is reported to be improving.

### Machines of Peace and War Defend the Nation

The peacetime corn picking machine at top looks as formidable as the wartime howitzer immediately below. Both play an important role in the nation's defense preparedness. Modern farming methods, along with the AAA Farm Program, assure the nation plenty of food for any emergency. In the nation's Ever-Normal Granary are nearly three billion bushels of corn, enough to fill a freight train reaching more than half way around the world.

### Progressive News

BY MRS. HOWARD HIGGINS

D. Y. Edwards was in Lubbock the first of the week on business.

Mr. and Mrs. Marion Wilson of Amarillo spent Friday with his brother, Mr. and Mrs. M. Wilson. The entire community enjoyed a New Year's dinner and social at the school house Wednesday. After dinner was spread, games of forty-two and croquenoie were played by the following: Messers and Mesdames A. S. Higgins, Howard Higgins, Ray Hershey, Lewis Harvey, C. V. Burgess and sons, Owen Neel and Wayne, Ira Ricketts, V. E. Dodson, C. C. Bowman, E. T. Brookes, Misses Wilma Higgins, Dora Lee Burgess, Norma Lea and Pearl Edwards, Juretta Bird, Augustine Gregory, Kathryn Hamm; Mesdames W. P. Gregory, L. P. Carmichael and sons and D. Y. Edwards and children; Messers Millard Gregory, Bill Bowman, Glenn Ricketts, Calvin and Orval Edwards, Harold and Homer Harvey, Garland, Noel and Gordon Higgins and Roy Baker.

The community dinner was sponsored by the Progressive Worker's Club.

Mr. and Mrs. Lewis Harvey made a business trip to Canyon, Happy and Amarillo Monday.

Billy and David Miles of Hereford took Sunday dinner and spent Sunday afternoon with Wayne Neel.

There were 33 present at Sunday School Sunday afternoon when the annual election of officers was held. The following were elected: Superintendent, Noel Higgins; Assistant Superintendent, A. S. Higgins; secretary-treasurer, Mrs. Howard Higgins; assistant secretary-treasurer, Miss Virginia Bowman. Sunday school is held every Sunday afternoon at 2:30 o'clock. Everyone is urged to attend and visitors are always welcome. The committee appointed to arrange programs for the first Sunday singings for the first quarter of the New Year, is Messers Lewis Harvey, G. C. Bowman and M. Wilson. Ray Neel took dinner Sunday with Irvin Botsford in Hereford.

Mr. and Mrs. C. V. Burgess and family spent Tuesday with her daughter, Mrs. Sam Stanford, Mr. Stanford and son, Sammy at Morton. Vernon Burgess accompanied them there to remain for a while.

This community extends its sympathy to the family of Bob Allison of near Ward, who passed away last week. Mr. Allison was known by most of the residents of this community.

School was resumed both at Progressive and by the stu-

### North Hereford Club Studies Broiling At Meeting Last Week

The broiling of meat was studied by the North Hereford Club Friday afternoon in the home of Mrs. A. T. Case.

"To have tender broiled meat it should be cooked at a low temperature," stated Miss Sadie Lee Oliver.

Business meeting was presided over by the president, Mrs. C. G. Robbins.

Mrs. Grady Parsons was appointed assistant reporter.

Refreshments of sandwiches, broiled meat, potatoes, green beans, broccoli, persimmon pudding and hot chocolate were served to Messdames Earl DeHart, George Parker, Grady Parsons, C. G. Robbins, Fred Saltzman, Otto Olson, A. T. Case, O. L. Rutherford and daughter, Ernest Runyon and children.

The next meeting will be with Miss Evelyn Bell, January 17.

### Christine Luck And New Mexico Man Are Married

The marriage of Miss Christine Luck, daughter of Mr. and Mrs. P. H. Luck of Roswell, N. M., to Buster Vaughn, son of Mr. and Mrs. G. H. Vaughn of Roswell, has been announced here. The wedding took place in Roswell on December 23, at the Church of Christ. Attending the couple were Mr. and Mrs. B. F. Fulkerson, formerly of Hereford and now of Roswell.

Mrs. Vaughn lived with her parents in Hereford for several years and attended Hereford High School. She also attended high school in Roswell.

Mr. and Mrs. Vaughn will make their home in Roswell where he is employed as a mechanic.

### Bridge-Dinner Is Enjoyed at Patton Home

Dinner and bridge were the forms of entertainment chosen by Mr. and Mrs. John Patton when they were hosts to a group of friends at their home Saturday evening.

Crimson tapers flanked a bowl of colorful fruit which centered the table from which the dinner was served. Guests were seated at tables for four where later games of bridge were enjoyed. Red flowers carried out the col-

lor accent in the living room. Playing high for score award in the games were Mrs. J. W. Witherspoon and C. T. Guseman.

Those attending were Messers and Mesdames S. P. Rosson, J. W. Witherspoon, H. A. Close, C. C. Acker, J. A. Pitman, C. T. Guseman, Mrs. Seth B. Holman and the hosts.

### Former Hereford Boy Marries New Mexico Girl

Announcement has been made of the marriage of Miss Jewel Marie Donohue, daughter of Mr. and Mrs. F. O. Donohue of Dobbs, N. M., and Robert Winston Speegle, son of Mr. and Mrs. J. E. Speegle of Portales. The wedding took place Sunday, Jan. 5, in the Speegle home in Portales with the Rev. E. J. Speegle officiating. Sherwood Speegle was his brother's best man.

Mrs. Speegle was graduated from the Hobbs High school and from the Eastern New Mexico College at Portales. Mr. Speegle attended Hereford schools when he lived here with his parents several years ago. He is a graduate of Eastern New Mexico College and is employed by the Mountain State Telephone Co.

Following the ceremony an informal reception was held at the Speegle home.

### TRAPPING WORK PROSPERS

Antelope and deer trapping, the two major projects of their kind carried on by the Texas Game, Fish and Oyster Commission still flourish and are expected to continue to do so for at least two more months, the executive secretary of the Commission has announced. Birds and animals trapped on overstocked areas are planted in sections suitable for game, but from which they have been shot out.

Latest reports are that nearly 300 antelope have been trapped in West Texas and that 400 more than that number of deer have been taken in the traps set by Game Department workmen on South Texas ranches. Antelope already trapped outnumber the total taken last year and the 400 deer enticed into traps are within

three score of the deer distributed last year.

The Game Department is using airplanes with which to round up antelope with horsemen co-operating. Cost of the rounding up of the fleet animals has been reduced to where it is now \$1.70 per animal. That is believed to be the smallest cost of trapping any kind of big game animal managed in this country.

### WHY NOT INCLUDE GIRLS?

Publicizing of a motto "Take a Boy Hunting and Fishing," brought an inquiry recently from J. C. Cross of the department of biology of A & I College of Kingsville, Texas which read: "Why not change your motto of a real sportsman to include girls as well as boys. Girls like to hunt and fish." Thanks, Mr. Cross.

Mrs. A. H. Elliston Has Quilt With 11,280 Pieces; Quilt Making Is Hobby With Her

Has Made 100; Given Most Of Them Away

Grandmother's Flower Garden

Are you looking for a hobby which calls for plenty of skill in detail work...

Then look no further. Mrs. A. H. Elliston has just such a hobby.

It's quilt making. And Grandmother's Flower Garden is her favorite design. She has one with 11,280 pieces in it.

Mrs. Elliston says that she has made seven of Grandmother's Flower Garden design and is working on another which her daughter-in-law, Mrs. Pat Elliston, started.

And to top it off two of these quilts have an estimated 11,500 pieces each. Mr. Elliston hasn't counted the pieces in these, but the quilts are larger than the one he did count.

Mrs. Elliston's quilts have brought her quite a bit of fame. About seven years ago while in Hollywood she was guest of the Beverly Hill Billies...

She has given away practically all of her Flower Garden quilts to her children and grandchildren.

Mrs. Elliston made her first quilt when she was 12 years old and has been making them for 63 years now.

She has given away practically all of her Flower Garden quilts to her children and grandchildren. Frances B. Elliston, a grandson who is in the United States Army...

Mrs. Elliston estimates that she has quilted a hundred quilts in all. She does not know the names of many of the designs, but included are six Double Wedding Rings, a Basket design and many others.

Asked why she quilted so many, Mrs. Elliston smiles cheerfully and says: "I guess it's my hobby."

The school children are enjoying their noon lunches at the cafeteria which was opened at the schoolhouse last Friday. The cafeteria has been made possible by labor furnished by the N. Y. A. and some commodities obtained from Hereford. The lunches are now being served at a cost of only 7 1-2 cents per meal. About thirty-four lunches are being served at present. Mr. and Mrs. Dodson supervise the work. The helpers are Neelie Reed, Gladys Gore, and Roy Landers.

The menu for the first day included baked ham, gravy, creamed potatoes, green beans, hot rolls, hot cocoa, and Boston pudding. The meals are planned to include a balanced diet and thus protect the health of the child.

Very few families in this community are free from colds or other illness. Included on the sick list are Mrs. Jim Bookout and Martha Ann, Wade Goldston, Max Dodson, Floyd Tucker, Mrs. Grady Wilson, Donnie Rice, Mrs. Al Werner, Don Ray Parsons, and Mrs. Paul Mathers. Gladys Gore was assisting with the work at the Mathers home until she too became ill. Miss Billie Jim Sykes of Portales, N. M., who has been visiting her sister, Mrs. Ulys Pierce and family at Hereford until Saturday. She returned to her college work at Portales Sunday.

A baby daughter born Tuesday, December 31, to Mr. and Mrs. R. D. Thommarson was, dead at birth. She was buried at Olton, Tuesday afternoon. Oliver Rudd of Hereford took the little body to Olton where short services were held at the cemetery. The baby had been given the name of Ruby Dee. Mr. and Mrs. Paul Rudd took Mrs. Thommarson from the hospital in Hereford Wednesday afternoon to the home of Mr. and Mrs. G. E. Tommarson near Olton. Mr. Thommarson is employed by the Bell Telephone Company and is located in Amarillo.

F. W. Dodson spent Sunday in Olton, looking after his farm there.

from Gainesville spent the week. They returned to Gainesville Monday morning taking a load of furniture back. In a recent letter from Mrs. Osburn to the Demonstration Club here she says that they like their new home and that the people are very friendly. The yards there are pretty, with so many evergreens and shrubbery. They have real holly growing in their yard, and before Christmas went to the creek and got mistletoe and bright red buck eye berries for decorations.

They do not have the locker quite ready for use yet as there has been so much rain that didn't make much progress for a long time, but that people are interested in it.

Maurice Tannahill went to Lockney Sunday to spend several days looking after some business.

Grady Wilson, Clarence Morrison, Vincent Skypala, and Maurice Tannahill attended the meeting on water conservation at Plainview Monday.

Jack Earp went to White Deer Thursday and from there to McLean to attend the funeral of his aunt, Mrs. T. J. Earp, which was held Friday afternoon at the Baptist Church in McLean. Rev. Herman Coe who is well known by many here preached the funeral sermon. Mrs. Earp was the wife of Jack's older brother Jeff. She was the mother of J. B. Earp who attends school at Wayland College and who has often visited Jack and his mother, Mrs. J. S. Earp. He has preached here and helped often in services.

Jack found his mother, Mrs. J. E. Earp who lives near her daughter, Mrs. Emil Rapstine at White Deer feeling well.

Roy and Vesta Mae Landers, Erman Campbell, Wayne and

Nannette Little spent Sunday with friends and relatives in Olton. Miss Georgia May Foster of Olton returned home with them and will work for Mrs. Guy Lawrence at Hereford.

Miss Lou Ella Scarbrough of Clovis, was a week end guest in the F. W. Dodson home. Lou Ella attends a beauty school in Clovis. She will finish her course in February.

R. M. Gunn had his house weather-stripped last Thursday. The Grady Wilson home is being weather-stripped this week. Wilburn Goldston of Amarillo is doing the work.

Mr. and Mrs. Hughes Millard and Sheila of Hereford were dinner guests Sunday in the Grady Wilson home.

Mrs. Julia Sowell of Hereford is visiting this week in the home of her son, P. B. Sowell.

### Demonstration On Broiling Given At Wyche Club Meeting

The Wyche Community Club held its regular meeting Thursday, January 2, at the home of Mrs. H. H. Caraway with ten regular members and one guest present.

The demonstration by Miss Oliver was preceded by a short business meeting conducted by the president, Mrs. Harris. Roll was answered by given names, and members were asked to address each other by these names. A report was made by the finance committee.

Miss Oliver demonstrated the broiling of three kinds of meat—pork chops, lamp chops, and beef. With these meats were served broccoli and Hollandaise sauce, potatoes, green beans and carrots.

A salad course was served by the hostess to Mesdames Gene Williams, G. E. Thiele, W. R. Harris, J. I. Lueb, George Robertson, Iva Cocanougher, Nolle Elliston, Ira O. H. B. Elliston, Eat Elliston and Bernice Lueb.

The next meeting of the club will be held January 16 at the home of Mrs. George Robertson.

TRAPPING STILL SUCCESSFUL. Despite the fact there is more natural food for deer in South-west Texas than there has been for many winters, trapping of deer by the Texas Game Department by use of new, individual traps continues to be successful. The first three weeks of trapping brought 151 deer into the traps. They are transported to areas suitable for raising deer, but from which they have been shot out.

The new traps, of which the Game Department will soon put all its 122 in operation, catch one deer at a time. However, the bucks and does, taken on

lands where the supply is too large for the food available, do not injure themselves in these new traps. The traps are baited with cottonseed cakes and apples, which deer consider great delicacies.

## Music Abroad Is Studied At Meeting Of Music Study Club

The Music Study Club resumed regular study programs Monday after the holiday vacation. The meeting was held at the home of Mrs. S. P. Rosson with Mrs. Jeff Gilbreath as leader.

Continuing the study of Internationalism in Music, the program was built around Music Abroad and in giving a setting for musical selections featuring foreign composers, Mrs. Gil-

breath said in part—"Music has played a part in the present morale of the English people. Their ceaseless flow of musical concerts, called bomb concerts, draw greater crowds every day. They seem to want to live each day as if it were to be the last, and to want to absorb all beauty possible. In America we are continuing programs of Latin American Music and are sending music of our country to South America to strengthen a mutual understanding.

During the invasion of Finland musicians moved from city to city as the invasion advanced and programs were kept up by starting with the strings and adding to the parts as the musicians returned from the front. It seemed as though they always returned and some one suggested that music be taught to the whole army—musicians seemed harder to hit.

Mrs. Ruth Dalton, an American musician in Cairo, Egypt, presents the first, truly Egyptian art work written for a western orchestra in "Diadem of the Stars." It is unusual that it is written by a woman where women are not recognized in art. The work promotes friendliness and understanding as it brings the East and West together.

Musical selections included: A chorus number "Gypsy Song" taken from a Roumanian Folk Song was presented by Mesdames S. P. Rosson, H. K. Fox, Jeff Gilbreath, C. R. Smith, Wiley Roberson, A. O. Thompson, H. H. Hawkins with Mrs. C. H. Dyar accompanying. A piano solo "Etencelee" (Moscowsky) played by Miss Ruth Conkwright; a piano duet "Symphonic Dances" (Grieg) by Mesdames H. L. Broadwell and C. C. Acker; Mrs. J. C. McCracken and Mrs. C. H. Dyar played "Barcarolle" (Spross) and the concluding number was a chorus "Candle Light" (Cadmán) sung by the entire club.

## Business Meeting And Luncheon Held By Class

Phebean Class of the Baptist Church met for a business and social meeting at the home of Mrs. George Robertson Friday afternoon. Mrs. Cecil Gunter was co-hostess.

Roll Call was answered with New Year's resolutions. Mrs. George Suggs led the devotional followed by the prayer led by Mrs. Libburn Ray.

A short business session was held and a social hour followed.

Those present were Mesdames J. B. Whitlow, George Clark, Owen Stagner, Pat Patterson, Claude Longbottom, Libburn Ray, George Suggs, Ralph McCullough, Ira Foster, Carl Gilliland, and the hostesses, Mrs. Gilliland is the teacher.

### TUESDAY LUNCHEON

A surprise luncheon was given Mrs. Libburn Ray in her new home on Third Street Tuesday, by members of the class. The occasion celebrated Mrs. Ray's birthday. After the luncheon games furnished entertainment. Mrs. Artis Daniel, Mrs. Ray's mother was a special guest.

## Wesley Fellowship Group Has Meeting

The Wesley Fellowship group of the Methodist Church held its regular meeting at the home of Mr. and Mrs. John Jacobson Jr., Monday night with R. L. Thompson in charge of the program.

Mr. Thompson conducted a quiz on timely subjects of interest and Rev. Marvin Norwood conducted games.

Plans were made to have two meetings each month instead of one, the added meeting to be held on Sunday when from time to time the public will be invited to hear special speakers. The first of the Sunday meetings will be held on the evening of January 19, at the church and Dr. S. C. Condon of W. T. S. C.

Members of the club present included Mesdames J. E. Beyer, C. C. Acker, H. L. Broadwell, R. P. Conewey, C. H. Dyar, H. K. Fox, H. H. Hawkins, G. B. Jones, J. C. McCracken, G. A. F. ## Recreation Discussed By Junior Club

The Junior Pioneer Club held its regular meeting Tuesday evening at the home of Mrs. Lynn Kester. Mrs. G. R. Lunsford was leader of the lesson on "The Wise Use of Leisure."

Mrs. Lunsford gave interesting facts concerning the importance of enjoying life from a health standpoint which furnished an interesting background for the following topic on "Hobbies."

Mrs. Lunsford quoted from an article by Benjamin De Caseres written for the March issue of the Cosmopolitan, stressing a poem, "Prayer for the New Year," given by Mrs. Blue concluded the program.

Other musical numbers were postponed because of illness of band members. Emphasizing the fact that nothing is

## Officers Are Re-Elected At Club Meeting

Women's organizations, their development and progress, were subjects of study for the L. A. E. Club, at the first meeting held after the Christmas vacation, at the home of Mrs. Jim Higgins, Tuesday afternoon.

Current Events provided interesting answers to roll call which was followed by a discussion of "America's and Other Nations' Organized Womanhood" presented by Mrs. Robert Veigel. She read clippings showing the progress of women's clubs and other organizations over a period of years.

A parliamentary drill was conducted by Mrs. Jim Lipscomb who conducted three types of meetings to illustrate the correct method of procedure.

During the business session all officers of the club were re-elected to serve another year. They include: Mrs. Arlie Dean, president; Mrs. Wesley Higgins, vice-president; Mrs. Altus Higgins, secretary-treasurer; Mrs. Jim Lipscomb, parliamentarian and Mrs. Robert Veigel, council member.

Members attending the meeting were Mesdames Robert Veigel, George Suggs, Wiley Roberson, Jim Lipscomb, Bill Hutson, Wesley Higgins, Bob Higgins, Jack Dean and the hostess.

## Junior Band Mothers Hold Meeting

Junior Band Mothers Organization met for the first time after the holiday vacation at Central School Tuesday afternoon.

Mrs. R. G. Blue, president, presided and a short program was given. Mrs. Arch Conklin read a poem and Jessie Ann Buckner played "In the Gloaming," a saxophone solo. Mrs. Geo. McConnell told of the work Paderewski is doing for Poland and other over-run countries in Eu-

worth doing by halves and that regular intervals should be set aside for relaxation and fun. The writer pointed out that the tempo of the modern times make it difficult for people to take time for enjoyment and that children are most capable of enjoying life because they enter into it wholeheartedly.

"Hobbies must be pursued with pleasure, freeing the participant from every day worries," said Mrs. Troy Moore when she discussed "Hobbies" for the club. She told of the value of hobbies in preserving mental equilibrium and listed many great men and women who find recreation through hobbies. She also brought to mind that most inventions are the results of someone's hobby.

Reports were heard and refreshments were served to Mesdames Louis Woodford, R. R. Wills, R. S. Scott, Ralph Roden, Elvin Ridling, Libburn Ray, Elmer Patterson, Troy Moore, Al-

## Don't Despair But Take A New Lease On Life

Ho-Hum! The holidays are over, but the memory lingers on. One person wanted to know when we were to have a holiday to get rested from the holidays.

A new year really offers many opportunities for one to get a fresh start and accomplish things that possibly he had planned to do but neglected doing. In school, a student has a chance to get busy and, in the time that remains, overcome any extremely low grades that he might have made or improve even the sat-game is not necessarily lost at the half even though the opponent has the big end of the score. With proper team work, the right spirit, good luck and change and victory go to the team who at first was the apparent loser.

Let's take a new lease on life, buckle down to work, do some hard tasks that will develop us, get much good, yet plenty of fun out of this term, and really feel that we have accomplished something.

## Debate Is Vital For Influence

Did anyone ever tell you that you would make a good debater? Did you appreciate what a high compliment was being paid you, or did you even consider it a compliment? Nevertheless, you should have been highly pleased. Why? There are several reasons. Debate is an art which develops skill in the process of influencing others to accept or reject belief; and since no man is ever free today from the necessity of defending his own beliefs, or of influencing others to reject or modify their beliefs, debate, as an art, is valuable not only to lawyers and politicians but is just as valuable to all men, whatever their occupations may chance to be.

The study of debate is valuable; it trains men in quick and accurate thinking; it develops in them the qualities of assurance and self-reliance; it helps them to win their daily bread; it helps them to rise to positions of leadership among their fellow-men.

A picture of Helen Dudley, a member of the Pampa High School Debate Club, appeared in October's Life Magazine with a "Letter to the Editors" from Johnny Campbell, another member of the Pampa High, praising her on her ability to speak. It was partly through the efforts of the "Mr. Worley Goes to Washington Club," of which they are both members, that Mr. Gene Worley was elected Congressman of that district. Would such facts as these not be complimentary to anyone?

If you have trouble convincing Dad that you need the care more than he does, and if you have trouble in any of those other arguments at home, why don't you join the Debate Club? It will help you, and you will help it.

Mr. G. M. Hudson has been principal of Hereford High School since 1926. Besides serving as principal he teaches physics and Spanish.

Mr. Hudson has been sponsor of the Boys' Hi-Y since it was organized in 1929. He is also sponsor of the Student Council.

He received a B. A. degree in English with chemistry and Spanish as minors. He received at Texas Tech College a M. A. degree with a major in secondary education and a minor in chemistry and Spanish.

Mr. Hudson's hobbies are photography, radio, gardening, chicken raising, and fishing. He likes the opportunity to introduce to boys and girls new ideas that will be interesting and valuable. He likes to help boys and girls to become good citizens. He dislikes the dissatisfaction of not putting over new ideas and helps to students. He dislikes to hand out criticism and punishments but realizes they are necessary.

## Ways Of Supporting "Round-Up" Discussed By Student Council

The Council discussed ways for supporting the staff. It was reported that it cost the staff five dollars a month to put in enough material to make the Whiteface Roundup a good paper. It was decided to ask the presidents of the following clubs and their sponsors to meet with the Council to find out whether or not they could give the following amounts monthly:

Tri-Hi-Y	-----\$25
Hi-Y	-----\$50
Pep Club	-----\$25
F. F. A.	-----\$25
F. H. T.	-----\$25
Freshman Class	\$50
Sophomore Class	\$50
Junior Class	---\$50
Senior Class	---\$50

The Student Council voted to give the staff \$2.50 now, and that would be credited to their part of the contribution.

Another way that was suggested for raising funds was by taxing school organizations a certain percent of their profits when they used the auditorium for money-making purposes. The amounts were to be placed as follows according to the percent of profit listed:

\$25 profit	---2 per cent
\$75 profit	---5 per cent
\$99 profit	---7 per cent
\$100 profit	---10 per cent

## Students Make 'Em But Break 'Em

Each year finds some students making and also breaking New Year's Resolutions. Here is this year's group:  
 Bobby Davis-To become a good student in English IV.  
 Lurine Dixon-To learn Spanish verbs perfectly.  
 Mildred Bowsher-To be sure to get to first period study hall on time--a few times anyway.  
 Harold Loerwald-Pass English III or else take it over again.  
 Mary Ellen Henslee-To make everybody happy--teachers included.  
 Lois Agnes Gilbreath-To practice the piano an hour every day and quit putting everything I do off until the last minute.  
 Henry Ford-To pass English and also History. Maybe this is too much.

Another of 1941's Seniors is Eleanor Paetzold. Eleanor was born in Groom, Texas, in 1924. She wants to do secretarial work when she finishes school. Her hobbies are collecting pictures, songs, and jokes. Her favorite subject is shorthand.

Robert Petersen was born in Nooksack, Wash. Robert likes school and its activities. He has blue eyes and is average height. His favorite subject is boy's social problems. Robert has made no definite plans for his future work.

Carroll Newsom was born in Chillicothe, Mo., in 1924. Carroll has previously attended school in Borger. He came to Hereford in 1939. Carroll's hobbies are band and agriculture. Carroll is five feet nine inches tall and has grey eyes. He belongs to the Hi-Y, Band, Orchestra, and F. F. A. He plans to go to college.

## Senior Personalities

One of the youngest Seniors of this year is Gertrude London, who has made a very good record during her school career. Gertrude is a twin. She was born near Dawn, Texas, in 1925. Gertrude's hobbies are collecting jokes and drawing. She plans to take business and secretarial work when she finishes high school. She is business manager of the Whiteface Round-Up. She has been a member of the orchestra for four years, and is a previous member of the band and glee club.

One of the Senior's musical talented members is Maxine Beach. Maxine was born in Hereford in 1923. She has brown eyes and brown hair. She plans to take up music as her work when she finishes school. She is a member of the glee club and a previous member of the F. H. T. Her favorite subject is chemistry.

## Basketball Team Receives New Maroon Suits

After the most successful football season in several years, the thoughts of the students of Hereford High school turn to basketball. The basketball season got under way Saturday night when the Whitefaces went to Dimmitt, where the Wildcats defeated them 41-16.

Mr. Mac Best is coaching the squad this year. The prospects for a good team are fair even though most of the boys are novices. The boys got a late start in practice, but they have already shown much improvement.

Coach Best has divided the boys into two squads, the A and B squad. The A team is composed of the following boys: Glen Smith, Jack London, Joe Brock, Bob Davis, George Weems, Foster Hill, Wayne Phillips, Billy Davis, Leroy Suttle, Daniel Russell and F. L. Lucas. The B team consists of: Billy Gene Massee, Donald Roberson, John Douglas Pitman, Billy Hall, Robert Hickman and a few others.

An added incentive for the team this year is the new suits, which are of a solid maroon color; the jerseys have large numerals on the front and back. They also have new warm-up suits. The boys are very proud of these new uniforms and are determined not to let them go down in defeat.

All of you basketball lovers follow the lads through the season because they need your support. The team is inexperienced but each game will see some improvement, and the games should grow better as the season progresses.

## NEW STUDENT IN H. H. S.

Anna Florene Loyd is a new student here from Albuquerque High School; she is a sophomore. She is a blonde, has blue-green eyes, is five feet two inches tall, and is sixteen years old. Her favorite subject is biology and her hobby is dancing.

## MILLS IS BACK

Nona Mills has returned to school after an absence of three weeks during which she had an appendicitis operation.

A sharp nose indicates curiosity—and a flat one too much curiosity.

And then there's the new version of the old slogan: "You can't keep a good man—Darn!"

### New Officers Installed For Rebekah Lodge

The Rebecca Lodge of Hereford held installation services for their new officers Tuesday night at the I. O. O. F. Hall.

Mrs. Elizabeth Hicks succeeded Mrs. Ira Cocanougher as Noble Grand. The rest of the officers were chosen as follows: Mable Strange, vice-Grand; Ethel Fridley, secretary; Edna Rowe, treasurer; Samantha Hopson, warden; Gertrude Millard, conductor; Ora Lee, chaplain; Mary Cox, right supporter to Noble Grand; Connie Williamson, left supporter to Noble Grand; Ruth Rogers, right supporter to vice-Grand; Myrtle Witherspoon, left supporter to vice-Grand; Ester Bates, inside Guardian; Lady Trimble, outside Guardian; and Grace Sanders, musician.

### Resolutions

#### STATE OF TEXAS COUNTY OF HALE

WHEREAS, our information is that one or more bills on the control of ground water in Texas are being proposed and:

WHEREAS, one bill, a copy of which we have, drafted by Representative Issick of El Paso, Mr. Chisholm of Amarillo, Lawrence Cook of Houston, and others, has been called to our attention, and:

WHEREAS, the ground waters of different sections of the state which may be available in quantities and under conditions making the use of such water for irrigation by means of wells either flowing as artesian water or producing water by means of pumps practical for irrigation purposes vary widely in different sections of the state, and:

WHEREAS, by far the larger portion of water now being produced for irrigation by means of pumping wells is on the High Plains chiefly in the Brazos River Watershed and the Red River Watershed, and:

### Recognition for American Indian Art

The almost forgotten arts developed by Indians will be recalled January 22 when the government, universities and museum will co-operate to feature their achievements. Above, a group of Nayaajo Indians demonstrate their handwork, which will appear in the museum of modern art, New York city. Upper right: A young Indian girl proudly wears traditional tribal costume.

WHEREAS, in other sections of the state, notably in the vicinity of Carrizo Springs, extensive irrigation for several years, by means of artesian well-water has been in operation, and:

WHEREAS, conditions in the artesian well-water irrigation section of the state and in other localities may demand legislation for the proper conservation of this natural resource, and:

WHEREAS, we believe that the ground water in the High Plains, particularly in the two water sheds mentioned, for some years have been, and are now, being developed for irrigation, and so far as the development has gone with our rich soil resources, have been exceedingly satisfactory, and:

WHEREAS, from the limited study that has been made of the

ground water on the High Plains, according to the recent report from the State Board of Water Engineers working with the Federal Government, it does not appear that any material lowering of the water level on the High Plains has resulted from the water now being used for irrigation, and:

WHEREAS, the provisions of the proposed bill by Representative Issack, and others, might be construed as an attempt to set up public ownership of all ground water, which has never been attempted before in connection with the natural resources of the state, such as gas, oil, and sulphur.

NOW THEREFORE BE IT RESOLVED, that we are emphatically opposed to any legislation being enacted which could prob-

ably be construed as setting up public ownership of any natural resources of the State of Texas, particularly ground water, and:

BE IT FURTHER RESOLVED, that we are opposed at this time to any legislation of a statewide scope regulating the use of ground water on the High Plains, and we take this position because we do not believe that sufficient study has been made of the ground water on the Plains to enable the legislature to intelligently act in the proper conservation of this natural resource; and, we also take this position because we believe that the ground water of the state varies so extremely in the different sections of the state that no general statute can or should be enacted. On the other hand, we believe, from the limited knowledge of the ground water of the different sections of the state, that if and when legislation becomes necessary to properly conserve this natural resource it should be done, expressly recognizing the ownership of the land owner to this natural resource; that the proper way to set up this control is by establishing water conservation and irrigation districts under Section 59 a, of Article 16, of the Constitution, suitable to the different sections of the state having ground water under such conditions, and in such quantities as to make irrigation practical. We believe that when Section 59a, of Article 16, of the Constitution was written, that the farmers of this section recognized the fact that natural resources of the state may vary in their structure to such an extent that a state-wide law would not be practical, and taking this view of the matter we are firmly convinced in our opinion that no satisfactory state-wide law can, or should be, enacted at this time or later, for the control and conservation of ground water, and that the only practical method as stated, for legislation of this type should be set up by districts, rather than state-wide laws, and therefore:

BE IT FURTHER RESOLVED, that we request that the control of the development and use of ground waters on the High

Plains, particularly in the Red River watershed and Brazos River watershed, be exempted from any state-wide legislation at the present time, it being thoroughly understood that we do not wish in any way to interfere with the passage of legislation affecting water for the use of irrigation, or other purposes, in other sections of the state, believing, as stated, that the only practical and sensible method of approaching this type of legislation is by the creation of water control and conservation districts meeting the local conditions of the section of the state which decides that this type of legislation is necessary, and:

**THEREFORE BE IT FURTHER RESOLVED**, that copies of this resolution be made public and that copies be sent to the State Board of Water Engineers and the members of the State Senate and House of Representatives, from this section of the State.

**GEESSE COULD DO DAMAGE**  
Argentine geese are so thick in South America they are killed with clubs and Mr. E. T. Buis of East Bernard, Texas suggested to the State Game Department that thousands could be captured and released in the United States. His suggestion was referred to the U. S. Fish and Wildlife Service. Officials pointed out Argentine geese are non-migratory and since they, in common with most geese, are grazers, it is believed the damage they would do in agricultural areas would more than offset the
