### 5 Hereford Youths Injured In Wreck

Cleta Gish, 18, daughter of Mr. and Mrs. Clarence Gish, 210 W. Eighth, Wednesday morning was reported in critical condition at Neblett Hospital in Canyon, where she was admitted after sustaining a severe head injury in an automobile accident Sunday morning near Canyon.

Miss Gish and four other Hereford teenagers were injured at about 7 a.m. Sunday when their car overturned on State Highway 217, 1 1/2 miles east of Canyon.

Driver of the car, Wayne Michael Northcutt, 18, 307 Ross, was hospitalized with severe fractures of the upper right leg. His leg was placed in traction at the hospital, and he is reported in fair condition.

Other passengers in the car, Anita Turner, 16, Jerry Bradley Carr, 18, and Harold A. Hamby, 17, were treated for less serious injuries.

Miss Turner received lacerations of the face and head and was reported in fair condition at the hospital. Hamby and Carr were treated for laceration and bruises and released. Carr suffered a fracture of the right wrist.

According to Highway Patrolman Gilbert Ray of Canyon, the car, travelling west on the highway, slipped off the shoulder to the left, hit a tree and overturned. The 1959 model automobile belonged to Hamby.

Ray said the car travelled about 200 yards after leaving the highway before hitting the tree. The tree was struck by the left fender of the car, and the car careened to the right and overturned.

Apparently, the driver fell asleep at the wheel, Ray said. The group had attended a late movie in Hereford the night before and were returning to Hereford from Palo Duro Canyon State Park, he said.

The occupants were taken to the Canyon hospital by Warren-LaGrone ambulance. The car, valued at about \$3,500, was demolished.

Northcutt was cited for exceeding the speed limit by Highway Patrolmen.

### Water Victim Accompanied By Local People

A Friona man, William Odell Wright, 39, drowned at Conchas Dam near Tucumcari, N. M., during the Memorial Day weekend while on a fishing trip with his son and Mr. and Mrs. Bobby Noyes and their two children of Hereford.

Still missing as a result of a boat accident Friday night are Victor Poehler, 32, of Santa Fe, his son, Jimmy, 12, and Joe E. Snyder, 41, of Los Alamos. The body of another son of Poehler, Tommy, 9, was found floating along the shore north of the dam Saturday.

Noyes and Wright's son began the search for the Friona man Saturday morning, about 12 hours after he left the boat docks alone. The body of Wright was pulled from the lake waters 25 feet deep Sunday.

The drowning occurred sometime Friday night on the wind-blown waters at the north part of the lake's spillway.

A committee has been named to study ways of establishing a youth employment service in Hereford. The Chamber of Commerce sponsored meeting was held in the Jim Hill Hotel with Jack Walders, director of the Amarillo Youth Employment Service as principal speaker.

Named to the committee were Dudley Bayne as chairman; the Rev. Joel Treadwell and Dick Barnard. They were appointed by Bill Thompson, chamber manager.

Walders, who has worked

with youth employment in Amarillo since its beginning in 1952, explained the history of this service and its accomplishments since it has been established.

Youth Employment Service, said Walders had its inception as a project of the Amarillo Sertoma Club. Walders, being a friend of some of the members of this club, consented to allow space in his office for the work. He and his secretary became the supervisors of the project.

The work being established in the fall, by the time of its summer season over 2100 man hours of work had been counted.

Hard sledding came for the project when Sertoma was forced to give up the sponsorship of it. An Amarillo oil man seeking a memorial for a son who had recently died joined partnership with Walders in the support of the project. He soon had to give up the youth employment project because of business reasons.

Walders went on to explain the forms that he requires applicants to fill out when they seek a job through YES. These forms, he said develop information that is essential to helping the applicants find jobs.

A suggestion of Walders was that the Hereford employment service, either accept volunteer help or employ young people to operate the office. "Young people will not play favorites," Walders remarked. "They may not like some of their applicants, but being young and subject to supervision, they will be less likely to be influenced in finding them jobs." Walders further stated that his only function as far as Youth Employment was concerned was supervisory.

### County Approves Plat And ROW

In a special meeting Tuesday, Deaf Smith County Commissioners took action on several items of business.

A plat for South Acres subdivision was approved by the commission. The new development is located on the east side of U. S. Highway 385 south of Hereford, and is now outside the city limits. The plat also will be taken to the Hereford City Commission for approval.

Commissioners approved the cost estimate for damages and land value for property owned by Carl Wimberley, just west of Dawn. The land is one of the first right-of-way acquisitions made for the expansion of U. S. Highway 60 into a divided, four-lane highway from the county line west to Hereford.

Commissioners held a lengthy discussion with Tom McFarland, manager of the High Plains Underground Water Conservation District, about irrigation tail water escaping from the land on which it was produced.

This excess water has been a problem for the Commission, since it hinders county road and ditch maintenance and weed control. McFarland again promised full cooperation with the Commission in efforts to stop waste water. The tail-water situation had been discussed by McFarland in commission sessions last fall when the two groups agreed to work together on the problem.

In other action, L. H. Hoffman was appointed caretaker for the county-operated Bull Barn. His salary was set at \$220 per month.

Architect John P. Work of Amarillo conferred with the Commission during the afternoon on plans and blueprints for the new jail and courthouse modernization projects.

NELDA BARNETT, 16-year-old daughter of Mr. and Mrs. A. E. Barnett, 612 Austin, makes her debut as a columnist in this issue of The Brand. To be a senior next fall, Nelda will cover news and views of the younger set in her "Teens 'n' Jeans" column each Thursday. (Staff Photo)

### AFTER TWO YEARS

### George Heard Family Returning From Iraq

George Heard, who has been employed at the Daura Oil Refinery in Baghdad, Iraq, for the past two years this week notified friends and relatives in Hereford that he will leave his position in the testing department of the company June 7.

In a letter to Hereford attorney Bruce Miller, Heard said he and his family will leave Iraq June 8 but were not sure when they would arrive in Hereford.

Heard, the son of Dr. G. W. Heard, 611 N. Main, accepted a position in the testing department of the lubricating oil plant early in 1957. He left Hereford

in April of that year. The Daura plant is one of the refineries under the Government Oil Refinery Administration in Iraq, and is located in Baghdad, capital of the country. Tentatively, he and his family plan to visit Jerusalem, Egypt, Turkey, Greece, Italy, Lebanon, Germany, France, England and Spain. They hope to spend about a month in Spain. With him in Iraq are his wife and two daughters, Martha, 21, and Leslie, four. A son, George Jr., attended Texas Tech this year. While in Iraq, they lived in (Continued on page 2)

FOUR WERE INJURED when a 1954 model automobile went out of control near Summerfield on Highway 60 Sunday, crashed through three sections of fence and overturned. The four Latin-Americans in the car were taken to Parmer County Hospital, and two remained there Wednesday noon. (Staff Photo)

### Vacation Church Schools Slated

Vacation Bible Schools of the various churches are now in session or soon will be in session. A few of the schools have been scheduled for later in the month or in July.

Bible Schools now in session are the Avenue Baptist Church and the Immanuel Lutheran Church, whose schools began June 1 and will last through June 5.

The First Christian Church has set June 7 through 14 for the Vacation Bible School. First Baptist has scheduled a two-week school beginning June 8 and lasting through June 19, and the Wesley Methodist Church has set June 5 through 14 for their dates.

The Grace Gospel Church will hold Vacation Bible School from June 15 through June 21. First Methodist sets the dates of June 6 through June 14 and the First Presbyterian has scheduled June 8 through June 12.

The Central Church of Christ plans to hold their Vacation Bible School tentatively later in the month of June and the Assembly of God will hold classes from July 6 through July 11, with double courses.

### Around Town

Tierra Blanca Creek was up and running across the southern part of the county Wednesday after two nights of rain in the Texas-New Mexico region. It should help raise the level of Buffalo Lake slightly. Tierra Blanca is just one of the many creeks which used to run all the time, but now has water only after heavy rains.

Mr. and Mrs. Merlin Kaul of Westway will be hosts for a pioneer and former residents' reunion Sunday at their home. Mrs. Kaul's Sunday School class will assist as hosts. The Kauls will be observing their 25th anniversary as residents of the Westway Community. All former members of Mrs. Kaul's Sunday School classes are urged to attend. There will be a basket dinner at the Kaul home immediately following the morning worship service.

Such is the price of education: After a session as teenage columnist for the Brand, Jean Feagin has been graduated from high school and is enrolling at Draughon's Business College in Amarillo. She will be replaced on the Brand staff by Nelda Barnett.

Four Latin-Americans from Friona were injured in a one-car accident shortly after noon Sunday in Summerfield, seven miles west of Hereford on Highway 60. The driver and a passenger remained at Parmer County Hospital in Friona Wednesday noon.

Driver of the 1954 model car was Fidesio Vasquez Fira, 30, who was reported in satisfactory condition by hospital attendants. A passenger, Pedro Aquilo, 34, was in good condition and is scheduled to be released Thursday.

Other passengers, Emma Campos Arias, 30, and Quadalupe Saldana, 36, were treated for minor injuries and released. Fira sustained lacerations and bruises when his car left the highway, went through three sections of fences and overturned. Aquilo received minor cuts and bruises and was held for observation at the hospital.

Investigating Highway Patrolman Kenneth Maxwell of Hereford said the car was travelling east when the driver lost control on loose gravel. That section of the highway is being rebuilt at the present time.

After leaving the highway to the left, the car went through a barb wire fence, cut through the corner of a pasture and left the pasture through another section of the fence.

The car then crashed into the corner of a stockade-type fence around the lawn of Carl Lee, a Summerfield farmer. The car flipped on its top after hitting the fence corner and skidded to a halt in a ditch west of a dirt road leading to the highway.

After leaving the shoulder of

the highway, the car travelled more than 300 feet before overturning. Three fence posts were uprooted.

### White Sox Erase Tigers In Opener

With a track-meet fourth inning, the White Sox routed the Tigers 17-1 in the second game of the Pony League season Tuesday night.

In the top of the first, Tommy Powell singled for the Tigers in the only hit they got all night off hurler Richard Patton.

The White Sox got on run in the bottom of the first on a passed ball and a double by Neal Lueb. Donald Payne singled but was stranded on base.

In the top of the second, the Tigers marked up their only run of the game on a walk by Mike Kelly and a pair of errors.

The Sox opened up the contest in the last of the second with five runs on one single, two errors, two wild pitches and a walk.

They added another in the third on two singles and a pair of free passes to first.

It was "Katie-bar-the-door" in the last of the fourth when the White Sox poured it on for ten runs to wind up the contest.

Richard Patton started the barrage with a triple, Dan Sheppard singled, Payne got on by error. Eddie Johnson and Jim Higgins walked, Frank Dawson and Randy Carver got on by (Continued on page 2)

### Shelton And Slagle Awarded WT Basketball Scholarships

Hereford High School basketball stars for the past two years, Steve Slagle and Bobby Shelton this week signed letters of intent to attend West Texas State College in Canyon on cage scholarships. They are the first Hereford High graduates to sign any type of athletic scholarship agreement this year.

The two Whiteface exes will receive the conventional room, board, tuition, books and laundry through the scholarship aid.

### Levy Fine For Assault Charge

Julian Rangel Torrez, 21, of Hereford was fined \$50 and costs in County Court Tuesday after pleading guilty to a charge of aggravated assault. County Judge Homer Henslee presided.

Deputy Sheriff Bill McCarver, arresting officer, said Torrez was arrested after a Latin-American filed a complaint at the Sheriff's office Monday evening.

Torrez was arrested by McCarver in the 100 block of Main St.

Ironically, they were signed by Metz LaFollette, new head basketball coach at WT. His Seminole Indians were the only team to defeat the Whitefaces on their home court during the 1958-59 season.

During the coming season, the two Hereford players will be working under James Scott, new freshman cage coach at WT. They will be one class behind two other former Hereford players who are playing basketball for WT, Jim Curtisinger and Fred Lookingbill.

Shelton, 6-1, and Slagle, 6-3, ranked one-two in statistics during the last season. They were (Continued on page 2)

### Yankees Win 8-7 To Maintain Lead

In an extra-inning affair, the Yankees came from behind to edge the Dodgers 8-7 Tuesday night and hold on to first place in the Little League standings.

Robert Strange doubled in Steve Hodges in the bottom of the seventh to break the deadlock and give the Yanks their fifth victory without a loss.

Two singles by Greg Johnson and Dean Crofford and two errors gave the Dodgers a 2-0 lead in the second. A pair of singles scored another run for the Dodgers in the third.

In the top of the fourth, the Dodgers took a commanding 6-7 lead when three runs scored on three singles, an error and a walk.

The Yankees finally came to life in the last of the fourth as Charles Moreno doubled and John Dowd singled to open up the inning. An error put Wynn Buck on base. He was singled in by Gene Duvall and the Yanks trailed 6-3.

Coming back in the fifth, the Dodgers added another run on Lynn Warren's homer and the Dodgers were ahead 7-3.

Yank batters opened up their power in the last of the fifth for three runs on three singles and a double by S. D. Baize. A walk and an error helped the Yankee rally.

Holding the Dodgers scoreless in the sixth, the Yankees came to bat and tied the score, 7-7, on two walks, an error and a fielder's choice to score a single run.

### Notary Public Bonds Due Soon

County Clerk Ralph Smith this week issued a reminder to all Deaf Smith County notary publics that new notary bonds must be filed in his office in the county courthouse by June 10, in order for the commission of the notary to be renewed through June 1, 1961.

The office has been accepting bonds for several days, and Smith estimated that about two-thirds of the notary publics in the county already have filed new bonds.

Smith said more than 200 notary public offices are active in this county.

### French, Greek Students Are Going... Gone

Joelle Tillier - LaRoche, American Field Service exchange student from Royan, France, will terminate her stay in Hereford about June 28 when she will probably join a group of other exchange students in Dallas.

At Dallas the group of about 60 foreign students will begin a three-week tour of the surrounding country, then travel to the Washington, D. C., and New York area for a week's stay before sailing from Montreal, Canada, on July 29.

During her stay in Hereford, Joelle lived in the home of Mr. and Mrs. Elmer Patterson at 610 E. Fifth St. with Sheryl Patterson as her American sister.

The remaining foreign student who attended Hereford High School this year was Helen Hidioglou of Athens, Greece, who made her home with Ada Mae Bettis, daughter of Mr. and Mrs. M. A. Bettis, 222 Ave. H. Helen left Friday by train for St. Louis where she will join her sister for the summer.

She plans to enter McMurray College at Jacksonville, Ill., in the fall to major in biology.

Both girls were members of the 1959 senior class of Hereford High School which graduated last Thursday night.

NO CLOWN ON THE COURSE, Dale Tinnin used his clown costume and left-handed strokes to befuddle opponents and take honors at the opening of the Pitch and Putt course at the municipal golf course Monday night. Sharing the spotlight on the tricky nine-hole course were Mayor Woody Wilson, Commissioner Troy Moore, City Manager Dudley Bayne and course committeemen Tinnin and J. A. Pitman. (Staff Photo)

Before accepting the position in Iraq, Heard had accepted an engineering post at the Pantex plant in Amarillo. He also farmed on his father's land south of Hereford, and leased the land before leaving for Baghdad.  
He has been engaged in farming and dairy work in Hereford since 1940. An engineer by profession, he is a graduate of Hereford schools and the University of Wisconsin. He worked in Chicago for a number of years.  
He served as Farm Bureau president and headed several civic groups while he lived in Hereford.  
He first became interested in the Iraq oil industry when the Iraq government started its first refinery for making gasoline and oil in 1955. In 1957, the refinery administration opened its first lubricating oil plant.

On who should support Youth Employment, Walders said that it was not for a select few, but was a matter of community spirit.  
A question and answer period followed Walders' address. During this time he explained that this employment service does not influence the setting of wages except in cases where there is flagrant exploitation or in some cases where the young people set too high a value on their work.  
Walders further explained that Youth Employment Service is not an infringement on adult labor and it is not subject to employment laws except in cases of permanent employment where work permits are required for those under 16. He also explained that in Amarillo his office is concerned only with the 13 to 19 age group. The bulk of applicants, he said come from the age group of 14 to 17.  
Bill Thompson, manager of the Deaf Smith County Chamber of Commerce called for action to be taken in the Hereford area, and Francis Hardwick, of Hereford moved that a committee be formed to find some feasible way to establish a youth employment service in Hereford.

Keeping abreast during the season, Slagle and Shelton were named to All - Tournament teams at Plainview, Hereford and Brownfield and both were named first team All-District and All-Regional. Slagle also was named to the All-State team.  
In addition to his basketball, Slagle also played end on the football team and was chosen for second All-District team.

Bowling for Hereford Glass' team in the city tourney last week, Tom Hodson picked up the difficult "Big Four" split, the 4, 6, 7 and 10 combination. He will receive an arm patch from the American Bowling Congress for the feat. The same night, Charlie Owens rolled a 702 three-game series, which is a lot of wood-chopping in anybody's league.

The rains sure came Monday and Tuesday nights. Looks as if we are now assured a bumper dandelion crop. One good thing, though, was the fact that the dry land country out northwest got a good soaker. Marvin Morrison says he measured two inches, but adds that you

can't always tell about reports in his area.

"Take this two-inch rain," said Marvin. "I have one neighbor who was telling folks he got a nice sprinkle, and another who was reporting up to four inches."

The situation, no doubt, is an outgrowth of the general interest in golf and fishing over the area. The old boy who reported the trace is probably a rabid golfer, while the four-inch man — beyond any question — is a widely experienced fisherman.

Congratulations to Dr. Howard Scott, pastor of the First Baptist Church, upon his recognition and honorary degree. The degree, incidentally, was conferred by President A. Hope Owen, who happens to be a former Hereford man, a brother of G. P. Owen, and a former classmate of many old timers who attended Hereford High. All in all, it was a mighty nice honor — and the Scotts have due reason to be proud of the new doctor.

Dr. A. T. Mims, June program chairman, just completed negotiations to present Ernest V. Joiner of Ralls as Lions Club speaker for Wednesday, July 17. Mr. Joiner is the fellow, in case you don't remember, who got so much publicity in Time Magazine a few weeks ago for his fearless and outspoken editorial policy in The Ralls Banner, a newspaper in Crosby County. Last recorded census of Ralls was around 1,750. Editor Joiner is just as outspoken in his talks, so if you can wrangle an invitation to the session, it should be well worth your time and effort.

C. N. McClure, the retired cotton expert and long-time farmer, returned Tuesday afternoon from touring the countryside after the rain, and summed it all up in one sentence: "I'll tell you, fellers, things are looking mighty good."

**Bible School To Open On June 5**

Beginning with registration at 9 a.m. on Friday, June 5, Vacation Bible School at the Wesley Methodist Church will continue through a ten-day period, with the final program at the church on Sunday evening, June 14.

Mrs. Joe Merrill is serving as general superintendent of the summer session, with Mrs. Leroy Satterwhite as head of the primary department; Mrs. Elmer Carlson in charge of kindergarten; and Mrs. Milton Vaught will direct the junior group. Various other assistants have been named to aid in the sessions of study and crafts.

Classes will be held each morning from 9 through 11:30, and an invitation is extended the youngsters to attend.

**Dinner Honors Ronald Corbett**

Mr. and Mrs. Paul Corbett honored their son, Ronald, with a dinner Thursday evening in the Western Wheel Inn preceding the graduation exercises at Hereford High School.

Among those present for the occasion were Mr. and Mrs. Harold Clement, Mr. and Mrs. Mackey Greer of Littlefield, Mrs. N. A. Greer of McLean, Mrs. Charles Whitehead, Mrs. Madeline Faughn, Miss Roxie Faughn, James and Paula Beth Corbett.

Have you read the classifieds?

The rain also flushed out several "regulars" who have been missing around Main Street for the past couple of weeks. Robert Veigal was back on the coffee wagon Tuesday — for instance; also noticed Casey Gilbreath and Jim Bob Allison. However, if Ralph Hastings and B. F. Cain were about I missed them. Meanwhile, they will have to admit that Paul Mathers, Herb Boardman, Doc Wiltshire and I kept the home fires going while they were busy.

Sunday I mentioned something about those Rapid bugs leaving just as suddenly as they appeared — and what happens? They showed up again Sunday morning. Everywhere I turned, people were giving me the horse laugh. I noticed they are gone

again, but they will probably come back to haunt me when the paper comes out again Thursday morning. It also got me to wondering where a Rapid bag goes when he disappears? For the life of me, I can't figure it out. Maybe Joe Green will have an answer.

Mrs. Bartley Dowell and son, David, went down to Hico last week to visit relatives. They got in around 5 p.m., and Bart says his wife called a few minutes after they arrived to report that David had tripped out of a tree and broke his right arm. We decided it just goes to prove that an old Panhandle Plains boy had better take to these tall trees gradually. Back in the horse and buggy days, it took so long to move from one area

to another that a youngster had a 50-50 chance to become acclimated on the journey. Modern transportation, however, can place a fellow in a completely new environment within a few hours.

Jack Gilliland is an old boy I seldom ever see these days; I guess he hasn't chewed me out for anything in three or four months, and I know it isn't because I am doing any better. Either the veterinary business is on the boom — or Jack just decided to give up and let me go to the dogs.

No one knows what the price of potatoes will be by harvest time, but the field price is pretty good these days. Dub Reeves was telling

about a 30-acre tract which sold this week at \$400 an acre.

Did you ever wonder how much the average bootlegger makes per year? Testimony before the Oklahoma lawmakers this week pretty well answered the question as follows:

"A small bootlegger, a one-man operation with the wife answering the telephone and the man making deliveries, in 1957 and 1958 had an average gross income of approximately \$33,000. He paid tax on approximately \$11,000."

Understand our Canadian fishing friends got back home in good shape. Their No. 1 trouble, it seems, was what to do with so many fish. Lyle Blanton says they could catch their limit in

the morning, then go out and catch their limit again in the afternoon. Making the trip were Don Little, Bill Dameron, Charley Seeds, Bob West, Hap Cavness and Blanton. I don't know about the other three, but I sure was an experience for Little, Cavness and Blanton to get too many fish. Their trouble, always before, has been too few.

The fellow who has money to burn seldom sits by the fire.

"The good die young!" is especially true of resolutions.

Better stop worrying about what your kids will do when they grow up — and see what they are doing now.

By NELDA BARNETT

School is out! I know you have heard those words a dozen times, but it is something to talk about. Tests are over and everyone hopes he has passed. The Senior Party was this past Thursday night. Of course, nearly all the seniors were there and so were many of the underclassmen. Lee Blocker thought the party was very nice. We hope that the seniors thought so, too.  
Since school has ended, the swimming pool will be open. Linda Shaffer has stated that she intends to make good use of it. There will be a nice friendly face to look at over the counter, too. Beth Lemons is going to check baskets, at the pool. Beatrice and Cecilia Wilham and Mary Skypala are looking forward to a trip to San Antonio for a week. Have fun, girls.  
Gary Tannahill's job for this summer is working in Tannahill's variety store. At least, that is what he "imagines". Beverly Boyer plans to work in the County Library. If you happen to need a good book to read in your spare time, I suggest that you see Beverly.  
Friday evening Lee Blocker and several of the junior girls gave a party in honor of Ana Wingert, who is going to Ger-

many as an exchange student for this summer. Naturally everyone will miss Ann's happy smile and personality, but we know she will have a very wonderful time in Germany, too. A few of the girls present were Sonnie Childers, Beth Lemons, Jean Terry, Rosie Strange, Ann McCarver, and of course, Ann Wingert.  
Congratulations to Jim Brown on his new red convertible. It is pretty and its cool book is going to make everyone else wish that they had a convertible to ride in.  
Nearly everyone is celebrating the close of school. Dianne Roberson gave a slumber party Friday night. Some of her guests included Jenny Holt, Cherry Damron, Jan Story, Caroline Brumley, Sherri Carmichael, and Jerri Noland.  
Mike Kelly was host to John Willoughby and Richard Patton for a night. These boys must enjoy the night wanders, for they went walking out in the country at 2:15 in the morning.  
As you can see, this may be the busiest summer yet. At any rate, everyone is looking forward to a very eventful summer without any studying.

**Chamber Manager To Attend Meeting**

Deaf Smith County Chamber of Commerce manager Bill Thompson will attend the three-day annual meeting of Texas Chamber of Commerce Managers Association in Austin Sunday through Tuesday next week.  
From 250 and 300 managers and families are expected to attend the gathering, which will feature study groups and committee meetings. The business meeting will be conducted by E. O. Wedgeworth of Pampa, association president.  
Thompson will return to Hereford Wednesday and prepare to attend the International Parks Highway Association meeting at Williston, N. D., Friday and Saturday, June 12-13.  
Planning to attend the Williston meeting with Thompson are Guy Lawrence, Dick Ross, and Mike and Fred Baird, all of Hereford.

### Hospital Notes

#### Visiting Rules

Visiting regulations are established as a part of sound medical and hospital procedure primarily in the interest of the patient. Too many visitors, too long visits or too frequent visits may actually retard recovery. Your cooperation is asked in following this guide to good visiting.

1. No more than two visitors should be at the bedside at one time.
2. If the patient is seriously ill, visitors, other than the next of kin or immediate family, will be asked to make their visit a short one, (5 to 10 minutes is suggested.)
3. Please do not sit on the patient's bed.
4. Smoking may be unpleasant, not only to the patient you are visiting, but to other patients as well. A considerate visitor will ask if smoking is bothersome and will try to keep it to a minimum.
5. Please do not enter a patient's room with a "No Visitors" sign on the door. In such circumstances inquiry may be made at the nurses desk.
6. Visitors should wait outside the room where there are physicians in the room or when special procedures are being performed on the patient.
7. Since children under 14 years of age are the most likely carriers of hidden infectious disease, they are not permitted to visit patients. We earnestly urge you to leave the children at home when preparing for a hospital visit.
8. Do not try to out-do the patient with tales of "similar operations." Be cheerful, optimistic and calm, avoid all unpleasant or exciting subjects.

**Visiting Hours** are from 2 to 4:30 p.m., and from 7 to 8:30 p.m.

# Sound Demonstration Is Program At Rotary Club

This World of Sound was the featured program of the Rotary Club at their regular Monday meeting in the Jim Hill Hotel.

Glenn Scott, of the Southwestern Bell Telephone Company's Dallas office, brought a demonstration of sound, explaining its nature and properties.

new member Coleman McSpadden

Using an oscilloscope to make sound waves visible, Scott explained sound frequencies and amplitudes. These are the qualities which determine the pitch and volumes of sounds. He also exhibited an early type phone.

Using a hi-fidelity sound system, Scott demonstrated binaural sound reproductions and brought some unusual sounds into the room.

Vickey Lynn Schneider, John Thomas, Mike Melburn, Jack Kossahn, C. E. Coleman Jr., Charles Barnard and Carl Ince, Coleman McSpadden was introduced as a new Rotarian.

## Stanton, Tex., Man Reports— Better Grade, Increased Yields on Cotton

Wallace Kelly, successful West Texas farmer, says: "Side dressing of Phillips 66 Ammonia on cotton has really paid off for me. Since starting to use ammonia, I have increased my cotton lint yield at least 1/3 bale to the acre. When the cotton starts squaring, I apply my first side dressing—75 pounds of Phillips 66 Ammonia. This is followed with another side dressing of ammonia in August. Not only have my yields improved, but I'm also getting a grade better at the gin."

Other successful Southwestern farmers have discovered that they make more profit per acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin... yields of sorghum grain or ensilage are increased... profits on wheat and small grains are increased through higher grain yields and improved forage... more marketable vegetables are harvested.

Phillips 66 Ammonia can be applied pre-plant or as a side dressing. It can be easily applied either by you or your distributor. See us today about Phillips 66 Agricultural Ammonia... it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

**BOWLING SCORES**

The Kisatchie National Forest, which is north and west of Alexandria, La., occupies 538,000 acres.

Hereford's first annual champions' bowling tournament held May 26-30 was the scene for some of the top league scores that have been rolled at Sunset Lanes since its opening.

Alleys five and six seemed to be the hot spot as Doug Kelley rolled a sizzling 252 while bowling with Charlie Owens in the double event. Other high scores included Charlie Owens' 702 for three games. Tom Hodson, while bowling in the doubles event, picked up the 4-6-7-10 split, a comparative rarity in bowling circles. Mayor Woody Wilson was present at the first night's bowling and opened the event by throwing, or rolling, the first ball of

the tournament. Teams, doubles, singles and mixed doubles events were held for both the men's and women's leagues. Approximately 150 persons participated in the event. Winners in the tournament were the JayCees Men's team with a pin total of 2,988. Members of the team are Roy Duncan, Virgil Kelley, Bruce Smith, Doug Kelley and Charlie Owens. Second place was won by B & S Motor Supply with a pin total of 2,814. Members of the team are Pat Miller, David Miles,

Raymond Laeb, Kenneth Brock and L. T. Clark. In the Women's teams Little's Dress Shoppe took first with a pin total of 2,653. Members are Betty Babione, Pat Hampton, Helen Godwin, Wilma Hill and Sally Skelton. Hereford Glass was second with a pin total of 2,624. Team members are Alice Laeb, Dorothy Buck, Lois Dodson, Helen Mitchell and Dolores Loerwald. **MEN'S DOUBLES** First - Charles Owens and Doug Kelley - total pins 1,273

(Continued from Page 1) jobs such as building fence and painting. Soon, Hobart found that Buckler could operate a typewriter and take shorthand, so Buckler was transferred to the office.

Brown at the time was an assistant to Hobart and found that among his duties was the job of attending cattle conventions to become acquainted with cattlemen who might lease portions of the White Deer Lands. In 1924, Hobart resigned from

the White Deer company as agent and attorney in fact, and Brown and Buckler were appointed joint agents and attorneys in fact. In 1935, Brown retired and Buckler was appointed to take charge.

The White Deer company was interested in leasing in the early days, but began selling off the holdings in the years after Brown and Buckler arrived in the United States. The farming land around Pampa was sold to settlers while the rougher breaks was sold to ranchers.

In the 1920's, when oil was discovered in the west part of Gray County, the company re-

tained half the mineral rights when land was sold. When the company was dissolved in 1949, the mineral rights were distributed to the shareholders. Among the shareholders by 1949 were Brown and Buckler.

Brown said the White Deer Land Company was interested in building the economy of the Panhandle. When land was sold, the company was interested in seeing that the purchaser made a living.

"It was a wonderful thing," he said. "We were given a free hand."

He cited an instance of the drought of 1910 when many wheat farmers were unable to buy even seed wheat.

The company sent \$100,000 to be deposited in the Pampa bank with the stipulation that it be loaned out to wheat farmers for buying seed wheat. "The bank lost none of those loans and we eventually got our money back," Brown said.

In all the sales of land, there were only two foreclosures, Brown said. They were both foreclosures of "bad neighbors," he said, and the people of the area "were glad to be rid of them." He said the company took back some land when the purchaser insisted, but tried to dissuade them.

The papers donated by Brown and Buckler are being reserved at the present time for the use of Dr. L. F. Sheffy, who is writing the history of the Franklyn Land and Cattle Company. Dr. Sheffy wrote a history of the life of T. D. Hobart, and his new volume will cover earlier years of the company.

Brown is the oldest living former mayor of Pampa, having served as the second mayor of the town. He and Buckler are trustees of the Fannie Lovett estate, and along with the late Dr. W. Purviance, the third trustee, supervised the erection of the Lovett Library in Pampa, a library in McLean and a community-center in LeFors. One of the projects of the es-

### Rep. Walter H.D. Chatter

(Continued from Page 1) business;

The word, "expeditious," impressed me when I read it because I had never heard of it before, although I did know of several places in which it would fit. In view of the great furor in recent months concerning spending, it occurred to me that there might be such a word so I hastened to the dictionary to find out. I did not find that word, but the nearest thing I could find to it was "expeditious." This means, "a laying out of money; disbursement."

There is no question but that the proponents of the Reorganization Act sold this bill of goods on the ground that it would reduce expenditures and promote economy. In view of this basis for the Act, I made some comparisons on the costs of some of the departments of government. I found that the cost of one of them rose between 1951 and 1958 by more than 1 billion dollars; another by 100 million dollars; another by 300 million dollars, and numerous others by varying amounts.

In this connection, I remember quite well that several years ago a question was posed to the American public which was, in effect: "Are you for or against reorganizing the Department of Agriculture and saving 80 million dollars?" This posed quite a problem, because most everyone was for saving 80 million dollars, but they had no assurance that a reorganization of the Department would effect such a saving.

I am not sure just what plan the questioner had in mind, but surely it must not have been adopted, because the cost of the operation of the Department of Agriculture has increased since 1951 six

times, through the two men, is the planned construction of a nurses home for Highland General Hospital in Pampa.

Buckler has served as trustee and president of the Pampa school board — for a total of 16 years — and resigned from the board to serve as chairman of the draft board in Gray County for six years.

He is a charter member of the Pampa Rotary Club, serving as president in 1931-32; charter member and past-president of the Pampa Country Club, which he helped organize; and is Senior Warden of St. Matthew's Episcopal Church.

He holds directorates in the Pampa First National Bank and Southwestern Investment Company, and is president of Security Federal Savings and Loan Association of Pampa. He is a 32nd degree Scottish Rite Mason.

Buckler is the recently elected first vice president of the Panhandle - Plains Historical Society. Brown served as second vice president of the society earlier. Both are members of the Board of Directors.

Despite their official "wait and see" attitude about presidential nominees, the delegates made their sentiments clear. They cheered when Adlai Stevenson's name was mentioned and applauded criticism of recent legislation designed to help U. S. Senator Johnson.

times over, or by more than 4 1/2 billion dollars. The cost of another department during that time has increased by well over 1 billion dollars.

These facts and figures created a question in my mind, so I went back to the original Reorganization Act and found that the word used, when the Act was passed, was "expeditious". But, after reviewing the matters that have occurred since 1949 and the tremendous increase in the cost of government, as well as many other things, perhaps the drafters of the 1949 Act would have been more correct had they used the word, "expeditious".

with home-made icing or box full. Freeze according to freezer. Makes 2 quarts.

Mrs. Art Lewis gave me this Vanilla Ice Cream recipe 3 years ago. It really is delicious.

**VANILLA ICE CREAM**  
3 cups milk, scalded  
Mix together:  
1 tablespoon flour  
1 cup sugar  
1/4 teaspoon salt  
Put into large bowl of mixer; 3 eggs

Beat on No. 4 speed about 1 minute. Add flour and sugar mixture and beat until blended. Slowly add scalded milk while beating on No. 10 speed. Put in top of double boiler and cook over boiling water, heating constantly on No. 2 speed. Cook until mixture begins to thicken. Cool.

Add: 1 tablespoon vanilla  
3 cups cream heavy or light or enough milk to fill freezer 3/4 full

Pour mixture into freezer container filling not more than 3/4

full. Freeze according to freezer. Makes 2 quarts.

Mrs. Leroy Williamson gave me this recipe:

**WE-THREE-ICE'S**  
Juice of:  
3 oranges  
2 lemons  
3 mashed bananas  
3 cups water  
3 cups sugar

If made in refrigerator let freeze until mushy then stir in 1 cup cream

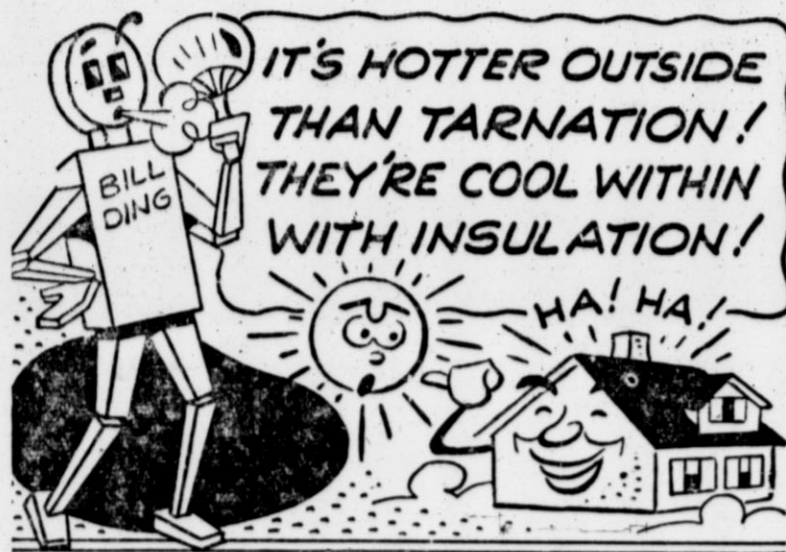

If made in freezer mix all the ingredients at once.

# Dodgers Take 10-9 Win From Giants

Staging a fine rally in the top of the sixth, the Little League Dodgers snatched a 10-9 victory from the battling Giants in a make-up game Saturday night. The Giants had gotten a five-run lead in the second, but the Dodgers kept chipping away until they knotted the score and went ahead.

## OFF THE Shelf

**By H. A. TUCK**  
Strife-torn Egypt is the scene of a penetrating novel, *This Fiery Night* by Joan Vatssek. It is one of the new books at the Deaf Smith County library.

A wide range of characters stalks through the book: top-level Egyptians, learned Americans and English, British officers and soldiers, and ignorant, lowly Egyptians.

Current history of bitterness between Egypt and her many foreign invaders and protectors provides a background for the intrigue, murder, rioting and romance in the Suez Canal area.

There are so many principal characters it would be impossible to name them in a brief review. One of the most outstanding figures is the devoted Peter Welch, a British Army captain who is terrible in his anger against guerrilla warfare that chips away at his men. The other side of Peter shows a man in love with an American girl.

George Henderson, a British or who is respected and hated in Egypt, proves to be a pawn in the nationalistic movement. Ozman, an Egyptian translator, finds a natural talent for arousing mobs and inciting riots after Henderson is killed.

A group of Catholic sisters is relatively isolated from the periodic fire fights that flare up until one of them is killed by a stray rifle shot.

And there is the educated Egyptian girl who tries to improve the sorry condition of the native villages, but finds herself opposed and eventually murdered by those she tries to help.

Joan Vatssek has written a very graphic story of today's Egypt—colorful, squalid, bitter with and without reason, riddled with civil violence, corruption and inconsistencies.

*This Fiery Night* provides an insight into a key country of the world, illuminated by the fires of desire, hatred and rebellion.

**VISITORS FROM AFRICA**  
Mr. and Mrs. George Dawson of Abidjan, Ivory Coast were guests of Mayor and Mrs. Woodrow Wilson during the weekend.

Dawson, who knew Wilson in Venezuela, is in charge of the Plymouth Oil Company concessions for the Ivory and Gold coasts. The Dawsons stopped here on their way to Roswell, N. M., where their son is a student.

Dawson has worked for oil companies in Venezuela, Kuwait and Africa.

The Dodgers came back to get two runs on one single and two errors in the first. In the bottom of the second the Giants really cut loose.

Three singles, four errors, a walk and a triple by Mike Moore marked up seven runs and a 9-4 margin.

In the third, the Dodgers narrowed the margin when Danny Loerwald doubled and shortstop Lynn Warren homered over the right field fence to make the score 9-6 for the Giants.

The Dodgers added another run in the fifth on two walks and an error.

Opening the top of the seventh, the Dodgers were down 9-7, but came up with three big runs to get in front. Three walks, three errors and a single by Warren made the difference.

In the bottom of the sixth, the Giants got two on base, but relief hurler Danny Loerwald struck out three to keep the victory.

Winning pitcher was Roger Owens, who worked five innings before Loerwald relieved. Alex Guerrero pitched the first three innings for the Giants. He was relieved by Tony Castillo, who was tagged with the loss.

There was no minor league game, since the contest was a make-up affair.

**IN LITTLE LEAGUE PLAY**

**Cardinals Trim  
 Giant Team, 6-1**

In a tightly-played game, the Cardinals beat the Giants Monday night in Little League action, coming from behind for the 6-1 victory.

Held to just one hit, a double by Gary Royal, in the first three innings, the Giants finally scored one run in the fourth. Robert Higgins singled, stole second and came in on a single by Royal for their only tally.

In the bottom of the fourth, the Cardinals knotted the score on a homer by Steve Coneway, who also hit a single and a double in three trips.

In the last of the fifth, the Cardinals went to work in earnest. Gary Stagner tripled, Gary Payne singled, Frank Cain walked, Steve Coneway doubled and Mike Ranspot and Ed Mims walked. An error and three wild pitches helped out the Cards during their rally.

In the top of the sixth, the Giants got two men on base but Card hurler Ed Mims struck out three in a row to put out the fire.

Mims took the victory while going all six innings for the Cards. Losing pitcher was Alex Guerrero, who was relieved in the fifth by Rick Miller.

Royal and Higgins were big batters for the Giants, with two hits each in three trips.

The Giants played good defensive ball, making just one error while the Cards were charged with four miscues.

In the minor league game, the Cards trimmed the Giants, to the tune of 9-5.

**Food Poisoning  
 Program Given**

The Westway Home Demonstration Club met Thursday in the home of Mrs. Helen Saul, with Mrs. Aigen Draper, county home demonstration agent, presenting the program on food poisoning.

Mrs. Draper stated that frozen meats, fish, poultry and casseroles should be thawed in the refrigerator rather than at room temperature.

Mrs. Bess Warner gave the council report. She and Mrs. Tanny Rudd had attended the commissioners court.

Members present were Mesdames Mary Walker, Patty Tannahill, Tanny Rudd, Alice Rudd, Neda Rudd, Johnny Turrentine, Lola Landers, Bess Warner, Bessie Sauley, Marion Owen, Helen Saul. Visitors present were Mrs. Draper and Mrs. Ralph Mitchell.

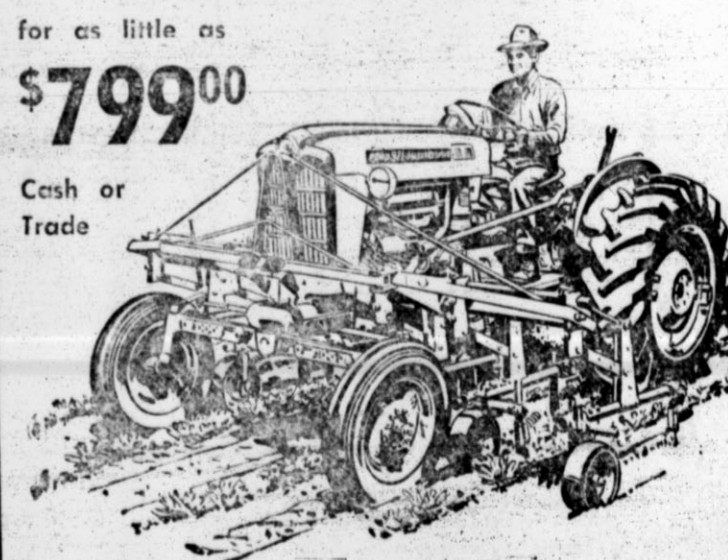

The next meeting will be held in the community house on June 11 with Mesdames Alice Rudd and Bernice Northcutt presenting the program on 4-H work. The Sadie Lee Oliver Club will be guests for the meeting.

# MAN'S STRUGGLE

Throughout the ages man has had his struggle. Ambition kindles a fire that sends him in search of higher and greater achievements. Too bad if his course deviates and his efforts become knotted in unethical procedure. *If we are to attain higher ground—if we are to scale the heights placed before us—then our efforts must be seasoned with the highest moral intent.* It is all too simple to get along when we compromise with evil and set up our code of rotten rules for attaining our selfish, material desires. If this man's climb is to be really successful—his efforts crowned with glory—he will need God as his guide in his struggle. You need the help of the church in your struggle.

**YOU IN THE CHURCH THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the minister and the church share in the church's mission and the church's life. The church is the church's life and the church's life is the church's mission. The church is the church's life and the church's life is the church's mission. The church is the church's life and the church's life is the church's mission.

WALCOTT NEWS

Walcott Grade School Closes For Summer

By MRS. T. L. COLLINS
Walcott Grade School closed Tuesday afternoon, May 26, for 73 pupils, four teachers, one cook and custodian and three bus drivers. The High School pupils continued school until Friday and Jacob King continued his services as their bus driver.
Beginning at noon several parents started coming for their children. They were Mrs. Leonard Burns, Mr. and Mrs. Bertram Jack, G. V. Hall, Herschel Burrus, Mrs. Bob Wyle, Mrs. N. E. Tyler, Mrs. Bill Stewart, Mrs. J. V. Perrin, Dorothy Wilkerson, Mrs. Glenn Burrus and others.
Mr. and Mrs. Thomas L. Collins drove to Lubbock Tuesday night where he attended a U. S. Department of Agricultural Marketing Service School held in the Hotel Lubbock where they stayed. The school was held Wednesday and Thursday.
Collins is now busy taking a segment enumeration acreage survey in Deaf Smith, Swisher, Randall, Potter and Armstrong counties. Mrs. Collins is with him most of the time on the drives.
Three Walcott young people received their diplomas at the graduation exercises held at Hereford High School Thursday night, May 28. They were Margaret Burrus, Mary Sue Patton and Butch Connally. Don and Wayne Bomar, who only recently moved from the Walcott community, also graduated.
Mr. and Mrs. A. L. Shelton took one load of their belong-

ings to their home in Amarillo Friday morning. They stayed the weekend there.
Mrs. Joe Rader was in Hereford Friday attending the closing-day school picnic with her grandson, Larry Payne. He came home with her to spend the weekend.
Mr. and Mrs. Bertram Jack and family spent this week with relatives in Floydada and attended the celebration of their Golden Jubilee there.
Mr. and Mrs. Jim Monroe and family went to Conchas Dam fishing Saturday of last week.
Mr. and Mrs. T. L. Collins received word from their son, Raymond Collins of Corpus Christi, that he is kept busy at present writing up the Little League games of that city for the newspaper, the Caller-Times. He also mentioned the hot nights in Corpus.
Ois Shadden of Hale Center is working the ground on his farm and staying at the home of Mr. and Mrs. Jim Adkins. Allen Hoover of Amarillo stayed there Thursday night also.
Mr. and Mrs. Arlin Miller, Becky, Trudy and Lon of Floydada came Friday night, May 22, to visit his sister, Mr. and Mrs. Bertram Jack and family. They left Sunday.
Mr. and Mrs. Leonard Pittman, Terrell, Kathy and Sherril of Bartlesville, Okla., arrived Sunday afternoon for a visit with his uncle, Mr. and Mrs. Thomas L. Collins. They went on to Morton to visit other relatives that night.

CHEVY BESTS
Independent experts and official facts and figures prove Chevrolet's ahead of its field in seven big ways.
BEST BRAKES . . . In direct competitive tests of repeated stops from highway speeds, conducted by N.A.S.C.A.R., Chevy out-stopped both the other leading low-priced cars—and why not? Chevy brakes are far larger, built with bonded linings for up to 66% longer life. BEST TRADE-IN . . . Check the figures in any N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to \$123 higher than comparable models of the "other two." BEST STYLE . . . Popular Science magazine sums it up: "The fact is, in its price class the Chevy establishes a new high in daring styling . . ." It's the only car of the leading low-priced three that's unmistakably modern in every line. BEST ECONOMY . . . No doubt about this: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run,† got the best mileage of any full-size car. BEST ROOM . . . Official dimensions reported to A.M.A.† make this clear. For example, Chevy front seat hip room is up to 5.9 inches wider than comparable cars. BEST ENGINE . . . Every motor magazine has given Chevy's standard and Corvette V8's unstinted praise. As Sports Cars Illustrated puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price." BEST RIDE . . . You'll be able to tell this yourself, instantly. But Motor Trend magazine expresses it this way: ". . . the smoothest, most quiet, softest riding car in its price class."

PONY LEAGUE BASEBALL

# Indians Open Action With 6-3 Victory Over Red Sox

In a bang-up opening game the Pony League Indians beat the Red Sox 6-3 Monday night. The first three innings of the game belonged to the Indians with the Braves scoring five runs in the bottom of the first. Only one run was scored by the Red Sox in the second inning when Virgil Strange capitalized on Indian errors to tally. The Indians had their own horse-race when pitcher Jim Haney knocked one over the fence with the bases loaded. Jim Willoughby hit a double and scored for the fifth tally of the first inning. Haney managed to score on a walk in the bottom of the third inning. Weather began to play an important part in the game in the fourth inning when a strong wind shifted from over the left bleachers to left center field. The Red Sox had their day when Virgil Strange walked and a catcher's error allowed Butch Hoff and Gary Smith in for the second and third tallies for the Red Sox and made the final scores of the game. Winning pitcher was Jim Haney, while Kendrick took the loss.

# Milo Planting Underway On Farms In Community

By MRS. CARL WIMBERLEY

Farmers here are getting the planting of milo well underway. Some are through. Because of the recent rains the planting is somewhat later than usual. Weeds on the land to be planted has posed a problem.

Vacation Bible School began here Monday at the Dawn Baptist Church with 62 in attendance. Several more were expected to be present Tuesday.

All the local students in colleges are home or are gone again for the summer.

Ralph Atchley, who has been attending West Texas State College, left Saturday morning for Fort Ord in California for active duty in the Army for six months. He has been in the National Guard during his college days.

Ralph plans to attend W. T. during the spring semester of 1960 and complete work on his degree.

Mr. and Mrs. Bruce Wimberley and Billy Wimberley have been commuting to West Texas State. Bruce and Billy will spend the summer farming.

Phyllis Ann Wimberley arrived home Thursday from Denton where she has been attending Texas Women's University. She plans to attend summer school at West Texas State.

Bill Carmichael, who has been attending the University of Texas Branch Dental School in Houston the past year, arrived home late Monday. He plans to spend the summer working.

Bobby Burrus, another student at West Texas State, will farm during the summer months.

Joe E. Pruet left Monday for Lovington, N. M., where he will work with his father, Arnold Pruet, for an oil company during the summer vacation. He plans to return to West Texas State in September.

Pruet spent the past weekend visiting a college friend, Dallas Sasser, who lives at Pampa. They spent the weekend boating, skiing and swimming at Lake McLellan. Joe is the son-in-law of Mr. and Mrs. Carl Wimberley.

Guests at a party in the home of Mrs. Ted Richardson last Tuesday afternoon were Mesdames Clarence Betzen, Tony Burrus, W. H. Gentry, Melvin May, S. A. McCathern and Nell Bisol of Hereford.

Mrs. Bill Adams and son, Gerald, of Stratford, Okla., were visitors at the local church services Sunday. Mrs. Adams is visiting her son, Mr. and Mrs. Dean Adams, at Umberger.

Mr. and Mrs. J. N. Killingsworth, teachers in the Dawn School, plan to spend a good part of the summer traveling. Their son, Maurice Killingsworth, who has been doing graduate work at Oklahoma State University at Stillwater, plans to accompany them.

Mrs. Reece Stewart, who teaches in Hereford, plans to stay at home and rest this summer. She attended classes in special education last summer at West Texas State and taught one of the special groups at Central School this past year.

Mrs. Stewart will teach the fourth grade at Alkman School next year.

Mr. and Mrs. Melvin Heckman and children visited his uncle, Mr. and Mrs. Henry Heckman, Saturday. The Melvin Heckmans were moving their trailer house from Brownfield to Amarillo where they will live.

Mr. and Mrs. Reece Stewart entertained with a chicken barbecue and ice cream supper Friday evening in honor of their son, Ralph Atchley.

Those present were Mr. and Mrs. G. B. Hagar, Mr. and Mrs. J. B. Caraway and family, Mr. and Mrs. R. T. Stewart and children, Betty Hagar and James Gibson of Dimmitt.

James Gibson, who has been attending college in Canyon, left Saturday with Atchley for Fort Ord.

S/Sgt. and Mrs. Joe Harde-man and children of Belton visited several days recently with his parents, Mr. and Mrs. Bill Tucker and family. Sgt. Harde-man, who is stationed at Fort Hood, is scheduled to go to Korea for duty in the near future.

Mr. and Mrs. Ernest Whalen and family and Tommy Tucker of Amarillo and Mr. and Mrs. Andy Freudenrich and son, Wildon, of Lubbock visited Sunday in the Tucker home.

Ronnie Tucker went home with the Whalen family for an extended visit and will attend Vacation Bible School there.

Wildon Freudenrich spent Sunday night with the Tucker family while his parents made a trip to Shamrock.

Mr. and Mrs. William Wimberley returned home late Friday evening from Dallas. He had a medical checkup at Baylor Hospital.

Mr. and Mrs. A. J. Ramsey and son, Scott, visited Mr. and Mrs. A. D. Mayfield in Amarillo Sunday afternoon. The Mayfields have just recently moved to Amarillo from Truth Or Consequences, N. M. She is Ramsey's sister.

Mr. and Mrs. Ted Richardson and children made a trip to Conchas Lake Sunday. Dorothea and Buddie Stewart took part in a piano recital Tuesday evening, May 26, in the education building of the First Baptist Church in Hereford. Mr. and Mrs. C. C. Stewart attended the recital.

Those from here who heard former Secretary of Agriculture Charles Brannan speak at Hale Center May 25 were Mr. and Mrs. S. A. McCathern, Mr. and Mrs. A. J. Benzer, Mr. and Mrs. C. C. Ellis; Mr. and Mrs. W. H. Gentry.

Mr. and Mrs. James H. Poston and daughters, Sue and Patti, of Irving visited from Friday until Monday in the Gentry home. Poston is Mrs. Gentry's brother.

Mrs. Ray Polan entertained the young people with a birthday party Friday evening in honor of her brother, Jerry Beard, who arrived last week from Ranger to spend the summer here.

Guests at the party were Walene Beavers, Lucy Beth and Gail Miller, Dorothea Stewart, Betty Hagar, H. S. Fuller Jr., Billy Miller, Ted Wimberley and Jerry.

Freddie Cooper and Boon Yarbrough of Ranger were dinner guests Sunday in the Polan home.

Mrs. H. H. Miller visited Friday with H. T. Wedel who is a patient in the Deaf Smith County Hospital in Hereford.

Mr. and Mrs. Fred Frye have a new trailer home. It is one of the new 10-foot-wide models with two bedrooms.

Mr. and Mrs. Tony Benson and daughter came the last of the week from Lubbock where he is a student at Texas Tech. He went back the first of the week to enroll for summer school, but Mrs. Benson and daughter remained for a few days of visiting here with Mr. and Mrs. Alfred Smith.

Dinner guests in the home of Mr. and Mrs. Clarence Betzen

The Hereford Brand, Hereford, Texas, Thurs., June 4, 1957

Sunday were Mr. and Mrs. Carl Luke and Mr. and Mrs. Tony Hoffman of Hereford.

Mr. and Mrs. Herschel Trimmer of Second Mesa, Ariz., visited Mr. and Mrs. Heckman Sunday morning.

The Trimmers were enroute to Amarillo where they were to fly to New York City, then on to Canada. From Canada they planned to go by boat to Europe. Part of the summer they will study in Spain.

Mr. and Mrs. Trimmer have been teaching the past three years on a Hopi Indian reservation. This fall they will move 75 miles inland on the reservation.

Commencement exercises at the Vacation Bible School will be held at 7 p.m. Sunday evening, June 7, at the Dawn Church.

Parents and friends are invited to attend the service.
