MOTHER'S CLUB MAKES HIT

Album of '63 Attracts Large Crowd and Fills Till of Entertaining Club.

That the Mother's Club has won a large place in the hearts of the people was evinced last Tuesday night when a crowded house greeted the members in a play put on for the benefit of the Club. Col. Fifer's Album of '63 proved both an interesting review of the old days but gave some of the new stars a chance to shine. A glance at the cast of characters will give only a notion of what applause they won as each of them "said their part". The "leading lady" was Mrs. S. B. Edwards under whose management the play was put on. She was supported by a heavy company, among the principal ones being Rev. T. G. Nance and Mrs. W. M. Cogdell. Some other splendid supporters were Mrs. Robert Elliott, Mrs. W. E. Hicks, Mrs. E. M. Vanderburg, Mrs. D. C. Laird and Prof. Vance. Two small girls, Misses Gladys and Mary Hicks were the children of the home. Those who played the "enlargements" in the Album were Sheriff Ed Connell, Messrs. Rowland, Spratt and West. Mesdames Smith, J. M. Gilliland, Carl Gilliland, Cox, Richards, Rutherford, Pittman, Palmer.

The specialties were extra good. A number by Mrs. Rowland, a reading taken from war scenes, and another by Miss Lacy were well received. The West Male Quartette were encored and responded with a good one.

The last scene of the play was the dream of T. G. Nance, as "The Old Man" when all the departed loved ones returned and stood in living likeness around him.

The ladies are to be congratulated upon the success of the Album. A good sum was realized from the sale of tickets.

Sugar Beets.

Hereford has long ago demonstrated that her soil produces a better grade of beets than Colorado. J. H. Bond who has raised sugar beets every year since coming to Hereford has had a successful crop this year. While he has never raised but a small plot, their growth has been phenomenal. If the average for an acre held up the same as for the two rows across his garden, a acre would have produced 24 tons of marketable beets. The farmers get a fixed price of \$5.00 a ton, which would yield a revenue of \$120.00 per acre.

Buy Oil Land.

I have the contract for the sale of the section of land upon which is located Fullwood well in which oil was found several years ago, a sample of which was exhibited in Hereford at that time and pronounced good. I also have contract for sale of adjoining sections. Buy some of this land and reap the benefits of oil prospects and oil wells which are sure to be developed. This land lies just 4 miles south of Glenrio, the new town on the Rock Island at the State Line. There will be a sale of these lots October 20. Remember the date. Be present and buy some of these lots while they are cheap. See

Prohibition Rally.

Working under the auspices of the Texas Anti-Saloon League, the prohibition forces of Hereford held a rally Sunday night at the Presbyterian Church. The auditorium and Sunday school room were filled to overflow and many were turned away. G. W. Eichelberger, district superintendent made the principal address. He reviewed the political situation and outlined the policies of the League. He stated that the league was neither a religious nor political institution, but was for all religious bodies and political organizations. It did not nominate candidates nor run political machines. That is it had one purpose in view and only one—to rid Texas of the saloons.

At the close of the address, pledges were called for and 15 men promised to give \$10 each during the year. Besides this \$150 about \$300.00 was secured making \$450.00 for Hereford. This fund will be used by the League in pushing the cause of State-wide prohibition.

Mr. Eichelberger is a fairly good speaker but not an orator. He is logical and makes some keen sallies at the other side. He handles his subject with care and has the facts at hand for ready reference. Altogether the rally was a success.

SAN ANGELO FAIR OCT. 3

Home-Coming of Bronco Busters on the Banks of the Concho.

San Angelo, Sept. 27.—"Come back to the banks of the Conchos and the scenes of Camp fires," is the invitation the committee of "old-timers" are sending out by the hundreds to the men who followed the cow trail in '83 or thereabouts. It means that October 4th has been set apart as "Old Settlers Day" at the San Angelo Fair, which will be held this year Oct. 3 to 8.

A barbecue and short talks by pioneers will be the program at noon after which the men who blazed the trail will adjourn to the fair grounds and witness horse races and auto contests for prizes aggregating more than \$8000 during the meet.

Anticipating large crowds, the fair directors have authorized a sixty foot extension to the grand stand and the building of a paddock. The recent rains have put the mile track in excellent shape and some of the best horse talent in Texas and Oklahoma are trying out at the track daily.

The Texas & Pacific, Santa Fe and Orient railroads have announced one and one-fifth fares for the round trip during fair week.

Mr. and Mrs. E. M. Haile left Thursday for Chicago where Mr. Haile will accept a pastorate and both will pursue courses of study in Chicago University. While here as president of the College, Mr. Haile made many warm friends and they regret that he could not remain longer. Mrs. Haile is a vocalist of splendid ability, her talent being always in demand in church and social functions, from which she will be greatly missed.

Rev. G. T. Bailey and family of Texico have moved to Hereford to make their home. Rev. Bailey has an appointment at Dimmitt. He will fill the pulpit at the Baptist church in this city Sunday.

RETURNS FROM PUEBLO, COLO.

A. J. McElhenie Attends Congress and Says Panhandle Country Beats Colorado in Raising Good Stuff.

"I have just returned from the National Irrigation Congress and am fully convinced that the Panhandle is far better than Colorado, in fact the best country on earth," said A. J. McElhenie who stepped off the 11:19 train yesterday on his return from the Congress. "When I told those fellows that we had better stuff without irrigation than they had with plenty of water they laughed. They hooted at Norton's 10 1/2 bushels of Alfalfa seed to the acre and said that sugar beets with 16 per cent sugar was impossible, but I'm going to prove to our people in La Salle, Illinois, next week when I get up there with our exhibit," he added.

Mr. McElhenie has just shipped by express about 700 pounds of products from Hereford to LaSalle where the big state fair is to be held next week. There are over 40 different varieties of garden and farm products in the shipment. One of the most interesting parts of the exhibit will be prepared by Mrs. McElhenie. She will bake a lot of loaves made from Milo Maize flour. These will be given out free with Texas butter and East Texas ribbon cane syrup. A thousand loaves of milo will be baked. The object of this is to demonstrate the palatability of milo as a bread, and to create a demand for the grain as a source of flour.

Mr. McElhenie left yesterday evening for LaSalle but will return next week to take up the work of securing more good farmers for the Panhandle.

Mr. McElhenie was convinced by his visit at the Irrigation Congress that the pumping proposition for this section would be most profitable. He saw a number of pumping plants and tests and thinks that Hereford has a good show as eastern Colorado.

Tribune Land Show.

One of the greatest stock and farm shows ever held in the United States will be given under the management of the Chicago Tribune in that city beginning Oct. 1. Every state in the Union will be represented. The Panhandle has been asked to send up an exhibit and some effort is being made to enter one. Is Hereford going to have a part in this great show?

The Greatest Bargain in Texas.

640 acres of land, Section 6, Range 4, Township 2, in the Capitol Syndicate lands, Deaf Smith County, Texas. Splendid location, a beautiful section of land, all in prairie grass, good rich soil, about equal distance from the Santa Fe and Rock Island Railroads. I will sell this section of land at \$10.00 per acre; \$2.50 per acre cash. \$6.00 per acre to be assumed due the Capitol Syndicate, 6 per cent interest. Will take second trust deed for balance due me. See C. D. Wright, Agent, Hereford, Tex., or Jay M. Jackson, Kansas City, Mo. 31-4t

Oil People Here.

Mr. and Mrs. William S. Titus of Lawrenceville, Ill. and their friend, Mr. G. W. Livingston of Amarillo, Texas, were in Hereford last week. They have visited a number of towns in the Panhandle, Amarillo and Adrian being among the list. Mr. Titus is president of the Adrian Gas & Oil Company who are drilling a deep well near Adrian, prospecting for oil and gas. Success seems to await the efforts of the company. The oil indications are said to be good and only last week the drill struck a flow of artesian water at a depth of 700 feet. This will be piped off and the hole sunk deeper. It is expected to go down 3000 feet or more and if there is anything under the ground around Adrian, Texas, this company will find it. That Mr. Titus is in earnest about finding oil will be concluded when it is known that he and his company have come 1200 miles to drill for oil in the Panhandle. Their outfit required three big freight cars to ship it. The people of Adrian and of the Panhandle are anxiously awaiting developments.

FARMER'S INSTITUTE

Tuesday, October 4, Important Meeting to be Held—All Invited.

The officers of the Department of Agriculture are making a tour of the Panhandle holding Institutes in the interest of farming. The Deaf Smith County Institute will be held at Hereford October 4, and every farmer in the county is urged to be present. The Institute will be open at 2 o'clock p. m. Be on time. A similar Institute will be held at Dimmitt October 5th.

It is important that this Institute should be well attended.

The Hereford Date Line.

H. H. Fris, traveling representative of the El Paso Herald was in Hereford this week in the interest of both his paper and this city. He placed an agency with N. C. Vogeli who will handle the Herald and receive subscriptions. He also secured a correspondent for Hereford, and it is expected that the Hereford date line will appear often in the Herald. This will be good for Hereford as it has been difficult to get other state papers to give Hereford her rights.

Our Commercial Secretary would often have a good item thrown out. The Herald proposes to boost for West Texas and the Panhandle. Those who have been reading the Herald find it to be a more up-to-date paper than either of the Ft. Worth or Dallas papers.

Mr. Fris and his assistants will be here in a few days to look over the field. The Brand feels that the business men and local interests should give a substantial support to the Herald.

Dr. S. D. Bettes of Amarillo, medical director for the Amarillo Life Insurance Company was in the city Tuesday on official business. Dr. Bettes is a specialist of the diseases of the eye, ear, nose and throat. His card appears in this issue of the Brand.

E. R. Bender Wins Daily Panhandle Premium For Best Wheat Record at Canadian Fair

The Daily Panhandle acknowledges with pleasure the following letter, and has placed the name of the successful competitor on its regular mailing list:

"Canadian, Tex., Sept. 26, '10.
"Publishers Daily Panhandle,
"Amarillo, Texas.

"Gentleman: At the Texas-Oklahoma Fair, held in this city, the prize offered by you of one year's subscription to the Daily Panhandle and Weekly Herald, to the grower of the best wheat, the wheat showing the largest yield per acre, was won by E. R. Bender of Hemphill county, and you will please send the papers to him at Canadian.

"The winner grew forty-two bushels of wheat per acre, measured, on eight acres near this city. We thank you very much for making this offer, and assure you should the opportunity present itself, we will be glad to reciprocate. The fair just ended was a great success, and we are bestirring ourselves to the end that we may make those of the future still greater.

"W. D. FISHER, President Texas-Oklahoma Fair Ass'n.

Sentiment Favors Highways.

Fort Worth, Texas—Never before has there been such a sentiment for the construction of public highways as is developing in Texas today and this progressive spirit is not confined alone to the largely populated communities as is shown by the reports that come in to the headquarters of the Texas Commercial Secretaries Association from the remote corners of the state of proposed bond issues and requesting the organization to furnish literature and offer suggestions as to the management of the campaign for bond issues.

"Road building is a germ that is transmittible from one community to another", said T. W. Larkin of Beaumont while at the headquarters of the Commercial Secretaries in this city last week "and I am glad that Texas is now in a virile epidemic of road building. As a rule when one community improves its public highways the adjoining town catches the spirit of Development or is forced in self-defense of its trade territory to improve its thoroughfares and the sentiment gathers strength as it travels and in numerous instances we find the farmers of Texas initiating the movement for road improvements. We are entering into an era of road building in Texas and we will soon have turnpikes from the Panhandle to the Gulf," said the Beaumont Road Builder.

PANHANDLE FAIR ASSOCIATION

Each Day Adds to List of Competitors in Coming Auto Meet on Amarillo Tracks.

Amarillo will be the scene of the greatest race fest and auto display ever arranged in this section of the country, October 10, 11 and 12, under the auspices of the Panhandle Auto Fair Association. Prominent among the motor concerns who have promised co-operation to the fullest of their ability during the races are the Moon, the Ford and the National. All those companies having agencies here will also participate in the races and the show.

McKinney & Vaughn are in receipt of letters from a number of leading makers and dealers, setting forth a great interest in the coming display and tests. Frank Hays, secretary of the enterprise, is daily receiving orders for entry blanks together with detailed information in every particular of the coming events.

The naming of the mayors of Amarillo, Plainview and Dalhart as judges of the races has been received with deep interest all over the Panhandle. Each of the gentlemen has accepted the commission, and will act in behalf of the association. The remainder of the list of officers as set forth in a recent issue of the Daily Panhandle, is such as inspires confidence in the absolute fairness of the race events.

Special rates will be made on the railroads, and invitations and advertising matter have been sent out over the country. It is stated by those closely in touch with the situation that many enthusiasts will be here from various parts of the country out of the Panhandle and even out of the state. New Mexico, Oklahoma and southern Colorado will have representation here in addition

to those from further north and east. Work continues on the tracks and other property of the association. The tracks adjudged already the best natural ones in the country, are undergoing improvements that will suggest, when completed, the celebrated course at Palm Beach. This will be continued so long as there is even the slightest possibility for improvements.

Mail Order Ads.

The Brand has always been loyal to the town and home merchants. Time and time again, it has refused to accept advertisements from foreign houses. The Brand has even turned down special ads from Amarillo. Only once and that was about one year ago, did the Brand test the loyalty of the home merchants by accepting an ad from a foreign concern. The merchants in that line of business proved their loyalty by promptly withdrawing their ads and patronage from the Brand. This is the penalty for taking business from out of town concerns. But there are two sides to every board fence. If the local paper must persistently refuse to accept good lawful money from merchants out-of-town and who come in direct competition with the home merchant, should not the home merchant be as loyal and protect the home print shops from mail order and drummer concerns? This week the Brand has an offer from a mail order grocery concern. Now inasmuch as the local grocery firms give all their printing orders to the local shops, and never send away to Dallas, Paris or Kansas City for counter pads, loose leaf ledger sheets, and statements, it is nothing but fair and right that the Brand should refuse to accept the ads of mail order grocery concerns.

Reciprocity is the law of mankind, and the Brand feels that it has done its duty in building up the town and thereby help build up every business concern. If the Brand should assay to be an iconoclast,

striking at every public and private enterprise, there might be some excuse for the merchants, business men and public officers in giving the best of their printing to foreign concerns.

To conclude, it makes a newspaper man feel like "30 cents" to have a bill with the imprint of an out-of-town concern stuck under his nose and immediate payment demanded. But on the other hand when a nicely printed bill or statement comes around, it is a felicitous pleasure to pay the account, when the aforesaid newspaper man has the money. Be half fair to your local print shops and it will be whole fair to you.

Votes vs. Justice.
 "No professional politician will ever give a corporation justice," P. L. Downs, cashier of the First National Bank of Temple, Texas, who handles a large amount of Texas securities. "When votes and justice are in the balance it requires statesmanship to cope with conditions. It is quite common to hear candidates for office announce from the House Top that they are against corporation but we all know that we cannot build factories, railroads and large industrial enterprises which are so essential to the development of the state without corporate capital and most of it must come from outside the state.
 "I have been endeavoring to fi

nance a railroad we are building out of temple and have had occasion to study the investor's side of a railroad proposition and I have observed that it is quite an easy matter to get a reduction in rates just prior to an election. It seems to be the psychological moment. It is quite common for candidates for Railroad Commissioner to announce for a reduction in rates and in many instances before they have had an opportunity of studying the subject but can you imagine a candidate announcing in favor of an increase in rates; and why not? There is as much justice in one contention as there is in the other and is justice unpopular in Texas? I am not discussing the rate situation. I am

just talking politics; however I know the markets are not clamoring for Texas railroad securities. Politics and business don't go well together and one or the other must succumb and I am glad to see politics on the wane in this state," said the veteran banker.

WHO'S KNOCKED?

Under the head of Colquit's Opportunity, the Star-Telegram makes this as introductory to a strong criticism of the legislature for passing what is known as the I. & G. N. Bill.

THE Texas legislature has done some fool things in its day. It is doubtful, however, if it ever did a fool thing of ampler proportions than when it enacted into law what is known to the achievements of assiduity as the I. & G. N. bill. And the worst part of it is that the legislature pulled off this piece of folly without the justification of a single reason which would halt the attention of a thoughtful and patriotic citizen for one moment.

In connection with this, a letter from B. B. Cain, Vice-President and General Manager, of the Gulf, Texas & Western Railway Company, will show what effect this infamous bill has had.

Dallas, Texas, Sept. 17, 1910.
Mr. A. C. Elliott,
Hereford, Texas.

Dear Sir:

While we are contemplating an extension of our railroad from Seymour to the Plains, I would not be frank with you, if I did not state the uncertain attitude of the Federal Government together with the I. & G. N. Railroad bill, passed by a recent session of our State Legislature, has practically annulled negotiations which we had been conducting with the view of immediate construction. I hope the Thirty-second Legislature will promptly repeal the I. & G. N. Railroad bill, and by that time the attitude of the Interstate Commerce Commission will have been manifested, after which

we will probably be able to procure the necessary funds for the completion of our project.

I have received letters from the Tucumcari section of country, advising they intended to co-operate with you in an effort to procure our road. Before definitely deciding upon our extension, we shall be interested in carefully considering the different routes which have been proposed.

Thanking you for your letter, I beg to remain,

Yours truly,

This letter was in reply to a letter and clipping from The Brand in which Hereford was pointed out as the logical point on the extension of the Jacksboro-Seymour project.

Four-Pound Post Card is Mailed.

Enid, Okla., Sept. 14.—What is believed to be the largest post card that ever passed through the United States mails was mailed here today, directed to a firm of attorneys in Austin, Texas. The post card is 26 inches long, 38 inches wide and weighs a fraction less than 4 lbs.

The unique card was sent by Isah Armond of Enid, who had written several letters to the law firm and had received no reply. He determined to get an answer or be satisfied the communication reached its destination. He had the card made by a printing company, and placed it in the postoffice this afternoon.

Cash! Cash!

Beginning Saturday, Oct. 1st, we will sell for Cash, all dry goods and millinery; everything in our store will be sold for cash only. We believe this is the best business method, both for our customers and us. Our goods have practically all been marked on a cash basis, but will be some articles in our store that prices will be lowered on. We expect to give our customers as close prices as possible; quality considered. Don't forget the date or the cash. **OCTOBER FIRST.**

Our Reputation and Money Are Back of This Offer.

We pay for all the medicine used during the trial, if our remedy fails to completely relieve you of constipation. We take all the risk. You are not obligated to us in any way whatever, if you accept our offer. Could anything be more fair for you? Is there any reason why you should hesitate to put our claims to a practical test?

The most scientific, common sense treatment is Rexall Orderlies, which are eaten like candy. They are very pronounced, gentle and pleasant in action, and particularly agreeable in every way. They do not cause diarrhoea, nausea, flatulence, griping or any inconvenience whatever. Rexall Orderlies are particularly good for children, aged and delicate persons.

We urge you to try Rexall Orderlies at our risk. Two sizes, 10c. and 25c. Remember, you can get Rexall Remedies in this community only at our store—The Rexall Store. For Sale at Corner Drugstore.

MRS. C. C. FERGUSON ENTERTAINS

An evening of rare pleasure was that with Mrs. C. C. Ferguson, Friday, September 23, when she entertained the College faculty and a few others, honoring Mrs. J. E. Ferguson of Kansas City and Mrs. E. M. Haile. Mrs. Ferguson in her own gracious way made each guest feel the welcome she extended. Conversation, interspersed with readings and music made the time pass all too quickly. Those contributing to the pleasures of the evening were Miss Carter in a reading, piano numbers by Miss Rhone and Mrs. D. A. Shirley, and vocal selections by Mrs. Haile.

Dainty refreshments of angel food cake and cream were served by Mrs. Ferguson, assisted by her little daughter, Grace.

A "42" PARTY

Mrs. Will Evants was at home with Mrs. Dalton Johnson at 850 Tenth Street, Tuesday afternoon, September 27. The receiving rooms were particularly inviting on this occasion, cut flowers and pot plants having been used effectively. "42" was to be the diversion and as the guests arrived Mrs. Warner gave out the score cards. There were a large number of guests and each game seemed to be played with an added interest. Delicious homemade candy was served during the games. A dainty salad course was served and lingered over for just another word before the leave-taking. Mesdames Johnson and Evants were assisted in entertaining by Mesdames Irwin and Warner.

A MORNING PARTY.

Mrs. Clyde Wright entertained most delightfully on Friday morning, September 23, complimentary to Mrs. E. M. Haile, who is soon to leave for Chicago. "42" and a progressive game of "gossip" furnished amusement until dainty refreshments of creamed salmon in patties and chocolate were served. Then it was that the guests at the different tables indulged in little discussions, an exchange of ideas, and some, perchance, in little heart to heart talks.

Mrs. Haile's many friends were glad of this opportunity to see her again and to have a last few words with her.

AT DINNER.

Mrs. B. S. Arnold entertained with a 12 o'clock course dinner on last Tuesday. Every appointment in both decoration and service were marked by simple elegance. Covers were laid for six, as follows: Mr. and Mrs. Emmet Cardwell, Mr. and Mrs. Claud Witherspoon, Mrs. C. C. Ferguson and daughter, Grace.

Mr. and Mrs. J. F. Barker are enjoying a visit from Mr. Barker's parents, Mr. and Mrs. H. Barker, of Mullin, Texas.

Miss Kate Lancaster of Waxahachie is a guest in the home of Rev. W. M. Baker.

Mrs. Moyers and daughter, Miss Willie, returned to their New Mexico home on Monday, after a pleasant visit with Mr. and Mrs. S. T. Shore.

50 Per Cent Better

"I have used less than one bottle of Cardui," writes Mrs. Gertrude Ward, of Rushville, Neb., "and am feeling fifty per cent better than when I began taking it."

"Before taking Cardui, I had suffered with female trouble, for eight years. My greatest trouble was irregularity. I also suffered with severe pains, every month, but now I am greatly improved and will recommend Cardui to all my suffering friends."

Take CARDUI

J 48

The Woman's Tonic

The rare medicinal herbs of Cardui are imported by the manufacturers direct from Europe and are not to be found in any other medicine.

These ingredients are what give Cardui its superiority, as a female medicine and tonic, over any other medicine.

For over 50 years Cardui has been the favorite woman's medicine. The ladies like it, because it is so easy to take, so gentle, so safe, so reliable in its results, and they have faith in its curative tonic powers, because of the thousands of other ladies it has helped. Try it today.

THE MOST FLEXIBLE SOLE IN THE WORLD.

Peter's Foot Comfort Shoes.

Heavy enough to protect the sole of the foot, yet absolutely flexible, thus giving freedom and perfect ease to all muscles while walking.

You can roll these shoes up like a ball, but you can't injure their soles or shape.

The leather in these soles is pure oak tannage; free from all injurious matter and requires half a year for tanning.

You'll never know what genuine foot comfort really means until you wear a pair of Peter's "Foot Comfort" Shoes.

If your dealer don't keep them, write us.

Citation by Publication.

THE STATE OF TEXAS,
To the Sheriff or any Constable of Deaf Smith Co., Greeting:
Oath having been made as required by law

You are Hereby Commanded to summon James Stanek by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 69th Judicial district; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 69th Judicial District, to appear at the next regular term of the County Court of Deaf Smith County, to be holden at the Court House thereof, in Hereford, on the first Monday in October A. D. 1910, the same being the third day of October A. D. 1910, then and there to answer a petition filed in said Court or the 30th day of August A. D. 1910 in a suit, numbered on the docket of said Court No. 267, wherein W. G. Broyles is Plaintiff, and James Stanek, Henry Farmer and Eli Dunlap are Defendants, and said petition alleging that on the first day of February 1910 the defendants James Stanek and Henry Farmer executed and delivered to the plaintiff their promissory note, whereby they promised to pay to the plaintiff or order at Hereford, Texas, twenty days after the date thereof, the sum of six hundred dollars with interest thereon at 10 per cent from the date of said note. That said note further provided that if it should not be paid when due, that 10 per cent additional should be added as attorneys fees. That it has become necessary to place said note in the hands of attorneys and to bring this suit, and that the attorneys fees stipulated for in said note is a reasonable fee for the service to be rendered.

That to secure the payment of said note, the said James Stanek executed and delivered to the plaintiff a chattel mortgage in writing dated Feb. 1st, 1910, by which he conveyed to the plaintiff and created a lien on the following described personal property, viz. One horse mule 6 years old, not branded, weight 1200 lbs., one mare mule 7 years old, not branded, weight about 1200 lbs., two bay horses, weight about 1200 lbs each, neither of which were branded, about 6 years old, one black Spanish Jack about 15 hands high and 9 years old. That said mortgage was on the 5th day of March, 1910, filed and deposited as a chattel mortgage in the office of the County Clerk of Deaf Smith County, Texas.

That the defendant Dunlap claims to have a mortgage on the same, or a part of the same property and is attempting to subject it to the satisfaction of a debt which he claims to be owing him by the said Stanek, although the plaintiffs mortgage is prior and superior.

That on some date since since the 5th of March, 1910, the defendant Dunlap seized and took possession of and converted to his own use and benefit the two horses included in plaintiffs mortgage which were worth four hundred dollars.

Plaintiff prays for a judgment for his debt, interest and costs and for a foreclosure of his chattel mortgage, and in the event the Court shall find that the two horses included in plaintiffs mortgage have been converted by the defendant Dunlap, then that he have a judgment against said defendant of the value of said horses.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Witness, W. M. Cogdell, Clerk of the County Court of Deaf Smith County.

Given Under My Hand and the Seal of said Court, at office in Hereford this the 31st day of August A. D. 1910.

W. M. COGDELL, Clerk, County Court, Deaf Smith County.

Drinking Fountain.

The ladies of the Benevolent Club have started a move to build a drinking fountain at the public school. It is proposed to have it made of concrete and so arranged that there will be four bubbling streams with drain for overflow. There will be no necessity of a cup to obtain a drink. The mouth placed over the stream of water will remind one of the cool bubbling springs of Kentucky. Except you will not have to become so undignified as to get down on your "all-fours." While the Club is planning for only one at this time, at least four such fountains are needed on the grounds. The Brand favors this move and while the article in the last issue did not inaugurate it, the strange thing is that others thought of the same thing about the same time. The individual cup or fountain will solve the problem. The ladies club should be encouraged by the school board and patrons.

Everwear HOSIERY For Women and Children

It will pay the ladies and children to wear this famous brand of hosiery just as it has the men—and every man who has worn Everwear knows what this means.

The same guarantee goes with the women's and children's hosiery, which is:—six pairs must wear six months without a hole, rip or tear or new hose will be given free. The children's stockings are especially durable—the knee being reinforced as well as the heel and toe. The stocking is made of extra long staple cotton and the leg has double the stitching, so that it may stretch freely when needed.

Ladies, come in and examine them—then try six pairs for yourself and children.
