HEREFORD, TEXAS, FRIDAY, MARCH 20, 1914

NUMBER 7

Things at the Artcraft Exhibit.

For lack of space last week, the Brand did not give as full account of the Artcraft and Curio exhibit as it desired. So this article will, in part, tell about what the people saw at this most interesting local entertainment.

It will, however, still be impossible to mention all of the things, for the building was full of fine art work of the needle and the odds and ends from every aun. A lace-set, consisting of collar, cuffs and kerchief, made by Mrs. W. A. Doolittle, with No. 2000 thread, was, perhaps, the center of attraction. A tatting collar also made by the deft fingers of this same woman, and requiring 20,224 stitches, always had a circle of admiring ladies around it. A pair of battenburg curtains also made by Mrs. Doolittle was equally attractive. Many pieces in the fancy work department, especially in crochet, were works of art and things of beauty. This Mrs. Dieble contributed a large number of pieces.

In the curio collection, a brass collar, weighing 28½ pounds, taken from the neck of a Central African belle by Elsworth Faris, a missionary, was the comment of all; especially the "brass collar" democrats. The curio belongs to Rev. Faris, father of the young missionary. An old flax wheel used in Kentucky years ago was something that many had never seen. A sugar bowl that was brought over in the Mayflower, 1620, was perhaps the oldest relic of America. It is the heirloom of Mrs. Ramsey and the bowl has been handed down from daughter to daughter. A cream ladle belonging to Mrs. Dodson was made in Scotland some 300 years ago is in perfect condition. It is made of solid silver. It is also a family heirloom. A salt cellar, 300 years old belonging to Mrs. Owens; a song book from Sweden, 117 years old, the heirloom of Mrs. J. L. Johnson; a bible, printed in 1818, is in the Boardman family; all these and hundreds of other things were to be seen. There was a ship in full rig enclosed in a small mouth bottle; also two bottles containing small chairs that fit the square form of the bottles tightly. These were made by a woman who had escaped from central Texas and now lives in Hereford. The old fashioned counterpanes that our mothers made were there; the old time quilts, some 50 and some even 100 years old. A lot of Indian work and relics made one think of the time of scalping and Indian warwhoops. In the dress department, the evolution of style was fully demonstrated. Even only a few years showed the astonishing changes that women have wrought in the construction of their garments. The graduating dress of Miss Florence Redfield, now Mrs. Broaewell, was fitted on a dummy and to the dress the diploma was pinned. The dress in style in 1891 was rather odd looking as compared with what the young girls are now wearing. A party dress belonging to Mrs. Shirley and worn by her 29 years ago was a bosque and skirt affair that no man would dare undertake to describe. And then there was an odd built dress belonging to Mrs. Galloway. It was made for the old time bird cage bustle, which has now entirely disappeared. And a thousand other just as odd and curious were to be seen.

Fifth Sunday Meeting To Be Held With The Hereford Baptist Church, March 26, 27, 28, 29, 1914

THURSDAY, MARCH 26, 11:00 A. M.

11:00 A. M. Sermon	T. G. Netherton

SUNDAY, MARCH 29

9:30 A. M. Sunday School

10:45 A. M. Sermon J. W. Saffle

ALL ARE CORDIALLY INVITED TO ATTEND THESE SERVICES

The ladies were quite pleased with the fine patronage and as a result netted something like \$90.00 in cash.

Outing For School Girls.

Last Saturday Grace Sites, Nellie Farmer, Mamie Laurum and Elizabeth Black were entertained at the pleasant country home of Mr. and Mrs. Albert Carter in the good old western style. The girls put in good time horse back riding and breaking broncos, after which an excellent chicken dinner was served by Mrs. Carter, to which all did justice. The rest of the day was spent in music and games, they returning home late in the day, voting Mr. and Mrs. Carter royal entertainers.

Young People Wed.

A quiet wedding was celebrated at the country home of Mr. and Mrs. C. V. Walker last Sunday afternoon when their daughter, Miss Alice, was united in marriage to Mr. J. B. McCord. Rev. W. M. Baker performed the marriage ceremony in the presence of the family and relatives and a few friends. After congratulations were extended to the happy couple, a sumptuous dinner was served.

Frank Corn, while digging in the sand pit near town last week, dug up three good sized snakes. One was five feet long. No doubt the snakes were hibernating.

Auto and Buggy Collide.

Wednesday evening during the blinding sand storm, a buggy driven by Claude Norton and an auto by Bessemer Smith collided, resulting in a broken breast yoke and smashed wind shield. Geo. Karr, who was on the front seat with Smith, by his forethought prevented a serious hurt to himself, yet he received a heavy "punch" from the buggy pole, it striking him in center of forehead just as he grabbed the pole and thrust it aside. The horses parted and the buggy and auto stood "face to face" after the impact. Fortunately no one was seriously hurt. Mrs. Norton and the children were in the buggy.

Baby Hodges Dies Suddenly.

William Hodges, 5 years old, son of Mrs. Ben Hodges, died suddenly Wednesday morning at the home of W. C. Russell, while the mother was there on a visit. The cause of its death was congestion, said to have been brought on by eating some raw sweet potato. The body was brought to town and interment made late Wednesday evening. Rev. Baker officiated at the burial service. The bereaved family have the sympathy of the entire community.

Messrs. Ray Barber, Skelton, Betts and Geo. Garrison went down to Amarillo Wednesday evening facing that breeze. Brave men.

Presbyterian "Tea."

Last Tuesday, St. Patrick's Day, the ladies of the Mission Society of the Presbyterian church gave a "Tea" at the well appointed home of Mr. and Mrs. Geo. Guinn. A large number of ladies were present and a most enjoyable occasion was made for all. The receiving rooms were decorated with the colors of St. Patrick's Day, the shamrock being in evidence everywhere. The guests were received by Mesdames Guinn, Baker and Fox. Over the tea table in the dining room Mrs. Ferguson and Miss Potter presided, where also was served a luncheon of sandwiches with pickles and green mlats, Mesdames Sherman, McLean, Misses Meda Woodburn and Dimple Gass serving. The table was laid with a large center piece decorated with shamrocks. Candles were used for lighting. Effie Lee Guinn, daughter of the hostess, pinned on each guest a shamrock as a favor. Miss Belle Woodburn kept the guest book. During the receiving hours, a program consisting of music and readings was greatly enjoyed. In this, Mesdames Norton, Stephen, Wright, Potter, John Sherman, Miss Lay, Cecil O'Brien and Effie Lee Guinn each contributed a pleasing number. Other members of the house party were Mesdames Donnell, Arnold and Lipscomb. The entire afternoon was filled with pleasure for every one present.

Chafing Dish Social.

The adult classes of the Sunday school of the Presbyterian church enjoyed a social hour at the home of Rev. and Mrs. Baker last Thursday evening. The social took the form of a chafing dish party in which the men wrote the recipes for the various dishes and then prepared them, but under the eye supervision of the fairer members of the class. Of course, a lot of innocent jest and fun was injected into the affair. The various and sundry dishes prepared were much enjoyed by all present. The work being done by these two classes in their Sunday school is appreciated by the church membership and these social affairs are a means of furthering their work. Mr. and Mrs. Baker's Christian hospitality was fully appreciated by all the members present.

Passenger Train Late.

The passenger train due to arrive at Hereford at 7 o'clock, was late Thursday morning on account of a delay west of here. It is reported that the wind switched a freight train on the wrong track some where in New Mexico.

Eastern Star Play.

"The Time of His Life," a three act comedy, will be played at the court house, Friday evening, March 27, by home talent for the benefit of the Eastern Star. 1t

Mrs. Clarence Smith and Mrs. J. O. Lindsey attended the Rebekah Assembly held at Fort Worth this week, Mrs. Lindsey as a delegate from the local lodge. Mrs. Smith won quite an honor at the Assembly by winning the gold medal in a contest for the best delivery of the Past Grand's Charge, there being 15 in the class. When it is considered that the best talent of the state was at that meeting, Hereford has ever reason to be proud of the ladies who attended from this part.

"YOU'LL LIKE HEREFORD."

The Pulse of Industry Heard.

Monday morning, peculiar sounds were heard coming from different directions. It was the pulsations of a dozen or more oil engines pulling streams of water from the bosom Mother Earth. The distant and muffled sound is the pulse of industry. The big irrigation wells around Hereford are to be given a supreme test this season. Those who have had wheat planted are now using the sure way of making a continuous growth. Planted last fall under favorable conditions, a long spell of wet weather in the late fall and an open winter, has made the wheat prospects better this year than in several. And those with the water insurance attached to their farms are now using the guarantee in their policies to make a bumper wheat crop. Let the noise of pumping engines be heard on every side, the noise is the voice of music, the pulse of industry.

High Wind From Northeast.

One of the highest winds in the memory of old timers visited Hereford Wednesday evening and night. It "struck" town about 5:30, bringing with it a cloud of dust and sand that made it quite dark. While no serious damage was done, the housekeepers are complaining about the unwelcome gust of dust. We suppose this must be the equinoctial storm; if so, we were on the tail end of the "whip-crack," judging from the way the loose things were flung around. The wind velocity has been variously estimated at from 50 to 70 miles per hour. The Amarillo weather station reports 65 miles per hour as the highest.

What They Said About.

We had one of the worst wind storms Wednesday evening, I ever saw. It began at 5:30 and was still "raising sand" when I went to bed.—R. G. Sisk.

Put it in the paper that the wind blew some Wednesday evening.—Ed Connell.

You had not better tell them about what a sand storm we had Wednesday.—Orville Newell.

You ain't going to say nothing about that lovely little breeze we had Wednesday, are ye?—Jack Spratt.

Say, tell 'em that the wind blew Jack Walker's brick flue off the roof and some of it fell thru.—Henry Wilkinson.

Just tell them that the wind blew some.—Ed Johnson.

That was some wind, I say.—Nester Gass.

You had better mention that we had a regular zephorette Wednesday evening as some folks won't know about it.—A. F. Murchison.

Let's forget it.—E. B. Black.

Old gag: "Some real estate exchanged hands Wednesday.—Nearly everybody.

I say the wind blew; tell 'em. I said so.—Geo. Burns.

More Crossings.

Several more brick crossings are being placed this week by the city's force. The one from the State Bank corner to Garrison Bros. has been completed. Another in the resident section at G. M. Suggs' corner. The next will likely be the one from the Main street walk to connect with the Santa Fe extension.

Miss Waldine Wilson was in from her school Sunday to visit homfolks.

A Cherished Mother to Rest.

The following article recently appeared in the Alvord News, giving a short sketch of the life of Mrs. Agnes Bowers, mother of J. H. Bowers of this city.

Mrs. Agnes Bowers, nee Berry, was born in Va. Sept. 18, 1844. She was married to J. W. Bowers in 1862. They came to Texas in 1873 where they resided until his death about five years ago. To this union ten children were born, one dying in infancy. Some three or four years ago Mrs. Bowers moved with her youngest daughter to Clarendon, Texas, her home at the time of death which occurred at 5:15 o'clock Wednesday morning, Feb. 18, 1914, at the home of her daughter, Mrs. S. C. Raney. She had always enjoyed excellent health until about a year ago. More than two months ago her physician at home advised her to come here, hoping the change in climate and lower altitude might prove beneficial to her; but alas! not so; she at once grew worse, suffering intensely, but never murmuring or becoming impatient. All was done to restore her to health that loving children, physician and friends could do, but all in vain. The blessed Savior knew that her work on earth was finished she had kept the faith, so called her Home to receive the Crown that awaits the faithful. She was converted and joined the Cumberland Presbyterian church some thirty years ago. She was a sweet spirited, tender, loving, self sacrificing, Christian mother. She is not dead, she has just preceded us to our home not made with

hands, eternal in the heavens. Our strongest earthly tie is broken, the tender hands that did so many kindly deeds are still. To us a sweet voice is hushed. But we would not call her back, for on the other shore her voice is mingling with the angel choir, happy with our Savior and the redeemed, and the Cherished Mother's hands are beckoning come. You who did not have the privilege of visiting this mother in her recent illness may not fully understand the meaning "Cherished Mother," but could you have seen the tender care, the silent tears, and kisses bestowed by her affectionate children you would say, truly said we sincerely sympathize with the bereaved loved ones, for we too have trod that same rugged path. Friends are helpless; they cannot drive away this sorrow, but can only point to one good and loving Father, who by Holy Spirit can bind the broken hearts and bring joy and peace amid it all. We pray God's blessings may on you each be given, and that you may be an unbroken family in heaven.

Birthday Celebrated.

Sunday, Mar. 15th, was a joyful day long to be remembered by J. W. Henry living just south of town. About 40 of the good neighbors and friends came in to remind him of his birthday. They brought their baskets and as the covers were lifted it seemed as tho a contest had been on each one, trying to see who could bring the most and the best. The old Lone Star comes along with the goods sometimes when it comes to celebrating some great event. The day was a beautiful one which added much to the pleasure of the occasion. Joy and laughter filled the house. All troubles seemed to have vanished for a time at least. Much credit is due Mr. Change Tice. He brought his camera and took a picture of the crowd. This will be a reminder of the happy occasion. No doubt, it will be a thing of beauty and a joy forever. Mr. Henry owes a little apology as he would liked to have made a speech, but was too full for utterance. The day passed away too soon as evening dawned we parted with expressions filled with oceans of love and a good wish on every wave for everybody.

"I Was There."

Excellent for Stomach Trouble.

"Chamberlain's Tablets are just fine for stomach trouble," writes Mrs. G. C. Dunn, Arnold, Pa. "I was bothered with this complaint for some time and frequently had bilious attacks. Chamberlain's Tablets afforded me great relief from the first, and since taking one bottle of them I feel like a different person." For sale by all dealers.—Advertisement.

A Great Success.

Young men and women desiring to achieve a great success should not waste their summer vacation. One vacation spent properly will protect them against poverty and enable them to earn an honest living and live a respectable citizen. There is no use in idling away the summer months. Business men and farmers alike, work during the summer. Ambitious boys and girls would rather spend their vacation with a large and enthusiastic student body, mastering a course of bookkeeping and shorthand or telegraphy that they may work their way thru some college or accept a good paying position in a business office. He who cares more for success than heat, goes a long ways ahead of him who waits until cool weather to study. Many a young boy or girl who at the close of school last year, entered the Tyler Commercial College of Tyler, Texas, to spend their vacation, are either in one of our large universities, earning their own way, or holding a splendid salaried position or in business for themselves. Where there's a will there's a way. Cowardice sits and whines "I can't." Courage forces success. If you desire to obtain a knowledge for which the business world readily pay cash, write for large illustrated catalogue of the Tyler Commercial College, read the advantages of their splendid courses of instructions and what those who have graduated and are now holding good positions, say of the institution; and what the employers of these graduates say of their efficient training. Read how some worked their way thru school, how others borrowed the money and made it pay them big dividends, how others quit jobs at small salaries, completed their courses and went back to the same firm at two and three times their previous salary. Get a salary raising education. It is yours if you are willing to make the effort. Write today for catalogue and make arrangements to enter as soon as your school closes. The U. S. Government has held two examination here in Tyler this Spring enabling our graduates to go into nice civil service positions at entrance of from \$900 to \$1020.

The Tyler Commercial College building is one of the largest, most sanitary, best lighted and ventilated in the state. It

Marketing Country Eggs.

Most of the eggs come from the farms where the hens have open and free range. These eggs are usually saved up from week to week, placed in any kind of receptacle, kept in any sort of place, usually in the warm kitchen. When brought to the grocery store, many of them are soiled; yes, dirty and even filthy. This filth has been on the eggs since they were in the nest and hence the contents of the egg is unfit for food. Many of the eggs are so old that they will do only for restaurant scrambles and baker's use. It is a fact that, in the large cities, bakeries buy the "addled" eggs for their pastry and the restaurants for omelets. All soiled eggs should be washed when gathered. Farmers should not complain at the low price of eggs when they bring in filthy stock.

Another item. The different shell eggs should be packed separately; the browns in one box or crate and the whites in another. Small thing, but it has its bearing. It would be better if each farm had only one variety of hens, then the eggs would all be alike. Contrary to the general belief, mixed stock does not, usually, do as well as pure strains. A good laying stock is best for the farms as the eggs are the source of the income. This makes all the eggs uniform in color and saves the trouble of keeping separate pens.

In marketing eggs, the small and odd shapes and the thin shells should be kept at home. If the home table cannot use all of this kind, there is nothing better for young chicks than a feed of hard boiled eggs occasionally. The store keeper will not refuse the small eggs, but he is too much of a gentleman to throw them into your face, even if he felt like it. Gentlemen of the farm should not pan off their poorest egg stock on the suffering public.

School Notes.

The A. D. S. boys will give a debate on compulsory education will be given in the High School Auditorium on Friday evening, April 3. A small admission fee will be charged in order to get money to pay the boys' expenses to Childress.

The primary grades are employed in preparing flower beds and setting out flowers.

Third Grade.—NO TARDIES LAST WEEK.

Fourth Grade.—Evered Dent hurt his hand so seriously with a dynamite cap that several fingers had to be amputated.

Raymond Mooney has returned to school after a slight illness.

Elizabeth Ewing is absent with a sprained ankle.

Seventh Grade.—Claudia Duncan has returned to school.

Homier Wilson was absent last week, visiting the ranch.

Tardy list for last week. Those having no tardies were: third, sixth, seventh; those having two tardies were: first, second, tenth; those having three tardies were: fifth.

Anna Garrison of the eleventh grade has returned to school after a swell case of the mumps. Her health is not impaired, but her face is much rounder.

Miss McLean has recovered from a slight attack of erysipelas, but she says her face still hurts.

Lester Weaver's Dairy, Phone 9, 6tf

Anderson Mantooth of the Canal Zone writes for a copy of the Brand that he may subscribe. It's one dollar a year as long as they last.

Black Dots.

Mar. 19.—Mr. Hitz of Indianapolis, Ind., has shipped two cars of well casings to Black to be used for an irrigation well which he is going to put in on place just southeast of the station.

Thomas Bretto, who has been working for Mr. Drake, moved into the Millets house Sunday. He will work on the section.

B. T. Bell of Dimmitt drove over last week to see the Bell Bros. Stock Co.'s sheep. He brought with him his grandson, Daniel Bell, of Hereford.

Two Siegler boys from Polk county, Nebraska, rode through here on horseback Sunday night on their way to Roswell, N. M. They started from their home the fifth of February, traveling some days when it 10 degrees below zero. They lost about ten or twelve days on account of bad weather. They are going to Roswell for their health.

Mrs. A. S. Bell is confined in her home this week on account of sore eyes caused from a cold.

Mrs. Hollis Galley went back to her home east of Hereford last Friday to stay over Sunday with her people, the Rices.

Bro. McDonald of Bovina preached here last Sunday morning and went to Summerfield in the evening with Frank and Richard Jacobs. He will preach in Black next Sunday night. Let everyone come out and hear a good speaker. Everybody come to Sunday school next Sunday.

Good meals and clean beds 25 cents; short orders served. Baker's Restaurant, Walker Bldg. 6-4tp

W. O. W. to Have Big Celebration.

The W. O. W. Camp at Hereford is arranging for a big celebration on Saturday night, March 28th, and all Sovereigns are invited. The event is a class adoption and probably the second of the kind ever held in the Panhandle. The Hereford Camp has 170 members and they expect a class of 25 candidates to be initiated on the night of the 27th. Preparations are being made to entertain some 300 Woodmen in the Hereford Forest on that night. Visitors are expected from Amarillo, Canyon, Tolia, Plainview, Dimmitt, Texico, Clovis, Vega and other camps. The Santa Fe will run a special train, leaving Amarillo at 5 p. m., and arriving at Hereford at 7, returning when the goat has been thoroughly subdued and fagged. The round trip from Amarillo will be \$1.90.

The degree team consisting of seventeen members and seven officers from Alamoosa Camp will attend and initiate the candidates. It is understood that the work of this degree team will in every way be equal to that of the Head Camp and it is something very few of the Sovereigns in this part of the country has ever had the pleasure of witnessing; hence, many visitors are expected and all Sovereigns will receive a hearty welcome in the forest. The committee on entertainment says that they will have a two days feast, and explains by adding that supper will be served from 11:30 p. m., on Saturday night until 12:30 a. m., on Sunday morning.

Biliousness and Constipation Cured.
If you are ever troubled with biliousness or constipation you will be interested in the statement of R. F. Erwin, Peru, Ind. "A year ago last winter I had an attack of indigestion followed by biliousness and constipation. Seeing Chamberlain's Tablets so highly recommended, I bought a bottle of them and they helped me right away." For sale by all dealers.—Advertisement.

Cough Medicines for Children.
Never give a child a cough medicine that contains opium in any form. When opium is given other and more serious diseases may follow. Long experience has demonstrated that there is no better or safer medicine for coughs, colds and croup in children than Chamberlain's Cough Remedy. It is equally valuable for adults. Try it. It contains no opium or other harmful drug. For sale by all dealers.—Advertisement.

Cheap Water.

The success of any irrigation project is dependent on an abundant supply of cheap water. If the supply is not sufficient failure is sure to result. If the water cost is too high to prevent profits on the farm, failure inevitably must come.

It's the operating cost of a pumping plant that determines the cost of water—not the first cost of the plant. The original cost of installing the water is over when the plant is completed, but the operating cost is there every hour the well is in operation.

It is a fact that the Hereford Irrigating Plants are delivering water

THIS STOMACH REMEDY REMARKABLY SUCCESSFUL

You know us—your home druggist. You know we wouldn't guarantee any remedy to relieve indigestion or dyspepsia, or money back, unless we felt the utmost confidence in that remedy. Therefore, when we offer you Rexall Dyspepsia Tablets with this proof of our faith in them, it leaves you no room for hesitation or doubt. The remarkable success of Rexall Dyspepsia Tablets is due to the fact that they contain, among other things, Bismuth and Pepsin, two ingredients endorsed by the medical profession as invaluable in the treatment of stomach ills. They soothe the inflamed stomach, check heartburn and distress, stimulate the secretion of gastric juices, aid in rapid and comfortable digestion of the food and help to quickly convert it into rich, red blood. In a short time they tend to restore the stomach to a naturally comfortable, easy-acting, healthy state. They also benefit the bowels.

Rexall Dyspepsia Tablets are sold only at the more than 7,000 Rexall Stores, and in this town only by us. Three sizes, 25c, 50c and \$1.00.

—Corner Drug Store, Hereford.

into the ditch for less money than any ever installed on the Staked Plains regardless of lift. McDonald installed 90 per cent of the Hereford plants. This low cost comes from high efficiency in the pump and low operating cost in the engine. Bessemer Oil Engines operating on fuel oil at 4½c a gallon is the cheapest available power. American Turbine pumps delivering 60 per cent efficiency require less power than any pump anywhere. The McDonald type of well produces the water in larger volumes than any other. The American-Bessemer-McDonald combination is right for the Hereford country—the owner of any McDonald well will testify to this. Ask him if his crops have ever suffered for water because the pumping plant wouldn't deliver it.

If you want an irrigation well, figure water cost. McDonald will figure water cost with you and guarantee results. (adv 11)

THE FARMER'S FIRST AID IN SICKNESS.

WHEN there is sickness or an accident on the farm, haste in calling the doctor is vital. Life may rest on minutes—Don't wait until sickness occurs, and THEN wish you had a telephone. Order it NOW from our nearest manager, or write.

The State of Texas: To the Sheriff or any Constable of Deaf Smith County, Greeting.

You are hereby commanded to make service by publication in a newspaper for thirty days of the following notice, in words and figures as follows, to-wit:

W. W. Gatewood, et. al. vs. J. W. Williams, et al. No. 264. Suit pending in the District Court of Deaf Smith County:

TO ALL PERSONS INTERESTED IN THE ABOVE ENTITLED SUIT.

Notice is hereby given that E. F. Brown, G. L. Abbott and L. T. Lester have filed interrogatories in a certain suit pending in the District Court of Deaf Smith County, wherein W. W. Gatewood, W. M. Knight, Jno. P. Slayton and Joe E. Lancaster are plaintiffs and J. W. Williams D. B. Williams, Tom Riley, J. S. Queen, E. F. Brown, G. L. Abbott and L. T. Lester are defendants, No. 264, said action being scire facias to revive a judgment, to O. B. Pirkey a witness who resides in Bowie County Texas, the answers to which will be read in evidence on the trial of said cause; and has also filed an affidavit in said suit that D. B. Williams, J. S. Queen and Tom Riley are non-residents of the State of Texas; and that a commission will issue on or after the thirtieth day after the publication of this notice to take the deposition of said witness.

Witness, J. S. Jones, Clerk of the District Court of Deaf Smith County, Texas.

Given under my hand and seal of said court at office in the city of Hereford, this the 11th day of February, A. D. 1914.

J. S. JONES, Clerk of the District Court of Deaf Smith County Texas.

And of this precept and how you have executed the same make due return.

Witness:

J. S. JONES, Clerk District Court, Deaf Smith County Texas

Given under my hand and the seal of said court at office in City of Hereford, this the 11th day of February, 1914.

J. S. JONES, Clerk District Court, Deaf Smith County, Texas

Issued this the 11th day of February, 1914.

A PERSONAL WORD

When you buy trees and plants from us, you are assured of getting stock which has received our very best care in growing. We trust they will flourish with you. We assure you, that after giving from two to four years care in growing different kinds of trees, we feel a lively interest in their growth after we send them out.

Our boast is that we grow stock as good as can be grown. We have been growing it for several years. All the experience we have had is offered freely to any one who will inquire of us on any subject on tree and plant growth.

We have introduced some of the leading fruits of the day and they are not surpassed by any others.

You owe it to yourself to find out about us; what we have and what we are doing.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Notice of Dissolution of Partnership.

Notice is hereby given that the partnership lately existing between D. L. McDonald, N. R. France, W. G. France and I. F. France and his estate, doing business at Hereford, Deaf Smith county, Texas, under the firm name of "D. L. McDonald & Company," was dissolved by mutual consent on the 6th day of March, A. D. 1914.

All debts owing to the said partnership are to be received by the said D. L. McDonald and all demands against the said partnership are to be presented to him for payment.

The said D. L. McDonald individually will continue the business.

Witness our hands this 6th day of March A. D. 1914.

D. L. McDonald,
N. R. France,
W. G. France,
N. R. France,

Trustee of the estate of I. F. France deceased. 7-4t

"OCEANS OF WATER."

Must Raise Some Money Now.

We need some quick money and are offering the following at a bargain, to wit:

1. A nice 20-acre block on creek adjoining townsite of Hereford; shallow water; sub-irrigated; a choice truck or garden proposition.

2. A ten-acre block adjoining townsite; nice orchard; easily irrigated; an attractive bargain for one who wants a small tract of land close in.

3. A ten-acre block within city limits; good nine-room house; ample sheds; excellent orchard; easily irrigated.

4. Special low prices on locusts and other shade trees on a block now being cleared up; also choice bargain on fruit and ornamental trees. Some of the above must go and all may be turned. Address Hereford Nursery, Hereford, Texas 6-3t

April 12th is Easter Sunday. Order your suit now from Beene & Bennett. 6-2t

STOMACH TROUBLE FOR FIVE YEARS

Majority of Friends Thought Mr. Hughes Would Die, But One Helped Him to Recovery.

Pomeroyton, Ky.—In interesting advices from this place, Mr. A. J. Hughes writes as follows: "I was down with stomach trouble for five (5) years, and would have sick headache so bad, at times, that I thought surely I would die. I tried different treatments, but they did not seem to do me any good. I got so bad, I could not eat or sleep, and all my friends, except one, thought I would die. He advised me to try Theford's Black-Draught, and quit

taking other medicines. I decided to take his advice, although I did not have any confidence in it.

I have now been taking Black-Draught for three months, and it has cured me—haven't had those awful sick headaches since I began using it.

I am so thankful for what Black-Draught has done for me."

Theford's Black-Draught has been found a very valuable medicine for derangements of the stomach and liver. It is composed of pure, vegetable herbs, contains no dangerous ingredients, and acts gently, yet surely. It can be freely used by young and old, and should be kept in every family chest.

Get a package today. Only a quarter. 149

CALOMEL IS A FORM OF DEADLY MERCURY

Instead of Such Dangerous Stuff, it is Recommended That You Take Dodson's Liver Tone for Constipation.

Dodson's Liver Tone was made to take the place of calomel.

Calomel is a form of mercury, a mineral and a poison. Dodson's Liver Tone is an all-vegetable liquid—never harmful.

What calomel does unpleasantly and often with danger for constipation and sluggish liver, Dodson's Liver Tone does for you safely and pleasantly, with no pain and no gripe. It does not interfere in any way with your regular business, habits or diet. You feel good after taking it.

The great success and wide sale of Dodson's Liver Tone are the result

of what it does for people. Its merit is backed up by a guarantee of "satisfaction or your money back," as Betts & Clark, the druggists, will tell you.

Dodson's Liver Tone was intended from the start to take the place of calomel. The label on the bottle always has said so, beginning with the first bottle sold.

Dodson's Liver Lone "liven's the liver," overcomes constipation agreeably and makes you feel good, and if you are not satisfied completely with it Betts & Clark will hand back the purchase price (50c.) to you with a smile.

When you go to buy a family remedy, don't fail to judge between the plain, simple truth about Dodson's and the loud claims of its imitators. That the public does so accounts for the enormous increase in the sales of Dodson's Liver Tone month after month. 1t

FOR DELICATE CHILDREN

A Mother's Letter to Mothers.

Mrs. E. W. Cooper of Bloomfield, N. J., says: "My child, seven years old, had a bad cold and was weak and quite run down in health. She had been in this condition for about six weeks when I began giving her Vinol. It was a wonderful help to the child, breaking up her cold quickly and building up her strength beside. I have also found Vinol a most excellent tonic for keeping up the children's strength during a stage of whooping cough."

Vinol is a wonderful combination of two world-famed tonics—the medicinal body building elements of cod liver oil and iron for the blood, therefore it is a perfectly safe medicine for children, because it is not a patent medicine, everything in it is printed on every package, so mothers may know what they are giving their little ones.

Therefore we ask every mother of a weak, sickly or ailing child in this vicinity to try Vinol on our guarantee.

P. S. Our Saxo Salve is truly wonderful for Eczema. We guarantee it.

The Corner Drug Store, Hereford, Texas.

The State of Texas: To the Sheriff or any Constable of Deaf Smith County, Greeting.

You are hereby commanded that by making publication of this citation in some newspaper published in Deaf Smith County, Texas, for four weeks previous to the return day hereof, you summon William E. Richard, George Findlay, W. W. Ryan, Geo. G. Wright, John Mosness and the American-Canadian Land Company a partnership composed of Sam. S. Wright, J. W. Wright and E. Vanmetre, all of whom are non-residents of the State of Texas, to be and appear before the District Court of Deaf Smith County, Texas, at the next regular term thereof, to be holden at the court house of said county in Hereford, Texas, on the 4th day of May, 1914, then and there to answer the petition of The Capitol Freehold Land & Investment Company, Limited, as plaintiff, filed in said court on the 4th day of March, 1914, against William E. Richard, George Findlay, W. W. Ryan, Geo. G. Wright, John Mosness and the American Canadian Land Company, as defendants, said suit being No. 784. The nature of plaintiff's demand is as follows:

Suit to recover the amount due on two series of notes, each series consisting of nine separate notes, all dated March 13, 1907, executed by William E. Richard, each for the sum of \$208.00, bearing interest from date at the rate of six per cent per annum until maturity, and seven per cent thereafter, the notes of each series maturing one on the first day of November of each year for nine consecutive years beginning November 1, 1907, the annual interest payments due on said respective notes are evidenced by interest coupons, which interest coupons bear interest from maturity at the rate of seven per cent per annum; all of said principal notes and interest coupons were executed by the said William E. Richard payable to the order of himself, by him indorsed to the joint order of John V. Farwell, Jr. and W. J. Littlejohn, and by them indorsed without recourse to plaintiff. Plaintiff further alleges that the payment of said two series of notes is secured respectively by two certain deeds of trust in writing of even date with said notes, executed by said William E. Richard, wherein George Findlay is trustee, one of said deeds of trust to secure the payment of one of said series of notes conveying the SE 1/4 of Sec. 30, township 2 North, Range 4 East, of a Capitol Syndicate Subdivision situated in Deaf Smith and Parmer counties, Texas, and being a part of Capitol League No. 448; the other deed of trust securing the other series of notes conveying to George Findlay, Trustee, the SW 1/4 of said Section No. 30, situated in Deaf Smith and Parmer counties, Texas, and being a part of Capitol Leagues Nos. 448 and 449. Plaintiff further alleges that said two sets of notes were also given in part payment for the respective tracts of land described in said deeds of trust, and a vendor's lien was retained in the conveyance of such, executed by the Capitol Freehold Land & Investment Company, Limited, Sir William Quartus Ewart and Sir Herbert Eustace Maxwell as trustees, whereby they conveyed said land to the said William E. Richard.

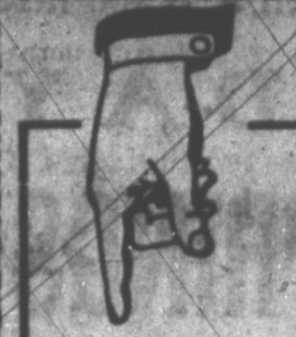

Plaintiff further alleges that the defendants W. W. Ryan and George G. Wright claim some interest in said land by reason of a deed of trust thereon executed by the said William E. Richard to secure the payment of certain indebtedness to the said George G. Wright. Also, that the American-Canadian Land Company executed and caused to be placed of record, a contract whereby said partnership purported to convey said land to John Mosness; that all of said respective claims, if any, are inferior to the superior lien and rights of the plaintiff.

Plaintiff alleges that no part of the principal or interest becoming due on said notes has been paid, except the interest becoming due November 1, 1907, and prays for judgment against William E. Richard for the amount of principal and interest due on said notes, with foreclosure against all of the defendants against said respective tracts of land.

Herein fail not, but have you before the next said regular term of this court, this writ with your return thereon, showing how you have executed the same.

Witness my hand and seal of office this the 4th day of March, A. D.
