AROUND TOWN

Sights and Faces Seen

The offices in E. B. Black Company have recently been remodeled, repainted and generally improved. In addition to painting the walls white with blue trimming, the ceiling has been painted blue; new wallpaper also contributes to the pleasing appearance. The furniture and shelving have been repainted, and pictures and marine mirrors adorn the walls. Beneath all of this is a linoleum rug on which is a complete map of the United States.

Mrs. Carl Wimberley of the Dawn community has recently written an article for a farm magazine. The story will appear in an early issue.

Mrs. Marie Carroll, veteran assistant in Dr. G. F. LeGrand's office, this week announced her resignation. She will be succeeded by Mrs. Mary Bruner, who comes here from Amarillo to accept the post.

Phyllis and Frances, twin daughters of Mr. and Mrs. Ullman Hunter of Jumbo, received a thrill Sunday afternoon when visiting in the E. M. Allen home. They learned that they had some name-sakes—twin baby calves which had just arrived on the Allen place. After taking a good look at the calves, someone asked if they saw any resemblance, and one answered, "Sure, 'cause one of 'ems lots bigger 'n the other one."

A familiar face around the court house during the past few days is that of Earl W. Wilson, who is acting County Judge during the illness of Judge Major Schroeter.

J. O. Turner Is Buried Friday in Canyon Cemetery

Funeral services for J. O. Turner, 79-year-old pioneer of Randall County, were held in Amarillo Saturday morning. Mr. Turner died here Friday, April 14, at the home of his daughter, Mrs. Ira Connell, where he has been ill since March 29.

Mr. Turner was widely known over the Panhandle, and had many friends among old timers in this area with whom he has been associated down through the years. He was born April 23, 1859, in Bell County, and when he reached the age of manhood, left to make his home in the Indian Territory, now known as the State of Oklahoma.

However, in 1900, Mr. Turner moved his cattle and possessions to a location near Canyon, Texas, settling on the Ceta Canyon, where the Baptist camp is now located. He paid \$2 an acre for the land and continued operating his ranch until 1927, when he retired.

He is survived by three sons, J. O. Jr., of Amarillo, O. T. of Flagstaff, Ariz., and B. F. of Ocala (Continued on Page 10, Sec. 1)

Softball League To Be Organized And Plans Formed At Meeting On April 28

Asking that all team captains and interested persons attend a general organization meeting for the softball league, Harold Close today said that the meeting is slated for April 28 at 8 o'clock in the City Hall.

He said that present plans to operate the league as last year, pointing out that an entrance fee of \$10 will be charged each team. He also said that the fee must be in the hands of Keller Muse, treasurer, not later than May 8.

League play is scheduled to begin Monday, May 15, and eight teams are expected to take part in the league this season, including: Firemen, Lion, E. C. A. M.

DELEGATION OF 600 IS EXPECTED TO ATTEND 2-DAY MEETING

With indications of attendance soaring far above expectations, committee members in charge of the Thirty-Sixth Annual Panhandle Association of Odd Fellows and Rebekahs said this week that they expected a delegation of 500 to 600 persons for the two-day session to be held in Hereford next Monday and Tuesday, April 24-25.

The Hereford I. O. O. F. and Rebekah lodges were this year honored as hosts for the annual meeting for the first time in 10 years, and are putting forth every effort to make the occasion an outstanding success.

Meet At City Hall

Headquarters for the meeting will be in the City Hall, where registration will begin at 9 o'clock. Officers of the Panhandle Association this year are: J. E. Rainey, Dalhart, president; C. M. Spencer, Amarillo, 1st vice-president; Mrs. Mary B. Weeks, Canyon, 2nd vice-president; Ivan Wilson, Amarillo, secretary-treasurer. Other than the City (Continued on Page 10, Sec. 1)

West Funeral Is Held Thursday

Funeral services for William Thomas West, 68, were held from the Baptist Church in Mobeetie, Texas, Thursday afternoon at 2 o'clock. Mr. West died at the home of his son, A. E. West, two miles north of Hereford at 8 o'clock Tuesday evening, following an illness of five months.

Mr. West was born in Kentucky on Nov. 20, 1870, and in 1907 moved to Wheeler County, where he lived until 1937, when he moved to the Helsenman community. He married Eliza Jane Webb in Montague County, but she died some 24 years ago.

He is survived by six sons, C. G. of Phoenix, Ariz., Louis of Post, Texas, A. A. of Pampa; B. A., A. E. and Floyd all of Hereford; also a daughter, Mrs. D. N. Gaskins of Hereford. He is survived by 29 grandchildren.

Services were held at Mobeetie by Rev. E. J. Morgan, and interment was made in the Wheeler cemetery.

SENIORS TO GIVE ANNUAL CLASS PLAY FRIDAY, APRIL 28

After three weeks of intensive practice, members of the senior class swung into final rehearsals for the annual class play. The play will this year be entitled, "Angel Unawares," and falls into the mystery-comedy division. It will be presented in the high school auditorium Friday evening, April 28, beginning at 8 o'clock.

Based upon the idea of a vacation, the play brings the leading characters into a summer home filled with strange incidents, mystery and robbery. The characters are stranded by a flood, the suspicious prowler elopes. Humor hits a peak when the group, clad in night clothes and armed with stove wood, pursue the prowler.

The cast includes: Floyd Ross, Mary Louise Dean, Faye Crosthwait, Kenneth Potter, Betty (Continued on Page 10, Sec. 1)

LOCAL STUDENTS WIN PLACES IN DISTRICT MEET

Competing in a field of students representing 12 counties, the Hereford representatives last Friday placed in several events in the district League meet at Canyon.

In the literary division the following places were reported: Boys' extemporaneous speech, Kenneth Potter, third place; girls' extemporaneous speech, Elizabeth Rice, third place; speechman, George McLean, second place.

In the athletic division J. C. Vaughn of Hereford took first place in the shot put event with a distance of 43.1 feet, and Helen Frances Streu was runner up in girls' tennis singles, losing the championship match to Nancy Binford of Vega. Grant Fuller, Jr., placed third in the golf division.

Probable European Power Lineup

Map shows current status of European powers forced by Italy-German aggression. Although Great Britain and France alone of the "allies" are permanently aligned against the Rome-Berlin axis, democracies won tentative solidarity agreements with Poland, Rumania and Greece, the latter a direct result of Mussolini's Albanian coup. Turkey and Soviet Russia, noncommittal at present, are also considered potential members of the "Stop Hitler" group. Yugoslavia, Hungary, Bulgaria and the Baltic nations have been neutralized by Germany and Italy, who count on Spain as an ally in any future European war.

Westway School Wins Honors In District Meet

SEVEN ENTRIES IN LEAGUE MEET ALL WIN PLACES

Friday and Saturday at the District Interscholastic League Meet at Canyon, the pupils from Westway school won a large share of honors by placing all seven of their entries.

In declamation, Roger Hartman won first place in the boys' division, and Wanda Marie Allmon took second place in the junior girls division.

In senior boys, Jack Allmon was placed first, and Vesta Mae Landers was second in the senior girls class.

In the Three-R, Nellie Ruth Tucker won second place. Nanette Little placed second in ready writers.

On Saturday, Edwin Skypala won first in the high jump and broad jump in the rural pentathlon, but in a three-way fight lost in total points 20-1-2 to 19 points.

The pupils were coached by Mr. and Mrs. F. W. Dodson, who accompanied the students to Canyon Friday and Saturday.

"The Westway school has persistently placed in the District Meet as well as having won the rural meet of this county by a large margin during the last six years. Regular school work is not (Continued on Page 10, Sec. 1)

Cattle In This Community Sold In Many States

BRUMLEY AND SON MARKET CATTLE; JOE EVANS PLACES STEERS

Cattle sales in this community again saw a flurry of activity during the past few days. While some of the sales were grade stock, a large number of registered cattle also found new homes in Old Mexico and Georgia.

Buyers In Georgia

Probably more sales have been made by Brumley & Son than any other individual. Several weeks ago Mr. Brumley placed 40 head of registered stock, including 25 cows, young bulls and heifers, in Georgia. The sale was made through O. E. Sherman. Last Sunday Mr. Sherman returned from another trip to Georgia, where he delivered 26 head of registered stock from the Chas. Williams Ranch; this consignment included 20 herd heifers and six bulls. Both cars of cattle went to Paul Jones of Canton, Ga., located 40 miles north of Atlanta. Bobby Jones, the world famous golfer, is a nephew of Paul Jones, who has extensive interests over the entire state and who is planning to increase his already large Hereford ranch.

The past few days marked sale of 130 head of yearling bulls to residents of Old Mexico. The bulls were all of registered class and averaged more than \$100 a head. The sales were made through Ezra Norton, whose cousin, E. I. Norton, accompanied a group of ranchmen from Chihuahua, Mexico here for the purchase of quality bulls. Two cars were sold to Quedera Brothers; the cattle went from the ranches of Lee Cocanougher, Ezra Norton, and Chas. Mapes. E. I. Norton bought 15 bulls and two cows from Brumley and Son to stock his ranch in Mexico; Maxian Carillo bought 15 bulls from the Brumley and Son Ranch; Harry Bradford was also a heavy buyer, taking 12 bulls from the ranch of Mrs. L. R. Bradley, 16 from the J. A. Pitman place, and one from H. H. Miller of Dawn; Pete Reynolds, another of the group, bought three bulls from the D. L. McDonald farms at \$900 for the three. This sale marks several years of trading by residents of the Chihuahua country with local stockmen.

Another sale of note was 300 yearling calves of the grade class, delivered by Brumley & Son to the Milky Way Candy Co., located in Tennessee. The steers averaged 613 pounds and all brought 10 cents a pound; they were delivered Saturday.

Summerfield Pens

An event of interest was the loading of 700 yearling steers from the new stock pens at Summerfield. The steers averaged around \$50 a head, and had shown a gain of around 200 lbs. while in the Evans feeding pens. H. D. Porter and Son, who purchased the cattle, reported them as one of the best bunches of feeders they have bought in the Panhandle in recent years. C. C. Ferguson acted as commission man.

An encouraging note in the cattle business is the fact that many new faces are seen among (Continued on Page 10, Sec. 1)

SIX STUDENTS ON TECH HONOR ROLL FROM THIS AREA

Notice from Texas Technological College, Lubbock, this week listed six students from this area who placed on the semester honor roll. Four of the group maintained an average of "B" and the other two were listed with "A" averages.

Those who made "B's" were: Mrs. Christine Henslee, daughter of Mrs. Edna Fincher; Virginia; Mrs. G. A. Fuller; Miss Lovie Beavers, daughter of Rev. and Mrs. M. M. Beavers, and Berry Orr Jacobsen son of Mr. and Mrs. John N. Jacobsen.

The two students who maintained the "A" rating were: Mary Jane Morgan, daughter of Mrs. Cooper Morgan, and George H. Conklin, son of Mr. and Mrs. Lee R. Conklin.

Biblical Play Will Be Given Here April 21

"RELEASE" TO BE SPONSORED BY AMARILLO DRAMATIC GROUP

"Release," a Biblical drama by Dorothy Clarke Wilson, will be presented at the Hereford Christian Church next Friday night, April 21, at 8 o'clock. It was today announced by Rev. H. M. Redford, pastor, who said that the church was fortunate in being able to bring the outstanding presentation to this city.

The play will be presented by the dramatic club of the First Christian Church of Amarillo. W. O. Budd, a member of the Amarillo Little Theatre, is director of the play and will take the leading role of Bar Abbas. WESTWAY TO GIVE ANNUAL CLASS PLAY FRIDAY, APRIL 28

High school students of Westway are busy preparing "Beads on a String," a three-act play which will be presented at the school Friday night, April 28.

The play, a comedy-drama, deals with a family in strained circumstances, and the daughter who seeks to receive an inheritance. Many ticklish situations occur, while the comedy is derived from a hick detective and negro maid.

Entertainment between acts will feature Kenneth Williams, a boy dancer from Lubbock, who has won more amateur dancing contests than any other youngster in the Southwest. A couple of school kids in old time attire will do a skit, "When Pa Was Courtin' Ma," and a quartet will present two numbers. Sponsors invited the public to attend, pointing out that Westway is noted for its excellent programs.

Rural Communities, Merchants And Clubs To Start On Pioneer Day Floats

With the Pioneer Day celebration less than three weeks away, members of the parade committee this week appealed to merchants organizations and rural communities to begin planning now for floats to be entered in the big, annual Pioneer Day parade.

The committee includes Fred Hood, Bill Smith and Frank Cogdell, who said that several unique floats have already been arranged for the general division of the parade. A special invitation was extended to all rural communities to enter floats, and organizations were again appealed to enter floats.

"We are also anxious to have some unusual floats representing various business firms," they said. "A good parade is essential in starting the day off right—and we are expecting some floats of outstanding merit from the merchants. Now is the time to begin planning and working on your float."

HOPPERS EXPECTED TO BEGIN HATCHING HERE AROUND MAY 1

"Free grasshopper bait while it lasts," is the first step advocated in the fight on hopper infestation in this area, and present indications are that the "grasshopper war" will open here around May 1. Experts after viewing egg deposits have indicated that most of the 'hoppers will hatch within two weeks—and declare that tremendous damage will result in this area if immediate steps are not taken to curb their spread.

Ready to Start

So alarmed were extension leaders upon recently visiting this area and making inspections that they took immediate steps toward furnishing all of the poison bait instead of only half, as furnished last year. The mixing station has been already set up in the Bull Barn, and is ready to go into operation on 10-minute notice.

Acting in co-operation with the extension service, the county will furnish a WPA mixing crew in the barn and has already formed control committees. The County Control Committee consists of Floyd Tomlinson, Dawn, chairman, Noah Ewton and J. C. Winfrey. The Ford Committee consists of Mal Stewart, chairman, J. R. Overstreet, and Jim White; Bippus Committee, Marvin Morrison, chairman, Dick Kemp and Alton Biggers; Fairview Committee, H. G. Conkright, chairman, Bob Campbell and Jim White.

Need Information

Jim Lipscomb is also employed to check on grasshopper eggs and their location. He reported Wednesday that he has already located some 15 large beds of eggs, each of which contain literally millions of 'hoppers—and anyone of which beds could clean out the entire county should it be allowed to spread. An appeal was made to all farmers and ranchers to make close inspection of their land for these beds, and to report their location to Mr. Lipscomb, or to any member of the committees listed above.

In reference to the 'hoppers, A. R. Bateman, county agent, today said that when the young 'hoppers hatch out they will remain in the area of the hatching grounds for six weeks until their wings have grown out. It is during the three-day period later that they do most extensive damage.

"It is during this period that we must poison them if the campaign is to be effective," he declared. "It is to the interests of every person in the county to keep a sharp lookout for the hatching grasshoppers and to take immediate steps to eliminate them."

the meeting over to Miss Sadie Lee Oliver, CHOA, who gave interesting reports and announcements. Ward improvement was the subject, and with the assistance of J. L. Hight, Fred

Brunson and some of the ladies present, Miss Oliver gave a demonstration of setting out a native grass lawn. She also distributed canna bulbs and other flowers among ladies present, and tomato seed, yeast foam and a book called "The Art of Making Good Bread in the Home."

The next regular meeting will be in the home of Mrs. J. L. Hight, May 17.

Easter Items

MRS. CARL FRYE

The Prairie Rustlers Union, which includes organizations from Hereford, Dimmitt, Bovina, Yriona, Bethel, Jumbo and Easter, met at the Easter school last Thursday evening with all communities represented except Bovina. With Mrs. Joe Gollehon in charge, Dimmitt gave an excellent program. One of the main features was a pantomime. At the close of the program Jumbo and Easter organizations served refreshments of pie a la mode to 80 guests.

Easter won the banner for the month.

Attendance at Sunday School was 32. There was no meeting of the young people Sunday evening, since they went to Bethel. Those going to Bethel were Misses Vay Allen, Joyce Carter, Daphne Brally, Annie Mae Smith, Ben Medly, Boyce Carter, and Mr. and Mrs. M. T. Sparkman.

A good crowd attended the community "tacky" party Friday evening. Mrs. Frank Allen and Allen Parker won the prize as the tackiest couple present. Refreshments of coffee, doughnuts and cookies were served.

Mr. and Mrs. Harland Frye attended the pie supper at Frio, Friday evening.

Mr. and Mrs. E. O. Dixon and William visited with friends near Muleshoe, Sunday.

Mr. and Mrs. Sam Hunter and children and Phillips and Frances Hunter of Jumbo, visited in the

Sadie Hawkins Day Is Comin'

The F. H. T. Club met April 12, at 7:00 o'clock to finish the "Sadie Hawkins' Day" preparations. Ann Cockrell gave the rules of the "to-be-memorial" day of Hereford High School. Each student is to abide by the following, to get her man:

1. Each student must dress in hill-billy clothes on Thursday, April 27, 1939.
2. All girls must ask for dates. She must "foot" the bills.
3. All girls must walk on the outside of the street, open all doors, and throw her coat across the mud puddle, if necessary in order to escort the boy across the street.
4. Girls must call for the boy at his home and supply transportation, if any is needed.
5. Girls must take the boys home at a reasonable time of night.
6. The boys must bring a paper sack supper to the gym, where the girls will buy the sacks. The four Lil' Abners sacks of each class will have to go at sky-high prices.
7. All girls or boys found disobeying these rules will be fined one to fifteen cents by the official group that has been arranged for this purpose.

The Rules for the Classes

1. Each class will elect a Daisy Mae and Lil' Abner and be responsible for a five minute program in assembly in order to introduce and advertise their respective candidates.
2. Each class is at free will to raise money in any way they see fit in order to elect the can-

SENIORS BUSY ON PLAY

"Angel Unawares," the Senior Play, is a light mystery-comedy The Dawsons, coming to their summer cottage for peace and quiet, walk right into everything else but. They are marooned by flood, Mrs. Dawson's diamonds disappear, the caretaker is strangely companionable with the superstitious prowler, and Sandra clothes! In one of the funniest scenes, each member of the family deserts crackers and coffee to eat hard-boiled eggs with bill. In another, they pursue the prowler, clad in their night clothes and armed with stove wood.

The cast: Mr. Dawson, the father of the family, Floyd Ross. Mrs. Dawson, who rules, Mary Louise Dean.

Sandra Dawson, an attractive girl about twenty, Faye Crosthwait.

Edgar Dawson, who has reached the stage in his education when everybody bores him, Kenneth Potter.

Roberta Dawson, (Bobbie), who should have been a boy, Betty Cockrell.

Winfred Dawson, (Winkie) slightly younger than Roberta, Edith Jackson.

Jane, the maid, Caroline Frye. Bud, a tall attractive man, about twenty-six, Paul Foster.

Bill, a tall, awkward, rather uncouth man about forty, Bill Boyer.

Deputy Sheriff, Clinton Massie.

The program concluded by a talk on "Styles of 1939" given by Betty Jane Rolloson.

BOYS' HI-Y MEETS ON TUESDAY

Boys' Hi-Y was called to order by George McLean who turned the meeting over to the program chairman.

The program started with a devotional which lead up to the subject for the evening, vocations. The boys are starting a months study on vocations and they plan to profit from the study. At each meeting there will be a speaker from some selected vocation. Next week the boys plan to have an aviation talk. The talk on the general topic of vocation, given by R. L. Dowell was enjoyed by all. Following the talk the boys discussed different vocations to their interest. The rest of the meeting was used for the weekly business.

The boys plan to attend Foster's Cafe Friday and they are to finance their own meal. This is expected to be enjoyed by the boys, as well as being educational. Plans for the annual "Mother and Son Banquet" which is to be held some time in May, were started.

Business items having been attended to, the club was officially adjourned.

About thirty of the Sophomore class met at the High School April 13, 1939, at five o'clock to go on their long planned hay-ride. They drove to the State Park and played baseball before the refreshments were served. At about six-thirty, the cry was heard, "Let's eat!" So they ate. Sandwiches, potato chips, and ice cream were served. After laughing and joking the remarkable Sophomore class went home between seven and seven-thirty. We Juniors call this class remarkable because the Sophomores of today are the Juniors of tomorrow. We hope they will live up to the Junior name.

The seniors announced their candidate for "Sadie Hawkins Day," they are Virginia East for "aisy Mae" and Andy Schumacher for "Lil' Abner." They planned their program to be given that day.

The greatest surprise and shock of the day came next. The seniors received their report cards. The rest of the period was spent by comparing grades and "gripping" about the ones they received.

Hereford Enters District Meet

Finals in the tennis and athletic contests were run off at Buffalo Field during the District Interscholastic League meet at Canyon, Saturday, April 15.

Contestants from Hereford in tennis, were: girls singles, Helen Francis Streu; boys doubles, Morris Easley and Bud Wilkins; boys singles, Earl Turner.

Helen Francis Streu competed in the finals but was defeated by the Vega entry. Morris Easley and Bud Wilkins won their first match but were defeated in their second by the Amarillo entries. Earl Turner was defeated in his first match by the Oklahoma Lane entry.

Entries in the field events, were: J. C. Vaughn in the shot put, and Joe L. Hamilton in the 440-yard run. J. C. Vaughn placed first by putting the shot 41 feet and 1 inch. Joe L. Hamilton failed to place in the quarter mile.

Grant Fuller placed third in the golf match Friday by shooting an 87. The winning Amarillo entries placed first and second, shooting na 81 and 85 respectively.

J. C. Vaughn and Grant Fuller will participate in the Regional meet at Canyon, Saturday.

In the literary events our one-act play won fourth; Kenneth Potter, extemporaneous speaker, third; Elizabeth Rice, extemporaneous speaker, third; L. C. Hewitt, declaimer, third in his division; George McLean, second in Spanish (he received an attractive medal). There were various other contestants from Hereford but none of them placed. Out debate teams both went into the semi-finals, having won their first debates, but both were defeated in the second debates. Also, there were entries in the typing divisions.

It Happened at Home

Above may be seen L. L. CANNON of Summerfield, on his 1927 FARMALL Tractor, purchased from Rosson Implement Co. This tractor has been in continuous use since it was bought. During the summer Mr. Cannon plows, plants and cultivates with his tractor; in the winter, he grinds feed for 48 head of straight linebred Anxiety 4th Herefords. He is now building a modern 5-room home with full basement, on his farm, located one mile west of Summerfield. He always welcomes visitors.

The Far-Sighted Farmers of Today buy Tractors for use over a long period of time — such as the McCormick-Deering Farmall used by Mr. Cannon.

By Jimmie Gillentine

I sure have to hand it to the gang in the county agent's office for being good sports. Criticism always rubs a fellow the wrong way, and I thought that they would be mad as hornets after what I said about them last week. I still think that they were a little peevish, but they didn't show it at all and they treated me very nice.

Here's what a fellow who asked that his name not be used, told me about the situation. He said due to the new regulations this year that no company or organization can get over \$10,000 in conservation money—no matter how much land they may have. Due to the large amount of non-resident land in this county, some of which is held by large companies, a double check had to be made on a lot of the acreage here; furthermore, a large number of non-residents, to whom application forms were sent, delayed in returning them to the office; several others filled out their forms wrong or detached necessary papers. Some did both—and this has caused considerable delay.

However, the big thing he pointed out was the fact that the delay has made the county around \$50,000 in extra payments. This came as the result of a re-adjustment of base acreage and "per acre" payment scale for every one, and he says it took something like 30 days to re-ramp and change the material.

I asked Mr. Bateman about this and he said that he isn't out to make any alibis. However, he seemed very anxious to get the checks here. The office gang is and has been doing a lot of night work. I also understand via of the grapevine that Mr. Bateman is going to College Station within the next few days in an effort to expedite delivery of the checks into this county. I definitely look for the first batch of checks within 10 days—maybe sooner. However, they will not likely come in a big wad; probably a small group at first, followed by others. I understand that it has been two weeks since Randall County got their first small batch—and no more since that time. Anyway, that's how it usually goes. So don't get your hopes too high.

Folks, I sure don't know how the above dope really and truly stacks up, but it should make good reading matter, especially if you are waiting for a wheat check—and finding good reading matter is how I make a living.

Now for the big Bicycle-Horse race. Tommy Wilson and John Douglas Pittman are both ready to go. It's a case of the "Machine Age vs. the Cowboy's Pal—his Horse." Will the rugged West triumph over the creation of Yankee cunning? What I like about the whole thing is the clean, sportsmanlike attitude that both the boys are taking. They are sure fine boys—and I hate to see either of them lose. Anyway, it will be lots of fun and you are invited. The race begins at 9 o'clock next Saturday morning, April 22. First prize, a Baby Brownie Camera to be given by Halle Drug; consolation prize, a box of printed stationery, courtesy The Hereford Brand; both boys will also receive each of the following: a big, chicken dinner immediately following the race, courtesy of Flowers Cafe, and all of the ice cream sodas they can drink during Sunday, April 23, courtesy Close Drug.

Here's a good question which comes from Elmer Patterson, "Does Hereford have an official brand (other than the paper?) He thinks that the town should have a regular brand, like a ranch—and it seems like a good idea. A sort of official insignia, like the good old American Eagle, Hitler's Swastika, or Boston's famous beans.

We've been mighty busy around The Brand office the past few days getting ready for the Pioneer Edition. Right now I would like to salute the 4-H boys and their sponsors, to place emphasis on the new 180-mile REA project in Parmer County, and to dwell on the fishing season which has been changed to open here May 1 instead of June 1. However, due to the general rush here's some dope which Fred Hood found and which is probably better than I could write anyway.

The following list is from reports made out by social service investigators among families of Illinois. Each item regards what the worker said about a different family, after making his inspection:

- "Woman and household neat, but bare.
- "Woman is skiving for an illness.
- "Couple breaking up home, friends helping.
- "Milk needed for baby, and

father is unable to supply it. "Until a year ago this applicant delivered ice, and was a man of affairs. "Couple have been completely stripped. Now are barely able to get along. "These people are extremely cultured. Something should be done about their condition. "Man aggressive. Has nine children. "Applicant took job as janitor in home for working girls—lasted three weeks. "Nice quiet family. Dorothy has been out since July. "Man hit by automobile—speaks broken English. "The woman is ill. She is being treated. The gas has been turned off. "Woman says husband has illness that sounds like arthritis. I think she said arthrititis. "Saw mother and child—evidence of father. "Good type of American family—appeared refined, but intelligent."

And there are a lot more equally as good. All literary gems. All of which shows what you might get into if you were working for the government... and what a misplaced phrase can do to the meaning of a statement.

Father of Reed Williams Dies

Funeral services for W. T. Williams, 85, father of Reed Williams of this city, were held Tuesday afternoon, April 18, at Carlton, Texas. Mr. and Mrs. Williams last Wednesday went to Carlton, but Mrs. Williams returned here to assume her duties as postmistress this week. Mr. Williams, who was there when his father died, returned here Wednesday night.

W. T. Williams was a pioneer resident of Bosque County. He is survived by four sons, Roy, Luma, Gordon and Reed, all except Reed reside in Central Texas; two daughters, Mrs. Louise Nelson and Mrs. David Sparks, both of Central Texas.

Dawn Items

(13 miles east)
MRS. JESS CALDWELL
A number of Dawn ladies met Tuesday at the home of Mrs. L. A. Smith for the purpose of making capes for the Dawn school rhythm band. A covered dish luncheon was enjoyed at the noon hour. Those present included Mesdames A. T. Frye, Mart Burum, H. E. Miller, Murphy, W. P. Caraway and L. A. Smith.
Mr. and Mrs. Arnold Hershby of Progressive spent Sunday evening in the Jess Caldwell home.
The Dawn Home Demonstration Club members held their regular meeting on Wednesday, April 12, at the home of Mrs. W. A. May, with Miss Sadie Lee Oliver, CHDA, present. Lawn plans was the chief topic of the afternoon's discussion. There were eleven members and one visitor present. The next meeting of the club will be held at the home of Mrs. R. A. Frye. "Tempting Salads" will be the subject of the program.

Mr. and Mrs. William Wimberley spent the week-end at Kress, with Mrs. Wimberley's sister, Mrs. Harrison Axtell and Mr. Axtell.

Members of the Kinozellan Sunday School class of the Baptist Church of Hereford, held an all-day meeting at the home of Mrs. Johnnie Womble last Wednesday. There were nine present to enjoy the occasion.
Mr. and Mrs. Vernon Baker and son of Hereford spent last Thursday in the W. W. Wimberley home.

Rev. Barnes of Hereford visited in the W. A. May home one day last week.

A large crowd enjoyed the community night program at the school house, Friday night. A number of visitors from Hereford were present. Rev. H. M. Redford, local pastor of the Hereford Christian Church, gave an interesting talk which had as its substance, "Is there a future for Democracy?" A talk on Co-operation Elevators was made by Mr. Triplett of Hale Center.

Two numbers by the Dawn rhythm band, directed by Mrs. C. A. Wimberley concluded the program. The rhythm band members wore their new capes for the first time. They are green and gold. This was their first public performance and their rendition was thoroughly enjoyed by the audience. After the program the men of the community held a discussion of possibilities for a co-operative elevator. They plan another meeting sometime in the near future.

The Dawn community club will hold its next regular meeting Friday, May 5.

Mr. and Mrs. Otto Samuelson and children of Canyon, visited in the Jess Caldwell home Sunday evening. They were on their return from a week-end visit in the Lyle Blanton home in Hereford. Mr. Samuelson transacted business there, also at Friona and other points.

Mr. and Mrs. Carl Wimberley are proud of the windbreak which they have nearly completed on their home, just west of Dawn. The four hundred feet of windbreak consists of three rows, two of Chinese elms, one of Tamarix. They plan to complete the windbreak next year by planting fruit trees in the space next to the house. Mrs. Wimberley also has out all of her foundation plantings, except evergreen, which includes a large number and variety of perennials of hardy growth. Mrs. Wimberley is an active and interested member of the Dawn Home Demonstration club and is the first in this community to have her windbreak ready for inspection. A number of others have plans underway but none have been completed yet.

In spite of the fact that a reasonable amount of moisture has been received here in the past week, some farmers have again started their irrigation wells.

Because of the District League meet at Canyon, pupils and teachers enjoyed two half-holidays the past week, Friday and Saturday afternoons.

Home Demonstration News Notes

By MISS SADIE LEE OLIVER, HDA, Deaf Smith County

"We listened to the radio program when Wilma Jean gave a reading. Our teacher, Mr. E. S. West brought his radio to the school house because three Dawn people were on the program," was the report made when the Dawn 4-H Club met on April 12. Each girl present figured how much food her family would need in a year to supply the moderate cost adequate diet listed in the "Texas

Food Standard." They also figured the number of row-feet needed in a garden for their family if 700 feet is planted for each member of the family.

The selection of a sponsor was discussed.

Members present, were Marcela Luke, Doris Smith, Mary Olive Frye, Wilma Jean Miller and Lillian Burum. Visitors were Ida Khules and Viola Mariner.

BAPTIST CHURCH NEWS
There were 312 in Sunday School last Sunday and a good attendance at both preaching services and BTU. There were seven additions to the church at the morning hour. Twenty-six were baptized at the night service and there will be another baptismal service next Sunday night for those who could not be present last Sunday. There have been 57 additions in the last four Sundays, including the revival and we should be very thankful for them and for God's work among us.

The pastor plans to preach next Sunday on The Hebrew Tragedy, using John Chapter I as a basis. At the evening hour the subject will be The Test and the Reward of Love for Christ, based on John 14. We invite all who will to read these chapters and unite with us in worship.
We are planning for a week of Bible Study using the book "From Bethlehem to Olivet by Height," by C. Moore, as a guide. Announcements will be made about it Sunday. Bible Study, prayer, church attendance regularly and Christian service enable Christians to grow. Let's meet the conditions.

LAWN PLANTING DISCUSSED FOR HOME DEMONSTRATION CLUB
For a minimum of water and labor, native buffalo grass makes

the most satisfactory lawn," stated Miss Sadie Lee Oliver, CHDA, at the meeting of the Dawn Home Demonstration Club held Wednesday, April 12, at the home of Mrs. W. A. May.
"Blue grass makes a beautiful lawn and stays green longest, but requires a great deal of water and labor. Bermuda is inclined to winter freeze unless kept well watered, particularly the narrow variety. Native buffalo grass is popular in this region because it is hardy, easy to mow, requires little water and spreads rapidly. Clumps of grass four inches square are most satisfactory for sodding. Mowing makes it spread more rapidly and the ground should not be kept too wet. For any lawn the ground should be well plowed, leveled and settled before planting," said Miss Oliver.

During the business meeting Mrs. W. P. Caraway, Mrs. H. E. Miller and Mrs. Don Fleming were selected for home food supply demonstrators. Mrs. J. Fields Matthews was chosen sponsor for the Dawn 4-H Girls Club.

Those present, were Mesdames R. A. Frye, William Wimberley, Iverson Leake, L. A. Smith, Mart Burum, Carl Wimberley, W. P. Caraway, H. E. Miller, Don Fleming, Mrs. J. F. Matthews, Miss Oliver, and Mrs. May.

CLUB WOMEN STUDY INTERIOR DECORATION
Members of the Lone Star Study Club heard an interesting program on "Interior Decoration" at the Monday afternoon meeting, held at the home of Mrs. M. O. Green.

Mrs. Robert Thompson read a paper prepared by Mrs. Owen Stagner on "Style in Your Draperies."

Mrs. Charles Sowell spoke on "Earmarks of Good Furniture," dealing for the most part with period furniture, explaining rules to be observed in judging furniture and discussing types of furniture from a substantial standpoint.

Mrs. E. W. Young, president, conducted the business meeting and Mrs. Louie LeGrand, incoming president, appointed standing committees.

Members voted to contribute to the Pennybacker Memorial fund. The next meeting will be held at the home of Mrs. C. O. Phillips with Mrs. E. W. Young, assistant hostess.
Attending the meeting were

Mesdames J. D. Neill, A. Petersen, Ellis Coombes, B. R. Dixon, E. W. Young, Lawrence Womble, Ralph White, Robert Thompson, Charles Sowell, Earl Phillips, Tom Major, Elmo Lawhon, Joe Kendall, C. O. Phillips, Jim Higgins, Louie LeGrand, Jack Grady, H. A. Close, R. G. Blue and the hostess.

POLLYANNA CIRCLE HAS FRIDAY MEETING

A meeting of Pollyanna Circle of the Methodist Woman's Missionary Society was held Friday afternoon at the home of Mrs. Alice Sweigart.
Mrs. M. L. Steele, sponsor, opened the program with a talk and prayer followed by a vocal solo and an Easter prayer given by Mrs. B. M. Wiltshire and Mrs. J. B. Hammer.

The devotional, taken from the 19th Chapter of John, was read and discussed by the group. After a prayer offered by Mrs. J. E. Beyer, the story of the first Easter was told by Mrs. C. B. Williams. The concluding numbers on the program was a duet sung by Mrs. J. E. Beyer and Mrs. A. C. Thompson, followed by a prayer given by Mrs. W. B. Anthony.

Refreshments carried out an Easter theme with Easter egg boats wrapped in green cellophane, with pink and green sails, given as favors.

Those present were Mesdames M. E. White, L. J. Bennett, F. I. Greer, Mary Cox, W. B. Anthony, L. A. Petrie, Olive Smith, Troy Womble, Cliff Hicks, I. H. Spratt, A. L. Thomas, E. J. Hudson, Ida Mae Rogers, W. A. Allen, J. E. Beyer, C. B. Williams, A. C. Thompson, Minnie Ruhl, Wes Bradley, George Smith, B. M. Wiltshire, M. L. Steele, Little Bobby Hicks and Billy Jo Hudspeth and the hostess.

TEXAS MUSIC IS STUDIED BY CLUB

A variety of different types of music was presented on the "Texas Music" program Monday afternoon at the meeting held at the home of Mrs. Glenn Snyder. Mrs. B. M. Wiltshire was leader.

Three postponed numbers were given before the regular program. Mrs. Homer Fox sang an (a) and (b) number, "Puva" (Indian Lullaby), Mana Zuca, and "A Morning Walk," Frankel. Mrs. J. C. McCracken played "España," by Chabrier.

Mrs. W. E. Dameron, president, presided over the business meeting and appointed the following committees: Yearbook, Mrs. W. J. Stanford and Mrs. B. M. Wiltshire; Study Program, Mrs. C. C. Acker and Eloyse Pitman; Voice, Mrs. C. J. Mountz and Mrs. A. J. Schroeter; Piano, Mrs. Glenn Snyder and Mrs. C. E. Dyer; Coral, Mrs. J. C. McCracken and Mrs. Homer Fox.

Plans were made for the club's annual contribution to Music Week. This year members of the club will form four sextettes, each group to furnish the music at a local church on Sunday, May 7. The club will also furnish the music for the County Federation of Women's Clubs meet

which will be held on Friday, May 5.

For the Texas program Miss Mattie Mae Swisher gave the opening selection. She sang "Call of the Hills," by Fox, accompanied by Mrs. G. A. F. Parker; Mrs. B. M. Wiltshire sang "Wild Geese," by Fox, accompanied by Mrs. J. C. McCracken; Mrs. G. A. F. Parker played "Campfire Stampede" from "Western Suite" (Britain) as a piano solo; accompanied by Mrs. McCracken at the piano and Mrs. A. C. Thompson on the violin. Mrs. B. M. Wiltshire sang "Marking On" (Britain) as the concluding number.

Those present, were Mesdames C. C. Acker, H. L. Broadwell, Troys Carmichael, W. E. Dameron, C. H. Dyer, C. C. Ferguson, H. K. Fox, J. C. McCracken, G. A. F. Parker, Wiley Roberson, S. P. Rosson, C. R. Smith, A. C. Thompson, A. O. Thompson, O. T. Williams, B. M. Wiltshire, Misses Ruth Conkwright, Eloyse Pitman, Mattie Mae Swisher and the hostess.

MRS. GUTHRIE HONORED AT SEATED TEA

Mrs. B. F. Guthrie, who has spent the past two years in Redondo Beach, Calif. and who has been looking after business interests here for the past month, was named the honor guest at a lovely seated tea given Tuesday afternoon by Mesdames John F. Slaton and Bob Wilson, at the Slaton home.

Spring blossoms in bouquet arrangements were used everywhere about the entertaining room. White violets, spring time apple blossoms and cherry blossoms furnished an old-fashioned setting in decorations aided by deep bowls of ruby-red tulips.

The honoree was presented with a corsage fashioned from white and purple violets. White violets were used as plate favors.

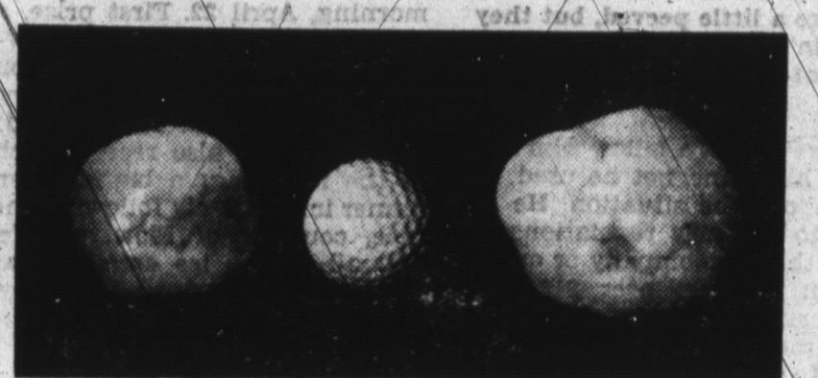

Guests included old friends of Mrs. Guthrie's and a "talk fest," when past good times together were reviewed, was enjoyed.

Invitations included Mesdames G. A. F. Parker, Harry Seed, J. B. Stoker, John McLean, E. W. Harrison, A. M. Jones, F. M. Kes-
ter, F. T. Rolson, G. W. Heard, H. L. Broadwell, O. G. Hill, W. E. Dameron, Carl Cockrell, C. H. Dyer, Ray Barber and Ralph Barnett.

Mesdames LeGrand Are Hostesses At Announcement Party Saturday

Announcement cards bearing the inscription "Mary Lee and Robert, April 18," revealed the approaching marriage of Miss Mary Lee Alexander, daughter of Mr. and Mrs. W. L. Alexander, to Mr. Robert Singer, son of Mr. and Mrs. T. A. Singer of Dimmitt, when Mrs. George LeGrand and Mrs. Louie LeGrand entertained with an afternoon party Saturday at the Louie LeGrand home.

Spring blooms in appropriate containers were used throughout the house in decoration. During the afternoon Nadine Newell entertained with several vocal numbers, accompanied at the piano by Mrs. Clay Ridgway. A clever contest, telling the story of a wedding with names of flowers was enjoyed. An added feature of entertainment was the shower of gifts presented to the honoree. Attractively wrapped gift packages on the dining table were covered to resemble a large wedding cake. When the bride-elect was asked to cut the cake the shower was revealed.

The refreshment-plate carried out a pink and white color theme. Favors were bouquets of pink-petaled sweet peas fastened to the announcement cards.

The hostesses were assisted by Mrs. Edgar Moseley.

Those present included Mesdames S. P. Rosson, Beatrice Parker, Clay Ridgway, Robert Campbell, George Beams, Cecil Guseman, W. E. Barnes, George Brumley, C. F. Moore, T. A. Singer of Dimmitt, A. R. Posey, W. L. Alexander, Edgar Moseley, Misses Helen Danforth, Anna Mae Danforth, Rena Alfred and Maxine Galtner of Amarillo, Nadine Newell, the honoree and the hostesses.

Those sending gifts who were unable to attend, included Mesdames C. E. Beauford, El Orr, H. G. Conkright, Glenn Weir, A. D. Godwin, J. N. Campbell of Dimmitt, D. C. Holder of Blytheville, Ark., Miss Ruth Conkright and Miss Jerry Medlin.

He helps Texans telephone

4 1/2 million times a day

This telephone man helps clear the way for more than 4 1/2 million calls that surge each day through the network of Bell telephone wires in Texas.

It's a big job, handling more than 4 1/2 million tailor-made telephone calls a day. It takes millions of dollars in telephone equipment. It takes the skilled work of 8,700 telephone people. And it takes money... more than 2 1/2 million dollars spent by the telephone company last year to operate its business in Texas. Of this amount, more than 10 million dollars went for wages... nearly 5 million dollars for taxes.

People at work in Texas... money spent in Texas... to give you swift, accurate, courteous telephone service at a reasonable price.

CONOCO GERM PROCESSED OIL
from Your Mileage Merchant

How the *plus* of OIL-PLATING brings you more than an oil-change

YOU know right off that the fresh oil needed in your crankcase today, isn't to lubricate the crankcase. Either your oil is in the bearings and up to the cylinder head every turn of your engine, or your lubrication isn't 100%.

Now what's the chance for any of the general run of oils to stay up while you've parked the car, for instance? Just about as much chance as there is for a geyser to stay up all by itself! Then every time you start, don't pistons get up to the top before oil gets up from the crankcase? You kill that risk by changing now to OIL-PLATING.

The "magnetic action" of Conoco Germ Processed oil—patented—makes OIL-PLATING stay on inner engine surfaces throughout all your stops, starts and runs this Summer. Your Germ Processed oil keeps a steady hold on the "Full" mark, too, as you'll see—by changing today to Your Mileage Merchant. Continental Oil Company

MISS MARY LEE ALEXANDER IS MARRIED TO ROBERT SINGER

Miss Mary Lee Alexander, daughter of Mr. and Mrs. W. L. Alexander, and Robert Singer, son of Mr. and Mrs. T. A. Singer of Dimmitt, were married Tuesday afternoon at the home of the bride's parents, in a ring ceremony attended only by close friends and members of the families.

Rev. W. E. Barnes, pastor of the First Baptist Church, read the rites as the couple stood before an improvised altar banked with ferns, carnations and sweet peas.

The bride wore a cyclamen crepe dress combined with fuchsia made with flared skirt and draped bodice, navy blue accessories and a corsage of sweet-heart roses.

Her sister, Mrs. D. C. Helder, her only attendant, wore a green crepe dress, gold accessories and a corsage of pastel shaded sweet peas.

Mr. Alvin Hastings of Dimmitt served as best man.

After the ceremony refreshments were served from a table covered with an Irish lace cloth and decorated with cut-flowers. Mrs. D. C. Helder presided at the wedding cake which was topped with a miniature bride and groom and decorated with pink rosebuds. Miss Juanita Singer, sister of the groom, presided at the punch bowl.

Out-of-town wedding guests included Mrs. T. A. Singer, Elton Singer, Juanita Singer, Jimmy Singer, Nevt Miller, all of Dimmitt, and Mr. and Mrs. D. C. Helder and daughter, Beverly Ann, of Blytheville, Ark.

Mrs. Singer is a graduate of Hereford High School and has been an active worker in the First Baptist Church.

After graduating from Dimmitt High School Mr. Singer attended Texas Tech and the University of Texas.

The couple left after the ceremony for Lubbock where they will make their home. Mr. Singer is assistant manager of the Echols Drug Store.

L. A. E. CLUB IS ENTERTAINED AT ARLIE DEAN HOME

Members of the L. A. E. Club were entertained at the country home of Mrs. Arlie Dean, Tuesday afternoon.

After roll-call an interesting book review furnished the program for the afternoon. Mrs. Wiley Roberson gave a complete resume of "Return to Religion," by Dr. H. C. Link. Sub-topics discussed were Description of Link—the Man; What He is Now Doing; His Religious Experiences and Present Attitude; Main Idea of the Book; An Evaluation of the Book, and the Author's Attitude Toward the Church.

A round table discussion of the book followed the review.

The next meeting will be the final meeting of the year and will be in the form of a luncheon at the home of Mrs. Bill Hutson.

"Angel Unawares" Senior Play April 23

WHITEFACE ROUND-UP: HEREFORD HIGH SCHOOL

Are You A Wet Blanket, Too?

Due to the fact that the Seniors had their Kid Day by themselves, several students were overheard saying, "I wish we could do something like that. We have to go to school four long years just to get to wear different clothes once." Now my fine friends you have a chance to dress in any old clothes you wish to wear.

One week from today the F. H. T. Club is sponsoring the "Sadie Hawkins Day." These girls and their sponsor are working hard in order that the students of H. H. S. can enjoy themselves for the day. They have planned a very excellent program for the entire day, which will close with a paper sack supper in the gym. This will be a big treat for the boys if they will only take advantage of it. Just think, boys, you won't have to spend a cent for one whole day, and the girls will take you to the paper sack supper and you can just sit back and watch them fight, fuss, and pull hair over to see which one will get to eat with you.

Now on the serious side of the question. This Club has sent representatives to several of the convention and have brought great honor back to our school everytime. Let's help them send some girls to Galveston next month, by dressing in all the old clothes you can find in mother's old trunk and wearing them to school for one whole day. Are you going to be one of those persons that will say, "I never asked a boy for a date in my life, and I won't do it now." O. K. be a wet blanket, but when you come to school the 27th, and see how much fun we are all having you will wish that you had dressed up too. The Junior Class is supporting this fine club one hundred percent and we are sure that all the other classes in school will do likewise. Come on boys get mother to fix you a paper sack supper and come down to the gym and watch the girls fight over your sack.

"TO BE OR NOT TO BE IS THE QUESTION."

Good Musicians Never Co-operate

1. If the band has an engagement and you cannot be present, don't say anything about it.

2. Don't wear your uniform unless you desire; your citizen's dress will make the audience think you are a soloist.

3. Always wear your cap on the side of your head.

4. In a parade, just walk along any old way; this will cause bystanders to think you are engaged for what you know, not what you can do.

5. Remember the folks on the sidewalks like to have you holler at them; this will show the other fellows that you have a standing.

6. If you hear another band playing, don't fail to say; "Oh, that is rotten," and always so that strangers may hear it.

7. Have a good time on every engagement; remember that it is your picnic and you are there to enjoy it.

8. Always wait until the band is about to play and then ask, "Whatcher goin' play" and no matter what it is don't fail to remark: "What, that bum thing?"

9. Always play as loud as you can to show the people that you are the whole band.

10. Start to grumble about playing too often as soon as the parade starts, and inform those around you that if it wasn't for crippling the band you'd go home.

11. If you go along quietly in a parade the people will think you are only a good musician; to avoid this, keep up the conversation with members on the other side of the band.

12. When anyone asks you where you were taught music, just say; "Oh, I picked it up." Never give the director any credit.

13. Don't carry any music; you can make up better parts than any arranger can write.

14. Don't keep in formation Mingle with the crowd on the sidewalk.

15. Wear just any color or shoes for a parade.

16. Develop an artistic temperament; criticize the leader, and buck all tempos. You have studied, you know better.

17. Don't bring any music stand; the other fellow will have one (maybe) and you can use part of his.

18. Don't attend rehearsal if

you can find anything else to do; the other fellows are the only ones that need to rehearse. If you do attend, be sure to come late.

19. When the band is on parade and a halt is called, sit on the curb; this will show you are a concert performer and that it makes you tired to walk.

20. Never polish your instruments. This is an amateur's trick and you want to appear as a professional.

21. Altos or (friendship horns) should never be taken from the bandroom, except for fun. Practice is not needed on this instrument.

22. The step played by the drummer is always wrong. Every man in the band should voice his opinion in the matter.

STUFF AND BUNK!

Absent Minded He flew through the air With the greatest of ease. But the funny part was He forgot the trapeze.

Dorothy Nelle: "What do they call little pigs?" Faye: "Hamlets."

Orvella: "How old are you, Andy?" Andy: "I don't know. Mother was thirty when I was born, but now she's only twenty-eight."

Miss Rice: "Danny, what is an octopus?" Danny: "It must be a cat with eight sides."

Paul Lyons: "Did you ever run across a man who at the slightest touch would cause you to thrill and tremble all over?"

Louise Homer: "Yes, the dentist." "In the game it's grit. In beans it's terrible." Miss Wrenn: "What is a comet?"

Minnie Dea: "A star with a tail." Miss Wrenn: "Name one." Minnie Dea: "Mickey Mouse." J. C.: "Did you ever see a pig wash?"

Marthanelle: "No but I saw a pig iron." Barbara B.: "Do you like hamburger balls?" Maggie Miller: "I don't think I ever attended one."

(Betty Perryman and Bud Wilkins in English class: Betty "Can you make a sentence using kith and kin?" Bud: "Yes, Kin I kith you?" "My father knew Stonewall when he was just a pile of pebbles.")

"Behind the Alps lies Italy, behind billboards lies America."

GLEE CLUB REPORT

The glee club girls have decided to give a program with the songs that will represent the different countries for the commencement exercises. Each group will wear the costume which the people in that country wear. They have picked several songs to sing to represent the Americans, Japanese, Irish, Hawaiians, Scotch, Spaniards, Indians, Dutch, and Italians.

The girls also plan on giving their mothers a tea in appreciation for all the work the mothers have done for them during the past school term.

FRESHMEN

The Freshman class was called to order as President Jack London took the floor. The minutes were read and approved. Rachel Ireland gave a Student Council Report. Miss Wrenn and Mr. Emmons gave out the report cards and the meeting adjourned.

JUNIOR B. Y. P. U. IS REORGANIZED

Junior BYPU of the Baptist Church was reorganized at the meeting held Sunday evening at the church. New officers chosen were: Norma Jean McCullough, president; Ludie Virginia Turner, secretary; Leroy Boyer, song leader; Helen Kelly, captain of Group 1; G. P. Owens, captain of Group 2; and the sponsors are Mrs. Wiley Robertson and Miss Peggy Valentine.

H. K. FOXES ARE HOSTS FOR DINNER CLUB

Mr. and Mrs. H. K. Fox were hosts for members of the Tuesday Dinner Club at their home on Lee Avenue, Tuesday evening.

Crimson tulips and crimson tapers formed the centerpiece for the large table from which the dinner was served. Smaller tables were laid with white linen cloths for four-somes.

Special guests for the occasion were Mr. and Mrs. Oscar Easley. After the dinner, games of bridge furnished entertainment for the evening with prize awards going to Mrs. Seth B. Holman and C. C. Acker.

Members present were Messrs. Holman and C. C. Acker, S. P. Rosson, Alton Fraser, J. A. Pit-

man, H. A. Close, Mrs. Seth B. Holman, Miss Eloise Pitman and the hosts. Members present:

WEDDING OF FORMER HEREFORD WOMAN IS ANNOUNCED

Announcement of the recent marriage of Mrs. Ardelle George, former teacher of music in Hereford, to Mr. C. H. Scales of Amarillo, has been made this week in Amarillo.

The couple was married in Sayre, Okla., April 9, with the Rev. Cunningham of the Methodist Church, officiating.

Mrs. Scales was a voice teacher in Hereford for a number of years. Since that time she has lived in San Francisco, Calif., and Amarillo.

Mr. Scales has been a resident of Amarillo for the past 23 years. For the past 14 years he has been connected with the J. I. Case Company.

Mr. and Mrs. Scales are now at home at 812 Kentucky Street, Amarillo.

LUNCHEON IS COMPLIMENT TO MRS. RALPH RODEN

Mrs. B. F. Guthrie of Redondo Beach, Calif., and Mrs. A. G. Lobdell of Franklin, Ia., who

have been in Hereford for the past several weeks, were honorees Tuesday when Mrs. A. M. Jones entertained with an attractively appointed luncheon at her home on East Fifth Street. Bouquets of spring blossoms were used throughout the house and cyclamen pink tulips formed the centerpieces for the luncheon table.

Those seated were Mesdames Lobdell and Guthrie, H. M. Redford, George Muse, Keller Muse, W. B. Dameron, Travis Dameron, and Miss Frances Dameron.

CLASS MEETS FOR BUSINESS SESSION

Home Makers Class of the Baptist church met at the home of Mrs. Jake Boydston for the regular monthly business meeting, Thursday afternoon.

Mesdames Earl Lance, Lee Cocanougher and Mrs. Boydston were hostesses.

Roll call featured interesting items on missions. Mrs. Tom Major read a paper on "Prayer."

Plans were discussed for the annual Mother's Day Luncheon, which will be held on May 11.

Those present were Mesdames Bert Slay, Ed Martin, Otto Masie, Joe Evans, Cleve Owen, W. L. Alexander, C. P. Hussey, R. E. McCullough, Jeff Roberson, Jim Lipscomb, Edgar Moseley, Tom Major, Roy Thompson, Mrs. C. Pepper and the hostesses.

JUNIOR PIONEER CLUB MEETS AT HOME OF MRS. RALPH RODEN

A "Safety and Health" program was presented Tuesday evening at the regular meeting held by the Junior Pioneer Club

at the home of Mrs. Ralph Roden, with Mrs. Stub Jones as assistant hostess.

Roll call brought out simple aids to health and beauty.

"Feeding the Healthy Family," "Immunization" and "Safety Propaganda" were discussed by Mrs. R. S. Scott, Mrs. Jack Telford and Mrs. Lynn Kester.

Many items of interest were included in the discussions which dealt with well balanced diets, amounts of different kinds of foods one person should eat over a one-year period, Value of vitamins A, B and C. Experiments of scientists, Immunization, natural and artificial resistance to disease, Serums and the recent developments along that line.

In discussing the Safety program now sponsored by the United States government, Mrs. Kester said that according to statistics, 2 out of every 3 of this generation will be in a car accident. "However," continued Mrs. Kester, "during the year of 1938 more accidents occurred in the home than on the highway."

Mrs. R. R. Wills conducted the business meeting when Mrs. Urlin Streu was chosen as delegate to the Seventh District Texas Federation of Women's Clubs meeting which will be held in Pampa early in May.

Reports from committees were heard and plans discussed for summer club meetings. The group voted to meet during the vacation months as heretofore, but in the form of a discussion group with subjects to be discussed decided upon from one meeting to the next.

Members attending the meeting were Mesdames Louis Woodford, R. R. Wills, J. B. Whitlow, Jack Telford, Urlin Streu, R. S. Scott, A. J. Schroeter, Libburn Ray, Alton Miller, Lynn Kester, Homer Brumley, Troys Carmichael, Buford Crosthwait, O. H. Culpepper, Meade Halle, Frank Huckert, Miss Lueta Borden and the hostesses.

MRS. HASTINGS LEADS MISSION GROUP LESSON

Mrs. Henry Hastings was in charge of the lesson at the general meeting of the Woman's Auxiliary of the Presbyterian Church Tuesday.

The meeting was held at the church and after a short business session presided over by the new president, Mrs. D. H. Alexander, the program was directed by Mrs. Hastings, chairman of Group 1.

After scriptural reading by Mrs. Raymond Cottingham, Mrs. Broadwell gave a talk on Korea and the mission work of the church there. Mrs. Lee Conklin reviewed an article on "Faith," found in the April number of The Cosmopolitan. Mrs. John Haberer discussed living conditions among the American Indians, and excerpts on Indian Life, containing informative statements, were given by Mrs. John H. Olson. Mrs. Vern Witherspoon concluded the program with a discussion on "Ming Quong Daughters."

The next meeting will be held in group on May 2.

HEREFORD CHORAL CLUB TO PRESENT MUSICAL PAGEANT

As a contribution to National Music Week, the Hereford Choral Club will present a musical pageant at the Methodist Church Monday evening at 8 o'clock, May 8.

The club, one of the youngest organizations of the city, was organized late last summer and is now comprised of twelve members. Mrs. A. Petersen is president and Miss Mattie Mae Swisher is choral director.

The program for Music Week will include a wide variety of musical numbers and the personnel of the pageant will include members of various organizations in Hereford. An opportunity for audience participation has been included.

The pageant entitled "Music—Enricher of Life," written by Mrs. G. M. Hudson, a member of the club, has for its theme, Music as a common love of peoples of all races. It comprises four scenes, 1, Music, the Fundamental Need; 2, Heirlooms from Great Composers; 3, Music in Everyday life, and 4, Music—Uniter of Nations.

The entire program will offer musical entertainment, representative of all nations, carrying with it a timely message of international brotherhood.

The general public is invited to attend.

KINEZOLIAN CLASS HAS MEETING

The regular monthly meeting of the Kinezolian Class of the First Baptist Church was held Thursday at the home of Mrs. Johnnie Womble. Mrs. Emory Burks was assistant hostess.

The all-day meeting was enjoyed by Mesdames Libburn Ray, J. W. Witherspoon, Glenn Oliver, Jimmie Alfred, A. W. Dunlap, W. E. Barnes and the hostesses.

MRS. MERLIN KAUL

The last P-TA meeting of the year was held Thursday night at the school. A large crowd was present to enjoy the splendid program, which was sponsored by the Lions Club at Hereford. Bill Smith had charge of the program and the following numbers were presented: The German Band consisting of Glenn Smith, Clifford and John Estes, Floyd Ross, Wanda Joan Reed, and Harold Close played two numbers; Jerry Jowell, accompanied by Billy Hill sang "When Mother Nature Sings her Lullaby" and "Silver on the Sage"; Dialog by Mrs. Jack Rose and Mrs. Doyle Rose; Cornet solo by Glenn Smith, accompanied by Mrs. Cliff Estes; Miss Bernadine Phillips read "Foolish Questions" and "Seven Ages of Man." Mrs. Estes then accompanied Clifford Estes, who played a baritone solo, John Estes who played a bass solo, and Harold Close and Wanda Joan Reed who played a clarinet duet, "Believe Me if All Those Endearing Young Charms." Many of those present were surprised and delighted to hear Bill Smith play two piano solos. The program closed with a number by the German band.

Mr. Dodson awarded the ribbons to the pupils who won places in the Interscholastic League meet.

The students who went to Canyon Saturday gave their declarations. They were Vesta Mae Landers, Jack Allmon, Wanda Marie Allmon, and Roger Hartman.

Plans are being made to give the play, "Beads on a String," on Friday night, April 28.

Mrs. Sara Ponder, who lives with her son, William Ponder and family, is recovering from a dislocated ankle. Mrs. Ponder slipped in the mud four weeks ago, when she went outside on an errand.

Mrs. Buren Sowell accompanied by her mother, Mrs. Henry Tiefel of Hereford, visited last Thursday with Mrs. A. T. Frye at Dawn.

The Westway Home Demonstration Club met last Thursday afternoon at the home of Mrs. Joe Landers. Fourteen members and four visitors were present. Mrs. Malcolm Cassels of Frio, was presented and demonstrated a kerosene iron. The next meeting will be held April 27 at the home of Mrs. Paul Rudd.

Mr. and Mrs. Malcolm Cassels and Jimmy Ray, were visitors in the Grady Wilson home Thursday. Mrs. Cassels called at several homes here and demonstrated a kerosene iron.

Mrs. Al Werner, Daniel Turrentine, Mrs. Merlin Kaul and sons, were callers at the home of Mrs. Pearl Harrison in Hereford, Sunday afternoon.

The students who were entrants in the District League meet at Canyon last Friday and Saturday are to be congratulated upon their good work. In junior declamation, Roger Hartman won first place. He gave "Down in Texas," by Charles Evans; in

senior declamation, Jack Allmon won first place, with "Happiness and Liberty," author unknown; in junior girls declamation, Wanda Marie Allmon won second place. She gave "The Wild White Rose," by Helen H. Willis; in senior girls declamation Vesta Mae Landers won second place, with "Not Guilty," by unknown author. Nellie Ruth Tucker won second place in Three-R, and Nannette Little won second place in Ready Writing. In track Edwin Skypala won third place in Rural Pentathlon.

The Intermediate S. S. Class of which Mrs. A. C. Pierce is the teacher, lost in the recent attendance contest to the Young People's Class of which Mrs. Moody Stephan is teacher. A party was held at the home of Mrs. Moody Stephan Friday night for the winners. Those present were Gene and Eustace Osburn, Gladys and Howard Gore, Pauline Edwards, Belinda Sykes, Leon Hartman, Nannette and Wayne Little, Wanda Marie and Jack Allmon, Nellie Ruth Tucker, Kenneth Rudd, S. J. Cook, Vernon Burgess, Roy and Vesta-Mae Landers and Jack and Jessie Clark of Summerfield. Games were played and home made candy served to the guests.

Rev. Henry Burrow resigned his appointment as pastor Sunday. He has been pastor of the Baptist Church here for the last 18 months. This was his first pastorate. He was ordained here at the beginning of his appointment. We extend to Rev. and Mrs. Burrow our best wishes for success, wherever they may go.

The bouquets of bluebonnets which have been in appearance in several places were presented by Mrs. Al Werner. They were sent to her by her daughter, Miss Turrentine, who is attending college at Belton.

Mrs. Curtis McKinney will be honor guest at a shower Wednesday afternoon at the home of Mrs. D. H. Allmon.

Mr. and Mrs. Glenn Rutter and children visited Sunday in the Frank Stivers home.

Mr. and Mrs. Hughes Millard visited Sunday in the home of her parents, Mr. and Mrs. Grady Wilson.

Mrs. Foy Dodson, Miss Helen Gilmore and Mrs. Merlin-Kaul attended the Business and Professional Women's Club meeting in Hereford, Monday night.

Grady Wilson, Jr., lost his 4-H club calf last Friday night. He plans to get another one.

The high school pupils are preparing to give their play, "Beads on a String," on Friday night, April 28. The pupils who have parts in the play are Elwood Skypala, Nannette Little, George Turrentine, Roger Hartman, Vesta Mae Landers, Jack Allmon, Junior Wilson, Miss Gilmore and Miss Beall. Good numbers are being arranged for between the acts. Kenneth Williams from Lubbock, will sing and dance. There will be a reading and some quartette numbers. Admission to the program is 10 and 20 cents. Everybody is invited.

Mr. and Mrs. Maurice Tannahill, Mr. and Mrs. G. C. Hartman and Roger, attended the funeral of Glenn Veigel at the First Baptist Church in Plainview, Sunday afternoon. Glenn was a brother of Robert Veigel at Ward, and was 17 years old. He died Friday

afternoon as the result of a gunshot wound. He and another friend had been hunting and his gun went off accidentally; the bullet entered his brain.

Mr. and Mrs. Maurice Tannahill and Carlton, visited her parents, Mr. and Mrs. Frances Carthel at Lockney, Sunday afternoon.

Mr. and Mrs. G. C. Hartman and Roger, and Mr. and Mrs. Orville Houser of Hereford, visited Mr. and Mrs. T. E. Cowart at Lockney, Sunday. Mrs. Cowart is Mr. Hartman's sister.

MRS. ALLAN BELL

In the Oldham County Interscholastic League events held at Vega, Adrian won a number of first places, giving them second place in the entire meet, and giving them five out of nine cups awarded in the meet.

The Adrian one-act play, "The Pipe of Peace," was taken to the District meet at Canyon Friday, April 14. The cast included Clifford Chapman, Sarah Calhoun and Mildred Miller; directed by Mr. Baker.

Orville Calhoun won first in Junior Boys Declamation at Canyon. He will compete in the regional contest.

Boys and girls debate and senior boys ready writers were also entered from Adrian for district competition.

Friday afternoon, April 14, the Adrian Boy Scout troop drove to Canyon, accompanied by Mr. E. L. Hammitt, Joe Speed and J. B. Monahan. They tried out for scout swimming tests in the Canyon College swimming pool. Edward Chapman and Bobby Harris passed the test successfully. All boys enjoyed the swim and appreciated the opportunity of using the college pool.

Rev. Perry, Baptist minister, preached to a large crowd Sunday morning. He brought Rev. Estes of Plainview with him to fill the pulpit Sunday night. There were 60 in Sunday School last Sunday.

The P-TA Study Club met Monday evening April 17, at the J. E. Speed home, with Mrs. J. B. Monahan as leader. All members of the P-TA who have attended as much as nine hours of study club will be given special recognition at the district conference in Borger, April 19.

At the regular monthly meeting of the Adrian P-TA Tuesday evening, April 14, officers were elected for another year: Mrs. N. L. Jacobson was re-elected president; Mrs. J. B. Monahan, vice-president; J. C. Baker, secretary; and Mrs. V. E. Lemke, treasurer. Mr. N. O. Phillips gave a valuable speech on "The Influence of the Church on the Home." At the social hour "frost-ticks" were served by Mr. L. A. Worsham and Mr. Don Morgan.

Mrs. P. M. McAdoo has returned to a hospital in Amarillo with an attack of influenza.

Jim Ross came from Dalhart to spend Easter with his parents, Mr. and Mrs. John Ross.

The Bridge Club met with Mrs. Jno. Youngblood last Wednesday; due to bad weather only two tables played.

DENTON—Requested by the Chamber of Commerce, the local daily and numerous citizens of Ardmore, Okla., the Symphony Orchestra of Texas State College for Women, of which Miss Helen Ann Snyder is a member, will be presented in concert at the city, April 25.

The 75-piece organization, which will be transported by college buses, has completed all but one of its campus concerts this year. The last appearance being over the radio Sunday, April 23, during the regular college broadcast from WFAA at 12:30 p. m. Conducted by W. Gibson Walters, it has won many favorable comments this season, and in addition to being the only girls' symphony in the southwest with complete instrumentation is the official orchestra of Texas Federation of Women's Clubs.

Miss Snyder, who plays the clarinet in the orchestra, is the daughter of Mr. and Mrs. Glenn Snyder.

Hospital Notes

Burl France, who re-entered the hospital April 10 after a relapse from pneumonia treatment, was today reported to be improving.

Travis Matthews, who underwent an appendicitis operation, April 1, was resting nicely and improving.

A. J. Schroeter, who underwent an appendicitis operation April 5, was also greatly improved and hoped to return home Friday.

Woodrow Gilbreath re-entered April 11, following a previous appendicitis operation. He was improving and resting nicely.

Mr. and Mrs. Raymond Stafford announce the birth of a daughter April 16; both mother and infant were resting nicely.

Mr. and Mrs. G. A. Neal announce the birth of a son Thursday morning, April 20; both were resting nicely.

One-Act Play Ranks Fourth

Despite the fact that students appearing in Hereford's entry in the One-Act Play contest in the district meet last week had less than two weeks practice, the group placed fourth.

The play, "Circumstances Alter Cases," was coached by Miss Ruby Dutton, fifth grade instructor in Central School, and had the following cast: June Dameron, Elma Shugart, Bert Sley, Danny Hales and Kathryn Henderson.

The local school plans to spend more time next year and to make an effort to win the contest.

Spur Station To Open Field Week on Monday

Group visits to the Spur Station have increased materially in recent years, and many are of the opinion that they have a much better opportunity to study the experimental work in small groups than they have at the larger field days. This year we are experimenting with a field week instead of the regular day. There will be no set hours for arrival and no set speeches. Every effort will be made to dis-

miss the problems of most interest to the visitors. In addition to the men working at the station, representatives of the School of Agriculture at Texas Tech and specialists from the Soil Conservation Service and various branches of A. & M. College will be on hand to participate in the group discussions.

Coffee will be kept brewing for the entire week, and visitors who bring their own doughnuts and ginger snaps will find the dunking fine from Monday morning, April 24, until Saturday night, April 29.

WHITEFACE ROUND-UP

GUESS WHO

A certain Junior Girl, who likes a Freshman boy, has short light brown hair; blue eyes, and beautiful smile. She has a brother who is engaged to the Miller's daughter. And by the golden glove she wears around her neck, we wonder if she is not going to follow suit. Oh, yes, she's deliciously plump!

A certain Freshman boy who likes a Junior girl, is tall, dark and handsome! He won a golden glove in the boxing matches. With the name he has, he should make a billion in the Ford car industry.

Guest Speaker In Assembly

The student body of Hereford High School was surprised by the assembly program presented by the Spanish Class, Tuesday morning of April 11, 1939.

The class had Miss Edna Graham, head of Mathematics Department from Canyon, talked to the students about her trip to South America. Miss Graham revealed to the student body many interesting facts and showed them articles that she had purchased in South America.

F. F. A.

The F. F. A. met Wednesday, April 13. We discussed the Father and Son Banquet, which is an annual objective, was set to be given Friday, April 21. The F. F. T. girls will prepare the dinner for the small amount of 50c a plate.

The main speaker will be Mr. Frank Phillips, the head of the Agricultural Department of W. T. S. C. at Canyon.

The opening of the program will be the ceremony used at the regular meetings of the F. F. A.

They are planning a good program, lots of eats, and lots of fun for everyone.

proceeded to tell all about the coming celebration. It was a waste of juice to use the loud speaker as there had been plenty wind power up to that time.

The gals began hollering for eats and Harold Close brought out a double armload of frost-ticks and passed them around and even the bewhiskered peace officers who were in charge had one or more each. John Roberts took credit for persuading Harold Close for the set-up and then Harold gently hinted to the girls that they were cordially invited to attend the picture show then in progress. When they stormed the show the cashiers and other help took to the tall weeds and the bunch took charge of the popcorn wagon and proceeded to run the show to suit themselves.

There was an impostor among the initiators, (having shaved off his whiskers), who wasn't noticed until the next day. His name is R. V. Miller and vengeance has been declared by more than one.

All the whiskers had a good time except Byrle Elliston—and don't tell him that he didn't. Some of the ladies were yanked out of the places in stores over town, and others showed up voluntarily. Among those who took part in the "jail wagon ride," were: Thelma Jones, Bessie Smith, Mattie K. Robinson, Faye Brady, Nancy Conkright, Dorothy Ross, Sadie Lee Oliver, Mrs. Knox Kinard, Ursalee Jacobsen, Edna Fincher, Florence Wilkins, Viola Gyles, Ethel Robinson, Gladys Skelton, Marjorie Alderson, Ione Green, Grace Homer, Mrs. F. D. Ferguson, Mrs. Ira Ott, Mrs. Ullman Hunter, Virginia Bowsher, Evelyn Steiner, Peggy Valentine, Virginia Mosely and Jerry Medlin.

No admission charges will be made, but a free-will offering will be taken to help defray expenses of the young people in their church work. The public was cordially invited by Rev. Redford and by church members to see the play.

Wilbur Budd portrays the character of "Barabbas." Mr. Budd has appeared in many Little Theatre productions in Amarillo. He played the part of "Judas" in the Passion Play; also in "King Herod," "Ten Nights in a Bar Room," "Doll's House," "Love from a Stranger," and many others.

J. B. Gould, a guard, is also a Little Theatre veteran. Other members of the cast include Keith Caldwell, Bob Ferguson, Reba Kickerson, Billie Bob Bethune, W. A. Hopkins and Calvin Hill. Every member of the cast has been carefully selected and are well fitted for their roles. The director is Helen Cline Reyes, a graduate of the Fine Arts Department of Phillips University and a worker in Amarillo Little Theatre.

the old timers, Mr. Evans being one of the group to start feeding on a large scale in recent years.

Brumley & Son might also be classed as new-comers into the field. The ranch was started around two years ago, when they purchased the Dameron acreage 20 miles west of here on Harrison Highway. At the present time Brumley & Son operate around 49 sections in their ranch—and despite numerous sales this season, they still have some 1,000 head of grade cattle and 200 head of registered stock on the ranch. The ranch is owned by G. W. Brumley, and Roger Brumley, both well known through many years of residence here. Roger is actively engaged as manager of the ranch.

Around 400 head of grade yearlings Tuesday went to J. Colburn of Iowa, where they will be finished out and then marketed. The yearlings brought 9½ cents. S. P. Rosson sold two cars in the deal and Cecil Guseman sold 280 head. This sale supplements previous cattle sales to Iowa feeders, who are showing general interest in the Hereford territory as a buying point for quality cattle.

Hall, special meetings will also be held in the Baptist Church, I. O. O. F. Hall and high school auditorium.

Good Speakers Monday morning the session will open at 10 o'clock, following registration. W. Jesse Stanford will act as master of ceremonies, and talks will be made by James W. Witherspoon, John F. Ross, Amarillo, past Grand Master; Ursalee Jacobsen of Hereford, Mary B. Weeks of Canyon. The glee club quartet will also be presented in several numbers.

Monday afternoon the session will be devoted to general business and degree work for both I. O. O. F. and Rebekahs. Degree contests will be held at 8 o'clock in the high school auditorium.

Tuesday morning the program will open with encampment work at 8 o'clock. Past Grand and Grand Lodge degrees will be conferred at 10 o'clock, and at 11 o'clock the Old Man's degree will be conferred; all events will be

held in the I. O. O. F. Hall. Tuesday evening business will begin at 1 o'clock in the Baptist church and the session will close with a dance at 9 o'clock in the City Hall.

Local Committees

A complete list of local committees follow: Arrangement, Byrle Elliston and John Patton; Program, Dave Alexander, Edna Fincher and Vera Young; Purchasing, Frank E. Givan, Chas. Paddock, and Edna Bower; Entertainment, Chas. Paddock, and Dollie Godwin; Registration, L. H. Foster and Mable Barnhart; Finance, Frank E. Givan and Chas. Paddock; Housing, Troy Womble and Mrs. Ethel Fridley; Treasurer, Frank E. Givan; General Chairmān, IOOF, J. Byrle Elliston; General chairman, Rebekahs, Mrs. Edna Fincher.

Badges for delegates have already been secured and special courtesy stickers will be furnished for official cars.

Housing the large delegation is presenting an acute problem to lodge members. However, every possible means has been adopted to secure as many rooms as possible through members of the two lodges—and it is likely that an additional drive may be made to place visiting delegates in private homes at reasonable charges. New Flour Mill Located In Hereford To Serve Large Area

Less Irrigation Water In Plains Shown in Report

LEVEL IS THREE AND HALF FEET LOWER THAN IN 1934

(The following report regarding irrigation wells and ground water on the high plains in Texas has been issued by the Texas State Board of Water Engineers. The information presented is self-explanatory and should be of interest to irrigators in this area, since it shows a decline in the water table in accordance with the increasing number of wells.)

Irrigation Development
About 1,500 wells were pumped for irrigation in the Texas High Plains in 1938, and approximately 200,000 acres of land were irrigated from them, as compared to about 1,150 wells and 160,000 acres in 1937. This represents an increase during the year of about 30 percent in the number of wells pumped, and 25 percent in the irrigated acreage. Most of the development is in the following fourteen counties: Hale, Floyd, Swisher, Deaf Smith, Castro, Bailey, Lamb, Lubbock, Hockley, Crosby, Briscoe, Parmer, Randall and Dallam. These and other related facts have been disclosed by a detailed investigation of the underground water in the High Plains, which has been made during the last two years and is still in progress as part of a survey of the ground-water resources of Texas by the State Board of Water Engineers in co-operation with the Federal Geological Survey.

These studies are supported (Continued on Page 4, Sec. 2)

Tolleson Named Appliance Head

Announcing that B. O. Tolleson has been made manager of the Butane gas and appliance division of Fraser Company, Alton T. Fraser today said that a complete, new display room has been constructed in connection with the service station on South Lee Street.

In addition to Butane gas systems, tanks, and installations the firm features Electrolux refrigerators, Magic Chef stoves, Ward floor furnaces, and Mission (Butane gas) water heaters.

Mr. Tolleson comes to Hereford highly recommended after several years experience in the appliance line in Amarillo.

The display is arranged in the form of a complete, modern kitchen and has been made attractive to all visitors. Mr. Tolleson joined the firm in inviting the public to visit the offices and see the modern appliances on display.

Imported Swiss Silk Installed In Fraser Mill

One of the features of which the new Fraser mill is proudest is its sifting machines, which are equipped with imported Swiss silk.

By having this high quality silk we feel that we have greatly improved the quality of our product," managers stated. "All sifting, bolting and purifying machines in the mill have been clothed with Dufour Swiss silk bolting cloth."

They pointed out that the cloth has been in use since 1830, a period of 109 years, and stated that they selected this particular type of silk bolting after much consideration.

"Because we have this outstanding bolting cloth, we know that our flour will be more uniform and of the finest quality," the managers stated. "And that, we believe, is one of the chief objectives in manufacturing good flour... one that will feature the same merits and high qualities from sack to sack."

Utilizing this Area's High Quality Wheat

The Fraser Milling Co., Hereford's new 250-barrel flour mill, has begun the process of making this area's fine, high protein content, wheat into flour. This mill was started with the idea of filling a definite need for our community and the success of our undertaking will depend in its entirety, upon the goodwill of our friends, the quality and value of our products and our service and courtesy to our customers.

By using only wheat that is raised right here at home, we hope to obtain the highest quality flours that can be manufactured. We hope to produce flour that will be a kitchen by-word with housewives over the entire Southwest. Call for our flours and by-products by name — at your grocers.

Products Now On Market in Texas And New Mexico

NEW MILL BOASTS CAPACITY
PRODUCTION OF 250
BARRELS DAILY

With the new 250-barrel Fraser Mill now in production in this community, a dream of several years duration recently came true for Alton T. Fraser. In addition to being one of the first new industries seen in this area in recent years, the mill also boasts a possible production, second only to two mills west of Wichita Falls, Texas.

The new firm, which operates under the name of Fraser Milling Co., is now operating three trucks to points over the North and South of Texas, and into Eastern New Mexico. The management expects, upon reaching capacity production, to operate six trucks.

Experienced Operator
Assisting Mr. Fraser in the mill is Rex Cooke, who holds the position of sales manager. Mr. Cooke comes to Hereford from Plainview, where he was six years sales manager for the Harvest Queen Mills. Operation of the mill is under direction of W. T. Stedman, who is a miller of 40 years experience. Among other activities he was in charge of production for Universal Mills at Fort Worth and has literally grown up in the milling business, having started when he was a small lad. In addition to these leaders, Mr. Fraser expects to have approximately 20 other employees when the mill hits peak production.

"We feel that a flour mill has a distinct advantage in being located at Hereford," Mr. Fraser said. "The very finest types of wheat are produced here — and we believe this factor will enable us to produce a superior product to mills which might have a difficult time in securing hard-winter wheat the year round."

He estimated that with its capacity production of 250 barrels of flour daily, the mill might use 1150 bushels of wheat each day — or around a third of a million bushels annually.

The new mill is now producing five brands of flour, and is installing machinery for producing corn meal. The flour brands are Sonny-Boy, Dinner Bell, Blue Banner, Sunset Gold and Reapers' Gold. The two brands first mentioned will be the leading products of the mill. In addition to the above brands, the mill will also make bran, shorts, and mill run bran.

"It will be our policy to make a high quality flour which will be excellent for cakes, bread, biscuits and pastries," the managers said. "And due to the fine (Continued on Page 4, Sec. 2)

Fraser Offices Being Remodeled Here This Week

In connection with the opening of the new Fraser Mill in Hereford recently, the offices of the organization are being remodeled to better serve the firm. Headquarters for the mill, elevators and associated lines will continue to remain in the offices just east of the elevator, but the space devoted to the bookkeeping department is being doubled. Shelves and storage space are also being installed on the north side of the building to facilitate handling of business for the organization. The elevator scales are still located adjoining the office on the south, and wheat business will be handled in the same manner as in the past. In addition, the office has been handled through this office in the past will be the general offices and sales headquarters for the new mill.

The offices of Alton Fraser and of Rex Cooke, sales manager, are located to adjoin the bookkeeping department on the west. The office and adjoining buildings are connected with inter-communication systems.

BIBLE PROGRAM ENTERTAINS BAYVIEW CLUB

A program of unusual interest was presented at the meeting held Thursday afternoon by the members of the Bayview Club at the club rooms at the court house.

After a short business session presided over by Mrs. Ray Barber, president, Mrs. G. A. F. Parker took charge of the meeting and conducted roll call which dealt with outstanding religious leaders of the nation.

In discussing "The Making of the Old Testament," Mrs. E. W. Harrison summarized the book, "The Background of the Bible," by Henry Kendall Booth. She quoted the author who says "The Bible is an anthology, culled out of a much larger literature, and as we have it, represents the finished work of many centuries of selection, revision and editing. The Bible is not a book but a library; not a simple and easily understood volume, but a whole complex and difficult literature."

"Basic themes of the Bible," was the subject of a talk presented by Mrs. A. M. Jones in which she gave comprehensive comparisons of the time in which the Bible was written and present day events, contrasting moral standards and commenting on the conflict with science in progress of time. The two basic themes discussed were "Faith and Love."

Those attending the meeting were Mesdames Bob Wilson, J. E. Stoker, J. P. Slaton, F. T. Soloson, G. A. F. Parker, John H. Olson, C. F. Moore, John McLean, Paul Mathers, J. W. Kirby, A. M. Jones, G. W. Heard, E. W. Harrison, H. G. Conkright, R. F. Conaway, Colby Conkright, E. L. Broadwell and C. R. Barber.

MUSIC STUDY CLUB BOARD IS ENTERTAINED BY PRESIDENT

With the close of the year's work just around the corner, club members are busy planning luncheons, teas and breakfasts which will formally mark the close of the club season.

Among the first of the spring functions was the board dinner given by Mrs. W. E. Dameron, president of the Music Study Club, Thursday evening.

Green candles in ivory holders lighted the table in the dining room. White damask covered the table which was centered with an ivory pottery bowl filled with sweet peas. Guests, who included members of the advisory board and the executive board of the club, were seated at quartet tables.

After the dinner business affairs of the organization and official plans for another year were discussed.

Those attending were Mesdames G. A. F. Parker, H. L. Broadwell, A. O. Thompson, Jeff Gilbreath, H. K. Fox, C. C. Acker, C. J. Mountz, J. C. McCracken, W. J. Stanford, R. P. Conaway, S. P. Rosson, C. H. Dyer, Miss Eloyse Pitman and the hostess.

CHURCH GROUP ATTENDS MEET

Members of the young people's department of the Methodist Church attended a Prairie Rustlers Union Meet held at the Eastern School Thursday night, with Dimmitt Circuit as the host group.

Mrs. Joe Gollehon of Dimmitt was leader of the program. Ray McIntyre gave the devotional on "The Second Mile." His talk was interspersed with musical readings given by Alex Williams with Nell Reynolds at the piano.

An orchestra under the direction of Mrs. Reynolds, and singing led by Mr. Reynolds furnished music throughout the program.

A pageant, "The Voice of the Bible," was presented by the Dimmitt group under the direction of Mrs. Tina Wright. The pageant told the story of history, philosophy, science and music in the Bible. Mrs. A. L. Strinzer took the part of "The Voice."

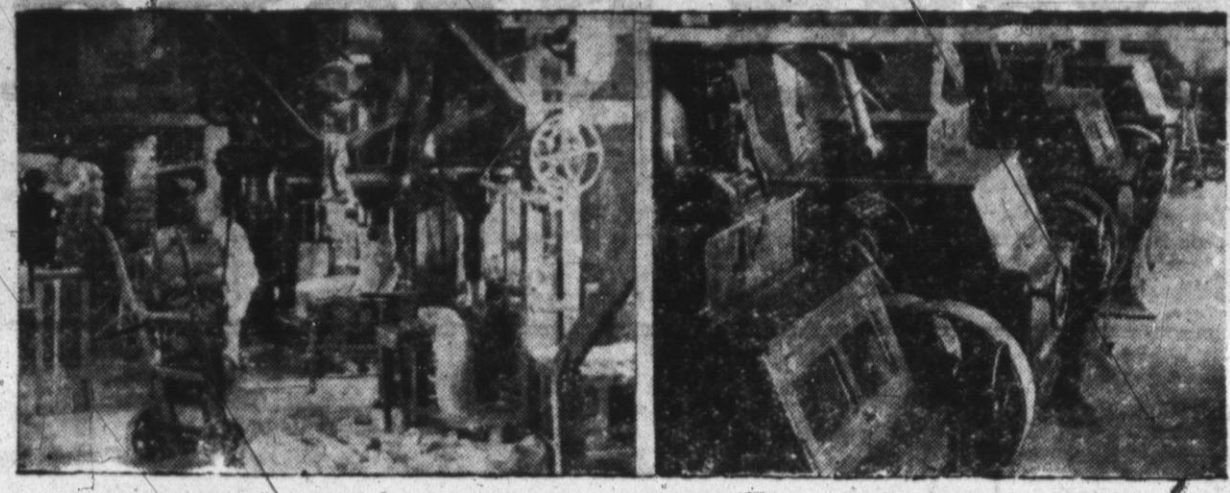

Between 90 and 100 young people attended the meeting. The attendance banner being awarded to the Dimmitt Circuit. The next regular meeting will be held at Dimmitt May 4.

Attending from Hereford, were Mrs. Homer Brumley, Mrs. Ida Ricketts, Nellie Jo Shreve, Helen Plummer, Jonnie Marie Robinson, Dorothy Watts, Margaret Allen, Martha Lee Montfort, Donald Henslee and Rev. M. M. Beavers.

PAPER ON CULTURE IS READ FOR CHILD STUDY CLUB

Members of the Child Study Club met last Thursday at the Methodist Church to hear a paper on "Foundations for Culture," read by Mrs. Cecil Lady. The paper taken from the May, 1937 Parent's Magazine, dealt with refinement of manners and brought out the thought that true culture becomes a part of one's life and must be taught at an early age. It cannot be assumed or discarded at will. A series of questions and answers and a round table discussion concluded the program.

From Grinders Into Loading Department

Pictured left are grinding machines in the new mill, and on the right will be seen the finished product, sacked and ready to go. Large stacks of flour in the background are part of the turnout in the new mill, which at peak production will have a capacity of 250 barrels daily.

Mrs. Robert Veigel was welcomed as a new member. Those present were Mesdames R. P. Conaway, Robert Veigel, Gordon Witherspoon, Cecil Lady and C. P. Grimes.

BRIDGE CLUB MEETS FOR GAMES

Mrs. Harry Lomas was hostess Thursday afternoon when members of the Pleasure Hour Bridge Club met at her home for games.

High score award was presented to Mrs. Buford Farmer, and second high to Mrs. Elmo Lawhon.

Refreshments were served to Mesdames Roy Jowell, Chris Renfro, Buford Farmer, B. R. Dixon, Elmo Lawhon, Boyd London, Earl Phillips W. J. Smith and the hostess.

T. E. L. CLASS MEETS FOR LUNCHEON

The T. E. L. Class of the First Baptist Church held a luncheon and business meeting Friday at the home of Mrs. Artis Daniel.

In the morning a small quilt was quilted for the Buckner Orphan Home at Waco. After the covered dish luncheon at noon Mrs. Daniel presided over the business session when reports were heard.

Those attending were Mesdames Jack Roberson, Mark Hanna, J. H. Miller, George Brumley, Wirt Phillips, Harold Smith, Lee Lambert, W. I. Valentine, El Orr, R. W. Carlton, Edna Bowe, Mrs. Gladys Manjeot, a visitor, and the hostess.

MRS. MOORE ENTERTAINS COTERIE CLUB

An enjoyable afternoon party entertained members of the Coterie Club at the home of Mrs. C. F. Moore, Friday afternoon.

Spring's own colors, yellow and green, were emphasized in appointments. A variety of mixed colors were combined in the flower decorations with the green and yellow repeated in table covers, tallies and prize wrappings.

High score prize was awarded to Mrs. A. R. Bateman.

Mrs. Tom McCollum was a special guest. Others playing included Mesdames F. L. Lucas, J. W. Witherspoon, Colby Conkright, E. B. Hicks, Grant Fuller, and the hostess.

SUMMERFIELD W. M. S. HAS MISSION PROGRAM

The Woman's Missionary Society of the Baptist Church of Summerfield met at the home of Mrs. Elbert DeLozier, Thursday afternoon for a study program on "Missions."

Topics discussed were: The Great Commission in Latin America, Mission Work in Cuba, Panama Mexico and South America, Mission Sunday Schools and the Bible topic with Scriptural readings from Acts, Matthew and John.

Members taking parts were Mesdames Walser, Roberson and DeLozier.

Progress . . .

This organization is proud of the fact that it played a small part in the realization of Hereford's newest flour mill — by furnishing lumber. We feel that no better lumber can be bought anywhere than in our own yard right here in Hereford. We are always glad to get business, and when our business represents a new industry to the community, it makes us doubly proud to have been able to assist. Lumber means progress, and when you inspect the new mill, we particularly invite you to notice the quality lumber in the building.

Now any home, anywhere can have modern city refrigeration . . . A Complete Butane Gas System and ELECTROLUX make this possible for all rural homes.

ELECTROLUX the finest of modern refrigerators, operates on Butane Gas, Natural Gas or Kerosene. It brings to the country the same perfect refrigeration, the same unfailing supply of ice cubes, that has made ELECTROLUX the favorite of 1,000,000 modern city homes and apartments.

In addition to ELECTROLUX's other vital advantages, its freedom from moving parts means a real saving to you, for parts that move will wear, and ELECTROLUX has none to need repair, and no moving parts to cause noise.

And remember, ELECTROLUX brings you as well, the noted ELECTROLUX Economy. Owners of ELECTROLUX REFRIGERATORS report savings on fuel consumption alone, enough to pay for the refrigerator itself!

- No moving parts to wear
- Lasting efficiency
- Continued low operating cost
- Fullest food protection
- Savings that pay for it

It is constant proof of the basically different refrigerating method of Electrolux (without machinery, without noise) which makes possible these big advantages:

PLANT GROWERS SHARE WITH OTHERS TO IMPROVE THIS AREA

The willingness of plant growers to share with other plant lovers has been proven repeatedly in this county this spring.

Mr. and Mrs. Maurice Tannahill bought 12 fruit trees and enough mixed lawn grass seed to finish planting a lawn. They have had given to them by friends and relatives 10 shrubs, 14 Lombardy poplars, 12 Damson plums, and one peach. One seedling peach was grown last year. Golden elder multiplies rapidly and is doing well in the foundation planting and in the cutting bed.

Twenty-six Chinese elms were bought by Mrs. Alta Wylie. They went to the breaks and dug 3 cedars, 1 cottonwood, 2 hackberries, and one mesquite. She has been given 6 cherries, 14 blue damson plums, 2 red plums, 1 flowering quince, climbing roses and other plants.

Choice evergreen plants were purchased by Mr. and Mrs. William Wimberley of Dawn. They too, have received gifts of flowering shrubs, roses and perennial plants.

Surplus plants of cinnamon vine, madra vine, cannas, chrysanthemums, and artemesia have been distributed by Mr. and Mrs. Earl W. Wilson.

A GREAT INSTITUTION OF WHICH ALL WEST TEXAS, and EASTERN NEW MEXICO IS PROUD OF — THE NEW FRASER MILLING CO.

The Percy-Kent Bag Company is glad to extend congratulations and thanks to the New Fraser Milling Company and wish for them a successful future. The opening of the Fraser Milling Company gives West Texas and Eastern New Mexico an industrial institution that is the equal of the finest to be found in the Southwest... designed to meet the needs of the future as well as today, of this region... an institution that all will be justly proud to point to as an asset to the community.

It is with pardonable pride that we say we furnished bags for the fine hard wheat flours, made by the Fraser Milling Company and we believe that all housewives will be justly appreciative of the fine materials of which these bags are made and will find many uses for them around the household.

IN ANY KIND OF BUSINESS

... dependable service is worth the price!

- It's true, that in paying your electric service, you pay for current consumed during a stated period. But, however intangible, there is another commodity that is yours also as a user of electric service.
- That commodity is — dependability!
- Electricity has become the lifeblood of today's modern living. If for any reason, the flow of electricity should stop or even be reduced, our whole world would be thrown into chaos. Foods would spoil for the lack of refrigeration... our stores and factories would be still... our homes and streets unlighted... irrigation of crops would be hampered.
- In order that you may have the best service at all hours of day and night, this company keeps pace with the latest improvements in the ever-changing field of electricity. It costs money to be modern, and thus, dependable. But who would have it otherwise?
- You get a lot more for a little when you pay for service that you can depend upon.

Westway Home Demonstration Club Meets

The Westway Home Demonstration Club met last Thursday, April 13, at the home of Mrs. Joe Landers. Roll call was answered by giving the name of some food we have learned to like. After the reports of committees, Mrs. A. C. Pierce gave a report of the last council meeting. Mrs. G. C. Hartman made the guest score in the recreational contest. The contest will be completed at the next meeting, committee consisting of Mrs. Werner, Mrs. G. C. Hartman, and Mrs. Jim Dale, was named to make sample sandwiches for Pioneer Day. Mrs. Glenn Rutter, Mrs. Paul Rudd and Mrs. Roy Lee Wilson were named to get the next demonstration. Mrs. Malcolm Cassels of Frio is present, and demonstrated a Diamond kerosene iron. Mrs. Al Werner gave a short talk on the farm meeting held in Amarillo recently. The by-laws were read by the secretary, Mrs. Roy Lee Wilson and accepted by the club. Mrs. Al Werner presented the contest with a bouquet of bluebonnets. Members present were Mesdames Roy Lee Wilson, Al Werner, Maurice Tannahill, Bill Lee, Earl Little, G. C. Hartman, B. Osburn, Glenn Rutter, A. C. Rocco, Paul Rudd, Joe Landers, Henry Allmon, Grady Wilson, Merlin Kaul. Visitors present were Mrs. J. S. Earp, Mrs. Bud Osborn, Mrs. R. M. Gunn and Mrs. Malcolm Cassels.

Mary Kay Crump spent the night with Lavonia Carns Thursday.

Mrs. R. R. Bussell and daughter, Jewel, called on Mrs. J. N. Messenger Thursday and delivered some Canna bulbs.

Mrs. Marie Smith recently returned to Mineral Wells with her sister, Pauline, whom she will visit several weeks.

Newly-Weds Return
After a short wedding trip Mr. and Mrs. J. C. Cummins Jr., have returned to Hereford and are making their home here. He is employed with the Texas-New Mexico Utilities Company.

quality of wheat produced here we believe that such an accomplishment will be practical; mills with less favorable locations might have to use a blended wheat, whereas we will turn out a straight, hard-winter wheat flour."

Large Capacity
The firm now has several salesmen out in the field and expects to add more as the organization grows. In addition to towns in the Texas Panhandle, their present sales reach into New Mexico as far as Carlsbad, Albuquerque and Santa Fe — also including the intermediate towns between the above mentioned points. An alert sales policy is being adopted by the organization, which hopes to reach the capacity production peak of 250 barrels daily within a few months.

"We are glad to say that the new flour is now on sale at stores in Hereford and in the surrounding territory," Mr. Fraser said. "We appreciate the local co-operation, for we feel that if we please our home people our outside trade will follow. We are trying to merit this confidence with the best product that fine wheat and good machinery can make — for we believe that only on this basis can our industry reach its greatest success."

Less Irrigation

(Continued from Page 1, Sec. 2)

by funds appropriated by the State Legislature and by allocations of Federal money to match these funds, the State and Federal contributions being equal during the fiscal year ending July 1, 1939. The full or part time of two to four geologist and engineers is being devoted to the High Plains work.

In addition to inventories of wells and pumpage, the investigation includes a study of the geological features of the High Plains that are related to the occurrence of the ground water. The rise and fall of water levels is being observed in approximately 750 wells, which are measured monthly or at other regular intervals. Replenishment of the ground-water supplies and the natural discharge from the underground reservoirs are also being studied. Replenishment occurs by direct penetration of rainfall and by seepage from streams and depression ponds on the High Plains themselves; and the natural discharge occurs

through springs and seeps, most of which are located at the eastern edge of the High Plains.

History of Development

The investigation shows that irrigation from wells in this region was started about 30 years ago. In 1914 there were about 140 irrigation wells in the Texas High Plains, most of which were located in the vicinities of Plainview, Hereford and Muleshoe. Well irrigation declined during the World War and was comparatively inactive immediately after the war, during the years of more than average rainfall. Interest was revived during the period of several dry years beginning with 1927, and by 1934 the number of irrigation wells had risen to about 300. The rate of development, which had been relatively slow in 1934, increased materially in 1935. It was accelerated to some extent in 1936 and became still more rapid in 1937, but the rate of increase declined in 1938.

Decline of Water Table

The water table has declined materially in the areas where large withdrawals of ground water have been made. In parts

of one of the heavily pumped districts the static water levels in wells have dropped an average of about seven feet since 1914, and an average of about 3.1-2 feet since 1934. In parts of two other districts the loss since 1934 has averaged about two feet. In one large area embracing about 1,000 square miles in which 550 pumping plants were operated in 1938, there was an average net decline of eight-tenths of a foot between January-March 1938, and January-March 1939, as disclosed by periodic measurements on 125 observation wells. In various comparatively little change in static water levels, during the two years of the present investigation.

Natural Discharge

The investigation includes a study of the natural discharge of ground water. This occurs principally through springs and seeps, most of which are located under the caprock along the eastern edge of the Plains. Springs and seeps issue in great numbers at the foot of the escarpment along the contact between the water-bearing HighSpring of 1939.

Plains sands and gravels and the underlying relatively impermeable Triassic rocks. Most of the springs are small but some of them have a flow ranging upward from 25 gallons a minute. The total discharge from springs and seeps in the 75-mile stretch of the caprock between Double Mountain Fork of the Brazos River and Quitaque Creek amounts to about 12,000 gallons a minute, according to measurements and estimates made during the fall and winter of 1938 in connection with the investigation.

The localities in which these springs appear are among the most picturesque in Texas. Spring-fed waterfalls 10 to 25 feet in height are found very frequently. Canyons are carved in the Triassic and older rocks. Grottoes and caves lined with ferns and mosses are found, and shade is provided by cottonwood and other trees. These natural parks are destined to become the playground of the region, and steps have already been taken to develop some of them into State parks.

Ground Water Reports

The chief purpose of the High Plains investigation is to obtain the facts regarding the extent and limitations of the underground water supplies and release the facts promptly to the public. A progress report summarizing the results of the investigation to June 1938, was published by the Texas State Board of Water Engineers on July 26, 1938. Approximately 500 copies of this report have been distributed to college, high school and public libraries, chambers of commerce, and individual property owners in the High Plains. Additional copies will be sent on request made to the State Board of Water Engineers, 300 State Highway Building, Austin, Texas. A second progress report showing the results of the ground water pumpage studies from June 1938 to April 1939 is to be released during the HighSpring of 1939.

MRS. J. N. MESSENGER
Another half inch of rain, accompanied by some hail fell here the past week. No damage was reported from the hail, and conditions are excellent in this area. Mr. and Mrs. Dennis announce the birth of a daughter, born April 8; she has been named Nancy Lee. Babe Russell has been working over the store on the Crossroads, sitting in new shelves and a new front porch. The store now looks like a different place.

IF IT'S ELECTRICAL ... IT'S OUR JOB!

For the past 15 years Geo. McConnell has specialized in Electric Wiring, repair work on refrigerators and in high quality work.

In addition to wiring houses over the area, we also wire irrigation wells.

The success of your particular job depends upon adequate wiring. That's why it will pay you to have a thoroughly experienced man on the job...

That's Why We Say, "If It's ELECTRICAL, Then It's Our Job."

Congratulations to the Fraser Milling Co.

We join all of this territory in extending congratulations to Alton Fraser upon completion of his new Flour Mill.

We are indeed glad to have been able to install the wiring and electrical appliances.

We feel that this is the beginning of an era of expansion for our community... and are glad that our service is up to such standards that we were selected for this important job.

REMEMBER, Electric Wiring is Our Specialty.

CONGRATULATING Fraser Milling Co. and Hereford Area

All sifting, bolting and purifying machines in the new Fraser Mill have been clothed with Genuine Imported DUFOUR Swiss silk bolting cloth. Since 1830, a period of 109 years, Swiss Silks and fine flour have gone hand-in-hand.

It is with genuine pleasure that we recognize the completion of a new flour mill in the great Texas Panhandle Wheat Belt. We are more than glad to see the Great Southwest industrialize, and, we are proud of the Hereford area for this forward step.

We are pleased to have played an important part in the furnishing of Genuine Imported Swiss Silk Bolting Cloth for all sifters, purifiers and reels, and, the regrinding and corrugating of rolls used in the process of manufacturing flour.

Naturally, the use of our products and services are technical, but, you will appreciate them in the form of Uniform High Patent Flour.

We are indeed glad to have been of assistance in helping further industrialize the Southwest.
