Burglary, accident reported

Stolen goods valued at \$2,736.71 were taken in a burglary of a business discovered in the 400 block of Main at 8 a.m. Monday. Suspects apparently gained entry by breaking a window in the front of that business and took a quantity of new, electronic equipment and related gear.

A Hereford man was injured in an unusual accident Saturday morning in the 1300 block of West First. Cecil Ostrom was aiding a woman whose pickup had stalled when the woman apparently gunned the motor on the pickup and it lurched forward, catching Ostrom between it and the vehicle he was using to jump start the pickup.

Witnesses indicated that the woman got out of the pickup and apologized for the mishap -- stating that she did not realize the vehicle had been in gear -- but then left the scene of the accident.

A report filed by the Hereford Police Department indicates that Ostrom received a broken leg in that accident. The man was admitted to Deaf Smith General Hospital for treatment of his injuries.

Information concerning the current condition of the patient was unavailable to the **Brand** because of a policy recently established by hospital administrator Gary Moore. Hospital officials will no longer give condition reports on patients to members of the press. A spokesperson from the hospital did inform the investigating officer that Ostrom was in good condition as of Monday morning.

Brand Managing Editor John Brooks has written to Attorney General Jim Mattox requesting an opinion concerning possible violation of the Open Records Act.

School funding studied

AUSTIN (AP) - More money isn't necessarily the solution to the school finance problem, Gov. Bill Clements said after the Texas Supreme Court unanimously declared the state's current funding system unconstitutional.

"It could be that we maybe need more money, but money in itself is not the answer to public education," he said Monday. "Quality education is the issue here."

Clements said he, Lt. Gov. Bill Hobby and House Speaker Gib Lewis will appoint a task force to have public hearings across the state and make school finance recommendations. Lawmakers will consider the issue in a special session next spring, the governor said.

"I am extremely pleased that this is back in the hands of the Legislature where it belongs," Clements said.

The court gave the Legislature until May 1 to overhaul the current system, a decision hailed by poor districts who say their students are deprived of an education equal to that provided in richer districts.

Education Commissioner William Kirby, lead defendant in the lawsuit brought by poor districts, said the realistic solution is a state tax increase to fund "an adequate and equitable system of public education."

"We simply must have bold leadership to make the tough decision of increasing revenue so that we equalize upward ... to the level of a quality education for all children," he said.

Kirby said while he has been required to defend the present finance system, he agrees it is inadequate. In 1990-91, public schools are to receive nearly \$10 billion in state funds and almost \$12 billion in local money.

Lewis said the ruling is a clear message from the court "that every child deserves the opportunity to

Hereford delegates return

During the Deaf Smith County Extension Homemakers Council 25th luncheon-meeting held recently, Hereford delegates who attended the recent state meeting at Corpus Christi gave their reports. Among the 967 delegates attending were, from left, Carol Odom, Maudette Smith and Johnny Messer.

Ann Landers

DEAR ANN LANDERS: I just read a news story about a 29-year-old gun collector from Boca Raton who was looking at a .22-caliber Marlin semiautomatic rifle in the sporting goods department of K mart. He failed to check to see if the rifle was loaded and shot himself in the toe. The man sued the store.

Now get this: He was buying a gun as a gift for his 6-year-old son in honor of his graduation from the first grade.

Can you imagine a 6-year-old child owning a semiautomatic rifle? What on earth is going on? Please address this in your column. It is everybody's concern. -- Seattle

DEAR SEATTLE: I thought when the world learned that the rifle that killed President Kennedy was purchased by mail order, the citizens of this country would demand laws that would make firearms much more difficult to get. I was wrong.

Guns of every conceivable kind are available in far too many cities to anyone who wants to buy one. Until we have a national gun law that covers every state, this sort of abomination will continue.

DEAR ANN LANDERS: I am writing in response to the letter from "Gram in Indiana" who was concerned because her daughter and son-in-law chain-smoked around their baby.

I am a 37-year-old woman with chronic lung problems. Every day is a fight to breathe. I am terrified of catching a cold because it goes to my lungs and I end up in the emergency room. I can't dance with my husband, run with my children or even call to them because of the strain on my lungs. To be around a smoker is torture for me and makes me ill for days. I am a prisoner in my own body, unable to do the normal things others take for granted.

Ann, although I have never smoked, my parents and their friends were all heavy smokers. I lived in smoke-filled homes and

rode in smoke-filled cars. My lungs began deteriorating when I was 7. No disease, just a lung "weakness," the doctors said. I now know that my lung problems are the result of 18 years of breathing secondhand smoke.

I am not angry at my parents. When I was growing up no one knew that cigarettes killed people and that being around smokers was bad for one's health. If I sound like a bit of a loon, I admit it. It's very hard to be deprived of good health and watch others have it and not be bitter. I would gladly give back every gift my parents ever gave me for a set of healthy lungs.

I hope that couple who chain-smoke in the presence of their small child see this. It is no exaggeration to say they could be killing her. -- Portland, Ore.

DEAR PORTLAND: I realize I have printed a great many letters on this subject, but no way could I pass up one as poignant and powerful as yours.

Star Break

This Gem of the Day came from Lorin Hess of Salt Lake City. It was seen in Modern Maturity magazine: A preppy-looking man was arrested for peddling "Fountain of Youth" pills that promised to reverse the aging process. When he came before the judge, His Honor was outraged at such a scam and asked if the man had had a record of prior arrests.

"Yes, indeed," said the prosecutor, referring to her notes. "He was arrested for the same offense in 1981, 1965, 1942, 1908, 1873, 1847..."

LOS ANGELES (AP) - Glenda Jackson, winner of two Academy Awards and two Emmys, says she's dismayed by the roles being written for actresses today, but sees hope in a pair of situation comedies.

"I would like to think that contemporary dramatists and screenwriters would write more about women as they are, and not the adjunct of the male," Miss Jackson said in a recent interview.

Here's An Idea That Can Strengthen Your Family

Tonight at the dinner table, read something out loud to your family.

Tomorrow night, let another member read something.

A news story.

A Bible verse.

A Robert Frost poem.

A cereal box panel.

History. Humor.

Anything.

Each night a different family member can read a selection.

Imagine the wide range of subjects your family will read in 365 days.

What a stimulating way to have your children develop good reading habits.

We have 23 million illiterate adults in America.

We wouldn't have one, if each of them had been served reading as part of their nightly diet.

It's non-fattening, but enriching.

And it doesn't cost a dime.

Pampa pushes Herd to limit

The Pampa Harvesters came close Saturday to upsetting the Hereford Whitefaces in District 1-4A volleyball action at the HHS Gym, but the Herd came back from a first-game loss to score a 12-15, 15-12, 15-2 win.

In the first game, Pampa handed the Herd its first loss of a game at home this year. The Harvesters opened up an 8-3 lead and forced the Herd to play from behind the rest of the way.

The Herd managed to tie the score twice and took the lead at 11-10, but Pampa scored five of the last six points for the win.

The Herd came out firing in Game 2 and led at 13-3 before Pampa ran off nine straight points to close to 13-12. Shantel Cornelius served up the final two points to end the Harvesters' comeback bid.

Playing a third game for the first

time in district competition, Hereford edged out to a 6-2 advantage when Cande Robbins ran off nine straight service points to decide the match.

For the afternoon, Robbins led with 13 service points with Jill West next at nine including an ace. Nikki Self and Cornelius added seven points each with Self having one ace and Cornelius two. Poppy Richardson added five points on serve with an ace.

Richardson led in kills with eight while Libby Kosub and Cornelius each had five. Robbins added four kills and Krystal Sims and West had three each and Jessica Dearing had two.

Cornelius led with six digs followed by West, Richardson and Sims all had five apiece. Kosub add 10 receptions of serve to the setter while Cornelius had nine, Robbins seven and

Richardson six.

"We are just grateful to get out of our own gym with a win," Coach Brenda Reeh said. We had an unbelievable number of unforced errors.

"Pampa came out playing just like a team should against the first-place team in the district. They hit at us hard, dug most of what we hit at them and made very few errors.

"Pampa was ready to play hard and beat us and that just sent us into a state of shock.

Reeh credited the Herd's bench with turning the match around.

"Our bench was a big part of the reason we were able to win," she said. "We had a couple of kids come into the game and stabilize things a little bit for us.

"One of our kids said after it was over that it was good for us to get pushed around a little bit by another team. I think the whole match showed us that we could come back from being down and win. It also woke us up from a comfortable slumber. We certainly won't beat Borger and Dumas this week if we're asleep. We will be ready to play both of them."

Herd JV vs. Pampa JV

The Hereford JV team kept its winning ways going with an easy 15-2, 15-1 win over the Pampa JV.

In the first game of the match, Hereford ran its lead to 12-0 before Pampa got on the board, then Jayme Moore served the last three points of the game for the Herd.

Hereford had a slow time getting started in the second game, but so

did the JV Harvesters, but Hereford rolled to an easy win.

"We have set some pretty lofty goals, and we're working hard to meet those goals because so many of the teams we play are well below our skill level," said JV coach Lynn Gilbreath. "We have met 70 percent of our goals, but we have areas where he need to get a little better.

"We had a couple of errors in the second game at the beginning, but after that we started playing really well. We started playing a lot more aggressively.

"Basically we are playing very well, and our starting middle blocker and starting setter are hurt. I really believe we can beat almost any varsity team in the district except us and Dumas."

CC girls win Seminole meet

The Hereford Whitefaces girls varsity and junior varsity cross country teams took team titles Saturday at the Seminole Invitational Meet as Teresa Castillo won the varsity race.

The varsity girls placed all seven runners in the top 20 finishers to score 20 points. A perfect score in cross country is 15 points. The second-place team, Lubbock Cooper, finished with 70 points to edge Levelland by two. Idalou, Seminole, Frenship and Lubbock Roosevelt rounded out the team standings.

Castillo covered the two-mile course in 13:00 and was followed

across the line by Lisa Zepeda in second place at 13:16. Jill Dutton finished fifth in 13:39, followed by Sally Garza (seventh place, 13:48) and Veronica Hernandez (eighth, 13:51). Other Hereford runners were Denise Davila (ninth, 14:14) and Aracely Nava (16th, 15:00).

In the girls JV race, Rachel Alaniz placed second in 14:24 followed by Minerva Salazar in fourth at 14:46. Renee Banner also broke 15 minutes by a second to finish eighth followed by Hope Flores (11th place, 15:06) and Velma Garcia (23rd, 15:43) to give the JV 39 points. Juanita Lucio finished

28th in 17:03.

In the boys' divisions the varsity placed third with 67 points behind Sundown (52) and Andrews (64) while the JV team entered only four runners and was not eligible for the team standings.

Tim Stagner ran the three miles in 17:03 to finish fourth for the varsity followed by Henry Ruiz in ninth place at 17:34 and Raul Dominguez (17th place, 17:53). Juan Martinez (22nd, 18:24) and Armando Garza (24th, 18:50) rounded out the scoring for the varsity and Jessie Torres finished 30th at 19:22.

Results for the JV boys were Chris Hart in ninth place at 19:27, Eric Davis (13th, 20:15), Chancy Bainum (15th, 20:36) and Gary Skelton (34th, 24:32).

"This was a good course," Coach Martha Emerson said, "green, short grass, smooth, not too hilly but enough for a challenge.

"It was great to win both girls' divisions and pick up a lot of medals," she added. "But the exciting part is the fact that all 13 of these young ladies competed so well. Our goal was to have the top five varsity runners no more than 60 seconds apart and we made it in 57 seconds. The JV girls

were working on a 90-second span and made it in 79. I'm really proud of the effort. The extra miles really did pay off this week.

"We were also trying to get the top five varsity men within a 60-second span, but didn't get it.

"This was a good competition (for the boys). Sundown is the defending Class 1A state champion and they are good. We should have gotten by Andrews. They are 4A so we will get another chance at them this week at Lubbock and again at the regional meet."

Smith wins Claerendon All-Around Cowgirl title

Marci Smith of Hereford took her second straight All-Around cowgirl crown Saturday at the Claerendon Tri-State High School Rodeo Association competition. The win continues the string of five weeks in which a Hereford cowgirl has won at least a share of the all-around title.

Smith placed second in goat tying with a time of 10.839, fourth in barrel racing at 18.418 and breakaway roping 5.407 and sixth in pole bending at 21.716 to claim the top prize with 20 points.

Regina Lewis, who took the all-

around title at the first three rodeos of the fall season, placed right behind Smith in the breakaway and poles with times of 5.877 and 22.116, respective-

ly. Lewis posted a 10.679 to edge Smith for first place in goat tying and added a sixth-place finish in barrels at 18.478.

Ankrom named Dallas' emergency QB

IRVING (AP) - The third string quarterback for the Dallas Cowboys is none other than former Texas Christian star, Scott Ankrom.

Coach Jimmy Johnson said rookie wide receiver Ankrom would be the Cowboys' emergency third stringer should Steve Walsh and Babe Laufenberg go down on Sunday against the Green Bay Packers.

Doctors operated on \$11 million rookie quarterback Troy Aikman's non-passing hand Monday, inserting four screws into a broken finger and putting on a cast that will sideline him at least a month.

Aikman, who suffered a broken

index finger on his left hand in the first period of the winless Dallas Cowboys' 30-13 loss to the New York Giants Sunday, will wear the cast for three weeks.

The Cowboys estimate that the earliest Aikman could return is four weeks with six weeks more likely.

"Realistically he will be out four ball games," Johnson said. "We'll take a look at him before the fifth."

Aikman, the top pick in the regular NFL draft from UCLA, was tackled by linebacker Carl Banks while scrambling eight yards for a first down. He returned to the huddle and asked lineman Kevin Gogan to look at the finger.

"I thought it was just a dislocation and asked Kevin to give it a hard pull and a jerk, which didn't help," Aikman said.

"I gave it a hard pull like he asked and I sure hope I didn't hurt it more," Gogan said.

Dr. Robert Vandermeer, the Cowboys' team physician, said Aikman "was very fortunate it wasn't his throwing hand. That would have been a season-ender."

The left index finger absorbs a lot of the shock in the snap from center and it would be difficult for Aikman to play without fumbling. Steve Walsh, the top pick in the supplemental draft from the Univer-

sity of Miami who is earning about \$1 million a year, replaced Aikman and completed 13 passes for 190 yards and a touchdown. Walsh, who had two passes intercepted, threw a 27-yard scoring pass to Herschel Walker.

"The baseball hat is off and my helmet is on," said Walsh, who had been rumored on the trading block before the Oct. 17 deadline. "I hate to go in this way, but when you are number two, this seems to be the way you get your chance to play."

"My first NFL touchdown pass was sure a highlight. Herschel caught the ball and did his thing." But no matter who was on

offense, the Giants weren't both-

ered. "The Cowboys in the past never seemed to run the same play from the same formation or set twice in the same game," Giants' linebacker Lawrence Taylor said. "What they sent against us Sunday was pretty vanilla. You could always read what was going on. Sometimes it was so simple that we thought it was some trick because it was just too easy to read."

The "new era" Cowboys are off to an 0-4 start, worst since 1963. Some fans wore "cowbag" cutout grocery sacks over their heads Sunday, when only 51,785 showed

up at Texas Stadium. There were

more than 4,000 no-shows. "I don't like to lose," said Johnson, who won 52 games and a national title in five years at Miami. "But if this group keeps working this hard, we'll win some games. We're making progress."

As to Taylor's comment, Johnson said "We have so many young players in the lineup that we can't go at a much faster pace offensively than we have been going. We can't put in a lot of stuff."

He added "I'm pleased we didn't trade Steve Walsh. I feel comfortable he will perform well."

Ryan to return to Rangers in '90

ARLINGTON (AP) - The worst possible news for American League hitters came down Monday. Nolan's coming back!

Yes, Nolan Ryan, he of the bionic arm, will be back with his 99 mph fastball for a 23rd major league season.

Ryan said he will go for his 300th victory next year and "be disappointed" if he doesn't get it.

The 42-year-old Texas Rangers' right-hander is 11 victories short of the 300 plateau, considered an automatic ticket to baseball's Hall of Fame. This year he won 16 games, his highest total since 1977.

"I should get 300 if I stay healthy and pitch all season," said Ryan, who was clocked by a radar gun at 99 mph in one game this season.

Saturday, Ryan recorded his 301st strikeout of the year in a three-hit, 2-0 victory over California, after pitching perfect ball for 7 1-3 innings. He became the oldest pitcher by 11 years to fan 300 in a season. He led the majors in strikeouts with 66 more than runner-up Mark Langston.

Ryan's biggest milestone came Aug. 22 when he struck out his 5,000th batter.

"My return hinged on how I fared physically and how my family enjoyed it," Ryan said. "Going in, I had programmed that it was my last year. I thought along those lines until the last six weeks."

"It turned out to be, if not the most enjoyable season, one that would rate up there with the top couple of seasons. The Rangers treated my family great. They are kid-oriented. In my last several seasons in Houston, my kids wouldn't even go to the Astrodome."

Ryan's two boys traveled on road trips with the Rangers. He also has a daughter. His wife, Ruth, went on some trips and Ryan said, "If it had been up to her, she would have been on the field hitting and shagging balls, too."

"The Rangers worked with my kids and that meant a lot to me."

Ryan said. "That wasn't the attitude in Houston."

Ryan, who will make \$1.4 million on his 1990 contract, signed with the Rangers after Houston allowed him to become a free agent. The Rangers have offered an option for the 1991 season, but he said, "I haven't even thought that far ahead."

Asked if he would like to go for 6,000 strikeouts, Ryan quipped, "I'll probably get that in slow-pitch softball some day."

Ryan had a 3.20 ERA in 32 starts and allowed the opposition a batting average of only .187, the lowest in the major leagues. Ryan, who has a record five career no-hitters, took no-hitters into the eighth inning on five occasions this year before losing them.

Ryan said he will decide soon whether to run for Texas commissioner of agriculture as the Texas Farm Bureau has asked.

"I have to decide whether I can pitch and campaign," said Ryan, who owns 1,000 head of cattle on his ranch near Alvin. "I have to study the pros and cons of whether I can do both."

In 1989, Ryan also:

- Reached the 300-strikeout mark for the sixth time, a figure that has been reached only 22 times in history.

- Became the oldest pitcher to win an All-Star Game.

- Set a club record with 301 strikeouts, averaging 9.4 per start and 11.3 per nine innings, the third-best ratio ever.

"I never thought I'd have a season like this," Ryan said. "My arm feels good. I'm pleased the way I held up."

With the help of Ryan, the Rangers' drew more than two million fans for the first time.

"The way the fans accepted me meant a lot," Ryan said. "That also made my decision to come back easier. I was surprised how well I was treated. It was very rewarding."

A's, Blue Jays open ALCS

OAKLAND, Calif. (AP) - Cito Gaston rejects the talk that the Toronto Blue Jays can't win the big one.

In the next week, the Toronto manager wants to prove it against the Oakland Athletics.

The Blue Jays blew a 3-1 lead to Kansas City in the 1985 playoffs. Two years later, Toronto lost its last seven games to lose the American League East to Detroit.

"As far as big games," Gaston said, "you have to think about what happened."

"In '85, we had KC down 3-1, but they came back to beat us just like they did to St. Louis to win the World Series. We had two of our best guys go down in 1987 (short-stop Tony Fernandez and catcher

Ernie Whitt) that really hurt us."

Last weekend, the current Blue Jays started to chip away at their image problem by rallying twice against Baltimore to win the AL East.

"Cito reminds me a lot of Joe Torre as a manager," Lee Mazzilli said. "He's calm and treats everyone fair. He was a player so he understands certain situations."

Gaston will send Dave Stieb (17-8) against Dave Stewart (21-9) tonight in Game 1.

The Blue Jays will need some great pitching by Stieb, who three times in his career has lost a no-hitter in the ninth inning.

"I guess you have to look at the different degrees of pressure,"

Stieb said. "We as players don't look at it that way, although the media likes to. My job is the same every time out. I have to go out Tuesday with my best stuff and do the job."

The A's, meanwhile, have been criticized for being too laid back.

"That's one of my raw nerves," Manager Tony La Russa said. "It seems like some media people say, unless in the clubhouse before or after the game you have players talking controversial stuff, putting the opponents down, or bragging about themselves, that it's not an emotional clubhouse."

The A's, despite injuries to Jose Canseco, Dennis Eckersley and Walt Weiss, finished with a major

league-high 99 victories and a second straight AL West title.

"When you watch us play, there is no way this club doesn't have a lot of heart," La Russa said. "We slide as hard as anybody, we run the ball out as hard as anybody. I just don't think we talk as much as the writers would like us to."

The Blue Jays will go with right-hander Todd Stottlemyre (7-7) in Game 2 against Mike Moore (19-11).

"The A's have a good right-handed hitting lineup and Todd has been pitching well," Gaston said.

George Bell, who led the Blue Jays with 104 RBIs, has a sore right elbow and will be the designated hitter in Game 1 if the injury does not improve.

Frosh spikers split

The Hereford Whitefaces freshman volleyball team split two matches Saturday at the Borger Freshman Tournament.

The Herd opened the tourney with a 15-8, 15-4 win over Perryton before being knocked out of the event by Dumas, 15-13, 15-9.

Kathy Hernandez led the frosh for the tourney, putting 20 of 21 serves in play while Traci Deckard made 17 good serves out of 18 tries and Robin Watts made 11 of 13 serves.

Watts led with five kills while Hernandez added four. Brandi Webb had three stuffs and two tips on blocks.

UIL outlaws hoops festivals

AUSTIN (AP) - Two high school basketball activities scheduled for this weekend could violate University Interscholastic League rules, a UIL official said Monday.

The activities in question are the BCI Fall Senior Jamboree in Houston on Friday and Saturday and the Texas Fall Showcase in Dallas on Saturday.

"We are concerned because the kids in Texas come first and we are trying to safeguard their eligibility," UIL Athletic Director Bill Farney said Monday.

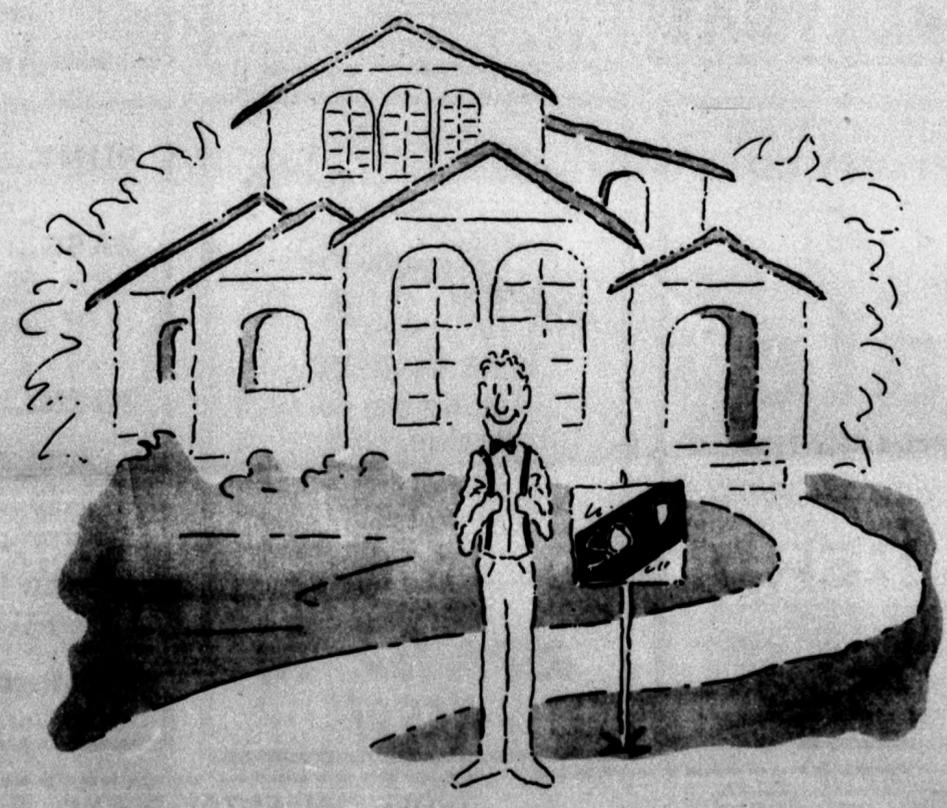

Farney said UIL officials maintain "basketball festivals, shootouts, jamborees, and anything else that advertises the presence of college coaches are in violation of the UIL

try-out rule." He added that student-athletes "who want to protect their eligibility should not attend."

Devers speaks at Parents Night

Parental involvement was the purpose of a program for FHA/HERO members and their parents recently. The meeting was held in the Home Economics Department at Hereford High School.

Invitations were sent to the parents of the 253 students enrolled in Vocational and Occupational Home Economics programs in junior high and high school. There were 58 parents and students at the meeting. Refreshments were prepared by the students and served at the close of the evening.

Films were shown on Self Image and Drug Abuse. "Mirror's", a film produced by Keebler, stressed the importance of a positive self image and how parents can promote or hinder its development in their children. "Don't Forget Sherri," sponsored by the Red Cross, the film on drugs awakens the viewers to some of the dangers of aids and drug abuse.

Elva Devers, a guest speaker, explained a parenting skills course called Step. This is a 10 week course to teach adults parenting skills so they can better communicate with their children. More

information concerning the Step program can be obtained from the Extension office - 364-3573.

Vocational Home Economics Programs available to Hereford High School students are comprehensive Home Economics, Food Service and Nutrition, Apparel, Individual and Family Life, Parenting and Child Development, Housing and Interior Design, Coordinated Vocational Academic Education Production Management and Service II. The teachers at the high school are Martha Layman, Stacy Lea, and Kris Dollar. Louise Witkowski teaches the CUAEPMSI at the junior high. Vocational Home Economics offers students the opportunities to learn skills to improve their lives, career options, and interpersonal relationships.

New officers announced

Dietary Managers of District I met recently in Hereford when 1989-90 officers were named. Nettie Green, at left, will serve as president and Martha Rincon will serve as secretary-treasurer. Green is employed by Golden Plains Care Center as dietary manager and Rincon is employed as a dietary patient consultant at Deaf Smith General Hospital. The organization meets once a month at various locations in the Panhandle.

Dietary Managers elect new officers at recent meeting

Members of the Dietary Managers of District I met recently in Hereford for their first meeting of the year.

During the business session, it was announced that for the 1989-90 year, Nettie Green, who is employed by Golden Plains Care Center as dietary manager, will serve as the organization's president and Martha Rincon, employed at Deaf Smith General Hospital as a dietary patient consultant, will serve as secretary-treasurer.

Guest speaker, Argen Draper, presented the program where she emphasized the use of spices and herbs to enhance the flavor of foods and to lower the sodium in most foods. Draper graduated from West Texas State University with a B.S. degree in home economics. She worked for the

FHA in budget planning, food production and precession and also served as county extension agent for 31 years with 28 years as agent for Deaf Smith County. She also consulted with supervisors in the local school cafeterias.

Members of the Dietary Managers Association in attendance at the meeting were Eliz Fluegel and Jean Smith, both of Amarillo, and Green, Rincon, Frances Tijerina and Mary Ann Johnson, all of Hereford.

Welcomed as guests were Jonell Sutterfield and Charlotte R. Clark, R.N., of Hereford, and Glenda Sifford of Friona.

The Dietary Managers meet once a month in various locations throughout the Panhandle. There are currently 15 active members.

Betty Crocker's Cooking Tips

Q. Can potato starch be substituted for corn starch in recipes? G.E.N., Oregon, II

A. Yes, an equal amount of potato starch substitutes for corn-starch.

Q. When I halve a recipe that calls for three eggs, how many eggs do I use for the smaller recipe? P.S., Gover Hill, OH

A. To divide an egg, beat it slightly, measure volume, and use half the mixture. Increasing or decreasing a recipe's yield, however, may alter its formula and cause poor performance.

Q. What is meant by "solid shortening" instead of butter, margarine or oil used to grease a baking pan? V.V., Iron River, Mn

A. It means hydrogenated vegetable oil, the firm, white fat. It's preferred for greasing baking pans because it helps prevent over-browning of the bottom crust and eases removal of the cake or bread. If butter, margarine and oil are used they brown more readily and may cause cake to stick to the pan.

Collect stamps for fun

October has been designated as National Stamp Collecting Month by Postmaster General Anthony Frank. He says that the month-long celebration will focus on the prehistoric animals block of four U.S. postage stamps which were issued on Oct. 1.

"Stamp collecting is fun and continues to be a hobby enjoyed worldwide," says Postmaster

Charles Britten. "We recognize the almost 19 million organized stamp collectors who already appreciate this hobby. We encourage people of all ages to join in the celebration by taking a close look at these miniature time machines that transport the collector to different places and times." Stamp collecting is your opportunity to "begin an adventure of giant proportions!"

Many local post offices, stamp clubs and civic organizations all across the nation will be participating in exciting, interesting and fun-filled activities that emphasize the enjoyment of collecting stamps.

Hints from Heloise

BUGS BEGONE!

Dear Readers: So you thought bugs were just a summer problem! My pamphlet, Heloise Battles Bugs, will help you get rid of them year-round. Send \$2 and a stamped (45 cents), self-addressed, legal-sized envelope to Heloise/Bugs, P.O. Box 19765, Irvine, CA 92713. — Heloise

OLD SHOWER CURTAINS

Dear Heloise: Don't throw away old shower curtains or vinyl table covers.

They make great dropcloths when painting or washing walls. I just toss them in the washer (if the paint is soap-and-water soluble) after painting, dry and then store them. — E.W., Rockville, Md.

COLD AND FLU SEASON

Dear Heloise: In the cold and flu season I keep a self-sealing plastic bag in my purse to use as a small waste container when one is not within reach. This comes in handy

when my little ones blow their noses, then hand me the tissues and I have no place to put them. It's also a great place for chewed gum.

This keeps my pockets a lot cleaner and helps to decrease the spreading of germs. — Denise Wollschlegler, Salt Lake City, Utah

CAR JACK

Dear Heloise: When the rollers on my queen-size bed needed replacing, I

had to figure out how to do it myself without taking the bed apart.

My father told me to use my scissor-type car jack under each corner of the bed. I placed a piece of plywood under the jack to keep it from indenting the flooring and it made the job easy for one person to do. — Lisa Hamner, Boise, Idaho
