21 Casualties In Kearny Incident Listed By Navy

WASHINGTON, Oct. 20 (AP)—The capital was jolted today by the news that the torpedo which hit the U.S.S. Kearny took a toll of 21 casualties—10 injured and 11 listed as "missing," but believed dead.

The navy formally identified the attacker as "a submarine, undoubtedly German," but this detail of the official announcement was momentarily overshadowed by the unlooked-for disclosure that the Atlantic fleet has sustained its first personnel losses.

When the torpedoing of the new 1,630-ton destroyer was first made known Friday, the navy's communique said "no casualties were indicated" and relief tempered the capital's reaction to the incident. Last night, however, the navy received further information—the wounded Kearny had made her way to an undisclosed port and reported her 21 casualties.

District Food Rally Meeting Slated Here

Big Spring will be the site for one of a series of district meetings to be held over the state on Oct. 21 to complete plans for rallying farmers to support the national defense program for increased food and feed production.

These district parleys, to which heads of agricultural agencies in the various counties will be urged to come, will be held simultaneously and will follow a meeting of state leaders on Oct. 27-28, according to E. F. Vance, chairman of the Texas foods for defense unit.

According to the plan released by Vance and other members of the state committee, county meetings will follow on Nov. 1 and the statewide sign to get farmers to sign production pledge cards will come on Nov. 3.

Other meetings in this area on Oct. 21 will be district No. 6-south (companion to the No. 6-north meeting here) at Fort Stockton, district No. 2 at Lubbock and district No. 7 at Abilene.

Howard county's food production goals, as announced last week, were approved by the county USDA defense board in session Monday morning.

The goals call for an increase in production of milk, eggs, poultry, beef, pork, gardens and other food products as a part of the defense program.

Beginning November 3, every farmer in the county will be contacted by AAA representatives to secure pledges of higher food production.

Flying Week Off To Good Start Here

"Keep 'Em Flying" week got off to a good start here Monday with the arrival of a flight examining board to check 12 candidates for aviation cadet.

Two of the number to be examined during the day and Tuesday had sufficient college credits if they pass their physical, said Sgt. Troy Gibson, recruiting officer. Ten others were in line to take a refresher course being made possible by the schools, the chamber of commerce and other agencies. Up to noon Monday only one candidate had been eliminated in the board's check.

In addition to board members, Capt. Perry C. Euchner, district aviation cadet officer from Fort Bliss, made a visit Monday morning. It may have been his last visit in that capacity for he has been appointed by the war department to succeed Col. C. McLaughlin, who has been transferred to Los Angeles, as district army recruiting officer.

Eight of the candidates were to be examined by the board at the municipal auditorium Monday and the remaining four were to be checked Tuesday. Sgt. Gibson said that he had 10 other applications in process of being completed, and that the board would be called back at a later date.

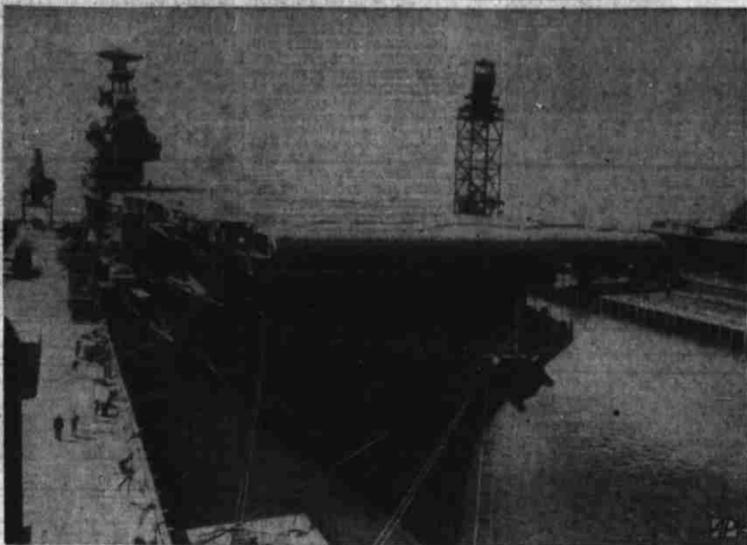

This week several service clubs are to take cognizance of the special week by including announcements or talks on their programs.

Russians Say Four Million Germans Killed, Wounded

Moscow Braces Self Under State Of Siege With Nazi Armies 57 Miles Away

LONDON, Oct. 20 (AP)—Pravda declared today that German losses on the eastern front now are approaching 4,000,000 killed and wounded, but "still these accursed locusts come on," according to a Moscow radio broadcast.

The price the Germans are paying for their gains was indicated by the soviet information bureau, which said that in the Bryansk and Kalinin sectors Saturday alone Russian forces destroyed about 445 German trucks loaded with men, fuel and munitions, 25 tanks and 70 cannon.

Moscow became one vast bristling fortress today under a state of siege proclaimed by Premier Joseph Stalin as the city's millions braced themselves for the impact of advancing German forces only 57 miles away.

The broadcast of Stalin's proclamation by the Moscow radio preceded an official Soviet announcement that gigantic battles were raging on two approaches to the city, in the Moshaisk and Maloyaroslavets sectors to the west and southwest.

Moshaisk is 57 miles airline west of Moscow, on the railroad running to Vyasma, the central-front sector where attacks and counter-attacks surged from the start of the German Moscow offensive on October 2.

Maloyaroslavets is 45 miles below the city on the rail line to Kaluga, communications center about 25 miles farther to the southwest.

The Moscow radio said the Germans attempted to turn the Russian flanks in the Maloyaroslavets area but were halted by strong resistance.

"On the central front," the radio said, "the Soviet army is holding back the enemy and preventing him from moving on the capital."

To reinforce the embattled Red armies, admittedly under mounting pressure, Moscow's population was being recruited rapidly into a huge civilian army, and large numbers of Siberian and Mongolian troops were declared by the Soviet radio to be rushing westward to meet the German onslaught.

The state of siege was clamped down "to secure the rear for the defense of Moscow and to strengthen on the rear of the forces defending Moscow, as well as to stop any subversive activity of spies, diversionists and other agents of the German fascists."

BERLIN, Oct. 20 (AP)—Axis armies are sweeping eastward anew toward the Russian war industry centers of the Donets Basin and stand within 30 miles of Rostov, gateway to the oil-rich Caucasus, the German high command declared today.

On the Moscow front, Red army counterattacks were said to have been beaten back after German troops stabbed new wedges into the Soviet defense system and wiped out two more Red army groups in bitter fighting.

Contract for lighting facilities at the Big Spring municipal airport has been let to the Graybar Electric Co., of San Antonio, the city has been informed by the state WPA office.

Amount of the contract was not known. This was the last of the contracts to be let on the project which will cost in excess of \$600,000 and which is well underway now.

Hunter Strain, Colorado City, who holds contract for stabilizing base on the huge northeast-southwest runway, has not moved his heavy equipment here for the work. Meanwhile, finishing touches were put on the caliche base of the 5,400-foot east-west runway and excavations for drainage pipe and grading were in progress Monday.

Thompson Calls For More Oil Production

Stocks Below Safety Point, He Asserts

Texas Should Produce All Possible Without Waste, Says Colonel

AUSTIN, Oct. 20 (AP)—Ernest O. Thompson, chairman of the Texas Railroad Commission which regulates the oil industries in the biggest producing state of the nation today called for all the production of oil possible without physical waste.

Speaking at a statewide production hearing, Thompson, former chairman of the Interstate Oil Compact Commission, asserted that in times like these, crude oil should be gotten above the ground.

The commission chairman, a colonel in the Texas national guard who returned temporarily to his state office from active duty, expressed the hope the oil industry would ask federal officials for "the full amount of oil which can be produced without physical waste."

In this time of emergency, oil is the first line of defense for our country, said Thompson. "It is devastation for oil producers, especially in Texas, if they do not produce as much crude oil without physical waste as they can."

"You cannot train an army without oil."

"Currently the oil stocks above ground have been reduced about 10,000,000 barrels below the safety point."

Thompson asserted that to hold down production in the hope of boosting the price of oil would be un-American.

Many states can produce more oil without causing physical waste, he went on, adding that the time to build up stocks for the spring is winter.

"In times like the present, it is more comfortable to get the oil above ground," he declared. "Production as needed is alright in peace time."

He stated Texas might make up the 100,000 barrels which he asserted Oklahoma had been authorized to produce but had not produced.

At the start of the hearing, intended to receive evidence on which to base future allowable crude production, the commission disclosed purchasing nominations for oil in November totaled 1,862,000 barrels daily, an increase of 53,207 over October figures.

The commission also announced the U. S. bureau of mines estimate of market demand for Texas oil in November was 1,454,700 barrels daily, an increase of 24,600 over that of the current month.

A number of oil producers requested increased allowances, declaring there was strong demand for their crude, partly as a result of national defense needs which might not always exist.

Rez Baker of Houston, representing the Humble Oil and Refining company, one of the largest in the state, asserted there was a strong demand for low cost test crude and asked for an increase of 25,000 barrels daily in the production of about 30 fields which yielded that type of oil.

He said 15,000 barrels daily were needed to meet potential U. S. navy contracts alone.

Burglars Get Small Loot In Raid Here

Burglars made away with three or four dollars cash and the contents of a gun and peanut machine lifted from the Wooten Produce Co. on NE 3rd street Saturday night.

Officers found the abandoned machines in the weeds back of the building. The safe was open but apparently contents were not bothered. An attempt had been made to open a bottle drink dispensing machine.

Nothing had been disturbed at the Hanshaw-Queen Motor Co., said police, who investigated an apparent burglary attempt there.

Area Undertakers Meet Here Tuesday

Undertakers of the West Texas district will have their regular quarterly session here Tuesday afternoon and evening.

The business session of the convention is slated to start at 3 p. m. in the Settler hotel and the meeting will be climaxed by a banquet and dance in the evening.

Freuding over the session will be W. F. King, Ballinger, district chairman. State and national association representatives may come here for the meeting which is to draw approximately 50 persons from the area between Breckenridge and Monahans and Mason and Lamesa.

High German Officer Shot By Assassins In France

VICHY, Unoccupied France, Oct. 20 (AP)—General Holtz, German commandant of the Nantes region of occupied France, was shot to death today in the center of the city by two men who lay in wait along a street he passed on his way to his office.

He was the highest German officer yet attacked in the wave of terrorism throughout the occupied zone.

One report said he suffered both pistol and shotgun wounds as he fell shortly after 2 a. m. before a blaze of firing which shattered the Monday morning quiet along Cours Saint Pierre in front of Saint Pierre church.

The assailants, said to have opened fire without warning, disappeared before a cordon of French and German police could be thrown around the tree-bordered boulevard.

German authorities in Paris declared they would make known the consequences of the attack soon.

Tax Payers May Save On Old Accounts

Taxpayers have an opportunity to save between six and 47 per cent on \$56,583.21 city taxes delinquent prior to July 1, 1940 if they pay before Nov. 1.

Figures for similar delinquent rolls for Howard county and the Big Spring Independent School district were not available immediately.

Under the law, delinquent taxpayers may square accounts on 1939 and prior year taxes without penalty and interest provided they clear the slate. By paying six per cent interest they can clear single pieces of property. After Nov. 1, however, old interest and penalty schedules go into effect and amount up to as high as 47 per cent in some cases.

Here is the way the city rolls, affected by the delinquent payment opportunity, stands up:

1939	\$9,807.47
1938	5,148.04
1937	4,383.46
1936	3,697.35
1935	4,157.38
1934	5,019.25
1933	4,852.78
1932	5,731.61
1931	5,145.91
1930	3,535.50
1929	2,441.89
1928	1,105.44
1927	789.38
1926	498.44

Jap Premier Asks People For Sacrifice And Unity

TOKYO, Oct. 20 (AP)—Declaring Japan now stands at a crossroads in her national history, Premier General Hiroto Tojo called today for "iron unity among all the fighting arms and the people to cope with the encirclement of Japan by foreign powers."

Tojo's appeal was issued in an order of the day directed to the war office in his dual role of premier and war minister.

He told war office officials in an address that they must be prepared to sacrifice everything in order to surmount the "crucial hour" which he said is facing Japan.

The premier, who returned to Tokyo by plane overnight after a pilgrimage to the temple of the Sun Goddess at Ise, immediately plunged into the task of revamping the Japanese civil and military administrations to bring them under strict unified control.

One of his first moves as home minister—a post he assumed along with the premiership and war ministry—was an unexpected and sweeping shakeup of the department's police bureau heads.

By "encirclement of Japan" the Japanese understood their new prime minister to refer to the military and economic measures taken recently by the United States, Britain, China and the Dutch East Indies and Russia's part in the war against the axis.

The press generally insisted that the new government was not a bellicose one although it was expected to deal firmly with the empire's foreign problems.

Discussing relations with the United States, the influential newspaper Asahi said the new foreign minister, Shigenori Togo, would continue his predecessor's efforts to deal with the "cancer of the Pacific"—a favorite current phrase for Japanese-American friction—as an important problem of the day. "In a spirit of justice and fortitude."

Strike Again Looms In Plane Parts Factory

Unless President Roosevelt can find some way to reconcile differences between a CIO union and Air Associates, Inc., a vital supplier of parts for airplane manufacturers, it appeared probable today that for the third time the government would have to take over a defense plant.

The defense mediation board, which has been trying since July to resolve the dispute between the United Automobile Workers and the management of the Bendix, N. J., concern, conceded failure yesterday and turned the problem over to the president.

This prompted speculation whether he would find it necessary to pursue the same course as in other stubborn defense strikes. In one at the North American Aviation plant in Inglewood, Calif., he directed the army to take over. Later the factory was returned to the company. In the other, the navy assumed and still retains control of the Federal Shipbuilding and Drydock company works at Kearny, N. J.

Army Inducts Four Negroes

Four negroes left Monday morning for induction into the army as selectees.

They filled the second Howard county quota for negroes, and two of them were transfers from other points. All four were volunteers.

In the group were Henry Johnson, leader, Wallace Wright, Arthur Horn, transferred from Henderson, and Ira Horn, from Jacksonville.

Next call for selectees from Howard county is set for Nov. 6, but under a new plan, those due to fill the quota are to leave for Fort Bliss on Oct. 27 for a pre-physical check.

Through this arrangement, selective service officials felt that the eliminations through physical disabilities would be largely overcome.

Blame Placed In Army Plane Crash

EL PASO, Oct. 20 (AP)—Official cause of the crash of an army observation plane and the death of its three occupants was declared today to have resulted from an attempt at concealment from ground forces in a mock surprise attack on the Fort Bliss anti-aircraft range.

The plane crashed in a canyon 25 miles northeast of Las Cruces, N. M., a week ago today. It was not found until Saturday.

Board Of Education Decides Buying History, Geography Books Useless

AUSTIN, Oct. 20 (AP)—The Texas board of education contracted for delivery of \$2,000,000 worth of textbooks for schools next year but no histories or geographies were among the 62 titles.

World turmoil convinced the officials new history or geography texts would be outmoded by the time of delivery.

Still in use are those adopted by the board in 1938 which make no mention of the present world war.

Students of current history should read the newspapers, advised President Ben Oneal.

Highway Patrolmen Get Rifle Drill

AUSTIN, Oct. 20 (AP)—Texas highway patrol rookies are for the first time in history learning close order rifle drill.

The national emergency with possibility of parachute invasion and other dangers put rifles on the equipment list along with time-honored six-shooters.

Deserter Faces Murder Charge

SAN ANTONIO, Oct. 20 (AP).—Deserter Clarence Oliver Hutcherson, 30, was returned here today to face a murder charge after admitting that he slew Alfred Friesenhahn in an attempted robbery, carried the body in the victim's automobile to a pasture near Nocona and buried it.

Hutcherson was released to Bexar county officials after a hearing conducted yesterday by County Attorney Louis Holland at Montague. The Bexar authorities said the case would be presented to a grand jury at the earliest possible time.

Holland said a statement from Hutcherson related that the soldier on the night of Oct. 13 (the night after he was reported by army officials to have gone AWOL from a Fort Sam Houston guard post) approached Friesenhahn at a roadside park eight miles north of San Antonio with the intention of committing robbery.

Then, the statement continued, the soldier fired three times through the door of Friesenhahn's automobile and stabbed him several times "to put him out of his misery."

Holland said Hutcherson's statement told of a drive from the slaying scene with the body of the victim, a San Antonio cabinet maker who was to have been married this week; of picking up an unrecognizing hitchhiker between Austin and Waco; of burying the body Tuesday afternoon; and of a subsequent drive to Oklahoma.

Recipes To Be Used By Mrs. Wilson At Tuesday's Session

Following is the list of recipes from which Mrs. Cora Wilson will select her demonstrations at Tuesday's session of the cooking school at the Ritz theatre. It is suggested that these be clipped and filed for future use.

CHICKEN POT PIE
BROILED FISH WITH CREOLE SAUCE
SCALLOPED CELERY AND CARROTS
HARVARD BEETS
MODERN SPOON CORNBREAD
ORANGE NUT BREAD
HOT CROSS BUNS
PEPPER POT RING
COFFEE CUP CAKES—COFFEE FROSTING
COCONUT RICE FUDGING
ORANGE NUT PIE
LEMON FROST CAKE
FRIEDA'S SPICE CAKE
BASIC ICE CREAM
DRIP COFFEE

CHICKEN POT PIE
 1 chicken
 1 sliced onion
 1-2 cup celery
 Parsley
 2-3 lb. fresh pie crust
 Mushrooms
 2 tbsps Dairyland butter
 1 hard cooked egg
 Salt and pepper
 Gladiaola flour

Select young chickens, boil until tender. Remove from cooking liquid and when cooled, remove bones. Put onion, celery and parsley in cooking liquid. Boil 1-2 hour. Thicken with a little flour and return chicken to it. Saute mushrooms in butter, season to taste, and add to chicken. Line buttered casserole with short crust rolled thin, put in chicken and all of gravy if possible. Slice hard cooked egg thin and spread over top of chicken. Put on top small biscuits. Bake until biscuits are done and a warm brown in color (400 degrees or 30 minutes).

BROILED FISH WITH CREOLE SAUCE
 1 fish to broil (2 to 2 1/2 lbs.)
 1 cup canned tomato soup—undiluted
 6 stuffed olives, sliced
 1 tbsps minced onion
 1 tbsps capers
 1 tbsps sugar
 1-2 tps Morton's salt
 1-4 tps paprika
 1 tps Worcestershire Sauce
 Lemon and parsley for garnish

Select the fish and have it split and cleaned for broiling. Having a high fat content, mackerel is a good choice for broiling as it requires no basting while cooking. Pre-heat the broiling unit. Place fish on well-greased broiler or baking sheet, skin side up. Arrange the pan about 2 inches below broiling unit and cook about 10 minutes. Run a spatula under the fish to loosen it from broiler

and turn. Continue cooking about 5 minutes or more until the fish is a delicate brown. Slide the fish on the sizzling hot platter, spread with butter and garnish with lemon and minced parsley. Accompany with creole sauce made by adding to the tomato soup the olives, onion, capers, sugar, salt, paprika and Worcestershire sauce. Add fresh green beans and Julianna potatoes to the platter and serve.

SCALLOPED CELERY AND CARROTS
 Scrape 2 medium sized carrots and cut small to make 2 cups. Add 1 cup diced celery. Cook carrots and celery together in small amount of water until soft. Make a white sauce by melting 2 tbsps butter. Add 2 tbsps flour and 1 cup cold milk. Add 1-2 cup grated yellow cheese. Stir until mixture thickens. Place a layer of the vegetables in a casserole, then a layer of white sauce, repeating until all are used. Cover with buttered bread crumbs and brown in a 400 degree oven. Serves six.

HARVARD BEETS
 Melt 2 tbsps butter and add 2 tbsps flour. Blend well and add 1-4 cup boiling water and cook until thickened, stirring constantly. Add 1-4 cup sugar and 1-4 cup vinegar and season with salt and pepper. Next add 1 can cubed beets or 12 small beets. Heat thoroughly before serving. Serves six.

MODERN SPOON BREAD
 1 pint sweetmilk
 1 cup cornmeal
 2 tbsps Gladiaola flour
 2 tbsps Mrs. Tucker's shortening
 1 tps Morton's salt
 1 tps KC Baking Powder
 4 eggs—separated

Scald milk, add cornmeal, flour, salt, baking powder, which have been sifted together, slowly to hot milk. Stir constantly to make smooth. Add egg yolks to hot mush one at a time, beating well and cook slowly. Remove from heat and fold in stiffly beaten egg whites. Pour into greased baking dish. Bake at 350 degrees for 30 minutes. Serve from the dish with heated silver spoon and don't forget the butter and plenty of it.

ORANGE NUT BREAD
 Sift together, 2 cups Gladiaola flour, 2 tps KC Baking Powder, 1-2 tps Morton's salt and 1-4 cup sugar. Add 1-2 cup chopped nutmeat, 1 tpsps grated orange rind, 1-2 cup orange marmalade, 1 egg (well beaten) 1 cup milk and 2 tbsps melted Dairyland butter. Mix well and turn into a well greased bread tin. Let stand 10 minutes and bake 50 to 60 minutes in moderate oven 350 degrees. Delicious made into sandwiches with cream cheese filling.

HOT CROSS BUNS
 Scald 2 cups sweet milk and pour over the following mixture—4 tbsps Mrs. Tucker's shortening, 4 tbsps sugar and 2 tps Morton's salt. Let stand until cool. Dissolve 1 yeast cake, add 1 tps KC Baking Powder and about 8 1-3 cups flour (if you desire, add 1 or 2 eggs). Place in warm place, let rise. Shape and let rise. Bake at 400 degrees 15 to 20 minutes.

PEPPER POT RING
 Mix in order given: 2 beaten eggs, 1 10 1-2 oz. can condensed Pepper Pot Soup, 1 cup milk, 2 cups day-old bread cubes. Place in greased ring mold, let stand at least 15 minutes. Bake in moderate oven (350 degrees) until firm—about 20 minutes. Unmold on hot platter, fill center with buttered peas or other green vegetables, garnish with oven steamed carrots, pimientos and parsley. Serves 8.

COFFEE CUP CAKES
 1-4 cup Mrs. Tucker's shortening
 1 cup dark brown sugar
 1 tps vanilla
 1-2 tps Morton's salt
 1-2 cup sour cream
 1-4 cup strong Admiration coffee

COFFEE FROSTING
 2 eggs
 2 cups Gladiaola flour
 1 tps KC Baking Powder
 1-2 tps soda
 Cream shortening and sugar and add rest of ingredients. Beat hard for 3 minutes. Half fill well greased muffin pans and bake 15 minutes in a moderate oven (350 degrees). Cool and cover with coffee frosting.

COCONUT RICE FUDGING
 1 box coconut
 2 cups hot Dairyland milk
 1 cup uncooked rice
 7-8 cup brown sugar
 1-2 tps Morton's salt
 1-4 tps cinnamon or nutmeat
 2 tpsps freshly made Admiration coffee
 1 tps vanilla

Wash rice several times. Cover with water and let soak 1 hour. Drain thoroughly and combine it with the sugar, salt and coconut and milk. (To make coconut milk, add hot milk to coconut and let stand for 1-2 hour.) Cover and bring to boiling point. Reduce heat to very low. Continue to cook without stirring until the rice is half cooked. Four sugar, coconut and all the seasoning on top and cook until tender. Serve hot or cold.

ORANGE NUT PIE
 1 cup Karo corn syrup
 4 tbsps melted Dairyland butter
 1-2 tps Morton's salt
 4 tbsps sugar
 2 tbsps orange juice
 1 tps orange rind (grated)
 3 eggs—beaten slightly
 2 tbsps Gladiaola flour
 1 cup nuts
 Mix and pour into unbaked shell. Bake at 400 degrees for 10 minutes.

LEMON FROST CAKE
 1-4 cup Mrs. Tucker's shortening
 1 cup sugar
 2 eggs—unbeaten
 1-4 tps Morton's salt
 2-3 cup Dairyland milk
 1-2 tps orange extract
 1-2 tps lemon extract
 2 cups Gladiaola flour
 2 1-2 tps KC Baking Powder

Cream together shortening, sugar, eggs, salt and extract about 1-2 minutes on high speed (5th or 7th). Sift flour and baking powder 3 times. Add alternately with milk. Bake in two 8-inch layer pans at 350 degrees for 30 minutes.

MOCHA FROSTING: 4 tbsps strong Admiration coffee (made fresh), 2 tbsps melted butter, 1 tps vanilla, 2 tbsps cream or enough to make consistency to spread, 1 box powdered sugar. Mix extract, coffee and butter with the sugar and stir into cream, gradually rubbing out all lumps. After the frosting is spread on cake, 2-4 cup of chopped nutmeats may be sprinkled over the top.

BASIC ICE CREAM
 1 cup sugar
 2 tbsps Gladiaola flour
 1 1-3 cups Dairyland milk
 3 egg yolks

4 egg yolks (beaten)
 1 cup Dairyland milk
 1 tps vanilla
 2 tps KC Baking Powder
 2 1-3 cups Gladiaola flour
 4 egg whites
 1 tps cinnamon
 1 tps nutmeg
 Cream shortening and sugar until very light. Add egg yolks which have been beaten until thick and lemon colored. Sift all dry ingredients three times and add alternately with milk. Fold in stiffly beaten egg whites. Bake in greased layer pans at 300 degrees 30 to 35 minutes.

DRIP COFFEE
 Measure into drip coffee maker, 1 tpsps Admiration coffee for each cup desired. Bring freshly drawn water to quick boil and pour over coffee, using 1 cup of water to each tablespoon of coffee. Serve immediately or keep hot until ready to serve. Do not boil.

1-4 tps Morton's salt
 2 tps extract
 1 pint cream—whipped until roppy.
 2 egg whites (beaten stiff).
 Combine sugar, cornstarch, salt and milk with beaten egg yolk. Place over low heat and cook about 10 minutes, stir constantly. Chill. Add vanilla, whipped cream and egg whites. Set temperature control at coldest position about 30 minutes in advance of freezing. As soon as frozen, set back to normal to ripen.

SHE LOOKS AT THE RECORD.—Maxine Woodfield inspects a roll of film made with an aerial camera, one of those which equip the new Clarendon, Va., plant of the topographic branch of the U.S. Geological Survey, an office which—more simply—will be concerned with naming maps that shows valleys, rivers, mountains, etc., of U.S. as a vital defense aid.

Bran Muffin And Bread Popular

If men were asked to vote for their favorite hot bread, good old fashioned baking powder biscuits would probably win the poll. But next in order would be bran muffins, for there's nothing like them when served right from the oven, their crisp golden crusts and moist tender "insides" spread with melting butter.

But men wouldn't be the only ones to cast their vote for bran muffins. Women like them because they're fool-proof, easy-to-make; even an amateur can master them. As for bran bread, it's one of the tastiest of all the quick breads—and one of the quickest!

Baking with bran is a simple business. Basic ingredients are just ordinary flour and a box of bran cereal. But for variety there's no

end of the things that can be used, as for example, the four superb recipes that follow: Pineapple All-Bran Bread; All-Bran Apple Butter Bread; Date Bran Muffins and Down-South Biscuits.

Pineapple All-Bran Bread
2 tablespoons shortening
1 cup honey
1 egg
2 1/4 cups flour
1 tablespoon baking powder
3/4 teaspoon salt
1 cup Kellogg's All-Bran
1 cup unsweetened pineapple juice

3/4 cup chopped nut meats
Blend shortening and honey; add egg and beat until creamy. Sift flour with baking powder and salt. Stir one-half of dry ingredients into first mixture; add All-Bran and pineapple juice, and mix well. Add remaining dry ingredients with nut meats and stir only until flour disappears. Bake in greased loaf pan with waxed paper in the bottom, in moderate oven (350 degrees F) about 1 hour and 15 minutes.

Yield: 1 loaf (4 1/2x3 1/2 inch pan)

All-Bran Apple Butter Bread
1 cup Kellogg's All-Bran
1 1/2 cups apple butter
1 teaspoon lemon juice
1/4 cup shortening
1/2 cup sugar
1 egg
1 1/2 cups flour
2 teaspoons baking powder
1/2 teaspoon soda
1/2 teaspoon salt
1/2 cup seedless raisins

Combine All-Bran with apple butter and lemon juice; let soak about five minutes. Cream shortening and sugar thoroughly; add egg and beat well. Add All-Bran and apple butter. Sift flour with baking powder, soda and salt; add raisins. Combine with first mixture, stirring only until flour disappears. Pour into greased loaf pan and bake in moderate oven (350 degrees F) for 1 hour and 10 minutes. Cool before cutting.

Yield 1 loaf 6 1/4x9 1/2-inch pan)

Date Bran Muffins
2 tablespoons shortening
1/4 cup sugar
1 cup sour milk
3 tablespoons molasses
1 egg
2 cups Kellogg's All-Bran
1 cup flour
1 teaspoon baking powder
1/2 teaspoon soda
1/2 teaspoon salt
1 tablespoon ground ginger
1/2 cup chopped dates

Blend shortening and sugar thoroughly; add sour milk, molasses and egg; beat well. Add All-Bran and let soak until most of moisture is taken up. Sift flour with baking powder, soda, salt and ginger; add to first mixture. Add dates and stir only until flour disappears. Fill greased muffin pans two-thirds full and bake in moderately hot oven (400 degree F) about 25 minutes.

Yield 18 muffins (2 1/4x1 1/4 inch pans).

Down-South Biscuits
1 3/4 cups flour
4 teaspoons baking powder
1/2 teaspoon salt
1/2 cup Kellogg's All-Bran
1 cup whipping cream
Sift together flour, baking powder and salt. Roll All-Bran into fine crumbs and add to flour. Add cream and stir until dough is formed. Turn onto floured board and roll to 1/2 inch in thickness. Cut with small biscuit cutter and bake on greased baking sheet in hot oven (470 degrees F) about 10 minutes.

Yield: 18 biscuits 2 1/2-inch diameter.

Note: If biscuits are brushed with a mixture of egg yolk and water before placing in the oven, they will have a golden brown glaze. If sour cream is used instead of sweet, reduce the baking powder to 1 teaspoon and add 1/2 teaspoon soda.

Mrs. Wilson's Talk Warmly Received

The Herald's free cooking school swung into its fourth annual session Monday morning, with several hundred women — a large crowd considering threatening weather at the start — on hand to greet a new lecturer, Mrs. Cora Wilson.

Other demonstrations are slated for 9:30 a. m. Tuesday and Wednesday at the Ritz theatre, with the school reaching its climax on the last day, when attendance awards will be topped by presentation of the Magic Chef gas range. Mrs. Wilson had an interested audience as she prepared and explained many types of dishes Monday morning, and women flocked to the stage at the conclusion of the lectures to ask questions and to examine the dishes the instructor had prepared.

Mrs. Wilson is conducting her kitchen demonstrations with modern gas ranges, Servel Electric refrigerators, and up-to-date cabinet and appliance facilities. Participating manufacturers and merchants—all cooperating enthusiastically in the school—had attractive displays which drew interest and enhanced the appearance of the theatre stage.

The lecturer expressed herself as being greatly pleased with the first day's session. "I find Big Spring extremely friendly," she said, "and all the local business men and all the women whom I met Monday were very gracious and cooperative. I think we will find that our school will get better as it progresses."

Mrs. Wilson was introduced at the first session by Mrs. Elton Taylor. Hostess for Tuesday's session will be Mrs. Wayne Pearce.

Tuesday's and Wednesday's sessions will start promptly at 9:30 a. m. They will be concluded — as was the Monday lecture — in plenty of time for women to reach home before noon.

Mrs. Wilson describes in detail the various recipes she prepares on the stage, demonstrating dishes

that are pleasing to the palate and the eye. Basic recipes for tomorrow's session appear in today's Herald, and it is suggested that women clip these recipes for reference at the school and for future use.

All women were reminded to register at the entrance at each session.

Mrs. Wilson reminded women of the cake baking contest to be staged in connection with the last day's program. Sponsored by Mrs. Tucker's Shortening, one of the participants in the school, the contest features as first prize a five-piece set of Everredy chrome steel cooking ware. Others are to cooperate in the event by posting other prizes. The cakes are to be submitted Wednesday, and the winners will be announced from the stage.

Jo Ann Wagley, Age One Year, Succumbs

Jo Ann Wagley, year-old daughter of Mr. and Mrs. J. M. Wagley, 611 East Fourth street, succumbed Sunday midnight in a local hospital, following a 10-day illness.

Funeral will be held at 3 o'clock Tuesday afternoon at Eberley Funeral home. The Rev. Ernest Orton, Nazarene pastor, will officiate.

Survivors include the parents; four sisters, Wanda and Bessie of Big Spring, Mrs. Modell Jacobs of Crane and Mrs. Quaneh Compton of Lorraine; and four brothers, H. B. J. C. and Clifford Wagley of Big Spring and Travis Wagley of California.

Coca-Cola Film To Be Shown At Tuesday School

A special feature of Tuesday morning's session of the free cooking school at the Ritz theatre will be the presentation of a special film on the manufacture of Coca-Cola.

Made with sound, the entertaining and instructive reel was made by the Coca-Cola Bottling company at a cost of many thousands of dollars, and has been popularly received at public gatherings all over the nation. It tells in interesting fashion how the popular beverage is produced and put before the public.

In addition, on Tuesday several hundred copies of Coca-Cola's newest book on flower arrangement will be distributed. This book, profusely illustrated and prepared by an expert, has been in great demand by women everywhere.

The film showing and the book distribution are through courtesy of the Texas Coca-Cola Bottling company, a participant in the school. Coca-Cola is the beverage choice of the lecturer, Mrs. Cora Wilson, who endorses it as a welcome accompaniment to any refreshments.

Why WE ARE USING GLADIOLA FLOUR (EXCLUSIVELY)

at the

HERALD COOKING SCHOOL

- 1 → Gladiola is a true "all-purpose" flour. Perfect for biscuits, bread, pastries and cakes alike — with Gladiola you need no other flour.
- 2 → Gladiola Flour is an "all-cook" as well as an "all-purpose" flour. Gladiola will give YOU in YOUR kitchen the same fine results we get at the cooking school. Your baking will be fail-proof, the "Gladiola Way."
- 3 → Gladiola is GOOD flour. In most of your baking — biscuits, bread, pie crust and many cakes — the flavor and goodness come from the flour. No fancy flavors, no pretty coloring to cover up the flat, tough, grey baking you always get from cheap flour.
- 4 → Gladiola has ALWAYS BEEN good flour. Every sack. Its goodness never varies. And that quality has been unfailingly guarded through 25 years of milling. You can depend on Gladiola.

WOMEN, here's 2-Way relief!

Probably the help many women get from CARDUI comes from its use as a tonic to increase appetite, aid the flow of gastric juice, and thus assist digestion and help build strength. Thus, it often relieves periodic functional distress. But it may also help relieve such periodic distress if you start taking it as directed 3 days before "your time." Modern facts and 51 years' use invite confidence in CARDUI—adv.

Germans Tell Of Convoy Sinkings

BERLIN, Oct. 29 (AP)—A DNB eye-witness account of the German submarine attack on a British convoy in the north Atlantic last week declared today that one of two destroyers sunk apparently was one of the former United States warships traded to Britain for bases.

The news agency account said that a lone submarine opened the attack in which the high command said Saturday that 10 freighters and two destroyers were sunk.

Flames and explosions from three sinking vessels, DNB's anonymous eye-witness reported, attracted other U-boats to the scene of the mid-ocean battle which lasted at least three days and nights.

Hoover Again Asks Food For Europe

NEW YORK, Oct. 29 (AP)—Renewing his plea for an American-sponsored food plan to end starvation in Nazi-occupied democracies, Herbert Hoover says the lives of millions of hungry European children are in jeopardy.

The former president said in an NBC network broadcast last night that it would not have the slightest effect on the military outcome of the war if we assured food to the needy among the whole 40,000,000 democratic children in Europe.

Lamesa Falls To B'Spring Riders, 10-6

After suffering three defeats in the last three starts, Big Spring's poloists regained some lost ground Sunday afternoon by administering a 10 to 6 walloping to a visiting Lamesa quartet.

Bob Cleveland, riding at the number two post for Big Spring, accounted for a major share of the afternoon's scoring, marking up seven goals. Doc Bennett, holding down the number one berth, tallied twice. Ripp Smith, recent addition to the local roster, added the remaining count.

Spin Barron, Lamesa's number three rider, took credit for three goals.

Big Spring's four included Cleveland, Bennett, Smith, and Lewis Rix, riding in the number three slot.

Spin Barron, Hollis Campbell—one, Lee Barron—two, and Elmo Smith—four made up the Lamesa team.

The Big Springers are scheduled to take a rest from their labors next Sunday.

NEW YORK, Oct. 29 (AP)—Tommy Harmon and John Kimbrough didn't do much more than pat each other encouragingly on their shoulders yesterday, but they may have done something vastly important for the struggling American league.

When 25,385 fans paid their way into Yankee Stadium to see the two famous All-Americans perform and, incidentally, to watch the Columbus Bulls and the New York Americans struggle to a 7-7 tie, it marked the first time the ambitious second major league had drawn really important money and cut seriously into the patronage of the prosperous National league.

This, of course, was what the owner of the Americans, William Cox, was counting on when he paid Kimbrough and Harmon \$1,500 each to get out there and fight. Yesterday's gathering paid him many times for the investment, pointing that every new league must have. A National league game between the New York Giants and Pittsburgh at the Polo Grounds drew only 24,604, not all paid.

After the game, in which he scored his team's touchdown on a reverse from Kimbrough, Harmon said he didn't know whether he would be able to try it again next Sunday, when the Americans play Buffalo here. The great Michigan star still is determined to be a radio announcer, and he won't know until the middle of the week whether he can be spared from his duties at the m'ke.

NEW YORK, Oct. 29 (Herald Special News Service)—You may see a pro football world series one of these years, but not until the American leaguers show a lot better blocking than they did for Tom Harmon and John Kimbrough yesterday.... The question of the week is what sort of joy juice Minnesota and Michigan will find in the little brown jug Saturday.... Season's record long run—Notre Dame's new lightweight jester. Every time someone tried to tackle an Irishman by the shirt it started a run. Too much dye, the manufacturer explained. . . . Wonder how good Navy is? There is no doubt in Kimbrough's mind. He thoroughly liked it yesterday, including the rate of pay. The big, smiling Texan carried the ball nine times, and simple arithmetic reveals that he

banked something over \$100 every time he tucked the ball beneath his arm and lit out.

Whether he was over-paid must be left to Owner Cox. John gained a net of only 28 yards in those nine tries, and once he was tossed for a 12-yard loss. But he looked good on his blocking, even though they won't pay blockers \$1,500 per game.

Mustangs, Eagles Matched In Week's Standout Tussle

Top match on this week's district 3-AA gridiron schedule pits Abilene's Eagles against Sweetwater's Mustangs on the latter's home grounds. Remainder of the district listing includes a nip-and-tuck tussle between San Angelo's Bobcats and Lamesa's Tornados, and a Big Spring versus Midland contest, the first tied once and beaten twice and the last three-beaten in circuit scraps.

Odeasa takes a well-earned rest and Colorado City entertains Roscoe to fill out the bill.

Pre-game standings point toward a Mustangs victory. Sweetwater crushed a staunch little Colorado City crew last week with a 44 to 0 count, but has yet to meet a club that can match it in number of reserves and well-distributed weight. Abilene has both items, still Coach Vernon Hilliard's Eagles are given only an outside chance for the winner's nod.

Friday, San Angelo was given a 16-5 drubbing by a surprising Paschal of Fort Worth eleven. At the same time, Lamesa tossed a bombshell into the Big Spring camp by handing out a 20 to 7 defeat. This week, Lamesa is to be host to San Angelo in an engagement that is filled with hard-playing potentialities, although it may have little bearing on the district race. Lamesa now has two victories and one loss in the district scramble, while San Angelo's unpredictable Cats are purring with a two-win, none lost standing in the race.

Roy Watkins and H. C. Mercer have taken starring roles in the Bobcat backfield, accounting for most of the gains made against the Wolves last Friday. Opposed to this pair is Lamesa's Gus White, the loop's nonpareil back. White's activity at Big Spring left little doubt concerning his bid for district honors this season. Possession of White, plus a light but capable line tends to tip the balance in Lamesa's favor.

Lubbock Has Chance To Bop Sandies

Lufkin's Panthers Maintain Leading Spot In State Race

By The Associated Press
Amarillo's hard-bitten Sandies put the greatest winning streak in Texas schoolboy football on the block this week and there are those who say this Panhandle dynasty will come to an end on the field where the Sandstorm has blown to its mightiest triumphs.

Lurking in the shadow of Amarillo's great record but not the least awed are the embattled Westerners of Lubbock.

The defending state champion Sandies, unbeaten and untied but visibly shaken in five games this season, have a record of 19 straight to defend Saturday at Amarillo along with the title of District 1.

For the season Lubbock's showing is no more impressive than Amarillo's but the Westerners have flashed a strong offense in running up 114 points and a rugged defense in holding the opposition to seven.

Amarillo has scored only 77 points and allowed 22 but has probably met stronger opposition than the Westerners.

Lubbock has not been defeated but was battled to a scoreless tie in the mud by Vernon. Amarillo won over Vernon, 13-4.

The clash of McAllen and Harlingen, both among the state's 14 undefeated, untied teams, has the attention of the valley while there are other crucial conference games in virtually every district.

In District 4 unbeaten El Paso High meets Ysleta in the battle expected to determine the championship.

Undefeated, untied Paris meets undefeated but once tied Denison in District 5.

Waco's high-soaring Tigers attempt to protect their perfect record at Corsicana in a game destined to cut the contenders for the District 10 title to two. Temple is the other favorite.

And so on down the line of 38 conference games.

Last week's play out the list of unbeaten teams to 19, five of these having been tied.

Unbeaten and untied are: Amarillo, Sweetwater, Paris, Masonic Home (Fort Worth), Sunset (Dallas), Temple, Waco, Lufkin, Lamesa (Houston), Corpus Christi, McAllen, Corpus Christi and Harlingen.

Undefeated but tied are Lubbock, El Paso High, Gainesville, Jeff Davis (Houston) and Denison. Lufkin's Panthers continue as the No. 1 team in most quarters due to a sensational scoring record of 261 points to none in five games but the old standbys of Paris, Masonic Home, Temple, Sunset (Dallas) and Corpus Christi continue to roll steadily.

Sunset is the latest team to push itself to the top. The Bisons, who look better than they did last season when Masonic Home bested them only via the penetration route in the state play-off, have speed to burn with a fast charging line and two of the fastest backs in Texas—Bill Hamman, the state 200-yard low hurdles champion, and Bill Blackburn, who does the 100-yard dash in 9.8.

The Bisons crushed North Dallas 40-0 last week.

Hard Luck?—Ask TCU's Gillespie

By The Associated Press
FORT WORTH, Oct. 20 (AP)—Just say "hard luck" and Kyle Gillespie will answer as if that were his own name.

He's the original hard luck guy. Kyle came to Texas Christian university and went out for football. He had the stuff but he also had a trick knee.

He played on one leg and started but didn't see enough action to be named on the all-conference team. An operation corrected the trouble although he had to favor the leg last season.

This year he reported absolutely sound and ready to go.

He was on his way to greatness when he received a broken leg. It happened Saturday early in the game with Texas A. and M.—a battle for a place in the Southwest conference football sun.

Income payments to individuals are estimated by the Department of Commerce at 30 billion dollars for this year.

Western Loop Spotlighted On Grid Card

Michigan, Minnesota Meet Saturday With Nat'l Hopes At Stake

NEW YORK, Oct. 20 (AP) National, as well as sectional, football championship hopes will be at stake at Ann Arbor this week. There, two powerful Western Conference machines, Minnesota's Gophers and Michigan's Wolverines, will collide in the most important test of the season to date.

Michigan's fourth successive victory, a thrilling 14-7 conquest of Northwestern last Saturday, found the Wolverine defense thoroughly tested.

Michigan's defense was adequate for Northwestern but whether it can halt Minnesota is a question that remains to be answered. The Gophers, beating Pitt in routine fashion, 22-0, scored their third successive victory.

Northwestern's defeat blasted the Wildcats off the undefeated list along with Columbia, Cornell and Dartmouth of the eastern "Ivy league," Rice, Baylor and Texas Christian of the Southwest conference; Nebraska of the Big Six; and Colorado State of the Rocky Mountain Big Seven.

The Big Six title probably will be decided at Columbia where Missouri, 20-13, conqueror of Iowa State, tackles Nebraska, defending titleholder. Kansas plays Iowa State in another conference tilt while Oklahoma, after a 16-0 victory over Kansas State, must race tough Santa Clara, which topped Michigan State, 7-0.

Texas, which may well be the team of the year, and Texas A. and M. are the lone unbeaten survivors in this section. Texas, after a 48-14 rout of Arkansas, now has rolled up 156 points in four games against Colorado, Louisiana State, Oklahoma and Arkansas. The Longhorns now meet Rice, shockingly routed, 27-0, by Louisiana State just one week after the Owls had upset powerhouse Tulane, Texas A. and M., 14-0 victor over Texas Christian, meets Baylor, beaten 14-6 by Villanova in a game which saw the Bears lose their great back, Jack Wilson, by injury early in the fray.

Georgia and Alabama meet in an important Southeastern conference duel. In other conference games, Tulane, which ran up an amazing 62-6 count over North Carolina, tackles Mississippi, 21-0 conqueror of Holy Cross; Louisiana State meets Florida, nipped 12-13 by Maryland in a big upset; and Georgia Tech, whipped 16-7 by Vanderbilt, engages Auburn, stopped, 20-7 by Southern Methodist, Vanderbilt, only unbeaten, untied team in the group, plays Princeton while Kentucky meets West Virginia.

The Southern conference program is topped by unbeaten Clemson's duel with South Carolina on Thursday.

Such fixtures as Army-Columbia, Yale-Dartmouth, Harvard-Navy top the week's card.

A four-game conference program sends California against Southern California; Washington against Stanford; U. C. L. A. against Oregon and Washington State against Oregon State.

Rocky Mountain: Utah, tied 6-6 by Brigham Young, plays Denver, 40-0 conqueror of Wyoming, in the chief conference game. Colorado, which snapped Colorado State's winning streak, 28-13, plays Wyoming. Colorado State faces Utah State, beaten 16-0 by Idaho.

Buff, Arizona Seek To Stretch Lead This Week

ALBUQUERQUE, N. M., Oct. 20 (AP)—Eight Border Conference teams stake a strictly family gridiron affair this week with Arizona seeking to extend their joint leadership to three victories apiece. The two elevens, more and more regarded as the class of the sagebrush circuit, don't meet this season but they have common opponents in the Texas Mines, Arizona State of Flagstaff and Arizona State of Tempe, defending champions.

Arizona tackles Tempe there Saturday night and West Texas State goes to Flagstaff. New Mexico meets Texas Tech at Lubbock Friday night and Hardin-Simmons visits the Texas Mines at El Paso Saturday.

The New Mexico Aggies travel to Fort Worth, Ill. to meet Bradley Tech Friday, the only inter-sectional contest on the schedule.

Off they go!

That Jitterbug's A Card And Dandy Grid Player

By HAROLD V. RATLIFF

COLLEGE STATION — Bill (Jitterbug) Henderson, Texas A. and M.'s only four-letter man and probably the most colorful athlete in Southwest conference history has worked up another stunt to keep Aggieland in stitches.

Bill is the fellow who catches passes with one hand and yells "Oh happy day!" as he lumbers to a touchdown. In addition: He has been known to wear a coonskin cap with a blue suit and boiled shirt; he sends all his medals, sweaters and clippings to his mama; he won a jitterbug contest to replenish his pocketbook—that's why they call him "Jitterbug"; he pitched a game of baseball one afternoon after being in five track events that morning, then went out and played handball "just to get a warm-

up." But now he's capped all those little items by working out a system of training which will allow him to run on one hand and one foot!

Every afternoon, in football practice, when Coach Dough Rollins takes his ends aside for their drills, Henderson places one hand, palm down, on the ground, then runs on both feet around in a circle.

So well has he perfected it that at times he takes one step with the hand and the other with a foot while holding the other up in the air as balance.

The other day Bill was carrying the ball on a spinner in which he was to "squirt" out of the end. He came out, cut to his right as he was about to be taken by two defense men, cut right back again and as he did his foot

Inspired North Texans Continue Title March Fri.

By The Associated Press

Coach Jack Sisco's North Texas Eagles, inspired after opening their conference race with a 28-0 decision over the Stephen F. Austin Lumberjacks last week, take on Sam Houston in Denton Friday night in a game that may be the second objective in their march toward their third consecutive Lone Star Conference crown.

The undefeated, but tied, East Texas Lions remain the chief threat to the Eagles' bid for another conference championship. The East Texans stay away from circuit competition this week and entertain Ouchitla (Ark.) College in Commerce.

Always a conference power, the Lions bested Stephen F. Austin 20-0 two weeks ago to replace the Sam Houston Bearkats as the leading contender for the loop crown now worn by the Eagles.

One of the highlights in this week's Lone Star race will be the Southwest Texas-Stephen F. Austin encounter at San Marcos.

Conference standing: W L T Pts Od Team
East Texas 1 0 0 20 0
North Texas 1 0 0 25 0
Southwest Texas 0 0 0 0 0
Sam Houston 0 0 0 0 0
Stephen F. Austin 0 2 0 0 0

Last Week's Results
East Texas 6, Texas Wesleyan 0
North Texas 28, Stephen F. Austin 0
St. Mary's 9, Sam Houston 0 (tie)
Texas A. and I 14, Southwest Texas 6.

The Toads, who engage mighty Fordham in New York this week, were seemingly demoralized against A. & M. after their ace, plucky Kyle Gillespie who personally accounted for 221 of the 622 yards the Toads gained in their first three games, went out with a broken leg.

Southern Methodist, fresh from a 20-7 victory over Auburn in Birmingham Saturday, takes its customary rest this week before meeting Texas November 1.

With the ball in his left hand, the right hand hit the turf and, believe it or not, he took two steps with the hand and came back to both feet right in stride. Bill scampered away while the would-be tacklers stood dumbfounded.

He says he's going to use the trick this season—but it would be just like him to forget all about it while working on some other equally amazing stunt.

Down here at Texas A. and M. they're quit trying to keep up with Bill Henderson. No matter what they think he might do, he always does something more astonishing.

Owls, Texas Resume Bitter Feud Saturday

Bears Tangle With Aggies In Only Other S'West Tilt

By The Associated Press

This is the week guns are cocked for one of the bitterest football feuds in Southwest Conference history.

Rice versus Texas. Since the first armies were rubbed on the first ankle on the first day of training the Owl and the Longhorn have waited for Saturday's climax in Austin. There'll be feuding among the 40,000 in Memorial Stadium's horseshoe and feuding on the field—and a little history will explain.

It all started in 1894 when the-shabby Jimmy Kitta started feathering the Owl's nest.

Texas, riding high under Jack Chevigny, fresh from a stunning victory over mighty Notre Dame, led Rice 9-6 with only a few minutes left to play.

Bang! An Owl pass over the Texas safety brought a touchdown. A moment later Rice scored another. This lapse cost Texas the conference championship.

For four consecutive years the Institute whipped the university. There were fights after the games, before the games and gargantuan penalties during the games.

Two years ago the aroused Steers finally got a victory, 24-13. Then last year, travel weary from trips to Indiana, Arkansas and Dallas, they fell again to Rice in a big upset 15-0.

Today the stage is set for the shooting. Rice is the underdog—its favorite role—by virtue of a 27-0 Hocking Saturday night in Brown Rouge by Louisiana State, a team Texas whipped two weeks ago 24-6 in the mud.

Texas is riding high—just where Rice wants them to ride—after four wins over four state universities in four weeks. The Longhorns have their greatest team in history, Saturday they unmercifully buried Arkansas' Razorbacks for their first conference win 48-14, Steer regulars playing only 25 minutes.

The Hogs this week play Detroit University in Detroit.

In the only other conference game this Saturday Baylor, beaten 14-6 Friday night by Villanova, meets revamped Texas A. & M. in College Station.

The mauling Aggies continue to roll. Undaunted by the loss of Kimbrough, Thomason and company, the Maroon crushed Texas Christian's Horned Frogs Saturday 14-0 with flashes of a brilliant attack featuring Derrace Moser, Marshall Spivey and Larrupin' Leo Daniels.

The Toads, who engage mighty Fordham in New York this week, were seemingly demoralized against A. & M. after their ace, plucky Kyle Gillespie who personally accounted for 221 of the 622 yards the Toads gained in their first three games, went out with a broken leg.

Hard Luck?—Ask TCU's Gillespie
FORT WORTH, Oct. 20 (AP)—Just say "hard luck" and Kyle Gillespie will answer as if that were his own name.
He's the original hard luck guy. Kyle came to Texas Christian university and went out for football. He had the stuff but he also had a trick knee.
He played on one leg and started but didn't see enough action to be named on the all-conference team. An operation corrected the trouble although he had to favor the leg last season.
This year he reported absolutely sound and ready to go.
He was on his way to greatness when he received a broken leg. It happened Saturday early in the game with Texas A. and M.—a battle for a place in the Southwest conference football sun.
Income payments to individuals are estimated by the Department of Commerce at 30 billion dollars for this year.

Buff, Arizona Seek To Stretch Lead This Week
ALBUQUERQUE, N. M., Oct. 20 (AP)—Eight Border Conference teams stake a strictly family gridiron affair this week with Arizona seeking to extend their joint leadership to three victories apiece. The two elevens, more and more regarded as the class of the sagebrush circuit, don't meet this season but they have common opponents in the Texas Mines, Arizona State of Flagstaff and Arizona State of Tempe, defending champions.
Arizona tackles Tempe there Saturday night and West Texas State goes to Flagstaff. New Mexico meets Texas Tech at Lubbock Friday night and Hardin-Simmons visits the Texas Mines at El Paso Saturday.
The New Mexico Aggies travel to Fort Worth, Ill. to meet Bradley Tech Friday, the only inter-sectional contest on the schedule.

A common remark heard at the Howard County Products exhibit was "Ah-h-h, you can't beat farm life."

Hollywood - 'Mr. Jordan' May Upset An Old Dogma

By BOBBIN COONS HOLLYWOOD - It's early to say for sure, but "Here Comes Mr. Jordan," a prospering fantasy, may be the hat to knock one of our town's fixed ideas over the back of its head.

Author of "Mr. Jordan" is Harry Segall, who, after nine years in Hollywood, is enjoying the kind of acclaim that writers dream about.

Every movie writer has his tale of Hollywood. Segall's concerns the producer who asked him to prepare a treatment for a fine, but dreary Russian novel.

Let it go at that," he said finally. "But after all, Sue, you let me think you knew more than you actually did and I walked right into a confession."

He kissed her then - a gentle kiss, quite unlike Riv. "I don't deserve you, honey," he said gruffly, "but no other man shall have you."

Man About Manhattan - City Dweller Visits Real Farm

By GEORGE TUCKER NEW YORK - I went out to Chlo Johnson's farm over the weekend. The nostalgic trophies of 25 years of vaudeville were there.

In the great nursery the baby calves were frisking like awkward puppies. In the nearby white, modern barns the prize herd took its evening siesta in an atmosphere sweet as apple cider.

Johnson is a fast man with an automobile. He commutes to and from his country acres, named Winter Garden Farm, every day.

I went out ostensibly to fish because sometime ago I dropped by the Winter Garden with a fishing rod in my hand to watch a rehearsal.

Nations Align For United Pacific Front

SYDNEY, Australia, Oct. 22 (AP) - Completion of negotiations for a united Pacific front composed of Britain, the United States, China, The Netherlands East Indies, Australia and New Zealand was reported today in Canberra.

Australian Prime Minister John Curtin said the degree of cooperation between the participants would be substantial, and at the same time reiterated a warning that possible extension of the war in the Far East constitutes a serious menace.

Curtin declared, however, there had been no change in the situation in the Pacific and said he understood that discussions between Japan and the United States looking toward a settlement of their differences would be continued.

LEGAL NOTICE

THE STATE OF TEXAS COUNTY OF HOWARD

WHEREAS, by virtue of an execution issued out of the District Court of Howard County, Texas, on a judgment rendered in said court on the 2nd day of September, 1941, in favor of The State National Bank of Big Spring, and against E. H. Henderson, said cause being numbered 4223 on the docket of said court, said judgment being for the sum of \$1,261.20, with interest thereon at the rate of 8 per cent per annum and for a foreclosure of deed of trust lien on the land hereinafter described, I did, on the 15th day of October, A. D. 1941, at 11 o'clock a. m. levy upon the following described tract of land situated in Howard County, Texas, and belonging to the said E. H. Henderson, to-wit:

BEGINNING at a point in the E line of Section 22, Block 22, Township 1-North, Howard County, Texas, 890 yards Westward of the SW corner of said section;

THENCE Eastward along the E line of said section a distance of 890 yards to SE corner of this tract; THENCE Northward parallel with the E and W lines of said Section 223 yards to point for NW corner; THENCE Westward parallel with the N and S lines of said section 280 yards to point for NW corner; THENCE Southward parallel with the E and W lines of said section and along the E line of Mrs. M. E. Henderson's tract 253 yards to place of BEGINNING, containing 46 acres of land, more or less;

Said land being further described as corrected by said judgment of foreclosure, to-wit:

46 acres of land out of Section 22, Block 22, Township 1-North, Howard County, Texas, to-wit:

BEGINNING at a point in the E line of Section No. 22, Block 22, Township 1-North, Howard County, Texas, 890 yards Eastward of the SW corner of said section;

THENCE Eastward along the E line of said section a distance of 890 yards for SE corner of this tract; THENCE Northward parallel with the E and W lines of said Section 223 yards to point for NW corner; THENCE Westward parallel with the N and S lines of said section 280 yards to point for NW corner; THENCE Southward parallel with the E and W lines of said section and along the E line of Mrs. M. E. Henderson's tract 253 yards to place of BEGINNING containing 46 acres of land, more or less;

And the court ordered, adjudged and decreed that said land as described in said deed of trust, dated 27th day of January, 1938, and recorded in Volume 27, page 128, Deed of Trust Records of Howard County, Texas, is the same land as the tract of land described by corrected field notes and that the land as first described above is described as it appears in said deed of trust and the tract of land as described next above is described as the description thereof was corrected in said judgment;

And on the 4th day of November, A. D. 1941, being the first Tuesday in said month, between the hours of ten o'clock a. m. and four o'clock p. m. on said date, at the courthouse dock of said county, I will offer for sale and sell at public auction for cash, all the right, title and interest of the said E. H. Henderson in and to said property in accordance with said order of sale.

Dated at Big Spring, Texas, this 18th day of October, 1941.

ALL-AMERICA rating goes to those stars who have been standouts week after week. One spectacular Saturday isn't enough. And so keen is the competition that a single bad performance will block a player out of the running. Here are some backfield aces who got off to a good start:

PETE LAYDEN, Texas fullback, led the Longhorns' early season charge and was particularly effective in the rout of Louisiana State. His team mate, Jack Crain, is another backfield star.

Two Mexican couples were married by Justice of the Peace Walter Grice during the weekend. Yrigido Villaral and Ruth Lopes were married in a single-ring ceremony Sunday morning. Nuptials were said for Amado Fuentes Guerro and Manuela Lopez Kenteria Saturday night.

Regular meeting of the local American Legion post has been postponed from Monday night to Thursday night, L. B. Dempsey, adjutant, announced today. Absence of Commander Charles Sullivan from the city was given as reason for the postponement. A special Navy Day program is planned for the Thursday night meeting.

The "Roughneck" Sunday school class, one of Stanton's major institutions, is to have an oyster fry Thursday at 8 p. m. in the basement of the Stanton Methodist church. Incidentally, Joe Poindexter, head of the class, had to miss Sunday for the first time in many moons due to illness.

Norman Priest, home on a 15-day furlough from Fort Bliss, says he wouldn't take for his experience in the recent Louisiana maneuvers—but he wouldn't want to go through it again for a thousand dollars. Norman was the first selectee from Howard county, having volunteered soon after the registration last autumn.

Leader Of Murder Ring Is Executed

BELLEFONTE, Pa., Oct. 20 (AP)—The archduke of Philadelphia's bizarre murder-for-insurance ring who often boasted of his ability to "beat the chair" squirmed and pleaded for mercy as the commonwealth executed him at Rockview prison early today.

"You wouldn't want to witness the death of an innocent man," begged 52-year-old Herman Petrillo while guards strapped him down. "Give me a chance to prove my innocence. I want to see the governor."

Pushed down and then back in the electric chair, the dapper one-time Philadelphia spaghetti salesman made several efforts to arise. His words of protests became inaudible just before Executioner James Lee Wilson pulled the switch at 12:30 a. m. (CST) to atone for drowning of Rafaelo Caruso, a cripple insured by the Petrillo mob for \$15,000.

Livestock

FORT WORTH, Oct. 20 (AP)—(U. S. Dept. Agr.)—Cattle 3,400; calves 2,600; slaughter yearlings about steady, steers slow, cows steady to weak; bulls unchanged, killing calves opened steady, good stockers steady, others dull; common and medium beef steers and yearlings 6.00-9.25 upward, choice yearlings 10.50-11.50; beef cows 6.00-7.75; canners and cutters 4.00-6.00; bulls 6.00-7.50; common to good fat calves 7.00-9.50; culls down to 6.00; good stocker steer calves 10.00-11.50, choice scarce, most heifer calves 10.50 down.

Hogs 1,500; mostly 25 lower than Friday's average; top 9.75; good and choice 15-200 lb. 8.65-75; packing sows 25-50 lower, 8.50-75; pigs 8.50 down, or 75 lower.

Sheep 2,500; no good fat lambs offered; other classes fully steady; medium grade lambs 8.50 down, medium and good yearlings 9.00-50; aged wethers 6.50 down, choice fat ewes 8.50, feeder lambs 8.75 down.

BRUCE SMITH, Minnesota halfback, is the key man of a great Gopher team. He scored both of Minnesota's touchdowns against Washington.

STEVE FILIPOWICZ is Fordham's triple threat. His 58-yard pass in the closing seconds enabled the Rams to beat Southwestern Methodist.

Dedication of the East Fourth Baptist church scout hut, scheduled for Monday evening, has been postponed. The building was to have been dedicated at the Brotherhood meeting, but R. S. Stringer, state Brotherhood president, was unable to fill his speaking engagement here. The Brotherhood meeting has been set back until the evening of Oct. 27.

During October the Caprock Electric Cooperative bought 28,640 kilowatt hours of current, sold 21,601 KWH to 323 members for \$1,302.17, which in turn gave a net profit of \$118.21 for the month. Revenue per mile was \$7.57 and per member \$3.70. Seven new members were noted.

Wool Market

BOSTON, Oct. 20 (AP)—(USDA) Trading in the Boston wool market was very quiet today. A few small sales of Ohio Delaine were reported at 43 to 44 cents, in the grease, and graded quarter-blood combing bright wool brought 60 cents, in the grease. Country-packed lots of three-eighths blood bright fleeces sold at 48 to 49 cents, in the grease. Members of the wool trade were generally waiting to see the effect of the latest government request for bids to be submitted by November 4 for 33,000,000 yards of wool goods needed for defense.

Spotted Showers Frighten Farmers

Spotted showers and overcast skies put farmers on edge again Monday, after only three days of good cotton harvesting weather.

However, the shower accounted for only .02 inch of rain at the airport weather bureau, and some points of the county received none at all, so picking was continuing in many fields.

Afghanistan Expels Germans, Italians

TEHERAN, Iran, Oct. 20 (AP)—A week-end decision by the government of mountainous Afghanistan to expel all German and Italian nationals has meant their delivery into the hands of British-Russian allies, allied diplomatic sources said today.

The Afghan action closed the last remaining gap in the 2,000-mile political and military front which the British have built across southwestern Asia.

NOT CHILD'S PLAY—No juvenile pastime is this, as Dr. Ralph F. Johnson of General Electric stacks steel balls (each representing one item 20,000,000 times smaller) into a model of a face-centered cubic crystal. The balls are used in a study of the structure of materials since all crystalline substances have a specific geometric arrangement of atoms.

Grain

CHICAGO, Oct. 20 (AP)—Nervousness characterized trading in grains today as the trade waited for further developments in the tangled international situation.

Lacking other news of consequence, floor traders said only sentiment remained as a guide to market direction and the general sentiment appeared to be to liquidate uncertain holdings. Initial declines in wheat were as much as 2 1/2 cents a bushel, partially recovered later, but selling near the close widened the price break to around 3 cents a bushel before a minor rally halted the decline.

Wheat closed 1-2 to 1-4 cents below Saturday's closing prices with the maximum loss, December 1.12 1/8 to 1-4, May 1.16 3/8 to 3-4, corn was off 1-4 to 1-5 1/8, December 73 7-8, May 79 1-2, oats 1 3/8 to 1 1/3 down, soybeans 3-4 to 2 1-4 off, rye 1 5/8 to 2 3-4 lower, and provisions 27-30 cents declined.

Senate Committee Studies Neutrality

WASHINGTON, Oct. 20 (AP)—With opponents crying "gag rule," the senate foreign relations committee voted 12 to 9 today to hold closed hearings, beginning tomorrow, on the house-approved ship arming bill.

Chairman Connally (D-Tex) said the committee had voted to conclude the hearings at 5 p. m. Friday. He added that Secretary of State Hull would be the first witness.

Wind Fells "Champion Elm"

QUASQUETON, Ia.—The "Champion elm," so designated by the Federated Garden clubs of Iowa, has been destroyed by a windstorm. The tree, located on the Arthur C. Kross farm, was 1-2 feet in trunk diameter and had a limb spread of about 75 feet.

Traffic Kills British Youth

LONDON—Four children are being killed on the roads of Britain every day, double the number killed in peace time. The Royal Society for Prevention of Accidents said that most of the deaths occur in cities—few children are killed in evacuation areas.
