Sights and Faces Seen

Just one of the oddities of war: Tech. Sgt. Lewis Curry of Hereford flew 26 missions over Germany as engineer gunner of a B-17 Flying Fortress and was assigned to a rest camp in England, where he decided to try some horseback riding—and the horse kicked him and broke his leg. And Curry is from the Texas cow country, too.

It may not be exactly safe to have all those used clothes stacked out in such plain view. Over at the courthouse they say that Bessie Smith has been trying on all the shoes in the barrel and has found some she really likes—but so far her conscience has won out over the desire to save a shoe coupon. And Bob Wilson and Frank Marrs have been eyeing some of the comforts and soogans turned in at the Cogdell Motor Company—they say that these covers would make a good bed roll for post-war camping trips.

Seriously though, nobody has made any effort to chisel in on any of the clothes; but the folks who are conducting the drive have been surprised at the good quality of the clothing.

C. of C. Banquet To Be Held at Service Club

The first Chamber of Commerce banquet in four years will be held in Hereford on Monday, May 7, it was announced this week by H. A. Close, chamber of commerce president, who said that the banquet will be held at the service club of the Hereford P. O. W. Camp.

The meal, which will be prepared by Army cooks, will be served western style, and the large service club room will give ample space for a large crowd. Tickets will be \$1.25 a plate and will be on sale within the next few days, Mr. Close said.

R. C. McGivary is program chairman for the banquet and efforts are being made to get an outstanding speaker for the occasion; however, complete program arrangements had not been made this morning.

Red Cross is Savior of Prisoners Says Sgt. Miller, Returnee from Germany

Thin soup served once a day, a small slice of blackbread and coffee or tea for breakfast and supper provided the official rations in the German P. O. W. Camp where T-4 Raymond Miller of Dawn was stationed for almost six months before his rescue by the Russians on Jan. 31.

"Besides this, we had a small piece of meat on Sundays," Miller says, adding, "If it hadn't been for the Red Cross, we would have starved to death." There were about 2,000 Americans in Stalag 3-C, a camp between Berlin and the Polish border, Miller says. "There were also French, Italian and Russians in the camp but they were 'across the wire' and we had no definite information on their treatment. Aside from the poor food and bad living conditions, we Americans were not badly treated."

The prisoners at first had only the clothes which they were wearing when captured and the Germans gave out a few old clothes, but little help in the clothing situation was felt until Red Cross packages containing American uniforms began to arrive. Severe cold weather and a very short fuel allowance caused suffering, Miller states, "We got a few lumps of coal as an allowance for two days use; actually it kept our quarters warm for maybe a couple of hours."

This was haughty Berlin in 1940, when Nazi troops paraded through the Brandenburg Gate—Germany's Arc de Triomphe—on returning from war successes in the west. From grandstands along the way enthusiastic "sieg heils" cheered the procession. Brandenburg Gate is at the end of Unter den Linden, Berlin's toniest thoroughfare.

Range Riders to Judge Pony Show

Postponed twice, the pony show last scheduled for Apr. 19, will definitely be held tomorrow afternoon, Apr. 27, beginning at 1:30 o'clock at the football field. It was announced this week by A. R. Bateman, member of the committee in charge.

Postponement of the show last week was unavoidable, and by having the postponement announced over the Cal Farley radio show from Amarillo, most confusion caused by the change in dates was prevented. Cash prizes will be given, with the contest judged according to age groups of the riders. (Continued on Page 12)

Pfc. Roger Hartman, listed as missing in action on Dec. 21, 1944 when his outfit lost contact with regimental headquarters during the battle of the Belgian bulge, is a prisoner of war in Germany, according to a card received by his family here last week.

The card, written by Roger himself, stated only that he was a prisoner and was written on Jan. 10. The address given was Stalag 4-B. (Continued on Page 12)

Furniture Repair Clinic Set for May 5, 7 and 11

Announcing that a "furniture repair clinic" will be held at the sales pavilion on May 5, 7 and 11, Miss Sadie Lee Oliver, county home demonstration agent, this week urged that all persons who wish to attend the clinic start in immediately to collect the materials they will need in furniture repair and remodeling projects.

Miss Oliver, and various members of the home demonstration clubs who have already completed furniture remodeling jobs, will be at the pavilion and will be ready to help any persons who want to do furniture repair jobs.

As upholstery materials and all sorts of repair supplies are scarce, persons who plan to bring furniture to the sales pavilion should start collecting supplies immediately, Miss Oliver says.

The payment of dairy subsidies for the first quarter of 1945 will be continued through the month of May, it was announced this week at the local AAA office.

Farmers who have not yet made application for payment for months of January, February and March, may still receive the regular subsidy rate during the coming month.

Announce Plans For 7th War Loan Drive Here

Even though the 7th War Loan does not get under way officially until May 14, it is absolutely necessary that E bond buyers get on the job immediately if the county is to reach its \$250,000 E quota, it was stated this week by Robert L. Thompson, chairman of the 7th War Loan, who announced further details of the planned drive in Deaf Smith County.

"Bonds bought now will apply on the quota," Mr. Thompson said, "And we will need to get off to a good start this month in order to reach the goal."

Stating that the Horizon Club and the Boy Scouts have expressed the desire to help with the drive, the chairman announced that the Horizon Club members will conduct a drive this week end to solicit funds to finance the drive. Donations of \$3 are being requested and the money received will be used to pay for advertising, postage, prizes and other expenses.

Concerning the advertising, Mr. Thompson says that each donor will receive suitable recognition in the bond advertising which will be published during the drive.

The Horizon Club will be able to work the business district, but they will not be able to see all the individuals who would like to help in the financing of (Continued on Back Page)

USO Coronation Dance Set for Monday, April 30

Miss Seleta Robinson, who was chosen May Queen at the election dance held Monday night, will be officially crowned at the USO formal dance to be held Monday night, Apr. 30, at the Club House.

Girls chosen as Miss Robinson's attendants include June Conklin, Troyce Stambaugh, Juanita Kelly and Marjorie Alderson. The queen has named Sgt. J. W. Frame as her escort and names of the escorts of the attendants have not yet been announced.

Beverly Snelson will carry the queen's crown in the coronation ceremony and her escort will be Jimmy Carnahan.

Although this is a USO dance, GSO girls, the sponsors, service men and the entertainment committee may invite special guests, and guest tickets will be issued at the USO until 7 o'clock, Monday afternoon, Apr. 30. Cars will leave the USO at 8 o'clock.

Pfc. Bill Sacks will have charge of decorating the club house, and an attractive scene for the dance is assured.

"The Fighting Lady" Packs Combat Punch

The stirring combat film, "The Fighting Lady," will bring the ordinary civilian as close to the "feel of fighting" as he will ever get, according to most reviewers of the Navy picture which will be shown in Hereford for three days, starting on Sunday, May 6.

"The Fighting Lady" is the true story of one of our aircraft carriers and its battles against the Japs in the South Pacific. But more specially, it is the story of its officers, pilots and crew Marcus, Kwajalein, Truk, Guam, Saipan, Tinian and in the smashing victory of the Philippine Sea. For security reasons, the actual name of the carrier is not used.

Every foot of the film was actually shot from cameras placed aboard bombers and fighters and at strategic points on the flight deck; and for sheer realism, its punch is unsurpassed. The picture was shot under the direction of Commander Edward J. Weichen, see commercial photographer prior to his entry into the Navy; and the narrator is film star Robert Taylor, now a lieutenant in the Navy Air Force.

Scouts to Conduct Paper Drive In City Sunday Afternoon

Lt. R. L. Davis Killed in Air Action, April 6

Lt. Robert L. (Bobby) Davis, 22-year-old son of Mr. and Mrs. J. L. Davis of Hereford, was killed in air action over Germany on Apr. 6, according to word reaching here last Friday. Lieutenant Davis, pilot on a B-17 Flying Fortress, was serving with the 95th Bombardment Group of the Eighth Air Force and was based in England. He had been overseas only a short time when he met his death.

Reared in Hereford, Bobby was an outstanding student and made the highest grade in his 1941 graduating class at Hereford High School. He had attained the rank of Eagle Scout and was serving as cub scoutmaster when he entered service on Dec. 25, 1941.

He received his wings and commission as second lieutenant in the Army Air Corps at Moore Field, Mission, Tex., on Mar. 20, 1943, and had served as an instructor before he was assigned to overseas duty. Only a few days before his death he had received his promotion to first lieutenant.

Survivors, besides his parents, include his wife, Mrs. Frances K. Davis, and three-month-old son of Laredo, Tex., and three brothers, Wilbur Davis of Canyon, and Pete and George Walter Davis of Hereford.

Clothing and House Furnishing Retailers Must File Prices

On Apr. 20, filing date for clothing and house furnishings retailers covered by MPR 580, only 38 percent of the retailers had sent their pricing charts to the District Office of Price Administration, according to Price Executive J. B. Mooney.

"It is essential that retailers who have not sent in their pricing charts do so immediately, for they will be required to stop selling May 4 if they have not received an acknowledgment of their chart by that time," Mooney urged.

In addition, he said, 90 percent of the charts received have been incorrect and have been returned for correction. The principal error is in form. "Careful study of the small booklet containing the regulation and an explanation of it will eliminate the necessity for re-doing the charts."

All retailers who have not filed by May 4 will be referred to the enforcement division where immediate action will be taken to bring about compliance, Mooney said.

First Official News Movement of Prisoners Received by Relatives

Lt. R. L. Dowell, who was in Stalag Luft III in Germany prior to the removal of prisoners by the Germans on Mar. 3, was moved to a camp at Moosburg, Germany, according to official word received here this week by his wife.

This is the first definite notice of change of address for a war prisoner received in Hereford and confirms earlier Red Cross notice that the men from Stalag Luft III were moved to both Moosburg and Nuremberg and to other, undisclosed camps.

Boy Scouts of Troop I have shipped 11,000 pounds of paper to Amarillo this week and a city-wide drive will be conducted in Hereford Sunday afternoon, Apr. 29, in an effort to put the local troop over the top on their 32,000 pound quota for the months of April and March.

If the Scouts reach their goal, the troop will receive a shell, personally autographed by General Eisenhower, and each member of the troop will receive a special Eisenhower medal.

Concerning the Sunday afternoon paper drive, Urlln Streu, scoutmaster, asks that all city residents have their old magazines and newspapers piled at the curb to facilitate collection. "We cannot use scrap paper, wrapping paper—or in fact anything but magazines and newspapers," the scoutmaster says, pointing out that the scouts have no way to handle odd lots of scrap paper.

Because of the shortage of tires and gasoline, it will not be possible to carry the collection campaign to the rural areas; however, cuntry people are urged to help in the drive by bringing their old newspapers and magazines into town, where they may be left at the rear door to Streu Hardware Co. The Scout Hut will be open on Sunday afternoon and paper brought in at that time may be left at the hut. (Continued on Page 12)

Clothing Drive Nears Finish

Just four more days remain in which to turn in used clothing for the United National Clothing Relief Drive which closes Apr. 30; and although much clothing has been turned in in Hereford, there are probably still many persons who have not yet turned in clothing bundles.

Bob Wilson, chairman of the county committee in charge of the drive, urges every housewife who has not yet done so, conduct a closet clean-up campaign and salvage all usable garments to turn in at one of the salvage depots in Hereford. Clothing barrels have been placed at Cogdell Motor Co., the Courthouse, the Post Office and the City Drug Store. Persons who have no way to send the clothes to town may get in touch with Mr. Wilson and he will see that the bundle is called for.

Following completion of the local drive, the clothes will be sorted and packed and shipped and sent to a central collection agency in New York City, from where they will be sent to war devastated countries.

Reader's Digest Program is Given For Dawn Club

A Reader's Digest program was presented at the meeting of the Dawn Study Club Tuesday afternoon when M. S. Eddie Reinauer was hostess at her home.

Mrs. Fred Fain was leader of the program with Mrs. H. V. McCabe, Mrs. Carl Wimberley and Mrs. Lloyd Bentley giving talks.

Mrs. McCabe discussed "The Road to Serfdom" by Hayek in

which the author gives a warning to Americans and Britons who look to the government for the way out of all economic difficulties. She said in discussing the author's opinions, "This author watched the rise of Fascism and Socialism and is convinced that some of the forces which destroyed freedom in Germany are at work here."

Mrs. Wimberley's subject was "Can These Guerrillas Free Fascist Spain?" Mrs. Lloyd Bentley gave a short talk on parliamentary rules.

During the business session Mrs. Walter Galley, Mrs. Floyd Walton and Mrs. Lloyd Bentley were named to serve on a nominating committee and plans were discussed for the annual club picnic.

The next meeting will be held on May 1 in the home of Mrs. Lester Galley.

Members present were Mesdames Ernest May, J. B. Cocanougher, Fred Fain, Lloyd Bentley, Iverson Leake, H. V. McCabe, H. H. Miller, Floyd Walton, Carl Wimberley and the hostess.

Annual Junior-Senior Banquet Given

Highlight of the year for juniors and seniors of Hereford High School is the annual junior-senior banquet given by juniors with seniors as honor guests.

This year's banquet was held at the Baptist Church Friday night in a beautiful setting with lantern and stars overhead and flower arrangements representing an old-fashioned flower garden in colors of silver and old-rose, the class colors. The garden was enclosed with a white picket fence intertwined with flowers, and a full sized wishing well was placed between the tables, which were arranged in the shape of a huge "H". At one end of the room on a raised stage, a complete miniature garden blossomed as if growing there. Strips of silver and old-rose ran the table's center length with bouquets of sweet peas and white tapers interspersed.

Programs were in the form of memory books in old-rose with silver jacket design. Helen Tucker, president of the class, gave the welcome in the form of "Presenting Orchids" with Lonidene Martin Edmonson, senior class president, "Giving Gardenias" in response. Presenting the rest of the program, Joe Bishop gave "The Blossoms"; Charles Skelton, "The Buds"; Billie Smith, "The Garden"; Barbara Smith, "The Gardeners"; Margaret Barber, "The Song of the Leaves"; Dorothy Dishman, "Daisies Won't

Tell"; Patsy Sanders, "Chimes of the Bluebell"; Billy London, "Forget-Me-Not"; Patsy Slagle, Mary Helen McGilvary, Betty K. Hodges, and Jacqueline Newell, "Listen to the Mockingbird"; Rev. James Aiken, "Lilies of the Valley" with all taking part in the "Century Plant" and L. W. Bridges, Jr., giving the benediction.

Members of the home economics department of the high school assisted in serving the banquet and carried out the chosen theme by wearing old-fashioned, full-skirted peasant costumes. Sponsors of the class are Miss Kathryn Easter and Hoyt Byrd.

MRS. THOMPSON IS BIRTHDAY HONOREE

As a birthday celebration, Mrs. A. C. Thompson was honored with a bring-a-dish supper party at her home last week. After the surprise supper-party table games provided entertainment.

Those sharing in the celebration were Mr. and Mrs. Hugh Bookout and son, Mr. and Mrs. Wm. McGehee, Mrs. Dorothy Ross, Miss Mattie Mae Swisher, Mrs. C. B. Williams, Marie Williams, Mrs. E. W. Harrison, Mr. and Mrs. J. E. Beyer, Mrs. J. B. Jones, Mrs. J. B. Hammer, Miss Ona Hammer, Mr. Thompson and the honoree.

COUPLES CLUB ENJOYS DINNER BRIDGE PARTY

Mr. and Mrs. Troy Moore were hosts for members of the Couples Club Friday night. A spring theme was carried out throughout the house with pastel shaded sweet peas. After the dinner, which was served buffet style, members enjoyed contract games with the couple prize going to Mrs. Moore and Ralph Roden, high players.

Enjoying the club party were Mr. and Mrs. W. M. Emmons, Mr. and Mrs. Jack Bradley, Mr. and Mrs. Ralph Roden, Mr. and Mrs. Sylvester Slagle and the Moores.

FARM AND RANCH CLUB OBSERVES GUEST DAY

One of the prettiest parties of the season was the Guest Day luncheon given by the Farm and Ranch Club at the home of Mrs. Chas. Burk Thursday. In the living room the spring theme was evidenced through the use of sweet peas in a variety of colors. Deep red carnations were used in the dining room and as corsages presented to guests. Suggestive of the club's name, cleverly made white faced cattle figures held place cards at tables arranged for four.

A San Jacinto Day program was presented after the luncheon with Mrs. Henry Melton in charge. Astounding whole-truths and exaggerated half-truths concerning the state of Texas were given as members quoted from John Randolph's book "Texas Brags." "The Eyes of Texas" and "God Bless America" were sung in unison and Mrs. Melton entertained with a humorous reading.

Guest prize was won by Mrs. Bill Hutson and Mrs. Melton received the club prize.

Special guests included Mesdames Paul Mathers, J. Wallace Robinson, Tom Robinson, B. H. Kirby, John McLean, Clarence Hollabaugh, Buren Sowell, W. N. Baker, Maurice Tannahill and Bill Hutson.

Members of the club present were Mesdames Roy Pruitt, Glenn Hetzler, Claude Bogle, Zerrell Thomas, Edd Thomas, Frank Rickels, Henry Melton, N. D. Bartlett, B. R. Jennings, Phillip Miller and Chas. Burk.

Book Review Entertains Club At Summerfield

Mrs. Walk Boston gave an interesting book review at the Summerfield Study Club meeting held at the home of Mrs. Guy Walser Thursday afternoon.

Mrs. Boston gave a personal and intimate picture of life in an American parsonage as she reviewed the book, "Papa Was a Preacher" by Alpie Porter.

A short business meeting was held when Mrs. L. H. Lookingbill, president, was elected as delegate to the district board meeting of the Seventh District, Texas Federation of Women's Clubs which will be held in Amarillo on May 1. Mrs. Lookingbill was also named state delegate.

Plans were made for the final meeting of the club which will be a luncheon at the home of the president on May 3.

Those present were Mesdames L. H. Lookingbill, Walk Boston, L. L. Cannon, Jim Clark, Lee Curry, Britt Clark, Ray Johnson, L. B. Lookingbill, Chas. Noland, O. B. Sumner, C. R. Walser, J. B. Noland, Mack Noland and the hostess, Mrs. Lena Lance who was visiting in the home of her daughter, Mrs. C. R. Walser, was a guest of the club.

Mr. and Mrs. Cawthon Bryant and son John David spent last week-end in Amarillo as guests of Mr. and Mrs. John Gazaway, formerly of Hereford.

TEXAS FRIDAY - SATURDAY

FOR VICTORY... Buy U.S. War Bonds and Stamps

Your Budget ... and the WAR!

This has never been a nation of penny pinchers. On the other hand, any inclination to careless spending went out with the Sunday driver. Today, we must think, talk and act common sense. The war has taught us how. Even so personal a thing as how much we earn as individuals or the Family Budget, has to be brought out into the open these days to work for the common cause of Victory.

We've Bonds to buy ... Taxes to pay, bigger than ever before ... to equip our men on every fighting front around the globe.

So we must use every cent we can to buy Bonds and thus help to swell the flow of that equipment. And we must work hard to help keep up the health, the morale of every war working man, woman and child behind the guns, by protecting and maintaining the very homes for which our men are fighting overseas.

"My mom's the best cook in the world"

"She keeps my mug and porridge-bowl and fruit dish full of wonderful things. An' she keeps that big blue jar on the shelf full of lovely cookies. An' Oh Boy, you should see the pies and cakes and roasts and vegetable dishes she fixes up ... She really IS the best cook in the world!"

That is always the story of the child whose mother cooks with clean, instant-hot, NATURAL GAS. That is particularly true if the mother is so fortunate as to have a CP (Certified Performance) Gas Range.

The CP Gas Range is as near-perfect a cooking device as man has been able to produce. Natural Gas is nature's perfect fuel. A CP Range using natural gas is an unbeatable combination. And today's research assures you that when CP Gas Ranges are once again available, they will be even more wonderful than before.

Put your car on a pedestal!

THE LADIES, bless 'em

... so frequently placed on a pedestal themselves ... are playing a most important part in seeing that the family car gets regular lubrication and maintenance service.

American wives, experts in balancing the family budget, know that the war effort requires careful budgeting of every mile remaining in both cars and tires. They realize that "Care for your car—for your country" is more than a slogan; that it is an absolute must, if the threatened breakdown in homefront transportation is to be prevented.

That is why they so regularly remind Friend Husband to change oil, to check tires, to get regular and complete chassis lubrication.

And we'd like to remind you that your Phillips 66 Service Man is waiting and ready to do his

patriotic part to help make your care and tires last longer and go farther.

His Phillips Tire-Saving Service includes checking air pressures ... inspecting for nail holes, cuts, and bruises ... crisscrossing with the spare every three thousand miles ... examination of the tire carcass to warn you when re-capping is necessary.

His Phillips Car-Saving Service includes inspection of battery, air filter, radiator, and oil-level ... regular lubrication of every friction point specified by the maker of your car.

So drive in at the Orange and Black 66 Shield ... the sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil ... a good sign that you've come to the right place for car-saving and tire-saving service.

NEWS IN THE WORLD OF RELIGION BY W.W. REID

"The American people have
 lost a leader who takes his
 place in history with Washing-
 ton, Jefferson, Lincoln and Wil-
 son," says Bishop G. Bron-
 ley Oxnam, president of the
 Federal Council of Churches.
 "Franklin Delano Roosevelt
 loved the common man. He la-
 bored to enrich the life of the
 people. When the freedom of
 mankind was threatened by ty-
 rants he summoned the might of
 democracy. Millions answered
 the call and, today, the dicta-
 tors are destroyed. The world
 is now ready, if it follows on
 in his spirit and wisdom, to
 possess the promised land of
 the Four Freedoms. We bow in
 grief, and in silence dedicate
 ourselves to establish world law
 and order, economic justice and
 racial brotherhood."

The "grand old man" of the
 gospel hymn composers, and
 the last survivor of the group
 of writers, composers and sing-
 ers gathered around the world-
 famous Moody and Sankey re-
 vivals, is now in his one hun-
 dredth year at his home in Cat-
 skill, N. Y. He is Dr. George C.
 Stebbins and he will be 100
 years old in February, 1946. His
 gospel hymns are among the
 best of the many thousands
 produced during a period of 50
 years. Some are now in the
 "standard" hymnals of the
 churches. Among his more
 noted compositions are the
 music for "Take Time to be Holy,"
 "I've Found a Friend," "True-
 hearted, Whole-hearted," and
 "There is a Green Hill Far
 Away."

"It is our judgment that every
 minister between the ages of 30
 and 40 ought, in all good con-
 science, to ask himself why he
 should not volunteer for the
 chaplaincy," says the Federal
 Council of the Churches of
 Christ in an "appeal for more
 young chaplains." "If he has
 the requisite good health and
 the necessary educational qual-
 ifications, the burden of proof
 rests on him to show why he
 is entitled to remain at home at
 a time when men of his own
 age, on duty in France or Italy
 or the Philippines, are in de-
 sperate need of the sustaining
 power of the Christian church.
 Let him ask himself whether he
 is willing to have the youth of
 his own parish who are now
 facing death overseas go un-
 shepherded by any Christian
 pastor The picture be-
 comes more painful when we
 realize that there are many
 communities in which two con-
 gregations could unite for the
 duration of the war, and thus
 release one of the ministers."

Though St. George's Protest-
 ant Episcopal Church is one of
 the oldest in New York City,
 there is said not to be an "old

parishoner" who can remem-
 ber when Harry T. Burrell,
 noted Negro composer, did not
 sing "The Palms" there on a
 Palm Sunday. For Dr. Burrell
 has the record of singing this
 anthem at least once, and of-
 ten twice, for 50 consecutive
 Palm Sundays at St. George's,
 the fifty-first being this year.
 It was the first solo he sang
 when he joined the choir in
 1894, and he had then sung it
 for 12 years in other churches.
 Now 78 years of age, he still
 sings and composes. "Deep
 River" and "Little Mother of
 Mine" are the best-known of
 50 spirituals he has arranged
 and published. While especially
 happy over his Palm Sunday re-
 cord, Dr. Burrell is also proud
 of his 25 years in the choir of
 Temple Emanu-El, New York.
 He sings in English, Hebrew,
 French, Italian and German.

Former Hereford Resident Marries Clovis Man

Word has been received here concerning the marriage of Mrs. Effie Jane Orr and Gordon McCuan last Sunday in Clovis, N. M.

Mrs. McCuan, a former Hereford resident, moved to Clovis from Farwell about four years ago. The family left Hereford in 1932.

Mr. McCuan, a retired farmer and rancher, formerly lived in Farwell. The couple will live in Clovis where he has large land and real estate interests.

The wedding took place in Mrs. McCuan's apartment with members of both families attending. His son Dale McCuan and family of Farwell and a daughter, Mrs. Claude Caffey and family of Clovis, were present. Also Mrs. McCuan's children, Mrs. Roy Jowell and family of Hereford, Milton Orr and family and Johnnie Orr and family all of Clovis.

Rev. and Mrs. P. J. Conkwright of Sapulpa, Okla., returned to their home after attending funeral rites held here Friday for his brother, H. G. Conkwright.

O. M. Stewart Is Speaker for Study Club

O. M. Stewart, principal of Central School, was guest speaker for the Lone Star Study Club Tuesday afternoon at the meeting held at the home of Mrs. Earl Phillips. Mrs. Leo Forrest was co-hostess.

Mr. Stewart spoke on "Juvenile Delinquency" bringing out the thought that a great many delinquents can be traced back to broken homes and uninterested parents. He advocated the use of understanding and patience with young people and told of methods practiced in the school and of organizations in the school that aid in the youth problems.

Attending the meeting were Mesdames R. G. Blue, Cawthon Bryant, O. L. Click, Roger Corbett, Leo Forrest, W. S. Fluit, Jack Grad, Jim Higgins, C. D. Kelton, Louise LeGrand, Nelson McRight, Forrest Minton, Guy Newsom, Coy Phillips, Tom Major, Owen Stagner, Robert Thompson, Ed Warren, S. B. McLallen, and the hostess.

Mr. and Mrs. Clyde Wright of Silverton were guests of relatives here Sunday. Mrs. Wright is a sister of Mrs. W. E. Dameron, Mrs. Harry Seed and Clyde Gregg.

VIVIEN LEIGH and ROBERT TAYLOR co-star in the romantic "Waterloo Bridge," timely tale of London in two wars and of a boy and girl who meet during an air raid. It is the week-end feature at the Texas.

THIS WEEK... AT THE USO

The service men at Camp ran a dark horse in the election of the Queen of the May. And a little bird told us that the voting all had to be done again because the dark horse won. Sgt. Edward Solomn got more votes than anyone and the men had a big time voting for him but the entertainment committee ruled him out.

After all ballots were counted it was announced that Seleta Robinson would be Queen with Troyce Stambaugh, Juanita Kelly, June Conklin, and Marjorie Alderson as attendants. Their escorts will be announced next week. And now the Coronation dance is the next thing on the program. It will be held at the service club in camp and a large attendance is desired. Girls are urged to bring guests and to call their sponsors if they are going. It will be a formal dance and the sponsors will pick the girls up at their homes. The service hall is a big place and we will need a lot of people to fill it. Let's everyone go and have a big time!

Our thanks to the lady who brought in the cake last Friday. Her name wasn't recorded and credit will have to be given next week but the men surely did enjoy the cake. Every day last week some new men arrived in Hereford. Some of them from the east and some from the west, others from the north and south. Some brought their wives with them while others sent for theirs as soon as they got here. We are glad to have everyone of them here and hope they will soon become acquainted with the people. Overseas stripes are very much in evidence. Mrs. Mossberg came from Gainesville, Mrs. Rance and children from Niagara Falls, Shirley Ross came from Los Angeles on Saturday afternoon and soon afterward became Mrs. Bill Brown. Our congratulations to you.

The bakery has stopped making cookies so we are dependent entirely on the goodness of the women of Hereford now for our cookie jars being full. If you would like to make some we can furnish the sugar. Just phone us or come in with the cookies.

Last Saturday Mrs. Glen Rutter brought in some warm cinnamon rolls. The men don't get home baked rolls at camp and they surely did eat them up in a hurry.

We have had several nationalities represented at camp, but this week our first Chinese American was assigned here as a Staff Sgt. Although he grew up in California he spent some time working in Amarillo before the war. He has seen service in the Pacific area.

We were so glad to see Sgt. Thomas this week. He is spending a 21 day furlough here and in Tucumcari. He reported that Sgt. Tangle and Sgt. Mazzullo are now stationed in New York.

Letters have been received from Mrs. Peter Pacello and Sidney Lewin this week. Lois wrote that they were at Camp Lee, Va., and had seen Chuck Schneider. Mrs. Lewin is in Minneapolis and has received the Sgt's APO.

Shell craft classes will start next week, on one afternoon and one night. If you would like to join, please come in and tell us what day you would prefer to come.

Under the leadership of General Feng Yu-shiang (well known as "the Christian general"), now the chairman of the National Association of Chinese Christians, Chinese Christians, both Protestant and Ca-

tholic, are being mobilized to volunteer their services in many ways on behalf of the war effort. Christian women are sewing coats and cotton quilts for the soldiers and refugees, and men are urged to assist in feeding the refugees, in hospital service, etc. General Feng has been a Christian for more than 25 years, and he still leads evangelistic services in Free China."

OWEN STAGNER IS SURPRISED ON BIRTHDAY

Surprising Owen Stagner on his birthday, members of the Young Men's Bible Class of the Baptist Church staged a little party at his home after church services Tuesday night. Assisting Mrs. Stagner with refreshments were Mr. and Mrs. Jack Kirksey and Mr. and Mrs. D. C. Kinsey.

Mr. Stagner is teacher of the class and as a token of appreciation members presented him with a lovely pair of Justin Boots.

Those attending the surprise affair were Messrs. and Mesdames Frank Watson, D. C. Kinsey, Jack Kirksey, Carroll Whiteside, Travis Caraway, Jimmie Allred, Carlos Anderson, Coy Phillips, Lawrence Womble, Marlin Gilliland, Rev. and Mrs. R. H. Cagle, Finis Owen and Mr. and Mrs. Stagner.

HOME DEMONSTRATION CLUB ACTIVITIES

Rance Club Rance Home Demonstration Club met in the home of Mrs. R. M. Palmer on Wednesday afternoon last week.

The program subject was "The Land of Promise—The Americas" with Mrs. Jack Streun talking on Mexico and Mrs. Geo. DeLozier telling some-

thing of South America. Roll call featured places members desired to visit. The next meeting will be held with Mrs. A. F. Blakemore on May 2.

Refreshments were served to Mesdames Lowery Walker, Geo. DeLozier, L. J. Counsman, Jack Streun, H. G. Behrens, Forbus Blakemore, the hostess and Mrs. Jim Malone, a visitor. Bippus Club

Mrs. Roy Pruitt will be hostess for the next meeting on Apr. 25.

Refreshments were served to Mesdames Richard Evans, D. C. Banks, Edwin Morrison, Jack Fortenberry, G. A. Parker and the hostess.

North Hereford Club Mrs. John B. Miller was hostess for the North Hereford Club Thursday afternoon. After roll call a business session was held with the minna being chosen as the club flower. Members voted to hold two meetings in July and the next meeting was announced for May 3, at the home of Mrs. J. T. Richardson.

Refreshments were served to Mesdames Fred Saltzman, Geo. Parker, J. T. Richardson, Jerry Albracht, J. B. Miller, Harry Sullivan, Pat Robinson, Frank Wilde, R. A. Fullwood, Otto Olson, Earl DeHart, Oscar Vaughan and Miss Evelyn Bell.

Mrs. Ray Johnson Talks on "Foreign Policy" for Group

Mrs. Ray Johnson was in charge of the program for the Pioneer Club Tuesday afternoon when a meeting was held at the home of Mrs. J. M. Gilliland. Mrs. J. E. Beyer was co-hostess.

Mrs. Johnson discussed "The United States Foreign Policy" using 52 cartoons on the American way of life which brought out the history of foreign policies of the past, tying in with America's foreign policy today.

During the business session plans were made for the final meeting of the year which will be a luncheon held at the home of Mrs. E. S. Ireland on May 8. Mrs. R. L. Campbell will be guest speaker.

Those present were Mesdames Fred Barrett, J. E. Beyer, A. B. Christian, Noah Ewton, Burl Franco, H. E. Green, J. M. Gilliland, Bob Higgins, O. G. Hill, E. S. Ireland, Ray Johnson, J. B. Jones, F. M. Kester, Wirt Phillips, B. E. Roberson, Al Werner,

"I am convinced that the weakest spot in our evangelism is our effort to find those people with whom our churches have no contact whatever; the children who are in no church school; the young people who are in no school or young people's society; the adults who have no connection with the church," says Dr. G. Pitt Beers, executive of the American Baptist Home Missionary Society in addressing the ministers of his denomination. "Some of them are confused and will welcome a friendly approach. Some will have just passed through some soul-shaking experience that will turn their thoughts to God. Some have been comfortably careless, but a new approach will arouse them to experiences of the past. Will you not make some definite attempt to find some of these people and establish a vital contact with them?"

New Method Suggested in Cutworm Control

A new tip on the control of cutworm damage to early garden produce was offered this week by Miss Sadie Lee Oliver, C. H. D. A., who says that a bit of cardboard rolled around plants in their infancy will prevent the cutworm from doing any damage.

Paul Gregg, entomologist for the A & M College Extension Service, points out that the cutworm, which passes the winter beneath the soil and becomes active in the spring, is especially likely to appear in land which was not cultivated last year.

The pest announces its presence in the spring or early summer by cutting off near the ground the stems of the tender young plants. Since the cutworm is a common enemy to gardens everywhere, gardeners should prepare at the time plants break through the soil or are set out to guard against its attack; and one of the simplest methods is to erect a cardboard barrier between the plant and the pest. Any lightweight material about the size of a penny postcard will do. Roll this into a collar around the plant, making the opening of the collar about four times the size of the main stem to allow for entrance of plenty of air and light.

Care should be taken to sink the collar about an inch below ground and leave two inches above the soil. It also helps to protect young plants against sun and wind. But the danger is not entirely past when the stem becomes tough since the worm sometimes will climb small plants and cut off the leaves. On that account it is well to leave the collar in place until the plants reach sufficient maturity to protect themselves.

The best protection for a large garden is poisoned bait, scattered thinly over the plot or around the bases of the plants immediately after setting them out. Directions for preparing the bait may be secured from county agricultural agents and it is often for sale by dealers in insecticides and chemicals.

Cancer War Fund Drive In Progress

War's violence has killed 121,363 Americans to date in this conflict.

In that same period, cancer has killed 495,000 Americans.

Indebly impressed by suspense and the shock of opening telegrams is war's toll. Cancer moves slowly, treacherously toward its tragic score. Total cure is still out of reach.

But there is a loud stirring among responsible people at the moment and it is taking shape in the form of an April campaign to raise \$5,000,000 over the nation to fight cancer.

In Texas, a committee headed by T. E. Braniff, Dallas, will seek \$500,000 as this state's share in the overall drive. Half the money will remain in Texas, the other will go into a national fund with objectives of public education, professional

research, establishment of detection and treatment of victims.

Cancer Control Month

April has been proclaimed by an act of Congress as cancer control month. It should merely be the starting point for a never-ending crusade against a killer.

Last year in these United States, health drives aimed at diseases which cause far fewer deaths raised from \$10,000,000 to \$12,000,000 apiece. But cancer got only \$750,000.

If we buy a War Bond to fight a war, we logically should be glad to invest an average of less than 8c per resident in Texas to fight a disease more deadly than robot bombs, bombers and artillery shells.

Facts on cancer are joltingly rough:

1. An estimated 600,000 Americans right now are suffering from cancer.
2. The annual cancer death rate in the United States is 185,000.
3. One of every eight Americans dies of cancer.
4. If this ratio continues, 17,000,000 of today's living Americans will die of cancer!

5. In 1944, 18,000 children under 14 died of the disease.

6. Cancer is the No. 1 killer of women between the ages of 35 and 55; the No. 2 killer of men.

7. It is surpassed in total deaths for all ages only by heart disease.

Hopeful Factors

Behind it all are hopeful facts. Certain types of cancer are being cured and can be cured if apprehended early. Detection clinics can discover precancerous conditions and control its growth. Without the discovery of a single new cancer fact, medical authorities estimate that 30 to 50 per cent of potential cancer victims can be saved.

More Home Canned Pineapple Calls For Use of Tested Canning Recipe

With commercially canned pineapple extremely scarce and high in point value, and with the local fruit crop severely hit by freeze damage, more persons than ever before will be canning pineapple this year,

and Miss Sadie Lee Oliver, county home demonstration agent, this week gave the following information on the correct method of canning pineapple. The instructions were pre-

pared by Mrs. Winifred J. Leverenz, specialist in food preservation with the Texas A & M Extension Service.

SELECTION: Sugar Loaf and Smooth Cayenne are the best varieties of pineapple for canning. Fruit is ripe when it is orange colored and the spines are readily pulled out; and if pineapple is sun-ripened before gathering it yields a better product in flavor and contains more fruit sugar. If the fruit is gathered before it is ripe, it should be wrapped in thick paper and kept a few days at even temperature of about 65 or 70 degrees F.

CONTAINERS. Pineapple canned in plain tin cans has a better flavor and color than when canned in enamel cans or glass jars. However, these containers may be used if plain tins are not available.

PREPARATION OF FRUIT: Make syrup before cutting pineapple. Dissolve 1-2 to 3-4 cup sugar in one cup hot water. This amount is usually sufficient for one quart of fruit. Wash the fruit with a stiff brush. Cut off stem and twist out top. Lay the pineapple on its side on a cutting board and cut in 12 inch slices. Peel each slice, and drop slices into syrup at once to prevent exposure to air which causes loss of vitamin C and discoloration.

PACK RAW AND STEAM: When all pineapple is prepared, pack cans or jars full of slices of raw fruit. Bring the syrup to a boil and pour over the fruit to within one inch of the top of the container. To steam, place uncovered jars or fruit in a water bath with warm water up to the neck of the jar. Cans without lids may be placed in a water bath with boiling water about 1-2 inches below the rim. Cover the water bath kettle. As soon as the water starts boiling and has formed a good steam, count time. A slow, even boil is better than vigorous

boiling because the water does not bubble into the containers.

Steam pints and No. 2 cans five minutes (about 150 degrees F.) Steam quarts and No. 3 cans ten minutes (about 150 degrees F.)

PRESS DOWN AND SEAL: At the end of the steaming time remove containers one at a time. Press the fruit down so that juice will cover the pieces and the air bubbles will escape. If the fruit is not hot, and the air removed, darkening of the product and loss of vitamins will result.

Seal lids on cans air-tight. Self seal type of jar lids should be tightened firmly before processing and not tightened again after processing. Other types of lids should be loosened 1-4 turn before processing and then tightened after processing.

PROCESS IN BOILING WATER BATH: After jars have been sealed, they should be put back into the water bath and covered with boiling water. Count time when water begins boiling. Process No. 2 and No. 3 cans 15 minutes; pint and quart jars, 20 minutes.

COOL AND STORE: Remove from water bath. Cool cans in cold water immediately. Tighten lids on jars, other than self-seal type, and cool as quickly as possible without putting in draft. Store in cool, dry, dark place.

Note: Cores and trimmings may be ground, cooked with syrup and made into juice or canned as crushed pineapple.

PINEAPPLE JUICE

Follow suggestions for selection of fruit and containers as given above. It's especially important that fruit be ripe and sweet to yield a good quantity of good flavored juice. Peel and cut pineapple into pieces. There are two ways to extract juice: (1) A seposieve is ideal for grinding and extracting juice at the same time. (2) If seposieve is not available, the pieces may be run through a meat grinder, then heated to 140 degrees, F. (a little hotter than the hand can stand). Stir to prevent sticking. Press the warm pulp through any type of fruit juice press. A fair yield may be obtained by squeezing pulp through a cheese cloth.

Add 1-2 cup sugar to each quart of extracted juice and heat to 140 degrees F. or 150 degrees F. Pour into clean cans or clean, hot jars. Seal, process and store the same as described in canning pineapple.

Instructions for the preparation of candied pineapple and for freezing pineapple may be obtained from the county home demonstration agent.

Among those attending the Jr.-Sr. Banquet at Hereford Friday night were Misses Charline Walker, Betty Euler and Lorina Storey and J. B. Euler, Wendell Roberson, Jim Suttles, L. H. Lookingbill and Bennie Joe Statts.

Mr. and Mrs. B. A. Atchley are visiting his brother and family at Olney and also their daughter Ruth and husband in San Antonio.

Mr. and Mrs. Cecil Lookingbill and John L. of Amarillo visited in our community Sunday.

Rev. and Mrs. Rexrode, Wayne Lee, Dorothy Davison, Jim Suttles and Helen Catson attended a young people's meeting in Canyon last Thursday.

substantially as follows, to wit: To cancel a deed of trust lien and note executed by Lizzie B. Ashbrook to R. W. Ashbrook, trustee for use and benefit of Peter Austin, dated August 17th, 1933, and recorded in deed of trust records for Deaf Smith County, Texas in Vol. 37 page 211, note for twelve thousand dollars, due in two years at 6% interest, payable to Peter Austin, and secured by trust deed lien on the north half of section 22 in Block K-8, Deaf Smith County, Texas.

Plaintiff alleging said note paid, as well as barred by the four year statute of limitation, and prays for the cancellation of said note and lien, and all

general relief. Issued this the 24th day of April, 1945. Given under my hand and seal of said Court, at office in Hereford Texas, this the 24th day of April A. D., 1945. (SEAL) R. L. THOMPSON, Clerk District Court, Deaf Smith County, Texas. 17-4tc

Gardening for Victory

along the Santa Fe

Soon travelers will be seeing plots of beets, beans, tomatoes, corn and other needed vegetables "coming along" on both sides of our tracks.

For once again Santa Fe has made its right-of-way available to its employees for Victory Gardens.

We are also offering \$2720.00 in War Bonds to our best Victory Gardeners as an added incentive toward helping "Food Fight for Freedom."

Located as we are "Along the Route to Tokyo," Santa Fe people throughout our 13,095 miles of track can "feel" this war. They are working full hours to move along the never-ending loads of guns, tanks, men and munitions.

Perhaps that's another reason why they're not only working harder on their railroad jobs, but are pretty fine War Bond buyers and Victory Gardeners as well. It's Santa Fe all the way for the U.S.A!

OPA Raises Limits In Cattle Slaughter

The OPA this week increased the maximum percentage of choice and good grades of cattle which may be slaughtered during the monthly accounting periods.

The increase, effective for the periods ending on or about Apr. 30 and through June are

relief bundles containing some of the cowboy boots that have been turned in in Hereford. The boots may look slightly incongruous in combination with—for instance—a Greek skirt costume, but they will probably turn out to be the particular pride of whatever boy gets them.

being allowed because the percentage of these two top grades in the total cattle supply is relatively high during the spring, OPA said.

The agency also exempted from the percentage limitation anyone whose slaughter is confined exclusively to 4-H or other club cattle purchased at OPA approved sales.

For the April and May periods the increases allowed in this zone are from 50 to 75 per cent higher percentages for the accounting period ending about June 30 will be fixed later.

OPA said that with market prices for lower grade cattle now nearer ceilings than are those for better grades, the larger kill of choice and good cattle "will distribute slaughterers' demand for cattle more evenly over all grades."

Mrs. L. E. Smith who has spent the past five months in the Rio Grande valley with relatives, returned to Hereford Tuesday night. With her came Miss Ann Cockrell who spent the past two weeks visiting relatives in the valley and in Corpus Christi, Austin, Dallas and Fort Worth.
