SIGHTS, FACES SEEN

Dick Culpepper closed his Candy Kitchen this week, after ten and a half years of business in the same spot. The building is going to have a face lifting before long, and Culpepper states that he does not intend to re-open there. If he finds a suitable location in the future, he says, he will be most happy to welcome all his old customers back.

Tonsillitis kept Buddy Bob Campbell home from school last Friday, that day of suspense when all the school children file into the room for the last time to get their report cards. And like all the other children, Buddy Bob had been fretting and worrying for some two weeks about the possibility of not passing. But when his mother assured him that he had been promoted, to the third grade, Buddy Bob had a new worry. "Now I'll have to leave my old room and my teacher," he lamented, "and someone else will get to sit in my desk."

John Kelly won the suit at the Jaycee meeting Tuesday night and J. H. Fish, a new member, attending for the first time was allowed to pull out the ticket for the winner of a radio given by James Roberts of Hereford Furniture company. You guessed it, he pulled his own number out.

Forrest Minton proved the fallacy of the mother-in-law, son-in-law myth Sunday by baking a great big chiffon cake for his mother-in-law's, Mrs. E. J. Hudson, birthday. Best of all, they said it was delicious!

The Amarillo Experiment station and Tex-O-Kan Flour Mills Agricultural Department Farm are sponsoring a Wheat Improvement Field Day Friday. It starts at 9:30 a. m. at the Experiment station 15 miles west of Amarillo on Highway 66. A free lunch will be served and the program will continue until about 3 p. m.

Mayor W. E. Dameron announced today that the new city sewage disposal plant, which has been under the process of construction for several months, is ready to function now. Located adjacent to Veterans Memorial Park, the new plant is built in accordance with the latest standards and will be more efficient in operation than the former system. Use of the old plant will be discontinued this week.

Lions Club members are operating in full force down at the carnival location on Park Avenue and D Street. In addition to the rides—ferris wheel, merry-go-round, tilt-a-whirl, and kiddie cars, which were erected the first of the week, booths, stands, and games have sprung up overnight, laboriously constructed and operated by local club members, and the Boy Scouts. "There's plenty of food," say the Boy Scouts, and "There's plenty of fun" say the Lions. Weight-guessing, lion-dunking, ball-throwing, pop-gunning concessions are feature attractions, with plenty of prizes for the lucky winners. Proceeds from the carnival will support a project of community-wide interest—the new wing of Deaf Smith County Hospital. All the glittering attractions will open tonight and tomorrow night at seven, and at noon Saturday.

Opening date of the Municipal Swimming Pool, previously announced in conjunction with the Lions Club Carnival this week will not occur until some time in June, it was announced early this week by city officials. Clean-up and check-up work at the pool is in process now, and the opening date will be announced as soon as this work is completed and a full time staff is appointed.

Baby Show Is Real Success

The Baby Show, sponsored by the American Legion Auxiliary in the high school auditorium Monday night would be a good show to look forward to each year, not only because it was as refreshing as a midsummer breeze, but also for the personalities of the contestants, which made it one of the season's most interesting entertainments.

In the tiny tots division, ages 1 and 2, there were 20 girl contestants for the crown of Princess Beautiful with Christine Robbs, daughter of Mr. and Mrs. Dean Robbs, the winner. 18 boys in that age bracket contested for the crown of Prince Charming.

Pat Flynn of Amarillo was master of ceremonies and Charley Gibson and Pat Robinson, also of Amarillo, acted as judges. Auctioneers were B. E. Brumley and Ben Sheppard of Amarillo.

Each contestant was required to provide a pie for the pie contest. Baby contestants were restricted to ages 1 to 6 inclusive and all entries were volunteered.

Contestants were divided into three age groups with separate groups for boys and girls.

Points for judging the girls' groups were based on stage presence, daintiness and charm. Points for the boys were based on stage presence, physique and appearance. The beauty contestants were dressed in formal attire and were judged on stage presence, appearance, charm and personality. Winners in each group were awarded prizes.

Mike Harvey, son of Mr. and Mrs. Paul Harvey, came up with all the scores for that one. In the 3-4 year old group, six girls contested for the honor of becoming "Little Bo Peep" with little Bessie Jo Blevins, daughter of Mr. and Mrs. L. R. Blevins, as the winner. Six boy contestants vied for the honor of being named Little Boy Blue and James Graham, son of Dr. and Mrs. Will F. Graham, was given that honor by the judges. Five little girls were entered in 5 to 6 age group. Joy Story, daughter of Mr. and Mrs. Joe G. Story, was crowned Little Miss Daisy Duck, and of the 3 boy

contestants in that age group, Ronald Lee Bell, son of Mr. and Mrs. Wilbur Bell, was crowned Donald Duck. Evelyn Ford Wins The beauty contest, sponsored by Hereford merchants, attracted 21 senior high school girls with Miss Evelyn Ford, chosen as Miss Hereford of 1949. She is the daughter of Mrs. Myrtle Ford.

The Baby Show was one of the projects sponsored by the Auxiliary for the purpose of raising funds to carry on activities of the group. All funds over and above the actual expense of staging the show will go to defray the expenses of Miss Alma Faye Knox who was chosen last week by the Auxiliary as their representative to the Bluebonnet Girls State which convenes in Austin June 5 through 11.

Record Breaking Wheat Harvest To Create Usual Storage Problem For Area Farmers

Wheat that hasn't been hit by hail in Deaf Smith is all good wheat, the agriculture experts report, and with that surmise comes the ever-present problem of good harvest, where shall the farmer store his grain. Current prospects throughout the county indicate the harvest may yield six million bushels or more, perhaps to equal or even surpass the record-breaking year

of 1947 when the county produced seven million bushels of wheat. Except for hail damage, every field will make 20 bushels and some a lot more. With approximately 2 and a half million bushels of storage space in the county and more than twice that amount of grain to be cut, it looks like there might be wheat piled on the ground again in 1949. The Santa Fe Railroad has

said they can move the harvest in 30 to 90 days, but farmers think they may be able to cut it in 20 to 30 days. All prospects point to an early harvest this season, also. A Problem Everywhere And Deaf Smith doesn't have the only storage problem in the nation. A total wheat production of 1,310 million bushels, second only to the 1947 output of 1,367

million bushels, has been predicted for this year, estimate based on the winter wheat crop and spring wheat crop forecasts. A total of 81.7 million acres of all wheat is reported seeded or expected to be seeded for 1949. This would be the largest wheat acreage on record, slightly exceeding the previous record of 80.8 million acres in 1937. Wheat acreage has been climbing steadily each year since 1942.

The picture for Texas probably repeats the nationwide theme. According to the Texas Employment Commission wheat harvest control office, whereas incomplete reports have been received from most wheat producing counties, and while there has been heavy rains throughout most counties, hail and wind damage appears to have been negligible.

In scattered localities hail damage has been sustained up to complete loss which Deaf Smith farmers will well confirm. Heavy winds have blown over some acreage most of which will possibly recover. However, predictions are these wind and hail losses will not amount to more than one or two per cent in the over-all picture.

Mild Rust Threat Some reports have been received indicating that rust has attacked crops in some areas where they have had excessive rains and floods. This condition is not serious and continued sunshine should eliminate the threat. It still appears that Texas will harvest a bumper wheat crop this year.

This means Texas' wheat elevators, terminal and non-terminal, will be packed to the gills. The mile long line of wheat trucks sitting before elevators may again be the reality it was two years ago.

Farm storage facilities, demanded by the bumper crop harvest of last fall, will again be put to good use and many farmers are arranging for more storage bins on their own farms.

Non-Resident Permits To help haul in this bumper crop, the 51st legislature has recently authorized the State Highway Department to issue to a non-resident owner a 60-day temporary registration for any truck, truck-tractor, trailer or semi-trailer to be used in harvesting and marketing of wheat and similar grains produced in Texas.

This bill, Senate Bill No. 75, provides that such temporary registration may be issued for the movement of such grains from the place of production to market, storage or rail head. The bill further provides that operators engaged in transporting wheat or other similar grains produced in this State between towns for hire must secure permits from the Texas Railroad Commission.

All non-resident vehicles used in harvesting or marketing of wheat or other similar grains in Texas will not be allowed to operate without this temporary registration.

As harvest time draws closer and farmers ready their implements for the rush season, they are also pondering what they are going to do with the grain once they get it cut.

Jaycees Elect Six Directors To Board

Leo Hellman, S. A. Duckworth, Ivan Block, Kenneth Coker, Gerald Wilson and Harold Loewald were elected to the Junior Chamber of Commerce board of directors at the regular dinner meeting Tuesday night in the Lions-Rotary Hall.

Coker was re-elected, the other five replacing out-going-directors Neal Young, Lowell Sharp, Dr. Millard Nobles, John Kelly and Dub Reeves.

The business portion of the meeting other than part concerning the election was devoted to discussion of the Jaycee Park project and the membership drive. All Jaycees will meet at the park Sunday afternoon at 2 o'clock to get the project rolling.

QUESTION of the WEEK

What does your wife do when you bring home unexpected company just about dinner time?

Roy Crutchfield: I don't remember. As a matter of fact, practically all our guests are expected. As far as I can remember, I don't think it ever happened. However, I certainly wouldn't be afraid to take home unexpected company.

Frank Marrs: Well, it has happened at our house, but for the life of me I can't remember what my wife did. However, I remember this much: I'll never do it again.

Onias Carroll: We don't have much unexpected company either, but I'm sure we have at some time. It's hard to tell what she did, probably just gave the company half of my allotted share of the meal. At any rate, I'm sure it wouldn't bother me, or her either, if unexpected guests arrived.

C. L. Eybee: You ask me what my wife does when I bring home surprise company at 6 p. m. and all I can say is that I haven't been home at 6 p. m. in so long, I don't know what she would do. Does that answer the question? If it doesn't, this should: I've been married too long to sneak in any unsuspected company.

Bob Jennings: She usually has supper ready about 6 p. m., so she just puts another plate on the table and divides up what we have. She doesn't say anything about it at all.

J. D. Curtinger: You mean then or later? Then she'd be very polite and make them quite welcome, I'm sure. However, I'd probably hear about it later.

James Garner: Well, she'd probably run out to the garden and grab another handful of onions and radishes, and add them to the others on the table. She'd say, "Sit right down and make yourself at home," and the guests probably would.

A. W. Hembree: Boy, that's just exactly what I almost did today, and nearly got me and the company both driven out. I'll tell you, though, when this unexpected company drops in she's really a lovely hostess, except that afterwards she backs me off in the corner and says, "Why didn't you tell me they were coming?"

KPAN Partners Get New Snyder Station

Marshall Formby, manager of KPAN and his partner John Blake have been granted a construction permit for a new radio station at Snyder. Authorized to operate a station of 1280 kilocycles, 500 watts, during daytime hours, the station will be known as the Blake-Formby Broadcasting Company.

Formby says a site will be selected immediately and submitted for approval of the Federal Communications Commission. Blake is engaged in the printing business as co-owner of the West Texas Printing company at Brownwood, at present. He is to assume charge of the Snyder station and Formby will continue to manage the local station.

Estimated cost of equipment for the Snyder station is \$24,222.

The National Director of the U. S. Savings Bonds Program, Vernon L. Clark, Des Moines, Ia. business man, is an outstanding volunteer worker, serving for 3 years without pay.

Hereford Canning Company Operations Commence Soon

Preliminary operations for the opening of the Hereford Canning Company got underway this week with offices at the plant slated to open within the next few weeks, according to Worth Ware, general manager, who has announced the purchase of the properties, which were built at a representative cost of a quarter million dollars, shortly after the corporation was formed in March, 1946.

Officials of the plant include Ware as general manager, and president of the company, Mrs. Gail Ware, vice-president and assistant secretary-treasurer; Holman Jenkins, attorney of Dallas, vice-president; and P. T. Bee, Dallas, secretary-treasurer. Dell Hill of Weslaco, who has had wide experience in the operation of canning factories, has been named plant superintendent in charge of production and maintenance. Dell was connected with the Continental Canning

Highway 51 Group Meets In Seminole

Representatives of Hereford left this morning to attend the Highway 51 Association meeting in Seminole.

The meeting will have one special sidelight in that President Swanson of Vega has sold his business in Vega and moved to South Dakota which necessitates the election of another president. Otherwise, it will be a regular meeting.

Hereford Chamber of Commerce manager Pete Cowart received information in Austin last week that the Highway department is now paving a part of the road south from Channing to the Canadian river and also part of the road north from Vega to the river.

The only other gap remaining in Texas, the Sanderson project, is also receiving serious consideration by the Highway Department. The association plans to keep pressure on every possible party with influence until the highway is completed with the bridge across the Canadian.

THE WEATHER

Temperatures Sunday through Wednesday, readings taken at eight o'clock each morning:

Sunday—High, 77; Low, 52.
Monday—High, 79; Low, 56.
Tuesday—High, 86; Low, 56.
Wednesday—High, 72; Low, 57.
Total May moisture—7.66.
Total 1949 moisture—12.66.

Winning "Miss Hereford of 1949" honors from this bevy of beauties was almost as difficult as the task of choosing the winner, but Evelyn Ford, sixth from right triumphed. Right to left the girls are: Betty Jo Carnahan, Mary Kathryn Carroll, Mary Elizabeth Hund, Billy Stevens, Emma Jane Brown, Evelyn Ford, Martha Thomas, Eline Cox, Marilyn Henderson, Jane Welch, Orane Duggan, Geraldine Knabe, Lola Faye Brunson, Betty Ruth Cawthon, Leta Dene Springer, Joan Witherspoon, Pat Longbottom and Betty Smith. Lubbock ABC Boys' Club World Championship Rodeo

LUBBOCK, TEXAS—Participants and spectators from many parts of the Southwest are expected to throng this South Plains metropolis at 3:00 p. m. on June 8, for a tremendous parade, blocks long, which is to officially open the Lubbock ABC Boys' Club World Championship Rodeo, June 8, 9, 10 and 11. All performances will be in Jones Stadium, Texas Tech campus, starting at 8:00 p. m. nightly.

The WILL ROGERS RANGE RIDERS of Amarillo will set the parade gait, to be followed by some of the finest horses and riders in the West. Crowds at each of the four nightly rodeo shows will see five action-filled acts, plus a host of heated contests for the prizes of \$4000, plus entrance fees, in saddle bronc riding, bareback bronc riding, calf roping, steer wrestling and bull riding.

The showmanship of the famed Hendricks family, Beeswax and the Moores, an 18 horse quadrille, and four feminine trick riders will highlight the World Championship Rodeo each night.

Checks, cash and money orders, made out to "ABC Boys' Club Rodeo" for reserved and box seats, are being received at the Rodeo Ticket office, 1118 Main, Lubbock, phone 3-3489.

Prices are \$2.40, tax included, for reserved seats, and \$3.30, including tax, for box seats. General admission tickets will be sold at the gate only, \$2 adult, and \$1 children. All seats in Jones Stadium afford an excellent view of the performing area.

PERSONALS

E. W. Dettman and A. G. Biggers of Hereford, local dealers for Harry Ferguson, Inc. have returned from a two day meeting of dealers held in Dallas with 70 representatives from the Tri-State area present.

During the two-day forum an educational field demonstration of implements in actual operation was conducted with new equipment on review as well as the functional field standbys available to farmers.

House guests of Mr. and Mrs. Harry Cayler this week end were her father A. J. Kelly and her brother, Ellis Kelly of Perryton who flew down for a few days visit in Hereford. They returned home Sunday taking Donna Cayler back with them for

about a week's visit with her relatives.

Dr. and Mrs. John Channer and children, Sue and Andy, have returned from Oklahoma City where they visited with his brother, H. B. Channer and his family. The Channers were accompanied by his mother, Mrs. Sena Channer, who had been a guest in their home and who returned to her home in Oklahoma City.

Mr. and Mrs. Jack Brown and daughters, Jackie and Joan, and Mr. and Mrs. Clarence Davis and daughter, Sybil, left Tuesday for a fishing jaunt downstate below Lampassas. There they will meet friends from Belton. They plan to return the later part of the week.

Mr. and Mrs. Vernon Chambliss and daughter Carolyn Jean of Fort Worth and Mr. and Mrs. Edgar Russell and daughter Betty Kay of Levelland have returned to their homes after visiting the sisters parents, Mr. and Mrs. J. E. Cockrell.

Wheat Growers Meeting Called

A meeting of all Deaf Smith County wheat-growers has been called for Saturday afternoon at 2:30 at the County Court-house. Faust Collier, ACA head, announced today.

Purpose of the meeting will be to discuss plans for the organization of a High Plains Wheat Producing Association, in line with a suggestion made by Carl Cooper, Dalhart, Farm Bureau Director of District 1. An organization of this type, if approved by wheat growers, will include the tri-state wheat producing area, and will serve to represent area wheat growers in hearings before the agricultural sub-com-

mittee of the Congress. A delegate, together with an alternate, may be selected to represent Deaf Smith County at a Tri-State wheat growers meeting to be held in Amarillo on June 6.

It is the opinion of many wheat growers that through a separate organization their interests will be better represented before the Congressional subcommittee. Plans for the High Plains Wheat Producing Association are still tentative, pending opinions expressed at local meetings such as the one here Saturday, and the tri-state meeting in Amarillo on June 6.

OFFICE HOUR CHANGE
Mrs. A. Peterson, clerk of the Draft Board, announced today a change in office hours. Beginning Monday May, 30, and continuing until further notice, the Draft Board office will be open from 8 a. m. until 12 o'clock, and from 2 p. m. until 4 o'clock. Mrs. Peterson will be in her office five days a week, Monday through Friday.

Mrs. O. G. Hill, Mrs. Wiley Robertson, and Mrs. E. W. Young returned Wednesday from Oklahoma City where they attended the WMU Session of the Southern Baptist Convention.

Miss Della Stagner left this week-end for a two or three weeks vacation in Hot Springs, Arkansas.

Mr. and Mrs. E. O. Billingslea have just completed their new country home north of Joel Switch. The Billingsleas returned last month from a winter spent vacationing in New Orleans, Brownsville, Yuma and Phoenix.

LEGAL NOTICE

NOTICE TO BIDDERS Sealed proposals addressed to the Honorable Mayor and City Commission of Hereford, Texas, will be received at the office of W. E. Dameron, Mayor, until 2:00 P. M., June 14, 1949, for furnishing all necessary materials, machinery, equipment, superintendence and labor for constructing Division I, Water Works Improvements, the principal items of work consisting of approximately 523 feet of 10 inch, 6,347 feet of 8 inch, 4,297 feet of 6 inch, 7,223 feet of 2 inch cast iron Water Mains including the necessary Valves, Fire Hydrants and Fittings; and for constructing, Division II, Sewer Improvements, the principal items of work consisting of approximately 4,641 feet of 10 inch, 8,361 feet of 8 inch, and 23,660 feet of 6 inch vitrified clay sewer pipe including the necessary Manholes, Cleanouts and Branch Connections. Bidders may submit proposals on either of both Divisions. Bidders must submit a Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of the City of Hereford, Texas, in an amount not less than five (5%) per cent of the largest possible bid submitted as a guaranty that the Bidder will enter into a contract and execute bond and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without the required check or Proposal Bond will not be considered. The Successful Bidder must furnish bond on the attached form in the amount of 100% of the total contract from a Surety Company holding a permit from the State of Texas to act as surety, or other Surety or Sureties acceptable to the Owner. All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities in case of ambiguity or lack of clearance in stating the prices in the bids. The Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable or "Unbalanced" unit prices will authorize the Owner to reject the bid. Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions under which the work is to be done. Attention is called to the provisions of the Act of the 43rd Legislature of the State of Texas, Page 91, Chapter 45, (Article No. 5159A Civil Statutes 1925) concerning the wage scale and payment of prevailing wage established by the Owner. Said scale of prevailing minimum rates of wages is set forth in the specifications. Information for bidders, proposal forms, specifications and plans are on file in the office of W. E. Dameron, Mayor, Hereford, Texas, and Parkhill, Smith & Cooper, Consulting Engineers, 1006 - 14th Street, Lubbock, Texas. Copies of the Plans and Specifications may be secured from Parkhill, Smith & Cooper, Consulting Engineers, 1006 - 14th Street, Lubbock, Texas, upon a deposit of \$25.00 as a guarantee of the safe return of the plans and specifications. The full amount of the deposit will be returned to the Contractor on submission of a bona fide bid on the work, with such Plans and Specifications, or upon returning the plans and specifications immediately after examination of same, and advising the Engineer that bid will not be submitted; otherwise the deposit shall be forfeited. Revival Will Begin Tomorrow Night; Rev. Bruce Gyles Is Guest Speaker

By MRS. OWEN ANDREWS The Revival meeting at the First Baptist Church will begin Friday night, May 27, at 8:15 o'clock, with Rev. Bruce Gyles of Earth doing the preaching. Bob Lawrence, educational director at the First Baptist Church at Hereford, will lead the song service in the evenings with someone from the local church directing morning song service. Plans to be away on the Wade Thompson, local song dimmitt Senior trip and could not accept the invitation to lead. All who will be urged to attend the services, which are expected to continue through Sunday, June 5. Included in the Eighth Grade Graduating class at Hereford were Misses Dovie Jane Jones, Sherry Ann Benson, Oma Ruth Thompson, Nellie Jo Simpson, Lester Irwin and Glenn Andrews, and their parents and several from this community attended the graduation exercises on Thursday night. The Rev. and Mrs. R. L. Shannon and Lavada Shannon visited their sons and brothers, Leroy Shannon at Lubbock, and Lonzo, at Meadow, on Saturday. Dinner guests Thursday in the W. S. Littrell home were Mr. and Mrs. W. F. Andrews, Wiley Andrews, Miss Faye Andrews, Mrs. Ralph Hart, Misses Iva and Mary Hart, Mrs. Loyd Roberts and sons, all of Melrose, N. M., and the Owen Andrews and W. H. Andrews families. Mr. and Mrs. J. E. Andrews and Miss Alma Andrews and Mrs. Henry Andrews and Doris Jean were afternoon visitors. The Leon Williams were spending the week with the Littrells, who are Mrs. Williams' parents. The relatives were having the dinner as a last visit before the Littrells left to make their home in California. Many of the neighbors called at the Littrell home extending farewells and good wishes during the week, and on Monday morning the Williams and Littrells left. Mr. Williams' mother had also been here and at Plainview, visiting relatives and friends. The Williams live at Orange, Calif. Miss Faye Andrews accompanied the Littrells to California, for an extended visit with a sister and other relatives there. Sunday dinner guests in the W. H. Shannons, the Leonard Irwins and the Raymond Odoms of south of Dimmitt. Tommy Irwin, whose home is in Oklahoma is here for an extended stay while he helps the Leonard Irwins with their work. Mr. and Mrs. Wesley Greer and son of Amarillo spent a few days this week visiting an aunt, Mrs. E. B. Berryman and family. They were accompanied by Miss Lamerlas Berryman of Amarillo, who visited her parents during the week end and rode the bus back on Monday. A Sunday afternoon visitor of the Berrymans was Joe Jones of Amarillo and Sunday night

visitors were Misses Evelyn Gene, Sherry and Genevieve Benson. Mr. and Mrs. T. L. Sparkman visited in Amarillo with his father, G. W. Sparkman and family. Mr. and Mrs. J. E. Andrews and Miss Alma Andrews visited Tuesday with their daughter and sister, Mrs. Charles King and family in Amarillo. Mr. and Mrs. Earl Cole and Kay, Mrs. Floyd Cole and Jana were Amarillo visitors on Thursday. The Lee Renfros entertained at a surprise birthday supper on May 13, honoring Austin Mobley. Others present were Mr. and Mrs. George A. Springer, Mr. and Mrs. McMahon of Dimmitt, Mr. and Mrs. Earl Cole, Mr. and Mrs. Floyd Cole and Jana, Mr. and Mrs. Raymond Mobley and son. Last Friday evening the Lee Renfros had the following supper guests: Mr. and Mrs. George Springer, Mr. and Mrs. Clyde Russell, Robert, Doris and Linda Russell, Mr. and Mrs. Loyd Sharp, Philip and Leslie Sharp, The Russells and Sharps are from Hereford. Glen Brown was one of the Dimmitt F.F.A. boys who week end before last, made a trip to Lubbock and A&M College Station, on a meat-judging tour. Lynn Axe took the boys in his truck, and the group went to Galveston sightseeing. Mr. Seale, Agriculture teacher, also accompanied the boys. Mr. and Mrs. Henry Andrews and Doris Jean were Amarillo visitors Sunday. Miss Lyla Robbins returned home Friday after the close of her school at Springlake.

Renfro Returns From Committee Hearing

Jack Renfro, one of the directors of the National Potato Council, returned this week end from a trip to Washington to confer with members of the Council on a report to be submitted to the Agriculture Sub-Committee. He reported the committee had agreed to all the proposals presented by the council and will incorporate into their report a recommendation to abolish penalties and marketing quotas, as well as the proposed penalty for areas which did not have marketing agreements. They also proposed that one per cent of the national production quota be set aside for the development of new areas in the industry. All these recommendations will go into the congressional report on this year's farm program. Potatoes, only perishable crop for which the government is required to set a support price, have long been a point of debate in the current program.

Gene Denny's Betrothal To Jack Porter Revealed

Mr. and Mrs. Bill Denny of Hereford announce the marriage of their daughter, Gene, to Jack Porter, nephew of Mrs. Grace Hicks of Hereford. The couple was married at the Church of Christ in Clovis on Monday, May 16. Their only attendants were Mr. and Mrs. Judd Ragland. The bride attended schools here and has been employed recently by Dr. G. W. Heard. Porter is employed with the Dub Jones Water Drilling Company. They are residing at 711 North Main.

Two Recitals Slated For Sunday Afternoon

Mrs. Ellis Coombes will present two groups of students in a piano recital Sunday afternoon May 29, at the First Baptist Church. Both programs will mark completion of fall and winter work and will include compositions selected from solo, ensemble and special work. The first program is scheduled for 2:30 p. m. and participants will be: Marilyn Russell, Tony Benson, Genevieve Benson, Bob-

Littlefield Man Drowns At Buffalo

Buffalo Lake had its first drowning victim of the year Monday afternoon when Billy J. Knight, 21, of Littlefield, drowned. Young Knight had removed his shirt and shoes and started to swim to a nearby float, carrying his fishing pole with him. He suddenly disappeared beneath the water. The body was recovered about 20 minutes later and efforts to revive him failed. He was tangled in the line when recovered. It was not determined whether the line or cramps caused drowning.

Attending the graduation of Miss Doris Goldston from Mary Hardin Baylor College were Mrs. Gerald Wilson, who went down Thursday to Belton and returned Monday and Miss Goldston's mother, Mrs. Florence Goldston of Hereford, who went down Saturday. Her brother, Phil, a student at Texas A&M and her high school classmate, Miss Ruth Tucker, were also present.

HOT DOGS
Broiled Stuffed Hot Dogs
A McCall's Magazine Food Panel Recipe
Six hot dogs, lengthwise, but be sure not to cut all the way through. Spread with prepared mustard. Place wedge of dill pickle, and tuck tip in each hot dog; also a 1/4 inch strip of sharp American Cheddar cheese. Wrap a strip of bacon around the hot dog spiral (ketchup and lettuce the ends with toothpicks. Place in a broiler pan with top of the food 2 inches below the tip of the flame. Broil until the bacon is crisp and the cheese is melting. Just this little pampering brings out the best in the hot dog and makes it one of your most popular summer dishes. Try doing them on the outdoor grill (if you are lucky enough to have one) and you have a real production.

Hereford Man Injured In Amarillo Accident

Woodrow Carmichael was dismissed from St. Anthony's Hospital in Amarillo Monday following hospitalization as the result of injuries sustained in an automobile accident which occurred Saturday night at Northeast Eighth Street in Amarillo. Carmichael, about 46, was driving a 1935 Plymouth which collided with a new Oldsmobile in which Mrs. May Mc Bennett of Los Angeles, California, and Mrs. Marjorie Parks of Oak Park, Illinois were riding. Mrs. Mc Bennett was dead upon arrival at the hospital, and both Carmichael and Mrs. Parks were termed in "serious" condition at first report. The two women were driving west on Northeast Eighth, near the Aviator Night club, at the time their car collided with the Plymouth Carmichael was driving from the opposite direction. Carmichael, a Hereford resident, is the son of Mr. and Mrs. L. D. Carmichael and the brother of W. T. Carmichael, all local residents.

hired a man to spray some. Those weeds just grew faster. Finally came the light. Jim said the tank on the sprayer had water in it, not weed-killer, but he didn't think about telling them.

Saturday is "Treasure Hunt" day at Palo Duro Canyon. Any coin ending in "seven" is a prize winner, and all other coins are potential winners, for such prizes as a new Chevrolet, and others amounting to \$20,000. The contest continues through Labor Day, Sept. 5, and all grand prizes and unwarded prizes will be awarded Sept. 11.

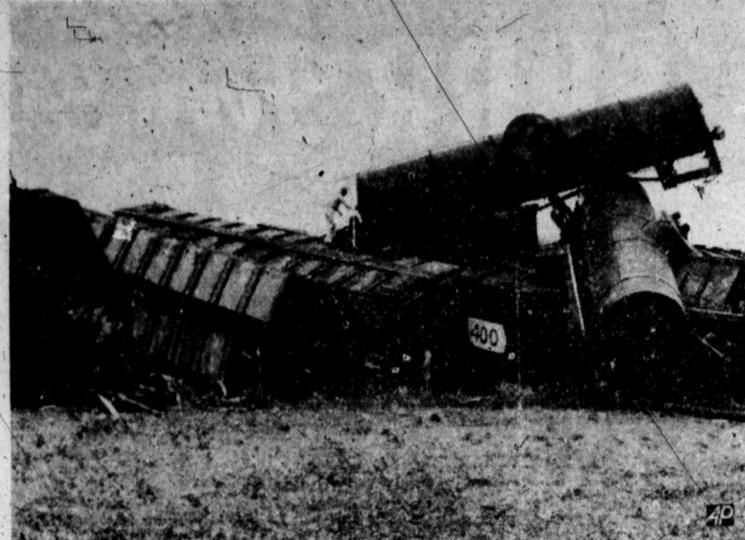

Letters To--

Dear Editor:

Most of us who saw the May 6 issue of LIFE were touched by the picture of the puppy nuzzled close to the body of its dead mother, but we wonder just how many times a similar pathetic situation has been created along our highways or country roads by somebody who was just too tenderhearted to kill a dog or a cat.

Now don't get the idea that we harbor a murderous spirit toward these animals because it takes all the courage we can muster to kill a chicken. If it were left up to us to take the life of either dog or cat, the earth would be completely overrun. But since we can't take care

Freight Train Wreckage

These wrecked freight cars are some of the 27 cars of a southbound Santa Fe train which piled up after they were derailed 18 miles west of Denton, Texas, May 15. None of the five-man crew was injured. Some of the cars were loaded with wheat and mill products, but oil tank cars shown were empty. (AP Photo)

Freight Rates Drop On Potatoes, Onions

H. C. Vincent, Traffic Manager for the Panhandle and Santa Fe Railway Company, announced this week that rates on potatoes and onions from the Hereford district to destinations in Illinois on the Santa Fe, including Fort Madison, Iowa, would be published effective June 17.

Local potato and onion growers are jubilant at winning this three-year-old battle which will mean reduced freight rates on their products to the biggest shipping points. Publications are to be made from twenty-eight stations in the Plainview, Hereford and Muleshoe area along the Santa Fe. Routes and rates were checked out for publication from St. Louis on May 3, and local growers have been hopeful that the lowered rates would go into effect before this year's harvest season begins the last of June.

Keeping the poultry flock on full feed during the summer is important in good poultry production. Feed the layers all the laying mash they will consume.

No doubt these people console themselves with the thought that someone else will pick them up or that they were left near a farm house that will give them a good home.

Reburial Services For Ora E. Boyer To Be In Oklahoma

Reburial services for Ora E. Boyer, who was known to his friends as Slim, will be held Sunday afternoon at 3 o'clock in Sayre, Oklahoma.

Ora, son of Mrs. Pearl Boyer of Amarillo, formerly of Hereford, was drowned June 23, 1946 while swimming with crew members in the Seine river in France. He was serving with the Army

Transport Command at the time of his death.

His body is being sent from the St. Andre Military Cemetery in France. He will be buried by the side of his father, O. E. Boyer in the Buffalo cemetery at Sayre.

Survivors besides his mother include his wife and daughter Mary of Los Angeles, Calif., Bill Boyer of Monrovia, Calif., David Boyer of Amarillo, Roy Boyer and Cecil Boyer of Hereford.

Commercial broiler production where 5 thousand to 40 thousand broilers are produced each 10 to 12 weeks on the farm will continue to increase the sales of ready-to-cook poultry. And this also tends to increase quick frozen poultry on the market and consumer acceptance if a high poultry and price ratios are favorable.

surplus would return to the scene of their crime to see the fluffy ball of fur squashed to a pulp on the pavement, or the stringy little fellow much to small to make its own way; wandering helpless on a hot day, crazed and slobbering with hunger and thirst, or maybe to see the cuddly puppy of the wrong sex sitting under the fence as close as she dares to a big horse for companionship in a suddenly disrupted world, they might be more anxious to give the veterinary or someone else a chance to do the dirty work promptly and painlessly.

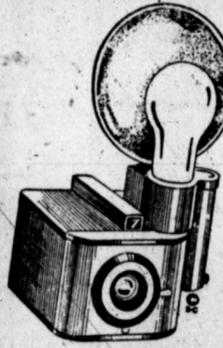

At least they can remember when their emotions get the upper hand of them or they just must have something for the children to play with, that with maturity their problems may become multiple so—

Don't get 'em if you can't keep 'em or at least be humane." P. S. We know how you feel. Our old cat has just had three more kittens with emphasis on the females as usual.

Local Lions Make District Meeting

A number of Lions Club members from Hereford attended the District 2-T-1 Convention in Lubbock Sunday, Monday, and Tuesday. Going down Sunday were Wayne Evans, Guy Lawrence, Mr. and Mrs. Homer Brumley and W. J. Reeves. Those attending Monday were F. S. Buckalew, Bob Wear, and H. V. Stanton. Mr. and Mrs. Harry Caylor, O. P. Cowart, Ray Cowser, O. L. Bybee, L. H. McMurray and James Roberts were present for the last day of the convention.

Headquarters of the Hereford delegation were in the Lubbock Hotel, and general convention headquarters were in the Hilton Hotel. A golf tournament and a luncheon for the ladies were given at the new Lubbock Country Club.

Principal speaker was Eugene S. Briggs, President of Lions International, and president of Phillips University in Enid, Oklahoma. Briggs spoke at the Monday afternoon session. Monday noon the Hereford group attended a Model Luncheon given by the Plainview Lions Club.

Tentative Plans For Entertaining Guests Are Made

Tentative plans are being made this week by local Farm Bureau representatives and Rotary Club members to entertain some one hundred delegates of the International Agriculture Workers who may stop in the Hereford area on or about June 26.

Following the international convention of the International Agriculture Workers in Gulf, Ontario on June 13, delegates of the organization are being conducted on a tour of this country under sponsorship of the national Farm Bureau, for the purpose of fostering good-will among the agriculture-minded men of the world. The tour will be conducted from west to east, and the only stop made in Texas will be in the Hereford-Amarillo area.

If plans work out as now defined, members of the local Rotary Club will entertain the delegates for breakfast on the morning of June 26, and will aid in conducting them through the large wheat farms and ranches

in this area. The local tour will wind up in Amarillo, where officials of the Farm Bureau will await the delegation.

County Agent Hugh Clearman emphasized that plans for entertaining the International Agriculture Workers were tentative, and more definite developments would be announced at a later date.

Twelve Have Signed Up For First Aid Course

H. A. Close, First Aid Chairman of the Red Cross, announced today that twelve people have signed up for a Red Cross first aid course, and that the initial meeting will be held on Tuesday

evening, June 7 at eight o'clock in the County Court Room. Sheriff J. C. Reese will be the instructor.

The course will be given in ten 2-hour lessons, with meetings each Tuesday and Thursday evening. Minimum number of people taking the course is ten.

Anyone who is interested in joining the class is notified to be present at the meeting Tuesday night, to sign up with Chairman Close, or to see Sheriff Reese.

Plains Chevrolet Downs VFW 6-5 In Extra Inning Game Here Tuesday

Some of the fans didn't know it but VFW lost to Plains Chevrolet of Amarillo Tuesday night 6-5. The reason they didn't know was they went home after what appeared to be the final Plains Chevrolet out in the ninth with VFW leading 5-4. But the umpire reversed his decision on that third out and called the runner safe; here's how it happened.

VFW went scoreless through seven innings, then came to life with a five run rally. In the meantime Amarillo scored three times in the third and once in the first of the eighth to lag by one run.

Wright led off the Amarillo ninth with a single to right field. He went to second on Tinkle's sacrifice. Then Swinney grounded back to Barrett. VFW pitcher Barrett held Tinkle at second and made the throw to first. Tinkle went down with the throw and Flannagin overthrew third. The ball rebounded off the fence or a car (the debatable point) and Lueb threw Tinkle out at home. (At this point most of the spectators took off for various and sundry places). But the Amarillo manager, etc. vigorously protested the decision at the plate on the grounds that the overthrow at third was out of play entitling Tinkle to the extra base. They proved the point and the tying run was allowed.

Amarillo scored an unearned run in the tenth on an error and long fly to the outfield to win 6-5.

Lueb led off Hereford's half of the eighth with a single. Larry Loerwald followed with another single. Flannagin struck out and Carroll was safe at first on the shortstop's error. Winkler singled and Burdine cleared everything left on base with a triple to right. Turpin fanned and Barrett singled Burdine in with the fifth run. Barrett was forced at second on George Loerwald's grounder to third.

Parting with The Brand is a sad task. Perhaps you may think me foolish when I say that it is like parting with my own child.

Saying **THANK YOU**

on the other hand, is pleasant... for during the 16 years I have been associated with the community as Brand Publisher, the work has been pleasant, and the people have been more than considerate and thoughtful. Therefore, I hope you will not consider the matter as trite, because my Thanks come sincerely and from the depth of my heart... and this goes for subscribers, advertisers, and other friends who have really made the Brand an outstanding newspaper.

I would also like to say "Thanks" especially to each and every member of the staff, both front and back shop workers; your faithful efforts also have contributed greatly to the success of The Brand and to the creation of Hereford's newer Sunday Brand.

Most of you know Jimmie Gillentine, and I feel sure that you can continue to expect the same high type of publication to which you have been accustomed under his management the past 11 years... and you can rest assured that I would not sell the newspaper to just anyone, because I think too much of the community and the people who have helped to make it worthwhile.

Again, let me say **THANKS TO EVERYONE**

and to assure you that I expect to continue making Hereford my home—and that, despite the sale of my interest, "The Hereford Brand and The Sunday Brand" will always be my hometown newspapers.

MRS. SETH B. HOLMAN.

Only Greens Delay Golf Course Opening Date

Rain may have delayed the Hereford Golf Course opening from the original July 4th opening date to August, but the course is looking good and local golfers are chomping at the bit.

The picture on the lower left is of the driving range tee which will help groove swings in the waiting period. The balls will be hitting on the top of where the camera took the picture. The clubhouse upper left, has been newly furnished. A few of the fixtures are shown above as Jim Terry, club professional, shows Club President Deward Roberson, one of the new woods he has for sale.

Work on the course started last October. The tee boxes have come out and have been mowed three times. Paving of the road to the clubhouse through Jaycee Park has been completed and generally the course is in good shape and ready except for the big item, greens. Terry reports they are coming out, but spots where seed was deeply buried by silt are slow, and may not come through. These spots will be reseeded as soon as feasible.

Second Guessing

BACK-OF-HOME PLATE

By JERRY STOLTZ

Sunday results from around the Central Plains league were: Vega 8, Hart 0, Canyon 16, Tulla 7, Hereford 19, Nazareth 4, and an unconfirmed Dimmitt 10, Umberger 7.

TEAM	W	L	PCT
Vega	3	0	1000
Canyon	2	0	1000
Hereford	2	1	666
Nazareth	2	1	666
Dimmitt	1	2	333
Umberger	1	2	333
Hart	0	2	000
Tulla	0	3	000

Next Sunday Tulla plays here. Nazareth plays at Umberger. Dimmitt plays at Hart and the league leading Vega nine takes on second place, undefeated Canyon. One of the games Canyon lacks, was postponed with VFW, and will be played later on. That would be a crucial tilt for Hereford as well as Canyon.

Marlin Pierce, M. L. Simpson and Jiggs Hartman made a nice haul of channel cat out of Buffalo Saturday night with shrimp on trotlines. Jiggs said the lake looked like Times Square there were so many lights. The Brand office is only battling 500 though, as Margaret Barrett said they weren't biting while she had her hook in Sunday afternoon. Mr. and Mrs. Morris Easley, their son Dick and Paul Lyons were along to verify her story, if it needs verification.

Hereford Jr. Legion baseball players can feel a little better about the no-hitter Richardson of Vega hung on them the other day because they aren't the only ones now. He turned Silverton back hitless Saturday in the 3-B, 4-B bi-district playoff. Vega won 24-0.

VFW Smothers Nazareth Under 19 Run Deluge In League Win

VFW climbed over the 500 mark in Central Plains league play Sunday with a sound 19-4 trouncing of previously undefeated Nazareth at Nazareth. Led by Raymond Lueb, who hit 5 for 7, VFW collected 13 hits and 4 walks. With the score 8-0 at the end of the second inning, the local nine might as well have come on home. Eleven batters went to the plate in the second. Four errors, four hits and a walk accounted for six runs. Everything after that was

adding insult to injury, and keeping the batting averages up. Andy Anderson and Stan Barrett allowed only 5 hits and 3 earned runs between them as they pitched good ball to catchers Turpin and Howard.

VFW meets Tulla, cellar dweller of the league, here Sunday afternoon. Another week will begin to divide the league standings into definite weak and strong teams. Nazareth and Hereford dropped into a third place tie after the Sunday game with a 2-1 record for each team.

Nazareth-Hereford Jr. Legion Teams Play Here Thursday

Hereford Junior American Legion baseball looked up Saturday with more than fifty boys turning out in the two groups. The 14-17 year-old bunch plays their second game of the season against a Nazareth nine here today. Game time is announced, in Around Town.

The 20 boys out for the older team work out daily with Coach Joe Smith on the diamond north of the High School at 5 p. m. The 35 younger boys work out mornings from 9:45 to noon on the same field. The boys were divided into three teams and played three 3-inning games Monday morning.

Prospects are good; with enthusiasm running high according to Coach Smith. He also announced two other games have been definitely scheduled; Clovis Jr. Legion here June 17 and there June 8. Another game with Clovis is in the tentative stage. He is also dickering with Jr. Legion teams from Amarillo and Tucuman.

Byron Nelson is playing an exhibition Sunday at the Amarillo Country club if any local golfers feel the urge to pick up a few pointers from the master of the links. It'll cost you \$1.20 for admission.

A familiar picture appeared on the front page of the Hereford Brand for May 27, 1924. Cutlines read: "Franklin D. Roosevelt, Democratic vice-presidential candidate in 1919, has taken active management of Governor Smith's pre-convention campaign for the Democratic party nomination."

Besides the Chautauqua, which was proclaimed a terrific success, the biggest local news is announcement that the new hospital contract has been let. Christy Dolph Construction Co. of Dallas was awarded the contract for a bid of \$34,624. Total cost of the hospital, the Brand announced, would be \$46,708. "Contractors promised," said the Brand, "that they would hire all the help possible right here in Hereford."

One of the really big stories on the front page of this issue described the wedding of Miss Helen Douglas Wilson and Mr. Jonathan A. Pitman. In the concluding paragraph the Brand said: "For this splendid young couple the entire citizenship

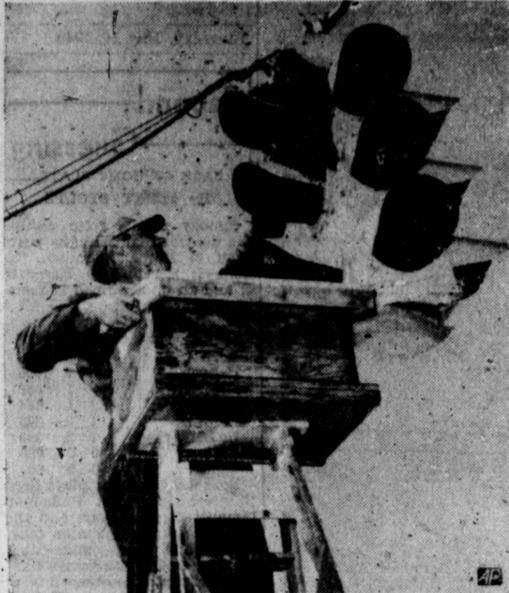

joins in wishing the best and greatest life has to offer—and that in bountiful measure may come to them untold happiness, affluence and success."

And there was another wedding story: "Clay Angelo and Miss Aline Cash of Friona drove to Rey. Paul J. Merrill's home and were united in marriage Saturday night. Mr. Angelo is one of Hereford's active young men. His friends wish for him and his bride a long and happy future."

A timely item from the agricultural standpoint reads: "Messrs. K. K. Smith and William Pressley of Muleshoe motored into Hereford Thursday morning en route to Amarillo. Mr. Smith says that one truck farmer near Muleshoe in the shallow water belt is experimenting in the growth of head lettuce, having planted eleven acres. Mr. Smith also says that quite a large acreage of cantaloupes has been planted and that country is destined to become a small fruit section. The Muleshoe men seem to have the right kind of 'kick' in them."

"The most attractive social affair of the season," said the Brand, "was the open house held by the members of the Music Study Club at the Steele home last Tuesday." Guests were greeted at the door, the story continues, by Miss Desse Mae Steele and ex-president Mrs. C. H. Dyar and were introduced to the receiving line by Mesdames Pitman and C. Ferguson. Those in the receiving line were Mesdames W. E. Dameron, Merrill, A. O. Thompson, Steckman, Homer Fox, Snyder, and guests, Mesdames Garvin, Shelton, Thompson and Laird. "Delightful musical numbers were given by Mesdames Mountz, A. C. Thompson, Monday, Fox, Conway, Snyder, Homer Wilkinson,

Local items include: "L. Baskin left Saturday morning for Oklahoma City. Mr. Baskin was called to Oklahoma City by the illness of his mother;" "Misses Lollie and Helen Shore arrived home Monday morning from Clovis;" "Mrs. A. Lawrence and baby daughter left Sunday morning for their home in Lawrence, Kansas. Mrs. Lawrence has been visiting her parents, Mr. and Mrs. W. R. Summerfield News

By BOBBIE WALSER Rain and hail hit Summerfield this week along with the other communities of the Panhandle. Farmers north of Summerfield reported the heaviest damage, estimating a twenty-five per cent loss of wheat, though a number of fields could be counted one hundred per cent loss. South of Summerfield hail damage was very slight, with only one per cent loss reported.

Carolyn Williams and Sallie Sue Kinby were guests of Carol Walsler Friday night.

The Junior G. A. met this week in the home of Sue Nell Summer, daughter of Mr. and Mrs. George Summer. Attending were Gloria and Carol Walsler, Neida May and Mrs. Jessie Patrick, and two visitors, Carolyn Williams and Sallie Sue Kinby.

Mr. and Mrs. C. R. Walsler and Mr. and Mrs. Jim Clark went to Amarillo Monday to see some relatives, Mr. and Mrs. C. T. Carlton and daughter who live in the

section of Amarillo hit by the tornado. The Carlton's home was badly damaged - it was picked up by the violent wind and spun around once or twice, and one of the bedrooms was completely lost. The family suffered from shock, but were unhurt.

Miss Mavis Hensley is visiting in the home of her grandparents, Mr. and Mrs. W. A. Powell.

Mr. and Mrs. Gene Johns and son were visitors in this community this week.

STORM VICTIM

Mrs. E. W. Young spent Thursday night at the bedside of Mrs. Hazel Duffey, who was a victim of the tornado which struck Amarillo last Sunday. Mrs. Young returned to her home here after Mrs. Duffey's death on Friday morning. The victim's husband, John M. Duffey, is Mrs. Young's cousin.

As I Knew Deaf Smith County

By VERN WITHERSPOON

As I knew the Panhandle of Texas and Deaf Smith county in the early days of my life the Panhandle of Texas was known as the great American desert or Staked Plains.

When I arrived on these Plains the ground was covered with bunch grass which covered about one half of the ground, the rest of the ground was bare, no trees, no weeds, no fences, no roads, and very few houses or windmills. It was necessary, if you made a trip anywhere, to carry your water with you. All wagons were equipped with platforms on both sides to carry two barrels of water, for it was seldom you found water closer than twenty-five or fifty miles.

The population consisted of a few scattered ranches whose owners had ventured into this desert to see if they could run cattle here.

This was uncertain as there was no protection from law-violators, and it had been only a short time since the Indians had wiped out a small settlement where Tulla is now. And to the north of us was no man's land, a strip of land lying between Texas and the Indian territory, belonging to neither, as the line had not yet been established. The only officers with authority on this land were Captain McDonald and a small company of Texas Rangers stationed in Amarillo.

West of us was New Mexico which was then a Territory, not a state, with closest law officers at Santa Fe, two hundred miles away.

With Ft. Elliot on the east, Ft. Sumner on the west and Ft. Davis on the south, you can see how we were protected. In 1899 the ranchers got together and decided they would have to have protection. They decided to organize the county and have peace officers to protect them. That year Swisher, Castro and Deaf Smith counties were organized.

As Deaf Smith county was then, and still is, my home, I will give a little history of the organization.

The XIT ranch owned about half of Deaf Smith county and controlled about half of the votes. They wanted the county seat near their ranch but not on it. Then we had some good men from across the line in New Mexico who were interested in this organization, and wanted it near them. They moved to Deaf Smith as soon as the county was organized.

Some of these men I will mention by name as Jim Ivey, Nath Hoard, George and John Day. The Day brothers had earlier settled on what is now known as the En Dee creek in New Mexico, N. D. being Days' brand, the creek and town were called En Dee. But En Dee got a little too rough for them, so when Deaf Smith was organized they moved over where they could get a little better protection.

In October 1890 there was an election to organize the county and locate the county seat.

The southeast part of the county was represented by G. R.

Jowell, Sr., J. C. Cox, Lewis and Walk Bradley, Cal Walker and J. C. Minor.

Representatives from the east part were G. C. Witherspoon, W. D. Witherspoon, J. R. Lipscomb, R. J. Kibbe, Jim Witherspoon and J. R. Dean who lived in Randall county.

The west part of the county was represented by Jim McClaren, Jim Cook Tom Skeins and others from the XIT ranch.

From eastern New Mexico came Jim Ivey, Math Hoard, George and John Day.

Bob Town (or Ayre) senj L. D. Mercer, Sr., Jack Killough, and L. A. Montgomery.

Bob Town, a village consisting of one dugout occupied by Jack Killough, was aspiring for the county seat.

After counting the votes it was found that Grenada had received the majority of votes, it being in the center of the county.

There was no water within four miles of Grenada, making it necessary to drill a well. C. G. Witherspoon, W. A. Witherspoon and B. B. Hayden put down the first well to furnish water for the town. Later the county put down a well to furnish water for the court house.

After the election the following were appointed county officials: Jim Cook, sheriff; J. R. Dear, judge; C. G. Witherspoon, clerk; A. L. Frisbie, assessor; W. D. Witherspoon, treasurer; W. T. Berry, surveyor; F. C. Highsmith, attorney; county commissioners Emmet Powers, J. S. Jones, Tom Skeins, C. J. Minor, justice of the peace A. J. Lipscomb.

On November 4, 1890, the general election was held at Grenada. All of the appointed officers were elected in this first election. 97 votes were cast, including some out of the county.

This brings us down to the open range cow country; not a fence from the Canadian river to the Tierra Blanca, sixty miles from Grenada to Amarillo; not

a house in sight of the north road and only one fence.

The next part of this will show three very distinct changes in Deaf Smith County.

When you gotta stop - you wanta stop!

"I can stop on a dime," the salesman promised you, "—and leave nine cents change!"

And your Buick did—when it was new and brake linings unworn and everything factory-tight and fresh.

But brake linings wear—lights grow dim with time—tires can lose their bite and traction.

And with a whole summer's driving ahead, what better time than this to bring your Buick back to new-car peak in all those details that mean so much to safety?

Our men, trained in Buick ways, will give you brakes that stop you as Buicks should, with new brake linings that are right in size and brake drums turned to perfect round.

They can replace sealed-beam headlights to give you new-bulb brilliance—and while they're at it, check battery, voltage, wiring and headlamp-aim to boot.

They'll check tires, switch them as needed, look into wheel alignment for easy steering.

In a word, they'll renew your Buick with the same care and interest they would lavish on their own—and do it at no greater cost than for just ordinary service.

So drop in. Get set for some summer fun that's up to lively Buick standard.

Buick care keeps Buicks best

ATTENDS HOSPITAL COUNCIL

Elmer Mathis was in Amarillo Thursday to attend a meeting of the Panhandle Hospital Council held at the Nurses Home of Northwestern Hospital.

Twenty-one hospital managers from the Panhandle were on hand to hear officials stress the need for more hospital facilities throughout the area, and to point out that trained personnel was coming into the fields to fulfill the increasing demand for such service.

These meetings are held bi-monthly in Amarillo so managers can review problems of service, financing, etc. with one another and discuss plausible solutions to these problems.

Mrs. Grace Casebolt, daughter of Mr. and Mrs. Hugh Witherspoon, arrived Saturday week for a visit in the home of her parents. Mrs. Casebolt is from Carlsbad, New Mexico.

sions will be from 9:00 A. M. to noon, each day, Monday through Friday, and will continue for two weeks.

During the first week of the Vacation School, a laboratory Training School will be conducted in conjunction with the Vacation School. Church School Teachers from Christian Churches in the Panhandle and the South Plains will be in attendance for observation and practice teaching.

Reminds Students Of Social Security Cards John R. Sanderson, manager of the Amarillo social security field office, this week reminded all students who intend to work to check on their social security cards.

"About this time of the year most students are preparing to take summer jobs," Sanderson said, "and whether they work part-time or full-time, they will need a social security card."

Explaining that social security cards represent an insurance policy with the Government, Sanderson commented that the best way to protect the policy is to show the card to each new employer, enabling him to report the worker with his complete name and social security number.

"This practice enables the Social Security Administration to give the employee full credit on his social security account for the work done," he added.

Necessary application blanks may be obtained from any Post Office or from the Amarillo social security field office. The application should be mailed to: The Social Security Administration Field Office, Amarillo. A social security card will be mailed promptly to the student.

This Is The Right Time

To get busy with that field work which has been delayed due ample amounts of rain, but doesn't the country look pretty. Just wish more of my out of state friends could see it now.

To plan your fertilizer program on Grain Sorghums, Cotton, Alfalfa and Potatoes. There has been sufficient fertilizer experience on these crops to warrant a direct positive answer to the question, DOES FERTILIZER PAY?

But the only way you can get any benefit from it is to use it in plentiful quantities. We all have seen some beautiful fields of wheat this year, and it's a pretty safe bet that the best and most outstanding ones have had some fertilizer used on them. It will do the same for your Maize too.

To consider dusting or spraying your potatoes. We feel that it's cheap insurance and considering all the rain so far, feel that some Psyllid and Blight treatment would be well worth while. We'll welcome the opportunity to tell you all we know on the above topics—

Join the list of the best farmers, the country needs more of them. They know why a rich man is the only man who can afford not to use fertilizer.

Cultural HD Club Plans Dress Revue

Cultural Home Demonstration club held a meeting recently in the home of Mrs. J. I. Findley with Mrs. Earl DeHart giving suggestions as leader. Suggestions were also given for the coming year's yearbook outlines. Plans were made for an all-day meet which will be held with Mrs. R. N. Cook on May 27.

Demonstrations of prepared foods for freezing units were given and some of the members showed garments patched for Boys Ranch.

A dress revue for the 4-H Club sponsored by the club was planned for the near future and plans for a forthcoming party were also discussed.

Those present were Mesdames R. N. Cook, Earl DeHart, Grady Parsons, George Parker, Fred Wolfington, D. F. Duckworth, R. C. Childers, C. F. Barclay, and the hostess.

Draper 4-H Club met with Beth Gross last week with a demonstration on making button holes conducted by one of the sponsors, Mrs. Travis Caraway. Girls will bring samples of buttonholes they have made to the next meeting.

Attending the meeting were: Marilyn Russell, Linda Reese, Sandra Jo Caraway, Mary Hund, Marilyn Henderson, Beth Gross and the sponsors, Mesdames O. B. Russell and Travis Caraway and Miss Dorothy Wilde.

CLUB PLANS PILGRIMAGE

Members of the Garden Beautiful Club will conduct a pilgrimage on June 3, which will take the place of the planned trip to the Rose Show in Amarillo scheduled for Friday, May 27. The Rose Show has been postponed indefinitely.

Members of the Club will meet at the home of Mrs. N. D. Bartlett, Jr. at 4 o'clock and will go to the pilgrimage from there. Mrs. Carroll Whiteside will serve as leader.

THE STATE OF TEXAS
TO: W. R. MANNING AND HIS UNKNOWN HEIRS, LEGAL REPRESENTATIVES AND ASSIGNS, as Defendants, Greeting:

REPRESENTATIVES AND ASSIGNS as Defendants, Greeting:

You are hereby commanded to appear before the Honorable District Court of Deaf Smith County at the Court House thereof, in Hereford, Texas, at or before 10 o'clock A. M. of the first Monday next after expiration of forty-two days from the date of the issuance of this citation, same being the 11th day of July, A. D. 1949, then and there to answer Plaintiff's Petition filed in said Court, on the 24th day of May, A. D. 1949, in this cause, numbered 3135 on the docket of said court and styled JESSE RUSSELL, as Plaintiff vs. W. R. MANNING AND HIS UNKNOWN HEIRS, LEGAL REPRESENTATIVES AND ASSIGNS, as Defendants.

A brief statement of the nature of this suit is as follows, to wit:

Being a suit by the plaintiff, Jesse Russell, to recover of and from the defendant, W. R. Manning, and his unknown heirs, legal representatives and assigns, the fee simple title and possession of the following described premises, situated in Deaf Smith and Oldham Counties, Texas, to-wit:

The East 1/4 of Sec. No. 47, Block K-11, GC & SF Ry. Co. Survey, containing 320 acres of land, more or less.

based upon three counts set out in the plaintiff's petition as follows:

FIRST COUNT An action in the nature of Trespass to Try Title plaintiff alleging that on May 1, 1949, he was the fee simple owner of said land and premises above described and that about May 2, 1949, the defendant unlawfully entered upon and dispossessed him of such premises.

SECOND COUNT Plaintiff alleges that he, his tenants and those under whom he claims title have had and held under color of title from and under the State of Texas, peaceable, continuous and adverse possession of said lands for a period of more than three years before commencement of suit, under claim of fee simple title, inconsistent with, adverse and hostile to all rights, title and interest or claim of any nature upon the part of the defendants, and by reason thereof is vested with the fee simple title of the lands under the three year Statutes of Limitation.

THIRD COUNT Plaintiff alleges that he and his tenants and those under whom he claims title to said lands have been in peaceable, continuous and exclusive possession thereof, cultivating, using or enjoying the same and paying all taxes due thereon before delinquency for a period of more than five years before commencement of suit, claiming fee simple title under deeds duly registered, such claim inconsistent with, adverse and hostile to all rights, title, interest or claim of the defendant, as well as his unknown heirs, legal representatives and assigns, and by reason thereof is vested with the fee simple title under the five year Statutes of Limitation of the State of Texas, as in more fully shown by Plaintiff's Petition on file in this suit.
