

## Some Wheat Left With Low Yields

Although very little of the 337,000 acres of wheat PMA reported planted in Deaf Smith county this year will be harvested, more than 5,000 acres in summer crops have apparently got off to good start County Agent Hugh Clearman said Wednesday.

Between 500 and 550 acres of onions are doing good, according to all reports Clearman has re-

ceived and some of the near 3,000 acres of potatoes in the county have already been dusted.

He added that sugar beet acreage in the county this year will probably more than triple the 1,400 acres harvested last summer. Some farmers are already weeding their beets.

Farmers also completed planting Deaf Smith county's first large scale acreage of cantaloupes about 10 days ago. An estimated 400 to 500 acres is in.

Clearman also estimates more than 4,000 acres of corn has been planted with some of it already up. This is believed to be the most corn ever planted in the county.

As for the wheat a few farmers are anticipating a small yield. Herbert Bippus says if he could get a good rain he thinks the yield might beat 10 bushels on his place out near Progressive. Dwayne Walker could make a little from his wheat southeast of town.

Hereford Jaycees met in a routine business meeting Tuesday night in the County Courthouse. The nominating committee composed of past presidents John Kelly and Dub Reeves and President Paul Coneway reported with nominees for the annual election at the first dinner meeting in June.

Claude Bogle, who lives 35 miles north of Hereford, Monday saw a shiny, circular object sweeping low through his yard during the high windy part of the day and thought dead sure he had him a flying saucer. It turned out to be part of the tin roof of his chicken house.

Paul Holland says within 30 or 60 days the banquet room and coffee shop of Hotel Jim Hill will be air-conditioned.

D. C. McWhorter and Don Zimmerman gave lectures on the Articles of War and customs of the service Monday evening at the regular Hereford Army Reserve Unit meeting.

Glenn Weir has painted his building on South Main as another step in improving that block of town. However, he says the real story behind it is different.

Sam Nunally met Frank Smith on the street and asked him what he was doing. Frank said "nothing," and Sam told him to go on down and paint Glenn's building while he didn't have anything else to do.

The next morning Glenn got to work and found Frank had all the furniture stacked and was getting ready to slap the paint to it. He wanted to know what was going on, and after finding out went to hunt Sam.

Sam says "I told him that I would like for his building to look real good, so that when a stranger turns down Main Street coming into town he'll see that first real estate sign on Glenn's building, and by the time he slams on his brakes and parks he will be in front of my place."

Anyhow, Glenn has a newly painted building that looks good.

Mexican Consul Gene Pesqueira from the Downtown Amarillo Kiwanis Club was guest speaker at Kiwanis Monday. He talked on Mexican-American relations. J. W. Hill, Amarillo club inter-club committee chairman, accompanied him. Other guests included Wilbur J. Hyatt, District Scout Executive from Amarillo, Harry Delahmuth, Jr., Scout Field Executive.

D. C. Kinsey attracted attention Wednesday driving that new Oldsmobile around town with the big, yellow rocket on the transparent hood.

Postmaster Jim Lipscomb attended a Pk. Worth Postmasters' Convention May 7 through 10th. Among the other interesting visits and tours, Mr. and Mrs. Lipscomb visited Carswell Air Force Base, home of the world-famous B-36.

VFW Roy Wedderbrook Post committee is preparing for the next convention on the local agenda scheduled Saturday and Sunday, May 20, 21.

Hereford Church of Christ minister Bob Wear will act as presiding chairman at the special Abilene Christian college in Amarillo Municipal Auditorium tonight at 8 o'clock.

A couple of others north of town, Luther Leslie and Ralph Hastings, think they may still get 7 or 8 bushels from the acre.

However, Texas Employment Commission branch manager Tom McFarland says "Deaf Smith and others adjacent to the New Mexico border have suffered severely from the drought and green bug infestation. The wheat has failed to respond to the scattered showers which occurred in the area recently. Not more than 21 per cent of the original seeded acreage in this general area will be harvested. The yield on such acreage that is harvested will not run more than 7 to 9 bushels per acre. Some farmers will cut spotted stands in an effort to secure seed wheat for next year's planting."

He also said "No out-of-state men or equipment will be needed for the 1950 harvest. Further abandonment may occur if rains are not received within the next few days."

Clearman also said he knew of a couple of cases where grain sorghums have been planted, but that in one instance they think the seed has dried out and may have to plant again.

## Frank A. Erdman Funeral Is Today

Final rites this morning at St. Anthony's Church will be held for Frank A. Erdman, 67, who died Tuesday morning at 6:30 in St. Anthony's Hospital at Amarillo. Father Nathaniel Madden will officiate.

Mr. Erdman, at the time of his death, was making his home with a son, John A. Erdman, 25 miles southwest of Amarillo. He had been ill for over a year.

Born July 25, 1883 at LeMars, Iowa, he came to Deaf Smith county in 1910 from Stuttgart, Arkansas. He lived in this area until his death. A farmer and former concrete worker, he was retired.

Survivors include three daughters and two sons. Mrs. W. J. Lueb, Hereford; Mrs. M. T. Camp, Friona; Mrs. C. P. Klenle, El Paso; John A. Erdman, Amarillo; L. J. Erdman of Amarillo. Five brothers, four sisters and nine grandchildren also survive.

Burial will be at the Umbarger Cemetery after the Hereford funeral services at 9:30 this morning. Bokwell Brothers Funeral Home of Amarillo have charge of the body.

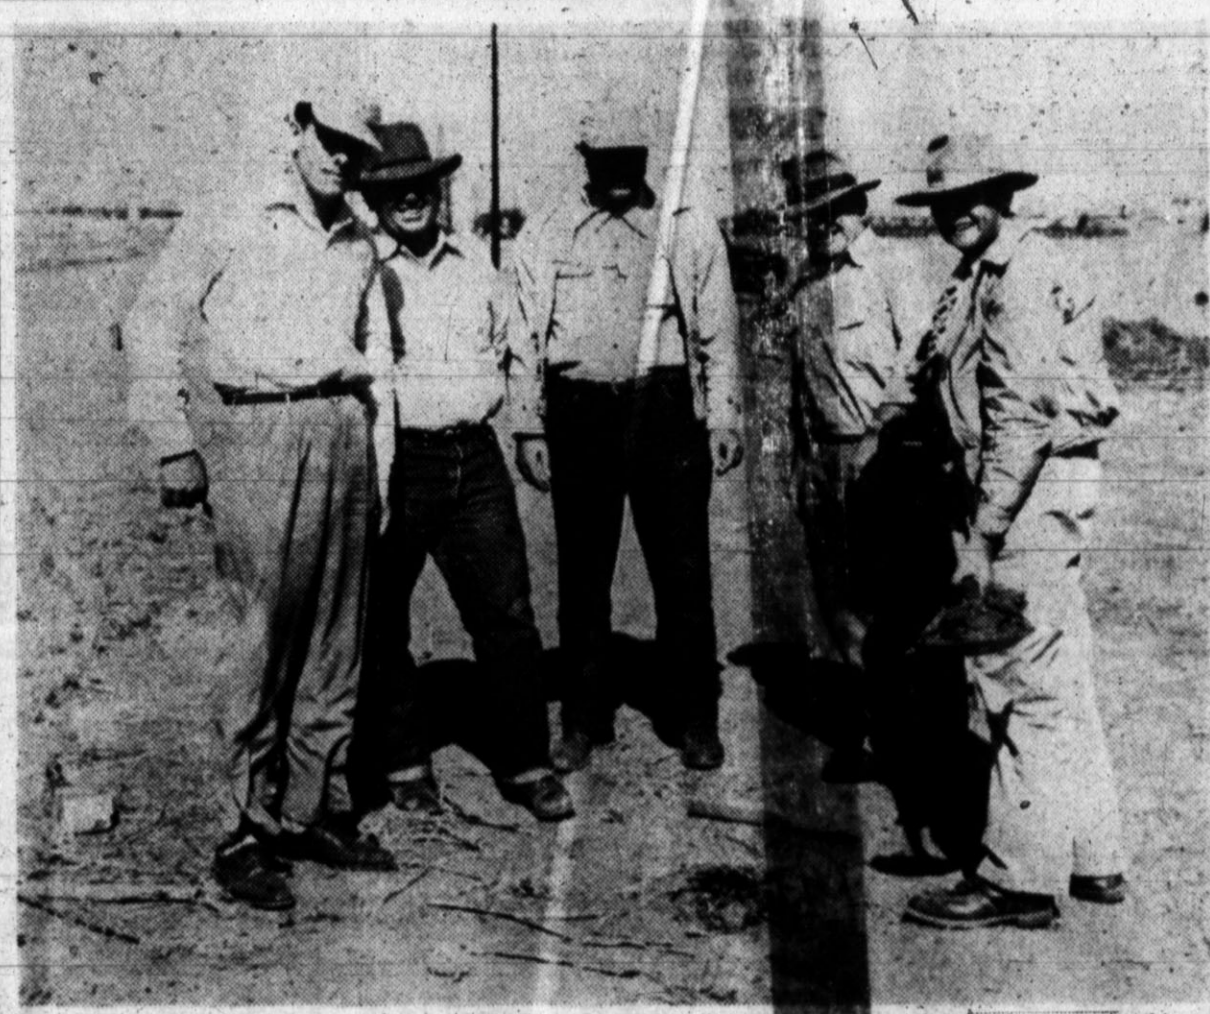

## Pick-Up Is Stolen In Front Of Church

Theft of a truck from in front of the First Christian Church was reported Tuesday by the Sheriff's office.

Sheriff J. C. Reese said a green 1949 International pick-up belonging to S. F. Gilliland was last seen Monday evening in front of the church where it had been driven by Clyde Gilliland who is employed there. Although an alarm has been broadcast, no reports of the truck's whereabouts has come into the sheriff's office.

Dr. Grubbs comes from a private practice at Monahans. He took his A. B. degree from the University of Alabama and received his M.D. from the University of Pennsylvania.

He served 47 months in the Army Air Corps as a Flight Surgeon, being discharged in 1948 with the rank of major.

**GROUND IS BROKEN FOR ICE PLANT**—Joe Ballinger lifts the shovel of dirt as ground was broken Monday morning to start construction on the new \$250,000 ice plant. The plant is scheduled for completion by June 25th for the potato harvest. Reginald Williams, partner in the venture with Rip Underwood of Amarillo, says they also said they actually anticipate a future for Deaf Smith vegetables that will far exceed the yield of these eight sheds. Others pictured are Travis Jackson, construction superintendent on the job; Howard Beasley representing Atterbury and Beasley of Salinas, Phoenix and Hereford next to him; and Leo Storm of Charles Huston company in the middle.

## Railroad Strike Hits Home To Hereford On First Day

Building in Hereford in some cases received an immediate crippling blow Wednesday from the 27-state Brotherhood of Locomotive Firemen strike, while numerous other local businesses will feel the pinch within a day or possibly a week.

Ben Childers said "today" when asked how soon the strike would affect McCaslin Lumber Company and Fred Kroil said he would be out of mix for Zesto in a couple of days if the strike continues.

Grain companies aren't feeling any particular immediate pressure. However, with both government wheat and mill going out, some of them will be tied-up if the strike goes much longer than a week.

Appliance dealers, Butane companies and such concerns are generally not too concerned with the strike since the effects are indirect in most cases. Almost anything they need can be shipped in by truck if necessary.

Stops Mail  
The one factor that every Hereford family will feel by Thursday is that mail service from out of town terminated with the 8 o'clock train Wednesday morning. The 10:48 west-bound mail train didn't run and assistant postmaster Elmer Peterson says nothing but City mail is available.

Santa Fe freight agent G. T. Slaughter said, "I haven't heard a word from anybody about the strike. I don't know how they handle this sort of thing because I have never been through a strike before."

He also said the last train passed through just two hours after the strike commenced Wednesday morning at 6 o'clock. Santa Fe is one of four major railroads in the 27-state area on which firemen are striking for the addition of a second fireman on each diesel engine used by the road.

Federal mediators worked all day Tuesday in an effort to avert the strike and are working towards a possible settlement. The strike demand was turned down twice by presidential fact-finding boards, once during Franklin D. Roosevelt's third term and again during Truman's present term.

Commissioners  
Canvass Returns  
Official returns of the special congressional elections were canvassed Tuesday during the Commissioners Court meeting.

Final Deaf Smith county tally showed Ben Gull, who won the 18th Congressional District seat, polled 457 votes to his closest competitor, Mrs. Altavene Clark with 398 votes.

A rundown on the votes received shows:

Walter Rogers	137
Leroy LaMaster	28
Woody Montgomery	10
Hulet Byce	6
Ronald Davis	19
Talma Smith	77
Bill Pickel	12
Altavene Clark	398
Blake Timmons	137
E. T. Burk	57
Ben Gull	457

No other business was taken up at the meeting. All commissioners except G. T. Higgins, were present for the meeting.

**Pediatrician To Join Hereford Clinic Staff**  
Dr. L. B. Barnett Tuesday announced the addition of a pediatrician, Dr. Roy James Grubbs, to the Hereford Clinic. Dr. Grubbs will arrive in June to start practice, Dr. Barnett said.

Dr. W. W. Willis, for the last nine months studying at New York City Hospital, also will re-join the staff shortly, Dr. Barnett said. Dr. Barnett said still another doctor will be employed as an eye-ear-nose and throat specialist.

## Tuesday Night Fire Gets Plenty of Care

Almost 95 firemen from 13 Panhandle departments reached the Joe Rogers place east of Hereford, Tuesday night at 8:30 in time to extinguish a small pile of feed which was smoldering in a trailer in back of one of the sheds on the property.

The leading firemen of the Panhandle were in action, closing out the 32nd-annual Panhandle Fireman's Association Convention held in Hereford this year.

Hereford Fire Chief Earl Phillips said although not as many visiting delegates made it to Hereford as he had expected, the convention was successful. Speeches by Chief M. W. Aubrey, Snyder, and Frank Williams, Austin, highlighted the afternoon session Tuesday which was held in the Fireman's Hall. Aubrey is president of the Fireman's Association of Texas and Williams is State Fire Commissioner. They filled in for Abilene Fire Chief D. C. Musick, who was unable to attend, and J. C. Swadley, Grand Prairie. Swadley is third vice-president of the State Firemen's Association.

**First Annual Riders Club Rodeo Draws Good Crowds**  
Hereford Rider's Club finished up their first annual rodeo Sunday with a good crowd that brought the total attendance for the three shows to 1,500 paid admissions, according to Mrs. Woodrow Ireland, club publicity chairman.

She said the show was very successful and that they expect to have another later this summer, although it won't be classed as their annual rodeo as this one was.

Sam Groves of Lubbock, riding out of Tighthaw, Okla., won the \$50 given by Ireland Motor company for high-point contestant for the three days.

Although Groves didn't win a first place in the final total of any one event he picked up a second in Bull riding and a third in bareback bronc riding, plus enough points to take home the money.

Earl Monroe of Hereford carried off honors in the calf roping with an average time of 33.6 seconds. Mitz Walling of Farwell was second with 35.4 and Dewey Pierce of Clovis third at 35.8.

Another Hereford entry, O. G. Hill, Jr., placed second in the team tying with an average time of 49.5. Frank Gillispie of Quitaque won with 42.8 and Everett Harner of Friona was third at 56.7.

Doug Wallace of Amarillo won the bulldogging with 37 seconds flat. Ben Keel of Colorado City was second, 37.8, and Muti King of Olton third, 47.6.

Claude Turpin of Dalhart was first in the bull riding with Groves second and Gene Pettigrew of Grady, N. M., third.

B. J. Strabu of Roswell, N. M. won the bronc riding, Claude Turpin was second and Groves third.

Bruce Wise of Quitaque won the Saddle bronc riding. Lovelle Chisum of Mangrum, Okla. was second and Tim Wallace of Tucumcari, N. M., third.

H. L. Tipton of Lamesa won numerous prizes as the hard luck cowboy of the rodeo.

Monroe is going to meet Ed Mayfield in Dimmitt Sunday in a matched roping contest at 3:30 o'clock at the rodeo grounds.

**Cancer Crusade Extended A Week**  
Mrs. Joe Smith, chairman of the Deaf Smith Cancer Crusade for 1950, Wednesday said the drive, which was supposed to be completed during April, will be extended another week from today in an effort to get the rest of the quota in. The 1950 quota is \$800 and Mrs. Smith says over \$300 is still lacking.

Any contributions can be made to Mrs. V. O. Hennen, Mrs. Ellen Carter at Fullwood Electric or Howard Gault at the Howard Gault Warehouse. Mrs. Smith said, Mrs. Smith will also take the contributions.

She said a booth at the banks will be set up either this week end or early next week.

A dressing closet or depot and loan closet for sheets and other sick bed equipment necessary for cancer patients will be made a permanent establishment here, Mrs. Smith added. She said the cooperation of the clubs is asked and they will be requested to set aside one meeting each year to make dressings. The club presidents should contact Mrs. V. O. Hennen for full details on the project.

**Funeral Services Are Held For Friona Baby**  
Funeral services Tuesday for Royce Lynn Cruise, 1-day-old son of Mr. and Mrs. N. M. Cruise, Jr., Friona, were held in the Friona Church of Christ. H. R. Gipson, Amarillo, officiated at the final rites.

Royce Lynn was born last Sunday, May 7, and died the following day, May 8. He had a sister, Dena Neal Cruise of Friona.

Grandparents are Mr. and Mrs. N. M. Cruise, Sr., of Friona and maternal grandparents are Mr. and Mrs. R. B. Hicks, Friona.

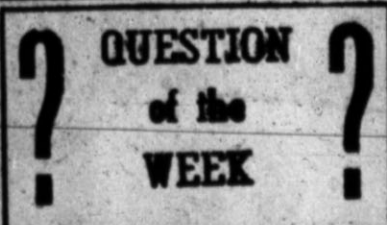

The baby died at Deaf Smith County Hospital and burial was in Friona.

**Danced At Hotel**  
The lunched served to visiting firemen and wives during the noon period was handled by Mesdames Earl Phillips, Glenn Witherspoon, Morris Easley, Debbs Knox, Roger Corbett, Arthur Tiefert, Gene Loerwald, Clarence Stranda, Jim Robinson, Charles Sanders, H. N. Reeves, Bud Newell, Willard Witherspoon, George Jewell, Tup Loerwald, Onias Carroll, Bud Witherspoon, V. C. Hopson, Clay Angelo and Jiggs Hartman.

A dance Tuesday night after a barbecue at Jaycee Park closed out the convention.

Other entertainment consisted of a singing trio: Colleen Brown, Faye Knox, and Audrey Hood. During the morning, J. Roy Crutchfield played the accordion and David Goldston sang some solos.

Raymond Childers played the piano and a trumpet trio: Purris Williams, Jr., Wayne Lady and Keith Savage presented more musical entertainment.

**QUESTION OF THE WEEK**  
WHEN are you going on vacation? Where do you plan to spend it?  
Mrs. Boone Whitaker: I don't know when we will take our vacation this year. We farm so we don't have a set time to take off. We will probably go to Truth or Consequences, N. M. and fish. I think they'll change that name back to Hot Springs pretty soon. We have been over there a couple of times this year, already. We usually go and spend 10 days or two weeks.  
Wayne Williams: I'm leaving Saturday to take a week of my vacation. I usually go home to Ardmore, Oklahoma. That's where my folks live and where my wife's folks live. We fish at Lake Murry. That is one of the best fishing spots in the country. Ordinarily, we take about two weeks of fishing. I would like to go to Georgia for a while this year but don't know whether I will make it. I will go next spring if not this year.  
Mrs. F. E. Winfrey: We won't go until August. We go to Missouri every year for about a 10-day visit. My home is in Kelton and my husband's home is at DeWitt. They are about 15 miles apart. We just go up and visit around. My husband doesn't like to fish.  
Mrs. Robert Wagoner: Well, we won't have a wheat harvest this year so we will probably take our vacation in June. We usually go in August. A group of us go to a lake near Creed, Colorado and eat and fish and sleep. We don't always eat fish, though. We always take about 100 pounds of Hereford potatoes along with us. We are wheat farmers and the crop usually decides for us when we will take vacations.

**The Weather**  
Temperature readings for Sunday through Wednesday taken at 8 o'clock each morning.  
Sunday—High 63, low 40.  
Monday—High 91, low 46.  
Tuesday—High 86, low 44.  
Wednesday—High 82, low 47.  
Total omisture for 1950—51

## Marriage Laws Make It Tough On Love Now

By JOHN SCOTT  
Since last October when new state marriage license laws went into effect, the number of licenses issued at the county clerk's office has suffered a famine comparable to the Panhandle rainfall. Obvious reason for the drop-off in license issued according to Deputy clerk Lucille Posey is the misunderstanding the sudden change in laws caused.

Under the new law, it is necessary for both the prospective bride and groom to have specimens of their blood sent to a state approved laboratory for tests before a permit to be issued. Because Deaf Smith County lab isn't approved, the blood specimens are sent to Amarillo for inspection.

"Most people, who want to get married in a hurry, don't bother with the tests," Mrs. Posey said. "They just drive over to New Mexico where no such law exists and get it over with."

**Fifteen Day Limit**  
She said it usually takes about three days for the tests to come back from Amarillo. The tests are good for 15 days and, if the marriage hasn't taken place within that length of time, new tests must be made.

"Most people are pretty familiar with the law now, however. The trouble came when the rule was first set up. There was a sharp drop in marriages here but it seems like the rate is returning to normal, now," Mrs. Posey added. She said not many Mexicans, especially, got married here because it was so handy to go to Clovis.

"But anybody who wants to have a church or home wedding has to go through the procedure," she said.

Dr. L. B. Barnett said only a few laboratories were on the approved list when the law went into effect. He said the change was so sudden it took most hospitals by surprise. There is a series of 35 tests the lab must complete and

send in to the state headquarters before a permit can be granted.

**Waiting For Approval**  
"We have completed the tests and have asked for permission to perform the blood tests. We are waiting for the approval to come through, now," he said.

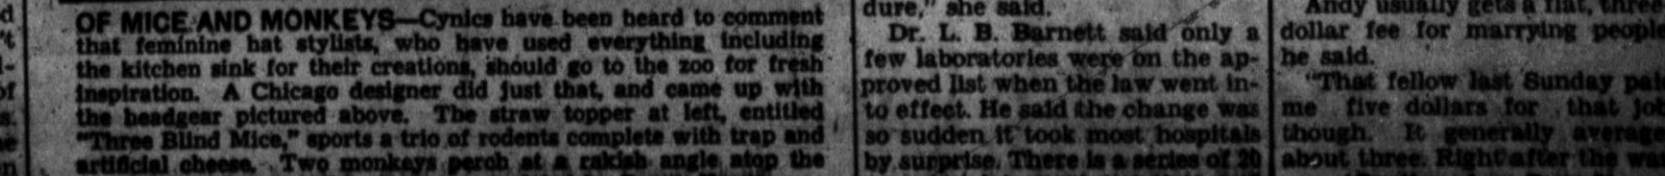

Justice of the Peace Andy Thomas, Sunday evening, had his first marriage since the new law went into force. He said he married a couple from Amarillo.

"I guess I've married 200 couples since I have been a JP," Thomas said. "I think I performed the first Negro marriage in the county about three years ago. They came down from Amarillo and got me up. About 15 minutes after they were married, the girl's mother called me, long distance, from Amarillo and told me not to perform any marriages on a colored couple she thought might be coming through. She said her daughter wasn't old enough to get married."

**Both In Jail**  
Thomas said they were going to Phoenix but the last thing he heard from them, they were both in jail at Clovis.

Andy usually gets a flat, three-dollar fee for marrying people, he said.

"That fellow last Sunday paid me five dollars for that job, though. It generally averages about three. Right after the war, (Continued on Page 9)

**OF MICE AND MONKEYS**—Cynics have been heard to comment that feminine hat stylists, who have used everything including the kitchen sink for their creations, should go to the zoo for fresh inspiration. A Chicago designer did just that, and came up with the headgear pictured above. The straw topper at left, entitled "Three Blind Mice," sports a trio of rodents complete with trap and artificial cheese. Two monkeys perch at a rakish angle atop the similar style at right. Both are modeled by Penny Barth.

## Gracie Fotheringham Wins Top Honors At 4-H Revue

A Happy Homes 4-H Club girl, Gracie Fotheringham, won a trip to College Station next June to compete in the State 4-H Dress Revue by copying overall First Place in the Deaf Smith County 4-H Dress Revue last Saturday at the High School. She placed first in the Evening Dressed Division, also.

Over 110 entries in the show made it one of the better Revues ever in this county, according to Mrs. Tom Draper, County Home Demonstration Agent.

The Revue was the climaxing event of National Home Demonstration Week and was entered by members of various Home Demonstration Club women throughout the area.

### CONTEST WINNERS

**DIVISION A. Simple Blouses (10 and under)**

Group 1. 1—Margaret Inman, 2—Alice Inman, 3—Patricia Caywood, 4—Mary Dufur (skirt).

**DIVISION B. Skirts and blouse (Girls 10 through 13 years)**

**1ST CLASS:** 1—Emma Lou Jordan, 2—Rebha Pinnell, 3—Frances Pinnell, 4—Ruby Wilcox.

**2ND CLASS:** 1—Dolores Cather, 2—Annie Ruth Leslie, 3—June Leslie, 4—Dora Ruth Inman.

**3RD CLASS:** 1—Janice Cooke, 2—Nancy Parsons, 3—Earnestine Garrison.

**School Outfits**

**1ST CLASS:** 1—Judy Pinnell, 2—Marilyn Russell, 3—Colleen Cooke, 4—Patsy Townsend, 5—Patsy Childers, 6—Judy Tomlinson, 7—Davine Farmer, 8—Barbara Dameron, 9—Joe Eddy Scott and 10—Myrna Lou Coffin.

**2ND CLASS:** 1—Lorraine Noah, 2—Verita Sanders, 3—Irene Galley, 4—Doris Story, 5—Earle Dean Oandy, 6—Martha Heard, 7—Ann Dyer, 8—Linda Reece and 9—Barbara Pinnell.

**3RD CLASS:** 1—Charlene Gates, 2—Freda Inman, 3—Yvonne Ake, 4—Nora Dean Aken, 5—Bobby Nell Wilf, 6—Willie Mae Wilcox and 7—Billie Hargett.

**DIVISION C—School Dresses (14 years):** 1st—Carolyn Cayton, 2nd—Mary Cayton.

**DIVISION D—School Outfit:** 1—Doris Wilhelm, 2—Bettye Henry, 3—Sue Cooke and Jeanie Palmer.

**BEST DRESS:** 1—Gracie Fotheringham, 2—Mary Pashel, 3—Wilma Wilcox.

**OVER-ALL BEST:** 1—Gracie Fotheringham, 2—Mary Pashel, 3—Wilma Wilcox.

The political winds begin to blow but the experts differ as to the direction.

## Col. Tchou Says War Would Kill Over Half The American People

Offering world laws and a world police force as the answer to world peace, Col. M. Thomas Tchou, noted Chinese lecturer, Friday night addressed a small group in the High School auditorium in Hereford.

Following the address an organization was created to formulate plans and to carry on the movement in this community. Jas. W. Witherspoon, chairman, appointed Will Graham, Roy Ford, Robert Thompson, Don Davidson and E. C. Eubanks. Purpose of this committee will be the distribution of literature and promotion of ideas leading to world peace.

Predicting that more than half of the American people will lose their lives in the next world war, due to atom bombs and hydrogen bombs, Col. Tchou branded war as useless.

"We are using Twentieth Century weapons, along with medieval mentality," he declared.

"World peace is the challenge of the atomic age."

In answer to the challenge of maintaining world peace, Col. Tchou cited the city government in Hereford, Texas, as the ideal answer.

"It is simple," he said. "First we need world laws or regulations. Without laws or regulations we cannot tell who is the aggressor. Generally, it is someone we do not like." After establishing the world laws, Col. Tchou said that an adequate police force would be required to enforce them.

He also scored the people of the United States for their lack of interest in world peace. "You will drop everything, even leave

your families to fight and win a war, but you are always 'too busy' to find time to work toward world peace," he said, adding: "What is the purpose of war? What is the use of war?" Following the lecture an open forum was held and Col. Tchou answered questions concerning world affairs.

Mrs. Malzie Dye and Mr. and Mrs. Dick Carlisle, all from Plainview, spent Sunday in Hereford with the Weldon Dyes. Mrs. Malzie Dye is the mother of Weldon Dye.

Mr. and Mrs. Charles Dye were visitors in Amarillo over the week end.

Mr. and Mrs. Kenneth Gooch will visit Mrs. Gooch's parents, Mr. and Mrs. E. K. Walker in Plainview next Sunday.

Mr. and Mrs. Hick Wila, Roswell, visited Sunday with here parents, Mr. and Mrs. E. F. Sevilla, in Hereford.

## Personals

Dr. John Channer, Ted Young and J. M. Posey were in Clarendon Saturday night visiting with Mr. Posey's brother, Clyde Posey. The four played golf in Pampa Sunday.

## Picnics, Parties, Rodeos Keep The Community Busy

By MRS. OWEN ANDREWS

Mr. and Mrs. Olin Parris and Welker, accompanied by Misses Velma Irwin, Oma Ruth Thompson and Gladys Thompson and Tommie and Lester Irwin went to Lubbock Sunday for a picnic in a park there. They were met at the park by the David Yandells, their parents, the Parkers and also by Wade Thompson of Texas Tech. They reported a very nice visit.

On Tuesday night, Veradelle Andrews entertained several of her seventh grade friends with a slumber party. Those visiting for the occasion were Misses Virginia Brock, Gracie Brunson, Adeline Drager, Gaye Malone and Colene Cooke. On Thursday night, Frances Andrews entertained two of her school chums, Sylvia Cox and Davene Farmer of Central Sixth Grade.

Those who attended the rodeo at Hereford during the week end, noticed one local community man in the show. He is Spicer Gripp, who has recently moved his family here, and is farming with his brother, Glenn on their place. The Gripps own the former Hastings place.

Those women from the Frio H. D. club who attended the style show at Hereford Saturday were Mesdames Glenn Gripp, E. H. Little, Dayton Chisholm, W. A. Springer, Owen Andrews and Misses Peggy Little and Janet Chisholm. They won four blue ribbons and two red ones on their six entries.

Mr. and Mrs. H. E. Lindley, Sam Lindley and Mrs. Jack Shirley and children went to Dallas, Tuesday on receipt of word that Mr. Lindley's brother, Mr. J. H. Lindley of Dallas had died that morning. The funeral was held there on Thursday morning. Jack Shirley and Carl Greeson of Black also attended the service. The correspondent represents the entire community in extending the Lindleys most sincere sympathy.

Mrs. V. L. Long, of Borger, came Sunday to visit until the middle of the week with her sister, Mrs. W. C. Lowery.

Pat Robbins entertained Dale Dickson and Joe Ed Andrews Sunday.

Mr. Floyd Cole and Jana went to Woodward, Okla. on Wednesday.

establishes that the actual cotton yield per acre is less than the normal yield. The farm marketing excess will be reduced to the amount by which the total production exceeds the normal yield times the farm cotton acreage allotment.

Until the penalty on the farm marketing excess is paid, all cotton produced on a farm and marketed is subject to penalty, and a lien on the entire crop of cotton produced on the farm will be in effect in favor of the United States, the chairman explains. The penalty must be paid before a marketing card can be issued to a farm. In addition, the farmer who knowingly overplants the farm cotton allotment will be ineligible for cotton price support and also for any agricultural conservation payment for the farm.

Legislation does not provide for storage of excess cotton to avoid penalty.

### Sunshine Club Meets In May Home Monday

Sunshine Club was entertained Monday afternoon in the home of Mrs. J. C. May with roll call revealing accomplishments of the past week. Mrs. George Minor won the penny gift.

The book, "Party Line" which is being read in club meetings, was in the hands of Mrs. Calvin Edwards who read the third chapter of the book. A shower of gifts was presented to the hostess and the next meeting was announced for May 22 in the home of Mrs. George Minor.

Refreshments were served to Mesdames Clara Mathis, Calvin Edwards, George Minor, Clint Lundy, D. F. Mathis, C. E. Watts, C. E. Sheppard, Oscar Vaughn, and the hostess. Guests were Mrs. R. E. Greathouse, Mrs. Billy Wells, Mrs. Harvey Nunn and Mrs. Frank Markham.

### Mrs. Hastings Is Host For Woman's Council

The Woman's Council of the Presbyterian Church met in the home of the president, Mrs. Henry Hastings on Wednesday, May 3.

Reports were heard in relation to the group's activities and Mesdames Henry Benson and Vern Witherspoon gave the report from the annual Presbyterian which they attended recently in Canadian.

The devotional lesson and the program for the afternoon were presented by Mrs. Lee Conklin who named the following issues to be studied: 1—Family and community life. 2—Beverage, alcohol. 3—Economic life. 4—Government and citizenship. 5—Civil rights and race relations and 6—World order.

Mrs. Pete Cowart gave the yearbook of prayer and Mrs. Frank Gyles gave the concluding prayer. Refreshments were served to 21 members.

Cpl. Douglas Beene Will Be Released From Army BAD TOLZ, Germany — Corporal Douglas W. Beene, grandson of Mrs. J. W. Beene of 809 Lee Ave., Hereford, will be released from the Army next month and return to civilian life. Headquarters 1st Infantry Division announced today. Previously Cpl. Beene served with the Division's Public Information Section.

The Hereford soldier has been a member of the oldest active combat division in the Army today. The "Fighting First" is currently carrying on a proud tradition in an extremely important postwar role in the European Command. Its famed regiments—the 16th, 18th, and 26th—division artillery and other units are located in a wide-ranging pattern that nearly covers the U. S. Zone of Germany. Under the command of Maj. Gen. John E. Dahlquist, it has become one of the Army's foremost mediums for training American soldiers in vital combat techniques under simulated battle conditions.

### Attention!

#### Appliance Dealers

Do you sell on extended terms?

Do you have satisfactory financing?

If you are a new dealer without a financing connection, or if you do not have satisfactory financing arrangements, we are in position to handle your paper on the usual term basis.

We desire some new accounts in towns all over this territory and are prepared to handle your business promptly and satisfactorily. Write us your requirements and we will go into the matter with you personally.

G. D. BOWIE, Treas. and Mgr.

### Jolly Girls Discuss Business Have Party

The Jolly Girls met at the Ford school house at the last meeting. The meeting was called to order by the president, Mary Paschel. The girls had a discussion on completing the record books and dresses for the dress review. An initiation party and a wicker roast was enjoyed afterwards by the members and their guests. The initiation party was given in honor of the girls joining the club this year.

The girls from our club winning places at the dress review April 6 were: Ann Dyer, 2nd; Loraine Nech, 2nd; Mary Cayton, 2nd; Mary Paschel, 2nd; Carolyn Cayton, 1st; Mary Paschel and Ann Dyer won ribbons on having good record books.

### CANASTA PARTY

Mrs. Ben F. Talley, Miami, spent the week end with Mrs. Addie Miller of Hereford. A canasta party was held in Mrs. Miller's home Saturday afternoon which was attended by Mesdames H. M. Thomas, Claude Witherspoon, J. J. Clark, George Muse, Matt Gilliland, Rose Spur, A. G. Bell, C. P. Smith, A. M. Jones, Miss Frances Dameron and the honoree and hostess.

### TO DETROIT

Mr. and Mrs. Scotty Kirkpatrick, Mr. and Mrs. Jim Barclay, Hereford, Mr. and Mrs. Walter Fangman, Friona, Mr. L. L. Rafe, Umberger and John Warren will leave Friday for Detroit to get new cars.

Mr. and Mrs. J. B. Whitrow Grand Junction, Colorado, are in Hereford visiting Mr. and Mrs. John Corbett, Mr. and Mrs. Frank Tackitt, Jr. and Mr. and Mrs. Frank Tackitt, Sr.

By Mary Lee Taylor  
**Raisin Tapioca Pudding**  
Broadcast: May 13, 1950

1 egg, separated 1/2 cup Pet Milk  
1/2 cup brown sugar 1/4 cup seedless raisins  
2 tablespoons quick cooking tapioca 1 teaspoon vanilla  
few grains salt 2 marshmallows  
1/2 cup water 2 teaspoons jelly

Beat egg white until stiff, but not dry. Beat in 1/4 cup brown sugar. Mix in saucepan the tapioca, 1/4 cup brown sugar, the salt and water. Boil over low heat 5 min., or until tapioca is clear and thick. Stir in slowly a mixture of slightly beaten egg yolk, milk and raisins. Stir to a boil over low heat, then boil and stir 30 seconds longer. Take off heat; add vanilla. Fold in egg-white mixture. Put into 4 dessert dishes. Chill. At serving time, garnish with marshmallow halves. Top each marshmallow with equal parts of jelly.

You will need:  
Pet Milk, Seedless Raisins, Tapioca, Eggs, Brown Sugar, Marshmallows and Jelly.

# 6000 Miles From Hereford

By DOROTHY NELL AVERY

**By DOROTHY NELL AVERY**  
(Editor's note: This is the first of a series of articles written by Dorothy Nell Avery, formerly Dorothy Nell Adams, daughter of Mr. and Mrs. E. T. Adams, now spending two years in Germany with her husband, M-Sgt. Harold Avery, who is stationed with the 319 Station Hospital in Bremerhaven, Germany. Mrs. Avery was reared in Hereford, graduated from Hereford High School in '29, business college in '30 and was manager of the Western Union telegraph company for several years before her marriage. Shortly after her marriage she and Sgt. Avery were stationed at the Army and Navy Hospital in Hot Springs, Arkansas, which is his home. Mrs. Avery was secretary to Arkansas state senator, James H. Hester, from '35 until she came to Europe last May, and present full-time job and hobby; a 20-month-old daughter.)

**BEREMERHAVEN, GERMANY—** We spent two weeks touring the eastern states before going to Bremerhaven, new York for processing for overseas. We were processed in three days then went aboard the Army Transport, "Henry Groves" for a lovely ten day ocean voyage. The "Groves" was complete with a laundry, library, movie, lounges

and sun decks. Our ninth day out brought us into the English Channel, looking to the right we could see the Inland of France; to the left the White Cliffs of Dover. On the tenth day docked at Bremerhaven, which to our surprise was to be our future home. We were taken from the ship by car to Hotel Bremen in Bremen, Germany where we lived for six weeks waiting for quarters. My first impression of this city, as we rode through bombed streets and by bombed buildings, was very depressing. One particular bombed church impressed me most, the inside is completely gone yet the hull and the steeple still stands, the bells still ring and a large clock in the steeple still keeps correct time.

Bremerhaven is the gateway to the European Command and to home—encompasses nearly 200 square miles, with a population of 112,762, is Europe's largest fishing port. It is also one of the largest agricultural sections of Germany. The country is flat and all farming is done by hand and oxen. The Germans live in crowded apartment houses usually one room for each family, the children's playgrounds are the narrow streets. The grounds behind the apartment houses are divided into small garden plots for the families and even though it is a small space they find room for flowers. The Germans love children, dogs and flowers. You seldom see a cat and I often wondered why; then our maid told me that during the war food was so scarce the Germans were compelled to eat the cats.

You see very few cars and trucks, other than those owned by the Americans, their means of transportation is bicycles. It is unusual to see old men and old women peddling down the narrow cobblestone streets with a baby in a basket in front of the handle bars and packages, groceries or wood on the back of the bicycle. We get a treat each night as the old lamp lighter comes to light the street lamp in front of our quarters, then you stop and realize how far advanced the good old U. S. A. is.

When we first arrived in Germany, which was nine months ago, the stores were practically empty, and it was impossible for them to get enough merchandise for the demand, but now the stores are once again full and

the people have taken on a much happier expression. Most of the Germans respect us Americans, but there are some who still hate and resent us and will be glad if and when American forces are removed from their country. I don't think Nazism is dead, while it may be destroyed as ideology, it has by no means been eradicated as an attitude of mind.

They have so many different customs from us, for example: when a house or building is being constructed and the frame work has been completed, the owner of the house or building hangs a large wreath above the frame work and that night he gives a party for all the workers including food, liquor and entertainment. When the construction is completed he gives another party for the workers, as a means of gratitude. Their wedding customs and traditions differ from ours greatly. When a German girl becomes engaged she wears a plain gold band on her left hand, third finger; after the wedding ceremony the same plain gold band is placed on the right hand, third finger. The night before a wedding friends put old shoes, cans, bottles and rubbish at the bride's front door and she in turn entertains the older ones with liquor and the children with cookies and candies. The mother of the bride places some salt, money and bread in the bride's new home or apartment the day of the wedding—this is supposed to bring her luck and she is never supposed to be without salt, bread or money.

Easter is celebrated here as in the states, except Good Friday, Easter and Monday following Easter are all holidays, and during these holidays large bonfires are built and the people dance around them as they burn. One of our most interesting trips so far was to Denmark and Sweden in January. The drive through Denmark was beautiful, snow all the way on a four lane highway, with huge trees on each side that formed a perfect arch. Denmark is made up of three islands, Copenhagen the capital, being located on the farthest island. The only means of transportation from one island to another is by ferry. The ferry we crossed on, not only carried passengers, cars and trucks, but five passenger and freight trains. The rails on the ferry are coupled to the rails of the platform and trains are brought aboard and when the ferry reaches the other island it is coupled to another platform and the trains resume their trip by land.

Copenhagen with a population of one million, sets down in a hollow and as we drove in we were astonished to see the bright neon lights, beautiful modern buildings, theatres and hotels. Our hotel room was as modern as any in the states and to our surprise most of the Danish people speak English. The next morning bright and early we hired a Danish woman guide who took us to the places of interest, which included the changing of the guards at Frederik IX's Castle, parks, famous buildings and statues, oldest and most modern churches. Our second day was spent in the Rosenbergs Castle, which has seen many a King and Queen come and go, but it is now used to display the crown jewels and articles of every description used by the earlier Kings and Queens.

The Castle is six stories high, about ten rooms on each floor except the top floor and it is made into a huge banquet hall where the Kings feasted and celebrated. The most fascinating thing to me was the black velvet saddle and bridle King Christor IV used hundreds of years ago; sewn over the saddle are 10,000 pearls, 1,000 diamonds, the buckle of the bridle is solid diamonds, the saddle horn is solid ruby and the frame around the saddle is of gold. The Queen's dressing room is solid mirror walls with a bathtub built into the floor in the middle of the room and diamond studded dressing tables. One large room contains nothing but silverware and silver pieces, another room nothing but chinaware and another room full of gold articles such as vases, dishes, and statues. Each room is decorated differently with hand carved ceilings, crystal chandeliers, clocks, hand woven rugs and furniture made of gold and silver studded with opals, diamonds and pearls.

We spent most of our time trying to eat all the different kinds of Danish foods especially their meats and pastries. We spent some time just looking in the beautiful stores, which were as modern in structure and merchandise as Park Avenue, equipped with escalators, spraying water fountains in the lobbies and carpet sitches thick. We even saw 1950 model cars on display which made us think we were back in the states.

One evening was spent at one of the most famous night clubs, the Ambassador. It had a revolving dance floor with a Hollywood floor show. At this particular night club, American whiskey cost \$20.00 a bottle and American Wine cost \$18.00 due to the high import tax.

We took another ferry to Sweden, which is only a short distance from Copenhagen. In fact, on clear days Sweden can be seen from Copenhagen. Sweden is very similar to Denmark, famous for their good foods, and are both noted for their large fishing ports. The five days we spent in Denmark and Sweden passed too quickly and we hope to visit there again this summer.

## Legal Notice

**NOTICE IN PROBATE**  
**THE STATE OF TEXAS**  
To the Sheriff or Any Constable WITHIN THE STATE OF TEXAS GREETING:  
YOU ARE HEREBY COMMANDED to cause to be posted for ten days, exclusive of the day of posting, before the return day hereof, at the Court House door of said County, a copy of the following notice:

# Church Notes

**IMMANUEL LUTHERAN Ladies Aid** will meet at the church Wednesday afternoon, May 17, at 2:30. Mrs. Earl Springer will preside.

Listen to the pastor's weekly radio program over KPAN each Wednesday afternoon at 1:30.

The Sunday schedule at Immanuel Lutheran Church begins

with Sunday School and Bible Class at 10:30 A. M. The Sunday School lesson is the story of "Jesus' Ascension into Heaven." The worship service begins at 11:30 A. M. The sermon for next Sunday will be based upon the text, John 16:23-30, "Unheard Prayers."

**SEVENTH-DAY ADVENTISTS** services were led by Elder G. A. LaGrone, Amarillo. F. W. Fortner and George Cantrell assisted him, using the fourth commandment, Exodus, 20:8, "And the Sabbath as was created in creation week."

Gen. 2:2 and 3 served as the basis for the subject. He made plain our obligation to God in observance of the Seventh-Day Sabbath which will be a sign throughout the generations.

Plans are being made for the Juniors (9½ to 15 years) to attend Texico's Summer Camp at Ceta Glen Canyon June 25 to July 2. The trip will be under the supervision of I. V. Stonebrook, educational director of the Texico Conference.

**FIRST BAPTIST** pastor, Rev. R. H. Cagle is in Chicago attending the Southern Baptist Convention which runs May 9 through the 12. Danny McLallen preached the sermon last Sunday evening.

Dr. Jesse Northcutt, South-

western Baptist Theological Seminary, has written Rev. Cagle he will be unable to be with the Hereford Baptist Church during the revival this summer.

Brother Allen of the Friona Baptist Church reported the best singing since he has been there during the revival recently. Bob Lawrence was leading the singing.

Rev. Cagle will deliver the Baccalaureate sermon to the 1950 Hereford High graduating class Sunday, May 14, in the High School Auditorium.

**CHRISTIAN SCIENCE** services are held each Sunday morning at 11 o'clock at the Star Theatre. All who are interested are cordially invited to attend.

"Mortals and Immortals" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 14.

The Golden Text: "They that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit" (Romans 8:5).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For all that is in the world, the lust of the eyes, and the lust of the flesh, and the pride of life, is not of the Father, but is of the world" (1 John 2:16).

The Lesson-Sermon also includes the following passage from the Christian Science text-book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Immortal man is not and never was material, but always spiritual and eternal" (page 336).

# Scouting Around

## Cub Scouts To Attend Palava

The regular monthly Cub-Pack meet was held at the Scout Hut Friday night when Cub Commissioner, John Hicks, gave the boys complete instructions for attending the annual Cub Palava to be held in Amarillo Saturday.

"All cubs who expect to attend the Palava will meet at the hut at 10 o'clock Saturday morning. Each boy is expected to bring enough sandwiches for himself and to wear plain clothes, but not shoes with cleats. All parents are urged to accompany the boys," said the cub commissioner.

The pack meeting opened with the Flag ceremony led by Mrs. Homer Brumley's den and God Bless America was sung in unison with Mrs. Walter Seed, leader, and Mrs. Eugene Bagwell at the piano. Mrs. Ed Cox directed games featuring the theme of the month "Photography."

Lloyd Sharp presented Bob Cat pins to: Keith Smith, Edwin Morrison, John Weldon Dye, Edsell Wendell and Monty Roe, and Garth Smith. Wolf advancements were presented to Jason Luck to Joe Reinauer, Robert Kinsey and Edwin Morrison and the arrow points to Donnie Jackson, David Brumley, Geo. Heard, Joe Reinauer and Phillip Roland. Bruce Miller presented Bear Awards to Carroll Whiteside, Steve Bagwell, with both boys receiving the arrow points. Coy Patton presented the Lion award

to G. R. Reeves and an arrow point to Jimmy Patton.

Pictures of Mrs. Joe Reinauer's den were shown by Mrs. Reinauer and Colby Conkwright in keeping with the theme of the month and Leslie Sharp gave a reading. Buddy Jowell received the Webelos rites. Group singing concluded the service.

and introduced.

Two of the visitors, Mrs. P. H. Clay and Mrs. Fred Hurd, came from Tacoma, Washington. Both are former Hereford Lodge members. They were the Schultz girls.

Mrs. Charlotte Calvert gave a reading, "The Old Wash Plate" which paid tribute to mothers. It was themed along the lines of the days when the mother of the family had a wash board in the back yard. Sometimes, the reading said, the mothers had to take in washings to help the family make the economical grade.

Marilyn Russell gave piano solos and Mrs. Ella Cockrell was program chairman. Lloyd Russell and Sid Perkins presented entertaining instrumental numbers.

Mrs. Aitha McIver underwent minor surgery in Amarillo the first of this week.

## Dyalthia Bradley Is On UC of CW Program

"The purpose of this organization shall be to unite church women in their allegiance to our Lord Jesus Christ through a program looking to their integration in the total life and work of the church and the building of a World Christian community," said Mrs. Joe Smith, presiding officer at the May Fellowship Day of the United Council of Church Women Thursday.

Mrs. Ernest Medkief, chairman; Mrs. Bob Brumhall and Mrs. C. C. Ferguson, of the nominating committee reported as did Mrs. O. P. Cowart on the Ecumenical register.

Purpose of U. C. of C. women was read from the constitution and the program consisted of a talk "Our Daily Bread" by Dyalthia Bradley.

Rev. Don Davidson led the group in communion.

## Troop 5v Charter Is Presented S. O. Wilson

The Boy Scout Troop 51 Troop Charter Tuesday night was presented to S. O. Wilson, during a Dad's Night Troop meeting at the Scout Hut. Wilson is president of the Stanford Bible Class of the First Methodist Church which sponsors the troop. Bob Wear presented the charter.

Four guests, 18 dads and 23 Scouts were present at the meeting. Worth Covington, leader, presented Larry Slaughter with his first Class badge during the Court of Honor. Colby Conkwright is chairman. Refreshments and games took

## WEEK END GUESTS

Mr. and Mrs. Joe Hudson and daughter Jerry Zan of Seagraves spent the week end here with her parents, Mr. and Mrs. D. H. Alexander. On Monday Mr. and Mrs. Hudson went to Amarillo to attend the Shrine Ceremonial. They returned to their home Tuesday morning. Also guests in the Alexander home Sunday were his brother and her sister, Mr. and Mrs. R. G. Alexander of Silverton.

G. W. Brumley and M. L. Steele left Saturday on a business trip to Wyoming and other northwestern states.

Mr. and Mrs. Barry Wheeler and children of Amarillo spent Sunday in Hereford. They were guests of her mother, Mrs. D. W. Hawkins.

Senior High School Presents "THE SUNBONNET GIRL" Friday May 12th High School Auditorium

up the remainder of the time during the program.

## Marriage

(Continued from Page 1)

a soldier came home to Hereford and decided to marry a Hereford girl. A party of nine people called at my house about 2 o'clock one morning. I pulled on my pants and tried to get it over with as soon as I could because I knew they wanted to be on their way. When I finished, they asked how much they owed me. I told them, but out of all those people, they could rake together only 25 cents. I thought that was pretty good—two bits from all those people.

**Business Just Isn't**

Judge L. H. Foster said he hasn't performed a single marriage since the new law was passed.

"I have never had a flat rate for marrying people. I just tell them to pay what they want. Sometimes they pay and sometimes they don't. I received five dollars on two different occasions, though. We don't have too much of that business in this office. When they can't find the JP, they come up here."

Most of the people don't know all the legal angles to marriage license, according to the county clerk's office. They tell of one Mexican couple which was married by one of the priests in Hereford.

The priest forgot to sign the marriage license but he actually did perform the ceremony at the specified time.

**Moved Two Directions**

"Well, the couple moved from Hereford after they got married. The priest moved to Washington and everybody forgot about the deal," Mrs. Posey said.

"The trouble developed when the couple wrote back for a certified copy of their marriage license. We didn't have it because

it could never be filed until the priest signed it. We had to write to Washington and get the priest to sign it before we could legally declare the two married."

All marriage licenses must be filed, she said. Of course, the priest eventually signed the license, inserting the date the ceremony was actually performed, she added.

"But if that priest hadn't been located, we could have done nothing toward certifying their marriage."

## Hospital Board Okays Isolation Ward And Pediatric Section

Deaf Smith County Hospital Board met Tuesday night at the hospital for a business session.

The unit adopted a new charter which was formed by the State Board of Health according to Board secretary Ray Cowser.

The board authorized the construction of an isolation ward and pediatric section at the hospital. These constructions had been discussed in detail at previous meetings and, according to Cowser, they are almost completed now. They were formally approved Tuesday night.

Present for the meeting were T. E. Seigler, president; Ray Cowser, secretary; Howard Gault, member and Dr. M. Nobles member.

## Mothers Honored At Rebekah Meet

Mrs. Laverne Worley and Mrs. A. H. (Ma) Ellison were presented beautiful bouquets Tuesday night for being the youngest and oldest mothers present at the Rebekah Lodge meeting which honored the mothers in observance of forthcoming Mother's Day Sunday. Mrs. Ellison is 85 years old.

Over 60 guests and members attended the meeting. Mrs. Alice Fullwood opened the meeting with a welcome message to all the members. Each guest was brought to the middle of the floor

# Hereford Bull

By JIMMIE GILLETTE

Well, the election is over—but the fireworks hasn't really started yet. The July primary will be a hot race with Clark, Rogers and Timmons slugging it out for the Democratic nomination, and I figure that Gull will lose heavily in the general election in November. A lot of Democrats are really out for his scalp. This is, of course, mere speculation.

On the other hand, I figure that I am also due to brag a little bit. Remember when Gull first announced the Bull Column was the first column in the country to point out that with one Republican and 10 Democrats it was highly probable that our next Congressman would be a Republican. My wife says that picking the four top candidates last Thursday wasn't any trick at all—but it was pretty good for

me, besides, when you bat 100%, it's pretty fair in any league. Furthermore, it's good newspapering. They always told me when you made predictions and were wrong just to keep quiet and let things die down, but when you were right occasionally to brag like the devil.

There was some protest vote in the recent election, but the Republicans got about a 25 per cent vote—and it will take a lot more than this amount to truthfully say the Panhandle has "gone Republican." Remember the "shotgun" features of a special election; top man wins without a run-off. What if there had also been 10 Republicans in the race?

Did you know that Deaf Smith county cast 535 Republican ballots in the general election last November? This is 78 more votes than Ben Gull received in the special election last Saturday. This is a fact, according to final canvassed election returns: Truman got 1,496, Dewey 535 and 58 were scattered among the other candidates, including one for Wallace. Actually, the Republi-

cans got more than 24 per cent of the total Deaf Smith county vote in the November, general election, whereas they got 25 per cent in the special election last Saturday. Looking at things over the entire Panhandle, the Republicans are slipping. When Gene Worley was re-elected in 1946, O'Brien, the Republican candidate, polled 4,853 votes to 11,530 for Worley—or well over 29 per cent of the total vote cast in the last Congressional election.

Naturally, the Republicans figured all of this out before they jumped into the race. It was smart, plenty smart. Furthermore, as you can see, the percentages held just like they figured. Don't get the idea I am punning Ben Gull down. I am not. He is a good boy, and I think he will make a good Congressman—but I do not think he will be re-elected in November. It's alright to speculate, but when "anyone" tells you that this country "went Republican" they are just kidding themselves—and likewise for the Panhandle.

What about this Earl Monroe? Understand he beat all of the pros and semi-professionals in the rodeo here the past week end. Earl works out on the Cecil Guseman ranch and has been a top cowhand in this country for the past six years. He topped the rodeo with the fastest calf roping for the three days, 13.8. In addition to winning first place Sunday, he also won first for the three-day average. It sure does my heart good to see one of these old home-own boys make Texas pros grab leather. Yes, Sir, we are mighty proud of Earl Monroe and I sure hope he has sense enough to keep his feet on the ground and not turn pro himself.

Pete "Fat Boy" Cowart came running over the other day with a big half-page clipping from the New York Tribune. It had a picture of Larry Domino 3d, with a young Miss about six years of age, and among other things the writer, Clementine Paddieford, said his name should be changed to "Honeybun." Just in case some of you might be wondering how well the New Yorkers are taking care of Larry, here's what the article reported:

"We met Larry Domino at 10 o'clock one night last week in a barn on Frank Hamling's farm on Wilmet Street, Eastchester, just a short ride out of Bronxville. Larry was deep in hay, stretched comfortably when the

light switched on. Opening and closing his eyes dreamily he surveyed his visitors from under drooping white eyelashes. A very masculine young bull, his neck growing thick and heavily muscled. His red coat was curly and warm as flannel. He stood up on his short legs, such a serious little fellow with those frowning furrows over his big, limpid eyes."

Brother, that takes the cake. Miss Paddieford makes Larry sound like a movie star. I saw him a lot of times and he just looked like a scrawny little bull calf to me. When the Hereford delegation visited New York the following words were printed on the side of the chartered plane: "A little bull goes a long way." I never did realize the full significance of this phrase until I read Miss Paddieford's article. C. R. Smith is an old KIT foreman and he says he never saw anything like it either. Who ever heard of a little bull with big, beautiful limpid eyes?

Gleve Owen went over to Conchas a few days ago and came back with a tub full of fish. He has been talking about casting and lures just as if he caught them on a pole. Everybody knows that a trot-line is the way to catch fish at Conchas. Ask Jim Lipscomb, ask Urin Streu. Even R. C. McGilvary and Bob Wilson will tell you this much—and Lipscomb says they don't know much about fishing, only what he and Urin taught them.

The firemen's district convention was held here Tuesday and it was a big, big success. Everything went off swell. Hereford is in for a lot more small conventions. The V. F. W. will be next on the list. They are planning for around 250 delegates. There will be many more conventions. Hereford needs to meet. This challenge. Hereford needs some special hours and some subsidizing for these small conventions. Hereford needs a lot of things. We need some tennis courts. We need to finish the courthouse lawn. We need some new store fronts. We even need some rain.

Visiting Mr. and Mrs. G. W. Brumley for several weeks is Mrs. Laura Gilmore, Mrs. Brumley's niece, from Huntington Park, California. They are all going to Springfield, Mo. on vacation in a few days.

J. A. McWhorter attended the Texas Tech Rodeo and Western Dance in Lubbock Saturday. He returned Sunday.

### Sims And Bippus HD Clubs Take Amarillo Field Trip

By CHRISTINE FORTENBERRY  
Brand Correspondent

Sims Home Demonstration club invited the Bippus Club to go with them on a Field Day tour in Amarillo. Those from Bippus making the trip were Mesdames E. K. Pinnell, Herbert Hoover, Julian Perrin and Miss Christine Fortenberry. Those from Sims were Mr. and Mrs. Glenn Hetzler, and Mr. and Mrs. Claud Bogle and Mesdames Cord Hammock, C. W. Hammock, Groverman Alexander and Mrs. Brooks. They visited the jail, radio station KGNC, Mann's Bakery, General Mills, Cunningham Floral Shop and ate lunch at Elwood Park.

Mr. and Mrs. Jake Fortenberry, Adrian, visited with the Frank Fortenberys near Hereford. They also shopped in Hereford.

Jack Fortenberry took his sheep over to Thomas' place Thursday to be sheared. Little Stevie Penh visited in

the home of Mrs. A. H. Jordan in Adrian Tuesday.

Elmo Pionell helped the Penh brothers brand cattle Monday.

Mrs. Hardy Hama and Wilbur went to Amarillo to consult a doctor about their baby.

Mrs. Jack Fortenberry and Christine went to Hereford last week to visit Mrs. Fortenberry's mother who is in Deaf Smith Hospital. They also visited with little Ronnie Seay who is in the hospital with a broken hip.

Several from this community attended the Dress Revue in Hereford Saturday.

Mr. and Mrs. C. F. Homfeld attended a show in Hereford Saturday night and the rodeo Sunday afternoon.

Mrs. McQueen visited Sunday morning with Mrs. Herman Gifford.

Mrs. C. F. Homfeld went to Amarillo Thursday with Kenneth Class from Adrian.

Elmo Pinnell went to New Mexico Tuesday to help Floyd Brown with the branding of cattle.

**THE LITTLE FOXES**—Georgia Sarris, 10, of Oak Lawn, Ill., has her hands full with three baby foxes for pets. Georgia's mother captured the month-old animals when she shot a vixen suspected of killing chickens in the neighborhood. Mrs. Sarris tracked the wounded fox to her den, where she found the three furry pups at play.

### First Irrigation Well In Community Just Installed

By MRS. A. L. CROSS  
Brand Correspondent

The Sunshine Club met Tuesday afternoon with Mrs. Ben Pitman as hostess. Roll call was answered by a "Health Habit."

Mrs. W. E. Brown gave a talk on mail box improvement. Mrs. Annett Wiggins, county health nurse, gave a talk on Polio. The mail box name plates were distributed.

It was voted to have a work day at the cemetery Friday, May 12.

Refreshments were served to 14 members and three guests: Mesdames Lizzie Pulliam, Annett Wiggins, Sterling Pulliam, visitors; Mesdames W. E. Brown, Clinto Burnett, J. R. Burnett, A. G. Campbell, Cecil Clayton, Cecil Calwell, A. L. Cross, Joe Hatley, Glen Pulliam, W. P. Ridley, Jim Smith, Henry Stovall, Harvey McInturff and the hostess, Mrs. Ben Pitman.

Mr. and Mrs. Arsh Smith were taken to a Clovis hospital Sunday afternoon for food poisoning.

Roy Potts, who lives three-

quarters of a mile west and a mile and a half south of the state line on Harrison Highway, has just completed an irrigation well. It pumps 950 gallons per minute. This is the first well in this community in New Mexico.

Mr. and Mrs. Archie Allen have gone to Hot Springs for treatment.

At the State Parent-Teacher Association convention, held in Albuquerque April 27 and 29, the award for traveling the most miles was presented to the Rosedale P-TA unit. Eight members attended from there.

Mrs. Bessie Patterson was in Amarillo yesterday to attend a school of instruction for district P-TA officers.

Mr. and Mrs. Ernest May and his mother, Mrs. W. A. May have gone to Missouri for visits with relatives in various parts of the state.

Mr. and Mrs. Howard Boyd of Dumas were recent guests in the home of Mr. and Mrs. J. L. Ketchum.

Mrs. Seth B. Holman went to Amarillo Sunday and is spending this week there with friends and relatives.

### About Your Home—

By FRANCIS DELL  
By FRANCIS DELL

Woolen blankets are delicate and must have proper care to stay bright, new looking and warm.

Heat, sudden changes in temperature, strong soap, and allowing dirt to remain in blankets for long periods of time all injure fine blankets.

When laundering blankets at home avoid hot water, strong soap and scrubbing. Use mild suds dissolved in soft, warm water, and squeeze them through the blanket to remove the soil. Rub the bindings with a soft brush dipped in suds.

After two soapings, rinse in at least three changes of warm water—until the rinse water is perfectly clear. Any soap left in the blankets will weaken them and invite mildew.

When hanging blankets outside to dry always hang them in the shade. After the blankets are completely dry, dampen the bindings and press with an iron.

An easy way to remove old wall paper: Apply a mixture of thick flour and hot water to the walls. When the paper becomes saturated it will peel off easily.

If there is a baby in the family never throw away worn knit undershirts. Cut them straight across under the arms. This large square of material makes a very good diaper when stitched at top and bottom.

### Handicap Tourney Qualifying Ends Sunday; 20 Entered

Twenty entrants qualified or signed up for the Handicap tournament Sunday and about the same number are expected to enter this week, Golf Pro Jim Terry said Wednesday.

Sunday is the final day for qualifying, Terry warned. Golfers without handicaps may establish them by contacting Terry.

First matches in the tournament will be played next week and Sunday, with the tournament progressing a match a week from there on to the finals.

Entrants will be divided into two flights by their scratch qualifying scores and then all matches will be played on a handicap basis.

Qualifying scores so far are: W. W. Gilbreath 87, Joe Kerr 80, Loyd Nell 84, Owen Jack 86, Bill Davis Jr. 80, Bill Demeron 97, Dale Tinnin 94, Carl Whitstede 99, Darrell Blanton 86, Erb Jordan 93, Jerry Stoltz 75, J. A. Pitman 83, Frank Cogdell 87, Ed Young 97, Paul Conway 86, Gerald Wilson 93, Wendell Burdine had 49 at the end of nine and Mutt Wheeler had 46. Bill Miller and H. E. Miller also signed up but will qualify Sunday.

playing for the 13th position. Urllin Streu withstood a challenge for his second position from Ted Young in third.

Anyone wanting to get on the ladder can do so by challenging and beating either Joe Butler, Bruce Woodell or Sam Nunnally. 76 played Sunday.

In answer to how the handicap tournament will be played here's an example. Suppose J. A. Pitman and Darrell Blanton should meet each other in their first round match. J. A.'s handicap is 12 and Darrell's is 15, or a difference of three.

According to the score card the 10th hole is the first handicap stroke, number 1 is the second and number 12 is the third.

If these two fellows meet, Darrell will get one stroke on each of these three holes and they will play everything else even-stein.

In other words number 10 is supposed to be the toughest hole on the golf course and from there on down to the easiest.

Another example: If Ed Young with a 25 stroke handicap plays Henry Lewis with 14, Ed will get a stroke on the following holes: 10, 1, 12, 17, 8, 3, 11, 2, 16, 14, and 7.

### Second-Guessing

By JERRY STOLTZ

At last year's national marble tournament a youngster missed an easy shot and gave vent to some language which shocked his teacher. She called to him "Clinton! Don't you know what happens to marble players who swear?"

"Sure," Clinton replied, "they grow up to be golfers."

Charlie Hoover of Adrian listed as the top line prospect for next year's ENMU Greyhound eleven.

And while we're on football you might like a glimpse of next fall's West Texas State line-up if so, they are going to have a bit of a wind-up to spring training next Wednesday night. They are bally-hooing for a big year and let's hope they really have a cracker jack.

The idea of a lake in Veteran's Park apparently is something entirely new to the Veteran's Park Board of Ralph Smith, Ernest Kendall and Earl Woods. But they intend to lock into the matter and see what can be worked out.

Everyone apparently agrees that it would be nice to have a small artificial lake down there that an occasional fish might call home.

### Ramblers Wrap Up Win Over Umbarger 14-11

Umbarger pitcher Joe Arthro issued five walks, bailed three times and gave up 16 hits as the St. Anthony's Ramblers bounced back into the win column to strike down the Umbarger softballers, 14-to-11, Monday morning at Umbarger.

Their first win in the last three starts, the Umbarger win was the rubber game for the Ramblers who had split a pair of games with Umbarger in previous seasons play.

Dick Repoza, making his first appearance on the mound for St. Anthony's was routed from the game before he could retire the side in the first inning. Ken Walterscheid took over the usual relief role when Repoza had two down and could go no farther. Repoza gave up one hit but errors in the outfield cost him his first start.

Thursday, May 11, 1950 Section Two

### Tag Team Match Saturday's Classed As Prolonged Brawl

You can stop worrying about the effect an H-bomb or A-bomb would have if one were exploded in Hereford. Just start worrying about what would happen if one of those wrestlers really got mad!

It was murder last Saturday. Everything was won by disqualification. It is agreed by all veteran Hereford wrestling fans that these matches were the roughest ever put on here.

### Comments On Sports

By EDD SIMS BASEBALL

WASHINGTON, D. C. — The most thrilling game of the 1950 season has been played. No other game will touch it. It was the best of the year. It was played late in April, between the Yankees and the Senators. Here is the background leading up to the dramatic contest.

On the Washington pitching staff is a rookie named Steve Nagy. He comes from the Pacific Coast League, where the brand of ball is practically as good as in the Majors. He came to the Nats on the recommendation of Bucky Harris, Nat manager and former manager of the Yankees.

As you know, Harris and the Yankee higher-ups are feuding. Harris would like nothing better than to whack the Yankees about. And so, in the first series between New York and Washington, Harris threw Nagy at the batters. The rookie twirled ten hectic innings, and the Nats finally topped the Yanks in the tenth, to give Nagy a win over the world champions.

But that isn't the story. The Yankees came to Washington a week or ten days later. They were ready to hop on the rookie this time. They knew how he threw 'em; they knew what to expect. Some fans wondered whether Harris would put the rookie in

## VFW Nine Tackles Vega After Downing Umbarger

The free and easy Hereford Sunday afternoon punishing VFW baseball team stayed that Umbarger with a 20-to-7 beating way for their second straight win that saw Hereford boil over in

the third inning with 11 runs. The bottom of the batting order, Corbett and Winkler, both drew life with walks to start the big third inning. Burdine came through with a bonus triple to score two runs and Buddy Anderson singled in another. Lueb singled and two more free passes were issued to Clark and Barrett. One run was forced across. Carroll singled and Stengel drew still another walk. This completed the 9-man batting order and still no outs were made.

"GUSSIE" GETS A RUBDOWN—In her dressing room at the "Forum Italic" in Rome, Gertrude "Gorgeous Gussie" Moran, of "face-panty fame, gets a massage before meeting French tennis ace Anne-Marie Seghers in the Italian Tennis Championships. Gussie won the match.

On their second trip in one inning, Corbett and Winkler got on via an error. Burdine was grounded out and Anderson was thrown out. Lueb came through with his second hit of the inning, a single, to drive across two more runs. Clark ended the inning by popping a fly to left.

A total of 15 men batted in the one frame. Hereford was almost too free and easy in the eighth when they committed seven errors and Umbarger got four of their seven runs.

The big test comes Sunday afternoon, Manager Glenn Anderson predicts, when Hereford travels to Vega to take on last year's league champions.

Last Sunday, three pitchers were used. Neal Quattlebaum started and pitched 3-hit, 3-run ball until he was pulled in the seventh. Glenn Anderson pitched the error-filled eighth and Johnny Winkler shut 'em out in the ninth.

Anderson says Winkler will go against Vega. Winkler has a 15-to-0 shutout against Vigo Park to his credit already this season. He will be after number two at Vega.

Quattlebaum got the win against Umbarger.

YOU'LL REALLY SHINE HERE—because this is the de luxe version of the popular fourback 4-door SPECIAL Sedan, made bright by silvery fender trim and window moldings. Many extra luxury touches inside too.

Why just listen to reasons? COME SEE FOR YOURSELF!

THIS TIME we'd like to tell you about something that you cannot see in this picture—something, in fact, you cannot know about from looking at someone else in a passing Buick—or from viewing a Buick on our showroom floor.

It's the feel you get from a Buick in motion. You are going to find out that it is something like traveling on your own private, jet-propelled cloud—only firmer.

Maybe you know a stretch of washboard road, where you have to slow down, or bounce and jitter. Try that in a Buick and see how you keep a level, comfortable boulevard smoothness.

Maybe you're always on edge to dodge dips and chuckholes. Those also lose most of their jolt when you're at the wheel of a Buick—or in the rear seat.

Even Dynaflo Drive\*—always silk-smooth and free of geared-drive harshness—plays its part in the marvelous Buick ride.

But why simply listen to reasons? Experience is still the best teacher. Come see for yourself why the Buick ride is called "matchless"—and how little it costs to replace a jitterbuggy with one of these level-striding honeys.

\*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

ONLY BUICK HAS Dynaflo—AND WITH IT GOES: HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD front-end, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride tires, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

WHATEVER YOUR PRICE RANGE "Better buy Buick" YOUR KEY TO GREATER VALUE

The Hereford Brand, Hereford, Texas, Thursday, May 11, 1950

### Co. Agent Warns Livestock Men To Watch For Worms

County Agent Hugh Clearman pointed a warning at county livestock men this week in reporting that he has received word that the screw-worm fly survived this winter in a much larger area than ever before. He cautions livestock men to be on the lookout from now on.

Clearman said that their have been no reports of screw-worms in the county yet, but indications are they will arrive earlier than usual.

He says the survey made by entomologists of the USDA Bureau of Entomology and Plant Quarantine at Kerrville, shows that in Texas the area where the fly was found to have survived the winter extends at least 300 miles farther north, 150 miles farther northeast and 200 miles farther northwest than during any winter since 1943 when the survey program was started. Three of the affected counties—flies were found in 134 Texas counties—border Oklahoma just east of the Texas Panhandle. Records show that during previous winters, the screw-worm fly survived in less than 30 counties in southern Texas and usually in no other states west of the Mississippi. This year they were found in three southwestern New Mexico counties, nine southern Arizona counties and three counties in southern California.

It now appears certain that the migration of the fly will be earlier and that it will probably migrate much farther northward than usual. The possibility of transporting screw-worm infested animals from the southern zone to northern states is greater this year than ever before.

Livestock owners, he says, should be on guard and should watch for early screw-worm infestations. Weather conditions during the next few weeks may be a determining factor in the seriousness of the situation, Clearman says. Moisture will increase the possibilities of serious outbreaks.

In conclusion he says, livestock owners should treat all wounds promptly with Smear 62 whether screw-worms are present or not. It is a surgical dressing as well as a worm killer and its use is just good insurance against screw-worm infestations.

### Spring Hints To Flower Gardeners

It is the tricks of the trade that often make the big differences in the flower garden. The plants that grow-off best are usually the heaviest producers of beautiful flowers, says Sadie Hatfield, landscape gardening specialist of Texas A&M College, and there is something that most gardeners can do to help the plants along.

Miss Hatfield suggests that you give them a special drink; one prepared by mixing commercial fertilizer and water. She calls it a starter solution and says it is very good for giving the newly set flowers or those just coming up the right kind of a start in life.

To make the solution, mix one pound of 4-12-4 or 5-10-5 fertilizer in five gallons of water. She says to mix it thoroughly and when the fertilizer has dissolved, it is ready for use. About one good cup full of the solution is sufficient for a single treatment for a plant. A watering at 10 day intervals, during the spring, with the solution, she says, will keep the plants growing and in a thrifty condition.

Miss Hatfield says the same liquid fertilizer is also good for the rose garden, trees, shrubs, and for the perennials that have been separated and transplanted. Ten pounds of fertilizer mixed in a barrel of water will take care of the needs of most flower gardens for one watering at least.

She says the use of such a solution has two advantages; it

soaks into the ground immediately and becomes available to the plants and no cultivation is required for the application. She warns gardeners against cultivating too deeply, says it can kill the young feeder roots that are near the surface and in the case of young plants, many are damaged more by the cultivation than from weeds.

### State School Auditor Spot Checks Hereford

State School Auditor Harvey Gordon last week visited Hereford High School for a spot check according to superintendent George Graham.

Graham said Gordon had just finished the 3-month job of auditing Texas Tech at Lubbock and was trying to audit at least one school in each county while on the trip through this section.

The auditor found everything in order at Hereford, leaving things just as he found them, according to Graham.

### Birthday Party Honors Mrs. C. Angelo Friday

Mrs. Clay Angelo and Mrs. Bob Jennings Friday afternoon were hosts at a birthday party honoring Mrs. Marie Angelo in her home on North B Street.

Tommy Kay Robinson and Mike Robinson sang "Happy Birthday."

After gifts, refreshments were served from a lace-covered table to Mesdames Angelo, D. R. Vandever, J. S. Orr, J. H. Lomas, H. V. Williamson, Standifer, Jack Flowers, Tom Robinson, Wes Brady, P. L. Dishman, Roy Thompson, W. R. Valentine, Edna Bove, Henry Cloyd, Bessie Jennings, and the hostess.

### Bette Jean Noland Has Birthday Party

Bette Jean Noland was honored on her ninth birthday at a party given by her grandmother, Mrs. R. A. Fullwood Saturday afternoon. She is the daughter of Mr. and Mrs. Chas. Noland of

Summerfield. Seventeen little friends from Summerfield and Hereford were invited to share in games and birthday fun. Pink birthday cake was served to Janie Book-out, Ginger Witherspoon, Mary Thompson, Linda Kay Noland, Louis Block, Ann Caraway, LeJuana Lookingbill, Nickie Noland, Louie Axe, Danny Chisholm, Kay Caraway, Jimmy Bradley, Steve Slagle, Ann Lookingbill, Linda Inman, Carol Waiser and the honoree.

What is there American about those who are afraid of Soviet Russia?

### COMMENT

(Continued from Page 1) last of the eighth, and if Washington was going to win without having to bat in the ninth, it had to be done in the bottom of the eighth.

The difficulty was that the last of the batting order came up. With two outs, the rookie twirler, Nagy, came up. Had others been managing the Nats, a pinch hitter would have been summoned. Harris let him bat. Nagy waited until Joe Page threw him what he liked, and then he socked it to the far corner of the field. Joe Dimaggio scampared after it, as Steve tore around the bases. The best he had was a triple. But he passed third, putting on steam. Berra had the ball in time to put him out, but the rookie executed a nifty, tricky slide, dogging Berra and the ball and hooking homeplate with his left foot. The umpire stretched hands. Nagy had an inside the park homer. The score was 5 to 4.

To top that off, Nagy tired but with a strong heart, went out and retired the Yanks, pinch hitters Mize and all, in order in the ninth. All he did was pitch, bat and run over the Yanks for his second straight over the world champions. Pretty good for a rookie. Writers and fans sitting in Griffith Stadium that night said they never saw anything like it. And there was something American about it, the underdog making good perhaps. It was the game of the year.

# Garden Club Regular Sessions Meet Friday In Members Homes

Hereford Garden Clubs met Friday afternoon in regular session in homes of members.

Hereford Garden Club Members of the Hereford Garden Club met in the home of the

president, Mrs. W. S. Fluit, with District 1 Councilor, Mrs. Albert Merrow of Morton as a special guest. Mrs. Dewarj Roberson and Mrs. Jim Black were responsible for the arrangements for the day with Mrs. Roberson featuring Dutch Iris and Mrs. Black using yellow tulips and purple plum.

Reports from the recent state convention held in Midland were given by Mrs. M. T. Rutler and Mrs. A. L. Manjeot.

Highlight of the session was the installation of new officers conducted by the district officer. Officers include: Mrs. W. S. Fluit, re-elected president; Mesdames Lyle Blanton, Leroy Aven and Dennis Barnard, 1st, 2nd and 3rd vice presidents; Mrs. J. P. Slaton, recording secretary; Mrs. E. Ramey, corresponding secretary; Mrs. O. G. Hill, parliamentarian; Mrs. Jim Higgins, parliamentarian; Mrs. A. O. Thompson, federation councilor and Mrs. A. L. Manjeot, reporter.

Members of the club attending were Mesdames Jeff Gilbreath, C. D. Kelton, Leroy Aven, Phillip Barkley, Dennis Barnard, Jim Black, Lyle Blanton, Homer Brumley, Roy Crutchfield, E. E. Fridley, E. W. Harrison, Jim Higgins, O. G. Hill, John Jacobsen, A. L. Manjeot, E. Ramey, Dewarj Roberson, Jack Roberson, M. T. Rutler, J. P. Slaton, A. O. Thompson, Hardy Benson, the special guest and the hostess.

**Garden Beautiful Club**  
Mrs. Joe Reinauer entertained members of the Garden Beautiful Club in her home Friday afternoon.

Mrs. O. M. Dickey, president, conducted the business session when reports of the Tour of Homes were heard and members voted the funds to carry out projects of the club.

Members decided to provide funds for one month's telephone bill for the Camp Fire Hut and each member was requested to make investigation concerning

the blight of trees and shrubbery in Hereford and to report any successful measures taken to combat the blight.

Plans for the annual Garden Club Council Show which will be held at Hotel Jim Hill this afternoon, were discussed and final plans for the club breakfast which is scheduled for June 2, were made. The breakfast will be held in the home of Mrs. Joe Poindexter at 9 o'clock. Newly elected officers will be installed at that meeting.

Refreshments were served from a lace laid table lighted by pink candles at each corner. Pink carnations in a crystal bowl formed dainty floral decorations to match tiny May baskets filled with nuts which were served as favors.

Members present were Mesdames Tom Carter, O. M. Dickey, S. L. Easley, George Graham, Frances Houston, E. O. Jordan, D. C. Kinsey, J. W. Kirby, Forrest Minton, Joe Poindexter, Carroll Whiteside, Mary Selzler, J. L. Woodford, J. W. Thomas, E. L. Adams, Dayton Chisholm, Ernest Medkief, W. J. Stanford, V. O. Hennen, Gerald Wilson and the hostess.

**Bud-To-Blossom Club**  
Mrs. D. C. McWhorter was hostess to members of the Bud To Blossom Club Friday afternoon. Arrangements for the day were made by Mrs. W. H. Patton who used yellow and purple iris and by Mrs. C. W. Parker who featured yellow tulips.

Mrs. J. D. Neill, president, led the business discussion and explained the rules for the Flower Show sponsored by the Garden Club Council this afternoon in Hotel Jim Hill.

Mrs. Neill also gave the program discussing "Containers, Accessories and Backgrounds." She stressed harmony in color and the close affinity between the container and flowers. A collection of containers was viewed and a discussion held as to the type of arrangements for the individual container.

Mrs. O. G. Hill conducted installation rites for new officers presenting each incoming official with a gladiolus bulb and comparing the latent possibilities of the bulb to the club member and her possibilities as an agent of beautification in the community.

The new officers include: Mesdames Ben Childers, president; D. C. McWhorter, J. D. Neill and

## Your Share in Southwestern Public Service Company

Nearly everyone has a stake in your Public Service Company. You, your neighbor, your doctor, the teacher in the next block, your friends... these and many other folks are the stockholders—the real owners of Southwestern Public Service. And another thing... no one stockholder owns more than 2% of the total stock in the company. Add to that the many folks whose savings at the bank or in their life insurance policies have been re-invested in Public Service securities, and you see how, directly or indirectly, lots of people have an interest in this company. It is a working example of free enterprise... the system that has made America great and strong!

FREE ENTERPRISE IS THE AMERICAN WAY

25 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

## A good pie is like a good INSURANCE PROGRAM

There is no doubt about it, a good pie is like a good insurance program. Many a man thinks that he has to have a lot of dough to start one. He thinks that the agent and the insurance companies have a lot of crust to charge what they do. Nevertheless, the truth of the matter is that you do not have to have a lot of dough; the main thing is to have an expert see that the dough is mixed properly and that you are covered top, bottom and sides — just like a good pie.

# Lowest-built...that's why Hudson means Most room! Best ride! Safest!

**N**O MATTER what price you have in mind for your next new car, there is a Hudson right in your range.

And every Hudson series and model brings you exclusive advantages... possible because Hudson is the lowest-built car of all!

The secret is Hudson's exclusive recessed floor ("step-down" design). Through this new way to build automobiles, space wasted in all other cars is brought into Hudson's passenger compartment.

Most room! Seat cushions are up to 12 inches wider than in cars of greater outside dimensions—and there is more head room than in any other automobile.

Best ride! Safest! Right along with full road clearance, Hudson's recessed floor makes possible the lowest

Hudson's exclusive "step-down" design, with its recessed floor, uses space that all other cars waste. The result is America's lowest center of gravity (and full road clearance), while providing more head and seating room than any other car.

center of gravity in any American automobile. As a result, this remarkable car handles more surely, hugs the road tighter and provides America's best and safest ride!

There are many more Hudson advantages, including your choice of power-packed, high-compression, six- or eight-cylinder engines world-

famous for stamina and performance... and scores of high-quality, long-life features that make "step-down" designed Hudsons leaders in resale value, as shown by Official Used Car Guide Books.

Won't you accept our invitation to try Hudson's "New Step-Down Ride" real soon?

The new, Lower-Priced Pacemaker brings you all of Hudson's exclusive advantages for just a few dollars more than the lowest-priced cars!

## Grady Wilsons Leave For New Home In South Dakota

The Adult Sunday School class sponsored a covered dish supper Friday night at the schoolhouse. Mr. and Mrs. Grady Wilson and family, former residents of the community, were special guests.

Mr. and Mrs. Wilson, Larry, Donald and Norma Sue and Mr. and Mrs. Grady Wilson, Jr. and daughters left Wednesday morning for their new home on a ranch near Faith, South Dakota.

After supper, "42" games and Canasta were played and Preach Merritt led in singing several songs. Among those present were Mr.

Mr. and Mrs. Lee Andrews of Denver, Colorado were guests Thursday night and Friday in the Merlin Kaul home. They had been to New Orleans, La. on their vacation. They were guests on Wednesday night of Mr. and Mrs. Aldon Hawks at a ranch near Benjamin. The Hawks are former residents of this vicinity.

Manuel Hawks spent several days last week visiting his parents, Mr. and Mrs. T. J. Hawks, near Castle Rock, Colo.

Mr. and Mrs. L. G. Thuet of Post and Mrs. Jimmy Thomas and children were guests Thursday in the J. C. Morrison home. Mrs. Thomas and the children remained for several days visit with her parents.

Bert O'Connor of Plainview is spending several days here in the home of his daughter, Mrs. Elmer Combs, and is helping Elmer with the remodeling of his house which is located where the teaching used to be south of the schoolhouse.

The Combs family will move into the house from their present quarters in the back of the store building and convert all that building into the store.

Billy Don Combs has been ill all week and unable to attend school.

Members of the Home Demonstration Club which took as their project this year remodeling of

the cafeteria at the schoolhouse, have been doing some real work there this week. The room has been painted and new linoleum laid on the floor, tables and cabinet top. More improvements will follow.

Rev. J. R. Hale of Cordell, Oklahoma was a guest Saturday night and Sunday in the Merlin Kaul home. He had charge of church services here Sunday morning and night.

Moody Smith of Plainview will have charge of the services this Sunday.

Mr. and Mrs. Ed Jesko left Sunday for a Knights of Columbus Convention at El Paso. They are expected back today.

Those who practice it less put the "rant" in tolerant.

The great problem of life is whether the game is worth the candle.

# Long Time Ago

## 25 YEARS AGO

A Canning Club was organized in the Progressive Community by county agent R. O. Runkle. Purpose was the canning of vegetables, meats and other farm products. O. L. Sharp donated a 4-room house and planned to pipe running water into the

building. Enough money was raised to secure tables, a gasoline furnace, plenty of cans, plus a 40-quart pressure cooker. Officers of this club were Mrs. J. L. Parks, Mrs. C. Heharg and Mrs. J. P. Cockrell.

Actual construction on the new \$125,000 High School building by Parr Construction Company of Amarillo was started. Instead of sending the bonds for the school by express, Mayor Ireland personally took them to Austin in an effort to get them pushed through with little delay.

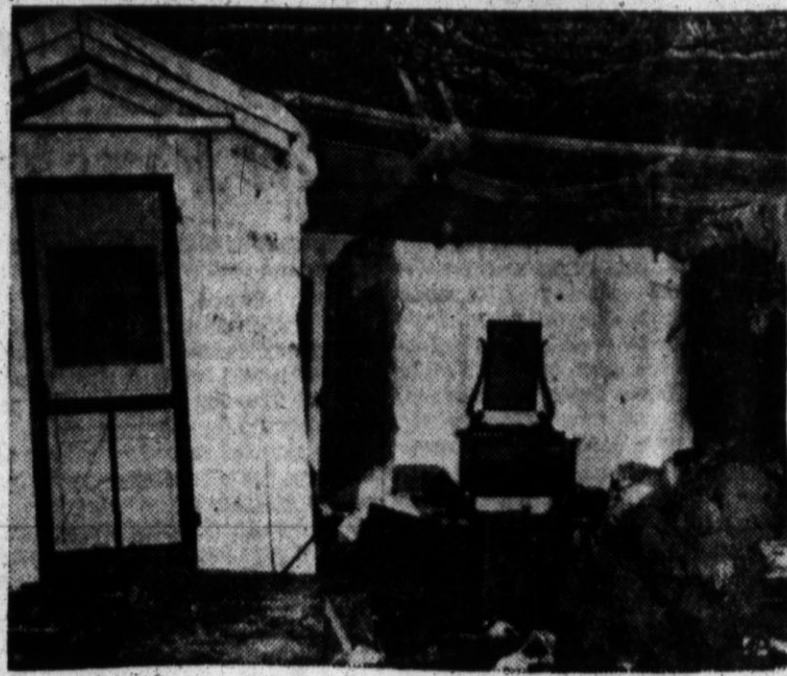

The young man who had been putting Castro County on the map, T. D. Moss, took over as secretary of the Hereford Chamber of Commerce.

The Hillcrest Golf Team from Amarillo was again beaten by Hereford golfers. Surprising feature of the match was the close game Homer Fox put against the

**OPEN HOUSE**—This is what is left of the W. B. Collett home in Clyde, Texas, after a savage tornado ripped through it. The Collett family took refuge in a storm cellar and all were uninjured. Three persons were killed and several injured when the twister demolished at least six houses. Clyde is 16 miles east of Abilene, Tex. (AP Wirephoto)

Panhandle champ, Woolsey. On the first nine, Woolsey shot a 36 to Fox's 38. On the last nine, Woolsey parred the course with Fox gain two strokes behind with 37. Woolsey beat Fox 4-up.

Seth B. Holman made a report to the Hereford Chamber of Commerce on his trip to Mineral Wells. A motion was passed authorizing Holman to serve as director of the West Texas Chamber for this territory and carrying with it expense money for trips to meetings of the board.

Hereford was facing possibly the heaviest building period in its history. Mrs. K. N. Moutins was planning to erect a modern home in the near future. A modern residence was just completed, costing \$4,000, for Cliff Acker. Seven other new homes were just on the finishing stages.

A list of 13 boys and 15 girls were graduated from Hereford High School in May of 1925. They were: L. H. Fuqua, George Beams, Jr., Mozelle Hill, Paul Patterson, J. M. Posey, Gwendolyn Price, Margaret Ricketts, Lucille Hicks, Mary Valentine, Beaumont Wade, Beryl Witherspoon, Lonnie Witherspoon, Agnes Moore, Gordon Moore, Ervin Elliston, Nona Brazil, Leah Clark, Ray Cowser, Georgia Roberson, Ira Foster, Robert Anthony, Lucille Moses, Eunice Parker, Leah Burmond, Alice Womble, Inez Clark, Lena Gilliam and Leland Lee.

P. B. Fuqua, former Hereford resident, graduated as a 2nd Lt. from the United States Military Academy at West Point, N. Y. Still suffering from a gasoline explosion in Emporia, Kansas in 1923, Hill Garrison, 16, was brought home to Hereford on the train. He was a member of the Boy Scouts before he left Hereford. The Scouts met him at the train.

Cotton prospects in Deaf Smith were better than they ever had been.

Some cow from Canyon, named Tex, was reported in the papers to be giving 65 pounds of milk a day.

The Chautauqua was successful, closing after a week of entertainment and profit.

Hereford, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 19 day of June A. D. 1950, then and there to answer Plaintiff's Petition filed in said Court, on the 24th day of March A. D. 1950, in this cause, numbered 3242 on the docket of said court and styled Hereford Rural High School District Plaintiff, vs. J. L. Underwood, et al Defendants.

A brief statement of the nature of this suit is as follows, to wit: For the title to and possession of all of the following described land located in Deaf Smith County, Texas under and by virtue of the Statutory Trespass to Try Title allegations and also under and by virtue of the 5 and 10 year Statutes of adverse possession and limitation of the State of Texas in that plaintiff and its grantors in the chain of title has held the continuous peaceable and adverse possession of all of said land since July 1, 1919 under deeds duly recorded, claiming and asserting the

fee simple title thereto without molestation or interference, paying the taxes using and enjoying said land, to-wit:

West 1/2 of Block No. 4 of Welsh Addition to the Town of Hereford, less the South 60 feet thereof

Beginning at a point 60 feet North and 690 feet West of the Southeast corner of Block No. 4 of Welsh Addition to the Town of Hereford; THENCE West parallel to and 60 feet North of the South line of said Block 630 feet to a point in West line of said Block and in the North right of way line of Plains Avenue, (old Gough Street); THENCE North with the West line of said Block 600 feet to the Northwest corner of said Block; THENCE East with the North line of said Block 630 feet to a point; THENCE South 600 feet to the place of beginning, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs, issued and given under my hand and the Seal of said Court, at office in Hereford, Texas this 3 day of May A. D. 1950.

Attest:  
R. L. THOMPSON Clerk,  
District Court, Deaf Smith County, Texas  
By LUCILLE POSEY,  
Deputy

(SEAL) 18-4c

## Personals

Wayne Elliston, son of Mr. and Mrs. R. W. Elliston is reported improving in Northwest Hospital at Amarillo.

Victor Elliston and Bert Whittington left Monday for Truth or Consequences, N. M. for a 3-week stay. They plan to pass the time taking baths and going fishing.

C. P. Grimes reports from Circle, Montana, that spring hasn't reached there yet. They had a blizzard Sunday night, leaving 5-foot snowdrifts. Bad weather has retarded farming.

Miss Margie Browning, Abilene, and Cal Brumley, Tulsa, were Sunday visitors in the home of Cal Brumley's sister and family, Mr. and Mrs. E. D. Hopson, Hereford. Mr. and Mrs. Dale Tinnin Sunday. The visitors are from Balla.

## Junior And Senior High Will Present Operettas This Week

The Junior High and Senior High schools will this week observe National Music Week by presenting two operettas. Both operettas will be under the direction of music supervisor Thelma McMinn and will be presented in the High School auditorium Tuesday and Friday evenings.

Tuesday evening, the 75-voice Junior High Chorus will present "Aunt Drusilla's Garden." Special flower costumes are under the direction of Mrs. W. C. Hromak.

The play concerns a spinster Aunt and her family life. Members of the cast include Kathleen Tucker, Aunt Drusilla; Cecilia Wilkins, Aunt Prudence; Georgia Lewis, their niece Nella; Joe Bill Willis, the gardener; Gayle Gault, the leader of the gang; Dale Hinds, Tad; Patsy Hamby; Tiny Little.

Friday, the High School chorus and a Cappella Choir will present the "Sunbonnet Girl." Cast includes Joy Miller, Betty Robbins, John Southall, Jennie Scarbrough, Jack McCracken, Billy Robinson, Patsy Wytshire, Sara Beth Owen, Reba Dones, Duane Christian, Thomas Botsford, Colline Brown, Heschel Miller, Audrey Hood, Charles Whitehead, Evelyn Benson and Alma Faye Knox.

Last Wednesday the High School Chorus presented assembly programs in Bovina and Springlake. The week before, the Cappella Choir presented a variety of programs in the Canyon Methodist Church and as a result, according to Miss McMinn, were invited to perform in Friona, Vega and Tulla.

Senior Who's Who  
By RUBY BARCLAY

Name: Genevieve Erdman.  
Ambition: Nurse.  
College: St. Anthony's School of Nursing.

Likes: Jolly people, picnics, Senior Trips, people who cooperate.

Dislikes: Unpleasant people, stuck-up people, boys who don't come on time.

Pet Peeve: Horses that just refuse to go (remember the Senior Trip).

Organizations: Dramatics club.  
Offices: Treasurer of Dramatics Club.

Name: Betty Robbins.  
Ambition: To be a singer.  
College: Wayland.  
Likes: Friendly people.  
Dislikes: Measles.  
Pet Peeve: Two-faced people.  
Organizations: A Cappella Choir, Dramatics.  
Offices: None.

### Try The Want Ads

## Glee Club Sings At Panhandle Towns Last Week

By EARLENA PHILLIPS

The halls of HHS were rather quiet Wednesday week. The entire 82-voice Glee Club traveled to Bovina High School to present a program.

On the road again we were headed for Springlake. We feasted in the cafeteria of Springlake High School. At 2:00 we presented the program to the entire school.

The same program was presented at both places. It included "Stouthearted Men," "In A Monastery Garden" by the entire chorus; The sextet sang "Peggy O'Neil" the A Cappella Choir sang "Beside Still Waters" with the solo by Thomas Botsford, "My Task," "Bless This House," a little variety on the program was a harmonica solo by Thomas Botsford, "Navajo Trail," some skits were given for the operetta, "The Sunbonnet Girl" to be presented May 12. The closing number was "The Holy City" by the sextet and entire chorus.

We enjoyed our trip and hope that next year another even greater can be made.

## Only Fish Can Eat Like This On An Annual Freshman Picnic

By MARGARET SEXTON

About 80 freshmen met at the schoolhouse Friday afternoon and climbed aboard two semi-trailer trucks, settled themselves in a pile of hay and drove to Jaycee Park. They entertained the townspeople by singing songs as they drove through the streets.

After they reached the Park they all jumped off with plenty of whoops and yells. Mr. Garner displayed his artistry in camp craft by lighting the fire while the groceries were unloaded. One poor rabbit dared to stick its head up and was floundered and chased so quickly it forgot which way to run.

The kids found some long sticks and straightened out coat hangers and loaded them with wienies. It seems that some people like their wienies rare and some like them well-done, depending on their place around the fire.

Down a little way from the fire was the drink table. Step right up folks! Take a bottle of pop—orange, grape, Coke, pepsi—anything you want.

The barker hadn't counted on everyone's rushing. No one waited for the last call to supper.

**Usual Dessert**

On a wienie roast, the dessert is always, of course, toasted marshmallows, and tonight was no different. The long sticks were put into action again and some of them needed re-enforcement after the marshmallows were put on them. Even after being burned to a crisp they tasted wonderful.

To digest your supper properly, fast action is required. This was supplied by a lively game of Blackman. Even the fastest runners are supposed to be caught once, but in this game there were one or two who were never caught. There were a few casualties, such as when one of the girls was tackled, and propelled several feet in loose, muddy dirt or when two of the boys running full speed, collided head first.

All good things must come to an end sometime, so the kids climbed on the trucks, with Mr. and Mrs. Garner on one truck and Mrs. Dettman on another. Everybody shouted good-bye to everybody else and we started the trip home. One of the trucks

hadn't gone far when the lights blinked out. After trying to unsuccessfully to repair them, the crowd decided that the only thing to do was to walk back to town. So they walked merrily down the road and home. The other truck made it safely back to school where the class disbanded and went their separate ways.

## Personals

Mr. and Mrs. Robert Wagoner will visit with Mrs. Roy Moseley in Hobbs this week end.

Mrs. Lois Dodson and Mrs. Dennis Barnard are in Pampa to visit with Mrs. Barnard's mother. They left Monday.

Mrs. Mary Angelo, Kiowa, Kansas, visited several days recently with her sister-in-law, Mrs. Marie Angelo, and Mr. and Mrs. Clay Angelo. The visitor was on her way home from California.

## Communism Is Unwanted By Young America

By EARLENA PHILLIPS

If you were to make a journey through our high schools, colleges and universities, you would find the majority working their way through school. There would be lively, energetic young men and women—full of dreams for the future—dreams of medicine, of law, of science, of vast unknown worlds to explore and conquer. In each of them you would find a spirit of competition. That love of getting ahead, increased by every sport, cannot and will not be easily subdued. American sportsmanship is a wonderful thing. Americans love fairness, both to themselves and to others. They will fight to defend it. The blood that flowed through the veins of their ancestors still flows with equal vigor in the modern "Thomas Jeffersons." That which England could not conquer is still alive. No, we as American youth will never be ready for Communism.

Virgie Lee Sparks is out of the PMA office on a well-earned week's vacation, according to the rest of the girls. She'll be back Monday.

## Seniors Looking Back These Days

By Whiteface Staff

We seniors, looking back at our first years of school, remember the quarrels that we've had, the many friends and all the happy hours that were spent in school. Then as the years go by, we recall the memorable night that we were graduated into high school. Our hearts were filled with happiness. To think that we were a part of Hereford High.

Then, too, we remember the times we have wished we no longer had to go to school. As these thoughts enter our minds our heart-beats quicken, for the day of graduation is quickly arriving.

As we think of these things, we wonder how many of our friends, we will meet out in life. Then, these questions appear in our minds—will we be forgotten by those with whom we have associated all these years? Will we be remembered as a part of our school?

Then a thought of consolation comes into our minds. We remember the fine group of students who have graduated from HHS before us, and realize that when we join this large group known as exes, we will be received with a glad welcome by the students of HHS.

## Possible To Wait And Be Left Out

WHITEFACE STAFF

"Everything comes to him who waits" is an old proverb; but who has time to squander waiting? The person who achieves success or happiness is the one who goes out after it.

If you feel left out of things it might be your fault. Do you always wait for the other person to say "Hello" first, while you look off into the distance at an imaginary friend?

Do you ever try to make friends with slight acquaintances by catching up with them on the way to school, or in the halls and walking with them?

The world, your own private world, is making progress, taking steps, and having fun. Others are busy and won't worry about you if you don't make a friendly effort to be one of the "gang." They won't seek you out, go, meet, and talk to those around you.

"Everything comes to him who waits," but remember, "I'm a and Tide wait for no man." Take your choice. If you don't want to be driftage washed up on life's shores, it's up to you to carve your own niche in the world.

## Personality Quiz

A well liked guy.  
Has last name of town in Texas.  
Helped a lot of people in the fall.  
Won't be around next year.  
Born in Hereford, Texas.

Has name that is same as part of car.  
Has beautiful black hair and brown eyes.  
Bids noontime between two people.  
Born January 17th.  
Can really twist a stick.  
This will be the last personality quiz for this year. Thank you for your interest. Watch next week's paper for the answer to this week's quiz. The answer for April 28 issue is Gene Walker.

Isolation didn't pay China and it didn't pay the United States; why try it again?

A judge, sitting on the bench, has no more sense than the same man, sitting on a chair.

The cost of supporting modern families probably explains why they are smaller in size.

# STAPP

## Chiropractic Clinic

Corner 3rd & Main Phone 128

While the wide scope of Chiropractic is amazing to the uninitiated, we do NOT recommend Chiropractic as a CURE-ALL. Chiropractic is effective in those cases only where the cause is found to be defective in organic energization due to spinal misalignment (subluxation.) Most all of our cases are those that had previously resisted ordinary methods of healing. Our examination is designed to eliminate those we cannot help.

**NOTICE**

Case histories published here are from the files of Dr. Le M. Stapp in Austin. They are displayed here to show the extent and scope of Chiropractic.

### SCIATIC RHEUMATISM

CASE NO. 2392: A man, age 55, came to the clinic complaining of pain in left leg, gas in stomach, a drowsy, dizzy-headed feeling; dull headaches backaches nervous shaking in left side, and low blood pressure. A spinal analysis and spinal X-rays revealed a nerve interference. Adjustments were begun and in time he reported all symptoms gone and that he was feeling fine.

### LOWER BACK PAINS

CASE NO. 136—Man, 32, complaining of back hurting for several months, could not do his work as a mechanic. Was advised to go to hospital for an operation. The Spino-graph Analysis showed the cause. The Chiropractic Health Service removed the cause. Patient has been well since November 10, 1948, doing hard mechanic work.

### SINUS TROUBLE

CASE NO. 1186: This case is a lady, age 49, who had a history of 6 years of sinus trouble and hay fever, pains in right side of neck and shoulders, rheumatic pains in knees, tired back, pressure feeling in stomach, dizziness and nervousness. After going the rounds of doctors and remedies, she finally came to the Chiropractic clinic for spinal examination. After the spinal analysis and spinal X-rays located the cause of her trouble, spinal corrective adjustments were begun to realign and remove interference in nerve wave frequencies which restored normal function to the entire ill-functioned body. Upon discharge, this patient reported no symptoms of any kind remained. The body contains everything necessary for health if its forces are free to work efficiently.

**OFFICE HOURS**  
Mon.-Wed.-Fri., 9-12-2-5  
Tues., Sat., 10-12  
Closed—Thurs., Sun.  
Phone 128 for Appointment

### NEURITIS

CASE NO. 1216: A lady of 39 years complained of irregular periods, right side pains, bad cramps for two days a month, severe headaches before and after, dizzy spells, low back pains, bladder pains, neuritis in shoulders, and sinus inflammation. She came to the Chiropractic Clinic for her headaches because a patient had recommended it for that complaint.

spinal analysis and spinal X-rays indicated defective energizations of the pelvic area and subluxations (misaligned) vertebrae in the neck causing spinal cord interference. After a few months she was amazed to discover her female trouble and other complaints had vanished with the headaches. An operation had been recommended. It is not necessary now, for she feels perfect in all respects.

### LOW BLOOD PRESSURE

CASE NO. 2013: A young mother, age 32, after being treated three times a week for a year without results, came to the Chiropractic clinic complaining of a pressure feeling inside her head. "Feels like the top will blow out," she said, "then it will tch and tingle, and then my entire back tingles painfully. Nose stops up all the time. Eyes burn and feel sore above them, and the back of my head and my neck feels sore. I feel tired all the time and have weak spells. Have frequent colds, dizzy spells, indigestion, gas bloating, constipation, and low blood pressure. Generally speaking," she said, "I've been sick most of my life." The spinal examination and spinal X-ray located a spinal subluxation. It was corrected by adjustment. When the patient was discharged, she said she felt well, full of life and had not a single complaint remained.

### ASTHMA

CASE NO. 481: A lady, aged 31, weight 87 lbs., suffered with Asthma for six months following a severe attack of influenza also complaining of chills, aching in body, hay fever, nervousness, female trouble, pressure feeling in lower abdomen, and pains in right ovary extending up to ribs, in bed several days a month, frequent colds, dizzy spells, rapid heart, low pressure, under continuous care of family physician and getting gradually worse all the time. Although advised against chiropractic she feared she would die unless she did something different, so she came to the Chiropractic Clinic for a spinal analysis and spinal X-rays.

She began her fight back to health under our care. She now keeps her home, cares for her children, holds a job in business, weighs 120 lbs. and is free of symptoms. She continues periodic check-ups, to remain well for she never wants to lose again that glorious feeling of being healthy and full of life.

### IRREGULAR PERIODS

CASE NO. 879: A lady of 28 years had not felt well for three years suffered with back pains, catarrhal dripping in throat, irregular periods and bad cramps, and would grind teeth at night. She came to the Chiropractic clinic where spinal nerve analysis and spinal X-rays disclosed an old neck injury causing nerve interference and defective energization of several areas of body. Corrective adjustments began to restore alignment, removing nerve flow interference and patient was prompt to report a feeling of general good health.

Few Slight Irregulars

Extra thick, extra large, extra absorbent terry weave bath towels. Colorful stripes, checks and solid colors. At sale prices at the height of the season. 20x40 inch. Few with slight imperfections.

## Homer Fox Says: DID YOU KNOW.....

Thursday afternoon about 3 P. M. an old boy came in and said, "If you will step outside and look about 20 feet above Furr Food store, where the dust is the thickest in the sky right now, you will see a bunch of prairie dogs digging just to beat the dickens." I didn't look because this old boy is an honest and serious man and I am sure he saw the dogs.

I do wonder though if those babies were digging for water. If they were they sure had a long way to go—anyway I am going to wait until I see Kelly Gray, as he knows all about prairie dogs digging for water and I am sure that this is not new to him.

Oh well, anything can happen here in May. I remember thirty-three years ago this Saturday, May 6th, we had a 12-inch snow. All the trees were leaved out and cherries were as large as the end of your little finger. It was about all gone the first day and didn't

hurt too much for freezing. Snow flakes fell as big as a dollar (1917 dollar and not 1950)—sure was a pretty sight.

I even remember we beat Vega playing ball one time in May (I think)—can't remember the year, though.

I remember another thing that happened not too many years ago in May. Joe Bishop pulled a low life trick on Fred Pitner. It was a clear, hot, beautiful day. Joe and Fred decided they would go down and try their luck on the creek. Fred is a pretty fair artist with a fly rod and Joe is pretty fair with a casting rod. Fred gets all set with his flies and started to work on the stream or anything that wanted to tie into his casting. Joe rigged up and sneaked down the creek, slinging a plug at any Bass, Bull Frog or Bull Head. He thrashed around about an hour and worked his way back to where Fred was.

Fred has caught several bearm and was working just as hard as a man could be, he didn't hear Joe or anything else. He didn't know that any one was in a mile of him. Joe sneaked up behind Fred and heaved a rock about the size of your hat into the creek and yelled as loud as he could. Fred jumped about four feet high and set his hook automatically for at least a ten pound fish, about that time Joe let loose with that laugh of his—you could hear him at Umberger. The only reason Fred didn't bounce a bunch of bullets off that ivory dome of Joe's, was simple—because he didn't have his gun. Joe is still buying Cokes and cigars on that deal. "Yep, anything can happen in May here—it rained one time."

Mrs. E. A. Herr attended the wedding of her nephew, Norman Luke in Shreveport, La., April 29. Mr. Luke is from Munster and married Miss Evelyn Schafer of Shreveport. Mr. Herr returned to Hereford with her sister and husband. Mr. and Mrs. Joe Luke who visited here until Sunday. On their way back from Shreveport they stopped in Lubbock to visit with Mrs. Herr's son, Wilford, who will graduate from Texas Tech the last of the month.

## Flower Show Opens Today

The annual spring flower show sponsored by the Deaf Smith County Council of Garden Clubs will be open to the public today. The show will be held continuously from 2:30 to 9 p. m. in Hotel Jim Hill.

Non-members of the clubs, which make up the council, are urged to enter the show either with named or unnamed iris.

The theme chosen for the show is "The Iris Rainbow" and long study and practice will enable the club members to carry out the theme in arrangements best suited to display the unusual beauty of the flowers.

The iris, named for the ancient goddess who acted as messenger for the gods, is one of the most beloved flowers in the Southwest. Many of the varieties will probably reach their peak this week and many iris lovers will find the show a splendid opportunity to make selections for their own gardens while they can see the plants in flower. Visiting the show will also help the grower to choose the colors that will best fit into individual garden harmony and they can also determine time of bloom.

According to advance plans the show promises to be one of the most beautiful and artistically arranged affairs ever sponsored by the group. Mrs. O. G. Hill is council president and Mrs. Jim Black is general chairman for the show.

Sponsored groups under 12 years will be able to see the show for ten cents. Others may see the show for 25 cents for children and 50 cents for adults.

## The Law-You

By BOB KIRK  
County Attorney  
Lamb County, Texas

**DO YOU KNOW** whether or not the one receiving a check may legally fill in the blank spaces in the check?

If the blank spaces were left intentionally, with the understanding that they would be completed in a specified manner, or were an oversight as to a material part of the check, or other negotiable instrument, the person in possession of the instrument is presumed to have the authority to complete the instrument by properly filling in the blanks.

**DO YOU KNOW** which is most important on the check, the numerals or the words stating the amount of the check?

Where the check has the amount due set out, both in numerals and in words, as is usual and customary, if there is any variance or discrepancy between the two, the Courts will look to the words to determine the intention of the maker of the check, as to the amount payable by the check. Many people glance only at the numerals on the check, setting out the amount of the check, and accept the same, without reading the amount as written in words. The check as a whole should be ex-

amined. It is not necessary to go as strong as one merchant did who placed the following sign in his store "NO CHECKS CASHED. NOT EVEN GOOD ONES," but you should begin to be more careful about accepting checks, without adequate identification. The banks won't cash checks without adequate identification, why should you?

(For further information on these matters, see your local attorney.)

## Wyche HD Club Meets In Newsome Home

"The only safe way to can vegetables is under pressure," stated Mrs. Tom Draper, CHDA, in her demonstration of canning fruits and vegetables for the Wyche Home Demonstration club Thursday afternoon in the home of Mrs. G. W. Newsom.

Mrs. Raymond Paetzold presided when guests were welcomed and invited to join the club. Mrs. Ira Ott gave the council report and Mrs. Raymond Paetzold gave reports. The next meeting was announced for May 18 in the home of Mrs. N. G. Elliston. A special demonstration on making corsages will be featured.

Special guests present were Mesdames Leo Forrest, J. E. Springer and Albert Frye.

Members attending were Mesdames Jim Cross, John B. Grimes, W. C. Quattlebaum, A. E. Jury, W. T. Kelley, Raymond Paetzold, W. T. Carmichael, Tom Draper, G. P. Walker, N. G. Elliston, Curtis Traweek, J. C. Pickens, C. R. Dameron, George L. Olson, Ira Ott and the hostess.

Among the Hereford people attending the Stan Kenton concert in Amarillo Sunday were Jack Kassahan, Barbara Burney, Mr. and Mrs. Frank A. Gyles, Jr., Mr. and Mrs. Dennis Baker and Myron Morgan.

Mr. and Mrs. Marion Baxter, Borger, Tuesday visited briefly with Mr. and Mrs. J. E. McCathern. The Baxters were on their way to El Paso.
