

AROUND TOWN SIGHTS, FACTS SEEN

Jack Renfro says the 2,700 to 3,000 acres of potatoes planted around here "look very good." However, he says they have run into a new bug that is giving them trouble this year. It is the Darkening Beetle that starts cutting on the plant shortly after the vine comes up. Then he says you won't even know it was in there until a strong wind comes along and 40 or 50 vines fall over. He added that the onions look good, too.

Sim Kelly of the Amarillo Kiwanis Club will discuss "Kiwanis Background" at the Hereford Kiwanis meeting in Hotel Jim Hill at noon today.

The Hereford News Stand has been reopened under the management of "Sully" Sullivan. Sullivan said Tuesday it wouldn't be closed again.

They are having open house at the new Cooke Clinic across the street from the swimming pool. Saturday to show the unique prefabricated concrete construction of the building.

Mrs. Aubrey Smith, Hereford B&PW club delegate and daughter, Junanne, returned from the National Federation of Business and Professional Woman's Clubs convention in Austin Sunday. 713 attended the convention which started Friday.

The Gamesville Circus is coming to Hereford June 2nd and 3rd. Proceeds will go to the local Polio fund, to the Amarillo Crippled Children's Council and Cerebral Palsy clinic. Tickets are on sale at Halle Drug, Close Drug and the Brand.

The circus is famous for the aerial acrobats who perform in it.

We had the teacher of the first graduating class from Hereford High School as D. W. Hodges in the Sunday Brand, but it should have been D. W. Hawkins. Mrs. Hawkins says her husband graduated the first two classes and they organized the alumni in their home. For once we have a good alibi though for being wrong. The picture of the class was an old one and whoever wrote the article for it when it was first used made the mistake. Of course it didn't help for us to repeat it, but we did.

Parcel Post service was temporarily suspended in Hereford Tuesday and Wednesday before additional funds were made available by the Post Office Department to run the local service through the rest of the fiscal year to June 30. Postmaster Jim Lipscomb said Wednesday. He said they shut down Tuesday when the money ran out and will start again today since more money has been made available. The local office was the only one affected.

Mrs. J. J. Boydston again reminds everybody that the County Library in the courthouse will be closed Saturday afternoon and every Saturday afternoon from now on until school starts in September.

Fire Destroys Home On Ira Scott Ranch

Fire, following an explosion apparently caused by a butane cook stove leak and the pilot light on the kerosene refrigerator, destroyed the Hardy Harris home early Tuesday morning. Mrs. Harris and four children escaped through a window.

The four-room frame house was owned by Ira Scott of Hereford, and was located 20 miles south and west of Adrian. The house and Harris household goods were completely destroyed. The explosion occurred about 2 o'clock Tuesday morning. Mrs. Harris and the children went to the E. K. Pinnell house for help, but by the time anyone could get there, everything was destroyed. Mr. Harris and two older boys were in New Mexico working on a ranch.

Funeral Held For Charles Troxell

Funeral services were held Wednesday afternoon for Charles J. Troxell, 71, who died Tuesday in Deaf Smith County Hospital. Rev. Roy Bickford conducted the final rites in the Hereford Church of Nazarene.

Mr. Troxell was born July 30, 1879 in Tipton County, Indiana. He married Lillie Gehres December 25, 1900 in Indiana.

A retired carpenter, he came to Deaf Smith County from Lubbock in 1931.

Survivors include his wife, Mrs. Troxell, 69, and one son, Paul Troxell, of Hereford; four daughters, Mrs. Leona Packard of Springlake, Mrs. L. N. Blevins, Lubbock, Mrs. R. E. Greathouse of Hereford and Miss Dorothy Troxell, Hereford.

Eleven grandchildren and six great grandchildren also survive. Active pallbearers were Ralph Packard, Charles Packard, James Packard, Donald Packard, LeRoy Packard and Troy Cook.

Interment was at West Park Cemetery under the direction of Gilliland Funeral Home.

Dr. Wills Will Study Ten Days In Dallas

Dr. R. R. Wills, who rejoined the staff at Hereford Clinic May 9 after spending eight months in New York studying specialized courses in urology, will leave shortly for Dallas where he will continue his study at Baylor Hospital.

Dr. Wills said his Dallas stay will not be more than a week or 10 days. While there he will also learn the proper exercises recommended for spastic children which he will advise the instructors at the Hereford Municipal Swimming Pool. They plan to put them to use this summer during their swimming lessons. Date of departure for Dallas has not been decided by Dr. Wills.

The Weather

Sunday—High 75, low 52.
Monday—High 82, low 52, moisture 18.
Tuesday—High 85, low 53.
Wednesday—High 91, low 60.
Total moisture for May—62.
Total for 1950—1.13.

QUESTION of the WEEK

The Bootleg Philosopher Sunday said there should be a system of pay set up for under time to employees. What do you think?

Mary Helen McGilvary: It might be a pretty good idea. Some employees work very hard, sometimes, trying to figure out ways to get out of work. They use their brain very much in this way and they should be paid for their efforts. I think I am in favor of it.

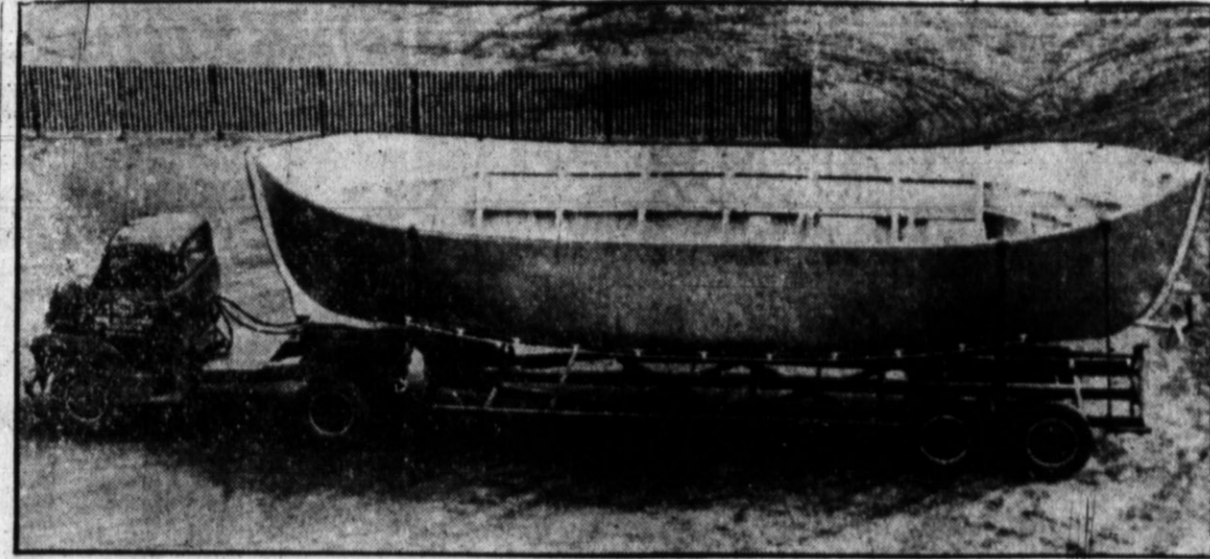

Mrs. A. L. Manjeet: I'm afraid we wouldn't get much done under that suggestion. We wouldn't accomplish much because everybody would be wanting to take off. Not very much of the Bootleg Philosopher's articles indicate any thought, anyway. He would like this deal though, because he is always sitting around and letting his wife do all the work.

Mrs. Ervin J. Robinson: I don't know about that. I don't see why a person should be paid for time he doesn't put in. Overtime is different. But if a person doesn't earn it, I don't think he should be paid for it.

Mrs. Mitt O'Rear: I don't believe in paying a person for what they don't do. That would be just like a gift. I don't believe in gifts to people who can work. I do think people should be paid for their overtime and for their work they do.

Mrs. Lloyd Niell: That is an odd question. I really don't know. I don't think a person's pay should be deducted from for the time he doesn't work if he is working on a straight salary. Of course, if they're working by the hour, they just don't get paid. I really don't know.

Mrs. E. L. Roots: I don't read Bootleg Philosopher too much. I think the question he has in mind would depend on many things. Of course, if the under-time were of the employee's own choosing, he shouldn't be paid. If he can't help it, he should be paid.

LIFEBOAT, "KING SIZE"—It took a powerful trailer truck to haul the world's largest lifeboat from Point Pleasant, N. J., where it was built, to Quincy, Mass. Installation aboard the luxury liner S. S. Independence, as it neared completion. Measuring more than 36 feet in length with a beam of 12 feet, the lifeboat was designed to carry 150 persons. Its manufacturers are supplying two others of the same size, outfitted with radios and gasoline engines.

Hot Rod Racers Have Thrills

Hereford Body Rebuilders had one of their biggest weeks this week trying to keep up appearances.

Their "Hereford Special," hopped-up hot-rod built in Hereford by Hereford builders, suffered so many aches and pains last Sunday at the Hot-Rod Races in Littlefield, it was doubtful for a while whether it would recover in spite of a lot of transfusions.

Tommy Crumb and Le Roy Cuppell have faith in "Special," though. Part Ford, part Plymouth, it will top 100 miles per hour on the straight-away and will spin its wheels at 60 with power with an 85 h. p. 1941 souped-up Ford V8 engine. It owns a 1933 Plymouth body. Parts of '34 and '37 Fords are mixed thoroughly throughout to give it likenesses of a sick flying saucer.

Driver of the "Special" is hamster raiser Bill Stewart. Last Sunday at Littlefield, although he was driving the fastest car

on the track (the owners say) he failed to finish any of three races.

10 Lap Nightmare

The first race was a 10-lap nightmare and Bill was round the far corner of number seven when he got hit by another racer. Main loss—a busted radiator hose which was fixed in a jiffy simply by wrapping a piece of black tape around it. It is still there, all taped up.

The next race consisted of 10 laps around. Bill was on lap five when the water pump couldn't stand it any longer and blew up. That made it two races and nothing to show.

But the Main Event has a story behind it. Cupell says, "Bill started in number eight place. They let them go in pairs and we were in the fourth pair, on the outside."

Gunning Along In Second "At the end of two laps, Bill was gunning it around the course in second place. He held this position until the seventh lap when another car turned over. We got the red flag and when that happens, everybody is supposed to slow down and hold their positions."

"Two cars passed Bill, and at the end of 13 laps, they decided to start the race all over again. Bill started in eighth place again. Only six laps passed before another racer hit our car in the right rear wheel and ruined it. "But Bill, pulling hard for a

winner, kept the race up with a wheel that threatened to come off any time. If it had, things would have been rough. The broken wheel looks like a warped pretzel.

Turned Car Over

Not satisfied with the trials of a relatively tame day at the races, Stuart decided to have one more fling. He agreed to turn a car over, on purpose, for the crowd. He did and it came out alright.

"He made more money turning that car over than he did driving the race," LeRoy said.

Next Sunday, Bill wants to crash head-on with some other driver. And, if part of the crowd didn't see him turn that car over last Sunday, he'll do it again next Sunday.

LeRoy Cuppell and Tommy Crump says the car will go Sunday again. They are out for some of the top money. They say they will try some of the bigger races if they can come out Sunday. They figure their car is the fastest and prettiest in the Panhandle, and they have hopes of burning up the dirt on Lubbock and Clovis tracks.

Right now, it is in pretty sad shape. The only instrument is a single oil pressure gauge. One seat, a steering wheel, clutch and brake pedals, and a gas feed round out the driver's aids. The safety belt comes under precautionary measures. And it has a flat on the right rear wheel.

American Legion Junior Baseball Team Gets Going

Hereford Junior American Legion baseball will tentatively open for local fans Friday night, June 2, with the Hereford nine going against Portales on the Vet's diamond.

Joe Smith, who managed the Junior Legion team last year, and Blue Turpin, American Legion Post athletic director, will steer the youngsters this year. They are starting minus seven members of the team that defeated Stratford in a three game series for the District championship and then lost to the Lubbock Legion team in the bi-district series.

Coch Smith says he has some good replacements however, and they will be after another title this year.

He lost Leonard Walterscheid, Jack Hennen, Bill Engman, Pat

Corbett, L. T. Hawks, Bob Paterson and Tommy Albracht. Kenneth Brock and Johnny Boyce, a southpaw, will handle the pitching chores for the squad this year, Smith said.

An incomplete roster this year includes Terry McRight, Tommy Culpepper, Tim Corbett, James Walterscheid, Johnny McBroom, James Alston, Pat Kerr, Bruce Bybee and the Albracht brothers.

The schedule has not been completed but games will probably be made with Plainview, Clovis, Vega, Tucumcari and other towns in this area with High School or Junior Legion teams.

The squad has been working out for about two weeks and has a little more than a week left to prepare for the season's opener.

TIERRA BLANCA SCD

Weed Control Specialist Will Speak Here June 5

At a regular meeting of the Supervisors of the Tierra Blanca Soil Conservation District on Monday, May 22, it was decided to invite Mr. R. D. Hamilton, weed control specialist from the Amarillo Experiment Station, to speak at a weed control meeting to be held in Hereford Monday night, June 5th. This meeting will be sponsored jointly by the District Board of Supervisors, Mal Stewart, Chairman, and County Agent Hugh Clearman. Further notice will be given of the time and place of the meeting, according to W. M. Stewart.

Others present at the meeting were: T. W. Roberson, Phillip Miller, C. F. Rickles and Carl Wimberly, Supervisors, and Bill J. Clutter, District Conservationist.

There was considerable discussion as to the routing and operation of the heavy equipment of the Deaf Smith County Wind Erosion District, whose affairs are still managed by this Board. Complete soil and water conservation agreements were approved for Tom Carter, and A. E. Acton, F. L. Alexander, J. F. Nix, of Lubbock, Messrs. Hoyt and Smith of Hobart, Oklahoma. All these are irrigated farms and complete systems of irrigation water application have been laid out on them.

Operator Ronald Matthews has recently finished some grader and leveling work for Claude D. Goldsmith, Chas. E. Hood, and Jim Higgins. He then installed new links, pins, bushings and bearings on the tracks of the cat tractor and the machinery is back in operation on the O. G. Hill farm south of Hereford.

Record Corn Acreage Planted In County

Good results from tests conducted last year and the nearly complete wheat crop failure, have gone a long way towards encouraging Deaf Smith farmers to plant an all-time high acreage in corn this year County Agent Hugh Clearman said Tuesday.

According to the amount of seed sold by Packard, Grant Anna, Bradley Grain Company, West Texas Feed and Seed and other sources, more than 4,000 acres have already been planted in corn, Clearman said.

He says farmers are using a lot of Texas 20 which produced the best results in a test conducted on the Orpha Click place last year. Other varieties being used include the Texas 24, 26

and 28, United Iowa 57, the De Kalb varieties and F. G. 716. Click in particular is planting some of the latter variety.

Planted Earlier

One difference between this year and last as far as the experiment is concerned is that most farmers planted about two or three weeks earlier. Clearman says it remains to be seen if there will be any appreciable difference in yields because of this. Hot weather about the time matures might possibly hurt it, he said.

He also said "corn requires quite a bit of rain, at least a little more than grain sorghums. But corn should fit into rotation in good shape as far as this area is concerned."

Farmers should keep a constant lookout for borers, he warned, adding "they can be poisoned if discovered in time."

Several farmers are planting more than one variety in an effort to determine the best. Some are planting on land following lettuce and others are putting down fertilizer with it, the County Agent said.

Market Should Be Good

Last year's corn growers found a ready market in nearby feed lots and there is no apparent reason the same shouldn't be true again for the 1950 crop. There is also a 70 per cent of party support price on corn if needed. Clearman said most of the corn that isn't used in feed lots in the immediate area will probably be used as feed by the individual farmers. Some will possibly be shelled and shipped out.

Although the poor wheat crop which has been mostly plowed up, being grazed or is in the process of being plowed up, helped raise the corn acreage, all indications were for a record corn planting in the county, anyhow.

Results on the Orpha Click demonstration patch last year were as follows:

- Funks G No. 711, 4 rows, 2,280.
- Funks G No. 715, 4 rows, 2,500.
- Funks G No. 716, 4, 4 rows, 2,800.
- Funks G No. 788 WF, 4 1/2 rows, 2,640.
- Funks G No. 789W, 4 1/2 rows, 2,700.
- Texas 20, 12 rows, 8,480.

Lions Club Ladies' Night Produces Lots Of Laughs

Wives of Hereford Lions were elaborately feasted and entertained Tuesday night when the civic club members honored them with the annual Ladies Night Party and buffet supper at Hotel Jim Hill.

Approximately 180 were assembled for the occasion which got off to a good start in Bob Lawrence style as he directed new songs and led "America" followed by the allegiance to the flag.

Dr. L. B. Barnett, vice president, served as Boss Lion for the president, Lyle Blanton, who was just out of the hospital. Rev. Roy Ford gave the invocation and Sam Nunnally, program chairman for May, was master of ceremonies.

Staid business men found themselves embarrassed during the dinner by the attention of a fashionably dressed person who was later introduced as Miss Rose Petite when she entertained with clever mimicry, giving an intimate dressing room scene in a lady's boudoir. By the time the men's faces had returned to their natural color, Miss Petite was identified as Lion Ray Coneway.

Barber Shop Quartet artists, The Squeaky Door Four, of Pampa, got a big hand with tuneful songs and dramatizations as did Weldon Bright of Amarillo, organist, who entertained throughout the evening. Those making up the quartet were Dudy Schultz, Red Wedgeworth, Bude Balthrop and Mack Hyatt.

Purvis Williams, Jr. entertained with several cornet solos with Mrs. Bob Lawrence at the piano. Sweetheart of the Lions, created excitement with cries of pain when she approached J. W. Robinson, incoming secretary of the club, to deliver a private message and he pinched her. He was promptly handcuffed by Sheriff's department after being arrested just inside the city limits on west highway 60 for driving while intoxicated.

DWI charges were filed against Bauer in county court Monday. He was released from jail Monday after pleading guilty and paying a fine of \$100 and costs, totaling \$129.30.

Alex J. Bauer Is Fined

Alex J. Bauer, Hereford, was jailed Saturday night by the Sheriff's department after being arrested just inside the city limits on west highway 60 for driving while intoxicated. DWI charges were filed against Bauer in county court Monday. He was released from jail Monday after pleading guilty and paying a fine of \$100 and costs, totaling \$129.30.

Start Work On Parking Areas Around County Courthouse Monday

Women started tearing out sidewalks and curbs on two sides of the county courthouse Monday as the first step in widening Sampson and Third Streets with parking areas on the west and south sides of the block.

Judge Leonard Foster said only two sides will be widened at the present time but that the north and east sides will be widened, eventually. The extra space will relieve the parking problem in the downtown area, Foster added.

Work started after the county commissioners meeting Monday.

Work started after the county commissioners meeting Monday.

Work started after the county commissioners meeting Monday.

GETTING "SENTRY-MENTAL" OVER VIEW — American tourist Steven Ketchum, age 2, finds this colorful Buckingham Palace entry an ideal subject for his scrapbook to reminisce over his pleasant vacation days in London. As for photography, Steven says, "It's really a snap."

Swimming Pool Opens Saturday Afternoon

All they have to do is dive in says Municipal Swimming pool manager Bud Brady, "and the pool will be open Saturday afternoon."

However, it will be a little more formal than that, according to present plans. Brady plans to have someone make a very short speech and then jump in the pool to formally open it for the season—at one o'clock.

He said swimming classes will start Wednesday and anyone interested better make it known soon because the classes are almost full.

Several special activities are tentatively planned this summer, including an exhibition by Bobby Browning, National AAU, 3 metre board champion, and others such as Baby Show, penny scramble and fish scramble.

Two Fires Bring Out Firemen During Week

Hereford Fire Department answered two fire calls this week.

A cow barn, firemen say, belonging to B. Brinkman, caught fire Monday and partially burned before firemen could reach the scene, about three blocks outside the city limits on the extreme north end of E Street. No estimate of damages or cause of the blaze could be given by the fire department. The owners were not at home at the time of the fire.

Tuesday afternoon, a chicken house in back of Downey's grocery located on Highway 51, four blocks north of Park Avenue, burned. Firemen declined to estimate damages but said probably the blaze was caused by a trash fire.

Cancer Drive Is Still \$370 Short Of Quota

Mrs. V. O. Hennen Tuesday said the 1950 Cancer Crusade is still \$370 short of getting all the money in on their quota. She is county chairman of the drive.

"We'll just have to keep on trying on this thing because it is a request which just has to be met," Mrs. Hennen said.

Quota for Deaf Smith was set at \$800. Mrs. Hennen said contributions have slowly boosted the total to around \$430. It was decided to not set up booths in the banks and postoffice because of the thorough coverage of both residential and business districts, Mrs. Hennen said.

"Maybe we should because some farmers haven't been contacted," Mrs. Hennen said. She said Hereford churches were requested to mention the drive in their services last Sunday.

Commencement Exercises Fnds Adrian Activities

Adrian schools ended 1950 activities Wednesday night with commencement exercises for both High School and eighth-graders.

Eighth-grade students receiving certificates of promotion from grade school to high school were Mary Gruheey, Lyla Mae Bronnman, Marilyn Jane Worsham, Arlen Alexander, Billy Don Brown, Moran Pounds, Arthur Jewett, Bobby Allen, Billy Sifford and Billy Mack Briggs. Billy Don Brown was honor student of the class.

High school graduating class is Jimmy Don Voyles, Robert Jacobsen, Charles Banks, Bailey Reece, Earl Roberts, Wesley Perry and Dorothy Wagner. Jimmy Don Voyles received a scholarship which will pay half of his tuition at any state college in Texas. He was valedictorian and Robert Jacobsen was salutatorian.

Report on Finances
Weldon G. Reno, superintendent gave a satisfactory report on one phase of the financial standing of the school.

"While some other schools of the same size as ours have lost as much as \$3,500 on state-paid transportation due to absence of pupils, our school lost only seven dollars this year," Reno said.

Perfect attendance awards were presented to a record number: First Grade—Jerry Whitten, Linda Gruhkey and Roberta Larsen. Second Grade—Wanda Pinnell. Third Grade—Lloyd Homfeld and Betty Johnson. Fifth Grade—Max Reno, Erma Lou Jordan and Billy Gruhkey. Sixth Grade—Kenneth Homfeld, Dolores Carter and Jimmy Shaw. Seventh Grade—Nancy Johnson and Jack Shaw.

High school awards for perfect attendance were to: Jimmy Briggs, Wayne Pinnell, Minor Pounds, Jimmy Brown, Roger Gruhkey, Bob Lotspeich, Donald Pinnell, Maxine Stoneham and Jimmy Don Voyles.

MEALTIME MARVELS

BEEF CASSEROLE
One-dish meals are a joy to the homemaker. They save time and trouble in preparation and make suggestion for a splendid meal-in-a-dish that contains a wealth of food values. Try

Beef Casserole
5 strips of bacon or salt pork
3 cups (2 lbs.) beef cut in cubes
salt, pepper, and flour
1 cup sliced onion
1 1/2 cups peas
1/2 teaspoon sugar
1 tablespoon lemon juice
1 1/2 cups tomato juice
1 teaspoon Worcestershire sauce
1/2 carrots (about)
mashed potatoes

Pan fry the bacon or salt pork. Season flour with salt and pepper. Dredge the cubed meat. Brown the meat on all sides in the pork or bacon fat. Add sliced onions, sugar, sauce, Cook about five minutes. Add tomato juice. Cover and steam until almost tender. Add carrots and peas. Cook until meat and vegetables are tender. Place in casserole. Top stew with well seasoned mashed potatoes. Brown lightly in hot oven or under broiler unit. Serve hot. (Lamb or veal may be used in place of beef.)

For other tempting, nutritious food ideas, send today for your free copy of "Mealtime Marvels with Margarine", a helpful, 32-page recipe booklet in two colors. Write National Cotton Council, Box 76, Memphis, Tenn.

Jolly Twelve Meeting Is At Roy Boyd Home

Jolly Twelve Club met in the home of Mrs. Roy Boyd in the afternoon of May 8.

The afternoon was spent embroidering for the hostess. Dues are to be paid the second meeting of each month and Secret Pal names will be kept six months.

Refreshments were served Mesdames B. E. Brumley, John Hacker, John Draper, L. G. Matthews, Wes Bradley, W. N. Wiseman, Charlie Calloway and the hostess, Mrs. Boyd. Next meeting will be with Mrs. Wes Bradley June 1.

Powelson who is visiting there Tucumcari, N. M. spent the past week end here with her sisters, Mrs. Wirt Phillips and Mrs. Phil Radovich. They were in Hereford to attend Hereford High School graduation ceremonies when their niece, Bobby Jane Sisk, received her diploma.

Mr. and Mrs. Frank Ball of

graduation ceremonies when their niece, Bobby Jane Sisk, received her diploma.

George Graham, Owen Stag-

ner, Jim Allred, Bob Lawrence, Jack Kirksey will join them later in the week.

D. C. Kinsey, and Marilyn Gill-land will leave Monday for a week of fishing at Eagle Nest Lake. N. M. Frank Watson and A Liberal is always that way with the taxpayers' money.

Interesting statistics: The world weighs 30,000,000 sextillion tons. We seldom bite on "below cost" bargains.

Star-Kist is the Tuna for Me!

Star-Kist is the Tuna for Me!

Star-Kist Tuna Dimpplings

MIXTURE
Sauté slowly for 5 minutes.
1/2 cup chopped onion
1/2 cup chopped celery
1/2 cup butter or margarine

Meat:
1 cup Star-Kist
1/2 cup milk
1/2 cup milk
1/2 cup milk

DOUGH
1 package 2 cups Bisquick
1/2 cup Star-Kist
1/2 cup milk
1/2 cup milk

RECIPES OF THE STARS
Use in all your favorite recipes too. You'll get extra flavor, extra quality. You'll get extra appeal. So always buy Star-Kist. "The Tuna of the Stars!"

Tender, mild, light meat is the standard of high quality in tuna. This quality is always found in the smaller tins. It's always found in the smaller tins. Only the tender, mild, light meat—carefully packed under the Star-Kist brand.

Buy either FANCY STAR-KIST or REGULAR STAR-KIST. Both are the same fine Star-Kist quality!

Adrian WSCS Buffet Dinner Is A Success

Adrian Methodist Women's Society of Christian Service reviewed results of the buffet dinner Monday evening in Fellowship Hall.

The dinner was served in an effort to raise money to pay for chairs in Fellowship Hall which have been ordered for some time.

Blackburn Shaw Quartet furnished entertainment which was enjoyed and appreciated by everyone present.

About 107 people were served and the WSCS took in \$269.

RETURNS TO NEW MEXICO

Mrs. Don Cox, daughter of Mr. and Mrs. Leonard Click, plans to return to her home at Espanola, N. M. this week end with her daughter, Toni, after visiting a few days with her parents and relatives here.

Mrs. Cox's husband has recently been a member of the cast of a 20th Century Fox production "Trumpet to the Moon" being filmed at San Ildefonso, an Indian pueblo north of Santa Fe.

RUSSELL'S HAVE BABY BOY

Mr. and Mrs. L. B. Russell of Big Spring announced the birth of an 8 pound, 3 ounce son Fri-

day morning at Baird hospital. They named the boy, William Jerry. Mr. Russell recently took over duties as head coach at Howard County Junior College.

Mrs. E. S. Ireland, Mrs. Elizabeth Bonesio and son Mickey, Mrs. Rachael Henslee and two children and Lillian Bonesio went to Sweetwater Tuesday to visit Edgar Ireland, Jr. They will return Friday.

NOTICE OF THANKS

A note of thanks to Miss Bell, Mrs. Collier and the pupils of Central School who wrote to me while I was in the hospital.

Wayne Elliston

Sheriff Returns From Trip To Huntsville

Buddy Replogle, convicted for forgery and passing a forged check on Charley Hoover at the last session of District Court, was taken to prison to start a 4-year sentence Friday.

Sheriff J. C. Reese and Replogle left for Huntsville Friday and Reese returned Sunday.

Young Clayton is the son of Mrs. J. J. Clayton of Hereford and made an outstanding record in athletics in Hereford High School. He received his M. A. degree from NTSTC at Denton two years ago and has been athletic

coach at Conroe for the past four years.

Miss Katharine Snare left Amarillo Monday night for a six week's vacation visiting relatives in American Fork and Salt Lake City, Utah and at Midway, Calif. Her parents, Mr. and Mrs. Kent Snare took her up to get on the train.

Real service to your community requires more time than money, which you probably haven't got.

Reports are that motor vehicle traffic deaths are increasing. Be careful or you may be one of the victims.

Hereford Assembly of the Order of Rainbow for Girls will sponsor a Ladies Be Seated breakfast at the City Hall on Saturday, May 27, at 10 o'clock. Men are invited for coffee.

Prizes will be given and tickets may be obtained at the door or from any member of the Order.

Funds derived from the breakfast will go towards financing the girl's trip to Grand Assembly which this year will be held in Mineral Wells in June.

Notice from the Government: the man who discovers uranium can rest comfortably on his ores.

STRANGE CARVING DISCOVERED—In the jungles of Southern Mexico lies a huge, 15-ton stone head, believed carved at the beginning of the Christian era by an ancient people. This reproduction, now on display at the American Museum of Natural History in New York, was made by Dr. Gordon F. Ekholm, right, after the mammoth carving was discovered by Dr. Matthew Stirling, left. The original stone measures nine feet high, six feet wide, and 20 feet in circumference.

Ticklers By George

"He says he's studying up on President Truman's 'Point Four' program."

IT'S HARD TO BELIEVE... BUT IT'S TRUE!

KEM-GLO

THE MIRACLE-LUSTRE ENAMEL THAT LOOKS AND WASHES LIKE BAKED ENAMEL

Kitchen and bathroom walls, all your woodwork will shimmer like satin and be as easy to wash as your refrigerator... with KEM-GLO. Its plastic-smooth surface resists stains, scuffs, smudges, boiling water... even hot grease. Can be washed hundreds of times. Quarts and gallons in 10 colors; pints in Stay-white only.

1. One coat of KEM-GLO covers.
2. No primer, no undercoater needed.
3. Flows on freely, leaves no brushmarks.
4. Dries in 3 to 4 hours.

By Mary Lee Taylor

Spaghetti with Meat Balls

Broadcast: May 27, 1950

- | | |
|--------------------------|--|
| 1 lb. ground beef | 2 tablespoons hot shortening |
| 1/2 cup rolled oats | 1 can condensed tomato soup |
| 1/2 cup Fat Milk | 1/2 cup finely cut onion |
| 1/4 cup finely cut onion | 1 1/2 cups water |
| 1/4 teaspoon salt | 4 1/2 cups hot, melted spaghetti sauce |
| 2 tablespoons flour | 3/4 cup dry, grated cheese |
| 1 teaspoon paprika | |

Mix thoroughly meat, onion, milk, 3/4 cup onion, 1 tbsp. salt and 1/2 tsp. paprika. Shape in 16 balls. Roll in mixture of flour and paprika. Brown in hot shortening. Drain off fat; pour over meat balls a mixture of soup, water, 1/4 tsp. salt, 1/4 tsp. pepper and remaining 1/2 cup onion. Cover; cook over low heat 25 min., or until sauce thickens slightly. Serve meat balls and sauce over spaghetti. Sprinkle top with cheese. Makes 4 servings.

You will need:
Pet Milk, Spaghetti, Ground Beef, Tomato Soup, Grated Cheese, Rolled Oats and Onion.

Recital Program Set For Sunday

Mrs. Glenn Snyder will present a group of her piano students in a spring recital on Sunday afternoon May 28 at 3 o'clock in the First Methodist Church.

Two pianos will be used for ensemble numbers and solos will be featured. The program will include compositions from both classic and modern composers. All interested friends are invited to attend the program.

Those who will appear include: Sondra Rainy, Mary Ann Young, Janie Wombie, Linda Lee West, Lorette Stratus, Nancy Parsons, Denise Barnard, Bette Jean Nolan, Glenna Gault, Don Robert Crutchfield, David Brumley, Zell Crump, Carla Sue Crosthwait, Beverly Ann Eldridge, Betty Mae Grimes, Sylvia McCracken, Dick Wilson, Lloyd Parsons, Sue Barham, Dixie Young, Dorothy Veigel, Earleen Plank, Gayle Gault, Patsy Wiltahre. Ushers will be Kay Barnard and Egeria Knox. Mrs. Snyder will continue her classes through June and July.

Betty Robbins Will Present Voice Recital

Miss Betty Robbins, a member of this year's graduating class of Hereford High School, will be presented in a senior voice recital Sunday afternoon at 4 o'clock in Ward Hall of the Methodist Church by her teacher, Miss Mattie Mae Swisher.

Her program will include selections from oratorio, opera, art songs, ballads and other compositions. Mrs. Cliff Estes will be her accompanist.

Miss Evelyn Benson, advanced piano student and a former student of Mrs. Ellis Coombes, will assist on the program with piano selections. Miss Robbins, daughter of Mr. and Mrs. H. D. Robbins of the Frio Community.

Leading Figures in TCU's 1950 Commencement

GRADUATION—Central figures in commencement exercises to be held at Texas Christian University May 28 and 31 are shown above, against the background of an academic convocation in TCU's new Ed Landreth Auditorium, in which graduation activities will be held. The two featured speakers are at right and left in the top row, with TCU's President M. E. Sadler in the center. At left is Dr. Riley B. Montgomery, president of the College of the Bible, Lexington, Ky., who will be the principal speaker at commencement exercises Wednesday evening, May 31. At right is the Rev. Newton J. Robinson, minister of Hillyer Memorial Christian Church, Raleigh, N. C., who will give the featured address at baccalaureate services Sunday morning, May 28. Both will be awarded honorary Doctor of Divinity degrees from TCU. Honorary Doctor of Laws degrees will be conferred upon Miss Charlie Noble, lower left, and Lewis Ackers, lower right. Miss Noble is a long-time educator in the Fort Worth public schools and a member of the TCU Evening College faculty. Ackers, an Abilene rancher, is one of Texas' most prominent disciples of Christ. President of the graduating class is Gene Schmidt, Evansville, Ind., center below. Flanking him are the two honor graduates, both with perfect scholastic records for their entire college careers—at Schmidt's left, Robert F. Herring, Cheyenne, Wyo.; and at his right, Robert H. Padgett, Fort Worth.

Springlake Pounds Out 6-4 Win Over VFW Here

Hereford VFW batters fell before the 5-hit pitching of John Banks Tuesday night and dropped a 4 to 6 decision to Springlake on their windy, sandy home diamond.

Both Johnny Renner and Stan Barrett, Hereford pitchers, took turns on the mound trying to stem the rampaging bats of such Springlake powers as Mike Deny, who got two for two, and Carl Watson, who hit three for four.

Renner started for Hereford but was removed in the sixth after giving up four runs and six hits. Renner went to shortstop and Barrett came in to pitch, giving up two more runs in the next three innings.

Hereford scored first in the second inning when they bunched four singles and two walks for three runs. Stan Barrett grounded out to start the second and Lueb walked. Bill Howard singled to left and Onias Carroll followed with another hit through the same spot. Ross struck out and Renner singled Howard home for the first score. Wendell Burdine singled home two more

Remember... POPPY DAY—May 30th

Of America's 19,000,000 veterans of all wars and campaigns, nearly 100,000 were in Veterans Administration hospitals at the end of April. For many thousands of these, the war truly will never end. They are doomed for the remainder of their lives to remain charges of their government - grim reminders of the tragic price of war.

Remember The Men Who Can't Forget -- BUY A BUDDY POPPY!

RHAPSODY IN RHYTHM CAST—Twenty-five of the young dancers who will appear in the Friday night dance revue, "Rhapsody in Rhythm" stop during dress rehearsal for picture taking time. The youngsters are from the left (back row) Irene Witherspoon, Jackie Brown, Agatha Malone, Dorothy Williams, Joan Fowlkes, Ronnie Malone, Joan Brown, Carolyn Sue Knox, Marilyn Newell, Carol Ann Newell and Linda Hair. Standing in the front row from the left are Jimmy Fowlkes, Linda Edwards, Susie Woodford, Judy Fowlkes, Connie Kent and Judy Bradley. Kneeling, except for Royce Ann Gilliland on the front left, are Colleen Reeves, Patty Barrett, Lynda Jean Addy, Pamela Clay, Sandra Childers, Carol Kent and Jimmy Bradley. The revue will be at 8 o'clock in the High School Auditorium with Francine Washburn directing. Half of the proceeds go to the Camp Fire Girls. The Rotary Club is sponsoring the show.

ADRIAN NEWS

Parents Organize Youth Club And Plan Activities

By **MRS. E. H. MOSTELLER**, Brand Correspondent
 Mrs. Y. C. Garrison and son, John Lester, of Channing, visited her parents, Mr. and Mrs. John Proctor here from Tuesday to Friday. When they returned home, her brother, Jim, went with her to work during the summer.
 Guests in the home of Mr. and Mrs. Grady Fridmore for a week were Grady's parents, Mr. and Mrs. J. J. Pridmore of Chula Vista, California. They went in a group to Wister, Oklahoma where they visited a daughter and sister, Mr. and Mrs. Claude Morris. From there they went to Springdale, Arkansas to visit an uncle and aunt of Mrs. Grady Fridmore, Mr. and Mrs. G. P. Roberts, who were residents of this community in 1930. On the return trip, they visited another uncle and aunt of Mrs. Pridmore, Mr. and Mrs. William Johnson in Oklahoma City.
 Those from Adrian shopping in Hereford Thursday were Mrs. R. A. Grulkey and children, Mrs. E. H. Mosteller, Jean Finley and Jack Fortenberry. Mrs. Grulkey

also saw her doctor, Mrs. Gruhlkey and children. Mrs. Mosteller and Jean, visited Mrs. D. H. Mathis while there.
Organizes Youth Club
 Several of the mothers of the PTA met Friday morning at the school house to organize a Youth Club. Plans are to take the children of the club to Amarillo to the Youth Center to swim and square dance and to the skating rink to skate. Any parents who are interested in any or all of these events see Mrs. Ernest Frank at the Adrian Mercantile or Mrs. E. H. Mosteller in her home. Our first trip will be Wednesday, May 24. Children will be sponsored and well cared for at all times by parents who furnish cars for transportation.
 Mr. and Mrs. E. E. Allen returned Wednesday from Ballinger, where they attended Mr. Allen father's funeral. His father died of a heart attack.
 Mr. and Mrs. Pat Maupin and family moved Friday to the ranch in New Mexico, owned by Mr. F. M. Brown. Mr. and Mrs. C. V. Griggs moved their household furniture in their truck.

Mr. and Mrs. John Carter, Clarence and Dolores, also Mr. and Mrs. Harry Tillman and children left Wednesday to return to their home in Picher, Oklahoma. That will take two children from our school for the following year.
 Mrs. Calvin Jackson and Mrs. Jim Voyles attended to business in Vega Friday.
Attended B-B-Que
 A guest in the home of Mr. and Mrs. Henry Creitz Saturday was their daughter, Miss Henrietta Creitz of Amarillo. She was also here Monday evening to enjoy the Adrian Wheat Growers Bar-B-Que at the school house.
 Among those of Adrian who attended the Commencement exercises in Vega Friday evening were Mr. and Mrs. Henry Creitz, Mr. and Mrs. N. L. Jacobsen, Ruth Jacobson, Mrs. P. H. Gruhlkey, Esther Gruhlkey, Bobby Banks, Mr. and Mrs. Jim Voyles, Donald Pinnell, Jene Worsham and Mrs. L. A. Worsham.
 Hostess to the Sewing Club Wednesday was Mrs. E. H. Mosteller. There were 13 present. Refreshments of homemade ice cream, cake and iced tea were served.
 Doris and Twilla Story, daughters of Mr. and Mrs. Ernest Frank, went Saturday to visit their grandparents, Mr. and Mrs. John Story in Woodward, Okla.

Rev. and Mrs. Jesse E. Young attended a Bar-B-Que at Draw Tuesday. They visited friends in Robertson that night and came home Wednesday. Rev. Young was called back to Draw Friday to conduct funeral services for a friend.
Eighth Grade Party
 Mrs. L. A. Worsham and Mrs. W. C. Briggs were hostesses to the Eighth Grade with a fried-chicken dinner Thursday evening. Following the dinner, the group enjoyed square dancing. All the Eighth Grade and their teacher, Mrs. Hazel Chilton, were present except one, Bobby Allen, who had gone to attend the funeral of his grandfather.
 Mr. and Mrs. L. A. Worsham and Jane saw a movie in Hereford Sunday afternoon.
 Mrs. Nannie Fortenberry attended the graduation exercises in Hereford Friday evening. A niece, Miss Chloe Fortenberry, was one of the graduates of Hereford High. From there, she went to her son's home, Mr. and Mrs. Frank Fortenberry, for several day's visit.
 Mr. T. B. Bailey, who farms southwest of Adrian, had the misfortune of getting his wheat hauled out Friday night. He had a fair crop and it was good for this year. There are only a few that expect to harvest any

wheat this year. But all have hopes of a row crop.

Mrs. Labry Ballard underwent major surgery in Deaf Smith County Hospital at Hereford Monday. Mr. and Mrs. Ballard and daughters live several miles south but still in Adrian community.

On Senior Trip
 The seven seniors with Mr. and Mrs. Calvin Murray and Mrs. D. C. Banks furnished transportation, left Friday morning on their trip. They are going first to Santa Fe and then to Grand Canyon. They do not have definite plans after that.

Mr. and Mrs. Lloyd Heaton and daughters have moved to L. G. Beard's farm where they are employed. That is the farm formerly owned by Mr. Jehnn Kemp.

Little Gary Balding, son of Mr. and Mrs. Jack Balding, is ill with a cold and ear infection.

Guests in the A. H. Jordan home over the week end were their son, Mr. and Mrs. Lewis Jordan of Claude. A guest of Lewis for Sunday dinner was Robie Nell Wingate. Ermá Lou Jordan went home with her brother for a few days.

Mrs. L. C. Wade visited her sister, Mrs. Evelyn Tarver, in Wellington for a few days.

Went to Ball Game
 Adrianites who attended the baseball game in Amarillo Sunday afternoon were Mr. and Mrs. F. M. Brown, Weldon G. Reno, John Skaggs, John Horton, J. M. Smith and E. H. Mosteller.

Mr. Clyde Fincher was taken to Northwest Texas Hospital

Tuesday for treatment for heart trouble. He is some better now. He has had visitors—his sister, Mrs. Wilma Smith, Mrs. Neoma Jackson, W. D. Edmonds, and a brother, Jesse Fincher. W. C. and Jesse live in Quanah.

Tommy Wingate, small son of Mr. and Mrs. Robert Wingate, is ill with a cold and near bronchitis.

Mr. and Mrs. F. M. Brown attended to business in Perryton Saturday. They were in Amarillo Monday on business.

Mr. and Mrs. Haley Shaw and sons have moved to Mr. C. C. Wimberley's farm south of Adrian. That makes another house in Adrian for rent. Who will be the lucky one?

Sheldon Proctor, son of Mr. and Mrs. John Proctor, has been ill for several days with tonsillitis. He is some better at this time.

Guests in the John Proctor home Saturday were friends, Mr. and Mrs. Bill Norris of Amarillo and their son, Keith, of Liberal, Kansas.

Mr. and Mrs. E. L. Brown and sons are visiting Mrs. Brown's parents, Mr. and Mrs. Bourland, in Plover, Texas for a few days.

Entered K. C. Rodeo
 Mr. and Mrs. E. W. Brown and son returned Friday night from Kansas City where Earl was an entrant in the Rodeo.

Mrs. Clarence Perrin was dismissed from Deaf Smith County Hospital in Hereford Friday. She visited Mrs. B. H. Curby in Hereford until Sunday when she came home. Stevie, her son, had

TURKEYS SPELL SUCCESS—Henry Schmickler, Massachusetts' largest turkey producer, poses with his wife and two children before part of the flock he has built up since coming to the U. S. 12 years ago as a German refugee. Landing in New York with only a few dollars, he settled in Whitman, Mass., and began his poultry-raising career. Today his Holland Turkey Farm is one of the largest in the country.

been staying with Mr. and Mrs. A. H. Jordan.
 Mrs. Willard Hurst was returned to Veteran's Hospital in Amarillo.

Among those who enjoyed fishing over the week end were Bobby Speed, Percy, and John Henry Gruhlkey, Tom Fields,

Bob Alcorn, Jack Fisher and Mr. and Mrs. Don Morgan and sons, Donnie and Kippie.

Mrs. Don Morgan and sons visited Mrs. Morgan's sister, Mrs. Jim Rhodes in Dalhart for a few days.

SEARS GRAIN COMPANY

200,000 Bushel Black Elevator Will Formally Open Saturday

Open house at the new 200,000 bushel Black Grain company elevator in Black Saturday afternoon was almost overshadowed this week with the announcement that a 250,000 bushel addition will be completed within 60 days, thus giving Black a 450,000 bushel modern concrete elevator plus the old 100,000 bushel frame elevator.

Construction started on the completed 200,000 bushel elevator early in March, and when completed the entire structure will cost in the neighborhood of \$250,000.

The Black Grain company is made up of six stockholders: Dr. L. B. Barnett, temporary president; J. R. "Pete" Braxton, manager, and Dr. W. M. Nobles, G. B. Buske, Ramza Boggess and Owen Seamonds. The last three are from Friona or that vicinity. Braxton has been in the grain business in Black and this area for many years. Barnett and Nobles live in Hereford.

elevator now and will be ready to take grain in the entire 450,000 bushel elevator before the first of August, according to present plans.

Although Black is not generally included in the Deaf Smith P.M.A. commercial storage figures, they would bring the total storage capacity to 4,534,000 if included. The new elevator will probably pull grain from parts of the county because it is closer than Hereford to some parts of it. P. M. A. Secretary Faust Collier also said the concrete slabs for the Commodity Credit Corporation quonset huts and round bins with a 400,000 bushel capacity are completed and work should start on erecting the buildings soon.

Black Grain company is formally opening the new elevator Saturday afternoon with free soda pop and candy for children and cigars for the men, plus favors for the women.

More money for farmers means more money for the banker, the merchant, the manufacturer and, incidentally, for us.

Unemployment looms as a spectre before a prosperous nation; some way must be found to provide work for willing hands.

MR. CAVALIER SAW HERE-FORD—Mr. Cavalier went through Hereford Tuesday morning with a ten car caravan, plus two car escort from the city police department. After the short

parade, Mr. Cavalier distributed samples of the new King-size cigarette to Hereford shoppers and businessmen. C. I. Fry, district manager from Amarillo and Mr. Brooks, department manager from Houston were in the group in town.

Somebody figures out that the average girl spends \$5 a year on cosmetics. That's money well spent, in most instances. Not all robbing is done by

breaking into a building, and some of it passes within the law. Good impulses often do evil unless mixed with intelligent efforts.

What this country needs badly is more humor on the part of so-called humorists.

Everybody has a plan and all of them begin with getting somebody else to do the work.

Be Our Honored Guests at this Formal Opening of our recently completed 200,000 bushel unit.

The BLACK GRAIN COMPANY was established to fill a need for greater grain storage service and capacity in this area. It has been founded solely with the idea of service in mind. Everything possible has been done to adequately and speedily care for your grain storage needs. Modern equipment has been installed throughout. Up-to-date bookkeeping systems have been set up, to correctly maintain your records here. A new unit, more than doubling our storage capacity, has been started.

We cordially invite you to visit us on this opening day and let us renew friendships and acquaintance as we introduce to you this modern grain firm in Black.

Golfers Enter Second Round Of Handicap Tournament

All golfers in the Handicap tournament have at it this week, with first round losers playing each other in the consolation round and winners playing to advance to the quarterfinals.

Late first round results included J. M. Posey's 2 up victory over W. W. Gibbren; Dr. Lingenfelter beat Paul Coneway 2 up; Stan Barrett ousted Don Martin 4 and 3; and Joe Kerr won a 1 up victory on the 19th hole from Wiley Quattlebaum in the "A" flight.

"B" flight winners included Gerald Wilson 8 and 6 over M. J. Layman; Harold Close 2 and 1 over Jack Clark; Bruce Woodell was 7 up at the end of 9 with H. H. Miller and Wendell Burdine slipped by Jack Rahey 1 up.

Second round pairings and handicaps in flight "B" place Carroll Whiteside 18 vs. Gerald Wilson, 15; Martin Pavletich 14 vs. Harold Close 23; Joe Butler 18 vs. either Dr. Will Graham or Mutt Wheeler; Homer Lee Owens 16 vs. Bruce Woodell 20; Wendell Burdine 16 vs. John Estes 18; John Patton 15 vs. T. J. Clay 14; Bill Dameron 14 vs. Ed Young 23; Pat Corbett 26 vs. Duane Balze 22.

"A" flight second round pairings and handicaps are: Jerry Stoltz 4 vs. J. M. Posey 8; Frank Cogdell 13 vs. Dr. Lingenfelter 10; Stan Barrett 10 vs. Tom Howard 16; Joe Kerr 14 vs. Ted Young 8; Earl Stagner 10 vs. Dr. Channer 13; J. A. Pitman 10 vs. Bill Howard 12; Loyd Neil 13 vs. John McCleskey 10; Frank Lattimer 15 vs. Wayne Phillips 14.

Funk And Trudel Fight In Grudge Battle Saturday

A grudge fight, between Dory Funk and Benny Trudel, will be the main event to watch Saturday night on the Bull Barn wrestling card.

Trouble growing out of a dispute during last Saturday night's fights led to the quarrel. Funk beat Trudel twice last Saturday, once during the preliminaries and Funk took the first fall from Trudel in the main event tag team fight.

But the tag team match didn't finish because of roughness and because Funk and Trudel were disqualified. Funk requested a return bout with Trudel in the main event tag team fight.

A good supporting card is promised by Lawrence to round out the program next Saturday. In the preliminaries Saturday Frankie Murdock defeated Glenn Detton in 10 minutes with the Murdock Head Crusher. Funk retired Trudel earlier with a Spinning Toe Hold in 12 minutes. The tag team match saw Funk batter Trudel again with another Spinning Toe Hold. Murdock took Trudel again in 13 minutes with his "crasher" before the fight was stopped.

Second-Guessing By JERRY STOLTZ

JIM LIPSCOMB says he isn't bragging about the couple of channel cat he pulled in last week, but he did see some fellows from down Littlefield way who made a real haul trotting Saturday night. STAN BARRETT thought the VFW ball club played their best games in two years Sunday afternoon. ANDY ANDERSON agrees and says they are just now rolling into high gear, so watch their smoke later on. Almost all of the Vet players rate Canyon as a better team than Vega. In fact, McMurray is a mighty fair hurler for this league. Flashy double plays pulled Hereford pitchers out of tough spots three times Sunday. Except for BUDDY ANDERSON's bobble of the

Sportoons

VFW Beats Canyon 9-2 Here Sunday

After failing to scratch at the plate for three innings, Hereford broke the ice in the fourth,

added four more in the sixth and coasted home with a 9-to-2 victory Sunday over previously

undefeated Canyon on the Hereford diamond. Johnny Winkler, holding Canyon scoreless six innings before being hit with a pitched ball, got credit for the win.

Almost overshadowing Stan Barrett's homerun with two on in the 7th, was Canyon southpaw pitcher Martin McMurray's six-inning stint. His inside-breaking curve struck out the first 10 Hereford batters to come up. McMurray's final tally was 13 strike-outs against two hits and one walk. His teammates, not McMurray, blew up in the Hereford 4-run sixth, but McMurray was the victim, being lifted in favor of Velton Sargee who could not handle the riled-up Hereford bats.

UMBARGER 2, HART 0
Umbarger shut-out Hart Sunday behind one-hit pitching by Dennis Brandt.

Umbarger manager, Heinle Gerber, hit four for four, one of them a double that scored Jackie Brandt with one of their two runs.

T. C. Ray, losing pitcher, chalked up 12 strikeouts while Brandt in winning only fanned five.

VEGA 9, NAZARETH 7
League leading Vega had to pull a seven run rally in the ninth to beat cellar dweller Nazareth at Nazareth Sunday afternoon.

Nazareth took a 6-2 lead and held it to the first of the ninth when Vega unloaded with seven behind Deward Roberson in fourth.

Again in the sixth, a walk given up by McMurray proved disastrous. Wendell Burdine drew a free pass and Conrad Clark singled to left. William Taylor, playing left for Canyon, booted the ball and Burdine scored while Clark went to second. The next pitch went wild and Clark went down to third. Barrett lined a hot one to second which was too much for Canyon's Bill Cleavinger and two men were on for Hereford with none out. Lueb singled to center, scoring Clark and Barrett moved to second. Barrett scored after steal. (Continued on Page 2)

A Row Crop Planter User Approved In Hereford Area

MAIZE -- CORN & BEET

PLANTER

That Suits Your Soil Conditions and Planting Practices

One planter can do the work of two, when that one is a McCormick-Deering 4- or 6-row 40 Series type. Use this trailing equipment to plant such crop combinations as soybeans and corn, or sugar beets and corn.

Now you can drill-plant a large variety of crops at higher tractor speeds with one planter.

Adjustable for a wide range of row spacings (18 to 40 inches), these planters come with runner-type or double-disk furrow openers. There's a built-in power lift and convenient screw-type regulator... every necessary control for height and planting depths.

Stop in now for all details on these great McCormick-Deering planters.

Methodist Vacation Bible School Opens

Saturday morning from 9 to 11 a. m. children will be enrolled in the Vacation Bible School, which is to last only one week. Rev. Don Davidson announced Wednesday. Beginners, Primaries, and Juniors will be enrolled. He asked all children to bring a sack lunch and drinks will be furnished for a picnic on Saturday morning.

All parents are urged to bring their children and get them enrolled on the first day, which is Saturday the 27th. Rev. Davidson said the children will benefit much from this Vacation Bible School. Classes will be held at 9 a. m. each morning through next week, and the last session will be on Sunday, June 4th.

VFW

(Continued from Page 1) ing third when the canyon third baseman threw over second base in an effort to catch Lueb. Carroll hit a roller to second and another error let in another Hereford run and kept the bases crowded.

It was here that McMurray retired and Velton Sargee took over and retired the next two batters to shut off the rally.

The big blow of the day and the first home run of the season for Hereford came in the lower seventh. Anderson got on when the second baseman bobbled and Bardine struck out. Clark walked to put two men on with one out.

Stan Barrett then drove the second pitch 355 feet over the left field fence for a 3-run homer. It was fair about four feet.

ST. PETER'S IN SUGAR—Pastry cook Pasquale Cotumaccio used 50 pounds of sugar and took 20 days to complete this model of St. Peter's Cathedral in Rome. The model, complete to the inscription on the top of the facade, was made to decorate the dining room of a Rome hotel.

VEGA

(Continued from Page 1) runs. The home team managed to score once in their half of the last inning, but it wasn't enough.

Gerber hit five for five for Vega to lead the hitters. Nazareth hurler Hopstein allowed 11 hits in losing and Richardson, who replaced Tommons after the first inning for Vega gave up nine. Nazareth had two errors and Vega three.

TULLIA 9, VIGO PARK 6

Tullia climbed to the 500 per cent mark with a 9-6 win over Vigo Park Sunday. Gober got credit for the win after relieving L. Glenn in the sixth. Gober struck out six in the three innings he pitched. Bryant hit a home run for Tullia with the bases empty in the seventh.

Sewing Hints For Busy Homemaker

The homemaker who is handy with the sewing machine will probably want to take advantage of the offering now being made of summer fabrics and do some home sewing. Good equipment and the right sewing tools are important for time saving and fine workmanship, says Mary Routh, extension clothing specialist of Texas A&M College. She says crewel needles should be used by homemakers who have trouble threading them. They have larger eyes, however the needle itself is slender. She recommends a size 30 needle for fine sewing and for sewing most light summer fabrics.

Another item that should be regular equipment in every home sewing center is size 16 dressmaker pins. She points out that these pins should be clean. If they are rusty or dirty, better get new ones instead of taking a chance on soiling the material.

The small seam guide attachment for the sewing machine is a mighty handy gadget to have, especially if you want your completed sewing jobs to look nice, she says.

She suggests that two new items be added to the sewing center if you don't already have them; one is a folding cutting board and the other, dressmakers' carbon paper. The cutting board saves the table top, provides a flat surface for cutting, is not expensive and is easy to store.

By using the carbon, two pieces of fabric can be marked at the same time. Miss Routh says marking made with tailor's chalk may be used instead of cutting notches into the edge of the material. She says many homemakers

have found that a couple of transparent rulers—a six inch and the other can be either an 18 inch ruler or a yardstick—are helpful aids for sewing. The short one is used for measuring hems and for making corners more accurate. The longer one is used for a straight edge and for laying patterns on the straight of the material.

ENLISTS IN AIR FORCE

Jerry Alvin Spurgeon, son of Mr. and Mrs. Edward A. Spurgeon, Hereford, Texas, was enlisted in the United States Air Force on May 16, 1950 by Major J. A. Holt, Recruiting Officer. Sgt. Spurgeon will leave for IDTRC Lackland AFB, San Antonio, Texas. Sgt. Spurgeon has previous service of three years in the United States Air Force. His wife resides in Hereford, Texas.

Mrs. Daisy Turnbow has returned home from a visit with her sons, Herbert and Gerald Spence, at Phoenix, Arizona.

Everybody agrees that the country needs reforms but no two persons agree upon what the reforms ought to be.

If children had the wisdom of old people, then old people would have the innocence of children, which wouldn't be so good.

WITH THESE "EIGHTEEN ELEMENTS OF EXCELLENCE"

- STEEL-REINFORCED; STRENGTH FAR BEYOND BUILDING CODE DEMANDS
- Moisture Resistance Far Above Concrete Block and Stucco
- Provides Super-Insulation Against Heat, Cold and Sound
- HIGH INSULATION
- Absolutely No Contraction or Expansion Discernible
- Takes and Grips Nails and Screws Like Wood; Easily Sawn
- AS ECONOMICAL AS ANY GOOD MATERIAL, BUT SUPERIOR TO MOST
- Made of Patented Quality Aggregates; No Sand or Gravel Used
- Time-Tested in the Output of Several Plants in the U. S.
- DESIGNED FOR THE MOST MODERN ARCHITECTURAL STYLES
- Curved, Fluted, Flat and Beveled Panels Available
- Your Home Can Be Different — No Standardized Patterns
- SIMPLY AND RAPIDLY ERECTED BY EASILY TRAINED WORKMEN
- Colorful Random Units for Contrasting Picture Effects
- Takes Decorative Paint Finishes Easily and Economically
- MEETS NATIONAL FHA AND COLORADO FHA SPECIFICATIONS
- Efficiency Walls Give Many Extra Square Feet of Floor Space
- Produces a Lifetime Home With Practically No Upkeep Costs

Home Building Costs Must Be Within Average Man's Income

Because of the light weight and the large size of the panels, walls of an average size two bedroom Bildroc home can easily be erected by a foreman and three carpenters, ready for the plates and rafters in a minimum of two days. While reducing building costs you protect your investment, because Bildroc is self-insulating, is fireproof and eliminates repair bills. Before you build, investigate Bildroc. A phone call will bring a representative to your home or office without charge or obligation.

Long Time Ago

25 Years Ago
A good crowd turned out for the Chamber of Commerce meeting at the City Cafe to hear T. D. Moss tell of his trip to Marlin to attend a state secretaries' meeting for chamber secretaries. The flu epidemic was about curbed in Hereford during June of 1925. On the sick-list were Homer Fox, W. W. Bennett, W. T. Smith, Sheriff Benton, Jim

Beck, Mrs. Ralph Barnett, Chris Jacobsen, two children of A. I. Morrison and Jake Witherspoon. Flu convalescents were C. O. Lee, Carl Cockrell, J. O. Newell, E. C. Eubanks, Buford Pärmer and Mary Valentine. A three-week's Methodist Revival quickly swelled into an outside tent affair. Miss Mattie Mae Swisher directed a choir and Rev. J. O. Haynes did his

BOUND FOR AERIAL WAR GAMES—A light tank is loaded into a huge Air Force C-124 cargo plane at Camp Mackall, N. C., during "Exercise Swarmer," America's first all-air war maneuvers. Some 4000 paratroopers were landed successfully with their equipment in "aggressor" territory for the world's first tactical application of the techniques perfected in the Berlin Airlift.

Mayor Proclaims 'Poppy Day'

Saturday, May 27, was set aside as Poppy Day in the city of Hereford in a proclamation issued today by Mayor W. E. Dameron. The proclamation urged all citizens to observe the day by wearing memorial poppies in honor of those who gave their lives in the two world wars. It stated:

"Whereas, the City of Hereford, in 1917 and 1918, and again in 1941 to 1945, sent many of its finest young men and women to serve in the defense of our country; and

"Whereas, the 40 of these made the supreme sacrifice in that service; and

"Whereas, the memory of their service and sacrifice should be forever kept bright for the inspiration of our own and future generations; and

"Whereas, the wearing of memorial poppies on the Saturday before Memorial Day brings to our minds and hearts the memory of these gallant dead;

"Now, therefore, I, W. E. Dameron, Mayor of the City of Hereford, do hereby proclaim Saturday, May 27, to be Poppy Day in the City of Hereford, and I urge that all citizens observe the day by wearing the memorial poppy throughout the day."

Memorial poppies will be distributed on the streets on Saturday by volunteer workers of the American Legion Auxiliary, who will receive contributions for the Legion and Auxiliary activities in behalf of the disabled war veterans and needy children of veterans.

current price of mallard and teal ducks in the local markets at a little over four cents each. The same month, The Henrietta Shield stated that "A load of wild turkeys was brought to town last Sunday and sold at fifty cents apiece." But, about the same time, another quotation for turkeys was 25 cents each.

Lenders as a rule, try to look out for themselves, but occasionally, they invest in "sure" things, and find out about it later.

If sympathy could help unfortunate people, there would be few unfortunate people.

Jackson, in his graphic account of the wanton destruction continued. "Through out the newspaper record of game slaughters was found no note sounding the word conservation. Indeed, public opinion seems to have been asleep to what was happening."

Then Jackson concludes: "If one is sickened after reading the entire collection of notes, at one sitting, he must be at the same time heartened by the changes which have followed, changes which reflect, by contrast, an awareness on the part of news editors to wildlife, values and needs, and an awakened public.

The real need of the nation is intelligence—exhibited by voters as well as officials.

own preaching.

Mrs. E. J. Canant, Texas City formerly Miss Edith Razor of Hereford, gave birth to twin girls May 10, 1925.

Mrs. W. L. Yancey, who lived about three miles south of Dimmitt, died in the local hospital following an emergency operation.

Miss Victoria Wilson succeeded her sister, Mrs. J. A. Pitman as office manager for the Ralph Barnett Insurance Company.

Mrs. Lillian Chapman, manager of the Cordova Hotel, left for Clarendon where she was put in charge of the Clarendon Hotel.

Otis Sasser, Clovis, was accepted by the Clark Drug Store as a pharmacist. He succeeded Virgil Cuning, who went to Plainview to work for the A. E. Harp Drug Store.

Auctioneers W. S. Williams and Ray Barber attended a Panhandle Association meeting in Amarillo.

Mr. and Mrs. W. E. Hicks attended the graduation exercises of their daughter, Gladys, at Baylor University at Waco.

Rain in Amarillo prevented a golf match between the Hereford club and the Amarillo Country Club.

Stork specials were: To Mr. and Mrs. J. E. Stanford, June 2, a son, Vaughn Dale. To Mr. and Mrs. W. L. Yancey, June 2, a boy. To Mr. and Mrs. Otto Massie,

June 3, a boy, Billie Jean. To Mr. and Mrs. Leland Chamness, May 30, a girl, Barbara Ann.

Mr. and Mrs. H. H. Gull and son, Ben of El Paso, were visiting in the home of relatives, Mr. and Mrs. A. M. Jones of Hereford. Ben Gull was working behind the soda fountain at the Corner Drug Store.

Dirt was broken for the construction of the new Hereford High School building.

The last scene in the famous Hoffman liquor case, through which the county of Deaf Smith received \$1,000 in forfeited bond money occurred when all the rye booze, corn whiskey, mash and other concoctions gathered in two raids, was poured down the sewer at the county jail. Both the Hoffman automobile and the Castro county still were captured by Omer Baker, former special policeman and night watchman in Hereford. The stuff was destroyed under order of district judge Tatum and the work was performed by Sheriff Benton, Al Miller, Ezra Norton and Mr. Baker.

Outlook for a new State highway from Plainview to Vega, desired by the commissioners court of Deaf Smith County, was bright. The road was in fine shape all the way and it seemed that the Deaf Smith county and Castro county portion of the road was secured.

Era Of Plentiful Game Is One Of Wanton Slaughter

The dark era for Texas wildlife back in the 1870's and 1880's is described by A. S. Jackson, wildlife biologist for the Game, Fish and Oyster Commission, in the May issue of TEXAS GAME & FISH, soon to be distributed. His article, headed "When Game Was Plentiful," emphasizes that the doom of the once mighty herds was sealed by the advent of repeating rifles, models of 1873 and 1876.

Jackson's research yielded a Henrietta Journal item about a man "living near the Red River killing 278 head of deer in a circumference of ten miles from his house." The San Antonio News on August 31, 1877, told about two brothers, in two weeks time, shooting 67 deer, 219 turkeys (104 in one day), 3 bears, 46

ducks and 30 quail and that they also bagged 275 pounds of wild honey.

A Hardin County newspaper, on July 21, 1878, quoted venison hams at 25 cents each. A Mason County news item carried in the Galveston Daily news on August 24, 1879, reported a man killed more than 100 deer "so far this year." The article continued: "Our woods are alive with deer and other game. We hear of a number of men in this section who are following no other pursuit this year but that of killing deer (because) the skin when dressed bring a fancy price." One month later, a news report stated that a Mason man made \$112 this year from deer pelts.

The Brownsville Cosmopolite on December 26, 1880, quoted the

THE CHRYSLERS ARE COMING

Now Chrysler's rolling at top production . . . new, new beautiful cars are being shipped as fast as possible. And they're coming in a rainbow of colors—in all kinds of smart body styles, from long, low and lovely sedans . . . sleek convertibles . . . to America's most beautiful hard top convertible, the Chrysler Newport.

Once again we're ready to demonstrate how great engineering . . . great comfort . . . great performance . . . great safety make the greatest possible

difference in the value you get for your money! And you'll find a car priced just right for your pocketbook—for Chryslers come in a wide range of prices from the sensationally modest priced Royal and Windsor models up through the luxurious New Yorkers and Saratogas to the glorious Crown Imperials.

Come see the most beautiful Chryslers of all time. Drive them! Compare them! And you'll be doubly glad you waited!

OFFERS TO PAY FRIENDS IF HADACOL DOESN'T HELP

HADACOL HELPS SUFFERERS OF VITAMIN B₁, B₂, NIACIN AND IRON DEFICIENCIES

Mrs. Wallace tells her granddaughter, Maynell Wallace, over the phone how HADACOL brought relief to her.

Mrs. Belle Wallace, 449 Formwalt St., S. W., Atlanta, Ga., is so grateful to HADACOL for the blessings it has brought her that she has recommended HADACOL to a number of her friends. She told them she would pay for their bottles of HADACOL if it didn't help them. She explains with a smile that she hasn't had to pay any of her friends, because HADACOL has helped them.

Mrs. Wallace, who is 74 years old, has five children, seven grand-children and two great-grandchildren. She was suffering from a deficiency of Vitamins B₁, B₂, Niacin and Iron, which HADACOL contains.

Mrs. Wallace said: "I couldn't sleep or eat until I started taking HADACOL. I'd lie awake and toss and turn until the small hours of the morning. I was highly nervous. I couldn't even thread a needle. But, since I've been taking HADACOL, my nerves are as steady as can be. I couldn't eat because when I did my stomach would puff and bloat and fill with gas. I am on the 7th bottle of HADACOL and my stomach is so much better."

Appetite Good
"I have a good appetite and my stomach does not bloat or fill with gas. I sleep like a log. I have recommended HADACOL to a number of friends and have told them that if it didn't help them, I'd pay for it, but I didn't have to because HADACOL did help them. HADACOL has done me more good than anything I have ever taken."

© 1950 H. J. Glaxo Corporation

Why Be Satisfied With Temporary Relief?

HADACOL also helps build up the hemoglobin content of your blood (where iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs—even to the eyes, hair and nails—to help repair the damage that such a deficiency may be causing there. Countless thousands are benefiting from HADACOL. Why don't you give it a chance to help you? Why continue to suffer? Remember, HADACOL doesn't give temporary relief. Instead, it treats the real cause of your illness when, as so often, it's due to such deficiencies. That's why it's so effective; that's why it is accomplishing such amazing results.

You'll Feel Great . . . with the first few bottles you take, or your money back. There is only one HADACOL and it is sold on a strict money-back guarantee. So give this remarkable HADACOL medicine a chance to help you. It's never too late to start taking HADACOL. Many who despaired of improvement found that HADACOL was almost like a miracle for them. Remember that HADACOL is amazingly different and amazingly effective because it treats the real cause of deficiencies of Vitamins B₁, B₂, Niacin and Iron. Make up your mind to take HADACOL regularly. Refuse substitutes. Insist on the genuine. You can't lose a cent, because it's sold on a strict money-back guarantee. Only \$1.25 for trial size. Large Family or Hospital size, \$3.50.

Comments On Sports

By ED SIMS

TELEVISION . . .
WASHINGTON, May 23—The great new television pastime is passing through a major test this year. It seems that 1950 attendance at sports events will determine whether or not viewers in comfortable home or downtown chairs will continue to see major baseball games, boxing events, and football games—as well as professional basketball games.

Here in Washington, the issue is just the same as it is in a dozen other cities this year. The owner of the Washington baseball team, Clark Griffith, recently announced that next season's games would not be televised. He will not renew his two-year contract expiring this year, Griffith said.

The Washington professional basketball team also has blamed television for cutting attendance at home games. The professional football team in the national capital is likely to play untelevised this fall, according to some sources. The same big question is up for a decision this year in most major cities.

Griffith says television of home games this year has hurt attendance. He is disappointed with 1950 attendance figures and blames television. But Griffith's team finished eighth last year in the American League—eighth among eight teams. His opponents claim that poor teams, not television, has cooled enthusiasm for Washington's American League club.

The chief announcer of the televised version of Washington baseball games answered Griffith's statement with the assertion that attendance is improved through television. He said attendance figures in recent years prove his point. Sports writers claim that baseball club owners get more out of television than they lose in attendance. Griffith, for instance, gets over a hundred thousand dollars for the rights to televise home games of the Senators, and there is no cost to him in this earning, either, as there is in selling tickets and seating paying customers.

That's why one of Washington's leading sports editors has predicted that Griffith would change his mind and sign another contract for televising his team's home games.

The basketball picture is not as bright. Attendance dropped to three hundred for some pro basketball games in Washington last season. Owners of the team, like Griffith, blames television. The football test comes early

TWINS VIE FOR "QUEEN" TITLE—Students at Green Mountain Junior College in Poulitney, Vt., face a tough decision in choosing the queen of their traditional May Fête. Both Eileen, left, and Doris Sievers, 20-year-old identical twins from Garden City, N. Y., are candidates for the honor. If the judging narrows down to this rare pair, the question seems to be, "which winsome twin will win?"

Legal Notice

THE STATE OF TEXAS

West 1/2 of Block No. 4 of Welsh Addition to the Town of Hereford, less the South 60 feet thereof

Beginning at a point 60 feet North and 690 feet West of the Southeast corner of Block No. 4 of Welsh Addition to the Town of Hereford; THENCE West parallel to and 60 feet North of the South line of said Block 630 feet to a point in West line of said Block and in the North right of way line of Plains Avenue, (old Gough Street); THENCE North with the West line of said Block 600 feet to the Northwest corner of said Block; THENCE East with the North line of said Block 630 feet to a point; THENCE South 600 feet to the place of beginning, as is

more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Hereford, Texas this the 3 day of May A. D. 1950.

Attest:

R. L. THOMPSON Clerk, District Court, Deaf Smith County, Texas
By LUCILLE POSEY, Deputy

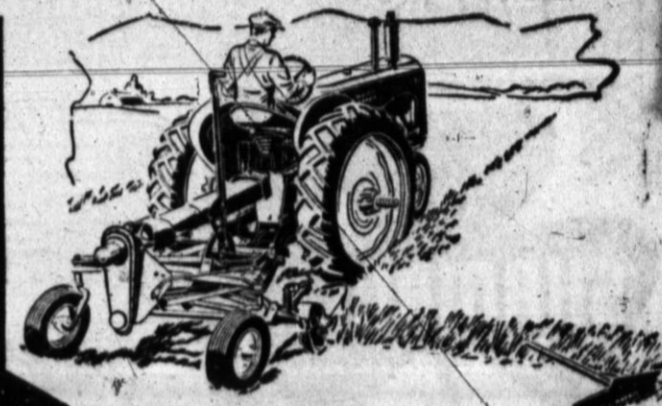

(SEAL) 18-4c

Bernice Elliston, daughter of Mr. and Mrs. R. W. Elliston, has gone to California to attend the graduation of Georgia Ray Elliston at the LaSierra Preparatory School Thursday evening, May 25.

Wayne Elliston, son of Mr. and Mrs. R. W. Elliston, is home from Amarillo where he has been recovering from an operation.

IN MOWING IT'S THIS SECOND CASTER WHEEL THAT MAKES

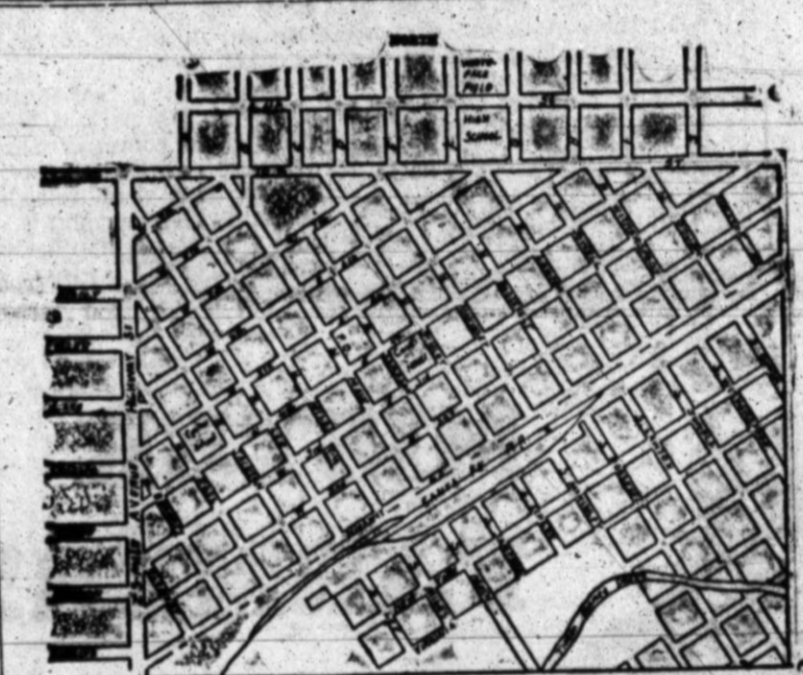

The Big Difference

MASSEY-HARRIS No. "6" SEMI-MOUNTED MOWER
The first time around your field you'll agree that those 2 caster wheels in trailer design mean more efficient mowing . . . faster, easier cutting that rolls over more acres in less time . . . gets more of your crop at its nutritional best. Built up on a husky, all welded tubular-bar frame, the No. "6" is stronger, sturdier, more flexible. Oil bath lubrication assures smoother performance; light, easy-to-pull action that requires less power. Both your tractor and the No. "6" are protected by quick-acting safety releases. Easy hook-ups save a lot of time even before you get in the field. See us today . . . get the full details on the No. "6."

NEIGHBOR

YOUR SOUTHWESTERN PUBLIC SERVICE REPRESENTATIVE

One of the most important parts of Public Service is being a part of the community life in the cities and towns we serve. Wherever you find a Public Service representative, you'll find a "good neighbor." You know him . . . he might go to your church, perhaps his kids play ball with yours, or maybe you worked with him on last year's Red Cross Campaign.

But, whoever he is, you'll find him an active member of your community, truly dedicated to "Public Service" . . . making certain there is low-cost, dependable electricity to meet every community need . . . helping to make your community a better place to live.

Mr. and Mrs. M. T. King of Panhandle, and Mrs. Ross Wilmet and daughter, Lula, of Ft. Sumner, N. M., were week end visitors in the home of Mrs. E. J. Williams of Hereford.

Mr. and Mrs. D. R. Grimes, Mrs. Oscar Easterwood, Tipton, Oklahoma and Mrs. Lou Ollie Smith of Wichita Falls were visitors at Whiteface Sunday. All are sisters of Mr. Grimes.

Barrier Line For No-Passing Zone Is There For Safeties Sake; Observe It

SKETCH D

Take a look at the broken or dashed line in the sketches shown below and then look again. This is a barrier line for a no-passing zone, and it can be readily recognized on the road because it is yellow paint covered with thousands of small glass beads that reflect light from car headlights at night to make the stripe more visible.

This is a companion line for the center line on two lane roads and lane lines on three lane roads at points where you do not have a clear view of the road ahead for a distance of at least 1,000 feet, and there are some 23,000 miles of highways on the State Highway System on which such points are marked. The broken yellow barrier line is one of the big guns fired by the Highway Department in the battle for traffic safety. The Highway Commission recently provided ammunition in the form of a \$500,000 appropriation for highway pavement markings during the year 1950.

What does the broken yellow barrier line mean? It means that you are violating the law when you cross a barrier line that is on your side of the center line, and you are subject to arrest and fine if you are caught. Even if you are not caught, it means that you are inviting a chance to shake hands with death.

Remember that it takes about 2,400 feet or six and one-half blocks for you to pass a car traveling 50 mph when you are traveling 60 mph and there is a car in the opposite lane traveling toward you at 60 mph. When the dashed line is in your lane you cannot see the roadway ahead for more than 1,000 feet, or three blocks, and blind flying is hazardous.

Last year's toll from violations of the broken barrier line was 22 dead, 109 injured, and \$689,350 in economic loss. The accidents that resulted in this toll of deaths, injuries and property damage cannot be justified on the basis of a mistake in judgment on the part of motorists—they were violations of the law; violations in which the innocent as well as the guilty paid the price.

Don't let your impatience get the better of you and try to pass when there is a broken yellow barrier line in your lane unless directed to do so by an officer, for you are not only endangering your own life but that of an innocent motorist as well.

Mr. and Mrs. W. A. Johnson and Mr. and Mrs. W. W. Buck of Lubbock visited with Mr. and Mrs. J. R. Johnson Sunday.

Words of wisdom seldom dispel the wrath of hard-pressed taxpayers.

The Law-You

DO YOU KNOW what the "Blue Sky Law" was? Blue Sky Law was the name given to some of the earlier laws whose purpose was to restrict and control the sale of stocks of corporations. Prior to the enactment of the Blue Sky Law, there was little, if any, regulation, which would help protect the purchaser of stock in a corporation. Under such a condition, many brightly colored, fancy appearing certificates were sold which had no value. By the time the purchaser found that the corporation existed in name only, and that his stock certificates were worthless, the promoter or salesman had moved on to parts unknown.

At the present time, the sale of stocks and bonds is closely controlled in Texas by "The Securities Act."

The name "Blue Sky Law" was generally applied to these regulations because the promoters were "as boundless and alluring as the blue sky."

Freeze Bread And Rolls; Save Time

Most homemakers, at different times, have wished for an extra supply of bread or rolls to take care of unexpected guests and to cut down on the baking chores. The home freezer has made that possible, says Jummie Nell Harris, associate extension foods and nutrition specialist of Texas A&M College.

Breads and rolls may be frozen baked or unbaked, she says and if the proper methods of packing, freezing and storage are followed, baked rolls will be just as light and tender after freezing as before. But if unbaked rolls are put into the freezer, the results cannot always be predicted, she adds. Unbaked dough seems to lose some of its ability to rise after being

thawed and the texture of the rolls may become tough and the volume lessened.

Miss Harris says for the frozen baked rolls and bread, use a favorite plain or sweet dough recipe and bake in the usual manner. After baking, remove from the pans and cool to room temperature. Then wrap in moisture proof paper or package in frozen food containers.

Reheating frozen baked rolls in their sealed wrappings in a 250° F. to 300° F oven for 15 minutes will get them ready for serving says Miss Harris. If the container is such that it cannot be placed in the oven, then remove the rolls and place them in a paper bag or aluminum foil. Heat them in the oven just as you would day old rolls except for a longer time. The reheating freshens the rolls. Thaw baked breads in their original wrapping at room temperature. Bread

thaws rapidly because it contains very little moisture and if you are in a hurry, she says, slices of frozen bread can be put into the toaster before it is thawed.

Miss Harris says baked products should not be stored for periods in excess of three months.

Accidents may occur to all motorists but you can do much to prevent one happening to you by exercising ordinary care when you drive

Scientists Dream Of Killing Insects With Insecticide In Soil

COLLEGE STATION — Some day farmers may put insecticides in the soil at planting time and forget about insects.

That's probably a long time off, but last year three USDA entomologists, E. E. Ivy, Wm. Iglinsky, Jr. and C. F. Rainwater, in laboratory tests at Texas A&M, found cotton plants would take up poison from the soil and that the treated plants killed cotton aphids and red spider mites. If they used enough poison, they got the fleahopper, too.

Scientists have long dreamed of getting plants to pick up insecticides from the soil. They even had a name ready for it—systemic entomology. But the plants would never cooperate until 1947, when it was found that corn roots would take up parathion and that the leaves and stalks of treated plants were toxic to the corn borer.

Parathion is one of the new organic insecticides. Plants won't absorb the others, such as DDT and BHC; but parathion is a phosphorus compound and phosphorus in the form of superphosphate is one of the three main plant foods elements used as fertilizer.

Parathion didn't get the job done on cotton insects in 1948 soil tests at A&M, but in 1949 another of the many new phosphorus organic insecticides,

BIRD'S-EYE VIEW — Little Sharon Lynn Gee of Providence, R. I., tried to puzzle her pet parakeet by donning dark glasses, but the wise bird wasn't fooled by the disguise. He just gave her a dark look in exchange.

octamethyl pyrophosphoramide, showed a lot of promise in tests run under a Research & Marketing Act project. Among other things, as little as one-fifth of a pound per acre applied to cottonseed at planting time took care of aphids and red spider mites for two months.

Now Dr. R. D. Lewis of the Texas Agricultural Experiment Station has announced that two acres of seed treated with octamethyl pyrophosphoramide have been planted in the Brazos River field laboratory.

It is the nation's first field test of systemic entomology.

Dr. J. C. Gaines, the research entomologist who is making the tests, says it will be a big thing for the cotton farmer if the plants absorb the insecticide under field conditions and keep off aphids and mites during the critical two months when cotton is in the seedling stage.

One thing he is worried about is that the seed might absorb the phosphorus and so be unfit for cottonseed cake, margarine and other seed products. He won't know the answer until this fall. Right now the new insecticide is very expensive, but if manufacturers go into production on it seed treatment—which would be similar to use of ceseran for plant disease control—should get down to about 50 cents an acre.

Dr. H. G. Johnson, head of the A&M department of entomology, thinks systemic entomology has a lot of possibilities, not only for cotton but for other crops, but warns that it will be a long time before all the details are worked out.

"It would be unusual if we hit it on the first trial," he pointed

out, "but if octamethyl pyrophosphoramide doesn't work, maybe something else will."

"We're testing eight new organic phosphate compounds at A&M this year that aren't much past the test tube stage. We already know three of them are stronger than octamethyl pyrophosphoramide."

Classified ads are what many people use to sell old articles and unused material. Very often they result in some surprising sales.

Mr. and Mrs. Elmer Mathies and son Tommy, left Monday for South Texas on a fishing trip for a couple of weeks.

Theories are good things if they work.

Why HUDSON'S recessed floor means Most Room! Best Ride! Safest!

Hudson's "step-down" design brings benefits in room, riding qualities and safety not obtainable in any other car at any price!

HUDSON
"Step-down" design, with its recessed floor, uses space between frame members that other cars waste. The result is America's lowest center of gravity (and full road clearance), while providing more head room and seating room than any other car.

OTHER CARS
All other cars have floor on top of frame, so they fail to utilize the vital space between frame members. Result is a higher center of gravity and either a high roof line or insufficient head room. Seats are narrower, passenger space is less.

WHEN you try Hudson's "New Step-Down Ride," we believe you will find it a delightfully new experience. For Hudson is the only motor car with a recessed floor ("step-down" design). This results in the lowest-built car of them all, with true streamlining and magnificent beauty.

It provides full road clearance and the most room in any automobile at any price! It creates America's lowest center of gravity, which gives you the best and safest ride ever known. Won't you accept your Hudson dealer's invitation—enjoy "The New Step-Down Ride" soon?

The new, lower-priced Pacemaker brings you all of Hudson's exclusive advantages for just a few dollars more than the lowest-priced cars!

NOW... 3 GREAT SERIES

Lower-Price Pacemaker • Famous Super • Custom Commodore

Hudsons, with recessed floors, their great array of high-quality, long-life features, and advanced design, are leaders in resale value, as shown by Official Used Car Guide Books!

MOTHER'S DAY PRESENT WAS LATE BUT

She Had A Good Reason

Mrs. F. S. Smith's Mother's Day gift was late but there were a good many Mother's Day gifts that didn't get out on time from flood-bound Pauls Valley, Okla.

Mrs. Smith's daughter, Billye, a telephone operator in Pauls Valley gives the following graphic description of the flood in a recent letter.

The first warning came at 3 a. m. when a man from Marysville called the police here advising people to get down to their stores and get wares out because the river was rising fast and the levee was about to break. They blew the fire whistle and right then we operators almost worked our fingers off. Everybody was calling and

"LEFT IT HERE SOMEWHERE . . ."—Two bicycle owners appear puzzled as they seek their vehicles among hundreds of others parked in a lot at a racing meet in London. The tangle of wheels took place when cycling fans flocked to the Southern Counties Cycling Union International Racing Festival.

Mrs. Caraway Tells Wyche Club Members How To Make Corsage

Mrs. H. H. Caraway named the four essentials in making corsages at the meeting of the Wyche Home Demonstration Club Thursday afternoon in the home of Mrs. N. G. Elliston. They include: florist's tape, ribbon, fine wire and flowers from your own garden.

Mrs. Truitt Johnson assisted Mrs. Caraway by giving instruction in preparing the flowers for the corsage. She recommended chilling the flowers for at least two hours in water in the ice box. After the demonstration each member of the club made a corsage from material at hand.

Mrs. Raymond Paetzold conducted a short business session and Mrs. Ira Ott reported that eight members entered the 4-H Club dress show with three first place winners, three second place and two third. Three firsts and two seconds were won in the children's division. 4-H Club girls made eight entries winning three firsts, three seconds and two third places. The next meeting of the club will be held with Mrs. Raymond Paetzold on June 1 at 2:30 p. m.

Members present were Mesdames: Raymond Paetzold, V. P. Walker, A. E. Jury, W. Quattlebaum, Jack Williams, J. H. Marsh, H. H. Caraway, W. T. Kelly, Ira Ott, W. T. Johnson, Troy Carmichael, Ellis, W. R. Searth, C. R. Damron and the two hostesses, Mrs. Hardy Benson, Mrs. Geo. Epting and Miss Hilda Strauss from the Ford Club were guests.

when we gave them the flood warning they really got panicky.

The levee did break at Marysville and sent three feet of water rushing our way. Then the creek levee south of town broke and that sent the water rushing on Pauls Valley from both the north and south, highways were blocked and nobody could get out of town and we were told we had about three hours to get ready. We called the chief operator, the vice - chief, the service assistant, the radio station, the firemen and the Highway patrol and warned all the people we could. I dashed home and got my money, my boots, coat and raincoat, I didn't have time to do anything about the furniture, and at six o'clock the water started pouring in just like it was poured out of a huge bucket. It reached the halfway mark on the parking meters and was as high as two feet in the stores.

I worked 11 hours without stopping and was completely exhausted when I did get relief. All 21 stations were filled with operators coming to work in motor boats and go-

inc home when they could and the best way they could. People were moving around in boats, on horseback, tractors, in wagons or just wading around in that muddy, filthy water up to their waists in the shallowest parts. I couldn't get home but did get to a friend's house, who fed me and put me to bed. Only two men are missing but more than 250 lost their homes. We have to boil all the water, none of it is fit to drink now.

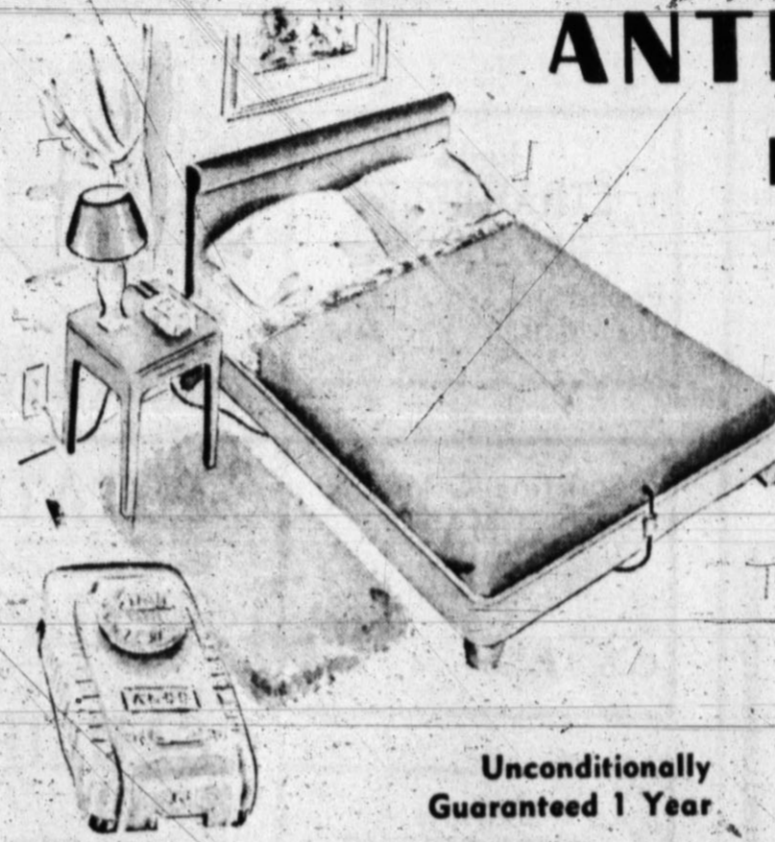

We had 1,177 calls before the flood came that day and 1,249 during its worst part. Every operator was worn out, but the water left as fast as it came which was one lucky thing about it, but millions of dollars were lost. Today it is raining and everybody is praying it won't continue long because the river hasn't gone back to normal yet. Thirteen inches of rain in two days like we had before the flood would just be too bad now.

I don't think I'll ever worry about anything again, I can stand anything after this. And I forgot to tell you we had three fires when the flood was at its highest peak.

Frio News

By MRS. OWEN ANDREWS
Brand Correspondent

Mr. D. O. Benson accompanied Mr. Shaw and another friend to Conchas Dam in New Mexico on a fishing trip. They left Saturday.

Attending a program in the M. L. Simpson home in the Jumbo community were Mesdames W. C. Lowery, W. J. Dickson, W. A. Springer, H. F. Benson, C. N. McClure, Gene Nosi, Floyd Cole, E. H. Little, H. D. Robbins, E. F. Vogler and Jerrel. The program was presented by a specialist on home freezing of foods and was sponsored by the Hays Implement Company, I. H. C. dealers, in Dimmitt. A complete meal was prepared from frozen foods.

Mr. and Mrs. Harry Varvie and daughter, Lucretia, of Borger, spent Saturday night and Sunday with the W. H. Andrews family. The Varvies are old friends of the Andrews, from the days when the men worked together at Phillips.

Here for Graduation exercises at Hereford on Friday night were Mr. and Mrs. Chas. King and Jerry of Amarillo. Mr. and Mrs. Fred Andrews, Wiley and Miss Faye Andrews of Melrose, N. M., Mr. and Mrs. Ralph Hart, Ralph, Jr. and Mary, Melrose, Miss Faye Andrews has enlisted with the WACS and will leave shortly for Virginia. After 12 weeks there she expects to get overseas.

Miss Velma Irwin was one of the members of the eighth grade graduating class of Hereford Junior High. Exercises were held on Thursday night.

Training Union and church services were dismissed last Sunday night for the Baccalaureate service at the Dimmitt High School. Miss La Nelle and Miss Rosalie LaPlant of our community were members of the graduating class there. Commencement exercises will be held at the Dimmitt High School on Thursday night of this week, at the High School in Dimmitt.

The Frio windmill was repaired last week. The well was dug several feet deeper and seems to be pumping a nice stream of water now. Water in the house again will certainly be appreciated. Particularly during the Vacation Bible School which is to start Monday, June 5 and other summer activities at Frio. All children who can and will be most cordially welcomed to attend the school. Among those who will help with the school are Mesdames W. J. Dickson, Floyd Cole, Owen Andrews, Henry Dobbs, Henry Andrews and Miss Betty Robbins, and the pastor, Rev. Shannon. Mrs. Shannon will help with the refreshments. Others will also probably help as all plans have not been made at the present.

Mr. and Mrs. J. E. Warrick

and E. B. Berryman visited relatives at Carey and Wellington during the week end.

Mr. and Mrs. T. L. Sparkman, Jr. and daughters, accompanied by Clark Andrews had dinner Sunday in the home of Mr. and Mrs. Elbert Summers. Mr. and Mrs. W. A. Springer were also Sunday visitors there.

Sunday dinner guests in the Owen Andrews home were Rev. and Mrs. R. L. Shannon and Miss Lavada Shannon, Mr. and Mrs. Dee Johnson and children, Miss Velma Irwin and Tommy Sparkman.

Mr. and Mrs. Luther Dowdy and family and Lee Roy Dowdy of Tulla, were guests in the L. Irwin home Sunday.

Joe Ed Andrews spent Sunday night and Monday with the T. L. Sparkmans, Jr., at Dawn and Misses Veradelle and Frances Andrews spent Tuesday and Wednesday there.

OUTSTANDING LION
J. D. Clayton, Conroe High School's football coach, was named outstanding Lion of the year by the Conroe Lion's Club recently. He received the Chevron Trophy presented each year to the club's outstanding member. He was also elected to the board of directors.

Mr. and Mrs. J. D. Harlin were in Plainview recently to see their son, J. B. Harlin, Jr. and family. They also visited in the home of her brother, Dr. A. Hope Owen, while there.

Hereford Bull

By JIMMIE GILLENTE

While everyone is sitting around moaning about one of the shortest wheat crops in recent years, Deaf Smith County is coming up with the largest corn crop in history. This is mostly in the irrigated areas and may run as high as 6,000 acres. Interest in corn may well be attributed to the new hybrid seed. Development of a corn resistant to borers could make a big difference in this area. D. L. McDonald used to grow corn here with tremendous yields, but the borers got so bad that he became discouraged.

Six thousand acres of corn is important as a money crop, but it could become even more important as a feed crop. Cattle which are shipped into Mid-West states for feed-lot fattening could well stay right in the community. This is a dream long cherished by G. W. Brumley and other old timers who have always contended that cattle fattened here could easily top the markets. A big corn crop is one of those little things that could become mighty, mighty big.

Sam Nunnally should have known better. But Sam is young, and will have to learn the hard way. When he sent that painter over to redecorate Glenn Weir's office, Sam stuck out his neck. Glenn called Sam during a cloudy afternoon to report that a beam had fallen on Sam's new office building. Sam got excited and wanted to know about the damage.

"There wasn't much," replied Glenn. "It was just a sun beam."

Note to all newcomers: If you must pull a practical joke don't for your own sake, pull it on Glenn Weir or Bob Higgins.

I think maybe the Republicans have cooled off. At least, they

See LUTHER PEVLEY about Real Estate Res. Phone 524-W

have stopped heckling me, so much. Bob Wear, Church of Christ minister, jumped right in where they left off, however. I believe he is maybe worse—if possible. Bob ordered some stationery for the new Kiwanis Club, of which he is president. We printed everything OK, except for the fact that Rotary Club was substituted for Kiwanis Club. Bob says this is an insult. I hope the Rotarians don't take the same attitude.

Ray Cowser says the V F W Convention here last week went off well. He says that a lot of good will was created for the community and that the delegates reported a wonderful time. Understand the B. and P. W. Convention is also scheduled in Hereford this year, probably in August. The Lions will be in Hereford next April. Looks like we are getting to be a convention town.

There is still considerable oil leasing in the area. One man ordered 400 additional lease forms this week. They don't know when it will stop. About the time they figure it is over, the leasing takes on new life. It is still "long shot" leasing in my books. I do think we will get oil in Hereford, but it might be 10 or 15 years—maybe longer. At least, there is nothing to get excited about in the immediate future.

Meanwhile, everyone is worrying about the census. We have 10 to 15 telephone calls each week. Don't know a thing. The division office in Amarillo hasn't come through with an estimate and they may not on towns under 10,000. I expect to get a county estimate before the town estimate, but hope I am wrong. Frank Cogdell even has a pot similar to those baseball pots. Everyone is interested. Understand a lot of folks are revising their guesses—downward. Some are saying 6,100 and 6,150.

Understand building costs are going up, too. Quite a few builders are being forced to withdraw estimates of more than 30 days

standing, due to rising costs. Groceries are advancing steadily on the wholesale markets. No big jumps, but steady: 15c to 20c per case on a lot of items.

Watch Homer Fox's column the next few weeks. He has an inspiration and will probably get it out of his system within a few days. Homer yearns to do a piece on "fat men" especially the ones with "pots." Homer is strictly a flyweight who, in his own words, carries rocks in his pockets on windy days. He is extremely jealous of fellows like Bob Thompson, Boyd Knox and Cliff Acker. Homer is talking it up. He can't hold out much longer, and I'll bet he does a good job. I understand he is taking vitamins to boost his own weight a little, but can't gain a pound. It will be 100 per cent jealousy — probably funny, too.

Have you been out along Harrison Highway lately? They sure are going to town. Already have two coats of asphalt on part of the road, and are working like mad. The contractors are the only people who are glad to see this dry weather. Conditions are ideal and they seem to be taking full advantage. Everyone in town should join in a big, big caravan to visit over the road when it is officially opened. Maybe we could take along some souvenirs and the band. Maybe they will bake a cake, or something. Getting this road took about 35 years and it is worth celebrating. Next thing we need is a crossing over the Canadian River near Vega. If Highway 51 ever connects with Dalhart, the fishermen will be more numerous than ever. This road will cut off a couple of hours to Colorado points for the South Plains and Eastern New Mexico.

Notice that Associated Press released an article about some folks in New York who hired some anti-rainmakers to com-

bat the official rainmakers. These folks are paying the anti-rainmakers 500 bucks a day, while the rainmakers get only \$100 a day. This had to happen. It just had to happen. Boy, those anti-rainmakers sure could clean up around here—if they could find a sponsor. I figure they are all screwballs or four-flushers. Maybe I am wrong.

Almost saw a flying saucer the other afternoon. Archie Scott called and reported one traveling east, and just northeast of town. I made a dash for the back door, but never could locate anything. This was probably due to the large number of trees around the Catholic Church. I even climbed on top of an old tractor on the International lot, but never could get a glimpse of a saucer. One time people laughed when anyone told about seeing these gadgets, but they are rapidly becoming accepted. Fact is, you really don't amount to much now days unless you have seen at least one.

Mr. and Mrs. Gaston Baer are just back from Rochester, Minn., where they went through Mayo Clinic. I all started out when Mrs. Baer decided to go, but Gaston (who just went along for the ride) was the one who really got the works. It all winds up with Gaston having lost 10 pounds and being placed on a diet. He says, however, that it is a wonderful country—except for the sick people. I think they were both mighty happy to be home.

Boy, oh Boy. Bud Bradley, who will operate the swimming pool this summer, just dropped in and said he wanted me to be the first official diver at the swimming pool opening next Saturday. This is wonderful. It eliminates bathing Saturday night. Bud made a mighty nice and flattering little talk. He recalled the 10-years during which The Brand worked for a swimming

pool and half-me feeling pretty good. I heard later, however, that they considered quite a few other people, but I was the only one they figured could make it across the pool. I heard Wednesday morning that they are going to put three life guards on each end of the pool and one at each end—even for me. Those guys make me sick. I will challenge S. O. Wilson and Don Zimmerman and Mayor Dameron all three to a race at one time, and give Don Zimmerman a pair of waterwings as a handicap.

What do they mean asking if it wouldn't be better to swim across the short way, rather than lengthwise of the pool? Just because those guys are getting so old that they always look at the food in a restaurant and never notice the waitress is no reason why they have to worry about me getting across the pool. Eight extra life guards, my eye.

On second thought, I believe I will go across the short way, though. Bud intimated that those life guards might get sunburned waiting for me to go the full length. Wonder if it will be cold? Mentioned this to my wife. Even she says I had better go across the short way. Jerry Stoltz just laughed when I asked him and said, "I told you to take up golf."

This is absolutely an insult. Do all of these people think I am getting old? This stuff is alright for guys like Ed Hedrick and Pit and Henry Sears and Alton Fraser and Harold Close. No sir, I'll show 'em. I go the long way and all of the way back. I don't care if the life guards do get sunburned. I'll do it or know the reason why!

Mr. and Mrs. Ira Foster and daughter, Gayle, plan to move to Oton June 1. Mr. Foster has been operating a drug store here the past year.

Mr. and Mrs. Henry Sears and family and Mr. and Mrs. J. J. McCracken and children have gone to Galveston and other southern points to spend a 10 day vacation.

Mr. and Mrs. J. B. Snead, Sr., from Littlefield, visited their son and his family, Mr. and Mrs. J. B. Snead, Jr., in Hereford Tuesday.

Gwendolyn Jesko is spending a week in Black with her sister-in-law, Mrs. Jimmie Jesko.

Mr. and Mrs. Robert Kersten made a business trip to Amarillo Monday.

RETAIL SALES IN TEXAS CITIES

JANUARY - MARCH, 1950
COMPARED WITH
JANUARY - MARCH, 1949

RETAIL SALES—Retail sales in Texas for the first quarter of 1950 were 12 per cent above the comparable period in 1949. Durable goods showed a 26 per cent increase, while sales of nondurable goods were up 4 per cent. Lubbock retailers scored the biggest increase, their sales rising 42 per cent. Retail sales advanced 31 per cent in Plainview, 26 per cent in Denison and 23 per cent in Amarillo and Austin. Sales decreased 2 per cent in Wichita Falls, 3 per cent in Orange and 8 per cent in Galveston.

WESTWAY NEWS

Scattered Showers Fall On Community Last Week

There were 75 present for Sunday School and church services here Sunday. Visitors present were Mrs. C. G. May, of Muleshoe, Bobbie Boyd of Amarillo and Mrs. W. W. Rhodes of Hereford. Jackie Lynne Johnson gave her birthday offering.

Rev. Moody Smith filled his appointment here Sunday morning and night. Mr. and Mrs. Smith were dinner guests in the Roy Lee Wilson home. They will come back the first week in June to conduct the Vacation Bible School. Registration for the school will be held on Saturday afternoon on June 3rd.

The Sunday School picnic at Buffalo Lake will be held on the evening of Friday, June 2.

Mrs. Kaul's Sunday School Class meeting and dinner will be held Friday evening of this week in her home.

Scattered showers fell in this vicinity the past week. Mrs. A. A. Head and Mrs. Abraham Drager report a good rain. In that part of the community the last of the week. Light showers fell here Sunday evening.

Most farmers in the irrigated section have watered row crop land and have started planting. A number are planting hybrid corn this year. Merlin Kaul reports planting 70 acres most of which is up.

Mr. and Mrs. Elmer Combs and boys, Eugene and Billy Don spent the week end at Plainview with his parents, Mr. and Mrs. W. E. Combs and other relatives.

Mary Kathryn Boyd is spending a few days in the home of her aunt, Mrs. Beulah Fulkerson at Roswell, N. M. Miss Bobbie Boyd of Amarillo spent the week end with her parents, Mr. and Mrs. Robert Boyd. Announcements received here last week from Bobbie announce her graduation from nurse's training at Northwest Texas Hospital on May 31.

Larry and Walter Kaul went with Scout Troop 50 on a camping trip to Tierra Blanca creek Friday and Saturday. Ralph Morrison is a new scouter from this community.

Little Ronald Lloyd Nunley, who has been ill the past week, will have his tonsils removed Friday.

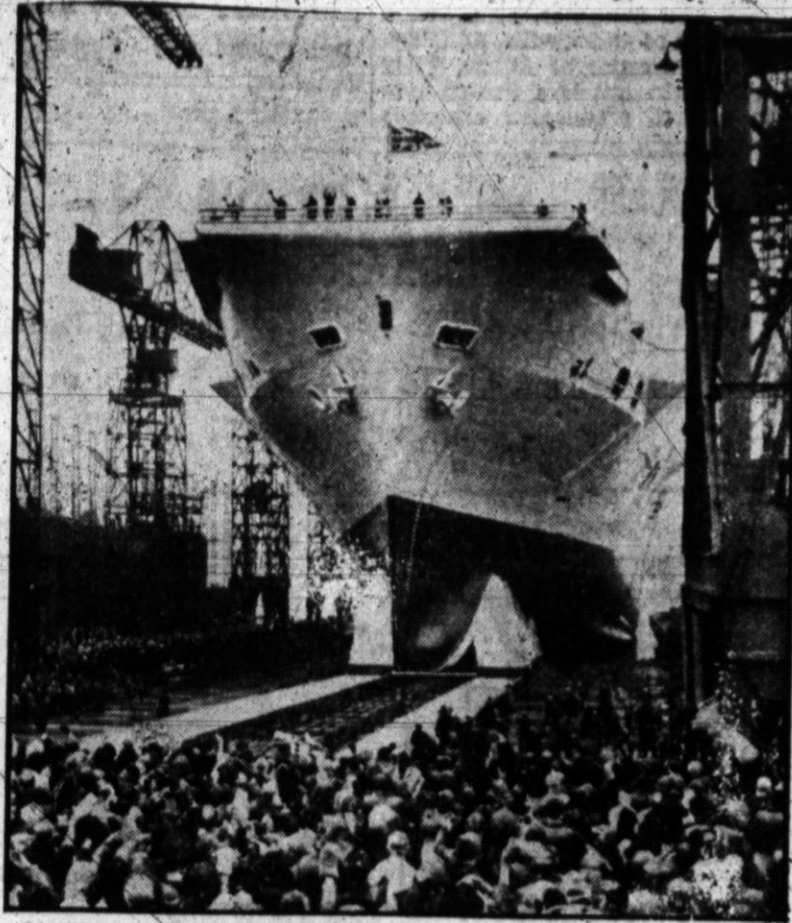

Mr. and Mrs. Merlin Kaul entertained to dinner Sunday Mr. and Mrs. Powell G. Clay of Tacoma, Washington, and Mr. and Mrs. Raymond Pierce and children Randy and Becky of Hereford. The Pierce family are leaving soon for an extended visit with her relatives near Silex, Missouri and from there plan to go to California.

Mr. and Mrs. Clay, who have been visiting relatives here for the past month, are leaving this week to return to their home in Tacoma.

The boys of the Junior and Intermediate Sunday School classes are working up a baseball team to play during the summer.

Rev. Don Davidson will not preach here next Sunday as he will be at conference.

Mr. and Mrs. A. L. Manjeot, Mr. and Mrs. John Pitman, Mac Pitman, Genevieve Eberle and Mr. and Mrs. Frank Cogdell spent last week end fishing at Conchas Dam.

QUEEN LAUNCHES NEW CARRIER—The 36,800-ton aircraft carrier Ark Royal slides down the ways at Birkenhead, England, after being christened by Queen Elizabeth. Except for the battleship Vanguard, the new flattop will be bigger than any British warship now in commission.

Sunshine Club Meets In George Miner Home

Sunshine Club was entertained in the home of Mrs. George Miner Monday afternoon. Mrs. Calvin Edwards reviewed another chapter in the book, "Party Line," for entertainment and Mrs. Clint Lundry won the penny gift. Mrs. Oscar Vaughn

Mrs. C. E. Sheppard and Mrs. B. C. Dement were presented with Sunshine gifts. The next meeting will be with Mrs. C. E. Sheppard on June 12.

Refreshments were served to Mesdames: J. C. Mays, Clint Lundry, Calvin Edwards, D. F. Mathis and the hostess.

Advertising is the bait that business fishermen use.

Plan Formal Opening Of Community House

Plans for the formal opening of the Sims Community House were made at a meeting of the Sims Home Demonstration Club in the home of Mrs. Orville Groneman recently. Mrs. C. W. Edwards, president, conducted the business session. An interesting demonstration on corsage making was given by Mrs. E. W. Thomas.

Refreshments were served to Mesdames: O. A. Alexander, E. A. Edwards, E. M. Thomas, M. W. Blankenship, C. H. Hainmook, C. W. Edwards, Glenn Hetzler, R. L. Brooks, Clarence Hollabaugh, Zerrell Thomas, R. L. Pinnell, Claud Bogle, V. Adams and the hostess.

CARD OF THANKS

Our most heartfelt thanks to all our dear friends and neighbors for the lovely deeds and kindnesses during the illness and loss of our beloved husband and Dad.

Mrs. W. H. Russell
Artis, Jess, Jack, L. B., Nora Jean, Mary Ruth, Daniel and Babe.

Local Real Estate Men Attend State Meeting

Sam Nunnally and Berie Elliston of Hereford attended the annual Texas Real Estate Association in San Antonio last week.

Nunnally said highpoints during the convention were John Ben Shepperd's talk on "The Fifth Freedom" and a talk by Robert P. Gerholz, national president of the National Association of Real Estate Boards from Washington, D. C. Gerholz spoke on "Realtors in Politics." Jeff Williams, cracker barrel commentator from Chickasha, Okla. also spun some of his humorous yarns in an interesting talk Nunnally said.

Nunnally and Hamlin Overstreet of Farwell participated in the program with talks on "wheat land." Nunnally was substituting for Glenn Weir, who was unable to attend.

Elliston said chief point of the convention as far as he was concerned was the prevailing idea that real estate men are going to have to get together and work for a common cause.

Six hundred realtors and wives attended.

Disarmament is all right if all nations disarm.

Jeff Gilbreath and J. C. Gilbreath left Tuesday for a 10-day visit with relatives in Columbia, Tennessee.

For many months, Ford Tractor engineers have been refining, developing and improving the Ford 8N Tractor. The result is that the Ford Tractor we offer you today is a better tractor than ever before... in 29 really important ways. The Ford Tractor has always been an outstandingly good tractor and has made a lot of farmer friends around here. Now we think you will be interested in the ways the engineers have found to make the Ford Tractor still better. Now, more than ever, it is worth your while to ask us for a demonstration of the Ford Tractor.

We're Ready with PROOF on Your Farm

Let us demonstrate to you what these improvements in the Ford Tractor mean: 10 Engine Improvements, 7 Transmission Improvements, a remarkable Steering Improvement, 4 Rear Axle Improvements and 7 Hydraulic Improvements. Yes, the Ford Tractor is a better tractor than ever. Phone us today for your demonstration.

LOW-COST, 12-DAY CRUISES FROM BERGEN, NORWAY

ON NEWLY-BUILT COASTAL EXPRESS STEAMERS TAKE VISITORS THROUGH MAGNIFICENT SCENES ALONG THE BEAUTIFUL COAST INTO THE EXOTIC LAND OF THE MOUNTAIN SUN, WHERE THE SUN NEVER SETS FROM MAY TO JULY.

ALL-EXPENSE TOURS TO EUROPE AVAILABLE THROUGH LOCAL TRAVEL AGENTS. SIMPLIFY TRAVEL BECAUSE THEY RELIEVE TOURISTS OF THE NEED FOR MAKING INDIVIDUAL HOTEL, RAIL AND BUS RESERVATIONS ABROAD.

LUXEMBOURG THE GRAVES OF AMERICAN SOLDIERS IN THE MILITARY CEMETERY AT HAMM HAVE BEEN ADOPTED BY LOCAL FAMILIES, WHO, ON MEMORIAL DAY, WILL COVER EACH ONE WITH FLOWERS.

pray to Christ. We westerners are a bad lot. But the badness is not inherent in our religion, Christian democracy. Christianity must not be blamed for the sins I commit which are contrary to Christ's teaching."

IMMANUEL LUTHERAN Sunday School children will bring a special offering for mission work in New Guinea next Sunday. During the past month each class has been studying about the country, and the history of our church's mission projects in this South Pacific country. Nearly all of the 350,000 children in Lutheran Sunday schools over the country will bring some special offering for mission work on Pentecost Sunday. The sermon for the day will be based on the story of the first Pentecost.

Sunday School and Bible Class convene at 10:30 A. M. each Sunday. The worship service will begin at 11:30 A. M. You are invited to listen to the Lutheran Hour each Sunday afternoon over KAMQ at 1:30 P. M. or over KPDA at 3:00 P. M., and to Pastor Lichtsinn's talk each Wednesday afternoon over KPAN at 1:30 P. M.

Seventh - Day Adventist will have as their speaker Saturday Elder G. A. LaGrone, Amarillo. May 27, a special offering will be taken for the support of the College of Medical Evangelist at the close of the church service. W. B. Ochs, acting vice-president, NA division, writes not only does the medical school need financial support but daily, sincere

prayers that it might be all the Lord would have it to be.

FIRST PRESBYTERIAN Church members are looking forward to their formal dedication ceremonies next Sunday of their new \$90,000 church building. Although services were held the last two Sundays, formal dedication May 28, will feature guests and the preaching of a former pastor of the church.

CHRISTIAN SCIENCE services are held each Sunday morning at eleven o'clock in the Star Theatre. All who are interested are cordially invited to attend. "Ancient and Modern Necromancy, Alas Mesmerism and Hypnotism, Denounced," is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 28.

The Golden Text is: "If God be for us, who can be against us?" (Romans 8:31). Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve" (Matthew 4:10).

The Lesson - Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Sin and disease must be thought before they can be manifested. You must control evil thoughts in the first instance, or they will control you in the second" (page 234).

FIRST BAPTIST Church will be the scene of the second faculty meeting of the Vacation Bible School today. The faculty will make plans for the school which will be held this year from June 5 through June 16. The first meeting was held last Tuesday at 3 o'clock and the second meeting will be held today at 3 o'clock. Every person who is helping in Vacation Bible school is urged to be present whether previously contacted or not.

Associational Training Union meeting was held Monday night at the Avenue Baptist Church. Associational Workers Conference will be held at 10 a. m. this morning at the Dawn Baptist Church. Sermon of the morning will be brought by District Missionary Rev. Franklin Swanner.

Ruth Pickens, former secretary of the church and Nancy Carle is pinning in the church front office.

FIRST METHODIST Church pastor Rev. Don Davidson led the program, "Why Not Try God?" Monday evening when the Wesleyan Service Guild met in the home of Mrs. Birdie Dee Fellers. Mrs. A. C. Thomson gave a violin solo. "The World Is Waiting for the Sunrise." New officers were installed by Rev. Davidson as follows: President, Mrs. Fellers; Vice-president, Betty Stanford; Recording Secretary, Navdne Wade; Corresponding Secretary, Luella Durham; Secretary of Missions, Onieta Davidson; and Secretary of Recreation and Supplies, Lois Bland. Miss Sadye Rigler, the retiring president was recognized as not missing a meeting in the three years of this organization. She has been president for a year and a half.

The Wednesday Evening Prayer service was held at 8 o'clock in Ward Hall with Mrs. Ida Ricketts leading the program in the absence of the Pastor who was in conference. There will be no morning of evening services in the First Methodist Church next Sunday, because of Annual Conference, which will be in session in Big Spring. Sunday School will be held, however, at the regular

time. Vacation Bible School will begin this Saturday and continue through next week. All parents are urged to get their children enrolled the very first day, since the school will last only one week this year.

HOME FOR SUMMER
 Mary Frye has returned to Dawn after spending the past school year teaching in the city schools of Roswell. She received her BS degree from West Texas State College Wednesday with a double major in art and education. She is the daughter of Mr. and Mrs. A. T. Frye.

ATTEND TECH COMMENCEMENT
 Mr. and Mrs. E. A. Herr, Mr. and Mrs. Frank Knabe and Joann and Mrs. Raynold Herr attended Baccalaureate services at Texas Tech Sunday night. Mr. and Mrs. E. A. Herr and Mr. and Mrs. Raynold Herr returned for graduation ceremonies Monday night when Wilford Herr graduated. Wilford majored in petroleum geology. He is visiting his parents at present.

GUESTS IN FOSTER HOME
 Guests of Mrs. Ira Foster the past week end were her sister, Mrs. Joyce Armstrong and son, Neal and daughter, Mrs. Frank Fancher of Gainesville, and Mrs. J. R. Lawrence of Anton. They joined Mr. and Mrs. Foster here to attend graduation exercises held Friday night at Hereford High School. Gayle Foster, their daughter, was a member of the graduating class.
