\$75,000 Contract Let For Walcott

Work on Deaf Smith County's newest school building—modern Walcott Elementary School—is due to start in the immediate future, it was revealed Monday. Bids were received last Thursday afternoon in a special meeting of the Walcott trustees in the county courthouse. Four firms submitted bids ranging from \$59,420 to \$67,666. General and electrical construction contract was awarded S. T. West of Memphis who named a low price of \$59,420. The Samson Company of Lubbock got the plumbing

contract with a bid of \$10,406. Total costs of the building is estimated close to \$75,000 including \$4,200 architect fees, according to L. H. Foster, county judge.

Plans for the new school were sent to the Texas State School Board for their opinion. With one minor exception, the placing of the butane heating unit, all plans met the requirements. Original drawings called for placing the heating unit inside and the state advised the school to put it outside as a safety precaution.

The new, 4-room school is expected to serve 65 scholastics which will be eligible to go to the school. It includes grades from first to eighth. There are 80 scholastics in the Walcott district but some 15 of those are of high school age.

With the combination cafeteria-auditorium and complete modern facilities, the Walcott grade school will be one of the finest.

A representative of the building firm was in Hereford Tuesday and visited the site of the new school, seven miles north of Boonies on a paved farm-to-market road. He said work will start as soon as equipment on order arrives.

Bids were let by Phillip Miller, president; Herbert Hoover, secretary and S. N. Thweatt, member.

Census Report Will Split Clerk's Office

Deaf Smith County government, when the 1950 census figures officially take hold next January 1, is due for some changes. District and County Clerk Robert Thompson said Tuesday.

His own job, Thompson said, will be split up to make room for two separate clerks, a District Clerk and a County Clerk. Counties of over 8,000 population are governed in that manner, Thompson said. In 1940, when the census was a little over 6,000, one man was elected to do both jobs.

But the change will not become effective until the 1952 elections.

Deaf Smith County will have to wait until 1950 or until the population of the county becomes 10,000 or over before the Sheriff's department undergoes a change. Then, Thompson said, the Sheriff, who now serves as Tax Collector-Assessor in addition to Sheriff, will share his job with a separate Tax Collector-Assessor. There will also be two jobs made from one in this case, the Sheriff having nothing to do with taxes.

But the latter change will have to wait until the county goes over 10,000.

Hold Reburial Rites For Lt. Harold Parsons Today

Reburial rites will be held this morning for Lt. Richard Harold Parsons, son of Mr. and Mrs. Grady Parsons, at Zachary Tay-

lor National Cemetery, Louisville, Kentucky. Lt. Parsons died in aerial combat over Liseux, France August 7, 1944.

According to a letter from the War Department, Lt. Parsons was a member of a B-26 Marauder crew which took part in a combat mission to Nogent Sur Seine, France August 7, 1944. About 1:35, that day, his plane was hit by enemy fighters and went down in flames. Two parachutes were seen to emerge from the plane but identity of the men were then unknown.

Liseux is on the Normandy Peninsula in the vicinity of Caen. Caen was taken by the British during the early campaign in France.

A letter from the wife of a Major Birdsong said Parsons' plane was hit in the gas tanks. The major later found that the French had buried all the boys where they fell.

The Parsons elected to have their son's remains returned here for reburial in a National Cemetery. The burial will be a group burial with seven other comrades of the plane in which Lt. Parsons died.

Mr. and Mrs. Parsons left Tuesday for Louisville for the services. They will be met in Louisville by a group of Gold Star Mothers. Transportation arrangements were made through the American Red Cross. (Continued on Page 2)

HOME WAS BUILT IN A DAY—With the framework already up, only five minutes after starting construction, more than 40 workmen, carpenters, electricians and plumbers in Santa Rosa, Calif., swarmed over a new \$8500 home, which was completed six and a half hours later, setting a new world record. It was estimated that 120 workers had a hand in the construction of the modern five-room house with attached garage by the time it was completed. The owners moved in the next day.

Junior Legion Baseball Playoff Scheduled Friday

American Legion Junior baseball teams from Perryton and Stratford will come to Hereford Friday to play a round-robin tournament with the Hereford Juniors to decide the Area champion. Area One Director Clifford Johnson announced Wednesday.

The first game, to be played at 3 o'clock Friday afternoon, pits Hereford against Stratford. Stratford plays Perryton at 6 o'clock in a twilight game and Perryton and Hereford will play at 8 o'clock Friday night to complete the tournament.

In the event a champion is not decided a playoff date will

be set Friday night, Johnson said.

All games will be seven innings long and admission has been set for \$1 for all three games or 35 cents for each. Cecil Parker, Hereford Post Commander, said.

Hereford coach Joe Smith said he plans to start Kenneth Brock on the mound against Stratford and either James Alston or Johnny Boyce will pitch against Perryton. James Nunnally will catch.

The local nine won the area championship from Stratford last summer in the final game of a three game series and are the defending champions.

Bi-Regional Convention Committees Are Named

Junior Chamber of Commerce members Tuesday noon met for a luncheon and business meeting at Hotel Jim Hill.

D. C. McWhorter, chairman of the committee in charge of the Bi-Regional Jaycee Convention to be held in Hereford in August, named various committees and members of the committees who will help work out convention plans.

McWhorter estimated the number to attend at more than 100 from the Lubbock and Amarillo regions. He said Hereford is extremely fortunate to get the convention as it will be the only one the two regions will have this year.

Many state Jaycee officials will be in Hereford on the occasion, but it is not known, now, who they will be.

Install Officers
Newly elected Jaycee officers were introduced. Installation of

the officers was noted to be the night of July 11 at a joint banquet and dance.

Committees for the Bi-Regional convention were: Invitational and Publicity—Darrell Blanton, Bill Howard and John Scott; Registration—Dick Lucas and Jim Woods; Hotel Reservations—J. W. Robinson, Jr. and Kenneth Coker; Dance—Jiggs Hartman, Ivan Block and J. A. McWhorter; Fellowship Hour—Bill Waldrep, T. J. Clay and Mutt Wheeler; Banquet—W. J. Reeves, Ed Skypala and John Kelly; Golf Tournament—Jim Terry; Welcome Committee—John Aiken, Jerry Stoltz and Paul Conaway; Transportation—Earl Hendricks and Samuel G. Nelson.

Twenty-four members were present for the meeting.

Youngster Cuts Leg Seriously In Farm Accident

Vacation time for Thomas Clyde Pressley, 9, came to a near tragic end Tuesday morning when his left leg was almost completely severed when he fell under a one-way plow on the Forrest Walker farm, 10 miles southwest of Vega.

Thomas, son of Mr. and Mrs. Roy C. Dunn, Amarillo, was spending the summer with his cousin, James Wetsel, 25, who was working the Walker farm, Tuesday morning, he was riding on the plow as Wetsel was pulling it with a tractor. Details of the accident were unknown but the boy's stepfather said he was probably in the act of jumping off the plow when he fell under it, the blades passing over both his legs.

Young Pressley is in Deaf Smith County Hospital for treatment. Dr. L. B. Barnett said his leg is almost completely cut off but he is showing improvement and apparent recovery.

The boy's parents live in Amarillo and his father was working at Borger when the accident occurred. Both are with him now at the hospital.

This is the third such accident, involving children, in the last two weeks.

NAMED STATE DIRECTOR
Jimmie Gillentine, publisher and editor of the Hereford Brand, was elected a three-year director of the Texas Press Association Saturday at the annual TPA meeting in Ft. Worth.

Question OF THE Week

If you had sufficient income to enable you to retire, where would you prefer to live?

Mrs. R. H. Cagle: I imagine out here somewhere; in Lubbock, Amarillo, or the suburbs of one of these. Of course living in Hereford would suit me just fine. But I wouldn't want to retire anytime soon, no matter how much money I had.

Dr. R. R. Wills: I would like to live in a climate that was more or less uniform in climate, not too hot and not too cold; cold enough to be snappy, but warm enough to be comfortable; close to recreational facilities: boating, fishing and golfing. If such a condition ever arose, however, I would probably stay right here, like the rest of us.

Mrs. Ray Suit: I'd probably have an established home in West Texas and do some traveling, preferably to points of interest in the United States that I hadn't seen. I had never thought of doing any foreign traveling unless it might be Canada, Alaska, and Hawaii.

Joe Smith: I would live in Hereford a great part of the time, but would spend some time at Mule Creek, New Mexico. I've just returned from there hunting and it fascinates me a great deal.

Mrs. Will S. Kerr: I believe in the mountains of the Pacific Northwest, because of the climate and then I just like the mountains. Fresh fish is my favorite food, and it is always plentiful in the Northwest. One can grow beautiful flowers there, and that is my hobby.

Cliff Estes: Having been reared here on the Plains and living here all my life, I suppose my choice would be right here.

Wheat Harvest Gets Off To Slow Start

Leland Lee brought the first load of 1950 wheat to Hereford elevators this week. He hadn't cut enough to get an approximation on his yield but the initial load tested about 60 according to Pijman Grain company.

General consensus of opinion is that all wheat will test high this year. Other loads besides Lee's, from his place southwest of Hereford, were brought in by T. E. Sigler, Smith and Nunnally, and O. W. Chapman.

A few other farmers were known to be cutting and storing on the farm. Wilbur Axe, 10 miles southeast of town was doing so.

Estimates put the 1950 harvest somewhere in the vicinity of 150,000 bushels from approximately 350,000 seeded acres. The county was allotted 337,000 acres. There is no way of determining anywhere close to how much wheat acreage was plowed under during the spring when green bugs and drought played havoc with the crop.

County Agent Hugh Clearman said it will be the worst crop in the past ten years.

Deaf Smith wheat growers were looking to a better than four million bushel crop in 1949, although it generally tested low. Some was even down to 44 pounds. Prospects were even better than that at this time, a year ago. However, extensive hail throughout the county cut back yields considerably.

Packard Milling reported one Castro County farmer brought in some 300 bushels of wheat and said that might be his crop for the year. Other elevators have no reports. It was also reported farmers are cutting when they can to make the best of the bad crop. They may harvest a small batch and wait a few days for the rest. No organization, compared to former years, accompanies this year's wheat harvest.

Chief reason for the demand is, according to McFarland, 4,000 acres of beets which were planted in early spring and which need thinning and weeding now.

Other crops such as onions, potatoes and lettuce will make room for many additional workers, McFarland added. McFarland said he has placed at least 400 workers in jobs since May 25. Virtually all were in agriculture work, but a few came from other sources. By the middle of next week, work will start digging potatoes.

T. E. C. office in Hereford is located on the basement floor of the county courthouse.

DAD GETS EXTRA SPECIAL PRESENT
There's one father who won't forget Father's Day 1950.

Ollie Craig Fulkerson, 29-year-old Dimmitt carpenter, became the father of twins Sunday and Father's Day.

Born at Dr. R. E. Lingenfelter's clinic, a son, Larry Dale, arrived Sunday morning at 3:50 p. m. Paula Jean, his twin sister, arrived nine minutes later at 3:59. Larry Dale checked in at four pounds, 13 ounces while Paula Jean weighed four pounds, 15 ounces at birth.

This brings Mr. and Mrs. Fulkerson's family to four children. They have a 2-year-old boy and a 4-year-old girl. The 20-year-old mother and her new arrivals are reported in fine shape.

The father's remark after being informed of the twins' birth by nurse, Mrs. Robert Holland:

"I can't believe it."

Five Teen-Agers Return For Trial
Five teen-agers have been arrested in Fallon, Nevada for burglarizing a filling station on the Deaf Smith County side of Glen Rio, at the far western tip of Highway 66 on June 13.

Sheriff J. C. Reese said he has been notified the five youths admitted the crime and waived extradition to be brought back to Deaf Smith County. Reported missing are 20 cartons of cigars, candy and a case of motor oil.

All five are from Kansas, Reese said. Being held are Charles Blake, 21; Don Blake, 16; Bob Blake, 14; Tommy Armstrong, 14; Jim Bowman, 17. Under law, the three under 17 are classed as juveniles.

Reese said deputy sheriff S. B. Berry and Ed Curtisinger are in Nevada now to bring the prisoners back for trial.

Mrs. W. M. Lemmon And Bob Bicknell Win In Census Guessing Contest

Bob Bicknell 115 Catalpa, and Mrs. W. M. Lemmon 704 E. 4th St. have been declared winners of the Hereford and Deaf Smith County population guessing contest sponsored by Jimmie Gillentine's Bull Column in The Hereford Brand. Bicknell, who guessed within 272 people of the correct population of Hereford, turned in an estimate of 5,080 people living in Hereford. Official census returns show 4,808 as Hereford's population as of 1950.

Mrs. Lemmon guessed 9,037 as the population of Deaf Smith County. Official returns show 9,073 for the county. Had the last two numbers of Mrs. Lemmon's guess been reversed, her guess would have been an exact prediction.

Each of the two winners will receive \$25 from Brand publisher, Jimmie Gillentine.

In second place, Duwayne Wallace guessed an even 9,000 people living in the county. J. E. Dyer, was second in estimating the population of Hereford with an estimate of 5,157.

Most of the 117 estimates submitted to The Brand were between six and seven thousand for Hereford's population. However, three people guessed 10,000, plus, and one guessed over 12,000.

Only person to underestimate the city population was Frank Tackett, Sr. who guessed 3,600.

Complete list of entrants with their city guesses listed, followed by county guesses:

Linn Smith, 8,888, 9,566; Lucille Freeman, 7,840, 5,680; Clyde R. Rush, 7,133, 13,705; Fred Bateman, 8,913, 15,000; Wm. W. Wells, 8,234, 15,232; Nolan Grady, 7,812, 13,121; Glenn Bell, 7,863, 13,733; Mrs. N. R. Miller, 10,250, 16,009; Cliff Estes, 6,800, 10,000; Mrs. O. G. Hill, 8,000, 14,000; M. C. Adams, 9,078, 13,240; Francis Hardwick, 6,985, 14,020; Jerry Stoltz, 7,975, 13,862; E. Roland, 7,696, 15,392; J. B. SECOND IN COUNTY—Duwayne Wallace guessed second behind Mrs. W. M. Lemmon who was closest to the correct census figure of 9,073.

WINNER—Bob Bicknell won first place and \$25 for his census estimate of 5,080 for the city which was actually 4,808.

SECOND IN COUNTY—Duwayne Wallace guessed second behind Mrs. W. M. Lemmon who was closest to the correct census figure of 9,073.

Deaf Smith County Wheat Producers Association will meet at the courthouse Saturday afternoon at 2:30 o'clock. All wheat farmers are urged to attend, especially those interested in future wheat prices and acreage allotments, according to Jeff Gilbreath, president.

The bunch that went to Eagle Nest last week end came back saying they were glad Art Manjoe went along, cause otherwise they wouldn't have had much to show for their efforts.

The Lions club installation of officers and ladies night will be a week from tonight. An excellent program is on tap for the event.

The Naval Reserve team VFW is playing tonight on the Veterans' Park diamond boosts an 8-1 record this season. They have knocked off some tough ones in winning these eight.

Fred Thompson of Pampa will talk on citizenship responsibility at the Thursday noon meeting of the Hereford Kiwanis Club. Other members of the Pampa Kiwanis Club are expected.

Elmer Patterson, Curtis Tra-week and L. E. Grose were admitted to the Toastmaster's club Tuesday night as new members. The meeting was a ladies' night dinner meeting at Hotel Jim Hill.

Democratic primary candidate for Congress, Leroy "Pete" La-Master, from Perryton, was in town Wednesday.

The Star Theatre free show and story telling hour attendance jumped to 437 Wednesday morning. Hereford Creamery supplied 36 dozen pop-sicles that fell just a few candy bars short for the day. Hereford Bakery will give cookies at the show next week. The story will be about Indians.

Homer Fox has a couple of hints for pheasant growers in his column this week that would go a long way toward helping bring up the population of these birds in this area.

City Secretary Mable Barnhart urges all citizens to render their property for taxation as soon as possible.

Lyle Blanton and Clell Best left yesterday to attend the Texas Butane Dealers' Annual Convention in Ft. Worth. They will return Sunday.

They lost the scorebook, but anyhow the Hereford American Legion Juniors came through Monday night with a 15-10 victory at Muleshoe. Kenneth Brock went the route on the mound with Thomas, Alston, Corbett and others showing some power at the plate. Coach Joe Smith also says they showed some mighty fine hustle.

Miller - Medlin company, new Hereford plumbing contractors at 125 Sampson, were awarded the plumbing contract on the new ice plant this week. An amusing incident at their opening Saturday was provided when Bobby Davis picked his mother, Mrs. T. L. Davis as winner for the silver service.

Christopher E. Short, 74, Buried At Grady Sunday

By MRS. A. L. CROSS
Funeral services for Christopher C. Short, 74, were held at the Church of Christ Sunday afternoon. Mr. Short was a resident of this community the past 19 years. Dudley Stout was in charge of the services. He is survived by his wife, Della, and a daughter, Miss Inez, and a stepson, Henry H. Ward, of Rankin, a sister, Mrs. Matilda Lee, who lives at McAlister, Oklahoma. Burial was in Grady Cemetery.

Mr. and Mrs. Pat Ridley spent last week at the Nazarene Camp in the Capatain Mountains. Bettie Blair, Clovis, spent last week visiting in the home of Mr. and Mrs. Windsor Laceywell. Mr. and Mrs. Curt Northcutt, Miami, Florida, are visiting his parents and other relatives and friends here. Mr. George Messenger spent four days of last week at Gallup attending the Postal Convention. Mr. and Mrs. Ralph Northcutt have just returned from three weeks in Miami, Florida. Going to Florida, they went the lower route through Louisiana, Mississippi and Alabama. On their return trip, they went to Georgia, Tennessee, Arkansas and Oklahoma. All the family reported a wonderful trip. There was a nice crowd out for skating last Friday night. Most everyone, who has wheat to cut, has begun harvesting. Mr. C. L. Hutchens' best wheat is making around eight bushels per acre.

Two Hereford Boys Enlist In U. S. Army

Sergeant Hayden Riddle announced two new enlistments into the Regular Army this week from Hereford. Voyné E. Hansen, 17, son of Mrs. Frank Veihl volunteered for duty with the Far Eastern Command June 19. Alfred Buck Wright, 23, volunteered for three years in the Regular Army and is at Fort Ord, California for basic training. Wright entered the Army June 20.

Tax Paying Time Will End June 30

Deadline for paying 1949 state and county taxes is June 30, Worth Covington, deputy county tax assessor-collector warned Wednesday. After that date, Covington said, taxes become delinquent and delinquent costs and penalties must be added. Second reminders of unpaid taxes for 1949 were mailed properly owners by the county office on June 1. Covington added that 96 percent of the 1949 taxes had been paid through May 31 and an estimated 98 per cent will be paid by the June 30 deadline. Total amount for the 1949 tax roll was \$10,593.89 and the total amount of collections through May 31 was \$179,835.98, leaving a balance of \$6,757.91 still unpaid. Breakdown on 1949 tax roll is \$54,927.09, state taxes; \$101,786.88 county taxes; \$19,879.92, Walcott school taxes. Collections on each is \$62,683.52, State taxes; \$97,816.26, county taxes; \$19,336.20, Walcott School taxes.

High Winds And Hail Cause Damage Sunday

A streak of storm crossing about seven miles west of town Sunday afternoon cut up a field of onions, knocked down an REA line post, blew away a shed and tore up some trees. Twenty acres of onions owned by McWhorter brothers was estimated to be a 20 to 70 per cent loss by onions growers Monday. Yield had been estimated between 500 and 700 bags to the acre by several growers. Mark Benefield's place south and east of the McWhorter farm was also hit by the strong wind and hail. Trees were uprooted and other damage reported from the wind. Clarence Morrison's place also felt the effects of the wind and the tin on a shed at the Alton Fraser farm was blown from the frame. More than an inch of moisture was reported throughout the area.

Vaccination Is Safest Control

AUSTIN — How many people do you know that still cling to the old-fashioned idea that the sooner children catch the so-called diseases of childhood, the better off they'll be? Take whooping cough, for example. Isn't it ridiculous for children to have to suffer with it when it may be prevented by simple vaccination? Whooping cough goes by the scientific name of pertussis. Regardless of what you call it, it still means violent, painful wracking coughing that takes the breath and tears at the chest and throat walls. Pertussis is prevalent among children everywhere. About 15 out of every 100 cases are in children under two. North America, from time to time, seems to have more than its fair share of cases. Sometimes it's fatal, especially to very small children. About 85 out of every 100 whooping cough deaths are among two-year-olds and less. And, strangely enough, most deaths are among girls. In 1949 Texas had 46 whooping cough deaths. So far in 1950, an average of 323 cases have been reported every week. Whooping cough is spread through droplet infection—that is, by breathing air contaminated by a sneeze or cough of an infected person. You can get it from using the personal things of an infected person, too. It is communicable from about 7 days after exposure until three weeks after the coughing starts. The important thing about whooping cough is that vaccination may protect against it. It's the only thing that will. If an unvaccinated child gets the disease, he will thereafter have what is called a "definite and prolonged immunity." But the fact of the matter is that second attacks have been known to occur. Vaccination of all pre-school children is the answer to control. "Booster" shots may be advisable within a year after the initial vaccination. Your family doctor will make that decision.

Bernice Elliston, who is recovering from an operation, was able to be taken home from the North West Texas Hospital Friday. Bernice is the daughter of Mr. and Mrs. R. W. Elliston of the Wyche Community.

Mrs. Floyd Tucker's sister and her family, Mr. and Mrs. Robert Daniel and sons, Troy and Morris, of Plainview visited the Floyd Tuckers recently.

Mrs. Gertrude Barber and daughter, Valda Rhea from Duncan, Okla., are visiting in the home of her aunt and uncle, Mr. and Mrs. R. M. Cantrell.

OF SMALL GRAINS, CORN, FLAX AND PASTURES
KILL WEEDS
in growing crops with

The new miracle chemical 2,4-D in Agricultural Weed-No-More, brings you the practical, low-cost way to kill weeds in growing small grains. Spraying Agricultural Weed-No-More on young corn is faster than cultivating, kills weeds right up to the corn plants, makes row-planting practical. On pastures, fence rows, ditch banks, and grassed waterways, Agricultural Weed-No-More kills many weeds, roots and all. Agricultural Weed-No-More goes on fast—covers 7 to 15 acres per hour. It goes far, too—1/4 pint to 2 pints in only 6 gallons of water treats 1 acre! Apply it by the new low-gallonage method developed and proved by Sherwin-Williams Research. Use a simple, low-cost rig that you or any local shop can quickly assemble.

High Winds And Rains Hit Across Community Sunday

By MRS. R. C. CHILDERS
Brand Correspondent

Two feeders were blown over by high winds and rain Sunday evening on the Art Lewis place four miles west of town. A roof was blown off a small building on the Dr. Willis' place that joins the Lewis' place on the west. A reported half inch of rain fell there.

Several suspicious clouds were reported to have been seen during the storm. Rains were fairly general but the amounts varied. Earl DeHart, reported an inch on his farm while .75 inches fell on the south half of the R. C. Childers place. On the north part, only a light shower was reported. Moisture is very helpful to one farmer while to another it might be damaging. Some of the row crops planted recently and which were not up before the rain, will have to be replanted. The part that had already come up will be aided greatly by the showers.

Damage to the onion crops by wind and rain left the tops lying on the ground. No hail was reported in this vicinity.

Lightning broke some electric wires in front of the Jack Renfro farm and left several homes without current.

Mrs. R. C. Childers visited in the home of Mrs. Arnold Hershey Tuesday. She was also shown

through the dairy of Stewart Condon, Jr.

Mr. and Mrs. C. S. Barclay were dinner guests in the home of Mr. and Mrs. Bill Simpson in the Jumbo Community.

Mr. and Mrs. Grady Parsons and family, Jack and Ella May, left today to attend the funeral of their son, Richard, who was killed during the war.

Mr. and Mrs. Jack Renfro were back Friday to look over his farming interests here. Renfro is in Altus, Oklahoma where the potato harvest is in full swing. He isn't expected back for two weeks or more.

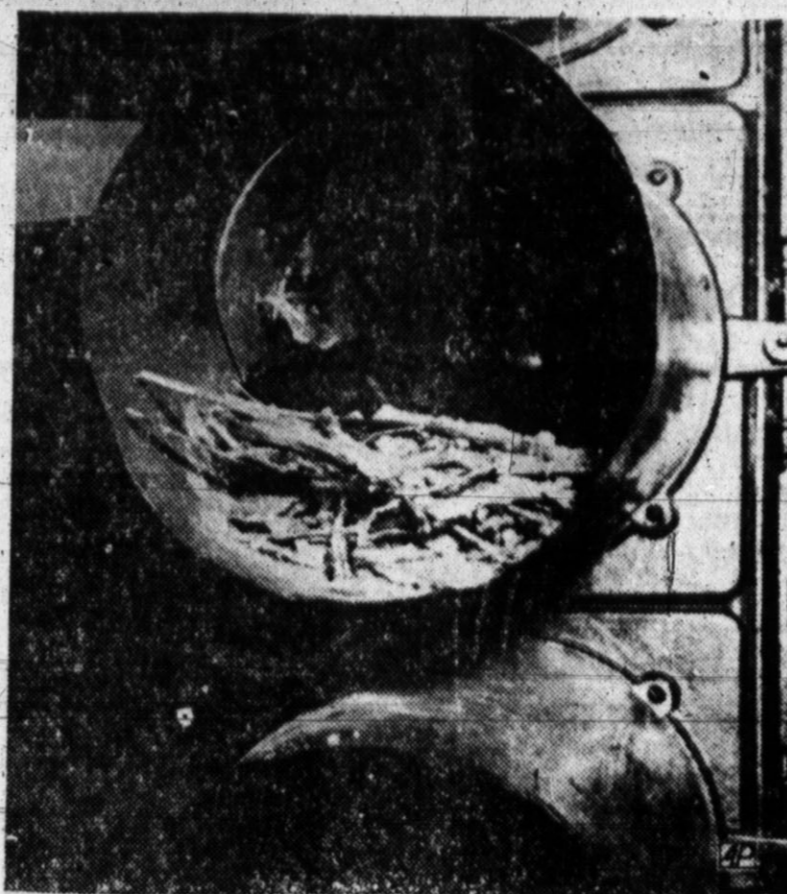

Workers 4-H Club will meet in the R. N. Cooke home Tuesday, June 27, at 2:30 p. m. All 4-H Girls are urged to attend this meeting.

Construction has been resumed again on Mr. and Mrs. Earl DeHart's garage apartment. This will be their temporary home until their new house can be constructed.

Patricia Childers is spending the summer with her sister, Mrs. C. S. Barclay.

Cultural Home Demonstration Club will meet with Mrs. Clinton Jackson, June 23, at 2:30 p. m. Mrs. George Parker is hostess. The Hereford Brand is going to take a picture of the club and run a feature story about them in the near future. All members are urged to be present for this important meeting.

Mrs. Jack Wilson and son, Robert Earl, and Mrs. Bob Childers, from Houston, were house guests last week end in the home of her son and wife, Mr. and Mrs. R. C. Childers. Mrs. Wilson

and niece of the couple. Also visiting in the Childers' home were Mrs. J. H. Babcock, J. H. Jr., and Sweetie, from Kermit. Mrs. Babcock is Mrs. Childers' sister.

An ice cream supper was served at the Childers' home Thursday night to Mr. and Mrs. Wayne Johnson, Mr. and Mrs. C. S. Barclay, Mrs. Bob Childers, Mrs. Jack Wilson, Robert Wilson, Austin Johnson, Patsy Childers, Raymond Childers, the host and hostess.

Gift Party In Noland Home Honors Mrs. Lee

SUMMERFIELD. (Spl.)—Mrs. Wayne Lee was named honoree at a gift party given at the home of Mrs. J. B. Noland recently. A pink and blue color theme was used in decoration and appointments.

Mrs. A. A. Simons reviewed a book. The gifts were then presented to Mrs. Lee. Those attending the party were Mesdames: L. L. Cannon, L. H. Lookingbill, L. B. Lookingbill, Carter, Carl Lee, J. H. Patrick, Earl Lance, Sr., D. C. Walser, J. F. Cheatham, Earl Lance, Jr., C. R. Walser, Guy Walser, O. B. Sumner, A. A. Simons, the honoree and the hostess.

Mr. and Mrs. Wallace McGehee and son, Charles, of Kansas City, Mo., spent the past week end with his parents, Mr. and Mrs. Wm. McGehee.

HERE IS HOW... Extra PAYMENTS ON YOUR FARM LOAN CAN DO DOUBLE-DUTY...

Patriotic farmers work long hours to get a job done. It's this "double-duty" that means the difference between a good crop and just a fair one.

It's double-duty performance too, that tells the difference between ordinary farm loans and the new, long-term loan with the PREPAYMENT RESERVE now available at this bank.

In an ordinary loan, extra payments on principal reduce future interest charges, and no more. They stop working for you then and there.

Extra payments on your loan from this bank not only give you full interest saving—they also build, at no cost to you, a reserve for paying interest and principal in less favorable years.

Don't be satisfied with an ordinary loan! Insist on one that makes your extra payments do "double-duty."

Now, through our special arrangement with The Equitable Life Assurance Society,

you can obtain farm loans from this bank with this unusual feature and other advantages listed below.

CHECK THESE ADVANTAGES

- 1 Prompt, friendly local service—No red tape... Deal with people you know.
- 2 Pay any amount at any time from farm income—the famous Farm Income Privilege.
- 3 No extra charges—No stock obligations. No fees and no commission to pay... only the usual abstracting or title policy and recording expense.
- 4 4% guaranteed 40 years—Take your choice of 14 different plans.
- 5 Save time and money—Make the payments on your loan here at this bank.
- 6 Prepayment Reserve—Save interest on your extra payments while they build a reserve to tide you over lean years.

Hereford Bull

By JIMMIE GILLENLINE

Back from the Texas Press Meeting in Ft. Worth the past week end and Hereford still looks mighty good, despite the fact that we have only 4,808 population!

The meeting this year featured some outstanding speakers, a tour of Swift Packing Company and of huge Consolidated Vultee Aircraft Corporation plant. People told us how to choose type faces, how to handle advertising—even how to write columns. Gov. Allan Shivers was at the meeting and sent his personal regards to Jim Witherpoon. The hotel manager also looked me up to find out about Ralph and Bill Smith; said he used to play in a band with them when they were with Brunks Comedians, Ben Ezzell of Canadian and Bert Neelley of Friona, both former Brand boys who are successfully operating newspapers of their own, were at the meeting.

An elevator got stuck one time and our six-year-old Sara heard some people talking about it. We could hardly budge her from the room. Once she cried until her mother walked down six floors of steps with her to avoid the elevator. Furthermore, she still doesn't have much use for elevators.

I gathered a lot of notes to use in this column, but got completely side-tracked on the return trip. This happened when we got to Decatur, Texas, 35 miles from Ft. Worth, where we spent Sunday afternoon and night with relatives. I am talking about television. Until last Sunday I knew that TV existed, but had paid little attention to it. Now I am firmly convinced that it is going to make a tremendous difference in the way all of us live. Furthermore, within 24 months Amarillo will likely have a station and the people of this community will be sitting around viewing the programs. Don't let anyone kid you, television is here to stay—and you will probably go wild about it. Think about sitting in your own living room and watching the World Series. You probably will do just that in 1951 or 1952.

Television becomes a reality when you sit in a room in a little country town and see it working as we did last Sunday. Baseball games, "Information Please," "Hop-A-Long Cassidy," news casts, "Arthur Godfrey" and scores of other programs. There are, of course, improvements to be made and wrinkles to be worked out—but it is here to stay and will spread rapidly.

What will happen when television shifts into high gear within the next few years? I would say that the theatres and the radio stations had better dodge. Also that the newspapers will see a drastic reduction in manufacturer lineage. TV will become a powerful advertising medium.

Most important, however, is the probability that television will open again centralize home life. Where the automobile completely changed the American way of life, it is highly possible that television will return us to the former status. Possibilities are unlimited in the field of education through television. It is also likely that the old fashion

vaudeville acts will return to America, perhaps stronger than ever before. Television is perhaps the most far-reaching and most potent factor in American life since introduction of the automobile. Let us hope that they will consider, along with entertainment possibilities, some of these other factors.

Maybe I am overboard, but these things will happen much sooner than most of us think.

Most of the editors who attended the convention were literally burned up about the population decreases. Many of the counties have shown sharp losses and very, very few towns have sizeable gains. Cities, on the other hand, are showing big gains. These things are, of course, close to home for most people, but I keep wondering about significance of the decline in size of the average family unit. What will this mean to the country in the long run? A few generations back it was not at all unusual to see families with six to 12 children; last census recorded about four and one-third persons to the family, while the 1950 census shows slightly over three persons to the family. In many ways this could be highly important. Economics, agriculture—even warfare—all could be well involved.

Scores and scores of people around Hereford are mentioning and talking about the proposed lake which the Legion-VFW boys are planning in the park. This could be the finest thing that ever happened around Hereford. Jim Lipscomb says the Buffalo Lake concessions are bringing in around \$20,000 a year. Once the kids around Hereford could go out a few hours and return with a string of fine perch. Today the creek is "literally gone." What's left is "sewed up" with leases by sportsmen, mostly from other towns. The community has lost one of its most important recreation facilities. Maybe these boys have the answer. Anyway, they plan to give it a try.

Saw Joe Smith Tuesday. He says they got two lions on the hunt. Also that he got some wonderful pictures. He has promised to do us a short sketch and maybe release a picture about the trip.

A delegation of Home Demonstration ladies just went through The Brand plant on an inspection tour. This is wonderful. We are mighty glad to have them—and any other interested groups. One of the press meeting speakers elaborated on this exact subject. He says that newspapers have the poorest public relations of any business in the world, and that they need it most. Anyway, we are mighty happy about the whole thing.

The speaker who told about columns also suggested some pertinent topics, such as: The cannibal who became civilized, but had two wives; rather than remain a bigamist, he ate one. Another suggestion was, "Murders at the breakfast table are 1.5 per cent of those actually considered." His final suggestion was about the meapest man in town: "A restaurant owner who went around pinching the waitresses tips."

Ruth Bible Class Meets In Buse Home Thursday
The Ruth Bible Class of the First Baptist Church met in the

home of Mrs. H. D. Buse last Thursday night. The roll call was answered by each lady, telling where she was married. A short business meeting was

conducted by Mrs. Floyd Tucker, president of the class. Following this was a piano solo by Mary Ruth Strange and a reading given by Jo Williams. Mrs. Louise

Olsen closed the meeting with prayer. Refreshments of ice cream and cake were served to the 10 class members present and their

teacher, Mrs. R. E. Caddell. Mrs. Floyd Tucker and Mrs. H. D. Buse were co-hostesses.

Arriving Saturday from Amarillo to visit her parents, Mr. and Mrs. C. F. Kerr, was Mrs. R. H. Birchfield, and her sons, John and Richard. They returned home Tuesday.

Revival Closes Sunday With Fair Sized Crowd

MRS. OWEN ANDREWS, Brand Correspondent

and Mrs. Sam Lindley are planning the birth of a son, in they have named Loyd Lam. The baby was born at 14th, at the Dimmitt Memorial hospital. Mrs. Lindley and her mother came home Saturday.

Mr. and Mrs. Oscar Hunt spent the week in Kansas City, Kansas, visiting her parents, Mr. and Mrs. Geo. H. Reitz.

Mrs. W. C. Lowery, who has been with her mother at Welling for several days, planned to go home the middle of this week. The mother, Mrs. Owens, much improved and was able to be taken home from the hospital the last of the week.

Mr. and Mrs. Earl Lowery and his wife spent the week end at Telephone, Texas, visiting relatives and brought Mrs. Lowery's parents, the Davises, home when they returned. The Davises had been making an extended visit here with another daughter.

Mr. and Mrs. E. F. Vogler and his wife spent the week end with Mr. Vogler's relatives at Lamesa. Mr. Vogler was not able to enjoy the visit much, however, because he was sick from having had some wisdom teeth extracted last week.

The revival closed Sunday night, with a fair sized crowd, in spite of the cloud hovering over the time for services to begin. About 130 people were present for church services Sunday morning, with 120 counted at the Sunday School hour. Rev. Greenwood spent the nights last week in the homes of the H. E. Lindleys, the Robert Simpsons and the J. M. Simpsons, and he and the Shannons were dinner guests each day with different families in the community.

Mrs. Leo Hall has her brother, Charles, visiting her. He is in Oklahoma.

Bill Moring, of Stephenville, is spending the summer with his sister, Mrs. Glenn Gripp. He is helping the Gripps farm. He is a student and will be senior next year at McMurry College. He came home with the Gripps about two weeks ago, when they attended the wedding of another brother down in that locality.

Visitors Friday in the J. E. Warrick home were Mr. and Mrs. N. E. Gass of Hereford, and Miss Lula Peters of Phillips.

Sunday dinner guests with the E. B. Berrymans were Mr. and Mrs. Owen Andrews and family, Mr. and Mrs. Henry Dobbs, James and Larry. Afternoon visitors

Ben Guill Reports To The People

Both Marjorie and Hugh's grandmother were "bushed."

War-time experience in house hunting proved to be good training, and with the Guill luck still riding high I had managed to find a home into which we could move when the rest of the family arrived. I had met a young lawyer here who wanted to send his wife and baby to Florida for the summer. When I sub-leased from him, it made it possible for him to pay equally high prices in Florida.

Two hundred bucks each month is rough, but even that price is cheap compared to some houses I have investigated.

As I signed the lease I had some pretty bitter thoughts about what has happened to our American dollar during the last ten years.

For instance, as I write this, the Senate is due to vote on the new Social Security Bill in a few days. (The Bill passed the House last year.) The Social Security Act was first passed in 1935. Millions of folks started to put money into the fund at that time, when a dollar was really a dollar. Now, when they are beginning to get their money back in benefits, it comes in dollars worth only a fraction of the dollars they originally put into the fund.

Twenty years ago our government cost the average family less than \$200 a year. This year the government of the United States (counting all the hidden taxes, etc.) cost the average family \$1,300 a year. If the all-out welfare program proposed by the Democratic National Resolutions Committee is adopted, the figure would be raised another \$500.

We're supporting more people, too. Fifteen per cent of the population of this country now receives Government money either in salaries or benefits. If we add dependents the figure comes to around 40 per cent of the total population.

Leon Keyserling, the President's chief economic advisor, recently made a fantastic statement. In a speech delivered on May 15 he argued that we should turn our back on economy forever and raise taxes still higher if we want to achieve permanent prosperity. The reason? Because the ordinary person would only spend his money foolishly and the government would spend it wisely.

Karl Marx held that the best way to achieve the Socialist State—short of bloodshed—was through high taxes. The Socialist government of England appropriates 40 per cent of the national income. Our Government now appropriates 25 per cent and the average rises each year. And despite that high taxation, the government, in a time of peace and prosperity, is spending five billion dollars a year more than it is taking in.

These are the thoughts I had in paying the rent, and, since they're thoughts which concern all of us very closely, I thought I'd pass them on. They're not thoughts to cheer the soul.

It looks as if a support price on the Grain Sorghum Crop will be announced within the next week.

The Commodity Credit Appropriation Bill is still in committee but it is expected that it will be passed out favorably this week and will be approved by both the House and the Senate within a few days thereafter. It is also expected that the President will sign the bill and make it law.

Secretary of Agriculture Brannan must wait for the Bill to be signed before he announces support prices. (Unless the Bill is signed there won't be any funds to supply the supports). I have spoken with members of the House and Senate Agricultural Committees and they predict that the supports will be satisfactory to Panhandle farmers.

Storm Damages Crops And Buildings In Area Sunday

By **BOBBIE WALSER**
Brand Correspondent

Strong winds accompanied by rain Sunday afternoon caused considerable damage around Summerfield. From a quarter to half an inch of rain was reported south of town.

Trees and out buildings on the Lee Curry farm were damaged south of town while heavier rain was reported to the north. As much as two inches fell in some places.

The H. H. Langford farm fences were blown down and a window was broken in the house. Further damage was done to the garden.

Pat Patrick said he received an inch and a half of rain in 14 minutes west of town.

Windmills on the Ray Johnson and Henry Copper places in Summerfield were blown over. Johnson's tractor and combine were blown about 150 feet. O. B. Heffner's tractor shield blew about half a mile and so did his chicken house.

Claudice Macain Bolter's house and two sheds were blown down and his chicken house was turned around. It also turned his hog house over and killed five pigs. Perry McMinn's tin grainery was torn from its foundation and blew about 200 feet. They received about one inch of rain at

Summerfield store. Crops of all sorts were damaged. It took the tops off of H. H. Langford's beets. Trees and shrubs were damaged.

Mrs. Clyde Cave Wins Bracelet Second Time

Irma Terry garnered most of the honors on Ladies Day, Thursday, as she shot the low gross score and also had the low score on the 3 and 5 par holes. Eula Lee Cave won the bracelet for the second week in a row with her low net, 75-51, 24.

Nine women entered Ladies Day competition this week. They were Rhea Barret, Pauline Howard, Irma Terry, Marie Cogdell, Cora Jane Benson, Clarice McCaslin, Eula Lee Cave, Mrs. D. B. Roberson and Irene Conaway.

An active schedule has been mapped out by the tournament committee headed by Mrs. Hardy Benson, chairman.

The calendar of future events includes:

June 22—Flag Day.

June 29—Low Score on 4 par

July 6—points: 1, double bogies; 2, bogie; 3, par; 4, birdie.

July 13—Substitute par for worst holes.

July 27—low putt.

August 3—low gross on odd holes.

August 10—most of any one number.

August 17—qualify for Hereford Women's Championship Golf Tournament.

August 24 and 31—play tournament.

Kester Jewelry has already offered a Duroille cake server as a prize for the tournament and others are expected.

From The Grandstand

By WILBUR MARTIN Associated Press Staff

Quick now, if your golf shot landed in a trap of soft sand nuzzling the green how would you get it out?

Polly Riley, one of the nation's best women golfers, putted out in this instance and to our wide-eyed question explained why.

"The sand is so soft that if you tried to blast it out, you probably wouldn't. With a putter you may not be so accurate but you get it out."

This was just one instance in the Women's Trans-Mississippi Golf tournament where a duffer could pick up a lot of practical tips by keeping his eyes open.

Going a step beyond this, we trailed seven matches in the second round of this blue-ribbon tournament at Dallas recently with the purpose of picking up secrets of success conversationally dropped by the players.

"Hear you're going to move into your new house," Betty Dodd of San Antonio said to Mrs. L. M. Keating of Houston just after she smacked one down the middle about 175 yards.

"Should be soon," said Mrs. Keating and then she duplicated the drive. "The yard's finished now."

That didn't tell me how they managed to stay in the fairway. "If you get 'em in there you're

Funk Tangles With World's Champion Sat.

It won't be a title match, but wrestling fans will have the opportunity to view the World's Champion at work next Saturday night at the Bull Barn when Ardy Tremaine comes in for a tussle with the Terror of the Plains, Dory Funk, Boys' Ranch Athletic Director.

Tremaine, who only recently wrestled his title in a Galveston fight, was scheduled to fight Tommy Martindale for the World Light Heavyweight Championship tonight in Amarillo. But, early this week, it was revealed that Martindale was not able to make the weight limits and the fight, as far as the title is concerned, was called off. He will fight in Amarillo but it will be a non-title bout.

If a worthy opponent—one who can meet weight requirements—can be found, Tremaine will fight here in Hereford for the World's title July 1, Lion's Club wrestling manager Guy Lawrence said.

Jaycees Win 17-11 At Perryton Sunday

Hereford Jaycees beat Perryton Jaycees 17-11 Sunday afternoon on the Perryton golf course.

Jim Terry, Stan Barrett, Bill Waldrop, Derrell Blanton and Sam Nelson each won three points and Bill Howard won two to get the 17. Points were won on a basis of match play and one to each nine and the 18 holes.

Terry shot the low medal score for the afternoon with a two over par 74. Carol McQuary of Perryton was second with a 76.

Perryton will return the match July 18.

supposed to get 'em out," said Miss Riley as she chipped from beside a barbed wire fence on to the green.

Op, but how? Not a single player discussed the subject. "Good shot," or "Look at that" was about it.

Which was kind of disappointing. We would have liked to have had Beverly Hanson or Mary Ann Villegas explain how they one-putted so many greens. Especially those twenty foot ones

Handicap Tourney Is Tied-Up Three Ways

The Handicap Golf Tournament practically evolved into one big tie this week. Of the four matches played last week, three were tied at the end of 18 holes.

In Championship play John Channer defeated Joe Kerr 4 and 3 in A flight. Martin Pavletich and Ed Young were tied at the end of 18 for the B flight title. Pavletich has a 14 stroke handicap and Young 23. Channer has a 13 handicap and will play the winner of the Pavletich Young match.

Both consolation matches ended in dead heats. Bill Dameron and Mutti Wheeler are playing in B flight and Owen Jacks and Wayne Phillips in A flight.

Consolation winners get 12 1/2 per cent of the \$52 entrance fees golf merchandise and the two flight winners receive 20 per cent. The winner between the two gets an extra 10 per cent.

Comments On Sports

By ED SIMS BASEBALL — The action of Washington's major-league baseball team has stirred fresh speculation that baseball's organization structure may be headed for the Supreme Court.

Though the high court has just recessed for the summer, there is growing suspicion in Washington that organized baseball is due for a test.

It is no secret that recent cases, pushed by ex-Mexican League players against organized baseball, caused some concern among baseball officials.

And Commissioner A. B. Chandler's office was glad to get them settled out of court. There was some concern when Dick Wakefield threatened to carry him-

self to the courts, but Chandler talked him out of that. Washington Nats, however, have just made a move demonstrating how rigid, organized baseball is. The Nats have sent Lloyd Hittle to a double-A ball club, because he couldn't make the grade with Washington; also but only Hittle will be considered in this example.

Lloyd Hittle cost Washington \$60,000 and three players when he came from Oakland, of the triple-A coast league. Because he

Anderson Blanks Vigo Park As Vets Win 2-0; Play Game Tonight

Manager Andy Anderson stepped into the pitcher's box Sunday and threw them past Vigo Park batters for nine innings, giving up only 4 hits and no runs in the process. He also sent 15 of them back into the dugout via strikeouts.

CANINE CADDY—Albert Catanzaro of Chicago looks over some of the thousands of golf balls his dog, Whiz, has retrieved from golf courses, as Whiz proudly contemplates his haul. Catanzaro taught the pooch to search the rough for lost balls. Thus far, the "golferound retriever" has recovered more than 5000.

Hereford scored runs in the first and sixth inning.

Bud Stenge will be behind the plate. Time 8:30; Veteran's Park diamond.

Johnny Renner will take the mound at 8:30 tonight as the strong Amarillo Naval Reserve team invades Hereford.

Several out-of-towners and fathers played or walked around the course Sunday. It was the highest week end yet, as 87 played.

Johnnie Howell of Lubbock, Buddy Posey of Clarendon and others played. One celebrated visitor here last week was A. O. Nicholas of Dallas who played his leaf course and chalked it up as number 762. That's how many different courses he has played in 45 states and four foreign countries in 30 years.

Buddy Posey won the sweepstakes with 73 minus 5 handicap for a 68. Wright Williams of Friona was second with an 81-10.

71. Homer Lee Owens, Joe Kerr and Urlin Streu tied at 72. Homer Lee had 89-17, 72; Joe shot 84-12, 72; Urlin had 79-7, 72. Bert Shackelford had a 94-21, 73 and Will Graham fired a 92-19, 73.

A new Rules Board has been installed on number one tee. Note there is a \$5 fine for purposely damaging greens. Signs have also been put on all greens asking players to fix divots.

The traps are now full of heavy sand and are playable. Etiquette for playing shots out of a trap calls for the player to enter and leave the trap at the ends and rake out foot prints and the hole made in shooting. The rule reads you cannot ground your club before striking the ball. There's a one stroke penalty for violation of the rule.

Sunday's Results Canyon 20, Umbarger 7, Nazareth 8, Hart 4, Vega 11, Tulla 7, Hereford 2, Vigo Park 0.

In winning Sunday afternoon VFW got eight hits, with Wendell Burdine and Conrad Clark getting two each. Clark's two hits drove in both runs. Lueb was aboard in the first and scored and Burdine scored after singing in the sixth.

The Vets play Umbarger here Sunday.

But few people appreciate those same qualities in a hot summer's day. Most of us would rather be comfortable. When the sun is really bearing down, and the thermometer is stuck on a hundred-and-some in the shade, your evaporative cooler is a real life saver! Turn it on and feel it . . . degrees and degrees of difference! Clean, fresh air . . . every breath sparkling-washed in cool, cool water. That's how much more pleasant summer living can be!

See your favorite electrical dealer . . . or ask your Public Service representative . . . you'll find the evaporative cooler to suit your needs, for home or business. It's economical, too . . . low-cost, dependable electric service makes it that way!

Hereford, Mr. and Mrs. Jack Clark and son and Mr. and Mrs. W. H. Clements visited Sunday with Mr. and Mrs. Elmer Northcutt and children.

Mr. and Mrs. Elmer Northcutt attended the steer roping in Clovis recently.

Mrs. Bob Wily gave a Stanley Party Tuesday which was attended by several ladies.

Mr. Dwight Rouse and two sons from Farmington, N. M. visited his father and mother, Mr. and Mrs. J. E. Rouse, several days recently. They attended business interests in Hereford at the same time. Dwight is the owner of Hereford Shoe Store. Sonie Rouse is visiting and helping his grandfather with the farming this summer.

Mrs. S. N. Thweatt's father, Mr. J. R. Hagan, and sister, Miss Mattie Lou Hagan, of Levelland visited recently in the Thweatt home.

Mrs. Walter Thompson, third grade teacher at Hereford, is attending summer school at Eastern New Mexico University in Portales. Her son, Charles Murry Thompson, is staying at home with his father, Walter Thompson, this summer.

Bruce Coleman purchased a new row crop tractor in Clovis last Monday.

Mr. S. N. Thweatt traded the road contractors the water from his dam for two cache drives.

By Wednesday, June 14, the rock base on Harrison Highway will be completed. About half of the black top has been finished. Drivers are warned to be care-

ful when driving over the road. Since the light rains fell in our community everyone in our community is busy plowing land for summer fallow and planting and sowing row crop.

Harvest of the few acres of wheat we have left will probably start June 19.

A meeting of Walcott School Trustees was held in the home of S. N. Thweatt Tuesday evening.

Mr. and Mrs. Posey, Lee, Burl, and baby, visited their parents in Hereford over the week end.

Mr. and Mrs. Eldred Brown visited in the home of Mr. and Mrs. Frances Decker and daughter Sunday.

Mrs. Jasie Busby and Norma Joe attended church Sunday at Rosedale Baptist.

Mr. and Mrs. T. J. Poindexter and children visited Mrs. Joe Poindexter in Hereford Saturday.

Mr. and Mrs. Earl Monroe and children made a business trip to Hereford Thursday.

Mr. and Mrs. L. E. Beene and children, Wayne and Mary Ann, from Dimmitt, visited friends in our community Thursday.

Mr. and Mrs. N. A. Brown and son, Floyd, visited Mrs. Brown's father, W. L. Potts, of Bellview.

Rock was hauled from the rock pit, two miles west and a half mile north of Bootleg Corner, for the church yards of both Rosedale Baptist and Broadview Nazarene Churches last week.

Ernest Brown visited in the home of Miss Loyce Pulliam Sunday.

Jolly Twelve Club Plans Picnic, Meet At Brumleys

The Jolly Twelve Club met on June 15th at the home of Mrs. B. E. Brumley. A picnic for the members in the near future was discussed.

Favors of flower seeds were given. Refreshments were served to Mesdames: D. W. Allmon, Hap Wiseman, Charlie Calloway, L. J. Matthews, Foy Huff, John Hacker, Wes Bradley, John Draper,

Roy Boyd and the hostess, Mrs. B. E. Brumley.

The next meeting will be with June Calloway June 30th.

Returning Saturday from a two weeks' vacation trip to Truth or Consequences, New Mexico, were Mr. and Mrs. Sam McLallen, Danny, Nora Jo, and Sammie Lou. They went through the baths and also did some fishing.

FACTS ABOUT MONEY!

THE UNPOPULAR \$2 BILL

The superstition that a two-dollar bill is unlucky dates back to the days of the colonists, when the Spaniards issued "pieces of thirteen". These coins, worth about two dollars, were not popular because they involved the unlucky number thirteen. Our present two-dollar bills, which later replaced the "pieces of thirteen," have inherited this superstition.

Long Time Ago

25 Years Ago
 "Brand Day" was officially designated by Hereford Chamber of Commerce, Merchants Bureau, in advertising campaign, contracted for a paper to go into

every home in the territory. Chamber president, E. B. Black, made flattering remarks about the Brand and its 25 years of existence. Object of the plan was to bring the Hereford market before the buying public.

Mayor E. S. Ireland, who had been a member of Hill and Ireland real estate firm for two years, withdrew and purchased half interest in the business of J. Frank Potts Abstract Company. The new company would be known as Ireland and Thompson abstracts and loans. J. E. Hill would continue in his real estate business alone. Alex Thompson had owned half the interest of J. Frank Potts about a year but had continued the business under the old name. The new firm was successors to Barcus & Suggs, Suggs & Jones, Potts & Jones, J. Frank Potts & Company, Hereford Abstract Company and Deaf Smith Abstract Company.

Orders for the first 5,000 baby chicks that would be hatched by H. H. Hawkins with his new incubator were placed.

Another modern ice box for preservation of fruits, meats and vegetables was installed by Hereford Grocery Store.

Three banks in Hereford were showing good business. \$822,670 was on deposit in three banks December of 1922. April of 1925, \$977,652.67 was in the banks. E. C. Eubanks, assistant cashier of Western National Bank, said farmers in this section were in better shape than many a year.

BUCKING BRONC—This bronc bowed his head, stiffened his legs and bucked and tossed for all he was worth, but the rider rode to victory. Raiford Miller, Miami, split first and second money with Doug Wallace, Amarillo, in the saddle bronc riding contests at a rodeo at Sunray, in the Panhandle. (AP Photo)

Captain Buford Parmer was busy getting his National Guard Company ready for the encampment to Camp Mabry at Austin. He had 36 in his company.

W. A. Chandler traded his farm to F. E. Alexander of Dallas. It was located north of Hereford. Alexander would move to Hereford to make it his home.

Hereford would celebrate 4th of July quietly with a Defense Day program under direction of Dr. W. F. Gabbert. Two short speeches by Carl Gilliland and John W. Overton would make up the program with possible musical numbers. Baseball between Dimmitt and Vega and between Amarillo and Hereford were to provide excitement.

G. W. Brumley, reported to be the biggest hog buyer in the Panhandle, bought Abo Filling Station and the property it was on and the Thompson Garage. He would, however, stay in the

hog business and let former owner of Abo Filling Station, W. C. Fallwell, run it. Arthur C. Thompson would run the Thompson Garage.

Mr. and Mrs. Claud Ricketts, who had moved to Amarillo, returned to Hereford for a permanent home.

E. B. Posey, secretary of Hereford School Board, said Hereford High would be the most modern in the Panhandle when fully equipped. He said representatives from a large number of school supply houses were expected July 15, 1925 to bid on furnishing equipment for the \$125,000 affair. Brick work was under way on the new school. Foreman Coffey said some delay would be caused by shipment of defective brick which had been rejected.

T. A. Capps, Ft. Worth, advertised in The Brand that he owned lot 23, block 20, Town of

Hereford. "What will you give me for it?" he said in his ad. Brack, Williams, Doug Fox, J. A. Pitman, Henry Williamson and Cliff Estes, all on Hereford's golf team, beat the Amarillo Hillcrest golfers again. They were hoping to meet a team from Lubbock if it could be arranged.

All lovers of song were cordially invited to meet with Progressive community for a glorious Sing-Song.

The Bippus Home Demonstration Club met with Mrs. Tom Cotton Wednesday. No meeting was scheduled for the afternoon, so the club voted and adopted a Constitution and By-laws. These were read by Mrs. C. F. Rickels.

Those present were Mesdames: J. W. Perrin and children, Hardy Harris and children, C. F. Homfield, C. F. Rickels, E. K. Pinnell, Barbara Jean Pinnell and the hostess, Mrs. Tom Cotton.

Some parts of the Bippus Community received from 2 1/2 to 3 inches of rain Wednesday afternoon. Other parts received only a few hundredths.

Mrs. Tom Cotton visited in the J. G. Fortenberry home Thursday.

Mr. and Mrs. John B. McNaughton, who have been plowing and planting feed, returned to their home near San Antonio for a few days.

Dr. George Smith and Guy Ginn from Floydada are here plowing their land and planting a row crop.

Anna Kate and Chloe Dell Fortenberry visited home folks over the week end.

Mrs. Tom Cotton visited the Woodrow Perrin home Thursday.

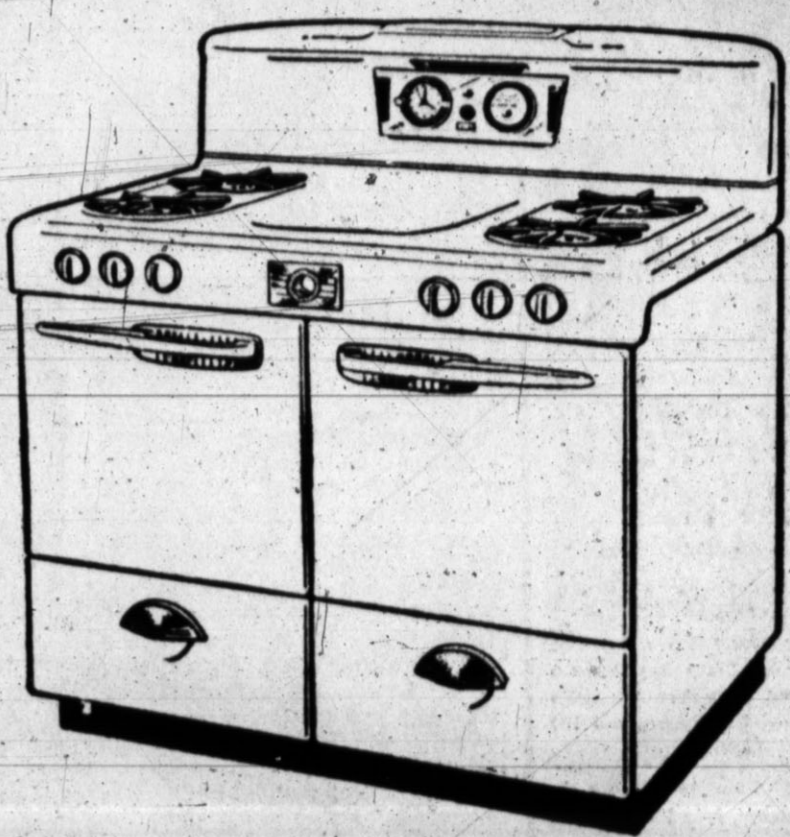

Hugh Fortenberry went to Lockney recently to visit his father.

Mrs. C. F. Homfield and Mrs. Herman Sifford were callers in the J. G. Fortenberry home Monday.

Mr. and Mrs. Kenneth Russell of Cape Girardeau, Missouri and two sons, Bill and Jim, were the guests of Mrs. Rousset's parents, Mr. and Mrs. Gordon Ridgeway, and aunt, Mrs. Al Werner.

Mr. and Mrs. D. E. Carmichael returned Sunday from a ten days' trip to Kansas and Oklahoma visiting relatives.

Interest Is Increasing In Contour Farming, Terracing

There has been an increasing

interest in contour farming and terracing to conserve moisture, and also in cover cropping and pasture seeding, in the Deaf Smith County Wind Erosion District, according to W. M. Stewart, Chairman of the Board of Supervisors.

Many farmers are planning on seeding irrigated pasture grasses during 1950, or enlarging the acreage they already have. With one or two exceptions all farmers who have established these grasses are well pleased with their results.

During the past two weeks contour lines have been run for M. S. Tannahill, G. E. Tannahill, J. T. Russell, Vera Byrnes and G. T. Higgins. About ten miles of terrace lines were laid out for Smith and Nunnally. Diversion terraces on the Clayton Cook farm were checked and extra terraces run. Also on the Raymond Thompson farm, terraces were mapped and checked.

Ditch lines for improved water delivery were laid out for R. L. Simpson, A. A. Head, Mary Pearl Bearden, G. S. Parker and E. P. Kistler. An irrigation well location was made for Robert & Mills at the Oldham County line on Highway 51.

Ninty Three Enroll In Vacation Bible School

By MRS. A. L. CROSS
Brand Correspondent

Mr. and Mrs. W. E. Brown have just returned from a two-week vacation trip to San Antonio and Weed, N. M. They went to Weed to attend the rural postal convention and to San Antonio to visit their daughter, Willidine, and family.

Mr. and Mrs. Orve Cotton, who formerly lived in this community, are here from El Paso visiting friends and relatives.

Vacation Bible School, held in the Methodist Church, had graduation exercises Friday night, June 9. Ninety-three enrolled in the school.

Mrs. Sally Chandler, Mrs. Nina Harrington, Mrs. Blanch Osborn and Mrs. Alec Massey had charge of Beginners Class.

Mrs. Russell Harrington, Mrs. Ralph Lofton and Mrs. Roy Potts were teachers for Primary Class. Mrs. Bobbie Mitchell, Mrs. Opal Campbell, Mrs. Eula Mae Madole and Mrs. Ruby Rucker had charge of Junior Class. Teachers for Intermediate Class were Mrs. Vachrei Ridley, Mrs. Willie Wall, Mrs. A. G. Campbell, Mrs. Johnnie Foster and Mrs. Bob Harrington. Others who helped with the school were J. L. Willis, Mrs. Cecil Caldwell and Mr. and Mrs. J. J. Spurling.

Maytag Shop, at Clovis, donated small plastic pig banks for beginners. Mead's Bakery furnished individual loaves of bread for school refreshments of sandwiches, cookies and cool-ade which were served every day.

Sunshine Club met in the home of Mrs. Harvie McInterriff

Tuesday of last week with a very small number of members present as Tuesday was also election day. As there were no officers present, no business meeting was held. Mrs. Burnett, president, had gone to Hereford and failed to get back for the meeting and Mrs. Brown and Mrs. Cross were visiting in San Antonio and Spur, Texas. So the afternoon was spent visiting.

Announce Engagement At Informal Party

Mrs. D. C. Walser announced the engagement and approaching marriage of her daughter, Joan, to Melvin Leon Rainey at an informal announcement party Tuesday afternoon, June 13, in her home.

Mrs. Walser was assisted by two other daughters, Gloria and Carol.

The 12 guests and the honoree recalled school experiences and enjoyed appropriate readings by Carol Walser.

The house was decorated with yellow arrangements of blue and white (the bride's chosen colors.)

The wedding date, June 16, was revealed in the Bride's Book.

Cakes and cakes served guests registering in the Bride's Book were Mrs. Wayne Lee, Miss Shirley Sumner, Miss Rub Barkley, Miss Dorothy Lee, Miss Charlene Lee, Miss Rosene Lance, Miss Jeanne Holman, Gloria Walser and Carol Walser and the honoree and hostess.

Announce Marriage Of Jeanette Dudley

Mr. and Mrs. George A. Dudley, Rye, Colorado, announced the marriage of their daughter, Miss Jeanette Dudley, Sunday to Mr. Johnnie A. Roberts, son of Mr. and Mrs. H. W. Roberts, Rye, Colorado, and formerly of Garcla Community.

The wedding took place last Sunday afternoon at 2 o'clock in the Rye Home Church, Rye, Colorado. A reception was held in the church basement following the ceremony.

Mrs. Joe Evans' nephew, Keith Smith, and his family from Irving visited the Evans' here this last week end. They all went to Happy Sunday where they met

Mrs. Evans' sisters and their families. Mr. Keith Smith's sister, Earlene Smith, from Poolville was also here.

Jaycee Award Is For Civic Improvement

For an outstanding program in the field of Civic Improvement Hereford Junior Chamber of Commerce won the second place award in competition with hundreds of other Jaycee organizations in cities under 25,000 population, it was officially announced at the 30th Annual Convention of the United States Junior Chamber of Commerce in Chicago Saturday.

Hereford, with the other Texas clubs, combined to win first place in special awards for statewide projects in the United States.

Sunnyside, Washington won first place ahead of the local club and Garland, Texas was third.

The award was presented before 5,000 delegates at the Navy Pier in Chicago.

Jaycee Park was the foremost project in the Hereford record toward winning the plaque, according to President Paul Conway.

Creitz home Sunday were Mr. and Mrs. Edwin Smith and daughter, Janice, of Burkburnett; Mr. and Mrs. Weldon Brown and son, Billy, of Shawnee, Okla. Mrs. Smith is a cousin of Mrs. Creitz. Mr. and Mrs. Brown are friends who had not seen each other in several years. Other guests in the Creitz home Sunday were Mr. and Mrs. P. H. Gruhkey and children, Esther and John Henry. Mr. and Mrs. Lorin Creitz shopped in Amarillo Wednesday of last week. Mrs. E. H. Mosteller and Jean Finley were in Hereford for a week helping care for Mrs. Mosteller's sister, Mrs. D. F. Mathis, who underwent surgery at Deaf Smith County Hospital June 8. They returned home Wednesday night. Mr. and Mrs. R. J. Fisher returned recently from Ames, Oklahoma and other points. They visited Mrs. Fisher's mother in Ames. Mr. and Mrs. John Horton and children, Mrs. Lilly Horton and Mrs. F. M. Brown, spent the day Sunday of last week visiting Boys Ranch at Old Tascosa. They took a picnic lunch from home which they enjoyed while there. They

discovered that a man who once worked in the "66" Cafe is now working there as a cook for the boys. Mrs. L. C. Wade returned Thursday to her sister's home, Mrs. E. W. Brown, from Northwest Texas Hospital in Amarillo where she had been confined for a week for treatment for heart trouble. She had a more severe attack this time than usual. R. J. and W. F. Fisher reported a near cloudburst on their farms several miles south of Adrian, Wednesday about 4 p. m. They got three inches of rain while others close didn't get any. Bob and George Gruhkey reported about an inch. There was also a good shower in town at the same time. The Fisher brothers reported some crop loss. Mrs. E. H. Mosteller and Jean Finley visited in the D. F. Mathis home Sunday. Mrs. Mathis returned from Deaf Smith County Hospital Friday where she had undergone an operation.

Messenger Club Meeting Is Held In B. Jack Home

Messenger Home Demonstration club met Friday, June 9, in the home of Mrs. Bertram Jack with 10 members present. Business meeting was conducted by Mrs. Roy Pruitt, president. Mrs. N. A. Brown gave the council report. Mrs. W. H. Clements gave a demonstration on how to sprinkle a shirt and showed us how to fold it. Method is very convenient if one wished to pack a suit case. Mrs. T. J. Poindexter purchased wire and ribbons to make corsages and Mrs. Bertram Jack

had gathered roses, lilies, carnations and pansies from her yard. She kept them in the refrigerator for several hours. The evening was spent making corsages with the wire ribbon and flowers. Everyone present learned how to make corsages. Mrs. Harry Evans and Mrs. Dan Guseman received gifts from their secret pals. All secret pals that drew birthdays and anniversary gifts for the months of July and August are asked to bring their gifts to Mrs. S. N. Thwaitt June 23 as that is our last meeting until the first Friday in September. Mrs. Bob Wyly won the floating prize. Refreshments of pudding topped with strawberries and a fruit drink were served. Mesdames Boy Wyly, Elmer Northcutt, Eldred Brown, Roy Pruitt, H. W. Clements, Harris Evans, L. D. Chiles, T. J. Poindexter, Jasie Busby, N. A. Brown, several children and the hostess, Mrs. Bertram Jack.

The Law-You

By Bob Kirk

DO YOU KNOW that it is unlawful to sell a motor vehicle without the seller having possession of the certificate of title at the time of the proposed sale? The Texas "Certificate of Title Act" makes it illegal for anyone to attempt to sell a motor vehicle without having the certificate of title at that time in his possession. The Act further declares that any sales made in violation of this Act shall be void and that no title will pass until the provisions of the law are complied with. When a sale has been made it is the duty of the seller to immediately execute the certificate of title and either deliver the same to the purchaser, or to forward the same to the County Tax Collector with proper applications and remittances so that a title may be issued by the State in favor of the purchaser. This title must be filed within ten days after the date of transfer with the County Tax Collector in the County in which the purchaser resides. If the title is not presented to the Tax Collector within ten days, there is a penalty of Five Dollars, in addition to the other fees. (For further information on this subject see your local attorney.)

Do You Know Your Highway Traffic Signs By Shape?

The shape and color of a highway sign should have a meaning for you, Mr. and Mrs. Motorist, even though there is no message or symbol on it. You have only a split second at high speeds to read a written message or grasp the meaning of a symbol on a traffic sign. If you fail, you may be courting disaster. Is it not logical then that meaning should be assigned to shapes and colors of a sign as added assurance of your glance recognition? Wouldn't knowledge of both be added insurance for your safety?

Ex-Prisoners Of War In Phillippines Are Entitled To Citation

AUSTIN, Tex. — Colonel Oscar B. Abbott, Chief of Texas Military District, received information that ex-Prisoners of World War II who served in the Philippine Defense Campaign and those who fought in the Philippine Campaign in 1944-45, are entitled to the Philippine Republic Presidential Unit Citation Badge.

Each individual must submit a request for proper forms to the American ex-Prisoners of War National Headquarters at Bellevue, Washington. After receiving the form, they must be filled out in quadruplicate and mailed to Headquarters National Defense Forces, Camp Murphy, Quezon City, P. I. The forms may be obtained by request in writing and no charge is attached for this service.

The portion of the order authorizing this foreign decoration for American Service personnel reads as follows:

"The Philippine Republic Presidential Unit Citation Badge is awarded to all members of the Armed Forces of the Philippines including members of the Philippine Merchant Marine and all members of the Armed Forces of the United States in the war against the Japanese Empire during the period December 7, 1941 to May 5, 1945, and during the Philippine Campaign of Liberation in 1944 and 1945."

Remember, when you see the yellow diamond shaped sign beside the highway, you are approaching something which requires you to be alert or else take the chance of becoming a traffic statistic.

Robert Thompson was in Amrillo Monday on business.

GRADUATES AT 64—Emily Kate Netterville Davidson (above) was graduated from North Texas State College May 23 at the age of 64. She was 59 when she entered the college in 1945 to study art and journalism. She intends to write and illustrate children books. (AP)

Dawn HD Club Tour Stops Five Times

The Dawn Home Demonstration Club met Friday, June 16 at the home of Mrs. L. W. Loerwald. From there they went to Hereford on their field trip.

First they visited radio station KPAN. They were taken on a tour through the station and were shown how the broadcasting station operates.

From there the club went through the Hereford Bakery. Among other things they learned how Hereford bread is made.

Their next stop was the creamery where they saw the making and packaging of ice cream. They were told about the process that cream and milk go through before they reach the consumer.

Next they visited the county jail. There Deputy Sheriff Berry told them some things of interest.

The last visit of the afternoon was the ice plant. There they learned why commercial ice is so

different from home refrigerator ice. They visited the storage room where ice is stored.

The next meeting of the club is scheduled for July 7th at the home of Mrs. W. T. Beavers.

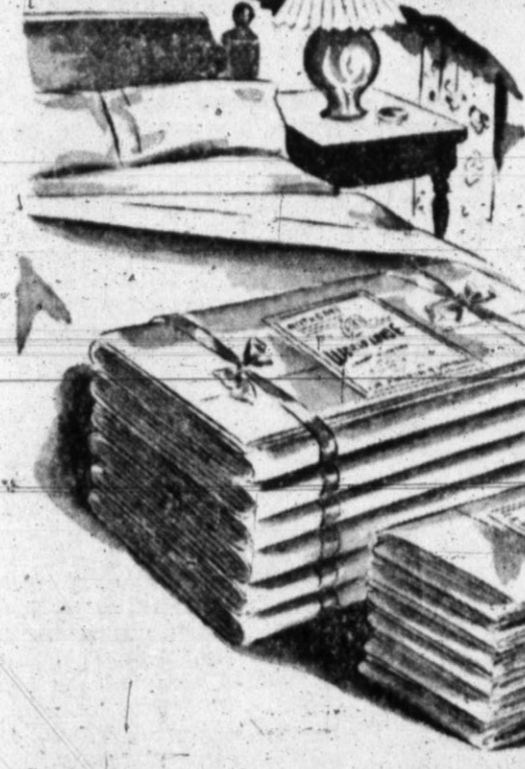

Randy Dene Hopson Is Honored On Birthday

A party, honoring Randy Dene Hopson on her second birthday, was held on the lawn of the Britch Hopson home early Monday evening.

The seven young guests of Miss Hopson played games and ate cake and ice cream during the evening entertainment. Favors of balloons were presented each guest.

Registered guests included Kathy Knox, Steve Knox, Jerry McCathern, Jimmy Lynn, Paul Cathern, Lois Chrisman, Paul Chrisman and Linda Kiekpatrick. Also present were grandmothers, Mrs. E. B. Hopson and Mrs. B. E. Brumley. The affair was hosted by the honoree's mother, Mrs. Naomi Hopson.

Church Notes

At the IMMANUEL LUTHERAN CHURCH the Sunday morning worship service begins at 11:30 A. M. Pastor Lichtsinn will deliver the sermon based on the text of Luke 8: 36-42. Sunday School and Bible Class begin at 10:30 A. M. with George Tiefert, Superintendent in charge. The children will have a review of the 12 lessons of the last quarter.

Yesterday in Milwaukee, Wisconsin, the triennial delegate convention of the Lutheran Church — Missouri Synod was called to order by Dr. John W. Behnken, president. In his opening report to the 800 delegates assembled from every state in the union, Dr. Behnken stated that during the past three years, a

new Lutheran parish was begun every 3½ days in the United States and Canada. Approximately 70,000 new members joined the church in 1949.

In connection with the convention, Dr. Behnken will deliver the sermons next Sunday over three nation-wide radio networks, the Columbia "Church of the Air" in the morning, and the Lutheran Hour broadcasts in the afternoon over the Mutual network and the American Broadcasting Company.

"CHRISTIAN SCIENCE" is the subject of the Lesson Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 25.

The Golden Text is: "How

beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation" (Isaiah 52:7).

Among the citations which comprise the Lesson Sermon is the following from the Bible: "O send out thy light and thy truth: let them lead me; let them bring me unto thy holy hill, and to thy tabernacles" (Psalms 43:3).

The Lesson Sermon also includes the following passage from the Christian Science text-book, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The All-wise does not bestow His highest trusts upon the unworthy. When He commissions a messenger, it is one who is spiritually near Himself" (page 455).

Christian Science Services are held each Sunday morning at eleven o'clock in the Star Theatre. All who are interested are invited to attend.

The SEVENTH-DAY ADVENTISTS had Elder G. A. LaGrone of Amarillo and his son, Elder V. A. LaGrone of Syracuse, N. Y. as the visiting ministers.

V. A. LaGrone, who is vacationing from his 3 year duties in the Home Missionary and Sabbath School Dept. of N. Y. Conference, was the presiding minister for the 11:00 o'clock hour. He related some of his experiences of working among the prison inmates of which there are 17,000 in N. Y. state.

The Seventh-Day Adventists for a number of years have been carrying on a work for God in all the prisons in the state of N. Y. After conducting one baptismal service in the basement of the prison the Warden commended the Adventists for their interest and work they were carrying on within those stone walls to help those who have fallen, back to God and a better life.

Six years ago V. A. LaGrone, who was then President of the Texico Conference, left and accepted duties in the Montana Conference.

ately needs pitchers. The Tigers might be keeping two or three down on the farm when they could make the Washington varsity.

Some players argue that this is too restrictive, that it prevents competition, and condemns unfortunates to the minor leagues for years at a stretch when they could make the grade in the Majors. They have a point. Of course, the ball clubs work it by contracts. But some players believe the contracts tie a player beyond normal limitation, especially when it limits his opportunities in the cases cited above.

There may be no remedy which would not bring on more undesirable features. No one can say with certainty about that. One might predict, with reasonable assurance, however, that baseball's organizational structure, which has probably made the sport as great as it is, will come under the eyes of the Supreme Court within five years.

BUYS REGISTERED BULL

William H. Cooper of Hereford recently purchased the registration of Brown Swiss bull Oshrow Squire 100012 from Mr. and Mrs. Edward N. Ray & Son of Sudan, according to a report from Fred S. Idise, Secretary of the Brown Swiss Cattle Breeders' Association, Beloit, Wisconsin.

Mr. and Mrs. Buddy Tumlinson moved this week to the Ralph Hastings' ranch north of Hereford.

Visiting Inez Tucker recently was Doyle Kelly from Lamesa. He also visited Lawrence Owen and stayed with him the few days he was here.

A Vacation Bible School will begin at the ASSEMBLY OF GOD next Monday morning, lasting from 9:00 to 12:00 o'clock each morning. Children between the ages of 4 and 15 are invited to attend. The school will be under the supervision of Jaunita Ragland and Ethel Pierson from Plainview who have assisted in Vacation Bible Schools here in former years. They will be assisted by a local staff.

Services will be held as usual Sunday and Wednesday at the regular times.

Vacation Bible School at the FIRST BAPTIST CHURCH closed Friday at 11:30 A. M. This year they had eight departments and 54 workers which made the school a much better school than last year. The enrollment this year was 267; the average attendance was 232. The average attendance last year was 180.
