School Kids Get Shots This Week

A change of dates for the school immunization program was today announced by George Graham, superintendent...

"All immunization shots are scheduled for Thursday and Friday, August 3-4, from 1 to 5 o'clock," he said. This includes all students from pre-school age through the seventh grade.

Mr. Graham said that the program covered all students through the seventh grade and especially urged parents of students who will enter school for the first time this year to take the precaution of securing the shots in cases where they have not been administered.

Condemn Labor Camp Sanitation Policies

Action was taken Wednesday afternoon on Hereford's growing health problem as Dr. L. B. Barnett, County Health officer, announced he is condemning all of the outdoor toilets at the labor camp southwest of town...

Dr. Barnett said there is no doubt that one of the reasons flies have been so numerous in the city this summer is because of conditions at the camp.

Comparing notes and condemning toilets—County Health officer, Dr. L. B. Barnett, Nurse Visitor Mrs. Frank Wilhelm and County Welfare Officer Dyalthia Brady compare notes at the Labor Camp Wednesday afternoon during an inspection trip on the right. Dr. Barnett is shown above making notes after inspection of one of more than a dozen outdoor toilets.

Death Of Fred Neff Stuns Community

Fred Neff, 35, died Wednesday afternoon about 3 o'clock at Deaf Smith County Hospital of a blood clot that probably reached his heart, according to Dr. R. R. Willis, physician.

Mr. Neff broke his right arm Tuesday, July 11, at Neff Brother's Potato shed and had been in the hospital ever since. Dr. Willis said he was immobilized for the fracture for about a week and then pneumonia set in.

Mrs. Close To Serve As Service Chairman

Mrs. Harold Close, Red Cross Home Service Chairman during the last war has accepted the responsibility of the position again in the present emergency of the local Red Cross board announced this week.

In taking over her duties Mrs. Close pointed at National Red Cross director George Marshall's recent statement that "eleven Red Cross workers, including three women are now on active duty in Korea. Two field directors are enroute to the battle zone with combat outfits and three other field directors are awaiting transportation from the west coast."

Final Rites Held For Labor Camp Resident

Mrs. Eva Ordonez, 20, of Weslaco, died Tuesday night, July 25 at the Deaf Smith County Hospital after an extended illness. Her home at the time of her death was at the Hereford Labor Camp where she had lived since May 1 of this year.

Dr. Barnett said there is no doubt that one of the reasons flies have been so numerous in the city this summer is because of conditions at the camp.

Barnett, Nurse Visitor Mrs. Frank Wilhelm and County Welfare Officer Dyalthia Brady compare notes at the Labor Camp Wednesday afternoon during an inspection trip on the right. Dr. Barnett is shown above making notes after inspection of one of more than a dozen outdoor toilets.

She also asks if they are spraying for flies, how many live in the dwelling and for any questions they might have in which she can help them.

Irrigated Pasture Grasses Better When Fertilized

Earl Springer, cooperator with the Tierra Blanca Soil Conservation District, who lives one mile south of Hereford has had such remarkable success with 10 acres of irrigated pasture planted last fall that he intends to establish an additional 60 acres this fall.

Mr. Springer believes that many farmers make the same mistake that he made several years ago when his irrigated pasture was a failure. He says, "I started grazing it too soon, before the plant had become fully established, and continued to over-graze."

Mal Stewart, Chairman of the Board of Supervisors of the Tierra Blanca Soil Conservation District, says that farmers planning to plant irrigated pastures should purchase their seed now to avoid the last minute local scarcities.

Mrs. Wilhelm will work half-time during the next 45 days in the camp and other places where migratory workers are living. She will work out of the County Welfare office and also under direction of the County Health officer.

Dr. Barnett said there is no doubt that one of the reasons flies have been so numerous in the city this summer is because of conditions at the camp.

Texas Employment Commission manager Tom MacFarland said an estimate of 3,300 migrant (could be considered "conservative") workers are living in the immediate area of Hereford.

Twenty hospital cases were reported during the month of July from migrant workers. Five babies from these families are now in the hospital with dysentery, said Mrs. Brady.

Other reasons for the serious problem this year includes the facts that there has been considerable unemployment because of working conditions caused by the rains and also more workers are in the area this year than are needed.

The Nurse visitor idea was conceived and started last year when the Community Health Welfare committee fostered the plan and the city and labor camp combined funds to pay for her services.

Mrs. Wilhelm, who worked her first day Wednesday, checks every barracks at the camp, asking who lives there and if there is any sickness. If there is she tells them what to do. If there is no sickness, she looks to see if their drinking water is covered and if the waste water is covered or how they are disposing of it.

Wednesday afternoon Mrs. Wilhelm had finished checking twelve barracks, with five compartments to the building, and she hadn't found a family with covered drinking water. Waste water was usually thrown out the door.

She also asks if they are spraying for flies, how many live in the dwelling and for any questions they might have in which she can help them.

Question OF THE Week

IN or around the home, what work do you most dislike doing? Mrs. Kenneth Kelley: Washing dishes. That's just about the only thing, but I really dislike that. Otis Hall: Cleaning house, washing dishes, mowing the lawn. Anything that is connected with work, I'm opposed to it. Mrs. Jack Hagar: Ironing. I don't like to stand there that long to get it done. I like to be on the move. I like yard work and working with flowers. "Plek" Harman: Drying dishes, because I'm always afraid some of my friends will drop in and see me and think I'm henpecked. Jeannette Kopp: Washing dishes. I don't like to wash or dry them, either one. Sam Roberson: Cutting weeds or mowing the lawn. I don't like to sweep, either. J. W. Whelan: With a three-week-old daughter and you should ask me a question like that! It's safer not to say anymore. Mrs. J. B. Bantel: I enjoy doing all housework, but if I had to choose some housework I would, it would be washing dishes.

## Church Notes

The library in the new educational building of the **FIRST BAPTIST CHURCH** is now finished and ready for the use of the people. The library will be open during office hours every day and will be open fifteen minutes before Sunday School, Training Union and Prayer Meeting. This will be 9:30 a. m. Sunday, at 7:00 p. m. Sunday evening and 7:15 on Wednesday evening. The library contains 2,500 volumes with a number of books for children.

The Brotherhood met Tuesday night at the church for supper and an interesting program. Eighty-three new missionaries have been appointed by the Southern Baptist Foreign Mission Board since January 1, 1950. This is the largest number that has ever been appointed in any of the preceding calendar years. Thirty-one new Baptist missionaries are sailing to Japan August 9. This is more missionaries sailing at one time than the Baptists had in Japan before World War II.

Recently Dr. Charles L. Black, Louisiana surgeon and layman spent three weeks in Nigeria during which time he performed 40 operations. Dr. Black made his contribution to the Baptist mission work at his own expense. A Y.W.A. social was held at the home of Inez Tucker last Thursday night. The regular Y.W.A. meeting will be held this week tonight at 8:00 at the home of Nan Buckner. After church fellowship is held for the young people of the church at different homes and backyards each Sunday night. Attendance has been very good.

**CHRISTIAN SCIENCE** Services are held each Sunday morning at 11 o'clock in the Star Theatre. All who are interested are invited to attend. "Spirit" is the subject of the Lesson - Sermon which will be read in all Churches of Christ, Scientist, on Sunday, August 6. The Golden Text is: "The fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance; against such there is no law" (Galatians 5:22, 23).

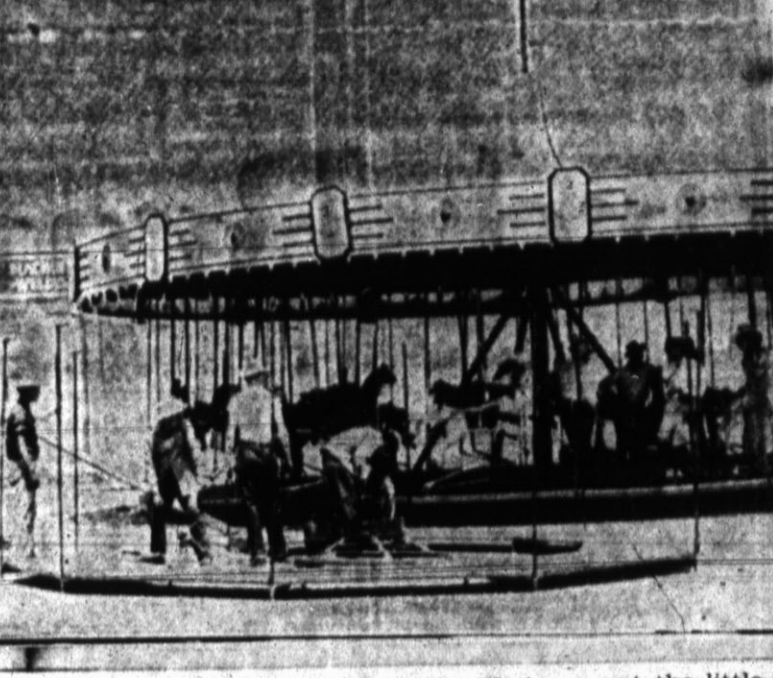

Among the citations which comprise the Lesson - Sermon is the following from the Bible: "Now the Lord is that Spirit; and where the Spirit of the Lord is, there is liberty" (2 Cor. 3:17). The Lesson-Sermon also includes the following passage from the Christian Science textbook: "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Therefore in Spirit all is harmony, and there can be no discord; all is Life, and there is no death. Everything in God's universe expresses Him" (page 331).

A Christian Scientist radio program is broadcast each Sunday morning at 9:45 over radio station KAMQ, Amarillo. Rev. Don R. Davidson, pastor of the **FIRST METHODIST CHURCH** will be back in the pulpit Sunday morning and evening. He reported having a wonderful revival in Slator for the past two weeks. Wednesday afternoon at 1:00 o'clock the Emma Wheeler Hawk Kins, Carrie Black and Dorcas Circles met in the church basement for their monthly luncheon. They had as their guest the Westway W.S.C.S. who furnished the program. Wednesday evening at 8:00 o'clock the First Quarterly Conference was held, with Dr. Earl G. Hamlett, District Superintendent, presiding. This week end is Layman's Retreat at Ceta Canyon. All Meth-

odist Layman are urged to attend if it is possible for them to go. The camp will begin on Friday afternoon and continue through Sunday. The cost of this retreat is \$4.50. Next Tuesday evening at 8:00 o'clock, Stewards meeting will be held in Ward Hall. All Stewards are asked to be present. Wednesday evening of next week, the Methodist Men's Fellowship will be held at 8:00 o'clock in the basement of the church. All men are invited to attend this fellowship meeting and an interesting program. Services each week at the **CHURCH OF THE NAZARENE** are as follows: Sunday School—10:00 a. m.; Church—11:00 a. m.; Sunday night service—8:00 o'clock; Prayer meeting, Wednesday—8:00 p. m. Rev. Roy Bickford is pastor.

**CATHOLIC CHURCH** services each week are as follows: Sunday mass—6:30, 8:00 and 9:30 a. m. and the Holy Hour Thursday—8:30 p. m. A new church in town is the **BIBLE BAPTIST CHURCH**, located at 120 Sampson. W. T. Gesant, Jr. is the pastor. Services each week are as follows: Sunday preaching services—3:00 p. m. and 8:00 p. m., Thursday—8:00 p. m. Services each Sunday at the **ASSEMBLY OF GOD CHURCH** are as follows: Sunday School—9:45; morning service—11:00; young people's service; Christ's Ambassadors—7:00; and the evening evangelistic service—8:00. A radio devotional program is broadcast every Sunday afternoon over station KPAN from 1:00 to 1:30 from this church.

**EPISCOPAL CHURCH** services are held each Sunday as follows: Morning Service—8:00 o'clock and Sunday School at 10:00. Rev. Henry Seaman, of Plainview, is pastor. Each Tuesday morning at 9:30 a handicraft class for Primaries and Juniors is held at the **FIRST CHRISTIAN CHURCH**. Mrs. Virgil Dodson is in charge with Mrs. Bill Dameron and David Cheverton assisting. The children have been having a grand time working with clay, paints, ceramics, etc. The Christian Women's Fellowship met yesterday at noon at the home of Mrs. Ira Ricketts for a covered dish luncheon and program. The monthly meeting of the Laymen's League will be held at the church tonight, August 3. The main purpose of the meeting is to elect officers to be installed during the month of September. Rev. Roy W. Ford, pastor of the church, and his family left Sunday for their annual vacation. They plan to be gone for the month of August, spending a part of the time with their parents in Minnesota and Illinois. During the month, the associate pastor, David Cheverton, will occupy the pulpit for both morning and evening services, as well as to render any pastoral services needed during the month. Sunday afternoon, July 23, approximately 95 people of the church went to Ceta Glen for the swimming, picnic supper and worship service. Sunday School attendance is very good this summer. A check on the attendance shows that they are a very good attendance of 36 per cent above that of June and July of last year. So far this year, they are

averaging 33 per cent more than last year's average attendance. Those who are planning to attend the **International Convention** at Oklahoma City, October 9-15, are advised once more to get their hotel reservations as early as possible. A list of hotels and motels, together with room prices, is available at the church office. Plans are now underway for a hay ride for the young people for tomorrow night. They enjoyed a swimming party and picnic last Friday night.

Elder G. A. LaGrone, visiting minister at the **SEVENTH-DAY ADVENTIST CHURCH** Sunday, who attended the General Conference of S.D.A. that was held in the Civic Auditorium at San Francisco July 10 through July 22, gave a report of the conference at the 11:00 o'clock hour. More than 21,000 Seventh-Day Adventists from all over the world gathered to observe the first Sabbath of the 46th General Conference. This included 850 official delegates from 68 countries. The home customs and talents of the Adventists were demonstrated spectacularly in the afternoon with a mission pageant, "From Every Nation." More than 200 missionaries and natives were featured on the stage of the Civic Auditorium in various sketches in costumes of their own lands. William H. Branson of Hong Kong was unanimously elected president to fill the place of J.

L. McElbony, who for the past 14 years has been president and has retired because of ill health. A report given at the Conference showed a gain in membership of 140,160 in the four years since the last General Conference held in 1946. The theme of the meeting was "Consecration of Self-Preparatory to Meet God." A revival began Wednesday, July 26, at the **AVENUE BAPTIST CHURCH** and will continue through this next Sunday, August 6. Rev. W. C. Bryant, pastor of the Temple Baptist Church of Amarillo, is the evangelist for the revival while Rev. Bales of Levelland is leading the singing. Services each week day morning are being held at 10:00 and night services are at 8:00. The church is working toward a high attendance in Sunday School this Sunday. Good crowds have been reported at the revival services so far. Holy Communion will be celebrated during the Sunday morning service at Immanuel Lutheran Church at 11:30 A. M. Sunday School and Bible Class begin one hour earlier at 10:30 a. m. Our Vacation Bible School will open on Monday morning at 9:00 a. m. with a brief devotional exercise in the church. Registration will begin at 8:30 a. m. Classes will be conducted in the meeting rooms and in the church basement. All children from the ages of 4 to 15 years are welcome.

 Judge Schultz warned them that the violation of any one of the conditions of their probation during the next five years, would result in their being arrested wherever they might be found, and immediately taken to the penitentiary of the State of Texas, without further trial, to serve the terms pronounced against them in this case.  
 The parents of both defendants were present in Court at the hearing.  
 Also receiving a penitentiary sentence of two years, was Harold Livesay, who entered a plea of guilty to the offense of driving while intoxicated, second offense. He was placed on probation for a period of three years.  
 District Court in this County will resume next Saturday, when Judge Schultz will be on hand to preside at a pre-trial of the case of Don Webb vs. The City of Hereford.

**Garden Wedding Is Held For Miss Margaret Staats - Lynde Il McGee**

Miss Margaret Staats, daughter of Mr. and Mrs. O. F. Staats of Summerfield, and Lynde Il McGee, son of Mr. and Mrs. Lee McGee of the Progressive Community exchanged marriage vows at the home of the bride's parents, Friday evening, July 21.  
 The single ring ceremony was read in the garden as the couple and their attendants stood beneath a flower bedecked arch of greenery, by the Rev. A. A. Simon, pastor of the Summerfield Baptist Church. Preceding the exchange of vows Betty Robbins sang "I Love You Truly" and "The Wedding Prayer" accompanied by Sondra Wright.  
 Miss Alma Faye Knox, the bride's cousin, was her only attendant. She wore ruffled pink organdy with matching hat and carried on old-fashioned nosegay of pink gladioli centered with blue cornflowers. Eugene McGee, brother of the bridegroom, served as best man.

with taffeta covered buttons and the very full tiered skirt was ballerina length. Her shoulder-length veil was held by a braided satin band and she carried a wedding bouquet centered with pink rosebuds.  
 After the ceremony a reception was held at the home of Mr. and Mrs. J. M. Wright where Miss Betty Robbins presided at the bride's table.  
 Mr. and Mrs. McGee will be at home in the Progressive Community when they return from their wedding trip to points in New Mexico. When they left for the trip, the bride was wearing a summer-white suit with all white accessories. Her flowers were the pink rosebuds in her wedding bouquet.  
 Mrs. McGee graduated from Hereford High School in May, 1950 and Mr. McGee attended Hereford High School.

Given in marriage by her brother, Joe Staats, the bride wore a wedding dress of aqua net over taffeta, fashioned with high neckline and short sleeves. The basque bodice was fastened

by Mrs. R. H. Cagle and son, Bert, visited Mrs. Cagle's mother, Mrs. G. M. King, in Lovington, N. M. last week. They returned Saturday.

**Funeral Services Held Monday**

Jack Durham, four-year-old son of Mr. and Mrs. Homer Durham of Muleshoe, died Saturday morning, July 29 at the Chess Gollihar home, 420 Avenue D in Hereford. The child had been seriously ill for about six months and died of nerve pressure.

Jack was born February 20, 1946 at a hospital in Clovis, N.M. He lived in Muleshoe all his life. Wednesday, July 26, he and his mother came to Hereford to see a doctor. They were staying with Mrs. Gollihar, who is Mrs. Durham's sister, at the time of his death.

He is survived by his parents, six sisters; Mrs. Horace May of Clovis, Mrs. Charlie Shaw of Texico, N. M., Mrs. David Brookshier of Muleshoe, Mrs. Will Brookshier of Salpula, Okla., and Betty and Joyce Durham of Muleshoe; one brother, Bill Durham of Muleshoe; and his paternal grandparents who live in Oklahoma.

Funeral services were held in the Avenue Baptist Church, Monday, July 31, at 9:00 a. m. Rev. H. V. Fields officiated and David Goldston sang a solo, "Gathering Flowers for the Master's Bouquets." The choir furnished other music. Pallbearers were church members of the Avenue Baptist Church. Interment was in the West Park Cemetery.

**RECIPE OF THE WEEK**  
 By Mary Lee Taylor  
**Fruit Icebox Dessert**  
 Broadcast: August 5, 1950  
 1/2 cup powdered sugar 1/2 cup ice cold milk  
 1/2 cup soft butter 1/2 cup milk  
 1/2 cup Fat Milk 1/2 teaspoon granulated sugar  
 2 cups graham crackers, broken in 1/2-in. pieces 2 teaspoons lemon juice  
 1/2 cup canned crushed pineapple, well drained 1/2 teaspoon grated lemon rind  
 Mix powdered sugar and butter in a 1 1/2-qt. bowl. Stir in 1/2 cup milk, a tablespoon at a time. Be sure all milk is mixed in before adding more. Fold in half of graham crackers at a time, being careful not to crush the pieces of crackers. Drop in 4 portions on a flat pan. Top with the pineapple. Chill until firm, or about 2 hours. When ready to serve, put ice cold milk and granulated sugar into small, cold bowl. Whip with chilled rotary beater, or electric beater at high speed, until fluffy. Add lemon juice and rind; whip until stiff. Serve on the dessert. Makes 4 servings.  
 \*Fruit cocktail, peaches, or apricot halves also can be used.  
 You Will Need:  
 Crushed Pineapple, Graham Crackers, Fat Milk, Powdered Sugar and Lemons.

By JIMMIE GILLENTINE

Mr. Gillettine: I have just figured out what is wrong and wish to prove to you where all the load is on this manpower situation. There are:

- 135,000,000—Population of U. S.
- 37,000,000—People over 65
- 98,000,000—Balance left to do work
- 54,000,000—People 21 or under
- 44,000,000—Balance left to do work
- 21,000,000—Working for government
- 23,000,000—Balance left to do work
- 12,800,000—In state and city offices
- 10,200,000—Balance left to do work
- 3,500,000—In armed forces
- 6,700,000—Balance left to do work
- 2,126,000—In hospitals or asylums
- 4,574,000—Balance left to work
- 4,062,000—Bums, others who won't work and unemployables
- 512,000—Balance left to do work
- 511,998—People in jail

2—Balance left to do work. TWO—just you and I. Furthermore, I wish you would get a wiggle on, because I'm getting tired of doing all the work myself!

—Harold Close.

Wisdom and bubblegum in its hair and the Hope of the future with a frog in its pockets. A boy has the appetite of a horse, the digestion of a sword swallower, the energy of a pocket-size atomic bomb, the curiosity of a cat, the lungs of a dictator, the imagination of a Paul Bunyan, the shyness of a violet, the audacity of a steel trap, the enthusiasm of a firecracker, and when he makes something he has five thumbs on each hand. He likes ice cream, knives, saws, Christmas, comic books, the boy across the street, woods, water (in its natural habitat), large animals, Dad, trains, Saturday mornings and fire engines.

He is not much for Sunday school, company, schools, books without pictures, music lessons, neckties, barbers, girls, overcoats, adults or bedtime. Nobody else is so early to rise or so late to supper. Nobody else can cram into one pocket a rusty knife, a half-eaten apple, three feet of string, an empty Bull Durham sack, two gumdrops, six cents, a silingshot, a chunk of unknown substance and a genuine supersonic code ring with a secret compartment. A boy is a magical creature—you can lock him out of your workshop, but you can't lock him out of your heart. You can get him out of your study, but you can't get him out of your

mind. Might as well give up—he is your captor, your jailer, your boss and your master—a freckle-faced, pint-sized, bundle of noise. But when you come home at night with only the shattered pieces of your hopes and dreams, he can mend them with two magic words—"Hi Dad!"

Mr. Wear continued, "There is but one course to pursue. We must mobilize all of our forces. All of our strength, energy and wealth must be put on the line. This is the time to make sure

that we meet our citizenship responsibilities. Our military arm is being strengthened, and our production machinery is being mobilized for the struggle, but this isn't enough. We cannot be successful unless we strengthen our moral and spiritual resources. The lower we permit our moral and spiritual standards to become the less chance we have to survive and continue to be a free people. In conclusion the speaker said "The ideology known as Communism is the very opposite of the ideology known as Americanism. We have freedom of religion, freedom of speech, freedom of the press, freedom to work at the job of our choice, the

right to trial by a jury of our peers, the right to peaceful assembly, the right to petition our government for a redress of grievances, the right to hold title to property and many related rights and privileges. These are some of the reasons why we must oppose Communism whenever and wherever we meet it."

July wound up as one of the wettest months in Deaf-Smith County history, 10.33 inches. A lot of people are figuring this is around 9.83 inches too much—especially the potato men.

from Harold Close which will be found on this page and which is self-explanatory.

George Stambaugh was saying the other day they have a petition to change the name of Park Avenue to "Canal Street."

People are once again becoming interested in government. This is probably the best news which the country has had in many, many years. Cliff Acker, chairman, said last Saturday that the delegation attending the Democratic County Convention was the first representative crowd he had seen at a convention during his 20-odd years service as chairman. These conventions are most important in our party system. The new interest is heartening. People are discovering that it pays to take a little time for government. If this attitude continues all over the country we need have little worry for the future of our democracy. A government "of the people, by the people, for the people" just can't be unless the people take a little interest, spend a little time and thought on the matter; otherwise, the politicians will take over—much the same as they have been doing the past few years.

A lot of people think the barbers are mad at me, but I guess they are wrong. Mutl Wheeler stopped me the other day and invited me to come into his shop for a "free shave." I started in and suddenly remembered that the barbers still insist on using those long razors. I called the deal off right there. Under the circumstances, I'll just keep on using an old safety razor. Anyway, the free shave offer shows the boys are not mad at me—or does it?

This new trend, plus record vote at the polls, is wonderful. Graft and corruption in politics cannot long face an irate, interested public.

Dr. G. W. Heard, in addition to discovering the low tooth decay condition in Hereford, is now out to set a record growing squash. He retired several years ago and has since been a garden enthusiast. He was displaying a new variety of squash this week, but had forgotten the variety. It measures 24 to 30 inches in length and was about two inches in diameter; looks something like "an elongated cucumber without any pimples. Doc says the vines run 30 feet in length and that it is prolific in growth. "A grand flavor" is his description. He says it is wonderful cooked and excellent when eaten raw. He also has some green beans which are 12 to 14 inches long.

Here's a piece that Urlln Streu, the Boy Scout man, picked up and handed to us the other day: WHAT IS A BOY? Boys come in assorted sizes, weights and colors. They are found everywhere—on top of, underneath, inside of, climbing on, swinging from, running around or jumping to. Mothers love them, little girls hate them, older sisters and brothers tolerate them, adults ignore them and Heaven protects them. A boy is Truth with dirt on its face.

Had an unsigned letter saying that the drug store hours are worse than the barber shops. Boy, there sure are differences of opinion on these store hours. The same mail brought a letter

Attends Writer's Round-Up Mrs. Harry Seed attended the annual Writer's Round-Up held by the Panhandle Penwomen's Association at West Texas State College, Canyon, last week. Outstanding writers and critics conducted the courses on the novel, short story and juvenile writing.

Brother Honored

Mr. and Mrs. Jeff Gilbreath were hosts at a dinner given in the Jim Hill Hotel Saturday honoring Mr. Gilbreath's brother, Claude Gilbreath, of Los Angeles, who was a guest in the Gilbreath home here. Those attending were: Rev. and Mrs. R. R. Gilbreath of Plainview, Mr. and Mrs. Clyde Cave, Mr. and Mrs. J. C. Gilbreath and sons, John and Zay of Dimmitt; Woodrow Gilbreath Dimmitt; Mrs. J. M. Posey, Mr. and Mrs. J. E. Kirby, Mr. and Mrs. Lisle Woodford and son, Billy, Mr. and Mrs. J. T. Gilbreath, Jr. and Royce Ann, Karl Shirley, Thornton Shirley, the honoree and the hosts.

Cub Pack Meeting

The regular cub pack, Boy Scout meeting will be held at the Scout Hut Friday night at 8 o'clock. Theme for the session will be "Patriotism." All cubs and their families are urged to attend.

Relatives Visit

Recent guests in the home of Mr. and Mrs. M. H. Koelzer to be with their mother who is ill, have included a daughter, Marie Koelzer of Colorado Springs, Colo.; a daughter, Sister Regina of Michel, British Columbia, Canada; and another daughter, Mrs. J. F. Herr and family of Muenster. Also visiting were Mr. and Mrs. Werner Endress of Muenster. The granddaughter, Miss Thersa Herr, remained to spend the rest of the summer in Hereford.

C. C. Nolen, who is head of a Boys' Camp near Colorado Springs, Colo., spent Saturday and Sunday here with his wife and baby daughter. Mrs. Nolen is the former Miss June Dameron. He was accompanied home by Miss Frances Dameron who has been visiting her sister, Mrs. Jack Lester, in Pueblo, Colo.

period. Mrs. Hennington plans to work while her husband is in training. Homer Milhnan, brother of Mrs. Fred Inman has moved from the Inman place. He farmed a portion of the Inman place and milked a number of cows and sold cream last winter. His herd has been dry during the summer months.

Crops are looking fine in this vicinity. The farmers, most of whom had their crops weeded, were ready for this rain. It rained one and one-half inches here Monday evening and more Tuesday morning.

Mr. Leo Bednerd from Dimmitt, who is working with Borden Company of Amarillo, is testing cows for butter fat and production this week in this vicinity, Monday evening and Tuesday morning he tested the cows for Mr. R. C. Childers who are in production now. Mr. Childers has 44 cows in production, with a herd of 70 and cows freshening all along.

Other producers in this vicinity who are having their dairy herds tested are Mr. R. Boardman, and Mr. M. G. Caywood. Mrs. Lee Curry and three of her grandchildren from Summerfield, spent the afternoon in the R. C. Childers home Monday afternoon.

Mr. and Mrs. E. Ramey have returned from their vacation trip to Wichita Falls and Bonham, Texas. Mr. Ramey has been ill since his return.

A young couple have moved here from Arkansas. They are Mr. and Mrs. Doyle Young. Mr. Young works at the Cashway Grocery.

Bob Wear will be the guest speaker at the Church of Christ in Farwell, Texas as he begins a series of meetings Monday evening at 8:15. These will continue through August 9, with one meeting each day at 8:15.

Visiting in the W. P. Caraway home are Mr. Caraway's brother and his family. Both families spent the day in the home of Mr. and Mrs. Hartland Caraway, Tuesday.

Norman Douglas Ballew is working for Maurice Tannahill, who has a farm at Bootleg. The Tannahills have their farm house furnished so when there is work to be done they go out and stay until the work is done. On rainy days and during the winter they stay in town.

The showers were not the same everywhere. At Summerfield there was over two inches. At Dawn there was only three-quarters of an inch, and here we had one and one-half inches. The lake is over the road between this community and the Friona highway. So folks going that way will have to go around by Hereford or by Summerfield.

Basket Supper Scheduled At Palmer Home August 10

By Mrs. R. C. Childers, Brand Correspondent W. C. Baggett of Arvin, California, spent several days last week in the home of his sister, Mrs. Fred Wolfington.

The Cultural Home Demonstration Club met in the home of Mrs. Francis Hill July 28, at 2:30 p. m. Earlene Manning from Earlene's flower shop in the Jim Hill Hotel gave a very interesting demonstration on the making of corsages of home grown flowers. The kinds of flowers used were gladioluses, dahlias, daisies, and snapdragons. Mrs. Manning stressed the correct way of wearing a corsage, and the blending of colors. She demonstrated the correct arrangement of flowers in corsages, and the making of bows, and the proper ribbon to use. She also stressed the importance of when and where to wear formal and informal corsages. Refreshments were served to

Stapp Chiropractic Clinic

112 W. 3rd. Hereford, Texas. HOURS: Mon. - Wed. - Fri. 9-12 2-5. Tues. - Sat. 10-12. Phone 128 - If No Answer Call Chiropractic Service Bureau Amarillo

While the wide scope of Chiropractic is amazing to the uninformed, we do NOT recommend chiropractic as a CURE - ALL. Chiropractic is effective in those cases only where the cause is found to be defective in organic energization due to spinal misalignment (subluxation). AGREED: "After practicing medicine for 15 years, and spinal orthopedics for 10 years I am daily astonished at the remedial power of Chiropractic spinal adjustments as a cure of disease." - LeForest, Potter, M. D. Orthopedist, New York. AGREED: "The sooner the medical profession recognizes the work of the chiropractor, the better. He is doing a work that medicine cannot do; he belongs exclusively to the class of specialist." - Dr. M. E. Kind in the Therapeutic Review. SKIN RASH: CASE 350 (Umbarger, Texas): A farmer, age 58, came to the

clinic complaining of backache, shoulder ache and leg ache. He said he was constipated, had gas on his stomach and dreamed all night long. Complained both his hands shook and said he had dizzy spells and was also bothered with hay fever. In the process of a chiropractic analysis it was discovered he had a skin rash on his arms and legs that itched constantly. He said, "I don't think anything can be done about that. I have had it for twelve years." A spinal analysis revealed nerve wave interference and spinal X-rays located the spinal subluxation causing the interference. Adjustments restored alignment. The patient is in general good health now, and does not suffer with the skin rash. ASTHMA: CASE 325 (Friona, Texas): On January 31, 1950 a mother brought her nine year old son to the clinic. She said, "I understand Chiropractic is good for asthma." She said that the family had spent untold sums

of money for doctors and medication. They were in hopes Chiropractic could do something for her son. He had suffered from asthma since that age of two weeks. Nightly they had to rub his chest with medication when he woke choking for breath. Throughout the year they had taken him to several clinics and had tried all kinds of treatments and medication. They were eventually told he would outgrow it. But he was steadily becoming worse. Chiropractic analysis made. Patient adjusted and nerve pressure removed. Within a week attacks had stopped. Boy gained weight and was sleeping through the night. Family overjoyed. Case dismissed April 30, 1950. Family occasionally brings boy in for checkup. Case histories published here are from the files of Dr. Stapp. They are displayed here to show the extent and scope of Chiropractic.

## Hereford Golfers Pick Up Six Points Over Opponents

Sixty-one out-of-town golfers registered to play Sunday afternoon. Jim Terry says the course reached its saturation point and they had to turn local players away. Thirty entered the tournament from Hereford. They were waiting two hours to get off number one tee.

Highlights of the day included a hole-in-one by James Taylor of Portales on the sixth hole and Kenneth Wright, Mesa Country Club Pro from Tucumcari shot a 67 to set a new course record.

The pros had a gallery numbering better than 100 by the time they finished. Wright's 67 was low and Jim Terry tied with J. D. Taylor of Clovis for second with one over par 73's. Harold Smith of Portales was fourth with a 78.

The greens were awful rough by the time they played the last round and very few putts were dropping.

Terry had 34, 39-73; Taylor 38, 35-73; Smith 36, 42-78; Wright's card showed one bogey and seven birdies. He had 544 333 444-34, 444 433 443-33.

Paul Dean of baseball fame was a member of the Clovis contingent. He was supposed to have been playing in an exhibition baseball game in New York, but he said he'd rather play golf.

Hereford had a pretty fair second team score Sunday. The sixth through tenth place shooters would have been 23 strokes under par.

Don't forget the Scotch Four-some Sunday evening.

**Baseball**...  
WASHINGTON, D. C. — In Washington, Cuba has suddenly become number 1 good neighbor of the United States. Bucky Harris, manager of the Nats, has called up four Cuban baseballers, who take their chunking seriously, and they are winning games for Washington. One pitcher is named Marrero, and they call him "El Curvo." Another

is named Consuegra, and there is outfielder, Ortiz. He is the interpreter. The pitchers can't speak English, so Ortiz tells them what Bucky wants.

Marrero holds two decisions over Detroit. He whipped Cleveland 3 to 2 when the Indians were hottest. He just doesn't get added in the eighth or ninth like many hurlers.

So good have been the three or four Cubans, that the Cuban

### Two Play 101 Holes In One Day Golf Marathon

Homer Lee Owen and Pat Kerr kinda let their enthusiasm for golf run away with better judgment Monday. They only played 101 holes each.

The young mashie swingers started at 5 a. m. and finally called it quits about 7:30 p. m. They had played five complete rounds, plus 11 extra holes.

They started out pulling carts with all their clubs in the bags and ended up carrying four clubs each under their arm.

They actually shot good golf, the scores were Owen—88, 78, 85, 88, 76; Kerr—94, 89, 94, 96, 89.

Jim Terry gave each of them a half dozen golf balls, and said he is making that a standing offer as a prize for anyone playing more than 100 holes in one day.

Hereford picked up six points toward winning the team trophy Sunday afternoon as the low five totaled 47 strokes under par. Alvin Shirley led with a par-shattering 61 net.

Portales was second with 39 strokes under par, Clovis was 30 under and Tucumcari was 25.

The team totals after two matches and with two left to play are: Portales 672, Hereford 679, Tucumcari 679 and Clovis 682.

Pat Kerr, Homer Lee Owen, Wayne Phillips and Harold Loerwald were the four other low shooters composing the Hereford team Sunday. Kerr had 90-28,

62; Owen 82-20, 63; Phillips 76-13, 63; Loerwald 90-25, 65. The first five won two to four golf balls apiece.

Other ball-winners from Hereford included Ray Hardy 93-27, 66; Don Martin 78-11, 67; Sam Nelson 88-20, 68 and Tom Howard 91-23, 68.

The next match will be played at Portales, August 20, and the starting time has been moved up to 9:30 in the morning.

### Renner Pitches Two Hit Victory

Johnny Renner pitched two hit, scoreless ball Wednesday night as Hereford VFW handed Kress a 17-0 whipping.

Renner faced 28 batters and struck-out 14 in nine innings. VFW batters got 15 hits during the fiasco. Conrad Clark and Stan Barrett each had three hits.

One of Clark's was for four bases, and one of Barrett's a triple. Patterson, Clark and Barrett each scored three runs.

Hereford plays Hart away from home this afternoon.

# VFW Can Win Title With Win Sunday

Hereford bunched six hits in the second inning at Hart Sunday to score seven runs and gain their twelfth victory of the season in Central Plains league play. Hart scored a run in the fourth and another in the ninth to bring the final count to 7-2.

Sammy Roberts took the mound for his first start of the season and twirled six innings, allowing five-hits and one run.

Johnny Winkler came on in the seventh and held them to one run and no hits.

Raymond Lueb hit the big blow in the seven run second inning.

### Biggest Year Of Football Is On Tap For Texas Fans

By Harold V. Ratliff  
Associated Press Sports Editor

Texas football fans can start oiling up their tonsils for the biggest college campaign in history.

There will be 57 schools putting teams in the field each Thursday, Friday or Saturday from mid-September until the first week in December.

Thirty senior colleges and 27 junior colleges will play the game. This is an increase of two over last year, the all-time high in Texas.

Football season starts early in Texas. While no games will be played until September except for the all-star or exhibition variety, the gridiron campaign actually gets its start this week at the gigantic Texas coaching school.

This year it is at Austin with some 1,500 coaches attending. The next football game in Texas comes Aug. 30 when the Detroit Lions, with Doak Walker, Gil Johnson and Bobby Layne, (Continued on Page 5)

He smashed a long home run his first of the season to clean the bases and put the score up to six.

Onias Carroll opened the inning with a single followed by L. J. Clark who was safe on a fielder's choice. Pat Corbett doubled.

the first of four safe hits he had in five trips to the plate. Roberts kept the rally alive with a single after Knox struck out.

Buddy Anderson struck out and Ross singled before Lueb hit his four bagger. Conrad Clark followed with a long triple and scored when Carroll was safe on an error. L. J. Clark filed out to right field to retire the side.

Barrett and Burdine were both

out of the lineup Sunday playing in the inter-city golf match.

VFW plays Nazareth at home Sunday afternoon at 2:30 to complete the regular schedule. A win will mean the regular season championship for the local nine.

### Fourth Place In League Will Be Decided Sunday

With one week of baseball left before the top half of the league goes into the Shaughnessy play-off, Tulla holds a slim edge over Umbarger and Vigo Park for the number four spot.

Hereford, polishes off seventh place Nazareth Sunday they will meet the fourth place team in the first play-off game.

Canyon and Vega will play and winners of the two games will meet to play for the trophy.

Last Sunday, Tulla beat Nazareth 2-1 in a close one. Nazareth held a one run lead from the second to the fifth when Tulla tied it up. Tulla scored the winning run in the sixth.

Canyon jumped out ahead in the first inning at Vigo Park and stayed ahead, ending up on the long end of a 9-3 count. Ford

pitched a five-hitter in winning. Vega won a wild contest with Umbarger, 13-3. Vega got 18 hits and Umbarger 11, during the melee. Both Hammond and Dennis Brandt, starting pitchers for the two teams, had to be replaced during the ball game.

# Anti-Truman Sentiment Revealed In Answers

Congressman Ben Gull, 18th District, Texas, today announced the first tabulation of answers to a questionnaire which he sent out at his own expense earlier this month to 42,000 voters in the Texas Panhandle.

The questionnaire included 13 questions on basic national and international issues. The Texas Republican's partial tabulation is based on the first 4,000 questionnaires to be returned to his office. He pointed out that every one of the 28 counties of his district was represented in the results to date and expressed certainty that the same trends would hold up as the remainder of the answers arrived at his office.

The answers revealed a strong anti-administration sentiment. Here are the questions and the way in which the Panhandle voters answered them.

The questionnaires were sent out without a stamped or self-addressed envelope. More than 80 per cent of the questionnaires had comments on the reverse side. Gull analyzed the comments on each question briefly.

1. Even though the 18th District of Texas is technically a Southern District, the majority of the comments on the FEPC were not bitter. For the most part, they expressed doubt about the possibility of legislating tolerance and eliminating prejudice through passage of a Federal law.

2. A great number of the voters indicated that they didn't understand the Taft-Hartley Law. The name has become a shibboleth and many of those who are for or against repeal admitted they didn't know the facts.

3. The general feeling of those responding can be summed up in the statement: "We're not getting anywhere near our money's worth in Europe."

4. Most adverse comments on this were extremely forceful.

5. A high percentage of those voting "No" specified that they were against anything with Mr. Hoover's name on it. The majority of comments showed a real and intelligent concern for effecting economy in government but, on the other hand, opposed the Post Office service curtailment. Veterans objected to the veterans' clauses in the Hoover Commission report.

6. Approximately half the comments objected to Senator McCarthy's methods but expressed the opinion that there was a considerable amount of fire behind the smoke. The most common comment was "Why doesn't the Justice Department let the F.B.I. investigate?"

7. There was bitterness against

the Brannan Plan. Stock farmers are against any government program. General opinion is the present system is top-heavy.

8. Most comments on this question charged the housing program with being Socialistic. Amarillo is the only large city in the District.

9. Almost every person voting "Yes" on this also voted "Yes" on Questions 1, 2, 4, 8, 10, 11, 12 and 13. They also, for the most part, voted "No" on 5 and 6.

10. Consumers exhibited considerable economic antagonism toward farmers in answering this question. Hardly any farmer or farm laborer voted "Yes."

11. Of those commenting, approximately 25 per cent said they would favor Federal Aid only if parochial schools were included, and another 25 per cent said they would favor Federal Aid only if parochial schools were excluded.

12. Of those voting "Yes," 817 specified that such powers should be limited only to war time. (The Korean crisis broke when the questionnaires were en route from Washington to the Panhandle.)

13. The comments on this all but made the corners of the questionnaire curl. Gull commented on the high percentage of responses. "When the questionnaires are all returned we should have approximately 5,000 in our office. Considering the trouble it took for the average person to return his questionnaire, an average of more than 10 per cent is extremely gratifying."

He added that the average person was surprised and even grateful that he had even been asked for his opinion. "Our highly centralized government has made the average voter feel considerably frustrated," he said. "He feels government is something that happens to him and not something that he owns and in which he has a part. That's all wrong. I hope that at least in the Panhandle of Texas we can do our little bit to bring government closer to the people themselves."

**Law And You**

By Bob Kirk

**DO YOU KNOW** what your rights are in regard to self defense? You have the right to defend yourself from a real or apparent attack, and to use whatever force is necessary to defend yourself, even to the extent of taking the life of the one attacking you, if the same should be necessary to protect your life, or to protect yourself from serious bodily injury.

You may defend your property and if necessary take life in the defense of it under the following circumstances:

1. You must have actual possession of the property at the time.
2. Your possession of the property must be legal.
3. If you lose possession of the property, it is not lawful to regain it by such means as result in homicide.
4. Every other effort in his power must have been made by the possessor to repel the aggression before he will be justified in killing.

THE SMALLEST COIN IN HISTORY

The smallest coin ever made was issued in Athens about the Fifth Century, B. C. This coin was called the Silver Obol and was worth about one-sixth of a drachma. It was so small that, according to some historians, the Athenians carried them in their mouths to avoid losing them. . . . but not for you. **I help build SUB STATIONS?**

THAT'S RIGHT... many a housewife has a lot to say about building your Public Service Company. How? Through her investments, of course. Whether it be a sub station or a service car, our company is truly "owned" by the stockholders—ministers, doctors, lawyers, teachers—yes, even you or your neighbor... and no one of them owns more than 2% of the total stock.

Perhaps you have a savings account—or a life insurance policy—it's pretty certain that some of those funds have been re-invested in your Public Service Company. And so, you see, we really belong to the people. It's a working example of free enterprise... the system that has made America great and strong.

**RAMSEY THANKS TEXAS VOTERS**

**BEN RAMSEY**, run-off candidate for Lieutenant Governor, thanked Texas voters. This week for the vote they gave him in July 22 primary election. Ramsey, shown here in his San Augustine law office, said his heart was "filled with humble gratitude" and asked his supporters to continue the fight and elect him Lieutenant Governor in the Aug. 26 second primary. Ramsey is the only experienced candidate in the race.

"EAR-BANGER"—U. S. mortar crewmen in Korea hold their ears as they send their deadly missiles whistling into enemy lines. At right a communications man checks fire results with an artillery observer up front. Packages of C-rations, familiar to millions of ex-GI's, can be seen in foreground.

## Long Time Ago

25 Years Ago  
Hon. Lee Satterwhite of Panhandle, Speaker of the House of Representatives, made the principal address at the weekly luncheon of the Chamber of Commerce, in which he praised the great state of Texas and especially the Panhandle area. "Unfortunately the central part of the state will have to depend on the Panhandle for feed, but the people here should cooperate in every way with the drier portions. The Panhandle has the biggest feed crop prospects that she has ever had and prospects are bright for a cotton crop to be proud of," he declared.

Mary Pauline Ray, Ethel Rice, Beulah Rutherford, Ruby Estelle Slaton, Dessie Mae Steele, Sam D. Steele, Eunice Walker, Eddie Lee Allen, Millie Allen, Ernest Layman, Marguerite Russell, Clara Bell Slayton, Grady Slayton. The others were Ethel Harris from Dawn, and Doris May Kemp from Summerfield. A total of 1,110 students were enrolled during the regular session at the Teacher's College, and 1,385 were enrolled for the summer session.

The Westway community was planning for another big time on the fifth Sunday in August. The committee in charge had decided to call it Old Folks' Day. There was to be preaching in the forenoon, and lots of singing in the afternoon. The public was cordially invited to attend, bring well-filled baskets, and also their song books.

The first shoot of the season for the Hereford Gun Club was held on the new grounds, on the golf reservation. The feature of the event was the shooting of Dow Mercer, who ran a straight string of hits. The score book showed the following: Mercer—25; McDonald—22; Gabbert—21; Homer Fox—21; John Sherman—18. Another shoot was scheduled for Thursday afternoon, August 6.

The new Hereford Band was progressing nicely and promised a real musical organization for the near future. Practice hours were held each Thursday night and Director Ralph Smith was urging every musician in town to come out and participate. At the last rehearsal there were over 20 present.

The Texas Utilities Company of Hereford was preparing to hook up the machinery in the new ice plant and give it a test. Manager Oberthier stated that the plant was then practically completed and the stage had been reached where it was necessary to turn on the juice and see how the new outfit worked. As soon as the necessary adjustments were made and the plant was running smoothly the manufacture of ice was to begin.

Mrs. Carroll Wood had purchased the Ladies Bob Shop, in the Star Theatre building, and took over the establishment August 1. Miss Brucie Brady had tired from the shop but Miss Jowell was to continue with the new owner.

Twenty-eight students from Deaf Smith County attended the West Texas State Teachers College, which was known as the educational home of Northwest Texas, during the past regular session at that time. Twenty-six of these young people came from Hereford: Nola Mae Brumley, Joidia Brumley, Margaret Corbett, Emma Jeanne Donald, Grace Ferguson, Eunice Gilbreath, Lullie Gilbreath, Howard Golden, Mary Katherine McDonald, Sena Mae Mounts, Edah Park, Eloise Homan, Glenolds Powelson,

John White, farmer, former newspaper man, and secretary of the Commercial Club, was the publisher of the Plains' newest weekly, "The Friona Star," which made its initial appearance Friday, July 31, 1925. The paper was being printed in Clovis.

Mrs. O. O. Curtis returned from a seven weeks' vacation trip in California where she visited her parents at Los Angeles and traveled to other interesting parts.

The Progressive Canning Club, Deaf Smith County's first organization of the kind, which had been operating something over two weeks, two days out of each week. In that short time they had turned out an astonishing amount of canned goods. A list of the products up to that date showed that the club had canned four beeves, 150 cans of beans, 200 cans of corn, ten bushels of peaches, some plums and a lot of jellies. The club members, needing more finances, were busy working up the play, "The Irish Linen Pedler," which was to be presented August 7.

A personal ad found in the August 6, 1925 Hereford Brand: "College widow with six children would like to meet old grad with five. Object: football team."

## Comments

(Continued from Page 1)

Ambassador gave them a dinner recently. President Clark Griffith, of the Nats, and others were present. The Ambassador passed out pure Havana filler cigars. He was much proud of his baseball countrymen. The Nats have another, a fellow named Moreno, coming up in August. He has a split finger at present. He is also a twirler.

Bucky figures to keep throwing fresh Cuban talent at the other American League clubs. That strategy has paid dividends so far. It's a great thing for Washington that the Nats have their

Havana farm to fall back on because Bucky's hurling corps of the spring and early summer has faded badly.

Washington fans have taken to Chico Marrero and the others like an old shoe. And when El Curvo twirls a good game, he winds up with a smile and a remark that his effort was mucho good, no? No one has answered him in the negative, very often, on that one.

## Biggest Year

(Continued from Page 1)

meet the Washington Redskins with Sammy Baugh, in a National Professional League exhibition in the Cotton Bowl at Dallas.

The High schools—and there will be about 850—start playing early in September. Most of the colleges swing into action the next to last week in September.

There are five senior college conferences in Texas; the Southwest, Border, Texas, Lone Star and Gulf Coast. These take in 25 schools. Then there are five independents. One of these—Lamar State of Beaumont—will be in the Lone Star Conference next year. It has been in the Southwestern Junior College Conference but this season plays an independent senior college schedule.

Sul Ross, which had been a member of the New Mexico Conference, moves into the Lone Star Conference.

University of Houston will be playing its last season in the Gulf Coast Conference. The Cougars become members of the Missouri Valley Conference next year.

The Southwestern Junior College Conference is no more. Tyler, Paris and Kilgore left it to join the Big Six Conference with teams from Louisiana and Oklahoma.

The Pioneer Conference was formed by the other four members of the Southwestern Conference. They are San Angelo, Tarleton State, Schreiner Institute and Arlington State.

The South Texas Junior College Conference and the Texas Junior College Conference are the other circuits for the junior colleges in the state.

College football conferences of which Texas teams are members:

Southwest Conference—Baylor, Rice, Texas, Texas A&M, Texas Christian, Southern Methodist.

Border Conference—Texas Tech, Texas Western, West Texas State, Hardin-Simmons.

Texas Conference—Texas A&I, Southwestern, Austin College, McMurry, Abilene Christian College, Howard Payne.

Lone Star Conference—Sam Houston State, Southwest Texas State, Stephen F. Austin, East Texas State, Sul Ross.

Gulf Coast Conference—University of Houston, North Texas State, Trinity University, Midwestern University.

Independents—Lamar State (Beaumont), University of Corpus Christi, Daniel Baker, East Texas Baptist College, Texas Lutheran.

Junior college conference of which Texas schools are members:

Pioneer Conference—San Angelo, Tarleton State, Schreiner Institute, Arlington State.

Big Six Conference—Tyler, Paris, Kilgore.

South Texas Conference—Southwest Texas (Uvalde), Texas Southwest (Brownsville), Del Mar (Corpus Christi), Edinburg Regional, Victoria, Wharton Laredo.

Texas Junior College Conference—Howard County (Big Spring), Odessa, Decatur, Ranger, Weatherford, Cisco, Pampa (Carthage), Henderson (Athens), Allen Academy, Elgin, Midland, Navarro, Clifton.

It looks like the Armed Services are in for a big expansion and their sports programs probably will keep pace.

Talk about calling in the reserves, resumption of the draft, etc., recalls the circumstances under which probably the greatest football team ever to play in Texas—and maybe anywhere—was assembled.

This was the Randolph Field Air Force eleven of 1944. Randolph Field, the "West Point of the Air" in pre-war days, was always sports-minded. Still is.

During World War II a number of extremely fine football players showed up as flyers, crewmen and what have you at the big base just-north of San Antonio. They fielded a fine football team in 1943—one good enough to tie Texas, 7-7, in the 1944 Cotton Bowl game in Dallas. But it was in 1944 that the Ramblers reached their peak.

If you'll recall, this is the team that had dozens of headline players. It was loaded with All-America talent and men who were veterans of the National Professional football league.

Pete Layden, Bill Dudley, Jack Russell, Jake Leicht, were just a few on the squad.

This was the team that bowled over every team it met—by top heavy scores in most instances. And it played such Southwest Conference teams as Rice and the University of Texas.

It was also the team that came off victorious in one of the greatest games ever played in the southwest. That was the tilt with the Third Airforce at San Antonio.

Folks in San Antonio in 1944 figured the Third Airforce got all the good football players. Randolph Field couldn't get Charley Trippi was one.

It's doubtful if another such team could be assembled by any branch of the Armed Forces unless there was general mobilization. But it would be wonderful to watch if it were.

Mr. and Mrs. L. E. Gross and daughter, Beth, went through the Carlsbad Caverns recently. They were accompanied by Dorothy Daniels and Mrs. Gross' sister, Mrs. D. McGavock of Amarillo.

Mrs. Frances Houston and family returned the latter part of last week from a trip.
