HEREFORD POOL?—There's been talk during the past week on what the oil pool would be named if they do hit pay in the Oldham county area. Several persons have forwarded the idea that it should be known as the Hereford pool since the name would attract overnight stayers to Hereford rather than Amarillo. Regardless of that here's the drilling rig on the Oldham location.

Funeral Services For Mrs. Donner

Funeral services were held Wednesday, September 13, at 2:30 p. m. for Mrs. Maude Alice Donner, 81, who follows in death her husband, E. Leon Donner, after only 21 days. Mrs. Donner was born Maude Alice Britton on November 11, 1868 at Malvern, Iowa. Her father, T. M. Britt, was a member of the Iowa Senate for two terms. On March 15, 1893, Maude Alice married E. Leon Donner at Malvern. One child, a daughter, Halcyon, was born to this union on September 5, 1900. Miss Donner died on March 15, 1941, of a broken back suffered in a fall. The Donners came to Hereford in 1914, and made their home in and around Hereford until Mr. Donner's death on August 20. Mrs. Donner leaves no known survivors.

Last rites were held in the Gilliland funeral chapel, with Rev. Don R. Davidson, pastor of the First Methodist Church, in charge. The pall bearers were Cliff Hicks, Elmer Patterson, Frank Cogdell, Miles Roberson, C. R. Smith, and Earl Wood.

Former Air Force Gunner Enlists In Army Wed.

Otis W. Smith, age 25, enlisted in the Regular Army unassigned Wednesday according to Recruiting Sgt. H. M. Riddle. Smith, son of Mr. and Mrs. Otis Smith, was formerly a S-Sgt. in the Air Force. He was a tail gunner with a B-17 Group with 33 combat missions to his credit. He received the Air Medal with four oak leaf clusters, plus his European campaign ribbons, etc. He will report to Ft. Ord, Calif. for assignment.

August Weather Brought Spotted Rain To County

Rain has been extremely spotted through August, even though everyone has had plenty of rain. Heavy rains have fallen in restricted and often sharply defined areas, a look at records of the eleven reporting rain gauges in the county shows. These rain gauges have been placed by the research division of the Soil Conservation Service with the co-operation of the Deaf Smith County Wind Erosion district. The heaviest rainfall was east and north of Hereford, where more than three and a half inches fell. The areas of lightest rainfall were a section in the west end of the county and the northeast corner. In both places around one and three-fourths inches fell. Thus, heavier rains fell in a belt that curves from the lower east end of the county to the northwest corner. Lighter rains fell on each side. The southwest corner of the county received heavier rains than fell between there and Hereford. Most of the rain gauges are the simple type, in which rain is funneled into a brass tube. But the gauge at the west end, operated by O. B. Russell, of the Wind Erosion district, has a recording mechanism operated by an 8-day clock. A look at the records, which are sheets of paper that have Lobos will not only be looking the exact time the rain fell, and in what quantity. It even shows where the receiving tube jiggled a little with the force of the rain it received. At times .15 or .20 of an inch of rain would fall at night, and evaporate during the following day.

Cancer Control Lecture

Progressive HD Club will meet Tuesday, Sept. 19, with Mrs. Floyd McGee, Miss Augustine Gregory, president, says it is an important meeting, and all members are urged to be present. The scrap book committee has business to bring before the club. Officers must also be elected before the council meeting Saturday the 23rd.

BOND SET AT \$500

William Strickland Rice, Jr., was charged with assault with intent to murder in county court Wednesday. He waived preliminary hearing, and County Judge L. H. Foster set his bond at \$500 pending action of the grand jury.

August Building Permits Top Former Record Month

Building activity in Hereford continued at record levels during the month of August with estimates of building permits issued totaling \$102,675. In the first eight months of 1950 Hereford building has exceeded \$633,725, close to doubling the total of \$382,850 during 1949. March and July building months with about \$85,000 in building each were the highest until August totals were revealed at the City Hall. At least some of the increased

building activity, as reflected by the \$20,000 increase in permits in August over July, was promoted by a rush to begin construction before possible government controls went into effect. Throughout the nation the building boom continues in a contest to eliminate housing backlogs which resulted from World War II restrictions and earlier from the depression of the thirties. Individuals in the industry warn that, if a family

plans to buy or build a home, it would be wise to take the necessary steps for procurement soon. Prospective labor and material shortages have prompted contractors to reconsider plans and study future commitments more carefully. The state forecast states war-hedge clauses may soon become common, and at least one major builder of homes in the state has reported that his future contracts will contain this clause. Although credit restrictions on

housing recently announced by the President are expected to slow home buying eventually, no sharp drop in housing construction as a result of these curbs is anticipated by the builders for the remainder of the year; however, economists have predicted a gradual slowing down during 1951. Another expected effect on building activity is an increased activity in remodeling. Over the nation an increase in sales of prefabricated houses has been reported. Prices of lumber continue to increase but contrary to expectations the major factor in this upward movement has been the demand for materials for use in home building rather than for military purposes. Lumbermen anticipate a continuing high demand, at least through early fall, and more likely through the remainder of the year. The final August total was high because of an increase in business building with a \$41,000 permit to J. W. Witherspoon for the new shopping center going up across from the swimming pool on Park Avenue; a \$13,000 permit for the addition to Hereford Implement company's building on the south; a \$12,500 permit to Coca-Cola for a building on Avenue K next to the Hereford Truck Lines; a permit to J. H. Sears of \$10,000 for the new service station going up at the corner of Jackson and Highway 60; a \$1,200 permit for the bus station addition was also included along with a permit for \$2,000 remodeling to W. J. Hacker for the laundry in the 100 block on Lawton. Residential building includes permits to Bill Warren for a \$5,600 residence; to John Blake for a \$3,500 residence at 211 Avenue K; to Cecil McNeil who moved a \$5,000 home to a lot on Blevins Street; Joe Hellman for a \$7,500 prefabricated home moved to Avenue B, and to Leo Price \$375 for a garage.

Deaf Smith Delegates Vote With Shivers At Convention

By ROBERT THOMPSON, Deaf Smith County Delegate. MINERAL WELLS, Texas, Tuesday, September 12 — That political faction variously known at different times as Conservatives, Dixiecrats, Texas Regulars, and various other titles, some printable, others unprintable, were returned to the Democratic Party in Texas, this morning on the vote of the Democratic State Convention meeting in Mineral Wells. The convention, following the recommendation from Governor Allan Shivers, and the approval of the Democratic Executive committee, in the opening minutes of the convention, Tuesday morning, voted to seat the delegations from Harris, Dallas, Tarrant and Brazoria Counties, which numbered among their members many who were thrown out of the convention at Fort Worth two years ago when they refused to support the nominees of the party. It was not a full victory, however, for the delegations, in any sense of the word, as they were approved only after their members agreed to sign pledges of loyalty to the party. Neither were those seated who were known to be connected with any other political party. This stipulation removed from the ranks of the Democratic Party in Texas, all those who proposed to maintain their connections with the States Rights Party, called Dixiecrats by the loyalist faction. The action of the convention followed an all day session on Monday, of the Executive Committee, at which time opposing factions from the counties of Harris, Brazoria, Dallas and Tarrant were heard. It was proved to the satisfaction of the convention that the delegations which they recommended to be seated, were the regularly and legally elected delegates at the county conventions where they were elected, and it was the duty of the Executive Committee under the law, to seat them. The difference in the situation now and that of two years ago was that this time the contesting delegations were not the ones who were legally elected. The losers in both instances being the delegates who were elected at rump conventions and did not come to the convention armed with certificates of election signed by the Democratic county chairmen of their respective counties. It was revealed that in the Harris County convention, everyone took the pledge to support all of the nominees of the party, and since it appeared that that was the legally conducted convention, the state convention could not do otherwise than seat the delegates elected at this convention. It was simply a case of the loyalist faction at the county convention being out-voted by the faction with a liberal sprinkling of former members of the States Rights Party. The procedure followed by this convention was practically the same as that of two years ago. The only difference was at this convention the test vote came or the motion to amend the motion to approve the report of the credentials committee. While the vote two years ago was on whether or not to sustain the chairman's ruling that the members of the Harris County delegation could not vote on the question of their approval.

At the 31st Senatorial District caucus held Tuesday afternoon, Mrs. A. B. Crump of Wheeler, was elected district committeewoman, to succeed Mrs. Willie O'Neal of Panhandle, who did seek re-election, and who was not present at the convention. Charlie Gibson of Amarillo, district committeeman for the past eight years, was re-elected. He was opposed by Ralph Porter of Clarendon, who was supported by a delegation from Pampa, by a vote of 62 to 38.

Deaf Smith County was represented at the convention by Alex Thompson and Robert Thompson. Also present and assisting the Deaf Smith County delegation with his counsel and advice, was Marshall Formby, who was elected permanent Vice-Chairman of the convention. The delegation cast Deaf Smith County's votes in favor of seating the delegates recommended by the Executive Committee and Governor Shivers.

Immanuel Lutheran Church Celebrates Anniversary

Two festival services this Sunday will commemorate the first anniversary of the dedication of Immanuel Lutheran Church and will be devoted entirely to the cause of missions. The guest speaker for the celebration will be the Rev. E. F. Krupp, pastor of the Lutheran Church in our neighboring city of Clovis, N. M. Pastor Krupp came to Clovis in January 1948. Previously he had served churches in and around Delta, Colorado, since his graduation from Concordia Seminary, St. Louis in 1945. In addition to his work in Clovis, he also makes frequent trips to Tucuman, N. M., in the interest of the Lutheran mission there. In the morning service at 10:30 a. m. Pastor Krupp will speak on the theme, "We must spread the healing Gospel throughout the World," basing his message on Luke 4:40-44. The Junior Choir will sing the anthem, "The Morning Light is Breaking." Miss Leta Dene Springer will be at the organ. Following the service, a fellowship dinner will be served to all members and guests in the church basement. A lunch will also be served after the afternoon service.

REV. E. F. KRUPP

"When Christian Mission Work ends, the world ends!" will be Rev. Krupp's theme for the afternoon service which begins at 3:00 p. m. The anthem will be "Jesus Shall Reign Where'er The Sun" by Isaac Watts. Rev. Lichtsinn will preside at the organ for this service.

The special offerings at each service will be devoted entirely to Mission work in the Lutheran Church—Missouri Synod. Some will be used for foreign mission projects, and others for establishing and maintaining Lutheran churches in the state of Texas. More than \$200,000 annually is spent for this latter work. "While there has been only a small gain in the total membership of Immanuel Church since dedication day one year ago, there has been an increase of nearly 50 per cent in the average Sunday attendance," states pastor Lichtsinn in speaking of the progress of the church.

Trees Available For Windbreak Planting

Now is the time to order trees for the 1951 season. Trees for farmstead and windbreak plantings are available to all farmers and ranchers cooperating with the Deaf Smith County Wind Erosion District, reports Mail Stewart, Chairman of the Board of Supervisors. To secure these trees cooperators should request them at the District office in the Court House. Only trees so ordered will be delivered early in 1951. Through cooperative arrangements with the Soil Conservation Service Nurseries the following species of trees are available: Black Locust, Red Cedar, Honey Locust, Austrian Pine, Catalpa, Western Yellow Pine, Chinese Elm, Loblolly Pine, Green Ash, Sycamore, Russian Mulberry. Farmers interested in securing any of these trees should make application at once at the office on the third floor of the Court House.

Around Town

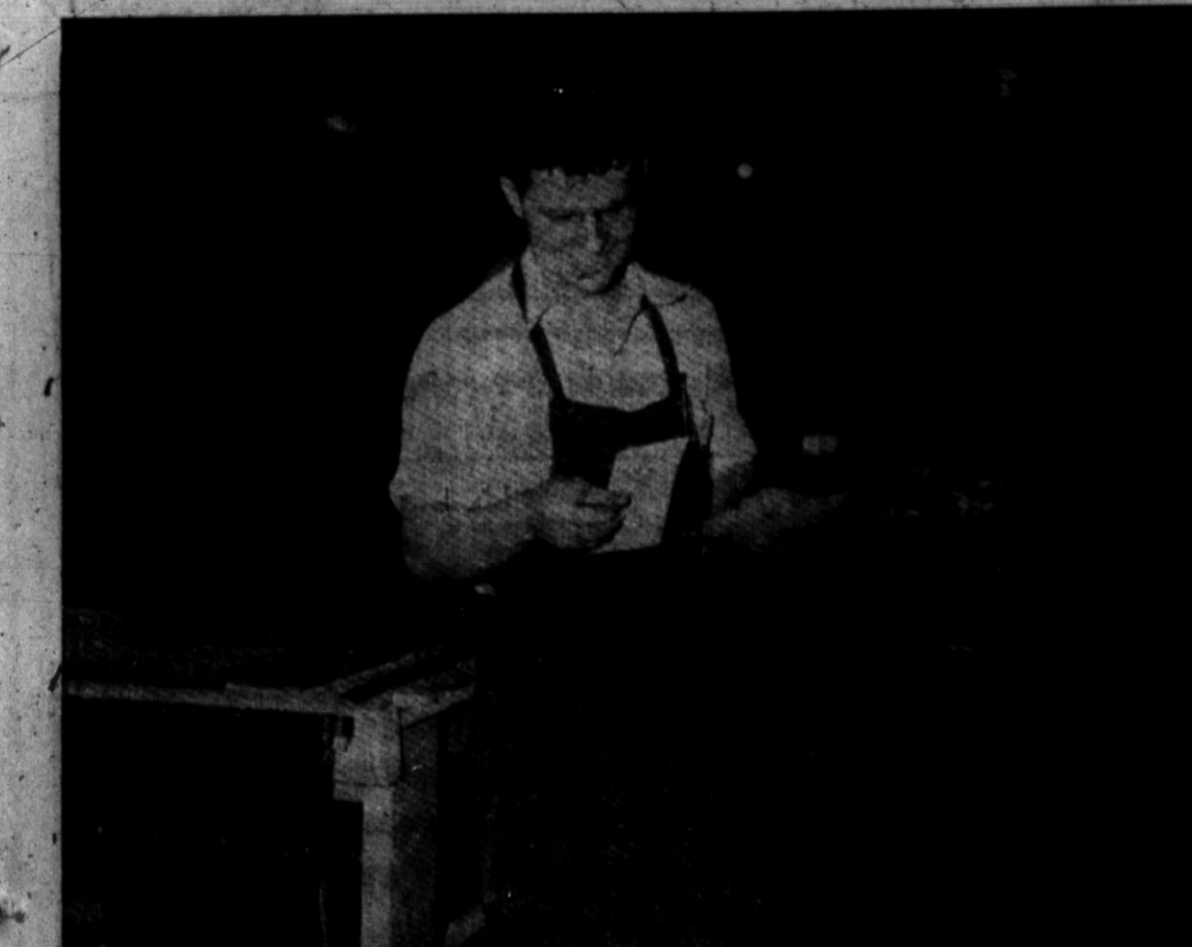

SIGHTS, FACES SEEN. The American Legion and VFW are joining in a stag party Thursday night from 7 to 11 at the VFW clubroom. The South Hereford Home Demonstration club is sponsoring a program on cancer control at the high school auditorium Tuesday night at 8 o'clock. Dr. R. R. Wills will be the guest speaker. The public is invited. Two weeks ago it was really news when a reservist got his call to take a physical or to active duty, and even a week ago it was still different. But by now it is getting to be a rather normal occurrence for everyone except the guy who got the notice. The Methodist Church chimes are playing at 12 o'clock each day to remind the community to utter a two-minute prayer for world peace. The Ministerial Alliance is sponsoring the program. B&PW is getting ready for their district conference to be held in Hereford October 21-22. Hereford High School band will participate in the Tri-State Fair opening parade Monday morning in Amarillo.

Two New Policemen Named To Local Force Recently

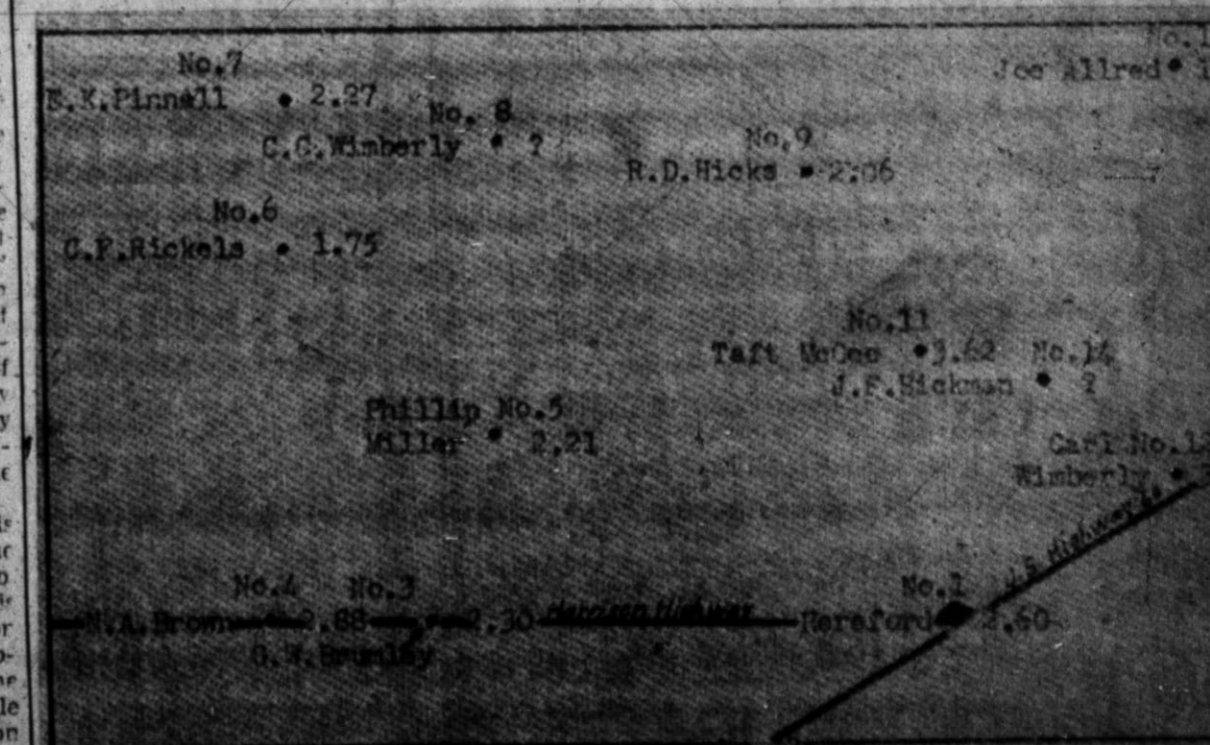

Chief of Police Floyd Reeves announced the addition of two new policemen, bringing his force to full strength of five again, this week.

Lions Present Plaques To Blanton And Caylor

The Lions Club presented plaques to past president, Lyle Blanton, and past secretary, Harry Caylor, and was entertained by a magician at its luncheon Wednesday in the dining room of the Jim Hill Hotel. The plaques were presented to the past president and past secretary for their efforts and achievements during the past year. Their terms of office expired July 1. The magician was brought to the luncheon by Ray Daniels, president of the Downtown Club, the Lions Club of Amarillo. Next week John Kimbrough, coach at West Texas College, will discuss the new changes in football rules. It was also announced Lions Club is taking part in an international attendance contest. They are asking for 100 per cent attendance at the meeting next week. The grand prize for attendance will be a free trip, including Pullman accommodations, for two members of the winning club to the international convention in 1951. Twin prizes will be awarded in case of a tie.

IT DIDN'T BOTHER HIM—When Melvin Young (Corporal in the United States Marine Corp Reserve) received orders to report to Albuquerque he seemed pretty happy over the whole thing. He says it is the waiting that hurts, as a word of advice for other reservists expecting calls. Young is shown here opening the letter.

**Rain Has Roads Impassable School Buses Can't Make It**

By MRS. OWEN ANDREWS  
Brand Correspondent

Rain again! Rain, the first of last week amounted to two and a half to three inches. On Friday night a heavy downpour of another two and a half to three inches came and again on Sunday night up to as much as an inch fell in the community. The hum of irrigation motors is definitely over for the season. Wheat and row crops will be benefited greatly, but the cotton farmers will feel relieved to see a little sunshine. The school bus has not been able to get over the roads, much of the time, and parents are getting

their children to school the best way they can. Several roads are impassable with lakes over them, or almost so with mud holes too deep for ordinary tires.

Mr. and Mrs. T. L. Sparkman, Sr. went to Childress Sunday a week ago to attend a family reunion of Mr. Sparkman's relatives. Last Sunday morning his sister-in-law and nephew, Joe Sparkman, both of Childress, paid the Sparkmans a short visit.

Mr. and Mrs. Gene Noel of our community are announcing the arrival of a son, whom they have

named Lynn Eugene. Congratulations. Mrs. A. T. Jones was able to be brought home from the hospital at Hereford on Sunday morning. Mr. and Mrs. Henry Andrews and Doris Jean went to Carlsbad on Saturday where they visited a schoolboy friend of Mrs. Andrews and also went through the Caverns there.

E. F. Vogler's sister, who was critically injured in an automobile accident recently, is reported to be much improved and expected to be brought soon to the hospital at Lamesa where she lives.

Wade Thompson left last week for Lubbock to begin his sophomore year at Tech. Miss Betty Robbins went to Plainview Sunday to start school at Wayland, and Miss Lyla Robbins was to go back for her senior enrollment at WTSC on Monday.

Beginners at Hereford grade schools last week were: Walker Parris, Don Warrick, La Von Thompson, "Bunny" Starry, Connie Kent, Kay Lemois and Royce Hartman. Bonnie Mae Sparkman started to school at Dawn.

Mrs. Frank Robbins spent two days last week with her sister, Mrs. Glenn Edwards and family and helping care for the Edwards' new son, Kenneth Lynn. The Edwards live 11 1/2 miles north of Hereford.

Mr. and Mrs. H. E. Lindley returned Wednesday from a trip to Oklahoma and Whitman, Ark., where they visited his sister.

Mr. and Mrs. Beaumont Gresson, Duncan, Okla., visited their aunt and uncle, the Lindleys, on Saturday.

Only two women, Mrs. W. A. Springer and Mrs. Floyd Cole, went to H. D. Club at Mrs. Frank Robbins on Thursday. Another

meeting is scheduled for this Thursday at the home of Mrs. H. F. Benson on the subject of "Cosmetics."

The Henry Dobbs returned home Monday from a three weeks' trip to Tennessee, where they visited their relatives. They had planned to return a week earlier to be home for the opening of school, but couldn't do so

as James and Larry had mumps. Several from this community attended the Castro County fair at Dimmitt, the last of last week.

Mr. and Mrs. J. E. Warrick and J. E. were in Wellington the last of the week visiting the Laurence and Velma Warrick families.

**VETERANS VOCATIONAL AGRICULTURE**—The deep-louder locker of Glen Olson, a veteran who went back to the farm, shows the influence of the live-at-home program of the veteran's vocational school.

The 15-cubic-foot locker is well filled. Olson is also proud of his crops. He believes that his 175 acres of maize will produce 4,000 pounds of grain to the acre. His corn yield is estimated by Charles Crowell, co-ordinator of the vocational school, at 90 bushels to the acre.

The place, which Olson rents from Bill Mooney, has one of the largest barns in the country, an all-metal structure 40 feet wide and 120 feet long. Just now it is so full of hay that it has crowded most of Olson's machinery outside.

Although Olson is a graduate of Texas A&M college, with a degree in agricultural engineering, he considers the vocational school a big help. Its teaching is co-ordinated with his work.

He is a navy veteran, is married, and has one child, a 4-year-old girl.

**POT ROASTED CHICKEN**

Pot Roasted Chicken  
A McCall's Magazine Fail-Proof Recipe

- 1 1/2 lbs. frying chicken
- 2 tablespoons hot water
- 1 slice stale white bread
- 4 tablespoons butter or margarine
- 1 small green apple, sliced
- 2 small onions, chopped
- 1/2 cup sherry
- 1 clove garlic
- 1 teaspoon poultry seasoning
- 3/4 cup white wine

Ask your butcher to clean, draw but not cut up the chicken. Now crumble bread up fine in a large bowl, mix in the apple, onion, salt, seasoning, hot water and butter or margarine. Stuff the bird with this mixture but don't pack it in tightly because stuffing will shrink when cooked. Sew it up, tie the legs together and tie wings close to body. Heat shortening in a Dutch Oven or any heavy pot that has a tight cover. Brown chicken on all sides. Add garlic, savory and wine. Cover tightly and cook very slowly for 1 1/2 hours or until bird is tender when tested with a fork. Serves 4.

## Question

**Do you think we should arm the Germans and Japanese to help fight this war?**  
 Mrs. E. M. Allen: We need all the help we can get. Besides, it is as much their war as anyone else's. If we are going to fight, we should make sure that the other nations are going to do their part, too.  
 Mrs. Gerald M. Banner: Yes, and the Germans especially. For one thing, they could protect our rear while we were busy in the East. Also, according to an article I read last night in a popular magazine, there are so many Communists in Germany that Russia could over-run it in five hours.

J. C. Alfred: Yes, but not on a large scale. We should arm a limited number of divisions from each nation. This would give them a share in world affairs again, and keep them from feeling that we were going to keep them down all the time.  
 L. M. Beavers: If they want to help, but they should not be forced to fight. Still, if we draft our men, we should draft some of them, too. They owe it to the world to do some of the fighting.  
 Mrs. C. H. Carl: Yes, if they are on our side, and they seem to be. I read some and listen to the radio, and from what I can gather they would be glad to help us. We should not arm the whole nation; just a limited number of men from each.

W. L. Davis: That depends on whether or not we can stop the Communists without them. After all, they were our enemies only a few short years ago, and I'm not sure they want to be our friends.  
 Mrs. J. M. Norris: I should say not. We let the Germans arm after the first World War, and look but we should not arm the are good Germans and good Japanese, but we would have trouble picking them out. I think it's better to just let them alone, as far as arms are concerned.

G. B. Miller: To a limited extent, yes; especially the Germans. The real trouble is going to start in Germany. This other is just a side show, or a warm-up.

**Tamale Corn Bake**

*Broadcast: September 30, 1950*

2 tablespoons finely cut onion  
 2 tablespoons hot shortening  
 1/2 teaspoon flour  
 1/2 teaspoon salt  
 1/2 cup Fat Milk

1/2 cup liquid oil corn  
 1 slightly beaten egg  
 1 1/2 cups drained, whole kernel corn, cooked or canned  
 1 1/2 cups canned tamales, drained

Turn on oven; set at slow (325°F.). Grease a quart baking dish. Cook onion slowly 5 min. in shortening. Blend in flour, salt and pepper. Stir in slowly mixture of milk and corn liquid. Cook and stir until thickened. Remove from heat. Stir in beaten egg. Add corn. Put into greased baking dish. Cut tamales in inch slices and arrange on top. Bake about 35 min., or until firm. Serve hot from baking dish. Makes 4 servings.

You Will Need:  
 Whole Kernel Corn, Tamales, Fat Milk and Shortening.

## Mary Martha Class Plans Covered Dish Luncheon

Mary Martha Class of the First Baptist Church met Thursday night in the home of Mrs. R. N. Yarbrough with Mrs. Harold Meacham as cohostess.

Mrs. Sandford Smith gave the opening prayer and roll call had to do with fall fashions.

During the business session members planned a covered dish luncheon for new members to be held at the church on September 28. Following the concluding prayer given by Mrs. Tommy Brady, a social hour was enjoyed when refreshments were served to Mesdames: Sandford Smith, Bill Price, C. E. Smith, Charles Crowell, Clay Angelo, Tommy Brady and the hostesses.

## Adrian Man Injured In South Dakota Accident

Adrian (Special) — James Brooks, a part time resident of the Adrian community, was seriously injured one day this week when the car he was riding hit a culvert or bridge about two miles from his home near Lantry, South Dakota.

Mr. Brooks was in a hospital and still unconscious at last report. He has a brain concussion and a fractured vertebra in the neck. The driver of the car was killed instantly. Another man, asleep in the back seat, was thrown to the floor of the car but was not hurt.

A brother, R. L. Brooks, who is living on the farm owned by three brothers left immediately to be at his bedside. Mrs. M. W. Blankenship, a sister, has not yet gone to be with him.

Health is not only an individual and family responsibility, but also is the concern of every community.

Stated meeting second Monday in each month. School of instruction each Thursday night.

## Teachers And College Students Are Honored

By MRS. E. H. MOSTELLER  
Brand Correspondent

The Adrian Methodist Women's Society of Christian Service met September 5 in Fellowship Hall with 14 members and two visitors present.

The program "A Lesson in Symbols" was given by Mrs. Earl Croft, Mrs. E. N. Jacobson, Mrs. Nellye Davis and Mrs. V. E. Lemke. This was a preliminary lesson to the study on the Near East which begins September 19.

In a business session conducted by Mrs. V. E. Lemke, the president, it was decided that the annual event honoring the students going away to college and the teachers of the Adrian school would be held the following night in Fellowship Hall.

Refreshments of cookies and punch were served to the above mentioned ladies and also Mesdames: Grace Baker, Frankie L. Shaw, Anna Witt, N. L. Jacobson, E. H. Mosteller, Don Morgan, Henry Creitz, Lorin Creitz, M. H. Zaring, Jr., J. E. Young, W. A. Queen and little Pauline Madeleine Creitz.

Guests in the home of Mr. and Mrs. N. L. Jacobson for a few days' visit are Mr. and Mrs. W. A. Moore and daughter, Norma Jo, of Bloomington, California. The Moores were once residents of this community. Mrs. Jacobson and Mr. Moore are sister and brother.

Steve McWhorter of Hereford spent several days last week with his cousin, Tommy Perrin,

of this community. Tommy is the young son of Mr. and Mrs. T. W. Perrin.

Mr. and Mrs. Jim Perrin and daughter, Carol Sue, and Mrs. Julia Perrin, all of Haskell, were week end visitors in the homes of Julia and Woodrow Perrin.

Those of Adrian who attended the bridal shower for Mrs. Jackie Worsham in the Claude Morris home in Vega were Mesdames L. A. Worsham, George Worsham, Bill Leslie, Don Morgan and John Horton.

Mr. and Mrs. M. H. Zaring, Sr. went to Albuquerque Thursday for a few days' visit with their son, Kenneth and wife and son.

Mr. and Mrs. Jackie Worsham visited his parents, Mr. and Mrs. L. A. Worsham Sunday night. Sunday they had participated in a wedding in Amarillo. She acted as bridesmaid, since the arrangements had been made before her marriage. He was an usher.

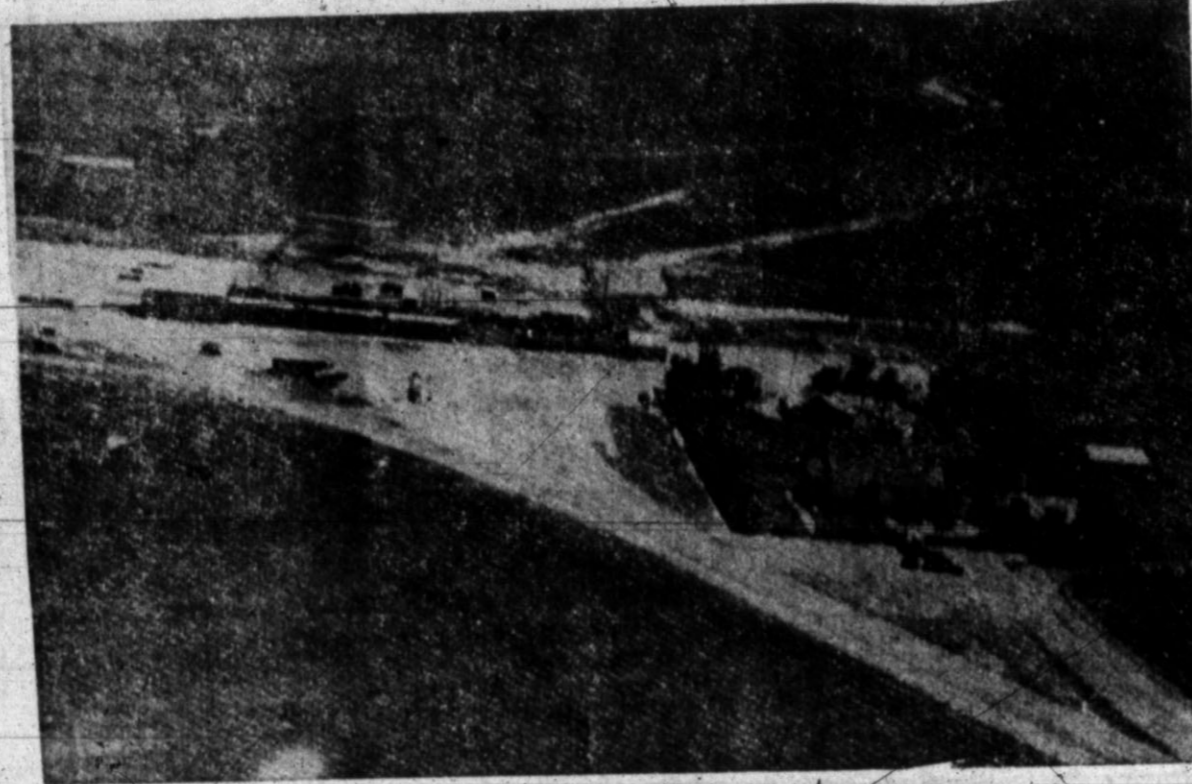

### CARD OF THANKS

I wish to thank the City Drug for their papers; the doctors and nurses for the excellent care I received while in the hospital here. Also, the visits of the ministers and the Father were appreciated.

Mrs. Ross Wilmeth  
Fort Sumner, New Mex.

**MYSTERY FARM**—Name it, but you better hurry if you want to be first. K. L. Ladd called in and identified the Roger Brumley place (below) about 15 miles west on Harrison highway before 7 o'clock last week. Homer Brumley was second and Robert Wolfe was third. We also had several misses again.

### VACATION HIGHLIGHT

## Mrs. McFarland Lands 17 Trout, Tom Rides Horse

Tom McFarland, local agent for the Texas Employment Commission, rode a horse up the mountain and led it back, while he was on the Conejos River in Colorado.

"That was the first time I ever got a callous in the small of my back from riding a horse," Tom said.

"The mountain was so steep I sat on my back all the way up. If I had ever given in to the impulse to turn around and look back down, I would have led the horse up.

"When we started back, I was in the lead. When we got to the edge of the jump-off, I got off and started walking. I wouldn't have ridden a horse down that mountain for all the rice in China."

The purpose of the trip was to go to a little mountain lake to fish. McFarland caught a number of fish, he said, but it rained and snowed all the time he was there and the fish were in poor flesh.

During his vacation, which ended this week, the McFarlands

Page Six  
went to Pagosa Springs, Colo., where they fished in Borin's Lake. They went over Wolf Creek Pass to Creed, where they stayed for a few days.

Then they went to Antonita and fished in the Conejos river. That was where Tom enjoyed his trip on horse back.

Mrs. McFarland went fishing, too. She put two-month-old Cynthia in a bed and staked Jimmy out near-by, and caught 17 trout in one day. Cynthia was quieter than at home, Tom says.

# Hereford Plays Tulia In First Home Game Friday

Maroon and white teams clash Friday night when Hereford's undaunted Whiteface eleven open their home season again the Hornets from Tulia at 8 o'clock.

Hereford will still be short veteran Jack Stanton who will ride the bench with a back injury for another week at least. Otherwise the team came through the McLean defeat without serious

injury.

Tulia, 13-point winner at Canyon last week, brings a strong defensive and ground attacking eleven to Whiteface Field. They knocked over the vaunted Eagles without throwing a pass, gaining 214 yards rushing.

One of their scores came on a 44-yard dash over right guard by 140-pound senior halfback

Boyd Vaughn. The final tally came on a 36-yard run again over right guard by Wandie Hutson, 175 pound fullback. Hutson also scored the first TD from close in.

Tulia starters are:

RE—Bobby Jennings, 180, Jr., 2 years experience.

LE—Harold Poage, 170, Soph., no years experience.

LT—Billy Roger, 180, Jr., 1 year experience.

RT—Shot Hutson, 190, Freshman, no years experience.

LG—Jack Ballinger, 165, Sr., 2 years experience.

RG—Jimmie Nelson, 150, Soph., no years experience.

C—Charles Saucel, 160, Soph., no years experience.

QB—Duane Luke, 150, Soph., one year experience.

LH—W. T. Simmons, 170, Sr., 2 years experience.

RH—Boyd Vaughn, 140, Sr., 1 year experience.

FB—Wandie Hutson, 175, Jr., Coach Dalton Criswell will start approximately the same team that took the field both defensively and offensively against McLean.

# Vets Drop Canyon Twice For Title

Hereford VFW made it the hard way Sunday as they swept a doubleheader from Canyon 4-3 and 3-2 here for the Central Plains league championship.

The Vets won the first game in the first extra-inning after ending up tied at three all in the seventh. The second game followed suit, only stronger. The Vets trailed until the sixth when

they tied it up two all. The game went into extra innings with the winning tally crossing in the ninth.

Hereford's two Johnnies, Renner and Winkler, hurled 17 innings and gave only 12 hits while Monk Ford pulled an "iron man" act and pitched both games for the visitors, allowing six hits in the first and seven in the second.

Clark singled to drive the run in. But Canyon tied it again in the fifth. Both teams went scoreless through the final two innings and then Hereford won the ball game in the eighth when Ross singled and moved up a base on a wild pitch and came home on Lueb's single.

In the second game both teams played tight ball with no runs coming in for four innings. Winkler let up in the fourth and walked two and a couple of doubles helped, with two men scoring.

Wendell Burdine opened the first game auspiciously, with a solid single and it looked like a field day as both he and Ray Lueb crossed the plate with scores before the side was out. However, Canyon pulled even in the second after scoring once in the first.

The Vets jumped back into the lead in the fourth when Stan Barrett doubled, and Conrad

don't have a say so in who comes up with the District title I miss my guess.

By the way District 1-A didn't fare so well over the week end did they? Everyone took it on the chin except Phillips who was playing a class B squad and Dahlhart came back from Andrews with a 19-19 tie. Perryton, Dumas, Canyon and Hereford, oh my!

The sorry part is that Tulia could beat Canyon like they did and then come to Hereford tomorrow night. Of course the rain helped the Hornet cause, but they still have the power.

Looking a week ahead past Tulia you'll find the Levelland Lobos panting for revenge for the 6-0 whipping they took on Whiteface Field a year ago. The Lobos will not only be looking for revenge but they'll also be smarting under the lash of the 18-0 loss Pecos handed them Friday night.

The Hockley county boys are supposed to be loaded this year. They weren't seriously hurt by graduation and they had a good team last year. Pre-season predictions had them as co-favorite with Class A state champion Littlefield to win district 4-A and

Lueb scored in the sixth and the game stayed deadlocked until the ninth when Stengle and Winkler fanned to make it two out. Glenn Anderson singled as a pinch hitter and L. J. Clark drove across the winning run.

## Second Guessing

By Jerry Stoltz

Hereford Rider's club won a nice trophy at Sudan a couple of Saturday's ago. The 15 down there were judged the best mounted patrol. Those present included President Joe Kendall and wife, Mr. and Mrs. Mal Stewart, Mr. and Mrs. Wylie Robertson, Mr. and Mrs. Jack France, Mr. and Mrs. Cecil Rockwell, Mrs. W. W. Ireland, Robert Waggoner, D. R. Holt, Jeff Roberson and Cawthon Bryant.

The Sudan club put on a good show with quarter-horse races in the afternoon and a rodeo and dance that night.

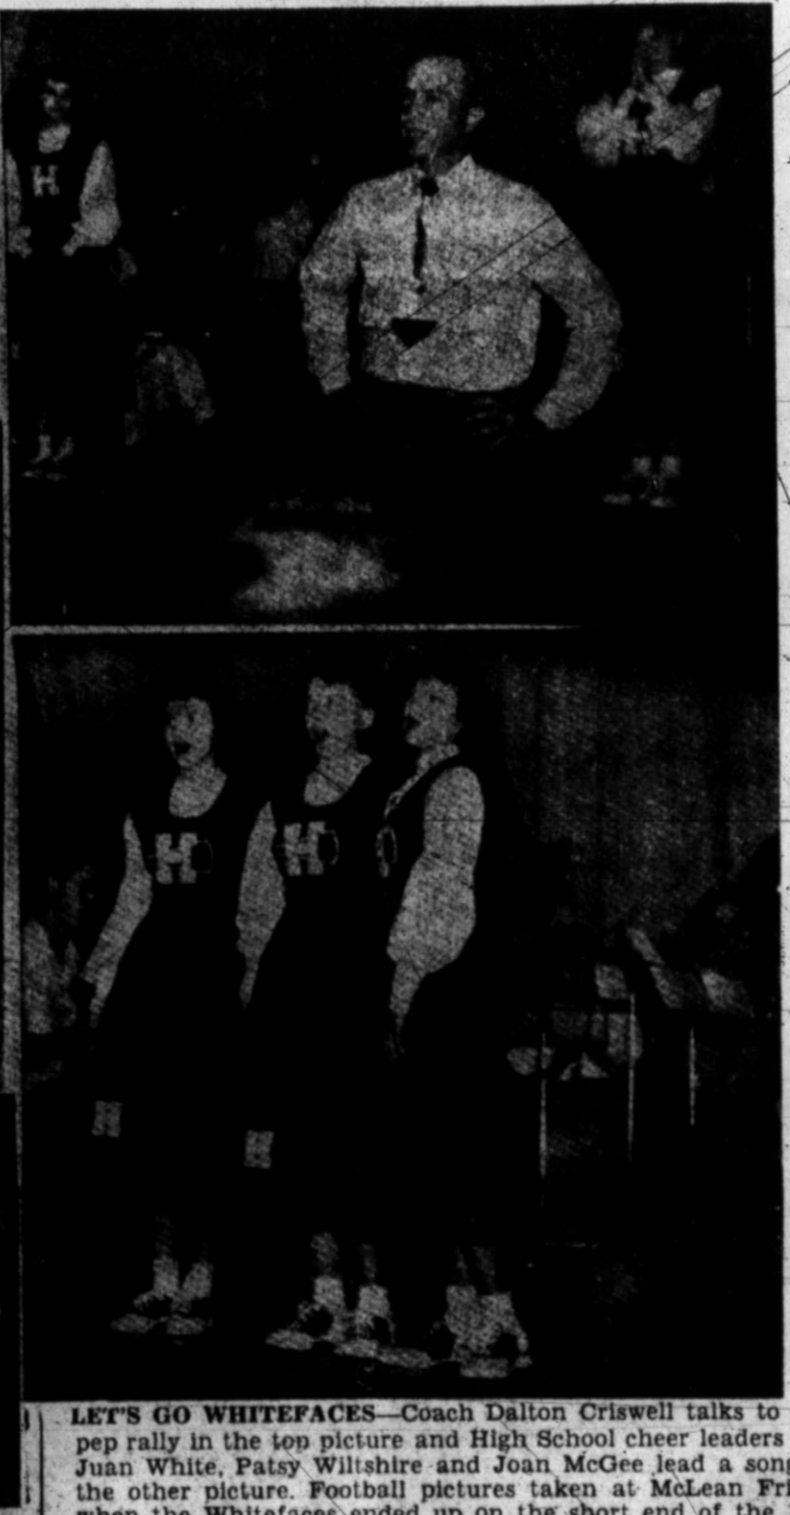

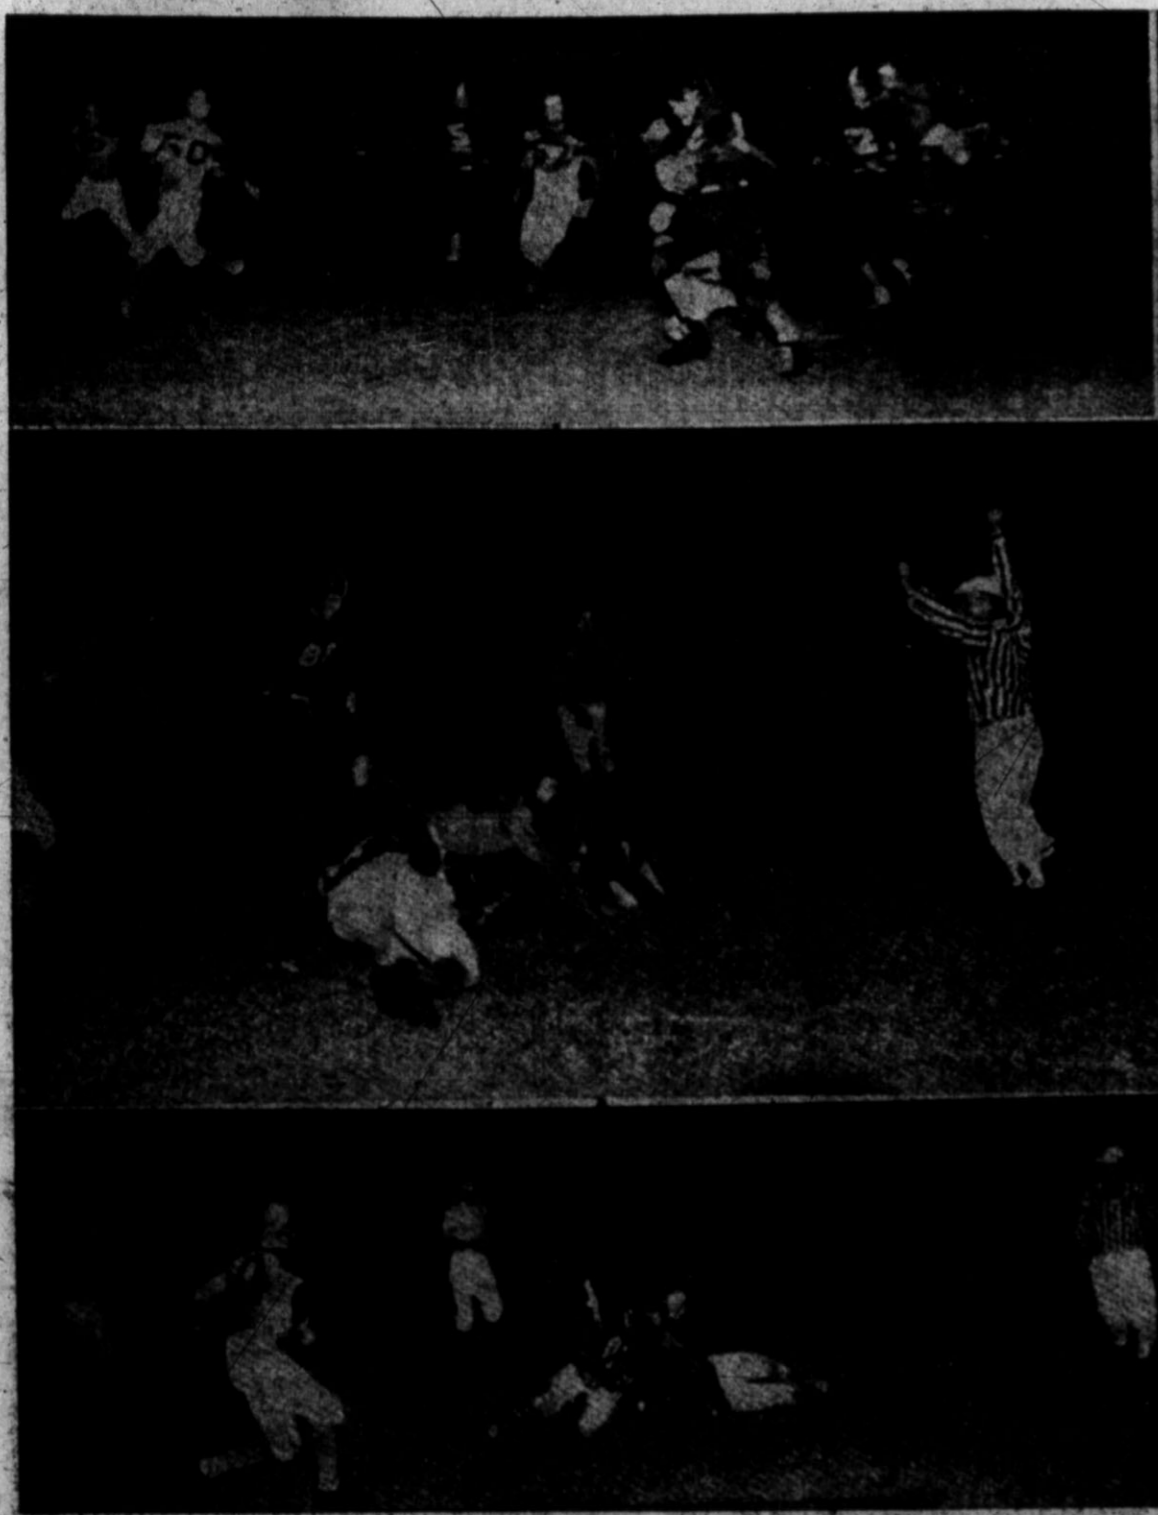

My reaction to the Friday night game at McLean is that if we hadn't fumbled to give the Tigers the opportunity for that first touchdown the score could have been the opposite. That's not to be taken as a deduction of L. M. Watson's ability, however.

That boy can really go in a broken field. Last year he could not get past the Whiteface line to show how he could move but this year it was a different story. He played a whale of a game.

But still the six points Paul Holland and Harry Caylor were would be a good bet if they were to play again.

The young Whiteface line looked surprisingly good from the pressbox; in fact if they

LET'S GO WHITEFACES—Coach Dalton Criswell talks to the pep rally in the top picture and High School cheer leaders La-Juan White, Patsy Wiltshire and Joan McGee lead a song in the other picture. Football pictures taken at McLean Friday when the Whitefaces ended up on the short end of the 12-0 score are shown on the left. Fullback Bill Kelly eludes a tackler at the top only to be hauled down by the others who were coming up fast. (Second) Nope it wasn't a touchdown even if it does look like the referee is signaling that. Bill Engman just downed J. N. Smith. L. M. Watson is the blocker down in front. Whitefaces Baryl Fish, 98, and Duane Jansen, 88, are coming up to the downed ballcarrier. (Third) Tigers down Harold Morton. (Fourth) Lots of action, Engman is 52. (Fifth) Tailback Watson personally accounted for 159 yards in rushing and returning kicks. But the Whiteface gridsters were on him all the way as evidenced here when four of them ganged up. Dwaine Walker is 86 and Bill Engman 52. (Sixth) Kelly lacked just this much of shaking loose for a 45-yard jaunt to pay dirt. That's Watson again, making the last desperate tackle. Raymond Dement, 75, and other Whiteface blockers are out ahead of the play.

### Cogdell Wins First Flight Streu Takes Consolation

#### Diggin' Divots

Local divot diggers will have their last fling towards winning the four-city championship Sunday at Clovis. Hereford is in fourth place by a slim margin and a good day Sunday can mean victory, according to Jim Terry.

The caravan will leave the golf shop at 8 o'clock Sunday morning. They are hoping to have 30 or 40 golfers go.

Course improvements coming up soon include airfing all greens and the tee boxes and putting a ton of fertilizer out on them. Terry also plans to top dress some of the greens again. Earthworms will be a thing of the past as soon as he treats the greens with arsenic lead.

Number one tee will be closed until further notice. Golfers will use the number 10 tee for both 1 and 10.

Don't forget the four-ball round-robin tournament.

The 1950 Hereford City Golf tournament will go down in history as being played on more courses than any other tournament, if it isn't remembered for any other fact.

Finals of the first flight were completed at the Amarillo Country club where Frank Cogdell emerged champion with a 6-4 victory over Wayne Phillips.

At the same time Urlin Streu was beating J. M. Posey at the Clovis County Club for Championship flight consolation, 1 up.

A few matches were played in the lower flights before the rains put the creek up, although 19 players still played Sunday.

Joe Butler and Punk Gilbreath will play for the second flight championship. Butler knocked over Henry Lewis, 1 up on the 19th hole, and Joe Kerr 7 and 6 to reach the finals. Gilbreath defeated Owen Seamands 2 and 1 and John Douglas Pitman 4 and 3 to make it.

In the first round Pitman beat Frank Latimer 4 and 2 while Joe Kerr beat Oss Lange 1 up on the 19th.

Third flight results so far are: Homer Lee Owens 5 and 4 over Jim Kirby, Raylan Evans 3 and 7 over Sam Nelson and 3 and 1 over Owens in the semi-finals. Bert Shackelford lost to Ed Young 2 and 1 and Wendell Burdine plays Young in the semi-final.

(Continued on Page 2)

TRouble WITH A CAPITAL T—The trouble haunting John Douglas Pitman in this picture didn't actually happen, although he would be the first to admit it more than likely could. But for the sake of the camera John Douglas tossed his ball into the sand trap on number nine to point out the fact that this is one of the places "not to be."

### Gardens Are Doing Good Women Are Canning A Lot

By MRS. R. C. CHILDERS  
Home Correspondent

Another inch and one half of rain fell in this vicinity Friday night and one-half inch Sunday night bringing the total to five inches for this month.

Mr. Wirt Phillips reports that his hired man left Friday for his home in North Carolina. He has been with Mr. Phillips since last spring, but was getting homesick for his friends and relatives.

Mr. and Mrs. Howell Inman were visitors in the homes of Mr. and Mrs. Wayne Johnson and Mr. and Mrs. R. C. Childers. The Inmans are from Plainview. She is a sister of Mr. Johnson and Mrs. Childers.

Ruby Barclay left Monday to get established in her quarters at the dormitory at West Texas State College at Canyon. Ruby is quite enthused about college, and thinks that she is going to enjoy it a lot.

The P-TA meeting at the Shirley school Monday night was a real success. Everyone was happy with the large turnout. Mrs. Childers worked with Mrs. D. C. Kinsey who was chairman of the hospitality committee.

Jack Gilliland made the T. B. test on Jack Renfro's dairy herd Monday morning, testing 110 cows.

Mr. and Mrs. C. S. Barclay were visitors in the home of Mr. and Mrs. Bill Simpson in the Frio district Sunday.

Mr. and Mrs. S. J. Barclay went fishing at Buffalo Lake Sunday. Mr. and Mrs. Lawrence Kendall accompanied them.

Mrs. Daniel Fullum has been in the local hospital for the past week and so is Mrs. Harold Balze. It is hoped that Mrs. Balze can return home this week.

Hereford has a new resident. He is Mr. Sidney Hampton from White Deer, Texas. He is employed at the Bachelor Grill.

Mr. and Mrs. R. N. Cooke and family spent the week end in Canyon visiting in the homes of their friends there.

Mrs. Raymond Palmer reports that she has canned 50 quarts of corn and is planning to can more off of her late crop of corn. Mrs. Earl DeHart is doing a lot of canning, too. Her garden has certainly been producing the

vegetables. Another person doing a lot of canning is Mrs. Paul Corbett. The gardens are all late but bearing good. The only thing that there is doubt of making is the tomatoes, and unless the weather warms up some, there won't be very many tomatoes.

The vines in most cases are loaded with green vegetables, so maybe we will have enough warm weather to realize some good from our tomato vines, that we have cared for, all through the growing season.

The school buses were unable to run the first part of the week in this vicinity, due to muddy roads.

Mrs. Tom Draper was a caller in the R. C. Childers home Friday.

Mrs. Roger Hartman and children, Charlene and Leon, left Tuesday morning by bus for Santa Fe, N. M. where her parents live. She will make her home there until her husband returns home from Korea. She has been visiting in the home of Mr. and Mrs. G. W. Witherspoon for the past six weeks.

Four Girls From Parish Are Attending Academies  
Marcella and Colleta Diller left Sunday to enroll for the fall term at Sacred Heart Academy in Wichita, Kansas. The girls, daughters of Mr. and Mrs. Marvin Diller, are a sophomore and first year high school student, respectively.

Another member of St. Anthony's Parish, Gail Ann Albracht, daughter of Mr. and Mrs. W. J. Albracht, is attending St. Scholastica Academy at Fort Smith, Ark. Faye Kerschen, daughter of Mr. and Mrs. Andrew Kerschen, is also attending the Academy there.

SIMS CLUB MEETS  
Sims Home Demonstration Club met recently in the home of Mrs. J. A. Crofford with Mrs. Clarence Hollabaugh serving as hostess. Mrs. Watts gave a plastic demonstration. Others attending were Mrs. Pat Halle, R. L. Pinnell, Judy and Linda Pinnell and the hostesses.

### College Students And Faculty Honored At Going-Away Party

The Adrian Methodist Woman's Society of Christian Service observed its annual entertainment of the students who are leaving soon for college and of the faculty of the Adrian school with a party in Fellowship hall Wednesday night at 8.

The fun started with Mr. and Mrs. C. L. Murray choosing sides for a "garter race". The contestants chosen by Mrs. Murray were winners. This exciting rivalry was followed by another contest, equally funny when the teachers ran an obstacle race against the college students in which the teachers came out ahead.

With this excitement completed, tables were set up and games of progressive "42" were enjoyed. Ice cream and cake were served to about 50 people. Following refreshments, the group went upstairs where slide pictures of the senior trip were shown by Robert Jacobsen.

RETURN FROM VACATION  
Mr. and Mrs. Carl Luke returned last week from a vacation through the western states and British Columbia.

They visited Mr. and Mrs. L. F. Borden and Mr. and Mrs. Hal Kester at Seattle, and Mr. and Mrs. J. B. Stoder at Pomona, California. These are all former residents of Hereford.

The Lukes also visited Mrs. Philip Beal, the former Margaret Paetzold, and Captain Alma Paetzold at Sacramento.

Points of interest on their trip were Rocky Mountain Park, the Mormon tabernacle in Salt Lake City, Yellowstone National Park, the Golden Gate bridge, Yosemite Park, the Grand Canyon, and the petrified forest.

Mr. and Mrs. Luke also went shopping in various cities of British Columbia.

STUDENTS  
Two students leaving the past week end for college were Sara Owen, daughter of Mr. and Mrs. Buck Owen, who has enrolled at NTSC, Denton.

Ruby Barclay, daughter of Mr. and Mrs. S. J. Barclay, has enrolled at West Texas State College, Canyon.

### Former Resident Is Honored At Coffee

Mrs. Carl Oldham of Woodward, Okla., who has been visiting Mr. Oldham's parents, Mr. and Mrs. L. Z. Oldham, and her mother, Mrs. C. P. Cockrell, was honored at a coffee given at the Oldham home Thursday morning. Early fall flowers decorated the entertaining rooms and formed an attractive center piece for the coffee table.

Guests, who included high school friends in Hereford for the most part were Mesdames: Chas. Hill, Richard Winget, R. A. Daniel, Jr., John Winkler, Worth Covington, Walter Seed, J. W. Witherspoon, Pat Robinson, John Channer, Bill Brady, Jack France, Roy Ford, Robert Petersen, Ray Suit and the honoree's mother, Mrs. C. P. Cockrell.

Codgell  
(Continued from Page 1)  
nals after beating Pat Kerr. Harold Loerwald beat Pat Corbett 6 and 4 in the fourth flight and plays Truett Johnson in the semi-finals. John Patton defeated Jim Wood 1 up in the bottom bracket to reach the finals of the flight.

In the ladies tournament Genevieve Eberle defeated Cora Jane Benson 2 up to win the first flight. The third flight finals between Pauline Howard and Jean Streu is the only match remaining in the tournament.

2nd. Guess—  
(Continued from Page 1)  
clinly after their 33-0 shellacking of Silverton last week. They must be pretty salty. However, Hereford beat Silverton 75-13 a year ago.

The rest of those scores for future Whiteface opponents were: Dumas 6, Memphis 12; Muleshoe 13, Tahoka 0; Perryton 0, Wellington 19; Phillips 33, Panhandle 6; Dalhart 19, Andrews 19; Tulsa 18, Canyon 7.

And while we are at it let's just jump out on a limb and pick winners in district 1-A this week end:

Hereford 7, Tullia 12.  
Phillips 13, McLean 6.  
Dalhart 20, Shamrock 0.  
Canyon 13, Memphis 6.  
Dumas 6, Wellington 13.  
Perryton won't lose any skin with their open date.

"LONG DISTANCE, PLEASE"—"A column up front has been cut off. The Reds are giving them hell. They need cover quickly." That's the sort of call that moved this U. S. 105-mm. howitzer team into action. Heaving shells a distance of approximately seven miles, the weapon drops messages of death among the enemy. And the gun's echoing roars are reassuring words to the ears of imperiled frontline forces in South Korea. The Yank on the telephone at right is checking up on the crew's long-distance effectiveness.

Mayor E. S. Ireland formally started the new \$50,000 ice plant Monday morning that has just been completed in Hereford by the West Texas Utilities Company, by pressing the electric switch which started the machinery in action. A large group of citizens and business people were present for the opening of the new plant. Refreshments were served the visitors by Mrs. F. H. Oberthier, Sr., and daughter, Miss Farnie Oberthier, sister to Fred, J. Q., the manager of the new concern.

Splendid rains last week end has put the Plains county into magnificent shape for fall wheat sowing, and have helped materially in filling out a lot of the late young feed. Last Thursday night Hereford received three tenths of an inch; and on Sunday nearly an inch and a half was recorded here.

School opened Monday with both buildings filled with boys and girls who will determine very largely what this school year is to mean to them. Many new faces were seen in the two buildings, doubtlessly more than is usually the case. Figures are not at hand on the initial enrollment last year but there are doubtless more in the two schools than there were at the same time last year, though there are possibly ten or twelve fewer in the high school. On Tuesday of this week there were 392 in Central School and 193 in the four high school grades.

The children are distributed by grades as follows: first grade, 60; second 65; third, 52; fourth, 61; fifth, 52; sixth, 46; seventh, 56; eighth, 65; ninth, 49; tenth, 42; eleventh, 37; grand total, 585.

Judging in the contest of the prizes for the "Home Beautiful" contest was begun Wednesday and it was hoped to complete the work and announce the winners Thursday afternoon or Friday. The four local pastors, Rev. J. O. Hayes, W. R. Hill, J. T. Ross, and Thurman Morgan, composed the judges committee. An effort was made to secure out-of-town judges but this effort failed.

Mr. and Mrs. G. L. Cardinal and son from Floydada spent Sunday in the home of Mr. and Mrs. Edd Cardinal.

### Law And You

by Rob't. (Bob) Kirk  
County Attorney  
Lamb County, Texas  
DO YOU KNOW what "escheat" means?  
Escheat is the name given to the procedure whereby property to which no lawful owner can be found becomes vested in the sovereign government. In Texas this would be the State of Texas.

Should a person die leaving no heirs or devisees, then under the authority of the statutes governing escheat the state through its attorneys could institute proceedings to have the title to the property formally and legally established in the State of Texas.

When an escheat suit is filed, due notice must be given of the same. An heir who hears of the same, may then enter his claim and have it heard before the Court. If the heir does not hear of the property until after the escheated property has been sold by the State, he may still file suit to recover the money for which the property was sold.

FOR FURTHER INFORMATION ON THIS SUBJECT, SEE YOUR LOCAL ATTORNEY.

With feverish activity evident all down the line of the various departments in a last minute rush to close up details, with exhibits practically all in place, with the Sales Pavilion going up, with live-stock and agricultural exhibits, the Courthouse being decorated and made ready for the ladies' departments, and the poultry and merchants' booths going in at the West Texas Feed and Seed Co. building, the annual Deaf Smith County fair of 1925 promises to be the largest and most comprehensive affair of the kind ever attempted here. The James Carnival Company is already on the ground with an assortment of things that go with a carnival attraction; a home Rodeo will be staged both afternoons, on the rodeo grounds across the tracks southeast of town; a burlesque polo game be-

tween cowboys on old mares will also be staged at the same place on Friday afternoon; a pulling contest between horses and mules and a mock trial of a scrub-bull will all be features. The big auto parade will be staged on Saturday afternoon.

The program as outlined by the secretary's office follows:

**Friday, September 19**  
Thirty minute band concert, 10:45 a. m. Main Street.  
Opening Address, Dr. Jno. W. Overton.

Judging Poultry, 1:00 p. m., by Dr. Duke, Amarillo.

**BEASTS OF BURDEN**—An old Korean farmer and his ancient work implements provide contrast for this modern American tank as it rolls up to the front. The two vehicles have one thing in common, however. They are both piled high with the belongings of their owners.

**Funk Wins While Other Bout Ends Up A Draw**

George Drake of Catalina Island, and Gene Blackley, Anson, struggled to a draw, and Dory Funk defeated Monte La Due in two falls out of three in the wrestling at the Bull Barn Saturday night.

In the first match, Drake and Blackley tossed one another about a great deal, to the delight of the crowd, but neither could pin the other down for the required three seconds.

In the second match, Dory Funk was odds the favorite. La Due drew boos from the crowd from the first by his loud protests at the referee's orders and by his frequent use of foul play.

In the first fall, La Due took the lead and wore Funk down with savage attacks, during which he fouled frequently. At times he seemed about to toss the referee out of the ring. He floored Funk with a headlock and body smother in 10 minutes.

However, Funk came back for the second fall with blood in his eye, mauled La Due thoroughly, and finished him off in four minutes with a drop kick followed by a body jack-knife.

La Due came back for the third round thoroughly mad and took the offensive again with the apparent intention of making hamburger out of Funk.

He seemed about to succeed when Funk became aroused and took the offensive himself. He unished La Due thoroughly and used his "spinning" toe hold to make La Due cling to the mat. He won the fall in six minutes.

**Outline Plans For B&PW Convention**

Bessie Lee Wood outlined plans for the district B&PW conference scheduled to be held in Hereford Oct. 21-22 at a meeting of the Hereford Business and Professional Women's Club held recently at the VFW club house. Miss Della Stagner, president,

conducted the meeting when plans for the conference were discussed. Mrs. Lillian Smith told of the state B&PW Convention which she attended recently in Austin.

Attending were Lucille Posey, Zula Gilliam, Della Stagner, Lillian Smith, Louella Cowser, C. Ora Cockrell, Veda Gray, Ursalee Jacobsen, Dyalthia Bradly, Opal Garrison, Betty Holland, Frances Parker, Brucie Rose, Pearl West and Bessie Lee Wood and Ellen Carter who served as hostesses.

Week end guests of Mrs. Harvey Nunn and son, Bill, were Mr. and Mrs. Monroe Armontrout and son, David, and Mr. and Mrs. Addie Armontrout and son, Michael, all of Tulia. They were joined here as guests of Mrs. Nunn on Sunday by Mr. and Mrs. Todd Harrington and Mr. and Mrs. Elmore Nunn.

S. E. Waters left Tuesday morning to visit in Arkansas and Louisiana. His niece, Mrs. J. W. Husle, will also make the trip.

Homer Fox Says:  
**Did You Know . . .**

Back when World War II was in the bud, and after it broke into a blooming stink flower at Pearl Harbor, help in the store was quite a problem. Ralph Clennin, George Tiele, Babe Russell, all answered the call to colors, one by one. Then I decided to try strictly school kids. Roger Corbett, Jr. had too much hay fever and had to give up on account of dust, Bobby Jennings Johnny Dowell, Charles Sanders just had to go win a war and we were back where he started.

One morning in August of 1942, Pat Corbett decided that just didn't have any business trying to run a store all alone so he came down and volunteered his help. I accepted Pat's proposition, knowing of course that he would tire of it all in a few days and go back to his marbles, tops, soft ball and etc.

This little bundle of vim and vigor was just barely high enough to reach the cash register; in fact the first time he opened the cash register, the drawer hit him right in the mouth, and curly headed, a few freckles and eyes as clear as crystals. He was all eyes and ears and eager to learn, and how he did learn. He would dust stock, his little legs would fly to the Post Office and back, and the first time he ever took a deposit to the bank, he was just about as proud as he will ever be of anything in his life. The first thing I knew he was wrestling with a broom trying to sweep out, and he did.

It wasn't long until I was depending a lot on Pat. He knew where everything in the store was from the smallest to the largest item, if something was out of place that we couldn't find, Pat knew where it was, and that applied to my hat a lot of

times. I quit worrying about help as the years flew by. He was there mornings and in the afternoons, during school, and in the vacation months, he never missed. He never complained about what other kids were doing; he was always on the job and eager to do anything there was to do. Into high school, and during football practice, if he missed the afternoon, most of the time he would come down and sweep out next morning, not one time did he ever ask off on

account of football. Pat is now 18 years, but for eight years he has been on the job and has done his work well. It is an unusual record and well worthy of mention.

Pat graduated this year, and in a few days he will be off to college. He has friends by the hundreds—in every nook and corner of this community—and from every walk of life, and they all wish him the best of everything. A grand and deserving kid and we know that he can't miss. We don't know whether our association has been any help to Pat or not, but it has been one of

the nicest things that has ever happened in our life, and we will miss him more than we can ever tell.

## 'Stillmeadow Seasons' Is Definitely For Women

By CORINNE JENNINGS  
Definitely a woman's book and founded on the "Diary of Domesticity" which has run in the Ladies Home Journal for years, "Stillmeadow Seasons" by Gladys Taber moves along in a quiet, serene and peaceful mood.

Busy or harassed women, housewives or otherwise, who love a home will enjoy and appreciate this relaxing book of homelife which is so different to ours in this part of the country but which has many of the same chores, problems and pleasures found in any home.

Mrs. Taber has such a wide range of interests along with her hobbies of raising cocker spaniels, cooking, collecting glass and folk songs that there is never a dull moment in her life nor in the book which she writes. One almost envies her the calm times she spends on her "Forty acres" known as Stillmeadow.

Dipping into the volume we find such passages as these, "May is lyric poetry, and is the time to read it, preferably aloud to someone you love. Poetry ought to be read aloud anyway, because of the words in music."

"June is the romantic month. It is the time of the year the poets loved especially and goes well in sweet song, too."

"In New England, June ripens into July so easily that it takes a keen eye to notice the change from early summer to full, lavish midseason," she continues with the seasons.

"Now August comes with a dreamy haze of heat. This is traditional vacation time of Americans," but she adds it is the time the New Englander farm people work hardest canning and putting up the rich yields of garden and farm.

"The day of the little red school house is gone. Now in September the school busses move along the country roads gathering hopeful freight to tomorrow's world."

"October in New England is like the sound of trumpets. And I do love the trumpets. Even though they make me cry," she begins the chapter on October.

she says, "By December the valley people are really dug in for winter."

January and February are months full of day to day living while they are still snowed in and in her words, "It takes an open mind and a ready heart to appreciate winter in New England. The wind blows, the snow piles up, the cars get stuck, and pipes freeze."

With the approach of spring she writes, "March is exciting. And she tells of the change into this season again within the house and on the outside, too."

Throughout the book, the cocker spaniels and one Irish setter as well as two cats are constantly underfoot but are considered a part of the family and only a lover of animals can appreciate all their antics. Their training and the dog show play an important part in the community life as well as in the home of the author.

A sprinkling of recipes and cooking suggestions fit easily into the chapters as the seasons go by and that the author really loves to cook no one can doubt.

She touches on world affairs, memories of childhood, the art of flower arranging, books, both old and new; she deals subtly with such subjects as divorce, racial prejudice, unity of religions, and many other up to date subjects of interest to the average and alert American woman.

"Stillmeadow Seasons" and several other books by the same author are to be found on the shelves of your County Library.

## PROGRESSIVE NEWS

### Sixty Relatives Gather For Annual Anniversary

By MRS. IRA RICKETTS

Mrs. John Rector and daughter, Sue, and nephew, "Butch" Rector, returned to their home in Detroit, Michigan Thursday after spending August here visiting in the home of Mrs. Rector's brothers, O. B. and Clyde Russell of Hereford and Edgar Levelland. They spent the past week with Mr. and Mrs. Clyde Russell and family.

Mr. and Mrs. Glenn Ricketts have returned to their home in Enid after a month's leave. They visited in the homes of their parents, Mr. and Mrs. W. A. McMurry in Lubbock, and Mr. and Mrs. Ira Ricketts. They also spent a few days' vacation at Pecos, N. M. They left August 31, but Glenn received orders to report for his physical, so he had to come back Friday night and left again Tuesday to enroll for post graduate work at Phillips College of the Bible where he hopes to continue his studies toward his B. D. degree.

Mr. and Mrs. Earl Clark and Don are on their vacation in Oklahoma where they are visiting their parents.

Mr. and Mrs. Willie Winn and Mrs. W. H. Black of Brownfield were guests of Mr. and Mrs. V. E. Dodson Friday night.

Doris Russell and Sue Rector attended a slumber party at the home of Wynogene Sowell in Hereford Thursday night.

We are glad to welcome as newcomers to the community Mr. and Mrs. Beene and daughter, Juanita. They have moved to the Jenkins' place, formerly occupied by R. C. Weathers.

Recent week end visitors in the home of Mr. and Mrs. Ira Ricketts were Mr. and Mrs. L. L. McBrayer of Dalhart, and Mr. and Mrs. Howard Higgins and children of Texline. Misses Betty Jeanne and Lyndell McBrayer were also visitors for several days.

Mr. and Mrs. V. E. Dodson were Sunday dinner guests of Mrs. Dodson's mother, Mrs. I. W. Scott in Canyon. Also present were Mrs. Scott's sister, Mrs. Willie Winn and sister-in-law, Mrs. W. H. Black of Brownfield.

Mr. and Mrs. W. A. McMurry of Lubbock were Labor Day visitors in the Ira Ricketts home to be with Glenn and Joyce before they returned again to Enid.

Mrs. T. J. Parsons honored her father, W. H. Stephenson, of Claude with a birthday dinner August 27 with relatives as guests.

family gathering in the Ira Ricketts home August 27 when some 60 relatives gathered for the annual gathering which is held each year on the Sunday nearest the Ira Ricketts' wedding anniversary which is August 26. ### LaPlata Club Will Study Large Cities During Coming Year

The larger cities of the United States will be studied by the LaPlata Club this year with their history, background and character compared for interest.

The first meeting of the new season was held at the home of Mrs. Roy Smith Tuesday evening with Mrs. Les Combs giving the program on "Houston." Beginning with a brief historical sketch of the city Mrs. Combs traced its growth and development into the oil capital of the Southwest.

Officers of the club are Mrs. J. R. Johnson, president; Genevieve Eberle, vice-president; Mrs. L. E. Gross, recording secretary; Mrs. S. S. Dodson, corresponding secretary; Mrs. C. W. Spurlock, treasurer; Mrs. O. P. Cowart, parliamentarian; Mrs. Roy Smith, reporter; Mrs. W. B. Boston, federation councillor; Mrs. Chas. Newell, scrap book and Mrs. A. J. Schroeter, welfare chairman.

Members attending the meeting were Mesdames: Leroy Aven, Milton Adams, Homer Brumley, Les Combs, O. P. Cowart, J. R. Johnson, Palmer Norton, A. J. Schroeter, Morris Thomson, Dalton Criswell, Emil Dettman, S. S. Dodson, L. E. Gross, Charles Newell, Elmer Patterson, Roy Smith and Miss Genevieve Eberle.

**MAN AT WORK**—Calven Merchant, senior instrument man, has worked for the state highway department five years and has been in Hereford since April of 1949 working on Harrison highway. Mr. Merchant graduated from Clarendon high school, is now married and has one son, Richard, 3½ years old.

### Fumigate Stored Grain Says A & M

COLLEGE STATION — Stored grain must be fumigated for insect control if the same quality grain is to be removed from the bin as was stored, cautions J. A. Deer, assistant extension entomologist of Texas A&M College.

Deer recommends that the initial fumigation be made within a month after the grain has been placed in the bin. Monthly inspections during warm weather are recommended to determine whether or not refumigation is necessary.

Since insects are likely to be found near the surface of a bin the degree of infestation can usually be determined by sifting a sample of the surface grain. If as many as two weevils or five bran beetles are found in a two-pound sample, the bin should be refumigated.

If the grain is stored in wooden bins, 1,000 bushels of the grain can be fumigated with a mixture of ten gallons of one part carbon tetrachloride and three parts ethylene dichloride. Other recommended dosages are eight gallons of carbon tetrachloride, or eight gallons of a mixture of four parts carbon tetrachloride and one part carbon disulfide per 1,000 bushels of grain. The dosages of the three fumigants can be reduced by 25 per cent if the grain is stored in steel bins.

Fumigants should be applied from the outside of the bin by means of a bucket pump or other type sprayer, and they should be distributed evenly over the surface of the grain. Deer warns that it is unwise to attempt to apply the fumigant with a sprinkling can because the vapors are dangerous to breathe. Deer cautions that the person applying the fumigant should avoid spilling the insecticide on his skin, clothing, or in his shoes. If the clothing becomes wet, it should be removed at once, and the skin should be washed with soap and water to prevent blistering.

### Five Birthdays Are Celebrated

Five birthdays were celebrated recently at a supper party given at the home of Mr. and Mrs. R. H. Parker.

The supper party constituted a sort of reunion for both local

and out-of-town relatives with visiting and recalling old times providing diversion.

Honorees were Mrs. Floyd Walton, Sr., Mrs. Floyd Walton, Jr., R. H. Parker, Mrs. C. W. Parker and Letcher Parker of Eastland.

Members of the family attending were: Mr. and Mrs. R. H. Parker, Mr. and Mrs. Floyd Walton, Sr., Mr. and Mrs. C. W. Parker, Mr. and Mrs. R. P. Parker, Mr. and Mrs. Monroe Parker and family, Mrs. Glenn Daves and daughter, Jean, of Clayton, N. M.; Mr. and Mrs. Fred Reece, Mr. and Mrs. Letcher Parker and Mr. and Mrs. John Parker and son of Eastland.

Cotton farmers are urged to check the cotton sacks of all pickers who come from the south Texas area for cotton bolls or seed cotton. Any material found in the sacks should be burned immediately because pink bollworm inspectors have found many worms and larvae in this material. The pink bollworm

population in south Texas is high at this time. September and October are among the best months for painting. Weather conditions are normally the best during this time not too hot but usually clear and dry.

# TEXANS In Washington

By TEX EASLEY

WASHINGTON, (AP)—You're likely to be hearing more about Rep. Olin T. (Tiger) Teague of College Station in the near future.

The 40-year-old former postal employee and World War II veteran is in line for chairman of the new 9-member special House committee which will investigate the veteran's educational program.

The program, administered by the Veterans Administration, has provided training for all vocations, from doctors to piano tuners, at a cost of some 10 billion dollars since the end of World War II.

The Teague committee probably will determine, or at least greatly influence, whether similar educational benefits will be extended to veterans of the Korean fighting and those who will serve in the armed forces in the future.

Congress, of course, would have to continue to appropriate money.

Teague's selection as chairman of the special committee stems from the fact that he was author of the resolution by which the House authorized the investigation.

"There are some phases of the program that I think are sound," said the Central Texas legislator, "but some of it certainly needs overhauling."

"For example, I think if a boy is going to college under the program he should be expected and required to achieve certain grades. That's the way you'd look at it if you were paying your own son's way."

"It doesn't make good sense to just keep paying a lot of tuition and board bill to some lazy fellow who may want to avoid work at government expense."

Teague said one fundamental issue to be settled is the attitude of the Veterans Administration toward the G. I. program. He said he felt that some top VA officials are against its continuation.

Teague already has conferred with House leaders to select members of the group and to draft a resolution appropriating money to carry on the investigation. A separate office and clerical staff is to be set up for the committee.

### Around the Capital:

President Truman recently signed a bill providing for the legal entry into this country of the Japanese wife of Corporal Richard C. Kelly of Dallas.

Serving in the occupation forces in Japan—or perhaps now in Korea—Kelly soon will receive official word that he can bring his bride, Hisae Kawauchi home with him when he returns.

A similar bill just passed by Congress and sent to the president would permit legal admission of the Japanese wife and minor son of James L. Martin of Farwell, Texas.

While in the army Martin married a native Okinawan. He was working for a construction company in Japan when a House committee studied the legislation several weeks ago. Rep. Ben Guill (R-Texas) of Pampa sponsored the bill.

The Texas State Society of Washington, compiling a membership directory, is seeking background information to use in the preface.

Mrs. Mastin G. White is historian of the society. When she set about collecting data, she

"CHILD BY CHILD WE BUILD OUR NATION"

### OFFICE OF THE GOVERNOR

The citizens of Texas are vitally interested in our youth and recognize the importance of adult participation in matters pertaining to the welfare of our children.

One of the principal tasks facing our nation and our state today is the building of our youth into useful and honorable citizens.

It is fitting that we make every effort to keep all children from being prey to any form of delinquency and to foster all good and proper endeavors aimed at helping our youth to achieve the benefits offered by our American way of life.

Through the joint efforts of Kiwanis International and the National Kids' Day Foundation, as represented by our local Kiwanis Clubs, a day has been set aside to focus attention upon the problems and the accomplishments of youth throughout the forty-eight states at national, state and community level.

The purpose of the day is to provide, wherever possible, assistance in helping underprivileged children to enjoy some of the benefits normally accruing to boys and girls in more fortunate circumstances.

THEREFORE, I, as Governor of the State of Texas, do hereby designate Saturday, September 23, as

21-county Panhandle - South Plains area.

The board made the request for written material following a recent 21-county hearing in Plainview at which it received oral testimony on the ground water supply.

They are chiefly interested in receiving information about areas which will, or will not, support irrigation wells producing at least 107 gallons per minute (or 150,000 gallons per day).

The dry areas, together with 160-acre tracts of grazing land not irrigated, and areas where water is not suitable for commercial irrigation purposes, will be excluded from a proposed underground water conservation district.

The High Plains Water Conservation and Users Association, with offices in Littlefield, has members in 14 counties who are cooperating by submitting written data on the ground water supply.

Any individual who has information on the extent of the reservoir should communicate with the State Board of Water Engineers, H. A. Beckwith, chairman, Austin, Texas.

Information is sought from the following counties: Armstrong, Bailey, Briscoe, Castro, Cochran, Crosby, Deaf Smith, Dickens, Floyd, Garza, Hale, Hookley, Lamb, Lubbock, Lynn, Oldham, Parmer, Randall, Swisher, Potter and Terry.

each case is carefully considered by a board of senior officers and no delays are granted for more than six months. The average is much less, the Admiral said.  
 Requests for deferment must be submitted in writing within 48 hours after orders are received, he warned. Department of Defense policy, announced in Washington several weeks ago, is closely followed to determine eligibility for deferment.  
 The policy covers extreme hardship cases, key personnel in essential industry, scientific graduate students and research technicians and students who may be, depending on the merits of each case, deferred until the end of a school term.  
 "Don't rest easy because you've requested a deferment," Rear Admiral Phillips counseled. Reservists whose requests are denied or who fail to receive replies in time must comply with orders, he said.  
 Procedure has been set up, he added, to release eligibles to inactive duty if they appeal their cases after reporting for duty.  
 Written requests for deferment of recall should be sent via the same chain of command through which they were issued, it was announced.

## Seventh-Day Adventists

Seventh-Day Adventists heard Elder B. A. LaGrone of Amarillo at the 11 o'clock hour. His stirring message was given from the text, Matthew 28: 19-10: "Go teach all nations, Jesus said, And lo, I am with you always even unto the end of the world." "The very life of the church depends upon her faithfulness in fulfilling the Lord's mission. To neglect this work is surely to invite spiritual feebleness and decay. Where there is no active labor for others, love wanes and faith grows dim."

"To those who claim fellowship with Christ, yet have been indifferent to the needs of their fellow men, He will declare in the great Judgment day, 'I know not whence you are; depart from me all ye workers of iniquity.'"

"The angels of Heaven are taking notice of all our work and are watching to see how they can minister to each one that he will reflect the likeness of Christ in character and conform to the divine image."

Sabbath school will be at 10 a. m. each Saturday morning. Church service at 11. The Sabbath school lesson for September 16 will be "The Gateway to Happy Living." Scripture memory verse: John 1:9.

## Emmanuel Lutheran

Two services will be held at Immanuel Lutheran Church next Sunday. The church is celebrating the first anniversary of its new building, and also observing its annual Mission Festival. The Rev. E. F. Krupp of Clovis, New Mexico will be the guest speaker for both services. There will be no Sunday School or Bible Class this week, and the

morning service will begin at 10:30 A. M. The afternoon service will begin at 3:00 P. M. The ladies of the congregation will serve two meals to all the members and guests present a dinner and lunch after the second service. These will be served from the church basement.

The entire offering for the day will be given for Mission Work Church, Missouri Synod, both in foreign fields and in this country.

Next Wednesday the Ladies' Aid will meet at the church for a business session and topic discussion.

Listen to the weekly radio program over KPAN, each Wednesday at 1:30 P. M.

## Church of the Nazarene

Sunday evening services will start at 7:45 instead of 8, beginning Sunday, September 17.

## Episcopal Church

There will be a luncheon Wednesday beginning at 12:30 p. m. at the home of Mrs. Bill Waldrip for the Women's auxiliary. It will be the first meeting of the year. Mrs. Henry Seapian, wife of the rector, will be the guest of honor.

A picnic was given for the children of the Sunday school and for their friends, last Thursday evening in the Jaycee park. There were about 50 present including guests.

Afterward, motion pictures were shown for the children in the church.

## First Baptist

An all day Woman's Missionary meeting Sunday began with a luncheon at 12 and proceeded

with a mission program under the leadership of Mrs. Clinton Jackson.

The problems and dangers of the world's illiterates was considered under the topic "Can You Read?"

Promotion day has been announced for Sunday, September 24. On this day, everyone who is to go to another department or class will be promoted.

The fall revival has been decided upon for October 4 to 15.

## First Methodist

This week the First Methodist Church is preparing for its ten day Revival, which is to begin Sunday, morning, September 17th. Rev. H. H. Hollowell of Midland will be the guest Evangelist with Mr. Robert Watkins as the singer.

Prayer services are being held each day, and group meetings are held on Wednesday evenings.

Sunday morning, the Homebuilder's Class and The Wesleyan Bible class are to leave the church at 8:45 for Ceta Canyon for the day. Sunday school and

church will be held, with Jesse Click bringing the morning message.

Each family will take a basket lunch, and it will be spread at the noon hour. A fellowship meeting will be held Sunday afternoon at 2 o'clock.

All will return in time to attend the evening worship service at 7:30 in the evening in the sanctuary.

Choir practice will be held Thursday evening at 8 o'clock in the Sanctuary.

## Avenue Baptist

A new schedule for the night services is now in effect. The Sunday evening services opens with Training Union at 7:00 followed by the evening worship service at 8:00. On Wednesday night the prayer services begins at 7:30.

Two of our young people have left for the new school term at Wayland College. Milford Grisham, who is a ministerial student, is a Junior. Rose Stephan will begin her

training union at 7 p. m.; Evening service at 8 p. m.

## Christian Science Services

All who are interested are invited to attend Christian Science Services which are held each Sunday morning at eleven o'clock in the Star Theatre.

"Matter" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, September 17.

The Golden Text is: "Every plant, which my heavenly Father hath not planted, shall be rooted up" (Matthew 15:13).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For all flesh is as grass, and all the glory of man as the flower of grass. The grass withereth, and the flower thereof falleth away" (I Peter 1:24).

The Lesson-Sermon also in from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Morals must look beyond fading, finite forms, if they would gain the true sense of things" (page 264).

## Final Rites Held For Adrian Man's Father

Adrian (Special) -- Friends of Mrs. Hardy Harris and Bill James were saddened to hear of their father's death Monday.

Mr. W. H. James, Sr., of Amarillo died some time Sunday night in his sleep. At eight o'clock Monday morning a grandson went to visit him, but thinking he was sleeping went back home. The busy family went on with its duties. At 11:00 a. m. Mr. James' son, Herman, went to see him and discovered that he had passed away.

Funeral services were conducted in the Claude Church of Christ by Murphy Spicer Funeral home of Clarendon with Rev. Otis Manchester of Rising Star officiating. Burial in the Claude cemetery followed.

There was one brother of Mr. James who was unable, another who was unable, and three sisters were there. Children of Mr. James with their families were Wilson, Herman, and Leon, all of Amarillo, Mrs. Green Clark of Shamrock, Mrs. C. A. Case of Lubbock, Mrs. Hardy and W. H. James of Adrian.

## Canadian Visits Adrian Brother

Adrian (Special) -- Mrs. Ida A. Steeves of Vancouver, British Columbia, who has been visiting her brother, P. H. Abel and wife, here in Adrian for several days left Wednesday for White Face, Montana, where she will visit an aunt whom she hasn't seen in sixty years.

From there she will go to Alberta, Canada, to visit her children before returning home. Mrs. Steeves has been visiting relatives in south Texas, Oklahoma,

Missouri, and here since leaving her home in May and must be back in Canada by October 15.

Mrs. Steeves was born in Missouri and lived there until grown. She and "Pop" Abel, along with the rest of the family, went to Canada in 1901 or 1902. She was married there and in doing so became a British subject.

She has reared a family of eight children who in turn all have children. She numbers her descendants as eight children, 38 grandchildren, and seven great-grandchildren.

Mrs. Steeves says she likes the United States far better than Canada, but since her children all live there, she will continue to make that her home.

think what it means to HER...

Yes, just think what it does mean to her... to have another harvest coming in... to have the assurance of a regular weekly pay check... to have enough money in the bank for comfortable living.

These are important things, all of them dependent on you. If something were to happen—well, you've probably thought of that, too. And maybe you've worried about it more than you should.

There's just one protection against this fear of family insecurity—that's life insurance. Yes, there's only one way to assure her future and that of the children. No matter what kind of work you do, no matter how much you earn, you owe your family the security of life insurance protection.
