SIGHTS, FACES SEEN

Mrs. J. P. Jones got one of those thrills always experienced when boys in service call home by long distance. Her husband, who left for active duty on October 16, called home Thursday evening from Treasure Island, Calif. Jones is a son of Mr. and Mrs. A. T. Jones.

Another oddity of nature was reported this week to add to the list of Forsythia, pyreantha, and cherry blossoms. A white lilac at the home of Mr. and Mrs. Stanford Knox has one head in full blossom. The Knox's cherry trees also have a few blossoms.

Leo Forrest, manager of REA, is going to start drinking Hadacol (he says) as soon as the new REA building is completed. This, he says, will make his hair black and curly. Last week Leo visited the office of a friend whose beautiful desk was topped with a heavy layer of glass and a beautiful bouquet. That's just the thing, he says; those heel marks won't show at all on it.

That was a good story brought the Brand about the FFA boys and their dates having a hayride. It was written in good style and readers always like to hear about the boys and their girls. The story was a little too old still to be called news, but it was a little too new to be run in the Long Time Ago column. The story finally found its way to the waste basket—sorry. It would have been nearly three weeks old by the time it was published. Thanks, boys, for bringing the story, but next time let's have it as soon as it happens.

Of course, the FFA boys aren't the only ones who have been a little late in bringing in their copy. The sooner it gets here, the better chance it has of being published and the more the readers will enjoy it.

Bob Thompson says be careful of the grease in his office at the court house. "What grease?" each "victim" asks. "Don't you see that grease on that stool?" he replies. "We are recording oil leases."

The Brand's record of something every week was maintained on Halloween night when the news editor's car turned over on Highway 60 near Main Street. Last week the shop foreman received a severe shock when a drop cord shorted out. Then not too long ago there was the money deal. Nothing but damage to the car resulted from the last mishap, however. It happened when the brakes locked.

Tomatoes are still the item of discussion and work around town. Ladies of the county home demonstration clubs, assisted by volunteers, are canning for Boys' Ranch this morning at the Hereford Cannery.

Don Mitchell, who brought the boys to the Coffin farm last week to pick tomatoes, brought a fewer number yesterday. The 27 boys he brought last week did a good job and had lots of fun, but Mr. Mitchell says it's easier to watch a smaller number when you put them in a 60-acre patch of ripe tomatoes.

It takes a person with understanding and a good sense of humor to get along with a bunch of youngsters like this—Mr. Mitchell seems to have just that.

Correction

The news story in the Brand Sunday, October 29, headed "Wreck Damages Two Cars on Main Street," is hereby corrected as follows:

James William Hund, involved in a collision, did not crash into Donald Wayne Zellner, according to all the information we have been handed by local police and those involved in the accident.

The article Sunday may have been interpreted as intimating James William Hund "crashed" into the car driven by Donald Wayne Zellner.

Mr. and Mrs. S. B. Walker of Amarillo transacted business in Hereford Saturday.

PUTTING IT ON—a group of youngsters are a real catch of the eye as they paraded on Main Street on Halloween night. Some of them are shown as they "marked up" windows in business houses with soap. Pranks were all for fun and no property damage was reported. A huge variety of characters was represented in costumes of both children and adults. One-eyed pirates, men with long mustaches, and faces of all kinds of animals were among the favorites.

TAKING IT OFF—Arch Dobbins cleans window at J. C. Penney Co. the morning after Halloween. A similar scene took place in front of every business house in town. The business men praised the youngsters for their thoughtfulness in not damaging property.

Rumors Are Born Question And Rumors Die

By 9 a. m. Tuesday two oil drilling rigs had moved into town and wells were springing up all over the county—according to rumors. By 10:00 a. m., however, the rigs had become seismograph equipment from Parmer County in Hereford for repairs, and the wells were forgotten.

New rumors were born each day this week and most of them had died before nightfall. The only information which may be called certain indicates leasing of land is continuing unabated.

Men from Area To Leave Today

Seventeen men from this tri-county selective service area will leave for induction today, according to Mrs. A. Petersen, selective service secretary. None from Hereford are listed in this group.

Men reporting are Estanslavo De La Cerda, Plainview; Jack Ward, Ada, Okla.; Dan Luttrell, Friona; Albert Schoenberger, Happy; Harold Crook, Alpine; James H. Hughes, Farwell; Jerry N. Bally, Canyon; Elijah C. Morris, Chikasha, Okla.; Edward H. Johnson, Bovina; Harley G. Hicks, Canyon; J. D. Johnson, Friona; Robert E. Camp, Amarillo; Marian B. Kinsey, Vega; Lloyd M. Truelock, Dimmitt; Don M. Brockman, Quemado; David R. Smith, Friona; and Thomas R. Warren, Hart.

The two seismograph rigs in Hereford for repair—belonged to the Young Exploration company, now shooting in Parmer County. One of the Seismograph employees said some shooting had been done in Castro County and that the company would move to Deaf Smith County for exploration as soon as the work is completed in Parmer and Castro.

The individual holding the most leases in the county is R. C. Bowden, who made 41 leases in the month of May alone.

Women Will Can For Boys' Ranch Today

Home Demonstration Club women and other women who wish to participate will can tomatoes for Boys' Ranch this morning beginning at 9 o'clock, announced Mrs. Tom Draper, H. D. Agent. The work will be done at the Hereford Cannery.

Mrs. Draper said the club women will appreciate the assistance of any others who wish to participate in the project. Each woman is requested to bring her own pan, knife, apron, and hair net.

The tomatoes were to be picked by a group from Boys' Ranch yesterday under the direction of Don Mitchell, who supervised a similar project last week. The tomatoes are being donated to Leon Coffin and sons from their 60-acre patch, five miles north of Hereford.

OF THE Week

Are you superstitious? If so, what are your superstitions?

Joe Norris: No, I am not superstitious. Other people's superstitions are my good luck sign. I even won some money on one Friday 13. I spend most of my working time on ladders, so ladders don't bother me. (Norris is a telephone company employee). Only thing that can happen around ladders is someone can drop something on your head.

Bill Phillips: Well, yes and no. Actually, I don't have any real superstitions, but I can't help knocking on wood now and then—not that it does any good. I don't go away from black cats, but I try to avoid them if I can. I don't like to walk under ladders, but that isn't because I'm superstitious—I think it's dangerous. Friday 13 doesn't bother me at all. I started a camping trip on one Friday 13 with 13 in the party, and we had no bad luck.

Jessie Ann Suttle: No, but it doesn't hurt to be careful. I don't walk under ladders; I'd just rather be safe than sorry. There is always a first time to get hit on the head. Last Friday 13 we had better luck than usual.

Mrs. Charles E. Webster: Well, sometimes I don't like walking under a ladder. That's my worst superstition. I'm always afraid that might be bad luck. I've had

Police Commend Kids For Quiet Halloween

"The quietest Halloween I can remember here" were the words used by Sheriff J. C. Reese to describe Halloween night in Hereford. His statement was seconded by the city police, who thought the local spooks were all mighty nice.

Had been pranks were in evidence all over town. The usual bunch of little tots were busy with their game of "tricks or treat," while teenagers and adults, too, drove around town or walked the streets in costume. There was plenty of noise to accompany the fun.

Many of the youngsters were kept busy with well organized parties over town.

The usual soap marking was a highlight of the celebration. Never do the windows all over town gleam so brightly as by noon on the day after Halloween. Many merchants were busy working on windows until after 11 o'clock Wednesday morning. Some of them outsmarted the kiddoes this year by putting a thin coat of glycerin on the windows the night before. They report the glycerin was much easier to remove than the hard soap marks had been in previous years.

No property damage had been reported yesterday morning to either the sheriff's office or the city police.

Ben Boyce of Whiteface Barber Shop said "Hereford kids are mighty nice." His praise came when he found his shop in good condition—only a few soapmarks on the windows—after having purposely left the doors open. "I left both the front and back doors to the shop open and the pranks didn't hurt a thing inside," he said.

Civic Chorus Begins 'Messiah' Rehearsal

A representative number from the Hereford Civic Chorus met Sunday afternoon in Ward Hall of the Methodist Church to begin plans for the December 3 presentation of Handel's "Messiah." This will be the 16th year the "Messiah" has been presented in Hereford.

Rehearsals at present are planned for each Monday evening at 7:45 at Ward Hall. Miss Mattie Mae Swisher, president, urges all who can sing to join this chorus.

Miss Swisher in the past few years has been president of the club and conductor, also. This year the two offices have been divided. Miss Swisher was re-named president at the meeting Monday night, and Don Moore was selected conductor, both for rehearsals and the final presentation. Robert Thompson was re-elected corresponding secretary and Mrs. Caudiola Brown, recording secretary.

Truman Unharmmed; Gunman Is Killed

Two gunmen tried to shoot their way into Blair House residence of President Truman, while the chief executive was in bed today. The attempt touched off a violent gun battle in which one of the two was killed and the other wounded. Three White House guards were injured in repulsing the bold attack.

A White House police inspector said "I presume the gunmen

were trying to get in for an attempted assassination."

The wounded assailant was identified by a hospital attendant as Oscar Collazo of New York City. His companion was tentatively identified as an Oscar Ollisquin. Police said they suspected one of the assailants had a communist record. This was denied however by a spokesman for the communist party in New York. He said he never heard of the two men.

Collazo's wife, Mrs. Rosa Collazo, was taken into custody by the FBI and Secret Service. The Collazo apartment was searched and the woman was questioned

about her and her husband's connection with the Puerto Rican Nationalist movement.

Collazo confessed "We came here with the purpose of shooting the president."

Police found a note from a Puerto Rican Nationalist Leader, urging him to further the movement without "hesitation of any kind."

A guard estimated that more than two dozen shots were fired in the gunplay as the two assailants rushed the two entrances to Blair House. The gunplay raged as hundreds of government employees were re-

Local Chapter Pays Polio Debt To Foundation

The Deaf Smith County Chapter of the National Infantile Paralysis Foundation has paid its debt in full to the national foundation, Paul Harvey, local county chairman, said. He also announced John Aikens has been named campaign chairman for the March of Dimes campaign with advance drive starting this month.

Harvey explained the local chapter borrowed \$3,800 from the national foundation when it was needed a few years ago. The last of this amount was paid back recently.

The national foundation had four million dollars on hand in September, but it was paying out two million dollars a month, which meant the money would last only through October. The chairman said the national chapter should now have enough money to take care of the need in November if all the chapters who can, pay up the back debts. Thus the counties which were harder hit by polio this year will be helped through the national foundation.

With the advance campaigns beginning in November and the usual March of Dimes in January, Mr. Harvey believes the National Foundation will be able to carry on the necessary work.

Money Is Available Mr. Harvey stressed the fact Hereford can get the money again for polio treatment any time it is necessary by writing the National Foundation. The money would be received here (Continued on Page 6)

Sugar Beet Dump Re-opens Here

The sugar beet dump east of town reopened yesterday after having been closed several days. The dump was waiting for the refinery at Rocky Ford, Colo., to absorb the stock it had on hand.

Farmers are reporting the sugar beet content of the beets is still increasing. It is running about 15 per cent.

With about six weeks left in the beet season for digging, farmers are well underway with their sugar beet harvest.

Seven Tie For First In Football Contest

The usual record of ties continues in the football contest. Seven entries tied for first place in the contest ending Saturday. Games most commonly missed were Texas A&M-Baylor and West Texas State-Trinity.

Tying for first place were C. L. Brownlow, Cawthon Bryant, Mrs. H. D. Blythe, Gerald Wilson, Frank B. Markham, O. C. Cursinger and George C. Loerwald.

First prize for this contest was given by Acme Cleaners.

Office of Selective Service to be Moved

The office of the Selective Service Board will be moved to the new Wayne Evans' building after its completion. The building is scheduled to be ready for use on December 1.

A front office on the south side is to be headquarters of the Board which is made up of six members, according to Mrs. A. Peterson, selective service secretary.

Library books now line two walls of the selective service office in the basement of the court house. The office will continue to be used by the library.

Phillip Minear Returns From Korean Sea Battle

Phillip Minear, whose wife, Mrs. Rubye C. Minear, died as a result of a motorcycle-car collision last week, returned to Hereford Monday afternoon from the sea battle which raged near Korea.

Storekeeper first class Minear left the U. S. S. Worcester to return home after having participated in the invasion of the peninsula of Korea. The young navy man was granted a 30-day leave when word of his wife's death was received.

One of the first men in the entire Panhandle area to return

Hereford Is Honored At El Paso Rite Meet

Hereford acquired several honors in the fall reunion of Scottish Rite at El Paso last week, according to Jim Black, who reported that George Graham was selected as orator for the class and that Hereford was cited as the town having the most wives present for the reunion. Nine women from Hereford were recorded and although several towns recorded more candidates, seven wives was the second largest number in comparison with Hereford.

Candidates who took the Scottish Rite were D. C. Kinsey, Jimmie Allred, Bill Jones, Sam McLallen, Tom McFarland, Bob Lawrence, Rev. Don Davidson and Mr. Graham. All were accompanied by their wives except Mr. McLallen, who said that Mrs. McLallen altered her plans at the last minute due to arrival of relatives.

All candidates completed the 32 degrees except Rev. Davidson, who was called back to Hereford to conduct a funeral and only finished the first 14 degrees. Mr. and Mrs. Black and Mr. and Mrs. Bernard Roberson also attended the reunion.

The Hereford delegation purchased Mr. Roberson a 32 degree cap as token of appreciation for the assistance he offered as "big brother" to the group. Mr. and Mrs. Black returned with the Davidsons Tuesday and the remainder of the group returned Friday.

Hereford Is Invited For Stock Show Day

Hereford has been invited to have a special "day" designated in its honor during the 1951 Southwestern Exposition and Fat Stock Show, dates of which are Jan 26 through Feb. 4.

W. R. Wait, president-manager of the Fort Worth show, in a letter to the Chamber of Commerce said:

"Your city is invited to have a special day at the 1951 show (Jan. 26 through Feb. 4). By coming in an organized group, your citizens have lots of fun and advertise your city, as do the high school band and the Cowgirl Sweetheart.

"Plans are being made—new buildings, new features—to make the show coming up the finest yet. We need your help and we're counting on you. So please let us know which day you wish designated as Hereford 'Day.'"

A total of \$146,000 in cash awards is offered, the highest in the show's 55 years. A colorful Western parade on Friday afternoon, Jan. 26, through the Fort Worth business district will

usher in the show, with the first performance of the rodeo that night, and afternoon and night performances thereafter.

Construction now under way includes the Poultry Building, doubling of space for carload-and-pen division of bulls and glassing in of the archways connecting the livestock buildings. The world's greatest indoor rodeo will be held in the magnificent Will Rogers Memorial Coliseum. The boy's show will be a big feature of the livestock department with the first Saturday Future Farmers' and Future Homemakers' Day and Monday, 4-H Club Day.

In San Francisco Minear said he saw and talked to Larry Summers, formerly connected with Rutherford's of Hereford. Summers was awaiting assignment in the Korean theatre.

Not at all "sold" on air travel, Minear reported he had had tough trips going and coming. On the return trip one engine caught fire and burned for approximately 30 seconds before being extinguished. "You can live a lifetime in 30 seconds, though," Minear said.

He left Sasebo, Japan last Wednesday aboard the Navy PBV mail plane, and after several extended stopovers, arrived Saturday at 1 p. m. in San Francisco. He came to Hereford via train and arrived here at 5 p. m. Monday.

Walter D. Carter, indicted by the Deaf Smith County Grand Jury during the present term on a charge of forgery, was brought to Hereford this week and is being held in jail. Sheriff J. C. Reese said Tuesday.

Carter was arrested in Clovis approximately two and one half months ago. Sheriff Reese said, and was held in jail at Farwell until he was returned here.

Carter is charged with having forged three checks, the forms for which were allegedly stolen from a cafe in Bovina.

HEREFORD BULL

By JIMMIE GILLENTE

Politics have started simmering again. Looks as if there will be a good turnout in the November 7 election, due to keen rivalry between Walter Rogers, Democratic nominee, and Ben Guill, Republican nominee, in the race for Congress.

A lot of these new born Republicans are pretty sore because I won't get excited and wear my shirt off for Ben Guill. I said at the start that the candidates were going to get unbiased representation in The Brand. We have conscientiously tried to give them all a square deal. I guess politics is like going to court: no one seems to want justice. If a fellow feels he should get \$10,000, he always asks for \$25,000, etc. Furthermore, I cannot understand how anyone can get really angry or bitter over politics. After all, the right to vote as one sees fit is the absolute fundamental of our American Democracy. Judging by the crop of elected candidates in Washington—including both Democrats and Republicans—I can't for the life of me think of a single one worth getting too excited about.

Here's one Bob Thompson tells for the absolute truth, and I guess it is. Bob's coffee-drinking pal, Alex Thompson, ordered some red cellophane tape with which to bind abstract tops. Alex placed the order with a big Texas stationer and the other day received the

following note: "As you know, Mr. Thompson, the government has priority on certain items, due to the Korean situation. We are sorry to inform you that Red tape is one of the items over which the government has 100 per cent priority."

The Jaycees are having a lot of trouble in locating a donkey, which they desire to use in a membership drive. J. A. McWhorter says I would qualify in every way—except my ears are not long enough. After this remark, I was tempted to add that a donkey is most fitting for the organization—but I controlled myself and didn't. Anyway, if you have an extra donkey around the house, call J. A. McWhorter.

Is Hereford developing a band of juvenile delinquents? Things are beginning to look this way. A 14-year-old boy was attacked and severely injured last week. Previously, it was reported that a homemade black-jack was found under the football stands. A few months ago a small girl was badly frightened on the streets. Still nearer was the letting out of air from tires of the cars of visiting Levelland football spectators. If this is the result of youthful pranksters, they are going a little bit too far. If it is the work of an organized gang, it is getting close to the time that something should be done.

Everywhere you hear discussion of the oil play Hereford is getting. Some of the promoters get red in the face because citizens, in their opinion, do not want an oil boom. I think this is probably true, too. If the people had wanted to live in an oil boom town, they would have located in Borger or Snyder. I can see how a lot of people feel this way, especially people who wish to rear their children in a less confused atmosphere. A real oil boom would find lots of folks

selling out and moving to some other area. Personally, I doubt if there will be a big oil boom, anyway. Everything is strictly speculation, but it does appear that Hereford may get some real tests which should settle the oil question for once and all.

Meanwhile, Hereford is getting to be quite a convention town. Nearly every week we have a convention story and pictures. Last Sunday Epsilon Sigma Alpha sorority met here, the week before it was B&PW. The district 2-T1 Lions meet here next spring with some 400 to 500 delegates. The new hotel is doing a lot for the town. It is

also gratifying to hear that the other hotels seem to be hanging out "No Vacancy" signs. At least this is what quite a few would be guests are reporting from week to week.

Bill Jones is slipping. Understand he intended to make a one dollar donation the other day and handed out a \$10 bill by mistake. He discovered his error later—and screamed like a panther. Anyway, that's how Jim Black tells the story.

Visiting with Roberta Campbell and Buddy Bob on Friday evening of last week were Miss Darthula Walker, Miss Ruth Cross, and her nephew, Jon Cross, all of Canyon.

GOOD WILL FROM AMARILLO and **A GREAT DISCOVERY**

Why Should You Eat Hereford...

"Lettuce" ... At Every Meal??

What Is Lettuce Good For, Anyway!

The great Hereford-shallow-water-belt "LETTUCE CROP" is on the move—moving out of the country in refrigeration cars. Are the 100 towns and cities of the Panhandle area getting their share of this crop? Do you have ice-boxes and deep-freeze for storage? If so, then grab your share of this crop through your local grocer.

TELL ME WHAT YOU EAT AND I'LL TELL YOU WHAT YOU ARE.

HEREFORD LETTUCE is loaded with goodness and with many vital life sustaining elements not found everywhere. Examine one of the great needs of lettuce. The inner part of the lettuce-head is white and crisp with minerals. The outer dark green leaves are rich in chlorophyll and vitamins from the sun and air. Incomparable! Sunbathed!

WHAT IS THIS LETTUCE GOOD FOR?

Our Chemical Laboratory has made an important discovery about what lettuce is good for! Especially this Hereford lettuce! Our laboratory tests show it to be the most effective. Effective for what? Not only as a good "bulk-food" but...

"The greatest fight of the human body is against toxic poisons. Such poisoning brings on slowness, dullness, aches and pains, excess acidity, nervousness, indigestion, and stomach ulcers. Lettuce, as a green vegetable constantly on the table, overcomes most cases of toxicity (toxic poisoning) and it does a fast and constant job of it. Hereford Lettuce excels at this job. Eat it three times a day and you will discover that you feel better, sleep better, and require less stimulants to do your daily work. Great for expectant mothers and for old boys with peptic ulcers. Prepare a big dish of it, sliced with a dash of sugar, a tea-spoon of vinegar, and a half-cup with a dash of water. Men make the best salads. Let them try a hand with various salad-dressings and the flavors which THEY like."

several black cats cross my path, but it didn't affect my luck either way. I don't like the idea of breaking mirrors—that's supposed to be seven years bad luck. I broke a mirror at a theatre one time, and I had a flat on the way home. I thought I might

not have had the flat if I had not broken the mirror.
Lowell Sharp: No, I'm not. Everytime a black cat comes in front of me, I do think about it, but I'm not superstitious. That's just like safety first. I worked in a gasoline plant, and we had safety first discussed so much that we thought of it everytime something happened. It's the same way with superstition. Fortune telling is a "buncha

hooley."
Miss Nancy Owen: Yes, I am. I have quite a few superstitions such as black cats and Friday 13th. I had my fortune told about two months ago, and just about all came true. I broke a mirror several years ago, and I've wondered about it since. When I'm walking with someone, we always go around any object the same way, so we won't fuss.

Mrs. John Vines: Not much. I'm superstitious about some dreams but really not on anything else. I feel like you get warned in dreams. I've dreamed of folks, and right away would hear from them.

are Mrs. Floyd Walton, Jr., Shirley School; Mrs. Emil Dettman, high school; Mrs. Caudiola Brown, Junior High; Mrs. Cawthon Bryant, and Mrs. Merlin Kaul, Central School; Miss Marilyn Barkley, high school chorus.

The telephone committee includes Mesdames Robert Lingenfelter, L. E. Gross, Alex Thompson, Earl Phillips, R. C. McGilvray and Miss Adeline Koelzer.

Miss Swisher was chosen the official chorus delegate to the Seventh District Convention in Borger next Friday and Saturday. On Friday evening a special number will be presented by the civic chorus at the Fine Arts program of senior clubs.

Cultural Program
 "One measuring stick for the growth of the community is its progress in cultural fields," said Miss Swisher. "Hereford's primary claim to culture has been through the realm of music."

"This city has and has had more musicians per capita than any other city of its size in the southwest," she continued. "It has projected performers who are considered among the foremost musicians."

"Music has been the cultural backbone of Hereford. For 15 years Hereford music lovers and also musicians from nearly all the towns and country communities have participated in and supported the organization which presents at Christmas time the epitome of spiritual music, Handel's immortal 'Messiah.' We have been assisted by some of the best voices in the whole Panhandle and people have travelled miles to hear the performance."

Assisted by Amarillo
 "For our performance on December 3 we are to be assisted by singers from Amarillo and other surrounding towns and

the Amarillo Symphony Orchestra. We need the help of all musicians in this territory so the 'Messiah' may be presented in all its glory.

"If you do not feel you have much to offer the 'Messiah' in the way of a voice, consider what the 'Messiah' can offer you in the way of training and appreciation."

"Let's get back of our new conductor and the whole chorus in keeping our musical tradition alive and better than ever before," concluded Miss Swisher.

in a very few days, he said. Deaf Smith County Chapter was able to pay off its debt this year because there were no new cases treated. The county chapter did spend money to check a suspected case, and it continues to send polio victims back to the clinics for examinations even though they have overcome the immediate results of the disease.

"We would like for everyone to give John their wholehearted support to make the advance campaign and the March of Dimes a success again," urged Mr. Harvey. "We never know when we may need the money. If we do not have the money here, we can get it, but even now, we don't want to let down

Fifty Per Cent Stays Here
 "Fifty per cent of the money from the drives goes to the national pot to be used for research and as a source from which chapters in need of help can borrow. The other half stays here," he continued.

"Many individuals say they would help with the polio drive if all the money stayed in the county," Harvey said. He then explained the necessity of the research and the importance of being able to borrow if necessary.

Referring to the \$3,800 borrowed, he said, "Where would we have been that time? Out ringing doorbells when there was an urgent need?"

The state of Texas as a whole was "hit hard" this year by polio and is still in debt to the national foundation, the chairman pointed out.

turning from lunch to nearby government buildings.

Famed Pennsylvania Avenue became clogged with spectators, motorcycles, squad cars and ambulances. Plainclothesmen mingled with the crowd, which was pushed back a block in all directions by uniformed officers.

The president did not permit the bloody battle in front of his home to interfere with his schedule. He was preparing to leave for a ceremony at Arlington Cemetery and did so a half hour after the shooting.

He also talked to his daughter Margaret by telephone. She is in Portland, Maine, preparing for a concert. He assured her of his safety.

Meanwhile, an apparent tie-in

with recent rebel uprising in Puerto Rico developed. In New York Oscar Callazo or Callazo, the assailant now lying wounded in a Washington hospital, was identified as a Puerto Rican Nationalist by his daughter.

The daughter, Carmen, spoke to interviewers in Spanish. She said her father was a metal polisher by trade and had lived in New York for six years. She added: "I never heard him say anything about President Truman. We didn't even know he had gone to Washington."

The Blair House attack came within an hour of an attempt by a Puerto Rican Nationalist to blow up the New York office of the Puerto Rican government.

In reconstructing the gun battle, police say one gunman attempted to storm the main entrance of Blair House. The other

started firing at two officers near a sentry box at the other entrance.

Shots from one of the wounded White House officers plus those from a secret Service agent felled the two assailants.

Mr. and Mrs. O. B. Southern and family visited relatives in the Panhandle of Oklahoma during the week end. Mr. Southern's brother, Noel Southern, was in Hereford Monday on business.

WHITEFACE TACKLE—Tim Corbett, 16-year-old son of Mr. and Mrs. Roger Corbett, is a sophomore in Hereford High school and fills the tackle spot on the Whiteface squad. Although football is his favorite sport, Tim plays baseball, basketball, track and ping pong. He has played football three years in grade school, three in junior high and two in high school. The youngest of four other Whitefaces, who have played with the Herd since 1943, Tim was preceded by brothers, Roger, Buddy and Pat.

WHITEFACE GUARD—Bill Rose has been interested in football ever since before he began his schooling. A resident here for one year, he is the son of W. C. Rose and a former resident of Stamford. His favorite player is Doak Walker, and his favorite team is Army. He also plays tennis, track, basketball and baseball. Bill intends to attend Hardin-Simmons when he graduates from High school, but does not intend to play football there.

A three-way tie made the sweepstakes interesting this week. J. M. Posey had a 75-10-65 score; Homer Lee Owens pulled down 75-10, and a net of 65; Alvin Shirley knocked off 83-18 and still a net of 65. Each winner was awarded one golf ball.

Second-place winner was Edward Young—who copped a gross of 85, and a net of 66 when his 19-handicap had been subtracted. Urlin Streu took third place with a gross of 74, handicap of 6, net of 68.

Another tie—this time two-way—was split by Earl Hendricks and Homer Lee Owens (played twice) for fourth place. Earl hit 86, 15 and 71 net, while Homer Lee scored a gross of 81 and a net of 71.

Fifth place came to Tom Howard with an 88, 16 and 72.

Others included Ted Young, 78, 3, 75; Urlin Streu (also played twice), 78, 6, 72; Buddy Posey, 77, 3, 75; Bill Howard, 84, 8, 76; Henry Lewis, 88, 10, 78; Oscar Lang, 83, 10, 73; Wright Williams, 84, 6, 78; Dale Tinnin, 92, 14, 78; Frank Latimer, 86, 10, 76; and Wendell Burdine, 98, 12, 86.

Sunday was one of the biggest days the golf course has had since the middle days of August. More than 70 players roamed the links. Nothing exciting like stray golf balls landing on golfers' heads or anything of the sort, according to Jim Terry, local pro. The large number of golfers Sunday was due, for the most part, to the fact that it was one of the most perfect golfing days all year.

URLIN STREU—One of the most active golfers in Hereford, Urlin Streu recently has been hitting in the low eighties. Last Sunday was among the prize winners in the sweepstakes. Cigar in mouth, and his face set on the ball, Urlin gets into position for a drive.

Herd Hopes Hold For Canyon Clash In Spite Of Injuries

Despite the fact a leg injury in the Dalhart game brought an end to the high school football career of Bill Engman, hard-hitting, clever Whiteface fullback, the Herd's hopes for victory over the Canyon Eagles here next Friday still remained.

The Eagles, who have won three and lost four games this season, are recovering from a brutal defeat of 56-6 suffered at the hands of Phillips last week. Coach Floyd Murry and Assistant Coach Lloyd Johnson are

reported putting into shape the team which defeated Hereford last year, 12 to 6.

Leonard Walterscheid, injured in earlier games, was unable to play in the Dalhart tussle and may again be out of the conflict when the Herd clashes with Canyon Friday.

The Whitefaces moved from position No. 10 to No. 9 last week in one sportscaster's conference rating sheet. Canyon is much farther down the list.

The Eagle line, slightly heavier

than Hereford's, may make a rugged contest for the Whitefaces. Coach Murry's team operates from the split "T."

Coach Dalton Criswell's Whitefaces will meet the Eagles at Whiteface field at 8:00 p. m. Friday.

The starting lineup for Canyon is as follows:

Left end, Jimmy Russell, 170 pounds;

Garland Butler, lanky 170-pound quarterback, may give the Herd trouble with his accurate

passes. Harold Slack, a fast, hard-to-hold back will also start for the Eagles. Small, 140-pound John Miller is another fast, pile-driving back for Canyon. Monstrous Ray Burrus, a 211-pound pass snagger, will operate from the right wing, and Jimmy Russell, a 170-pounder, will fill the left end slot. Robert McClendon, whose number is 44, and whose weight is 175 pounds, another Eagle carrier and co-captain with right tackle, Bob Busted.

Starting linemen are left tackle, Jimmy Montgomery; left guard, Claude Money; center, Dwain Curry; and right guard, Tommy Gooch.

The Hereford starting slate reads: left end, Walterscheid; left tackle, Janssen; left guard, A. Brock; center, Thomas; right guard, Witherspoon; right tackle, Dement; right end, K. Brock; quarterback, Stanton; left halfback, Morton; fullback, Kelly; right halfback, Walker.

Officials will be Haskell Folsom, Amarillo; Block Oibrich, Borger; C. E. Smith, Dumas; and Jess Cearley, Amarillo.

SCOUT POW WOW

All adult cub scout workers and leaders are expected to attend the Pow-Wow scheduled for Sunday afternoon in Amarillo at 1:30 to 4:30 p. m. The session will be held in the First Presbyterian Church and a

demonstration of games, handicraft, ceremonies and entertainment will be presented.

Mr. and Mrs. Harold Wyer of Muleshoe were in Hereford Sunday looking up old friends. Mrs. Wyer is the former Miss Virginia

la Morgon of Hereford. They were accompanied by her mother, Mrs. Ada Morgan of Austin, who has been visiting her daughter in Muleshoe and friends in Hereford for the past three weeks.

Dalhart Smashes Hereford Herd

A devastating force of speed and power came roaring out of Dalhart to down the Hereford Whitefaces last Friday night.

Dalhart was never behind as they scored early in the first quarter when Cessman drove over from the Hereford 13 yard line. Hereford quickly retaliated on a 62 yard drive. Quarterback Jack Stanton mixed the drives of Engman, Morton and Walker with his own passing to take the ball to the Dalhart six yard line. He then carried the ball over for the score. Billy Ritter tallied three more touchdowns for Dalhart and two extra points.

The Hereford team gave a good accounting of themselves though they were clearly outplayed. Bill Engman played perhaps the best game of his career. Hereford's pass offense as well as their defense could never get to clicking as the Wolves went to their conference victory.

What Goes

By DELLA STAGNER

A real live ghost visited Shirley School a few days ago! The occasion was an entertainment planned by the fifth grade Citizenship Club in Mrs. Crawford's room. This club meets once every two weeks at 9 o'clock in the morning and half of the group takes turns at putting on the program.

Peggy was in charge of the meeting and she presented "The ghost" whom we soon decided was Glenna and she in turn gave a Halloween poem and announced others on the program. Gladys told a story, David and Delbert each read a poem, and Sandra, Linda and Donna sang some songs.

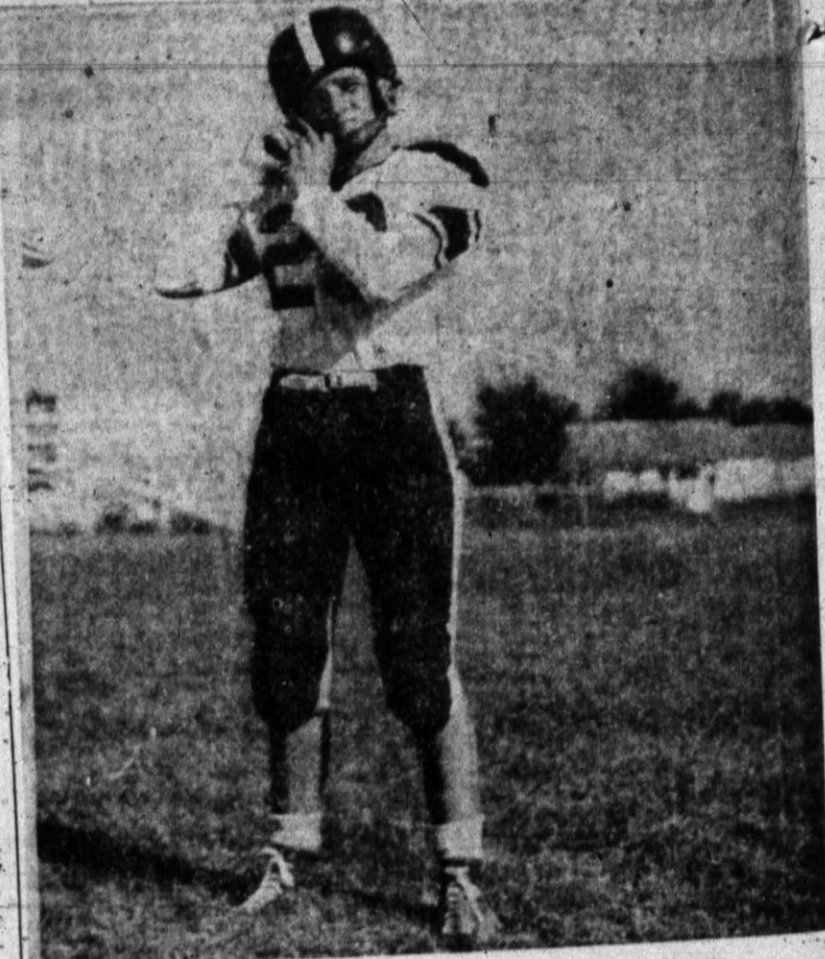

These boys and girls worked this program up tiredly on their own for the benefit of the rest of the group. Many worthwhile experiences were going on here. Talking before a group, learning, by using the techniques of parliamentary procedure, story telling, reading poetry, and sharing all these experiences with others. Attentive listening is likewise a good learning experience. You'd enjoy one of these club meetings, I'm sure.

The entire fourth grade went on an excursion to a beet field the other day to see just how beets are harvested.

This opened the way for general learning before the trip, during the trip, and afterwards. The field belonged to Mrs. Charles Hodges, one of the fourth grade teachers.

I visited Mrs. Bryant's fourth grade room at Central today. The general atmosphere in this room is one of quiet busy work.

Each person seemed to know that he had a special job to do and was doing his best to get done in the quietest way possible.

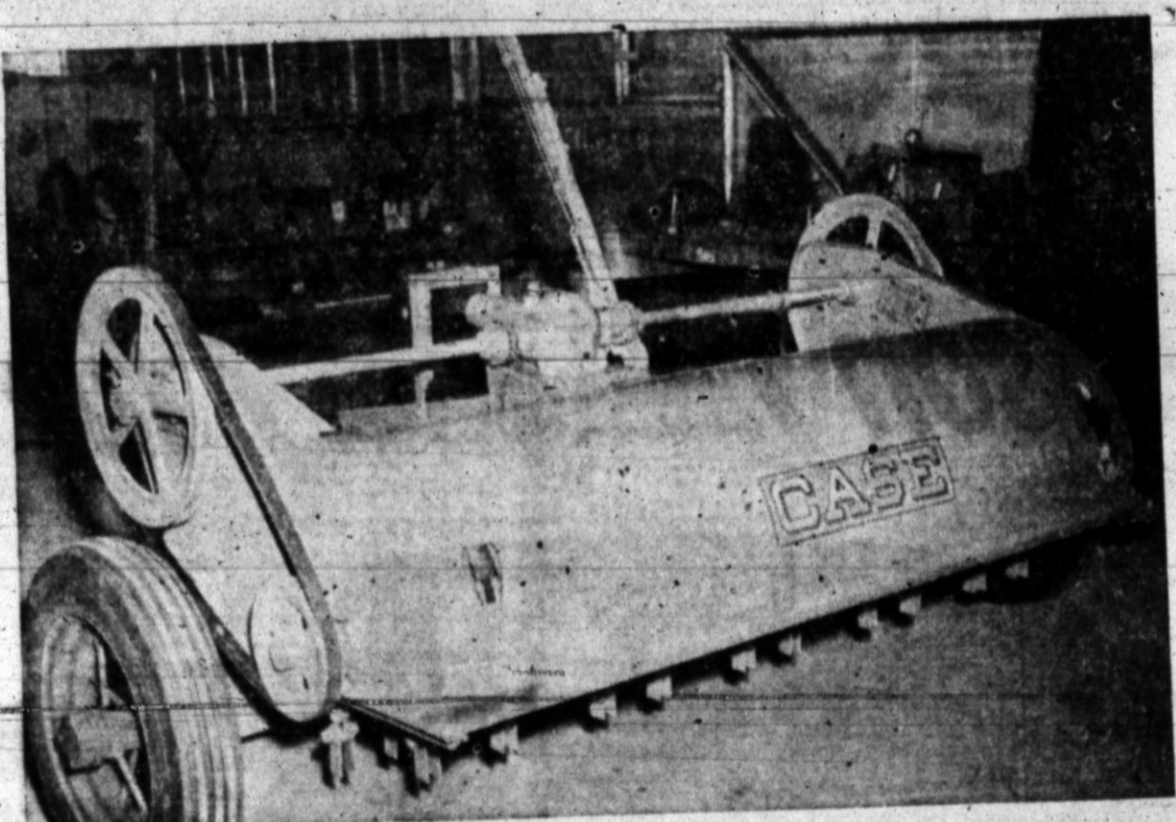

WHITEFACE HALFBACK—A product of last year's 'B' team, Dale Winget fills the halfback slot for the Herd in 1950. The 15-year-old son of Mr. and Mrs. W. L. Winget, Dale has lived in Hereford six years, and has been interested in football since the fifth grade. He likes track, and his favorite football player is Doak Walker. He does not intend to play college football, but prefers the Texas University and SMU teams.

Just Six More Days For Voters To Decide On Congressman.

Here' what Clyde Warwick Editor and Publisher of the Cayon News has to say

You have just six more days in which to make up your mind about this Congressional race—whether to vote for Congressman Ben Guill, or for Walter Rogers, the Democratic nominee.
 Walter Rogers is playing a pretty smooth game. He is appealing to the prejudices of the old line Democratic voters, who have never scratched the ticket. He wants them to continue their practice so that he may be assured of winning the Congressional race.
 Democrats who have never lived in any state or any district where there was never a question as to who would win in the General Election, are amazed at the audacity of a Republican stepping out and asking for support of the voters. Those of us who grew up as Democrats in strong Republican states have a different point of view. Unfortunately there are more Democrats who have never scratched the ticket than there are those who refused to vote the straight ticket.
 Take just a minute and consider the situation: There is the pledge—the pledge imposed upon a safe Democrat majority. Why? Simply because the Democrat leaders are fearful that some upstart may get a foothold in politics in Texas. The pledge is the most unfair and the most un-American thing that you can conceive of. It seeks to tie the hands of the voters even before he casts his vote. The voters of Texas refused to stand for such a thing when they supported Hoover for President.
 Then came the depression, which is being played up as a result of Republican domination. The Democrats forget that Hoover had no more to do with this depression than the man in the moon. The depression was brought on by \$15 silk shirts on two-bit income people; the spirit of luxury and extravagance on the part of EVERY CITIZEN. A depression would have followed this period of extravagance, no matter who may have been president.
 Then we have the old, old cry of staying with the party, regardless! Those who preach such a doctrine ignore the fact that Cleveland, Wilson, Roosevelt and Truman were ALL ELECTED BY REPUBLICAN VOTES. We have said time and time again, that these Democratic presidents have all preached and practiced the theory of the man above the party.

For this reason, we cannot see why any citizen should object to electing a former Democrat in a strong Democrat district—a man who has openly broken with the party because he did not believe in the doctrines of the leaders.
 The Democrat candidate, Walter Rogers, has openly opposed the administration and will either have to revise his stand, should he go to Congress, or be another lone wolf like W. Lee O'Daniel. He must either carry out his pledge of fighting the program of President Truman, which includes the steal of Tide-lands oils, social frills, wasting billions of dollars for social reforms, or violate his pledge to the voters of the district to oppose the forces in Washington.
 If Walter Rogers goes to Congress he will not be able to get on the powerful Committee of Agriculture, where all of the farm legislation is written, and which is so vital to the interests of this district. Congressman Ben Guill is on this committee, as a Republican, and will stay on the committee should the voters re-elect him, regardless of which party controls Congress.
 Ben Guill has a remarkable record of achievement since going to Congress. You read what Bascom Timmons said about him—the best man of the 3000 he has seen come and go in the House during his 38 years in Washington. Why then turn down the trusted and tried man for one without experience or previous accomplishments? Just because Ben Guill is a Republican in name ???
 The Democratic bigwigs of the District are using all of their influence and all of their power to defeat Ben Guill. His election in the special election in May brought national recognition to the Panhandle. If he is sent back to Congress in November, the nation will again sit up and take notice of the fact that this district is opposed to the drastic meddling of the administration with our everyday affairs, and that we want a man in Congress who knows how to get the job done.
 So far as we are concerned, Ben Guill is the man to send back to Congress. He has the ability and the experience to continue making a good Representative.

A VOTE FOR BEN GUILL Is A Vote For

Hereford really took it on the chin Friday night. Hereford received one or two bad breaks, but you can't take anything away from a fine team like Dalhart. They simply out played Hereford.

If there is such a thing as an individual victory Bill Engman made one. Though injured portion of the game he made some of the hardest tackles this writer has ever witnessed. Engman was exceptionally good Friday night.

The Canyon Eagles in Whiteface field Friday night. Though they took a walloping from Phillips last week they weren't as bad as the score indicated. Canyon has one of the finest passers in the Panhandle in the form of Garland Butler. This game could easily be a Canyon win if the Whitefaces aren't on their toes.

The "B" team journeys to Canyon this afternoon. They will be without the services of Tommy Woodford who received a broken nose in the Dalhart game.

New government regulations prohibiting the construction of places of amusements are now in effect. This means Hereford cannot build a new gym for a few years unless they build a new school. This is a shame for Hereford has one of the poorest gyms in this vicinity.

Dalhart Tears Hereford "B"s

A fighting Dalhart "B" team came roaring back the second half to dump the Calves. Bolstering a fine passing game Dalhart scored 18 points the last half, while Hereford scored only six in the first half.

Hereford's lone score came in the second quarter when Johnny Boyce intercepted a Dalhart pass and galloped 73 yards for a touchdown. This run featured beautiful blocking by Rettman and McCullough. Dalhart scored their first touchdown on a plunge from the one yard line. This play was set up on a long pass from Hammett to Meeks. Hammett passed to Maytum for another touchdown. Hammett also scored two extra points. Bill Lang and Smith also got in on the scoring by tackling Boyce behind the goal for two safeties.

Dalhart almost scored another touchdown on the old fashioned sleeper play. Marshall Wilson knocked the Dalhart receiver out of bounds on the four yard line from which point the Cal line held.

FTA Organizes At First Meet

At their first meeting on October 3, 1950, this year's FTA members organized their club. Mr. Sullivan, one of the sponsors, read the constitution and by-laws. Then the officers for the year were elected. They are: President, Patsy Wiltshire; vice - president, Ray Graham; secretary, Pat Walton, treasurer, Joyce Potter; historian, La Juan White; parliamentarian, Jack Stanton; song leader, Jerry Reese. The club consists of 24 members who must be either Juniors or Seniors and must have a scholastic standing of at least 80.

The purpose of FTA is not, as

some people think, to try to force students to become teachers, but to let them practice teaching and find out just what teaching is really like, for there is nothing more disappointing and disheartening than for someone who has gone to school for four or five years to learn to be a teacher to find, when he actually starts teaching that he does not

like to teach. This organization also helps those who are undecided find what they want their career to be. The members are very proud of their club and plan to do a number of things this year. Formed last year, it was named the Ela Attkman FTA club of Hereford. The sponsors are Mr. Sullivan and Miss Della Stagner

Letter To Editor

Attention: Writer of "White-faces Meet Rugged Dalhart." Knowing full well that next year I will read in The Brand "Favored Wolves have not marked up a win over the Whitefaces in four tries—If the sport writers continue the fallacy of reporting that they have used in the past, I can not refrain from pointing out the incorrect statement in the Thursday edition.
 "For the past three years the Wolves have been slated to win over Hereford but have lost each year."
 The correct record is:
 1947—Hereford 7, Dalhart 6.
 1948—Hereford 13, Dalhart 19.
 1949—Hereford 13, Dalhart 13.
 1950—Hereford 7, Dalhart 27.
 We don't point with pride to a record of one win, one loss, and one tie, but it is better than three losses we didn't have.
 A Dalhart Reader
 Just this one more word—the Hereford boys are friends of those on the Dalhart squad, and between them there is no hard feeling. It is only such things as the inaccurate quoting of our citizens incorrect record, etc., and the attitude of the adults

that makes for any hard feeling—which is always unfortunate. These quotes were heard after the game.
 "I don't mind losing, we really didn't expect to win, but it is disappointing when I know we could have won if the boys had played ball—why we have beat some good teams this year."
 "Bill Cessnun didn't do so hot."
 (He played one quarter—made several first downs, accounted for a lot of yardage, kicked the ball like a college boy, and made a touchdown—all this with a crippled leg. It is a little hard

FACTS ABOUT MONEY!

THE ORIGIN OF "GAZETTE"

About the seventeenth century the Venetians introduced a copper coin called the "gazzeta"; Shortly after this coin made its appearance, the government began to publish a newspaper dealing with public affairs. Since this newspaper sold for one gazzeta it wasn't long before the paper itself was called the gazzetta. This is how our present-day word "gazette" is derived.

Together with the Lutheran church at Friona, Immanuel sponsors a weekly radio program over KPAN, each Wednesday afternoon at 1:30 p. m.

The attendance for all meetings of the Church of Christ continues to be very good, said Bob Wear, this week.

The meetings of the Church of Christ are open to the public and you are invited to be present, said Mr. Wear.

The temperance program given at the 11 o'clock hour by the missionary leader, Mrs. C. P. Grimes, was based on I Cor. 10:31, "Whether therefore ye eat or drink or whatsoever ye do, do all to the glory of God." at the Seventh Day Adventist Church.
