## Around Town

SIGHTS, FACES SEEN

Hereford residents attending the Dimmitt Chamber of Commerce banquet Monday night were Lyle Blanton, Don Zimmerman, Harry Caylor, and Mr. and Mrs. Tom McFarland.

All home demonstration club presidents of the county are requested to let Mrs. R. C. Childers, marketing chairman, post office box 533, know as soon as possible whether or not their clubs would like to order strawberries. Mrs. Childers said the strawberries will be ready about May 1.

Mr. and Mrs. A. Peterson, Mr. and Mrs. E. Ramey, and Mr. and Mrs. O. N. Stagner of Hereford attended a meeting at Canyon Saturday night of the Palo Duro Rural Letter Carrier's association at the home of Mr. and Mrs. Roscoe Davis. About 20 were present. Mr. and Mrs. Ramey were elected delegates to the state convention at Galveston in July and the Petersons were named alternates. The next meeting of the group will be held at the Peterson home in October.

The baseball season inspired one reader last Saturday to voice his opinion of the Truman-MacArthur controversy in the language of the sport. Another reader sent in his account of what might have occurred at the opening of the American League in Washington, D. C. had not rain forced cancellation of the initial contest. Here is the "dispatch":

"President Harry S. Truman threw the first ball at the opening game of the season at Griffith stadium. Mr. Truman's aim was bad as usual and he hit a spectator in the eye... he threw the ball in the wrong direction. Mr. A. Nonymous, the man who got hit by the ball, is suing the government for \$1,000,000 in damages, but it is understood all he will get is a letter telling him to 'keep the h— out of the way.'"

Cherry Ann Forrest, daughter of Mr. and Mrs. Leo Forrest of Hereford, is one of seven students at McMurray college at Abilene to receive straight "A's" and to be honored on a mid- (Continued on page six)

## Potato Acreage To Exceed 1950 By 425 Acres

Potato acreage in Deaf Smith county this year will be increased by approximately 425 acres over 1950, based on the number of cars of seed potatoes received here. Nearly all the farmers have completed planting of their 1951 potato crop.

Local potato men predict the market will be good this year, because of reduced acreage by 42 per cent in California and 17 per cent across other parts of the United States.

Geographically, this area is better situated than other potato centers being closer to market and an added advantage is harvest being two or three weeks earlier here.

Last year 2639 acres were planted in potatoes in this area, while the figure will run more than 3000 acres in 1951.

Removal of support price from potatoes has caused a reduction in acreage which will probably result in higher prices. Because of the high cost of raising potatoes, many farmers do not want to take a chance on the price, despite the fact that market looks good now, and are turning to other crops which have support prices.

## Drury Services Are Held Sunday

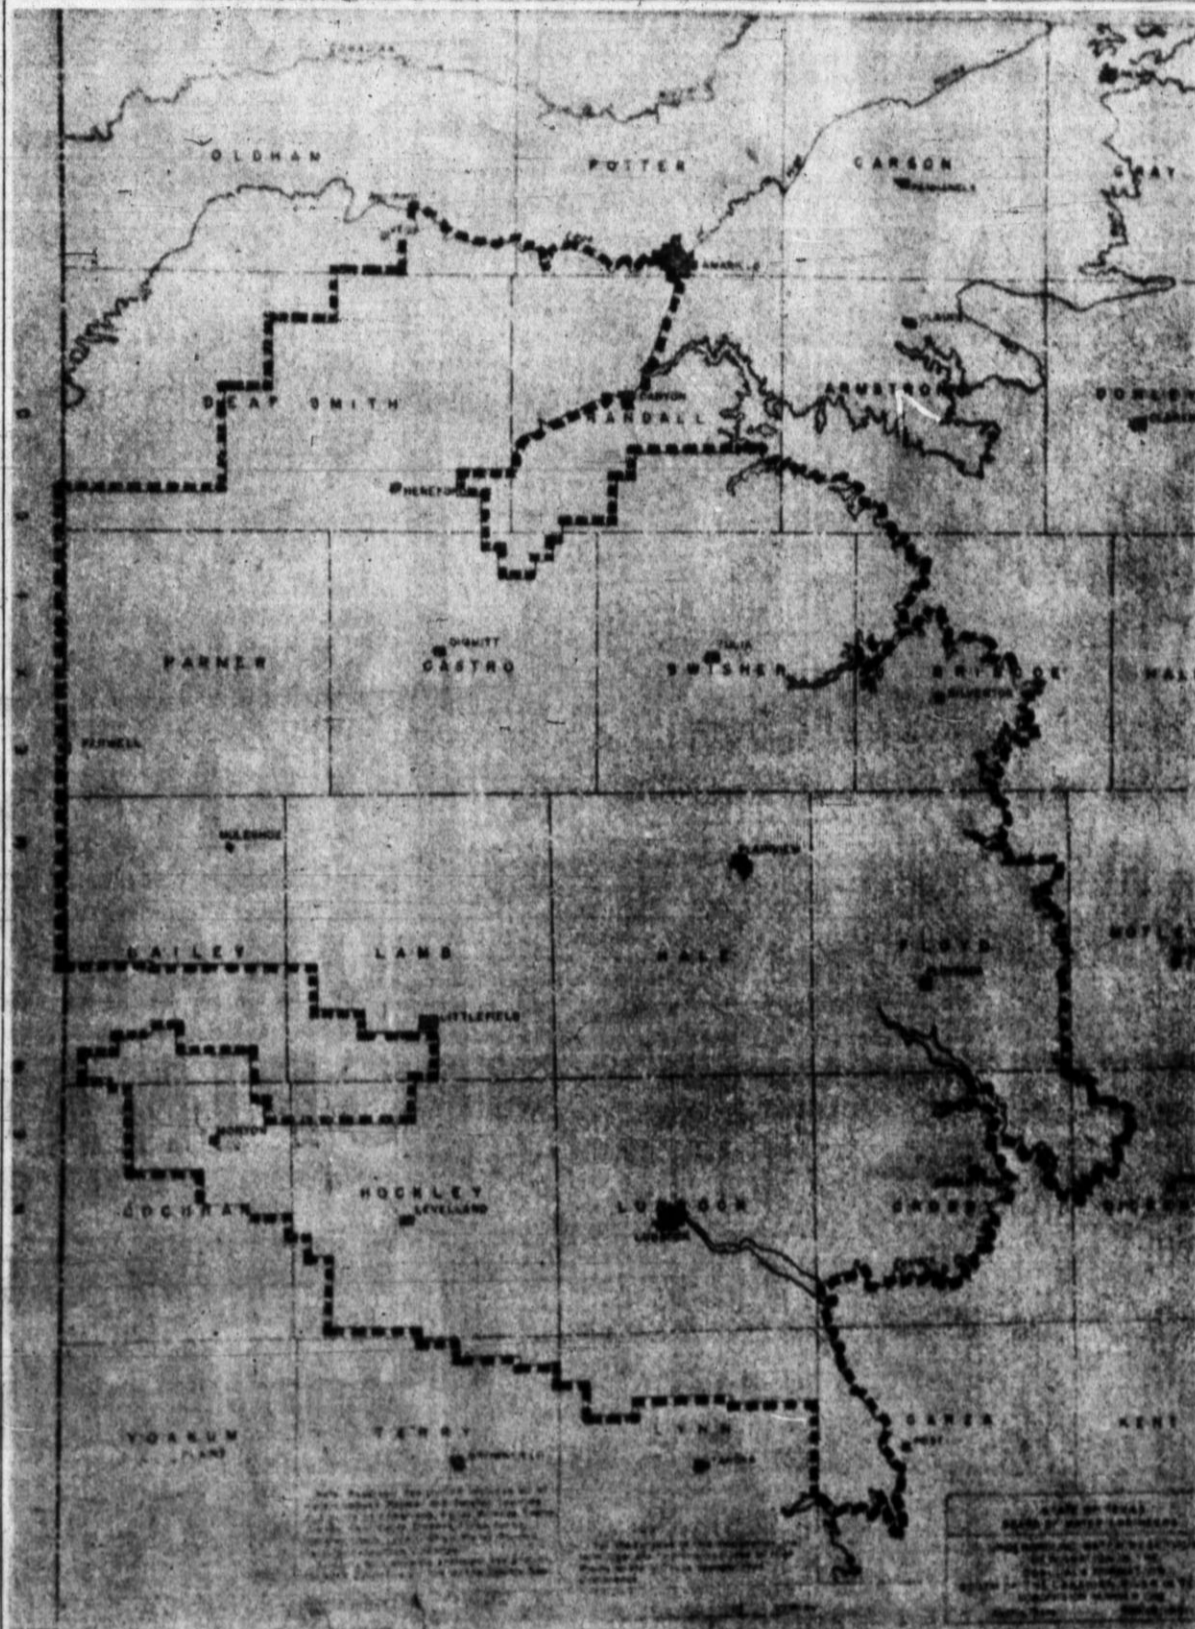

E. Frank Drury, 61, died Saturday evening at 5 o'clock at Deaf Smith County Hospital following an illness of two weeks. Funeral services were conducted by Rev. Don Davidson Monday afternoon at 4:30 at the First Methodist Church.

Pallbearers were Lee Little, W. D. Powell, Everett Doaks, Jim Sowell, Bill Hart, and W. J. Rogers.

Drury was born February 22, 1890, in Oklahoma. On January 27, 1915, he was married to Miss Jewell Hightower at Cross Plains, Texas. A carpenter by trade, Drury was a member of the First Methodist Church. He moved to Hereford from Odessa in 1945.

One daughter, Mrs. Ruby Minear, died several months ago as a result of a motorcycle-car collision near Lubbock.

Survivors include his wife, two sons, C. E. and T. V. Drury, both of Midland; two daughters, Mrs. Naomi White of Temple City, Calif., and Miss Bobby Drury of Hereford; five grandchildren; seven sisters, Mrs. Mira Hodge of Healer, Okla., Mrs. Ada Riggs (Continued on Page 8)

The underground water reservoir, which includes parts of 21 counties on the High Plains, is shown above. According to state law, boundaries of the proposed water district must be coterminous with those of the underground water reservoir as pictured. The irrigation district includes 6,800,000 acres.

## Primary Functions of Water Board Explained Monday

Tom MacFarland, president of the Deaf Smith County Water Users Association, and Virgil Dodson represented this area

at the meeting of the High Plains Water Users Association in Plainview Monday where functions and organization of

the water district were explained.

McFarland said the High Plains association will petition the state board sometime in the very near future for the organization of this 21-county water control board.

The two principal functions of the board, McFarland pointed out, will be:

1. Help control or establish control if needed on irrigation water.
2. Keep any government agency from coming into control of water.

"Before organizing, however, it will be set up in such a position that, if necessary, they can vote bonds and levy one cent tax per acre on every acre of irrigated land in the water district. Any person having an irrigation well that does not produce as much as 150,000 gallons in 24 hours, if he so desires, can (Continued on page six)

## Hereford School Plant Scored By Evaluators

The physical plant of the Hereford Rural School District—with the exception of Shirley school—was described Wednesday by an evaluation committee as "antiquated and inadequate as to room and planning and simply not functional in their present state."

The committee, under the chairmanship of Rex Reeves, principal of the West Texas Elementary school at Canyon, was one of seven making a system-wide evaluation of the local system for the Southern Association of Secondary Schools and Colleges.

"No high school evaluation has been made of the system here since about 1940, an no system-wide evaluation has been made here ever," according to Supt. George Graham. He told The Brand that evaluations in the organization are made every five years, but were discontinued during the war and resumed again in 1946. The Hereford system could have gone one more year under its current approval.

Reeves told The Brand in a special statement Wednesday

that "Shirley is the only school plant that really reflects the spirit and growth of the community."

Commenting on the junior high facilities, H. F. Rallsback, superintendent of schools at Dalhart and Reeves said, "The junior high school situation is one which no school district could look upon with anything but remorse or shame. All a patron would have to do is visit the plant to want to improve it."

"The junior high building not being fireproof or even semi-fireproof, is exposing children to hazardous conditions and should be discontinued as soon as humanly possible," the two men said.

They added that the "students and teachers are making very good out of a very bad physical condition."

In their report, which will be forwarded to the association, the committee issued a commendation on Shirley school building. From their observation and in their opinion, they said the building was well constructed, functional, well-planned, well-

constructed, health factors of heat, light, and ventilation well cared for, well-landscaped, adequate room at the site, well-equipped, well-cared for by students, teachers, and the custodial staff.

"Shirley is the only school plant that really reflects the spirit and growth of the community, while the others do not meet the needs of a progressive school and community," the committee said in its statement to The Brand.

In their report, the group said the community needs to be sold on a community-wide improvement as far as the physical plant is concerned. "It is our thinking," Reeves said, "that a new high school building needs to be constructed on some suitable site and to completely renovate the present senior high for a junior high school." The committee also recommended relieving the crowded condition in the grade schools which would take care of the increased population more adequately.

"A new school plant", Reeves said, "should be planned to meet present and future needs of an increased high school enrollment and should be carried out with the view of the increased grade school enrollment hitting the high school in a very few years."

## Require Two Weeks On Main Street Work

Construction work on widening the remaining part of Main street from Fifth to Park avenue to a full 50-foot width will be completed in about two weeks. Work is being done by Kerr and Middleton of Lubbock, the same contractors engaged on the farm-to-market road south of Hereford.

The "white way" of high rollers will be completed along the entire length of Main street when the project is finished.

Work was begun on the project Monday noon by Kerr and Middleton workmen. They tore up the curb along Main street between Fifth and Sixth streets and took out all the trees lining the street.

Cost of the project to the affected property owners is \$5534. The funds have been collected by the city and are in the bank. The City of Hereford will pay

for the work on the intersections the engineering expenses, and the cost of widening the street along Lake park (\$575.18).

Parkhill, Smith, and Cooper, Lubbock engineers who have done the city's engineering work for the past four years, completed details for the widening project.

Mayor W. E. Dameron previously stated the work being done for a two-fold purpose—to relieve traffic congestion on Main north of Fifth street and to carry out the beautification program.

Mayor Dameron said he felt the city was fortunate in securing a contractor for such a minor job. The fact that Kerr and Middleton had their equipment already in the area was the reason the work can be done at

(Continued on page six)

## Pedro Leaves Green Pastures To Serve in Ranks of HHS Mascots

The history of Lamplighter 4th, registered Whiteface bull, calved March 23, 1941, has really just begun. The mounted head of Lamplighter 4th was presented by Colby Conkwright, owner, to Hereford High School during school assembly Tuesday morning.

As a mascot for the Whitefaces, Pedro, as he is fondly called by the ranch men, will be an inspiration. "He had plenty of

spirit," Conkwright explained. "These wasn't a gate on the ranch that he hadn't lifted off it's hinges." Although persistent in his gate lifting, Conkwright said Pedro was gentle as evidenced by the fact Wirt Phillips, former owner, could call him out of the pasture any time.

Number 3291160, Pedro has "84" tattooed in his left ear. His sire was Lamplighter 30th by the Lamplighter and his dam, Ellen by Advance Domino-

Jr. He was bred by Nance Hereford ranch at Canyon, owned by Mr. and Mrs. George Nance. On November 12, 1942, he was sold to Phillips who sold him to Conkwright on March 23, 1947.

Though Pedro will be shown for years to come at Hereford High, he was shown only one time by his owners. In a class of 42 senior calves, he placed second at the Southwestern Exposition and Fat Stock Show, Fort Worth.

If Pedro were actually alive and could talk, he could trace his ancestry back further than most human beings. His grandfather sold for \$3,000 at the age of nine years, and his great great grandfather on his mother's side, the Prince Domino, sold for \$10,000, a record price at that time. Pedro, if he wanted, could trace his ancestry back to the Prince Domino three times.

## Onion Market for 1951 Looks Good

Probably because of the fact that rain at harvest time last year badly damaged the onion crop here, less acreage will be planted in onions this year despite the fact the market now looks good, Jack Renfro, local processor, said.

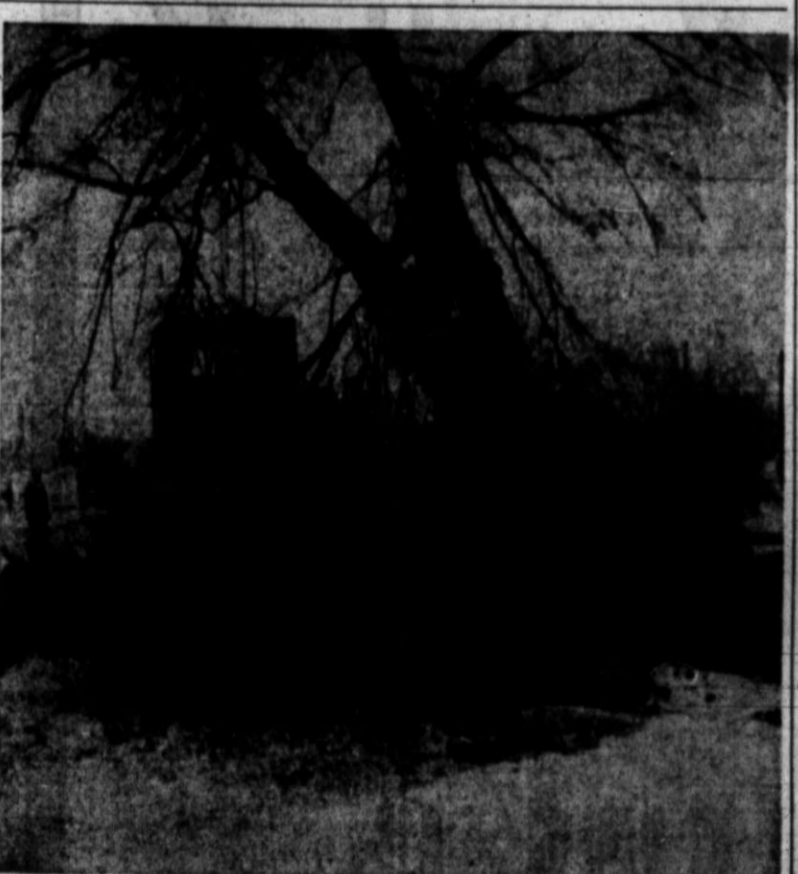

Renfro estimated not over 300 acres will be grown here this year as compared to 500 acres last year. As an example of the condition here at harvest time last summer, Renfro sighted his own patch where he harvested \$5,404.75 worth of onions off four acres and plowed up 35 acres right beside them because of the rain damage. In good years here, farmers have made as high as \$2000 per acre from onions.

Local producers believe the onion market looks reasonably good here because of crop failures and cuts in other sections. In South Texas around Ray-

mondville the crop is a total loss. Around Corpus Christi where 20 to 30 thousand acres are ordinarily raised there will be no harvest because of lack of rain. In Central Texas the crop is estimated as light. At Laredo, where there was a 10 to 15 per cent cut in acreage, onions were selling Sunday for \$4 for whites and \$3 for yellows, an unusually high price. The price here, producers estimate, will depend on the outcome of the North Texas crop where 15 to 25 thousand acres of onions are being raised.

Most farmers have already planted their onions in order to have them ready for harvesting from early July into August.

Leon Coffin has planted seed. Among the farmers who have set out onions are Renfro, 40 acres; Dan Finlan, about 40 acres; Harry Danforth, 30 acres; Hereford Potato Growers, 25 acres.

HERE IS THE method used by workmen for Kerr and Middleton in removing trees from the boulevard on Main street. The grader cut the roots, and pulled the trees over after exposing the roots. Brand Staff Photo.

## Rural Phone Plans Sent to R E A For Release of Funds

Directors of the West Texas Rural Telephone cooperative met at Hereford Wednesday night to put their stamp of approval on preliminary engineer's diagrams for the new 535-mile rural phone network designed to serve rural patrons from Dawn to the New Mexico state line.

The preliminary work done by Hasis and Green, Lubbock engineering firm, will be sent to Washington along with substantiating material to seek a release of funds so construction of the lines may be approved by the REA.

Leo Forrest, manager of the Deaf Smith County REA, said the WRTT has, he believes, sufficient equities to secure a release of funds for construction needed at this time. At the present time, 606 subscribers have paid their \$50 equity payment and another 239 have paid their initial \$5 application fee and are considered as good prospects for the service.

Adequate room is being left on the system for inclusion of these 239 plus additional patrons. Plans call for capacity to allow 1050 to 1100 patrons on the line. Subscribers who have not paid

their full equity may get connections on the line by prompt action, Forrest said.

At present, there will be five exchanges located near the wire centers indicated by present diagrams. They are at the following locations:

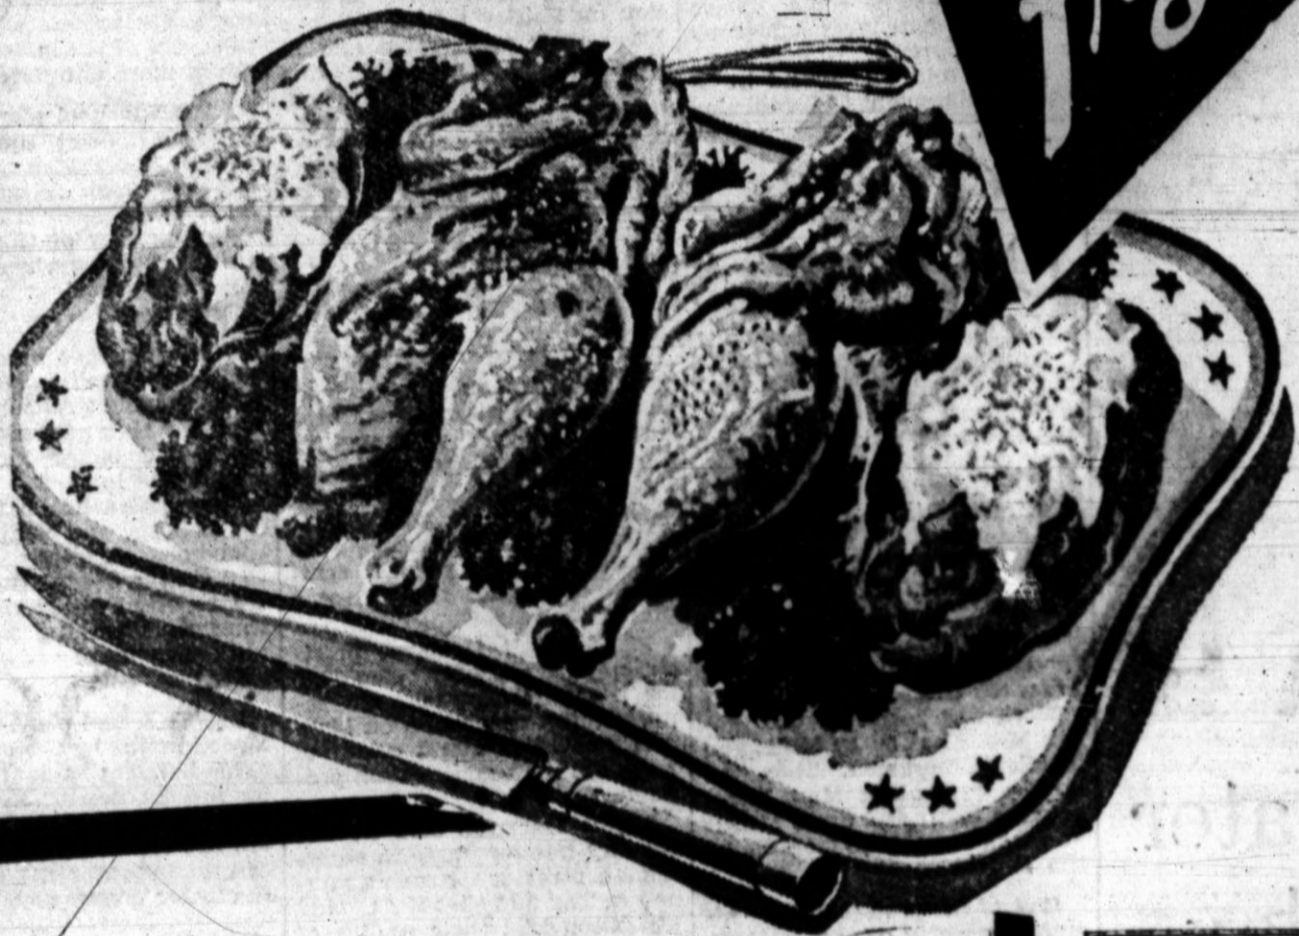

Three miles west of Hereford; between Dawn and Progressive; three miles north of Friona; three miles northwest of Bovina; and one or two miles northeast of Lariat. These locations are still tentative, Forrest said.

The areas around Nasareth, Dimmitt, and Flagg are not (Continued on page 5)

Mrs. J. W. Hulise of Hainesville, La., is visiting in the home of her aunt and uncle, Mr. and Mrs. Allen Medlin.

Guests in the home of Mr. and Mrs. Dale Tinnin Monday night were Mr. and Mrs. Earl Tinnin of Falls who came to Hereford for the initiation of their niece, Daleine Tinnin, into Rainbow.

Mrs. Jed Miller and children, Jody and Jennifer, accompanied Mrs. Robert Hickman and daughter to Houston to spend a week visiting relatives. They are scheduled to return home today. Bonnie Jean, youngest daughter of the Millers, is visiting her grandparents, Mr. and Mrs. H. E. Miller.

**To Join Husbands**

Mrs. William McQuire and Mrs. Harry Hill and son, daughters of Mr. and Mrs. John Albracht, are moving back to Roswell, N. M., next week end to join their husbands, Major William McQuire and Captain Harry Hill, members of the Air Corps, who have been stationed in England three months during which time their wives made their homes here.

Sunday guests of Mr. and Mrs. Jim Bob Allison were her sister and brother-in-law, Mr. and Mrs. Charlie Hays and children of Dimmitt.

Guests in the home of Mr. and Mrs. Charles Dye and son, Byron, Saturday were her parents, Mr. and Mrs. R. E. Lumpkins of Tullia; his mother, Mrs. Vesa Dye of Plainview; Mrs. Dye's uncle, C. A. Smart of Levelland, and Delmer Myers, formerly of Canyon, who is moving to Hillsboro.

**Legal Notice**

**Notice To Bidders**

The Commissioner's Court of Deaf Smith County, Texas, will receive competitive bids to ten o'clock A.M., on the 27th day of April, 1951, at the Courthouse in Hereford, Texas, on the following described road machinery:

One Tandem Drive Diesel Motor Grader, 100 H. P., Cab Heater, 14 ft. mold board, 1300 x24, 12 ply tires rear, 900x24, 10 ply front. Bids to be received at the Commissioners' Court room, Hereford, Texas, Deaf Smith County up to 10 o'clock a.m. on April 27th, 1951. The Court has the right to accept or reject any and all bids.

L. H. Foster  
County Judge  
T-15-2-c

Guests of Mrs. J. F. Ward Saturday afternoon were her great niece and nephew, Mr. and Mrs. Johnnie Hicks and daughters of Amarillo.

Mr. and Mrs. Wallace Lumpkins and children of Happy moved to Hereford last Saturday. Three of their children entered the Hereford schools Monday.

Mr. and Mrs. J. A. Vernon of Portales, N. M., spent Saturday and Sunday, April 7 and 8 in the homes of their daughters, Mrs. A. F. Hargett and family, Mrs. Oyd Ellerd and family, and Mrs. Joe Pitts and family.

Mr. and Mrs. W. P. Caraway are staying in the home of their son, Johnnie B. Caraway at Dawn while Mr. and Mrs. Johnnie B. Caraway are in Hope, Ark. visiting the Hartland Caraways.

**Fifty Join Bicycle Safety Clubs; Take Riding Tests**

Fifty youths from Central and Shirley schools took riding tests and had their bicycles inspected last Saturday to become members of Bicycle Safety clubs at their respective schools.

The safety clubs were organized by the Hereford Safety Council in cooperation with local law enforcement officers to promote safety-consciousness among youths of the city.

The bicycle test given each cycle included inspection of and

approval of the following points: brakes, reflectors or lights, handle bars and grips, pedals, and wheel spokes.

Riding tests given the youths included: hand signals (right and left turns and stop), passing parked car, and cross street at stop sign.

Sheriff J. C. Reese, Hereford Police Chief Reeves, Highway Patrolman Wells, and Safety Council President Bob Wear conducted the tests and signed the

cyclists as members of the newly-formed clubs.

As members, the youngsters took a pledge to obey safety rules for riding their cycles.

Mr. and Mrs. Charley Vernon and son Willard and Mrs. Ethel Vernon of Westaco, Tex., spent Tuesday, April 10 in the home of their neices, Mrs. Joe Pitts, Mrs. Oyd Ellerd, and Mrs. A. F. Hargett.

**Autos Collide Sunday Morning At 5th, Jackson**

About \$275 in damage was done to two vehicles Sunday morning at the intersection of Fifth and Jackson at about 11 a.m.

A 1945 Chevrolet driven by Bob C. Bicknell east on Fifth street was hit in the side by a 1935 Chevrolet driven by James Lewis Park. Damage to the Bicknell auto was estimated at about \$200 and about \$75 to Park's car.

Charges of failure to yield the right-of-way were filed against Park as a result of the accident.

**Camp Fire Girls Held Meeting April 16; Plan Hike**

The Camp Fire girls held their regular meeting on Monday, April 16. Members were given membership cards for 1952 by Mrs. Rockwell.

The girls made plans to go on a hike Saturday at 9 a.m. and return about 4 p.m.

Members at the meeting were Sara Rockwell, Eugene Knox, Norma Jean McMillin, Mary Katherine Huckert, Rosemary Moore, Jane Lackley, Eddie Morrison, Janice Cook, Patsy Turner, a guest, Eva Jean Woolbright, and Mrs. C. C. Rockwell.

Pfc. Emmett M. Porter, who was recently shipped from New Orleans through the Panama Canal, docking a short time at San Francisco, before going to Japan.

His address: Pfc. Emmett M. Potter 279 Med. Co., Inf. Regt. 45 Inf. Div. APO 86, Postmaster San Francisco Calif.

Potter's brother, Pvt. Kenneth E. Potter, is stationed at Fort Belvoir, Va. His address: Pvt. Kenneth E. Potter, US 54039631 5 Tng. Co., Tnd. Tng. Bn. ERTC Fort Belvoir, Va.

Mrs. Ray Farmer and son, David Gene, of Dimmitt spent Thursday through Saturday here with her parents, Mr. and Mrs. Malcolm Cassels in order to have David Gene under the care of a local doctor.

## District Court Petit Jurors Drawn; Convenes on April 23

Four jury cases are scheduled for the January term of district court which will convene April 23 with District Judge Harry B. Schultz presiding. Sixty-three persons were notified this week to report for petit jury duty in connection with the cases to be tried.

Cases on the docket for this term are:  
 Elmer Jones and Elsie Jones vs. the City of Hereford, \$5259 damage suit; Jack Weldon Boone of Levelland vs. Mrs. N. W. Boone, suit on contract. Attorneys for the plaintiff are Witherspoon and Alken. Grady L. Fox of Amarillo is counsel for the defendant.

An action on the division of land is the cause of the Claire Bradshaw vs. W. F. Holmes-suit. Fourth case in the district court action is that of Norman Gray vs. D. E. Harris on a suit on a contract.

Those notified for jury duty are:  
 Iven Block, H. C. Angelo, W. H. Andrews, O. T. Bailey, Fred Barrett, Jr.  
 Ted Bednorz, Clarence Betzen, C. E. Billingslea, James E. Block, Wes Bradley.

Henry Brorman, Roger Brumley, C. V. Burges, Geo. W. Byrd, Roy Calvert.

DAWN NEWS

## Several Homes at Dawn Are Being Remodelled; Banquet Is Planned

By Bertha Frye

(Continued from page 1)

ready to go yet, he advised, but said he believes the Wyche community may have sufficient signers soon to become eligible. The original plans for the system called for 750 miles of line, but the inability to reach connecting agreements cut the mileage to the estimated 535 total. Room will be left when engineering the system to increase the capacity by 30%.

The approximate area covered by the phone service under the cooperative is from Dawn west to the New Mexico line, south to a line running east and west through Jumbo in Castro county.

Cost of construction has advanced since the original allotment was set aside for the local cooperative, Forrest said, but funds will be sought for the mileage to be constructed at the present time. A hold order will be requested on the rest of the money.

Forrest said the following number of equities (full \$50) were received in the exchange area listed:

Dawn, 127; west of Hereford, 167; north of Friona, 161; north of Bovina, 56; Oklahoma Lane (Lariat), 95.

The 239 who have paid their original \$5 but not the remaining \$45 are listed in the following areas:

Dawn, 46; west of Hereford, 72; north of Friona, 48; north of Bovina, 31; and Oklahoma Lane, 42.

Base-rate charges for the various types of service are: one-party business, \$6; two-party business, \$5.50; eight-party business, \$5; one-party residential, \$4.50; two-party residential, \$4.25; ad eight-party residential, \$4.25.

All connections other than the eight-party residential lines are termed "graded service" and carry a 50c per one-fourth mile per month charge in addition to the base rate.

Forrest said a person on a four-party line will hear their ring and one other, a person on a six-party line will hear their ring and two other rings. Eight-party line subscribers will hear their ring and three others.

Any extension will cost an additional \$1.50, Forrest said, and may be up to 300 feet. They require no additional equity.

When the preliminary work is approved by the REA in Washington, final plans and specifications will be prepared by Hasie and J. Green, engineers for the cooperative.

Directors of the cooperative are: E. C. Reinauer, Hereford, president; J. C. Morrison, Hereford, vice-president; G. H. Webb, Hart, secretary; F. T. Schlenker, Friona, Harold Carpenter, Farwell, Alfred May, Dawn, and Joe Warren, Nazareth, members of the board.

Several homes in the community are being remodeled, including the Norman Miller home south of Dawn, the newly purchased T. L. Sparkman home on the highway between Hereford and Dawn, and the Tony Burrus home north of Dawn.

A new family in the community is the Henry Miller family of Colorado who recently bought the Floyd Walton place south of Dawn. Three of the Miller children attend school at Dawn.

**Banquet Is Planned**  
Plans are underway for a parent-pupil banquet to be held at the school house Friday evening May 11.

Eighth graders from Dawn who attended the banquet at Shirley school Friday evening were Jackie Burrus, Richard Frye, Manuel Beavers, and James Airhart.

Guests in the H. H. Millard home Monday night were Mr. and Mrs. Raymond Sargent and Mr. and Mrs. Tony Burrus. Cassa furnished entertainment for the evening.

Mr. and Mrs. H. V. McCabe and Jim attended a luncheon at Conway Saturday.

The H. H. Millard's attended a birthday party at the home of Mr. and Mrs. V. D. Coltharp in Hereford Friday night.

The Dawn Music club met in the home of Mrs. Ray T. Stewart Tuesday.

Mrs. Walter Galley, Mrs. Lloyd Airhart, and Mrs. Zed Stewart met in the home of Mrs. H. V. McCabe Wednesday to do pastel paintings.

Miss Dona Airhart accompanied the H. C. Dow family to Dumas Sunday.

The Coley Arender family returned home Monday after several weeks visiting in the south.

Mr. and Mrs. Marvin Sloan and family moved to Encino, N. M., Saturday.

Mr. and Mrs. H. H. Millard were visitors in the Edgar Skypala home Saturday night.

Mr. and Mrs. Johnnie B. Caraway and children left Thursday for Hope, Arkansas, to visit the Hartland Caraways. While they are away, Mr. and Mrs. Will P. Caraway are staying at the farm and doing the chores.

A farewell party was given Friday after school dismissed for three pupils, Frank, Sue, and Nancy Sloan, who left Saturday for Encino, N. M., to make their home. Games were enjoyed after which refreshments of ice cream and cookies were served.

Dwayne Stewart is in the hospital at Canyon where he underwent surgery last Friday morning. Four of his sisters spent the week end visiting him and their parents, Mr. and Mrs. Zed Stewart. They are Mrs. Bert Robinson, of Bowie, Mrs. Wesley Owens and Mrs. J. W. Combs of Oklahoma City and Mrs. Marion Russell of Caddo. Mr. and Mrs. Boyd Stewart and children of Littlefield also visited the Stewarts.

Reserve District No. 11-D State No. 1778

### REPORT OF CONDITION OF

### Around Town

(Continued from page 1)

semester honor roll.

The annual meeting of members of the Hereford housing project will be held Saturday, April 21 in the county court room at 2 p. m., according to a notice sent out by J. K. Baker, secretary.

The Blackburn Shaw quartette entertained the Hereford Rotary club Tuesday evening in the basement of the First Christian church. The party was given for the "winners" in a recent attendance contest held by the club. Favors and confetti gave the party the proper atmosphere. A buffet supper was prepared by the Rotary Anns of the "losing" team.

The grounds surrounding Deaf Smith County hospital are being surveyed this week to gain information as to drainage and to determine costs of a project for beautification. The plan is to completely beautify the block on which the hospital is located with the city taking care of the portion belonging to it.

Friday the Garden Beautiful club, which already has funds to contribute to the project, is

sponsoring an annual tour of homes to add to the beautification funds.

Tom McFarland, secretary-manager of the Chamber of Commerce will be out of town Friday and Saturday. He is to report April 20 to the veteran's administration at Lubbock for the regular VA physical examination.

Grandma (Mrs. N. A.) Thornton, age 100, who fell and broke her hip several weeks ago, was able to be moved from the Parmer county hospital yesterday to her home 17 miles northwest of Friona. Mat Gilliland, who took her home in a Gilliland ambulance, said she was apparently doing fine and was in "good spirit". Grandma Thornton was first brought to the Deaf Smith county hospital where she spent several days before being moved to Friona.

The Hereford Riders will participate in a parade at Portales Saturday. Horses will load at 9 o'clock at Frank Craig Motor Company. The parade will form at 12:30 on State Street. Parade time is 1 o'clock. This is the first trip of the spring season for the club.

Dr. C. M. Stapp is attending

the Texas Chiropractic Society's annual congress April 20-22 at Hotel Texas in Fort Worth. Among the 16 speakers on the program will be Martin Dies, who will speak Saturday evening on "Exposing Communism in America" and Dave Palmer, whose topic will be "Paying the Piper". Palmer is the son of Col. Palmer, founder of the Palmer School of Chiropractic in Davenport, Ia.

Mrs. J. E. Beyer fell Sunday morning at her home and fractured her left leg just below the hip. Mr. and Mrs. Ed Beyer of Wichita, Kans. were visiting the Beyer home and Mrs. Beyer was serving breakfast when she slipped on a rug going back into the kitchen. The injured woman was taken to Deaf Smith county hospital where she is "getting along fine."

Based on conditions of April 1, the US Department of Agriculture has forecast Texas wheat crop of only 19,300,000 bushels, the smallest since 1936. This forecast was even below last year's very short crop of 22,712,000 bushels. An average yield of only 3 bushels per acre planted was in prospect for the 1951 crop from the 6,418,000 acres drilled last fall.

### Water...

(Continued from page 1)

petition the board to cut him out of the water district. The 21-county area includes 6,800,000 acres," McFarland said.

"Before the petition is presented to the state board of water engineers, it will go through the attorney general to set the district up in position to vote bonds and assess tax for money to be used in recharging under ground water needed in the district to replenish the water supply. To do this we are going to have to hire a special attorney, of which there are only a few in the state, to pass on this organization and on its right to tax and formulate his opinion on whether the bonds will be marketable. This particular attorney will cost a considerable amount of money, and it will be necessary to assess each irrigation well \$1 per well, which we hope will be the last money required to completely set the organization up as the High Plains Water District.

"We would urge everyone who has not paid the 1951 dues to the Deaf Smith County Water Association to do so immediately as our county shows considerable deficiency to the central organizations in respect to the other counties," McFarland concluded.

### FRIONA NEWS

#### Cattle and Hogs at Friona Show Bring \$38,000 in Saturday Sale

By Mrs. E. R. Day  
More than \$38,000 worth of cattle and hogs were sold at the auction sale Saturday, concluding the Parmer County and 4-H Club show held Friday and Saturday. The show was attended by a large crowd from various parts of the country.

The Friona FFA chapter showed the grand champion pig, and Donald Jesko of Farwell showed the grand champion calf.

Mr. and Mrs. E. R. Day and Mr. and Mrs. A. D. Smith of Farwell left yesterday for Wichita Falls to attend the annual convention of the West Texas County Judges and Commissioners Association. They plan to return Saturday.

Mr. and Mrs. Joe Brown and daughter of Midland visited in the home of Mrs. Brown's mother, Mrs. F. N. Welch. The Browns were here several days at the bedside of Mr. Brown's father, Travis Brown, who died at his home Wednesday near Farwell.

Harold Joe Wells, Marvin Massey, Lavon Rogers, Marlin London, and Ray Neil Postes were all home from Texas Tech over the week end.

The Friona senior high school choir won first place at Canyon Saturday, but did not win the sweepstakes. The choir is directed by Glenn Cunningham.

Mrs. E. R. Day was in Amarillo

on business Monday and visited with her daughter, Tila Rue, a student in the school of nursing at Northwest Texas hospital.

Mr. and Mrs. Vance Crume and daughters visited in Farwell Sunday. This was the first trip for their new daughter, Beth Kay.

Mr. and Mrs. J. W. Bohannon of Dallas were guests in the home of Mr. and Mrs. Joe B. Collier over the week end.

Mrs. Carrie Collier of Ringland, Okla., Mr. and Mrs. D. C. Collier of Amarillo, and Rayburn Collier and son of Artesia, N. M., visited in the home of Mr. and Mrs. Dave Mosley Sunday.

Mr. and Mrs. Doug Curtisinger were visitors in Roswell, N. M., over the week end.

#### Celebrate Birthdays

Mrs. C. A. Regan, Floyd Stovers of Lubbock, and Cieta Ray Stovers all celebrated their birthdays Sunday at the home of Mrs. Bertie Stovers in Friona.

Mrs. Regan was 78 years of age Sunday and had her five children with her to make it a very happy occasion.

Present were Mr. and Mrs. S. A. Ellis of Memphis, Mr. and Mrs. W. C. Regan of Clarendon, Mr. and Mrs. W. F. Wened of Dallas, Mr. and Mrs. Joe Collier, Mr. and Mrs. Tolbert Stovers and family of Friona, Mr. and Mrs. Floyd Stovers and son of

Lubbock, and the hostess.

Mr. and Mrs. Joe Collier and Mr. and Mrs. Dan Mosley had dinner in Amarillo Sunday evening with Mr. and Mrs. D. C. Collier.

Mrs. George Fesser and children of Lake City, Colo., visited in the home of her parents, Mr. and Mrs. A. W. Woods. Mrs. Fesser left Sunday for Amarillo to visit with her husband's parents.

Mr. and Mrs. W. O. Woods and family of Hobbs, N. M., visited in the home of his mother, Mrs. Walter Loveless, for several days. Al Woods, who has been here with his grandmother for two weeks, returned home with his parents.

Mr. and Mrs. J. E. Cook are in Amarillo visiting in the home of their son and family, Mr. and Mrs. Roland Cook.

A number of the Friona children have been out of school for the past week because of mumps and measles.

Mr. and Mrs. John Charles Guinn and family have moved to Hereford where Guinn is employed by the Ford Motor Co.

#### From Mexico City

Mr. and Mrs. George McLaughlin of Mexico City left on Tuesday afternoon after a short visit here in the home of her parents, Mr. and Mrs. H. M. Benefield. They spent three weeks in New York and Washington, D. C., before coming to Texas. McLaughlin is manager for an electric and power company serving the Mexico City area.

### Hospital Notes

### Street...

(Continued from page 1)

the price for which it was contracted.

Two or three other smaller jobs will be done while the crews are here, Mayor Dameron said. One will be putting in a valley drain at the corner of Second and Sampson to allow the water to flow off the intersection.

The second job will be putting in a 50-foot pavement for one-half block between the new Kinsey Motor company garage and the Hereford Laundry.

Other smaller jobs may be completed with the contractor, Mayor Dameron stated.

### Mrs. McCleskey Died Wednesday; Rites Pending

Mrs. Hazel McCleskey, age 48, wife of John McCleskey, manager of the Hereford Cotton Gin died Wednesday afternoon about 1 o'clock from a heart attack. She was admitted to Deaf Smith county hospital at 11:45 Wednesday morning.

Funeral services are pending word from a son, Sgt. John McCleskey, who is serving in Korea. The Red Cross was contacting him yesterday afternoon.

The McCleskeys have lived in Hereford three years, having moved here from Afton in Dickens County. Mrs. McCleskey was a member of the First Baptist church in Hereford.

In addition to the husband and son, she is survived by a daughter, Mrs. Rex Brown of Floydada. She had returned home Thursday from Floydada where she had been visiting her daughter.

### STEERING SERVICE

So-o-o, we've installed a brand new VISUALINER. Now you can SEE FOR YOURSELF why you're ruining your tires and why your car steers hard.

The John Bean VISUALINER shows YOU whether your car needs steering service and helps US do a faster, more accurate job of correcting the trouble.

It only takes a few minutes to check your wheel alignment on the VISUALINER.

A GROUP OF YOUNGSTERS joining the Shirley school Bicycle Safety club listen attentively Saturday as Sheriff J. C. Reese reads rules of bicycle and traffic safety to them. The youngsters all took pledges to drive their cycles safely before they were enrolled as members of the club. In the lower left corner of the photo can be seen Bob Wear, president of the Hereford Safety Council, which sponsors the clubs. In the extreme right corner of the picture is City Police Chief Floyd Reeves.—Brand Staff Photo.

**Mrs. J. V. Perrin Is Defense Chairman**

Mrs. J. V. Perrin was hostess to the Bippus Home Demonstration club Wednesday afternoon with Mrs. Herbert Hoover, vice-president, presiding. Mrs. Perrin was elected civil defense chairman for the community.

Mrs. E. K. Pinnell called the roll call which was answered by each member selecting a subject from the yearbook.

Mrs. Perrin gave the lesson and demonstration on sewing, after which she gave suggestions on correct posture. The council report was given by Mrs. Herbert Hoover.

Present were Mesdames Herbert Hoover, J. V. Perrin, C. F.

Rickels, E. K. Pinnell, Tom Cotton, J. B. Fortenberry, and Miss Christine Fortenberry. The next meeting of the club will be April 25 at the home of Mrs. E. K. Pinnell.

**Eighth Birthday Is Celebrated**

Gregory Combs was honored on his eighth birthday recently when his mother, Mrs. L. W. Combs, entertained with a party at the Combs home, 607 Park avenue.

A Hop-A-Long Cassidy theme was used with western decorations predominating. Horses and riders marked the refreshment table and favors were Hop-A-Long badges.

Those sharing in the celebrations were Leldon Wombie, Jimmie Jackson, Stephen Wolfe, Mike Kelly, Wesley Pearch, Robert and Ronnie Bell, Charles Page, Edgar Beavers, Billy Luck,

Richard Combs and the honoree, Miss Geraldine Robertson spent two days this week visiting her sister, Mrs. John Allen, at Friona.

**Troop 50 Court Of Honor Held Monday Night**

Advancement awards were presented to members of Scout Troop 50 in a court of honor held Monday night at the Scout hall.

Bill Phillips, commissioner, had charge of the presentation. He was assisted by Gerald Wilson, leader of the troop.

Five second-class awards and one tenderfoot award were presented to: Glenn Pierce, Bert Cagle, Walter Kaul, second class awards; and Bill Combs, a tenderfoot award. Ray Conway, troop advancement chairman, and Guy Lawrence, activities chairman, also presented awards.

**Personals**

Mrs. O. R. Brooks and daughter, Cherry, left Saturday morning for Phoenix, Ariz., after spending about two weeks here with Mrs. Brooks' parents, Mr. and Mrs. Virgil Merrill. Mrs. Brooks' husband a first sergeant in the air corps, has recently been transferred to Phoenix.

Sunday guests of Mr. and Mrs. C. R. Lady were his parents, Mr. and Mrs. O. J. Lady of Kress.

Mr. and Mrs. Jimmy Jesko of Black and Mr. and Mrs. Robert Kershner of Hereford spent Sunday.

Scouters not present to receive awards were: Jimmie Sears, Wheeler Sears, Ralph Morrison and Reid Moore. The awards will be presented at a later date.

day in the parental Edd Jesko home.

Mr. and Mrs. Joe Smith and children spent the week end in Silverton visiting his parents, Mr. and Mrs. Joe H. Smith.

Mrs. Woodrow Ireland is scheduled to return home today from Tyler where she has been visiting relatives.

Mr. and Mrs. Worth Ware and children returned last Thursday evening from Somerville where Mrs. Ware and children visited her parents while he tended to business in Dallas and Houston.

**CARD OF THANKS**

I want to thank the doctors and nurses for the wonderful care I received while in the hospital. Also my many friends for the beautiful flowers, cards, and

other expressions of love. May God be ever with you.

Meet Don Boles. I have been telling you about his whiskers. Boy, he really has them. The above picture was made at a Clovis, N. M., Pioneer Day celebration a few years back—and I believe he has more whiskers now than in his youth. Besides, it's not every day that a newspaper man gets to make a monkey out of a radio man. Understand they put Don in a cage for the Clovis Pioneer Parade. Maybe it would be a good idea to do the same thing here.

Everywhere people are still talking about the MacArthur affair and now that the General is back on U. S. soil a new flame has been lighted under the seething cauldron of public opinion. Very few people seem to think Truman made a wise move. However, quite a few people do think that there is more to the story than has been brought out.

The MacArthur affair was the topic of general conversation at the Panhandle Press Meeting in Amarillo last week end. One of the editors, an old army man said, "There is a right way a wrong way and an 'army' way to do things; I think this should be handled the army way: Let them both out!" He is maybe right, too. Anyway, MacArthur has already been relieved of responsibility and if we had an election tomorrow I am sure that Truman would likewise be out. Lots of usually calm people are getting fighting mad.

Several jokes were making the rounds at the Press meeting this year. One has it that in Washington the customary statuette of the three little monkeys with hands over ears, eyes, and mouth, have been improved

with a fourth monkey who keeps his hands behind his back. The legend has been changed to read: "Hear no Evil; See no Evil; Speak no Evil—and write no letters."

Sam Nunnally is fighting mad. Sam has dog trouble. He's a small fellow, but he really wants to fight. Here's what he says: "If the person who put out the poison on 'E' Street, causing the death of several dogs, mine included, has the guts to tell me who he is I promise that I will do my best to beat the hell out of him—and this ain't one of Harry Truman's letters..."  
Sam Nunnally.

Somehow, I can't seem to get off the subject of politics. I was talking with Nell Spradley the other day and I think she must have been trying to impress me about her tender, youthful age. Nell said that she cannot remember when any other party but the Democrats have been in office. I wonder how many thousands of Americans are in the same shape? I was talking with J. T. Guinn, who is also unhappy about the present Washington situation. He says, "Well,

we have no one but ourselves to blame."

Do you remember Orr's Tailor Shop? A lot of people do. Maybe they could use this as a test to whether you are a real pioneer or not. Anyway, the tailor shop has been gone a long time, but the sign still remains on the building, occupied by Brooks Barber Shop and Acme Cleaners. The Phil Barclays have been doing some remodeling on their residence, the old Boardman place, and turned up five aluminum tokens, round and about the size of a silver dollar. Four of the tokens are from Orr's Tailor Shop, each good for \$1 on various articles, including suits, overcoats, or \$20 in trade, etc. The fifth was issued by L. W. Hough, Dodge, Essex, Hudson dealer, and was also good for \$1 on a \$20 purchase.

Understand that Worth Covington is leaving the Tax Assessor's office to join the staff of Rodgers Grain Company at Dawn. He will continue to make his home here, however. Worth has been with the county for six years. He has made some mistakes, of course, but all in all has done a good job for the people of the county. He is courteous, friendly, and efficient.

H. E. Miller was by a while back with a release from his company stating that farm machinery will be scarce. The item cited Secretary of Agriculture Brannan as urging all farmers to place orders for new farm machinery and repairs at the earliest possible moment; it also urged them to pay particular attention to keeping their old equipment in repair. Other dealers have similar stories. Maybe it's propaganda. Maybe not. Anyway, it would be well to talk over probable needs with the implement dealer of your choice.

Here's a letter about whiskers: Noticed in Sunday's paper that Elmer Patterson's beard has made rapid growth since I saw him Thursday night. He must have taken his daughter's advice and started using VIGORO.

Of course I'm ready to shave mine off, Elmer. You haven't "passed me" in two weeks like you boasted you would. However, since you are so discouraged I will keep my whiskers and give you more time. They don't bother anybody but me! Just who are these women your whiskers are bothering? Nobody

is fussing about mine! Wilburn Axe.

Here is a release from Associated Press: Texas AP Supplemental Service.

Dalhart, Tex. March (AP) — This West Texas town is going to abandon the traditional tennial hat and other cow-country styles temporarily. As a stunt to publicize Dalhart's Golden Jubilee Party May 25-26, a thousand men will wear headgear of 50 years ago-derbies. 3-19-51

**Drury...**

(Continued from page 1) of Cross Plains, Mrs. Lucy Berry of Baird, Mrs. Ida Duncan of Odessa, Mrs. Susie Riggs, Mrs. Adam Ford of Canyonville, Ore., and Mrs. E. E. Hooks of Chowchilla, Calif.

Interment was in West Park Cemetery under the direction of Gilliland Funeral Home. Mr. and Mrs. Roy Robertson had as Sunday guests, their children and families, Mr. and Mrs. Bernice Graf and daughters, Roy Jean and Cherry Dee, of Levelland, and Mr. and Mrs. LeRoy Robertson, Elaine, Wayne, and Gene, of Hereford.

A THOROUGH INSPECTION was given the bicycles of Hereford youths seeking to join the Bicycle Safety Club sponsored by the Hereford Safety Council last Saturday. This picture was taken of the Central school youths. They can be seen strung out along the sidewalk to get their cycles inspected. Sheriff J. C. Reese is shown inspecting a cycle while Police Chief Floyd Reeves follows his progress on the check sheet.—Brand Staff Photo.

# The Hereford Brand

Hereford, Texas, Thursday, April 19, 1951

Section Two

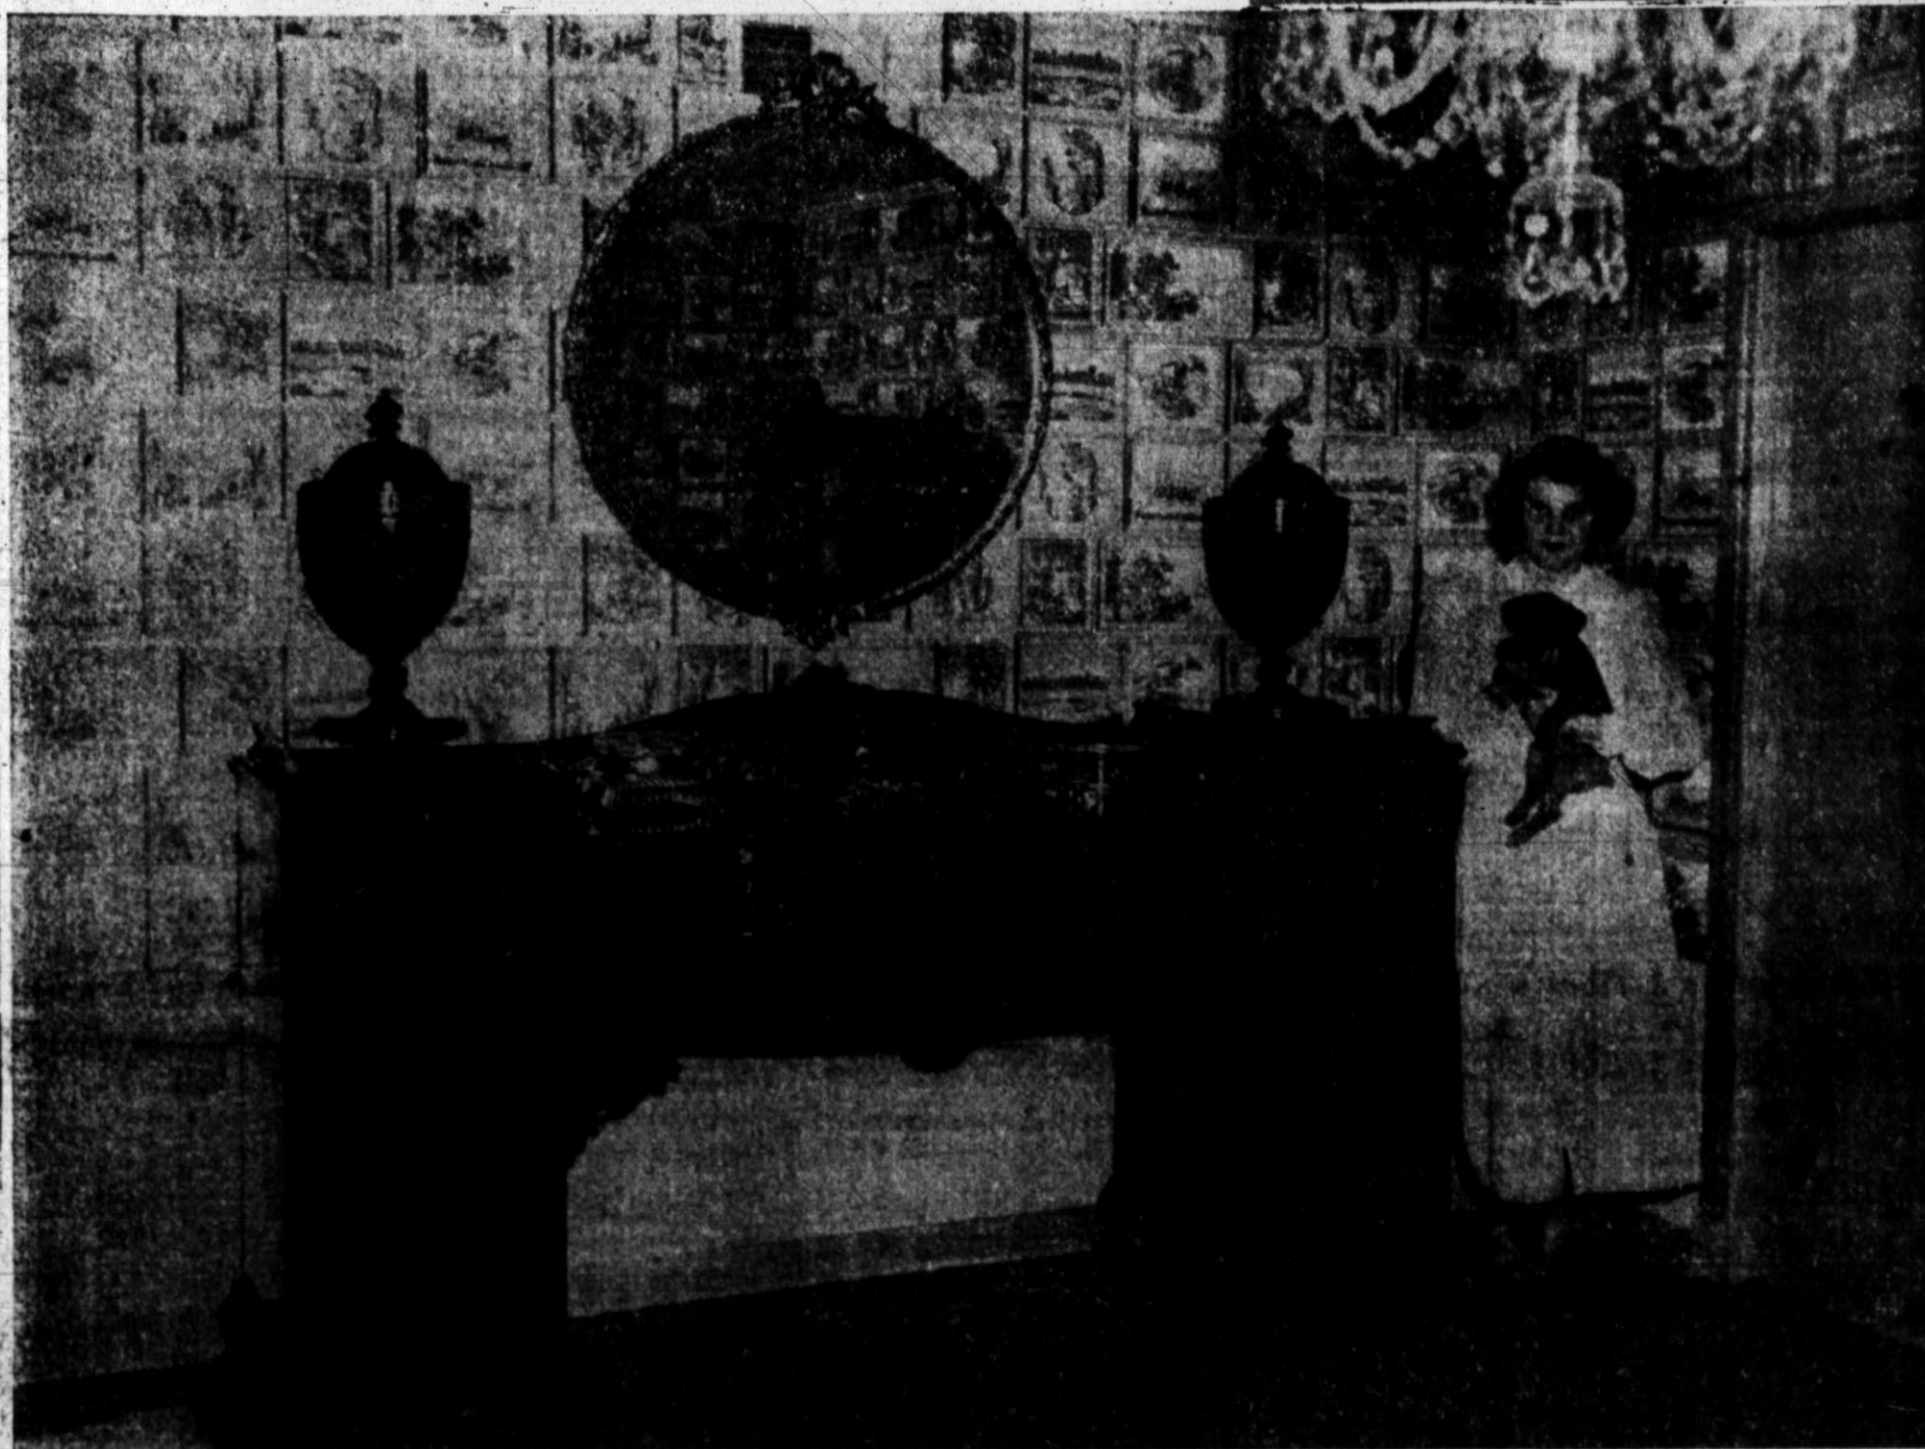

## Garden Beautiful Home Tour

The annual tour of homes in Hereford, sponsored by the Garden Beautiful club, will be held Friday, April 20 from 2 p.m. to 6 p.m. Seven of Hereford's newest homes will be opened for the public with the club members serving as hostesses at the homes. Proceeds from the tour will go toward the club project—beautification of the Deaf Smith county hospital grounds. The homes to be shown on the tour—in their order of touring—are: Ralph McCullough home on Texas avenue; W. L. Davis Jr. home at 135 N. 9th street; Dr. L. B. Barnett home on Harrison highway; Jimmie Allred, 129 Avenue D; Richard Barnard, 212 Avenue B; Francis Hardwick, corner Star and Park; and LeRoy Aven, 200 Star street. Visitors will go from room to room in the homes. Each room will have a floral decoration to blend with the room itself and its particular decor.

EIGHTEENTH CENTURY furnishings of the Richard Barnard home at 212 Avenue B carry out the modified colonial type exterior. Walls are painted green and wall-to-wall carpets are tone on tone silver green. The pastel rose, green, violet, and green floral colors in the gray faille draperies are repeated throughout the living room in upholstery fabrics. Their four-year-old daughter, Kathryn Nell, is shown seated in the winged-back tapestry chair. Hostesses at the home will be Mesdames W. J. Stanford; E. W. Solomon, Joe Reinauer, and Helen Pipkin.

—Brand Staff Photo

IN THE FRANCIS HARDWICK home located at Star and Park streets, visitors will see arrangements to suit both formal and informal tastes. Birch is used throughout and the antique, traditional, and modern furniture are combined to give a pattern for gracious living and entertaining. The picture shows the dining room which repeats the grays, soft greens, and shades of rose used in the living room. Antique black mahogany furniture is in unusual design with chairs upholstered in rose antique satin and draw curtains in rose Bemberg gauze. Their daughter, Joan, is shown with her Boxer puppy. Serving as hostesses will be Mesdames J. W. Kirby, Frances Houston, Carl Perrin, and R. B. Minshall.—Brand Staff Photo.

COMPLIMENTARY COLORS are used to create a harmonious atmosphere at the LeRoy Aven home, 200 Star street, where tour will be concluded. Simplicity is noted in the treatment of the bay window (shown in the picture) in the living room. The double-hung cottage curtains of beige casement cloth are framed with moss green floral print draperies. Walls and ceiling of dull olive green are complimented by rose-beige carpeting. Furnishings are a combination of Early American and 18th Century. Eleanor, the teen-aged daughter, is relaxing on the divan. There to serve as hostesses will be Mesdames Aven, O. M. Dickey, and Bruce Rose.—Brand Staff Photo.

### NORTHWEST HEREFORD NEWS

#### Cultural Club Entertains Families At Childers Granary Friday Night

By Mrs. R. C. Childers

Members of the Cultural Home Demonstration club and their husbands and families enjoyed an evening of entertainment in the granary on the R. C. Childers farm Friday night.

The group played 42 with Mrs. A. C. Hershey winning the traveling prize.

Pie, coffee and punch were served to Mr. and Mrs. Paul Corbett, Mr. and Mrs. A. C. Hershey, Mr. and Mrs. R. N. Cooke, Mrs. Leona Packard, Leroy Packard, Mr. and Mrs. Marti Mason. Boys and girls attending were Bonnie Lewis, daughter of Mr. and Mrs. Art Lewis, Paula Beth Corbett, Jan Cooke, Marvin Hershey, Dickie Bob Mason, Patricia Hershey, Carolyn Cooke, Robert Allen Cooke, James Corbett, Ronald Corbett and members of the R. C. Childers family.

Renfro Dairy, one of the most modern in this part of the country, has the combine type milkers. The milk is never seen until it is in the can. It runs through a cooler and is ice cold by the time it runs into the can. The dairy barn holds 20 cows. Four men are kept busy, three in the back and one in front. They are milking about 100 cows.

Raymond Childers Jr. spent Sunday in the Jim Clark home visiting their son, Leaton Clark.

Sue Cooke and Patsy Childers, who are FFA girls, attended an FFA meeting Friday night at the high school building.

Wheat is being plowed up all over the country, especially on the land that blew so badly during our recent storm. Paul Corbett is having his deep plowed by Bill Wallace, contractor.

Mr. and Mrs. Art Lewis have bought the Edd Adams place east of them on Harrison highway. They don't plan to move until school is out.

Raymond and Patsy Childers attended the concert of Henry L. Scott Monday night at the high school auditorium.

Mrs. A. A. McNeill of Canyon was a guest in the home of Mr. and Mrs. R. C. Childers Sunday. Monday, Mrs. McNeill and her son, Cortez McNeill, returned on business spending most of the day. Mrs. McNeill, a widow, has one of the finest sections of land on the rim of the canyon 25 miles south of Canyon. She operates the farm herself, with the help of her youngest son, Cortez McNeill. She is 60 years old and still drives the tractor all or part of the day, rides horses and does anything that comes her way on the farm. At present she is in the process of plowing up her wheat, and preparing the land for row crop.

Mrs. Stan Nelson was a guest of Bettye Jean Staylor Monday afternoon and evening.

Cultural Club will meet in the

home of Mrs. Grady Parsons Friday, April 20, for a luncheon and regular business meeting, immediately following the luncheon. This is a very important meeting as our dresses will be fitted that day. Following the meeting, the group plans to make a tour of the homes.

**Attend Funeral**  
Out-of-town relatives and friends here for the funeral and reburial of Pfc. Clyde H. Whitaker Friday were Mr. and Mrs. C. L. Welborn, Mr. and Mrs. L. F. Smith and daughter, Rosemary, Mr. and Mrs. James Pre-witt, and Mrs. Johnnie Warren, all of Fort Worth; Mrs. John Farmer and Mrs. Lawrence McManus of Newport, Mr. and Mrs. Virgil Miller, Mrs. Erma Lee Mascari and children, and Mr. and Mrs. Donald Gaetz, all of Wichita Falls, and Mr. and Mrs. Dick McMahon and Mrs. Pendleton of Dimmitt.

## Model Railroading as Hobby is Fascinating, Creates Diversion

By Dr. M. C. Adams  
(This is the first of several speeches by members of the Hereford Toastmasters Club which will appear in The Brand - Ed.)

What is it that makes railroading in the miniature so interesting to man? Is it because he likes to play with trains—or is there some deeper significance in the pursuit of this ever growing hobby?

Men who do mental work during the daytime seek relaxation after hours by making something with their hands, while those who work with their hands for a living seek diversion by thinking out inventions. In all of us there is the desire to create, build, and direct something that is our very own. The models we build are our air castles made real. By adding action to the picture, as we do with a model train, life is imparted and we rule a world in miniature.

Because human nature makes us all different, there are many angles to the development of this hobby and each of us, regardless of his makeup, can find something to invite his interest. Once aroused we are soon enticed to delve deeper, and the further we go the more interesting it becomes. In truth, there is no sport that offers more thrills, surprises, and problems than model railroading.

A question that is frequently asked is, "What is the difference

between a toy railroad and a model railroad?" It is not a difference of equipment nearly as much as a difference in purpose. A toy railroad is laid down once or twice a year and operated for amusement, just to see the trains go round. A model railroad has a definite location, a plan for its continuation, and is operated with a purpose. This does not mean that a railroad must be made a permanent fixture never to be taken up or changed, nor that everything be built exactly to scale. Model railroading should be looked upon as a project for spare time activity.

The word "model" has two broad meanings. First, it is reproduction in miniature or something larger, or a pattern which something else is to be built. This definition implies duplication of all details so the model may be a realistic copy of what it represents. The second definition compares a piece of work with an ideal. Thus we say, "A Model City", meaning a city not built in miniature size, but one containing all the elements of a well designed and planned city. With this broader definition in mind we may design and develop our own ideas without handicapping our work by copying every detail found on the real railroads. It is this digression from reality that stimulates the imagination and develops ingenuity.

Model railroading is divisible into five types of work, each of which is of special interest to some who engage in the hobby. In fact very few people are equally interested in all branches. With some it is a matter of development, and the center of interest shifts as the hobby grows. The divisions are: Track building, locomotive or motive power, rolling stock, signals and control, and scenery.

Those who are interested in trackwork build extensive systems, work out complicated track patterns and create yards and terminals.

The man who builds a locomotive will have some prototype in mind which he desires to see in miniature. Or he may build several locomotives just for the fun he gets out of this type of construction. Some may have a large collection of motive power of all kinds before they possess even a single foot of track;

MEET WAYNE STARK, head basketball coach and assistant football coach at Hereford High where he teaches world history and driver's education. This is his second year to teach in Hereford. A graduate of the University of Tulsa, Stark plans to start work on his master's next summer. —Brand Staff Photo.

others buy enough track to form a small loop just to have something for their locomotive to operate on.

Building cars of all types is a form of construction engaged in by those who find the work of building a locomotive too much for their initial effort. This activity does not require the outlay in tools, in time, and cash that a locomotive does, yet it has its intriguing features. A railroad must have cars, so it matters little if they built first or last. Sometimes a car is built while resting up from other work, for diversion. There are so many kinds of cars in service that a study of types is a hobby in itself.

One cannot signal and control a railroad until he has at least some track, a locomotive or two, and a few cars. Those who find this phase of the hobby most interesting will purchase their track and equipment, and spend their effort in working out signaling and control systems. A yard and lead is all the track needed by these men to have fun. They would rather make up and break trains than build equipment. To see the signals change from green to red and yellow while a lone engine circles round and round a simple loop is fascinating to this group. New remote control features from time to time add to the sport.

The artistically inclined turn to building scenery. It may be just a background of panorama before which a train is run, or it may be a mountain with tunnels. Some go in for building villages, industrial plants, or landscapes. To them, the track and train is merely a spark of life that gives action to the setting.

Another group may be interested in sound effects. They like to hear the whistle, the bell, the rattle of the conductor's cry "All Aboard". And so it goes. Each has his own interest, yet railroading in miniature is the common point around which everything else revolves.

But after all, the greatest satisfaction of this hobby comes in working out a well planned and carefully executed program. If you are going to be a real model railroader, you must appreciate the problem of the big rail-

## Home Demonstration Club Activities

**Ford H D Club**  
Ford Home Demonstration club met in the home of Mrs. Ceel Cayton Wednesday, April 11 with Mrs. George Epling in charge of the meeting. Miss Hilda Both directed recreational activities.

Plans were made for a special program on Farm Safety to be held at Ford School on Wednesday night, May 2 at 8 o'clock. A civil defense chairman was appointed by the club and plans were made for members to attend first aid courses in Hereford.

Mrs. Henry Browning led a discussion on posture and correct ways of walking and sitting. Mrs. Herman Both will be hostess for the next meeting on May 18.

Refreshments were served to Mesdames Henry Browning, George Epling, Hardy Benson, Herman Both, Miss Hilda Both and the hostess.

**WESTWAY H D CLUB**  
Westway Home Demonstration club members were given a demonstration on fitting a dress by Mrs. Tom Draper, CHDA, at a meeting held Wednesday afternoon in the George Turrentine home. Mrs. Al Werner was co-hostess.

During the afternoon Mrs. Werner told how to make and amend motions and Mrs. Elvin Wilson and Mrs. Bess Gill were welcomed as new members. Committee reports were heard and during the social an "April Shower" was featured with members exchanging gifts.

The next meeting will be held on April 24 in the REA offices where a demonstration on deep freezing will be presented.

Refreshments were served to Mesdames C. A. Sawley, Elmer Combs, Joe Wagoner, Harold Rudd, Joe Paetzold, Paul Rudd, P. B. Sowell, C. M. Phelps, Mack Jackson, Joe Landers, Kenneth Rudd, Leo Ohlig, A. A. Drager, Tom Draper, B. B. Northcutt, G. C. Merritt, J. C. Morrison, R. L. Wilson, John Hays and the hostess.

roads and make your miniature system mean something and go places. Read what the railroads are doing, observe them while passing them or riding on them, and you will keep young in your play just as you have been told to keep young in your work.

## Troop 51 Will Compete in Scout Field Day Events

Members of Boy Scout troop 51 and their leaders, Wendell Burdine, David Miles, and Harold Loerwald, will represent Hereford at the Boy Scout Field Day at Camp Don Herrington on April 20 to 22.

Twent-four troops from Llano Estacado council are expected to attend the field day, which will feature contests in various scouting skills.

Including in those are: flag-jack flipping, water boiling,

friction fire-building, first aid, compass, signaling, knot-tying, artificial bait-casting, archery, rifle marksmanship, tent-pitching, nature trails, and others.

A camp fire will be held on Saturday night at which time each troop will give a demonstration. Church services will be held Sunday.

Just before the field day camp breaks up, a mystery event will be held. Each troop will select

its outstanding member to represent them on this activity.

All competition at the field is against pre-set standards and ratings for each contest will be given. The troop with the most class A ratings will be awarded a cup. General excellence in making camp will also determine points for winning.

This is the first time in many years Hereford has had representation at the field day, and is

the first time that an entire troop has ever entered the events.

Included in the group of troop members who will be able to make the trip are: Joe Easley, Wallace Ford, Edward Vought, Bobbie Viegel, Donald Seigel, Billy Reinauer, Billy Woodford, Jack Rogers, Monte Roe, Lynn Bye, Lewis Diggers, Larry Slaughter, and Wayne Worley. Other members of the troop may decide to go later, according to Wendell Burdine, scoutmaster.

Bill Phillips, leaders of Explorer post 51V, will make the trip with some of his members, who will assist in running events.

Pvt. Francis Hunt, who is stationed at El Paso, spent the week end here with his mother, Mrs. Eunice Hunt.

# Here's where You come into your own

Once in a while, any man is entitled to let himself go.

He's entitled to that glow of pride that comes from feeling like the very important person that he really is.

He's entitled to take practical steps to make his dreams come true.

In short, he's entitled to own a ROADMASTER, and particularly a ROADMASTER as it is custom built for '51.

For this great automobile is more than big and roomy and distinguished in its styling.

It's more than sweetly willing in performance, and superbly poised in stride.

It does things to you, when you let yourself sink deep down in the subtle softness of its cushions, and run a caressing hand over the fine texture of its fabrics.

This is everything a fine car should be!

Of course, this brilliant performer is Fireball powered. It is cushioned by coil springs on every wheel. It provides, at no extra cost, the complete relaxation of Dynaflow Drive. It has durable and dependable sturdiness engineered into every mechanical part.

But the best is yet to be told. When you check the ROADMASTER price list, you'll find that the car of your choice can be yours for hundreds of dollars less than you'll pay for others with comparable reputation.

Come in soon and see this buy of buys in the fine-car field.

Equipment, accessories, trim and models are subject to change without notice.

When better automobiles are built Buick will build them

# Long Time Ago

45 Years Ago

Vega News: The outlook for a large wheat and oat crop is very favorable. John Burch has something over one hundred acres of oats that will beat anything in the way of oats.

Responsive to a call made in the Brand a few weeks ago, the sheep raisers of Deaf Smith and Castro Counties met at the court

house in this city on last Saturday afternoon to consider question pertaining to their mutual good. What prompted the meeting was the smooth way in which the wool growers were induced to dispose of their wool last season by agents representing some of the northern houses.

It was thought best to form a permanent organization which was done with the following officers elected: J. P. Carr, president; W. H. Gilbreath, vice-president; J. T. Rutherford, secretary; B. G. Ramey, assistant secretary; W. S. Dixon, treasurer.

Hereford is filled with home seekers today. Wednesday's and Thursday's excursions bringing them in in large numbers. While it is almost impossible for them to be shown the country owing to the continued heavy rains, yet it is believed they will remain till the country can be seen and that much trading will result.

Few people who have not taken the pains to investigate do not realize to what magnitude the sheep industry of this immediate portion of the Panhandle has grown. By an accu-

MEET MRS. CHARLOTTE N. CALVERT, Hereford High volleyball coach, whose teams have made a good record in their many games this season. Teacher of general science and Spanish; Mrs. Calvert sponsors the Spanish club and co-sponsors the freshman class. Coach Calvert received her bachelor's degree from the School of Technology, Weatherford, Okla., and her master's degree from West Texas State last summer.—Brand Staff Photo.

## FRIO NEWS

### Mrs. Frank Robbins Entertains Frio Club; Mrs. Cole Is Honored

By Mrs. Owen Andrews Mrs. Frank Robbins was hostess to the Frio Homemakers club Wednesday when the program was on "The Making of Draperies".

Mrs. W. A. Springer, using a scrapbook belonging to Mrs. Earl Springer of Hereford, discussed and showed illustrations of making draperies. She also talked on the subject of cancer. Mrs. H. F. Benson displayed samples of drapery materials from Itasca Mills.

Present were Mesdames Glenn Gripp, E. F. Vogler, W. A. Springer, Gene Noel, H. F. Benson, Henry Doober, Henry Andrews, E. H. Little, Robert Simpson, and the hostess.

The next club meeting will be at the home of Mrs. Spicer Gripp on April 25 when the program will be "Hope You Sleep Well", a program concerning bedsprings and mattresses.

Mrs. Olin Parris spent from Monday until Friday at Tahoka where she was called by the illness and death of a girlhood friend, Mrs. Mozell Richard, who had been ill since 1947. Mrs. Richard died on Thursday. Mrs. Parris' sister, Mrs. Yandell, also spent some time there.

Mr. and Mrs. Robert Simpson and Nellie Jo had as guests recently their cousins, Mr. and Mrs. Bill James of Amarillo. He

remained with the Simpsons to do the interior decorating in their new home.

John Simpson went to Dallas last week to undergo treatment for gonorrhea.

The children of Mr. and Mrs. Hill, who recently moved from San Antonio to the Olin Parris farm, have been ill. Two small daughters have pneumonia and are in Deaf Smith county hospital. Mrs. Hill has also been ill, and the Hill's other child, a son, has tonsillitis.

Mr. and Mrs. Leonard Irwin and children visited the Dowdys at Tulla Sunday.

Mr. and Mrs. C. E. Roberts of Wellington visited their daughter, Mrs. Robert Simpson, and family during the week end.

**Surprise Dinner**  
The children of Mr. and Mrs. Earl Cole honored Mrs. Cole with a surprise birthday dinner Sunday at the Floyd Cole home. Present were the Thurman Gales, the Shearheart family, Mr. and Mrs. Cole, and the Floyd Cole family.

Mr. and Mrs. T. L. Sparkman Sr. visited his father, G. W. Sparkman, and other relatives at Amarillo Sunday.

Mr. and Mrs. Ed Peacock of Wildorado and Mr. and Mrs. Leo Renfro had dinner Tuesday with the Mobleys.

Frank Robbins were her parents, the F. Y. Moremans, and Miss Lyla Robbins. Afternoon visitors were Mr. and Mrs. Orville Edwards and children of Hereford.

Wade Thompson of Tech spent the week end at home with his parents.

Mr. and Mrs. J. E. Warrick and Herb Schmidt spent Saturday night and Sunday at Wellington visiting the Warrick children.

Mrs. H. D. Robbins and Lyla went to Dimmitt Sunday afternoon to see Mr. and Mrs. W. S. Dixon. They report Mr. Dixon was in fairly good condition despite the fact he fell Saturday. He did not receive any broken bones.

Charles Springer and Veradell Andrews were eighth graders from this community attending the banquet at Shirley school Friday night. Mrs. W. A. Springer helped with the serving and Miss Genelle Benson helped with the program.

**Plan Red Cross School**  
Mrs. W. A. Springer has received word that plans are being made for a Red Cross school for rural women to give 20 hours of training. The school

### Guest Recital Open to Public Friday Evening

Special Guest Recitals, a program by members of the North Texas State College School of Music, will be presented in Hereford at 8 o'clock Friday evening at the high school auditorium.

Presented by the music clubs of Hereford and Dawn, the recital includes musical performances by Leota Vincent, soprano; Mary Nan Hudgins, pianist and harpsichordist; Mary Kathryn Miles, and David Jones, tenor. Dr. Walter Hodgson, dean of the NTSC School of Music, will be commentator.

Varied musical periods and composition types comprise the program to be presented by outstanding student artists.

is to be conducted at Hereford with one woman from each community having the privilege of attending if she will teach a similar school in her own community. Anyone interested should contact Mrs. Springer.

Charter No. 5604 Reserve District No. 11

Location: Legion Park

rate census taken by our sheep raisers this week it was learned that there are between 11,000 and 12,000 sheep in Deaf Smith and Castro Counties. We are informed that on an average each sheep will yield 9 pounds of wool, which at 20 cents per pound, would give a total income of \$19,800 from our 11,000 sheep. This added to the increase in the flock would likely increase the total revenue to about \$35,000.

G. W. Brumley shipped nine car loads of hogs from Hereford last week. Most of the hogs went to California and Fort Worth. In the lot was one hog that weighed 1000 pounds.

All superstition is being defied by E. W. Harrison, in his rush to complete his 50,000 bushel capacity elevator in time to take care of the bumper wheat crop which is now in sight. It was exactly thirteen minutes past eight on last Friday when work on the new elevator started.

Mr. Harrison's big elevator collapsed at exactly 13 minutes past eight o'clock Christmas night of last year and it was Friday at that. The faithful old clock which had registered the time in his office since 1917 stopped when the crash came. The minute hand pointed to thirteen.

Visual instruction, along with textbook and laboratory work, is

being carried on in the Hereford High school and is proving a great success, according to Supt. C. H. Dillehay.

L. P. Landrum has just finished planting several acres in fruit trees and berries on his property near the nursery. Should this good work be kept up for a few years, Deaf Smith County can furnish all the remainder of the Panhandle with the choicest fruits.

25 Years Ago  
P. B. Fuqua of Amarillo, former Hereford boy, was killed in an airplane crash at the army aviation field, San Antonio, last Friday.

CONG. ROGERS REPORTS

President's Action Not Grounds For Impeachment Proceedings

My office has received approximately 100 telegrams signed by approximately 150 people. I have also received approximately 100 letters and about 15 personal telephone calls concerning the action of the President in relieving General MacArthur of his command. Out of all these communications there were approximately five that approved the action of the President. Almost all the others demanded the impeachment of the President. Dean Acheson and various other civil officers. These communications came from the 18th District. I had other communications from outside the District totalling approximately fifty. These were divid-

ed in approximately the same ratio. The offices of other congressmen have also been flooded by these communications, most of them expressing heated disapproval of the President's action in this respect. This overwhelming expression of the sentiment of the people affords an excellent opportunity for any man in public office to play politics and to appeal to the aroused emotions of the people. Many have succumbed to this temptation and are attempting to use this serious situation as a political football. This I can not conscientiously do, as indignant as I might feel about the action and as aroused as my emotions might be under the circumstances. If there was ever a time in the history of this country when cool, calm and collected deliberation was needed in Congress, it is now. I sincerely regret that the action was taken and I pray to God that our position and our way of life will not be jeopardized by it. General MacArthur is an outstanding military genius. This no one can deny, not even the President. He was a military official, and under the Constitution and laws of our Government he was and is subject to the orders of the civilian officials. However erroneous, however unsound or mistaken those orders might be, they are not grounds for impeachment. The American people are entitled to know the truth as it is written in the law and the Constitution.

SCHAFFER PLOW

The easy pulling plow that pays for itself.

MILLER OLIVER CO. HIGHWAY "60"

SAM-NUNALLY If the artist responsible for the above cartoon, in his explanation, Sam says, "President Truman, through an extension of the defense production act, wants the authority to pay subsidies to keep higher raw material costs from being passed on to the consumer. . . . A man smart enough to be president is surely smart enough to know better than this. . . . Where would he get the money to pay a subsidy if the money was not first collected from the consumer in the form of taxes? . . . The only thing I can figure out is that he thinks we are too dumb to see the fallacy of this. . . . However, I suppose we encouraged his thinking along this line when we voted for him in 1948."

The provision of the Constitution providing for impeachment of the President, Vice-President and other officers, Article II, Section 4, is as follows: "The President, Vice-President and all civil officers of the United States shall be removed from office on impeachment for a conviction of treason, bribery, or other high crimes and misdemeanors." The order of the President relieving MacArthur of his command was within his constitutional powers, and cannot stand alone, constitute grounds for impeachment under the Constitution. If the President of the United States, or any other civil officer, is guilty of any act that comes within the provisions of the above quoted Section of the Constitution, impeachment proceedings

should be instituted without delay and prosecuted forthwith. I can tell you that every act of the President of the United States since his induction into office has been thoroughly and searchingly examined in an effort to discover grounds upon which impeachment proceedings could be instituted, and the same is true of Dean Acheson and the other public officials in the Administration. There is no doubt that such proceedings would have been instituted long ago had any evidence been uncovered that would meet the requirements of the Constitution. If there is a citizen of the United States anywhere who has any evidence upon which a public official could be impeached, it is his bounden duty as an American citizen to come forward with it and let the law take its course, let the chips fall

Heiselman Home Demonstration Club Met Thurs

The Heiselman Home Demonstration club met on April 12 with Mrs. Leonard Erwin as hostess. The meeting was called to order by the president, Mrs. C. G. Richardson.

Mrs. Tom Draper was in charge of the demonstration which was dress fitting. Four club members had their dresses ready for fitting.

Mrs. Henry Kinsey was appointed defense chairman.

Refreshments were served to Mesdames Tom Draper, C. G. Richardson, George Doherty, E. L. Brown, Henry Kinsey, one visitor, Mrs. Erwin of Amarillo, and the hostess. The next regular club meeting was changed from April 23 to April 24 on account of the district meeting at Dalhart on

April 26. The meeting will be with Mrs. Jimmy Fangman at 2:30 p.m. Mrs. Henry Kinsey, reporter.

On Vacation Trip Mr. and Mrs. Lon Taylor left Saturday after attending the wedding of her niece, Miss Helen Ann Pitman, and John A. M. Whorley, and visiting with her mother, Mrs. J. H. Pitman, and other relatives here. They went to Austin for a brief visit in the city and to Houston where they spent a couple of days with his relatives. From there they went to New Orleans and joined the group making the Azalea Trail. They plan to return to their home in Louisiana, Mo., in a week or ten days.

"I got the story on 50,000 Miles-No Wear and changed to New Conoco Super Motor Oil"

says H. T. Fitzgerald, Newspaper Man, St. Louis, Missouri.

"YOUR NEW '50,000 MILES-NO WEAR' OIL is the best we have ever used," says George M. James, Manager, Metro Motors, Ford Distributors, Murray, Utah. "We use Conoco Super in all our demonstrators and recommend it highly to new car buyers."

"50,000 MILES-NO WEAR!"- PROVED HERE: After a punishing 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence. . . . in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that new Conoco Super, with OIL-PLATING, can make your car last longer, perform better, use less gasoline and oil.

"I'VE USED MANY DIFFERENT BRANDS of oil, but was never satisfied until I heard the story of '50,000 Miles-No Wear' and changed to new Conoco Super," writes Ben F. Taylor, Traveling Salesman, Fort Worth, Texas. "Now I get greater savings in oil consumption and more gasoline miles to the gallon."

UNSURPASSED in the 1/2- to 2-ton truck field!

TALK about power! These great new GMC's are unsurpassed in horsepower in the 1/2- to 2-ton field—power to keep hauling years longer! But new engines are only part of the story. From the rims up, these GMC's are truck-engineered to stay young throughout the uncertain years ahead. You get proof in feature after feature from individual models—things like wider Twin-Action hydraulic brakes, heavier axles and longer "pillow-action" springs.

Yet extra quality is standard GMC equipment. You pay no "extras" for such things as easy-turn steering with recirculating ball-bearing action, the Ventipane-controlled ventilation of the Weather-sealed "Six-Footer" Cab-Turbo-Top pistons that develop higher power without "knock" even when using standard-grade gasolines!

So come in. Select from the widest range of engine-body-chassis combinations, 9 smart new colors. Drive out in a rugged '51 GMC! You'll know-it will take you farther, cost less to run—because it's built to last like the big ones!

Get a real truck!

**Housewarming Honors Mrs. Axe; Brother of Jumbo Residents Dies**

Howard Bishop, accompanied by N. L. Wesson, made a business trip to Colorado last week. Mr. and Mrs. M. L. Simpson and Mr. and Mrs. F. E. Clowdus were in Amarillo Thursday night attending the annual Borden Milk company party.

Mrs. Clayton Devin of Happy visited in the Fred Axe home over the week end.

Rev. J. R. Sharp of Canyon was a visitor in the Simpson home on Thursday. Mr. and Mrs. Jack Buster were Amarillo visitors Monday.

**Housewarming**

Mrs. Fred Axe was surprised Thursday afternoon when a group of friends called to give her a housewarming and see her newly decorated home. Bringing gifts were Mesdames W. E. Clowdus, F. E. Clowdus, Howard Bishop, M. L. Simpson, Sr., A. D. Borden, Jack Buster, Glen May, F. A. May, Clayton Devin, and T. E. Brock.

Mr. and Mrs. A. D. Barden were guests of Mr. and Mrs. C. P. Wortham Tuesday night. The Worthams, who formerly lived in this community, are parents of a new daughter.

Mr. and Mrs. F. E. Clowdus, Lynn and LaNelle, were week end guests of friends and relatives in Altus, Okla.

Mrs. Ben Medley, Mrs. Aubrey Epperson, Clarence, Harry and Harvey Smith, were called to Albert, Okla., last Tuesday by

the sudden death of their brother, Y. Y. Smith. They were accompanied by Mr. and Mrs. Lee Parker and Mrs. Dan Allen and son, Mrs. Bert Turner, a sister from Long Beach, Calif., came home with them for a short visit.

Mr. and Mrs. G. C. Pope and son were Fort Worth visitors this week. Their daughter, Shir-

ley, was a guest in the John Walton home while they were gone.

Mr. and Mrs. M. L. Simpson and Mr. and Mrs. A. D. Barden were visitors to the Plainview Dairy show Friday.

Mr. and Mrs. J. H. Brock and daughter of Floydada were week end guests of Mr. and Mrs. T. E. Brock.

Little Linda White successfully underwent a tonsillectomy on Saturday.

Refreshments of birthday cake and homemade ice cream were served to Connie and Linda Renfro, Diane and Darlene Wilson, Bessie Jo and Cherry Ann Blevins, Ronnie Downey, Mrs. Lee Renfro, Mrs. Elvin Wilson, Mrs. Eunice Hunt, and Karen and Sheila Jo Baize.

**MORRIS COBB REPORTS**

**Texas Legislators Face Problem Of Writing New Tax Legislation**

The House of Representatives has been confronted with four major issues of the 52nd session during the past week. The constitutional amendment removing the ceiling from the state old-age assistance provisions was passed and sent to the Senate for confirmation. Before this legislation becomes effective, it must be submitted to a vote of the people of the State at the next general election.

The House of Representatives later took up for consideration the highly controversial Anti-Slot Machine bill. Considerable debate developed on the floor of the House, and several crippling amendments were proposed and defeated. The result was that the Bill was passed out in its original form, making it illegal for any person or any organization in the State of Texas to manufacture, own, store, keep, sell, rent, lease, or possess any type of slot machine.

The rural road program received the favor of the Lower House by the approval of House Bill 669. This Bill levies a tax on natural gas that would reportedly bring in some \$30,000,000 in revenue. This sum would be distributed one-half to rural roads, one-fourth to the permanent school fund, and one-fourth to the regular farm-to-market road program included in the biennial Appropriations Bill.

The fourth major issue under consideration was the Omnibus Tax Bill. This proposal re-enacts a wide class of revenue-producing taxes which are already being collected by the State of Texas. It is merely a two-year extension of our current major tax program with certain increases and adjustments.

The Legislature is still faced with the proposition of levying a brand new multi-million dollar tax bill to finance its obligations during the ensuing two-year period. Though many suggestions have been made, as to possible sources for raising this revenue, neither House has taken any positive action towards putting the idea into written tax laws.

## DIGGIN' DIVOTS By Jim Terry

Sweet victory! We are really starting the year off right with a 12 to 1 win over Tulla. We really steamrolled them. Unfortunately, Urlin Sireu was the only victim of the opposition, losing to Ernie Dowell 3-2, but we can't win every match, eh Urlin? Some of the fellows suggested that instead of headlining "Hereford Wins" we should make it "Streu Loses" because it's really news when Urlin loses a game.

Individual results were: Wayne Phillips had Claude Shelton 3 holes down with 2 to play, J. M. Posey 2 up over John Atterberry, Don Martin 2 up over C. W. Ritchey, Stan Barrett 3 over Chink Tucker, Robert Lingerfelt 4-3 over Paul Webb, Bill Davis 5-4 over Cliffie Blackard, John Channer 5-4 over B. White, Purk Gilbreath 1 up on the 19 hole over Bob Goodwin, Joe Butler 3-2 over T. S. Furlow, Bill Howard 6-4 over Pete Hardy, Earl Stagner 3-2 over R. I. McCune and Frank Latimer

3-2 over S. A. Duckworth. All of the above winners were awarded a new golf ball. May 6 is the date of the Clovis meet where there will be plenty of opposition for all the Hereford players who wish to participate.

Attention all Lion-clubbers in District 2-T-1! A golf tournament will be held here in connection with the convention on May 1. Prizes in the championship flight (low score, no handicap) will be a handsome trophy. Runner-up will receive six golf balls.

In the handicap flight, the winner will receive a dozen golf balls; second place, eight golf balls; third place, six balls; and fourth three balls.

Bring your certified handicaps from your local pro. Any one person may compete for both the championship and handicap flight prizes.

If enough women are interested, we will have a ladies' flight

### Criswell Issues Uniforms to 37 as Spring Football Practice Begins

Thirty-seven prospective Whiteface gridgers have reported for spring drills which began April 12. Coach Dalton Criswell said Monday. This is the first spring the seniors have not been called to work out for the drills. Sophomores outnumber the others with 24 reporting for work-outs. Seven juniors and six freshmen are out for the practices.

Nine of the returnees are lettermen and three are reserve lettermen. Names of the boys reporting for practice are: (L-Letterman; RL-Reserve letterman.) JUNIORS — Duane Jannsen L; Harold Martin L; Randolph Thomas L; Paul Rettman; Ray Graham L; Bill Kelly L; Joe Woolery.

SOPHOMORES—Burl Fish L; Tim Corbett L; Dale Winger RL; Raymond Dement L; Gene White; Franklin Boyd L; Pat McCullough; Ray London RL; Paul Schroeter; Pete Wilson; Bill Bookout RL; Gene Dickson; John Boyce; R. L. Layman; Bob Higgins; Marshall Wilson; Herman Hund; Kit Sanders; Charles Whitehead; Bennie Pierce; Lester Irwin; David McDuff; Terry Kirby; Richard Tucker. FRESHMEN—Ray Dean Axe; Phillip Sharp; Lloyd Brooks; Carroll Jones; Charles Quattlebaum; Aubrey Self. Practice will end May 10, Criswell said.

of nine holes only. Just received a letter from Ted Young, one of Hereford's most popular golfers, who is living temporarily in Los Angeles. He said to save him a spot on the letter of players. Hurry back Ted, that California money is as good as any other. Ted reports that he is very glad to see "Diggin' Divots" back in the paper.

Now that the ladies have organized, I am sure that we will have some Scotch Foresomes soon.

REMEMBER May 2 is the day when all the pros in the West Texas-New Mexico Golf Association will be here to play a Pro-Amateur match. We will need all of you or hand to participate regardless of what you shoot. Golfingly Yours, Jim T.

### Kalmikoff, Trudell Win Match; Sledge Out After Second Fall

The preliminary bouts in Saturday night's Lions wrestling card at the Bull barn failed to create the excitement that the main event—an Australian tag team match—did.

In the opener, Benny Trudell, of Montreal fought Newcomer, Billy Hickson of Nashville, Tenn. to a draw. In the semi-windup, the Russian from Rosstov, Ivan Kalmikoff, lost to Billy Sledge when Kalmikoff was disqualified after 12 minutes for roughness.

Both preliminary bouts were one-fall, 20 minute time limit affairs.

In the main event, the four were pitted in the tag team match with Trudell and Kalmikoff opposing Sledge and Hickson. For Trudell and Sledge, the bout was a grudge affair, growing out of their match from the previous Saturday.

The winner-take-all event was for two out of three falls, with a one hour time limit.

Sledge and Hickman won the first fall in 10 minutes after all four combatants were in the ring at the same time. The four grapplers were laid out on the floor like a giant star and Sledge and Hickson each putting a leg split on the two members of the opposite team. Sledge and the Tennessean lay feet to feet, each with a leg.

In the second fall, Trudell took the fall after he and Kalmikoff alternately worked on

Sledge, knocking him all but unconscious with three turnbuckle slams and a backbreaker over the knee by Trudell. Kalmikoff and Trudell had Sledge in the corner and tagged each other into the ring to give Sledge the works for the second fall.

Sledge had to be carried out of the ring and was worked on for 15 minutes by Dr. Strapp, local chiropractor. Sledge's partner, Hickson, asked the referee for five minutes to allow his partner to be revived, but the request was denied.

Hickson took on both Kalmikoff and Trudell then. Kalmikoff took his towel and tried to choke Hickson down with it. Hickson got the towel from the Russian and turned the tables on him, choking him down.

It took both Kalmikoff and Trudell five minutes to subdue the game Hickson after using body slams to wear him down. Hickson said after the bout that he went back into the ring because he didn't want the crowd to think him a coward.

Hickson asked for a rematch next Saturday, winner-take-all. He said he would bring a partner and take on the two again.

Mr. and Mrs. Garret Fox and little daughter of Lubbock were week end guests of her parents, Mr. and Mrs. H. E. Henslee. Mrs. Fox is the former Miss Betty Sue Henslee.

### Get behind the wheel of the easiest handling truck you ever drove!

### New DODGE "Job-Rated" TRUCKS

EXCLUSIVE 1-1/2 gal Fluid Drive  
Available on 1/2, 3/4 and 1-ton models. Makes driving easier with marvelously smooth performance. Cushions against shock and strain, saves on upkeep, and lengthens truck life.

NEW! Shorter turning diameter!  
A new Dodge "Job-Rated" truck will make a sharper turn — maneuver into tight places easier — park with less trouble — save you time and driving effort on every trip.

NEW! Warm-and-roller steering gears!  
Now you get safer, easier steering. New steering gears on most models give you positive control. Driving is more comfortable, too, thanks to the new, improved steering wheel position.

NEW! 4-speed Synchro-shift transmission!  
Four-speed now available on 1/2, 3/4, 1-ton models, as well as 1 1/2- and 2-ton. 3-speed Synchro-shift transmission standard on 1/2, 3/4, 1-ton... 5-speed standard on 2 1/2-ton, available on 1 1/2- and 2-ton.

What "Job-Rated" means to you...  
A Dodge "Job-Rated" truck is engineered at the factory to fit a specific job, save you money, last longer.  
Every unit from engine to rear axle is "Job-Rated"—factory-engineered to haul a specific load over the roads you travel and at the speeds you require.  
Every unit that SUPPORTS the load

Now Dodge brings you important new ease-of-handling advantages—along with all the ease-of-handling features that have made Dodge "Job-Rated" trucks the choice of champion truck drivers from coast to coast!  
These new trucks are amazingly easy to maneuver. They bring you all the proved advantages of cross-steering, wide front tread and short wheel-base. And you get the extra handling ease of Synchro-shift transmission—plus steering column gearshift on low-tonnage models.

—frame, axle, springs, wheels, tires, and others—is engineered right to provide the strength and capacity needed.  
Every unit that MOVES the load—engine, clutch, transmission, propeller shaft, rear axle, and others—is engineered right to meet a particular operating condition.

See for yourself! Come in and drive an easier handling Dodge Job-Rated Truck

The ladies of the church meet on Wednesday afternoon at 3 o'clock at the church for Bible study. Mid-week services are at 8 o'clock on Wednesday evening.

Christian Science Services are held each Sunday morning at 11 o'clock in the Star Theatre. All who are interested are invited.

That Jesus' Atonement furnished an example whereby mankind in every age can work out their salvation is the theme of the Lesson-Sermon entitled "Doctrine of Atonement" to be read in all Churches of Christ, Scientist, on Sunday, April 22.

The Golden Text is from I Timothy, and reads, "There is one God, and one mediator between God and men, the man Christ Jesus; who gave himself a ransom for all, to be testified in due time." Jesus said of his followers, "My sheep hear my voice, and I know them, and they follow me." (John 10:27).

Rev. S. E. Eldridge made the following regular announcements for the Assembly of God Church: Sunday—radio program, KPAN, 7:45 a.m., 1:00 p.m.; Sunday school, 9:45; morning worship, 11:00; young peo-

### Services Held Wednesday for Mrs. E. D. Myles

Mrs. Elvira D. Myles, 84, of Elida, N. M., a long-time friend of the V. O. Hennen's, died Sunday morning at 3 o'clock at the Hennen home here. She had been in ill health more than a year and had been cared for by Mrs. Hennen since November 1950 when she moved to Hereford.

Funeral services were held on Wednesday afternoon at 2:30 at the First Baptist Church in Elida under the direction of Rev. Bynum. Burial was at Elida under the direction of the Wheeler Funeral Home of Portales, N. M. Mrs. Myles and her husband, who died more than a year ago, had lived in Elida 35 years engaging extensively in ranching as well as in business. Mrs. Myles was a member of the Unitarian Church.

Survivors include a niece, Mrs. Lura Butler of Elida; one sister, Mrs. Emma Ayers of Wenauche, Washington, and one nephew, Forrest Clemons of West Virginia.

ple's meeting, 6:45; evangelistic service, 7:45. Mid-week service is at 7:45 Wednesday evening, and the Women's Missionary Council meets at 2 o'clock on Thursday afternoon.

Regular Sunday morning services are conducted at St. Thomas Episcopal church at 8 o'clock with church school being held at 10 o'clock.

Practice for the puppet show continues at 7:30 each Wednesday evening.

"A Nation Under the Threat of War" will be the subject of the sermon by Rev. E. Lichtsinn at Immanuel Lutheran church this Sunday morning. The hour of worship is at 11:30 a.m. Sunday school and Bible class convene at 10:30 a.m. under the direction of George Tiesel, superintendent. The children will study the Bible story titled, "The Good Samaritan." A filmstrip will illustrate the story.

In the afternoon the Sunday school workers will attend a Sunday School Worker's Institute at Trinity Lutheran Parish Hall in Amarillo. On Wednesday evening at 8 o'clock the Teacher's Training Class will conclude its study of the booklet, "Directing the Learner".

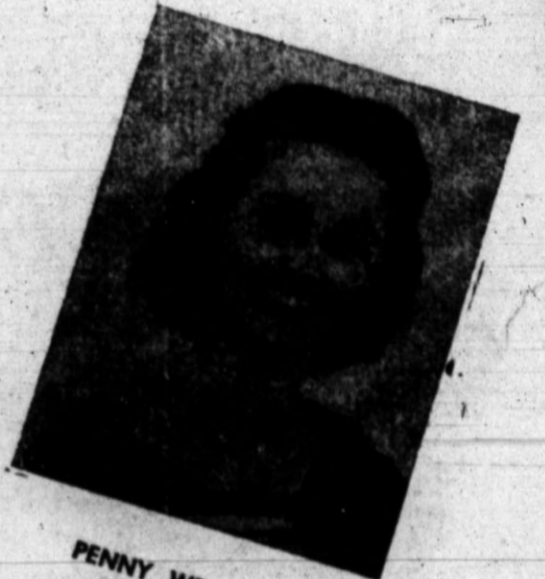

Beginning Saturday, April 21, the Lutheran churches of Hereford and Friona will sponsor the devotional each Saturday morning over KPAN at 8:45. This program has previously been heard on Wednesday afternoons.

**ELECTRIC COOKING**

As you read this advertisement keep in mind that there are less than 60 days before June 21st, the first day of summer. The days are already showing signs of the summer heat to come. Think now of your kitchen. Will cooking be cool? Will it be a pleasure? Or will excess heat from present cooking methods cook you instead of the food. Electric cooking is cool... there's no unwanted heat. All heat is transferred to utensils. Keep cool when cooking. Enjoy yourself and stay refreshed. Cook electrically.
