

denis expressed their appreciation to the Hereford merchants for the advertising in their school annual and presented a copy to the Chamber of Commerce.

St. Anthony's Guild will have a bake sale at Hunter's grocery Saturday, May 19.

All persons interested in playing softball are asked to be at the high school softball diamond Monday night at 6 p.m. An effort is being made to organize a team and possibly a softball league in Hereford. All interested contact Jerry Drennan or Leland Alderson, or be at the high school diamond Monday.

Virgil P. Hennen, son of Mr. and Mrs. V. O. Hennen of Here-

ford, has been promoted to metalsmith, third class, after passing an examination. He will work in the repair department aboard the submarine tender USS Sperry, which is currently providing services to submarines in the San Diego, Cal. area.

A Hereford sailor, Benjamin F. Davis, a seaman, son of Mr. and Mrs. Leonard Davis, is serving aboard the Navy's attack cargo ship USS Leo, attached to Service Squadron Three which is supplying United Nations warships in the Far East.

Mrs. J. W. Dickerson, RN, is in Amarillo nursing Mrs. T. M. Brady, formerly of Hereford, who is ill at St. Anthony's hospital.

A delegation of eight persons

represented the Hereford Jaycee club Tuesday night at Tullia for installation of officers. Those going were: Mr. and Mrs. Dick Lucas, Mr. and Mrs. Harold Loerwald, Mr. and Mrs. Bill Howard, and Jim Terry and Bob Lindsey.

Five members of the Hereford Lions Club paid a return visit Wednesday to the Canyon club. Those who made the trip were: John McLean, Robert Thompson, Gib Howard, Dub Reeves, and Alex Thompson.

Pete Cowart former secretary-manager of the Hereford Chamber of Commerce, is scheduled to leave for overseas duty about June 1. Mrs. Cowart and the two Cowart children will return to Hereford about June 10. Capt. Cowart has been stationed at Fort Hood, Texas.

Capt. Alma Paetzold is coming home Thursday to visit her family here before leaving for Germany on June 20. She recently has been stationed at Fort Lewis, Wash., and is transferring to Camp Cooke, Calif. Capt. Paetzold returned to the States a year ago from Japan.

This fish story has to be accurate—the Hereford Chamber of Commerce in cooperation with the Hereford Hardware Company has announced a prize to the fisherman from Deaf Smith County who catches the biggest fish this season, regardless of where he makes the catch.

Entries should be made to Monte Baker at Hereford Hardware who will display photos of the biggest catch.

All merchants are requested

to save cardboard boxes for the boy scouts to use in their clothing drive for foreign relief on May 26. The boys will pick up the boxes if the merchants will call D. C. Kinsey, 740, or Jack Kirksey, 656. Housewives who gather up clothes for the boys may furnish their own boxes, if convenient.

Three price specialists from the Office of Price Stabilization will be in Hereford Thursday, May 17, to explain the federal pricing program to businessmen of the area.

Beef regulations will be explained Thursday night at 7:30 at Jim Hill Hotel, and the specialists will schedule an afternoon session to discuss other regulations. The Hereford Chamber of Commerce urges merchants of this area to take advantage of the opportunity.

Harold Easley was named to

the board of directors of the Hereford Riders at the meeting of the organization Thursday night when Ed Johnson, Donald Henslee, and Homer Brumley were voted into the club.

The Brand editor can no longer be called "Champion Bullthrower" of the county. Tom McFarland started bawling over the loudspeaker Friday just as the Hereford caravan drove past a herd of 30 or 40 holsteins on the highway near Rosedale, N. M., and the entire herd was so impressed, they followed the caravan right into town.

In both Rosedale and Adrian, school was dismissed long enough for the students to join in the fun with the caravan. At Rosedale the high school stu-

Annual Spring Clean Up

MONDAY-TUESDAY-WEDNESDAY

THREE IMPORTANT DAYS FOR THREE IMPORTANT REASONS

Health Protection Fire Prevention Beautification

1. Are you interested in improving sanitary conditions as a protection to health and life, that of your own, your family and your community? Are you interested enough to do something about it?
2. Are you interested in fire prevention measures to protect your property from destruction, that of your neighbors and your community? Are you interested sufficiently to do something to help accomplish that purpose? Did you know most fires could be prevented? Did you know our fire loss determines the insurance rates you pay?
3. Do you care how your home, your place of business or other property looks? How do you rate in CIVIC PRIDE -- above average, average or below average? It is not what you say but what you do that determines an answer to that question. Take a good look at your property -- other people are looking at it.

Every good citizen is not only interested in all three of the above reasons for clean up week -- but will do something about it.

Hereford is known as one of the cleanest towns in the Panhandle. Many visitors during the Lions Convention complimented our city in this respect. PIONEER CELEBRATION will bring hundreds of visitors to Hereford. We must be ready for them. There is much we need to do. Please everyone unite in this most worthy undertaking.

Please pile up your rubbish on Monday and Tuesday. City trucks will haul off on Wednesday.

PROPAGANDA BATTLE IN BERLIN—Latest weapons of the cold war in Germany's capital include match boxes and balloons, used in propaganda offensives and counter-barrages. The match cover, left, is one of many which were smuggled into Berlin's West Sector by Communists. On it are inscribed the words: "All Strength for the FDJ (Communist youth organization). . . . Willing to Work and Defend Peace." The balloon at right is one of hundreds released by anti-Communist Berliners bearing the letter "F" for "Freedom," and the words: "FDJ for whom are you marching?" Anti-Red leaflets are attached.

Westway Club Tours Points Of Interest

Privately was in order as 14 members of the Westway Home Demonstration Club met at Hotel Jim Hill for lunch and tour of inspection last Tuesday. Entertainment was furnished at the luncheon by Mesdames Elmer Combs and C. A. Sauley. The ladies went through the hotel kitchen, then proceeded to the Hereford Brand office where employees explained the process of getting the paper out twice weekly.

TO SWEDISH POST — W. Walton Butterworth, above, assistant secretary of state, was named by President Truman as U. S. ambassador to Sweden, replacing Ambassador H. Freeman Matthews. Butterworth was strongly attacked in Congress while in charge of the State Department's Far Eastern division.

The delegation then went in cars to the local cannery to watch the canning of potatoes. Each one present was given a can of potatoes at the completion of the tour.

Next on the list was the radio station where all the intricacies of broadcasting were explained. After returning to town and going through the county jail, the ladies went to Jaycee Park where watermelon was served.

Members who participated were Mesdames: Elmer Combs, H. H. Millard, Joe Wegener, Mack Jackson, C. A. Sauley, R. L. Wilson, Merlin Knoll, Grace Little, G. C. Merritt, Paul Rudd, A. A. Drager, Harold Rada, Kenneth Rudd and S. A. Duckworth.

From The Grandstand

By Wilbur Martin Associated Press Staff Did you bag a duck last hunting season? Well, most hunters did. They killed 18,500,000 (18 1/2 million) ducks in the 1949-50 season, a million and a half more than the previous year. Albert M. Day, director of the U. S. Fish and Wildlife Service, says the liberalized hunting regulations accounted for the increase. He also noted there was a decrease of about ten per cent

In the number of nimrods, down to 1,647,000.

Day's office has just released some interesting statistics on the last hunting season.

The office checked 87,127 kills and 25,600 hunters contacted after the season closed.

The Service found: States in the Pacific flyway had 24 per cent of the hunters and 23 per cent of the kill. In 1948 this flyway had 19 per cent of the hunters and 27 per cent of the kill.

The central flyway states had 24 per cent of the hunters and 18 per cent of the kill, a reduction of three per cent in hunters but an increase of four per cent in kill compared to the previous season.

The Mississippi flyway states had 42 per cent of the hunters and 46 per cent of the kill, representing a one per cent increase in hunters and a five per cent increase in kill over 1948.

The Atlantic flyway states had 12 per cent of the hunters and 12 per cent of the kill. In 1948 they had 13 per cent of the hunters and 10 per cent of the kill.

ASTHMA
CASE NO. 481: A lady, aged 31, weight 87 lbs., suffered with Asthma for six months following a severe attack of influenza also complaining of chills, aching in body, hay fever, nervousness, female trouble, pressure feeling in lower abdomen, and pains in right ovary extending up to ribs, in bed several days a month, frequent colds, dizzy spells, rapid heart, low pressure, under continuous care of family physician and getting gradually worse all the time. Although advised against chiropractic she feared she would die unless she did something different, so she came to the Chiropractic Clinic for a spinal analysis and spinal X-rays.

She began her fight back to health under our care. She now keeps her home, cares for her children, holds a job in business, weighs 120 lbs. and is free of symptoms. She continues periodic check-ups to remain well for she never wants to lose again that glorious feeling of being healthy and full of life.

LOW BLOOD PRESSURE
CASE NO. 2013: A young mother, age 32, after being treated three times a week for a year without results, came to the Chiropractic clinic complaining of a pressure feeling inside her head. "Feels like the top will blow out," she said, "then it will itch and tingle, and then my entire back tingles painfully. Nose stops up all the time. Eyes burn and feel sore above them, and the back of my head and my neck feels sore. I feel tired all the time and have weak spells. Have frequent colds, dizzy spells, indigestion, gas bloating, constipation, and low blood pressure. Generally speaking," she said, "I've been sick most of my life." The spinal examination and spinal X-ray located a spinal subluxation. It was corrected by adjustments. When the patient was discharged she said she felt perfectly well, full of life and vigor, and not a single complaint remained.

IRREGULAR PERIODS
CASE NO. 879: A lady of 28 years had not felt well for three years suffered with back pains, catarrhal dripping in throat, irregular periods and bad cramps, and would grind teeth at night. She came to the Chiropractic clinic where a spinal nerve analysis and spinal X-rays disclosed nerve interference and defective energization of several areas of body. Corrective adjustments began to restore alignment, removing nerve flow interference and patient was prompt to report a feeling of general good health.

Average Wheat Yield Is From Six Bushels Down

By Mrs. N. A. Brown Brand Correspondent

Harvest in our community is in progress. Some few farmers are through cutting but several have just begun. The average over the community is from six bushels down.

Mrs. T. J. Poindexter and Mrs. W. H. Clements were visitors in Hereford Saturday and attended the THDA meeting in the County Court room using their influence to help elect Mrs. Roy Pruitt as one of Deaf Smith County delegates to the annual Texas Home Demonstration meeting to be held in Big Spring August 23-25. Mrs. Roy Pruitt was elected as delegate No. 2 of which we are all proud and wish to thank all the other clubs who helped us elect her.

Mr. Dwight Raue of Farmington, N. M. is here this week helping harvest his wheat and visiting his parents, Mr. and Mrs. J. E. Raue.

Mr. Fritz C. Waechter of Pampa is here this week while Mr. John Northcutt is harvesting wheat on Mr. Waechter's place 32 miles west of Hereford.

Mr. and Mrs. S. N. Thwaitt made a trip to Leveland Wednesday. While there they visited Mrs. Thwaitt's father, J. R. Hagan and her sister, Mattie Lou Hagan.

Mr. and Mrs. J. T. Guinn are building a new three bedroom home. Plans are that it will be finished August 1.

Mrs. J. Guinn's mother has bought a new two bedroom home and moved it to Mrs. Guinn's where she plans to make her home. She has been living in Higgins. Mrs. Guinn is glad to have her mother near her.

Work is started on building the new elementary school building. Thompson spent at home with her husband, Charles Murry, during summer school.

King is spending her sister and

husband, Mr. and Mrs. Eldred Brown.

Breaking Wheat Land Mr. Nolan Chandler and Mr. Charlie Gummels are helping the Brown brothers break their wheat land this week. Mr. W. L. Patts of Bellview, N. M. visited his daughter, Mrs. N. A. Brown and her family Thursday.

Mr. and Mrs. C. F. Rickels were guests Sunday of Mr. and Mrs. Roy Pruitt in honor of Mrs. Rickels' birthday and Father's Day. Mr. and Mrs. Edwin Morrison and children visited Mr. and Mrs. Roy Pruitt and daughters Sunday evening. Mr. and Mrs. Curg Northcutt and Mrs. Davis of Miami, Florida visited Mr. and Mrs. Elmer Northcutt and children last week end. Mr. and Mrs. Elmer Northcutt and children attended the family reunion at the home of Mr. and Mrs. Ralph Northcutt and daughters of Bellview, N. M. Sunday. Attending the family reunion were Mr. and Mrs. J. H. Northcutt and their children and their families. Mr. and Mrs. Bertram Jack and daughters spent the week end in Floydada visiting Mrs. Jack's parents and family. Mrs. Josie Busley and sons, Carol and Doyle and daughter, Norma Joe spent the week end in Lubbock visiting relatives and friends.

Husband of Former Hereford Girl Dies Funeral services yesterday afternoon were held in Amarillo for Donald M. Wyatt, husband of a former Hereford resident, the former Miss Wanda Wilkinson. Mr. Wyatt died while at work at an insurance office in Amarillo. Blackburn - Shaw Funeral chapel was the scene of the final rites in Amarillo.

A home freezer also enables one to take full advantage of sales on frozen foods and to buy a goodly supply of choice meat when it can be found. Home-makers living on farms will find a home freezer of immeasurable use. However, in order to take full advantage of the new mixes, frozen products and a home freezer, there must be an organized plan of procurement. Don't make the mistake of stocking any product that loses its taste through age. Read all labels and buy accordingly. Read articles on frozen food storage and on variations possible with the new mixes. An egg added here and a bit of sugar there may make a big difference. Experiment on your own and be surprised at the delightful results possible. Read carefully the directions that always come with a deep-freeze unit. This is very important for anyone wishing to get the maximum usefulness from a unit.

VFW Beats Amarillo Team; Play Umbarger Here Today

Hereford VFW warmed-up for the Sunday Central Plains league game with Umbarger on the Veteran's Park diamond with an easy 9 to 7 win over Jones Con-

struction company of Amarillo Thursday night. Johnny Winkler held the visitors to one hit, while numerous errors let in most of the runs. John Renner will take the mound against Umbarger Sunday afternoon.

Hereford got off to big eight run first inning and got another in the second to end their scoring for the evening. Jones-Con-

struction got one run in the fifth and four in the sixth before ending their scoring with one more in the seventh.

Hecher, the visiting pitcher, only gave up seven hits to Hereford, but walks and errors hurt him.

hamsters (both on the Texas diet were caries-free. There were approximately 40 per cent more carious teeth, and approximately 50 per cent more carious surfaces, in the group fed New England corn and milk. Both these differ-

ences were studied statistically and found to be significant at the one per cent level. It is evident that the area in which foods are grown may affect the prevalence of dental caries.

To the extent of the experimenters' knowledge this is the first controlled comparison of the cariogenic effect of the same foodstuffs produced in different soil areas.

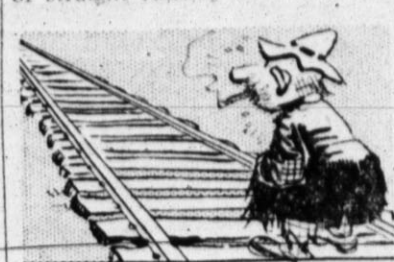

They plan further research and believe it will reveal whether the corn, or the milk, or both were responsible for the differences noted, and investigations are planned to isolate and identify the anti-caries or cariogenic factor.

They also reserved an additional 800 pounds of the same type of corn from the same farm for further experiment.

Hudson Business Coupe Has Extra Luggage Space

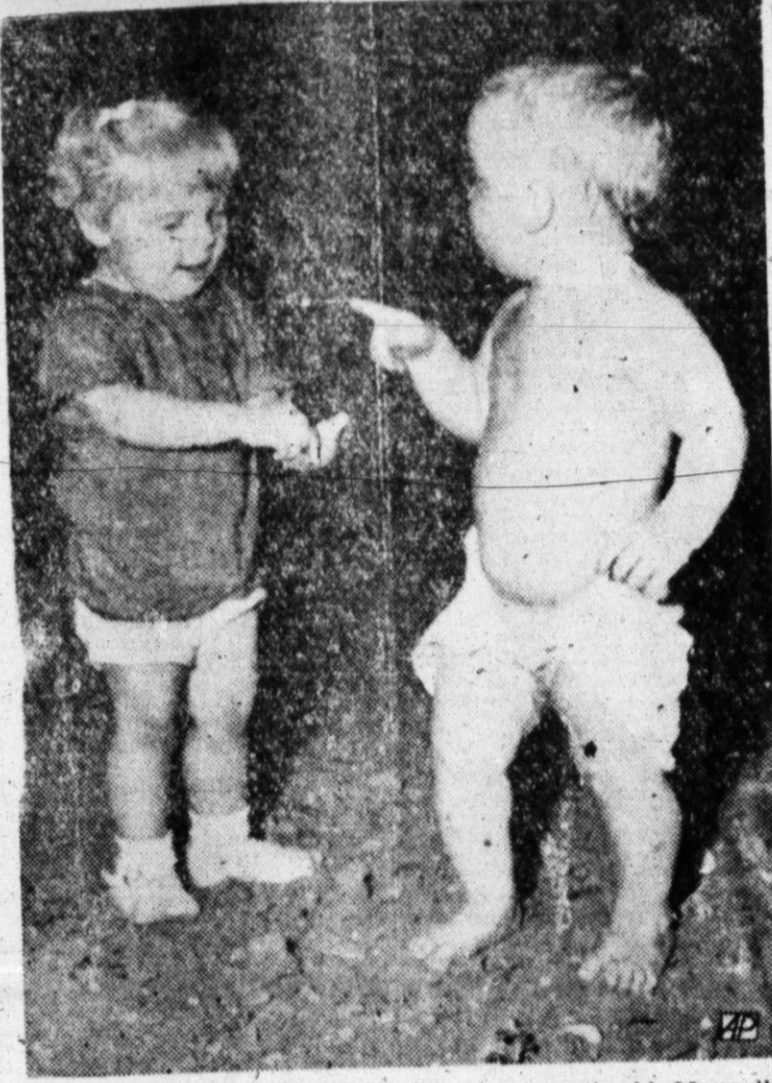

Two new features provide extra space for businessmen's sample cases or luggage in the new 1950 Hudson Pacemaker three-passenger business coupe. A hinged panel behind the rear seat separates the regular trunk luggage compartment from the car interior, allowing ready access to the trunk for loading or unloading from the inside in addition to access from the outside through the trunk lid. An unusually large space behind the seats also is provided. This added to the trunk compartment area provides a total of 66 cubic feet of convenient, usable space. Pacemaker business coupes, with Hudson's exclusive "step-down" design, have a wheelbase of 119 inches and an over-all length of 201 1/2 inches. They are powered by a new high-compression, 112-horsepower Pacemaker six-cylinder engine, and are available in 12 solid and 4 two-tone colors.

DODGE INTRODUCES NEW DIPLOMAT

Sweep-around rear window and new roof contour lend fresh styling treatment to new Dodge Diplomat as seen from side-rear view at right.

Dodge announces that the beautiful new Dodge Diplomat is now in full production. The six-passenger Diplomat has the low sporty lines of a convertible and a permanent steel top. Featuring five new two-tone exterior color combinations, the Diplomat has harmonizing interior color styling and rich, new, custom-tailored upholstery fabrics.

KITCHEN MEMO BY JAN CLARK

YOU'RE a happier hostess if food is ready before guests arrive. Prepare this flavorful variation of Pineapple Ham Mousse hours ahead for a company meal and serve as an entree. Soften 2 envelopes unflavored gelatine in 1/2 cup cold water. Heat 1 can (1 1/2 cups) condensed mushroom soup over low flame to boiling point. Add gelatine, stir until dissolved. Combine 1/2 cup catsup, 1/4 tsp. Worcestershire sauce, 1 tsp. prepared mustard, 1/2 tsp. scraped onion, 1/2 cup celery and 1/2 cup green pepper, both chopped fine, 1 1/2 lbs. (4 cups) ground boiled or baked ham. Add gelatine-soup mixture. Stir to blend well. Fold in 1/2 cup mayonnaise. Add salt, pepper to taste. Cut 1 1/2 slices pineapple into wedges. Arrange around sides of loaf pan into pan. Chill in gas refrigerator until firm. Turn into serving dish, garnish with 1 1/2 slices pineapple and parsley. 8 to 10 servings.

For customer protection, more than 350 individual tests for safety, durability and performance are made on automatic gas water heaters by the American Gas Association's Testing Laboratories.

Dip scissors in hot water before cutting marshmallows to keep them from sticking.

It's easy to keep your gas refrigerator clean with soda and water—3 tbsps. to a quart of warm water for washing down walls, shelves and fittings.

Chiropractic Clinic

Corner 3rd & Main Phone 128

While the wide scope of Chiropractic is amazing to the uninformed, we do NOT recommend Chiropractic as a CURE-ALL. Chiropractic is effective in those cases only where the cause is found to be defective in organic energization due to spinal misalignments (subluxation). Most all of our cases are those that had previously resisted ordinary methods of healing. Our examination is designed to eliminate those we cannot help.

NOTICE
Case histories published here are from the files of Dr. Le Mond Clinic in Austin. They are displayed here to show the extent and scope of Chiropractic.

SCIATHEURHEUMATISM
CASE NO. 2392: A man, age 55, came to the clinic complaining of pain in left leg, gas in stomach, a drowsy, dizzy-headed feeling, dull headaches backaches, nervous shaking in left side, and low blood pressure. A spinal analysis and spinal X-rays revealed a nerve interference. Adjustments were begun and in time he reported all symptoms gone and that he was feeling fine.

LOWER BACK PAINS
CASE NO. 136—Man, 32, complaining of back hurting for several months, could not do his work as a mechanic. Was advised to go to hospital for an operation. The Spino-graph Analysis showed the cause. The Chiropractic Health Service removed the cause. Patient has been well since November 10, 1948, doing hard mechanic work.

SINUS TROUBLE
CASE NO. 1186: This case is a lady, age 49, who had a history of 6 years of sinus trouble and hay fever, pains in right side of neck and shoulders, rheumatic pains in knees, tired back, pressure feeling in stomach, dizziness and nervousness. After going the rounds of doctors, and remedies, she finally came to the Chiropractic clinic for spinal examination. After the spinal analysis and spinal X-rays located the cause of her trouble, spinal corrective adjustments were begun to re-align and remove interference in nerve wave frequencies which restored normal function to the entire ill-functioned body. Upon discharge, this patient reported no symptoms of sinus trouble remained. The body condition remaining necessary for health is free.

ASTHMA

CASE NO. 481: A lady, aged 31, weight 87 lbs., suffered with Asthma for six months following a severe attack of influenza also complaining of chills, aching in body, hay fever, nervousness, female trouble, pressure feeling in lower abdomen, and pains in right ovary extending up to ribs, in bed several days a month, frequent colds, dizzy spells, rapid heart, low pressure, under continuous care of family physician and getting gradually worse all the time. Although advised against Chiropractic she feared she would die unless she did something different, so she came to the Chiropractic Clinic for a spinal analysis and spinal X-rays.

She began her fight back to health under our care. She now sleeps in her home, cares for her children, holds a job in business, weighs 120 lbs. and is free of symptoms. She continues periodic check-ups to remain well for she never wants to lose again that glorious feeling of being healthy and full of life.

IRREGULAR PERIODS
CASE NO. 879: A lady of 28 years had not felt well for three years suffered with back pains, catarrhal dripping in throat, irregular periods and bad cramps, and would grind teeth at night. She came to the Chiropractic clinic where a spinal nerve analysis and spinal X-rays disclosed an old neck injury causing nerve interference and defective energization of several areas of body. Corrective adjustments began to restore alignment, removing nerve flow interference and patient was prompt to report a feeling of general good health.

Marryin Justice Recalls Roaring Days Of Tascosa

By Albert Law
(Written for the Associated Press)

CLAYTON, N. M., (AP) — Col. Jack Potter, almost 90, is a "marryin' justice" who gives what he calls "curb service" to couples desiring marriage.

"All they've got to do is drive up in front of my house and honk their horn," the former Texas trail driver said. "I go right out and tie 'em up on the spot. They have to get out of the car just long enough to join hands. The only delay is when it's raining—then they've got to wait until I get my slicker on."

More than 50 years ago the Clayton justice of the peace blazed what has become known as the Potter and Bacon trail from the Texas panhandle into Montana.

He used to live at Old Tascosa when it was a roaring western rendezvous. It was for years afterward a ghost town until a decade ago when it became the site of the Panhandle's Boys Ranch, a home for under-privileged boys. But 50 years ago the rattle of pistol fire was often heard there, and such characters as Billy the Kid were familiar figures along its dusty streets.

After his days as a cowpoke in and around Tascosa, Col. Potter moved to Union County, N. M., northeast of Clayton and ranched for some years. A number of years ago he moved to Clayton, and has kept busy at a number of things, such as writing fact and fiction articles on his experiences, serving in the state legislature and serving as justice of the peace.

The Colonel said New Mexico still has no law requiring premarital health examinations and that couples are pouring in there from Colorado, Texas, Kansas and Oklahoma.

Back in the 1930's during what he calls "the wind blizzards," the Colonel admits that a fellow outsharped him. "The fellow," as Col. Potter tells it, "came in one day, said he wanted to get married pretty soon, and he didn't want any tomfoolery in the cere-

mony, and what would it cost him."

"Well," the Colonel continued, "I kidded around a little while and finally made the mistake of telling him I'd charge according to the looks of the bride."

A few days later the fellow came driving up in a wheezy old car with smoke pouring out from under the hood and brought into the house the woman he wanted to marry.

"I married 'em," the Colonel said, "and when the fellow asked what he owed me, I told him he didn't owe me a damn cent. He then told me I had been pretty nice, and as a reward I could kiss the bride. But I told him no, that I would let him handle that, too."

"I have always kind of felt," Col. Potter concluded, "that some way that fellow out-smarted me."

Vetch Seed Testing Lab

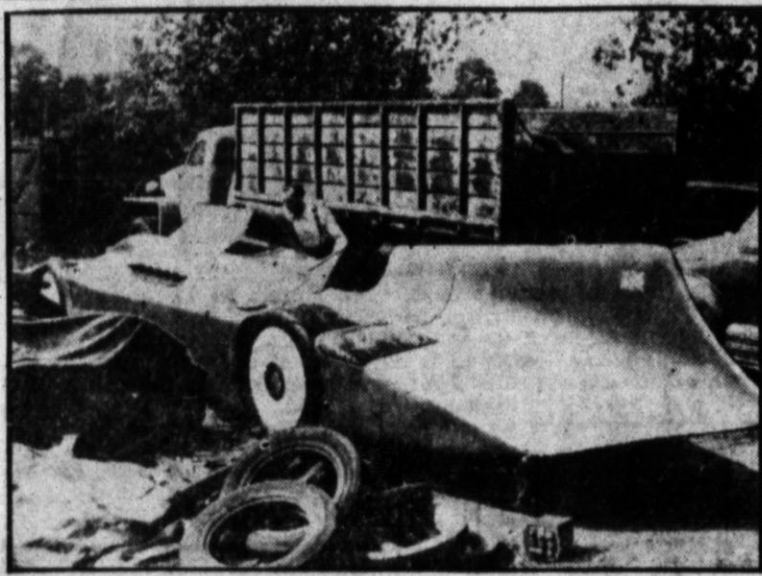

COLLEGE STATION — The most accurate seed analysis shows only the quality of the sample submitted. If the sample selected is not representative of the bulk of the vetch seed to be used or sold, the tests will be of no real value to the seller or buyer, cautions E. B. Reynolds, agronomist in charge of the Vetch Seed Testing Laboratory at Texas A&M College.

The Vetch Seed Testing Laboratory was established in 1948 to make germination and purity tests of vetch seed produced by Texas growers. Texas weather conditions were unfavorable for vetch seed production in 1948, and the Laboratory tested only 364 samples of seed. In 1949 the Laboratory tested 1,400 samples. Good quality seed, however, was produced both years.

Reynolds recommends that equal portions be taken from evenly distributed parts of the

ONCE SPEED KING, NOW JUNK — Slowly rusting in this London car dealer's junk yard is the late Sir Malcolm Campbell's famed "Bluebird," formerly the world's fastest racing car. The once-sleek racer was the first land vehicle to travel at 300 miles per hour, and broke the world's land speed record for Great Britain no less than five times. It's glory is now fading with its paint.

Honor Mrs. Bill Stevens At Gift Party Tuesday

Mrs. Bill Stevens was named honoree at a gift party given at the home of Mrs. Harold Loerwald Tuesday night. Hostesses with Mrs. Loerwald were Mary Kathryn Carroll, Joan Witherspoon, Jeannie Holman, Martha Thomas and Doris McGee.

Guests were all classmates in Hereford High School and happenings of school days made conversation topics of interest.

Others attending were Joyce McGee, Sallie Womble, Doris Jean Smith and Marion Goodin. Many sent gifts who were unable to attend the party.

seed, and individual bag samples may be taken to determine if the lot of seed is uniform.

Two pounds of vetch seed should be submitted for the germination and purity tests. Samples should be mailed, preferably in small cloth bags, to the Vetch Seed Testing Laboratory, Department of Agronomy, Texas Agricultural Experiment Station, College Station, Texas. The name and address of the sender and any identification marks should appear on the tag or label on the outside of the package, which may be sent parcel post. If information regarding the sample is enclosed in the bag or package, the package may require first class postage.

The results of tests made by the Vetch Seed Testing Laboratory can be used in securing official tested seed labels. Growers should apply directly to the Seed Laboratory Division, State Department of Agriculture, Austin, Texas and forms furnished by that division should be used.

The Vetch Seed Testing Laboratory, Department of Agronomy, Texas Agricultural Experiment Station, will make and report the tests on purity and germination according to the rules and procedure adopted by the Seed Laboratory Division of the State Department of Agriculture, but assumes no responsibility for the accuracy in representing the seed actually for sale.

This testing service is free to the farmers of Texas, and the Vetch Seed Testing Laboratory again is ready to render prompt and efficient service to vetch growers, says Reynolds.

There's
a
Reason...

so many women prefer
THE ELECTRIC RANGE

And that reason is perfection! Yes, more and more women are turning every day to cool, clean, efficient, electric cooking. The advantages are many: Food dollars stretch farther through less food shrinkage... appetizing flavors and more nutritive vitamins are saved with "cook book" results every time... Heat that "hugs the pan" keeps your kitchen cooler in the hot summertime

... there's more time for you when you cook electrically. Just put the food on... set the controls... your ever-modern electric range automatically does the rest. Electricity's clean, radiant heat keeps your utensils always shiny... your walls and curtains spic and span.

See the beautiful new models at your appliance dealer's. Find out for yourself what a pleasure it is to cook electrically.

Several Small Acreages of Wheat Look Good in Northwest Hereford

By Mrs. R. C. Childers (From Thursday Brand)
 More wheat is being plowed up in this vicinity. However, there are still several small acreages that look good. Wheat on the T. E. Eiegler farm where Mr. and Mrs. Grady Parsons live looks very well and so does

the wheat on the Jack Renfro place. Both crops have been irrigated and will need to be irrigated again before it will make unless it rains.
 Mrs. Paul Rudd was a caller in the R. C. Childers home on Thursday morning.
 Mrs. R. N. Cooke left Mon-

day to take Carolyn back to the Anderson Clinic at Houston for examination. An appointment was secured for Wednesday morning of this week. Mrs. Loyd Watkins of Hobart, Okla., accompanied Mrs. Cooke and to visit her son who lives at Carolyn. Mrs. Watkins plans San Marcus.

Notice cultural club members. An error was made in the location of the club meeting, May 10. It will be at the home of Mrs. Pat Robinson instead of Mrs. J. T. Richardson. Mrs. Richardson will have club, May 24. Sam Nunnally will be the guest speaker at the meeting at Mrs. Robinson's home.

Paula Beth Corbett was a first winner in the Class 1 division of the school dress division at the 4-H dress review at the Shirley school Saturday. Paula Beth is a member of the Workers 4-H club which is sponsored by the Cultural Home Demonstration club. Paula Beth was vice-president of the club last year and serves as reporter of the club this year. This was Paula Beth's first dress to enter. Last year she made a skirt and blouse.

Another first place winner who lives in this community but is a member of the Draper 4-H club is Erlene Connelly, who won first place in class 3 division of school dresses. Erlene is the daughter of Mr. and Mrs. Paul Connelly who live on the Jack Renfro farm.

Mr. and Mrs. C. S. Barclay were guests in the home of Mr. and Mrs. Irvin Robinson Sunday.

Mr. and Mrs. R. N. Cooke and family were visitors in the home of Mrs. Gladys Dixon and family of Canyon Sunday. Claudia Lewis accompanied Mr. and Mrs. Roy Lee Wilson to Abilene last week end.

Clubs Participated in Parade in Amarillo May 12

The Cub Scout Palava was Saturday, May 12, at Ellwood Park in Amarillo. The cubs and their parents met at the hut in Hereford at

10:30 for the trip to Amarillo. Final practice for the palava was held at the park Sunday afternoon.

Railroading Theme

Theme of the pack meeting Friday, May 4, was railroading with one of the outstanding features being the presentation of the theme story by Mrs. Colby Conkwright's den which cleverly built its stunt around driving of the golden spike, connecting the East and the West. Presentation of colors and group singing introduced the program.

Inspection

Scout Commissioner Urlin Streu directed the inspection procedure. Woody Tottenham and Joe Reinauer with inspection scores of 99 per cent each were the two highest boys.

Cub Master Harold Meacham presented the Bobcat pen to Bobby and Jerry Tyler, Gregg Combs, Bobby Jackson, Layton Covington, and Jerry Mitchell.

Wolf awards were presented by Meacham to Dean Honea, Stanley Kropff, and Douglas Ford.

Bruce Miller made the presentation of Bear awards to Gene Plank and Lewis Block and Lion awards to Deward Jacobs, David Brumley, and Bobby Ladd.

Arrowpoints were presented to Larry Edwards, Deward Jacobs, Edsell and Wendell Roe, Woody Tottenham, Carroll Whiteside, Buddy Campbell,

Gene Plank, Jerry Luck, Jan Wallace, Edwin Axe, Stanley Kropff, Darrell Carroll, Joe Reinauer, Pat Newman, Larry Morris, Edwin Morrison, Jimmy Fowlkes, Jimmy Conkwright, Douglas Ford, and David Brumley.

Three Graduate

Webelos, the graduation award from cub scouting into scouting, was presented by Cub Commissioner John Hicks to Jeff Minton, George Heard, and David Brumley, who were received by Walter Seed, scout master.

Cards for re-registration of Pack 50 were given to all boys and leaders in that pack.

Steve Lingenfelter and Woody Tottenham were given one-year service stars.

Mrs. Homer Brumley, den mother of Den 4, Pack 50, presented her cap to Mrs. Edna Lee Collier, who accepted the position of den mother. Mrs. Ed Skypala will be assistant den mother, the position which Mrs. Collier held.

Several dens displayed handicraft made during their study of railroads.

Dens Receive Honor

Honor dens at the meeting, having best attendance by boys and parents, were Dens 2 and 3 of Pack 52.

Annual Weiner Roast

The next pack meeting, the first Friday in June, will be the annual outdoor weiner roast.

Several Bill Approvals Reported By Representative Morris Cobb

The 18th Congressional District now composed of 28 North Plains counties remained unchanged under the redistricting measure passed by the House of Representatives. Under the new proposal the 18th Congressional District composed of 288,000 people, is one of the smallest populated districts. The average over the state of the twenty-two districts is 315,000 people.

The Driver's Responsibility Bill passed over its greatest hurdle when it was passed to its third and final reading in the House of Representatives. This Bill, or some similar measure, is now in effect in 44 other states. It is designed for the protection of every user of the Texas Highways without placing an undue burden on anyone.

House Bill 334 which I authored and supported for the benefit of the vegetable growers in the Central Plains area has been passed by the House of Representatives. The Bill now goes to the Senate for approval. It would permit out-of-state harvesting equipment of vegetables to assist Texas farmers under a 60-day temporary permit from the State Highway Department.

As soon as the Governor signs Senate Bill 57, the new gross load limit for trucks in Texas will be 58,420 lbs. This measure was passed by the

House approximately two weeks after it was approved by the Senate.

A Bill to increase the salaries paid to District Court Judges, Judges of the Court of Criminal Appeals, Courts of Civil Appeals, and Supreme Court was reported favorably from the House Committee on State Affairs. The measure had already been passed by the Senate and now awaits House action.

Two years ago when the Gilmer-Aiken School Program was set up by the Texas Legislature certain flagrant inequities were present in the transportation division of the public school system. These inequities will be for the most part cured by Senate Bill 90. This measure has passed both Houses of the Legislature and will soon be signed by the Governor.

A new agricultural experimental station to be set up in Swisher County near Tulla, is authorized in House Bill 121. The Representatives of the High Plains are supporting this measure in the interest of improved agricultural methods for the farmer of the Panhandle.

Jones, Blankenship Win Friona Hi Honors

Supt. Dalton Caffey announced Friday the list of honor students for the 1951 graduating class of Friona High school with Vera Ann Jones, valedictorian, topping the list with an average of 95.6. Salutatorian is Martha Ann Blankenship, daughter of Mr. and Mrs. A. L. Blankenship, who has an average of 94.

Vera Ann, daughter of Mr. and Mrs. Raymon Jones, has done all of her school work in Friona. She is a member of the annual staff.

Martha Ann attended elementary school at Westover before moving to Hale Center and then to Union where she finished the seventh grade. At Lazbuddie she was named salutatorian of her eighth grade class. She attended the Friona High school four years and was a member of the Friona basketball team.

Both girls plan to attend college next fall.

Pioneer Day is just around the corner, and a lot of old boys are going to be plenty happy when they get those beards shaved off. The same probably goes for a lot of girls, too, except maybe double. Seems to me that the beards are getting ranker and ranker this past week. Rockwell came into the office Friday and didn't recognize him. No one can appreciate those whiskers, except the man who has grown them. Not even the wives.

Mrs. Ed Dziuk dropped into the office early this week to discuss the wheat situation, chiefly as pertains shipping out wheat to India. She thought I was a little bit inconsistent in backing the shipment of wheat out of the country and, a few paragraphs later, publicizing a flour scramble which included the hiding of money in flour. Furthermore, I had to agree with her. Somehow, I never connected the two paragraphs in my own mind. I really do appreciate her calling it to my attention. She is a fine woman and a clear, straight thinker. If we don't have wheat to donate abroad, we don't have wheat to waste at home. It just makes good sense.

Another important thing is the Spring Clean-Up campaign set for May 14, 15, 16. The City is offering to haul away all trash on the 16th, without charge. This is a fine thing. It helps curb polio and the spread of other diseases, and things will be looking sharp for Pioneer Day on May 18-19. This is a fine gesture on the part of the City Dads. They have long favored voluntary clean-up. People fussed and fumed when we had closing hours for the annual clean-up campaign. Here is their chance to prove that closing is unnecessary.

Ike and Beauford Crosthwait have quite a deal. They have leased the selling concessions at Monument Lake near Trinidad, Colo., for the summer. They will have the grocery store and restaurant, along with fishing tackle and souvenirs. They are leaving right away and their wives will follow when school is out. Ray Landrum of Friona has another fishing layout nearby. This is quite a deal. Cecil Malone is another guy who expects to make a living while vacationing on his dude ranch this summer.

How do people figure up these good deals? I hope they keep so busy they won't even get a hook wet all summer. They might, too. I hear that Eagle Nest Lake will probably be closed due to lack of water.

Anyway, I hope they don't get to do any fishing at all.

The Health Department is cracking down on things which is good, very good. Understand, they set up some standards for the labor camp. What's more, they aren't showing any favorites. I hear by the grapevine that a check has been made of the public toilets in the court house and that they have been branded as "disgraceful". Everyone who goes around the court house knows that they smell terrible. These are the only public toilets in Hereford, and they should be kept in tip-top condition. New plumbing, if this is the answer, more attention, certainly. I am sure no one in town would let their toilets at home get in this condition—and it shouldn't happen at the court house.

Business has been on the upgrade during May—at least that's what quite a few of the Main Street boys are saying. They don't know why exactly, but they are mighty, mighty, happy about the situation.

Have you heard of Dr. L. B. Barnett's talk, following his brief tour of Europe. I heard him at the Lions Club the other day, and it was most informative and interesting. Doc seemed most impressed with Switzerland and the Low Countries. He says folks in these countries are clamoring for a United States of Europe, but England is always blocking such a move. He attributes the situation to the colonial policy of Great Britain. He says the people of England are more disgusted with socialized medicine than are the doctors, who have a fairly good set-up as compared with other people in the country.

He says the English people get practically no meat at all; 28 cents worth each month, to be exact, and meat prices there are about the same as in this country. Doc said he tried every hook and crook possible to get a steak in London, but did not succeed. He further says the English people are letting their land go idle while other countries are farming and trying to get back on their feet. He attributes the situation to socialism in England. He says France is decadent, but far, far better than England. He thinks that Winston Churchill will come back soon with Anthony Eden as Prime Minister.

He also says that the folks in Europe know more Truman jokes than do the Americans. He really has an interesting report. If you happen to need a

\$2500 Suit in District Court

A damage suit seeking \$2500 plus interest and costs has been filed in district court by Henry Schlothaus of Dona Ana county, New Mexico against J. Roy Crutchfield of Hereford.

In his petition, Schlothaus charges he deposited \$1500 with Crutchfield on December 30, 1950 for a 1950 automobile. According to the petition, the Hereford man has delivered neither the money or the car.

The case was filed May 11. Bruce L. Miller is attorney for the plaintiff.

Circle Elects Leaders

Mrs. Homer Brumley served as hostess for the Emma Wheeler Hawkins Circle of the Woman's Society of Christian Service of the Methodist Church Wednesday afternoon. Mrs. F. T. Roloson led the devotional lesson which was followed by election of circle leaders.

Mrs. Mary Seigler was named leader with Mrs. Bishop as assistant leader. Others named were Mrs. E. W. Harrison, program chairman, Mrs. F. T. Roloson, devotional leader; Mrs. J. O. Newell, treasurer; Mrs. Tom Alderson, secretary. Refreshments were served at the conclusion of the session.

good talk for your club be sure to get Doc Barrett. He will probably fume and fret, but he will probably also make the talk. It's worth hearing.

Understand that Dr. Rush and his family are leaving us soon—and permanently. He likes it here, he says, but wants to specialize. He plans to enter the University of Michigan at Ann Arbor this summer. They are mighty fine folks. We'll miss them a lot. I can't blame a fellow for wanting to specialize and progress but they fit into the community so well here that it seems a shame for them to leave. Maybe they will change their minds—and come back some day.

I never saw anything like the outburst from old timers regarding Burl Elliston's statement that it snowed here May 6, 35 years ago. They all agree that Burl is wrong. People have been stopping me on the streets and scores have come into The Brand office to straighten things out.

Kelly Gray sent in some branding irons. How about more? We want them for our Pioneer Day window. These old irons are so much in keeping with the name of the paper that we figured they would be appropriate for our 50th anniversary. I know it's a lot of trouble, but we sure would like to borrow them for a week or so.

Woodford First Eagle Scout Since 1940

The first Eagle Scout award made in Hereford since 1940 will be presented to Tom Woodford, 15-year-old son of Mr. and Mrs. J. L. Woodford during a court of awards to be held at the Boy Scout hut Thursday, May 17 at 8 p.m.

Woodford is the first Hereford Scout to earn Scouting's highest award since Richard Peterson was made an Eagle Scout in 1940.

The public is invited to attend the ceremony at which young Woodford will be given this honor.

Tom became a Cub Scout in

Nov. 1945, and was a member of Pack 50. He became a Scout and joined Troop 50 in September 1947, soon after his 12th birthday. He served as a den chief assistant patrol leader and patrol leader, and in September, 1949, was selected senior patrol leader of Troop 50.

When Troop 51 was organized in March, 1950, he transferred to that unit and served as senior patrol leader.

In September, 1950, he transferred to Explorer Post 50 and has served as crew leader and committee chairman in that

organization.

In the summer of 1950 he was selected to attend the National Junior Leaders Training Course at Philmont Scout ranch. This course was conducted for outstanding boy leaders from all over the United States.

Tom received his second class badge in September, 1948, and his first class badge in June, 1949. He earned Star Scout rank in February, 1940, and Life Scout rank in June, 1950.

He now holds merit badges in: first aid, athletics, swimming, life-saving, public health, personal health, pioneering, safety, camping, bird study, citizenship, cooking, automobilism, scholarship, hiking, forestry, metal work, farm home and its planning, firemanship, path-finding, and public speaking.

Besides his scouting activities, Tom has been active in the

MOTHER'S DAY

Rich memories push their way into the hearts of millions today as messages and gifts of love go winging their way across the nation. IT'S HER DAY - Never measured by the gift itself but by the warm evidence of sincere feeling and happy significance.

A telephone call from Mrs. W. H. Hicks of Little Rock, Ark. highlights Mother's Day for Mrs. J. E. Beyer at the other end of the line. The three grandsons, John David at the left, Billy Douglas and Joe Harold, get in on the conversation.

The Sunday Brand SOCIETY

Hereford, Texas, Sunday, May 13, 1951

Section Two

MRS. J. E. BEYER

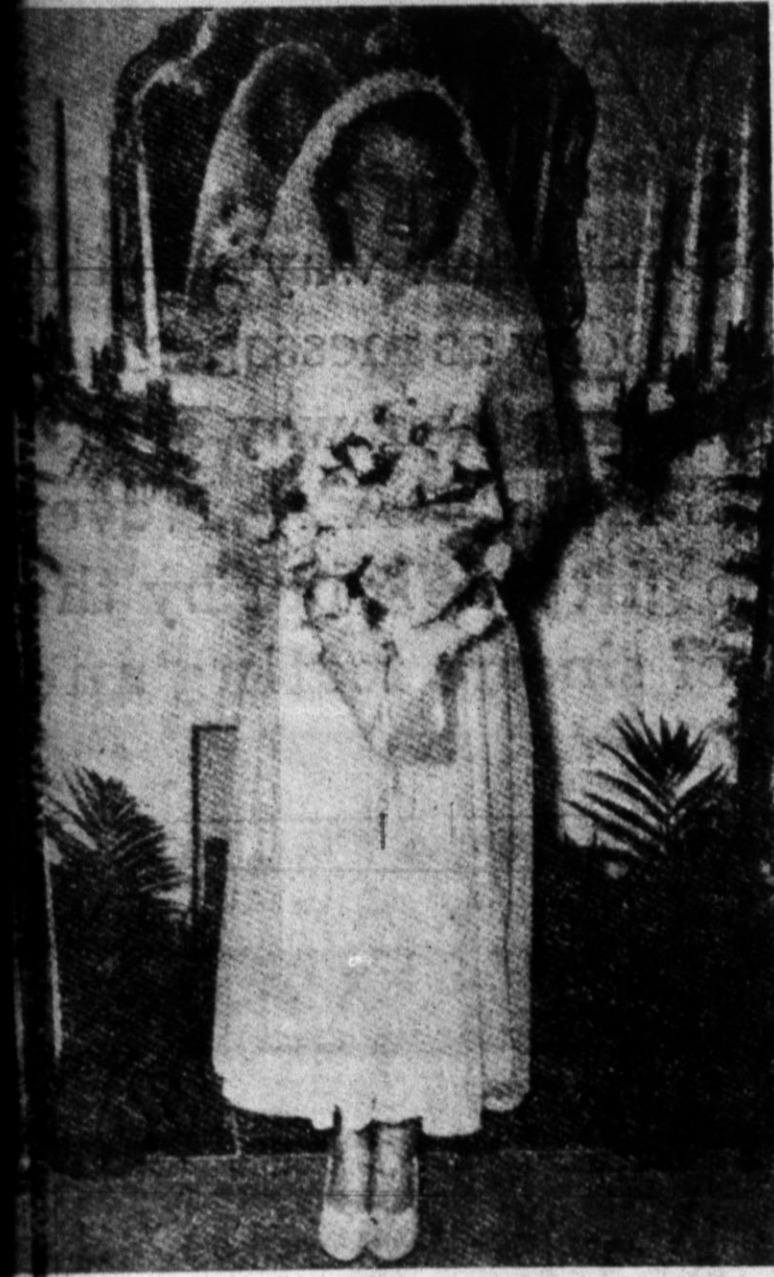

Nine months old Linda Larmer takes her first steps with the assistance of her mother, Mrs. Norris Larmer.

Early arrivals at the annual Tri-Hi-Y Mother's Day dinner held Tuesday evening at Shirley School looking over the tables. They are reading left to right: Edith McMillan and her guest, Mrs. Jack Wederbrook, Miss Sadye Rigler (seated) sponsor, Clara Jane West, Barbara Smith and her mother, Mrs. W. T. Smith, formerly of Hereford and now of Melrose, New Mexico.

Miss Virgie Lee Sparks Becomes Bride of W. O. Jack Marshall

MRS. JACK MARSHALL

Miss Virgie Lee Sparks, daughter of Mrs. Hazel Sparks, became the bride of Jack H. Marshall, son of Mrs. H. A. Marshall of Hutchinson, Kansas, in a simple ceremony at the home of Mrs. Bess Jennings in Amarillo Saturday afternoon May 5 at 4 p.m.

Relatives and close friends of the couple were assembled for the ceremony which was held before the fireplace with arrangements of palms, white stock and Mercon daisies providing an improvised altar. White tapers burned in seven branched candelabra.

Miss Jo Anne Jet played an informal prelude of wedding music and played the Bridal Chorus as the wedding party entered. Clair De Lune played softly, gave musical background for the ceremony. Lt. Col. Morris U. Lively, chaplain in the U. S. Army stationed at Amarillo, was the officiant. Candles were lighted by Mary Jo Mathies, assisted by Major Harold Reynolds.

Mrs. W. I. Woolery, sister of the bride, served as matron of honor. She wore a pastel blue organdy dress made similar to that worn by the bride with headdress fashioned of pink and blue rosebuds. She carried an arm bouquet of pale yellow roses. Capt. Jack Curry of Amarillo was best man.

The bride, given in marriage by her brother, Eugene Sparks, chose a white nylon jersey frock made with nylon net yoke featuring a small Peter Pan collar and short sleeves, and full ballerina length skirt. She wore long nylon mitts and her waist-length veil was held in place by a band of orange blossoms. She carried a cascade of white rosebuds tied with white satin ribbon streamers.

Following the ceremony wedding guests were served refreshments from a lace laid table centered with white stock and daisies. The three-tiered wedding cake was served by Mrs. Walter London Jr., and Miss Nell Spradley poured. Mrs. Eugene Sparks assisted at the bride's register.

Mrs. Marshall graduated from Hereford High school and attended a business school and beauty school in Amarillo. She was a member of the Hereford Riders Club.

Mr. Marshall is a graduate of Wynoka, Okla. High school and attended Yale University. He is now Warrant Officer in the U. S. Army stationed at Amarillo.

The couple will reside in Amarillo at 312 E. Sixth St.

Guests from Hereford attending the wedding were Mr. and Mrs. Eugene Sparks, Mrs. Hazel Sparks, Mr. and Mrs. W. I. Woolery, W. A. Hacker, J. F. Hacker, Mrs. P. L. Dishman, Mrs. J. P. Slaton, Mrs. J. W. Spradley, Miss Nell Spradley, Mrs. Harry Lomas, and Mr. and Mrs. Walter London Jr.

Hall, Alma Hill, Veima Hodges, Betty Holland, Ursulae Jacobsen, Corinne Jennings, Frances Neff, Frances Parker, Lucille Posey, Lillian Smith, Bruce Rose, Bessie Smith, Della Stagner, Pearl West, Bessie Lee Wood and Theresa Lamb.

Engagement Is Announced

An informal tea was given Thursday night to announce the engagement and forthcoming marriage of Joan Orr, daughter of Mr. and Mrs. Berry Orr, to Glenn Manning, son of Mr. and Mrs. Roy Manning. Hostesses were Nelda Guy Lawrence and Pat Walton in the home of Mrs. Floyd Walton Sr.

MISS ORR

News of the approaching nuptials was revealed at the refreshment table where a picturesque scene included a small white church with the date "June 9" written in gold letters. Orchid satin streamers formed a ribbon path to the church and bore the inscription "Joan and Glenn" in gold lettering. Flowers used were painted daisies in yellow, orchid, and pink, the bride-elect's colors, with yellow candles burning in crystal holders.

The wedding is scheduled to take place at the Avenue Baptist Church on June 9.

Close friends attending the party were Mesdames Floyd Walton Sr., Elmer Patterson, Urlin Streu, Roy Manning, Guy Lawrence and Berry Orr, Mesdames Barbara Smith, Nelda Guy Lawrence, Gerry Patterson, Pat Walton, and Mary Kathryn Boyd and the honoree.

Voco Club In Recital

Miss Mattie Mae Swisher will present eighth grade school division of the Voco club in a recital on Tuesday evening, May 15, in Ward hall at 7:45 p.m.

The program will include a variety of songs suitable to the group. Mrs. Cliff Estes will be the accompanist.

Those appearing will be: Janis Higgins, Linda Edwards, Patricia Powell, Jack Couples, Marcus Jacobsen, Terry Caywood, Donna Grace Nafziger, Lu Ann Higgins, Judy Wofford, Willa Sue Channer, Carroll Willoughby, Phuma Metcalf, Gayle Potter, Raymond Wells, Gwendolyn Jesko, Clarence Caywood, and Louise Simpson.

Mother's Day Tea Is Given By Circle Group

A mother's Day tea honoring special guests was held by the Vada Waldron Circle of the Woman's Missionary Society of the First Baptist Church Thursday afternoon in the home of Mrs. Jimmy Allred.

The tea table was laid in white linen and depicted old fashioned flowers in the Spring. Purple and orchid iris formed the centerpiece with plate favors featuring dainty flowered handkerchiefs done in nosegays.

Mrs. S. B. McLallen, W.M.S. president, directed the program, giving a review of people who have learned to do new things after reaching the age of sixty. She also led the group in discussions of childhood memories, in which tributes were paid to mothers and guests in the group.

Mrs. A. J. Schroeter entertained by playing favorite hymns and accompanied Mrs. W. T. Carmichael who sang "My Mother's Bible".

Special guests included Mesdames Edna Bowe, J. C. Allred, H. G. Conkright, Josie Funderburg, J. M. Gilliland, B. D. Witham, Allen Powelson, B. C. Roberson, W. L. Johnson, L. H. Lookingbill, S. J. Johnson, Reber Howton, Harry Whitchurch, S. B. McLallen, W. T. Carmichael, A. J. Schroeter, Bob Lawrence and Miss Jessie Morris.

Circle members attending were Mesdames A. L. Manjeot, Nelson McRight, B. E. Roberson, J. R. Johnson, Pat Neill, Jimmy Mercer, John Winkler, H. E. Miller, O. H. Herring, and D. C. Kinsey.

L'Allegra Club Names Leaders

L'Allegra Study club named new leaders Thursday afternoon at a meeting held in the home of Mrs. Donald Henslee. Mrs. James Edmonson, president of the club, directed a business session when plans were made for the closing event of the season which will be in the form of a picnic held in Jaycee Park.

Officers elected at the meeting were Mrs. Floyd Ross, president; Mrs. Donald Henslee, vice-president; Mrs. Marilyn Pierce, recording secretary; Mrs. Hilton Higgins, corresponding secretary; Mrs. Dick Lucas, treasurer; Mrs. James Edmonson, parliamentarian; Mrs. Richard Winget, historian; Mrs. George McLean, reporter, and Mrs. Bruce Beene, cheer.

Members of the club attending were Mesdames Jack Brown, James Edmonson, Hilton Higgins, V. C. Hopson, Lee Kent, Dick Lucas, Marilyn Pierce, Bill Waldrep, Richard Winget, Bruce Beene, George McLean, Bill Dameron, and the hostess.

Cherry Anne Forrest To Become Bride of Joe Harrison in June

Mr. and Mrs. Leo Forrest have formally announced the engagement and approaching marriage of their only daughter, Cherry Anne to Mr. Joe Harrison, son of Mr. and Mrs. Earl Harrison of Dimmitt.

Informal announcement was made of the approaching nuptials at a dinner-party given at the Mexican Inn in Abilene on Thursday with Mrs. Ed Warren and Mrs. P. H. Gilliland of Hereford serving as hostesses.

Tables were decorated with arrangements of painted daisies and announcement of the romance and forthcoming wedding was made with hand painted place cards in tones of the bride-elect's chosen colors of yellow, green and orchid. The aphorism "He Loves me he loves me not" told the story with the last daisy petal and the inscription read "Joe and Cherry-June 8, 1951."

Close friends of the couple attending the dinner included Mr. and Mrs. Stanley Seaton, Mr. and Mrs. Allen Adams, Misses Alice Pascal, Pat Miller and Maurine Wilterding, and D. F. Porterfield, Tommy Russell, James Hale and Byoung Kee Min.

The wedding ceremony will be performed Friday evening, June 8 in the Hereford Methodist Church at 7 o'clock. Rev. Don Davidson, pastor, will officiate.

Miss Forrest is a graduate of Hereford high school and both young people will receive their degrees from McMurray college Abilene, in June. Mr. Harrison will enter medical school in the fall.

O. E. S. Chapter Elects Leaders

Mrs. Effie Melton was elected worthy matron of the Hereford chapter of the Order of Eastern Star at a meeting held at the Masonic Hall Tuesday night. John Paton was elected worthy patron.

Mrs. Vivian Major was elected association matron, Mack Noland, associate patron, Mrs. Bessie Jones, conductress; Mrs. Opal Roberson, associate conductress, Myrtle Wiltherspoon, secretary and Belle Hromas, treasurer.

Initiation rites were also held for four new members, including L. C. Thomas, Reynolds Sanders, Mrs. Holt and Mrs. Frankie Cooke.

Public installation rites will be held for the new officers on the evening of May 31. Mrs. A. L. Manjeot served as chairman of the social committee for the evening.

CHERRY ANNE FORREST

Officers Installed At Closing Dinner For Child Study Club

Installation of recently elected officers of the Child Study club featured the closing dinner meeting held by the club Thursday evening in the home of Mrs. Rex Tynes.

Mrs. Carroll Whiteside conducted the installation rites after presenting Mrs. Maurice Tannahill, outgoing president, with a gift from the club. Using "The Home" as a theme Mrs. Whiteside presented Mrs. Merlin Kaul, the new president, as the head with other officers making up all the necessary attributes in building a home.

Other officers besides the president installed were: Mrs. Worth Covington, vice-president; Mrs. J. W. Witherspoon, recording secretary; Mrs. N. D. Bartlett Jr., corresponding secretary; Mrs. Pat Neill, treasurer; Mrs. Dale Tinnin, historian; J. C. Reese, parliamentarian and Mrs. H. H. Cooke, reporter.

Following installation rites Mrs. Carroll Whiteside gave two appropriate readings and Mrs. George McLean, guest entertainer, presented Western songs and ballads with ukelele accompaniment.

Members attending were: Mesdames N. D. Bartlett Jr., Worth Covington, Clinton Jackson, Merlin Kaul, J. C. Reese, Deward Roberson, John Robinson, Earl Springer, Joe Story, Maurice Tannahill, Dale Tinnin, F. G. Witherspoon, J. W. Witherspoon, Pat Neill and H. H. Cooke.

Mrs. Roger Hartman and children left this week to return to their home in Santa Fe after visiting three weeks here with Mr. Hartman's brothers and sisters.

Miss Della Stagner Named B&PW Head

Della Stagner was re-elected president of Business and Professional Women's Club at a business session held Monday night with Mrs. Zula Gilliam.

Other officers elected were Mrs. Leona Blood, Ist. vice-president; Mrs. Bruce Rose, 2nd vice-president; Mrs. C-Ora Cockrell, recording secretary; Mrs. Frances Parker, corresponding secretary; Mrs. Pauline Howard, treasurer; Pearl West, parliamentarian and Mrs. Opal Garrison and Mrs. Jewell Malone short wave editors.

Plans were made for the installation of officers which will be featured at the next meeting. A joint installation meeting with the Dimmitt B&PW club has been planned.

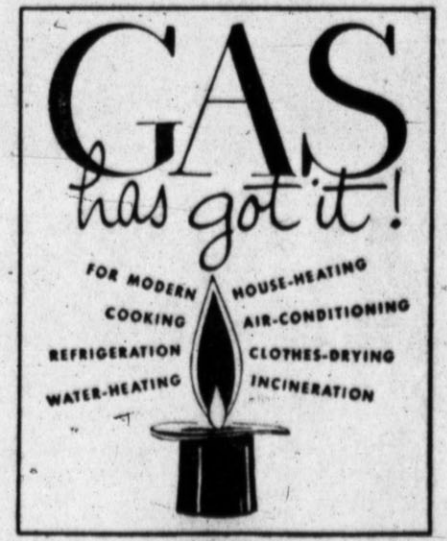

Members made plans for participation in Pioneer Day celebrations to be held here May 18-19. They will sponsor a float in the parade, will sponsor a girl in the riding contest and will have charge of registration of old settlers at Hotel Jim Hill on both Friday and Saturday. Members present were Leona Blood, Ellen Carter, C-Ora Cockrell, Lola Dishman, Opal Garrison, Vida Grady, Skeeter from McMurry college on June 22 and R. C. will get his degree from Texas Tech on June 21.

To Abilene for Mother's Day Mr. and Mrs. R. C. McGilvary left yesterday for Abilene where they are spending Mother's Day with their daughter, Mary Helen, a student at McMurry college. Special programs given by the band and The Chanters, of which Mary Helen is a member, will mark the day. They stopped at Lubbock en route to Abilene where their son, R. C. McGilvary Jr. joined them for the Abilene trip. Mary Helen will receive her degree

Everything's O.K.! It's a BOY!

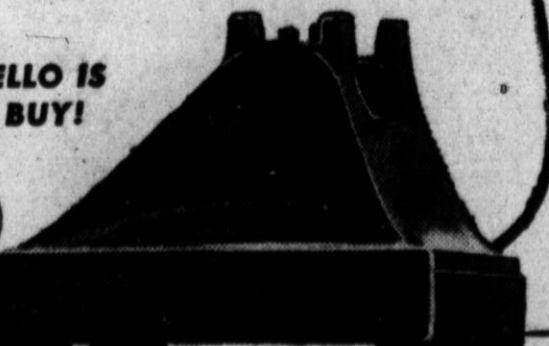

What price good news? So often it's the price of a telephone call... and that means just a few pennies to spread the glad tidings.

Worth more? Of course. Many telephone calls are practically priceless in their value to you.

And yet the average cost, including tax, of each local telephone call—the big, important calls and the usual everyday variety—is about 2 1/2¢.

Can you think of a better bargain?

Will "Inflicting Terrible Casualties" Win Peace?

Secretary of Defense George C. Marshall's statement that the United Nations aims to win the Korean war by inflicting "terrible casualties" on the Chinese Communists should make all of us stop a moment and ask ourselves just what this means.

Let there be no mistake about it—Americans want to win the Korean war. America MUST win the Korean war. America—and America alone—can lead the free nations of the world back to the road to lasting peace.

Here is one thought left in this writer's mind by Mr. Marshall's testimony to the Senate armed forces committee: Should America—as the only strong voice left in the Christian world—resort to mass slaughter AND MASS SLAUGHTER ALONE to win the war?

Are we morally justified in killing thousands upon thousands of Chinese—to say nothing of our own American youths—until we have EXHAUSTED EVERY OTHER POSSIBLE METHOD OF BRINGING OUR FOE TO HIS KNEES?

It doesn't take a military strategist to recognize the fact that the Chinese Communists couldn't kill another American boy if an economic blockade cut off their material supply. If we gradually ground their war machine to a stop by depriving them of the trade necessary to wage a war, we wouldn't have to inflict "terrible casualties" to bring them to their knees.

Why not insist upon a TOTAL ECONOMIC BLOCKADE (MacArthur was sacked for suggesting it) of the Chinese and let them run their war machine dry? We'd save countless lives—American and Chinese. That should be our main problem.

Why not bomb the enemy concentrations of supplies beyond the Yalu? Why not allow our bombers and fighters to destroy the enemy's war-making equipment before it gets into the hands of the mis-lead human beings being slaughtered for the sake of "trade-as-usual"?

Why not? The answer is "dollar diplomacy"—better still, make that "pound sterling diplomacy."

All the money being made on this hypocritical trade that hinders a full economic blockade of the Chinese Communists isn't worth a single one of the 10,567 American lives lost in this "strange war."

If we can justify with our conscience the unholy spectacle of permitting "business as usual" while we lose the cream of American manhood, then there is no reason to worry about seeking other methods of bringing the war to a quick, victorious conclusion.

Do the American people want "business as usual," a "limited war"? Is there any way we can justify the tremendous casualties inflicted on American boys in a "practice war" designed only to contain the enemy and not probe for a full victory and full punishment of aggression? We think not.

How does America's "high council" feel about this? We'll just let them keep running their troops in and we'll keep killing them. After all, they're ONLY CHINESE!!! Then, too, we'll lose a few American lives, but at least we'll keep from getting the Russians in a fighting mood!

And some of us used to think European countries were suffering from morally-bankrupt leadership!

You'd never know that America is the world's richest, best-educated, and most widely-Christianized nation on the face of the earth by some of our actions and public pronouncements.

We should demand that our government permit our bombers to seek out the enemy and destroy his war-making power. We should squeeze off his supplies so he will

be UNABLE, from a logistic standpoint, to wage war and send his troops to their death.

Human lives are the most expendable commodity in the master plan of the Communist leaders. They can afford to lose thousands of men—they think.

America cannot afford to lose any of her young men. And we cannot afford to alienate the people with whom we will have to live in eventual peace by perpetrating a blood-thirsty slaughter because we don't have the gumption to cut ourselves loose from "Whitehall diplomats."

As Christian people, we can't reconcile this needless slaughter when a courageous decision followed by determined action would make all this unnecessary.

Let's either pull out the stops or our American boys. Maybe our leaders aren't abashed at this see-saw destruction. But the people are. It's their sons who are bearing the brunt of the "cause of containment."

To save countless lives—American and Chinese—we should take the "calculated risk" supported by one of our ablest military experts. If Russia wants war with America, she'll make it when SHE is ready, not when America is ready for it.

If Russia was ready to make war, we could throw her every appeasement plum in the Pacific and that wouldn't deter her.

America must either take steps to end the war or bring back our soldiers from this sham in the Pacific.—W.W.K.

We repeatedly marvel at the ingenuity of those who wish to borrow.

Times change; here we are planning to rearm the Germans and the Japanese.

A politician who dies rich leads people to suspect the integrity of public officials.

The world is now faced with the question whether freedom is to prevail or not.

Very often reporters for The Brand hear news that they cannot print.

One of the arguments for isolationism is that it will cost less money and mean less taxes.

It is good to know what a man says but it is better to understand what and how he does.

In case you do not suspect it, nearly a million Americans have been killed on our highways since the good old horse and buggy days.

Then there was the man who bought an article for fifteen cents and wrote a long letter to the manufacturer telling how it could be improved.

STRATEGY FOR PEACE?

'Tater Peelin's

By Roberta Campbell

Students come and students go but one of the most stately ex-students of W. T. it has been our privilege to know is Mrs. Pat Wederbrook who was a member of the college very fist class in 1910-11. We think she should be given some honorary recognition by the Hereford Ex-Students Organization.

Wonder where we got the collie dog? For at least three weeks he's been hangin' around in sight of the house and after we decided to find him a home we began tryin' to get better acquainted with him. We found he was a friendly pretty well-trained stock dog that has been taught to shake hands but we haven't been able to guess his name although we've tried about every name known to dogdom. Maybe the person who left him with us will be kind enough to drop us a card and tell us what to call him.

We would also like to know who to thank for a year's subscription to the Texas Parent Teachers magazine which we have been enjoyin' since February.

Since we saw what a sandstorm did to some promisin' rain clouds last Tuesday afternoon we are ready to sanction the story that the reason we don't have tornadoes here more often is that if one ever starts through the country a west Texas windstorm hits it and tears it all to pieces.

We had always figured that the fact that we can't get along with ourself much less anybody else would be reason enough to remain in a state of single bliss but now we know another perfectly legitimate reason.

We don't have to look at one of those grizzly-bewhiskered mugs across the breakfast table every mornin' until after Pioneer Day.

(Now watch complainin' wives come to their husband's defense.)

SUNDAY'S CURRENT QUESTION

Should Korean War Be Extended by Economic Blockade and Bombing?

Do you believe the United Nations should extend the war in Korea by bombing Manchurian bases and imposing an economic blockade on the Chinese Communists?

Mrs. Lester Funk—No, I don't. I would like to see them get peace, but I don't feel like extending the war will do it.

Mrs. E. H. Scott—It looks to me like we should get it over with. It seems like all we are doing is just lasing boys slowly but surely. If we could just get in there and get it over with, we would be better off.

Mrs. A. W. Goforth—I am very much inclined to believe that we should go right ahead and go in there instead of stalling around more or less like we have been. It seems like we are at an awful standstill.

J. C. Ricketts—Absolutely. It doesn't make sense to have our boys fighting along the line there and killing a good many thousand of them and not let them go back at the other fellow. I don't know why we should allow England or any other nation to be sending in supplies to the people we are fighting.

Mrs. E. F. Drury—No, I don't believe in extending that war—not one minute. It is all uncalled for anyway. It is just unnecessary. I think that it is going to be a long drawn out affair if it keeps on as it is. I think that is what it is for—just to keep us in war.

Jiggs Hartman—From a military point of view, I would say yes, definitely.

Washington Merry-Go-Round

ROP Strategy

AT AN explosive Republican senatorial strategy meeting, the big GOP guns warned against tying the Republican party too closely to MacArthur's kite.

One of those who led the warning was Senator Taft, whose friends have been worried that MacArthur might crowd him as the GOP presidential candidate in 1952.

"We don't know what MacArthur is going to say when he gets here," Taft told the strategy meeting. "As a political party we should keep out of this."

Senator Millikin of Colorado chimed in that occasionally past "conquering heroes" had come home and put their foot in their mouths. He recalled that Admiral Dewey, the conqueror of Manila, got a hero's reception and was presented with a free house, then transferred the house to his wife. Millikin also cited Charles Lindbergh, who came home to a hero's welcome and later made some remarks that offended religious groups.

However, the sharpest Republican fire was concentrated on Senator Cain of Washington for putting the Republican party on the spot with his resolution declaring war on China.

Senator Wherry of Nebraska, who has been Secretary of State Acheson's bitter foe, actually snorted: "As far as the Cain resolution is concerned, I am on Acheson's side."

Senator Young of North Dakota warned that declaring war on China would do "more damage than anything that has happened in the Republican party in five years."

Cain Argues

However, Cain tried to defend his position by arguing that his real purpose was to "pin this war on Truman as Truman's war."

He pointed out that the President in his April 11 speech mentioned war 21 times. However, Cain's colleagues failed to follow his reasoning.

In the end, Cain insisted that he had promised to introduce the resolution and intended to go through with it. However, he agreed to make a statement that his only purpose was to focus attention on the China issue, since Truman had already got the country into war.

The most explosive outburst

of the closed-door meeting came from Indiana's wild Senator Jenner. He was sparrred out of his seat by a remark from Senator Taft that "no responsible Republican senator would advocate impeachment."

To this Jenner shouted angrily: "I may not be part of the responsible Republican leadership, but I have my own opinion."

He demanded immediate impeachment of President Truman and used considerable profanity in demanding it.

Senator Ecton of Montana tried to soothe Jenner by explaining that it was up to the house to bring impeachment proceedings and the senate was supposed to act as a jury. Ecton cautioned that it would be improper for a senator who was supposed to sit on the jury to express advance opinions about impeachment.

Just drop all agitation for better roads, more telephone poles in the country, more rural light poles, etc. and concentrate on water pipes.

As I look back on my life out here, it seems to me nine-tenths of my troubles could have been solved by a good rain at the right time, although I reserve one tenth that can't nobody remedy, a sort of reserve pool for complainin' gen-

WOUNDED IN TEXAS, NOT KOREA

Pfc. Frank Dominy, just back from Korea, where he was for a time a prisoner of the communists, was seriously injured Tuesday afternoon at Wellington when he fell from the fender of a car on which he was riding, with the vehicle passing over his body, according to The Wellington Leader. The same story has been repeated by many veterans of actual combat—seems our own autos are just about as dangerous as our enemies overseas.

WATER SHORTAGE POSSIBLE

If rains do not come soon, The Canyon News reports the city may have to ration water. The city has plenty of water, but there is a decided lack of distribution facilities to carry all of the water to the people who are using it.

TWO INCHES RAIN

The Wheeler Times reports Wheeler has had two inches rainfall—why don't they pass it around? "We would be even more thankful if the wind didn't get up and blow a gale the next day and take away a good portion of the moisture which fell on the previous night. . . . JUST A COUNTRY PAPER

The Briscoe News, Silverton, pays tribute this week to "The Country Weekly Paper: "There's a little country paper that I love to sit and read—a paper queerly printed and behind the times indeed, with pages small and narrow and ink inclined to spread, and here and there a letter gravely standing on its head. . . ."

EVERYONE GETS FACE-LIFTING

Shamrock, Canyon, Friona, and many other towns will already have finished their spring "face-lifting" by the time the clean-up campaign starts in Hereford on May 14. Panhandle towns go all out for spring housecleaning just as do the housewives everywhere.

UNUSUAL LITTER OF KITTENS

Sally, a white cat, gave birth to a strange litter of kittens in Las Vegas recently. Two were ordinary animals, but the other two were marked like a bobcat. Julie Lily and William Sportsman, who were pictured in the Las Vegas Review-Journal with the strange litter, said that Sally, like the perfumed Persian, went wandering and ran into a bobcat woh taught the mother she shouldn't wander around in strange places without an escort.

KILLED BY 22 BULLET

After shooting a rabbit to use for fishing bait, W. A. Rattan Jr., age 27, handed his 22 rifle to a companion and got out of his car to get the rabbit. The gun accidentally discharged, killing Rattan, reports the Matador Tribune. The father of the victim said the gun did not have a trigger guard and that any slight touch against the car could have probably caused it to discharge.

CHILDREN HAVE ANSWERS

At Memphis the children have the answers—recently students in the first, second, third and fourth grades were assigned a simple subject, "Why We Need a New School Building." About 350 students wrote themes using such words as unsafe, crowded, poor lighting, wornout equipment and building, uncomfortable seats, danger from fire, etc. Residents of the Memphis school district voted on a bond issue Saturday to determine whether or not a school improvement program costing \$275,000 would be instituted.

HAIL AS BIG AS HEN EGGS

The McLean News ran photographs last week of hail "as big as hen eggs" to prove their story of thousands of dollars damage in a hail storm earlier. Four large hail stones pictured were nearly as large as the eggs on each end of the line. The photographer says he kept the hail stones in a refrigerator overnight in order to make the photo.

CONG. ROGERS REPORTS

Middleman Will Be Only One Helped By Price Ceiling Regulations

Last Week's Letter

Appropriations Bills: The economy knife of this Congress is still sharp and there is no let up in the severe cuts in the appropriations bills. Most of the committees have been economy minded and have made sizable cuts in the appropriations bills before presenting them to the House. However, this has not fully satisfied the membership and further cuts are being made on almost all of the matters not directly connected with defense. For instance, the Independent Offices Appropriation Bill as reported by the Committee on Appropriations was 666 million dollars less than the budget estimate. Further reductions were effected by rescission of contract authorization for public works advance planning, rescission of uncommitted authorization to make loans for prefabricated housing, and reduction in loans in public housing; the total further reduction amounting to approximately \$747 million. This Congress is not only looking for the big reductions, but it is fully aware of many small items that can be cut from these appropriations bills. For instance, \$85,000 was taken away from the Atomic Energy Commission. This had been earmarked for building a dog and cat hospital. \$114,000 was taken from the appropriation for preliminary work on flood control surveys, \$245,000 from salaries and expenses of the Federal Trade Commission; \$575,000 from salaries and expenses of the Federal Communications Commission; \$1,426,000 from expenses of the General Services Administration; \$500,000 from general expenses of the Interstate Commerce Commission; \$1,050,000 from salaries and expenses of the Civil Service Commission.

between eight and nine billion dollars. I do not want to overburden you with this type of information, but it is most important and certainly of interest to every American citizen. Many of the cuts in these appropriations are long overdue. **Price Ceilings:** The price ceiling orders continue to confuse the public and create burdens that the people are going to resent. Many of the small merchants have found it impossible to provide the information required by some of these orders. It seems that many of the bureaucrats think that the average business man has nothing to do but fill out forms and provide information for government employees to tabulate. Apparently it has never occurred to these bureaucrats that the business men must devote some of their time to making a living and trying to keep their doors open. Many of the Members have told me that they realize now how the powers created for stabilizing the economy were too far-reaching in many instances and that there must be some limitations put on them.

My reason for talking to many of the Members about this is because I was not a Member of Congress at the time of the creation of those powers and I wanted to find out firsthand just exactly what was happening at the time those powers were created. The ceiling price regulations on beef are not going to help the housewife. The only people that I can see who will be helped by this order are the packers, of the so called middlemen. The roll-back on the producer eventually is going to amount to approximately 27 percent, and any person in the cattle business knows that a man cannot stay in business a duffer such a set back as that.

An additional damage that is most important is the fact that much of the beef will be slaughtered before it has attained its full weight, and the result will be that the surplus in beef that has been built up in this country, and continuing to be built up, will be dangerously reduced, and this reduction will be felt within a short time. The result will be that the shortages will create a much higher demand and the possibilities of an uncontrolled black market will certainly be great.

Disbanding of Construction Industry Advisory Committee: An example of unsound bureaucratic practices was seen this week when the NPA's Construction Industry Advisory Committee was advised that it was unwieldy and would be disbanded. This committee is composed of 28 representative business men from different parts of the United States. They come from their homes and far distant places at their own expense and give freely of their own time to act in an advisory capacity to the National Production Authority. It seems that this free enterprise committee disagreed with the policies of the National Production Authority and is to be disbanded. Such unwarranted action on the part of the NPA is not go-

Bluebirds Entertain Dads Friday Evening at Bluebird County Fair

All three groups of Bluebirds entertained their Dads at the "Bluebirds County Fair" Friday May 4 at the hut when the girls brought supper for themselves and their dads in gaily decorated boxes.

Dividing into teams, the Bluebirds and dads played several games. A game strictly for the Dads was a guessing game—each man recording his guess of the number of macaroni shells in a jar. Eldon Craig won the game with his guess of 456. Guesses from 255 to 2054 were recorded by the men.

No women were allowed for the evening's entertainment. Dads attending with their daughters were Eldon Craig, J. M. Townsend, Bruce Wooddell, Clarence Strange, C. R. Gandy, Elmer Patterson, Keller Muse, Ernest Kendall, Ben Childers, Wilton Lillard, Ray Downey, C. J. Crump, Kenneth Coker, Fritz Christman, Don Moore.

Music Students Will Be Presented By Mrs. Snyder Tuesday Evening

Two recital programs have been announced by Mrs. Glenn Snyder in observance of National Music Week. The first will be Tuesday evening, May 15, at the First Baptist Church, and the second is scheduled for Monday evening, May 21.

Program time Tuesday evening is 8 o'clock when a varied program of solos and ensemble numbers, including several two-piano numbers, will be presented.

Students participating will be Nancy Parsons, Bette Jean Noland, Sondra Brumley, Carolyn Knox, Douglas Womble, David Brumley, Judith Raye Haseloff, Zell Crump, Glenna Gault, Mary Ann Young, Linda West, and Loretta Straffuss.

Clearman said those who attend may go directly to the experiment station or may meet at the court house to leave in a group by 12:45.

The public is invited.

Easier Canning Is Aim, Fairview Club

Mrs. Jack Higgins was hostess to the Fairview Home Demonstration club Tuesday when

Mrs. LaNoy Tooley was in charge of the program.

After Mrs. Tooley discussed "Ways To Make Canning Easier," the members gave viewpoints on their own experiences on the subject.

Demonstrating some professional finishing touches, Mrs. Tom Draper gave the club its fifth demonstration on clothing construction.

Refreshments were served to Mesdames Wayne Higgins, Joe Gill, Byron Campbell, Tom Draper, LaNoy Tooley and the hostess.

The next meeting will be a program on farm safety given at the community house.

You bet 'um. With an automatic electric range, you can go where you please and leave Reddy in the kitchen for he'll see that your complete oven dinner starts to cook at the hour you want and he'll have it ready any time you desire — just set the automatic timer, that's all there is to do.

Now that pleasant summer days are coming — days for being out with your children — days for working in the garden — days for just plain old loafing — don't be tied to your kitchen. Instead, let Big Chief Reddy sit 'um and watch 'um your automatically prepared meal.

See the modern electric ranges your local appliance dealer is now displaying. Let him show you how to leave the kitchen to Reddy while you leave.

Nick Milburn celebrated his fourth birthday at a party given by his mother, Mrs. N. E. Milburn, Tuesday afternoon. Bright balloons and tall hats were given the little folks as favors and after gifts were opened and admired the group adjourned to the back yard for some fun in a new sand pile, a birthday gift. The group is shown in the picture around the refreshment table as they sang "Happy Birthday" and Nick blew out the candles. Reading from the left around the table are: Douglas Watson, David Kendall, Larry Womble, David Hill, Kyle Kendall, Jerry Lon McCaslin, the honoree, Beepers Muse, Billy Blood, Steve Seigler, Dickie Combs and Lewis Barnett.—Brand Staff Photo.

MRS. FRANCIS HARDWICK

Angel Food Tops List for Strawberry Short Cake

Angel food cake is good around the year with each season suggesting its own particular way of serving. In the winter its good with rich holiday desserts, in the fall its wonderful for school lunches and in mid-summer its the perfect accompaniment for ice cream and sherbets. Right now when strawberries are flooding the market its a wonderful time to make angel food shortcake. Its delicious party food at any time.

Of a necessity, recipes for angel food cake vary little, but there is a difference worth trying in this one which Mrs. Francis Hardwick has used for over twenty years. Years ago Mr. and Mrs. Hardwick stopped at a rancher's home near Ros-

well, N. M. to look at some cattle and after eating some of the angel food cake, she obtained this recipe. During the years she has tried other recipes but always finds herself returning to this one. She uses it in many ways, sometimes baking it in the usual way and sometimes in a flat pan to cut in squares. Here is the recipe:

- Angel Food Cake**
- 1 1/2 cups egg whites and 1/4 teaspoon salt
 - 1 1/2 cups sugar
 - 1 cup cake flour sifted several times
 - 2 teaspoons cream of tartar
 - 1 teaspoon lemon juice
 - 1/2 teaspoon vanilla and a few drops of almond flavoring.
- Add salt to egg whites and beat until foamy. Add lemon juice and continue beating. Add cream of tartar and beat until whites form peaks or holds shape. Add sugar gradually and fold in flour, about 4 tablespoons at a time, and add flavoring.
- Place in preheated 300-F oven and bake one hour. Turn pan upside down and allow to cool. Pull cake gently from pan and top with your favorite icing, or slice and top with fresh strawberries.

Mary Martha Class Has Study Lesson

Mary Martha Class of the Methodist church met Thursday afternoon with Mrs. E. F. Drury with Mrs. Joe Poindexter presiding.

Mrs. Tom Alderson gave the devotional lesson from the current study book "Call it a Day" using the chapter on Revelation in Power for her subject.

Refreshments were served to Mesdames W. M. Stovall, Joe Poindexter, R. L. Dowell, Tom Alderson, C. E. Williams, J. W. Powell, Roy Robertson, Price Prather, O. B. Russell, Viola Griswell, W. J. Stanford, M. T. Sparkman, C. J. Cummings, Frank Terrell, Billy Graham, Kelly and the hostess.

Wedding Rites Are Announced

Announcement has been made here of the recent wedding of Billee Ray Johnson, daughter of Mr. and Mrs. Ray Johnson of Summerfield, and Capt. L. P. Hansen, son of Mr. and Mrs. H. M. Hansen of Grand Island, Nebraska.

The couple went to Springerville, Ariz. for the ceremony which was performed at the LH Ranch of Mr. and Mrs. Robert Hooper, close friends of the couple, by the pastor of the Springerville Presbyterian Church, Mr. and Mrs. Hooper served as attendants.

The bride was attractive in a rose linen frock with white accessories and she carried a sheaf of majestic daisies. Roxanne Hooper was the ring bearer.

Mrs. Hansen is a graduate of Hereford High School and attended WTSC Canyon. She has been employed in the offices of the Lubbock Avalanche Journal.

Capt. Hansen attended Nebraska schools, graduating from the University of that state. He served in the U. S. Air Corps in Italy and the Far East during World War II.

The couple has returned to Lubbock after a wedding trip and will make their home there for the present. He is commanding officer of a Supply Squadron at Reese Airforce Base.

The couple stopped here enroute from the wedding trip to Mexico for a brief visit with her parents.

Mrs. L. O. Humes of Honolulu, Hawaii, arrived here this week to visit her daughter and son-in-law, Dr. and Mrs. Clyde Rush. Mrs. Rush and her mother are to spend two weeks visiting relatives in Colorado and El Paso. Mrs. Hume's mother and sisters live in El Paso.

BY HAROLD R. FOSTER

Synopsis: PRINCE VALIANT IS ON A MISSION TO ROME TO ASK THE CHURCH FOR AID IN BRINGING CHRISTIANITY TO THE LAND OF THULE. WITH HIM GO SHREWD RUFUS, BOLD EGIL AND YOUNG ARF, IN THE HOPE THAT AT LEAST ONE MIGHT SURVIVE THE PERILS OF THE LONG JOURNEY. NOW THEY ARE IN ROME AND ONLY ARF IS MISSING, LEFT BEHIND IN A CONVENT WITH FROZEN FEET

ROME IS A DYING CITY. ALL THE WEALTH, POWER AND LUXURY ARE IN THE POSSESSION OF A FEW; POVERTY IS THE LOT OF MANY.

SEEKING AN INTERVIEW, THEY ARE MET BY COLD HOSTILITY, FOR ROMANS HAVE BITTER MEMORIES OF NORTHERN WARRIORS.

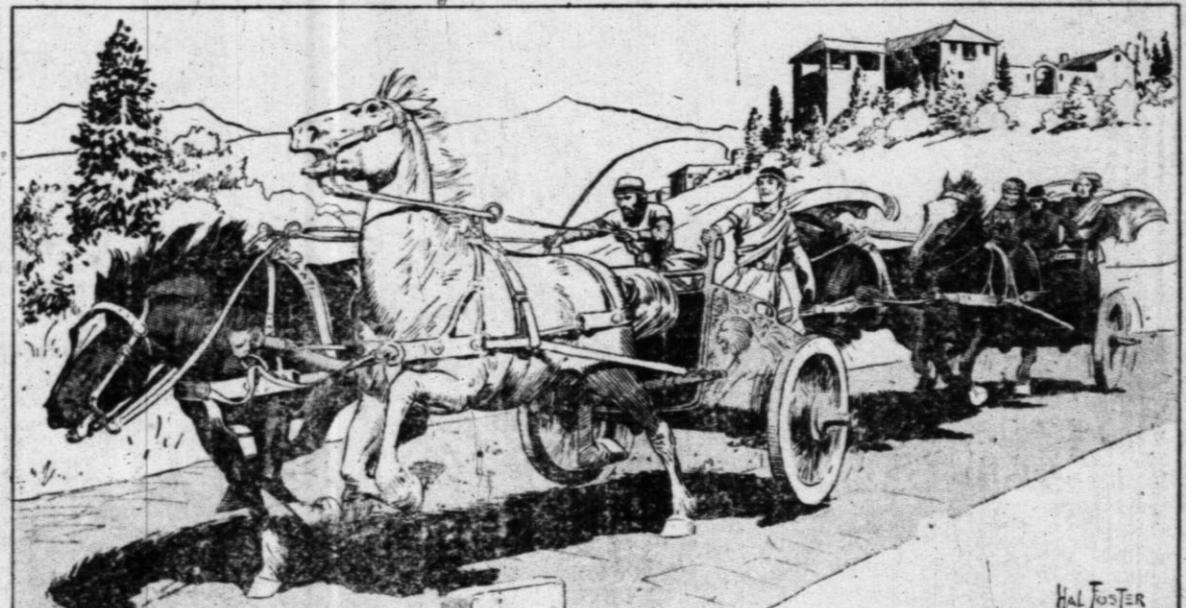

BUT VAL, WHOSE MOTHER CAME FROM A NOBLE ROMAN FAMILY, CAN LOOK THE PART WHEN PROPERLY GARBED AND BARBERED.

THERE IS A SAYING, 'WHEN IN ROME, DO AS THE ROMANS DO'-- SO BY BRIBERY VAL WINS PAST THE GUARDS AND STEWARDS AND REACHES A MINOR CITY OFFICIAL.....

..... ONLY TO LEARN, AFTER ALL THESE WEEKS OF DELAY, THAT THE POPE HAS MOVED TO RAVENNA, FAR FROM THE CORRUPT AND RUINED CITY.

VAL IS IMPATIENT. ORDERING THAT THEIR HORSES AND GEAR FOLLOW, HE SETS OUT FOR RAVENNA BY FAST EXPRESS AND LEAVES BEHIND THE SPLENDID, SOILED CITY THAT ONCE WAS MISTRESS OF THE WORLD.

NEXT WEEK - Mission Accomplished.

BLONDIE

NOW, HERE'S AN ARTICLE THAT PROVES WHAT I'VE ALWAYS BEEN SAYING MYSELF

WHAT'S THAT?

IT SAYS THERE'S NOTHING MORE RELAXING AND SCOTCHING FOR TIRED NERVES THAN TO LIE IN A TUB OF HOT WATER AND SOAK

WELL, WHY DON'T YOU DO IT?

FIRST, I WANT TO MAKE SURE EVERYBODY'S HAD THEIR BATHS--I DON'T WANT TO BE DISTURBED

I'VE HAD MY BATH

WE HAD OUR BATHS, POP

GOOD-- THEN I CAN LIE IN THAT DELICIOUS HOT WATER FOR AN HOUR AND SOAK AND RELAX

AS LONG AS EVERYONE'S HAVING BATHS, I MIGHT AS WELL GIVE THE PUPS THEIRS

WAIT-- YOU'RE USING ALL THE HOT WATER AND THERE WON'T BE ANY LEFT FOR ME

OH, MY GOODNESS, WE'D BETTER SEE

THERE-- THERE'S A NICE TUBFUL OF HOT WATER FOR YOU

LUCKY I, SPOKE-- THAT'S THE LAST OF THE HOT WATER

I'M GOING TO STOP WORRYING AND JUST LIE IN THAT TUB AND SMOKE AND READ

COME, PUPPIES, MAMA WANTS TO GIVE YOU YOUR BATH

NOT UP THERE-- YOU'RE GOING TO HAVE YOUR BATH IN THE LAUNDRY

THEY THOUGHT I MEANT IN THIS TUB

ANYWAY, DEAR, THAT'S BETTER THAN THE INDIANS HAD

HUSBANDS ARE A SORRY LOT!

MANDRAKE THE MAGICIAN

BY LEE FALK & PHIL DAVIS

MANDRAKE AND LOTHAR CLIMB UP THE SWAYING CABLE, THOUSANDS OF FEET IN THE AIR, AS THE HOUSE THIEVES SHOOT AT THEM FROM ABOVE--

1

CAN'T YOU HIT THEM?

HARD TO GET A BEAD ON THEM--THEY'RE MOVIN' SO FAST--CAN'T EVEN SEE THEM NOW--THEY'RE RIGHT UNDER US!

2

THEY CAN'T SHOOT AT US NOW--WHAT WE DO? CAN'T STAY HERE FOREVER--WIND SO STRONG--SO COLD--

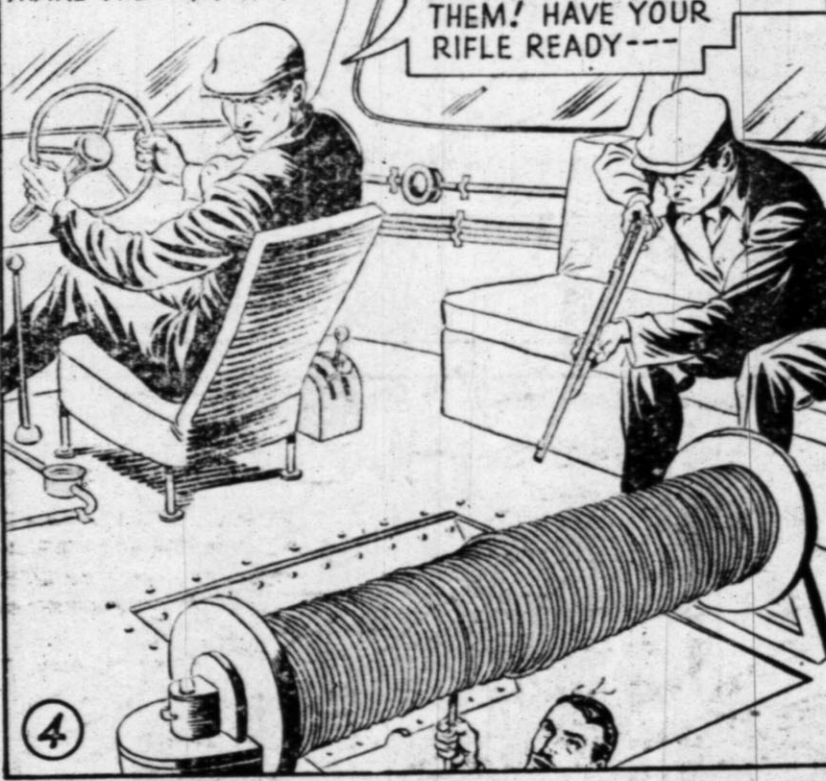

I CAN'T THINK OF ANYTHING TO DO RIGHT NOW--BUT HANG ON!

3

BUT THE HOUSE THIEVES MAKE THE NEXT MOVE--

PULL THEM UP HERE INTO THE CABIN! THEN WE'LL FINISH THEM! HAVE YOUR RIFLE READY--

4

YOU MADE A GOOD TRY--BUT YOU'RE THROUGH! WE'RE GONNA DUMP YOU OUTA HERE--

WAIT! DUMP US OUT OF--WHERE?

AS THE THIEF IS ABOUT TO SHOOT, MANDRAKE GESTURES HYPNOTICALLY--

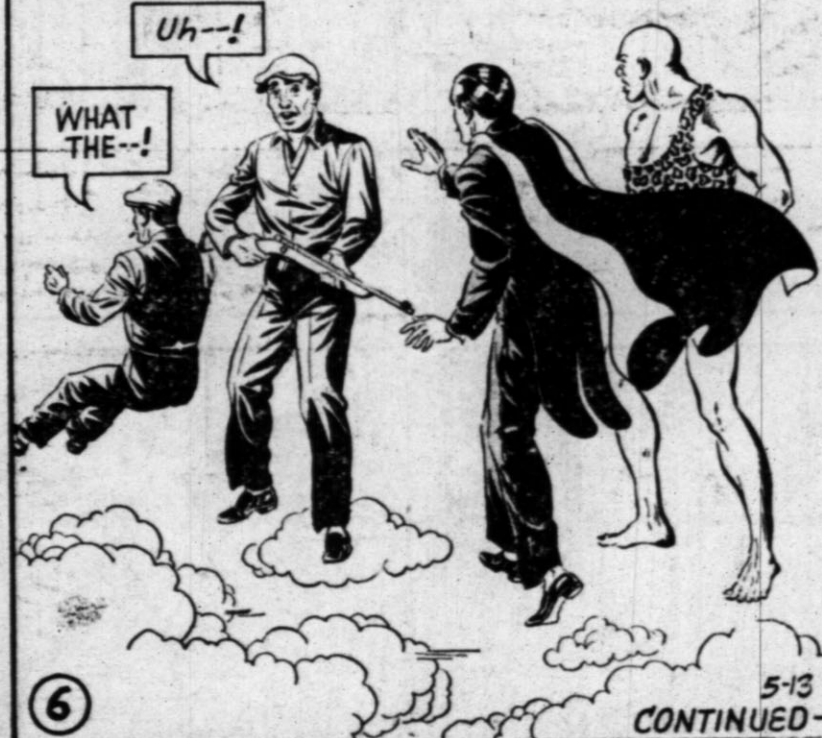

5

--THE DIRIGIBLE CABIN SEEMS TO VANISH--THEY ARE ALL STANDING IN MID-AIR--IN SPACE--ABOVE THE CLOUDS!

Uh--!

WHAT THE--!
