52nd YEAR—NUMBER 2

SIGHTS, FACES SEEN

Around Town

Bill Forbus, trumpeter and son of Mrs. Carl Forbus, and Alex Schroeter, bass drummer and son of Mr. and Mrs. A. J. Schroeter of Hereford are with the Hardin-Simmons University Cowboy band, which is on a concert tour of eight Texas cities this week Tuesday through Friday, Jan. 11. In addition to the concerts the band is appearing on a television program over WFAA TV, Dallas, Wednesday morning.

Stockholders of the Hereford Community Hotel corporation are reminded by President Henry Sears of the meeting to be held in the Hotel Jim Hill ballroom Saturday, Jan. 12 at 2:30 p. m. All stockholders are urged to attend.

Tuesday, Jan. 15 is the deadline for individuals to sign up on a separate Blue Cross contract. Applications are being accepted at the Deaf Smith county hospital.

A fire Monday at the Van Col sharp residence on 25-Mile avenue which started in a gas floor heater was extinguished by the Hereford fire department with only minor damage.

Mrs. R. R. Wills suffered a cut finger on her right hand Tuesday when she was opening a canned ham. Eight stitches were required to close the injury.

Firemen were called at about 10:30 Wednesday morning to the J. D. Dodson residence at the west edge of town to extinguish a fire which started from the bathroom hot water heater. The fire was put out by the time (Continued on page 2)

Sgt. Jack Luck Home from Korea Until Jan. 30

Sgt. Jack Luck, son of Mr. and Mrs. P. H. Luck of Hereford, arrived in Hereford last week from Korea.

The Hereford Marine non-com is on a 30-day emergency furlough authorized due to the illness of his father, who suffered a heart attack last November. The elder Luck is now convalescing at his home here.

Luck applied for the emergency furlough last November 17 and has just received authorization for it. He arrived in Amarillo by air, flying the entire distance.

During the extreme weather last week, the plane was grounded in San Francisco.

Luck will return to Korea on January 30. He is a squad leader with a unit stationed at Imjun. He has been in Korea since June, 1951, and has been in the corps for two years.

Jaycees To Name Six Directors On January 15

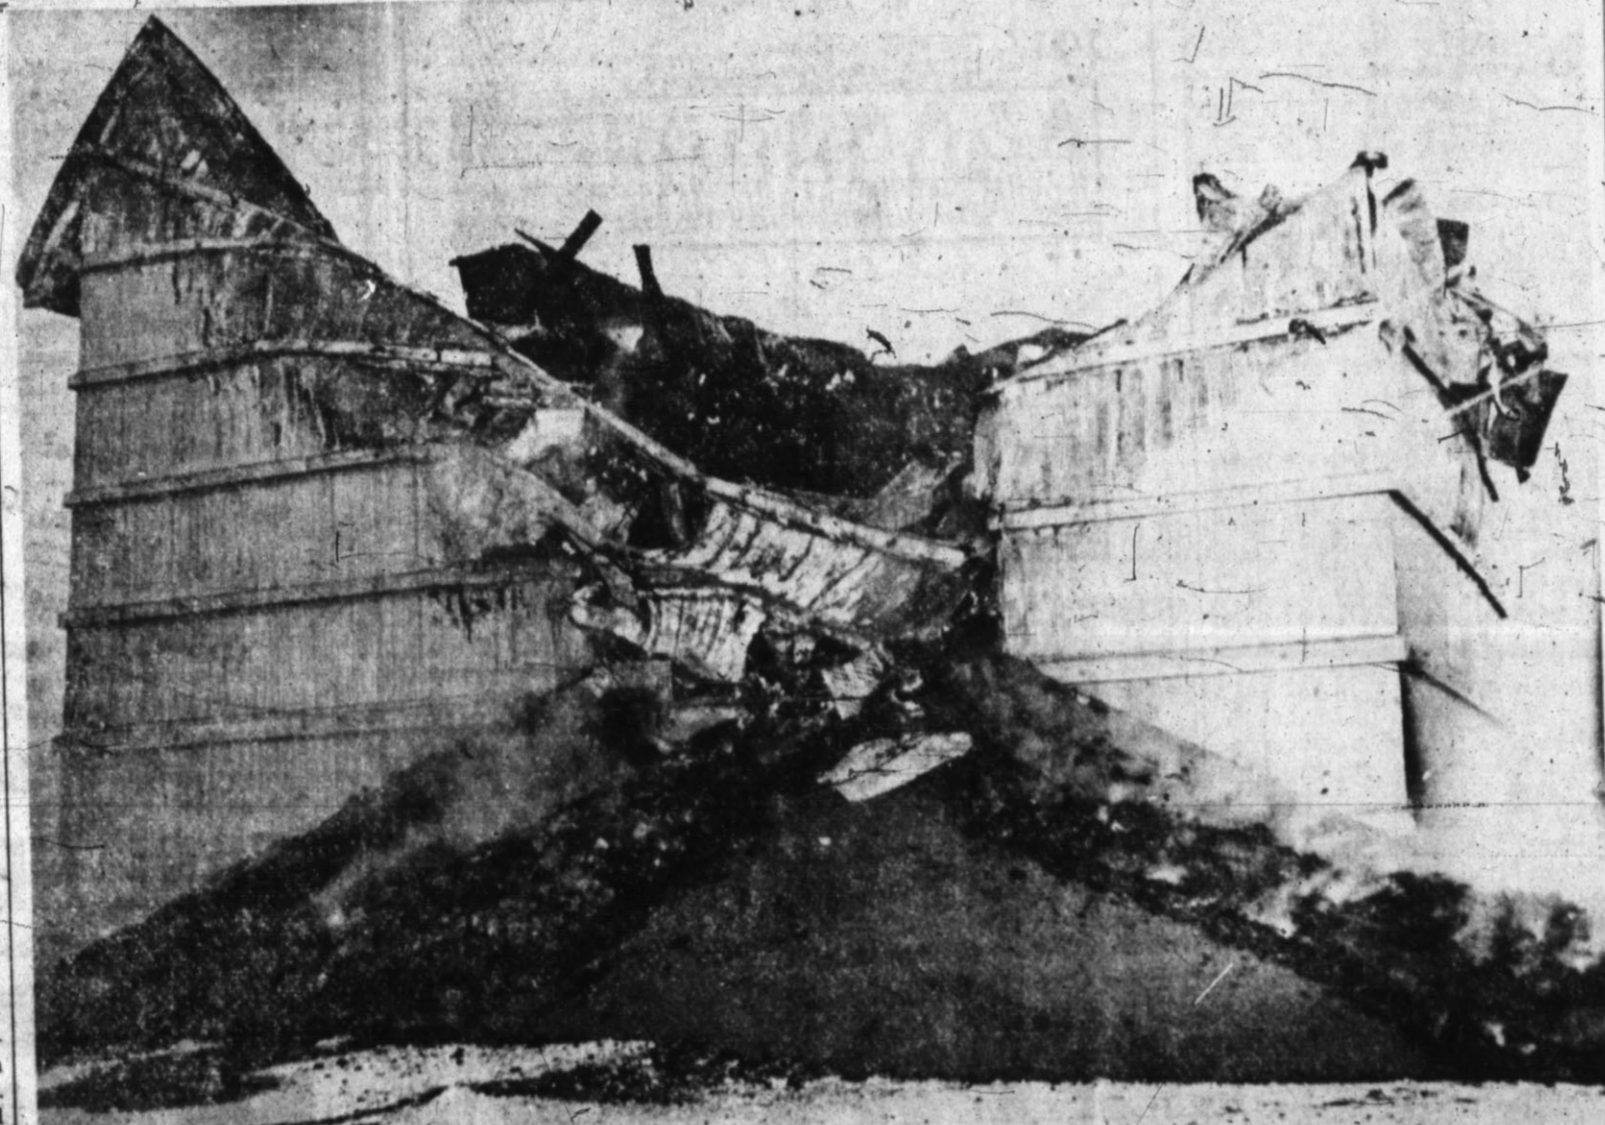

Six new directors will be chosen by the Junior Chamber of Commerce at their January 15 meeting, according to T. J. Clay, president.

Nominees for these six places are: Ray Hardy, Dr. J. W. Barnett, Dick Barrett, Clint Formby, Dean Herring, Bob Lindsey, Frank Miller, Steve Powell, Melvin Young, Glenn Williams, Jay Sullivan, and Ed Skypola.

Retiring directors for the club will be: Ed Skypola, Jim Terry, Dick Barrett, Noland Grady, Frank Miller, Earl Prather, Otis Hall.

Holdover directors will be: Harold Loerwald, Bill Howard, Wayne Thomas, Roy Peet, John Alken and Bob Blount.

Harold LaFont, State representative from Plainview, was guest speaker at the January 8 meeting of the group.

\$50,000 Elevator, Grain Lost In Blaze At Dawn

Fire of an undetermined origin completely consumed the 105,000-bushel Uhlmann grain elevator in Dawn early Monday morning. The sheet metal structure, which was insured at \$50,000, was completely destroyed as firemen from Hereford and Canyon labored in the sub-freezing pre-dawn hours to keep the fire from spreading to two adjoining buildings.

Lack of a useable water supply to fight the fire made it impossible for the fire-fighters to save the elevator, largest of two owned in Dawn by Uhlmann.

Damage to the 90,000 bushels of grain stored in the elevator at the time was not determined, although it was still burning in the middle of the week. The maximum grain loss that could be attributed to Monday's blaze if none of the grain was salvaged would be \$125,000, a spokesman for Uhlmann said.

None of the Uhlmann buildings except the larger elevator fell victim to the blaze. Saved was the office building nearby the elevator, the scales, and a smaller building to the south of the office.

A set of Santa Fe railroad signal wires running just north of the elevator was threatened also, but saved by the north wind which fanned the flames away from the wires.

Meanwhile, the Uhlmann company announced that it is still open for business to ship and receive grain and farmers with grain stored there prior to the fire can transact as they could before the blaze. All grain is insured, a spokesman said. Re-building operations to replace the more than 20-year old structure will begin in the near future, the company said.

The fire was first noticed in the headhouse at 4:40 a. m. Monday morning by servicemen driving through from the east sounded the alarm. They awakened Elevator Manager Lloyd Airhart and the Hereford and Canyon volunteers were summoned to handle the blaze.

Also on hand to fight the blaze was a Santa Fe railroad section crew from Hereford.

Fire-fighters were endangered by falling sheets of metal skin as they popped off the side of the burning elevator.

Airhart told The Brand that the fire broke through on the east side of the elevator first. There were two empty bins on the east side of the elevator over the driveway.

Residents of the apartment over the 'Dawn Oil' company, about 300 feet away, said during the height of the blaze, the heat was so intense that it was uncomfortable at even that distance.

From all that is known, the blaze came through in the head-

GI's Appreciate Christmas Gifts

The war-born practice of sending gifts to members of the armed forces who are spending Christmas on the high seas enroute to overseas assignment is paying dividends, the Hereford Jaycees have found out.

Three notes of appreciation from service men now serving on foreign soil have been received by the Jaycees for the four gift packages they prepared last Christmas.

These four packages were part of a shipment of 20 sent out before Christmas by five Hereford clubs — Business and Profes-

sional Women, Jayceettes, Pioneer Study club and the WOW Circle, and the American Legion Auxiliary.

The gifts were sent to ports of embarkation, both on the east and west coasts. This program was instituted across the nation by the American Red Cross during World War II.

Contained in the gift packets are soap, shaving items, candy, gum, writing material, etc. They are distributed to men who must spend their Christmas aboard ship.

Movies, Slides In New Camera Club

Jep W. Dickerson Jr. was named president of the re-organized Hereford Camera club at a meeting held Tuesday night at Hotel Jim Hill.

Elmer Patterson was elected first vice-president and Travis Caraway was named second vice-president.

Under the re-organization plan, the Camera club will make a strong bid for increased membership, expanding its scope from black and white photography to moving picture photography and color slide photography.

This will give every photographer in the community a common interest in the club, a spokesman for the group said.

Meetings of the new group will be held on the second and fourth Tuesdays of each month at 8 p.m.

in the Chamber of Commerce office until the size of the group demands larger quarters.

The next meeting of the group will be on January 22. At this meeting, Kenneth Coker will discuss "Questions Asked a Camera Salesman" and Curtis Traweck will discuss "Child Photography."

Everyone interested in any phase of photography is invited to attend.

In addition to election of officers at the last meeting, the group also had a traveling salon in which the club participates. Members took out some of their old photographs from the exhibit and put in some new ones.

The salon travels to several camera clubs in Kansas, Oklahoma and Texas.

house. Uhlmann officials said they cannot define the cause of the blaze.

Just west of the burned elevator, the Uhlmann company owns a 15,000-bushel elevator.

The elevator was built in either 1928 or 1930 by the Oberthiers, Airhart recalled.

Balloting Light In Water District Election Tuesday

Balloting in Deaf Smith county for directors and county committeemen for the High Plains Water District No. 1 moved slowly Tuesday with only 72 ballots being cast.

Tom McFarland received 72 votes for precinct director in the balloting here. Reports from the other balloting places in this precinct are not available.

McFarland's name was the only one officially entered on the ballot here.

In the county committeeman balloting, V. E. Dodson polled 70 votes, Gayle Neal 68, Kenneth Rudd 68, Lyle Blanton 1, and John Aiken 1.

Election officials were S. O. Wilson, presiding judge; Mrs. Earl Phillips, Miss Frances Dameron, and D. C. Bernard.

Open Mail Campaign For 'March of Dimes'

Deaf Smith county's "March of Dimes" campaign will assume all markings of a double-barreled undertaking next week as the appeal now being made through the coin collectors is supplemented with a direct mail campaign for donations, according to Gib Howard, "March of Dimes" chairman.

The Hereford Business and Professional Women's club will take charge of the mail appeal, starting their work the early part of next week.

Every attempt will be made, Howard said, to surpass the goal of \$5,000 in the month-long drive.

Plans for other fund-raising activities are crystallizing rapidly, Howard told The Brand. Among the features of this year's drive is the annual "Mother's March" which will be staged again this year by the members of the Child Study club. This march will wind up the campaign on Thursday, Jan. 31.

Roy Ford has been named chairman of a special scrolls committee for solicitation of business places.

Other plans include a dance for the benefit of the "March of Dimes" campaign. Details will be released later.

Plans for another popular money-

raiser, a local talent program over KPAN, are also being made. Dick Lucas who is handling the show, said various local musicians or would-be musicians have been lined up for requests over the radio program, sponsored again this year by the Jaycees.

The array of talent already lined up include John Estes and his "torrid tuba"; Jimmy Allred

and his guitar, and Chairman Gib Howard, and many others. Lucas said Mrs. George McLean will also be on hand to comply with musical requests for the benefit of the drive.

No early report on the financial status of the drive is available as yet, according to the chairman. Additional fund-raising devices will be publicized as soon as plans for them are completed, he added.

VAUGHN

Lt. Colonel Jasper Vaughn took over as Commanding officer of the 1909 Airways and Air communications service squadron at Andrews Air Base, Washington, D. C.

Lt. Col. Vaughn made a business and pleasure trip to California and made a surprise visit with his three brothers, J. D., Bill and John Vaughn of Santa Ana and San Bernardino, Calif. He also visited with his mother Mrs. Ida May Vaughn who is spending the winter in California.

Mr. and Mrs. Harry Kibbe and daughters of Fullerton joined the group at Bill Vaughn's for a visit. It was the first time some of the family had been together since 1946.

County-Wide FB Meeting Planned

Plans were made for a county-wide meeting of the Deaf Smith county Farm Bureau Federation in the near future at a meeting of the board of directors Tuesday night in the district courtroom.

Following the business meeting, the group listened to a recorded speech by Walter Kline, president of the National Farm Bureau Federation.

During the business meeting several of the members volunteered to help County Agent Hugh Clearman in preparing for the Junior Livestock and Poultry show which will be held in February.

Reports were given by the chairmen of the various committees.

Division chairmen for the 1952 Red Cross roll call were announced late Wednesday by Ben Childers, fund-raising chairman for the current year.

Wayne Evans was named to head the advanced gift committee previously. Argen Draper is heading the rural collections, Dick Lucas the business district, Mrs. C. T. Guseman the residential area, and Leland McMurray will conduct the drive among the industrial houses in Hereford.

Don C. Martin is the special gifts chairman. Jim Kirby is public chairman. The kickoff will be Tuesday, Feb. 26 at 10 a. m.

J. A. Pitmans Injured In Auto Wreck Saturday

Mr. and Mrs. J. A. Pitman were injured Saturday afternoon near Tulla when their 1951 Chrysler skidded on icy pavement, smashing into the side of a semi-trailer.

Mrs. Pitman is in Northwest Texas hospital in Amarillo suffering from a broken shoulder and a fractured pelvic bone. Pitman was treated for a broken knee-cap and cracked ribs, but was allowed to return to Hereford on Monday.

The accident occurred at the intersection of the Plainview-Dimmitt highway just outside of Tulla. The Pitmans were on their way to a convention at Fort Worth at the time of the accident.

Pitman topped a small hill just north of the intersection and as he started down, the car hit an icy spot on the road and skidded into the side of the truck.

The Pitman car was a total loss. There was very little damage inflicted on the truck.

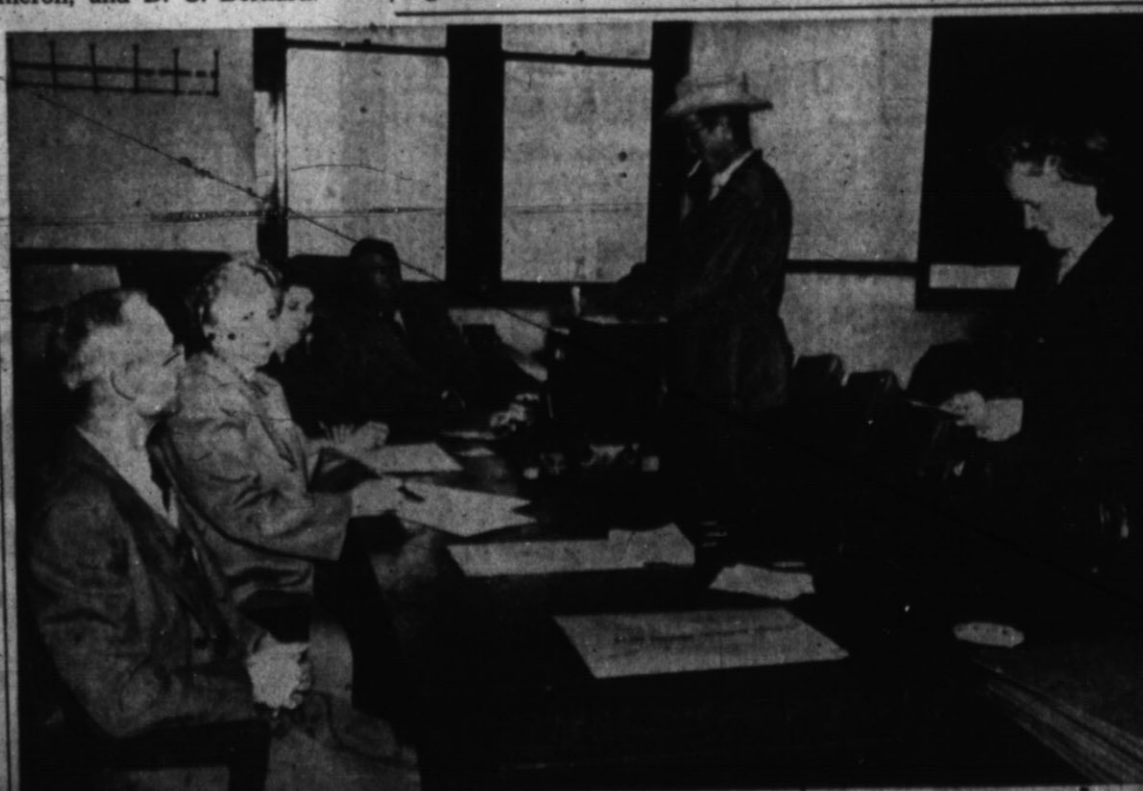

No Charges In Accident Monday

There were no charges filed in an accident which occurred Monday afternoon about 6 o'clock.

Milton Lee Newman, who was driving a GMC pickup west on Fourth street hit a Chevrolet which was going south on Lee.

Floyd J. Wilson was driver of the Chevrolet.

Damage to the two vehicles was not estimated by investigating officers.

VOTING WAS LIGHT in the High Plains Water District election held Tuesday at the courthouse with 72 ballots cast. The above picture was taken during the day while two persons were casting their ballots. From left, above: S. O. Wilson, presiding judge; Mrs. Earl Phillips, Miss Frances Dameron, D. C. Bernard, officials; and Gayle Neal of Dawn, one of the county committee candidates, and Mrs. S. O. Wilson, who was voting at the time.

W. W. Carmichael Rites Wednesday

Funeral services for Woodrow W. Carmichael were conducted Wednesday afternoon at the First Baptist church at 3 o'clock. Rev. R. H. Cagle officiated at the service.

Carmichael was found dead in his car by Lee Cocanougher early Sunday morning about nine miles southeast of Hereford.

The deceased was born on August 22, 1916 in Delhi, Okla. and came to Texas with his folks in 1925 from Delhi. He attended school in Hereford.

Survivors include: his parents, Mr. and Mrs. D. R. Carmichael, his daughter, Lois Ann Carmichael of Hollydale, Calif.; three brothers, P. L. Carmichael, and Troys Carmichael both of Hereford and Loys Carmichael of Liberal, Kans.; three sisters, Mrs. C. M. Brown of Oregon City, Ore.; Mrs. L. E. Griffin of Liberal, Kans.; and Mrs. W. B. Griffin of Borger.

pallbearers were: Clay Angelo, R. F. Day, Pete Garrett, John Moss, C. R. Dameron, and Clinton Jackson.

Ed Lueb, Brother Of Several Local Residents, Dies

Funeral services for Ed Lueb, 56, brother of several Hereford residents, will be conducted Thursday in Tishomingo, Okla.

Lueb died Monday morning in an Oklahoma City hospital following a long illness.

His survivors include: Mrs. J. A. Loerwald, Mrs. J. H. Reinart, Mrs. Fred Pitner and Bob Lueb all of Hereford; Henry Lueb, Dallas; Pete Lueb, Carlsbad; John Lueb, Denver; and Mrs. Carl Wiseman of Gainesville; and his wife and nine children of Tishomingo.

Name Red Cross Division Heads

Wayne Evans was named to head the advanced gift committee previously. Argen Draper is heading the rural collections, Dick Lucas the business district, Mrs. C. T. Guseman the residential area, and Leland McMurray will conduct the drive among the industrial houses in Hereford.

Don C. Martin is the special gifts chairman. Jim Kirby is public chairman. The kickoff will be Tuesday, Feb. 26 at 10 a. m.

Recall 10 4-Fs For Examination On January 30

Ten registrants of the Deaf Smith county Selective Service board who are currently classified as 4-F will be recalled for another examination on January 30, according to Mrs. A. Peterson, clerk of the board.

The recalling of the 4-Fs is authorized by a recent Selective Service bulletin.

None of the men will be classified, however, until or unless they pass the pre-induction examination.

Hereford Downs Adrian Cagers

An aggressive Hereford quintet opened the new year with a bang on January 1 when they downed a visiting Adrian five, 42-38.

Forward Bob Mathers was high point man for the Herd with 18 points boosted through the bucket.

Hereford ended the first quarter on top of a 16-10 count and were never pushed throughout the game, always maintaining the lead.

Adrian, a powerhouse last year has suffered from the loss of three good starters, notable among them are Pinnell and Brown. A hold-over from the 1950-51 squad, Proctor, is the best of the current crop. Proctor paced the Adrian scoring with 13 points.

Hereford plays a return with Adrian Monday night, Jan. 14 at Adrian.

Dimmitt Bobcats Down Hereford Monday, 70-39

A full-strength Dimmitt basketball team took Hereford over the Hurdles Monday night in the Dimmitt plant, outdistancing them 70-39.

Dimmitt was hot and they had the services of two of their stalwarts, Axe and Smith. The two of them accounted for 30 points between them, Axe hitting for 17 and Smith for 13 from the pivot spot.

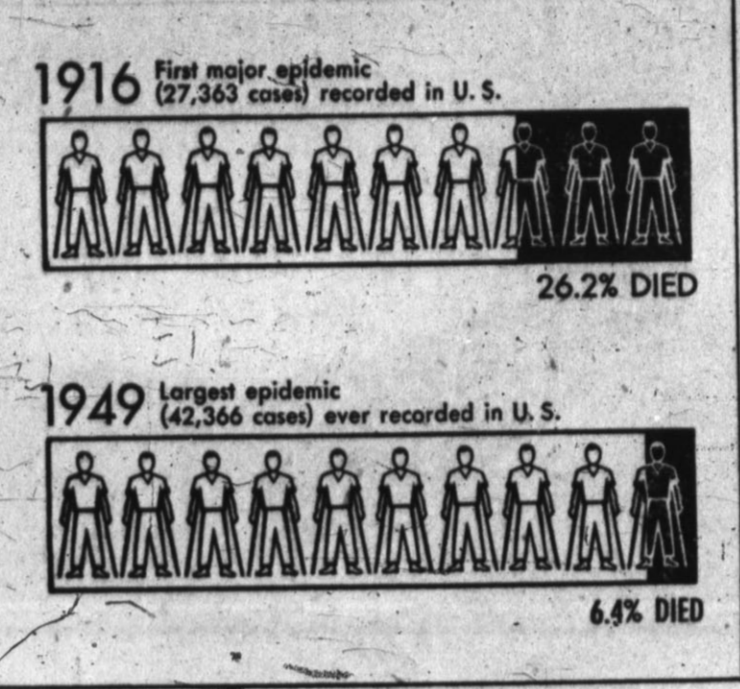

Hereford's Bob Mathis was high-point man for both teams with 24, bucketing 10 field goals and four charity tosses.

Hereford never led the game, ending the first quarter on the short end of a 19-13 count and trailing thereafter.

MARCH OF DIMES HELPS REDUCE POLIO DEATH RATE

The significant reduction in the polio death rate during the past few decades is attributed by the National Foundation for Infantile Paralysis to two factors: 1) more accurate reporting of less serious polio cases in recent years and 2) the greater development and availability of improved treatment methods and equipment made possible in large part by the March of Dimes. January is 1952 March of Dimes month.

Set Issue Date For 4-H Commemorative Stamp Across Nation

America's 4-H movement will be honored with the issuance of a commemorative stamp on January 15.

A special observance to mark the first sale of the stamp will be held at Springfield, Ohio, on January 15. The stamp will go on sale across the nation on January 16.

Stamp collectors who desire first-day cancellations of this stamp may send not more than 10 addressed envelopes to First Day Covers, Postmaster, Springfield, Ohio, with a money order to cover cost of the stamps. Place a medium weight enclosure in each envelope and seal the flap.

This commemorative stamp carries the 4-H club emblem in the center. On the right are a 4-H boy and a 4-H girl. A field of small grain is shown in the lower left corner. From just below the 4-H emblem, a country road runs up by a group of farm buildings in the upper left corner.

The stamp is printed in the green color used in 4-H club designs.

Winter Cover Is Valuable For Feed, Erosion

Anyone who has observed the difference in run-off and erosion from a field that is protected by a cover crop and one that is not, doesn't have to be "sold" on the value of a good cover to protect the land between crops, says Faust Collier, secretary of the Deaf Smith county PMA committee.

He points out that the winter grazing provided is an added source of feed and farm income and the resulting livestock products help meet the Nation's increased food requirements.

Naturally, Collier says, grazing should not begin so early that the cover crop does not have a chance to get a good start. Too early grazing results in a minimum of protection to the land and the feed value is reduced.

Mr. and Mrs. Roy Calvert were dinner guests Sunday in the home of Mr. and Mrs. Bud Minor.

Sleigh-Riding Party Held Friday For Young People of Community

By Mrs. R. C. Childers

Members of a sleigh riding party were entertained in the R. C. Childers home Friday night. The group met at the Clinton Jackson home in town and were pulled by sled to the Childers farm home in near-zero weather. Arriving at the Childers home home were 12 cold snow-covered kiddoes, ready for thawing out and something to eat. The group entertained themselves by preparing and serving their refreshments, which consisted of hot chocolate, cookies, fudge, hot chili and crackers. Those included in the guest list were: Sue Cooke, Wayne Lady, Patsy Jackson, Bobby Jean Drury, Jim Lowery, Colleen Cooke, George Parker, Delton Cockron, Patsy Childers, Jack Parker, Raymon Childers Jr., and Mr. Clinton Jackson and Mr. Muri Parker chaperons of the group, and Mrs. R. N. Cooke, the host and hostess.

The sleigh was built especially for the occasion by Clinton Jackson, which was large enough for about 14 passengers. Those attending the called meeting of the marketing committee Monday were Mrs. E. E. Bishop, Mrs. J. M. Carathers and

keep it on account of the illness of their son Larry.

Members from the Cultural Home Demonstration club attending the council meeting in the County courtroom Monday afternoon were Mrs. Louie Olson, Mrs. J. T. Richardson, Mrs. Paul S. Corbett and Mrs. R. C. Childers. Mrs. Corbett gave her recommendations prepared by the expansion and education committee of which she is chairman. Mrs. Childers gave the marketing committee recommendations to the council for their approval. These recommendations are taken to the individual clubs and

voted on if they carry in a majority of the club then they become plans to be carried out by all of the clubs.

At a called meeting immediately following the council meeting Mrs. Paul S. Corbett was nominated to serve as recording secretary of council. Mrs. George Epting had handed in her resignation and it was necessary to replace her. Mrs. Corbett will be duly elected at the next regular meeting of Council.

Mr. and Mrs. Wayne Johnson went to Pampa on business Monday. They also visited in the home of Johnsons parents Mr.

and Mrs. Earl Johnson south of Pampa.

Bill Hargett and M. F. Finley were callers at the R. C. Childers home Monday night. Hargett is formerly of this community, now of Cotter, Ark. Finley has been to Cotter on business and the two of them have returned to move Finley to Cotter also.

Austin-Johnson of Overton, Texas, has come to stay a while in the R. C. Childers home. Mr. Johnson spent a year in the Childers home several years ago. He has been living with his sister Mrs. W. A. Mathis of Overton.

Raymon Childers Jr. has been invited to play for the Kiwanians Installation of officers, Thursday night at the Jim Hill Hotel. Raymon is to bring his mother as his guest.

Mr. and Mrs. C. S. Barclay attended a watch party in the Delbert Bainum home in Summerfield New Year's eve.

Completion of America's Superliner Rushed by Force of 2,500 Workmen

Some of the 2,500 workmen now engaged in completing the superliner UNITED STATES knock off for lunch. The \$70,000,000 ship, under construction at the Newport News (Va.) Shipbuilding & Dry Dock Company, was christened in June of this year and will make her maiden voyage under the flag of the United States Lines next summer. At that time she will join the present flagship of the line, the AMERICA, in regular transatlantic service. Completed, the UNITED STATES will be prepared to carry 2,000 passengers and a crew of 1,000 in peacetime, or a complete division of 14,000 men in the event of war. The UNITED STATES will be the largest and fastest passenger ship ever built in this country, with a 990-foot length, a beam of 101½ feet, and a speed in excess of 30 knots.

January Draft Examination Quota Boosted

AUSTIN — The number of Texas draft registrants to be examined at armed forces examining stations in January has been raised from 1,880 to 4,271, Brig. Gen. Paul L. Wakefield, state Selective Service director, announced today.

There has been no notification to the local board as to how many more men will be examined here during the month, according to Mrs. A. Peterson, clerk.

Announcement of examination of the original group of 1,880 was made in early December. General Wakefield said his headquarters received the call for the additional 2,391 just before Christmas.

The 2,391 men to be selected will be from among men who have been examined before and failed to pass mental tests given by the armed forces. Under provisions of 1951 amendments to the draft law, these men must be

re-examined because of lowered mental standards now authorized as acceptable.

Among men to be included will be some whose liability for service under the draft law has been extended until age 35. Local boards have been called upon not to order any registrant for reexamination who appears to be eligible for any other deferred classification.

The state Selective Service director said the program of examining men who previously have failed mental tests will "go on for months." He said he was not able to estimate how many would be reexamined before the program is over.

"Our statistics at state headquarters show that we have around 87,000 men classified IV-F over the state," General Wakefield said. "They are men who

have been considered unfit for physical, mental, or moral reasons, or a combination of two or three of those reasons.

"Until a survey of our local boards records is complete, we will not know exactly how many have been classified IV-F solely because of failure to pass the mental test," he concluded.

Social Security Explained For Self-Employed

With everyone being tax-conscious, this is a good time to give some information on social security taxes.

From the year 1951 on, those who are self-employed and have

not heretofore been required to pay social security taxes, will, in most instances, be required to pay social security taxes up to a maximum of \$3600 of salary so derived.

There is a special place at the bottom of the Internal Revenue Form Schedule C for the calculation of your Social Security tax.

Certain groups of persons are excluded from the provisions of this Social Security tax. They are as follows, those whose self-employed earnings are less than \$400.00, farmers, physicians, lawyers, dentists, osteopaths, veterinarians, chiropractors, naturopaths, optometrists, Christian Science practitioners, architects, certified public accountants, licensed or registered accountants, full time practicing accountants, funeral directors, professional en-

Tax Collector Sees Poll Tax Record in 1952

A record-breaking poll tax

engineers, ordained, commissioned or licensed ministers.

All others who are self-employed, come within the provisions of the social security regulations, and must pay a social security tax when they file their income tax return at the end of the year.

The payment of this tax provides for self-employed persons to receive the same benefits as employees under the Old Age and Survivors Insurance Benefits for themselves and their families.

payment is anticipated in Deaf Smith county for this political year, according to J. C. Rees, tax collector.

Up until Wednesday noon, a total of 1272 of the \$1.75 payments had been made at Rees' office. Deadline for paying the tax and thus being eligible to cast your vote is January 31.

Last year, there were 1910 poll tax payments. Not counted in that are the eligible voters who turned 21 during the year of the eligible voters over 60 who pay no poll tax.

The influx into the county since last year combined with the urging afforded by a presidential election, this is expected to be the county's best year for poll tax receipts.

How Can I?

By Anne Ashley

Q. How should a silk umbrella be dried?

A. Do not open the silk umbrella to dry it, as this causes the silk to stretch and become stiff. The proper method is to close the umbrella and turn it upside down. The water will gradually drain off without injuring the fiber of the silk.

Q. How can I make wood weather-proof?

A. Covering with several coats of hot linseed-oil varnish will make the wood exceedingly durable and weather proof.

Q. How can I prevent my canary from picking his feathers and skin after his bath?

A. Add a few drops of cologne water to the bird's bath.

Q. How can I treat a burned cake?

A. Allow the cake to stand until thoroughly cold, then scrape it with a lemon grater. The burnt part can be almost entirely removed, leaving the cake smooth and ready for the icing.

Q. How can I treat sore lips?

A. Mix and apply this solution: One ounce of glycerine, 1 dram of borax, and 1 pint of water.

Q. How can I clean painted walls without using soap?

A. Use two ounces of borax in two quarts of water and one teaspoon of ammonia. Use about half this quantity to each bucket of water, and no soap will be re-

quired.

Q. How can I make a firmer hem when lengthening or shortening a skirt?

A. Take a double stitch every inch or so. This will make such a firm hem that if you rip a few stitches, the rip will not extend for more than an inch.

Q. How can I reduce the shrinking of woollens to a minimum?

A. Observe these three things: Use warm water, use mild soap, and allow to dry slowly.

Q. How can I prepare lime water at home?

A. Lime water can be prepared very inexpensively at home by dissolving a fresh piece of lime into two quarts of water. Allow this to stand for two or three hours, shaking occasionally and removing any substance that may rise to the top.

Mrs. F. H. Miller Gives First Aid Demonstration

Mrs. F. H. Miller gave a demonstration on first aid at the South Hereford Home Demonstration club meeting Tuesday afternoon at the home of Mrs. John Hacker.

Mrs. S. S. Williams conducted a brief business session.

Tose attending were: Mesdames C. R. Hollabaugh, J. H. Slaton, F. H. Miller, A. C. Flowers, O. B. Russell, W. J. Hacker, John Draper, S. S. Williams, Ethel Layman, and Julia Sowell.

France was the first foreign nation to recognize the United States as an independent republic. That was in 1778.

Lone Star 4-H'er Wins Sectional Honors in Soil Conservation

Jerry C. McDaniel

Jerry C. McDaniel, 14, of Gainesville, Texas, was among the 16 4-H'ers named as sectional winners in the 4-H Soil and Water Conservation program. His award, a trip to National 4-H Club Congress, Chicago, was provided by Fivestone. He lives in a section of sandy land where a great deal of soil building is needed.

The family's 82-acre farm is worked almost entirely by Jerry and a younger brother, as their father is employed. The first move was terracing to stop washing away of land. After soil testing, intensive fertilization and contour plowing, the soil was ready for planting. Crop rotation and strip management were practiced. Good pasture management has enabled them to graze 13 animals of improved stock.

Jerry uses vetch as both cover and green manure crop, and finds his program of conservation has increased farm production and improved their home life. He has held all of the offices in his club, has completed 32 projects and earned many awards.

This activity is conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

Texas Cattlemen Searching For Emergency Roughage For Stock

COLLEGE STATION — Texas livestock men are searching far and wide for roughages to feed their cattle this winter. They have been importing hay from the Midwest since last July.

This search has uncovered several emergency roughage materials. Some of these are low in quality but may be used if fed with other roughages of higher quality and a protein supplement such as cottonseed meal.

John H. Jones, animal husbandman with the Texas Agricultural Experiment Station, reports that corn-cob-and-shuck meal, ground peanut hulls, dehydrated green cotton stalks and gin trash are some of the emergency roughages now being fed.

The gin trash being used is free of dirt and consists of cotton burs, leaf trash, small amounts of immature seed and lint. Samples of gin trash have shown from 8-to-12 percent crude protein.

"Most of the corn cobs and shucks in Central Texas have been ground into meal for roughage," says Jones. "Although this feed has a low protein content, it has more fattening value than most of the other emergency roughages. It makes a good bulky kind of feed, suitable as a carrier for cottonseed meal."

Ground peanut hulls are low in protein and very high in crude fiber. Grinding improves the hulls for feeding, and they may be used as part of the filler for cattle. A commonly used mixture consists of 40 percent ground peanut hulls, 40 percent cottonseed hulls and 20 percent cottonseed meal.

One of the most promising emergency roughages is dehydrated green cotton stalks. The preparation of this material resulted from a scarcity of alfalfa for dehydration and the urgent need for feed. Green, leafy cotton

stalks were available, and Joe Varisco of College Station was able to prepare a small tonnage of dehydrated cotton stalk material before frost.

Analysis of a sample of the dehydrated cotton stalks at the State Chemist's Laboratory showed a crude protein content of 10.35 percent and a nitrogen-free extract content of 45.86 percent. The material has good quality, color and smell.

Varisco gave several sacks of the dehydrated stalks to the Experiment Station. J. E. Roberts, superintendent of the Main Station Farm at College Station, reports that cattle eat the material very readily.

Mrs. Ada Hollabaugh Elected Noble Grand Of Rebekah Lodge

Mrs. Ada Hollabaugh was elected recently to head the Rebekah Lodge for the new term beginning January 8.

MRS. HOLLABAUGH

Mrs. Hollabaugh moved to Deaf Smith county with her family in 1937 from Sabetha, Kans. They operated a ranch northwest of Hereford until the two sons entered the service in 1944 when they moved to Hereford where they now make their home.

She has been a member of the Rebekahs for the past five years and has held several offices in the organization before being elected noble grand.

Landscaping Topic For Garden Club

Garden Beautiful club met in the home of Mrs. E. W. Hobson Friday afternoon with Mrs. Joe Poindexter presiding.

Mrs. Mary Seigler was in charge of the program for the afternoon and introduced Mrs. Homer Brumley who spoke on landscaping.

Mrs. Brumley spoke on "Garden Design", stressing the importance of planting gardens to suit the family's needs, which is along the line of functional design. She commented on the value of consulting a landscape architect, but urged the owner to express his own personality in carrying out his plans.

Members of the club attending the meeting were: Mesdames J. W. Kirby, Carl Perrin, Joe Poindexter, J. W. Thomas, S. L. Easley, Mary Seigler, E. W. Solomon, Lisle Woodford, Forrest Minton, Frances Houston, E. W. Harrison, the guest speaker and the hostess.

Homer Brumley has gone to El Paso and New Mexico points on a business trip.

Miss Frances Turrentine left last week for El Paso where she is visiting friends. Miss Turrentine is a former teacher in the El Paso schools.

In Hospital Mrs. J. J. Durham is in a Lubbock hospital where she will undergo surgery this week.

Joe Evans dropped in the other day and he is really, on a rampage. Joe says no one likes to pay taxes, but it makes things all the worse when the government literally wastes the tax money. He says our present administration has spent far, far more in the past six years than the government of the United States spent from 1776 to 1945. He is looking for someone to go on a sitdown strike regarding taxes. He figures a movement could start right here in Hereford and maybe spread over the entire country. I told him he might wind up in jail, but he says look at those women at Kiger who refused to pay the social security on baby

sitters and household help. Joe figures this is the only way left to get something done. He would very much like to see Truman impeached.

More and more people are beginning to feel this way. They are riled up over the graft and fraud and red tape and useless spending. A whole lot depends upon the Republican nomination. If Eisenhower is nominated, I think he will be swept into office on a tidal wave.

However, those Old Line Republicans are a pretty thick-headed bunch and they are just as likely to nominate Taft — and

he will probably lose. The tax situation is nearing the breaking point, though, and this is most true among the working people whose taxes are "withheld" each week or month. Even some of the people on the government payrolls are getting upset over the situation.

I liked the AP report Sunday on the Senior Bowl. . . Among other et cetera, it blandly observed that the South team did not complete a pass in the first half. Further stating that passing by Wade and Parilli was off and they were rushed unmercifully. . . Natural, one leads to the other. . . For Parilli that's just the old L. A. catching up with him, for TCU neglected to discommode. . . This week the National Collegiate Athletic association stages its annual convention in Cincinnati and the sports fan is wondering what the future promises on the collegiate football front after all the de-emphasis prattle and preciosity exhibited by the self-righteous reformers. . . Like I said sometime past

occupy their old moments, leave them take after the Sedgman stink, emanating from the Australian Davis Cup member's impending reception of "a considerable sum of money" (as the Aussie press glibly puts it) as a wedding present. . . Incidentally, the papers in the three principal cities in Australia — Sydney, Melbourne, and Adelaide — are mentioned as soliciting money for this "Sum". . . I note, also, that Maryland, who was ejected by their old conference, has nine games scheduled for their 1952 schedule and six of them are with the powerful Southeastern conference teams. . . They may wind up in that league, which should be toughened up, for the salient reason, (no other required), of supplyint Tennessee with a schedule commensurate to their ranking. Maryland, Georgia Tech, Georgia, LSU, Vandy and Alabama, on the average, would test them adequately. . . The biggies in Collegiate basketball have been taking their lumps. . . West Virginia dumped second-rated NLU 100-75 and Idaho dropped third-ranked Washington, 56-51 last week. . . This season it seems that all it requires for a team to get knocked off quickly is to get a high weekly national rating. . . Kentucky got up there twice and boom, first Minnesota and then St. Louis. . . There is nothing amiss in collegiate football that some applied common sense and a cooling off treatment, chiefly among the afore-mentioned self-righteous reformers, cannot correct. If these S-R-R need something to

Murdock Unveils "Atomic Drop" For Local Mat Fans

Frankie Hill Murdock, the Waxahachie Sandman, gave local wrestling fans a peek at a new weapon he's added to his repertoire, the "Atomic Drop", as he put a three-minute whirlwind

finish to George Overhuls in an Australian tag team match at the Bull Barn Saturday night.

The bearded Murdock was paired with Bob Cummings, Sea-

side, Ore. lumberjack, in the four-man event, the feature of the evening.

Herd Gets 3-1 Mark In Dalhart Tourney

Young 1952 has brought lots of action thus far to the Whiteface cagers as they have pushed two regular contests and a four-card tourney card into the history books since January 1.

There's more to come, for Friday afternoon the charges of Coach Wayne Stark will make a neighborly visit to Friona where they are playing in a seven-team invitational tourney.

The Whitefaces drew Vega for the first round of event.

Other teams in the hardwood parade include Friona, Levelland "B" team, Bovina, Farwell and Lazbuddie.

Last week-end, the Herd took part in the Dalhart invitational tournament with four other aggregations from this section of the Panhandle.

Hot Dalhart walked off with the honors in that event. The Herd pulled up with a 3-1 record.

Hereford's participation got off to a late start in the roundup, scheduled for January 3, 4, and 5.

Hereford played its first game on Friday night because the heavy snowfall hampered the maroon and white from getting to Dalhart on the third.

Stark's quintet lost a thriller to Dalhart in the first go of the round-robin event by a two-point spread, 36-34.

Hereford led Dalhart throughout the entire contest, but the Wolves sank five goals and three free throws in the final stanza to take the game.

Hereford was held to a weak two field goals and three free throws to drop back in the contest.

Mathers was high point man for the Herd with 17.

How'm I Doing, Dad?

This time last year, ten-year-old Charles Andrews, Jr., of Ojai, Cal., had barely survived a life-or-death battle with bulbar polio. Now, his recovery has progressed to such an extent that he can show off in the pool for his father. He is shown with his dad who has become a March of Dimes chairman—and has written a book to help other parents of polio patients, entitled, "Nothing Else to Fear."

ped Whitey Walberg, Reynoldsburgh, O., stragman, in 11 minutes with a Cummings standby, a knee-action leg binder.

The blonde Swede came back in nine minutes with Cummings and totted one for his side with his favorite, a full-nelson. It remained for Murdock to add the usual thrilling climax to the main event with the "Atomic Drop", something tried in Amarillo previously but new to the local eyes.

Following application, Dr. Carl Stapp, local chiropractor, worked on the former Sandie grider for quite a while before allowing him to even leave the Bull barn.

The "Atomic Drop" is a good weapon, Murdock proved conclusively, for putting a spine out of whack. For the hold, he lifts the opponent up from behind and bring him smack down, on his knee, banging the end of the spine.

Anyway, Frankie proved himself a new terror with his "Drop". In the first event of the eve-

ning, Cummings and George Overhuls battled to a draw in a fine match. The length of the bout didn't allow Cummings sufficient time to wear down the younger and more inexperienced Amarillo grappler. The affair went the full 20 minutes.

In the semi-windup, Walberg and Murdock clashed in another fine event. That, too, consumed the full 20 minutes without a fall. Murdock didn't try his "sleeper" in the bout, although Walberg aborted with his dreaded full nelson.

All three events were of the tamer variety—with all the action confined to the inside of the ropes.

Billy Weidner called a good card.

CONG. ROGERS SAYS

Rogers Thinks Truman Won't Run Favors Ike As Two-Party Nominee

The new session of Congress has started, and from all appearances there will be a number of highly controversial issues. Much midnight oil will be burned in settling these issues, as the Congress will want to adjourn at an early date: the reason being that this is a presidential election year and the two major party conventions at Chicago this summer will generate much heat. All factions of both parties will spend much time in preparation for these conventions and for the anticipated fights.

Both parties are split several ways, and this always makes for heated arguments and convention scraps. I do not think that President Truman intends to seek re-nomination. If he does so, it will be the result of a complete change of mind on his part that has taken place within the last 30 days.

The talk around here as to the probable presidential nominee of the Democratic party includes the following: Chief Justice Fred Vinson, of the Supreme Court; Senator Estes Kefauver; Senator Harry Byrd; W. Stuart Symington; and Senator Richard B. Russell. There are others, but these are the most prominent at the present time.

As vice-presidential nominee, we hear the name of Senator Lyndon B. Johnson, of Texas, often mentioned.

In the Republican party the

talk continues to center around Senator Taft. A split in that party is evidenced by the many news reports concerning the leading contenders, to wit: Senator Taft, Governor Warren, Harold Stassen, and of course Tom Dewey, who says he does not want it, but who, I am convinced, could be prevailed upon to accept it.

The names mentioned in both parties of course are the names of those who at the present time have actively or passively indicated their availability. As to what statement General Eisenhower will make, no one knows as of this date, to wit, January 4, 1952, the date this letter is being written.

Frankly, it is my opinion that the nomination of General Eisenhower by both parties would solve many problems, both domestic and foreign, that are presently faced by the people of this country. Either party could provide strong vice-presidential nominees. Such a procedure under the present circumstances would in my opinion meet with the approval of the general public. After all, the general public is supposed to be running this country, and I am certainly not ready for that to be changed. Should Eisenhower definitely reject nomination by either party, this could well be a year of dark horses. Some good level-headed dark horses that are well versed in fifth grade arithmetic might

THE FIVE FINALISTS in the 1952 "Maid of Cotton" contest put on their best smiles before moving into the final round of judging in Memphis, Tenn., to see which lucky one will represent the cotton industry on a tour of this country and abroad. Left to right, they are: Catherine Bailey, Anniston, Ala.; Betty Goozman, Bells, Tenn.; Lucianne Knight, Austin, Texas; Patricia Ann Mullarkey, Dallas, Texas, the winner of the contest, and Allyn Smith, Los Angeles, Calif. be the answer to much of the domestic and political confusion. In order for a man to be qualified for President of the United States it is not necessary that he be a widely publicized figure. There are many, many men who could do an outstanding job as president whose names are not known outside of the section of the country in which they reside. It might do both parties well to explore that source for presidential material.

PROPOSED RE-ORGANIZATION OF THE BUREAU OF INTERNAL REVENUE: The president's proposed re-organization of the Bureau of Internal Revenue has met with both approval and condemnation. Those who are most outspoken in their criticism are the ones who have appeared most anxious for a cleanup.

I do not know whether the President's proposal to reduce the number of district offices to 25 and put these people under civil service will abolish the possibilities of corruption. I do know that it is the only solution that has been offered to date.

With due respect to all parties concerned, I think that it would behoove the critics of that proposal to at least offer an alternative solution. Criticism alone has never solved a problem. The solution must come from construc-

tive thought. It occurs to me that some pertinent suggestions should be forthcoming from the investigating committee. All of the members of that committee are most able and competent and should certainly be able to offer some sound advice. I still believe that both prosecution and stiffer penalties for violations of public trusts would be a great forward step in the right direction. There are too many acts that can be engaged in by public officials on all levels that are not included within the confines of the criminal law as being illegal, although the acts referred to would definitely be considered immoral.

A public official should be as vigilant to avoid the commission of an immoral act as to avoid the commission of an illegal act. It is this practice is not going to be

Aluminum Ware

If aluminum ware is discolored in the inside, fill with a cold weak solution of vinegar and water (1 tablespoonful to a quart), bring slowly to a boil, and let boil for five minutes. Polish inside with the finest-grade steel wool, and outside with sifted whiting applied with a damp piece of cloth, and occasionally with the steel wool.

Rubber Gloves

The rubber glove for the right hand usually wears out sooner than the left one. If so, try turning them both inside out and wearing them on the opposite hands for a while. In this way gloves will wear evenly.

Opaque Glass

If it is desired to make some glass surface opaque, rub over it with a lump of putty. Apply evenly and carefully, rubbing one way only.

Scars from Burns

Scars caused by burns can often be removed entirely by massaging with pure olive oil. Use the finger tips and massage lightly with a rotary movement. It often takes many repeated treatments to do the work. Be persistent.

Deodorizing Bottles

A good bottle deodorizer is black mustard seed. Pour a little of this seed with lukewarm water into the bottle. Then rinse it thoroughly. Repeat the process if necessary.

French Dressing

Try making French dressing with half lemon and half lime juice. This will make a good dressing for fruit, vegetable or

fish salad. Satin Slippers Satin slippers that have become shabby at the toes will look like new if they are given an application of wood alcohol rubbed the same way as the satin. This applies only to black or very dark slippers. Burned Dishes Use borax water for removing the brown stains on dishes caused

Rag Rugs

If rag rugs are frayed at the edges, cut off the fringe and with ordinary wrapping string crochet an edge on the rug. It will add to the appearance and the rug lasts much longer.

Apple Balls

Apple balls make an attractive winter garnish. Cook one-inch apple balls until tender in sugar syrup colored red or green. Use them for touching up appetizers, salads, or dessert or for garnishing the turkey platter or vegetable dishes.

Hazards, Inconveniences of Snow Overshadowed By Needed Moisture

By Bertha Frye
The weather made the biggest news of the past week. The farmers are jubilant over the snow and moisture even though driving and walking was hazardous and inconvenient.

School was resumed on Wednesday after the Christmas and New Years holidays, however the buses were unable to run all week.

Mrs. J. D. Bruner, teacher of the first and second grade pupils, was ill all week and unable to teach. Mrs. Reece Stewart taught for her on Wednesday.

Mr. and Mrs. Walter Beavers received word of the sudden death of Mrs. Granvill Billingsley of Frankston. She is the mother of Mrs. Wesley Cox. Mr. and Mrs. Wesley Cox and sons are remaining at Frankston, where they had gone to spend the Christmas holidays. The com-

munity extends deepest sympathy to the family.

Mr. and Mrs. Robert Oglesby and twin babies were guests last week in the Ray T. Stewart home.

Miss Dorota Stewart was ill last week and unable to attend school.

Mr. and Mrs. Baker Womble and Sallie were supper guests of the H. H. Millers on New Years Day.

Carol Miller returned to school at College Station last Wednesday.

Inez Wedel and son Karl returned from a visit to her aunt and grandmother at Fort Worth last Thursday.

Mr. and Mrs. Baker Womble and Sallie were dinner guests Friday evening of Mr. and Mrs. Luke Larrimore in Hereford.

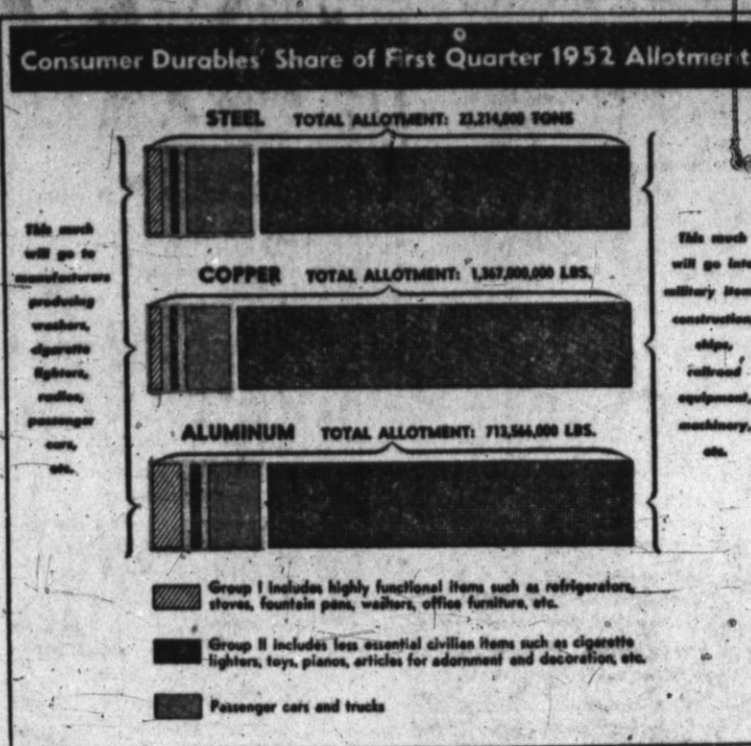

Attending the WTSC vs Arizona State basketball game in Canyon Saturday night were: Mr. and Mrs. Zed Stewart, Mr. and Mrs. Reece Stewart and Mr. and Mrs. Ray T. Stewart.

Mrs. Elizabeth Franklin and daughter Jean of Mangum, Okla. were week-end guests of the Baker Wombles. They accompanied the Wombles to Happy on Sunday to visit their sister, Mrs. Alph Huckabee who is ill.

The Dawn Home Demonstration club meeting which was scheduled for last Friday in the home of Mrs. J. M. Carathers had

No Draftees Under Age of 20 Will Be Inducted in February

AUSTIN — The state draft call for February will not be filled with men below the age of 20, Brigadier General Paul L. Wakefield, state Selective Service director, said today.

The only exception that will be taken to this rule will be in the case of draft volunteers and delinquents.

Previously, national Selective Service headquarters had instructed state headquarters not to induct any men below 21 without first requesting authority from Washington.

"We requested authority to induct men as low as 20 years old," General Wakefield said, "and subsequently each state and territory director was granted this authority. Here in Texas as we were afraid that we might not be able to deliver our quota if we were confined to 21-year-olds.

The February induction call is 2,144 men, as compared to 1,471 in January, and 362 in December.

The state Selective Service director said that state headquarters expected to get the February call to focal boards in the mail either Monday or Tuesday.

"Texas is going to make every effort to fill the February call to local boards in the mail either Monday or Tuesday.

"Texas is going to make every effort to fill the February call from examined and acceptable men who will be at least 21 years of age at the time of induction, regardless of which local board has jurisdiction over them," General Wakefield commented.

"We're calling first on the boards that have examined and acceptable men 21 years old, or older," he continued. "Then we're calling on those our records show have no 21-year-olds examined and acceptable."

Latest available records at state Selective Service headquarters show that local boards at the following places have no ex-

for service at induction time in February" he commented.

The state Selective Service director pointed to authority in Selective Service regulations for induction of men into the armed forces by age groups. He quoted as follows:

"The Director of Selective Service . . . may provide for the selection of persons by age group or groups whenever he deems such action is necessary in order that persons, in older age groups shall, on a Nation-wide basis, be selected and delivered for induction before persons in younger age groups."

THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

Williams Newspaper Features

Today the 'Great God of Nations' is pleading for unity of mind, for brotherly love between men and for peace on earth. Jesus the greatest of teachers presented to men truths, which were then as they are now, of great importance to all mankind. His utterances, without revision, are most pertinent to modern life and make universal appeal. In them are heights which no man has scaled; depths which no man has sounded; reaches of length and breadth which no man has explored. Universally the need for blessings from the great 'God of Nations' has never been so great. He commanded men to learn of Him and promised to show them the way.

Pastors, Priests and Rabbis are pooling their interests in an effort to challenge All Nations to an understanding of the term 'Peace.' Prayers from millions of earnest seeking, warm hearted, religious people, go up to the great 'God of Nations' every day for those men who are entrusted with our destinies.

Millions are now saying of Jesus: "There was the true light, even the light which lighteth every man, coming into the world." Whether judged by subject matter, the method of its presentation, or its effectiveness in influencing life... Jesus enjoys pre-eminence among teachers. If men would but seek out His will; if world leaders would but ask His guidance when difficult, international problems arise... then solving them would not be such a surprise, for in Him men of faith find all things possible.

Progressive HD Club Met Jan. 1

The Progressive Home Demonstration club met January 1 at the home of Mrs. T. J. Parsons for their first meeting of the year. The meeting was in the form of a luncheon.

Roll call was answered with each woman giving her favorite salad recipe.

Mrs. Tom Draper gave a talk on the planning of the year's work, telling how to plan kitchens for each individual.

The next meeting of the club will be held on January 15 in the home of Mrs. Ira Ricketts.

Those attending were: Mesdames V. E. Dodson, F. J. Waltherheid, P. L. Carmichael, Tom Draper, Ira Ricketts, Misses Lucille Park and Augustine Gregory and the hostess.

Preserve Rise Shows Hunting Competition

AUSTIN — The growing number of shooting preserves in Texas reflects the increased competition for places to hunt, according to the Texas Game and Fish Commission.

He said for the fiscal year ending August 31, 1951, 4,212 shooting preserve licenses were issued in Texas. In 1935, there were 1,335 and in 1945, a total of 1,958.

The T.G.F.C. director explained that the booming business has stimulated issuance of hunting leases, some by the season and some by the day, with the end

not in sight. "Shooting preserve areas," he said, "are most numerous in the Edwards Plateau where deer and turkey hold the stage.

"Some now exist in portions of East Texas, as well." The director concluded that, "whatever our other reactions may be, we can agree that in the space of 25 years, the pattern has become firmly established in Texas."

The original law covering these permits, passed back in 1925, provides that anyone acting as

When Mean Colds Stuff You Up

It's so easy to relieve coughs and stuffiness of colds in a hurry this home-proved way... with 2 spoonfuls of Vicks VapoRub in a vaporizer or in a bowl of boiling water as directed in package.

Just breathe in the steam! Every single breath carries VapoRub's soothing medicaments deep into throat and large bronchial tubes. It medicates irritated membranes, helps restore normal breathing. For coughs or upper bronchial congestion there's nothing like using Vicks VapoRub in steam.

For continued relief always rub it on throat, chest and back.

DANIEL-NEWS Farmers Kept Busy Hauling Feed To Stock While Snow On Ground

By Mrs. W. R. Moore

The farmers in the community have been kept busy hauling feed to their cattle during the cold weather. The eight inches of snow that covered the ground last week will be good on the wheat.

Mr. and Mrs. K. E. Dygert and daughter from Raton, N. M. were visitors in the W. R. Moore home recently.

Billy and Wilma Moore spent the Christmas holidays in the home of their parents.

R. E. Gill from Canyon was in this community looking after his cattle Saturday.

Mr. and Mrs. W. R. Moore visited in the Jessie T. Lebow home in Nazareth Friday.

A revival meeting was held during Christmas week at the Palo Duro church. There was a good attendance reported. Rev. Paul McClung, pastor of the Dawn church helped with the preaching.

Veda Nell Cummings confessed Christ, Cecelia Waters surrendered to become a missionary and Johnnie Lee McBroom was licensed to preach.

Mrs. J. T. McClain and son, Harold Dean Moore, are having an irrigation well put down on their farm.

Mr. and Mrs. W. D. Jernagin

has returned home from a trip to Fort Worth.

Johnnie Lee McBroom has returned to school in Lubbock after spending the holidays in the home of his parents, Mr. and Mrs. C. L. McBroom.

Joyce Moore from Plainview spent the Christmas holidays in the home of her mother, Mrs. J. T. McClain.

Dawn HD Club Met At Carathers Home

Dawn Home Demonstration club met in the home of Mrs. J. M. Carathers to plan the program for 1952.

Mrs. Hugh Grimes was co-hostess.

Those attending were: Mesdames H. S. Fuller, J. B. Caraway, W. U. Adams, J. M. Carathers and Hugh Grimes.

Great Britain recognized the independence of the United States by the Treaty of Paris, in January 1783.

FOOTBALL WELCOMES NEW YEAR!

A Bowl - by - Bowl Description Narrated by: Marty Glickman

ORANGE BOWL: At Miami, Florida Georgia Tech roars back from near-defeat to beat Baylor, 17-14. Quarterback Darrell Crawford touchdown-passes to End Buck Martin to tie the score in the final quarter. A field goal by substitute Pepper Rodgers provides the winning margin for the Engineers.

SUGAR BOWL: The upset of the day is at New Orleans! In sweltering weather Maryland, ranked third in the nation, turns back the mighty Tennessee Volunteers, rated the national champions. Ed Modzelewski and Ed Fullerton are star performers in Maryland's 28-13 upset victory.

COTTON BOWL: At Dallas, Vito (Babe) Parilli closes out his collegiate career with a typical All-American perform-

ance! The Kentucky quarterback pierces Texas Christian's pass defense for two first-half touchdowns. And that's enough working margin for the Wildcats to defeat T. C. U., 20 to 7.

ROSE BOWL: The largest turnout, nearly 100,000, is at Pasadena, where the annual Tournament of Roses ushers in a big day of football in the grand-daddy of all post-season classics, Stanford meets Illinois. For two quarters it is an even, bitter battle—then the roof falls in—and Stanford is smothered under a touchdown avalanche. The Big Ten champs tally four times in the final quarter, breaking the Rose Bowl record for points scored in one period! Final score: Illinois, 40—Stanford 7.
