The county commissioners discussed beautifying the hospital grounds with Manager T. E. Seigler at their meeting Monday. An evening meeting was held later in the day with two commissioners and the hospital board. No decisions were reached pending a meeting to be held with the city commission.

A Valentine party for Jaycees will be held Thursday night at the Jaycee clubhouse. The event is being sponsored by the Jaycees.

Walcott school district has put in a requisition for an International 1-ton panel school bus with a seating capacity of 15.

Urlin Streu attended a breakfast for 25-year members of the Tri-State Hardware and Implement association on Monday in Amarillo.

Ralph Gragg, owner of Western Hardware, attended the Tri-State Hardware and Implement association convention in Amarillo this week.

Frank Fortenberry, Route 4, Hereford, has added to his herd by the purchase of Fantasy Dan from T. E. Rohrbach, Route 4. The new animal is a purebred Milking Shorthorn and the record of the transfer of ownership has been made by the American Milking Shorthorn Society at Springfield, Missouri.

Dr. and Mrs. M. C. Adams of Hereford are attending the 12th annual session of the Southwestern Congress of Optometry which is being held at Hotel Texas in Fort Worth.

Michael Kelly of Hereford is a member of the cast for the next production of the Eastern New Mexico University Silver Pack theatre. It will be "Tobias and the Angel" and will be presented on March 10 and 11.

Dodson New Area Representative Of Baker Corp.

Virgil E. Dodson was named area manager Tuesday for the Baker Castor Bean Corp. and also manager of the new hulling center which the corporation will build in Hereford in the very near future.

Appointment of Dodson, who is president of the Deaf Smith County Farm Bureau and treasurer of the local castor bean cooperative — Castor Bean Farmer's Cooperative — is the first step in a marked expansion program for castor beans in Deaf Smith county and in this area.

The area under Dodson's control will be Tulla, Muleshoe, Sprinkle and Tucumcari. His job will be getting contracts for the planting of castor beans.

The Baker corporation will contract for from 10-12,000 acres of beans in this county, Dodson said. Last year, there were 800 acres planted here.

Details for Hereford's new castor bean hulling center (the only one between here and Wellington) will be worked out at a meeting of Dodson and Baker officials here today. The local hulling plant will work in connection with some portable units.

The Baker company, which headquarters in Oklahoma City, is looking to this area as the most prosperous and profitable castor bean area in the nation, Dodson said.

The local hulling center, which will be built in connection with a new warehouse, will be the same as the unit at Altus, Okla. Called a twin hulling center, it will have a 5500 pound per hour capacity.

Dodson will carry out his new assignment in connection with his farming activities. Until an office is built for the new hulling center, he will work out of the Deaf Smith County Chamber of Commerce office.

ZONE CHAIRMEN for the Red Cross fund drive met Tuesday to assign areas and to compare lists of workers. Shown above are, seated, Mrs. Cecil Williams, assistant residential chairman; Mrs. James Black (standing) and Mrs. Dyalthisa Brady, back row, from left: Mrs. Carl Frye, Mrs. Taft McGee, Mrs. Elmer Dameron, Mrs. R. R. Willis, Mrs. M. J. Noel, Mrs. C. R. Higgins, Mrs. Vern Hilton, Mrs. R. J. Richardson and Mrs. Ralph McCullough.

Parade Plans For Stock Show Set

This year's Junior Livestock and Poultry show parade promises to be one of the biggest and best ever to be held in connection with the show, according to Faust Collier, chairman of the parade committee.

There will be bands from Friona, Canyon, and Dimmitt high schools in addition to the junior high and senior high school band from Hereford, Collier said.

One of the highlights of the parade — especially for the youngsters — will be the miniature Santa Fe train, which also appeared in last year's parade.

About 80 entries are expected for the parade this year, Collier stated.

There will be prizes of \$25 and \$15 given the two prize winning floats in the parade.

Bruce Rose is in charge of the women's club entries. Ernest Wade is taking care of the entries from the business houses and Bruce Wooddell is handling the entries from the automobile and implement companies. Bruce Wooddell will serve as parade marshal again this year.

Retail Trade Committee Will Meet Thursday

Business holidays and closing times for the Hereford retail business establishments will be set at a meeting Thursday morning of the newly-appointed membership of the Retail Trades Committee.

The meeting will be held at 10 a. m. in the ballroom of Hotel Jim Hill.

Ten members of the committee were selected this week by the board of directors of the Deaf Smith County Chamber of Commerce.

Named to serve with chairman Paul Harvey are:

Mrs. Gladys Carroll, Mrs. Bess Moore, Jeff Roberson, Jimmie Roberts, Pick Harman, Bud Jacobsen, Frank Vogel, Frank Daniels, Ralph Gragg and Roger Corbett.

Mr. and Mrs. J. L. Rogers spent Sunday in Portales with Rogers' sister-in-law, Mrs. Ruth Sain, who had been in the hospital for several days. She was able to return to her home Friday however. The Rogers' returned Sunday night and drove through rain most of the way but found dust blowing on reaching Hereford.

Mr. and Mrs. Jesse Click, students at McMurry College, Abilene, spent Saturday and Sunday in Hereford. They were guests of his parents, Mr. and Mrs. O. L. Click.

Collier said that anyone who has not been contacted and would like to enter the parade may call him at 423 and he will take care of their entry. There is no entry fee, he emphasized.

The parade will start at Sixth and Main and proceed south on Main to Highway 60. It will go a block east to Sampson and then travel north on Sampson to Fourth where it will disband.

The parade will start at 1:30 and all entries must be in place by 1 o'clock. The parade will form north of Sixth and merge at the starting point.

Judges for the poultry show will be U. H. Mileur and E. J. Curry of Amarillo. Other judges have not been selected.

PROF. CORNE US

First Christian Church Sponsors Bible Lectures

The First Christian church will conduct a series of Bible lectures beginning next Sunday and continuing through Wednesday, Feb. 20. Professor E. T. Cornelius, assistant professor of Religion, Texas Christian university, will conduct this series.

Professor Cornelius is a native of Missouri and a graduate of Culver-Stockton college. From 1917-1937, he served as a missionary to Mexico. On his return, he became pastor of the First Christian church, Sacramento, Calif. From 1944-1947, he was Religious consultant in the Army and Navy department. Since Sept. 1947, he has served on the faculty of T.C.U.

These lectures will include the following subjects:

- Sunday Morning — "The Living Church"
- Sunday Evening — "The Message of the Old Testament Prophets"
- Monday Evening — "Ancient Books of Wisdom"
- Tuesday Evening — "Common Sense Letters from the First Great Missionary"
- Wednesday Evening — "The Book of Acts"

Monday, Tuesday and Wednesday afternoon at 3:00 p.m. Professor Cornelius will conduct a study in "The Use of the Bible in Teaching."

The evening lectures will begin at 7:30 p.m. Both the lectures and the study are open to the public and a cordial invitation is extended to the whole community.

Mrs. Urlin Streu, Mrs. Lynn C. Kester and Kathleen, Mrs. Anna Mae Minton and Mrs. Leo Hellman will attend market in Dallas this week-end.

Plan Residential Coverage For Red Cross Drive

Plans for the role residential workers will play in the forthcoming week-long Red Cross drive to raise a goal of \$6677 were completed at a meeting of residential zone chairmen Tuesday morning at the Cecil Williams residence.

Territories were apportioned and zone chiefs listed the names of blockworkers who will assist them in the lightning drive to reach the goal, which is \$410 higher than the 1951 quota set for the county.

There will be approximately 115 workers covering the residential districts, according to Mrs. Dyalthisa Brady, Red Cross executive secretary, who met with the workers.

Each of the block workers was contacted personally by her zone chairman and has accepted the role as neighborhood solicitor.

As previously, the workers are concentrating on speed with their residential set up.

"We'll be disappointed if we don't reach our goal within a week," Mrs. Brady said. She commented that the \$410 increase for the local chapter was very moderate considering that the national disaster fund was committed.

Dwaine Walker Takes Calf To SA Stock Show

Dwaine Walker left Monday with a 10-month old steer he will enter in the junior calf division at the San Antonio Fat Stock Show this week.

Walker, who took Grand Championship honors at the Junior Livestock and Poultry show here last year, was accompanied on the trip to San Antonio by County Agent Hugh Clearman.

Dwaine's father, Virgil Walker, said his son's 850-pound calf was, he believed, better than the one which took top honors here last year and also at the Amarillo Fat Stock show.

The steer is a 3/4 brother of the same 1951 winner. It was bred by J. C. Ainsworth, Mill-Island, N. M.

Judging in the junior division will be held Saturday and on Monday. If the animal doesn't stand in the San Antonio show, Dwaine plans to hold the calf over for further showing.

Judge of the show is J. C. Miller, who judged the 1950 stock show in Hereford.

Dwaine moved back to the farm home of his parents south of town at the beginning of the year. He plans to continue raising show cattle.

Phone System Hits Snag, "Too High"

Procedure to give residents of this area immediate action on rural telephone service hit a snag this week as REA engineers in Washington judged as "too high" the cost estimates of the West Texas Rural Telephone cooperative.

A delay such as this could very possibly revise the intended fall completion date for the system.

Leo Forrest, project manager for the Deaf Smith County Electric Cooperative, said he talked by telephone with an official in the application and loan division of the REA in Washington who said that REA engineers estimated the cost of the system as submitted by the co-op's engineers, Hasie and Green of Lub-

bock as "too high." Washington estimated the system cost at \$877,000. Forrest learned. That figure can very easily be too high and probably is, he said, but it is still out of line with the initial REA estimate of something over \$400,000.

REA advised Forrest that the plans and specifications be reworked and cut costs of the system to conform more with the original estimate.

REA told Forrest that it wasn't feasible to build a line at that cost figure but suggested that as a last alternative, monthly service rates could be hiked 50c for all services.

Forrest was opposed to this and

informed REA that when applications were taken for subscribers, it was with the understanding that the rate was already established and he hesitated to go to the people for another increase.

The local cooperative will call their engineers in the very near future for a revision of the plans and specifications to get the system more in line with REA estimates. Previous REA estimates on the system made before the co-op's \$454,000 loan was approved tended to be low if anything, Forrest told The Brand.

When the system was estimated by the REA engineers, it was set up on 740 miles of line. The final plans and specifications went in calling for 950 miles of line. The REA wanted the system re-designed to the same number of patrons (1300) could be served from the 740 miles of line.

The cooperative will make an effort to get fast action on bringing the first phase cost figure (for outside work) into closer harmony with Washington's figures.

Forrest said he felt reasonably sure that there could be some adjustment, because the final figure called for an outlay of nearly double what the original low estimate was.

Naturally, Forrest said, the price of equipment and material would vary between the time the original estimate was made and that shown on the final plans submitted to Washington. But, he emphasized, there could be savings.

He also made it clear that raising the monthly service minimum would be the LAST ALTERNATIVE. And he also said he hoped to get the cost figure low enough to proceed with construction.

Another stumbling block was thrown in the way of the rural telephone network earlier in the month when the National Production Authority refused to allow the cooperative a critical materials allotment for the second quarter of 1952.

Reason for the refusal, according to NPA, was that the local cooperative's construction wasn't scheduled for the second quarter of the year.

When allotments are finally received from NPA, however, a delay can normally be expected to occur. This may be from six to nine months.

A supplemental allotment can be obtained by the local co-op, but that is nothing more than a promise to buy because no orders can be put into production without NPA approval.

Mr. and Mrs. Carlos Vaughn spent the weekend in Elida, N. M. with his sister, Mrs. John Anthony and family. Mrs. Wm. Vaughn and son Everett returned home with them for a short visit with relatives here.

Moisture Is "Good" Here

General moisture conditions throughout the majority of Deaf Smith county are good, according to a semi-monthly report just completed by the Deaf Smith Wind Erosion District.

Total rainfall recorded at Hereford since November 1, 1951, the report states, has been 1.07 inches. The average depth of the moisture is about 36 inches.

The district estimates that moderate wind erosion has occurred on 15,000 to 20,000 acres already this fall and winter, 12-15,000 acres of which could have been controlled by chiseling and listing.

An additional 50,000 acres are not fully protected, the district's report stated, unless more favorable weather conditions prevail during the rest of the winter and spring. Approximately 30% of the wheat and other cover crops have enough growth to control blowing, the report states. Stubble and other crop residues, where left on the land, are doing a good job of holding.

Land that is and has been blowing consists mostly of fields without a good cover, such as thin wheat, young wheat, cotton, etc.

As an emergency measure,

farmers and land-owners are urged to chisel or list land as soon as soil shifting is noticed. Cover crops, stubbles and crop residues to protect land during the blowing season is urged as a continuing program of erosion control.

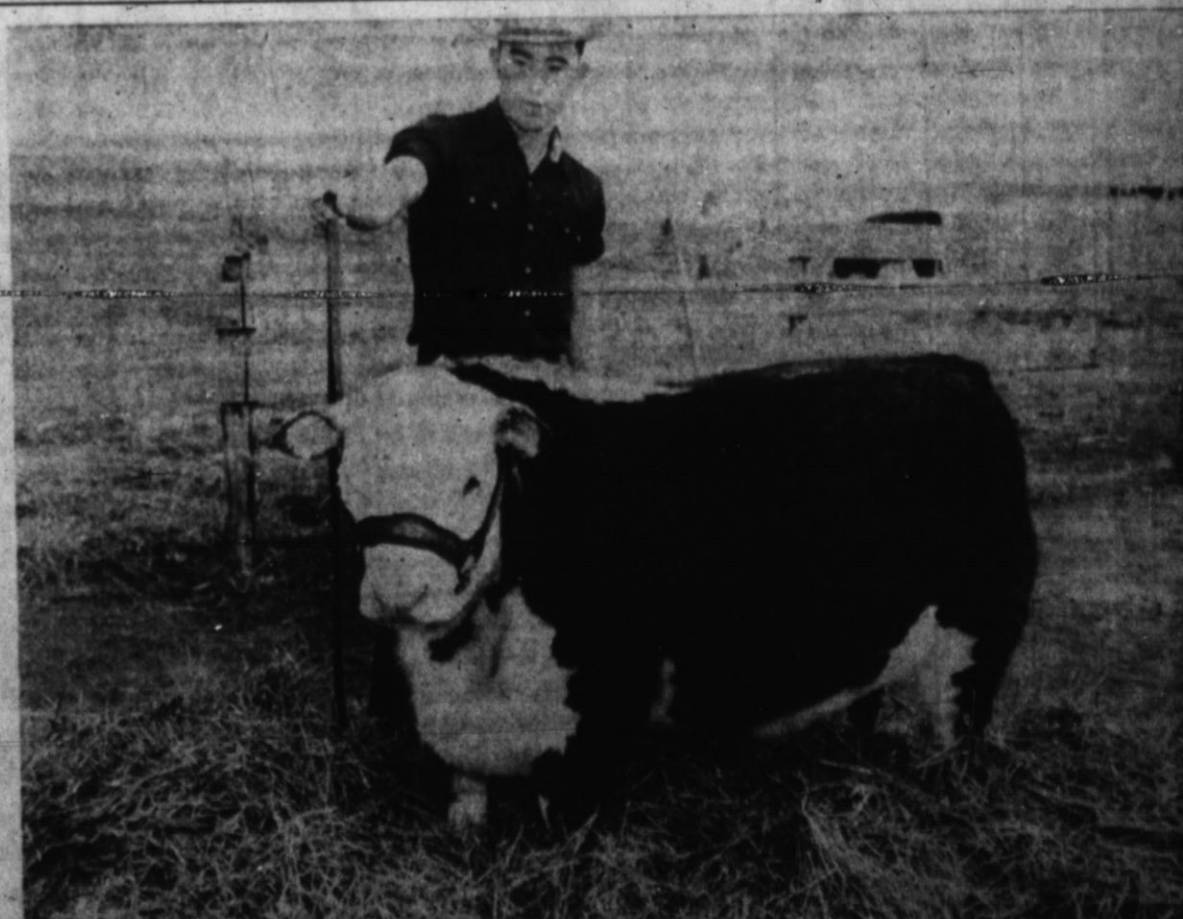

Consumers Fuel Annual Meeting On Saturday

The annual meeting of the Consumers Fuel Cooperative Association Inc. will be held at 2:30 p.m. Saturday, Feb. 16 in the Hotel Jim Hill ballroom.

Guest speaker will be Dr. M. B. Callahan, from the Department of Agriculture at West Texas State college. His subjects will be:

- 1. The recent outbreak of anthrax in the Panhandle; and
- (2) Feeding experiments at the Pantex plant.

A short business session will include the election of two directors and the reading of the annual report for 1951.

ANOTHER WINNER? This is the 10-month-old calf Dwaine Walker, shown above, is taking to the San Antonio Fat Stock Show. Dwaine has high hopes of a good showing with the 850-lb animal. —Patton Photo

County HD Agent Reports

By Argen Draper
Some of the entry forms for the
poultry, division of the Junior
Livestock and Poultry Show have
already been returned. These
entry forms should be at the
agent's office on Wednesday,
Feb. 20. With entries in early a
great deal of time will be saved.
Entry forms and leg bands
have been given the 4-H mem-
bers. Others who are going to
exhibit poultry should come to

the county home demonstration
agent's office of the office of the
county agricultural agent.
The rules and regulations have
been printed. Ask or write for
one of these if you need it.
The show is shaping up fine.
This is again going to be the best.
You remember the first show
with the few entries and breeds.
After the first year the show out-
grew the space and it is still
bursting at the seams.
A poultry program on the farm
is beneficial in many ways. Good
nutrition demands fresh eggs,
the meat is essential to the diet,
boys and girls need projects of

things that grow, and people of
all ages need the responsibility
of regular chores. There are out-
standing examples over the coun-
ty of persons making good livings
from a large poultry program.
In Extension Service there
used to be a slogan about poultry
which was to have 30 hens or
300 hens. This is outdated but
still some think to make the most
profit from poultry this is still a
good rule.
Mrs. Hugh Earthman of Plain-
view spent Monday and Tuesday
here with her mother, Mrs. J. M.
Boone.

County-Wide 4-H Meeting Held On Saturday

The WOMAN and Her BANK

Travelers Checks

Your bank provides, at small cost, travelers checks which may be cashed readily when you are away from home. The checks are supplied in convenient denominations, and require no identification other than the comparison signatures on each check. If lost, or stolen uncountersigned, your money will be refunded. This is one of the safest ways to carry funds while traveling.

Banking by Mail

We will gladly supply forms so that you may conveniently make deposits or withdrawals by mail. However, in an emergency, you may write clear instructions upon any sheet of note paper, date it, sign it, and mail it to the bank. This makes it possible for you to bank through the nearest mailbox.

Remember, when mailing currency for deposit, it is very important that you register the letter.

Be sure that any checks you send are endorsed "For Deposit Only" followed by your signature.

County Spelling Bee February 28

The Deaf Smith county spelling contest, to select an entrant to the West Texas Spelling Bee in Amarillo on March 8 will be held on February 28 at the Hereford Junior high.

The county contest will be held at 2:30 p.m.

There will be two contestants from each of the schools: Shirley, Central, Walcott, St. Anthony's and junior high school.

The county champion and the finalist will receive a plaque from the Amarillo Globe-Times.

There will be 30 county champions entered in the West Texas Spelling Bee at Amarillo.

The county winners will be honored at a banquet on March 6 at the Herring hotel in Amarillo before they enter the final elimination.

The West Texas champion will be sent to the National Spelling Bee in Washington in late May.

Some of the rules for the spelling bee are:

Any pupil who has not passed beyond the eighth grade at the

time of the Bee in his or her school shall be eligible.

Preliminary competition may be conducted either in writing or orally or both; or classroom champions may be designated on the basis of their daily grade.

When the speller fails to spell a word correctly, he or she must drop out of the contest and another word shall be given to the next contestant in line.

Webster's unabridged and Funk and Wagnalls dictionaries will serve as the final authorities for the spelling of words in the national finals. Obsolete and archaic spellings will be regarded as errors.

The West Texas champion will receive a Zenith radio, a set of Encyclopedia Britannica and the school will receive a year's use of the Britannica film library.

The regional winner will be sent to Washington D. C. to compete in the National elimination.

The second, third, fourth and fifth place winners will receive cash prizes.

Election Judges Appointed Mon. By Commissioners

Vacancies for special and general election judges in several of the county's 11 voting precincts were made Monday by the Commissioners Court.

The final roster of judges by precincts is: (presiding judge listed first):

One — Troy Moore, presiding judge; Ivan Block, Democratic judges; and Glenn Weir and G. W. Newsom, Republican judges.

Two — Frank Cogdell and Walter Seed Jr., (replacing Tom Alderson), Democratic judges; and R. L. McGee and Grant Fuller, Republicans.

Three — Phillip Miller, replacing P. B. Sowell and Albert Mitchell, who was named after A. J. Walker moved out of the precinct.

Four — J. G. Fortenberry and Cord Hammock.

Five — Incumbent judge R. L. Campbell wants to resign. E. T. Allred is the second judge. Commissioner C. G. Richardson has not yet named a replacement for

home that has not had from one to six cases. The John Hunter family have all had the flu. Patsy Caywood, daughter of Mr. and Mrs. M. G. Caywood, was the last one in the Caywood family to have it. The first in the family to have it was their younger son, Buckie. Larry Higginbotham and Patsy Childers both have had the flu the past week also.

Mr. and Mrs. Howell Inman of Plainview and Mr. and Mrs. R. C. Childers and daughter Patsy spent the week-end visiting Mr. and Mrs. J. H. Babcock and family in Kermit. The group returned home Sunday night.

Mrs. R. C. Childers attended the Home Demonstration reporters' meeting in the district court room Monday afternoon. Wally Knief from The Hereford Brand spoke to the group about reporting — giving the five W's as a guide for good reporting, they are who, what, when, where and why. Others attending this meeting were Mrs. Loyd Neill from North Hereford Home Demonstration club; Mrs. W. U. Adams, Dawn HD club; Mrs. Julia Sowell South Hereford HD club; Mrs. Don Kennedy Messenger HD club and Mrs. Hardy Benseh, Ford HD club.

It seems that a lot of flu is going around Summerfield. Several of this community have the flu. A small amount of moisture fell Sunday and Monday here. The farmers are very glad to see the moisture.

Misses Nan Longbottom and Bobbie Walser went with the Rainbow girls to Plainview Saturday to a school of instruction.

Mrs. Brady Lookingbill spent Sunday in Amarillo with her parents, Mr. and Mrs. Don Holman. Mrs. Holman returned with her daughter to spend a few days.

Miss Sandra Wright, daughter of Mr. and Mrs. J. M. Wright, spent the week-end in Lubbock visiting Miss Patsy Wiltshire, who is a student at Tech.

Paul Corbett Will Give Training Meeting On "SS For Farm Labor"

By Mrs. R. C. Childers

Paul S. Corbett will conduct a training meeting on "Social Security For Farm Labor" on February 16, at 2:30 p.m. in the county courtroom. This is the leadership training meeting for the Home Demonstration clubs over the county, and each club should have a representative at this meeting. This is the program for the clubs in March.

Mrs. Allie McNeill of Wayside spent from Tuesday to Thursday in the R. C. Childers home. Mrs. Childers is assisting Mrs. McNeill in the construction of her spring wardrobe, which consists of a coat, several dresses, blouses and skirts.

Sid Barclay and his son Curtis returned Friday from an extended trip through northern Missouri. They went by way of Paris, Texas, and visited with the Harold Baize family, formerly of Hereford. They were gone over a week.

Raymon Higginbotham visited in the R. C. Childers home Monday morning.

Mrs. M. G. Caywood who is for the Workers 4-H Club and the recreation committee from the club attended the recreation school held in the Veterans Park clubhouse Thursday and Friday. Girls on this committee are Patsy Childers who attended Friday; Fredda Inman who attended both days; and Marie Hunter who attended Thursday. Mr. Paul Corbett was also present for the first day of the training.

Mr. and Mrs. Raymond Higginbotham, Mrs. R. C. Childers, Raymon, Patsy and Mrs. A. H. Inman of Plainview, attended the concert held at the high school auditorium Thursday night. John Anglin tenor, Martha Flowers, soprano, and Kelley Wyatt pianist were the artists who rendered a very enjoyable program as the evening's entertainment. The beautiful rendition of their numbers brought them back for many encores.

The flu has been raging in this community. There is hardly a

month-old grandson of Mr. and Mrs. David W. Strubling of Hereford, died February 7 in Spearman.

He was the son of Mr. and Mrs. R. L. Schroder of Spearman.

All district officers of the Llano Estacado council are to participate in a planning meeting in Amarillo to be held on Thursday night.

Seven members of the Here-

ford Kiwanis club took an exchange program to the Downtown Kiwanis club at Amarillo on Monday. In addition to the club members, Don Moore and the Hereford high school sextette went and provided entertainment. Bob Wear delivered the speech, "Realistic Optimism." Attending besides Wear, Moore and the high school singers were: Pat Sullivan, Hereford Kiwanis president; John Pool, inter-club chairman; H. V. Stanton, Roy-

McCullough, Roy Peet and Bill Patton.

The Hereford Jaycees Tuesday voted to build and enter a float for the Junior Livestock and Poultry Show later in the month. They named Dean Herring as chairman for painting the tennis courts north of Lake Park and also appointed a committee to look into securing gas heat for the Jaycee clubhouse.

The St. Anthony's Guild will

have a bake sale all day Saturday, Feb. 16 at Piggly Wiggly.

Hardened Paint Brushes

When the paint brushes have not been used for some time, and through carelessness, they become hard and dry, heat vinegar to the boiling point and soak the brushes in it for twenty minutes. Then boil gently in strong soap-suds for a few minutes. The brushes will be like new.

Hand Cleanser

After working around the car, or the furnace, and dirt is ground into the hands, rub Vaseline jelly thoroughly into them, let it remain for at least 15 minutes, then wash and see how easily the dirt is removed.

Plant Fertilizer

A little ammonia added to the water affords a rich fertilizer for the plants, and also aids in preventing bugs.

Ivory Handles

Ivory knife handles are easily cleaned by rubbing gently with fine emery or sandpaper; polish with chamois. Lemon juice and salt is also excellent; rub well with lemon juice first and then with salt, or use a half lemon dipped in salt.

Thick Cream

When cream seems to be too thick to whip, place the dish of cream in another dish containing cold water. When chilled, place in a dish of hot water for a few minutes. It will then whip very readily.

Prevent Chapping

When hanging out clothes on a cold day, rub a little corn-starch on the hands, and this will prevent them from chapping.

Printing on Flour Sacks

The printing on flour sacks can be removed by boiling the sacks in a mixture of a table-spoonful of kerosene and two quarts of soap suds. This treatment will not only take out the lettering but will bleach the bags.

Sharpening Needles

The sewing machine needle can be sharpened satisfactorily merely by stitching for several inches through a piece of very fine sandpaper.

Carpet Sweeping

Throw a little bran, slightly dampened, on the carpet before sweeping, and it will help won-

derfully.

Paint on Clothes

Remove paint stains on the clothing by saturating them with equal parts of ammonia and spirits of turpentine. Soak the places well and then wash with soap suds.

How Can I?

By Anne Ashley

Q. How can I make a liquid glue?

A. Fill a glass jar with broken glue of the best quality; then fill with acetic acid or vinegar. Set the jar in hot water for a few hours until the glue melts. The result will be an excellent glue, always ready for use.

Q. How can I remove rain spots from a garment?

A. Place a clean damp cloth on the material and press it with a moderately warm iron.

Q. How can I treat dry skin?

A. A very good remedy is to rub the dry parts thoroughly with almond oil.

Q. How can I keep leather upholstery in good condition?

A. Use a damp rag to wipe off all dirt and dust, then rub with a cloth that has been dipped in to the well-beaten white of an egg. After the egg has dried, rub well with clean cloths.

Q. How can I remove salt from soup or vegetables, when too much salt has been used?

A. Place a cloth over the top of the vessel and let it remain on the stove. The cloth will draw out much of the salt.

Q. How can I wash oil paintings?

A. Wash them with warm milk and water. Rub very gently. Then dry them without rinsing.

Q. What are the meanings of slow oven, moderate oven, and hot oven?

Cub Scout Awards Presented At Pot Luck Supper Last Friday

The annual Cub-Scout Pot Luck supper, sponsored by the Hereford Lions club and the Christian Men's Fellowship league of the Christian Church, was held at the Christian church Friday night. Approximately 125 boys and their leaders attended.

Theme for the annual affair was built around the slogan "Forward on Liberty's Team". Cub commissioner Coy Patton presided with Rev. Roy Ford leading in group singing and pronouncing the invocation.

In keeping with the Boy Scout anniversary week, a birthday cake was the focal point of decoration and a huge liberty bell revealed the theme. Blue and gold, colors of the month, were used.

Paul Coneway, Cubmaster of Pack 50, presented awards to: Richard Medlin, Bob Cat; Carroll Martin, Wolf badge; Jimmie Reinauer, Folf badge and gold arrow points; Jimmie Bradley, Silver Arrow Point for Bear Badge; Jimmie Conkright, Bear badge, gold and silver arrow points; Edwin Morrison, Bear badge, gold and silver arrow points; Joe Reinauer, two year service pin, Lion badge and gold and silver arrow points; Jimmie Fowlkes, Bear badge; Gregory Combs, gold and silver points in Wolf rank; Clint Coneway, Gold arrow point, Wolf rank; Craig Griffith, Wolf badge; Randall McGee, Bob Cat award; Eddie Schroeder, gold arrow points in Lion rank and Wolf

A. A slow oven is one with a temperature of from 250 to 300 degrees Fahrenheit, a moderate oven from 300 to 350 degrees and a hot oven from 400 to 450 degrees.

Q. How can I treat a boil?

A. It is claimed that the skin of a hard-boiled egg will work wonders. It will draw out the matter and relieve the soreness within a few hours. Peel the egg carefully, wet the skin, and apply to the affected part.

Q. How can I relieve tired nerves?

A. A few suggestions are: Plenty of sleep every night; a carefully-balanced diet that includes plenty of fruit and milk; no parties that mean lots of drinking, eating, and late hours; include a long walk every nice day.

Den mothers present were Mesdames Colby Conkright, Edgar Skypala and H. L. Newman.

Pack 50 Awards

Jason Luck, Cubmaster of Pack 50, presented awards to: Max Cox, Bob Cat Award; David Larson, Lion badge; Billy Luck, Wolf badge, gold arrow point; Buddy Bob Campbell, Silver arrow point, Lion rank; Edward Axe, two year service pin, silver arrow point, Lion rank; Ronnie Jones, Lion badge, gold arrow point, Lion rank; Roger McQuigg, gold and silver arrow points, Wolf rank; Phillip Roland, gold arrow point, Lion

rank; Deward Jacobsen, two year service pin, silver arrow point, Lion rank; Donald Roland, 1 year service pin; Jan David Wallace, Silver arrow point, Lion rank; Billy Mac Noland, 3 arrow points, Wolf rank; John Waldron Scott, Wolf badge, gold and silver arrow points.

Mrs. W. D. Jones received a two year service pin and Mrs. Geo. Gibson received a den mothers pin.

Den mothers present were Mesdames Archie Scott, Jason Luck, George Gibson and Edd Cox.

Coy Patton presented the Webelos Awards to Albert Schroeder and Deward Jacobs. Don Zimmerman, Scout master, welcomed the Webelos into the Boy Scout Troop.

Bob Wilson, represented the Lions Club and Ellis Coombes represented the Christian Men's League.

Following the awards stunts and skits were presented by the den groups carrying out themes of study and activities during the past month.

In conclusion, Paul Coneway led the cubs in giving a grand howl honoring the mothers.

Coy Patton announced a round table discussion for leaders of both packs to be held Friday night, Feb. 15 in his home at 7:30.

Shower Honors Recent Bride

Mrs. Richard Pincert, a recent bride, was honored at a miscellaneous shower given at the home of Mrs. V. L. Hilton Tuesday evening, Feb. 5. Hostesses were Mesdames; Richard Jewell,

Robert Womble, E. F. Drury, Mrs. Hilton and Miss Bobbie Drury.

Decorations and appointments were in green and white with green and white stock and feverfew arranged as the center piece for the refreshment table.

Guests included school mates in Hereford high school and a talk fest centering around school days provided diversion after the honoree opened the gifts.

Mrs. Pincert is the former Miss Junanne Smith, daughter of Mr. and Mrs. Aubrey Smith, formerly of Hereford and now of Whittier, Calif.

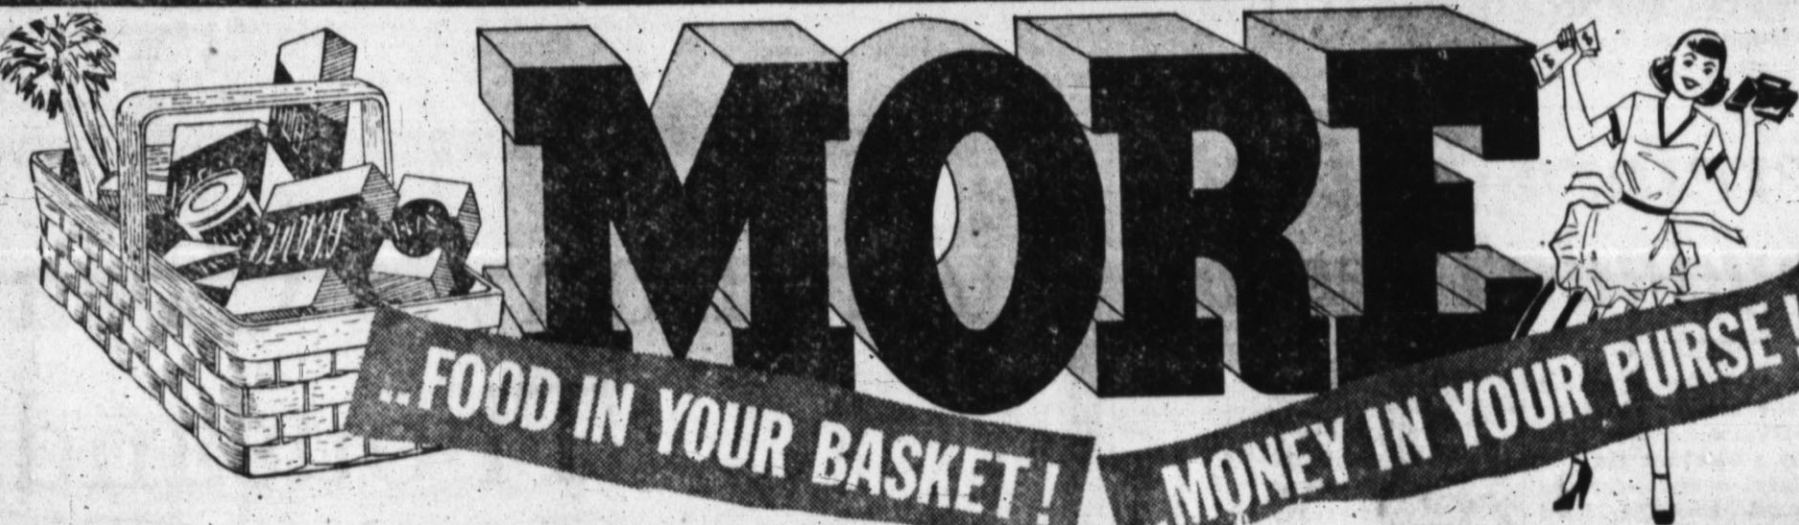

Calif. Visitors' Son Gets Wings

Mr. and Mrs. D. K. Barnell of Mercedes, Calif., visited his niece

Mrs. Vern Witherspoon the past week. On Thursday the Barnell's and Witherspoon's drove to Ende, N. M. to see a nephew and brother C. L. Bowe and family. Mr. and Mrs. C. L. Bowe returned to Hereford with the group Friday and the relatives went to Lubbock Saturday where they attended graduation exercises held at Reece Air Force base for 118 cadets and student officers.

David K. Barnell, son of Mr. and Mrs. D. K. Barnell was one of the group to receive his wings. The group also saw the famous Eddie Rickenbacker pin wings on his son Eddie Junior, and General Nathan F. Twining, vice-chief of staff of the U. S. Air Force, pin wings on his son.

The Barnell's left Sunday for their home in California accompanied by their son on a fifteen day leave.

Rate Of Decline Of Ground Water Shown In Bulletin

A report on the ground water situation in the High Plains (of which the High Plains Water District No. 1 is a major part) was released on February 9 by the Department of the Interior.

Increased use of ground water in the High Plains has caused further declines in water levels, W. E. Wrather, director of the Geological Survey, said in making public the bulletin prepared by the Survey in cooperation with and published by the Texas Board of Water Engineers.

The report relates that 14,500 irrigation wells were in use and approximately 1,600,000 acre-feet of water was withdrawn during 1950. From February, 1950 to January, 1951, the water table declined an average of 1.3

feet beneath the irrigated region of the southern High Plains. The maximum recorded decline during the year was 6.8 feet, but throughout much of the region, the decline was only a fraction of a foot. The average decline from 1938 to 1951 amounted to five feet or less beneath 78% of the 6,800,000-acre reservoir subdivision; the decline was 40 feet or more beneath only a sixth of one per cent of the subdivision.

Under a state law adopted by the 51st legislature, the Board of Water Engineers designated a subdivision of the underground reservoir in the principal irrigation region of the High Plains, which included all or parts of 21 counties south of the Canadian river. An underground water district, for conservation of the

ground-water resources, is being organized by citizens of the reservoir subdivision.

(This statement refers to the already-formed High Plains Water District No. 1—Ed.)

Complete results of the survey may be obtained by asking for Bulletin 5104 and may be obtained from the Texas Board of Water Engineers, Austin 14, Texas.

Recent visitors in the Glenn Rutter home were Mr. and Mrs. Roy Andrews and Mr. and Mrs. Simmons of Amarillo.

Mr. and Mrs. Henry Hastings left this week for Mineral Wells.

Industry Taking Teachers Says TSTA Fieldman

Approximately 100 teachers and guests attended a meeting of the Texas State Teachers association in Hereford Monday night.

Sam B. Culpepper, field director of the TSTA, was guest speaker at the meeting.

He talked on the seven points which are the objects of the TSTA.

He stressed that industry took the cream of the crop in college graduates every year and pointed out that unless something was done there would soon be no teachers in the public school system.

There will be approximately 60,000 teachers needed by 1960, Culpepper said, and added that every day there were more teachers going out of the teaching profession than were entering it.

Hereford Defeats Floydada Tuesday

Hereford took the whirl out of the Floydada Whirlwinds on the local basketball court Tuesday night by a 49-40 margin.

The victory, won before a capacity crowd, kept the Herd in a first place conference tie with the Canyon Eagles, who took a scorching 53-37 win over Tullia also on Tuesday.

Canyon and Hereford tangled in a crucial game Friday night at Canyon. A Hereford win would assure the Whitefaces of a first-place tie while a Canyon victory would knock all the Whiteface hopes for a tie.

Hereford could take undisputed first if Canyon lost Friday night's game and its last game while the Whitefaces breezed through the Canyon and Tullia tilts.

Back to Tuesday's vindication for the Starkmen, the Whitefaces avenged their early season 31-25 loss to the Whirlwinds at Floydada.

The Herd was hitting well Tuesday night with a field goal average of 36% in the first half (nine good out of 25 attempts) and 38% (eight out of 21) in the second half.

Counting on their close in style of dropping them in the bucket, the Herd executed it satisfactorily while keeping the Whirlwinds at bay and making them use up long shots.

Bob Mathers and Ray Graham set the pace for the thundering Herd. Mathers, who is recovering from an ankle injury, sunk six field goals and tallied four foul shots for a high 16 total.

Ray plunked in six buckets and one charity, toss for a second-place 13 for the night. Wilson

followed with 11 points from his guard slot.

Schedule Scout Leader Meetings Friday Night

A Scout leaders' Roundtable will be held in the Scout hut Friday night at 7 p.m., according to Bill Phillips, district commissioner.

Special-Scouting films will be shown at the meeting, which will be a brief one, Phillips said. All Troop leaders and troop committeemen should be there and a special invitation is issued to Explorers who wish to attend.

Later on Friday, at 7:30 p.m., a Cub Scout leaders' meeting will be held at 7:30 at the home of Coy Patton, Cub commissioner. All Cub leaders, den mothers and pack commissioners are urged to attend.

Mr. and Mrs. Glenn Rutter have returned from their ranch in Colorado, where they attended business and visited their son-in-law and daughter, Mr. and Mrs. Aldon Hawks Jr.

Correction

The Brand wishes to correct an article appearing in the Sunday edition in which wedding plans for Charlotte Logan and Jack Pinckert were erroneously announced.

Information in the article was submitted by telephone to the society department by a person misrepresenting herself to be Mrs. Logan and was apparently some high school girl's distorted idea of a joke.

Neither Jack Pinckert, Charlotte Logan, or the parents of either, had any knowledge of the article until it appeared in the paper Sunday.

Canyon, Tulia Last Herd Foes In Cage Wars

The big test for the Hereford cagers will come Friday night when the Whitefaces travel to Canyon to renew wars with the Canyon Eagles.

In this meeting, the Herd will be gunning for their second victory in as many games. The Whitefaces bounced the neighboring quintet when they played here February 5.

This contest will be the next to last game of a successful season for the Hereford quintet.

The last game of the season comes next Tuesday when the Whitefaces play Tulia there.

Lee Lawrence of Tyler spent a couple of days here the past week with his grandparents, Mr. and Mrs. F. H. Oberthier.

Five-Man Rattle Royal Pleases Fans Saturday

A five-man Rattle Royal — the grunt and groaner's term for legalized mayhem — was unfolded Saturday night at the Bull barn for about 500 screaming mat fans.

An elite quintet of the southwest's rope and resin trade — Dory Funk, Frankie Hill, Murdock, Whitey Walberg, George Curtis and Tony Morelli — mixed it up both in and out of the ring in about 20 minutes of confusion.

Purpose of the gouging spree, evidently, was to determine opponents in two following events.

The crowd thoroughly enjoyed the first local Rattle Royal. So much, in fact, that it will probably be repeated, according to the Lions club matchmaker.

Bullish Dory Funk, owner of the "Flying Mare" ranch near Buffalo lake, was the first of the five to make his departure. With a strong assist from Frankie Hill Murdock, who spent a good deal of the time out in the audience among the paying faithful.

Referee Bill Sledge had his hands full with the in-the-ring roughness and didn't notice the Waxahachie Sandman roosting in the crowd; even though the spectators tried to let him know.

Anyhow, someone (Morelli probably) threw Funk out of the ring and aimed him at Murdock. Frankie obligingly put the better part of a sleeper hold on Funk before the wild cowhand lit out for the ring again.

After the dazed Funk slipped into the ring, he was easy meat for the crew which plotted against him. Funk left the ring with his night's work done as far as combat went. That took about five wild minutes.

Walberg, popular Reynolds, burg Ohio, strongman, was the next victim. His method of exit was not determined fully among all the legs, arms and torsos, but exit he did, in the approved style of ring gang warfare.

Next came Tony Morelli, of New York City. He miscalculated an understanding with Murdock and thought he was part of a plot to do away with the Vicksburg, Miss., lad, George Curtis.

While Morelli held Curtis in position, the New Yorker thought Murdock was going to polish off

Curtis. He figured without the crafty Murdock, who zeroed in on Morelli and sent him out of the ring.

That left Curtis and Murdock to fight it out in the finals and Walberg and Morelli to start the proceedings off in the semi-windup.

Start them they did with a two-out of three fall, 45-minute match.

Morelli took 24 minutes to catch Walberg and then put him down with a top body press.

The second fall went to Walberg in 11 minutes with his old standby, a full nelson. The two didn't leave the ring, but started fighting again and Sledge called for the whistle and let them go to it.

Neither grappler could get the

decision and the match went its full 45 minutes to a draw.

Curtis and Murdock squared away in the final match, a best two fall, hour-limit go.

Curtis took fall number one with an inside step-over toe hold in 16 minutes.

Murdock decided that it was now his turn, so in 14 minutes of the second fall, he put Vicksburg's favorite son asleep for the night. It was for the night, too, because Curtis couldn't answer the whistle for the next fall and Murdock took the match by default.

Still smarting from the crossed signals in the Rattle Royal, Morelli began to make trouble with Murdock in the "dressing room" after the show, but the only thing that flew were words.

Game Violations On Downgrade

AUSTIN — The Director of Law Enforcement for the Game & Fish Commission reports that the January arrest report shows "a substantial decrease" from January, 1951.

He added that the monthly report on violations for the last three months, covering most of the major 1951 hunting season, reflects a lower number of prosecutions.

The commission deduced that "this apparently indicates a better attitude of the general public and a healthier sportsmanship all the way around. It seems significant that there has been a decline in arrests in the face of increased law enforcement facilities."

The Director referred to a slightly larger game warden

force and improved policing aids such as two-way radios in many wardens' cars.

Here is the record:

Game Magazine Tells Of Airborne Wardens

AUSTIN — The story of the air arm of the Texas Game and Fish Commission is told in the February issue of TEXAS GAME AND FISH magazine.

It relates how Game Warden Claude Keller, flying a Stinson two-seater, not only patrols the Gulf of Mexico coast line but also serves as a flying transmitter to relay messages for his ground-pounding associates on duty inland.

Keller, who has been a pilot for more than ten years, flew an

artillery spotting L-5 during the war. This background as a "grasshopper pilot", pin pointing targets for the big guns, helps him locate law violators in the Gulf as well as in nearby inland rivers.

Warden Keller watches particularly for netting in closed waters along the coast and for use of illegal equipment, and faulty oil barges that pollute the waters of the inter-coastal canal.

Inland, he locates illegally (Continued on page 2)

It looks like a "POWER YEAR"

New Horsepower—new Brake Power—and new Power Steering blossom on Buick's ROADMASTER for 1952

MAYBE you've heard—horsepower has hit a new high on the ROADMASTER. Brake power has done the same.

But today, we'd like to concentrate on the third member of the power trio—Buick's own version of Power Steering, available on ROADMASTERS at a moderate extra cost.

What is this Power Steering like? It's something like a helping hand, something like a "hydraulic slave"—that relieves you of all steering strain, but lets you keep command.

What we mean is this: Power Steering is handled by a special hydraulic unit—and engineers can design this unit to take over any amount of steering effort—even to a point

where the wheel seems to float in your hand. But in that case, you'd surrender all control to that hydraulic unit—get no steering "feel" from the wheel.

Now suppose you're telling two agile tons of automobile what to do in traffic. We think you'd like to have it know that you're in command.

And—out on the straightaway—we believe that a part of the joy you get from owning a Buick is the sensation of having something alive and eagerly willing beneath your hands.

So we're glad to announce that Buick engineers didn't spoil this thrill. They've kept the fun of driving, and simply eased the effort.

When you're rolling along smooth and straight, it takes almost no effort to keep any Buick on course.

It almost steers itself, as every Buick owner knows.

But—when you want to get away from a curb—back into a parking spot—make a turn—Buick's Power Steering comes into action, saves four-fifths of the effort required with ordinary steering. Power Steering does the extra work.

And—in case you wonder what happens if Power Steering gets out of kilter, the answer is *nothing*. Your Buick steers just as it always has.

That's why we've been saying, "This is Power Steering as it ought to be."

Come in. Try it out. We think you'll agree.

Equipment, accessories, trim and models are subject to change without notice.

Sure is true for '52

placed fishing nets by noticing the corklines on the surface of the water.

Over the Gulf, Keller sometimes has to use wartime tricks to surprise offenders, such as diving out of the sun or on cloudy days, suddenly dropping through a hole in the overcast.

Warden Keller also spies on the waterfowl hunters. He said he "doubted" if anybody ever shot at him but he recalled the times when commercial fishermen, caught cheating, threw fish at his plane. Another time he flew so low studying a violation against closed fishing waters that a boatman threw an oar at him.

Billy Kelly, a mainstay on last year's track squad and also counted on to add to the prestige of the cinder Herd this year, isn't so sure about his ankle, which was injured during basketball play.

Hereford may have to take a back seat this year, in track activities if the squad doesn't round into shape. The amount of competition slated for the Whitefaces will depend on how they work into shape during preliminary sessions.

Most of the equipment was issued at Monday's meeting of the squad prospects. This week will be confined to light workouts, as will the next few weeks. There will also be some work on form sandwiched in, Criswell reported.

The Herd will face a big test in the district meet to be held at Canyon on April 5.

THE BIG JUMP

How like a great ocean is the future, which lies out yonder! One of millions of men here is perched on the mountain peak, ready to make a leap into the future. Turning from worldly things he is ready to trust God. For the man who is ready, the ocean has no threat of peril. The Church points the way and gives the plan whereby we may jump from death to life or, from this world to Heaven. Let us begin our jump this very day for the future calls to every man. God's love and wisdom and patience will be at the end of your big jump. For He said, "Come unto me and I will give you rest."

Hereford Student Writes About Experiences On "Ike Special"

(Editor's Note: Two Hereford youths — Alex Schroeder, son of Mr. and Mrs. A. J. Schroeder, and Bill Forbus, son of Mr. and Mrs. Carl Forbus — were members of the Texas booster train that went to New York City last week for an Eisenhower rally. Both boys are members of the Hardin-Simmons University Cowboy band that provided music and color for the delegation. The Brand asked Schroeder to write a letter on his views of the rally, so we reprint it here.)

Worth, where there was the rest of the Texas delegation. In Fort Worth there was a big ballyhoo and much picture taking, as there were photographers from Life magazine on hand to record the happenings of events.

From Fort Worth the "Ike Special" went to Denison the home of Ike for another ballyhoo. There were several thousand persons waiting for the train when it arrived. Everything went off very well. That ended the first day.

The second day the delegation marched into the St. Louis train station for another big time, with the band playing "Deep In the Heart of Texas". The band put on a great show with the help of its National VFW champion twirler of 1950 giving the folks something to talk about. The band also played a short concert in Effingham, Ill. Then later that night there was a short stop in Columbus, Ohio.

The band and the Ike Special reached New York about 9:30 at Penn Station. The delegation marched thru the station with the band playing "The Eyes of Texas". This brought cheers from the New Yorkers who were standing around wondering what was happening.

There was a parade from the hotel to the Ike headquarters where another ballyhoo was played. There was no permit issued for the parade but the police were nice about it and cleared the traffic in spite of everything.

The band was on television

J. W. SOOTER, who won international fame as the Crying Marine when he left Texarkana last year with a Marine reserve outfit, is back home. His departure picture (left) was widely used in newspapers and magazines. He never got to Korea, but he was a true leatherneck by the time he was discharged two weeks ago. Shown at the right with his mother, Mrs. S. L. Sooter, and little sister, June, Sooter is happier now that he's home again. (AP-Photo).

with Tex McCrary and Jinx Falkenburg Friday night before the convention in Madison Square Garden—There was a good sized parade into the Garden with several prominent bands being present including a drum and bugle corp from New Hampshire.

Many famous movie, television and radio stars were present at the convention. Irvin Berlin, who wrote "I Like Ike," taught the people how to sing it. Fred Waring and his Pennsylvanians also sang some songs. Some stars were Bogart, Bucall, Clark Gable, June Haver, Ethel Mermand, Janet Page and Faye Emerson.

The convention was a large success.

P.S. The band got free tickets to "Call Me Madam". Standing room only tickets cost \$35 each.

Farm Bureau General Meeting Friday Night

About 250 members of the Deaf Smith county Farm Bureau attended a general meeting Friday night at the Shirley school gym.

O. K. Hoyle, district 1 Farm Bureau representative from Seymour, Tex., talked on the grass roots policies of the Farm Bureau.

He told about the direct benefits that are received from resolutions which were adopted on state and national levels.

Two films — one on Farm Safety and one a travel film — were shown at the meeting.

JOHNNIE STONE, 23, of Paris, Tex., receives a Bachelor of Science degree from Dr. James Gee, president of East Texas State College at Commerce—thus completing 16 years of education in 10½ years. The young journalism graduate was crippled by arthritis when he was a small boy and wasn't able to start to school until he was 13. (AP Photo).

Mr. and Mrs. George Graham attended the funeral of a friend in Phillips Monday.

Mrs. Mary Harmon returned this week from an extended visit to points in Kansas.

Return Man On Old Misdemeanor Theft Charge

A man sought in Deaf Smith county on a misdemeanor theft charge since September, 1949 has been returned to the county jail, according to Sheriff J. C. Reese.

The man, Richard Glenn Smith was apprehended in Amarillo this week by police there who had received a "hold" order from this county.

Smith pled innocent when he appeared Saturday morning before County Judge Leonard H. Foster. Bond was set at \$250. Smith was unable to make bond and was still in jail Saturday.

Smith was charged with the theft of two pair of new khaki trousers from Doc Breedlove in September, 1949, Reese said.

How you, too, can reduce hauling costs on your job

Here's a sure way to cut hauling costs on your job. Get a truck that gives you more mileage on gas and oil... that costs less for upkeep... that carries more payload. A truck like that will really save you money!

Owners of Dodge "Job-Rated" trucks enjoy the outstanding economy of trucks that are "Job-Rated"—engineered at the Dodge factory to fit a specific job. Because they're "Job-Rated," these trucks stand up better, save money.

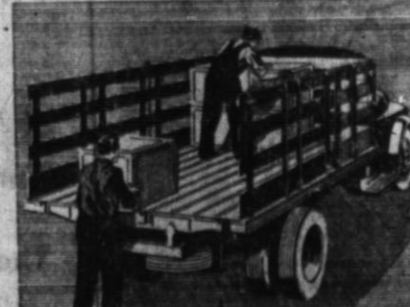

Come in today and let us show you how a Dodge "Job-Rated" truck will cut your hauling costs.

Reduce costs with low upkeep—You get such money-saving advantages as chrome-plated top piston rings, exhaust valve seat inserts, positive-pressure lubrication, and many others.

Reduce costs with economical power—Dodge truck engines have four rings per piston, lightweight aluminum pistons, compression ratios as high as 7.0 to 1, and other economy values.

Reduce costs with bigger payloads—Because a Dodge "Job-Rated" truck has better weight distribution, it carries more load on the front axle. As a result, you can haul bigger payloads.

CONG. ROGERS SAYS

Hearings Begin For Extending GI Benefits to Korean Veterans

EXTENSION OF BENEFITS UNDER THE SERVICEMEN'S READJUSTMENT ACT TO KOREAN VETERANS: The hearings have commenced in the Veterans' Affairs Committee on legislation designed to extend to Korean veterans the educational, on-job training, housing and other benefits granted and extended to World War II veterans under the Servicemen's Readjustment Act. The benefits under this act are about the only benefits not yet extended to Korean veterans, but are in my mind perhaps greater importance than those benefits heretofore extended.

It is my opinion that these benefits should have been extended to Korean veterans during the first session of this Congress. This would have been done except for an investigation of some immoral, if not illegal, practices and abuses that are being carried on under the original act.

The committee investigating this uncovered much informative information concerning questionable fly-by-night schools allegedly set up for the purpose of imposing on veterans and milking the public treasury. Such vicious and shady schemes were not only an imposition on the World War II veterans, but were the basic cause for the delay in the extension of the benefits to the Korean veterans. These hearings are being speeded up so that this legislation can be presented to the entire House of Representatives for immediate action.

During one of the recent hearings, an argument arose between

a witness and several members of the committee as to whether or not the Korean action was a "war" or a "police action". It was my observation that this was a question that could be answered unequivocally by some of the boys who have been over there. No matter what you call it, the weapons used are the same and are capable of dealing the same kind of death, the same kind of maiming, the same kind of destruction.

Actually, we are in it and I say "Call it whatever you want, but for the sake of humanity, let's get it over with". If we were not in Korea, but merely contemplating entry, there would be ample justification for the continuing debate, simply because the difference between a war and a police action is this: In order for this country to engage in war a formal declaration of war by the Congress is required. A police action merely means that troops, equipment and arms may be committed to certain sectors by executive order without a declaration by the Congress. Our responsibility at the present time is to get this Korean conflict over with and stop the senseless slaughter, maiming and destruction. We can argue about words later on.

CONTEMPT CITATION AGAINST COMMUNISTS: The House voted 314 to 0 on House Resolution 517, citing Sidney Buchman for contempt of Congress for his refusal to comply with a subpoena issued by the Committee on Un-American Activities. This Sidney Buchman appeared as a witness before a sub-committee of the Committee

on Un-American Activities on September 25, 1951, in Los Angeles, at which time he admitted having been a member of the Communist Party between 1938 and 1945, but refused to disclose the sub-committed names of the persons associated with him in the communist groups to which he had belonged while a member of the Communist Party. He is a writer-producer in the movie industry in California, and was uncovered by the Un-American Activities Committee's investigation of communist activities in California.

There are many more of these just like Sidney Buchman who have profited lavishly under our system of government, but who have been betraying the very principles that made their success possible. I challenge the statement of this sorry type of humanity when they say that they have ceased to be communists. It is rather odd that they do not denounce communism until just before they are caught. It is also odd that after they have denounced communism for the obvious purpose of saving their own hide, they refuse to divulge the names of the sinister vermin and rodents (rats and lice in plain Texas English) with whom they were associated. This to me is the proof of the pudding, and I say that this kind of human vampire should be cast from our shores along with the whole kit and caboodle of his associates.

Here are the names of some of the productions with which he was associated: "Sign of the Cross"; "Thunder Below"; "Whom the Gods Destroy"; and a favorite of many movie goers, "Mr. Smith Goes to Washington." He should have written "Mr. Buchman Goes to Moscow", and conformed to his own actions to the title. One of his later productions was "To The End of The Earth", a rather fitting title for what the com-

munists stand for.

There is quite a bit of talk around Congress for a resolution calling for disbarment proceedings against his attorneys, Pepper and Sigel of New York City, for questionable and sharp practices allegedly indulged in by them before the committee. The dander of the Congress is up, and the likes of Sidney Buchman and his associates can expect to be dealt with accordingly.

Arrangement Of Kitchen Equipt. HD Club Tonic

Mrs. Tom Draper, CHDA, gave a demonstration on grouping and general arrangement of kitchen equipment at a meeting of the Progressive Home Demonstration club Tuesday afternoon in the home of Mrs. V. E. Dodson.

The council report was given by Mrs. D. Buttrill. The 4-H and reporters recommendations were read and accepted and the club voted to send a contribution for the Junior Livestock and Poultry show.

The club chose copper as its craft for later study.

Members and visitors present were: Mesdames C. C. Billingslea, M. D. Buttrill, C. V. Burges, Bert Coffin, Leon Coffin, F. J. Walterscheid, Sam Lesly, Lewis West, D. J. Enders, Clyde Russell, P. L. Carmichael, Lester English, Leroy Burges, Tom Draper and the hostess.
