SIGHTS, FACES SEEN

Around Town

Don T. Martin, Mrs. Tommy Hulse and L. C. Thomas attended a meeting in Amarillo this week to set up a five-year plan for vocational work in high schools. Each of these three met with various groups, which studied a group of State proposals.

Bobbie Bratcher, student at Wayland college, will address the young people of the Avenue Baptist church Saturday night, with the meeting to begin at 7:30 p. m.

Bratcher is the same man who held the youth revival at the church last summer. He is leaving for Formosa in March.

Miss Rose Ransan of Jacksonville, Ill., is in Hereford this week on her annual visit to Hereford to take care of business interests. Miss Ransan arrived here Tuesday and will stay until March 6. She is staying in the home of Mrs. Frank Rolson. Miss Ransan has been making annual visits here since 1925 to look over her two sections of land northwest of Hereford. The land has been in the Ransan family since 1906.

The Hereford Police department has a new squad car, a 1952 Plymouth.

The Amarillo Chapter of the American Guild of Organists will present Walter Reneker in a recital at the First Baptist church in Canyon on March 2 at 4 p. m.

On March 16, the chapter will present an artist series program by Joseph N. Grant, FAOG, Albuquerque, in the Polk Street Methodist church in Amarillo at 4 p. m.

The public is invited to both of (Continued on page 5)

C. G. Richardson Announces For Commissioner

C. G. Richardson, County Commissioner in Precinct 4, this week authorized The Brand to announce his candidacy for the office of Commissioner, Precinct 4. In his statement, Richardson said:

"To the people in Precinct 4 I want to announce as a candidate for re-election as your County Commissioner.

"Serving as your commissioner this past term has been mostly a pleasure and I have gained a great deal of experience that should better qualify me to serve as your commissioner in the future.

"I appreciate the help that you have given me and the trust that you have shown in me and if re-elected, I will continue to spend all of the time and effort that is necessary to take care of the roads and other county business."

Tom McFarland Resigns Post As C of C Manager

Tom McFarland, secretary-manager of the Deaf Smith County Chamber of Commerce since October, 1950, submitted his resignation to the C of C board of directors at a monthly meeting of the group Wednesday night.

McFarland is leaving Hereford in the near future to accept a position as manager of the newly created High Plains Water Conservation District No. 1 with offices in Lubbock.

He will assume the position in Lubbock as soon as a replacement is found to take over as manager of the local Chamber of Commerce office.

McFarland became connected with the local group in 1950 after having served with the Texas Employment Commission. He was instrumental in forming the water district under a new law and was elected to serve as the first chairman of the group.

He will relinquish his chairmanship of the board and also his post as precinct representative from this precinct on the district's board of directors.

Rev. Eldridge Resigns, Walter Lane Moves Here

ELDRIDGE

Rev. S. E. Eldridge, pastor of the Hereford Assembly of God church, has resigned his position to accept the pastorate of the Big Spring Assembly of God church.

Rev. Eldridge, who came to Hereford in 1944 from East Texas, is the present president of the Hereford Ministerial Alliance.

New pastor at the Hereford church will be Rev. Walter Lane, who comes here from Plainview.

Rev. Lane will assume his pastorate here on March 9. He and his family will move to Hereford sometime next week. Rev. and Mrs. Lane are the parents of two children—a daughter, age three, and a son, two years old.

Burglars Loot Three Rural Homes, Loss Is About \$700

Investigation conducted this week failed to uncover any new leads in a series of rural house burglaries that took place in the northeast part of the county during the Stock Show here Saturday afternoon, said Sheriff J. C. Reese.

Approximately \$700 worth of guns, jewelry and household appliances were stolen from three farm residences. The burglaries occurred between the hours of 2 and 5 p. m., Reese reported.

The first place burglarized was the A. B. Dozier farm, one mile

east of the Progressive school. Four guns were missing from the Dozier home and the thieves also backed their vehicle up to the Dozier farmyard gas tank and filled their auto before leaving.

Articles missing from the Dozier home were described as follows: 30-30 Winchester saddle gun, practically new Model 94; A10 J. C. Higgins shotgun bolt action repeater; 22 caliber Hi Power Remington rifle; and an old .12 gauge double-barreled hammerless shotgun.

Next stop for the burglars was the Wayne Higgins farm on the Dawn-Wildorado road eight miles north of Dawn. From the Higgins place, they took a portable electric Singer sewing machine, Serial No. A191093, complete with case and several attachments; a .12 gauge Remington Model 11 automatic shotgun, serial No. 463090 with Beaver choke; and a 20 gauge Winchester pump gun.

All of Mrs. Higgins' costume jewelry was also taken taken from the house.

Third Deaf Smith county place burglarized was the A. B. Taylor home 1/4 mile south and 1/4 mile east of the Higgins place.

The Taylors reported the theft of a Singer portable sewing machine, Serial No. A976102, three piggy banks with over \$10 in them.

Reese said there have been no clues uncovered because the thieves evidently took advantage of the stock show in Hereford to execute their thefts.

He said another burglary was reported near Bushland, which was evidently the last of the day for the thieves.

Wear Re-Elected HSC President

Bob Wear was re-elected president of the Hereford Safety Council at a meeting of the group held in the office of Mayor W. E. Dameron on Tuesday.

Other officers re-named for the coming year are: Don T. Martin, first vice-president; D. C. Martin, second vice-president; Wayne Lawrence, third vice-president; Ralph Smith, secretary; Ray Cowser, Treasurer; and Lyndall Murray, member of the board.

Representatives of each of the civic and fraternal organizations in Hereford are members of the Council. They include: Rotary, Jaycees, Chamber of Commerce, V. F. W., American Legion, Lions and Kiwanis.

In a statement prepared for the annual election meeting of the Council, Mayor W. E. Dameron said:

"I definitely believe that the Hereford Safety Council should be continued. It is the beginning of something which will be needed more as our city grows.

"The Council, in its first year of life, has accomplished many very worthwhile things for the safety of Hereford.

"We need the service that the Safety Council can give and should encourage more of our citizens to active participation in its activity."

Some of the accomplishments of the Hereford Safety Council, as outlined by Council President Wear, are:

Obtaining pedestrian lanes at four street crossings for school children;

Obtained appropriate traffic signs for school zones;

Provided several safety films for use in the public schools;

Sponsored Bicycle Safety club during the summer months;

Conducted 'safe driving' campaigns; and

Cooperated with other groups in all phases of safety education.

Speech Contest Plans Are Set By Toastmasters

Plans for the speech contest which will be held in Hereford March 22 were discussed at the regular meeting of the Hereford Toastmaster's club Tuesday evening.

J. A. McWhorter served as toastmaster for the evening and Bob Lamn was topic master.

Prepared speeches were given by Elmer Patterson, H. V. Stanton, Joe Smith and W. C. Meharg. Joe Smith's speech was judged the best speech of the evening.

George McLean, served as general evaluator.

Tommy Woodford, president of the Hereford Junior Toastmasters club was a guest and Harold Close was also a visitor. Close was named as an associate member of the club.

One - Third Of Red Cross Quota Is In

A total of \$2,513.50 — approximately one-third of the county's \$6677 quota — had been raised for the American Red Cross by 2 p. m. Wednesday afternoon, according to Mrs. Dyalthisa Brady, Red Cross executive secretary who was taking early reports at campaign headquarters in the lobby of Hotel Jim Hill.

Mrs. Brady said this includes two rural returns, very few business houses. Most of the early donations have come from residential memberships and from advanced gifts.

At Tuesday morning's kick-off meeting, Advanced Gift Chairman Wayne Evans reported that he had collected \$1615 in advanced gifts.

Advance gifts quota was \$1,068.32.

At Tuesday's meeting, the volunteer workers were reminded that the drive to obtain members for 1952 is to be a week-long affair at the most.

Chapter Chairman Fred W. Baird addressed the group briefly. He in turn introduced Fund Chairman Ben Childers who introduced guests and workers.

Other speakers on Tuesday's program included Mayor W. E. Dameron, T. E. Seigler, Sgt. Robert Bills — a Korean veteran — Mrs. Jim Ricketts, first aid course student; Mrs. Wayne Edwards, who was in the Leedy disaster in Korea; and Rev. Russell Wingert, a chaplain in World War II. All the above gave testimonials on the work of the Red Cross.

Mrs. Dyalthisa Brady outlined what happened to Red Cross

money and what determined the local quota.

Local service and the local share of the national budget are the determining factors, she stated.

Local service is increased by the service-connected cases which means higher communication costs, safety services, first aid and home nursing training as requested by the Civilian Defense director, and completion of the walking blood bank in Hereford.

Nationally, Mrs. Brady explained, 25% of the money raised here goes for being a neighbor

to those in disaster areas throughout the nation.

She cited the case of the Kansas floods, the fourth costliest domestic relief program ever placed in the hands of the Red Cross. The national budget, \$5 million dollars, is the largest in peacetime.

In the face of this, Mrs. Brady pointed out, the local membership quota has increased only \$410.

A further report on the progress of the local membership campaign will be given in The Sunday Brand.

Prisoner Swindle Is Revived Here

It looks as though that Mexican Prisoner Swindle is back again!

Dr. C. D. Kelton was the intended "victim" for the notorious racket this time. But rather than play the game and "recover" the trunk in which the huge sum of money (this time it was \$450,000) was stored, he turned the letter over to Sheriff J. C. Reese.

Reese warned residents of the community to be wary of any of these "get-rich-quick" schemes. "It would be well," he cautioned, "to throw those and other letters of that type into the wastebasket and forget about them."

There's nothing the local law enforcement officers can do to stop this, he said. The best they can do is to warn the people and let them know "what the score is."

In this letter—the same as many of the older Prisoner Swindles—Kelton was given the chance to share in a \$450,000 "cache" in a secret compartment of a trunk stored in a customs house somewhere in the U. S. All Kelton had to do was come to Mexico City and pay for the process of "getting the trunk back."

The owner of the "trunk" was in prison as a result of bankruptcy, he said.

The letter Kelton received reads as follows:

"A person who knows you and who has spoken very highly of you, has made me trust you a very delicate matter of which depends the entire future of my dear daughter, as well as my very existence. I am in prison, sentenced for bankruptcy, and I wish to know if you are willing to help me save the sum of \$450,000 U. S. C. which I have in bank bills hidden in a secret compartment of a trunk that is now in a Customhouse in the United States.

"As soon as I send you undeniable evidence, it is necessary that you come here and pay the expenses incurred in connection with my process, so the embargo on my suitcases can be lifted, one of which suitcases contains a baggage check that was given to me at the time of checking my trunk for North America, and which trunk contains the sum above said. To compensate you for all

your troubles, I will give you the THIRD PART OF SAID SUM.

Due to serious reasons which you will know later, please reply via AIR MAIL. I beg you to treat this matter with the utmost reserve and discretion. Fearing this letter might have gone astray and not reach your hands, I will not sign my name until I hear from you, and then I will entrust you with all my secret. For the time being, I am only signing "F."

"Due to the fact that I am in charge of the prison school, I can write you like this and entirely at liberty. I can not receive your reply directly in this prison, so in case you accept my proposition, please AIR MAIL your letter to a person of my entire trust who will deliver it to me safely and rapidly."

The writer then listed another Mexican City address at the end of his letter.

Dr. Kelton isn't in the mood for recovering any trunks from any customhouses, needless to say.

J. D. Owens Will Be Interred In Hereford Friday

Funeral rites for J. D. Owens of Tulsa, husband of Mrs. Lola Owens of Hereford, will be held Friday afternoon at the Gilliland Funeral home. A definite hour for the services have not been set, pending arrival of his brothers. Rev. R. H. Cagle will be in charge of the services.

Owens was born on March 21, 1893 in Lineville, Ala. and was married to Lola Shults at Lineville in 1915. He was a traveling salesman at the time of his death.

Survivors include: Mrs. Lola Owens of Hereford, a son, Jack of Lebanon, Ore.; a daughter, Mrs. L. B. Barnett of Dallas; his mother, Mrs. A. A. Sook of Birmingham, Ala.; two sisters, Mrs. L. L. Simms and Gertrude Cook of Birmingham; and five brothers, T. H. L. W., and C. T. of Dallas and W. T. and Stenson of Alabama; and four grandchildren.

AND THEY STILL COME! Pat Loerwald, office secretary for the Deaf Smith County Chamber of Commerce, looks over a pile of letters received through the past few weeks by the C of C from all over the nation asking about the high mineral content of Deaf Smith county produce. Two of the most recent, received this week, came from Indiana and from Hot Springs, Ark. One writer was an M. D. and the other a Dental Technician. One of the letters asked for a tablet made from the soil in the county and the other wanted names of farmers growing wheat and soy beans in the county. Manager Tom McFarland said the letters come in at the rate of five or six a week. —Staff Photo

Pineapple Tops This Upside Down Ham Loaf

UPSIDE Down Ham Loaf is as much fun to make as that kind of cake. When it's baked, you turn the pan upside down on your platter and this good-sized ham loaf slips out, topped with pineapple. You can use canned slices or the diced fruit arranged in rings, and what a pretty picture it makes for your Easter dinner.

A hint of brown sugar blends with the pineapple for a flavor that's so good with ham. And the parsley in the loaf itself adds a fresh, different touch.

But the biggest joy of Upside Down Ham Loaf is its ceaseless thrift, a point you'll appreciate in Lenten menu planning. Corn flakes extend a pound of ground ham—make it shank or butt—and a half pound of fresh pork to 8 to 10 servings. Too, the corn flakes add a subtle flavor you're sure to like.

Upside Down Ham Loaf
 1 pound ground lean smoked ham
 1/2 pound ground lean fresh pork
 1/4 cup chopped parsley
 2 1/2 cups corn flakes
 1/4 teaspoon salt
 1/4 teaspoon pepper
 1 egg
 1/4 cup milk
 1/4 cup pineapple syrup
 1 cup diced canned pineapple
 2 tablespoons brown sugar
 Combine ham, pork, parsley, slightly crushed corn flakes, salt, and pepper with egg, milk, and pineapple syrup; mix well. Place pineapple in bottom of 9 x 5 x 3 inch loaf pan and sprinkle with brown sugar. Pack meat mixture on top. Bake in moderate oven (350°-375° F.) about 1 hour. Remove from pan, turning upside down onto platter to serve. Yield: 8 to 10 servings.

Schedule Grain Grading School In Dimmitt

A grain-grading school will be held in the district courtroom in Dimmitt on March 6 for all county agents, veteran agriculture teachers, vocational ag teachers and elevator men, according to J. Edd McLeroy, Castro county agent.

The school will be an all-day affair, McLeroy told The Brand, starting at about 9 a.m. Fred Dines, wheat marketing specialist from Amarillo, and several out-of-state specialists will be on hand to help with the school.

Included on the program for the day will be instruction in grain storage, identification, grain grading, etc. McLeroy said he is also scheduling a two or three hour period of instruction on planting and caring for seed trees. He will demonstrate planting red cedar, Russian Mulberry, and several other trees.

The session will be held at or near the Dimmitt high school. Plans are not completed for this school yet.

Trial Dates For District Court Cases March 15

Trial dates for six district court cases were set for March 25 by District Judge Harry Schultz.

They were cases on which pre-trial was heard February 23. Included in the cases are: O. T. Staats et al vs. H. E. Miller; Robert A. Singer vs. Thomas Caldwell; Janie Hastings et al vs. Perrin Brothers and Bud McIntosh; T. Carl Clawson vs. W. E. Holcomb—Otto Massie was appointed by the court to be receiver; Walter L. Kuper et ux vs. William A. Carter.

The defendant's exceptions were withdrawn in the Western Security Inc. vs. L. H. Pickrell et al suit on a note.

Another case heard in pre-trial Saturday was the Henry Schlothauer vs. J. Roy Crutchfield action.

County Signs Bull Barn Lease With Lions Club

A lease on the Bull Barn—from January 1 to December 31, 1952—to the Hereford Lions club was signed Monday by the Commissioners Court.

In their contract, the Hereford club agreed to spend about \$3,000 in remodeling the building to provide additional seating capacity for the weekly wrestling matches.

The Lions seek to move the east wall of the auditorium at

the Bull Barn and add more seats.

County Judge Leonard H. Foster said the commissioners agreed with the idea providing the expansion doesn't interfere with activities of cattlemen's groups who use the Bull barn also.

Rental for the building will be the improvements which the Lions will put into the Bull Barn. The club stated in its petition that it has spent \$4,000 in the past two years at the Bull barn and will spend \$3,000 more under the new lease terms.

The lease carries an option to renew the pact also. All improvements are to remain a permanent part of the building.

City Will Lease Hospital Land For Park Use

That portion of the Deaf Smith County hospital grounds adjoining the new city park in the hospital block will be leased by the city of Hereford and incorporated into the city's newest park, it was agreed at a meeting of the city and county at a meeting last week.

The county will use its machinery and men to remove what trees will be removed to make the new park addition. The county will do the grading, excavating and leveling and the seeding of the grass.

The city will furnish the water for watering the entire block which embraces the park and the hospital grounds.

On the hospital lawn proper, some of the trees will be removed, some dirt moved, and grass planted. Planting of shrubs will be incorporated into a later plan.

Plans for the work are being laid by Holden Nursery of Lubbock, originators of the park plans for the city.

County Will Buy Road Grader For Precinct One

The Commissioners Court Monday approved the purchase of a diesel tandem drive motor grader for road work in Precinct 1.

Bids on the 100-horsepower enclosed unit will be accepted until March 24 at 10 a. m.

The county will trade its present equipment in Precinct 1, a Caterpillar grader, in on the new unit.

An official notice to bidders will be published in The Brand March 6 and 13.

Water District Committeemen Meet On Thurs.

County committeemen for the High Plains Water District No. 1 met Tuesday night at Canyon to discuss provisions of the new law giving life to the district.

Discussions were held on well-spacing, control of waste water, well permits, and an educational program.

County committeemen also drew numbers to see who would serve for one, two or three year terms. In Deaf Smith county, Virgil E. Dodson will serve for one year, Kenneth Rudd for two years, and Gayle Neal for three years.

The committeemen also declared that they preferred to hold an election in the near future to replace Tom McFarland as precinct director. McFarland will be leaving Hereford to assume duties as manager of the water district with offices in Lubbock.

Two men were named to the ballot: Jim Line of Bushland and G. A. Dietz of Randall county.

McFarland and Neal re-meeting, which was held in the tented Deaf Smith county at the cafeteria at West Texas State college.

A nail driven into a tree trunk would be at the same height from the ground five years later.

The famous "Robber Barons" were Andrew Carnegie, Jay Gould, James Fiske, John D. Rockefeller, Cornelius Vanderbilt and J. Piermont Morgan.

POVERTY OF THE MIND

Captain Kidd was an American shipmaster, commissioned by the British to capture pirates.

County Spelling Contest Friday

The Deaf Smith county spelling contest, to select an entrant to the West Texas Spelling Bee in Amarillo on March 8, will be held on February 29 at the Hereford junior high school cafeteria. The contest will start at 2:30 p. m.

There will be two representatives each from Central, Shirley, junior high, Walcott, Dawn and St. Anthony schools.

Junior high school representatives will be: Carolyn Virden, eighth grade; and Myrna Lou Coffin, seventh. Shirley school will be represented by two sixth grade students, Charlotte Moore and Linda West. Central school's representatives will be Lapa Crow and Janice Medlin, both fifth grade pupils. Lucy Beth Miller and Jack Terry Higgins will be contestants from Dawn. They are both sixth grade students.

Friends, Relatives Of Ira Scotts Gather Sunday For Housewarming

By Mrs. Ira Ricketts
Those visiting the Ira Scotts in their new home on Sunday were Mrs. Scott's relatives. They included her brother-in-law and sister, Mr. and Mrs. Paul Johnston of Corpus Christi; Mr. and Mrs. Reed Nichols and family; Mr. and Mrs. James Walker of Amarillo; Mr. and Mrs. Dan Schaffer and children of Happy; Mr. and Mrs. Flake Thurman and boys of Canyon and Mr. and Mrs. V. E. Dadson and Miss Ann Smith of Hereford. The Scotts have recently moved to their new home on Harrison highway, which they purchased from Q. N. Lewis.

Mr. and Mrs. Bert Coffin and daughters, Myrna Lou and Judy and Lois Christian were dinner guests Sunday of Mr. and Mrs. Clyde Russell and family.
Mr. and Mrs. Ira Ricketts spent Thursday night and Friday in the home of Mr. and Mrs. W. A. McMurry in Lubbock where they also visited their son Glenn and family. Mrs. Ricketts came from Euclid to Lubbock for medical care. Glenn has returned to Hereford where he is the pastor of the First Christian church.

Mr. and Mrs. Lester English had as their guests Sunday Mr. and Mrs. Bob Lawrence and Mr. and Mrs. Raymond Higginbotham and children Ann and Landis.

Mrs. Junior Cardwell and young son, Sidney, were visitors of Mr. and Mrs. V. E. Dodson on Saturday of last week.

Dinner guests in the Gregory home Sunday were Mr. and Mrs. Fred Saltzman, Mr. and Mrs. Albert Deitrich and children of Tulsa.

Mrs. Clara Morris and Mrs. Irene Ives, mother and sister of Mrs. Raymond Bean, arrived Saturday for a visit in the Bean home. The ladies were returning to their home in Cotton

Plant, Ark. after having visited in California for the past six weeks.

Doris Russell spent Saturday and Sunday night with Dorothy Veigel.

Mrs. Leon Coffin spent several days in Albuquerque with her mother, Mrs. Grogan, who is ill. Carolyn Ann Harper spent Thursday night with Linda Russell. The Harper's left Sunday for California where they will make their home.

Mrs. Dewis West and Mrs. Virgil Dodson attended the recreation school at the club house.

Professor E. T. Cornelius of TCU was dinner guest of Mr. and Mrs. Ira Ricketts on Sunday.

Mr. and Mrs. Sam Hershey of Lubbock were visiting his parents, Mr. and Mrs. H. L. Hershey over the week-end.

Charge Failure To Yield ROW In Accident

Charges of failure to yield the right-of-way were filed against Marion Raymond Skains of Hereford as a result of an accident

Monday afternoon.

Skains, who was driving a 1950 Studebaker, was going south on McKinney when he hit the 1936 Dodge, driven by John Leroy Rogers, going west on Third.

Damage to the Studebaker was estimated at \$40 and damage to the Dodge was set at \$25 by J. C. Mays, city policeman who investigated the accident.

Ten Cases Are Dismissed In District Court

Ten cases were dismissed in district court Saturday, one civil suit and nine criminal actions.
On motion of the plaintiff, the damage suit of Mr. and Mrs. Walter Paetzold vs. W. F. Hardwick and R. E. Griffith Realty Co. was dismissed with costs of the suit taxed against the plaintiff.

Four indictments for forgery against S. L. Powell Jr. were dismissed when Furr Food advised the court that they were with-

drawing prosecution. All orders of dismissal were signed by Judge Schultz February 23.

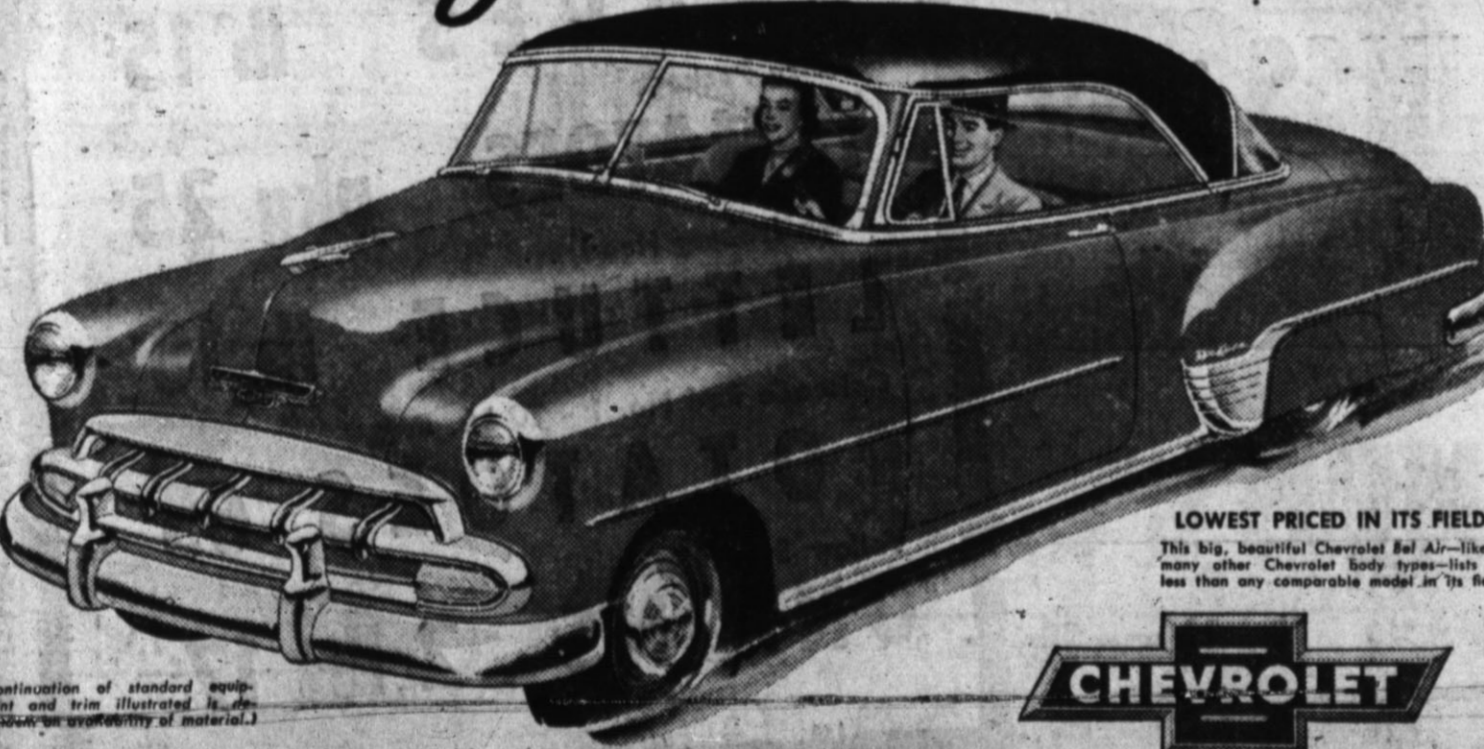

Two charges of forgery and two of passing against Jack Bowers were also dismissed upon the request of the state. Bowers was indicted on November 29, 1950 on the four counts and has not been apprehended as yet.

A charge of swindling with worthless check against Astor Alston was also dismissed on the advice of the state. Alston has not been found since the warrant issued for his arrest on August 2, 1949. He is serving time in a penitentiary in another state.

George Williams, a former Hereford boy who now operates a drug store in Fairbanks, Alaska, is like all native Texans in that he once and awhile does a little boasting about his home state. Not long ago a GI stationed in Alaska interrupted one of George's tirades on Texas—and handed him the following article to read in his leisure time:

BIGGER AND BETTER

In a few years I hope something like this will happen to me. I'll be in the club car of a train heading for Florida. A long tall bowlegged fellow will come in and sit down by me.

"Pardner," he'll say, "Where you from?"

"Kentucky," I'll say.

"Well, I'm from Texas," he'll say. "Greatest state in the union. You can put Kentucky and all of New England in just a little old corner of Texas, you know it. Land area of 263,644 sq. miles. Greatest state in the union."

will become national in scope. What in the world will we Texans do when we have to take a back seat? It just isn't fair.

Darrell Blanton was in Oklahoma City last week-end visiting with his brother-in-law, John Willoughby, and Nadine. The group was enjoying a television program when, much to their surprise, appeared a "Strange As It Seems" feature entitled, "Hereford, Texas, The Town Without A Toothache." Darrell

was in the service when this feature appeared on theatre screens all over the country—and he said that it came as a genuine shock.

Sam Nelson is regionally famous for the fact that he never wears a coat. Even in zero weather Sam breezes around in his shirt sleeves. This kept the people around here wondering all of the time and now that Sam is with Rodgers Grain at Dawn, he also has the Dawn people in a

dither. Furthermore, Sam can boast that he seldom, if ever, has a cold. He wears wool shirts in the winter. Once I asked him what he does when it gets down to zero or below. Sam just grinned and said, "Well, if it's that cold; I generally figure it's a good time to wear an undershirt." Bill Patton has also taken up the fad. Maybe these boys have something—and I hope it doesn't turn into pneumonia.

Mrs. Clyde Cave says, I am all

wet about the variety stores dropping volume to the grocery stores. She says she has all the figures to prove her argument and that I am just popping off. I am sure she is right, but I still predict a merchandising change within the next five years. Woolworth has a double-page, color spread in the new March issue of McCall's. Maybe they are just going after more volume than ever—but it is something new.

Sam McLallen and family will

be heading for California Sunday morning. They will be gone 10 days or two weeks, and Sam will observe the Penney Company Golden Anniversary in a special meeting at San Francisco.

Grandstand Gropings

By Kent Snare

No matter how many scars they acquire in the process, it seems as if baseball managers persist in running off at the mouth, even to the extent of substituting conversation for performance. At least they indulge in loose talk before they turn a tap. You probably saw the latest splurge, that of Lou Boudreau in the Satevepost. Of course, a large portion of his diatribe was a defense mechanism, stemming from the back-wash of his assertion last fall, that he would trade Ted Williams. Of course, since Uncle Sam has taken the ball away from him on that score by fingering the Thumper for the Gyrenes, he feels safe in not having to face the Boston cheering and clamor section if'n he were the one who removed the big guy from the Boston Commons. . . . Incidentally, it is no cinch that he will not have to contend with the Williams star this season, for the word is out that Ted is tabbed for re-entry into his former branch of the service and, as I have said before, there is no assurance that if he takes the flight physical, that he can pass it, with his left arm jammed as it is. Lou says he will replace Ted with Billy Goodman. Billy the Kid, with the old college try did well in filling in for Williams in '50 when he broke his elbow in the All Star game, but the fact remains that the left field wall at Fenway requires an experienced carom player and a strong arm to do the stint day after day and Billy can't qualify on either requirement. His hitting fell off badly last year but, of course, he won't be expected to replace Williams on that score. . . . There's only one extant who can, and the Cards recognize that with the potatoes they pay the Man. . . . I'll bet Saigh's porridge remains bitter from that salary. . . . Boudreau did put his finger on one thing and may have a partial solution, in his platoon talk, of stopping the Boston's amazing propensity to lose on the road. The close left field barrier at Fenway will still demand solid right handed sluggers to maintain that winning preponderance at home but on the road they may spread out the hitting talent a bit if they can scoop up the manpower. . . . Further on the subject of experience, it seems apparent that the Yanks are going to try to acquire the seasoned

Noren and Michaels from the Senators and give up in the process, two of the potential DiMaggio shoe fillers, Jackie Jensen and Bob Ceru plus Catcher Ralph Houk and second baser, Billy Martin. . . . The spacious center spot at Griffith park is the only AL acreage that compares to that in the Stadium that Joe covered and held up a leg, but who else can. . . . And even with the talented McDougald on hand, Casey wants Michaels as insurance, against the Whiskers created Coleman void. . . . Noren's long outs at the wayback walls of Griffith's Gardens may pay off in the Stadium by finding their way over more often. . . . Remember that salacious Saturday last fall when everybody lost who wasn't supposed to. . . . Well, we had another visitation of the same malady last Saturday. . . . K Ags had beaten Colorado U 92-40 at Manhattan but at Boulder they lose 57-67. . . . That puts the pig high in the poke for next week's go with Kansas U at Lawrence. . . . Whoever wins it in the Big 7 and that puts the monkey on the back of the Big 7 Big wigs who said the champs of that league could go no further. . . . Duquene lost the first one of 19 to Villanova, who had lost to one and all. . . . Wyoming dropped Washington, 55-45 after losing the night before, 50-52. St. Bonaventure lost to Canisius, 63-65. Illinois blasted Iowa, 78-62 for the Big 10 flag, probably, and they had dropped one to the Hawkeyes previously.

Girls Volleyball Teams Will Play Plainview Thurs.

The Hereford Girls Volleyball team will play their first game of the season with the Plainview team on Thursday night. The game will be played in the Plainview high school gym starting at 7:30. Tentative starting line up for the game will be: Ardella French, Helen Hanagan, Peggy Tisdale, Novelyn Wiggins, Mary Frances Rogers and Lois Ann Thomas. Mrs. Charlotte Calvert is the coach of the Hereford team.

Dimmitt Favorite In Cage Tourney

LUBBOCK.—Levelland and Dimmitt are favorites in the Region I basketball tournament scheduled for Texas Tech Friday and Saturday. Champions in both Class AA and A will go to the state finals in Austin the following week. Also slated for March 7 and 8 is the Region II girls basketball championship at Texas Tech. J. W. Blaine, coach of the Dimmitt Bobcats, carries a commendable mark of seven consecutive district titles and two regional championships (state semi-finalists both times) into the meet. Among Dimmitt's victories this year has been a 36-31, non-conference win over Levelland. Levelland's Lobos, coached by Gano Tubbs, have compiled an imposing record, including two victories over Class AAAA Lubbock. They'll be hampered, how-

ever, by the loss of their ace defense man, James Pierce. He has a broken leg. Levelland, champion of district 7AA, opens play against Snyder of District 5AA at 3 p. m. Friday. Dimmitt, District 2A titlist, starts off against Ozona of District 6A at 9:30 a. m. Friday. Winner of the Levelland-Snyder game, will at 10 a. m. Saturday, meet the winner of the Quannah (4AA)-Tahoka (6AA) contest. Quannah and Tahoka play at 11 a. m., Friday. The next game will be the finals for Class AA at 9 a. m. Saturday. Other first round games in Class AA will send Childress of 3AA against the IAA champ (Phillips or Dumas) at 7 p. m. and Canyon of 2AA against the 8AA titlist (Kermit or Monahans) at

9:40 p. m. Semi-final match for these two winners is at 1 p. m. Saturday. If Dimmitt wins its opening game, it will play the winner of the White Deer (District 1A)-Clyde (District 7A) game, scheduled for 1:30 p. m. Friday. The game between the winners will be played at 8:30 a. m. Saturday. In Class A, other first round games pit Abernathy (3) against the District 8 champion at 4:30 p. m., Friday and Big Lake against the District 4A champion (Denver City or Sundown) at 8:20 p. m. The winner of these two games play in the semi-finals at 11:30 a. m. Saturday. Class A finals will be at 7:30 p. m. Saturday. Bobby Goad, a Texas Tech coach, is regional basketball director for boys competition.

Forty-Eight Are Out For Track

Forty-eight hopefuls are now working out with Coach Dalton Criswell for the 1952 Hereford high school track team. With about only seven good nights for workouts and that many sessions under their belts, the Herd trackclads are preparing to graduate from conditioning alone and start work on individual events. Two dates—and both still tentative—for invitational meets are March 22 at Panhandle and March 28 at Farwell. There has been no decision on that or any other workouts as yet, Criswell said. Bill Kelly is still out nursing his sprained ankle, Criswell said. A penny and a cannon ball, dropped from a high place, would reach the ground at the same time.

Frosh Cagers To Bovina Tourney

Hereford's freshman basketball team will travel to Bovina for an invitational nine-team tournament Friday and Saturday. Frosh Coach Dalton Criswell said Tuesday. The junior Whitefaces will meet Lazbuddie in the first game of the tourney Friday night at 9:30 p. m. If the Herd wins that game, it will meet the winner of the Bovina-Kress-Friona scuffle at 4 p. m. Saturday. Boys who are 16 after September 1, 1951 are eligible for the junior tournament. Coach Criswell's quintet faces some rough opposition in the upcoming tournament, but their

prospects are better than average. Kress, Bovina and Canyon are rated as the giants to topple in this go. Members of the squad are: Francis Boyd, Hugh Bob Tilson, Jackie Burris, Buddy Godfrey, Jamie Airhart, Homer Hershey, Keith Hodges, Tunny Wilson, Gary Southern, Lerry Kaul, Darrell Dawson (too old for this tournament), Lynn Bybee and Kenneth Matthews. If a man digs a hole a yard long, a yard wide and a yard deep in an hour, it will take him eight hours to dig a hole two yards long, wide and deep.

Sparks Fly In Tag Team Match At Bull Barn Sat.

Last-minute substitutions in the wrestling program Saturday night at the Bull barn changed the principals, but failed to take any of the excitement out of the two events for the night. In the feature bout of the evening, an hour-long, two fall limit tag team match, Tony Morelli of New York City and George Overhuls of Amarillo paired to do bodily damage to Billy Weidener, also of Amarillo, and George Curtis, Vicksburg, Miss. The first fall went to Morelli over Billy Weidener via a body press after 22 minutes. Both Morelli and Overhuls worked Weidener over a little before Morelli administered the final equalizer. Things roughened up considerably as all four went back into the ring for renewed activity. It was hot and heavy before Overhuls put a body press on Curtis in 12 minutes of the second fall. However, Curtis and Weidener were loathe to let things stop where they were supposed to. Excitement started busting out all over after the final fall and all four started going to it again. Overhuls again polished off Curtis to make it decisive, doing

it this time eight minutes after the fur was supposed to have stopped flying. Things were looking rosy for Curtis before the boom fell. He was body slamming Overhuls and almost had the husky former Sandie grider pinned when Morelli buffed Curtis when the referee wasn't looking and knocked him off balance. Overhuls landed on top of the Mississippi mauler. This ended the tag team activities, both scheduled and unscheduled. In the first bout of the evening, Bill Sledge of Thornton and Gene Detton of Amarillo met in a one hour match, best two out of three falls. Sledge took the first in 35 minutes with a top body press.

Detton rebounded to take the second fall in 13 minutes with a top body press following a series of drop kicks. This first match evidently set the pattern for roughness for the evening as Sledge got himself disqualified for unnecessary roughness which included hair pulling, choking, gouging, etc. Billy Weidener called this match and Gene Detton was referee for the tag team match. The changes in the card for the night put Gene Detton in the first event for Weidener; Tarzan Zimba and Morelli were originally slated to fight off Overhuls and Curtis. All proceeds of the match went to help defray costs of the Rotary's Junior Livestock and Poultry show.

Picture of Modern Living

Today, thanks to electric service, and modern electric appliances, wash day is almost completely automatic. Your clothes are washed automatically with correct water temperatures and modern-improved soaps or detergents replace the old scrub board. Result is whiter, cleaner washes with hard work completely eliminated.

It's a HONEY for the MONEY

Can you imagine this—A car with Buick's power, Buick's size, Buick's room and Buick's big-car roadability—at a price down where anyone with the price of a new car can reach it? That's what you'll find in the Buick SPECIAL pictured here. How about coming in and looking it over? Some things you'll need to see—such as the smartest new fabrics and interior trims that these swift beauties have ever offered. Or a long list of new conveniences, developed by Buick's engineers this year.

Some things you'll need to try—such as Wide-Band brakes—new this year on the SPECIAL, and also on SUPER and ROADMASTER.

Some things you'll need to feel—such as the Million Dollar Ride, so called because it cost Buick this much and more in cold cash to perfect the 15 engineering features that give it a road-hugging smoothness—cushion your going like a million dollars' worth of velvet beneath the wheels.

Or the effortless ease of Dynaflo Drive.*

Some things you'll want to sample—such as the hoodful of power—the power of the mighty and thrifty Fireball 8 Engine—a valve-in-head that makes the most of high compression, gets good mileage from gas.

Some things you'll want to compare—such as delivered prices—and we're ready with figures that leave no doubt that Buick's the better buy.

Our welcome mat's out. Why not come in soon and get set for a thrilling year?

- ONLY BUICK PROVIDES THEM ALL**
- DYNAFLOW DRIVE***—great boon to easier driving, proved on more than a million Buicks
- FIREBALL 8 ENGINE**—of valve-in-head design, makes high compression count for more
- NEW WIDE-BAND BRAKES**—for smoother, more positive control
- MILLION DOLLAR RIDE**—with 4-wheel coil springing and road-steady torque-tube
- TOP-CAPACITY TRUNKS**—more luggage room than ever in most models
- NEW TWO-TONE INTERIORS**—in most models, grace Buick's Body by Fisher
- SWEEPSPAR STYLING**—adds gleaming smartness to all models
- Plus These, Too, On ROADMASTER:
AIRPOWER CARBURETION—with highest horsepower in Buick history. **MORE MILES PER GALLON**...
POWER STEERING—greatly eases parking and turning, without losing that firm feel... **SILENCE**—so complete you can speak in whispers under way.

How Can I?

By Anne Ashley

- Q. How can I make a disinfectant?**
 A. A home-made disinfectant, both efficient and inexpensive, can be made by completely submerging a small quantity (about half a can) of chloride of lime in vinegar. The gases released by this mixture will destroy germs and unpleasant odors.
- Q. How can I remove warts from hands?**
 A. Dissolve a quantity of washing soda in water, wash the hands, and then allow them to dry without wiping. Repeat this bathing until the warts disappear.
- Q. How can I wash a small Oriental rug?**
 A. Rub the surface with a lather of pure white soap. Then rub off as much soap as possible and rinse with cloths dipped in clear cool water. Dry thoroughly.
- Q. How can I prevent fish from breaking when frying?**
 A. When frying the fish, if the pieces are put into the hot fat with the skin side uppermost, and allowed to brown before turning, the fish will not break when cooking.
- Q. How can I brighten the colors of ribbons and silks?**
 A. Add a tablespoonful of vinegar to the first rinse water, and it will aid wonderfully in brightening the colors of the ribbons and silks.
- Q. How can I keep chamois gloves pliable?**
 A. Chamois gloves may be kept pliable and the leather preserved, by adding a few drops of olive

- oil to the water used for washing them.
 - Q. How can I remove a splinter from under the fingernail?**
 A. When one has difficulty in removing a splinter from under the fingernail, a cold bandage around the top of the finger will in time loosen the splinter and prevent festering.
 - Q. How can I prevent white silk from turning yellow when laundering it?**
 A. Put bluing into each water, and hang in the shade (preferably in the dark to dry), and it will not turn yellow.
 - Q. How can I add a more pleasing flavor to apple sauce?**
 A. If a slice of lemon, or the grated rind, is added to apples to be used for sauce, it will impart a pleasing flavor.
 - Q. How can I test table linen?**
 A. One method is to secure a sample of the linen and dip it into any kind of oil. The linen threads will become almost transparent, enabling one to see very readily how many cotton threads it contains.

When So Little DOES SO MUCH...

WHY TAKE CHANCES?

Feed RED CHAIN CHICK STARTER

A Complete Feed

The feed capacity of baby chicks is very small, but the feed they get must be highly nutritious to get them off to the right start. By feeding RED CHAIN Chick Starter you provide all those nutritional factors needed by chicks for rapid, healthy growth. This reduces the chances of loss and builds the ground-work for rugged pullets that mature early and lay more eggs in their first year. The extra fortification of Vitamin B-12 and Antibiotic Feed Supplement speeds up growth and aids in improving intestinal health. That's why you get faster chick growth per pound of feed with RED CHAIN Chick Starter.

World Day Of Prayer To Be Observed Here

World Day of Prayer will be observed here Friday at services held in the Presbyterian church at 3 p. m.

The day is set apart around the world for prayer services and observances will begin in the Fiji Islands as the sun rises on the international date line and continue throughout the day with the cycle of the sun. This symbolizes the never ending spiritual fellowship throughout the earth.

The local observance is being sponsored by the Council of Church Women. Mrs. Floyd will direct the worship program.

The theme around the world is "Christ Our Hope" and a program, which comes from pilgrims, sharecroppers and Indians in the United States will be observed in 105 counties including 17,000 observances.

Mrs. Homer Brumley, president of the Hereford Council of Church Women says "Every person in Deaf Smith County will be welcome."

The Hereford Distributive Education club met Monday night to hear reports on the State meeting which was held this week-end in El Paso.

Students who made the trip told of the business meeting and also of a site-seeing trip through El Paso and Juarez. They also stepped and went through Carlsbad caverns on the trip home.

How to get what you want and need in a truck

"Dodge 'Job-Rated' Trucks are the best we've ever used!"

... says PAUL CRUCE, Cruce Butane Co., Tulsa, Okla.

"We do a lot of driving on narrow roads, in and out of driveways, in small yards and other tight spots. We need trucks that are real easy to handle, so we switched to Dodge. They'll turn on a dime!"

"We service oil wells, too, and that's the toughest off-the-road hauling there is. We need plenty of pulling power. For mud and heavy pulling, Dodge 'Job-Rated' trucks are dependable and economical to operate."

SUPPOSE that you need a 1 1/2- or 2-ton truck. Naturally, you'll want one that costs less to run. You'll want one that's engineered to last for years and years. Above all, you'll want a truck that fits your job to a "T".

That calls for a truck in which every unit that moves the load is engineered to meet the most severe operating conditions—one in which every unit that supports the load is engineered to provide the strength and capacity needed. What's more, both load-moving and load-supporting units must be engineered to work together.

The way to get such a truck is to see us about a Dodge "Job-Rated" truck—one that's factory-engineered to your kind of work!

Yes...when it comes to your hauling job, you'll find everything you want and need in a Dodge "Job-Rated" truck!

Time-saving performance. Low loading height on 1 1/2- and 2-ton models and hinged center sections on stake bodies make loading easier. 5-speed transmission available on most models for more power, speed.

Power with economy. The big high-compression engine of a Dodge "Job-Rated" 1 1/2- or 2-ton truck operates with outstanding economy. You get chrome-plated top piston rings, and exhaust valve seat inserts.

Easy handling. Exceptional handling and steering ease is made possible by wide front tread and short wheelbase. Thanks to shorter turning diameters, you can turn sharper either right or left—back into tight places easier.

Did you ever allow the silver dollar to preach you a sermon? Beyond the glorious flag of our country is a spiritual-homeland, to which we all belong. The red and the white and the blue are colors of living glory, reminding us of the history which has brought us where we stand today. They are the colors of life. They speak of courage and sacrifice and devotion. And just as clearly, the silver dollar calls us to live for something more than money. What a strange place to print a text for a sermon; on a silver dollar or on a greenback. *Our forefathers were aware of the dangers which would threaten their children...so they sought to give us warning...In God We Trust.*

BACK of our money is a nation, without which the silver or the paper would have precious little value. On every dollar bill we see the face of George Washington, a man who sacrificed everything he had, that America might come into being in the form of The United States. *E pluribus unum must forever shame us out of selfishness and self-seeking. "Out of many one" must forever emerge. Each of us must live for the rest, or the sacrifices of Valley Forge and the Delaware have gone for naught. Our money is forever saying to us, "look away from us; think of the nation; consider your fellow Americans; worship the living God. So shall the United States be a worthy member of the family of nations, of the family of God."*

IT'S DRY—Blowing, drifting sand has taken the place of water under the International Bridge at Brownsville as the long, disastrous Texas drought still plagues the state. The lower Rio Grande Valley, one of the usually-lush spots in the nation, is especially hard hit for water. Virtually no water is available for irrigation—on which the valley's economy is dependent—and domestic use of water is rationed in some cities. The U. S. has asked Mexico to release some water from Mexican reservoirs upstream to help reduce the hard times expected because of the dry weather. (AP Photo).

Cleaning Pipes

One tobacco authority recommends the following treatment for a pipe: Soak the pipe in cold coffee for an hour, cleaning out

the stem with pipe cleaners. The coffee will soften the caked material in the bowl, which may then be pried loose with a blunt instrument. Stale pipes can always be cured with this treat-

ment.

Meringue

When making a meringue, have the egg whites very cold and beat until stiff enough to stand alone. If baked in too hot an oven, meringue will be tough and shrink when set away to cool.

Disinfectant

To disinfect a galvanized receptacle, burn some paper in it.

Painting Tinware

Paint can be made to adhere to tinware by use of the following method: Rub the surface thoroughly with a piece of rough pumice stone or coarse sandpaper. Then apply a thin coat of shellac varnish, after which the surface may be painted very nicely.

Dress Shields

Lukewarm water and a tea-

spoon of baking soda should be used for washing a dress shield. Rub soap on a small brush and brush both sides. Rinse in water of the same temperature.

Prevent Rust

A lump of freshly-burned lime placed in the drawer or box when storing away steel articles, will prevent them from rusting.

Cement for Pipe Joints

A cement for steam and water pipe joints can be made by mixing 10 lbs. of yellow ocher, 4 lbs. ground litharge, 4 lbs. whiting, ½ lb. of hemp, cut up fine. Mix together with linseed oil to about the consistency of putty.

Prevent Tarnish

Wrap gold and silver cloth slippers in black tissue paper before putting them away. If treated in this way, they will not be as liable to tarnish.

Dishes

A few drops of ammonia added to the dishwater will help a great deal when washing very greasy or fishy dishes.

Woolen Underwear

If woolen underwear has been scrubbed so vigorously that it has hardened, add some borax to the last rinse water and hang the garment out without wringing. Note the improvement.

Cattle owned by three Deaf Smith county dairy herd owners—W. T. Johnson, Bob Kerschen and George Herd—were among the top 10 cows in milk production for December, according to information submitted by H. L. Hershey, supervisor of the Randall County Dairy Herd Improvement Association.

Johnson and Herd each had one cow among the top 10 in butterfat and Bob Kerschen had two in that elite group. Other high ratings for cows belonging to member-owners were:

70 lb. Butterfat and Over
W. T. Johnson, a Holstein, 70 lbs.

60 lb. to 70 lb. Class
Bob Kerschen, two Holsteins, both 68 lbs.; George Herd, Holstein, 65; H. Kriegshauser, Holstein, 64.

50 lb. to 60 lb. Class
W. T. Johnson, Holstein and Jersey, 59 and 53; Bob Kerschen, two Holsteins, 51 and 51; H. Kriegshauser, two Holsteins, 50 and 50; Denzil Pullium, two Holsteins, 55 and 57.

40 lb. to 50 lb. Class
H. Kriegshauser, three Holsteins, 40 ½ and 41; Denzil Pullium, seven Holsteins, 44, 40, 41, 44, 41, 43.

W. T. Johnson had six Holsteins, Herbert Boardman had one Jersey, George Herd had eight Holsteins, and Bob Kerschen had four cattle in the same class.

Ships sailing from the Atlantic to the Pacific Ocean, via the Panama Canal, travel from north to south.

These services are held in the Star theatre.

Chances are 10 to 1 YOU DO BUSINESS BY THE TRUCKLOAD...

that's why this message about America's first

2½-ton Diesel may be the most important you've ever read!

If yours is like most businesses today, medium-weight transportation enters many times into the cost of your product—from procurement of raw materials to delivery of the finished product.

For the first time, these "average" loads can be moved at spectacular savings—at a cost far below anything you've ever paid for medium-weight transportation in the past!

The efficiency and economy of Diesel power become available to every user of trucks rated as low as 2½ tons (19,500 GVW — 35,000 GCW). It's the latest advance from the world's largest producer of Diesel trucks.

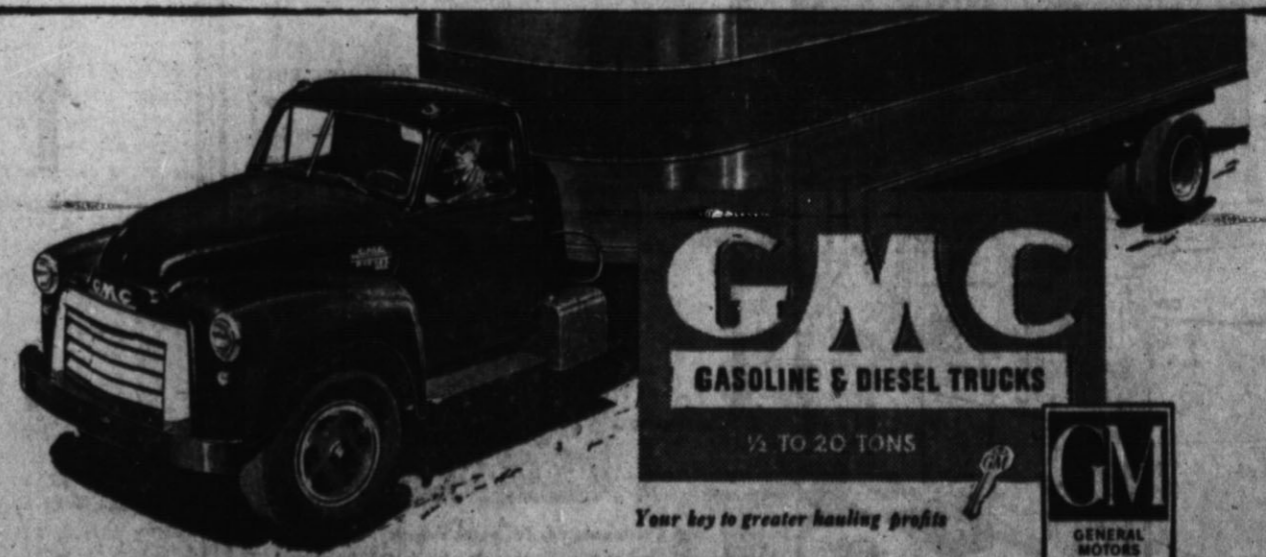

It's an entirely new kind of GMC truck-tractor—powered by a revolutionary, lighter-weight, more compact model of the famous General Motors two-cycle engine that is first choice among Diesel truck

users today. It offers the advantages of more miles per gallon and lower maintenance in hauling operations where there has been no choice but gasoline power in the past.

Before you waste another cent in your largest hidden cost of doing business—transportation—check the important role this new GMC 2½-ton Diesel truck-tractor stands ready to play in your own operation.

As your GMC dealer, we extend this invitation: if you are a processor, manufacturer, retailer, distributor, farmer or commercial hauler using 2½-ton equipment—come in and see why this new GMC Diesel will mean extra profits to you every mile of the way.

Home Demonstration Clubs Name Delegates, Discuss Kitchens

North Hereford Club

"The advantages of a step saving kitchen" were discussed at the meeting of the North Hereford Home Demonstration Club Thursday afternoon in the home of Mrs. O. C. Williams.

Mrs. Tom Draper, CHDA, showed sketches of seven types of kitchens and told how to group the three main units to

save steps and energy. She outlined plans for remodeling old kitchens and building new ones. The hostess showed her kitchen which had been remodeled.

Committee reports were heard and Mrs. George Paetzold told of plans for the Council Stunt Night. Mrs. Bob McQuigg was named as a delegate to the district convention which will be held in Pampa this spring.

The club will be guests of the Ford Club on the next regular meeting date - March 5, and the next meeting on March 19 will be in the home of Mrs. M. H. Koelzer.

Members attending were Mesdames Paul Hoff, Otto Olson, Roberta Campbell, M. H. Koelzer, George Paetzold, Fred Saltzman, O. L. Williams, Lloyd Neal, and the hostess, Mrs. W. D. Gibson was welcomed as a new member and Mrs. Fred Pitner and

Mrs. Lloyd Olson were guests.

Wyche Club

Mrs. E. C. Hewitt was hostess for the Wyche Home Demonstration Club Thursday afternoon. Mrs. V. P. Walker presided.

Mrs. Raymond Paetzold was leader of the program on shrubs. Mrs. Edwin Flood told how to buy plants and shrubs wisely. Mrs. Ira Ott gave a quick guide to the selection of plants and shrubs, and Mrs. C. C. Ellis told how to keep large shrubs within bounds.

The recreational program was directed by Mrs. Jack Scarth. During the business session committee reports were heard and plans for future work were discussed. The next meeting will be with Mrs. Nolie Elliston.

Members present were Mesdames Don Enders, Ira Ricketts, F. J. Walterscheid, C. V. Burgess, V. E. Dodson, C. C. Billingslea, Clyde Russell, L. B. Drake, M. D. Buttrill, Leroy Burges, Lester English, T. J. Parsons, Miss Augustine Gregory and the hostess, Mrs. P. L. Carmichael.

Progressive HD Club Features Plant Buying

The Progressive Home Demonstration club had a program on "How to Buy Plants" and "How to Keep Shrubs in Bound" at their meeting last week.

Mrs. V. E. Dodson was in charge of the first part of the program on How to Buy Plants and Mrs. Ira Ricketts was in charge of the part on How to Keep Shrubs in Bound.

The club voted to send a check to the Red Cross.

The next meeting will be held on March 4 with Mrs. C. C. Billingslea.

Those attending were: Mesdames Don Enders, Ira Ricketts, F. J. Walterscheid, C. V. Burgess, V. E. Dodson, C. C. Billingslea, Clyde Russell, L. B. Drake, M. D. Buttrill, Leroy Burges, Lester English, T. J. Parsons, Miss Augustine Gregory and the hostess, Mrs. P. L. Carmichael.

You choose the plan

WE HAVE A CURTIS KITCHEN TO FIT IT

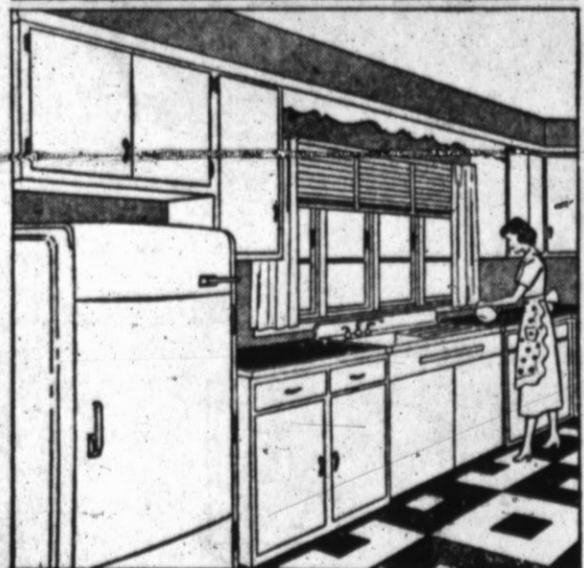

for instance

The L-type kitchen arrangement is the most popular of all kitchen plans. Here you see how effectively Curtis cabinets may be used in an L-kitchen. You can have Curtis units that fit your needs exactly—for Curtis offers 20 basic cabinets and a total of 70 sizes. Remember, these are wood cabinets—designed for durability and lasting beauty.

If your kitchen space is U-shaped, here's the way Curtis units provide an efficient and step-saving plan. Curtis cabinets come painted white—you can use them "as is," or finish them in the color of your choice. Hardware is furnished for each unit.

And here's a simple arrangement of the "straight wall" kitchen. Note the ample working and storage space. Curtis kitchen units are easy to install—and you can have such features as broom closets, pan units, snack bars, sliding table tops, and many others.

We have Curtis cabinets for quick delivery. Stop in for prices and a free kitchen planning book. Or phone and we'll call at your convenience.
