Around Town

Hereford students who were presented at the annual presentation ball at West Texas State college Saturday night. Those presented and the sorority for which they were presented were: Joyce Lyons, Pi Omega; Martha Thomas and Maxine Robertson, Delta Zeta Chi.

Several Hereford students are participating in the opera HMS Pinafore, which will be presented at West Texas State college on May 13 and 14. Pat Walton, Lloyd Parsons and Leta Dene Springer are in the chorus and Purris Williams Jr. is a member of the orchestra. The presentation will begin at 7:30 and will be given in the auditorium of the education building on the campus of the college.

Bob Wear was guest speaker for the regular meeting of the Beta Eta sorority Tuesday night. He discussed the subject, "Growing Up."

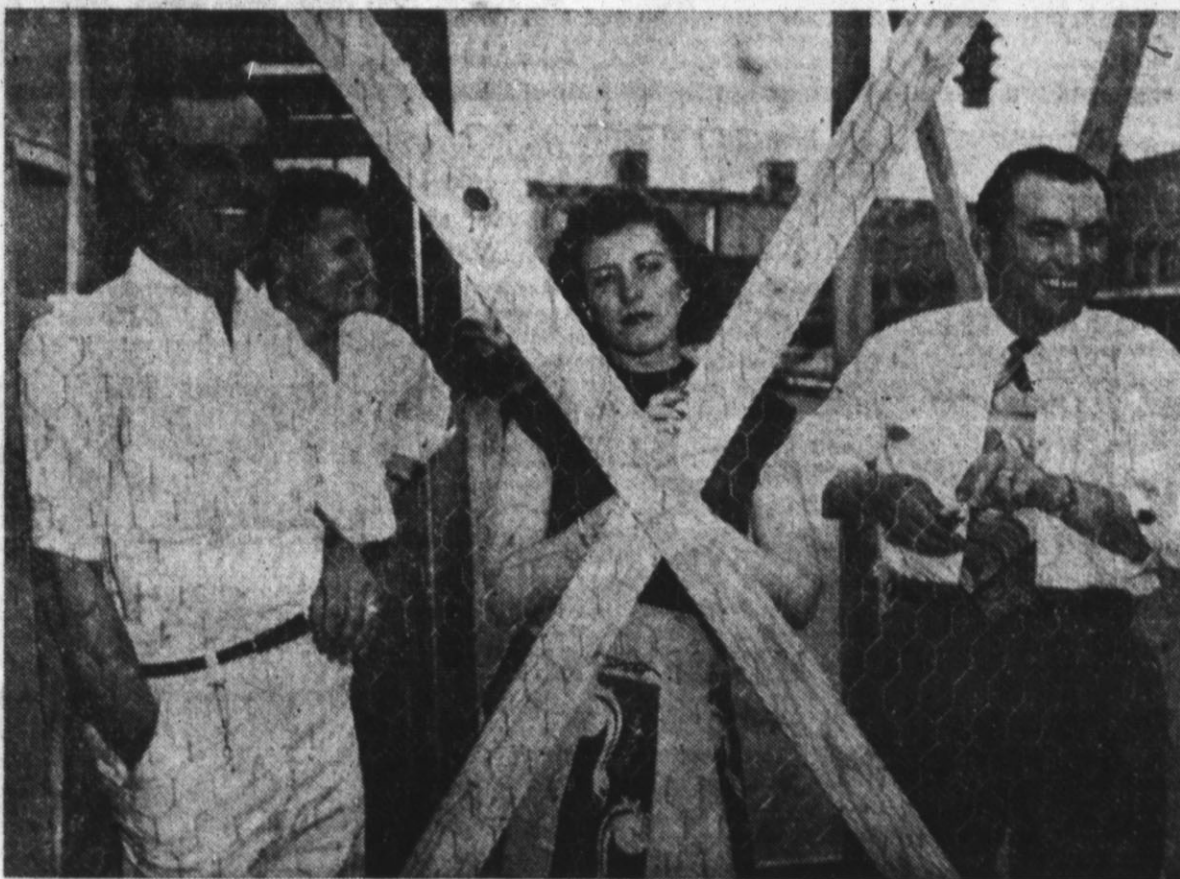

Miss Pearl West, who has been taking special training at John Seely hospital in Galveston since last September, returned to her post at the Deaf Smith county hospital May 1. She is head supervisor of nurses.

Clarence Smith is the new owner of the Phillips 66 Service Station at the corner of Main and Highway 60. He purchased the station recently from Bobby Owen.

There will be a Brown County reunion held on May 18 at the McKenzie State park in Lubbock. All former residents of Brown county are urged to attend. The reunion will be held on the northeast part of the park. Those attending are asked to bring basket lunches.

Mr. and Mrs. N. O. Douglas, Ekalaka, Mont., were visiting last week with his sister, Mrs. J. C. Cummings of Hereford, and

FOUR HAPLESS non-compliers for the Jaycee Shaving and Cosmetic edit rested in the chicken wire hoosegow Tuesday as the Jaycees staged a noon-time roundup for badges or beards. Shown above are, from left: Ed Skypala, Melvin Young, Beverly Barkley, and Dub Reeves. Staff Photo.

Plan Pioneer Day Window Decoration Event

There will be another window decoration contest this year in connection with the Mid-Plains Pioneer day celebration, according to Cecil Massey.

The first place winner will receive the traveling trophy which went last year to The Vogue. Second place winner last year was The Hereford Brand and Streu Hardware and Plains Insurance agency tied for third place.

Judges for the old-time fiddling contest will be the Grayfield Brothers from Dimmitt, according to Luke Fields, chairman of the committee in charge of the contest.

All people who are interested in entering the fiddling contest are urged to contact either the Chamber of Commerce office or Luke Fields.

Renfro Recalls Korean Winters

By Nelda Guy Lawrence

"Cold in Korea? Why it got so cold there that it almost froze 10-weight oil!"

Cpl. Eugene (Bob) Renfro was the man who made this startling appraisal after returning from 18-months in Korea with the 26th Signal Battalion.

Renfro, who was working with supplies and gas, spent most of his 18-months in Seoul—when his outfit wasn't retreating from the Red army.

He was with the 4th Army when they were pushed out of Seoul last year and forced to retreat to Tague.

From Tague, Renfro's outfit was pushed back to Pusan, where they stopped for some time.

Finally the outfit started back for Seoul. Before they were able to return to Seoul they had to stop at Yongpo for about two

CPL. RENFRO

"I'm sure glad to be back. I hope that I'll be in the States for a while now," Renfro commented.

Cpl. Renfro has been visiting his brothers, Cris and John Renfro in Hereford for the past several weeks.

Renfro was among the 4,000 rotation troops who returned to the United States from Korea aboard the General John Pope.

He took his basic training during World War II at Camp Cook, Calif., and then was changed to Quartermasters where he spent some time schooling troops in gas supply at Fort Knox, Ky.

Wilson Resigns Scout Post, Pay For Leaders Hit

Citing the \$2,300 paid the Boy Scout Council in Amarillo as being \$50 an hour for all time spent in Hereford, Bob Wilson, Wednesday offered his resignation as Boy Scout councilman on Boy Scout week.

Declaring that the Amarillo office quota would probably be increased this year, Wilson said that he felt the local troops should split the sustaining fund fifty-fifty, or that the Amarillo executives should spend a lot more time in the community.

"Splitting fifty-fifty would still leave them \$25 an hour for time spent," he said. Wilson further stated that he did not feel that he could continue with the position under present circumstances and asked to be relieved of the duty. His resignation was referred to the board of directors.

A fishing film on Alaskan waters was presented following announcements.

(Continued on page 6)

Clerk Filing Default Is Bared; 'Ike' Takes GOP

Revelation at Tuesday afternoon's Democratic county convention of a filing default on the part of Ralph Smith, nullifying temporarily the placing of his name on the ballot for the office of county and district clerk, provided Deaf Smith county voters with their top political news of the campaign to date.

With Deaf Smith county's population passing the 8,000 mark, the offices of county clerk and district clerk are no longer combined. Smith filed with C. C. Acker, county chairman, for the office of county and district clerk.

The county convention, however, adopted a resolution by a vote of 28-0 recommending that Smith's name be placed on the county ballot for the office of county clerk by the county executive committee when it meets to prepare the ballot on June 23. Earl Hendricks made the motion. Thirty delegates to the convention abstained from voting.

"Ike" Favored, GOP Plans For Organization

Deaf Smith county's five Republican county convention delegates went down the line for General Dwight D. Eisenhower and instructed the county's two delegates to the May 27 state conventions at Mineral Wells to support "Ike."

The convention also announced that a permanent Republican organization will be formed in the county and a slate of nominating officers were named to suggest Republican candidates for one or two county offices in this fall's general elections.

Delegates from the county convention, named to the state meeting are Curtis Traweck and George Heard with Paul Lyons and Mrs. Jess Carter as alternates.

Other resolutions offered by the Deaf Smith county GOPers in their first county convention included — Removal of Ruthelle Bacon as chairman of the 18th District, recommendation of abolition of the electoral college, removal of Henry Zweifel as state GOP chairman and replacing him with Jack Porter, support of Ike, condemning government seizure of the steel mills, opposing credit controls, limiting U. S. Senators to 12 years in office and U. S. Representatives to 10 years in office, and a resolution expressing appreciation to party officials at all levels for their work and loyal support.

Curtis Traweck was elected chairman with Ellen Carter secretary.

Eighteen persons attended with six serving as delegates. Precincts 1, 2, 3, 4 and 11 were represented. The others did not comply.

Kenneth Rudd introduced the motion that a slate of Republican candidates for county offices be put on the ballot this fall and to organize a permanent GOP organization in the county in the interests of the two-party system.

Traweck named eight persons to submit candidates to the county executive committee when it meets on August 4. Kenneth Rudd and Mrs. F. E. Walton were named co-chairmen of the group with the following members: Mrs. Ellen Carter, Fred Barrett, Herschel Trimmer, George Heard, Glenn Weir, and Mrs. Nollie Elliston.

A complete listing of the GOP resolutions adopted will appear in the story inside this issue of the precinct Republican conventions.

Smith Funeral Services Held On Wednesday

Funeral services for James M. Smith of Friona were conducted Wednesday afternoon at 3 p. m. at the First Baptist Church in Friona. Rev. Russell Pogue, pastor of the church, officiated. Burial was in West Park cemetery under the direction of Gilliland Funeral home.

Smith died on Monday night, May 5, at 11:30 p. m. at his home in Friona following an illness of several months.

Born June 25, 1894 in Virginia, Smith was married to Miss Veta Denham of Mountain Park, Okla. in 1909. They moved to Farmer county from Mountain Park in 1926.

He is a member of the Twin Mountain Baptist church at Mountain Peak.

Survivors include his wife of Friona and two sons, Denver Smith of Friona and Denham Smith of Amarillo.

R. L. Thompson's Statement

"The Constitution and Laws of the State of Texas provide that in all counties having a population of more than eight thousand persons, according to the preceding Federal Census, there shall be elected both a county clerk and a district clerk. According to the final figures of the latest enumeration released during the fall of 1951, Deaf Smith County has a population of 9,111 persons, and therefore clearly comes under the provisions requiring that two clerks be elected.

"The last day of 1952 will mark the end of fourteen delightful and gratifying years that I have had the privilege of serving you as your joint County and District Clerk. I am sincerely grateful to you for your confidence in me, as shown by your returning me to the office term after term. I have tried to show my gratitude to you by rendering every service possible in the conduct of the business of the office.

"I have gained much valuable experience as your joint clerk that will be of benefit to you and to me as I continue in this type of work.

"It has been difficult for me to decide which of the two offices I should ask you to entrust to me for the next two years, as I like very much the work of each office. But I know that the time has come for me to make my choice, and after long and careful consideration I have concluded to seek the office of County Clerk. Therefore, I have filed with the Democratic County Chairman my request to have my name placed on the ballot for the July 26th Democratic Primary, as a candidate for nomination for the office of County Clerk.

"I want to thank each one of you for your support at the coming primary election. I pledge

Ralph Smith's Statement

"TO ALL THE PEOPLE OF DEAF SMITH COUNTY:

I wish to inform all the people of this county what has happened in our local political race. I placed a notice in the paper in January that I would be a candidate for the office of County and District clerk. This office has been operated that way since the starting of this county and was being operated as such at that time.

"No one had notified the people that a change was going to be made and that these offices would be separated after January 1, 1953. We, the people, had elected Robert Thompson to this office the past fourteen years and he seemed to be the only person in this county that knew this change was going to be made. He stated that he knew this since August, 1951, but it was not his place to put a notice in the local paper telling the people that this change was going to come about.

"I feel since we had elected him to this office, it was his duty to let the people know of any change that was going to be made, and in time that all the people would know about this and if anyone wished to announce for either of the offices of County Clerk or District Clerk then all would have a fair and equal chance to do so. I feel this should have been done before the deadline for filing for either of these which was May 6 midnight.

"I feel that having been a friend of Robert's all these many years that as one friend to another he should have told me what was taking place but he waited until Tuesday afternoon after the deadline for filing had passed then he came to my office and said, 'I want to tell you something that will make you mad but I can't help it. I asked what it was and he told me I was not a candidate for any of

Concrete Irrigation Ways Gain Hold In Deaf Smith

PART OF TAFT McGEE'S concrete irrigation system is shown in the top photo. The object on the right side of the channel is the metal turnoff. The bottom photo shows part of the patented machine which slides through the precision ditches, depositing the thin layer of concrete as it slides along. The angle of side slope remains constant although sliding sides on the machine shown below regulate the bottom and top widths of the irrigation ways. Staff Photo.

Deaf Smith county farmers are scoring another "first" in new methods with the installation of concrete irrigation ditches on several local farms.

These concrete waterways are the first in the state of Texas, save for some around El Paso.

The process itself is new — five years old — and has come to local installers from the Salt River Valley of Arizona.

Installation of 3,000 feet of concrete waterway is currently being made on the Taft McGee farm, 11 miles northeast of Hereford.

There will be more to follow in Deaf Smith county, with schedules on four other farms calling for a total of 12,800 feet of this type ditching.

Most substantial advantage to this type of ditch and waterway installation is the savings in seepage, evaporation, washing and also in construction over underground systems.

Bill Wallace, who is installing the McGee system, estimated that water will last about 20 per cent longer in a concrete ditch and seepage and evaporation will be reduced from 10-30 per cent.

In contrast to seepage-proof underground systems, the concrete waterway saves from 20 per cent to 50 per cent in construction costs, depending upon the size of installation.

On the McGee place, the 3000 feet of concrete waterway will serve 400 acres and add the equivalent of "another well or two" in what is saved through water conservation.

Cost of the system depends upon the depth waterway desired. They come in everything from 16 inches in depth to 30 inches. The sides are on a 1-1 slope. In the 16" deep installation — the type on the McGee farm — the width of the bottom of the canal is 12 inches while the top

INTEREST IN POLITICS took the spotlight in Deaf Smith county this week as both the Democratic and Republican parties held county conventions on Tuesday. In the upper photo, the Democrats are listening to the

presentation of a resolution. In the lower photo, the Republicans are taking a vote on one of the resolutions presented at the convention. Patterson-Staff Photos.

Five Precincts In County Comply For GOP Convention Participation

Only five of the county's 11 precincts complied with the provisions for naming delegates to the county Republican convention in precinct conventions held Saturday, May 3.

The three actively conducting party activities were: Precinct One, Curtis Traweck, chairman; Precinct Two, Grant Fuller, chairman; Precinct Three, F. E. Walton, chairman; Precinct Four, Paul Lyons, chairman; and Precinct 11, George Heard, chairman.

PRECINCT ONE

Curtis Traweck, permanent chairman, Mrs. M. C. Adams elected secretary. Mrs. N. G. Ellison was elected delegate to the county convention with R. P. Conaway as alternate.

Fourteen persons were present and signed the roster and pledged.

Seven resolutions were passed: 1. BE IT RESOLVED that this convention go on record as approving the election of the president of the United States by popular vote rather than by the electoral college method now used.

2. BE IT RESOLVED that this convention go on record as approving the removal of Henry Zweifel as state Republican chairman and the election of Jack Porter as state Republican chairman.

3. BE IT RESOLVED that this convention go on record as approving the nomination of General Dwight D. Eisenhower for president of the United States on the Republican ticket for 1952 and that this convention send an instructed delegate to the county Republican convention, so stating.

4. BE IT RESOLVED that this convention go on record as approving the removal of Ruth L. Bacon as District Chairman of the Republican party.

5. BE IT RESOLVED that this convention go on record as being bitterly opposed to the seizure of the steel mills by the Pres-

ident of the United States as being unwarranted and unlawful. 6. BE IT RESOLVED that this convention go on record as being opposed to present credit control rules now employed by the United States government and that such controls should be abolished.

7. BE IT RESOLVED that this convention go on record as approving the limitation of the term of office of United States Senators to two terms in office (12 years) and the limitation of the term of office of United States Representatives to five terms in office (10 years).

A resolution calling for the abolition of the Office of Price Stabilization failed to carry.

PRECINCT TWO

Frank J. Bezner was named permanent chairman with Ellen Carter named permanent secretary.

H. F. Trimmer was named delegate to the county convention and Grant Fuller was named alternate.

Two resolutions were passed in this convention: The first that Dwight D. Eisenhower be the instructed candidate for the precinct's support; and secondly, that the delegation voice opposition to signing any type of pledge in order to participate in a precinct convention. Both were carried unanimously. Eighteen attended.

PRECINCT THREE

Abraham Drager named permanent chairman, Mrs. Abraham Drager named secretary. Mrs. F. E. Walton elected delegate to county convention, Mrs. Abraham Drager alternate.

The precinct sent an instructed delegate to the county convention for Eisenhower. The delegation also went on record as opposing party pledges.

PRECINCT FOUR

Paul Lyons named permanent chairman. Mrs. Paul Lyons named permanent secretary. Paul Lyons county delegate, Mrs. Paul Lyons, alternate. Precinct on rec-

Dr. Leland Clegg Methodist Radio Speaker Sunday

CLEGG

Dr. Leland Clegg, District Superintendent of The Methodist Church, Oklahoma City, will be the guest speaker on the Methodist Series of the Protestant Hour, Sunday, May 11th.

Featured on this 180 station network radio program will be music by the Fellowship Choir under the direction of the Rev. Hubert Vance Taylor. Heard on this thirty minute worship program will be the familiar hymns "Tell Me the Story of Jesus,"

and supporting Eisenhower as instructed delegation. Two attended.

PRECINCT 11

George G. Heard was elected permanent chairman; Mrs. Philip Barkley, secretary.

George G. Heard named delegate to county convention, Kenneth Rudd alternate.

Precinct called for abolition of electoral college and election of president by popular vote; the precinct delegation be instructed to support Eisenhower first and Taft second; and that steps be taken to establish a two-party system in the State of Texas starting at the county level. Thirteen attended.

"My Mother's Bible," and "The Old Rugged Cross."

Dr. Clegg's sermon subject will be "Pride in the Gospel." Dr. Clegg, a native of Mississippi has served leading appointments in Louisiana, Arkansas and Texas and recently was transferred to the Oklahoma City District. He was a delegate to the recent General Conference in San Francisco and will lead his Conference delegation to the forthcoming Jurisdictional Conference in Wichita, Kans., in June.

Dr. Clegg and the Fellowship Choir may be heard on radio station WFAA (Dallas) at 7:30 a. m.

This program may be heard over station WOAI (San Antonio) at 7:30 a. m. and KGNC at 10:30 a. m.

Mothers' Day Observance

FRIONA — Mother's Day will be fittingly observed by the Congregationalists on May 11 at their morning worship hour, 11 a. m. There will be special music. Mrs. Carl C. Maurer will be the organist.

Special note will be taken of the oldest mother present. The church extends its usual community wide invitation, suggesting that surely every one will want to be in some church service on Mother's Day, honoring mothers.

Mrs. A. L. Manjeot accompanied her mother, Mrs. Reber Rowton and her aunts, Mrs. J. B. Harlin and Mrs. Jack Roberson, to Wichita Falls Sunday. While there they will visit with Mrs. O. R. Tipps who is a sister of Mesdames Howton, Harlin and Roberson.

Mr. and Mrs. Joe Kendall, Mr. and Mrs. Roy Calvert and Mr. and Mrs. R. G. Blue were among the Hereford people who went fishing at Buffalo lake Saturday.

John Newsom of Kansas City is visiting in the home of his parents, Mr. and Mrs. G. W. Newsom.

Wheat, Pastures, Flowers All Look Fine After Soaking Rains

By Mrs. W. R. Moore

The wheat is looking fine and a great number of acres have already headed out. All the rain the past week is responsible for the good looking crops.

The pastures are nice and green and the flowers are blooming. Most all the gardens have been planted and are coming up.

Visitors in the Ted Richardson home over the week end were his mother, Mrs. Myrtle Richardson and Mr. and Mrs. Leon Richardson from Littlefield.

Fred Krahn from Amarillo was in this community Sunday.

Gordon Whitaker from Plainview is staying in the W. R. Moore home for a few days.

Mr. and Mrs. Albert Frye and children from Friona were visitors in the Zelma Axe home Sunday. Mrs. Frye is a niece of Mrs. Axe.

Mr. and Mrs. K. E. Dygert and daughter from Raton spent the week end in the W. R. Moore home.

Mr. and Mrs. L. W. Tooley were Sunday guests in the Roy Lee Jones home Sunday near Bushland.

Mrs. J. T. McClain made a business trip to Hereford Friday.

W. R. Moore and Gordon Whitaker made a business trip to Amarillo Saturday.

Mr. and Mrs. Jean Chunn from Canyon, Mrs. K. E. Dygert and daughter from Raton and Mrs. W. R. Moore called in the home of Mrs. Zelma Axe Sunday afternoon.

Mrs. W. R. Moore called on Billy Moore and Mrs. Jean Chunn last Wednesday morning in Canyon.

Mrs. J. T. McClain visited in the home of her mother, Mrs. S. R. Garrison in Plainview one day last week.

Jim White is putting down a new irrigation well on one of his farms northwest of the Daniel school house.

Wayne Higgins has built a new car shed on his place.

Mr. and Mrs. Mariam A. Swanson and children, Mariam Jr. and Sharon Ann of Chicago and Mr. and Mrs. Kenneth W. Keeton of Lubbock were guests in the home of Mr. and Mrs. Glenn Boardman last week. Mrs. Swanson and Kenneth Keeton are sister and brother of Mrs. Boardman.

Summerfield In Loop Top Spot

Summerfield bounced into the lead in the Hereford Softball league after the initial week with a 2-0 record. Hereford Hardware and Rocky's Service also have clear slates, but have tallied one win against no losses.

The league "leaders" gained their position via a forfeit, 7-0, on Monday night when Lesly-Vaughn Motors failed to field a team for their scheduled night-cap with the Summerfield nine.

In the opener of Monday's bill, Rocky's Service nudged Dawn by an 8-6 score.

Summerfield's other win, a Thursday night victory over the KCs, ended in a 1-0 verdict with the lone Summerfield tally coming in the sixth inning of the seven inning tilt.

Again on Thursday night, Lesly-Vaughn failed to field a team and Hereford Hardware provided competition for a pick-up game and downed the pick-ups by a 13-2 score.

On Thursday night, Hereford Hardware meets Rocky's Service in the twilight tilt at 7:30 and the KCs meet Dawn in the night-cap.

Mr. and Mrs. Jean Chunn from Canyon, Mrs. K. E. Dygert and daughter from Raton and Mrs. W. R. Moore called in the home of Mrs. Zelma Axe Sunday afternoon.

Mrs. W. R. Moore called on Billy Moore and Mrs. Jean Chunn last Wednesday morning in Canyon.

Fine Arts Center Opens At Canyon Museum Friday

Many of the finest examples of Southwestern art will go on exhibit at Canyon Friday, May 9, when the new Hall of Fine Arts of the Panhandle-Plains Museum is formally opened to the public.

Formal opening of the Fine Arts center will be in connection with the 31st Annual Meeting of Panhandle - Plains Historical Society in Canyon, according to an announcement today by J. Evetts Haley, President.

Two of the Southwest's finest art collections will be among the many exhibits to be on display at the newly completed Hall of Fine Arts. One of these will consist of the works of popular Southwest Artist, Harold Bugbee, while the other will be in the extensive and varied collection of the late Judge James D. Hamlin. The Bugbee exhibit, comprising both paintings and sketches, is probably the largest collection of the works of this fine artist ever assembled for exhibition. The Hamlin collection is among the finest of its kind and represents the life work of one of the Southwest's most distinguished citizens.

Friona C of C Banquet Is Postponed

By Mrs. E. R. Day Sr.

The Chamber of Commerce Agriculture banquet which was to be held on May 6 at the grade school has been postponed indefinitely.

The Friona Shoe Shop, owned and operated by Mr. and Mrs. McAdams was broken into again Saturday night or Sunday morning. A Kansas youth is in the Parmer county jail awaiting juvenile court action for the first break-in at the shoe shop.

Spring Conference Of District Council Catholic Women May 1

The annual spring conference for the district council of Catholic women was held May 1 in Borger.

Highlight of the occasion was an address given by His Excellency, the Most Rev. Lawrence J. Fitzsimon, who spoke on the theme of the meeting, "World Peace — The Responsibility of Catholic Womanhood." There were 156 women present at the meeting.

Those attending from the St. Anthony parish were: Mrs. Ray Wilhelm, delegate from St. Ann's Sodality; Mrs. Frank Wilhelm from St. Anthony's Guild; and Mrs. Sylvestre Fangman from the Antonian Circle. Mrs. Marvin

The Friona Lions club mistrel show will be given May 10 at 8:30 p. m. at the Friona school auditorium.

A handkerchief shower and party honoring Mrs. F. S. Truex will be held in the home of Mrs. J. H. Boyles Friday at 4 o'clock. Mrs. Truex will be leaving soon for her new home in Gage, Okla. Mrs. Spencer Hougl will assist Mrs. Boyles with the party and shower.

Diller gave the parish report and Mrs. Gene Loerwald represented Mrs. Ed. Loerwald, chairman of the district committee on Organization and Development, in the panel discussion on "How the District Can Help the Local Groups." The women were accompanied by their pastor, Rev. Dominic Kenny, S.A. and Marvin Diller.

USE T-4-L FOR ATHLETE'S FOOT BECAUSE—

It peels off the outer skin and exposes buried fungi to kill it on contact. If not peeled in ONE HOUR with instant-drying T-4-L, your 40c back at any drug store. Today at Halle Drug.

Around...

(Continued from page 1)
brothers, R. O. Douglas, and O. J. Douglas. This is the first reunion the four have had in 32 years. The Douglases also visited with relatives in Corpus Christi, Brownsville and they toured the state while here. Douglas was a schoolmate of the Ramey Brothers in Dimmitt. His family settled here in 1907. Mr. and Mrs. Douglas left Monday for their home in Montana.
Mr. and Mrs. G. P. Owen visited their sons, Homer Lee and Lawrence Owen in Abilene over the week end.
Mr. and Mrs. Weyne Williams of Plainview spent Sunday in Hereford visiting with friends.
Mrs. Wilde Boyles of Friona spent the week end in the Ed Cardinal home. Mr. Boyles is in the Deaf Smith county hospital.
Mr. and Mrs. Onias Carroll visited his parents, Mr. and Mrs. W. A. Carroll in Borger Sunday.

Smith...

(Continued from page 1)

...in this county as I had filed with the county chairman for an office that would not exist after January 1, 1953.

"I asked him why he had not put a notice in the paper to that effect so all the people would know what was being done and he replied it was not his duty. I asked him if that office did not belong to all the people or did it belong to him alone and he replied that it belonged to all the people. I then told him I felt it was his duty to notify the people of this change as he was the man we had elected to take care of this office and I felt we all should have known of this change. I then asked him as one

friend to another why he had not told me of this change and he said, 'I was protecting my own rights.'

"I still have faith in the people of this county and feel they believe in honesty, fairness and justice for which our great nation was founded on.

"At the county convention meeting Tuesday afternoon a resolution was passed with 28 voting for and 0 against that the executive committee place my name on the ballot for the July primary election. There were some present that did not vote for or against this resolution. I appreciated this convention passing this resolution and asked that my name be placed on the ballot if it can be done under the laws of our State. If this cannot be done according to our laws, then

I ask that it not be on the ballots as I don't want this committee to be placed in any embarrassing position. However, I do not believe the committee will permit this and that they will follow the order of the Democratic party of this county acting through its convention.

"I am going to ask all the voters to do something that will be within the law if my name does not appear on the ballots. They have the right to scratch any name on the ballot and write in any name that they may so choose. I ask that you scratch my opponent's name and write my name in if you think I am qualified and entitled to your vote.

"I know all of you as well as I have been wondering why my opponent's name did not appear in the political column in the pa-

per but it is clear now that Robert wanted to keep this a secret and not let me or the people that elected him to his office know what was going on until it was too late for any one to file as an opponent to him for the office of County Clerk.

"I only ask for honesty, fairness and justice, and ask that you write my name in for county clerk and scratch my opponent if my name is not placed on the ballot. Still believing in the people in Deaf Smith county, I am sincerely yours for clean politics and government."

Ralph Smith

Concrete...

(Continued from page 1)

width is 44 inches.

McGee has the system poured for use with a 100-gallon well. Overall cost of the system on the McGee farm is 90c per foot, or \$2,700 for the job. Of this, the Production and Marketing Administration pays the equivalent of 30c per foot, giving McGee a cost of \$1800 for the system.

Concrete waterways is an approved practice in Deaf Smith county, hence part of the cost is borne by the PMA.

The entire ditching — grading the ditches and laying the concrete — is a patented process, handled through the local franchise holder. A special machine digs the precision ditches and the waterway layer forms the walls of the canal as fast as the concrete can be fed through the machine.

A special aggregate is needed for the waterways and to go through the forms of the patented machine.

First of all, in laying the concrete waterway, the sub grade must be made with proper compaction (density of the packing on the edges of the ditch); the precision ditcher cuts the ditch; and the form is filled with concrete and slid down the ditch, in which the form fits perfectly.

Water is emptied from the concrete waterways either with siphons or metal turnouts.

The savings allowed by a concrete waterway over the conventional ditch can be seen with the estimated costs to raise an acre-foot of water to the surface.

The cost of an acre-foot in Deaf Smith is estimated at about \$6 per acre, in the Imperial Valley it is \$2 per acre-foot and in the Salt River Valley, where this process is most widely used, the cost is \$2.75 per acre-foot.

A saving of 20 per cent in the cost of \$6.50 for raising an acre-foot of water here will pay for the system installation in a short period, local farmers who favor the system believe.

In addition to the McGee installation, other farmers in the area who are ready to start installation of concrete waterways in the near future include:

John Hickman, 10 miles northeast of Hereford, 1,800 feet; N. C. McClure, south of Hereford, about 5,000 feet; and Charles Huston, 7000 feet of concrete waterway on the old El Toro farm 10 miles northeast of Hereford.

Thompson...

(Continued from page 1)

my best efforts to serve you better in the future than in the past, if you elect me to serve for the first term of the new office of County Clerk of Deaf Smith County, Texas."

R. L. Thompson

Demo...

(Continued from page 1)

follows, was presented: BE IT RESOLVED by the delegates of the Deaf Smith County, Texas, Democratic Convention, that delegates from this county be pledged to support an uninstructed delegation to the National Democratic Convention, and that they shall vote under the unit rule at the State Convention and support the unit rule for the National Democratic Conventions.

The resolution was approved unanimously. It was read by Dr. R. R. Willis and seconded by Bill Waldrep.

A third resolution was presented by Jesse Stanford and adopted unanimously. The resolution follows:

"Instruct our County Delegates to the Texas State Convention to present to the State Convention and recommend that it be presented to the National Democratic Convention for its adoption, the following:

We demand of all persons elected to any office of public trust, First — a closer adherence to the principles of honesty and decency:

Second — A determined effort to eliminate waste and extravagance and unnecessary expenditure of our tax money:

Third — Require of all who receive pay from tax money that they, without question, be loyal to the government of the United States of America, and to the principles upon which it was founded.

In support of this resolution we declare that unless there is a very substantial effort made to carry out the intentions of this resolution by those elected to any and all places of public trust, that those responsible for such a failure need not expect our support in any future election.

The statutes under which the offices of county clerk and district clerk were separated, are as follows:

Article 5, Section 20, Constitution of the State of Texas:

There shall be elected for each county, by the qualified voters, a county clerk, who shall hold his office for two years, who shall be clerk of the County and Commissioners' Courts and recorder of the county, whose duties, perquisites and fees of office shall be prescribed by the Legislature, and a vacancy in whose office shall be filled by the Commissioners' Court, until the next general election for county and State officers; Provided, that in counties having a population of less than eight thousand persons there may be an election of a single clerk, who shall perform the duties of district and county clerks.

Article 1903, Revised Civil Statutes of the State of Texas:

In counties having a population of less than eight thousand persons, according to the preceding Federal Census, only one clerk shall be elected. He shall take the oath and give the bond required of clerks of both the district and county courts, and shall have the powers and perform the duties of such clerks respectively.

Mr. and Mrs. Leo Hennington and baby, Suanne, arrived in Hereford from Newport, R. I., Tuesday afternoon for a 21-day visit. They are staying with Mr. and Mrs. Buddy Witherspoon and Mr. and Mrs. Vance Hennington.

C. C. Acker is vacationing in New Mexico this week. He spent part of the time at the Oscar Easley ranch.

By JIMMIE GILLENFINE

Somebody got mixed up for sure. I was looking over the official delegates to the County Democratic convention from precinct 2 and thought maybe we got part of the Republican roster under the Democratic listings, but Wally says, "Nope. That's how it was."

A few minutes later in wanders one of the official delegates and I said, "Congratulations." "O. K., but why?" he wanted to know. I said upon being elected a delegate to the county convention.

"Who, me?" he shouts. "Why I didn't even go. To tell the truth, I was planning on attending the Republican precinct meeting at Grant Fuller's house tonight."

All of which made me think that I was probably right in my first assumption.

Frank Bezner, another absentee, was one of the 25 nominated for the post of delegate at the Demo Precinct 2 meeting. Frank was not elected, which was good.

"I now own two other cars, but the fight in our family is for the Rambler, particularly for its ease of handling and parking."—R. L. McCoy, Springfield, Mo.

"In my Nash Rambler Station Wagon I travelled 3,200 miles and used less than 100 gallons of gas."—Max Miller, Wendell, Idaho.

"You Nash people have turned out the best car on the road in the Rambler. This is THE car for town and highway."—Sam Pearce, Seattle, Wash.

"The Rambler has PULL! Passes all the cars on the road in mountain trips. Never seen anything like it for maneuverability!"—A. R. Patton, Ft. Collins, Colo.

You will, too!

You really haven't "lived" till you drive a Nash Rambler and get its wonderful feel! Just for your own good, come in and try it. We have 5 new 1952 Rambler models to show you, including the "Country Club" hardtop, Convertible and Station Wagon—America's smartest new kind of car!

because he turned up a few hours later as chairman of the Precinct 2 Republican delegation.

Personally, I didn't even go to the precinct meeting because I rather think that I will vote for Eisenhower — unless the Democrats come up with a new and better face. Anyway, it is probably a good indication to have some new lines of thinking in the Democratic party — especially if they should win again. People who are the least active generally gripe the loudest about politics and it is wonderful to see some of these folks finally taking a real genuine interest in precinct and county conventions. This is the first step toward a more Democratic nation and there is no question: We do need some changes in government.

The so-called "Loyal Democrats" are putting up a battle against Gov. Allen Shivers, who is definitely an anti-Truman man. Shivers, I believe, speaks for the average Texan in bucking the administration as we have it today. Personally, I think that the present situation is in such shape that the issue is bigger than political parties. I still doubt, however, that the Republicans will be smart enough to nominate Ike. Taft or MacArthur, I absolutely couldn't go for at all.

Johnny Poole saw a picture of Harold Stassen the other day and got all excited. He says that he thought it was me. Several other people have also commented on the likeness. This is tough on Stassen, of course, but I doubt if he would have gotten many votes in this area, anyway.

Bob Higgins and Cameron Gault are just back from a ramble into Arizona, where they visited some outstanding purebred Hereford ranches. Bob says they saw a four-year-old bull which Sunshine recently imported from England. Bob says he is quite an animal. He also says that he believes Cameron is going to make a real registered cattle man. Bob didn't mention it, but I hear they even tripped across the border into Old Mexico at a point or two.

Mike Baird has gained considerable recognition as a breeder of purebred cattle in recent years, but he is about ready to take down his sign. He bought some Whiteface cows a while back and this week one of them turned up with a genuine Brahman calf.

Most unusual in recent weeks has been a sudden outbreak of purse-snatching. Ladies purses, for the most part. One lady lost a purse in The Brand office, another in a drug store, and still another when she left her purse in the dressing room of a local department store. No one seems to know why the sudden outbreak. Officers say that it is unusual, but are at loss for an explanation.

Vern Sanford, manager of the Texas Press Association, visited with us Sunday afternoon. Mr. and Mrs. Sanford live in Austin, but were enroute from Lubbock to Pampa when they stopped off here.

"Residents of small towns are most fortunate of all in getting news coverage," said Vern. "They get world news in the dailies and over the radio. The same news city folks get — plus local coverage." He is right too. People in Dimmitt, Friona, Vega, Canyon and Hereford do get a high rate of local news coverage through their home-town newspapers, whereas residents of Amarillo, Lubbock, Dallas and Fort Worth do not begin to get such complete coverage of local news, society items and the like. Westway, Summerfield and other small communities far outstrip the big towns when it comes to local news coverage.

This new irrigation district northwest could really be something. All of us know what irrigation has meant to the folks who have it and to the commun-

ity in general. Increasing the irrigable land by 25 to 40 percent is far, far better than getting an oil well. I'll take the water every time. Reminds me of Coronado and his Spaniards who, in their search for gold, ignored valuable farm and cattle lands worth many times more than the gold they sought. Anyway, I hope it pans out for the boys out in the Box Car area. Some of them have had a pretty rough time and deserve a break.

Just heard about the County Clerk situation. I sure feel sorry for Ralph Smith who, acting in good faith, spent a lot of money and time in his campaign for the office — only to find that he wasn't even running, due to a split of the offices through growth of population. Bob Thompson, on the other hand, certainly had no technical obligation to inform his opponent on how he should conduct his race and make his announcement. People will re-act in different ways to the situation. Some will be strongly inclined on each side. Looks like someone would have recognized this situation. I thought of it back there but was under the impression we had to have 10,000 population before the offices were split. How about the sheriff and tax assessor? Also, what about the judge and ex-officio school superintendent?

It sure would be bad if we wound up without any duly-elected officials. The whole situation is rough for everyone concerned. Might even wind up in court. Time will tell.

Organ Recital At Friona Sun.

Walter M. Reneker B. M., a member of the American Guild of Organists, delighted music lovers of this vicinity at an organ recital held in the Congregational Church on Sunday afternoon. Mr. Reneker also played the organ for the morning worship service of the church. He accompanied Edd Uri Talbott in a solo. The Order of the Eastern Star, attending in a body, were special guests at the service. Pat Cranfill was baptized and received into church membership as a part of the morning service.

Following the vesper organ recital, the ladies of the church, under the chairmanship of Mrs. Hazel Weir, served light refreshments. More than 100 enjoyed the social hour in the church parlors.

Mr. and Mrs. Jack Brown and Mr. and Mrs. Bill Waldrep attended the roping in Clovis Sunday.

Warming the Bench

By Wally Knief

NUMBER ONE—

It's not exactly cricket to foist something like this on an unsuspecting public, but here comes the first installment of something new—which, we hope will hang around long enough to grow old. We may find within a few issues that instead of baptizing this thing we should have drowned it, but time will tell.

We'll try to be around this same spot each Thursday with happenings on the local sport scenes and maybe something in the national picture.

Regardless, we'll have to leave the "heavy" sportscasting and predicting to the bread and butter boys who do this 24 hours a day. Occasionally we'll stick our necks out, though. It wouldn't be any fun otherwise.

Most of all, we want this column to be YOUR column. It will attempt to answer any questions regarding sports, records, etc. If you have any sports gripes, let us hear them. Perhaps with the airing through this column, we can arrive at some sort of solution.

In addition to sports from our side of the fence, we may even run in a guest columnist if anyone wants to risk his reputation in this little-read corner.

If we last long enough, we might get over the hump. Just hang on!

SOFTBALL—Softball is getting underway in high fashion this season as all six teams entered in the league are boasting fine clubs. Any players still seeking team connections are asked to contact

the manager of the team they aim to join. There are still some vacancies.

Support of the league thus far has been commendable, but the boys need season-long backing. It's expensive to play under the lights twice a week. They are charged \$20 per night for the field and lights. At 20c a head, that's 100 paying customers per night to make expenses.

All of the players are participating in the league for nothing save the lumps and bruises they get. A little moral support will make their efforts worthwhile.

By the way, season tickets for league games can be purchased for four bucks. It's the best way you can assure the league of your backing.

Another league matter—the All Star game to be played June 26. Watch the teams in action and send in a suggested All-Star roster. If response and support warrants, perhaps we can get a fan-selected All Star tilt. More on softball later.

BASEBALL—What has happened to the baseball ghost? Too many of the players didn't like the demanding Sunday afternoon schedules. The fans won't support softball and baseball, too, and the players have made their own choices by swinging to the softball league.

JUNIOR OLYMPICS—Coach H. V. Stanton and Bob Wear and their Kiwanis club deserve a vote of thanks for plugging the "Junior Olympics" which will be run off this after-

TEN HOURS' work netted three Hereford fishermen 184 crappies Saturday night and Sunday at Buffalo Lake. Ervin Robinson Jr., left above, holds a stringer of 50 crappies; Dick Gholson, center, holds his catch of 75;

and Ervin Robinson Sr., right, holds his 59. The men used minnows and made the catch from 10 p.m. Saturday to 6 a.m. Sunday. Staff Photo.

Two Quarterbacks Planned For Herd

Friday's football scrimmage session for the Hereford Whitefaces uncovered more fall material for Coach Dalton Criswell as the eleven quarter-backed by Daie Winget nosed out the team run by Buddy Godfrey, 7-6.

The two candidates for the quarter post opposed each other in a fine spring exhibition.

Godfrey had to leave the game early for the school bus home and Winget took over the pivot spot for both teams. Dale's own squad scored first blood with a touchdown play generated from the line.

Later, while running his own

squad, Winget uncorked a pass and Linebacker Pat McCullough for the Godfreys intercepted, scampering 20 yards for a TD. The conversion was no good.

Coach Criswell said he had limited the field of quarterback candidates to two—Godfrey and Winget. Neither of the two have all the characteristics sought for in the ideal quarterback, but together, they possess the attributes, the mentor said. He plans to run the Whitefaces with the two operating out of the quarter slot this fall.

All of the back show improvement since the beginning of the

drills, Criswell stated, and he expressed satisfaction with their spirit, and with their efforts.

The speed in the backfield hasn't increased any during the workouts, but Criswell said he is "pleased and optimistic."

Spring football drills cease on May 15, the completion of the allotted 30-day period.

Raymond Dement is working out of the right end spot now and has looked very good, Criswell said. He changed from full of last year. He also had a little end work, but never for such a protracted period as this spring.

Both Dement and Dickson are good on short passes, he told The Brand.

The squad will spend the week working on pass offense, something to which no time has been devoted as yet.

Following the scrimmage session, Criswell expressed satisfaction with the way his line was working, with both opposing lines holding nip, and tuck.

On the Godfrey squad, the line was comprised of McCullough, center; Herman Hund, guard; Corbett, tackle; and Dickson, end on the right side of the line, and left side of the line was composed of Quattlebaum, guard; Fish, tackle; and Boyd, end.

Godfrey quartered with Fish and Boyd also in the backfield.

On the Wingets, Airhart was center with the following right side of the line: Jones, guard; and London, tackle. On the left side, were: Short, guard; and Bookout, end. The names of the other players missing from the lineups were not available from Criswell's records.

White hurt a shoulder in the workout. Rose had a bruised calf from an earlier tangle and will be out for the rest of the spring workouts.

Color, Action In Saturday Mat Card

Colorful action was unleashed Saturday night for spectators in the Bull Barn wrestling matches.

The first bout of the evening saw Scotty McFarland, Edinburg, Scotland, facing Bob Geigel, former Iowa university football player, who is a new-comer into the grunt and groan trade.

McFarland brought along his kilts and entered the ring with them on. Besides some Scottish color, he also introduced a few of the holds imported from his side of the ocean.

The match was a one-hour time limit, best two out of three fall event. Compared to the wind-up event, the opener was tame.

The presence of Kasaboski in the tag team nightcap alone made the match smack of thrills.

In the first of the evening, the

Scotchman took the initial fall in 20 minutes with an Aberdeen clutch.

Geigel bounced back to grab the second fall in 11 minutes with a hammerlock and an arm stomp.

Geigel won the match five minutes into the third fall because McFarland got his Scotch up and refused to turn loose of the ropes after he wound the lowan up in them.

The tag team match that finished the night provided the screamers for the fans.

George Lopez of Mexico and Tommy Martindale of Amarillo squared away against Tony Morrell of New York City and Bad Boy Alex Kasaboski of Hamilton, Ontario, Canada.

As usual, everything went in

CHRYSLER

INDUSTRIAL PIONEERS NEW IRRIGATION AREA

New Irrigation Area Opened 27 Miles NW

Successful development of a 1,000 gallon-per-minute irrigation well on the Vernon Denson place, 27 miles northwest of Hereford, this week resulted in a flurry of activity almost parallel with an oil strike.

CHRYSLER INDUSTRIAL POWERS WELL IN NEW IRRIGATION AREA

PUMPING 1,000 gallons per minute, the new irrigation well on the Vernon Denson farm, 27 miles northwest of Hereford, is 344 feet deep and has a pump draw of 256 1/2 feet.

The northwest area, long considered outside the shallow water belt, has previously reported difficulty in securing water for drinking and household purposes. The area, considered practical only for dry-land farming and ranching, this week offered a potential of 60 sections of additional intensified irrigation farming land.

This figure increases the present 150 sections of irrigable land in this area by one-third.

Asking prices on land in the area also took an immediate jump—and even then owners doubted if they would want to sell.

Said Mr. Denson, owner of the new well: "I had my land priced at \$90 an acre. Now I don't think I would sell for \$150 an acre."

Other land owners, hopeful of irrigation possibilities, were more or less waiting to see for sure if they could successfully develop wells. The Box Car Ranch, joining the Denson's place, is talking about a well on each half-section.

This well was powered by a Chrysler Industrial Engine.

Resizing Axminster Rug
Stretch the rug tight and tack face down on the floor. Sprinkle with a solution made by dissolving 1/4-pound of flake glue in 1/2-gallon of water. Allow to dry at least one day. Care should be taken not to put on so much glue that it will show on the right side.

Blisters
Sew a piece of chamois on the inside of the heel of the shoe, and this will prevent the shoe from rubbing the stocking. A new shoe will not be so apt to blister the heel.

Dog Nuisance
The dog nuisance is an exasperating problem of the average home gardener. A spray of one of the nicotine products is usually effective. This should be renewed after rains.

Paint Brushes
Always clean paint brushes thoroughly before putting away.

Hardened brushes may be soaked in raw linseed oil for 24 hours and then placed in a pot of benzine. Work the bristles until they are separated, when the paint will soften so that it will wash out.

Light Scorches
Light scorches can be removed from linens by first wetting the stained areas with cold water and then exposing to the sun until the stain disappears.

Banana Stains
To remove banana stains cover the spots with a liberal paste of fuller's earth and water.

Cracked Parchment
To mend a crack in a parchment lamp shade, hold the crack together and shellac over it several times both inside and out. After this has thoroughly dried, shellac the entire shade, both inside and out, and you will be pleased with the results.

Hereford Garden Club All Set For Annual Flower Show Friday

Plans are complete for the Hereford Garden Club annual Spring Flower Show which will be held May 9 in Park Avenue Village.

Mrs. Ralph McCullough, president of the club, has announced her committees and further plans were made at the regular meeting of the club held Friday afternoon in the home of Mrs. O. G. Hill.

Committees
Committees include: Schedule — Mesdames W. S. Fluit, M. T. Rutter, Harry Lomas; staging — Mesdames O. G. Hill, Rex Tynes, C. D. Kelton; entries — Mesdames A. L. Manjeot, Ralph McCullough, Harry Lomas; classification — Mesdames A. O. Thompson, W. S. Fluit, O. H. Herring; selecting of judges — Mesdames John Jacobsen Jr., C. C. Ferguson; social committee — E. E. Fridley, Mrs. M. Kester and E. E. Fridley; awards — Mesdames E. W. Young and E. E. Ramey; publicity, Mrs. J. P. Slaton and photography — Mrs. A. L. Manjeot. Mrs. James Black and Mrs. W. S. Fluit are general chairmen

Tulips
To keep tulips for use as a decoration, a tiny bit of wax should be dropped into the calyx of each flower. They will have a much longer life than if this is not done.

Sour Milk Recipes
Two tablespoons of lemon juice added to one cup of sweet milk sours it to the acidity desired for sour milk recipes.

Woolens
If the woolen material just purchased has not been sponged, do it before it becomes spotted by rain. Lay the material flat on a table and place over it a wet sheet, wrung out so it will not drip. Start at one end and roll material and sheet together and let stand for about twelve hours. Then press on the wrong side of the material with a fairly hot iron, but don't scorch.

for the show and Mesdames M. T. Rutter, W. F. Hardwick, Otto Massie and John Jacobsen Jr. will serve as clerks.

During the business session, members voted to donate to the cancer fund and plans were made for the club to arrange a float for the Pioneer Day parade. Those to serve on the float committee are Mesdames O. G. Hill, O. H. Herring and M. T. Rutter.

Mrs. Hill reported that 10 dozen gladioli bulbs have been sent to the hospital for the Blind in Austin.

The lesson for the afternoon was a general discussion of iris with Mrs. O. G. Hill, Mrs. A. O. Thompson, Mrs. W. S. Fluit and Mrs. J. P. Slaton showing specimens and leading the discussions.

Members present were: Mesdames Jim Black, C. C. Ferguson, E. E. Fridley, W. S. Fluit, Jeff Roberson, W. F. Hardwick, O. H. Herring, John Jacobsen Jr., F. M. Kester, J. H. Lomas, A. L. Manjeot, Ralph McCullough, E. Ramey, Jack Roberson, M. T. Rutter, J. P. Slaton, A. O. Thompson, Rex Tynes and the hostess.

Tanda Camp Fire Group Plans Trip

Tanda Camp Fire Group completed Mother's Day gifts at the meeting held Friday afternoon at the hut. Plans were made for a Saturday trip to Clovis on a tour. The Tanda group planned to sponsor a Bluebird group on the trip.

Girls attending were: Martha Bookout, Betty Kropff, Linda West, Gladys Lee, Elaine Rockwell, Shirley Schulte, Carla Crosthwait, Willa Sue Channer, Joan Fowkes, Linda Cavendar, Denise Barnard, Edna Frost, Peggy Bumpus, Dorothy Williams, Betty Ford, Glenna Gault, Neil Walker, Donna Wooddell and Hollis Walters.

The truck that grew up on the farm!

The builders of International Trucks have a background of over 100 years' experience in building heavy-duty equipment for farmers.

To this add 45 years' experience in building heavy-duty trucks. This combined experience is put to good use. The result is an International Truck engineered to do your hauling more economically.

This is only one of many advantages you enjoy when you choose an International Truck. Why not choose your next one now?

You can't beat these International Truck exclusives:

- All-truck engines—built in the world's largest truck engine plant.
- The "roomiest, most comfortable cab on the road"—the Comfo-Vision Cab.
- Super-steering system—more positive control, easier handling and 37° turning angle.
- The same traditional truck toughness that has kept International first in heavy-duty truck sales for 20 straight years.
- The truck engineered for your job... 115 basic models, from 1/2-ton pickups to 90,000 lbs. GVW ratings.
- Largest exclusive truck service organization.

International L-160 models offer 135 to 172-in. wheelbases, GVW ratings from 14,000 to 16,500 lbs.

For complete information about any International Truck, see—

Praises BIG 12 For Relieving Her Nagging Aches and Pains

Every day people from all over Texas write in telling how BIG 12 has helped them regain their old-time feeling of well being. For instance, take Mrs. Blanche Styron of 402 West Henderson in Cleburne. Mrs. Styron is a nurse and it wasn't so long ago that she had a hard time carrying on her profession. Then she heard how BIG 12 was helping other people with a similar condition caused by deficiencies of Vitamin B₁₂, B₆, Nicotin and Iron and decided to try it. But let Mrs. Styron tell her experience with BIG 12 in her own words.

Mrs. Blanche Styron living. And remember, in addition to Vitamins B₁₂, B₆, Nicotin and Iron, the daily dose of BIG 12 contains as much of the new Red Vitamin B₁₂, as a doctor usually gives in an intramuscular injection. These vitamins and the great iron content of BIG 12 (far more iron than any other tonic contains) when taken into the system, goes to work immediately so if you suffer from these deficiency caused ailments, be fair to yourself, don't go on through life suffering nagging aches and pains, stomach distress, sleeplessness, nervousness, poor appetite and a general run-down condition due to a deficiency of Vitamins B₁₂, B₆, Nicotin and Iron but get a bottle of pleasant tasting BIG 12 from your drug store today.

"For some time I had aches and pains all over my body. I suffered terribly all during that time. Then I heard about BIG 12 and out of sheer desperation I got a bottle. With that first bottle I felt a great change for the better and I have since taken thirty or forty bottles. I have now returned to my work which is practical nursing. At present I am walking two miles each day to take care of my patient. I am still taking BIG 12 and will continue to take it for it has helped me more than I can ever say."

There is nothing miraculous about BIG 12 but sometimes results like those secured by Mrs. Styron almost make it seem so.

It is a proven fact that lack of Vitamin B₁₂, B₆, Nicotin and Iron can cause nagging aches and pains, stomach distress, lack of energy, sleeplessness, nervousness and poor appetite and BIG 12 contains these essential elements that give that glorious feeling of well being that makes life worth

Rev. Harold Hicks Honored On His 10th Anniversary Recently

Rev. W. Harold Hicks, a native of Hereford, was honored by members of his congregation last week after completing 10 years of service as pastor of the Pulaski Heights Baptist church in Little Rock, Ark.

During Rev. Hicks' pastorate the church has received 1,067 new members and the church property has increased in value from \$62,500 to \$585,000. Mission funds have more than quadrupled.

Rev. and Mrs. Hicks both grew up in Hereford. Their marriage culminated a high school romance and later both attended Baylor University. He is a graduate of Southwestern Baptist Theological Seminary, Fort Worth.

Mrs. Hicks is the former Miss Baurine Beyer, daughter of Mr.

Sudan Being Planted In Some Localities Around Community

By Mrs. R. C. Childers
Sudan is being planted in several locations in this community this week. It is thought that there is ample moisture from the recent rains to bring it up. Meanwhile, onions and potatoes are being worked and irrigated all over the community. The onions are beginning to show some progress in growth, especially the early crop.
With these warm days and nights, the late crop can nearly catch up with the early crop. The potatoes are rapidly covering the seed bed.
Seeding crops grow so rapidly assures us spring is here and that warm weather is here to stay. Knowing this, we can plant more things in our gardens and know that they will come up.
Mrs. Leona Packard spent Saturday night with her grandmother, Mrs. Anna Gehres in Here-

ford. Mrs. Gehres has been ill for quite some time.
Members of a fishing party who spent Saturday afternoon, Saturday night and most of Sunday at Buffalo Lake were Mr. and Mrs. Thomas Barclay, Bill Kendall and Curtis Barclay.
Leroy Packard and Jimmy Ray Banks went to Spring Lake for a load of cottonseed Thursday. Both Packard and Banks are planning to put in quite an acreage of cotton.
Art Lewis left Monday for Ringwood, Okla., to be gone four or five days attending to business interests there.
Mrs. Fred Wolfington, Mrs. Paul Corbett and Mrs. R. C. Childers attended the regular meeting of Home Demonstration Council Monday afternoon at the county court room.
Cultural club was 100 per cent in attendance along with six oth-

er clubs over the county. They were Westway, Ford, Dawn, Progressive, North Hereford and West Hereford.
Delegates elected at this meeting to attend the state convention at Kingsville were Mrs. R. C. Childers, Mrs. Joe Wagoner of West Way, and Mrs. Roberta Campbell of South Hereford. Mrs. Campbell was also elected as the new THDA chairman for 1952 and 1953.
Visitors in the Marti Mason home last week were his sister, Mrs. Bernie Sebastian and son Tenny of Alhambra, Calif., and his father, R. L. Mason of Sundown, Texas.
Mr. and Mrs. L. A. Richards announce the arrival of a son born Friday, May 2.
Mr. and Mrs. Marti Mason and sons spent Sunday with her brother and family, Mr. and Mrs. D. W. Tomlinson at Phillips.
Richard Ray Tomlinson of Littlefield is visiting his sister, Mrs. Edward Biles.
Mr. and Mrs. Jim Mayfield of Erick, Okla. were week-end visitors in the Fred Wolfington home. Mrs. Mayfield is Mrs. Wolf-

ington's sister.
Mr. and Mrs. Jim Wolfington and family of Plainview were Sunday visitors in Hereford.

Warming...

(Continued from page 1)
noon at 1:15 in Whiteface stadium.
The secret of having fine athletic teams for our high school lies in the early training and encouragement of our boys in fifth, sixth and seventh grades.
It's a thrill for the young boys to run before an appreciative gallery. Let's see you out at Whiteface field this afternoon.
SUMMER RECREATION—
There's a serious movement underway to get a junior softball league started this summer. It can very well be the nucleus of a future summer recreation program.
This plan is being worked out and may be presented in the very near future after the grade schools have had a chance to test the youngsters for interest.

We'll have more on this in a week or so.
FISHING—
Buffalo Lake is yielding some mighty good crappie catches these days. Latest report was the Dick Gholson party, which pulled out 184 from 10 p. m. Saturday night to 6 a. m. Sunday morning. The picture on this page shows what 184 crappies look like.
The only thing wrong with fishing at Buffalo Lake these days is that it'd be too much hard work pullin' 'em in!
Other fine catches — including 51, 118 and a third one of more than 100 — have been reported.
Football practice is getting along fine as the 30-day limit for spring training marches on. The Herd will still be looking for a swiftie in the backfield... Don't forget that double header tonight at Vets park between Hereford Hardware and Rocky's Service in the first game and the Knights of Columbus and Dawn in the nightcap.

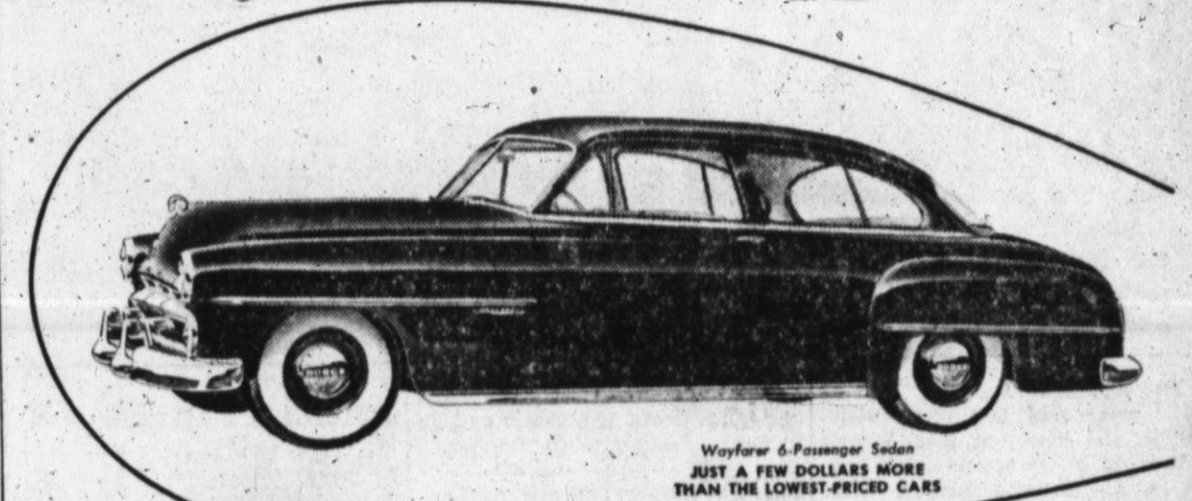

Color...

(Continued from page 1)
the tag team affair.
Martindale took 18 minutes to do away with Morelli, using a top body press following a series of drop kicks plus a little bit of everything else.
Morelli retaliated against the

self-same Martindale in 16 minutes with a "secret weapon," one of Morelli's specials that has been used here before but remains nameless.
Lopez and Kasaboski figured in the final fall of the match in three minutes as Lopez floored Kas with a top body press.
Billy Weidner was the referee for the night's mayhem.

Mrs. Iverson Leake and children, Eddie and Virginia of Canyon visited in the home of Mr. and Mrs. W. P. Caraway Sunday.
Mr. and Mrs. E. Ramey and Mrs. W. A. Gentry spent Sunday in Hart visiting with Mrs. Ramey's and Mrs. Gentry's brother, Earl Stone and family.

Hints for Your Home
by LEE ANDER

It's always exciting to add a little color to our homes, and it's marvelous to save money by repairing toys, plastic goods, luggage and other household items about to be discarded. MYSTIK TAPE does all these things. It's a wonderful plastic-coated cloth tape that comes in many rich colors. Just for example, with MYSTIK TAPE you can stripe kitchen cabinets and walls, trim bathrooms, nurseries and playrooms or cover venetian blind tapes—in any color you choose. Besides that, almost every time you use MYSTIK TAPE you save either time or money—oftentimes both! MYSTIK TAPE sticks without moistening so there's no mess. Its cloth is strong and washable which means MYSTIK TAPE will wear for ages. (Be sure you apply MYSTIK TAPE firmly. A clean, dry surface is best.) This booklet shows just a few uses I've found for this wonderful MYSTIK TAPE.

Recover venetian blind tapes in harmonizing colors. Tack tape securely at top.

Weatherstripping, in colors to match your woodwork, saves fuel, bars dust and dirt.

Stripe walls, shelves and cabinets in gay colors. Neat and easy as pie.

Scratches are prevented by covering rough surfaces—lamp bases, ash trays, etc., with MYSTIK TAPE.

Leather, leatherette and plastic upholstery are mended in harmonizing shades. Books and albums, too.

Plastic radios, clocks and toys can be repaired permanently with durable, cloth MYSTIK TAPE.

Luggage, briefcases, bill-folds, golf bags and hand-bags can be repaired and reinforced quickly.

Seal and decorate hat boxes, cartons and packages for dustproof storing or mailing.

Garment Bags can be sealed against dust and moths. Mend tears in no time.

Rubber Goods—gloves, raincoats, overshoes, etc.—are still waterproof when repaired with MYSTIK TAPE.

Sporting goods are easily repaired and made slip-proof with MYSTIK TAPE.

Shower curtains, plastic tablecloths and aprons are permanently mended with MYSTIK TAPE.

Electric cords are dangerous. Hold them against floor or baseboard in a matching color.

IDEAL FOR HUNDREDS OF OTHER USES..

25¢ & 50¢ PER ROLL

—AT THE BRAND OFFICE

MYSTIK TAPE REPAIRS • DECORATES • SEALS • REINFORCES *Sticks Without Moistening*

CONSERVATISM!

It might be called another name for "caution." An elephant is conservative when he carefully tests a bridge, before crossing it, to make sure it will bear his weight.

Similarly, a conservative bank is careful about the financial bridges it crosses. Their strength and soundness are carefully tested before proceeding.

This type of conservatism is necessary if the bank is to merit your confidence as a sound and dependable financial institution.

CONG. ROGERS SAYS

Importance Of House-Approved Agricultural Bill Is Reviewed

AGRICULTURAL APPROPRIATIONS: The House this week has passed the agricultural appropriation bill. Although there was much debate on many of the sections of this bill, the debate was never heated as it has been on the other appropriations bills. It is my opinion that the Congress as a whole realizes what agriculture means to any civilization. The committee recommendations were not cut by the House because the Appropriation Subcommittee on Agriculture did an excellent job in preparing this bill for presentation to the Congress. The budget requests were reduced by the committee, but the House did not reduce the committee recommendations.

One of the primary reasons for this action, other than the fact that the Congress realizes the importance of agriculture, is the fact that since 1940 agricultural appropriations have been reduced 32 per cent, while at the same time the appropriations for other departments have steadily increased. I gave you these figures in a recent newsletter, but will repeat them because of their importance: Since 1940 the appropriations have increased as follows: Department of Commerce, 900 per cent; Department of Interior, 183 per cent; Justice Department, 264 per cent; Labor Department, 100 per cent; Post Office Department, 266 per cent; State Department, 138 per cent; Treasury Department, 749 per cent.

ple of the entire nation should know, because history shows us that the rise and fall of civilizations have been determined primarily by the fertility of the soil and the protection that was given the soil. We must not forget that once the top soil is gone, it cannot be replaced. One of the main reasons that this country has had to contribute to foreign countries during the past two decades is simply because the people in those countries permitted their soil to wash away. They permitted it to be overgrazed and overproduced. Those people did not take care of their land and the result has been tragic. Certainly this country should learn something from the experiences that we can see and appreciate that have happened during our lifetime. Dollars are very important and especially at this time in our history, but no one will deny that a human being will find a bowl of turnip greens much more digestible than a bowl of ten-dollar bills, with or without pepper sauce.

I feel that the people in the 18th District appreciate the importance of agricultural programs and soil conservation, but I did want to give you a few of the many facts that must be seriously considered by every citizen in this country.

LONG RANGE SHIP BUILDING BILL: The Committee on Merchant Marine and Fisheries had an interesting witness this week in the person of Hans Isbrandtsen, who heads the Isbrandtsen Steamship Lines. This is an independent steamship company. The Long Range Shipping Bill has to do with subsidies to steamship companies. Mr. Isbrandtsen is definitely a man of the sea and a rugged individualist. He left no doubt in the minds of the members as to the fact that his company was not subsidy minded and that a good healthy shipping industry could only be worked up by private initiative. Nor did he leave any doubt in the minds of the committee members that his basic philosophy was that the citizens of a country should support the government, and not the government support the citizens. Although I

am not on that committee, I was certainly impressed by his testimony, as it contained a lot of good sound basic American philosophy. Usually these owners of steamship companies and other major industries appear before these committees in support of government subsidies, rather than in the role occupied by Mrs. Isbrandtsen.

VISITORS from the District this week have been: Mr. Gene Howe, Mr. C. L. Giles, Mrs. Myrtle B. Flenniken, and Mr. and Mrs. S. B. Whittenburg and children, Sam and Mary Frances, all from Amarillo.

Seven Local Candidates For TTC Degrees

Seven students from Hereford are among the 198 applicants for degrees at West Texas State college.

Baccalaureate services will be held in the college's Administration auditorium, Sunday, May 18 at 11 o'clock. Graduation exercises will be held on Monday, May 9 at 10 o'clock.

Rev. Carl Bates, pastor of the First Baptist church of Amarillo, will conduct the baccalaureate services. R. B. Anderson, Vernon attorney, will deliver the commencement address.

Candidate for the Master of Education degree from Hereford is Donald C. Martin.

Seeking Bachelor of Science degrees are Thelma C. Barnard, Ellen Bryant, Jacqueline Louise Newell, Virginia Lyons Robinson, Wanda Thompson and Jeannette Ovelia Euler.

Everett Bryan of Pahrump, student at Texas Tech, came to Hereford with Oliver Streu over the week end. The two boys ac-

panied by Oliver's father, Ur-

to take their physical examinations for the Navy.

Time to cook the Food-Saving Electric Way!

When you control the temperature in cooking, you control food shrinkage. YOU control the cooking temperature when you cook electrically — control it perfectly with the flick of a switch, or the push of a button. You'll eat more of the food you pay for — lose less, much less, to shrinkage — when you cook the modern electric way — with accurately controlled cooking temperatures. Try it in your home and see.

SOUTHWESTERN PUBLIC SERVICE COMPANY 27 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

Mr. and Mrs. Richard Renz of St. Louis spent last week visiting in the home of Mrs. Renz's father, H. H. Boardman and brothers, Glenn and Lester. Mrs. Renz was formerly Florence Boardman.

Mr. and Mrs. C. C. Stephens and girls spent the week end in Quanah visiting with friends.

Sylvia McCracken and Barbara Rogers were in Lubbock over the week end to attend the rodeo.

Recital Programs Slated May 9, 11

In observance of National Music Week May 4-11, Mrs. Glenn Snyder will present her piano students in two recitals.

The first recital will be held Friday evening, May 9 at 8 p. m. in the educational building of the First Baptist church, and the second program will be held on Sunday afternoon, May 11, at 3:30 p. m., also in the educational building of the First Baptist church.

Solos, ensembles and two-piano numbers will be featured on both programs. All interested friends are invited to attend.

Those playing Friday evening will be: Gienna Gault, Carla Sue Crosthwait, Loretta Strafuss, Mildred Kelly, Eugenia Knox, Lynn Thompson, Carolyn Knox, Mary Ann Young, Sondra Brumley, Eugenia Alexander, Judith Raye Haseloff, Billy Woodford, Robert Charles Kinsey and David Brumley.

Those who will appear Sunday afternoon are: Nancy Parsons, Mary Katherine Huckert, Helen Sears, Gary Guseman, Jimmy Rehnauer, Zell Crump, Jerre Bea Noland, Donna Sue Guseman, Sheila Williams, Bette Jean Noland, Joan Yancy, Dick Wilson, Dixie Young, Gayle Gault, Dorothy Veigel and Patsy Jackson.

We, of course ran into arguments from the city members, but were able to offset these arguments by showing these members just how important agriculture is to the city folks. Many people do not realize that in the past 175 years the fertile soil of this nation has decreased from 500 million acres to a little more than 300 million acres, and that according to the best estimates available the top soil of fifty 40 - acre farms flows down the Mississippi River each day in the year, and out to sea. Many people do not realize that by 1975, according to the present rate of increase in population, this country will have 190 million people, whereas today we have 150 million. This increase in population under present-day standards will require an additional 115 million acres of land in order to maintain the present standard of living. That time is only 23 years in the future.

Also since 1940 we have been producing 20 per cent more annually than theretofore. This does mean that such increased production was the result of 20 per cent more work. It means that 20 per cent more has been taken from the fertility of the soil of this nation. These are just a few of the important facts that the peo-

close to the lashes. Now spread it upward and outward to the eyebrows. You can see how much bigger and more colorful your eyes seem to be.

Q. How should a woman choose her face powder?

A. Powder, whether it has rice or a complex modern mixture, at its base, should have a fineness of texture, should not leave a powdery or caky residue, and should stay on the skin evenly, blending with the skin or foundation base. If it doesn't do this, it's not for you.

Q. What kind of rinse should I use to keep my light hair light?

A. The juice of one lemon to a pint of water.

Q. What type of hair-style should the square-faced girl effect?

A. Curls or soft waves above

SUMMERFIELD NEWS

J. L. Councilman, L. L. Cannon Named Uninstructed Delegates

By Bobbie Walser
A precinct meeting was held Saturday afternoon, May 3, at the Summerfield community house. Mrs. Lee Curry was elected chairman for the afternoon and Mrs. Guy Walser secretary. J. L. Councilman and L. L. Cannon were elected as uninstructed delegates to the county convention to be held at Dimmitt on May 6th.

Present for the meeting were: Mr. and Mrs. Beherends, Clarence Beherends, Roy Campbell, L. J. Councilman, Mrs. Charles Noland, Mr. and Mrs. L. L. Cannon, Mr. and Mrs. Lee Curry and Mr. and Mrs. Guy Walser.

Mr. and Mrs. Carl Lee and Mr. and Mrs. M. F. Carter are the proud grandparents of twin girls, Ronnie Kay and Connie Fae. They are the daughters of Mr. and Mrs. Wayne Lee of Dimmitt, formerly of this community.

Carl Lee, Jackie and Carolyn went to Dimmitt Sunday. Mrs. Lee spent the week end with her son and family. Also visiting in the Wayne Lee home were Mr. and Mrs. Carter. Mrs. Lee is the

Carter's daughter. Mr. and Mrs. H. G. Beherends are the proud grandparents of a daughter born to Mr. and Mrs. Kester Duran of Hereford. The Durans' other daughter is spending the week with her grandparents.

Mrs. Joe Story gave her BTU class a social Thursday night. Those attending were: Jerry and Ann Lance, Ronnie Mack Botkin, Betty and Kenney Walser, Wayland Northcutt of Westway; Carolyn Lee, Betty Noland, Linda Kay Noland, Roy Dean Campbell, Sandra Jan and Joy Story, Dale Carter, Mrs. Joe Story, Nancy and Mrs. J. A. Noland.

Around 50 were present Thursday night to see the film "Mr. Texas," which was shown at the Summerfield Baptist church. Lee Curry was honored with a birthday dinner Sunday by

Mrs. Lee Curry. Those attending were: Mr. and Mrs. Ross Baker, and Mr. and Mrs. John Black of Amarillo; Mr. and Mrs. Luther Foust and Walter of Plainview and Mr. and Mrs. Guy Walser and family.

Charlene Lee, Wayne Walser and W. C. Quattlebaum were among the group who went on the senior trip to Ruidosa.

Wayne DeLozier of Lubbock spent the week end in the home of his parents, Mr. and Mrs. Geo. DeLozier.

There were 63 present at Sunday school and 60 at BTU Sunday night.

Visitors in the home of Mrs. E. F. Drury on Sunday were Mrs. A. A. Kelly and Mr. and Mrs. Joe Davenport and Joe Frances of Hereford.

Beauty at Home

By Lynn Carter

Q. What can I do for dandruff and for dry, brittle hair?

A. Use hot oil or hair oil to which a few drops of oil of pine have been added. Part your hair in long, narrow sections, and apply oil to scalp with some cotton. Treat entire scalp, massage a few minutes, then cover head with a Turkish towel dipped in hot water and wrung out. Renew hot towels frequently, then follow with regular shampoo.

Q. Is there anything I can do about some scars left on my face by pimples?

A. You might try bathing these areas regularly with a solution of boric acid, followed by an application of zinc ointment.

Q. What astringent ointment is good for a too-oily skin?

A. After giving the face a good cleansing with soap and water and before applying makeup, splash the skin with a bit of lemon juice added to a bowl of ice water.

Q. What are some good tips for keeping the legs slim and shapely?

A. One good tip is to relax whenever possible, with your feet higher than your head. You can also improve your legs by massage. Lie on back and lift leg high; gently pull with your hands at your knee muscles, working them in a circular motion. Do the same with the other leg. Walking is good, to music, as is the bicycle roll.

Q. What facial mask is good for bleaching the skin?

A. Using the juice of one lemon and enough powdered oatmeal to the beaten white of one egg to make a paste, apply in the usual manner.

Q. Do you recommend using eyeshadow?

A. If applied skillfully, it gives the eyes more depth, emphasizes their color. With your little finger, place a thin line of color along the outer half of the lid

SANITARY GRAIN STORAGE

The Texas warehouseman is no longer a mere holder of goods left in his care for storage. He must also be a "good housekeeper."

A state-wide program of grain storage inspections being initiated by the Federal Food & Drug Administration is designed to promote good housekeeping habits in grain storage warehouses and elevators. Its major goal is to assure purchasers of grain and grain products that they are getting "clean" commodities, relatively free of insect and rodent damage. Farmers, too, could benefit through a program that may protect them from losses incurred by depreciation in value of grain stored in unsanitary facilities.

The program of the Food & Drug Administration is divided into two "phases," the first of which will be in effect during this year's crop season. This "phase" is a strict inspection of all grain storage plants and commodities held therein. Later, the F & D will initiate "Phase Two"—the inspection of carloads of grain at terminals.

Inspectors will be armed with sheets which lists sanitary requirements the warehouseman must meet if he is to continue handling the farmers' grain. Federal officials

indicate that if they find obviously filthy conditions in an elevator, or if the grain is badly contaminated, they will take immediate action. "Action," in this case, means they can ask the federal court to issue an order preventing shipment of grain from the warehouse into interstate commerce, or they can ask the court to seize the grain if interstate commerce is involved.

A "rule of thumb" test for badly contaminated grain as interpreted by the F & D, can be made by the farmer or warehouseman himself. Wheat, for example, may be classified as unfit for flour if it contains three or more weevil exit holes per quarter - pint of grain, or one or more rat or mouse pellets per pint.

But the warehouseman cannot bear the sanitary burden alone. The farmer must take steps to protect his grain from infestation and contamination before storing it in a public grain warehouse or elevator. In some cases, the warehouseman may be forced to reject farm - stored grain that is obviously in bad condition.

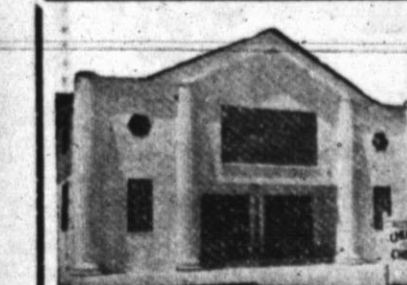

Federal authorities maintain that no undue hardships will be imposed on farmers and warehousemen in the program. A series of articles has been made available to warehousemen with suggestions as to means of maintaining sanitary conditions.

If the farmer is in doubt as to how he can comply with sanitary procedures, he should consult his warehouseman or elevator operator.

Another College Draft Test To Be Held May 22

An additional Selective Service college qualification test to be held May 22 at 60 testing centers in Texas for the benefit of students prevented by illness or other emergency from taking the test in December and April was announced today by Brigadier General Paul L. Wakefield, state draft director.

General Wakefield emphasized that students who have a certificate of admission for either the December or April tests which they failed to use on the assigned date must submit a new application if they wish to take the May 22 test.

Application blanks for the May 22 test may be obtained from the nearest local board and should be sent in as soon as possible to the Educational Testing Service, Princeton, New Jersey. Applications postmarked later than midnight, May 10, 1952, will not be accepted.

The test on May 22 will be given at more than 1,000 testing centers throughout the nation.

Students who attain a prescribed upper class standing or make a score of 70 or better on the May 22 test are eligible for consideration by their local boards for deferment during the next academic year. Local boards are not required

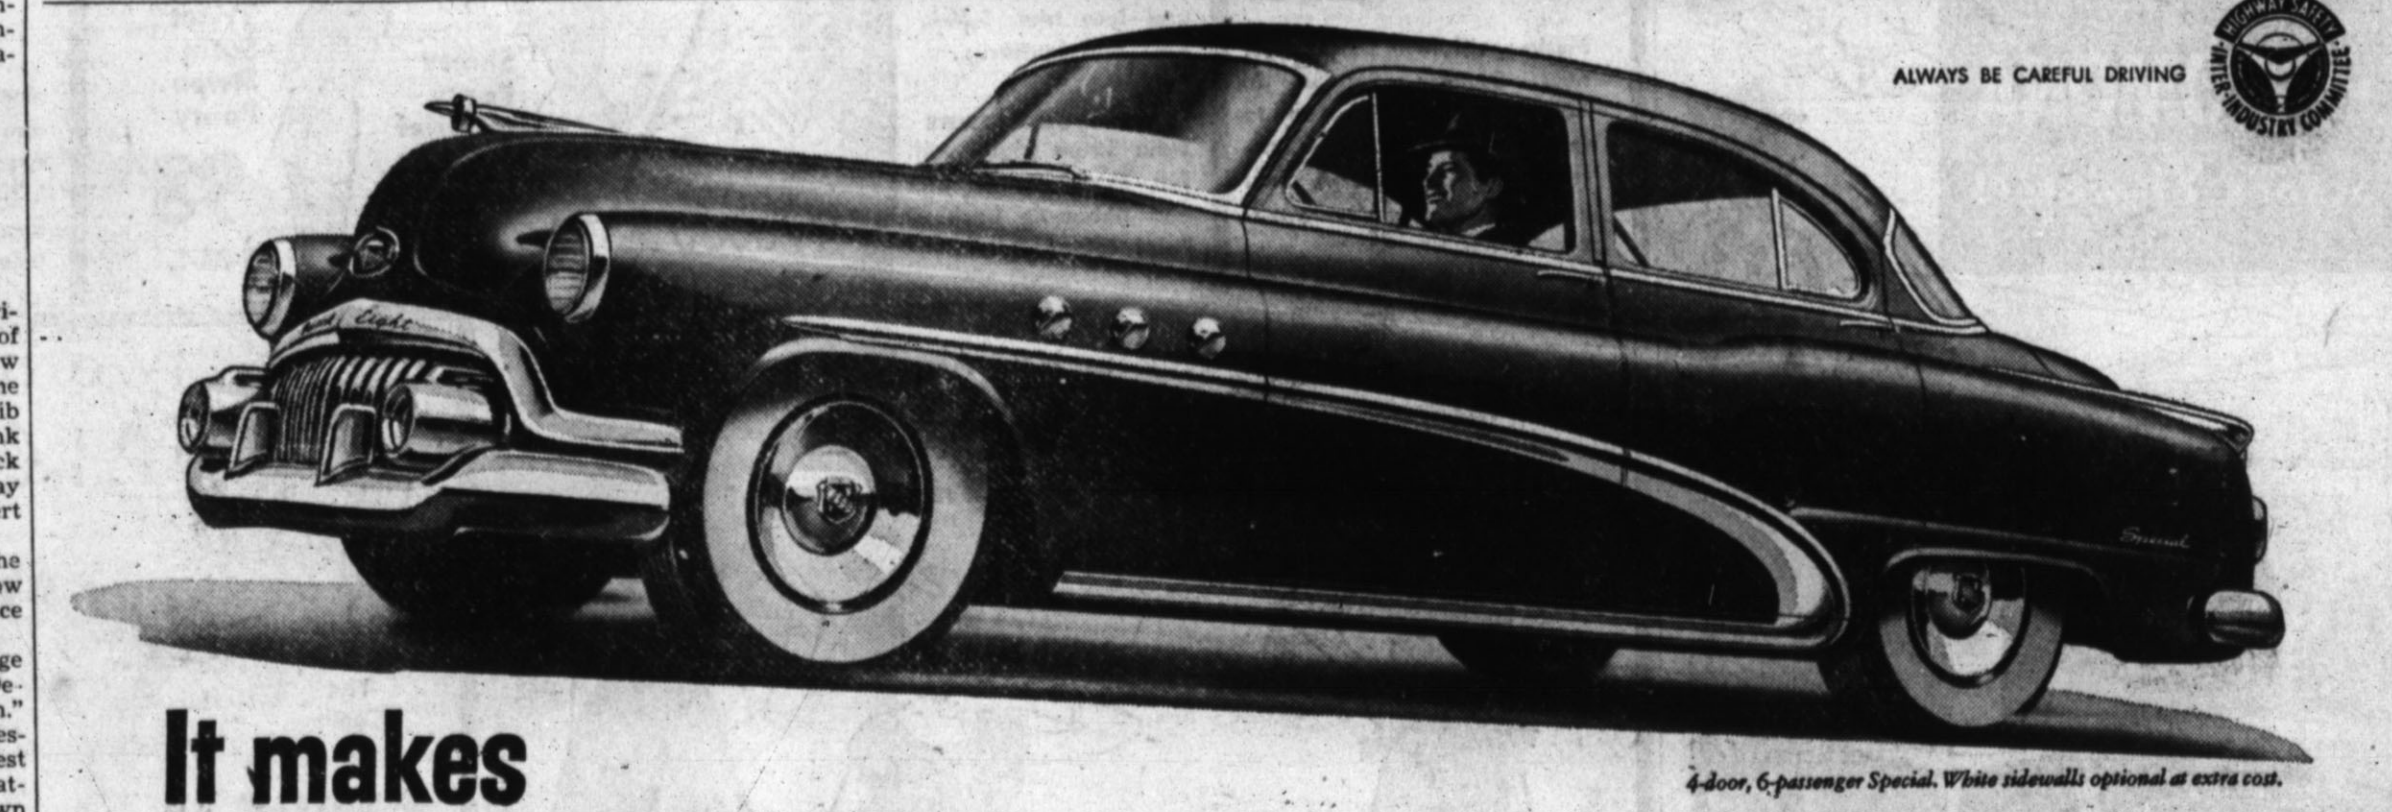

to defer students who meet one or both of the criteria, General Wakefield pointed out, but their classifications are subject to appeal. Orpha Nickerson, Earleen Manning and Edna Rowe attended the Odd Fellow - Rebekah association in Borger over the week end.

cleans...
Here's Active, Detergent lubrication that cleans oil carbon, reduces friction, keeps motors livelier and more powerful longer. Shamrock heavy duty oil meets all standards for a superior quality H. D. lubricant. It's especially recommended for outstanding service in modern high-compression motors and in all automotive vehicles employing hydraulic valve lifters. Ask your Shamrock dealer soon about changing your car over to Shamrock H. D. oil.

...FOR SURE PROTECTION
ALWAYS BE CAREFUL DRIVING

It makes each drop of gas say uncle

ACCORDING to combustion experts, there's as much energy locked in a drop of gasoline as there is in a drop of nitroglycerine. But the problem is to put that energy to work. So Buick engineers aren't content just to mix that drop with air and touch it off. They've designed an engine that brings it catapulting into a cylinder head where it strikes a turbo-top piston—gets whipped into a churning, swirling ball of tight-packed energy.

Then it's fired. And when that happens, a drop of gasoline certainly lets loose power.

This isn't something that happens in a "car of the future."

It happens in a Buick Fireball 8 Engine today. It's a high-compression engine. It's a valve-in-head engine. But it's also a Fireball in performance as well as name.

And it puts extra power under the hood—and extra miles in the fuel back in the gas tank.

Now, power is great, but what goes with it? Mister, that's something you ought to find out—and soon.

What goes with it is an automobile as sweet-handling, eager and willing as anything that ever made your pulse leap to a faster beat.

It's a car that seems to know what you want it to do—true and sure in its course on a

straightaway—beautifully balanced on curves.

It's a car with Dynaflo Drive* to feed power with infinite smoothness—and a road-hugging levelness of ride that took a million in cold cash to perfect.

And it is, with all this, a very tidy bargain. Why not price it, drive it, know it for yourself? We'll be glad to arrange a demonstration.

Equipment, accessories, trim and models are subject to change without notice. Wheel Crests standard on Roadmaster, optional at extra cost on other Series. *Standard on Roadmaster, optional at extra cost on other Series.

Sure is true for '52

ONE DAY for the Mothers of America... but not for mothers in general.

It is a day for my mother. *There's something special, something extra, that comes only from my mother.* This day calls me to say and do the loveliest things for her. It is a meager tribute that I should dedicate this one day... pause to speak grateful words and do generous deeds. It is my Mother's Day.

How MUCH I owe my Mother! She was the life-giver, or life-bearer under God. She carried me for many months under her heart. She has carried me on her heart for the years that have followed. She will carry me in her heart forever. God bless her today. I too will bless her. Perhaps God can bless her most only through me. She may pray that I bear the divine blessings to her...

GIFTS will be in order, of course. *But the words of affection, of thanks, and of genuine concern for her health and happiness will be counted beyond price.* Gifts without the personal word may be very poor, no matter what the price. Let me think the sweetest words then say them all to her. *"If you have any flowers to give, give them now. Living eyes are always hungry."* This is Mothers' Day. It is my Mother's Day.

First Presbyterian

Sunday school will be held at the First Presbyterian church each Sunday morning at 9:45. Morning worship is held on Sunday morning at 11 o'clock. The First Presbyterian church is located at Seventh and Lee. Rev. Russell Wingert is pastor of the church.

Immanuel Lutheran

In observance of Mother's Day and the beginning of Christian Family week, the message for Sunday will be based on the theme, "Showing Christian Love in the Christian Home." The hour of worship begins at 11:30 a. m. Sunday school and Bible class convene at 10:30 a. m. under the direction of the Sunday school superintendent. Each Saturday morning the church presents the morning devotion over KPAN at 8:45 a. m. The Lutheran Hour may be heard during the summer months over KAMQ, Amarillo, at 6:30 p. m.

St. Anthony's Catholic

Week-day masses at the St. Anthony's Catholic church are held at 6:30 and 8 a. m. Masses on Sunday will be held at 6:30, 8 o'clock and 10 o'clock.

St. Thomas Episcopal

There will be a church service at 8 a. m. on Sunday, May 11, at the St. Thomas Episcopal church. Sunday school is at 10 o'clock. On Sunday afternoon, May 18, there will be a rogation service. The service will start at 5:30 p. m. The public is invited to attend.

Following the service, where the minister blesses the fields, there will be a picnic supper.

Assembly of God

Sunday school will be held at 9:45 on Sunday, May 11, followed by morning preaching at 11 o'clock. Young people's and Junior children's church will be at 6:45 on Sunday evening. Evening preaching services are at 7:45. The Wednesday night prayer service will be held at 7:45. The Assembly of God radio program is heard over KPAN at 8:45 each Sunday morning.

Avenue Baptist

Sunday school will be held at the Avenue Baptist church at 9:45 followed by morning worship at 11 o'clock. Training union is held at 7 o'clock and evening worship services are at 8 p. m. Wednesday night prayer meeting is held at 8 o'clock. Rev. H. V. Fields is pastor of the Avenue Baptist church.

Christian Science

Christian Science services are

held each Sunday morning at 11 o'clock in the Star theatre. Visitors are welcome.

The Lesson - Sermon for Sunday, May 11, will be "Adam and Fallen Man."

Church of Christ

Sunday school at the Church of Christ will be held at 10 a. m. on Sunday, May 11. Morning worship services will be held at 11 o'clock.

The young people of the church meet for Bible study at 7:15 on Sunday evening and the evening worship services of the church are held at 8 o'clock.

Each Wednesday morning the Ladies Bible class meets at 9:45 for Bible study.

Wednesday night prayer service is held at 8 p. m.

You are cordially invited to listen daily to the Hereford Church of Christ broadcast over KPAN at 9:30 each morning.

On Sunday afternoon from 1 to 1:30 there is a nationwide Church of Christ broadcast over radio station KFDA in Amarillo.

Church of Nazarene

Morning worship at the Church of the Nazarene will be held at 11 o'clock. The Sunday night services will be held at 7:45.

Roy Blackford is pastor of the church which is located at Fourth and Jackson.

First Baptist

Saturday morning the junior choir of the First Baptist church will meet at 10 o'clock for a practice session.

Sunday school will be held at 9:45 on Sunday morning and morning worship will be held at 10:50.

The entire family is being urged to attend Sunday school and church together Sunday morning in observance of Christian Home week.

On Sunday evening the training union meets at 6:45 followed by evening worship at 8 o'clock. Wednesday evening there will be a superintendent's meeting at 7 o'clock. The teachers and officers will meet at 7:15. The youth choir will also meet for practice at 7:15.

Wednesday night prayer service is held at 8 o'clock followed by choir practice at 8:45.

There will be a music school held at the First Baptist church on Monday through Friday night, May 12-16.

Dr. Edwin McNeely of the Southwestern Baptist Theological Seminary at Fort Worth will be here to direct the school.

The school will be held at 7:30 each evening. Sunday morning, May 18, there will be a special music program given by the group who attend the school.

First Christian

A goal has been set to enlist

at least 45 new members to the First Christian church of Hereford this Sunday, according to Roy Ford, minister of the church.

Bayne E. Driskill, director of evangelism for the Christian churches of Texas has been in charge of the program this week. Over 30 workers have been trained by Driskill to go into the homes of friends of the church to secure definite decisions for Church membership. The workers have been organized into four divisions with a major over each of the divisions. Division I is the teachers of children led by Mrs. Earl Phillips; Division II is the youth division led by Mrs. S. O. Wilson; Division III is the Young Adult group led by Mrs. Jim Kirby and Division IV, the Adult group led by A. Petersen.

The groups have been meeting at the church each evening for a 6:30 inspirational and instruction dinner, leaving the church in pairs at 7:15 to call in the homes of the prospects until around 9 p. m., and then returning to the church to make reports on the work accomplished. In the past two years and nine months, Mr. Driskill has led crusades like this with amazing success. Over 14,000 additions have been added to the Christian churches of Texas and the southwest during this period of time.

Sunday services for the First Christian church will be Sunday school at 9:45 and morning worship at 10:50.

The youth groups will meet at 6:30 p. m. and evening worship is held at 7:30.

First Methodist

The Dorcas circle of the First Methodist church will meet in Ward hall Wednesday at 9:30 a. m. to conclude the study, "The Family - A Christian's Concern," directed by Mrs. Homer Brumley. The Carrie Black and Emma Wheeler Hawkins circles will meet together at 3 p. m. to conclude the study, "The Life of Christ," led by Mrs. J. W. Kirby.

The Mary Martha class will meet with Mrs. J. C. Cummins, 406 East 3rd, Friday at 3 p. m. The Board of Stewards will meet in the regular monthly session at 7:45 in Ward hall Tuesday evening, May 13.

The Youth Division workers will have their regular meeting in the basement Wednesday evening, May 14 at 7:30.

The Senior MYF will have a party in the basement Thursday evening.

The Korean Prayer Band will meet at 3:30 Sunday afternoon in the Sanctuary.

The Senior and Intermediate MYFs will meet at 6:30 Sunday evening.

The Wednesday evening service of Bible study and prayer will be in Ward hall at 7 o'clock. The choir will meet at 7:30 Wednesday evening.

Long Time Ago

45 Years Ago
It rained again Monday morning. The rain started early in the morning and continued slowly for several hours.
C. E. Edwards and L. A. Stroud have bought the lake in the center of town and they intend to make a park out of it.

The hard freeze of the early part of the week resulted in considerable damage to early wheat in the county. Some are moving their wheat with the hope that it will spring up and make a crop yet.

The public school and the Panhandle Christian college are now entering the last month of this school year. Preparations are being made for commencement exercises at both places the last of the month.

Work was started last Saturday on a new side track to be added to the switch yards of the Santa Fe road here.

25 Years Ago
The Chamber of Commerce is urging that the farmers in this area start planting cotton.

Ralph Smith's 30-piece high school band and the business men of Hereford will meet the boosters from Amarillo at the depot Friday morning. A parade will be formed at the depot and will march to the center of the business district where band concerts by Amarillo and Hereford will be given.

Plans are being laid for a big county fair for Deaf Smith county to be held in September. The fair board is comprised of G. W. Brumley, Homer Fox and J. A. Pittman.

Cub Scouts Get 17 Awards At Presentation Fri.

There were 17 awards presented to the Cub Scouts of Pack 50 at the Pack meeting Friday night.

Those receiving Bobcat awards were: Walton Goforth, Douglas Campbell, Randall Vaughn, R. A. Wederbrook, Delbert White, Terry Hodges, Jerry Thomas and Edwin Thomas.

Wolf awards were presented to Darroll Adams, Harroll Adams, Carroll Adams, Donald Elliott, Ted Wimberley, Ronnie Byers, Henry Mille, David Rogers. A wolf silver arrow was presented to Waldon Scott.

The flag ceremony was conducted by Den 5.

Following the flag ceremony group singing was led by Mrs. Coy Patton.

The theme stunt for April, "Making Things Grow" was presented by Den 4.

Carl Wimberley and Henry Turner gave the adult stunt followed by quartet singing by Carl Wimberley, Henry Turner, Mrs. M. S. Roe and Mrs. Henry Turner.

The attendance banner was won by the Dawn group of the Pack.

year.

Donations to the March of Dimes, Red Cross, Boys Ranch and Cancer being some of the "good deeds" we are proud to say we contributed to.

A skit for stunt night with the acting by Roberta Campbell and Christene Pettyjohn was really good.

In our club we have four generations of one family. The great-grandmother, Mrs. Mary Bodkin; grandmother, Mrs. Otto Olson; mother, Mrs. H. E. Pettyjohn and her two children. Also our oldest member, Mrs. Oscar Vaughn, who is 77 years of age.

Three of the charter members still in the club are Mrs. C. L. Whitehead, Mrs. M. H. Koelzer and Mrs. Loyd Neill.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in

NORTH HEREFORD HD CLUB

Started in September, 1931, Club Now Boasts 23 Members

By Mrs. Loyd Neill
The organizational meeting of the North Hereford Home Demonstration club was at the home of Mrs. R. J. Kibbie on September 14, 1931.

The club now has 23 active members led by Mrs. Paul Hoff, president, and Mrs. H. E. Pettyjohn, secretary. We are very proud of our club program. It is inspiring and educational and covers many subjects of interest to home makers.

Mrs. Tom Draper, our agent, began working with us in 1947, giving demonstrations in kitchen arrangements, care of equipment and clothing. Of these, the home tailoring course was most interesting and successful. Some other accomplishments this year were making of hats and bags and nylon hose corsages, dress making, dish gardens, shrubs and trees.

A Thanksgiving dinner and big Christmas party are always enjoyed by the members and their families annually.

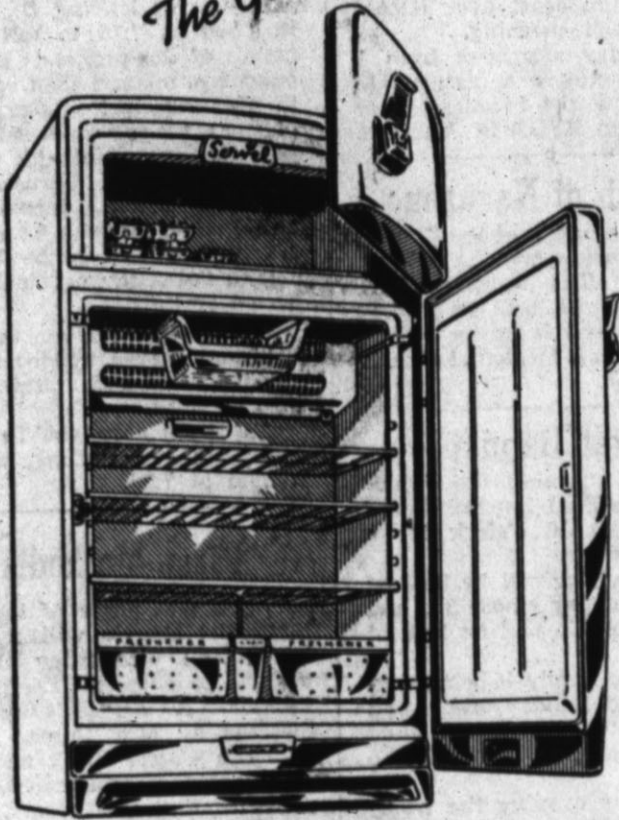

With a cake sale and penny ante at each meeting to keep up which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of James G. Lott, District Engineer, Amarillo, Texas, and Texas Highway Department, Austin. Usual rights reserved.
