Irrigation Accounts For Most Of Wheat

Irrigated land is carrying nearly all of the wheat acreage in Deaf Smith county this year, and the yield will be down, but not nearly as bad as it would have been without irrigation wells to take the place of rain.

Wheat acreage this year is about one-sixth of what it has been in years with more rain, but yields are well above the dryland averages.

One of the brighter spots in the agricultural picture is alfalfa hay, which is almost ready to be cut for the second time, with the price about \$25 per ton, and better than a bale to the acre probable yield being estimated.

Possible Million Bushels
If current estimates of an average of 25 bushels per acre for irrigated wheat hold up, this year's harvest in the county should run to at least a million bushels, and possibly more.

Just how much profit there will be in the crop when irrigation costs are added to all the other items on the list for putting in and harvesting a crop may be a good question.

This year's 48-50,000 acres of irrigated wheat and from 2-4,000 acres of dryland wheat compares rather poorly with "good" years when 300,000 acres of wheat comes out of the ground in the county, and hardly shows up at all when

compared to one bumper crop when 420,000 acres were harvested in the county, at an average of around 17 bushels to the acre.

Average Yield
A good year out here would see an average yield of 10 bushels to the acre on dryland, according to County Agricultural Agent Hugh Clearman, or about 3,000,000 bushels of wheat harvested.

Potatoes have three times as much acreage in the county as they did last year, but two freezes which set them back, followed by heavy attacks of psyllids, which had to be fought with sprays and dust, gave the crop a set back from which it seems unlikely to recover.

Last year, potato harvest began about June 23, while this year it is likely to be held up until around the Fourth of July. Processors estimate that a crop equal in volume to that produced last year will be good, as the potatoes are smaller, though of fairly good grade.

Still Lots of Spuds
Still, about 8,000 irrigated acres will produce a lot of potatoes, and there certainly shouldn't be any shortage of spuds on the counters.

"Cotton has reached the two to four leaf stage, but isn't growing very much," Clearman commented. "This weather is just too hot."

He was more optimistic about the grain sorghum crop, which he believes will run to about 100,000 acres in the county. Most of this is from "just come up to eight or 10 inches tall."

Corn Acreage
Corn, which made up to 24 tons to the acre last year, was planted on about 3-4,000 Deaf Smith County acres this year.

Last year almost the entire crop was cut in the late dough stage, chopped for green silage, and put into silage pits, either on the farm where it was grown or on places owned by dairymen or beef producers.

"Dairymen are growing some corn too, to feed the approximately 800 dairy cows which are being milked here now," Clearman said. "That is a considerable production of milk, much of which is being consumed locally, though some of it is being shipped out commercially as either fresh milk or as cream."

GARBAGE PICK-UP SHOULD IMPROVE with the addition of this 15 cubic yards capacity Pak-Mor body garbage truck which arrived in Hereford Wednesday. Onias Carroll, who has charge of the garbage collection detail, said that Leon Cole has been assigned to drive the new unit. The old truck, which has been in the shop frequently of late, will be used as an extra truck on the rounds when it is needed. Dual wheels, not seen here, were put on the back of the truck in preparing it for service in Hereford. Total cost of the truck and special body will be about \$3,350, according to Cecil Massey Hereford city manager. Staff Photo.

Hereford Bluebird Groups "Fly Up" On Tuesday Night

Two Hereford Blue Bird groups flew up to Camp Fire in ceremonies Tuesday night at the Camp Fire hut.

Mrs. Robert Thompson is the leader of the Gay Blue Birds assisted by Betty Culpepper and Mrs. Weslie Brown is leader of the Humming Blue Birds.

The new leaders for these groups are Mrs. Leon Alexander for the Gay Blue Birds and Mrs. Jack Winget, leader of the Humming Blue Birds.

Following a candle lighting service the Blue Birds repeated the Camp Fire desire and sang several Camp Fire songs.

Ceremony Highlight
Highlight of the ceremony was changing their Blue Bird uniforms for the Camp Fire uniform. Big sisters of the group helped with the exchange.

Those flying up from the Gay Blue Birds were: Linda Jean Ady, Ada Mae Bettis, Sandra Brumley, Kay Caraway, Pamela Clay, Zel Crump, Karen Sue Daniel, Jean Ann DeShazo, Judith Raye Haseloff, Lu Ann Higgins, Rita Latham, Chermayne McCort, Margie Sue Muse, Colleen Reece, Lynn Thompson, Linda Sue Witherspoon, Patsy Woodell, Suzanne Yarbro, and Hallie Culpepper.

Those from the Humming Blue Birds are: Wyndolyn Sheppard, Cecilia Loerwald, Phyllis Jean Ward, Patricia Bell, Linda Faye Lester, Edith Hagar, Verena Parker, Kay Albracht, Alma Lora Muller, and Dana Grace Natfger.

Around Town

A change in Hotel Jim Hill management was indicated this week when Mr. and Mrs. Emmett Sherman announced to service clubs that Wednesday would be their last day with the hotel. Mr. and Mrs. Dick Ross, who have previously been associated with the hotel will likely assume management, according to Cecil Guseman, board chairman. He said that coffee shop operation will continue and that definite arrangements will be announced some time this week.

Four Hereford people attended the annual 4-H Round-up at College Station last week. During the round-up they studied recreation and leadership. Those attending were: Mrs. F. H. King, leader of Senior County Wide 4-H club; Judy Pinnell, delegate and representative of Deaf Smith County 4-H girls; Mrs. Tom Draper, County Home Demonstration agent, and Ralph Morrison, a member of the Plains 4-H club.

A couple of chance visitors to the Hereford Police office Tuesday morning thought the whole force must have got the itch or something when they saw uniform shirts scattered all over the office. "Twassn't that, it was just that new, light blue broadcloth shirts had arrived for the police, and they had been in a hurry to peel off the old and put on the new. The shirts were paid for out of the police fund."

Carlynn Williams and Sue Kirby are attending Chi Rho Camp at Ceta Gen this week. This is a First Christian Church encampment.

In the tailoring business, you almost have to be clairvoyant at times. Take this note that a Latin-American brought into a local tailoring shop. "Please cut this little narrow cuse its too big from the legs. he wants just from the wild not the larg its okay from the larg." Translated, the note told the tailor to peg the trousers for the bearer of the note, who couldn't speak English, so had gotten a friend to write the instructions for him. The work is proceeding as ordered.

J. D. Greeson, Frank A. Gyles, Jr. and L. H. Lookingbill, Jr. from the Hereford area, visited the Purina Research Farm at Gray Summit, Mo., last week and spent the following day touring the mills and research laboratories in St. Louis.

Palmetto polo was played for recreation at the Hereford Riders club at their meeting Tuesday night. They had a picnic supper and Harold Easley, parade Marshal, conducted the drill. They will go to Vega on June 27. There were 20 mounted members and about 10 others present.

(Continued On Page 2)

Damage Reported Heavy In Car-Truck Collision

Damages estimated at \$1,000 occurred in an accident on Park Avenue and Highway 51 Tuesday morning.

Robert Norris Shields, driving a 1951 Dodge, collided with the side of a 1953 GMC pickup, driven by Donald Ray Guice, according to Chief Leo Box.

Shields was driving without an operator's license and was charged with failing to grant the right-of-way.

Wallace Buick Moving Location

Effective July 1 the Wallace Buick Company, now located on West Highway 60, will be open for business in the present location of the Hereford Motor company on the corner of Second and Miles Streets, according to Stan Sigman, manager.

The move is being made, Mr. Sigman said, to provide more service.

(Continued on Page 2)

CITY COMMISSION APPROVES AREA WHERE GI HOMES WILL BE BUILT

Westhaven Brought Into City

Wheat Acreage Allotment Soon

The 1954 wheat acreage allotment for Deaf Smith county will be decided soon, Faust Collier, PMA secretary announced today.

The allotments will be based on the wheat acreage reports for 1953 which were turned in to the national office last week.

The old farms, any farm which had wheat acreage in 1951, 1952 or 1953 crops, will be awarded allotments on the basis of their past history.

New Farms

New farms, ones which had no wheat acreage in 1951, 1952 or 1953, will have to apply for their acreage before June 30, Collier said.

Not more than 3 per cent of the entire county allotment may

be used for new farm allotments, he continued.

Referendum Planned

Not later than July 25 the farmers will have a referendum to decide if instead of allotments that the nation should have quotas.

In the case of allotments, farmers can plant over their allotment but they may have price support on only the allotment. Quotas are a different matter, however. In the case that quotas are issued, a farmer will draw a penalty for any acreage over his quota that is planted.

The allotments are being used again this year, for the first time since 1950, because of the surplus wheat over the nation.

The Westhaven addition was taken into the city limits of Hereford. Dr. L. B. Barnett was reappointed as city health officer, a request for more personnel in the police department was taken under consideration and an ordinance fixing rentals to be paid by utility and service companies for using streets, avenues and alleys was passed at the Hereford City Commission meeting Monday night.

Westhaven addition, which will bring about 40 acres of ground into the city, was approved for admission to the city limits, with 107 lots in the division already platted, and the rest now being platted for approval by the commission.

Dr. Barnett Reappointed

Dr. L. B. Barnett, Hereford Physician who has been in Dallas for the past year doing special study, was reappointed to the post of city

health officer, a post which he held until he went to Dallas last year. Dr. Barnett is scheduled to return to Hereford July 1.

On the grounds that he does not have sufficient men to keep some one in the office and some one out patrolling the city at the same time Chief Box put in a request to the commissioners for two more men. He also asked that the present police car be replaced.

The commissioners and the city manager said that the problems will be studied, and a decision on the two matters made at a later date.

Wants Constant Contact

Chief Box wants to keep a man in the office so the office will have constant radio contact with the patrol car, while also having contact, by telephone, with any one who wishes to contact the police.

The ordinance fixing rentals for utility and service companies says that an amount equal to two per cent of the gross receipts of each such company shall be paid by telegraph, telephone, electric companies for the privilege of using the streets, avenues and alleys for poles, wires, conduits pipes and fixtures.

Those attending the meeting were Mayor J. H. Sears, commissioners Wayne Edwards and Delbert Kinsey, City Manager Cecil Massey, Police Chief Leo Box, and N. D. Bartlett.

Fireworks Committee Appointed By Jaycee Chairman Hutcheson

A committee for the handling of the Fourth of July fireworks display was appointed Tuesday at the weekly Hereford Junior Chamber of Commerce luncheon.

Wesley Methodist Church Organized

Wesley Methodist church was organized in the Sanctuary of the First Methodist church Sunday afternoon. The church will be located on Irving Street. Until the church is built the group will meet in the district court room.

Dr. Earl G. Hamlet, district superintendent from Amarillo, was in charge of the meeting.

Stewards Elected

They elected nine stewards which were: Elmer Carlson, J. R. Cole, A. L. Logan, Robert W. Sparks, Ralph Smith, M. T. Vaught, I. H. Willoughby, Glenn Watts and Claude Francis.

Three trustees were elected and they are: Aubrey Bell, L. H. Lane, and C. E. Watts.

The building will not be started for some time, according to Mrs. E. L. Naugle.

There were 75 charter members present and several out of town guests.

Former Resident Buried On Tuesday In Albuquerque

Funeral services were held Tuesday in Albuquerque for H. B. Hunter, 80, of Albuquerque, N. M. Mr. Hunter died Sunday afternoon after a long illness.

Dr. Pope conducted the services. Mr. Hunter was born on February 16, 1873 in Negro, Ill. In 1898 he married Nancy Smith and in 1908 they came to Deaf Smith County from Negro.

Survivors include his wife, Mrs. H. B. Hunter, two daughters, Mrs. D. Y. Edwards of Hereford and Mrs. Frank Powers, Albuquerque, a son, John Hunter of Hereford, 13 grandchildren and 11 great-grandchildren.

Was Widow of Former Brand Publisher

Services For Mrs. Guthrie Held In Hereford Tuesday

Graveside services for Mrs. B.F. Guthrie, 78, former Hereford resident, were held at 10 o'clock Tuesday morning in West Park Cemetery. Mrs. Guthrie died Friday in Ventura, Calif.

Hereford Chief Lauded In Sheriff's Magazine

Police Chief Leo Box was lauded for his outstanding work with the Hereford Police department in an article appearing in a recent issue of the Sheriff's Association magazine.

The article tells how Box, with the aid of two other Amarillo policemen, Doc Miller and James Dates, has built up the Hereford department into one of the finest in the state.

It goes on to say that he has created the best police-public relations in the history of the city.

Mrs. Guthrie was born in Ravenna, Mo. She married Mr. Guthrie in 1898 at Princeton, Mo. The couple moved from Missouri to Amarillo in 1914, and the next year they came to Hereford.

Operated Hereford Brand

Mr. Guthrie bought the Hereford Brand and operated it until 1923, when he sold the newspaper.

After his death, Mrs. Guthrie moved to Redondo Beach, Calif., in 1937. Three years later she moved to Ventura, and lived there until her death.

Member Poetry Society

In addition to other organizations she was a member of the Poetry Society of Texas.

Mrs. Guthrie is survived by three sons: Keith Guthrie of Ventura, Calif., Guinn Guthrie of Las Cruces, and Paul Guthrie of Milwaukee, Wis., and two sisters.

THE GROUP OF CHILDREN SHOWN ABOVE ARE PLAYING WITH TOYS IN the Labor Camp Day nursery. The nursery, a community project, opened Monday morning for the

children of migrant labor while they are working in the fields. Miss Shirley Montgomery is the supervisor, and workers are volunteer Hereford women.

Hereford Takes Silverton With 11-3 Victory Sunday

By Shelby Whitfield
Hereford scored an impressive 11-3 victory over Silverton Sunday. It was the best game of the season for Hereford. Andy Anderson's team finally played the ball they are capable of playing.

Johnny Renner twirled for Hereford and a beautiful job he did. Renner went the distance, allowing six hits and striking out 17 men. All three Silverton runs were unearned.

Three Homers
Pitching wasn't the only bright spot. The locals, who hadn't tasted a home run in the first six games, finally found the range. Three boys stroked gopher balls for circuit clouts.

Sammy Albracht knocked in what actually proved to be the winning run in the fourth inning, when he hit the first Hereford homer of the season, with a mate aboard.

Dwaine Stewart and Raymond Lueb had back to back homers in the ninth frame.

Hits For Hereford
All told, Hereford had 12 hits. Lueb had three to lead the hitters. Along with his homer, he had a triple. Stewart and Wendell Burdine each had two hits.

Renner is the only man who has gone the distance for Hereford. This was his second time and makes his record 2-1.

There is one dark spot. Hereford committed five errors as compared to three for Silverton.

Hereford is idle in the Irrigation League Sunday.

Bridal Shower Is Given Honoring Mrs. G. Purcell

Mrs. Gene Purcell, the former Miss Bobbie Walsler, was honored recently at a bridal shower given in the home of Mrs. J. M. Wright in Summerfield. Other hostesses were: Mesdames D. C. Walsler, J. B. Noland, Ray Johnson, L. H. Lookingbill, Chas. Noland, L. E. Lookingbill, Earl Lance, B. E. Roberson, J. C. Clearman, Jack Streun and Kenneth Neill.

The refreshment table was done in blue and white to carry out the bride's colors with daisies predominating in the floral decorations.

Betty Walsler, sister of the bride, and Kay Morse of Ft. Worth, cousin, served the cake, and Carol

Walsler served punch. Sue Olson presided at the guest book.

Musical Entertainment
Nancy Story, Bettie Noland and Ann Lookingbill provided musical entertainment during the calling hours.

Those attending were: Mesdames Richard Rice of Cheyenne, Okla.; B. E. Roberson, John Patton, C. J. Crump, S. L. Walsler, W. C. Osburn, J. L. Lookingbill, and Ruth Adams of Hereford; Mrs. Glenn Robinson of Black, and Mesdames Clifton Harper, Reece Dawson, C. R. Walsler, Melvin Rainey, Earl Lance, A. A. Simon, Carl Lee, Carlyle Sargent, Delbert Bainum, J. R. Euler, O. B. Roberson, George

DeLozier, L. J. Counselman, Lee Curry, Frank Huckert, Jack Streun and Guy Walsler.

Misses Ann Lookingbill, Nancy Story, Bette Noland, Shirley DeLozier, Mary Katherine Huckert, and members of the house party.

PERSONALS
Miss Mamie McLean of San Antonio is a guest in the home of her brother, John McLean. She was accompanied to Hereford by Mrs. Wm. F. McLean and children of Austin who are also visiting in the McLean home.

Mr. and Mrs. Buddy Drury and family, of Midland son of Mrs. E. F. Drury, arrived Wednesday morning to visit while Buddy helps work on the new Mode-O-Day Shop.

Mrs. Owen Neel is visiting this week in the home of her mother, Mrs. J. W. Vick and other relatives.

Wallace . . .
(Continued from Page 1)
vice facilities for their customers as well as a larger and better showroom. The Wallace Buick people will also take over the Hereford Body shop and Used Car lot.

Temporary Location
The Hereford Motor company will move temporarily to the West Highway 60 location being vacated by Wallace Buick. However, they have plans underway to build a new building in the near future.

The Hereford Motor company will be open for business in the new location on July 1, also, according to Bill Schulte, manager.

Betty Buse and David Self, Hereford students, who have been attending a Junior Red Cross training camp in Morrilton, Ark. for the past two weeks, are due to arrive in Amarillo this afternoon. The two will use their training to help further Junior Red Cross work in Hereford.

Hereford's municipal swimming pool had 398 attending Sunday.

Theta Rho Girls Win State Honors
Twelve members of Carnation Theta Rho Girls and three sponsors attended the state convention in Wichita Falls the past week end. They were also accompanied by two Junior Odd Fellows - Walter Kaul and Kenneth Matthews.

Rosemary Young was installed as state president and Mary Ruth Strange as right supporter to the president. Margie Ford was appointed on the state by-laws committee.

In the individual charges, Mary Ruth Strange won the highest award in the group. Neldean Flowers placed second in giving the president's charge and Rosie Young second place in giving the vice-president's charge.

Certificates Won
In the chaplain's charge, Rosie Young and Kay Jowell won certificates for giving the chaplain's charge and the Hereford team scored third in team work. Borger was first and Wichita Falls second.

Hereford girls attending were: Neldean Flowers, Mary Ruth Strange, Kay Jowell, June Marian Smith, Wynogene Sowell, Rosie Young, Annie Young, Margie Ford, Janelle Price, Treva Smith, Doris Turner and Rqyda Boyd.

Sponsors accompanying the group were Mrs. Charlotte Calvert, advisor, Mrs. Ola Hacker and Mrs. Pauline Lady.

Radio Show About People Under Reds Is Set For Plains
Two seven-series radio shows, one in Amarillo and the second in Lubbock, are to acquaint the South Plains and Panhandle people with "People Under Communism."

The series are part of the Adult Education Program and the Adult Education Center of the City of Lubbock.

Dr. Per G. Stensland, head of the program at Texas Tech, has announced that station KFYO, Lubbock, (790), would start the seven-program series at 7:30 p.m. Wednesday, June 17, and would broadcast a 30-minute program each Wednesday through July 29. Station KGNC, Amarillo, began the series at 11:30 p.m. Saturday, June 13.

Grant From Ford
The series are produced by the National Association of Educational Broadcasters under terms of the grant from the Fund For Adult Education of the Ford Foundation.

Another series "People Act" has been broadcast in Borger, Pampa, and Floydada, and the third series "Jeffersonian Heritage" was broadcast in Lubbock, Odessa and Pampa. A fourth series "Ways of Mankind" is on the schedule for other stations in West Texas.

Covered Dish Super Held At Presbyterian Church
A covered dish supper was in the Presbyterian Fellowship Hall Monday night at 8 o'clock.

Following the supper, the group sang folk songs, and played bridge, canasta and pinochle.

Hosts For Occasion
Hosts for the occasion were Mr. and Mrs. Steve Clements, Mr. and Mrs. Charles Hill, and Mr. and Mrs. Ronald Davione. There were approximately 30 persons present.

The suppers, which are monthly meetings sponsored by Russell Wingert's Sunday school class, will not be held during July and August.

Jumbo News

By Mrs. Bill Simpson
About 130 people from 12 different neighborhoods gathered Monday night at the Jumbo Community Center for an area meeting. Representatives from Sunnyside and Jumbo told what they had done in the previous year and what they planned for the coming year in the Rural Neighborhood contest. Prio, Wyche, Sunnyside, Jumbo 4, Jumbo Home Demonstration Club and Jumbo Community club each had either a skit or song for the program after which T. C. Richardson, Texas editor of the Farmer-Stockman and founder of the Rural Neighborhood contest, gave a short address. He said that since the rural schools had consolidated there was a great need for rural neighborhoods to get together and have a common goal. That, he said, is the purpose of the contest.

He also stated that whether you won a prize of money or not the community had gained something that could not be taken away and thereby had won anyway. He urged those communities present not entered in the contest to do so. After the program everyone was served home-made ice cream and cake.

Mrs. Jiggs Hartman and Denise of Hereford visited Thursday with her parents Mr. and Mrs. M. L. Simpson, Sr. Betsy Kay Simpson, daughter of Mr. and Mrs. Bill Simpson, returned home with Mrs. Hartman to spend the night.

Mrs. Dean Barden, Mrs. Bill Goodpasture, and Mrs. W. E. Clowds were in Canyon Tuesday to get canning pineapple.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed. Get sure but gentle relief when you are temporarily constipated. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, one of the finest natural vegetable laxatives known to medicine. Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings. Buy Dr. Caldwell's 30¢ size today. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

The men of the community worked two days last week fixing their baseball diamond and the flood lights for the playground. They also fixed another volley ball court.

Mrs. Bob Landers visited in Hale Center Tuesday. Wednesday she accompanied her mother, Mrs. Barrie Lewis, and her mother-in-law, Mrs. Arthur Landers, both of Hale Center to Lubbock shopping. Barbara Lewis and Patsy Beard-en of Hale Center spent last week with the Bob Landers, Barbara and Mrs. Landers are sisters.

Fishing Trip
Bob Landers and his dad, Arthur Landers, and Frank Davis of Hale Center went to Buchanan Lake near Brownwood fishing last week. The Jumbo Community club met Friday night. Ed McElroy, county agent, showed two films on cancer and literature on polio was distributed. Plans were completed for the meeting Monday night. Those present included: Mr. and Mrs. Harry Smith, Mr. and Mrs. M. L. Simpson, Sr., Mr. and Mrs. U. L. Lesly, and Mr. and Mrs. R. E. Ritch, Mr. and Mrs. Dean Barden, Mr. and Mrs. M. L. Simpson, Jr., Mr. and Mrs. Bill Goodpasture, Mr. and Mrs. George Pope, and Mr. and Mrs. Alan Richburg, Mrs. Virgil Lamb, Mrs. Bob Landers, Bill and Bob Dodd, Kenneth Hollums, Mrs. R. C. Bunn, Mrs. Addison Hunter, and Mr. and Mrs. W. E. Clowds.

Officers Entertained
Mr. and Mrs. R. E. Ritch entertained the Community club officers and committee chairmen and Ed McElroy and T. C. Richardson, Texas editor of the Farmer-Stockman, Monday at noon with a buffet luncheon. After lunch the group had a round table discussion with Mr. Richardson asking him questions about the contest. Those attending besides the guests were Mr. and Mrs. Dean Faiden, Mr. Mrs. Ben Collins and sons Bilv and Jack are visiting with her parents Mr. and Mrs. P. H. Dyer. She will be here until August. Her husband, Ben is in Salt Lake City, Utah finishing work on his masters degree at the University of Utah.

Mr. and Mrs. Dow Adams and Linda of Albuquerque visited over the week end Mrs. Adam's parents, Mr. and Mrs. M. L. Simpson, Sr. They came after their son, Gary, who had been visiting here for a week.

Mullins Gave Devotional At Fellowship Breakfast
A Fellowship breakfast was held Wednesday morning in the Methodist church. Bill Stanford led the group in a number of songs, Dave Alexander gave the invocation and G. E. Mullins gave the devotional. There were approximately 60 attending the breakfast. S. O. Wilson dismissed the group.

If you think it's hot around here you should try making a trip into the Mineral Wells country. We attended the Texas Press meeting there over the week end and coupled with the heat was a depressing humidity.

The hottest place we encountered, however, was perhaps Plainview last Sunday. We parked the car, went in to eat lunch and upon coming out found it absolutely impossible to hold to the steering wheel so intense was the heat. This is really the truth. Found out later that it was around 110 degrees there.

In addition to the heat, the most noticeable thing about the drive was the obvious spread of television. We went from Mineral Wells to Graham, on to Guthrie, Floydada, Plainview, Dimmitt and into Hereford. Never once did we get completely out of TV aerial territory. Dimmitt probably had fewer towers than any other point as compared with the number of houses. We started out in the Ft. Worth and Dallas broadcast area, went into Wichita Falls territory, then to Lubbock territory and finally into Amarillo territory. It is surprising how many antennas you see in the rural homes, too.

Ownership of a TV set is one thing you sure cannot hide. However, radio was once the same. Television got practically no mention on the Texas Press official programs. Everywhere people were talking about running greater and greater volumes of business—but showing less and less net profits. High salaries and wasted time were the chief factors attributed to this condition by speakers and by individual publishers. In other words, poor management.

At least one of the county commissioners has voiced an objection to our editorial last Sunday in regard to the placement of a radio in the sheriff's car. He says it was unfair in that it failed to point out that the county has one radio-equipped car, also that the county furnishes radio equipment for the State Highway patrol car, and the city maintains a radio patrol car. This gives three cars operating off the central equipment which, he says, the court feels

is sufficient. These things of course were not pointed out at the meeting, therefore were not printed. The county merely said they could not afford a radio for the car—and we were mostly wondering where the money went.

He also said the county previously paid mileage and expenses on the sheriff's personal car, but found it cheaper to own and operate the extra car as county property. Maybe we are just as hard-headed as the next fellow, but we still believe if the sheriff needs the car that it should be radio-equipped, especially in view of the present county investment in radio central station equipment. This, however, is just our opinion and like we told the commissioner, his opinion is the one which really counts. After all, the commissioners are the boys who take the oath of office and swear to spend some \$200,000 to the best of their ability in the interests of the people of Deaf Smith County. It's their job and they are responsible for every cent.

Marlin Gilliland dropped in to say he has been fishing and that he caught so many nice, big ones that he "only has to lie a little bit." He also advises, "don't take your boys with you—unless you want to get beat at the fishing game." Abe Martin is also talking about going to Colorado. Abe says, "we'll probably go to a lake, 'cause my son-in-law, James Edmondson, don't like to walk too much." Abe, of course, loves it.

A bunch of old timers were watching the demolition of the store front on the building formerly occupied by Cecil Wilkins and G. P. Owens. No one could remember when the building was constructed. However, it still has the "Orr Cleaners" sign on the front and is truly an old timer.

Sometimes it looks like a fellow can't win. No sooner did Bob Phillips arrive to handle the news job around here than several people began wanting to know when the Bull Column would be back in the paper. Mrs. Jessie Price was one of the first to put on the squeeze, then along came Hub Homer. Since Abe Martin's column, however, it is a little bit rough. He and Marshall Formby set a pretty fast pace. I understand, by the way, that Marshall is opening a law practice in Plainview. He is still interested in KPAN and the Floydada Station and will continue on the State Highway Commission. When he will find time to practice law, I don't know—but he probably will manage somehow.

These low calorie diets, which are being promoted to keep the feminine waists thin and lithe, seem to be having more effect upon the Hereford male population than on the ladies. This is the truth. Just take a look at Dub Reeves and Patsy Baker. Mere shadows of their former selves. I am starting "next week" and I would recommend the same for Hereford's new city manager, Cecil Massey. Bob Lawrence already indicates a lower calorie intake. The way things are looking someone could really cleanup with a low calorie business men's lunch—and I'll bet Jerry Albracht does it, too. Francis Hardwick is another guy who has dropped a lot of pounds. His son, Bill, was over here from Clovis Tuesday and remarked, "I hardly knew dad when I first saw him."

The general idea is to eat all you want, but watch the calorie content. Cut down on bread, potatoes, cream, gravies and sweets. Go heavy on lean meats, fruits; boil, broil and bake 'em—but never fry 'em. Also, it is a topnotch idea to check with your doctor, especially if you have any indication of heart trouble or high blood pressure. He will help you to take off pounds—and will definitely approve in most cases.

Have been hearing rumors that

We Guarantee the LOWEST priced RCA VICTOR "Super Set" to outperform the HIGHEST priced TV set of any other make!

STREU HARDWARE

main thing we need is a good, soaking rain to eliminate all of the lawn sprinkling. The water set-up was scheduled to be adequate until 1955—but perhaps it may have to be revamped sooner. They may even have to ask later for a water holiday, but not yet. One of the chief troubles seems to be balanced distribution between the north and the south areas of town. A bad fire and a low pressure create a hazardous combination. However, Hereford ran out of water this past week. City officials, however, say this is not true to their knowledge. The pressure got mighty, mighty low—but we still had water. The

they are trying to hold back reserves. So far the situation is bad, but not absolutely critical. Nothing like quite a few other towns in West Texas. Chief trouble is the exceptional demand created by the drought.

Like the kids said when we got back from Mineral Wells, "Boy, it's good to be home, even though you were gone only a couple of days."

PERSONALS
Mr. and Mrs. Virgil Morris and children from Heidelberg, Miss.,

were visitors in the home of Mr. and Mrs. Buck Green on Monday enroute to Cimarron, N. M., where Mr. Morris, as Scout Master, will represent the Heidelberg Boy Scouts for a week.

Mrs. Alwyn Savage and Sue left Tuesday evening to visit relatives in Shattuck, Okla., and Mobeetie. They will return Monday.

Dawn, Hardware Boys Tied For First Place

By Shelby Whitfield

Dawn moved into a tie with Hereford Hardware for first place Tuesday night by blasting Piggly Wiggly, 20-1.

The Knights of Columbus replaced REA as the fifth place team, as they crushed them, 19-2.

Both lopsided contests went only five innings due to the 10 run rule.

Two-Hit Hurling

The K. C.'s had little trouble behind the crafty two-hit hurling of Kenny Walterscheid. Walterscheid spun a no hitter for four innings before Jim Russell touched him for a double. Joe Alexander followed Russell with a single to drive in the second and last run.

Duane Albracht, Tony Urbanczyk and David Enders each clubbed four masters for the K. C.'s. Vince Walterscheid also collected three singles. Manager Russell gets the less for REA.

Three Singles

In the second game, Dawn also received superb pitching. Piggly Wiggly collected only three singles all night. They came off the winner Iley Barton. Johnny Winkler and Rod York followed Barton and pitched hit less ball.

J. Hagar led Dawn with three singles. Ed Lemmons, who scored four runs, smacked a homer.

Starter Homer Hershey is the loser for P. W.

Thursday night the all star game will be the first game of a twin bill. Summerfield will meet REA in a make up contest in the night cap.

Saturday night, Phillips 66 plays a double header with Starkey Packing Co. of Clovis at Vets Park.

Q. How can I clean white wicker chairs?

A. First, brush off all loose dirt; then wash with lukewarm suds, to which has been added a little salt, not wetting the chair any more than necessary. Rinse well with cold water to harden the wicker. The wicker may be hardened by using a little lemon juice in the rinse and drying out of doors. A chair dried near a hot fire usually creaks afterwards.

Westway News

The Westway Home Demonstration Club meeting which was postponed last Wednesday because of the funeral of little Gary Ohlig will be held at the home of Mrs. C. A. Saulcy next Tuesday morning, June 23 at 9 o'clock. All members are urged to attend the meeting. Mrs. Draper, CHDA, will give the demonstration.

Mrs. Joe Wagoner and daughters Gayle and Ann and Mrs. C. A. Saulcy went to Littlefield last Friday night to attend the dance recital of Mrs. Van Coltharp. Mrs. Coltharp, sister of Mrs. Wagoner, was formerly dance instructor at Hereford. She has been teaching pupils from Littlefield, Muleshoe, Earth, Dimmitt, and several other adjacent towns since moving to Littlefield.

Wool To New Mexico

Mrs. Abraham Drager and Geo. went to Roswell, N. M. last week to take a load of wool. Enroute they visited in the J. D. Shirley home at Fort Sumner, N.M.

Harvest began in this community last week. T. D. Alston harvested the last of the week. He reports an average of 35 bushels per acre. Jimmy Thomas started harvest Saturday and reports a probable 36 bushels per acre. Most of the wheat to be harvested in this community will be found in the irrigated section.

Johnny Kalka has a patch of oats which he cut with the binder last week.

Looking After Farm

P.M. Drever and his nephew of Chicago, Ill. are here to look after his farming interests at Westway Farm. Jimmy Thomas farms the Drever land. Mrs. Drever will come next week from Chicago to join her husband.

Mrs. Jimmy Thomas, Diedra, Dan, and Deborah attended a birthday party at the Luther Lesly home Monday afternoon honoring the fifth birthday of John Lesly.

Mrs. Merlin Kaul took Mrs. Vernon Burges to Amarillo Monday to visit her husband who has been a patient for the past two weeks at Veterans Hospital.

Phil, Lynn, and Tex Phipps, sons of Mr. and Mrs. J. S. Phipps of Amarillo are visiting in the home of their aunt and uncle Mr. and Mrs. Mayo Phipps.

Attended Convention. Walter Kaul accompanied Ben Conklin and Kenneth Matthews to Wichita Falls Thursday where they attended the Theta Rho and Junior IOOF Convention.

Mr. and Mrs. Ray Haltom of Crosbyton spent the week end here with her parents Mr. and Mrs. Roy Lee Wilson.

Ralph Morrison arrived home Friday night from College Station where he attended the 4-H Round Up last week.

Nathan Wilson came home Saturday from a week at Scout Camp at Camp Don Harrington.

Mrs. Glen Williams was honor guest at a "pink and blue" shower Friday afternoon at the home of Mrs. Merlin Kaul. Appropriate games and contests provided entertainment after which the gifts were presented in a small rocking chair.

A&M To Offer Beef Production Course

COLLEGE STATION — A short course in beef cattle production problems will be held at Texas A & M College during the week of August 17.

The course is designed for both commercial cattlemen and purebred breeders and will cover the various phases of breeding, feeding, management and disease and parasite control, with emphasis on some of the newer developments in the field of beef cattle husbandry.

Work with various breeds of beef cattle will be included and practice sessions will be provided. Nationally known persons in the beef cattle field will be brought in on the program as well as staff members of the Animal Husbandry Department.

Q. How can I destroy chiggers in the bushes and on the lawn? A. On the bushes, by the liberal use of sulphur, applied with a dust gun. On lawns, just by keeping the grass cut.

Several who were unable to attend the party sent gifts. Hostesses serving with Mrs. Kaul included Mrs. Jimmy Thomas and Mrs. Harold Head.

Came From Morton. Mr. and Mrs. Jack Mapes of Morton came Wednesday to attend the funeral of Gary Ohlig which was held Wednesday morning at the Catholic Church in Hereford. Many neighbors and friends of Leo and Dorothy from this community attended the funeral services.

Mr. and Mrs. Jack Mapes of Morton visited Thursday in the home of Mr. and Mrs. John Young. They were guests Thursday night in the C. A. Saulcy home.

A. A. Head spent several days last week looking after his cattle near Shattuck, Okla.

Ranch Vacation. Mr. and Mrs. Joe Landers and Ross Joe, R. M. Gunn, and Mr. and Mrs. Johnny Townsend, Patsy, Sandra, and Terry went to the Landers Ranch near Las Vegas, N. M., Friday where they vacationed until Sunday.

Melba Gay Lawrence, Mrs. W.B. Nunley, Jackie, Rickie, and Ronald Lloyd were visitors in the Elmore Combs home Tuesday afternoon.

Mr. and Mrs. Eugene Wood and family of Ft. Smith, Ark., and Mr. and Mrs. Dale Martin of Des Moines, Iowa are visiting in the home of Mr. and Mrs. Charles Fox and Mr. and Mrs. F. J. Knabe and family.

Judy and David Henry of Lexington, Okla. are visiting their aunt Mrs. Leroy Aven.

COWAN JEWELRY

Real Estate Board Reports

Things are surely looking up at 317 and 319 Main Street. This is the old Collins Building formerly occupied by Wilkins Barber Shop and Acme Cleaners. Verle Powell is remodeling the building. . . new roof, new floor, 9' ceiling, new front and all the trimmings. The new occupant will be the MODE

O'DAY FROCK SHOP which is a national organization. The Stores, however, are owned locally and our new owners here will be Mrs. E.F. Drury and Mrs. Verle Powell. We wish them every success in their new venture and their new store is a welcome addition to Main Street.

Charlie Roberson has done more single-handedly to improve the appearance of our through Highway 60 than any other man in Hereford. Every one of the Flowers. . . and all of the trees. . . the nice grass plots down on Railroad property at the end of Main Street is Charlie's handiwork. We have a little project in the mill right now to have a Statue of Erastus 'Deaf Smith' made to put on the nice lawn west of the Station and on the corner of South Main and the Highway. . . I'm sure Charlie will help us keep it once we get it installed.

Made a bust the other day. . . said the B&PW Club had helped with the Hospital Grounds and seems that it was the Garden Club who raised the \$500.00 that started the whole thing off. There are two clubs in town and the one that did the Hospital work was The Home Beautiful Club. . . Mrs. DeWard Roberson, President. The Hereford Garden Club has done much to help in our city parks and a wonderful job too. . . Mrs. M. T. Rutter, President. Still. . . maybe our mistake wasn't so bad. . . perhaps the B&PW Club will have to come through with something for the Hospital to live up to the credit they have been given.

Emory Smith who lives down between Hereford and Dimmitt has one son. . . Gene. . . in Korea. Emory's other son. . . Bob. . . is moving back to Texas after living in California in the Long Beach area for several years. They will live in Amarillo where Bob will do sheet metal, air conditioning and heating work.

Hospital Notes

Patients in Hospital
Mrs. Ed Dzuik Jr., OB; Mrs. Ernestine Ranerez, OB; Mrs. Todd Herrington, OB; Michael Kemp, med.; Gwynne Owen, acc.; Mrs. G. A. F. Parker, med.; Mr. H. I. Nickerson, surg.; Mrs. O. A. Alexander, med.; Charles Rudd, med.; Steve Faulkner, surg.; Bill Blackwell, ortho.; Mrs. Tom Robinson, surg.; Mrs. H. R. Lee, OB; Gary Crum, surg.; Nancy Kay Jackson, med.; Mr. Mike Betzen, med.; and Mrs. A. C. T. Finley, OB.

Patients Dismissed
Oliveras Reyes Trenida, med., 6-15; H. E. Wright, med., 6-15; J. B. Sneed, Jr., med., 6-14; Mrs. Glenn Boardman, med., 6-14; Mrs. Jose Rodriguez, OB, 6-14; Mr. J. D. Bruner, T&A, 6-16; Mrs. E. F. Bucklew, med., 6-15; Mrs. John Henderson, surg., 6-15; Mr. Allen Hughes, surg., 6-15; Sidney Urbanczyk, med., 6-14; Juan Frasto, med., 6-14; Richard Wright, surg., 6-16; and Mrs. F. L. Bridges, OB, 6-15.

Births
A son, to Mr. and Mrs. Todd Herrington, 6-14; a son, to Mr. and Mrs. Cruz Ramirez, 6-16; and a son to Mr. and Mrs. Ed Dzuik Jr., 6-16.

Jack McLaughlin Pontiac

Lions Return From Conclave

Eleven Hereford people, including past district governor John McLean and Mrs. McLean, attended the Lions Club combination District 2T-1 and state convention which began Friday in Borger and continued through Sunday noon.

Others attending the convention were Bruce Miller, zone chairman for Hereford, Friona, Happy, Dimmitt and the Amarillo Downtown Lions Club, Harold Close, Mr. and Mrs. Cleo Meharg, Dub Reeves, Mr. and Mrs. Gaylord E. Mullins, Homer Brumley, Harry Cayler, and the Hereford Lions Club Queen Miss Gayle Foster, accompanied by her mother, Mrs. Ira J. Foster, Olton.

Tech Co-ed Won

"There were 42 girls in the district queen contest," Miller, who was district chairman for the contest, said. "It was won by Patsy Haws, Wolfforth, a Texas Tech co-ed."

As a publicity stunt, HJEDLY Lio Club sent a delegation to the convention in a covered wagon and made a bid for the 1954 international convention, though they withdrew the bid later.

Featured on the general program were speeches by Herb Petry Jr., Carrizo Springs, past president of Lions International, and Joe Fisher of Jasper, Tex. Fisher is now a member of the international board of directors.

Meeting Highlights

Highlight of the meeting was the district governors banquet on Saturday where International Lions vice president E. S. Dodge, Detroit, gave the principal address, speaking about Lionism.

Dodge will take over as president on July 1.

Lion Joe Phillips of the South Amarillo Club was announced as the new district governor, and the queen was crowned.

Miss Haws received a Paul Revere sterling silver trophy to keep, and the president of the Wolfforth's Lion's Club, received the queen's bowl which the club will keep for one year.

(Continued on Page 2)

"THE BABE" WASHES UP -- Babe Zaharias smiles as she washes the hood of the Zaharias' new Cadillac during a visit to the R. O. Bowen home in Fort Worth. Once the world's greatest woman athlete, Mrs. Zaharias is now recovering from a cancer operation.

66 Team Drops Clovis Games

Phillips 66 dropped two games to the Starkey's Packing Plant team of Clovis there Saturday night when they went up against "such pitching as they hadn't seen before."

The packing plant team won the first game 7-0, the second 6-5. Pitchers for Clovis were Ox Lewis and John Starkey.

Packers Took Lead
Clovis took the lead in the first inning of the first game with two

runs, made another run in the second, two more in the fifth, and topped off their scoring with a homer over the left field fence in the top of the sixth.

David Miles was pitching for Hereford, and Rex Lee catching. In the second game, the packing house gang held Hereford 4-0 for the first three innings, then made two runs in the fourth to bring the score up to 3-0 against Gerald

REA - SUMMERFIELD GAME TO FOLLOW MAIN EVENT

Two All-Star Softball Teams To Hold Game Here Tonight

WEEKLY EVENT WILL CONTINUE

Tag Team Match Scheduled Saturday Night At Arena

There will still be wrestling every Saturday night at the Bull barn in Hereford, Guy Lawrence, wrestling promoter, announced today.

Last week it was announced that the matches would be cut to every other Saturday night because of the lack of wrestlers in this circuit during the summer months, however Lawrence received word this week that the matches will be able to go on as usual.

On The Docket
On the docket for Saturday

night is a tag team match with Dory Funk and Jack O'Reilly versus Billy Weidner and Roger Mackey.

The card will get underway with a one fall-20 minute affair between the Amarillo strongman, Billy Weidner and Buffalo Lake's Dory Funk.

Second event of the evening will be another 1 fall-20 minute match this time between Roger Mackey of Salt Lake City and Jack O'Reilly of Sidney, Australia.

FOIBLES

By Kent Snare

A duff of the skimmer to Harry Gilstrap for his phrase of "ouchy alternative" in his Sunday column about the relenting of the North Central Association on their get tough policy anent athletic scholarships. Being a bit on the parsimonious side when it comes to dealing out praise, I fingerbone the possibility that this phrase could have emerged from a skuller by somebody.

Personally, I don't think too many coaches were driven to drastic measures by the talked of iron-fist clamp-down on athletic commitments for the woods and byways have been infested with scouts for years and still are. However, I can think of one mentor who probably is sleeping better now and that would be Bowden Wyatt, now of Arkansas U. and late of Wyoming U. which footballer team he put on the competitive map and he did it by rustling ball players from here and there, far and wide.

He even enticed some from Tennessee, thereby antagonizing Bear Bryant and others, not including the General who used few natives on his Tennessee team. The reason for his sigh of relief is, that Arkansas is a member of the North Central Crediting Association, and the only member of the SWC, who is so burdened. I am not advancing the idea, that the only reason the Arkansas football club usually haunts the conference cellar, is that it belongs to the NCA, but it is a contributing factor, or has been, since the rumor has been running rife.

Fancy and Plain

No one has the naivete, especially an oncoming and self-sustaining athlete, to sign a letter of intent to a school that faced the exigency of not being able to provide the stadia filling corps, with bed, bread and butter, plus jam on winning occasions. This upcoming SWC season will be interesting, as always, but the quality, with the exception of Texas U., unless Baylor magichants an offensive line up front for Coody, Dupre and the Jones Boys will not be awesome. The Longhorns, who to date talk mostly about what system they will employ and who will be quarterback, probably with their personnel could use the one, two, three, kick Gasper formation of the Rangerettes and still run off and hide from the rest of the conference pack.

Course just using a like system to the Rangerettes would not elevate them to the same pulchritude level, which naturally is unnecessary, as they fill the paying space pretty well as it is.

Mike Michalske is to coach the Texas Aggie line and that he will do well. His successor at Baylor, (Continued on Page 2)

Delayed Celebration Held At Hanna Home

Sunday a delayed birthday party was held at the Grant Hanna home for Mauriee Howell. His birthday was last month, but he had to be out of town on that particular date.

Those present for the party included Pete Carmichael, and Mr. and Mrs. Virgil Dodson.

Howell celebrated his "birthday" by helping milk the cows and crank the ice cream freezer.

Roy Bickford In Hereford Handling Crop Insurance

Roy Bickford of Nocona, Texas is in Hereford for several weeks selling crop insurance on the 1954 wheat crop.

Bickford, formerly of Hereford, is staying with the Haskell Bensons during his stay in Hereford.

He will be in Hereford handling Federal Crop Insurance until August 1.

Riders Club To Take Part In Tucumcari Festivities

Approximately 18 members of the Hereford Riders Club were scheduled to leave Hereford this morning to attend the Tucumcari Rodeo and parade.

The group was to leave Hereford about 9 o'clock in order to be in Tucumcari for the parade which is scheduled for 3 this afternoon. The parade will open the Tucumcari celebration.

ATTEND PENWOMEN MEET

Mrs. E. L. Naugle, Mrs. Bessie Patterson and Miss Roberta Campbell attended the quarterly meeting of the Panhandle Penwomen club in Amarillo Tuesday.

Players from all seven teams in the local league will take part in an all-star game which starts at 8 o'clock tonight at the ball park.

On the East team, Dawn, Phillips 66 and REA will be represented, battling a West team composed primarily of softballers from Hereford Hardware, Summerfield and the Knights of Columbus teams.

Two From Piggly Wiggly
Two players for each of the all-

star teams will be furnished by Piggly Wiggly, which is in the cellar.

Each team represented on the all-stars will furnish a pitcher and catcher for three innings of the game, while other players will be used as needed, rather than according to a set schedule, according to Wendell Burdine.

Hurlers and back-stoppers for the East team will be Iley Barton, pitcher and Ed Lemons, catcher, from Dawn; David Miles, pitcher and Rex Lee, catcher, from Phillips 66; and Jimmie Russell, pitcher, and Richard Pickins, catcher, from REA.

Other Players

Other players are: Dawn—Jackie Burris, Walter Lemons and Johnnie Winkler; Phillips 66—Bub Sparks, Reuben Knox and Tim Corbett; REA—Francis Hunt, Sam Woody and Troyce Riddle; Piggly Wiggly—Lynn Bybee and Ansel Greenway.

Three inning players for the West team will be C. A. Shanks, pitcher, and Bill Howard, catcher from Hereford Hardware; Horace Baize, pitcher and Bill Lookingbill, catcher, from Summerfield; and Kenneth Walterscheid, pitcher, and Jimmy Combs, catcher, from the Knights of Columbus team.

For West Team

Other players for the West team are: Hereford Hardware—John Kelly, Stan Barrett and John Renner; Summerfield—L. J. Clark, Kenneth Neal and Roy Botkin; Knights of Columbus—Will Stengel, Duane Albright; Piggly Wiggly—Homer Hershey and Richard Tucker.

After the all-star game, the REA—Summerfield game, which was rained out May 21, will be played, thereby rounding out a full evening of baseball for the fans.

Mackay Takes Main Wrestling Event Saturday

Jack O'Reilly and Roger Mackey were the winners in the Lions club wrestling matches Saturday night.

The first event, two out of three falls, one hour time limit was between Dory Detton of Amarillo and Jack O'Reilly of Sydney, Australia.

Detton won the first fall in 16 minutes with a body jackknife. O'Reilly the second in nine minutes and the third in six with a reverse toe hold and a face bar.

Backslide Wins

The main event was between Roger Mackey of Salt Lake City and Dory Funk from Umberger.

Mackey won the first fall in 17 minutes with a body jackknife and Funk won the second in five minutes with a top body press following a series of knee drops to the throat. Mackey won the third fall in six minutes with a backslide.

FUDGE VISITS FATHER

Mr. and Mrs. Don Fudge visited in Amarillo Sunday with his father, who was injured recently in an auto accident.

Crowe-Gulde Cement of Hereford

We will go to the country with our cement trucks.

What is the most valuable thing General Electric ever built?

Is it the jet engine? In 1942, General Electric gave America's air arm its first jet muscles. Would you say that is our most valuable product?

Or would you elect the fluorescent lamp? We placed the first ones on sale in 1938. With the growth of fluorescent lighting Americans are using 3 1/2 times more light than even 10 years ago.

Maybe you would say our star performer is the steam turbine. All you do is flip a switch, and a turbine somewhere instantly responds to provide the power to pump for you, or push or lift.

How about x-ray? Your doctor holds a negative up to the light and peers at bones he says are really yours. Who can say how many lives the x-ray tube has saved?

Important as these products are, more valuable to us—and to you—is something these products have helped to build. Something born quietly in 1878, when electricity was still a curious toy. And something that has grown steadily through the years.

The most valuable thing we ever built is your good will. For your year-after-year confidence in the things we make has given us the means to serve you better. Better engineering, research, manufacturing—all have come from your belief in us. It returns to you in a constantly improving and expanding way of life.

You can put your confidence in

GENERAL ELECTRIC

Dawn News

By Bertha Frye

Several of the farmers in the vicinity of Dawn have begun harvesting their wheat crops. The yields are reported good.

Pat C. Miller surprised his parents, Mr. and Mrs. H. H. Miller with his unexpected arrival home on furlough last Wednesday. Captain Miller has been serving with the United States Army since last July as a member of the 83rd E.A.C.

On Way To Oregon
Visitors in the Lloyd Bentley and H. Miller homes last Thursday night were Mr. and Mrs. Glenn Wiloughby and Robert, formerly of Clovis. The Wiloughbys were enroute to a new home in Oregon.

Ginger Smith is having to remain in bed as the result of severe bruises received in a fall.

Attending the Vacation Bible school at the Lutheran church in Hereford this week with Mr. and Mrs. R. A. Frye are Steve and Charles Parker, Audni and Jon David Miller.

Returns To California
Mrs. E. C. Gaylor, who has been visiting in the home of her son-in-law and daughter, Mr. and Mrs. Melvin Gill, returned to her home in Long Beach, Calif.

Mrs. Clifford Stewart, Dorothea and Buddie visited in the Jess Dodson home in Canyon Thursday.

Mr. and Mrs. John Wilmoth and daughter of Canyon were dinner guests Thursday evening in the home of Mr. and Mrs. Charles Corder.

The Rev. and Mrs. Daniel Schorler and Mrs. Stottenberg of Amarillo were visitors in the H.H. Miller home on Tuesday.

Bridwell Ranch Visitors
E. M. McMill spent Saturday and Sunday with friends on the Bridwell Ranch near Adrian.

Mrs. Louis Wedel and Karl of Tucumcari and Miss Vera Crawford of Canyon were visitors Monday night in the H. H. Miller home.

Mr. and Mrs. Melvin Gill and children Lanny and Terry Ann, and Mrs. E. C. Gaylor returned from a recent trip to Ardmore, Okla.

Mr. and Mrs. Clifford Stewart and children were supper guests Tuesday night in the home of Mr. and Mrs. Henry Hamblin at Wayside.

Mr. and Mrs. Charles Corder visited Friday in the Fred Phelps home in Clovis.

66 Team...

(Continued from Page 1)
Wilson's pitching, with Bill Howard backing him behind the plate.

Phillips Struck Back
The Phillips boys struck back in the first of the fifth and made two runs, but Clovis bounced back with three more runs to clinch the game.

Hereford clouters brought in three more runs in the fifth, but failed to score after that against the packing house nine.

Household Scrapbook

By Roberts Lee

Frosted Glass

To give glass a frosted appearance, cover it with a mixture composed of six ounces magnesium sulphate, two ounces dextrin, and 20 ounces of water.

Bread

When making bread, the crust will be a rich, golden brown, if the top is wet with milk before putting it into the oven.

White Stucco

Scrub white stucco with a fiber brush and a solution of soap and water. If this does not prove effective in removing the dirt, try a mixture of one part of sulphuric acid to seven parts of water. After scrubbing with this, rinse with cold water.

Mildew on Shoes

Mildew sometimes forms on shoes that have not been worn for a long time. Remove it by rubbing the spots with petroleum ointment. After a little rubbing, the marks will disappear.

Oranges

If it is desired to keep oranges, dry them thoroughly with a cloth, wrap each one separately in waxed paper, and place in a box. They will keep for weeks.

Brushes

Hairbrushes will be as clean as when new if rubbed with half a cup of salt and flour in equal proportions. Rub into the bristles thoroughly and shake out well before using.

Scissors

It is a simple task to sharpen the scissors. Merely cut out sandpaper with them until a sharp edge is acquired.

Rancid Butter

Rancid butter can often be freshened if broken up and put into fresh milk. Allow it to absorb the milk, drain thoroughly, then wash in cold salted water and work it again into the desired form.

Renovating Leather

To renovate leather upholstery, and remove the greasy looking marks from its surface, try the following: Boil half-pint of linseed oil and let it stand until nearly cold. Then pour in half a pint of vinegar. Stir until well mixed. Bottle this solution. To use, put a few drops on a flannel duster and polish with a soft cloth.

Summer Drink

To make a good summer drink, add a quart of ginger ale to a quart of fruit sherbet and beat up for a minute with an egg beater. Then quickly pour into tall glasses very cold, and add some fresh mint leaves.

Accident Causes \$300 In Damages

Damages estimated at about \$300 resulted from an accident about 9 o'clock Sunday night 15 miles north of Hereford on Highway 51 at the intersection of the highway with the County Line road, according to the Texas Highway Patrolman who investigated the accident.

A 1937 Chevrolet coupe, driven by Claude Randolph McAdams, was going south on Highway 51 when it sideswiped a 1951 Buick sedan driven by Mack Jackson of Route 4, Hereford at the intersection.

Charges of driving while intoxicated were filed against McAdams, who plead not guilty in Deaf Smith County Court.

The case is now awaiting a jury trial.

Personals

Mr. and Mrs. C. B. Thomas, Mr. and Mrs. Thurman Atchley, and family, W. L. Suttle, George Springer, Mrs. C. M. Wade and Mr. and Mrs. W. E. Hawkins from Lamesa attended a reunion of the Atchley family in Roaring Springs Sunday.

Mr. and Mrs. Horace Johnson of Cleveland, Tenn., have been visiting her sister, Mrs. Lawrence McGee.

Stan Staples of Brownfield visited in the Elmer Patterson home Sunday.

Mrs. Richard Rochester and son, Donny, of Boys Ranch Farm are visiting her parents, Mr. and Mrs. O. C. Cummings.

Mr. and Mrs. D. E. Brumley have gone to Denver to visit their son and family, Mr. and Mrs. Cal Brumley.

Mr. and Mrs. E. D. Hopson and daughters Randy and Dawn, spent Sunday in Amarillo. Randy attended the "Uncle Pat and Aunt Phyllis" show. It was her fifth birthday.

Nancy and Gerry Patterson, Stan Staples, and Willie Earl Waits visited in Canyon Sunday. They attended church in Canyon at the Church of Christ, then went to Palo Duro Canyon for a picnic lunch.

Foibles...

(Continued from Page 1)

Bulldog Turner, will do likewise, hopes Sauer. The demise of the two club cities in major league baseball is one of the topics of the day and an ever welcome filler for the wretches of the press, but have you ever thought of the dilemma facing Houston. Rice is an athletic standstill for the moment and Houston U. is trying to bust its britches, athletically and attendance-wise, too.

Just recently, Houston U. signed a long term binder to use Rice's outside stadium and what if they fill it consistently and completely in a guise to exceed the efforts of the Owls? The dollar signs might get into the eyes of the other SWC clientele and obscure Rice's seniority and its voting allegiance, too.

Houston U. baseballers got into the NCAA playoffs this lap along with Texas U., and that in itself will pivot some sports heads in their direction. The Cougars are looking over the hedge football-wise, also, for they are dickering with the Irish for some games and probable will get 'em. Leahy is putting on his customary pre-season wake type howling that pre-sages trouble untold for Notre Dame's opposition this year. Anytime Leahy moans this loud, this early, drag the planks in boys, 'cause the boat's loaded.

Hereford...

Buttermilk Bar
"Wolforth added to the general fun at the convention by setting up a hospitality bar complete with a buttermilk bar," Miller said.

Among special guests at the convention was Miss Margaret Wood of Spur, queen of the 1951 district convention at Hereford.

For his work as chairman of the queen contest, Miller was presented with a leather billfold and fountain pen desk set. Mrs. Miller received a brooch.

4-H Dress Revue Awards Program Okayed In State

The National 4-H Dress Revue award program has been approved for 1953 by the State Extension Service.

In this program, which is open to all girls participating in the 4-H Clothing program, members learn to dress appropriately in keeping with a well-planned family budget, and to develop poise, proper posture and habits of good grooming.

Large Enrollment
The popularity of this program is reflected in the enrollment of girls last year, which totaled 669,259. Simplicity Pattern Co. provides awards of honor medals to county blue award winners and an all-

expense trip to the National 4-H Club Congress in Chicago next November to the state winner.

Each state winner participating in the national presentation at the Club Congress will receive a leather-cased scissors set.

County Extension Agents will furnish complete information concerning these programs.

Mr. and Mrs. L. H. Lane left Tuesday morning for Savannah, Mo. where Mrs. Lane will take treatments at the Nickles Sanitarium.

Mr. and Mrs. O. D. Jones from Borger visited in the home of Mr. and Mrs. Charles Lane last week end.

Certificate of Distinction

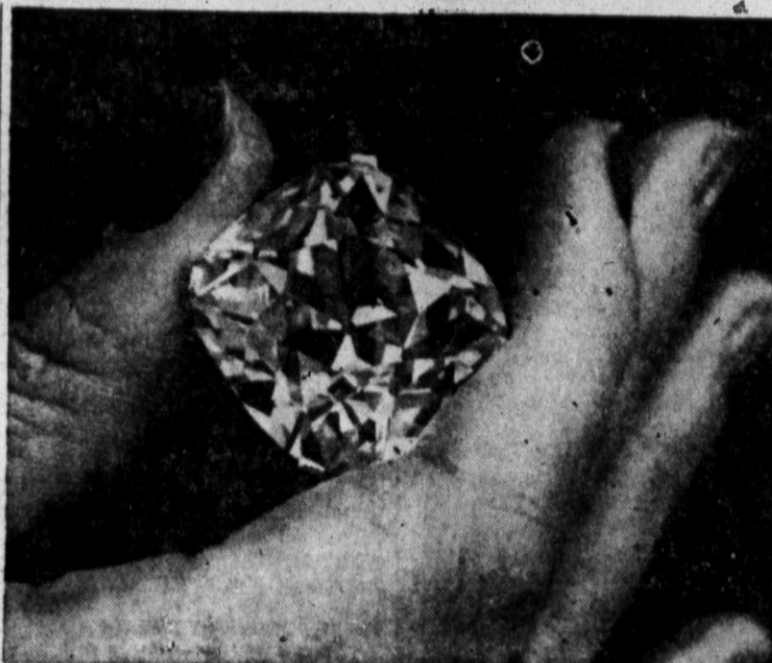

More than 2,100 independently owned Ben Franklin Stores—affiliated with Butler Brothers—were recently honored with official recognition for outstanding work in presenting brand name merchandise by the Brand-Names Foundation.

We're proud of this award . . . and realize such recognition is only possible by offering brand name products that bring you the greatest satisfaction. And your satisfaction measures our degree of success.

We all benefit from reliable makers' brands . . . quality-wise and price-wise. That's why we always feature them. Next time you shop Ben Franklin . . . ask for your favorite brand by name and better your brand of living.

BEN FRANKLIN

FORMER CROWN JEWEL — The enormous size of this 84-carat diamond, once belonging to the Czar of Russia and recently in a special exhibition of famous gems at Arthur A. Everett's Jewelers, Dallas, makes its brilliant clarity and freedom from imperfections particularly remarkable. More than \$1,000,000 worth of rare gems were featured in the exhibit.

Summerfield NEWS

By Mrs. Guy Walser

There were 98 attending Sunday school and church Sunday morning. Hollis Walser brought the morning message and Wayne Lee brought the evening message. There were 85 present Sunday evening.

Mr. and Mrs. Bill King and family of Lamesa spent Friday and Saturday in the home of Mr. and Mrs. J. C. Clearman.

Britt Clark returned last week from Colorado Springs, where he visited with his son, Harold and family. He was accompanied by Mr. and Mrs. Jim Clark, Leaton and Richard of Hereford.

Mr. and Mrs. Travis Yates of Phoenix, Ariz., visited in the home of her parents, Mr. and Mrs. H.G. Behrends, last week.

Miss Nan Longbottom left Sunday night for Austin to attend Girls State. Nan is the daughter of Mrs. Perry McMinn.

Kenneth Clearman is visiting friends and relatives in Lamesa this week.

Mr. and Mrs. Johnny Fields of Temple spent the week end with their parents, Mr. and Mrs. J.M. Wright and Joe and Rev. and Mrs. H. V. Fields.

Mr. and Mrs. Wayne Lee and children of Springlake spent the week end with their parents, Mr. and Mrs. Carl Lee, and Mr. and Mrs. Carter.

Miss Betty June Euler attended the Presbyterian camp at Albuquerque last week.

Mrs. Kester Durrant and daughters of Brownstown, Wash., are visiting her parents, Mr. and Mrs. H. G. Behrends.

Misses Sylvia and Dorothy Grounds of Oklahoma City were guests in the home of Mr. and Mrs. Ray Euler last week end. They are sisters of Mrs. Euler.

Linda Kay Noland entertained a group of her friends Sunday night with a slumber party. Those present were: Nelda and Billie Jean Barnett, Kay Morse of Ft. Worth, Betty Walser and Ann Lance.

Jessie Joe Wright spent Monday night with his grandparents, Mr. and Mrs. E. B. Wright of Dimmitt.

Mr. and Mrs. Arson Jackson and children spent the week end in Slaton with relatives and friends. The Jacksons lived there before moving on to Blanton place south of Summerfield.

Dale Carter spent the week with his sister, Mrs. Wayne Lee and family at Springlake.

Several of the farmers that have wheat have been cutting this week and the farmers are all wishing for rain and the row crops are needing it. Potatoes are being sprayed for insects.

Farm Bureau Is Offering Gasoline Form Service

Gas tax refund forms are now available at the Farm Bureau office, according to Maurice Howell, service officer.

Howell says that the Farm Bureau office will handle the forms without charge for any farmer or rancher who wishes to ask for the service on tractor gas refunds.

Beauty at Home

By Lynn Carter

Q. What treatment can I follow to help remedy overly-dry hair?

A. Very important is regular brushing, which stirs up the scalp functions. Dry hair is caused by the same conditions that cause dry skin—tension, underweight, under-nourishment, and underactivity of oil glands. Brushing pulls at the hair follicles and activates the scalp and helps improve a dry condition. You can also brush in a hair-and-scalp oil to assist nature.

Q. How can I treat whiteheads on my skin?

A. Try making a paste of almond meal and warm water, and applying to the infected areas and allowing to dry. Then scrub with circular motions, using a clean terry cloth towel or wash cloth. Rinse skin with warm water, then splash with cold water.

Q. How can I keep myself 'fresh' during the hot summer months?

A. Use cologne all over the body after a bath or shower. It also may be rubbed over the throat and hands after washing.

Q. How does one apply makeup to correct irregular facial features?

A. Your foundation cream can make small features more prominent and large features less noticeable. A good rule is to put a dark shade on the features you want to minimize, and a lighter shade on the rest of your face. Dark makeup cuts down large features, while light makeup builds them up.

Q. What can I do to discourage "summer freckles"?

A. You can try this mask: Mix the white of one egg with the juice of a lemon, blend enough almond meal to make a thin paste, and spread over throat, face, arms, or wherever freckles gather. Leave until dry, then rinse away with clear, warm water.

Q. What is a quick way to repair a fingernail that has split?

A. Just use some nail cement, and face tissues, or the sheer linen of an old handkerchief.

Q. What is a quick, mild and safe bleach for superfluous hair on the upper lip, legs, and arms?

A. Lemon juice is often effective for this purpose.

Q. What type of hair-style is best for the square-faced girl?

A: To add the needed height to her face, she should wear curls or soft waves above her brow. She should brush her hair up and back at the sides, and avoid a flat top.

Q. How can I exercise for firmer arms, shoulders and bust?

A. Stand in good-posture position and hold your arms straight out at sides, shoulder-level. Make ever widening circles with your outstretched-arms, doing five one way and then reversing for next five.

Q. How can I remove tartar from my teeth?

A. Try rubbing some lemon juice and pumice stone over the teeth with a piece of cotton wound around an orange stick.

Personals

Mr. and Mrs. J. B. Harlan, Jr. left Tuesday to return to their home in Denver. They visited his parents, Mr. and Mrs. J. B. Harlan Sr. for the past two weeks.

Mrs. P. G. Clay from Tacoma, Wash., visited her daughter, Mrs. I. H. Willoughby.

Mrs. J. H. Field and family of Atlanta, Ga., were here visiting her brother, Mr. I. H. Willoughby.

Brice Kelly from Salida, Colo., visited friends in Hereford Tuesday.

Mr. and Mrs. R. W. Sparks and family are visiting in Salida, Colo., with Mr. and Mrs. Roy Yeatts.

Mr. and Mrs. Jack Walker and family from Faith, S. D., visited their son-in-law and daughter, Mr. and Mrs. Erving Robinson, Jr.

Mr. and Mrs. Bill Githens and family from Graybull, Wyo., are visiting her mother, Mrs. E. J. Miles.

Mr. and Mrs. William G. Conkright and sons of Winchester, Ky. left the first of the week after a 10-day visit in Hereford. They were guests of the Colby Conkrights. They also spent two days in Colorado Springs.

Long Time Ago

45 Years Ago

The City Council met at the Mayor's office Wednesday afternoon and passed an order granting a right-of-way through the limits of the city. The order gives the right to use J Street in the Evans addition and to intersect certain other streets across the original town section, cutting Illinois Street at about block 21 in East Hereford.

This route across the town will save over two miles of road bed and steel and will give a direct, instead of a circuitous route through Hereford. On this line will be the depot near the Hereford Nursery or on what is commonly called the Post Office Street.

This week has marked the rapid construction of the electric light plant for Hereford. A full complement of men have been stringing wires, putting up the main lines. The building is being rapidly pushed and will soon be ready for the machinery. New poles are being put in and the old system entirely done away with for the new.

25 Years Ago
Jordan Construction Company workers today began actual operations on the gigantic paving and

street-widening program recently ordered by the city commission. Scene of first operations is the block on the east side of Main Street between Fourth and Fifth.

Fourteen blocks, most of them in the business district, will be widened and resurfaced, according to the commissioner's order. A brick topping will be put on, using the present paving as a foundation.

Earlier in the spring the company paved five blocks in the residential section of town; Lee Avenue, from Fifth Street, to its intersection with Miles Avenue. Several fill-ins in present paving have also been made.

Opening officially the 1928 wheat harvest in the Hereford territory, L. E. Tucker of Dimmitt, brought in the first load of wheat Tuesday. It was sold to Harrison.

Mr. Tucker's one load tested fifty-six pounds to the bushel. He received \$1.35 per bushel.

Most of the wheat in this region is hardly ready for cutting. The harvest season is expected to be in full swing after the first part of next week.

NEAR-DRY RIO GRANDE -- Dry winds are about the only thing flowing under the international bridge at Laredo in this picture taken from U. S. side and looking toward the modernistic Mexican border station housing immigration and customs offices. The bridge connects the cities of Laredo, Tex., and Nuevo Laredo, Mexico. In front of the Mexican border station is the big concrete levee built as a protection against floods. (AP PHOTO)

Northwest Hereford News

By Mrs. R. C. Childers

Wheat harvest is in full swing in most all rural areas this week. The early wheat was harvested the latter part of last week, but most everyone is starting this week, or are planning to start the last of the week. Ira Scott started cutting on his Tuesday, and says that it will make about 20 bushels to the acre. S. J. and C. S. Barclay finished cutting at their places last week.

Farmers are working feverishly to get it all out as quickly as possible, as the wheat is so dry and brittle they are afraid that it will go down with the hot dry wind.

Burning Stubble

The C. S. and S. J. Barclays were burning wheat stubble Tuesday which caused a lot of excitement. Several thought that the Barclay house was on fire and others thought that the wheat field was burning.

Reports are that the wheat isn't weighing out as heavy as wheat usually does. This is due to the lack of moisture at the proper time, or it could be due to the late freeze. The wheat market took another drop Monday leaving the farmer not knowing whether he should hold his wheat, or go ahead

and sell.

Ronald Corbett has been visiting in McLean for the past several days, with his grandparents, Mr. and Mrs. N. A. Greer, and an aunt Mrs. Vernon King and family there. He returned home Tuesday with his aunt, Mrs. King, and the group spent the day visiting in the Paul Corbett home.

Pat Webb of Amarillo visited in the Pat Robinson home Tuesday. Mrs. Louie Olson spent Sunday visiting in the J. T. Richardson home.

Mr. and Mrs. John Wallen and daughter of Canyon visited in the home of their daughter, Mrs. Ira Scott and family Tuesday.

Market Up

Ira Scott left with a load of cattle for the Kansas City market last Friday. He returned home Monday night. He reports the cattle market a little up in that vicinity as compared to the Amarillo market.

Mrs. Ira Scott and girls visited in Amarillo while her husband was away. They visited Mrs. Scott's sister, Mrs. Flake Thurman and family there. They returned home Monday also.

Margie Kerschen, daughter of Mr. and Mrs. Andy Kerschen got

the finger of her left hand cut off at the first joint in a combine accident last Tuesday. Reports are that it is healing nicely.

Mr. and Mrs. Joe Paetzold of Hereford, visited their daughter, Mrs. George Turrentine and family, Sunday evening.

Janice Craig and Douglas Brackon were callers in the R. C. Childers home Sunday.

Leatoh Clark, son of Mr. and Mrs. J. O. Clark, spent Friday evening in the Childers' home visiting Raymond Jr.

Mrs. Fred Wolfington and Mrs. Raymond Higginbotham spent last week working in Bible School.

Week end guests in the R. C. Childers' home were Mr. and Mrs. John Johnson of Pampa.

Mr. and Mrs. R. C. Childers, Raymond, Jr. and Patsy attended the Block reunion at the McNeill picnic grounds on the rim of Palo Duro Canyon Saturday evening. There were a total of 58 attending the picnic supper. Mr. and Mrs. Ivan Block, Lewis and David also attended from Hereford. Other former residents of Hereford attending, were: Mr. and Mrs. B. F. Block and daughters, Wanda, Marcia, and Patty. Mrs. Childers' mother is a Block.

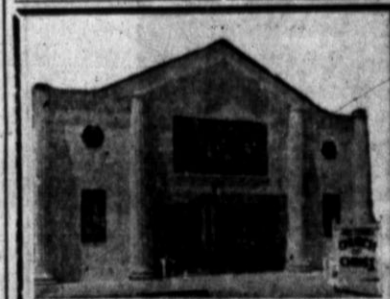

Personals

R. O. Hupp of Long Beach, California is visiting in the home of Mrs. Hupp's parents, Mr. and Mrs. Wm. McGehee. Mrs. Hupp, who has been here for some time, will return to her home with Mr. Hupp.

Legal Notice

NOTICE: NOTICE is hereby given that on the 15th day of June, 1953, the City Commission of the City of Hereford, Texas, passed Ordinance No. 383, providing and fixing rentals to be paid by telegraph, telephone, electric and gas companies for the privilege of using the streets, avenues and alleys of the City of Hereford, Texas; providing for rental of two per cent (2%) on Gross Receipts; providing for the definition of Gross Receipts; providing penalties for failure to report said Gross Receipts, and repealing all other Ordinances conflicting therewith; said Ordinance shall be full force and effect from and after the publication of this Notice.

The "insiders" call it the buy of the year!

The New Packard CLIPPER

This great new medium-priced line is making the kind of news you like to read: "a truly big car that even 'lowest-price' buyers find interesting."

MAYBE you're a confirmed "lowest-price" car buyer, but are beginning to wonder whether you couldn't use a little more automobile on today's crowded, high-speed highways. We'd especially like to have you see and drive the new CLIPPER.

For, if you'll think a minute, you'll realize that with a dolled-up "lowest-priced" car you're really in the medium-price field anyway, or close to it. And you've still got, basically, a smaller, lighter car, with no chance of adding the BIG Im-

portant Three of today's driving: power steering, power braking and power shifting... all of which are available to CLIPPER owners.

Every inch your big-car dream!

That 122-inch CLIPPER wheelbase and overall length of 213 inches is Big Car! Yet the CLIPPER is perfectly parkable in metered spots and tight spaces. And on the road it's a car!

Power? Ever since you took your first jalopy to your heart, you've heard that Packard engines are

famous the world over for power and ruggedness.

Visit your Packard dealer soon and see for yourself why people who know motorcar values best call the CLIPPER "the buy" of the year.

In addition to the Clipper, PACKARD is building today a car so beautiful and fine that it is applauded everywhere as "America's new choice in fine cars." Ask the man who owns one—today!

FRIO NEWS

By Mrs. Owen Andrews

June weddings are the news of the week. People in this community were indirectly involved in four weddings.

On Saturday, June 6, at 2 o'clock, Miss Oleda Austin, of Longview was married in the community auditorium to Charlie Neal, also of Longview. Miss Austin was a winner of a contest there, and was awarded everything necessary for the wedding and a large collection of gifts from Longview stores. The wedding was broadcast on the radio.

Attended Wedding

Mrs. Neal is a sister of Mrs. J. C. Simpson and has visited in

this community. Mr. and Mrs. Simpson, James and Shirley, attended the wedding and visited Mrs. Simpson's relatives at Longview that week end.

Mr. and Mrs. Robert Simpson and Nelle attended the wedding Sunday morning of Miss Reba Joyce Hudson, daughter of Mr. and Mrs. Floyd Hudson of Dumas, at the Assembly of God Church, in Dumas. The wedding took place at the close of the regular morning worship service. Mrs. Ensey is a niece of Mrs. Simpson.

Hurt In Accident

Mr. C. E. Roberts of Wellington, grandfather of Mrs. Ensey, was hurt last Monday in an accident on a combine and was unable to attend. However, he was thought to be doing all right and the rest of the members of the family went for the services.

Mrs. H. M. Mobley and Lanelle attended the wedding at Plainview at the Methodist church Sunday afternoon for Mrs. Mobley's niece, Miss Wanda Lee Todd and David Hammonds, both of Plainview. Hammonds is a Methodist minister and will be at Brackwell. Mrs. Hammonds is the daughter of a Methodist minister.

Mrs. Mobley and Lanelle also visited the home of Mrs. Mobley's sister, Mrs. Claude Price, at Floydada and Mr. and Mrs. Drew Todd, grandparents of the bride, from San Saba.

Higgins-King Wedding

On Saturday afternoon, Miss Anita Higgins, and Jerry King, both of Amarillo, were married in the home of Jerry's grandparents Mr. and Mrs. J. E. Andrews and aunt, Miss Alma Andrews, Rev. D. W. Ward performed the double ring ceremony, in the presence of quite a number of relatives and friends of the couple.

Bridesmaid was Maxine Jones, of Amarillo. The best man was Clark Andrews, cousin of the groom. The bride's parents are Mr. and Mrs. H. Smith, and parents of the groom are Mr. and Mrs. Charles King, all of Amarillo. Betty Daniel, sister of the bride presided at the guest book and

Mrs. A. W. Fields and Mrs. Roy Johnson presided at the reception table.

Colorado Honeymoon

The couple went to Colorado for their honeymoon and will be at home in Amarillo. They plan to live in Lubbock after September where Jerry will be enrolled as a senior at Texas Tech.

Mr. and Mrs. Jim Brooks visited last week end at Comanche, Okla., with Jim's mother and other relatives.

Mr. and Mrs. Herb Schmidt and boys and Mr. and Mrs. Ernest Harder and boys visited at Forest, N. M., Sunday in the Tom Ledbetter home.

Mrs. Earl Miller of Palo Duro, visited the H. C. Millers and took home her daughter, Dolores, who has been visiting the Miller's for three weeks.

Visiting the J. H. Dobbs home Sunday afternoon were Mrs. Zula Felton, Mrs. E. F. Johnson and Sara all of Sparta, Tenn., Mrs. H. D. Robbins and Lyla, and Rev. and Mrs. D. W. Ward and children.

Lamb Reunion

Mr. and Mrs. W. H. Andrews, Jackie and Ronnie spent the week end visiting Mrs. Andrews relatives at Lawton, Okla., and attended a reunion of the Lamb relatives on Sunday at Marlowe. Mrs. Alma Spruill and Illene who have been visiting here for several days returned home with the Andrews. Mr. and Mrs. Rosco Burris, of Texico, spent Friday night with the Andrews and went to Oklahoma with them. They reported 112 degree temperature at Marlowe.

Mr. and Mrs. A. D. Johnson, Doyle and Karen, visited their folk at McLean during the week end.

The Leonard Irwin family visited Mr. Irwin's brothers, the R. C. Irwins at Tulla. Bill Irwin visited in the R. C. Irwin home last week and brought a cousin, Frankie, home with him.

Marie Rhodes visited last week with Velma Irwin.

W.M.U. Meets

Women's Missionary Union met at the church, Thursday, for a program of Bible discussion, directed by Mrs. H. D. Robbins. Present for the meeting were: Mesdames Owen Andrews, Olin Par-

WEST TEXAS QUADS -- Rushing Sheffield of San Angelo, Tex., deftly manages three bottles for a set of hungry quadruplet lambs born on the R. O. Sheffield farm. Normally Sheffield only manages two bottles at a time, but the extra effort is for the benefit of the camera. Lamb quads are rare, and Sheffield says this is his first set in 21 years as a sheep breeder. (AP PHOTO)

ris, J. H. Dobbs, D. W. Ward and Mrs. Robbins.

Mrs. Buddy Price and Fawnell came Friday with their husband and father, who was working on the well at the Owen Andrews home and spent the day visiting Mrs. Andrews and girls. Mr. Price has drilled quite a number of wells in this vicinity, operating the well machinery on his father-in-law, Joe Curry's place, of Canyon.

Skating Party

A large number of Frio young people enjoyed a skating party Friday night at the roller rink at Hereford.

Mr. and Mrs. C. N. McClure went to Hedley Sunday for funeral services for Mr. John Whittington. Mr. Whittington was a relative of

visited Mrs. Gripp's uncle and aunt Mr. and Mrs. R.M. Franklin, Sunday. They were accompanied by Mrs. Robert Lemons, Beth, Kay, and Robbie, who visited Mrs. Lemons, sister, Mrs. Gene Bagwell.

Former Pastor Visits

Rev. and Mrs. Roy Bickford, former pastor at the Nazarene church and now from Nocona were visiting this vicinity, the first of the week. They had supper with the H. F. Bensons Monday night.

Frio Home Makers Club met Wednesday in the home of Mrs. Owen Andrews for a program on Picnics. Mrs. E. H. Little discussed "What shall we eat" and Mrs. Gene Noel talked about "Where shall we eat." Suggestions for using aluminum foil for camp fire cookery were among the things mentioned by Mrs. Little, and suggested ways of building and arranging picnic facilities were included in Mrs. Noel's discussion.

Those present were: Mesdames E. F. Vogler, E. H. Little, Leonard Buttrill, Gene Noel, H. E. Lindley, W. A. Springer, T. L. Sparkman, Frank Robbins, Miss Frances Andrews and the hostess, Mrs. Owen Andrews.

Next Meeting

The next meeting will be June 24 at the home of Mrs. Frank Robbins and will feature a program on "Citizenship."

Mr. and Mrs. Bill Boyd and sons left the last of the week to visit their relatives at Dallas and points in East Texas. On Sunday, they, with Mr. Boyd's sister from Dallas went to Marlowe, Okla., for the Lamb family gathering.

Mr. and Mrs. W. A. Springer, Mrs. E. F. Vogler, Mrs. Frank Robbins, and Mrs. E. H. Little attended the community progress meeting at Jumbo on Monday night. Mrs. Little gave a monologue on the program. She was assisted by Mrs. Vogler and Mrs. Springer.

DRIVE IT YOURSELF!

You want a car you'll both be happy with—one that performs for a man, handles easily for a woman. We believe Oldsmobile's the answer. That's why we're launching this special "Double-Date" campaign—inviting you to come in and drive the Super "88" or Classic "Ninety-Eight" together. See for yourself how the "Rocket" Engine rules the straightaway, how Hydra-Matic's Super Range levels the hills, how the Power-Ride Chassis seems to iron out the roughest roads. Then . . .

LET HER DRIVE IT TOO!

You'll learn that Oldsmobile has a double appeal—to men and women alike. She's probably told you already how she loves Oldsmobile's long, sweeping lines and luxurious Custom-Lounge interiors. But at the wheel she'll discover that this big, powerful car is as obedient to her light touch as to yours—with Power Steering* and Power Brakes* taking the work out of driving. Come in soon. Discover the double appeal of Oldsmobile . . . together!

*These Power Features and new Automatic-Eye are optional at extra cost.

Jesus said
"FATHER"

When Jesus looked into the face of God and said, "Father," He was honoring all fathers everywhere. Whether inscribed on a Coat-of-Arms or written on the flesh tablets of human hearts, fathers have bequeathed mottoes and chivalrous ideals of which families have been justly proud. Abraham was the father of Isaac, who was the father of Jacob, who was the father of Joseph.

Every child remembers the thoughtful devotion, the self sacrificing toil, the happy comradeship of a good father. Children also remember the failures, shortcomings and indifferences of bad fathers. Fathers, your child, your church and your God need your strong shoulders... this is Your Day.

BANK DOORS, HEBREW STORE FRONT

Parts Of Many Building Used In Hawaiian Church

The Bank of Hawaii's impressive bronze doors of another era, mountain boulders, and Swiss chalet windows have been built into the new Palolo Community Methodist Church in a previously unchurched suburb of Honolulu, Hawaii. The Rev. Floyd H. Sullivan is missionary-pastor. Among the other materials being used in this cosmopolitan church to serve a cosmopolitan neighborhood are transite roofing from a Chinese print shop, a Hebrew store front, a Russian church candelabrum and a fire crane from a Mormon temple. A Catholic friend contributed temple grass.

Sew For Needy

It is just a small group of elderly ladies that meets once a week at the Friends Meeting House, New York City, to sew for the needy. But the other day they sent upon its way the 500,000th new garment in twelve years to cover the body and lift the spirit of some small war victim overseas. In 1932 these quiet sewers produced 35,844 new garments and 973 layettes. Their production

figure is thirty-eight tons of new clothes each year for their fellowmen in Europe and Asia.

One of the most serious of modern sins is "complacency," according to Mrs. W. H. Ratliff of Sherard, Miss., chairman of the status of women committee of the Woman's Society of Christian Service, Methodist Church. Pointing out that there are a million and a half more women than men of voting age in the U. S., Mrs. Ratliff said: "Women have a tremendous potential ability which needs to be awakened, trained, and channelled into constructive purposes. . . We do not lift our voices against life as we find it. . . We need to become mentally and spiritually mature and accept places of responsibility when and where we find them. Our concern is that our gifts will be used in such a way that church, community, nation, and world be enriched."

Back From Korea

"It was one of the most satisfactory periods of work I have ever had," says the Rev. Lyman C. Brannon, veteran Meth-

odist missionary to Korea, who has returned to the United States after a year's extensive evangelistic work in his old mission field. In 1951, although officially retired, Mr. Brannon and Dr. Bliss W. Billings (of Korea and the Philippines) were invited to South Korea for the evangelistic campaign. Both were fluent in the Korean language, and both were experienced evangelists. Speaking of the work they had done, Mr. Brannon said he had never before found the people so open to the message as they are today. "It is too bad we have so few missionaries just at this time," he says. "If we only had the workers, we could establish churches everywhere."

There is no immediate danger that India will become communist say the four bishops of the Methodist Church in that country. (Two of them are Americans, two Indians.) But they warn: "Nevertheless, we cannot ignore the fact that there are pockets of communism in the country, and that they did gain in certain parts of India in the last election. To these may also be added the poor economic condition resulting in the low standards of living of the people, and the ever present spectre of famine, and the general scarcity of food. These are the factors which may well be regarded as constituting a source for the potential spread of communism in India. . . Through it God is calling the churches everywhere to examine their lives in humility fall-penitence. We must face our failure to strive for the realization of justice in the social order, and our lack of effort to establish the brotherhood of man. We are challenged today to take a firm stand in demanding human rights for all irrespective of race and color, and to work for the removal of oppression."

Refugees From Palestine
Arab refugees from Palestine who have weathered four winters in tattered tents must be given flour, beans, margarine, oil, milk distribution centers, and places to bathe their babies and do laundry, says the Board of Foreign Missions of the Presbyterian Church in the U. S. A. They also need health clinics, better sanitation, tent

Cadet Selection Team Operating At Big Spring

An Aviation Cadet Selection Team equipped to interview and partially process prospective applicants for flying training in the Air Force has been established at Webb Air Force Base, Big Spring, Texas under the supervision of Headquarters, 3502d Personnel Processing Squadron (AC-OC), Lackland Air Force Base, Texas.

The operating area of this team will be the most of West and North Texas, and will include Hereford. According to team president Captain Alden C. Clark, the team, supplied with the most current and factual flying training information, will visit colleges, universities, Air Bases and cities in a wide area around Big Spring, Texas.

Pilots or Observers

Aviation cadets are trained to become pilots or aircraft observers. An Aircraft Observer is schooled in an aircrew specialty such as bombardment, navigation, radar, or aircraft performance engineering.

Upon completion of approximately one year of training, an aviation cadet (Pilot or Observer) receives his silver wings and a commission as a second lieutenant in the United States Air Force Reserve.

To qualify for aviation cadet training, an applicant must have a minimum of two years of college credits; be between 19 and 26½ years of age, single, in good physical condition, and be able to pass mental and physical tests.

Pilot applicants must have normal 20-20 vision, while aircraft observer candidates need only 20-50 vision correctable with glasses to the normal 20-20 vision.

Fast Assignment

Young men applying now for aircraft observer training can expect a class assignment within six weeks after they successfully com-

plete the qualifying tests. Captain Clark pointed out that this rapid selection and entry into training should be especially attractive to those men who wished to exercise their right to choice of service, but who have not otherwise been able to do so due to the very small Air Force enlistment quotas. Entrance into the Aviation Cadet program is not subject to these restrictive quotas. Additional information may be obtained by writing the Aviation Cadet Selection Team, Webb Air Force Base, Big Spring, Texas.

Camera Shy

Oblivious to the fame which has come to them as quadruplets, almost as rare a phenomenon with cows as with humans, the four Holsteins born on the ranch of Joaquin and Tony Pereira near Merced, California, turn their backs on the photographer as they tackle a project of much more interest. The Pereira brothers attribute their success in bringing the coy calves through hazardous days of babyhood to use of a feed containing aureomycin, an antibiotic helpful in reducing normal calf mortality from the usual 20 per cent to practically zero.

These Trees Will Grow Farm Telephones

IF YOU JOINED ALL THE TELEPHONE POLES we've used to extend telephone service to rural Texas in the past seven years into one big pole it would tower 1,350 miles into the clouds. That gives you an idea of how we've been breaking records in our efforts to meet the demand for farm telephones. Already there are six times as many Southwestern Bell rural telephones in Texas as there were just seven years ago. This year we hope to be able to spend more than \$4 million to push still more telephone lines out to the farms around the communities we serve. SOUTHWESTERN BELL... A TEAM OF 28,000 TEXAS TELEPHONE PEOPLE... AT YOUR SERVICE.

Even, Absolute Control of Furrow Watering As Done With

AMES LO-HEAD GATED PIPE

ELIMINATES WASTEFUL, TROUBLESOME OPEN DITCHES

Saves the time and back-breaking labor required to build and maintain ditches. Saves the water lost through seepage and evaporation. Does away with the establishment of ditch levels, setting of dams and tubes, controlling weeds in ditches and numerous other ditch problems

PROVIDES EASY, EVEN, ACCURATE FLOW CONTROL

Gate adjustments permit the delivery of the precise amount of water to each furrow as required by varying field conditions. Limits the drenching of one end of the field and the robbing of the other end. Minimizes deep percolation, undue evaporation and excessive end run-off.

AMES GATED PIPE IS READILY PORTABLE
Carries water uphill or downhill under perfect control, providing water where and when it is needed. Joints are flexible enough to follow rough terrain and along the edges of uneven fields. With the gates closed Ames pipe makes highly delivery pipe.

ENGINEERED TO FIT YOUR PARTICULAR NEEDS

By adapting Ames Gated Pipe with an on your farm survey, it can be adapted exactly to your own special requirements. And approximately 20 days is all that Ames needs to fill your order.

There's only one answer...

Chevrolet trucks must be the best buy!

Fleet operators, farmers, independent truckers—truck users everywhere—buy more Chevrolets than any other make. There can be only one reason for that: Chevrolet trucks offer more of what you want.

CHEVROLET

As the official registration figures keep rolling in, they keep telling the same positive story about truck popularity and truck value: Again in 1953, for the twelfth straight production year, truck buyers show a clear-cut and decisive preference for Chevrolet trucks. If you're a truck user, this fact is mighty

important to you. Why? Well, as you know, trucks are built and bought for just one reason—to do a job. So isn't it logical then that since Chevrolet trucks outsell all others, they must do a better job at lower cost? That's why it will pay you to stop in and see us before you buy your next truck.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

Joan Knabe and Myra Jo Sowell visited in the home of Carl Strafuss Sunday afternoon.

Mrs. J. B. Sowell, Jr. visited Sunday with her husband's parents Mr. and Mrs. J. B. Sowell, Sr.

Conservation Supervisor Wins \$500 For Work In '52

Dallas—The state's outstanding soil conservation district supervisor, Mr. John D. Faught of Roanoke was awarded a \$500 check recently in recognition of his work in soil conservation during 1952.

Faught, supervisor for district five in north central Texas, received the \$500 state award from W. W. Overton, Jr., chairman of the board, and P. B. (Jack) Garrett, president of Texas Bank and Trust Company of Dallas, which sponsors the state-wide awards program each year.

The award will be used for an all-expense trip for the 43-year-old Faught and his wife to Oregon and Washington to observe and study various methods of soil conservation on farming and ranching.

A state committee of bankers and agricultural leaders selects the state award winner each year, who is announced at the annual soil conservation district supervisors' convention held in January.

Faught's selection was announced at the convention held in Mineral Wells January 24.

Garrett said, "We are proud of our soil conservation work throughout the state. Texas Bank's program is aimed at getting the farmer, rancher, and banker better acquainted with each other's problems and working together on a program of restoring the fertility to the soil."

Faught was recently named a director of the National Association of Soil Conservation Districts. He is secretary of the Northwest Texas independent school district and chairman of the board of the Denton-Wise soil conservation district. He has also been recognized as a leader in REA telephone development.

Faught has been farming most of his life. He farms nearly 1,000 acres, specializing in livestock, livestock products, and soil building crops.

FOR CONSERVATION FARMING John D. Faught, center, of Roanoke, receives a \$500 check from W. W. Overton, Jr., chairman of the board, and P. B. (Jack) Garrett, president of Texas Bank & Trust Company of Dallas for his selection as the state's outstanding soil conservation district supervisor for 1952. Faught is supervisor for district five in north central Texas. Texas Bank sponsors the soil conservation district supervisors' award.

Miss Redman Gives Program On Lighting

A program on lighting the kitchen was presented by Miss Clara Redman at the meeting of the Messenger Home Demonstration Club when the group met with Mrs. N. A. Brown Friday.

Mrs. N. A. Brown gave the Council report.

This is the third year Texas Bank and Trust Company has sponsored the soil conservation district supervisor awards program.

Mrs. Ernest Brown won the recreation prize and Mrs. S. N. Thweatt won the floating prize.

In Attendance
 Those attending the meeting were: Mesdames J. T. Gujnn, Ruth Coleman, Ernest Brown, Elmer Northcutt, Don Kennedy, S. N. Thweatt, Floyd Brown, John McCullar, Bob Wylie and two guests, Mrs. Bob Howard and Miss Clara Redman.

The next meeting will be June 26 with Mrs. John McCullar.

10 MILES AT THE WHEEL WILL SHOW YOU "There's None So New As Nash!"

0001 You enter a whole new world of motoring wonders when you visit your Nash dealer and step into Pinin Farina's newest, most beautiful creation.

0002 A new experience in driving ease awaits you when you take the wheel of this new Ambassador in city traffic, with Dual-Range Hydra-Matic Drive (one of three transmission choices).

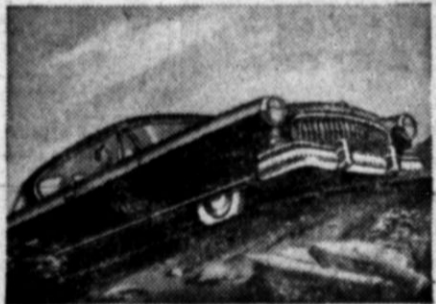

Ahead, you see more of the road than you've seen before, over the low, sloping continental hood with "Road-Guide" fenders to help you through "tight spots".

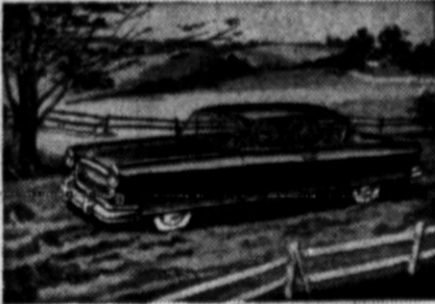

0003 Give the wheel a spin—you're in—snug to the curb with new Nash Power Steering (optional) that takes the effort out of parking and turning.

0004 Enjoy the grandest eye-level visibility of all with Nash-pioneered slanting rear window pillars, plus widest windshield and rear window.

0005 Try the hills for thrills! Test the "Le Mans" Dual Jetfire engine that has the greatest American record in the 24-hour Le Mans, France, races.

0006 Exclusive double-rigid, Airflyte Construction and Airflex Suspension give you what experts call the "finest shockproof ride in the world".

0007 First in economy among all fine cars, the Ambassador topped both its classes in the 1953 Mobilgas Economy Run, 22.54 m.p.g. with Overdrive!

0008 Your family is safer in Nash with stronger, double-rigid Airflyte Construction—a Nash exclusive. Body and frame are one rock-solid welded unit.

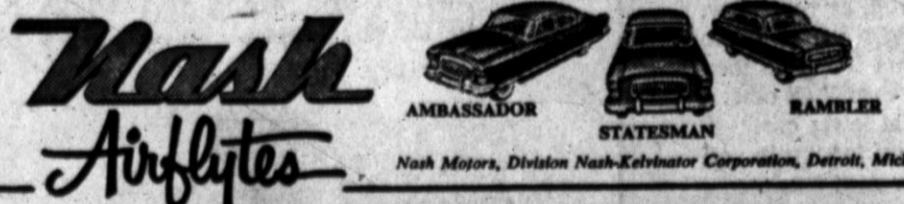

0009 Ideal for vacation travel! The backs of both front seats easily adjust to five positions. Wonderfully relaxing! At night, you can have Twin Beds!

0010 New Braking Power! See how smoothly big Nash brakes ease you to safe stops. Drive the new Nash today. Get the "10-Mile Proof" at the wheel.
