Commission Tables Franchise Renewal

Cut In Gas Rate Asked For City

An ordinance which would grant West Texas Gas Company a 10-year extension of their present franchise was tabled by the Hereford City Commission Monday night after a request from the commission for a gas rate decrease for Hereford was turned down by C. I. (Stoney) Wall, West Texas Gas Company president.

Since the ordinance must be read and approved by the city council at three regular meetings before it becomes effective, West Texas Gas Company will operate in Hereford for a minimum of three days without a franchise, though there is little likelihood that gas service would be discontinued, even for a short time.

Franchise To Expire
The present franchise will expire Sept. 3, and could not be renewed before Sept. 7, as that will be the third regular meeting after today.

In the original ordinance which was prepared for the franchise renewal, the Hereford gas rate was tied to that of other towns in the West Texas Gas system by an interlocking agreement, which, in effect, meant that all of those towns would almost automatically have the same rate.

By request of the city commission, this part of the ordinance was changed, and a new ordinance written which picks up only the needed parts of former franchise ordinances.

Decrease Impossible
"Any decrease in rates for Hereford is, we feel, impossible at this time," Wall told the Commission. "We are in the midst of an improvement program, and have increased our investment in Hereford by about 25 percent in the last three years. I believe that you will find that only towns that are very close to gas fields have lower rates."

Mayor Henry Sears, speaking for the commission, said that "We feel that we must ask for a decrease in rates. Not to a point where service would be impaired or where West Texas Gas Company won't get a fair return on its investment, but a decrease."

No Guaranteed Profit
Wall pointed out that the company is not working on a guaranteed profit, and that, at the present time, their system is working at about 45 percent of efficiency.

because such a small amount of gas was used by most of their customers during the summer months, and it was only during from three to five months of the year that they ran close to full capacity.

In requesting that the council go ahead and approve the ordinance at that time, Jim Milam of Lubbock, attorney for West Texas Gas Co., said that the company feels that it can justify existing rates, and added that their books are open to an auditor hired by Hereford at any time.

Also meeting with the commissioners Monday night were Deaf Smith County hospital manager Bob Lewis, and hospital board members W. L. Davis and T. E. Seigler.

Many Charity Patients
Lewis told the commission that there have been a large number of charity patients admitted to the hospital within recent months, with about 60 percent of those cases originating within the city itself.

even though many of them were transient workers.

The city council was asked to pay at least some share in the cost of taking care of these charity patients as these costs, in addition to the water bill which is now being paid by the hospital for water used to help maintain the lawns around the hospital, are creating quite a burden to hospital finances.

Time To Consider
After a brief discussion of the matter, the commissioners asked for time to consider the hospital board's proposal, and said that they would try to give an answer in the near future.

The commissioners also heard a report on the work started by Dr. Jack Gilliland, who was recently hired as city sanitarian.

This work has included passing out copies of the various regulations governing eating establishments and other places where food is handled, and notifying them that he would make a check in the near future.

Lions Carnival Well Underway

In spite of rain, dust storms, or what have you, the Lions club carnival still continues.

The Lions netted \$418.53 from the first two nights and hope to reach the \$2,000 mark by Saturday evening.

Wheat Referendum Set For August 15

Wheat marketing referendum for 1954 has been set for August 14, according to Faust Collier, office manager of the Deaf Smith County P. M. A.

If more than two-thirds of the wheat farmers voting in the referendum favor farm marketing quotas on the 1954 crop of wheat, the price of the 1954 wheat crop will be supported at 90 percent of the effective parity price to the co-operators only (those who comply with farm wheat acreage allotments.) No price support would be available to non-co-operators.

If Quotas Opposed
If more than one-third of the wheat farmers voting in the referendum oppose quotas for the (Continued on Page 2)

The proceeds will go for an electric score board already been placed on football field.

Weather Chief Pessimist
So far, the weather has been the chief problem of the carnival, but the optimistic Lions hope to do better the last of the week.

"This carnival has everything any big carnival has," says Cecil Massey, Lions secretary-treasurer, "including kiddie cars, pony rides, daff games, dunking board, ferris wheel, tilt-a-whirl, bingo and lots of other amusements."

Dunk Your Buddy
In case you would like to dunk your favorite buddy, men will be on the dunking board the rest of the week. They are S. H. Slagle, L. F. Box, Rayland Evans, G. E. Mullins, Dub Reeves, Ray Cowser, Bob Cummings and George Graham.

"There are approximately 65 Lions helping to make this carnival a success so everyone come on out and enjoy yourself," Massey said. The carnival opens about 7:45 every evening till Saturday, the closing day. It is located on the lot north of the Bul Barn.

Producers And Shippers Back Experiment Station

VEGETABLE GROWERS AND PROCESSORS agreed to back the agricultural experiment station here with a cent-a-package levy on potatoes, onions and lettuce in order to help themselves. Some of the leaders in the program met with Dr. Guy Adriaance, representative of Texas A&M, immediately after the luncheon Tuesday to discuss special details of the program with him. Jack Renfro seemed to lead this part of the discussion on the program as the group sat on the platform in the Hotel Jim Hill ballroom. Shown, from left, are Dr. Adriaance, Howard Gault, Jack Renfro, John Paetzold and Raymond Paetzold. (Staff Photo.)

Contributions Being Solicited

An agricultural experiment station for Deaf Smith County was assured when growers, processors and shippers met at noon Tuesday and agreed to a one-cent-a-package levy to finance the program.

Local businesses started to add funds to the pot Wednesday, to build up the guaranteed \$6,000 which had already been put up by the Santa Fe railroad.

Representing AM
Dr. Guy Adriaance, head of the Horticulture Department at Texas A&M, represented the college at the meeting, and was proposing that some \$10,000 be added to the money given by Santa Fe to finance research work which would be carried out on individual farms. The revised program will probably call for a rented farm, if a proposal made by Jack Renfro is carried out, and financing should run to at least \$30,000.

A local "research committee" will be named to select the projects for the experimental farm, which is expected to concentrate on problems of the vegetable industry in Deaf Smith county.

Situation Outlined
Austin Anson, executive manager of the Texas Citrus and Vegetable Growers and Shippers, outlined the situation to some 75 persons at the luncheon.

"It is entirely up to you as to the need for research," he told them. "From the standpoint of local businesses, it would be well to remember that producers are spending from \$250,000 to \$500,000 a week here during harvest season, regardless of the price they are getting for their products. And that doesn't include the money that must be spent before that time for machinery, fuel and other supplies and for labor."

Earlier Lettuce
Anson told them that research should be able to bring out a lettuce with a shorter growing season, and possibly produce other vegetables for this area.

The need for finances and a program was set out by Dr. Adriaance who said that A&M "couldn't" just arbitrarily set up a research program up here for something that wasn't already being grown, and that, actually, the college is trying to keep down the number of research stations rather than increase them.

"We don't even know who will be in charge of the work up here," Dr. Adriaance said, "but he will have to be a good man. Your putting up money for this program will show that the experiment station is needed. The work will expand as the industry demands it."

He added that with one or more men working full time on experimental work here, they will be able to call on specialists from A&M at any time they are needed.

Contribution Proposed
When Anson proposed a contribution of one-half cent from the grower and one-half cent from the shipper on each package to finance the program, Howard Gault was the first to say that he would go along on such a program, and Jack Renfro added his agreement. He also said that, speaking for the potato and onion industry, he felt (Continued on Page 2)

Drought Relief Feed Temporarily Stopped

Issuance of feed under the drought relief program has come to a sudden, though temporary, halt in Deaf Smith County with receipt of a telegram sent from J. Earl Coke, acting secretary of Agriculture, to the effect that the feed is to maintain basic foundation herds only.

"Pending clarification of some of the provisions set forth in the telegram, we are not issuing any feed at all," Hugh Clearman, Deaf Smith County agricultural agent, said Wednesday.

So far, about 1,000 bags of cottonseed meal have been issued under the drought relief program, and all but 281 bags of pellets which have come in by rail.

Have Shipping Orders
At the present time, the committee has shipping orders on another car of cake out of Amarillo.

Other points in the telegram are that the farmer or stockman must have less than 30 day supply of feed, and that feeders in feed lots are not eligible.

The committee was told to use reasonable discretion in carrying out the instructions.

Hostesses were Zula Gilliam and Kathrine Kester. Ellen Carter, first vice president, presided in the absence of Earlene Walton, president.

Business Discussed
The two items of business discussed were to donate \$40 to the Jaycees to help pay for the air conditioner in the club house, and to authorize Pauline Howard, program co-ordinator, to have a new type yearbook printed.

Guests present were: Donna Jean Stagner, Mrs. Ray Downey, Mrs. Bryon Durham, and Mrs. S. M. Dunnam.

Those Present
Members present were: Dyalitha Brady, Fay Campbell, Ellen Carter, C. Ora Cockrel, Velma Cook, Louella Cowser, Zula Gilliam, Pauline Howard, Ursulae Jacobson, Pat Loerwald, Luella Posey, Sadye Rigler, Bruce Rose, Della Stagner, Grace Thomas, Mary Linnartz and Kathrine Kester.

Water Committee Changes Policies

Members of the Deaf Smith County committee of the High Plains Underground Water Conservation District have made several changes in the policy on the handling of water well application, and have set a new minimum spacing for 8-inch wells.

New policies were set up at a recent meeting attended by Pete Carmichael, Frank Bezner, and Kenneth Rudd of the water committee, and Maurice Howell of the Farm Bureau. Howell is handling the application forms for well permits.

Monthly Sessions
From now on, the committee members decided, they will meet in regular session the first Monday of each month at the Farm Bureau office in Packard Mill to consider well permit applications.

If a case should warrant an emergency permit, the committee will meet in a special session.

Any applicant who desires to meet with the committee for special consideration is invited to do so. This will be taken care of before regular business.

Only at Sessions
Committeemen will give consideration to applications only at regular sessions rather than signing individually.

The water committee is requesting that applicants for well permits try to anticipate needs in sufficient time for proper consideration at regular meeting.

The committee also announced that the spacing for 8-inch wells will be 440 yards.

Mrs. Iva N. Norton Died On Tuesday In San Bernardino

Mrs. Iva Norton of San Bernardino, Calif., former resident of Hereford, died early Tuesday morning.

Mrs. Norton was born May 9, 1887 in Sanger. She is the daughter of the late Mr. and Mrs. D. P. Vaughn.

Survivors
Survivors include three children—R. D. Norton, Claude A. Norton, and Mrs. Harold Wall, all of San Bernardino; four brothers—Bob Vaughn of Fresno, Calif., Wood D. Vaughn of Hereford, Tom Vaughn of Tacoma, Wash., and Dick Vaughn of Amarillo; one sister, Mrs. Claude Higgins of Hereford; five grandchildren and five great-grandchildren.

Biography Of Peter Marshall Reviewed At B&PW Meeting

Mrs. Ray Downey reviewed the book "A Man Called Peter," by Catherine Marshall, for the Business and Professional Women's club at their meeting Monday night.

Hostesses were Zula Gilliam and Kathrine Kester. Ellen Carter, first vice president, presided in the absence of Earlene Walton, president.

Business Discussed
The two items of business discussed were to donate \$40 to the Jaycees to help pay for the air conditioner in the club house, and to authorize Pauline Howard, program co-ordinator, to have a new type yearbook printed.

Guests present were: Donna Jean Stagner, Mrs. Ray Downey, Mrs. Bryon Durham, and Mrs. S. M. Dunnam.

Members present were: Dyalitha Brady, Fay Campbell, Ellen Carter, C. Ora Cockrel, Velma Cook, Louella Cowser, Zula Gilliam, Pauline Howard, Ursulae Jacobson, Pat Loerwald, Luella Posey, Sadye Rigler, Bruce Rose, Della Stagner, Grace Thomas, Mary Linnartz and Kathrine Kester.

Around Town

The executive committee of the Parent-Teacher's Association will hold a meeting tonight, (Thursday) at 8 o'clock in Supt. George Graham's office.

Earl Smith, 20, has been appointed to the staff at Boys Ranch at Old Tascosa. Smith has been at Boys Ranch since 1944 and finished high school there. The A&M club of Amarillo sponsored Smith to attend Texas A&M College at College Station. He graduated this spring. According to Lyle Blanton, Smith is well liked and well respected by the boys there.

The latest device to make a farmer's life easier is a self-propelled windrower, some of which have been received by Miller Oliver. The machine is said to replace two men, two tractors, one mower and one rake, and will cover about 80 acres a day.

The TV-team from La Plata club will compete again tonight on the Texas USA program. Should their knowledge of the information in the Texas almanac still be tops, they will have one more round to go before they can win that television set for their club. The program is on KFDD-TV.

Hereford Riders club is planning Play Day here next month, with everything from a greased pig to monkey polo on the program. Only be interesting when it does rive.

THERE'S FUN FOR ALL ages at the Lions Club carnival, if this is any indication, though Paul Bell, sitting there next to his father, Robert Bell, looks like he would almost rather forego some of the thrills. Others in the car on the tilt-a-whirl were, from left, David Bell and Ruth Ann Allison. (Staff Photo.)

Friona News

By Mrs. E. R. Day Sr.
Miss Rhea Nell Foster, who has been attending summer school in Denton, has completed her work and is now home with her parents, Mr. and Mrs. Wesley Foster for the summer.

Visitors in the home of Mr. and Mrs. Frank Spring were her sister, Mrs. Edd Bogot and children of Amarillo.

Miss Linda Gay Gee and Mary Tom Spring are visiting Linda's grandparents, Mr. and Mrs. T. F. Rogers of Lubbock this week.

Mr. and Mrs. M. M. Shirley visited with their daughter, and family, Mr. and Mrs. Collins Craghead of Memphis.

Mr. and Mrs. W. M. Lloyd and Roth and Fred Lloyd and children were in Bovina Thursday night and ate supper with the Travis Lloyd's.

Curtis Murphee, who underwent surgery at the Parmer County hospital Tuesday afternoon, was able to attend church Sunday.

Underwent Surgery
Mrs. L. B. McLean, English teacher in the high school here, underwent surgery at the Scott and White hospital in Temple last week.

Mr. and Mrs. Orval Houser and Leon were guests Sunday with his parents, Mr. and Mrs. P. M. Houser, in Hereford. The Housers turned his sister, Mrs. Annie Carroll, and daughter to their home in Borger.

Mr. and Mrs. Oscar Baxter and children, Mrs. W. L. Edelman, Mrs. Dan Luttrell and son, Mrs. Everett Talbot and Mrs. Neal Fulks and children were shoppers in Hereford Monday.

Mrs. Dan Blackburn and Mrs. Orma Coffman were shoppers in Clovis Monday.

Ice Cream Supper
Those enjoying ice cream at the home of red Lloyd Sunday were Mr. and Mrs. Johnny Brand, Mr. and Mrs. Robert Lloyd of Hereford, Mr. and Mrs. Henry Lloyd, Mr. and Mrs. Buddy Lloyd and Mr. and Mrs. W. M. Lloyd and Ruth.

Mr. and Mrs. Lloyd Shulk, June and Charles visited last week with her parents, Mr. and Mrs. J. W. Lumpkin of Sentinel, Okla.

Mr. and Mrs. E. M. Jack and Mrs. Alta Wylly returned home Friday from Santa Fe, N. M., where they visited the James Wilsons.

Mr. and Mrs. Dewayne Wylly spent the weekend with her parents, Mr. and Mrs. T. E. Averett in Tucumcari, N. M.

Relatives Entertained
Mr. and Mrs. J. A. Wylly entertained a group of relatives with a picnic dinner at their home Sunday.

Those present were: Mr. and Mrs. A. H. Hadley and Mary; Mr. and Mrs. L. D. Chiles, Jerry and David; Mr. and Mrs. L. D. Pope, Glenna Mae and Gene; Mr. and Mrs. Leo Bales, and Mrs. Alta Wylly.

Guests in the home of Mr. and Mrs. J. T. Gee over the weekend were Mrs. Gee's brother and family, Mr. and Mrs. Dean Rogers of Oklahoma City.

Dr. and Mrs. Rex Johnston and son Mark of San Angelo returned home after a week's visit with her mother, Mrs. F. N. Welch, and other relatives.

At Cesta del Monte
Those visiting at Cesta del Monte this week are Mr. and Mrs. Louis Welch and Jan, Mr. and Mrs. Ray White, Mr. and Mrs. Ralph Wilson, and Dr. and Mrs. Paul Spring and daughter.

Those attending market in Amarillo Sunday from the Welch-Blackburn store were Mr. and Mrs. Nelson Welch, Mr. and Mrs. John Blackburn, and Mrs. Pat Fallwell.

Mr. and Mrs. Jimmy Baxter and children returned home last week from a two weeks' vacation.

Mrs. Virgie Howard Floydada is visiting with her parents, Mr. and Mrs. A. O. Drake.

Visited in New Mexico
Mr. and Mrs. Luther Loveless and Mr. and Mrs. Walter Loveless visited different places in New Mexico last week.

Mr. and Mrs. Oscar Baxter and family will leave Wednesday for San Bernardino and other places in California.

Mr. and Mrs. Bob Coker and boys of Albuquerque spent the weekend with their parents, Mr. and Mrs. Roy Coker and Mr. and Mrs. Charley Turner.

Guests in the home of Mr. and Mrs. Walter Loveless Sunday were Mr. and Mrs. Allen Young of Muleshoe.

Mr. and Mrs. Paul Cantrell of White Deer returned home Saturday. Cantrell had been driving a transport truck to Friona from Borger for the past few days.

Miss Helen Taylor of Canyon visited with her parents in Friona over the weekend.

Mr. and Mrs. Clayton Taylor and children of Friona visited with Mr. and Mrs. T. A. Williams in Littlefield Sunday.

M. C. Osborn of Friona spent last week in Tucumcari with his uncle and aunt, Mr. and Mrs. R.

H. McFarland.
Home On Furlough
Pfc. Eugene Bandy, who has been stationed at Fort Bliss in El Paso, is here visiting with his wife and brother. After his furlough, he will be sent to Thule, Greenland.

Mr. and Mrs. Miles Robbins and Phyllis, and Mr. and Mrs. Billy Dan Baxter and family are visiting in South Dakota with Mr. and Mrs. Marvin Massey.

Brother and Mrs. M. J. Covington and Kenneth of Hereford and Mrs. Mamie Adams of Friona were Sunday guests of Mr. and Mrs. James Pope.

Miss Mary Spring of Amarillo is home with her parents, Mr. and Mrs. F. L. Spring, during her vacation.

Mr. and Mrs. Walter Jasper of Amarillo were called to Friona Monday night to be at the bedside of his mother, Mrs. T. N. Jasper.

Gone To Kansas
Mrs. Joe Fallwell and children, Jennie Sue and Jodie, and Miss Jimmy Sue Fallwell left last week for Caney, Kans., to visit with her parents, Mr. and Mrs. Tom Rardin, for a week.

Mr. and Mrs. Gene Peters of Amarillo visited her parents, Mr. and Mrs. Giles Cobb and family in Friona Sunday.

Mr. and Mrs. Joe Collier left Calif., after receiving word that his sister, Mrs. Daisy Dokes, was seriously ill.

Birthday Celebration
Gay Ann McFarland celebrated her 17th birthday with dinner at the El Monterey in Clovis on July 22.

Those present were: Denease Magness, Deann Buske, Laura Nell Hardesty, Benny Grubbs, Betty Zon Ashcraft, Mary Bell McGlothlin, Sally Osborn, Carol Blackburn, Pfc. Ralph Reed, son of Mr. and Mrs. G. E. Reed, left the states Friday for Korea.

Mrs. J. H. Graves of Houston, mother of Mrs. Giles Cobb, and her two sisters, Mrs. O. M. Durham of Cotulla and Mrs. Bernesea Jodon and son Leslie of Houston arrived in Friona Tuesday.

Cpl. T. G. Cobb, son of Mr. and Mrs. Giles Cobb, has returned home from Germany, where he has been stationed for the past 22 months.

Congregational Church Bible School Scheduled
The Congregational church has announced that they will begin their daily Vacation Bible school July 27.

There will be five classes, from the eighth grade down to the nursery.

Mrs. George Trieder is chairman and Rev. L. J. Knight is the pastor. All children are invited to attend the school.

Couples Bridge Club Met Monday With 28 Present
The Couples Bridge club met Monday night with 28 present.

Mrs. John Chandler won high score for the ladies and Bill Stewart won high for the men.

Hostesses for the evening were Mr. and Mrs. Sloan Osborn, Mr. and Mrs. Roy Miller, and Mr. and Mrs. Carl Maurer.

Those present were: Mr. and Mrs. Frank Spring, Mr. and Mrs. Casey Dunn, Mr. and Mrs. Glenn Reeve, Mr. and Mrs. Dan Ethridge, Mr. and Mrs. Hadley Reeve, Mr. and Mrs. Steve Struve, Mr. and Mrs. J. T. Gee, Mr. and Mrs. Wesley Foster, Mr. and Mrs. Weldon Dickson, Mrs. John Chandler, Bill Stewart, Mrs. Mary Bagot of Amarillo and Miss Rhea Nell Foster.

BAPTIST CHURCH NEWS
On Wednesday morning an opportunity to express thanks to God for the rain was held at 10 o'clock, at the church.

The Junior girls of the church left for camp Monday. They returned Wednesday.

There were 338 in Sunday school at the Baptist church.

Hospital Notes

Patients in Hospital
A. Lawther, med.; Mrs. Joe F. Martin, OB; Simon Garcia, med.; Richard Jaime, med.; Jose Jackson, med.; Maria Ortiz, med.; Mrs. G. P. Owen, med. C. E. Sheppard, surg. Mrs. Mark Matthews, OB; C. A. Perrin, med.; Mrs. F. M. Martin, med.; S. Fluit, med.; Mrs. O. B. Sumner, surg.; Mrs. G. A. F. Parker, med.; Manola Castillo, OB; Mrs. E. B. Berryman, med.; Francis Moran, surg.; Mrs. W. H. Craig, med.; James Harris, surg. and Floyd Olson, inj.

Patients Dismissed
Francis Cook, med., 7-19; Melvin Burgess, surg., 7-20; Mrs. Marilyn Gilliland, med., 7-20; Murray Wilhite, ortho., 7-20; Mrs. Raymond Mobley, med., 7-18; Wallace White, OB, 7-20; Mrs. Bill Woods, OB, 7-19; Mrs. Mary Mieri, OB, 7-20; Mrs. D. D. Henslee, OB, 7-20; I. T. Kirkland, med., 7-21; Coleman Wright, surg., 7-21; Mrs. M. G. Reinauer, med., 7-20 and Mrs. U. V. Pierce, OB, 7-21.

Births
A daughter to Mr. and Mrs. U. V. Pierce, 7-18 and sons to Mrs. Mary Mieri, 7-18; and Mr. and Mrs. Joe Martin, 7-20.

SON FOR JACK BRUMLEYS
Mr. and Mrs. Jack Brumley announce the birth of a son on Monday July 20 at Northwest Texas Hospital in Amarillo. The new-comer, who checked in at 7 pounds 5 ounces has been named Jack Warren Brumley. Paternal grandparents are Mr. and Mrs. Bonnie Brumley.

right on the farm, Secretary of Agriculture, Ezra Taft Benson said.

Farm Storage
The Secretary believes that every farmer should be adequately equipped to handle grain storage.

A and B communities will vote at the usual two polling places in the courthouse, C community at the Walcott school, D community at Sims Community House, and E community at Daniel Community House. Voting time is from 8 o'clock Friday morning to 7 that evening.

Members of the solicitations committee who are contacting local business men for contributions to the fund are Lyle Biantos, Clint Fromby, V. E. Dodson, Pete Carmichael, Horace Vaughn, Marion Sakins, John Aikin, E. B. Hedrick and Ray Cowser.

Contribution checks will be made out to the Chamber of Commerce and will be deposited in the First National Bank of Hereford.

Others added their assent to the program as they were called upon by Anson.

These included Glenn Phillips of the Arena Company, who said that his company would match dollars with any of their growers who would go along, Henry Benson, who agreed to the proposal, and Jim Brophy said that research had kept Salinas, Calif., in the lettuce business, and he had seen how important research was.

Contribution checks will be made out to the Chamber of Commerce and will be deposited in the First National Bank of Hereford.

Others added their assent to the program as they were called upon by Anson.

These included Glenn Phillips of the Arena Company, who said that his company would match dollars with any of their growers who would go along, Henry Benson, who agreed to the proposal, and Jim Brophy said that research had kept Salinas, Calif., in the lettuce business, and he had seen how important research was.

Members of the solicitations committee who are contacting local business men for contributions to the fund are Lyle Biantos, Clint Fromby, V. E. Dodson, Pete Carmichael, Horace Vaughn, Marion Sakins, John Aikin, E. B. Hedrick and Ray Cowser.

Mr. and Mrs. Carl Perrin Complete Vacation Trip

Mr. and Mrs. Carl Perrin have returned after a three weeks' trip to Wisconsin, Minnesota and the Dakotas. At Green Lake, Wisconsin, they attended one of E. Stanley Jones Ashrams and at Pierre, S. D., they visited Mr. and Mrs. Joe Poindexter, former Hereford residents.

They returned by Colorado and stopped at Long Shaggy Mountain Ranch for their niece, Sue Kirby, who had been at the camp for four weeks.

Fillpot-Bettis Marriage In N. Mex. Announced

Mr. and Mrs. C. A. Fillpot announce the marriage of their daughter, Nadine, to Robert Bettis, son of Mr. and Mrs. M. A. Bettis.

The couple were married in New Mexico on July 13 and have moved to Chicago, Illinois where he has entered a trade school.

Birthday Party

Members of the North Hereford Home Demonstration Club honored Mrs. Mary Bodkin at a get-together Saturday afternoon. The group met at Mrs. Bodkin's home where refreshments were served to Mesdames Otto Olson, Harold Pettyjohn and sons of Monahans, Louie Olson, Fred Barrett, R. E. Barrett and daughters, W. H. Russell, Lloyd Neill, R. A. Fullwood, C. L. Whitehead, O. L. Williams, O. C. Williams, Lines Campbell, Magie Crawford, Miss Roberta Campbell and the hostess.

Auto Accident Caused Minor Damages Monday

Minor damages occurred in an accident here Monday morning on West Third street.

Mrs. Stella Gaddy Parker, driving a 1949 Packard, was parallel parked on West Third street. She pulled out of her parking place and collided with a 1950 Chevrolet driven by Selverio Cientifico Gasman of Centerville, Calif.

Mrs. Parker was charged with failure to grant the right-of-way. Damages were estimated at \$50 to the Chevrolet and \$15 to the Packard by investigating officers.

Card of Thanks

We wish to express our sincere gratitude for every expression of kindness in the death of our beloved husband and father.

Mrs. C. E. Kerr and family.

Chemical control of hardwoods, through research conducted by the Texas Agricultural Experiment Station, has been proved both practical and profitable.

Even under drouth conditions, areas treated with chemicals for brush control will produce twice as much grass an acre as will untreated areas.

The Texas Purebred Dairy Cattle Association was organized by representatives of the Ayrshire, Brown Swiss, Guernsey and Jersey breed associations at a meeting held in College Station on July 10.

They Seem Ready For It, Too

Signs Indicate Texas Tech May Eventually Reach SW Conference

By Harold V. Ratliff
Associated Press Sports Editor
There are signs all along the way to indicate Texas Tech will eventually be admitted to the Southwest Conference. The fact that only one Southwest Conference member is on the 1953 Red Raider schedule might be construed as pointing the other way except that this appears no criterion if past years are studied.

In seasons when Tech played as many as four conference members there was no indication whatever that the league was even thinking about Tech coming in. But now, with only Texas AM on the schedule, there are many things leading to the cautious opinion that there'll come a day—maybe next winter when the conference holds its next meeting.

Getting More Votes

The vote at the last meeting—in May at Fort Worth—definitely was three to admit Tech and three against. One vote was all the big Plains school had been able to muster until that time.

An agreement by conference members to a tieup between Humble and Tech for broadcasting Tech sports events, some in direct competition with the broadcast of Southwest Conference events, is another indication that the SWC boys are looking favorably toward Tech and will be welcoming them into the family soon.

And there's one thing for sure—Tech is going to be ready for it. The athletic program worked out would make Tech a member on equal footing with anybody in the Southwest Conference.

Conference Schools Lucky
Looking over the Red Raider football prospects you reach the conclusion that it may be fortunate that the conference schools aren't playing Tech this year—that is fortunate for them.

That should be one whale of a team coming up in Raiderville this fall. Weaver has 33 lettermen and he has some of the brightest freshman prospects in the country. Freshmen can play varsity football at Tech under Border Conference rules, and some of those youngsters may see action. But it wouldn't appear that many of them will be needed.

Weaver Optimistic
Weaver, an optimist as coaches go, says he'll have his best team since coming to Tech. "I have no doubt that we'll be vastly improved over last season it's just a question as to how much better

the other teams are than in 1952," Weaver says. "If their degree of improvement is about the same as ours, we logically should end up with a 6-5 record. If they don't come along as fast as we have then with a fair amount of breaks, we could have a better mark than 6-5."

Last season Tech had a 3-7-1 record but among the games the Raiders failed to win there was only one in which they did not either lead, have a tie score, or come within one touchdown in the final period.

(Continued on Page 2)

Strictly Personal

Funk Will Meet Clements Here Saturday Night

Four of the high ranking wrestlers of the Southwest States area will provide a heap of mat action here Saturday night.

A personal rivalry of long standing will make itself evident in the top section of the double feature. Dory Funk, five times champion of the Southwest States, meets his old and respected rival, Ray "Big Train" Clements.

War On Again
Clements was refereeing in Amarillo last week when Funk was beaten by Roger Mackay in a championship match. As the fight ended, Funk landed a couple of hard rights on the Clements chin, and the war was on again. Clements challenged the ex-champion and Funk accepted. They'll do their stuff in the Hereford arena, and it is expected to be one of the roughest, toughest wrestling brawls seen here in a long time.

Setting the stage for the main event will be another rough match. Cowboy Carlson, of Ekalaka, Montana, meets urt Von Poppenheim, the rough and rugged German from Koenigsburg. What happens in this one probably shouldn't happen to a human being.

Bitter Enemies
They are bitter enemies. Von Poppenheim and Carlson, and the action is due to be quite severe. The Proud Prussian has lost four front teeth in previous engagements around here, two of them by Carlson.

Long, broad-shouldered Carlson, (Continued on Page 2)

WINNERS IN THE CAR RODEO Sunday at the Hereford Riding Arena were Pat Newell, right, president of the Hereford Road Knights, and Lanny Wilkins, member of the Rebel Custom Car Club. Wilkins had tied with Duane Stoddard of the Amarillo Dusters, and won the trophy on a coin toss. A custom car show set for Sunday afternoon was postponed. (Staff Photo.)

Newell Takes First Place In Car Rodeo

Pat Newell, president of the Road Knights, took the first place trophy Sunday afternoon at the Knights' car rodeo with a total elapsed time of 3 minutes 5 seconds, including 30 seconds in penalties.

Duane Stoddard of the Amarillo Dusters and Lanny Wilkins of the Rebel Custom Car Club tied for the second place trophy with 3 minutes and 15 seconds each, including penalties. Wilkins won the trophy on a toss.

Obstacle Course
The course each driver traversed included parallel parking; stopping within the shortest distance of a line, both driving forward and

backing up; simulated garage parking; backing over a twisting course and driving between double rows of tin cans without hitting them with either side of the tires.

(Continued on Page 2)

Hereford Is Downed Again By Springlake

CHIP SHOTS

By Bud Posey

Remember golfers, we journey to Littlefield this Sunday, July 26, and play an intercity match at the Littlefield Country club. Those players who want to go early can start their matches at 10 o'clock.

Those players desiring to attend church first Sunday morning can commence their matches at 1 or 1:30 o'clock. Please turn in your name to the Pro shop prior to Sunday morning if you plan on going. You may also eat lunch at the Littlefield Country club at 12 o'clock noon. Points will count as one for the first nine holes, and one for the second nine holes and one for the 18 holes.

Wins Putting Tourney
Dr. R. E. Lingerfelter, runner-up in the 1953 city tournament, won last week's putting tourney, by shooting a sensational 13, five under par on the last nine holes for a total of 63, nine under par for the 36 holes. He received two golf balls for his efforts.

Walter Seed had a six under par 66 for second place and two balls. Other winners of one golf ball were:

Ray Hardy-68.
Wendell Burdine-69.
Sam Gilbreath-69.
Earl Stagner-70.

Twin Aces
Mac and Earlaced two out of three extra holes to win after being tied with Joe Butler, Logan Cummins, Jim Wood, and J. M. Posey.

Lucille Posey won the ladies division with an even par 72, for one golf ball.

Other golf ball winners were:
Helen Ann McWhorter-74.

Rowena Posey-82.
Earlene Ross-84.

Boys' Division
Jeff Minton won the boys' division with an even par 72, after being tied with Dale Taylor in a sudden death play-off on the second extra hole.

Friday night at 8:30 o'clock a 36 hole medal play partnership putting tournament will be held. All entries must be in by 8:30 o'clock Friday night, and partners will be drawn for them. Entry fee will be 50 cents. Golf ball prizes will be awarded.

Match Play Coming
In the near future (date to be announced) a match play city championship putting tournament will be held. It will last three successive Friday nights. A handsome putting trophy will be awarded the putting champion with golf balls going to other winners. Entry fee will be only 50 cents, so, watch for the dates of this event.

Friday Rally Is Set By County 4-H Girls

4-H girls of Deaf Smith county will have a Rally Day at the Veterans club house Friday.

Tom Hart, representative of Southwestern Public Service, will give the program on using electricity wisely.

Better Lamps
Another part of the program will be on how to make better reading lamps from a table lamp or a floor lamp that members already have. Each 4-H club will present part of the program.
Registration fee will be 35 cents.

By Billy Paul Knox

Springlake defeated Hereford for the second time this season Sunday afternoon at Vets Park, 6-5. Springlake led off with one run on three hits in the first inning. A double play prevented further damage. Hereford was blanked in the first.

In the second Hadon singled but Renner retired the side scoreless. In the same inning Renner walked but Carrol grounded into a double play to erase this threat.

It was Springlake scoring one more run in the third. They got one hit with Hereford making two errors. Hereford was held hitless for the third straight inning as Dick Banks pitched marvelously. Springlake was scoreless while Hereford connected for their first single. It was single slugger Stewart. It did no good as Hereford was scoreless.

Springlake lengthened their lead to three runs in the fifth by scoring one run.

Jackie Burrus battled in two runs and Wendell Burdine another as Hereford tied the game up in the fifth. The big blow was a double by Jack Burrus.

Springlake got a walk and a double in the sixth but Renner got out of it with no runs. Hereford went ahead with two runs in the sixth. They hit safely twice and Springlake made three errors.

The seventh went by with both teams putting nothing across.

The eighth was the big inning for Springlake as they scored what proved to be the winning runs. They countered three with Hereford making three errors. These runs proved to be fatal to Hereford as they were blanked in the eighth and ninth with Spring-

lake blanked in the ninth also. George Matthews is the winner. Johnny Renner is the loser. Jackie Burrus was the only Hereford batter getting more than one hit. He got two. Mike Dent led Springlake with three hits.

AT THE NATIONAL BOY SCOUT JAMBOREE which ends today (Thursday), Second Class Scout David Brumley of Hereford Troop 52, holds a bottle of Coke as he talks to Second Class Scout Eddie May, of Hereford Troop 50, who is wielding the mallet while they were setting up their tent at Irvine Ranch

at Santa Anna, Calif. David and Eddie are two of the seven Hereford Scouts, accompanied by Bill Phillips, who were able to attend the jamboree this year. After special side trips, the boys will be back in Hereford next Tuesday, July 28.

Northwest Hereford News

By Mrs. R. C. Childers
Out-of-town guests in the Jim Clement's home this week end were: Mr. and Mrs. John Clements and Ann from Ft. Worth, and Mrs. Ruby Clements from Galveston.

Sunday guests in the Jim Clements home included the above guests and out of town guests, and Mr. and Mrs. J. E. Kilpatrick from Lubbock and Mr. and Mrs. Hermon Paetzold from Hereford. Elizabeth Clements from San Antonio is visiting in the home of her aunt, Mrs. Raymon Higginbotham and family this week.

Visited In Spur
Pat Hogan visited his parents, Mr. and Mrs. Ned Hogan in Spur, this week end. Pat is a brother of Mrs. Higginbotham and is associated with Mr. Higginbotham in farming interests here.

John Johnson from Pampa and Mrs. J. H. Babcock, J. H. Jr., and Sweetie from Kermit are visiting in the R. C. Childers home this week. Mrs. Babcock and family have been visiting for a month with her parents, Mr. and Mrs. Earl Johnson in Harrison, Ark. Mr. Johnson is Mrs. Childers' brother, and Mrs. Babcock is Mrs. Childers' sister.

Visited In Amarillo
Joe Eddie Scott, daughter of Mr. and Mrs. Ira Scott, visited in the homes of relatives in Amarillo this week. They were Mr. and Mrs. H. V. Lee, Mr. and Mrs. Reed Nichols, and Mr. and Mrs. Flake Thurman.

Joe Eddie also visited in the homes of her grandparents Mr. and Mrs. L. W. Scott and Mr. and Mrs. John Waller in Canyon Friday.

Mr. and Mrs. Flake Thurman from Amarillo spent the week end in the Ira Scott home. Mrs. Thurman is a sister of Mrs. Scott.

Douglas Bracken was a guest of Raymon Childers in the R. C. Childers' home Sunday.

Mr. and Mrs. Moses from Olton were guests in the home of Mr. and Mrs. Jack Renfro Friday.

Visitor From Abilene
Mr. and Mrs. Boyd Wisdom from Abilene spent Thursday and Friday in the home of Mr. and Mrs. Jack Renfro. Mrs. Wisdom is an aunt of Mrs. Renfro.

Mrs. Fain Ceasar, Jane and Ann, and Mrs. Jack Renfro were callers in the home of Mrs. R. C. Childers Friday afternoon.

Charlotte Hodges, daughter of Mr. and Mrs. Charlie Hodges, has been ill the past week.

Mrs. R. C. Childers and Patsy visited Mrs. Fain Ceasar, Jane and Ann in the Elm Courts Saturday afternoon. The Ceasars left Sunday for their home in Oklahoma City. Mrs. Ceasar is a sister to Jack, and Ceasar has been associated with Renfro in the potato harvest here and at Muleshoe.

Man Apprehended
A Latin - American was apprehended for prowling on the premises of the R. C. Childers farm Monday night about 10 p.m. and was held by Childers until police officers arrived and took him for questioning. Phones in this vicinity have been out of order and the call for the officers had to be put in over a neighbor's phone.

Those out of phone service on this party line are the Earl DeHarts, Pat Robinsons, Raymond Higginbothams and R. C. Childers.

Mrs. J. H. Babcock and Sweetie, Mrs. R. C. Childers and Patsy, and Elizabeth Clements from San Antonio all went swimming at the N. D. Bartlett pool Tuesday afternoon.

Every 15 minutes a barn building burns somewhere in the U. S.

co-holder of the Southwest States tag team championship with Dory Funk, has found the arrogant German to be an obstinate opponent. So far their matches are about even, with the monocol Teuton holding a slight edge.

Bob Cummings was winner of

Newell . . .

(Continued from Page 1)

Reliability Race

In the reliability race, which was run within the legal speed limit, Jimmy Cramer of the Road Knights won with a time of 1 hour 17 minutes, beating Charles Green of the Amarillo Dusters by just one minute. The course was about 75 miles long.

Others taking part in the two events were Doyle Zeck, Howard DeShazo, Duane Stoddard, Bill Gundlach and Corky Pamplin of the Dusters and Dale Hinds of the Road Knights.

A "custom car show" which was planned for Sunday afternoon was postponed because of the possibility of rain. It will be held at a later date, Newell said.

United Church Women May Furnish Libraries

There are more than 300 villages in the environs of the City of Allahabad, one of the centers in India from which Dr. Frank C. Laubach is carrying on an intensive campaign to erase illiteracy.

He has recently proposed to the United Church Women that it "take on a long-term project" that will supply Indian villages with small libraries. He would begin with the 300 villages and then extend out from Allahabad as funds permit.

Each village library should include, says Dr. Laubach, a mantle-burning oil lamp (something new to India), forty to sixty simply-written books in the local language, and a pest-proof and damp-proof case to hold the books. Each of these "field libraries" would cost about \$25, he estimates.

BARBARA ALLEY — Teacher

the first event of wrestling Saturday night.

Tommy Martindale of Milwaukee Wis., took the first fall in 12 minutes with a reserve body jackknife, but Cummings of Hereford took the other two falls in 14 and 7 minutes with the knee action leg binder.

The main event was between "The Proud Prussian" Kurt Von Poppenheim of Oenigsburg, Germany, and Roger Mackay, of Salt Lake City, Utah, wrestling for the Southwest States Junior Heavyweight title. They wrestled one hour to a draw, no falls.

Signs . . .

(Continued from Page 1)

Stronger Offensively

They're going to be much stronger offensively, possibly weaker defensively. There will be more abundant passing and Bobby Gavazos should be one of the greatest

running backs in America.

Tech will be two and three days in lettermen at all positions and there are 14 veteran backs.

The Raiders play Oklahoma A&M, Mississippi State, Tulsa, Houston and Texas Western on the road and they get West Texas State, New Mexico AM, Arizona, Hardin-Simmons Texas AM and College of Pacific at home. It's a tough schedule but Tech appears to have the horses to breeze through it.

Work Of Pioneer Couple Included Building School

FRIO—The passing of Mrs. W. Green last week was of special significance to this community. Green pioneered here and is one of the reasons for a great many of the privileges now enjoyed by so many here.

Mr. and Mrs. W. B. Green and their children moved into this community, into a dug-out near where the Prisoner of War camp was located during World War II. The children attended Hereford schools after they started to school at the Percy Ester in a dug-out that was located on the west bank of the Frio Draw, near the J. E. Andrews home.

In the spring of 1903 the Greens moved to the H. D. Robbins place here they made their home almost 30 years.

Helped Build School
In June, 1903, they helped build the Frio school, on a corner of the Green property which was given the Green family for that purpose.

The first school in the new building was taught by Miss Laura V. Sumner, now of Amarillo. Boxes were arranged for desks and students brought chairs from home to the school.

Mr. Green died in 1921.

It was the pioneer families like Mrs. Green who kept on with an undaunted spirit when discouraging times might have made less determined people give up. The Greens sold their home to the Robbins and moved to Hereford in 1930, but Mrs. Green's influence lingers on, and his community shall always be indebted to her.

FRIO NEWS

By Mrs. Owen Andrews
Mrs. Don Cox, who is living here with her parents, Mr. and Mrs. H. Thompson, while her husband is on duty with the Navy, employed as a nurses' aide at the Deaf Smith County hospital. Mrs. E. B. Berryman is in the hospital, but was reported much better Monday.

Daughter Born
Mr. and Mrs. Wallace White announced the birth of a daughter, Linda Sue. She was born July 16. Guests for Sunday dinner in the home of the W. H. Thompsons were Rev. and Mrs. D. W. Ward and daughters.

Mr. and Mrs. W. H. Andrews and children, Mr. and Mrs. Billy and sons visited relatives in Elrose, N.M., Sunday afternoon.

Community Meeting
There will be a community meeting tonight (Thursday) for a discussion by former County Agent Elroy of Dimmitt on the Community Improvement Contest, sponsored by Farmer-Stockman. The purpose of the meeting is for

the people to hear about the contest, its advantages and conditions, so that they may consider entering if they would care to do so.

Visitors in the John Simpson home Sunday were Mrs. Elmer Gardner of Clovis and Mr. and Mrs. J. C. Simpson.

Mr. and Mrs. Leonard Irwin went to Washington, Okla., to visit their relatives. Mrs. Irwin's mother, Mrs. Dowdy returned home with them to visit here for two or three weeks.

Visit In Stephenville
Mrs. Glenn Gripp and Monte went to Stephenville Saturday to visit in the home of Mrs. Gripp's parents, Mr. and Mrs. Tait Morings. Her brother, Bill, who is stationed in the Eastern part of the country, was to be home on leave during the next few days.

Visiting the Dobbins and Vinsons recently were A. W. Scott, Sr., of Bradshaw, Mr. and Mrs. E. R. Scott, and Mr. and Mrs. Bob Gill of Abilene.

A nephew of Mrs. Dobbins, Mr. and Mrs. James Belew and children of Abilene, and a niece, Mrs. Verlon Reid and her husband of Big Springs visited the Dobbins and Vinsons, and in the home of Mrs. Dobbins' brother, Joe Scott, in the Jumbo Community.

Mr. and Mrs. S. D. Vinson of Big Spring visited their son, Edgar Vinson and family last week.

M. L. Dobbins of Winters and Mr. and Mrs. J. C. Belew, Charlotte and Scottie and A. W. Scott of Bradshaw visited the Dobbins and Vinsons' last weekend.

Letters From Son
The Dobbins have had letters and pictures from their son, Robert, who is with the Army in Japan.

Robert's Address is:
Pvt. Robert C. Dobbins
US 5406 9601
Prov. Co. 1347, APO No. 2
c/o P. M., San Francisco, Calif.

Wesley Lingley was honored with a birthday party Friday afternoon in his home. It was his fifth birthday. A number of his friends helped him celebrate.

Visiting the H. E. Lindleys Sunday were Mr. and Mrs. Alton Hardy, and Mr. and Mrs. Billy Hardy and daughter LaVerne of Shallowater. They are all former Wellington people.

Mother Visited
Mr. and Mrs. Lee Johnson of Seminole visited her mother, Mrs. H. M. Mobley and family during the weekend.

The W. H. Thompsons visited the J. B. Thompsons of Dimmitt Sunday afternoon.

The Junior Sunday school class was entertained with a party and hay ride at the A. D. Johnson home Friday night.

Those present included Joe Andrews, Jimmy Boyd, Tawana Thompson, Winnie Jo Irwin, La Von Thompson, Tommy Spark-

man, Bonnie Sparkman, Gerald Harder, Bobby Don Irwin, Delores Andrews, Larry Dobbs, Joe Dan Woolbright, Walker Farris, Pat Robbins, Doyle Johnson, Jeanette Wortham, Cletis Miller, Roy Miller, Mr. and Mrs. Robbins, Mr. and Mrs. Miller, Frank Woolbright, James Dobbs, and Dan McLallen.

Weiner Roast
The young people enjoyed a weiner roast and party at the F. N. Woolbright's home Thursday night.

Those present were: Nora McLallen, James Dobbs, Dan McLallen, Clark Dobbs, Sue Ewton, Nelda Lowry of Amarillo, Margaret Alston of Hereford, Rose Marie Yandell of Tahoka, Don Mobley, La Nell Mobley, Veradelle Andrews, Wade Thompson, Frances Andrews, Clark Andrews, E. V. Woolbright, Frank Woolbright, and Rev. and Mrs. D. W. Ward.

W. M. S. Meeting
W. M. S. met Thursday in the home of Mrs. W. H. Andrews for a Bible program led by Mrs. H. D. Robbins.

Those present for the meeting were: Mesdames Frank Robbins, E. H. Little, T. L. Sparkman, Jr., W. H. Thompson, H. M. Mobley, H. D. Robbins, D. W. Ward, Olin Parris, Don Cox, Davis Yandell, Owen Andrews, Miss Alma Andrews and the hostess.

The next meeting will be August 6 in the home of Mrs. Floyd Cole.

Those present for the Sunbeam meeting were: Jack Ronnie Andrews, Barbara Sparkman and Becky Little.

Clark Andrews has spent the past two weeks at home on furlough from Fort Bliss, where he is stationed with the Army. He returned to El Paso Sunday night.

Pies And Cakes Judged At Walcott 4-H Meeting

The Walcott 4-H club met in the home of Royce Lee and Merry Kay Pruitt Friday afternoon.

Mrs. Argen Draper judged pies and cakes that each member had brought. Loyce Avant, assistant county home demonstration agent, gave a talk on "How to Cut Cakes."

Attended Meeting
Those present were: Ettie Evelyn Walker, Janell Weavers, Merry Kay and Royce Lee Pruitt, Valeria Meier, Donna Sue Guseman, and Betty Hendricks.

Guests present were: Mrs. Jack Weaver and Mary Ruth, Mrs. Don Guseman, Katherine and Elizabeth Burrus and Bonnie Wagner.

Leaders are Mrs. Roy Pruitt and Mrs. Argen Draper.

The next meeting will be in the home of Valeria Meier.

Mid-June index of prices received by Texas farmers for their products dropped 5.7 percent from the previous month, according to the Department of Agriculture.

Plant grass waterways in the summer for moving the earth and seeding this fall.

Strict sanitation is the best way to keep your pullets from getting blue comb disease.

A&M Food Price Reflects Change In Cost Of Beef

COLLEGE STATION—The cost of living for students at Texas A. and M. College is going down.

The A. and M. College System board of directors recently voted to lower the cost of food by nine cents per day per student, in line with a suggestion by John G. (Jay) Peniston, supervisor of subsistence at the college.

This reduction affects all students who wish to pay their board bill in advance, although figures quoted here deal only with the Corps of Cadets, since mass information is available from that source.

\$20 A Year Saved
Before the reduction the board bill for students was \$1.32 per day. The new rate of \$1.23 will mean a saving of slightly more than \$20 per student during the academic year.

"Considering only the 4,000 students in the Corps of Cadets, that means a reduction of \$360 per day," Peniston said. "This is possible largely because of the recent drop in the cost of beef," he added.

"Students at A. and M. eat a lot of beef," Peniston said.

Meat Inspected
"Last year, for example, of 682,402 pounds of meat bought, 58 percent—or 395,793 pounds—was beef. That equals the total amount of meat available from almost 800 steers weighing 1,000 pounds each. Actually, it would take many more steers to supply us because only the best cuts are used; and all meat bought must bear a federal inspection stamp."

There isn't much of the better cuts available from any one beef. A meal of veal cutlets, for example will take the veal cloths from approximately 100 head of 450-pound calves.

A meal of beef roast—a fairly less beef chuck from about 25 head common cut—would use the bone of 850-pound steers, and a meal of veal T-Bone steaks would require about 154 head of 450-pound calves.

Peniston's department does not buy the whole beef carcass because that would require use of too many poor cuts, he says.

Served Family Style
Meals at A. and M. College are served family style in two mess halls capable of seating 8,000 persons comfortably. Food is served hot and the cadets take an average of 20 minutes to the meal.

Freshmen are the heartiest eaters averaging about 20 percent more food per man.

Second helpings are the rule, and as long as there is a student eating at one of the 10-man tables the serving-dishes are kept filled by student waiters, most of whom are attending college under A. and M.'s Opportunity Award Scholarship plan.

In addition to beef and other meat the student gets a salad, potato or potato substitute, a vegetable, dessert, bread, butter and drink with every meal except breakfast. Such meals require a lot of groceries.

Teal Nesting Longer Than Usual On Coast

BEAUMONT—Game Warden Jack Woodford of Beaumont reports that an unusually large number of blue winged teal ducks are nesting this summer in the coastal marshes. These small, fleet waterfowl usually are the last to leave Texas for northern breeding areas and also are the first to return, being very sensitive to cool weather in the late summer.

Woodford said he could NOT explain the new nesting manifestation. He did observe that the marshes were under water later than usual last spring.

The game warden reported an odd observation along the coast of Jefferson County. A pied-billed grebe was seen sitting on its nest of eggs which had floated away. This bird makes a very durable nest of salt grass, bull rushes and leaves and, in this case, the eggs were safely out of the water.

Song Of Anglican Bishop Heads Indian Ag School

MADRAS, India—Announcement has been made that Dr. Henry S. Azariah of Madras, a noted authority on agricultural economics, has been named as principal of the world-famed Allahabad Agricultural Institute, foremost agricultural school in Asia, to succeed Dr. Arthur Mosher, Presbyterian missionary and educator.

Dr. Azariah is the son of the late Bishop Azariah, head of the Anglican Diocese of Madras.

On November 9, 1950, the first MIG shot down by a Navy jet was flown by Lt. Cmdr. W. T. Amen from the aircraft carrier USS Philippine Sea.

On June 23, 1952, more than 280 planes from Task Force 77 teamed with Marine and Air Force aircraft to commence a two-day attack on four North Korean hydro-electric complexes including Suih, the world's fourth largest.

NATIONAL

FARM SAFETY WEEK

This is a week designed to call to your attention the hundreds of hazards to which you come in contact with every day of the year on your farm

It's a week in which all those little things which might lead to disaster should be fixed . . . Above all . . . It's a week that should help to keep you mindful ALL YEAR of your duties of safety on the farm and on the road. Let's make this a **SAFE YEAR!**

HELP US OBSERVE NATIONAL FARM SAFETY WEEK!

PACKARD MILLING CO. PITMAN GRAIN CO.

SEARS GRAIN CO. HEREFORD GRAIN CORP.

(Formerly Bradley Grain Co.)

For a once easy-going little town, Hereford nowadays comes up with more explosive situations than any other place I know. I never saw anything like it.

Most current on the controversy list right now is the Farm Bureau proposed building just east of the jail. The Commissioners Court last week allowed one of those \$1-a-year deals to the Farm Bureau to construct a temporary building—and it appears that some of the insurance men figure this is a little bit unfair since the Farm Bureau is extensively engaged in the insurance business. The F-B boys will, no doubt, come back with the argument that they also conduct other lines of enterprise and from that point on there will be a nice little controversy. Like most of these deals, it definitely has two sides—and each of the sides has considerable merit.

Also, don't forget the golf course squabble about water. It isn't over yet. It was brought out in the last City Council meeting that the course has used over a million

gallons of water during the first 15 days in July. This question is another toughie to settle.

The hospital situation is rugged. Looks like some controversy with the gas company. The telephone people never were happy with their last settlement and, if you run out of something to fuss about, there always remains the widening of 25-Mile Avenue as part of Highway 51. New on the horizon is the proposed Agricultural Experiment station—and if we have enough classrooms ready when school opens Sept. 8, it will be a stroke of fortune. Yes, sir. It looks like the places which sell aspirin should do a nice business. Maybe it is the times. Maybe it is "growing pains". Anyway, we have troubles and it looks like the only answer is for both sides in each controversy to try to meet the other side half-way—which is excellent in theory, but seldom in practical application.

Noticed where John Patton capped his flight in the annual "Old Man's" golf tournament at Amarillo

to this year. John has a habit of banging the ball right down the fairway, time after time. No outstanding distance shots, but always right down the middle. What's the matter with "Ole Posey" in this tournament? He doesn't ever enter. Does J. M. figure he isn't eligible in these "Old Man" jobs?

You've occasionally heard about the arguments between the Petrillo union and the radio stations. Remember when they couldn't play anything but "Jeanie With the Light Brown Hair"? I was talking with Clint Formby the other day and he says that KPAN has to kick back 2 1/2 percent of all its gross on radio programs which feature music, even down to the theme songs. This, of course, is in addition to paying rental service or purchase price of the records.

Mrs. Otis Hall says no one asked her about angle parking on a recent "Question of the Week," but she wants to sound off anyway. Skeeter figures it is dangerous and foolish in that it is causing a lot of accidents. Besides, she says there would be just as much parking room on a parallel set-up. This is another question which gets kicked around from time to time.

Material from The Hereford Brand was recently included in a Workshop Bulletin used by the Texas State College for Women, Denton, in a study course for Home Demonstration Agents of Texas. Material was taken from 18 Texas newspapers, large and small, for the bulletin and grouped with other training material by Frank C. Rigler, director of the department. Actually, it doesn't mean much—except that TSCW and the Extension Service are beginning to realize an importance in keeping the people informed on accomplishments of their program by using facts rather than propaganda. This trend in government is good. The people have to dig into their pockets and pay for these things and are, therefore, entitled to know what goes on in their execution. It is, after all, a small courtesy to the guy who is paying the bill.

Jack Dean was in town the other day. Jack is irritating out of the Conchas "ditch". He says he hasn't yet used his contracted acre-foot of water and he figures there will maybe be enough without having to use pumps to lift over the spillway. Nevertheless, the pumps are being readied for such an emergency. He furthermore says he has never seen a fish come down the ditches, but he understands that they sometimes do get across and ride down with the irrigation water. Jack figures on having some good feed.

Frank Marrs had a gleam in his eye Tuesday which boded evil for all trout in Colorado. Frank is an old hand at this game and, unlike some of the other boys, really snags the fish when he goes fishing. Also understand the Ralph McCulloughs are about ready for a little excursion, maybe this week. Jack Kirksey is just back from his annual jaunt and is brimming over with stories about excellent luck. Jack is the first fellow I've heard in a long time who had a gripe about the Colorado legal limits. Jack says they have cut it down to 10 fish a day—and 10 fish in possession at any one time—and he has difficulty in keeping within the law. Says he can fish a few hours and then has to quit.

Jack, incidentally, is one of the old school fishermen who still like to "rough it" in a tent. He gets a real kick out of a big campfire and the smell of wood smoke. He doesn't ever argue about the merits of the so-called "cabin campers", and he always snags his share of the fish. Another neat trick he has developed is some

tent poles made from 1-inch gas pipe. They are cut into short lengths and easily fastened together with regular unions, making them just the right length, unassembled, to carry nicely in his car.

S. O. Wilson is also back from Colorado, but the Wilsons only went for the scenery. No fishing. S. O. says where you could not get a cabin for love nor money a few years back that you can almost always drive in and get what you want now days. The drouth, he figures, has cut down the tourist traffic tremendously. In addition, quite a few tourists have been getting raw deals in Colorado. Stories say some of the places were asking \$20 to \$25 a day when people needed accommodations badly.

When I came to Hereford in 1937, the first editorial I ever wrote concerned the need of an experimental station. It appeared to be a "must" if this country expanded and came into its own. Last Tuesday the same old story was presented to a group of processors, shippers, growers and business people. All indications are that it will become a reality. They announced that Santa Fe has already put up \$6,000 and the vegetable people indicated one cent-per-package on all produce. Additional funds will be raised from the business people. All in all, they will probably wind up with around 35,000 to \$40,000 to finance the project, which will be under supervision of the A. and M. service.

A lot of money will be represented. However, it will go to the same purpose for which the big companies use research laboratories. It can easily do for the area what penicillin and allied compounds have done for the drug business. It can develop new crops, and it can originate new varieties of old crops. A lettuce variety requiring two weeks less growing time would revolutionize the local industry. Other crops face the same situation. No one else in the world is interested in seeing this country develop commodities adapted only to this area. There are in fact, a few places which might not even be too happy if such developments do occur.

Business conditions are not the best in the world, but the vegetable business has done a lot for this area and for you. Putting something back to make it do even more is only good business. It is not a donation. It is an investment. The proposed experimental station could easily become a turning point in all of our lives. No one needs to be hurt too badly, but it is really an obligation for the business people to support the movement. If there is any doubt in your mind, check with some of the folks who handle and grow vegetables. We needed an experimental station in 1937. Today we possibly need it more than ever before.

Belgian Congo Honors Methodist Missionaries

In a list of "honorary decorations" given by the government of the Belgian Congo for distinguished service to the country and people there appear the names of seven missionaries of the Methodist Church, one of them posthumously. Bishop John M. Springer, of Elizabethville, B.C., and of Chicago, Ill., received the medal and scroll of "Officer of the Order of Leopold II" and Mrs. Springer, deceased, "Chevalier of the Order of Leopold II." Both had earlier received other decorations by the Congo Government. Other missionaries decorated were: William S. Hughlett, M. D., of Minga, B. C. and Petersburg, Va., "Chevalier of the Order of the Crown"; the Rev. Henry T. Wheeler, of Tunda B. C. and Lashmeet, West Virginia, "Chevalier of the Order of Leopold II"; and "Gold Medals of the Order of Leopold II" to Miss O'Toole, R. N., of Minga, B. C. and St. Louis, Mo., Mrs. William S. Hughlett, and Miss Mary E. Moore, R. N., of Tunda, B. C. and Richmond, Va.

EXPERIENCE...
ONE WORD FOR WHICH
THERE IS NO SUBSTITUTE
WHEN IT COMES TO
Printing

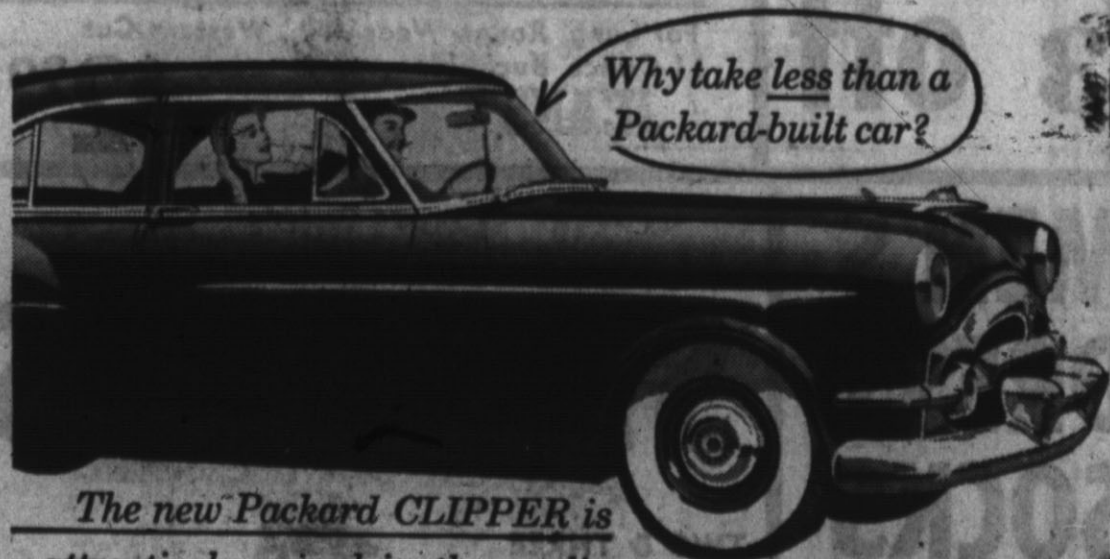

Every business man knows that in his own business there is no substitute for experience. Likewise he will agree that in the creation of finer printing craftsmanship experience is just as essential as in his own line. That is why it is important to you that you see us for your next printing job. Our years of experience gives us a background that assures you of the finer printing you have a right to demand.

State Fair Allows More Premium Money for Sheep And Goats

Premiums will total \$4,525 for sheep and goat shows at the 1953 State Fair of Texas in Dallas, Oct. 1-25, Ray W. Wilson, the fair's livestock department manager, has announced.

The premiums provide \$3,673 for sheep and \$850 for Angora goats. The total is \$46 higher than the 1952 premiums.

The sheep and goat shows will be presented as part of the first annual Pan-American Livestock Exposition during the first 12 days of the fair.

Banquet Planned Tuesday, Oct. 13, has been designated as Texas Purebred Sheep Breeders' Association Day at State Fair. A banquet for association members has been planned for that night in the directors' room of the Electric Building, Wilson said.

Judging dates for the various breeds are Oct. 12 for Southdown and Suffolk sheep, Oct. 13 for Hampshire and Shropshire sheep, Oct. 14 for Delaine-Merino and Rambouillet sheep and Oct. 15 for Angora goats.

Judges will include Owen Bragg of Talpa for Delaine-Merino; H. M. Briggs of Laramie, Wyoming, dean and director of the agriculture department of the University of Wyoming, for Hampshire, Shropshire, Southdown and Suffolk sheep; John Williams of El Dorado for Rambouillet, and Arthur Davis of Sabin for Angora goats.

Marine Biologists Study Rate Of Shrimp Deaths

ROCKPORT, June—A test to determine the mortality rate of both tagged and untagged shrimp is being made at the local Marine Laboratory of the Texas Game and Fish Commission.

The Chief Marine Biologist said one hundred untagged and one hundred tagged shrimp will be placed in an area under identical conditions, to determine the survival rate, as a part of the Gulf Coast project to study habits of shrimp which have become so popular as food. This particular experiment, designed to help improve the multi-million dollar shrimping industry, is in charge of Marine Biologist Howard Lee.

The Marine Laboratory is trying to improve knowledge of when, where and at what age shrimp spawn; how long they live whether they migrate and, if so, how far; and how long the present shrimp population can withstand the strain of increasing harvest pressure.

Pecos Man Is Fined For Poisoning Fish

AUSTIN—The case of a chemical company employee assessed \$545 in fines and costs for poisoning fish in Toyah Creek, tributary in the Pecos River, marks the recent arrest report announced by the Director of Law Enforcement for the Game and Fish Commission.

Game Warden R. E. Miller of Pecos, who made the arrest, said the man, who resides at Pecos, "gladly" paid up since he could have been sent to jail. Miller said Justice of the Peace Fenton Alley of Pecos justified the severity of the fine because some cattle recently were poisoned in a similar case. "Besides", the Game Warden added, "the people out here are trying hard to restore fishing in the Pecos and its tributaries."

Fines and costs for June totaled \$5,665.85 as compared to \$6,110.69 for last month, and \$6,740.40 for the same month last year.

Restoration Rules On Wildlife Given

The Director of wildlife Restoration for the Game and Fish Commission clarified regulations covering the newly established Snake Creek Wildlife Restoration area in Morris and Titus Counties. He said the five-year closed season effective until January, 1958, applies ONLY to deer and that the landowners, who have pledged more than sixty thousand acres to the project, may legally permit hunting of squirrels, doves, waterfowl and other species subject, of course, to state laws.

The Director pointed out that persons desiring to benefit from the open seasons as permitted by law must obtain permission from the owners of the land where they wish to hunt. The Snake Creek area is one of several created in Texas whereby landowners and hunters are cooperating with the Game and Fish Commission to restore big game.

He said this particular area was set up last fall too late to begin restocking operations immediately but he emphasized that the Snake Creek program has a high priority under the coming late fall trapping operations. The area is along Snake Creek and also adjoins Sulphur River to the north.

Ceremonies held July 2, 1953, at the Naval Research Laboratory in Washington, D.C., commemorated 30 years of scientific endeavor.

Household Scrapbook

By Robert Lee

Holes in the Lawn
Clothes props often make ugly holes in the lawn, which finally result in bare spots. To avoid this, place a discarded box, or cardboard carton, on the ground and stand the prop in this.

Table Silver
One of the easiest methods of washing table silver is to put it in a draining basket, having a handle. Place the basket in hot suds and wash the silver with a hand mop. Then rinse with hot water and allow to drain.

Meat
If a few drops of lemon juice are added to a piece of meat that is tough, as soon as it begins to boil it will make the meat tender and will also add a delicious flavor.

White Enamel
If a piece of flannel cloth is dipped into garden mold, it will remove the yellow spots from white enamel.

Leftover Tea
Do not throw away the leftover cold tea. Use it for watering the potted plants and it will enrich them wonderfully.

Scorched Food
If you think that food which is cooking is slightly scorched, take it quickly from the fire and stand it in a pan of water for a few minutes.

Linen
If linen has become yellowed from being stored away, it can be bleached by letting it soak in buttermilk for two or three days.

Varnish Stains
Varnish can often be removed from fabrics by saturating with turpentine, then rubbing between the hands, and finishing by sponging with alcohol or chloroform.

Navy Announces Rating Program

NEW ORLEANS, LA — Announcement of a special rating program in the Naval Reserve which allows civilian men and women to enlist and be assigned certain ratings up to and including chief petty officer, was made recently, by Eighth Naval District headquarters here.

The program, dependent solely upon the person's civilian experience, and by producing evidence that he meets the qualifications includes either civilians without prior military experience or ex-servicemen with considerable civilian experience. Particularly, this applies to anyone employed in a craft or semi-skilled position.

Need Experience
Applicants with supervisory experience of one year are eligible for assignment to first class petty officer; three years for chief petty officer.

Eligibility for enlistment in the Naval Reserve is the first primary consideration for people wishing to enlist under this program. Then, in giving consideration to their civilian skills, advanced rates can be awarded. No examination is required. Maximum age for third class petty officer is 35; second class and above, 44.

Contact Reserves
The Navy said that applicants interested in this program should contact the naval reserve unit closest to them. These local units can interview applicants and determine eligibility for second or third class petty officer.

TIDELANDS BILL PEN PRESENTED -- U. S. Senator Price Daniel (right) is shown presenting to the Texas Museum, represented by Tom Sealy, Midland attorney and University of Texas regent, the pen with which President Eisenhower had signed, on May 22, the bill restoring title of submerged coastal lands to the states. Cherry Trees Now Bloom On US College Campuses

The cherry tree, the blossoms of which symbolize the spirit of the Japanese people, is growing on many campuses in America as a result of a nation-wide campaign for funds to provide scholarships to help students at the new International Christian University in Japan.

Colleges in the United States whose students have contributed \$250 for a one-year scholarship at ICU have received a cherry tree. They include Alabama Polytechnic Institute, Arizona State College, Allegheny College, Baker Un-

iversity, Centenary Junior College, Doane College, Eden Theological Seminary, Goshen College, Grinnell College, Lawrence College, University of Maryland, Oklahoma A&M, Yale University.

Two Safety Films Shown To Hereford Kiwanis

Highway Patrol Sergeant Spear showed two traffic safety films at the weekly Hereford Kiwanis Club meeting last Thursday in Hotel Jim Hill. They were "Traffic With the Devil" and "Driven to Kill."

Bill Patton, president, presided at the meeting, which was attended by 25 members and one guest, Bill Carter of Amarillo.

Sheriff Lowell Sharp introduced Sgt. Spear.

Next Thursday the speaker is scheduled to tell about Dale Carnegie's course, "How To Win Friends and Influence People."

Demonstration Given To 4-H Girls Saturday

Martha Heard gave a demonstration on quick cakes to the Junior County Wide 4-H club when they met recently in the home of Victoria Urbanczyk.

The girls had a program of recreation and refreshments of cake and frosted cakes were served by the hostess.

Those present were: Lamelle Short, president; Sue Minor, Judy Hoff, Maxie Wiseman, Bonita Honen, Victoria Urbanczyk, and Ann Rose Dziuk.

Texas uses about 7.7 million acre-feet of water per year. But, this represents only about 15 percent of the average annual discharge of streams bordering or originating in the State. Texas uses two and one-half times as much water as in 1940.

Most farm and home accidents just don't happen. . . there is a cause for each. Carelessness is a major contributor.

CLOUDBURST HITS FORT WORTH SECTION -- Rain fell in torrents Friday afternoon in certain parts of Fort Worth, causing flood conditions in a city worrying about its water supply as are many other Texas communities. Cars are shown fender-deep in the Linwood Addition, which last experienced such a flood in May of 1949. (AP Wirephoto)

Program For Livestock Improvement Set By Fair

A new and aggressive program for improving the dairy industry in North and South America will be a major feature of the dairy cattle shows at the State Fair of Texas in Dallas, Oct. 10-25, Ray W. Wilson, the fair's livestock department manager, has announced.

Posting \$17,250 in premiums for four breeds, the dairy cattle shows will be an integral part of the 1953 Pan-American Livestock Exposition, which will run the first twelve days of the 16-day fair.

The dairy cattle shows have classes scheduled for Guernseys, Holsteins, Jerseys and Milking Shorthorns. In addition, the Texas Ayrshire Breeders Association will have a display herd of twelve head at Pan-American.

Premiums provide \$3,500 for Guernseys; \$5,000, Holsteins; \$5,000 Jerseys, and \$3,750, Milking Shorthorns. The judging schedule calls for Holsteins to hit the ring on Oct. 13; Guernseys, Oct. 14; Jerseys, Oct. 15, and Milking Shorthorns on Oct. 20.

"Our new program calls for a big-time regional dairy show where Southwestern breeders can exhibit their foundation stock to an international audience," Wilson explained.

"The Southwest is the nation's largest potential dairying region and it is the logical gateway for fine cattle to enter South American commerce."

International Market These basic, economic facts made fair officials determined to create an international livestock

Athlete's Foot Will Yield To Right Treatment

AUSTIN — You don't have to be a Mickey Mantle or a Babe Zaharias to be eligible for athlete's foot. You're qualified just by being human.

This ringworm foot infection can come to either sex at any age at any time, although it is probably more prevalent during summer months when feet are more apt to perspire.

You'll know you've got it when your feet begin itching and blistering, and when you see the boggy dead skin between the toes or on the soles. Take action then, and you can usually get rid of it in a hurry. But neglect it and you're in trouble.

Suggestions Here are some suggestions from State Health Officer George W.

market, or clearing house, at the 1953 Pan-American, he said. A good-will tour of Mexico made by fair officials last spring and 5,000 subsequent, personal invitations to Central and South American cattlemen will assure the fair an international audience, he added.

Pan-American will provide registration desks, a headquarters and English-Spanish interpreters for the convenience of buyers and sellers.

Handless Korean Lad Is Helped By GI'S

Korea — A detail of American GI's, mopping up in an advanced area of the Korean front, found a little Korean boy writhing in a ditch. He had been badly burned about the face and body, and both hands were gone. He had evidently been burned by a napalm bomb.

Despite his almost hopeless condition, the GI's decided to take him to their medical campmen for attention. The General became interested in the lad. He and fellow-officers of the First Corps collected funds.

In a short time they had \$75,000 to provide medical care and mechanical limbs for these innocent victims of the war. Only a brief time earlier, Church World Service—representing the Protestant churches of America—had begun a project at Severance Union Hospital, in the City of Seoul, to provide artificial arms and legs for Korean soldiers and civilians who had undergone amputations.

Many Lose Limbs It is estimated that about 10 percent of all war injuries among Koreans result in amputations, and that there are perhaps 20,000 such amputees today among the military and civilian population. It is reported that thousands of homeless children, searching for food and valuables among ruins, have touched off explosives and have lost limbs.

And there was available to head this Church World Service undertaking, a Presbyterian missionary, the Rev. Reuben A. Torrey, Jr., formerly of China. In the war between China and Japan, Mr. Torrey lost his right arm at the elbow.

Treated orthopedically and fitted with a mechanical forearm, Mr. Torrey is now able to give both technical and spiritual guidance to others. To his care this GI protégé was committed. He has undergone a series of operations, and has been fitted with mechanical hands. He has learned to read and write and draw with his feet, and is now learning to write with his new hand.

Nationwide Campaign Against Brucellosis In Cattle Started

A nationwide campaign to eliminate brucellosis from beef cattle herds as well as dairy farms is being launched by animal disease control authorities.

"The recent demand of many cities for dairy products from brucellosis-free herds has stimulated the campaign against the disease on dairy farms," the American Foundation for Animal Health reported this week.

Serious In Beef Cattle "However, officials added, brucellosis is just a serious in beef herds as on dairy farms. Single-herd control programs should at least be expanded to a county or state-wide basis," a spokesman said.

The Foundation outlined three "musts" for any successful control program:

1. Blood tests to identify infected animals. Ring tests conducted on milk to help locate infected dairy herds for subsequent blood testing.
2. Quarantine of all infected or carrier animals to restrict the spread of the disease.
3. Calftlood vaccination.

"Brucellosis can be controlled if everyone concerned will join in a program of this kind," the Foundation said.

Safety In Water Depends On Following The Rules

COLLEGE STATION — No one ever goes for a swim or participates in water sports with the idea in mind of becoming an accident victim. Water sports can provide relief from the heat and pleasure to the participants if the rules of water are observed.

Ignoring these rules on the other hand, can result in crippling injuries or death, says E. C. Martin, agricultural leader for the Texas Agricultural Extension Service and secretary of the Texas Farm and Ranch Safety Committee.

Seven Rules Martin says the number of drownings is in proportion to the care that is exercised by those who participate in water sports. He points out that if the seven cardinal water safety rules are followed closely, water accidents can be greatly reduced.

Here are the safety rules. Never swim alone or in unfamiliar water, especially in cold water, unless followed by at least two people in a boat.

Never dive into water until you are sure that no under-water obstructions are present. Don't go into the water for at least one hour after eating and don't stay in water after you become tired.

Never Take Chances Martin adds that the careful water sportsman never takes a chance with a small boat in rough water. Last but not least in importance, the safety leader cautions against moving around or "cutting-up" when out in a small boat.

Entire groups, he says have drowned as the result of a careless act on the part of just one member of a boating party.

Don't ruin your picnic, summer camp or vacation, warns Martin, by forgetting even for a moment that water sports can be dangerous.

Hereford Lad Is Now Settled At Boys' Ranch

Milton Trotter of Hereford has been at Boys' Ranch, located 40 miles Northwest of Amarillo, Texas, only a few days, but he is already fitting into the Ranch program with the other 200 cowhands.

Since western clothing is the favorite with the boys, Milton was quick to don his jeans and boots. Horses and horseback riding is a favorite with Milton at the Ranch and he is expected to make a top cowhand at the Ranch. The boys have already begun practice for their annual rodeo over the Labor Day weekend and Milton is right in there with the "seasoned" cowboys trying to stay atop those calves so they can come out in the winning when the rodeo comes off.

Swims Before Supper In addition to their regular chores, which all the boys participate in, the youngsters like to fish and swim in the two spring fed lakes at the Ranch, ride horseback and play baseball. After jobs are completed in the afternoon, Milton, along with the other boys, rushes to the lake to take a cool dip before supper. Under adult supervision he is becoming an excellent swimmer and diver.

It hasn't taken Milton long to get acquainted because of his fine personality and he has made a lot of new friends at the Ranch in the short time he has been there.

Today's automobiles require up to seven miles of wire for their electrical systems, with more than 8,300 parts forming as many as 180 different electrical assemblies.

Surging Power with a Single Purpose

Turning into traffic, you call on the surging reserve of acceleration that set new official AAA performance records for the Red Ram V-8.

SAFETY!

When you choose a car for your family, you call on your good judgment to obtain every measure of safety.

One safety factor you should certainly consider is the magnificent reserve of power that Dodge provides in the 140-h.p. Red Ram V-8 engine.

This power is there when you need it: For passing, for turning into highway traffic, for crossing intersections.

The cost of safety is very low: Dodge prices start below many models in the "lowest-priced" field.

Passing a truck on the highway, a touch of your toe brings instant, eager response. Dodge power reserve is a great safety factor.

Powerful brakes capable of developing more than 700 h.p. in stopping power, teamed with the Red Ram V-8 engine to bring you new mastery of every driving situation.

Christianity MUST Win! . . . CHRISTIANITY WILL WIN!

First Methodist

Fifth and Main
 Rev. S. M. Dunnam, pastor.
 Sunday morning services are held at 10:55 o'clock and Sunday school at 9:45 o'clock.
 The Sunday evening services are at 7:45 o'clock and MYF groups meet at 6:45 o'clock.
 Tuesday evening at 9:15 o'clock the Woman's Prayer group will meet in Ward Hall and at 8 o'clock the Board of Christian Education will meet.
 Wednesday evening at 7:45 o'clock prayer meeting will be held in Ward Hall.

Immanuel Lutheran

Park Avenue and B Street
 Rev. Harold Kaestner, pastor.
 Regular services of worship are held each Sunday morning at 10:30 o'clock with Sunday school at 9:30 o'clock, during July and August. "Saturday Bible School of the Air" can be heard on KPAN each Saturday morning at 11 o'clock.
 Sunday school teachers meet each Thursday evening at 8 o'clock for lesson preparation.
 Walther League meets each Sunday evening at 7:30 for play practice.

St. Thomas Episcopal

West Ninth and 25 Mile Ave.
 The Sunday morning worship service is at 8 o'clock with Sunday school at 9:30.

Wesley Methodist

Rev. Eugene L. Naugle, pastor.
 The Wesley Methodist church, meeting in the District Court room will have Sunday school at 9:45 o'clock in the morning and worship services at 11 o'clock. Evening services are at 7:30 o'clock and MYF is at 6:45 o'clock.

Christian Science

Christian Science services are held each Sunday morning at 11 o'clock in the Star Theatre.
 The Lesson-Sermon to be read in Christian Science churches this Sunday will be on the subject of "Truth." The Golden Text is from (Psalms 43:2,3). "Thou art the God of my strength. . . O send out thy light and thy truth. . . let them lead me."

Seventh Day Adventist

Third and Lawton
 Rev. C. C. Balsler, pastor.
 Sabbath school is at 9:45 o'clock and worship services are at 11 o'clock on Saturday morning.
 The Lesson Sermon will be "Christ's Sacrifice on Calvary." Memory verse is Luke 23:46 and Mark 15:38. Study helps are Desire of Ages, chapters 74, 75, 77, 78, 79.

First Baptist

Fifth and Main
 Rev. Howard Scott, pastor.
 Sunday school at the First Baptist church is held at 9:45 and the morning worship services are held at 10:50 o'clock.
 Sunday evening the training union will be held at 6:45 with the evening worship at 8 o'clock.
 Superintendents meeting will be held each Wednesday evening at 7 o'clock with teachers and officers at 7:15. Prayer meeting is held at 8 o'clock.
 Bob Lawrence is the educational director and Shirley Sharp is secretary.

CAST YOUR BREAD

"He shall be blessed that giveth his bread to the poor," Prov. 22:9. Have you ever tried this formula? It works! Compassion of American service men for little war orphans is bread that will come back to America some day. A mischievous college boy was given another chance. Years later, the wealthiest man in his state, he paid off his Alma Mater debt. Giving is not losing. To give is to gain. *Generosity expands the soul, gives one more capacity to receive.* Jesus said, "Give and it shall be given to you; good measure, pressed down and running over." Every moment is the right time to cast on the waters the needed piece of bread. Why not cast this very day.

your

First Christian

Sixth and Main
 Rev. Don Root is the pastor of the church.
 Junior Camp will be held from June 22 to 26 at the First Christian Church.
 Sunday school is held each Sunday morning at 9:45 o'clock and morning worship is at 10:50 o'clock.
 The youth meetings are held each Sunday night at 6:30 o'clock and Sunday evening worship is at 7:30 o'clock.
 Wednesday evenings choir rehearsal is held at 7:30 o'clock.

Assembly of God

Union and Ave. G.
 Rev. Walter E. Lane, pastor.
 Each Sunday morning Sunday school is held at 9:45 and the morning service is at 11 o'clock.
 Young people's and junior children's church meets on Sunday night at 7 o'clock.
 Each Sunday afternoon at 1 o'clock over KPAN the Assembly of God church has a radio program.
 The W.M.C. meets on Thursday afternoon at 2 o'clock.

Avenue Baptist

22 N. 25 Mile Avenue
 Sunday school is held at 9:45 and the morning worship services are held at 11 o'clock.
 Training Union is held each Sunday evening at 7 o'clock.
 Evening worship services are held on Sunday evening at 8:15.
 Mid-week prayer services are Wednesday night at 8 o'clock.
 W.M.U. and Sunbeams will meet at 3 o'clock Friday afternoon.

Church of Christ

205 E. 6th Street
 Bible school is held each Sunday morning at 10 o'clock, with morning worship at 11 o'clock.
 The Young People meet Sunday evening at 7:15 with evening worship at 8 o'clock.
 Wednesday evening prayer services are held at 8 o'clock.
 The Hereford Church of Christ radio broadcast is heard daily at 9:30 over KPAN.
 The nationwide broadcast by the Church of Christ is each Sunday afternoon at 1 o'clock.

Church of Nazarene

Fourth and Jackson
 Rev. Levi Louderback, pastor.
 Sunday school hour is at 10 o'clock Sunday morning.
 Each Sunday morning worship services are held at the Church of the Nazarene at 11 o'clock.
 N. Y. S. is held each Sunday evening at 7 o'clock, with evening services at 8 o'clock.
 Prayer meeting is held each Wednesday night at 8 o'clock.

St. Anthony's Catholic

Harrison Highway at 25 Mile Ave.
 Father Bartholomeu, Paytas pastor.
 Sunday morning Masses are at 6:30, 8, and 10 o'clock.
 Daily morning Mass is at 7 o'clock at the new church and 8:15 o'clock at the old church.
 Holy Hour is each Thursday night from 8:30 to 9:30 o'clock.
 Confessions: Each Thursday night from 8:30 to 9:30 o'clock.
 Saturday afternoon from 5 to 6 o'clock and 8 to 9 o'clock in the evening.

FOIBLES

Kent Snare
 Although, to date, there are not enough television antennae extant in Hereford and its environs to make a passing fly-boy think he has encountered a picket fence, there are sufficient numbers of them to evince interest, by the on-lookers in the NCAA video setup.

Here, via Will Grimsley and the AP, is a peek at next fall's restricted collegiate television schedule. As you may know, the National Collegiate Athletic Association sets up the format. It lays out certain restrictions but it doesn't select the games, beyond having the final yes or no. The original selection of the fall program is made by the TV network, which has the contract for the broadcasts.

This network is selected on a best bid basis and for the second year in a row NBC has been the successful bidder. NBC lines up the schedule and presents it to the NCAA for final approval. Only one

Fancy and Plain

collegiate game a week can be televised in its entirety. Panoramic broadcasts are permissible but are limited by the production expense involved. The NCAA has ruled that a game must be picked up from each of the eight geographical districts of the association, which regulation could not be met prior to this year on account of cable limitations.

No team can appear more than once annually. As far as possible teams which did not show on TV in 1952 were to be included in the 1953 roster. I neglected to state that there is another interested party in the TV approval process. That, of course, would be the sponsor who lays out the moola and makes all this possible and attractive. This lap it is General Motors who laid approximately three million bucks, American on the line, and hope they can sell enough Chevrolets to take up the slack, since the Cadillac crop of sales,

TEXAS MOTHER RECEIVES HERO'S MEDAL -- Mrs. Lois B. Kinler of San Antonio, Tex., accepted in Washington the other day from Secretary of the Navy Robert B. Anderson (left) the Medal of Honor, awarded to her son, Navy Hospitalman John Edward

Kinler, who was killed in battle in Korea last August at the age of 22, while aiding a wounded marine. His brother, Staff Sgt. Robert Kinler, stands beside their mother. (AP Wirephoto)

Long Time Ago

45 years ago
 The largest single load of wheat likely ever hauled to Hereford was brought in last week by J. P. Sybert, who lives 18 miles north on 25 Mile Avenue. The gross weight was 8530 and he had 6180 pounds of wheat on the wagon. The wheat graded No. 2 and brought 91 cents per bushel making 193.73 for the one load.

The Hereford country was visited by copious showers nearly every day last week. The total rainfall was about one inch. Within view of Hereford heavier rains fell. On last Sunday a big rain fell north and east.

25 years ago
 Recent reports received through abstractors, real estate men and those who keep in close touch with rural developments would indicate that 1928 will show the greatest agricultural settlement and development work in this county that has been recorded in years.

A total of four and one-tenth inches of rain fell within the city limits of Hereford last week. While this total was run up within the city limits, there were numerous small sectors of the surrounding territory where rainfall amounted to six inches or more, and strange to relate there were a few isolated spots where there was hardly a sprinkle.

Natural gas is assured for Hereford this summer, and work of laying the line from Canyon and in piping the city should begin during the first half of August.

Treasure Hunt Is Held By Camp Fire Girls

The Wahampta Camp Fire group held a treasure hunt at their meeting last Thursday afternoon in the home of Sheryl Patterson.

Refreshments of punch and cookies were served to: Rosalie Strange Bernadine Brown, Sheila Williams, Judy Kay McGee, Sandra Robertson, Jenny Lynn McCatheran, Lois Christman, Judy Kay Coffin, Mary Thompson, Kay Lynn Scott, Ann Lance, Susie Woodford Sheryl Patterson, a guest; Mary Dufur, and Mrs. Louis Woodford.

This was the last meeting of the Camp Fire group.

A-3c Bob Manning visited his parents, Mr. and Mrs. Roy Manning over the weekend. Bob, who is stationed at Clovis Air Base, will leave Wednesday for Germany.

particularly in West Texas, is liable to be short.

Here is the 1953 NCAA TV schedule, and according to all available information, it is not subject to revision: September 19, Nebraska vs. Oregon; Sept. 26, Dartmouth vs. Holy Cross (Why? Wasn't Vassar scheduled on that date?); Oct. 3, California vs. Ohio State; Oct. 10, Texas vs. Oklahoma. To the proprietor--if you are putting out any ducats this year to this one, a slow note bid from this corner, Oct. 17, Alabama vs. Tennessee, (This one could bring Neyland back to the Vol bench), Oct. 24, (panoramic) (Should be simultaneous in order to bring enough grade A action to the viewers) Princeton - Cornell, Mississippi-Arkansas, Illinois - Syracuse, Iowa-Indiana.

Oct. 31, Minnesota vs. Pittsburg. (Watch those Panthers this round, they's growed some claws and that's a predicke), November 7, another one of those things, (panoramic), Florida - Georgia, South Carolina - North Carolina there would have to be a reason for this one), Northwestern - Wisconsin, Kansas - Kansas State (and for this); Nov. 14, Michigan State vs. Michigan (hoo-boy) Nov. 21, Southern California vs. UCLA (dit-

to) Nov. 26, Utah vs.; Brigham Young. (This, because its Turkey Day and nearly the only collegiate contest going. Jack Curtice has those Utes on the warpath and BYU they don't like, especial) Nov. 28, Army vs. Navy. The Navy may have to go to sea after this one, and take their goat with 'em, do they still got him); Dec. 5, Notre Dame vs. SMU (Some wag says the Irish won't be able to reap any revenge from the Ponies this year. I think they will take the Methodists and Mr. Woodard's marker, at one and the same time. Providing he still has it).

Hereford Furniture Co.

MRS. EUGENE R. MILLER
 OF GUYMON, OKLAHOMA

describes her home freezer

"Time & Money Saver"

SYMBOL OF QUALITY

Ladies, when you can save both time and money, you have the kind of economy that homemakers really love. Listen, then, to what Mrs. Miller says.

"Our home freezer has proven to be very economical, and has saved about 10 hours a week in grocery shopping and food preparation."

Think of saving money--and 10 hours a week--and you'll think it's time for a freezer in your home now.

Have yourself
 a **HEART-LIFT!**

FROM deep inside you comes a new stir and sparkle when you take the wheel of a fun-filled car like this Buick Convertible.

You feel happier just to be in a car with the lilt of larks to its styling--with the breeze-blessed airiness of all outdoors all around you.

It's a car that freshens your spirits with its sky-filled view--yet it can snug you in weather-tight shelter, when the need arises, with a mere finger-touch of hydraulic buttons.

But you get a heart-lift in this Convertible from something more than just its looks, or its versatility, or the push-button control of its top, its front seat and its windows.

You get it, too, from the sheer brilliance of its performance--

From the thrilling power of the great new Fireball V8 Engine found in every 1953 Buick SUPER and ROADMASTER--the modern and advanced V8 that reaches a new high in compression ratio--

From the new instant getaway of Twin-Turbine Dynaflo--where you move from standstill to cruising pace in a quick sprinkling of seconds, and with truly infinite smoothness--

From the deep comfort of riding soft and ever-level on all-coil-spring cushioning--of sitting in sumptuous luxury on really wide seats--of handling over two-balanced tons of fine

automobile with finger-tip ease and the gentle assist, as you need it, of Power Steering.*

We'll be happy to have you guest-drive one of these stunning new Buicks--and let you see for yourself how much fun and fine feeling it can add to life. Why not drop in for a visit soon?

*Standard on Roadmaster, optional at extra cost on other Series.

This Tastes Good In Texas

Foods and Nutrition Specialists Texas Agricultural Extension Service AM College Recipe of the Week

- Beef Noodles
- 1 lb. ground beef
- 2 Tablespoons butter or margarine
- 1 minced onion
- 1 minced green pepper
- 4 cups tomato juice
- Salt and pepper to taste
- 1/2 teaspoon monosodium glutamate
- 1/2 pound uncooked fine egg noodles

Grated Parmesan Cheese
Heat the ground beef, minced onion and green pepper with the butter or margarine in skillet or Dutch oven. Cook until the meat is no longer red, stirring often. Add the tomato juice, salt, pepper and monosodium glutamate. Bring to a boil, stir in 1/2 pound of uncooked fine egg noodles. Cover and simmer 20 minutes, or until noodles are tender and liquid is absorbed, stirring frequently. Serve with grated Parmesan cheese. Serves 6.

LET'S EAT THIS FOR ONE DAY

- Breakfast
- Sliced Fresh Peaches
- Cream Sugar
- Poached Eggs
- Whole Wheat Toast
- Butter or Margarine
- Milk Coffee

- Dinner
- Beef Noodles
- Stuffed Squash
- Fried Okra
- Cabbage Slaw
- Bread
- Butter or Margarine
- Lemon Sherbet
- Milk Iced Tea

- Supper
- Cold Sliced Tongue
- Hashed Brown Potatoes
- Jelled Combination Vegetable Salad
- Bread
- Butter or Margarine
- Watermelon Slices
- Milk Iced Tea

- Timely Tips
- 1. A good breakfast is a good way to start a hot day.
- 2. Monosodium glutamate is a seasoning for meats, vegetables and salads. It is found on the gro-

cer's shelves under various trade names.
3. Sliced tongue is a welcome addition to meals in the summer time. It is low in fat content. Attention Caloric Counters.
4. Noodles, spaghetti and macaroni are good extenders of the flavor of meat.
Mr. and Mrs. Leon Vinton and son Donald visited relatives in Admore, Okla., over the weekend.
Ruth Loerwald is spending a two weeks vacation in California visiting relatives and friends.

FORD SUNLINER

America's fastest selling convertible

Ford's Sunliner is the "top downers" delight! And its power-operated Breezeway top converts it to a snug, closed car in a jiffy. And it's the only low-priced convertible with V-8 power plus a choice of three great drives.

3 Best Sellers!

FORD VICTORIA

America's most beautiful car of its type

Again for '53, Ford's Victoria is America's "best-dressed" car. Like all '53 Fords, its Crestmark body is hightight, its picture windows give Full-Circle Visibility. And you ride in style on foam-rubber cushions over non-sag springs. Front-end road shock (the kind you feel most) is reduced up to 80%.

FORD STATION WAGONS

COUNTRY SQUIRE, COUNTRY SEDAN, RANCH WAGON (Illustrated)

America's most popular Station Wagons

Ford's wood-trimmed Country Squire is a "double-duty" beauty that changes from eight-passenger sedan to hard-working cargo hauler in three minutes flat. Ford offers two other popular "quick change artists" . . . the 2-door, 6-passenger Ranch Wagon and the 4-door, 8-passenger, all-metal Country Sedan.

AMERICA'S NEW RAILROAD

15 of these big icing machines are in operation at ice-servicing points along the Santa Fe.

Ever see so much fuss just to chill an orange?

It's the best way there is today to refrigerate a "reefer"—but Santa Fe is developing an even newer and better way to do the job

In 60 seconds flat, the giant ice-crushing machines Santa Fe recently installed can fill the bunkers of a refrigerator car with five tons of ice!

They are the newest and fastest machines for icing cars yet devised. And Santa Fe "reefers" are the

most efficient type of refrigerator cars now on the rails.

These refrigerator cars and icing machines have carried the technique of ice refrigeration to the ultimate of present day knowledge.

WHAT ABOUT TOMORROW?

We can't be sure, BUT—
Santa Fe is now experimenting with a newer way to refrigerate cars automatically for hauling foods which may require temperatures as low as 25° below zero.

30 new experimental refrigerator cars designed by Santa Fe, built in its own shops and each with a capacity of 125,000 pounds of frozen foods, are now being utilized in the movement of frozen foods.

Each of these new cars has its own thermostatically-controlled diesel-driven compressor-type refrigerator unit. It carries 400 gallons of fuel (almost the exact amount Lindbergh used to fly the Atlantic). It can maintain sub-zero temperatures all the way from California to New York.

BENEFITS FELT ALL ALONG THE LINE

All along the line, people and communities feel the benefits of this building new wherever it actually occurs on the Santa Fe—and day-after-day, something new is done to make "America's New Railroad" a little better.

The millions of dollars this newness costs Santa Fe doesn't cost you a single penny in the taxes you pay.

PROGRESS THAT PAYS ITS OWN WAY

Congressman Walter Rogers Says

McCarthy Creates Touchy Issue In Trying To Subpoena CIA Man

TROUBLE ON CAPITOL HILL: Look for something to happen in the present engagement between McCarthy and the White House on Central Intelligence employees being subpoenaed before McCarthy's committee. It is going to be a tough decision for the White House. McCarthy has played his cards so that the White House would be in a corner.

If the White House lets these employees testify, a great risk will be involved concerning the possible leakage of secret information. If it refuses, McCarthy can charge the White House and the State Department with defending one Bundy, who happens to be the son-in-law of Dean Acheson and who is alleged to have contributed \$400.00 to the Alger Hiss defense fund. Lots of trouble could come out of this.

Postal Increase POSTAL RATE INCREASE: There is much opposition on the Hill to the postal rate increases proposed by Postmaster General Summerfield. Strong opposition will be encountered in the Post Office and Civil Service Committee much general opposition on the floor. This may subside. Opposition argues that first class mail pays its own way; that increasing this from three to four cents is making the average letter writer subsidize big magazines and periodicals.

FOREIGN AID: The pressure is on to prevent further cuts in the

foreign aid program. The President had recommended 5.4 billion dollars. This was trimmed by the House to just under five billion dollars. It was raised by the Senate to 5.1 billion. This was the authorization. The big worry now is whether or not the appropriations committees will make further cuts in providing actual funds. Incidentally the Senate raised the House version by more than 150 million dollars. This raise alone is more than has been asked in the way of money to be used for loan purposes in meeting the drought disaster.

Liquor Tax Situation THE TAX MORATORIUM: Last week I mentioned the fact that a tax moratorium had been voted by the House for the whiskey distilleries on whiskey still in storage. The moratorium is for four years and it is estimated that it involves approximately 185 million gallons of liquor. At \$10.50 a gallon tax, it would indicate that the collection of over 2 billion dollars was postponed for four years. While at the same time, it was argued that the excess profits tax, which could only bring in 800 million dollars, had to be extended to balance the budget. The issue is so hot that the Senate committee will probably table the bill.

The admissions tax on movie theaters will be repealed by the time you get this letter, or soon thereafter. This tax repeal bill was brought out under a closed rule.

This means that the bill can not be amended on the House Floor. It must be accepted or rejected as written. I regretted this rule as there were several amendments that I think should go on the bill to give some tax relief to some who are equally in distress.

Cattle Supports

Price Supports For Cattle: A tremendous grass roots movement is afoot to place price supports or a floor under cattle. This is a decision that must be made by the Secretary of Agriculture who presently has the authority to invoke such floor or supports. The proposal to adjourn Congress by July 31st does not leave sufficient time for Congress to work out a mandatory program on this subject.

THE FARMERS: So much attention was paid to the cattle business on the drought question that the little farmer was almost forgotten. Most of the laws concerning credit in the disaster program apply to the farmer as well as the cattleman.

I have called this to the attention of the House several times during recent weeks and have also tried to impress upon the House that the credit should not be limited to a select few. There are many young people, and especially veterans, who have been hit by this disaster and who have not been in the business long enough to establish themselves as well as they would have liked. They are sons and daughters of farming and ranching people and it is their business. They should not be discriminated against.

The proposed regulations concerning eligibility for emergency feed are highly unsatisfactory. These may be changed before they are

released. A release is due shortly after this letter is being written. VISITORS in Washington this past week included Bill Johnson of Amarillo; Mrs. W. L. Cars Jr., and daughter Alice of Pampa Mr. and Mrs. Ray Robbins and sons Charles and Ray Jr., of Phillips; and G. W. Cox, Canyon.

Personals

Mr. and Mrs. Warren Sullivan of Ardmore, Okla., are visiting in the home of Mr. and Mrs. Charles Lane this week.

Mrs. E. M. Hix left Monday to return to her home in Wellington. She had been visiting her daughter, Mrs. Argen Draper.

Mr. and Mrs. Robert Kerschen of Moriarity, N. M., are the parents of a boy, Thomas Jude, born July 12. The Kerschens are former residents of Hereford.

Mr. and Mrs. Floyd Bracken and son, Ronnie visited friends and relatives in Muleshoe over the weekend.

Visitors in the home of Mr. and Mrs. Joe Loerwald Sunday were his brother and wife, Mr. and Mrs. Robert Loerwald, and Mr. and Mrs. Frank Loerwald and daughter of Gainesville. They had been to Farmington, N. M., to attend a wedding.

Cost Of Polio Is Up In Texas

SAN ANTONIO—The cost of polio is going up on Texas with 31 local county chapters of the National Foundation for Infantile Paralysis having run out of March of Dimes funds. This has resulted in sending of more than \$150,000 into the state by the Emergency Aid Fund of Foundation headquarters to meet outstanding treatment bills during the first half of 1953.

At the same time, the 1953 incidence of polio is running less than half the 1952 figure, with 487 cases having been reported against the 1952 half year total of 1096. Some Are Lower

According to a report of the U. S. Public Health Service, compiled nationally by the Polio Foundation, there are but 10 states in the country showing less polio in 1953 than in 1952. For the most part, with the exception of Texas, Louisiana and Mississippi, these are states which have had extremely low incidence in the past.

California again leads the country in the total number of cases, to date with 877 compared to the 1952 half year total of 544.
