Whitfaces Meet Muleshoe Friday

Hereford's Whitface team will meet Muleshoe at Muleshoe Friday night in their opening game of the 1953 football season.

Coach L. B. Russell, who said that last year the Muleshoe team handed the Whitfaces a surprise on the first play, is hoping to reverse the process this year.

Chuck Wagon Supper The Muleshoe Parent-Teachers' Association will serve a chuck wagon supper from 5:30 to 7:30 o'clock Friday night in the Muleshoe High School cafeteria, it has been announced.

Price will be \$1 for adults and 60 cents for students. Everyone has been invited to go early and eat there before going to the game, which will start at 8 o'clock.

Last Rites For F. B. Neill Will Be Held Today

Funeral services for Frank Burrell Neill, 67, of Umbarger will be held this (Thursday) morning at 10 o'clock in the First Presbyterian Church with Russell Winger, pastor officiating.

Neill died Tuesday morning at Buffalo Lake, where he had lived since 1952.

Moved To Hereford In 1917 Neill married Alley Beard December 25, 1913 in Colorado City. They came to Hereford in 1917 and lived here until they moved to Buffalo Lake.

Survivors include his wife; two sons, Loyd Neill of Hereford and G. A. Neill of Tulsa; and one daughter, Mrs. Clara Jo Commer of Colorado Springs, Colo.

Burial will be in West Park Cemetery. Gilliland Funeral Home has charge of the arrangements.

SCHOOL DAYS TOGETHER were one of the favorite topics of conversation when four members of one family, two brothers and two sisters, and one other woman who went through school with them, had a chance to visit at the third annual Homecoming at Summerfield last Sunday. From left they are Lark Orr of Canadian; Rupert Orr of Pampa; Mrs. Marie

Goodnight of Pampa; and Mrs. Floyd Coffee of Cimarron, N. M., all children of Mr. and Mrs. George Orr, who were among the first settlers in Summerfield, and Mary Lou Roberson, a former schoolmate who is now teaching in Lubbock. The Orr's moved to Summerfield in 1902, and moved away in 1914. (Staff Photo.)

Around Town

The executive board of the Deaf Smith County Federation of Women's Clubs will meet Saturday, September 12 in the county court room at 2:30 o'clock. All members are urged to attend this first board meeting of the season which precedes the first quarterly luncheon session scheduled for Monday September 21.

A representative of the Amarillo Social Security office will be in Hereford from 9:30 to 11 o'clock next Wednesday morning. He will be in the Commissioners' Court Room. Self-employed persons over 65 are particularly urged to contact him.

A bake sale is to be held at Piggly Wiggly Saturday by the Wyche Home Demonstration Club to help raise \$60 to send Mrs. W. R. Scarth, president of the club, to the Texas Home Demonstration Association meeting in Galveston Sept. 29-Oct. 3. Mrs. Scarth just missed by one vote when delegates were chosen from the county council. She was unable to attend the council meeting.

County library hours are being changed. The library will now be open from 9 o'clock to 1 o'clock, and from 2 o'clock to 5 o'clock. The hours have been changed for the convenience of the school children.

Neil Cooper's Lucky Buck sale will be held at 7 o'clock Monday night. Those who have been collecting the Lucky Bucks should have a good chance to buy some excellent merchandise for small amounts of cash.

A man from the Fish and Wildlife week cleaning out prairie dog colosse service was in the county this week where the service was requested. He said that he will come back when County Agent Hugh Clearman receives enough requests for the work to make a trip worthwhile. The only charge is for materials—28 cents a pound for cyanide flakes or 14 cents a pound for poisoned grain, which

Third Homecoming Held Sunday At Summerfield

Former Summerfield residents trekked in from near and far for the third annual Homecoming sponsored last Sunday by the Ladies Study Club. Many of them gathered in the church Sunday morning to worship together and hear a sermon by Rev. Merle Weathus, former Summerfield pastor, then they gathered in the community building to talk and to spread picnic lunches together.

Funeral Services Today For Mrs. W. R. Harrison

Funeral services for Mrs. W. R. Harrison, 71, former resident of Hereford, will be held this afternoon at three o'clock in the First Baptist church, with Rev. Howard Scott, pastor, officiating.

Mrs. Harrison died Sunday morning in Pueblo, Colo., where she had been living for the past three years.

Mrs. Harrison, who was born on June 30, 1882, in Ella Jay, Ga., came to Hereford in March, 1921 from Gracemont, Okla. She left Hereford in 1943 and lived with children in Arkansas, Nebraska and Washington before moving to Pueblo, Colo.

Married In 1903 Mrs. Harrison married W. R. Harrison in North Carolina in 1903. Pallbearers will be Wiley Roberson, Harry Taylor, Henry Sears, Jack Bradley, Troy Moore and Marion Rutter.

Survivors include three sons—Charlie M. Harrison of Goltry, Okla.; Jim Harrison, Springer, N. M.; and Floyd Harrison of White Deer; six daughters, Mrs. Betty Griffin, Crowell; Mrs. Martha Patton of Pueblo, Colo.; Mrs. Maye McGoldrick, Tacoma, Wash.; Mrs. Edna Caraway of Clifton, Colo.; Mrs. Omah Brooks of Los Angeles, Calif.; and Mrs. Erma Lee Noe of Tacoma, Wash. Married In Summerfield

One of Wilson's friends in school was Lena Roberson, daughter of Charlie Roberson. The couple went to school together, and were later married in the Summerfield Baptist Church. It was 39 years and 11 months later that they came back to attend the Homecoming.

Another one who saw many changes in Summerfield, and who had watched many changes in the nation, was Mrs. J. T. Dendy, oldest former resident present for the reunion. Last year, at 87, she had been the oldest person there, and at 88, she was again the oldest.

To School By Buggy "We moved out here in 1903, and moved away in 1935," Mrs. Dendy, who now lives with a daughter at Whitney, said. "We lived six miles out of Summerfield, and my children used to come to school in a buggy." Among the out-of-town guests who registered at the homecoming

Hereford School District Board Approves Budget

A Hereford Rural High School District budget for \$487,450 for the coming year was approved by the school board at their meeting Monday night.

Only three changes were made in the budget before approval, and each of those was for increases in capital outlay—for school buses, the estimate on the cost of the Negro school, and for band instruments.

Prepared by school tax collector Fred Baird, the original budget estimate showed \$477,253 for this school year, compared to \$405,817.88 which was actually put out in the school system during the 1952-53 school term.

Baird Complimented This was compared with their budget estimate of \$403,293 for 1952-53. Baird was complimented by members of the board for coming so close to the actual total in his estimate for the year which has just been completed.

Because of a change in the figures on per capita income in the county, and other factors, state funds for county schools will furnish an estimated \$271,221 for this year, compared to \$192,335.60 which actually came from state funds last year.

Administration is expected to cost \$26,488 this year, up almost \$8,000 over last year, but \$5,000 of that was put in for a possible tax survey, which would be undertaken if it is done, with the city and possibly with the county.

Teachers' Salaries Salaries for teachers will take a major portion of the budget this year, having been estimated at \$248,290, compared to \$286,498.77, which was actually put out last year.

A major portion of the increase in salary expenses will be for elementary teachers, if the budget estimate is correct. Last year, \$169,582.00 was budgeted for elementary teachers' salaries, and \$174,373.80 was actually spent.

For the coming year, these salaries are expected to take \$203,744, more than 40 percent of the total school budget.

By comparison, high school teachers will be paid a total of \$66,969, Baird figured. Last year they were actually paid \$61,603.28.

School Plant Operation Operation of the school plant cost \$23,169.24 last year, when it had been budgeted for \$22,850. With additional buildings going into use, the new budget was set up for \$25,350 on this item. Maintenance of the school plant is expected to reach another \$12,000, though it reached \$16,530.71 last year after the same amount had been budgeted.

For the first time last year, the school lunch program did not operate.

Cities Will Purchase

Walkie-Talkie Radio

A walkie-talkie radio for the Hereford Police Department was approved by the City Commission at its meeting Tuesday night.

Approval was given when the commissioners were told that the portable radio unit will serve to give the officer who is checking store doors radio contact with the patrol car. The radio will also be available for the use of other city departments when it is needed, City Manager Cecil Massey said.

In checking reports made by the various city departments, the commissioners noted that 16 water taps—new connections—were made during the month of August, and that there were 58 connect orders and only 48 disconnect orders. They also noted that at least 16 vacant dwelling units have been occupied.

During August, the police wrote 59 moving traffic tickets, 281 parking tickets, jailed 43 persons, investigated 12 accidents; handled 15 animals, and impounded one stray horse.

The commission also passed the ordinance granting a discount on city taxes which are paid before the first of January. The discount is three percent in October, two percent in November, one percent in December.

On split payments, credit will be allowed for only the part that is paid, and the discount will not apply to delinquent taxes at all.

ate at a deficit, partly because of the quantities of "surplus" food available through various government agencies. Rather than have an unexpected deficit that would create problems because there was no fund set up to handle it, the budget estimate for the coming year has \$2,000 for this, in addition to \$10,000 for distribution of State and Federal aid.

Transportation Costs Transportation, including bus drivers' salaries, parts for buses, maintenance, and shop equipment, is expected to cost \$38,725 for this year, compared to \$33,924.68 which was actually needed during the last year.

At least part of this difference is caused by the fact that \$1,500 worth of tires and tubes which were ordered did not arrive before the beginning of the new school year September 1, Baird said.

New Buses Planned Though listed under capital outlay, there was \$9,000 for three new school buses which were to have arrived before September 1, and this figure was doubled to allow for purchase of three more school buses before the beginning of another school year.

At the present time the school system has 10 buses which were purchased in 1946, and each one of them is travelling about 100,000 miles a year.

A pickup truck for the bus maintenance section, to replace the one now in use, is also in the budget.

Other Changes Other changes in the capital outlay section were raising the estimated cost of the Negro school from \$4,500 to \$5,200, and money to buy equipment for the band from \$1,000 to \$1,500.

Items included in the \$39,600 capital outlay estimate include \$7,000 for the grandstand; \$2,000 as the building site for the Negro school, and this may be traded for instead; and \$3,000 for classroom furniture.

Foundation Board Directors Named

A meeting of the board of directors for the Deaf Smith County Research Foundation has been scheduled for next Thursday, Sept. 17, in the Chamber of Commerce office.

Six new members have been appointed to the Foundation board, two from the Chamber of Commerce board of directors, and four members at large. This will be an organizational meeting, according to the Chamber of Commerce manager.

From C of C New members appointed from the Chamber of Commerce board of directors are Paul Harvey and George McLean, who replace J. R. Allison and A. J. Schroeter. New members at large are Dave Alexander, Wayne Edwards, Mrs. Tom Draper and Wayne Wallace, who will replace Wayne Evans, Jess Stanford and David Rogers.

About 300 Persons Attend P-TA Picnic At Ball Field

About 300 persons attended the Parent-Teachers Association-sponsored picnic held Tuesday night at the football field.

Those attending were divided according to the grades of the children and had a chance to meet the teachers and spread their picnic suppers together.

Teachers Introduced After the meal, all of the new teachers were introduced. They are Mrs. Elizabeth Bonesio, second grade, Central; Mrs. Charles Coffman, fifth grade, Central; Dalton Criswell, mathematics teacher, high school; Mrs. W. H. Fogle, first and second grades, Dawn; Mrs. Lela Gandy, first grade, Shirley.

Mrs. Earl Holt, fourth grade, Central; Mrs. C. E. Johnson, first grade, Central; Mrs. Reuben Knox, Home Economics, high school; William W. Miller, band;

ed to allow the Mt. Sinai Baptist Church (Colored) to use the Negro School building for church services on Sunday and on one week night each week, with the provision that the church group is to pay \$10 a month to defray the cost of utilities.

They also authorized the president and secretary of the board to borrow up to \$50,000 on a short term loan to meet current payroll and other expenses until sufficient tax money is available to meet these obligations. This is a condition which occurs almost every year, as school funds are depleted at the beginning of the school year.

Depository Unchanged Each of the two banks in Hereford had requested that it be the official depository for the school funds, but after a serious discussion of the matter it was decided to leave the main portion of the funds, which cannot be split, in the First National Bank, as the school year has already started and quite a bit of unnecessary trouble might be caused by a change in the funds. The depository is chosen for a two-year period.

However, the athletic and activity funds may be changed to the Hereford State Bank, the board agreed.

It was suggested that cafeteria workers be given a raise of \$2.50 a week, since the cafeteria is now making a little money, and this was done, as well as approving a raise of \$150 a year for the cafeteria supervisor.

In the final business of the evening, two new teachers were approved by the board. They are Mrs. Elizabeth Webster, who will instruct the colored students, and H. F. Trimmer, who will teach at Dawn.

Those attending the meeting were Herbert Miller, president of the board; board members Robert Wagoner, A. J. Schroeter, Lyle Woodford and Howard Gault; Superintendent George L. Graham; and school tax collector Fred Baird.

A Year To Serve Board members who still have a year to serve are Lyle Blanton, Hugh Clearman, D. C. Kinsey and Mrs. Reed Williams.

The Foundation board was originally set up in August of 1951 to determine the healthful and beneficial elements of the soil, crops, grasses, livestock and water, and of all other of the resources of Hereford and Deaf Smith County and to substantiate the many claims made for same.

A considerable amount of clinical and scientific research work has been done on the situation since the board was organized. A report on some of these findings is to be published some time in the near future in a book and joint journal. The article will deal with clinical research work done by Dr. L. B. Barnett while he was in Dallas.

Mrs. Bessie Patterson, speech, ight school; Bill Phillips, physics and speech, high school; J. C. Reese, distributive education, high school; Miss Lavada Shannon, third grade, Shirley; H. F. Trimmer, fifth and sixth grades, Dawn; and Mrs. Ray Wells, third and fourth grades, Dawn.

Drinks Furnished Soft drinks for the picnic were furnished by the P-TA. Mrs. Jimmie Allred's committee had charge of arrangements for these.

Name tags were furnished to all the teachers at the picnic so they could be more easily identified by the parents.

To facilitate the clean-up after the picnic, trash barrels were moved to the field by the city. After the meal, group games were played under the supervision of Rev. and Mrs. Donald Root, "with excellent participation."

Collision Causes \$150 Damages

Damages were estimated about \$150 in an accident which occurred here Saturday morning at the intersection of Main and Highway 60. Mrs. Novella Slagle, driving a 1950 Ford was going west on the highway attempting to make a left turn onto Main when she collided with a 1951 Oldsmobile, driven by Richard P. Williams of Tucson, Ariz.

Passed Truck
 Williams was going east in the extreme right lane of traffic and passed a truck that was making a left turn onto North Main. The Oldsmobile collided with the right rear tail light and fender of the Ford.

Mrs. Slagle was charged with driving without an operator's license. Investigating officers estimated damages at \$100 to the Ford and about \$50 to the Oldsmobile.

Garden Beautiful Club Planning Tour Of Homes

Garden Beautiful Club opened its fall season at a meeting held with Mrs. Mary Seigler Friday afternoon. Mrs. Chas. Hood was co-hostess.

At the business session, plans for the annual Tour Of Homes to be held October 2, were made. Mrs. Leland Abbott of Amarillo will assist club members in making special arrangements for the tour at the next meeting on September 18, in the home of Mrs. R. B. Miller. The program for the afternoon was "The Texas Bluebonnet," which has been named the club flower for this year. Bluebonnet seed for fall planting will be sold at the tour of homes event.

Legends Of Flower

Mrs. J. M. Thomson told of the many legends carried by the Texas State Flower, and of its care and cultivation. She said the seed may be planted here now for spring blossoms.

Club members present were: Mesdames R. B. Miller, O. M. Dickey, S. L. Easley, George Graham, G. P. Owen, D. B. Roberson, W. J. Stanford, J. M. Thomson, Carroll Whiteside, Robert Veigel, E. W. Harrison, Miss Frances Turrentine and the hostess, Mrs. G. B. Hendrix of Norman, Okla. was a special guest.

Wyche HD Shown Quick Cake Making

Wyche Home Demonstration club met in the home of Mrs. Geo. L. Olson Friday afternoon for a demonstration on making and scoring of quick cakes. Argen Draper, County Home Demonstration agent gave the demonstration.

Mrs. Troyce Carmichael presided over the business meeting in the absence of the president, Mrs. W. R. Scarth. It was announced that Mrs. Troyce Carmichael, Mrs. C. R. Dameron and Mrs. Ira Ott will serve on the nominating committee for new officers.

Next Meeting
The next meeting will be held in Friona September 17, with Mrs. Marion Fite and Mrs. W. T. Johnson serving as hostesses.

Members attending were: Mesdames C. R. Dameron, W. T. Carmichael, G. W. Newsom, Wayne

Newsom, Chas. Packard, Ira Ott, W.P. Axe, Edwin Flood, Gene Awtry, Bob Baird and J. V. Pickens.

"WHOSE MOVE NOW?" Bull Column writer, Jimmie Gillentine, foolishly said in his column Sunday that the "Battle of the Benches" had evolved to the point where the next move was up to the B. and P. W. Club.

He woke up Sunday morning to find his front yard filled with various and sundry benches in the above photo. Mrs. Gillentine flatly told him that the next move was HIS—and she didn't use question marks.

All of my life I have heard the old saying, "You can't get something for nothing"—and now I find out it was wrong. Boy, I've got enough benches to start a burlesque show. Benches at the house. Benches at the office. Benches everywhere.

Take it from me, don't ever tell the B. and P.W. "it's their move"! They move right in, day or night. My wife looked out the front door Sunday morning about 6:30, then woke me up yelling: "You and your big mouth. Just come look out the front door." It looked like a Baptist Camp meeting. Big benches, little benches. Painted benches and plain benches. Furthermore, if they take the benches away, I will have to buy some. All of the kids in the neighborhood think they are swell. They play on them, lie on them, put on special shows. Worst of all, though, is the

fact that I can't enjoy them. I got so sore from carrying groceries last Saturday that I can't sit down—and when I do sit down, I can't get up. This "Slave for a Day" business has been a bitter disappointment to me—all of the way. Especially, Ray Cowser and Gladys Medkief, the "bench moving" slaves.

Neil Cooper worked me from 7:30 Saturday morning right on through to 9:30 Saturday night. I am going to buy him next year and, Brother, he had better dodge. Just wait and see!

Possibly no other business has changed more in the past 25 years so much as the grocery business. Back when I worked in a grocery store after school, they didn't sell drugs or dry goods or school supplies. Not even fresh meats. Now they even have magazines and a

lot of them have sandwiches and cafeterias. They used to cut chewing tobacco with big slicing machines, but it now comes wrapped in cellophane. About the only thing that hasn't changed around the grocery stores is snuff. They still sell snuff. Levi Garrett and Honest seem to still be the big sellers. You'd be surprised how much snuff they sell now days. Another thing that has changed radically is the sale of vanilla extract. Back in the good old days we always put it on the shelf, but they now keep it under the checking counter. It is almost as hard to buy a bottle of vanilla extract now days as it was to get sheets back in 1944. The reason, of course, is the alcoholic content. Some people, it seems, use vanilla for purposes other than making cakes.

School is going full tilt. A little crowded, but running right along. It seems like things always pick up when school starts. Maybe it is because the mothers don't have to worry so much about the children. Maybe they have more time to see that the husbands get on the ball. Anyway, business always picks up. It is amazing what enthusiasm the first graders show toward school. Any teacher who gets down in the dumps and starts considering herself as a glorified baby sitter is really missing the boat. America has no other commodity nearly so precious as it's children, and our teachers mold and shape the lives of these boys and girls as possibly no other person can. It is a wonderful vocation, and our school teachers deserve every possible consideration. They make mistakes, of course, but in the long run they are a fine group of public spirited citizens.

Football is also in the air. Coach P. S. If people start bringing

L. B. Russell will put his 1953 squad to test at Muleshoe Friday night—and I believe he will come up with a topnotch team. L. B. says they are scrappers—everyone. A team with a fighting spirit is hard to beat. It looks like a good season for the Whitefaces.

The City of Hereford, meanwhile, seems to have gone into the hay business, but they are having troubles. The Bermuda grass on Dameron park got so high, they decided to bale it. However, the grass is too fine to bale—and they are having plenty of headaches. I don't know how this will turn out, but if they get it mowed down nice and smooth, I know where they can get some benches for the park. Boy, I sure do.

Mrs. Eugene L. Naugle just dropped in to say that she had a call from Laura V. Hamner, Panhandle writer and radio commentator. Miss Hamner is just back from a trip to Japan and plans to give lectures over the Panhandle. Color films will accompany the talk—and Miss Hamner plans to put Hereford as one of the first points for the public lectures.

I spent Labor Day making a dog house and, the way things are shaping up, it looks like I finished it none too soon. It has real shingles on the roof, too. Funny thing, I didn't know you started putting shingles on at the bottom and worked upward. I was building away from the top downward and Mrs. Cecil Massey came by and told me I was all wet. I looked at several roofs—and found that she was 100 percent right. In fact, they wouldn't work any other way. However, if she hadn't come along I sure would have messed things up. Who would ever think you would start putting on shingles from the bottom? Live and learn. Live and learn.

What makes me mad, though, is the fact that the dog won't even go inside the house. Maybe it is because she is a mama dog. I'll bet a papa dog would run right inside.

Looks like we have another controversial question on our hands. At least, quite a few people have called in to protest the fact that the Whiteface twirlers cannot wear skirts or shorts. Folks who favor the shorts say that our twirlers get the "ha-ha" from other schools, and they are in for a lot of razzing? Folks who oppose the shorts do so on the grounds of over-exposure. All in all, it sounds like a pretty hot question. Opinion will probably be divided. Some of the twirlers are pretty well upset over the verdict. Since that bench deal I am afraid to take sides on anything. However, I will stick my neck out and say that I personally think the skirts and shorts are OK. Certainly, they are no worse than bathing suits. Most of the twirlers wear them, and I can see their point of view. Lots of women appear in town clad in even less. Why not make the track and basketball team wear coveralls? It's six of one and half a dozen of the other. If you have an opinion, write a letter to The Brand. Maybe it would even be a good "Question of the Week" for next Sunday.

shorts up to my house, please put them on the benches. The porch is a little bit crowded.

Littlefield League Won Athletic Rally

Littlefield won the Lutheran Walthers League Panhandle zone athletic rally at the Junior High School grounds in Hereford Sunday afternoon and carried home the trophy.

Participating in the events were Walthers Leagues from Canyon, Amarillo, Lubbock, Littlefield, Wilson, Sprenburg, Lamesa, Plainview, Lariat, Borger and Hereford.

Events which were included in the athletic rally were high jump, broad jump, shot put, girls' and boys' relay, girls' 100 yard dash, 50 yard dash, and boys' and girls' volley ball.

Supper was served in the basement of Immanuel Lutheran Church that evening, after which a business meeting was held.

Inspirational vespers conducted by Rev. Harold Kaestner, pastor of Immanuel Lutheran, brought the meeting to a close.

About 160 persons registered for the rally day program.

Eager Beavers Prove Too Tough For Dynamite

TWEED, Ont. (U.S.)—Even dynamite has failed to defeat the beavers in this area. Foresters of the Ontario Department of Lands and Forests blast away beaver dams which flood large areas of the district only to find them rebuilt in a couple of hours.

"They aren't satisfied with just rebuilding the dam," one conservation officer complained, "they make it longer, higher and heavier."

"Electric fences are a failure, dynamiting doesn't work and we've already tried trapping. We took out 6,000 of the critters last year. I guess we'll have to be as stubborn as they are."

Detton Replaces Wrestler Delayed In Mexico City

Chico Bonales of Mexico City, who was scheduled to wrestle here Saturday night, was delayed in Mexico City so Gene Detton of Amarillo substituted for him.

Detton and Bill Sledge of Thornton wrestled in the first event of the double main event, with Sledge winning the match.

Sledge took the first fall in 21 minutes with the back breaker and body press and then took the second fall in 12 minutes with the two leezed crab.

Funk Versus Lipscomb The second event, which was between Buck Lipscomb of Amarillo and Dory Funk of the Flvine Mare Ranch at Umbarger, was won by Funk because Lipscomb was disqualified in the third fall.

Lipscomb won the first fall in 10 minutes with the reserve body jack knife.

Funk won the second fall in 10 minutes with the spinning toe hold and took the third fall in five minutes when Lipscomb was disqualified.

Dale Russell and Gene Detton were the referees.

Too Many Breakdowns Too Much For Editor

CUTHBERT, Ga. (U.S.)—When the weekly Cuthbert Times appeared late recently, Hal Herrin, the editor and publisher, printed this front page notice:

CHIP SHOTS

By Bud Posey

Bruce Wooddell is Hereford City Putting champion for 1953. He won the honors and the trophy by defeating Dr. R. E. Lingenfelter, two and one, in the finals Friday night. Lingenfelter received four golf balls for his efforts.

Frank Cogdell won consolation honors by shading Walter Seed two and one. Cogdell won three golf balls and Seed two golf balls.

Putting tournaments are over until next June 1, as football season starts this Friday night.

Top of Texas Tourney Four Hereford golfers played in the "Top of Texas" Golf Tournament at Pampa the past weekend. Logan Cummings was runner-up in the fourth flight consolation.

Bob Lindsey and Ray Hardy were both defeated in the third flight and Dean Herring lost out in the fifth flight.

Remember Hereford Golf Club's second annual Invitational Golf tournament is only three weeks off. Kenneth Shields of Plainview, the defending champion, will not be on hand to defend his title, as he is in the Army. John Farquhar of Amarillo, last year's runner-up will be here, however, plus lots of good golfers and pro's from the Panhandle area.

Start September 30 Activities start on Wednesday, Sept. 30, with the West Texas Pro-Amateur matches slated to start at 9:30 o'clock that morning.

Thurs., October 1, (all day)—qualifying for medalist prize. Golfers not wishing to qualify may turn in their scores (approved by their professional). No entries will be accepted after 1:30 o'clock Thursday, October 1.

Thursday, October 1, there will be a dinner at the Jaycee club-house for all contestants and wives.

Friday, October 2, first round matches for all amateurs and first 18 holes of medal play for Pro's. Saturday, October 3, second round matches and first round consolation matches and second 18 holes of medal play for Pro's.

Final Matches Sunday, October 4, semi-final and final matches for all flights and consolation flights and final Sunday, October 3, the presentation of prizes will begin at 6 o'clock.

Prize list: Amateur, medalist—\$35 golf bag; winner of each flight, \$115 set of Walter Haegen irons; runnerup of each flight, \$55, 17 level wrist watch and consolation winner of each flight, \$25 electric razor.

Prize list: Pro's, winner \$200 in cash; second, \$100 in cash; third, \$75 in cash; fourth, \$50 in cash; fifth, \$50 in cash and sixth, \$25 in cash. Entry fee for everyone is \$10.

Portales, N. M., Golfers will be here Sunday for a match with the Hereford swingers. Matches will start at 1 o'clock. Turn in your names to the Pro Shop by Sunday morning at 9 o'clock if you desire to play.

Postage Stamp Model Found Too Much Fame SYDNEY (U.S.)—One Pound Johnny, the Australian aboriginal whose bearded face appears on the 2 shillings 6 pence Australian postage stamp, has shaved off his beard.

One Pound Johnny lives on a central Australian cattle station 160 miles west of Alice Springs. Alice Springs people say he is shaving as a disguise to avoid auto-graph hunters next time he visits town. Since his face first appeared on the stamp two years ago Johnny has received hundreds of letters, some from the United States.

His boss, Bill Waudby at the Mount Wedge cattle station, bought Johnny an ink stamp pad to meet requests for his signature—his thumb print.

Hereford Hardballers Defeat Nazareth, 11-8

McRight Allowed Only Three Hits During Last Three Innings

By Billy Paul Knox

Hereford evened it up with Nazareth for this season by defeating them, 11-8, Sunday afternoon at Nazareth. This is the second time the two teams have played this season. Nazareth won the first game.

Terry McRight was the starter for Hereford. He was relieved by winning pitcher Barrett in the fourth. McRight walked six and struck out three during his brief roll on the mound. He gave up three hits. Barrett gave up two hits, walked one, and struck out eleven during his tour of duty.

Hereford scored all of their runs in three innings: the third, fourth, and sixth.

Hereford Scored Four

Hereford scored four runs in the third inning. Sam Albracht led off with a single between short and third. Slugger Stewart drew a base on balls. Gerber got Corbett on strikes but Cerat Brockman let Wendell Burdine's grounder get away from him, the ball rolling into short leftfield.

Francis Wilhelm then threw wild trying to cut off Sammy Baugh at the plate, allowing Slugger Stewart to score also. Duane Albracht singled Burdine home on the next pitch and advanced to second on a ground out by Lueb. He scored on a single by John Renner.

Hereford scored again in the fourth, picking up three tallies. McRight walked—and Sam Albracht singled as the first two batters. Stewart popped out but Corbett drove McRight home with a single to left. Burdine and D. Al-

bracht singled to drive in the other two runs.

Drove In Scores

Hereford scored their last four runs in the sixth. Corbett walked and Burdine got on with an error. Burrus ran for Corbett. D. Albracht, Raymond Lueb, and John Renner then got successive hits to drive in the scores.

A wild pitch and two singles sent Nazareth's first run across the plate in the third inning.

They scored again in the fourth picking up five tallies. They got only one hit but drew three walks and Hereford made two errors.

John Renner made both of them.

Nazareth's Final Runs Nazareth scored their final runs in the seventh. Again they got only one hit but Hereford made three errors.

Ed Huseman led Nazareth with two hits. Duane Albracht paced Hereford, getting three hits.

Hereford finished up the season in second place (unofficially). They will enter the Shawnessy Play Off of the Irrigation League, Sept. 13.

Taxpayers Have Reasons For Wanting On Rolls

ST. JOSEPH, Mo. — County officials blinked their eyes, but there they were:

Four people in the office asking to be on the books as taxpayers. Good citizenship wasn't the only motive.

Three wanted liquor licenses and there's a law that required a holder of such a license to be a taxpayer. The fourth fellow wanted to make sure the county didn't claim some of his land.

The whole thing didn't turn out to be costly anyway. None of them asked for more than a \$75 valuation.

ONE THOUSAND TONS of silage were put into this trench silo on the Bonnie Brumley dairy farm recently. This load was DeKalb hybrid corn from the Grant Hanna place. Brumley had the material leveled and packed with a tractor. According to County Agent Hugh Clearman, there were about 25 trench silos in use within a few miles of Hereford last year, and he expected several more to

be in use this year. Food value of the chopped green feed is high, and cost is said to be lower than comparable feed bought later in the year. A small tractor with a scoop will be used to handle the feed when it is needed. This trench was cut into the side of a hill, but others have been dug on more level ground and the ends sloped to allow for handling of the feed. (Staff Photo.)

The Gilliland Furniture Company have sold their business to the Hereford Furniture Company, a firm composed of L. W. Ricketts, L. Gough, and J. N. Russell. They will continue the business at the same stand.

The Tenth Anniversary of the birth of the city of Hereford is now history. "The greatest fair ever held on the Plains." "The finest farm and stock exhibit ever brought together in Hereford." "The biggest success of all. Everyday better and bigger. There are no knockers now." These and hundreds of other sayings equally as tersely put express the good feeling that now exists over the glorious success of the anniversary.

Q. How can I keep frozen meat cold while defrosting the refrigerator?

A. Take the meat out of the freezing compartment, wrap it in waxed paper, then several layers of newspaper, and put it in a cooler or the refrigerator until the power is turned on again.

Missing Chapters in the Schoolbooks

A high-school teacher writes us: "Please send me 50 copies of your booklet, *Adventures Inside the Atom*, for use with my students." Another wants material on new inventions. Or booklets on jet planes.

New things happen in science faster than textbooks can be revised:

New words puzzle our ears and eyes before these words are in dictionaries . . . atomic-pile reactors, silicones, jet engines with "afterburners," UHF television. Some problem for teachers, that.

Last year over 100,000 letters from schools hit our desks at General Electric asking for things in print on "what's new."

Just to give you an idea of how this adds up, one booklet, *Adventures Inside the Atom*, has been requested to the tune of five million copies since 1948.

Adventures in Jet Power, also handled in comic-book treatment, has since 1946 gone into eight printings.

This may surprise you: a new booklet, *Why Study Math?*, will run over a million copies this year. (It answers that question Junior is always raising.)

Nobody is happier than we are to know teen-agers have a lively appetite for what's buzzing in the world around them.

After all, whether they know it or not, our young people in school today will be the scientists and engineers of tomorrow. They can't know too much.

WHY just look and sigh — and pass up so much real automobile?

Why — when this big and beautiful new Buick SPECIAL delivers for a figure you'd pay for a "six"?

Could be you're one of those folks who still don't believe that the price of a Buick really is just a few dollars more than that of the so-called "low-priced" cars.

So we'll show you the price tag to prove it.

But beyond that — what you get in this great Buick, for so small a step-up in what you pay, is plenty.

More power. Fireball 8 power. The highest horsepower and compression ratio ever placed in a Buick SPECIAL.

More room. Real six-passenger room—even by man-size measurement.

More comfort. The solid comfort of Buick's Million Dollar Ride—with coil-spring cushioning on all four wheels, wide-tread stability, torque-tube steadiness.

More pleasure. The pleasure of high visibility, of luxurious fabrics and fittings, of superbly easy handling — and the deep satisfaction of bossing a big and able and stunningly styled automobile that does you proud wherever you go.

Why not drop in on us and see things for yourself?

That way you'll also learn about the long list of "extras" you get at no extra cost in this spirited new 1953 Buick SPECIAL—things that most other cars of similar price charge for as extras. Can you make it this week?

God Bless America--Her People--And Her Churches

"Take my hand"

"Take My Hand" Thus has spoken our true Leader. As He Journeys in the service of God, He calls women and men and children to walk with Him. He has led youth and age to peace and victory. He has been the 'Christ of the Indian Road.' He is the Christ of every road where God's children must walk.

What a privilege! Ordinary people may have high company. What a blessed invitation. As they enter upon the serious tasks of life, they may have royal fellowship. Especially to those who leave the home fireside, to face a lonely way, He calls... "Take My Hand." Not one of us is equal to meeting the world in our own strength. But we can be conquerors, if divine strength and wisdom flows in upon our souls.

To every one of us, He is repeating the gracious invitation of the centuries, "Take My Hand." Wonderful things have been done by those who hearkened to the call. We do not need to walk alone. We must not walk alone. He will be our Teacher, our Friend, our Comforter, our Lord, our divine Comrade. Attend His Church! Take His Hand!

Q. What is a quick, easy way to clean a felt hat?

A. On any felt hat, except white, you can do a fine job just by rubbing it with a piece of stale rye bread.

Castro County Fair To Start

The 1953 Castro County Fair, expected to attract thousands of visitors, will be held Sept. 10-11-12 at Dimmitt.

Heralded as the biggest and best fair in the history of the county the three-day event will be packed full of various attractions, livestock, agriculture and community exhibits, in addition to a spectacular fireworks display.

Also in the planning stage are flower, pet and poultry shows. This coupled with the large variety of exhibits and midway attractions will assure visitors of plenty of entertainment.

Starts Thursday

The event will get underway Thursday at 9 o'clock when livestock entries are listed. Midway attractions, such as pony rides, plane rides and ferris wheel, will be opened to the public Thursday afternoon. Thursday night visitors will be treated to a ground and aerial fireworks display.

A parade of Panhandle bands will be featured Friday afternoon, and climaxing the fair Saturday night will be an old fiddler's contest, square dance, and Queen contest.

Buildings Improved

A number of improvements to the fair buildings and grounds have been completed to accommodate a larger number of animals and exhibits this year. This will enable stock owners to keep their show animals at the fairgrounds until Saturday night, thus giving latecomers a chance to view them.

Fair planners are making arrangements to accommodate one of the largest crowds ever to attend the event, according to Association President Wes Anthony.

OLDEST FORMER RESIDENT of the Summerfield Homecoming last Sunday was Mrs. J. T. Dendy, 88, (center) of Whitney which is near Hillsboro. With her were Mrs. Frank Findley, left, of Amarillo, and Mrs. John McDonald of Portales, N. M., two of her seven children. Mrs. Findley moved to Summerfield in 1903 and moved away in 1935. The "girls" used to drive a buggy to Summerfield to go to school. Mrs. Dendy was also the oldest former resident at the reunion in 1952. (Staff Photo.)

State Fair Museums To Offer Both Entertainment And Facts

Museums at the 1953 State Fair of Texas, Oct. 10-25, will offer a tasty menu of diverting entertainment spiced with enough nutritious dashes of solid information to afford a healthy tonic for anybody's fund of facts.

Admission is free to the Museum of Fine Arts, Museum of Natural History, Hall of State, Aquarium and Health Museum.

Homer II, a new Transparent Man, will move into his home in the Health Museum in time to receive visitors at the fair.

Can Talk, Too

The new man will be 5 feet, 11 inches tall and have an outer skin of plexiglass and a skeleton of brushed aluminum. He will "talk" to visitors in his own "voice."

Exhibits on nutrition, polio and geriatrics (care of the aging) will also be featured at the Health Museum.

The Hall of State will feature a Jacksonville housewife and mother, Mrs. Frank B. Burress demonstrating with old-time spinning wheels and looms, the nearly lost art of spinning and weaving. She works with flax and dyes made from native plants, roots, grasses and flowers which she cultivates.

Q. How can I get longer wear from my nylon hose?

A. Try rubbing the toes and heels with paraffin or candle wax after the last washing, before putting them on.

California Now Trying New System On Paroles

SACRAMENTO, Calif. (AP)—The California Department of Corrections has begun an intensive supervision experiment in an effort to reduce the number of parole violators.

Fourteen experienced parole officers have been assigned to a special unit authorized by this year's legislature. Each will be responsible for about 15 paroled prisoners. Normally parole officers supervise 90 persons each. The close supervision will continue for 90 days. Then the paroled prisoners will be transferred to the regular program.

The experiment was prompted by the fact that the parole violation rate is highest during the first three months of freedom.

Hunters Go Out To Sea For Tons Of Mink Food

VANCOUVER, B.C. (AP)—A hunting expedition returned to Vancouver with an unusual catch—14 tons of sea lion meat. The five-man expedition left this port a month previously aboard the former minesweeper for a hunting trip along the storm-battered reefs off the coast.

Bill Dawe, mink rancher led the party. The meat will be ground up into mink feed.

Q. How can I remove vegetable and fruit stains from the sink?

A. Mix up a paste of equal parts of bicarbonate of soda and chlorinated lime with boiling water and spread on the stains. Leave it until it dries, then wipe it off. Another paste for the same purpose can be made of three parts of cream of tartar to one part of peroxide.

Q. How can I clean leather upholstery on chairs?

A. By rubbing with a soft cloth dipped in ordinary milk—or better still, in beaten egg white. When they're dry, go over them again with a clean, soft cloth.

Q. How can I get beer stains out of materials?

A. Ordinary laundering will work for washable materials, and sponging with a cloth dipped in soapy water for unwashables. If the stain is an old one, add a little ammonia to the wash water.

Q. How can I keep my dustcloth slightly oily?

A. Add a spoonful of lemon oil or any furniture oil to the rinse water when you wash the cloth.

Twin-Engine Plane Purchased

Walter Galley and son Clifford are now the owners of a twin-engine Cessna airplane. The Galleys have been doing quite a bit of flying recently. Mr. and Mrs. Clifford Galley and his sister, Irene, flew Mr. and Mrs. Cyrus Galley and daughter, who have been visiting here to their home in Moline, Ill. While there they drove to Chicago for a day of sightseeing and shopping.

Last Wednesday the Galleys flew to Artesia, N. M., to visit relatives and returned the same day. In this group were Clifford Galley, Mr. and Mrs. Walter Galley and Irene, Lester Galley and mother, Mrs. Fleeda Galley, who was 88 years of age last February and enjoys flying as much as the younger generation. She took her first plane ride at the age of 86.

Beauty At Home

By Lynn Carter

Q. What are the recommended hairstyles for various face-types?

A. For the narrow face, the hair should be fluffed out to add width. For the broad face, keep the hair close to the head. For the long face, dip the hair over the brow, and for the broad face, brush the hair up to add height.

Q. What can I do about eyebrows that always seem "wild and woolly"?

A. Brush them regularly and faithfully with a small soft brush. Brows should always be brushed before using brow pencil. Then the pencil must be applied with light, feathery strokes. Avoid using too much and achieving a dark, hard and unnatural line.

Q. How should one's foundation makeup be adjusted to one's skin type?

A. For dry skin, use a creamy makeup base. For oily skin, a cake foundation. And if the skin has a fragile, porcelain-like quality, then the sheers of tinted foundations should be used.

Q. What exercise will improve my bustline measurement?

A. Sit cross-legged with back

against the edge of an open door. Dig the back of your waist against the door edge, bend arms at elbows and push thumbs back, way back. Push hard, at least ten times.

Q. My foundation makeup has a tendency to dry on my face, which is very dry. What can I do about this?

A. Try leaving a thin film of your cleansing cream on when you apply your foundation.

Q. What makeup procedure will take some of the red out of a skin that is quite florid?

A. You can try one of the tan tones of foundation makeup to help tone down the ruddy note in your skin.

Q. Is there a way, with my makeup, to camouflage rings under my eyes?

A. Be sure to blend your rouge up past these circles. If the rouge stops below them, it will only emphasize the hollows.

Q. How can I remedy dryness and dandruff in my scalp?

A. One of the best remedies is the heated olive oil treatment, applied to the scalp once a week and left on overnight before shampooing. Also, increase that brushing and massage.

Q. How can I prevent raisins from sticking to the chopper and the bowl?

A. Set the chopper in a hot oven for a few minutes and pour boiling water over the raisins before you begin chopping.

Q. How can I remove an accumulation of old wax from linoleum?

A. You can do this in the ordinary washing process by allowing the soapsuds to stay on the floor for about 10 minutes before wiping up.

Q. How can I remove paint spots from tile or porcelain?

A. Try soaking a piece of absorbent cotton in nail polish remover, and applying this to the paint spots.

Q. How can I get ink stains off wall paper or plaster walls?

A. Wet the spots with water, and then rub them with white magnesium chalk. After the wet chalk dries to a loose powder, brush it off.

Q. How can I remove odor from my hands after peeling onions?

A. Rub the hands with raw celery or parsley before washing them. Or, wet the hands with clear water and rub them thoroughly with salt.

Q. How can I clean a parchment lamp shade?

A. By rubbing it with a fresh piece of white bread, an art-gum eraser, or with a cloth dipped in milk.

Timely Tips

1. The food value of pink and red salmon is comparable. Pink salmon is less expensive than the red variety.
2. Serve fresh, frozen or canned fish once a week for variety in meals.
3. Watermelon is a good source of Vitamin C, ascorbic acid which needs to be supplied daily as it is not stored in the body.

- Q. How can I renovate an old, soiled powder puff?
 A. Wash it in warm soapsuds, scrubbing the bad spots with a fingernail brush. Don't lay it out flat to dry, or it may turn sour. Pin it to the sunny side of a window curtain so that air can get at it.
- Q. How can I easily clean a velvet dress?
 A. Brush off as much dust as

you can with a soft brush. Then turn the dress inside out and hang it in the bathroom while you take a hot shower. After it has been steamed in this way, let it dry completely before you handle it again.

Q. How can I easily remove a stubborn cap from my nail polish bottle?
 A. Try running hot water over the cap for a few minutes.

FOIBLES

By Kent Snare
 Recently I made a hazard that Michigan State and Notre Dame were both loaded this lap, notwithstanding the weeping and wailing of Munn and Leahy, past masters of the sob, both. . . Last week I received the brochures on this pair and the term "loaded" is a feeble feck on the actual appraisal. . . I lack superlatives to approximate the situation but to give you some hint of their manpower, leave us dissect the dissemination of their publicity staffs. Michigan State, in their gaffer, outs with a section which they entitle "Important Returnees", (not just mine-run lettermen). . . In this sector they list four ends, four of the same for the starboard side and two fullbacks. . . Natural all are lettermen of one or more years tenure. . . Don't be waylaid by those singletons at center and quarter, for Mr. Neal and Mr. Yewic are leaders in their profession, if you want to get snifty. Jim Neal, the pivot, is a senior, 6-4, 215 and has been fingerboned by several pre-casters as having a distinct All-American color. He center the regular offensive center for two gasps and would have been their inside linebacker except they had Mr. Tamburo, who was third in his position to Don Moomaw of UCLA and Catlin of the Okies, season-long deadheaters as the top hatchet men in the US and A.

Fancy and Plain

Mr. Jerry Norton if he can stay healthy and booting, just might kick SMU into contention in the SWC, as could Cotton Davidson for the Baylors. . . Now to slip up on the Irish, which, from this angle will be a pipe as compared to the footballer opposition easing up on them in the season to come. . . They roll-call 61 on their varsity roster, including 23 lettermen. . . Of these lettermen, monogram winners to the Irish, 19 have turned the trick, not once but twice, and they cover the lineup fore and aft as to position availability. . . They have shifted their great end, Art Hunter, to tackle and at 6-3 and 226, why not. Mr. Hunter probably will come up as a terminal occasionally in ND's overshifting and go with a pass, for he is a pass-grabber no end, even with his displacement. Leon Hart set a pattern there which the Irish won't forget and the opposish cannot afford to. They have a lot of names to remember and many of them difficult to retain, for as far as nomenclature is concerned, the Irish still enhance

the Lits, the Latts, the Polacks, the Bohunks and Italias, including the toe and heel. But it behooves one to remember some soph names among them, Don Schaefer, a quarterback and mayhap the quarterback of them all; Pat Biscaglia, a guard; John Gaffney, a fullback; Dick Washington, a halfback. Incidentally, Washington and Wayne Edmonds, an end, are the first Negro players to make the Irish varsity. Schedulewise the Notre Dames have the toughest schedule extant. They play 10 games including Oklahoma, Georgia Tech, USC, Pitt, Navy, North Carolina, Purdue, Penn, Iowa and SMU. The Spartans conversely, have a run on the lighter side, with TCU, Oregon State and Marquette, comparative softies all, plus their trial run in the Big 10, where they have six tilts slated, three of which are not tender—Ohio State, Michigan and Purdue. They play Michigan at home on November 14, which comes about after many seasons of early scheduled games, on account they wuzn't a member.
