TO ILLUSTRATE THE NEED for money to be used in shipping powdered milk to children in foreign lands, Bill Kelly, center, Vice President of the Hereford Christian Interdenominational Christian Youth, poses with local youngsters dressed as some of the needy children. The HICY members will "Trick or

Treat" Saturday night to help raise money to be used by the Christian Rural Overseas Program in shipping the powdered milk. The children are, from left, Ruby Blea, Gary Moore, and, at right, Barbara Clements. (Staff Photo.)

Commissioners Transfer Lateral Road Monies

Funds returned to Deaf Smith County by the State and put in the lateral road fund have been transferred to the Road and Bridge fund, according to a motion made by County Commissioner M. T. Rutter and passed by the commissioners at their meeting Monday.

The money, \$26,551.85, has been transferred by the County Clerk to the County Treasurer for the Road and Bridge fund account.

Jury Of View Appointed

A Jury of View was also appointed by the commissioners to study the application of C. F. Homfeld and seven others of Precinct 4 for a new road beginning at the northeast corner of Section 7 and the northwest corner of Section 8, Township 5 north, Range 2 east, running south to and terminating at the southeast corner of Section 30 and the southwest corner of Section 29, in the same range and township, intersecting a county road.

Jury Members

Members of the Jury of View are J. C. (Claude) Ricketts, Ezra Norton, C. H. (Card) Hammock, Tom Robinson and Dan Guseman. A majority of this group is to work with the county surveyor to lay out, survey and describe the proposed road, and make a report at the next term of the commissioner's court.

Those who were present at the meeting included Commissioners M. T. Rutter, J. C. Morrison, J. T. Guinn and C. G. Richardson, and County Judge Horace L. Schloss.

PULLING THE TRUCKS out of the lettuce fields with Caterpillars and tractors is just one of the things lettuce farmers are doing to get their crops out before a hard freeze comes. The Caterpillars are leaving large clods of mud along side the

deep tracks left in the field. This picture was taken Tuesday afternoon at the Gene Awrey farm about five miles south-east of Hereford. Sam Rice was driving the Caterpillar. (Staff photo.)

Lettuce Harvest Moving Despite Muddy Fields

A. Petersen Is Elected To District CMF Office

A. Petersen, 409 Irving, was elected Lieutenant Governor of the Christian Men's Fellowship for this district at the District Convention of Christian churches for the Panhandle Area, which was held in Panhandle Thursday.

Those attending from Hereford were: Mr. and Mrs. Claude Ricketts, Mr. and Mrs. Ira Ricketts, Mr. and Mrs. Jim Ricketts, Mr. and Mrs. Ted Sumner, Mr. and Mrs. F. Y. Moreman, Mr. and Mrs. A. Petersen, Mrs. Robert Viegel, Mrs. Carlos Vaughn, Mrs. Ida May Vaughn, Mrs. O. H. Culpepper, Mrs. S. O. Wilson, Mrs. John (Continued on Page 2)

Lettuce sheds have been working hard all week, despite muddy fields which caused a slowdown in harvesting, and the processing of the crop is "expected to continue until frost catches us," as one packer said.

Soggy fields prevented the use of regular equipment without special help, so crawler-type tractors were brought in to pull trucks and trailers through the mire, though these have torn up fields so badly that it is unlikely that any more lettuce can be gotten out of those fields.

About 400 Cars

About 400 cars of lettuce have been harvested in the area so far, with just a small portion of that having been brought out of the fields since the rain. Approximate-

ly half of the harvest has been shipped by rail, with the other half going out by truck.

Tuesday's market was rumored to have hit \$7 a crate, but in most cases seems to have been nearer to \$6 for iced lettuce, and \$3. to \$3.50 for the carton pack for equivalent amounts of lettuce.

Some Night Cutting

Some night cutting has been done, with the lettuce going directly from the fields into the package and on to railroad cars or trucks for shipment, without any worries about cooling, because of the low or night temperatures.

There are about 3,000 acres of lettuce still unharvested in the county, according to one estimate, and they should produce about 100 crates to the acre if the crew

can get to them in time. "Using heavy equipment in the fields won't make too much difference in most cases," one lettuce shipper said. "Nearly all of this is second cut, and it is unlikely that there would be a third cutting anyway."

Market Firm

The market was reported to be fairly firm Wednesday morning, following the slight price drop from Tuesday's high.

In the long run, the most noticeable effect of using the heavy equipment will be in the cost of plowing and leveling the fields which have been torn and gouged by crawler tractors. That problem is one that the farmers will have to face after the harvest is completed.

Trick Or Treat To Help Feed Hungry Children

"Christian Witches," members of Hereford Interdenominational Christian Youth, will "trick or treat for hungry children" Saturday night, asking for donations to be used in sending powdered milk to children in foreign lands.

E. W. Soloman, president of the organization, said that members, including those who wish to join, will gather at the First Presbyterian Church at 7 o'clock Saturday night to obtain their membership cards before beginning their mission of mercy.

Between 8 And 9 O'clock

"Householders should expect the HICY members between 8 and 9 o'clock that night," the HICY president said. "If there is any doubt about their identity, the householder should ask to see the HICY membership card."

"Those going out to collect money for the program may wear costumes or not, as they prefer," Soloman said. He expects the junior high school age youngsters to wear costumes, while the older group may not.

500 Gallons For Dollars

For each dollar collected by the organization, CROP will be able to send enough powdered milk overseas, from government "surplus" stocks, to make 500 gallons of milk, according to information received by the group.

To prevent more than one of the HICY workers from going to the same house, the town is being laid out in sections, and from four to eight workers will be assigned to each section. If transportation is available, cars will be used to carry the HICY members to the various sections in which they are to work.

Broadcast Of Results

Results of the drive, in Hereford and other High Plains towns which are participating in the drive, will be announced at 10 o'clock Saturday night over KGNC, Amarillo.

Anyone who thinks he might be missed by the young people that night can mail or take contributions for the milk fund to Jane Houston, HICY treasurer, at 703 North Lee.

Mrs. L. Pollard's Funeral Held In Quanah Monday

Funeral services for Mrs. Lula Pollard, 81, were held Monday afternoon in the Smith Funeral Chapel in Quanah.

Mrs. Pollard died in the home of her daughter, Mrs. Julian Wiseman, 213 Kibbe, Sunday afternoon. Mrs. Pollard was born May 17, 1872 in Tuscaloosa, Ala. Later she married H. B. Pollard at Seymour. Her husband preceded her in death in 1913. She moved to Deaf Smith County in June 1953 from Roswell, N. M.

Survivors

Survivors include five daughters, Mrs. Julia Ann Wiseman of Hereford, Mrs. O. B. Dings of Lubbock, Mrs. Aline Pollard of Dallas, Mrs. Ellis Sharp of Quanah, and Mrs. Ned Shanks of Matador; two sons, Howell Pollard of Dexter, N. M., and Bryan Pollard of Big Lake; 14 grandchildren, and 10 great-grandchildren.

Helen McCauley and Mrs. Arthur Thompson are in Dallas this week attending the American Fashion Association's Resort and Advance Spring Market. They plan to return Friday.

CRISS RENFRO

PIONEER FARMER, RANCHER

Last Rites Held For Criss Renfro

Became Cattle Breeder

Though engaged in other business, he maintained an interest in farming and ranching, and later took up the breeding and raising of registered cattle as a business.

Always congenial and helpful, Mr. Renfro was still known as a man who was "strictly business" most of the time.

Managed Hospital

For several years he managed the Deaf Smith County Hospital in addition to handling his private business, and was called on during World War II to serve on the ration board, where he handled the touchy problems of tire and gasoline rationing.

A member of the Masonic Lodge from May of 1919, Mr. Renfro was worshipful master of Lodge 848 in 1921. He also attended the First Christian Church in Hereford.

Born In Missouri

Born October 25, 1898 at Trenton, Mo., Renfro came to Texas with his parents in 1902, when his father moved to Castro County. Only a short time later, though, the Renfros moved to Deaf Smith County, where Criss Renfro lived for the remainder of his life. Mr. Renfro first engaged in farming with his father, but was dealer for Buick automobiles starting about 1918, and later was Ford dealer here in the early 1920's.

Six Accidents Occur In Three Day Period

Six persons were injured as a result of four of the six accidents which occurred in Hereford between Sunday afternoon and Tuesday night. Damages to the cars involved in the accidents amount to about \$3,300, according to estimates made by the Hereford Police Department.

Those injured include Larry Barclay, three-year-old son of Mr. and Mrs. Curtis Barclay, Hereford, Route 2; Sue Barnard, 16, daughter of Mr. and Mrs. D. C. Barnard, 901 North Miles; Oma Deanna Reeves, 232 Avenue A, Miss Donna Reeves, Calvin O. Buse and Robert Jennings.

Worst Damage

Worst damage occurred in the collision about 9:55 o'clock Monday night when two sedans collided on East First (Highway 60) about five blocks east of Main Street. Both drivers and one passenger were injured, and an estimated \$600 in damage was done to each of the cars.

After the investigation, officers said that apparently Robert Jennings, driving a 1948 Oldsmobile, was driving on the wrong side of the street at the time of the collision.

The collision occurred between Jennings' car and that of Calvin O. Buse, 210 Catalpa. Buse said that he pulled to the left to avoid Jennings' car, and the right front fender of his car collided with Jennings' automobile. Buse had been driving east on the highway, Jennings was headed west, at the time of the accident.

Charges Filed

Jennings was charged with negligent collision and driving without an operator's license in his possession.

Another accident on Monday occurred at the intersection of Park Avenue and B street about 5:15 o'clock. Approximately \$600 damage was recorded to each of the vehicles.

Sue Barnard, driving a 1951 Pontiac, was going west on Park Avenue and Mrs. Helen Brewer, driving a 1948 Chevrolet was going south on B street when the ve-

THREE PERSONS WERE INJURED, none seriously, in this accident on Highway 60 about five blocks east of Main Street Monday night. Injured were Calvin Buse and his passenger, Miss Donna Reeves, in one car,

hicles collided at the intersection. Brewer stated that when she put her foot on the brake her foot slipped off, and her car collided with the Pontiac.

Hit Telephone Pole

Mrs. Brewer hit the Pontiac near the front of the car knocking it approximately 15 to 20 feet west. It bounced off the curb and hit a telephone pole on the southwest corner of the intersection.

Miss Barnard was charged with failure to have an operator's license, and Mrs. Brewer was charged

with failure to grant the right-of-way and having no operator's license, according to investigating officers.

The third accident Monday afternoon occurred on US Highway 60 about 25 feet west of Highway 51 at approximately 2:20 o'clock.

Mrs. Paula Pena Delacerta had been parked in a service station drive and pulled onto the highway, intending to circle around and then head west. She pulled onto the highway in front of Mrs. Curtis Barclay, who was going east. Mrs.

Delacerta's left front fender hit Mrs. Barclay's right front fender. Mrs. Delacerta was charged with failure to grant the right-of-way. Damages were estimated at \$300 to Mrs. Barclay's Hudson and \$100 to the Chevrolet pickup driven by Mrs. Delacerta, according to investigating officers.

Around Town

P.T.A. will meet Monday night at 7:30 o'clock in the High School Auditorium. Mrs. James P. Corbett, district vice-president, of Canyon will be the guest speaker. There will be a show in the Study Hall for the youngsters.

Dr. and Mrs. R. R. Wills, who are living in Oklahoma City will be in Hereford for a special post-graduate medical study at St. Anthony's hospital, were in Hereford last weekend.

Next Tuesday there will be a Marine Corp recruiting sergeant to interview young men and women and to accept enlistments in the Marines. He will be in the Selective Service office until about 1:30 o'clock Tuesday afternoon.

Starting next Monday, November 2, the Hereford Rotary Club will meet on Monday instead of Friday. The meeting this Friday will be held as usual, however.

Hereford High's "B" football team will meet the Tulsa "B" team here tonight. It is said that the two teams are fairly evenly matched.

Heatless days at the Courthouse are over, now that repairs have been completed on the boiler. The building was without heat Saturday, Monday and Tuesday, with the heat scheduled to be on this morning.

Pvt. Gerald Hamilton, son of Mr. and Mrs. Homer Hamilton, 103 Park Avenue, had the honor of being assigned to take pictures of the historic meeting of President Eisenhower and Mexican President Adolfo Ruiz Cortines at the dedication of Falcon Dam October 19, Gerald, who has been in the service only six months, is stationed at Fort Hood, where he is attached.  Tom McLean of Hereford broke his arm just above the wrist Sunday afternoon when he slipped and fell on the muddy road north of Dawn. McLean had left his car at the W. L. Moore place and was just starting to walk to his folk's place when the accident occurred. He had the arm set that afternoon after his wife drove him to the hospital.

Some 26 Scouters turned out for the steak barbecue and Roundtable meeting Monday night at Veterans Park, one of the best meetings they have had here in some time, according to those who attended.

Twenty Greenhands Initiated By FFA

Twenty Greenhands, new members of the chapter of Future Farmers of America, were initiated at the FFA meeting Monday night.

During the business session, the committee chairman of the program of work each gave a report on the work that his committee had to accomplish for the year.

Will Buy Boar

Members of the club discussed whether the chapter should buy a chapter boar. The group decided to buy a registered Duroc boar.

Kenneth Carmichael and G. W. Surges, who attended the National Future Farmers of America convention in Kansas City, Mo., gave a report on their trip.

Those Initiated

Greenhands initiated were: Joe Ed Andrews, Lynn Boomer, George Drake, Billy Dufur, Marvin Finley, Kenneth House, Buddy Jowell, Norman Kerr, Travis McGaughey, Bobby Miller, Jerry Nixon, Bobby Ramey, Fred Roland, Wheeler Sears, Bruce Terry, Larry Walterscheid, David Werthenberger, George Wilhelm, Frank Woolbright and Glenn Mutter. Each Greenhand was given a Greenhand pin by the advisor, William J. Stanford.

After the initiation, refreshments were served by the sentinel, Jimmy Burkett. Members then had a basketball game in the school gym.

Musical Program Given At Lions Club

An informal musical variety show was presented before the Hereford Lions Club Wednesday, featuring Bill McEacheron and Harry Renek, both staff members of KGNC-TV. Earnest Langley, program chairman, introduced the performers.

McEacheron, an accomplished musician, entertained with piano and accordion numbers, and Renek, who professed to be a former Italian Street Singer, entertained with songs. Light banter also added zest to the program as the two ad-libbed from time to time. Renek will be recalled by TV fans as the announcer on film programs and McEacheron, active in several phases on KGNC-TV, is probably more widely known for his role as "Cagey, the Clown."

Thirteen Notified To Take Physicals

Thirteen men from this area have been notified to take their physical examination November 3 according to Eunice L. Petersen, clerk of the local draft board.

They are Millard Daniel McLallen, Hereford; Harold Wayne DeLozier, Summerfield; Dick Neal Ratjen, Happy; Fred Royce Begert, Canyon; Kenneth George Acker, Nazareth; Max D. Allen, Canyon; Bailey Lee Reese, Adrian; William Edward Glover, Amarillo; Bobby Ray Patterson, Amarillo; Lawrence Stagner Owen, Hereford; John Carl Southall, Friona; Frank Weldon Hacker, Amarillo; and Gaylord Maurer, Friona.

Halloween Party Held In Deserted House

The Young People's Department of the Eastside Baptist Chapel had a Halloween party in a deserted farm house six miles north of Hereford Tuesday night.

Refreshments were served and games were played for entertainment.

Those attending were Karl Hutchinson, Doyle Cox, Donna Cayler, David Atchley, Doris Russell, E. W. Solomon, Jean Glass, Rex Covert, Mary Beth Sparks, J. W. Sirkel, Peggy Sewell, Tommy Parker, Eugene Hutchinson and Jackie Allmon.

Twirp Party Held Friday After Game

A "Twirp" party was held in the home of Mr. and Mrs. Clinton Jackson after the football game Friday night, with Patsy Jackson, Pat Childers and Nan Longbottom as hostesses.

The refreshment table was decorated in autumn leaves and fall flowers. Stacks and stacks of sandwiches and bottled Cokes made up the refreshment table.

Girls "Date" Boys

Last week was declared as Twirp week for high school students, during which time the girls date the boys, and entertain them. The party was made up of the following

girls dating the following boys: Lathan and Charles Quatlebaum; Mary Durham and Lanny Wilkins; Dorothy Veigel and Jimmy Crammer; Sue Barnard and Lee Drake; Doris Russel and E. W. Solomon; Donna Caylor and Ralph Atchley; Melrose Whitfield and Marshall Wilson; Pat Childers and R. L. Layman; Nan Longbottom and Willie Pittner; Patsy Jackson and A. W. Self.

Late comers to the party were: Clarence Caywood, Dwayne Wallace, Francis Boyd, Kenneth Mathews, Buddy Godfrey, and Lynn Eby.

Visitors in the home of Mr. and Mrs. Grant Fuller this week are Mr. and Mrs. John Witt of Grant's Pass, Ore. Mrs. Witt and Mrs. Fuller are sisters. Witt is a retired farmer. The couple arrived in Hereford Monday.

 driving a 1949 Chevrolet, collided at the intersection of Grand Avenue and B street about 5:30 o'clock.

Mrs. Pyka was going west on Grand Avenue and Mrs. Hooper was facing north on Avenue B, stopped at a stop sign. Mrs. Pyka stated that she did not see Mrs. Hooper's car, so she started through the intersection. Mrs. Hooper hit Mrs. Pyka's car in the left side.

According to investigating offi-

cers, Mrs. Hooper was charged with failure to grant the right-of-way and disregarding a stop sign. Sunday afternoon, Tommie Oliver Snell, driving a 1936 Chevrolet pickup, and George Dewey Gabbert, driving a 1952 Chevrolet, collided at the intersection of Main and Sixth.

Snell was going east on west Sixth and Gabbert was going south on Main street. Gabbert struck the left side of the pickup driven by Snell.

Snell was charged with failure to grant the right-of-way. Damages were estimated at \$100 to the Chevrolet and \$25 to the pickup by investigating officers.

Minor Damages

Damages were only minor in an accident Tuesday night. June Bryan, driving a 1953 station wagon collided with Roy Elton Smith, driving a 1952 Ford pickup, at the intersection of East First and

Miss Bryan was parked at the curb on the south side of First street west of Schley and was attempting to enter the lane of traffic. Smith was going west on Highway 60 and was attempting to make a right turn onto Schley as Miss Bryan pulled out from the curb.

Smith hit the left front fender of Miss Bryan's car.

Miss Bryan was charged by investigating officers with failure to grant the right-of-way.

Damages were estimated at \$35 to the pickup and \$25 to the station wagon.

the county, most of which he retained until his death. His cattle interests, however, have largely been disposed of recently.

Married In 1918

On April 4, 1915, Renfro married Miss Willie Robinson, who survives him, in Hereford. They did not have any children.

Active pallbearers at the funeral were six of Mr. Renfro's nephews. They are Lee and Clyde Renfro, Edwin Mauk and J. W. Robinson Jr., all of Hereford, and Murray Evans and Bill McMinn of Abilene.

Survivors

Survivors, in addition to his wife, include two brothers, Bob Renfro of Fort Sill, Okla., and John Renfro of Hereford; and two sisters, Mrs. Ollie McMinn and Mrs. Alta Johnson, both of Abilene.

Burial was in West Park Cemetery. Gilliland Funeral Home had charge of the arrangements.

Northwest Hereford News

By Mrs. R. C. Childers
Mr. and Mrs. Ira Scott returned Friday from Winters, S. D., where they have been for the past two weeks pheasant hunting with friends. Lynn, young daughter of the Scotts, has been ill with an ear infection, and has missed several days of school.
Mr. and Mrs. Bill Kelley of Buena Vista, Colo., were overnight guests in the home of Mr. and Mrs. Dwain Walker of this vicinity. Friday, Mrs. Kelley is the former Nancy Cagle, daughter of Mr. and Mrs. Dick Cagle, former pastor of the First Baptist Church, in Hereford. The Cagles are now living at Ballinger. Mr. and Mrs. Kelley were returning from a visit with her parents in Ballinger. The Kelley's have a six months-old daughter.

Overnight Guests
Nan Longbottom and Patsy Jackson were overnight guests of Pat Childers' Friday night.

Pat Childers, Nan Longbottom and Patsy Jackson helped with the Senior Class bake sale which was held Saturday at the Piggly Wiggly Food store.

Mr. and Mrs. Pat Robinson were hosts at a birthday dinner held in their home Sunday for their nephew, Jackie Smith of Panhandle. Other relatives attending were Jackie's parents, Mr. and Mrs. O. D. Smith and daughters Glenda and Janice, Mr. and Mrs. Frank Robinson, and sons, Rudy and Doal; and Mrs. J. V. Robinson, all of Panhandle; Mr. and Mrs. Bill Hammer and son Billy Vance of Groom; Mr. and Mrs. James Vance Robinson of Vega; and Mr. and Mrs. J. T. Richardson.

Mrs. J. V. Robinson and Mr. and Mrs. O. D. Smith and family came Friday and spent the weekend in the Robinson home.

Change Of Plans
C. S. Barclay and members of his hunting party were unable to reach the point in northwestern Colorado where they had planned to hunt, due to the heavy snow in that vicinity. They were as far as Dove Creek, Colo., and are hunting in the mountains near there. The group is expected home the latter part of the week.

S. J. Barclay is planning to return to his home in Tucson, Ariz., some time this week.

Weather News
Weather has been the news for the past two weeks and still is news to folks of this vicinity. Farmers are inspecting their fields, where they can get in them and others are mudding lettuce crops out by the use of caterpillar tractors, which are being used to pull the trucks through the fields for workers to gather the lettuce. The tractors are leaving clods of mud as large as wash tubs along-side the deep-treaded tracks left

Summerfield NEWS

By Mrs. Guy Waiser
This community has received from three to six inches of rain in the last week. There was some hail and lots of wind. The farmers are wanting some sunshine and winds to dry the fields so they can get their crops gathered. Crops such as lettuce, cester beans, maize, cotton and beets are all ready to be harvested.

There were 69 present at Sunday School.

Mr. and Mrs. Elbert Byrd and daughter of Hereford visited in the home of Mr. and Mrs. A. E. Barnett and family.

Mrs. Vern Foreman and girls of Stratford visited in the home of Mr. and Mrs. Ray Johnson. Mrs. Foreman is the former Shirley Thomas.

Returned From Hospital
Mrs. Frank Huckert returned home last Thursday from Amarillo where she had been in the hospital.

Mr. and Mrs. Henry Behrends have a new grandson, born to Mr. and Mrs. W. W. Pennington.

Miss LaWanna Lookingbill of

in the fields. Considerable amounts of moisture fell in varied amounts over the community Sunday morning and afternoon. About 4 o'clock the most beautiful rainbow could be seen in all its vivid colors arched across the sky in the east that your correspondent has seen in years.

Housewives doing their own laundry, have had a time drying their clothes with so much moisture in the air, and underfoot, this week.

Choral Club Report
The Choral H. D. Club met in regular session in the Veteran's Club house Monday afternoon at 2:00 o'clock. The short business session was presided over by the chairman, Mrs. J. B. Caraway. It was reported that a total of 20 books have been ordered for the group. It was decided to meet six times during the month of November in order to be prepared to sing for the Council Christmas party. The meeting dates are November 9, November 23, and November 30 at 2 o'clock in the veterans club house, and Thursday nights, November 5, November 12, and November 19 at 7 o'clock at the home of Mrs. G. E. Mullins, 505 Union St.

Members attending were: Mesdames Taft McGee, T. J. Parsons, Tom Draper, R. C. Childers, S. S. Williams, Augustine Gregory, J. B. Caraway, G. E. Mullins, John Draper, Joe Landers, and Paul Hoff.

Visitors in the home of Mr. and Mrs. S. N. Thweatt home Sunday were her sister, Miss Mattie Lou Hagan of Loveland, and her nephew and family, Mr. and Mrs. Roger Hagan of Lubbock.

Mr. and Mrs. Elmer Northcutt visited in the Jack Clark home in Summerfield recently.

Mr. and Mrs. Floyd Brown visited in the C. W. King home Sunday.

Mr. and Mrs. Elwyn Hartman of Dimmitt visited with the Elmer Northcutts recently.

Mr. and Mrs. N. A. Brown, Ernest and Floyd Brown attended the funeral of Samuel A. Harris, father of Mrs. Cecil Northcutt, Sunday in Bellview, N. M.

Mr. and Mrs. Ernest Brown and Barbara visited Mr. and Mrs. J. V. Mulhair, Peggy and Johnny Sunday night.

Mr. and Mrs. John McCullar were guests in the S. N. Thweatts' home for a chili supper. After eating, they played 42.

Won Selling Contest
Miss Ann Lookingbill, daughter of Mr. and Mrs. L. B. Lookingbill, won the Junior Class Magazine selling contest that was being conducted in Hereford High School.

The A. H. Green's of Hereford have moved to the Ray Johnson farm south of the elevator.

Mr. and Mrs. D. C. Waiser, Gloria and Carol of Hereford visited in the home of Mr. and Mrs. Melvin Rainey Sunday.

Kenneth Niell and Roy Botkins were in Lubbock last Thursday.

Miss Ann Wagoner of Westway spent Monday night with Raline Rule.

GARCIA NEWS

By Mrs. Ernest L. Brown
Rains fell over our community last week. For the dryland farmers, it seems to mean that they will have enough moisture in the ground now to get their wheat up and for the cattlemen it means they will have good pasture for their cattle. N. A. Brown reported 2.79 inches since Wednesday in a Soil Conservation gauge.

The Walcott School is having a carnival Saturday night. Everyone is urged to come out for a good time.

Thweatt Visitors
Visitors in the home of Mr. and Mrs. S. N. Thweatt home Sunday were her sister, Miss Mattie Lou Hagan of Loveland, and her nephew and family, Mr. and Mrs. Roger Hagan of Lubbock.

TROUBLE SHOOTER

International Trucks with all-steel Service-Utility bodies bring weather-tight workshops to the job.

Electricians, contractors, plumbers, public utilities, radio and TV repairmen, to name just a few, find these versatile International ideal for service work in the field.

There are 6 models with Service-Utility bodies—77-inch body lengths for 115-inch wheelbase models, 89-inch lengths for 127-inch wheelbases.

Body has load capacity for a multitude of service jobs. Vertical and horizontal side compartments provide ample space for tools, parts, and equipment. Telescopic type steel roof with inverted tail gate, pipe racks, and other specialized equipment are available.

Compare performance, value, price. Come in and let us demonstrate this or other new International Truck models today. Convenient terms, of course.

Sometimes the things which appear worst completely reverse themselves and turn out to be good. Last week I was worrying about the lettuce growers who appeared to be taking a real lacing as a result of the rains. This week rumors have it that the lettuce folks, some of them at least, stand an excellent chance to also profit from the rains. With the lettuce supply practically at a standstill, the price suddenly zoomed out and shot up to around \$7 a crate. Tuesday some of the growers were spinning crawlers into muddy fields

and doing everything possible to market their 1953 crop on the top-bracket price level. You never can tell. Perhaps the little delay may result in a better market for considerable time.

Time changes everything, they say. Take the kids, for instance. A fine, stalwart young man dropped into the office this week to announce that the Hereford Inter-Denominational Youth organization will be on the prowl Halloween night (Saturday). This bunch of kids, instead of turning over out-

SAM DREY, left and Hoover Matulich of the Mayo and Galley farms which are located five miles northeast of Hereford, are shown holding a head of lettuce that weighed seven and one-half pounds and measured two feet in diameter. The lettuce was farmed by Hoover Matulich and was cut by Sam Drey, representing Gillarde Sons Company of Chicago, Ill. (Staff Photo)

houses, will be collecting money for the sole purpose of sending packages of CARE powdered milk to needy families across the seas. The money will be used for freight and postage—with the powdered milk being supplied through other channels. They even have a little poem about the deal:

Christian witches will trick or treat,
So hungry children might once again eat.
Freight will be paid with the money you give
To get milk overseas, so that a child might live.

Even I can remember when Halloween meant other things to the boys and girls. And my experiences were tame compared with the antics which Roger Corbett and Scotty Buckner used to pull when they were kids. Roger and Homer Brumley can also recall a few pranks which would make your hair curl. No one could criticize the change—but there is certainly no question but that it has been radical. No sir.

Now days, instead of wearing sheets and carrying pumpkins with lit candles, the kids wear all kinds of fancy costumes. They include such things as "Frankenstein", "Space Cadets", imps, devils, and such for the boys, while fashion decrees that the little girls appear in fancy Spanish, Danish and gypsy frocks that look like something out of a Technicolor extravaganza. Some of the rubber and plastic creations are even illuminated with flashlight bulbs. Seems more like an Easter parade than Halloween.

Sometimes I am tempted to take the "trick" instead of dishing out a "treat". It's been so long since anyone accepted the challenge that half of the kids wouldn't know what to do. Then, I remember things like that "bench" deal and immediately change my mind. Despite the modern trends of thinking, one fact still remains — you never can tell what a kid is liable to do.

The question of government subsidy on cattle seems to be drawing general comment over the country. Some people say there is no way to administer such a subsidy. They figure it will work out like the potato and butter deals. Others figure it is an absolute necessity. This is a big question. On the other hand, so is the entire question of agricultural subsidies. Regardless of what you may personally think, however, they are here to stay. Never in our lifetime will we, as individuals, see the time when agriculture is not subsidized. The method may change, but the fact will remain. Even Ezra Taft Benson appears about ready to admit it. The overwhelming vote on wheat referendums this fall established the fact. Another prediction. Mr. Benson will never last out the Eisenhower term of office. It just isn't in the cards.

Earl Plank is predicting a beef shortage within the next two years. He says "over-production" always precedes a "famine" on beef. He and Leo Forrest got into quite a discussion the other day, but neither of them changed his opinion as a result of the argument. "I'll just bet you a beef steak," said Leo. "No Sir," exploded Earl, "by that time it will cost \$2 a pound—if you can buy one at any price."

Recently Kiplinger, the business analysis expert, published a booklet entitled "99 New Ideas on Your Money, Job and Living." It is a down-to-earth digest regarding a lot of things. The advance advertising was maybe even better than the book. It has a section about "How to Borrow Money," so I took the "special" offer and sent them a buck. Among other things, they also tell you "Where to Live", and I was most interested in how they rated Texas and the Panhandle.

Believe it or not, the Panhandle is rated separately on the topic of health from the rest of Texas. According to my interpretation of the code, the Panhandle rates "average" for best physical and mental work, whereas the rest of Texas is rated "poor". States which he rates best are: California, Connecticut, Illinois, Indiana, Iowa, north two-thirds of Kansas, Maine, Massachusetts, Michigan, Minnesota, north half of Missouri, Nebraska, New Hampshire, north half of New Jersey, New York, North Dakota, Ohio, Oregon, Pennsylvania, Rhode Island, South Dakota, Vermont, Washington, and Wisconsin. Some of the above states are shown in portions, rather than in whole. They all seem to have cool to colder climates.

The 23-point chart on "Where-to-Live" gives Texas the following result: Sunshine; largest possible percentage; Pneumonia, high

death rate; Doctors, average number per capita; Hospitals, poor per capita; Infant Mortality, high rate per capita; Population, low density; Income, average per individual; Manufacturing, small per capita; Business, average firms per capita; Bond Sales, low volume per capita; Growth — Population, most expected in next 10 years; Growth — Manufacturing, greatest recent increase; Growth — Income, largest recent per capita gain; Construction, greatest recent dollar volume; War Plants, most now under construction; Schools, badly crowded, fewer teachers; Teachers' Pay, average; School

Budgets, average expenditure per capita; Libraries, small number per capita; Taxes, lowest local and state; Housing, lowest average cost of new city house; City Crime, high per capita.

When you study the chart carefully, it indicates that Texas is due for considerable boom in population growth, that we can mend a few fences on the subject of hospitals, libraries, schools and curbing of crime. It also says our taxes are low. Incidentally, the states listed with the highest taxes, local and state, are: Arizona, California, Colorado, Florida,

Kansas, Louisiana, Minnesota, Mississippi, Montana, New Mexico, North Dakota, Oklahoma, Oregon, Utah, Vermont, Wisconsin.

Many of these same states, I notice, are also listed as "best for physical and mental work." This rings true. They would have to be if the folks paid more in taxes than in this country.

When Canary birds were first exported from the Canary Islands for pets during the 16th Century, Spain tried and failed to maintain a monopoly of the trade by exporting only males.

Trading Fever Blamed Of Summer Of Baseball

MILWAUKEE — The baseball fever which gripped Milwaukee all summer still is being felt here. The Municipal zoo made an off-season trade. Director George Speidel traded a surplus leopard and two rhesus monkeys, plus cash, to the Chase Hill Wild Animal Farm at Egypt, Mass., for a male cheetah and four wanderoo monkeys. The cash involved was said to be \$1,000.

In 1940, Korea was the world's fourth largest rice producer.

Tag Team Title Is Retained By Curtis Brothers

Jack and George Curtis, brothers from Vicksburg, Miss., are still the holders of the Southwest Junior Heavyweight championship tag team title after wrestling Ivan Kalmikoff of Roslov, Russia, and Karol Krauser of Poland for the title here Saturday night.

In the two out of three falls with a one hour time limit, Kalmikoff won the first fall over Jack Curtis in 15 minutes with a one-legged crab.

Jack Curtis won the second fall over Kalmikoff in 10 minutes with a body press following a series of body slams and spinning head locks.

In the third fall, Krauser and Kalmikoff were disqualified in five minutes for doing "just about everything" in the ring.

In the first event, Karol Krauser wrestled George Curtis in a one-fall bout, with a 20 minute time limit.

Krauser won the fall in 10 minutes with a double leg lock.

Second Event

The second event, a one fall with a 20 minute time limit, Kalmikoff wrestled Jack Curtis. Kalmikoff won in 19 minutes with a body press following a series of turn buckle smashes. Kalmikoff wouldn't quit hitting on Curtis so the referee, Gene Detton of Arriño, reversed his decision and gave the fall to Curtis.

Ends Make Unique Switch

DETROIT (AP)—Jim Doran and Dorne Dibble, Detroit Lions ends, performed a complete "about face" when they entered the pro grid ranks. Dibble was a defensive end at Michigan State but now is on offense for the Lions. Doran set an NCAA offensive record at Iowa State but now excels on defense.

Observe this safety tip when using a pressure saucepan. Never try to remove the indicator weight or open the saucepan until the pressure is down.

MEET YOUR TEAM - John David Bryant, 15, Hereford High School freshman, is a member of the "A" team who will, undoubtedly, be playing more during the next three years than he is this year. Now tipping the scales at 140, Bryant is promising material for future Whiteface frays. He is the son of Mr. and Mrs. Cawthon Bryant, 313 Norton Street. (W. H. Patton Photo.)

WILL MEET JESS JAMES

Pole Wrestles Here Saturday

Rough, tough Karol Krauser from Poland should provide Hereford wrestling fans with about all the Halloween horror they want Saturday night when he meets popular Jesse James in the top section of a double main event.

Krauser, strong-armed artist of ungentlemanly wrestling, is having difficulty learning the Texas wrestling rules, and is constantly getting himself in trouble with officials as well as fans.

Prefers Clean Wrestling Jesse James, who prefers to wrestle clean but who can get mighty disturbing when pressed by unethical athletes, may have what it takes to tame the big-muscled Krauser.

Chico Bonales, a young Latin-American from Mexico City who is making rapid progress in the junior heavyweight ranks, bumps into clever Billy Fletcher of Boise, Idaho, in the first part of the twin

CHIP SHOTS

By Bud Posey

The Tri-City Ladies Golf Tournament will get underway Saturday morning at 9 o'clock after a week's delay due to excessive water in Tierra Blanca Creek.

Schedule of matches and starting-times are as follows.

SECOND FLIGHT. 9 o'clock—Juanita Simms vs. Dean Brown, Earline Ross vs. Peggy Webb, 9:10 o'clock, Jean Kemp vs. Pat Loerwald, Virginia Gilbreath vs. Dugan Butler.

FIRST FLIGHT. 9:20 o'clock—Flossie Anderson vs. Jo Wood, Janette Wagon vs. Tomi Kauffman, 9:30 o'clock—Helen Matulich vs. Reba Barrett, Marie Dogdell vs. Mary Francis Holt.

CHAMPIONSHIP FLIGHT. 9:40 a. m. Lucille Posey vs. Eunice Evans, Melzine Elliott vs. Ruby Hart, 9:45 o'clock, Sybil Neil Gilbreath vs. Rowena Posey, Ruth Malone vs. Helen Ann McWhorter.

Lucille Posey is defending champion, and will be a strong favorite to retain the title. All ladies in the championship flight will shoot for the medalist trophy on their first 18 holes. Trophies are on display at the Pro Shop. Medalist winners of each flight will receive and retain permanent possession of the trophies.

The course is now ready for play, as the water has subsided and crossings have been repaired at all places where the water was too high to cross.

Fishing and Hunting Together

FORT FRANCES, Ont. (AP)—George Phelps and three companions fishing in Lake Despair bagged a wolf. The animal was swimming when they sighted it and overcame it with paddles. To make the day complete, Phelps caught a 15-pound great northern pike.

Each match is scheduled for two out of three falls or a one-hour time limit.

Three Hot Dogs Lost Player For Baylor

COLLEGE STATION — A couple of hot dogs—or maybe it was three—brought Texas A&M a top football player.

He is Bob Easley, former star Houston High School griddier. He was taken on a trip to Dallas to see a professional football game by some Baylor alumni. There he had hot dogs for lunch.

The Southwest Conference ruled that Easley had been lavishly entertained so far as its rules were concerned. If the boy had been taken to Waco to see Baylor play, it would have been all right. But the rule says a boy can't be entertained some other place.

So Easley was told he would lose two years of eligibility if he went to Baylor—his freshman and his sophomore years. He went to Baylor anyway but stayed only a year. Then he transferred to Texas A&M, getting a release from Coach George Sauer of Baylor. At A&M he would have a full eligibility schedule. He played freshman football last year and now he's on the varsity. They're talking about his becoming another John Kimbrough at Aggieland. Kimbrough was A&M's All-America of 1939 and 1940.

New Record For Lions

DETROIT (AP)—A Detroit Lion team passing record was made in the first game of the NFL season. The Lions gained 375 yards via the aerial route against the Pittsburgh Steelers. The former mark, 374 yards, was set against the Chicago Bears in 1950.

First 800 Series Bowled by Kovach

YOUNGSTOWN, O. (AP)—The first individual bowling series of 800 or better in the U. S. this season was rolled in the Steel City League here Oct. 2. George Kovach, one of Youngstown's top bowling aces, posted single games of 270, 278 and 257 for a total of 805.

Best Conference Chance Due Herd Against Perryton

By Sleepy

After holding the highly-rated Dumas Demons to a 19-12 win last week, Coach L. B. (Seat) Russell's Whiteface squad should be ready to face the Perryton Rangers with at least more confidence than they had shown anytime up until last Friday in a conference game.

Hereford's new-found strength and skill should certainly come in handy against the Rangers, when that team comes here for Hereford's last home game of the season. It might even mean a conference-game win, which would prove highly pleasing to the hometown crowd.

Perryton Seems Weaker

Perryton, which wasn't on Hereford's schedule last year, seems to be a little weaker than they were then, from a comparison with teams they have met both seasons.

Last year, Perryton beat Canadian 14-7, but this year lost by one point, when Canadian took the game 26-25. Dumas, which didn't prove as tough as expected for the Whitefaces, beat Perryton 39-12 last year, and must have really given the Rangers nightmares this year when they ran the score up to 40-0.

White Deer was one of the better

games for the Rangers both years, as they managed to have a two-touchdown lead both times when the final whistle blew. Last year the score was Perryton 26, White Deer 13; this year it was Perryton 20, White Deer 7.

Trounced By Phillips

Phillips gave them a 40-19 trouncing, which doesn't compare to the working over given the Whitefaces, but Whiteface football as played against Dumas can hardly be compared to the sad-apple opposition the herd put up against the Blackhaws.

Clear skies have followed last weekend's rain, and the sharp autumn air should be just about right to put Hereford citizens in a good pre-Halloween spirit Friday night. Maybe the Whitefaces can do the hexing then, and show the Rangers that there are things besides "goblins and ghosts and all the dread things that go whoosh in the night" that they should fear.

DOWN HE WENT as Wayne Smith, backed up Arol Acton, racing in from the right, made one of the high tackles which are a trademark of the Whiteface defense this year. The ball carrier in this case was Joel Lummus, fullback for the Dumas Demons, who did a major part of the ball-carrying for Dumas last Friday night. (Staff Photo.)

Bicycle Sale Marked End Of Era At TU

AUSTIN, Tex. — When Dr. D. A. Penick sold his bicycle for \$10 to a 12-year-old boy it marked the end of an era around the University of Texas campus.

Dr. Penick, the first and only tennis coach Texas ever had, produced 23 doubles and 23 Southwest Conference championships were Wilmer Allison, Berkeley Bell and Bruce Barnes.

The doctor, now 84, rode the bicycle around the campus for 20 years. Dr. Penick hadn't ridden his bike in some time and his wife thought there was too much traffic around.

Dorothy Thomas Initiated Friday By Theta Rho

Carnation Theta Rho Club girls held initiation rites for Dorothy Thomas at the meeting of the group held at the IOOF Hall Thursday night. Wynogene Sowell served as initiating officer.

Those making up the initiating team were Mary Ruth Strange, president; Margie Ford, vice-president; Kay Jowell, chaplain; Nedden Flowers, past president; Janette Price, June Marian Smith, and Treva Smith, supporters and Jo Hall, warden.

Plans were made for a formal initiation service to be held on November 13.

John Marian Smith and Mary Ruth Strange served as hostesses for the social hour which followed the session.

Mrs. A. L. Manjeot left Wednesday for Indianapolis, Ind., where she will visit her son, Lt. Lloyd Manjeot, who is stationed at Camp Atterbury. They will be joined there by Miss Rosemarie DeGenero of Hoboken, N. J., a friend of Lt. Manjeot.

Mrs. Gordon Alexander of Silvertown arrived yesterday to spend the remainder of the week with her sister, Mrs. D. H. Alexander. Other guests expected this week by the Alexanders are their daughter and husband, Mr. and Mrs. Joe Hudson of Seagraves.

Dr. A. Hope Owen, president of Wayland College, was guest speaker at the First Baptist Church worship hour Sunday morning. He and Mrs. Owen were entertained at a family dinner at the home of his sister, Mrs. Jack Roberson following the church service. Relatives attending were Mr. and Mrs. G. P. Owen, Mr. and Mrs. J. B. Harlin, Mr. and Mrs. A. L. Manjeot, Rev. and Mrs. Russell Pogue and Lawrence, and John David Owen.

Mr. and Mrs. J. B. Brown and children of Lubbock were guests of Mr. and Mrs. Jack Wilkins and Mr. and Mrs. P. H. Gilliland Sunday.

Patsy Wiltshire, student at Texas Technological College, Lubbock, spent last weekend with her parents, Mr. and Mrs. B. M. Wiltshire.

Mrs. W. E. Dameron returned Sunday from Hutchinson, Kans., where she visited her sister and husband, Mr. and Mrs. J. E. Beyrer Jr.

WORKSHOP SESSION
Officers of the Hereford Chapter, United Council of Church Women, attended a workshop session for Panhandle units Monday in Amarillo. Programs and plans for the coming year's activities were discussed, and talks on how best to carry on the work of the organization were given by state officials from Dallas and Fort Worth. Those attending from Hereford were Mrs. Leon Alexander, newly-elected president; Mrs. William Krumbeln, vice president; Mrs. Grant Hanna, secretary; and Mrs. Jack Winget, mission chairman.

New Testament In Mongolian Ready To Print

Since 1935 three Mongol scholars and four foreign missionaries have been working in Mongolia on a revised manuscript of the New Testament. The type-setting and proof reading are now complete.

In 1815 the British and Foreign Bible Society published St. Matthew's Gospel in the Kalmuck language, a dialect quite different

from the literary Mongolian. Some Buriat Mongols living in Southern Siberia happened to see some of these Gospel portions and were keenly interested. A collection was started to have the Bible translated into literary Mongol.

The four Gospels and the Acts were published by the Russian Bible Society in 1819. The Old Testament in literary Mongolian was published in 1840 and the work on the New Testament was completed in London in 1846. In 1880 the Mongolian New Testament was reprinted in St. Petersburg at the Imperial Academy of Science Press.

International Trophy Returns

LAUREL, Md. (AP)—The Washington D. C. International horse racing trophy is back in this country after a six month exhibition tour of Europe. During the trip it was shown at Dublin, Paris and Rome. The handsome trophy, symbolic of victory in international racing, is now on display in New York and will remain there until the Laurel fall meet opens Oct. 26.

The heaviest player on the Florida State football squad is 245-pound sophomore end Tom Feaster of Warwick, Va.

CONGRESSMAN WALTER ROGERS SAYS Drouth Period Not Yet Over For Panhandle Section Of Texas

THE DROUTH — Although we have had spotted rains and some gully-washers, the Panhandle section is still in the devastating grip of the drought. One has only to travel over the District as I have in the recent past to appreciate the tremendous damage wrought by this disaster. Actually we received the full impact this year of a dry spell that has been developing for the past three years.

In the spring, I discussed the matter at length with weather experts in Washington who have spent their lives studying weather conditions. The picture then was not good. These experts told me that the drought would spread. It has. They also told me that they would not undertake to estimate or foretell the length of the drought or when some precipitation might be expected.

They did say, however, that the present trends measured by experienced tables from a historical standpoint indicated a continuation of dryness for two or three years. They, however, pointed out that this was not an official observation, as all official observations are confined to approximately 30 days in the future.

There have been several recent releases from weather observers that much moisture is expected during the next few months we all hope that these observations will come to pass.

Hay May Be Available
Moisture in November, December, and January will not be of any help to the cattle people. No doubt this is what prompted the Secretary of Agriculture and the President to allocate \$10,000,000 out of the President's emergency fund for drought relief this winter. They indicated that hay would be made available.

Hay was not included before under the Government Relief Program or the Reduced Freight Rate Program. The Government con-

comes too late for many who could have been saved during the early summer months.

HOW IMPORTANT IS WATER
One acre foot of water is required to produce 200 lbs. of beef, 10,000 lbs. of oranges, 15 tons of synthetic rubber, 40 tons of raw sulphur, 200 lbs. of cotton lint, 22 tons of chlorine, 36 tons of petrochemicals, to mention just a few things. We in this section have always appreciated the need of water, but the drought has pointed up the problem. Our efforts should never be relaxed until we obtain facilities for capturing surface water so that it can be utilized for the betterment of mankind rather than permitting it to go that approximately 85 percent of the surface water is not and has not been utilized; it flows into the seas.

Under the new plan, the Government proposes to pay a part of the freight rate so that the cost of the hay to the rancher will be reduced sufficiently to permit the rancher to obtain it and feed it. I have sought to have hay included in the program since its inception. Although its present inclusion will help a great deal, it

SUPERIOR EFFICIENCY
Output per capita in the United States is twice as large as in Britain, three times as large as in France, and about nine times as large as the average of the rest of the world.

Did you know that from 1946 to 1952 this country exported in goods \$45 billion more than it imported. Thirteen billion dollars of this amount was paid through the International Bank, the International Monetary Fund, private dollar sources of investments, and hard currency reserves of importing countries. This left a balance of \$32 billion to be paid by these countries from some other source. It is interesting to note that during that 7 year period the United States furnished foreign aid in the amount of \$36 billion. It isn't easy to guess where the \$32 billion came from.

Mighty Midget Starts Revolution

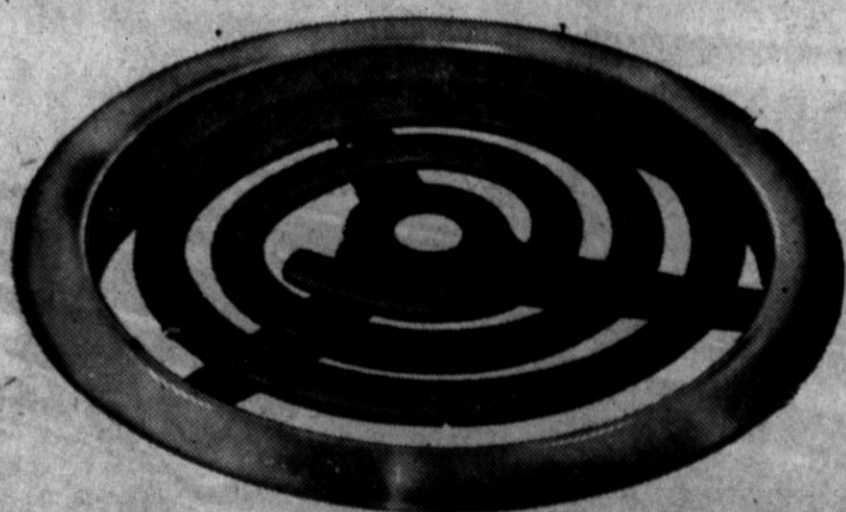

THIS IS A "TRANSISTOR"... the most important single invention ever developed by telephone scientists. Now used mostly for military purposes, it promises to revolutionize the design of many everyday electronic devices, from hearing aids to television sets. In telephone equipment it is expected to replace vacuum tubes — doing the same job, but taking up far less space and using far less power. Not all the new ideas developed by telephone research are as exciting as this. But every year an average of 260 inventions and improvements are made to help us keep your telephone service high in value—low in cost. SOUTHWESTERN BELL... A TEAM OF 27,600 TEXAS TELEPHONE PEOPLE... Braised Steak and Onions
1 lb. beef rump or round, cut
1 inch thick
Salt, pepper, flour
Fat
Water
2 large onions sliced

Season meat with salt and pepper, and sprinkle with flour. Pound on both sides with the back edge of a large knife or the edge of a heavy saucer to help make meat tender. Cut meat into serving pieces and brown in a little fat in a skillet. Add water to 1/2 inch depth, cover pan and cook very slowly about two hours or until the meat

is tender, adding the onions during the last half hour. To serve place the steak on a hot platter and cover with the onions. Make gravy with the drippings. 4 servings.

Said plaintiff's petition was filed on the 26th day of September, 1953. The file number of said suit being No. 3592, on the docket of said Court, and styled WINSOR THOMAS as Plaintiff, and IDA MAE THOMAS as Defendant.

The nature of said suit being substantially as follows, to-wit:
This is a suit filed by Winsor Thomas, as the Plaintiff, seeking a divorce from Ida Mae Thomas, as Defendant, on the ground that the Defendant abandoned Plaintiff more than three years prior to the filing of this suit with the expressed intention of making such abandonment permanent. Plaintiff alleges that Plaintiff and Defendant have no community property and that no children were born to their said marriage, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued this the 17th day of October, 1953.

FOIBLES

By Kent Snare

I had freely predicted that the top teams in the US and A. footballwise, would merrily engage in the well known pastime of knocking each other over and about. I had no concept that the dissemination would be so early or so drastic or so carved out by the under-pups.

Notre Dame took down one of the biggies, Georgia Tech and re-soundingly, but Michigan State, Michigan and Navy wuz snucked up on by Purdue, Minnesota and Penn, respectively and rudely. . . This being Sunday eve and the returns still incomplete, we, this infernal machine and me, are going into next Saturday's woes as if nothing untoward had occurred. Texas A&M at Arkansas—The Key-dets, disillusioned but not disgraced, will see how much they left with Baylor. Should have ample residue to handle the Hawgs. . . TCU at Baylor—This may be the one the Frogs have been saving

Fancy and Plain

up for. . . Iowa State at Colorado—Iowa State played their season's game agin Missouri, Colorado may have put their best seasons effort on display agin the Okies. . . Columbia at Cornell—What happened to Lou Little at West Point probably won't be repeated at Ithaca, at least, not in those proportions. . . Alabama at Georgia—The Tide never has risen this term, but they'll beat on the "Brat" this week. After he literally tossed North Carolina out of the park last week, twice in succession would be too much to demand. . . Syracuse at Holy Cross—The Orangemen near to scuffed the Illini and the Crusaders wuz, by Brown, Syracuse, if all hands are still afoot. . . Purdue at Illinois—Even the Alumni won't expect this one from the Boiler-makers, after what they did at Michigan State, but the Illini are a pumped up team, somebody gone prick the bubble. Could be now. . . Missouri at Indiana—Faurot's hos-

pital list has increased to such proportions that he may want to play this one in the institutions compound. Two different leagues on show here, the Big 10 looms taller than the Big 7. . . Mississippi at LSU—The Rebels is rollin', even when they invade another Confederate's state. . . Pittsburg at Minnesota—The Gophers got their Wolverine last week, now gone have Panther meat. . . Texas Tech and Mississippi State at Jackson—if the Red Raiders are gonna lose another one this lap, it would be to Mr. Parker and Company, who have been tough indeed upon occasion. If Tech can sack this one, they could have a choice of the Gator Bowl or the Sun Bowl, if they were seeking an option. . . Kansas at Nebraska—Always a no-holds-barred affair. Neither club knows too many grips this time. . . Tennessee at North Carolina—The Vols are beginning to jell and the Tarheels shouldn't make 'em run. Navy at Notre Dame—The Sailors have just been grounded, but they have elements of success strung through their complement.

Probably strung too thin to string the Irish. . . Northwestern at Ohio State—Northwestern is one of the few members who is out of the Big 10 rag race. Ohio State is still hanging on but needs Borton back to continue doing so. . . Tulsa at Oklahoma Ags—4 clubs are tied for first in the Missouri Valley conference run, only Tulsa is in the cellar, but they hold the key to the flag. They might start turning it this week but the door may jam, 'cause the Cowpokes still have their foot in it. . . West Virginia at Penn State—The Mountaineers to join the clan of the defeated this week, if it is to happen this year. . . Kentucky at Rice—The Kaintucks is a-comin' on, probably not that far though. . . Texas at SMU—A hunch that the Steers will bring the Ponies back in the race with the rest of the pack. . . Hardin - Simmons at Tempe—A tallying tussle, I will hazard, with the Cowboys scoring most. . . Midwestern at Texas Western—The Miners should cop this one. . . Army at Tulane—Blalk's boys is a-gaining stature weekly, already too tall for the Greenies. . . California at UCLA—Them Bears disappointed me agin USC if they have located the handle on the ball, they could handle Mr. Cameron, who furnishes the offense for the Uclans. . . Utah at Washington—The Utes are out of their league now and should pick up their first blemish of this one of doing it. . . Iowa at Wisconsin—Evashevski has the Iowas, playing like the Michiganers used to play. If Haluska is back, they'll have to play even better. . .

The electric light put a force of men at work yesterday morning digging holes and erecting the poles for the arc lights on Main street. When the "juice" is turned on Hereford will have the best lighted streets of any town on the plains.

The city is continuing the good work of improving the main streets of the town. During the last two weeks a force of men have been macadamizing the fifth block from the depot on Main street. Another force of men have been taking dirt from the excavation of the Christian Church and making a heavy fill across the depression in Dewey avenue. This will give a straight drive north and it adds to the betterment of that part of town.

It is announced that the contract has been let to J. O. Howard for a new face brick and tile school building in the Frio school district. The building will cost approximately \$3,000 and will be 40x60, three rooms and modern in every way. Work has already been begun and Mr. Howard says he will have the building ready for occupancy by the first of the year.

The first frost of the season fell last Sunday night and Monday, thus bearing out the average date of the first frost for this section since 1918.

Weather Bureau data shows that the average first frost occurs on October 21, the average last frost on April 16, and the average growing days of the year to be 181. The frost this year was light and not what is termed a killing frost, although some vegetation was bitten.

Raccoons Are Moved Out For Hunting Scraps

MORGANTOWN, W. Va. (AP)—The raccoons have nobody to blame but themselves.

Rummaging for food and upsetting garbage cans in the process, they have made a nuisance of themselves last season in the picnic area of neighboring Cooper's Rock State Forest.

So the Conservation Commission sent in its trapper, Dewey Rolly-

son. He trapped 29 raccoons for removal to open country outside the forest.

In compiling 60 wins against 17 losses at Ebbets Field in 1953, the Dodgers equaled the home game record set by the Cardinals in 1942.

Expert Skunk Catcher Takes Plenty of Time

HARTFORD, Conn. (AP)—James R. Parker, agent for the Humane Society, is proud of his record as a skunk catcher. He's the man who goes out whenever a plea for help comes from a householder who spots one in the kitchen, the hallway or the cellar.

"I must have a way with skunks," says Parker. "I have handled hundreds of them. I just talk to it and start to move closer. When you see that tail coming up, you just stop and talk some more.

"There are frequent stops, but I finally pick it up and put it into a box."

Web of Deceit

The hypocrite's hope shall be a spider's web. Job 8:13-14. The world is filled with deceivers. A slogan in ancient Rome read, "Let the buyer beware." This slogan is also very modern: *A deceiver is like the spider's web; he robs you of everything and gives you nothing in return.* The Bible best describes deceivers: "They love devouring words; They give their mouths to evil, their tongues frame deceit; Their mouths speak vanity, their right hand is falsehood; They profess to know God but in works deny Him."
The deceitful man is by himself betrayed. Anything is false that robs one of honor, virtue, God, Prayer, the church or the Bible. "Take heed how you hear," Luke 8:18. Be a regular attendant at church.

OUT-OF-TOWN "WALK"
MINNEAPOLIS — Ten-year-old Morton Iyer of Fargo, N. D., who "went for a walk" arrived here aboard a train — with no ticket, no money, no luggage. Morton said no one asked any questions after he wandered onto the train. Police informed Morton's frantic parents, Mr. and Mrs. Ralph Iyer, who drove here to get him. "Trains sure are interesting," the lad told police as he left after the 240-mile rail trip.

Hunting Season Gets Harder On Hunters

AUSTIN — Note to hunters: Deer season opens November 16. That gives you several days to resolve to take it easy this year with the .30-30 or the shotgun. Look before you shoot, and shoot where you look.

State Health Officer Geo. W. Cox checked statistical tables today and announced that shooting accidents had claimed the lives of 187 people last year. That's more death than was dealt out by typhoid, scarlet fever, smallpox, diphtheria, whooping cough, measles, typhus, malaria, pellagra, and encephalitis combined for the same period of time.

Hard On Hunters
"It's getting so that hunting seasons are almost as hard on the hunters as they are on the game," the health official commented.

How many of those 187 deaths occurred during the hunting season he didn't say. But with thousands of Nimrods taking to pastures for deer and turkey, it's safe to bet the number was needlessly high.

Precautions Listed
So why not agree with yourself or other members of your hunting party that this year you will:

- Never carry a loaded gun in your car.
- Never lay a gun aside unless you personally unload it.
- Never carry your gun with the safety catch off.
- Never let your finger rest on the trigger, or even inside the trigger guard—until you take aim at the target.
- Never point the gun at anything you don't intend to shoot.
- Never mix firewater with fire-power.
- Never drag a gun through a fence. Put it over before you climb through.
- Never shoot a gun without first checking to see if the bore is clear of obstructions.

ROADMASTER
CUSTOM BUILT BY BUICK

You must have heard about it. But have you tried the greatest Buick yet built? Have you sat behind the wheel of a 1953 ROADMASTER and felt the wondrous new road command that is yours? If you haven't—if you have yet to know the exuberance that flows through you when a toe touch releases just a fraction of the velvet power-Niagara of the world's newest V8 Engine—then you are cordially invited to be our guest at this new experience.

We promise you these:
A new and wonderful mastery of hills, of distance, of traffic tangles—from the almost effortless power of this master Buick's advanced new V8 Engine—the highest horsepower and compression ratio in Buick history.
A new and instantly responsive getaway—with new quiet and completely infinite smoothness—from the drive magic of Twin-Turbine Dynaflow.
A new and exquisite handling ease—from the superb ride-engineering of this automobile, and the as-needed hydraulic assistance of Power Steering, standard equipment here at no extra cost.
A new and gracious luxury of interior styling and comfort—from a tasteful blending of deep foam rubber, lustrous nylon, rich broadcloths, sparkling colors.
But you need to experience firsthand the performance and the pleasure and the abiding satisfaction you will find here.

So we repeat a most cordial invitation to you—to drive a 1953 ROADMASTER—so prove to yourself that new motoring thrills come to flower in the greatest Buick in fifty great years.

*Optional at extra cost. **Available at additional cost on Riviera and Sedan models only.

Beauty at Home

By Lynn Carter

Q. Please tell me how I can mix my own liquid soap shampoo.

A. Shave one medium-sized bar of pure castile or tincture of green soap into one pint of water and melt over a slow fire. When completely dissolved, remove from fire and let cool for a few minutes. Then pour into a clean jar that can be tightly sealed. When this dries, it will have a jellied effect and will lather easily on your scalp.

Q. Is it all right for a tall girl to wear striped patterns?

A. This would only call more attention to her height. She should break her line of height with full skirts or bouffant effects.

Q. What sort of powder or make up should a girl with a very pretty nose wear on her nose?

A. A very pretty nose will be noticed even more if the girl does not wear any powder on it. A shine on the nose, of course, should stop short of looking too greasy.

Q. How can a girl, with her makeup, draw attention away from a nose that is not very well shaped?

A. Put more mascara on the outer than on the inner lashes, or make the outer lashes shine by adding a bit of oil or eye cream. This is done by beauticians not only to draw attention from a not-so-pretty nose, but to widen the apparent space between eyes that are too close and to make a face which is too narrow at the top seem wider.

Q. How should I rouge a very round face?

A. Create the illusion of length by placing rouge on the full part of the cheeks and blending it in thoroughly. Smooth it well in toward the nose so as to lessen the highlights in the center of the

face.
Q. My hair has become streaky and over-dyed. How can I help to remedy this condition?

A. Egg shampoos are probably the best solution to this problem.
Q. What is a good beauty mask for oily skin types?

A. Mix some fuller's earth to a smooth paste with witch hazel, using about two tablespoons of the clay.

Q. I am constantly splitting my fingernails on my typewriter at the office. Is there anything I can do to prevent this?

A. You can add greater strength to the ends of your nails if you apply your fingernail polish over the ends of the nails clear to the other side.

Q. How can I mix a good liquid cleanser and skin tonic at home?

A. Mix six ounces witch hazel, three drams boric acid, four ounces rose water, and 1/2 ounce eau de cologne.

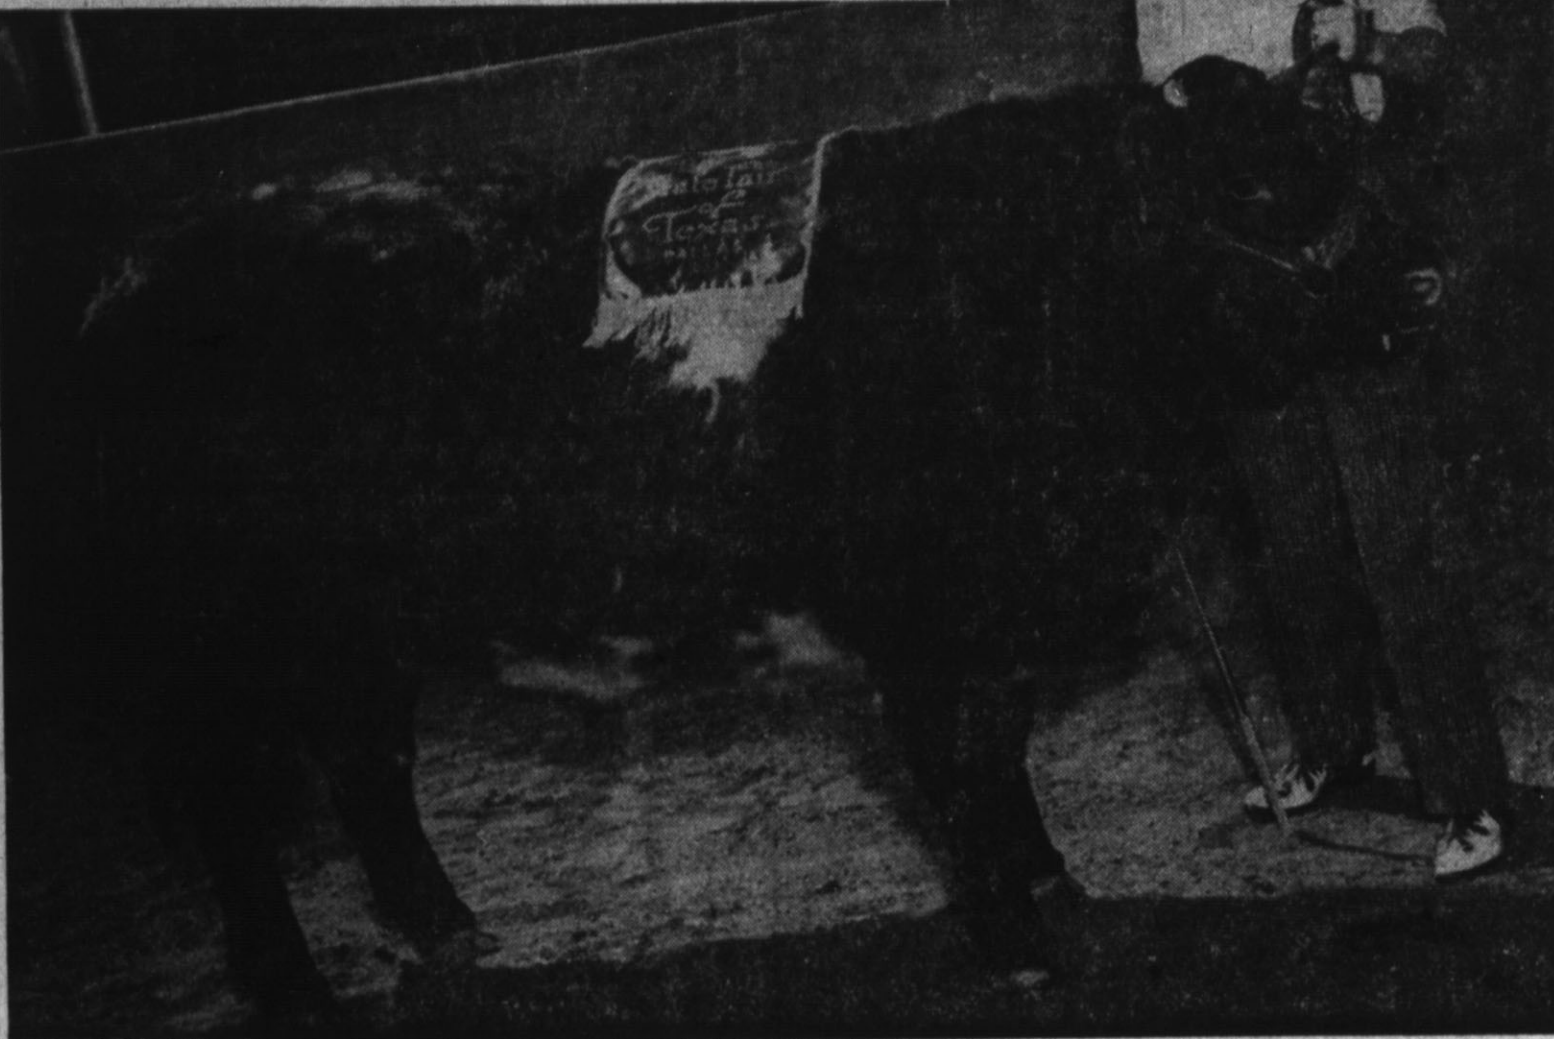

Q. How can I soften and add gloss to my dry hair?

A. When shampooing this kind of hair, try adding a half-cup of vinegar to the last rinsing water.

CHURCHES PLAN FESTIVAL

Thousands of country and city churches in the U. S. are setting aside one Sunday this autumn to observe a "harvest festival", an ancient tradition among peoples and religions throughout the world. Almost all American rural churches celebrate "harvest home" as a religious expression of the providence of seed, soil and harvest. The festival is observed by many city churches, as a reminder that the city-dweller's packaged food comes originally from the bounty of the earth.

MARY TATUM, 15, daughter of Mr. and Mrs. Ellis Tatum of Black, had the champion shorthorn calf in the livestock show at State Fair in Dallas, and sold the animal for \$1 a pound. The animal had weighed in at 1145, but weighed more than that at the time of sale. Mary will also receive about \$75 in prize money. The Friona High School student obtained the calf from Wayne Evans, and showed it in Hereford last spring. Jimmy Conkwright, son of Mr. and Mrs. Colby Conkwright of Hereford, showed a Whiteface calf which placed 25th in a class of 50. Jimmy, a sixth grade student in Hereford, sold the calf for 32 cents a pound. It was bred on the Conkwright ranch.

Although oil has been produced in 17 of U. S. states, about half of all production has come from the 14 states. Don Doherty, captain of the Michigan State football team, comes from Ann Arbor, site of the University of Michigan. Figure heads and other carvings on ships of the 17th and 18th Centuries were sometimes so heavy as to damage their sailing qualities. Emil Siperke of Cleveland holds the record for bowling the most 299 games recognized by the ABC. He has rolled six of them.

Italians Will Compete In Orange Bowl Regatta
MIAMI BEACH (AP)—Three boats from Italy will compete in the Orange Bowl International Regatta, Dec. 26-29. The three Italian pilots, all from Milan, are Dr. Achille Castoldi, Ezio Selva and Mario Verga.
All races will be run on the Orange Bowl course -- Biscayne Bay. Speed trials will be held over the intercoastal waterway north of Miami Beach where last year 12 world records were established.
According to figures of the Texas Forest Service and the Texas Insurance Association, East Texas forest fires annually destroy timber valued at \$2,500,000.

GRID SWITCH
DETROIT (AP)—Cloyce Box, of the Detroit Lions, the National Football League's second highest scorer in 1952, never played high school football. He entered West Texas State to play basketball but switched to football and won All-Conference honors two years.

Hefty Dancing Partner Latest For Betty Grable

Betty Grable has a 2,300 pound dancing partner in "The Farmer Takes a Wife" in which she co-stars with Dale Robertson, Thelma Ritter, and John Carroll.

In this picture, Miss Grable plays the part of the cook on a prize canal boat. Dale Robertson is the rich boy who tries to woo Betty Grable away from the life she loves. John Carroll is the master of the boat. Thelma Ritter is a rich widow who, through five marriages, has come to own practically the whole town.

The large supporting cast is excellent and is headed by Charlotte Austin, Kathleen Crowley, Merry Anders and Donna Lee Hickey.

The Farmer Takes a Wife is showing at the Star Theatre Friday and Saturday.
