Bobcats Clip Herd In Regional Finals

After upsetting the highly-touted Coleman Bluecats in the regional tournament at Lubbock, the Whitefaces fell to Childress, 58-52, in the tournament finals Saturday

This is the second year in a row that the Herd has been eliminated in the regional tournament finals. Coleman was supposed to have

had the stronger team, and it was expected by Hereford fans that the Herd would take an early lead and hold it, but the team couldn't seem to get going as they had earlier in the day.

At the beginning, the lead changed hands rapidly, but the Bobcats came out with a 13-10 lead at the end of the quarter.

Trailing At Half

During the second quarter, the keyed-up Hereford team outscored the Childress boys 13-11, but they were still trailing 24-23 at the

Moving with the speed of the animals for which they were named, the Bobcats often snatched the ball at a time when it seemed headed directly for Whiteface hands, and covered Hereford ball holders so well they had a difficult time shooting.

When Childress regained the ball at Hereford's end of the court, they often sent it looping down the court, and Whiteface team members were hurried to guard the

Tightening up and changing their tactics to meet both the offensive and defensive plays of the Herd, the Bobcats took off on a scoring spree in the third quarter, stretching their lead to nine points before the quarter was finished, while the Whitefaces went off their stride and found trouble in hitting the basket and, at times, trouble in even holding onto the ball. Third period score was 43-34 in favor of the Bobcats.

The Whitefaces recupe somewhat in the fourth stanza outscored Childress 18-15, but fine lead the Bobcats had acc ulated was too much to overc

Junior Swine Show Set For Saturday

Saturday the Junior Swine Show, which was not held this year as part of the Junior Livestock and Poultry Show because of a possbile outbreak of disease, will take place in the Bull Barn, according to County Agricultural Agent Hugh L. Clearman.

"Unless there are an exceptional number of entries, there will be only two classes - lights and heavies - in the show this year," Clearman said, "There will be loving cups for the grand and reserve champion swine, and some money prizes as well."

All 4-H and Future Farmers of America members from Deaf Smith and surrounding counties are being invited to bring in their hogs that weigh between 175 and 280 pounds. Clearman suggested the animals be at the Bull Barn not later than 10 o'clock Saturday morning, as they should be ready to be weighed and judged not later than 10:30 o'clock.

Homer Brumley is to judge the animals. Clearman will be assisted by Bill Stanford, Hereford High

School Vocational Agricultural teacher, in handling the show. It is expected that all animals brought to the show will be sold to packers, to prevent any possible spread of disease.

> Literally hundreds of close friends heard with sorrow of the passing of Leonard Foster, former county judge and county clerk. I doubt if there is a single person who could point to any wrong Leonard ever knowingly did him. Not too many people can remember when Leonard used to be a printer. In fact, we were once compe titors in the printing business and no one, anywhere, ever had cleaner, nicer or more gentlemanly competition. His health finally caused Leonard to drop his printing business, but he still liked to "talk shop" and I always enjoyed visiting with him on various occasions. He had a yen to write a book but, like many of us, never got around to fulfilling the ambition. Several of his articles following World War I are still on file in the County Library. His loss along this line was the gain of Deaf Smith County, since his wonderful disposition and temper ament resulted in long years of service to the people. Few men, if any, had as many friends in this immediate area as did Leo nard Foster.

Corinne Jennings remarked the other day that Spring and Fall seem to be the time when we lose most of our old timers. They seldom go in the Summer or Winter. I have also noticed this in the ex change papers over the Panhandle. One thing, for sure, they ed in the world's greatest era of development. They watched the railroads span the nation, they saw the automobile become a necessity and they saw the first airplane transformed from a flying crate into a jet vapor trail; the atom was harnessed in their lifespan and those skeptics who thought radio impossible lived to watch television come into their homes. During this period were parallel major alterations in social and economic phases of life.

What the next generation will see, none of us know. However, it cannot be much more startling or bombastic. A lot depends, of course, on the people, especially on our school teachers and religious leaders. Improvements are bound to continue. How we use them, whether for good or for bad is up to us.

Salute to Hereford's Schools

HEREFORD HIGH SCHOOL

HEREFORD HIGH SCHOOL was built during 1926-27, and has had occasional moderizing work done through the years. When the new High School is completed, this school will be used for Junior High. Rewiring of the school, which was begun before Christmas 1953, was completed around the first of February 1954. At the present time the Sixth Grade is using the section of the new High School building which has been designated as the school shops.

The Royal Neighbors will pull off an old-fashioned spelling bee at the Odd Fellows Hall next Tuesday night. All the bad, good and indifferet spellers are invited. The old Blue Back will be used. An admission of 10 cents at the door will be charged.

Some of the local officers call the attention of The Brand this week to some misdemeanors that have lately been disturbing night services at some of the churches. This is being done by boys, alittle less than grown, and who evidently don't know the gravity of the offense. The mischief is mostly done on the outside of the church and in the belfry and by those who do not go inside to hear the services. Of course the parent is ignorant of these conditions and rould gladly stop it if he only knew it was his boy. But it is easier to find out where the boy is and what he is doing than to pay a fine of \$25 or \$50 and suffer the humiliation besides.

25 Years Ago Pereford's High School orchestra, under the direction of Ralph Smith, left overland Thursday morning for Dalhart to enter the Tri-State High School Music Contest. Dog Is Host

WHITEFISH, Mont. 49 - The stranger, caught in a sub-zero nowstorm, looked desperately for place to stay. He saw a roadhouse and knocked on the door but could arouse no one.

Then he saw an immense dog house. He crawled in and spent the night cuddled next to a giant St. Bernard. The next morning George Robinson was startled to see a man climb out of his dog's house. Ordinarily the dog - Peter Pan - wouldn't allow anyone but the a fimnyeiar his house.

The stranger thanked the Robin sons — and Peter Pan — for their in Berlin was exceeded only by the "warm hospitality" and walked on populations of London, New York down the highway.

Portuguese Start Village

LUANDA, Portuges Angola (A) Cela, a village which did not exist a year ago, is forming. With population pressure going up in the poorer provinces of Portugal the government tried to make room for emigrants.

In the Angola highlands a site was found and ground prepared for settlers. It was a complete neighbourhood from one of Portugal's villages. While the first fields were ploughed and corn and sweet potatoes were raised, the village church was completed together with a school.

The population of Cela is over 300. Now a weekly plane service is available and more settlers are
