Tense Moments . . . As Bidders Pondered "Another Thousand" In Hotel Auction

LEFT—After the bidding passed \$175,000, it was between two men, Ben O. Price of Lubbock in the foreground and C. G. Buske of Friona, sitting just back and to the right of Price. In this picture Price was pondering over possibility of raising Buske's \$176,500 bid. He finally shook his head, "No"—and Buske bought the hotel.

RIGHT—Craig Gilliland of El Paso is leaning on the table in one of his three return bids. Gilliland jumped the original bid from \$100,000 to \$150,000 and when it soared to \$165,000, he was practically pushed out of the room by his wife. He kept returning, however, and placed one bid above the \$170,000 mark. He finally left before the sale was completed—due, no doubt, to the insistence of Mrs. Gilliland.

Harold Close Is Named To Deputy Lions Club Post

The Hereford Lions Club was this week honored with the appointment of Harold Close as Deputy District Governor, according to announcement of Jim Ed Waller, newly elected Governor of District 2-T1.

As deputy governor, Mr. Close will have charge of Region 1 of the six regions in the district. His area will include the following 12 towns: Hereford, Dimmitt, Friona, Bovina, Muleshoe and Olton in Zone 1; Earth, Sudan, Amhearst, Littlefield, Hale Center and Spade in Zone 2. Mr. Close will be assisted by a chairman for each of the two zones and will assume duties of his new post around July 1.

A candidate for governor in the Lions Convention at Amarillo this spring, Mr. Close opposed Waller in the election, but was selected as a deputy by Waller, despite the rivalry.

Around Town

Despite complaints of the auctioneer that Hotel Jim Hill was a literal "steal," along with such remark as "Jessie James had a gun when he did this," most bidders were of the opinion that the hotel brought a good \$16,000 more than was anticipated. Several bidders had set a top mark of \$160,000—and two threw up their hands when the bidding passed the \$150,000 point.

The Home Economics department of Hereford High School will observe "Achievement Day" with an open house to be held at the high school Friday, June 25, at 9:30 o'clock. The general public is invited to attend and to inspect summer projects completed by the girls, according to Mrs. Frank Prowell, instructor.

A lot of fun, plus valuable experience, is promised in a Summer series of band rehearsals scheduled at the high school Band House in Dimmitt for the next few weeks by Dimmitt Band Instructor Glenn Smith. They are held each Thursday evening, beginning at 8 o'clock and feature marches and popular music which most of the band students enjoy. In addition to Dimmitt students, those from Hereford, Canyon and Tulla have been invited to join the rehearsals. No charge, Mr. Smith says: "Just be there—and have fun."

Also of growing interest is the record of the Herefordettes, girls' baseball squad. They have played six games, winning five. They dropped an early season game to Springlake, but came back to win over Farwell twice, Springlake twice and Dimmitt once. They are slated to meet Springlake here again Friday evening at 8 o'clock and, as much as anything, would appreciate a crowd.

Possibly among the more interesting figures released in the telephone company petition for higher rates Monday was the actual telephone count. Records show a total of 1,538 telephones in Hereford in 1950, when the census count gave us 2,207 population. Today, the records show a total of 2,590 telephones in Hereford—not including REA customers.

The paint job now in progress on Hunter's Food Store building is creating quite a few arguments. Some people declare that the color is "light red," while others insist that it is "dark pink." Regardless, however, most people agree that it is attractive.

J. B. Smith, salesman at Wallace Buick Company, recently moved here from Tahoka. Mr. Smith is a brother of Joe Smith, a member of the public schools faculty.

Mighty busy people this week are Carl McCaslin, Claude Ricketts and Paul Harvey. In addition to their regular duties, they are serving on the City of Hereford Equalization board.

The Grace Gospel Church revival meeting, now in progress, will (Continued On Page 2)

Local Men Buy Hotel Jim Hill -- \$176,500

Hereford still has a hotel—and it is still home owned!

Such was the situation created by the high bid of \$176,500 when G. B. "Pete" Buske of Friona held up his hand in the public auction Tuesday afternoon in the hotel ballroom. Buske acted as proxy bidder for a group of 10 Hereford citizens who said that they were purchasing the hotel as a business investment, and to be sure that Hotel Jim Hill would continue to serve the primary purpose for which it was built—"as a community center for Hereford."

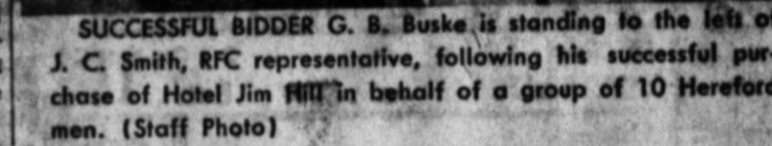

Status of the transaction is still subject to approval by RFC, of course, but no objection was expected from this source. J. C. Smith, RFC representative of Dallas, said that the transaction would have to go to Washington for final approval and that a period of 10

More Fireworks July 4th -- Most Stores Will Close

While July 5 still poses a possible question mark, there is no doubt that July 4 will go on record with the largest fireworks display in the history of the community.

Such, at least, was the opinion of Berry Green, J-C president, and Pat Kerr, chairman, in regard to the annual C. of C.—Jay-Cee fireworks jubilee scheduled for Sunday night, July 4, at 8 o'clock. The fireworks, already ordered, will be double the amount last year, when approximately 6,000 people viewed the pyrotechnic show. The location will be the same as in 1953—south of the ball grounds in Veterans' Park.

Most business firms have indicated that they will remain closed July 5, due to the fact that July 4 this year falls on Sunday, according to C-O Manager Moon Mullins. He added, however, that in case harvest is in full swing some of the implement firms and similar lines will probably remain open.

days was allowed.

Former Directors

Heading the group of local business men who purchased the property was Dick Ross, present operator of the hotel. He and Mrs. Ross will continue operation, according to present plans. Others in the group include former directors of old community hotel corporation, along with some of the heavier stockholders in the original organization. They are Joe Evans, Dr. L. B. Barnett, Cecil Guseman, Carl Perrin, Jim Perrin, J. R. Allison, Carl McCaslin, Henry Sears and J. A. Pitman.

The bidding started with a \$100,000 offer by W. S. Shaller of Amarillo and was immediately hiked by Craig Price of El Paso to \$150,000. Ben O. Price, representing a Lubbock investment firm titled "Sears, Foster and Gyles," then entered the picture and topped another Craig bid at \$173,500. At this point Craig, strongly urged by his wife, left the room. Bidding settled down from this point between Price and Buske, neither of whom made any commotion or attracted any attention.

Bidding Was Quiet

The crowd of approximately 150 spectators and visitors, in fact, seldom knew when a bid was made, or who was making it.

Sale of the hotel was ordered by RFC to liquidate a loan of \$199,000 which RFC holds against the original hotel corporation. The purchase includes the building, fixtures and furnishings.

The purchasing group, though not completely organized, will likely create a corporation, according to Guseman, who has served as president of the defunct corporation for the past year.

"We are chiefly interested in seeing that Hotel Jim Hill continues to serve the community in the purpose for which it was originally built," said Evans. "It is a meeting place and a community center now. We want to keep it that way. Some complete outsider might not feel the same way about the hotel. This is one of the chief reasons that our group entered the bidding."

Several of the group indicated that the settlement would be a cash transaction and that the hotel would start out, this time, without any hindrance of cumbersome loans.

Bidders used plywood bats with numbers in placing their bids on the hotel and only those who registered were eligible to make bids. The list follows:

Dick A. Cornelison, Fairview, Okla.; Henry O. Duke, Fort Worth; A. M. Cross, El Paso; W. S. Shaller, Amarillo; A. W. Wansing, Amarillo; Craig Gilliland, El Paso; E. W. Simmons, Frederick, Okla.; John Simmons, Wildorado; Claude Benton, Ralls; C. S. Pryor, Amarillo; Mrs. S. S. Shaller, Amarillo.

Doctor Shuffle To Leave Six On Duty

Hereford will show a gain in doctors July 1, when Dr. R. R. Willis and Dr. Roy Grubbs return to Hereford following a 12-month leave of absence for additional study and research. Dr. W. D. Lawrence will at the same time leave, however, in conjunction with an over-all research policy of the group. Dr. Lawrence plans to spend the next year in the State University Hospital in Iowa, where he will practice general medicine with an emphasis on obstetrics. He plans to return here July 1, 1955.

In addition to Dr. Grubbs and Dr. Willis, four other doctors will remain on duty here, including: Dr. Millard Nobles, Dr. A. T. Mimms, Dr. L. B. Barnett and Dr. F. C. Glendinning.

Dr. Willis, during his leave, studied urology in Oklahoma City and later in Memphis, Tenn. Dr. Grubbs spent his 12-month leave in a large children's hospital in Denver, Colo.

Telephone Company Asks \$30,326 Hike In Rates

City Commission Tables Action; To Make Detailed Investigation

Representatives of Southwestern Bell Telephone Company met Monday evening, June 21, with the City Commission of Hereford and asked for telephone rate increases which would total \$30,326.66 annually. The telephone group was represented by A. O. Thomas, district manager, who cited present rates as returning a net profit "below fair earnings" on the Hereford exchange.

The City Commission reviewed figures, discussed telephone service, and asked questions for two hours, leaving the meeting shortly before 12 o'clock. No action was taken on the telephone company request, which allowed the Commissioners additional time to "think the proposition over."

This is the second rate increase sought by the telephone company in as many years. In August of 1953, they petitioned the City Commission for rate increases totaling approximately \$38,000, basing their request on the same issue of inadequate returns on their investment in Hereford. The Commission declined to grant the full increase, however, but on March 1, 1953, did allow increases totaling approximately \$20,000 additional revenue for the company over a 12-month period.

In a nut shell, the increases sought by the telephone company would take the total \$30,326.66 from the pockets of telephone subscribers each year in the form of additional local service charges. Of the amount, \$8,856 would be paid on business telephones, while additional charges on residential phones would total \$19,755. The increase would cost one-party residence phone users \$3,435; two-party users would pay \$10,260, the hardest hit of any group. Other increases on the proposed schedule show annual totals of \$48.96 to semi-public phones, \$96 on trunks, \$153 on stations, \$60 on four-party extensions, \$24 on rural business telephones and \$231 on rural residence phones. Miscellaneous income accounted for \$1,161.80 of the annual increase.

Would Net 7.35 Percent The proposed telephone rate increase would allow Southwestern Bell a current real operating income of \$31,240 on the local division of the Hereford exchange—7.35 percent return on the investment shown by figures released by Mr. Thomas. He based the fair value of the Hereford property at \$425,000, after excluding an investment of \$232,746 for equipment allocated to long distance service.

Made \$20,464 Last Year

Company figures for the 12 months ending March 31, 1954, showed local service revenue totaling \$134,943, while expenses on the local service division were cited at \$114,479—leaving a net of \$20,464. This figure, Mr. Thomas cited as offering a return of 4.82 percent on the company investment in local service. Long distance service grossed \$152,490 for the same 12 month period but, according to Mr. Thomas, must be handled on a separate basis, due to federal regulations. Long distance, or toll, costs totaling \$115,006 were deducted from the overall expense, however.

The telephone company arrived at their proposed new rates by taking their current profit figure of \$20,464, deducting \$941 in additional salaries created through new contracts, then returning \$452 in taxes not paid as a result of the salary increase. This left a current net of \$17,356 and to this figure was added the \$30,326 anticipated through the rate increase, making \$47,682. However, income taxes on the proposed \$30,326 was figured at \$16,442—leaving only \$13,884 net to the company from the increase. When the current net of \$17,356 was added to the \$13,884 net through the proposed rate increase, they showed \$31,240 total net, or 7.35 percent.

Finds Few Complaints

The subject of a dial telephone system was several times introduced by Commissioners, but Mr. Thomas said that no immediate plans along this line were anticipated for Hereford. He did say that sooner or later, the Bell System hoped to have all exchanges on a dial basis. Concerning the question of service in Hereford, Mr. Thomas said that he had made a brief survey on Main Street and, while finding some complaints, he would judge that 50 percent, or more of the people contacted were happy with the service received through the local exchange.

City Manager Cecil Massey suggested comparison of Hereford telephone rates with other towns of the same population in Texas, but Mr. Thomas said that such comparisons should be made on the "number of telephones" rather than the population of the towns. He offered to present figures for comparison. He also said that Hereford now has 1,538 telephones in service, plus 1,538 telephones in operation through the Hereford exchange in 1950. ESTIMATE 1,250,000 BUSHELS

Long, Drawn-Out Harvest Predicted For This Area

Wheat started rolling this week—and with it came speculations galore!

In the first place, most growers are disappointed over their scant yields. Despite loose talk about hail and freeze damages, it seems, they had still anticipated fair yields in many sections. Generally speaking, wheat yields are running from 10 to 15 bushels on cuttings this week. However, one producer got only one truck load from an 80-acre field, and quite a few were cutting three-bushel wheat.

46-Bushel Yields

On the other hand, Ralph Hastings harvested 46-bushels to the acre on around 100 acres, 13 miles north of town. Floyd and Earl Cole

started off with some 15-bushel wheat and Tuesday were cutting 46-bushel wheat on their place just south of the Old Prison Camp. Most of the better yields were expected to start cutting next week.

Grain dealers and producers pretty well lowered their sights on the total yield and are now settled on a probably 1,250,000 bushels for the county this year. Some of these estimates were as high as 5,000,000 bushels two weeks ago.

This million and a quarter bushel figure is approximately the same as the county reported in 1953—but there is a big difference. Last year, most of the yield was accounted for by (Continued on Page 2)

McCaslin Buys Friona Lumber Yard; Harry McCauley Is Named Manager

Purchase of the Friona Lumber Company by Carl G. McCaslin of Hereford was announced this week by Sloan Osborn and associates of Friona. Harry McCauley has been named as manager of the new yard.

The deal came up over the weekend and was closed in rapid-fire order with the transfer effective Monday morning, June 21. The firm will operate under the title of Carl McCaslin Lumber Company and Mr. McCauley will be permanent manager. He and Mrs. McCauley are already making plans to move to Friona as soon as arrangements can be worked out.

The yard was started in Friona shortly after World War II with Sloan Osborn, Frank Spring, Dan Ethridge and Weldon Dickson as partners. The group continued operation until the transfer was completed Monday morning.

"We plan to increase the inventory immediately," said Mr. McCaslin. "Other plans are indefinite. It is possible that we may remodel the store in the future, along lines found in our Hereford yard."

Mrs. McCauley was also indefinite regarding plans for her youth shop in Hereford, but said that operation will continue until permanent arrangements can be completed. Mr. and Mrs. McCauley are already widely known in the territory. Mr. McCauley was associated with the Carl McCaslin yard in Hereford for a period of eight years. He left the organization in 1950, due to ill health. Prior to this time, he also engaged in the lumber business in Perryton, Phillips and other points on the North Plains.

New Million Bushel Elevator Will Boost Total To 5,550,000 Bushels

Construction will begin today on a new one million bushel concrete storage addition to Pitman Elevators, according to announcement of J. A. Pitman. Bill Walraven, foreman of the construction work, arrived in Hereford Tuesday and will represent Chalmers and Borden, Hutchinson, Kan., contractors, who also built other units in the Pitman elevator here.

The new storage will raise the Pitman capacity to a total of 2,750,000 bushels, giving the organization the enviable title of "largest country elevator storage in the world." This new addition also sharply boosts this area's total storage, which will figure around 5,550,000 bushels. This figure accounts for 4,170,000 bushels in Hereford's four elevators, along with 220,000 at Summerfield, 400,000 at Dawn, 400,000 at Black,

where 200,000 more is under construction.

The new Pitman addition will be constructed south of the bins which follow the railroad tracks and will be parallel to the old bins and to the tracks. It will have its own headhouse and dump, giving a total of four dumps, when the new structure is finished. "It will be completed and ready to go by milo harvest," said Mr. Pitman. He was unable to estimate how many men would be employed on the job, but said that much local labor will be provided if contractors follow past patterns. Residents who recall previous elevator constructions will also note a change in methods, since electric jacks have been developed to replace hand turned jacks which follow up the walls of the concrete bins.

SWIMMING LESSONS GOT underway Tuesday morning at Hereford Municipal Swimming Pool following the registration of about 37 boys and girls Monday morning. J. B. Farmers of this vicinity are quite busy. Some are irrigating, some planting, some cultivating and some harvesting wheat. Some of the irrigated wheat is making 30 bushels to the acre. Among those harvesting wheat are Pat Robinson, J. T. Richardson, Joe Johnson, EARL Duffart, Fred Inman, C. S. and S. J. Barclay.

About three tenths of an inch of moisture fell Monday night. For most farmers it was a welcome shower but for the farmer who had just planted over for the second or third time, it was not.

counted for by irrigation farmers. This year, more is coming from dry land tracts. Irrigated wheat suffered heavier losses from the hail and freeze, possibly because there was more to lose.

Insurance men and grain dealers were unanimous in estimating from 50 to 60 percent loss from the freeze and hail — and around half of this amount they attributed to the freeze.

Peak Next Week
The 1954 harvest peak is expected next week, starting Monday and running through Wednesday. However, don't get the wrong idea. It will be a long, drawn out harvest.

Some say it will drag on until July 20. Others say not. Harvest was generally over last year on June 30. This situation is attributed to heavier cutting in the dry land areas in 1954.

Moisture and tests were running good, despite the showers Monday night. Wheat harvest, despite these oddities, does have one thing in common with 1953, however. Most of the producers are talking about "Next Year."

Forecast Decline In Cotton Acreage

A sharp decline in cotton yields was predicted for this area in 1954 by producers and handlers, who estimated this week that more than half of the acreage has been replanted to grain sorghums and other crops. Tatt McGee, grower and ginmer, estimated that as high as 70 percent of the acreage will be lost to cotton. Hail and rain damage are cited as principal reasons for the cut.

In 1953, Deaf Smith County planted 17,000 acres in cotton. This year the measured acreage was 15,596 acres in conforming with the government allotments.

Some of the cotton was replanted following heavy rains, but was washed out again and most of the lost cotton acreage has been changed over to grain sorghums.

Undeclared "Mask" Will Meet Detton On Lions Mat Card

Dory Detton, popular Amarillo promoter-wrestler, was forced to cancel his scheduled appearance at the Hereford wrestling arena last week, but he is rescheduled at the Bull Barn Saturday night — and he will bring help with him.

For the first time in several years two of the famous Dory brothers will be pulling together in a tag team match. Gene Dory, prominent in the Pacific Northwest wrestling territory, will team up with Dory in tag competition against The Mask, hooded wrestler.

Pretoria, South Africa, and Elmer "Peavy" Larsen, lumberjack from the tall timber

of Canada's British Columbia, has been several years ago in Hereford. He is expected to appear in Hereford Saturday night. He is a former champion of the world and has been president and operating wrestler's gymnasium in Canada. He is a former champion of the world and has been president and operating wrestler's gymnasium in Canada.

The main event, two out of three falls, will mark the beginning of the "Mask" era. The Mask and The Mask will meet each other in wrestling. The Mask and The Mask will meet each other in wrestling. The Mask and The Mask will meet each other in wrestling.

Gas Rate Decision Still Problem For City Commission

The City Commission observed a busy session Monday night when, in addition to reviewing the telephone petition for higher rates, they also discussed a series of routine developments and heard the first reading on Hereford's proposed Zoning Ordinance.

A survey on fire department improvements was heard and delayed for future discussion, since the recommendations included employment of six paid firemen. They also briefly touched on the gas company's refusal to grant lower rates but, likewise, delayed action on the problem.

Time For Decision

"The time has come when we want to decide whether we want to meet the demands of the company, or buy them out," declared Mayor Henry Sears. He also indicated that the city could purchase wholesale gas in case the public desired to vote bonds and purchase the local retail gas firm. Raylan Evans proposed a one-year contract and Wayne Edwards mentioned a possible five-year contract. Mayor Sears said that a 10-year franchise was the only approach ever considered when representatives of Pioneer Gas Company discussed possibilities with him.

Turns down was given on application for street lights on Irving Street. Commissioners pointed out that the policy of the City has been to require 75 percent occupancy on both sides of a street before lights are installed. Irving Street, they said, showed occupancy only on one side.

The proposed Zoning Ordinance, as presented by a special zoning commission and already summarized in The Brand, was read before the group to comply with charter requirements. The ordinance, some 35 pages in length, was supplemented with several additions, including the location of trees and hedges which might hinder vision of motorists.

To Keep Park Land

For the third time this year, the Commissioners refused to consider sale of city property north of the swimming pool. Chief objection to such sale being almost certain need of the property for expansion in the near future.

The Commission also discussed leasing of city property to Jack Bradley for parking trucks across from his warehouse northeast of town. No action was taken in order that further investigation might be made.

Bell Cites Lack Of Resources In Italy During Rotary Club Review

Pointing to a basic lack of resources as Italy's greatest handicap, Robert Bell, Assistant REA manager, Monday reviewed economic, political and general observations of the country during his residence there with the U. S. Armed forces. The period included a year in connection with rehabilitation of Italy, following cessation of conflict, due to Bell's experience in electric power engineering. "One thing Italy does have in abundance, though, is electric power," Bell said. "They have many mountains and rivers, which are harnessed to provide 90 percent of the nation's electric power." He also said that 96 percent of the trains in Italy are operated with

electricity furnished through power plants owned and operated by the railroads.

Thanks to Allied occupation, the Italians now have replaced their once hodge-podge frequencies with a standard 60-cycle frequency, which is common to most European countries, Bell said. Prior to this time, each individual province chose and operated on its own frequency, resulting in considerable confusion and inconvenience over the nation.

Touching on the political situation in Italy, Bell attributed the popularity of Communism chiefly to resentment resulting from the fact that the Allied nations failed to accept Italy as a full-fledged ally following their capitulation during World War II, along with economic and religious factors.

Some sections of Italy, he labeled as modern and progressive, while other areas still used oxen and crude carts reminiscent of Biblical days.

The talk was supplemented with maps, clippings and propaganda sheets which he collected and brought home from the area as souvenirs.

Timely Tips

- Lamb is the general term which refers to the flesh of sheep under one year of age. Signs of quality are that the fat is white, clean, and brittle; the leanpink in color; the bone-red and porous.
- Mint leaves make an attractive garnish and a pleasant flavor accompaniment for lamb.
- Lamb is a rich source of protein, a nutrient needed for building and repair of tissue.

Five of the eight Pacific Coast League managers reside in California during the off season. An Indian elephant may be as much as 11 feet high.

Lamb Aspic

- 4 cups diced cooked lamb
- 2 pkgs. lemon gelatin
- 2 cups hot water
- 2 cups cold water
- 30 stuffed green olives, sliced
- 1/2 cup chopped green pepper
- 1/4 cup vinegar
- 1/4 cup prepared horseradish, drained
- 3 teaspoons salt
- 1/2 teaspoon Worcestershire sauce

Dissolve gelatin in hot water. Add cold water. With some of the olives, make a stuffed olive design in bottom of a 5x9-inch loaf pan. Cover with thin layer of gelatin and place in refrigerator until set. Chill remaining gelatin until it begins to congeal. Add lamb, green pepper, seasoning and the remaining sliced olives. Pour over design in loaf pan. Chill until firm. Unmold on lettuce. Garnish with tomato slices, if desired. 8 to 10 servings.

Rutherford and Dawn Win Action-Packed Thrillers

By Billy Paul Knox

In two thrilling, action-packed games, Rutherford's and Dawn notched one more victory in their belt by defeating Piggy Wiggly and Summerfield.

Rutherford scored two runs in the top of the ninth to produce a slim 6-4 victory over the Piggy Wiggly crew. After Summerfield had staged a terrific comeback, Dawn spoiled the plot by scoring two runs in the last of the eighth to win by a 12-11 score. Rutherford's still hold second place, two games behind league-leading Hotel Jim Hill. Summerfield occupies third and Dawn, thanks to Piggy Wiggly's loss and their win, moved up to fourth just 1/2 game behind Summerfield. Piggy Wiggly dropped to fifth ahead of the cellar-dwelling Road Knights.

The first game was a hard-fought and played right down to the wire. No team scored more than two runs in one inning and was the longest game of the 1954 season.

Rutherford-Piggy Wiggly
Rutherford's scored their six runs on eight hits with three going for extra bases. These were two doubles by Larry Summers and Raymond Lueb and a circuit blast by Bud Sparks. Piggy Wiggly garnered 10 hits while scoring their four runs. Four doubles were chalked up by Don Morgan, Marshall Wilson, Richard Pickens and Joe Kerr. One triple was credited to Raymond Dement.

Starting pitcher for Rutherford's was Wendel Burdine. He pitched the first five innings giving up two runs, seven hits, walked three and struck out one. Ken Walterscheid pitched the last four innings to become winning pitcher. He surrendered two runs, three hits, two walks and whiffed four. Don Morgan toiled throughout the game for Piggy Wiggly. He was touched for six runs and eight hits. He passed three men and fanned six.

Rutherford's started the game by picking up a lone tally in the first. Wendel Burdine moved with a single and after being moved around to third scored on Larry Summers' long fly.

Piggy Wiggly went down runless in the first but they capitalized on Rutherford's scoreless second to take a 2-1 lead in the last of the second. A. L. Greenway began the inning with a single. He was out at the plate on Bud Wallace's ground-er but Don Morgan doubled to put runners on second and third. Bud Pickens doubled to drive the two runs across.

Rutherford's manufactured another tally to tie the score in the third. Larry Summers again drove Burdine home after he had singled. Piggy Wiggly did not score in the third, fourth or fifth but they also held Rutherford's scoreless in the fourth and fifth.

In the top of the sixth Bub Sparks homered to give Rutherford's a temporary 3-2 lead.

This lead did not stand long. It was relinquished and given to Piggy Wiggly thanks to a two run spurge in the bottom of the sixth. Ken Brock and Homer Hershey collected two straight singles. Don Morgan was given first on an error with a run scoring. Joe Kerr drove in the other with a ground out.

Rutherford's managed to score the one needed tally in the top of the seventh. Wendel Burdine got this third hit of the day and

thanks to a few errors was pushed all the way around.

After both teams had gone scoreless in the eighth, Rutherford's broke the ice with two runs in the ninth. Ray Lueb led off with a double and scored on Duane Albracht's long fly. With Al Maxwell on safely, gifted with an error, Larry Summers doubled him in for the second run of the inning.

Ken Walterscheid retired the side in order to end the game with Rutherford's notching a hard fought 6-4 win.

Wendel Burdine had a field day at the bat collecting three hits to lead Rutherford's. Ray Dement and Ken Brock each got two hits to pace Piggy Wiggly.

Dawn Wins, 12-11
Dawn came out on the long end of a 12-11 count in the second game. At one time Dawn held a substantial lead but Summerfield tied it and one extra frame was needed.

Summerfield started the game off in good fashion, picking up two runs in the top of the first. With two out, Gerald Mc Cathrin singled and took second on Buck May's error. After he had scored on Gaston Howell's single, Bill Lookingbill doubled to drive across the final run of the inning.

Starting pitcher, Joe Streun, lost his control and could not retire the side in the first. Dawn scored four runs on three hits and four walks given up by Streun.

Summerfield knotted the count in with two more runs in the top of the second. Duane Baize, James Clearman and Gerald Mc Cathrin helped the cause considerably.

Dawn was scoreless in the second as was Summerfield in the third.

Dawn produced a lone tally to take the lead in the last of the third. Two Summerfield errors played a major part.

Summerfield tied it with one in the fourth. Dawn made three errors in this inning and Bob Clark got a single.

Dawn exploded for five runs in the last of the fourth. They probably set a record for having the most home runs in one inning with three. They were by Jelly Hagar, Iley Barton and Melvin May.

After both teams had gone scoreless in the fifth, Summerfield scored one run in the sixth. Two walks, an error, and a single by Carol Howell sent it across.

Dawn was scoreless in the sixth and seventh but Summerfield knotted the count storybook fashion in the top of the seventh. The big blow was a bases loaded double by Duane Baize.

Summerfield almost pulled it out of the fire in the eighth. They scored one run but Dawn scored two runs and three straight doubles by Jack Burrus, Melvin May and Pat Miller to end the game.

Duane Baize and Gerald Mc Cathrin led Summerfield with two hits apiece. Richard Hagar was the leading hitter for Dawn with three hits.

Two Automobile Collisions Run \$185 In Damage

Approximately \$185 damage was done in intersection collisions in Hereford the first part of this week.

The first collision occurred Sunday afternoon about 5:45 o'clock at the intersection of Union and Avenue H. Max Wayne Stapleton of the Amarillo Air Force Base, driving a 1936 Ford coupe, was going east on Union and started to make a left turn. Laura Davis Little, 602 Ireland Street, driving a 1952 Ford sedan, was also going east on Union and attempted to pass the Ford coupe on the right side when the Ford coupe was turning left. According to police reports, Stapleton evidently changed his mind and turned right instead of left. The front fender of the Ford coupe collided with the left door of the Ford sedan.

About \$10 damage was done to the Ford coupe, and \$50 damage was done to the Ford sedan. Stapleton was charged with failure to grant the right-of-way and giving an improper signal.

Damages Total \$125
Fourth and Park Avenue was the scene of the second collision which occurred Tuesday afternoon about 12:10 o'clock.

Carroll Reed Hagar, Route 1, driving a 1952 Studebaker was going east on Fourth street and had stopped at a stop sign. After stopping for the stop sign, he stopped again before entering Park Avenue. Mary Ellen Gray driving a 1947 Ford was also going east of Fourth and according to the investigating officer, ran into the back of the Studebaker when it stopped for the second time.

About \$75 damage was done to the Studebaker and \$50 damage was done to the Ford. Mary Ellen Gray was charged with following too closely.

UNITED NATIONS, N.Y. (AP)— If you can't get children to drink milk, sometimes you can get them to eat it—or slip it to them in disguise. That's the word that comes from the U.N. Food and Agriculture Organization in a new 129-page booklet titled "School Feeding—Its Contribution to Child Nutrition."

In Britain, the Ministry of Food fed 13,000 school children tablets of dried milk, with sugar or syrup added, and found them "slightly more popular than fresh fluid milk."

"No doubt," the book remarks, "the solid milk, which was in the nature of a sweet, appealed because of its novelty."

"In countries where milk is not commonly used as a beverage, objection to it may be overcome by incorporating it into some familiar food," it says.

"In some of the eastern European countries dried skim milk has been made into the 'sour milks' popular in that region. In Pakistan dried skim milk has been incorporated into a whole wheat bun, which constitutes the snack served to school children."

satisfactorily cleaned by rubbing briskly with alcohol.

Q. How can I keep a stepladder from slipping?
A. Nail pieces of felt or rubber on all four ends of the stepladder. This will prevent its slipping and probably causing a serious fall.

Q. What is a good rule to follow when pressing garments?
A. Never to place a hot iron on the right side of any material except cotton. Always lay a cloth between the iron and the fabric.

Q. How can I remove stubborn spots on white leather shoes?
A. Try rubbing lightly with a very fine grade of sandpaper.

Q. How can I keep the rain from injuring porch pillows?
A. Out door pillows should have an inner covering of oilcloth, and an outer covering of some attractive washable material. Then there will be no worry about them on a wet day, as the rain will not injure them.

Q. How can I remove the cloudy appearance of plate glass?

Q. How should natural-finish willow or wicker furniture be washed?
A. Wash thoroughly with warm soapsuds containing enough borax to make the water soft. Scrub the reeds with an ordinary scrubbing brush and wipe off with a dry cloth; set in the sun until all dampness has disappeared.

Q. How can I make it easier to clean woolens?
A. Before attempting to clean a woolen garment, always brush it thoroughly. Much of the dust can be removed, thereby making the cleaning far easier.

Q. How can I get rid of insects in the kitchen?
A. Try laying a sheet of fly paper under the sink over night. The number of insects that are stuck to it in the morning will astonish you. Never leave any food uncovered over night to attract these insects.

Q. How can I brighten aluminum pans?
A. Use the darkest aluminum pan for cooking rhubarb, apricots, lemons, or tomatoes. These foods contain acid and will brighten the aluminum.

THREE SOLDIERS of this area recently began eight weeks of basic training in the Anti-aircraft Artillery Replacement Training Center at Ft. Bliss. They are Pvt. Frank A. Bridges, left, son of Mrs. Sadie Bridges; Pvt. Lee A. Ford, center, son of Mr. and Mrs. Jesse E. Ford, Star Route and Pvt. Harley G. Griffith, right, son of Mr. and Mrs. H. O. Griffith, Route 3. Upon completion of their first eight week cycle, they will either be assigned for further training at Ft. Bliss in the techniques of Anti-aircraft Artillery, or they will be transferred to another training center for schooling in some other Army skill.

County Approves Contract For Pipeline Construction

Purchase of a Fordson tractor for precinct 3 was given unanimous approval, monthly reports were received, and a contract signed allowing the placing of pipelines under and across county roads at the Deaf Smith County Commissioners Court meeting Monday June 13.

Motion for the purchase of the tractor, which will be used in connection with work in precinct 3, was made by J. T. Guinn, precinct commissioner, and seconded by C. G. Richardson, cost of the tractor will be \$1,930.

Monthly fee reports received and read by the commissioners included those of the county judge, county attorney, county clerk, district clerk and justice of the peace for the month of May.

Other reports received included those of Sheriff, Tax Assessor, Collector Lowell Sharp, Mrs. Argen Draper, Miss Loyce Avant and Hugh Clearman. Sharp's reports included his fee report, monthly report of collections for certificate of titles, and list of the actual and necessary expenses incurred in the conduct of his office. These have all been put on file in the county clerk's office.

A new order to publish notices of the petition of Carl Mountz for the authority to close a portion of Fuller Street by publishing a notice in the Hereford Brand for three consecutive weeks, to be returnable on July 12, 1954, was signed by the commissioners and the county judge.

Contract Accepted

After some discussion of a proposed contract to allow S. C. Palterson "the free and uninterrupted use, liberty, privileges and easement of placing pipe-line under and across the County roads in Deaf Smith County," a motion was made and passed unanimously that the contract be accepted.

Commissioners signed the contract, with the understanding that it was approved subject to the acceptance and signing by Palterson.

Those attending the meeting included Commissioners M. T. Rutter, precinct 1; J. C. Morrison, precinct 2; J. T. Guinn, precinct

Two Hereford Residents Will Visit Historical Points On College Tour

Two Hereford residents will be included on the roster of West Texas State College Summer Study Tour, which leaves Canyon July 16. They are Miss Mona McMaster, teacher in Shirley School, and Lloyd Parsons, son of Mr. and Mrs. T. J. Parsons, a senior student at West Texas State College.

Credits on degree work will be given at the end of the tour. Miss McMaster, who made a similar trip last year, will receive her master's degree in August, and Mr. Parsons will receive a B. A. degree from W. T. in January 1955.

Highlights of the trip will include a guided tour of Gettysburg, Valley Forge, Historic Philadelphia and New York, complete tour with guide in Washington D. C., trip to Washington Monument, lecture tour of the U. S. Capitol and admission to Mount Vernon.

A half-day lecture tour of New York City will include the United Nations buildings, and a lecture cruise around Manhattan Island. They will visit Boston, Mass., and

in Canada, there will be a lecture tour of Quebec, Montreal and a trip to Montmorency Falls. There will also be included a five-hour yacht cruise among the world famous Thousand Islands.

The tour will be concluded when they return to Canyon on August 30.

Hereford Girls Down Dimmitt 36-8 Monday

The Herefordettes, Hereford's girl softball team, slugged Dimmitt 36-8 at Dimmitt Monday night.

They started the game by scoring four runs in the first inning while holding Dimmitt scoreless. In the second inning, Hereford broke the game wide open by scoring 13 runs. They duplicated this feat by scoring 13 more in the third inning. With a 30 run lead, after three innings, the girls coasted to the easy victory.

Winning pitcher was Nina Edwards, whose record for the year is two wins and one loss. The slugging department was taken care of by Garnet Brewton, Pat Hampton and Freda Beard.

The Herefordettes now have a record of five wins and one loss. The loss was to Springlake by one run in extra innings. The girls will attempt to reverse this decision Friday night when the same two teams collide at Veterans Park at 8 o'clock.

Players on the team include: Wanda Riddle, Nina Edwards, Pat Hampton, Virginia Kroll, Margaret Byers, Mildred Renfro, Garnet Brewton, Mary Gray, Pat Cowart, Martha Logan, Freda Beard and Phyllis Goetsch.

DANNY L. LANE, teleman third class, USN, son of Mr. and Mrs. Lloyd L. Lane, 510 Schley Street, arrived in San Francisco, Calif., June 6 from the Far East after an eight month tour aboard the ammunition ship USS Chara. Lane, a graduate of Borger High School in 1951, entered the service in November of 1952.

PVT. FRANKLIN WAYNE HEAD, son of Mr. and Mrs. Earl W. Head, Route 1, recently began eight weeks of basic training in the Anti-aircraft Artillery Replacement Training Center at Ft. Bliss. Head attended Hereford High School before entering the service in April.

Roster Listed For All-Star Ball Game

Hereford Riders Will Appear In Plains Parades

Three petitions for membership into the Hereford Riders Club were accepted Tuesday night at a meeting held in place of the one which was postponed June 10 due to the rain storm.

The new members are Hoss Inman, Harold Beaucham and Dick Ratjen.

A final report on the Pioneer Day rodeo was given before invitations were read from several different organizations asking the Riders to participate in their rodeos. Members voted to go to the Will Rogers Range Riders Rodeo and Parade in Amarillo July 3, to the Top O Texas Rodeo at Pampa August 4 and they had already voted to go to Vega July 17 to the Old Settlers Reunion.

The Square Dance group accepted an invitation to perform in competition during the Hockley County Sheriff's Posse Rodeo at Levelland the weekend of July 29-31 and the Palmetto Polo team accepted an invitation to play the Brownfield team at Brownfield July 10.

Walter Johnson and Jack France gave a report of the association meeting which they attended in Lubbock June 14 and a letter from Boy's Ranch was read in which the boys thanked the Riders Club for a cash donation which the club had made to help the boys' home from Dumas to the ranch for the coach to live in.

Members also decided to adopt a blue leather string tie as the official parade tie to add to the rest of their uniform.

Whiter Clothes

For clothes that have turned yellow, put some boiling water in a vessel and add 1 teaspoon of cream of tartar to each quart of water. Dip into this solution several times but do not allow the garments to remain. After rinsing in several changes of water, hang in the sun to dry.

Paint Stains

Paint stains on fabrics can often be removed by saturating two or three times with equal parts of ammonia and turpentine, then washing thoroughly in soapsuds.

The Range

The steel on oven doors can be cleaned by rubbing it briskly while still warm with a soft cloth dipped in vinegar.

Dandruff Remedy

To make a remedy for dandruff mix one ounce of flour of sulphur dissolved in one quart of soft water. Do not use until thoroughly mixed and settled. Apply at night.

Panama Hats

When cleaning panama hats apply a spot remover, cover thickly with fuller's earth and lay away for several days. Then brush thoroughly.

Soup

Fat can be removed from hot soup by pouring the soup through a cloth that has been rinsed in cold water. Nearly all of the fat will cling to the cloth.

Summer Dresses

Summer dresses can be restored nicely by putting 1/4 teaspoonful of borax in a pan of water, dampening a clean cloth in this solution and sponging the dress. Then press it with a hot iron.

Burning Food

The burning of baking food can be avoided if an alarm clock is kept in the kitchen and set for exact time the vessel is to be removed from the oven.

Mucilage

To make mucilage mix equal parts of gum, arabic and tragacanth. Dissolve in hot water to the proper consistency.

Ellen Carter New B & PW President

Officers were installed Monday night at the regular meeting of the B & PW Club when it met in the home of Mary Linnertz. Della Stagner, district director, was installing officer and Bruce Rose had charge of the installation program.

Officers installed were: Ellen Carter, president; Sadye Rigler, first vice president; Erma Walker, second vice president; Janice Craig, recording secretary; Pat Loerwald, corresponding secretary and Zula Gilliam, treasurer.

After the installation Colene Brown sang three numbers, "End

MERRY KAY FRUIT was named winner of the county award in the 4-H Bake Show who scored the greatest number of points in baked products and record book. Merry Kay is a member of the Walcott 4-H Club and is the daughter of Mr. and Mrs. Roy Fruit of that community. (Staff Photo)

WINNERS of championship awards in each division are, from the left, Merry Kay Fruit, who placed first in loaf bread. Ann Dyer won first in biscuits; Glenda Homfeld won in fruit pie and Mary Morrison won the purple ribbon in butter cakes. Other ribbons the girls are displaying are for first and second place awards in other divisions of the show, which included four classes of baked products, along with records kept by the girls throughout the year. (Staff Photo)

BANANA NUT Bread, the largest division in the show, is being scored by Mrs. J. E. Dyer and Mrs. Earl DeHart on the left, and across the table by Mrs. Clarence Morrison and Mrs. Clyde Layman. Mrs. Elvin Wilson and Mrs. W. H. Goettsch are the women shown in the background. (Staff Photo)

"Small Fry" Set Pace In Deaf Smith 4-H Bake Show

Merry Kay Fruit, 11-year-old daughter of Mr. and Mrs. Roy Fruit who live in the Walcott community, was named county winner with the most points at the 4-H Bake Show held in the High School Cafeteria on June 18.

More evidence that little girls can win was shown when Glenda Homfeld, also 11, from the Caprock Club won the championship award in the fruit pie division of the show with a cherry pie that was much too pretty to be spoiled by cutting. Glenda is the daughter of Mr. and Mrs. C. F. Homfeld.

Other championship awards went to Merry Kay Fruit in banana nut loaf, Mary Lynn Morrison in butter cakes and Ann Dyer in biscuits. Mary Lynn is 13 and is the daughter of Mr. and Mrs. Clarence Morrison. She is a member of the Saddle Lee Oliver 4-H Club. Ann is 17 and has won many awards in her work in the Jolly Girls Club. She is the only daughter of the J. E. Dyers.

One hundred and five entries in the four divisions were submitted by the 37 girls participating in the show according to Mrs. Ira Ott who served as chairman of the committee.

Judges Are Listed

Others who assisted with the judging were Miss Doris Leggett District H. D. agent of Amarillo, Mrs. Lewis Stringer Home Demonstration Agent from Castro County, Mrs. Frank Prowell Homemaking teacher and the following leaders and mothers: Mrs. C. F. Winning Recipes In 4-H Contests

Although the 4-H girls were permitted to use any recipe they wished for their Bake Show, here are the recipes that have been given to them in their club work in food preparation.

Light fluffy biscuits—piping hot from the oven—are not just a pleasant memory of something mother used to cook to 4-H girls in Deaf Smith County at least because they have learned to make them just as light and just as good from a recipe for Standard Baking Powder Biscuits that guarantees good eating.

STANDARD BAKING POWDER BISCUIT
2 cups flour
1 teaspoon salt
3 teaspoons baking powder
4 tablespoons shortening
2-3 cup milk
Sift flour once, measure, add baking powder and salt, sift into mixing bowl. Cut in shortening until mixture looks like coarse meal, using a pastry blender or two knives. Add milk and stir with a fork until a soft dough is formed. Turn out on lightly floured canvas or bread board and knead from 15 to 20 times. Roll dough one half inch thick, cut and bake in hot oven 450 to 475 degrees from 10 to 12 minutes. Amount: 13 to 20 biscuits cut with 1 1/2 inch cutter.

Another quick bread the girls have learned to make which seems to be a favorite with them is Banana Nut Bread.

BANANA NUT BREAD
1-3 cup fat
1/2 cup sugar
1 egg
2-3 cup bananas
2 cups flour less 2 tablespoons
1/2 teaspoon baking powder
1/4 teaspoon soda
1/4 teaspoon salt
1-3 cup sweet milk
1/2 cup nuts
Cream shortening and sugar; add beaten eggs; add the mashed bananas; add the milk and sifted dry ingredients and nuts alternately. Bake in a pound-size loaf pan in preheated oven 350 degrees for one hour.
Mama with a pair of shears or a knife used to fix up a fruit pie pretty fancy but the 4-H ap-

prentices in the kitchen have so many gadgets to work with that there seems to be no end to novelties they are able to create in a top crust.

A cherry pie filling makes a colorful background for lattice work that looks as if it had been cut with the pinking shears or delicately browned stars. Even with the plainest of trim the cherry pie recipe the girls use is delicious.

CHERRY PIE
1 can drained cherries
1 cup sugar
5 tablespoons flour or 4 tablespoons cornstarch
1/2 teaspoon red coloring
4 to 5 tablespoons cold water
Drain cherries, combine flour and sugar, add coloring and lemon juice to cherries. Mix cherries and flour mixture. Pour in pastry lined pan. Dot with butter. Cover with top crust. Bake in oven 425 for 35 minutes or until crust is nicely browned.

Since quick cakes require little time in mixing and also freeze well the girls have been given a recipe for a cake that is easy to make and is especially adapted to the altitude.

QUICK CAKE
Measure into sifter:
2 cups sifted flour
1 1/2 teaspoons baking powder
1/2 teaspoon salt
1 1/2 cup sugar
Measure into mixing bowl:
1/2 cup vegetable shortening (see below)
Measure into cup:
1 cup minus 2 tablespoons milk
1 teaspoon vanilla
Have ready:
2 eggs unbeaten
If the shortening used is butter, margarine or lard, decrease sugar and milk. Use 1 cup plus 2 tablespoons sugar and 1/2 cup milk.

The Easy-Mixing Method
Stir shortening just to soften it. Sift in dry ingredients. Add 1/2 of milk and mix until all flour is dampened. Then heat two minutes. Add remaining milk and eggs and beat one minute longer.
Baking: Turn batter into pans. Bake in moderate oven 375 degrees 25 minutes or until done.

HD Chatter

by Argen Draper

The Bake Show held Friday was the best yet. The 37 girls who brought products are everyone winners. I'd like to congratulate the girls, their parents, their leaders and their other friends who helped. It takes the co-operation of so many people to put over an affair like the Bake Show. Personal congratulations and thanks to everyone who had the slightest thing to do about the Bake Show.

The thing that always leaves me feeling a little disturbed about a contest is the feeling of disappointment I have when I know the effort and work each 4-H'er put out on the products entered and every person can't get the top prize. To me every entrant is a top-prize winner.

Never have I heard a hint of dissatisfaction about the judging of any contest held in Deaf Smith County. The spirit of fine sportsmanship is unequalled. Substantial leaders with good common sense help teach girls there are accomplishments if no award is received. The satisfaction of baking products better than the last one is itself an award.

Contest judges have difficult times scoring the products. There are score cards that are accepted for each product and each product is given a score. Products that score below 80 are not given ribbons. So many of those products that score below 80 show so much improvement and so much accomplishment that each girl is truly a winner.

Mrs. Frank Brinkman 400 West Third St., was hostess to the North Hereford H. D. Club on June 17. Argen Draper showed two sets

of colored slides, to members of the club—one on the preparation of vegetables for freezing and the other showing the most successful methods of preparing fresh fruits for the freezer.

Mrs. Otto Olson presided at the business meeting which followed the program.

Committee reports were given and those of the food and landscape demonstrators. The hostess also reported that she had refined her living room lately.

Refreshments were served to Mesdames E. M. Hix a visitor from Wellington, Mary Bodkin, Otto Olson, Paul Hoff, R. E. Barrett, Fred Barrett, C. L. Whitehead, O. C. Williams, O. L. Williams, A. E. Hodges, Harold Pettijohn, Tom Draper, Roberta Campbell and the hostess Mrs. Brinkman.

Messenger
Further plans were made for a Chicken Fry for the families of Messenger, H. D. Club members when they met with Mrs. Ernest Brown on June 11.

Mrs. R. J. Coleman gave the council report.

Others attending were: Mesdames Bob Howard, Elmer Northcutt, Floyd Brown, S. N. Thweatt, W. D. Howard, John McCullar, J. T. Guinn, Bruce Coleman and N.A. Brown.

The next meeting will be with Mrs. J. T. Guinn on June 25. Members of the Walcott 4-H Club will be their guests.

Progressive
Featuring a health and personality theme, the Progressive Home Demonstration Club met Tuesday, June 15, in the home of Mrs. Des Buttrill. Mrs. Taft McGee presided and the meeting was opened by games under direction of Mrs. Virgil Dodson.

Andrews Shower

Saturday night Mr. and Mrs. Clark Andrews were honored with a shower. Back stage was covered with red, white and blue and gifts were displayed on tables on the stage. The center of attraction was a miniature white house with a red roof. The house was large enough that the couple were seated inside behind large windows on each side while a quiz program was conducted by Mrs. Frank Robbins. Mrs. Floyd Cole presented the gifts.

Refreshments were served by Mesdames Cole, Mobley and Frank Robbins from a table decorated with yellow and green. Punch and cake also carried out the colors.

Mrs. H. D. Robbins presided at the guest book and Mrs. W. A. Springer assisted as hostess for the occasion.

Mr. and Mrs. Andrews spent the weekend here and returned to El Paso, where he is stationed at Fort Bliss.

At The Movies

GUN FURY

Showing Friday and Saturday at the Star Theatre. Starring Roky Hudson, Donna Reed, Phil Carey and Roberta Haynes.

Stark drama and startling suspense mingle together in breathless degree when a lone rider tackles a band of killers to avenge the honor of a woman and to establish his right to live in the off-beat western story, "Gun Fury."

Hudson, one of Hollywood's fastest rising young stars, is teamed romantically with Miss Reed, fresh from her triumph in "From Here to Eternity." Carey is seen as the killer of the piece and Miss Haynes the girl all Hollywood's raving about, is seen as a Mexican girl who is enamored of Carey.

"Gun Fury," filmed on location in the wild and rugged country of Northern Arizona, realistically captures its butte and desert vistas in panoramic color by Technicolor.

South African Bobby Locke's biggest golf victory in this country came in 1947, his first year in America, when he won the All-American title at Tam O'Shanter. He beat Ed Oliver in a playoff and won \$7,000.

ed the program. Mrs. Edwards spoke to the group on "Sound Bodies," telling that emotions affect the body and play an important part in many illnesses. She listed the following nine rules for good health: eat a variety of foods and eat regularly; balance work with rest and play; eight hours sleep; build up resistance by good health habits; protect our food from flies and dirt; have eyes examined regularly as you grow older; keep skin clean and attractive; see your physician once a year for a check up; watch your weight especially after middle age as over weight is dangerous.

Mrs. McGee talked on "Healthy Personalities of Teen-Agers." There is a need for teen-agers to conform in manners, clothes and talk as they have common interests and problems, she said; however, they still have strong emotional ties to home and family and respond to confidence from parents. Social ease of teen-agers is expressed in going steady as it gives them a feeling of security. Mrs. McGee pointed out. Teen-age interest in the opposite sex is natural. Satisfactory home background is best bases for good character and proper citizenship is gained by emotional maturity.

Mrs. T. J. Parsons displayed her plaque which was presented to her by the Hereford Brand as Club Woman of the Year.

The annual July picnic for club members and their families will be held at the home of Mr. and Mrs. Horace Hershey at 8 p.m. on the 6th. The club will then stand adjourned until Sept.

Sewing Stressed By 4-H Members

BY A CHINA closet full of tea pots from all over the world, Mrs. Glenn Boardman holds a tea pot which she made herself and finished in burnished gold. Mrs. Boardman, who has been doing ceramic work for the past five years, says that wedding plates are one of the things she likes best to make.

"Tea Pots From All Over The World" To Be Found In Boardman Collection

By Mrs. R. C. Childers
Mrs. Glenn Boardman in the 300 block on West Third Street, says that learning the art of ceramics has helped her in many ways, not only as a profitable hobby, but as a means to add to her collection of tea pots.
Mrs. Boardman has tea pots

One of the first things a beginner in sewing has to learn is to avoid stretching the material when sewing the seams.

Miss Loyce Avant, assistant Home Demonstration agent, has been teaching the 4-H girls how to sew a seam correctly and to make darts.

Clubs reporting lessons on sewing are:

Happy Homes
Happy Homes 4-H Club met June 10, with Beatrice and Cecelia Wilhelm as hostesses.

The meeting was called to order by Twyla Springer, vice president. The song "God Bless America" was led by Kay Owen. Roll call and minutes were read by Pat Dawson. The club voted to hold a Bake Sale at Piggly Wiggly on June 12.

Mrs. Ira Ott leader, gave a

demonstration on the correct way to sew seams, making darts, pressing, and how to keep from stretching the material.

Refreshments were served to June and Kay Owen, Twyla Springer, Martha and Jean Logan, Pat Dawson, Carolyn Williams, Mrs. Ott, Mrs. G. H. Logan, Mrs. Ray Wilhelm and Beatrice and Cecelia.

The next meeting will be with Pat Dawson on June 24.

Walcott 4-H
The Walcott 4-H Club met in the home of Margaret and Cecelia Burrus on June 4.

The meeting was called to order by Donna Sue Guseman president. Margo Roubison led the group in singing. Carol McClure led the ritual.

Demonstrations on laying out a pattern, cutting and marking, stay stitching, joining shoulder seams and using a pattern guide were given by Miss Avant. Each girl participated in the demonstration. Refreshments were served by the hostesses to Donna Sue Guseman, Royce Lee and Merry Kay Pruitt, Margo Roubison, Carol McClure,

Barbara Nienast, Marilyn Lumpkin, Linda Lumpkin, Mary Alice Burrus, Mrs. Roy Pruitt, Mrs. Don Guseman, Mrs. Wallace Lumpkin leader, and Miss Avant and Mrs. Hershel Burrus.

Another unreported meeting of the Walcott Club was on June 1 in the home of Royce Lee and Merry Kay Pruitt.

The meeting was called to order by Donna Sue Guseman. Royce Lee led the group in singing. The ritual was led by Carol McClure. The roll was called and the minutes read by Merry Kay Pruitt.

Demonstrations were given on cutting a bias facing, and putting on a collar by Miss Avant.

Refreshments were served to Carol McClure, Ettie Walker, Donna Sue Guseman, Margaret Burrus, Janell Weaver, Barbara Nienast, Cecelia Burrus, Mrs. Wallace Lumpkin, Mrs. Hershel Burrus, Mrs. C. F. Rickels, Miss Avant and Mrs. Roy Pruitt.

The Amazon River was named by a Spanish explorer after a battle with Indians in which a large number of Indian women took part, reminding the explorer of the legend of the Amazons, a warlike race of women.

Byron Nelson won eight straight golf tournaments in 1945. Harold (Jug) McSpaden was second in three of the tournaments.

Kansas was named for the Kansas Indian tribe.

Although the conquering Spaniards found that the people of Peru had large numbers of emeralds, the source from which they obtained them never has been discovered.

Stop Taking Harsh Drugs for Constipation

Build intestinal strength! Get relief! This healthy vegetable laxative works!

For constipation, stop taking harsh drugs. They cause bowel cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get relief but don't get used to harsh drugs. Take Dr. Caldwell's Sesame Laxative contained in Syrup Pepsin. The extract of Sesame in Dr. Caldwell's is one of the most powerful laxatives known to medicine.

Dr. Caldwell's Sesame Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's Sesame Laxative in 10¢ and 25¢ bottles at drug stores. New York 18, N. Y.

Vega Girls Back From Methodist Youth Assembly

ADRIAN. (SC) — June Leslie and Barbara Jean Pinnell returned Saturday from McMurtry College in Abilene, where they attended the July 14-19 Methodist Youth Assembly of the northwest Texas church conference.

The assembly closed Saturday morning with installation of new officers for 1954-55. Those installed were John Davis of Crosbyton, president; Keith Wiseman of Dumas, vice president; Linda Adcock of Morrow of Shallowater, treasurer. A total of \$10,169 was pledged for the Methodist youth fund at the assembly. The biggest percentage of this money will be spent for missions and church work.

Miss Leslie, daughter of Mr. and Mrs. Bill Leslie, is a junior at Adrian High School, where she participates in basketball, volleyball, and baseball. She is secretary-treasurer of the MYF group at Adrian's Methodist church.

Miss Pinnell, president of the Adrian MYF, is also a junior in high school, and a sports participant.

Byron Nelson won eight straight golf tournaments in 1945. Harold (Jug) McSpaden was second in three of the tournaments.

Kansas was named for the Kansas Indian tribe.

Your Congressman Reports

Rogers Favors Blockade Of Red Satellite Areas

CHAIN REACTION Atomic processes do not have a monopoly on chain reactions. The rumor mill here in Washington produced a political chain reaction last week. It started out with the rumor that Governor Dewey, of New York, would not seek re-election as Governor. Whether Tom Dewey intended it or not, the Washington rumor mill promptly handed him the Republican nomination for President. Here is the way it was done. When the news leaked out that Dewey might not seek re-election as Governor of New York, it was promptly concluded by some that this meant a bid by him for the Presidency. Here is what was supposed to happen. One of the Supreme Court justices was to resign. This vacancy would be filled by President Eisenhower appointing the present

Secretary of State, John Foster Dulles. This would leave the Secretary of State's position open, which would be filled by Governor Thomas Dewey. He was to use his position as Secretary of State to get all of his fences mended and be ready to accept the Republican nomination for President in 1965. In the meantime, he was supposed to arrange for Senator Lites to succeed him as Governor of New York. Thus he would be assured of the electoral vote of New York State and have the inside track for the Presidency. Senator Lites promptly denied that he was a candidate for Governor of New York. In any event, this gives you an idea of how rumors start and what happens to them after they get to moving from one mouth to another.

TRADE WITH RED COUNTRIES

The extension of the Reciprocal Trade Agreements Act for one year is very significant. In the first place, the supporters of reciprocal trade wanted an extension of not less than three years. President Eisenhower had said that he wanted a three-year extension. However, there was some behind

countries under her domination by force of arms or otherwise. Therefore, we have very little, if any, outside chance to woo one of these countries into our group without an internal revolution in that country. In the second place, Russia is going to continue the policy of permitting this country to indirectly furnish food and fiber to her satellites through nations that are friendly to us. By doing this, she can devote most of the productive powers of herself and these satellite countries to armament. In the third place, the trade relations that Russia and her satellite countries have with some of the nations that are friendly to us provide an excellent opportunity for the Reds to do some wooing of their own, even to the extent of threats. I have tried to weigh this problem from every conceivable angle and have concluded that in trade agreements between this country and other countries there must be some very rigid limitations concerning trade between the other country and the Russian or Russian dominated countries. In fact, I support an economic blockade of the Red countries and their satellites to the fullest extent that it can be made effective by this country and our allies. We should spend a great deal more time and effort in cementing the relations between the countries in the Western Hemisphere so that we could put up a solid front against Communist aggression in Asia or any other place in the world. Had this policy been followed out, I do not believe that we would be faced with the situation we are now faced with in Guatemala. You can look for this trade issue to grow bigger and bigger within the next few months.

VISITORS

His Honor, H. C. Preslar, the Mayor of Childress, and Morris Higley, publisher of the Childress Index, showed up in Washington last week. They announced themselves as a hard-working cotton picker and a maize header. However, they have never told me which one was the cotton picker and which one was the maize header. You folks in Childress run a test on them and tell me which one is which. Also in for a visit were J. Howard Miller and his pretty wife, from Amarillo. They were accompanied by Mr. Miller's father and brother-in-law. The Retail Grocers Association brought Mr. and Mrs. Cecil Denson and their son, Robert, from Wheeler, into the capitol city, also Mr. and Mrs. Mitchell Hill and son, James, from Pampa. We had a nice visit with them and wished they could have stayed longer. Elmer Francis, from Pampa, had written that he would be up, but illness in his family prevented the trip. I hope he will be along soon and that his sick folks have recovered. I have just returned from a trip to the Capitol with Mr. and Mrs. Waylon Carroll, of Canyon, and Mrs. Carroll's father, who resides over in New Jersey. Frank Storm, from the American National Bank, in Amarillo, has been in town for the past two weeks on a tour of active duty. We also had a visit from Mildred Dale, of the Veterans Hospital in Amarillo. Howard Bramlette, of the Baptist Student Center, in Canyon, was in with James Scott, who resides over in Borger, Texas.

Chinese records indicate that examinations for the selection of officers for public service were given in that country as early as 1115 B. C.

Tropical birds often lay fewer eggs than similar species in temperate zones.

Insects cost the United States four billion dollars a year, entomologists say.

Long Time Ago

45 Years Ago

The city council got busy the first part of this week and in less time than the curb loungers could find out, a number of hitching posts were placed on the side streets. Now, when ladies from the country or their husbands come to Hereford, there will be no room for complaint as far as the "much-talked" of hitching racks are concerned.

That Hereford may become the center of a large truck gardening business is in fair way of being accomplished. For a beginning, R. T. Mooney, recently from Edwardsville, Kans., has already put many to thinking by the way he

has made 20 acres of Irish potatoes grow. A visit to his field, one mile east of town, will be a revelation. His field of spuds is looking extra fine and promise a yield of 150 to 200 bushels per acre. The price spuds are bringing in the market at the present will give Mr. Mooney good returns. It must be remembered that this field has not been irrigated, but being an expert truck grower he has gone at it with system and though the spring was dry, he went right on planting. He is now planting four acres of cabbage, and a quantity of melons and other vine grown vegetables.

25 Years Ago

The wheat harvest has started in Deaf Smith County, but owing to the rain that fell early in the week, it has not yet reached its full volume. By Saturday it is expected that most farmers in the county will be harvesting their grain.

Earl Lance, residing six miles northwest of the city, brought the first load of wheat to Hereford Friday and sold it to Harrison's elevator, receiving 88 cents per bushel and a bonus of \$5 for being first under the wire.

J. M. Posey broke all local golfing records Wednesday, June 12, when he shot a brilliant 33 over the Hereford course of nine holes. Par for the course is 36. Keefe Carter, famous Oklahoma amateur, now a candidate for the National amateur tournament, shot a 34 over this course several years ago, as did a professional shortly afterwards. But Posey's 33 stands

"The Mask" Keeps Win Record Clean In Local Matches

Looks as though The Mask has no intention of being defeated—even in a tagteam match against two veteran wrestlers like Dory Funk and Billy Weidner. He was ably assisted by young Con Bruno, who seems to also have most of the wrestlers in this territory well in hand.

Billy Weidner of Amarillo and Con Bruno of Greece wrestled to a draw in the first event, which was a one fall, 15 minute time limit match.

The Mask of South Africa and Dory Funk of Umbarger, who replaced Dory Denton, wrestled in the second event, which was also a one fall 15 minute time limit match. The Mask won this round in 10 minutes after Funk was disqualified for unnecessary roughness.

No effort by the referee, or The Mask, seemed to effect Funk when he decided that The Mask should no longer have his face covered. After quite a tussle between the referee, Funk and The Mask, Funk was finally disqualified for not breaking a hold.

In the main event, which was a two out of three fall, one hour time limit match, it was possible to see most any kind of wrestling. It was one of fast action with almost every hold used and every dirty trick in the books displayed.

The Mask won over Funk in the first round in 11 minutes with a top body smother.

Funk came back to win over The Mask in the second round in just four minutes with his pet hold, the spinning toe hold.

Bruno won over Weidner in the third and deciding fall in five minutes with a top body smother to win the event for The Mask and Con Bruno.

A. Don't leave it long and straight, as this looks old and mature. Wave it softly and dress it at a becoming angle, instead of having a big knot at the top of the head or at the nape of the neck. A knot has a way of adding years to one's appearance.

Q How can I cleanse an oily skin effectively?

A. Buy some tincture of green soap from your druggist, and after cleansing your skin in your usual manner, lather some green soap into the skin. Steam the face for five minutes with a washcloth wrung out of hot water. Then rinse face well with warm water.

Q Please suggest a good tan and-freckle remover.

A. Fresh buttermilk baths are good for this purpose.

Q How can I hide an ugly-looking pimple on my face?

A. Cover it with pink calamine ointment. You can keep this on all day, and when you wash your face you can give it another coating immediately. It will not dry the skin, is mildly antiseptic, and covers the skin eruption so it does not show.

Q Please give me a formula for a good homemade toilet powder.

A. Two parts boric acid mixed with eight parts of starch.

Legal Notice

TO ALL PERSONS INTERESTED IN LOTS NOS. 1 AND 2, BLOCK 3, AND LOTS NOS. 1, 2, 3, 4, AND 5, IN BLOCK NO. 4, OF WOMBLE ADDITION TO THE TOWN OF HEREFORD, DEAF SMITH COUNTY, TEXAS, AND ALL ADJACENT OWNERS OF SAID WOMBLE ADDITION AND ALL ADJACENT OWNERS ABUTTING UPON FULLER STREET, LYING BETWEEN LOTS 1 AND 2, BLOCK 3, AND LOTS 1, 2, 3, 4 AND 5, IN BLOCK NO. 4 OF SAID WOMBLE ADDITION - - - GREETING

Notice is hereby given that Carl Mountz did on the 10th day of May, 1954 file in the Commissioners Court of Deaf Smith County, Texas, his petition for authority to close that portion of Fuller Street lying between Lots 1 and 2, Block 3, and Lots 1, 2, 3, 4 and 5, in Block 4, Womble Addition to the Town of Hereford, Texas, which said street although being platted, has never been opened or used by the public.

The Petitioner, Carl Mountz, alleges that he is the owner of all of the above described property, that said street has never been opened and has never been used as a street road or right of way and that closing of said street and the cancellation of the plat thereof designating said street will not interfere with any party owning any portion of such subdivision or any adjacent land owner.

WHEREAS, the Commissioners Court of Deaf Smith County, Texas, has directed that a hearing be had on said petition in the Commissioners Courtroom of Deaf Smith County, Texas, at Hereford, Texas, on the 12th day of July, 1954 at 10:00 A. M., at which time all persons interested in the above matter may appear and contest said petition if they so desire.

ISSUED AND GIVEN UNDER MY HAND AND SEAL OF OFFICE at Hereford, Texas, on this 14th day of June, 1954.

Beauty at Home

By Lynn Carter

Q. What is a quick way to remove whiteheads from my skin?
A. These are would-be blackheads, but before the surface has a chance to get dirty, a tiny layer

of skin forms over the pore. Pierce the skin with a slender sterilized needle, then press out the pore's contents with a blackhead extractor. Be sure then to touch the spot with alcohol to prevent infection.

Q. How can I keep my elbows, kness and heels very clean?
A. Add a little powdered pumice to your soap lather and scrub these areas well with a brush. Rinse and massage with hand lotion.

Q. I have an oval face, with a forehead that is slightly wider than my chin. What is my best hair-style?
A. Keep your coiffure and hair-line simple. Your hair should be drawn back from your forehead, instead of down over your brow. The width of the hair at the cheekbones softens your facial outline.
