Whitefaces Meet Phillips Friday

By BILLY PAUL KNOX
The mighty "untied and undefeated" Phillips Blackhawks invade Whiteface Stadium Friday night to take issue with the Hereford Whitefaces in the final game of the season for both teams. The Hawks should handle the Herd hands down—and will probably live up to their expectations.

Eleven seniors will be participating in their last game for Hereford, but the well-coached team of Chesty Walker probably won't take that into consideration when they take the field.

The Hawks have won nine and lost none, and own impressive victories over such teams as Perryton, Dumas, Canyon, and the Class AAA Levelland Lobos. They seeded up the district championship last week by stopping the hither-to unbeaten Canyon Eagles by the whopping score of 59-0.

Run High Scores
They have not scored less than 20 points in one game all year. The Dumas Demons held them to 20 points in losing 20-0. Their closest encounter was with the Levelland Lobos who are well respected in AAA circles. Phillips outlasted them 32-26.

The Blackhawks boast a 45.4 points per game average while allowing their opponents only 6.4

points per game. Chesty Walker has developed such a fine defense that the Hawks have blanked four of their opponents.

Perryton, Dumas, Shamrock and Canyon all failed to dent the scoring column against the Hawks.

Most of all Phillips is noted for its tremendous offense. Seldom is it when the Hawks fail to rack up at least 300 yards rushing against any opponent.

All eyes will be focused on the great fullback for the Blackhawks, Don Meek. Meek leads AA scorers with 144 points and should have no difficulty in increasing that total Friday night. He is a sure pick for all-regional honors and will probably go on to take all-state laurels.

Phillips is strong in all points of the game and it would be difficult to single out any particular strong point. Equally difficult would be finding a weak spot. The Blackhawks are ever-alert as they demonstrated last week against Canyon.

Hereford has broken even this far this year, winning four, losing four and tying one. Handing the Whitefaces losses have been Littlefield, Brownfield, Canyon and Dumas. Hereford is averaging 20.3 points per game and their opponents are

CHRISTMAS GIFTS for hospitalized veterans were delivered this week to the Amarillo hospital by members of the Hereford Legion Auxiliary. Seen above are Mrs. G. H. Logan and Mrs. C. A. Saucy, committee heads, with some of the gifts from the Hereford Chapter. Veterans, in turn, send the gifts out to their families and friends. Staff Photo

Hereford Auxiliary Furnishes Gifts For Hospitalized Vets

Mrs. G. H. Logan, chairman of the Ladies Auxiliary, American Legion, and Mrs. C. A. Saucy, hospital chairman, and Mrs. Ira Ott took gifts donated by Unit Number 192 of Hereford to the Veterans Hospital in Amarillo on Wednesday.

The gifts many of which are homemade are given annually to the veterans to send home to members of their families for Christmas. Each Auxiliary unit in the Panhandle is asked to contribute and the exhibit is set up in a room at the hospital where the men who can leave their beds are permitted to make gift selections for those they wish to remember. Those who are confined to their

rooms are also given a chance to make their own selections from trays which are taken to them with all types of items.

"I never enjoyed anything so" said Mrs. Saucy who was among those who carried trays of gifts to the rooms last year.

"It was Christmas to the patients just to be able to select something for their loved ones," thought Mrs. Saucy. The women who have taken the gifts before and have helped with

the exhibit say the men are not greedy in choosing but pick things out as carefully as if they were paying for them.

The presents which are all good quality and cover a wide range to please every age are wrapped and mailed without charge for the veterans.

One of the most gratifying things about the project is that the women have never run out of gifts and each fellow is allowed to send to as many people as he wishes.

Social Security Program Hits Farmers In January

Social security, a bookkeeping headache to businessmen over the nation for the past 10 years, will be extended to farmers and farm employees in January, 1955, according to releases this week which remind farmers of the obligation involved through the new law.

In view of the legislation, John R. Sanderson, manager of the Amarillo Social Security District Office, says:

"These amendments, signed into law on Sept. 1, extend social security coverage to all farm operators who earn as much as \$400 in profits in 1955 and later years, and to all farm employees whose cash earnings amount to as much as \$100 paid by the same employer in 1955 and following years," said Mr. Sanderson.

"Any farm operator or farm employee who does not now have a

social security card should apply for one immediately," he continued. "Application forms are available at most post offices. The social security number will identify a person's earnings which will be used when figuring the social security payments to which he will be entitled when he reaches age 65 and files a claim or the amounts payable to his family when he dies."

"Farm operators and farm workers are urged to drop a postal card immediately to the Social Security Office at Amarillo, and request a leaflet on social security for farm families," Mr. Sanderson said. "This leaflet will explain in understandable language what the farmers and their families should know about their social security, and what they should do now and in the future to protect their rights."

Scooter Hits Car, Cop Gets Ticket To Blot Out 'No Accident' Record

Hereford's two weeks of accident-free motoring came to a halt this week with two accidents of unusual nature. The first occurred Sunday, when a motor scooter barreled into an automobile at Fifth and Main. Then, as if adding insult to injury, the City Patrol car rolled up \$700 in total damages when it collided with another car at Fifth and Union.

City Patrolman J. T. Sanderson got a ticket, the second to be issued to city patrolmen in recent months. The other one went to Clyde E. Barker in August.

Scooter Is Damaged
There were \$50 worth of damages in the accident Sunday evening, Nov. 14, at the intersection of Main Street and Fifth Avenue. It occurred when a 1951 Chevrolet, driven by Galen Dean Garrett, 328 Ave. A, and a 1954 Cushman motor scooter driven by Jimmie Lee Carthel, 216 Ave. I, collided.

There was \$10 damages to the Chevrolet and \$50 damages to the scooter. Garrett was going South on Main and stopped for a red light at Fifth Street and Carthel was going West on Fifth Street when the accident occurred. Carthel stated that he looked at the light approximately half a block before he reached the intersection and the light was green. However, the light turned and the red light was burn-

ed out on the East side of the signal, which Carthel was approaching. The light turned green for Garrett and he started through the intersection. Carthel hit Garrett in the left side.

No arrests were made.

Cop Gets Ticket
There was \$750 worth of damage done in an accident at the intersection of Union Street and Fifth Street Monday morning, Nov. 15, when a 1950 Plymouth, driven by Eloy Fernando Olguin Jr., 215 Ave. I, and a 1951 Plymouth, driven by City Patrolman J. T. Sanderson, 603 Irving St., collided.

The 1950 model carried \$300 damage and the 1951 model had \$450 damage.

The accident occurred when Olguin was going North on Avenue I, and Sanderson was going East on Union Avenue. Sanderson stated that, due to the bright sunshine being in his eyes and Olguin being on the shaded side of the street, he didn't see the car until Olguin was in front of him. Olguin stated that when he saw Sanderson, it was too late to try to stop so he speeded up trying to get across the street in front of Sanderson. Sanderson hit Olguin on the left rear fender and wheel with the front end of his car. Olguin skidded 31 feet and six inches, after the impact. Sanderson skidded approximately 10 feet and six inches. (Continued on Page 2)

Phone Compromise Offered By City

Hereford's telephone rate controversy moved one step closer to conclusion when the City Commission met Monday night, and offered compromise proposals with Southwestern Bell Telephone Co., represented by A. O. Thomas, district official.

The Commission, reluctant to allow any rate increase, as they put it: "under existing service conditions," at first denied interim increases prior to dial telephone installation, probably in 1957. When confronted with figures by the company which again stressed that they were operating the Hereford exchange on a basis below fair profit returns (6 percent), the Commission went into a huddle and came back with the compromise rate proposal, which follows:

	Pre-Interim Rate	Interim Rate	Dial Rate
BUS. Phones	\$8.00	\$8.50	\$9.50
Res. Phones	4.00	4.50	5.00
One Party Res. Phones	3.25	3.50	4.00
Two Party Res. Phones	3.00	3.00	3.25
Four Party Res. Phones	1.50	1.50	1.50
Extensions	6.00	7.00	7.00
Rural Bus. Telephones	3.50	3.75	3.75

The rates, sharply below interim and dial rates sought by the company, will be submitted to Southwestern Bell officials through Mr. Thomas, who strongly urged revision of the dial business telephone rate to \$10, instead of \$9.50, but was denied by the Commission

in view of granting the interim increase.

"If Southwestern Bell accepts the compromise proposal, Hereford will have the telephone question out of the way for a good while," we hope, said Mayor Henry Sears. However, if the company refuses the compromise proposal, negotiations will be resumed. Similar telephone troubles are appearing all over the Panhandle of Texas, some even going into court.

Community Breakfast To Feature 'What Hereford Wants In 1955'

Hereford's third Community Breakfast, scheduled for Wednesday morning, Nov. 24, will be centered around a general discussion of "What Hereford Needs," according to T. J. Alderson, C-C president, who said that complete details will also be announced regarding an Economic and Industrial survey to be prepared on this territory in the near future.

"Ideas brought out at the meeting will furnish the basis for the 1955 Chamber of Commerce program," Mr. Alderson said. "The directors are asking for these ideas and suggestions, because

they feel that the C-C should push the things the people of the area want," he continued. "All of us know of quite a few things we need, but we can get the ones we really want."

A request was also made for people to write down the items which they felt most important, at least in outline form. In addition to discussing the various topics as they arise, Manager Bill Lenderman said the slips could also be turned in and given to the directors, this making them more effective when the board started making up the 1955 program.

FATE SEALED HIS LIPS

Brother-In-Law Talks Little On Trip With Wife And Four Sisters

This is a story about five sisters who hadn't seen each other in a long time. It also involves a brother-in-law, a rabbit, a crow and a hawk—and centers, not so much around the fact that the poor fellow "couldn't get in a word edge-ways," as the manner in which fate intervened to provide the sisters sitting next to him in the front seat.

It all started when the five sisters, daughters of Mr. and Mrs. R. G. Sisk, pioneer residents of this area, gathered in Hereford last week for a little reunion. The group included Mrs. Frank Ball of Tucumcari, Mrs. George Miller of Austin, Mrs. H. C. Patterson of Wilmington, Ohio, Mrs. Wirt Phillips and Mrs. Jessie Radovich of Hereford. Among other things, the group decided to take a trip to Taos, N. M., and managed to talk Frank Ball into driving.

The car was approaching Springer, N. M., when the group saw a dead rabbit in the road. Hovering over the carcass were a crow and a hawk. As the car approached, the birds reluctantly took off, but the hawk swirled high, made a

rapid dart and struck the windshield of the car. The hawk sailed right on through the glass, in fact, and struck Mr. Ball with such force that it broke out two of his teeth and severely lacerated his mouth and face. He was also soaked and covered with blood, along with Mrs. Radovich, one of the sisters sitting next to him in the front seat.

In Springer, they secured emergency treatment and started talking about returning home. Mr. Ball whose mouth was now swathed in bandages and adhesive tape, rendering him unable to utter a word, kept grunting and shaking his head in negative answers, however, so the vacation trip continued right along on schedule.

In fact, everyone who could talk, declared they had a wonderful time, and the five sisters contend that Frank's grunts and nods indicate the same thing.

Frank will probably agree, too, when they get the bandages all cleared away permanently. After all, a mere brother-in-law out with five sisters, isn't destined to do much talking—in the first place.

Three Cases Seen On County Docket Here This Week

Three cases were heard in County Court this week, involving two DWI charges and one charge of selling liquor in a dry area. A jury panel, called for Monday, was recessed until this morning, however, when additional cases are scheduled by Judge Horace L. Schloss.

Henry Wilson Yandell, plead guilty Tuesday on a DWI charge which has been on the docket since May, when his car collided with an automobile parked on a Hereford street. Yandell was assessed a penalty of \$75 and costs, and 15 days in county jail. His driver's license was suspended.

Daniel N. Cargo also plead guilty on DWI Wednesday afternoon in another case dating from last May. Cargo was given 10 days in jail, along with a fine of \$75 and costs, and surrendered his driver's license for a one-year period.

Billy Lookingbill is scheduled to appear in court on a DWI charge Thursday morning at 9 o'clock. Julio Lozano failed to appear for trial Monday on charges of selling liquor in a dry area. Lozano's bond, amounting to \$500 on two counts, was ordered forfeited in court. (Continued on Page 2)

Material Shortage Delays Showing Of Cinemascope Here

A delay in Hereford's first showing of Cinemascope, scheduled for Thanksgiving Day, was announced this week by Bill Hardwick, Star Theatre manager.

The showing had to be cancelled when it was learned this week that manufacturers would be unable to deliver the new wide screen and lens, according to Hardwick, who said: "The demand created in recent weeks by theatres switching to Cinemascope has created delayed delivery schedules by manufacturers. However, we do hope to be able to hold our first showing in the near future."

Hardwick also said that the Star will return to its regular schedule next week with matinees and continuous showings on Monday, Wednesday, Friday and Saturday; show times on Tuesday and Thursday will begin at 6:45.

Around Town

These new automobile showings are getting people spoiled. Ray Cowser and Cecil Massey are already worrying, for instance, about what will happen when the 1955 models have all been presented. "Then," says Ray, "We'll have to start paying for our morning coffee."

The Dodge, De Soto, Chrysler and Plymouth lines made a simultaneous bow Wednesday morning and attracted general comment around town with their sleek, new lines, curved windshields and souped-up power.

Truly-Teague was also back in the unveiling business this morning with presentation of the 1955 Oldsmobile which, they contend, "has done it again."

Kinsey-Roberson will draw the curtain on the 1955 Buick line tomorrow. In fact, they are putting on a few extra features with Weldon Bright and his Hammond organ scheduled to broadcast from the Hereford showrooms from 4 to 6 o'clock Friday afternoon, in connection with their showing.

The Buick boys also announce affiliation of Bob Jensen, formerly with Truitt in Amarillo, as service manager of the local firm.

McElroy Furniture, 509 Park Avenue, is the shopping center's (Continued on Page 2)

Football Contest In Photo-Finish; 2 Games Remain

With only two more weeks to go in the annual football contest, it looked like a photo-finish in the race for Cotton Bowl tickets as a recap was made this week on the first nine games.

Mrs. J. F. Martin led the race by a margin of two points, including games last weekend. Mrs. Martin had a total of 150 correct predictions out of a possible 225 and, just behind her was Geo. C. Loerwald with a total of 148 correct; Mrs. O. Z. Golden had 147, Cawthon Bryant 146, Ruth Loerwald 145, Danny Martin and Mrs. Sam Nelson 143 each; Virginia Curtsinger 142; Kenneth Loerwald, Jim Wilman and Raymond Lueb, 141. (Continued on Page 2)

Eleven Teachers To State Meet

Eleven teachers from Hereford Schools will join more than 10,000 fellow educators for the 76th annual convention of the Texas State Teachers Association at Ft. Worth Nov. 25-27.

Nationally-known authorities on education will speak at the three general sessions and at many of the 45 sectional meetings pertaining to every phase of education of interest to Texas teachers.

TSTA's annual Distinguished Service Award to the outstanding educator and layman who have distinguished themselves by their contribution to Texas education during 1954 will also be presented at the last session by M. B. Morris, superintendent of schools at Uvalde, and chairman of the awards committee. (Continued on Page 2)

Past Presidents Are Honored, Projects Reviewed At Annual B-P-W Boss Banquet

Past presidents of the Hereford B. and P. W. Club were guests of honor at the annual Boss Banquet, sponsored by the club in the Shirley School Cafeteria here on Monday evening.

During its 20-year history, the club has had 16 presidents, 14 of whom were present for the meeting Monday night. It was also pointed out that all of the presidents, except three, still reside in Hereford.

telling people to look under their chairs—and when several came up with \$1, \$5, and \$10 bills, the point was well illustrated.

Mrs. Williams reviewed some of the projects which, during the past 20 years, have been sponsored by the B. and P. W. organization. The projects included: Origination of Pioneer Day and early sponsorship of the project, later turned over to the Chamber of Commerce; Assistance to American Legion, Camp Fire Girls, Rotary Club 4-H Parades, Girl's Town at Levelland, Hostesses to District 9 Convention; Contributed \$400 on Cemetery sprinkling system; sponsored Christmas cake sales, donated mattresses for nursery in new wing of hospital.

The group also operated a student loan fund, started the street marking campaign in cooperation with JayCees, helped establish the walking blood bank, donated \$100

to the research foundation, helped with Thanksgiving and Christmas baskets, and sponsored nine community-wide style shows.

The club now has 50 members, and was organized in 1933 with 23 members.

Past presidents were listed in the following order: Mabel Wilson, 1933-34; Cecil Williams, 1934-36; Gladys Skelton Bullard, 1936-37; Lillie Hostetter, 1937-39; Dyalitha Brady, 1939-40; Belle Hromas, 1940-41; Lois Moore, 1941-43; Mary Kate Brotherton Tripp, 1943-45; Bessie Lee Woods, 1945-46; Corinne Jennings, 1946-47; Lillie Poff, 1947-48; Ursalee Jacobsen, 1948-50; Della Stagner, 1950-52; Bruce Rose, 1952-53; Earline Walton, 1953-54; Ellen Carter, present president.

All of the past presidents were on hand for the meeting except Lillie Poff and Earline Walton. Decorations and arrangements for the banquet were supervised by Miss Sadye Rigler.

RADAR CAME TO TOWN Monday as C. J. Hughes, left, and R. H. Riley put the finishing touches on the sign just east of Hereford. The sign is six feet long, two feet high and has six-inch letters in reflector paint to be easily read at night. Similar signs have been erected on both sides of Hereford, Friona, and Farwell, also on all roads out of Canyon. Highway Patrolmen report that traffic has already been slowed down with very few fines, which run from \$1 to \$200, depending upon the offense and circumstances. (Staff Photo)

Whitefaces...

(Continued from Page 1)
 averaging 21.2 points per game.
 The only common opponent outside of conference play is Brownfield. Brownfield administered a 33-13 shellacking to Hereford and Phillips lost by the Cubs 54-7.
 Dumas' skunk of Hereford last week marked the first time this season the Whitefaces have scored less than 13 points in one game.
Won Last in 1950
 The last time Hereford defeated Phillips was in 1950 when the Whitefaces, led by Jack Stanton, surprised everybody with a 35-9 win. Since then, Phillips has done as they please with the Herd and last year they smothered Hereford with 60-7.
 The Blackhawks should go a long way and will probably remove the obstacle represented by Hereford very easily.

Football.....

(Continued from Page 1)
 each; C. J. Lance, John David Bryant and S. T. Loerwald, 140 each.
Weekly Prize Winners
 In the weekly contest, Mrs. O. Z. Golden took an easy first place with 22 correct predictions. Billy R. Boling was second with 21. Third place resulted in a three-way tie between Gary Southern, Mrs. J. F. Martin and Raymond Lueb, each with 19 correct. Mrs. Martin and Lueb won over Southern on tie-breakers but, both tied again on the three tie-breakers, leaving a tie in third place.

newest business. It is operated by Wayne McElroy.
 Pre-Thanksgiving bake sales were also sprouting up around town. The High School Sophomores have a sale scheduled at Piggly-Wiggly Saturday, and the Home Demonstration ladies will sponsor a sale at the H-D Market on Nov. 24.
 Hub Homer and Pick Harman are just back from Dallas, where they attended a shoe market and transacted business. Most peculiar of all, though, is the fact that the two competitors made the trip together.

Mr. and Mrs. E. L. Adams left Monday for their home in Bentonville, Ark., after visiting here with Mr. and Mrs. E. W. Hobson.

Mrs. Frank Ball has returned to her home in Tucuman, N. M., and Mrs. George Miller to Austin after visiting their sisters, Mrs. Phil Radovich and Mrs. Wirt Phillips.

Fifty dollars in prizes—\$25 Savings bond, first place; \$15 cash, second, and \$10 cash, third place, were announced this week by the First National Bank in a contest, beginning Nov. 11, and closing Dec. 16. Complete details will be found in an advertisement in this section.

West Texas State College student members of the college case will again appear on the county court docket when state liquor control witnesses are again available. The judge can rescind the forfeiture order, or he can continue with an original decision, and still jail by Sheriff Lowell Sharp. This

was entertained the Lions Club on Wednesday. Appearing on the program were Nancy Patterson, member of the Jazabelles quartet, and Fawayne Murphey, who appeared in solo numbers.

Supper, Program Slated Friday By Jumbo Ladies

Thanksgiving Supper starts at 6 o'clock at the Jumbo Community House on Friday evening and serving will continue until 8:30.
 This is an annual affair to raise funds for a community project and tickets are \$1.50 for adults and 75 cents for children.
 The menu includes the traditional turkey with all the things that go along with it and a choice of pie with whipped cream for dessert.

The meal is served family style at long tables and those attending are assured all they can eat.
 Following the supper the Stamp Ozark Quartet will give a program in the auditorium and an additional charge will be made for it. Tickets for the entertainment given by the quartet will be 50 cents for adults and 25 cents for children.

A nursery will be maintained for the babies and younger children during the meal according to Mrs. W. H. Simpson, who is in charge of publicity.

The women preparing the supper are expecting a large number of visitors from Hereford and Dimmitt again this year.

FTA Meeting Is Held On Monday

The F. T. A. met for their monthly meeting Monday, Nov. 15, with Jo Eddy Scott presiding.

Mrs. Don Moore and Claude McDougal gave talks about their experiences as teachers. The club selected their stunt for stunt night.

Those attending were Adeline Drager, Jean Glass, Jo Eddy Scott, J. B. Wills, Norma Cummings, Joy Morton, Mozelle Techik, Gay Morton, Billie Martin, Paula Beth Corbett, Marie Hunter, Ann Lookingbill, Robert Lanun, Jimmy Dale Auten, Yvonne Axe, Ann Dyer and Jean Chapman.

Wesleyan Guild Meets Tuesday

The Wesleyan Service Guild met Tuesday evening at 7:30 o'clock in the home of Mrs. O. Wertenberger, 117 Star Street.

The program leader was Mrs. Dee Lowry. The subject for the meeting was "New Nations Shall Turn to the Lord." Those taking part were: Mrs. J. W. Whelan, Mrs. Byron Durham and Miss Emma Jane Brown. The devotionary was given by Mrs. Cawthon Bryant.

Refreshments were served to Mesdames C. O. Brown, J. J. Durham, J. W. Whelan, L. L. Chisum, Cawthon Bryant, Byron Durham, Dee Lowry, Misses Velma Cook and Emma Jane Brown.

Mr. and Mrs. J. W. Throckmorton and family of Oklahoma City, Okla., were weekend guests of her parents, Mr. and Mrs. F. S. Smith.

Personals

Mrs. Alice Cox returned Saturday from Mineral Wells where she attended the Texas Federation of Women's Clubs annual convention. As president, she was a delegate from the Deal Smith County Federation of Clubs. Before returning home she also visited relatives in Dallas and Salina.

Mrs. A. O. Thompson, accompanied Miss Mattie Mae Swisher and a group of music students from Dimmitt to Amarillo Tuesday night where they attended the opera "Madame Butterfly."

Rev. and Mrs. S. M. Dunnam left Monday for Fort Worth where they planned a visit with their son, Harrol, a ministerial student at Texas Wesleyan College, and Ouston where they will visit a son and daughter.

Dixie Young spent the past weekend in Fort Worth with her brother and family. Mr. and Mrs. Irgil Young and children.

Mrs. H. E. Wester, first vice president of the local PTA left Monday for Corpus Christi to attend the Texas Parent Teachers Congress.

In Amarillo this week visiting with relatives are Mrs. J. A. Pitman, and Mrs. H. C. Patterson of Wilmington, Ohio, who has been visiting with her sisters here, Mrs. Phil Radovich and Mrs. Wirt Phillips.

Those attending funeral services held in Amarillo Monday for Mrs. John L. Fuqua, long time resident of Hereford, were Mr. and Mrs. A. O. Thompson, Mrs. R. A. Daniel, Mr. and Mrs. Cliff Estes, Thornton Shirley, and Mrs. C. J. Mountz.

MRS. WILLIAM LOCKRIDGE lists one of her duties at the Lockridge Veterinary Hospital on east Highway 60 as taking care of the flowers at the entrance. The flowers were planted there before the business was opened, but the new occupants were glad to have the colorful bed of petunias along the front to add to the buildings appearance. (Staff Photo)

It requires 500 gallons of water to produce a ton of laundry soap. The owl was the badge of ancient Athens. Very little oxygen and water exist on Mars.

Mr. and Mrs. Paul Disman made a business trip to Lubbock Monday.

Frio News

By Veradelle and Francis Andrews
Mrs. Floy Grant of Oxford, Calif., spent Monday night and Tuesday in the W. A. Springer home. Clark and Larry Dobbs ate sup-

per with Mr. and Mrs. James Dobbs Friday night.

Mr. and Mrs. Jack Springer of Kress spent Tuesday and Wednesday visiting in the homes of his sister and brother, Mrs. T. L. Sparkman and W. A. Springer. Also they visited with the J. E. Warlicks.

Mr. and Mrs. W. A. Springer and George Albert Springer went to Dumas Friday night to visit with Mrs. Springer's cousin, the R. L. Costons, and an uncle, Lee Attaway. They also were there to see the Dumas-Hereford football

game. Mrs. H. M. Mobley, Mrs. Lee Renfro and Mrs. C. R. Adams left Sunday afternoon for El Paso and Juarez to spend a few days and also to Christmas shop. Mr. and Mrs. Darwin Miller are staying at the Mobley home while Mrs. Mobley is away.

Mr. and Mrs. Owen Andrews left Thursday of last week to spend a few days with their son and daughter-in-law, Mr. and Mrs. Clark Andrews. Clark broke his leg three weeks ago but is getting along fine and hopes to be able to leave the hospital soon.

Mr. and Mrs. Don Cox and Becky of Orange, Calif., are here visiting her folks, the W. H. Thompsons.

Mr. and Mrs. Lester Irwin and children, Leonard Irwin and W. H. Thompson left Wednesday to spend a few days in California.

Eating Sunday dinner in the T. L. Sparkman home were Mr. and Mrs. T. L. Sparkman Jr., and family, Glen, Veradelle, Frances and Joe Andrews, Carol Robbins and Peggy Little.

Mr. and Mrs. Floyd Cole, Bill and Cheryl were Sunday dinner guests of the Frank Robins. Mr. and Mrs. E. H. Little and Becky ate Sunday dinner with the H. D. Robbins.

The C. B.'s and young people enjoyed a party Friday night at the school house. Games were planned by Mrs. Floyd Cole. Those present were Mr. and Mrs. W. A. Smith and boys, Mr. and Mrs. Leonard Buttrill and children, Mr. and Mrs. Carl McClintock and children Mr. and Mrs. T. L. Sparkman and children, Mr. and Mrs. E. H. Little and girls, Mr. and Mrs. Floyd Cole and children, Mr. and Mrs. Herb Schmidt and boys, Mr. and Mrs. Jack Jones and children and Donald Kirk, Mary Martin and Mr. and Mrs. Frank Robbins and children.

Mr. and Mrs. Olin Parris visited relatives in Lubbock from Friday until Sunday.

The Frio Home Makers Club met Friday at Mrs. E. F. Vogler's. Mrs. Vogler gave a demonstration on cooking. Those present were Mesdames Leonard Buttrill, Frank Robbins, E. H. Little, B. M. Suduth, Goodin, Floyd Cole and the hostess. The next meeting will be on Nov. 23 at the home of Mrs. W. A. Springer.

Several of the parents visited the Hereford Schools during National Education Week. Among those visiting were Mesdames Floyd Cole, E. H. Little, Olin Parris, E. F. Vogler, Leonard Buttrill, Glenn Roberts and Jack Jones.

Mr. and Mrs. Charles King and Mrs. V. M. King spent Saturday night with Mrs. Charles King's parents, Mr. and Mrs. J. E. Andrews. On Sunday the Kings went to Dimmitt to celebrate Mrs. V. M. King's birthday.

Dan McLallen, who is stationed at Ft. Hood, is back at work again after recovering from the "Flu."

READ THE BRAND CLASSIFIEDS

Beauty At Home

By Lynn Carter
Q What are some good rinses for adding softness and luster to one's hair?
A Either vinegar or lemon are good. When using vinegar, add three tablespoons to a quart of water. When using lemon, one is usually enough, although some women prefer two, to four quarts of water. Follow either of these rinses with one of clear water.
Q I am 5 feet 3 inches tall, 21 years old, and weigh 146 pounds. My bust measures 36, waist 27, hips 42. What is wrong with my figure?
A You are at least 20 pounds overweight, and you should reduce by sensible dieting. Your bust and waist are in proportion, but you should take some hip-reducing exercises while you're counting your calories.
Q What can I do about my skin, which is persistently greasy looking?
A One help is to wash your skin in distilled water, to which is added a few drops of extract of lavender, or orange, or rose.
Q What exercise is good for slimming hips and thighs?
A One of the best is the standing-squatting exercise. Merely stand erect, then squat to a seating position, keeping spine erect. Rise to standing position, and repeat in rapid rhythm at least 30 times.
Q How can I add length to my face with my hair arrangement?
A By wearing your hair off the brow, and if the features are regular, a center part will add length to your face, too.
Q What can I do to encourage a good, healthy-looking complexion?
A Very important is regular elimination. And you should spend some time outdoors in fresh air. When you have beaten the "in side" problem, concentrate on creams to smooth the outer layers of skin. At least one daily cleansing with warm water and soap is necessary. Use a complexion brush at least three times weekly to stimulate the skin. And always follow your washings with lubricating cream.
Q My fingernails are constantly splitting from my use of the typewriter at the office. Is there any way I can prevent this?
A Try applying your nail polish over the ends of your nails clear to the other side. This will help reinforce the nails.
Q What treatment is good for cold sores on one's lips?
A Hot compresses will help relieve their soreness. Then dab some spirits of camphor gently over them.
Q My hair is very oily at the crown, but has dry, brittle ends, and I've been told not to shampoo it oftener than every two weeks. It's a terrible mess during that second week. What should I do?
A You should shampoo every five or six days. Treat your hair as a whole, and work on those dry ends. There are any number of creams on the market especially for improving and controlling dry hair ends.
A Good Cleanser
A large cork makes an excellent pad, or dabber, for scouring purposes. Dip one end in the cleanser and rub briskly over the soiled surface.
Knobs on Lids
If the knob comes off the lid of a pan or kettle, slip a screw through the hole, with the head on the inside of the lid, and screw a cork on the protruding end. This knob will not get hot and can be renewed easily when it has become soiled.
Some doctors believe that diets low in fats will reduce the number of heart disease cases.

ADRIAN NEWS

By Annie Leslie
Mr. and Mrs. Bob White and son of Floydada visited last weekend in the home of Mrs. White's parents, Mr. and Mrs. J. D. Roberts. Mrs. White, the former Laura Jean Roberts, stayed for a longer visit.
Mr. and Mrs. J. R. Cullender were supper guests in the R. L. Pinnell home Saturday.
The Junior Class of Adrian High School sponsored a "Hobo Day" Saturday. They earned \$18.
Glenda Porter of Burkett and Ly-la Mae Bronniman visited last weekend in the home of Ly-la Mae's parents, Mr. and Mrs. Oscar Bronniman. Both girls are attending Abilene Christian College.
Mr. and Mrs. Ernest Frank and Twilla visited last weekend in Woodward, Okla., with Mr. and Mrs. J. W. Story. Mr. Story is seriously ill.
Mr. and Mrs. E. E. Mosteller of Orange Cove, Calif. returned home Thursday after a two weeks visit with their daughters and families. Mrs. John Horton, Mrs. Bob Grubley and Mrs. E. H. Mosteller.
Mr. and Mrs. A. H. Roberts returned home Thursday from Se-betha, Kans., where they have been staying for the past six weeks. Freddy Harris, son of Mr. and Mrs. Hardy Harris, of Channing

moved to Channing Sunday, where he will attend school. Freddy has been staying in the home of Mr. and Mrs. Grady Pridmore, while attending school here.
Guests of Barbara Pinnell at a slumber party Friday night were June Leslie, Joan Paschal, Mar-valine Allen and Erma Faye Bronniman.
New desks are being installed in the first and second grade rooms of Adrian School. The floor is being refinished, also.
Mrs. Lewis Jordan and children of Hart visited Sunday afternoon in the home of Mrs. A. H. Jordan.
Adrian's school will be dismissed Thursday and Friday, Nov. 25 and 26, for Thanksgiving holidays. Pupils will be dismissed Wednesday, Dec. 22, for the Christmas holidays and will begin again on Monday, Jan. 3.
Lorin Creitz, Ronald Fuhrman and Allen Jones accompanied the following Boy Scouts Saturday for a hike from John Henry Grubley's house to Paint Rock. Scouts were: Wayland Allen, Jerry Whit-ten, Terry Creitz, Donnie and Kip-py Morgan, Sheldon Procter, Dan-ny Wagner, Jimmy Zaring, Hor-nace Betts, Morris and Sidney Blankenship, Loyd Homfeld, John Henry Grubley, Edward and Philip Pinnell and Stanley Fuhrman. The troop is now working on their second class scouting requirements—they have decided to have hikes the third Saturday of each month. Regular meeting time has been set for each Wednesday at four o'clock. They have organized a third patrol in addition to the Bob White and Eagle Patrols. The leader of the patrol is Edward Pinnell and the assistant leader is Phillip Pinnell. The troop has a new hat-chet, bugle, compass and new scout books.
Mrs. Hattie Jansma of Grand Rapids, Mich., visited Tuesday through Friday of last week in the home of her cousin, Mrs. Ralph Odum, and family.
Dr. Hawn has been ill recently. He is in room 320 at St. Anthony's Hospital.
Mr. and Mrs. Al Goodin and girls were supper guests of the J. R. Cullender's family Thursday.
Mrs. Grace A. Cullender, Misses Olie and Grace Cullender and Dick Cullender of Arley visited Sunday with the J. R. Cullender's family.
Mrs. Lucille Hughes of Oklahoma City, Okla., and Mr. and Mrs. Ken-neth Fisher of Ames, Okla., are visiting in the W. F. Fisher's home.
The seventh and eighth grades of Adrian School enjoyed a trip to Amarillo last Thursday. Before the trip they enjoyed a picnic in their classrooms. They swam and went to see the movie, "Seven Brides for Seven Brothers." Accompanying the group were the teacher, Mrs. Hazel Chilton, and Mesdames E. K. Pinnell, M. H. Zaring Jr., E. H. Mosteller, C. W. Edwards, E. B. Pounds and R. L. Pinnell.
Mr. and Mrs. E. B. Hedrick left this week for East Texas, where they will visit relatives and friends for the next 14 days.

How Can I?

By Anne Ashley
Q. How can I successfully dye a sweater?
A. When preparing to dye a sweater, remove the buttons and weigh the garment while it is dry. Then purchase enough dye to color the number of pounds the sweater weighs. The garment will never take a good color with insufficient dye.
Q. How can I make a loose cork fit tightly?
A. If the cork is soaked for five minutes in olive oil, it will be rendered airtight and water-tight.
Q. How can I make a substitute for baking powder?
A. By mixing 1/4 teaspoon of soda with 1 1/4 teaspoons of cream of tartar. This equals 2 teaspoons of baking powder.
Q. How can I protect the window sills from dirt?
A. If all the window sills are waxed it will protect them from rain and dust. Wax them once every three months, dust them every day, and they will always be in excellent condition.
Q. How should chamois gloves be washed?
A. Always rinse chamois and doe skin gloves in soap water, and dry where the heat is not intense, if you wish to keep the gloves in good condition.
Q. How can I improve the flavor of prunes?
A. The flavor will be greatly improved by adding a small amount of cinnamon and lemon.
Q. How can I remove a furniture bruise?
A. By using a piece of blotting paper soaked in warm water, placing it over the bruise, and applying a warm iron until all moisture is gone. Repeat if necessary.
Q. How can I easily clean the sewing machine?
A. Try using a small paint brush with a long handle to clean the various parts of the sewing machine. It will reach into all the crevices and corners.
Q. How can I reduce the swelling of a leg or arm after a bad fall?
A. Wrap it in towels wrung out of hot water in which epsom salts has been dissolved. Do this for about an hour.
Q. How can I launder a dress that has lace trimming so that the lace will remain as when new?
A. Dampen and iron the dress as usual, paying no attention to the lace. Put the dress on a hanger and pull the lace into shape with the thumb and forefinger. This is a better method than ironing, and will keep the lace newer looking.

Household Scrapbook

By Roberta Lee
Wrinkled Rugs
To prevent rugs from wrinkling, dissolve one part of common glue with ten parts of warm water. Hang the rug over a pole and paint the wrong side of it with a paint brush dipped in the solution. Use the solution sparingly or it may soak through and show on the surface. Perform this outside, where the rug will dry quickly.
Adhesive Tape
After cementing any china or glass that has been broken, apply adhesive tape to hold all of the parts in place until the cement is thoroughly dry.
The Hands
A few drops of vinegar put into the rinsing water on washday will prevent the hands from becoming rough.
Brown Shoe Polish
Take 1 lb. of beeswax, 1 lb. yellow soap, 1 dram Bismarck brown aniline, 1/4-pint nut oil, 1/4 pint turpentine. Melt all together—mix well, and keep stirring until cool.
Aluminum
To clean aluminum apply a mixture of ammonia, borax, and water with a soft cloth, wash in warm soapy water, allow it to dry and then polish with whiting.
Salt
A teaspoonful of cornstarch added to each cupful of salt, and mixed thoroughly, will prevent the salt from sticking during damp weather.
Cracked Lips
One-half-teaspoonful of borax to one tablespoonful of honey is an excellent formula for chapped lips. Mix the borax and honey thoroughly before applying.
Custard
To keep custard from curdling, put it into a pan half filled with cold (instead of hot) water. It heats more gradually and will be firm and smooth.

Phillips Undisputed For Champions In 1-AA Race

By BILLY PAUL & NOX

District 1AA closes out its season Friday night with three games slated. Hereford is host to Phillips, Shamrock tangles with Canyon at Canyon, and Dumas and Perryton have battle at Perryton. Phillips, Canyon, and Dumas will be favored.

The District Champion Phillips Blackhawks should have an easy assignment with the Hereford Whitefaces. The Hawks are undefeated thus far and Hereford has broken even, winning four, losing four, and tying one. Last week the Hawks clinched the title by walloping the Canyon Eagles 59-0. They are averaging 45.4 points per game while their opponents average only 6.4. Hereford has averaged 20.3 points per game while allowing their opponents an average of 21.2 points. Phillips will be a five or six touchdown favorite.

Leading 1AA scorer, Don Meek, should be in full glory for Phillips and should have no difficulty in increasing his 344 point total.

A very evenly matched game is the battle between Perryton and Dumas. However, the Demons will be given a slight edge. Last week Dumas slaughtered Hereford 40-0 while Perryton was taking a rest.

Dumas has won four, lost three, and tied two games. Perryton has won six, lost two, and tied one, but the Rangers have made a steady decline since their discouraging loss to Phillips.

The men to watch in this game are Andy Hicks for Dumas, and Jimmy Todd for Perryton. At Canyon, the jointed Canyon Eagles will be rebounding from a 59-0 loss at the hands of Phillips last week and will be a heavy favorite to stop the winless Irish from Shamrock.

The Irish have scored only 40 points all year and will probably find it difficult to score against Canyon. As is the case most of the time R. A. Burgess and Leroy Burrow of Canyon will probably run wild again.

Phillips has the District Championship clinched and they will go on to meet Floydada in the bi-district clash which should also prove to be an easy encounter for the mighty Hawks.

Hospital Notes

Patients in Hospital

Otto Massie, surg.; Mrs. G. H. Whitaker, surg.; Mrs. W. J. Nazworth, med.; Mike Griego, med.; Lawrence Brorman, med.; Mrs. Don Metcalf, OB; Edward Robertson, med.; Mrs. Lavern R. Roberts, OB; Mrs. Veye Fincher, surg.; Wesley M. Drake, surg.; Mrs. Anne Dougherty, med.; Mrs. Cecil Guseman, med.; Mrs. W. J. Decker, med.; Reuben N. Nez, surg.; Mrs. G. A. F. Parker, med.; Paulo Martinez, med.; Mrs. O. B. Simpson, surg.; Lee Lambert med.; Winnie B. Thornton med.; Mrs. C. R. Blankenship OB; Mrs. Dollie Hammer med.; and Nettie Cromer med.

Births

A son, Lorenzo Sincheza Otero, was born to Mr. and Mrs. Lorenzo Otero, 11-16.

DOGgy COLLEGE

LEXINGTON, Va. — Washington and Lee University isn't going to the dogs but the dogs are going to the college.

Professors complained to the administration because stray dogs, petted by students, insisted on attending classes. One big hound, denied admittance at the door, leaped through a window.

The problem was referred to Buildings and Grounds Supt. D. E. Brady, who may become chief dog catcher.

BRANCH RESCUE SERVICE

SACRAMENTO, Calif. — A tree overhanging the Sacramento River saved a would-be suicide from drowning. A branch snagged the man's sweater and held his head above water until rescuers arrived.

Lions Announce All-Star Events Saturday Night

Hereford wrestling fans have an "all-star" card coming up at the Bull Barn Saturday night, featuring a tag team match and two other contests.

Promoter Guy Lawrence, acting for the sponsoring Hereford Lions Club, announces that Dory Funk, former Southwest States junior heavyweight champion, will team with George Curtis of Vicksburg, Miss., against Doc Gallagher of Bayonne, N. J., and Erick Pederson of Portland, Ore., in the main event.

The tag match will go for two best falls of three or one hour. Curtis also is a former Southwest States champion, and at one time shared the tag team championship with his brother, Jack.

Until last week, Doc Gallagher and Bob Geigel of Des Moines held the tag team championship, but were defeated by the famous James Brothers, Jesse and Johnny, in an exciting match at Lubbock.

Gory Guerrero, popular Mexico City citizen and wrestler, goes against Chet Wallick of Detroit, Mich., in the Saturday night semifinal. This one is slated for two best falls of three or 45 minutes.

George Curtis meets Gallagher in the first event, one fall or 15 minutes, to set the pace for the main event to come.

All six men have been involved in Southwest States championships. Guerrero and Pepper Gomez recently held the tag team championship, losing to Gallagher and Geigel.

Wallick, teamed with his brother, Leo, still hold the Northwest tag title.

Dory Funk, from Umbarger, has held the individual Southwest States championship more times than any other wrestler.

Curtis And Martindale Winners In Tag - Team Match Saturday Night

Saturday night at the Bull Barn there was suspense and excitement for all when George Curtis from Vicksburg, Miss., and Tommy Martindale from Amarillo fought a match against one another and the fabulous, rough and tough Jesse James from Los Angeles, Calif., angled with the well known Frankie Hill Murdock from Waxahachie.

In the first event for the evening with a one hour time limit, two out of three falls, Tommy Martindale won the first bout in 12 minutes with a double-crab.

The second fall was won by George Curtis in 12 minutes with a "Curtis Special."

The third and deciding fall, which the crowd, tingling with excitement, awaited patiently for to end, determined the winner. Well, Curtis did it again, winning the match with a cross-body press brought about in six minutes.

In the Main Event for the evening, featuring Jesse James vs. Frankie Hill Murdock, Jesse won the first fall in 25 minutes with a body press. At that time, time was up, giving the winning title of the match to Jesse James.

John Estes Is Guest Speaker At Hereford Garden Club Meet

"Conservation of the Soil" was the theme for the day at the regular meeting of the Hereford Garden Club held in the home of Mrs. S. S. Williams Friday afternoon. Mrs. Glenn Boardman was co-hostess.

John Estes who previously tested samples of soil from premises, was guest speaker on the subject "Faults and Remedies of Soil" pointing out his findings in the tests and suggesting remedies for faults found in the analysis of the soil.

He divided his report into two parts, the east and west parts of the city, describing the east which is the newer part as highly alkali-

line, and the west where there has been more cultivation, as neutral or desirable. He suggested remedies for the needs and solutions to use for better productivity, and told how to use chemicals, organic material, and humus in treating the soil.

Concluding the program Mrs. E. W. Young discussed new introductions in the narcissus family which included the jonquils and daffodils.

During the business session Mrs. W. C. Hromas was welcomed as a new member. Mrs. Frank Brinkman led The Gardener's Prayer which was repeated in unison. Members attending the meeting

were Mesdames Glenn Boardman, R. L. Criswell, C. C. Ferguson, O. H. Herring, O. G. Hill, John Jacobsen Jr., J. H. Lomas, A. L. Manjot, Ralph McCullough, E. Ramey, Jack Roberson, M. T. Ruter, Roy Lee Wilson, E. W. Young, D. C. Walsler, A. O. Thompson, E. E. Fridley, J. P. Slaton, Frank Brinkman, C. D. Keiton and the hostess

POTENT CANDY
HOT SPRINGS, Ark. — A hot Springs woman was fined \$100 for a drunken driving charge despite her denial that she had been drinking. She had only eaten a piece of "wine candy," she told the unbelieving judge.

Eye doctors find that even when a child's eyes are very defective he does not complain because usually he does not know what normal vision is.

VACATION FOR MOTHER

TRAVERSE CITY, Mich. — Every year, Dr. Earl J. Baker gives a free "dream vacation" to 25 lucky Michigan mothers at one of the city's plush resorts. Dr. Baker, a former philosophy professor, started the idea as a memorial to his own mother. Preference is given to widows and to women with large families. The 1954 group of 25 had 212 children between them.

TWO-TRAIN CAR CRASH
CHAPPELL, Neb. — Ed Wolf's car was hit by two different trains but he walked away uninjured.

The 78-year-old former mayor of Chappell was driving across the tracks and hit the third car of a westbound streamliner. His car was slammed partially around, still on the tracks. He was helped out of the damaged car and was walking away from the scene when

an eastbound freight train smacked the car.

Americans of college age attending college were about 4 percent of the total in 1900, but have increased to about 25 percent today.

A camel begins to sweat only after a considerable increase in his body temperature and then does so only moderately.

CRANBERRY SPICE CAKE

1/2 cup Crisco
1 cup light brown sugar
2 eggs
1 cup (jelled) cranberry sauce (about 1/2 of a 1 lb. can)
1 cup chopped nuts
1 cup seedless raisins

2 1/2 cups sifted enriched flour
1 teaspoon soda
1 teaspoon salt
1 teaspoon cinnamon
1 teaspoon nutmeg
3/4 cup sour milk or buttermilk.

Blend Crisco, sugar and eggs. Stir in cranberry sauce, nuts and raisins. Add mixed dry ingredients alternately with milk. Place in "Criscoed" 9" tube pan. Bake in a moderate oven (350°F.) about 1 hour. Cool, remove from pan. Ice with Lemon Icing.

CREAMY LEMON ICING:
2 1/2 cups sifted confectioners' sugar
1/4 cup granulated sugar
1/2 cup Crisco
1 egg
2 tablespoons lemon juice

Mix confectioners' sugar, salt and egg. Boil the lemon juice and granulated sugar together for 1 minute, then blend with sugar-egg mixture. Add Crisco and lemon rind. Beat until creamy.

Fruit Cakes To Glorify Coming Holiday Season

A fruit cake is a cake with fruit, of course, but there are so many ways of combining the ingredients that if members of the family don't like one combination, the housewife should be able to pick out another.

The recipes which follow vary somewhat from the ordinary dark fruit cake and the light cakes but many prefer cakes with less fruit so they are being given to supplement those carried at this season last year.

Ageing is the biggest factor in the flavor of a fruit cake so they should be baked as early as possible to allow time to ripen before the holiday festivities begin. All of the cakes may be frozen and some cooks think freezing does much to improve the flavor.

DATE CAKE
2 teaspoons soda
1 pound seeded dates
2 cups hot water
1/2 cup fat
2 cups sugar
2 eggs
3 cups flour
2 cups nuts
2 teaspoons vanilla extract
Sprinkle soda over dates and cover with hot water. Cool and mash. Cream shortening and sugar. Add eggs, then date mixture and flour. Add nuts and vanilla. Bake 45 minutes in moderate oven. Bake in 8 x 8 x 2 pan on loaf or layers.

ORANGE CAKE
1 cup butter or shortening
2 cups sugar
4 eggs added one at a time
1-3 cup buttermilk
1 teaspoon soda added to milk
1 pk. dates, chopped
1 cup chopped pecans
4 cups flour mixed with dates and nuts
2 teaspoons fresh grated orange peel
Add ingredients as listed. Cream sugar, shortening, and eggs. Add milk and soda. Mix nuts and dates in flour and add to mixture along with orange peel. Put in stem loaf pan and bake slowly (275 to 350 oven) for 1 1/2 hours. When cake is baked and while still hot, pour the

MRS. R. L. CAMPBELL, who lives near Wildorado makes a Date Cake, which has been requested and the recipe appears on this page.

following mixture over cake by tablespoons until all has been absorbed. While cake is baking mix 1 1/2 cups sugar, 1 cup orange juice, 2 teaspoons grated orange peel. Set on top of stove and let melt, stirring occasionally. Cake improves in flavor if it stands 3 or 4 days.

APPLESAUCE SPICE CAKE
1/2 cup shortening
1 cup sugar
1 egg, beaten
1 1/2 cup sifted cake flour
1 1/2 teaspoon cinnamon
1 teaspoon allspice
1/2 teaspoon nutmeg
1/2 teaspoon cloves
1/2 teaspoon salt
1 teaspoon baking soda
1 cup unsweetened applesauce
Add any preserves, candied fruit, nuts, or raisins.
Cream shortening and sugar together until fluffy. Add egg and mix thoroughly. Sift dry ingredients together 3 times and add alternately with applesauce to the creamed mixture, beating thoroughly after each addition. Add fruit, beat. Pour into a cake pan lined with waxed paper and bake in a moderate oven 350 degrees for 45 minutes. Bake in pan 8 x 8 x 2.

POTATO CAKE
2 cups sugar
2-3 cup butter
2 tablespoon cocoa
2 cups flour
2 teaspoons baking powder
1/2 teaspoon salt
Mix dry ingredients and sift 3 times. Cream sugar and fat; add egg yolks. Beat well. Add flavoring to milk. Add liquid and dry ingredients alternately beginning and ending with dry ingredients. Then add potatoes and pecans. Fold in stiffly beaten egg whites. Bake in three 8 inch pans at 375 degrees for about 25 minutes.

1 teaspoon cinnamon
1 teaspoon nutmeg
1 teaspoon cloves
4 eggs, separated
1/2 cup milk
1 teaspoon vanilla
1 cup mashed potatoes
1 cup nuts
Mix dry ingredients and sift 3 times. Cream sugar and fat; add egg yolks. Beat well. Add flavoring to milk. Add liquid and dry ingredients alternately beginning and ending with dry ingredients. Then add potatoes and pecans. Fold in stiffly beaten egg whites. Bake in three 8 inch pans at 375 degrees for about 25 minutes.

Suggested Frostings:
Sour Cream Frosting
1 cup sour cream
1 cup sugar
1 teaspoon vanilla
1/2 cup chopped nuts
Stir cream and sugar until sugar is dissolved, then boil to the soft ball stage — 238 degree F. Cool syrup until it is lukewarm. Beat until creamy. Add flavoring and nuts.

Butterscotch Frosting
1 1/2 cups brown sugar
3/4 cup granulated sugar
2-3 cup water
2 tablespoons butter
2 stiffly beaten egg whites
1 teaspoon vanilla
(Continued on Page 2)

Officers Elected By Easter Sewing Club On Nov. 11

Mrs. Jim LaPlant was hostess to the Easter Sewing Club when they met on Nov. 11. New officers were elected and plans for a Christmas party were discussed. Those present were Mrs. P. O. Goodwin and Mrs. J. T. Underwood who were visitors and the following members: Mesdames Ernest Flood, Virgil LaPlant, H. O. Markley, Olin LaPlant, Jim Brooks, Fred Walton, Henry Flood, W. A. Epperson, Glenn LaPlant, Louise Stone, Pat Edwards, Leo Hall, Ann Carthel, John Burnett, L. B. Wortham and the hostess.

HD Chatter

by Argen Draper

By Argen Draper

When the Westway H. D. Club met with Mrs. Paul Rudd some of us were discussing the amount of electricity required to operate freezers, water heaters, and ranges. Here are the figures from tests made by various authorities which indicate the number of kilowatts that the average family of four or five persons uses.

The freezer uses 125 kilowatts per month. This is for a 20 cubic foot box. The water heater 240 kilowatts per month and the range 100 kilowatts per month.

Loyd Lovel brought this chart to the office several months ago. Leo Forrest tells me there will be a new table published the next few months and the changes will be due to the people learning to use the electrical equipment more efficiently.

The Homemakers group met with Mrs. George Dozier Nov. 11. Four women were present and there was one of the best exhibits of quickbreads. There were two coffee cakes, ginger muffins, steamed Boston Brown Bread and Banana Nut Bread. Also, white nut bread, and orange bread.

The Doziers have a nice backyard. The windbreak is Russian Olive planted close together and unpruned, of course. A good stand of bermuda grass and three shade trees for the girls to play under. George put the clothes line up on light weight metal pipes. On the inside of one of the clothes line poles he fixed a see-saw and on the outside of the other end he made a swing, thus the poles serve two purposes; to hold the clotheslines and for play equipment. Old tractor tires make the sand piles. The H. D. Market and Gifts Sale Day will be on Wednesday, Nov. 24 instead of Friday of that week.

This will give the customers an opportunity to buy for Thanksgiving. The sellers will take special orders for any of the products you want to buy.

Remember 4 - H Achievement Program Nov. 18; Council meets Nov. 22 at 2:30 o'clock in the County Court Room.

Yuletide Gifts Are Studied By 4 - H Club Girls

Making gift items for Christmas and adding to the treasure through a bake sale were the activities of the 4-H Clubs reporting meetings last week.

Sadie Lee Oliver
The Sadie Lee Oliver 4-H Club met at the Westway community house for a make-up meeting on Nov. 8.

Mrs. Elvin Wilson and Mrs. George Turrentine leaders for the group, instructed the girls in making plaques of plaster of paris. Those attending were: Nancy Green, Mary Lynn Morrison, Ann Wagoner, Janie Auten, Sandra Townsend, Mrs. Jimmy Thomas and children and Mrs. Wilson and Mrs. Turrentine.

Caprock
Members of the Caprock 4-H Club held a Bake Show following the P-TA meeting at the Adrian School on Nov. 8. The girls sold cakes, pies, and cookies they had learned to make in their club work. Over 16 dollars was added to their treasure from the sale.

THE HEGARI BEING CUT with a row bider this tract formerly planted to alfalfa. Mr. Blevins is experimenting with alfalfa as a soil builder. (Staff Photo)

Rotation With Five Different Crops From Alfalfa Land Proves Profitable

Curiosity didn't help the cat much, but it is proving of real interest as well as of material value to W. H. Blevins who began a little experiment on his own when he moved to the farm, seven miles north of Hereford, four years ago.

On part of the land he bought there was a small patch of alfalfa from which he cut one crop in 1951, before he plowed it up and planted it to corn the following year.

The corn averaged 80 bushels to the acre and was followed by corn another year. This time the corn was cut as ensilage with a turnout of about 20 tons to the acre and

the land was then seeded to wheat. The wheat was heavily damaged by hail early this summer, but finally was harvested and turned out well above the average with 45 bushels on the former alfalfa field.

Blevins then seeded the plot to hegari and has already sold the bundles off the land for 45 dollars per acre. The crops have all been watered but no fertilizer, has been added.

Mr. Blevins plans to continue the experiment one more year, at least, to determine just how long land which has grown alfalfa will hold up without additional soil builders.

H. D. Choral Club

The H. D. Choral Club met with Mrs. Cecil Parker for their regular meeting on Nov. 1.

At the business meeting the group decided to include spirituals, patriotic and semi-classical songs in their program.

They also accepted an invitation to sing at the H. D. Council Christmas Party in December.

Those present were: Mesdames Clay Ridgway pianist, Joe Landers R. C. hiders, Cecil Boyer, E. M. Cox, Taft McGee, R. L. Wallson, Miss Augustine Gregory and Mrs. Parker.

On The House

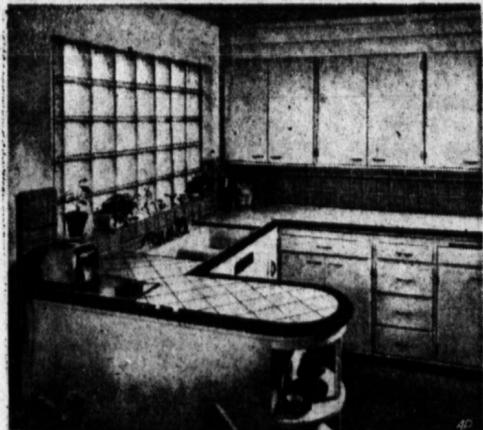

By David G. Bareuther
AP Real Estate Editor

ARCHITECTS, builders and home modernizers are now doing things with glass blocks that make you wonder what was the matter with this fascinating building material when it first came out.

Apparently the matter was that glass blocks were just about 20 years ahead of their time. It takes us a while to catch on to such seemingly contradictory ideas as glass giving us more privacy in our homes, glass giving us light without heat, or light without a view, and so on.

Yet in some houses, built before World War II, where these glistening hollow bricks of glass were used in the walls, the owners say they still like them fine. In the meantime, most of us have had a chance to get acquainted with glass blocks, maybe having purchased one or two that were open on one end to serve as massive modern flower vases.

In view of all the sensible uses now being made of this material it's probably just as well that we

GLASS BLOCK panel over sink adds light to kitchen.

didn't go overboard in a hurry and wind up with some new kind of gingerbread results.

THE EASE with which glass block can be used for interior partitions and room dividers is one of its established advantages. For indoor installation, where no moisture problem is involved, you can erect a wall of glass block without any mortar.

Ready-made special strips of wood take the place of mortar. By using wedges, you can build a solid and lasting panel or partition with this "set-in-wood" method as easily as playing with Junior's building blocks. And a nice thing about this is that you can change your mind, take the wall apart and put it up some other place whenever you're in the mood for exercise.

An indoor partition of this type is especially handy where you don't want to cut off light, such as in finishing an attic, where it becomes expensive to add more dormer windows. Or if you have a long kitchen and want to cut off one end for a dining nook, glass block will keep the place lighted and still give you as firm a separation as studs, lath, plaster and wallpaper.

PRISMATIC and filtered glass blocks are among some of the most interesting. These reflect and diffuse light, reduce heat transfer and even bend light rays. In school rooms, where a maximum of light without glare is mandatory, prismatic glass blocks have been used for south and west walls to bend the sunlight upward against the ceiling.

BEWARE!

COUGHS FROM COMMON

CHRONIC BRONCHITIS may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion. It goes into the bronchial system to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial membranes. Creomulsion blends beechwood creosote by special process with other time-tested medicines for coughs. It contains no narcotics.

Get a large bottle of Creomulsion at your drug store. Use it all as directed. Creomulsion is guaranteed to please you or druggist refunds money. Adv.

In homes these tricky blocks have opened new opportunities for the use of skylights. It used to be that a skylight acted like a greenhouse and made a room sweltering hot in summer, while it leaked heat like a sieve in winter. The use of prismatic glass blocks in place of window panes has brought a big change.

The prisms reflect heat and glare from the summer sun, while they admit the cooler north light. In winter, when the sun is low in the sky the blocks accept and transmit a high percentage of the heat rays.

TO BUILD a glass block panel in the outer wall of a house, all the handyman needs is a mason's trowel, a brush, some ready-mixed mortar and asphalt emulsion. Supposing you want to block off the view of a window without sacrificing its light, the window opening, after removal of the sash, can be used for the panel. Any opening must be bridged over with a header to eliminate overhead weight, the same as you would do for a window.

Here are the three simple steps in installation:

1. Brush a good thick coat of asphalt emulsion on the window framing.

2. Lay the glass block in mortar in much the same manner as other masonry, making your mortar joints 1/4-inch thick. Tool the mortar to a smooth finish in all joint faces.

3. Clean the face of the block before the mortar hardens. Leave a space at the top of the panel for expansion and calk this space as well as the sides and bottoms to assure weather-tightness.

There's one thing to remember—you can't cut glass block. So plan your panel sizes in accordance with the block sizes and their mortar joints.

Asphalt emulsion, prepared mortar mix and calking compound can be obtained from any building supply dealer handling glass block.

Robinson Heads Student Drive

EINID, Okla., Nov. 17—William Robinson, son of Mr. and Mrs. John Robinson, 703 East 4th Street, Hereford, Tex., is co-chairman of the Phillips University blood donor drive. The American Red Cross bloodmobile will set up headquarters at Phillips university on Thursday, Nov. 18, at the Student Union building.

Goal for the drive is 100 pints of blood to be donated by Phillips university students. Miss Jane Mershon, Walters, Okla., is co-chairman with Mr. Robinson for the project. Other members of the student committee are Miss Mary Lou Heeney, South Haven, Kans., and John W. Simpson, Poplar Bluff, Mo.

Mr. Robinson, a senior at Phillips university, is majoring in Bible.

If you are partial to baked apples that hold their shape, choose Rome Beauties.

Why not step up youngsters' intake of milk by diluting canned vegetable soups with it instead of water?

MEET THE WHITEFACES -- Herd guardsman, Walter Kaul, works mainly on defense and does a fine job. He is one of the many juniors on the Whiteface Squad.

and some aprons, for the school's annual harvest festival.

Final Election Returns
Final reports from the Texas Election Bureau show that Governor Shivers rolled to a 521,373 to 61,007 victory over Republican opponent Tod R. Crockett.

Senator Lyndon B. Johnson received 491,228 votes to Republican Carlos Watson's 85,079.

Mystery Blasts
Central Texas residents read of another "mystery blast" last week. This time it was at Granger. But as in the previous seven cases no cause could be found.

First blast of the series came in September in Austin.

Cause of the blasts has been attributed to everything from jet planes breaking the sound barrier to small boys playing with dynamite.

Inductions vs Separations
More Texans left the service last month than entered.

Separations numbered 5,365 while inductions totaled 4,691, including six Texas doctors.

Narcotics Big Business
Black market narcotics have been called "big business" in Texas by the Department of Public Safety.

TDPs report 20 big bootleg dealers and hundreds of peddlers as operating in the state.

"We believe that most of the Texas narcotics come across the Rio Grande and through coastal ports," said Chief W. E. Naylor of the department's narcotic section.

Drink To Death
Records in the Texas Department of Public Safety reveal that drinking drivers were involved in 49 percent of all fatal accidents last year.

New Head For State Home
James A. Lands of Austin has been named acting superintendent of the Waco State Home for Dependent and Neglected Children.

Announcing the appointment was John H. Winters, executive director of the State Department of Public Welfare, who had removed former superintendent Ben S. Peek on grounds that the home's children could be better served by a change.

Mental Care
An 11-point improvement program has been outlined by the State Hospital Board, for the care of mentally retarded children and adults.

Improvements, in general, will follow recommendations made to the board by the Texas Research League.

In its report, the League listed 5,868 mentally retarded persons as presently in need of state facilities, over half of whom are not in these special schools.

Also recommended by the League was a 5,000 bed increase over the present 3,000 bed system.

Housing Act Aids Building
Passage of the 1954 Housing Act has resulted in a flood of new applications for loans and has thrown the Southwest Texas FHA office four weeks behind in its work.

In speaking to Austin realtors, Director C. T. Macleod of the FHA's San Antonio headquarters, stated that he hoped the jam could be cleared by January 1.

More than 1,000 applications, seeking new or additional construction, have poured in, he said. The law permits maximum loans ranging from \$20,000 to \$25,000 for home construction.

New Insurance Ruling
Policy holders of the new defunct Texas Mutual Insurance Company of Beaumont will not be responsible for paying company debts, the State Supreme Court has ruled.

Upholding of an identical but earlier decision by the Court ended attempts by the state to obtain an assessment on company policyholders.

Income Tax Forms
Federal Income Tax forms for taxpayers in the Internal Revenue Service's southwest region office will be easier to read and decipher this year.

For instance, the well-known Form 1040A, formerly of one-sheet size, is now bank-check size. Other forms will have color added as does the instruction booklet, printed in eye-pleasing tints.

More Lawyers
Texas gained 126 new lawyers on Nov. 15 as the Supreme Court swore in those who passed the October bar examinations.

Seventeen listed Austin as their hometown.

Large kitchen tongs are handy for removing baked potatoes from the oven, turning broiled chops or chicken and lifting bacon slices from a skillet.

Reminder to weight-watchers:
Eggs are relatively low in calories—only 77 in one medium-sized egg.

Rich U. S. diets are blamed by many heart specialists for the fact that Americans have more heart disease than most other peoples.

About 46,000 miles of road will be built in the United States in 1955.

Green plants use carbon dioxide from the air and water from the soil to make sugar when the sun shines on the leaves.

By Vera Sanford
Texas Press Association
AUSTIN, Tex. — Tourists are departing Texas.
James F. Melton, acting director of the governor's economic ad-

visory commission, says that Texas' gain in manufacturing and employees, from 1947 to 1952, ranked among the nation's highest—but that tourist trade fell off sharply.

Melton says Texas is losing 800,000 visitors a year.

The state's economy expert estimates the state's loss of potential income as 77 million dollars for the past two years alone.

He blames the states constitutional proviso which prohibits Texas from advertising for tourist business.

Shivers' Hat
Parents of children in Austin's Pease School will have a chance November 19 to bid on the Panama hat worn by Governor Allan Shivers during the gubernatorial campaign.

Shivers donated the hat, a tie,

Using Leftover Turkey

Every Little Mama Deserves A Bunting

By CECILY BROWNSTONE
Associated Press Food Editor

TURKEY, left over from Thanksgiving, will make a couple of delightful meals if you use it artfully. Serve it sliced with fresh green broccoli and a Fluffy Egg Sauce. Or team it with mushrooms and a cheese sauce and use as a filling for rolled pancakes for lunch or supper. Here are the recipes:

TURKEY AND BROCCOLI WITH FLUFFY EGG SAUCE

Ingredients: 3 egg yolks, 1/4 cup milk, 1/4 cup margarine, 2 teaspoon lemon juice, 1-16 teaspoon pepper, dash of nutmeg, 1 egg white, leftover sliced cold turkey, broccoli (cooked).

Method: Place egg yolks, milk, margarine, lemon juice, pepper and nutmeg in the top of a double boiler. Mix well. Cook over hot water (not boiling) until sauce thickens, stirring constantly. Fold egg white, beaten to stand in soft peaks, into cooked mixture. Makes 1 cup. Serve over sliced cold turkey and cooked broccoli.

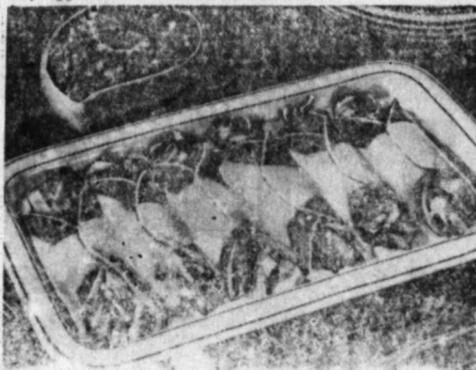

Note: To cook the broccoli, cut off the tough leaves and tough portions of the stalks. Wash and split each large stalk lengthwise into halves or quarters. Then gash stalks so they cook as quickly as the buds. Use a large scillet with a small amount of lightly salted boiling water; cook rapidly, covered, just until stalks are tender-crisp.

TURKEY FILLED PANCAKES

Ingredients: 1 cup finely chopped onion, one 3-ounce can sliced mushrooms (drained), 3/4 cup diced cooked turkey, 2 tablespoons butter or margarine, 1 1/2 cups liquefied nonfat dry milk, 3 tablespoons of

AFTER THANKSGIVING -- Sliced turkey with broccoli and a fluffy egg sauce.

LEFTOVER TURKEY -- It's elegant in pancake filling.

flour, 1 teaspoon salt, 1-8 teaspoon pepper, 1 teaspoon Worcestershire sauce, 1/4 pound sharp cheese (grated), six 6-inch pancakes.

Method: Cook onion, mushrooms and turkey in butter until onions are wilted. Remove from heat. Pour liquefied nonfat dry milk into top of double boiler. Sprinkle flour, salt and pepper over surface; beat with rotary beater until just blended. Cook, over hot water, stirring constantly, until thickened. Add Worcestershire and cheese -- stir until cheese is melted. Remove from heat. Stir in 4 tablespoons of cheese sauce to moisten turkey mixture. Reserve remaining sauce. Prepare pancakes from package mix or your favorite pancake recipe using liquefied instant nonfat dry milk as the liquid. Place a spoonful of turkey filling in the center of each pancake.

Roll up and place in shallow baking dish. Pour reserved cheese sauce over pancakes. Bake in hot (400 degrees) oven about 15 minutes or until cheese sauce begins to bubble. Makes 6 servings.

NOSTALGIA NETS PROFIT

CHARLOTTE, N.C. (AP) — A hardware store, established in 1899, was preparing to make its first move. Up from a musty basement corner came boxes of buggy whip sockets, wool candle combs, brass buggy shaft tips, buggy singletrees and spoke shavers. (If you don't know what these are, ask your grandfather).

They posed the question: What to do? Somebody suggested a sale. They sold like hotcakes! Souvenir hunters did the buying.

Any little girl would adore a real bunting for her doll this Christmas. Just like baby sister's hug-me, it is quilted, ruffled, of satin and scaled down to doll-size measurements. Mom can make it with a few jiffy stitches on the sewing machine.

Especially if Sis must make last year's doll do, perhaps with a new wardrobe also rigged together by Mom, the doll bunting will really cause squeals of delight.

All you need is one and a third yards of yellow, pink or blue lightweight satin fabric, a square of cotton batting and your time-saving ruffler, quilter and narrow

hemmer attachments, and presto you've got a gift to thrill any little girl.

How to Make It

Cut two pieces of satin 22 inches

by 16 inches. Cut two pieces of cotton batting 30 1/2 by 14 1/2 inches. Cut three pieces of satin each 4 1/2 inches wide, across width of the material.

Place the right side of the two large pieces of satin together. Stitch around three sides, leaving one end open. Place stitching about one-half inch from the edge. Press and turn to the right side.

Put two pieces of cotton batting together. Baste around edges. Insert batting in turned satin section. Smooth out and baste in position. Slip stitch the folded edges of the opened end together.

Use the quilter attachment on your machine, quilt this padded satin piece by stitching first in a vertical direction and then in a horizontal one with the lines of stitching 1 1/2 inches apart.

Remove bastings. Fold quilted fabric until you've made a pocket 12 inches deep. Slip stitch edges together. Finish bunting with a ruffle.

To make the ruffing strip, stitch the three narrow strips of satin together, using a plain seam. Press seams open. Pink the raw edges.

Attach the ruffler to the sewing machine. Set it in the No. 1 slot and ruffle the strip, making a three-quarter inch heading.

Baste the ruffle to the right side of bunting around the sides and over the top. Stitch. Remove the bastings.

OLD GLASSES

If you've been wearing your glasses for 10 or 20 years without having new eye tests, now is the time to have a new check of your vision.

FIRST AID KIT

Prepare a first aid kit and keep it in an easily accessible place. Put in such items as adhesive tape, antiseptic, gauze, small scissors, cotton.

A casserole of dried lima beans and tomato sauce tastes wonderful with boiled or grilled frankfurters. Nice change, too, from the mashed potatoes that usually accompany frankfurters!

SHOEBREADTH ESCAPE

SHELTON, Neb. (AP)— Engineer John Hillebrandt, peering into the darkness from the cab of his engine, saw a man on the track ahead and then a body flying past. Hillebrandt stopped the train and with the help of some 100 passengers searched futilely for the body

for half an hour. The mystery was cleared up the next morning when Marcelino Agular told of his scrape with the train. The accident had cost him a damaged shoe and a good scare. He said the train struck him, but he fled when he found himself unhurt.

For Italian Style Suppers

By CECILY BROWNSTONE

Associated Press Food Editor

AMERICAN COOKS who like to serve Italian-style suppers will be interested in this quickly made cream-cake dessert. Ever taste Zuppa Inglese—that Italian sweet with its layers of rum-soaked sponge cake, custard filling and topping of whipped cream and candied fruit? This cream cake is a relative of Zuppa Inglese; in typical American fashion it substitutes a special lemon syrup for the rum flavoring and uses an instant pudding mix for the custard filling.

Italian-style coffee, for demitasse, is fine to serve with this cream cake. Italian coffee-makers—macchinettas—are widely available; but if you haven't one, use the Italian double-roast type of coffee in an ordinary coffeemaker.

ITALIAN CREAM CAKE -- It makes a fine supper finale when you serve it with Italian style coffee.

ed lemon rind, 2 tablespoons lemon juice, 1½ teaspoons aromatic bit- ters, ½ package vanilla instant pudding mix, 1 cup milk, two 8 or 9 inch sponge-cake layers, 1 cup heavy cream (whipped), sliced citron, candied cherries.

Method: Mix sugar and boiling water; stir over low heat until sugar is dissolved. Cover and boil 1 minute. Uncover and boil 5 minutes without stirring. Add lemon rind, lemon juice and bitters; cool. Add instant pudding to milk; mix according to package directions; chill. When ready to serve, place a sponge-cake layer on serving dish. Drench with lemon syrup. Spread with vanilla pudding mixture. Cover with second sponge-cake layer. Sprinkle lightly with lemon syrup and top with whipped cream. (Any remaining syrup may be passed with the dessert or stored in the refrigerator for later use.) Garnish with slices of citron and candied cherries. Makes 8 servings.

WHAT'S COOKING IN BOOKS? "The Complete Round-the-World Cookbook" by Myra Waldo (Doubleday,) recently published, should

interest anyone who wants to try some recipes from abroad. Not since Madame Pearl Metzeltin wrote her "World Wide Cook Book" have Americans had, under one cover, a collection of dishes from so many countries.

The recipes in Miss Waldo's book were gathered by Pan American World Airways from 84 countries—a compilation that must have taken herculean effort. The dishes appear under the following headings: Europe; the Balkans, the Near and Middle East; Africa; Asia; the Pacific; North America; the Atlantic and the Caribbean; South America. On the whole the recipes are carefully written, appealing and practical.

A page or two of "travel comment," useful for reference, prefaces each country's group of recipes. Unfortunately, however, the comments contain more dull generalization than delight of discovery.

New trick: use buttermilk in place of the milk or water called for in the package directions when you are baking a white cake.

Timely Tips for Better Foods

Give a new taste to cornbread—but be sure you use a recipe for the Southern kind of cornbread that is made without sugar. Add lots of minced parsley to the batter, then when you have turned it into the pan, sprinkle the top with grated Parmesan cheese. Use a kitchen scissors to cut the parsley fine, or chop it on a board with a cook's knife.

Ever wonder why recipes sometimes tell you to cool a meringue pie away from drafts? The reason is that cold air may make the egg-white topping fall.

If you're a fortunate owner of a freezer, bear in mind that ice cream bought by the gallon is less expensive than ice cream purchased in separate quart containers.

Crisply cooked bacon added to a dry bread stuffing makes a pleasant flavor change. Especially good with chicken! Use a dry dust mop or a brush on your waxed floors; an oil mop tends to soften wax and make it smeary.

Hereford, Texas, Thursday, November 18, 1954

Section Three

LOADS 'EM TOO, as shown in this front view of the harvester, which sends beets scooting up the long elevator for delivery into the truck bed.

NEW-FANGLED HARVESTER "tops" and digs beets in one operation, replacing labor crews and cutting products on costs to the farmer.

Sugar Beet Harvest Methods Streamlined

By Roberta Campbell

Methods of harvesting sugar beets have changed somewhat since they were first grown in this area several years ago.

Farmers who first experimented with them waited for a freeze to kill the top growth before the digging began. Some also felt that the sugar content would be higher if the beets were left in the ground until after a frost.

Now machinery has stepped up the process, as in other field crops, and large crews are no longer needed to get the beets topped and loaded into the trucks for transfer to the railroad for shipment.

Harvest Is Early

Harvest which is two or three weeks ahead of the usual starting date in this county is now being

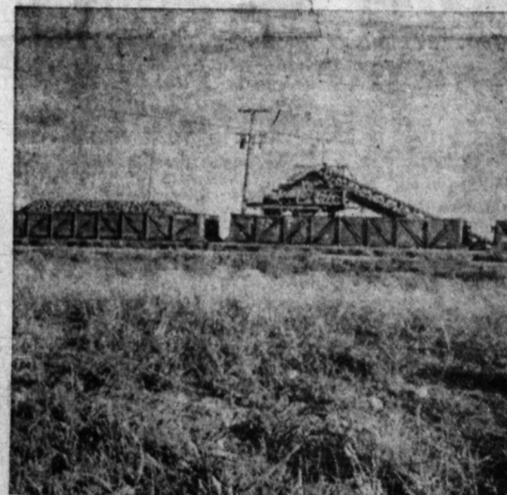

done by a tractor drawn machine which can be operated by one man and will top and dig the beets in one operation, dumping them into a bin from which they are transferred to trucks much like grain from a combine.

Trucks hauling the beets open on the side instead of using an end gate to dump; the unloading requires only a few minutes as the beets are emptied into a bin and carried up an elevator into cars for shipment to the refineries. One man can also operate the dump.

When a car is filled a pulley operated for the loading chute draws the loaded car up out of the way and another is moved in ready to be filled.

BEETS TRAVEL up this elevator into beet loading dumps, thence into railway cars for shipment into Colorado. E. O. Walker is seen checking the process in above photo, made just east of Hereford.

STEPPED-UP TEMPO, resulting from modern equipment, keeps cars moving. One is full, another is fast being filled.

NEW METHODS, as in other things, create problems -- and when loading methods increased in speed, there appeared a necessity for faster means of spotting cars. The wind-lass, above, solved the problem. It spots the empty cars and removes the full ones in record time, also with a minimum of labor.

Long Time Ago

45 Years Ago

Weather: Had all sorts for the first half of the month, sunshine, clouds, rains, fogs, frost and also freeze. Rain on the 13th, two heavy fogs following, with the thermometer at 22 degrees on the nights of the 16th and 17th, with the big frost on the last day. With all this variety the salutations are, "Fine day, today, eh?"

Heavenly women are: unwelcome at birth; untaught in childhood; unloved in wifehood; uncherished in widowhood; unprotected in widowhood; unprotected in old age; unlamented when dead; without hope of Heaven. Mrs. L. B. Harrell, reporter.

Messages from nearly every county in the Panhandle tell the rain story. . . good rains and big rains.

At Hereford and surrounding country the fall was about one-half to one inch and more. In the Parrott neighborhood over an inch fell. To east of town as much or more was reported. In the western part of the county beginning about eight miles west a heavy rain fell which extended into New Mexico. The wheat in the Hereford Country was in fine shape before the rain, but this will insure an extra good season for winter.

Reports from all over the state

show ample rain. Good for Texas.

25 Years Ago

John Moseley, capitalist and farmer, is building a filling station on South Main Street, at the intersection of First Street. The main building will measure 50x70 feet and the office and stock room 20 x 40 feet.

Construction will be of brick and concrete, and will be equipped with four gasoline pumps, where by four cars can be attended to at one time.

Mr. Moseley got his plans from a filling station that he saw last summer on a trip in New Mexico. "I tell you," Mr. Moseley said, "it is going to be the best filling station in West Texas." Excavation began last Saturday morning for the large underground storage tanks.

A much needed improvement was made last week at the intersection of Harrison Highway and 25 Mile Avenue by City Marshall, C. R. Boyd, and his crew. Several months ago a concrete culvert was built at the intersection and now Mr. Boyd has the avenue graded up, the bar-pits deepened and has added a thick coat of fine rock to the surface which makes almost a perfect intersection of the two highways.

Marshall Boyd stated that he was

From know-how gained in building

50 MILLION CARS

comes an all-new General Motors masterpiece

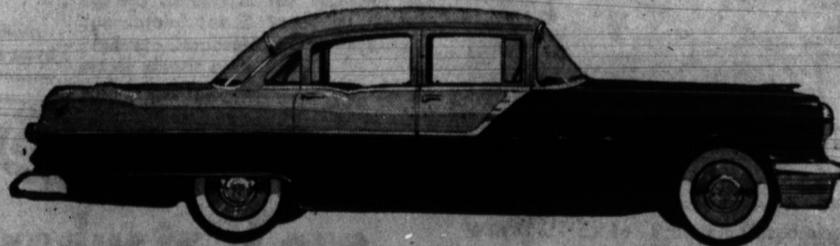

PONTIAC FOR '55

The 1955 Pontiac is getting a royal welcome. "It's hot," they're saying, "the hot car of the year." And no wonder! With its Vogue Two-Tone styling and Strato-Streak V-8 engine, Pontiac wraps up more beauty, luxury, size and power than a like amount of money ever bought before. The price is near the lowest, but the car is way out front in everything that makes an automobile great.

The reason lies in the achievement General Motors is now celebrating—the vast experience gained in building 50 million cars. Research experience that uncovers what you want and need. Design experience that creates new trends. Engineering experience producing more dollar-for-dollar quality year after year.

That's the background of this All-New General Motors Masterpiece. Come in, drive it, and find out what it means to you. Let your own eyes tell you that here is the smartest car on the highway. Let your own hands report the new huddling perfection—brought about by recirculating-ball steering and other advancements in the all-new shock-proof chassis. And let the great new Strato-Streak V-8 whisper its tale of getaway, response and compelling power that make driving a brand-new experience.

Then let us tell you about Pontiac's new thrift and reliability—and how little it costs to buy this future-fashioned beauty. Come in soon and get the exciting facts!

SPECIAL GOLDEN CARNIVAL OPEN HOUSE THIS WEEK END. COME IN FOR A STRATO-STREAK RIDE!

MEET THE WHITEFACES -- This mean look on Larry Kaul's face certainly displays the rugged and progressive spirit of the Whitefaces. A senior this year, Kaul will see action from an end post. (W. H. Patton Photo)

MEET THE WHITEFACES -- Hard driving Jack Parker lettered on the "B" team last year, is in his first year with the Herd. A junior this year, Parker should be plenty rugged from his defensive end post. (W. H. Patton Photo)

MEET THE WHITEFACES -- Jack Burrus is also a defensive sparkplug of the Herd. He works from a tackle post and is a reserve punter. He is a senior this year. (W. H. Patton Photo)

WATCH THOSE TURKEYS!
CHEROKEE, Iowa (AP)—A state auditor's report on city finances agrees it was a nice gesture for the City Council to pass out 22 turkeys to city employees at a cost to the city of \$169. But, the report adds, it was an illegal act. The report says however, that apart from the gift turkeys and

a few other minor matters, the city's finances are in "very good order".

DOG REMAINS

Plainview with Bradley and family. Mr. and Mrs. Kenneth Christie and Jimmy were in New Deal and Lubbock Monday.

SAN PEDRO, Calif. (AP)—Mechanic Jerry I. Jackson told police that the only thing that wasn't stolen from him in a tour of waterfront bars was his dog. The dog followed him from bar to bar and was still with him when Jackson discovered he'd lost his wrist watch, a diamond ring, wallet, cigarette lighter, and \$80 in cash.

FOR SALE

THIS BEAUTIFUL 3 Bedroom House with Wood Burning Fireplace. Back Yard PATIO and Barbecue Pit. Apartment with Bath and Kitchenette on one Wing.

Located at 103 Knight Street, just across from New Catholic School.

Priced to Sell Before December 1st. Will Carry Large Loan. Might Consider trade on Land.

Summerfield News

By Ann Lookingbill
Mr. and Mrs. Boyd Ball and baby girl from Odessa spent the weekend with Mr. and Mrs. O. B. Roberson. Mrs. Ball is the former Charmain Coe.
Mrs. Earl Lance left Monday to be with her daughter, Billy Herrington, in Lubbock, as she was sick.
Mr. and Mrs. J. W. Thomas and Barbara spent Sunday with their daughter and sister, Mrs. Kenneth Christie, and family.
The youth fellowship met Saturday night in the home of Mr. and Mrs. George DeLozier. Those present were Wayne and Donald Walser, Gene Streun, Jamie Clearman, Charlene Lee, Ann Lookingbill, Shirley and Le DeLozier, Rev. and Mrs. Don Larkin, Steve and Gary, and the host and hostess.
Mr. and Mrs. J. B. Noland and Larry went to their ranch in New Mexico Monday.
Mr. and Mrs. A. A. Miller from Matador spent the weekend with their son, W. H. Miller, and family.
Mr. and Mrs. A. E. Barnett attended a birthday dinner Sunday for Mr. Byrd in Hereford.
Mr. and Mrs. L. H. Lookingbill Sr., had an anniversary dinner Sunday. Also Mr. and Mrs. John

Winkler's and Mr. Mrs. L. H. Lookingbill Jr.'s, anniversaries come in the month of November.
Mr. and Mrs. Wiley Nance and Mike of Lockney spent the weekend with his sister, Mrs. J. A. Noland.
Mrs. Guy Walser had a birthday dinner Sunday, honoring her mother, Mrs. Lee Curry. Those present were: Mr. and Mrs. C. R. Walser, Mr. and Mrs. Lee Curry and Mr. and Mrs. Guy Walser and family.
Mr. and Mrs. Frank Lookingbill, Lohman and Lawanna of Hereford were visiting in the L. B. Lookingbill home Sunday evening. They also attended church Sunday night.
Mr. and Mrs. Lee Curry were in Plainview Monday afternoon to see Mr. and Mrs. Luther Foust's baby, who is very ill. They went back again Wednesday. Mrs. Curry stayed until Thursday, when Mr. Curry went after her. The baby is still a pretty sick boy.
Mrs. Gene Purcell and baby spent Wednesday in the home of her parents, Mr. and Mrs. Guy Walser.
Mrs. J. B. Noland, Jerri Bea and Larry accompanied Mrs. Joe Story and Gary to Amarillo Wednesday afternoon, when the children appeared on "The King Only" show over television; the occasion being in honor of Gary's sixth birthday.
Mrs. J. A. Noland spent Tuesday afternoon visiting with Mrs.

B. C. Roberson, who has returned to Hereford.
Mrs. Ray Johnson attended the W.S.C.S. meeting Thursday morning at the Colby Conkwright home.
The Thurman Atcheys are enjoying a new television set, which was installed Thursday afternoon.

Mr. and Mrs. Carlye Sargent are the proud parents of a baby girl, Donna Lee, born Nov. 10. Both baby and mother are doing nicely. They came from the hospital to the Carl Lee home Thursday.
Mr. and Mrs. L. H. Lookingbill Sr., and Mrs. Ray Johnson left early Thursday morning for Fort Worth. Mrs. W. L. Johnson and granddaughter, Donnie, and Dixie Young accompanied them. They intend to see the ball game on Saturday.
Mr. and Mrs. L. B. Lookingbill and Ann spent Monday night in

High Plains Farmers save 50% annually by powering wells with natural gas!

WHEN YOU CONVERT OR PLAN ON NEW WELLS PLAN ON CARLON PLASTIC PIPE for extra savings... years of extra service

North and South Plains folks know the savings in natural gas fuel. But fuel savings are only the beginning. You can save more when you install Carlon plastic pipe. Reason -- Carlon costs less to install. Carlon installs for less because it's lightweight, easy to handle and joins quickly and easily.

Carlon plastic pipe can't rust -- so you bury it and forget it. And remember, you're not experimenting when you put in Carlon. It's performance is proved by hundreds of miles laid right here in West Texas. Ask your neighbors!

ONLY PLASTIC PIPE GIVES YOU ALL THESE ADVANTAGES AND ONLY CARLON PLASTIC PIPE IS GUARANTEED!

CARLON costs far less to install. Compared with other types, Carlon costs less buried, out of the way.

CARLON installs faster. It is light in weight, easy to handle. Carlon joins quickly and easily by "chemical welding".

CARLON is not affected by heat or cold.

CARLON is not affected by chemicals, weed killers and fertilizers used by modern progressive farmers.

Doesn't rust, can't rust. Nothing to corrode by gas or water and weather. CARLON'S performance is proved right here in the High Plains counties. Hundreds of miles of Carlon already laid testify to greater savings.

CARLON is guaranteed -- not only against defects in the material but guaranteed for 3 years by Carlon Products Corporation -- largest makers of plastic pipe.

Carlon Products Corp.

Plants at Corsicana, Texas; Cleveland, Auburn Corners & Upper Sandusky, Ohio; Ashville, N. C.; Denver Colo.; Klamath Falls, Oregon; and Acton, Ontario, Canada. Research Center in Mantua, Ohio.

Out of sight, out of mind for years! Carlon plastic pipe goes underground faster, at less cost than any other kind of pipe. And it stays out of sight for years because it's corrosion-proof.

A boy could do this man's job. Another reason Carlon costs you less is because it's light in weight, installs faster. Carlon can be installed for 25% less than metal.

Another reason you save money when you install Carlon -- it joins in a jiffy. Welding is done with a paint brush! Nothing to corrode in pipe or joints. You bury your fuel line worries when you bury your Carlon.

WRITE: Carlon Products Corporation
1310A 10th Street
Lubbock, Texas
Phone: Porter 3-7347

for complete details. It'll pay you in many ways to learn about Carlon. "The Pipe with the Strip"

 Wednesday evening choir practice is held at 8 o'clock.

Showing The Way...

HERE is life's romance; a grandfather guiding the minds of young boys and young boys seeing Heaven through grandfather's eyes. This may be hero-worship but it is a grand time to teach them to pray... to introduce them to the eternal Friend. *Your child will listen at each bedtime when you talk about God, and Heaven, and the Church.* He will follow when your journey is toward Sunday School. Oh, for the faith of grandfathers who care and who help youngsters find the way to God. It is our privilege and our responsibility to teach them to say, "Now I lay me down to sleep, I pray the Lord my soul to keep. If I should die before I wake, I pray the Lord my soul to take." If you teach them to trust this prayer, then you can trust them anywhere.

At The Churches

Church of Christ

205 E. 6th Street
 Bob Wear, minister
 Bible school is held each Sunday morning at 10 o'clock, with morning worship at 11 o'clock.
 The Young People meet Sunday evening at 6:15 o'clock with evening worship at 7 o'clock.

CONG. WALTER ROGERS SAYS: Visiting Celebrities Capture Interest In Capital Circles

QUEEN MOTHER'S VISIT
The British Embassy on Nov. 9 was the scene of one of the world's leading social events. The Queen Mother of England was honored by a reception. Approximately 2,000 guests were present to greet the Queen Mother. The main entrance to the Embassy is on Massachusetts Avenue, where entry on such occasions can be gained only by complete and proper identification of one's self. It makes little difference that you may be well acquainted with the person stationed at the entrance to require the identification, the invitation issued must be presented by the person named therein. I am afraid my wife might have been a little put out with me as I had forgotten just which pocket I had put mine in. I am going to advocate that some manufacturer produce a man's suit with just one pocket. It would save lots of hunting.

After entering the Embassy, the guests were directed through the beautiful rooms and hallways and into the reception hall, where the Queen Mother stood between Sir Roger Makins, the British Ambassador, and his lovely wife. Many of you have seen colored pictures of the Queen Mother and have noticed the beautiful blue in her eyes. I can assure you that they are more beautiful in real life than in the colored pictures. The Queen Mother is a lovely, gracious person, and I wish all of you could meet her. After the introduction, the guests were escorted into the garden. This may seem rather odd for this time of year. Let me explain it. The garden is covered with a heavy tarpaulin laid on the ground similar to that laid on a baseball field or football field to prevent it from getting wet. Then a huge tent is erected, and decorations and tables are provided. The tent is heated by strategically located heating units, and actually you do not realize that you are being entertained in a temporary structure. The reception was attended by representatives of governments all over the world, and you could hear almost any language being spoken, from the clipped English of the true Britisher to the Japanese, which I can make neither heads or tails of, and back to the Texas drawl, which is always present, no matter whether the party be large or small.

NEW LIFE
Then you will feel a wondrous change: the years will seem to slip away and you will enjoy wonderful new pep and vitality, look and feel younger. Get new habit-forming Drag-NOT Tablets (rich in Iron, Vitamins B₁, B₂, B₆, C, plus other vitamins and minerals) and see results in 7 days or your money back. Only \$1.98 for a month's supply.

STOP SUFFERING
In just one day Drag-NOT Tablet's high-potency iron, multiple vitamins and blood-building elements are in your blood-stream, carrying new strength and energy to all parts of your body. Then watch your elimination. A few days after you start taking Drag-NOT Tablets the lazy organs will go back to work and you will notice the black, poisonous waste beginning to leave your body.

NEW LIFE

it so that they might get in before closing time. We were going down Rock Creek Drive when we heard the wailing of sirens that continued to grow closer and closer. I thought it was an ambulance, but when I looked in my rear view mirror, I could see two policemen with flashing red lights waving everyone to the side of the road. We pulled over to keep from being run down and also to clear the way for what appeared to be an emergency. Much to our surprise, the car that was being led by the officers had an American flag on one fender and a Rising Star flag on the other. It was Shigeru Yoshida, the Prime Minister of Japan. Soon after this, we were again blocked by this same car coming up on Massachusetts Avenue and going to the Japanese Embassy. It did seem rather strange that all of this fanfare was taking place in honor of a Japanese who only a few short years ago was probably the most hated man in the Capital City. In any event I got Grady and Andrene to the National Cathedral, and hope they had a good time. I did not get to see them again before they had to leave. It was certainly nice to have them here and to get in a good visit.

We also had a visit from Mr.

Teen Talk

By Vivian Brown
When you're chief dishwasher for a family of 11 it's fun to get away for a few days and have your breakfast in bed. So says shy, winsome Betty Sue Parker, 14, of Atlanta, in New York to accept an award as Young Home-maker of the Year from the Girls Clubs of America. She explains:

"I'm always asking Mom to give me breakfast in bed. But she says anybody too lazy to get up for their breakfast doesn't deserve to eat."

Betty thinks Mom has a point. But it would be fun if it were different, she says.

All good things happen to good girls, they say, so Betty who is not especially outstanding in anything won the homemaker award from the Girls Clubs because she "does the best with what she has."

Lyle Restine, of Amarillo, who works for the Santa Fe. He was on his way to Bermuda for a visit.

Thirty-six years ago, on the 11th of November, the then President of the United States made the following statement:

"To conquer with arms is to make only a temporary conquest; to conquer the world by earning its esteem is to make a permanent conquest."

Its truth has been proven many times.

Betty, a freshman in high school, lives in a neighborhood where there are not too many advantages for young people. But her girl's club membership gives her the opportunity to do things. She loves to sing and dance and studies both at the club. She is active in its Junior American Citizen Club and is a Junior leader, aiding the young children.

Like most Southern girls Betty has lots of boy-appeal. She has "quite a few boyfriends" although she says she is "too young to date." Southern girls, she says, count as boyfriends the boys they know. But they "get married young, sometimes at 13," says Betty who has decided to wait until she is at least 18. Her mother has given her permission to date when she is 15.

She wants to be a nurse or a Girls Club director because she "likes to take care of people." Says she:

"I'd like to be a baby nurse because I've taken care of the younger children at home and I like it."

Her baby sitting has been in addition to being dishwasher and dishwasher for the family as well as being chief mate in the kitchen and with regular home chores. She plans to work this summer and put the money away for her future education. Betty would like to have a nice wardrobe although she says "most kids down South are wearing tight wool skirts and heavy lobby socks as sort of a uniform." She curls her own hair and

wears lipstick occasionally, but not powder.

Blue-eyed, sandy-haired Betty Sue adores fun movies, her favorites being Clark Gable and Marilyn Monroe. Her requirements for a boyfriend run to the Gable type: polite, courteous and fun to be with.

At 125 lbs. the 5 ft. 2 in. Betty Lou watches her weight. She must put some on her you for sugar, spice and everything nice from the bakery shop. She has been concentrating on ballet which she says helps "tighten up the abdominal muscles."

Huge rock lobster tails, taken from New Zealand waters, are being split, frozen, glazed and sent to American markets. These "splits" may be boiled and used in salads or other lobster dishes, or they may be broiled and used for individual servings. After boiling or broiling, the solid lobster meat is easily lifted from the shell.

MEET THE WHITEFACES -- Senior Charles Springer is in his last year with the Whitefaces. Springer lettered for the Herd from his end post last year, seeing mostly defensive action but he should see plenty of action on both sides of the ledger this year. (W. H. Patton Photo)

Be sure to clean and cook those giblets shortly after you buy your turkey. Season the water the giblets are cooked in with salt, peppercorns, bay leaf, a whole clove or two and a little carrot, onion and celery leaves. The giblets may be chopped fine and used in egg salad sandwiches if desired; the broth should be strained and used in gravy or sauce, or in a hearty soup.

RELIEF

If you are wearing that look of "false old age", feel tired out, depressed, or suffer from sleeplessness, constipation, lack of appetite, digestive disturbances, lack-lustre hair, your trouble may be caused by iron-poor blood or a system starved for nature's essential vitamins and minerals. If so, you need suffer no more.

STOP SUFFERING
In just one day Drag-NOT Tablet's high-potency iron, multiple vitamins and blood-building elements are in your blood-stream, carrying new strength and energy to all parts of your body. Chrysler New Yorker Deluze St. Regis

ANNOUNCING CHRYSLER FOR 1955 WITH THE 100-MILLION-DOLLAR LOOK

IT'S HAPPENED! Here's a wholly new direction in automotive styling for all cars to follow. And it took Chrysler for 1955 to do it: America's top performer and the first in the coming generation of motorears! Come see it! Everything about it is completely new, and dramatically different. Here's the car with the 100-Million-Dollar Look . . . and when you own it and drive it, you'll feel like every-million of it!

Chrysler for 1955 is long and sinewy and low. It's a sleek, clean length of steel that looks as if it might have been born in a wind tunnel. Washed free of clutter. Purposeful as an arrow shot from a bow! New front-end . . . you can spot it a mile away! New Super-Scenic sweptback windshield . . . with corner posts that slant back to allow safest possible vision. New tapered rear deck. New sweeping silhouette that's inches lower than other big cars. New Twin-Tower tail-lights that say "Stop!" with great authority. New PowerFlite Range-Selector on the dash that completely outmodes conventional levers on the steering column. And new fashion-forecast luxury interiors that surpass in color and richness anything you've ever seen in any but custom-built motor cars!

Come drive it! Every Chrysler is now a V-8 - with engines up to 250 HP, the most powerful type in the world. Famous Chrysler engineering brings you Power-Flite, most automatic of all no-clutch transmissions. Full-Time Coaxial Power Steering and new double-width pedal Power Brakes. Plus new tubeless tires! Everything is here you need . . . to drive, as well as look, ahead of all others. Come see America's most smartly different cars today. See for yourself why now, more than ever, the power of leadership is yours in a Chrysler.

FAMILY DINNER

Hamburgers Mashed Potatoes
Stewed Tomatoes and Lima Beans
Salad Bread Tray
Frosted Cake Beverage

STEWED TOMATOES AND LIMA BEANS
Ingredients: One 1-pound can of stewed tomatoes, one 10-ounce package frozen small green lima beans, 1 teaspoon cornstarch, salt, pepper.

Method: Empty tomatoes into a large strainer placed over a 1½- or 2-quart saucepan. Drain lightly, without breaking up tomatoes, so there is about ¼ cup tomato liquid in saucepan. (Place tomatoes in strainer over another small container until needed.) Add frozen lima beans to tomato liquid; bring quickly to a boil, cover and boil gently until beans are tender—about 12 minutes. Just before beans are tender, mix the cornstarch until smooth with 2 tablespoons of the liquid that drains from tomatoes while standing. Add to saucepan and cook and stir a minute or so until thickened and clear. Turn tomatoes over beans and add salt and pepper to taste; cover and allow to stand over, moderately low heat until tomatoes are hot through—about 3 minutes. Do not stir or tomatoes will break up too much and dish won't look attractive. Makes 4 to 6 servings.

THE BRIDE COOKS DINNER
New cooks will appreciate this trick of flavoring applesauce with a bit of lemon rind.

Lamb Chops Mint Jelly
Parsley Buttered Carrots
Potatoes

Salad Bread Tray
Bride's Lemon Applesauce Beverage

BRIDE'S LEMON APPLESAUCE
Ingredients: 1 quart thinly sliced pared red cooking apples, ½ cup water, dash of salt, 5 tablespoons (about) sugar, ¼ teaspoon grated lemon rind.

Method: Put apples and water in saucepan. Bring quickly to a boil; cover and keep boiling gently, stirring with long-handled fork a few times, until soft and mushy—about 10 minutes. Mash apples well with fork; stir in lemon rind. Stir in sugar a tablespoon at a time until as sweet as desired. Chill to develop flavor. Makes 2 cups.
Note: This applesauce is delicious over slices of white cake with a topping of whipped cream.

WINTER DINNER
Split Pea Soup Croutons
Skillet Pork Chops and Sauerkraut
Mashed Potatoes Green Peas
Bread and Butter

Fruit Beverage
SKILLET PORK CHOPS AND SAUERKRAUT

Ingredients: 4 one-inch thick loin pork chops, one 14-ounce can sauerkraut, 2 tablespoons dark brown sugar, ¼ cup cooking sherry, salt, pepper.

Method: Cut almost all of outside layer of fat away from chops. Heat a bit of the fat in 10-inch skillet until melted; add chops and brown slowly on both sides—about 10 minutes; remove chops. Add undrained sauerkraut to skillet; sprinkle with brown sugar and sherry; mix well with two forks. Arrange browned chops in skillet so that they are at bottom of pan and sauerkraut is around them; sprinkle chops with salt and pepper. Cover and cook over low heat until chops are tender—about 30 minutes; test by making small slit through chop near bone with a small knife—meat should be white. Remove chops to serving platter; taste sauerkraut and if you

wish it more highly flavored add ½ to 1 tablespoon brown sugar and 1 to 2 tablespoons sherry, mixing well. Arrange sauerkraut around chops and serve at once. Makes 4 servings.

FRIDAY FARE

If you enjoy thin cornbread, this recipe will be to your liking.

Broiled Fish Fillets
Baked Potatoes Broccoli
Salad Thin Cornbread
Pineapple Bavarian Cream Beverage

THIN CORNBREAD

Ingredients: 1 tablespoon butter, ½ cup flour, 1 teaspoon double-acting baking powder, ½ teaspoon salt, 1½ teaspoons sugar, ½ cup waterground yellow cornmeal, 1 egg, 2-3 cup milk, 2 tablespoons butter or margarine (melted).

Method: Preheat oven to 500 degrees. Put 1 tablespoon butter in 9½-inch pie plate and place in oven just long enough to melt butter; swish melted butter around so it coats bottom and sides of pie plate. Sift together the flour, baking powder, salt and sugar; stir in cornmeal. Beat egg until thick and ivory colored; beat in milk enough to combine. Add dry ingredients and 2 tablespoons melted butter; beat gently until there are no lumps. Pour into prepared pan—batter will be thin. Bake in preheated 500-degree oven until well browned on top and bottom—12 to 15 minutes. Cut in 8 wedges and serve at once with generous pats of butter; remove cornbread from pie plate with pie knife or wide spatula at table.

COMPANY SUPPER

Here's a new version of our favorite quick company soup.
Company Clam Chowder
Toasted Crackers

Baked Ham with Bahama Mustard
Waldorf Salad Bread Tray
Laver Cake Beverage

COMPANY CLAM CHOWDER
Ingredients: One 15-ounce can of New England-style clam chowder, one 13-ounce can Vichyssoise soup, two 7½-ounce cans minced clams, 1 pint heavy cream, ½ cup homogenized milk, minced parsley.

Method: Turn clam chowder and Vichyssoise into large saucepan; add clams including liquid from cans, cream and milk. Heat thoroughly, stirring often, but do not allow to boil. Sprinkle parsley over each portion as you serve it. This makes almost 8 cups—enough for 10 servings.

SUNDAY DINNER

Tomato and Rice Bouillon
Roast Beef Browned Potatoes
Yorkshire Pudding
Snap Beans

Salad Bowl Bread Tray
Tawny Sponge Cake Beverage

TAWNY SPONGE CAKE
Ingredients: 1 cup sifted flour, 1 teaspoon double-acting baking powder, ¼ teaspoon salt, ¼ teaspoon cinnamon, ¼ teaspoon cloves, ¼ teaspoon allspice, 4 eggs, 1 tablespoon water, 1 cup firmly packed light brown sugar (sift before measuring to make sure there are no lumps).

Method: Grease bottom and the sides of two round pans (8 by 1½ inches). Line bottom of pans with waxed paper; grease paper. Sift together the flour, baking powder, salt, cinnamon, cloves and allspice. Beat eggs until thick and ivory colored—this will take considerable beating. Beat water into eggs, then gradually the brown sugar. Gently beat in sifted dry ingredients just until combined. Turn into prepared pans. Bake in moderate (350 degrees) oven 20 to

25 minutes or until cake tester inserted in center comes out clean. Invert pans on cake racks until cold. Then insert spatula under waxed paper and turn out.

Note: This cake is delicious filled and frosted with sweetened vanilla-flavored whipped cream; or it may be filled with vanilla custard and then frosted with the whipped cream.

THEY LOVE IT
WARWICK, Va. (AP)—Mrs. U.S. Savage started her bird hospital after finding a wounded jay and the patient population is now 29 birds which have fallen from nests or been injured in some way. There is only one trouble—the discharged patients don't want to leave after they are released from the cat-proof cage. Mrs. Savage admits she likes it that way and willingly provides food.

PLASTIC NAVAL TEST
BAY CITY, Mich. (AP)—Navy experts believe ships with plastic hulls may be used as mine-sweepers, just as effective and probably less expensive than the all-wood sweepers now in operation. It has

contracted for construction here of a 57-foot all-plastic ship. Except for small aluminum joints and two nonmagnetic 4,000-horsepower engines the ship will be entirely of plastic.

Its designers hope it will be able to sail through mine-infested waters, without setting off the deadly magnetic devices which sank or damaged many ships in World War II.

Electric blender fruits: cut raw vegetables and fruits into small pieces before putting them into the blender container. If you are planning to liquefy the vegetables and fruits make sure you add enough liquid to the blender container to cover the agitator blades.

SPECIAL MERIT AWARD

BLANTON BUTANE, INC.

The distinguished new '55 Ford Town Sedan... built for those who wish to combine brilliant performance and most-modern beauty with top comfort and convenience.

You just can't buy better!

For your automobile dollar you can't buy better than Ford... the fine car of its field for '55! Everywhere you look, you find extra quality built into this greatest of all Fords. You get the big quality features that bring you superb performance—top riding and driving comfort—most modern beauty. Only Ford offers you: Thunderbird Styling... New Trigger-Torque Power... New Angle-Poised Ride. And you get extra quality throughout the car,

too. For example, Ford's new full-wrap-around windshield has over a square-foot more area for up to 20% better visibility. Interiors are completely new, with the freshest colors and upholstery in the industry. Brakes are 10% larger—stop more smoothly, last up to 50% longer. New tubeless tires offer puncture and blowout protection. New Turbo-Action Spark Plugs resist "fouling" up to three times longer.

'55 FORD

You buy better when you buy now... for a full year of '55 fun!
