Distribution Of Patronage Dividend Planned By Hereford Grain Corp.

Hereford Grain Corp., will distribute patronage dividends amounting to \$34,200, according to a report made by S. H. Slagle, secretary and treasurer, at the annual stockholders' meeting Saturday.

Total gross revenues of the cooperative during the report period were \$124,900, of which operating expenses took \$82,100.

Five percent dividends on stock amounted to \$8,600, leaving \$34,200

to be distributed as patronage dividends.

In other business conducted at the meeting, which followed a barbecue where some 400 persons were fed, two board members were re-elected. They are P. L. Carmichael and H. E. Danforth both of whom have served one year on the board. They were re-elected to serve three more years.

Members of the Hereford Kiwanis Club, who have made a public

service of serving the food at barbecues for some four years, performed that service for the corporation, which had invited the public to the barbecue.

About 45 out of approximately 80 stockholders of the corporation were present for the meeting where Jack Bradly, president, presided.

Well Motors Show Lightning Damage

Insurance adjusters were this week checking damages which resulted to irrigation motors as a result of lightning damages in the electrical storm here Tuesday, July 27.

Baker Womble, northeast of Dawn, was reported to have lost a motor which "burned up" following the storm. Extensive damage was also reported on two wells owned by Wesley Cox when the motors reversed and started running backwards.

REA substation in the Dawn area and other points were temporarily out of commission, but service was resumed early the following morning.

One City of Hereford water well motor was also temporarily out. Water Supt. Onias Carroll reported, however, that heaviest loss appeared in fuses and switch boxes. The well was temporarily out of commission, but caused no interruption in water service, he said.

Light Increase

There were five or six electric lights on 1925 model cars compared with 20 to 38 on current models.

SOMEBODY'S WEATHER instrument dropped out of the sky about 11 o'clock Thursday morning into a field 14 miles northwest of Hereford where Marvin Nussbaum, left, and Billy Wall were doing some irrigation work. A paper parachute was used to keep the instrument, which had apparently lost part of its apparatus, from dropping too fast. Nussbaum is holding the remains of a big balloon, which evidently carried the instrument aloft, in his right hand. The two men were in Hereford with the instrument as they tried to find out where to return it. (Staff Photo)

Peace And Harmony Is Keynote Of Convention

While many other County Democratic Conventions over Texas were being torn apart with strife and confusion last Saturday afternoon, the Deaf Smith County Convention was outstanding for its model example of peace and harmony. Approximately 75 delegates from various precincts attended the session in the county courtroom.

In addition to naming 11 delegates and eight alternates, the group adopted a resolution calling for unit rule on all voting, adopted the State Party recommendations on delegate strength from each precinct, and passed a resolution endorsing Gov. Allan Shivers "in his continued fight for Texas."

State Delegates Named
Delegates named to the State Convention were: J. H. Sears, chairman; Dr. R. R. Wills, Taft McGee, James W. Witherspoon, Steve Clements, Andrew Kerschen, Clint Formby, V. E. Dodson, Frank Bezner, Troy Moore, and J. D. Neill. Alternates were: Ivan Block, Mrs. Troy Moore, Mrs. J. D. Neill,

Mr. and Mrs. Ronald Babione, Mrs. Virgil Dodson, Earl Plank and Jimmie Gilentine.

The meeting opened shortly after 4 o'clock Saturday afternoon and was called to order by Henry Sears, Democratic Chairman for the county. Sears was nominated as temporary convention chairman and Katherine Hill was named temporary secretary, both by acclamation. The same two were later elected as permanent chairman and secretary, also by acclamation.

John D. Aiken, Steve Clements and Ivan Block were appointed as members of the credentials committee to pass on delegates and examine proxies, which were numerous, especially from Precinct 2. Delegates from Precinct 1, 2, 7 and 11 held separate caucus meetings away from the general assembly, then returned to the courtroom to conclude the business of the general meeting.

Since the convention was bound by unit rule, all voting was recorded in the minutes as unanimous. However, only two dissent-

ing votes were cast during the entire session; they regarded the resolution approving Allan Shivers.

The complete resolution read: **Shivers Endorsed**
"Whereas, Allan Shivers received the largest number of votes in the first Democratic Primary on July 21, 1954, and
"Whereas, Allan Shivers' administration has been the most pro-

gressive administration in the history of the State; and

"Whereas, Allan Shivers has given Texas a voice in National politics and has been a great spokesman for the Texas Democratic Party;

"Now, therefore, be it resolved that this County Convention join with Allan Shivers in his continued fight for Texas."

City To Crack Down On Delinquent Taxes

Non-payment of city taxes on personal property is going to become a thing of the past, according to plans laid Monday at the City Commission meeting.

City Attorney Earnest Langley was instructed to prepare to file suit on all persons owing city taxes for as long as four years, with special emphasis on the collection of personal taxes, though the drive will also include property taxes.

Personal taxes are often in small amounts, many items on the books showing taxes of less than \$1 a year, but the commission agreed that it is not fair for some to pay personal taxes while others get by without the payment.

Interview Engineer
Mayor J. H. Sears and commissioner Raylan Evans and Wayne Edwards also interviewed a prospect for the post of city engineer, which may be created here, passed an ordinance exempting industrial users of electricity from the 2 percent gross receipts tax, discussed the telephone situation, and decided that it was too late, in the year to accept a petition concerning the possible paving of Jackson Street.

Hiring a city engineer has been discussed for some time, as it is felt by the commission members that the engineer can handle much of the work now being done by

outside engineering firms, as well as doing work which is presently not being done at all. The need is becoming more acute since the zoning commission finished its work.

In discussing the telephone situation, the commissioners mentioned a survey by mail on telephone service, which showed that a majority of telephone users in Hereford are far from satisfied with the service, and that there are often long delays in getting the operator.

Church Collection Aids Flood Victims In Rural Mexico

"Ask and You shall receive."
Guillermo V. Lopez followed this Bible scripture with excellent results last Sunday when he sought help from the First Methodist Church of Hereford in an effort to bring relief to homeless flood victims in Old Mexico.

Lopez made a recent trip to Acuna, Mexico, to visit his brother who was a victim of the recent Rio Grande flood. While there, he found that approximately 13,000 people were stranded in the mountains with nothing to wear and very little to eat. Since they had not as yet received assistance from Red Cross or other sources, Lopez brought the story of their plight back to Hereford.

Within six hours a large pick-up of clothing was gathered by the Senior N.Y.E. and the Homebuilders class of the church. Mr. Lopez left Monday with the clothing, which he will haul and distribute without charge in an effort to assist the destitute people.

Hereford Riders To Climax Busy 10 Days With Vega Reunion

A trip to Vega Saturday to take part in activities at the Oldham County Old Settlers Reunion is planned by members of the Hereford Riders Club, to top off a busy 10-day period.

Last Thursday night the square dance group performed at the Levelland rodeo, competing for a trophy against riders from Portales and Lubbock, who performed on the following two nights, and Wednesday of this week they went to Pampa for the Top O'Texas parade and rodeo.

From Levelland, the square dance riders brought home a third place trophy. Competition was said to be "very stiff." Riders taking part in the program were Mrs. Pat Lawton, Jeff Roberson, Mr. and Mrs. J. D. Tyler, Mr. and Mrs. Wylie Roberson, Mrs. Charles Skelton, Curtis Barclay, and Mr. and Mrs. Homer Brumley.

Mr. and Mrs. Ralph Sears also went to Levelland with the square dance group, but Mrs. Sears received a minor injury during a practice session, and was unable to ride in the competitive event.

TCU Gets Permanent Loan Of Elliston Collection

FORT WORTH — A large collection of Indian relics and fragments of ancient American animals, including scores of phytosaur-dinosaur teeth, has been placed on permanent loan to Texas Christian University by J. B. Elliston of Hereford.

The exhibits, housed in glass-topped boxes, will be used by several departments of the university in the study of history, geology, archaeology and other areas.

A small, energetic West Texan, Elliston began collecting 60 years ago when the family lived in the Indian Territory. His interest grew when the family moved to a ranch near Palo Duro Canyon in the Panhandle in 1899.

"Over the years, I've picked up a little archaeology, paleontology and some geology," he grins. "I'm no scholar in the formal sense but I like to collect these old things."

In pursuit of his hobby, Elliston who is now in the real estate business, has ranged all over the U.S. and Canada. He estimates he's collected 20,000 pieces, some of which

JUST A SMALL part of the collection which J. B. Elliston has collected over the years is shown in this case. Most of the items which he has collected were on display in his office during this year's Pioneer Day celebration, and many persons saw them at that time.

are on display at the University of Texas and Baylor. He has some 6,000 pieces on exhibit at Coronado Lodge in Palo Duro Canyon.

He likes to start others, especially young people, in the same field. All of his grandchildren are collectors and he's pointed many other youngsters toward a collecting career. He feels that such hobbies are one answer to juvenile

delinquency. "Young people really interested in this field just don't have time to get into trouble," he feels.

Some Already There
Elliston brought some of his collection to TCU last week. He plans to present the rest after displaying it at his 50th wedding anniversary celebration in Hereford this fall. The exhibit includes pieces of other things.

Hereford Garden Club Announces Plans For Fall And Winter Work

The Hereford Garden Club held a called meeting in the home of Mrs. M. T. Rutter, president, Friday morning for the purpose of making plans and outlining the coming year of study and activities.

Plans for the 1954-55 year books were discussed by the chairman, Mrs. John Jacobsen, Jr. Roses will be the theme of study for the year with emphasis on horticulture and arrangement.

The horticulture feature of the year will be new introductions in the plant world.

One of the highlights of the year will be the spring flower show, built around the theme "Appointment With Spring" with Mrs. Ralph McCullough serving as flower show chairman.

For the conservation activities of the year, members will study wild flowers of this area and the program may include a pilgrimage to Palo Duro Canyon and other places where wild flowers grow in profusion.

The civic beautification project will be a continuation of one begun two years ago in the landscaping of grounds at the Baptist Mission at the Labor Camp.

Members voted to sponsor a Memorial Plot in memory of Hereford High School students who gave their lives in service. The plot will be planted in Peace Roses which is the flower featured in District 1, and a possible site at the

fossilized dinosaur hide and teeth found in Palo Duro just east of Canyon; well-preserved dinosaur vertebrae found south of San Jon, N. M.; dinosaur "gizzard stones" believed to be 15,000,000 years old from the Big Horn Mountains; a section of a prehistoric elephant tooth found north of Hereford.

There are also some "Folsom Points" thought to be over 15,000 years old for which Elliston refused \$500. One stone axe head, found near Santa Rosa, N. M., is believed to be over 2,000 years old.

Other Indian relics, many from the Navajo country, include beaded bags, knives, arrow heads, drills, scrapers, bread stones, pots, tomahawks and other items.

One unusual piece is a string of bone beads with an abalone pendant. It was found in a Pueblo ruin in 1928.

Also included are huge oyster shells picked up far inland in Oregon, bullets and other items from the battle field at the Little Big Horn, samples of uranium ore and other things.

new high school has been suggested.

To Sponsor School
The date was set for School One in flower show practice. The school will begin on September 30 and will last through October 2. Mrs. L. P. Johnson of Abilene, national instructor, will teach flower show practice and horticulture; Mrs. A. L. Manjeot, district governor, will teach flower arrangement. Anyone is welcome to attend all or any part of the school. Place for the school will be announced at a later date.

Mrs. Manjeot announced that the new District 1, Garden Club books are now in the hands of the press and will be ready for sale by the time of the fall board meeting. Proceeds from the sale of the books will go to establish a fellowship in horticulture or kindred subjects at Texas Technological College. The fellowship is the project sponsored by District 1 during Mrs. Manjeot's term of office.

Members attending the Friday session were Mesdames John Jacobsen Jr., Ralph McCullough, O. G. Hill, C. C. Ferguson, S. S. Williams, F. W. Lookingbill, Jack Robinson, E. Ramey, A. L. Manjeot, W. A. Criswell, E. W. Young, J. H. Lomas and the hostess.

Ann Hutchens To Appear In Recital

Ann Hutchens, 11-year-old daughter of Mr. and Mrs. C. Wayne Hutchens, 432 Maple Street, will be presented in a piano recital at the Musical Arts Conservatory in Amarillo at 8 o'clock Saturday evening, according to announcements today.

Miss Hutchens is a student of Ardath Johnson in Amarillo and for the past week has been studying under Dr. Leo Podolsky at the Conservatory. Included in the repertoire Saturday will be numbers by Faust, Hyden, Chopin and others.

She has been taking music for the past three years and her playing has created considerable interest among musicians at the Conservatory.

Byrd Birthday Party

A yard party was given in honor of Linda Byrd's birthday July 30. Games were played and refreshments were served to Wanda, Vonda and Vinita Pitts, Cynthia and Kathy Ellerd, Virginia and Jarette Isabell, Patricia Hershey, Janice Cavanaugh, Ruth Powell, Anita, Juana and Betty Turner and the honoree, Linda Byrd. Hostesses were Mesdames E. F. Byrd, Johnny Porter, and B. E. Cavanaugh.

YARBOROUGH:

Thanks, Friends; Predicts Victory

AUSTIN, Aug.—Democratic gubernatorial candidate Ralph Yarborough said this week he will win the Aug. 28 second primary by a sweeping margin.

Said Yarborough, confidently: "678,000 Texans—a majority of Texans—can't be wrong."

"678,000 Texans have hammered home their belief that integrity in their government can be achieved only by a change."

"678,000 Texans have noted their distrust and disapproval of a third term for their governors."

"678,000 Texas Democrats have made it crystal-clear they want a leader whose loyalty is unquestioned, who will never betray them."

Yarborough thanked "each and every one of the brave Texans who voted for and with me" in the first primary. He said he was "especially and particularly grateful to the citizens of Deaf Smith County who have joined our common fight to restore decency and honor to Texas government."

Yarborough said the campaign issues now are sharply drawn. He said: "Texans can now choose for or against a tradition-breaking third term, for or against straightforward Democratic leadership and for or against integrity in their State Capital."

The Democratic candidate repeated his thanks to "his friends of Deaf Smith County and urged their voting support—along with the votes of all other Texans—Aug. 28."

Popular Pickle Recipes Provide Zest, Make Average Meals More Interesting

People generally like pickles and relishes because of their bright colors and crisp texture. They give an appetizing zest to a meal which might otherwise be flat and uninteresting. Some of the popular recipes that are easy to prepare are being reprinted by request for those who missed them in the Hereford Brand Cookbook and in "Tater Peelins" last fall. Easiest of all to make and in great demand is the simple recipe for sliced sour pickles given below:

Sliced Sour Pickles
Soak cucumbers over night in cold water. Slice lengthwise into pint jars. Add one teaspoon each of salt and sugar. Fill jars with hot vinegar and seal.

Ten Day Pickles
(Made in one night)
7 lbs. medium sized cucumbers (sliced)

1/2 cup slack lime
Enough water to cover.
Slice the cucumbers in stone jar and cover with the lime, then pour over enough cold water to cover and let stand over night. The next morning dip out of the lime and water mixture and wash very thoroughly and set aside to drain. Bring to a boil, 1/2 gallon of vinegar and four cups of sugar and salt

enough to season. Put cucumbers in boiling vinegar mixture, add four scant teaspoons of mixed spices. Simmer thirty minutes and pack and seal in jars. A few cherry leaves or grape leaves added while boiling adds to the green color of the pickles.

Bread and Butter Pickles
25 large cucumbers
12 onions (white-medium)
1/2 cup salt
1 pint vinegar
2 cups sugar
2 tablespoons mustard seed (white)
2 tablespoons ginger
2 tablespoons turmeric powder
Soak unpeeled cucumbers in water overnight. Slice cucumbers and onions and place in pan with the salt (no water). Let stand one hour then rinse off salt, add vinegar, sugar, mustard seed, ginger and turmeric powder. Boil all ingredi-

ents until peel turns yellow (about 40 minutes). Pack pickles solid in sterilized jars. Seal and allow to stand 10 days before using.

Kosher Dill Pickles
Mrs. Bonnie Brumley
20 to 25 dill size cucumbers
1-8 teaspoon powdered alum
1 clove garlic
2 heads dill
1 quart vinegar
3 quarts water
1 cup salt
grape or cherry leaves
Wash cucumbers thoroughly and let stand in cold water over night. Pack in sterilized jars. To each quart add the 1-8 teaspoon alum, one clove garlic and the two heads dill. Combine the vinegar, salt and water and bring to a boil. Pour at once over pickles in jar, being sure pickles are well covered; add a grape or a cherry leaf and seal. Makes six to eight quarts.

HD Chatter

by Argen Draper

Mrs. Arthur Blackburn has been freezing small potatoes for several years. She started by freezing only a few packages and has doubled the amount each season.

Potatoes no larger than eggs should be used. Scrape potatoes and blanch in boiling water for 4 minutes. Cool, drain and package. The bags are probably better as almost all the air can be taken out of the bags. Put filled bags down into a steamer of water to remove air from vegetables. Twist or put rubber band around top of bag.

As in all freezing, work with small amount of food, work quickly and freeze at once. Cook frozen potatoes as fresh. Usually vegetables are better if they are started cooking before completely thawed.

4-H Club Dresses

Nancy Parsons and Glenda Homfeld both finished their dresses before leaving on vacations. Glenda's dress is a one piece without a waistline seam. She chose a contrasting belt to wear with it. Nancy's dress is bright red solid print, sleeveless and has four gore skirt. She did a very good job on the zipper and the skirt hangs well.

It is difficult to get a four gore skirt cut right and if it is a few threads off-grain it never looks well. With the skirt cut off grain the hemline can never be straightened.

Some of the 4-H girls should bring things to the H. D. Market. They are eligible to sell if they have a health certificate. Mary Lynn Morrison sold some things Friday. Call the office or ask one of the home demonstration club women who works at the Market about health certificates.

Honey that has been chilled will sugar. To correct this leave it in a warm place. If honey is stored in the refrigerator take it out sometime before serving.

Time To Check Plants

Now is the time to check plants for cone-shaped bugs hanging on plants in the landscape. Spraying now may prevent taking them off by hand later. These bagworms are often found on evergreens; also, flowery shrubs and roses. Elms have bagworms, too. Spray twice with 10 percent chlordane, applied a week apart. Three tablespoons of lead arsenate to one gallon of water is an effective spray. Dustings of 10 percent chlordane or 10 percent toxaphene.

AUGUSTINE GREGORY . . . She makes 'em Grow

Culture Of African Violets Novel Hobby

A great many people who have tried to grow African Violets feel that, like sheep, the plants had just as soon die as to live. Augustine Gregory, however, has a knack for making them live in spite of themselves, it seems.

About two years ago she was visiting with Mrs. T. J. Parsons, a neighbor, and Mrs. Parsons gave her a violet which, in spite of all its care, was well on its way to giving up the ghost. Mrs. Parsons

remarked "If anybody could make it live Augustine could."

Too Much Water

A saucer of water was placed underneath the plant and it began to show a definite interest in surviving but, just when Augustine thought she had found out what to do, she picked up a magazine and it said that the surest way to kill an African Violet was to over-water. She immediately poured off the water.

In time, however, she was rewarded with a nice pot full of blooms and she felt better about African Violets.

But this temperamental plant wasn't to be outdone so easily. Without warning, it began to droop and Augustine drooped with it. Then she remembered reading about crowns and since there were four in evidence she decided to separate them, reasoning that if she only saved one of them she would have as many plants as she then had. When she saved all four she felt much braver about experimenting with these challenging individuals of the plant world.

This particular plant was the Blue Boy variety, but the catalogues advertised other kinds and Augustine decided to order some rooted cuttings. These included such names as "Painted Girl" which, as the name suggests, is a blend of colors—white and lavender, "Snow Prince," "California Plum," "Velvet Girl," sometimes called the "Fanny Plant," "Spring field Beauty," known as the king of the double-blossomed plants, and others. The only rebel which still refused to grow after three attempts was a plant of the Holly Culture.

Bloom All Year

All of the plants bloomed almost the whole year through and were so delightful to work with that Augustine decided to try some leaf cuttings, as well as dividing the crowns, for new plants. She roots the leaf cuttings in two ways with success. The leaf is removed with a good length of the stem and allowed to dry out a little where the cut is made before it is put into water. When good roots are formed, the leaf is put into a pot and cared for as the other plants. If the leaves are to be rooted in pots a mixture of Vermiculite and peat moss is used. The leaves can be rooted any time.

In caring for the plants after they have been well started Augustine usually keeps the pot in a pan which will supply water from the bottom, but she also waters the plants from the top if they seem dry. She can't tell that the method makes a great deal of difference.

She thinks perhaps the determin-

Forty-Six Girls Enjoy Over Night 4-H Rally Sponsored Here July 24

Forty-six 4-H Club girls, along with nine mothers and Adult Leaders, registered for the Deaf Smith County Over-Night 4-H Rally held at the Veterans Club House July 23-24. The program featured fun, frolic and instruction for all. Cleo Meharg, manager for Southwestern Public Service Company at Hereford, was in charge of a program on Safety and making minor electric repairs on household appliances. Mr. Meharg was assisted by Joe Russell, Earl Lewis, and Ivan Gulick from the Amarillo Office. Many extension cords, plugs, and appliance cords were made or repaired.

Ann Dyer, as over-all Program Director in charge of entertainment, had prepared a well planned schedule of more than 20 games

and a number of songs. Donna Sue Guseman was pianist and Outdoor Recreation Chairman; Peggy Browning was chairman for the Talent Show put on by girls from each club.

Ann knows that leadership is developed by participation, so she asked the following girls from clubs throughout the county to lead games and contests: Margaret Burrus, Paula Beth Corbett, Polly Coronett, Arlene Cupell, Ann Rose Dzuik, Janet Higgins, Glenda Homfeld, Marie Hunter, Martha Sue Logan, Merry Kay Pruitt, Royce Lee Pruitt, Shirley Pierce, Sandra Townsend and Maxie Wiseman.

Safe Water Supply Is Stressed As Important At HD Club Meetings

Westway Hope Demonstration Club met in the home of Mrs. P.B. Sowell on July 28.

Argen Draper, CHDA, gave a demonstration on "Making the Water Supply Safe." Mrs. Draper pointed out that germs causing such diseases as typhoid, yellow fever, and dysentery often come from the water supply and the safest method is to have the water tested for any of these organisms. Sterile bottles were given each member who wished to send a sample of water for testing. The Council report was given by

Mrs. C. A. Sauley. The Federation report was given by Mrs. Sowell. Mrs. R. L. Wilson was chosen Federation director. The nominating committee selected to choose officers for next year are Mrs. Paul Rudd, Mrs. Floyd Walton, and Mrs. Phil Miller.

Mrs. Bobby Jones will teach leather craft to club members. All those interested are asked to notify Mrs. Paul Rudd.

A family night was planned for August 21, when all members are requested to take supper for their

IN RECOGNITION OF OUTSTANDING COMMUNITY SERVICE!
The First National Bank of Hereford
SALUTES Hereford's Volunteer FIRE DEPARTMENT

The low insurance rate enjoyed by the people of the City of Hereford can be traced primarily to the efficiency of the Hereford Volunteer Fire Department. Made up of 28 volunteer firemen and one paid fireman, or Fire Marshall, the Hereford group is rated as one of the best Volunteer Fire Departments in the State.
No one seems to know just when the Hereford Department was organized, but there is evidence that it has been in existence almost as long as Hereford has.
Practice sessions are held weekly, as well as numerous schools on how to fight fires. Earl Phillips is the local Chief, Glenn Witherspoon, Assistant Chief and Clay Angelo, Fire Marshall.

 Now Has 46 Plants
 Miss Gregory now has 46 plants in the varieties named and has sold a few to other African Violet enthusiasts. As the demand grows she has decided to sell more of the plants, because it doesn't seem like much of a problem for her to replace the ones she lets go since

she has been so successful with leaf-cuttings. Anyone wishing to make inquiry may address her on Route 4.
 She now has every color but pink in the collection of plants which decorate the house and bring a great deal of surprise and pleasure to her family and to visitors.
 Her brother, Jake, says for a while the whole place was full of them. They were even in the kitchen and the bathroom, but likely he is also proud of his sister's success in growing this outlow, the African Violet.

 Mr. and Mrs. Guy Lawrence, 315 F. Ave., had as visitors this week, her son and his family, Mr. and Mrs. Charles Jewell from Abilene. They picked up their daughter, Carol, who had stayed with Mrs. Lawrence two weeks while her parents journeyed on to Colorado on their vacation.

At The Movies
 "Money From Home"
 "Money From Home" is showing Sunday, Monday, and Tuesday at the Star Theatre in Technicolor. It stars Dean Martin, Jerry Lewis, Marjorie Millar, Pat Crowley and Richard Hayden.
 Martin and Lewis are really in a fix when they are ordered by the "boogie king" to "fix" the big steeple-chase or else. Martin has fallen for the beautiful owner of "My Sheba," the horse he is to fix and Lewis loves a girl veterinarian who has bet everything on "My Sheba."
 This is the first time Dean and Jerry have been filmed in a Damon Runyon story and it proves to be full of fun and adventure.

In Dalhart Monday and Tuesday attending the funeral of his grandmother, were Mr. and Mrs. D. R. Carter.
 Mr. and Mrs. Troy Moore, 203 North Gough; Mr. and Mrs. Sylvester Slagle, 801 Main; Mr. and Mrs. Jack Bradley, 1011 Park Ave. and Mr. and Mrs. Ivan Block, 200 North Gough, went to Ruidosa, N. M., this week to spend a few days.

"Close Shave" Will Be Forfeit In Saturday Night Wrestling Matches

It's going to be a "close shave" for somebody in the top part of a double main wrestling event at Hereford's Bull Barn Saturday night.

Glen Detton of Salt Lake City, Utah, meets bearded Elmer "Peavey" Larsen, former lumberjack of British Columbia.

The loser has agreed to submit to a special barber shop routine. If Detton loses, he will have his blond, curly locks shaved to the scalp.

If grizzled Larsen loses, he will give up the beard which has been his trademark.

The athletes go after each other on a two best falls of three match, or a one-hour time limit. No agreement was made in case of a tie.

In the first part of the twin feature, also for two falls of three or one hour, vicious Frank Murdock

of Waxahachie goes against handsome, popular Jim LaRock of Ithaca, N. Y.

LaRock, with but two years of professional wrestling behind him, has come to be one of the more prominent scrappers of the Southwest States junior heavyweight territory. He is strong and big, and as tricky as they come for one with limited experience. He employs a lot of fundamental wrestling learned in amateur circles and sometimes these prove vastly effective against hardened professionals, many of whom have forgotten the finer points of the game.

George Higgins, familiarly known as "Uncle George," has so far threshed the best wheat crop of the season. From a field of 20 acres he got a little over 400 bushels, averaging 20 bushels per acre. The berry is par excellent but this is always the case with Panhandle wheat. Even with a small yield the grain is good. On another field adjoining he made only an average of 10 bushels per acre. He sold the crop at \$1.10.

J. H. Bond, who owns a small farm in south Hereford, has made a successful demonstration in the culture of sugar beets. He planted three rows across his garden, 50

yards in length. After the beets were up he thinned them out to the proper stand, leaving the plants about 18 inches apart. The planting was done May first and the rapid growth has been wonderful. He pulled a few Wednesday of this week, many of them weighing five and six pounds. He brought one, which was an average, to the Brand office and it weighed 4 1/4 pounds and measured 16 inches long. Another measured 20 inches. In the three rows there are 300 plants. Calculation will bring out some quite interesting figures. With rows three feet apart, there would be 9,630 plants to the acre. An average of four pounds to the root would make 38,720 pounds of

beets on an acre of ground. At 2 1/2 cents per pound, Mr. Bond will realize \$30.00 for his three rows, or \$918.00 average on an acre of ground.

First "Talkies"

Hereford takes another step forward toward the status of a metropolis when next Monday the Star Theatre of this city gives its initial showing of talking pictures, the first of entertainment which has swept the nation from coast to coast and, without which today, no community can be classed as strictly up-to-date.

During the past few weeks J. C. Parker, manager of the Star Theatre, has been supervising the installation of this modern form of movies. Tests of the apparatus show complete harmony and synchronization between the production on the silver screen and the voices of the actors and actresses

as they move through their respective parts. No one, save those fortunate enough to be present at the tests, can realize the immense forward stride in effect and interest caused by the "talkies" until they have witnessed the performance.

City hunters who get their birds along public highways have a big disappointment coming to them with the beginning of this season, for no more can they shoot along the highways. The second called session of the last legislature created one of the shortest laws on record, but it went straight to the point. Here is the way it reads: "Any person who shoots or discharges any gun, pistol or firearm in, on, along or across any public road shall be fined not more than \$100."

Personals

Making a business trip to Amarillo Monday, were Mrs. Walter London Jr., and Mrs. Roy W. Dickey.

Mr. and Mrs. Roy Dickey of Wichita Falls visited recently in the home of Mr. and Mrs. Walter London and also attended the wedding of Bobby Easter and LeAnn Lynn Bass. Bobby is a former Hereford boy, son of Mr. and Mrs. Bill Easter of Portales.

Visiting last week in the homes of Mr. and Mrs. Carl-Cockrell and Mr. and Mrs. J. B. France, were Mr. and Mrs. T. D. Cole, Mr. and Mrs. Melvin Westbrook, and Mrs. Lurtie Smith, all of Cleburne.

"Section 23. There shall be elected by the qualified voters of each county a Sheriff, who shall hold his office for the term of four years, whose duties and perquisites, and fees of office, shall be prescribed by the Legislature, and vacancies in whose office shall be filled by the Commissioners Court until the next general election."

Section 7. That Section 14 of Article VIII of the Constitution of the State of Texas be amended so as to read as follows:

"Section 14. Except as provided in Section 16 of this Article, there shall be elected by the qualified voters of each county, an Assessor and Collector of Taxes, who shall hold his office for four years and until his successor is elected and qualified; and such Assessor and Collector of Taxes shall perform all the duties with respect to assessing property for the purpose of taxation and of collecting taxes, as may be prescribed by the Legislature."

Section 8. That Section 16 of Article VIII of the Constitution of the State of Texas be amended so as to read as follows:

"Section 16. The Sheriff of each county in addition to his other duties, shall be the Assessor and Collector of Taxes therefor; but, in counties having 10,000 or more inhabitants, to be determined by the last preceding census of the United States, an Assessor and Collector of Taxes shall be elected as provided in Section 14 of this Article, and shall hold office for four years and until his successor shall be elected and qualified."

Section 9. That Section 44 of Article XVI of the Constitution of the State of Texas be amended so as to read as follows:

"Section 44. The Legislature shall prescribe the duties and provide for the election by qualified voters of each county in this State, of a County Treasurer and a County Surveyor, who shall have an office at the county seat, and hold their office for four years, and until their successors are qualified; and shall have such compensation as may be provided by law."

Section 10. That Article V of the Constitution of the State of Texas be amended by adding thereto Section 30, which shall read as follows:

"Section 30. The Judges of all Courts of county-wide jurisdiction heretofore or hereafter created by the Legislature of this State, and all Criminal District Attorneys now or hereafter authorized by the laws of this State, shall be elected for a term of four years, and shall serve until their successors have qualified."

Section 11. That Article XVI of

the Constitution of the State of Texas be amended by adding thereto Section 64, which shall read as follows:

"Section 64. The office of Inspector of Hides and Animals, the elective district, county and precinct offices which have heretofore had terms of two years, shall hereafter have terms of four years; and the holders of such offices shall serve until their successors are qualified."

Section 12. That Article XVI of the Constitution of the State of Texas be amended by adding thereto a Section 65, which shall read as follows:

"Section 65. The following officers elected at the general election in November, 1954, and thereafter, shall serve for the full terms provided in this Constitution: (a) District Clerks; (b) County Clerks; (c) County Judges; (d) Judges of County Courts-at-Law; County Criminal Courts, County Probate Courts and County Domestic Relations Courts; (e) County Treasurers; (f) Criminal District Attorneys; (g) County Surveyors; (h) Inspectors of Hides and Animals; (i) County Commissioners for Precincts Two and Four; (j) Justices of the Peace.

"Notwithstanding other provisions of this Constitution, the following officers elected at the general election in November, 1954, shall serve only for terms of two years: (a) Sheriffs; (b) Assessors and Collectors of Taxes; (c) District Attorneys; (d) County Attorneys; (e) Public Weighers; (f) County Commissioners for Precincts One and Three; (g) Constables. At subsequent elections, such officers shall be elected for the full terms provided in this Constitution.

"In any district, county or precinct where any of the aforementioned offices is of such nature that two or more persons hold such office, with the result that candidates file for 'Place No. 1', 'Place No. 2', etc., the officers elected at the general election in November, 1954, shall serve for a term of two years if the designation of their office is an uneven number, and for a term of four years if the designation of their office is an even number. Thereafter, all such officers shall be elected for the terms provided in this Constitution."

Section 13. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at a special election to be held throughout the State on the general election day of November, A. D., 1954, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing a four year term of office for elective district, county and precinct offices."

"AGAINST the Constitutional Amendment providing a four year

term of office for elective district, county and precinct offices."

SENATE JOINT RESOLUTION NO. 7

proposing an Amendment to the Constitution of the State of Texas, amending Article III, Section 51a, providing that the Legislature shall have the power to provide assistance to and provide for the payment of same to actual bona fide citizens of Texas who are sixty-five (65) years, needy blind persons over the age of twenty-one (21) years, and needy children under the age of sixteen (16) years; providing for the acceptance of financial aid from the government of the United States for such assistance; providing that the payments of such assistance from State funds shall never exceed either the payments from Federal funds or a total of more than Forty-Two Million (\$42,000,000.00) Dollars per year; providing for enactment of laws to make lists of recipients of aid available for inspection; providing for the necessary election, publication, and making an appropriation to defray the necessary expenses of proclamation, publication, and holding the election.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51a of Article III of the Constitution of the State of Texas, be amended and the same is hereby amended, so that the same shall hereafter read as follows:

"Section 51a. The Legislature shall have the power, by General Laws, to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions and regulations as may be by the Legislature be deemed expedient for assistance to, and for the payment of assistance to:

"(1) Needy aged persons who are actual bona fide citizens of Texas and who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to any inmate of any State supported institution, while such inmate, or to any person who shall not have actually resided in Texas for at least five (5) years during the nine (9) years immediately preceding the application for such assistance and continuously for one (1) year immediately preceding such application; provided that the maximum payment per month from State funds shall not be more than Twenty (\$20.00) Dollars per month.

"(2) Needy blind persons who are actual bona fide citizens of Texas and are over the age of twenty-one (21) years; provided that no such assistance shall be paid to any inmate of any State supported institution, while such inmate, or to any person who shall not have actually resided in Texas at least five (5) years during the nine (9) years immediately preceding the application for such assistance and continuously for one (1) year immediately preceding such application.

"(3) Needy children who are actual bona fide citizens of Texas and are under the age of sixteen (16) years; provided that no such assistance shall be paid on account of any child over one (1) year old who has not continuously resided in Texas for one (1) year immediately preceding the application for such assistance, or on account of any child under the age of one (1) year whose mother has not continuously resided in Texas for one (1) year immediately preceding such application.

"The Legislature shall have the authority to accept from the Federal government of the United States such financial aid for the assistance of the needy aged, needy blind, and needy children as such government may offer not inconsistent with restrictions herein set forth; provided however, that the amount of such assistance out of State funds to each person assisted shall never exceed the

amount so expended out of Federal funds; and provided further, that the total amount of money to be expended out of State funds for such assistance to the needy aged, needy blind, and needy children shall never exceed the sum of Forty-two Million (\$42,000,000.00) Dollars per year."

Should the Legislature enact enabling laws and provide an additional appropriation hereto in anticipation of the adoption of this amendment, such Acts shall not be invalid by reason of their anticipatory character.

The Legislature shall enact appropriate laws to make lists of the recipients of aid hereunder available for inspection.

Section 2. The foregoing Constitutional amendment shall be submitted to the qualified electors of Texas at a special election to be held throughout the State of Texas on the 2nd day of November, 1954, at which election there shall be printed on such ballot the following clause:

"FOR the Amendment to the Constitution giving the Legislature the power to set up a system of payments of old age assistance to those above sixty-five (65) years of age; provided that monthly payments from State funds to any one person may be in valid amounts based on need, that the maximum payment per month per person from State funds shall not be more than Twenty (\$20.00) Dollars per month; giving the Legislature the power to set up a system of payments to the needy blind persons over twenty-one (21) years of age; giving the Legislature the power to set up a system of payments to the needy children under sixteen (16) years of age; providing for the expenditure of funds from the Federal government; limiting the total amount which may be expended for such assistance out of State funds; and providing conditions as to residence within the State in order to become eligible to receive assistance;" and

"AGAINST the Amendment to the Constitution giving the Legislature the power to set up a system of payments of old age assistance to those above sixty-five (65) years of age; provided that monthly payments from State funds to any one person may be in valid amounts based on need, that the maximum payment per month per person from State funds shall not be more than Twenty (\$20.00) Dollars per month; giving the Legislature the power to set up a system of payments to the needy blind persons over twenty-one (21) years of age; giving the Legislature the power to set up a system of payments to the needy children under sixteen (16) years of age; providing for the expenditure of funds from the Federal government; limiting the total amount which may be expended for such assistance out of State funds; and providing conditions as to residence within the State in order to become eligible to receive assistance."

Section 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have the same published and held as required by the Constitution and the laws of the State of Texas.

THE NINETY AND NINE

Sheet music for the hymn "The Ninety and Nine" by D. Barrett. The music is in G major and 2/4 time. It includes a vocal line and a piano accompaniment. The lyrics are: "There were ninety and nine that slept - by day in the fold - for at the fold, Lord, Thou hast left Thy ninety and nine; And they rest a - rough for Thy - Lord, some of the rascals - or - or have - how deep were the waters that they - Lord, where are those head - drops all the way? That mark out the mountain's track? D. But all the mountains, thunder - or - and - up from the rock - y crags, But one was out on the hills a - way, Far off from the gate of the fold, And the Shepherd made an - o - ver: 'This of mine has wandered a - way from me, Nor how dark was the night that the - and - and then' For He found His sheep that was - They were lost for one who had gone - away, For the Shepherd could bring him - There a - rose a great cry to the gate of sheep, 'He - just! I have found my gold - A - way on the moon - tain wild and lone, A - way holds the way, And, al - though the road - is rough and stony, I - go to the fold, Out in the dark - est he heard us cry, 'Sick and weak, 'Lord, where are Thy kind - ness and love?' 'They've given to - the - Lord, And the - an - gel - a - round the throne, 'Be - just! for the Lord - the Shepherd's care, A - way from the sun - der - the Shepherd's care, - not to - find my sheep, I - go to the desert to find my sheep, - and ready to die, - sick and broken, and ready to die, - by many a - chere, They've given me - night by many a - there, - Lord, bring back His own! Be - just! for the Lord brings back His own!"

"THE LORD IS MY SHEPHERD; I SHALL NOT WANT." Of course that is one of the high faiths of all literature. We know that we can depend upon the Good Shepherd. Though the night be dark and the way rough and thorny, He will leave the 'ninety and nine' and go after the lost one. *That gives every one of us a sense of worth and a basis for hope.*

THERE is the opposite side of our faith. We must know the Shepherd's voice. Do we listen for the voice of Him who can be trusted or to the voice of the obstructionist? *Lukewarm church people* have allowed the worldly to criticize churches, advertise vice, ostracize preachers, minimize righteousness and practically idolize the ungodly. *Our Shepherd expects us to be faithful ... to go out after those who have wandered, those who have no church home.*

Then when storms break upon us, when we cannot see the way... even then we ... and "My Sheep Know My Voice and They Follow Me."
