POWER COMING INTO this substation, last one energized on the Deaf Smith County Electric Co-operative system, could burn up every electrical appliance in farm homes using co-op power unless it was "stepped down", first through the big transformers shown here, and later through smaller transformers. Actually, most of the power from this substation will go

to power motors connected to irrigation well pumps in the shallow water district. Leo Forrest, left, co-op manager, and Roland Emerson, outside superintendent, are shown looking over some of the equipment which controls the flow of power through the substation. (Staff Photo)

Two Persons Fatally Injured In Accident

A mid-morning trip to a rural mail box ended tragically Tuesday when three persons were injured, two fatally, when the car which they occupied rolled over following a blowout.

The accident occurred shortly after 10 o'clock when Mrs. V. E. Waldrop, 37, Hereford Route 5, her daughter, Linda Marie Davis, 6, and her brother, Paul A. Zehringer, 34, were driving north on a county road some 10 miles west and three miles north of Hereford. Linda Marie Davis was dead on arrival at Deaf Smith County Hospital, and Zehringer died about 2:25 o'clock Tuesday afternoon. He never regained consciousness after the accident.

When a tire blew out on the 1935 Chevrolet coach which Mrs. Waldrop was driving, the car slewed around in the road, then rolled completely over, finally landing right side up in the ditch on the west side of the road. Zehringer was thrown from the car, and was found lying about 40 feet from where the vehicle came to rest.

Harvest workers in a nearby field saw the accident and hurried to the scene. They found Mrs. Waldrop lying by the left rear wheel of the battered car, holding her daughter on top of herself.

Mrs. Waldrop received only minor injuries. She was hospitalized for observation and to receive treatment for shock.

The Highway Patrolman who investigated the accident said there was no way of telling just what was going on at the time the blowout occurred.

Sheriff Lowell Sharp and Deputy Sheriff Neal Young accompanied the Highway Patrolman to the scene of the accident and helped in getting the wreck victims into the ambulance. Gilliland Funeral Home ambulance took the injured to the hospital.

A LITTLE GIRL and her uncle died as the result of the turn-over of this 1935 Chevrolet coach Tuesday morning on a dirt road 10 miles west and three miles north of Hereford. The pillow at left marks the spot where Paul A. Zehringer, 34, was lying when the car

stopped. Mrs. V. E. Waldrop and her daughter, Linda Marie Davis, 6, were lying by the left rear wheel of the car. Mrs. Waldrop was released from the hospital Wednesday morning. (Staff Photo)

Bootlegger Given Fine, Jail Sentence

Selling whisky in a dry county, and to none other than an agent of the Texas Liquor Control Board, has cost Sammy Spencer, Hereford Negro, at least 30 days of his time. He has also been fined \$100 and costs of court.

Spencer, against whom the charge was filed on May 17, appeared before Judge Horace L. Schloss in County Court Tuesday and entered a plea of guilty.

In testimony given by Sheriff Lowell Sharp, it was brought out that Spencer was given \$5 by the Liquor Control Board agent, and in turn handed over a pint of whisky. The purchase was made near Packard Milling Company.

Spencer had been placed in the custody of the sheriff, but had made bond and was out on bond until the time of his trial.

A second case against Spencer, in which he is charged by information with possessing liquor for sale in a dry area, is still on the docket. Both cases were filed about the same time.

REA Completes Last Substation

Last week the tenth substation to go into operation on Deaf Smith County Electric Co-operative lines was put into operation, completing the major part of a program which is expected to meet normal growth needs in this area until at least 1957, according to Leo Forrest, co-op manager.

Substation No. 8, as it was designated, was the sixth substation set up to serve the shallow water irrigation belt, and all six are within an approximate 15 mile radius of Hereford. As soon as the work of tying the new station into the others can be completed, all of the six substations will be phased together, and it will be possible for co-op workmen to shift the electrical load from one substation to another, if the need arises, without irrigation farmers ever knowing that any change has been made.

To make this possible, there will be 34 loops tying the substations together, with a network of electrical cables crossing the county.

In addition to the six big substations, all of which handle three-phase current, there are four single phase substations which are not connected to any irrigation wells at all, but instead supply electrical service to farm and ranch homes.

Completion of No. 8 substation also allowed Forrest, and others

responsible persons in the co-op to draw a deep breath of relief, for it is the first time since 1945 that the co-op electrical system has not been overloaded at some time during the year. At one time last summer, the substation out toward Amarillo was carrying a 60 percent overload, and it was necessary to cool the transformers with a spray of water.

About the same time substation No. 4, five miles south of Hereford, was 30 percent overloaded. The overloads were caused by a factor which couldn't be anticipated, and was probably brought on by the drought. Normally, out of 100 wells being pumped with electrical motors, only 80 will be working, but last August 96 out of every

100 wells being pumped with electrical power were operating.

Though orders were already in for the last two substations to go into operation, the delivery and actual construction were still nearly a year away, but they will both be ready to handle their full load during the peak months this summer.

As big as the substations are—No. 8 handles 3,750 KVA—they still do only part of the job of stepping the current down from the tremendous voltages which are needed to push it over the long miles from the generator stations. Substations cut the voltage down from 9,000 volts to about 13,000 volts on a three-phase line, or 7,200 volts

(Continued on Page 2)

Around Town

Dr. A. T. Mims, who had been planning for months on making a canoe trip through the north woods and into Canada with a bunch of Explorer Scouts, has found that he must cancel his part of the trip at the last minute. However, he has asked that his name be put down for the trip next year.

Hereford citizens who took up a donation to help get a donated barracks building from Dumas to Boys Ranch can see pictures of the moving job over Bill John's show on KGNC-TV at 5:45 o'clock this afternoon, according to word received from Cal Farley.

A severe storm, which began pelting Hereford with big rain drops about 2:10 o'clock Wednesday afternoon dropped .25 inch of moisture in just about 15 minutes, then quit almost as suddenly as it had begun.

An estimated 4,000 people were present in Veterans Park Sunday night for the July Fourth fireworks display.

Pictures of the Rocky Marciano-Ezzard Charles fight are being shown at the Star Theatre Friday and Saturday as an added attraction. Some of the movies are in slow motion. The entire film lasts for 19½ minutes.

Due to the absence of one city commissioner and City Manager Cecil Massey, the regular City Commission meeting Monday night was held only long enough to ad-

(Continued on Page 2)

Graveside Rites Scheduled Today For W. D. Bowen

Burial rites for W. D. Bowen, 83, a former Hereford resident, will be conducted here in West Park cemetery at 4 o'clock this afternoon. The body will lie in state at the Gilliland Funeral home until 3:30 o'clock. Rev. Howard Scott, pastor of the First Baptist Church will be in charge of the service.

Bowen died July 5 at the home of his daughter, Mrs. W. R. Campbell, in Denton following a prolonged illness, and funeral services were conducted Wednesday in the First Baptist Church at Denton.

Bowen was engaged in farming in the Fairview Community in the early 1920's. After his wife's death in 1928 he made his home here with his daughter, Mrs. L. L. Womble, until 1942 when he moved to Denton to make his home with Mrs. Campbell. In 1944 he married Mrs. Beth Reed and they made their home in Slidell until the time of his illness.

Besides his wife, he is survived by three daughters, Mrs. W. R. Campbell of Denton, formerly of Hereford; Mrs. L. L. Womble, and Mrs. A. R. Posey of Big Spring. Two sons, C. B. Bowen of Leveland and J. E. Bowen of Phoenix, Ariz., 15 grandchildren and eight great-grandchildren. Mrs. Worth Covington of Hereford is one of his granddaughters.

WHEN THE FUSE SPUTTERS on one of the big aerial rockets, it is time to start moving out of that immediate vicinity, which is exactly what Bill Howard, left, and George Loerwald were starting to do Sunday night when this picture was snapped. Jaycees did all the work of setting off the Fourth of July fireworks display in Veterans Park. (Staff Photo)

Stalled Car Hit By Switch Engine

Stalling of a car on the railroad crossing and an intersection collision resulted in approximately \$285 damage the first part of this week.

About \$225 damage was done Monday afternoon about 12:30 o'clock when a 1953 Ford driven by Mrs. Dora Casanova stalled on the railroad crossing at Highway 60 and was struck by a Santa Fe switch engine.

Mrs. Casanova was going south on Highway 60 when the car stalled on the railroad tracks. She saw the switch engine coming and, since the car would not start, she and the children got out before the engine collided with the left front fender and door of the car. B. E. Donelson was engineer of the switch engine.

Tuesday afternoon about 6:50 o'clock approximately \$60 damage was done to a 1950 Ford and a 1949 Chevrolet pickup when they collided at the intersection of Second and Sampson Streets.

Horace C. Herring, driving the Ford, had stopped at the intersection. According to police reports he was blinded by the sun and could not see oncoming traffic. Mrs. Alton Monroe, driving the pickup, was in the center of the intersection when the Ford

crossed on and the two vehicles collided.

About \$10 damage was done to the Ford and about \$50 damage was done to the pickup.

Herring was charged with failure to grant the right-of-way.

Firemen Leaving Friday For School At Texas A&M

Four Hereford firemen will attend a five day firemen's school at Texas A&M next week.

Fire Chief Earl Phillips, Fire Marshal Clay Angelo, Glenn Witherspoon and Bill Bradley will leave Hereford by car Saturday afternoon, spend the night somewhere en route, and reach college Station Sunday afternoon in time to register for the school.

Starting Monday morning, the four men will take five days of intensive training in fire prevention and fire fighting. At the close of the school Friday afternoon, they will start the return journey to Hereford.

After another night spent some where en route, they will arrive

(Continued on Page 2)

Hereford Riders Took Part In Amarillo Parade

Thirteen members of the Hereford Riders Club participated in the Will Rogers Range Riders parade and rode in the grand entry at the rodeo at Amarillo Saturday night.

Following the rodeo they were guests of the Range Riders at the club house.

Others participating in the parade were the Top O'Texas riders from Pampa, the Tullia Roping Club, Hale County Sheriff Posse and the Range Riders. There was no judging in the parade.

Hereford Roping club members practice every Wednesday night and Sunday afternoon. The public is invited to watch any of the practices. The square dancers have been practicing every Thursday night and usually Tuesday night.

Riders were to vote Wednesday night about whether or not to attend the Oldham County Old Settlers Reunion, at Vega August 7. It had originally been scheduled for July 17.

Car Stolen Here On Tuesday Night

A car belonging to Martin Reed Moore, son of Mr. and Mrs. Troy Moore, 203 N. Gough, disappeared from in front of the Moore home sometime between 11:30 o'clock Tuesday night and 6 o'clock Wednesday morning.

At noon Wednesday, no trace of the light green, 1950, two-door Chevrolet sedan had been found. Normally, the keys were not left in the car, but Friday night Martin did leave the keys in the vehicle, it was reported.

Services Held Sunday For Hermia Trevino

Graveside services for Hermia Trevino, 25½ Mile Avenue, were held Sunday with Father Raymond Gillis officiating.

Hermia was born last Friday at Deaf Smith County Hospital and died Saturday afternoon.

She is survived by her parents, Mr. and Mrs. Tito Trevino; one brother, one sister and grandparents.

Burial was at St. Anthony's Cemetery.

Wreck Victims Funerals Planned

Funeral services for Linda Marie Davis, 6, and her uncle, Paul Albert Zehringer, 34, will be held at 10 o'clock Friday morning in Rose Chapel with Kendon O. Anderson officiating.

Both Linda Marie and Zehringer were victims of a car wreck Tuesday morning about 10 o'clock near Westway. Linda Marie died before reaching the hospital and Zehringer died about 2:30 o'clock Tuesday afternoon at Deaf Smith County Hospital.

Linda Marie, daughter of Mr. and Mrs. V. E. Waldrop, was born January 3, 1948 at Seattle, Wash. She is survived by her mother and step-father.

Burial for Linda Marie will be Friday in Llano Cemetery at Amarillo under the direction of Gilliland Funeral Home.

Zehringer was born in Amarillo Nov. 18, 1919. During World War II, he went into service, and went to North Africa as an Army Postal Clerk.

Ribbioned Veteran
He was entitled to wear the Asiatic-Pacific Theater ribbon with bronze stars for the China Campaign, India-Burma campaign and the Air Offensive on Japan. He also had the American Theater service ribbon, European-African-Middle Eastern Campaign ribbon, and the Good Conduct medal, and the World War II Victory ribbon.

Zehringer was sent to North Africa, and served for a number of months there, and was, apparently, attached to the 20th Bomber Command, whose B-29's bombed the Japanese mainland from flying bases.
He is survived by his sister and by one son.

Zehringer is to be buried in West Park cemetery under the direction of Gilliland Funeral Home.

Women To Attend WMU Conference

Thirteen women from the First Baptist Church were expected to leave this morning for Giorletta, N. M., to take part in a conference on Women Missionary Unions of the Baptist Churches. They plan to return to Hereford Wednesday.

Those attending are: Mrs. Clarence Schultz, Mrs. George Graham, Mrs. A. O. Thompson, Mrs. S. B. McLellen, Mrs. Owen Stanner, Mrs. G. P. Owen, Mrs. J. B. Harlin, Mrs. Jack Robinson, Mrs. Bobby Owen, Mrs. W. E. Sparks, Mrs. Dean Herring, Mrs. Troys Riddle, Mrs. W. J. Doss.

A PRIZE FOR ALMOST EVERYTHING was handed out at the Westway party the night of July 3, when the people of that area gathered at the Merlin Kaul home for a picnic supper, home made ice cream and an opportunity for the youngsters to shoot their fireworks. Shown from left, front row are: Mrs. Frank Neill, oldest guest; Susan Rudd, held by Joaquin Rickman, youngest guest; Ann Dyer, prettiest girl; Mrs. W. W. Cummings; Mrs. Joe Landers, fattest woman; Jack Colville,

guest from the farthest distance away; and Austin Corbin. Back row, from left, are: Mrs. Zona Turner and Mrs. J. C. Morrison, who had the largest families; John Burns, elected ugliest boy; Mr. and Mrs. W. W. Cummings, most recently married; Preach Merritt, thinnest man, and Mrs. C. A. Saulcy, who was in charge of that part of the entertainment. Bob Phillips, given a prize, for having the longest nose, is not shown. (Staff Photo)

REA.....

(Continued from Page 1)
on single phase, and that voltage is cut again by other transformers nearer to homes and irrigation wells.

The higher voltages are needed to push the power over the miles just as high water pressure is needed in city pipelines to carry the water to individual faucets over the city.

During the last 12 months, the co-op has spent approximately \$500,000 adding transmission lines, replacing light lines with heavier lines, adding new members, and putting in new substations. The two substations cost only \$132,000 out of that total.

Forrest says that the co-op has about reached area coverage, so that only a few isolated rural homes are still without electricity. Since 1945, the load handled

through co-op electrical lines has increased more than eight times. Now, the co-op will spend more time in handling other work which might be considered as consolidating its gains, and keeping up with the current problems of operating the system.

Emerson Roland, outside superintendent for the co-op, says that there are very few weekends when some sort of trouble doesn't develop along the co-op's lines, regardless of how fair the weather may be, and there is certainly enough in between weekends. Whatever the trouble, whether a stray cat which somehow gets into a transformer or some other unexpected thing, co-op workmen are unlikely to find themselves with much time on their hands in the near future.

4-H Leaders Plan For Rally Day

Deaf Smith County 4-H Leaders Council met in regular session at 3:15 o'clock June 29 in the County Courtroom with the chairman, Mrs. C. F. Homfeld, presiding.

The meeting opened with the chairman leading the pledge and motto. Roll was called by Mrs. J. E. Dyer, Secretary. Minutes of the previous meeting were read and approved.

Mrs. Ira Ott, chairman of Bake Show committee, reported results of the County Bake Show held June 18. Suggestions for improvement of 1955 County Bake Show were submitted by the Council. Mrs. Ott reported that 37 girls entered; 105 baked products exhibited. Patsy Dawson, District Camp Delegate, reported on her trip to camp May 21 - June 2.

Mrs. J. E. Dyer, chairman of Rally Day committee, offered suggestions to the Council for the Rally Day program to be held in July. The Council agreed to have as the program for Rally Day: Repairing of electrical cords, safe use of electricity, recreation, stargazing and nature study.

Mrs. Ed Dziuk, Mrs. Ira Ott, and Mrs. M. H. Wiseman volunteered to serve as the Foods Committee for Rally Day.

The date for Rally Day was set for July 23 at the Veterans Club House.

Mrs. C. F. Homfeld and Miss Loyce Avant were appointed by the committee to direct the Nature Study at the Camp. Miss Avant will lead the stargazing study following recreation.

The following 4-H leaders were in attendance: Mrs. Ira Ott—Happy Homes 4-H; Mrs. C. F. Homfeld—Caprock 4-H; Mrs. J. E. Dyer—Jolly girls 4-H; Mrs. Elvin Wilson and Mrs. George Turentine—Sadie Lee Oliver; Mrs. Paul Corbett—Workers; Mrs. M. H. Wiseman (in absence of Mrs. Dziuk)—Junior County-Wide 4-H; Argen Draper, County Home Demonstration Agent; Miss Loyce Avant, assistant County Home Demonstration agent; Pat Dawson Happy Homes 4-H; and Donna Guseman, Walcott 4-H.

A Clothing Demonstration on "Grooming" was given to 4-H leaders on June 29 by Miss Loyce Avant, in the County Court room. This demonstration was training for leaders' program to 4-H Clubs this month.

The demonstration covered the following things: Care of the hands, care of the hair, correct posture and choosing and caring for accessories.

Q. What can I do about my hair, which has split ends?
A. The ends of the hair, being far from the oil glands, are often quite dry and inclined to split. Brushing will distribute the oil along the hair shaft and help keep the ends soft, as will the daily application of a little brillantine. Every two weeks or so, you might have your hair trimmed and get rid of the unsightly split ends.

Q. How can I treat blackheads and enlarged pores in my skin?
A. You must be extra - conscientious about washing your skin at least twice daily with soap and water, and scrub it well. It is thorough cleansing and stimulating of the skin that discourages blackheads and enlarged pores.

Q. How can I, with my makeup, help camouflage facial freckles?
A. A darker shade of face powder blended with the freckles, helps.

Summerfield, Rutherford's Tied For Second And Third

By Billy Paul Knox

LED by the three-hit pitching of Don Morgan, Piggly Wiggly upset Summerfield 6-4 in the second game of a double header Tuesday night. Hotel Jim Hill kayoed the Road Knights by a 13-2 count in the first game.

Summerfield and Rutherford's are now tied for second and this with Hotel still holding firmly. Piggly Wiggly and the Road Knights are in fifth and sixth. The afterpiece was close all the way. Piggly Wiggly took a three run lead in the first inning and never relinquished it. They supplemented it with two in third and one in the fifth.

Winning pitcher Morgan gave up four runs on a scant three hits, and five walks. He whiffed six. Jack Clark is the loser. He pitched five innings surrendering six runs on 13 hits, two walks and two strikeouts. Bob Clark pitched the final inning, giving up nothing except two walks and striking out two.

Two of Summerfield's hits were extra base blows, both going four doubles. Two doubles and a triple were accumulated by Piggly Wiggly.

Summerfield was shut out for the first two innings but Piggly Wiggly opened, scoring with three runs in the first. They collected the tremendous total of six hits in this inning, twice the total gathered by Summerfield in the whole game. Summerfield tightened the game up by notching two in the third. A walk, a hit and a fielder's choice scored the run.

Piggly Wiggly matched this total in the last of the third, making the score 5-2. Homer Hershey tripled with two mates aboard for the fifth with their final run in the fifth. Piggly Wiggly scored on Morgan's double.

Summerfield closed the scoring with two in the sixth. They garnered the runs on one hit, two walks and an error.

Jack Clark led Summerfield with two hits. Bud Pickens, Ray Dement, Joe Kerr and Dick Axe each punched out two hits a piece to take batting honors on the Piggly Wiggly team.

Hotel Jim Hill picked up their ninth straight victory by wrecking the Road Knights 13-2.

Jim Hill hit Tommy Albracht for 10 hits. He walked six and struck out five. The Road Knights managed only five hits off Blue Turpin, who walked two and fanned one.

Both teams were held scoreless in the first inning but Hotel Jim Hill took a two run lead by scoring two in the second. They collected two walks, a double and two triples in this inning.

After the Road Knights were again held scoreless in the third, Jim Hill had their big inning. Eight big runs crossed the plate on four hits. Albracht gave up three bases on balls and the Road Knights made four errors behind him.

In the top of the fourth the Road Knights pushed across their only two runs. After Delton Cochran had been gifted with first by way of an error, Everett Allen scored him with a double. Tony Urbanczyk drove Allen across with a single for the final run.

Hotel Jim Hill rounded out the final score of 13-2 by scoring three in the last of the fourth. They got a walk, three hits and the Road Knights made one error.

Tony Urbanczyk led the Road Knights with two hits. Blue Turpin, Cook and John Renner each garnered two hits to pace Hotel.

Washes and completely dries clothes
In One Continuous Operation

And...GAS has got it!

Whatever your laundry needs are — Gas has got it! There are over 20 gas clothes dryers on the market today. You are sure to find one to meet your needs. Be sure to look for the "Blue Star Seal of Approval" on the dryer you buy. This seal means the appliance has been tested and approved by the American Gas Association testing laboratories. It is your assurance that you are buying the best. See these modern — and completely automatic — gas dryers at your dealer's today.

Illustrated above is a Bendix Gas Duomatic washer-dryer all-in-one unit. This unit washes and dries clothes in one continuous operation. This unit fits in a 36 inch space.

Pioneer Natural Gas Company
FUEL FOR A GROWING EMPIRE

CHIP SHOTS

By Bud Pessey

Clovis, N. M., golfers will be here Sunday for an intercity match with Hereford's golfers over the sporty local layout. Starting time will be 12:30 o'clock Sunday afternoon.

All golfers desiring to play in the matches should turn their names in to the Pro Shop by 9:30 o'clock Sunday morning.

There will be a putting tournament Friday night, commencing at 8:30 o'clock. There will be a Men's Division, Ladies' Division and Kid's Division. Entry fee will be 50 cents, with golf ball prizes being awarded the winners in each division. Play will be over 36 holes of medal play.

The golf course is in fine shape.

Carlson-Murdock Fued Continues Here Saturday

Cowboy Orv Carlson and Frankie Hill Murdock continue their hot wrestling feud at Hereford's Bull Barn Saturday night. The two rough gents may be expected to put on quite a duel this time.

Their match is the top section of a double main event.

In the first part of the twin feature, Bob Cummings, the home town boy, meets squat, heavy, tough Con Bruno, the Greek from Brooklyn.

Each battle is set for two out of three falls or to a one-hour time limit.

Both Practice In Open
Murdock and Carlson have at least one thing in common — they come from the wide open spaces and they still practice in the agricultural field.

Carlson, owner of many rodeo trophies, still "keeps in shape" by competing in rodeo shows. He brings at least one feature of the work into the ring with him — the "bulldozing" or "hoolihan" hold, with which he wins many falls.

Con Bruno, the transplanted Athens, Greece, athlete, has been looking much better since recovering from a serious knee injury inflicted by Dory Funk. Although Cummings will enter the ring as a slight favorite, the big Hereford tax payer will be hard pressed all the way.

so if you are not getting to play much, come on out after 6 o'clock in the afternoons after you get 'till work. That's the best time of day to play, anyhow.

Frio News

By Mrs. Owen Andrews

Frio Women's Missionary Union met Tuesday in the home of Mrs. Carlton Dobbins for a missionary program. Missionary work in Formosa was the subject of discussion. Mrs. Carlton Dobbins, Mrs. Frank Robbins, Mrs. Lyla Robbins and Mrs. H. D. Robbins were on the program.

Others present were Mrs. E. H. Little, Mrs. D. W. Ward, Mrs. H. M. Mobley, and Mrs. Owen Andrews. The Sunbeams met with Mrs. Edgar Vinson and Misses Veradelle and Frances Andrews helped entertain them. Sunbeams present were Peggy and Becky Little, Carol and Stevie Robbins, Edlana and Sammie Ann Vinson and Judy Ward.

Birthday Picnic

Friday night a joint birthday picnic was held by a large number of relatives and friends. The occasion honored the birthdays of J. E. Andrews, his brother, Fred Andrews of Melrose, Mrs. D. O. Benson and Mrs. Jerry King of Lubbock. Picnic food, cold drinks and ice cream were served at Dameron Park in Hereford.

Present from out of this community were Mr. and Mrs. Fred Andrews of Melrose, Mr. and Mrs. Ralph Hart of Melrose, the daughters of the Harts from Clovis, N.M. Mr. and Mrs. Roscoe Burris and children of Texico, Mrs. Alma Spruill and Ilene of Loco, Okla., Mr. and Mrs. Jerry King and David of Lubbock, Mr. and Mrs. Joe Benson and Susan of Dimmitt, Billy Gene Ballard, a Navy man whose home is in Amarillo, Mrs. Wiley Littrell of Orange, Calif., Mr. and Mrs. Charles King of Amarillo and Mr. and Mrs. Wiley Andrews of Melrose.

Mrs. Alma Spruill and daughter, Ilene, of Loco, Okla., arrived Friday night to spend several days visiting in the home of her brother, J. E. Andrews, and other relatives.

Mr. and Mrs. Howard Dowdy and daughters of Washington, Okla., visited several days in the home of Mr. Dowdy's sister and family, Mr. and Mrs. Leonard Irwin. They brought Velma and Winnie Jo Irwin home after they had visited two weeks with them and other relatives at Washington and vicinity.

Clark and Glenn Andrews, Joe Ed Andrews, Jerry King, Franklin and Charles Springer were in Pampa Sunday.

En Route To Montana

Mr. and Mrs. Lee Johnson of Seminole visited in the home of Mrs. Johnson's mother last week on their way to Montana for a visit with Johnson's relatives. Mrs. H. M. Mobley is Mrs. Johnson's mother.

A YWA was organized at a meeting in the home of Misses Frances and Veradelle Andrews Monday afternoon. Officers elected were: Tawana Thompson, president; Velma Irwin, mission study chairman and vice president; Virginia Brock, secretary treasurer; Veradelle Andrews, community missions chairman; Frances Andrews, devotional chairman; Mrs. D. W. Ward, social chairman and counselor. Meetings will be held the second and fourth Tuesdays of each month.

Mr. and Mrs. C. N. McClure were called to Fort Worth Tuesday following the death of McClure's brother, Will McClure. Will McClure visited his brother here for several days last summer.

Mr. and Mrs. H. E. Lindley were visiting his brother, George Lindley, and family in Amarillo over the weekend.

Frio Boy Scouts played Summerfield boys at the ball ground on the highway Saturday afternoon. They lost 11-10. Both teams played with enthusiasm and good sportsmanship.

Adults from here watching the game were: Leonard Irwin, Howard Dowdy, Henry Dobbins, Lester Irwin, Mr. and Mrs. Owen Andrews, Frances and Veradelle Andrews, Walter Hodges and Victor Martinez. Boys who played were Tommy Green, Glenn Ray Green, Pat Robbins, Bob Irwin, Larry Dobbins, Joe Ed Andrews, Jerry Hodges, Dennis Hodges, Jerry Roberts and Charles Roberts. Their leader is Rev. D. W. Ward. The Summerfield leader is Rev. Don Larkin.

SAVING GALORE AT THOMAS FOOD STORE — WE GIVE S & H GREEN STAMPS

If you see an old boy with a pronounced limp, a complexion the shade of a fresh cooked beet, and a dyspeptic disposition that might be improved with a good case of stomach ulcers, don't criticize him without a thorough investigation. Chances are he is a dotting dad who has been reading books of modern parenthood.

Truth of the matter is, he doesn't even have to read the books. These modern kids, it seems, are doing a pretty good job of bringing up the fathers. What I am talking about is some 25 to 30 dads who took their sons on a Cub Scout camping trip over the long weekend. Cub Scouting, as you already know if you have a son in the organization, requires quite a bit of co-operation on the parents. One of the rules on the annual July 4 outing is that a Cub is eligible to attend the camp, only if accompanied by his father or some substitute adult. Last year, the camp lasted one night and the following day. This year, due to the holiday Monday, it was stretched into two nights and three days.

The kids stood the ordeal fairly well, but some of the dads are in questionable condition. Several druggists were called out Monday for emergency supplies shortly after the group got back to town around 4 o'clock. Some of these old boys aren't so tough as they used to be, it seems. Toots Pittman, for instance, was sunburned so badly that he had to open up a drug store for relief — and the fellow hardly got back home before he got an emergency call from Doc Kirby. I didn't hear from John Kelly, but he is bound to have called someone. John had on a pair of pink swim trunks — but he was blistered to such an extent you couldn't tell where the trunks started or stopped. W. E. Uselton was another fellow who was roasted plenty.

These guys already hate me. The reason is that we had some company coming Sunday — and I left after only one night. So did Ansel McDowell. I think they were just jealous, but Bill Patton and Bartley Dowell said some pretty nasty things about us. I'll admit, however, that I was glad to have a legitimate excuse.

The first day and night were wonderful — and that's all I know about. Some of the Navy boys learned about Panhandle nights, though. Richard Winget and Don Henslee were bragging all afternoon about the warmth of those thin navy blankets. Next morning, Don and his son, Donny, were cuddled up on one cot. Richard had deserted his cot for the questionable comfort of the bunk seen in his car.

They did have the overall deal worked out pretty well. The cooking detail included Roy Sheppard, Peevee Morris, Dr. Carl Stapp and several others. They did a swell job. The only trouble with sleeping the first night was a constant din of chatter and flickering flashlights. The men who stayed over said they had no trouble along this score the second night, however. The boys dropped right off to sleep. Another difference was that they got up at 5 o'clock Sunday morning, but had to be prodded awake around 7:30 Monday morning. Les Combs is another guy who is after me. He kept pointing a camera in my eye — and threatening to expose me in the Brand.

Jiggs Hudson is the one who knows how to handle boys, though. Jiggs told them to get their towels and bathing suits, then called them all together. "When these grounds are picked up, including every scrap of paper, we will go swimming," said Jiggs. You never saw so many boys work so hard; each had a swimming suit and towel under one arm and the other loaded with paper cups, scraps and other trash.

I can understand how Paul Conway and "Buck" and those other sure enough Scouters can take this three-day business. It's fine for the boys, but someone needs to think about the dads. Most of these old boys could use that extra day to recuperate at home. I am just throwing in this plug on account of the Fourth of July will come on Monday next year — and I might not be so fortunate as to have company the final day. Already I have used one bottle of liniment. Besides, I don't want my bald head blistered like John Kelly's.

I still say raising kids is plenty tough these days. However, Joe Smith says this "Camping Phase" isn't bad at all. "Just wait," says Joe, "until they get a little older. Then you get into the 'Hot Rod Phase' — and if you think that's bad, Brother, just stop and think about when they start having girl troubles." Maybe he is right, but I can't see how it makes too much difference. When you can't sleep you just can't sleep — regardless of whether it's from worry, or from a bad case of sunburn.

Speaking of swimming, a lot of people over the country are building their own neighborhood swimming pools. Around 250 to 300 families go together, each put in \$100 to buy stock, which finances building of the pool. Afterwards, they pay \$10 a year each in dues, which operates the pool. The deal is spreading over the larger cities and into some of the smaller towns especially where they do not have city pools. Also in cases where Negroes have gone into public pools. It's a sort of country club proposition on a small scale.

I was in Decatur, Texas, a few weeks ago and was interested to learn that the Decatur School District built the swimming pool there. They also operate the pool and give lessons. Everyone seemed to think it was a pretty good deal. Decatur, it seems, has been yelling for a pool for years, but never could handle it on a city-wide basis. Finally, the school board took the bull by the horns and built the pool on the school grounds. Operation is similar to that of city pools over the country with entrance fees, regulations and the like.

Also saw some color TV in Fort Worth while attending the Texas Press meeting. The sets seem to run small — around 12 1/2 inch screens — and cost from \$1,000 up. Besides, the programs are rare indeed. Personally, I doubt if it will ever spread like regular TV. Anyway, I think it will be a long time and, then, only after tremendous improvements are made along with some short cuts in broadcast and receiving costs.

I had a nice letter from Curtis Sterling, who publishes the Brownfield paper. Curtis says that Buddy Teague and Clyde Truly, the boys who recently bought Kinsey Motor Company, are "tops." He says they are both fine men, have wonderful families — and are outstanding citizens.

Another newcomer to Hereford is Ernest Bostick. He and Mrs. Bostick come from Hale Center, where he has been handling Buick sales. Mr. Bostick is associated with Wallace Buick Company in the sales department. It seems to me that a fellow who had been selling cars very long would know that a newspaper man is the poorest prospect in the world for a cash sale — but Ernest sure is on the ball.

Meanwhile, things are picking up. They sure are. The time is just about ripe for my "More in '54" campaign to get rolling. I would just like to say "good-bye" to the grain harvest starts watch out! This will be the biggest grain sorghum year in the history of this county. The freeze and the hail upset my hope on the wheat crop — but the potatoes are doing air is better. I am also looking for big things from lettuce this year. My ace in the hole, though, is grain sorghums. This is the one factor that will mean "More in '54." Wait and see.

Personals

Mr. and Mrs. Donald Hawkins of Fort Worth and Mr. and Mrs. Barry Wheelless and children and Ronald Hawkins of Amarillo were in Hereford to visit their mother, Mrs. D. W. Hawkins, over the fourth of July weekend. Mr. and Mrs. Hawkins were enroute to Colorado on a vacation trip.

Mr. and Mrs. L. C. Thomas returned Friday from a 10-day vacation trip to St. Louis, Mo. While there, they were guests of his brother, Rev. J. E. Thomas, pastor of the University Methodist Church, and his family. While in St. Louis, Thomas attended the Eighth reunion of the 45th Seabee Battalion, and Mrs. Thomas attended the National Biennial Convention of the Federation of Business and Professional Women's clubs.

SECTION TWO

Programs On Frozen Foods Complete Summer Schedule

The way foods are processed for freezing may have all to do with whether the frozen products will be popular with the housewife. Accepted methods assure a quality product and save food and usually time for one doing the freezing.

Most of the clubs have finished their programs on frozen foods and will not meet again until September.

Clubs reporting meetings for the latter part of June are:

West Hereford
Mrs. P. H. Luck was hostess to the West Hereford Home Demonstration Club on June 22.

Argen Draper, County Home Demonstration Agent, gave a demonstration on frozen fruits and vegetables.

Visitors were: Mrs. Jack Robertson, Mrs. Virgil Dodson, Mrs. Robert Boyd and Mrs. W. H. Waters.

Members attending were: Mesdames Ida Mae Vaughn, Vern Witherspoon, Roy Boyd, Edna Bowe, Carlos Vaughn, N. D. Hood, Miss Evelyn Bell and Mrs. Luck, the hostess.

A luncheon meeting will be held in the home of Mrs. Vern Witherspoon on July 13 at 1 o'clock but a regular meeting will not be held again until September.

Bippus
The Bippus H. D. Club met in the home of Mrs. J. G. Fortenberry on June 23 with Mrs. Roy Neaves as co-hostess.

Mrs. Elmo Hall, president called the meeting to order. Roll call and minutes were read by Christa McGee.

(Continued on Page 3)

MRS. G. E. MULLINS, left, was honored at a coffee by members of the H. D. Choral club which she has directed for the past year. Mrs. Taft McGee is shown with Mrs. Mullins. Mrs.

T. J. Parsons is seated at the coffee service. The entertainment was held at the country home of Augustine Gregory, who is a member of the chorus. (Staff Photo)

MRS. E. M. COX arranged the centerpiece for the serving table. It was made up of an ivy planter in the form of a grand piano and a miniature director made by Mrs. Cox and

presented to Mrs. Mullins with the handkerchief shower which was given the honoree by those attending. Mrs. Mullins is leaving to make her home in California. (Staff Photo)

Demonstrations Given On Grooming, Underarm Seams

By the time the 4-H girls have completed their program on sewing they should be able to enter garments in the Dress Revue which will give the judges a big job in determining the winner.

Recent demonstrations on clothing given the girls by their leaders include "grooming" and "sewing an underarm seam."

Clubs reporting meetings last week were:

Caprock
The Caprock 4-H Club met in Adrien School on June 16 with Cynthia Kromer as hostess.

Cynthia, who is president, called the meeting to order and Etta Rav Blalock called the roll and read the minutes of the last meeting. Mrs. C. F. Homfeld, leader, gave a demonstration on putting in sleeves, attaching a collar and sewing underarm seams.

Some work on record books was discussed. Members present were: Glenda Homfeld, Etta Rav Blalock, Kathleen Kromer, Melba Monk, a new member, and Cynthia Kromer.

Mothers other than Mrs. Homfeld were Mrs. Floyd Blalock and Mrs. F. A. Kromer.

The next meeting was to be held Wednesday in the Adrien School with Glenda Homfeld as hostess.

Walcott
The Walcott 4-H Club met July

(Continued on Page 2)

Choral Club Changes Time Of Meetings

Meeting time of the H. D. Choral Club was changed from 2:00 until 2:30 at the business session when the Club met with Mrs. Taft McGee on June 2.

They also accepted the resignation of Mrs. Steve Clements, who had been chosen as the new director to take the place of Mrs. G. E. Mullins, who is moving away.

Those present were: Mesdames Tom Draper, T. J. Parsons, R. L. Wilson, R. C. Childers, John Draper, Clay Ridgeway and Mrs. McGee.

HD Chatter

by Argen Draper

July 21 is still the date for the demonstration by Kermit Schlamb, Poultry Marketing Specialist. The place has not been set as we are not sure enough about the number to attend. Schlamb will demonstrate the killing and dressing operations as well as packaging.

This will be of very much interest to those of you who raise poultry for market or for your home use. There will be sufficient time for questions.

The H. D. Market and Gifts will open as scheduled on Friday. The emphasis that day will be on the sale of baked goods. There will be a large number of cakes, pies, and cookies. Many other foods and gifts will be for sale.

The plans now are for the market to open and the committee hopes to have it well organized by the time canning and freezing vegetables are ready. The market is to be held at the Milk Jug at 204 South 25 Mile Avenue.

Mrs. R. C. Childers, Mrs. W. R. Scarth, Mrs. Bert Coffin, Mrs. R. L. Wilson and Mrs. Louie Olson have been doing a lot of work on the market. Let's help them put the market over as people have been talking about such a market for many years.

Nearly all baked goods freeze well and are good when served so this is a fine time to let the club women do the cooking in the hot kitchen and you can buy a supply for your freezer.

Ralph Smith, Ruth Loerwald and Mary Jean Gore put out a lot of effort to get the original petition for me that secured the services of the first home demonstration agent. You should know the signers other than Ray Hershey. His name appears at the head of the list. The others are: Ruth Trimble, Mrs. S. E. Askren, L. F. Borden, Mrs. R. Hershey, C. Higgins, Mrs. Claude Higgins, and Mrs. S. B. (Continued on Page 2)

Mrs. Mullins Honored By H. D. Choral Club

Personals

Mr. and Mrs. M. L. Adams and daughter, Mrs. Floyd Mason, of Jerome, Idaho, were visitors in the E. W. Hobson home, 111 Park Ave., during the July 4 holidays. Sunday Mr. and Mrs. Irv Seymour and children Irvin and Leta of Amarillo also visited with the Hobsons.

Mayes Mitchell, son of Mr. and Mrs. R. L. Calhoun, 215 Lake Street, landed in Germany March 29, after leaving the United States March 19. Before leaving for Germany, Mitchell has spent a short leave at home. He has been in the service since 1950.

Producers Market Will Open Friday

Initiating a Producers Market, the Home Demonstration Club women will hold a bake sale which will also include gifts on Friday at the Milk Jug now located at the former location of the Beach Grocery on 25 Mile Avenue.

The first sale will feature baked products and other items which the women will make a specialty of later as the demand establishes the need.

A Producers Market has long been a dream of the H. D. clubs, and the general public has stimulated the interest with inquiries

about buying foods grown locally. The market, which will be operated by the women assisted by Mrs. Louie Olson, who is on duty at the Milk Jug, will conform to city ordinances pertaining to sanitation and the handling of processed foods within the city limits.

Only Quality Products
Only quality products will be offered for sale and the market will specialize in home grown products, especially vegetables from the farm gardens where there is a surplus. Cottage cheese will be the

Mrs. G. E. Mullins, who is moving to California, was honored with a coffee on July 2 by members of the H. D. Choral Club at the home of Augustine Gregory.

Mrs. T. J. Parsons presided at the coffee service. Centering the serving table was a piano planter of ivy and a miniature director made by Mrs. E. M. Cox and presented to Mrs. Mullins, who has been director for the chorus for the past year. Arrangements of African Violets decorated the receiving rooms.

A handkerchief shower was a feature of the entertainment and Mrs. Mullins was requested to sing for the group, who later joined her in singing a song used by the Chorus.

The Chorus, which was organized in May 1953 and which has made a number of appearances (Continued on Page 2)

The First National Bank of Hereford
SALUTES
THE HEREFORD LIONS CLUB

HEREFORD LIONS CLUB

The Hereford Lions Club, the oldest civic club in Hereford, was founded in September 1928.

One of the Lion's many community services and activities, is their local Sight Conservation Program... set up to furnish Optical Lenses to those children who could not afford their own. Money for this program comes primarily from the fines charged each Lion for being late at luncheon meetings, etc.

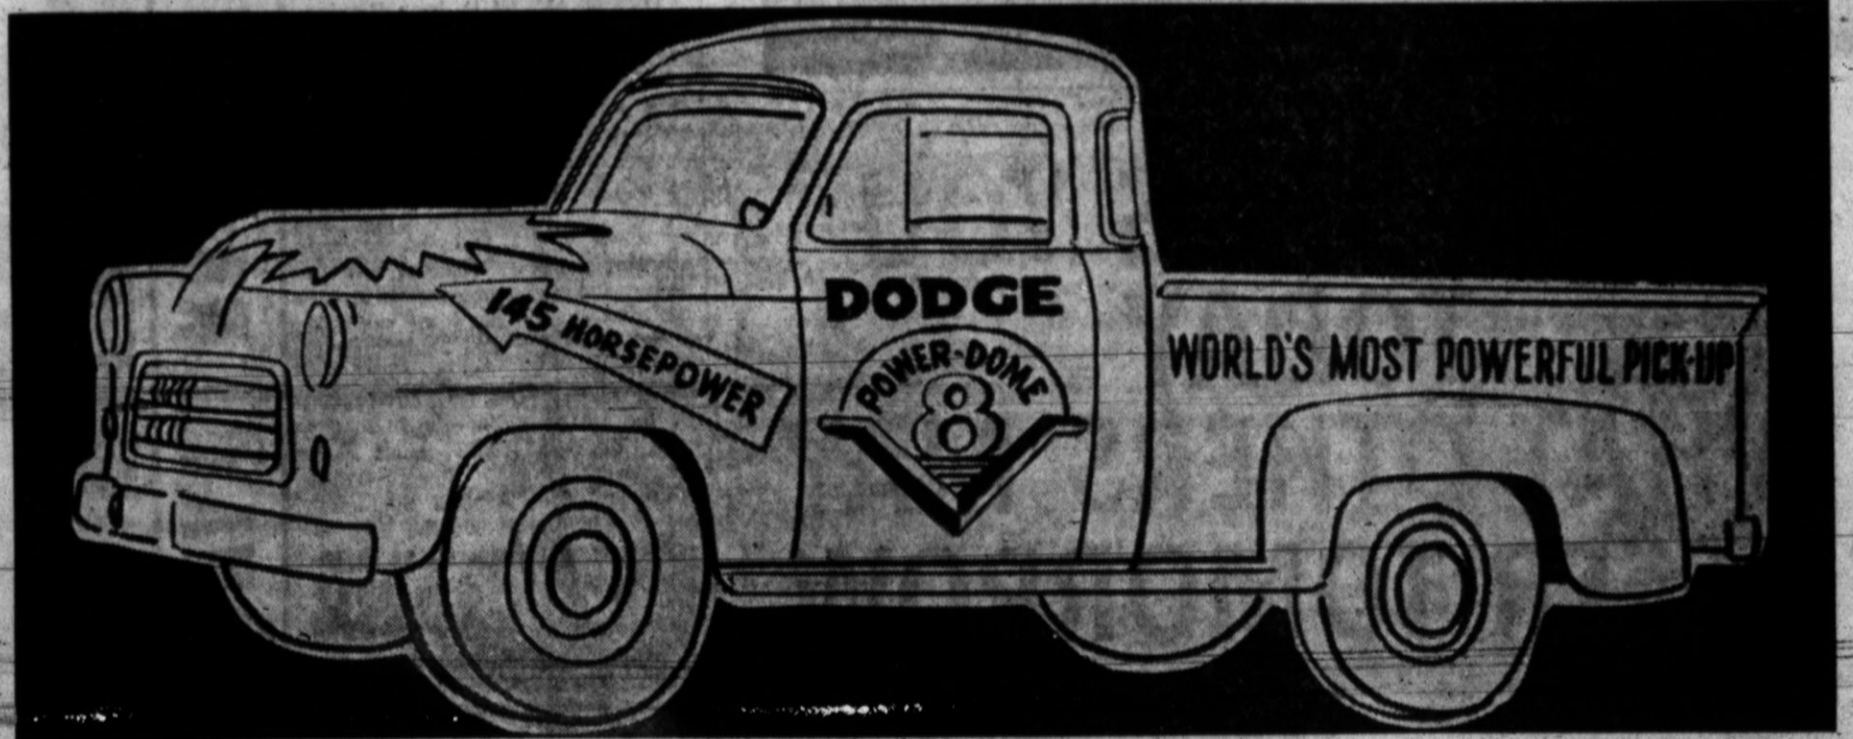

Among their other activities and projects is the Wrestling Matches held weekly at the Bull Barn, Lions Club Carnival, sponsored once each year, as well as the recent "Slave Auction" to furnish funds for the Football Field Scoreboard.

Cecil Massey is the present president of The Hereford Lions. J. W. Robinson, Jr., immediate past president.

Legal Notice

NOTICE OF HEARING ON CITY PAVING ASSESSMENTS THE CITY OF HEREFORD DEAF SMITH COUNTY, TEXAS

NOTICE is hereby given to all abutting property owners and persons interested in the properties on the hereinafter mentioned streets that on the 2nd day of July, 1954, Parkhill, Smith & Cooper, Engineers, have filed with the City of Hereford, the estimate amounts per front foot proposed to be assessed against the owner or owners of abutting property and such property on each street to be paved by the City of Hereford, as well as the total cost of the improvements on each street or portion thereof, and that the same has been duly approved by the City Commission, and the same was ordered filed and shall remain on file with the City Clerk in the City Hall in Hereford, Texas, as well as all of the plans and specifications pertaining to all of such proposed improvements, and that any and all property owners and persons interested therein within the City of Hereford or elsewhere may inspect the same, and further that the City of Hereford, by resolution adopted has fixed the 15th day of July, 1954, at 10:00 o'clock A.M. in the City Hall in Hereford, Deaf Smith County, Texas, as the time and place for all of such owners and persons interested in such paving and in such properties to appear and make objections thereto, if any there be, and to contest the amounts of the proposed assessments, the lien and liability thereof, the special benefits to the abutting property and owners thereof, by means of the improvements for which assessments are to be levied, the accuracy, sufficiency, regularity and validity of the proceedings, and contract in connection with such improvements and proposed assessments, if it is so desired; and this notice is given as is provided in Section 9 of Article 1105b of the Revised Civil Statutes of the State of Texas, in that the City proposes to levy such costs against the respective properties as are shown in said proposed paving assessments as so filed by said City Engineers with the said City of Hereford.

cessed for such improvements against abutting property and the owners thereof of each such portion is as follows, to-wit:

AVENUE "B", From North line of Paving on Grand Avenue to 13th Street, width of 36 feet, Triple Asphalt Surfacing on 6" Flexible Base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2,5205; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$3,9205; the estimated cost of the improvements is \$8,584.03;

AVENUE "I", from Lafayette Avenue to Union Avenue, width of 36 feet, Triple Asphalt Surfacing on 6" Flexible Base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2,4260; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$3,8260; the estimated cost of the improvements is \$2,358.00;

AVENUE "I", from Union Avenue to the South line paving on Grand Avenue; width of 36 feet, Triple Asphalt Surfacing on 6" Flexible Base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2,6801; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$4,0801; the estimated cost of the improvements is \$8,637.60;

AVENUE "I", from North line of paving on Grand Avenue to 13th Street, width 36 feet, Triple Asphalt Surfacing on 6" Flexible Base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2,6216; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$4,0216; the estimated cost of the improvements is \$8,637.60;

for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$4,0216; the estimated cost of the improvements is \$8,625.80;

AVENUE "J", Widening from North curb line on Park Avenue to the 623.55 feet North of Park Avenue, width from 20 to 36 feet; Triple Asphalt Surfacing on 6" Flexible Base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$1,2290; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$2,6290; the estimated cost of the improvements is \$3,451.82;

AVENUE "J", From 623.55 feet North of Park Avenue to the Center Line of Union Avenue, width 36 feet, Triple Asphalt Surfacing on 6" Flexible Base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2,5756; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$3,9756; the estimated cost of the improvements is \$3,324.22;

AVENUE "J", from Center line of Union Avenue to the Center Line of Grand Avenue, widening from 20 to 36 feet, Triple Asphalt Surfacing on 6" Flexible Base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$1,3848; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$2,7848; the estimated cost of the improvements is \$6,040.29;

AVENUE "J", widening from the center line of Grand Avenue to 13th Street, widening from 20 to 36 feet, Triple Asphalt Surfacing on 6" Flexible Base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2,5983; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$3,9983; the estimated cost of the improvements is \$2,229.23;

provements exclusive of curb and gutter is \$1,879; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$3,279; the estimated cost of the improvements is \$5,179.38;

UNION AVENUE from Avenue "I" to Avenue "J", width 36 feet; Triple Asphalt Surfacing on 6" Flexible Base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2,9071; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$4,3071; the estimated cost of the improvements is \$2,580.24;

UNION AVENUE from the East line of paving on Star Street to the West line of Paving on Avenue "K", width 36 feet; Triple Asphalt Surfacing on 6" Flexible Base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$3,2327; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$4,6327; the estimated cost of the improvements is \$2,695.65;

FOREST AVENUE, from East line of Paving on Avenue K to Blevins Street; width 36 feet; Triple Asphalt Surfacing on 6" Flexible Base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2,8118; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$4,2118; the estimated cost of the improvements is \$2,443.07;

BLEVINS STREET, from Forest Avenue to 13th Street; width 30 feet; Triple Asphalt Surfacing on 6" Flexible Base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2,2221; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$3,6221; the estimated cost of the improvements is \$2,229.23;

is \$1.40; the total amount per front foot proposed to be assessed against abutting property and the owners thereof is \$3,6221; the estimated cost of the improvements is \$4,500.83;

IRVING STREET, from Forest Avenue, to 13th Street; width 36 feet; Triple Asphalt Surfacing on 6" Flexible Base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2,7787; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.40; the total amount per front foot proposed to be assessed against abutting property of the owners thereof is \$4,1787; the estimated cost of the improvements is \$5,211.22;

Edwards.
Also, Lester Galley, G. Edgar Rice, D. H. Bryant, C. P. Galley, Hollis Galley, Beatrice Vore, Mrs. Louis D. Kelsey and Mrs. C. P. Galley.

It is quite interesting as well as enlightening to read the Commission Court Minutes when the County was first organized. Sometime when you have a few hours to spare you should go to the Clerk's Office and browse through the permanent records of the County.

Grooming...

(Continued from Page 1)

2 in the home of Carol McClure. The program on grooming was given by Mrs. Wallace Lumpkins, the leader.

Refreshments were served to Janell Weaver, Royce Lee Pruitt, Merry Kay Pruitt, Donna Sue Guseman, Carol McClure, Mrs. Don Guseman and Mrs. Lumpkins.

County Wide 4-H Club met June 12 in the home of Polly Monroe.

The meeting was called to order by Nancy Parsons president. Roll was called by Ann Rose Dziuk, secretary.

A demonstration on clothing was given by Mrs. Ed Dziuk, the leader for the group.

Ann Rose Dziuk led some games after the meeting.

Refreshments were served to: Anna Mae Schroeder, Ann Rose Dziuk, Mildred Wester, Sandra Wester, Judy Hoff, Nancy Parsons, Bonita Honea, Gail Bishop, Maxie Wiseman, Barbara Jacobs, and Polly Monroe, Mrs. Dziuk and Mrs. Monroe. Velma Strandridge was welcomed as a new member.

The next meeting will be with Nancy Parsons.

Read The Brand Classifieds

READ THE CLASSIFIED MORE MONEY OF ROADS

During Allan Shivers' Administration more money has been spent for roads than in any other comparable period in Texas history. For that money Texas added 14,926.10 miles of smooth roads to the state highway system and maintained all roads to keep them safe and sound for you.

Allan Shivers knows the importance of good roads to you. Whether trade-routes that speed goods to market or modern super-highways that make your driving a pleasure, good roads save you time and money.

IN DEAF SMITH COUNTY \$1,467,100.90 has been spent on roads for you during Allan Shivers' Administration.

You have 106.50 more miles of roads today than when became your governor.

This means better Farm-to-Market roads, so important to farmers and citizens of small towns.

It means modern, safe highways that make your trips enjoyable and inexpensive.

Texas comes first with Allan Shivers.

Northwest Hereford News

By Mrs. R. C. Childers

Mrs. Ella Mae Childers and sons, Jimmy and Joe Harold, are spending a three weeks vacation in California visiting relatives.

Four women from the Cultural Home Demonstration Club were represented at the regular meeting of council Monday afternoon. They were Mrs. Grady Parsons, Mrs. Earl DeHart, Mrs. Paul Corbett and Mrs. R. C. Childers.

Mrs. W. E. Holcomb's sister is visiting in the Holcomb home this week.

Pat Hogan from Spur visited her sister, Mrs. Raymond Higginbotham, over the weekend. Pat is a former resident of this community.

Landis Higginbotham, son of Mr. and Mrs. Raymond Higginbotham, went home with Pat Hogan Monday to spend a few days visiting in the home of his grandparents. Mr. and Mrs. Ned Hogan, in Spur. Landis Higginbotham visited Jackie Bob Mason, son of Mr. and Mrs. Marti Mason, Monday morning.

Council Plans Craft School

Ten clubs were represented when the Home Demonstration Council held its regular meeting in the county court room Monday afternoon.

North Hereford H. D. Club had charge of recreation.

Committee reports were given by the following:

Finance — Mrs. W. H. Goetsch; Marketing — Mrs. R. C. Childers and Mrs. W. R. Scarth, who reported that the H. D. Market and Gifts will open at the Milk Jug on 25 Mile Ave., on Friday at 10 o'clock; Expansion — education — Mrs. N. A. Brown; Reporter — Mrs. Otto Olson; Yearbook — Mrs. Grady Parsons; 4-H — Miss Loyce Avant; choral — Mrs. Taft McGee.

Council voted not to send a delegate to the craft school in Lubbock this year and the following committee was appointed to work out a craft school: Mrs. W. H. Goetsch, Mrs. W. R. Scarth, Mrs. Paul Corbett.

Those attending were: Mesdames T. J. Parsons, E. M. Cox, N. A. Brown, Paul S. Corbett, R. C. Childers, John Jacobsen Sr., C. A. Sauley, Grady Parsons, Earl DeHart, Ida Mae Vaughn, J. E. Dyer, W. R. Scarth, W. H. Goetsch, H. S. Fuller, Clarence Hollabaugh, Jack Bollinger, W. C. Osborn, Alfred Reinart, Taft McGee, Otto Olson, Argen Draper, Miss Loyce Avant and Roberta Campbell.

The next meeting will be on August 30.

FOR ATHLETE'S FOOT USE A KERATOLYTIC BECAUSE—

It SLOUGHS OFF the tainted outer skin to expose buried fungi and kills it on contact. Get this STRONG, keratolytic fungicide, T-4-L, at any drug store. If not pleased in ONE HOUR, your 40c back. Now at Roger's Drug.

Mr. and Mrs. H. Barclay of Amarillo spent Sunday visiting in the S. J. Barclay home.

Mr. and Mrs. Tom Barclay spent July 4 visiting Mr. and Mrs. S. J. Barclay family.

Visitor From Albuquerque Ruby Reynolds of Albuquerque, N. M., is visiting in the home of her sister, Mrs. S. H. Barclay, and family this week. Mrs. Reynolds will leave this weekend for a short visit in Amarillo before returning to her home in Albuquerque.

Mrs. R. L. Wilson, Mrs. Bert Coffin, Mrs. Louie Olson and Mrs. R. C. Childers have been working at the Milk Jug building and getting the counters and shelves painted and ready for the opening of the HD market, which is scheduled for Friday morning at 10 o'clock. All HD women are urged to help with this project which is featuring a bake sale on its opening day. Have your donations in by 10 o'clock Friday morning.

Bee Stung Boy

James Corbett, son of Mr. and Mrs. Paul Corbett, was stung by a bee on the left eye lid late Sunday afternoon. Monday morning his whole face was swollen and his eye was swollen so he could not open it. His mother took him to the doctor Monday morning and after taking the medication by 2 o'clock the swelling had gone down enough that he could see out of his left eye again. James will tell you one thing, and that is, he doesn't like bees.

Mrs. Edgar Telchik and daughter, Mozelle, were in Amarillo Friday.

Mr. and Mrs. R. E. Hargis and daughters, Rita and Jan, Mr. and Mrs. Edgar Telchik and Mozelle of the Northwest Hereford Community, Mrs. Bert Richardson and daughters, Barbara and Janie of Kileen, and Walter Adams of Gatesville were dinner guests in the home of Mr. and Mrs. W. E. Holcomb Sunday. Mrs. Richardson and Mr. Adams are brother and sister of Mrs. Holcomb.

Mr. and Mrs. Hargis met Mrs. Richardson and daughters in Lj-t-tiefeld Saturday night.

Substitute Glue Taploca soaked in warm water will make a satisfactory glue in an emergency, and especially when the children want to do some pasting of pictures.

Paraffin Paraffin can be used for many things. It will remove grease from the hands, is good for cleaning the sewing machine, will remove grease from the rollers of the clothes wringer.

Plaster Casts To clean plaster casts cover with fine, dry whitening and fullers' earth. Wrap in a cloth and put away for two or three days. Then brush off the powder.

Old Felt Hats Instead of throwing away the old felt hats, they may be used for pot lifters, mats for plants, or cut out discs and paste them on the chair legs to prevent scratching of the floors and to deaden the noise.

Wrestler Gets Minor Concussion In Accidental Fall Through Ropes

Big plans for the tag team match main event at the Bull Barn Saturday night were disrupted early in the evening as a result of an attempted shoulder block by Cowboy Carlson that backfired.

Gene Denton of Amarillo, substituting for Billy Weidner, and Frankie Hill Murdock, of Waxahachie, wrestled in the first one fall 15 minute time limit event. Denton won the fall in 12 minutes after Murdock was disqualified for putting Denton to sleep and refusing to break the hold.

In the second fall, The Mask of South Africa and Carlson of Eklaka, Mont., wrestled in a one fall, 15 minute time limit bout. Cowboy was attempting a shoulderblock when the Mask stepped aside and Carlson went through the ropes and onto the floor. As a result he was taken to the hospital with a minor brain concussion.

Draw Match While arrangements were being made for a change in the main event, Denton and The Mask wrestled in a one fall 15 minute time limit match. This match came to a draw.

For the main event, The Mask was persuaded to wrestle Murdock in a one hour, two out of three fall event.

The Mask won the first fall in 15 minutes with a two legged crab. Murdock lost the second fall in eight minutes when he was disqualified for not breaking a hold.

This main event proved to be quite a match since both of the men seemed so dirty, they knew just what trick the other wrestler was going to try on them next.

Cockroaches Scatter cucumber peelings around the haunts of cockroaches. Equal parts of powdered borax and white sugar is another good remedy.

Tired Feet The feet will not become tired while ironing or doing any kind of work that requires standing, if an old blanket or comfort is doubled into several thicknesses, and used to stand on.

Canned Products Canned products, whether in tin or glass, should be stored in a cool, dry place not exposed to freezing temperature. Freezing may cause breakage in glass and will cause a deterioration of the food product. Most products packed in glass will bleach or darken if exposed to light, so unless the storage room is dark, slip paper bags over the cans or store in the original pasteboard containers.

Enlarged Pores For enlarged pores mix 6 ounces elderflower water, 1/2 ounce eau de cologne, 1 dram tincture of benzoin, 10 grains tannic acid, and apply twice daily.

Perspiration Stains For perspiration stains, mix one part of oxalic acid to 20 parts of water. Apply with a small brush.

Enlarged Pores For enlarged pores mix 6 ounces elderflower water, 1/2 ounce eau de cologne, 1 dram tincture of benzoin, 10 grains tannic acid, and apply twice daily.

Perspiration Stains For perspiration stains, mix one part of oxalic acid to 20 parts of water. Apply with a small brush.

Programs..... Producers.....

(Continued From Page 1) Argen Draper gave the program on frozen foods, which included pictures of foods being processed for the freezer. She emphasized the fact that some people do not like frozen foods because the method used resulted in an inferior product and they were disappointed in the outcome. Members discussed their freezing problems.

Those present for the demonstration were: Mesdames C. F. Rickels, Elmo Hall, G. V. Hall, C. F. Homfeld, N. E. Tyler, Christine Fortenberry and Mrs. Neaves and Mrs. Fortenberry.

The next meeting will be on September 8.

(Continued From Page 1) only milk product which may be offered for sale.

A 20 percent charge for handling has been set up by the women until the market is established and operating expenses can be estimated.

Although the percentage seemed high the women were willing to sacrifice profits until the project was established. Each woman offering products for sale is also asked to donate one item to be sold at the opening on Friday morning.

The Market will open at 10:00 o'clock and will be open until 6 o'clock in the afternoon, provided items for sale last that long. The public is invited to see what the H. D. Market and Gifts has to offer.

SAT., JULY 10, 9 P.M.

BOYS JUST NATURALLY love going camping with their dads, and when such a trip can be made with a number of other boys and their dads, the trip can have lots of extra interest. Last Saturday afternoon approximately 40 Cub Scouts, and the same number of dads, left Hereford for a weekend at Camp Don Harrington, Boy Scout camp near Amarillo. They camped out in the open for two nights, ate one meal outside and the others inside the camp mess hall, and finally returned

to Hereford on Monday. At left, the boys were scrambling around over fallen trees as they waited for the wieners which were being roasted, center, over hot coals. At right, Rev. Don Root was helping the boys to work off some of their surplus energy with a song which involved some action. Cooking was done primarily by C. L. Morris, his brother, "Hap" Morris, hotel chef from Fort Worth who went along just to help out, and Roy Sheppard. Saturday night the boys kept their dads up

until practically the wee hours, but the dads made sure that by Sunday night the boys were tired enough to go to sleep. Sunday morning church services were conducted by Rev. Don Root. Three Den Chiefs - Durwood Jacobs, Jan Wallace and Larry Morris, went along as well as one other older Scout, Jim Usellon, and Pack Master Paul Coneway gave them much credit for the work they did in helping to keep up with the

Cubs. In addition to swimming, hiking and playing games boys also fired some 450 rounds of .22 long rifle ammunition at skeet shooting. Don Hensley, who helped with the shooting, declined to estimate the percentage of hits. All of Pack 52, and one den from Pack 51, made the trip. (V. Patton Photos)

CONGRESSMAN WALTER ROGERS SAYS

Thermo-Nuclear Explosion Film Now Available On Loan Basis

The first full-scale thermo-nuclear explosion in history took place at the Pacific Proving Ground of the Atomic Energy Commission in November 1952, and was designated as "Operation Ivy." During this operation a series of colored motion pictures were taken, both for the historical record and for information and educational purposes. This film was highly restricted until April 1, 1954, at which time it was released, in black and white copies only, to television, radio and press.

Further restrictions on the colored version of the film have been released in part, and I have been able to purchase one of the colored versions. This will be made available to any of the groups that desire to view the film. It is 16-millimeter size and requires approximately 28 minutes to screen. It occurred to me that many of the people in the 18th Congressional District would want to have a first-hand view of this explosion. I will be happy to loan the film which has a sound track, to any groups desiring it if you will write me. Just address your communication to Walter Rogers, Member of Congress, 1712 House Office Building, Washington, D. C.

considered two bills during the week of June 28. The first was the Foreign Aid bill, which involved an expenditure of approximately three and a half billion dollars. The second was the Agriculture bill, having to do with the continuance of the agricultural program in this country. I was somewhat amazed at the ease with which the Foreign Aid bill sailed through the House.

A bill providing three and a half billion dollars, in addition to the nine billion plus already appropriated and unexpended, to be spent overseas. I voted against this bill, as I have similar bills in the past, for the reason that I do not believe that this country is getting value received or near it for the dollars being spent under this program. I have long contended that this money could and would produce ten times the results if it were operated on the basis of exchanging the products of this country in which we are in over-supply for the use of the manpower in many of these countries in which they are in over-supply. Such procedure would, in my opinion, furnish the most effective weapon in the battle against Communism. It would enable many an American boy to remain on his home shores to help produce the goods, wares and merchandise needed in this fight, and it would also enable the manpower of these recipient countries to stand up and be counted against Communism and do something about it.

In addition, it would furnish the economic aid more effectively, because the funds for the services

rendered would reach the individual citizens. In many instances in the past it has been definitely shown that tremendous amounts of these foreign aid funds paid over to the governments of these countries suffered a terrific evaporation loss before they reached the people in the every-day walks of life. Such a process would also remove from any of the funds, goods, wares or merchandise, any taint of charity.

Just after the House had increased the funds available for foreigners to some 12 billion plus dollars, the agriculture bill was brought before the House. Immediately the tune changed. The picture became one of tragedy, where in the American farmer had grown foodstuffs in excess of our demand to the extent of about six and a half billion dollars worth of foodstuffs are in the pantry, ready to be used and consumed by the American people, or our allies, as the need may be.

Why this is a tragedy, I have never been able to understand, but there seems to be a great propaganda campaign on to convince the American people that it is a sin and a crime to have a backlog of food and fiber, both of which are indispensable in the life of man. When the smoke had all cleared away at the end of the week, the result was that the foreigners got three and a half billion more, the farmer got his price supports cut. I voted against the foreigners and for the farmers. Sorry my side didn't win.

BOOK of LIFE

Is my name written there?

Am I ready for the roll call? Am I listed in "Who's Who of America?" Does Dun & Bradstreet have my rating correct?—WHAT IS LIFE? Could I mistakenly think it is just a crashing of the upper "400"? No! Friend, Life is much more than that. IT IS A PERIOD TO MAKE READY... TO GO TO CHURCH... TO ACKNOWLEDGE GOD. Life is a "sheet of paper white, whereon each one of us may write his word or two and then comes night." IS MY NAME WRITTEN THERE?

First Methodist

Fifth and Main
Rev. S. M. Dunnam, Pastor

GROUND DISPLAYS weren't as exciting as the aerial bombs and rockets which were set off Sunday night at the Fourth of July display in Veterans Park, but members of the Junior Chamber of Commerce, who set off the entire display, found that there was plenty of work involved in that part of it too. Here Harold Loerwald, left, and Hershel Miller Jr., were setting up and setting off some of the fireworks, while one of the pieces spews its colorful contents upward in the background. (Staff Photo)

Dawn News

By Bertha Frye

Members of the Dawn Baptist Church and their pastor will go to Amarillo next Sunday and have their church service televised over KGNC-TV at 11 o'clock. After the broadcast, the group plans to have a picnic lunch at one of the parks.

Rev. and Mrs. Paul McClung, and Kenneth left Monday morning for El Paso for a visit with relatives. They planned to return today.

Mr. and Mrs. Walter Galley were visitors of the Jack Wheelers in Tucumcari, N. M., Sunday afternoon.

Mr. and Mrs. H. S. Fuller and family spent Sunday afternoon in Amarillo.

Mr. and Mrs. Charles Corder of Pettit stopped in Dawn for a brief visit with friends Friday.

Carol Miller was home from Lubbock over the weekend.

Mr. and Mrs. Clifford Stewart and children attended the wedding of their niece, Geneva Williams, at Amarillo Thursday night.

Kay Albracht of Hereford spent several days last week in the home of her grandparents, Mr. and Mrs. George Parker.

Rev. A. L. Burchell and family of Maud visited the Paul McClungs Saturday.

Miss Mary Frye was a weekend guest of Miss Billie Jones in Muleshoe.

Mrs. Lloyd Airhart and James of Canyon have been working at the Uhlmann Grain Company during the wheat harvest.

Approximately 70 percent of the trucks registered were new trucks.

Advice received here by the Hereford Chamber of Commerce state that the Fourth Annual Motorcade of the West Texas Chamber of Commerce will visit Hereford on July 17.

According to B. M. Whitaker, in charge of the caravan, the motorcade will start for Ballinger, Texas, on July 10, visit Carlsbad Cavern, New Mexico, then follows the route of the Santa Fe railroad through Roswell and Clovis, N. M., to Hereford and Amarillo.

Plans are being worked out here, announce officials of the Chamber of Commerce, to give the visitors a cordial official welcome. Approximately 100 people are expected to be in the caravan.

Miss Theresa Batenhorst of Umbarger is employed at the office of the Dawn Co-op elevator.

Harold Robinson is playing ball with the Dawn team since moving from Berger to Canyon.

Dawn won the second ball game over Piggly Wiggly in a week last Thursday night.

Mrs. Woodard Lee and daughter, Linda, of Headrick, Okla., visited Sunday with Mr. and Mrs. H. F. Trimmer. Mrs. Lee and Mrs. Trimmer are sisters.

Visiting in the home of Rev. and Mrs. Paul McClung over the weekend were her brother and family, Mr. and Mrs. T. E. Harroun and children of Buena Park, Calif.

Mr. and Mrs. C. Aubrey Wimberley and family of Wichita Falls, were weekend guests in the homes of the Carl Wimberleys and the William Wimberleys.

Fourth of July weekend guests in the Zed Stewart home were Dwayne Stewart of Artesia, N. M., and Mr. and Mrs. Bert Robinson and Lawana of Bowie.

Mr. and Mrs. Iley Barton are in Arkansas where they attended the funeral of Iley Barton's father, which was held Tuesday.

Handkerchief Shower

Fetes Mrs. A. Tinsley

Mrs. Arthur Tinsley was feted at a backyard party Tuesday afternoon at the home of Mrs. Hazel Sparks. The party was sponsored by the Truth Seekers Class of the First Baptist Church to honor Mrs. Tinsley who, with her family, left Wednesday for Nashville, Ark., to make her home.

A handkerchief shower was featured for the honoree by the class members, who included Mesdames Owen Stagner, teacher, Clint Formby, Reuben Knox, Dean Herring, W. C. Davis, Troys Riddle, Rex Lee, Bobby Owen, and Eugene Sparks.

Kendon O. Anderson, superintendent.
The Mormon church, which meets in the American Legion Hall, will have Sunday school services at 10 o'clock.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, **never** take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get **sure** but **gentle** relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Syrup Pepsin is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

Long Time Ago

45 Years Ago
"Uncle Sam" has recognized the growth of Hereford. Postmaster Clarence Smith has just received notice that the post office in Hereford had been raised from a third to a second class office and the salary increased thereby. The new salary of the Postmaster is \$2,100, first assistant \$800, and second assistant \$600. This went into effect July 1.

mail delivery from the department, and as soon as the town does its part in naming the streets, numbering the houses, building sidewalks, etc., this part of the mail service will be in operation. A rural mail route out of Hereford has been established and mail will be carried on this route for the first time, August 2.

A contract was made this week between the Electric Light Com-

pany and the city settles the water supply. The big well at the plant will be used and a 15 horsepower electric motor will bring up about 100 gallons of water per minute. A large stand-pipe will be erected just east of the plant. It has been estimated that the contract will save the city about \$650 per month. The contract is optional with the city, so that at any time it wishes to put in its own plant, it may do so.

25 Years Ago
Joel M. Murchison, deputy tax collector, reports that during the month of June more than \$2,000 was collected as fees for registering of motor vehicles here which was fifteen times the amount collected during the same period last year.

The large sum collected was mostly due, stated Mr. Murchison, to the numerous trucks which have come to Hereford to aid in moving the immense wheat crop now being harvested in Deaf Smith County. More than \$200 of the amount, he said, was paid as fees for additional weight capacity of trucks. According to the records, approxi-

mately 70 percent of the trucks registered were new trucks.

Advice received here by the Hereford Chamber of Commerce state that the Fourth Annual Motorcade of the West Texas Chamber of Commerce will visit Hereford on July 17.

According to B. M. Whitaker, in charge of the caravan, the motorcade will start for Ballinger, Texas, on July 10, visit Carlsbad Cavern, New Mexico, then follows the route of the Santa Fe railroad through Roswell and Clovis, N. M., to Hereford and Amarillo.

Plans are being worked out here, announce officials of the Chamber of Commerce, to give the visitors a cordial official welcome. Approximately 100 people are expected to be in the caravan.
