PRICE FIVE CENTS

EMPTY PLATES and yelling for more, members of the Whiteface football squad were Tuesday night guests of Hereford Firemen. The boys turned out 61-strong to devour 50 pounds of meat made into 200 hamburgers, 24 gallons of milk, 18 pies, topped with ice cream, and 30 gallons of potato salad. The firemen did all of their own cooking and serving.

MORE FOOD was the big problem (photo on right) for Clay Angelo, Chief Earl Phillips, Blue Turpin and Kenney Wilson in the above picture, made when the first 20 gallons of milk disappeared. The group also ran out of hamburger meat, served with a quarter pound to each bun. (Staff Photo)

Around Town

While the electrical storm was getting folks in town excited Monday night, residents of the west part of this county got heavy rains, and some hail damage. Glenn Burrus, who lives 28 miles west on Harrison and six north, reported three and one-half inches on his place; Austin Rose, Chas. Brown and other residents of the strip also reported heavy rains. Don Guseman said that around one and one-half inches fell on his location. J. T. Guinn, considerably south of Harrison also reported upwards from one-half inch.

The rains were welcome in view of the fact that most farmers had just completed the planting of wheat in the area. Hail damage practically wiped out a section of 1,200-pound maize for Jim Monroe, however; Elmer Northcutt also reported considerable hail damage.

"More good than damage" was the way Don Guseman summed up the moisture. Rainfall south and east was comparatively light. Hereford showed .27 of an inch.

City Manager Cecil Massey made a trip into Dallas over the weekend and came back somewhat excited over the fact that the TV stations in that area are carrying an extensive advertising campaign on Hereford Water sales. "They emphasize the 'Town Without A' (Continued on Page 2)

Highway 51 Tour Carries Delegates Over 4,500 Miles

A tired, but enthusiastic delegation of 31 International Parks Highway boosters rolled into Hereford in their chartered bus at around 5:30 Tuesday afternoon, bringing to a close a 4,500-mile trip for five delegates who left Hereford on Sunday, August 29. "We feel that we did a lot of good," said T. W. Alderson, C.C. president. "We visited in a lot of towns and found a wonderful acceptance everywhere we went."

Chief object of the tour was final recognition and designation of the road as a federal highway. The Texans sought aid along this line from other states on the route, which ultimately led them into Saskatchewan, Canada. The group returned via Yellowstone Park. Some bad spots were reported on the road, but counties and towns along the way are beginning a drive toward improvement, the group said. Making the trip from Hereford were Mr. Alderson, Guy Lawrence, Marion Butler, John Hacker and Jimmie Allred.

Marvin Welty, 16, Loses Two Fingers In Accident

A hunting accident about 16 miles southeast of Hereford Saturday afternoon resulted in the loss of two fingers, part of two more and a wounded thumb for Marvin Welty, 16 year old son of Mr. and Mrs. Woodrow Welty, 115 Bradley. Marvin and Larry Don Rutherford were hunting Saturday afternoon when, according to the boys, they stopped at an irrigation well for a drink of water. Marvin stood

Lane Resigns As Local Pastor For Evangelist Field

Rev. Walter E. Lane, who has been pastor of the Assembly of God Church for about the past two and one-half years, announced his resignation Sunday morning, which will be effective October 1. Rev. Lane will preach his farewell sermon Sunday, October 3. The Ladies, who moved to Hereford in March of 1952, from Plainview, where they pastored the South Side Assembly of God for two years, plan to go into the evangelistic field. Mrs. Lane will be in charge of the music and work in the children's department. They have scheduled revivals for the coming year in California, Oklahoma, Florida, Kentucky and in Texas.

In regard to leaving Hereford, Rev. Lane said, "We have made many friends in all denominations while in Hereford and we value them. We have enjoyed working with the people of the town as a whole, as well as the members of our congregation, but we feel a calling into the evangelistic field. I would like to do this before our two children become of school age." The Lane's permanent address will be 3508 Southwestern Street, Oklahoma City, Okla.

REV. WALTER E. LANE

Vacation Ends In Canadian Hospital

Mrs. Ray Howell, 149 N. Knight, may soon be able to return to her home here, following four weeks in an Alberta, Canada, hospital, where she has been treated for encephalitis. Mr. and Mrs. Howell and son, Elden, left Hereford August 1, on a vacation trip which took them to New Mexico, Colorado, Yellowstone Park and into Canada. Shortly after arriving in Canada, Mrs. Howell was hospitalized for encephalitis, sometimes called "sleeping sickness" and has since been confined in a hospital at Cardston, Alberta, Canada. "She is improving," reported her parents, Mr. and Mrs. N. B. Hood, who said that she will likely be released in around two weeks.

Lettuce Harvest Starts Sept. 20; Quality Is Tops

Lettuce harvest will get underway with light shipments on September 20, according to surveys this week, which lead growers and producers to predict "better quality and more tonnage per acre" than this area has possibly ever seen before. Approximately 4,000 acres is reported.

Ideal growing conditions, along with more knowledge as to handling of insects are the reasons cited for predictions of an outstanding lettuce crop here in 1954. From September 20, the momentum of lettuce harvest will continue to increase until after the first killing frosts, usually around November 10.

Color, Quality Good Color of the present lettuce crop is considered exceptionally good by growers. A nice frame is reported on all lettuce this year and quality of early cuttings is said to be outstanding, including small yields from fields of Charles Huxton and Howard Beasley.

Price, always an important factor, fluctuates from time to time. Right now it is average to low on California lettuce. Local growers do not consider this an indication, however, in view of the fact that it changes overnight; also, freight differentials give the Hereford crop a definite advantage in mid-west markets.

As in the past, most of the acreage is grown in cooperation with (Continued on Page 2)

Enrollment Hits 2,090 This Week

School enrollment Wednesday was reported at 2,090 by Super. Geo. L. Graham. "This figure is possibly the highest recorded at any one time," according to Mr. Graham, who said that enrollment fluctuates from time to time. It also shows an increase of 50 students over the opening day figure of 2,040.

Emergency March Hits \$1,992 Mark

Final results in all divisions except donations to the coin containers in the Emergency Polio Drive show a total of \$1,992.57, according to C. C. Acker, treasurer of the drive. Returns show the Mother's March well ahead of the other events of the drive with \$967.10; individual donations followed with \$783. Scouts and Camp Fire collected \$210.15 on the balloon sales, the dance collected \$19 and the baseball game \$13.32. Coin containers were picked up Tuesday and the results of that event have not been announced.

What Holiday...? Asks Local Jailer

Labor Day may have been a holiday for most people, but not for law enforcement officers of this area. Twelve arrests filled the county jail to the point of "running over," according to Deputy Neil Young, who also serves as county jailer. Charges over the weekend included "vagrancy, disturbing the peace, DWI and drunkenness," Young said. The jail was clearing out Tuesday, however, as offenders paid fines, and occupancy dropped to a normal run of three to five inmates.

Council Puts 'Teeth' In City Zoning Laws

Open Drive To Collect \$18,000 Past Due Taxes

Headlined with passage of the new zoning ordinance, the City Commission Tuesday night spent one of the busiest sessions recorded by the group in recent months. The Commission also voted to allow percentage discounts on advance payment of taxes, approved purchase of a new pickup for the water department, and instructed the City Attorney to start proceedings toward collection of \$18,200 in delinquent city taxes. Other routine business kept the session going until well after midnight.

Effective Sept. 20 Far-reaching in scope, the new zoning ordinance was unanimously approved by the group and is scheduled to become effective on September 20, following a 10-day period required for legal publications. In this connection, the Commission also approved an ordinance creating the position of "Building Inspector" and designated that the City Manager will fill the post until such a time as a City Engineer is employed and the duties will probably be shifted to this department.

Also in connection with zoning was an ordinance governing "Building Permits" and putting teeth into enforcement. This ordinance covers all "erection, construction, moving, alterations or repairs" amounting to \$100 or more within the city limits and makes violations a misdemeanor. A fine of "not more than \$100 per day" is established for each building permit issued and cards, bearing the permit number, will be given with each permit for posting in a conspicuous place on the building. A third point in connection with the new zoning ordinance will be the issuance and requirement of "Occupancy Permits" on all business houses and homes. These permits will designate specific uses to conform with zoning districts set up by the new ordinance.

No protests were made at the public hearing, scheduled to review the ordinance and the Commission unanimously passed the ordinances, citing rigid enforcement. The Commission also approved a bill of \$4,500 to the City Engineer, covering work done since January 1. The bill included engineering, water and sewerage extensions, zoning and the current paving program.

The group heard and reviewed the Certified Audit report on City of Hereford conditions. The report was made by Lindsey and Kiker of Amarillo, and will be reviewed in The Sunday Brand.

Allow Tax Discounts Tax discounts to be allowed will conform with those of the school district, county and state taxes: 3 percent for October payments, 2 percent in November, and 1 percent in December.

No action was taken on a petition to open an alley between "E" and "F" streets. The Commission tabled the petition, subject to engineering advice in view of the fact that certain districts in Hereford present problems

through the creation of new alleys. Bids will also be sought for a 1954 one-half ton pickup to be used in the water department and will be handled through regular channels.

Request for opening of an alley adjoining the Howard Gault warehouse was denied by the Commission, following a review of the situation. New Park Lights Payment was approved in the amount of \$237.59 to Southwestern Public Service Company to cover poles, lines, construction and installation of a large 4-way light in Dameron Park.

First steps were taken toward legal proceedings against two residents who refused to comply with City regulations concerning outdoor toilets located within the city limits. To File Tax Suits County Attorney Earnest Langley was also authorized to investigate proceedings against persons owing delinquent taxes on real property and personal property in (Continued on Page 2)

Court Gets Audit; Filing Is Delayed

Members of the Commissioner's Court spent approximately three hours Tuesday night reviewing an audit report submitted by Harvey D. Todd, Certified Public Accountant. The report appeared in the form of a bound volume of more than 100 typewritten pages, many folded in from double size, and covered business of Deaf Smith County for a period of seven years; a supplemental report was also included on Deaf Smith County Hospital.

The Commissioners delayed filing of the audit, however, subject to formal acceptance and to further consideration of various points. Mr. Todd agreed to again meet with the Court to further explain such items as may require additional information. No Filing Date Contents of the audit will become public property when the volume is filed with the County Clerk. No date was established on this filing Tuesday night and indications were that a period of 30 days may be required for the court to make thorough investigation on some of the items concerned.

"Some of these points we wish to carefully review with the County Attorney," said M. T. Ruter, Precinct 1. He also pointed out that one matter in particular will require an opinion from the Attorney General of Texas. The court also agreed that they will likely make supplemental statements regarding some of the items appearing in the audit on various accounts.

"We do not want to unjustly reflect on any individual," said J. C. Morrison, Precinct 2, who, along with other members of the court, felt that a complete explanation on some points included in the report would place the circumstances in a different light. "Actually," said J. T. Guinn, Precinct 3, "when you consider the time covered (seven years), it is a good report."

Whitefaces Open With Muleshoe

Coach L. B. Russell was this week putting the finishing touches on the Whiteface squad, preparatory to their opening game here Friday night when they encounter the Muleshoe Mules.

The game, from all standpoints, should be well-matched. Last year, the Mules tied the Hereford boys in a 20-20 deadlock to open the season for both squads. Hereford is generally considered to have a much improved team over the '53 squad—but the same is true of Muleshoe. Furthermore, both coaches will have some new blood in the two backfields, and both are putting out untried lines. Weight of the two squads will also balance out pretty well, probably around 155 pounds for each team.

Will To Win "If the Mules' opponents just come out for the game and are not real anxious to win, they might just get a drubbing," said Coach Leroy Scott, the Muleshoe mentor. Like Russell, Coach Scott says his boys have the "will to win" and will just have to be outplayed when they lose.

A definite similarity shows up in the backfields on both teams. Wayne Smith, heralded as being a speed demon for the Whitefaces, has his counterpart on the Mule eleven in the form of Charles Waggoner, halfback. Buddy Godfrey will call signals for the Whitefaces and opposite Godfrey will be Eugene Shaw, a Muleshoe mainstay with plenty of experience on the

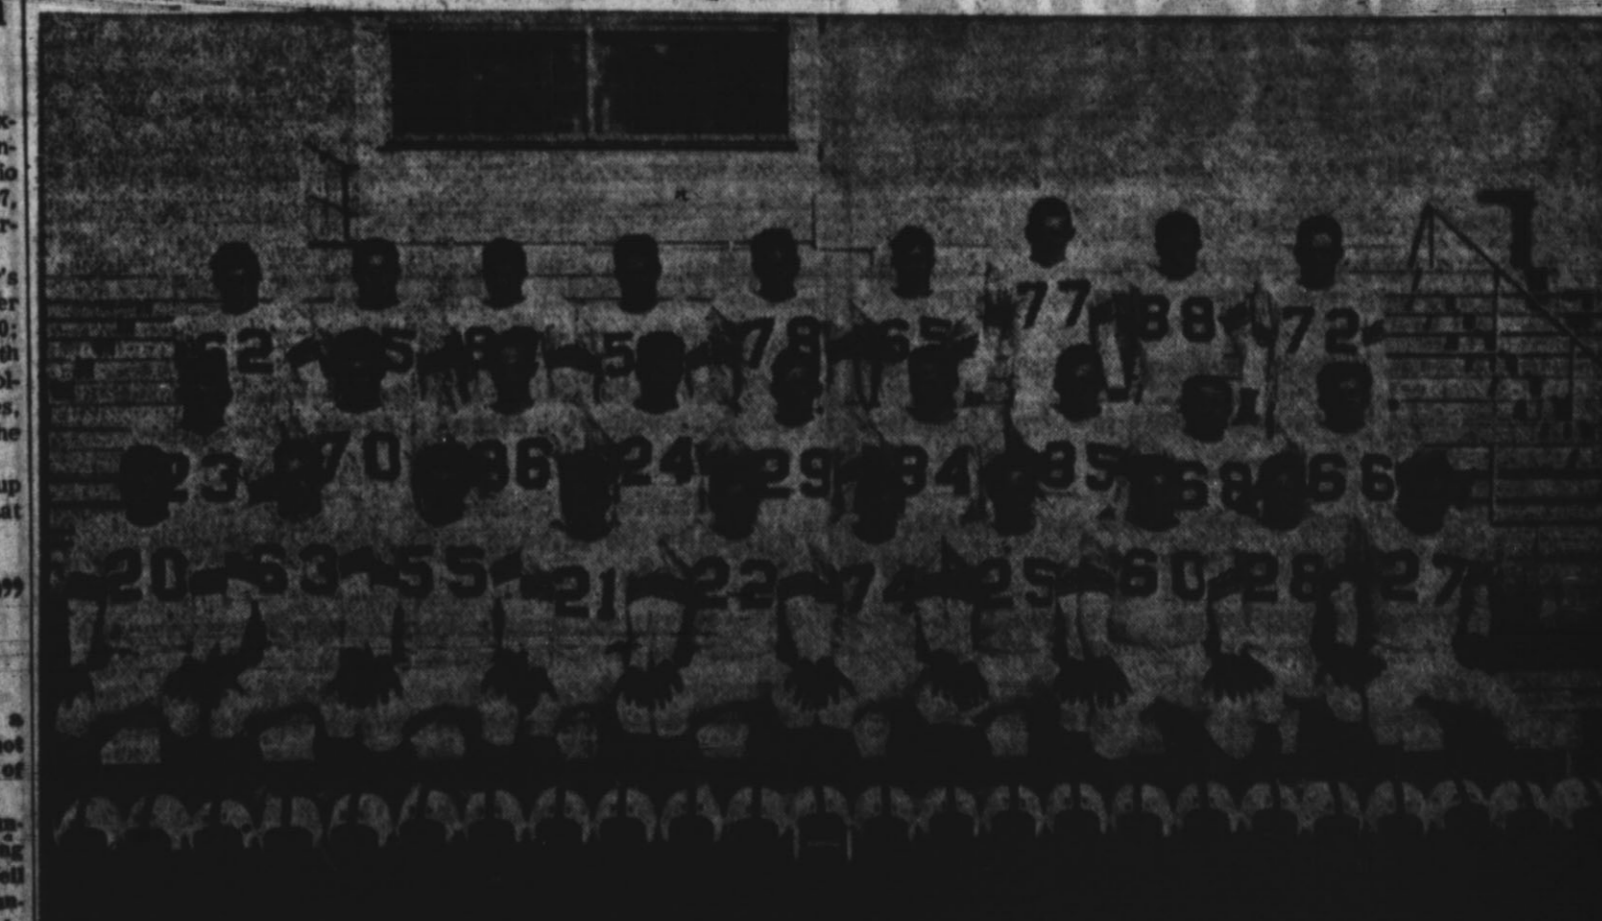

field, plus the reputation of being a passer par-excellence.

Lines To Tell Story Scott and his Mules just aren't talking too much about their line, however, since they will have a lot of new material in this area, and will likely field some of their boys for the first time in the Hereford game. Once again, Coach Russell is faced with a similar problem. He does have a possible advantage on this score, however, and it is the difference which could easily result in the Whiteface victory. To say the least, the Whiteface line does show a definite advantage in the factor of experience, since a big percentage of the Mule line will be sophomores intermingled with an oc-

casional junior.

Coach Scott was carrying 36 players on his roster this week, and was having a tough time making up his mind, especially on the tackle posts. Russell, on the other hand, had 34 boys out—and was faced with the task of whittling the size down to 30, which will probably compose his traveling squad. He did have all starting posts pretty well selected, though, and probably will enter the fracas Friday night with a slight edge from the dopsters.

"Dope doesn't win games, though," said Russell. "The score is what counts, but I do think that Hereford will field one of the fightingest teams the fans have seen in many a moon."

WHITEFACES, 1954 STYLE, are seen in the above photo, snapped following a practice session this week as they drilled for the opening game Friday night with Muleshoe. First row from left: David Walker, Don Sigle, Arol Acton, Tommy Weems, Buddy Godfrey, Benny Dement, Tony Riddle, Clarence Caywood, G. C. Merritt, Wayne Smith. Second row: Bobby

Ramey, Jon Fraser, Danny Elliston, Bill Calloway, John David Bryant, Bobby Veigel, Charles Springer, Kenneth Matthews, Joe Easley. Third row: Walter Kaul, Danny Janssen, Don Parsons, Martin Reed Moore, Jack Parker, Francis Boyd, Keith Hodges, Jack Burrus. (W. H. Patton Photo)

### Ground.....

(Continued from Page 1)  
"hache" and give a free water cooler with the first jug, Massey said. He also reported that wholesale shipments are being made through Chamber of Commerce members, and are being picked up at the Dallas-Fort Worth area.

Rayford Newell, father of three girls, found out a few things about boys over the weekend. Gaylord was resting calmly on the grass and having fun teasing Brant Fox, 6-year-old flyweight. Brant took a running jump—and Gaylord has a cracked rib to prove that Brant is heavier than he looks.

Chet W. Williams and his son, Frank, of Phoenix, Ariz., spent some time in Hereford last week. Williams is owner of Box Car Ranch, which the family has owned since 1906. Frank is studying at Vaco to become a doctor and Chet Williams is a lawyer in Phoenix. Frank Williams, Sr., known as "C Car," is still living in Phoenix and in fairly good health.

Miles Roberson is telling about visit he and others made re-

cently to the Porter Johnson ranch. Porter, it seems, has 26 big irrigation wells on his ranch with several thousand acres in milo maize all up to a good stand and turning red, which means that it is practically made.

Scheduled to be in Hereford today, Judge Harry H. Schultz will hold pre-trials in district court.

### Lettuce.....

(Continued from Page 1)

processors, including William's Farms of Texas, Englebretson-Grupe, Trautman Bros., Arena Texas Company, Charles Huston, Hoover Maeterlich and Howard Beasley. Around 400 acres of independent lettuce is also reported this season.

**Production Costs High**  
The only disadvantage of the present crop, growers said, is the high cost of production, due to excessive weeds which resulted from rains throughout the season.

The crop is slightly more than half of the 7,500 acres planted here last year, when excessive acreage, poor conditions and price factors contributed to make the season a losing proposition for most growers.

MEET THE WHITEFACES - Bobby Veigel, a sophomore in Hereford High School is going into his second year on the Whiteface team. Bobby saw quite a bit of action in 1953 as a halfback and linebacker on the defensive. This year Bobby is playing end. Slated for a good season, Bobby will probably play both offensive and defensive. (W. H. Patton Photo)

### Hospital Notes

#### Patients in Hospital

Fred Baird, Ella Mae Childers, David Escobeda, Mrs. Gerald Banner, Phillip Sharp, Jimmy Robinson, Mrs. Lucy Tate, Mrs. G. J. Glenn, Marvin Welty, John O. Nazworth, Earl Poarch, Mrs. Jim Shigley, Mrs. G. W. McCathern, Mrs. Betty Hershaur, Keith Hodges, Billy Ray Tilley, Bill Kelley, Ray Bosley, Mrs. J. O. Wright, Mrs. G. A. F. Parker, Mrs. H. M. Benefield, Mrs. W. F. Gillis, Mrs. Jesse E. Ford, Mrs. Mary Duvall, Mrs. Jim Smith, Barbara R. Ledford, C. V. Burges Sr., Mrs. Wilma Perkins, Mrs. James Winkle, Mrs. Bobbie Jean Purcell.

#### Patients Dismissed

Dennis Wayne Zellner, 9-6; Emmitt West, 9-4; Bill Gentry, 9-4; G. L. McAvoy, 9-5; Jose Pesina, 9-5; L. L. Arnold, 9-5; Jackie Broadus, 9-5; Mrs. Robert W. Lemons, 9-5; Lew Hindman, 9-5; L. E. Dowlen, 9-5; Walter M. Quisenberry, 9-4; Mrs. John Hampton, 9-5; Nina Simpson, 9-7; Carl Frye, 9-5; Rogelio Lara, 9-7; Lupe Rodriguez 9-7.

#### Births

Sons to Mr. and Mrs. Louie Brown, 9-3; Mrs. Bobbie Jean Purcell, 9-8.  
Daughters to Mr. and Mrs. James Winkle, 9-8; Mr. and Mrs. Gerald Banner, 9-6; Mr. and Mrs. G. J. Glenn, 9-5; Mr. and Mrs. Jim Smith, 9-8.

KODIAK, Alaska (FHTNC) - With the docking of the transport General H. B. Freeman at the U. S. Naval Station here, Navy Ens. Wade H. Thompson, Jr., son of Mr. and Mrs. Wade H. Thompson of Route 1, Hereford, Tex., was on hand to greet his wife, the former Miss Kathleen Brunson of Route 4, Hereford, who had traveled north to join her husband at his duty station. Ens. Thompson serves as Operations Officer with the Naval Port Control Office at the Navy's northernmost Naval Station. They are pictured in the lounge of the Freeman as they await clearance to disembark.

the agent's office at 9:45 o'clock Thursday morning. Members of the committee are Mrs. Roy Lee Wilson of Westway, Mrs. Bert Coffin of Progressive, Mrs. W. R. Scarth of Wyche and Mrs. R. C. Childers from the Cultural HD Club, who is chairman.

Mrs. Paul S. Corbett has been asked to sit in on the meeting and help work out plans for bookkeeping procedure for the market. Mrs. Corbett is going to keep the books for the H. D. Market and Gifts.

Mr. and Mrs. Paul S. Corbett returned Sunday from a vacation trip to Illinois and other points of interest.

Raymond Childers Jr., has to be in Austin Monday to register for the fall term at Texas University. This is Raymond's second year at the University.

Patsy Childers will register at West Texas State College for the fall term Monday.

Mr. and Mrs. Dean Bishop and daughter Elna, left Monday for Abilene where Miss Bishop will enroll at McMurry College.

Mrs. H. A. Cavness and children have returned from a ten-day visit with relatives in Austin.

Mr. and Mrs. C. E. Leasure Jr., of Amarillo were in Hereford Sunday to visit their parents, Mr. and Mrs. E. W. Young. Their children Cynthia and Ray returned to Amarillo with their parents after spending a few days here with their grandparents.

John Douglas Pitman spent the Labor Day Holiday in Santa Fe, N. M., where he attended the annual Fiesta Day celebrations.

### Council.....

(Continued from Page 1)  
The total amount of \$18,200.23. Some of the payments go back as far as 1920.

Highway 51 was also briefly discussed, but no action was taken on the project at the Tuesday night session.

### ROYAL MOUNTIES HALT BUS

### Highway 51 Delegation Winds Up In Canada; Back Via Yellowstone

(Note: The following article was written on the chartered bus tour, which took five Hereford men north from here into Canada as part of some 40 Texas boosters who made the trip to publicize International Parks Highway. The Hereford group included M. T. Rutter, John Backer, Guy Lawrence and the author, Jimmie Allred.)

By Jimmie Allred  
Billings, Montana—Sept. 4— We made the trip in grand style with one night (September 2) in Weyburn, Canada. They had a big dinner party for us and we were late, but they waited and such a show you never saw. When we marched in that group of Canadians were singing, "Deep in the Heart of Texas," and doing a good job. I suspected they would talk French but not so. If you didn't know it, you would think it an American City. We got the highway sold in good shape—but they had no money.

Before going into Canada we got to meet and speak to the Governor of North Dakota at a little town of Watsford City. He, too, was ready to pave the road but who would pay the bill? He thought we, and the Chamber of Commerce at Watsford City, had framed him for we were both after the same thing.

After spending the night at Weyburn, Canada we went on to Regina, the state capital of Saskatchewan. There, we toured the city and visited the Premier (Governor) in the Round Table Conference room where only top brass meets. I just knew some of those 32 Texans were going to lean back and prop both feet on that polished mahogany (Round Table) but they

didn't. He frankly admitted they were Socialists and held 42 seats in the Chamber to 11 for the Liberals.

Visit With Mounties  
We visited the North Western Royal Mounted Police headquarters there and took slides of it. That is their FBI for all Canada and don't think those boys aren't tough. They even patrol the highways. Some of the gang from Odesa made it up with one of the Mounties to stop our bus and take two of their boys off. The gaz worked good and those two boys were model boys for awhile. He was a good natured fellow.

Guy Is Mixed Up  
We are returning by Yellowstone Park and Denver. Will go through the park tomorrow. Poor old Guy Lawrence and I have a time keeping up with these old men we brought from Hereford. The other morning Guy came out of his room looking kinda sheepish. We pinned him down and he finally admitted we were rushing him. He said, "Fellows, it's awful when I get rushed dressing so that I put Veto on my tooth brush—Molle' on my arm pits and Gleam on my beard." I didn't tell the boys I got mixed up that way the first morning out.

We feel the highway tour was a success and I think a lot of good will come from it. Texas kept the tradition of being on the map I can assure you. Even the U. S. Customs Officer had to tell us a egg on Texas before he passed us through.

Sorry I couldn't run on schedule but we have been "Goin' Jesses I'll bet."

### Personals

J. Frank Owen of Oklahoma City is spending some time in Hereford with relatives. He is a brother of G. P. Owen, and Mesdames Reber Howton, Jack Roberson and J. B. Harlin. The two brothers went to Boys Ranch Monday to attend the Boys Ranch Rodeo.

Mr. and Mrs. L. C. Thomas returned home Monday after a Labor Day weekend trip to Dallas. They were accompanied home by her mother, Mrs. Ruth Reeves of Ranger, who will make her home here at 512 Knight Street.

California Visitor  
Mrs. Mae B. Miller of McFarland, Calif., and Mrs. Dora Gilbow of Burk Burnett, sister and cousin of C. C. Bowman, have been visiting in the Bowman home the past week. Mrs. Miller and Mrs. Gilbow left Tuesday morning for California.

**Why Speech With Business Courses?**

Why speech with business courses? Employers note quickly the lack of general background in their personnel, often in those with otherwise excellent skills.

The functional motivation of language skills is difficult; the science of English can become ambiguous drudgery.

Why this is so, is odd! For everybody enjoys self-expression. Democracy is not uniformity. Ideally democracy blends with education, by definition; discrimination and discernment, with toleration. You are you; no other is!

What better way to learn to speak, to speak correctly, to build a better vocabulary, than to stand on your feet and express yourself; to study and to hear the best language and thought with partially painless grammar!

**EVENING BUSINESS CLASSES** in downtown Hereford Tuesdays, Wednesdays, Thursdays, 8:30 - 9:15 location announced on Sunday, September 12th Mary Linnartz, instructor, Box 806. Advertisement.

CONGRESSMAN WALTER ROGERS SAYS:

# Food Surplus Is Not Crime

## THE DEATH OF EDC

When France recently refused to ratify the treaty creating an European Defense Community, official Washington was not surprised nor shocked. As a matter of fact, since the EDC proposal was executed at Paris on the 27th day of May, 1952, at no time has it been considered as having more than a fifty-fifty chance. That some difficulty was expected was evidenced by the following paragraph contained in article 132 of the treaty.

"In the event that all the instruments of ratification have not been deposited within a period of six months following the signature of the present treaty, the government of the states which have made such deposits shall consult among themselves on the measures to be taken."

The parties to the treaty were West Germany, Belgium, France, Italy, Luxembourg and the Netherlands. France and Italy were both expected to balk at ratification. However, it could be reasoned that if France could be said, Italy would, no doubt, follow suit. In other words, France held the key to the situation and everyone knew it. Everyone also knew that unless some substantial changes could be made in the general government setup in France, there was no chance of getting the treaty ratified, and even if it were ratified, it would be wholly ineffective because there could be no government set up to carry it into force.

As one leading columnist so ably put it, ratification depended entirely upon the affirmative votes of the members of several parties holding widely divergent political views. The all-out opposition to the plan found its nucleus in the 95 strictly controlled Communist members. Since the political parties in France all seem to be more or less extremists, EDC never had a chance. In other words, France does not have a substantial political party with several wings inside the party. Each party appears to be what we would call a Splinter Party. It is an excellent example of what can happen to any government when you fail to maintain some degree of balance in a national political party.

The creation of splinter type parties going off on every conceivable tangent creates a fertile field for Communism, because one of the basic axioms of both Communism and Fascism is "divide and conquer." The failure of EDC could have great value as a warning to free people everywhere that the success of a government must depend upon sound logical reasoning and a solid balance upon which

can be founded a united front. Yes, many of us were terribly disappointed that EDC did not become a reality, but I repeat, we were not surprised.

## THE AMERICAN LEGION

The American Legion has just concluded its 1954 convention in the National Capital. Contrary to many stories that were going around the country to the effect that the American Legion Conventions were boisterous, noisy, unwieldy and unwanted, I want to say that I have never seen a finer group in convention anywhere. They had fun, yes, but it was good, clean fun and everyone seemed to be in splendid spirits and having a good time. Everyone in Washington joined in the spirit of the affair, and it turned out to be a good, old-time American convention that will be well and pleasantly remembered for a long time. Charley Gibson and George Broome of Amarillo were both in town, and I had the pleasure of lunching with them. These two men have done a tremendous amount of work during their service in this organization. Their contribution to the American Legion is certainly evidenced by the many, many friends that they have from all over the world.

The parade lasted all afternoon and all night and was enjoyed by one and all. It started about two o'clock in the afternoon and ended up about three a.m.

## ONE-QUARTER MILLION DAILY

An attempt has been made to convince the American public that there is something criminal about a food surplus because there is a cost incident to the storage of such food. Of course, the way to remedy this situation would be to destroy all the surplus food and then you wouldn't have any storage cost. Certainly none of us would advocate any such foolish action as that.

While reading all this propaganda about how much it costs to store food, I got to wondering how much it cost to store money. I watched the daily statements of the Treasury Department and notice that during the past year, the daily cash balances have been somewhere between approximately 4 billion and 9 billion dollars. On August 30th of this year, the cash balance was 5 1/2 billion. Of this amount, approximately 4 1/2 billion was on deposit in banks which were paying no interest for the use of these funds. In other words, the funds were merely lying idle and being used by the banks in which they were deposited. Since this is all borrowed money, my figures show me that at two percent interest, the American taxpayer is paying some one-quarter million dollars a day in interest charges to store money in banks.

Mrs. Frances Houston and daughter Jane left Tuesday for Albuquerque, N. M., where Jane will enroll at the University of New Mexico.

Mr. and Mrs. Hugh Clearman and daughters spent the Labor Day weekend in Seminole with his father, W. C. Clearman.

Mrs. Varian J. Fuller and daughter Ann of Dallas are guests in the home of her husband's parents, Mr. and Mrs. Grant Fuller. She will be joined here Saturday by Mr. Fuller for a brief visit with his parents before going to Springfield, Mo., for a week's stay with her parents.

## What Was This Call Worth?

"Mommy, can I stay at grandmother's tonight?" That was little Carol's very first telephone call - a real thrill that can hardly be measured in dollars and cents. Yet, Mrs. Caroline Niemeyer, Carol's grandmother, can tell you what that call cost. She is one of a group of customers who kept day-by-day records of calls made for a week - a total of 30 calls covering 133 miles. Then she broke her telephone bill down into the actual cost per call. "I was amazed," she reported, "at how little my telephone service cost for all the convenience and happiness it delivers." SOUTHWESTERN BELL TELEPHONE COMPANY... A TEAM OF 27,000 TEXAS TELEPHONE PEOPLE... AT YOUR SERVICE.

"BOY, THAT'S EATIN'" said Eugene Combs, left, and C. Merritt, (top photo), as they helped devour their part of the 200 hamburgers which Hereford Firemen cooked and served to the Whiteface football squad Tuesday evening. Photo on the right shows Chels Glenn and Willard Witherspoon at the grille; Bill Brady, just back of Glenn, is loading the 'burgers with onions and pickles. (Staff Photo)

## Rules Listed In Golf Tournament

Hereford's third annual Invitation Golf Tournament will get underway Thursday morning, September 16, at 9:30 o'clock, according to Bud Posey, local pro and manager of the Hereford links. Both amateurs and professionals will compete in the local matches, which are expected to draw golfers from over a wide area. Division of players, schedule of events and general methods of conducting the matches are outlined by Posey in the following release. "There will be a Pro or scratch amateur shooter as team captains," he said; one "A" player (70 to 76), one "B" player (77 to 80), and a "C" player (86 and over) or one lady (ladies are especially invited to participate receiving one-half of their club handicap in each foursome.) Points will be scored as follows:  
**Scoring Points**  
Each bogey on each hole in each foursome—one point; each par—two points; each birdie—three points; each eagle—four points and any hole in one—10 points. The three foursomes having the highest number of points will receive merchandise awards. Entry fee will be \$5 for Pros and \$3 for amateurs.

Also on Thursday qualifying for medalist honors and championship flight will be held during the Pro-Amateur matches. All players not wishing to qualify may turn in their scores attested by their local professional. Entry deadline for the tournament is 3 o'clock Thursday afternoon.  
**Medal Play Tourney**  
As a special event the tournament will also have a 54 hole medal play tournament for professionals who will play their first 18 holes Thursday during the Pro-Amateur matches. "Entry fee for the tournament for both Pros and amateurs will be \$10. "C. F. McGinnis of Pampa is the defending amateur champion and J. D. Taylor of Santa Fe, N. M., is defending Pro champion. Sixteen players will be placed in each amateur flight, with such local standouts as Stan Barrett, Frank Cogdell, Don Martin, Bob Lindsey and others expected to make it tough on out of town players. The public is invited to watch the matches on any of the four days. Around 16 of the outstanding Pros in West Texas are expected to compete.  
**Schedule of Events follows:**  
Thursday, September 16—9:30 o'clock that morning—West Texas Pro-Amateur matches, qualifying for medalist honors and championship flight and first 18 holes of medal play for professionals.  
3 o'clock that afternoon—Entry deadline (no entries will be accepted after this hour).  
7:30 o'clock that night—Lunch for all contestants and wives (place to be announced, probably Jaycee Clubhouse).  
Friday, September 17—8 o'clock that morning—First round matches in all amateur flights.  
10:30 o'clock that morning—Second round matches in all amateur flights.  
10:30 o'clock that morning—Final 8 holes of medal play for professionals.  
Saturday, September 18—8 o'clock that morning—Second round matches and first round consolation matches in all flights.  
10:30 o'clock that morning—Final 8 holes of medal play for professionals.  
Sunday, September 19—8 o'clock that morning—Semi-final matches in all flights and consolation flights.  
4:30 o'clock that afternoon—Final round matches in all flights and consolation flights.  
6:30 o'clock that afternoon—Presentation of Prizes.  
**Amateur Prize List**  
Medalist—pen and desk and an eight inch trophy; winner of championship flight—31 inch trophy and Wilson Free For All Jacket; winner of all other flights—25 inch trophy and Wilson Free For All Jacket; runner-up of each flight—

electric clock and 17 inch high trophy; consolation winner of each flight—17 inch trophy.  
**Professional Prizes**  
First—\$175; second—\$100; third—\$75; fourth—\$65; fifth—\$50; and sixth—\$35.  
**Garden Beautiful Club Has Meeting**  
Mrs. Gerald Wilson was hostess for the opening session held by the Garden Beautiful Club Friday afternoon. Mrs. G. P. Owen was co-hostess.  
Mrs. D. B. Roberson, president, conducted a business session and Mrs. George Graham, year book chairman, distributed year books and conducted a roll call program with members describing something beautiful seen the past summer. Included in the roll call were local spots of interest, scenic spots visited by members on vacation to the Gulf and to the mountains. Mrs. Frances Houston told of beautiful places visited on a two months tour of Europe.  
Those in attendance were Mesdames S. L. Easley, George Graham, J. B. Harlin, E. W. Harrison, E. W. Hobson, Charles Hood, Frances Houston, Harold Kaestner, D. C. Kinsey, F. P. Lyons, Dick Miller, J. L. Woodford, Robert Veigel, G. P. Owen, Helen Pipkin, D. B. Roberson, Mary Seigler, E. W. Solomon, W. J. Stanford, Miss Frances Turrentine and the hostess.  
Rev. and Mrs. R. H. DeLancy left Monday for their home in Oklahoma City after a short stay here with Rev. and Mrs. Walter Lane.  
Mr. and Mrs. H. M. Cogswell are entertaining Mr. and Mrs. T. J. Caldwell of Benton, La., this week. The two couples left Tuesday morning for Ruidoso where they planned to spend several days.  
Mr. and Mrs. Geo. Cameron and children of Dimmitt visited her parents, Mr. and Mrs. J. B. Harlin Sunday.  
Mrs. Hubert Regensberg and children of Fort Worth are visiting her parents, Mr. and Mrs. N.B. Hood.

## Legal Notice

TO ALL RESIDENTS OF THE CITY OF HEREFORD:  
In accordance with the terms of the City Charter, notice is hereby given that the Honorable City Commission of the City of Hereford, duly enacted and passed at its meeting held on September 7, 1954, the following ordinance imposing a penalty for the violation of its provisions, the caption of such ordinance reading as follows:  
"A zoning ordinance dividing the area within the corporate boundaries of the City of Hereford into districts in accordance with a city-wide comprehensive plan; defining certain terms; regulating the location, size, height, bulk and use of buildings within such respective districts; fixing the percentage of any lot or tract of land to be occupied in the various districts; regulating the size of yards, courts and open spaces in each particular district; regulating the density of population, structures, buildings, lands, industry and residences in the erection, repair, and alteration of all buildings and structures in each particular district; adopting a zoning map, making it a part of this ordinance; providing for the location and outline of all districts on said zoning map and making all figures, letters, markings and colors on said map a part of this ordinance; providing for a method of enforcement of this ordinance; providing for a certificate of occupancy and compliance; creating a board of adjustment and defining its powers and duties; providing a penalty for a violation of this ordinance; providing a method of amending and changing this ordinance; and providing for the validity of this ordinance."  
The purpose of this ordinance is to divide the City of Hereford into zoning districts, and provides for each such district regulations concerning permissible uses, lot sizes, depth and width of yards, and other restrictions on the use of property within said city. Such ordinance also provides for the necessity of applying for a certificate of occupancy and compliance before beginning the construction or alteration of any building, and before changing the character of use of any building. A Board of Adjustment is appointed for the purpose of hearing and determining requests for changes in said ordinance, and for variances from the terms of such ordinance.  
The ordinance provides for a penalty of not more than \$100 for each violation thereof, and further provides that each day that a violation continues shall constitute a separate offense.  
This ordinance shall take effect and shall be in full force from and after the 20th day of September, 1954.  
BY ORDER OF THE MAYOR:  
Thelma Jersig,  
City Secretary  
(SEAL) B-36-2c

## Two Will Attend Pantex Classes

Mrs. M. T. Rutter, president of the Hereford Garden Club, and Mrs. A. L. Manjeot, District I Governor, Texas Federated Garden Clubs, will attend a short course at Pantex, September 10-11, according to present plans.  
The course is sponsored by Texas A&M College and will stress the theme of "Home Improvement." Miss Sadie Hatfield of the Extension Department will have charge of the classes.  
Mr. and Mrs. Geo. Cameron and children of Dimmitt visited her parents, Mr. and Mrs. J. B. Harlin Sunday.  
Mrs. Hubert Regensberg and children of Fort Worth are visiting her parents, Mr. and Mrs. N.B. Hood.

# New Law Allows Transfer Of '55 Wheat Allotments

Transfer of wheat allotment acreage between individuals will be possible under the 1955 program, according to releases received this week by Faust Collier, manager of the Hereford ASC office. The transfers will, of course, have to be cleared and handled through the ASC office, and will operate much the same as the cotton acreage allotments this year.

Such transfers, long demanded by producers in this area, allow the farmer to drop acreage one year without ultimate loss of the acreage to the county and, at the same time, give other producers additional acreage for the specific year in question.

**Summary Of New Law**  
A summary of the legislation, recently enacted by Congress, follows:

**Ellis' CORN BEEF HASH**  
A super supper treat!

"Any part of any 1955 farm wheat acreage allotment on which wheat will not be planted and which is voluntarily surrendered to the county committee shall be deducted from the allotment to such farm and may be reapportioned by the county committee to other farms in the same county receiving allotments in amounts determined by the county committee to be fair and reasonable on the basis of past acreage of wheat, tillable acres, crop rotation practices, type of soil, and topography. Any allotment transferred under this provision shall be regarded for the purposes of subsection (c) of this section as having been planted on the farm from which transferred rather than on the farm to which transferred, except that this shall not operate to make the farm from which the allotment was transferred eligible for an allotment as having wheat planted thereon during the three-year base period: Provided, That notwithstanding any other provisions of law, any part of any 1955 farm acreage allotment may be permanently released in writing to

the county committee by the owner and operator of the farm, and reapportioned as provided herein. Acreage surrendered, reapportioned under this subsection, and planted shall be credited to the State and county in determining future acreage allotments."

**Nov. 5 Is Deadline**  
The State Committee has set November 5, 1954 as the final date for the release of farm wheat acreage allotments by owners and operators and November 12, 1954 as the final date for the reapportionment of released acreage by the County Committee.

Additional instructions regarding the release and reapportionment of wheat allotment will be issued within the near future, Mr. Collier said.

## Damages \$425 In Local Accidents

Intersection collisions in Hereford Monday caused approximately \$425 damage to the vehicles involved.

The first collision occurred Monday morning about 7 o'clock at the intersection of Highway 60 and Main Street.

Frank A. Steinbock of Muleshoe, driving a 1952 GMC pickup, was going east on Highway 60, the signal light was green and had just changed to red. Rocio Garza, driving a 1950 International truck, was going north on Main Street and according to police reports failed to stop at the signal light and the two vehicles collided.

About \$350 damage was done to the pickup and no damage was done to the truck.

Garza was charged with failure to grant the right-of-way and running a signal light.

**Second Accident**  
West Third Street and Miles Avenue was the scene of the second collision Monday night about 9:35 o'clock.

Don Davison, driving a 1953 Chevrolet, was going west on West Third Street and John E. Andrus of Kress, driving a 1951 Ford pickup, was going south on Miles. According to police reports, Andrus

**PONY PIVOT POSSIBILITIES** — Leading contenders for the center spot on the 1954 Southern Methodist U. football team are Bill Livingstone, left, and Burleigh Arnecke. More than 60 Mustang squadmen turned out for start of practice. (AP Photo)

stated he was looking for a stop sign on the corners and did not see the stop sign in the middle of the street, therefore, he did not stop and the two vehicles collided.

About \$75 damage was done to the Chevrolet and no damage was done to the pickup.

Andrus was charged with failure to grant the right-of-way by running a stop sign.

## DWI Charge Gets \$75 Fine, 10 Days

Lester Case plead guilty to Driving While Intoxicated in County Court here Wednesday morning and was sentenced to 10 days in jail and a \$75 fine by Judge Horace L. Schloss. His driver's license was also automatically suspended.

Case was arrested between Hereford and Dawn on U. S. Highway 60 Monday night by the State Highway patrol and was placed in the Deaf Smith County jail.

The young people of the Assembly of God Church attended a picnic at Buffalo Lake Monday. Also the young people of the Grape Gospel Church attended a swimming party at the Lake Monday.

## Personals

Mr. and Mrs. W. O. Shelton of Hereford visited in the home of their daughter and family, Mr. and Mrs. Leslie Bailey, of Clovis over the weekend.

Rev. and Mrs. Walter Lane and family, Rev. and Mrs. DeLancy, Lorraine and LeGrand Morton and his fiancée Dorothy Sims, of Happy attended the Boys Ranch Rodeo at Boys Ranch Monday.

Mr. and Mrs. Don Snyder and children of Albuquerque, N. M., spent the Labor Day weekend in the home of her parents, Mr. and Mrs. Offos Vick, 420 Blevins. Mr. and Mrs. Eddie Layman and daughters of Dimmitt, joined them for Sunday dinner.

Mr. and Mrs. Irvin Botsford and family of Waxahachie, are visiting in the home of his parents, Mr. and Mrs. R. W. Botsford, 420 Avenue B.

Edgar Rice and daughter, Caroline, left Wednesday for Keokuk, Ia., to be with his daughter and son-in-law, Mr. and Mrs. Stanley Kennedy, and son, Paul Edgar.

They took with them Mr. and Mrs. E. M. Rice, who stopped off in Union City, Ind., where they will visit their daughter and son-in-law, Mr. and Mrs. David Dean, and family. They plan to return after a two week's visit.

For the last week and a half, Bill Murn from Palmyra, Wis., had been visiting in the home of his brother, Jim Murn, and family of Hereford. He left for Palmyra early Monday morning.

Billy Miles, a service boy, visited in the home of his parents, Mr. and Mrs. E. J. Miles, over the holiday weekend.

Visiting in the home of Mr. and Mrs. Woodrow Welty and family the last few days were Mrs. Welty's sister and husband, Mr. and Mrs. Fred DeOlivera from Tucumcari, N. M.

Mr. and Mrs. Lee Lawrence,

newlyweds, of Tyler will arrive this weekend for a visit with his grandparents, Mr. and Mrs. F. H. Oberthier.

Mr. and Mrs. Clovis Brooks from San Fernando, Calif., have been visiting in the home of Mr. and Mrs. J. H. Brooks of Hereford. They went on to Dallas and Fort Worth Wednesday morning.

**NEW RESIDENTS**  
Mr. and Mrs. Earl McElwee are new residents of Hereford, coming here from Sulphur, Okla. They have purchased the home owned by Mrs. Zula Gilliam, 510 Miles Ave. Mrs. McElwee is a daughter of Mrs. T. H. Coursey and a sister of Mrs. W. L. Davis Sr.

Mrs. J. M. Thomson of Denver, Colo., formerly of Hereford, is in Hereford looking after business interests and visiting with friends.

**Do You Suffer From FATIGUE?**  
If You Are Wearing That Look of "False Old Age"  
Feel Tired Out, Depressed, or Suffer from Sleeplessness, Constipation, Lack of Appetite, or Digestive Disturbances  
Your trouble may be caused by iron-poor blood or a system starved for nature's essential vitamins and minerals. If so, you need suffer no more. In just one day **Drugs-Met Tablets** high-potency iron, multiple vitamins and blood-building elements are in your blood stream, carrying new strength and energy to all parts of your body. Then watch your elimination. Soon after you start taking **Drugs-Met Tablets**, the lazy organs will go back to work and you will notice that the black waste and the impurities begin to leave your body.  
You will feel a wonderful change, the years will seem to slip away and you will enjoy wonderful new pep and vitality, look and feel younger. Get non-habit-forming **Drugs-Met Tablets** (rich in iron, liver, yeast, concentrate and stomach substances with 8 vitamins and 5 minerals). For men, women and children. There's nothing else just like **Drugs-Met**. Results in 7 days or your money back. Only \$1.98 for a month's supply.

# H. D. Delegates Give Report Of Convention

Delegates to the 28th annual Home Demonstration Association Convention held in Dallas August 11, 12 and 13, gave their report of the convention Saturday in the district court room.

Delegates from this district, who went by chartered bus were: Mrs. A. E. Hodges, Mrs. Clarence Saulcy, Mrs. Ruth Coleman and Mrs. Edgar Telchik. Mrs. Milton McGeehee from Wayside, the new district vice president for this district also attended.

One of the speakers at the convention was Mrs. Lisa Sergio, who spoke on the theme of the convention, "Home—The Cornerstone of Freedom." Mrs. Sergio, who was

born in Italy, was the first woman radio commentator in Europe. She was arrested by the communists but with the aid of friends she escaped and made her way to the United States, the delegates said.

She said that "isms" are undermining the home today and it is the job of American women to see that our young people are trained to fight communism.

Miss Maurine Hearn spoke on "Observations on Bolivia." She is the former Home Economics Advisor to Bolivia. The women there, she said, are especially interested in establishing Home Demonstration clubs. They would like to can their fruits and vegetables but

it is almost impossible with fruit jars costing 80 cents a piece. Clubs in this country are buying books and sending them to the high school there for a library.

Workshops were held in 4-H, education, civil defense, health and citizenship.

International relations were stressed throughout the convention and the women adopted a resolution to give scholarships to three girls instead of two as in the past.

New officers for the coming year were elected.

## Household Scrapbook

By Roberta Lee

### Pressing Trousers

Turn the trousers wrong side out, dampen knee thoroughly and allow to dry for 30 minutes; then press dry; this takes out the bag and allows cloth to shrink properly. Then dissolve equal parts gum arabic and gum tragacanth in 1/2 pint hot water. Shake until thoroughly dissolved. Turn trousers and moisten strip 2 inches wide down leg. Turn right side out and press with hot iron until dry. This kind of crease will hold for a long time.

### Falling Hair

Falling hair should be brushed

well every night and morning, and shampooed every two weeks with castile soap suds. Then rinse thoroughly.

### Odors

Disagreeable odors in a room may be removed by burning an orange peel on top of the range, in a grate, or on a shovel.

### The Teeth

Lemon juice will remove tartar from the teeth, but it should be removed thoroughly after the cleansing by rinsing with lukewarm water, as acids are injurious to the teeth.

### Aluminum

To remove burnt stain from aluminum, or any other unsoldered vessel of tin, brass, or iron, place it while empty over the gas flame or fire, until red hot.

### A Starch Substitute

Use borax water in the place of starch for stiffening sheer col-

lars or voiles. Use a solution of weak gum arabic for silks and crepes.

### Prevents Heat

Do not leave a fork, spoon, or other metal utensil in a pot which is desired to heat rapidly, as the metal will deflect the heat and prolong the time of reaching the boiling point.

### Oily Skin

A good remedy for oily skin is to wash daily with hot castile soap suds. Rinse in hot, then cold water. Do not eat fats. Drink plenty of water.

### Green Peppers

When stuffing green peppers for baking, if they are oiled first they will not turn brown when placed in the oven.

### Sneezing

A fit of sneezing can be stopped by swallowing three or four tablespoonfuls of milk very slowly.

Want something special for a party? Serve canape puffs! Make up a standard cream puff paste and put scant teaspoons of it at least an inch apart on a greased cookie sheet. After the tiny puffs have baked cut a circle from the top of each and fill with chicken or seafood salad. Put the cut-out circles back on top of the filling and serve.

## Traffic Laws Reviewed In Local Police School

A police school on traffic law enforcement opened Monday night with an address by James C. Shaw, training specialist of the Bureau of Education Department of Public Safety at Austin, one of the directors of the school.

The school will be held each night through next Thursday at the City Hall from 8 o'clock to 10 o'clock.

In his opening address, Shaw said that one needs to know all state traffic laws or know how to find them and also local ordinances. Reasons for this are: to be able to recognize violations, to do your duty, to be professional and to merit better wages.

There will be talks and lectures on traffic law, driver's license law, accident investigation, public relations and traffic law enforcement.

Other instructors for the course will be: Sanford B. Lee, Captain of the Driver's License Division of

the Department of Public Safety at Lubbock; Harry Leach, training specialist of the Bureau of Education of the Department of Safety at Austin; Lewis E. Berry, Supervisor of the Civil Defense and Public Safety Education of the Department of Public Safety at Austin and J. C. Laws, Chief of the Bureau of Education, of the Department of Public Safety at Austin.

At the close of this class, certificates will be presented to the men who have completed the course, including law enforcement officers over this area.

## Timely Tips for Better Foods

Teatime treat: Make lengthwise crust in the op of brown-and-serve rolls; insert a piece of cheese and one of partly-cooked bacon in each cut. Brush the tops of the rolls with melted butter or margarine, sprinkle with paprika and bake according to package directions.

Vary those breakfast pancakes! Add chopped apples or pecans to the batter. Serve with honey or maple syrup.

Here's a pantryshelf salad. Put a can of fruit cocktail (unopened) in your refrigerator freezer compartment overnight. When you are ready to serve, cut both ends from the can and push out the frozen fruit. Cut in slices, arrange on lettuce and serve with a dressing of whipped cream mixed with mayonnaise.

Small fry love this sweet: melt semi-sweet chocolate and stir in some raisins; drop onto waxed paper.

If you want to be absolutely sure that your white sauce will have no lumps, blend the melted fat and flour together over low heat, then remove from heat and gradually stir in the milk. Take care to see that you have stirred the mixture smooth before putting it back on the heat. Cook and stir the sauce over moderately low heat until thickened and bubbly.

Q. Is there something I can do to add luster to my eyes?  
A. A bit of brillantine, smoothed on the eyebrows and lashes with a bit of cotton on a toothpick, will often accomplish this.

Q. How can I mix myself a quick home facial mask?  
A. Just paint the white of an egg over the face and throat, allow to remain for 10 minutes, then remove with warm water. This is very effective for beautifying the complexion.

Q. What is a good exercise for slimming abdomen and hips?  
A. Lie flat on back, arms overhead, knees straight, toes pointed. Lift torso slowly to a sitting position, breathing in. Bend forward from waist to reach the toes. Don't hunch the shoulders. Reverse, raising arms overhead, then slowly lower torso to the floor, starting from the small of the back.

Q. How can I lubricate dry, or weather-toughened skin?  
A. Olive oil, oil of sweet almonds, cucumber oil, or odorless castor oil all are good for this purpose.

## Beauty At Home

Q. How can I make up to shorten the appearance of a very long face?  
A. Wear your hair medium-long, parted on either side, and combed away from the face, with perhaps a chignon. Shape your eyebrows straight and heavy. Apply mascara and eyeshadow only on the outer corners of the eyes. Blend your rouge deftly on the outer edges of the cheeks. Apply lipstick to the full outline of your lips.

Q. How does one go about making a chin strap to help reduce a double chin?  
A. Soak several thicknesses of gauze in chilled witch hazel, and the firmly around face and under the chin.

Q. How should a girl make up if she dislikes using rouge?  
A. She can use the rosy shades of foundation, and powder heavily over the areas where rouge is not normally placed, and slide just a thin film of powder or none over the area that would have been rouged. This gives her the blush note she needs without rouge application.

Q. There are signs of dandruff on my scalp. How can I check this?  
A. Faithful and regular scalp massage, oil treatments, and more frequent brushings and shampooing should provide your answer.

Q. Can you recommend any particular kind of skin astringent?  
A. Jus plain witch hazel, sprayed on with an atomizer, is one of the best.

Q. How can I make up to minimize a rather prominent nose?  
A. Blend your eyebrows in an arch and blend your rouge high and near the temples. Apply a darker shade of powder on the sides of the nose—a lighter shade down the center. The foundation lotion or cream should be applied in a similar manner.

# HD Chatter

by Argen Draper

One of the Market's most regular customers is Mrs. Leo V. Gallegher. She always buys baked goods. They like chocolate cakes as that is always in her purchase. She calls her orders in early on Friday and then picks up the products at her convenience. The women who work at the Market will take your orders and save the food for you.

Only H. D. Club women sell through the H. D. Market and Gifts.

Any club woman who specializes in a baked product will take your order to be delivered through the

week.

The program at Pan-Tex is complete. The programs on roses are being given by the president and past - president of the Amarillo Men's Garden Club. Those giving parts will be Judge W. E. Nelson and Mr. Floyd Studer.

Mrs. Floyd Brown and Mrs. Elmo Hall are planning to go to Pan-Tex for the program on September 10. Elmo Hall is going, too, as he thinks there'll be a good program of interest to farmers.

The Messenger H. D. Club will meet on September 13 instead of regular meeting the second Friday, so we can go to Pan-Tex.

## Peach Pie Hits Tops In Eating

Several requests have come in for a peach pie recipe that calls for brown sugar and uses only one crust.

The season for fresh peaches is nearly over but since frozen peaches may be used successfully the pie may be made any time.

### Peach Pie Supreme

Line a pie pan with crust and flute the edges to make them stand up high so the pie will not boil over.

Spread one cup of sliced peaches over the bottom of the crust. Mix together one cup brown sugar and one fourth cup flour and sprinkle over the peaches. Pour one scant cup of sweet cream over the top and bake at 325 degrees (a slow oven) until the pie is set and brown on top.

If fresh peaches are used and one wishes to freeze the pie all the ingredients but the cream may be put into the unbaked crust and frozen. The pie may then be wrapped in aluminum foil and kept in the freezer for several weeks or even months before it is used. To bake simply take the pie out of the freezer, pour the cream over the top and bake according to directions above. Allow a longer time for baking. The pie may also be frozen after it is baked but should be used in a short time and should be allowed

to thaw before serving. It may be set under the broiler a few minutes to warm if desired.

Happy Homes 4-H Club met August 26 in the home of Beatrice and Cecelia Wilhelm. The meeting was called to order by Martha Logan, president. Carlyn Williams led the song "Tell Me Why." Roll was called and minutes read by Pat Dawson, secretary.

Mrs. Loyce A. Sullivan gave a demonstration on assembling record books.

Carlyn Williams and Jane Newsum led the girls in several songs after the business meeting. Mrs. Sullivan was presented with a wedding gift from the club and their leader, Mrs. Ira Ott.

Refreshments were served to Martha and Jean Logan, Carlyn Williams, Pat Dawson, Jane Newsum, Carol Phifer, Mrs. Sullivan, Mrs. Ott, and the hostesses.

The next meeting will be on September 9 at the home of Carlyn Williams.

If you are broiling a thin steak—

one less than an inch thick—slash the edges of the fat in a number of places to prevent curling.

CONVERTING WASTE WATER into lawns and garden produce has been profitable for the D. M. (Pete) Cowart family, which live on South Main Street. Above, water gushes from the outlet. Mac has just primed the primitive pump with a garden hose; Donnie and Patsy Cowart inspect the results. Right may be seen the three h. p. gasoline motor which is used to lift the water from ditches alongside the road and transfer it to the Cowart lawn and garden plot. (Staff Photo)

Ingenuity Results In Low Cost Irrigation

A lot of waste water has run under the bridge but a part of it on South Main Street never gets to the creek since D. M. (Pete) Cowart rigged up a pump to take it out of the bar pit to water his garden and lawn.

Mrs. Cowart says for three years or more they watched the water run by their house from vegetable crops to the south. Three years ago her husband figured out a system for raising the water up to their yard level for irrigation.

The complete set-up includes a short piece of four inch pipe extending horizontally from the bottom of the ditch near the center to the edge next to the yard where it is connected to a 5 gallon metal drum. Over the open top of the barrel a pump sets to siphon the water up through a two inch hose where it pours out to flood the lawn, flowers and shade and fruit trees around the house. Or if the garden is to be watered the water is directed through a pipe under the driveway to flood the big garden or to water it row at a time as the need arises. The pump which must be primed to start is powered by a three horse power gasoline engine.

Since the well at the house which had formerly been used to water the garden is giving trouble later even for household use the Cowarts are doubly pleased with the project put into operation by Mr. Cowart.

When you are unmolding baked custard, run a sharp-pointed knife around the sides of the custard cups to loosen before turning out.

There are a number of ways you can use your pastry tube decorating set. It not only does a festive job of frosting for cakes and cookies, but it will make delightful mashed potato borders for casseroles, fancy toppings for canapés, spreads and whipped-cream decorations for chiffon and other pies.

## Cook Family Honored At Cultural Club Meeting

A total of 65 persons attended the Cultural Home Demonstration Club's annual picnic which honored the R. N. Cooke family who were house guests of the R. C. Childers last week. The picnic was held in the backyard of the Childers' farm home on Friday night.

Guests served themselves from tables which were loaded with fried chicken, salads and other foods included in picnic fare. Cake and icecream were served to the following: Mr. and Mrs. Grady Parsons, Mrs. Ella Mae Childers, Jimmy and Joe, Mr. and Mrs. A. C. Hershey, Marvin and Patricia, Mrs. Pat Robinson, Diane, Marcia, Teresa, Kathleen, Vance and Donnie Jackson, Mr. and Mrs. Fred Wolfington, Mrs. J. T. Richardson and her-sister and grandson Chris

Richardson, Mr. and Mrs. Marti Mason, Tommy and Dickie Bob, Mr. and Mrs. Art Lewis and their nephew, Mr. and Mrs. M. G. Caywood, Patricia and Buckle, Leroy Packard, Mr. and Mrs. Jack Renfro, Mrs. Edgar Telchik and Mozelle, Mr. and Mrs. Cecil Lady, Mr. and Mrs. Earl DeHart and Kenneth, Mrs. Louie Olson, Mrs.

C. S. Barclay, Larry and David, Sue Savage, Keith Savage, Joe Hershey, Wayne Lady, Clayton Rutter, Patsy Jackson, Jim Lowery, Bob Lowery, the honorees, Mr. and Mrs. V. Cooke, Sue, Colleen, Jan, Carolyn and Robert and the hosts, Mr. and Mrs. R. C. Childers and Patsy and Raymond.

To loosen peach skins, dip the fruit into boiling water for about one minute, then cool in cold water, remove skins and pit. Very ripe peaches may need even less than a minute of dipping.

# Dawn News

By Bertha Frye  
 Steve and Charles Parker of Hereford spent the weekend in the home of their grandparents, Mr. and Mrs. George S. Parker.  
 Mr. and Mrs. Joe Evans visited relatives in Lubbock Sunday.  
 Mr. and Mrs. John Wallace and family of Decatur spent several days last week in the Joe Evans home.  
 Edgar Rice and daughter, Caroline, of Mississippi were Sunday dinner guests in the Walter Galley home.  
 Mr. and Mrs. Charles Corder visited Boys Ranch Labor Day.  
 Over night guests Sunday in the

home of Mr. and Mrs. R. A. Frye were her brother and family, Mr. and Mrs. Wayne Griffiths, Donna Kay and Garland, of Fort Worth.  
 Weekend visitors in the Zed Stewart home were: Mr. and Mrs. Bert Robinson and Lawana of Bowie, Mrs. James Robinson and son, Mr. and Mrs. Wesley Owings and children of Oklahoma City, Okla., Mr. and Mrs. Harold Robinson of Canyon and Dwayne Stewart of Artesia, N. M.

**H. D. Meeting**  
 The Dawn Home Demonstration Club met Friday afternoon in the home of Mrs. J. M. Carathers and elected new officers for the coming year. Mrs. Pat Sullivan, H. D. agent, met with the group.  
 Visitors last week in the Alfred Smith home were: Mrs. John Cammack and Mrs. Joe Baird and children of Nara Visa, N. M., Ruth Cammack of Washington, D. C., and Gertrude Cammack, who recently returned to this country after spending two years in Japan. Mrs. Baird and Miss Cammack are sisters of Mrs. Smith.

Mr. and Mrs. Bill McCabe and children of Borger spent Labor Day weekend with Mr. and Mrs. H. V. McCabe.  
 Mr. and Mrs. J. R. Oglesby of Mobeetie spent Sunday in the J. B. Caraway home.

**Birthday Dinner**  
**Honors Clifford Stewart**  
 A birthday party honoring Clifford Stewart was held Thursday night in the Stewart home. Those present for the occasion were: Mr. and Mrs. W. J. Stewart of Canyon, Mr. and Mrs. Ray T. Stewart and family, Mr. and Mrs. J. B. Caraway and family, Mr. and Mrs. Zed Stewart, Mr. and Mrs. Marion Russell, Mr. and Mrs. Edgar Lemons and family, Miss Donna Caylor and Ralph Atchley and the Clifford Stewart family.

A dinner was given Friday night in the home of Mr. and Mrs. Walter Galley in honor of Wanda Sue Wimberley and J. T. Cronin, who are leaving for college. Those attending included: Wanda Sue Wimberley, Irene Galley, J. T. Cronin, Bobbie Miller, Manuel Beavers and Mr. and Mrs. Galley.  
 Mr. and Mrs. Zed Stewart and Dwayne left Monday afternoon on a vacation trip to Richmond, Calif.

Mrs. Hank Battenfield and children returned to their home in Alamogordo, N. M., Friday after a week's visit in the home of Mrs. Lloyd Bentley.

**Buffet Supper Held**  
 A buffet supper was given Friday night in the H. H. Miller home. Those attending included: A-lc and Mrs. H. M. Thompson and Angela, Misses Avis and Jeanette Thompson of St. Paul, Minn., Mae Thompson of Fertile, Minn., Mr. and Mrs. Billy Hill and Billie Helele and Mr. and Mrs. Marvin Olsen of Amarillo.

Miss Wanda Sue Wimberley entertained a group of young people with a dinner in her home Sunday evening. Those attending were: Ginger Smith of Amarillo, Marilyn Legg and June Marian Smith of Hereford, Irene Galley, Pat Miller, Billy Bob Carmichael, Manuel Beavers, Bobbie Miller and the hostess.

Sara Jo Smith accompanied Mr. and Mrs. Quattlebaum and their daughter, Walla Jean, to Ceta Glen Canyon over the weekend.

## Black Club Holds Thursday Meeting

Names were drawn for club pal friends for the coming year and club books were distributed at the regular meeting of the Black Social and Study Club Thursday afternoon in the Community House.

It was also decided that ladies of the club would have a booth at the fair with a baked food sale and other articles of food. Maudine Edelman read the by-laws of the club and then an examination was given. Lucille Rockey won the prize for the most correct answers.  
 Those attending were: Eleanor Prewitt, Janis Patton, Emma Elmore, Carrie Tatum, Lucille Rockey, Irene Lathem, Buela Mae Deaton, Christine Braxton, Altha Presley, Maxine Price, Anna Mae Hays, Ethel Bengler, Jessie Douglas, Maudine Edelman and the hostess, Mildred Barnett.

**LABOR DAY GUESTS**  
 Guests over the Labor Day weekend in the home of Mr. and Mrs. Excel Brashear were her sister and family, Mr. and Mrs. Grant Stapp and children, her mother, Mrs. Agnes Funk, and Mr. and Mrs. Lawrence Molman, all of Oklahoma City. Mrs. Stapp and Mrs. Molman were German war brides. Mrs. Molman formerly lived in Munich and Mrs. Stapp and Mrs. Funk came to this country from Butzbach.

PHYLLIS SUMNER

## Will Present Recital Sunday

Phyllis Sumner will be presented in a Piano Recital at the home of Mrs. Ellis Coombes on Sunday afternoon, September 12 at 4:30 o'clock.

Miss Sumner has completed a correspondence course under a music school in St. Louis under the direction of Mrs. Coombes and the recital will be in completion of a piano elementary 1. Examination.

Included on her program will be Scales, major and minor, Etudes, Folk Tunes, interpretation and memory work. Interested friends are invited to attend.

## Black News

By Altha Presley  
 Attending the soil conservation banquet at Farwell Thursday night from Black were Mr. and Mrs. Clyde Hays, Mr. and Mrs. Pete Braxton, Mr. and Mrs. John Bengler and Mr. and Mrs. Tom Presley.

Mr. and Mrs. W. H. Barnett of Childress were guests in the Johnny Bengler home last week. Mrs. Bengler is their daughter.

Bud Elmore and H. C. Wells attended the rodeo in Woodward, Okla., last week.

Mr. and Mrs. Loyd Pruitt and children, Graham and Ann, spent a few days at Red River last week.

**Attend Reunion**  
 Mr. and Mrs. Pete Braxton and boys, Jim and Ray Gene, attended a Southall family reunion in Amarillo Sunday in the home of Mr. and Mrs. Gene Southall. Mr. Southall is county agent of Potter County.

Mr. and Mrs. Laurie Higgins of Los Angeles, Calif., are visiting in the homes of Mr. and Mrs. Howard Elmore, Mr. and Mrs. Dick Rockey and Mr. and Mrs. Bud Elmore.

Mrs. Helen Fangman and boys and Mr. and Mrs. Eular were hosts for the square dance club Friday night. They have a new loud speaker and equipment.

Mr. and Mrs. D. C. Allmon were in Black on business Tuesday.

Mr. and Mrs. Pete Braxton were in Amarillo Friday.

Mr. and Mrs. Ross Latham vacationed in New Mexico and Colorado the past week.

Mrs. Glenn Roberson is on the sick list this week.

Mr. and Mrs. E. W. Tatum attended a family reunion at Albany over the weekend.

Mary Tatum spent Saturday night and Sunday with Barbara Deaton.

## Shower Thursday For Mrs. May

DAWN—A pink and blue shower honoring Mrs. Melvin May was given Thursday afternoon in the home of Mrs. Edgar Lemons. Co-hostesses were Mrs. Ray T. Stewart, Mrs. Reece Stewart, Mrs. Marion Russell, Mrs. Carl Wimberley and Mrs. Will Gentry.

Those attending the shower were Mrs. Ernest May, Mrs. Murphy White, Mrs. Baker Wombie, Mrs. Alfred May, Mrs. Zed Stewart, Mrs. Paul McClung, Mrs. Marvin May, Mrs. Walter Lemons, Mrs. Ellis, Miss Martha Jean Waller and the honoree and the hostesses.

Mrs. A. L. Manjeot plans to be in Paducah today where she will attend the opening session of the Paducah Garden Club. As district 1, governor she will also pay official visits to garden club groups at Floydada and Lockney.

## DELICIOUS DINNER

Broiled Shoulder Lamb Chops  
Curried Pecan Rice  
Green Peas Salad Bowl  
Bread and Butter  
Fruit Beverage  
**CURRIED PECAN RICE**  
1 cup converted-type rice  
2 1/2 cups boiling water  
1 teaspoon salt  
2 tablespoons butter or margarine  
1 teaspoon curry powder  
4 teaspoons currants (rinsed in hot water and drained)  
1/2 cup chopped (medium-fine) pecans  
Put rice, boiling water and salt in 1-quart saucepan; bring to a boil. Cover and cook, over heat just low enough so water bubbles gently, until rice is cooked through and water is absorbed—about 25 minutes. Cut butter in small bits and add; sprinkle curry powder over top of rice. Add currants and pecans and toss gently with fork so curry powder colors rice evenly. Serve at once or keep warm uncovered in a low oven. Makes 6 servings.

## FAMILY DINNER

Roast Duckling  
Mashed Potatoes  
Orange and Cucumber Salad with Ginger Dressing  
Crisp Rolls  
Frosted Sponge Beverage  
Cake  
**ORANGE AND CUCUMBER SALAD WITH GINGER DRESSING**  
4 tablespoons olive or other salad oil  
1 tablespoon wine vinegar  
1 tablespoon lemon juice  
1-8 teaspoon salt  
freshly ground pepper  
1/2 teaspoon ground ginger  
3 large oranges  
1 medium-size cucumber  
3 cups shredded iceberg lettuce  
Put oil, vinegar, lemon juice, salt, pepper (to taste) and ginger in a small jar with a tight cover; shake well. Peel oranges so they are free of white membrane; cut sections free from dividing membranes. Scrub cucumber in cold water and dry; do not remove peel. Slice cucumber very thin—there should be about 1 cup. Arrange lettuce on 4 salad plates; arrange orange segments and sliced cucumber over lettuce. Shake dressing thoroughly; spoon 1 1/2 tablespoons of it over each salad; serve at once. Makes 4 servings.

## COMPANY SUPPER

Baked Ham  
Scalloped Potatoes  
Salad and Relish Platter  
Hot Buttered Rolls  
Baked Peas with Sherry Custard Sauce  
**BAKED PEAS WITH SHERRY CUSTARD SAUCE**  
1 3/4-ounce package vanilla-flavor pudding and pie filling  
2 cups milk

1/2 cup cooking sherry  
6 whole baked Bartlett pears.  
Cook vanilla pudding according to package directions using 2 cups milk. Remove from heat and gradually stir in sherry. Place saucepan in cold water and stir often until cool. Turn custard sauce into shallow serving dish; stand drained pears in custard. Chill. Makes 6 servings.

NOTE: To bake pears cut a thin slice from blossom end; insert apple corner in blossom end and remove part of stem structure and seeds. Do not peel or remove stem structure. Place pears in 8 or 9 inch square baking dish. Stir 1-3 cup sugar, 1/2 cup water, a dash of salt and a wedge of lemon together over low heat until sugar dissolves; bring to a boil. Pour syrup over pears. Cover with another pan the same size or with foil. Bake in hot (400 degrees) oven 30 minutes; remove cover and bake until tender, basting several times. This will take another 30 minutes or longer. Cool, basting with syrup in pan occasionally. Syrup left from pears may be used to baste ham.

## FRIDAY FARE

Onion-Olive Omelet  
Lettuce and Tomato Salad  
Bread and Butter  
Cookies Beverage  
**ONION-OLIVE OMELET**  
For each omelet use:  
1 small onion  
1 tablespoon butter or margarine  
2 eggs  
3 or 4 small or medium-size pimiento-stuffed olives (chopped)  
Dice onion fine—there should be 2 to 3 tablespoons. Melt butter in 7-inch skillet. Add onion and cook over low heat, stirring often, until yellowed—about 5 minutes. Beat eggs enough to combine yolks and whites; stir in chopped olives. Add egg-olive mixture to skillet. Lift edges with a spatula as they cook, and tip pan so more of runny part of egg gets a chance to cook. Cover skillet for a minute or two just until top sets. Hold skillet handle in left hand; with right hand and small spatula roll omelet over in thirds to side opposite handle; with help of spatula slip on to plate. Keep warm while cooking other omelets. Serve at once.

## SATURDAY DINNER

Antipasto  
Stuffed Veal Cutlets  
Mashed Potatoes  
Broccoli with Lemon Sauce  
Crusty Bread and Butter  
Boston Cream Pie  
Beverage  
**STUFFED VEAL CUTLETS**  
1 pound thinly sliced and pounded veal cutlet, salt, pepper  
4 slices processed Swiss cheese (about 1-8 inch thick)  
1/2 cup (about) flour

1 egg (slightly beaten)  
1/2 cup fine dry bread crumbs  
4 to 6 tablespoons butter or margarine  
Make sure veal is sliced and pounded so it is no more than 1-8 inch thick, as it would be for scallopine, and that there are 8 pieces of about equal size and shape. Sprinkle veal with salt and pepper. Place a slice of cheese on four of the veal slices, trimming cheese if necessary so it will not come quite to edge of meat; place another slice of veal over cheese, sandwich fashion. Press edges of veal together well. Dip veal in flour to coat on both sides; dip in egg; then in crumbs. Heat half the butter in a large skillet and brown veal quickly in it on one side; add extra butter when you turn it. It takes only 4 or 5 minutes to cook the veal. Serve at once. Makes 4 small servings.

## SUNDAY SUPPER

Vegetable Chowder  
Pilot Crackers  
Prune Turnovers  
Beverage  
**PRUNE TURNOVERS**  
2 cups drained cooked prunes (lightly packed)  
1-3 cup sugar  
4 1/2 teaspoons lemon juice  
1/2 cup butter or margarine  
one 3-ounce package cream cheese  
1 1/4 cups sifted flour

You'll need about 32 small to medium-size prunes to make the 2 cups called for; they should be cooked until they are very soft. Pit the cooked prunes and cut into small pieces. Mix with sugar and lemon juice in small saucepan. Let bubble gently over low heat, stirring often and watching not to scorch, until very thick—10 to 15 minutes or longer. Cool. Allow butter and cheese to stand at room temperature to soften; mix together until blended. Blend in flour with wooden spoon. Shape into ball or rectangle on waxed paper; chill until firm enough to roll easily. Roll out one-quarter of the dough at one time and cut into 3-inch squares with floured pastry wheel. Place a generous teaspoonful of prune filling on each square fold corners together gently with fingers. Prick turnovers on top with fork. Place on baking sheet and bake in hot (425 degrees) oven about 13 to 15 minutes or until lightly browned. Serve warm. Makes 20 turnovers.

## Hold Family Get-Together

The family of the late Mrs. W. B. Green held a reunion at the home of Mr. and Mrs. J. H. Lomas Monday evening. The get-together was held in the back yard flower garden and after the picnic supper colored slides of trips and other family reunions were shown. Those attending were Mr. and Mrs. R. B. Dixon of Amarillo, Mr. and Mrs. Walter Easter, Joe Green Nettie Lee Green and R. T. Green. Also Mr. and Mrs. J. R. Hays and children of Dimmitt, Mrs. J. W. Witherspoon and children, Mr. and Mrs. Dennis Lomas and son, Judy McGee and the hosts.

## Family Reunion

Mrs. J. C. Watkins of Paramount, Calif., was honored at a recent family reunion while she was visiting her daughter and son-in-law, Mr. and Mrs. John Simpson, of Hereford. Forty-six members of the family attended a reunion picnic held in Dameron Park. Those attending included: Mr. and Mrs. M. R. Martin and daughter Edith of Arlington, Mrs. Ralph Speck and Mrs. Elbert Glenn and daughter Nancy of Grand Prairie, Mr. and Mrs. Johnnie Watkins and sons of Murrieta, Calif., Mrs. J. C. Watkins and Mrs. Floyd Parnell of Paramount, Calif., Mrs. Les Mason of Fort Worth, Mrs. Verna Patterson and daughter Billye, Mr. and Mrs. Donald Polk and sons, and Mr. and Mrs. Bert Polk of Slaton, Mr. and Mrs. M. V. Watkins, Mr. and Mrs. Pat Glascock and sons, Mrs. Tierman Watkins and children, and H. L. Polk and

daughter Jewel of Pampa, Mr. and Mrs. Billy Gene Cotton of Denver City, Mrs. Elmer Gardner of Clovis, N. M., Mr. and Mrs. J. C. Simpson and children, Mr. and Mrs. R. L. Simpson, Mrs. Sam Lindley and sons and the hosts.

Sunday School is at 9:45 o'clock evening at 7 o'clock and evening preaching service at 8 o'clock.  
Bible study is held each Sunday Wednesday night prayer meeting is at 7:30 o'clock.  
Friday night prayer service is at 7:30 o'clock.

# This Sacrament

What a privilege to have seen Jesus in the flesh . . . to have talked with Him, and supped with Him. To His disciples that was a never-to-be-forgotten experience. Though 1900 years intervene, the Man of Galilee still stands in our midst and says, "This do in remembrance of me." This outward and visible sign of inward and spiritual grace separates man from the world and commemorates the death of Our Lord. He said, "Do it in remembrance of me."

### YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

## Church of Jesus Christ of Latter Day Saints

(Mormon)  
Kendon O. Anderson, superintendent.  
The Mormon church, which meets in the American Legion Hall, will have Sunday school services at 10 o'clock.

## Wesley Methodist

416 Irving  
Rev. E. L. Naugle, pastor  
Preaching services are at 11 o'clock Sunday morning and 8 o'clock Sunday night with Sunday School at 9:45 o'clock. MYF meets at 7 o'clock.  
The WSCS will meet at 8 o'clock Tuesday night. Mid-week prayer service will be at 8 o'clock Wednesday night and choir practice will be at 8 o'clock Thursday night.

## Avenue Baptist

123 N. 25 Mile Avenue  
Rev. Bob Harris, pastor  
Sunday school is held at 9:45 and the morning worship services are held at 11 o'clock.  
Training Union is held each Sunday evening at 7:00 o'clock.  
Evening worship services are held on Sunday evening at 8:00 o'clock.  
Mid-week prayer services are Wednesday night at 8 o'clock. At 8:45 o'clock there will be choir practice.

**WE NEED GREATER CHURCHES AND A GREATER FAITH TO GIVE US POWER FOR LIVING AND TO COMBAT ATHEISTICISMS**

Add a touch of allspice to that tomato sauce you are planning to serve over meat loaf or hamburgers. Points up flavor!

A mixed green salad may include all types of lettuce, curly endive, French endive, escarole, water cress, scallions and chives. Choose among these!

Chilling a molded salad may be hastened by placing the hot liquid gelatin mixture in the refrigerator freezer section for about 10 minutes. If, however, the liquid becomes congealed and you want to add some solids, melt over hot water and re-chill to proper consistency.

Store fat used for deep-frying in a cool dark place. Light, heat, air and moisture cause deterioration.

**BEAUTIFICATION OF PLACES OF BUSINESS** brings a feeling of pride to the owner and is a pleasure to the community as well. Mrs. Nettie Kromer, who has operated the Hereford Hotel almost continuously for twenty-eight years, has a flower garden that not only adds to her place of business but provides a nice background for the filling station in front of it. The list of flowers grown by Mrs. Kromer is almost as large as the plot they are grown on: A close look reveals can-

na lilies, corn flower, glads, bouncing betty, perennial phlox, bachelor button and others. She is especially interested in a small rose given her for Mother's Day by her daughter several years ago which was later set in the yard and covered with a basket to protect it. During the winter when the snow was on the ground she raised the basket one day to check on the rose and there were two clusters of blossoms 'hidden under the bushel'. (Staff Photo)

## Long Time Ago

45 Years Ago

Saturday evening about dark a "beautiful" looking cloud came from the northeast and began to shed some gentle tears over a territory north of Hereford that from its lack of the usual heavy crop of maize and kaffir and the plaintive cry of thirst must have elicited a great deal of sympathy from the tender hearted cloud. It cried all night with a gentle quiet lullaby that put the patient farmer to sleep amid dreams of green grass, some feed for the horses and a field of green wheat.

The rain was the best of the season for Deaf Smith County and also covered the counties to the north and east. In the north and northwest part of the county the rain amounted to 2 or 3 inches, while at Hereford, we had 1½ inches. It was of the gentle kind and all went into the ground. This makes a fine season for late feed

and for fall wheat.

Work is now in progress on street crossings. Vetrified brick has been ordered by the city and the crossings will be put down as fast as possible. These crossings will only be put down where the opposite corners are paved, so if the property owners want a smooth dry walk to town, it is up to them to put down sidewalks and cooperate with the city. It is understood that the crossings will be delayed on those streets along which the new water mains run until such time as the pipes are laid. Immediately afterwards the crossings will be put in, as otherwise the contractor would have to tear up the crossings to put in his pipe.

25 Years Ago  
Schools Enrolled 747

In answer to a petition bearing approximately 1,100 names of the

qualified voters of Deaf Smith County presented to them last Monday by Mrs. George Garrison, the Commissioners Court voted to establish a county free library at Hereford and to appropriate the funds necessary for its organization and maintenance. It is expected that the new library, under the management of a qualified librarian, will be opened to the public on January 1 of next year.

According to figures announced Tuesday by C. H. Dillehay, superintendent of Hereford public school a total of 747 pupils in all grades have enrolled to date in the Hereford public schools, an increase of 51 pupils over the registration at the commencement of the fall term last year.

In high school the enrollment totals 248, which is only four less than the enrollment for the entire school year recorded last year. Departmental pupils this term number 167 and the grades from first to low fifth inclusive are 332. Two pupils in the high school are taking post graduate courses. The 248 pupils enrolled this term in the high school is an increase of 25 over the number enrolled at the same period last year.

## At The Movies

"Dial M For Murder"

Showing Sunday, Monday, and Tuesday at the Star Theatre, starring Ray Milland, Grace Kelly, Robert Cummings, with John Williams. A three-cornered love affair that led to murder in Alfred Hitchcock's new picture. It was filmed by Warner Brothers from the international stage success which ran a year and a half on Broadway.

"Dial M For Murder" is made up of suspense and mystery which are repeatedly mixed with dangerous romance.

Grace Kelly, blonde and beautiful, plays Milland's wife and is the central figure in the famous strangulation scene.

"Dead End"

Showing at the Tower Drive-In, Saturday and starring Sylvia Disney, Joel McCrea, Humphrey Bogart, Wendy Barrie, Claire Trevor, and Allen Jenkins.

"Dead End, Cradle of Crime," concerns five teenage youngsters, and their activities in the unwholesome environment in which they have been raised. It is the end of a street in Mid-New York, at the margin of the East River—with tenements and ragged stores on the one side and a fashionable apartment on the other.

With that background, we see the activities of the dead-end youngsters, their petty thievery, the older sister who strives earnestly to save her young brother from evil ways, the gangster, Bogart, with murder in his heart and a price on his head who comes to the dead-end to hide and is hero-worshipped by the kids.

"Executive Suite"

Showing at the Star Theatre, Friday and Saturday, starring William Holden, June Allyson, Bar-

## CHURCH

(Continued from Page 4)

### First Baptist

Fifth and Mass

Rev. Howard Scott, pastor  
Sunday School is held at 9:45 o'clock and the morning worship services are held at 10:55 o'clock. Sunday evening the training union will be held at 6:15 o'clock with the evening worship at 8 o'clock.

The Sunday morning Baptist Hour is broadcast at 8 o'clock over KPAN.

The morning worship service is broadcast every first, second, third and fifth Sunday at 10:55 o'clock over radio station KPAN.

Tuesday afternoon at 3:15 o'clock the Cherub Choir meets; at 4:15 o'clock the Crusader Choir meets. At 7:30 o'clock, Youth Choir

bara Stanwyck, Fredric March, Walter Pidgeon, Shelley Winters, Paul Douglas, and Louis Calhern.

When Avery Bullard, dynamic president of the giant Tredway Corporation, dies suddenly without naming a successor, it leaves pure conflict between the five vice presidents, who are now rivals in a race for the power Bullard held.

William Holden, vice president in charge of design, finds himself thwarted by corporate financial policies. June Allyson plays his wife, fearful that ambition may change the man she loves. Many other great stars breathe life into the fascination, contrasting characters presented in this show, filmed from Cameron Hawley's best-seller novel.

Freeze fruits and vegetables soon after they are packed. Put them in the freezer, a few packages at a time, as you have them ready. Or keep the packages in the refrigerator until all you are doing at one time are ready. Then transfer them to your freezer.

meets. Brotherhood meetings are held at 7:30 o'clock the first and third Tuesday nights of each month.

Wednesday night at 6:30 o'clock Superintendent's meetings are held the first and third Tuesday night and at 6:45 o'clock officers' and teachers' meetings are held. At 6:45 o'clock the Women's Missionary Auxiliaries meet, prayer services are held at 7:30 o'clock and the church choir meets at 8:30 o'clock.

### Humble's new HOUSTON RESEARCH CENTER

... is dedicated to man's impelling curiosity in the search for knowledge and its useful application in the specialized fields of petroleum exploration and production.

## Dedicated to Man's Impelling Curiosity

Most of us interpret the value of research in terms of immediate benefits. Research means that we get a better automobile, an improved gasoline, or an outstanding motor oil.

At Baytown Refinery, the Humble Company maintains one of the finest laboratories in the petroleum industry for that kind of research.

But behind the study that goes into the improvement of the products it sells, Humble for years has fostered basic research related to the discovery and production of oil and natural gas.

The United States uses so much oil from day to day, and needs so much more to provide for the emergencies of national defense, that studies leading to the discovery of new supplies

and the more efficient management of existing reservoirs are more important than ever before. Consequently, Humble's expenditures on this sort of research are the heaviest in the Company's history and its staff of research scientists is larger than it has ever been.

To house the expansion of these research sections, Humble recently completed its new Research Center at Houston and will formally dedicate it this week end.

Here the scientists of the various departments involved in the discovery and production of oil will utilize common facilities, and here they will have the stimulation of close association with other scientists whose efforts are dedicated to a common end.

- Fluid Mechanics
- Geophysics
- Geology
- Geochemistry
- Drilling Muds
- Well Log Interpretation
- Subsurface Instruments
- Reservoir Behavior
- Well Stimulation
- Well Cementing

The new Houston Research Center

will provide facilities for

research in:

You'll always be glad you bought a Chevrolet now!

You'll stay proud of Chevrolet's lasting good looks. Other low-priced cars just don't have the air of quality you see in Chevrolet. And if you like Chevrolet's looks now, you'll like its looks always.

You'll enjoy exclusive features for finer motoring. Body by Fisher—the highest-compression power of any leading low-priced car—the biggest brakes, the only full-length box-girder frame and the only Unitized Knee-Action ride in the low-price field. They're all yours in Chevrolet!

You save when you buy and when you trade. Even so, Chevrolet is priced below all other lines of cars. And at trade-in time, you'll be ahead again from Chevrolet's traditionally higher resale value!

You'll get a special deal right now. Right now, we're in a position to give you the deal of the year on a new Chevrolet. Come in and let us show you how much you'll gain by buying now!

Now's the time to buy!

# Gardens Of All Sizes Occupy Hereford Residents

MRS. LEONARD CLICK who has lived on a farm until this year reserved a plot along the back fence at their new home on 'K' St. for the vegetables she has always been accustomed to for table use and canning. (Staff Photo)

PEGGY BUMPASS daughter of Mr. and Mrs. George Bumpass 1013 Grand has had her share in caring for and canning from the garden grown at their home this summer. (Staff Photo)

MR. AND MRS. LAMA BEAVERS are proud of the small patch of black eyed peas which provides enough for table use. Since the Beavers have put in more lawn at their home at 504 W. Fourth St. this small plot is all that is left for a garden. The real hobby of the Beavers is the Rose garden west of the house. (Staff Photo)

## 'Growing Things' Is Lots Of Fun, Good Eating, Too

By Roberta Campbell

Probably as widespread as the soil itself is the urge to plant a garden and watch it grow. It is an urge shared by all mankind. Even the farmer (or perhaps more often it is the farmer's wife) who cultivates a large acreage for a living usually has a garden in which he takes special pride.

For those who live in town the garden has a practical side as well as often being a hobby with one or more members of the family.

The chief reward of the person who likes to garden is not in the vegetables to eat but in the satisfaction of causing things to grow.

A good many small gardens and some larger ones have been grown in and around Hereford this summer and the ones listed are a cross section of size and purpose.

Supersize

Out at what is known as the old

Layman place just north of the city limits Bert Zellner and his family have an estimated 4 acres in vegetables of about all kinds which have been grown for commercial purposes to be marketed at the farm. The Zellners also have a small family garden for their own use nearer the house.

Family Size

George Bumpass, 1013 Grand, spades up the ground to grow a garden as a hobby and Peggy, 15 year-old, enjoys helping with it but it is Mrs. Bumpass who is able to estimate the actual value of the vegetables for table use and for freezing and canning.

From the plot in the orchard and along the back fence Mrs. Bumpass has already put up 40 quarts of beans, 3 bushels of peas, 20 quarts of beets, 18 pints of peppers and 10 gallons of cucumbers. The peppers are really Mr. Bumpass' handiwork as he puts them

up by a special process. Peggy also helps her mother with the preparation of the vegetables and her brother helps with the garden.

Other vegetables grown for table use and freezing are English peas, spinach, okra, radishes, onions, turnips, head lettuce, and strawberries.

A lot of good eating this winter will add more pleasure to the Bumpass family project this summer.

Finl Size

The Lama Beavers who live at 504 W. Fourth Street, wanted a lawn in the back yard so their garden spot has shrunk to a spot covering only a few square feet but the blackeyed peas being grown for table use seem to be doing their best to take care of the shrinkage. The few rows of vines have provided plenty for eating and are still on the job. Mr. Beavers is the master gardner at

their house.

Town Size

Mr. and Mrs. Leonard Click have moved to town and built a new home out at the end of K Street but Mrs. Click didn't leave all her ambition for a garden in the country.

All the space for one was at the edge of the lawn in the back yard along the fence but Mrs. Click has managed to put in just about every vegetable she had been accustomed to growing at the farm in the narrow strip. Beans have offered the greatest output. As a pleasing background morning glories and other flowering vines cover the back fence.

All of these gardeners will have something to think about and share with others until gardening time comes again.

SUPERSIZE GARDEN is the one grown at the J. F. Messer place just north of the city limits on Highway 51 by Bert Zellner. The garden is grown for commercial purposes to market vegetables at the farm. (Staff Photo)

## Foibles

FANCY AND PLAIN

By KENT SNARE

I finally ascertained what's with the highly touted Ron Knox, who, as some of the coast scribes calculated, would bunt Paul Larsen, the '53 National offensive standard bearer, back to left halfing from the quarterback slot for the Californians. When the '54 Bear brochure failed to ensconce Mr. Knox, as a grade A potentiality, the wonders set in on me. That defection was dissipated when I learned that Mr. Knox had absconded with some California hopes and had wound up at UCLA, where he will sit out a year, during which both he and UCLA will be ineligible. Ie, UCLA will not be eligible to return to the Rose Bowl on January one, 1955 and Mr. Knox won't be allowed to quarterback the Bruins till '55 in the fall, at which time both stand to profit thereby. This year of 1954 should be one of great opportunity for them who glue to the TV receivers but even so may be the last one of full returns. Last Saturday NBC started with their season long run of Canadian Pro football presentations. Have you wondered how come, after that broadcasting system devoted themselves to the NCAA collegiate schedule last year? The truth of the matter, apparently, evolves to the fact that the boys near to priced themselves out of the racket. The college telecasts, to be presented by the American Broadcasting system this lap, ran into trouble when sponsors developed monetary resistance to the expensive package program which they have effected the past two years—and from which some of the more attractive games were again withheld by the NCAA, whose policy seems to seek to spread TV's financial and prestige benefits nation-wide. Some what improved coverage has resulted, in fact this year's program is the most attractive of those offered to date, in this corner's poor opinion. The NCAA by trying to curb and control the TV broadcast situation, have created this situation: Now, the colleges will have the direct opposition, that I have

mentioned, of the Saturday P. M. telecasts of the Canadian Pro games by NBC. To add to the turmoil, The American Pros, whose telecasts will be produced by Du Mont, this season will play 8 Saturday night games, 2 on Saturday P.M., after the end of the college season, and one on Thanksgiving day, in addition to any regular Sunday telecasts they may afford. The colleges are apprehensive to the chance that the play for pay boys may be aiming for full time Saturday play and recognize the possibility that their remunerative TV problem could be settled in a fashion that none of the colleges would appreciate, in their pocket book—by eventually being shut out entirely from the major TV market. That stems from trying to eat your hand with the pastry and it looks like the boys may have accomplished it and have achieved eventual maiming in the exchequer. One of the paid precasters has emerged with his guess on the first 15 and the main difference between he and me is that I left Mississippi U. completely out of my consideration. And I would repeat the performance. I nearly left out Maryland on account of their tissue paper type of schedule and the roster of Ole Miss opponents is even worse since it reveals an absence of any 1954 Teams that rate grade A. They don't even play the Terps who last year clobbered them 38-0. Ole Miss also dropped the other club they lost to, Auburn. Due to tradition's demands they can't drop Mississippi State who tied them. They play only 5 of the weaker Southeast conference teams, Kentucky, Tulane, Vanderbilt, LSU and Miss. State. In addition, they tackle Arkansas, Villanova, Houston, North Texas and Memphis State. That would be hardly enough to build a dream on, National Championship dream that is, 'cause this picking character picked them to do just that, win the National gonfalon. He gets away from the Orange Bowl idea of Maryland and Missouri, however, he picks Colorado as number two in the big 7, maybe should be Kansas Ags.
