Britons Proclaim Yugoslavia To Be Enemy Territory

LONDON, April 18 (AP)—The British government announced tonight that Yugoslavia is henceforth to be regarded as an enemy-occupied territory.

The announcement was made by the British board of trade and the ministry of economic warfare, which had taken similar action in the cases of the other Balkan countries overrun by the German army.

The last of Yugoslavia's fighting forces capitulated to the Germans today, according to Berlin announcement.

Liquor Agents File Charge In Colorado City

Jack Wright and Newt Evans have been charged in Mitchell county court with possession of intoxicants for purpose of sale, following a raid made Thursday afternoon by Texas liquor control board inspectors.

Billy McElroy, district supervisor for the board, said three cases of whiskey and seven cases of beer were found in a secret basement under a house in Colorado City.

According to McElroy, a cleverly concealed trapdoor led to the basement. The door was operated by a man in the basement where the stocks of liquors were found, according to the liquor inspectors' report. McElroy said he had made many raids on the place before finding the well-hidden cache.

According to the liquor supervisor, Wright is under permanent injunction of the district court to refrain from sale or possession of intoxicants.

Inspectors participating in the raid were McElroy, R. M. Douglas, George Connell and L. L. Martin.

British Report African Gains

CAIRO, Egypt, April 18 (AP)—Desert-wise British troops, supported by the bombs of the RAF and the guns of the Mediterranean fleet, have inflicted new and heavy casualties upon axis units in the North African front, according to today's Middle East communiqué.

Besides numerous axis men and vehicles destroyed in clashes at Tobruk and Salum, the British reported capture of five axis officers and 72 men.

The high command paid tribute to the "dash and determined fighting qualities" of the imperial forces engaging the axis troops at the Libyan port, Tobruk, and the Egyptian border outpost, Salum.

Backing them up were units of the Mediterranean fleet which was pumping tons of shells into the axis positions west of Salum in a bombardment started 48 hours ago. This shelling was credited with a big part in putting the brakes on the axis push across North Africa.

On the sprawling East African fronts the high command said that its forces were in contact with the fascists 14 miles south of Desale, in northwest Ethiopia, and that south and southwest of Adis Ababa and other Ethiopian sectors "the advance of our troops also is making progress."

Full Support Accorded Huge Tax Measure

WASHINGTON, April 18 (AP)—Widespread congressional support was accorded today to the administration's enormous program of tax increases by which virtually every citizen soon would be called upon to pay a greater share of the government defense-swollen expenditures.

Specific details of the plan to raise \$3,500,000,000 in new revenues remained to be disclosed, but all signs indicated that higher income and excise taxes, new sales levies and possibly a tax on wages would dig into the pocketbooks of both the rich and the poor as never before in America.

Treasury experts worked at top speed to whip details into shape for submission to congress next week. The plan will be presented to the house ways and means committee by Secretary Morgenthau at a date yet to be fixed exactly.

But before that the broad outlines and possibly some of the concrete tax proposals may be given by President Roosevelt in a radio speech or other message to the nation.

The president, it was believed, also will emphasize the necessity for meeting about two-thirds of the vast cost of American rearmament, aid to Britain and other federal expenses on a cash basis.

Initial reactions at the capitol were enthusiastically favorable to the proposal, generally conforming with the view expressed by Senator Clark (D-Mo.), a member of the senate finance committee, that "we've done the appropriating and now we've got to pay the freight."

Republicans and Democrats alike said the full \$3,500,000,000—or more if possible—should be raised. To attain that end, one authority reported, treasury and congressional tax experts were considering levies on "everything, including the kitchen sink."

BERLIN, April 18 (AP)—The German high command followed up the capitulation of Yugoslavia today by announcing that 17,000 prisoners had been taken on the Greek front and that the battle was going successfully for German arms despite "the most difficult terrain and weather conditions."

Numerous "road destructions" also were hampering the Germans, the daily communiqué said, but numerous pieces of artillery, including 25 heavy guns, and 12 British armored cars were declared to have been captured.

Announcement by the high command that the remnants of the chopped-up Yugoslav army had surrendered and that fighting ceased at noon (8 a. m. C.S.T.) was acclaimed in Berlin as a milestone on what Germans regard as an irrefutable march to victory.

While the total number of prisoners and the amount of war booty cannot yet be estimated, German dead was declared to be very small—"in the hundreds."

General Dusan Simovic, who took over the Yugoslav government when the pro-axis regime there was ousted, was said by German sources to have fled the country—"which probably is best after all," one spokesman commented.

Whereabouts of young King Peter was viewed here as an "interesting question."

The two Yugoslav statesmen who swung Yugoslavia into the axis and the were overthrown—former premier Grigias Cvetkovic and former foreign minister Aleksander Cincar-Markovic—were said by the Germans to have been found.

Cincar-Markovic was with the Serb army, apparently a prisoner, it was said, while Cvetkovic was found in Belgrade.

The end of the Yugoslav campaign does not mean there will be any letup in German military activity, authorized quarters stated emphatically today.

Informed opinion was that Greek prisoners will receive treatment similar to that of Norwegian and Dutch prisoners of war, and will be released in due time for civil pursuits, chiefly agricultural.

It was pointed out that Germany's official position is that she is fighting Greece only as an ally of England, and has no quarrel with the Greek people themselves.

Brothers, Sisters Take Limelight In Children's Contest

Brothers and sisters held down the studio Thursday afternoon when three of them were on hand to enter the Personality Child Contest of 1941 at the Kelsey Studio. The Herald and Kelsey Studio are sponsoring the contest.

Billy Martin, five years old, and Jimmy Martin, four years old, sons of Mr. and Mrs. Frank Martin were new entrants in the contest.

Don Arlene Brigham, five and a half, and Sylvia Ann Brigham, three years old, son and daughter of Mr. and Mrs. J. E. Brigham, were also a pair to have pictures taken.

Kay Sharron McCasland, three years old and L. P. McCasland, Jr., four years old, daughter and son of Mr. and Mrs. L. P. McCasland of Midland, were another brother and sister team.

Young Joseph Smith, three year old son of Mr. and Mrs. Harvey Smith of Forsan, and Robert Lee Robertson, four year old son of Mr. and Mrs. D. W. Robertson, might well have been in the same family. They confounded all present since they look enough alike to be twins. They are good friends but no relation.

Others having pictures taken were Jerry Wayne Foresyth, three and a half year old son of Mr. and Mrs. R. V. Foresyth, John Slay Fuglar, three and a half year old son of Mr. and Mrs. Peta Fuglar, H. W. Allen, four and a half year old son of Mr. and Mrs. M. E. Allen.

Marilyn Jane Mull, four year old daughter of Mr. and Mrs. J. B. Mull, and La Juan Horton, five year old daughter of Mr. and Mrs. C. A. Horton.

Saturday marks the close of the contest.

Airport Building Shows Progress

Young men assigned to the National Youth Administration project for raising a new airport terminal building were reported Friday by city officials to be making steady progress.

With foundations established, work is being centered on production of bitudob bricks, and the daily output has settled around 400, said E. V. Spence, city manager.

He estimated that around one-third of 14,000 bitudob bricks needed for the job had been made and were in the process of curing. Masonry will begin when the brick supply has been completed.

Included in the structure will be office spaces for airlines, space for the CAA communications unit and the U. S. department of commerce weather bureau. The building also contains a large basement, a control tower overlooking the port and roof space for weather observations and balloon runs. Location is on the east side of the port and approximately half a mile off the highway.

WOMAN DIES IN WRECK

CARTHAGE, April 18 (AP)—Mrs. Joe Carver, 39, was killed and her husband, a Carthage cotton buyer, was seriously injured last night when their automobile overturned west of here. Mrs. Carver was driving at the time of the accident.

RAF Returns Fiery Answer To Aerial Raid

LONDON, April 18 (AP)—The Royal Air Force, striking back in swift and fiery answer to Wednesday night's heaviest Nazi raid on London, pounded the heart of Berlin overnight with new and powerful "super-bombs" in its biggest assault yet upon the German capital, the British announced today.

"Very substantial damage" was inflicted on Berlin, the air ministry declared, while the Luftwaffe aimed new blows at southern, eastern and northeastern England, singling out the south coast naval base of Portsmouth for an hour-long attack.

"It will remind the Germans that the RAF still is able to reach Berlin," London sources said of the British assault.

BERLIN, April 18 (AP)—"Stronger force" of the RAF than ever before used against Berlin penetrated the barrage belt to the center of the German capital last night in a bombing attack.

The high command said the RAF had disregarded the warning Germany conveyed night before "retaliatory" raid on London.

While the British were striking, the Luftwaffe was delivering another strong blow at the British south naval base at Portsmouth, the high command said, and heavy damage was declared done to the harbor area and docks with high explosives and incendiaries.

US-Made Bombers Land In Singapore

SINGAPORE, April 18 (AP)—American-made patrol bombers—the same as the latest additions to the U. S. navy—roared in here today after a trans-Pacific flight.

They were greeted by squadrons of RAF pilots in Brewster-Buffalo fighters which, authorities announced, were in the air within 24 hours of their uncrating.

American-built Lockheed Hudsons also roared seaward to meet the big patrol bombers completing their voyage across the south China sea to join British and Australian patrols charged with keeping the empire's eastern sealanes clear.

Eyewitness' Report Of Serbs' Fall — German Air Might Delivers Paralyzing Blow

(Editor's note: Robert S. John, Associated Press correspondent stationed in Belgrade when the German army struck into Yugoslavia, tells in his first dispatch since the Palm Sunday invasion of paralyzing blows by the Luftwaffe.)

By ROBERT S. JOHN
SOMEWHERE IN MONTENEGRO With the remnants of the Yugoslav Army — (via Athens, Greece, April 16 (Delayed)—Mass German air attacks that killed at least 10,000 persons in Belgrade alone and turned Yugoslavia's principal cities into smoking shambles struck the paralyzing blows opening the Balkan war.

Men, women and children lay by the hundreds in the debris of their homes after concentrated Nazi bombing attacks on cities.

These civilians were ordered by their government not to clog the roads by wild flight, hampering the military as refugees did in France, but to die on their thresholds if necessary. And there they died.

For nine days I rode across Yugoslavia behind the lines, watching the army try valiantly with rifles and oxen-drawn artillery to repel the overwhelming mechanized force of Hitler's panzer divisions and screaming Stuka bombers.

Almost from the first hour of the German invasion, the army was without communications. One division seldom knew what the one next to it was doing.

Individually, the Serbian forces fought with great bravery, and reported inflicting heavy losses on the Germans. In one day's attack the military claimed destruction of 300 Nazi tanks.

In spite of the furious resistance, however, the German wedges bit deeper into the country and the fighting became hopeless.

I say the Serbian army fought—because in traveling about I have seen many Croatian deserters, and in the critical hours of the fighting officials announced the Croats had revolted in the north.

I was in Belgrade the morning the German air force attacked. The citizens, who had not yet learned the nation was at war, poured into the streets when the sirens screamed and the bomber squadrons roared overhead. They stood and stared curiously up at the planes and did not take shelter—though there weren't enough shelters for all.

It was a massacre. At least 10,000 died in the capital alone. In one square I counted more than 200 bodies after the first morning raid.

Almost at the start the water supply failed and huge fires raged unchecked until the city was mantled with a heavy smoke pall.

The United States, British and Greek legations were among the first buildings destroyed, along with most of the government quarters.

Bombers swept over in waves for two days until the city was a shattered, flaming shambles.

Food Stamp Men Start Work Here

Organization of the city and county governments and grocers of the county for operation of the food stamp plan was underway today.

William L. White, assistant district supervisor for Surplus Marketing administration, and Laurence Rollins, program organizer, arrived here this morning and immediately launched a schedule of activity intended to have the stamps circulating here within 30 days.

This afternoon at 3 o'clock grocers of the county were to gather at the chamber of commerce office to hear details of the program explained.

Tonight at 7:45 o'clock city and county commissioners were to meet in joint session for planning institution of the stamp plan here.

This morning White and Rollins conferred with members of the commissioners' court regarding office space to be used for the stamp headquarters.

Rollins will remain in Big Spring about 30 days, supervising all details of the stamp plan organization. He will remain until the stamps have started circulating, and the local staff is familiar with workings of the program.

Church Meet To Draw Many To Big Spring

Several hundred representatives from Assembly of God churches in this region are due to come here Monday for the annual district convention, the Rev. Homer Sheets, pastor of the local church, said Friday.

Among outstanding denominational officials for the three day session will be E. S. Williams, general superintendent for the Assemblies of God. H. M. Reeves, Plainview, district superintendent, will preside over business sessions of the convention.

A presbyter's session Monday afternoon will be followed by a fellowship meeting in the First Methodist church. With the exception of a ministers' meeting Tuesday morning at the First Methodist church, all other sessions will be at the city auditorium on Tuesday, Wednesday and Thursday.

Local arrangements have been in charge of the Rev. Sheets and members of the congregation. He is a sectional representative of the presbytery. Territory embraced by the West Texas district extends from here southwestward to the border and northward to include the Panhandle.

Turks To Evacuate War Bound Areas

ISTANBUL, Turkey, April 18 (AP)—Plans for evacuation of Turkish Thrace facing Bulgaria and Greece continued today as the press conceded that Yugoslavia was finished and that the Balkan war "has entered its last stage."

"Yugoslavia is about to be torn to shreds with a bit for Bulgaria, Hungary and Rumania as well as the new state of Croatia," said the newspaper Tan. "This will free German troops for the attack on Greece."

It was estimated unofficially that 30,000 persons already have left Istanbul, paying their own way. Scheduled free government transportation has not yet begun.

PANAMA CANAL BID GIVEN

OAKLAND, Calif., April 18 (AP)—The Henry J. Kaiser company here announced that its bid of \$22,436,860 for enlargement of the Panama Canal had been accepted by the war department.

FIGHTING AT FORD PLANT

DETROIT, April 18 (AP)—Two members of the United Automobile Workers (CIO) were treated for facial injuries at the union first aid station this morning following a reported altercation with negro foundry workers at the Ford Motor Co., River Rouge plant.

British Raids On Brest Claim Many

VICHY, France, April 18 (AP)—The French information office announced today that 76 persons were killed and 50 wounded in a recent night RAF bombardment of Brest and the casualty list was still incomplete.

It was reported that the British planes, starting at 11:30 p. m., dive-bombed the port continuously until 1 a. m., the night of April 14-15.

The information office said the bombing was "the most terrible Brest has known" and said rescue squads still were working to uncover victims.

Battle Of Balkans In Critical Stage

By The Associated Press
German troops flooding down from the north drove the allied armies to execute a "gradual withdrawal to a shorter line of defense" in Northern Greece today, and it appeared that the 13-day-old battle of the Balkans was fast approaching its critical stage.

British Middle East headquarters, acknowledging the allied retreat deeper into the Aegean kingdom, declared however that the German advance had involved a "costly" toll.

Some estimates put the Nazi dead at 50,000.

Premier Mussolini's high command said the Greek left wing was crumbling, with the Greeks falling back along the Adriatic sea coast in disorder while fascist columns swept successively into Argirocastro, Premet and Porto Palermo.

The official Italian news agency said 10 German divisions were in sight of Porto Edda—named after Mussolini's daughter—which is the last Albanian port held by the Greeks.

"The situation is developing unfavorably," a Greek spokesman acknowledged sadly.

Dispatches from Athens said at least 10 German divisions—about 120,000 troops—were slashing at the allied lines, supported by more than 1,000 warplanes.

Australian, New Zealand and other British troops fighting in the Mt. Olympus sector were reported under terrific aerial bombardment, while on the west flank, Nazi panzer columns knifing down the Greek-Albanian border placed the Greeks in new jeopardy.

Authoritative quarters in London acknowledged that the situation in Greece was "serious" but declared that the British-Greek line had not been pierced.

Eye-witness accounts from the battlefield said waves of German soldiers, supported by screaming dive-bombers, were being hurled incessantly at the allied defense lines with a staggering loss of life.

An allied estimate said 50,000 Nazis had been slain in Hitler's blitzkrieg smash into the Aegean kingdom, and it was declared that British troops in the Mt. Olympus zone had hurled back repeated mass attacks by German infantry for six days.

Hitler's high command said 17,000 prisoners had been taken on the Greek front and that the battle was going successfully for Germany despite "the most difficult terrain and weather conditions."

Other Nazi reports said that the Germans had taken many British prisoners in a systematic series of thrusts into northern Thessaly—gateway to southern Greece—and that the invasion was moving ahead "on schedule."

The Greeks admitted their troops were slowly falling back in the west and central sectors, with Nazi armored columns apparently striking hardest about 40 miles north of Trikala, center of the allied defense line, and the Italians driving down from Albania on the west.

Premier Mussolini's high command reported that Italian troops had recaptured Permat and Argirocastro, 10 miles north of the Greek-Albanian frontier, and regained Porto Palermo, on the Adriatic Sea coast.

Porto Palermo lies six miles south of Chimara, which had been mentioned as the extreme west end of the Greek allied defense line.

Hico Flash Floods Leave 100 Homeless

HICO, April 18 (AP)—The rain-lashed waters of the Bosque river and Jack Hollow creek receded today after washing 25 houses from their foundations and leaving 100 residents of this South Texas town temporarily homeless.

J. N. Russell, president of the Hico chamber of commerce, said Red Cross aid would be asked as a result of the "flash" floods following a cloudburst last night. He estimated damage at between \$5,000 and \$10,000. No lives were reported lost.

Occupants of flood-impaired houses were forced to spend the night with friends and relatives.

One home, that of Wynson Graves, was moved 50 feet by the high waters and set down on highway 67, blocking traffic. An aged woman clambered hastily to the top of a table as flood waters swept through her home.

A washout on the Missouri-Kansas-Texas railroad east of Hico disrupted train service.

Material and equipment used in building a bridge on highway 281 across the Bosque river south of Hico was damaged somewhat.

Methodists Plan Coahoma Meeting

Homecoming services will be held Saturday and Sunday at the Methodist church in Coahoma when former pastors and presiding elders will speak.

Services will be inaugurated at 11 a. m. Saturday, said the Rev. John W. Price, pastor. There will be another service at 8 p. m. and three programs are scheduled for Sunday at 11 a. m., 3 p. m., and 8 p. m.

The Rev. Price said that "an old fashioned love feast" would feature the Sunday afternoon session. Dinner "on the ground" is to be served Sunday noon.

Members of the homecoming committee, composed of Susie Brown, Mrs. G. M. Boswell, Mrs. Len Dennis, B. F. Logan and Smith Cochran, said that around 300 persons were expected to attend. All former members, current members and friends of the church were urged to participate.

The Coahoma Methodist church is housed in a new plant completed last autumn. It is of a rock-type construction with ample auditorium and classroom space.

Paraguay Revolt Quickly Halted

ASCUNSION, Paraguay, April 18 (AP)—A revolt had been suppressed "with the full support of the armed forces and public opinion," the Paraguayan ministry of the interior said in a statement today.

Calling the incident a "new subversive attempt," the ministry said the "revolters" tried to "take the armed forces by surprise" but the authorities "learned of the maneuver in time."

The government was declared to be in full control and "complete tranquility" was said to prevail throughout the country.

Lecture On Modern American Art Given By Mrs. Bynum For Group

Giving a lecture on modern American art and painters, Mrs. J. Turner Bynum, Jr., was speaker at the American Association of University women meeting at the Episcopal parish home Thursday afternoon.

Mrs. Bynum had on display an exhibit of her own paintings and pastels of Mrs. Ruth Philpot Lovelady of Abilene. In her talk on American artists, Mrs. Bynum stated that recently, "America has discovered American artists and American artists have discovered America." She pointed out that in the past, painters thought they had to study in Europe and paint European scenes which American people didn't understand. But that now the modern school was painting American scenes that the people understood, they were learning to appreciate art more.

In speaking of art appreciation,

Sunshine Girls Compliment Recent Bride

The Sunshine girls of the East 4th St. Baptist church complimented Mrs. Jack Flynn with a miscellaneous shower Thursday evening in the home of Glens Jones.

Mrs. Flynn is the former Norma Faye Hasley. Refreshments were served to Juanita Jones, Lila Thurman, Mary Pearl Mittal, Georgia Robertson, Norma McGee, Mildred Barlow, Helen Dyer, Mrs. S. N. Moreland, Barbara Ann Moreland, Mrs. J. E. Josey and Dorothy Josey and Mrs. Ellen Miles. Mrs. Buck Tye sent a gift.

Miriam Club Meets For Covered-Dish Lunch And Quilting

A covered-dish luncheon was served for the Miriam club when members met Thursday in the home of Mrs. Earl Wilson. The group pieced quilts during the afternoon.

The room was decorated with spring flowers. Mary Jackson was present as a guest and others attending were Mrs. C. L. Mann, Mrs. Josie McDaniel, Eula Pond, Mrs. Ella Lloyd, Mrs. Opal Tatum, Mrs. Lovie Barlow, Mrs. Mabel Glenn, Mrs. Maggie Richardson, Mrs. Jones Lamar, Mrs. B. Hull, Mrs. A. F. Gilliland.

Mrs. Bynum said that people know more about art than they think they do and that there are two tests for pictures. First, the picture must appeal to the individual, and when it does, it is the picture to buy. Second, the picture should give an increasing pleasure.

Mrs. Bynum also pointed out that there is one thing that defines American paintings today and that is their national feeling. New members were introduced and included Mrs. Stormy Thompson and Mrs. J. B. Mull, associate member. The bird lecture at 8 o'clock Friday night at the Coahoma school was announced. The nominating committee reported Mrs. W. P. Wilson as new secretary and the club concurred in the recommendation.

Mrs. V. H. Flewellen spoke on the Clean up, Paint up, Fix up week and asked support of the university women.

The next session is to be May 15 at the Crawford hotel for a dinner meeting. Miss Merle Van Vlack is to lecture on handicraft and will display an exhibit of work from the Big Spring state hospital.

Mrs. Carl Bloomfield, Mrs. Bynum and Mrs. W. B. Currie were named on a committee to make revisions in the constitution. Others attending were Mrs. R. O. Beadles, Mrs. J. C. Powell, Sr., Mrs. J. C. Powell, Jr., Mrs. H. A. Stegner, Mrs. O. M. Waters, Mrs. Walter Wilson, Mrs. F. G. Moor of Washington, D. C., Mrs. Ray Lawrence, Nellie Puckett, Mrs. W. W. McCormick, Mrs. A. D. McKnight, Mrs. Kelley Lawrence.

Lindbergh Says British Fighting Losing Battle

CHICAGO, April 18 (AP)—Col. Charles A. Lindbergh believes that England and France were vanquished before they began to fight and that Britain cannot win even with all the resources of the United States.

His opinion that a Nazi victory was an accomplished fact was expressed last night in an address delivered at a rally sponsored by the America First Committee. "War is not inevitable for this country," he said. "The claim that our participation is inevitable is simply propaganda by those who want to get us in."

"We must face the fact that England is in a desperate position," he continued. "Up to date she has lost every major campaign in which she has participated. Her shipping losses are of the utmost seriousness, and her cities have been devastated by bombs."

Old Age Pensions To Be Slashed

AUSTIN, April 18 (AP)—Bad news for the old folks: Old age pension checks, gradually recovering from a \$6 slash 18 months ago, will be cut again in May, this time an average of \$2.85 each.

And the public welfare department said yesterday the situation will grow worse since the rolls are increasing and available funds are not.

Pending in the legislature is an omnibus tax bill which would allocate more than \$7,000,000 annually to old age assistance in addition to the \$9,000,000-plus state funds pensioners already receive.

May payments to approximately 185,000 pensioners will average \$11.50 as compared with \$14.35 in April. More than 6,000 new pensioners were added to the May rolls.

Flashes Of Life-

By The Associated Press
CAMDEN, N. J. — New Jersey liquor board agents literally wrung evidence out of a rug — enough, anyway, to cause a woman to be fined \$150 on a charge of possessing untaxed alcohol. In a raid on the woman's home, agents found several marks on a carpet which was suspiciously damp. They decided on the squeeze play.

ELKHART, Ind. — Ralph Correll's Jersey cow was intrigued by the bright yellow ball beside her stall and tried to eat it.

Now Correll has to buy a new electric light bulb — and a new cow.

CHARLOTTE, N. C. — Finally it had to happen.

A man who gave his name as Ike Davis, told police a new automobile tire had been stolen from the rear of his car — while he was waiting for the green light at an intersection.

OREGON CITY, Ore. — Roy Woodward caught a fine trout only to see it sail from the hook as he flipped it shoreward.

His search was futile — until he started for home.

It had fallen neatly through the slot of his creel.

The War Today

By DEWITT MACKENZIE Herald's Special News Service

Some of the fiercest fighting of the war was proceeding today in several sectors of the serpentine Greco-British battle-line through the mountains of northern Greece as the Hittites hurled themselves against the defenses — and things weren't going well for the allies.

The western half of the line sagged and gave ground in some places under the weight of the terrific onslaught. The situation, Athens said, "is developing unfavorably."

London characterized it as "serious." That's fair warning the allies expect more grief.

The collapse of organized Yugoslav resistance to the north has released a flood of German troops and equipment — like the breaking of a great dam. The Germans say this will give them an additional half million troops. The torrent is sweeping south-

ward and already is breaking against the comparatively thin line of defense.

The Greeks say that this engagement is likely to be "decisive." Decisive of what? Of the whole war?

No, not that. Decisive of the battle of the Balkans. It is to determine whether the allies shall retain a hold on Greece as a base for future operations. That, or whether the nazis shall roll them back into the sea and thus acquire possession of the entire Balkan peninsula, clear down to Turkey and the Dardanelles.

What happens after that is on the knees of the gods, who are looking down on the holocaust from their ancient abode on Mount Olympus.

German shock troops were being flung against strategic points with that Napoleonic abandon which counts not the loss of life so long as the objective is gained. Nothing else matters. That is characteristic of the German command, now as ever. Reports say nazis dead lie deep before the allied line.

The German soldier dies bravely. But bravery of his unquestion-

ing type hasn't rested alone with the attack.

The Greeks and the British have battled fiercely for their positions in the face of superior strength, and where their line sagged they counter-attacked. When morning came the British announced that the line nowhere had been broken through.

A factor which has counted heavily for the Germans has been their air superiority. This has largely offset the deficiency of their land equipment in the mountains.

They have been making their main assaults at two vital points. One is against the Greeks in the center of the line, which your map will show you is near Kalabaka. This is the important rail-head for a road winding down into the vast and fertile plains of Thessaly. The other attack is on the extreme right wing of the allies, where the Australians are holding up against Mount Olympus.

In this Olympus sector all hell broke loose as the Aussies were attacked and counter-attacked. Here the Germans were said to be employing close to 150,000 troops in a desperate effort to

turn the British right wing. The nazis are reported to have lost 25,000 casualties there in two days.

Way over on the western end of the long line, the axis forces have been driving against the Greeks from Albania.

There we have a picture of the German strategy. They are trying to cut the line in the middle, and then envelop each half — to crush them. Also they hope through Kalabaka to come finally to Athens.

If the Germans are successful, and roll their mighty war machine through the mountains passes into Thessaly, the game will be pretty well up with the allies in Greece.

Tomorrow's Sandwich-All Wool And A Yard Wide

CHICAGO, April 18 (AP)—Sheep's wool, ground to a fine powder, is a nutritious food. This discovery was reported today to the Federation of American Societies for Experimental Biology by Dr. Joseph L. Routh of the state university of Iowa.

No attempts have been tried to make wool bread or wool cake from this novel flour, but rats proved its edibility and nourishing qualities. Up to 20 per cent of the animal's total food was given in the form of wool powder. This did not make them sick. In fact they thrived when a slight addition was made of certain proteins.

The wool, it was found, broke into amino acids in the grinding. These acids are the building stones of all proteins, which are one of the most important elements of food.

Editors Scored For 'Lack Of Independence'

WASHINGTON, April 18 (AP)—A spirited round-table discussion on the general subject of the "business connections" of the press sent the American Society of Newspaper Editors into its concluding sessions today with an intimate study of the European war situation in prospect.

Peter H. Odgaard, political science instructor at Amherst College, set off the wide-open debate on newspapers and business interests late yesterday when he charged the press with lack of independence and too close ties with wealth.

The argument concluded after half a dozen editors had offered prompt rebuttal and Odgaard had decided that compared with German, French and British papers, the press of America had "no competitors for accuracy, honesty, independence and integrity."

The two-day convention will end tonight with an off-the-record banquet to be addressed by Lord Halifax, the British ambassador; Col. William Donovan, administration's emissary to Europe and Africa, and Laughlin Currie, administrative assistant to President Roosevelt.

Odgaard started the "business connections" discussion with a speech in which he said that "if the press is in actual fact the palladium of the people's rights it need have no fear of its power, its influence or its freedom."

"But in too many cases," he continued, "newspapers worry about their power when they had better be worried about their principles; they get jittery with fear for their influence when what should really concern them is their integrity."

War Alertness Is Increasing, FDR Asserts

WASHINGTON, April 18 (AP)—President Roosevelt expressed belief today that American public opinion was not adequately aware of the acuteness of the war situation in Europe but that it was becoming increasingly aware.

He made that statement in response to a press conference inquiry and went on to add that he thought Americans could be made increasingly alert through the exercise of their general intelligence, mental processes and through what he called cracker barrel and press club conversations.

Further interrogation brought from the president these additional statements bearing on the defense program and aid to countries battling the axis.

The administration has authorized specific shipments of material to China but Mr. Roosevelt does not know whether any has started on the way across the Pacific.

The chief executive does not see now any steps in prospect similar to a decision to curtail auto production 20 per cent.

The shortage of soft coal resulting from a three-week shutdown of mines has not yet seriously affected the defense program. The president hopes some mines will be running again by next Monday.

A war department plan to establish a system of civilian observers to watch for attacking airplanes is the application of a nationwide scale of experiments tried in upstate New York last summer in army maneuvers.

State Finance Bill Put On House Slate

AUSTIN, April 18 (AP)—Boosted approximately \$3,000,000 over the amount allocated for the present biennium, a bill financing state departments for the next two years was placed on the house of representatives calendar today.

Departmental appropriations approved by committee last night totaled \$28,294,187 and topped senate recommendations which stuck closely to the present outlay.

Principal increases, according to Rep. G. C. Morris of Greenville, chairman of the subgroup of the house appropriations committee which drafted the bill, were in relief and defense funds.

A new item added in the house committee's version was \$749,360 allotted to the relief intake and certification division of the department of public welfare for each year of the biennium.

Nurses Meet In Houston

HOUSTON, April 18 (AP)—A group of conferences and business sessions were held this morning by the Texas Graduate Nurses' Association, the League of Nursing Education and the Texas State Organization of Public Health Nursing at their joint convention which will close today.

The official nursing bureau conference opened at 8:30 a. m. with Mrs. Helen Lehman presiding. The reports of the district bureaus and the discussion of problems presented by district bureaus took up the morning sessions.

Miss A. Louise Dietrich opened the district secretaries conference at 10:45 a. m. today. The address of welcome was given by Miss R. Daisy Moore, president. A report on the last conference and a discussion period followed.

The Texas Graduate Nurses' Association met in the early afternoon to finish up the business of the convention.

Railroad Bill Awaits Hearing

AUSTIN, April 18 (AP)—A bill permitting railroad companies to operate supplementary truck service in Texas today awaited consideration on the floor of the house of representatives.

The measure was reported favorably last night by the state affairs committee after opposing arguments were presented during two nights of public hearings.

Opponents contended it would allow special privileges to railroad companies, asserting that the proposal contained no provisions requiring them to show public convenience and necessity in obtaining permits.

Proponents argued that the railroads needed a more economical and efficient means of transporting less-than-carload freight. They said the bill would allow railroad companies to operate truck services over highways running parallel to rail lines.

Theater Cries Once Hushed SALT LAKE CITY—Utah Writers' Project discovered theater-owners in 1932 solved the "crying baby" problem with this sign displayed over the boxoffice: "Admission—Adults, 25 cents. Babies in arms, \$10."

F Worth Breaks Ground For Bomber Plant

FORT WORTH, April 18 (AP)—In a patriotic setting, Fort Worth was to break ground this afternoon for the \$10,000,000 Consolidated Aircraft bomber assembly plant at Lake Worth that will give the city a major role in the production of bomber planes for national defense.

A bunting draped platform near the center line of the site of the plant's biggest building, and just west of the field office set up for army engineers who will supervise

the construction project, will be the scene of the ground-breaking ceremonies at 3 p. m.

High ranking army, navy, air corps, and aviation officials were arriving this morning to join Fort Worth citizens in launching the project.

Among the early arrivals were Col. George E. Lovell of Fort Sam Houston, representing the 8th Corps Area, and Col. William B. Wright, commander of the Meridian, Miss., air base. Colonel Wright was here as representative of Lieut. Gen. Delos C. Emmons, commander of general headquarters of the army air corps.

One of the leading aviation representatives due for the program was T. E. Braniff of Oklahoma City, president of Braniff Airways, Inc.

The visiting officials were guests

of chamber of commerce directors at an informal luncheon at noon.

With A. A. Lund, chamber of commerce president, opening the program and Amon Carter acting as master of ceremonies, the nine speakers will step from the platform and turn a shovelful of earth to mark the beginning of the project.

O'Daniel Signs Court Appropriation Measure

AUSTIN, April 18 (AP)—Signed by Governor W. Lee O'Daniel, the appropriation bill to support the judiciary system in Texas for two more years today was filed with the Secretary of State.

It appropriated \$4,905,193, an increase of \$80,078 over the appropriation for the current biennium, which ends August 31, 1941.

Major Hike In Bomber Making Is Scheduled

WASHINGTON, April 18 (AP)—A new major expansion of the nation's aircraft industry to meet an urgent British need for heavy bombers was reported reliably today to be under consideration by officials in charge of the lease-lend program.

Three or four additional plants to turn out long-range bombers—backbone of aerial striking power—were described authoritatively as projected. The Boeing Aircraft company of Seattle, Wash., was said to be in line to receive a con-

tract for one of them.

The proposed new plants would be in addition to four already under construction in the middle west which were designed to turn out 3,600 bombers annually from parts prefabricated in automobile plants.

Military experts long have conceded that Britain has a pressing need for heavy bombers to enable her airmen to reach distant land targets as well as to combat German attacks on shipping far at sea. William S. Knudsen, defense production chief, told congress recently that with 2,000 such aircraft now "we could fix things up over there."

Spokesmen declare the limit of expansion of the aircraft industry rests on the availability of supervisory personnel and trained mechanics. The supply of the former already is rather thin, officials said, and some sources declared the

developing shortage had presented a difficult problem in assembling organizations to operate the four new bomber assembly plants now being established at Omaha, Neb., Tulsa, Okla., Dallas and Fort Worth, Tex.

Derby Slated To Draw Full House May 3

Kentucky Classic's Starting Field Will Rate With 1937's

NEW YORK, April 18 (AP)—If all you hear is true, it's going to be a full house and then some out there on the Downs when "My Old Kentucky Home" calls the horses for the Derby May 3.

For, despite an injury to Bold Irishman, which left his prospects about as bright as an old outbag, and not forgetting that the next nine days' racing are going to make sharp slices in the lists, there are still two dozen or so of the gallopers in the running to get to the post. At this writing, it looks like the biggest starting field since War Admiral gave the horse laugh to 19 others back there in '37.

Half of the two dozen, topped by the winter leaders—Dispose, Porter's Cap, Curious Coin and Whirlaway—are just about a dead-eyed cinch to charge out when the starter hollers "come on." The others are yes-and-no chances, like Mrs. Parker's Corning's King Cole, with everything depending on how they do from here on, notably in such tough tests as the Chesapeake tomorrow, the Blue Grass next mid-week and the Wood Memorial at Jamaica April 26.

Of the two dozen still regarded as most likely to succeed in getting the ride to the Downs, the big hand has been dealt to your old pal Maxie Hirsch, who has four others beside the Texas-owned Flamingo winner, Dispose, as possibilities. If Dispose can't do it, the miracle man of 1935 (remember Bold Venture?) might possibly pull one out of the hat from among Mrs. Parker Corning's Attention, rated as Equipse's best son, or Smold Hanger's Harvard Square, who has been working first rate at Belmont; Bold Venture's boy, Itabo, staminate of Dispose in Richard Kleberg's barn, or the River Edge Farm's Sheriff Culin, who gets a chance at Jamaica today to show how he fits into the picture, if at all. Itabo won his only two-year old outing.

Porker Mentor Called To Army

FAYETTEVILLE, Ark., April 18 (AP)—The University of Arkansas' Southwest conference champion cagers will be looking for a new coach after June 1.

Reserve First Lieutenant Glen Rose, the Razorback basketball mentor whose charges took the 1941 conference title, has been ordered to report for physical examination the latter part of this month. It was announced today. It is orders call for him to report for active duty at Fort Lewis, Tacoma, Wash.

Rose, 25, three times an all-conference guard for the Porkers in 1925-28, has guided his fives to three circuit titles and has tied for a fourth championship in his eight years as varsity coach. He is also line coach for the football squad.

Cities Wrests 12 To 6 Tilt From Phillips

Muny Drops NYA For 15 To 9 Count

Cities Service softballers wrested the favorite's role from Phillips' Tremen last night with a 15 to 6 count. Making it a nip-and-tuck affair to the fifth inning, the Cities crew walloped out five runs and put the finishing touches on the show with a trio of markers in the sixth and a pair in the seventh count. City Employees went into Major League competition with a 15 to 9 advantage over NYA.

The NYA lads kept the upper hand during the forepart of the engagement but started losing ground in the fourth stanza and were completely thrown out of the chase in an extra inning in which Muny lined out six runs and the game.

H. Morris came through with six strikeouts for Phillips side of the ledger but L. D. Cunningham, who accounted for 15 would-be batters in the opening game of the circuit Tuesday night, kept up the good work with ten outsters falling by the wayside.

Muny's hurler, J. Daylong, chalked up two strikeouts to his credit in comparison to a pair of NYA's Tatem and four by Lowe.

During the entire evening's show, Cities Pepper Martin was the only outfielder to give the apple a ride over the course, coming through with a homerun in the sixth inning.

Gold Medal Tarnished

OTTAWA—The board of Ottawa Collegiate Institute is trying to solve a mystery of 1913, revealed in a letter from an honor student of that year. Miss Sybil Stewart complained that a "gold medal" has turned out to be nothing but gilded bronze.

Cards Romp Over Reds For 3rd Straight Time

By The Associated Press

A few weeks ago, when everybody was guessing and second-guessing baseball's pennant prospects, some of the experts proclaimed that if the St. Louis Cardinals jumped off to a fast start they would run away with the National league race.

Well, the Redbirds are away like a rocket.

They have just won three consecutive games from the world champion Cincinnati Reds and there is no telling where or when they will stop. It might be today, but it wasn't yesterday.

The two western rivals put on a wild west showdown, with 15 players taking part for each side, and the Cardinals came one by a 7-6 margin.

The superior power of St. Louis was irresistible, as it may be throughout this year, and when the Cardinals came up to the seventh trailing 4-1, they solved the problem simply enough by having Jarvis Johnny Mize hit a home run with two on and Ernie Koy another with the bases empty. After the Reds went ahead again with two runs in their half of the inning, the Cardinals clinched the decision a the ninth.

Brooklyn's unpredictable Dodgers, rated right along with the Reds and Cardinals as flag threats, also absorbed their third straight lashing from the New York Giants 7-6 in a sandlot show of 26 hits and four errors. It was a see-saw game with the Dodgers having a little the best of it until the Giants got to Curt Davis for two runs in the seventh and another in the eighth on Gabby Hartnett's pinch double.

The Pittsburgh Pirates plastered a 7-2 count on the Chicago Cubs behind the two-hit hurling of Truett (Rip) Sewell.

The Boston Bees bumped off the Phillies 7-5 with a home run attack that would have made the weak-hitters who used to inhabit the Beehive squirm. Max West hit a homer with one on in the third. In the eighth, with the Bees trailing 5-4, Babe Dahlgren, the ex-Yankee, slaped a round-tripper with one on, and finally, relief pitcher Wes Ferrell drove out a final homer in the ninth and took credit for the victory.

Al Smith, southpaw castoff of the National league, shut out the Chicago White Sox 3-0 for the Cleveland Indians right on the heels of Al Milnar's two-hit shut-out of the day before.

Joe McCarthy shook up his New York Yankee lineup and got a 9-4 victory over the Philadelphia Athletics that was cheered mostly because Lefty Gomez went the route for the first time in more than a year.

EL PASO, April 18 (AP)—National defense promised to be the theme at the opening session today of the 18th annual meeting of the Texas Junior chamber of commerce.

Approximately 30 resolutions which state officers said would be introduced included those concerning strikes in defense industries, hours of work, conscription, proper armaments, and ways of paying national defense bills.

The committee on nominations includes: Vernon Brewer, Brownfield, chairman; Lonnie Detson, Lockhart; Leroy Eckert, Mason; Bill Bussey, Longview; Jack Steed, Marshall; Morris Brownlee, Houston; Ray Hooker, Galveston; Roger Adkins, Kerrville; Carroll Vermillion, Sinton; Maurice Hill, El Paso; John Logan, San Angelo; Bill Callaway, Abilene; Sam DeVis, Amarillo, and Jimmie Dodge, Pampa.

EL PASO, April 18 (AP)—The legal residence of B. D. Battle, appointed and withdrawn as state auditor by Governor W. Lee O'Daniel and declared a Louisiana by Senator Joe Hill of Henderson, apparently remained unsettled today.

Attorney General Gerald C. Mann yesterday informed the governor it was not within his province to determine Battle's legal place of residence as the issue contained "mixed questions of law and fact."

O'Daniel, who had requested the determination from Mann, had withdrawn Battle's name from the senate after Senator Hill contended Battle's residence was in Shreveport.

Kovacs, Riggs Due For Net Battle Sun.

HOUSTON, April 18 (AP)—Unless Bobby Riggs of Chicago and dinky Frank Kovacs of Oakland, Calif., suddenly go to pieces—and there seems no likelihood of it—they will meet Sunday in the River Oaks tennis tournament finals.

Each of them, it is true, has an opponent to overcome in the semifinals, but the match is virtually set unless the experts are as silly as Kovacs likes to appear to be.

Riggs, defending champion and former national champion, meets Elmer Grant of Atlanta, Ga., today, but he shouldn't have much trouble if he's half as good as he was yesterday in defeating Billy Talbert, young Cincinnati-netman, 6-2, 6-4.

Kovacs, as usual sacrificing a good shot for the sake of a wise-crack, eliminated Edward C. Alcock of Rollins college, 6-3, 10-8. The Oaklandite goes up against Jack Kramer, another Rollins college representative, in a semifinals match Saturday.

Kramer, ranked sixth nationally and third-seeded in the tournament, turned in a machine-like performance to beat Frank Guernsey, former national intercollegiate champion, 6-2, 6-3.

Buffs Score 3-2 Win Over Exporters

Santonio Nabs Shre'port; Dallas Has Dismal Night Against Fort Worth

By The Associated Press

The Houston Buffaloes, defending champions of the Texas baseball league, still haven't given the lie to those who predicted they would win the pennant again.

Thanks to Fred Martin, young righthander, and relief pitcher Glenn Gardner, the Buffaloes scored a 3-2 win over the Beaumont Exporters last night at Houston.

Martin allowed only four hits until the seventh, when he was struck on the hand by a batted ball and forced to yield to Gardner. The relief hurler protected Moustion's 3-2 lead, giving his team the fourth victory out of five starts against Beaumont.

In another night game the San Antonio Missions on their home grounds took a 7-3 victory from Shreveport. San Antonio pounded Jack Brillheart hard in the early innings and amassed a 6-0 lead in the first four frames, but the Sports took a batting spurt and threatened the rest of the way. Each club was credited with 12 hits.

The Dallas Rebels, playing under the klieg lights against Fort Worth on the latter's home grounds, turned in another dismal performance, dropping an 11-5 decision to the Cats. It was the Rebels fourth loss in five starts against Fort Worth.

Rain again forced postponement of the Oklahoma City at Tulsa night contest. Inclement weather has allowed the two teams to play only five innings since the league season opened last Sunday.

Howard Payne's Owens Favored In Kas. Relays

LAWRENCE, Kas., April 18 (AP)—The colleges, usually overshadowed by the large universities when it comes to thing athletics, move into their own Saturday at the 19th running of the Kansas Relays.

Chief standard bearer for the smaller schools is Pete Owens, one of the nation's best hurdlers who hails from Howard Payne College in Texas.

Welby Williams of North Texas State, will carry the banner of the small schools in the open century, and Al Mikeeska, a teammate, shares the javelin throwing burden with Isham of Southwest Texas State.

Abilene Christian, another of the Texas schools entered, established a two-mile mark and returns with three-fourths of the aggregation which blanketed all opposition in 7:48.4.

Business School Diplomas Given

Five graduates of the Big Spring Business college were presented with diplomas in secretarial, bookkeeping and calculator operation courses Thursday afternoon.

R. N. Beacham, manager of the school, made the presentations.

Those receiving diplomas were Sammys Laws, secretarial and bookkeeping; Aveyce Holland, secretarial and bookkeeping; Juns Krupp, secretarial; Pauline Williams, secretarial; Freda Jo Bond, secretarial, bookkeeping and calculator operation.

Bombers To Meet Lamesa 9 Today

After a jaunt to Artesia, New Mexico, where they were parties to a pair of games with the Clovis Pioneers that chalked up the rather large count of 68 runs in two days competition, the Big Spring Bombers handed the Texon Oilers a 7 to 5 licking Thursday. Now the Big Springers are faced with a problem of contending with one of their most fiery opponents, the Lamesa Lobos. The contest is billed to start at 3 o'clock this afternoon in the Lobos home kennel.

Big Spring is going into the affair with one of its outstanding hearties, Art Shilling, on the ailing list. Having turned in a standout brand of ball on second-base in shows thus far engaged in, Shilling is currently out of the roster with a bad ankle. Frank Riviere said Friday morning that Shilling had been examined by a doctor but nothing definite had been decided about the game leg.

Although it is not noticeably better as yet, Riviere expects Shilling's ankle to get in shape for the opening day game at Wichita Falls at least.

According to present intentions, Charlie Wadshell, popular hurler from Long Beach, Calif., is slated to start the contest. Buck Schulze may get a lick at the proceedings before the afternoon is over. Riviere said. Up for his turn at catching duties, Ray Dulak is scheduled to go the route for Big Spring.

The Bombers have a chance of becoming something of a hitting club, if past showings are any indication. Third-baseman Hank Poltras, centerfielder Pete Zmitrovitch, First Baseman Eddie Stevitch and Shortstop Hayden Greer have been knocking the hide off the ball in tussles thus far.

Lamesa's stock has picked up considerably since they were thrashed by the Bombers here.

Playing at mid-season form, the Lamesa Lobos defeated the House of David baseball team Thursday, 4 to 1.

The Lobos scored their runs in pairs of two in the first and fifth innings. They opened the game with three hits in a row to take a lead. Then in the fifth with Kieckle on third and Scaling on second, Hodges, an outfielder blasted a single to center to drive in the two men on base.

The Davis scored in the second. With a runner on third, Hicks, Lobo starting pitcher, uncorked a wild pitch to allow the runner to score.

Trees relieved Hicks in the fifth and pitched good ball the rest of the way. On two occasions his widows got him in trouble, but each time he had stuff enough to pull out.

Tuesday's opener in Boston was the first Nick Altrock, veteran Washington coach and comedian, has missed in more than 40 years. Nick is laid up with a broken leg.... Freddy Lindstrom, Knoxville manager, has installed a new set of springs in his legs and put himself on the club's active list.... Don Meade may be aboard Little Beans in the Derby.

Today's guest star—Jimmy Wood, Brooklyn Eagle: Tony Lazzeri and Marvin Owen who have been trying to kid themselves that they still retain the flush of youth, tripped on their whiskers in early Coast league games and went to the sidelines with pulled muscles.

Sports tabloid—U. of Colorado's baseballers collected 43 hits and 43 runs in a double bill against Nebraska.... Heart break: Drew Reid Handley southpawed a no-hitter for the Edinburg (Tex.) Highs against the McAllen team, but lost, 3-2. Dittos last year against the same team, lost, 6-5.... Help wanted: The line is forming to the right out at South Dakota State where four coaches quit their posts in the last few weeks....

SPORTS ROUNDUP

By EDDIE BRIEZE

NEW YORK, April 18 (AP)—Hoyt Hall of Auburn and Bill McClellan of Mississippi State, have tied for the pole vault in three consecutive meets. Now you tie that one.... Ted Bank, ex-grid coach at U. of Idaho, now is a big shot in the war department's morale department and has been assigned to organize an athletic program for the entire U. S. army.... Fritzie Elvivo who fights Mike Kaplan in Beaumont tonight, was introduced to the Massachusetts house of representatives and invited the entire membership to attend the fight as his guests.... When co-promoter Mike Jacobs heard about it, he caught the next plane to Boston, his store teeth clacking.... They wouldn't let Lew Jenkins say good-bye to his manager, Hymie Caplan as Hymie left for a long visit to Sing Sing.

His number up—Joe Marty may be ordered to the army. And the irony in that one is immense.

For it gives a guy the willies. When they said the lowly Phillies With a view to adding strength to our defense.

They're back again—The Wood vs. Wood feud will be resumed when Yale and Colgate lock horns Monday. "Smoky Joe" Wood is the Yale coach. Joe, Jr., will be Yale's pitcher. Colgate's elbower will be Steve Wood, another son, while a third, Bobby will play first for Colgate. Last year Yale won by a run, although Steve park-ed one. This time, reinforced by another Wood, Colgate hopes to square the series.... TEXAS, SMU Open Decisive Series Today

By The Associated Press

Texas and Southern Methodist open a series at Austin today that will have a strong bearing on the ultimate result of the Southwest conference baseball race.

Texas is pacing the drive but only by a narrow margin, with S. M. U. in hot pursuit and at the present time playing the best ball of any of the six teams.

Indications were that Texas would use its ace, Mel Deutsch, in an effort to tame the Mustangs in the opener, with S. M. U. depending on its brilliant Brooks Atchison, the only conference pitcher able to set the Longhorns back this season.

In other games Rice meets A. and M. at Houston and Texas Christian plays Baylor at Waco today and tomorrow.

Women's Golf Stars Move Toward Finals

Mrs. Goldthwaite, Kay Pearson Upholding Pre-Meet Standings

GALVESTON, April 18 (AP)—Like the sands of an hour glass, Mrs. Frank Goldthwaite and Kay Pearson proceeded slowly but surely toward a meeting in the finals of the Texas Women's Golf association tournament.

When the bulky field teed off in quest of Mrs. Goldthwaite's 48th, it generally was conceded that Mrs. Goldthwaite, Houston's champion, were the class of the brigade.

Mrs. Goldthwaite, Fort Worth mother, was paired against Mrs. W. H. Alsworth of Houston in one semi-finals match today and Miss Pearson engaged Mrs. Otto Armstrong of El Paso.

Neither was expected to lose, although Mrs. Alsworth exhibited some splendid shot-making in disposing of the tournament dark horse, teen-age Polly Riley of Fort Worth, 5 and 3 yesterday.

Miss Pearson, however, had the day's best scoring performance—a par 38 for the tough first nine of the country club course. She made the turn 4 up over Mrs. Mays Elmet of Houston and breezed for a 3 and 2 win.

Mrs. Goldthwaite played spotty golf to defeat Mrs. Giles Day, her fellow club member, 3 and 2. She turned 4 up, won 10, then lost 11 and 12 to be three up. They halved in the rest of the way.

Mrs. Armstrong eliminated Miss Hilda Urbanke of Austin, whom she succeeded as president of the association.

Mrs. Armstrong was but two over par for the 12 holes played and hoped to go back to El Paso with cheerful news about the rest of the tournament play.

Expansion Of Mitchell Pool Expected Now

COLORADO CITY, April 18 - Locations for a number of new wells in the Dockrey & Robbins field of northwestern Mitchell county are expected to be announced in the near future as a result of the completion of the Coffield and Guthrie pipe line extension into the field. The line will convey crude from the wells to the Col-Tex refinery's storage tanks north of Westbrook.

Contract for the drilling of the Judith Quintette (M. Emmons) No. 4 Strain has been let to E. H. Simmons of Colorado City. Location is on the northeast 60 acres of the south 204 acre of subdivision 9 of the Geo. J. Reiger survey. Oil string for the Judith Quintette No. 3 Strain has been cemented at 1,400 feet.

F. W. Merrick's No. 9 Strain in section one of the John Taylor survey was drilling at 1,600 feet this week.

Lions Comedy Shaping Up

One of the best shows ever produced here with a local cast was predicted Friday by Lions club officials as finishing touches were added in rehearsals for "Swing Out," a three-act comedy scheduled for showing in the city auditorium Monday at 3:45 p. m. and 8:15 p. m.

Thursday evening the cast moved its practice sessions to the auditorium where the show will be staged. Although progress has been satisfactory, Myrtle McDonald, director, said that three more rehearsals were in prospect before first curtain time.

Besides the regular story plot, there will be snappy chorus numbers by talented young local dancers, several novelties and some fun in between acts.

Various committees promoting the show were reported completing their tasks and work was being concentrated on ticket sales and promotion. Several merchants were reported buying blocks of tickets to distribute among customers.

The story is built around the wedding of a social minded wife of a successful manufacturer in her daughter's love life. Details work out in the end, and the play is arranged for mingling in chorus and specialty numbers.

RAZOR PERSUAISION

DALLAS, April 15 (AP)—Joe Noble, 39-year-old negro, told the court he carried a razor to his mother-in-law's house when he tried to effect a reconciliation with his wife.

The wife was slashed in the ensuing argument and he got five years in prison on a charge of assault to murder.

Alleys Named ABC's Share Of City Clean-up

American Business Club members Friday shouldered their part of the responsibility in promoting a city-wide clean-up campaign.

In so doing they became alley conscious, for their's is the big job of encouraging the clearing and cleaning of alleys. Dr. J. M. Woodall, W. P. Wooten, R. D. Gougherty and Fowler Faubion were named as a committee to direct this work.

As other organizations have done, the ABC club snatched up a painting contest challenge presented by Albert Darby on behalf of the Rotary club.

Among the "artistes" who will perform for the club in the contest to paint the WPA nursery building at 4th and San Jacinto streets Tuesday at 5 p. m. will be Coy Nalley, Chester Chuck, C. A. Amos, Bill Younger, R. D. Gougherty, Charles Girdner, and J. W. Elrod.

On another front of the clean-up campaign, the Business and Professional Women's club got out scores of letters to concern handling food, urging their cooperation in the drive and to fill out pledges so that members can pick them up when they call personally next week.

ABCers Hear NYA Director

Talks on the National Youth Administration throughout the district and in Big Spring were given by Rod Merritt of San Angelo, youth personal director of the district for NYA, and Joe B. Harrison, local center director, for the American Business club members at luncheon Friday at the Settles hotel.

Merritt pointed out that the purpose of the organization was to give youth sound work habits, to find where aptitudes lie and then help youths select sound occupations. To further health and living standards and to train them in the use of leisure time. In short, to make useful citizens of them.

Harrison told of work at the local center and pointed out that the NYA was trying to build men, in order that they need not be mended in later life. J. W. Elrod was in charge of the program.

Cecil Snodgrass, former member and president of Austin, was a guest and made a short talk.

Durward Carnett and Dr. J. M. Woodall were named a committee in charge of the club annual fishing trip.

The chorus from the Lions club plus "Swing Out" gave two selections. Miss Maa Taylor, Shirley Robbins, Betty Bob Ditz and Virginia Douglas composed the chorus. Mrs. Pat Kenney played piano accompaniment and Mrs. Myrtle McDonald urged members to attend the show Monday night.

Club voted to write letters to members now in the army and Jim Kelly and Roy Reader were named in charge. Bill Horne was introduced as a new member and Lyle Post, a former member, who has returned to the club.

Other guests were E. R. Scott and Louis Tate.

Tobey Declares US Is Convoying

WASHINGTON, April 15 (AP)—Senator Tobey (R-NH) told the senate today that he had information from four unnamed individuals that the navy already is convoying shipments of war materials.

The senator said his information came from "a man who has close contacts with the government," a "government investigator" and two private citizens.

Tobey read the senate a telegram to President Roosevelt requesting information on administration policy toward convoys and introduced a resolution March 31 to forbid convoys.

Tobey read a letter he said was from a point "on the Atlantic seaboard" which declared that the writer had a relative in the navy who had been on convoy duty.

Windsors Arrive In Palm Beach

PALM BEACH, Fla., April 15 (AP)—Palm Beach society prepared today to greet the Duke and Duchess of Windsor with as much informal entertainment as the famous couple's efforts to avoid ostentation would permit.

The Windsors, making their second visit to the United States together, arrived at Miami this morning aboard the steamer Berkshire from Nassau. From the dock, they went to downtown Miami where British Vice Consul L. A. Oates said the duchess would visit a physician for a general check-up.

GMC Faced By Strike Threat

By the Associated Press

General Motors corporation today faced the threat of a strike in its 30-odd Michigan plants, and possibly in its factories in other states as well.

President E. J. Thomas of the CIO United Automobile Workers announced last night that the union was filing the five-day notice of intention to strike, as required under Michigan law.

A one-year agreement between union and company on wages and working conditions expires Sunday, and union leaders expressed determination to walk out if necessary to enforce their demands, which include union shop recognition, wage increases of 10 cents an hour and additional vacation allowances.

Negotiations toward a new contract have been underway for several weeks. The present agreement covers more than 60 widely scattered plants employing 160,000 men.

MORE COTTON GROWERS "BETTING ON CERESAN" FOR BETTER STANDS HIGHER YIELDS

Last year's yield increases—last year's high praise by State Colleges—mean more acres planted to CERESAN-treated cotton seed this season! Be among the growers to profit! Texas Bulletin 531 says, "For College Station the average increase in yield for Ceresan-treated seed was 64 pounds of lint per acre over Temple, Texas, tall of 'double' germination. Oklahoma A. & M. Experiment Station Circular 89 says, "Dusting the seed with Ceresan is in more general use than any other cotton seed treatment. . . . CERESAN costs little; reduces seed rotting and seed-shin; generally improves stands and yields. Treat your own seed, or look for the Ceresan Treatment Tag on seed you buy!"

Deanna Durbin To Be Married In Elaborate Ceremony

HOLLYWOOD, April 15 (AP)—Deanna Durbin, a quiet girl herself, will have a glamorous wedding tonight, with 900 guests.

"This is my first romance," she remarked when she and Vaughn Paul, 25-year-old studio executive, obtained their marriage license. "And I hope it is going to be my last."

The golden voiced film singer of 19 will be married at 8:30 p. m. (10:30 p. m. CST) in Wesley Methodist Episcopal church by the pastor, the Rev. Dr. Willis Martin. The double ring ceremony will be used.

The wedding will be one of the rare glamour ceremonies of late years in this town. Most actors and actresses have dashed to a nearby town—often to Arizona's Gretna Green at Yuma—been married in a civil ceremony, and rushed back to work.

Deanna and the only sweetheart she ever had will take a month's honeymoon. Hoping to avoid the curious, they did not say where.

Then they will live in a Hollywood apartment until they build a one story English cottage in Brentwood.

Luther (Red) Jones Dies At Monahans

Luther (Red) Jones, 30, former Big Spring resident, succumbed following a brief illness at Monahans early Friday morning.

The body was to be sent here Friday evening and services will be held Sunday, probably at the Eberley Funeral Home.

Friends said Jones had not been well recently, but that his condition was not thought serious. As an employe of T. & P. Motor Transport Co. he worked in Big Spring before being transferred to Monahans. Jones leaves his wife and three children.

Howard County Gets Six Man Draft Quota

Howard county will send six men to the army through selective service induction May 7, the local draft office announced today.

That quota was assigned by the state headquarters as a part of the current state quota of 1,000 trainees.

Four volunteers are on a waiting list in Howard county toward filling the quota of six.

Charlene Estes left Friday to visit with friends in Fort Worth and Dallas over the weekend. She plans to return Tuesday.
