Price 10c per copy

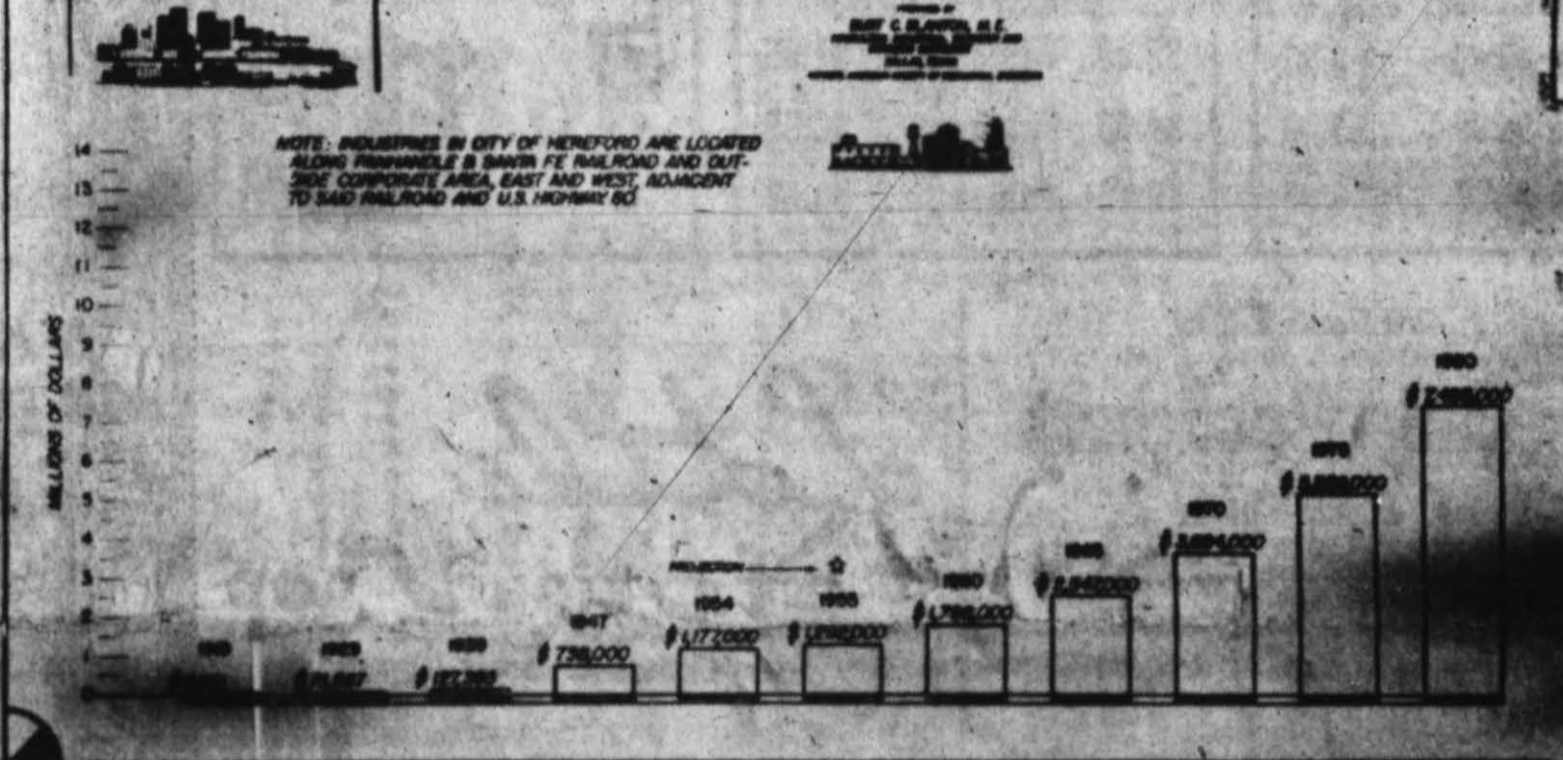

POPULATION OF CITY OF HEREFORD AND ENVIRONS, METROPOLITAN AREA, AND DEAF SMITH COUNTY, TEXAS, 1900-1955, AND PROJECTED TO 1960.

CHARTED GROWTH of Hereford is seen above on a sketch reproduced from the recent C-C Industrial Survey. The chart gave Hereford 2,400 in 1930, 2,500 in 1940 and 5,200 in

1950. Projections show present population at 7,500 with an estimated 9,500 in 1960 and 18,400 in 1980.

TOTAL VALUE ADDED BY MANUFACTURING AND PROCESSING IN INDUSTRIES LOCATED IN CITY OF HEREFORD AND ENVIRONS, DEAF SMITH COUNTY, TEXAS, 1916-1954, AND PROJECTED TO 1960.

INDUSTRIAL GROWTH was also predicted in the survey. Present industry was listed at \$1,292,000, predicted to be \$1,798,000 in 1960 and \$2,547,000 in 1965. By 1980 the projection shows \$7,495,000 for industry.

Robinson, Axe Named As School Trustees

In an astonishingly light election here Saturday, Tom Robinson and W. P. Axe were elected as trustees of the Hereford Rural High School district. Only 74 votes were cast in the election, being less than half of the anticipated vote for the election.

had around 320 votes, while only 20 were reported at Dawn. Despite the last-minute surge from 5 to 7 o'clock, however, the total vote barely crept above the 750 mark.

Last year in an eight-man race, the balloting was just the opposite when a total of 1,511 votes were polled in the district. Ira Scott led this race with 1,053 votes; Don Zimmerman was second with 1,049 votes, and Robert Wagener was the third man elected with 904 votes.

A tabulation of the two boxes in the election Saturday follows:

Table showing election results for Robinson, Axe, Jackson, and Davis.

Table titled 'HEREFORD BOX' showing vote counts for W. P. Axe, Tom Robinson, Clinton Jackson, and W. L. Davis, Jr.

Table titled 'DAWN BOX' showing vote counts for Clinton Jackson, W. L. Davis, Jr., Tom Robinson, and W. P. Axe.

The two newly elected board members will succeed Howard Gault and Lyle Woodford, and will serve with five carryover members: Don Zimmerman, Ira Scott, H. H. Miller, Robert Wagener, and Mrs. Earl Plank.

Ray Of Hope Is Seen For Sorghum Parities

A ray of hope for relief from hardships created through drastic reduction of grain sorghum support prices was seen following appearance of an 11-man delegation from the Texas Panhandle Thursday.

on grain sorghums stands to bring financial ruin to a great number of farmers on the High Plains, and more especially in the irrigation belt, where production costs are high. The drop, according to most producers, represents any possible profit from the growing of maize and other grain sorghum crops.

The delegation spoke in behalf of approximately 2,000 producers from six states and was created at a meeting Feb. 22, in Amarillo in protest to the cut. Peeler was named chairman of the group at the Amarillo meeting.

Congressman Rogers told the Deaf Smith Chamber of Commerce that Senators and Congressmen interested in the case were also following up on the case in several ways to assure that the Secretary of Agriculture give every consideration to giving the Grain Sorghum growers relief in his evaluation.

Encouragement for the group grew out of the fact that Sec. Benson, despite the fact that he gave no assurances concerning relief, told the group that the grain sorghum situation will be "re-evaluated."

Cong. Walter Rogers, who appeared with the Panhandle delegation, reported in a telephone conversation with local Chamber of Commerce officials, that the delegation spent more than an hour with the Secretary.

Benson's Longest Session "This is probably the longest session that Sec. Benson has ever attended with any group where he stayed for the entire conference," said Rogers. He also expressed praise for the straight-forward manner in which the committee presented their problem to the Secretary, adding that the Congressional delegates and the Department of Agriculture officials were impressed with the growers and with the story they had to tell.

The same delegation also told the same story to Mr. Hogue, who said that he would pass on to the President their appeal for White House intervention.

Cuts Out Profit As people in this area are aware, the recent drop from 85 percent of parity to 70 percent of parity

Congressman Rogers said that he could think of nothing that had been left undone, the case had been presented in every way possible and it was now up to the Secretary of Agriculture to make the decision.

Peeler will give a report on the Committee's Washington trip at the Community Breakfast to be held at the Hotel Jim Hill, Wednesday April 6 at 7:00 o'clock. Those wishing to attend this meeting should call the C. of C. office, telephone 267, for reservations.

Other Texans in the group were John Pittman, Hereford; Leo Wilkowski, Happy; W. M. Sherry, Lazbuddie; John Venneman, Spearman; and Gabe Anderson, of Bovina.

March Building Permits Show Increase Over 1954

Building permits for March came up \$45,212 more than the total for March 1954. March 1955 had 18 permits of which 12 were additions, garages, and remodeling residences. The other six were residences, all of which totaled \$107,712. The total for March 1954 was four residences, one two-family house, and two store additions, which totaled \$62,500.

The listed permits follow: E. Berryman, garage, \$200, March 1; W. O. Duggan, room addition, \$700, March 2; Mrs. Dora Inman, addition of room and two baths, \$150, March 5; Bess Moore, Addition of room, \$4,000, March 14; Joe Patez, garage, \$1,500, March 14; O. E. Stevens, building for storage \$450, March 21; H. A. Cavness, residence, \$18,573, March 21; Troutman Brothers, apartment for renters remodel and move, \$3,000, March 31.

DWI Plea Draws \$75 And 10 Days

Carl I. Johnson plead guilty in county court here Friday afternoon on charges of DWI, and drew a fine of \$75 and costs, along with a 10-day jail sentence from Judge Homer Henslee. Johnson, a Santa Fe employee, was arrested near Dawn by Deputy Neil Young Thursday and appeared in court Friday. He is a resident of New Mexico. In another County Court trial, Walter Ford, Negro, was found guilty of aggravated assault and fined \$25 and court costs. Ford entered a not guilty plea and waived jury trial. Charges were filed by his wife.

March 22; Robert Thompson, residence, \$18,000, March 24. J. D. Poarch, residence, \$16,500, March 30; E. W. Young, addition of room, March 30; William B. Miller, residence, \$12,000, March 14; Clinton Cates, residence, \$8,000, March 15; Claude Francis, enclosure, \$250, March 15; E. S. Ireland, duplex, \$3,500, March 15, Samuel Valdez, storage room, \$100, March 17; G. H. LaPlant, residence, \$9,789, March 17; P. I. Burrell, move residence, \$500, on March 31.

Auto Tag Sales Set New Record With 3,303 Total

The final day's run on license plates Thursday went on record as probably the greatest volume of plates ever sold in Deaf Smith County in one single day. When things cleared away Friday morning, records showed a total of 294 plates sold on March 31, deadline before compulsory installation of 1955 plates April 1.

The county had issued a total of 3,303 passenger car plates, a figure which was 297 short of the estimated 3,600 for the period. Plates were still being issued Friday morning. "Other sales have been in proportion to the passenger car plates," said Lowell Sharp, Sheriff, Assessor-Collector. He also pointed out that the 3,303 total this year, although short of the estimate, is approximately 300 more plates than were issued through the office covering the same period in 1954.

NOBODY SEEMS TO WANT ANOTHER

Around Town

You can't beat these old adages. Particularly the one, "In like a Lamb, out like a Lion." March 1 was the most beautiful day recorded in Hereford in many years. March 31 was unquestionably the worst.

People who might be prone to wonder why there are so many stucco houses in this area found out Thursday—for sure. Following the unusual dust-flavored snow storm, all of the houses appeared to have been stucco, regardless of the type of construction.

Herb Miller, who publicly predicted moisture in March, welcomed the snow, however. He called in to remind us of his prediction, but admitted that even he was about to give up when it came at the last minute.

REA Manager Leo Forrest says residents of this area can be thankful that conditions similar to the North Plains did not hit here. Two REA trucks and several employees were dispatched to the Dalhart area to help get REA lines in that area back in service.

Hereford barbers had a meeting this past week and decided to remain closed each Tuesday afternoon—until further notice. The new policy begins Tuesday, April 5.

Frank Daniel and Ike Crosthwait were doing just the opposite, though, announcing that they will keep their steak house open until 10 o'clock each evening.

The Chamber of Commerce membership drive gave every indication of reaching its goal of 100 new members, according to Don Zimmerman, chairman. A total of

Combination Snow-Dust Storm Has Even Old Timers Guessing

Hereford is the place where if you don't like the weather just wait a while and it will change. Anyone who was out Thursday could well believe this when the weather changed from dust-to-snow-to-mud-to-snow-to-dust—and back again several times before the day was over.

Absentee Voting Totals Zero In City Election

Saturday was the last day to vote absentee in the Hereford city election and not a single vote had been cast. Voters go to the polls here Tuesday to elect a mayor and two commissioners. Unopposed for re-election are Mayor Henry Sears and Commissioners Wayne Edwards and Raylan Evans.

Seventh Day Adventists Will Open Welfare Center On Highway 60 April 5

The opening of the Community Welfare Center, on Highway 60, is scheduled for Tuesday, April 5, according to an announcement made by Rev. J. L. Jespersen of the Seventh Day Adventist Church. Mayor Henry Sears will be present to cut the ribbon along with officials of the Texico Conference of Seventh Day Adventist Churches. Mrs. R. W. Elliston is to be the welfare director, and announces that the agency will be open Monday and Thursday afternoons

clouds like it did last Thursday. Everything looked as if it had had a dirty stucco job before the day was over. One of the unhappiest people in Hereford Thursday night was Townsend Douglas, who had a window washing crew from Amarillo down Wednesday all day cleaning the putty, paper and dirt from the windows on his new home. He was still happier, as he had a right to be, however, since the windows are still clean on the inside.

Moisture varied from .30 in the west part of the county to .51 near Dawn. The official Hereford gauge reported .31 inch of moisture, while the KPAN radio station reported .29. Both Philip Miller and Charles Hoover in the northwest part of the county reported .30 inch moisture with lots of high winds. Carl Wimberley, near Dawn had .51 inch of moisture.

Several old timers, who were asked if they had ever seen anything like the Thursday weather, are quoted below: HOMER HENSLEE — I don't think that I ever saw it like that to the extent that it was Thursday. I have seen it do everything in one day—snow, rain, blw, dirt

and sunshine—several times. I can't remember the dates though. It was about the worst I ever saw it in the last 20 years.

BOB HIGGINS — I don't believe I ever did see anything like it. It sure was freakish weather. It was really a mess. ALEX THOMPSON — My memory is kinda shy, but I never saw it rain mud for so long. I've seen it rain mud before but Thursday it rained mud then snowed and then rained mud again. Generally when it gets the atmosphere wet it wets all the mud up and quits raining mud. Now if we could get the women to wash the cars it would be all right.

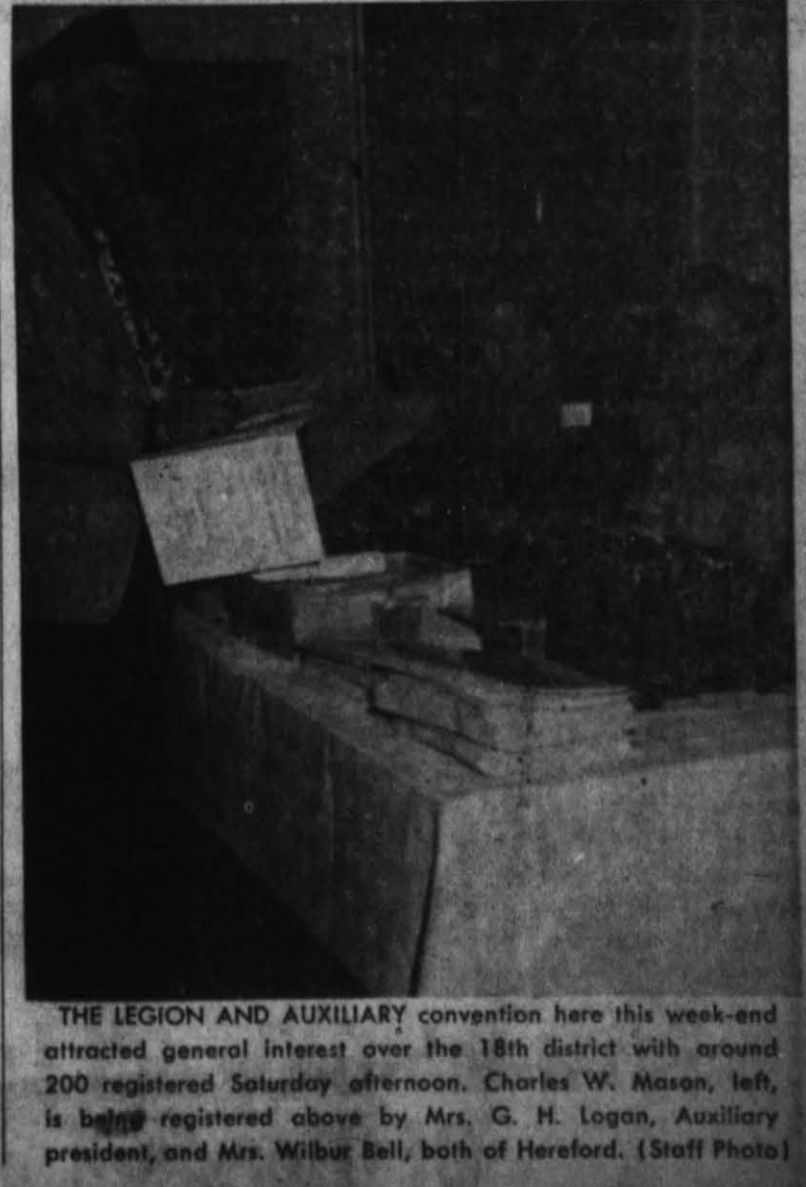

MATT GILLILAND — I never saw a day like that, I don't know when it was. I may have seen worse but I never saw one just like it. Hope we don't have another one like it. GRADY ROGERS — I never saw anything like it. It was quite a variety. I think we were fortunate to have a little moisture with it looking at what the people on both sides of us got. BURL ELLISTON — I never saw a deal like that in my life. I think it's caused by atomic bombs being dropped over in Nevada. In the 54 years I've been here I've seen three good rains though—in 1899, 1903 and 1923.

MRS. A. G. BELL — I never saw anything like that before. I was out in it most of the time. I got caught 15 miles south of Bovina. It was sprinkling and still the windshields were so muddy. I've seen the wind blow and then it rain on it and make it muddy but I never saw it like it was Thursday. I think it's a good thing though because of the moisture.

Remembers Worse E.B. POSEY—Yes, I've seen it even worse. In the winter of 1918-19 along between the first and 15th of April we had a severe snow storm, high winds and thousands

This Understudy Wasn't Playing

Here's one for the books. Barbara Winget was cast in the senior play, "No More Horns-work," in the part of Miss Teldah Ploetz, a character who, in the play, was to become ill, thus creating an opportunity for her understudy. The odd thing was that Barbara Winget really did become ill and her understudy, Ann Dyer who was a promiser, had to take over the role without even one rehearsal session. Just like the play, Miss Dyer came through with an excellent performance which drew congratulations from the entire cast.

THE LEGION AND AUXILIARY convention here this week-end attracted general interest over the 18th district with around 200 registered Saturday afternoon. Charles W. Mason, left, is being registered above by Mrs. G. H. Logon, Auxiliary president, and Mrs. Wilbur Bell, both of Hereford. (Staff Photo)

Combination

of cattle perished. It came in sudden and was bad and true. It was all over with and in a couple of days was pretty spring weather. I have seen snow here as late as May 6 and killing frost in June. In those days we didn't have as much dust as we do now. It was rainy country then. There just wasn't a great deal of dust. We have a history of sudden storms during April.

THE CROSTWAIT—I've seen similar storms. I've seen it sand storm then rain and mud and everything else. I've seen great big drops of rain that were so full of mud that when they hit the pavement they just splattered. Of course that was nearly 100 years ago.

FRED BAIRD—I never saw anything like it in the more than half a century I've been here. I've seen lots of mud showers but I never saw the dust still down through a rain cloud which is just what happened here on

Thursday. That dust came in above the rain cloud and sifted through it.

GASTON BAER—I can't remember the date but I know it was in 1855.

F. M. KEEPER—Yes, I remember it. I have seen it so dark that I had to turn the lights on in the house. It only lasted for a few minutes at a time however. We had our house and fence splattered up about like we did Thursday just two or three years ago. I think we have had as bad here before but from what I hear over the radio and through the press it was worse than they had ever had farther north.

Mass.....

(Continued from Page 1)

stated. The instance in Hereford will occur after school is out, and presented minor problems.

All first and second grade students in the Hereford Schools, St. Anthony's Parochial School and in Walcott School will be eligible for the National Foundation inoculations. As announced, however, the first step is the signature of parents of the child to be vaccinated. "Absolutely no child is to be vaccinated without a signed permit from his parents," Mr. Hyre said.

600 Prospects Here

A total of 600 prospective students will be eligible for the mass Salk inoculations in Dent Smith County. Preliminary figures indicated that parents have signed permit slips for approximately 85 percent of this total at the present time.

Mr. Hyre, who was active in field tests made in 1954, also pointed out several points in which parents may be interested.

"Again, let me stress that this is a vaccination program, and not a test. All students inoculated will receive vaccine," he said.

He also pointed out that the Salk method uses a "dead virus vaccine," with which he said it is absolutely impossible to transmit polio to any individual.

He compared the Salk vaccine with Gamma-Globin shots administered in Canyon last year, pointing out that the Gamma-Globin shots are temporary, whereas the Salk vaccine actually builds up an immu-

ity within the body, along the following pattern:

"First Shot—conditions body."

"Second Shot—starts manufacturing antibodies."

"Third Shot—boosts manufacture of antibodies on a large scale."

Salk vaccine, according to M. Hyre, is given in "one c-c doses" on all three occasions, and a three shots are of exactly the same contents.

Reactions to Salk vaccination is rare, Mr. Hyre said, declaring that to his knowledge there was no reaction to shots given in the 1954 tests.

Two Year Period

Present clinical tests in the Salk clinics indicate that the shots are good for approximately two years, at which time a booster shot is recommended to continue immunization.

Salk vaccine, in addition, is designed to immunize from all three types of polio.

"In case a child has already had polio, it is definitely recommended that he be administered the shots—because there are still other types of polio which he might acquire," Mr. Hyre added.

Attending the meeting were Paul Harvey, county chairman for the National Foundation, superintendents and principals from the various schools involved, County Health Officer R. R. Wills, press and radio representatives and a few other persons closely associated with the coming campaign for mass inoculations.

Around.....

(Continued from page 1)

68 new members were reported Friday with fewer than half of the workers having turned in their lists. The new members run about "50-50" between farmers and businesses. Harry Caylor was high man in the drive with 100 percent on seven prospects, Zimmerman said.

Dale Martin and Ralph Williams opened their new furniture store at 218 West First Street this week, featuring a large selection of home furnishings and appliances.

The trek of local fishermen to Lake Whitney came to a halt during the past few days. Some say it is the weather, others attributed the situation to negative reports. Among those who came back without fish in recent days are Dr. R. R. Wills, Don Zimmerman, Bernard Roberson, Jim and Susie Lipscomb.

Virgil Dodson and George Heard have announced a county-wide Farm Bureau meeting in Hotel Jan Hill for Monday evening, April 11, at 8 o'clock. The topics of discussion will be "cotton, wheat, milk and water."

Attracting quite a bit of interest Around Town this week was the showing of 1955 GMC pick-ups at Kinsley-Roberson Buick Company. The new models are complete with "wrap-around" windshields and quite a few other innovations.

There are 2,058,144 farm boys and girls enrolled in 85,000 4-H Clubs in the United States.

Although the moon revolves about the earth it is also part of the earth complex which revolves about the sun.

Thirty years ago, three pounds

of coal were used in the United States to produce a kilowatt of electricity; today it takes a little

more than a pound.

Westway News

By Mrs. Johnie Townsend
 Rev. C. T. Jackson filled his regular appointment on March 27. Sixty-four attended Sunday School. Nineteen young people attended Training Union Sunday night for a program, "When Liquor Laughs".

Dora Ruth Inman had charge of the program showing posters and giving statistics on liquor sales. Meeting time was changed from 7 o'clock to 7:30 beginning on Apr. 3. W. W. Plew of Phoenix, Ariz., uncle of Mrs. Joe Wagoner is spending a few days in the Joe Wagoner home. Guests in the Joe Wagoner home last Thursday were: Mr. and Mrs. Bobby Jones and Wyn and Mr. and Mrs. Art Shuffer and Gordon of Hereford. Gordon is home on leave from boot camp. He will be

CELEBRATING their 60th Wedding anniversary recently were Mr. and Mrs. L. M. Williams. The couple came to this country in 1925. Mr. Williams is 80 and Mrs. Williams 74.

stationed at Treasure Island at San Francisco after his leave. The moisture from the snow was greatly appreciated in this area. It measured one-quarter inch. Mr. and Mrs. Gerald Townsend and Lamar, Mr. and Mrs. Lewis Neal and Clayton of Hereford visited in the Johnie Townsend home recently.

HEINZ ULRICH

Credit Clinic Is Slated April 18

Mr. and Mrs. Elmer Combs went to Plainview on business last Wednesday and visited with the W. E. Combs. L. A. Hudson of Groom visited the Joe Wagoners last week. He purchased a calf from Joe for his son, Jimmy, for club showing. Mrs. Marion Clark and Jimmy of Hereford visited the Johnie Townsend home Wednesday. Mrs. Merlin Kaul and James Welch met with the young people at the church for choir practice last Wednesday night. Mrs. Joe Wagoner left Saturday to spend a few days with her sister and family, Mr. and Mrs. V.D. Caltharp of Littlefield. Mrs. Clarence Sauls and Billy Don Combs are on the sick list this week. Mrs. R. L. Wilson attended the choral club in Hereford last week. The Westway Home Demonstration Club sponsored a pitch party at the community house last Friday night. Farmers have been very busy planting potatoes but were stopped for a day due to the blowing sand and snow on Thursday. California has half a million acres of vineyards. Scientists say man as a species is less than a million years old.

The merchants of Hereford and their credit managers and credit employees along with other professional credit people in the city have arranged for a week of special training dealing with the techniques of present day credit and collection procedures. This program is a 10 hour course sponsored by the C. of C. Merchants Committee with meetings scheduled each night Monday through Thursday, beginning Apr. 18 at 8 p.m. in the Fireman's Hall. "Retail Credit Procedures" is the title of the course and the daily conferences will be directed by Heinz Ulrich, Retail Credit Specialist, from the University of Texas. Mr. Ulrich has been engaged in the retail credit field for a num-

ber of years and has had considerable experience as a credit consultant. Urlich, chairman, has announced that the course will consist of owners, managers and employees of department stores, banks, furniture stores, automobile dealerships, grocery stores, drug stores and other retail, wholesale and service organizations. Topics for discussion include the following elements of present day credit and collection activity:

1. Advantages of using a credit application
2. Interviewing credit customers
3. Investigating and evaluating the customer
4. Accepting and rejecting the applicant
5. Collection procedures
6. Small claims court procedure
7. Checks and check cashing methods
8. Credit sales promotion

This course is designed to help experienced personnel to become familiar with present credit and collection procedures, and many communities throughout the state have found it profitable to business in general as well as profitable to those being served. This educational program is made possible through the cooperation of Merchants Committee, The University of Texas, Division of Extension, and the Texas Education Agency. Enrollment is open to any person employed in the retail, wholesale, or service occupations with a small registration fee being the total cost to the individual. Additional information may be had by contacting the Chamber of Commerce office.

Postal Receipts Still On Upgrade

An increase of \$136.79 in postal receipts was shown for March 1955 over March 1954, according to Postmaster Jim Lipscomb. The total for March is \$5,686.71 and for February was \$4,759.01. Postal receipts for March are compared with February has an increase of \$1,062.72. Receipts for the March quarter total \$15,844.41, an increase of \$812.51 over March quarter of 1954.

What's This

—By Chris

Stormy weather, just can't—oh, hi, folks, I just got carried away with the weather we've been having I guess.

I wonder why certain boys are so bikini batty? I won't call any names, but their initials are Dean Stevens and Kenneth Stocks.

So Don V. couldn't find his front door key one night, huh? He hung

on to the light pole 'til his mother came out and rescued him. "April Fool." I hear that Don has a shine in Virginia.

What were Bill, Charlie, and Buddy talking about in the library Friday? Oh, I guess that's old news to you though isn't it? As loud as they were talking, you probably knew a long time ago.

A certain girl in fourth period study hall, threw something in the wastebasket that sounded like—well—anyway she came back and said I finally threw away that bottle—of ink.

Turk us walking down the hall with Gale Friday, how odd! He really raises a ruckus in the library every day.

Say, have you gone in for the latest fad yet? Joe Early and Car-

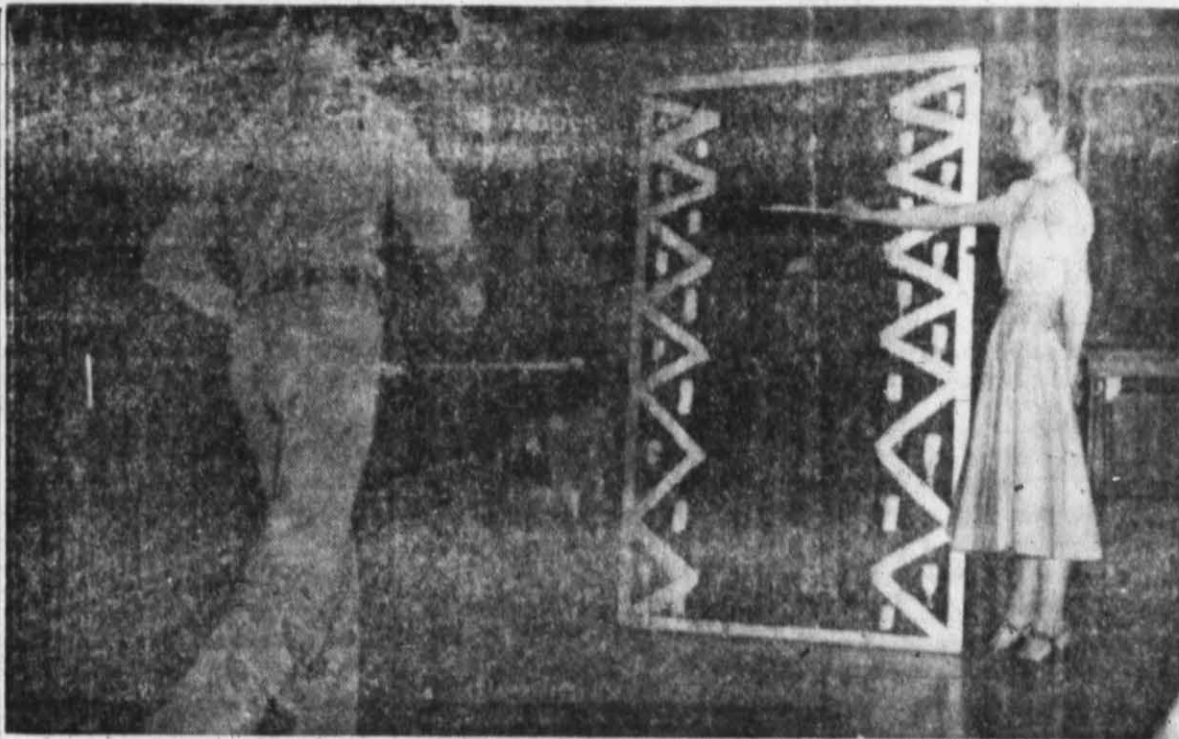

ol Willoughby look very faddish don't you think?

If you missed the senior play, you really missed a humdinger. Ann Dyer was a "real" trouper, in Barbara (Winget) Lawson's absence. Ann found out Thursday afternoon that she would have to double for Barbara, and she learned the part that evening.

The Tri-Hi-Y Club is sponsoring a series of Easter Devotionals, which will last through next week. They start at 8:40 and last about ten minutes. I think it would be profitable and enjoyable to anyone who would like to attend.

Here's a little poem I happened to run on to the other day. I made me stop and wonder if I sometimes accidentally offend people in little things I say. The title is "Word," and the author is unknown.

I love the sound of kindly words
I try to make them sing,
And hope I never send one out
To be a hurtful thing.

TARGET FOR A KNIFE THROWER for the first time, Mrs. Marion Guinn reluctantly posed for W. W. Jones, city policeman, for exhibition stunts last Wednesday before the Lions

Club. The worst part, though, according to Mrs. Guinn, was when Jones outlined her body with knives in the big, black background. (A. O. Thompson, Photo)

Introducing Newcomers

By Margaret Witherspoon
Welcome Wagon Hostess
Mr. and Mrs. Fred Wakefield and their four children are recent arrivals in Hereford. Their home is 223 Ave. K. Fred Neal is 13, Donald Ray is 12, Linda Lee is 10 and Bruce Wayne is 4 years old. Corpus Christi has been their home town until now.

The Robert Caples also live on Avenue K at 208. They come here from Oklahoma City and Purcell, Okla. Marion is 17 years old and is a senior in high school. David is 6 and a first grader at Shirley. Candice is 2 years old.

Frank Mullican is the new Educational Director at the Church of Christ. He and Mrs. Mullican have recently moved to 125 Ave. E from their former home in Canyon. Mr. Mullican finished at WTSC in January. He is prepared for this type of work with 30 hours of Education and 12 hours of Bible in his college work.

Bride-Elect Miss Laura Smith Feted At Shower-Tea Thursday

Miss Laura Smith of Canyon, whose marriage to Ray Graham of this city will take place on April 9, was feted at a miscellaneous shower courtesy in the home of Mrs. B. E. Roberson Thursday afternoon.

Receiving the guests were Mrs. Geo. Graham, the future bridegroom's mother, the honoree and her mother, Mrs. R. A. Smith of Canyon, and sisters of the bride and bridegroom elect, Rachel Smith and Peggy Graham who will serve as attendants in the wedding.

The Roberson home was decorated throughout with spring blossoms and the tea table carried out the colors chosen by the bride elect. The table was covered with

a peach net cloth with pink linen underlay. Emphasizing the theme of "April Showers," a small umbrella of ruffled blue net opening above an arrangement of pink stock centered the table. A winding satin stairway leading from the center revealed the romance with a miniature bridal party. The tiny bride dressed in pink net tossed her bouquet from the stairway to her attendants dressed in blue net.

On the buffet was an arrangement of pink stock featuring pink tapers skirted in blue net.

Informal background music throughout the afternoon will be presented by Mrs. Howard Scott and Mrs. A. J. Schroeter.

Hostesses for the affair included Mesdames B. E. Roberson, Edward Roberson, Rex Lee, D. C. Kinsey, Owen Stagner, Jimmie Allred, Carroll Whiteside, J. R. Allison, Robert Veigel, D. C. Martin, Eugene Sparks, Dalton Criswell, Bobby Owen, Troys Riddle, S. B. McLallen, Marlin Gilliland, J. B. Sneed and Dean Herring.

Senior Play Nets Class \$450 Profit

"No More Homework," annual play presented by the senior class of Hereford High School Thursday and Friday nights, netted the class \$450 profit. The first night there were about 500 present while a capacity crowd filled the auditorium Friday night. The money will go to help pay expenses on the senior trip in May.

After the Friday night performance, Mrs. W. W. Buck, sponsor of the class, had a party for the cast at her home.

Those attending were: Barbara and Jimmie Lawhon, Jackie Burrus, Martha Jean Brown, Ann Dyer, Norma Cummings, Emmett Brown, Larry Kaul, Pickens Moore, J. B. Wills, Georgie Lewis, Joe Easley, Jean Glass, Jean Chapman, Sylvia McCracken, Pat McCullough, John Benson, Lynn Rybee, Wanda Kirksy, Cieta Betzen, and Clarence Caywood.

Four Jury Cases Set For Monday In County Court

Four jury cases are scheduled for Monday in Deaf Smith County Court.

George Hans is charged with possession of liquor in a dry area, Clyde Posey with aggravated assault, Billy Lookingbill with driving while intoxicated and Elmer V. Jones with passing a worthless check.

Jurors called for Monday include: Mrs. H. L. Meacham, J. C. Simpson, Chas. W. Seed, Mrs. M.S. Tannahill, Sylvester Slagle, Chas. Sowell, Ralph Sears, Clarence Strange, Mrs. L. C. Thomas, F. A. Tucker, J. E. Springer, Mrs. Ronald Matthews, Buren Scott, T. L. Sparkman, Jr., A. J. Schroeter, Jack Sanders, P. O. Southall, A.O. Smith, Dock Roberson, Hoyt Smith.

Attend Funeral

Mrs. R. H. Beavers and David Beavers left Saturday morning for Pagosa Springs, Colo., to attend funeral services for Mrs. Beaver's grand baby. The baby's parents are Mr. and Mrs. Jack Malott. Mrs. Malott is the former Maydell Beavers of Hereford. The baby was six months old at the time of its death.

Mr. and Mrs. P. G. Clay of Tacoma, Wash., are visiting in the home of Mr. and Mrs. I. H. Wiloughby.

Mrs. Ralph Paul returned this week from Lubbock where she was in the hospital receiving treatment for a back ailment. She is still confined to her home but is much improved.

Mrs. Milton Adams and son are spending a week in Lubbock with her mother, Mrs. I. E. Barr.

Safe 'n Sound

BUD TO BLOSSOM Club Members proudly display the banner for best attendance at the recent District 1, session held in Borger. They are from left: Mesdames Herbert Hasehoff, Ray Howil, R. A. Daniel Jr., Don Martin

and Sam Long. Back row: Mesdames Preston Hagans, R. N. Yarbro, Jim Wood, Ira Scott and Pat Robinson. Two members attending are not shown in the picture.

MEMBERS OF THE COMMITTEE in charge of the annual tour of homes sponsored by the Garden Beautiful Club are shown making plans for the last tour. They include: left --

Mesdames F. P. Lyons, E. W. Hobson, Frances Houston, Deward Roberson, Ray Cowser and Robert Veigel.

Women's Activities

Hereford, Texas, Sunday, April 3, 1955 Section Two

IT'S GARDENING TIME

When you look about Hereford and come upon beauty where barrenness was before, chances are the change was brought about by one of the city's three garden club groups, or if you notice special beautification - of private lawns and shrubbery, it is likely that some member of a garden club lives there.

How can you estimate the value of groups like these? Each year each group has a special community project, and with the aid of other civic groups who have caught their enthusiasm, they have been largely responsible for the work in organizing and developing an interest in gardening in the Hereford area.

Hereford Garden Club

Since its organization in 1937 the Hereford Garden Club has sponsored many city-wide beautification projects, staged flower shows and has sponsored the organization of the Bud To Blossom Club and the Garden Beautiful Club. It has received national recognition on Junior Garden Club work and on a flower show schedule. It has twice won state awards (silver cups) in Junior Garden Club work and won the highest award in horticulture at the Texas General Garden Club Convention in 1951. Three district governors have come from the Hereford Garden Club, three national judges and

one national instructor. The district governor is a member of the board of directors of the TFGC and in May Mrs. Ralph McCullough will be installed as 3rd vice president at the TFGC convention to be held in Corpus Christi. Mrs. John Jacobson was elected corresponding secretary at the District 1 convention held in Borger last week.

The club has submitted plans for the landscaping project of the new high school grounds to the local school board, and if carried out this will be the most impressive planting project undertaken by the club. Mrs. M. T. Ritter heads the club as president.

District 1, Convention

Mrs. A. L. Manjeot, retiring governor, presided at the recent convention held in Borger. She explained the district project of the past year, establishing a scholarship in horticulture at Texas Technological College, and stated that through that program of education they hoped to interest young men and women in the active study of horticulture.

Of the 59 counties represented some 200 delegates and guests took back reports to their 80 clubs and 2,400 members throughout the High Plains of Texas, proving what can be done in beautification projects when people become

interested.

Gardening is not easy, but the rewards are shared both by the gardener and all who view the results.

The work of the district governor is exacting. During Mrs. Manjeot's term she traveled over 9046 miles in Texas, visited 69 clubs and attended 1 council meeting. She gave 32 lectures, served as judge in six flower shows, served as instructor for two schools of instruction and served as editor of "The District Gardener." As a post-term duty she gave a lecture-demonstration on flower arrangements at the District 3, annual meeting held in San Angelo last week.

Bud To Blossom Club

Bud To Blossom Club won the banner for the best attendance at the District 1, meeting last week with 12 members present. This club is the newest garden club, organized in 1947, under the supervision of the Hereford Garden Club. Purpose of the club is to increase the knowledge of horticulture, study flower arrangements and landscaping and encourage the development of civic beauty.

Members began with their own

premises and branched out from there. They are federated with the TFGC and the District organization and take part in national and district projects.

Their main project is landscaping and beautifying the grounds at the Negro school. This they began two years ago planting shrubs, trees and flowers, even doing all the work themselves, and plan to continue with this project. They also aided in the planting project at the Hereford Labor Camp, localizing their efforts there to the Baptist Mission grounds.

Their programs are arranged in accordance to state requirements and feature flower show clinics and flower shows each year.

This year the annual flower show is scheduled for April 12, in the home of Mrs. Irving Alexander. The committee, headed by Mrs. W. H. Patton, is made up of Mesdames Preston Hagans, Jim Wood, R. A. Daniel Jr., Mrs. Ray Howell and Mrs. W. Glenn Williams; Mrs. Don T. Martin is president.

Garden Beautiful Club

One of the first projects of the Garden Beautiful Club was the beautification of the Dent Smith

County Hospital grounds. And that project has been continued through the years since the club's organization in 1943. Civic improvement has been their main project for the past four years and they have set aside funds from their annual "Tour of Homes" project each year for some civic enterprise. Each year the tour of homes has been bigger and better until now it constitutes the club's major endeavor for the year.

During the five years that the tour has been sponsored by the club a total of \$1,074.64 has been netted and every penny has been turned into civic improvement.

Like other garden clubs, their work has been in conserving plants and testing them through using plants to educate, to heal and to cheer. One of their members has her own miniature hot house where she tests the exotic as well as new varieties of old favorites.

And like the other groups, the extensive course of study covers individual instruction as well as giving aid to others who have garden problems. Mrs. Deward Roberson is president.

It seems amazing what garden

club members can do not only in growing beautiful flowers but in making arrangements. For instance, some of them can take a handful of iris petals and fashion them into an orchid as perfect as if grown that way.

Garden Clubs serve their communities well. All of them perform near miracles of service for nothing, with almost nothing. No other organization is able to get so much out of so little, and Hereford's groups have given a good account of themselves from their very beginnings. They have succeeded through sheer good will and hard work, not only because they want to share their gardening interests with others but also because they wish to make their communities a beautiful place in which to live.

Former Resident

Mrs. Oscar Vaughn, formerly of Hereford arrived by plane Thursday for a visit here with friends and to look after business interests. She was accompanied by her son-in-law, George McConnell, of Del City, with whom she makes her home.

Husbands Are Guests At El Nino Study Club Annual Guest Night

Annual guest night was observed by members of El Nino Study Club Monday night in the home of Mrs. Bill Waldrep. Husbands were honor guests.

Dr. Howard Reed of Amarillo was guest speaker, and speaking from the standpoint of psychiatrist he said in part: "Personality disturbances, fears, worry, depression and anxiety are normal. The fears of today are the same as those in ancient times when people feared for their children, feared for the future and feared things they could do nothing about. The object in life is not happiness and wealth, but to live. People should set their goals to equal their capa-

ilities and hold the idea that you can do anything you want to do, in great respect."

Serving as hostesses were Mesdames Ben Childers, Sam Nunnally, Edwin Skypala, John Jacobson Jr., and Bill Waldrep.

Those attending were Messrs. and Mesdames Ivan Block, Jim Bookout, Ben Childers, T. J. Clay, R. A. Daniel Jr., Bill Decker, John Jacobson Jr., Robert Lindsey, Sam Nunnally, W. J. Reeves, Edwin Skypala, Wayne Thomas, Doreal Young, Bill Hardwick and Bill Waldrep. Others attending were: Mesdames J. W. Barnett, Elizabeth Eonesio and O. G. Hill Jr. Dr. and Mrs. M. W. Nholes were special guests.

Music Study Club Group Offers Glad Easter Music In Concert

At Eastertime, all diversities of belief and allegiances are united in joyous observance of the resurrection, and music becomes the universal medium of expression of the hope and joy of the glad season. Easter music can be shared by everyone, for those who cannot perform as the trained organist or singer can listen to others and capture the spirit of the season and receive its message.

The Music Study Club's contribution to the Easter observances was its annual Easter concert presented at the First Christian Church Monday afternoon. Prompted by the desire to express and to share in the highest form of

worship and praise, members of the club presented a program of song and organ and piano, music, and the audience found itself silently singing and worshipping with them.

Arrangements for the program were made by the program committee for the year which included Mesdames Mrs. J. C. McCracken, chairman, Mrs. Ed Line, Mrs. C. W. Parker and Mrs. J. D. Neill. Mrs. H. A. Close, president, welcomed the guests and spoke briefly on "Easter Music."

The program opened with an organ and piano selection: "Meditation on Bach's First Prelude" (Gounod-Oren) played by Mrs. John Sims at the organ and Mrs. Wayne Thomas, Mrs. C. J. Mountz sang "Before the Dawn" (Combes) accompanied by Mrs. Howard Scott at the piano.

The vested chorus followed with "A Joyous Easter Song" (L. Marquerite House) with Mrs. S. O. Wilson directing and Mrs. John Sims at the piano. "Wood of the Cross" (Blanche D. Eyles) was the vocal offering of Mrs. Earl Phillips with Mrs. S. O. Wilson accompanying at the piano.

"Organ Interlude" (Grieg) was presented by Mrs. Ellis Coomes followed by a vocal solo "Before the Cross" (La Force) sung by Mrs. W. C. Parker with piano accompaniment by Mrs. John Sims, Mrs. W. T. Carmichael, Mrs. A. J. Schroeter and Mrs. A. O. Thompson gave a vocal trio "Sweet Bell of Easter" accompanied at the piano by Mrs. S. M. Dummam.

"Rhapsody" (Demarest) an organ and piano duet, was presented by Mrs. Howard Scott at the organ and Mrs. S. M. Dummam. A vocal trio composed of Mesdames W. C. Parker, J. C. McCracken and Earl Phillips, sang "There is a Green Hill Far Away" (Gounod-Trehanne) with Mrs. John Sims at the piano.

In conclusion the club chorus sang "The Gates of Heaven Are Open" (Yonke) with an "Organ Postlude" "Toccata in D Minor" (Nevin) played by Mrs. W. J. Stanford as the final number on the program.

Carl McCaslin Home Place Named Yard Of Month

The March "Yard of the month" chosen by a committee from the Hereford Garden Club, is the Carl McCaslin home place. The yard was chosen for its public area as the best in design and choice of materials for the current month.

The yard is only five years old and provides a good example of what can be done in the way of landscaping in a very short time.

The area facing the street in front of the lovely house painted in Lambert green is covered with blue grass and clover, and the display of shrubs and background plantings gives an unusually effective picture of changing colors in the varied shades of green and reds in nandina, pyrethrum, mahonia, ligustrum and zysophila.

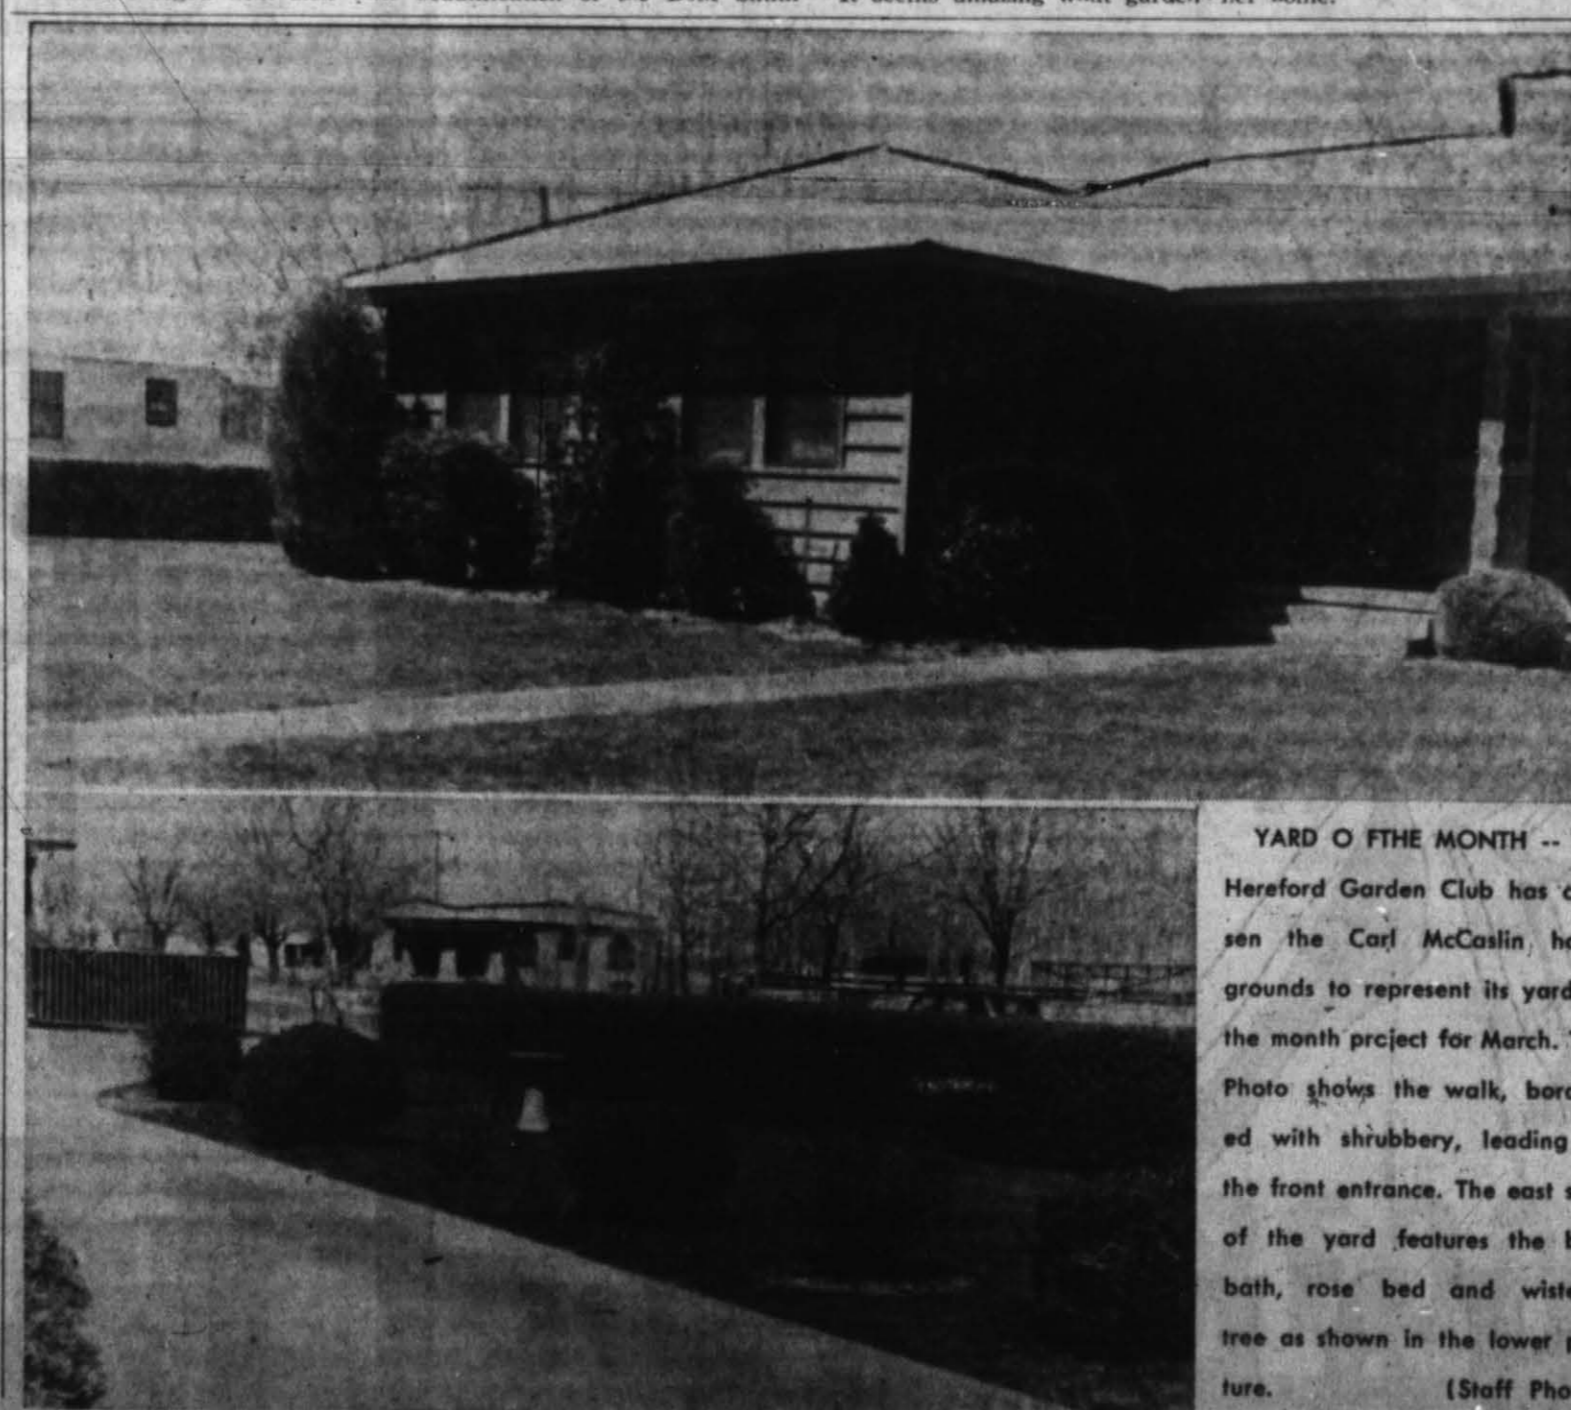

Changing styles in home architecture have influenced home owners in developing plans for landscaping. First the McCaslins took the size, shape and color of the house into consideration and then selected materials not only to go with the house, but to provide an attractive view from the inside as well as the outside.

In spring, the area is bright with tulips, tiger lilies and narcissus, and in summer, the rose bed in back of the bird bath on the east side gives a riot of color all summer long. In behind the rose bed the wisteria tree which blooms all summer. This is Mrs. McCaslin's favorite spot.

Since the McCaslins like to do things together, the whole family had a say in working out locations. On the west side is the weeping willow tree which has been frozen back twice, but which never fails to set forth again to reward its selection. At either side of the driveway are bayberry and ligustrum which are kept trimmed to size.

Many people wonder what type of grass is used in the back yard. The two boys and their dog, along with friends play hard in the yard and the lawn still stays thick and green. The grass is the same as in the front yard, but nothing seems to bother it. In the back yard you will find tall poplar and cotton wood trees for background and shade purposes. You'll find snow ball, flowering quince and mock orange that bloom early in the spring. You will also find some young cherry trees, and of all the growing things about, these are favored by the sons, Jerry Don and Carl George.

No matter where you stand at the McCaslin place you are surrounded by color that changes with the seasons, ever when there are no flowers in bloom. This is not only attractive, but the McCaslins have found it restful, and since beautifying home premises is a continuing project, they plan to carry out the landscape design, in replacements or additions, already begun.

YARD OF THE MONTH -- The Hereford Garden Club has chosen the Carl McCaslin, home grounds to represent its yard of the month project for March. Top photo shows the walk, bordered with shrubbery, leading to the front entrance. The east side of the yard features the bird bath, rose bed and wisteria tree as shown in the lower picture. (Staff Photo)

Summerfield News

By Ann Lookingbill

Mr. and Mrs. Lawrence Cole and family of Dimmitt attended church Sunday morning. The Coles moved from our community to Dimmitt in January.

Mr. and Mrs. Harry A. Kellogg of Council Bluff, Ia., stopped for a short while Tuesday morning on their way to California. Mr. Kellogg was trying to locate any old timers who might still be here. He left here 44 years ago in a covered wagon.

Betty Noland spent Saturday night with Eugenia Alexander in Hereford and attended church with them Sunday morning after which they had lunch with several other girls at the Western Wicel Inn.

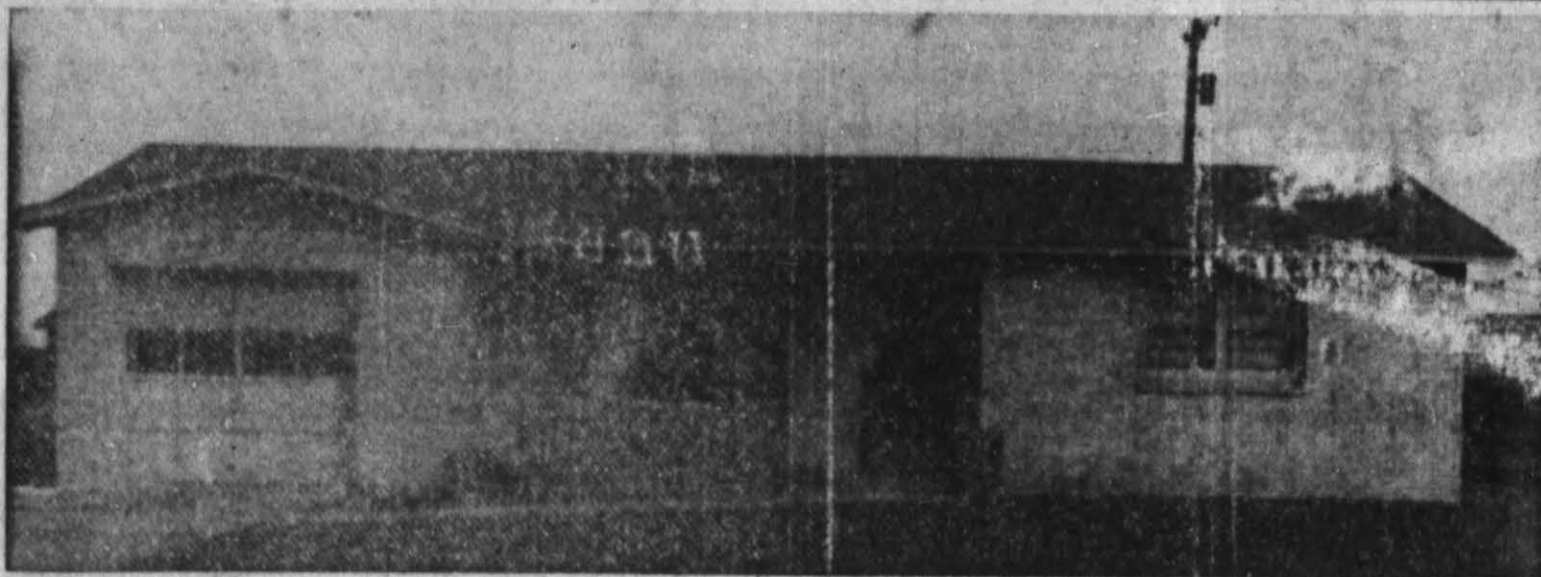

The church services were held in the new auditorium Sunday. Everyone really enjoyed it. The brick is soon to arrive for the finishing of the outside.

Mr. and Mrs. Henry Kuper were in Amarillo Friday buying materials for remodeling their house.

Mrs. Charlie Noland spent Thursday visiting her sister, Mrs. T. H. Sibley and family in Amarillo.

Mr. and Mrs. L. H. Lookingbill were in Amarillo Thursday afternoon. Mr. Lookingbill was having his glasses changed.

Mr. and Mrs. Joel Nance of Lockney came last Wednesday to take

SHOWN ABOVE IS the residence of Mr. and Mrs. Kenneth Armstrong located on Ave. J. It is a light brick with a darker brick trim. The roof, door and windows are green. (Staff Photo)

his sisters, Mrs. J. A. Noland and Mrs. Mary Rowland, to visit relatives around Lockney and Plainview for a few days.

Mrs. F. L. Alexander and Eugenia, Carolyn Newell and Mrs. Glenn Snyder of Hereford accompanied Mrs. Dorothy Noland and Betty Noland to Canyon Saturday to attend the piano competition festival at West Texas State college. The three girls played in the festival.

Mrs. J. C. Clearman and children and Fred Lookingbill were in Amarillo Saturday.

Mr. and Mrs. Frank Lookingbill and Lawanna and Kay Simms of

Hereford attended church Sunday night visiting the L. D. Lookingbill home after church services.

Mr. and Mrs. L. B. Lookingbill, Ann and Fred, Shirley DeLozier and Charlene Lee ate dinner Sunday with Mr. Lookingbill's mother, Mrs. J. L. Lookingbill in Hereford.

Mrs. Charles Noland and Betty Jean accompanied Mrs. F. L. Alexander and Eugenia and Nancy Parsons to Amarillo to attend the Amarillo Symphony held in Stephen F. Austin Junior High School auditorium.

Mrs. Roy Balkin and Mrs. Delbert Bainum were recent visitors in Lubbock.

Mr. and Mrs. L. L. Carter and family of Plainview spent Sunday in the home of his brother and wife, Mr. and Mrs. L. F. Carter.

Mr. and Mrs. C. J. Lance attended the funeral of her uncle, H. L. Davis, last week in Pampa.

Linda Kay and Betty Noland attended Lawanna Lookingbill's birthday party Saturday night. Mr. and Mrs. L. H. and L. B. Lookingbill were also present.

Wayne Walser and a cousin, Kay Morse of Ft. Worth recently celebrated their birthdays which happen on the same day. Mrs. Guy Walser gave a birthday dinner. Those attending the dinner were: Mr. and Mrs. Pat Morse, Kay, Kyle and Fred of Ft. Worth, Mr. and Mrs. Luther Foust and Walter of Plainview, Mr. and Mrs. Jim Clark of Hereford, Mr. and Mrs. Lee Curry, Mr. and Mrs. Gene Purcell and Richard Mack, Mr. and Mrs. Guy Walser, Wayne, Donald, Betty and Kenneth.

The two circles of WMU met at the church Tuesday with a Mission Study program. Mrs. Kenneth Neill finished the book, "Backside of Nowhere." Clothing was brought for the home mission box which is fixed each month. Those present were: Mesdames Kenneth Neill, Jack Streun, Gene Purcell, J. R. Wall, George DeLozier, A. E. Barlett, J. B. Noland, Carl Lee, Melvin Rainey, Repse Dawson, C. J. Lance, J. M. Wright, Guy Walser.

Don Larkin and Earl Lance. After the WMU program was over the women worked in the new auditorium, waxing the floor and other things that needed to be done.

Due to the bad weather Thursday the E. U. Hobson sale was called off to be held next Thursday, April 7.

Rev. and Mrs. Don Larkin and Ann Lookingbill attended the Pioneer Day program at Wayland College in Plainview Friday. High school seniors were guests.

Mrs. L. L. Cannon has been in the hospital since Monday afternoon and is reported to be improving.

the term before coming to Hereford.

Looks like we may have a little investigating to do at one of our local churches. I won't call any names but if any of you have information on the past records of Bro. Howard Scott and Bob Lawrence it might help us some.

Just don't know too much about the situation except that Charles and I had to go pick up a very drunk man in the educational building of their church. Just don't mention this to anyone until we have time to complete our investigation.

We haven't solved any major crimes lately but we still have about 7 in jail at this time.

See you week after next and hope I have to wear boots to take this to the Brand office.

P. S. I plan to investigate the remark made by J. G. about buck passing.

LRS

The Sheriff Reports

By Lowell Sharp

If you were one of the last day buyers of license plates, you know what a mad house we had Thursday. Six of us were issuing tags most of the day. It was the largest day the office has had, I believe. We ran \$14,332. The work for this office isn't finished though. The reports have to be typed and the registration list typed. We also have a lot of work preparing the tax rendition sheets. S. O. Wilson is doing a good job in the country and we have lots of work to do after he finishes the rural work.

John J. Hastings is our new deputy tax collector and he was well initiated the few days he has worked. John has been in the tax office at Wheeler for about 7 years so he knew what was in store for him. The work in all tax offices is about the same but each office handles the work in a little different way. Believe John will be recognized by many of the old timers as he grew up at Dimmitt. He is related to the Hereford Hastings. Mrs. Hastings is teaching school at Wheeler and will finish

London Serving In Hawaii Camp

KANEOHE BAY, T.H.—Pvt. Paul Ray Lnoodn, son of Mr. and Mrs. W. H. London of Hereford, is serving with the 4th Marine Regiment at the Marine Corps Air Station here.

The regiment, ground element of the 1st Provisional Marine Air-Ground Task Force, arrived here in February from Japan.

For the next six months, the 4th Marines will participate with Marine Air Group 13 in coordinated air-ground maneuvers on the islands of Hawaii, Maui and Kauai.

Mr. and Mrs. Billy P. Davis and sons, Bobby and Billy of Duncan, Okla., visited from Friday to Sunday with her mother, Mrs. F. W. Lookingbill.

More than 58,000 tourists visited Turkey in 1953, including 10,000 Americans.

By Mrs. Ira Ricketts
Mr. and Mrs. David Johnson and children, Peggy, Nancy, Steve, Joel, and Don of Dulhart were guests Sunday, of Mr. and Mrs. Clyde Russell, and Mr. and Mrs. Ira Ricketts.

They were luncheon guests of the Russells and had their supper with Mr. and Mrs. Clyde Ricketts. Mrs. Johnson is a niece of Mrs. Russell and granddaughter of the Ricketts.

Mr. and Mrs. V. E. Dodson were Sunday luncheon guests of Mr. and Mrs. John Aikin.

Homer Hershey, Kenneth Matthews, and Francis Boyd were in Abilene over the week-end. They were seeing about school for next year.

Mr. and Mrs. Dee Brown and boys of Muleshoe, W. G. Harris of Summerfield, O. M. Gentle of Sauger, Bill and Ken Carmichael

Bride-Elect Is Shower Honoree

Orchid and gold flowers and appointments carried out the bride-elect's chosen colors at the shower given for Miss Rita Vinton Sunday afternoon in the home of Mrs. Herman Hollenstein. Miss Vinton and Bob Morgan will be married on April 11 in St. Anthony's Catholic Church.

Assisting hostesses included Mesdames L. L. LeGrand, J. B. So-well, Ed Dziuk, Emil Huseman, Larry Paschel, Carl Strauss, Ernie Flippo, Marvin Diller, John Henderson, Leo Forrest and Misses Coletta Diller, Frances Young and Leona Urbanczyk.

The bride-elect, her mother, Mrs. Leon Vinton, and the future bridegroom's mother, Mrs. Eldon Morgan, received the guests.

The refreshment table was laid with a cutwork cloth over orchid and white satin streamers attached to an arrangement of orchid chrysanthemums revealed the wedding date with "Rita and Bob—April 11" written in gold letters. White cake squares were decorated with sugarpun flowerlets in orchid and other tea dainties repeated the color theme.

Presiding in the dining room were Mesdames Larry Paschel, Carl Strauss, Ernie Flippo, and Miss Leona Urbanczyk. Mary Ann Huseman and Patsy Hollenstein secured names for the bride's book.

Guests signing names were Mesdames C. Dreup, Louis Huseman, Lawrence Huseman, A. Huseman, John Litsch, C. J. Berend, Ed Jesko and Gwendolyn, F. J. Walter-scheid, Geo. Shulte, Gus McClain, Frank Borhman, Walt Warren, Stevie Huseman, G. W. Hund and Dorothy, Raymond Schlabs, Raymond Annen, John Huseman, Frank Beznor, M. L. Hardy, Frank Brinkman, Maude Hall, Ray Wilhelm, Frank Huseman, Alvin Huseman, Joe Paetzold, Vincent Huseman, Henry Vicari, Harold Hershey, Roy Manning, Jerry Al-bracht, W. J. Albracht, H. L. Bene-field, Ida Ricketts, Frank Knabo, Ed Loerwald, Gene Loerwald, Earl Plank, and Misses Dolores Loerwald, Annette Berend, Loretta Strauss, Edna Mathes and Ear-line Plank.

W. T. were Sunday dinner guests of Mr. and Mrs. P. L. Carmichael and Shari, March 27.

Jake Gregory and Mr. and Mrs. Clyde Russell and Linda were visiting in the evening.

Mr. and Mrs. J. P. Hatcher of Springfield, Colo., were visiting Mr. and Mrs. H. L. Hershey from Tuesday afternoon until Wednesday afternoon.

Mrs. Loyd Sharp spent Thursday afternoon with Mrs. Clyde Russell.

Ira Ricketts made a business trip to Amarillo Monday.

Mr. and Mrs. Bert Coffin, Myrna Lou and Judy, were guests of Mr. and Mrs. Leon Coffin Tuesday evening when ice cream and cake were served in honor of Leon's birthday.

Linda Russell attended a birthday party for LaJauna Lookingbill, Saturday evening at the club house.

Jan Scott returned home Wednesday after spending Monday and Tuesday with her uncle and aunt, Mr. and Mrs. V. E. Dodson.

Mr. and Mrs. Jeff Roberson were supper guests of Mr. and Mrs. W. P. Caldwell, Tommy and Douglas, Sunday evening.

Mrs. C. V. Burges attended a birthday party Monday afternoon for her grandsons, Roy Lynn and Ronnie Burges in the home of their parents, Mr. and Mrs. Junior Burges in Hereford.

Linda Russell spent Sunday with friends in Hereford.

Mrs. Alfred Smith, Sara Jo and Jeanette visited Mr. and Mrs. P. L. Carmichael, Wednesday evening and watched the awards program on TV.

Tuesday visitors in the home of Mr. and Mrs. W. P. Caldwell were Mrs. Troys Riddle and children of Hereford and Mrs. Ora Mae Cates of Gage, Okla., they are niece and sister of Mrs. Caldwell.

We are glad to report a measurable amount of moisture arrived with the wind, dirt, rain, and snow, which was dusted out to us Thursday. In all about one half inch, which was most welcome.

The greenbug infestation is damaging the wheat to a great extent especially since the hard freezes. It is hoped we may have some real warm weather soon, as it is felt this will help control the greenbugs more than any other factor.

Snider Son is Born
Mr. and Mrs. Paul Snider of Amarillo announce the birth of a son on March 27, at Northwest Texas Hospital in Amarillo. The newcomer has been named Mark Allen.

The maternal grandparents are Mr. and Mrs. H. M. Cogswell of Hereford and the paternal grandparents are Mr. and Mrs. W. H. Snider of Dallas who are visiting in the home of their son and daughter-in-law in Amarillo.

Mrs. W. E. Bartlett of Portales, N. M., and Mrs. W. J. Decker of Fort Sumner left Thursday for their respective homes after spending the week-end in Hereford with their children, Mr. and Mrs. Bill Decker.

Mexico's population increased 75 percent between 1920 and 1950 says a United Nations report.

Bride-To-Be Is Honored

Miss Phyllis Allmon, bride-elect of Pat Deaton of Black, was complimented Tuesday afternoon when a group of friends entertained at a shower courtesy given in the home of Mrs. Ray McCullough.

The prospective bride's chosen colors of pink and white were used in decorations with an arrangement of white and pink stock centering the serving table. Tiny pink rosebuds decorated the white cake squares.

Mrs. Ray McCullough, Mrs. D. C. Allmon, the honoree and the future bridegroom's mother, Mrs. K. E. Deaton of Black made up the receiving line.

Assisting hostesses included Mesdames B. E. Brumley, Jim McCabe, J. H. Hinds, R. C. Childers, Ernest McGee, Wilburn Axe, Tom Draper and H. E. Wester.

Those signing names in the guest register were Mesdames Doyle Chapin of Vega, Clifford Allmon, Elmer Patterson, Bob Wear, Stanford Knox, N. D. Bartlett Jr., F. W. Witherspoon, A. C. Hershey, Hilrey Aven, W. A. Laster, E. L. McGee, Lloyd Shulk of Froust, Chester Wiggains, Lawrence McGee, Chris Clark, E. Ramey, Hugh Clearman, E. W. Solomon, H. V. Stanton, Clint Laundry, Edith Sheppard, Billy Wells, Dezzil Pulliam, J. C. Reese, D. C. Allmon, and Miss Zelma Allmon. Many sent gifts who were unable to attend the party.

Colorado has 48 peaks more than 14,000 feet high.

At The Movies

"Unchained"

What happens when 2,000 convicted prisoners are released from their caged cells and placed in a "prison without bars" is revealed on the screen of the Star Theatre, Wednesday and Thursday.

"Elroy 'Crazylegs' Hirsch, Barbara Hale, Chester Morris, Todd Duncan, and Johnny Johnson star in the story of the prison founded

by Kenyon J. Scudder at Chino, Calif. Established 13 years ago by Scudder with only 37 prisoners as an experimental start, the institution for men at Chino has 70 walls, no armed guards and no guns. Today, with more than 2,000 men at Chino there are still no walls or guns.

"Unchained" was based on "Prisoners are People" by Kenyon Scudder about his experiences in running the unique prison. The film was written, directed and produced by Hal Barlett.

The decorations carried out an Easter theme, with the decorated birthday cake the center of attention.

Birthday Party At Club House

Lawanna Lookingbill celebrated her 14th birthday Saturday night with a party given by her parents, Mr. and Mrs. F. W. Lookingbill at Veteran's Club house. Assisting as hosts were Mrs. Lookingbill's son-in-law and daughter, Mr. and Mrs. Billy P. Davis of Duncan, Okla.

Calling during the evening to wish her a happy birthday were Mr. and Mrs. L. B. Lookingbill,

Those attending the party were Janie Westbrook, Mrs. Ann Rendon, Kay Stone, Clara Ann Nesbitt, Edna Alexander, Linda Russell, Dolly Russell, Betty Jean Russell, Linda Kay Nelson, Judy Patterson, Carolyn Kirby, Pat Middleton, Pete Plank, Wade Douglas, Bobby Shain, Roy H. Kirby, Steve Seale, Jimmy Hendry, Milner Davall, Fred Wakefield, Ed Wakefield, Vance Robinson, Robert Churchill, Carrie Caldwell, David Larson, Don Johnson, Betty and Billy Davis of Duncan, Okla.

HURRY IS COSTLY
NEW HAVEN, Conn. (AP)—Russell Eskrine signed a note two years ago after an automobile accident agreeing to pay for the damage done to the other car. Common Pleas Judge John T. Dwyer has now ruled that Eskrine must pay \$100 on the note even though the accident wasn't his fault, Eskrine explained he signed the note because he was in a hurry to get to work.

Mr. and Mrs. L. H. Lookingbill Sr., and Mr. and Mrs. V. E. Dodson.

RUTHERFORD & CO.

MR. AND MRS. JIMMIE LAWHON

Winget-Lawhon Vows Read In Home Ceremony Friday

Mrs. W. L. Winget has announced the marriage of her daughter, Barbara, to Jimmie Lawhon, son of Mr. and Mrs. E. L. Lawhon, of this city.

The marriage was solemnized Friday evening March 25, in the Winget home with the Rev. S. M. Dunnam, pastor of the First Methodist Church, reading the service in the presence of close friends and relatives.

The couple and their attendants stood before an improvised altar arranged with fan-shaped baskets of white gladioli and greenery in front of the fire place. Recorded wedding music gave background accompaniment during the service.

Mrs. Dale Winget of Lubbock, sister-in-law of the bride, served as her attendant. Mrs. Winget wore a navy linen suit with corsage of white gardenias. Charles Whitehead, student at West Texas State College, served as best man.

The bride, given in marriage by her brother, Dale Winget, a student at Texas Technological College, wore a navy street length dress of summer wool with pastel pink and blue trim. Her shoes and

hat were in pastel blue and she wore a gardenia corsage arranged with lily of the valley.

Following the wedding refreshments were served to the guests from a table laid in lace over blue linen and featuring flower arrangements of white gladioli. Dawn Johnson and Dixie Young presided.

The couple left immediately after the reception for a honeymoon trip to points in New Mexico. They plan to make their home in Hereford.

Mrs. Lawhon is a senior at Hereford High School where she was served as cheer leader and is a member of the cast of the senior play. She is also a candidate for most beautiful senior girl.

Mr. Lawhon attended Hereford High School and recently completed two years of service in the Marine Corps. He is employed with the Crowe-Gulde Cement Company of Hereford.

The distance from the Earth to Mars varies from 33 million miles to 25 million miles.

Bert L. Speed Gets Promotion

FORT HOOD, Tex. (AP)—Bert L. Speed, 26, son of J. E. Speed, Adrian, Tex., recently was promoted to first lieutenant while serving with the 1st Armored Division at Fort Hood, Tex.

"Old Ironsides," the first armored division organized in the U. S., won fame for its World War II fighting in Africa and Italy. Combat readiness is now maintained by intensive training.

Speed, a 1953 graduate of Texas Tech. College, entered the Army in September of the same year and is now executive officer with the 702d Armored Infantry Battalion's Company C.

Q. How can I easily remove the paraffin when opening jelly jars?

A. This can easily be done if after filling the jar with jelly, a strong piece of string about six inches long is laid over the top of each jar. Pour the paraffin over the cord and let harden. When the jelly is to be used the paraffin

will slip out easily by taking hold of each end of the string and pulling.

Only one in 15 British householders own washing machines.

From 1920 to 1953, per capita production of steel in the United States rose from 853 pounds to 1,398 pounds.

Lingerie Party For Bride-Elect

Mrs. Jimmie Lawhon, the former Miss Barbara Winget, was complimented at an informal lingerie shower on Friday afternoon preceding her marriage Friday evening. Hostesses for the shower were Dixie Young and Doris Johnson at the E. W. Young home. A green and orchid theme was chosen for the party with the refreshment table featuring a miniature parasol with cascading chrysanthemums forming a wreath around the base at the handle. Double candelabra held orchid tapers to flank the center arrangement and appointments were in

crystal. Guests included classmates of the honoree in Hereford High School. They were Kay Barnard, Martha Brown, Daleine Tinnin, Eddie Morrison, Barbara Hall, Barbara Rogers, Sylvia McCracken, Jo Hall, Janie Lamm and the honoree. Also attending were the bride-elect's mother, Mrs. W. L. Winget and her sister-in-law, Mrs. Dale Winget of Lubbock.

The cedar waxwing is named for the small beads of red wax on the tips of some of its wingfeathers. The purpose of the wax is not known.

Penguins are not found north of the equator in a wild state.

BEVERLY MILLS will model the cotton dress, above, which she made in Homemaking 2 classes, in the annual Style Show at Dimmitt Tuesday evening, April 5, in Dimmitt High School. Miss Mills is the daughter of Mr. and Mrs. Wade Mills of Hart. (Ayers Photo, Dimmitt)

FASTEST KNOWN PAIN RELIEF FOR ARTHRITIC, RHEUMATIC VICTIMS—NOW AVAILABLE

Seven "Film-Coated" Ingredients Offer Positive Relief
The crippling, burning, twisting pain of arthritis and rheumatism may soon be forgotten, thanks to an exciting new laboratory discovery named Ar-Pan-Ex. Ar-Pan-Ex was perfected by a noted scientist of a world-famous university, working with all known facts about these crippling ailments. The result is a safe, easy to take tablet that provides the fastest relief known from that disabling agony. Ar-Pan-Ex is compounded of seven active ingredients including a special new medicine to help provide longer lasting relief. Ar-Pan-Ex is exclusively perfected to curb chronic, deep-seated pain. Ask for genuine Ar-Pan-Ex today of any drug store for the kind of relief no other product can claim to equal. If your druggist is out of it, he will be glad to order it for you.

Pretty Butterfly Cupcakes For The Eastertime Table

One of the surest signs of spring is the urge to share the beauty of nature's burst of bloom, to watch for the first robin, or to have a sudden desire to prepare something pretty to eat and have friends in to share it with.

Many people like to arrange beautiful flowers all over the house at Easter time, while others express their joy and freshness with a new Easter wardrobe.

Painted Eggs
Throughout the Christian era, painted eggs have been used to denote the resurrection. China or pottery eggs, many of them decorated and studded with gems, were exchanged at Easter in many lands.

The housewife of today follows the trend of something new and beautiful at Easter at her table—with or without guests. So—we asked an artist, Mrs. Charles Newell, to plan some beautiful food for your Easter table, and here is her solution to the problem: Tutti-Frutti Butterfly Cupcakes, a pot of good coffee, and a bowl of bright yellow jonquils on the table. Good coffee and lovely flowers are a real complement to these pretty

cakes.

Tutti Frutti Butterfly Cupcakes
 1/2 cup sugar
 1/2 cup shortening
 1/2 cup sweet milk
 2 eggs
 2 level teaspoons baking powder
 1 1/2 cups flour
 pinch of salt
 1 teaspoon vanilla extract
 Cream sugar and butter and add well beaten eggs. Combine flour, baking powder and salt and add alternately with milk to creamed mixture. Add vanilla and blend well.

If you use an electric mixer, put all ingredients into bowl and beat three minutes.

ADD:
 2 tablespoons chopped candied cherries
 2 tablespoons chopped pineapple (candied)
 2 tablespoons chopped candied ginger

Blend into cake mixture and pour in well greased and floured muffin tins. Bake in a 350-F oven for 20 or 25 minutes. Cool on rack.

The butterfly effect is nothing more than the curved top of the cupcake, cut in two and arrange

Helen Alston, Bob Lloyd Are Married In Amarillo

Mr. and Mrs. J. H. Alston are announcing the marriage of their daughter, Helen, to Bob Lloyd of Orange, Tex., who is stationed at the Amarillo Air Force Base.

Wedding vows were exchanged in the Base chapel on Saturday evening March 26, with the Baptist chaplain officiating.

The bride was attractively dressed in a white faille street length frock fastened with fitted waist with V neck, bracelet length sleeves and full skirt. Her accessories were in brown.

Mrs. Lloyd attended Hereford High School and is presently employed by the Southwestern Bell Telephone Company. She will continue her work here until further plans are made.

MISS HELEN ALSTON

ed, wing-like, in the cream topping.

After the cakes are cold, cut a thin slice from top of each cupcake and cut each slice in half. Have ready 1/2 cup cream, whipped stiff. Add 1 tablespoon finely chopped ginger to cream and pile on top of cupcake. Set slices of cupcake on top of cream to resemble wings and sprinkle with tiny multi-colored cake decors.

Easter Nests
 Another way to make attractive cupcakes—is to make cakes by the above recipe leaving out the candied fruit. Cut a shallow cone from the top of baked cakes and frost with favorite frosting. Top with coconut, tinted green, and tiny candy eggs or jelly beans.

Note—To tint coconut—put in a glass jar and sprinkle a drop or two of cake coloring and shake until the coloring is evenly distributed.

Six of Shakespeare's signatures still are extant.

Copper is an element, bronze an alloy of copper and tin and brass an alloy of copper and zinc.

Early white settlers in America brought lice, fleas, bedbugs, mites, clothes moths, bots, grubs, and flies says the National Geographic Society.

BUILDING THIS DUGOUT SAILBOAT AND SHOWING OFF FROM THE COMFORTS OF OUR PARADISE...

DICKIE DARE

COVILION WAUGH

... HAS ROUSED THE ADVENTURE SPIRIT IN ME, DICK!

MAYBE YOU **ARE** A COLLEGE PROFESSOR, DOC, BUT YOU'RE A REAL SEA ROVER, TOO, DIDN'T YOU BUILD THAT RAFT AND DRIFT ACROSS THE PACIFIC?

... BEFORE YOU SCOOPED ME UP ONTO YOUR RAFT! WELL, MY PAL DAN FLYNN MUST HAVE FOUND "VALIANT" DESERTED...

DOC, THE REASON I WANTED TO BUILD THIS DUGOUT WASN'T ONLY FOR ADVENTURE! YOU REMEMBER, I FELL FROM MY BOAT, "VALIANT," OFF THE CALIFORNIA COAST...

HE'D FIGURE I WAS LOST OVERBOARD AND I KNOW HOW THAT MUST HAVE TORN HIM UP... THIS IS THE FIRST CHANCE WE'VE HAD...

... TO GET TO WHERE I CAN CABLE HIM, CARE OF HIS DIRECTOR, JOHN FLEMINGWAY IN HOLLYWOOD—

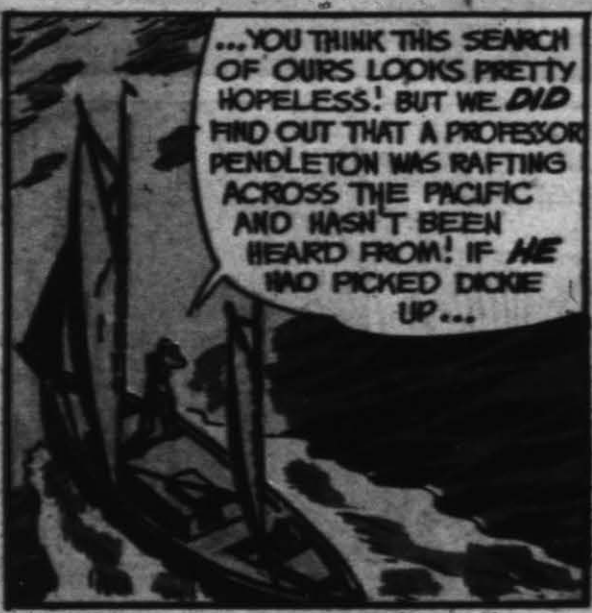

TOO BAD, DICK, YOU'RE NOT BACK AT THE ISLAND YOU LEFT! THAT BOAT COMING WOULD LOOK FAMILIAR!

YES, IT'S THE "VALIANT," AND ABOARD...

I ADMIRE YOUR FAITH IN REFUSING TO BELIEVE THAT DICK WAS DROWNED, DAN!

— AND YET, JOHN.

... YOU THINK THIS SEARCH OF OURS LOOKS PRETTY HOPELESS! BUT WE **DID** FIND OUT THAT A PROFESSOR PENDLETON WAS RAFTING ACROSS THE PACIFIC AND HASN'T BEEN HEARD FROM! IF **HE** HAD PICKED DICKIE UP...

... AN ISLAND LIKE THIS ONE WOULD HAVE MADE A LOGICAL LANDFALL — **JOHN — I SEE SOMETHING!**

WILL THOSE GOOD FRIENDS, DICKIE AND DAN, MEET AGAIN? OR WILL FATE RESHUFFLE THE CARDS... **WATCH...**

LITTLE MOON FOLKS

SUNNY! WHY ARE WE RUNNING AWAY FROM MOONBEAM'S HOUSE IN SUCH A BIG HURRY?

'CAUSE I SAW HER MAKING SOMETHING FOR US, GHOSTY! (PUFF, PUFF!)

DID YOU SAY, MAKIN' SOMETHING FOR US?!

THAT'S JUST WHAT I SAID, CHUM!

SCREEECH!

HUH... WELL, HE CAN RUN AWAY... BUT, I'M GOING BACK AND GET ME SOME OF THAT... WHATEVER MOONBEAM'S MADE FOR US!

WATER...

HERE HE COMES BACK FROM MOONBEAM'S, AND IT LOOKS AS THOUGH HE'S HAD HIS "TREAT"!

WELL, "EAGER BEAVER"... HOW DID YOU ENJOY MOONBEAM'S "SPRING TONIC" OF SULPHUR AND MOLASSES?

URK!

HOMER HOOPER

WHY DO YOU ALWAYS EMPTY THE ASH TRAYS INTO PAPER BAGS?!

TSK! TSK! TSK! TSK!

PLEASE GIVE ME THAT BAG, DEAR. I MERELY WANT TO SHOW YOU HOW MUCH SIMPLER YOU CAN DO THIS JOB WITH AN ORDINARY DUST PAN!

SEE?

NOW WHERE WOULD YOU LIKE ME TO EMPTY THESE ASHES?

JUST PUT THEM IN THE PAPER BAG PLEASE, SO I CAN DISPOSE OF THEM.

BUZZ SAWYER

FEATURING HIS PAL
ROSCO SWEENEY
By ROY CRANE

ROSCO, THIS IS SCOOTER, ORVIE'S NEPHEW, HERE ON A VISIT. WILL YOU GET HIM SOME COOKIES?

SURE--- WELL, WELL, SCOOTER, I SEE YOU HAVE A BIRD DOG!

YES, SIR.

CAN HE FLY?

AW, BIRD DOGS CAN'T FLY.

I'M AMAZED, SCOOTER POSITELY AMAZED! EVIDENTLY YOU DON'T KNOW WHY THEY'RE CALLED BIRD DOGS—IT'S BECAUSE SOME OF THEM CAN FLY.

HOW?

"NOW, TAKE MY BIRD DOG, ROCKET, FOR EXAMPLE. I USED TO EXPLAIN THE PRINCIPLE OF FLIGHT TO HIM."

YOU SEE, ROCKET, THEY FLAP THEIR WINGS AND STEER BY THEIR TAILS.

"SMART AS A WHIP, THAT DOG. UNDERSTOOD EVERY WORD. IN THREE WEEKS I HAD HIM FLAPPING HIS EARS AND TAKING OFF LIKE A DUCK."

YOUR TAIL, ROCKET! STEER WITH YOUR TAIL!

"BOY, WAS HE SMART! I'D NEVER BOTHER TO CARRY A GUN HUNTING. I'D JUST TELL ROCKET TO SIC 'EM."

GET TWO, ROCKET! ONLY TWO... THAT'S OUR LIMIT.

"ONLY ONE THING WRONG WITH THAT DOG..... HE HATED CATS! HE'D CHASE 'EM UP A TREE. THEN UP HE'D FLY AND CHASE 'EM DOWN."

Bow-wow!

WHAT HAPPENED TO HIM?

AH, ME! HERE'S THE SAD PART. SMART AS HE WAS—SNIFF—I COULDN'T KEEP ROCKET FROM CHASING CATS.

MEOW! MEOW!

WOO WOO WOO

"I WAS ABOUT TO SELL ROCKET TO A CIRCUS FOR \$25,000, WHEN HE SPIED A FLOCK OF CATBIRDS FLYING SOUTH FOR THE WINTER."

NO, NO, ROCKET! COME BACK HERE!

AND THAT'S THE LAST I EVER SAW OF POOR OLD ROCKET--SNIFF-- FLYING SOUTH BY EAST OVER THE GULF OF MEXICO, CHASING THOSE CATBIRDS.

ROSCO SWEENEY! SHAME ON YOU, FILLING THAT CHILD WITH YARNS... INSTEAD OF COOKIES!

HONEST?

MANDRAKE THE MAGICIAN

BY LEE FALK & PHIL DAVIS

CAN THAT BE THE TABOO PLACE?
--THE ISLE OF THE GIANT!

Hmm--THERE ARE DEAD FISH ON THE WATER--THAT FITS THE NATIVES' DESCRIPTION.

FISH LOOK FURRY. BETTER NOT EAT.

WHAT KILLED IT. A STORM PERHAPS, OR UNDERWATER DISTURBANCE--

LOOK HOW THE WATER GLOWS IN THE DARK! MUST BE PHOSPHORESCENT! I'D LIKE TO EXPLORE THAT ISLE!

'SHINING DEATH WATER,' THE NATIVES SAID! PLEASE, MANDRAKE, LET'S NOT LOOK FOR TROUBLE.

ALL RIGHT, NARDA. WE'LL STAY CLEAR. BUT I'LL ALWAYS WONDER ABOUT IT. LET'S GET SOME SLEEP.

GOOD NIGHT, MANDRAKE. I'LL DREAM OF TABOOS TONIGHT!

NIGHT--ALL ON THE SCHOONER 'OCEAN WIND' SLEEP. EVEN THE MAN ON WATCH. HE SUDDENLY AWAKENS WITH A START--AND STARES--

THERE--MOVING NEAR THE SCHOONER--A GIANT FIST!

EDITORIAL COMMENTS

Legal 'Booby Trap' Hampers Justice

Laxness and inefficiency on the part of the Texas Legislature cost the people of Deaf Smith County something like \$500 in jury fees and court expenses during the past week. Worse still is the fact that a legal "booby trap" still exists in our state laws to further hamper justice and bring unnecessary expenses down upon the heads of other tax payers in Texas' 254 counties.

The circumstance centers around two points in Texas laws. One was passed by the People of Texas as a Constitutional Amendment in 1954, providing that women shall have the right and duty to serve on juries in Texas. The other point, existing on the statutes when the amendment was passed, specifies that in a trial involving capital criminal cases the jury "must remain together in a body at all times" during the trial.

Deaf Smith County jury accommodations are not the best in the world, for sure. However, had they compared with the finest hotel suite in New York City we doubt sincerely if any district judge would confine a mixed jury of men and women into "one body at all times" for several days and nights as specified by present laws.

Even legislators, it seems, would have heard about the passage of the amend-

ment allowing women to serve on Texas juries. And hearing, we feel sure that alert legislators would have taken steps to change the present trial laws to conform with the change in jury personnel. Certainly, they cannot expect courts and judges to operate efficiently in view of conflicting statutes.

Nothing can be done about the case which came up in Hereford. It is now past history. It does seem, however, that the Legislature of Texas might take some sort of action to eliminate such a "booby trap" as soon as possible. Meanwhile, Deaf Smith County will continue to delay in the administration of justice -- along with the other 253 counties in the Lone Star state.

Welcome, Visitors

Welcome, Legionnaires and Ladies.

From time to time, Hereford is privileged to act as host to small conventions of various types. Actually, all of them are a pleasure, but the experience is enhanced this time to an even greater extent, due to the nature of the organizations visiting here.

Included in the delegates this past weekend have been scores of veterans from World War I and World War II. Each of these delegates have contributed heavily toward our present day living standards and to the peace now enjoyed in our world.

Knowing the people of this community, we feel sure that you have been made to feel welcome as individuals, and as a group. We hope you have had a successful meeting; that you have enjoyed the visit -- and that you will again soon select Hereford as your convention city.

Community Growth

The surest way to develop the local community and create permanent prosperity is to encourage and build a strong Chamber of Commerce.

Information that shows the individual his interest in productive enterprise is indispensable to the sound of questions that encourage the establishment or growth of industries and business.

That this philosophy is sound and has a direct bearing on the prosperity of every community, every business and every individual is evidenced by figures released by the Chamber of Commerce of the United States covering the period from 1940 to 1950. They show that for every 100 new industrial workers in nine counties surveyed by the Chamber, retail sales zoomed \$360,000, personal income \$590,000 and bank deposits \$270,000.

An increase of 200 industrial workers meant 174 new jobs in other lines of work, 112 more households and a population increase of 296--new purchases of all manner of goods and services. The survey covered a ten year period and was designed to measure the impact of new industry on local business.

The problems of industry are the problems of the people. --The Gordon County News, (Calhoun, Ga.)

By 2000 we are wondering what our statute books will look like.

Each and every session of law makers see new laws added, but on the whole are laws of prohibition against something. Naturally there is a penalty attached for breaking the law, or the law will be unenforceable.

Being an 'aginer' will not be tolerated in the future as it is in the present. --The Canyon News

There is a rumor out that an official in the CIA knows a fellow who knows whether we will defend the Quemoy and Matsu Islands.

Never brag about something you expect to do; wait until it is accomplished and then let others pass judgment on it.

Most parents take credit for the good points of their children but wonder where the reverse symptoms originated.

The person who drinks his first cocktail never sees himself as a probable alcoholic, but it has happened before.

The only excuse for writing is to spread intelligent thought and information, rather than seek popularity.

"It as founded on mutual understanding - They're both stupid."

QUESTION OF THE WEEK:

Continued Progress Is Seen For Next 50 Years

During the past 50 years, the world has gone from the horse and buggy days to jet airplanes which travel faster than sound. Many people think the world will never again see such progress in one single generation: others predict great strides in the atomic field. What is your opinion on this subject and what are some of the new developments you consider most likely?

PAUL HARVEY:

"I don't think we'll go back to the horse and buggy days but it is hard to say what we will do. I do believe that the Atomic age is just beginning."

ZELDA DENGES:

"The past progress has been wonderful, but I believe it will not be like what is to come."

DR. ROY J. GRUBBS:

"I feel that we will continue to develop at more rapid rates, because of equipment and progress we have already made. I believe the development of atomic energy for commercial and transportation usage to be most likely."

WALTER LONDON:

"I doubt if the next 50 years will see as much progress, although it might be possible."

H. A. LAMM:

"The past 50 years will look like horse and buggy days to the next ten years, because travel and communication are so much faster. Also things like TV are just in their infancy, but I do not know what to expect to come."

MRS. DYALTHIA BRADY:

"I believe we've made progress in the last 50 years, but I think it is nothing compared to the advances that will be made. I could not say what developments are to be made."

LLOYD SHARP:

"I believe that the progress in the next 50 years will be in air travel more than the last 50 years."

MRS. ELIZABETH WOMBLE:

"I think the developments in the last generation have been wonderful, but I believe the next will surpass it."

'Tater Peelin's

Roberta Campbell

Atha McIver is giving us a hard time about lady bugs. She was confident the greenbug eaters from California would not survive the frigid weather we had a few days ago. We were a little inclined to agree, until we began to find a good many ladybugs in the field where we were watering a patch of wheat last week.

She insists these are Deaf Smith County ladybugs, so it looks as if we will have to give them an audition to see if they have a Texas drawl and say "you-all" before she will accept them as out of state insects.

The weatherman tried to run a bluff on us last Thursday but after we struggled through the first flurry to get our irrigation water set, we decided to keep right on watering until it rained enough to wash the canvas out of the ditch. Up to now they are still set.

The longer we live, the more we are impressed by an expression our grandmother used to sum up a disappointing situation for members of her large family. "Things always happen for the Best" was the way she sought to justify the outcome of events.

In this particular instance we have been waiting for several days for sacks and ties so we could shear our sheep. Had we been able to carry out our plans, our smelly flock would have been a little uncomfortable the past few days without their wool blankets.

Yep, we suppose things do happen for the best.

Darrell Gilliland, small son of Mr. and Mrs. Otto Gilliland, probably would find it a little hard to go along with that theory.

Last week he was roller skating and fell down near the hospital and broke his arm. Instead of going in, he went all the way back home (607 E. Third) and was then taken back to have his arm set.

Community Builders

By Margaret Alston

Had it not been for the fact that Jesse Stanford wanted to get out of picking cotton down near Waco, Tex., we might not have had Jesse for a community builder this week. Stanford is the co-owner of Black Furniture Co., since 1948, but has worked there for Mr. Black for many years before that time.

Active Methodist

A member of the Methodist Church since he was eight years old, he has served in every capacity from the Official Board president to the job of janitor, which he hired out for when he was going to college. Just about the only thing he hasn't done is that of acting as the minister. He has been on the Official Board since he was 21, and was the treasurer for 20 years.

He has always taught a Sunday School class and has often been the Sunday School Superintendent or the assistant. At the present time, he is the teacher of the older men's Bible Class.

Besides wanting to get out of picking cotton, there was another reason for Stanford's coming to Hereford. He had relatives of his here and to him, this country looked very promising.

Jesse was born in 1884 and grew up on a farm near Waco. For two years he attended Clarendon college, and then went to Southwestern University at Georgetown where he studied for three more years.

Came Here In 1908

After college, Stanford then came to Hereford in 1908. He rented a farm about four miles south of Summerfield where he stayed for around three years. After that he went back to Waco but not for long. In 1916, five years later, he came back to Hereford and started to work for E. B. Black.

In the year of 1913, Jesse married Miss Nellie Dea Black, on Dec. 31, in the old Methodist Church in Hereford. Since then, they have had two children, Bill Stanford of Lufkin and Mrs. Dick Barnard of Hereford.

In 1919, they moved to a farm located at Black where they raised registered cattle. After having lived there for seven years, they disposed of the cattle and moved back to town where they built their home and have been living ever since.

Stanford is a well known citizen of Hereford. Besides his business, he has worked on committees in several clubs and has also served on the school board for 17 years. Of that time, he served as president of the board for 11 years. He is modest, however, and would be the last to admit that he has done much to make our community a better place in which to live.

Having served on the board of the Chamber of Commerce during the two years when the ground work was being laid to secure electricity for the rural communities, he is quite proud that he was permitted to help. A charter member of the Hereford Lions Club, he is now serving as a member of the board of directors.

Having acted in every position in the lodge, he has been a member of the Odd Fellows for 49 years.

Playing baseball and sports used to be his hobby, but lately he has turned to taking pictures and playing with his four grandchildren.

Still Likes Hereford

When asked what he thought of Hereford, his reply was "If I didn't think Hereford was the best place to live, I would move. The people here have been grand to me by looking over my mistakes and always looking at the good things. Also these dust storms are just something that you endure."

Mr. Stanford believes that Hereford needs, as it has for the past years, more school buildings and better facilities.

(See Picture on Page 2)

CARRIAGE TRADE CRIME
GRAND RAPIDS, Mich. (AP)—Michigan may be the automobile capital of the world, but Grand Rapids police have a request to look for a surrey with fringe on the top. Oliver Nance, a trucker with eight children, said he bought it for the children to play in and with eight children, said he bought that someone stole it from a vacant lot. The horses were stabled elsewhere.

PIRATES CONTROLLED
SINGAPORE (AP)—The royal Malayan navy is credited with having whipped "pirates" and opium smugglers in the Straits of Malacca along Malaya's southwestern coast. Captain H.E.H. Nichols, senior naval officer, says they had infiltrated in large numbers from neighboring countries.

The navy is operating with seven launches and three other ships, including a minesweeper, which have been loaned by the British navy.

Panhandle Paragraphs

VOTE ON NEW SCHOOL

Tuesday, April 5 is the date for the voters of Texico school district to go to the polls to vote on \$65,000 worth of bonds to be used to finance the construction of about seven additional classrooms for the Texico elementary grades. It is hoped that the new structure would accommodate the first six grades which at the present time would include 215 students. The present facilities would then be used for high school class rooms. "The conditions that we have to put up with now are very unsatisfactory" explains school superintendent Agrie Jones. "If the people know the condition of our schools, they will desire to do something about it."

FUND TO AID TRIPLETS

Three little boys were born Sunday, August 1, 1954, to Mr. and Mrs. Frank Sitton of Hart, and but for one exception, all were born as normal, healthy infants. That exception being an eye disorder which left the babies completely blind. The Sitton triplets, Don Frank, Lon Ray, and Jon Jay are considered an unusual case and as far as can be ascertained the only such case in the United States today. The Sittons, who farm four miles south and four west of Hart, were unaware of their babies' fate until the triplets were six and one-half months old. They had the three little fellows examined by four eye physicians before the disorder was diagnosed by an Amarillo eye specialist. They were told then that there was no hope for their recovery. The triplets will not be eligible for any type of aid from the state until they reach school age. Therefore at least six years of skilled training, costing several thousand dollars, will be needed. A fund has been started by the Hart residents; and a committee from the Dimmitt Lions Club has been appointed to investigate the needs of the triplets relative to starting a fund for financial and material aid.

BALL PARK AT FRIONA

Volunteer workers are on the job, preparing the newly-commenced ball park northwest of Friona. Everything possible is being done to ready the diamond for softball and baseball use at an early date, by junior teams, adult teams, and high school competitive teams. There is to be a little boys' league, a 4 or 6-team city league with games of softball at night. The committee in charge of the ball program states that near \$2000 is needed to prepare the grounds as they should be for night play.

PLAN CIVIL DEFENSE PROGRAM

Plans are being made for a Civil Defense Unit in Ochiltree County. Sheriff Hugh Anderson of Hutchinson County, who is civil defense coordinator for the Berger area, spoke Wednesday night at an organizational civil defense meeting for the county held in the courthouse. Anderson brought with him a number of charts setting out the organizational set-up for a civil defense unit. He stressed the need for civil defense in other towns around, stating that the rapid development of bombs had brought every town and hamlet in the United States within range of bomb destruction by enemies. He also stated that this has caused civil defense officials to scrap their plans for using bomb shelters as they would no longer supply adequate protection. There should be at least one fireman and a trained rescue squad on each block in town.

—The Ochiltree County Herald.

The BOOTLEG Philosopher

Editor's Note: The Bootleg-Philosopher has his mind on taxes this week, his letter indicates.

Dear editor:

I'm not much of a listener to the radio for news, on account of you have to listen when the announcer is talking, which is regementation, while with a newspaper if you don't feel like reading it now you can put it in your pocket and take a nap and then come back to it later on, but the other night my light bulb burned out and cut me off in the middle of my newspaper so I switched the radio on just to be doing and got to listening to either a Congressman or a State legislator, I couldn't tell which, talking about a proposed tax bill.

I never did find out what bill it was, but what I was interested in was the reason he gave for opposing it.

According to him, the bill would bring on "double taxation" and he said he was opposed to it.

This struck me as being odd and I'm still wondering where he came from.

I'm opposed to double taxation all right, but if I could get by with only that little I'd get off the air and keep quiet from now on.

Double taxation? Why, we passed double taxation in this country a hundred years ago and quadruple taxation fifty years ago and quintuple twenty-five years ago and are now working on six-tuple or seven-tuple or whatever the words are.

We've got (1) city taxes, (2) school taxes, (3) precinct taxes, (4) county taxes, (5) state taxes, (6) national taxes, and I reckon you could say international taxes, the way we hand money out around the world, and if we keep working on space travel, I reckon we'll have interplanetary taxation.

Some people just don't know when they're well off. Fighting a bill because it'd bring on double taxation is about like being covered up at the bottom of a hay stack and complaining because somebody dropped a toothpick on top of it.

Yours faithfully,
J. A.

Save Your Skin

By Vivian Brown
Prize your skin when you are young, and you may not develop complexion problems that make older girls miserable.

Acne and other skin blemishes may be avoided, according to dermatologists. A skin blemish is likely to be due to a systemic upset, allergic reaction or careless cleansing.

At the first sign of a blackhead, white head or pimple, ask yourself "What happened?"

Then analyze the situation. What did you eat and drink yesterday? The day before? What did you put on your skin in the way of cosmetics? Have you been on a soap and water strike? Have you been too indulgent in candy, cake, soda pop, gravies?

Once you've established at least an inkling of the trouble, experiment by desisting from the suspected trouble maker. If you can't figure it out, save your pennies if that is the only way you can afford a skin specialist. A small fee for diagnosis now may save you years of expense and unhappiness.

One way to avoid scars of adolescent acne is to stick to a planned skin regimen, according to the experts. Perhaps all you need is a milder soap for cleansing an overly-sensitive skin. One recommended for that purpose is a liquid of blue foam that comes in a tube. It has a fast sudsing action without being too harsh on the complexion. Use your hands to apply it since wash cloths and towels can be irritating to sensitive skin, too.

Skin-toned medicated ointment may be used while your little blemishes are healing. One, also available in a tube, is non-perfumed, mildly antiseptic and is said to be safe for sensitive or allergic skin. It may be worn during the day as well as at night.

It is a good idea when you are young to develop a do-it-now attitude. If you postpone those braces for your teeth, corrective lenses for your eyes, treatment for foot ills, or a weight reduction plan, you'll find that the years will make your problem harder to curb or cure—perhaps harder to bear.

Note: The name of the cleanser and ointment is Zotox Tricel.

LATHER UP -- A new foamy cleanser is colorful blue, said to be easy on sensitive complexions.

How To Make A Choir Robe For Junior Members

By Dorothy Roe
Associate Press Women's Editor

There are many ways to live. There are many ways to make a life. Of almost every girl when she is called upon to make a choir robe for Junior or Sis. Wagon Sunday School choir performs at regular church services or when the school glee club gives a concert, it's Mom's job to supply the robe for her offspring.

A choir robe suitable for either boys or girls is easy to make

WELL - DRESSED CHERUB -- This choir robe is suitable for either boys or girls, and is easy to make with simple standard pattern.

like top) and two collars. The skirt is a simple wraparound model with two deep side pleats to allow plenty of leg room. The waistband is finished with an adjustable side closure, so it will fit both slender and chubby children without pattern alteration. A quarter yard of crinoline is required for collar stiffening. You will find that the buttonhole attachment on your sewing machine will simplify making the buttonholes for the collar band.

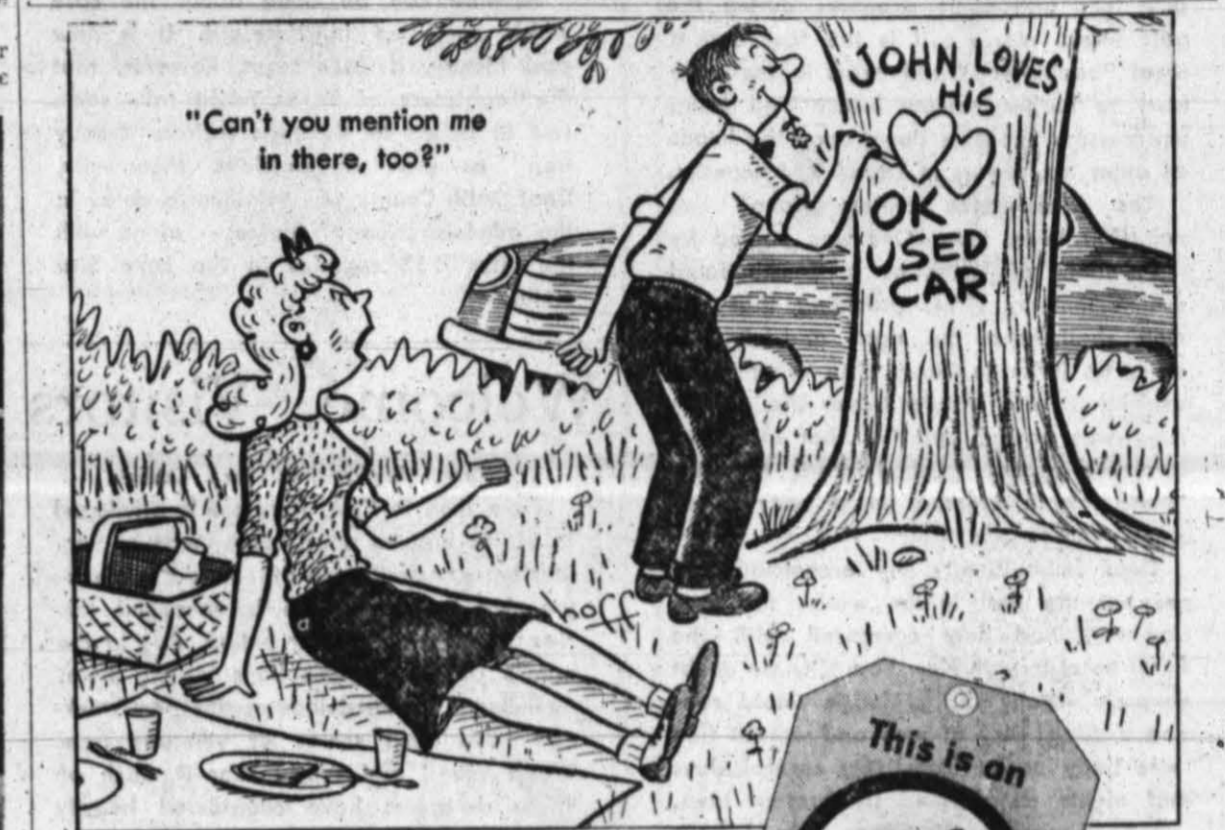

Although tradition dictates sheer lawn for the cotta (top) and faille for the skirt, there's no rule from a simple standard pattern. Since it never goes out of style, it can be passed along for years. Local sewing center experts suggest a classic pattern which contains directions for a skirt, tie, cotta (this is the name for smock-

against going modern and making the whole business out of nylon. It will save on laundry problems and nylon taffeta produces a satisfying rustle. If you are stitching with synthetics, be sure to adjust your machine's tension appropriately, and use nylon or dacron thread and a small needle.

Note: Choir robe described is made with McCall Pattern 1957.

The blood volume of whales is relatively greater, even in proportion to size than that of other mammals.

Woman's Touch Important For Fine Car Paint Job

DETROIT — Who should put the final touch on the slick paint job of your expensive new car?

A woman, of course! Eighty-four men, operating spray guns and sanders, dress up the fenders and hoods in mist green, cobalt blue, or some other shade from the rainbow of modern automobile coloring.

But the final touch—the very last, deft one that permits NO slightest error—comes from the small, camel-hair brush in the careful hand of Mrs. Elizabeth Hurst.

With her tiny brush ready, Mrs. Hurst stands at the end of Cadillac's paint assembly line to complete what mere man has started doing.

As the hoods and fenders reach her, Mrs. Hurst examines them. Now it's the woman's eye that counts.

She touches up bare spots around the edges which a sprayer might

The books are now on the library shelves for the use of the patrons. Deaf Smith County Library

have missed or where a polisher bore down too hard.

Before her, on a bench, is a collection of cups of paints, each to match an original from the spray gun.

It might be white, gray, or beige or blue she wants next.

The woman's eye again. Mrs. Hurst doesn't bother with the number identifications the men use. She knows all the colors by heart.

After her day at work Mrs. Hurst goes home to take care of the house for her husband, Mervin, and their 7-year-old son. Needless to say, she keeps it in the pink of condition and makes her neighbors green with envy.

A quick way to warm up leftovers is to pour boiling water over it, cover, let stand several minutes and then drain. If you want the rice steaming hot, bring to a boil over high heat after it has stood in the hot water but do not let it cook.

Want to serve an extra-special ice-cream dessert at a teen-age gathering? Have three different flavors of ice cream on hand. At serving time put a portion of chocolate sauce on each individual plate; add three scoops of ice cream, one of each flavor. Garnish with coconut or cherries.

Vary Junior's diet! Add half can baby-foot liver and bacon to two scrambled eggs. This will serve two, so Mother can have half of it for her luncheon dish.

LIST AND LOCATIONS OF DAMAGES DONE ON LAND OWNED BY

Mrs. Helen M. Godwin,
 2816 Hughes Street,
 Amarillo, Texas

All five cases of sanded motors as reported in The Sunday Brand of Hereford, Texas on March 13th were done on lands owned by Mrs. Godwin. No damages of this kind were reported on any other land.

Sand was put in the motor on a new well on Section 55, Block K-5, Oldham County, Texas, this section being leased by Dan Berger of Vega, Texas. The motor was completely ruined.

Sand was put in the motor of a new \$4,000 tractor owned by Joe Coffee of Amarillo, Texas, who leased Section 59, block K-5, Deaf Smith County, and it caused damages amounting to \$1,000.

Sand was also put in the motor on a new well on Section 59, Block K-5, Deaf Smith County, the motor belonging to Joe Coffee.

Sand was also put in the motor on a new well on Section Herbert Hasehoff who is farming Sections 60, 61 and the East 1/2 Section 62, Block K-8, Deaf Smith County. These motors were ruined.

\$500 REWARD

I will pay a reward of \$500.00 to any person first furnishing information leading to the arrest and conviction of any person or persons for the felony offense of unlawfully and wilfully injuring or destroying, or attempting to injure or destroy any property belonging to me or any farm tenant of mine while said property is located on my land or is currently used in farming my land. The offer covers any offense already committed and any offense that may be committed during the current year. The information must be submitted to the sheriff or county attorney or district attorney of either Deaf Smith or Oldham County, Texas.

HELEN M. GODWIN

Last Supper Pictures In Original Setting

By Eric Gottgrein

JERUSALEM, Israel — A "Last Supper" by a well-known Israeli artist is the first in which the setting is the assumed historic site—the Cenacle on Mt. Zion.

The oil painting differs from the usual representation of the great religious drama. Austrian born painter, Ludwig Blum, 64 a resident of Jerusalem since 1923, worked on the 4 by 10 foot canvas for over a year. It was commissioned by an American Quaker, William Kretzer of New York, a building contractor. He plans to hang it in the entrance hall of his new house in Flushing.

Experts say the authenticity of the site of the Cenacle is very probable. It is the traditional location for the house of St. John Mark where the Last Supper and later the meetings of the first Christians took place. Soon afterward a church was built on the spot. In the course of history the church was destroyed and rebuilt several times—but the location of the "Last Supper" hall remained the same. Today, "The Chamber of the Last Supper" is a spacious chapel with Moslem prayer niche on one side and with a stone in the northern wall which is marked as "The Seat of the Master." The chapel itself has a Gothic ceiling supported by two high columns. This style of building is still typical of many Oriental houses.

Blum's preliminary studies led him not only to the Cenacle but to archeological and other museums here where he found historic details such as glasses and costumes for the picture.

He found no models for the 12 disciples. All the Oriental-Jewish types he thought to be suitable, refused to sit for him. Extremely orthodox Jews, they believed that being painted is contrary to the fourth Commandment: "Thou shalt not make unto thee any graven image." Blum had to rely on his

HISTORIC SETTING—The Cenacle on Mt. Zion is the setting for this Last Supper painting.

memory. But as a very experienced portraitist, he knows human faces thoroughly. Jerusalemites looking at the disciples on the finished painting are under the impression that they must have often met these men before in the streets of the Holy City.

Varying from the classical design of the "Last Supper" where Jesus sits at the table flanked on either side by his disciples Blum has seated Him at the head of the table which seems to be more in line with Oriental and Jewish tradition. And the light radiating from Christ creates a contrast to the forbidding darkness of the opposite section and the background of the work.

When you use canned apple slices you'll find the slices are the same size because after the fruit is peeled and cored, it is mechanically sliced. Heat the canned slices with a little butter or margerine on top of the range and serve with sausage, roast pork or ham. The slices are also fine, of course, to use in pudding or pie.

Pittsburgh's Passing Play

By John Moody

PITTSBURGH — A play written 42 years ago by a priest who wanted to impress his congregation with the spiritual and religious fervor of Easter is enjoying its 36th season in Pittsburgh this year.

A blue-eyed girl who soon will marry a high school sweetheart, and an unemployed father will play the parts of Mary and Jesus. They and most of the cast have been rehearsing since Christmas.

Many in the cast have become veteran actors. Joseph Moller, 61, for instance, has appeared as a Roman soldier in every production since it was written by the Rev. Bernardine Duseh, a Passionist priest.

Production was halted during World Wars I and II.

Others lent the time and energy of youth, then handed the job to their children. A few have stayed with their children—and grandchild-

dren. About 120 persons from all walks of life lay aside their everyday routine on week-ends before Easter to take part in the Passion Play. More than 100,000 are expected to see it.

James R. Gildea, 25, and Miss Audrey C. Fritz, 21, have the roles of Jesus and Mary.

Miss Fritz is making her eighth appearance as Mary and her ninth in the passion play. This will be her last season, though. The part of Mary is traditionally played by an unmarried girl.

Gildea, a six foot truck driver, has one son. He has been out of work since November, 1953, because of a labor dispute.

Personal interests are put aside during the play and the many nights of rehearsal. Many consider their parts in the production a form of prayer, and they sacrifice much to appear.

Competition for roles is keen. Father Duseh and his director-succesor, the Rev. Wendelin Meis, have said many times that a "good holy life" is one of the chief qualifications for any role in the play.

Father Duseh dramatized a story about a holy woman named Veronica. She wiped the face of Christ as He carried the Cross and a life-like impression of His face remained on the veil she used.

The play "Veronica's Veil" is the spiritual presentation of the passion of Christ.

The priest expected the play to run for the lenten season of 1913 and be forgotten. But it has been renewed each year. Some churches even staged their own productions. Several years ago, a new St. Michael's assembly hall was erected mainly to accomodate the growing crowds.

Father Meis estimates the play has netted several thousand dollars a year for the past 10 years. The money is used to meet parish expenses but Father Meis says: "That isn't the purpose of the Passion play. Father Duseh wrote it and people sacrifice their time and energy with the hope of making a small part of the world a bit more conscious of Christian principles."

If you have a home freezer you might like to try this: alternate one-inch cubes of sirloin steak and sauteed mushroom caps on skewers. Brush both steak cubes and mushrooms with melted butter before wrapping and freezing. Fine to have on hand for unexpected company! At serving time all you have to do is to cut the frozen steak and mushrooms about four inches from the source of broiling heat, and broil 11 minutes on one side, about 7 minutes on the other. Sprinkle with salt and pepper and bring forth!

Cooked rice will extend a chicken or lobster salad and taste good in it, too.

MICROPHONE PROFESSOR—CONCORD, N. H. — Prof. Edmund Carver of the University of New Hampshire was invited to address the state House of Representatives.

The professor stepped up to the House microphone, and gave the lawmakers a free-minute dissertation on the proper use of a microphone.

COMIC BOOK CRIME—STAMFORD, Conn. — The same week that the Connecticut General Assembly ordered an inquiry into the effect of comic books on juvenile delinquency, three boys broke into a store and stole 27 comic books.

Here's a good spread to have in the refrigerator for use at snack time. Father will especially enjoy it. Cream a half cup of butter or margerine with a half cup of crumbled blue cheese, mix in Worcestershire sauce and celery salt to taste. Use as spread for crackers, Melba toast or for stuffing celery.

Legal Notice

THE STATE OF TEXAS

TO: J. D. Potter, if living, and unknown heirs and legal representatives of J. D. Potter, if deceased, Defendants, GREETING

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 25th day of April, A. D. 1955, at or before 10 o'clock A. M. before the Honorable District Court of Deaf Smith County, at the Court House in Hereford, Texas.

Said Plaintiff's petition was filed on the 19th day of March, 1955. The file number of said suit being No. 3761.

The names of the parties in said suit are: Parker Brothers Planning Mill, a corporation and as Plaintiff, J. D. Potter, if living, and unknown heirs and legal representatives of J. D. Potter, if deceased, as Defendant.

The nature of said suit being substantially as follows, to wit: Foreclosure of paving lien.

Issued this 10th day of March, 1955.

Given under my hand and seal of said court, at office in Hereford, Texas, this 10th day of March A. D., 1955.

"I help build homes and dry clothes at the same time!"

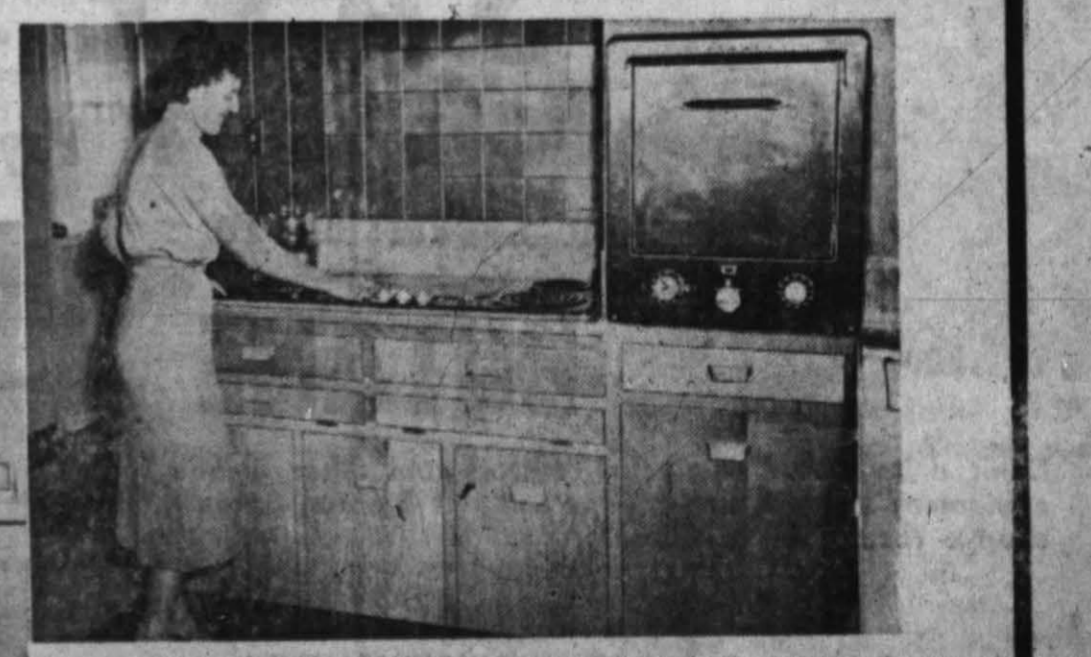

... says Mrs. John D. Carr, 1108 Tracy Place, Carlsbad, N. M.
"My husband is a general contractor, and I work with him checking materials and doing most of the bookkeeping. It takes quite a bit of my time, and my electric clothes dryer releases me from my laundry worries in order that I can help my husband."

REDDY KILOWATT
WORLD'S GREATEST WIFE SAVER
AN ELECTRIC CLOTHES DRYER
SEE YOUR REDDY KILOWATT APPLIANCE DEALER

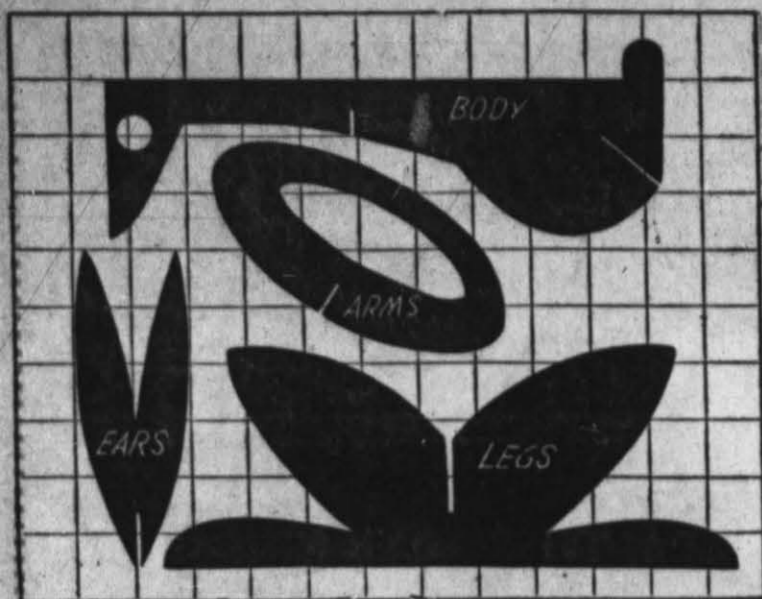

"Another feature that I like about my dryer is that I can do my laundry regardless of the weather." Comfort and convenience are always a part of electric living, ladies.

"My dryer, along with my electric range, gives me lots of time for my outside work, and, just as important, my family." For more time for pleasure, and outside interests, enjoy the time-releasing convenience of electric living. Remember, when living is modern, it's electric.

Make Your Easter Bunny

BUNNY PATTERN -- Lay out two inch squares on cardboard. Use bunny pattern to transfer the design to cardboard.

By Vivian Brown
Let the Easter bunny go modern this year.
You can help him out a pretty swatch with your trusty old shears and a few readily-obtained materials. He'll make a charming table center piece.
Cut the bunny out of corrugated cardboard. The sides of a medium large grocery carton are ideal says stylist Kaye King. She insists no artistic ability is needed to put Mr. Bunny in business.

BATH?—OR EGG NOG?
DALLAS, Tex. (AP)—It wasn't bath tub gin, it was plain milk, but there were 10 gallons of it.
A passerby noticed two men taking two 5 gallon cans of milk from a truck. Police were summoned and found the two men had taken the cans to their eighth-floor hotel room and dumped the milk in the bathtub. They happily were putting in ice when officers arrived. The two men were released after the milk company declined to prosecute.

Use a soft pencil to lay out two-inch squares on the cardboard. Then draw the four parts of the bunny design, as shown in diagram. Two-inch squares will produce a rabbit about 28 inches tall. If you'd like a larger or smaller bunny, vary the size of your squares.
A razor blade or sharp knife is used to cut out the bunny. Easter gift wrap paper or paper with a spring motif is pasted to the cardboard on the smooth side, of course. Colorful results may be obtained by using two or three patterns of gift paper to cover the various sections of the bunny, making sort of a patchwork effect.
Assemble the covered pieces by fitting the notches together.
Add pipe cleaner whiskers and an eye fashioned from a small ornament.
The rabbit's fluffy tail is formed from quarter-inch curlieus ribbon, the crimped type that can be curled into a ball by drawing it over the edge of a scissors or knife blade. Use enough ribbon to make

MR. BUNNY -- Easy to make with Easter gift wraps designed by Kaye King, stylist for Hella-Mark. The bunny is 28 inches tall.

A large cottontail and tape or pin it to the rabbit. Yellow ribbon is in keeping with the season.
A large bow tie may be cut from two-inch wide satin ribbon in pink, and glued to the bunny's throat. Put a pretty Easter card in the slot in bunny's hand to complete the job.

REDS TRY JAZZ
VIENNA, Austria (AP)—The Communist rulers of Poland have bowed to western-style jazz music, Red newspapers received in Vienna reveal.
"The discrimination against jazz music is over," Warsaw's Zycie Warszawy announced. At the same time, the paper assumed the sponsorship of four jazz concerts in the Polish capital.
But the Communists are not admitting their change of heart in good grace.
"Jazz music is not simply Negro music with wild rhythms," one Red newspaper wrote, "but rather it is the music of American Negroes, who are people threatened with mass murder and longing for freedom."
"Jazz must therefore be considered something like a social bill of indictment against the American rulers," the paper said.
Other papers gave what apparently is the real reason for the permission for jazz. "Our youths are not content with only political songs or music depicting the progress of the working class, they also want music which amuses them," one paper said.
Floating dry docks have been in use for more than 100 years.
In 1953 the U. S. auto industry consumed 6,400,000 tons of cold rolled sheet steel.
Only one in four householders in Britain own refrigerators.
Keep thyme on hand and use it in poultry stuffing, meat loaf, clam chowder and clam juice and tomato cocktail.

TEA FLOWS WITH OIL
ABADAN, Iran (AP)—Although doddering ex-Premier Mohammed Mossadegh kicked the British out of Abadan and kept them out for three years he failed to dull this refinery town's taste for English-style tea. An order for 220 tons tops the list of 'vital requirements' needed for stocking the refinery stores, depleted during the virtual stoppage that followed expropriation of the Anglo-Iranian Oil Company's assets in 1951.
According to officials of the eight company international consortium reactivating the refinery, efforts by the Iranian operators to keep refinery employees happy with tea grown in Iran never made the grade.
Other items ordered for refinery stocks: 90 tons of margarine from Holland, a month's supply; a

PAYS FOR CONTENTMENT
DETROIT (AP)—David Harris has been busted from a desk sergeant to a detective at his own request. It will cost him \$300 a year.
"That's cheap for a job I like," Harris said.
He's taken a cut before to keep happy. He gave up a \$100 a week job 13 years ago to join the force as a \$38 a week rookie.

ACURATE INFORMATION
HOUSTON, Tex. (AP)—President Lou Witt of the Gulf Coast Photographers Assn. was pretty weary of speeches when it came his turn. After the announcement, "We will now have Mr. Witt's address," he responded: "5413 Timber Creek Drive" and sat down.

Big news about Buick's 4-Door Riviera

THIS brand-new kind of automobile—the sensation of all the Auto Shows this year—is now rolling off the Buick assembly lines in volume numbers. That's the first news.
And the second is just as wonderful—this dramatic new model is very definitely everything that eager buyers hoped it would be.
For the 4-Door Riviera is the first "hardtop" ever available with separate doors for rear-seat passengers—plus rear-compartiment room big as a Buick-size family sedan.
It comes breezing in with all the low-lined sweep and wide open visibility of Buick's original 2-Door Riviera—and with luxurious new spaciousness in its sizeable and full-length 4-door body.
With windows down, no posts appear for the rear doors, and you get a completely unobstructed view at both sides.
You find rear doors are hinged at their front edges to swing wide and free, and assure easy entrance and exit.
And you'll find legroom, headroom and hiproom extra-generous both front and rear—with interiors tailored in fabrics and patterns specially reserved for the 4-Door Riviera.
Best of all, this new Buick beauty comes off the line in both the low-price SPECIAL Series and the high-powered CENTURY Series.
So you can pick your 4-Door Riviera with the potent performance of a 188-hp or 236-hp Buick V8 engine—the swift getaway and gas saving of Variable Pitch Dynaflo®—the velvet stride of the Million Dollar Ride—the long list of Buick bonus features at no extra cost—and all at "great buy" prices that have helped move Buick into America's "Big Three" of best sellers.
But—better come see us about the 4-Door Riviera now.
With all-out production—and a prompt order—this newest excitement in cars will be yours that much sooner.
*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

MEET THE TEACHERS -- Junior high principal, Wylie C. Quattlebaum was born and reared in Leedy, Oklahoma. He went to Southwestern State Teachers College at Weatherford, and received his Masters degree from Oklahoma University. Mr. Quattlebaum has been in Hereford for six years. (Staff Photo)

MEET THE TEACHERS -- Mrs. Wendell Alt Miller was born and reared in Pampa, Texas. She attended West Texas State College. Before coming to Hereford, she taught at Childress. She teaches the fifth grade girls P.-E. part time. The children in the picture are: Glenna Lester and Judy Smith. (Staff Photo)

Over 200 varieties of spring flowers bloom in the Blue Ridge and Great Smoky Mountains of North Carolina.

It is a good idea to buy margarine in powdered form; this way its fine flavor is quickly absorbed and thoroughly distributed through the food on which it is used. Try sprinkling a little powdered margarine over snap beans or green peas.

Serving frankfurters to the gang? Preheat the broilers and toast the frankfurter rolls at one time under the broiler unit. If you want something special, spread the cut surfaces of the rolls lightly with butter or margarine before toasting this way.

Tangled Hair

When the hair becomes tangled, the scalp is rubbed thoroughly with alcohol, the tangles can be combed out very readily.

Fruit Stains

Berry stains can be removed from the teeth by rubbing them with ordinary table salt.

Old Stockings

The tops of old stockings make good dusters and polishing cloths for oiling or rubbing down the furniture and floors. If several stocking tops are cut into strips and dipped in paraffin oil, they can be made into an excellent dustless mop for the floors.

Colors in Rugs

To freshen the colors in rugs and carpets, dip the broom in warm water containing a small quantity of spirits of turpentine, and sweep.

Americans used more than 500 million pounds of insecticides in 1952.

One trapper took 96 beavers during two weeks of the open season in Iowa this year.

The asteroid, Eros, sometimes approaches within 14 million miles of the earth.

Beauty at Home

By Lynn Carter

Q. What can I do about oiliness and enlarged pores in my skin?
A. After cleansing well, cover the face with a piece of absorbent cotton wrung out of hot water, to open the pores, patting it gently over the contours of the face. Re-move when cool and replace with another piece of cotton saturated with witch hazel. Take an ice cube in a piece of gauze and rub it gently over the cotton mask with

a circular movement.

Q. How can I prevent the patent leather covering on the heels of my shoes from cracking?
A. Coat it with some colorless nail polish.

Q. How can I get best results from my scalp massages?
A. One very good way is to lie across your bed, with your head hanging down over the edge while you massage the scalp in this position for at least five minutes or longer. The flow of blood to your head and scalp is extremely beneficial.

Q. I am 21 years old, 5 feet 5 inches tall, weight 139 pounds. My bust is 37 inches, waist 27 inches and hips 37 inches. Are my measurements good?
A. Your measurements seem to be in good proportion. However, you might try to lose about five pounds in weight.

Q. How can I keep my arms and shoulders white-looking?
A. Try rubbing a paste made of a few lumps of laundry starch and cold water on these areas. Let dry and remain on for a half-hour, then rinse off with cold water.

Q. What is a quick remedy for freely-perspiring hands?
A. Wash the hands in cool water, and put a drop or two of good-quality witch-hazel into the palms.

Q. Is there any good astringent I can use to help absorb dandruff

in my scalp, when the hair is excessively oily?

A. Witch-hazel or commercial antiseptic lotions may be used in this case. They are drying to dry hair. Apply, then follow with a scalp massage and shampoo.

Q. What is a good "homemade" tooth powder that will also harden the gums?
A. Nothing is better for this than common baking soda, or salt.

Q. What makeup will help counteract the effect of a double chin?
A. Try using a darker foundation over the fullest part of the second chin. Concentrate this darker shade at the front and center of the throat, and fade it subtly away at the sides.

Q. Is alcohol helpful in getting rid of facial pimples?
A. Yes. It tends to dry up the pimples, and also serves as a disinfectant.

Household Scrapbook

By Roberta Lee

Cinder in the Eyes

To remove a cinder from the eye use an eye dropper and put one or two drops of water in the eye. Then hold dropper directly over the cinder, release the bulb and the cinder will be withdrawn.

Baking Powder

Should the baking powder can be empty, 2 tablespoons of cream of tartar and 1 scant teaspoonful of baking soda are equal to 3 teaspoonfuls of baking powder.

New Brooms

The straws of new brooms will be toughened if they are dipped in boiling hot suds before using.

Fresh Bread and Cake

If difficult to keep the cake or loaf of bread fresh after once cut, try cutting it in the center, then slicing from that point. When putting away, place the two cut edges closely together.

Candles

If candles are placed in the refrigerator for a day or two before using, they will last twice as long, and will not trickle down over the candlestick as readily.

Pimples

To remove pimples from the face, wash daily in hot water and soap suds. Rinse in hot water and then in cold water.

Fresh Tea

It is not healthy to drink tea made from water that has stood all night. The tea kettle should be emptied in the morning and fresh water be poured into it before putting it on to boil for the tea.

Ask us how to put the house in the picture

Like millions of other Americans, you may be dreaming of building your own home. Maybe you've even picked out a site like this—complete with a broad lawn, pleasant trees and a hilltop view.

In short, maybe you've got everything—except the money for the house itself!

If so, now's the time to consult an Insured Savings and Loan Association.

Whether you're building your own home, or buying one that's already built, these Associations can be of tremendous help to you. They really know homes and home-financing. They make liberal loans. They see to it that you get the money quickly and at moderate rates. And you'll find them sound, friendly and understanding people to do business with.

No wonder more Americans go to Insured Savings

and Loan Associations for home mortgages than anywhere else!

Of course, your association is far more than just the "home" of home loans. It's also a wonderful place to put your savings.

When you open a savings account you get all the advantages of excellent returns... plus friendly and convenient service. And your savings are safe. They are protected by sound management and substantial reserves. They are insured up to \$10,000 by the Federal Savings and Loan Insurance Corporation—an agency of the U. S. Government.

For a home loan or to open a savings account, why not drop in at the nearest Insured Savings and Loan Association? You'll be glad you did!

Grandmother Adopts 400 Orphans

SNAPSHOT FOR GRANDMA -- This is one of the pictures of her Korean orphans sent Mrs. Auberlin by the orphanage head. They are sleeping on the floor because there aren't enough beds for the 400 children.

ANGEL OF MERCY -- Mrs. Lester Auberlin does her book work on the latest shipment to Korean orphans.

By Felix Wold
DETROIT — Life is better for 400 war orphans in Korea because of the kindness and hard work of a Detroit grandmother.
Mrs. Lester Auberlin is their American angel.
For more than a year her home has been the starting point for 36,000 pounds of food, clothing and other necessities sent to the G-built Star of the Sea Orphanage in Inchon.
Mrs. Auberlin read about the orphanage in a newspaper story late in 1953. She decided to do some-

thing.
She organized a system of donation and delivery, and started sending clothes, food, medicines, furniture, household equipment, even hospital examining tables.
The first donations came from friends, but as the volume grew hundreds of persons from all walks of life came to help Mrs. Auberlin.
Private cartage firms help with shipping problems. She and her husband pack the donations, which often jam their home and garage, and send them to the orphanage through the War Relief Services.
She rejects credit for what she

has done.
"It's not me," she says. "People have been wonderful. I've done nothing."
On one occasion a shipment was delayed. Mrs. Auberlin flew to Washington and talked to senators and officials. The next shipment went promptly.
Mrs. Auberlin has received many thanks from the orphanage's mother superior, Sister Philomena of the French Missionary Sisters of St. Paul of Chartres.
She accepts any contribution for the orphanage except money.
Gifts of money are to go to the

Society for the Propagation of the Faith.

American servicemen stationed near Inchon donated the \$56,000 required to build the orphanage. They also designed it and helped on its construction.

How Can I?

By Anne Ashley
Q. How can I remove scorch spots from woolens?
A. Woolens and silks are hard to deal with because ever a little scorching often weakens the fibers. If not too deep, wet the scorching and let it remain for about a half hour. This will remove some of the discoloration.

Q. How can I avoid the shriveling of hands when they are in water for any length of time?
A. Try rubbing the hands with vinegar or salt. The unpleasant feeling will leave and the skin will be soft and fine.
Q. How should soft collars be ironed?
A. Iron the soft collars on a folded Turkish towel to get the best results.
Q. How can I make a cheap waterproof dressing for shoes?

A. By melting tallow and mixing with neatfoot oil in the proportion of 7 parts of the oil to 3 parts of tallow. In cold weather, use less tallow, about 1 part to 3 parts of oil.
Q. How can I remove perspiration from silk?
A. Perspiration stains on a delicate silk garment can usually be removed by rubbing gently with a soft dry cloth.
Q. How can I give a better flavor to stuffed apples?
A. Baked apples will have an added flavor if the centers are filled with raisins before baking.
