HERE'S WHERE IT STARTED — Clay Angelo, fire warden, points to the floor furnace in the Bob Cummings' home, 504 West Third, where fire which almost totally destroyed the interior of the house, is believed to have started. Damage was estimated at \$5,000. The Cummings were out of town when the fire occurred. (Staff Photo)

Across The Board Pay Hike Is Made By Commissioners

Monthly Increase Estimate: \$1057

An across-the-board blanket pay raise to all county office holders and employees was approved by County Commissioners Monday when they approved the 1956 county budget.

The pay increase was described as a 10 percent raise for everyone on the county payroll, not to exceed \$25. That means that 22 of the 63 persons on the payroll will receive the \$25 raise while the remaining 41 employees will get a pay boost amounting to 10 percent of their present salaries.

Interior Of Bob Cummings Home Razed By Fire

A fire that apparently blazed for hours before anyone noticed it, caused an estimated \$5000 damage to the Bob Cummings' home Monday.

The interior of the house, located at 504 West Third, was described as "almost a complete loss," by firemen.

The fire was discovered about 10:50 Monday morning by Mrs. Jim Black, who called volunteer firemen to the scene. When firemen arrived, they found the house filled with smoke and intense heat. The interior of the entire house was burning, but the outside was not damaged.

A Fire Department spokesman, Clay Angelo, said that the fire apparently started when a hassock placed on top of the floor furnace, caught fire and spread to the floor and surrounding foundation.

The fire was described as the worst one this year in Hereford. Mr. and Mrs. Cummings had been out of town for a week. They were expected back from El Paso Friday.

An electric clock in the house had stopped at 11:15, but firemen said the house, which was shut up, could possibly have been on fire for days.

Because lumps of asphalt sometimes ooze from the bottom of the Dead Sea and are washed ashore, it is believed there may be rich oil deposits in the area.

James H. Jackson Buried Wednesday

Funeral services were held Wednesday afternoon at 2:30 for James H. Jackson, who died suddenly Tuesday in the Deaf Smith County Hospital.

Services were held in the Rose Chapel of Gilliland Funeral home and were conducted by J. V. Davis minister of the Church of Christ.

Mr. Jackson, a merchant here for several years, was born Sept. 9, 1899 in Cookeville, Tenn. He moved to Texas from Oklahoma in 1913 and married Winnie Curry at Colorado City in 1920. He had lived in Hereford since 1944 when he moved here from Amarillo. Mr. Jackson was a member of the Church of Christ.

Survivors include his wife; a son, Aubrey Jackson; a daughter, Mrs. Wilburn Vaughn; three sisters, Mrs. E. H. Jones and Mrs. Jim Leonhardt of California and Mrs. Arthur Feaster of Colorado City; two brothers, Grady Jackson of Amarillo and Leo Jackson of Orange; and three grandchildren.

Pallbearers were Lloyd West, Chester Wiggins, Wilbur Axe, Ray McCullough, Lawrence McGee and Clyde Denton.

Mrs. R. M. Sibley of Shreveport, La., arrived Wednesday for a 10 day visit here with her daughter and husband, Mr. and Mrs. H. M. Cogswell.

Budget Aimed At Getting General Fund Out Of Red

A budget aimed at getting a lagging general fund "out of the red" was approved Monday by Deaf Smith County commissioners at the regular semi-monthly meeting of the Court.

The budget, which reflects the "good condition" of all funds with the exception of the general fund, shows an estimated tax roll valuation for the coming year of \$16,250,000 as compared to 1955's estimated \$15,728,371 and 1954's actual figure of \$12,772,207.

County Judge Homer Henslee presented the 1956 budget to the Court along with a separate piece of paper in which he made five suggestions for helping the general fund. Most of the suggestions were the ones made recently by H. C. Pector Jr., of Amarillo, who audited county books. He recommended that the changes go into effect Oct. 1 of this year.

The budget shows a change in tax rates for the coming year, although the total tax rate, 1.37 per hundred, remains unchanged. The big rate change shows the general improvement fund getting a five cent boost from one cent to six cents while the hospital interest and sinking fund is dropped from 15 cents to 10 cents. All other funds remain the same, with the jury fund getting three cents, the road and bridge fund 30 cents, the general fund 36 cents, the hospital maintenance fund six cents, permanent improvement fund four cents, road bond interest and sinking fund 37 cents and the Hi-Plains Water Conservation District five cents.

The five changes recommended by Judge Henslee were: (1.) The discontinuance of crediting court costs and fines to the road and bridge fund and the jury fund and instead giving the credit to the general fund. (2.) The items of court reporter's salary and the district attorney's secretary's salary, along with such tax withholding and social security shall now be charged to the general fund. (3.) The items of janitors salaries and all courthouse supplies and repairs shall now be charged to the general improvement fund. (4.) The general improvement fund shall now be allocated a levy of six cents per \$100 valuation. (5.) The hospital interest and sinking fund shall now be allocated a levy of 10 cents.

The budget shows that the general fund will begin the year with a deficit of \$18,868.14. If the county can stay within the budget, the general fund will end the year with a balance of \$1410.86.

The budget calls for the transfer of \$20,000 to the general fund from the road and bridge fund. In 1955, \$27,000 was transferred to the general fund from the road and bridge fund and an additional \$3000 was transferred from the jury fund. The budget therefore shows that the general fund, without the \$20,000 transfer, will break about even this year, and with the help of the transfer can rub out the \$18,868.14 deficit.

In 1955 the deficit was decreased from \$39,629.74 to the \$18,868.14 figure, but only with the help of the \$30,000 transfer. Actually the fund operated in the red by a \$9,238.40 figure. The previous year the deficit had increased from \$17,265.63 to \$39,629.74.

In 1956 total receipts are listed at \$82,350 and total disbursements at \$62,071.

Here's where the \$82,350 will come from: Current taxes, \$52,850; delinquent taxes, \$1500; poll taxes, \$600; court costs and fines, \$650; toll calls, \$50; rents, \$600; poison grain, \$50; miscellaneous, \$200; transfer in, \$20,000; and refunds, \$200.

And here is where the \$62,071 will be spent: Auditor's salary, \$528; librarian's salary, \$2360; assistant librarian's salary, \$1,500; agricultural agent and assistants, \$3925; Home Demonstration agent and assistants, \$2990; welfare administration, \$2430; county service officer, \$1848; court reporter, \$1600; district attorney's secretary's salary, \$600; library maintenance, \$3500; welfare and relief, \$5000; sheriff's car and travel expenses, \$6000; other travel expense, \$2000; office supplies, \$7500; withholding taxes, \$2225; insurance and bonds, \$1600; fees and vital statistics, \$650; utilities, \$3700; telephone and telegraph, \$3000; postage and box rent, \$800; boarding prisoners, \$3500; clock rent, \$65; miscellaneous and election expense, \$1250; audit, legal and tax work, \$2000; and social security, \$850.

The budget shows that the jury fund will begin the year with a balance of \$6082.34. Receipts are estimated at \$4487.50 and disbursements at \$3502, thus indicating the fund will end the year with a balance of \$7067.84.

The road and bridge fund, which will begin the year with a \$102,892.95 balance, is expected to end the year with an even larger balance.

(Continued on Page 3)

School Board To Call \$95,000 Bond Election

Hereford Rural High School District trustees Tuesday night took initial steps to call a \$95,000 bond issue after opening bids on construction of the new elementary school and finding themselves short of the required money by \$68,775.

Low bids on construction of the new building, including architect's fee and supervision, amounted to \$377,775. An additional \$16,000 is needed to purchase furniture for the building, Supt. George Graham estimated.

No bids were accepted by the Board, but the low figures were written into the minutes. West

Texas Builders was low bidder on general construction with a bid of \$244,503. P. and C. Mechanical Co. bid \$74,250 on mechanical work, which was low. Low bidder on electrical work was Brooks Electric Co. The bid was \$28,125. At those figures the architect's fee of five percent would be \$17,344. Supervision was listed at \$5119.

On a motion by Don Zimmerman, which was seconded by Wilbur Axe, the Board voted five to one to call a \$95,000 bond issue to get enough money to complete the new school and to go ahead with plans to build an addition to the high school shop.

At first Zimmerman made a motion to call a \$75,000 bond issue to raise enough money just to complete the school, but later amended it after the Board decided that it would be more economical to go ahead and raise the money to build the shop addition now. H. H. Miller voted against both bond issues, saying he believed that the Board needed to ask B. R. Cantrell, architect, to draw up plans for a cheaper school building.

Cantrell was asked by the Board to find out if any money could be saved by changing certain specifications. He is to meet with the Board next Tuesday.

Charles Smith, representative of First Southwest Co., was asked to go ahead with proceedings to call the bond issue. He said that the election could probably be held in two weeks.

Asked by the Board if the present valuation would allow such an election, Smith said it definitely would. Fred Baird, school district tax collector, agreed with Smith.

Tax Roll Approved In other action, Board members approved the tax roll for the coming year.

Enlistments In Unit To Be Taken

A representative of the Army Reserves will be in Hereford on Thursday and Friday afternoon to take enlistments into the new Hereford Aviation Engineers Reserve unit.

The representative will be at the courthouse in the Highway Patrol office from one until four p.m. each day.

All persons interested were urged to meet with him.

ing year. Total valuation for the district was listed at \$25,748,578. Baird estimated that that would give the district \$347,585.95 in taxes.

All members were present.

Optimists To Hold Charter Banquet

Dr. O. O. Shaw of Denton, Optimist Club district governor, will deliver the main address at the charter banquet of the Hereford Optimist Club Saturday night.

The banquet will be held in the ballroom of the Jim Hill Hotel. Installation of officers will be made by Lt. Gov. E. Leo Miller of Amarillo. There are 35 charter members.

NO CHICKENS

HOBBS, N. M. — When Jack Jackson reported chicken thieves had raided his hen house, an officer was assigned to investigate. His report read: "Found feathers. Unable to locate any chickens to go with same."

TO DRAW UP RESOLUTIONS

Farm Bureau To Hold Commodity Group Meeting Here Friday Night

A commodity group meeting will be held Friday night in the Jim Hill Hotel ballroom by the Deaf Smith County Farm Bureau. Virgil Dodson, president, said Wednesday.

Dodson urged all grain sorghum, cotton and wheat growers to be present for the meeting. He said that growers of the three crops would hold separate sessions in an effort to determine what resolutions to put before the county convention resolution committee.

The County Farm Bureau president said that it was especially important for cotton growers to attend the meeting. They must decide what steps to take in face of a bill introduced by Rep. W. R. Poage of Waco "which is special legislation to help the East Texas cotton farmer and hurt the Panhandle grower," he exclaimed.

Poage's bill would reduce the amount of cotton acreage the Texas State Committee can use as a

state reserve from 10 to 12 1/2 percent of the total state allotment. The Texas Farm Bureau has recommended that the state reserve be cut to five percent, and Dodson said even that would not meet with favorable approval.

The bill introduced by the Waco congressman would also deny the State Committee the right to use any of the reserve for "trends," Dodson said.

He said that "kitchen conferences" are being held throughout the county to decide what resolutions should go before the county convention, which is tentatively set for Oct. 15. He urged any farmer having a resolution to present it to one of the members of the resolution committee, composed of Andy Kershen, chairman, and Johnny Henderson, Cord Hammock and Clinton Jackson.

"If we don't like the State Farm Bureau's cotton plan, let's get busy and do something about it," Dodson said.

Jury Completed In Murder Case

The murder with malice trial of Melvin O. Wheeler got underway Wednesday in District Court after the twelfth juror was accepted by State and defense attorneys Wednesday morning.

Final juror to be selected was W. M. Decker. There are six men and six women on the jury. Jurors, in the order they were selected are Wayne Wallace, Rex Lee, Mrs. Phillip Miller, Charles Newell, Mrs. Russell Hunter, Mrs. F. E. Walton Sr., Mrs. Elmer Combs, Lester Wagner, Mrs. Elmer Mathies, Dean Herring, Mrs. C. C. Billingslea and W. M. Decker.

District Judge Harry Schultz kept the jury panel until 10 o'clock Tuesday night, but recessed until Wednesday morning after only 11 jurors had been selected. The twelfth juror was sworn in at about 10 a.m. One hundred and fifty persons had been called on a special venire.

This is the fifth time the Wheeler case has been called to trial. The State began presenting its case soon after the final juror had been accepted.

Apparently the State will not ask for a death sentence. District Attorney Floyd Richards did not qualify the jury along that line.

Defense Attorney J. W. Witherpoon asked each juror if they believed in the law of self defense, if they believed in the law of protection of one's home, and if they believed that a person could be temporarily insane.

Wheeler is charged with murdering Mike Huckert. Huckert was stabbed to death. At the time of Huckert's death, officers said the stabbing occurred over "family troubles."

The defendant was indicted Nov. 6, 1953.

Persons had been called on a special venire.

This is the fifth time the Wheeler case has been called to trial.

The State began presenting its case soon after the final juror had been accepted.

Apparently the State will not ask for a death sentence.

District Attorney Floyd Richards did not qualify the jury along that line.

Defense Attorney J. W. Witherpoon asked each juror if they believed in the law of self defense, if they believed in the law of protection of one's home, and if they believed that a person could be temporarily insane.

Wheeler is charged with murdering Mike Huckert.

Huckert was stabbed to death.

At the time of Huckert's death, officers said the stabbing occurred over "family troubles."

The defendant was indicted Nov. 6, 1953.

Around Town

There will be at least 12 people in Hereford who will not enjoy the world series. That was assured Wednesday when the twelfth juror in the Wheeler murder trial was selected.

But members of Hereford's civic clubs will not be so unfortunate. In fact they will have the opportunity to see the series on a special 24-inch TV set at their luncheon meetings this week. Urlin Strain installed the set in the hotel ballroom especially for the occasion. The Lions Club used the set Wednesday as a special "attendance booster."

The new Mercury is now on display at Young Motor Co.

Observance of the Feast of Tabernacle will be held at the Masonic Lodge in Hereford tonight at 7:30 p.m. Supper will be served and all Scottish Rite Masons are invited to attend the observance.

Mr. and Mrs. Ansel Greenway have returned from Davidson, Okla., where they attended the funeral of Mrs. Greenway's mother, Mrs. Opal Hamm Marshall. Mrs. Greenway is expected to return to Hereford Tuesday.

(Continued on Page 3)

COMMITMENT MADE BY COMMISSIONERS

County To Build Nurses Home

Deaf Smith County commissioners in a "special" meeting held at noon Monday in the Jim Hill Hotel assured members of the Deaf Smith County Hospital Board that they would construct a nurses home in the near future.

Commissioners set no definite date, minutes show, but did definitely commit themselves to build the home. The Court agreed to pay "not more than \$30,000" toward the cost of an eight room building with dining room and living room.

Such action had been asked by the Hospital Board at the meeting.

County Judge Homer Henslee said that \$30,000 in warrants would be sold to pay the cost of the building. He said the warrants would be paid back out of the permanent improvement fund without necessitating an increase in valuations.

Tello Gets 15 Day Sentence For Theft

Lucio Tello was sentenced to 15 days in jail plus cost of court Tuesday on a charge of theft.

Tello was charged with stealing a pistol from John Pool's store.

At the Court's regular meeting County Clerk Ralph Smith told commissioners that he was compelled by law to collect a 50 cent charge for giving a certificate to farmers showing that their crops are clear. He had been asked by Commissioner M. T. Rutter if there were any way for the county not to have to make the charge, or if it could be made only once a year.

Smith said that the law said that he must collect such a fee "for each certificate of fact contained in the records." Told that

at least one other nearby county does not make the charge, Smith said that that was the business of that county clerk, but said that he must follow the law.

The Court also appointed a three-man committee to check veterans land loans. Hugh Clearman will head the committee, and D. H. Alexander and J. C. McCracken are the other two members.

Robert Veigel was appointed by commissioners to fill out the unexpired term of Neil Cooper on the County Welfare Board.

All commissioners were present.

Hereford Brand, Hereford, Texas, Thursday, Sept. 29, 1955

KNOX'S KNOTHINGS

BY BILL KNOX

Of course, everybody's interested in the World Series. And this year's Series proves to be an old-fashioned kind—the Yankees and the Dodgers.

Needless to say who tradition favors. Needless to say who the statistics favor. Needless to say who the sentimental favorite is. (Is not the Yankees?) Needless to say who'll win. And it won't be Brooklyn!

And I predict that about 90 percent of the population of the United States disagrees violently with me. But look how many World Series the Yankees have won. And look how many Brooklyn has won. A great big fat juicy ZERO! This year will be no exception.

Was looking through the files of our Hereford Brands and came over something which might interest you. In September of 1932, 27 boys reported for "A" team workouts. Twenty-one boys reported for work out in 1955.

Was quite humorous to us that last week Chesty Walker of Phillips allowed his second team to play the entire game against the Wellington Skyrockets. Phillips won, 38-0, with Jackie Webb's young brother scoring four touchdowns.

We're sure Coach L. B. Russell of the Whitefaces would do the same thing if it were possible. But he just can't do it. He finds it hard to find enough boys to use all his uniforms anyway!

Now down to predictions. We're quite proud of our record thus far. We've guessed 15 of 19 for a .789 average. Now don't get us wrong. We're not bragging. That may not even be good for anyone else. But it's good for us. We'll try our luck on this week's games.

The Hereford-Portales game will probably highlight play in district play. The oddsmakers are giving the Whitefaces a six-point edge and they're not feeling too safe about it. But we're depending on the Whitefaces. Hereford will win the two touchdowns.

After defeating two straight LAAA opponents the power-laden Dumas Demons should breeze through the Olton Mustangs easily. At least five touchdowns. Maybe more.

Canyon should also have an easy time with Tulla. Tulla lost to Hereford by 46-0 last week. Looks like the Hornets are in for another rough one. They'll lose by only five touchdowns.

Dalhart and Clayton present a different situation. Neither are very well known in football circles. Dalhart is improved over last year, but we'll say Clayton by one meager point and not feel too safe.

As usual, the Phillips Blackhawks—they can't remember losing a game—will be huge favorites. We'll even go so far as to predict a score. Phillips 53; Slaton 0. The Hawks have blanked three

opponents this year, and we base our fourth blanking on sound statistics.

Hate to say so, but the Shamrock Irish will lose again—by a considerable margin. Childress has a good team this year; and Shamrock hasn't. Childress 41; Shamrock 6.

'THEY'LL HURT'

Penalties Are "Uncalled For" Says Russell

Whiteface Coach L. B. Russell this week expressed considerable concern over the large number of penalties the Whitefaces have collected this year.

Six touchdowns have been called back in three games; and last week 155 yards in penalties were assessed to the Whitefaces. Eight of these were for clipping and illegal use of the hands, and the other seven were for off sides or illegal motion.

Russell denied that the Whitefaces clipped on Wayne Smith's long run against Littlefield in the game before Tulla. But this week he says, "I'm making no excuses. Some of those penalties were absolutely uncalled for. And they'll hurt when we get in a big game."

Whiteface opponents Friday night, the Portales Rams, seem to be having the same kind of trouble, however. They have not had such tough luck on touchdowns runs as the Whitefaces have experienced though.

L. B. RUSSELL
... worried about penalties

'B' Team Game Is Postponed

Coach Johnny Poindexter's Hereford High School "B" team takes a rest Thursday night, while Cubby Kitchens' freshmen will take on Dalhart.

The Hereford freshmen took a terrific beating from Canyon in their first game and gave Dalhart a good battle in their last encounter.

The "B" team lost to Dalhart in their first fracas but came back to defeat Tulla. Both games produced scores of 13-6, Hereford being on the long end only once.

The Junior Herdmen were originally scheduled to take on the Tucumcari, N. M. "B" team, but the Rattlers cancelled the game.

May Be Herd's Roughest Game - - Except For Phillips! Whitefaces Face Portales Friday Herd Is Installed As Slight Favorite

By BILL KNOX

The Hereford Whitefaces, undefeated in three games this season, may face their severest test thus far Friday night when they meet the Portales Rams, rugged New Mexico delegation.

Owners of victories over Muleshoe, Littlefield, and Tulla, the Whitefaces will be given a six-point edge, however. Portales has won two and lost one, losing to the strong Artesia team 20-6 in their last outing. Previously they had stopped Lovington 21-0.

The two teams will average out to about the same weight, according to reports. The aggressive Portales line, which has shown spots of brilliancy on defense this year, may be somewhat lighter than the Whiteface line, however.

Both teams will employ basically the same formation—the Split T. The Ram line may be somewhat green, but they feature seasoned backs with average speed. The Rams don't rely too much on passing; they tried only three—and completed all of them—against Artesia. Principally a running club they concentrate on inside power stuff, but may show fans something different Friday night.

Coach Max Norwood's Rams' hopes rest on Kingman Nix, slippery halfback. Nix, who has made himself well known for running back punts, is the big ground gainer and scorer for Portales thus far this campaign. He is being tabbed as "the man to watch."

The Whitefaces may see something new on defense, Portales uses mainly a 4-5 defense and it's basic variations.

Coach L. B. Russell of the White-

faces had indicated that he is pleased with the showings the Herd has made in their first three games against Muleshoe, Littlefield, and Tulla. However, he expressed concern over the number of penalties being assessed to the Whitefaces this year. In three games, six touchdowns have been called back—two per game.

Wait Kaul's point-after string was also broken against Tulla. He kicked 10 straight before missing one. He now has kicked 10 out of 11 tries. The big 185-pound tackle

WILL PHILLIPS EVER LOSE?

Four District Teams Favored

Six LAA teams are in action Friday night, while one takes a rest. All but two of the teams will be favored to come out on the long end of the scores. Dalhart and Shamrock are both underdogs in their games. But on other games Phillips, Dumas, Hereford and Canyon are favored.

Probably the top clash is the Hereford Whiteface-Portales Ram game. Hereford is given a precarious six-point edge in this game. They are the owners of three victories over Muleshoe, Littlefield, and Tulla, while Portales was stopped by Artesia in their last encounter. They had previously stopped Lovington.

The Dumas Demons, who have

preyed on LAAA opponents this year, will finally get back into their calibrator Friday night when they are large favorites over respected Olton. The Demons have defeated Palo Duro of Amarillo and Plainview, both AAA teams. They also stopped Quannah, 58-7. Their edge over Olton is expected

to be almost, but not quite, as large.

Meanwhile, the unconquerable Phillips Blackhawks, under the tutelage of mastermind Chesty Walker, are given a five or six touchdown edge over the Slaton Tigers. They have failed to allow any

game before scoring one TD at Tulla. End Danny Elliston comes next with 19 points. Elliston has caught three touchdowns, passes and one for an extra point. After that G. C. Merritt has 12, Tommy Weemes 12, Wayne Smith 6 and Glen Reeves 6.

Walt Kaul, husky Whiteface tackle, has kicked 10 extra points, out of 11 tries. He kicked 10 straight before missing one at Tulla. He kicked five at Muleshoe, two against Littlefield, and three at Tulla.

Bryant Leads Herd Scoring

John Bryant, Hereford quarterback, leads Whiteface scoring as they enter the Portales Ram game Friday night.

Bryant has crashed to five touchdowns in three games for a total of 30 points. He raced for three against Muleshoe, then made two more against the Tulla Hornets Friday.

Bill Callaway is next with 24. Callaway scored one touchdown on an intercepted pass against Muleshoe. He then scored both Hereford touchdowns in the Littlefield

game before scoring one TD at Tulla.

End Danny Elliston comes next with 19 points. Elliston has caught three touchdowns, passes and one for an extra point. After that G. C. Merritt has 12, Tommy Weemes 12, Wayne Smith 6 and Glen Reeves 6.

Walt Kaul, husky Whiteface tackle, has kicked 10 extra points, out of 11 tries. He kicked 10 straight before missing one at Tulla. He kicked five at Muleshoe, two against Littlefield, and three at Tulla.

Frio News

By FRANCES ANGLEWS
Several of the people of the Frio community attended the Tri-State Fair at Amarillo last week. Mr. and Mrs. James Dobbs moved Wednesday and Thursday into a house owned by Henry Andrews which is located just north of the Frio Draw on the 25-Mile Avenue. Monday night, Mr. and Mrs. Floyd Cole, Mr. and Mrs. Frank Robbins, Mr. and Mrs. Glen Roberts, Mr. and Mrs. Henry Dobbs, Mr. and Mrs. E. H. Little, and T. L. Sparkman helped to paper the house. Mr. and Mrs. Leonard Schmidt moved into the house vacated by the Dobbs.

Jana, Bill and Cheryl Cole spent Monday night with Mr. and Mrs. Darwin Miller of Hereford. Carol, Stevie, and Jeanie Robbins visited Monday evening with their grandparents, the H. D. Robbins, of Hereford.

Glen Andrews and George Zetzsch were in Plainview and Floydada, Saturday on business.

Mrs. H. M. Mobley, Austin Mobley, and Mr. and Mrs. Darwin Miller attended the Hall Center Dimmitt football game Friday night in which Hall Center won 34 to 0. Mrs. Mobley's daughter and her husband of Seminole also attended the game as Don Mobley is on the Dimmitt team.

Mr. and Mrs. David Yandell of Tahoka and Mr. and Mrs. Olin Parris were vacationing and visiting relatives in Sherman, Durant, Okla., and Ardmore, Okla., from Sunday until Wednesday of last week.

Mr. and Mrs. Leonard Schmidt, Alton Brock of Oklahoma City, and Mr. and Mrs. Clyde Brock and family of Corpus Christi were Sunday dinner guests in the Arthur Brock home in Hereford. Alton and Clyde Brock are brothers of Mrs. Leonard Schmidt.

Mrs. Henry Dobbs, Mrs. James Dobbs, Mrs. Owen Andrews, and others attended the Baptist Association Meeting at the First Church in Canyon last Tuesday. Rev. and Mrs. B. H. Baldwin attended the meeting Tuesday night and also visited with their daughter, Olagene, at Cousins Hall.

Mr. and Mrs. James Dobbs, and Mr. and Mrs. Herb Schmidt and boys visited with Danny McAllen and U. L. Leslie, a former resident of the Frio community, at the Northwest Texas Hospital in Amarillo Sunday.

Rocky Andrews, son of the Clark Andrews, has been quite ill with an ear and throat infection but was much improved at the first of the week.

Mrs. Leonard Buttrill returned to her home Thursday from the Clovis Memorial Hospital. She is recuperating nicely from her recent operation.

Mr. and Mrs. T. L. Sparkman Sr. and Mr. and Mrs. F. J. Springer of Kress returned Friday from an 18-day trip to California. They visited with an aunt and family, Mrs. Jennie Buchanan and Mr. and Mrs. Cleo Buchanan and children in Manteca, Calif. Also they visited with Mr. and Mrs. Lester Irwin and children, Mr. and Mrs. Don Cox and daughter, and Mr. and Mrs. Wiley Littrell of Orange, Cal., and the L. D. Irwins, all former residents of this community.

Visitors in the Billy Gene Cotton home Saturday night were his folks and family, the W. G. Whites of Roswell, N. M. His sister and family, the Carlton Bucks visited with them on Sunday.

Mr. and Mrs. Elbert Summers and family ate dinner Sunday in the W. A. Springer home.

Around.....
Marshall died after an illness of several days.

The first Hereford Electric Appliance Fair opened here Wednesday and will continue through Thursday.

And the final score in Wednesday's world series opener: New York 6, Brooklyn 5.

Four...

(Continued From Page 2)

joins in three previous games. They are averaging 48 points per game; their second team playing the entire game against Wellington last week.

The Canyon Eagles will encounter the weak Tula Hornets. Tula has not won a game in 13 tries, and the Eagles are expected to make it 14. Tula last week lost to Hereford 46-0, and the week before to Abernathy by 45-6.

The Dalhart-Clayton, N. M. game is rated as a near toss-up with the Clayton team given a very slight edge. Dalhart has racked two victories against one loss, this year.

The hapless Shamrock Irish will again be the underdog when they meet the Childress Bobcats. The Childress edge will be great, probably about four touchdowns.

DISTRICT GAMES
Tula at Canyon
Dalhart at Clayton
Olton at Dumas
Portales at Hereford
Phillips at Slaton
Shamrock at Childress
Perryton, open

Budget...

(Continued From Page 1)

\$123,239.80. Receipts are estimated at \$184,076.85 and disbursements at \$161,730.

The general improvement fund will begin the year with a balance of \$5545.45, and receipts are estimated at \$9025. After expenditures of \$9280, the fund will end the year with a balance of \$5290.45.

The hospital maintenance fund will begin the year with a \$27,138.61 balance, according to budget estimates, and have a balance of \$29,513.61 at the end of the year. Receipts are estimated at \$201,163.61 and disbursements at \$171,650.

The hospital interest and sinking fund will begin the year with a balance of \$45,245.97. Receipts are estimated at \$14,975 and disbursements at \$11,972. Thus the fund should end the year with a \$48,248.47 surplus.

The permanent improvement-warrant fund has a balance of \$12,422.28. Receipts are estimated at \$6000 and disbursements at \$2976, thus showing a \$15,446.28 balance at the end of the year.

The county road bond interest and sinking fund will have receipts of \$56,745 and disbursements of \$34,870. The fund will begin the year with a balance of \$42,566.90 and end it with a \$64,441.90 balance.

The county road bond interest and sinking fund will have receipts of \$56,745 and disbursements of \$34,870. The fund will begin the year with a balance of \$42,566.90 and end it with a \$64,441.90 balance.

The High Plains Water Conservation District's receipts are estimated at \$6200, as are the expenditures. There is no balance.

The officers' salary fund begins the year with a balance of \$11,659.12 and will end it with a balance of \$12,149.12, after receipts of \$48,270 and expenditures of \$47,780.

All tax money is estimated at 90 percent collection of the present tax roll.

Whitefaces...

(Continued From Page 2)

is one of the Whiteface standouts on defense.

Most impressive Friday night was the fine pass-catching performance turned in by 6'2" junior end Danny Elliston. Elliston caught two touchdown passes and one for an extra point. In addition he made the play of the night when he made an almost unbelievable diving catch of a pass off the arm of Bill Catta-way.

John Bryant will again guide the team from the Split T. Bryant has turned in several meritable performances thus far this year. Last week he ran for two touchdowns of 60 and 65 yards.

Wayne Smith, G. C. Merritt, and Tommy Weemes may also blossom into their prime Friday night.

The Library of Congress in Washington was established in 1800.

Foibles

FANCY and PLAIN

By KENT SNARE

After the Terps took UCLA, the opportunity of the week rests on the Baylor Bears, when they tangle with Maryland Saturday next, at Waco. It will be interesting to watch for a letdown after their buildup for the Uclans and not impossible for it to happen at the Marylanders, who, if they get by the Baylor unscathed, will encounter little difficulty through the remainder of their schedule. The Southeastern Conference is well on its way to entanglement, so far as deciding an unsullied champ. You will recall the dopesters fingered Ole Miss, but I recommended waiting until the returns were in last

week, after picking Kentucky to win the conference by beating the Rebels and having little left to fear, if and when they accomplished that. However LSU unriggered that fix and now, both the Rebels and Kaintucks have a demerit and what with the Wrecks jumping over their customary too high hurdle of Florida, mail. Georgia Tech will prevail. Georgia Tech and Army in the Sugar, thus premature but promising. I'll stay with the dopesters again this week, listing their early picks, interspersed by comments, probably but not intentionally, misleading:

USC over Texas—Probable right, them Trojans is loaded, while Texas has fired one blank and looked univocous at times against Tulane. The Steers have shifted Fondren to left half, with Clements favored to left half.

Arizona over Idaho—Even in a rarer air, the Wildcats did well at Boulder.

TCU over Arkansas—Whammy. Like Walt Kelly's porcupine, I don't lean to explosions like this one, they put everything, too everywhere, and in little pieces, too.

Army over Penn State—But it won't be 81-0. And it could be Penn State unless the Cadets can shackle Lenny Moore.

Michigan over Mich. State—The Wolverines apparently have it this lap.

WSTC over Midwestern. Purdue over Minnesota—The Boiler-makers didn't get the steam up until nearly too late again COP, while the Gophers got nothing up again Washington.

Missouri over Utah—But they will have to have Hunter in there. He held them nearly up to Maryland and when he went out against Michigan, Missouri did likewise. Texas Western over New Mexico—The Lobos is clawless and don't have store teeth, even, this lap.

Notre Dame over Indiana—Although the Hoosiers habitually harass the Irish, when it is least expected.

Kansas State over Nebraska—On the Hawaii game, yea. On the Ohio State tussle, nay.

TCU trouncing Tech is the worst thing that could happen at the Cowboys. Especially when the frays follow each other.

Oklahoma over Pittsburgh—But the Sooners will have to find the handle to do it.

Washington over Oregon—The Cougars were footless last year and were reputedly in the same category this year. Idaho and Minnesota won't go along with that premise.

Call Pacific over Cincinnati—On the Purdue run, year, COP, but the Beareats is rough. They took COP last year and could do it again.

Ohio State over Stanford—Both received surprises last week. Stanford lost to Oregon State and the Buckeyes got bug-eyed trying to contain deflated Nebraska.

Texas Aggies over Houston—A Goliath coming back and one coming on.

Alabama over Vanderbilt—Vandy led Georgia by 13 pernts into the fourth stanza last week before succumbing. They may make Eds wiggle.

DAVEY CROCKETT HAIRCUT — This built-in Davey Crockett haircut is here to stay—at least until 3-year-old Robert Eugene Powell's hair grows out. Robert, who lives in Wichita Falls, Tex., had his hair cut in this novel fashion by his dad, who incidentally is not a barber. (AP Wirephoto)

Visitor Honored On Her Birthday

A birthday dinner was given in the home of Mr. and Mrs. W. H. Awtry Sr., Sunday. The guest of honor was Mrs. E. T. Ward of Portales, N. M. Those attending were Mr. and Mrs. Jeral Bryant, Mr. and Mrs. Frank Kelaska, Mr. and Mrs. Jake Bryant and Mr. and Mrs. Elex Thomas and son, Jerry, all of Clovis; Mr. and Mrs. W. H. Awtry Jr., and daughters, Rhonda Kay, Shela Ray and Eugena Kay and Mr. and Mrs. E. T. Ward of Portales, N. M.

ADRIAN NEWS

By MRS. A. R. BRIGGS
Mrs. V. E. Lemke had guests in her home Friday evening to meet her sister, Mrs. Frances Goodner, of Harlan, Iowa, who visited in her home last week. Guests were Mr. and Mrs. Edgar Jacobson, Mr. and Mrs. N. L. Jacobson, Mr. and Mrs. Lorin Creitz, Mrs. Nell Morgan, Mrs. Anna Witt and Mrs. Hazel Chilton.

Mr. and Mrs. Chester Kidder and Jackie Smith, who moved last summer from Adrian to Oskaloosa, Iowa, visited last weekend with Mrs. Kidder's brother, Jesse Fincher. Jackie stayed with his uncle and will live with him while attending school in Adrian this year.

Visitors of Mrs. Hazel Chilton Monday evening were Mesdames: V. E. Lemke, Annie Vickrey and Roy Williams.

Mrs. W. C. Briggs left Sunday for Tucuman, N. M., where she plans to visit until Tuesday in the home of her sister, Mrs. Blanche Rowland.

The Adrian Junior Class of Adrian High began rehearsal this week for their Junior play, "Hill-billy Wedding," a three act play, which will be given Oct. 21 in the school auditorium.

Dinner guests in the Ernest Frank home were Mr. and Mrs. John Skaggs, Mr. and Mrs. Bert Kinsey, Pat Ship, Rev. and Mrs. Ralph Odoin, Mr. and Mrs. Arthur Jewett and Mr. and Mrs. Wesley Story.

Joe Callender was ill Monday with a bad cold and was unable to teach school. Mrs. Jimmy Brown substituted for him.

Bryan Ross of the Westview Baptist Church in Slaton is conducting a Baptist Sunday School Clinic at the Adrian Baptist Church this week of interest to adults, which will be held at 8 o'clock each evening, Monday through Friday.

New laboratory equipment for use in physics and general science courses should arrive soon. New cabinets for the lab room are under construction.

Mrs. Arthur Jewett, Joan Paschal and Marvalene Allen were hostesses at a dance honoring Arthur Jewett on his twentieth birthday Friday in the Ernest Frank home. Refreshments of cake and soft drinks were served to about 25 guests.

Mr. and Mrs. E. H. Mosteller and daughter Alma visited Saturday night in Canyon before the WT-McMurry football game, with their daughter, Jean Finley, who is attending McMurry.

Rev. Ralph Odoin attended a study on alcohol control at Ceta Canyon Methodist camp near Happy last weekend.

Major and Mrs. Bill Lucas of Los Angeles, visited Thursday in the home of Mrs. Lucas' sister, Mrs. Bill Leslie. Major Lucas has recently been stationed at Pensacola, Fla., with the Marine Air Force, but is being transferred to Santa Ana, Calif.

C. S. Tomlinson of Coleman is visiting in the home of his brother, H. D. Tomlinson, and attending to business interests here. Last weekend his wife and daughter, Sandra, and Mrs. Joe L. Burrage visited in the H. D. Tomlinson home.

Mrs. Burrage also visited with Mrs. Arthur Jewett, Mr. and Mrs. R. A. Preston of Amarillo also visited over the weekend with the Tomlinson family.

Mr. and Mrs. E. K. Pinnell and family and Mr. and Mrs. R. L. Pinnell and family visited in Pampa Monday with Mr. Pinnell's parents Mr. and Mrs. G. Pinnell.

Judy Pinnell, daughter of Mr. and Mrs. R. L. Pinnell celebrated her seventeenth birthday Sept. 21.

Mrs. Bill Leslie and June and Peggy visited Tuesday in Vega in the home of August Meek.

Car Collides With Car, Truck

Sunday a two car and truck collision causing an estimated \$360 damage, occurred on Highway 80, 50 feet west of Main Street.

Police said Johnny Cotton, of Dimmitt, driving a 1949 Buick, backed out of Pittman's Service Station and hit the right side of a 1950 DeSoto, driven by A. A. Rhodes, of Summerfield, going west. Cotton apparently made a circle back and hit an International truck, going east, on the right rear fender. The truck was driven by Johnny Gann of Dallas. Cotton was charged by the police for negligent collision.

the Tri-State Fair in Amarillo last week.

Civic Beautification Topic For Hereford Garden Club

"Beautification Aids Better Living," was the theme of the program for the Hereford Garden Club session held Friday morning in the home of Mrs. O. H. Herring, president. Mrs. John Hacker was co-hostess.

During the business session, members voted to provide the floral decorations for the next meeting of the Federated Council of Church Women, and Mrs. O. G.

Bill presented the schedule for the fall flower show slated for Oct. 14.

Mrs. Ralph McCullough, third vice-president and chairman of Civic Beautification Texas Garden Clubs Inc., gave the program on "Incorporating Local Projects on Beautification with National, State and District."

In keeping with the theme of the state president, Mrs. Annie Puryear of Donna, "Plant Texas," and

with Gov. Shivers proclamation to back the Jaycees' motto "Beautify Texas" and in direct accord with the district president, Mrs. Nat Williams, whose theme is "Plant The District," Mrs. McCullough urged "Let's join the litter bug campaign, let's landscape Texas, let's plant Texas and keep Texas beautiful."

Mrs. John N. Jacobsen Jr., national flower show judge, gave a demonstration and a discussion of a line arrangement of pyracantha, orange lantana and an apricot colored dahlia. Refreshments were served from

a table laid with a plaid cloth and centered with an arrangement of red and yellow zinnias with bells of Ireland. Mrs. John Hacker poured.

Garden reminders for the day were "Plan your bulb garden now. Order bulbs. Give chrysanthemums attention."

Those present were Mesdames John Hacker, O. G. Hill, W. C. Hromas, John Jacobsen Jr., J. H. Lomas, Frank Lookingbill, A. L. Manjeot, Ralph McCullough, Norman Moore, E. Ramey, M. T. Rutter, Roy Lee Wilson, F. M. Kesler, Tom Draper, C. D. Kelton,

Jeff Roberson and the hostess.

Water pressure in the ocean is about one ton per square inch for every mile of depth.

Rotary Club To Host District Governor Two Days In October

The Rotary Club of Hereford will be host to Rigdon Edwards, governor of the 183rd District of Rotary International on Oct. 8-9. He is making his annual official visit to each of the 40 Rotary Clubs in part of West Texas and all of the Panhandle.

Edwards will address the club and confer with President Earl Phillips, Secretary Hugh Bookout, and committee chairmen on Rotary administration and service activities.

Edwards is wholesale gasoline distributor in the Sweetwater area, having been a Magnolia employee for 24 years. He grew up in Hamlin and Anson, received his B. A. Degree from McMurry College, and is now on the Advisory Board of McMurry. He is on the Official Board of the First Methodist Church; a 32 degree Scottish Rite Mason and Shriner; is on the directorate of the Citizens Investment Company and the Sweetwater Federal Savings and Loan Association; a past director of the West Texas Chamber of Commerce past president of the West Texas Girl Scout Council, and at present vice president of the Petroleum Marketers of Texas.

In 1940 'Rig' Edwards was made a member of the Sweetwater Rotary Club and has been continuously active in that club except for a period during World War II that he served as a flight instructor in the Air Force. He was president of the Sweetwater club in 1949-50. He was elected district governor of Rotary International for the 1955-56 fiscal year at Rotary's Golden Anniversary Convention in Chicago last June. He is one of 238 district governors supervising the activities of some 881 Rotary Clubs which have a membership of over 419,000 business and professional executives in 92 countries and geographical regions throughout the world.

Wherever Rotary clubs are located, President Phillips asserted in discussing the Governor's visit, their activities are similar to those of the Rotary Club of Hereford because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the past fiscal year, 467 new Rotary Clubs were organized in more than 50 countries of North, South and Central America, Europe, Asia, Africa and the Islands of the Pacific.

Wreck Causes Minor Damages

About \$150 damage was done late Monday afternoon in front of the Hereford Glass Co., when two cars collided.

Harry Dinges, driving a 1955 Oldsmobile, was going east on Park Avenue when J. B. Drumm, driving a 1955 Plymouth, backed out of his parking place in front of the Glass Company and hit the right side of the Oldsmobile, according to police.

J. B. Drumm was given a ticket for failure to grant right-of-way.

to visit Hereford RIGDON EDWARDS

Safety Awards Go To Co-Op Drivers

Safety awards were awarded to nine members of the Deaf Smith County Electric Cooperative recently.

Leo Forrest, Emerson Roland and T. A. Paul all received 10 year pins. Wilbur Gibson a five year award, Ed Johnson and Albert Farris four year pins, Sam P. Woody and Ben L. Patterson two-year awards and Raymond Brown a one-year pin.

The awards were made by Don Miles.

Black News

By MRS. DICK ROCKEY

Mrs. J. R. Braxton was shopping in Clovis Monday.

Mr. and Mrs. Coy Patton and children, Jimmie and Virginia, attended the Tri-State Fair Monday.

Mr. and Mrs. John S. Thompson and Mrs. Leona Wolfe were at Plainview Friday and went on to the fair in Amarillo. John S. Thompson won one of the first prizes on his stock and Darrell won two firsts on club work.

Mr. and Mrs. Bill Stewart and Mr. and Mrs. Dick Rockey attended the football game at Lubbock Saturday between Tech and TCU. They also met H. V. and visited with him. The Rockey's son is a student at TCU.

Our sympathy goes to the Coy Patton family on the death of Coy's mother, who died Sunday night. The funeral will be at Rotan.

Mr. and Mrs. J. R. Braxton and sons, Jimmie and Ray Gene attended the fair in Amarillo Tuesday.

Fern Barnett and Wesley attended the football game at Lubbock Saturday between Tech and TCU. Black has received from 3 1/2 to 3 inches of rain the last week and a half.

Mr. and Mrs. Tommy Corum of Kansas City have been visiting in the Bruce Parr and Miller's home. They are cousins of Mrs. Parr.

Mrs. Bruce Parr and children and Mrs. Wyllis Wyckoss were in Amarillo Saturday on business.

Mary and Weldon Tatum, and Bettie and Judy Barnett attended

BEST FOOD BUYS IN TOWN

Hereford Brand, Hereford, Texas, Thursday, Sept. 29, 1955

Remember the morning after President Eisenhower got elected back in 1952? No matter who you engaged in conversation, it was absolutely impossible to find anyone who had voted for Truman.

History pretty well repeated itself last Monday as concerns Texas Tech boosters. You couldn't find one within a radius of 50 miles. I hunted for Clint Forby all day Monday—and he finally made it to town Tuesday with a beautiful grin. The real truth was that Clint went down to see the game and was going to remain over for the ice show, but felt so bad that he turned around and came back home. Clint said that the worst thing, though, was the fact that a naval commander flew down to Lubbock to review the Raiders in action, all with the possible idea of establishing a new conference between the naval training stations, Notre Dame, Tech, and some of the other stronger teams.

Doc Adams is another boy who has been hard to find since last Saturday. I haven't seen him—yet.

A lot of people figure that it was literally a "kiss of death" to Tech's Southwest Conference hopes—this might be right, and it might not. I don't figure the prospects were the best in the world—even if the Raiders had won. It is also possible that the Southwest Conference boys just might not like someone who stood a good chance to beat them every time. Besides, this "hot and cold" stuff is a lot like average S-W Conference play. I remember one year when over Texas—and it was the only game Texas lost. Tech still has a good squad. Don't count them out. They will come back and take some more games before the season ends.

Another thing I hate to bring up is Jim Lipscomb's "minority vote" on the rain situation for September. I remember very distinctly predicting rain for the last 15 days in this month. I even broke a rule and went along with the government long-range forecast which is usually wrong. I polled Jim on the subject and he said, "Just put me down for a minority opinion." A true fisherman to the last ditch, Jim has an alibi, though. "It was almost October," says Jim, "and I was going to predict some October moisture." Furthermore, he says he is willing to be wrong anytime to get a nice rain like this one.

The rains were general, too. Even Jack Fortenberry and Jim Neal got some nice moisture. Bill Hutson, who had just about decided it was never going to rain again, chalked up four to five inches during the past two weeks. It's too bad that Jim missed out on the best moisture of the year.

Being President of these United States may have its compensations but quite a few of us are just beginning to realize some of the limitations. The radio and TV are giving a play by play account of his illness, and it seems to me that they are running it into the ground. We are all interested in Eisenhower—as a man as well as a public official. However, it does appear that even the President is entitled to a wee bit of personal privacy. Every time he brushes his teeth, uses the bed pan or eats a bowl of oatmeal it is blared out across the nation in big, bold capital letters. It all adds up to one conclusion: Either the President is a lot worse than we have been led to believe, or rival news agencies are showing mighty poor taste in their reports. Personally, I think that the fault rests with poor judgment by the reporters.

All of the Washington big guns seem to attribute Eisenhower's heart attack to "too much golf." Sam Rayburn was in San Juan the weekend, and was telling Bill Lenderman that he often plays 36 holes of golf when he is in Washington. Rayburn figured that the altitude at Denver, plus the 27 holes of golf, caused the attack.

Hereford stands in the position of becoming quite a vegetable center during the next few years, or so it appears to me. Rumors have it that F. H. Vahlsing blew into town over the weekend, called up Rip Underwood in Amarillo and purchased the old Arena sheds for something like \$50,000. Vahlsing's letterhead pronounces the firm as the "Largest Grower-Shipper" of vegetables in America—which, I presume, would also cover the remainder of the world. Just what and how far the Vahlsing outfit plans to go is purely a matter of speculation. However, their general policy includes extensive land purchases and packaging activities.

When you add this possibility to present acreage and the A&P package plant, it could result in considerable expansion and marketing for the area.

Mr. Vahlsing flew into Friona in August and came here by automobile for an inspection trip. He visited with growers and shippers, and told the Hereford Chamber of Commerce he was interested. "The territory can be developed to a much greater extent as a vegetable center," said Mr. Vahlsing. The firm has general headquarters in New York City, along with branch offices and shipping points in New York, California, Maine, Long Island, Idaho and Texas.

Also, I keep hearing rumors that some of the nation's leading packagers and distributors are showing definite interest in this section. People used to talk about this country becoming another Salinas. We might wake up some morning with just that situation.

I notice by The Brand where the doctors are going on an appointment basis as of Oct. 1. Some people will like it, some won't. To me, it looks like a pretty good deal. At least, it will eliminate a lot of sitting and wading through those three-month-old magazines. They will handle emergencies, of course. They either had to make a change or install a TV in the waiting room.

Hereford's two pending murder trials are creating quite a bit of interest. Everyone I see has just been excused from the jury. However, they seem to be moving along according to schedule.

Rebecca London, daughter of Mr. and Mrs. Walter London Jr., arrived Sept. 9. She is a 7 pound, 8 ounce granddaughter of Mr. and Mrs. Jim Higgins and Mr. and Mrs. Walter London Sr.

Robert Glenn Ashley, 8 pounds, 14 ounces, arrived Sept. 25. He is the son of Mr. and Mrs. G. P. Ashley. Robert Glenn's grandparents are Mr. and Mrs. E. L. Taylor and Mr. and Mrs. J. P. Ashley.

A boy, Frank Paul, was born to Mr. and Mrs. Orval Galley, Sept. 9. He is the grandson of Mr. and Mrs. Frank Belger of Detroit and Mr. and Mrs. Lester Galley.

A daughter was born to Mr. and Mrs. H. M. Laney of Sacramento, Calif. Paternal grandparents are Mr. and Mrs. Laney of Fullerton, Calif., and maternal grandparents are Mr. and Mrs. T. H. Teague of Hereford. Mrs. Laney is the former Martha Teague of Hereford.

Ether Diana Brown was born Sept. 9. She is the 4 pound, 8 ounce daughter of Mr. and Mrs. Aubrey Brown.

Gus Philip arrived Sept. 26. He is the son of Mr. and Mrs. C. T. Ward. Mrs. Ward is formerly of Hereford. The grandfather of Gus Philip is Gus Dike.

A girl was born to Mr. and Mrs. Jack Flowers Sept. 25. She weighed 5 pounds and 14 ounces.

Hospital Notes

Patients in Hospital
William D. Howe, Leonard Latham, Mrs. R. R. Wills, Gilberto Palomino, Leonardo Aguirre, Mrs. Sallie Carter, Lynda Hargis, Mrs. Walter London Jr., Wirt Phillips, Mrs. H. G. Henson, Nedra Ward, Mrs. Allen Powelson, Addison Hunter, Mrs. O. C. Curtsinger, June Owen, Mrs. Earl Griffith, Jean Galley, Mrs. J. H. Coursey, and Mrs. G. A. F. Parker.

Patients Dismissed
Mrs. LaVone Bayer, 9-28; Vivian Ashley, 9-28; Mrs. Benturo Coronado, 9-27; Mrs. N. B. Williams, 9-27; Mrs. Darrell Harkins, 9-27; Roger Shipley, 9-27; Lola Marie Short, 9-25; Glenda Jane Denton, 9-25; Mrs. J. N. HOSTS AT TEA — Members of the Merry Maidens 4-H Club who were hosts at an Achievement Tea given for their mothers and other guests recently are pictured above. From left

to right are Nancy Parsons, DeLourdes Buck, Ann Rose Dziuk, Donna Lovel, Polly Monroe, Mildred Wester and Emily Pavlicek. (Staff Photo)

Achievement Teas Give Girls Chance To Develop New Poise

Four-H girls are learning some of the things that develop poise and make for gracious entertaining in their plans for Achievement Teas which the various clubs are giving for mothers and other guests this month.

In the entertainment the girls make their own plans with the help of their leader and then carry them out from a receiving line to the refreshment table.

Visitors are given an opportunity to look at the record books of the girls and dresses made for the Dress Revue are also modeled.

Clubs reporting Achievement Teas are:

Happy Homes

The Happy Homes 4-H girls were hosts at an Achievement Tea in the home of Pat Dawson Sept. 15. Guests were received by the hostess, Carlyn Williams, club president, and Carol Phifer, secretary.

Geneva Logan registered the guests.

The record book of each member was on display and each girl wore the dress made for the dress revue held this summer.

Martha Logan served punch from lace-covered table centered with asters. She was assisted at the serving table by Beatrice Wilhelm, Jane Heard, Cecelia Wil-

helm and Glenna Faye Gandy. Those attending were: Mesdames Carl Williams, G. H. Logan, George Heard, Ed Dziuk, Frank Prossell, Curtis Traweck and Sabra, Pat Sullivan, George L. Olson, C. C. Ellis, C. R. Darron, W. P. Axe, and Louise, M. H. Wiseman, Ray Wilhelm, M. T. Rutter and Clea Kay, W. T. Carmichael and Merle, Tom Draper, Ira Ott and Mrs. Dawson.

Merry Maidens

Mrs. Ed Dziuk welcomed guests who attended an Achievement Tea given by members of the Merry Maidens 4-H group at the Dziuk home Sept. 26.

Polly Monroe registered the guests and Emily Pavlicek announced the program. Emily and Nancy Parsons played piano numbers and Ann Rose Dziuk and DeLourdes Buck sang a duet. Record books of the girls were shown and dresses made for the 4-H Dress Revue were modeled by the members.

After the program Ann Rose showed the group her bedroom improvement project which she has recently completed.

Polly Monroe presided at the refreshment table which was centered with an arrangement of fall

Neighbors

Hereford, Texas, Thursday, Sept. 29, 1955 Section Two

flowers. Punch and brownies which were baked by the girls were served to the following: Mrs. M. R. Buck, Mrs. Alton Monroe, Mrs. J. E. Pavlicek, Mrs. Loyd Lovel, Mrs. Harold Wester, Mrs. Pat Sullivan, Mrs. Tom Draper, Roberta Campbell, Mrs. T. J. Parsons, leader for the group and Mrs. Dziuk.

Members assisting with the serving were: Nancy Parsons, Emily

Pavlicek, Donna Lovel, DeLourdes Buck, Mildred Wester, and Ann Rose Dziuk.

Care of Palms

It is not well to water palms too often. It is much better to allow the earth to become dry, then give it a good soaking. The palm leaves should be sponged every week to keep them in good condition.

H D Chatter

By Argen Draper

Congratulations to Merry Kay Pruitt for winning third place in the district baking contest.

It is good to see Phyllis Deaton back in Hereford. She says that they are getting along fine in Houston. Pat is enrolled in the University of Houston and is working at the book store. Phyllis is working in the placement center and says that she likes her job.

The club women report good results from the sweet dough recipes which we are using in a club this month. We have used as much as half whole wheat flour and half enriched. Honey has been substituted for the sugar. This keeps the sweet dough moist and the rolls

do not dry out as badly.

There are some interesting things in the preliminary report of the 1954 census of Agriculture. In 1950, 116 home freezers were reported in Deaf Smith County and in 1954, 341 were reported. This is part of the census that Mrs. V. E. Dodson, Mrs. J. E. Dyer, Mrs. G. A. Bogle, and Mrs. Raymond Higginbotham helped take.

The training meeting for the landscape demonstrators will be given on Sept. 29. This is the training meeting for the club programs for October.

A list of the club officers should be sent to Mrs. R. J. Coleman as soon as the officers are elected.

HD Club Women Elect Officers For New Year

Looking back over the calendar for September programs for H.D. Clubs the programs have included demonstrations on sweet doughs, election of officers for the coming year and several phases of duties as citizens.

Clubs reporting late September meetings are:

WESTWAY

Mrs. R. L. Wilson gave the program on "Sweet Doughs" for the members of the Westway H. D.

Club who met with Mrs. George Turrentine Sept. 15.

Mrs. Wilson pointed out the many possible variations in using the sweet dough for rolls and desserts. The demonstration of a date braid was of particular interest to the women.

Those present were: Mesdames Wilson, Bess Werner, T. B. Thomas, Paul Rudd, Phillip Miller, C. A. Sauley, B. B. Northcutt and the hostess.

The report of the nominating committee which presented a list of officers for next year was accepted and the following officers were elected: Mrs. C. A. Sauley, president; Mrs. B. B. Northcutt, vice president; Mrs. Joe Wagoner, secretary treasurer; Mrs. T. B. Thomas, reporter; Mrs. P. B. So-well, Council delegate and parliamentarian; and Mrs. Bess Werner, civil defense and citizenship chairman. Mrs. George Turrentine was named alternate council delegate.

Members voted to change the regular meeting day from Wednesday to Thursday for next year.

The next meeting will be with Mrs. Paul Rudd Sept. 28. All new homemakers are invited to attend.

DAWN

Miss Lulu Botsford was hostess for members of the Dawn H. D. Club Sept. 16 for a program on citizenship.

Mrs. J. B. Caraway presented reasons why citizens don't vote and pointed out that it should be considered a privilege rather than a duty.

Mrs. Muri Little talked on ways to develop our children into good citizens.

Officers elected for next year were Mrs. Zed Stewart, president; Mrs. LaNoy Tooley, vice president; Mrs. Jim McCabe, secretary treasurer; Mrs. Marion Russell, council delegate; Mrs. Johnny Carathers, alternate council delegate and parliamentarian.

Refreshments were served to: Mesdames Marion Russell, Mrs. J. B. Caraway, Johnny Carathers, H. S. Fuller, L. B. Washington, Walter Galley, Muri Little, LaNoy Tooley, Jim McCabe, and two visitors, Mrs. A. Bell and Mrs. Henry Spicer and the hostess.

Mrs. J. B. Caraway will be hostess for the next meeting Oct. 7.

SOUTH HEREFORD

"Date Braid" was the demonstration given by Argen H. Draper, CHDA, for members of the South Hereford H. D. Club at the home of Mrs. Clara Shore Sept. 20.

Mrs. Leon Griset from California was a visitor. Members attending were: Mesdames Clyde Cocanougher, Muri Little, Mrs. H. G. Grisch, Adam Flowers, Eldon Craig, S. S. Williams, John Draper, Ronald Matthews, Ethel Layman, Ada Hol-labaugh, Tom Draper, Miss Evelyn Bell and the hostess.

CHORAL CLUB

New officers were elected for the H. D. Choral Club at their regular meeting held at the home of Mrs. Cecil Parker Sept. 18.

Mrs. Taft McGee will be chairman for the group next year and the following officers will serve with her: Mrs. Paul Hoff, vice-chairman; Mrs. Cecil Boyer, secretary treasurer; Mrs. Joe Landers, librarian and Mrs. E. M. Cox, reporter.

The chorus has been invited to sing for the Council of Churches Convention to be held in Hereford Oct. 17. A special practice session will be held Sept. 20 at 2 p.m. in the home of Mrs. Parker who is director for the club.

Members present were: Mesdames Tom Draper, Paul Hoff, T. J. Parsons, R. L. Wilson, Cecil Boyer, E. M. Cox, R. C. Childers and Mrs. Parker.

In the United States there is one female domestic for every 25 households.

Typhoid fever and diphtheria have been practically eliminated as a cause of death in the United States.

MOTHERS AND DAUGHTERS CHAT — Mrs. H. E. Wester, left, chats with her daughter Mildred and Nancy Parsons, both members of the Merry Maidens 4-H Club, and Mrs. T. J. Parsons, leader of the group. (Staff Photo)

TEA FOR THREE — Polly Monroe, right, who registered guests, and Emily Pavlicek, center, who announced the program, are shown with Mrs. Alton Monroe, one of the mothers who attended a tea given by the 4-H Club girls at the Ed Dziuk home on the Dimmitt highway recently. (Staff Photo)

Merry Kay Pruitt Wins Third In Contest At Fair

Merry Kay Pruitt, member of the Walcott 4-H Club won third highest honor in the district 4-H Better Baking Contest held recently.

Merry Kay is the daughter of Mr. and Mrs. Roy Pruitt of Friona, Texas. She won this honor by having the third highest combined score on Swedish tea ring, chocolate brownies and foods record book.

She received an electric food mixer from the Tri-State Fair for her part in this contest. There were 17 4-H girls entered in this contest. Each of these entrants were county bake show winners this year. This entitled them to enter the District Better Baking Contest. The highest awards go to the top three entrants in the District Better Baking Contest.

The Hands

The hands can be whitened and softened wonderfully by using bran as a cleanser instead of soap.

Pillow Cases

When the pillow case begins to break where it is hemstitched, cut right through the middle of the hemstitching. Buy some lace or crochet an edge over the remaining picot edge. It will lengthen the life of the case and also add to its beauty.

Lobsters have pincers on all of the first three pairs of legs although the front pincers usually are much larger than the others.

U. S. people are going blind at the rate of 27,000 a year.

Your Congressman Reports

Another item of prime interest in the coming year will be the domestic mines problem. This is a subject on which we have several points of thought.

and material resources, which are classified as strategic and critical materials, and which have been acquired primarily from imports from abroad; they are also in general agreement that a substantial part of these materials, most of them mineral in character, are indispensable and essential to peacetime economy and in maintaining preparedness for defense of the nation. The records (and these are public) show that 80.1 percent of the present stockpile of strategic minerals and materials have been secured from Africa, Asia, South America and other foreign countries. Most experts agree that these sources would be closed to permanent access in the event of international war. The major disagreement lies in whether the United States—until now the greatest producer of mineral wealth in

the world—is a "Have or Have-not" nation which must depend upon foreign nations for strategic minerals and materials. The fact seems to be that this country does not know what it has or does not have in mineral resources. This statement can be supported by the established facts that mineral resource utilization comes about only after (1) prospecting; (2) exploration; and (3) development. Although the U. S. Geological Survey service has been engaged in mapping activities since 1880, as of Jan. 1, 1954, less than one percent of the land area of the United States has been included in geological investigations; only 12.7 percent has been geologically mapped and only 31.1 percent has been topographically mapped by the U. S. Geological Survey.

Most every attempt to aid and promote the domestic mining industry is met with cries of governmental subsidies. Yet we find that the availability of minerals and materials from foreign source has been brought about by our foreign aid programs, stockpile and defense production procurement contracts, lowered tariffs, and the assistance of government mining engineers, metallurgists, and geologists sent abroad to stimulate foreign production. These activities have resulted in the choking off of the domestic production of a number of minerals and metals, including lead, zinc, antimony, and fluor spar. The domestic production of tungsten, manganese, chromite, mica, beryl, and asbestos will be in the same category as soon as government purchase programs for these minerals and metals are terminated.

Some feel that the fight against the domestic mining industry finds its source in the fact that some big money in this country is invested in foreign mining activities. It might be pointed out that the best way to make this country vulnerable would be to make it dependent upon foreign sources for any indispensable mineral or metal.

IMPATIENT PATIENT
ALAMAGORDO, N. M. — City Policemen got squarely in the mid-

dle of an argument between a patient and a doctor.

The patient, a woman, called police to say she was sick but her doctor wouldn't see her. She asked about filing a complaint against him. The doctor retorted he had seen the woman the day before, found nothing wrong, and declined to see her again in the same day.

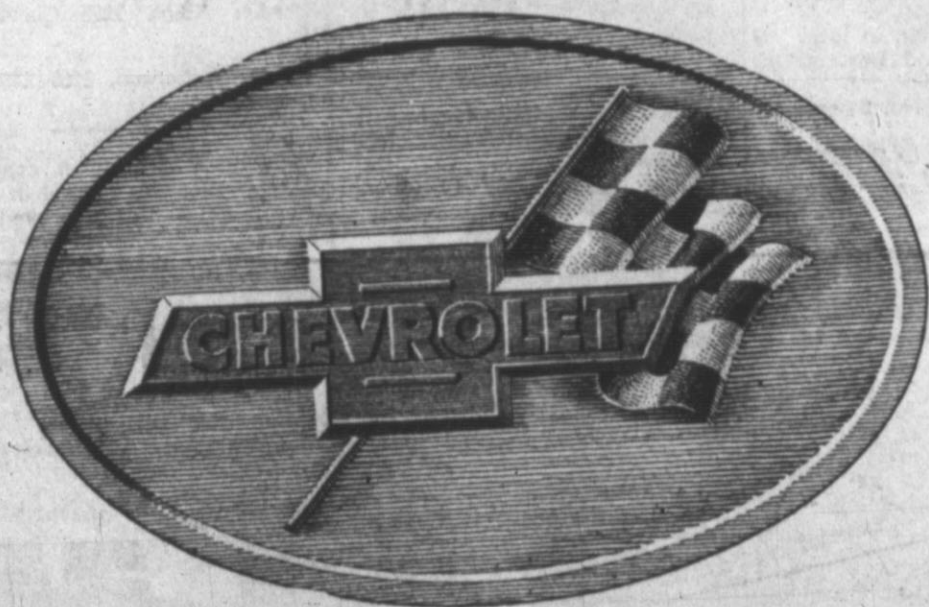

Officers compromised by simply relaying the message to the woman.

An important point about stock car racing that may not have occurred to you:

The safer car wins... and Chevrolet is the big winner

Auto races aren't won by brute horsepower. Roadability, acceleration, precision steering and stamina are the very qualities that make a car safer for you—are the keys to victory on the track! And that's why Chevrolet is top car, by far, on the NASCAR (National Association for Stock Car Auto Racing) Short Track circuit.

Faster acceleration means safer passing

Chevrolet's cannonball acceleration has punched past many a bigger car to victory. But the same blazing surge is a vital safety factor on the highway—one that can whisk you more safely around other cars and out of critical situations.

Easier, super accurate steering

Nimble is the word for Chevrolet. But you don't have to see them in action on a tight quarter-mile track

to judge how they make other cars seem clumsy. You can feel that yourself in the press of traffic, and sense the feather-light precision of Ball-Kace steering. It's why you'll get extra safety, too, in Glide-Ride front suspension that sops up the harshest bumps—that lets your car "keep its feet under it" for maximum traction on the roughest roads.

More stability on curves

Chevrolet's famous stability means money in the bank to the race driver—it lets him broadside through turns faster and smoother. But it means peace of mind to you on the road—more comfort in every curve and less body-roll with broad-based Outrigger rear springs, extra security if you have to swerve sharply to meet an emergency, a solid "one-piece" feel that is a delight to any driver.

The ability to slow down and stop quickly and smoothly

Those big 11-inch brakes have averted many a disaster in the close-packed battle of racing. But they weren't designed for that; they were made to give you "heads-up" stops and extra stopping power in traffic, on mountain grades, on high-speed expressways. Competition has merely proved their margin of superiority!

Come in and try out this new winner yourself... and see how easy we're making it to buy a Chevrolet right now!

A growing list of Chevrolet victories in stock car competition

Highlights and Sidelight FROM 40 Years Ago State CAPITOL

By VERN SANFORD
Texas Press Association

AUSTIN — Almost everyone is talking about farm prices. In Austin before a meeting of 200 Texas Farm Bureau officials, the Indiana Bureau's president predicted a "depression that will make the 'thirties look like a picnic" if present farm policies continue.

At his Gillespie County ranch U. S. Senator Lyndon Johnson said the Republican sliding scale of parity lets "prices slide down and mortgages slide up."

In Houston Secretary of Agriculture Ezra Taft Benson retorted in a speech before Texas Citrus and Vegetable Growers. Democrats, he said, left him a "neat package of carefully fused bombs" — falling prices and accumulating surpluses.

Substantial progress has been made nevertheless, Benson said. Major strategy to help low-income farmers, he promised, is in the offing.

Drought Aid Announced
Farmers in 22 South Texas counties are eligible to buy surplus feed grain at lower prices. President Eisenhower designated the counties as drought disaster areas at the request of Gov. Allan Shivers.

Applications for relief grain will be taken through Oct. 15. Distribution through supervised retail outlets will continue until Nov. 15.

Insurance Overcharges Hit
A Texas Insurance Commission report claiming "millions of dollars" in excess charges collected by a New York automobile insurance company may touch off a nation-wide investigation.

Commr. J. Byron Saunders reported Texas' findings at a zone meeting of insurance commissioners from six states. All indicated they would start inquiries.

Service Fire Insurance Company of New York overcharged, Saunders said, by putting policyholders in a higher rate bracket than necessary. He reported that so far the company had refunded \$89,000 on the policies checked by the commission.

Attorneys for the company said that if there were excess insurance charges, they were offset by an undercharge on financing.

Service Fire Insurance Company handles policies for Universal CIT, finance company with which it is affiliated.

STAGING A COMEBACK — Senator Lyndon Johnson, of Texas, majority leader of the senate, tries on a Texas hat at his Washington home where he is recuperating from a

recent illness. Johnson, stricken in July with a severe heart attack, was recently released from the hospital and is on the road to recovery. (AP Photo)

Vaccine Priority Changed
Texas children under five have been added to the priority group for Salk polio vaccine. In other states only five to nine-year-olds are eligible.

State Health Department officials obtained special approval from federal authorities, as some 44 percent of paralytic polio in Texas hits tots under five.

School Inquiries Set
Legislative subcommittee reports on school squabbles at Houston and Irving are due Oct. 21. Investigations are being made by two-member groups of the house general investigating committee. Rep. Wade F. Spilman, Jr., of McAllen is chairman.

Suspension of a school administrator was the origin of difficulties in each town.

No Federal Interference
Federal authorities do not intend to interfere with Texas' policing of racial problems. Such assurance was sent by an assistant U. S. attorney general to Texas' Attorney General John Ben Shepperd.

A Houston Negro organization had requested U. S. Attorney General Herbert Brownell to investigate the Texas Citizens Council. Shepperd sent a telegram advising that Texas enforcement agencies are able to take care of any Texas situation.

Water Problems Studied
Inform the people about Texas' water problem and money to solve it will be forthcoming. Max Starcke, manager of the Lower Colorado River Authority, so advised more than 100 experts at a Water for Texas Conference at College Station.

It will be a lengthy, costly proposition, he said.

Land Buyers Cleared
Honest deals sought under the veterans land program are gradually being cleared. A suspense order, invoked when investigations began, has been moved from 111 accounts. They were "made in good faith," according to Land Commr. J. Earl Rudder.

Another 1400 accounts, representing a \$3 million investment, still are being checked.

Plaque for Early Newspaper
National Newspaper Week in Texas will open Oct. 1 with a ceremony in Houston commemorating the role of the Telegraph and Texas Register in the Texas Revolution.

Russell W. Bryant, Italy News-Herald, president of the Texas Press Association, will present a bronze plaque to be used as a permanent historic marker.

Recipient of the plaque will be Mac Roy Razor of Austin, president of the State Association of Sigma Delta Chi, professional jour-

nalism fraternity. The plaque will be placed in the museum to be erected at Washington on the Brazos.

SHORT SNORTS: A. C. Turner, director of rehabilitation for the Texas Prison System, has resigned to become a member of the State Board of Pardons and Paroles. He will serve out the six-year term of the late Lyle C. Harris—Burton C. Hackney of Brownfield will succeed Hubert T. Johnson of Waco on the State Board of Public Welfare. Charles A. Rowe of Houston is the new member of the Texas Aeronautics Commission. A new law prohibits drinking or possession of liquor at "public school" athletic events.

That includes the University of Texas football games in the opinion of Austin Law enforcement heads. A five-state drive for funds to extend the Boy Scout program in the Southwest opens Oct. 25. H. H. Coffield of Rockdale is chief planner for the county-by-county campaign. Texas' oil allowable for October will be 3,148,459 barrels per day, up 64,772 over September. Two critical issues, segregation and school district organization, will be scrutinized when the Texas Association of School Boards meets in Austin on Oct. 7-8.

Glass milk bottles were first developed about 70 years ago.

Long Time Ago

45 Years Ago
Vote her straight boys! Vote her straight! Tuesday, Nov. 8 is the day.

At a regular meeting of the Institute last Saturday, the question of finding a market for the feed stuffs was thoroughly discussed. The dairy and creamery business was also discussed and a meeting for next Saturday was called for the purpose of talking over the creamery business, either to take steps to put in a creamery at Hereford or to make shipments to Roswell.

When the writer was in the cafe of the Elk Hotel at Amarillo only recently, among the wall decorations of fish, fowl and flowers that met the gaze of the hungry guests, there appeared one sign in a conspicuously open wall space, that bore a striking legend and it was this, "two eggs fifteen cents."

25 Years Ago
Three major business houses are being constructed. The largest project is the new central office building for the Southwestern Bell Tele-

phone company on the corner of West Fourth and Miles Avenue. The structure will be of brick and tile, stuccoed on the outside and will be of English colonial style.

About one-fourth of the brick work has been laid on the A.M. Jones building on West Third St., to be occupied by the West Texas Gas Company.

At a cost of \$6000 the Santa Fe railroad company has completed a 17-room concrete house as living quarters for employees. It is located on the north side of the track three blocks east of the passenger depot.

A retrenchment policy in overhead expenses in operation of the Chamber of Commerce was announced Tuesday by the board of directors, at which time it was given out that the services of a secretary would be dispensed with Oct. 1.

With initial work of grading and leveling of B Street begun Tuesday, a \$75,000 paving program was launched by Farmer and Company which will ultimately include about

Tornado Gave Woman School Bus Driver 'Biggest Scare'

By CAROLYN INMAN

Here comes number 26!

No, it's not the soap box derby or the horse races. Mrs. Bill Hutson is bringing her "kids" to school once again. On time as usual. She hasn't had any children late to school since she started driving a school bus in 1938. And she enjoys it more every day.

Her favorite idea of enjoyment is having children around—lots of them. She drives a school bus load of children from her community to and from school twice a day five times a week and on Sunday teaches a Sunday School class in the First Baptist Church, of which she is a member.

Mrs. Hutson lives on a farm nine miles north and three miles west of Hereford. Her family gets up at 5:15 in the morning. That's year round too!

Before she leaves home each morning around 7 a.m., Mrs. Hut-

son washes the dishes and makes the beds at her household, then starts on the 30-some-odd mile route to pick up the school children.

As the clock nears five or 5:30 every afternoon, Monday through Friday, she drives "ole 26" home and does the sweeping and dusting to finish her household. Once in a while she has new recipes to try on her family too because she loves to cook.

The time when Mrs. Hutson gets home varies however, because some days she has children in Bluebirds, Campfire, Cub Scouts, or music that don't take the bus home.

She keeps the bus at home at night and leaves it at the bus barn to be serviced during the day while she works at Rutherford. Quarrels are very seldom in number 26, but occasionally there is too much teasing of the little

children by the older students. "Using all the diplomacy in the world," is the way Mrs. Hutson tries to settle the few quarrels that do arise, although the children are usually in a good humor.

White children, Latin-Americans and Negroes all ride her bus, and all of them get along very well with each other.

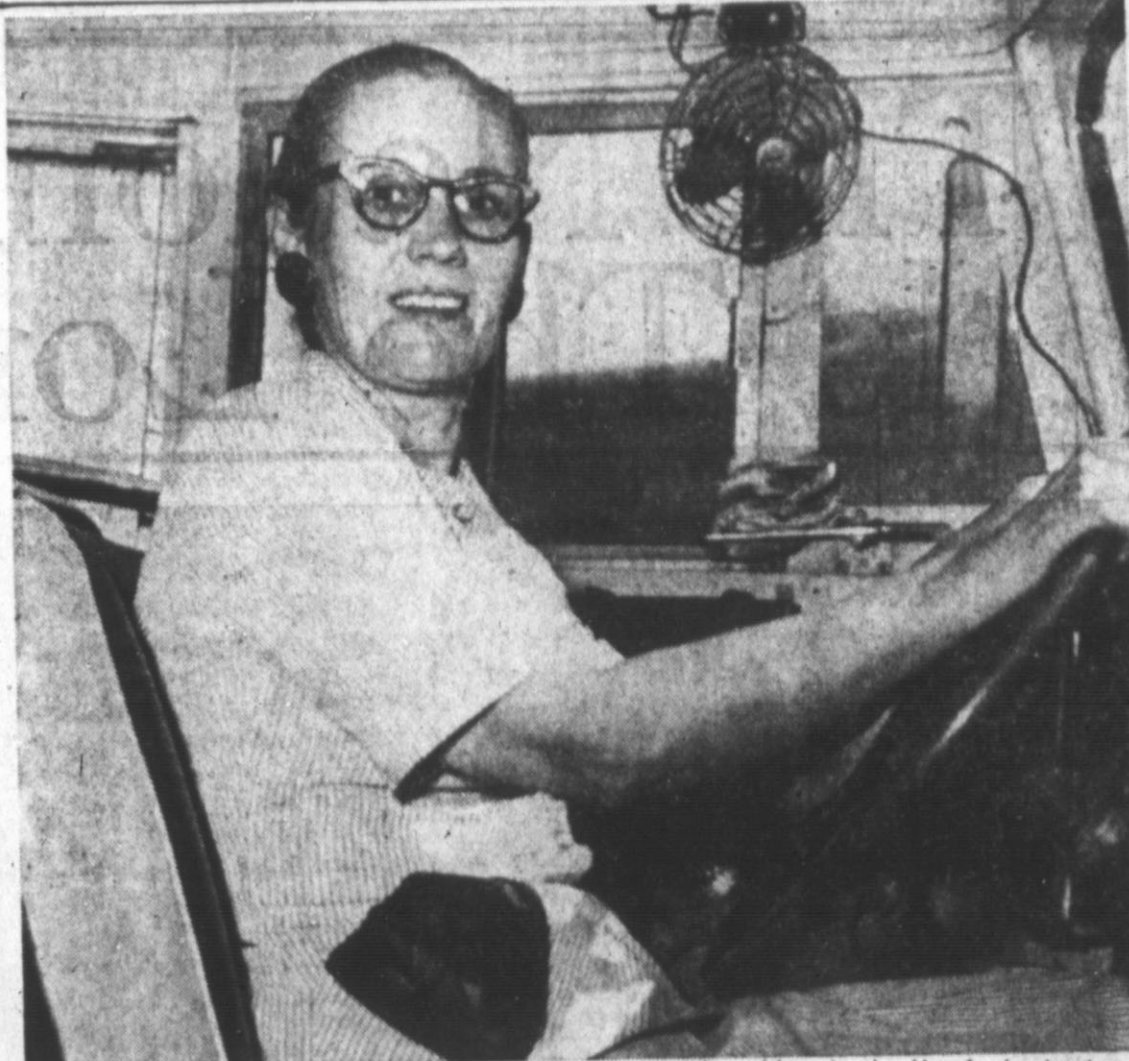

"Tattle-tales are my pet-peeve," said Mrs. Hutson, "as far as children are concerned."

Hot in the fall and cold in the winter is the way her bus operates. She thinks that if any improvements were made on buses, she'd want to make sure the bus was heated in winter and air-conditioned in summer!

With a smile on her face, Mrs. Hutson laughingly said that the "most scared" she'd ever been while on a bus run was in 1952 when a tornado funnel set down right beside the bus and was coming at them. She kept on driving and trying to outrun the storm, planning to turn the bus into the tornado as taught to do if she had to. She was very proud of the children on the bus at that time because of their "wonderful" behavior.

As for motor trouble on the road, she once had a battery fall apart about eight years ago, but only a very few times has been stuck in the mud. This year she was about a mile from her home, when the bus got stuck on a newly graveled road. A man came along and took her home and her family pulled the bus out.

All in all, Mrs. Hutson thinks driving a school bus is "really grand," and plans to keep on driving until her "health, age and the superintendent stop her!"

DRIVING NUMBER 26 — Mrs. Bill Hutson is pictured behind the wheel of the school bus she drives daily. She is the only woman school bus driver in the Hereford school system, and one of the few in the state. She has 17 years service as a bus driver. (Staff Photo)

STOLEN STEEL.
NEW HAVEN, Conn. (AP)—New Haven police call it the case of the stolen steel. Somebody backed a truck up to the plant of the Connecticut Alloy Steel Co., and made off with two and a half tons of stainless steel rods worth \$1,500.

The disabilities of old age not complicated by the consequences of disease or infection are rare in human beings.

Washington was burned by the British in 1812 and other fires in 1825 and 1851 destroyed much of the collection of books.

OPERATION MOSQUITO

DOVER, Del. (AP)—Mosquitoes who settled down to launch their pesky attack around the Air Force Base at Dover were just plain asking for it, the Air Force figures. The Air Force retaliated with a counter air attack—and then some

—called "Operation Mosquito." A C-47 was equipped for aerial spraying, flew low and splashed the mosquitoes with a mixture of insecticide and light oil. The casualties were beyond calculation, the Air Force said.

GOOD BUT UNLAWFUL

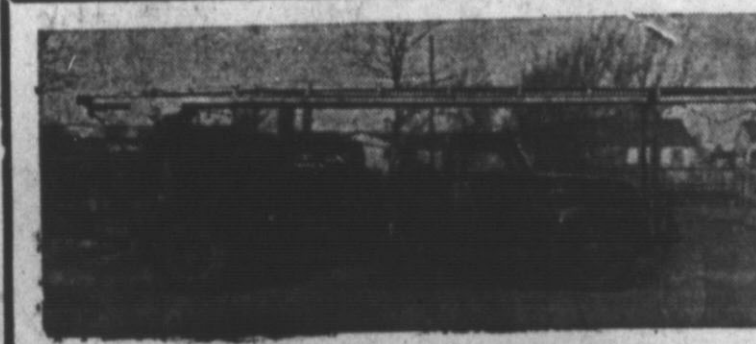

EL PASO, Tex. (AP)—City officials said an editorial suggestion of a local newspaper to use treasury money to take care of the drainage problem in city flood areas and replace the money from proceeds of a recent bond issue was a good idea.

But it's against the law.

MAGICIAN STYMIED

OMAHA (AP)—Blackstone, the magician, admits he's found something he can't make disappear: Rabbits which he once bought for 10 cents apiece now cost \$2, he told a reporter during an appearance here.

Average wages, including cost of pensions, social security and insurance in the U. S. steel industry in 1954 was \$2.51 an hour.

A Wheel Chair Churchman

HOW WONDERFUL, if there were no troubles or handicaps to worry or disturb us. Failing of our eyes, or the need for crutches, or the necessity for a wheel chair — these *could* make our lives richer and our faith stronger. By nature we are imperfect. When we go it alone, we are not capable of perfect decisions nor deeds. *There is one greater than we who stands ready, willing, and anxious to help us.*

To Him we must look for guidance; and we can best understand His will for us by attending His Church here on earth. Go to church this Sunday and every Sunday, *even if it must be in a wheel chair.* It takes our contributions, our prayers, our presence.

Both our church and our faith grow when we are in the pew.

**YOU IN THE CHURCH
THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy in the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we ask Sunday, 'You in the Church and the Church in you form a combination for good. Be a regular CHURCH GOER and a Holy BIBLE READER.'

New Curtains Can Brighten Bath

By DOROTHY ROE
Associated Press Women's Editor

If your bathroom needs a change of pace, turn to your sewing machine instead of a paintbrush. A new shower curtain will do wonders to brighten a drab bathroom, especially if you sew your own, using brightly patterned terry cloth. A plastic lining takes care of the practical aspect; the terry cloth is long-wearing and decorative.

Local sewing center experts tell you how to make a gay shower curtain, using 6 1/2 yards of terry cloth, plus enough fringe to edge top, bottom and side. Sewing is so simple you should be able to finish the whole project in an hour.

Split your 6 1/2 yards of cloth into two equal lengths, and stitch together lengthwise with a plain seam on the wrong side. Turn a 1/2-inch top hem over to the wrong side and stitch a 2 1/2-inch hem at the bottom. For this sewing, set your machine for a fairly long stitch—about 10 to the inch. If your shower rod is unusually long or high, adjust hem depths accordingly.

Pin your fringe in place, setting the pins crosswise. Then run a line of straight stitching to secure fringe to terry cloth. The hinged presser foot of your machine will skip right over the pins, making basting unnecessary. Run a second row of stitching parallel to the first for extra strength. If you own a completely automatic swing needle sewing machine or an automatic zigzagger, you may prefer to use a zigzag stitch. If so, don't try to zigzag over the pins—better to machine baste first, using the longest possible machine stitch, and loose tension.

For the plastic liner, you can use a light-weight plastic shower curtain or make it yourself by seaming together an equal yardage of clear plastic.

To hang, use the little brass drapery clips that fit over the shower rod.

If you have extra terry cloth left over, use it at the windows. Since terry cloth won't admit light, plan on a tieback or cafe curtain style. Edge curtains with the same fringe.

Your terry cloth curtains can be sudsed in the washing machine

BATHROOM DRAMA — Gay shower curtain of bold polka dot terry cloth, simple to make at home.

Westway News

By MRS. T. B. THOMAS

Francis Boyd was home for the weekend from Tulsa University to visit his parents, Mr. and Mrs. Robert Boyd.

Several from this community attended the Tulsa-Hereford football game Friday night. Among those attending were: Mr. and Mrs. C. A. Sauley, Mr. and Mrs. Jack Renfro, Gayle Wagoner, Ann Wagoner, Mary Lynn Morrison, Mr. and Mrs. M. C. Kaul, Nathan Wilson, Bill and Eugene Combs and Ralph Morrison.

Rev. C. T. Jackson was a Sunday dinner guest with Mr. and Mrs. C. A. Sauley. Other guests were Mr. and Mrs. Merlin Kaul and Walter and Mr. and Mrs. Robert Boyd.

Mr. and Mrs. J. C. Morrison and Judith were supper guests of Mrs. J. E. Morrison and Marvin Sunday night.

Mr. and Mrs. Abraham Drager and boys attended the wedding of their niece, Adeline Drager, at the Lutheran Church Sunday.

Mr. and Mrs. J. W. Stengel and family attended a family get-together at the home of the Leader Reinarts of Wyche community. Attending were Mr. and Mrs. J. E. Stengel, Mr. and Mrs. A. C. Stengel and Mr. and Mrs. Ide Marnell and son and Charlie Stengel of California.

Mr. and Mrs. James Cash and children visited Mrs. Cash's sister, Mrs. H. H. Snow of Enochs, Sunday.

Charles Jarman and Jim Stubblefield of Littlefield were Sunday guests of Mr. and Mrs. Ed Blakney.

Mr. and Mrs. Elmer Combs, Mr. and Mrs. Joe Wagoner and Mr. and Mrs. Ed Blakney attended a pitch party at the home of Mr. and Mrs. W. B. Nunley of Hereford.

Mr. and Mrs. Elmer Combs were Sunday visitors of Mr. and Mrs. Preach Merritt of Frio. Cliff Combs spent the weekend with his parents, Mr. and Mrs. W. E. Combs at Plainview.

Mr. and Mrs. Joe Landers returned to their ranch near Trullio, N. M., Wednesday of last week.

Mr. and Mrs. Jim Clements and children were Sunday night guests at the home of Mrs. Clements' mother, Mrs. Carl Luke, for a barbecue supper.

Mrs. B. C. Fitts visited in Leveland over the weekend with Mrs. B. E. Fitts and Lynn, Mike and Pat.

Mrs. Robert Loerwald of Gainesville and Mrs. J. A. Loerwald and Ruth of Hereford were recent guests of Mr. and Mrs. S. T. Loerwald and family.

Mrs. Ray Haltom and Roy from Dimmitt were Sunday guests of Mrs. Haltom's parents, Mr. and Mrs. R. L. Wilson and Nathan.

Daniel Thomas and Mike Ranspot attended a Cub Scout meeting at the home of Mrs. Bruce Miller, their den mother, Monday afternoon.

Margaret Sowell of Amarillo visited her parents Mr. and Mrs. P. B. Sowell, over the weekend.

Several children have been ill with tonsillitis this week.

Mr. and Mrs. Emmett McCathern took Jaudon to Amarillo to catch a bus for South Dakota to help his parents move to Hereford. The McCatherns spent Friday night at the home of their niece and family, Mr. and Mrs. Jim Stroup. They spent Saturday night with their son J. E. and family in the Wyche community.

Mr. and Mrs. Gus Walker and girls have recently moved back to John A. Cavin's farm. Gus Walker was in Friona Saturday to visit Mrs. Ira Miller, who is ill.

There will be a tea at the Westway community house Friday afternoon at 4 o'clock for all 4-H girls and all girls interested in the 4-H Club. The mothers of the girls are cordially invited to attend this tea, there will be plenty of entertainment.

BUILDING BOOM
PITTSBURGH — In the past 10 years 51 new buildings, valued at 125 million dollars, have been constructed or are now being erected in downtown Pittsburgh. The building program has increased assessed valuation of the mid-city district from 253 million dollars to 308 million.

Tuesday at 7:30 p.m. the Commission on education meets in Ward Hall Wednesday at 12:30 the monthly WSCS luncheon will be in Fellowship Hall.

Wednesday at 8 o'clock there will be choir practice.

ALWAYS ON DUTY

CHARLESTON, W. Va. — Patrolman R. L. Crouse isn't a cop who takes his work home with him, he just can't seem to reach home without working.

Crouse said he was en route there recently when he spotted three youths fixing a flat tire. A check of the car disclosed cartons of cigarettes, candy and chewing gum, and the boys admitted a break-in which had netted \$50 in cash and \$100 worth of merchandise.

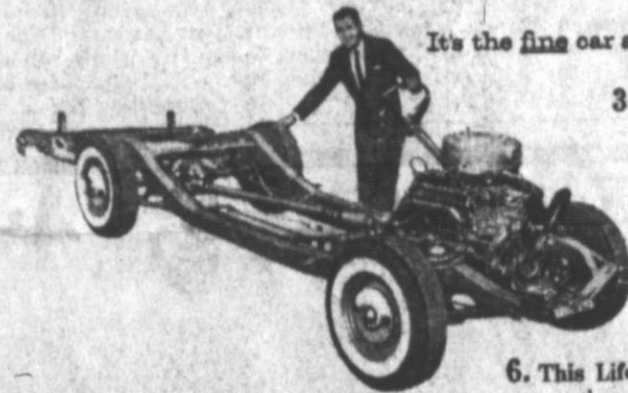

Crouse was on his way home just four days earlier when he arrested a speeder on U. S. 35.

1. We'd like to show you some of the things that make the Ford one of America's finest cars... though it's one of the lowest-priced. Let's start with these long, low lines. Looks like it hates to stand still, doesn't it?

Let's take a walk around the NEW '56 FORD!

It's the fine car at half the fine car price!

4. The new 202-h.p. Thunderbird Y-8 will give you a new lease on driving enjoyment. It's available in Fordomatic Fairlane and Station Wagon models. You can have the "GO"-packed 176-h.p. Y-8 in Fordomatic Mainline and Customline models, or Ford's new 137-h.p. Six is available in any model.

5. Note the deep-center design of this new Lifeguard steering wheel. The wheel rim is over three inches above the post to help cushion the driver in case of an accident. It's a feature of new Lifeguard Design which Ford spent over two years developing... to give you added protection in case of an accident.

3. Here's what you ride on. This frame has six cross-members including a special K-bar member up front. It can really take it! By the way, the control arms of Ford's Ball-Joint Front Suspension are angle-mounted to cushion out the head-on as well as the up-down shock of bumps.

6. This Lifeguard cushioning for instrument panel and sun visors is optional. It gives you extra protection when thrown forward in an accident. You may also have optional seat belts to help keep occupants securely in seats.

7. Here's Ford's new Lifeguard door latch. It is another member of Ford's new Lifeguard family. A double-grip locking engagement reduces the chance of doors springing open under unusual strain of impact. Chances of serious injury in accidents are less when passengers remain in the car.

Well, that covers the important points. But there's a lot more. So we'd like to invite you to come in and see the new '56 Ford for yourself. Then you'll see the colorful new exteriors and interiors, the quality workmanship that is evident everywhere. Then you'll learn the full story. When you do, you'll know that Ford is the fine car at half the fine car price.

Walcott News

By MRS. T. L. COLLINS

Mrs. Cresty Rudd and sons went to near Sudan for a visit with relatives this weekend.

Mr. and Mrs. Chester Minyen and children went to Maysville, Okla., on Friday to visit with Mrs. Minyen's mother, Mrs. Cora Alexander. Mr. Minyen took his truck to bring back some farm machinery.

Mr. and Mrs. C. F. Lockhart and family went to Hereford Sunday to visit her brother and his wife, Mr. and Mrs. G. M. Treadway Jr., and two sons, who recently moved to Amarillo from Phoenix, Ariz. This meeting was held in the home of Mr. and Mrs. G. M. Treadway of Hereford, parents and grandparents of those present.

Lloyd Collins of Perryton, brother of Thomas L. Collins, came Thursday afternoon for a visit. He

PET PARADE — A chicken and a cat besides a dog or two! What would you do with all that? Charles and Alice June manage quite well. They are the children of Mr. and Mrs. Charlie Callaway. (Staff Photo)

had been in Veteran's Hospital in Amarillo for two weeks treatment. We of Walcott community are pleased to report that this cloudy, rainy weather has not passed us by. It's wet underfoot around here, perhaps two inches of rain fell.

Those from Walcott School who attended the Tri-State Fair in Amarillo were Sue, Ray and Wayland Northcutt, Elizabeth and Kathryn Burrus, Nancy Tyler, Steve Patton, Jackson Ashburn, Carl and Lee Myers, Rose and Barbara Neinst, James and Cecelia Burrus, Janell Weaver, Mary Dufur, Royce Lee and Merry Kay Pruit, Gary Guseman and Mr. and Mrs. T. L. Collins.

We wish to congratulate Merry Kay Pruit, a seventh grade pupil of Walcott School, who won third in the 4-H baking contest at the Tri-State Fair. Because of the combined score of Merry Kay's brownies, Swedish tea ring and 4-H record book, was a close third in the entire tri-state area, she won an electric mixer, which was presented to her in the sports arena Saturday morning. Some of you may have seen her on TV. We

heard about it over the radio. Mr. and Mrs. Dewight Troyer of Littlefield came to see the T. L. Collins' family Saturday afternoon. Mr. and Mrs. Wallace Lumpkins and family went to Whiteface Saturday to visit with her son and brother, Charles McClure and Mr. and Mrs. Steve Self and family.

Charles and Carl McClure went to Lubbock with the Whiteface football boys to see Tech and TCU play Saturday. Carl and Carl McClure spent Saturday night in Whiteface, returning Sunday afternoon.

Mrs. J. W. Lumpkins, Marilyn and Linda, drove to Tulla Sunday to visit with Mrs. Lumpkins' parents, Mr. and Mrs. R. N. Self.

Mr. and Mrs. Kenneth Cox of Amarillo spent Tuesday night in the Wallace Lumpkins home.

Mr. and Mrs. A. D. Roberson and children drove to Levelland Saturday and on to Lubbock Sunday to visit relatives.

Larry Slaughter Is Cadet Officer

Recently appointed Cadet First Lieutenant in the Hardin-Simmons University Reserve Officers Training Corps is Larry D. Slaughter of Hereford. The appointment was announced this week by H-SU professor of Military Science and Tactics, Lieut. Colonel Howard H. Burd.

In cooperation with the Department operates a unit of the Army Reserve Officers' Training Corps, offering a general military curriculum without reference to any one arm or technical branch of service. Awards are presented each spring to the best drilled campus company, platoon, and individual cadet during the annual ROTC Field Day ceremonies at the university.

Cadet First Lieutenant Slaughter has been given official duties of Platoon Leader in the Corps of Cadets. He is the son of Mr. and Mrs. G. D. Slaughter of 148 East First Hereford, Texas.

Dawn News

By BERTHA FRYE

Rains over this area over the weekend amounted to from an inch and a half to three inches.

Chas. Corder spent the weekend at Clovis, N. M., where Mrs. Corder is ill in a Clovis hospital.

A pink and blue shower courtesy honoring Mrs. Paul McClung was given Thursday afternoon in the home of Mrs. Walter Galley. Other hostesses included Mesdames Jack Owen, C. C. Stewart, Walter Lemons, W. T. Beavers, H. R. Stewart, Edgar Lemons and Ray T. Stewart. Attending the shower were Mesdames William Wimberley, L. B. Drake, Dick Haggar, Finis Wright, Sandy Washington, Norman Miller, Alfred Smith, Joe Evans, H. S. Fuller, Henry Spicer, Muri Little, Henry Miller, Arvin Triplett, A. T. Frye, Carl Wimberley, Rea Cox and Zed Stewart. Unable to attend, but sending gifts were Mesdames Henry Heckman, H. H. Miller, Chas. Corder, L. M. Harris, H. F. Trimmer, Marion Russell, Alfred May, Melvin May, J. D. Bruner, Jessie Sisco, Bill Tucker, Beulah Jernigan, M. M. Carathers, H. C. Dow, J. B. Caraway, Cecil Payne, Cora Bentley, Mrs. Gentry and Misses Bertha Frye, Lucybeth Miller and Gail Miller.

Dinner guests in the H. H. Miller home Friday evening were Mr. and Mrs. Norman Miller and family and Rev. and Mrs. Paul McClung and son.

The pie supper, sponsored by the Dawn School cafeteria, netted a total of \$98.75. The pies were auctioned off by Joe Gill, assisted by Jack Higgins. Coffee and cocoa were furnished. Families present were the C. C. Stewarts, Lloyd Airharts, W. T. Higgins, Frank P. Cornetts, Jack Higgins, W. T. Beavers, H. S. Fullers, C. C. Corders, J. M. Carathers, Ted Richardsons and Finis Wrights. Cash donations were received from Uhlman Grain Co., Dawn Cafe, N. R. Miller, Melvin May, J. B. Caraway, H. H. Miller, Carl Wimberley and Harold

Hopson.

Mr. and Mrs. Muri Little and children and Mrs. Ruth McDuffy went to Cheyenne, Okla., over the weekend.

Alfred Reinart, Vincent Friemel, Werner Henscheid and Henry Spicer were in St. Louis, Mo., over the weekend where they attended a Purina Feed convention.

Attending a birthday party for Mrs. Marion Russell in the Zed Stewart home Tuesday night were

Mr. and Mrs. Henry Spicer and family, Mr. and Mrs. Cecil Payne and family, Mr. and Mrs. Reece Stewart and family, Mr. and Mrs. Ray T. Stewart and family, Walter Stewart, Harold Hopson, Mr. and Mrs. Marion Russell and Mr. and Mrs. Zed Stewart.

Mrs. Werner Henscheid and children spent the weekend in the home of Mr. Henscheid's sister and family, Mr. and Mrs. Vincent Friemel, at Umbarger.

JUST 4 MORE NEW CHRYSLERS

and I'm lifting the roof on trade-in allowances to clear them NOW!

I'm fast approaching rock-bottom on my stock of brand-new 1955 Chryslers. Now I want to clear them out — but fast! The tremendous success of this great car has given me a big year. That's why... I CAN MAKE YOU THE DEAL OTHERS ONLY TALK ABOUT! You'll get a wallowing big allowance for your present car... one that you'll never be able to match again anywhere, anytime! You'll get a big car—the pace-setting, new

Chrysler — at a price so low you'd expect to find it only on a small car! And you'll get a value-holding car. What's the sense of saving now if you have to take it on the chin when you go to trade in? Your Chrysler will always command top-dollar, because its terrific popularity carries right over to the used car market. BUT YOU BETTER GET HERE FAST! When these beauties are gone... that's it. Better take no chances...

COME IN NOW... for the deal of the year on the car of the year!
