Hundred Before City Tax Board

The City Board of Equalization began its second day of hearings Wednesday, after 80 tax payers appeared before the Board Tuesday. Twenty more citizens had indicated they would like to go before the Board by 1 p.m. Wednesday.

Prepared forms were being given each person who appeared explaining how their tax valuation was decided.

The form stated: "The procedures followed in assessing and appraising every piece of taxable property in the City of Hereford were as follows:

"1. The value of the land itself, in every block and on every street in the City, was arrived at after considerable study, and with the assistance of a committee of real estate men. The land value is shown as a separate item from the improvements on the property.

"2. A considerable study was

made of building costs within this City, and cost schedules were developed for a number of different qualities and types of buildings, both residential and commercial, including, for example, 39 separate categories of residential construction alone. Your property was determined to fit most nearly into one or the other of these different categories of building. The previously determined square foot cost of this type of building was then applied to your property, based upon actual measurements of your property made by a city employee and estimates of building costs by contractors and lumbermen in Hereford.

"3. Other factors were then applied, including the shape of the building, the amount and type of plumbing, heating and cooling systems depreciation, etc. Additions or subtractions based on these factors were then made from the basic valuation of your property, and a final value was arrived at, which we believe to be very close to the actual cash market value of the property at the present time.

"Your assessed value, however, is not the same as the market value. Each year, as a part of its determination of the city budget, the City Commission finds it necessary to determine what percentage of the actual value the assessed value has to be, in order to produce the required amount of taxes to run the City for the year. For 1955, it has been determined that 45 percent of the actual market value is the figure that has to be used. Thus, if your actual market value is \$10,000, your assessed value will be \$4,500. This same percentage is used on all property of every kind in the City, in order that the tax burden may be equally distributed among all tax payers.

"The City has not actually raised taxes for several years.

Mrs. Thornton Is Buried Tuesday

Funeral services for Mrs. Winnie Stivers Thornton were held Tuesday afternoon at 4 o'clock in the Rose Chapel of Gilliland Funeral Home. Rev. Orval W. Akers, pastor of the Nazarene Church conducted the service.

After an illness of several months, Mrs. Thornton died early Monday morning, August 15, in her home at 801 Texas Street.

She was a member of the Nazarene Church and interment was made at West Park Cemetery.

Born Nov. 12, 1891 in Moore, Okla., Mrs. Thornton moved to Texas in 1917 and in 1930, she came to Deaf Smith County. In 1942, she was married to T. E. Thornton, who died in 1950.

Surviving the deceased are: one son, Floyd R. Stivers of Hereford; one grandson, Floyd Jr.; three sisters, Mrs. Olin Scofield of San Diego, Mrs. Verna B. Rogers of Los Angeles and Mrs. J. R. Stivers of Pateras, Wash.

GRAPES GALORE—Jenny, Clarabeth and Cherry Holt are pictured as they busily pick grapes from their uncle's grapevine. The three girls are the daughters of Mr. and Mrs. Earl Holt. Their uncle is Charlie Holt. (Staff Photo)

Holt's Half Mile

Grapes, Cherries Charlie's Pride

"Why sure, I expect them to," Charlie Holt said with his usual face wrinkling smile spread across his face. Then he looked at the somewhat awed reporter and said, "That's why I planted them in the first place, so that folks who want 'em can pick 'em."

The reporter had just asked Charlie if he didn't think that he had planted the 108 grapevines a little close to the road for safety's sake. "Aren't you afraid someone will stop and get all your grapes?" the newsman had asked.

The pair, along with three of Holt's young nieces, Clarabeth, Cherry and Jenny Holt, daughters of Mr. and Mrs. Earl Holt, were looking over the half mile long line of grapevines and cherry trees. Charlie planted 108 grapevines and 108 cherry trees along the roadway at his farm eight miles north and two miles east of Hereford. They make one of the most attractive spots in that part of the county. And he has just started his project, too. He plans to add more trees and more vines, completely surrounding his acreage.

The grapes, some of them white and others the more conventional purple, are ripe now. Most of them had already been picked, but there were still enough to fill up several buckets without any serious picking.

Charlie doesn't have any trouble getting them to grow either. They are planted along his irrigation ditch, so they get plenty of water,

How much has the project cost Holt? According to him, only about \$10. "That is," he quickly added, "unless you count my labor as something."

Charlie is rightfully proud of his grapes, and so it naturally made him irritated when he found several of them missing. Fruity poles smashed in. That was his only "gripe." He thought the workmen could have been a little more careful.

So here's a tip. If you drive by Holt's place and the grapes or cherries are ripe, and you feel that urge to get a handful, go ahead—Charlie won't mind. As long as you are not destructive, that is.

ASC Election Deadline Near

Saturday is the deadline for farmers to mail their ballots in the Agricultural Stabilization and Conservation community elections, Faust Collier, ASC office manager, said Wednesday.

Collier said no ballot would be counted that had a postmark later than 5 p.m. Saturday. He said ballots had been coming in good and indicated that a record vote may be cast.

Farmers in all four communities will elect a chairman, vice chairman, member and two alternates. The chairman of each community will also serve as delegate to the county convention which will be held Aug. 29 at 9 a.m.

Optimists To Send Produce To Boys' Ranch

Hereford Optimists are getting a truckload of produce together to send to Boys' Ranch, and this week called on everyone to help fill the truck to capacity.

Plans call for sending the Ranch 60 sacks of onions, 40 sacks of carrots, cucumbers, watermelons, cantaloupes or sweet corn and any other fruit and vegetables donated. Don Kirby, chairman of the Boys' Ranch committee said.

Kirby said the onions and carrots would last the Ranch until about Feb. 1. He pointed out that it would take 110 watermelons just for one serving, and 1000 ears of corn.

"If you wish to contribute any of the needed items for the truck load, or to make a cash contribution just phone one of the members of the Boys' Ranch committee of the Optimist Club," Kirby said. "Members will pick up contributions during the week or you may bring them to Kirby Sales Co., 107 Ave. H. It is planned to have the truck loaded by noon Saturday, Aug. 20, and we will take the load up Saturday afternoon."

Members of the committee are Kirby, Gene Engler, Bill Brady, Dale Martin and Bill Phipps.

Mrs. Lottie Johnson sister of Mrs. Arthur Thompson, died recently in Hamilton, Kans. Mr. and Mrs. Thompson are attending the funeral service in Kansas.

The Grace Gospel Church will hold singing at the church at 2:30 Sunday afternoon. Everyone is invited.

City Books In Good Shape, Auditor Says

The City of Hereford has total assets of \$1,146,305.31, an audit of city books has disclosed. The audit, prepared by Lindsey and Kiker of Amarillo, was presented to City Commissioners Monday night by George Kiker, public accountant.

Kiker reported that the books were in good order, saying that in his opinion the audit presents "fairly the financial position of the City of Hereford at April 30, 1955."

The audit shows the general fund has assets of \$90,879.95; the water and sewer fund, \$48,174.50; the tax bond interest and sinking funds, \$17,960.52; the revenue bond interest and sinking fund and reserve fund, \$27,727.26; and the petty cash fund, \$20.

Listed as accounts receivable were water and sewer accounts,

\$10,780.96, and others, returned checks, \$29.18.

It showed current 1954 levy taxes receivable, \$10,874.62; and delinquent taxes, \$19,008.79.

The city's real estate, plant and equipment were valued at \$1,432,627.09, less depreciation of \$527,709.26.

A comparison of expenses with the year before showed that general governmental expenses were up from \$18,888.02 to \$22,349.54; fire department expenses from \$7,104.16 to \$8,155.66; health department (garbage and trash collection) expenses from \$21,528.84

Final Services For Mrs. Bertha D. Witherspoon Held Sunday Afternoon

Funeral services for Mrs. Bertha Dameron Witherspoon, wife of W. Claude Witherspoon, were held Sunday afternoon at 4 o'clock in the Presbyterian Church. Rev. Russell Wingert, pastor of the church and Rev. Don Root, pastor of the First Christian Church, conducted the service.

After an illness of four years, Mrs. Witherspoon died Saturday morning at her home at 703 25-Mile Avenue.

Born in Cooke County, Texas, Aug. 19, 1889, Mrs. Witherspoon moved with her parents to Hereford in 1900. She received her early education in Hereford and was graduated from Texas State College for Women in Denton.

After her schooling, Mrs. Witherspoon spent several years teaching in Deaf Smith County schools until 1919 when she with her sister, Miss Frances Dameron, went to Washington DC where they spent 16 years working in the U. S. Treasury Department.

Dr. Nobles Named First President Of Heart Chapter

Dr. M. W. Nobles has been elected president of the newly organized Deaf Smith County Heart Chapter. Dr. Nobles, along with nine other officers, was named to his post Monday night at the initial meeting of the organization held in the American Legion clubhouse.

Other officers elected were Dr. L. B. Barnett, vice president; Gerald McCaskell, treasurer; Mrs. Cecil Parker, secretary; Wayne Edwards, chairman of the board; Gerald Hale, campaign chairman; Harry Caylor, publicity chairman; and Mrs. Ira Ott, Bob Lamb and Pat Sullivan, executive committee.

Mrs. T. McQuire, secretary of the district association, was guest speaker. She told the 16 charter members of the organization that the Heart Chapter would have two aims—to spread information about the prevention of heart diseases and to inform the public of control of different heart diseases.

First project of the organization is to make available literature on heart disease.

Dr. Nobles explained that by having a local heart organization, 60 percent of all funds collected locally will be kept in the county.

Next meeting of the Chapter will be held Sept. 12 at the Legion Hall. Plans call for drawing up by-laws. Meetings will be held throughout the year.

It's Not Real; Just A Picture

When Mrs. John Gallagher and her two sons, Vincent and Brendan, brought a tarantula into the Brand Office Monday, Brand reporters went scurrying in every direction.

But actually there was precisely nothing of which to be afraid. The creature was in captivity; still even the Brand photographer was a bit hesitant in getting a close-up picture.

The tarantula was unusual in the fact that it was brown in color instead of the usual black coat worn by most tarantulas. His size was nothing ordinary, either. Diameter was estimated at about six inches.

The two Gallagher boys caught the healthy specimen on their farm southeast of town. First they tried to flush him to the top with the aid of water. That failed, so they went after a hoe and when they got back he was sitting beside his hole. With the help of the hoe they ushered him into a jar.

So when you notice the picture in this issue of the Brand, don't go get a shotgun. It's just a picture.

Pool Will Open In September

The city swimming pool will remain open during the month of September, City Manager Cecil Massey announced at the city commission meeting Monday night.

Massey said the pool would be open on a trial basis each afternoon from 4 to 7:30.

In other action, city commissioners agreed to make the Wesley Methodist Church parking lot tax free, but refused a request to consider a church-owned house, which the church rents, as a parsonage.

City dads also made final approval of tax discounts for this year. Discounts will be 3 percent in October, 2 percent in November and 1 percent in December.

A petition to bring in the property between Thirteenth and Fourteenth Streets to Whittier Street into the city limits was presented to commissioners by R. J. Engler, but no final action was taken.

BY RALPH HASTINGS

Boy's Ranch Is Given 200 Sacks Of Hereford Spuds

They probably won't divide them up that way, but if they did every boy at Boys' Ranch would have a sack of Hereford potatoes to call his own.

Monday an eager group of the boys pitched in to help unload a truck load of spuds, more than 200 sacks, that had just arrived from Hereford. The potatoes were a gift from Ralph Hastings. Hastings agreed to furnish the potatoes and Garland Cox, owner of the Hereford Fruit Market, agreed to furnish transportation for them to the ranch.

Boys' Ranch officials say the spuds will last a long time, even at the rate the boys at the ranch eat. The boys themselves were eager to have a try at them. In fact, some of them were busy eating them raw, even before they were unloaded.

Driver of the truck was Monte Kemmerline. He was quickly approved by the boys after demonstrating the correct way to back a

truck. Kemmerline had plenty of supervision as he backed into the big red barn where the produce was unloaded, too.

As always, the boys were proud of their gift, and they were quick to say so. In fact, next to the rodeo to be held at the ranch Sept. 4-5, the spuds were the talk of the town.

Hastings, who donated the potatoes, said he did so because he wanted to see someone get some good out of them, and he knew if anyone could, Boys' Ranch could. Like so many other donors, Hastings himself has never been to the ranch, although he was tempted to be present Monday.

Boys at the Ranch who pitched in to help unload the truck were Henry Honea, Bill Huff, Alvin Rose, Duane Keys, Jeff Adams, Art Wilkerson, Buddy Rogers, Leroy Thrasher, Don Tubbs, Herbert Fugett, Ray Schoonover, Jim Stuart, Slein Smith, Bill Luker, Jim Tucker, Mike Gregory, Paul Searcy, Don Barrow and Tom Knowles.

Around Town

Ben W. Childers has been named as chairman of Deaf Smith County on the United Defense Fund, which will sponsor the USO drive. The county's share of the \$640,000 to be raised is \$896.

The Deaf Smith County Chamber of Commerce is now in their new location on the east side of the Jim Hill Hotel. The C-C has two office rooms and a larger room designed especially for community meetings.

The Church of Christ Vacation Bible School is now in progress and attendance has been reported good.

Both the Sheriff's and City Police departments report that they are riding a three week quiet spell. No serious business has been reported by either department.

August 19 is the final date for voting in the wool referendum, ASC officials reminded Wednesday.

Charter membership in the newly organized Optimist Club will be held open until Monday. Twenty-five members have signed so far.

Diek Connolly of Westway is reportedly in good condition after he suffered a badly cut leg last week in a farm accident. Connolly was attempting to hook his tractor to a disc plow when his leg was pushed against one of the discs and cut through the calf to the bone. He has been released from the hospital.

ed taxes but has intended to equalize them. In many cases throughout Hereford the taxes were lowered, where others were raised. This City will not actually take in more money than last year but has only adjusted the tax burden on what we hope is an equal

basis." Some couples think that they are stuck on each other, when after all they are only plastered.

Cleaning Windows
Never try to clean a window when the sun is shining on it. Wait until the sun has passed that side of the house. The glass will never be clear and brilliant unless this is practiced.

Window Sills
If all the window sills are waxed it will protect them from rain and it will protect them from rain and months, dust them every day, and they will always be in excellent condition.

Meat and Gravy
The gravy should not be poured over the meat when putting away in the refrigerator. The meat will sour more quickly and taint the meat.

Three Accidents Cause Damages Totalling \$465

Three accidents which occurred Tuesday caused estimated damages of \$465. The first accident took place on West Fourth Street and 135 feet west of Jackson Street at 12:50 a.m. Tuesday. Damages of \$50 occurred to the 1935 Pontiac driven by Mrs. M. T. Rutter when she failed to grant right-of-way while backing from a driveway and hit the right rear fender of the 1955 Dodge pickup driven by M. H. Wiseman, causing \$50 damages to the pickup, police said. Mrs. Rutter was charged with failure to grant right-of-way.

An accident which occurred at 7 p.m. at the corner of Miles Street and Sixth caused estimated damages of \$115. A 1950 Chevrolet driven by Tommy Gene Carter ran into the front right fender of a 1953 Chrysler driven by Carl Luke. Carter was going west on Sixth. Carter's car had damages of \$50 and the Luke car's damages were \$75. Luke was charged with failure to grant the right-of-way. The third accident, causing \$250 damages, occurred at 7:30 p.m. at the corner of Highway 51 and

Moreman Street. Jack Pinkert, driver of a 1933 Plymouth, ran into the rear of a 1948 Plymouth driven by Tommy Weems. Weems was going north on Highway 51 and slowing to make a left turn when the Pinkert auto hit the Weems car in the rear, causing damages of \$50 to the 1948 Plymouth and \$250 to Pinkert's car. Pinkert was charged with following too close. Mr. and Mrs. Sherman Dufur and Mr. and Mrs. Willis Dufur entertained Saturday night with a party honoring Mr. and Mrs. Norman Minks, newcomers to the Dameron Hereford Ranch from Kansas City, Kans. Games were enjoyed and refreshments were served to Mr. and Mrs. Eldred Brown, Mr. and Mrs. S. N. Thweatt, Mr. and Mrs. Thomas Collins, Bruce Collins, Mr. and Mrs. Herschel Burrus, Mary Alice and James, Mr. and Mrs. Don Trickey of Amarillo, Mrs. Lucille Parker of Amarillo, Bill and Mary Dufur, Mr. and Mrs. Norman Minks, Margaret, Nancy, and Larry. Mrs. Burke Inman and children and Jimmy Pingleton spent Sunday afternoon in Amarillo at her parents, Mr. and Mrs. L. C. Jordan.

Letter To The Editor

Dear Editor:

While visiting a sick friend yesterday, he mentioned that some airplanes flew so close to his house or at least it seemed so close, that it made him nervous. He said that if it were not as close as it seems to me, but it sounds at times like they might crash into the house. He couldn't go out and see where they were or how close they really did come, but he said that he wished they wouldn't come so close. However, I guess there is nothing which I can do about it. Still, something should be done.

I am wondering if there aren't perhaps others who may be worried about the same problem.

Seems as if there is some ruling that could be made stating that planes should fly around town instead of directly over. A lot of things that the rest of us don't notice worry sick people. Let us see if something can be done.

Yours truly,
Ole T. Larson

Car, Pickup Are Damaged In Crash

An accident causing an estimated \$250 in damages occurred, Saturday afternoon on west Highway 60.

The accident took place when a 1955 Ford pickup driven by Richard Frye, ran into the right front fender of a 1953 Pontiac which was parked at the side of the road. Frances Lee Rogers was the driver.

As the pickup was going east on US 60, it passed a car and came back into the lane of traffic behind a slower car. The driver hit the brakes and skidded into the parked car, police said.

Frye was charged with negligent collision.

Wouldn't it be wonderful if someone invented a lawn that sheds once a week!

If you are wondering what to do with party leftovers, we suggest that you don't invite them again.

At The Movies

"WHITE FEATHER"

The CinemaScope screen of the Star Theatre will come alive with location spectacles when Panoramic Production's "White Feather" shows there Friday and Saturday. Starring Robert Wagner, John Lund, Debra Paget, and Jeffrey Hunter, "White Feather" is a giant frontier epic about the surrender of the Cheyenne Indians to the white men which took place in Wyoming in the 1870's. The story centers around Robert Wagner as a surveyor - frontiersman who, almost single handedly, convinces the Cheyennes to surrender to the white men.

"THE LAST TIME I SAW PARIS"

Set against the beauty and glamour of post-war Paris and the French Riviera, where much of the Territory of Montana in the early 1880's, when landstealers, hired killers and renegade Indians fought over colds of earth as though they were nuggets of gold, forms the setting for "Cattle Queen of Montana," which shows Sunday and Monday at the Tower Drive In Theatre. This movie is not the stereotyped action film in which pioneer white men and Indians are usually involved. There are more friendly Indians than bad ones and the character of the stranger who hire out as a gunman for reasons which are not revealed until the climax of the story, is portrayed by Ronald Reagan. Most surprising of all is Barbara Stanwyck's convincing portrayal of the flame-haired Sierra Nevada Jones, who refuses to let either tomahawks or bullets drive her from the land for which her father has sacrificed his life.

PRESENT PROGRAM

Members of Carnation Theta Phi chapter presented a program for the Bull Lake session of the JOOF Encampment held near Muleshoe last week. They included Patsy Ford, Bettie Buse, Margie Ford, Mrs. Charlotte Calvert, mother advisor, and Mrs. J. E. Cockrell.

Rebekahs representing the local Order who attended were Mr. and Mrs. H. Luck, Merlyn Kaul, Bill Nafzgar, Ben Conklin, Mrs. Anne Willier and Mrs. Orpha Nickerson.

Clye Swatzell arrived Sunday morning from New York where he was a student at Columbia University. He joined his wife and daughter here, where they have been visiting since June in the home of Mr. and Mrs. J. E. Springer. The Swatzzells will leave on Thursday morning for Jacksonville, Fla., where he will be employed in the Jacksonville school system as band director.

Mr. and Mrs. Paul Wallace of Saginaw, Kans., are now at home at 21 B Sunnyside, Lawrence, Kans., where he is employed in the music department of the University of Kansas. Mrs. Wallace is the former Miss Gwen Springer.

Mrs. A. G. Bell and her daughter Evelyn spent the weekend in Muleshoe visiting with their son and brother, James Bell and family, who have recently moved from Hereford. Mrs. Bell's grandson, Mark, returned to Hereford with them for a week's stay here with his grandmother.

Mr. and Mrs. O. R. Neel, Mrs. J. W. Vick and Harlin went to Dumas Sunday to visit with Mr. and Mrs. Owen Neel. Mrs. Neel returned to spend a few days in the home of her mother Mrs. J. W. Vick.

Beauty At Home

Q. Is there any way to exercise so as to correct bowed legs?

A. About the only thing adults can do is to reduce the fat on the outside of the leg and build it up on the inside of the leg. Though this doesn't correct the bone, it does give the appearance of much straighter legs. You can have someone literally "pull your leg" and alternately push in with the hands from the outside of the leg. If you can afford it, have a professional masseuse do this for you.

Q. What treatment can I give hands which perspire excessively?

A. You can try a lotion consisting of one part boric acid to 20 parts water. Dust the hands afterwards with some talcum powder.

Q. How can I treat hair that has splitting ends?

A. Once weekly, rub warmed hair oil over scalp with a cotton pad. Wrap a towel about the head and leave on overnight. Next morning, dip first in cold water for first soaping, then proceed with warm water. Use brilliantine after shampooing to make the hair shinier and more manageable. Go easy on permanents, and get cold waves.

Q. How can I bleach skin that seems to have taken on a dark and discolored appearance?

A. You can try adding some lemon juice to your regular cleansing cream. Keep this in a cool place to prevent its turning rancid.

Q. What is the best hair brushing procedure?

A. Brush top and back hair UP, brush sides OUT. In both cases, start at hairline and follow the hair strands to their very ends. Make sure the brush bristles touch the scalp, but be careful. Don't dig the bristles into the scalp—just make a firm contact.

Q. How can I add length to my face with my rouge? My face is small and round.

A. By placing the rouge spot as high as possible on each cheek, and blending it carefully outward from the rouge spot.

Q. What kind of makeup should the oily-skinned girl adopt?

A. If you can find a sheer foundation lotion tinted to flatter your skin, use that instead of powder. Then you won't have to worry about the powder caking in crevices or changing color when your face becomes oily. It should be applied after you have used chilled face tonic, and should be used sparingly. Avoid greasy cake foundations or creams.

Q. How can I exercise to help reduce the overly fleshy calves of my legs?

A. Sit on floor, weight of body supported by the hands on the floor behind the hips. Pull knees up to chest and then slide right leg down on floor with a thud. Repeat at least 30 to 50 times with each leg.

CARD OF THANKS

We wish to take this means of thanking everyone for their kindness and thoughtfulness following the death of our loved one. You have helped lighten our sorrow.

ADRIAN NEWS

By MRS. A. R. BRIGGS

Mr. R. L. Pinnell's sister and family, Mr. and Mrs. J. O. Johnson and daughter Janan of Dumas, visited last weekend in the Pinnell home. Linda Pinnell returned home with them for a short visit. Mr. and Mrs. Edgar Jacobson received word Saturday that their grandson, Stan, son of Mr. and Mrs. Verne Jacobson, is in the hospital in Oklahoma City with a light case of polio. It is a non-analytic case, however. Mr. and Mrs. Vern Jacobson are moving from Fayetteville, Ark., where he has been attending the University of Arkansas this year. They will live in Oklahoma City this fall.

Mr. and Mrs. Earl Croff are preparing for the remainder of the summer now with the new porch he has added to their house. Mr. and Mrs. Billie Briggs were guests of Mr. and Mrs. Wesley Story Thursday evening. Mr. and Mrs. D. P. (Pool) Doherty returned last Wednesday from a vacation trip through Colorado and Wyoming to Seattle, Wash., where they visited her son and family. Mr. and Mrs. Adrian Wilson and daughters. They returned through Long Beach, Calif., where they visited another son and wife, and returned by the southern route through Phoenix, Ariz. Visitors last weekend in the Rev. Darrel Gaut home were Mrs. Gaut's sister and family, Dr. and Mrs. Jack Rose and son Bruce of Memphis, and Mrs. Gaut's mother, Mrs. C. W. Guthridge of Amarillo. Bruce Rose remained with the Gauts for a week's stay.

Mr. and Mrs. W. C. Briggs and Mrs. Billy Briggs visited Sunday afternoon near Canyon with Mr. and Mrs. Jimmy Briggs. Mrs. N. M. Fortenberry was in the Amarillo Osteopathic Hospital Thursday to Sunday of last week. She received a physical check-up and treatment. Visiting Tuesday and Wednesday of last week with Mr. and Mrs. Shag McCowan were his parents, Mr. and Mrs. A. R. McCowan of Erik, Okla.

Mr. and Mrs. Bill Leslie and June and Peggy attended funeral services for Bill's uncle, Bert Leslie of Childress, last Wednesday in Childress. Peggy remained for a visit with her grandmother, Mrs. J. A. Leslie Sr. Mrs. J. R. Cullender and Carol celebrated their birthdays Sunday at Canyon. Mrs. Cullender took Carol and her brother Mike to Palo Duro Park and later they enjoyed a birthday cake and ice cream with members of Mrs. Cullender's family at her parents, Mr. and Mrs. E. A. Michal's home. Carol was five and Mrs. Cullender isn't telling how old she was. Happy birthday, mother and daughter.

Misses Lyla Mae Bronniman, Erma Faye Bronniman and June Erwin attended church services at Canyon Sunday morning with a group of students from Abilene Christian College where Lyla Mae attended school last year. Later the group went on a picnic at Palo

Duro Park. The students were members of the A.C.C. Panhandle Club. Visitors recently of Mrs. Lillie Reynolds were her daughter and family, Mr. and Mrs. W. O. Holmes and children of Big Lake. Visiting in the R. M. Gruhkey home last weekend with Mary Gruhkey was her roommate at West Texas State College at Canyon, at Skelton. Rebba Pinnell returned home on Sunday after a few days' visit in Clovis with Mr. and Mrs. Donald Pignell and Mr. and Mrs. Wayne Pinnell. Barbara and Wanda, her sisters, were also visiting but remained for a longer visit.

Letter To The Editor

Dear Sir: I have read a great deal about the coming county bond election. Also, there have been previous letters to you. These letters are good and sound—I would just like to add a few words as to why I am in favor of an airport for Deaf Smith County. First, we need a method of air transportation here in Deaf Smith County. I realize this is to be a secondary airport. However, it will be the stepping stone for a first-class airport. I am sure it will be used by many people of all walks in our community.

Two, perhaps a selfish reason. This is because the government is going to share in the cost. We had just as well get this money back here in Deaf Smith County rather than let some of these others have it. Three, we will need an airport here for this town to grow and expand like it is capable of doing. "A rolling stone will gather no moss." We here in our county who keep rolling for civic improvement will gather no moss. One more thing I would like to add, Mr. Editor. Standing still is the beginning of the end. Growth is life; standing still is death.

J. W. Robinson, Jr.

Hereford, Texas August 17, 1955

Dear Sir: We want to compliment you on your recent editorial concerning our proposed County-Wide Airport. As usual, your fine paper is supporting any project that is good for the growth and development of our area, and for one I just wanted to let you know that your progressive attitude is deeply appreciated. As I see it our new airport is just one more very necessary step forward, that is necessary to assure the growth and development of our area. Very truly yours, Paul Harvey

Norma Hamby, daughter of Mr. and Mrs. John Hamby, returned to Hereford Monday. She has been in Amarillo visiting her sister for the summer.

Pat Dawson Takes Top Honors In Annual County Dress Revue

Pat Dawson, member of the Happy Homes 4-H Club was named county winner at the Fifth Annual Dress Revue with a score of 113 on her dress outfit.

Using an attractively decorated wishing well as a theme, Mrs. T.J. Parsons and Polly Monroe served as commentators for the 4-H Dress Revue which was held in the auditorium of Saint Anthony's School August 11.

Ideas for the style show were introduced in dialogue as the models made their appearance on the stage. Four divisions were included and were classified as Division A, girls nine years old who had

never been in a dress revue; Division B, girls 11 years of age and under; Division C, girls under 14; and Division E, girls over 14 who had been in club work three years.

Points were given on the girl which emphasized posture, poise

and grooming, the costume on the girl and stressed suitability of design, color and texture, fit, effect of undergarments, choice of accessories, and finally the costume itself, which took into consideration material and trimmings, work-

manship and cleanliness and general appearance. The possible score added up to 100 points and a top score of 25 points on record books would make a perfect score of 125 points. Another feature of scoring was rather than three places usually given in most contests the girls were awarded ribbons according to the grade made on their garments. For instance any girl with a score between 110 and 125 was given a blue ribbon while scores of 94 to 109 were given red ribbons and those between 79 and 93 received white ribbons.

The girl making the highest score in each of the four divisions was given a purple ribbon.

Girls participating were as follows:

Division A — Champion, Carrol Pfifer, skirt, of Happy Homes Club. First place ratings, Jane Heard, Genie Logan, Kathryn Burrus, Linda Tooley, Suzanne Higgins, Gloria Bell, Marita Gill and Virginia Higgins. Second place ratings, Donna Lovel, Emily Pavlicek, Mildred Wester, Ninnetta Pounds, Carlisle Fortenberry, Phyllis Peters, Glenda Fuhrman, Nancy Boardman, Anna Mae Schroeder and Pat Bell.

Division B — Champion, Glenda Homfeld; Janelle Weaver, first place; Sharon Bezner, second place.

Division C — Merry Kay Fruit, champion; Glenna Gandy, Nancy Parson, Polly Murore, Nancy Green, Peggy Browning, Royce Lee Fruit and Margaret Burrus, first place ratings; Ann Rose Dziuk and Cecelia Burrus, second place ratings.

Division D — Pat Dawson, county winner; Ann Dyer, second, 112 points; Carlynn Williams, third, 111 points; Martha Logan, third, 11 points.

Linda and Janet Higgins of Daniel and Melanie Weidner of Caprock had also completed their garments, but were out of town at the time of the contests.

At the close of the program the awards committee and the 4-H leaders were recognized by Mrs. Pat Sullivan, assistant home demonstration agent.

Mrs. Sam Albracht, Emily Pavlicek, Carlynn Williams, and Ann Rose Dziuk played piano selections.

PAT DAWSON (left) of the Happy Homes 4-H Club, received the highest score in the 4-H Annual Dress Revue held on August 11 in the auditorium of St. Anthony's School. The award makes her eligible for district competition in Amarillo August 23. Other

girls competing in this division were Carlynn Williams, president of the Happy Homes Club; Ann Dyer, first place winner of the award last year from the Jolly Girls 4-H Club; and Martha Logan also of the Happy Homes group. (Staff Photo)

Our sincere thanks to everyone who made the Dress Revue so very successful. We really appreciate the fine help you gave and the kind words you had for the Dress Revue. We thought it was the best but do we say that every year. The state decorations were the prettiest we've had and Mrs. Loyal Sullivan is to be thanked for them. She had a committee to help, though. It looked like a real production.

Polly Monroe is doing a good job of making the best better. She did so well as one of the commentators. She was very conscious of making the people on the balcony hear and every word of the script was plain. This is not the case of many programs we attend.

Mrs. A. J. Bezner and Mrs. H. Boardman have a lot of work to do at home, but they were at the Dress Revue and brought the babies. This really is a whole family affair as the whole family has cooperated to get the dresses ready at a certain date. The fathers are a salute in helping with the work. A sk Roy Fruit, Hersh Burrus, Clint Homfeld and many other fathers who have girls and see if you think aren't doing a lot of boosting. We like to see the fathers at 4-H affairs.

Wednesday while the dresses were being judged in the Court Room we had a visitor most all day. She was Mrs. M. Snider from Farwell who was waiting for her daughter to do some work in the Courthouse. Mrs. Snider is a former home demonstration club member and knows how much training the 4-Hers in club work. She said she enjoyed the day and thought the dresses were pretty.

For a long time Mrs. Art L. and Mrs. T. J. Parsons have been two of our favorite ice cream vendors. Mrs. J. E. Dyer and Mrs. E. Hodges.

A lot of favorable comments were heard about the new method of canning vegetables. It saves time to them. After Thursday we have vegetables raw, fill jars with (Continued on Page 2)

What does CHRYSLER'S giant expansion program mean to you?

DEMAND FOR 1955 CHRYSLERS RESULTS IN HUGE EXPANSION! This new Chrysler plant, started last March, includes a continuous conveyor system 1 1/2 miles long, will add 40% to Chrysler's production facilities.

The greatest new-car buying opportunity of the year!

Thanks to the record-breaking demand for its 1955 cars—the "hottest" cars of the year—Chrysler has had to expand tremendously. Upon completion of this Giant Expansion Program, the new plant shown above can boost Chrysler Windsor V-8 and New Yorker production a full 40 per cent!

We know that huge automobile plants aren't built in a day. It's a job that takes several months. That's why we've tried to stock up on enough new 1955 Chrysler Windsor V-8's and New Yorkers to take care of our customers through the season. We've filled our entire year's supply now, at mid-year.

Pick from our big array of models and color combinations
 Right now, our showroom looks like a Chrysler catalog come-to-life! We can give you an almost unlimited choice of color combinations

and body styles—something we haven't been able to do since the big "run" on 1955 Chryslers began the day they were first introduced. But indications are that there just won't be enough to go around. So we urge you to come in now.

Trade-in value of your present car will never be higher than it is now
 That's right! Every day you wait, your present car is worth less and less. Now's the time to trade.

And we're the ones to trade with for top-dollar. Because we need used cars.

Why we're anxious to get your car
 Once our present stock of new Chryslers is moved out, we won't get any more. That's why—today—we're in a hurry to get our used car stocks filled out, so we can be all

set later on. Because there's nobody unhappier than an automobile dealer without automobiles to sell.

We're inviting you to take the 100-Million-Dollar Ride today

If you've been waiting for a real buy on your new 1955 Chrysler Windsor V-8 or New Yorker... wait no longer! When these cars are gone, that's it!

Stop in today. Take the wheel and take off on Chrysler's 100-Million-Dollar Ride—the ride all America is talking about.

Then get the figures on your trade-in allowance... the best you'll find in town... and choose from our great selection of models and color combinations.

We think you'll agree, this truly is the greatest new-car buying opportunity of the year!

USED CAR BUYERS!
 Our "Pennant Winners" include many late model Chryslers. Come in! Compare the values!

All 1955 Chryslers are V-8's... up to 800 hp.

East Teams Take Wins in Little League All-Star Battles

By Pitt Knox

Both East teams triumphed in the Little League All-Star games at Veteran's Park Saturday night, as Gabbart singled in the winning tally in the seventh for the East in the 9-11 bracket, and Don Morgan's East team pulled a story-book comeback to walk away with a 14-13 victory in the 12-15 bracket.

An estimated crowd of over one hundred people, largest crowd to fill Veteran's Park this year, turned out for the

games pitting the best versus the best in the two age brackets of the Jaycee sponsored Little League Softball.

In the younger bracket, the East trailed all the way before winning the game in the last of the seventh, 5-4; on a single run by Berry Gabbart. Earlier the West had taken a lead on a home run by Van Smith and a rally in the fourth. The East picked up one in the first and didn't dent home plate again until the fifth when they notched one. Then they tied it in the sixth and went ahead to win on Gabbart's clutch

hit in the seventh.

The West picked up their lone tally in the first on two walks and a double by Gabbart. In the fifth Roger McQuigg singled and came all the way around Hale's safe hit. Then in the sixth a home run with one on by Smithers tied the count. Gabbart's hit in the seventh came with one out.

The East had notched one in the second on Van Smith's home run, then three in the fourth. They came when Smith and McGee drew life on errors and Willoughby doubled

them in. Willoughby came around on Edward's single.

In the older age bracket Don Morgan's East team waited until the last innings to take the victory. A six-run outburst in the sixth left them only one run behind, and two in the bottom of the seventh gave them the triumph. They previously scored two in the second, one in the third, one in the fourth, and two in the fifth. The West scored one in the first, four in the second, two in the fourth, three in the fifth, three in the sixth.

Whiteface Gridmen Begin Workouts Monday

Eleven Returning Lettermen Staff Squad

'Phillips Is Best Again' --- Russell

As football season neared its beginning Coach L. B. Russell predicted that Hereford's chances of finishing higher than last year were very good. Eleven returning lettermen will staff the Whiteface squad.

Russell went as far as to say that the district as a whole would be stronger. At the Texas coaching school held in Austin previously, Dumas was picked to win District 1, but Russell holds strong on his belief that Phillips is still the team to beat.

Russell stated that A and B team boys are to report for practice Monday, August 22, at 7 o'clock at the field house. Freshman gridmen are to report at the beginning of school.

Plans are now being made for three teams, an A team, B team, and a freshman team. "If we can carry out this system successfully, it will help us considerably in years to come," predicted Russell. Previously only an A and B team were fielded.

Last year Hereford won four, lost five, and tied one. And this year they are embarking on a much rougher schedule, according

to Russell. Only one change was made, but "the teams as a whole will be stronger," said Russell. That one change was the adding of the Portales Rams, rugged New Mexico team. The Brownfield Cubs who handed the Herd a 33-13 loss last season, were dropped.

"Shamrock and Dalhart will both have better teams, and the district race could go any way," emphasized the Whiteface mentor. "Dumas has a very fine team. I think that they have the best chance of knocking off Phillips."

Again Hereford's main hopes rest on offensive strength. Bill Callaway and John Bryant are expected to put in service at the quarterback slot, and two all-district choices, Wayne Smith and G. C. Merritt, are returning. Dick Larsen, Tommie Weemes, and Jerry Malone may also put in service in the backfield.

Russell surmised that if Hereford didn't "make good" this year, they might not have another chance in a long time, since the Whitefaces will probably go into conference AAA in a short while. (Continued on Page 5)

After leading for the complete game, the Piggly Wiggly Pigs allowed the Cottonwood Club to catch up and go ahead, then pulled a dramatic last inning rally to walk away with a loose 16-15 victory.

The Pigs were never behind until the sixth inning. They started early and built up what looked like a safe lead. But the Cottonwood Club kept chiseling at the lead until the Pigs were faced with a 15-12 deficit in the last of the seventh inning.

It was Ray Lueb's clutch double in the bottom of the seventh which was a turning point in the Pigs' victory. It came with runners on second and third and Piggly Wiggly trailing by two runs. After that Lueb stole third and slid in with the winning run on Tim Corbett's ground ball.

Cottonwood Club actually out-hit the Pigs. They garnered 10 hits, while Piggly Wiggly had seven. Errors were a main factor in both teams making the game a high scoring affair. The Pigs made 10, and Cottonwood Club was guilty of committing eight miscues.

Pig pitcher Don Morgan had his opponents eating out of his hand until he began to tire in the latter innings. His change of pace, mixed with his speedy delivery, was the thing which turned the trick.

Two Amarillo pitchers tried unsuccessfully to harness the Pigs. Bob Geidel started off but gave away to Tony Catanazarite who finished the game. The Pigs got five runs off Geidel, the rest coming off Catanazarite.

Cottonwood first scratched in the third inning when they notched three unearned. Catanazarite led with a base on balls and Bud Ynosky struck out. Carl Shaif was safe on Lueb's error, Catanazarite taking second. Bill Insko singled and when the ball got through Pickens in centerfield all three runners raced home.

After that the scoring was con-

sistent. Two more crossed the plate in the fourth, six in the sixth, and four in the seventh.

The Pigs didn't have much trouble solving the deliveries of Geidel and Catanazarite. They notched five in the first on only one hit, a single by Ray Lueb; then one in the third on a pair of doubles by Tim Corbett and Bud Pickens. (Continued on Page 5)

Pigs Lose

Piggly Wiggly lost to Plains Chevrolet, 12-1, Tuesday night. Bobby Kaiser twirled a masterful three-hitter for the Amarillo bunch. Hereford's only run came late in the ball and was due to a brief wild spell by Kaiser. Don Morgan pitched the whole game for Piggly Wiggly but had little success.

Local Riders Will Meet Cactus Sunday
After taking a convincing 11-2 victory from Fritch Sunday Hereford's palmetto polo team will clash with Cactus Sunday afternoon at Cactus.

Hereford continues to have lost only two games this year. Both losses have gone to Dalhart, probable district winners. Second place is firmly lodged in the local riders' hands and Dimmitt is the present holder of third place.

Hereford will be definite favorites over Cactus, holding a previous lopsided victory, but Cactus is known as an upset team. Hereford must win this game to stay in second. A Cactus victory would give the Dimmitt Riders, that position.

Rutherford and Farmers Continue Fight For Fourth

Piggly Wiggly closes their season against a tough opponent on Thursday after already clinching the league pennant, while Jim Hill and the KC's continue their fight for second place Friday night.

Piggly Wiggly with a 21-2 season record faces Hotel Jim Hill in a first-game battle Thursday night and will be favored to walk away with a victory, while Rutherford is also favored over Coopers in the second game. Rutherford is presently fighting to gain fourth place which is now held by Summerfield.

Then Friday night Jim Hill and the KC's clash in a game which will see the Knights favored 16 to win. Summerfield and Popular also clash in the second game. Then again Summerfield meets Coopers next Monday. This schedule advantage gives Summerfield the nod to take fourth place.

After a good start Jim Hill is having its troubles. They have been having pitching difficulties, but a triumph over the KC's Friday would come as no big surprise.

Pig Sluggers Continue To Lead As End Nears

Raymond Lueb has apparently clinched the Hereford Softball League batting crown as he continues to stay over the .500 mark with a fine average of .559.

His nearest competitor is Bill Callaway who boasts an average of .483. Next come Danny Elliston who is presently hitting .460 and Raymond Dement who is hitting the ball at a .446 clip. After that John Winkler is hitting .426.

Kenny Brock slackened off a bit on his home run pace but still continues to pace two brackets. He leads in home runs with 11 and in runs scored with 46. He is second in runs batted in with 43. Lueb still leads in that division with 48. Ray Dement also has 41 runs batted in.

In the home run department Tim Corbett pasted four in the past two weeks to pass Bill Callaway (Continued on Page 7)

Riders Outclass Game Fritch Team For 11-2 Win Behind Davenport

Hereford's palmetto polo team remained vaguely in the district race by stopping Fritch Sunday afternoon at Fritch, 11-2. The game was much better than the score may indicate, as a game but outclassed Fritch team put up a good fight.

Fritch was playing with a big handicap in that their star player, West, was out with a broken arm. West played a big part in the last match Fritch played Hereford in.

T. D. Davenport led the Hereford forces with eight goals. Davenport pushed across two in the second, four in the third, and two in the fourth. Walton scored one in the first, and Wiley Roberson tallied two in the first. Fritch's only points came in the second and fourth on goals by Johnson and Bud.

Ed Johnson and Red Garrett did outstanding jobs on the defence for Hereford.

Summerfield virtually cinched a playoff berth by stopping Rutherford 7-6, while Cooper's elevated themselves from the cellar with a 6-1 triumph over the Popular Store Monday night.

Summerfield took their victory on a run in the seventh inning. It came on three consecutive base hits, the decisive blow being Roy Campbell's hit. A Rutherford victory would have put them in fourth.

Rutherford held a lead until the fifth inning, but the Farmers tied the count in that inning and won in the seventh. Rutherford scored early and Summerfield scored late. But Summerfield scored in greater quantities.

First run of the game was a single tally picked up by Rutherford in the top of the first. Bryant walked, took third on Elliston's single and scored on a grounder by Boyer.

Then again in the third they picked up four on six base hits. Atchley led with a triple and Maxwell doubled. Bryant unloaded a single and Elliston smashed another

double. Boyer and Burrus both got base hits before the side was retired.

The last Rutherford run came in the sixth when Burrus doubled and Callaway banged a single. Burrus was out, but Callaway came around on a fielder's choice and a grounder.

Summerfield scored one in the third on no base hits. The lead off hitter walked, and after taking third on a series of wild pitches scored on a long fly ball to left field.

But their big rally was in the fifth when they picked up five runs. Campbell, Dawson, Baize, and Clark all connected with hits, and two errors on John Bryant helped. Three base hits by Lookingbill, Dawson, and Campbell gave them the winning run in the bottom of the seventh.

Summerfield now leads by one and one-half games. They have practically cinched a playoff berth and Rutherford has only a mathematical chance of winning. Popular Store and Coopers both must (Continued on Page 5)

Does This Constitute Waste?

The above picture was made of a milo field with rows 9/10ths of a mile long and with no steps taken to keep irrigation water from emptying into county road bar-ditch.

This picture of water produced for irrigation uses was made after following the water for 2 1/2 miles from point where it left the land upon which it was pumped.

IMPORTANT NOTICE!

Waste of underground water as defined in Texas Law was amended in the 1955 session of the Legislature by adding the following sections:

"(e) WILLFULLY CAUSING, SUFFERING, OR PERMITTING UNDERGROUND WATER PRODUCED FOR IRRIGATION OR AGRICULTURAL PURPOSES TO ESCAPE INTO ANY RIVER, CREEK, OR OTHER NATURAL WATER COURSE, DEPRESSION, OR LAKE, RESERVOIR, DRAIN, OR INTO ANY SEWER, STREET, HIGHWAY, ROAD, ROAD DITCH, OR UPON THE LAND OF ANY OTHER PERSON THAN THE OWNER OF SUCH WELL, OR UPON PUBLIC LAND."

League for charges of upkeep and taking care of the field, which included the painting of the bleachers, it leaves only one answer.

Officials of the Hereford softball League have not taken proper care of Veteran's park. And according to officials of the VFW and American Legion, Veteran's Park will not be open for softball play next summer. Only baseball games will be played on the field.

You might recall that at one

time the weeds in left centerfield grew to almost six-foot proportions. They have been cut only recently. The bleachers have not been painted. The dugouts are in ramshackle condition. And the grass around the park is not in good shape.

Financial Industrial Fund To Pay Highest Dividend In History

Denver, Colo., August 17—The largest distribution in the twenty-year history of Financial Industrial Fund, Inc., will be paid to all of the "mutual" investment fund's shareowners on September 15, 1955.

Harold A. Close, 345 B. Avenue, Hereford, District Manager, announced today.

The capital gain distribution from security profits, of approximately \$1,763,506 represents a payment of seventeen cents per share. Simultaneous with the capital gain distribution will be the payment of the 79th consecutive quarterly dividend amounting to \$311,207, at the rate of three cents per share on the approximate 10,375,000 shares owned by FIF investors.

Consecutive quarterly dividends have been paid to shareowners without interruption since the first dividend was paid in March, 1936. This 79th consecutive quarterly dividend brings total quarterly dividends from ordinary income for the fiscal year ending August 31, 1955 to \$1,148,000, or twelve cents per share.

On August 9, 1955, the assets of Financial Industrial Fund, Inc., were \$40,102,614, representing an increase of \$16,910,611 over the same date a year ago. In the past two years assets of the Fund have increased \$25,017,346. Public purchases of Financial Industrial Fund Shares and monthly investment plans have been made at a rate of more than \$2,553,101 per month during 1955.

Financial Industrial Fund, Inc., with Home Offices located in Denver, Colo., is distributed in 26 states and the Territories of Hawaii and Alaska. Its more than 18,000 shareowners reside in all 48 states and in many foreign countries. FIF investors share in the ownership of 89 leading American corporations. — Paid Advertising.

IT'S PERFORMANCE THAT COUNTS!

CAPTAIN JOE S. ANDERSON tells why he uses Flite-Fuel

"I'm Captain of an American Airlines DC-7 Flagship. I know that Phillips 66 Aviation Gasoline is outstanding for performance because we use it regularly. In 'Avgas' it's performance that counts... and I judge automobile gasoline the same way.

"In my car I use Phillips 66 FLITE-FUEL. FLITE-FUEL is the only automobile gasoline with added Di-isopropyl, a high-powered aviation fuel component. It gives wonderful performance in my car."

Captain Joe S. Anderson, American Airlines

Count on Flite-Fuel for Super Performance!

If it's top performance you want, fill up with powerful new FLITE-FUEL. Both new FLITE-FUEL and new Phillips 66 Gasoline have been fortified for increased power, higher octane, longer mileage. Remember, the one real test of motor fuel is: how it performs in your car. Try a tankful at your Phillips 66 Dealer's.

The Human Trinity

Father, Mother, and Son. That is God's way to make a good world. He entrusts one of His children to us, hoping we may be ready... worthy. Opportunity has come to this family. God has called and the lad needs help. He sees the future opening up. Does he dare tell them what is in his mind? Will they encourage or will they discourage? We older must never become set and finished. The growing life needs the sunshine of our hope. If we cannot go with them in body, surely we can go ahead of them in thought. A very ordinary room, but God has spoken in unmistakable terms. Decisions are being made... maybe to go to church... maybe to accept Jesus. From just such places men have gone out to change the world. May this be another hour of decision!

**YOU IN THE CHURCH
THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Businessmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH GOER and a daily BIBLE READER.

Here's why we say New Chevrolet *Task-Force* Trucks are the most **Modern** trucks for any job today!

WORK-STYLED LIGHT- AND MEDIUM-DUTY MODELS have their own fresh, functional appearance.

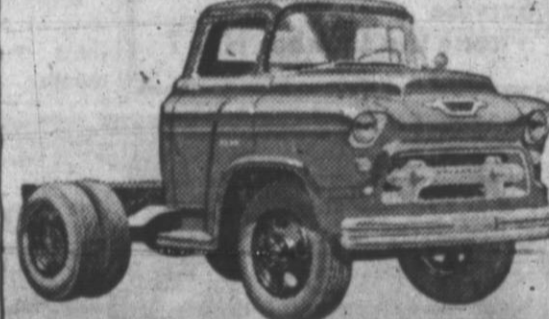

WORK-STYLED HEAVY-DUTY MODELS look every bit as husky, efficient and modern as they are.

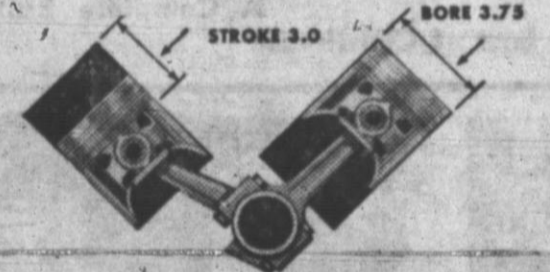

MOST MODERN V8's in the industry. Standard in Low Cab Forward models, an extra-cost option in all others except Forward Control models.

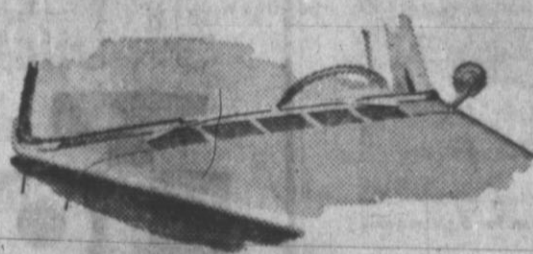

PANORAMIC WINDSHIELD sweeps around the corners to give you a wider, safer view of the road ahead.

REVOLUTIONARY NEW L.C.F. (Low Cab Forward) is much lower than former C.O.E. models yet it offers C.O.E. maneuverability.

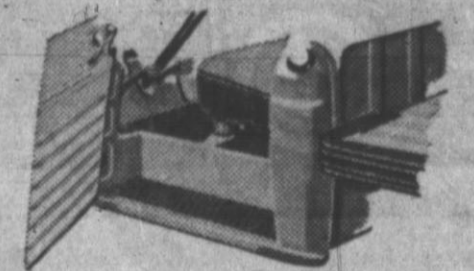

OVERSQUARE DESIGN means less piston travel... longer V8 engine life.

HIGH-LEVEL VENTILATION provides a more constant supply of outside air.

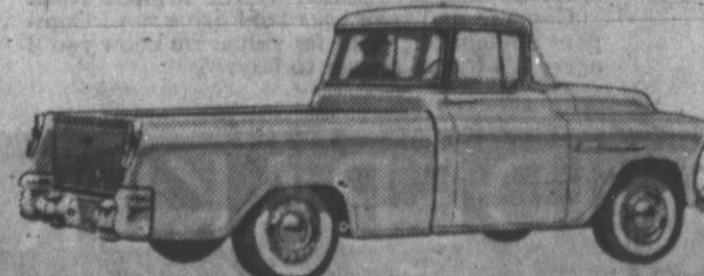

Plus... Five new high-compression valve-in-head sixes—the most advanced sixes in the industry! New, roomy Flite-Ride De Luxe cab—the truck driver's "dream cab!" Huge new Full View rear window (optional at extra cost).

NEW CONCEALED SAFETY STEP stays clear of snow, ice and mud for greater safety regardless of the weather.

NEW 12-VOLT SYSTEM delivers double the punch for quicker starting and finer performance.

NEW CAMEO CARRIER is the flagship of the Chevrolet truck fleet! It's the first truly beautiful truck ever built!

These are just a few of the reasons why new Chevrolet trucks are the most modern trucks for any job today. Come in and see why these great new trucks will save hours and dollars on the job! Come see why anything less is an old-fashioned truck!

Long Time Ago

45 Years Ago
At a meeting of the trustees Tuesday a complete list of teachers for the public school was made out. The hour for the opening and closing after considerable discussion was fixed as follows: Morning session begins at 9:20 and closes at 12. The afternoon session begins at 1 and closes at 4:20, except for the first grade. The school year will begin Sept. 12.

On Tuesday morning about 3 o'clock, when Mrs. Geo. W. Irwin was awakened and thought she heard the faint cry of a child from the outside, she at once awoke her husband. Mr. Irwin immediately made his way to the front of the house, and when he opened the door, what a pathetic sight met his eyes. On the porch in a teeling over the helpless child, a scope lay a tiny infant making its little appeal for help. Mr. Irwin hastened to arouse his near neighbors, and soon all were bending over the helpless child.

New hunting and fishing licenses are now available at Streu Hardware and Kerr-Anthony Hardware stores in Hereford, according to were as good as ever grew in Sam Turner, district game warden, who was here Friday. All licenses now in effect will expire August 31, said Mr. Turner, and these may be renewed at the stores mentioned.

With right-of-way secured to Dimmitt, laying of the three-inch gas line from a tap near Wilson Dairy will begin within a few days, according to the South Plains Pipe Line Company. The service system in Dimmitt is about finished by the West Texas Gas Company, and Castro County citizens should be hooked up with natural gas fuel before cold weather arrives.
