Vacation Bible Schools Planned

With the last school bells still ringing in their ears, Hereford students this week were welcoming a different type of class work—Vacation Bible School.

Most churches in the city have announced plans for such schools, and some have already started classes.

One of the first Vacation Bible Schools to get underway in the city began last Saturday at the Wesley Methodist Church. Forty-eight enrolled in classes. The school ends Friday and a picnic is planned that afternoon for the younger set and their parents.

First Baptist

The First Baptist Church school will begin with prep day, May 28, at 9 a.m. The school will continue until June 10 from 8:30 until 11:30 each morning except Saturday. Age groups included are nursery through intermediate 2.

Nazarene

The Church of the Nazarene Vacation Bible School will begin Tuesday, May 31 and will include children from four to 15 years of age. Classes will be held from 8:30 until 11 a.m. daily and a picnic will be held Friday June 10 to conclude the program.

Methodist

The First Methodist Church Vacation Bible School has been scheduled to begin Tuesday, May 31 and will be conducted continuously through June 8. Sessions will be held each morning from nine to 11 at the church for children between the ages of 4 to 12. Theme of study for the school this year will be "Boyhood and Ministry of Jesus."

First Christian

Vacation Bible School at the First Christian Church has postponed until June 6-11. Teachers have been chosen for all departments and are already at work on plans for the school.

Around Town

Wheels were grinding this week at the A&P Packaging plant west of Hereford as the first load of carrots were being processed at the plant. The carrots, grown in California and shipped here for packaging, put an undisclosed number of persons to work at the remodeled plant.

All notary publics must have their bonds in between June 1-10, according to Ralph Smith, county clerk, who said appointees still must file bonds to qualify.

Another phase of the combined Rodeo and Pioneer Day this weekend will be the Jaycee dance, scheduled Friday and Saturday nights at Hotel Jim Hill ballroom. Billy Faust and the Circle Arrow Boys, radio and TV performers, will be featured both nights, according to Jaycee announcements.

Also in connection with the big weekend comes announcement that the Deaf Smith County library will be closed May 27-28-29 to observe Pioneer Days, and Memorial Day Monday. The library also announced new hours for the summer months as follows: Monday through Friday, 9 a.m. to 5 p.m.; Saturday, 9 to 12 o'clock.

Golfers were also in for a big weekend with the Hereford tournament opening Sunday and continuing through Monday.

The Hereford Road Knights are presenting their annual Motorama to be held Saturday evening through Sunday evening at the Hereford Motor Company. There will be a Motorama Queen chosen from the clubs represented.

Mrs. W. N. Reiger was winner of the 21-inch TV set awarded by Buy-Rite Furniture in connection with their formal opening. (Continued on Page 2)

POPPY DAY -- Mrs. Cecil Parker, child welfare chairman, left, Mrs. Ira Ott, poppy chairman, and Mrs. G. H. Logan, unit president, busily prepare poppies to be distributed here Saturday -- Poppy Day. Legion Auxiliary Members will offer the disabled-veteran-made crepe paper poppies all day Saturday. (Staff Photo)

Poppy Day In Hereford Is Set Saturday By Auxiliary

Saturday will be Poppy Day in Hereford and throughout the nation. And in Hereford, members of the American Legion Auxiliary will be down town to distribute the crepe paper poppies made by disabled war veterans in the Veterans' Hospital at Legion.

Plans for the observance here have been completed under the direction of Mrs. Ira Ott, poppy chairman. She said members of the Wahamptur Camp Fire Girls will assist in distributing of the poppies. All money from the sale of the poppies is used in child welfare work and rehabilitation work by the Auxiliary, Mrs. Ott said.

Headquarters will be at Rogers Drug Store and a display is planned at Tom's Floral Shop. Mrs. Ott estimated that in the last year at least \$300 has been spent on the program to assist the needy to buy food, clothing and medical care.

Camp Fire girls who will help are Genny McCatherin, Rose Strange, Judy Coffin, Jean Terry and Bonnie Craig.

In announcing the poppy sale, Mrs. Ott reminded Hereford citizens that the poppies are made in replica of wild poppies of France and Flanders which bloomed "between the crosses, row on row" in World War I battle cemeteries. She said Auxiliary volunteers would offer them on the streets Saturday from early morning until late afternoon, and at the same time will receive contributions for American Legion and Auxiliary work.

The custom of wearing poppies in honor of the war dead began at the close of World War I, when the picture of the little wild poppies growing in the bare earth around the battle graves was fresh in the minds of the returning veterans, Mrs. Ott said. At its first national convention in 1921, the American Legion Auxiliary adopted the poppy as its memorial flower and ever since has conducted an annual distribution of poppies. This year more than 25,000,000 of the little red flowers have been made by disabled veterans for the Auxiliary to pin over America's remembering hearts on Saturday.

Schools Consider Summer Classes

There has been some demand for a summer school in Hereford. If the demand is great enough, a school will be organized which will begin June 6 and continue nine weeks through August 5. This school will be organized on tuition basis and will begin at 8:00 a.m. and last until 12:00 p.m., five days a week. It will be taught by qualified reading teachers, and only children having difficulties and who are in grade two through seven will be admitted. Emphasis will be placed on English, reading and spelling.

Anyone interested, see Delia Stagner before June 3, at the High School office, phone 1387.

Hereford Stores Will Be Closed On Memorial Day

An unofficial check Wednesday indicated that most Hereford firms will remain closed Monday, May 30, in observance of Memorial Day.

The date appears on the C-C cards as an official holiday for 1955 and, except for service stations, restaurants, will generally be observed in all lines of business. Food stores and drug stores planned to observe the occasion on a large scale.

Memorial Day services will be held at 11 o'clock at the Veterans' Memorial Park, being sponsored by the VFW and Auxiliary and the American Legion and Auxiliary. The public was invited to attend.

County To Share City Tax Survey

Deaf Smith County Commissioners Court agreed to share the cost and benefits of the city tax survey at their regular meeting Monday and debated for several hours on what percentage to figure the tax.

No definite action was taken, but commissioners apparently were ready to agree on 25 percent as the amount to compute county tax on. If the 25 percent figure is finally decided on, some valuations in the city will be lowered and others increased, in an equalization move.

In other action, the Court appointed a new five-man jury of review to decide on whether or not to open a road three miles in length beginning in the southwest corner of section 46. A petition to open the road was presented to the Court several weeks ago by H. C. Williams and a jury of review appointed then. That jury never has been dismissed and the new one appointed. Members are C. R. Smith, J. E. Springer, P. H. Gilliland, George K. Muse and Frank Reizer.

Friday Parade To Open 2-Day Rodeo

Hereford Riders' Club's Fourth Annual RCA rodeo will be kicked off Friday afternoon at 2:30 with a western parade in downtown Hereford. The rodeo itself will be held Friday and Saturday nights.

Sharing the limelight with the rodeo will be the all-day long meeting of the Mid-Plains Pioneer Association. A box lunch on the courthouse lawn will be held by pioneers Friday at noon, and an all day session of oldtimers will be held in the ballroom of the Jim Hill Hotel. The Deaf Smith County Chamber of Commerce will serve refreshments to pioneers during the entire day, and registration will be under the direction of the Business and Professional Women's Club.

The parade will feature 15 riding clubs and sheriff's posses, including the Cockeran County Sheriff's Posse, Lorenzo Riding Club, Hale County Sheriff's Posse, Earth Riding Club, Woodrow Boot and Saddle Club, Lamb County Sheriff's Posse, Pampa Riding Club, Curry County Mounted Patrol, Fritch Saddle Club, Crosby County Sheriff's Posse, Will Rogers Range Riders, Hockley County Sheriff's Posse, XII Rangers of Dalhart, Abernathy Riding Club, Terry County Riders Club, and Dimmitt Sheriff's Posse. The Hereford and Vega high school bands are also to participate.

A barbecue at the Hereford Riders' Club clubhouse at the rodeo grounds will be held at noon for the visiting riding clubs, followed by the parade. Inman and Hardaway of Lamar, Colo., and Canyon will produce this year's show. This will be the producer's first rodeo in Texas, although they are well known in Kansas, Colorado and Nebraska. Fifty bucking horses will be featured.

Some of the top cowboys in the nation are expected to be trying for honors and cash awards. Some of them are Buck Masters of Kit Carson, Colo., Pete Tucker of Kan-

sas and Gerald Roberts, nationally known bull rider. One of the top rodeo cowboys in the business will also be on hand. He is Bud (Continued on Page 2)

Pioneer Activities To Stress Visiting

Friday, May 27, is Pioneer Day.

The occasion this year will, for the first time in two decades, be stripped of fanfare and commercial enterprise, centering around a full day of "talking over old times" a basket-lunch at noon and several special stunts under direction of the Pioneer Association.

Registration for the pioneers will begin at 9 o'clock at the Jim Hill Hotel under direction of the B. and P. W. Club with Mrs. C. Ora Cockerell as chairman, also assisting will be W. G. Harris, president of the Mid-Plains Association, Edgar Ireland, Vern Witherspoon, and Mrs. Reed Williams, steering committee members.

Following registration, a business meeting will be called for election of officers, followed by a brief program in the hotel ballroom, which will serve as headquarters for the old timers all day Friday. Coffee will be served by the Chamber of Commerce during the morning session and Mrs. D. H. Alexander will serve as committee hostess.

Plan Basket Lunch

At noon is the basket lunch on the courthouse lawn with pioneer families bringing basket lunches for themselves and friends expected from out of town. Chamber of Commerce is furnishing the drinks

to go with this. Mrs. Alice Cox and committee are hostesses for the noon gathering.

The prizes which have been chosen by a committee from the Mid-Plains Association will be presented around noon or following the basket lunch. Judges have been appointed to choose the most "Typical Pioneer" man and woman registered, as well as the most "Appropriately Dressed" for the day and also the man and woman registered as "Pioneers Who Came the Farthest" to attend the affair. Mrs. Jack Robertson and Mrs. J. B. Harlin will be hostesses for the serving of the afternoon refreshments given by the Chamber of Commerce while the old timers have a general visit session. Just plain visiting of the old timers is being stressed this year with lots of time for talking and renewing friendships of the past.

KPAN Radio Station will make tape recordings of interviews of various early day settlers of the county and surrounding counties who attend the affair.

Old time pictures are being stressed at window decorations for the day by the committee in charge working with the merchants.

Local Writer Denies He's Good; But Others Disagree

By BILL KNOX

"I'm not a good writer, it's just a hobby with me," modestly states Joe Hefflin Smith about his feats as writer for many well known magazines.

Smith, prominent Hereford sportsman, has landed articles in such well-known magazines as Coronet, Field and Stream, and The Cattleman. His most recent article in Field and Stream, "Driftin' for Cat," is his 34th article for that magazine, and about 50 of his writings have been published in The Cattleman.

He writes mainly about historical events, but also writes about many sporting events, mostly fishing and hunting. Smith, who has been writing for about 10 years, first became interested in the history of the southwest when he worked for an oil company. However, he states that he doesn't plan to make a career out of writing.

A former player in the St. Louis Cardinal organization, he is a rabid baseball fan and nourishes an

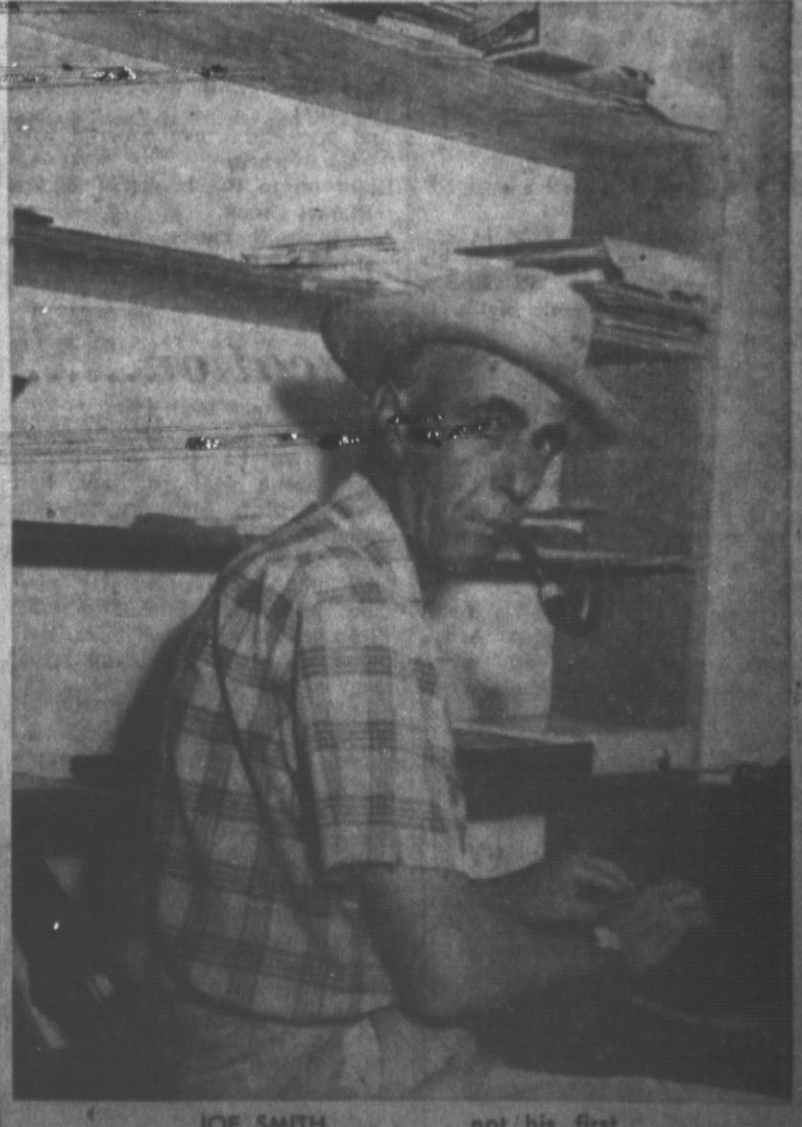

unquenchable love for the game. When asked if he still kept up with baseball, a wry grin covered his face. "Oh, yes, I love the game," he said.

He is now engaged in writing a western novel, but other than that, none of his work has been fiction. After one of his articles is published he generally receives from 20 to 30 letters, both of criticism and of praise. He keeps a running correspondence with a literary friend in Queensland, Australia and gets invitations to go hunting and fishing from all over the world.

"Writing for popular magazines is the most competitive field there is," he said. "But I would encourage anybody interested in that field." Besides writing, he finds time to read most popular books and is an ardent admirer of Jack London and Zane Grey.

"I don't take writing as a serious occupation, but I do enjoy it as a hobby very much," Smith related.

And it's not an expensive hobby either.

JOE SMITH . . . not his first

Hereford, Hereford, Texas...  
Pride of the Golden Spread.

There were several more. Many of them pretty clever. Judging was a hard job. I am sure. I promised the judges I wouldn't put them on the spot. Other entries will appear in the following issues.

Notice where Furr Ford is having parties.

ing their big opening this week-end, complete with a Merry-Go-Round and Free Rides for the kiddies. This may be an old wrinkle, but it sure is a new one on me. It's just another deal that proves I was born 30 years too soon. This new store is going to be quite a layout, incidentally.

Another new wrinkle (which

probably won't go far) is the "Texas Millionaires Oil Company." It was thought up by Vance Trimble of Houston, who purchased an interest in the Mark No. 1, a producing well in Anderson County. He proposes to break his interest in 100,000 parts, selling them each for \$1. Proceeds from production of oil and gas will go to charity, according to his plan, and the purchasers will be able to say that they own a "bona fide interest" in a real, sure enough oil well.

However, it looks very much like Mr. Trimble will wind up with the \$100,000 from stock sales. This all depends on how much of the stock sells—which we predict will be very very slow. We Texans like to brag, but not about being suckers.

Ens. Ray Terry, son of Mr. and Mrs. J. W. Terry of Hereford, is arriving at the Amarillo air field Saturday morning, where he will immediately be brought to Hereford to attend a reunion of the Hereford High School graduating class of 1948. Ray, who is in the Navy Air Force, is stationed at San Diego, Calif. He will leave Hereford Sunday to report back for duty.

Mrs. John Hutchinson, also of Dawn, plans to be in Canyon this summer with her husband.

Jack McCracken, son of Mr. and Mrs. J. C. McCracken, arrived home from Texas Tech Wednesday, May 25. His plans are not yet definite.

radio time and Pioneer Day. No one seems to be very interested. Usually, the year everyone seems to be along, killing time. But when you get the fever a little bit, it's not very much. He's planning on displaying several hundred pictures in his office. He has an excellent idea in that he wants to find out the names of the lakes in this territory.

The lakes all had names at one time, says Burl. "and that was you gave directions in the days." Anyway, he says he's going to compile a history on lakes, chiefly because they played such an important part in the development of the community. He also says that he has almost absolute proof that Colorado followed along the banks of the Blanca Creek when he used this country back in the 19th century. Burl got this "inside" information from some historians. He says that he has located spruce and spruce that the Colorado caravan dropped and lost. The only thing I have to add is that I should like to be happy over the fact that Burl is not a fishing enthusiast. Boy, he would sure give some real fish stories spread around town.

Quite a few people are getting excited over the possibilities of a TV set. It is supposed to be something absolutely new. In addition to a TV set, you would also get a gadget (about \$40) to attach to the set to "unscramble" programs. The gadget would pick up the signal from the air and only after the signal is received would it be sent to the screen. Some of the people who are getting excited are \$2 for an "unscrambler" for a big league baseball game. Some are \$1 to \$2 for a gadget depending on stars and production value.

Frankly, I don't think anything is going to happen. However, I believe the all-powerful FCC will have a lot of support in certain sections. As for being new, I can't see anything new about it at all. It has all of the earmarks of being a glorified, non-wide juke box. Besides, they wouldn't be doing anything the telephone company hasn't already been doing for a long time. Most of this fuss is the result of little boys who go around singing, "What you have? Patat Blue, Patat Blue" at the Sunday School

Honest, this really did happen at a church function in Hereford a few months ago. I won't mention any names, but a certain well-known old boy sure did have a beet-red face.

I still say that nothing will come of the proposal, however. The American people just won't pay \$200 for a T-V set, \$40 for a meter to measure themselves—and \$1 to \$2 a throw for a movie. It's just like taking spaghetti away from the Italians. I remember Hitler's closest political advisor; it was when he tried to give the German people ersatz beet. There are some things you can do; others you can't. This is one in which they would be pushing the American people too far. It would be the straw that broke the camel's back. It won't work.

Here are the winners in the Davy Crockett contest: Mrs. Jim Combs, \$15 Blevins, first place and a check for \$5; Mary E. Williamson, second place and a check for \$3.50; Steve McWhorter, 126 Ave. C, third place and a check for \$1.50. We also have quite a few honorable mentions, which will be printed in the paper and the authors will receive free tickets to see "Davy Crockett" when it shows at the Star Theatre, probably in June.

Mrs. Combs, the winner, prefaced her entry with "Just a minute while I gets out my trusty pen—and dashes off what I thinks of Old Davy". . . and here's her verse: "Whel ol' Davy was a 'roaming the West. He overlooked the spot that is best. Never set foot in this county, So ol' Deaf Smith got all the glory." Chorus: Davy Crockett . . . was shore de-throned out here!

Second place winner from Mrs. Williamson follows: "In nineteen hundred and fifty-five Davy's dead, but his spirit's alive; The mighty water 'neath Hereford's ground Will help grow a Texan to wear Davy's Crown."

Steve McWhorter wrote a whole song for his third place spot, as follows:

1. "Born in best town that could be And no toothache to plague my friends and me; Found on the Plains so wide and free, A place you can't believe 'til you come and see."

Chorus Hereford, Hereford, Texas. . . Pride of the Golden Spread.

2. Our Farms are biggest, our crops are the best; The children are healthiest by any fair test; With riches like these, we're all well blessed And happy as can be as you've probably guessed.

Chorus Hereford, Hereford, Texas. . . Pride of the Golden Spread.

3. Ol' ol' Deaf Smith we're the county seat And our Plains are covered with golden wheat Right up to the banks of Tierra Blanca Creek. A spot well known for making strong of the weak.

Classes from 9 a.m. until 11:30. A nursery will be open for children up to three years of age, and classes will be held for all age groups. There will be daily handwork, singing, Bible stories, and Bible pictures. Closing day program, which will be held Friday afternoon June 17 at 8 p.m., will include a display of handwork done by the children and a review of the knowledge that the children gained from their classes. Awards and attendance certificates will be presented.

Church of Christ The Church of Christ Bible School begins August 15 and will continue until August 19. Plans are still being completed.

Several other churches are tentatively planning Vacation Bible Schools, but have not yet announced plans.  
Summerfield Registration and preparation for Summerfield Bible School will begin Friday, May 27, at 8:00 a.m. School will begin Monday morning, May 30, at 8:00 a.m., and will run through June 8.

**Second Round**  
Don Vaughn beat Rev. Van Zandt 4 and 3.  
This week's pairings:  
John McCleskey vs. E. S. Vaughn  
Bruce Woodell vs. B. M. Nelson  
Ben Hill vs. Joe Benson

**Second Flight**  
Swain Burkett whipped Curtis Tate 9 and 7.  
Jimmy Butler defeated Gene Runnige 2 and 1.  
Roy Bearden walloped Jack Malone 8 and 7.  
Whimpey Walker defeated P. M. Nelson 2 and 1.

**Consolation**  
Curtis Tate vs. Gene Rutledge  
Jack Malone vs. P. M. Nelson  
P. M. Nelson, editor of the Castro County News, scored a hole-in-one on the 133-yard number 4 hole Saturday, May 21 with a number six iron while playing a match against E. S. Vaughn, Rev. Van Zandt, and Don Vaughn. It was Nelson's first hole-in-one and the second made at the local course in 1935. Earl Stagner made the last one in March on hole 6. P. M. made the unusual shot but later lost his match with Vaughn on the second hole 18 holes later. Congratulations, editor, we hope you make another one soon.

## Pool Guards At Midland Meeting

Jiggs Hudson, J. E. Wills, and Buddy Godfrey, manager and lifeguards of the Hereford Swimming Pool, attended the State Beach and Pool Association meeting at Midland Friday.

Over 150 managers, health officers, and engineers from all over the state were present, but the lifeguards from Hereford were the only lifeguards present. They heard lectures on mainly pool sanitation. The association motto this year is "We swim in drinking water."

Mr. and Mrs. E. Ramey and grandchildren, Ann and Kay Caraway, and a niece, Mrs. Art Fancher of Yuma, Ariz., visited Mrs. Ethel Pitt of Amarillo Saturday. Mrs. Pitt joined the group and they went on to Quanah where they visited a son, Mr. and Mrs. S. A. Swim. On their return, they visited Sam Swim in Memphis.

Visiting in the home of W. H. Garrett and other relatives, is Mrs. Bill Cox of Durant, Okla. She is the sister of Mr. Garrett.

Mrs. Art Fancher, who recently visited in the home of Mr. and Mrs. E. Ramey, returned to her home in Yuma, Ariz., on Monday.

C. C. Corder, principal of Dawn Grade School, and his wife, are planning a trip to California, by way of the dome top, San Francisco Chief.

Q. What is a good treatment for flabby chin muscles?

A. Regular gentle patting of these muscles helps. A good daily exercise consists of throwing the head back as far as you can, then opening and closing the mouth several times.

Q. How can I mix a good mouth astringent at home?

A. One of the best is the unsweetened juice of a fresh lemon in a quarter-glass of water.

## MEMO TO ADVERTISERS

# WHO

## is this man?

He's your man. He is one of the large staff of experienced A.B.C.\* circulation auditors who are working constantly to provide you and other advertisers with the FACTS you need to protect your advertising dollars. He visits our office at regular intervals to make exacting audits of our circulation records. He has access to all of our books and records in obtaining the FACTS about our circulation—for your information. The circulation facts obtained by the A.B.C. auditor—your man—are condensed in easy-to-read A.B.C. reports which tell you: How much circulation we have; where the circulation goes, how it was obtained and many other FACTS about the audience this newspaper provides for your messages about your merchandise and service. Ask for a copy of our A.B.C. report. See for yourself why your advertising in this newspaper is a sound business investment, made on the basis of FACTS.

\*The Audit Bureau of Circulations, of which this newspaper is a member, is a cooperative, nonprofit association of 3450 advertisers, advertising agencies and publishers. Organized in 1914, A.B.C. established a definition for paid circulation; rules and standards for measuring circulations and methods for auditing and reporting circulation FACTS.

## Summerfield News

By Ann Lookingbill

Carl Lee came home Saturday morning from the hospital and is doing fine.

Several from this community attended the eighth grade commencement Thursday night in the Junior High School auditorium. Those graduating from Summerfield were Juanita Sims, Carolyn Lee, Raline Rule, Wanda Couch, Bette and Linda Noland, Troy Rhodes, Jimmy Jacks, Dale Carter, and Kenneth Clearman.

Rainbow girls are waiting work to make money to go on the Grand Assembly trip to El Paso this summer.

Mr. and Mrs. Bradley Lookingbill and family, of Plainview, came Friday night to attend the High School graduation of his sister, Ann.

Mr. and Mrs. Kenneth Christie were in Lubbock to visit his relatives and in Plainview to visit hers Wednesday.

Farmers are really getting busy after being kept out of their fields last week due to the good rains which we received.

Mr. and Mrs. L. F. Carter, Dale and Wesley spent the weekend visiting with his sister, Mr. and Mrs. Pendergrass and his father, O. L. Carter, both of Lubbock.

Roy Botkins, Dellbert Balmou and Kenneth Christie left Friday for Conchos to go some fishing, and returned Sunday afternoon.

Capt. Ferrel Miles and wife were visiting in the Jack Streun home Wednesday of last week. He has been stationed in Tokyo, Japan, and is being transferred to Mississippi.

The eighth grade graduating class was honored Thursday night after graduation with a party at the club house sponsored by some mothers. After the party, some of the girls gathered at the home of Eugenia Alexander where they had a slumber party. Those present were Janie Bookout, Carol Ann Newell, Kay Sims, Lawanna Lookingbill, Judy Patterson, Linda Russell, Sue Renfro, Bette Noland, Dollie Joe Prowell, and Eugenia Alexander.

Dale Christie and Calvin Wartes of New Deal were visiting in the Kenneth Christie and L. B. Lookingbill homes last Thursday afternoon.

Mrs. Mack Noland took Billy Mack and Joe Don to Clevis Satur-

## PAN AMERICAN ROAD RACE FILM TO BE SHOWN HERE

The first public showing locally of the 1 1/2 hour color sound movie of the 1954 Pan-American Road race is scheduled for the New High School Auditorium Tuesday, June 14th at 8 P.M.

The movie, covering the entire 5-day race, was made by K & W Products, Inc., automotive chemical manufacturer. K & W sent a 9-man crew to Mexico to cover the race from start to finish. Included in the film are starts, finishes, dangerous intermediate points, aerial views and a number of thrilling spins, skids and accidents. Cameras mounted in several of the race cars afford the audience the opportunity of 'riding' in a race car at speeds up to 150 miles per hour.

The 1954 race was run over a distance of 1,908 miles, starting at Tuxtla Gutierrez, near the Guatemala border, and finishing at Ciudad Juarez, across the Rio Grande River from El Paso, Texas. In its fifth running, the race has truly become an international classic, with 154 entries representing 14 countries.

Admission will be free, but due to the limited seated capacity, it will be necessary to have an invitation. These are obtainable from one of the local automobile dealers, garages and service stations who are making this local showing possible. A list of the co-sponsoring dealers will be published June 9th and 12th.

## Home Demonstration Women Make Study Of Yeast Rolls

"Yeast Rolls" has been the subject for demonstrations given by Argen Draper, county home demonstration agent, during the month of May to club women in the county. A speedy roll recipe has been the basis for the demonstrations. Clubs reporting recent meetings are as follows:

**North Hereford**  
"Bread doughs do not make good rolls and visa versa," Argen Draper CHDA, told members of the North Hereford H. D. Club, which met in the home of Mrs. Paul Hoff on May 19.

Mrs. Draper showed the women how to make a number of different shapes of rolls from the basic dough which had been made up in advance by Mrs. Paul Hagar, co-hostess for the meeting. She also pointed out that if the rolls were cooked properly they could be stored successfully in the freezer.

Roberta Campbell, president, presided at the business meeting following the program. Mrs. A. E. Hodges, county chairman, was elected as the club's nominee to the State Meeting in Fort Worth in August.

A special "penny ante" was taken as a gift to Mrs. Ludwig Kovacs to use for postage on packages to relatives in Yugoslavia.

Mrs. K. Samuel Lawson, who was here from Indiana visiting with her sister, Mrs. Hoff, was a special guest.

Members attending were: Mesdames Otto Olson, A. A. Hare, Mary Bodkin, O. L. Williams, O. C. Williams, W. H. Russell, E. E. Bishop, A. E. Hodges, Paul Hagar, Mrs. Draper, Roberta Campbell and the hostess.

Mrs. Pat Sullivan told members of the Messenger H. D. Club, which met in the home of Mrs.

J. E. Rouse May 13, that a good bread maker prefers to cut her rolls. This gives a uniform appearance and saves time in preparation.

Mrs. J. T. Guinn, due to illness, resigned as president and Mrs. W. D. Howard was elected to serve as vice president to fill the vacancy when Mrs. Elmer Northcutt took over the presidency.

Mrs. R. J. Coleman gave the council report and a short talk on what to do in case of a tornado.

Receiving gifts from secret pals were Mrs. Elmer Northcutt and Mrs. J. E. Rouse.

Mrs. Pat Sullivan won the recreation prize and Mrs. Elmer Northcutt won the floating prize.

Members present were: Mesdames S. N. Tweatt, N. A. Brown, R. J. Coleman, Johnny Northcutt, Ernest Brown, Floyd Brown, Elmer Northcutt, W. D. Howard, Bruce Coleman, Mrs. Sullivan and the hostess.

The next meeting will be at the home of Mrs. S. N. Tweatt May 27 for a program on "Strengthening Family Ties."

**Progressive**  
"Make God first and the head of each home," was the theme used by Mrs. G. W. Solomon in her discussion on "Strengthening Family Ties Through Religion in the Home." Mrs. Solomon, who was guest speaker for the Progressive H. D. Club when they met with Mrs. P. L. Carmichael May 17, told the group, "There must be love in the home if it is to be a happy one." She stressed the importance of teaching children obedience to God. She expressed the idea that parents are responsible for juvenile delinquents by the kind of home life they create for them. Due to the rush of

## Honors Won By Three County 4-H Workers

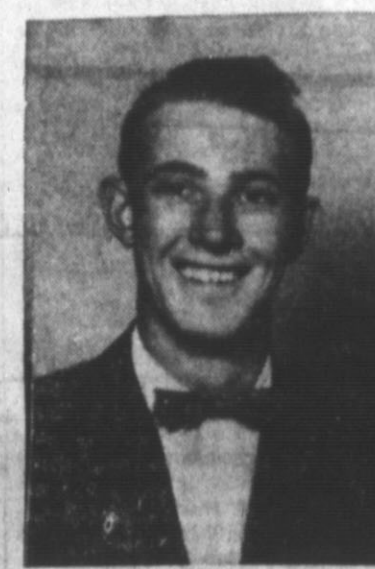

Honors came three-fold to Deaf Smith County last week with the announcement that Ann Dyer and Larry Kaul, 4-H Club members, had been added to the Talent Club for mDistrict 3, and Argen H. Draper, county home demonstration agent, had been selected to accompany the group on a tour beginning June 12.

The Talent Club is sponsored by the Producers Grain Corporation of Amarillo in cooperation with the Texas Agricultural Extension Service. Membership is limited to outstanding 4-H boys and girls and 16 out of 57 nominations have been selected for 1955.

Purpose of the club is to recognize constructive work by 4-H members and to interest them in cooperative activities. The sponsor will, during the week of June 12 take this year's members on a tour of the small grain producing states in the Midwest. They will travel as far north as Omaha, Neb., and will return via Kansas City, Mo., and Enid, Okla. Those making the tour will visit successful farm cooperatives and points of interest along the route. They will travel by chartered bus. Marvin Simms of Castro County.

## Family Life Specialist To Speak In Hereford May 30

By ROBERTA CAMPBELL  
Those who had the privilege of hearing Mrs. Eloise Johnson Family Life Specialist from the Extension Department of A&M College when she was in Hereford last year would like to urge others who have not heard her to attend the program, scheduled at the High School auditorium May 30 at 8 o'clock.

Mrs. Johnson will focus attention on helping adults to live happier, more comfortable lives and

on consideration for the changing needs of a growing family.

"Nobody has all the traits of good mental health all the time," says Mrs. Johnson. "Mental health has to do with the way each person harmonizes his desires, ambitions, ideals, feelings and conscience in order to meet the demands of life as it is faced," she emphasizes.

The program is open to the public and anyone interested in the overall way people get along—in their families, at school, on the job, at play, with their associates and in their communities—will benefit from Mrs. Johnson's subject "Knowing Ourselves Helps Us to Live Better with Others."

MRS. ELOISE JOHNSON

## H D Chatter

by Argen Draper

Last summer when the Yearbook Committee was making out programs for the present yearbook they planned to have two outside speakers. Mrs. Louie Olson, Mrs. H. S. Fuller, and Mrs. R. J. Coleman served on this Yearbook Committee. After a great deal of study and consideration, they finally

decided on Mrs. Eloise Johnson, family life specialist from A&M College, and Dr. Mina Lamb, foods instructor at Texas Tech.

Mrs. Johnson will be in Hereford May 30 and make a talk at the High School auditorium at 8 p.m. Mrs. Johnson is an exceptionally good speaker and it will be worth your effort and time to hear her talk. Many of the club women have heard Mrs. Johnson and know that she has many worthwhile things to say to the whole family. She is family life specialist. The Family Life Programs consider needs of children and grown-ups, healthy personality growth and change in needs of the growing family.

Mental health has to do with the way that each person harmonizes his desires, ambitions, abilities, ideals, and feelings in order to meet the demand of life as it is faced. She also says that people with good mental health feel comfortable about themselves. They feel right about other people and are able to meet the demands of life.

The public is invited to this talk by Mrs. Johnson and there will be no admission charge.

Deaf Smith County 4-H Clubs have received another high honor. Ann Dyer and Larry Kaul have been selected to make the Talent Club trip which is sponsored by (Continued on Page 2)

## Simms Study Club Studies Textiles

The Simms Study Craft Club met recently in the home of Mrs. J. S. Stocks, who gave an interesting demonstration on textile painting and displayed a number of finished articles.

Plans for the new yearbook were discussed.

Mrs. R. L. Ferman of Adrian was welcomed as a new member. A delicious refreshment plate was served to the following: Mesdames Charlie Burk, C. W. Edwards, Kenneth Millner, Jim Cavin, W. P. Betts, M. W. Blankenship, Cord Hammock, Glen Hettler, D. F. Riddle, Ruth Perrin, R. L. Ferman and the hostess.

Anyone who competes with a division of older girls if they wish to do so. Club members may enter any one of the entries in her division or she may enter in all three classes. The county winner will be the girl with the highest combined score on brownies, Swedish tea rings and record book. Record books are now due in the county office so that they may be judged before the bake show.

There is no age requirement nor length of club membership requirement. The county winner will be eligible to enter the District Baking Contest. The prizes will be first second, and third in each class in each division. Champion ribbons will be given for the best brownies, Swedish tea ring and butter cake. Certain recipes must be used

for the entries. If anyone needs recipes, please call the office. Products may be picked up at 1 p.m.

## Frio Homemakers Club's Program Is On 'Spots'

The Frio Homemakers Club met at the home of Mrs. James Dobbs May 21. Twelve members answered roll call.

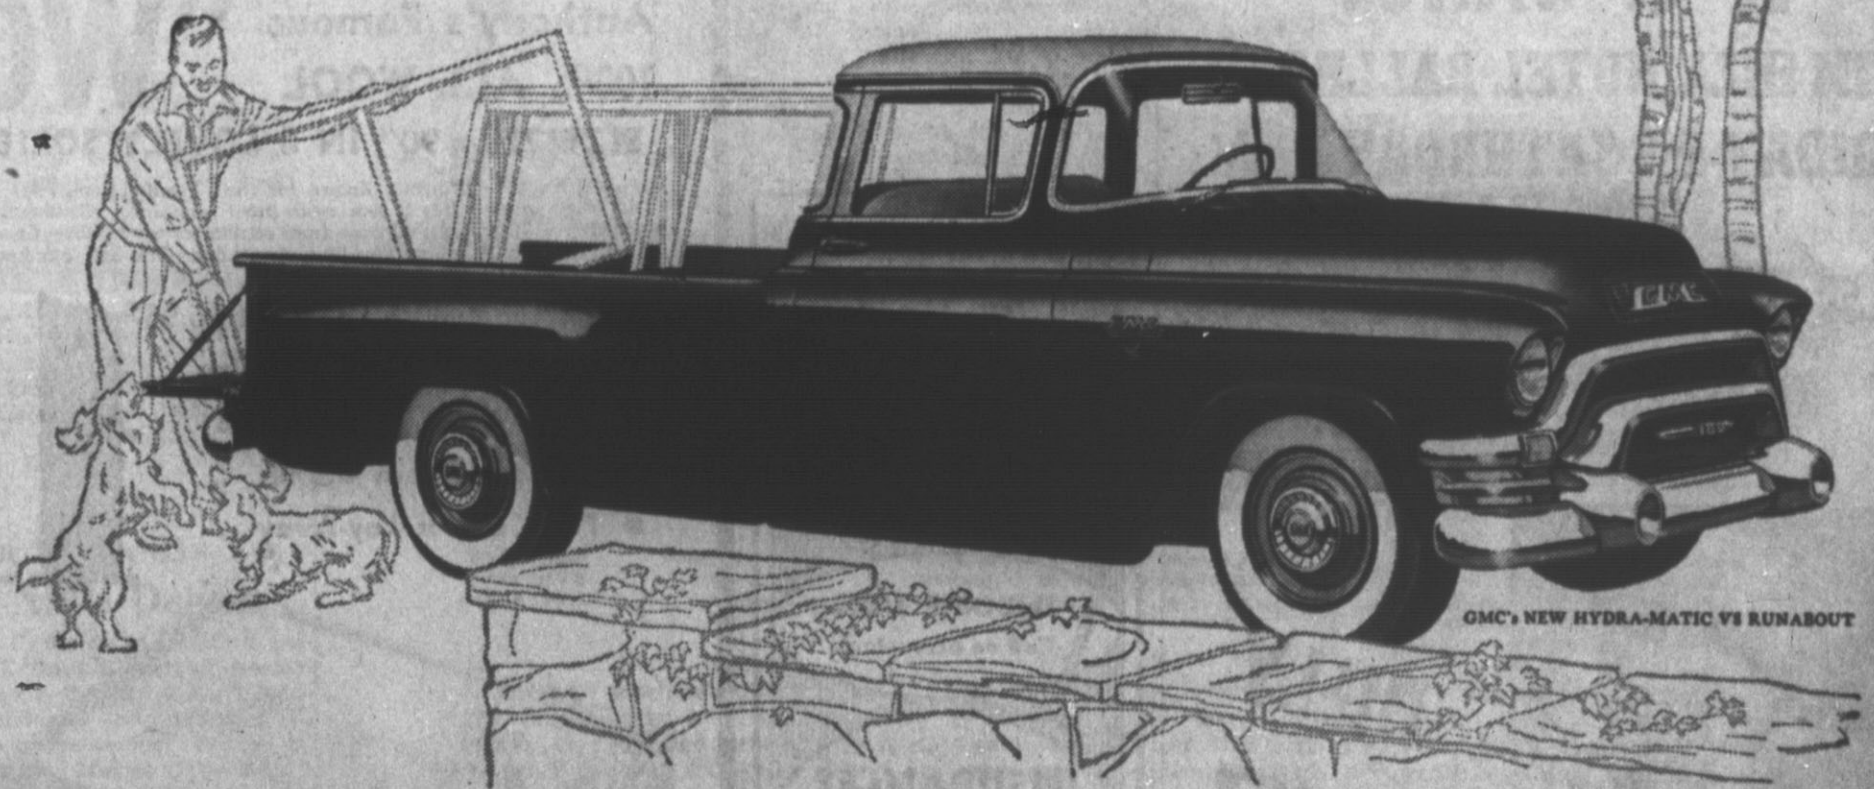

Mrs. John Sudduth gave the program on ways of removing spots. Several demonstrations were given in the group.

The meeting adjourned until May 25, which will be a Freezer Demonstration held at the REA Kitchen. Each member is to bring a visitor.

Refreshments were served to: Mesdames Owen Andrews, Leonard Buttrill, V. F. Vosler, W. A. Springer, T. L. Sparkman Jr., Henry Dobbs, Weldon Stephan, John Sudduth, C. N. McClure, A. E. Harder, Miss Alma Andrews and the hostess.

O. G. Hill Jr., who was injured when thrown from a horse May 4, arrived home Sunday from Northwest Texas Hospital in Amarillo and is doing fine.

Recent newcomers to Hereford are Mr. and Mrs. Howard Hill, formerly of Vega. They moved here from Colorado and he is presently engaged in farming.

## STAMPEDING With the Putter

By BILL KNOX

Welcomed rains caused postponement of two weeks action in the Hereford Softball League, leaving a big dent of make-up games in the schedule.

However, teams are already re-scheduling the games, and the delay should not create any irregularities from the schedule. Play resumed as usual Tuesday night.

Already several powerhouses have established themselves as contenders for the pennant, and a few others have gone just the opposite. Piggly Wiggly, Hotel Jim Hill, and Summerfield all loom as possible winners, and a little royal among them is expected.

Summerfield and Hotel are given the nod for the top spot, but Piggly Wiggly looms in the not-too-distant background as a dark-horse. Debb's Knox's crew possesses probably the best pitcher in the league, Don Morgan, and probably the most feared murderers root of Brock, Dement, Lueb, Wilson, and Pickens. All are hefty bat-wielders who very frequently create a pitcher's nightmare. Dement led the league in home runs last year, and Lueb is one of the better fielding and hitting short-stops. Last year he played for Rutherford's, and in one of the more promising of the young teams this year. Composed mostly of seasoned veterans last year, this year's team is entirely new. Heading the list of youthful newcomers is Bill Callaway who presently leads the league in home runs and runs batted in. In three games he has banged out four roundtrippers, and has knocked in 11 runs.

Most surprising about Callaway's feat is that he hit three of his homers in one game—against Hotel Jim Hill. His first came with the bases empty in the third inning. His second came in the fifth with the sacks filled, then again in the same inning he clouted another a mile over the left-fielder who was already playing back against the fence. His last time at bat he connected with a double to give him four hits in five times at bat.

But Rutherford's still lost by 22-12, proving their need for a pitcher. They have long been noted for their powerful hitters, but an ever-

present pitcher shortage has prevented them from ever winning a pennant. However, this year manager Larry Summers may find the one he needs out of his improved staff of four mound-men. Arol Aceton looks like the most promising of the foursome, but if Danny Ellis-toa, C. A. Shanks, and Jim Russell overcome their wildness, Summers will have pitchers aplenty.

Characteristic of the league is the high-scoring "game" which resembles more of a track meet. Already a new scoring record has been set this year, Piggly Wiggly setting it when they annihilated the Popular Store 38-6. They again proved their prowess by stomping Coopers 20-1. They had a somewhat harder time defeating Rutherford's 16-13, then Summerfield burst the bubble by stopping them 7-6 on a last-ditch rally in the last of the seventh inning after the pigs had rallied to tie the score in their half of the seventh.

But probably the best game thus far has been the battle between Summerfield and Hotel. Hotel finally emerged victorious, 6-5, to take the league lead and remain as the only undefeated team. The same old bunch compromise their team. They have played together since the league was organized and probably work together better than any other team in the league.

Characteristic of the league is the high-scoring "game" which resembles more of a track meet. ## Home.....

(Continued from Page 1) modern life there is little time for family devotions unless a special time is set aside and adhered to as in the other things that demand our time, she pointed out.

"The greatest heritage we can give our children" she concluded "is a Christian Home."

Mrs. Carl Kleuskens, Mrs. B. E. Estes and Mrs. Solomor were visitors.

Members attending were: Mesdames Taft McGee, D. Y. Edwards, Fred Saltzman, Hugh Clearman, Alton Kemp, H. L. Herahy, C. C. Billingslea, Leon Coffin, Lester English, Earl Plank, C. V. Burges, V. E. Dodson, T. J. Parscns, Ira Ricketts and the hostess.

South Hereford

Mrs. S. S. Williams was hostess for the South Hereford H. D. Club, May 17.

Argen H. Draper gave the demonstration on yeast rolls, using a speedy roll recipe as a basis.

Mrs. J. W. Terry was guest.

Members present were: Mesdames W. H. Goettsch, Ed Dzluk, Adam Flowers, Eldon Craig, Ronald Matthews, Viola Woodson, J. P. Slaton, John Hacker, John Draper, Otto Massie, Evelyn Bell, Mrs. Draper and the hostess.

Mr. and Mrs. Clarence Rodgers and children from Plainview, were guests of the Tinnin home Sunday.

## Honor.....

(Continued from Page 1) was the County Agent selected to accompany the group. The sponsors will be represented by Kenneth Lloyd and Oscar Appiequist. J. Frank Triplett is general manager of the Corporation.

## H D Chatter...

(Continued from Page 1) Producer's Grain Corporation of Amarillo. The tour will begin the week of June 12. Our congratulations go to these two outstanding 4-H members, to their club leaders and to their parents. This is one of the nicest awards that 4-H'ers can receive.

We have had several winners previously to be chosen to make the Talent Club Trip—Bill Kelly, son of Mr. and Mrs. Tracy Kelly; Marilyn Henderson Metcalf; and Betty McGaughey Wilcox.

The June club programs will be on medicine and the references are in the library and you can probably find some material in current magazines. The Agent's demonstration in June will be on batter rolls.

Aluminum foil under burners and in the oven is an aid to better housekeeping. However, aluminum foil in the oven does keep the oven from heating properly. Some of you who are having trouble with your oven and have aluminum foil on the racks or in the bottom of the oven should remove the foil and see if you get better results.

### Skelton Lists Safe Summer Swimming Rules

"Over confidence can kill you," chairman of the Deaf Smith County Red Cross chapter, said today in anticipation of the opening of the Hereford pool Saturday.

"Many drowning fatalities are caused by over confidence," he explained. "People who know how to swim 'a little' venture out beyond their depth or try to 'show off' their partially-developed skills and end up in trouble."

The Red Cross has prepared a guide for those who would swim safely this year, the chairman continued. They are as follows:

1. Select a safe place for swimming, preferably one supervised by a life guard.
2. Don't try to demonstrate abilities you do not possess.
3. Don't go beyond your depth unless you are a seasoned swimmer.
4. Don't stay in the water too long.
5. Before diving be sure the water is deep enough and free of obstructions.
6. Don't enter the water when tired or overheated.
7. Never go swimming alone.
8. Don't go swimming until two hours after eating.
9. Know how to save a person from drowning and how to apply artificial respiration by completing a Red Cross life saving course.

"An estimated 80,000,000 people will go swimming this summer," Skelton pointed out. "An estimated 7,000 of them will drown. One of those 7,000 might be you. Think before you swim."

Mr. and Mrs. Byron Durham took their daughter, Lu, to Amarillo Friday where she took the train to Dallas. Miss Durham is engaged in nurse's training at Parkland Hospital there. She is a graduate of Hereford High School.

### New Officers Installed By Bud To Blossom Club Here

Bud To Blossom Club ended its activities for the year at a luncheon held Friday at the Western Wheel Inn.

Following the luncheon new officers were installed with Mrs. A.L. Manjeet serving as installing officer. Using the theme "A Thing of Beauty is a Joy Forever," Mrs. Manjeet compared the officer unit to a well proportioned flower arrangement describing each officer's duty as it fits into the executive whole.

Plans for the flower show, which was postponed from April to May 27 were made and assignments for arrangements were made. The flower show will be held in the home of Mrs. Pat Robinson in the form of a seated tea with members of the Garden Beautiful and The Hereford Garden Club as guests.

Officers taking over duties were Mrs. W. Glenn Williams, president; Mrs. Pat Robinson, first vice president; Mrs. C. R. Higgins, second vice president; Mrs. Ira Scott, third vice president; Mrs. Jim Wood, recording secretary; Mrs. Lloyd Sharp, corresponding secretary; Mrs. Preston Hagans, treasurer; Mrs. Sam Long, reporter; Mrs. Irving Alexander, parliamentarian; and Mrs. Don Martin, federation delegate.

The following committees were announced by the new president: Year book, Mesdames Preston Hagans, R. A. Daniel Jr., W. H. Patton and Jim Wood. Membership, Mesdames Pat Robinson, Herbert Haseloff, and Irving Alexander. Social and Cheer, Mrs. Ray Howell. Plant Exchange, Mrs. Delmo Williams. Horticulture, Mesdames R. N. Yarbrow and Jack Johnson Project, Mesdames Lloyd Sharp, Sam Long and Ira Scott.

During the business session presided over by the new president, members also voted to federate with the Texas Federation of Garden Clubs, to adopt the dahlia as the club flower for 1955-56 and to continue with the project already begun, which is the landscaping and beautification of the Negro School grounds.

Those attending the session were Mesdames Irving Alexander, R. A. Daniel Jr., Preston Hagans, Herbert Haseloff, J. R. Wickman, C. R. Higgins, Ray Howell, Jack Johnson, Sam Long, Dor Martin, W. H. Patton, Pat Robinson, Ira Scott, Lloyd Sharp, Delmo Williams, W. Glenn Williams, R. N. Yarbrow, Ray Godwin and A. L. Manjeet.

### Area Students To Get NMU Degrees

Gene C. Moore of Hereford and Rufus Edward Everett of Bovina are among the 122 students who are candidates for graduation at spring commencement exercises at Eastern New Mexico University.

The three principal events of the commencement program are the honors convocation Thursday, May 26, 10 a.m.; baccalaureate, Sunday, May 29, 8 p.m.; and graduation exercises, Thursday, June 2, 8 p.m.

Mr. and Mrs. J. R. Allison and children have gone to West where they are spending a week with his mother, Mrs. Alice Allison.

Guests in the home of Mr. and Mrs. Roy Calvert the past weekend were his sister, and family, Mr. and Mrs. Curtis Fisher of Alton, Ill., and their son and wife, Mr. and Mrs. Eugene Fisher of Portales, N. M. Mr. Eugene Fisher will receive his degree at ENMU this year.

### Tag Team Wrestling Is Set At Bullbarn For Saturday

Two newly organized teams of tag wrestlers, involving popular names of junior heavyweight athletes, will provide Hereford fans with three hot-shot matches Saturday night.

Jim LaRock, whose method of applying fundamental wrestling holds frequently causes the roughest and "dirtiest" of opponents to give up, pairs off with blond Cowboy Carlson in a tag team match.

The opponents are Frank Murdock, merciless, "sleep hold" specialist from Waxahachie, and his new partner, veteran Maurice La Chapelle, a Frenchman from Tacoma, Wash.

There is a strange combination in each instance.

LaRock, the Ithaca (New York) College athlete who performed well in football, basketball and wrestling and who won the U. S. amateur championship in 1952 and led his team of light heavyweights to the finals in the 1952 Olympic Games, is on the clean side. He prefers to wrestle scientifically, mixing amateur knowledge with what he has learned as a three-year-old professional. His rolling splits, rolling hammerlocks, rolling figure-four-scissors and, most recently, his rolling step-over toe-hold, has won many falls.

Carlson, LaRock's partner Saturday night, depends largely on muscle power, and his ability to apply certain "bulldogging" holds he learned while wrangling horses and steers in the Powder River country of Montana. Carlson also is a man who "can take it," as well as dish it out, and he has proved this in many individual matches as well as in tag team matches with Dory Funk. Carlson and Funk hold the tag team championship of the Southwest States territory.

Fans are familiar with Frank Murdock, no doubt. The merciless man from Waxahachie, recently returned from a long tour of East-

### At The Movies

**"Black Widow"**

"Black Widow," Twentieth Century-Fox's first murder mystery in CinemaScope, is a gripping drama of a girl who had returned to the studio where she made her first success, to be murdered through her involvement with married men whom she used unscrupulously to further her consuming ambition. Although she is murdered early in the story, a series of flashbacks establish each suspect's version of the slaying. Showing Friday and Saturday at the Star Theatre, it stars Ginger Rogers, Van Heflin, Gene Tierney and George Raft.

**"Three Ring Circus"**

Hey kids, and grown-ups too, here it is, that movie you've been waiting for starring that hilarious, fun-loving team you all love, Dean Martin and Jerry Lewis. Showing Sunday, Monday and Tuesday at the Star Theatre is "Three Ring Circus."

Jerry plays the clown as if he had been a circus funster all of his life, while Dean plays the part of the singing and romancing partner which he does so perfectly. Together they have fashioned many side-splitting routines, but none of which can surpass that of "Three Ring Circus."

In the supporting cast, Joanne Dru and Zsa Zsa Gabor head the list of those contributing greatly to the success of the movie.

**Tower Drive In Theatre**

Showing Thursday and Friday night at the Drive In is "Johnny Dark," a thrilling story of the Pan American road race starring Tony Curtis and Piper Laurie.

**"Abbott and Costello Meet The Keystone Kops"**

Life begins at 40 is a phrase that very aptly fits Comedians Bud Abbott and Lou Costello these days, as they star in their fortieth motion picture, "Abbott and Costello Meet The Keystone Kops," which shows Saturday night at the Tower Drive In.

The howls really start when Bud and Lou are lured into investing money they don't own in a movie studio that doesn't exist. The momentum of merriment builds as the comedians trek to Hollywood to unmask the embezzler, only to turn into the wackiest

stunt-men who ever turned the movies upside-down.

Also showing Saturday night is a midnight preview, with a double feature, "Cat Creeps" and "The Mummy."

Weekend guests in the home of Mr. and Mrs. D. H. Bryant were Mrs. Bryant's brother, Howard Carlyle, and his three sons, two of which are identical twins, her sister and family, Mr. and Mrs. Raymond Martin and children, Gary and Gail. Later Sunday afternoon, Bill Smith from Falls and brother, Mr. and Mrs. Dick Smith and daughter visited in the Bryant home.

Mrs. J. F. Ward and daughter, Mrs. Henry Aunger, from Oakland, Calif., Mr. and Mrs. Hubert Keahey from Pampa were Sunday afternoon guests of Mr. and Mrs. D. H. Bryant.

Rennie and Agatha Malone, accompanied by Emmett Brown, left Saturday morning for the Drowsy Water Ranch in Granby, Colo.

Mr. and Mrs. C. B. Thomas were in Plainview Saturday on business.

### Harral Dunnam To Get Degree

FORT WORTH — One hundred and sixteen seniors and graduate students are candidates for degrees to be awarded by Texas Wesleyan College at spring commencement on Sunday, May 29.

Rev. Sterling Wheeler, vice president of Southern Methodist University, will deliver the commencement address at 5:30 p.m. at the Polytechnic Methodist Church. Dr. Gaston Foote pastor of the First Methodist Church, will deliver the baccalaureate sermon at his home church at 10:30 a.m.

The list of candidates includes the name of Harral Dunnam, son of Mr. and Mrs. S. M. Dunnam of Hereford.

**COME TAKE THE "100-MILLION-DOLLAR RIDE"**

...brimful of bonuses from start to finish!

World's most powerful V-8 engine designs | PowerFlite No-clutch Drive... most automatic of all | Full-time Power Steering... on the job all the time | Chrysler-originated Power Brakes... extra-large, extra-safe | Oriflow shock absorbers... double-strength doubly effective | Super-Scanio Windshield... sweepback for maximum vision

Everywhere you look, inside or out... under its gracefully tapered hood or back along its shining length... you'll find more bonuses in style and performance in the new Chrysler than in any other car.

For Chrysler brings you an entirely new fashion in motorcar styling... a long, low look of swift mobility that's setting a style trend for all other cars to follow.

You get bonus after bonus in pure driving pleasure,

too, from the faultless performance of Chrysler's brilliant new family of V-8 engines and fully-automatic PowerFlite Drive. And Chrysler's Full-time Power Steering and giant Power Brakes give you the all-important extra bonus of greater safety and road control.

It's a wonderful driving experience, and here's another bonus... the price-tag on this beautiful car is much less than you'd guess!

45 Years Ago

A. J. Lipscomb, president of the Commercial Club, calls attention to the college committees and others that the matter of raising the college fund will be finally settled, either to make a more vigorous campaign or to drop the matter entirely. This simply means that Hereford College will be lost to Hereford. While the Christian Church is largely responsible for the condition of the affairs, yet the Hereford people at large have a degree of responsibility which some are wont to shift to other shoulders.

Dispatches from every part of the globe describe the appearance of the long expected comet, which this year finishes a 75-year course around the sun and which has taken the cometary visitor into the limitless space of the starry dome only to return the wanderer of the heavens to the familiar ground in the neighborhood of the earth. Puzzled astronomers were straining their eyes and their minds to discover why Halley's head should appear in the west after passing the sun and its long extended tail should still remain in the east.

The high school graduation exercises of the class of 1910 composed of just an even dozen of Hereford's best were duly honored on this occasion. Pres. R. B. Cousins of the West Texas Normal delivered a most interesting address. Supt. E. H. Wray awarded the honors of the class, Miss Nellie Black receiving first honors, Miss Price Bruce, second and Miss Annie Price third.

Eleven girls and one boy received diplomas: Nellie Black, Price Bruce, Annie Price, Waldine Wilson, Gertrude Taylor, Jessie Sisk, Lora Guinn, Una Norton, Emma Dean, Ruby Wilson, Letha Edwards, and Sam Brunk.

The new nail picker of the highway department passed through Hereford Tuesday, and when it had arrived here at noon from Amarillo, it had picked up no less than 1,555 pounds of nails, staples, and other small pieces of metal capable of puncturing tires. This close to a ton of metal debris was picked up on U. S. Highway 369 over the 50-mile stretch, according to T. W. Zeigler, an official for Division 4, who was supervising the work. Mr. Zeigler stated that

this road from Umberger to Hereford was the foulest road I have ever seen. He had picked up 739 pounds of nails and loose metal traveling the 18 miles, or 41 pounds to a mile.

Charles Rice, high school graduate and son of Mr. and Mrs. E. M. Rice, has been recommended by G. M. Hudson, principal, as eligible for the national competition in the successor-to-Eddison selection. Only those high school youths who have had four years of science have a chance at the honor, and each high school may make a nomination for the state elimination which will be held in Austin June 10. Charles has had courses in physics, chemistry, biology and general science.

# Dawn News

By BERTHA FRYE

Vacation Bible School of the Dawn Baptist Church began Monday morning, May 23, and will continue for one week.

Last Friday marked the close of school for Dawn, with a special program given. The picnic which had been scheduled for that day at Elwood Park in Amarillo had to be postponed until a later date, because of the rainy weather.

Several fifth and sixth graders received awards for outstanding work. They include Dortha Stewart, for no absences during the year; Wainie Beavers for sixth grade spelling, she missed only 13 words during the year; Kenneth Miller, a fifth grader, missed only 17 words; and Billy Lynn Miller for reading 79 books during the year.

Among the mothers attending the program were: Madames N. R. Miller, Walt Beavers, Jack Owens, C. C. Stewart, McClain, J. M. Carathers, Gayle Neal, Joe Gill, H. S. Fuller, Paul McClung, J. B. Caraway, L. W. Norvell, Carl Wimberley and V. C. Martin.

Eighth grade graduates from the community are June Owens, Lucy Beth Miller, Barbara Martin, Jessie Miller and Betty Haggar. Mr. and Mrs. Charles Corder

had as dinner guests Thursday, Mrs. Ray Wells and Mrs. John Hutchinson, teachers at Dawn School.

Fred Frye received his discharge from the Army recently and arrived home the latter part of last week after visiting relatives in Illinois and St. Louis.

Harold Russell of Durant, Okla., is visiting in the Marion Russell home.

Mr. and Mrs. Bob Wright and children and Mrs. Travis Barton and son Billy of Amarillo were supper guests Saturday of Mr. and Mrs. Finis Wright.

Mr. and Mrs. H. F. Trimmer attended the air show at the Air Force Base in Amarillo Sunday afternoon.

Mr. and Mrs. Woodard Lee of Headrick, Okla., were overnight guests Friday of the H. F. Trimmer family.

Mr. and Mrs. George S. Parker made a trip to Albuquerque last week.

Mr. and Mrs. Glenn Caraway and son of El Paso were visiting friends in Dawn Saturday.

Mr. and Mrs. R. B. Duncan, en route from Texarkana to California were overnight guests of Mr. and Mrs. Charles Corder Monday.

Mrs. H. S. Fuller and Mrs. Zed Stewart attended the H. D. Council in Hereford Monday.

Mrs. J. B. Caraway was the winner of the electric roaster given away by the Dawn Co-op last Saturday.

Mr. and Mrs. George S. Parker moved to their new home in Hereford Monday of this week.

Mr. and Mrs. Henry Mosier of Clovis, N. M., were dinner guests Friday in the home of Mr. and Mrs. Charles Corder. The Mosiers were on their way to Tennessee to visit a son.

Mrs. Walt Beaver was hostess for a Stanley party at her home last Monday afternoon. Mrs. Otto Gilliland of Hereford gave the demonstration. Attending the party were: Mesdames Edgar Lemons, Carl Wimberley, Henry Spicer, Cecil Payne, Joe Evans, Henry Miller, William Wimberley, Zed Stewart, Jessie Sisco, Fina Wright, Paul McClung, Charles Corder, Bertha Frye and the hostess.

Mr. and Mrs. Zed Stewart visited their son and family, Mr. and Mrs. Boyd Stewart in Pampa Sunday.

Mrs. Charles Newell has returned from Texas City where she spent three weeks with her mother, Mrs. Edith Razor, who is recovering from a recent operation.

### Your Congressman Reports

The general feeling around Washington concerning the anticipated Big Four meeting indicates high encouragement as to the possible results thereof. Frankly, I do not think that people should become too encouraged as to the possible results of a four-power meeting, because it is not difficult to persuade your desires to get the best of you and sometimes expect more than will be forthcoming. It is my opinion that a top level meeting between the four powers is a realistic approach to the solution of international problems and should

have been held some time ago. It must be realized that the failure to have such a meeting was not our fault, but the fault of Russia. Russia may have had good reasons for not wanting to meet, but in any event no meetings were held. Now that they are possible, it seems to me, as it does to a number of other individuals on Capitol Hill, that the situation should be faced with cold realism. There is no reason why there cannot be a meeting of the minds among reasonable men that will prevent conflicts between man-

will certainly furnish a basis from which we can evaluate the burning question of whether or not Russian policy has changed.

#### SALK VACCINE

The Salk Vaccine argument, of course, continues. We hope to have it settled in time to make the safe inoculation of many children in this nation possible before the polio season sets in. The Interstate and Foreign Commerce Committee of the House, of which I am a member, is considering a bill that will implement the President's suggestion that this vaccine should be made available to all children regardless of their economic status. As I told you in a previous newsletter, the Congress has kept a vigilant eye on the distribution of this vaccine and will not tolerate the exploitation of the American people through such a medium. Frankly, I had hoped that the entire program could be handled without the exercise of any jurisdiction over the subject matter by the Federal Government as such. However, the situations that have arisen have required that the Congress step into the picture and keep a tight rein on the handling of the program. It was recently pointed out by a member of the United States that this Salk vaccine is the result of research paid for in a large degree by the dimes of children contributed in the annual March of Dimes campaigns. Certainly these children and their parents should be protected from exploitation at the hands of any unconscionable individual or group of individuals. Our committee hopes to coordinate the forces that, in our opinion, should be instrumental in getting this vaccine to the public with the greatest possible speed and to avoid unnecessary red tape and political backbiting of pressure groups.

The remark that Mrs. Hobby was charged with having made to a Senate Committee to the effect that no one could have foreseen the public demand for the Salk vaccine was most unfortunate. I cannot believe that Mrs. Hobby intended the meaning that has been placed on her remarks. It would seem to me that the remarks, whatever the exact words might have been, have been taken

### William Robinson Degree Candidate At Phillips U.

ENID, Okla. — William Edgar Robinson, son of Mr. and Mrs. John Robinson, Hereford, is a candidate for a bachelor of arts in the College of the Bible, Phillips University, Enid. Graduation activities are scheduled for Tuesday and Wednesday, May 24-25. Commencement will be held at Phillips University at 10 a.m. Wednesday, May 25, at Education building in downtown Enid with Major General Samuel R. Brentnall, assistant chief of staff of Guided Missiles, Department of the U. S. Air Force, Washington, D.C., as speaker.

Bayne E. Driskill, evangelist Stillwater, Okla., will deliver the baccalaureate address at Central Christian Church, Enid, at 8 p.m. Tuesday, May 24.

Corner-stone laying ceremony for the new Earl Butts dormitory for men will be held at 2 p.m. or commencement day. Names of those who made contributions to the dormitory fund will be sealed in a copper container and placed in the corner-stone. Gifts for the dormitory are being sent to Dr. Arthur E. Elliott, who has charge of the building fund.

cut of context and blown up completely out of proportion. This is not a new practice in this country, but the fact that it has been employed before does not, in my opinion, detract from the unfairness of it. Neither does such a questionable practice add anything in accomplishing the result to be attained, to wit, the early and full distribution of a medicine that may relieve great mental and physical suffering among mankind.

#### VISITORS

Washington greeted the Panhandle entry in the 28th annual National Spelling Bee. He was John D. Glenn Jr., of Canadian, who was sent to Washington by the Amarillo Globe-News. He was accompanied by his father and mother and his aunt, Miss Maud Glenn of Amarillo. John D. didn't win the top honors, but he made an excellent showing against tough competition and is entitled to much acclaim from our section. These boys and girls are under a terrific strain and we should all be very proud of them and the fine work they do.

Miss Louise Evans, that very able writer with the Amarillo News and Globe-Times, was the representative of the Amarillo papers in escorting the spelling champion to Washington. Louise has been doing some visiting around Capitol Hill the past few days and has made a fine and lasting impression on all with whom she has visited. She expects to see many Texans in Washington, and I am sure you will be hearing much from her later through her interesting stories.

We also had a nice visit with Boys' Ranch's number 1 wrangler, our old war buddy of his, Horace S. Dennis, from Bridgeport Conn. We had the pleasure of meeting Mr. Dennis several years ago in the company of Cal. Needless to say, Cal was talking Boys' Ranch from the time he hit Washington until he departed. With this kind of work going on, Boys' Ranch is assured of great things in the future.

Q. Is there any lotion which helps reduce the bust?

A. Some women have claimed success with this: One quart spirits of camphor, one ounce olive oil, one ounce epsom salts, one half ounce plain salt. Shake well, and use three or four times each week.

Q. Can you recommend something to combat "summer freckles"?

A. Mix the white of an egg with the juice of a lemon, and blend enough almond meal with this to make a thin paste. Spread over throat, face, arms, and back, or wherever there is a proneness to freckles. Leave until dry, 20 minutes at least. Rinse with clear

**Texas Press Association**  
AUSTIN — It's amazing how quickly pennies can grow into millions of dollars. But, it is with pennies that Texas is solving its financial problem.

Big discussion of the week has been the proposed two cent increase in gasoline taxes. Right behind that big topic has been the cent increase in cigarette taxes and the hike to one cent per bottle (\$1.30 per barrel) in beer taxes.

When the tax bill bogged down in the Senate, Governor Shivers threw in a surprise strategy move. By message, he told the House and Senate—now working without pay—that if they wanted to end this session, he would call them back in a special session when they could be paid \$25 a day.

Gov. Ben Ramsey and Speaker Jim Lindsey at once responded that the session could complete the tax chore, unblock the billion and a half dollar appropriation bill and finish its job.

**Filibuster Record Busted**  
For the third time during the 1955 Legislative session, a new talkathon mark was established by a member of the usually sedate Senate.

This time the speaker was Sen. Kilmer Corbin of Lubbock who took 28 hours, 25 minutes against a state water project financing plan.

Previous holder of the record was Sen. Wayne Wagonseller of Bowie. Before that it was Sen. Jimmie Phillips of Angleton.

Corbin was opposing a committee report on Sen. Dorsey Hardeman's proposed constitutional amendment to the \$100,000,000 water program. He was objecting to the three-cent ad valorem levy.

Governor Shivers had advocated the plan as a key part of his water conservation legislation. The proposal would set up a six-man board to be appointed by the Governor. Corbin also contended that the board should be elected, rather than appointed. In objecting to the method of taxation, Corbin said it would cause dry land farmers to bear the burden of water projects in other districts.

Like the other "billbustlers," it was fruitless.

**Rain Steals the Show**

General rains throughout the state stole the spotlight from the Legislators the past week. It was NEWS—BIG news. Even where there were floods, there were smiles of gratitude for the moisture.

As for the capital city, weathermen here report that Austin already has received more rain this year than it did throughout 1954.

Recent almost statewide rains have changed Texas' crop outlook from "dismal failure" to "fairly good" according to Agricultural Commissioner John C. White. Rain came too late to help the wheat and oats, says White, but benefits to pasturelands were rated "excellent." He pointed out the need for a normal amount of moisture the rest of the year.

**Probe in Senate**

Lack of information prompted them to approve veterans land deals as a matter of routine. So said two state officials testifying in the Senate phase of the Land Office investigations.

State Comptroller Robert S. Calvert and State Auditor C. H. Cavness were the witnesses. Cavness showed a form used by Giles to request funds for loans. Bearing the seal of the land board, the form carried no signature other than Giles.

"Nothing came to us to cause us to have any suspicions," Cavness said, adding that he had assumed the deals had been approved by a majority of the three-member board.

Governor Shivers and Atty. Gen. John Ben Shepperd recently have made affidavits to the effect that they were absent from board meetings on certain dates when the minutes cited that they were present.

From San Antonio, the district attorney's office announced it was demanding the maximum 10-year prison term for Giles, in his scheduled trial on charges of accepting a \$20,000 bribe. Also that C. V. Wynn and Arthur McKenzie of San Antonio, charged with offering the bribe, would "turn state's evidence" against Giles.

Weekend discussion of a further postponement of the trial was based on the reported employment of an unnamed member of the Legislature as counsel. This is automatic grounds for continuance until 30 days after adjournment of the Legislature.

**Short Sports**

Venue in the future income tax trial of George R. Parr, political boss of the Duval County area, has been transferred to Austin.

Sen. William H. Moore of Bryan has pending in the Senate

a resolution to investigate Southwest Conference athletic recruiting, following accusations against A&M College.

A Senate committee struck from the House-passed "unfair sales" bill authority for a trade association to sue a merchant for selling goods below cost. Sponsors said they wanted that proviso because an individual merchant might hesitate to sue—and give housewives the idea he was trying to keep them from buying as cheaply as possible.

Cuts in allowable oil production, made by the Railroad Commission, whittled the State's prospective revenue from oil. June allowable was cut 64,920 barrels daily, and July 67,219.

The Senate joined the House in passing Rep. Dolph Briscoe's stringent bill regulating veterans' land sales and outlawing block deals. Briscoe's constitutional

amendment replaces the Governor and Attorney General as Veterans Land Board members. Two appointive members would serve with the land commissioner.

**Family Reunion Set August 6-7 By Turrentines**

Fourth National Reunion of the Turrentine Family has been set for August 6 and 7 at Marionville, Mo., according to Dr. G. R. Turrentine of Russellville, Ark. who is the national president and historian. It is expected that about 300 of the family will attend. It is believed that there are many descendants.

The Turrentine Family of the United States are all descendants

of Samuel and Alexander Turrentine who arrived in Philadelphia in 1745 on the Coull man and settled in Chester County, Penn. When Braddock lost the Indian War, they, with many others, fled south and settled in Orange County, N. C. and became permanent land owners there. From there the family has spread to almost every state of the Union.

The First National Reunion was held at Hillsboro in Orange County, N. C., in 1941. The second was at Lockesburg, Ark., in 1950, and the third at Shelbyville, Tenn., in 1952. All of the reunions have been held on historical grounds of family tradition and this year's will be with the descendants of James Wilson Turrentine who was an early day educator of Southwest, Mo.

The family has a distinct Italian background where the name was spelled Turrentini. Genealogy dates to 1354 with the ancestors being

found at Lucca. In 1574, some members of the family fled to Europe to escape religious persecution and ultimately settled at Geneva, Switzerland. It is from this branch that the American Turrentines were descendants, when thru several generations the family lived in various European countries in Scotland and Ireland before coming to America.

Dr. G. R. Turrentine of Russellville has just published a genealogical history which has been widely distributed. He is a registrar of Arkansas Polytechnic College.

Stanley Cox, Louise Wester's fiance from A.C.C., was a visitor of the Wester home over the weekend.

Kit Sanders arrived home from West Texas State Teachers College in Canyon Wednesday, May 25, for a month's stay.

Mrs. Burke Inman and children spent last Sunday in Amarillo with Mrs. Inman's parents, Mr. and Mrs. L. C. Jordan.

Carroll Jones arrived home from Lubbock for the summer, Wednesday, May 25.

Mr. and Mrs. Bob Phillips and their two sons, from Abilene, visited with the H. D. Boardman family Sunday. Bob Phillips is the former editor of The Brand.

# A SUNDAY AT THE PARK

THE HERFORD BRAND

Hereford, Texas, Thursday, May 26, 1955

Section Three

THERE'S NOTHING, just nothing in the world that will beat a fast trip down the slide. That's a big statement, but if you don't believe it's true, just ask one of these five boys and girls, and you will quickly get an affirmative answer. Pictured from left to right are Cordella Sue Honea, Roger Honea, Penney Johnson, Ann Mercer and

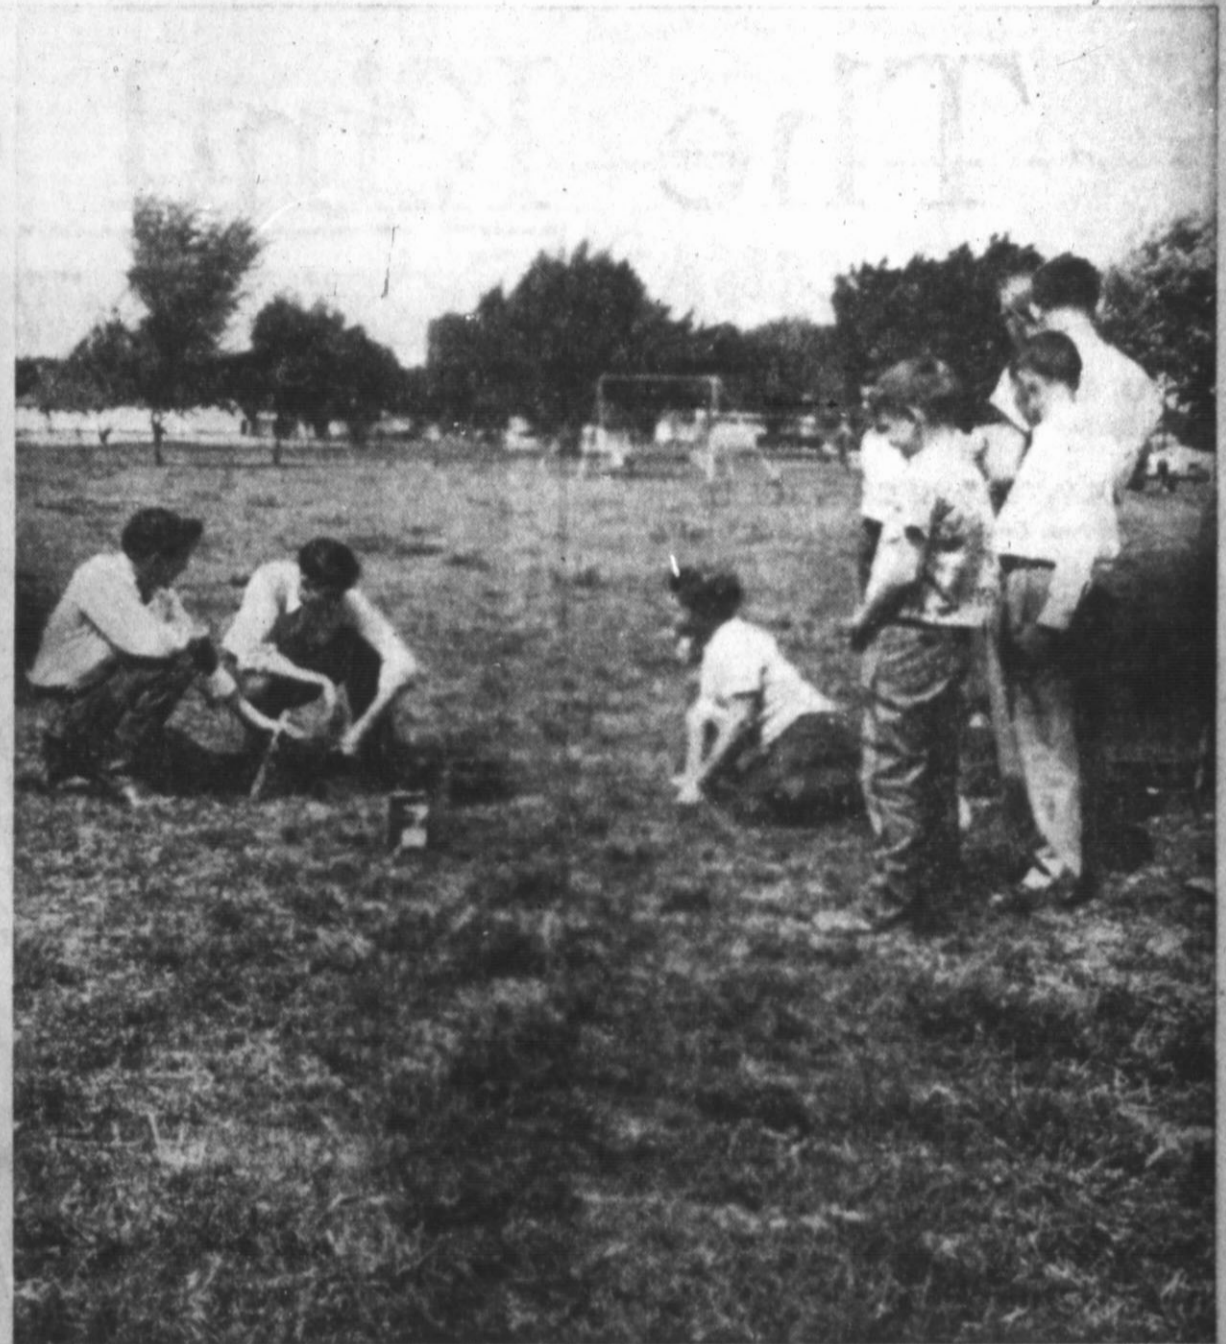

Carolyn Sue Caraway. Some of the kids didn't even know each other before they all began taking turns on the slide -- but that's another good thing about the park, you meet a lot of new friends. This picture was taken on a Sunday afternoon at Dameron Park. (Staff Photo)

WHAT WOULD a day at the park be without swinging a little? That's one little Johnny Sparks can't answer, for he always manages to talk mother into swinging him. He is the son of Mr. and Mrs. Eugene Sparks, 515 Irving. (Staff Photo)

AROUND IT GOES when S. B. Baize, son of Mr. and Mrs. Dwaine Baize, gives the merry-go-round a push. Getting the free ride is Gene Sparks, son of Mr. and Mrs. Eugene Sparks. (Staff Photo)

MODEL AIRPLANE FLYING is another thing that is popular at Dameron Park. There's plenty of room at the park to fly the planes, and for that reason it has become increasingly popular for flying the models on Sunday afternoons. Probably the airplane flying has done more than anything to make the park a place for "grandstand fans." For

car after car stops at the park each Sunday so that people can watch the little planes perform. Boys in this picture are unidentified for reasons beyond the cameraman's controls. The plane was ready for a fast take off, and there wasn't time for a newsmen to ask questions. (Staff Photo)

## Adventure For GOD

A freckled faced boy has caught the spirit of adventure. The old sail boat is its symbol. He would like to sail around the world as the old salt has done. What thrilling tales the grandfather has told these ever eager ears. Loving the lad as he does, the old man has dreamed greater dreams for him. He counsels, *there is greater adventure than sailboating.* How would you advise an ambitious, adventurous boy? He needs greater preparation in these times. How about flying to Mars or the moon? Perhaps he could join the diplomatic corps. There are oil wells to open up, uranium deposits to be uncovered, atom power to be harnessed, cathedrals to be built, and *people to be led into the presence of God.* The old man says, "Son, you'll find rich adventure in church attendance. Go every time you can."

### Two Local Men Participate In Marine Operation

KANEHOHE BAY, T.H. (PHITNC) —Participating in a special joint air-ground operation here with the 4th Marine Regiment's 1st Battalion is Pvt. Paul R. London, son of Mr. and Mrs. W. U. London, and with the 3rd Battalion is Pfc. Franklin L. Boyd, son of Mr. and Mrs. Robert S. Boyd of 122 Higgins St., both of Hereford.

The operation, conducted by the 1st Provisional Marine Air-Ground Task Force, is aimed at making every man of the reinforced 4th

Marine Regiment familiar with the steps that go into accomplishing an airlift into a combat zone.

Marine Air Group 13, using a squadron of four engine transport planes from Air Group 25, is indoctrinating the troops in an actual airlift operation in the Hawaiian Islands.

Upon completion of the operation May 28, each of the more than 6,000 men in the regiment will know what is expected of him and his unit in such a move.

Mr. and Mrs. K. F. Clark of Wichita, Kans., have been visiting in the home of E. E. Fridley and John Jacobsen Jr. Mrs. Clark is a sister of Mr. Fridley.

HEATON AND EL ROCCO -- One of the features of the Hereford Riders Club Rodeo at rodeos throughout the nation. They were featured at the Fort Worth Rodeo recently.

### Local Dairymen Get DHA Listings

There were several local dairymen listed in the monthly DHA report, according to Harold L. Hensley, supervisor.

Those listed in the high herds in milk and butterfat class were two holsteins owned by George Heard and M. L. Simpson Jr.

Listed in the 10 high cows in butterfat was a milking short horn owned by Leo Witkowski, while a holstein owned by George Heard was listed in 10 high cows in milk.

In the 70 pounds and over class, Leo Witkowski's milking short horn was again listed.

Those listed in the 50 to 60 pound class were four holsteins owned by Denzil Pulliam, two milking short horns owned by Leo Witkowski, a holstein owned by Herbert Boardman, three holsteins and one jersey owned by M. L. Simpson Jr., one guernsey and two holsteins of B. E. Brunley's, and three holsteins owned by George Heard.

Listed in the 40 to 50 pound class were three holsteins of Denzil Pulliam, eight guerneys, three holsteins, one jersey and one brown swiss owned by B. E. Brunley, 12 holsteins owned by George Heard, three holsteins of Herbert Boardman's, and 11 holsteins and one jersey of M. L. Simpson Jr.

Mrs. A. H. Jordan's nephew and

family, Mr. and Mrs. Bill Moore and daughter of San Angelo, visited Saturday in the Jordan home of Mr. Leslie's brother, Eugene.

Mr. and Mrs. Jimmy Leslie of Childress visited last weekend in Bill Leslie.

Pupils of Adrian High School enjoyed their annual picnic at Elwood Park in Amarillo Monday and later went bowling and swimming.

Mrs. Roy Williams and children and Margaret Leslie and Carol Heaton, planned to leave Thursday for California where they will visit this summer. Mrs. Williams will visit in Oakland, Margaret in San Francisco and Carol in Yuba City with an aunt.

Mr. and Mrs. Al Goodin were hostesses Sunday in their home at fried chicken lunch. Guests were Neil Pounds, Albert Blalock, Jean Finley, Mr. and Mrs. E. B. Pounds and Mrs. E. H. Mosteller.

The seniors were to leave Thursday on their senior trip to Banderia Dude Ranch at Banderia and Corpus Christi. Mr. and Mrs. Al Goodin were to accompany them.

Visitors Wednesday and Thursday in the Elmer Weidner home were his aunt and uncle, Mr. and Mrs. Fred Weidner of Gage, and his cousins, Mr. and Mrs. Clarence Weidner and Mr. and Mrs. Bobby Weidner and children of Richmond Calif. They were en route to California from Oklahoma.

Mr. and Mrs. E. B. Pounds and son, Neil, entertained Kathy Wilson, Jean Finley, Albert Blalock, Mr. and Mrs. J. R. Cullender and Mr. and Mrs. Al Goodin at a steak supper last Thursday evening.

Mr. and Mrs. Ernest Frank and Twilla and Mr. and Mrs. Oscar Bronniman and boys visited in Claude Sunday with Mr. and Mrs. Russel Barnett, Ricky and Danny, and helped celebrate Danny's fifteenth birthday.

The first, second, third and fourth grade pupils and teachers, Mrs. A. P. Jones and Mrs. F. A. Kromer, toured the Taystee Bread Company and Lane's Ice Cream, after which they had a picnic lunch in Elwood park.

The seventh and eighth grade students also went to Amarillo and had lunch in the Park. They went to see the Coca-Cola Bottling Company and KGNC-TV studio. After their tour, they went swimming and skating.

E. B. Pounds opened the regular meeting of the Adrian P-TA May 9 with the invocation. N. W. Blankenship gave a talk on "Let's Evaluate" and "We the People—To Ourselves and our Posterity." Mrs. Hazel Chilton presented gifts from the people in the community to Mr. and Mrs. Al Goodin, who are leaving for Hart shortly.

Officers for the coming year were installed. They are: presi-

dent, Mrs. R. A. Grubkey; vice-president Mrs. Lorin Creitz; secretary, Mrs. E. H. Mosteller; and treasurer, Mrs. Bill Leslie.

After the installation, the meeting was adjourned to the lunchroom where refreshments were served by the hostesses, Mrs. P. H. Grubkey, Mrs. Manuel Loveless, Mrs. Walter Loveless and Mrs. E. B. Pounds.

Mrs. John Skaggs returned recently from a trip to Dallas where she visited with her son, Grady, and a sister, Mrs. C. H. Taylor. She also visited in Decatur with her mother, Mrs. John Bastian and another sister, Mrs. Malcolm Branch. Grady Skaggs is living in Aspermont and working with the Harrison Engineering Company of Dallas as a logging engineer.

Fuhrman home.

A Sharing Program Sunday evening at the Methodist Church climaxed a five-day Bible School last week. The children sang songs that they had learned at the church school, and those attending were shown exhibits of the children's work.

Mrs. Bobby Speed and children attended the high school graduation exercises at Ft. Sumner, on Tuesday. Mrs. Speed's sister, Elsa Jane Foster, was a member of the graduating class. Elsa Jane returned home with her sister for a visit.

Paul Pounds of El Paso visited Thursday in the home of his brother and family, E. B. Pounds.

Approximately 280 people were on hand last Monday night in the Adrian School Gymnasium to enjoy the John Snyder Barbecue given by the Adrian Wheat Growers. The seventh and eighth grade pupils entertained after supper with a selection of songs accompanied at the piano by Ninette Pounds and their teacher, Mrs. Hazel Chilton.

Winners of the prizes drawn were Mrs. C. R. Hollibaugh, M. H. Zaring Jr., and E. B. Pounds.

During the business meeting, John Skaggs and C. S. Perrin were re-elected to the Board of Directors of the Wheat Growers. Jack Irwin of the Cornell Auditing Company gave the auditors report. The guest speaker was Roy E. Davis, general manager of the Plains Co-operative Oil Mill company of Lubbock.

Mr. and Mrs. Joe Speed were in Roswell Tuesday to Friday of last week attending to business and visiting Mr. Speed's mother, Mrs. W. L. Speed.

The J. R. Cullender family visited Thursday to Saturday in Canyon with Mrs. Cullender's parents, Mr. and Mrs. E. A. Michael.

**The Telephone**  
Wash the telephone mouthpiece every week with a disinfectant. This will remove all germs, and also any odors accumulated from heavy breaths.

**Split Seams**  
If the seam of a knit underwear garment has come apart, bring the sides together with a bottom-hole stitch, using a heavy thread.

**A Laundry Hint**  
If colored clothes and overalls are starched from the time of their first washing, the starch will prevent the dirt from getting into the fabric and the sun will not fade the colors.

**Storing Linoleum**  
Linoleum must be warm when rolling it to prevent it from cracking and breaking. And before unrolling it, it should be placed before a fire and warmed.

**Cold Soap**  
Before adding water, when making cold soap, add 1 tablespoon each of powdered borax and ammonia to the dry lye. The soap will be better.

**While Cooking**  
When preparing a meal, keep a saucer or small plate on the side of the stove to hold the spoon after stirring the cooking food. If this is not done the dripping often bakes to the stove and is difficult to remove.

**Rusty Clothesline**  
When the wire clothesline has rusted, do not throw it away. Paint it with aluminum paint and it will last for a long time.

Q. What are good proportions for a girl 5 ft. 8 inches tall?  
A. Weight 138 to 145; bust 35; waist 26; and hips 36.  
Q. Is tar shampoo good for use on blonde hair?  
A. Not if you want to keep your hair light. It should be used only on dark hair, as it has a darkening effect.

### Less Friction with Trop-Artic Motor Oil!

In the experiment below, the slide on the left is coated with ordinary motor oil, while the one on the right is coated with TROP-ARTIC All-Weather Oil. When two steel blocks are dropped on the two slides at exactly the same time, the one on the right slips down nearly twice as fast as the one on the left. The reason is: less friction with TROP-ARTIC oil.

FRICION SLOWS YOU DOWN WHEN YOU USE ORDINARY OIL

NEW TROP-ARTIC OIL KEEPS FRICTION LOW

### IT'S PERFORMANCE THAT COUNTS!

New Phillips 66 TROP-ARTIC reduces friction far more effectively than any ordinary oil. By reducing friction, it extends gasoline mileage. And it can reduce wear, even to the extent of doubling the life of an engine. It can cut oil consumption 15% to 45%. It keeps pistons cleaner. New TROP-ARTIC is the first all-weather type motor oil to meet the highest standard ever established for automobile motor oils, the Mil-0-2104 Supplement 1 Test. Q. What can I do about the yellowish tinge my gray hair has taken on?  
 A. After your regular shampoo, dissolve about two tablespoons of bluing flakes in hot water and mix with your shampoo until you have a fluffy froth. Then dip your head into this and massage well through the hair. Rinse in clear, lukewarm water.  
 Q. Is there something I can do for elbows that are too sharp-looking?  
 A. Try massaging the flesh about them with palms well greased with mutton tallow, and this will help nourish them into roundness.

## Here's why PONTIAC WINS BUYERS FROM EVERY OTHER MAKE

- It's a king-size luxury car—Biggest at its price!
- It's a 200-horsepower performer—Most powerful at its price!
- It's a future-fashioned beauty—Most distinctive at any price!

It's America's topmost value—Greatest buy of any year!  
 Pontiac is selling at the fastest rate of all time for this simple reason: America agrees—when you can get the size, power, beauty and luxury you want at Pontiac's easy price, that's the place to put your money. Come in and get all the facts.

You can buy a big, 200-horsepower Strato-Streak V-8 Pontiac for less than many models of the lowest-priced cars and for much less than stripped economy models of higher-priced makes—none of which equal Pontiac in combined power, size and future-fashioned beauty.

CAN YOU SEE, STEER, STOP SAFELY? CHECK YOUR CAR—CHECK ACCIDENTS.

## An Appeal for 101 Days of Safe Driving

During the summer months—from Memorial Day through Labor Day—highway traffic fatalities are high. So high that the Governors' Conference has endorsed a nation-wide safe driving program during the 101 days between the two holidays.

Only you, the motorist, can make this campaign a success... If you, and every other highway traveler, will resolve to drive at a safe speed, to follow the recommendations of Safety Associations for safe highway driving, literally hundreds of lives will be saved during this summer's travel. One of them may be your own.

### Wherever you drive this summer, PLEASE DRIVE SAFELY

- Safety Associations recommend that you follow these simple rules for a safe vacation trip:
- Observe all posted speed limits; don't hurry, ever.
  - Regulate the speed of your car to highway and traffic conditions.
  - Don't drive too long—stop when you're tired.
  - Observe all highway caution warnings—slow down for curves, when descending steep hills, etc.
  - Don't drink when driving.
  - Follow the golden rule of traffic courtesy: give other motorists the same consideration you'd like for them to give you.

# Large Crowd Sees Midget Wrestlers In Action Here

By STANLEY PHILLIPS

About 450 fans turned out for the wrestling matches Saturday night at the Bull Barn, and saw three fast, rough bouts. The large crowd was gratifying to the 4-11 boys, who were getting the proceeds from the concessions to send members to the 4-H Roundup in June.

To start the wrestling out for the night, Cowboy Carlson tangled with Jim Siksay in a 15 minute or one fall match, in which tempers flared frequently. Neither man used any of the "dirty" tactics, but body slams and forearm smashes were hard enough to be irritating. Carlson came out on top when,

after several hard slams and his bull dogging hold, he pinned Siksay in 11 minutes.

### Special Event

Semi-final match for the night put the midget grapplers in the ring. Making his second appearance here was Tom Thumb of Canada, going against Cowboy Bradley of Amarillo. Both wrestlers weighed in at 98 pounds. Both boys were fast as greased lightning, and kept the ref, Karl Gray, on the move to keep up with them. Tom Thumb likes to mix a little of the rough stuff in with the wrestling and gave Cowboy a lot of trouble in the opening minutes of the bout. It looked as if Cowboy

had turned the tables mough, when he started coming off the ropes and blocking Tom, but after a couple of these blocks, Tom side-stepped Cowboy and kicked him in the stomach as he went by and that was the first fall in 11 minutes.

Coming out for the second fall, Tom Thumb went right to work on Bradley again using plenty of choking, hair pulling, etc., to gain an advantage. Finally coming back, Cowboy started using body slams to good advantage and was able to daze Tom enough to pin him in eight minutes for the second fall.

Third fall was a very fast affair with Cowboy still relying on the slams, and after four minutes of this, Tom was pinned again giving Cowboy the fall and the match.

### Main Event

In the main event of the card, there was a substitution and Maurice LaChappell took Dory Funk's place going against Jim LaRock. LaChappell, a very smooth and adept wrestler, had control of the first fall, and used just enough of the rough stuff to keep LaRock pouting and the fans excited. After playing with LaRock for a while, Maurice took him off the ropes and went into an airplane spin and then pinned him in 13 minutes.

During the rest period LaRock went to the dressing room to sober up from the spin and LaChappell stayed in the ring and kept the fans happy arguing with them. Growing tired waiting for someone to ring the bell, Maurice finally went over and did the ringing himself. This fall was a fairly fast one with the blustering LaRock trying a lot but accomplishing little. Several times LaRock tried drop kicks only to have LaChappell step back out of range while he (LaRock) fell on the back of his head. Maurice was finally caught in LaRock's rolling inside step over toe hold and was unable to break it. LaRock then switched to a rolling cradle and that was the fall, going to LaRock in 13 minutes.

After a minute and a half of rest, LaChappell was impatient to get on with the bout and walked over and rang the bell again. Maurice went right to work on LaRock and it looked as if the match were about over, but LaRock was able to grab the ropes and hold LaChappell on the mat. Apparently the ref was ready to home because he disregarded LaRock's use of the ropes for added leverage and counted LaChappell out. Even though he won the match, LaRock was still crying to the ref that he had nearly had a leg broken somewhere along the line, and seeing LaChappell had his back turned, he raced over and slammed him again. LaChappell had finished his night's work however, and refused to accept the challenge, going on to the showers while LaRock ranted and raved about the indignities he had suffered.

# DIFFERENCE

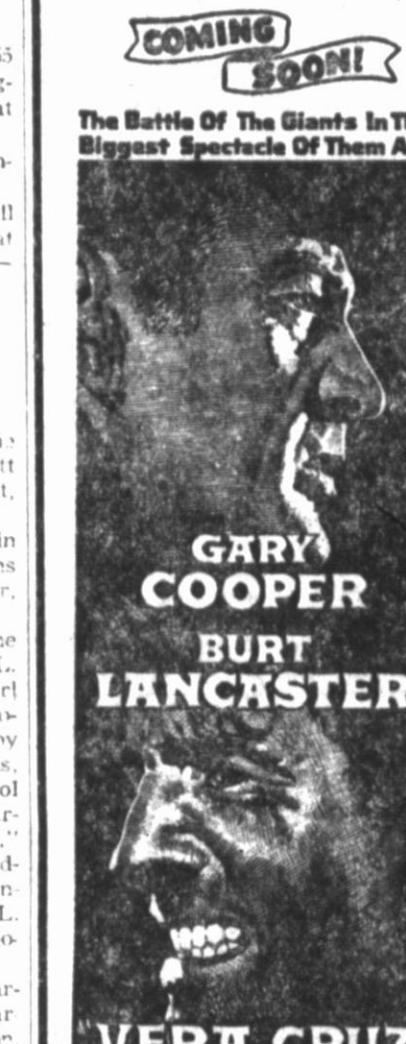

We honestly believe that there has never been such a difference between low-priced cars as there is today. Driving them will quickly show you that it isn't even fair to compare other low-priced cars with the Motoramic Chevrolet. Driving will show you that Chevrolet is actually stealing the thunder from the high-priced cars. So won't you come in and try out a new Chevrolet? We'll rest our case on what the car itself can tell you.
