## Rural Home Ravaged By Fire

### Father, Four Children Flee From Blazing House In Night Garments

By Mrs. W. R. Moore

A 44-year-old father and four children, ranging in age from six to 14 years, managed to escape with their lives as they fled from the flaming structure of their home in the Daniel community 1 1/2 miles northwest of Dawn, at 2:30 o'clock Monday morning. Everything else the family owned, except the night clothes they were wearing, was lost in the fire.

E. E. Miller, the father, was at home with the children when the blaze occurred. Mrs. Miller was in Odessa with a married daughter and a new grandchild. The Millers also have another son, who enlisted in the Army and left for camp on Friday before the fire.

The fire apparently started in the bathroom of the four room stucco house.

"I smelled smoke and went to investigate," Mr. Miller said. "When I opened the bathroom door it was already completely destroyed and the flames shot through the rest of the house." The Millers had only lived in the community for about a month, although they had worked in the Panhandle area for some time.

The neighbors fought the fire until around 5 o'clock, but were unable to save the house. The fire spread to the pasture around the house but the neighbors were able to stop the flames before much damage was done.

The Millers have been staying at the Carl Griffin home since the fire, but plan to move to the Glen Allred place this week. They will stay there until their house is replaced, Miller said.

Early Monday morning found the neighbors out taking up donations of money and clothing for the Millers.

By Wednesday afternoon about \$500 had been collected, along with clothing, bedding, furniture and other household items.

The Deaf Smith County Red Cross outfitted the family with groceries to supplement the stores of the Griffin family, where the Millers were staying.

escape, but saved only the night clothes in which they were clad. Top photo is looking toward the front door, while lower photo was made from the rear of the location. (Photo by Mrs. W. R. Moore, Brand Correspondent.)

RUBBLE, TWISTED METAL and the stone foundation were all that was left of the four room E. E. Miller home in the Daniel community. The fire broke out around 2:30 o'clock Monday morning and, despite efforts of neighbors, continued for three hours. Mr. Miller and his four children managed to

## Around Town

Even the weather failed to provide enough variety to furnish any outstanding topic of conversation this week. Most merchants are reporting a slight decline in business—but report things are well ahead of January, 1954.

Schools, always a good topic, are creating considerable comment these days. The Citizens Committee, organized with an eye to review of conditions and another grade school, will meet at 2 o'clock this afternoon, Jan. 27, in the Jim Hill Hotel ballroom, according to Sidney Fuller, committee chairman. All interested persons are invited to attend, Fuller said.

Rotary Club members are also thinking about the coming Junior Livestock Show. The date has been set for Friday and Saturday, Feb. 18-19. Club committees have not yet been released.

Reservations have also been made through the Chamber of Commerce for 25 Hereford residents who plan to attend the Fort Worth Livestock Exposition on Feb. 5—"Hereford Day." The group includes a generous sprinkling of Rider's Club members.

A Negro minstrel and pie supper has been scheduled at Westway Community house Saturday night, Jan. 29. Proceeds will benefit the Deaf Smith County "March of Dimes."

Stockholders of the Hereford Housing project are again reminded of the meeting Saturday after-

## Three Rural Areas Seek RFD Extension

Mail service for three communities was sought this week, when 98 residents of the northwest part of Deaf Smith County petitioned Congressman Walter Rogers for an extension on Rural Route Four out of Hereford.

The extension would run some 15 miles west of the present route, forming a rectangle and coming back into Route 4 south of the turning point. Patrons on the proposed extension pointed out that many of them are now required to drive as far as 35 and 40 miles to have adequate mail service. Communities involved include Walcott, Bippus and Simms.

"I have requested the post office department to set on the proposal and the matter is now

under study," Mr. Rogers this week advised the Chamber of Commerce, which also joined the group in an effort to get the extension granted.

Route 4 is now 67 miles in length and, if the request is granted, will be extended to 107 miles in length. Distances between boxes, a post office regulation on routes, appeared to be the probable complaint on the part of the post office.

Some of the adjoining area is served on a two-day Star-Route out of Vega and other portions to the south are served by a Star Route out of Friona. Most of the residents in the immediate area under consideration, however, are forced to drive to Hereford or to Friona in order to have adequate mail service.

### BRICK BUILDING SELLS FOR \$10

### Ford School Purchased By County; May Be Turned Into Meeting Place

The Ford School house recently became the property of Deaf Smith County and will, in the future, afford a meeting place for residents of the area, according to present plans.

The building was acquired by the county for the sum of \$10, representing a token bid which was accepted by the Vega School district in view of the fact that the building was originally constructed in the area largely through donations and community effort.

The school, located about 16 miles north of Hereford on Highway 51, was constructed in 1890 at a cost of around \$9,000, more than half of which was raised through donations. Later, the Ford common school district consolidated with the Vega School district, and the property transferred owner-

ship to Vega. Lack of attention also left the building in poor condition after it ceased functioning as classrooms.

Decision to sell the building recently led residents of the Ford area to protest the sale and, finally, the purchase of the building by the Commissioners Court in their regular session here last Monday. The Vega district approved the sale, chiefly in view of donations involved in the original construction.

Commissioners did not go into details as to the exact use of the building, but it was generally understood that it will be used for a community house and general meeting place. They also discussed possible location of a county road employees in that area in a portion of the building.

### Church Of Christ Asks For New Zone On Knight Street

Discussion of re-zoning the area north of the new Parochial School from District "A" to District "B", allowing erection of a Church of Christ building, will be the chief topic of interest when the City of Hereford Zoning commission meets on Monday, Feb. 10, in the City hall. The meeting has been called by J. C. McCracken, chairman, for 7:30 o'clock.

The zone change was requested by Lawrence McGee in behalf of the local Church of Christ, and concerns a tract approximately 205 feet by 330 feet. Location of the site is at the intersection of Knight Street and Plains Avenue in the Welsh addition with the building separated by an extremely long block between the proposed structure and north from the Parochial School, now under construction.

The petition cited that the Church of Christ wished to build "a place of worship" and was submitted by the Board of Elders of the church. No further details were listed.

### March Of Dimes Drive Extended To Golf Course

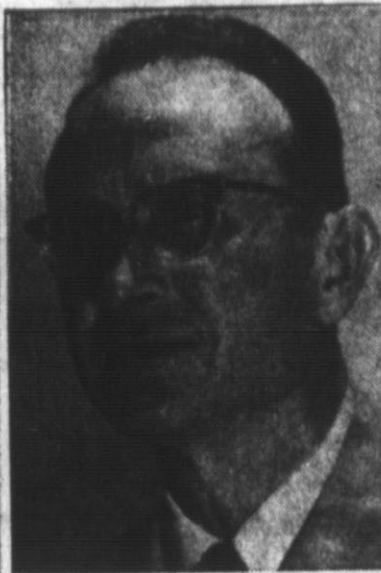

Golfers—all ages, male and female—are invited to play in the March of Dimes Golf tournament on Sunday, Jan. 30, if it's cold, damp, windy, warm or otherwise. "Just bundle up accordingly and come on out," Bud Posey, Hereford pro urged.

"Let's contribute as much money as possible to the March of Dimes to help little polio," Posey said.

The tournament, a nine hole handicap affair, sponsored by the Hereford Golf Club will be held all day Sunday at the local course. All proceeds from the tournament will go to the March of Dimes.

A person may play as many nine hole rounds as he wishes according to Posey but must contribute to the March of Dimes for each nine holes played.

Golf ball prizes will be awarded to the low net winners of the tournament.

M. C. ADAMS

### Adams Is Awarded Silver Beaver At Area Scout Meet

The Deaf Smith district received unusual recognition last Thursday, when the Llano Estacado Council of Boy Scouts recognized Dr. Milton C. Adams with the award of Silver Beaver.

The award, based upon "distinguished service to boyhood," was one of three made by the Llano Estacado Council this year, the two others going to Dumas and Amarillo men. The Deaf Smith district also won the annual attendance banner with 51 present from the area.

Scouting awards are not new to Dr. Adams, who joined the Boy Scouts in Lubbock in 1930, and has since been active in Scout work. While a member, he climbed to the rank of Eagle Scout, highest offered by the organization, then added the Silver-Gold palms for continued activities. While in Lubbock, he also served as assistant scout master and later as neighborhood committeeman.

In 1946, Dr. Adams moved to Hereford and continued his work with the Boy Scouts, serving as scout master and for the past three years as District commit-

(Continued on Page 2)

### Lions Club Will Delay Community Building Project

Hereford's proposed Community Center, sponsored by the Lions Club as a possible bond issue project for 1955, was temporarily put on the shelf this week following a meeting of club directors.

"In view of the school needs of the community, along with other important and basic needs which appear eminent, our committee recommended that the directors drop the Community Center temporarily," said W. F. Decker, Lions chairman. "There were hundreds of people who favor the Community Center, and who think that it is a good thing. Present circumstances arising from growth of the town, however, indicate that it may be wise to delay the project temporarily."

### Youth Critically Injured In Fall From Car Fender

Lenoy Rudd, 20, son of Mr. and Mrs. C. S. Rudd, is in the Deaf Smith County Hospital where he is being treated for a broken hip and leg, also possible back injuries, as the result of an accident Saturday afternoon around 6:30 o'clock. The accident occurred about one-fourth of a mile east of the old POW road. Rudd also suffered abrasions over his body from being dragged on the roadway.

Rudd, who was riding on the fender of the car, was thrown off and the car ran over him before the driver could stop. He was dragged about 100 feet on the road. The car had stalled, Rudd said, and he got out and worked on the motor until he got it to running. He then climbed on the fender in-

### Tatum Exhibits In Fort Worth Show

Weldon Tatum left Tuesday morning for Fort Worth, accompanied by his Hereford 4-H calf and County Agent Hugh Clearman, where he will enter the calf in the Junior Division of the Fort Worth Fat Stock Show.

Weldon is the son of Mr. and Mrs. Ellis Tatum of the Black Community and has considerable experience as a 4-H exhibitor. His sister, Mary, was the young lady who, in 1953, created quite a commotion by taking top honors with her Shorthorn entry at the Texas State Fair in Dallas.

### Poll Taxes Lag; Only 904 Paid

Poll tax payments were still lagging in Deaf Smith County, according to Sheriff Lowell Sharp who reported 904 receipts issued here Wednesday. Voters still have 10 days in which to pay poll tax with the deadline set on Jan. 31, 1955.

In 1954, the final count was 2,807 receipts, which was also sharply under the 3,296 figure shown as an all-time record in 1953.

"Unders"—persons who will become 21 years of age during 1955—should go to the tax office before Jan. 31 and get an exemption without cost, according to Sharp, who said that they will then be eligible to vote in any election, which occurs 30 days after their twenty-first birthday during the coming year. "Overs" also get free votes if they became 60 years of age before Jan. 1, 1954; these people may secure exemptions by applying at the tax office before Jan. 31. However, they have generally been voting without exemptions in Deaf Smith County.

(Continued on Page 2)

### Cagle Back From Revival Series Held On Jamaica

Dr. R. H. Cagle, former pastor of the First Baptist Church in Hereford, returned to Ballinger recently from Jamaica and Cuba, where he conducted a series of services.

Friends of Dr. Cagle said that he was sent into the area by the Ballinger Church in cooperation with the evangelistic program of the Southern Baptist Association, spending 10 days on the island of Jamaica. The group included 56 Baptist ministers, who reported 80 decisions, 76 conversions, and 2,771 professions during the evangelistic campaign. Dr. Cagle worked chiefly at Spanish Town and in Old Harbor Bay churches. He also held one service in the Spanish Town penitentiary.

Dr. Cagle made the return trip by plane and fulfilled his regular pulpit duties in Ballinger on Jan. 16.

### Funeral Services For Rudd Infant

Graveside services were held Monday morning at 10 o'clock for John Michael Rudd, infant son of Mr. and Mrs. Kenneth Rudd, Rev. S. M. Dunningham of the First Methodist Church conducted the services.

The infant was born at the Deaf Smith County Hospital on Saturday, Jan. 22, and lived about four hours.

Survivors were his parents, Mr. and Mrs. Kenneth Rudd, two sisters, Teresa and Susan, paternal grandparents, Mr. and Mrs. Paul Rudd of Hereford and maternal grandparents, Mr. and Mrs. W. A. Sims of Odessa.

## C-C Ticket Sales Pass 500 Mark To Set New Record

With ticket sales well past the 500 mark at noon Wednesday, a record attendance was forecast for the annual Chamber of Commerce banquet to be held in the new high school gymnasium Friday night, Jan. 12, starting at 7:30 o'clock.

A last-minute shift was announced Saturday in order to take care of the exceptional demand for tickets this year, Bill Lenderman, manager, said.

**Variety Program**  
The annual event will also feature several other changes. A variety program headlines entertainment for the occasion, and will be directed by Harold Dunn, Shamrock president, who will also appear as principal speaker.

Orvie Nix will entertain with a comic routine, followed by "The Crestliners," an Amarillo quartet furnished by Mr. Dunn, Jas. W. Witherspoon will introduce Dunn, who will act as Master of Ceremonies during the entertainment features of the program. Dinner music will be furnished on an organ by Mrs. Johnnie Simms.

**Citizen of Year**  
Another feature of the annual banquet will be presentation and introduction of the "Citizen of the Year," sponsored annually

by the Hereford Lions Club. This award will be made by Cecil Massey, Lion president. Selection this year was made by a special committee composed of representatives from the Lions, Kiwanis, Rotary, B. & P. W. and Jaycees.

Tom Alderson, retiring president of the Chamber of Commerce, will present Ralph Hastings, incoming president, who will, in turn, introduce other officers of the organization.

Arrangements have also been made to open adjoining classrooms in the high school to serve as cloak and hat rooms during the banquet, Supt. Geo. L. Graham announced.

Food for the annual banquet will feature prime roast, served by a special catering company out of Fort Worth, Texas. The meal will be served buffet style.

Mr. and Mrs. Ralph Smith and Mr. and Mrs. C. O. Wilkins returned Tuesday from a short trip to points in California. They visited in the home of Mr. and Mrs. Bill Smith at Holbrook and Mr. and Mrs. Billy Smith Jr., at Brawley. Mrs. Bill Smith Jr., is a daughter of the Wilkins.

### PAY IS \$4 PER DIEM

## Lady Jurors Get Break On Sleeping Quarters

Women jurors now have the same legal status as men jurors—but there still burns a spark of chivalry in the hearts of Deaf Smith County's four commissioners.

After discussing at length quarters for women jurors, the commissioners decided that women will be housed in the hotel during such rare instances that jurors are required to remain overnight. Men

jurors will continue to inhabit the dreary quarters of the court house dormitory. The court also allocated use of the third floor rest room to women jurors, along with other women workers on the third floor.

When it came to money, though, the commissioners tossed chivalry out the window. They discussed raising jury salaries in detail, but took no action. Jurors, both male and female, will continue to draw \$4 per day for their services.

## Drought And Green Bugs Appear As Major Hindrances To Wheat Crop

Condition of some 250,000 acres of wheat still in Deaf Smith County depends greatly upon moisture which falls during the next 60 days, according to County Agent Hugh Clearman this week.

Clearman also cited green bugs as a possible serious threat in this area, but stressed the drought as the area's most serious threat. "Continued dry weather, along with high winds in February and March, will wipe out a lot of wheat in the north and east portions of the county," he said. Clearman also released the following results on a green bug survey, conducted by entomologists of Texas A&M College system:

"Small grain insect surveys made from Jan. 7 to Jan. 14, in 20 Panhandle counties indicate that the green bug situation remains about the same as reported in the last Entomology News. Cooler weather has apparently destroyed some of the beneficial insects as the predator ratio is now considerably lower than previously reported.

"Green bugs were found generally over the Panhandle; however,

populations were much lighter in the northern counties than in the southern counties. No green bugs were found in the fields inspected in Dallam, Hartley and Lipscomb Counties. Other northern counties averaged from 1 to 5 greenbugs per linear foot, with the exception of one field in Moore County and one field in Hansford County where 10 to 30 green bugs per linear foot were found. A heavier than average population was also found in Gray County.

"The southern counties averaged three to 10 green bugs per linear foot. A few fields in Randall and Deaf Smith Counties have larger than average populations. Heaviest infestations were again found in the two irrigated fields in the south end of Wheeler County and averaged approximately 50 green bugs per linear foot.

"The decrease of beneficial insects may give the green bug an opportunity to increase to damaging infestations. Unless moisture conditions improve, it is doubtful that control measures would be practical even though very heavy infestations develop."

## City Tax Survey, First Since 1946, To Be Finished In April

Work is approximately two-thirds complete on tax equalization program now in progress for the City of Hereford, according to announcements this week. Object of the survey is to place all taxable property on 1948 valuation levels, from which tax percentages will be used to meet the city budget.

Tax payers will note any difference in the valuations when they render their taxes and, if not then, when the board of equalization meets.

The current program, ordered by the City Commission, is being accomplished by city employees, and is summarized as follows by City Manager Cecil Massey:

"The Commission is having City employees study every piece of

real property in the City Limits with the objective of eliminating existing inequities from the next tax roll. It is their avowed intent to see that this is done with fairness and impartiality to all.

"The last time that an equalization program was undertaken was in 1946, when it was done by a firm of consultants out of Fort Worth. Hereford has grown considerably since then, however, and the character of many areas of this City has changed, with resultant imbalance in the tax rolls.

"Since December 1, of last year, approximately two-thirds of the property in the City has been reviewed and the records at City Hall brought up to date. This out-

door end of the program will probably be completed about the end of February, at which time the property records will be completely reviewed and all property values placed at 1948 levels. Needless to say, taxes on some properties will go up while those on other properties will decline.

"At the present time, it is not known just what the ultimate appraisal on any given property will be, since a large number of factors are being studied individually and will not be related to individual properties until the final phase of the study. It is hoped that this program will be completed in the early part of April, and Hereford will then be able to claim the "Fairness Tax in Texas."

**Adams.....**

(Continued from Page 1)

He has also been active in other fields, including the Masonic lodge activities.

Dr. Adams was a charter member of the Hereford Toastmaster's Club, serving two terms as educational chairman and one term as president. He was then area governor of area one, district 26, and Lieutenant governor of District 25 in 1952-53, which includes all of Texas and the western third of Louisiana. The same year he served as Provincial governor, also covering a large territory. At present, he is serving as governor of District 44, Toastmaster's International.

A graduate of the Northern Illinois College of Optometry, Adams graduated in June, 1940.

**Around.....**

(Continued from Page 1)

noon, Jan. 29, at 2 o'clock in the county courtroom. Operation and selection of officers and general problems will be discussed.

The annual school census is being taken this month, according to Supt. Geo. L. Graham, who asked that everyone with school-age children call 1387 if they have not been contacted before Feb. 1. He stressed importance of listing all school-age children in order to make plans for coming terms.

The high school seniors will also be guests of the Baptist Church Thursday night for the annual Senior banquet sponsored by the group.

David Morgan is back from Fort Worth, where he attended a Frigidaire sales meeting. He also stopped over at Lake Kemp a few days and was showing pictures of unusual crappie catches. He reports 45 fish in three days, and says he is now showing '53 models on appliances, all of which is a good example of combining pleasure with business.

Friends received word this week of the death of B. M. Hester of Wichita Falls. Hester was a pioneer resident of this area, coming here as a boy. He left in 1917, moving to Wichita Falls, where he engaged in the oil business. He is survived by his wife, a son, B. M. Hester III, three granddaughters and a brother, J. B. Hester of Pharr, Tex.

Mrs. V. Moffitt, Box 391, Crossville, Tenn., is hunting for the person who wrote her from Hereford about Dempsey Sothard. She says write again. She has the information, but has lost the name and address of the person making the inquiry.

All Hereford merchants were today urged to attend the Merchant's Committee meeting in Jim Hill Hotel Friday, Jan. 28, at which time a chairman will be elected and other pertinent questions will come up for discussion. The committee, in addition to opening and closing hour policies, discussion of credit and bad check methods, also plans town-wide policies governing business houses.

Firemen answered an unusual call at the J.H. Alston residence, 226 Avenue I, Wednesday when

## Canyon Eagles Nose Out Whiteface Quintet By One Point Here Tuesday

By Billy Paul Knox  
In a super thriller delux, the Hereford Whitefaces, after playing a wishy-washy first three quar-

ters, put on a tremendous rally, but the Canyon Eagles survived to take a 60-59 LAA triumph Tuesday night in Whiteface gymnasium.

Canyon jumped to an early lead, and it was entirely their game until the Whitefaces began their rally. The Eagles took a 5-2 lead and never trailed until Hereford took a 57-56 lead with about two minutes remaining in the game. Sophomore George Snapp turned the trick for the Eagles, with Can-

yon trailing 59-58 and about 46 seconds remaining on the clock Snapp drove in and sank the winning tally for Canyon. He is one of the two sophomores on the Eagles' starting lineup. Francis Boyd sank his 426th point for Hereford, but he was not hitting well. Boyd scored 19 points, but Eagle sophomore Charles Neblett did a good job of guarding him.

Canyon scoring was well distributed, as they had three men who passed the 10-point mark. Boyd and Hershey scored in the double numbers, but Jim Burkett scored eight, and played a bangup game.

The Eagles were also moderately successful at the free throw line. Hereford was guilty of 14 fouls and Canyon sank 18 gratis tosses. Canyon fouled 17 times, and Hereford made 17 free throws.

Canyon was hitting from all angles in the first three periods, as they displayed in the first stanza. Joe Dickerson paced them to a 18-11 lead at the end of the first period.

The second period was the same, but the Eagles gained one point on Hereford. The Eagles scored 10 points to the Whitefaces' nine to make the score at intermission time 28-20 with Canyon on the long end.

In the third quarter, the Canyon team again gained on the Whitefaces, this time three points. George Snapp ran the Herd ragged as Canyon outscored Hereford 21-18 to make the score at the end of three 49-38.

Hereford came out strong in the final quarter and went to work in earnest. The Whitefaces put on the rally of the year, and finally captured the lead with about two minutes remaining, but Canyon survived, as Snapp sank the game-winning shot.

A key factor in the Whitefaces' rally was five foot, seven inch guard Jim Burkett. Burkett scored eight points in the last quarter and played an excellent game on the defensive.

High scorer for Hereford was Francis Boyd with 19. Boyd now has 426 points for 20 games. Hershey had 11, and Burkett and Godfrey had eight. High for Canyon was Joe Dickerson with 25 points. Sophomore Charles Neblett and George Snapp had 17 and 11 respectively.

Hereford's next game is Friday night against the Bovina Mustangs. Bovina has previously defeated Hereford twice this year, and will be favored to do so again when they take on the Herd in Whiteface gymnasium.

## Walcott News

By Mrs. T. L. Collins

Two school buses left Walcott, during the noon hour Friday; S.O. Perkins driving one, with all the girls from upper four rooms, T.L. Collins, principal, driving the other bus filled with boys, M. L. Preston, teacher of fifth and sixth grades also went with the group.

Walcott boys played a matched basketball game with Hereford in their gym. A good clean game was played by members of both teams. Final score of 21-26, was in favor of Hereford. Pep squads for both Hereford and Walcott seemed to be very much on their toes.

Walcott boys and girls returned to their school with smiling faces, reporting a good time.

"March of Dimes" money has been collected from Walcott School children.

Willis Dufur, son of Mr. and Mrs. S. D. Dufur, is home now, after two trips to the Hereford hospital. He has suffered with a knee injury caused by a horse jumping while Willis was standing in the stirrups. The legments in his knee were pulled loose. Willis now has a cast on his knee and expects to improve daily.

Roy Grider is in the Veteran's Hospital in Amarillo. He is improving. We hope he'll be able to return home soon.

Mrs. Eldred Brown gave a Tupper Ware party in her home Thursday afternoon, Jan. 20. About 16 guests were present. Nice time was had by all.

Several Walcott people attended the formal dedication of Hereford's

new high school building Thursday night. We were proud of everything and we do appreciate the privilege of hearing Mrs. Billie Davis speak. We thought the flowers throughout each department of the building beautiful. Most adults liked the working units of the school so much, we'd like to start back in high school ourselves.

Mrs. S. D. Dufur is going to St. Louis, Mo., next week, if Willis continues to improve, to see and be with her brother, Jess Cole, who is in the hospital there, suffering with an eye injury.

### Wahanta Group

Members of the Wahanta Camp Fire group met Thursday afternoon to make belts. Those helping with the belt making were: Mary Beth Sparks, Jean Glass, Dolly Jo Prowell, Janie Bookout and Nona Marie Strange.

Refreshments were served by Kay Lynn Scott and Sheryl Patterson.

Those attending were: Margaret Boomer, Judy Kay Coffin, Bonnie Rae Craig, Jenny Lynn McCathren, Sheryl Patterson, Sandra Robertson, Kay Lynn Scott, Rosa Lee Strange, Jean Terry and Sheila Williams.

### Home Dem Group Features Reports

The Home Demonstration Council met on Jan. 24, in the county court room with all 11 clubs presented, nine of which had a hundred percent attendance of club presidents and council delegates.

Recreation was led by Mrs. G.V. Hall and Mrs. Jack Fortenberry from the Bippus Club and Mrs. Dwayne Walker for the Ford Club. Mrs. N. A. Brown, chairman presided at the meeting and called for committee reports which were given by the following: Mrs. Dwayne Walker, recreation; Roberta Campbell, Finance; Mrs. T. Parsons, Clorus; Mrs. Ira Ott, leaders committee; Mrs. Earl Sanders, Marketing; Mrs. Earl Hart, reporter.

Mrs. Argen Draper CHDA, explained committee recommendations and council recommendations were read and accepted with some revisions.

Mrs. A. E. Hodges THDA chairman, announced that a training meeting will be held in Panhandle in Jan. 27 in the Memorial building beginning at 11 o'clock. Each woman attending is requested to bring a sack lunch. Carson County women will serve coffee. Clubs were also asked to send names of nominees for delegates to the District meeting in April and nominee for THDA chairman to the next council meeting on Feb. 23 as an election will be held following the meeting.

Mrs. P. B. Sowell, parliamentary, gave pointers on "Good Parliamentary Procedure."

Mrs. S. S. Williams gave the audit report of 1954.

Women attending were: Mrs. J.

### Talent Shows To Boost Dime Drive

Two talent shows will be the highlight of the March of Dimes campaign in the local schools.

The two shows, both scheduled for Monday morning, Jan. 31, will feature talent from the classes and a March of Dimes film, "They Shall Not Wait."

The junior high school talent show will begin at 9:30 according to Mrs. Fred Welch, who is in charge of the campaign in junior high school. The program is open to the public. There will be no charges but a donation will be taken up for the March of Dimes.

A similar program is planned at the high school and will begin at 10:50, Pat Sullivan, school chairman announced.

### Mrs. Jim Wiman To P-TA Office

Mrs. Jim Wiman was elected first vice president to fill the vacancy created by the resignation of Mrs. H. E. Wester when the executive board of the P-TA held its regular meeting in the office of Supt. Geo. Graham on Monday evening.

Mrs. Homer Brumley, president also reports that plans were made to give special recognition to new school patrons at the next P-TA meeting on Feb. 28, in the High School Auditorium where all meetings of the organization will now be held.

O. D. Lowery, principal of Shirley School, was given the five dollar cash award for the school's having the biggest turnout on school visitation night in December.

Mrs. Brumley also announces that some books and papers on "Mental Health" have been placed in the library for the public to use.

At the next meeting the executive board will select one teacher and one other P-TA member to receive life memberships and anyone wishing to make a nomination may give the names to a member of the executive board before Feb. 28.

### Camp Fire Plans Sale Of Candy

Bluebird, Campfire and Horizon Club girls will participate in a city wide candy sale next week, according to Mrs. Homer Brumley, Camp Fire Council president.

The proceeds from the sale will go to the individual groups, Mrs. Brumley said.

Many of the groups plan to apply the money to their summer camp fund.

The girls, Bluebird, Camp Fire and Horizon Club members, are to all meet at the Camp Fire Hut, Monday afternoon at 3:30 to distribute leaflets over town announcing the annual Mother's March which will be held that night.

### Sunshine Club Holds Meeting

Mrs. Fred Higgins was hostess for members of the Sunshine Club on Jan. 13.

The afternoon was spent in discussing year books. Members also voted to contribute to the March of Dimes. Two new members were voted into the club. They were Mrs. Jeff Davis and Mrs. Alton Kemp.

Others attending were Mesdames E. W. Pittman, Billy Wells, T. H. Teague, Lois Kemp, Nell Pittman, Edith Sheppard, Myrtle Cawthorn and George Miner.

### Card of Thanks

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us as a precious memory.

Our heartfelt thanks for the beautiful services, floral offerings and other kindnesses, were deeply grateful.

We would also like to thank the doctors and nurses. They were so good to us.

Mr. and Mrs. Kenneth Rudd Teresa and Susan  
Mr. and Mrs. Paul Rudd and Homer  
Mr. and Mrs. W. A. Sims and family  
Mr. and Mrs. Harold Rudd and family

## Frio News

By Veradelle and Frances Andrews

Rev. McGraw of Pep, Tex., brought the Sunday morning and evening messages at Frio. He took dinner with the O. W. Parrises.

Mr. and Mrs. Charles S. King of Amarillo visited in the home of her parents, the J. E. Andrews, Sunday. Others spending the day there were: Mr. and Mrs. T. L. Sparkman Jr., Bonnie, Tommy and Barbara, Mrs. Elmer Jones and Marilyn, Mr. and Mrs. Owen Andrews and Joe Edd visited there in the afternoon.

Dan McLallen of Fort Hood is home or leave this week. He, being part owner with his family of the Ben Franklin Store, expected to help with the invoicing and opening of the store on Friday, Jan. 28. Mr. and Mrs. James Dobbs ate dinner in the S. B. McLallen home Sunday.

Duane Shook of ENMU is spending the week with Glenn Andrews and helping the Andrews farm.

The Frio WMU met Tuesday in the home of Mrs. Owen Andrews. The program was on "Jewish Missions." Those attending were: Mesdames T. L. Sparkman Jr., E. H. Little and Becky, Weldon Stephan, Miss Alma Andrews, and the hostess. The next meeting will be at Mrs. E. H. Little's on Feb. 1.

The Wednesday night prayer service time has been changed to 7:30 o'clock. C. E. Sparks of Hereford

## Tuesday Was Bad Accident Day For City Car Drivers

Damage to the Perkins trailer was set at \$250 and to the Ford at \$350.

Patsy Jean Wright was given emergency treatment at the Deaf Smith County Hospital.

Mrs. Wright was given a ticket for driving at a speed in a manner likely to endanger lives or property.

No Damages

No damages were listed in an accident Tuesday morning at the intersection of Avenue F and Union.

Christine La June Thomas, who was driving a 1954 Pontiac was going south on Avenue F and Mrs. Levelien Hooper was approaching the intersection going east on Union, when the two cars collided. Mrs. Hooper was driving a 1953 Chevrolet.

Mrs. Hooper was given a ticket for running a stop sign and fail-

## 5900 Damages

Damages were estimated at \$600 in an accident Tuesday night on Highway 60 about 115 feet east of the intersection of Witherspoon and Highway 60.

Patsy Jean Wright, driving a 1950 Ford, collided with the rear of a trailer parked on the south edge of Highway 60. The trailer was behind a car belonging to Floyd Perkins, who was moving to Milford, Mich., from Arizona.

will conduct the study of the church manual. All members are urged to attend these services.

## Post Office Smash

Damages were set at \$50 when two cars collided in front of the Post Office Tuesday.

Ina May Gilbreath, driving a 1954 Oldsmobile, was backing from a parking place in front of the Post Office and Mrs. G. D. Gahbert in a 1952 Chevrolet was going north on Main when the accident occurred.

Damages of \$50 were set on the Chevrolet.

Mrs. Gilbreath was given a ticket for failure to grant the right-of-way.

MRS. DON ROOT, president of the Art Guild organized recently is shown presiding at a meeting held on January 14 in the Art Room at the Junior High School. Others pictured are Vandell Edwards, Pat Linden, secretary for the organization, and Mrs. Ernest McGee who is vice-president. More than twenty have been enrolled in the extension class in art to be taught by Professor A. L. Keiselbauch from West Texas State College the Spring semester which is beginning the last of this week. (Staff Photo)

## HD Chatter

by Argen Draper

The Community Meeting at Simms on the 20th was most enjoyable. The Cord Hammocks had invited the H. D. Choral Club to come out and sing. The club appreciated the invitation and had a good time going out and enjoyed the fine Western hospitality that is always so evident in that Community. Gord Hammock was chairman of the meeting but all the folks in the community made the meeting a success.

At last the Quick Bread bulletins have been reprinted and have been received in the office. If you got a mimeograph copy of the quick breads and want the bulletin just call the office. Mrs. O. C. Williams told us at the North Hereford Club meeting how much her family is enjoying the Banana Nut Bread. The North Hereford Club met with Mrs. Ludwig Kovacs and she served Cottage Cheese Strudel

and Apple Strudel. This is a dish of her native Austria, as you know. It is a good dessert.

The Cultural Club meeting date was changed so we could attend the training meeting in Panhandle. This club has always taken advantage of the training that district and state officials give in the Texas Home Demonstration Association. Mrs. R. C. Childers is club hostess for this meeting and she was co-operative in changing the date. Mrs. Edgar Telchik is program leader that day and she should have a good progress report to give us on the landscaping they have done. The Privet hedge south of the Telchik's house up on Ave. E is a good demonstration of how much protection a young hedge can give. The screening plantings do not have to be trimmed. They are pretty untrimmed and give

(Continued on Page 2)

## Spanish Omelet Spices Menu For Good Eating

To many people eggs are something to be fried or soft-boiled for breakfast and to use in making desserts and other baked dishes but eggs can be made interesting for any meal with a little dressing up. They may sometimes serve as a main dish by baking and serving with a sauce or making into an omelet.

Since eggs are plentiful and the first month of the year has been designated January Egg Month some special recipes for using eggs are given below.

### Spanish Omelet

6 eggs.  
6 tablespoons hot water  
¼ teaspoon pepper  
3 tablespoons butter  
¾ teaspoon salt  
Beat eggs lightly, just enough to blend yolks and whites. Add water and seasoning. Melt butter in hot omelet pan or skillet and let run over bottom and sides of pan. Pour in mixture and cook slowly. As it cooks prick with a fork so egg on top will run under the sides. When evenly cooked, increase the heat so the omelet will brown underneath. Fold and serve on a hot platter with the following sauce.

### Sauce

8 large tomatoes cubed—Canned tomatoes may be used.  
4 onions, chopped  
1 clove garlic, chopped  
1-8 teaspoon black sage  
5 tablespoons fat  
1 cup green chili pulp—Commercial canned chili may be substituted in equal proportions.  
pinch culantro (coriander)  
1 teaspoon salt  
Cook tomatoes slowly 10 minutes. Fry onions and garlic in hot fat. Combine all ingredients and simmer for three hours, adding hot water as necessary. Pour over omelet, or fill ends of platter with sauce just before serving.  
Note—Cooking time for the sauce may be speeded up but the recipe is from a Mexican cook book and almost everything prepared by Mexican women who originated the recipes was cooked for hours to blend the flavors.  
Baked Eggs and Rice in Tomato Sauce  
½ cup uncooked rice  
1 pint canned tomatoes  
¾ teaspoon salt

1 onion  
4 cloves  
2 tablespoons melted butter  
2 tablespoons flour  
5 eggs  
2 tablespoons grated cheese  
1 cup buttered bread crumbs  
Cook the rice by any method until tender. In the meantime prepare a sauce by straining and heat-

ing tomatoes, and thicken with flour and add the butter. Make a layer of the rice in a shallow greased baking dish, drop the raw eggs carefully on the rice, pour on the sauce, and sprinkle the top with the grated cheese mixed with the bread crumbs. Bake in a slow oven until eggs are set. Serve in baking dish.

## Screen Planting To Be Theme Of H-D Club Women In Coming Weeks

Screen planting to the woman in town may mean simply setting out a hedge to divide her yard from the neighbors or surrounding an area in the back yard with shrubs for privacy but the Home Demonstration Club women find that their program on landscaping the farmstead often involves a much larger area. Unsightly sheds and machinery such as combines are not always easy to hide behind screen planting. However such shrubs as lilac and salt cedar as well as evergreens may be used quite well for screen planting; the women are learning in January meetings.

Clubs reporting are:  
North Hereford  
Mrs. Ludwig Kovacs was hostess for the North Hereford Home Demonstration Club on Jan. 20.  
Argen Draper CHDA, gave the program on Screen Planting with

special emphasis on the use of lilacs and roses as hedges. Various types of screen plantings were identified and the characteristics of each pointed out by the agent.

At the business meeting club policies were read and revised and the club organization was completed. Those attending the meeting were: Mesdames O. L. Williams, O. C. Williams, Otto Olson, C. L. Whitehead, Otto Massie, Mary Bodkin, E. E. Bishop, Paul Hoff, Tony Hoffman, A. E. Hodges, Mrs. Draper, Roberta Campbell and the hostess.

### South Hereford

The South Hereford H. D. Club met in the home of Mrs. W. H. Goetsch on Jan. 18 with 10 members present.  
Mrs. Tom Draper gave a demonstration on Foundation Shrubs.

## Walcott PTA Group Hears Program By 4-H Members

Jimmy Conkwright acted as Master of Ceremonies when boys from the Hereford, Westway and Walcott 4-H Clubs gave the program for the Walcott P-TA at the school on Jan. 21.

Jimmy introduced Jody Bezner and Eddie Brisco from the Hereford club and the boys gave a demonstration on how soil is built. Dirt and other substances including earthworms were used in the demonstration.  
Larry Kaul, Woodrow Northcutt and Billy Dufur members of the

Westway club pointed out the various formulas used in commercial fertilizer and uses of each.

Gerry and Terry Harkrider who belong to the Walcott Club used miniature implements and regular household appliances to emphasize the part of the program on Farm Safety.  
Mrs. J. V. Perrin, president presided at the business meeting. Refreshments of sandwiches and coffee were served from the school cafeteria following the meeting.  
Several visitors from Hereford were present.

# County 4-H Clubs Install New Officers This Month

Installation of officers and care of sweaters were highlights of club meetings reported by 4-H Clubs recently.

Clubs reporting last week were: Caprock

The Caprock 4-H Club met on January 19 in the Adrian School. Cynthia Kramer, president, called the meeting to order. Glenda Taylor led the Club Song and Glenda Homfeld, secretary, called the roll.

A demonstration on how to launder sweaters was given by Mrs. C. F. Homfeld, leader for the group.

The following members were present: Cynthia Kramer, Kathleen Spitzer, Melba Monk, Regina Edwards, Melaine Widner, Madeline Widner, Elta Ray Bialock, Glenda Homfeld, Glenda Furrman, Glenda Taylor, Janie Taylor, and Mrs. Homfeld.

The next meeting will be on February 9. Sadie Lee Oliver Nancy Green was hostess for the Sadie Lee Oliver 4-H Club on Jan. 12. Mrs. Loyce Sullivan gave the girls some pointers on the election

of officers. Officers were then chosen by the group. Elected were: Florene McIntosh, president; Mary Lynn Morrison, vice president; Nancy Green, secretary - treasurer; Janie Auten, clothing demonstrator; Sandra Townsend, food demonstrator; Dieder Thomas, poultry demonstrator and Fred Inman, reporter.

Those present were: Mary Lynn Morrison, Sandra Townsend, Janie Auten, Nancy Green, and Dieder Thomas, a new member. Mrs. Elvin Wilson and Mrs. Jim my Thomas were the leaders present.

The next meeting will be with Mary Lynn Morrison on Feb. 2.

**Jolly Girls**  
The Jolly Girls 4-H Club met on Jan. 13 in the home of Fern Coursey.

The meeting was called to order by Ann Dyer. Roll was called by the hostess. Officers for the year were elected as follows: Peggy Browning president, Wynona Roberts, vice president; Joy Pickens, secretary treasurer; Sharon Beizer, drill leader; Fern Coursey, foods demonstrator; Arlene Cupell, clothing demonstra-

tor; Linda Cupell, poultry demonstrator and Fern Coursey, reporter. Refreshments were served to Peggy Browning, Wynona Roberts, Joy Pickens, Sharon Beizer, Arlene and Linda Cupell, Ann Dyer, Mrs. Earl Dyer, leader; Mrs. Loy Sullivan, assistant Home Demonstration Agent and Mrs. Coursey. The next meeting will be with Linda and Arlene Cupell.

**HD Chatter...**  
(Continued from Page 1)  
more protection if they are left untrimmed—however, it is a good idea to trim the hedge plants the first few years to make them thicker near the ground.

The rose hedge back of the Armstrong Nursery is a good example of a screen planting. If you are considering a screen planting you should watch this hedge and see if it will fill your needs.

Mrs. W. H. Andrews is going to order some trees for a Windbreak. She is considering the honey locust for the shade trees in the yard. The honey locust is a good thrifty tree, fast growing and has a tap root and it will make a very beautiful shade tree. Mrs. Leon Coffin has also asked for order blanks.

On Saturday, Jan. 29, the training meeting for club leaders will be held for the program on Roses. The three parts on the program are Selecting Rose Bushes, Varieties and Planting a Rose Bush. The program will be held in the Central School Auditorium at 2:30 o'clock and the room we will use is in the basement, if you have not been over there.

Mrs. Fred Fox Jr., a recent bride, was honored at a shower courtesy Saturday afternoon when a group of friends entertained in the home of Mrs. Elmer Patterson. Hostesses making up the house party were Mesdames Bob Wear, Ray McCullough, Lawrence McGee, Stanford Knox, Ernest McGee, Marvin Knox, Dale Kelly and Mrs. Patterson.

Suggestive of the spring season just ahead, a pastel green and white theme was used in decorative appointments. Assisting the hostess in receiving the guests were the honoree and her mother, Mrs. Norman Lytal, and the bridegroom's mother, Mrs. Fred Fox Sr.

The bride's table was laid in white linen and featured a wedding confection done in pale green featuring tiny sugarpun rosebuds done in white and topped with a miniature bridal couple. The floral arrangement was of white stock and snapdragons flanked by white tapers in crystal holders. Appointments were in crystal and silver. Mesdames Lawrence McGee, Ray McCullough, Stanford Knox and Dale Kelly presided.

Informal piano music was provided during the calling hours of 3-5 by Nancy Patterson. Those signing names in the bride's book were Mesdames H. E. Henslee, Joe Pitts, Leo Forrest, Joe M. Scott, Geo. L. Graham, Doyle Rose, Bruce Rose, Frances Cummings, H. R. Patterson, Dwayne Walker, Floyd McGee, Harold Wester, J. W. Dickerson Jr., F. M. Campbell, W. B. Dowell, H. A. Cavness, W. A. Laster, J. B. France, H. H. Caraway, E. Ramsey, Chester Wiggins, Emil Dettman, D. C. Allmon, Tatt McGee, J. B. Coconougher, Dennis Lomas, Edgar Telchik, J. H. Hinds, Garland Adams, F. G. Witherspoon, N. D. Bartlett Jr., Roy Grubbs, Curtis Barkley, R. C. Childers, J. C. Reese, A. C. Hershey, Misses Bonnie Axe, Pat Childers, Linda Reese and the members of the house party.

**READ THE CLASSIFIEDS**

# Rose Care And Cultivation Bus To Blossom Club Topic

Bud To Blossom Club met with Mrs. C. R. Higgins Friday afternoon with the president, Mrs. Dou Martin, presiding.

During a short business session members elected Mrs. Martin as delegate to the Citizens Committee, and made a contribution to The March of Dimes.

Mrs. Herbert Haseloff introduced the program with a discussion of "Varieties and Planting Roses" and recommended a well drained and sunny location for roses and regular feeding for the plants. She named varieties that grow well in this area; Tiffany, Carousel, the Dean Collins, and the lazy gardener's roses. President Eisenhower, Lillibet and Queen Elizabeth.

Mrs. Ira Scott told of the proper "Cultivation and Care of Roses" advocating plenty of room where the plants can get plenty of air and regular feedings of plant food, nitrogen and phosphorus which helps the plant to harden and mature.

Mrs. R. A. Daniel Jr., gave the

**Shower Honors Recent Bride**  
Mrs. Fred Fox Jr., a recent bride, was honored at a shower Saturday afternoon when a group of friends entertained in the home of Mrs. Elmer Patterson. Bartlett Jr., Roy Grubbs, Curtis Barkley, R. C. Childers, J. C. Reese, A. C. Hershey, Misses Bonnie Axe, Pat Childers, Linda Reese and the members of the house party.

**Artificial Respiration.** Following the demonstration other members practiced the method demonstrated. Year books were filled out. Refreshments were served to Mrs. Jack Fortenberry, and Christine, Mrs. C. F. Homfeld, Mrs. G. V. Hall, Mrs. N. E. Tyler, and Mrs. Hall.

**Wyche**  
The Wyche H. D. Club met on Jan. 20, with Mrs. James Bell, Mr. E. Roland of the REA gave instructions for Artificial Respiration. He also gave an informative discussion on general first aid. Club By-Laws were read. Members present were: Mesdames M. S. Cloude, C. R. Danton, George Olson, Jim Cross, Carroll Newsom, Wayne Newsom, E. C. Hewitt Jr., Robert Baird, Ira Ott, Wilburn Axe, C. C. Ellis, one guest Mrs. Ray Wilhelm and the hostess.

**Progressive**  
Mrs. Lester English was hostess to the Progressive Home Demonstration Club on Jan. 17. The meeting opened with recreation under the direction of Mrs. Hugh Clearman. Mrs. C. C. Billingslea conducted the business meeting. She asked that suggestions for a club project be turned in to her. Miss Augustine Gregory gave a financial report. Mrs. P. L. Carmichael and Miss Gregory reported on policy changes suggested by

**West Hereford**  
Mrs. John Jacobsen Sr., was hostess for members of the West Hereford H. D. Club recently. A program on artificial respiration was given by James Kirkwood and Blair, highway Patrolmen. Members present were: Mesdames Norman Livesay, Roy Boyd Calhoun, Ida Mae Vaughn, Carlos Vaughn, Edna Bowe, W. A. Waters, E. M. Cox, P. H. Luck, Grace Hicks, N. C. Vogle, Wes Bradley, Vern Witherspoon, Miss Evelyn Bell and the hostess.

**Ford**  
Artificial respiration was the program given when members of the Ford H. D. Club met with Mrs. Elmer Ayers on Jan. 5. Mrs. J. E. Dever gave the demonstration. New officers installed at the meeting were: Mrs. Elmer Ayers, president; Mrs. Dwayne Walker, vice president; Mrs. C. D. Conley, secretary; Mrs. J. L. Fite, reporter.

Mrs. Leroy Williamson was appointed foods demonstrator for the year and Mrs. Henry Browning will be landscape demonstrator. Members attending were: Mesdames Henry Browning, J. E. Byer, Hardy Benson, Bill Black, Willa Williamson, J. L. Fite and the hostess.

**Dawn**  
Highway patrolmen Kirkwood and Blair gave a demonstration on the new method of Artificial Respiration to members of the Dawn H. D. Club when they met with Mrs. R. T. Stewart on Jan. 21. Other pointers on Safety were given by the men. The club constitution and By-Laws were read by Mrs. J. M. Caruthers. The women also voted to hold a finance party at the Dawn School on Feb. 18.

Those present were: Mrs. Allen and Mrs. Reese Stewart who were visitors and the following members: Mesdames J. B. Caraway, H. S. Fuller, Murrell Little, W. J. Stewart, J. M. Caruthers, Larry Loeberwald, Zed Stewart, Orval Galley, L. W. Tooley, Miss Lulu Botsford and the hostess.

**Bippus**  
Bippus H. D. Club met with Mrs. Elmo Hall on Jan. 12. Mrs. Hall presided at the meeting and introduced Christine Fortenberry who gave a program on

Artificial Respiration. Following the demonstration other members practiced the method demonstrated.

Year books were filled out. Refreshments were served to Mrs. Jack Fortenberry, and Christine, Mrs. C. F. Homfeld, Mrs. G. V. Hall, Mrs. N. E. Tyler, and Mrs. Hall.

**WALTER ROGERS SAYS:**

**Boards and Bureaus Are Gradually Nosing Out Local Level Government**

**COMMITTEE ASSIGNMENTS**  
Committee assignments in Congress usually take up the first week or ten days. The reason is that the two political parties, the Republicans and the Democrats, assign their own members to the several committees. There are always a number of new members for whom room must be made on the committees. Seniority has quite a bit to do with a choice of committee,

but is not always the determining factor in the final assignment. There are rules and regulations governing the membership on committees so that all of the members from one state will not end up on one committee while all of the members from another state end up on another. The end sought is to see that the people as a whole in this country are adequately represented on all of the committees.

There has always been talk about one committee being more important or less important than another. Frankly, I do not subscribe to this school of thought because I have found that the matters handled by each of the committees are of about equal importance to the people in this country. These matters require a complete and searching analysis by the committee members. Therefore, the opportunity to render splendid service is available to the member regardless of the committee to which he is assigned. A member is usually governed in his request for committee by the relationship of the committee work to his particular district, and of course the question of whether or not there is a place available on the committee. I was very fortunate in my assignments to the Committee on Interstate and Foreign Commerce and also the Committee on Interior and Insular Affairs. I will be Chairman of the Subcommittee on Mines and Mining and will hold membership on several other subcommittees that have a direct bearing on the agriculture and other segments of the economy of the 18th District. The subcommittees of the Interstate and Foreign Commerce Committee have not yet been designated, but the committee as such will have jurisdiction

of legislation daily affecting the lives of every individual in the Panhandle, regardless of the particular work in which he or she may be engaged. The assignment to this committee was welcomed by me also because it will afford me an opportunity of continuing and expanding the fight against federal control of our lives and for the slowing down of the trend toward centralization of government.

**FEDERAL CONTROL**  
An inventory of the events of recent months will disclose that this country is drawing nearer and nearer to a centralized government and a federal control. In fact, it is my frank opinion that we are today nearer a centralized government than we have ever been in the history of this nation; that there has been no slowing down of the trend toward centralization, but, on the contrary, there has been a speeding up thereof. The laws and rules by which we are governed are supposed to find their source in the Congress and in the courts. As I pointed out in a previous newsletter, much of this has been changed because of certain boards in the executive branch of the government. The directives of powers vested in bureaus and in these boards and bureaus have always been toward centralization, but the alarming thing is that the proposals for additional legislation are pointed toward centralization, and the decisions of our high courts are opening the door for such proposals to become law and to become constitutional. If this trend continues, it will only be a short time before the

states will be wholly void of any rights except to try law violators and send them to the state penitentiary. The reason that the states will be left with this right is because the federal government does not want to assume that board bill.

It would be very easy for us to get rid of this problem if we followed the philosophy of a telephone man who was working in my office recently. He was holding a big wire that was made up of a great many smaller wires. All of the small wires were a different color. I casually remarked to the man, "What would you do if all of those small wires were the same color?" He replied, "I would quit and go home." That philosophy would get rid of the problem, but it certainly wouldn't solve it. None of us can quit in the battle for the preservation of the dignity and the rights of the individual.

**VISITORS**  
Visitors in Washington this past week included Dr. John F. Mead, of Amarillo and John Bass, of McBride, South Dakota, formerly of Amarillo.

**SLOW MAIL**  
SALISBURY, N.H. (AP)—Yellowed with age, a letter dated Jan. 1, 1915 was received by Mrs. Harry Twombly recently. The letter, hidden behind a loose board, was found when new store-owner Norman Barton moved his branch postoffice to another section of the shop.

Sent by Mrs. Gladys Webster of Franklin the letter has traveled four miles in the 39 years.

**SOCIAL LION**  
LOWELL, Mich. (AP)—An animal's foot print excited so much interest in this western Michigan area that investigators made a plaster cast of it—then learned from the Grand Rapids Public Museum it was that of a mountain lion.

Conservation men said it probably escaped from captivity somewhere. Eighty percent of all home buyers wind up paying from \$72 to \$90 a month for housing expense—including mortgage payments, maintenance, water, gas, electricity, and fuel. The average \$3,000 to \$3,600 a year family buys a

house worth about \$9,000 and pays \$72 a month in housing expense; while the average \$8,000 to \$6,600 a year man pays about \$11,700 for his house, and it costs him \$90 in housing expenses.

A survey conducted of 97 industrial firms showed that only 10 percent of the men fired last year lost their jobs because they were technically incompetent, while 90 percent lost theirs because they could not take responsibility.

47 percent of the families who own their own homes have mortgages on them. The average mortgage is about \$4,500.

# Your Income Tax

USE CARE IN PICKING FORMS  
By FRANK O'BRIEN

The amount and kinds of income you had in 1954 determine which of the tax forms you are eligible to use.

You may have a choice of forms. In that case, your choice will probably depend upon whether you decide to accept the standard deduction for personal expenses, or to itemize your deductions so as to get more than the standard allowance.

The standard allowance is approximately 10 percent of your adjusted gross income; that is, 10 percent of your total income after any business-connected deductions have been subtracted. Deductions will be discussed in articles 7 and 8 of this series.

There are just two basic individual income tax forms—1040 and 1040A. But 1040 can be used as either a short form or a long form. There is no separate short form 1040 or long form 1040.

The forms have been considerably revised this year to conform to the new tax law. But the 1954 federal income tax forms are basically the same as those used now for many years.

Persons with adjusted gross income of \$5,000 or more must use form 1040. In doing so, they may either itemize their personal deductions, or take the standard deduction allowance.

Persons with income of less than \$5,000 may use form 1040A, short form 1040, or long form 1040, depending on the kinds of their income, and how they want to handle it.

There are a number of deciding factors. Here they are, beginning with form 1040, the simplest at present, through 1040 short and 1040 long.

1040A—To be eligible to use this form, your income during 1954 must fit these specifications:

1. It must be less than \$5,000. That means up to \$4,999.99. If it is a joint return, the combined income of husband and wife must not exceed \$4,999.99.
2. It must consist entirely of wages from which income tax was withheld and reported on a withholding form (W-2) you get from your employer or employers, or 3. of wages up to \$4,999.99 from which tax has been withheld, plus not more than \$100 more of other wages, interest and dividends. This

would not include dividend receipts excluded from your income, because only the taxable part counts in this \$100. If it is a joint return, the husband and wife together must have no more than \$100 of income from which taxes were not withheld.

4. Your income must not include receipts from any of the following if you are to use 1040A: — annuities; rents; royalties; retirement income; business profits or professional earnings; farming, transactions in securities or other property; earnings as a participant in partnerships, estates or trusts; or reimbursed expenses which are taxable.

5. You may not use form 1040A if you want to deduct business-connected expenses from your income (such as travelling costs) or if you have a tax credit coming to you from dividend or retirement income; or if you claim the special "head of household" status or the new "joint return status" of a widow or widower whose spouse died in 1952, 1953 or 1954.

Commissioner of Internal Revenue T. Coleman Andrews urged all who are eligible to use form 1040A: "This card-type form was specifically designed to make tax filing as easy as possible for many millions of taxpayers. For those millions who can use it, it is simplicity itself. The ease of preparation will save the user time and inconvenience. We will save time and money because the card processing is accomplished mechanically. Our savings are the tax payers' in the final analysis, for it is the tax payers' money that pays for the collection of the nation's revenues."

As previously, users of this form simply put down their name and social security number (husband and wife), address, whether or not it is a joint return, total wages, total taxes withheld, other income, credits and exclusions, and list exemptions.

The wages, withholdings, other income, credits and exclusions of

both husband and wife are set down separately on the card if it is a joint return.

You then put the card, along with your W-2 forms, in an envelope mailed with the form, and send it to the district director.

The district director's office, using this information, figures your tax for you and sends you a bill or refund.

The special credit (line 11 on the card) is for any excess social security payments you or your wife may have made last year, and will be discussed in the sixth article in this series. The exclusion (line 12) is for pay received while off work due to sickness and will be discussed in the fifth article of the series. If you claim either of these, you should enclose a written explanation with your 1040A return.

The box at line 10 on the 1040A card, for "other income" is for all income other than wages on which taxes have been withheld. This would include any wages on which tax has not been withheld, interest, and dividends. You may exclude 500 of your dividend income under the law, entering only the remainder. If it is a joint return, your wife is entitled to a separate \$50 exclusion.

If what you and your wife (if it is a joint return) enter at line 10 adds up to more than \$100, you may not use 1040A, even though your total income might be well under \$5,000.

A special, single-page instruction sheet for form 1040A was mailed with the form, in addition to the regular instruction booklet. It tells you how to use the form, line by line.

Short form 1040—Here, your adjusted gross income must be less than \$5,000—up to and including \$4,999.99, that is. You may have total income of over \$5,000 and still use this form if your deductions for employee expenses cut your adjusted gross income to under \$5,000.

Any sort of income may be reported on this form, so you may want to use this short form 1040 if you are forced off of 1040A by some kind of income that may not be reported there. For instance, if you want to claim a tax credit for dividend income, or have any retirement or rental income, you must use form 1040, short or long.

Also, if you have some employ-

expenses that you want to deduct from your income (not possible with 1040A), this is your next simplest form. These business-connected deductions, in general, include certain reimbursed expenses, and costs to you as an employee of travel and transportation, or your expenses as an outside salesman.

You may use this form and deduct from your tax any credits you have coming to you from dividend or retirement income. But you may not itemize personal expense deductions and still use the short form.

A table on the back page of the instructions mailed to you with your tax forms will tell you your tax liability according to your marital status, the number of your exemptions, and the size of your adjusted gross income. The table automatically gives you the standard allowance for personal deductions.

Long form 1040—Regardless of the size of your income, if you want to itemize your personal deductions, you must use the long form. If your adjusted gross income is over \$5,000 you must use it, whether you want to itemize, or want to take the standard deduction for personal expenses.

The principal difference between long and short 1040 is that in using the long form you work out your tax liability yourself, instead of finding it in a table. You get the help of a table, on page 14 of the instructions, that does part of the work for you after you have found your taxable income.

The next article, No. 3 in this series, will deal with the joint return, in which important changes have been made by the new tax law, and requirements for filing as a head of household.

(Next: The new law on joint returns.)

### CORRECTION

In a personal item in the Sunday Brand, Mrs. George Burns had gone to live with a daughter, Mrs. Marie Burns Walker, 516 Denver Street, Sterling, Colo. The daughter's name was mistakenly listed as Marie Burns Baker.

## At The Movies

### "The Raid"

Van Heflin, Anne Bancroft, Richard Boone and Lee Marvin head the cast of "The Raid," Panoramatic Productions' Technicolor drama which opens on Friday and Saturday at the Star Theatre. The picture was inspired by a little known incident in the Civil War, the burning and looting of St. Albans, Vt., by a small band of Confederate soldiers. The raid, which was spectacularly carried out by the rebels on an afternoon in October, 1864, is authentically re-enacted in the picture. A full-scale replica of the little town of St. Albans was constructed by Executive Producer Leonard Goldstein for this exciting production and most of the action takes place in this huge setting which covered several acres. As a climax to the story the whole town is put to flame and allowed to burn to the ground.

"How to Marry a Millionaire" — Marilyn Monroe, Betty Grable and Lauren Bacall head the all-star cast that Twentieth Century-Fox assembled for its second picture in Cinemascope, "How to Marry a Millionaire," a comedy in color by Technicolor, which will have its premiere at the Star Theatre on Sunday, Monday and Tuesday. David Wayne, Rory Calhoun, Cameron Mitchell and William Powell share co-starring honors with the three Hollywood lovelies, who will be revealed on the screen in Cinemascope for the first time.

The story of "How to Marry a Millionaire" is about three beautiful New York fashion models who decide it's as easy to love a rich man as a poor man. They, Monroe, Grable and Bacall, pool their resources to put on the dog in a swank rented apartment and are forced to sell most of its furnishings in order to eat. The men they meet in their efforts to snare millionaire husbands are the quartet of co-stars. How the three young ladies solve their romantic and financial dilemmas is said to make for some of the most delightful situations of the new screen season.

# Whitefaces Cager Down Dumas Quintet 61 - 51

By BILLY PAUL KNOX

Led by Francis Boyd's 29 points, the Hereford Whitefaces roared to a 61-51 LAA triumph over the Perryton Rangers Saturday night at Perryton.

Hereford led all the way, getting off to a fast start, and the game was never in question. It was the Herd's third conference win against two setbacks.

Perryton, who copped the consolation title in the Hereford Invitational Basketball Tourney, was apparently playing well below their usual level. They were unable to score more than five points in the first quarter, and scored only 12 points in the entire first half. However, the Rangers outscored Hereford in the final half.

Boyd, one of Hereford's finest athletes, went over the 400 point mark with his 29 markers, chosen the Rangers, but scoring chores were passed around fairly well among the Herd. However, Boyd was the only Whiteface to score in the double numbers. Perryton scoring was well distributed with nine players entering the scoring column.

Hereford got off to a good start taking a quick lead and holding on to it. Francis Boyd scored eight points in the initial period as Hereford netted 14 markers while holding the Rangers to five.

The Whitefaces gained considerable ground in the second stanza as Perryton was still unable to get in the right track. The Herd gained 10 points, scoring 17 to the Rangers' seven in this quarter.

MEET THE TEACHERS -- Jess Robinson, high school agriculture teacher, is new this year in the Hereford School system. He came here from Vega where he had been teaching for four years. (Staff Photo)

Score at intermission time was 31-12 with Hereford on the long end.

Coach Wayne Stark went to his bench in the third quarter, but Perryton was unable to gain more than one point on the Herd. The Rangers scored 14 points to Hereford's 13 to make the score 44-26.

Perryton had their best quarter in the final period. They bucketed 25 points, more than twice their total for the entire first half. Hereford scored 17 points, losing eight points to the Rangers, but the Rangers' rally fell short, Hereford winning 61-51.

High for Hereford was Francis Boyd with 29 markers, Boyd upped his season total to 407 with his larger output against Perryton. Homer Hershey and Jack Burrus also had nine for Hereford. High point man for Perryton was Bill Farrington with 15. Shorty Dear had 12 and Jimmy Todd bucketed seven.

**SCORE BY QUARTERS**

## Your BUTLER Building is half completed before it reaches your farm!

### Here's why BUTLER is your best buy in buildings

- All-bolted construction** makes erection easy... fast, adds bonus strength.
- Every foot of floor space** is usable. No interior posts or columns.
- One-piece roof ridge** is easy to erect, keeps building weathertight.
- High-rib, corrugated panels** are triple-strength for weather protection, low maintenance and long life.
- Sidewall panels, miter-cut at top,** form tight fit with save panels... eliminate flashing.
- Weather-seal windows** give you protection against snow, driving rain, vermin, rodents.

### Factory pre-engineering saves you labor and material cost

All of the engineering, cutting and precision-punching of a Butler steel building is done for you before it reaches your farm. Savings, made possible by this mass production, are passed on to you. You don't pay for waste materials... erection costs are cut to a bare minimum.

In fact, Butler steel buildings are so easily erected, you can do the job yourself... make additional savings!

Come in soon!  
See how you save with BUTLER!

## DIMMITT DITCHING SERVICE

Pipe Line Installations  
Office Phone - 199

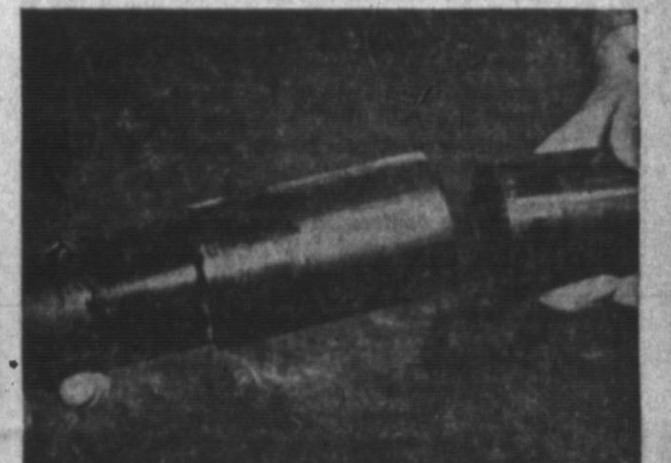

George Owens

Longer gas pipelines can be installed at a lower cost with Carlon plastic gas pipe. Hundreds of miles of trouble-free pipeline have been installed in Texas High Plains area.

Carlon goes underground faster... costs only a fraction as much as steel, and it is guaranteed.

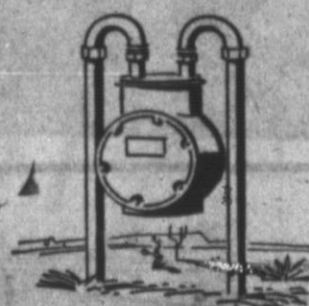

"Solvent Weld" at joints assures years of dependable service... completely resists corrosion and is guaranteed forever against rot and rust. Every foot of Carlon plastic pipe is tested under pressure at the factory.

# CONVERTING TO NATURAL GAS FOR PUMPING?

## Here's how to irrigate better for less

Fuel savings are only the beginning! You save more when you install Carlon plastic gas pipe. In Texas, over-all installation savings total \$800.00 per mile minimum. Also, a natural gas line on your farm can increase the value of your land \$30.00 per acre or more.

When you convert to natural gas, or plan new wells, PLAN ON CARLON PLASTIC GAS PIPE. Carlon gives you extra savings... extra years of service... a better pipeline for less money.

Carlon costs less than steel... and can be installed for less. By using Carlon plastic pipe, you can save one-fourth the cost of a steel pipeline. Carlon "LF" is right for gas.

Carlon plastic pipe can't rust... so it can be buried and forgotten. Its performance is proved by hundreds of miles of trouble-free installations right in the Texas High Plains area.

ALL INSTALLATIONS ARE MADE BY TOP-FLIGHT CARLON APPROVED CONTRACTORS AND SUPERVISED BY FACTORY-TRAINED CARLON ENGINEERS

## ONLY CARLON PLASTIC PIPE GIVES YOU ALL THESE ADVANTAGES

- LONGER LIFE** - Anti-oxidant in Carlon resists aging. Makes Carlon last years longer than ordinary plastic pipe. Lasts longer than steel.
- ABSOLUTE UNIFORMITY** - Precision controlled manufacturing process guarantee accurate compounding and control of tolerances. Special Carlon processing eliminates flaws... makes Carlon the perfect plastic pipe.
- STRONGER** - Carlon plastic pipe is 10% stronger. It has greater resistance to electrolytic corrosion. Carlon's base material is the toughest formula which can be successfully extruded.
- PROVED PERFORMANCE** - Almost 47,000 miles of Carlon plastic pipe are already in use.
- TOP PERFORMANCE** - Precision extrusion of Carlon provides smoother plastic walls which offer less friction and higher flow. It's like adding a "lubricity" to systems when Carlon is used.
- TROUBLE-FREE FITTINGS** - Carlon fittings are made especially for Carlon plastic pipe. With a Carlon installation, no trouble can be caused from purchasing pipe from one source and fittings from another. Carlon makes both... fittings and pipe become an integral unit.
- TOP QUALITY** - Because of Carlon's "know-how", engineering skill and ultra-modern facilities, Carlon plastic pipe is extruded without lubricants which contaminate ordinary plastic pipe.
- GUARANTEED** - Guaranteed against rot and rust. Completely resists corrosion caused by both acid and alkaline soils. This guarantee is backed by Carlon's reputation as the world's oldest and largest manufacturer of plastic pipe.

ONLY CARLON PLASTIC PIPE IS GUARANTEED ALWAYS BUY CARLON... THE PIPE WITH THE STRIPE

### Christian Science

Christian Science services are held at the Star Theatre each Sunday morning at 11 o'clock. All who are interested are cordially invited to attend.

## Christianity or Communism?

AMERICANISM and CHRISTIANITY or COMMUNISM and ATHEISM... which do you want? The inescapable challenge facing the Christian world today is COMMUNISM. COMMUNISM is OFFICIALLY ATHEIST. To destroy the American principle of FREEDOM of WORSHIP is the declared intention of this ANTI-AMERICANISM. Several years ago the Comintern declared: "The ultimate aim of the Communist International is to replace world capitalist economy by a world system of Communism... It would bury forever all mysticism, religion, and superstition." That anti-God declaration has never been challenged. In fact, it has strengthened its atheistic principles to a point that has rarely been seen before in history. The Truth is, Communism cannot live with Christianity, because it is a religion unto itself, as much so as it is a system of politics and economics. COMMUNISTS declare theirs is simply the "scientific" application of the teachings of history. They also say theirs is not only a "scientific" system but is the ONLY SYSTEM. Communists say Christianity is superstition. They refer to Christianity as something especially designed to capture the masses for exploitation by capitalist masters. Communists say "DOWN WITH THE CROSS WHICH IS THE SYMBOL OF FAITH FOR THE CHRISTIAN WORLD"... Therefore, Communism and Christianity become the two great rival Faiths of the Twentieth Century. CHRISTIANITY believes one thing about the nature of man and his destiny, the nature of morality, the basis of ethics, and the nature of the Universe. COMMUNISM believes the exact opposite. CHRISTIANITY believes in the INDIVIDUAL and in the RIGHTS OF MAN. COMMUNISM believes the individual is the wholly owned SLAVE OF THE STATE. THIS atheistic, materialistic, conspiracy threatens to engulf the whole world. Unless it is stopped our liberties, political, civil and religious rights, will go the way of the unfortunate nations which have already been crushed to earth behind the iron curtain of Moscow. If you believe in God and the Bible of the Lord God Almighty, won't you help hold high the CROSS. It is being chopped down with the sickle by Communist enemies. For the sake of all that is dear to you—attend your church and support her good work.

## At The Churches

### Avenue Baptist

128 N. 25 Mile Avenue

ination, kitchen, bath and a single garage. It was completed in November of 1954 and is of framework construction bordered in brick. (Staff Photo)

### Funk Wins Over Geigel Saturday

A bloody Dory Funk was named winner over Southwestern States

Junior Heavy-weight champion, Bob Geigel, in a non-title when time ran out in the hour long match.

Funk took the first fall of the match in 31 minutes with a spinning leg hold.

During the last part of the match Funk begged for time out to stop the blood that was streaming into his eyes from a cut on his forehead but Geigel refused and the match was finished in bloody blows.

The first event of the evening was between George Overhuls and Gino "Red" Vagnone. Overhuls won the match in 13 minutes with a full nelson.

In the second event Con Bruno won the first fall over Hereford's Bob Cummings in 26 minutes with a jack knife.

Bob came back for the second fall in 9 minutes with a knee action leg binder.

Time ran out during the third fall of the event and the match was called a draw since each man had one fall.

Americans now drink a pound of tea a year but this is far below the British who average 15 pounds a year.

The children of Evanston, Illinois, spend 23 hours a week at the television set; when TV was in its infancy they spent 21 hours a week watching the screen.

### Ralph Fullwood Army Physicist

BALTIMORE — Pvt. Ralph R. Fullwood, 26, whose wife, Janet, lives on Route 2, Aberdeen, Md., recently arrived at the Army Chemical Center near Baltimore for duty as a physicist assistant.

Private Fullwood, son of Mr. and Mrs. Robert A. Fullwood, 206 McKinley Ave., Hereford, Tex., entered the Army in October 1954, and completed basic training at Fort Dix, N. J.

In civilian life he graduated from Texas Technological College in 1952 with a B. S. degree in physics and attended Harvard University for two years. Fullwood is a member of Alpha Chi and Kappa Mu Epsilon Fraternity.

Clearing the rear ledge helps prevent automobile accidents. Safety experts agree that many injuries could have been prevented in accidents if the ledge had been cleared off and a sudden stop had not catapulted objects into the back of the drivers head.

## CHURCH

(Continued from Page 6)

### Seventh Day Adventist

Third and Lawton Sabbath School is at 9:45 o'clock and morning worship services are at 11 o'clock.

A NEW CONCEPT OF LOW-COST MOTORING</p>	

## "Thanks to G-E push-button control, son— Starting our pump is easier than turning on a faucet!"

"It sure is easy to start our pumps with General Electric controls. Just push a button and the pump starts—that's all there is to it with G-E magnetic starters! And you can forget about this control once it's installed. That's because its all-weather case is so well protected from rust, rain, and all kinds of weather. Even the push buttons are weather-resistant! Now take the overload relays that protect our motor from overheating. They're in a special ventilated compartment so that the heat from the sun will not cause them to prematurely shut off the motor. This compartment is also protected with a rust-proof screen to keep out insects.

"All-weather protection for the control means continued protection for the motor because the control guards our motor against damage from overloads and short circuits. And the motor itself is built to last a generation or more! Its controlled bearing lubrication and sturdy cast-iron housing keep it ready for service whenever we turn it on.

"Son, General Electric knows our irrigation pumping problems and has the right motor and control team to solve them completely!"

# Long Time Ago

**45 Years Ago**  
 Wednesday afternoon the first water and pressure was used in the system of the Hereford city water works. Fifty feet of new hose was attached to the plug on the corner of Third and Sampson, and the pressure turned on. As the engine forced the water a little stronger and stronger the fire fighting stream of water jumped higher and higher. The two men who held the nozzle and acted as firemen found that they had tackled a wreathing box constrictor. The pressure as turned on in the first trial threw the water a height of some forty feet or more.

The hose wagon has not arrived yet and in the mean time the hose will be placed at convenient points on Main Street where the "boys" can have easy access. Mayor Edwards says he will call a meeting at once and ask those who wish to organize a volunteer fire company. Ed Short was in the city Saturday and stated that he and his sons had 450 acres of wheat in fine growing condition and that he expected to get a good harvest. These people came here last year but on account of the unfavorable season did not make much, but Mr. Short says that they are not in the least discouraged and that he and his boys are well pleased with the country—"It's all right," he says.

happy average of all the degrees mentioned until finally five thermometers were found that agreed to 10 blow. As but few others agreed with any but themselves, and one of those five was on the Santa Fe Depot, the Brand offers 10 below as the fair report of what temperature was had. Other reports varied from eight to 23 below. . . . The first definite assurance of an up-town Western Union Telegraph office for Hereford was contained in a letter received this week by the Hereford Chamber of Commerce from H. C. Robertson, district superintendent, with headquarters at Oklahoma City. In his letter to secretary J. A. Miller, Mr. Robertson said the office would be open for business April 1, and would be located in the Doughty and Kerby building, No. 106 West Third Street.

This is a good location and well placed with respect to the center of business activities of Hereford. This addition to the modern life of the city is pleasing to the business people and will be a great convenience to them. Thus does Hereford get what it "gets out and goes after." Other necessities of modern business life will come with their need, and the demand of the citizenship that the city have them.

**45 Years Ago**  
 That the Hereford Country has

unlimited resources has long been claimed by those who know but few have turned their attention to irrigation except for gardening purposes. Now since the water supply of the Tierra Blanca has shown to be practically inexhaustible a few have determined to try it out. To this end C. W. Warren and George W. Barcus who own a large farm east of town are the first to make a practical test.

Wednesday morning about 10 o'clock a team hitched to the running gear of a wagon got away at the lower end of Main and dashed up that street at a terrific speed. Fortunately no teams or vehicles were in the street and they had clear sailing. The delivery wagons of the grocery men barely escaped, missing them by a few inches. No damage was done but two more horses spoiled and the town loafers were scared out of their wits. Such carelessness with teams will some day cost Hereford another innocent life as it did last summer. Be careful folks.

Weather Forecast: Tonight and Saturday fair weather. Warmer. For several days, G. F. Loughmiller contractor for the city, has been laying street crossings on Third Street. The material used is the very best hard paving brick. The first put in is on Third Street, that street having on one side a complete line of sidewalks.

Other crossings will be put in as rapidly as the contractors can do the work. The work being done is permanent and looks good enough for a city 10 times the population. Let the good work go on and thus add another plank to the platform.

**25 Years Ago**  
 Another old Hereford landmark has disappeared, Dave Stewart with his crew of workmen having finished razing the old Norton building on North Main Street on Monday of this week.

In place of the old building, a new modern brick building will be erected, the same to be constructed for use as a picture show theatre for J. C. Parker, present owner of the Star Theatre. Work will begin just as soon as suitable plans and specifications can be decided upon. While the cold weather of the past few weeks has been anything but satisfactory to the citizenship, very little or no loss has been sustained as a result of it beyond some frozen and burst water pipes or the inconvenience of having to thaw other pipes.

Members of the Deaf Smith County Free Library board and the new library officials regarding essential equipment for the local institution which will open soon.

Superintendent of Schools, C. H. Dillehay, Mrs. F. T. Roloson, and Mrs. George Garrison make up the governing board of the Deaf Smith County organization, and Miss Lill Hostetter was recently chosen as librarian to conduct the work. Her assistants, Mrs. Bob Nelson and Miss Anna Miller, accompanied the party to Amarillo for yesterday's conference.

Deaf Smith County's free library will be the third to be organized in the Panhandle, and was made possible by the cooperation of the county commissioners' court and other public officials during the summer of 1929.

## Mission Fields Are CWF Topic

A background sketch of the mission field was given by Mrs. Bert Brown when members of Group 1 of the Christian Women's Fellowship met recently with Mrs. Earl Phillips.

The sketch covered missions in India, Indo-China and Ceylon which will be discussed during the next several months.

Mrs. Phillips, group chairman, conducted a short business session and Mrs. John Robinson gave the worship program. Those attending were: Mrs. M. L. Winget, Mrs. J. J. Clark, Mrs. J. C. Ricketts, Mrs. S. O. Wilson, Mrs. Burl Ellison, Mrs. Carl Williams, Mrs. Bert Brown, Mrs. John Robinson, Mrs. Glenn Williams, Mrs. Mattie Shultz, Mrs. Ida May Vaughn, Mrs. Mina Jones, Mrs. Ira Ricketts, and the hostess, Mrs. Earl Phillips.

Johnny McIver, student at Texas Tech at Lubbock, was home this week for mid-term. He visited with his parents, Mr. and Mrs. Bill McIver.

Mrs. Owen Neel of Dumas visited with her mother, Mrs. J. W. Vick and brother, Harlin, from Friday until Tuesday. She also visited with her son and daughter-in-law, Mr. and Mrs. Ray Neel and Lillith.

## Two Main Events In Lions Match Saturday Night

A double main event featuring four of the more popular wrestlers in the Southwest States junior heavy-weight territory will offer fans a double treat at the Hereford Bull Barn Saturday night.

Handsome young Bob Clay of Muskogee, Okla., one of the niftiest athletes to work here in some time, takes on tough Boris Kameroff of New Haven, Conn., in one of the matches.

Angelo Poffo, tall, handsome Italian from Chicago, has returned to the territory after several months absence and will challenge the home town boy, Bob Cummings, in the other feature. Cummings, formerly of Seaside, Ore., recently returned from a successful tour of his former stomping grounds and settled down again in Hereford. He seems to improve with age, and he is capable of meeting and beating almost any man in his weight class.

Kameroff, third of three athletes of Russian descent and son of a former Russian wrestler, started out in the territory as somewhat of a "clean" wrestler, but seems that he has turned a bit sour, like his two brothers, Ivan and Joe, and now on the rough side. He will find Bob Clay a most willing opponent, either in clean or "dirty" wrestling Saturday night. Each match runs for two best falls of three or one hour.
