NEW ROTARY CLUB OFFICERS -- Hereford Rotarians installed new officers at their regular weekly meeting Monday. Acting as installing officer was J. Hershel Coffee, past district governor of Canyon, who is pictured at left. Others in the picture are Grady Rogers, director; R. G. Peeler, director; Henry Benson, vice president; Dave Alexander, treasurer; Bill Davis Jr., retiring president; Hugh Bookout, secretary; and Earl Phillips, president. (Staff Photo)

Bond Issue Gets Voters' Approval

New School Okayed By Margin Of 4-1

Voters of the Hereford Rural High School District voted almost four to one Wednesday in favor of the \$325,000 elementary school bond issue, assuring the city of another grade school. The complete, but unofficial vote was 355 for and 95 against.

Compared to other school bond elections in the past, the number of voters who showed up at the polls, 450, was remarkably small. In the last school bond election there were 1323 votes cast.

A breakdown of the vote shows that in Hereford there were 351 votes in favor of the issue and 87 against. At Dawn, four voted yes and eight no.

Members of the Board of Trustees were to meet Wednesday afternoon to canvass the vote. Passage of the issue means that the go-ahead sign can be given Cantrell and Co. of Pampa, architects. Cantrell is expected to submit plans to Trustees as soon as possible so that contracts can be let and work get underway on the building at the earliest possible time.

The school will have 16 classrooms, including grades from one to six. It is to be built on a 10

acre tract of land near the airport road, which is owned by the District.

County Growers Favor Controls On 1956 Wheat

Deaf Smith County wheat growers joined farmers from all over the nation Saturday in voting overwhelmingly in favor of continued controls. The County vote was 276 for and 43 against.

Needing at least a favorable vote of 66.7, county growers voted for continued controls by a percentage of 80.7. There were 52 votes that were challenged that are not included in these figures. Most of the votes challenged are expected to be counted, but were not tabulated because growers voted in the wrong community.

Nationwide, growers were in favor of controls by more than a 70 percent margin.

In Community A there were 84 votes for, 13 against and 18 challenged; in Community B, 81 for, 12 against and 35 challenged; Community C, 38 for, 8 against; Community D, 37 for, 2 against, 9 challenged; and Community E, 36 for, 8 against.

The vote means that marketing quotas will continue in effect for the 1956 crop, with a probable price support ranging from 75 to 82 percent of parity for those who stay within their farm's wheat acreage allotment.

Hereford Dollar Bills Go Over In Big Way

Mr. and Mrs. Dub Reeves and Mr. and Mrs. Ross Latham returned Tuesday from Atlantic City, N. J. where they attended the Lions International Convention. They left here June 16, and traveled approximately 4200 miles.

They toured the eastern seaboard northward from Norfolk, Va., and also went on a tour of Washington, D. C. Reeves and Latham gave out "Hereford five-dollar bills" furnished them by the Chamber of Commerce and stated that they were almost mobbed when giving them out. The two men said that when handing out the bills on the Boardwalk people would crowd around them so thickly that the driver would have to get out of the car. However, they admitted people showed signs of disappointment when they found the bills not usable.

LATEST STYLE -- Cecil Massey reluctantly displays the latest in headgear for the modern man. Massey was having a little wind trouble, but otherwise praised the "hat" highly. (Staff Photo)

Potato Growers Expect Harvest To Start July 10

Deaf Smith County potato growers indicated this week that the potato harvest is not due to get underway until around July 10. Most farmers said that this year's crop will be better than last year's, however.

The big question mark at the present is the price. The present price is around \$1.50, and it is doubtful whether the price will go much higher, farmers say. Soaring temperatures in Arizona forced the digging of potatoes there, therefore flooding the market. Also, added acreage throughout the country has attributed much to the price of potatoes, growers point out.

Last week potato producers agreed that the digging would begin about July 4, but most farmers point out that it will probably be later than that. George Paetzold, who lives south of town, states that he will not start digging until about the fifteenth, attributing this late date to late planting. But Otto Olson, long-time successful potato grower, says he will probably start digging around the fifth or sixth. Olson also believes this year's crop will probably be better than the one last year.

Funeral Services For Mrs. Johnson Are Held Tuesday

Funeral services for Mrs. Tillie Mae Johnson were held Tuesday afternoon at 2 o'clock at the Boxwell Brothers Ivy Chapel in Amarillo with Rev. Howard E. Scott, pastor of the First Baptist Church of Hereford officiating.

Mrs. Johnson died Sunday, June 26 in the Deaf Smith County Hospital after an illness of four months.

Born June 16, 1905 in Greenville, she came to Deaf Smith County in March of 1955, moving from Wichita, Kans. Mrs. Johnson was a member of the Fundamental Baptist Church.

Pallbearers were J. A. Ballew, Fred Huskey, Cecil Oglesby, Roger W. Harris, Dick Andrews and Neal Young. Burial was at the Llano Cemetery in Amarillo. Survivors of the deceased include her husband, LeRoy Johnson; three daughters, Mrs. Mary Van Patton of Wichita, Kans., Mrs. Carl Hollingsworth of Hereford and Patsy Ann Fowler of Hereford; two sons, Melvin Fowler of Hereford; and Gaston Foster of Amarillo; four brothers, Arthur Casebeer of Brownfield; Roy Casebeer of Los Angeles; Troy Casebeer of Sunland, Calif., and John Casebeer of Hereford; four sisters, Mrs. Paul Britt of Amarillo; Mrs. Bessie Bridges and Mrs. Dick Walker of Hereford; and Mrs. Walter Richards of Los Angeles.

Father of Hub Homer Will Be Buried Thursday

Funeral services for K. G. Homer, 74, father of Hub Homer of Hereford, will be held at 8 o'clock Thursday morning, June 30, according to plans released Wednesday.

Mr. Homer died Monday afternoon as the result of a heart attack at his home in the Rhineland Community near Munday. He was a long-time resident of the area, having gone to the community around 1900. Mr. Homer, a native of Germany, immigrated to the United States at the age of six, and was active as a farmer until he retired several years ago. During recent years he had been in poor health.

In addition to Mrs. Homer, he is survived by four sons K. W. of San Diego, Calif., Alfred of Groom, Hub of Hereford and Phillip of Munday; three daughters Sister M. Geraldine, O. S. B., of Jonesville, Ark., Mrs. Frank Terrez of San Diego, and Mrs. Terry Hall of Akron, Colo.

Interment will be made in the St. Joseph cemetery at Rhineland.

ONE OF 450 -- One of the 450 voters of the Hereford Rural High School District who voted in Tuesday's election was Mrs. Tandy Legg. Mrs. Legg was one of the first voters Tuesday morning at the courthouse. (Staff Photo)

Property Owners Awarded Sidewalk, Curb and Gutter

A three-man special commission Tuesday awarded six property owners along Twenty-five Mile Avenue practically the same thing they had been offered by the City of Hereford for right-of-way to be needed for the widening of the highway.

The Commission, on six of the seven condemnation suits filed by the City, awarded property owners sidewalk, curbing and gutter. On the seventh case, only curb and gutter were awarded. The City had agreed to pay the cost of sidewalk, curbing and gutter on all seven pieces of property,

but the six owners had refused to agree to the terms. Either side may appeal the decision. If it is appealed, the suit will go into County Court.

Awarded sidewalk, curbing and gutter were Annie L. Vincent, Bertha Witherspoon, Frances Dameron, Johnnie Helen Estes, Cora Thompson and Henry A. Turner. Frances Dameron, in a second suit, was awarded curb and gutter. The three-man commission, named by County Judge Homer Henslee, was made up of T. W. Alderson, Ezra Norton and J. W. Robinson.

The hearing lasted all day long, and all property owners involved and the City were represented. The Commission's decision had not been recorded with the County Judge Wednesday afternoon.

Sixty pieces of property will be affected by the widening of the highway. Of that number, 51 owners have granted right-of-way, seven have had condemnation suits filed against them and two are still negotiating. Although either (Continued on Page 2)

District Court Sentences Five

Five cases were cleared from the District Court docket last week. Two were sentenced to the penitentiary and three were placed on probation.

Wayne B. Tucker was given a two year term for child desertion and the probated two year sentence of Charles Gaskill Jr., was revoked.

Receiving probated sentences were Elmer Jones, five years, third offense, obtaining things of value with worthless check; Morris S. Roe, five years, second offense driving while intoxicated; and Charles Waller, five years, second offense DWI.

Tax Equalization Board Kept Busy

An estimated 35 to 40 taxpayers appeared before the Deaf Smith County Commissioners Court Monday and Tuesday to find out why their taxes were to be increased.

The Court, sitting as an equalization board, worked until 7 p.m. Monday before deciding to complete their work Tuesday. It took them until 5 p.m. Tuesday to finish the job, and meanwhile many of the taxpayers who came to meet with the group left without seeing Commissioners. Some estimated that as many as 50 people were waiting at one time to appear before the board.

Commissioners, with the help of Tax Assessor-Collector Lowell Sharp, City Engineer Earl Jones and Tax Deputy John Hastings, spent considerable time with each person to appear before the board explaining just what changes had been made. It was pointed out that the county, city and school

board had made a survey of city property and set a standard value for all three tax groups to go by. Valuations generally are much higher than old county valuations, they explained, and realizing this, the Commissioners Court dropped the percentage of the valuation they will tax on from 40 to 25 percent. Some property owners' tax will still be increased, however, while some will be lowered.

Although no tax rate has been set by the Court, it is expected that the rate will remain the same as in 1954. The rate last year was 1.79, broken down as follows: State, .42; county, .95; county road special, .37; and water district, .05.

In regular Commissioners Court action, the purchase of two trucks was approved. One of the trucks is a 1952 1½-ton vehicle which was purchased from Sharp and Edwards Motor Co., for \$750. It is to be used with the recently purchased road magnet. The other is a new 1955 GMC pickup to be used in Precinct 3. Purchase price was \$1157.56 plus the trade in of a 1951 GMC pickup.

The Court also named W. B. Dowell to fill the vacancy created by the resignation of Margaret Johnson. Dowell will do certain audit work for the county.

A resolution was adopted by the Court which would prohibit placing irrigation wells within 53 feet from the center of county roads. Commissioners explained that the reason for the action was to make sure that right-of-way on county roads would be available if they should ever be taken over by the state.

Commissioners also set the maximum salary to be made by mowing machine workers at \$235 a month.

Mrs. Louise Ferguson and three children are visiting relatives in Lubbock for a week.

Around Town

Folks 'Around Town' will get to see a fireworks display July 4 after all. That word comes from Francis Hardwick, who has arranged for a display at the Tower Drive In Theatre.

The scheduled appearance of Count Yogi, trick golf artist, here July 21 has been cancelled until later notice, according to Bud Posey, Hereford Golf Club pro.

Dr. A. T. Mims reported Wednesday that Bill Melugin, who was injured recently in a truck-tractor mishap, was doing satisfactory. Billy, 16-year-old son of Mr. and Mrs. Tom Melugin suffered painful head and foot injuries in the wreck.

Johnny Haney, who was injured in an explosion at Poarch Brothers last Thursday, is also doing fine, according to Dr. R. R. Willis.

Hereford Jaycees will sponsor a dance Saturday night at the Jim Hill Hotel. Providing the music will be the Hereford Westerners.

Baseball is on the local card Sunday. Hereford's Pink Sox will meet Umberger at Veterans Park beginning at 2:30 p.m.

RETURN FROM TRIP
Mr. and Mrs. Paul Harvey and son and Mr. and Mrs. Neil Cooper and son have returned from a 10 day vacation trip in Old Mexico and southern Texas. In Old Mexico they visited in Matamoros and at Rio Hondo, Tex. They were guests at Mr. and Mrs. C. L. Burton's Lodge. At Padre Island, they enjoyed some boating and fishing.

Westway Farmer Finds Solution To His Problem

Even if setting water to 11 acres of elevated land was said to be impossible, F. E. Walton has done a magnificent job of doing just that.

It seems as though Walton had 11 acres which needed water badly on his farm near the Westway community. But, unfortunately, nature says that water won't run uphill. And all of his neighbors joined in the chorus that was saying "It just can't be done."

Walton had other thoughts in his mind, however. He had county graders make a levee for him, and he ran a ditch along the top of the levee. He sloped a nine-inch grain auger from a pool of water below which was being fed by an irrigation well. A belt dolly hooked onto a tractor turned the trick, and presently Walton is pumping 1,000 gallons per minute and claims that he can pump even more than that.

And it all goes to show you that the adage "never say quit" still goes.

sible after all. Walton needed to irrigate 11 acres of elevated land and dreamed up his own way of doing it. (Staff Photo)

When it comes to being down-right hard-headed, the women are away out in front. This week, Gaylord Newell almost cut off his toe while operating one of those new fangled lawnmowers, and the very same thing happened to Mutt Wheeler last year. I keep telling my wife about these things, but she never seems to fully realize the seriousness of the situation—and I always wind up mowing the lawn, despite the hazards involved.

Fred Baird hospitalized himself while cleaning out his garage a year or so ago, but that didn't

make any difference, either. While he was still in his hospital bed I had to clean out our garage.

Alex Thompson says this is why he is so healthy. He said an old timer gave him some good advice right after he and Audrey got married. Alex says the man told him when they got into a family spat not to ever argue or answer back, just to put on his hat and walk around the block—and to keep right on walking until he cooled off.

"I've had so much fresh air down through the years," declares Alex, "that I have managed to

keep in the pink of physical condition all of the time."

Honest, though, if it weren't for the women very little would be accomplished in the world. Often you hear a man being praised for his accomplishments but, just about every time, his close friends and neighbors will tell you that his wife deserves a lot of the credit. Another thing I like about women is the fact that they are avid newspaper readers. Practically every man who subscribes for The Brand will make some sort of remark about his wife wanting the paper. Sometimes, they even add: "I can't see why—but she has to have The Brand."

This, of course, ties in with the fact that the women of America are the most careful and shrewdest shoppers in the world. The women actually control the purse strings of the nation. Time was when the men bought the automobiles, but that day has long since passed. The new models are definitely slanted with a feminine appeal. I am also willing to accept the statistics that the women control more of the world's wealth

than men, and that nowadays it's about 50-50 on doing the dishes and the housework, but I still resent some of the deals they are dishing out. I put my foot down. I absolutely will not wear any of those Bermuda shorts.

I have also been thinking about special summer camp. This includes a camp for Boy Scouts, for Camp Fire girls, for Sunday School classes, for this and that. Even the seniors have a camping trip. How about a big free-for-all camp for the bald headed dads? This would be a real deal. We would have Mayor Henry Sears—and half of the business men in Hereford. Things would be pretty quiet around town, I admit, but next to the women the bald headed men are just about the strongest single faction in the community.

Hardy Benson would automatically be the camp orator, and Rev. Eugene Naugle could be chaplain. Of course, we would have a lot of people like Lee Benefield, Jim Witherspoon, Harold Close, Piel Harman, Hub Homer and Jessie Stanford. The biggest trouble would be finding a camp big enough to hold the delegation, especially if we took those "in-betweens" like Jim Wimsu, Jim Lipscomb and Deward Roberson.

I guess it's just a pipe dream that would only lead to trouble since we would have too much "know how"—and probably very little actual work.

Meanwhile, things are beginning to pick up. It's that time of year. Lettuce and potatoes will be rolling soon. In fact, you'd better take your vacation now—or plan to wait until next January.

A really bright spot in local economy is the payroll at the A&P packaging plant. They are using a lot of local labor—and rumor has it that the payroll hits close to 250 persons each week with about 80 people on each of the three daily shifts. It takes a lot of "moolah" to keep a line like that rolling—and this is one of the few firms in the area which operates a "graveyard shift."

It is almost with relief that I hear of several cases of "Pink Eye" which are now making the rounds in the territory. When the doctors changed their fee from \$1 to \$3, the names of the general ailments also underwent extensive surgery. You never hear of the "croup" anymore, but "Pink Eye" still goes by the same old term. It still plasters the eyelids together and creates considerable havoc around the house. I remember when I had it once and woke up thoroughly convinced that I had been struck blind during the night. I sure did stir up a storm for a six-year-old.

Mont Baker is always pulling a practical joke on someone, but he came close to being cured last Sunday. He was crappie fishing out at Buffalo Lake and after careful observation, noticed that Jim Roberts seemed to be catching most of the fish. Pretty soon Mont turned around to Boyd Knox and offered to bet him 25-cents that Jim would catch the next fish. Boyd made a quick check of the 24 people who were fishing and figured the odds were in his favor, so he called the bet. A matter of seconds passed—and Mont hooked one himself. He jerked and swung, trying to pull the hook out of its mouth and, by accident, landed the crappie with a mighty swoop that placed it high up on the bank. Mont says he has been fishing a lot of times—and this was the only one he really and truly listed to land.

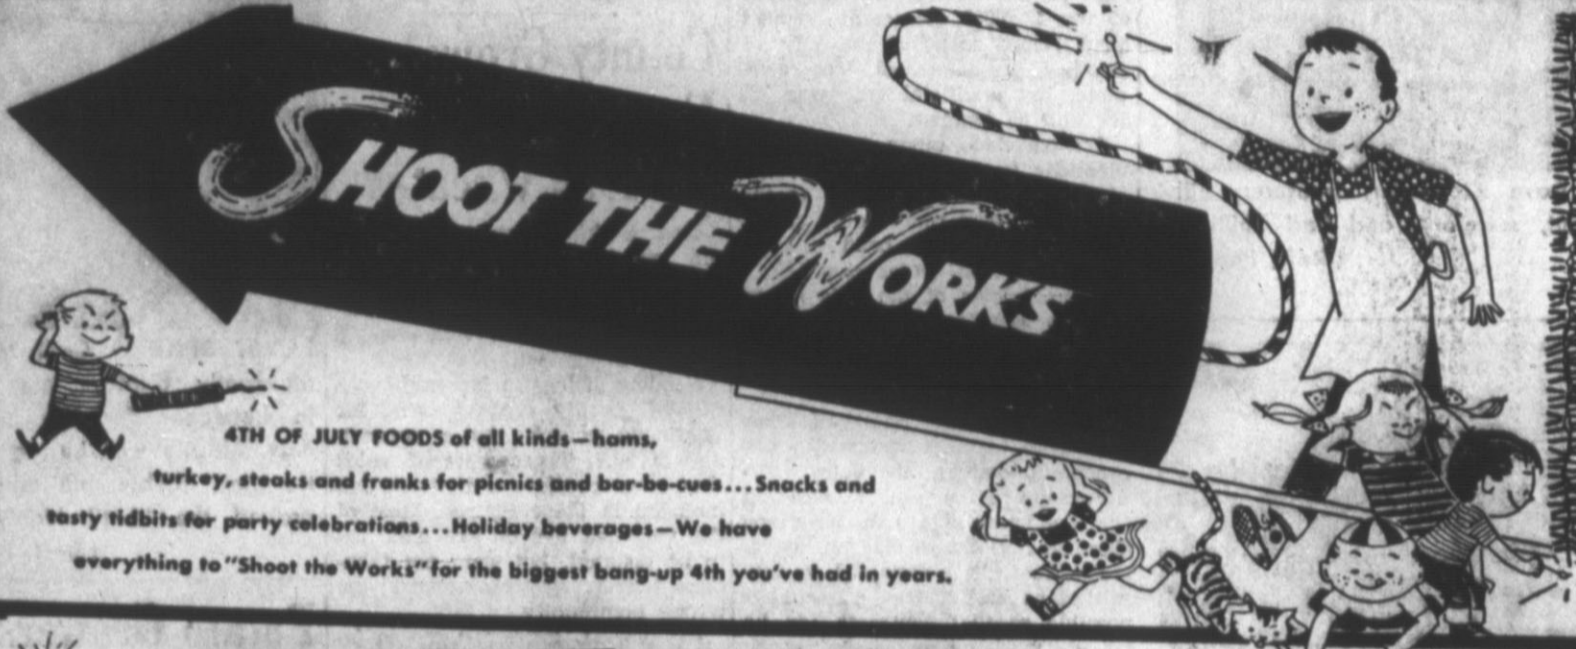

I also understand that Otis Hall and Sam Nunnally have decided that steak is about the cheapest meat you can buy, especially when compared with the high cost of mountain trout.

Here are the winners of Free tickets to see Davy Crockett, Friday and Saturday. Persons named below should come to The Brand office and pick up their tickets any time before the show opens: George Larson, Vega; Kay Coffman, Johnny Whiteside, Mrs. John Gaetz, Mrs. R. L. Former Hereford Girl Has Leading Role In NM Play

Pat Walton, formerly of Hereford and now of Clovis, N. M., has one of the leading roles in "Blithe Spirit," the first play to be presented by the Ruidoso summer theater. Sponsored by the Eastern New Mexico University, the opening play will be produced for six nights through July 3. Dr. R. Lyle Hagan, ENMU theater director, is in charge of the camp. Twenty four performances will be presented under the university's sponsorship this summer.
"Blithe Spirit," a famous Broadway hit, is an English comedy with the plot built around a young Englishman whose deceased wife returns at a séance. Complications arise since he has remarried. It all adds up to excellent comedy.
The company will appear in the summer productions every Friday, Saturday and Sunday evenings with 8 o'clock set as curtain time. Personnel of the company includes 20 drama students from throughout the United States. Location of the theater, a large tent seating 500, is on Cedar Creek in the Lincoln National Forest.

CLASS OF '45 HOLDS REUNION -- Members of the Hereford High School Class of 1945 held a reunion dinner Saturday night in the ballroom of the Jim Hill Hotel. Standing

is Mrs. Lonidene Martin Edmonson, president of the class, who served as mistress of ceremonies. (Staff Photo)

Class Reunion Dinner Is Held By 1945 Graduates

The graduating class of 1945 of Hereford High School held a dinner-reunion at the Jim Hill Hotel Saturday evening. The class elects and miniature diplomas, senior caps and grade cards were featured in table appointments. The class picture which now hangs at the high school and pictures of high school days were on display. Mrs. Lonidene Martin Edmonson, president of the class, served as mistress of ceremonies and Mr. and Mrs. Bruce Beene of Dallas registered the guests. Those appearing on the program were Delmo Williams who gave the invocation and Mrs. Edmonson who welcomed the guests. Mrs. Marcella Blue-Bredly played a medley of popular 1945 melodies, and Charles Skelton read the

class prophecy. Mrs. Helen Acker Rose, Mrs. Juanita Coker, Mrs. Cora Lee Loving and Mrs. Beverly Fraser-Evans told something of class activities during the four high school years. Mrs. Margaret Barber Cook of Amarillo played requested favorite music. A special memorial tribute was given to deceased members of the class and the Alma Mater song closed the program. Sponsors of the 1945 class were Mrs. Jack Gilliland, H. V. Stanton and D. W. Wallace. Those attending were Messrs. and Mesdames Jack Gilliland, C. W. Reeves of Tulsa, Raylan Evans, Harold Head, C. V. Burges Jr., Bruce Beene of Dallas, Bill Brady, Harold Rudd of Astancia, N. M., Delmo Williams, James Ed-

monson, Earl Hopson, Mark Koenig, V. C. Hopson, Dan McCowan of Clovis, N. M., Hicks Roberson, Austin Rose Jr., J. P. Jones, Freeman Melton Jr., of McLean, Jim Loving, Elwood Skypala, Lloyd V. Cook of Amarillo, Bill London of Lubbock, Clifford Throckmorton of Levelland, and Charles Skelton.

Mr. and Mrs. J. T. McIver returned Wednesday from a trip to South Dakota where they visited with their niece and family, Mr. and Mrs. J. K. Mitchell.

Visiting last week in the home of Mr. and Mrs. Less Thompson were their son and wife, Mr. and Mrs. Leslie Thompson Jr., from Lefors, and their daughter and family, Mr. and Mrs. Gerald Neighbors, Cindy and Jerry from Lawton.

Mr. and Mrs. Marvin Watson of San Diego, Calif., visited in the home of Dean Herring the past weekend.

Parents of Girl
Lt. and Mrs. Bill Lockridge, formerly of Hereford, are the parents of a baby girl, born June 24, in Altus, Okla. She has been named Diana Gay.

Visiting for the past week in the home of Mr. and Mrs. Less Thompson was Mrs. Julia Lukacko and daughter Terry from Niagra Falls, N. Y.

Mr. and Mrs. Monroe Parker and Mr. and Mrs. Charles Crow spent last weekend in Red River.

Butch Allmon, son of Mr. and Mrs. H. L. Allmon of Crownfield, is spending the week in Hereford visiting with his grandparents, Mr. and Mrs. D. W. Allmon.

Mr. and Mrs. Oyd Ellerd and children and Mrs. Joe Pitts visited in Portales Sunday afternoon. Mrs. Ellerd and Mrs. Pitts visited their mother, Mrs. J. A. Vernon, who is in the hospital there.

Club Makes Plans For Safe Driving Crusade At Meet

Garden Beautiful Club held a called meeting in the home of the president, Mrs. Robert Voigel, Saturday afternoon.

Plans were made for the club's participation in the General Federation of Women's Clubs Safe Driving Crusade which opened yesterday with clubwomen being asked to call four persons and ask them to call four others, requesting safe driving over the Fourth of July weekend.

The president appointed two committees which will be working during the summer months. The tour of homes committee with Mrs. Ansel McDowell as chairman, and the flower show committee naming Mrs. N. D. Bartlett Jr. as chairman.

Members voted to hold the flower show in conjunction with the tour of homes which is being scheduled early in October.

Members attending the meeting were Mesdames Howard Armstrong, Tom Carter, Cues Hood, D. C. Kinsey, F. P. Lyons, R. B. Miller, N. D. Bartlett Jr., Ansel McDowell and the hostess.

County Council Meets Wednesday

The regular meeting of the County Home Demonstration Council, which met in the county court room June 27, opened with recreation led by Mrs. Hugh Clearman, representing the Progressive H. D. Club.

Mrs. N. A. Brown, presiding officer, announced that the following clubs were 100 per cent in attendance: Bippus, Dawn, Messenger, Progressive, Westway, Cultural, North Hereford and South Hereford. She also called for committee reports.

Roberta Campbell gave the treasurer's report. Mrs. R. J. Coleman, chairman of the year book committee, reported on the work of the committee, which met June 23 to plan the program for next year. Mrs. T. J. Parsons representative from the H. D. Chorus announced that the chorus meets on the first and third Mondays each month and they will be glad to have anyone interested to sing with them. Meeting time is 2:30.

Mrs. A. E. Hodges, county THDA chairman, outlined plans for the trip by bus to the state THDA meeting in Fort Worth Aug. 3, 4 and 5.

Mrs. H. S. Fuller, Roberta Campbell and Mrs. Louise Olson were elected as a nominating committee to choose officers for next year.

The meeting was adjourned and an election for delegates to the state meeting was called by Mrs. Hodges.

Delegates elected were: Mrs. A. E. Hodges, Mrs. E. M. Cox and Mrs. T. J. Parsons. Mrs. Elmo Hall, Mrs. W. H. Goetsch and Mrs. Zed Stewart were chosen as alternates. Those answering roll call were: Mesdames Tom Draper, J. G. Fortenberry, Elmo Hall, G. V. Hall, R. C. Childers, Earl DeHart, Louie Olson, Grady Parsons, Fred Wolfington, Zed Stewart, H. S. Starving Seven Saved By Sissy

So you think Mother Nature can't be outdone?

Well it looks as if she may have started out to defy herself when Sissy, a very ordinary dog which had been keeping the "boogers" off the Campbell farmstead for several years voluntarily took over the job as wet nurse for a litter of week-old puppies that lost their mother.

When the young dog became sick and was unable to feed her seven babies their hungry whimpering evidently attracted the old dog whose last litter was born at the same time as the puppies mother more than a year ago.

Nobody was especially surprised at her interest in the pups for she had taken three puppies from the bed of another dog, to add to her own four, when her last litter was born in the spring of last year. To keep down complications all nine pups were put into one bed and both dogs shared the feeding routine, as it came handy. The dog that died, after giving birth to her first litter, was one of these nine.

Maybe Sissy wasn't so ordinary after all. Buster, pudgy 13-year-old young hopeful of this corres-

pondent and his cousin had loaded in a young pup when someone else abandoned her at the dump ground one hot July day several years ago. They simply could not understand how anyone could leave a small dog without food or water on a day like that.

Some said she was probably part collie and part police dog, while others contended that her ancestors certainly had been kin to a greyhound. All that mattered to Sissy was she had a home and she showed her appreciation by

The "Talent Tour" took us through six states and for a total of 1850 miles. We visited cooperatives owned by farmers and some other places of interest. While in Amarillo we visited the Producers Grain Corporation elevator and feed mill. We visited the laboratory and saw the technicians testing flour for baking qualities. PGC doesn't make flour but they sell wheat to bakers and have to guarantee the quality. This mill makes all kinds of feed for livestock except dog feed. Feed companies used to have private experiment stations but now they follow the recommendations of the Experiment Stations altogether.

Trying to please the homemaker, this mill orders sacks from three companies to get more colors and designs. The store room was cer-

Modern Day Buffalo Drive Is Described

By ROBERTA CAMPBELL

If buffalo steaks cooked at a chuck wagon were available at the meat market then cattle raisers promoting the current "Eat More Beef" program would likely have to think up another slogan.

That seemed to be the general opinion of more than 500 people who enjoyed a meal at the camp site of the second buffalo drive in the history of the Southwest when the herd stopped over night at historic Flag Springs eight miles north of Boise City, Okla.

Chuck wagon boss, Emmett Coble of Clayton, N. M., directed the cooking at the 50-year-old chuck wagon which four mules had drawn in to camp earlier in the day to have chuck ready for the cowboys trailing 25 head of buffalo and long horned brahma steers from Eva, Okla., to historic Fort Jordan near Clayton.

The first drive had been made in 1907 when some of the same cowboys following this herd had moved another up the trail from the Goodnight Ranch to new pastures.

Even these experienced trail drivers were surprised when the gates were opened at the ranch of Jim Jordan near Eva, Okla., on Wednesday morning to begin the drive and the buffalo stampeded in their first taste of freedom. Across fields they bolted and two farmers plowing took refuge under their tractors until the revolting herd had passed. It took the cowboys hours to get them headed down the Cimarron toward their first stop.

The chuck wagon supper on Saturday night, which featured buffalo steaks along with the usual fare of pinto beans, apricots, sour dough biscuits and sorghum molasses with plenty of black coffee to drink was the highlight of the week's trip along the famous Old Santa Fe Trail.

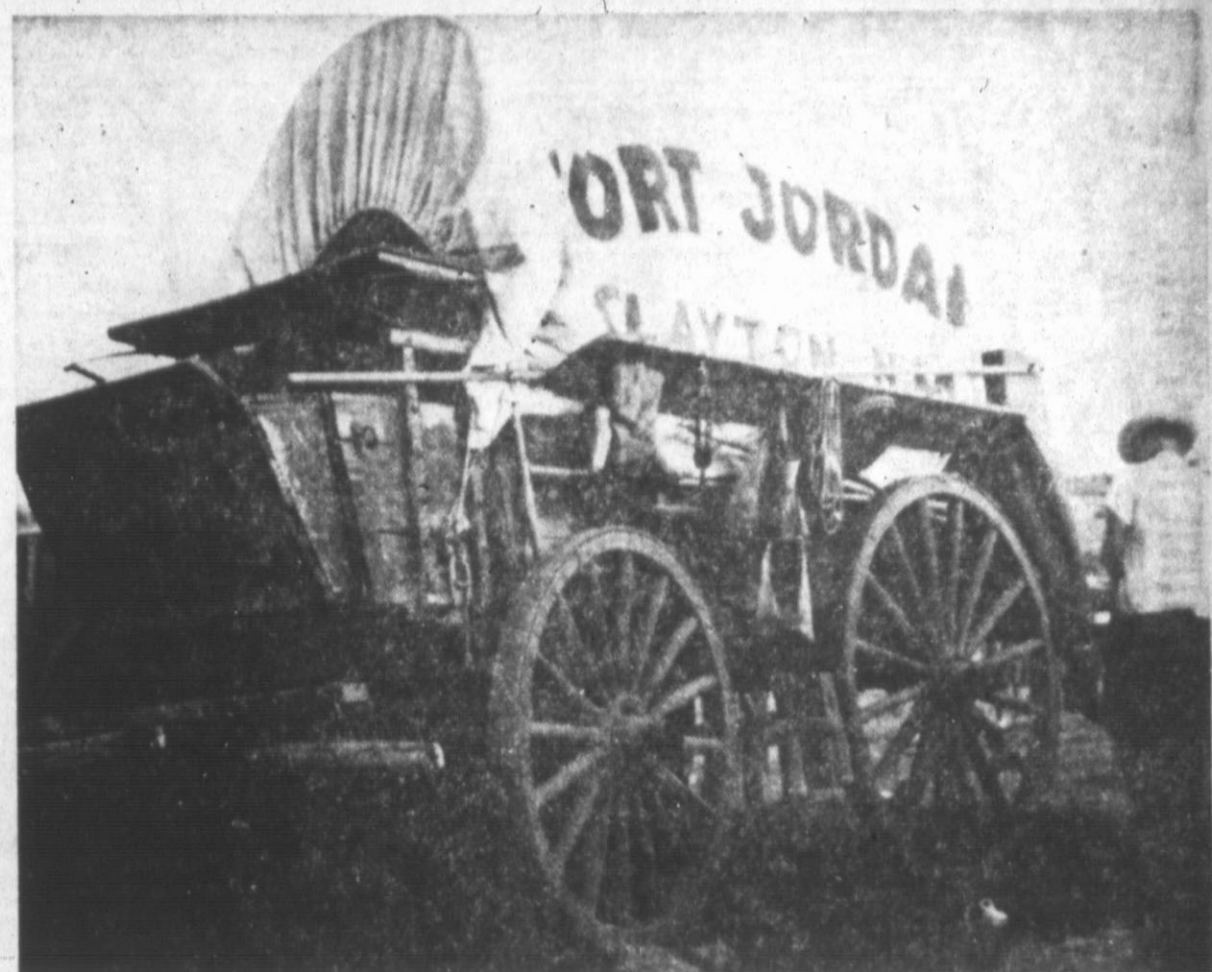

All day Saturday the Caravan had attracted hundreds of spectators and sightseers and before meal time over 1200 people had witnessed the modern version of an event unique in the annals of Panhandle history. More than 500 from far and near had registered and remained for supper and the program that followed.

Clayton had sent a delegation of its best entertainers and many of the Boise City residents had turned out to welcome those making the Drive to one of the newest tourist attractions at Fort Jordan.

Jim Jordan, owner of the animals and antiques that will be housed in the \$160,000 replica of the frontier outpost at Clayton, is trail boss for the drive. Jordan has no historic connection with the old Fort, however.

It is the presence of water along the way that determined the stopping places for the trip just as it was for the caravans and wagon trains en route between Dodge City, Kans., and Santa Fe, N. M., in the nineteenth century.

The drive which attracted professional photographers, newsmen, magazine writers and radio men along with many tourists and others, is scheduled to end today at Fort Jordan.

THE OLD CHUCK WAGON and the hoodlum wagon that followed it look to have been around for a long time for such service as the Buffalo Drive up the Old Santa Fe Trail which will end today at Fort Jordan near Clayton, N. M. The trail

herd left Eva, Okla. last Wednesday and this picture was taken at the camp site eight miles north of Boise City, Okla. at historic Flag Springs, Saturday night.

Dameron Park Picnics Held By HD Clubs

As a finale for H. D. Club meetings until fall two clubs have recently held family picnics in Dameron Park.

A basket supper entertained the members and families and several guests of the Westway H. D. Club in Dameron Park Saturday night preceding Father's Day.

Before supper the youngsters teamed up for a ball game while the smaller children made use of the playground equipment in the park area.

Visitors included Mr. and Mrs. David Sowell and children, and Margaret Sowell of Amarillo; Gwena and Sharon Davis of Clovis, N. M.; Terry Fisher, Clayton, Ind.; Janice Springer, Seminole; and Terry and Gerry Harkrider and Roberta Campbell of Hereford.

Also enjoying the picnic were the families of B. B. Northcutt, J. C. Morrison, Joe Wagoner, T. B. Thomas, E. L. Wilson, Abraham Drager, Jesse Odom, P. B. Sowell, Paul Rudd, Kenneth Rudd, George Turrentine, G. C. Merritt and Bess Werner.

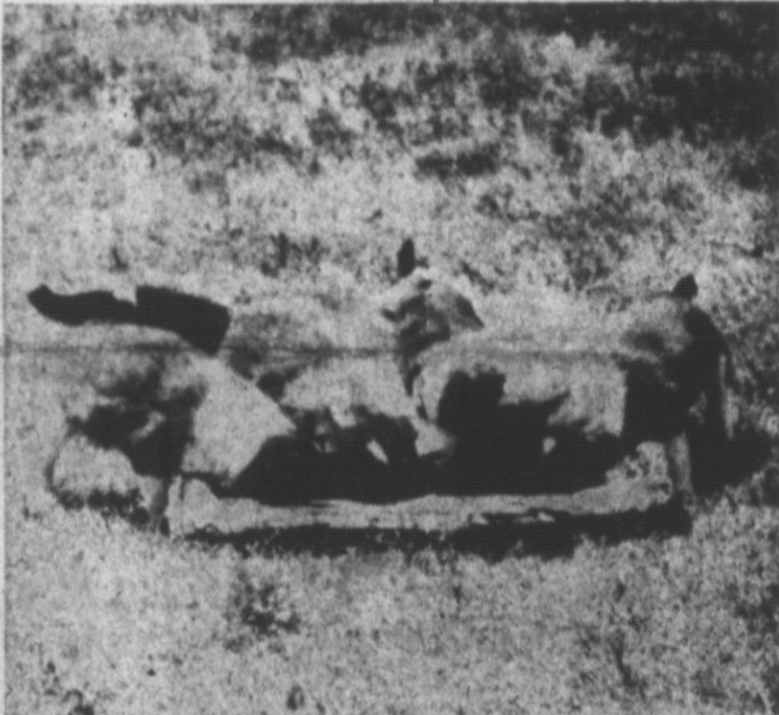

Each family brought a picnic lunch when Cultural H. D. Club met for a picnic in Dameron Park June 24. Home made ice cream to fill the demands of all guests present was provided as dessert.

Attending were: Messrs. and Mesdames Art Lewis, Grady Parsons, R. C. Childers, J. T. Richardson, W. E. Holcomb, R. E. Hargis, Pat Robinson, and family, Ralph Packard and family, A. C. Hershey and family, Ira Scott and family, and Mesdames Louise Olson, Edgar Telchik, Leona Packard, Earl DeHart, and Kenneth, Paul S. Corbett, Paula, Ronald and James, Chris and Jim Richardson of Clayton, Ill., Jack Smith of Panhandle and Donnie Jackson and Billy Legg.

SISSY SETS the table for these little week-old puppies who have just lost their mother, (above). Although her last litter of pups was born at the same time as the mother dog that died, she is actually nursing the litter of seven that did not have their eyes open when the picture was made. Proof of her ability as a wet nurse is shown in the picture at right. The panful of hungry pups is now grownup enough to start eating and lighten her responsibility. Sissy and her charges belong to Roberta Campbell.

County H. D. Women Study Health And Batter Breads

Roll call for members of the Cultural Home Demonstration Club who met with Mrs. Louie Olson June 14 was answered with: "Things My Mother Taught Me."

Some of the answers included not only how to bake, sew, iron and care for children, but how to go ahead with work in other people's homes, to be independent and to think for one's self, and perhaps one of the greatest lessons of all for a young housewife, "That can't be spelled WONT."

Mrs. R. C. Childers opened the meeting by reading "The Two Prayers."

Mrs. Paul Corbett, who gave the demonstration on "Batter Breads" introduced her part of the program by stating that yeast batter is quite different to yeast doughs, but delicious breads, rolls, coffee cakes and muffins may be made easily and quickly and the finished product will have a special aroma and flavor all its own. Hot breads can complete an otherwise scanty meal she told the women.

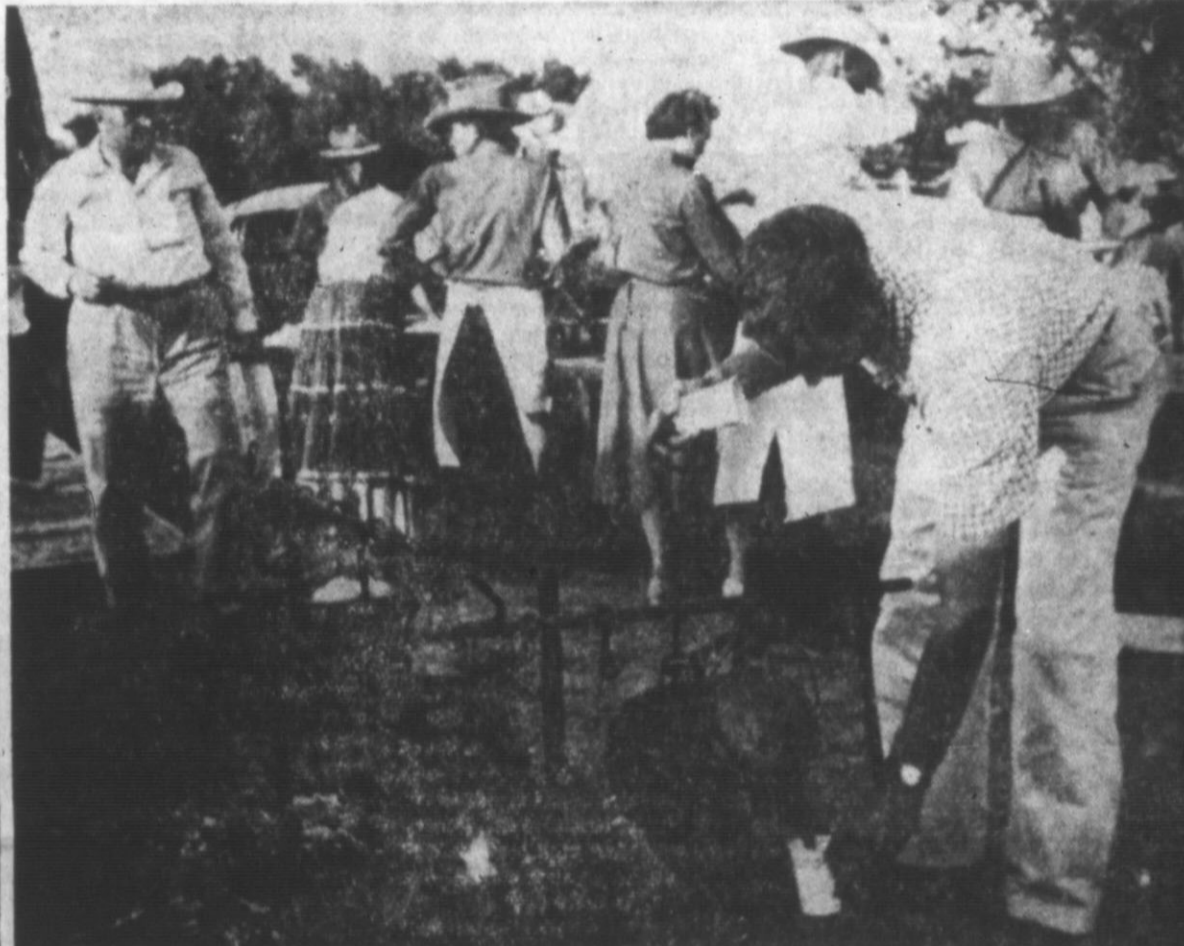

Mrs. Joe Johnston and Mrs. P. M. Houser were guests. Members attending were: Mesdames J. T. Richardson, Edgar Telchik, W. E. Holcomb, R. C. Childers, Irving Robinson, Ira Scott, Earl DeHart, Paul Corbett, M. W. Sumner, C.S. Barclay and the hostess.

Dawn

Members of the Daniel 4-H Club and their leader, Mrs. Jack Higgins, were guests of the Dawn H. D. Club when they met at the home of Mrs. J. M. Carathers June 24.

The program was given by Mrs. Muri Little on medicine. At the business meeting, members voted to postpone the bake sale until fall. They also decided to have a meeting, which was originally scheduled for May 19, combined with the club picnic this summer. Members also voted to

ALSO INTERESTED IN A GOOD MEAL were more than five hundred people who were fed at the chuck wagon accompanying the buffalo from the big pots and dutch ovens. Three voluminous coffee pots were kept going over the camp fire as plates were filled with Buffalo steaks, red beans,

apricots and sourdough biscuits, which make up regular cowboy fare. The long line of visitors waiting for chuck didn't give the cook a chance to announce the meal in the customary manner by yelling "Come and get it or I'll throw it out." (Staff Photo)

At Regular Meetings Of Clubs

4 - H Club Girls Study Aprons, Band Skirts

Elastic band skirts and draw string aprons are demonstrations given recently to 4-H Girls Clubs by Loyce Sullivan, assistant home demonstration agent, and club leaders.

Clubs reporting are: Happy Homes The Happy Homes 4-H Club met in the home of Jane Heard. The meeting was called to order by Carlyn Williams, president. The

club ritual was led by the hostess and Carroll Phifer, secretary, called the roll and read the minutes of the last meeting.

A demonstration was given by Mrs. Sullivan on elastic band skirts and draw-string aprons. At the business meeting, Pat Dawson was elected second vice-president for the club and a dime was contributed by each member for a national 4-H Club building in Washington D. C.

Refreshments were served to Jeanie Logan, Carroll Phifer, Carlyn Williams, Pat Dawson, Glenna Gandy, Jane Heard, Mrs. Ira Ott, leader, Mrs. Sullivan and Mrs. Heard.

Merry Maidens

The Merry Maidens 4-H Club met in the home of DeLoures Buck June 22.

The meeting was called to order by Nancy Parsons, president. DeLoures Buck led the club song and read the minutes. Emily Pavlicek led the ritual and Donna Lovel had charge of recreation. Roll call was answered with "One Thing I'd Like to Learn About Sewing."

The demonstration was given by Mrs. Sullivan on "Draw String Aprons."

Eulalie Cameron and Judith Ann Kreigshauer were visitors. Members attending were: Nancy Parsons, Emily Pavlicek, Donna Lovel, Sue Minor, Ann Rose Dziuk, Polly Ann Monroe and the hostess. The next meeting will be with Polly Monroe July 8.

Sadie Lee Oliver

The Sadie Lee Oliver 4-H Club met in the home of Freda and Dora Ruth Egan June 7.

Mary Lynn Morrison was presiding officer and Nancy Green read the minutes of the last meeting.

Extension Agents Study 'New Look' At Dimmitt Meet

Extension Service of the Texas A&M College system has a new approach to helping farm families.

For the last several years Extension Service has felt there has been a need for a unified program or a family approach to the big business of farming. The whole family should be brought into the planning and the carrying out of plans for the family. Thinking that more long time plans could be made and long time goals accomplished, was the purpose of the one day meeting held in Dimmitt June 24. Loyce Sullivan and Argen Draper, home demonstration agents, and Hugh Clearman, agricultural agent, attended this meeting.

The primary requisite to farm and home development is that the farm family have the desire to improve their operations. They must agree that they need to do more planning to accomplish the things they would like to accomplish. The agents' contribution is to give information and to help in thinking through their problems. Family members will make the decisions, carry them out, and be responsible for the outcome. These plans like all others will change and must be adjusted as the conditions demand.

Extension Service has printed some forms and record books that will make the planning and record keeping easier. These forms are available at the local offices

BUFFALO GRASS around Flag Springs north of Boise City, Okla., seems to be more of an attraction to the herd belonging to Jim Jordan which was being driven along the Old Santa Fe Trail, than the hundreds of tourists and other interested people who gathered for a chuck wagon supper featuring buffalo steak Saturday

night. About 20 head of the shaggy animals and several head of long horned brahma steers were being trailed from Eva, Okla. to a new home at Fort Jordan near Clayton, N. M., and the stop at Flag Springs was the third night out on the drive.

(Staff Photo)

NO DRUG STORE COWBOYS these two old timers who learned as soon as the buffalo were turned out of the pen for the drive that they couldn't be trusted. While some of the traildrivers eat they stand guard just in case the herd becomes dis-

satisfied and makes another break for freedom like the one on the first day out which put two farmers under their tractors for cover as the buffalo dashed by in a wild stampede.

tainly a gay place with hundreds of different designs to appeal to the homemaker.

At the Kansas port of entry the bus had to get a permit to travel in the state. A tax had to be paid on the bus, on each person on the bus and a five cent tax per gallon on the diesel in the bus. It cost \$15.35 for us to enter Kansas.

There are no speed limits in Kansas nor Nebraska except between Lincoln and Omaha.

Around Pratt, Kans., was the only good wheat we saw on the trip. Some of it would probably make 15 to 20 bushels an acre.

While in Wichita we visited the Wichita Bank for Cooperatives. The Farm Credit set-up was explained to us—the Production Credit Administration, National Farm Loan Association, Banks for Co-ops, and the Intermediate Credit Bank.

At Salina, Kans., we ate lunch at Barbee's, which is a Chinese restaurant. We found Chinese paper and asked Barbee Goe, the proprietor, to read it to us. He read a news article about a 4-H

ing for approval. Mrs. T. B. Thomas, club leader, gave a demonstration on stay-stitching.

Plans for a trip were discussed at this meeting. Refreshments were served to Nancy Green, Sandra Townsend, Mary Lynn Morrison, Freda and Dora Ruth Inman, Mrs. Thomas, and Mrs. Inman.

Another meeting of the club was held at the home of Mary Lynn Morrison June 21.

The hostess was the presiding officer and minutes were read by Nancy Green, secretary.

Loyce Sullivan, assistant CHDA, gave the demonstration on "Elastic Band Skirts and Draw String Aprons."

Refreshments of punch and cookies were served to Nancy Green, Dieder Thomas, Mrs. Sullivan, Mrs. Thomas and the hostess.

The next meeting will be held in the home of Jane Auten.

Club member in China who sold a six month old calf that weighed 90 pounds for \$1.25. The paper is published in San Francisco and some of the Talent Clubbers had pictures made reading the paper hoping to impress the folks back home.

Neatness, order, organization and good management was so very evident in Eastern Nebraska. Omaha is a pretty city and we really went first class there. We had supper in the Red Rooster Lounge of the Hilton House and breakfast at the Blackstone Hotel.

At the Blackstone we had linen tablecloths and napkins and colored butlers and waiters.

As the trip through the grounds of Boys' Town was made before 8 a.m., a guide could not be secured. The grounds are perfectly kept and the buildings pretty.

While in Omaha the Civil Defense Organization held an alert and there was no evidence of anything happening at all. The citizens evidently are passive about the civil defense program.

The American people however have the quality of rising to the occasion when the crisis arises.

Ninety percent of the livestock came to the Omaha stockyards by truck and most of it leaves by truck. The hogs are shipped to the West Coast in double deck air-conditioned trucks with automatic waterers and feeders.

The cattle are shipped east—particularly the best beef. Last year the Omaha stockyard lacked only one-half of 1 percent handling as much stock as Chicago. Everyone we saw told us this and naturally hoped to exceed the Chicago receipts this year.

We had to travel to Des Moines, to learn that Pitman Grain has the Hot Spot Detector System. We visited the factory where the detector system is assembled. It is a device for checking the temperature in grain elevators.

Mr. and Mrs. Barber Eubanks met the bus at Noel, Mo., to visit with Bobby Bradley of Dimmitt. They went with us to Sulphur Springs, Ark., which is about eight miles from Noel.

The Eubanks live a mile from the Buffalo Ranch at Afton, Okla. We felt that the Buffalo Ranch was the most lucrative tourist attraction we saw. The curios were the cheapest and the most attractively displayed.

A charge was made for the Indian Dancers but everything else was free including an act by Pat, the trained buffalo. Pat would do things his trainer would tell him to do such as raise his left foot, raise his right foot, get on his knees, bow to the crowd, go to the pick-up window and honk the horn; too, the trainer could ride him like a horse. In fact, when we were ready to leave the trainer rode

Pat up on the bus and just about scared us out of our wits. As the bus drove off Pat raced the bus.

Visiting 4-H girls were: Virginia Higgins, Patricia Bell, Suzanne Higgins, Gloria Bell, Janet Higgins and Linda Higgins. Mrs. Jack Higgins, 4-H leader, was also a guest and Mrs. Lawton Hill was welcomed as a new member.

Members present were: Mesdames Zed Stewart, J. B. Cavaway, Ray Stewart, H. S. Fuller, Marion Russell, Muri Liddle, Jim McCabe and the hostess.

Bippus Bippus H. D. Club met with Mrs. N. E. Tyler June 22. Mrs. Paul Corbett, from the Cultural Club, gave the demonstration on batter rolls.

Mrs. Art Lewis was also a guest. Members present were: Mrs. J. G. Fortenberry, Mrs. C. F. Homfeld, Mrs. G. V. Hall, Mrs. Elmo Hall and the hostess.

Ford Mrs. Elmer Ayres was hostess for members of the Ford H. D. Club who met June 15 for a program on batter rolls given by Mrs. LeRoy Williamson.

Mrs. Williamson pointed out that this method is a quick and easy way to make a husband's pleasure-hotic made bread.

Following the demonstration, the members made suggestions to send to the yearbook committee and selected Mrs. Hardy Benson, Mrs. Williamson and Mrs. J. L. Fite to serve on the nominating committee for next year.

They also voted to have first aid classes taught this summer with Mrs. J. E. Dyer giving the instruction.

Refreshments were served to Mesdames LeRoy Williamson, Willo Williamson, J. B. Laie, Hardy Benson, Henry Browning, S. T. Wiseman, W. A. Bunch, C. D. Coyle, H. M. Harrison, Bill Black, Ben Kelly, J. E. Dyer, J. L. Fite and the hostess.

receiving her barking for something to be considered a danger to those she guarded. She didn't relish the idea of dealing gently with the small flock of sheep but if allowed to use her own initiative she could put them in the pen on short order.

Those who supported the collic theory received strong evidence to back up their argument when first puppies were born the next spring. All had predominant markings of the breed whether they were sable and white, or black and white in color. Almost every pup in the five litters she has raised have borne the same white ring around the neck and the white feet, that are characteristic of the collic.

But regardless of color or origin all that seemed to matter to the dark female was that a bunch of pups without a meal ticket had to be fed and through some unexplained process she was able to furnish milk to nurse the little dogs.

At first they were given a bottle as the owners could not believe that Sissy would be able to do anything more than comfort them as orphans. However since they never seemed to be very hungry examination of her teats revealed that the old dog was actually giving milk.

The growing up procedure has been normal with the foster mother, or beginning to wean them now as she did her own when they were big enough to eat.

A dog lover in Fort Worth who has kennels says it is not unusual for one dog to feed another's pups even when she has none of her own. He has two dogs who feed other puppies he says.

and the agents will be glad to help families get started on this new approach to better farm operations.

To get the maximum benefit from the Farm and Home Development program, farmers in many of the Texas Counties have learned they need to make a farm and home plan, which they sometimes choose to call putting wishes on paper. They will make inventories and labor income record and they use a workbook to help in deciding how they will accomplish their goals. And one of the things that will be the most benefit is a rather simplified record book.

This really is the "New Look" in Extension and the agents are very anxious to talk to farm families who would like help in planning farm and home operations in a more business like manner.

A canning plant will be necessary to care for the crops, but this will come as soon as a sufficient number of truck growers warrant the erection of one. The plan is for a number of farmers to put in a small irrigation plant from five to 20 acres and to raise stuff for canning as well as for immediate shipment.

For a starter, beans, peas, sweet potatoes, onions, cabbage, tomatoes, sweet corn, berries, cucumber, etc.

The city is improvising a fire station on Miles Avenue between Second and Third Streets. Two stalls for the horses, an office for the keeper, tool room, and floor space for the wagon, are being provided. While the building is an "iron clad" affair, it will not stand a heavy bombardment, yet it will serve a good purpose until better quarters can be erected. The two horses recently purchased by the city are being trained and soon they will be faithful to their duty.

23 Years Ago An entire new industry will be added to the irrigated farms of the shallow water belt if the Irish potato field on the Green Valley farm has a turnout up to expectations. Twenty-one acres have been planted to this crop on a former

alfalfa land. The vines are now knee high and better and from a dozen to 50 potatoes ranging in all sizes up to large eggs are in the making. It is costing at least \$100 an acre to produce the potatoes, including \$30 for seed and \$12 for irrigation. Last year the yield was 15,000 pounds to the acre, and should the crop be no better this year, the gross income will be \$300 to the acre.

With 266 cars of wheat having gone out to terminals up to Wednesday night from Deaf Smith County, primary markets and with a slightly better price being received, the movement from farms to loading elevators has been accelerated during the past week.

Elevator men say the season is at its peak now. The market quotation in Hereford Thursday morning was 70 cents, recovering from a low of 65 cents. Price Wednesday was 72 cents.

Mr. and Mrs. Harry Bennett returned home Sunday night from Archer, Tex., where they stayed for a few days.

Mr. and Mrs. Arthur (Duggan) Tinsley visited in Hereford Monday and Tuesday of this week. The Tinsleys live at Nashville, Ark.

Glen Kendrick of Fremont, Neb., is visiting for a few days in the home of his brother and family, Mr. and Mrs. Marvin Kendrick.

ADRIAN NEWS

By ANNIE LESLIE

Mr. and Mrs. W. B. Betts are the parents of a baby girl born Sunday, June 19. The little girl weighed 7 lbs. and 4 oz. and is named Cherry Fayleen.

The Adrian Baptist Church school was climaxed Friday night with commencement exercises in the church. There were a total of 68 children enrolled and 64 received awards. The program consisted of short presentations from each department. Later guests viewed the exhibits of things the children made and enjoyed refreshments.

Mrs. Frances Engles' mother from Big Spring arrived Sunday for a week's stay with her daughter.

The D. W. Morgan family was host and hostess Thursday night at a hamburger fry in their backyard. The guests, members and sponsors of the Adrian Methodist Youth Fellowship, helped to cook the hamburgers and later enjoyed games. Present were Rev. and Mrs. Ralph Odum and children.

Mrs. Jones, Charles Jones, Elsa Foster, Jean Finley, Annie L. Alie, John Henry Gruhlkey, Donnie and Kippy Morgan, Jimmy Zaring, Mr. and Mrs. Arthur Jewett and Mr. and Mrs. D. W.

Morgan.

Mrs. Bob Caldwell's niece, Janette Watson, from Albuquerque, arrived Friday for a week's visit in the Caldwell home.

Mrs. Darrel Gaut honored her daughter, Mary Gail, with a party on her third birthday, last Wednesday. Guests in the Gaut home were Mrs. R. M. Gruhlkey and Dale and Gale, Mrs. Earl Brown, Clinton Earl and Bobby Wayne, Dwayne Gruhlkey, Mrs. Strag McCown and Sharon, Ricky and Martha Gruhlkey, Mrs. Brub Beavers and Sherry, Davy Gruhlkey, Mrs. A. P. Jones and Raymond, Roberta and Jackie Loveless, Ninette Pounds, Linda Kay Engle, and Mary Gail's sister, Royce Ann. Refreshments of cake and ice cream were served and the children were given favors of balloons and suckers.

Guests of Mr. and Mrs. Bob Caldwell for a charcoal hamburger fry in their back yard last Thursday were Mr. and Mrs. R. M. Gruhlkey, Mr. and Mrs. E. B. Pounds, Mr. and Mrs. Horace Betts and Jolene, and Rev. and Mrs. Darrel Gaut.

Mrs. W. C. Leslie and Annie took Mrs. Leslie's sister, Mrs. Mildred Lucas of Los Angeles to Amarillo Friday where she boarded an airplane for Pensacola, Fla. Mrs. Lucas planned to visit in Florida until Thursday.

Mr. and Mrs. Elbert Glenn were honored last Wednesday night at

er prayer meeting at the Baptist Church with a farewell party. Mr. Glenn was presented with a Bible. Refreshments of cookies and punch were served.

Funeral services were held in Amarillo Friday for Marshal Scott nephew of E. B. Pounds. Mr. Scott died Wednesday and was known to many Adrian friends by the name of "Scotty."

Donnie Morgan is attending Methodist Youth Fellowship at McMurray College at Abilene, Monday until Saturday of this week.

Pvt. Wilbur Harris is now stationed with the Army at Fort Ord, Calif., near Monterey.

The Adrian MYF will participate in the caravan meetings at Vega next week. Supper will be served at seven, meetings at 7:45.

Mrs. Wilbur Harris and Mrs. Irene Shuyler of Woodward visited in Adrian Tuesday with Mrs. Ernest Frank. Mrs. Harris is en route to California to join her husband.

The Intermediate MYF sponsored a cake and ice cream supper Sunday evening before church. Raymond Thompson of Vega was guest speaker at the church service, speaking on "The United Nations and Its Place in World Peace."

Mr. and Mrs. Haley Shaw and boys and a friend from Philomath, Ore., are visiting friends and relatives in the Adrian community.

Spending the summer with Mr.

and Mrs. Jack Forterberry are their grandsons, Jack Dooris of Wagon Mound, N. M., and Ronnie Dooris of El Paso.

Mrs. Clint Homfeld's niece, Janice Toots and a friend, Sue Lammon of Kansas City, Mo., left on Monday after a month's visit in the Homfeld home. Kenneth Homfeld returned to Kansas City with them for a visit.

Mrs. Wayne Pinnell and Mrs. Donald Pinnell of Clovis visited in Adrian last Monday and brought Phillip and Edward Pinnell home after a two week's visit.

Visiting, attending a roping, and enjoying a wiener roast at the R.L. Pinnell farm Sunday were Mr. and Mrs. Clint Homfeld and boys, Janice Toots, Sue Lammon, Jean Henry Gruhlkey, Jack and Romie Dooris and Frank Barker.

Mr. and Mrs. Carroll Gruhlkey recently purchased a new 1955 bright yellow and white Ford.

Mr. and Mrs. A. R. Jones are now running the Conoco service station and cafe. They moved here from Tucuman.

Eulaine Perry from Puente, Cal., is visiting with her sister Mrs. W. B. Betts and father, R. W. Berry. Visiting in the J. R. Cullender home last weekend was Mrs. Cullender's sister, Sandra Michael of Canyon.

Mrs. Stella Glascock and Billy returned home last Thursday after a trip to Iowa where they visited relatives and to Claremore,

Okl., where she enjoyed a two week's vacation.

Visiting last weekend in the A.F. Roberts home were her granddaughter and family, Mr. and Mrs. Buddy Cleer and children and grandson, Frank Barker all of Los Angeles. They were en route to week's vacation.

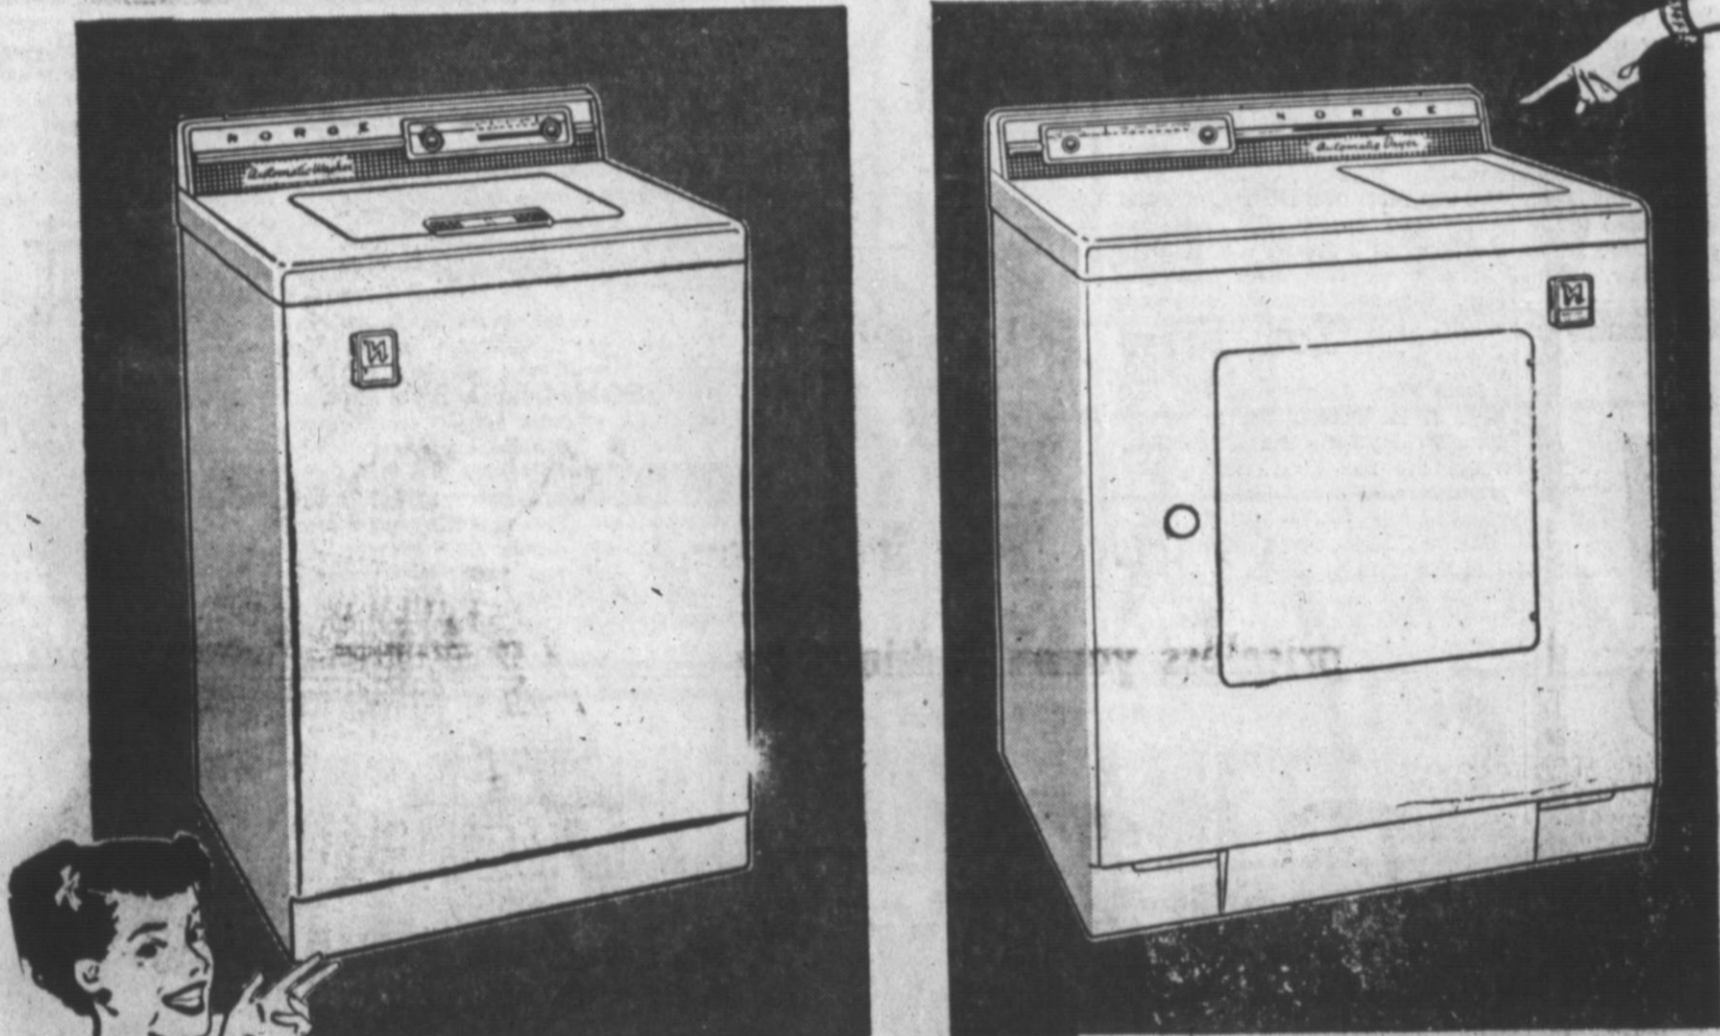

Personals

Mr. and Mrs. Arthur Fowler and daughter Patricia of San Bernardino, visited Sunday in the home of her sister and brother-in-law, Mr. and Mrs. Thomas Lotsford. The Fowlers returned home on the same day, leaving their daughter Patricia to spend the summer with the Lotsfords.

Mr. and Mrs. Clarence Brown of San Diego, are the proud parents of a daughter, Paula Faye, born June 13. Mrs. Brown is the former Eleanor Altman. The baby's grandparents are Mrs. Charlotte Brown of Shawnee, Okla., and Mrs. Ocie Altman of Hereford, presently in San Diego.

Mrs. C. M. Sullivan, daughter of Mr. and Mrs. Dave Odum, who has recently undergone surgery in the hospital at Lubbock, returned home Friday after six weeks in the hospital and is reported to be doing fine.

to put extra value in the low Plymouth price!

All cars have horns and wheels and headlights, but there's a lot of difference in the features of a car that add up to v-a-l-u-e. Here are just a few of Plymouth's features that will add to your comfort and your convenience. In the low-price 3, you'll find them only in Plymouth!

Cornerposts of Plymouth's glamorous new Full-View windshield are swept back, top and bottom (not bottom only), for better, safer vision.

For more direct pillowing action, Plymouth mounts the longer-stroke front Oriflow shock absorbers inside the big front coil springs.

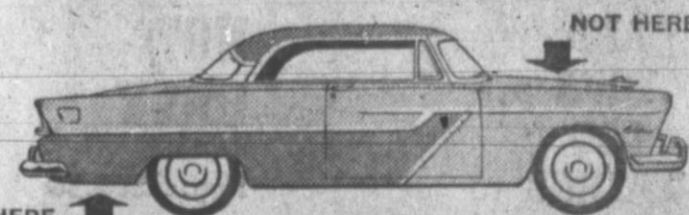

Plymouth places two hydraulic brake cylinders in each front wheel (other low-price cars use only one) for smoother stops, greater reliability.

Plymouth's brilliant Forward Look styling gives you better forward visibility by letting you see more of the road directly ahead of the car.

If you ever have a blowout, your Plymouth has Safety-Rim wheels which help hold a deflated tire on the rim while you slow to a safe stop.

Plymouth's Oilite fuel filter is located back in the fuel tank to protect the entire fuel system and engine from dirt and water. Plymouth is the BIGGEST, LONGEST, ROOMIEST car of the

AUSTIN — Selection of a successor to Wright Morrow, Democratic National committeeman of Texas, is imminent. Because he voted for Eisenhower for President in 1952, Morrow was barred from serving on the Democratic National Committee.

But, Gov. Allan Shivers doubts that anyone can be found to fill the prescription laid down by Democratic National Chairman Paul Butler.

It must be someone, Butler told Shivers in his now famous Washington "kitchen conference," who never bolted the party. It must be someone who worked for Adlai Stevenson's election. And it must be someone who can be approved by Shivers, House Speaker Sam Rayburn, and Senator Lyndon Johnson.

Possibility of replacing Morrow became a by-product of activity by top-level Democratic and Republican figures in the preliminary skirmish toward Texas' role as a battlefield in the 1956 presidential contest.

Chairman Butler spent six days in Texas, mostly under the guiding hand of the "Democratic Advisory Council," a group of liberal-loyalists appointed to take over Morrow's duties.

Butler declined an invitation by Governor Shivers to visit the executive mansion; Shivers did not accept Butler's invitation to come to some of his meetings.

Republican National Committeeman Jack Porter followed Butler promptly with a state workers' rally in Austin. He announced he was extending "not only an invitation, but a challenge" to the conservative Democrats who carried Texas for Eisenhower, to join up formally with the Republicans.

Porter predicted that President Eisenhower will be re-nominated, will carry Texas, Florida, Virginia and Tennessee again—and win in 1956.

"The Conservative Democrats,"

he said, "were invited by Butler to quit their party. They know they will have no more say in selecting a nominee next year than in 1952 or 1948."

Porter believes the Democratic party split is permanent.

Anderson Talked for Governor
Resignation of Deputy Secretary of Defense Robert L. Anderson of Vernon started speculation whether he might figure in next year's governor's race or the conservative's choice. Or possibly be in line for a place on the national Democratic ticket. This despite his service in a Republican administration.

Another name that crops up when conservatives are mentioned as likely candidates in the governor's race is that of Sen. Otis Lock, of Lufkin. He already has been referred to as the "jet age candidate" since his talk to the Jacksonville Rotary Club last week.

Senator Lock pointed out the need for streamlining state administrative agencies; urged improvement in spending methods; and "a sound, fair code protecting each person from excessive taxation." With its population increasing and its economy expanding Texas can not meet its jet age governmental needs with a Model-T vehicle, he stated.

Johnson For President
There has been a remarkable array of national comment, in such publications as the Wall Street Journal, Newsweek, and the Washington Star, about Senate Majority Leader Lyndon Johnson's success and his "availability" as the Democratic standard-bearer for President.

Governor Shivers himself came back from Washington recently praising Johnson, a loyalist.

A speech early in the week by Governor Shivers, before the New York Sales Executives Club, is another in the national network of his appearances in which he restates the basic doctrine of the dissident Dixie and conservative Democrats.

Governor Shivers had pointed suggestions for Texas schools, faced with the US Supreme Court desegregation decision.

"I do not think it necessary at this time for any district to take any step its board does not want to take beyond studying the problems and its solution," he said.

He will name a statewide committee, to study problems of the desegregation ruling, and recommended that school districts appoint their own committees.

According to the Governor, the decision leaves a large measure of control to local districts, "where

the problems should be worked out."

Short Shorts
Efforts of former Land Commissioner Bascom Giles and of B. R. Sheffield of Brady, to have Travis County indictments in veterans' land cases quashed were rejected in district court.

Land Commissioner J. Earl Rudder said he will start a shakeup of the General Land Office in July. His decision follows testimony in a lengthy court of inquiry on the office's operation under former Commissioner Bascom Giles.

John C. White, commissioner of Agriculture, denied that Texas over-erupted by \$162,670 federal drought aid money in 1953—as claimed by the US Department of Agriculture.

Congressman Clark Thompson and Homer Thornberry announced a tour of Central Texas counties, by a House Agriculture sub-committee, to study acreage allotments for rice and cotton.

Governor Shivers paid tribute to Amon G. Carter as "one of the most dynamic Texans of his generation." Carter, long-time publisher of the Fort Worth Star-Telegram, died June 23.

Trials for George B. Parr, south Texas political czar—and 11 others from Duval County—on charges relating to school funds, have been set for July 5 in New Braunfels, on change of venue.

A Texas committee to plan the state's part in the White House Conference on Education, Nov. 29-Dec. 1, was named by Governor Shivers. Dr. Erwin L. Rippey, president of the Dallas School Board, is chairman. Its first session will be in Austin.

A state building commission bill was signed by the governor. It provides \$6,000,000 for a new state courts building and a state-office building.

Hamburger Fry Held By Class

The Homemakers Class of the Assembly of God Church attended a back yard hamburger fry Friday night at the home of Mr. and Mrs. Arthur Pearce and Kenneth, at 107 Avenue E.

Those attending were: Mrs. Shirley Riley, John and Arthur; Mr. and Mrs. Hobby Williams; Sandy, Sharon, and Reunde; Mr. and Mrs. Orval Gailley, Robert and Janice; Mr. and Mrs. Ronald Crist, Cathy and Carla; R. H. and Mrs. DeLaney; Mr. and Mrs. Baxter London, Dianne and Gary; Mr. and Mrs. Ray Neel and Lillith; Mr. and Mrs. Thomas Botsford; Mr. and Mrs. David Miss, Larry and Susie; Mrs. Anna Matthews and two grandchildrea Linta and Dolores of Amarillo; and the host and hostess.

Accident Causes Minor Damages

An accident which occurred Saturday night caused an estimated \$175 in damages when two cars collided at Jackson Street and Highway 60.

The accident occurred when a 1955 Ford driven by Paul Morton ran into a 1951 Oldsmobile driven by Charlie M. Smith. Damages to the Ford were estimated at \$125 and \$50 in damages were done to the Oldsmobile.

Morton was charged with following too closely behind the other car.

Mr. and Mrs. H. H. Caraway and daughters of Stratford spent the weekend with their parents, the W. P. Caraways and the E. Rameys. While here Ann was a guest of June Owen of Dawn and

Kay visited part time with Zeil Crump.

Mr. and Mrs. L. C. Jordan of Amarillo were guests in the home of Mr. and Mrs. Burke Linnam Sunday.

Kit Carson Sanders, son of Mr. and Mrs. O. R. Sanders, left Monday for New Port, R. I. He plans to attend Naval Officers Training School for two months.

League-Leading Friona Is Upset By Local Semi-Pros

By BILL KNOX

The Hereford Pink Sox, local semi-pros, surprised the league leading Friona team 12-9 Sunday afternoon at Friona's new and spacious ball park. The triumph avenged an earlier loss at the hands of John Renner's crew.

The Sox pounded starter Lindley Davis, who had met with success in shacking Hereford previously, for eight runs. And when Stan Barrett entered in relief, they took up where they left off.

Terry McRight pitched one of his better ball games. He had Friona handcuffed until the sixth inning when he weakened and began to get wild. Johnny Winkler then came to the rescue and allowed only one run from then on. Friona got 10 hits off the combined efforts of McRight and Winkler. Hereford punched out 11 safe balls.

Hereford scored consistently, counting markers in six innings. Friona scored in five but had a big inning only once. Hereford chased across four markers in two separate innings. Johnny Winkler's stuff definitely threw them off balance in the latter innings after McRight had dazzled them with his speed.

The Bright Hose jumped to a quick lead and kept it. They chased four markers in the first on two hits. Sims led off by dribbling to the pitcher, but Burdine and Lueb drew bases on balls. Corbett scored both with a hit, and Suttle got first on a fielder's choice. Jack Burrus banged out another hit to complete the rally.

Friona got none in the first, but after blanking Hereford in the second pushed across one in the bottom of the inning. Barrett walked to lead off the inning and reached

Bob Cummings To Return To Barn In Team Match

Home town boy Bob Cummings comes bounding back home to Hereford this week to resume his wrestling career after a lengthy tour of Eastern and Midwestern states.

Cummings, originally from Seaside, Ore., but a tax-paying homeowner of Hereford for several years, teams up with Boston Chris Belkas in a tag match headlining Saturday night's mat card at the Bullbarn.

The opponents are two rough characters who have moved into the Southwest States territory only recently. They are chunk Jim Austeri, a very tough Italian from Passaic, N. J., and Frank Faketty, trim athlete from Omaha, Neb.

The match is scheduled for two best falls of three or one hour. Chris Belkas has become one of the real threats to junior heavy-weight supremacy in the territory. The quick-moving, strong-armed Greek added much to his reputation recently by defeating Leo Wal-

Softball Teams Enter Tourney

Action in the Hereford Softball League has been temporarily suspended, since four of the teams are entering a tournament at Dimmitt.

Piggly Wiggly, Hotel Jim Hill, the Knights of Columbus, and Summerfield have all entered the Dimmitt tourney. Jim Hill will take on the Friona All-Stars Monday night at 8:30, and Piggly Wiggly will take on a team from Littlefield in the nightcap Monday night. The KC's will have battle with the Dimmitt All-Stars in the first game Tuesday night, and Summerfield will battle the Dimmitt Rag Knots in the second game Tuesday night.

Piggly Wiggly, presently leading in the Hereford League, is among the higher seeded teams in the tournament. If the Pies win Monday night they will play the winner of the Dimmitt Rag Knots Summerfield game Thursday night then if they are successful in that fracas they will be assured of a berth in the finals Saturday night. Rutherford, a Hereford team, lost in the finals of the tourney last year.

A new style 36-hole golf tournament will be held at the Hereford Golf Course Sunday and Monday July 3 and 4. Eighteen holes will be played Sunday and 18 holes will be played Monday. Entry fee will be \$2 (not including green fees). Merchandise awards will be given the winners.

The affair will be patterned along the lines of the pro-amateur tournaments with an A player as the captain, a B player, a C player, and a D player or woman comprising each foursome. A players are 72 to 77, B players are 79 to 85, C players 86 to 95, and D players are 95 and over. Women will receive one-half of their club handicaps. Scoring will be in this manner.

Each bogey on each hole counts one point. Each par counts two points, each birdie three points, each eagle four points, and each hole-in-one 10 points. The team with the most number of points after 36 holes will be the winner. The merchandise prizes will be awarded to the first six foursomes having the most number of points.

Entry deadline will be at 6:00 p.m. Saturday, July 2. All who wish to enter must turn in their name and entry fee at the Pro Shop by that time, or phone 1284 and your name will be placed for the pairings which will be drawn from a box after 6:00 p.m. Saturday July 2. Everyone who wants to play is invited to do so. No starting times will be given; each foursome may play their 18 holes on Sunday and Monday whenever it is most convenient for them.

Then Hereford continued the revenge battle by counting four more in top of the third. Lueb led with a walk, and Corbett was thrown out by Renner, but Lueb went to second on an error by the second baseman. Suttle singled to score him, and Carroll and Callaway followed with safe blows putting them on first. Duane Albracht and McRight punched singles to finish out the scoring.

The Hose counted single tallies again the fifth and sixth and pushed across two in the eighth. Friona began an uphill flight but failed in their attempt to catch Hereford. Lane tallies were scored in the fourth, fifth, and eighth, but their big inning was the sixth. They scored five runs on four big hits and a base on balls.

After Win Over Dimmitt

Polo Team's First Home Game Sunday

Hereford's Palmetto Polo team, fresh from a 13-5 victory over Dimmitt Saturday night at Dimmitt, will play their first home Conference game of the year here Sunday afternoon against a strong team from Dalhart.

Favored to win the conference race, the locals proved their rating last Saturday in the game with Dimmitt with Center Floyd Walton starring along with Harold Beauchamp and T. B. Davenport in the scoring parade.

Walton's three point shot from his center position was the high-point of the game at Dimmitt. The sensational shot was his only scoring of the night, but it came in the initial chukker (quarter) to get the Hereford team rolling. Beauchamp was leading scorer for the night, ringing in eight points. Davenport added a good two pointer in the third chukker.

Hereford led all the way after taking a 4-1 lead in the first chuk-

ker. They held on to their lead in the second chukker despite a Dimmitt rally and led 4-3 at half-time. In the third chukker, the locals pushed their lead to 7-5 and added six more points in the final period of play.

Probable starting line-up for Hereford Saturday night will be Harold Beauchamp in the number one position; Wylie Roberson, 2; Floyd Walton, center; T. B. Davenport, 3; and Walter Johnson, 4. Others expected to see a lot of action are Harold Easley, Red Garrett, Raymond Holt, Ralph Sears, Ed Johnson, J. D. Tyler and Jack France.

Game time is 2 p.m. at the Riders Club rodeo grounds.

Other conference games are set for July 9, Fritch, there; July 16, Cactus, here; July 23, Amarillo, here; July 30, Dimmitt, here; Aug. 6, Dalhart, there; Aug. 13, Fritch, here; Aug. 20, Cactus, there; and Aug. 27, Amarillo, there.

CHAMPIONSHIP DISPLAY -- Danny Elliston displays the form which won him the boys championship in The Brand Table Tennis Tournament. Elliston upset Donald Zimmerman to take the title. Zimmerman was pre-tourney favorite.

Elliston Wins Championship In Ping Pong Play

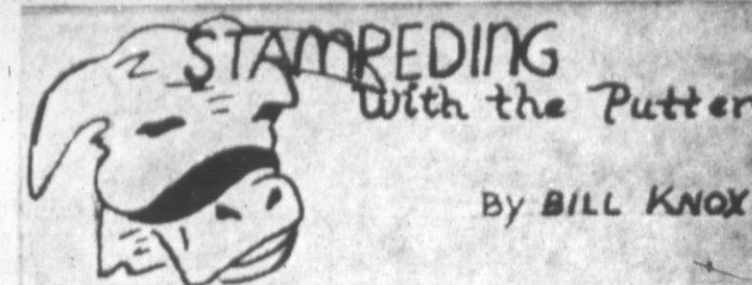

Danny Elliston lost the first set, then won the next two to take the boys' championship in the Hereford Brand Table Tennis Tournament Sunday.

Elliston upset favorite Donald Zimmerman by taking the last two sets after losing the first. Zimmerman won four games to Elliston's two in the initial set. Zimmerman won victories of 21-19, 24-22, 21-15 and 21-14. Elliston's winning scores were 21-19 and 21-16.

Then Zimmerman's troubles began. In the next nine games played he won only one. All of Elliston's triumphs were convincing. In one game he was the victor by a 21-3 score. Other games he won by 21-14 four times, 21-13, 21-9, and 21-7. Zimmerman's lone victory in the final two sets was by a score of 21-11.

In the match for third place, Taylor Sims soundly trounced Lynn Jones in eight straight games. Previously Sims had defeated Don Zimmerman three straight games, before losing the next four.

Sims' victories over Jones all came easy. Their scores were: 21-10, 21-16, 21-13, 21-14, 21-13, 21-11 21-6, and 24-22. As is evident, the only time he was in trouble was in the final game. After building up a big lead in the final game, he allowed Jones to catch him before eliminating him.

The annual All-Star game of the Hereford Softball League turned out to be quite a classic. The score (13-11) might not indicate that, but it was a well played game all the way. And a 13-11 game might be considered low scoring in this league.

As usual, our dope bucket must have had a hole in it. The only thing we came close to predicting correct was that the Americans had the better hitting team. And they lived up to our expectations.

The Nationals' pitching staff certainly was off. Don Morgan (9-2) gave up nine runs, giving up five bases on balls and hitting seven. Harold Dunnam, his successor, was a bit more successful, giving up four runs and five hits. He did not give up a walk.

And, as we have mentioned before, the game was well played. Several splendid catches were turned in by both teams, and very few errors were made, and hitting was good, too. That home run hit by Leroy Suttle with the bases loaded was hit so far that a jack-rabbit couldn't have got there in time to catch it.

The boys championship in The Brand Table Tennis Tournament has been decided, and, as usual, we can chalk up another missed prediction. Donald Zimmerman, pre-tourney favorite, was taken out after winning the first set. Then Danny Elliston, winner of the championship match, suddenly seemed to catch onto his style, and in the next nine games lost only one.

Taylor Sims certainly turned out to be the dark horse. He turned the tables on Bill Callaway who was favored to win in the first round, then he was three games up on Donald Zimmerman in his second match before losing the next four games. Sims took third place easily by stopping Lynn Jones in eight straight games.

The mens' division is also nearing completion. Pat Sullivan has already reached the finals. He took out Leo Box, Gerald Hale, and Walter Seed to get there. He alone is our one hope for once getting a prediction correct, but he will encounter rugged competition from probably Marvin Coffey. But first

Several people may be wondering about the nickname pinned on Hereford's semi-pro team. It was exceedingly difficult to write about a team with no nickname whatsoever, so we took it upon ourselves to give them one. Some color of socks seems to be the most popular name, and since pink is presently the fad, we thought that Pink Sox would be very appropriate. The only problem now is finding some pink baseball socks that the nickname will fit.

Walcott News

By MRS. T. L. COLLINS
Mr. and Mrs. Thomas L. Collins, Raymond and Bruce left June 1 for a trip to Chicago to visit with relatives and see the country. When they came to Dearborne Station, they were met by a nephew, Jack Read who took them to Downers Grove, Ill., where they visited in the home of a brother and family, Mr. and Mrs. Chester Read, Jack and Dorothy. They stayed in Chicago for a few days, sight seeing and visiting then returning home.

Mr. and Mrs. S. O. Perkins and son Bob, recently spent the week-

end in Plains visiting their daughter and family, Mr. and Mrs. Jimmy Johnston and Maryette.

Mr. and Mrs. Travis Alston of Westway brought their visitors from Dallas. Mr. and Mrs. L. C. Johnson and daughter, Helen who is a teacher, to make a tour of our Walcott school. They thought our plant here very nice.

Mr. and Mrs. J. V. Perrin and J. V. Jr., made a quick trip to visit their parents at Haskell. Their young son, John, who had been visiting his grandparents, for several weeks, returned home with them. J. V. Jr., stayed for a visit.

Mr. and Mrs. Wallace Lumpkins and family visited relatives in Tulsa lately.

Mary Ruth Chandler of Plainview, a friend of Mary Sue Patton, has been visiting here in the Patton home for several days.

Mr. and Mrs. W. L. Harkrider and sons, Terry and Gerry, will be

leaving this community in about a month. They will move back to their ranch near Big Spring. The boys will attend Four Sands school.

Looked like a good many farmers came to school Saturday for the purpose of voting on the national wheat referendum.

Mr. and Mrs. Charles Hoover and family have a nephew, Randy Jorgensen from Manhattan Beach, Calif., visiting in their home.

Mrs. Cliff Patton and Steve have been visiting in the home of a daughter, Mr. and Mrs. A. B. Green at Denver City. A new granddaughter was born Sunday. Mrs. Patton expects to bring her and the mother home with her soon.

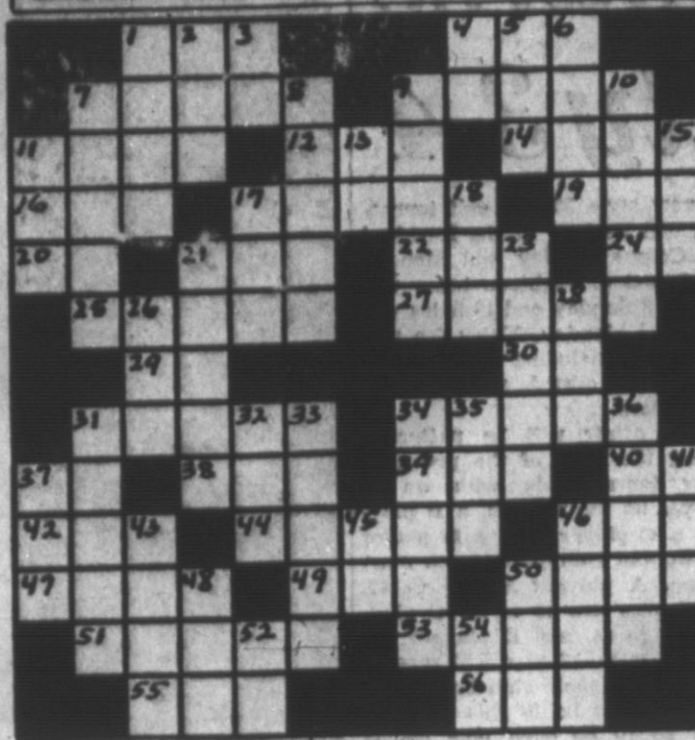

Mr. and Mrs. S. O. Perkins and Bob were Sunday dinner guests in the T. L. Collins home. They are moving to the home formerly lived in by the J. S. McCullar family. They will be missed from here.

Adjournment
Everyone is trying to pick a date for adjournment. It ranges from July 5 to Oct. 1. Present indications are that we will get out sometime during the middle or latter part of August. We hope it is soon. The kids are anxious to get home and so are their mother and father.

Mr. and Mrs. Ray E. Stephenson, and their two fine sons, Ray and Jimmy, of Pampa, gave the Capital a good going over. We certainly enjoyed seeing them. Our office was also honored by a visit from Mr. and Mrs. William Lowe, of Clarendon, who were headed for the Lions Convention. We enjoyed a nice visit with Bill and Mrs. Lowe and hope to see them on their return trip. Cecil Regier, of Perryton, the young man who is going to the Middle East on the International Farm Exchange program, also came by for a nice visit. His trip was originally sparked by the Perryton Lions Club. He will certainly be a good public relations man and contribute much toward good relations between this country and the Middle Eastern countries. Miss Lillie Hostetter, of Amarillo, was very kind to come by the office for a visit and discuss the proposed Equal Rights amendment to the Constitution. She is a fine person and certainly knows her subject. Amarillo also sent some other visitors in the good persons of Mr. and Mrs. Mark Clemmer and their son Craig, and Miss Wadene Wilson. Nolan McKean, of Pampa, dropped by the office on his way home from Norfolk, Va.

We are expecting the W. T. Nelsons, the Chester Hufstedlers and the Bonnie Newberrys, from Childress, who will be headed for the Lions Convention at Atlantic City. We are also looking forward to seeing Mr. and Mrs. Bill Heatley, of Paducah, and their fine children. These are the ones we have heard from who were going to the Lions Convention, but we expect to see many more who will be headed that way.

Beauty at Home

By Lynn Carter

Q. Please suggest a good exercise for a slimmer waistline.

A. Lie on floor on your stomach, with legs together and arms close to sides. Bend legs back and up toward buttocks, circling ankles with your hands. Raise head slightly, and rock back and forth from shoulders to knees. This is a good one!

Q. What is a beauty mask that is good for a dry skin?

A. An old-fashioned, but good, mask is made by mixing finely-ground oatmeal of the best quality with almond oil into a thin paste. Mix just enough for one mask treatment at a time.

Q. Is overweight really due to heredity?

A. No. If overweight, it's usually due to family eating habits, rather than heredity. Or, it could be due to some glandular disturbance. If in doubt, consult your doctor.

Q. What can I do about graying hair?

A. Why not play it up? It is a specific kind of beauty. Wear colors to enhance it. Browns, beiges, and certain gray shades might make your hair look dull and your skin sallow. Or, perhaps you have been wearing black for years, but now with your new hair shade, navy is more becoming, or dark green, wine, sapphire blue or deep red shades. Don't fear color. Make it work for you. Pastel blue, rose, pink, aqua, and blue green are wonderfully becoming, as well as white.

Q. How should eyeshadow be applied when the eyes are wide apart?

A. Apply it with the heaviest toward the nose, and this will tend to bring the eyes slightly closer together.

Q. How can a sagging chinline

be minimized by one's hairdresser? A. Attention can be drawn from it by drawing the hair back from the temples and dressing it high on the head. Don't wear the hair low at the back, as this tends to reveal every tiny defect through the lower part of the face.

Q. What is a facial rule to follow for rouge application?

A. Let the rouge follow the curve of the cheekbone in a more or less triangular outline. By slapping your cheeks smartly and observing the natural color that appears, you can see for yourself the way to apply your rouge.

Q. Please suggest a good way to remove blackheads from my skin.

A. Apply slightly moistened cereal grains (oatmeal, for instance) to them. Let the grains dry on your skin, then rub them off with a coarse towel. The friction helps dislodge the blackheads.

Q. What is a recipe for a hair-curling fluid?

A. One ounce gura tereanth, one fluid ounce glycerine, and 15 fluid ounces of rose water, mixed together.

Your Congressman Reports

Washington was completely wiped off the map last Wednesday. This should have stopped some of the confusion, but according to the newspaper reports, it merely added to it. The trouble lay in the fact that many in the Capitol City refused to admit that they had been completely obliterated. Gen-

erally speaking, they went blithely on their way and treated the whole proposition in a more or less jocular vein. The news stories were serious to a degree, but most of the writers couldn't withstand the temptation of threading humor through them. One good example was a news story in a local paper that drew a verbal picture of how the long black Cadillac used by the Attorney General "Zoomed" down by the corner, where the Attorney General, who had "Zoomed" from his office to the same corner, "Zoomed" into the Cadillac, and the Cadillac "Zoomed" to his hide-out. The story, however, did not contain any information as to when and if he was going to "Zoom" back to his office and get to work.

Most of the others left town at a more moderate speed and without so much fanfare and trumpet blowing. That is, those connected with the Executive Branch of the Government. Many of the columnists made no effort to hide their amusement as to what was going on incident to this operation. Some of them were rather humorous, while others were caustically critical. Even the editorials in the local papers were more or less apologetic.

Congress was not included in the invitation to evacuate, but it is generally felt that the failure to include Congress is not necessarily indicative of the feeling of the Executive Branch toward Congress. Everything was normal on Capitol Hill during the entire festivities. At the time the super-atom bomb devastated the city and all the surrounding countryside, Congress was debating a resolution to investigate the Federal Reserve. The debate was so heated and intense that the explosion was not even heard on the Hill. However, word must have reached the Chamber before the vote was taken because the resolution failed. It was worded around that some members actually believed that the downtown offices had been wiped out and saw no reason for an investigation of something that wasn't there. The whole performance did prove one thing: You can't stop Congress from talking about investigating, even with an atom bomb.

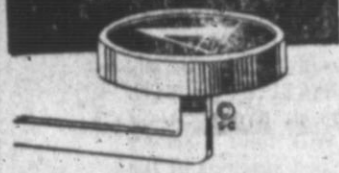

Our biggest objection to the evacuation was that every time we tried to get information from the departments, it seemed that the boys with the knowledge had been evacuated. This even included some witnesses who were supposed to appear before my subcommittee on Mines and Mining. Actually, a great deal more attention should be paid to Civil Defense, especially in the metropolitan areas of the East and Middle

West. The problem, however, does not lie in the realm of trying to evacuate people from these cities. If any foreign power decided to set off a devastating bomb in any of our metropolitan areas, they wouldn't do it by airplane. The citizens in those areas would have little, if any, notice. In Washington for instance, there are a number of embassies that are foreign soil insofar as our government is concerned. Any one of these could be employed as a situs to assemble an explosive agent that could practically wipe Washington off the map. No notice of any kind would precede such a catastrophe.

If the vehicle carrying the bomb was a guided missile, the chances are that it would be a matter of minutes between the notice of its approach and its explosion. When we assume that an enemy of this country is going to employ an airplane to attack our Capitol City, we are simply underestimating our enemies. All of them know the extensive and practically complete defenses that we have set up. They realize the small chance that they would have of getting to their target by such an approach.

One fellow was overheard to say that an enemy would not have to bomb this country. All he would have to do would be to run his airplanes in and out of our radar system. Everytime the alarm was set off all of the cities would be evacuated. In this manner, the enemy could soon run us to death.

WE HOLD THESE TRUTHS TO BE SELF-EVIDENT, THAT ALL MEN ARE CREATED EQUAL, THAT THEY ARE ENDOWED BY THEIR CREATOR WITH CERTAIN INALIENABLE RIGHTS, AMONG THESE ARE LIFE, LIBERTY AND THE PURSUIT OF HAPPINESS, THAT TO SECURE THESE RIGHTS GOVERNMENTS ARE INSTITUTED AMONG MEN. WE... SOLEMNLY PUBLISH AND DECLARE, THAT THESE COLONIES ARE AND OF RIGHT OUGHT TO BE FREE AND INDEPENDENT STATES... AND FOR THE SUPPORT OF THIS DECLARATION, WITH A FIRM RELIANCE ON THE PROTECTION OF DIVINE PROVIDENCE, WE MUTUALLY PLEDGE OUR LIVES, OUR FORTUNES AND OUR SACRED HONOR.

It's time to celebrate! It's time to rededicate yourself to God and Country! It's Independence Day! The Spirit of 1776 still lives. The right to freedom of worship must prevail. It is the Fourth of July!

The influence of Washington, the "Father of Our Country," is felt in every forward step America takes. The Flag, the Stars and Stripes, waves over a loyal and sacrificing people. The Eagle for strength and elevation of thought and purpose is affixed on our coin to show our exclusive right. *All this reminds us that a Free People had to learn to be a united people. Out of the many came one nation... E Pluribus Unum.*

The great Document above, The Declaration of Independence, was adopted on that memorable day. *This noble experiment of government, "of the people, by the people, for the people," guarantees every citizen of our country "certain inalienable rights... Life, Liberty, and the Pursuit of Happiness."* We have no ambition for conquest and military glory. We want no loot. But we mean to have our freedom and independence, whatever the cost. *This is Independence Day!*

"UNDERWATER"
 "Underwater" a romantic drama of skin-diver action and aqua-lung thrills in the weird undersea world everybody has been reading about, comes to the Star Theatre Sunday Monday and Tuesday. It is the warm, intimate love story of Jane Russell and Richard Egan, an ardent young married couple, who join perennial rainbow-chaser Gilbert Roland in a quest for the treasure he believes hidden in an ancient sunken ship he has discovered off the Cuban coast. Lori Nelson, beautiful secretary to a vanished yacht-owner, supplies the craft, and accompanied by Robert Keith, a priest in a nearby fishing village, they reach the site of the sunken ship to find themselves under ominous scrutiny from native shark fisherman Joseph Calleia.

"DRAGNET"
 "Dragnet" in WarnerColor and wide screen shows Thursday and Friday at the Tower Drive-In Theatre. The first full length feature, "Dragnet" stars Jack Webb as Sgt. Joe Friday and Ben Alexander portrays Officer Frank Smith. Reportedly the first story ever released by the Los Angeles Police Department's Intelligence Division for motion picture filming, "Dragnet" is said to be based on the super-secret files of that department's crime records.

"THE NAKED JUNGLE"
 Marabunta! What is this silent scourge that makes savage natives desert their jungle villages, that devours every living thing that stands in its way? In Paramount's new thrill-packed Technicolor adventure drama, "The Naked Jungle," which shows Saturday at the Tower Drive-In Theatre, the secret behind this devastating force is divulged.
 Starring Eleanor Parker and Charlton Heston, "The Naked Jungle" is set against the treacherous South American jungle. Heston, seen as a plantation owner who, being thousands of miles from civilization, marries an American girl by proxy. Eleanor Parker is his wife, who travels to the heart of the jungle to be with the man

Erwin A. Herr, son of Mr. and Mrs. Emil A. Herr of Hereford, received a master of science degree in electrical engineering, June 17 at the 54th Commencement Exercises of Northeastern University held at the Boston Garden, Boston. He has been attending night school at the University for the past five years and is presently employed as an electrical engineer

by the General Electric Company at Lynn, Mass.

Highest honor graduate of St. Anthony's School in 1935, he was the second highest honor graduate of Hereford High School of the class of 1939. In 1943 he graduated from Texas Tech with a bachelor of science degree in electrical engineering.

During World War II he served two and one-half years in the Signal Corps and the U. S. Army Engineers. In 1946, he joined the General Electric Company in Schenectady, N. Y.

Erwin is married to the former Miss Frances E. Duffy of Amsterdam, N. Y., and presently resides with his wife and three children at 31 Sunset Drive, Peabody Mass. During this past year, he was a director of the Greater Lynn Junior Chamber of Commerce and is active in the American Institute of Electrical Engineers.

Mr. and Mrs. Loy U. Botsford of Midland visited Sunday in the home of his parents, Mr. and Mrs. R. W. Botsford, and other relatives. The Botsfords were on their way to Colorado Springs where they plan to spend a few days.

At The Movies

A big event to occur Friday and Saturday at the Star Theatre is the showing of "Davy Crockett, King of the Wild Frontier" starring Fess Parker as Davy and Buddy Ebsen as George Russell, Davy's sidekick. The boxoffice will open at 12 o'clock noon on those two days only.

Davy Crockett, the buckskin backwoodsman from Tennessee who fought his way from the Great Smoky Mountains to the flaming Alamo, comes alive once more along with other heroes such as Andy Jackson, Jim Travis and Jim Bowie. There is endless excitement from the time Davy "grins down" a bear to the moment he takes his place on the ramparts of the Alamo. There are the Indian Wars and the hand-to-hand tomahawk duel with Redstick, chief of the rampaging Creek tribes; and there is Davy in Congress, all decked

IT'S EXCITEMENT ON WHEELS!
 The light turns green . . . you nudge the accelerator ever so gently . . . and you're gone! That's the way it is in the Motoramic Chevrolet. When your toe says "Let's go," a hoodful of high-compression horsepower explodes into action, whorping you away from traffic tangles, making short work of steep hills, putting new fun in your driving life!

RECORD-SMASHING ACTION!
 That's what you get with Chevrolet's new "Turbo-Fire V8" in the recent NASCAR stock car competition at Daytona Beach, Chevrolet showed its heels to all other low-priced cars. In the one-mile straightaway run, the first two cars--and six of the first ten--were Chevrolets! And in acceleration runs from a standing start against all comers, Chevrolet beat all low-priced cars--and every high-priced car except one! Chevrolet's two new "Blue-Flame" sixes have plenty of sizzle, too. In fact, they're the highest powered sixes in the low-price field!
