Around Town

Rev. R. S. Rathore, American educated missionary from India, was speaker Wednesday at Lions Club. Rev. Rathore told club members how the Indian people feel toward the United States, and of the communist movement in that nation. He is to return in the near future to his native land.

Annual meeting of land owners and sportsmen to discuss game regulations will be held here June 10 at 8 p.m. at the courthouse. Cal Lovelace, game warden, and Bob Van Cleve, biologist, will be the speakers. Everyone interested is invited to attend.

Mrs. Dyalitha Brady and Mrs. Pauline Howard will attend a workshop for Credit Union officers at Amarillo College June 10-11. Mrs. Brady said that the workshop is being sponsored by the Texas Credit Union League and the Panhandle Chapter of Credit Unions, of which she is president. It is estimated that 100 credit union officers, representing 50 Panhandle credit unions, will attend. The eight hours of training will be conducted by League personnel from Dallas. Mrs. Brady and other Panhandle savings and loan leaders.

Three Former Men Complete Studies In Basic Science

Doctors E. A. Albracht, M. O. Sowell, and J. J. Albracht, all formerly of Hereford, were among the 55 students that graduated at San Antonio College, May 27, 1955, completing their basic science studies.

According to reports, all three have consistently maintained high averages in their courses, and Dr. E. A. Albracht was presented an award at the Commencement exercises for one of the highest averages in the Basic Science Division of the College by registrar Jerome Weymann, having won this award even though he was taking two complete college courses concurrently, one at Texas Chiropractic College and another at San Antonio College.

The trio attended the Palmer School of Chiropractic prior to entering Texas Chiropractic College where they have completed 4200 hours of schooling. All three are members of the Texas Branch of the Society of American Bacteriologists, having been accepted for membership at a recent meeting of the Society at Brooke Army Medical Center at Ft. Sam Houston in San Antonio.

'Wheat Berries' Sought By Woman

And now it's wheat berries! A letter received by the Deaf Smith County Chamber of Commerce this week has Virgil Coconougher, office secretary, a little puzzled. The letter, from a woman in the Bronx, New York, reads: "Could you please refer me to a source for Deaf Smith County grown wheat berries? I will appreciate the information very much." Well, if they are grown anywhere, it's bound to be in Deaf Smith County.

Wheat Farmers To Meet Monday

A county-wide meeting of farmers and others interested in the wheat situation has been called for Monday by Virgil Dodson, president of the local Farm Bureau, and Frank Ford, FB wheat committee chairman. The meeting will be held in the ballroom of the Jim Hill Hotel beginning at 8 p.m. Dodson said that in view of the many problems concerning the wheat farmer, the meeting should help clarify some of the questions being asked by all those affected by the ups and downs of agriculture. Many subjects have been outlined for discussion, including the pro and con of the referendum vote coming up June 25, Ford stated.

School Bond Proceedings To Be Prepared By Smith

Trustees of the Hereford Rural High School District authorized the First Southwest Co., of Plainview and Dallas to prepare proceedings for the proposed \$325,000 bond issue at a called meeting of the board Tuesday night. The authorization came on a vote of 4-0, with board member H. H. Miller declining to vote.

Charles Smith, representative of the firm, had been asked to meet with the board. He outlined a plan for the proceedings for trustees pointing out that his company would hire a bonding attorney to do all of the legal work involved. If board members follow the plan he proposed, his company will be responsible for everything but naming election officials. The firm would prepare a petition, which legally must be presented to trustees signed by at least 20 eligible voters; set up a retirement table for bonds; furnish all election supplies; have the ballot and bonds printed; and ask for bids on the bonds. Smith indicated that the petition could be prepared in "two or three days." He estimated that First Southwest Co. would handle proceedings for \$3.75 a bond, or about \$128.

Also appearing before trustees was a representative of H. L. Schaffer and Co., of Amarillo. Practically the same plan for handling proceedings was proposed by the Amarillo firm; but they agreed to waive their fee if they were successful bidders on purchasing the bonds. The Schaffer representative said his company would handle the proceedings for about \$3.25 a bond, or \$1056.

Hereford Riders Win Honors At Plainview Rodeo

Hereford Riders Club brought back the second place trophy from the Plainview rodeo parade Thursday, and were winners of the palmetto polo event.

Rotary Speaker Praises Norway

"Taxi" has become a universally known word," Mrs. E. C. Eubanks told Hereford Rotarians Monday. Mrs. Eubanks, who spent eight months overseas last year with "a handbag and one pullman case," gave the club a few pointers on foreign travel.

Norway was particularly praised by the speaker who said the country felt grateful to the U. S. "Norway likes us," she exclaimed, "and not just for the American dollar."

Those attending were Mr. and Mrs. T. W. Roberson, Mr. and Mrs. Ky Lawrence, Mr. and Mrs. Ralph Sears, Mr. and Mrs. Jack Franco, Mr. and Mrs. Walter Johnson, Mr. and Mrs. Maj Stewart, Mr. W. W. Ireland and Mr. and Mrs. Leo Forest.

Saturday night the polo team won two to one over the Hale County Sheriff's posse in a chucker exhibition at Plainview.

Those on the team were Harold Deuchamp, who made the score. (Continued on Page 2)

Members of the board also met again with B. R. Cantrell, Pampa architect, who trustees have selected to draw plans for the proposed new elementary school. Cantrell had new floor plans for the building, incorporating suggestions made by board members at the last meeting. Biggest change in the drawings was in size of classrooms, which were reduced from 30 by 30 feet to 25 by 30. Asked by Wilbur Axe if the changes would mean a savings, Cantrell said he hoped so. Only one change in the new plans was suggested by board members. A better kitchen

pare the proceedings and it was seconded by Don Zimmerman. Trustees voting for the motion indicated that the fact that the committee had handled proceedings for the District before on the high school bond issue, "in a satisfactory manner," weighed heavily on their decision. Miller had said he believed it was the duty of the board to accept the lowest proposal.

Santa Fe Proposes Three Drop Gates

The Santa Fe Railway has proposed to construct drop gates at three railroad crossings in Hereford at an estimated cost of \$60,000 to the company if the city will increase the speed limit on trains from 30 miles an hour. The proposal was revealed Monday night at the regular meeting of the City Commission.

Although no official action was taken concerning the gates, commissioners apparently favor such action. The gates would be an added safety factor, commissioners believe.

Other business saw city fathers settle another Highway 51 right-of-way agreement; accept a low bid on a two-ton truck for the sanitary department; approve a request for garbage pick-up service from six Blevins Street residents who are outside of the city limit; approve the bid of an electrician; approve the purchase of a typewriter; agree on having a demonstration of a sewer line clean out machine; and hear the report of the city surveyor on proposed paving on three streets.

Commissioners reached agreement with W. C. Watson of San Angelo, one of the property owners along Highway 51 who had not granted right-of-way for the widening of the highway. That leaves only nine property owners who have not signed. Of that nine, condemnation suits have been filed

against seven. Negotiations are still underway with the Episcopal Church and Jimmie Alred.

Hale Motors was low bidder on the truck. Four bids were received.

Hale bid \$1870 on a 1955 two-ton Dodge truck without any trade-in, or \$1670 if the city chooses to trade in two old trucks. (Continued on Page 2)

Local Woman's Aunt Describes Tornado

A vivid description of damage caused by the tornado, which swooped down after nightfall on Blackwell, Okla., May 25 was given in a letter received by Mrs. J. H. Hinds, 310 McKinley, from her

aunt this week. Mrs. Hinds' aunt, Mrs. Bill Whipple, saw her home and a large section of the city smashed in a matter of minutes when the black funnel swept through Blackwell. She and her husband both suffered only minor damages, however. The storm killed at least 54 people in Blackwell and nearby Udell.

"To describe the terrible destruction of the storm is impossible," Mrs. Whipple wrote. She described how shingles were driven into the side of their two story home, which was declared a total loss by insurance adjusters. The Whipples' home was completely destroyed.

The tornado left the Whipples' bedroom-suit in pieces, but did not damage their TV set and left the "lamp and dolly on it just as I had it fixed."

She said two houses across the street were gone except for "a stack of rubbish." The storm beat out a path nine blocks square, and their home was about in the center of the damage area.

"Our garage blew completely away," she wrote, "but the car was still there. It is battered up all over, but it runs good and Bill (her husband) has sure made good use of it."

A hospital near the Whipples' home was completely destroyed. Mrs. Whipple told how rescuers moved the surviving patients out by candlelight.

"There are a few scattered houses standing and still livable, but just a few," she related.

Friends of the Whipples have opened their home to them and Mrs. Hinds' aunt wrote of their plans to rebuild.

"We are thankful to be alive and have what is left and we are not worrying about much of anything," she said in closing.

Piggly Wiggly Winner In Extra Inning Game

By BILL KNOX

A squeeze bunt by Lynn Bybee and a tremendous triple bashed off the bat of Taylor Sims both in the ninth inning, poured across four runs as Piggly Wiggly outlasted Summerfield 11-7 in the best game played thus far this year. Most of the fans who leave when the clock rolls into the wee hours of the night didn't budge from their seats as Don Morgan and Horace Baize were engaged in a vigorous mound duel.

Time and time again Morgan pitched himself out of self-created jams, overcoming spells of wildness and also the powerful Summerfield bats. Horace Baize, Summerfield hurler, also did a remarkable job of almost squelching the Pigs' murderer's row.

Piggly Wiggly's tight infield gave Morgan excellent backing. They made only four errors, a comparative low number for nine innings, and they also came spread out and not at vital times. Summerfield's loose fielding might have helped spin the turntables toward Piggly Wiggly. Twelve miscues were credited to them, and most were in tense and vital situations.

Morgan, who last week pitched a no-hitter, was not at his best. He gave up eight hits, walked eight, and fanned only three. Piggly Wiggly pounded out 12 safe blows off Baize while collecting two bases on balls and fanning three times.

Neither team was able to do much in the first two innings. Bybee led off with a single to start the game, but the next three batters were retired to end the inning. Summerfield also threatened mildly in their half of the initial frame. After the first two batters were retired, McCathern walked and Horace Baize singled but McCathern was thrown out at home trying to score when Wilson juggled the ball in right field.

The Pigs came up with a more definite threat in the second. However, they did not get a hit. Lueb popped to a shortstop to begin the inning, but McCathern couldn't handle Corbett's fly. Wilson flied to fight for the second out, but Pickens drew life on an error and Morgan walked. Bybee flied out with the sacks filled to end the inning. Summerfield again worked two walks off Morgan, but were unable to score in the last of the second.

The top of the third saw the first runs of the game scored. Taylor Sims led off with a sizzling single to left, and Brock fouled to Campbell. Dement, smashed a double, and Sims scored when Bobby Clark bobbed the ball in center field. Dement scored on Lueb's long fly to left to wind up scoring in the inning.

Trailing 2-0, Summerfield still couldn't score in the bottom of the third, but they had Piggly Wiggly scoreless in the top of the fourth and took the lead with a five-run splurge. Campbell led off with a single, and Duane Baize was hit by a pitch. The next three batters, Bob Clark, Lance, and Reese Dawson, each delivered base hits, to send in four big runs. Still no outs, Morgan settled down and pitched himself out of the jam, allowing only one more run.

Raymond Dement's single in the fifth was wasted as the Pigs didn't score, but neither did Summerfield.

The sixth was the only inning when both teams scored runs. Timothy Corbett led off with a single and advanced to third on Bob Clark's error. Marshall Wilson scored him with a single, and Clark again erred, putting Wilson

in second. Pickens fanned, but Morgan walked. After the runners had each moved up a base Marshall Wilson tagged and scored on Lynn Bybee's sacrifice fly. But Summerfield matched their run output with two runs of their own in their half of the inning. McCathern dribbled to Morgan for the first out, but Horace Baize singled and Campbell walked. Duane Baize drove in H. Baize with a single and sent Campbell to third where he scored on Bob Clark's fly ball.

The seventh inning went exactly as if written in a script. Kenneth Brock smashed the first pitch of the inning over the left fielder for a home run, then Dement fanned. Lueb drew life when Lawson could not hold Botkin's throw at first. Piggly Wiggly hopes dropped as Corbett popped to shortstop for the second out, but Marshall Wilson again came through to score Lueb with a double. When Duane Baize couldn't handle Buddy Pickens' grounder at third Wilson raced in with the game-tying run. Morgan flied out to end the inning.

The chips down, Morgan pitched carefully in the last of the seventh. The first batter, Reese Dawson, reached first on Ken Brock's error, but the next three batters were disposed of sending the game into extra innings.

The eighth could have been written by script also. Bybee led off the inning for Piggly Wiggly by reaching first on Botkin's error. Red-hot Taylor Sims clouted another single, and both moved up on a passed ball. However, the script writer must have had a tragedy in mind for Piggly Wiggly because the next three batters flied out to end the inning without a run.

Morgan again pitched under pressure in the last of the eighth but came through in good style. He got H. Baize on a grounder to start the inning, but Campbell doubled. However, the next two batters went down to set the stage for Piggly Wiggly's big rally in the ninth.

Tim Corbett got on first on C. J. Lance's error to kick off the inning. Wilson came through with his third hit but Tim Corbett was called out at home trying to score. Davis dropped Pickens' fly to left and Morgan walked to load the sacks. The next batter, Lynn Bybee, dropped a bunt down the first baseline and was thrown out, but Wilson scored from third and Piggly Wiggly was in the lead. Then with runners on second and third, Taylor Sims sewed the game up by lambasting a mighty triple over Davis' head in left. When the relay in was wild, he also scored Brock ended the inning with a pop to short.

Morgan had no trouble in retiring Summerfield in order in the last of the ninth. He has now won six and lost two, the same record possessed by his team.

In the first game the KC's raced by the Popular Store 2-1 to remain in first place a half game in front of Piggly Wiggly. A full game behind the KC's, Hotel Jim Hill is still in second place by way of percentage points.

Junior Softball Action Begins

Junior Softball started off with a bang Tuesday as all teams patterned themselves after the Hereford Softball League by running up large scores.

In the 9-11 year old division Bill Howard's Team One lost to Team Four managed by Dennis Lomas by the margin of 1-4. Ronnie Cates pitched for the winning team while Glen Nelson pitched for the losers.

In the other game in the same division Team Two murdered Team Three 19-4. Everybody was hitting for Team Two, and Team Three couldn't seem to get in the groove.

In the older age class Team One stopped Team Four 17-9. Summer pitched for Team One and Brooke pitched for the losers. Ed Davis managed the winners, and Johnny Winkler is manager of Team Four. Jimmie Bounds' Team Two decided Team Three managed by Don Morgan 20-15 in the other fracas.

Thursday Team One and Team Three meet on the South Field of Junior High, and Team Two and Team Four clash on the North Field in the 9-11 year old division. In the 12-15 year old class Team One and Team Two meet on Shirley North, and Team Three and Team Four meet on Shirley South.

Table Tennis Tournament To Be Held In Hereford

Table tennis will take the sports spotlight in Hereford during the next few weeks. Plans for a table tennis tournament were announced today. The tourney will be sponsored by The Brand.

There will be two divisions, one for boys 17 or under and one for men over 17. An entry blank can be found on this page, and all who wish to enter must turn in their entries at the Brand office to Bill Knox by June 16. There is no entry fee.

First round winners will be decided by the player winning four of seven games, played con-

tinuously) from his opponent. Quarterfinal and semifinal winners will be determined in the same method outlined above.

The championship matches will be held at City Hall. The player winning two of three seven-game sets will be named champion. A trophy will be given to the winner of each division. Date of the matches will be announced later.

All first-round, quarterfinal, and semifinal matches will be played at any desirable place, but must be played and the results turned into The Brand not later than one day after the assigned time for the match. Pairings will be listed in The Brand.

A person decided upon by both players will act as umpire. A copy of the rules will be provided each entry.

Gas Feeder Line Laid In County Totals 57 Miles

Many farmers in the Hereford area are discovering that the legendary "Poi-of-Gold" at the end of the rainbow isn't so legendary after all.

The "rainbow" in this case is a vast network of natural gas feeder lines and farmer group lines which have been constructed during the past two years.

Construction crews of Pioneer Natural Gas Company recently laid the final length of pipe in a series of natural gas feeder lines totaling 787.59 miles in 12 West Texas counties. Officials of the company say Pioneer's overall investment in the irrigation feeder line program totaled about \$7,875,900 or approximately \$10,000 a mile.

Of the total mileage, 57 miles of feeder line have been laid in Deaf Smith County, serving a total of 118 irrigation wells as of May 15. Pioneer Natural Gas Company's investment in the county is approximately \$570,000, according to company officials.

The gas utility company's irrigation program was first instigated in 1953. Since that time the company has run feeder lines off of their trunk lines where a sufficient number of wells and right-of-way can be obtained. The farmers, in turn, have formed consumer groups and run their lines to connect with Pioneer's feeder lines.

Thus far, feeder lines have been laid in Randall, Parmer, Castro, Swisher, Bailey, Lamb, Hockley, Hale, Floyd, Lubbock and Crosby counties in addition to Deaf Smith County. A total of 8629 irrigation wells are now run by natural gas in this 12 county area.

The farmers in this area have averaged laying approximately eight miles of consumer-owned line to every one mile of feeder line laid by company. This totals approximately 7,088 miles of natural gas pipeline laid in the 12 county area during the past two years.

This amount of pipeline, if laid end to end, could carry natural gas from Hereford to New York City; New York City to Los Angeles; Los Angeles to Miami, Fla.,

Rebekahs Hold Joint Session

Dimmitt and Hereford Rebekah Lodges held a joint meeting at the IOOF Hall in Dimmitt Friday night with representatives from Muleshoe, Amarillo and Lubbock also attending.

Mrs. Lily Alexander of Lubbock, president of the Rebekah Assembly of Texas, was the principal speaker and was presented with a gift of appreciation from the area groups by Mrs. Earline Manning, district deputy president.

Those from Hereford attending were Mesdames Roberta Combs, Lydia Hopson, Orpha Nickerson, Aline Lomenick, Hazel Sparks, Edna Draper, Edna Bows, Alta Davis, Ella Cockrell, Leta Kaul, Ursalee Jacobsen, Catherine Sheppard, Bobby Meacham, Earline Manning, Anna Willier, Ruby Smith, Billie Freeman, Edith Jackson, Glessie Shelton, and Messrs. Ben Conklin, Harold Meacham, Sanford Smith, Wallace Shelton and John Jacobsen.

Mrs. Alibrey Jackson entertained from 10 until 11:30 at a brunch Tuesday morning at her home honoring Mrs. Frank Tackitt Jr., of Sandy, Ore., formerly of Hereford. Attending were close friends and relatives of Mrs. Tackitt.

Mrs. A. O. Jackson and children, Mrs. Mack Freeman and children, Mrs. Anna Willier, and Jean and Joan Morton, left Thursday morning for Spearfish, S. D., to visit with Mr. and Mrs. Bill Morton, Mr. and Mrs. Jack Willier and Mr. and Mrs. J. B. Glenn.

Visitors in the Burke Inman home Sunday were Mr. and Mrs. L. C. Jordan of Amarillo. A nephew, Hal Jordan of Whitehall, has been visiting there for the past week.

Mrs. M. T. Rutter and daughter, Cieta Kay, spent several days in Abilene visiting the A. B. Christians. They also went to Austin to pick up Clayton Gene Rutter, a University of Texas student.

Texas Tech schoolmates of Joan McGee, who spent the past week-end here in the home of her parents, Mr. and Mrs. Taft McGee, were Frances Maas, Jerry Denton, J. Childress, Barbara Stice of Brownfield and Virginia Luck of Shallowater. Joan has returned to Lubbock where she will attend Texas Tech summer school the first semester.

Sybil Rose of Kermit has arrived for a visit with her mother, Mrs. Clara Shore and other relatives.

Mr. and Mrs. E. Barney spent the weekend in Stratford in the new home of their daughter, Mrs. I. H. Caraway, who has recently moved to that city from Hereford. Their granddaughter, Kay Caraway, returned home with them and left Tuesday with her mother who came for her Monday afternoon. En route home they stopped at Canyon for a night's stay with Mrs. Iverson Leake.

Guests in the home of Mr. and Mrs. A. C. Flowers recently were Mr. and Mrs. W. H. Flowers and son of Texline.

First Showing Is Held By Art Guild Friday At Park

A small group of the art-minded populace of Hereford got together a little over a year ago, calling themselves The Hereford Art Guild. The purpose of the organization was to stimulate an interest in painting and to provide the means of study for those desiring to complete further study in painting or those who wanted to begin study in painting. Mrs. Don Root headed the group as president with Mrs. Ernest McGee serving as vice-president and Zelma Allmon as secretary treasurer. Regular meetings were held and in January, Dr. Albert G. Keiselbach, professor of art in WTSC, Canyon, was secured to conduct a series of 18 lessons in oil painting. Meetings will be held every Thursday morning at 9 o'clock during the summer months when members will put into practice the

instructions given in class. An evening class may be organized for people engaged in business during the day if popular demand justifies a class. **Showing In Park** A showing of pictures painted during the term of study climaxed the season, with Dr. Keiselbach and his family as honor guests, at a picnic held in Dameron Park Friday night. While it was the final session for the first project undertaken by the group, it also marked a beginning on a wider scope, for plans are now in the making for next year's projects. At the close of the showing Dr. Keiselbach was presented with a gift from the class. Special guests included Mrs. Keiselbach and Tom, Susan and Dick, Lillian Schuler, Mrs. E. L. Naugle, Mrs. George Turrentine, Mrs. Clyde Cave, Henry Weems

and Melinda, Ray Suit and Ernest McGee. Members present were Zelma Allmon, Dorothy Coombes, Roberta Campbell, Mesdames Vivian Major, Bess Werner, Henry Weems, George Warner, Don Root, M. C. King, Ray Suit, Ernest McGee, Ray Cowser and Lisle Woodford. Carl Hutcheson, son of Mr. and Mrs. Elwyn Hutcheson, arrived home last week soon after receiving his discharge from the Army. His plans are not definite as to what he will do now. Mr. and Mrs. O. A. Smith returned last week from a vacation in parts of Arkansas and Oklahoma. They visited relatives in Eldorado, Ark., and Mrs. Smith's mother, Mrs. L.C. Skaggs of Willow, Okla. Mrs. Vance Crume and children and her mother, Mrs. W. H. Graham of Farwell, spent part of last week visiting N. Lawton in Oklahoma City.

Tag Team Match Set For Hereford Arena Saturday

Jim LaRock, stalwart product of Ithaca College, N. Y., and former national amateur champion, pairs up with Chris Belkas, strong wily Greek athlete from Boston, in a tag team wrestling match at the Hereford arena Saturday night. Opposition of a fierce nature will be provided by Frankie Hill Murdock, "The Fabulous Texan" from Waxahachie, and Frank Fackety, former amateur and professional boxer, from Omaha, Neb.

Fackety by himself is fairly well liked by wrestling fans over the country, generally wrestling clean although ruggedly. But he is short on temper, capable of shifting his size to suit the emergency, and teamed with the vicious, tricky Murdock, he is apt to adopt some of the Texan's "manliness" in a tag match.

Favor of the fans will ride with LaRock and Belkas, clean-limbed, clean-living fellows who employ considerable science in their wrestling. LaRock ties in his wealth of fundamental knowledge, learned as one of the country's star amateur grapplers, with the more professional grabs and defenses. Belkas, extremely strong for his size, and quick on his feet, should prove an able partner for the New Yorker.

The four men will warm up for the main event, which runs for two best falls of three or one hour, in two preliminary engagements. In the curtain raiser, Belkas goes against the former U. S. Navy "frogman," Frank Fackety, for a one fall or 15-minute battle.

Murdock and LaRock clash in the second event, also for one fall. Wrestling in Hereford is sponsored by the Hereford Lions Club, with proceeds above expenses going to charities conducted by the civic organization. Cecil E. Massey heads the committee which makes wrestling possible here.

Mr. and Mrs. Hershel C. Miller Jr., and daughter Janet, visited Mr. and Mrs. Norman Murray of Littlefield Sunday afternoon. Mr. Murray is now at home recovering from burns he received when a gas tank he was servicing exploded.

Damages Total \$600 In Wreck

An accident causing an estimated \$600 damages occurred Saturday at the corner of Mable and Whittier Streets.

A 1952 Studebaker, driven by Mrs. Minnie Vernon, going east on Mable Street, was damaged on the right side when a 1949 Plymouth, driven by Mrs. Nina Fay Evans north on Whittier, hit head on into the Studebaker. Approximately \$250 damages were done to the Studebaker and \$350 to the Plymouth.

Mrs. Evans was charged with failure to grant right-of-way and driving without an operator's license.

Highlights and Sidelight FROM THE State CAPITOL

By VERN SANFORD

AUSTIN — Despite the big news about final passage of the huge tax bill, news about Bascom Giles stole the spotlight from the Legis-

Ellis' A super supper treat! GROWN BEEF HASH

ature the past week. This time events took quite a different turn. The climax came when a 75-year-old, retired mail carrier, John Cass Adrian, was arrested and charged with attempting to extort \$800,000 from the former land commissioner. Filing of the charge against Adrian was preceded by a series of events, all kept secret, dating back to Feb. 1. Giles reported receiving two letters, prior to the one Adrian is charged with mailing, in which the writer each time asked for \$5100. Travis Co. Sheriff T. O. Lang revealed that the first letter, received by Giles before he was indicted, threatened to expose documentary evidence unless \$5,100 was paid. With this letter was a crude drawing. It directed Giles to a culvert south of Austin where he was to leave the money, wrapped in a burlap sack. He was to drop the money there at 4 p.m. on Feb. 4. Included was a promise to return the money in 30 days after using it "to pull a deal on the border" that would net \$100,000.

As Giles was out of town, he did not receive the first letter in time to act. When the second letter arrived, leave the money in the culvert by 4:30 p.m., Feb. 1, or "the evidence could not be bought at any price." A trap was set. Giles drove to the drop site and left \$76 in a burlap sack, as deputies watched the area. No one stopped to pick up the sack. But a man later identified as Adrian drove by. After 36 hours of waiting, Giles returned to the culvert and picked up the money. A third letter then came. It was dated Feb. 1. It advised Giles that the writer was aware of the trap. It read "All three of us was watching you with field glasses when you placed the law on both sides of the culvert. . . ." This letter directed Giles to prepare \$800,000 in \$20, \$50 and \$100 bills for delivery at a place and time to be designated in a future letter. But the promised instructions were never received. When arrested, Adrian flatly denied knowing anything about the extortion attempt. He was released after posting a \$1,500 bond. Trial was set for June 13.

It also provides \$500,000 for repairing and air-conditioning the Capitol; and \$500,000 for operation of the new State Building Commission. All the money comes from the surplus of the Confederate Pension Fund, as authorized by a constitutional amendment approved by the people last year. The pension fund will have a further \$1,000,000 surplus after all Confederate widows' pensions are paid for the ensuing two years. **Acres Appointed** Governor Shivers appointed his former executive secretary, Maurice Acers, as a member of the Texas Employment Commission. He succeeds Col. Dwight Horton of Blanco. Mr. and Mrs. Albert Lee and daughter, Jeanie of Artesia, N.M., were recent guests in the home of their son and family, Mr. and Mrs. Rex Lee. Mrs. W. A. Vaughn left the first of the week with her son and will be gone all summer and fall visiting with her family. Mrs. Virgil Zumwalt and Wanda, and Mrs. R. H. DeLaney left Friday morning for California where they will be for a two weeks' vacation. Also going was Mrs. Naomi Patton and baby of Amarillo. Visiting in the home of Mr. and Mrs. D. W. Allmon are Mr. Allmon's mother, Mrs. Lee Allmon from Brownfield and a niece, Sue Allmon of San Angelo. Mrs. H. C. Owens and daughters, Ginger and Nancy, from Amarillo, visited Monday in the home of Mr. and Mrs. Stanley Philipp. Visiting the earlier part of the week in the home of Mr. and Mrs. Clyde Thomas were Mr. and Mrs. Billy Wayne Parvin and daughter from Colorado. Norman Crisp went to Tulsa last week to attend a school. While gone, his wife Bennie and daughter Jan, went to Vernon to stay with her parents until he returned. Mr. and Mrs. J. O. Clark spent the weekend in Austin with their son and his wife, Mr. and Mrs. Leaton Clark. Leaton who will be a junior pharmacy student in the University next fall, will be employed this summer as assistant manager of Renfro's Drug in Austin. Mrs. Clark is employed with Page Southerland and Page Architectural Firm.

More Taxes Coming Jefferson Davis' birthday was celebrated by the Legislature. The seniors handed Governor Shivers a tax bill! It levied an additional \$49,000,000 per year. Thus ended another bitter tax battle. As finally voted, the measure provides \$57,088,000 added revenue for general purposes during the next two years. Also \$11,069,000 additional for road work. Thus it furnishes the funds to unlock the \$36,000,000 new money requirements of the \$1,525,000,000 appropriations bill already passed. Its biggest take was from beer. And a bitter-end fight by beer partisans nearly wrecked the measure in its final stages. Their argument was based on the fact that Congress dropped out of the final bill the Senate's "token" \$2,000,000 levy on "dedicated" natural gas and an intangible assets tax on gas pipelines. On final passage the tax bill cleared the house only by a 72 to 67 vote; and the Senate by a scarce 18 to 13 margin. Included in the tax bill was a one-cent increase in the present four-cent gasoline tax; a one-cent increase in the present four-cent cigarette tax; and an increase of \$2.30 per barrel, or six mills per bottle, on beer. Senators voted a \$3.30 per barrel beer increase while representatives favored small increases in beer and wine dealers' license fees. Dropped on the final round were the House taxes on cigars, tobacco, trading stamps, and an increase in the natural gas production tax. Rejected were numerous Senate proposals for gross receipts levies on manufacturers, hotels, motels, department stores, metals and chemical industries. A \$6,500,000 cushion was given the general revenue fund for the next two years. This permitted the passage of several small appropriation bills for new courts; for putting state employees under federal social security; another \$475,000 for legislative expenses; and grants to state agencies for further investigation of the Land Office and Veterans' Land Board affairs. **Different Money Problem** An entirely different money problem faced the State Board of Education. Where to find eligible securities in which to invest a cash surplus of \$12,000,000 of its permanent fund was this board's problem. **Spending Bills** Wrapped up near the close of the session was Sen. George Moffett's bill appropriating \$7,000,000 for the construction of a new state courts building and a state office building in Austin. About 42 percent of Brazil's population is under 15 years old.

BULB RECORD ADRIAN, Mich. — J. J. Clark has an old-fashioned carbon-type electric light bulb which, at last look, still was burning after nearly 30 years of use. Clark put the light in a basement fixture in 1926 and estimated that it is turned on an average of four hours a day. **LONE INDEPENDENT** HOUSTON, Tex. — Attorney Dow Heard said the Texas Congress approved annexation by the United States, 55-1. That lone holdout, he said, was a fellow named Sache, who explained: He'd had some trouble with his wife in the States and when he left for the independent Republic of Texas, "I told her I'd never again live in the same country with her." **BROTHERS IN ARMS** KNOXVILLE, Tenn. — A pair of young brothers walked into a hospital together and walked out with new casts on their forearms. **ARMED BROTHERS** — 7. said he broke his right arm when he ran into a tree. His brother Kenneth, 9, fell off his bicycle, fracturing his left arm.

Guest Speakers Add Emphasis At Meets

Guest speakers added emphasis to recent Home Demonstration Club programs on Strengthening Family Ties and 4-H girls have been special guests of the various clubs in the county.

Clubs reporting are as follows:

Messenger
"Prayer is very essential in the Home," Mrs. Bess Werner told the members of the Messenger Home Demonstration Club, who met with S. N. Thwait May 27 for a program on "Family Worship."

Following Mrs. Werner's interesting presentation of the subject the council report was given by Mrs. R. J. Coleman.

The game prize was won by Mrs. Coleman and Mrs. N. A. Brown won the floating prize.

Mrs. Johnny Northcutt received a gift from her mystery pal. Guests were Mrs. Werner and Wanda Northcutt.

Members attending were: Mesdames N. A. Brown, H. W. Campbell, Bob Howard, Floyd Brown, Elmer Northcutt, W. D. Howard, Ernest Brown, Bruce Coleman, R. J. Coleman and the hostess.

The next meeting will be in the home of Mrs. W. D. Howard on June 10.

Westway

Four-H Club girls in the community were special guests of the Westway H. D. Club when they met with Mrs. Paul Eudd May 25.

Mrs. Jim Clements introduced the program on "Strengthening Family Ties," and Mrs. Merlin

Delegates To 4-H Camp Are Named

Carlynn Williams, Royce Lee Pruitt and Margaret Eurrus were selected by the 4-H Awards Committee as delegates to attend 4-H District Camp June 1, 2, and 3 at Don Harrington. Mrs. Roy Pruitt and Mrs. Loyce Sullivan accompanied the group to camp.

The camp was divided into six main activities and each camper chose one of these activities and stayed with it throughout the camp session.

Those persons who attended the Camp will give their report to Leaders Council June 29.

Kaul was introduced by Mrs. Geo. Turrentine. Mrs. Kaul told the group the responsibility of parents was not to send their children to Sunday School, but to go with them. She also pointed out that meal time is a good time for family devotion when members of the family are more likely to be together and that bedtime is also a good time to emphasize prayer.

"A Family that prays together stays together," she concluded.

The 4-H girls were introduced by their leader Mrs. T. B. Thomas. They opened the meeting by singing their club song.

Guests other than Mrs. Clements and Mrs. Kaul were: Mrs. John D. Owen, Mary Lynn Morrison, Diedra Thomas, Freda Inman, Dora Ruth Inman, Sandra Townsend and Florene McIntosh.

Members present were: Mesdames C. A. Sauley, G. C. Merritt, George Turrentine, R. L. Wilson, Johnnie Townsend, Phillip Miller, P. B. Sowell, Abraham Drager, T. B. Thomas and the hostess.

The next meeting will be with Mrs. Johnnie Townsend June 8. The program will be given by Argen Draper, County Home Demonstration Agent, on "Batter Rolls."

North Hereford
Mrs. Bess Werner discussed "Alcohol Is An Illness" for members of the North Hereford H. D. Club who met at the home of Mrs. R. E. Barrett with Mrs. Fred Barrett as hostess.

She concluded her talk with a discussion by members "because it is a subject that touches the lives of most individuals" and she felt some helpful suggestions would be given by this voluntary expression.

Mrs. Werner was introduced by Mrs. W. H. Russell, who had charge of the program for the day. Roberta Campbell, president, presided at the business meeting and called for committee reports.

Mrs. Tony Hoffman gave the Council report and Mrs. Paul Hoff invited anyone who would be interested in singing with the H. D. Chorus to a coffee at her home.

Mrs. Barrett, in her hostess report, stated that a backyard fence had been built at her home. (Continued on Page 2)

MR. AND MRS. JACK FORTENBERRY long-time residents of the Bippus Community, are getting the regular Fifth Sunday singing off to a good start for the crowd which included visitors from such far-away places as El Paso and Fort Worth. (Staff Photo)

All Day Singing Still Unchanged

By ROBERTA CAMPBELL

The all day singing with dinner on the grounds is one of the few pleasant pastimes of earlier days that has been left unblemished by modern living.

The Fifth Sunday Singing held in May at the Community House in the Bippus Community followed the same pattern as those held in the county 30 or 40 years ago when people who loved to sing and hear good singing, or simply to stuff themselves with a good meal, gathered from many neighborhoods for an all-day singing.

Mr. and Mrs. Jack Fortenberry, who have lived in the northwest part of the county for many years, were gracious in the role of hosts as they greeted people who came from other towns and communities to spend the day singing. Mr. Fortenberry passed out song books and invited the visitors to lead a song, while Mrs. Fortenberry accompanied the singers at the piano.

Finally, when the crowd needed a rest, the women folk instructed the men to bring in the baskets and boxes of food from the cars. Some women sliced cakes and cut pies while others poured tea and checked the coffee boiling in a big pot on the burner. Still others opened pickle jars and arranged big platters of fried chicken and many other dishes prepared before leaving home or set out silver and paper plates at the end of the table.

The men, the children and the

guests who had come a long distance were invited to help their plates first and as they found eating places in the old school room or out of doors the women fell into line but remained in the kitchen with their plates to help all those who came back for desserts or seconds.

After the meal the remaining food was covered and left on the table for late-comers and the happily filled audience straggled back to what seemed to them the most comfortable seat. Another song number was announced that set off the afternoon program of song.

Other singers who could not come for dinner joined the group in the afternoon. Joe Head, from across the line in New Mexico, directed the singing and called on visitors as he went down the rows, giving everyone present a chance to participate. Some begged off, of course, while others surprised themselves with their ability to lead.

If the person called upon preferred to arrange a quartet or a duet the audience was happy, for such harmonizing is always a popular feature at a singing convention.

Special entertainment for the day was several numbers sung by the H. D. Choral Club under the direction of Mrs. Cecil Parker, with Mrs. Clay Ridgway at the piano. Members singing were Mrs. T. J. Parsons, Mrs. Joe Landers, Mrs. R. L. Wilson, Mrs. Tom Draper. (Continued on Page 2)

Belts Studied By Members Of Two County 4-H Clubs

The Junior County Wide 4-H Club met May 24 in the home of Sarah Ann Hudson. The meeting was called to order by Maxie Wiseman, president. Minutes were read by Sandra Wester, secretary.

The program, "How to Make Belts and Belt Loops," was given by Loyce A. Sullivan, assistant home demonstration agent.

The following members were present: Maxie Wiseman, Bonita Hones, Sandra Wiseman, Barbara Ann Pulliam, Anna Mae Schroeder, Sarah Ann Hudson, Dolly Loerwald and Nancy Boardman, a new member.

The new meeting will be at the home of Anna Mae Schroeder, 205 Norton Street.

There have been some good reports from the 4-H District Camp which was held at Don Harrington last week. It seems that Carlynn Williams made quite a hit with the entire group. The Camp was divided into six activity groups. The delegates could choose the activity group which they preferred and the groups were made up of both boys and girls. Carlynn preferred the Personality Development group and had the good fortune of being selected chairman of the group. The groups were organized at the beginning of Camp.

After all sessions, each activity group selected the person from that group who contributed the most to the success of the series of lessons. Carlynn was chosen and was presented a blue ribbon.

Personality development was taught by Mrs. Eloise Johnson, family life specialist from the Texas Agricultural Extension Service at College Station.

We are very proud of Carlynn for the fine work that she is doing in the Happy Homes 4-H Club. Cur-

rently she is president of the club and also is the club's clothing demonstrator. She, with Martha Logan, gave the Brownie Demonstration over KGNC-TV and did quite a professional job. When the 4-H Clubs had the sales promotion over KPAN, Carlynn was one of the club members who took part. Some of the activities at the district camp will be televised over Cotton John's KGNC-TV program at 12:30 p.m., Sunday, June 12.

Delegates to district and state meetings in 4-H Clubs are expected to bring back the things which they've learned at the meetings. The delegates will be expected to report to the club and to give some training to the club members in the activities in which they took part.

Thanks again, folks, for buying the lightbulbs which was the money-making project which sent these delegates to Camp and to Round-Up. There are still some bulbs for sale and the girls will be glad to take your orders and deliver them to you.

per. Mrs. R. C. Childers, Mrs. and Mrs. Paul Hoff. Accompanists who took turns with Mrs. Fortenberry at the piano were Mrs. Joe Head, Mrs. Glenn Hetzler, Mrs. Merlin Kaul and Mrs. T. J. Parsons.

Late in the day, when the crowd had sung itself hoarse or remembered chores to be done at home, they joined in a lively "God Be With You 'Til We Meet Again" and were dismissed until another Fifth Sunday showed up on the calendar.

The procedure for the singing had been the same as other had years ago at the Progressive School, the Ford School, at Jumbo or at the old Ward School which has been moved away. Only names and faces were different.

At these earlier singing conventions it was Virginia Bowman and Eunice Caldwell (Mrs. Cecil Boyer) who as little girls had thrilled the listeners. Two other Caldwell girls—Lassie (Mrs. Jeff Roberson) and Velma (Mrs. Cecil Hoiges) were always in demand for quartets as were Elmer Patterson and Bill Knox and a number of others.

Any reference to all day singings back in the twenties would be incomplete without such names as Mrs. Bob Higgins, Mrs. Geo. Lew (Mrs. Tom Gray), Jim Hill, Sherm Garrett, Augustine Gregory, the Knox brothers and sisters, and

a host of others in the communities which make up this locality. John F. Taylor, president of the Plateau Singing Convention, was always a key figure where singers got together, and perhaps the highlight of the summer was a weeks' Singing School held at the school house by some outstanding singer from downstate who made a living teaching singing and discovered some talented youngsters in every community to add appeal to the program.

Yes, people still like to sing. In spite of the movies and radio and television, there will no doubt, always be a greater interest, for those who like group singing, in the announcement of an all-day singing at some community center such as Bippus with hosts as nice as the Fortenberrys.

Mrs. C. E. Throckmorton and children of Levelland visited Monday in the home of Mrs. Ursula Pitner.

At The Movies

"Africa Adventure"

To every arm-chair traveler and to every seeker of big-game thrills by proxy, Robert C. Ruark's "Africa Adventure," a documentary film, showing Friday and Saturday at the Star Theatre, is heartily recommended. "Africa Adventure" is a movie of what anyone might see

if they were lucky enough to get to Africa, is a film record of Ruark's four-month safari across the East African veldt. Everything in the picture actually happened and it is easy to believe that there are no professional actors or tame animals in it.

Also showing Friday and Saturday is a featurette, "Stormy the Thoroughbred"; the heart-warming story of a little horse who didn't belong, in which Walt Disney achieves something excitingly new for the motion picture screen. "Stormy" is a factual story about the trials and triumphs of the valiant little thoroughbred who was denied glory on the track but who made a great name for himself as a polo pony.

"The Bridges at Toko-Ri" One of the truly great war stories of our times; James A. Michener's stirring tale of the Navy's jet flyers in the Korean holocaust,

"The Bridges at Toko-Ri," has been made into a powerful and dynamic motion picture due to show Sunday, Monday and Tuesday at the Star Theatre, Starring in the movie are William Holden, Grace Kelly, Fredric March, and Mickey Rooney. Besides these outstanding players, the film in color by Technicolor, contains an additional star, the aerial photography, filmed on location against a background of the stark Korean terrain and on the shiny decks of an aircraft carrier off the coast of that bloody peninsula, the camera was constantly trained on the working of our fighting Navy airmen in action.

"Rear Window" The new Alfred Hitchcock produced and directed Technicolor spine-tingler which shows Thursday and Friday at the Tower Drive-In Theatre is a heart stopping adventure that races right

along with the speed of a jet. Set against a background of New York's most intriguing neighborhood, Greenwich Village, "Rear Window" is peopled with just the right kind of characters that you might meet in such a place. There is James Stewart, as a famed photographer who is confined to his Village apartment with a broken leg; Grace Kelly, his career girl fiancée; Wendell Corey, Stewart's wartime buddy, now a homicide detective; Thelma Ritter, a wise-cracking nurse and Raymond Burr an ominous looking neighbor.

CARD OF THANKS

I want to express my thanks to Dr. Wills and Dr. Mims and the nurses and everyone for so many cards, flowers, and visits while I was in the hospital and since my return home. God bless every one of you.

By BILL KNOX

It's not very often in Hereford that you will witness a no-hit game or anywhere, for that matter, but especially in Hereford.

The no-hitter pitched by Don Morgan Thursday night was the third to be pitched since the Hereford Softball League was organized. The other two were both turned in by the same person—Dub Hair. One was a perfect game against Summerfield, certainly no slouch at the plate.

Morgan almost turned in a perfect game. He had one until the last inning when he tired and walked Walt Kaut. That was the only person to successfully reach first all night. Of course, the Popular Store doesn't present a murderer's row at the plate, but a pitcher who can give up no hits and walk only one in five innings could just about pitch in any league. I might also add that Morgan has been doing all right for him-

self in batting this year. Last year his average was a miserable .069, but this year he has pinned the numeral five on his jersey, and he usually gets at least one hit every game. Among the batting leaders he is listed in everything except home runs. His batting average of .524 is fourth; he is third in runs batted in with 15 and is third in hits with 11. He has scored 13 runs to put him fourth in that division.

Piggly Wiggly completely dominates the batting leaders in every conceivable way. The leader in all divisions except home runs is from Piggly Wiggly, and in one division they have all four places. Only in home runs do they have less than two players listed.

Raymond Lueb leads in average with a fine .700. Morgan is fourth with .524, and Buddy Pickens holds down fifth with .521. In home runs, Dement is the only Piggly Wiggly player listed. He has three. Callaway, the leader, has five. In runs batted in, Dement is tied with Tony Urbanzyk for the lead with 16, and Morgan is third with 15. Brock also has 13. In hits, Lueb leads with 14, and Dement and Morgan are tied for third and fourth with 11. In the runs division, nobody except Piggly Wiggly players lead. Dement has 16, top of the list. Lueb is next with 15 and Brock has 14. Morgan has thirteen.

The league leaders, the Knights of Columbus, have only two different players listed. Tony Urbanzyk is knotted with Raymond Dement for the RBI lead with 15, while Bill Stangel is third in average with .545, fourth in RBI with 13, and second in hits with 12. Jim Hill, the team which also holds down the top spot along with the KC's, furnishes only one player to the list. John Renner, reliable infielder, is second in homers with three. He hit all of these in two games.

Summerfield is the only team which does not furnish at least one leader. Despite their fourth place standing at the present time, however, they will be a top contender at the close of the season.

CARD OF THANKS

It is when the heart is broken, when black losses seem more than one can bear, that friendship comes to heal the shattered heart and give faith and courage to face the future. Friends, without your gifts, your words and deeds of sympathy and kindness, the future would indeed be dark, bleak and barren. You, our friends, have given us hope, faith and courage to meet our loss of father, husband, and property. With God's help and yours, our burdens have been made lighter and our future brighter. May God's richest blessings abide with each of you always. Terrie Lynn, Billy Art, Jimmy, Bobby and Lucile Burnhart.

Here's where all that wonderful performance begins!

They're all true—all the wonderful things you hear about Pontiac's great performance.

The way it sweeps uphill or down with the same effortless ease. The tremendous burst of passing power that answers the nudge of your toe. The thought-quick response in stop-and-go traffic that makes the car seem part of you. The smooth, quiet way it goes about its business however hard or far you drive.

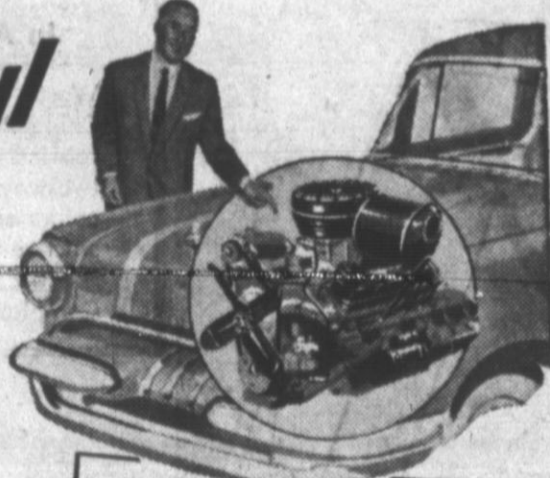

Lift the hood of a Pontiac and you'll be face to face with the reason. That compact power plant nested there may look much like other V-8's—but that's where your eyes deceive you!

The Strato-Streak V-8 is in a class all by itself—filled with engineering "firsts" that make it the mightiest engine ever to appear

in Pontiac's price field. And it's one of the many Pontiac advantages you can't get anywhere else. Pontiac alone gives you the terrific drive of Strato-Streak performance.

This sensational performance, remember, comes in a distinguished, future-fashioned beauty that is tagged with a price any new-car buyer can readily afford.

Here's your wide-open invitation to come in and try the result—the fastest-selling Pontiac of all time. The car is ready whenever you are! Make it soon.

Most Modern Engine in Any Car
THE STRATO-STREAK V-8

The Strato-Streak V-8 is one of the great landmarks of automotive progress—the newest and most advanced engine you can buy. Standard with all three lines of Pontiac, it develops 180 H.P. and reaches a blazing 200 H.P. with the four-barrel carburetor, optional at extra cost. Either way you get the most power per dollar delivered by any car of any price.

Carlson Is Tumbled By Newcomer At Barn

By STANLEY PHILLIPS
Wrestling fans who stayed away from the Bull Barn Saturday night missed one of the best scientific wrestling shows seen here in a long time. No illegal moves at all in the Weidner-Bolkas fray, and only one or two infractions of the rules in the Carlson-Torres bout.

In the first event of the evening veteran Billy Weidner wrestled newcomer Chris Bolkas to a one hour draw. This was a fast-moving, clean, scientific bout all the way with both wrestlers about even. The only time the ref, Leo Kleins, had to exert himself was to tell the boys to break after going off balance in the ropes.

Though there was nothing in the match to excite the box-thirty majority of the fans seemed to enjoy seeing a good, clean match for a change and gave both boys a good hand when they shook hands after the bout.

Main Event:
The main event of the evening was a very surprising one in that well-known Cowboy Carlson, believed by some to be the "best," was made to look like a bumbling amateur by a new boy, Ramos Torres of Alameda, Calif. At the start of the first fall, Torres went right to work with a headlock on Cowboy and kept the hold about 15 minutes despite the fact that Carlson used anything and everything to try and break the hold. During this fall Carlson never had a hold on Torres for more than a second or two. The ease with which Torres turned aside all of Carlson's attempts to gain an advantage finally caused Carlson to get dirty. He got Torres in the ropes and started working on his leg. Refusing to break the hold, the ref count-

ed him out and awarded the fall to Torres on a disqualification. First fall went in 19 minutes.
Second fall was a replay of the first with Cowboy trying everything and accomplishing nothing. At no time was Torres in serious trouble, while Carlson was kept busy trying to keep from taking the three count. Just about the time Carlson figured he had an advantage, Torres turned the tables, flipped Cowboy over on his shoulders and pinned him for the second fall in 14 minutes, taking the match in two straight falls.

That subirrigation by means of a tile will prove a far better success than the surface irrigation is admitted. Some experiments are being made in the suburbs of Hereford. The first to put in the tiles was A. C. Elliott. While using only a small garden spot, his success is quite satisfactory. He used a

concrete perforated tile, one and three quarter inches in diameter, and laid three lines, each 64 ft. long and at a depth of 5 inches. As soon as the tiling was laid, the water was turned on by means of a water hose and the ground was thoroughly saturated, requiring 1000 gallons to each line of tiling.

No move for making America a country of beautiful cities with beautiful homes has ever been promoted that promises to quicker results than that now being set out in all the big daily papers and many thousands of weekly publications. Hereford has not been slow to take up the popular wave; in fact, it is the first town of the Panhandle to enter upon a campaign of this kind. As a result the city has three public parks, several private parks and numerous yards and frontage which bear evidence of thought for the beautiful.

Discarding of the present mag-crank ring method, for the common battery or flash light type, in which the raising of the book connects with central and flashes a signal of the calling number, will be made this fall or earlier, if construction progress permits. Preceding the improvements in the local communication system, the telephone company will start work late this summer on a brick veneer building of English colonial style on the corner of West Fourth and Miles streets, a lot just recently purchased by the company, as the site of its permanent location, according to Mr. Halley, in making the first announcement of the plans that are yet incomplete as to some details.

Quick action has been obtained on the Commissioner's Court decision to appropriate funds for a home demonstration agent. Miss Emma Gunter, an ex-student from the University of Texas, will be here next Monday to begin the work. It has been only five weeks since representatives from the

communities of Deaf Smith County met with the commissioners to request that the government's extension service be completed by hiring a home agent to work with the women. The court immediately voted \$1500 as an annual supplement to the state and federal to the agents salary.

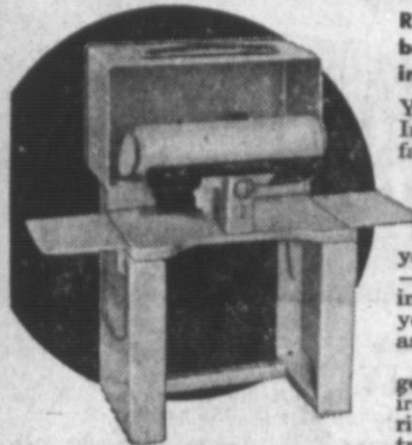

"I'll have to have the cash," said Sank Ramey, local express agent, "for it is against the company's rules to accept checks, bank drafts, exchange or any sort of money orders in COD packages." "All right," remarked W. Roy Arnold, Hereford real estate man, and he nonchalantly left the express office to find and sack up a mere pile of \$28,565 in cold cash

to dump upon the counter for the delivery of the precious package. But what is a little matter of forking over a cool \$28,565 in cash in the life of the average Deaf Smith County realtor?

Guests in the J. M. Hamby home Sunday were Mr. and Mrs. Glen Campbell of Amarillo.

Don't argue with this baby!

All Chevrolet's competitors and most of the high-priced cars tried it recently in official NASCAR* trials—and took a licking!

Meet the champ! The new Chevrolet "Turbo-Fire V8"—the most modern V8 on the road today. Here's what happened—

Daytona Beach, NASCAR Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the 4 top positions in its class! 8 of the first 11! And on a time basis Chevrolet beat every high-priced car, too—but one! But wait!—this is just the beginning!

Daytona Beach, NASCAR 2-Way Straightaway Running. Open to cars delivered in Florida for \$2,500 or less, Chevrolet captured the first two places, 7 out of the first 11 places!

Daytona Beach, NASCAR 2-Way Straightaway Running. Over Measured Mile. Open to cars from 250 to 299 cu. in. displacement. Chevrolet captured 3 of the first 5 places!

Columbia, S. C. NASCAR 100-Mile Race on half-mile track. Very tight turns. Chevrolet finished first!

Fayetteville, N. C. NASCAR Late Model Event. Chevrolet again finished first. Because of even tighter turns the driver chose to run the entire 150 laps in second gear! Yet no overheating or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowning achievement of Chevrolet and General Motors. Try a Chevrolet... and live in a land of going-away where you win all the arguments! Soon, maybe?

Hereford Team Downs Lazbuddie

The Hereford baseball team de-
feated Lazbuddie 16-10 here Sun-
day afternoon. It was Hereford's
third win against five losses.
Lazbuddie has broken even with a
three and three record.

Terry McRight finally hit the
winning trail, although in relief.
Ken Brock started but was unable
to finish. McRight has lost once.
Wildness, which seemed to bother
McRight earlier in the season, was
no problem to him.

Winkler credits the Hereford
team's victory to very good hit-
ting. Previously hitting has been
a sore spot in their attack. Taylor
Sims, top-notch catcher, racked up
four hits in six times at bat Sun-
day. Leroy Suttle also banged out

two doubles.

After a dismal start, Hereford is
finally returning to the victory
trail. They met a Negro team from
Amarillo here Wednesday night
(June 9), but no game has yet
been scheduled for next Sunday.

SMOOTHS THE ROAD... LEVELS THE LOAD... *Automatically*

Rest assured... with Packard Torsion-Level Suspension you get the most relaxing, most reassuring ride on any road today!

Packard eliminated conventional coil and leaf springs, and designed Torsion-Level Suspension not just for cushioning effect, but to absorb all twisting forces due to up-and-down wheel movement... the same twisting forces that in other cars pitch and bounce the passengers, wrack the car frame and body.

A unique power-controlled Levelizer keeps the car automatically at ideal ride level, no matter what the passenger or luggage load.

Packard created a new "free-breathing" V-8 engine, unleashing up to 275 horsepower, and delivering more driving force to the rear wheels at all road speeds than any car! Packard's Twin Ultramatic, smoothest of all automatic transmissions, gives you your choice of starts!

The new Packard is a matchless blend of grace and spirit, luxury and good taste... truly, the one new car in the fine car field. Let us arrange a revealing test ride for you today!
