Local Students To Attend Legion Girls, Boys State

Three Junior students in Hereford High School have been selected to attend the annual Boys and Girls State held in Austin from June 5 through 11. They will take part in "running" state government for one week.

High School Annual Queen in 1953. She has been assistant in the principal's office and was a member of the mixed choir. She is presently serving as secretary in the district organization of Catholic youth.

Miss Daleine Tinnin, daughter of Mr. and Mrs. Dale Tinnin, was chosen as alternate.

Dick Wilson, son of Mr. and Mrs. Bob Wilson, and Bill Albracht, son of Mr. and Mrs. W. J. Albracht, were the boys selected to represent the American Legion Post.

Dick, 16, is an outstanding music student, having won first place in the All-State Band contests held at WTSC last fall. He has been a member of the high school band for five years and has served as accompanist for the High School Boys Chorus. He is a member of the Boy Scouts and holds membership in the Order of the Arrow, National Camping Society. He attended the National Jamboree held in Santa Ana, Calif. in 1953.

Bill Albracht, 16, serves as vice president of the Student Council and is a member of the High School Choir. He is also a member of the High School baseball team.

All students are chosen for high scholastic rating, leadership qualifications, interest in government affairs, social attitudes, willingness to work and capability.

Victim Of Shooting Dies; No New Charges Yet Filed

No new charges had been filed late Wednesday against Cliff Potter, pioneer vegetable grower, following the death of George Thompson Tuesday night in the Deaf Smith County Hospital, the Sheriff's department said.

Potter was charged with assault with intent to murder following a shooting incident March 2 in which Thompson was critically injured. He has been free on bond of \$5000 since that time.

Thompson was shot four times with a .38 calibre pistol. Two of

the bullets went into Thompson's stomach, one entered just below his heart and the fourth entered his right shoulder.

A Sheriff's department spokesman said Wednesday that the District Attorney plans to leave the charges as they now stand until the case goes before the grand jury.

At the time of the shooting, officers said Potter told them shooting resulted over a missing fifth of whiskey and a half-gallon of wine. According to officers, Potter told them he had been to Amarillo during the afternoon and returned to the Leslie farm, north of town, where he had land leased for a potato crop. He said Thompson approached him and asked for a drink. Potter said he got a bottle from a sack in his car and gave the bottle to Thompson. Then he went to change irrigation tubes where he was watering. When he returned, both men left for home. When Potter reached home he said he missed his package of liquor and set out to find Thompson. He said he took the gun in fear of a burglary and in view of a heart condition. An argument ensued at the Thompson home following Potter's arrival and was closed with a shooting affray, officers said Potter told them.

Funeral services for Mr. Thompson are to be held Thursday at 9 a.m. in the St. Anthony's Catholic Church with Rev. Bartholomew Paytas conducting the rites.

Born June 21, 1907 in Falls County, he was married to Mattie Lee Chaney March 1, 1930, at Temple. From Larana, he came to Deaf Smith County in 1942 where he was engaged in farming. Mr. Thompson was a member of the Catholic Church.

Interment will be held at West Park Cemetery under the direction of the Gilliland Funeral Home.

He is survived by his wife, Mrs. Mattie Lee Thompson; two sons, Donald Lee and James Michael; five daughters, Georgia Sparks of Hereford, Joe Ann Davis of Brownfield, Mary Claire of Hereford, Janice Kay and Carolyn Ann; three sisters, Pearl Smith of Howall, Mrs. Ruby Vaughn of Temple and Mrs. Shirley Slaton of Little River; three brothers, Charles Thompson of Temple, Creed Thompson of Galveston, K. B. Thompson of Galveston; and four grandsons.

Services For Dr. Brewer To Be Held Today

Funeral services for Dr. Willie Washington Brewer are to be held Thursday morning at 9:30 at the Church of Christ, conducted by Bob Wear and Norvall Young of Lubbock.

After an illness of several years, Dr. Brewer died May 31 at the Deaf Smith County Hospital at the age of 80.

Born at Lynn Flat, June 6, 1875, he was married to Miss Cordilia E. Mansur, Dec. 24, 1908, in Elk City, Okla.

Dr. Brewer came to Hereford in 1951 from Carlsbad, Tex., where he was a minister of the Church of Christ.

The body will lie in state at the Gilliland Funeral Home until 8:30 Thursday morning when it will be taken to the church to lie in state until the service after which the casket will not be open. Interment will be held at Fairlain Cemetery, Elk City, Okla.

The family requests that all friends planning to buy flowers, make a donation to a memorial fund to be given the home for aged at Gunter, Tex. The money can be taken to the church secretary, Mrs. Fred Fox.

Survivors include his wife, Mrs. Cordilia Brewer; a son, James H. Brewer of Dallas; two daughters, Mrs. Chester Wiggins of Sumnerfield and Mrs. Ray Lockett of Kansas City, Mo.; seven grandchildren, and eight great grandchildren.

Almost Half An Inch Of Rain Recorded Monday

Heavy thunder showers added to Deaf Smith County's growing rainfall record for 1955 Monday, but spoiled many family picnics and outings and delayed the Hereford Golf Club Memorial Day tournament.

The rainfall was welcome, nevertheless. Hereford received 41 of an inch of rain and some hail. Measurements in the immediate area ran about the same. The rainfall was accompanied by an electrical storm, that struck at least one home in the county. The J. E. McCathern Sr., home was hit by lightning, but damage was light.

A heavy overcast gave signs of more rain for the area Wednesday. (Continued on Page 2)

Tree Planting In County Reported

One thousand, seven-hundred and fifty tree seedlings were planted in Deaf Smith County during the 1954-55 planting season. Don Young head of the management department of the Texas Forest Service, said today.

Young pointed out that forest tree seedlings are sold to landowners at the cost of production. Twenty-one different species were planted in Texas, and five different species in Deaf Smith County. Species planted in this county were red cedar, 800; Chinese elm, 350; Austrian pine, 100; Honey locust, 50; and others, 250.

Ten land owners took part in the program.

HIP IS BROKEN

Mrs. Ruth Reeves, who has been making her home here with her daughter, Mrs. L. C. Thomas, for the past several months, was injured in a fall at the home of her son, W. B. Reeves, in Dallas May 26.

Mrs. Reeves had gone to her room and in some manner slipped and fell breaking her left hip. She was taken to Baylor Hospital where her condition is reported as satisfactory.

Mr. and Mrs. Thomas had taken Mrs. Reeves to Dallas for a week's visit in the home of her son and were in Dallas when the accident occurred.

Needs Of Hospital Are Outlined At Breakfast

A new nurses quarters, a public waiting room and about 10 private rooms are the things needed most by the Deaf Smith County Hospital, Howard Gault, hospital board member, told early morning risers at the monthly community breakfast held Wednesday morning in the ballroom of the Jim Hill Hotel.

Gault was one of three board members who, along with T. E. Seigler, hospital manager, explained how the hospital operates. Others who spoke were Wayne Thomas and Dr. A. T. Mims. Each was introduced by Bill Davis, president of the board. Other board members who appeared on the panel were Ansel McDowell and Tom Robinson.

Gault termed the nurses quarters as "one of the prime needs" of the hospital. He explained that at present nurses are living in a barracks, but that it is in bad need of repairs. He said any work on the hospital could be done more cheaply now than in the past because of existing service areas.

Breakfast goes were told that the hospital was built in 1924 and that a new wing was added in 1945 at the cost of \$200,000.

Members Appointed

Thomas explained that members of the Hospital Board are appointed to two year terms by the County Commissioners Court. He said the Board meets regularly once a month and that their primary purpose is to regulate hospital expenditures. "We have no control over calling a bond issue for hospital improvements," he declared, explaining that the Commissioners Court has that power.

invested in them. "I am very proud of the hospital," Dr. Mims told the audience. "It is as good as you can find anywhere and it is very well run." Dr. Mims also pointed out the need for private rooms, however.

Making Own Way

Seigler said the hospital is "making its own way" and has been for several years. "And it's not doing it because of high prices," he declared, saying that in "a majority" of cases the Deaf Smith Hospital's prices are lower than those of other area hospitals.

He told the group that the hospital's payroll is \$90,000 a year, "and we are not overstaffed." He pointed out that the hospital stays open 24 hours every day of the week, and that it takes three regular shifts of nurses plus one to

fill in on days off. Other expenses, according to Seigler, total \$60,000. That makes the hospital's expenses total \$150,000 a year. He said the hospital collected just over \$165,000 last year, to show a profit of just over \$15,000. "That's not much profit on a half a million dollar investment," he said. In addition the hospital did \$22,000 worth of charity work.

"It costs us \$18.39 a day to keep a patient in the hospital," he told his audience. Pointing out that this sounded like a lot of money, he declared it to be lower than the state and national average.

Seigler also touched on one other hospital problem. He explained that visiting hours were set up for the patients' benefit, and added, "Those signs in the hospital do mean you."

Hereford Delegates Will Attend Legion Convention

Cecil Parker will head a delegation of Hereford Legionnaires to the Fifth Division Convention of the American Legion to be held Saturday and Sunday in Amarillo.

Representatives from 191 posts in the 16th, 17th, 18th, 19th and 21st Congressional districts are to attend. Monroe Parker is the other Hereford delegate and Charles Crowell and Ralph Smith are alternates.

Presiding will be Division Commander W. G. "Bill" Abbott, Midland attorney and former department judge advocate of the American Legion. Others to participate in the convention with Division Commander Abbott are the five district commanders in the Fifth Division jurisdiction.

These are William E. Dorris, Alpine, 15th district; Dr. Cyrus B. Cathey, Hamilton, 17th district; Paul Spillman, Wellington, 18th district; Hilton Lambert, Snyder, 19th district and Lee Gripton, Lampasas, 21st district.

Mrs. M. L. Hopson, Alpine, Fifth Division Auxiliary president, will be in charge of the women's portion of the convention program.

Host post of the convention is Hanson No. 54 of Amarillo, one of the largest in the state in point of membership and with one of the state's finest American Legion homes where the convention sessions will be held. It is commanded this year by Selden Simpson, who has appointed a number of committees which are arranging this year's convention program.

Registration will begin Saturday morning. Starting at 1:30 that afternoon the 40 and 8 will be in charge of afternoon activities. A Dutch treat lunch at the American Legion home will precede the annual convention dance which will begin at 9 o'clock.

A joint session of the American Legion and Auxiliary, presided over by Division Commander Abbott, will be held Sunday morning. At 11 o'clock the annual memorial services will be held.

Following luncheon, the American Legion and Auxiliary will go into separate business sessions. Division officers for 1956 will be elected and delegates named to the national convention to be held in Miami, Florida, in October.

Several important resolutions are due to be acted upon and passed on for final action at the state convention which will be held in San Antonio, July 22, 23 and 24.

Mrs. DeHart Named HD Woman Of Year

Mrs. Earl DeHart of the Cultural Home Demonstration Club, became the fourth woman to receive the Brand's annual award to the "Outstanding Home Demonstration Club Woman of the Year" Monday night at a meeting of HD women held in the high school auditorium.

Mrs. DeHart received her certificate and \$25 cash award from Miss Roberta Campbell, Brand farm editor, who said, "It was accomplishments such as yours that prompted Mr. (Jimmie) Gillentine to make the award."

The outstanding club woman of 1955 has an impressive record in home demonstration club work. Now a member of the Cultural Club, she began her home demonstration work as a 4-H Club girl, and was a charter member of the first 4-H Club organized in Armstrong County. That was in 1922.

While in 4-H work she was a consistent winner each year on items entered in the Tri-State Fair at Amarillo. Among the things that she remembers best is winning a 28 quart pressure cooker at the fair.

For two summers after completing her 4-H work, she sponsored a 4-H Club, and in 1928 was county Gold Star winner.

After her marriage she moved to Carson County in 1930 and joined the home demonstration club there the same year. While a member of that club, she served as secretary, council delegate, bedroom demonstrator, clothing demonstrator, and yard demonstrator.

In December of 1937, the DeHarts moved to Deaf Smith County to the farm they purchased. They still live on the same farm today. In 1938 she joined the North Hereford Club and 10 years later helped organize the Cultural Club.

During the time Mrs. DeHart has been a member of home demonstration clubs, she has served in all elective offices. She served as home demonstration council chairman for two years and attended council in capacity of club president and delegate for eight years. She served as THDA chairman for two years and has attended all district meetings except three and four state meetings since living in Deaf Smith County.

Mrs. DeHart served two years as chairman of the County Federated Clubs. In 1953, the District Federated Convention was held in Hereford and Mrs. DeHart received much of the credit for its success.

Her hobbies? The talented woman says she makes a hobby out of everything she does, even including washing dishes and patching clothing. She is very skillful in cooking, flower and vegetable gardening, canning, freezing, sewing, fabric painting, shell craft, leather craft, copper craft and all types of hand work. She has taught copper craft to both Deaf Smith and Castro County Home Demonstration women.

Mrs. DeHart serves as 4-H "mother" to several 4-H Club girls in the Northwest Hereford area. The girls will tell you she is never too busy to help and advise them or anyone desiring help of any kind.

The DeHarts completed their farm home a few years ago, doing most of the work themselves. She designed a modern U-shaped kitchen with pull out shelves, corner lazy susans and a place for everything.

The winner is an active member of the First Baptist Church of Hereford, and is secretary of the Ruth Sunday School Class.

Other winners in the annual Brand contest, which is the only one of its kind in the state, have been Mrs. Palmer Norton of the

Around Town

When Mr. and Mrs. J. E. McCathern Sr., returned home early Tuesday morning from Buffalo, Okla., where they had spent the Memorial Day holiday with relatives, they found that lightning had struck their home during Monday evening's storm. Curtains and some clothing near the window caught fire and attracted a farm hand who put out the fire. The lightning had knocked a hole in the McCathern's deep freeze.

Frank Bezner and daughters, Marcella and Betty, left for Lindsay Tuesday to attend funeral services for a cousin, Arnold Bezner, 19. Arnold was killed in a car wreck Monday night. He was the son of Mr. and Mrs. Jake Bezner of Lindsay.

Persons unknown entered the Tower Drive In Theatre concession stand Tuesday night, but their efforts apparently gained them nothing. A check revealed nothing was missing Wednesday morning. Two doors were broken down, however, and damage was estimated at \$25.

Miss Barbara Sue Rogers will be installed as worthy advisor of the Hereford Assembly of the Order of Rainbow for Girls, when new officers are installed at an open installation at 7:30 o'clock at the Masonic Hall, Friday night, June 3.

First Practice Is Set By Jaycees For Junior League

There will be a practice session Thursday afternoon for all boys participating in the Jaycee sponsored Junior Softball League. Boys 12 through 14 will meet at Shirley School, and boys 9 through 11 will meet at Dameron Park.

Every boy that takes part in the program is expected to be present when his team is playing and will play in every ball game that his team does, a League spokesman said.

One change will be made in the team arrangement Thursday night in order that four teams may be made in each age group. The teams will try to be arranged so that boys will be playing with other boys of their own age and size if possible. The Brand will carry the complete schedule of games later.

If there are any boys whose names do not appear on the following list, they are to contact Gerald Hale or James Bounds at telephone 630, or Bill Howard at phone 110. It is still not too late to get your permission slip and participate in the league, Hale pointed out Wednesday.

Here are the team rosters as they now stand:

Ag's 12-15 Team 1—R. A. Wederbrook, Billy Lee Hubbard, Curtis Lee Ritchie, Glen Carden, Jimmy Conkright, Clyde Whitaker, Jackie Blanton, Travis West, Leslie McGee, Sammy Saul, Danny Cleveland, Dale Dickson and Marvin Hershey.

RELATIVE IS BURIED

Mr. and Mrs. Lee Benefield returned Monday from Chickasha, Okla., where they attended funeral services conducted Friday for an aunt, Mrs. Anna Adams, who had been ill for the past several months. They were accompanied by Mrs. Benefield's brother, Fred Postle of Odessa, and her sister, Mrs. J. S. Dalton of San Antonio.

Mrs. Acton had visited Benefield in Hereford on several occasions and had many friends here.

Clint Formby returned home on Monday from Washington D. C., where he attended a meeting of the National Association of Television and Radio Announcers.

Mr. and Mrs. Knox Kinard of Pampa, and Mrs. Lena Teter of Woodward, Okla., all former Hereford residents, were looking up old friends here Memorial Day.

Despite your own personal opinion, all of the mistakes don't get into the paper. Once in a while, we catch one of the proofs. Such a thing happened this week when Roberta Campbell broke her glasses and typed her weekly copy strictly by the touch system. She had a paragraph about some prize-winning cookies by one of the 4-H girls and in her description said, "They just couldn't be beat." Sans glasses, however, she missed the "b" and her copy read: "They just can't be eat."

Things are looking favorable in all lines as a result of the rains. The boys who are really headed over the top this year, though, are the potato growers. Last year they did all right. This year they should practically hit the jackpot—unless they get hauled out or meet some exceptional conditions. The bright spot on potatoes is the price. Had you noticed the retail price on spuds? It is practically out of this world. This is due to adverse conditions in the Southern states. I wouldn't be surprised to see a lot of Hereford potatoes sell from \$5 to \$8 a hundred this year. They should average out around double the price in 1954 which, although not a banner year, was still a good year with prices from \$2.75 to \$3 a hundred.

The bad part of the deal will probably be 1956. When a crop does well, the acreage swells to the point where the market is often saturated. This pretty well happened in 1953, when some of the growers took a licking on spuds, and others were happy to break even.

Why do people paint their barns red? This is a question which has always puzzled me. I got to checking around one time and found that red paint is generally a little bit

cheaper, also perhaps a bit more rust resistant. However, the fad probably just got started—and then spread from area to area. Over the country you will find more red barns than any other color.

Some lady called up around 10:30 the other night and said that she could get Bob Lizzard's voice, but no picture on her TV. She wanted to know if they had already started this Toll-TV? It caught me unawares, and I couldn't think up an answer—even after she had hung up.

This is unusual for me. I am the type fellow who always thinks of a simply wonderful answer—after the other party hangs up the telephone. Like I said, though, I am confident that Toll-TV will never come to pass. It might be all right for England or Germany or France—but never for the United States. Americans just don't play that way. To continue sticking my neck out, I will also predict that color TV will not be a success in this country. The screens are small. The price is high. I will probably be wrong again, but I think that color TV will flop just about as quick and just about as loud as FM radio. Remember how they tried to start this fad on two stations in Amarillo? It lasted eight to 12 months, then gently faded away.

The school census shows an increase of about seven percent over last year, the enrollment for 1949 being 536.

The largest cattle shipping point in the world for shipment of cattle from pasture to the market is

town of 30 inhabitants, according to John P. Jones, president of the bank in Bovina. Bovina shipped one hundred thousand cattle last year. "We don't need big census returns in order to get in the limelight," Mr. Jones said. Our main street is a wide place in the cattle trail with a row of Louses on each side and a few motor cars standing in front of the stores. There are no saloons in town.

25 Years Ago
Affairs are taking shape from week to week, toward a successful exposition in the Dent Smith County Fair to be held here in September. Superintendents of the different divisions of the fair met in the Chamber of Commerce office and selected three important committees. Alex Thompson, John McLean and Roy Arnold were named as the entertainment com-

mittee to contract for the amusement features during the fair week. They also will have charge of all concessions on the ground. Reports reaching here from Chicago on the performance of Babe Russell, Texas high school champion in the 100-and-200-yard dashes and Hereford's personal representative in the national high school meet held last Friday and Saturday, have been meager and incomplete. Although Babe did not take any first honors, he put himself, his state and city in the running by taking third in the 200 yard entry and fifth in the 100 yards.

Twenty-five years ago one would not mind going grocery shopping. Three pounds of coffee sold for \$1.12, 43 pounds of flour, \$1.85, a gallon of peaches, 58 cents and Wheaties sold for 10 cents a box. Also you could buy a dress for \$1 or a modern "iceless" refrigerator that you "just light it and leave it."

Mrs. Myrtle Nickell has returned from Mansfield and Fort Worth where she visited relatives.

Bovina Edges Hereford 4-3

Bovina edged past Hereford 4-3 Sunday at Bovina in a close and well-played game.

Darrell Read pitched them to the victory, giving up seven hits. Terry McRight, Hereford twirler, gave up only five in a losing cause however. He forced in the winning tally with a base on ball's with the sacks filled and two outs in the last of the ninth.

Bovina drew first blood, scoring three runs in the third. Hereford rallied to tie it in the fifth, and nobody scored another run until Bovina plated the winning tally in the ninth.

Taylor Sims led the Hereford team at the plate, blasting out two doubles.

Mr. and Mrs. Ralph McCullough and son Pat and Sylvia McCracken were in Amarillo Sunday visiting the McCullough's daughter and husband, Mr. and Mrs. James Kilian.

Composite Photo Puzzles Many Hereford Residents

The above photograph, which appeared in color on the cover-page of "The Farmer Stockman" for June has quite a few local residents guessing. The magazine credits the picture to Hereford and reports that it was taken by Bob Taylor of Cordell, Okla. The big question concerning the photograph (apparently taken south of Hereford looking north across Tierra Blanca-Creek) centers around such questions as, "What happened to the creek?" Observers also find lettuce growing just south of Frasers Elevators, on the spot which has served as the "No. 9 Green" on Hereford's golf course for more than 25 years. All in all, we would guess that Mr. Taylor faked the scene by putting two pictures together--and that he did an excellent job of composition.

Ward Hall at 10 a.m. Wednesday, June 8; Ward Hall at 3:30 p.m. June 8; and at the Wesley Methodist Church at 8 p.m. June 9. Rev. Rathore has also been scheduled to appear before civic clubs of the city.

WCS Slates Addresses By Hindu Convert

Sponsored by the Woman's Society of Christian Service of the First Methodist Church, Rev. and Mrs. J. S. Rathore, now students at Asbury Theological Seminary, Wilmore, Ky., will appear in several sessions here this week. Rev. Jagannath Singh Rathore, former professor in the Lucknow Christian College, Lucknow, India, will speak on India and the Christian Movement. He is a convert from Hinduism, was a Hindu Mystic and a member of the Socialist Party as a University student. He is a personal friend of E. Stanle Jones and was converted to Christianity on Christmas Day 1940. He holds M.A. and B. A. degrees from Hons, India, and a B.D. in the U. S. A. Mrs. Rathore is also a student at Asbury College. She is the daughter of a Mohammedan convert and her personal testimony will be given. Dates released for the couples' appearances are:

FIXED
RICHMOND, Va. (AP)—An English visitor listened as two American newsmen discussed clarity in news writing and the need for simplified language. "And how you Americans do simplify it," said Karl Archibald, of London. "I am interested in the use here of the word 'fix.' "I am invited to dinner and my host asks how I would like a drink fixed. He means mixed. My hostess calls to us to hurry because dinner is all fixed—and she means prepared. My host says he must get a flat tire fixed—and he means repaired. You say you are on a fixed income—and you mean steady and unchanging. You say you will fix something to the wall—and you mean attach. And you say 'I'll fix him'—and you mean get revenge. "Finally you remark that you are in 'a Hell of a fix' and I see that you may have some comprehension of my predicament in trying to follow your simplification."

Your Congressman Reports

On yesterday, the House passed a bill known as the Small Projects Bill. This bill is designed to provide a means by which small communities can, through proper organizations, finance water projects costing not more than 10 million dollars, by one of three methods:

1. Borrow up to five million dollars from the Federal Government.
2. If the project costs more than five million dollars, the community can borrow up to five million dollars from the government if they can finance the difference between the five million dollars and the cost of the project up to 10 million dollars by private financing.
3. The projects can be privately financed. In that event, the community organization would be entitled to a grant from the federal government of the same amount that they would get for flood control, fish and wildlife and recreation, if the project were completely federally financed.

The third method of financing is the one that was proposed by me in an amendment that we adopted in committee. It provides the method of participation by a local community on a free enterprise basis that has been lacking in the past.

The bill is similar to the one that passed the House last year and died in the Senate. The former bill applied only to the 17 western reclamation states which are included under the jurisdiction of general reclamation laws. The present bill included all 48 states, plus Alaska and Hawaii. The program was to be administered by the Secretary of Interior, who has all of the tools to administer such a program most efficiently and with the least possible cost. However, some of the eastern states did not want to be under the Department of Interior and pushed through an amendment placing them under the Secretary of Agriculture. This amendment included Texas under the Department of Agriculture. I voted against this amendment because, from all accounts, Texas has had very little success in obtaining much consideration from the Secretary of Agriculture. In my opinion, the entire water program should be under one department. When one that is does not make a great deal of difference, but I do not think that one program should be administered by two separate and distinct departments.

The bill is on its way to the Senate, and I hope will be speedily acted on there. It fills a much needed gap in the water projects legislation of this country.

SALK VACCINE
The Salk vaccine hearings before the House Interstate and Foreign Commerce Committee, of which I am a member, will probably be concluded within about 10 days. The pressure is beginning to build up for and against the government having anything to do with the distribution or control of

the vaccine. Some want the Federal Government to see that every child gets proper inoculation. Some take the position that it is none of the Government's business and that government regulation is so-called. Some say that this is definitely a government responsibility and that the vaccine should be furnished by the government, distributed by the government, and that every person should be required to be inoculated.

It presently appears that the general program will be a mixture of many suggestions. Legislation will provide government control, distribution will probably be given through state health authorities, money will be appropriated to make the vaccine available to all, and no one will be compelled to be inoculated.

During the hearings one of the witnesses from the Department of Health, Education and Welfare testified that there would be no danger in the second and third shots to those children who have had the first shot. He also testified that there is no reaction from polio vaccination. Had I known this two weeks ago, it would really have alarmed me. Our Mary Catherine came down with a fever five days after receiving her first shot. We consoled ourselves on the ground that it was reaction to the shot. Fortunately, it was due to some other virus from which she quickly recovered. Since she has had her first shot, she will complete the series.

VISITORS
Louise Evans, the affable and able writer for the Amarillo News-Globe, is still in town doing a lot of work. Clint Formly of Hereford, and Tom Hulsey, of Tulsa, were in town for the Radio Broadcasters Convention and invited yours truly to breakfast. The Jimmie Allreds, all five of them, from Hereford, came by for a visit, and I sure enjoyed it. The children, Marlene, Clydene and Lynn, were certainly having a good time, and their proud mother and father were keeping up in good shape. Mr. and Mrs. Emory Martin, their son, Richard, and Harold Smith, from Borger, came by for a nice visit the other afternoon. It is sure nice to see these good people on their vacations and have a chance to get the news firsthand from Texas.

Rebekah Team Attends Conclave
Attending the Odd Fellow-Rebekah Tri-State Conclave held in Amarillo May 26-27-28 were members of the Rebekah Drill Team who competed in degree work with 12 other teams from Texas, New Mexico and Oklahoma.

Those making up the Hereford team were Mesdames Ursalee Jacobsen, Verna Sowell, Lydia Johnson, Lucille Olson, Alta Davis, Earline Manning, Anna Willier, Cora Lee Loving, Leola Turner, Hazel Sparks, Glissie Shelton, Edna Draper, Leta Kaul, Bobby Meacham, Mildred Renfro, Catherine Sheppard, Irene Merritt and the team captain, Ben Conklin.

Others attending were Harold Meacham, John Jacobsen Jr., G. C. Merritt, Merlin Kaul, John Turner, Guy Lawrence, and Mesdames Edna Bowe, Orpha Nickerson, and Ethel Fridley.

Rutherford's To Test KC Nine
Friday night games in the Hereford Football League will pit the KC's and Rutherford's in the first game and Coopers and Hotel Jim Hill in afterpiece.

The first game might turn into a good battle. The Knights are presently riding in first place, while Rutherford's is in fifth, but they have a fine young club who have encountered some tough luck. Jim Hill should have no trouble in routing over Coopers however. Hotel is in second place while Coopers is fighting it out with the Popular Store for the cellar.

ATTEND MEET
In Dallas the Memorial Day weekend to attend the Beta Sigma Phi Sorority state meeting were Mrs. Ronald Babione, M. G. Duval, Paul Harvey, Mr. and Mrs. Cecil Massey and Mr. and Mrs. J. W. Witherspoon.

Miss Ruth Holloway of Brownwood is visiting her fiance, Earl Fish, in the home of his parents, Mr. and Mrs. J. H. Fish. Miss Holloway plans to be married early in September.

Colline Brown and her brother Emmett have gone to Granby, Colo., where they will be employed at the Drowsy Water Dude Ranch for the summer. They will be joined there by a sister, Martha Jean, the latter part of June.

Mr. and Mrs. Joe Kendall and Mr. and Mrs. Sanford Smith spent the Memorial Day holiday at Conchas Dam fishing.

KC's Drop Summerfield To Gain Lead In League

By BILL KNOX

The Knights of Columbus rocketed into first place with a convincing 11-4 triumph over Summerfield, while Piggly Wiggly walked over Coopers 26-3 in Tuesday night softball action. Summerfield drifted into a tie for third and fourth with Piggly Wiggly after losing to

the KC's. Hotel Jim Hill remains in second, one-half game behind the KC's.

Kenneth Walterscheid pitched a steady ball in leading the Knights to the victory. He gave up only four hits. Joe Straun, losing pitcher, was not troubled too much with wildness but was soundly clobbered for 11 hits, six for extra bases.

Summerfield had a bad night both in the field and at the bat. Only one of their four hits went for more than a single; that was a double by Roy Botkin. They made six miscues while the KC's made only three.

Summerfield jumped to a quick lead in the top of the first. Bob Clark grounded out to begin the game, but Botkin walked. Campbell popped to the catcher for the second out. Then Bill Stengel was unable to hold Duane Baize scorching liner to left, and Botkin scored.

But the Knights quickly retaliated to take the lead with two runs of their own in the first. Peter's flied out to right; Arnold Fangman blasted a triple and then scored by heads-up base running. Albracht flied to center, but Bill Stengel redeemed himself with a home run. Urbanczyk grounded to short for the final out.

Neither team scored in the second, but again Summerfield took a very brief lead with two in the third. Bob Clark made the initial out with a fly-out to center. Botkin walked and stole two bases, then scored when again Baize drew life of Bill Stengel's error. Baize

scored on Gerald McCathern's soft liner into centerfield.

But the KC's took the lead and never relinquished it in the last of third. After two were out, Bill Stengel reached first on Baize's error. Urbanczyk scored him with a double, and scored himself on two more errors by Baize.

However, Summerfield tied it in the fourth. Bill Lookingbill singled to lead off the inning, and after being forced to third with bases on balls, scored on Botkin's sacrifice fly.

The tie was broken quickly in the last of the fourth. Walterscheid led off with a double and went to third on Davis' error then scored on Peter's single. Duane Albracht blasted another double, scoring on two ground outs.

Summerfield didn't score again, but the Knights scored two more in the fifth and three in the sixth; on five hits. Walterscheid struck out the side to end the game in the top of the seventh.

Piggly Wiggly soundly trounced Coopers 26-3 in the other game for their fourth win against two losses. They are now in a tie with Summerfield for third and fourth.

Guests of their uncle and aunt, Mr. and Mrs. D. C. Kinsey, this week are Cindy and Phil Newman of Amarillo.

Mrs. Valentine Colthrop of Oklahoma City stopped here briefly last week for a visit with Mr. and Mrs. Mont Baker. Mrs. Colthrop is a former Hereford resident.

Flower Show Winners Are Named By Bud-Blossom

Bud To Blossom Club held its annual placement show in the home of Mrs. Pat Robinson Friday afternoon in the form of a guest-day tea honoring members of other garden clubs of the city and special guests. Mrs. W. H. Patton served as general chairman.

Theme of the show was "Melody of Spring", with all appointments, including the lovely spring flower arrangements, keyed to a musical background. The tea table was done by Mrs. W. H. Patton in cool shades of yellow and green. Laid with a green organza cloth the table held an arrangement of Peace and Perfection roses combined with yellow iris backed by white tapers done as organ pipes and accented with colorful spring butterflies. Mrs. Lloyd Sharp presided.

Receiving the guests were Mrs. Don Martin, retiring president, and Mrs. W. Glenn Williams, president for the 1955-56 season. Both the artistic and cultural divisions were featured in the show with an added section of miniature and small arrangements.

Ribbon winners in the cultural division included:

Personals

Mr. and Mrs. Owen Neel of Dallas, Mr. and Mrs. Wayne Neel of Colorado Springs, and Miss Jo Ann Corder of Colorado Springs were Sunday afternoon guests in the Ray Neel home.

Mr. and Mrs. Dennis Barnard and daughters, Kay, Denise and Sue, were in Levelland Sunday to attend the wedding of Donieta Davidson, daughter of Rev. and Mrs. Don Davidson, formerly of Hereford.

Mrs. Hall Beavers is in Dalhart to be with her mother, Mrs. R. P. Hutton, who suffered a stroke on Thursday of last week. Mrs. Beavers went to Dalhart Thursday, returning Monday to attend to business, but was called back to Dalhart yesterday because of her mother's grave condition.

Mrs. J. S. Budlong of San Antonio is a guest in the home of her sister Mrs. Lee Bonfield.

Mr. and Mrs. Frank Vaughn and daughters of Lindsburg, Kans., and Mrs. John Anthony of Elida, N. M., were guests of Mr. and Mrs. Carlos Vaughn and Mrs. Ida May Vaughn recently.

Don't ever be a scorekeeper, especially an official score. Not if you want to be treated as if you were a human being. At least in the Hereford Softball League.

Games and conditions are probably better in other leagues, however. They must be; they couldn't be much worse. Yet, even if they are, it would almost be considered an improvement.

The first of the scorekeeper's troubles begins when he has to get the starting lineup of each team. Of course, he's always hoping that each manager will have his lineup already made out; then all you have to do is copy it down. But only idle dreamers hope for such things. You'd never be that lucky.

For instance, Hotel Jim Hill and Cooper's are playing each other. Dick Ross of Hotel is usually lucky to get eight players there by game time, and Jiggs Hudson usually has his full roster ready to go. Cooper's lineup is recorded in just a few minutes, and since it's game time and Jim Hill has been able to produce only eight players, they decide to start the game. Ross goes down his lineup at ninety to nothing hoping that I have a good memory.

Then just before the game starts

Johnny Winkler staggers onto the field. Ross changes his lineup completely, no one batting in the same place and no one playing the same position. Of course, this completely defies Einstein's law of relativity, but that matters not to him.

Then the nightmare beings. After announcing the starting lineups and mapping where each player bats, the game beings at about 8:45 (game time is 8:00).

Coopers if Jim Hill is having a bad night because at the end of three innings they are ahead by only 2-0. Gerald Hale hasn't yet caught anything, and John Renner hasn't hit any home runs. These three innings have taken two hours to play, and I've already used six frames in the scorebook for three innings. Only nine batters have been to the plate for Cooper's.

Then Coopers rallies to make the score 25-19 in the last of the fifth. A pitcher's duel follows, the final score being 40-30. Hotel scored 40 runs (39 unearned) on four hits and they made no errors. Coopers scored 30 runs on 15 hits, and they made 25 errors.

Another game is scheduled to be played, but the two managers decide to call the game because of daylight.

Westway

Mrs. Abraham Drager's new home was the meeting place for members of the Westway Home Demonstration Club May 11 when Argen Draper, home demonstration agent, gave a demonstration on yeast rolls.

Mrs. Draper introduced the program by stating "Bread is a must for every meal."

"The secret of good yeast bread is to have good ingredients, she continued. They should be properly measured and the dough should not be rushed as it is always delicate. She showed the women a number of ways in which the dough could be shaped for cook-

The office has received some good news about Sue and Jan Cooke. These are former 4-H members of the Workers 4-H Club and moved with their family to Nacogdoches. These girls entered a Cake Baking Contest held last week in Nacogdoches. Sue won first place and Jan, third. The contest was sponsored by Ideal Furniture Company, which is the Norge dealer. Sue's prize was a Norge Electric Range and Jan won third prize which was a Signal Electric Fan.

This is quite a compliment to the adult leaders who worked with the Cooke girls while they were in 4-H Club in Deaf Smith County. Mrs. T. J. Parsons, Mrs. Bill Hargett, Mrs. R. C. Childers, Mrs. Louie Olson, Mrs. Paul Corbett, Mrs. Earl DeHart, and others should realize that all time and effort spent in teaching girls the worthwhile homemaking practices is never in vain.

There is no work as satisfying as work with youth groups. The Cooke's address is: Route 7—Box 418, Nacogdoches.

The 4-H girls' annual County Bake Show was well planned and organized. Loyce Sullivan and 4-H leaders did a good job on this. Mrs. LeGrand Morton helped in judging. We are glad that Mrs. Morton has moved to Hereford and (Continued on Page 2)

Merry Kay Pruitt Wins Top County Bake Show Honors

Merry Kay Pruitt was again winner of the annual County Bake Show for 4-H girls. She was winner last year. The Bake Show was held Friday at the High School cafeteria. The county winner is the girl with the highest combined score of the brownies, Swedish tea ring and record book. Merry Kay won with a score of 215 points out of a possible 225. Nancy Parsons was the runner-up with a score of 200 points.

Purple ribbons were given to the over-all best product in all divisions. These championship ribbons were awarded to Nancy Green, 12, Sadie Lee Oliver Club, for the best brownies; Nancy Parsons, 13, Merry Maidens Club, for the champion Swedish tea ring; Merry Kay Pruitt 12, Walcott 4-H, purple ribbon for best record book. Pat Bell, age

12, Daniel 4-H, champion butter cake.

There were 80 entries which represented the good cooking of 39 club members. All eight clubs in the county had entrants in the Bake Show.

High scoring products in Division A, which is girls nine years old, were shown by Dindra Thomas, brownies; Audni Miller, Swedish tea ring; and Jane Heard, record book.

Division B, which includes girls 10 to 13 years, had these winners: Merry Kay Pruitt, brownies; Nancy Parsons, tea ring; Merry Kay Pruitt and Royce Lee Pruitt tied in high score for record books.

The winners in Division C, which includes girls 14 and over, are: Peggy Browning, brownies; and tea ring and Carolyn Williams, record book.

Mental Health Should Be Given Positive Approach

People think negatively when thinking of mental health. Mrs. Eloise Johnson, family life specialist with Texas Agricultural Extension Service, told an audience of home demonstration club women Monday night. "Mental health should be given a positive approach just as in the treatment and acceptance of any illness," she said. "Mentally sick persons may be sick because of an organic defect or may be sick from outlook. The latter is the one that this group should study and put their efforts to correct."

Mrs. Johnson used traffic signs to illustrate the talk on "Signs of Life and Health" as people are living more on wheels.

The slow sign was the first to be considered. The high speed that persons are traveling is straining on good physical and mental health. Persons are geared to different speeds and the speed can not be changed. People who move, work and think slowly should be given more time to accomplish their work. Parents and workers are wise to accept the normal speed of individuals and not to be impatient and try to change a person's normal speed rates. The warning signs of stress and strain and emotional upsets should be heeded as much as warning signs on the highway. Parents are sometimes so absorbed with their own affairs they forget to watch for warning signs of mental illness in children.

Plans in the family for children, school advantages and church opportunities are rightly given important places in family planning. Detours can prove to be enjoyable and beneficial if persons will realize that plans can not always be accomplished in the manner desired.

The stop sign on the highway is an octagon and these sides can be thought of as pointers for stopping some of the habits that are causing physical and mental strain:

1. Stop feeling sorry for yourself.
2. Stop expecting yourself to be perfect.
3. Stop expecting your family and friends to be perfect.
4. Stop neglecting to show appreciation for things the family members do.

5. Stop trying to carry the load alone.

6. Stop putting off tough jobs or big decisions.

7. Stop worrying about things that cannot be changed.

8. Stop working all the time and not allowing time for family recreation.

Just as traffic signs are given to adults to check or curb activities, children should be made to realize that limits must be placed (Continued on Page 2)

Record Scored By Daniel Club Tops

The record established by the Daniel 4-H Club at the annual bake show held in the High School cafeteria would be hard to beat unless another club could claim more ribbons.

The nine members of the Daniel Club under the sponsorship of Mrs. Jack Higgins, entered the show 100 percent and went home with the championship in the layer cake division and six blue ribbons, eight red ribbons and five white ribbons in the three divisions of the show.

Pat Bell was the girl who won high score on her layer cake and other members of the club are Janet Higgins, Virginia Higgins, Susie Higgins, Marita Gill, Linda Tooley, Audni Miller, Gloria Bell and Linda Higgins.

Mrs. Laurence Olson of Springler, N. M., is visiting with her sister, Mrs. Monroe Parker.

for this wide-open beauty

It's the new kind of hardtop—
The 4-Door Riviera!

A HARDTOP is a car that looks like a convertible with the top up—but has a solid steel roof overhead—and no center posts in the side window areas.

Up until just recently, it could be built in volume only with two doors—not more—because it would take wholly new structural principles to hinge another set of doors without floor-to-roof center posts.

But Buick came up with those new structural principles and is now building—in volume—hardtops with four doors.

You see one pictured here. It's the 4-Door Riviera. And it's taking the country by storm . . .

Because here, at long last, is an automobile

with the sleek and sporty styling of a true hardtop—but with separate doors for rear-seat passengers, plus the added room of a full-size Buick Sedan.

On top of that, this beauty is all Buick—with the buoyant ride of Buick's all-coil springing—the wallowing might of Buick's record-high V8 power—the whip-quick getaway and sizable gas savings of Buick's spectacular Variable Pitch Dynaflo.*

And it's available in Buick's two lowest-priced Series—the budget-tagged 188-hp SPECIAL, and the high-performance 236-hp CENTURY, illustrated here.

Come visit us for a first-hand meeting with the 4-Door Riviera—and see how quickly and how easily the last word in automobiles can be yours.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

AUSTIN — Beer was tripped for the big pay-off as the Senate rolled out a new tax bill—expected to pour \$108,000,000 in new money into the treasury in two years.

On the 137th day of an overtime session the Senate passed a many-changed version of the House tax bill. It left the last say to the House and hoped for a quick wind up.

The bill is expected to produce \$62,000,000 during the next two years, for the general revenue fund. It carried a bookkeeping reallocation feature which will give this fund \$3,000,000 more from current taxes. Thus it offered the House \$9,000,000 more than the \$56,000,000 required to unblock the record billion and a half dollar appropriation bill. It provides approximately \$44,000,000 in the biennium for highway purposes.

Three round pennies will carry the brunt of the burden of the new tax structure—one cent more on gasoline and cigarettes and a new levy of a penny a bottle on beer. In this, the sixth main version of a money bill, the Senate swung back to the House's proposal of one cent on gasoline and cigarettes—but the Senate substituted a whopping \$16,000,000 a year additional tax on beer for the House's \$1,000,000 a year increase on beer and wine dealers, license fees.

Final passage was voted 18 to 13. Stripped out of the Senate passed tax bill were House proposals for a levy on cigars, snuff and tobacco. Added was a token one-tenth of a cent levy on "dedicated" natural gas—long-term exclusive contracts, payable by the long pipelines—and expected to produce \$2,000,000. Gas pipelines were put under the intangible assets tax.

Dropped were Senate proposals for manufacturing taxes and gross receipts taxes on department stores, hotels and motels. Rejected by the Senate was a gross receipts tax on the metals and chemicals industries.

Sen. Grady Hazelwood, slender, graying member from Amarillo, emerged with the winning combination to unblock the long and confused Senate fight for new revenues.

At Friday's session, Sen. Otis Lock of Lufkin, who termed himself the "coerced sponsor" of the tax measure, offered a new "la between" plan which salvaged part of Governor Allan Shivers' original recommendations and made concessions to an obdurate House.

Lock proposed a 1 cent increase on gasoline, halfway between tax two cents the Governor wanted and the one cent the House voted, and 1 1/2 cents on cigarettes; along with a 25 cent per \$1,000 franchise tax levy on corporate stocks. It would bring in the needed \$56,000,000 to the general revenue fund, he said.

But Senator Hazelwood came up with his substitute and it was favored, 22 to 9, over the Lock plan. The final vote put both House and Senate on record for a one-cent-only increase on gasoline, making the entire tax more palatable for House concurrence.

Beer industry leaders, who had successfully fought off a proposed \$1.30 per barrel increase in the House and also in Senate committee (which would have raised the total rate to \$3.30, or to 1 cent per bottle) suddenly found their industry saddled with a tax of \$5.30 a barrel—or an additional 1 cent per bottle-tax.

New batches of indictments against former Land Commissioner Bascom Giles were returned in Travis County. Five indictments charging theft linked B. R. Sheffield of Brady with Giles. Eight charges of forgery were made against Sheffield. Then five more indictments against Giles and Sheffield.

field charged theft and conspiracy of theft.

A court of inquiry on Land Office affairs droned on, questioning all employes of the land office.

Giles' scheduled first trial at San Antonio, on a bribe charge, was postponed until August. Postponement was granted on an affidavit that a House member, Rep. Cecil Stovary of Longview, had been employed as one of his lawyers. This was statutory grounds for postponement until 30 days after the end of a session.

Both the trial judge and the district attorney criticized the law forcing such postponement.

Rep. Dolph Briscoe Jr., of Uvalde, author of a series of bills to clean up the veterans' land administration, immediately put in a bill to restrict employment of legislators. Briscoe's bill would limit the automatic postponement privilege to legislators hired within one week after a case or indictment was filed—or to cases where the legislator was the only attorney representing a defendant.

Short Snorts
Governor Shivers vetoed a bill raising speed limits on all highways from 60 to 65 miles an hour and to 70 miles on four-lane divided highways. It would increase traffic deaths and accidents, he ruled.

In all the turmoil of the tax deadlock the House took time out to pass a constitutional amendment resolution to create mosquito tax districts.

A badly slashed Trinity River Authority bill passed the Senate. A feature was inserted to allow downriver users additional water above their old "normal flow" rights, without paying for it.

Rep. J. O. Gillham of Brownfield won House passage of his bill to raise college registration fees from \$25 to \$30 a semester. But it was amended to exempt students working 20 hours or more a week. Sen. Jimmy Phillips of Angleton promised to fight it until adjournment if taken up in the Senate.

Sen. William H. Shireman of Corpus Christi abandoned his bill requiring lobbyists to register. Opponents amended it until he said it affected public officials more than lobbyists.

Rep. J. E. Cox's "unfair sales" bill passed the Senate after it had been watered down until opponents said it was unconstitutional—but meaningless even if valid. The Conroe representative's bill was restricted to grocery stores. Its prohibition against selling below cost also prohibited a merchant.

Lindsey And McWhorter Win Golf Tournament

By BUD POSEY

Bob Lindsey, local dry cleaner won the first Hereford Golf Club championship, Monday by shooting a 74-78 for a total of 152 and finishing five strokes ahead of his nearest competitor. Bob has always been a strong contender in all tournaments, but the club championship was his first local major victory. Bob finished his last 18 holes early and sat back and watched the others try to tie or beat him.

D. B. Roberson, Stan Barrett, and Don Martin finished in a three-way tie for second place with 157's with the possibility of a four-way tie coming up. Frank Cogdell has two holes to play as he was rained out before he could finish. If

he can birdie one of the holes, it will make a four-way tie for second place, and will be played off for second and third sometime this week. Other scores in the championship flight were: Charles Seed, 160, John Renner-160, Ulin Streub, 162, Dr. J. H. Channer-164, and J. M. Posey-165.

Lindsey received the traveling trophy which will remain in his possession for one year. He must win it three times to retain permanent possession.

The First Flight championship also was rained out. Joe Butler jacks two holes finishing. If he gets two pars he will win the first flight by one stroke over Jeff Minton, who had a 157. If not, a playoff in this flight may be necessary.

Wendell Burdine took third place with 165.

Other results:

SECOND FLIGHT
Emmett Sherman took second flight honors with a fine 167.
Walter Seed, second, 169.
Dale Tinnin, third, 172.

Other scores:
Harry McCauley, 177; Jim Wood, 178; and Mutt Wheeler, 187.

THIRD FLIGHT
Don Vaughn won the third flight with a 164.
E. S. Vaughn and Doc Cowan both had 167's and a playoff will be held this week to determine second and third place.

Other scores:
Jim Garner, 176; Sam Lang, 177; and Ed Skypala, 193.

FOURTH FLIGHT
John Patton, first, 174; H. A. Close, second, 175; Dean Herring, third, 179.

Other scores:
Kenneth Coker, 190; P. T. Clark, 187; and Donald Bridges, 197.

LADIES CHAMPIONSHIP
Helen Ann McWhorter won the first Ladies Club Championship with a 94-99 for a total of 193. Helen Ann is also the present Hereford Ladies City Champion. She also took top honors by five strokes over her nearest rival, Hootie Gilbreath, who finished with a 198.

Lucille Posey and Oley Mae Trimble tied for third place with 204's. A playoff for third place will be held this week.

Other scores:
Rowena Posey, 205; and Juanita Simms, 210.

Helen Ann receives the club trophy which will remain in her possession for a year. She must win it three times to retain permanent possession.

Dory Detton To Meet Belkas In Bull Barn Event

Dory Detton, one of the more illustrious of five wrestling brothers, again comes out of semi-retirement to participate actively in Hereford's Saturday night mat card.

Detton, former world's light heavyweight champion, before that an internationally known middleweight, and later a junior heavyweight of esteem, meets fast-moving Chris Belkas of Ecoston in one section of a double main event sponsored by the Hereford Lions Club.

Strikingly handsome Ramon Torres, latest sensation to hit the Southwest states territory, goes against tall Cowboy Carlson of Elakala, Mont., in the final division of the twin feature.

Each match is scheduled for two best falls of three or one hour, and a heap of solid wrestling, mixed with speed and science, will be on tap for fans of the Hereford vicinity.

Detton is promoter of wrestling in Amarillo, and chief of the booking office which provides wrestling talent for Southwest states arenas. In his most recent outing, he obtained special permission from the Texas commission to wrestle in his own arena. Teaming with Carlson, he helped put the business on the rowdy couple from Chicago, Roy "Prof." Shires and Bobby Wallace.

Detton and Belkas are about the same size and weight. Each is fast and clever. Detton is best known for his aerial maneuvers, his flying scissors, flying mares, drop kicks, etc.

Torres, from Alameda, Calif., is one of the youngest of wrestlers now operating in the junior heavyweight division, and one of the most promising. Earlier in the week he gave the world's champ, Ed Francis of Columbus, Ohio, a real run for the money.

The WEAK LINK

Oh, the tragedy of a weak link. For one weak link the great load breaks adrift; for one weak link my car remains in the mud; for one weak link something precious is lost.
No chain is stronger than its weakest link. Life is of a piece... every hour, day, week, month and year counts toward the everlasting. Then, it is very important to form good habits early. Habits of prayer, reverence, church attendance and forbearance... these form the healthful air of human development. These are the strong links of moral living that forge character which will stand strain, stress and trial. These are the good chains, strong chains, useful chains, dependable chains... how priceless they are.
Come! Let us also go to the house of the Lord!

STUFFED RATS

TOLEDO, Ohio — The University of Toledo's research department was asked by a doll manufacturer to determine whether a rubber and plastic stuffing compound for dolls would harm children. So for two years, several white rats must eat food with the compound chucked up in it. So far, there have been no ill effects.

Garage Plus Storage

THE NEW TREND IN GARAGE DESIGN
 A FEW EXTRA FEET GIVE YOU STORAGE AND WORK SPACE

SOMETHING NEW has been added to the old style garage! By increasing the width, or the length (or both) two extra feet, you obtain at low cost:

- shelter for your car
- valuable space for storage or work bench

Every family needs more room. Here is an economical, practical way to obtain extra space. You can't buy space any cheaper than by building your garage just a little larger than standard car size.

And today "Garage-Plus-Storage" is so easy to come by. No cash is required. No down payment necessary. Financing arrangements are easy. Small monthly payments add a valuable improvement to your property.

Study the suggestions on the use of this storage space. We have others to show you. Come in and see all the designs. Blueprints and material lists are available. We will gladly help you in your planning.

At The Movies

"VERA CRUZ" Gary Cooper and Burt Lancaster two of the screen's most rugged he-men, have the roughest spies of their careers as two American free-booters on the loose in the tumultuous Mexico of 1866, in "Vera Cruz" Technicolor film that shows five big days starting Fri-

day at regular admission prices, at the Star Theatre through United Artists release. The picture, which was filmed on location in Mexico, is replete with awe-inspiring scenic background. Co-starring with Cooper and Lancaster are luscious Denise Darcel and handsome Cesar Romero. The picture introduces a sizzling specimen of sex a la south of the Border in the person of one Sarita Martiel. "HONDO" With John Wayne starring in the title role, "Hondo," Warner Bros. drama, shows Thursday and Friday at the Tower Drive In. "Hondo" is the story of a man who kills an outlaw and then must travel to tell the man's widow, played by Broadway star, Geraldine Page making her screen debut. Filmed on location in the wilds near Camargo, Mexico, "Hondo" is said to contain some of the most awe-inspiring scenery and freesome living conditions. "JESSE JAMES' WOMEN" "Jesse James' Women" a Technicolor action film based on the exploits of the outlaw gang, shows Sunday at the Texas Theatre through a United Artists release. Produced entirely on location in Mississippi, the film stars Peggy Castle, Donald Barry, Jack Beutel and Lita Baron, and was directed by Barry. Almost the entire featured cast appearing in support of the stars was chosen from natives of the various Mississippi areas in which the picture was shot.
