Around Town

Sales trends were sharply up this week, according to most Hereford merchants, who attributed the increases to pre-Easter purchases.

Much conversation also focused on the coming school elections for Saturday, April 2. None of the candidates, however, availed themselves of The Brand's offer regarding space in which to list platforms or ideas. A total of 1,871 poll taxes were paid in the county this year as compared with 2,807 in 1954, concerning which we have had several telephone calls.

In this connection, The Sunday Brand will be late in appearing Saturday night in order to carry the School Election returns. The polls close at 7 o'clock and, if the judges make prompt reports, the paper should be out around 9 or 9:30 o'clock.

Sheriff Lowell Sharp Wednesday afternoon reported total sales of 2,921 passenger car license plates. The figure is around 700 short of the predicted 3,600 plates to be sold here by April 1, all of which indicates plenty of business in the tax office all day today.

Mrs. Earl Carlson of Hereford was one of 300 winners in a cultured pearl contest, according to Cowen Jewelry, where she placed her entry in the nation-wide contest. She won a pair of pearl earscrews as a prize.

Christine Payne is Hereford's champion bologna guesser. The big chunk of bologna in Cooper's opening Saturday weighed 233 pounds and 15 ounces; Christine guessed 233 pounds and five ounces to win a ham. Mrs. Coy Phillips and I. H. Willoughby were winners of barbecue sets awarded in connection with the same opening.

Mrs. Marion Guinn, city employee, stole the show at the Lions Club Wednesday when she posed in a knife-throwing act staged by W. W. Jones, city policeman. It was her first appearance in such an (Continued on Page 2)

Paving Work To Begin On Five Mile Strip June 1

Paving work will begin in approximately 60 days on the five-mile strip in the northwest part of Deaf Smith County, according to an estimate made Monday before the Commissioner's Court by W. V. Yeak, resident engineer.

The strip, which connects the present Rootleg paving with the Adri-an paving, was allocated by the state Highway Commission late in 1954 for completion this year.

Mr. Yeak appeared before the court concerning right-of-way easements on the road and, following completion of the details, predicted a starting date of around June 1, subject to final details and contract lettings on the part of the State Department.

Routine business took up the remainder of the brief Court session here Monday. The commissioners reviewed two bids on courthouse roof repairs, but failed to take definite action on the matter.

Approve Sub-Division They did examine and approve the Engler sub-division as presented to the Court by Earnest Langley, who represented Mr. Engler.

Also approved was the purchase of a new pick-up for Precinct 4, the low bid going to Hale Motor Company. The new pick-up will replace a 1949 model in service in the precinct until the replacement this week.

Dr. and Mrs. Supplee and children of Charleston, W. Va., have been visiting in the home of Mrs. E. J. Williams and Mrs. C. King.

Mr. and Mrs. Mont Baker, were in Amarillo Sunday to visit their son and family, Mr. and Mrs. Dennis Baker.

A FIRE TUESDAY afternoon happened just at the right time to cause a lot of talk and excitement among the first grade students of Central school. The first grade was just getting out for the afternoon when the fire started across the street south of the school. All the kids lined up on the curb and watched until firemen had the blaze stopped.  The meeting opened with the pledge of allegiance led by the Camp Fire Girls and Boy Scouts, who were special guests at the session.
 Students Entertain
 Approximately 130 first grade students from Shirley School took part in an Easter play.
 The fifth grade presented 125 students in a playlet acting out the song, "April Showers." Students were dressed as spring flowers, rain drops, clouds and several little girls carried umbrellas.
 Representatives of several high school clubs gave short talks on the purpose of the different high school organizations. Bill Albracht, vice president of the student council served as moderator and told about the student council.
 Martha Jean Brown represented Tri-Hi-Y; Jo Eddie Scott, FTA; J. B. Willis, chorus; Jimmy Auten, paper staff; Verita Sanders, band; Yvonne Ase, FHA; Larry Boston, Spanish Club; Lynn Bommer, FFA; Sylvia McCracken, pep club and Darrell Dawson, DE. Pat Sullivan helped work up the high school program.
 To Meet April 25
 The next meeting of the P-TA will be held on April 25 at 8 o'clock in the high school auditorium. Highlight of the program will be the installation of new officers by Mrs. Claude Osborn of Friona, district officer. The installation will be followed by a social hour.
 Mr. and Mrs. Ralph McCullough and son Pat, home from Texas Tech, spent Sunday with their daughter and sister, and her husband, Mr. and Mrs. James Killian.
 Gilbert Clark of Grand Prairie spent Wednesday night in the home of his uncle, J. O. Clark. Visiting during the evening was Britt Clark of Summerfield and Mr. and Mrs. L. J. Clark of Hereford.

Letter To The Editor

March 24, 1955

Editor, Hereford Brand

Dear Sir:

My husband and I would like to take this means of expressing our appreciation to our City Police Dept.

This past Wednesday night our youngest boy fell from a chair, and broke his left arm. We began a mad rush to the hospital, only to get a half block from the house when we had a flat tire. Needless to say we were both a bundle of nerves by that time.

My husband got out of the car with the intention of flagging the next car, which turned out to be a city police car. They stopped us and got my boy and I then rushed us to the hospital, siren blowing and stopping for nothing.

They helped us into the hospital and saw that we were being properly cared for, and then came back to where we had left my husband and helped him finish changing the tire, then saw him on his way to the hospital to join me.

We think this was one of the most wonderful things anyone could have done, especially anyone as busy as our law officers.

We wish to say thank you from the bottom of our hearts to these men and may God richly bless each of them.

Mrs. L. H. Williams

Mr. and Mrs. Dalton Criswell left Tuesday for Corpus Christi where she will attend the annual state library meeting.

Mr. and Mrs. Cawthon Bryant and son John David spent the past week-end in Ralls, with her mother, Mrs. J. D. Smith.

Hereford Downs Abernathy Team In Polo Match

The Hereford Riders Palmetto Polo Team rode past the Abernathy Club with a score of 13 to 1 in an Exhibition Game Sunday afternoon at Abernathy.

At full strength for the first time this season this was the second win with no losses. Sunday's contest was featured by the strong defensive play of the two centers Walton and Debenport and by fast scoring of starting No. 1 Harold Beauchamp. The No. 3 position on the team was strengthened by addition of Spicer Gripp, however, he will be seen in future games at No. 1 alternating with Beauchamp.

A game has been arranged tentatively for the coming Sunday afternoon at Hereford. All games start at 2 o'clock.

HISTORIC MONUMENT ON MOVE -- Workmen are shown hoisting a section of the Lucas Gusher Monument in the Spindletop oil field near Beaumont preparatory to moving it to a new site one mile away. The move was necessitated by sulphur mining in the field which created the danger of a cavein. The shaft commemorates the blowing in of a gusher in 1901 and the beginning of a new oil era. THE CHAMP WEARS THE HAT NOW -- This prize lamb which walked away with a back full of ribbons at the Hockley County Fat Stock Show in Levelland is wearing the hat now after proud owner Billy Ray, Burleson crowned the lamb with his sombrero. (AP Wirephoto)

GUN TOTIN' TEXAN -- Tom Connolly, a Texas tradition and long-time senator from the Lone Star state, looks along the barrel of a "Texas shootin' iron" as Rep. J. C. Rutherford (D Tex) shows off the gun in Washington during a visit in his office. Rutherford, freshman congressman from Odessa, played host to Connolly as the former senator revisited the capital scene. (AP Wirephoto)

LOOKING THE SHOW OVER -- These little pigs went to the Harrod-Oklahoma Community Livestock Show along with hundreds of other animals and fowl, some of which won prize money for their owners. But not these two. They were content just to watch the goings on. (AP Photo)

Teen Talk

By VIVIAN BROWN
You don't have to go to the Dominican Republic to cook up a merengue. But that's what you'd do if you got there.
And in case you didn't know, the merengue is the newest dance craze to hit these shores. If the momentum increases, you can kiss goodbye to the Puerto Rican bolero, the Brazilian samba, the Argentine tango, the Cuban rumba and the Paso Doble, the Spanish bullfight dance.
The merengue is easy to do with a bit of rhythm even if you've got two left feet. As a matter of fact it's a dance that will appeal to all the lazy men in your group because you "just go rolling along."
The movement of the dancers is like the monotonous rhythm of Dominican Republic workers cutting sugar cane with a dip of the body and a drag of the leg. Some say that the merengue was inspired by them. City folk do a more restrained version of the country merengue, but in any case it is sort of a lazy limp.
One popular young man, Bern Wagner, says it is becoming the rage in his group and tells us how to do it. He explains how to do it.
"Always slide and glide on the off-beat. Gentlemen dip slightly and bend the left knee on the step with the left foot. At the same time ladies dip with the right knee or the right foot. For variety dip on every other step.
Gentlemen then bring their right foot up to the left foot. Ladies bring the left foot up to the right foot, completing another basic step."
The merengue is a combination of Spanish and African rhythm. The country orchestra is composed of a small Spanish-style accordion or concertina, the Afro tambora or two skinned barga drum played with sticks on both ends while worn suspended from the neck, and the guira, an ancient Indian instrument consisting of a notched gourd scratched on the side to produce the effect of the maraca. Sometimes the Spanish guitar, a wooden shochbox with steel strings to pat, rap and pluck or an iron exhaust pipe, sounding like a hoarse bullfrog when blown in time to the rhythm of the drums is added.
Many young people are doing their merengue in costume and these days the merengue party is great pepper-upper for a crowd.
A fathom was originally the distance between the tips of a man's two middle fingers when his arms were outstretched, later standardized to six feet.

Soil District Will Sponsor Land Judging Contest Here On April 23

Plans for the first annual land judging contest under the sponsorship of the Tierra Blanca Soil Conservation District were completed at the monthly meeting of the District Board of Supervisors on last Monday afternoon.

The event will be held on Saturday morning, April 23 at 10:00 o'clock. Meeting place for the group participating will be at the Vocational Agriculture Building behind the High School. The contest is designed to stimulate interest in and provide knowledge of those characteristics which lands possess that make them require certain treatment.

Participants will evaluate land on three sites. Evaluations will be made by use of a score sheet with

order that each person will understand how to show on the score card what he sees in the field.

Engraved trophies for winners in each division will be provided by the Hereford State Bank.

Meeting with the Board to assist with completion of the arrangements were Jess Robinson, Vocational Agriculture Teacher at the High School; Hugh Clearman, County Agent; Gerald McCaskill, Hereford State Bank; and Jim Wilman of the Soil Conservation Service.

McCaskill will serve as chairman for the contest and will be assisted by Robinson, Clearman, Wilman and Raymond Higginbotham.

Board members present for the meeting were Luther Lesly, Ira Scott, Hardy Benson and Charles Hoover Jr. The Board was reorganized at the meeting with Lesly and Scott being re-elected chairman and secretary respectively. Hardy Benson was elected vice-chairman, a position formerly held by C. F. Rickles who has moved from the District.

Walcott News

By Mrs. T. L. Collins

Mr. and Mrs. C. R. Miryon and daughters Sue, Kay and Gayle, have recently moved into the Walcott community. Sue and Kay are in the first and second grades. We say "welcome" to these newcomers.

Mr. and Mrs. John Williams, Kelly, Sue, and baby Ricky went to visit both of their parents, near Frustone. This was the first sign and visit the grandparents had with their new grandson. Mrs. Williams father is soon to be hospitalized again.

Blanks have been sent home with all first and second grade children of Walcott. Parental request for children to be vaccinated with poliomyelitis vaccine (Salk) the 1955 vaccine program. Most of these have been returned, signed by the parents.

Mrs. Wallace Lumpkins and children visited in T. L. Collins' home Sunday afternoon.

Mr. and Mrs. Johnny Perkins and Stephen spent Thursday night in the S. O. Perkins' home. Saturday night guests in their home were Mr. and Mrs. Sid Perkins and Mr. and Mrs. Tom Oliver and Connie.

On Sunday, Mr. and Mrs. S. O. Perkins and Bob and Mr. and Mrs. Tom Oliver and Connie were in Amarillo. In the evening they returned to Hereford and were dinner guests in the Keith Oliver home. The occasion was Tom's birthday.

Mrs. Roy Pruitt, Mrs. D. B. Robinson, and Mrs. N. E. Tyler met at Walcott School on Friday afternoon to plan for the Easter party and egg hunt next week.

P-T-A will meet this Friday, 8 o'clock p.m. It's "game night." Bring cookies.

Marilyn Worsham Weds Don Stroup In Monday Rites

ADRIAN — Marilyn Jane Worsham, daughter of Mr. and Mrs. L. A. Worsham, of Adrian, and Don E. Stroup, son of Mrs. Audrey Stroup of Canyon repeated marriage vows Monday evening March 21, in the sanctuary of the First Methodist Church of Adrian. Rev. Ralph Odum, pastor, read the double ring ceremony.

Mrs. Don Morgan, organist played "Melody of Love," "I Love You Truly," and "Forever and Ever," preceding the ceremony, and also accompanied Mrs. Bill Tolbert as she sang "Oh Promise Me," "Because," and "The Bride's Prayer."

Gienna Faye Stroup, sister of the groom, and Don Morgan Jr., lighted the candleabra which flanked an arch decorated with a lovely wreath of white flowers, forming the altar. Large basket bouquets of white delphiniums stood on each side of the altar.

The bride, given in marriage by her father, wore a winter dress, complemented by a tiara of tiny seed pearls. She carried a bouquet of a white orchid surrounded by stephanotis atop a white Bible. For something old the bride wore her grandmother's wedding ring; some thing new was a lovely lace handkerchief, a gift from a friend; for something borrowed she wore a strand of tiny seed pearls; and something blue was a blue garter, also a gift.

Mrs. George Worsham, sister-in-law of the bride was the matron-of-honor, and Mrs. Owen Johnson was the maid-of-honor.

Mrs. Worsham wore a lovely ice blue shantung dress and Mrs. Johnson a pink lace dress. Both carried colonial nosegays of carnations and camellias.

Tina Worsham, niece of the bride was ring bearer for the occasion, and wore a sweet dress of ice blue net and taffeta. She carried the rings atop a blue heart shaped satin and net pillow.

Lowell Hill was the best man, and Jack L. Worsham, brother of the bride wore an oyster white shantung dress accented with brown accessories and Mrs. Stroup mother of the groom wore a pink linen dress complemented by black accessories. Both wore corsages of white gardenias.

Following the ceremony a reception was given in the Don Morgan home, with Mrs. Jack L. Worsham, sister-in-law of the bride, presiding at the punch bowl, and Mrs. Geo. Worsham serving the cake.

Jean Finley registered the guests. For the wedding trip to New Mexico, the bride wore a champagne colored linen dress with black accessories and a black linen costume coat.

Out-of-town guests were Misses Mary Nell Ogden, Vondean Ogden, Pat Vandergriff, Mesdames Clois Vandergriff, and sons Jerry and Joe, Mrs. M. C. Vandergriff and daughter, Mary Ann and Mattie Vandergriff all of Amarillo; Mrs. Nell Vandergriff, Tom Middleton, Bob Hood, Duwaine Currie all of Canyon and Mrs. R. D. Hundle of Claude.

Mr. and Mrs. Mammie Sprouis, Pat and Johnie Clovis, and Mr. and Mrs. Rex Reveau and Charles Norton of Pampa were visitors in the home of Mr. and Mrs. Roy Calvert Sunday.

Hereford Favored To Win First Game In District Baseball Here Friday

By Billy Paul Knox

The Hereford Whitefaces will meet the Tullia Hornets here Friday afternoon in the district lifter for both teams. The game was originally scheduled to be played in Tullia, but it was later rescheduled for Hereford.

The clash will be the first game for the Whitefaces after their 27-0 whitewashing at the hands of the Amarillo Sandies. Despite the comparatively poor showing Hereford

pitchers made in that game, Russell still thinks that poor hitting is at the base of Hereford troubles. "We're striking out too many times with the bat on our shoulder," stated Russell.

Whitefaces Favored

The Herd handed Tullia two impressive defeats last year, and a stronger Whiteface squad will be again favored to handle them without too much trouble.

Jeff Carlisle is again the main spark in the Tullia fire, and he will probably work on the mound against the Whitefaces. A good hitter and pitcher, Carlisle will be tough for Hereford to handle. Alton Hamilton is also a Hornet standout.

Some Changes In Lineup

Russell has yet to decide his starting nine, but he is expected to make a few minor changes. "We can beat Tullia if the boys get out there and play as if they care whether they win or lose," said Russell.

Wrestlers Deal Out Punishment In Tag Team Match Here Saturday Night

By Stanley Phillipp
Saturday night at the Bull Barn was a good night for wrestling fans who like fast action with plenty of rough stuff mixed in for good measure. Bob Clay of Oklahoma teamed up with Bob Cummings and took on those two meanies, Angelo Poffo and Tony Morelli. To warm up for the main go, there were two 15 minute prelims featuring Poffo versus Cummings and Morelli going against Clay. Both openers were rough and tough affairs and both going to draws. As usual Poffo and Morelli depended more on the illegal holds than any-

thing else and Cummings and Clay had to follow suit several times to hold their own in the ring. Morelli especially kept the fans excited as he worked over Clay with hairpulling, choking, biting, etc. The ref, Lurry Wright had his hands full keeping Tony halfway in line during the second match, and after time ran out Morelli kept an argument going several minutes with Clay, the ref, and the crowd.

Main Event

The tag team match was a fast and furious affair with all four grapplers in the ring most of the time. Poffo and Morelli took turns distracting the referee while the other applied illegal holds on their opponents. Cummings and Clay played it clean as long as possible but soon had to resort to the same type of tactics. The crowd really got a bang out of one incident when, after a four-man mix-up, Morelli ended up applying a leglock to his partner, Poffo. It looked as if the end was near when Poffo started slamming Clay into the ropes and catching him with a knee to the midsection as he came off, but the maneuver backfired when Clay caught Poffo with a forearm smash, and before he could recover pinned him with a rolling cradle hold. This made Clay and Cummings winners in 17 minutes.

The second fall went about like the first with Poffo and Morelli dishing out a lot of punishment. It seemed as if Clay was about to be pinned several times but always managed to make it to his corner and tag Cummings. After 14 minutes Cummings got his knee action leg binder on Tony and forced him to concede the fall and the match.

The celebration was held in the Hart home at Clovis.

BABY EXPLORER
PONTIAC, Mich. (AP)—Mrs. Rufus Sears has added the family clothes dryer to her list of hazards facing mothers.

She says her 5-year-old son, William, recently came up the basement stairs and calmly informed her "Mike crawled into the dryer and I locked him in."

Mrs. Sears raced down to the dryer and sure enough her 2-year-old son, Mike, was looking out of the dryer's glass door.

"He was laughing like the dickens," she says, "Thank heavens Bill didn't turn on the dryer."

New wonder drugs have been so successful in treating cases of the plague that some doctors suggest that production of antiplague serums be discontinued.

FREE DRINKS ASSELED
LANSING, Mich. (AP)—There is too much free liquor flowing in Michigan to suit some of the state legislators. A bill has been introduced forbidding any manufacturer, warehouseman or wholesaler of liquor to give away more than 48 half pints a month as samples.

An audit of the state liquor control commission showed that more than 30,000 bottles of liquor were given away by salesmen last year.

FIRE WHEN READY
COLUMBIA, S. C. (AP)—Columbia firemen dashed out when they had a call reporting a building on fire "in the rear of my house." En route, they were advised by radio that it was a "garage on fire."

When they arrived, they found a child's playhouse going up in the flames. Damage was estimated at \$10.

CHOSES NEEDED
LITTLE ROCK (AP)—An optometrist believes modern children are handicapped in learning because they don't get the opportunity to "do things around the house and outside. There isn't a single top-flight mathematician in this country who is city-born and bred," says Dr. A. M. Skeffington of St. Louis. "You need a proper concept of time and space to be a top mathematician."

Skeffington told Arkansas optometrists that too much emphasis has been placed on 20-20 vision, adding:

"A chimpanzee with 20-20 vision isn't the equal of a man."

STRAWBERRY TRENCHES
OMAHA (AP)—Eliandon Rosebarr liked strawberries but didn't enjoy bending over to pick them. He dug trenches in his patch. By walking in the trenches he could pick the berries without stooping.

This was one of the facts on the life of Rosebarr which came to light when the 74-year-old hermit was found critically ill in the cave where he lived.

Highlights and Sidelights FROM YOUR State CAPITOL

By Vern Sanford
Texas Press Association
AUSTIN, Tex. — Senator Jimmy Phillips batted .996 and then struck out.

He broke the national filibuster record: got himself a lot of publicity; but failed by a 14-11 Senate vote to achieve his announced goal. That was to get the John Sealy Hospital at Galveston one million dollars more per year than set out in a House-passed, general-appropriations measure.

The Angleton Senator not only broke the state talkathon record but went on to take national honors by holding the floor for a total of 23 hours and 35 minutes of continuous debate.

As finally passed by the Senate, the administration backed \$1.5 billion measure became the largest general appropriations bill in Texas history to clear both houses. After a few conference committee agreements the bill will be ready for the Governor.

Tax Switch
It is apparent that administration forces have climbed aboard the "omnibus" tax bill—and abandoned Gov. Allan Shivers' two single-shot tax vehicles.

This opens the door wide for increasing present taxes and perhaps adding new ones.

Governor Shivers originally asked only a 2-cent hike in the gasoline sales tax and a 1-cent increase in the cigarette tax.

There is no question as to where the money will come from—the taxpayers' pockets. The problem is how to extract it.

Giles Probe
Investigation of veteran/land

deals continued.
A witness before the Senate investigating committee testified that former land commissioner Gascom Giles and Lawrence Jackson, secretary of the veterans land board, raised no objection to a block land operator buying up veterans' rights for the purchase of land by others.

Herbert Box of Georgetown, the witness, told the committee he was assured by Giles and Jackson that it "didn't make any difference to the state who made the payments."

Three Georgetown veterans testified that Box had paid them from \$35 to \$70 for signing applications, with the understanding that they were not buying land, but authorizing others to buy.

Other Land Activity
Other developments in the broadening land investigation included:

1. Cecil Burney, special assistant attorney general, said that several franchises of the federal government are interested.

2. Giles, in district court here, refused to answer questions about two deals in which the state is suing him and others to recover \$171,427. Giles' attorneys said he would not talk because co-defendants had not been officially notified that oral depositions were to be taken.

3. Back to work on veteran land deals went a Travis County grand jury. A previous grand jury had been dissolved because of a legal question as to whether it was properly called.

4. Senator Phillips asked the investigating committee to subpoena all bank records of Alvis Vandygriff, Austin lawyer who was the first executive secretary of the veterans land board. Vandygriff has testified before the House investigating committee that he was to receive \$5,000 legal fees in a Webb County deal.

5. Cuero Congressman John J. Bell told investigators that he received more than \$20,000 in legal fees during 1952-54 from persons mentioned in land deals. Bell made the statement voluntarily, after some of his fees had been mentioned in land testimony.

Insurance Rules
Insurance reform bills made progress.

"Finally passed by the Senate and sent to the House was one measuring requiring written examinations for the licensing of legal reserve life insurance agents."

Another bill passed first reading, but did not get enough votes for immediate final passage.

This second bill, by Senator Searcy Bracewell of Houston, would require legal reserve life companies to have \$250,000 capital and \$125,000 surplus.

At present, the requirement is only \$25,000 to \$100,000, depending on whether a limited or full capital stock company is concerned.

Gas Everywhere
Representatives from 500 Panhandle area farm families swarmed the legislature to support two bills that will make natural gas available to them.

At present, the area produces two million feet of gas a day, but the farmers can't buy the gas to run irrigation pumps for drought-hit wheatland.

One measure pushed by the group would require gas companies having wells on irrigated farm land, to sell enough gas to run pumps.

Another would give royalty owners the right to either sell their share of the gas or to use it for irrigation pumps.

Water Program
Final Senate approval has been given a proposed constitutional amendment calling for a \$100 million state aid program for local water conservation. If the House approves it, it will go to the people September 20. A state property tax of three cents per \$100 value would finance the bill.

Tidelands Leases
First major leasing of tidelands since late 1953 will take place May 3 when the School Land Board puts 186,000 acres on the block. The Board will also offer for leasing 160,000 acres of other land.

Shivers Invited
Gov. Allan Shivers will attend a May 4-5 Washington conference of Democratic governors. Sponsoring the session is the Democratic National Committee. Shivers said the invitation came from National Committee Chairman Paul M. Butler.

Gas Conservation
A conservation bill to regulate natural gas prices at the wellhead is moving forward. House members voted 89 to 52 to have the bill printed after its committee was unable to agree.

City Annexations
Two measures governing city annexations have been initiated in the legislature.

One, giving a city first rights to incorporate areas within five miles during a 2-year period, has been sent to the Senate.

Rep. Joe Pool's bill to let the State Board of Water Engineers supervise city annexations and incorporation is in a House committee.

ROTARY FIRE FIGHTER GOVERNMENT CAMP, Ore.
—A state highway department rotary snow plow was pressed into service for fighting a hot fire at this resort high on the slopes of Mt. Hood.

The hotel burned down but the plume of snow played by the road clearing vehicle helped keep the flames from spreading to other buildings.

AND LAW ABIDING!
HOUSTON, Tex. (AP)—Classified column of a recent Houston Post: "Chief stenographer for Dallas law firm, age 30-35. Must be neat, attractive, unmarried, preferably without children."

Scheduled airlines of the world carried 52 million passengers in 1953.

What To Do For That Nosebleed

By Dorothy V. Whipple, M. D.
Tony was sobbing as he burst in to the kitchen by the back door. One look at him and mother dropped her dishcloth and ran over to him. His face was a mass of dirt, tears and blood. It was hard to see just what was the matter with him.

Mother sat him down on a kitchen chair and sponged off the sad, little face.

"Freddy punched me," sobbed Tony, more scared than hurt.

Once the face was cleaned it was clear that the blood was coming from one nostril. There wasn't much else the matter with Tony.

Tony's mother was accustomed to crises of this sort. She'd not brought up four boys without learning how to cope with the unexpected.

Do YOU know what to do for nosebleeds?
Just in case you don't here's what to do.

Have the child lie down with his head tilted over to one side, so that the blood will not trickle down his throat.

Apply ice, first right over his nose, second at the back of his neck. Get the youngster to suck a piece of ice.

Usually this is about all you need to do. In a few minutes the bleeding will stop. The child should remain quiet for an hour or two and not blow his nose during that time.

If the bleeding does not subside soon, put a few drops of hydrogen peroxide into the bleeding nostril. This will usually help to form a clot and stop the bleeding.

If the nose continues to bleed even after these simple measures, it's best to phone your doctor.

However, even the next step is not difficult, and if you cannot reach your doctor you may have to do it yourself.

A nose that continues to bleed may have to be packed and there are a few simple tricks worth knowing.

Use a long piece of inch-wide gauze bandage. Moisten the bandage in plain vaseline you have melted on the stove. Let the vaseline cool to about body temperature. With a small blunt stick poke an end of the vaseline gauze up the offending nostril. Continue to poke it as long as very gentle pressure puts more gauze into the nostril. Be sure that all the gauze is in one piece and can all be pulled out together. Never, never, poke wads of cotton up the nose.

Leave the gauze in the nostril four or five hours, then remove it gently.

After the bleeding has stopped it's necessary for the injured spot to heal without forming a scab, because when a scab is pulled off the bleeding starts up all over again. If the inside of the nose is coated with vaseline the spot will heal without a scab. Use a cotton swab and coat the inside of the nostril with vaseline.

NEW RINSE

A new laundry rinse for synthetic fabrics is said to make washable fabrics softer, fluffier and easier to iron.

The extinct elephant bird of Madagascar was sometimes 14 feet high.

Most of Ethiopia's 350,000 square miles is on a plateau 5,000 to 6,000 feet high.

Fans became popular in Europe in the 16th Century when trade with India was opened by sea.

Easter Hats Add Velvet

By Dorothy Roe
Something new will appear in the Easter hat lineup this year. It's a vogue for velvet hats for spring.

NEW LOOK -- This perky little sailor with rolled brim is made of pale apricot velvet, with white grosgrain band. Designed by Irene.

FRUIT RING -- This air-conditioned pillbox of emerald green velvet is trimmed with a ring of bright fruit. Right for suits or dresses.

Velvets, both in combination with straw and used alone with flower trimming, will be seen in considerable numbers this spring, in all the favorite silhouettes of the season.

The small velvet sailor, in beige or gray, with white touches, has a new and smart look with spring suits. And the velvet pillbox with gay flower-trim looks as fresh as springtime.

It is predicted that the trend will carry on through summer, with big velvet picture hats teaming with summer print dresses.

KITCHEN FAVORITES

Sunshine colors such as yellow and copper are kitchen favorites today, a leading manufacturer of kitchen equipment says. Green is third, red fourth and blue fifth in popularity. Gray and black tie for 6th place.

COMBINATION -- Red velvet teams with natural straw for a striking Easter sailor, with turquoise band.

FOR PICNICS

Small cans of a liquid which can be put in the refrigerator, frozen and packed in a lunch box to keep foods and liquids fresh and cold are now available in colorful containers, packed four to a carton. Each can is said to have the freezing equivalent of 36 ice cubes.

PEWTER TREND

New pieces of pewter are reproduced in old colonial patterns. There is a bigger demand for it today than in recent years.

EAT WELL

Americans are getting more of the protective foods today, spending eight percent less than they did in the '20's for foods with less vitamins.

REVERSIBLE SKIRT

A new felt skirt is silver striped on one side so that it may go from daytime to evening wear just by turning it inside out.

Before the 19th Century, farmers often thought that birds were to blame for crop damage when they were intent only on eating the bugs that were destroying the crops.

International Flavor Will Spice Wrestling Card At Lions Arena

Tall Bill Parks of Canada and short Ali Bey of Istanbul, Turkey, will present a contrast in shapes and sizes, though not in weight, when they clash in the main event of Hereford's professional wrestling card at the Bull Barn Saturday night.

Bare-footed and shaven-headed, bull-like Ali Bey is a vicious fighter with either hand or either foot. Round and short, he is a hard man to handle.

Handsome Bill Parks, who will be leaving these parts before many weeks to open his summer vacation resort on Lake Nipissing, near

North Bay, Ontario, has become one of the most highly regarded grapplers of the winter season. Tall, sandy-haired and wiry, Parks specializes in the "Sunset Flip," a sort of backward leg nelson which is nearly always a killer. He "patented" the hold himself, named it after his Canadian camp.

Home Towner Bob Cummings returns to the ring this week in the semi-final meeting strong Maurice La Chappelle of Tacoma, Wash. Son of French parents who came across the waters to settle in Canada, Maurice got most of his education and early wrestling training in the Dominion. He is now a citizen of Tacoma.

The match is scheduled for two falls out of three or 45 minutes. Opening the Saturday night festivities, red-headed Sooty MacFarland of Glasgow, Scotland, tangles with handsome Mark Lewin of Buffalo, N. Y. This one is for one fall or 20 minutes.

MacFarland only last week returned to active wrestling, following a shoulder injury last December that laid him in a hospital for several weeks. A capable, able wrestler, the Scotsman has been serving as referee in recent weeks.

Mentally defective children are destroyed by many primitive peoples and it was not until the 16th Century that the civilized world sought methods to train and care for the feeble minded.

FILIBUSTER CHAMPION -- State Sen. Jimmy Phillips, the new filibuster champion, stands in his stocking feet in Austin as he surpassed his old record and set a national mark of 23 hours, 35 minutes, talking for another million dollars a year for a staff to operate John Sealy Hospital at Galveston. At one time during his marathon effort his voice sank so low he was equipped with a microphone. Temporarily, at least, his speech was in vain. The senate, 14 to 11, with six of the weary Senators absent, turned down his proposal. (AP Wirephoto)

Mrs. A. L. Manjeot left Tuesday morning for San Angelo where she took part in the District 3, Texas Federation of Garden Clubs Inc., convention program. She was accompanied as far as Colorado City by Mrs. Ed Warren who visited with relatives there.

Mr. and Mrs. Roy Vaughn visited in Portales on Sunday with her mother, Mrs. C. A. Wickard. Mrs. Wickard returned to Hereford for a short visit with her daughter.

WELDON BRIGHT, popular radio star of KGNC says, "My wife has always used light Karo for cooking... and on the table..."

it's Karo for me, the best-tasting waffle syrup of 'em all'

Yes, indeed... biscuits go like hot cakes when you pour on plenty of delicious Karo waffle syrup. There's nothing like it for good eating. Satisfyin' flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night... it tops anything!

Ask your grocer for Karo waffle syrup, in pints and quarts

Your Congressman Reports

By **WALTER ROGERS**
Wildlife seems to have spread east of the Mississippi and right smack into the White House. It seems that the age-old East Texas debate of open or closed season on squirrels is being put on the President's putting

green was being disrupted by some type of vandal. A hurried investigation (without the benefit of Congressional investigating committee) resulted in the finger of scorn being pointed at the squirrels. Although immediate defenses were set up, some delay was occasioned in dealing with the culprits. It could not be determined whether such vandalism should carry the death penalty or banishment to the rural wooded areas. Word got around that the latter was decided upon, which took some of the wind out of the sails of those who were preparing to raise a great hue and cry about squirrel murderers. However, this setback was only temporary because it was conceded that banishment of a city squirrel to a rural area without proper identification would result in the country squirrels not being able to recognize the inability of the city squirrel to cope with the ways of nature, he having been fed with a silver spoon so many years; with the end result that the country squirrel would get all of the food and the city squirrel would soon starve to death. This divided the camp between the anti-squirrels and the pro-squirrels. The pro-squirrels claim that this was inhuman and was indirect squirrel murder. The tempo of the battle increases. The possibility of settlement presently appears to be just about as remote as the open and closed season debate that started in East Texas shortly after the Lone Star Flag was first lofted above our great domain.

Squirrel troubles are not the only animal troubles plaguing our President. It seems that he has pigeon trouble on his Pennsylvania farm. It is reported that he got out his shot gun and went to work on them. This made me feel a little bit better about what I had been doing where I live here in Washington. For some unknown reason, the pigeons seem to love the Rogers family. It might be the wide eaves on our house. In any event, they proceeded to wake us about five a.m. until I got a B-B gun and went to work on them. Actually, I was ashamed to be out shooting at them and always waited until dusk or early in the morning when I might not be identified in the shadows. However, since the President has set the pattern, I have come out in the open. The pigeons don't seem to be much more disturbed than they were in the first place. When this operation first began, the pigeons would fly off as soon as I came out with the B-B gun. They soon learned that I had to cock the gun, so from then on, they waited for that performance. I was able to slip up on them once or twice, and they were the victims of a sample my shooting. The result of that was that now they don't fly when I come out of the house with a gun, they don't fly when I cock a gun, and they don't fly when I shoot at them. I may have to go in the President for some advice on the subject or borrow his shot gun.

The Gas Hearings
The House Interstate and Foreign Commerce Committee has finally commenced the hearings on several gas bills pending before Congress. From the standpoint of basic democratic government, this will be one of the most important issues, if not the most important issue, in several decades. Many people think it involves only the question of the use of gas. This is not true. The issue is whether or not this country will continue to operate under the democratic theory of a federal government and a state government or whether these two will be merged into one all-powerful federal centralized bureaucracy. Few people realize the impact that the recent Supreme Court decision will have on the democratic form of government if it is not corrected by this Congress. The expansion of the jurisdiction of the Federal Government can be effected in a quicker, easier and more complete manner through the medium of interstate commerce than any other way. The invasion of an unscrupulous upon states' rights through the commerce clause of the Federal Constitution is one of the greatest dangers faced by the individuals of this generation. It must be continually guarded

Record Keeping Is April 4-H Topic

"Keeping Records" has been the subject for demonstrations given to the Girl's 4-H Clubs by Loyce Sullivan, assistant Home Demonstration Agent, for the latter part of the month.

Clubs sending in recent reports are:

Walcott 4-H
The Walcott 4-H Club met in regular meeting on March 18 at the Walcott School.

After the business meeting slides on "Keeping Record Books" were shown and a discussion on the contents the girls planned to enter was held by Mrs. Pat Sullivan, assistant agent.

Refreshments were served to: Cecelia Burrus, Pauline Cole, Kathryn Burrus, Mary Dufur, Margaret Burrus, Gail Hall, Hazel Lewis, Betty Lockhart, Marilyn Lumpkins, Mary Sue Patton, Merry Kay Pruitt, Sandra Roberson, Royce Lee Pruitt, Etlie Walker, Janell Weaver, Geneva Cates, Mrs. Sullivan and Mrs. Burrus.

Caprock 4-H

Mrs. Clint Homfeld gave a demonstration on preparation of Caramel Icing at the regular meeting of the Caprock 4-H Club March 15. Refreshments were served by Glenda Homfeld, hostess to: Mildred Harris, Melanie and Madeline Weidner, Glenda and Jamie Taylor, Coralie Fortenberry, Glenda Fuhrman, Regina Edwards, Melba Monk, Etta Ray Blalock, Jo Ann Heiselman, Cynthia and Kathleen Kromer, Mrs. Elmer Weidner and Mrs. Clint Homfeld.

Merry Maidens 4-H
The Merry Maidens 4-H Club met in the home of Polly Monroe on March 25.

The meeting was called to order by Nancy Parsons, president. Business was discussed and light bulbs were handed out.

The demonstration was on "Record Books" given by Loyce Sullivan.

Stella Jo Wiseman was a guest. Refreshments were also served. (Continued on Page 2)

Area Club Plans Are Outlined At Council Meeting

The Club Collect repeated in unison opened the regular Home Demonstration Council meeting held in the Jim Hill Hotel on March 28.

Mrs. W. H. Goetsch, vice president, presided in the absence of Mrs. N. A. Brown who had been called for jury duty.

Twenty women representing nine clubs were present. Cultural, Dawn North Hereford, South Hereford and Westway were represented 100 percent.

Committee reports were given by Roberta Campbell, treasurer; Mrs. Goetsch, expansion education, suggested club women sponsor exhibits in local stores during National H. D. Week from May 1 to 7. Council approved the idea and committee will be appointed to work with Mrs. Goetsch. Mrs. R. C. Childers gave the marketing report and Mrs. Pat Sullivan reported for the 4-H Clubs including the TV program by club girls recently.

Mrs. A. E. Hodges, THDA county chairman, announced that the district THDA meeting will be held in Spearman on April 12. Lunch reservations are to be made in advance and should be turned in to Mrs. Hodges immediately. Council instructed Mrs. Hodges to extend an invitation for the District Meeting to be held in Hereford in 1956.

Reports of Club presidents showed they voted for the "Woman of the Year" to be selected by secret committee.

A discussion for the need of egg grading laws in Texas was led by Mrs. Childers.

Mrs. P. B. Sowell, parliamentarian named three officers of any organization and listed some of the duties.

Mrs. Earl DeHart gave a good report on accomplishments of the metal craft courses in copper tooling and aluminum trays.

Roberta Campbell announced that the Leather Craft work will be held on April 4 in the District Court room. Women interested should have something ready to work with. Things to be made are either a billfold, coin purse or a belt.

Women attending were: Argen H. Draper, CHDA, Loyce A. Sullivan, assistant agent, Mrs. R. C. Childers, Mrs. Grady Parsons, Mrs. Earl DeHart, Mrs. Louie Olson, Mrs. Zed Stewart, Mrs. H. S. (Continued on Page 2)

The electric light bulb sale is creating a lot of interest among the 4-H girls. The Daniel 4-H Club divided into teams for a contest on selling. Each member took 3 packages of bulbs. About the next day after club met, Audri Miller, daughter of Mr. and Mrs. H. H. Miller came to the office for 7 packages more.

The Walcott 4-H Club has checked out more packages than any of the clubs. They decided the members could sell 58 packages. The 4-H members went from school Friday to meet with the Messenger Home Demonstration Club to give the club members an opportunity to buy the bulbs. Club met with Mrs. John McCullar. Etlie Evelyn Walker is president of the Walcott Club.

If you need any help in organizing an assembly line to turn out a fast and efficient job call on Mrs. M. H. Wiseman. She is chairman of the Finance Committee for the 4-H Leaders Council.

Thanks to all of you who helped make the TV program a success. Approximately 35 people attended with the Happy Home Club. Every member of the club went to the program along with these adults: Mr. Homer Logan; Mrs. J. M. Drayson; Mr. A. J. Bezner; Mr. J. E. Cupell; Mr. and Mrs. Ira Ott; Mr. and Mrs. George Heard; Mr. and Mrs. Pat Sullivan; Mr. and Mrs. Tom Draper.

Wednesday, Thursday and Friday the agents attend a district meeting in Amarillo. The meeting (Continued on Page 2)

Signs Of Spring On The Farm

ONIONS FOR THE AREA are no longer confined to a row or two in the family garden which can be pulled while still young and tender for the family table -- or eaten right in the garden with a cold biscuit as an after-school snack. When onions were first grown commercially in this country the seed were sown with special drills but now considerable acreage is set by the old hand method using onion plants and large crews of workers, who straddle the beds setting two rows at a time and placing the onions three or four inches apart in the row. (Staff Photo)

BARBED WIRE, used on the prairie as a means of holding livestock, has turned out to be somewhat of a headache to the irrigation farmer and, if the trend continues, pliers will no longer be standard equipment for the overalls pocket. Weeds and Johnson grass have thrived along fence rows to make plowing impossible, so the wire and posts are simply

being removed by many farmers in the area to allow control of growth along the roadways. Effectiveness of the plowing done in a fenceless field, right side of the road, is shown above in the photo of the Davis-McCracken farm southeast of Hereford. (Staff Photo)

Home Demonstration Clubs Continue Study Of Fabrics

New Fabrics continue to hold the interest of Home Demonstration Club Women over the county in late March meetings for some of the clubs.

Clubs reporting recent meetings are:

North Hereford
Mrs. Otto Olson was hostess for the North Hereford Home Demonstration Club on March 17 when Argen Draper, CHDA, gave the demonstration on "New Fabrics."

The women were asked to distinguish between samples of materials made up of synthetics and natural fibers or a combination of both. The women were urged to look at labels when buying materials of any kind in order to know

what to expect and to be able to take the proper care of the fabric. Mrs. Tony Hoffman was elected vice president.

Mrs. Lavonne Hiley and Mrs. R. L. Campbell were guests.

Members attending were: Mesdames C. L. Whitehead, W. H. Russell, R. A. Fullwood, Otto Masie, Ludwig Kovacs, Fred Barrett, O. C. Williams, O. L. Williams, Frank Brinkman, E. E. Bishop, Mary Bodkin, Roberta Campbell and the hostess.

The next meeting will be a luncheon on April 7 at the home of Mrs. Paul Hoff. The program will be on Re-styling Hair.

Bippus
Argen Draper gave the demon-

stration on New Fabrics for members of the Bippus H. D. Club who met with Mrs. C. F. Homfeld on March 23.

The women were glad to have information on new materials that would enable them to make selections more carefully when buying. Mrs. John Wiebelt of Dallas was a visitor.

Others attending were: Mrs. J.G. Fortenberry, Mrs. G. V. Hall, Mrs. N. E. Tyler, Christine Fortenberry and the hostess.

Westway
Mrs. Mary Phipps of Friona was hostess for members of the Westway H. D. Club on March 9.

FIRST NATIONAL BANK

HOW TO MAKE DEPOSITS

Your bank furnishes a deposit ticket which should be made out by the depositor. If you make a mistake, tear up the ticket and write a new one.

Whether you deposit a check in person or by mail, endorse it "For Deposit Only", followed by your signature.

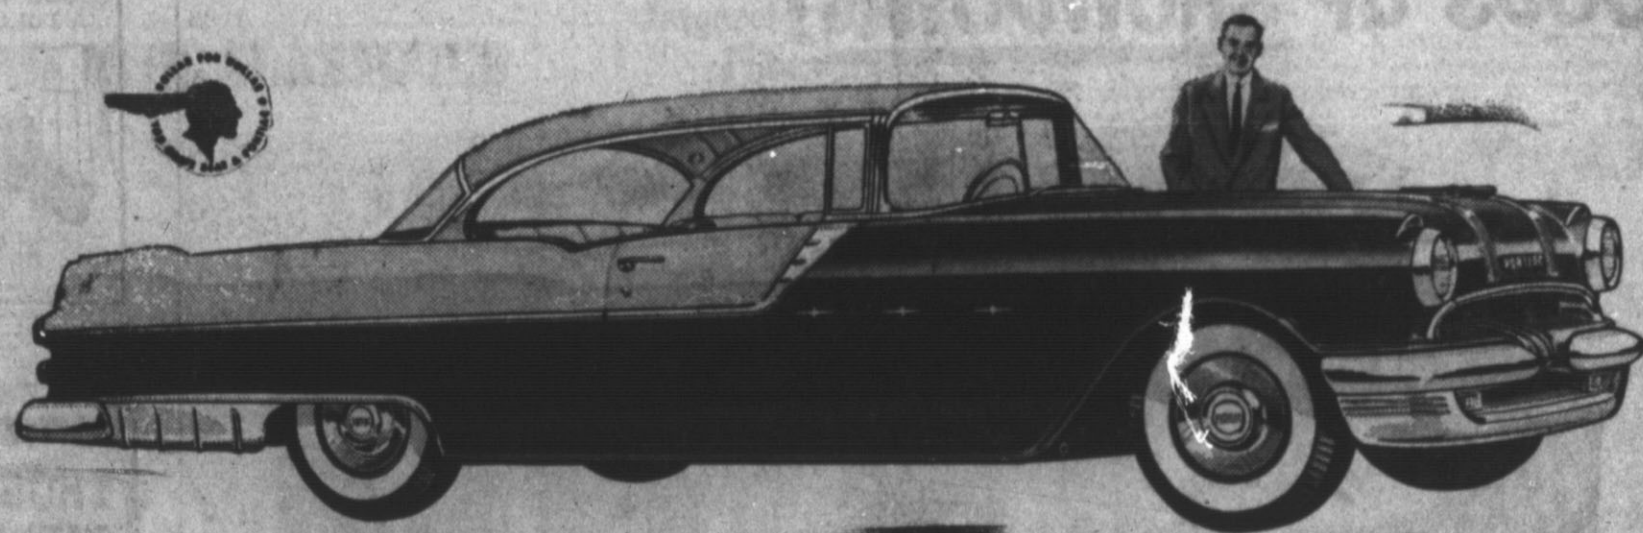

Keep a record for yourself of all checks you deposit and from whom they came. To speed service at the teller's window, which is to everyone's advantage, including your own, do these things: Write in the bank's transit number (the hyphenated number printed on the check).

Add all the items on the ticket -- silver, currency and checks -- and be sure the total is correct. Then the bank will verify your figures. In this way, you will prevent mistakes and misunderstandings about the kind and amount of each deposit.

Use our convenient bank-by-mail service if you live at a distance from the bank, or find that there are times when you cannot make your deposit in person.

When you compare automobile values, one plain and easily proved truth becomes evident — Pontiac gives you more for your money than any other car in America!

Keeping in mind that Pontiac is priced within the reach of any new-car buyer, consider these three very important facts:

Pontiac is a big car! Pontiac's 122" or 124" wheelbase is 6 1/2 to 8 1/2 inches longer than any of the "low-priced three". It's the biggest car at its price.

Pontiac is more powerful! Model for model, its big Strato-Streak V-8 delivers more power per dollar than any car in its field!

Pontiac is the most distinctively beautiful car at any price! No other car can match the individuality of Pontiac Twin-Streak styling and Vogue Two-Tone colors.

Right there are three big reasons why Pontiac sales are at an all-time high. Come in and get all the facts — for final proof.

You can buy a big, 200-H.P. Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes!

by Mrs. Draper was "New Fabrics". Members were advised to read labels, and ask questions about these map-made fabrics. Since the synthetics are washable they are economical for the homemaker. Mrs. Draper pointed out. Special instruction in machine stitching was also listed.

Mrs. Bess Werner, citizenship leader for the club discussed the need of more class rooms for our school children. Her report was based on a recent survey.

Mrs. B. B. Northcutt won the recreation contest conducted by Mrs. Paul Rudd, recreation chairman. Each member decided to buy one Peace Rose.

Marketing sheets were passed out and members were requested to fill them out and bring them back to club to the next meeting at the home of Mrs. Joe Waggoner on March 23.

Subject for the next meeting will be "12 Foot proof Annuals."

Message

A program on Annuals was given by Mrs. N. A. Brown. Mrs. Floyd Brown and Mrs. J. T.

Guinn when members of the Mesdames H. D. Club met with Mrs. John McCullar on March 25. Mrs. N. A. Brown and Mrs. Guinn listed 12 Foot proof Annuals and means of identifying them. Mrs. Floyd Brown discussed Insect Control.

Game prize was won by Mrs. Bruce Coleman, and Mrs. E. M. Jack received the floating prize.

Mrs. L. W. Campbell received a gift from her secret pal.

Mrs. Roy Pruitt and Royce Lee and Mrs. Morrie Russell visited the club to distribute light bulbs which are a project of the 4-11 Club girls.

Members attending were: Mesdames J. E. Rouse, W. D. Howard, R. J. Coleman, Elmer Northcutt, Johnny Northcutt, S. N. Thwaite, Bruce Coleman, E. M. Jack, N. A. Brown, Floyd Brown, Bruce Coleman, J. T. Guinn and the hostess, Dawn.

Mrs. Marion Russell gave a talk when members of the Dawn H. D. Club met on March 25 with Mrs. Zed Stewart for a program on Homestead Improvement.

Mrs. Lulu Botsford discussed Insect Control.

Refreshments were served to

Mrs. Reese Stewart, a visitor, and the following members: Mesdames Muriel Little, R. T. Stewart, T. L. Sparkman, L. W. Tooley, W. T. Beavers, Marion Russell, H. S. Fuller, Palmer Norton, Miss Lulu Botsford and the hostess.

The next meeting will be on April 1 at the home of Mrs. W. T. Beavers.

Cultural

Mrs. Grady Parsons was hostess for members of the Cultural H. D. Club on March 23.

Mrs. W. E. Holcomb and Mrs. Earl DeHart gave the program on Insect control and names and identification of Twelve Foot proof Annuals.

In her discussion Mrs. Holcomb used information from Texas bulletin No. L-132. She stated that bag worms can be controlled by spraying with a solution made of 3 tablespoons of Lead Arsenate to a gallon of water, Aphids or plant lice can be controlled by spraying with 4 1/2 tablespoons nicotine sulphate to a gallon of water.

Mrs. DeHart listed good annuals for cutting as larkspur, calendula, nasturtium, marigold, verbena and zinnia.

Labor-saving flowers given were gallardia, marigold, vinca, petunia and zinnia. These are easy to grow and will stand the temperature changes in our area better.

Mrs. DeHart told the group. The hostess reported the redecoration of her kitchen and bedroom.

Refreshments were served to Mesdames Dave Adams, Levits, Tex., and W. E. Holcomb, Iva Scott, Fred Wolfington, J. T. Richardson, Earl DeHart, Irving Robinson Jr., Paul Corbett, Ralph Packard, Ella Mae Childers and the hostess.

Westway

Mrs. Bess Werner gave the program on Annuals for members of the Westway H. D. Club who met with Mrs. Joe Waggoner on Mar. 23.

Mrs. Werner outlined the proper procedure for starting flowers indoors suggesting the use of milk cartons as planting boxes. They can easily be removed when the plants are big enough for resetting she pointed out. She also named some of the new varieties of our "stand-by" zinnias and petunias. Pictures showing these flowers in various arrangements were passed to the group.

Recreation for the day was a contest of fashions.

Mrs. C. A. Sauley president, had friendship quilt blocks pieced and

each member was asked to embroider her name on one. Prizes were won by Mrs. Leo Ohlig, Mrs. Werner and Mrs. Johnnie Townsend.

The recreation committee reported that club members and husbands will have a picnic at a "42" party on April 1. Refreshments of cake and coffee will be served with the club furnishing the coffee.

Mrs. Comstock, Mrs. Troy Smith, Mrs. Elmer Conib, Mrs. Ed Blakney, Mrs. Dee Johnson, and Mrs. John D. Owens were guests.

Mrs. B. C. Fitts was welcomed as a new member.

Members attending were: Mesdames Johnie Townsend, Phillip Miller, Floyd Walton, G. C. Merritt, Paul Rudd, C. A. Sawley, Kenneth Rudd, Leo Ohlig, Bobby Jones T. B. Thomas, B. P. Northcutt, Mrs. Werner and the hostess.

Lotus Root Has Lead Opera Role

CANYON, March 30. (Special)—Miss Lotus Root, freshman student from Hereford, will appear in one of the leading roles in one of two short operas to be presented Thursday and Friday, March 31 and April 1, at 8 p.m. by the West Texas State College Opera Workshop. The productions are in the Education Auditorium.

Miss Root, daughter of Mr. and Mrs. Don Root, 511 North Main in Hereford, will sing the role of Veronika in "Sunday Excursion," a contemporary comedy written by Alec Wilder. The story is of two college couples of 1910 on a Sunday train excursion.

The second opera is "Gianni Schicchi" by Puccini, and it is also a comedy, with its story dealing with "mourning" and greedy relatives who try to break the will of a rich uncle.

Admission is \$1.00 for adults and 50 cents for students and children. Both operas will be shown the two nights. Director is Royal Brantley, assistant professor of music.

Study Craft Club Meets At Simms

A new member of the Study Craft Club, Mrs. Kenneth Milner, entertained the group at her home in the Simms Community. Mrs. Milner, with her family, recently moved here from Plainview. Since no special program was planned for the meeting, members spent the afternoon visiting and working on coppercraft projects.

Members attending were the president, Mrs. Glenn Hetzler, who conducted a brief business session, and Mesdames C. A. Holtbaugh, W. P. Betts, Paul Lyons, Cord Hammock, Charlie Burk, J. S. Stocks, A. J. Ashburn, S. W. Edwards, D. L. Riddle, M. W. Blankenship, R. L. Pinnell, J. A. Crofford, who was co-hostess, and M. A. Ferguson.

Sunday dinner guests in the O.R. Neel home were Mr. and Mrs. Owen Neel of Dumas, Mr. and Mrs. Offis Vick of Hereford and Mrs. J. W. Vick and Harlin of the Progressive community. The occasion was Lillian Neel's 9th birthday.

THE HIGH SCHOOL'S GIFT TO THE THEATRE, Tallulah Ploetz (Barbara Winget), the slow sleepy freshman, Faversham Lightly (Lynn Bybee), and Shalimar Ames the trouble maker (Donnie Johnson), are seen congratulating students Buz Bailey (Joe Eastley) and Pamela Jones (Georgia Lewis). This is a scene from the play "No More Homework" presented by the senior class of high school, Thursday and Friday night at 8 o'clock in the high school auditorium. (Bessie Patterson Photo)

Letter To The Editor

Hereford Texas, March 21, 1955

To the editor Hereford Brand: WE sure are proud of our home town and glad, as always to be back in it. There are a number of things here for which we are proud, but mostly glad because it is so well lighted at night. Recently we made a trip that put us through Dallas at night. I never saw such darkness in my life. All along the highway it was so dark one could not read the signs. People were standing along the streets waiting for buses on almost every block. We decided that there was little wonder there was so much crime in large cities if they were all that dark. To me, crime and darkness just go hand in hand. We talked about Hereford then and decided there was not a street in our town that was that dark. Yes, in making comparisons we are very glad to be living in this friendly town.

Thanks, Mrs. C. I. Ruad.

Faith

**You In The Church...
The Church In You...**
Form a combination for good. Every man, woman and child needs the influence of the church. Be a faithful worker. Attend every service.

Son of man, whenever I doubt of life I think of Thee." So wrote George Matheson in his blindness.

Whenever you and I doubt either God or man, we would do well to think of Jesus. His cross is a symbol of what God is and what we may become. The proud Roman at the foot of the cross said, "This man was the son of God."

Jesus was supremely a man of faith. He had great faith in both God and man. We have faith in God largely because we must have Him. *We are not sufficient unto ourselves.* Do you have faith? Life becomes a radiant thing for people of faith, since they see so much deeper into the secrets of life. The universe opens its heart to eyes of faith; closed doors swing ajar when faithful steps approach; loving spirits smile their welcome to trustworthy souls; latent powers blossom in the presence of fidelity; young children and wise old age give themselves with abandon to those who offer confidence. *God waits to share His blessings on men who can be trusted.* Of the Pilgrims of yesterday, guided by the Divine, it was said, "They were men of faith and very sure of God." Are you sure of God?

At The Movies

"King of the Kyber Rifles"
"King of the Kyber Rifles," Twentieth Century-Fox's spectacular Cinemascope production in color by Technicolor, starring Tyrone Power, Terry Moore and Michael Rennie, is coming to the Star Theatre, Friday and Saturday.

Filed almost entirely on location at Lone Pine, Calif., where the terrain resembles that of India, the locale of the story that deals with the famous Sepoy Mutiny against the British in 1857, the picture is replete with breathtaking action. Henry King directed and Frank P. Rosenberg produced the colorful production, made all the more effective by the new Cinemascope process which gives far greater scope to the intense drama.

"Woman's World"
"Woman's World," a behind-the-scene-drama of big business and the effect wives have in shaping their husband's career, comes to the Star Theatre on Sunday, Monday, and Tuesday, with an all star cast headed by Clifton Webb, June Allyson, Van Heflin, Laureen Bacall, Fred MacMurray, Arlene Dahl, and Cornel Wilde.

The picture which was filmed in Cinemascope and printed in color by Technicolor, revolves around the selection of a new general manager for an automobile manufacturing company. The head of the firm envies three of his junior executives, along with their wives, to come to New York so he can look them over. The wives see through the plan immediately and, ambitious to have fun and the finer things of life, start jockeying their men into position.

The auto tycoon is played by Webb and the three candidates for the job are Heflin, Wilde and MacMurray. They are married to the

Misses Dahl, Allyson and Bacall, respectively and reasonably happily until they arrive in New York where turmoil sets in for all concerned.

"Out of the Past"
"Out of the Past," a tense, taut drama which deals with the human side of a group of wrong guys and gals, is due to show Sunday and Monday at the Texas Theatre. Starred in this RKO Radio release are Robert Mitchum, Jane Greer, Kirk Douglas and Rhonda Fleming.

The picture tells the story of a man who is trying to run away from his past and a woman who is trying to escape her future. When the two get together, it's only the present that counts and the present, in this instance, is deadly.

Sunshine Club Meets Thursday

The Sunshine Club met Thursday night, March 10, with Mrs. Clint Lundy for a business meeting and Easter hat parade.

The roll call was answered with items each member planned to put in the needy chest.

The TV tour of Amarillo was also discussed during the business session.

Games high was won by Mrs. Jeff Davis.

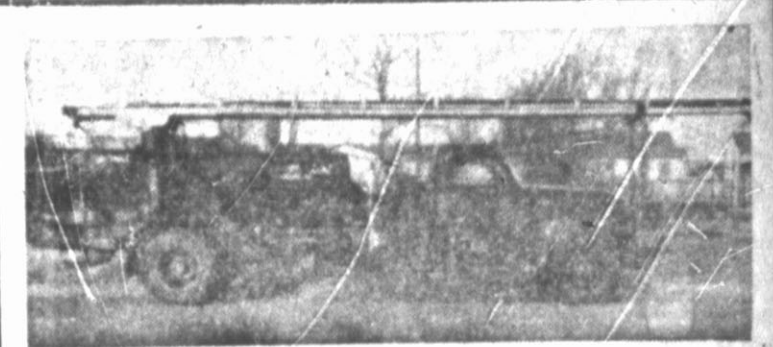

Mrs. Myrtle Cawthon won first place in the Easter hat parade and Mrs. Clint Lundy won second.

The next meeting of the group will be a pot luck dinner and sewing at the home of Mrs. J. C. Mays on April 14.

Those attending the meeting were: Mrs. Jeff Davis, Mrs. C. E. Watts, Mrs. Clois Kemp, Mrs. Nell Pittman, Mrs. Myrtle Cawthon, Mrs. Edith Sheppard, Mrs. Billy Wells, Mrs. Florence Teague, Mrs. Fred N. Higgins, Mrs. George Miner and Mrs. J. C. Mays.

Joan McGee, who is a student at Texas Tech, was home over the week-end for a visit with her parents, Mr. and Mrs. Taft McGee.

Long Time Ago

45 Years Ago
The banks closed, everybody cleaning up and the rest taking a holiday was the order today, April 1st. Thirteen wagons were employed by the city and have been hauling off piles and piles of trash, and it will take 3 days to do the job. The business men lined up on Main Street early this morning and gave that thoroughfare a good clean-up. All but one or two business fronts were cleaned. The alleys and rear yards were also given a raking over. In the resident section each captain has been busy and they report that practically every front, alley and yard has been renovated. Good for Hereford and April Fool Day.

L. P. Landrum, owner and proprietor of the Hereford Nursery has adopted the Colorado method of orchard heating and no doubt saved his fruit on the two cold nights of this week. Tuesday night the thermometer stood at 27 and Wednesday night at 24 degrees. Ordinarily either of these would put an end to early blooming fruit, but fortunately no frost fell on either night.

The city will at once begin to put in street crossings on Main Street. Preparatory to this Geo. A. Stambaugh and owners of the Garrison building, Cook and Worley have the contracts. Six crossings will likely go down at once, two on Second and Main, two on Third and Sampson, the last leading to the court house. The city dads have been doing a lot of work on the streets putting in crossings

and grading new and old streets. Let the good work go on.

25 Years Ago
With a small bunch of prospects, Coach Leonard Curtsinger started his first practice Tuesday afternoon to weed out his first string for the American Legion Junior team, "The Giants." The day was windy, but several youngsters looked mighty good and Curtsinger felt highly elated over the start and will have practice each day this week. Each boy who comes out will have a chance at one of the 12 suits. L. B. Russel was elected by his team as captain.

The Chamber of Commerce will meet in its regular luncheon next Monday noon at the Methodist Church according to the announcement made Wednesday by secretary J. A. Miller. The programs for the past several weeks have been rather heavy ones with little of an entertaining nature except the excellent music during the serving of the luncheons, and Mr. Miller says he wants next Monday's program to be mostly entertainment and fun from start to finish.

Frank Henderson and son, I. L. Henderson, both of Gage, Oklahoma, are here this week inspecting their land holdings recently purchased in this county about 22 miles northwest of town.

The Hendersons are to begin to break out about 300 acres of sod next week of which a part will be planted to row crops this spring, and the remainder to be prepared for a wheat crop next year.

Russell Awarded Wrestling Letter

LEXINGTON, Mo., March 26—Cadet Robert Russell, son of Mr. and Mrs. Clyde Russell, Route 1, Hereford, Tex., has been voted a high school wrestling reserve letter at Wentworth Military academy by the school's athletic council, Capt. John Readecker, athletic director, said today.

The Wentworth athletic council approved the awards for winter sports participants after studying

recommendations made by the coaching staff.
