Around Town

The big topic of conversation Around Town this week seemed to center around the area-wide battle to secure a raise in grain sorghum parity supports. Some of the farmers were bitter and the feeling was rapidly spreading into business circles as tension continued to mount in regard to the USDA reduction.

Cold weather, plus the probability of more, also created quite a bit of comment with 1-degree readings for Saturday night—and consistently low readings for the entire week.

Things were also shaping up for the annual Red Cross Roll Call kick-off, scheduled Monday morning, Feb. 28, in Hotel Jim Hill at 10 o'clock. The goal this year is \$7,635 and all workers will attend the Monday meeting.

Lions Club members were busy selling tickets for the big pancake supper, also scheduled in the hotel ballroom, for Friday night, Feb. 25 from 5 to 8 o'clock. Aunt Jemima will appear in person, along with a brief program. "All you can eat" is the general slogan and with Dub Reeves as head chef most people figure this situation will take care of itself.

Mr. and Mrs. G. W. Brumley left Sunday morning for Dallas, where Mrs. Brumley will visit her daughter, Mrs. Baker, while Mr. Brumley continues to Houston, where he will attend a meeting of the Federal Land Bank.

Tom Carroll, 501 E. 4th, got all worked up when he was notified of the arrival of a \$234 C.O.D. package from New York containing "Hooked Rugs." Tom refused acceptance and the matter was later cleared up, according to Express representatives, who said that another Tom Carroll had already accepted part of the shipment Tuesday.

The Consumers Fuel Cooperative Association will hold their annual meeting in the hotel ballroom Saturday afternoon, Feb. 26, 2:30 (Continued on page 2)

Two Plead Guilty On DWI Charges

Two guilty pleas on DWI charges appeared in County Court this week, receiving jail sentences and fines by Judge Homer Henslee.

John C. Humphrey, arrested east of Hereford on Highway 86 Sunday night, plead guilty following arrest by State Highway patrolmen. He was given 10 days in jail and fined \$75.

Joe B. Burch of Borger, whose car was demolished in an accident on the farm road 12 miles north of town recently, also plead guilty on DWI charges. Burch, following his release from the hospital, had also been released on bond. He drew a jail sentence of five days and was fined \$100.

Driver's licenses of both men were suspended for one year following the trials.

Rotary Parade Is Set for Saturday

The parade which was scheduled in connection with the Junior Livestock and Poultry Show last weekend has been re-scheduled for 2:30 o'clock Saturday, Feb. 26.

The parade was called off last week because of the weather.

There will be 24 entries in the parade this year, according to Earl Phillips who, with a committee of other Rotary members, will be in charge of the affair Saturday.

About half of the entries will be floats. There will be some cars, the Hereford Riders Club along with the high school band.

The parade will start at Sixth and Main and proceed south on Main to Highway 60 where it will go east to Samson and back north to Jim Hill Hotel where it will be disbanded.

The Rotary committee in charge of the event is: R. G. Peeler, Otis Diekie, Les Coombes and Earl Phillips.

Team Name, Mascot Puzzles Junior High

Interest ran high this week as students of Hereford's newly created Stanton Jr. High School pondered such things as athletic team names, mascot, and school colors, all of which will become a reality in the near future, according to W. C. Quattlebaum, principal.

Suggestions from the students are being accepted and will be voted on by the student body to determine the three best names and mascots. These, in turn, will be presented to the school board,

Guessers Peg Giant Size Down To The Last Ounce

Hereford has some outstanding weight guessers, according to Gaylord Newell, Piggly-Wiggly operator, who said today that two people guessed the weight of the giant-size birthday cake to the very ounce. What's more, the same thing happened in 1954.

First place winners this year were Duane Baize and Mrs. Carl Sevier, both of whom guessed the exact weight, 456 pounds; each received \$25 in cash as first prize; Lola Jowell and Mrs. Sam Lindley were close seconds, each guessing the weight at 457 pounds—one pound over; both of these ladies received \$10 each as second prize.

Twenty-four merchandise awards were also made during the Piggly Wiggly 13th anniversary celebration as follows: Clyde Smithers, bicycle; Mrs. J. N. Ward, electric

1955 Population Signs Will Give Hereford 7,500

Hereford citizens who may be smarting under injustice of State Highway population signs which now give the 1950 census count of 5,207 may, in the near future, look forward to a more accurate figure on each approach into town.

Acting on recommendation of the Chamber of Commerce, the City Commission voted Monday to authorize the Highway Department to alter the markers on an estimate basis. Therefore, when the matter clears department red tape, Hereford's revised, 1955 style signs will read: "Population 7,500—Estimated."

Such changes were reported as possible each two years, according to information furnished through the Highway department.

Bailey Funeral Is Held Tuesday

Funeral services for O. Z. Bailey, 89, were held Tuesday morning at Rose Chapel, Gilliland Funeral Home. Interment was made in Leonard, Tex.

Mr. Bailey died at the Deaf Smith County Hospital on Feb. 20 following a short illness.

Born on March 4 in Tennessee, Mr. Bailey came to Deaf Smith County from Leonard, Tex., three years ago.

City Is Pleased With Progress On Highway Widening

Members of the City Commission reviewed progress on widening of Highway 51 through Hereford at a meeting Monday afternoon, and expressed appreciation for general cooperation of residents along the route.

A total of 60 deeds, included in the roadway through Hereford, was reported in the following status: 35 have been signed and approved by property owners; 11 were reported as being undecided or to have promised to sign in the near future; six of the owners live out of town and have not yet replied; five are special cases which include moving houses or special contracts; three have completely refused to negotiate with the City regarding releases.

"All in all, people have been considerate and cooperative," said Mayor Henry Sears.

The City Commission also followed recommendations of the Zoning Commission in changing the status of the Church of Christ lots, Plains Avenue and Knight Street, from A and B zone designation, allowing construction of a modern church building. Plans call for erection of a church, \$150,000 to \$200,000 within the next two years.

Station Operators To Protest 2-Cent Gas Tax Increase

In cooperation with a movement through the service station dealers association of Texas, Hereford station operators this week announced circulation of petitions in protest to the proposed raise of state taxes from four to six cents on retail gasoline.

The petitions, available at most stations, oppose the two-cent raise "until the legislature has made complete investigation of other resources now going untaxed."

"Persons who wish to protest the raise will find the petitions at most stations," said J. P. Jones, president of the Hereford organization. He also said that the petitions, when completed, will be circulated to legislators and representatives.

Other officers of the Hereford organization are Travis Hendrick, vice president and Jake King, secretary.

Council Sponsors Daily Devotional

A short non-denominational devotional each morning at the new high school is being sponsored by the student council and all clubs in the school will take turns presenting the devotional.

A scripture reading and short prayer over the public address system makes up the devotional period, which was started last week and is planned as a regular feature of each school day.

DR. WM. H. GORDON... Rotary Speaker

Local Rotarians Kick Off Golden Anniversary Program Here Monday

Members of the Hereford Rotary Club inaugurated the fiftieth anniversary of Rotary International here Monday night when approximately 100 members, wives and guests gathered in Hotel Jim Hill ballroom to hear Dr. Wm. H. Gordon of Lubbock speak on the fundamentals of "Rotary."

The group was also entertained by the High School quartet, which sang several Rotary songs. In the quartet were J. B. Wilk, Clarence Caywood, Raymond Wells, and Pickens Moore, accompanied by Dixie Young.

Community Welfare Dr. Gordon started his talk back in the early days of American history then jumped to 1905 when Rotary clubs were in their infancy. "Rotary is not exclusive," he said, "it is inclusive," he said, pointing to the promotion of fellowship and mutual helpfulness to the entire community as aims of the modern Rotary club. He compared the history of Rotary to the life of a baby, tracing its development as it grew through the years.

"Rotarians participate in community affairs because they are interested," he said, and predicted that during the next 50 years Rotary will progress only as far as the individual clubs progress.

Dropping back to individual members, Dr. Gordon pointed to George Washington and Abraham Lincoln, both outstanding Americans who served their country; one was wealthy, one was poor—both served well and are honored in our history.

A club, like an individual, cannot straddle the fence, he said. "You can't be good on Sunday then be a slacker on Monday."

Local Men Play Lead Role In Milo Meeting

A large delegation of Hereford grain sorghum farmers Tuesday attended the mass protest meeting in Amarillo and played a leading role in area-wide plans to carry the story of discrepancies against grain growers to Washington.

R. G. Peeler of Hereford was named secretary of the seven-man temporary committee selected by more than 2,000 farmers to continue the five-state battle for increased parity on grain sorghums. The group also collected \$1,000 with which the committee will wage its battle.

The Amarillo meeting, more or less a result of a drive which started in the Hereford-Dimmitt area, included considerable information collected through Hereford groups and by efforts of local men. The resolution creating the seven-man committee was introduced by Maynard R. Buck of Hereford.

Meeting Purpose The meeting's purpose, and the resolve with which it began was emphasized in a short statement delivered by Bill Lenderman, manager of the Hereford Chamber of Commerce. Lenderman also read

telegrams and letters from a number of U. S. senators and representatives, Governor Shivers, and many organizations.

Pledges of support were from Senators Lyndon Johnson and Price Daniels of Texas, Sen. Robert Kerr of Oklahoma, Speaker Sam Rayburn, U. S. Reps. Walter Rogers, George McMahon of Texas, and Victor Wickersham of Oklahoma, and the Texas governor.

Gov. Simms of New Mexico sent Austin Brooks of Clovis, N. M., as his personal representative at the meeting.

Compares With Corn One of the most dramatic talks during the meeting also came from Jay Boston, another Hereford man, who reviewed the long history of discrimination between grain sorghum supports and those allowed in corn. Corn, he pointed out, has increased while grain sorghum supports have consistently dropped. Charts also appeared over the huge Amarillo auditorium disclosing the comparison.

Producers expressed little satisfaction from the general defensive (Continued on page 2)

City Commission Files This Week For Re-Election

The present City Commission today authorized The Brand to announce their candidacy for re-election.

The three men had filed their names Wednesday as follows: Henry Sears, mayor; Wayne Edwards, Commissioner; Raylan Evans, Commissioner. The filings were made separately, and after much consideration on the part of the individual Commission members, each of whom had previously declined to run for re-election.

"We feel that there are many others in Hereford who could do the job just as well," they said. "We have not been overwhelmed or pressured by large delegations and groups. On the other hand, we have been approached and contacted by several people and, after considering all angles, have decided to again offer our services—if the people want us."

Each of the trio has served approximately one term in the city administration. Sears and Edwards were elected in 1953. Evans was appointed to succeed D. C. Kinsey a few months after the election. Edwards also served two months prior to the 1953 election, having been appointed to the Commission as the result of a vacancy created by the death of Mayor W. E. Dameron.

Deadline for filing is Saturday, Mar. 5, according to City election laws which require filing 30 days prior to the election, which this year calls on Tuesday, April 5.

'Who's Who' Lists Dr. Gladys Hicks

Dr. Gladys Hicks, a former Hereford student and, later, school teacher, has been named in 1955 edition of "Who's Who," according to releases made this week.

The recognition came apparently from her outstanding work as Dean of Women at Baylor University and followed the conferring of an honorary doctorate to her by Howard Payne College in Brownfield last year.

Dr. Hicks is the daughter of Mrs. W. E. Hicks of Garden City, Kans., and of the late Mr. W. E. Hicks, widely known as a pioneer ranchman of this community.

She attended the Hereford schools and later taught in the Hereford system. She is a sister of W. H. Hicks, Caldwell Hicks, Mrs. Dave Raymond and Mrs. Dun Burnside.

Hereford Teams Will Compete In Lubbock Contest

The two boys debate teams, a group of declaimers, two extemporaneous speakers and some poetry readers will attend the annual Lubbock speech meeting to be held this Saturday.

The debate teams are composed of Clarence Caywood and Don Zimmerman; Robert Woolsey and Robert Davis.

The declaimers making the trip will be: Jean Chapman, Janie Lamm, Billie Martin, and Larry Kaul.

Extemporaneous speakers will be Bill Woodford and Cieta Betzen. (Continued on page 2)

Mrs. R. C. McGilvary has just returned from Ft. Worth, where she has been getting acquainted with her new granddaughter, Christie Lynn. The new arrival is the daughter of Mr. and Mrs. Jere Collier. Mrs. Collier is the former Mary Helen McGilvary. Christie Lynn was born two weeks ago.

The Shadow Players of Hereford have announced their first big production, "Time Out For Ginger," for Thursday and Friday, March 3-4. The production is directed by Jack Teague and will be presented in the High School auditorium.

Husbands Are Entertained

Les Meres Study Club members entertained their husbands at a valentine supper-party at the Jaycee Clubhouse recently. Arrangements were in the hands of Mesdames Howard Gore, Spicer Gripp and W. D. Jones.

The valentine motif was carried out in decorations for the party with a valentine tree laden with

Completing attending were Mesdames and F. Headline, Joe DeWitt, Dick Gholson, Howard Gore, Giann Gripp, Spicer Gripp, Leo Hoffman, W. D. Jones, J. E. McCall, Nelson Reiger, Bill Simpson, Keith Ridd, Henry Vacari, Deane Williams, and Virgil Lamb.

Mrs. B. R. Holder, mother of Mrs. W. L. Carter, of Berger is visiting in the home of her daughter for a few days. Also Mrs. Carter is quite anxious to hear from her son, Cpl. Orin F. Teed, who is in Korea as far as she knows. She hasn't heard from him since Jan. 29 and is hoping that he is on his way home. Teed is to be discharged sometime in May. He

went through school in Hereford and has many friends who know him.

Mrs. Sally Turner, mother of Mrs. B. E. Cavanar, from Littlefield is spending a week or two with her daughter and family.

Don Cavanar and wife, Jean, with their three children, Billy Gene, Ronnie and Donna, spent the week-end with the Cavanars. Don and family live in Amarillo.

Dr. H. A. Cavness was dismissed from the hospital Tuesday after an illness, supposedly a bad case of the flu. He was pretty sick but is getting along fine now. He is back on the job.

Mr. and Mrs. W. O. Shelton visited their daughter and family, Mr. and Mrs. Leslie A. Bailey and

children, of Clovis, N. M., Wednesday. Mr. Shelton also attended to some business while there. Frank Lookingbill accompanied them on their short trip.

D. R. Carmichael returned home from the Deaf Smith County hospital Monday. He is improving and feels much better now.

attitude of Walter Berger, USDA representative, who apparently recommended the cut in grain sorghum supports this year. His appeal to the group, in fact, resulted in considerable irritation and hostility on the part of many farmers

attending the meeting. Berger did assure the audience that he would bring his findings to the attention of Secretary of Agriculture Ezra Taft Benson, and admitted "It appears some of you will be in a bad way as a result of this price reduction"

What's This

Hi folks! Greetings and more. The news is really popping this week. I know a gang that's going to be better, known as the "smashed six" if they don't have a re-organization; the separation of the men from the boys—you know? A certain girl I know, hates to see people get tickets for some reason. The other day she saw a policeman walking down the street writing out "messages" for poor unfortunates, so she ran over and stuck a penny in the meter. She certainly felt silly when she looked around and saw no car there. Could she be absent minded because she's in "love"? Well, maybe.

D. F. and C. M. believe in the old saying "share and share alike." I suppose that's what buddies are for.

We had quite a duet Thursday in sixth period. Ask Judy and Sybil how to sing "Hearts of Stone."

You know, some very outstanding men were born in February; George Washington, Abraham Lincoln, and Garry. Ha.

I think I saw some red faces after our assembly Tuesday. Sure enough guys and gals, there was a lot of sense in that talk wasn't there? Traffic accidents take an amazing toll on human lives every year.

Jimmy Dale has a new pet now, it's really a honey. Drop around the journalism room and see it some time.

Don Zimmerman still wants to learn to charleston. Well girls. . . Did you see the pink carnations Mrs. Calvert received from her secret pal? She tells me her husband was out of town this week. I wonder who her secret pal is? How do you like the morning devotionals being sponsored by the Student Council? That is a very thoughtful thing to do now that we have a P.A. system for the first time, isn't it?

We had some interesting opinions in English III concerning the entertainment situation in Hereford. There were a lot of good, wholesome ideas, and I really wish something could be done for these recreation starved teenagers. No kidding! Take it from me, there's no recreation in riding up and down the streets. Maybe that is why so many of the younger set get tickets for speeding and racing. By the way, in case you are beginning to wonder, this is not a lecture. (laugh)

Wonder what two certain people were doing Friday morning before the bell rang? Evidently it was something they didn't want me to know about. Maybe they thought I'd put it in the paper. Now I wonder where they got that idea? Oh well, if I told you, you'd only laugh until you split your sides.

Well folks, let's leave 'em laughing. So long for now.

Mr. and Mrs. M. T. Rutter and Clois Kay spent the week-end in Levelland visiting with Mrs. Rutter's brother-in-law and sister, Mr. and Mrs. C. T. Ward.

Damages \$655 In City Accidents

Two intersection collisions were reported this week by City Police, resulting in an estimated total of \$655 in property damages. No injuries were reported from the collisions.

Fifth and Sampson Damages were set at about \$145 in connection with an accident at the intersection of East Fifth Street and Sampson on Tuesday morning.

Ansel McDowell, driving a 1953 Buick, was traveling east on Fifth Street and a 1951 Oldsmobile, driven by William M. Betzen, was approaching the intersection on Sampson Street when the accident occurred.

Damage to the McDowell Buick was set at about \$100 and to the Oldsmobile at about \$45.

LOST: Gold Star pin. Initials PBR engraved on back. Call 185. T-13-11-8-1p.

STRAYED: From pasture S.W. Bootleg three Hereford heifers. Branded Circle on left shoulder. Also seven underbit on left ear. Will pay reward for their whereabouts. G. W. Brumley. Phone 945. B-13-30-30-tfc

William M. Betzen was given a ticket for failure to grant the right of way.

"B" and Grand A collision at the intersection of Grand Avenue and Avenue B Saturday morning resulted in about \$510 damages according to City Police, who investigated the accident.

Robert A. Griffin was proceeding on Avenue B and Miner. Gilmer Layman was approaching the intersection on Grand Avenue. Griffin was driving a 1950 Chevrolet. Damages on it were listed at about \$450 and about \$60 to the 1947 DeSota driven by Layman.

Robert A. Griffin was given a ticket for failure to grant the right of way.

Mr. and Mrs. J. C. Allred have returned home from a vacation and rest spent in Mineral Wells. The Allreds have been away from home for about the past month.

Mr. and Mrs. LeGrand Morton attended funeral services for Mrs. Morton's cousin and husband Tuesday in Happy. The couple succumbed after being carbon-monoxide poisoned in their home at Happy, caused from leaking gas. They had only been married for about two weeks.

H-D Clubs Sponsor Hypnotist Program

Tickets went on sale Tuesday for a program to be given at the high school auditorium on the evening of March 11 by Dr. Franz J. Polgar who has been acclaimed the World's Greatest Hypnotist.

Dr. Polgar's appearance in Hereford is being sponsored by Home Demonstration Council. The money raise funds for the County Home Demonstration Council. The money is used to finance delegates to the District and State THDA meetings each year and for the past three years the money has been raised by a Stunt Night using the club members and other local talent.

This year members of council voted to sponsor an outside talent show and are happy to be able to offer an entertainer who has been written up in Life, Look, Saturday Evening Post and Collier's for his outstanding ability to "Have Fun

With the Mind." Both reserved seats and those for general admission are being sold by H. D. Club presidents in each community and by the Council finance committee, Roberta Campbell, Mrs. V. E. Dodson and Mrs. S. S. Williams.

The Hereford High School golf team, composed of Keith Hodges, Charles Seed, Jeff Minton and Dale Taylor competed in a four-way team match with Amarillo B team, Shamrock and Phillips last Tuesday at the Ross Municipal Golf course in Amarillo.

The Amarillo B team took top honors with a combined score of 335, Shamrock was second with 342, Hereford, third with 350 and Phillips, fourth, with 368.

Joe Bob Brown with a one under par 71 was the low scorer of the day. He is a member of the Amarillo B team.

Hereford scores were as follows: Keith Hodges, 84; Charles Seed, 88; Jeff Minton, 88; and Dale Taylor, 90.

The scores were not too bad for this early in the season, as the boys have not really had a chance to practice too much. Hereford is expected to make a strong bid for

both the district and regional golf titles sometime in April.

Don Martin, principal of the local high school, is coach of the golf team assisted by Bud Posey, pro at the local course.

Sixty-two golfers were out Sunday to swing their clubs in spite of the temperatures which only rose to 35. John Renner and Bob Lindsey had the lowest nine holes recorded Sunday. Both with even par 36's.

Free Kid Classes

The girls' classes on Monday afternoons have now reached a total of 33 girls, who are receiving free instructions. The boys' classes on Fridays at 4:30 o'clock have reached a total of 32. Remember any boy or girl 13 years of age or under are eligible to receive the free instructions by Pro Bud Posey at the local course. The girls' classes are on Mondays at 4:30 o'clock and the boys' classes are on Fridays at 4:30.

The election of directors for the coming two years for the Hereford Golf Club has been completed. After the votes were tabulated, the following four men were elected: H. N. Benson, Dr. H. A. Cavness, Troy Moore and Bill Davis Jr. Holdover directors are: Francis Hardwick, Wayne Phillips, John D. Pitman, Dr. J. H. Channer, Harry McCauley.

Golfers who have memberships and lockers are reminded that the first six months green fees and the yearly locker room fees were due on Feb. 4. If you have not paid yours as yet, you are asked to please do so as soon as possible.

City League Schedule

Games of the Hereford Basketball League for the week February 28-March 5.

Monday, February 28

1. City Dudes vs. Summerfield
2. Doc's Dozen vs. Piggly Wiggly

Thursday, March 3

1. City Dudes vs. Doc's Dozen
2. Piggly Wiggly vs. Summerfield

Mr. and Mrs. Mont Baker have returned from a week's stay in Prairie Grove and Fayetteville, Ark., where they visited relatives.

Mr. and Mrs. J. J. Boydston were in Lubbock over the weekend to visit with their son, Jack, and family.

Mr. and Mrs. J. R. Allison and children have returned from a months vacation trip to the Hawaiian Islands.

Mr. and Mrs. J. T. Gilbreath Jr. returned Monday from a trip to Mineral Wells and Dallas.

Flowers Studied By Local Group

"Containers and Arrangements" were program topics for the Bud To Blossom Club Friday afternoon when a meeting was held in the home of Mrs. Delmo Williams.

Mrs. R. N. Yarbrough discussed "Do Your Flowers and Containers Go Together?" describing types of containers suitable for various arrangements and showing magazine pictures of arrangements and containers.

Mrs. Ray Howell told of "Arrangements for Different Occasions" and demonstrated her talk with an Easter arrangement of lilies with Open Bible and Cross, a patriotic table arranged with red, white and blue carnations with an American flag, and a birthday table for a small boy featuring cactus in the sand and miniature horses.

The special arrangement for the day was made by Mrs. J. R. Hickman with pink stock arranged in a low bowl for a table centerpiece.

Members present were Mesdames R. A. Daniel Jr., Preston Hagans, C. R. Higgins, Ray Howell, Sam Long, Don Martin, Pat Robinson, Ira Scott, Lloyd Sharp, W. Glenn Williams, Jim Wood, R. N. Yarbrough and the hostess.

Visiting 'Behind The Scenes' At The Annual Junior Livestock And Poultry Show

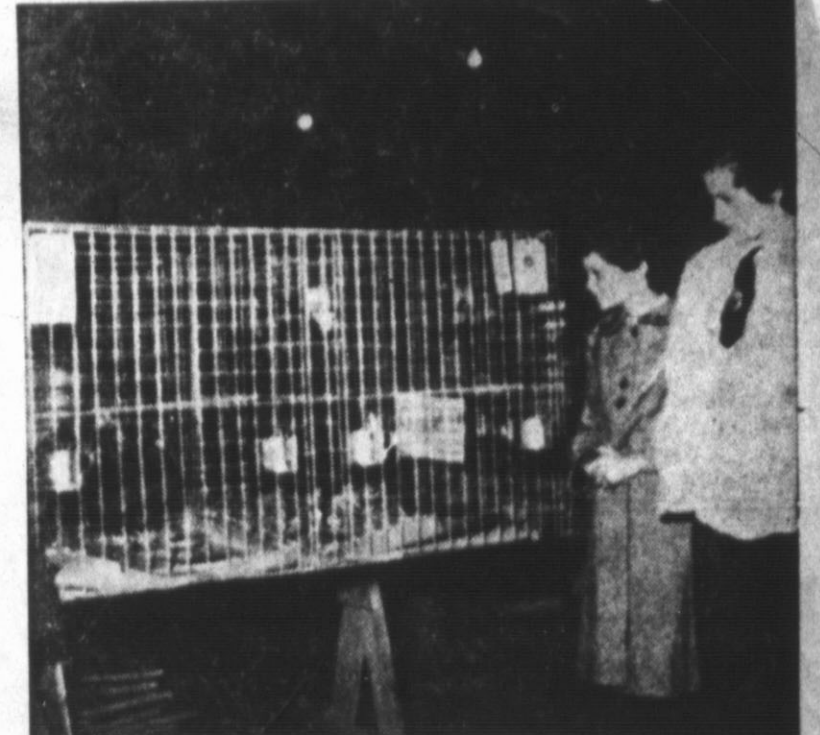

MAMA WAS BROUGHT along by the Langford Bros. of Farwell to provide regular nurse cow fare for the calf the boys brought to the Livestock show last week. She is protesting being separated from her foster offspring.

WALTER AND LARRY KAUL outdo the weatherman by using a wool blanket, confiscated from their mother, and an infra-red lamp to dry the curls of their calves getting a beauty treatment in the cold barn. (Staff Photo)

by Argen Draper

Thanks folks for the excellent cooperation which you gave us during the Junior Livestock and Poultry Show.

The Poultry Division was better than ever with 32 persons exhibiting poultry. You folks helped give recognition to 32 people who certainly deserved some recognition. We need to do some work beginning now to improve next year's Poultry Show. In the first place—buying good poultry is one of the most important steps in exhibiting poultry. If you do not have quality birds, no amount of preparation will help. So today begin thinking about your orders for your poultry flock. Be sure that the poultry you are buying are purebred or a cross that will do for the Poultry Division.

Some of the entrants were disappointed because the bantams which were brought in were not a standard breed and would not do for the Poultry Show. Bantams are very good to exhibit in a Poultry Show because they are tame, respond to good treatment, and are easy to handle. The Standard of Perfection which is the standard for judging pure-breed chickens is available for your use. There are a number of copies which belong to 4-H Clubs and there is a copy in the Library.

The local poultrymen are very interested in helping boys and girls with their poultry problems and now is the time for you to talk to them about selecting the breed which you want to have for next year's show and any other problem which you have in poultry production.

Jack Wright, Frank A. Giles, and Delmo Williams are three of the people who are very anxious to help you with your club work.

For next year's show, we will consider adding pure-bred poultry in the Production Class.

The program material for the landscaping program in March has been mailed to club members. The program is on "Annuals," "Identification of Annuals," and "Insect Control."

Today we received a letter from Doris Mahaffey Starkey. She enclosed some pictures of their 18-month-old son. We have the pictures on the bulletin board in the office, so you folks who remember Doris will want to come by and see Bett's pictures.

Home Demonstration Council meets Feb. 23 at 2:30 o'clock in the Court Room.

Stock Show 'Goings On' Are Often The Things Most Remembered After Cups And Prizes Have Been Lost

By Roberta Campbell

It is obvious that every club girl or club boy who enters the Jr. Livestock and Poultry Show each year cannot win a trophy. However, each of them goes away with valuable experience and, usually, something which will provide a chuckle from time to time as the years roll past. When you find boys and girls, you are sure to find some "goings on" and, more often than not, the casual visitor who walks up and down the aisles will long remember some of the scenes and incidents long after he has forgotten who won first place in this or that particular division.

Unaware of anything but their interest in friendly competition in the show ring, most youngsters go about the serious business of caring for and grooming their calves, lambs, pigs and chickens from the time the barn is open until the final sale at the close of the show.

Generally, it is the onlooker who smiles or chuckles over the incidents observed in quarters behind the sale ring.

"Hey, You Can't Do That"

Of course in the Poultry barn there is the usual egg to be found in the cage of a rooster entered by a competitor, or a smaller one in the cage of a capon. Contending Roosters fight through the bars of cages but never to the point of disqualification and everybody around the barn takes a definite interest in egg gathering.

One little girl was so concerned about a hen she had entered in the production class this year that she brought her own feed so her entry would not be thrown off schedule. Biddie's meal had to be postponed until after the judging, however, according to rules of the show.

Frank Day warmed the hearts and stomachs of some of the women at the show by thoughtfully going down in his pocket for a hot cup of coffee from the Camp Fire Girls concessions stand on such a chilly day. Frank had

brought white chickens to the show and to see that they remained white, Frank was on duty to give them a dusting of talcum at intervals. It seems the talcum powder manufacturers would do well to add another award to the trophy Frank won with his poultry.

Jack Acker should also be entitled to some consideration for the whitening used on his winning porker.

Mamas, as well as papas, were taking a hand in tidying up the stalls, and one mother was proving her ability with a fork for hay, but the most unusual "mama" seen at the show was a milking shorthorn nurse cow brought along by the Langford Bros. of Farwell. The boys were pretty sure the calf insisted on ignoring the cow because of the confusion in the barn, but maybe Junior thought since he was big enough to come to the show he certainly couldn't let the rest of the fellows know he was still "sucking."

No doubt the weatherman was to blame. Anyway, Larry and Walter Kaul were stretching their

mother's cooperation to a new protest limit when they confiscated one of her fine wool blankets to warm the curled and curled hide of their fattened calf, after the frigid northern. An infra-red lamp was also being used by the brothers as a drying agency for the fancy halbro.

High point for the spectators was probably reached when they hurdled the fence which enclosed the judging arena because of the unfriendly attitude of one of the four-footed contestants. The calf was disqualified, but a little nerve medicine would have been welcomed by some who climbed back into the ring to reclaim hats and caps or retired to regain their equilibrium. As a finale to the show, one champion felt like she had been abruptly dethroned when she was staked out to a neighboring coop while her owner cleaned up her cage before leaving for home with her entry.

Mr. and Mrs. Richard Petersen and children of Lubbock visited in the home of his parents, Mr. and Mrs. A. Petersen Tuesday.

Importance Of Meat Stressed By 4-H'ers

The importance of meat in the diet and methods of preparation are the theme of 4-H meetings which have been held during February by the various girls' clubs in the county.

Clubs reporting are:

Merry Maidens
The Merry Maidens met for their first meeting on Feb. 11, in the home of Nancy Parsons.

The meeting was called to order by Loyce A. Sullivan, assistant home demonstration agent and Nancy Parsons presided as temporary chairman for the election of officers. Officers are: Nancy Parsons, president; Ann Rose Dziuk, vice president; De Lourdes Buck, secretary treasurer; Polly Ann Monroe, reporter; Mildred Wester, song leader; Emily Ann Pavellek, drill leader; Polly Ann Monroe, clothing demonstrator; Mildred Wester, foods demonstrator and Ann Rose Dziuk, poultry demonstrator.

Committees appointed are: Program, Ann Rose Dziuk, Polly Ann Monroe and Donna Lovel; recreation, Mildred Wester, Emily Ann

Pavellek and De Lourdes Buck. A demonstration on "Making Brownies" was given by Mrs. Sullivan.

Visitors were Mrs. Roe, Jeanette and Joyce and Mrs. Hanna. Others attending were: Donna Lovel, Ann Rose Dziuk, Mildred Wester, Emily Ann Pavellek, De Lourdes Buck, Nancy Parsons, Polly Ann Monroe, Mrs. Sullivan and Mrs. Parsons.

Happy Homes

The Happy Homes 4-H Club met in the home of Jane Heard on Feb. 10. The meeting was called to order by Martha Logan, outgoing president. She turned the meeting over to Mrs. Tom Draper who installed the following officers: Carolyn Williams, president; Marilyn Jones, vice president; Carol Phifer, secretary; Glenda Faye Gandy, reporter.

Mrs. Draper talked to the club about cooperation with the officers and advised the officers of their duties.

A TV program was planned for March 26 on Cotton John's production. (Continued on page 2)

Club Members Concentrate February H-D Study Topics

Program material included in Home Demonstration meeting for February was given to the women by Argen H. Draper, home demonstration agent, and the local Fire Department in training meetings held on the "Roses, Selection and Culture" and "Causes and Prevention of Fires in the Home and on the Farm."

Clubs completing their programs on these subjects are:

Westway
"Roses, America's most popular

Flower" was the subject of Mrs. Paul Rudd's program presented to members of the Westway H. D. Club which met with Mrs. T. R. Thomas on Feb. 9.

Mrs. Rudd listed 15 different varieties and named the characteristics of each.

Mrs. R. L. Wilson gave instructions on how to set out and care for roses. Diseases of the plants were discussed.

The day's recreation was that each member named their favorite

flower for this part of the country. Dahlias, chrysanthemums, asters and honeysuckles were among those most favored.

Mrs. Walter Hodges was elected as nominee for delegate to the District Meeting in April and Mrs. P. B. Sowell was selected as club nominee for County THDA chairman. The Club also voted to enter a float in the Junior Livestock and Poultry Show Parade on Saturday, Feb. 19.

Mrs. Wellington B. Betz of Osweque, Ill., was a visitor and Mrs. J. B. Odom, formerly of Halfway was welcomed as a new member.

Others attending were: Mesdames Bess Werner, J. H. Landers, B. B. Northcutt, Mayo Phipps, C. A. Sauley, Paul Rudd, Kenneth Rudd, P. B. Sowell, G. C. Merritt, R. L. Wilson, J. C. Morrison, Johnny Townsend, and the hostess.

South Hereford
Mrs. J. P. Slaton, experienced rose grower, gave members of the South Hereford H. D. Club who met with Mrs. Ronald Matthews on Feb. 15, some pointers on selection of roses adapted to the

area. Mrs. Matthews also helped with the program.

Mrs. R. H. DeLancey was a visitor at the meeting and Mrs. Harry Schulz was named a new member.

Members present were: Mesdames W. H. Goetsch, S. S. Williams, Roy Manning, Otto Massie, John Hacker, Ada Hollabaugh, John Draper, Mary Flowers, Edon Craig, Miss Evelyn Bell, Mrs. Slaton and the hostess.

Cultural
The three biggest fire hazards were listed as Men, Women and Children by Mrs. Edgar Telchik who gave the program for members of the Cultural H. D. Club meeting on Feb. 8. Mrs. Paul Corbett was hostess.

Mrs. Telchik stated that the three, as fire hazards, could not be eliminated but they could be trained to prevent fires. She also pointed out that statistics show misuse of matches and careless smoking is the cause of one third of all fires. She emphasized the practice of suspending oil mops so air can circulate about them and using tight cans to store dusting rags.

Roll call was answered with a fire hazard the women could remedy around her home. Improper storage of oil mops and dust cloths, especially those which had been left near water heaters, were the most common ones recognized by the members.

Mrs. J. B. Odom and Jerry were visitors.

Members attending were: Mesdames R. C. Childers, J. T. Richardson, C. S. Barclay, Leona Packard, Louise Olson, Ira Scott, Grady Parsons, Edgar Telchik, Fred Wolfington, Art Lewis, Pat Robinson, Earl DeHart and the hostess.

Wyché
"Causes and Prevention of Fires in the Home and on the Farm" was the subject of the program presented by Mrs. Carroll Newsum when members of the Wyché H. D. Club met with Mrs. Wayne Newsum on Feb. 17.

The need of a county fire truck was discussed and fire insurance was stressed as a necessity.

Members present were: Mesdames J. V. Pickens, Carroll Newsum, James Bell, Wilborn Axe, H. L. Ward, Robert Baird, Raymond Elliston, C. C. Ellis, Ira Ott, E. C. Hewitt, Jr., and the hostess.

Progressive
Mrs. Alton Kemp who was hostess for the Progressive H. D. Club on Feb. 15 gave the program on Fire Prevention.

"Fire is invaluable when under control" Mrs. Kemp told members of the club. "The match is probably the most useful and yet the most dangerous article made by man," she stated. She pointed out that smokers are unintentional arsonists and that matches should be kept away from small children. Other things brought out in the discussion were that financial losses

from fires started by electricity were probably greater than another, yet when properly employed, electricity is considered as a source of light, heat and power. It is not dried in a possible source of spontaneous combustion and no safe formula for flame-proofing hay, straw or Christmas trees is known.

On Feb. 11, a coffee will be sponsored by the club from 9 until 11 o'clock by the home of Mrs. Earl Plank. Guests will be women of the community who are not in club work. On the night of March 31 the club will be hostess for a covered dish supper at the Progressive School for all families in the community.

Mrs. Ones Jackson was a visitor and the following members were present: Mesdames Hugh Clearman, Later English, Pete Carmichael, Horace Hershey, Ira Rickerts, Fred Saltzman, Leon Coffin, C. C. Boyer, Virgil Dodson, C. V. Burgess, C. C. Billingslea, Taf McGee, T. J. Parsons, Harold Beauchamp, Earl Plank, Miss Augustine Gregory and the hostess.

North Hereford
Mrs. Frank Brinkman, an enthusiastic rose grower, gave a very informative program on the selection and culture of roses following the luncheon meeting held at the home of Roberta Campbell by members of the North Hereford H. D. Club on February 17.

Varieties of roses suitable for the area and outstanding characteristics of each were pointed out by Mrs. Brinkman. In the question and answer session which came at the end of the program the women were advised to prepare the ground now and plant in March or April.

At the business meeting Mrs. Paul Hoff was elected as club nominee for delegate to the District THDA meeting. Mrs. A. E. Hodges was chosen as nominee for county THDA chairman.

Demons Cinch Second In District. Cage Standings

By Billy Paul Knox
The Dumas Demons coasted by the Hereford Whitefaces 87-69 on Tuesday night for the second time this year to kill any chance the Whitefaces had of tying for second place in district IAA.

The Herd made a contest out of it until about midway in the second period when the Demons solved the defense employed by Hereford. Paced by Jim Bowen, they then went on to make short order out of the affair.

The Whitefaces surprised everybody by jumping to an early lead, and holding the Demons to a remarkably small lead in the first period, but Hereford's previously air-tight defense loosened up, and Jim Bowen began hitting from outside in the second stanza to remove any doubt as to who the victor would be.

ford only 36 markers. They hit for a field goal percentage of over 60 percent in this stanza, and Jim Bowen couldn't miss from tremendous distances, bringing the third period score up to 71-46.

Hereford was in control of things in the fourth quarter, but the Whitefaces started too late. As usual, the Herd came up with a last-ditch rally, but they found the Demons' lead of 25 points unsurmountable.

Francis Boyd passed the 600 point mark for Hereford as he scored 19 points to pace the Whitefaces. His season total in the highest in District IAA. Jim Bowen chalked up 28 to lead Dumas, but Duane Cleveland and Andy Hicks both had 19.

Perryton Victory Closes Season For Whiteface Squad

By Billy Paul Knox
The Hereford Whitefaces finished their season Friday night by racing past the crippled Perryton Rangers, 62-50. Perryton, playing without the services of Bill Farrington and Bill Thrasher, extended the victory to the principal factors in their triumph.

Hereford got off to a flying start, taking an early lead on the strength of Homer Hershey's floor work and sharp shooting. However the lead was short-lived and the Hereford charm began to dwindle about midway in the period. Dumas finally captured the lead and led, 22-18 at the end of the stanza.

contributed to their loss. Perryton had three men who passed the 10-point mark, and Hereford had only one, Francis Boyd. Boyd scored 27 points to record a great season total of 629 points for an average of 22.5 points per game.

Perryton jumped to an early lead, and it began to look as if they would keep it; but Hereford controlled the backboards effectively, and Boyd sank shots with consistency to keep the Whitefaces at a very close distance. However, the Rangers led, 20-19 at the end of the first quarter.

Hereford stamped in the second period and captured a lead which they would never lose. The Herd was unable to lengthen their lead to a very sizable margin and led by only 33-30 at intermission.

Hereford gained two points on Perryton in the third stanza, but surprisingly enough, the Rangers controlled the majority of the rebounds. Their lack of defense again haunted them as Francis Boyd, Jack Burrus, and Buddy Godfrey worked a fast break very effectively. Score at the end of the third period was 48-43.

Coach Wayne Stark's reserves handled the Rangers fairly easily in the fourth quarter and showed promise of a good team for next year. The Whitefaces were the better by seven points, bringing the final score up to 62-50.

Francis Boyd was high scorer for both teams, tallying 27 markers. Donald Dear and Jimmy Todd were high for Perryton with 13 apiece. James Whitsitt also had 11.

A new system—called "Operator Distance Dialing"—whereby the operator presses a series of keys to dial Long Distance calls to other cities is rapidly replacing the present method of placing your calls manually.

Your Voice Travels Faster Now

Today, your Long Distance calls go through 3 times faster than they did 10 years ago—thanks to new equipment, new methods.

Last year, 83 Long Distance centers in Southwestern Bell territory were added to the "Operator Distance Dialing" network, making a total of 153 such centers now serving you in our five-state area. All cities we serve do not have this new system as yet, but we are adding the necessary equipment as fast as possible. In the next five years, nearly all your Long Distance calls will be dialed by an operator.

Improved Long Distance service is just one way Texas benefited last year by an \$80 million telephone construction

program. We know that a progressive state must have a growing telephone system. Although our increased investment increases operating expenses because it takes more money to operate a larger telephone system, we're moving ahead in 1955 with plans for greater telephone improvements—and greater benefits for Texas.

To enjoy the full advantages of this new, faster method, it pays more than ever to keep a list and place your calls by number.

Hereford Man Draws Montana Assignment

Lt. John S. Coombes, son of Mr. and Mrs. Ellis Coombes, arrived home Thursday for a short leave before reporting to Great Falls Air Base, Mont., for state duty. He has been in Japan with the U. S. Air Corps for the past two years.

Lt. Coombes is a graduate of Hereford High School and attended Texas Tech before enlisting in the service. After enlisting he spent six months at Kinston Air Base in North Carolina and received his wings at Connally Air Base, Waco.

In Japan he was with the 339th Fighter Interceptor Squadron, at Johnson Air Base, and served as commanding officer of the Mito

Gunner Range at Honshu. He will report at the Montana Air Base on March 8, for further duty before being released. Lacking only one semester of work for a degree, Coombes plans to return to the Lubbock school as soon as released to complete his course there.

Mr. and Mrs. V. E. Dodson had Sunday dinner with Mr. and Mrs. Ira Scott and girls.

Mr. and Mrs. Jim Ricketts and children, Mary Beth, Ralph and Fred, Evelyn Hunter and James Corbett were Sunday dinner guests of Mr. and Mrs. Ira Ricketts.

Honoring Shari Carmichael on her tenth birthday, a party was given by her mother, Mrs. Pete Carmichael, Saturday afternoon, Feb. 13. The valentine theme was used in the decorations, games and refreshments.

Contest games played were making the most of valentine day, a heart hunt, Cupid's archery, Mother Goose romance, Cupid is coming, Affinities and balloon bursting. Aprons were given as favors with each guest winning a prize.

The pink and white heart cake was served with frosted cherry punch, cheese snacks and minis to the following: Connie Kent, Sally Whiteside, Rebecca Jackson, Alva Buttrill, Jackie Nunley, Caroline Brumley, Ann Gentry the honoree and her grandfather, W. G. Harris, Mrs. W. H. Gentry and Bobby.

Mr. and Mrs. W. P. Caldwell and boys, Tommy and Douglas, went to Denton last Wednesday to see about Pete's father, C. P. Caldwell, who was involved in a car accident in which his car was wrecked but luckily he has escaped with only minor injuries and a thorough shaking up. The Caldwells returned home Thursday.

Visiting in the V. E. Dodson home Sunday evening were Mr. and Mrs. Bert Brown, Mr. and Mrs. Melvin Sumner, Mr. and Mrs. Bob Capel, Mr. and Mrs. Carlos Vaughn and Mr. and Mrs. John Hunter.

Virgil Dodson, Clyde Russell and Ira Ricketts attended the Sweetheart Banquet Monday night at the Christian Church. The Christian Women's Fellowship honored the men of the church with a banquet.

Mr. and Mrs. Glen Nelson visited Mr. and Mrs. Harold Beauchamp Saturday night.

Kay Lynn Scott spent Monday night with her aunt, Mrs. V. E. Dodson. Mrs. Clyde Russell, Mrs.

Dodson and Kay Lynn helped decorate the church for the Sweetheart Banquet.

Virgil Dodson attended Toastmasters Tuesday night.

CHILD TIES INTO JOB

ENGLEWOOD, N. J. (AP)—In 1953, Barbara (Bambi) Constantine, 9, made her daddy, Dr. Frank Constantine, a bow tie out of felt, an assortment of beads, and rhinestones.

Just as a gag, he wore it to a cocktail party. Friends liked it and told others who passed the word. Today Bambi bow ties are sold in Princeton, N. Y., and Palm Beach. The little blonde girl has earned enough to buy a television set and is pricing pianos.

Bambi makes a creation a day. A woman helps her stitch them and Bambi is looking around for a high school girl as a second assistant.

It's highway robbery!

For sheer fun out on the road, Chevrolet's stealing the thunder from the high-priced cars!

Up to this year, maybe there were reasons for wanting one of the higher-priced cars. If you demanded something really special in the way of driving fun, you simply had to pay a premium to get it. Not any more! The Motoramic Chevrolet has changed all that. Who could wish for more excitement than the

new 162-h.p. "Turbo-Fire V8" delivers? (For those who do, 180-h.p. is optional at extra cost in all V8 models.) Chevrolet also offers the two highest powered sixes in its field.

Come in and see how the Motoramic Chevrolet is stealing the thunder from the high-priced cars!

"Son, the money I'll save with this G-E motor will help send you to school!"

"You see, son, our General Electric motor practically takes care of itself. It requires so little attention that I can spend more time on important jobs that will add to my income. And you know that savings for me means better things for you!"

"And it doesn't cost much to maintain this motor because it's made of cast-iron and built to last a generation or more. Vital parts won't rust outside or inside the motor because it is so well protected from dust, dirt, and water. It has an improved bearing lubrication system, too,

that keeps the motor in top running condition even after hours of rugged duty.

"Now look at that G-E control. It was made to operate outdoors—in any kind of weather. I don't have to worry about our motor burning out because the control was built to protect it against overloads and short circuits.

"Son, all these things mean longer life for our motor and savings for us. General Electric knows our irrigation pumping problems and has given us the motor and control team to solve them!"

THE ADEQUATE LORD

Now as never before the world needs the Holy light that flows from the Sacred pages of His Holy Bible. The adequate Lord and the needy world must be brought together. Ambassadors of God must be summoned and transportation chartered to bear the gospel message to the "four corners of the earth." The candles we light must illuminate the Holy Word, and churches everywhere must keep preaching that Christ is what the world must have for its health and salvation. Like Paul and Barnabas may we be ministers of His Word. The whole world needs the light from the candles, the influence of the cross, and the inspiration of the Bible.

Shamrock's NEW CLOUD MASTER

Try a tank full of Shamrock's new Cloud Master for 1955. You'll recognize a smooth, new power the first time you press the accelerator. And no wonder. The same aviation alkylate that raises the octane of aviation gasoline is now used to raise the octane of Shamrock's new Cloud Master. This means fewer deposits and high, high octane. In fact, no matter what car you drive, Shamrock's new Cloud Master gasoline exceeds the octane requirements. For new, quick power from your car, stop at the green and white Shamrock soon.

Citizens of Deaf Smith County and Hereford will have the pleasure Saturday of getting to inspect the new free County Library and learn of the possibilities brought by the acquisition of the library.

Miss Lillie Hostetler, librarian, and her efficient corps of workers have busily engaged the past two weeks in cataloguing the new and donated books, and getting everything in readiness for the use of the library by the reading public.

It is the plan to eventually have sub-libraries at the school houses over Deaf Smith County whose communities will qualify as representatives to properly care for the books loaned them from the central office here, in the courthouse.

The nurse is already active in rural schools of the county. She invites visitors to her office. It is appropriate that the Deaf Smith

trail leads to Farrar's fiancée, Jeanne Crain. She leads Andrews on a 20,000 mile safari into the Transvaal of Africa where the "dead" man is found alive. The climax of the film concerns Andrews' attempt to bring Farrar out of his jungle fortress.

"Beneath the 12-Mile Reef"

"Beneath the 12-Mile Reef," the third presentation in the Cinemascope process in Technicolor to movie audiences the world over, may open up wondrous spell-binding awareness of what goes on in the silent reaches of the ocean floor, but its producer, Twentieth Century-Fox, has also presented to the public an out-of-this-world romantic team. The studio seems to have uncovered a winning combination in starring Robert Wagner and Terry Moore with Gilbert Roland in the underwater epic opening Sunday at the Star Theatre.

"Thunder Over the Plains" One of the most exciting and sanguine periods in the history of the great Southwest provides the background for Warner Bros.' ac-

tion-drama, "Thunder Over the Plains" starring Randolph Scott with Lex Barker and Phyllis Kirk in top roles. Filmed in WarnerColor, "Thunder Over the Plains" takes place in a colorful period when the post-Civil war tensions were at their peak and lawlessness was rampant.

Randolph Scott enacts a Union Army officer charged with keeping law and order in the territory, although his sympathies are very strongly with the Southerners and against the unscrupulous carpet-baggers from the north.

For Phyllis Kirk, in her role as Scott's wife, "Thunder Over the Plains" marks her first starring role in an outdoor drama and her first since the record-breaking "House of Wax."

Lex Barker, noted as the latest Film Tarzan, keeps his uniform on in "Thunder Over the Plains," as he portrays a Cavalry captain. In the film his role is unsympathetic and his fight with Scott is one of the high spots of the action film.

Free-For-All Closes Main Event Saturday

By Stanley Phillip

Wrestling fans who braved the cold Saturday night to see the matches saw plenty of scientific wrestling and also plenty of the rough, illegal types of brawling. Of the six grapplers here Saturday, it was a first appearance in Hereford for a couple, and had been a long time since any of the others had appeared in this area.

Mark Lewin made his first appearance here against that rugged vet of the ring, Tony Morelli. Bill Parks, also a newcomer, teamed with his brother, Herb, and took on those "candified rowlies," Bobby Wallace and Roy Shire.

To break the ice for the evening, long-haired Bobby Wallace met Bill Parks in a 15 minute prelim. At the bell Wallace immediately started using all the illegal tricks of the trade and Parks was hard pressed to keep the match on an even keel. Within a few minutes the ref, Maurice LaChappell, had his hands full keeping both boys honest. A little over half way through the bout, Wallace threw Bill out of the ring, and disregarding the ref, kept punching him in the face every time he tried to re-enter the ring. LaChappell, in no mood to fool around with Wallace disqualified him after nine minutes, and that was bout number one. Incidentally, Maurice LaChappell is the best referee seen in this area in a long, long time. When he gave an order he wanted it obeyed and didn't mind using a little hairpulling to enforce it.

Second Match

Slowest match of the evening was that between Tony Morelli of New York, and Mark Lewin also of New York. Lewin, a protégé of the well-known Danny McShain, while lacking in experience, is a very able wrestler, and held his own with Morelli. Tony, a veteran of many years in the ring, is a rough boy who has the ability to hide most of his illegal tactics from the referee, which makes him very unpopular with the fans. Lewin finally went on a rampage when Tony added biting to his bag of tricks, and had the ring-wise vet in trouble when time ran out, and the referee called the semi-final a draw.

Main Event

Highlight of the night was the tag team match between Herb and Bill Parks of Canada vs. Bobby Wallace and Prof. Roy Shire of Illinois. The Shire-Wallace team became unpopular immediately by using all the dirty tactics and gangling up on their opponent in the corner. Bill had to come to the defense of his brother Herb or a couple of occasions when the ref was having trouble keeping order. The beginning of the end came when Shire started slugging Herb into the turnbuckle and just as he hit, Wallace would throw a knee into the small of Park's back. After several of these Shire pinned Herb with a leg lock and body press for the first fall.

Second fall started with Herb making contact with Shire and then immediately tagging his brother Bill. Shire, not liking that arrangement, pulled the same stunt and sent Wallace in the ring. Parks went right to work on Bobby and fans got a laugh when the dazed Wallace staggered over to the corner to tag his partner and it turned out to be Herb Parks. Being worked over by both Parks, brothers not to Bobby's liking he managed to tag Shire. Soon after entering the ring, Shire ended up in the same corner that Wallace had left, with both Bill and Herb pounding on him. When LaChappell got things untangled, Herb entered the ring and after a few hard body slams, started com-

ing off the ropes and body clocking Shire. Herb then tagged his brother, and Bill came in and renewed the body blocking. After lowering the boom on Shire half a dozen times, Bill pinned him with his favorite hold, the Sunset Flip. Time of the second fall was nine minutes.

Third and final fall was the thriller of the match. Soon after

the bell Shire started taking headlocks on Bill and running him into the corner where Wallace could conveniently kneel him in the head. One of these trips Bill jerked loose and Shire went on alone and ended up taking his partner's knee in the stomach. Soon after that, Herb Parks caught in the opposing corner was being pounded by Shire and choked with a piece of rope by Wallace, when Bill entered the ring and the free-for-all was on. Even the referee was hit, kneeed and walked on before he could get to the bell and declare the match no contest after seven minutes.

More power where it counts from Mercury's new Dual-Exhaust SUPER-TORQUE V-8 engine

There's a lot of talk about horsepower these days. The numbers go up and up. But what does all this extra power do for you?

The picture above tells part of the story. There's so much power delivered at the wheels of this new 198-horsepower Mercury Montclair that you can actually pick up speed while climbing the steepest hill you can find. This is one graphic way of demonstrating Mercury's new kind of super-torque power.

More top speed is of little value to most

motorists. Cars already can go faster than most legal speed limits. Where you want extra power is in the everyday speed ranges where you do 95 per cent of your driving. And that's exactly where the 1955 Mercury gives it to you... for instant pickup, safer passing power, easier hill climbing.

We've said nothing here about styling—and now there isn't room. But Mercury's years-ahead design is speaking for itself right now at our showroom. Stop in today.
