RUSSIA'S OFFER TO CALL OFF THE Berlin blockade continues to hold the limelight in international speculation. The reason is of course that such a move might tend towards whispering an ending of the "cold war."

"CERTAINLY THE INDICATIONS ARE that the Communist drive to sweep across western Europe to the English Channel reached a dead end some time ago. The signing of the Atlantic Pact put the finishing touches on a union the Muscovites couldn't hope to breach. The time had come for consolidation of their gains and a bringing up of their communications.

BACK OF THIS NOTE IS THE REAL hope that the Muscovites mean business. There also is the suspicion that some ulterior purpose may be hidden in the offer. For instance, the scuttling of the new German republic comprising the three western zones of occupation. Moscow has opposed this project hotly.

While the tactics of the Communist world revolution are bound to vary according to circumstances, and strong-arm methods may be abandoned in certain cases, the global drive will continue.

Japanese Premier Insists He's Liberal, But People Don't Agree

The route to the official residence of the Prime Minister of Japan is lined with endless little boxlike structures, built higgledy — piggledy on the wasteland left by the American fire-bombs. The residence itself is a large, modern, depressing structure. Its present occupant, Shigeru Yoshida, is a tall, old-fashioned, extremely cheerful man. His most striking characteristic is a smile which is apparently a permanent fixture of his face.

Mr. Yoshida is generally accounted Japan's cleverest politician. The headquarters of Mr. Nozaka's Communist party is like the headquarters of any Communist Party anywhere in the world. There are the usual posters displaying earnest, beautiful young people pressing forward into the new dawn, and the usual air of energy, bustle, confusion and conspiracy. Although he is not the titular chief, Mr. Nozaka, who has spent much of his life in Moscow and Yenan, is the real brains of the party.

Politically, Mr. Yoshida has some right to be cheerful. His conservative coalition commands a crushing majority in the Diet. Smiling, Mr. Yoshida explains that he is not a conservative at all. On the contrary, he is very liberal. Hardly anyone in Japan would agree.

He is a sleek, well-groomed man, with curious, heavy-lidded eyes and an air of sweet reason. All he wants, he says, is peace, and rice for the Japanese masses. In the last elections in January, Mr. Nozaka's party tripped its vote and multiplied by eight its representation in the Diet. The party is still a small minority. But it is more and more the party of youth and the intellectuals, and it controls more than half the labor unions. Mr. Nozaka speaks with great assurance of the future.

\$50,000 ASKED TO FIGHT MYSTERY DISEASES HITTING U. S. FLOWERS

WASHINGTON, April 29. (AP)—Strange new plant diseases and a few unexpectedly troublesome old ones are attacking the nation's flowers.

They aren't doing the U. S. treasury much good, either.

He asked the lawmakers to appropriate \$50,000 for the Bureau of Plant Industry so it can get started on research. So far, he said gloomily, "nothing has been turned up that has any effect at all."

Sen. Russell (D-Ga.) lent a sympathetic ear.

"Millions of dollars in taxes were lost last year through these flower diseases," he observed. "We'll have to do something for these people."

SUNDAY SCHOOL LESSON

After Jerusalem Entry, Jesus Shows Authority

Scripture—Mark 11:1-11, 15-18; Luke 19:29-48.

By NEWMAN CAMPBELL

We have all witnessed or taken part in a welcome to our city of a famous person. It may have been the President of the United States, a distinguished foreign visitor, a war hero who has won our love and admiration for his part in the victory, or an adventurer home after performing a great feat—such as Charles A. Lindbergh after his solo flight across the Atlantic.

People come from every section of the city to applaud. We clap our hands, scatter ticker-tape or confetti on the car in which he is riding, wave flags to show our admiration.

Today's lesson tells us of Jesus' great day, when He made His triumphal entry into Jerusalem to the Hosannas of the populace who hailed Him as the Messiah.

Jesus had spent the night at the home of His close friends, Mary, Martha and Lazarus, where He was always sure of a welcome and understanding. He arrived Friday evening from Jericho, spent Saturday, the Sabbath, there, and started for Jerusalem on Sunday.

"And when they draw nigh unto Jerusalem, unto Bethphage and Bethany, at the Mount of Olives, He sendeth two of his disciples, and said unto them, Go your way into the village that is over against you; and straightway as you enter into it, ye shall find a colt tied, whereon no man ever yet sat; loose him, and bring him."

Without question or hesitation the two entered the village, found the colt so tied, and took him. To some who questioned their act they simply answered, as they had been told, "The Lord hath need of him."

When they returned with the colt, they laid their robes upon him. Jesus mounted, and they proceeded on their way with one vast throng of people following or surrounding Him, and another one, from the city, meeting them.

"Many spread their garments in the way; and others cut down branches off the trees, and strewed them in the way." And all the people cried, "Hosanna; Blessed is He that cometh in the name of the Lord."

Even when Christ was making His triumphant entry into the Holy City, His enemies were plotting His death, and how best it might be accomplished. Indeed some of the Pharisees among the multitude said to Him, "Master, rebuke Thy disciples." But Jesus replied, "I tell you that, if these should hold their peace, the stones would immediately cry out."

St. Luke tells us that when Jesus came near Jerusalem He wept over it, knowing that it would eventually be destroyed, and even He could not save it for it would reprobate Him.

Jesus went into the temple, looked about, and then returned to His friends in Bethany, but in the morning, He entered and began to throw out the moneychangers who were doing business therein.

In those days a tribute was demanded to the Sanctuary, and it must be paid in exactly half-shekel. Besides the Palestine silver and copper coins, Persian, Tyrian, Syrian, Egyptian, Grecian and Roman money was in circulation, and the money-changers must have been kept busy making change.

A fee or fixed charge was made on every half-shekel, we are told, and if a person offered two half shekels he had to pay double, and there were many ways in which the money-changers could enrich themselves—at the expense of the people.

Filled with righteous anger, Jesus threw them all out and overthrew their tables, and later, teaching, He said:

"Is it not written, My house shall be called of all nations the house of prayer? but ye have made it a den of thieves."

A few days after Jesus' triumphal entry into Jerusalem, He was to give His great Olivet Discourse, to institute the Lord's Supper, experience five trials, be put to death on the Cross, rise and appear five times before His friends. For—

"The chief priests and scribes heard of His action in throwing the money-changers from the temple and His after-remarks while He taught therein, and they sought how they might destroy Him: for they feared Him, for all the multitude was astonished at His teaching."

Gets Death In Rape Conviction

MARTINSVILLE, Va., April 29. (AP)—A circuit court jury has convicted Francis Desales Grayson, Negro, 37, of raping a white woman. His sentence was fixed at death.

Convicted yesterday, Grayson is the fifth Negro defendant in the case for whom the death penalty has been recommended. Two others are yet to stand trial.

Those convicted, Grayson, Joe Henry Hampton, Frank Hairston, Jr., Booker T. Millner, and Howard Lee Hairston, faced the jury in separate trials in almost daily succession.

James Luther Hairston and John Clabon Taylor remained to be tried. Trial of the former is set for Monday.

Judge Kennon C. Whittle has deferred sentences until the trials of all defendants are completed.

The state charged the men at convicted Mrs. Ruby Stroud Floud, wife of a Martinsville department store manager, on the night of Jan. 8. She testified she was walking down a railroad track near here when four of the men seized her. She said three others joined in the assault later.

Grayson is the only married man among the defendants. He is father of five children ranging in age from two to eight years.

MARTINSVILLE, Va., April 29. (AP)—Arguments were set in the murder trial of Richard W. McGee after District Judge Dan Blair read his charge to the jury.

Both the state and defense rested their cases yesterday.

The 24-year-old defendant is charged with murder in the slaying of R. L. Allston, 42, father of McGee's sweetheart.

Allston's daughter, Betty Jane Allston, 18, testified at the trial yesterday. Other witnesses yesterday included Lubock County Health Officer W. L. Baugh, Sheriff Jack Gary of San Marcos, Mrs. Ethel Allston, the slain man's widow, and Sue Allston, 14, sister of Betty Jane.

BIG SPRING CHURCHES

Revivals To Be Underway In Three Churches Here This Week

Three revival meetings will be underway in Big Spring churches this week, and Sunday the First Methodist church will observe the beginning of National Family Week. Under the leadership of the Rev. Carl Scott, pastor of the First Baptist church in Oglesby, Texas, the Airport Baptist church launches a 10-day evangelistic campaign at 8 p. m. today. The Rev. Scott has held many successful revivals in Texas, Arkansas and Oklahoma. Services start each evening at 8

o'clock. Sunday worship is at 10 a. m. with training union at 7 p. m. and the evening service at 8 p. m., the Rev. Warren Stowe, pastor, announced. Dr. Luther C. Peak, Dallas, will begin a series of revival services Monday evening at the Trinity Baptist church. Dr. Peak is a nationally known evangelist and Bible teacher and is pastor of the Central Baptist church in Dallas. His daily radio broadcast reaches an estimated million people. He also is editor of The Evangelist, a weekly religious periodical. Dr. Peak has traveled in Europe, Egypt, and the Holy Land and is considered an authority on Bible prophecy and world affairs.

Marvin H. Clark, pastor, will speak at the Sunday services and Dr. Peak will speak initially here Monday evening. The meeting continues through May 8. Starting Wednesday evening, the East Fourth Baptist church will launch a revival meeting with Dr. C. Gordon Bayless, Dallas, as the evangelist. Sunday morning the Rev. James Parks, minister, will speak from John 19:5-7, on "Behold the Man." The young people's fellowship is set for 8:30 p. m., training union at 7 p. m. and the evangelist message an hour later. Wayne Nance is to be guest soloist Sunday evening, and Joe Rucker, Abilene, will be the guest director for music at both services.

The First Methodist church will observe the beginning of National Family week with communion at the evening services beginning at 7:30 p. m. At the morning worship, the Rev. Alsie H. Carleton, pastor, will take as his subject, "A Time for Greatness." His evening message will be "We Have An Altar." Sunday school begins at 9:40 a. m. and the worship hour at 10:55 a. m. and Methodist Youth will conduct its services at 8:30 p. m., followed by evening vespers at 7:15 o'clock. The Rev. R. Gage Lloyd, will begin a series of "Missionary Journeys" Sunday evening, speaking on "Christianity Spreads Itself Out." His morning topic, "Growing up Spiritually," will be taken from

Isaiah 54:2—"Strengthen thy cords, lengthen thy stakes."

"Everlasting Punishment" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 1.

The Golden Text is: "Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey: whether of sin unto death, or of obedience unto righteousness?" (Romans 6:16).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For He that soweth to his flesh shall of the flesh reap life everlasting" (Galatians 6:8).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The sinner makes his own hell by doing evil and the saint his own heaven by doing right" (pg. 226). Christian Science services are held at 217 1/2 Main Street. Sunday services are at 11 a. m. and Wednesday services at 8 p. m. The reading room is open from 3 to 5 p. m. on Wednesday and Saturday.

At the Church of the Nazarene the Rev. Lewis Patterson will speak on the sermon topic "In Remembrance Of Me" at the 11 o'clock worship hour. A missionary program will be observed at the 7:15 Young People's Hour. The evening service will be at 8 p. m.

The Lutheran Laymen Circuit Meeting will be held in San Angelo at 3 p. m. Sunday and will be attended by a group from the local church. At the St. Paul's Lutheran, the Rev. A. H. Hoyer will speak at 11 a. m. on "Christian Faith in Action." The Lord's Supper will be observed.

At the State Street Baptist church the Rev. Everett M. Ward will be heard on the subject, "Let the Redeemed of the Lord Say So." The text for the sermon will be Psalms 107:1-15. At 3 p. m. there will be a meeting at the church, located on the corner of State and 13th St., for the purpose of organizing a Women's Missionary Auxiliary. At the close of the 8 o'clock evening service the Lord's Supper will be observed. The Junior Choir will meet prior to the service.

Time for Sunday mass at the St. Thomas Catholic church is being changed from 7 and 9:30 a. m. to 7 and 9 a. m. At the Sacred Heart Catholic church mass will be at the regular hours of 8:30 and 10:30 a. m. First Communion of Children will be held at the Sacred Heart Catholic (Latin-American) Sunday morning and at St. Thomas Catholic church on Mother's Day, May the 8th. A total of 95 children will come into the two churches on the two Sundays.

At the First Christian Church, the Rev. Lloyd Thompson will speak at 10:30 a. m. on the subject "God's Kingdom Come—the How?" Evening services will be at 8 instead of 7:30 p. m. at which time Rev. Thompson will be heard on the subject, "Christ the Only Foundation."

Dr. W. T. Walton, dean of Hardin Simmons University, is to supply the pulpit of the First Baptist church at both morning and evening worship hours Sunday. On several occasions, Dr. Walton has conducted services at the church here and has earned a wide host of friends. J. B. Langston will direct the choir, and regular schedule services will be followed.

The Rev. Emmett Armstrong of Pampa, is the speaker for revival services which are being held at the Park Methodist church. Services began last Sunday and will continue through Wednesday. Week day morning services are at 10 o'clock and evening prayer services at 7:30 o'clock and the formal service at 8 o'clock. Sunday school will be held Sunday at 9:45 a. m. and worship at 11 a. m. The Rev. I. A. Smith, pastor of the church, which is located at 1400 West 4th, urges that all members and friends of the church attend the revival services.

"Increase Our Faith" is the subject the Rev. Sewell Jones will present at the 9 a. m. and 11 a. m. worship hours at the Church of Christ. At the evening service he will be heard on the subject, "The Little Horn." The morning Bible

IT'S FOR YOU

When someone says, "It's for you," our minds begin to buzz with questions. Who is it? What do they want? Good news? Bad News? Work? Pleasure?

It's for you! Commanding words that summon our immediate attention. And those words apply as well to the Church as they do to a telephone call.

The Church is for you! Its services of worship, its program of religious education, its comforting ministrations in time of spiritual crisis . . . all for you!

And the Church has a vital message—good news for a discouraged world. It has a glorious work before it—a happy fellowship for men, women, and children of noble purpose.

The Church deserves your support. *It's for you!*

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

RIBBON RAMBLINGS

Recorded in old Jewish law, we find a lot of dos and don'ts about food and we wonder sometimes if their strict rulings concerning elements of nutrition are not on the right tract.

"Run-down" is an expression which a lot of us use when referring to someone who is not "up to par" physically.

With the cancer drive a recent topic of conversation, most of us were interested in hearing that three Texas researchers have advanced the theory that a special sort of nutritional deficiency plays an important role in causing cancer, mental disease and other mystifying maladies.

We've never liked the idea of someone trying to control the amount of chocolate pie we consume or have many cups of coffee it takes to read a newspaper, but maybe Jewish food laws "have something." Who knows, maybe "we are what we eat."

ASSISTANT AT STAMFORD

McClure Named Grid Aide; Other Mentors Retained

The Big Spring school board Thursday night authorized contracts for a full staff of assistant football coaches, including one new staff member recommended by Athletic Director Carl Coleman.

Coleman, who came here for the board session, requested that Bill McClure, his assistant at Stamford, be proffered a contract to work on the staff here.

At the same time, Coleman recommended that remaining positions be filled by present members of the staff.

The board then voted unanimously to extend contracts to Conn Isaacs, Earl Crawford, Wayne Bonner, Roy Baird and Good Graves.

Isaacs, Crawford and Bonner definitely will be assigned to coaching duties, while the remaining position on the regular coaching staff will be filled by either Graves or Baird, or there is a possibility that positions for both will be established as coaches. In the event one is not retained as a coach, he will be assigned to another department in the school system.

McClure, 27, is a war veteran who attended public schools in Abilene where he played football for Dewey Mayhew at Abilene High school. He attended Abilene Christian college, receiving his degree shortly after the war.

Coleman plans to be in Big Spring on Fridays and Saturdays from time to time between now and June 1, at which time he will move here from Stamford.

The athletic director told the board Thursday night that he and John Malaise, basketball coach, already had started mapping detailed plans for the school athletic program.

Looking 'Em Over

by Tommy Hart

When the Longhorn baseball league opened its season Wednesday night, it was better fixed in the way of umpires than at any time in its history. Three-man teams were working games at Big Spring, Odessa and Roswell, which means that 11 men-in-blue are now on President Hal Sayles' payroll.

Considering the fact that, in its first season of operation some times no more than five arbiters were active, the staff has come a long way. Last man to be hired by Sayles was Tony DeFate, an old hand at the game. DeFate has umpired both in the Texas and WT-NM leagues. He has a cool head and he's not the type of fellow to be pushed around on the playing field.

Dick Reichert, by the way, won't be joining the staff, after all. He notified Sayles at the last moment he couldn't leave his work in South Texas. Milt Eller is on hand, however.

Cotton McCaskey, the big Vernon sacker who was sold to Billings, Mont., during the winter, never reported to that team. He preferred to play at Vernon and obtained his release only recently.

George Calois, who was with Del Rio in 1948, showed up at Billings, however, and is playing.

AL VALDES SHOULD BE POPULAR HERE

Local fans are going to like Alberto Valdez, the Bronc catcher, who showed up here only two days before the season began.

Valdez looked as if he might be loafing while running the sacks against Vernon Wednesday night. Actually, he was suffering from a Charley Horse and he's trying desperately to work it out.

He's very popular with his team mates, by the way.

HOSSES HAVE ONE CLASS MAN TOO MANY

The Broncs are going to have to pink-slip one of their three classmen by May 11. Pat Stacey, Bert Baez and Freddy Rodriguez have all been in baseball longer than three years.

Most of the other teams have too many limited service men at this stage and are going to have to prune their squads after 15 days, the dead line prescribed by the league directors.

Lazarus Coto, the Hosses' reserve backstop, insists his name is spelled with two "o's", not an "a" and an "o" as we have been putting it to paper.

Bert Hernandez, the likeable second sacker on the local payroll, was chaffing at the bits in the opening game, wanting to break into the lineup. His injured digit wasn't quite as serious as was first believed. Medics say he can return to action in a week. He insists he'll be ready before that time.

MARTIN BEING USED FOR PINCH HITTER WITH MAJORS

Bobby (Pepper) Martin, the former Big Spring'er, is being used in a pinch hitter role by the Greenville management.

Manny Mariatas and Rene Escalera, ordered to report to Sherman-Denison from here a couple of days before the season got under way, are playing regularly with the Twins.

Cayuses Stage Late Rally To Nip Dusters, 6 To 5

Carlos Pascual Has Big Night

After ignoring numerous scoring chances in the early rounds, the Big Spring Broncs finally cashed in for two runs in the 11th inning and escaped with a 6-5 victory over the hard-luck Vernon Dusters here Thursday night.

The win was the second in a row for the Hosses over the North Texans, who apparently had the game sewed up with a tally in the top half of that second extra round.

Big Spring came right back with two markers, finally putting an end to the hostilities at 11:35 p. m. Bertie Baez, Big Spring's popular utility man, delivered the kayo punch when he singled between second and first with all sacks populated, the blow sending Carlos Pascual dashing in from third base.

In a sense, the contest was a personal triumph for "The Hot Potato," Pascual. He had five runs-batted-in all told. He walked with the bases loaded in the third, forcing in fleet Felix Gomez in from third. He homered in the seventh with Ace Mendez and Justo Asplazu up front. And he singled home Asplazu again in the eleventh with a blue darter.

Darwin Crisco was on the pitching rubber for Vernon when the end came but the loss was charged to Jack Lambert, who put the winning run on base.

Larry Shaw, Vernon, and Freddy Rodriguez, Big Spring, were the starting pitchers. Both did well enough, though Roddy was in hot water until Pascual delivered his round tripper. Shaw departed for a pinch hitter in the fifth while Roddy stepped-down in favor of Nester Labrada in the eighth.

Vernon ganged up on Fernando for two tallies in the fifth, one in the sixth and another in the seventh.

Gomez collected four hits, one of them a bunt he simply beat out. He also made good on a blow to the infield.

The two teams move to Vernon for a three-game series, starting tonight.

DIAMOND DUST—Choy Gonzalez, Vernon second sacker, almost broke his back going after a curve ball in the first inning, then proceeded to strike out. Pascual made a sensational catch on Don Veitch's ground ball in the second, tossing the Vernon runner out at first on a close play. . . . Larry Shaw, the Vernon flinger, roared in protest when he thought he had a strike on Pascual. . . . Manager Bob Huntley thought enough about it to come in and say his piece to Plate Umpire Jack Dorothy. . . . Pascual who was practically the story Thursday night, knocked down Wayne Moon's ground ball in the 5th. Lost it temporarily but recovered it in time to toss the runner out.

DRAKE RELAYS OPEN IN DES MOINES

DES MOINES, April 29.—The 40th Annual Drake Relays opened today with perfect weather for record breaking indicated.

The two day track meet drew 1,876 athletes from 179 schools, 71 in the university and college divisions and the rest high schools.

The big team favorites are Wisconsin, Oklahoma A&M, California, Michigan State, Missouri, and Texas A&M.

Threatened records, with the possible breakers and their best performance in parenthesis, include: Discus — 165 feet 5 inches, Fortune Gordien, Minnesota, 1948; (Byrl Thompson, Minnesota, 165 feet 2 5/8 inches and George Kadera, Texas A&M, 169 feet 2 inches).

High jump—6 feet 8 inches, Pete Watkins, Texas A&M, 1943. (Bob Walters, Texas, and Vern McGrew, Rice, both over 6:8).

University mile relay — 3:14.1 Ohio State, 1939. (Texas A&M and Wisconsin).

CURTIS AND RUIZ TANGLE TONIGHT

George Curtis, who forged a favorable reputation as a tin-ear with ethics when the Big Spring Athletic club first opened two years ago, pays a return visit to the local palace of horrors tonight, at which time he takes on Arturo Ruiz, the Mexican champion, in the spotlight attraction.

Grapple night is being changed over from Saturday to Friday night this week, with indications it will become a fixture. Promoter Pat O'Dowdy says he always favored Friday but hadn't been able to get the boys before.

At any rate, Curtis gets quite an order in Ruiz, the smooth Mexican with the black tresses. Ruiz came here claiming the junior heavyweight championship of all Mexico. His crown is safe, since he won't have to put it up until he returns to his native country. However, Curtis can set about to tarnish his reputation.

For a 45 minute, supporting match, Jack Pappenheim, the hard-working Oregonian, challenges George Guesette, a new boy Promoter O'Dowdy thinks the customers will appreciate.

JACK PAPPENHEIM ... Greets Guesette

Guesette is an Eastern lad who has been plying his trade in Eastern rings. This is his first visit to this part of the country, at least to Big Spring. His foe, Pappenheim, is an established favorite here.

A 15-minute match featuring two local simon-pures will open the show at 8:30 p. m.

Teddy Williams Zeroes Sights On A's Slants

By The Associated Press

American League pitchers, beware! Ted Williams has found the home run game.

While Rookie Johnny Groth and Jack Graham and teammate Vern Stephens battered the fences, Ted had to be content with singles and doubles. Now he's back in the groove.

Williams had a big day yesterday with his first homer, a single and three walks for a perfect day against Philadelphia. He drove in five runs during the afternoon's festivities at friendly Fenway Park.

Led by Williams, the Sox thumped the A's, 12-5, for a clean sweep of the two-game set. Now they move on to New York for an important series with the Yankees. It was the fourth straight loss for the A's.

Manager Joe McCarthy found encouragement in the pitching of Mickey Harris, making his first start of the season. The 31-year-old lefthander allowed only three hits up to the seventh, although the A's final total was 11.

The Yanks warmed up for the Boston series by downing Washington, 6-2, behind Ed Lopat. The chunky lefthander, supposedly a slow starter in the spring and a great hot weather pitcher, now has won three straight.

Rookies Dick Kryhoski, with two singles and a triple, and Gene Wodling with a single and triple, led the attack on Ray Scarborough for the Yanks' eighth win in 10 starts.

Groth and Graham each hit their fourth home runs as the St. Louis Browns whipped Detroit, 9-6. Groth got his with the bases loaded, his second grand slam, to send the Tigers out front in the third inning.

Although the 22-year-old Johnny drove in five runs and stretched his season-long consecutive game hitting streak to nine games, it wasn't enough.

The Browns pounded four Detroit pitchers, including loser Saul Rogovin, for 15 hits and a sweep of the two-game set. Graham smashed his homer with nobody on in the second.

Cleveland and Chicago were not scheduled, giving player-manager Lou Boudreau of the Tribe another day to rest after being hit on the elbow by a pitched ball.

Both Stan Rolak of the Pittsburgh Pirates, hit on the head at St. Louis Wednesday night, and Bob Elliott of the Boston Braves, injured at Philadelphia Wednesday, were out of action yesterday.

Pete Castiglione filled in for Rojek, getting three hits, as the Pirates lost to the St. Louis Cardinals, 4-2. Alpha Brazle, ace of the Card staff at the moment, copped his second straight. The lefty set down the Pirates with eight hits.

The Pirates lost another infield regular when Danny Murtaugh twisted his ankle and had to be helped off the field in the sixth inning. He said later it was not serious.

Elliott's place was taken by Connie Ryan, who contributed two hits in Boston's 6-1 romp over the Phillies. Vera Bickford allowed only three hits, all singles, in outpitching Jocko Thompson.

Brooklyn bombed the New York Giants, 15-2, moving into a first place tie with the Braves. While the Dodgers ripped the Giants pitchers to shreds, Ralph Branca dotted-out only four hits for his third straight win. Branca was in trouble in the early innings due to wildness, but escaped disaster.

An eight-run blast in the sixth inning, including a pair of homers by Mike McCormick and Roy Campanella, each with two on, did the trick.

Longhorns Invade Felines' Lair For Important Skirmish Today

Big Spring high school's chances in the District SAA baseball race hinges on the outcome of today's game between the Steers and San Angelo in Angelo. Game time was to be 3:30 o'clock.

The Longhorns are a half game ahead of San Angelo and Abilene but a game and a half behind the league leading Lamesa outfit at the present time.

Floyd Martin is due to twirl for Conn Isaacs' Longhorns today while

Bobby Clatterback was being nominated as the Angelo pitcher.

Other games today will send Midland to Lamesa and Sweetwater to Odessa.

Standings:

TEAM	W	L	Pct.
Lamesa	6	1	.857
BIG SPRING	5	3	.625
Abilene	4	3	.571
San Angelo	4	3	.571

Hawks To Enter Meet At Brady

Coach J. A. Jolley of Howard County Junior college plans to take a team of six Jayhawks to the Brady invitational meet, which will be held in that city Saturday.

Those making the trip and the events in which they will compete are Delmer Turner, weights; Billy Wheeler, hurdles; Don McAdams, low hurdles and broad jump; Bob Reed, dashes; and Johnny Hambrick, 440; and either Athol Atkins mile, and Ace Carter, 440.

Abilene Track Meet Called Off

The Big Spring high school track and field team won't be going to Abilene, after all.

The meet has been cancelled by Pete Shotwell, director of athletics at Abilene high school, who said the uncertain weather picture was a factor in his decision.

Wayne Bonner, local mentor, has planned to take a full squad to the meet, which was scheduled a week prior to the state meet.

Merchants Play Saturday Nite

Cotton Mize takes his Big Spring Merchants' softball team to Colorado City Saturday night, where they will clash with the Col-Tex team of that city in a 7:30 o'clock bout.

Mize himself is due to fling for the Big Springers. Leon Glenn Bredemeyer, former local boy, may twirl for Col-Tex.

LOCAL SCHOOL

(Continued From Page 1)
local system, provided they complete certain requirements during the summer, or the state department authorizes employment of emergency teachers.

All of the teachers re-elected will be offered contracts, subject to assignment to specific duties. The administration and members of the board expressed appreciation to those whose contracts could not be renewed because of state requirements. Several of them already possess more than enough college credits to qualify for degrees, except that some essential courses must be completed. In some cases they probably will complete the requirements during the summer, after which contracts will be extended. Others will be offered positions with local school if the state board authorizes emergency teachers for next year. Heretofore the emergency, or supply, teachers, have contributed excellent work to the local system, Supt. W. C. Blankenship said.

Included in that group are Mrs. T. E. Bailey, Mrs. Mattie Clay, Mrs. M. J. Fields, Lucille Grant, Mrs. Clara Miller, Mrs. Zou Parks, Mrs. Jeta Plant, Mrs. Callie Perkins, Mrs. Jess Slaughter, Mrs. Bonnie Smith and Mrs. C. E. Marstand, all teaching at present in the various elementary schools or the High school, and Mr. Melvage Chaney of the Lakeview Negro school.

High school teachers re-elected were Letha Amerson, Roy Baird, Ruth Beasley, Mrs. Mary E. Fields, Wayne Bonner, Earl Crawford, Agnes Curran, Mrs. Jesse Davis, Mrs. Emma Jean Pinnagan, G. C. Graves, Mary Jane Hamilton, Marjorie Harding, Lorena Huggins, Constance Isaacs, Mrs. Ois Karstetter, J. W. Holcombe Reburial Services Will Be Held Here Saturday

Final tributes to a youth who gave his life in World War II will be paid in rites at the Eberley chapel Saturday at 3 p. m. for Pvt. Lloyd V. Holcombe. Pvt. Holcombe, son of Roy R. Holcombe, was a casualty in action on April 3, 1945 in Germany. He was a member of the infantry.

He attended schools here before his entry into service in April 1942. The remains arrived here Friday morning for last respects and final interment. The American Legion post will be in charge of the services at the chapel and the graveside, and Rev. James Parks, chaplain, will officiate. Pallbearers and honor guard will come from the ranks of the Legion. Other survivors include three sisters, Mrs. Pete Earnest, Sand Springs, Mrs. Patsy Simmons, El Paso, and Letha Pearl Holcombe, Kansas City, Mo.; and three brothers, Norman R. Holcombe, Harold D. Holcombe, and D. W. Holcombe, all of Big Spring.

C. Of C. Membership Group Meets Monday

The annual general meeting of the Big Spring chamber of commerce membership committee has been scheduled for 8 a. m. Monday at the Settles hotel. J. W. Purser, committee chairman, announced today. Breakfast will be served at the session, Purser said. The committee is not planning to begin a special drive at this time, but will concentrate on drafting plans for a detailed program of work to be followed during the remainder of the year.

Funeral Rites For Joseph L. Park Will Be Held Here Today

Funeral for Joseph L. Park, 47, agent for the American Railway Express company at Alpine and a native of Big Spring, will be held at 5 p. m. today at the First Christian church. Park, who was born here Aug. 10, 1901 and was reared in and near Big Spring, died suddenly of heart attack on Wednesday at Alpine. He had visited in Big Spring briefly a few weeks ago. Most of his adult life had been spent in association with the express company, and he was transferred from the lower Rio Grande Valley in February to Alpine. Survivors include his wife; one son, Joe L. Park, Jr., and one daughter, Marilyn K. Park, Alpine; his mother, Mrs. Inez P. Park, Lamesa; two sisters, Mrs. S. W. Lindham and Mrs. Grace Lynch, Big Spring; several nephews and nieces.

The Rev. Lloyd Thompson, First Christian minister, will officiate, assisted by the Al. Baptist minister. The Masonic lodge will conduct the graveside rites and pallbearers will be from the ranks of that order. Arrangements are in charge of the Nalley Funeral home.

High School Girls' Chorus Leaves For San Angelo Festival
Forty-two members of the high school girls' chorus, under direction of Mary Jane Hamilton, left by bus at 7 a. m. today for district musical festival competition in San Angelo. The chorus, scheduled to appear at 10 a. m., was to sing "The Cradle," "Beautiful Saviour," and "God is the Light of the World." Jackie Marchant is accompanist for the group. J. W. King, Jr., director of the municipal band said 70 members of the band would leave by bus at 7 a. m. Saturday for San Angelo. Brass, reed, and percussion arrangements along with solists were due to be rated during the morning, and in the afternoon the band will play the overture "Das Pensionat," "L'Arlesienne" from Frendole Suite II, and the "Orange Bowl" march. The former two were heard here recently during the annual spring concert. The band will remain for marching contests Saturday evening and return here around midnight.

Butcher Slump Offset By Stocker Offerings In Sale Wednesday

A slight slump in the butcher lines was noted in the local cattle market at the regular Wednesday sale of the Big Spring livestock auction company. Stocker offerings were steady, however. What few bulls showed brought bids from 18.00 to 19.00. Fat cows sold for 18.00 to 18.50 and fat butcher yearlings lured offers up to 25.50 and fat calves were going for 25.00. Stocker steer calves were selling for 27.00, heifer calves for 25.00 and hogs for 19.50. An estimated 650 to 700 cattle and 100 hogs went through the ring.

To Present Program

BARGE TRAFFIC PROCEEDS
Threatened Clash In Berlin Avoided

BERLIN, April 29. (AP)—A threatened showdown between armed Russian and British soldiers over barge traffic in canals in the British sector did not come off today. The barges began moving early today under the protection of British military police. There was no interference from the Russians. Five Russian officers, who wore side arms and had announced their intention of remaining at canal locks in the British sector to stop barges lacing Soviet registry pulled out during the night. They had not reappeared this morning. But the British MP's backed up by an armored car, stayed on. The British began sending empty barges through the disputed locks to distribution points in midtown. Whether the Russians would reappear to try to block this traffic for the third consecutive day remained to be seen. The Russian claim that no barges may be operated on Berlin's canals which lace waterways in the Soviet zone west of Berlin with those in the eastern part of the Russian zone, unless they have registration certificates issued by the Russian-controlled waterways directorate. The British do not dispute the right of the Soviet military administration to supervise the canals technically. They do, however, reject any claims by the Russians to interfere with this specific type of traffic which is purely for western Berlin and is of no interest to the economy of the surrounding Soviet occupation zone. The British have denounced the Russian attempt to block the canal distribution system as "a provocative action which is all the more surprising at a time when informal discussions have been taking place regarding the possible lifting of the blockade." The Russians made their first attempt to stop movement of the British barges Wednesday. The British protested and the order was rescinded. The Russians reinstated the order yesterday and sent in the force of five officers. Barge traffic was stopped for a time but was resumed after another complaint. Some observers speculated that the Russians might be testing allied reactions.

VEIL OF SECRECY OFF MOTORCYCLE
 WASHINGTON, April 29. (AP)—The Army whisked the veil of secrecy today from a couple of items. A circular directed the change from "security classification" to "unclassified" information details about: Motorcycle, solo (Harley-Davidson model). "Watch, pocket, Hamilton, 16 size, 21 jewel, model 992B." Citizens who, unwittingly, have been using these secret gadgets for years now may exhibit them in public without fear of the espionage act.

Five Firemen Injured In Oil Tank Explosion
 ORANGE, April 29. (AP)—Five firemen were injured critically early today when a 55,000-barrel oil tank that had been set afire by lightning exploded. The tank in the Orangefield Oil Field, 10 miles west of Orange, was struck during a thunderstorm about four o'clock yesterday afternoon. About midnight, firemen believed they had the flames out. Five of them climbed atop to investigate. The blast occurred while they were clambering over the tank. The injured were: E. L. Barker, Orange fire marshal; A. G. Mott, Orange fireman; Jack Methner, volunteer fireman for the Dupont Co.; Lewis York, Orange volunteer fireman; and George R. Vallery, civil service fireman for the Navy. Three of the injured were taken to the city hospital and the other two to the Frances Ann Litcher Hospital. Attendants reported all except York were unconscious. The tank belonged to the Gulf Oil and Refining Co. It continued to burn fiercely during the morning. Firemen from Orange, the Dupont and the naval station fought it. Seven families living near the scene were moved from their homes as a precautionary measure. No other property was in danger. Barker was well known over the state for his fire prevention work. He was an official of the State Fire Marshals Assn.

Another Official Quits In Wichita Falls Political Row
 WICHITA FALLS, April 29. (AP)—Another city official has quit his job here. Alderman John C. Coffey resigned from the city council yesterday. The council refused to accept Coffey's resignation. But he insisted he would attend the next council meeting as a member of the audience. "I regret that I am not in position to give the required time necessary to serve," Coffey said. He was one of four holdover members. The new council first met April 11. Since then two city officers have resigned; two were asked to resign by the council, and the discharge of the police chief has been restrained by court order. The council asked for the resignation of City Mgr. George Fairtrace, and City Atty. Kearby Perry. Fire Chief George O'Steen and Joe Legion of the city engineer's office quit voluntarily. The council discharged Police Chief Chris Jensen, but he obtained a court order restraining the council. Jensen has been the center of a political issue for a year. He discharged Night Police Capt. Ed McDonald for "insubordination." The old city council upheld the discharge. It was an issue in the recent election. Two To Visit Pope

Three Men Injured In McCloskey Blast
 TEMPLE, April 29. (AP)—An explosion at the cold storage plant building of McCloskey Veterans Administration Hospital here has injured three men. A butcher at the plant, John S. Davis, was burned critically. M. L. Harper, chief of special services at the hospital, suffered a hand and forearm burns. A Negro employe at the hospital, Samuel Gage, was burned about the face and hands. Dr. L. M. Cochran, hospital manager, said he believes the blast came from gas leaking from a main. He estimated damage at \$2,500.

NICE SALARY IF YOU CAN EARN IT
 LOS ANGELES, April 29. (AP)—David and Ricky Nelson will get from \$200 to \$400 a week to play David and Ricky Nelson on their parents' radio show, Ozzie and Har. et. A court approved the contracts yesterday. David is 12, Ricky, eight. They're starting at \$200 and will work up to \$400 within a year.

Back Seat Driving Strictly For Women
 LOS ANGELES, April 29. (AP)—Backseat driving is a woman's prerogative. But for a man—well, it's just his tough luck. Appellate court ordered a retrial for Mrs. Cora E. Statley yesterday after she claimed she drove through a pedestrian zone—and nearly through a pedestrian—on her husband's advice. She had been fined \$10 in city court. But the higher court pointed out that the municipal judge failed to instruct the jury on a California law which says a married woman is not responsible for a misdemeanor acting on command of her husband. On the reverse or normal state of affairs, when wife is in the backseat, the law is strangely silent. It's a woman's world, buddy.

Damage Suit Trial Brings Out Fact Nitrate Can Ignite Self
 HOUSTON, April 29. (AP)—Ammonium nitrate under certain conditions can ignite itself. It can explode from heat alone. These two facts were introduced yesterday in the mass trial of damage suits growing out of the Texas City disaster of April 16-17, 1947. More than 500 were killed or missing in a series of explosions and fires, started when the Freighter Grandcamp exploded. The ship had fertilizer grade ammonium nitrate as part of its cargo. The trial being held here is to determine the United States Government's liability for the Texas City disaster. It is a consolidation of some 300 damage suits amounting to around \$200 million. Dr. R. O. E. Davis, assistant head of the division of soil and fertilizer investigation of the Department of Agriculture, testified by deposition that the fertilizer is capable of spontaneous combustion. His statement was presented by attorney's for the plaintiffs seeking to show government officials were worried about the potentially dangerous nature of the fertilizer as early as 1943. Davis stated that Department of Agriculture officials knew prior to Texas City of the fire and explosive characteristics of the fertilizer.
