be used-up, at which time a new cash lease would become effective.

County Judge Homer Henslee presided over the court's session. Commissioners J. T. Guinn, Otto Massie, M. T. Rutter and Hicks were present.

Small Turnout Of Cotton Growers For Quota Voting

Only 18 per cent of Deaf Smith County cotton farmers marked ballots in the marketing quota referendum election held here Tuesday.

Results of the national referendum, which required the approval of quotas by a two-thirds majority...

Of the 94 growers who voted here, 74 voted "for" retaining marketing quotas and market supports...

Four polling places were open from 8 a.m. until 7 p.m. on the election day. They were at the courthouse here in Hereford...

Henry and Ed Tiefert of Hereford received word on Monday of the death of their nephew, Theodore Tiefert, at Brazil, Ind.

BEHIND ALL THOSE WHISKERS, SANTA CLAUS had a big smile for little Timothy Howell, 3. Timothy, son of Mr. and Mrs. Robert C. Howell, 13th and Ave. C, was among scores of youngsters who chatted briefly with the kindly gentleman from the North Pole...

Cites Recent Outbreak As One Of Biggest On Record

AUSTIN, Dec. 13 — State health officials are predicting that encephalitis will become as serious and as widespread a human disease entity as malaria formerly was.

The forecast accompanied an appeal to city and county mosquito control units to begin making plans now for local mosquito abatement programs in the spring.

Biggest Outbreaks On Record They constitute two of the biggest outbreaks of the mosquito-borne disease ever recorded.

The Plains outbreak caused an estimated 15 deaths, Dr. Holle reported.

Contribute \$500 To Hospital Fund

"Where there's a will, there's a way!" Such a statement sums up well the actions of Noble Grand Glensie Shelton and other members of the Hereford Rebekah Lodge.

When she was installed as Noble Grand of the lodge, Mrs. Shelton announced that the project of her tenure was to be a \$500 contribution to the furnishing fund of the children's wing now under construction at the Deaf Smith County Hospital.

Just five months and lots of hard work later, Mrs. Shelton had the pleasure of presenting to T. E. Seigler, hospital administrator, the check for that amount.

Fund raising projects which were undertaken by the Rebekahs included the soliciting of names for the new city directory, serving lunch at a farm sale, sponsoring a Halloween carnival and sponsoring a presentation of the Al Rogers show here in Hereford.

Encephalitis seems to occur in epidemic waves," the commissioner said. "And for some unknown reason the outbreaks are becoming more frequent."

The theory has been advanced that an increase in the number of water impoundments makes for ideal breeding places for encephalitis mosquitoes.

Dr. Holle advised city and county health departments to make sure they had both funds and technical personnel available for their mosquito killing campaigns in the

(Continued On Page 2)

Hospital Had 18 Patients Here; One Person Died

There were 18 cases of encephalitis, one of which resulted in death, treated during the past summer and fall at Deaf Smith County Hospital, according to hospital officials.

The county has no mosquito control unit or plans. Emphasis during the past epidemic was on individual control measures — elimination of breeding places, use of insect repellent lotions and "staying indoors" — in the county.

The City of Hereford used its insect control "fogging" machine at frequent intervals within the city limits during the season just past.

About half of the "sleeping sickness" cases treated here in recent months originated in either Frio or Hereford, the remainder were rural residents, a hospital official estimated.

Football Banquet Honors Players; Kimbrough Speaks

Members of the Whiteface football team, their dates and their parents were honored at the annual football banquet held at the Shirley School cafeteria-Saturday night.

Acting as masters of ceremonies for the banquet program were Taylor Sims, Jerry Malone and John David Bryant, captains of the team this past season.

Musical selections were presented by the Girls Quartet, and a reading, "Football Fan" was given by Almona Ritchie, a Whiteface cheerleader.

A stunt using the seniors on the Whiteface squad introduced the football team, Dorothy Williams, and her attendants, Sylvia Wiman and Jeanette Rayburn.

The cafeteria was decorated in a gridiron theme with goal posts, football banners and maroon footballs used to carry out the decor.

Mrs. Herman Drake and Mrs. Henry Weemes headed the decorations committee for the banquet. The food was prepared by the staff of the Shirley School cafeteria.

Firemen Sponsor Benefit Movie

To provide food for needy families at Christmas time, the Hereford Volunteer Fire Department is sponsoring a special movie at the Texas Theater on Saturday, Dec. 15, at 9:15 a.m.

Admission to the movie, "Abbott and Costello Meet the Keystone Kops," will be an item of non-perishable food, such as canned goods and cake mixes.

Clay Angelo is the chairman of the arrangements committee from the Fire Department which is working with Francis Hardwick, theater owner, in presenting the benefit show.

George E. Rice of Tempe, Ariz., and Mr. and Mrs. R. W. Botsford were supper guests in the O. R. Neel home Monday night.

Over 4,000 View Christmas Parade

The streets in downtown Hereford were lined with over 4,000 spectators Tuesday afternoon for the annual Christmas parade and visit of Santa Claus.

With a theme of "Putting Christ Back into Christmas," the parade attracted nine float entries, all with a religious background.

Music of the traditional carols was presented by the Whiteface Band which headed the parade line-up.

Santa Claus rode in the parade and visited with the children during the parade was over, distributing candy to all.

Co-chairmen of the parade arrangements were Gerald Hale and Dennis Lomas of the Jaycees. They expressed appreciation for the community's cooperation in making the parade and Santa's visit a success.

CHURCH IN THE MILL TAFTVILLE, Conn. — Many employees of a textile mill go to the plant on Sunday — to attend church. Management made one floor of the mill available to Sacred Heart (Roman Catholic) parish for masses after the church burned down.

Firemen Sponsor Benefit Movie

To provide food for needy families at Christmas time, the Hereford Volunteer Fire Department is sponsoring a special movie at the Texas Theater on Saturday, Dec. 15, at 9:15 a.m.

Admission to the movie, "Abbott and Costello Meet the Keystone Kops," will be an item of non-perishable food, such as canned goods and cake mixes.

Clay Angelo is the chairman of the arrangements committee from the Fire Department which is working with Francis Hardwick, theater owner, in presenting the benefit show.

George E. Rice of Tempe, Ariz., and Mr. and Mrs. R. W. Botsford were supper guests in the O. R. Neel home Monday night.

Ed Clark Injured In Trucks' Crash Near Frio School

Recovering in Deaf Smith County Hospital from injuries received Monday morning in a two-truck crash is Ed Clark, 31, Star Route, Hereford. His condition is reported as "good" by hospital officials.

Clark's pickup truck ran under a heavy trailer loaded with grain and he received a broken leg and other painful injuries.

The driver of the semi-trailer truck with which Clark collided was Billy John Knox, 26, of Sudan. He escaped injury. The truck owner was listed as J. H. Vincent, Sudan.

Knox was driving north on 25 Mile Ave., and Clark, a farmer, was proceeding west on the county road when the two vehicles collided.

State Highway Patrolmen Joe O'Rear and Kenneth Maxwell investigated the accident. O'Rear said the pickup was completely demolished and estimated damage to the semi rig at \$300.

Nathan Hopson Is Named Secretary Of IOOF Circle

Nathan Hopson of Hereford was elected to preside as secretary of the circle meetings of the Independent Order of Odd Fellows at a session held in Littlefield Tuesday night.

In addition to the delegates attending from Hereford, representatives were present from Milesheo, Northmore, Morton, Littlefield, and Dimmitt.

Noble Grand of the circle for the coming year is to be Lesly Green of Milesheo. He and Mr. Hopson will be installed at the next circle meeting to be held in Earth in January.

Highlight of the evening was the I.O.O.F. initiatory degree contest between the lodges of Milesheo and Hereford. The competition was reported to be very keen with both teams giving a good performance.

Milesheo was the winner by a slight margin of votes by the judges. Degree team members present (Continued On Page 2)

Club Will Enjoy Holiday Party On Friday Afternoon

By MRS. S. N. THWEATT

Frank Ford spent Thanksgiving with his family in Lubbock and they went to Austin to visit Mrs. Ford's father and mother.

The Messenger H. D. Club entertained Friday night with a turkey supper with all the trimmings. The members and their families who attended were Mr. and Mrs. W. D. Howard, Mrs. R. J. Coleman, Mr. and Mrs. Bruce Coleman, Cinda and Gary, Mr. and Mrs. S. N. Thweatt, Mr. and Mrs. Floyd Brown, Earl and Rodgers, Mr. and Mrs. Ernest Brown, Barbara, David, Dennis, and Mr. and Mrs. N. A. Brown.

Guests of Club

Guests were Mr. and Mrs. Jack Buse and children, Mr. and Mrs. T. L. Collins and son, Mrs. C. W. King and granddaughter, Beverly, Mr. and Mrs. A. L. Shelton, Mr. and Mrs. Tom Draper, Mr. and Mrs. Eldred Brown and Tommie.

Supper was served then games of "42" dominoes and checkers were played.

Mr. and Mrs. Bruce Coleman made a business trip to Lubbock Saturday.

Mr. and Mrs. Bob Howard and Donna spent Friday night in Clovis.

Enjoy Sunday Visit

Mr. and Mrs. Roy Potts and daughters, Gayle and Betty, Mr. and Mrs. N. A. Brown, and Marilyn Potts of Rhea were dinner guests Sunday of Mr. and Mrs. Ernest Brown.

Mr. and Mrs. Eldred Brown, Tommie, Mr. and Mrs. Floyd Brown, Rodgers and Earl spent Sunday with Mrs. C. W. King of Rosedale, N. M.

Mr. and Mrs. S. N. Thweatt visited with Mr. and Mrs. Elmer Asburn of Rosedale Sunday.

House to Hereford

B. F. Mantham moved his house from the farm west of Friona to Hereford Monday. Jack Buse helped him make the move.

Mrs. C. W. King and granddaughter, Beverly, spent Friday night with the Floyd Browns.

Mrs. J. E. Rouse has returned home from her sister's home at Kemp, Texas.

Mesdames N. A. Brown, Ernest Brown and S. N. Thweatt attended the council Christmas party at the Rock Club House in Hereford on Saturday.

Messenger H. D. Club will have

Mosquito...

(Continued From Page 1)

spring.

He said State Health Department entomologists and vector control experts are available to local areas for consultation on their problems of mosquito control.

'Programs Useless Without Funds'

But he added: "Local programs will be useless without working funds."

Meanwhile, the American Society of Tropical Medicine and Hygiene, meeting in New Orleans last month took cognizance of "the increasing exposure of man to mosquitoes due to various socioeconomic trends."

The society adopted a resolution in support of "more adequate work" in the field of mosquito control. It suggested that the work be done by the U. S. Public Health Service, in cooperation with state and territorial health departments.

Last Rites For Former Resident, Elmer E. Ireland

Elmer E. Ireland, a former resident of Hereford and twin brother of E. S. Ireland, died in West Texas Hospital at Lubbock early Sunday morning after a week's illness. Services were conducted at Lubbock on Monday afternoon.

Mr. Ireland was born at Newport in Clay County, Texas, on March 15, 1883 and moved with his family to Dimmitt in 1917. He moved to Shallowater from the Hereford area in 1934 and has been engaged in farming there since that time.

He is survived by his wife; three children, five grandchildren and nine great grandchildren; a sister, Mrs. C. F. Kerr of Hereford, a brother, E. S. Ireland of Hereford.

Attending the services from here were Mr. and Mrs. E. S. Ireland, Mr. and Mrs. J. M. Gilliland, Mr. and Mrs. Clay Ridgeway, Woodrow Ireland and Mrs. Elizabeth Boneso.

There are more than 100,000 locomotives propelled by steam in operation outside the United States.

Ultrasonic vibrations are being used to discourage barnacles on ships' bottoms.

its Christmas party on Friday at 2:30 p.m. at the home of Mrs. N. A. Brown. All members are invited to come and enjoy the party. Gifts will be exchanged.

ADRIAN NEWS

AL GOODINS ARE PARENTS OF NEW DAUGHTER, SANDRA JEAN

By JUDY PINNELL

Announcing the arrival of a girl for the Al Goodin family, she was born Wednesday, Dec. 5, weighing 7 pounds, at the Dimmitt hospital. She has been named Sandra Jean. Congratulations! Debbie and Ronda Goodin have been staying with their grandmother, Mrs. Jesse Jordan, this past week. Mrs. Goodin is to return home Sunday afternoon.

Mrs. Chester Kidder, of Oklanoma City, sister of the Finchers visited over the weekend in Adrian.

Mr. and Mrs. T. A. Preston of Amarillo visited in the H. D. Tomlinson home this weekend. Mrs. Preston and Mr. Tomlinson are brother and sister.

Here from Arkansas

Visiting in the B. L. Kinsey home is Mrs. Kinsey's brother, D. V. Evans, of Mariana, Ark. They plan to visit with their sister and other relatives in Clovis and Portales on Monday.

Mr. and Mrs. Horace Fite and family of Borger visited with Mr. and Mrs. Manuel Loveless and family Sunday.

Visiting over the weekend with Pee Wee Burks and other friends were Mrs. Every Burks, Scottie, Trudy, Jerry and Gabe of Arlington.

East Breakfast Together

The Methodist Men's Breakfast meeting was held Monday morning. There were about 24 men present. Cooks were Loren Creitz, Terry Creitz, Allen Jones and Norman Jacobson. The guest speaker was E. B. Pounds.

Mrs. Johnnie Williams honored Vickie Burns and Mrs. N. L. Jacobson with a birthday dinner on Friday. The Burns and Jacobson families enjoyed a quail dinner—the quail a gift of John Skaggs.

Guest of Bazaar

The out-of-town guests of the Methodist Bazaar Wednesday night were Rev. and Mrs. Jim Pickens, Mrs. Marie Goodwin, Mr. and Mrs. Raymond Thompson, Mrs. W. V. Tolbert from Vega and Mr. and Mrs. Ronald Fuhmann and family of Hereford.

Mr. and Mrs. Frank Fisher of Ludell, Kansas visited here Wednesday through Friday with their friends, Mr. and Mrs. Henry Creitz.

Rev. and Mrs. Johnnie Williams, Mr. and Mrs. Leland Burns, Mr. and Mrs. N. L. Jacobson, and Mr. and Mrs. Edgar Jacobson, attended the Vega Methodist Bazaar on Friday night.

Return Home Monday

Mrs. Lee Amason, Nancy and Lynn of Hereford, visited with Mr. and Mrs. Jack Fincher Sunday. Mrs. Amason is the daughter-in-law of the Finchers. Jack Fisher came from Farmington to get Mrs. Fisher and children who have been visiting with relatives here. They returned to Farmington Monday.

Mrs. Fred Scheuler and Mrs. F. W. Scheuler of Elk City, Okla., visited with Mr. and Mrs. Ernest Frank Wednesday and returned home Thursday.

Family Visits Made

Mrs. Ina Ward, sister of Mrs. Ernest Frank, of Woodward, Okla., visited over the weekend in the Frank home. Her daughter, Mrs. Charles Jeffries of Amarillo visited with her Sunday.

Mr. and Mrs. Cal Jackson attended the funeral of Mrs. Mary Lois Asbury at Tucuman this week.

Mr. and Mrs. Henry Creitz and daughter, Henrietta, visited with their son and brother, Rex Creitz, at Denver recently.

Reports on Father

Leland Burns returned from Claremore, Okla., Wednesday. He reports that tests proved that his father has just suffered a heart attack. There are hopes that he can be removed from the Claremore hospital soon.

Mr. and Mrs. Don Peeks and family of Plainview were overnight guests of Mr. and Mrs. Leland Burns and family, Saturday. Sunday dinner guests were Mr. and Mrs. Edd Lehnen and family of Plainview.

The Methodist Bazaar was a big success. They reported that the proceeds amounted to \$212. The MYF also sponsored the pie and soda drinks. Congratulations!

Rev. and Mrs. Bill Lewis and family had Sunday dinner with Mr. and Mrs. Bob Caldwell.

Attend Bridal Shower

Mrs. Joe Cullender and Jeff attended the wedding shower of a cousin, Mrs. Eugene Boston in Canyon Monday. They stayed overnight with her parents, Mr. and Mrs. E. A. Michael.

Mr. and Mrs. Labry Ballard and family of Hereford, and Mr. and Mrs. Woodrow Perrin and family were dinner guests of the Loren Creitz' Sunday.

Get Gifts Ready

The Simms Study Craft met on Tuesday in the R. L. Pinnell home. They quilted and assembled the clothing for the needy family they have selected for this Christmas. Those attending were Mrs. Glen

Look Who's New!

A son was born to Mr. and Mrs. Eli Anders on Dec. 9 with a birth weight of 7 lbs. 8 oz.

Mr. and Mrs. Margarito Estrado are the parents of a son who weighed 6 lb. 12 oz. at birth on Dec. 10.

New daughter of Mr. and Mrs. James Lee is little Lilly Olean, born on Dec. 10 and weighing 7 lb. 12 oz. Her grandparents are Mr. and Mrs. J. M. Lee of Hereford and H. R. Cole of the Hub Community in Castro County.

Holiday Settings Are Described In Calliopian Club

Mrs. Paul Coneway presented a timely and interesting program on holiday settings, gift-wrappings, mantel and door decorations, and short cuts for holiday menus, at the Calliopian Club meeting held Thursday evening with Mrs. Elizabeth Womble.

Wrapped gifts were shown and ideas for wrapping gifts according to the receiver's hobby or to the contents of the package were described. A western welcome wreath was made out of guided rope, yucca, okra pods and a cow bell. She also showed a back door wreath of a frying pan, spoon, greenery and ribbon. A glittering mesquite tree was decorated with burned out light bulbs gilded in gold and silver.

In conclusion Mrs. Coneway gave several Christmas rules including: "The best short cut to holiday

WESTWAY NEWS

Lyle Rickmans To Make Their Home In Hereford Now

By MRS. T. B. THOMAS
The Lyle Rickman family have moved and are settled in their new home on Beach Street in Hereford. Neighbors assisted them in moving since Mrs. Rickman was hospitalized on moving day. She had sprained her ankle and had to rest for a day or so.

Jack Colville of Altus visited with Mr. and Mrs. Jack Renfro on Tuesday night. Both men were in Oklahoma on business Wednesday. They returned home late Wednesday night.

Visit Hospital Patient
Mr. and Mrs. J. C. Morrison and Mrs. T. B. Thomas have been visiting Mrs. J. E. Morrison in the Deaf Smith County Hospital during the week.

Judith Morrison was honored on her fifth birthday on Friday afternoon with a gala party. Games were enjoyed by the group before the gifts were opened and admired. Birthday cake and red punch were served to the following: Teresa and Susan Rudd, Lynn and Patsy Rudd, Beverly and Trenton Taylor, Janice and Carol Turrentine, Diedra, Deborah and Dan Thomas and Mary Lynn Morrison. Mothers present were Mrs. Kenneth Rudd, Mrs. George Turrentine, Mrs. Bud Taylor and Mrs. T. B. Thomas and the hostess Mrs. J. C. Morrison.

Home from Hospital
Mrs. Joe Wagoner was released from the hospital on Friday after being hospitalized for some three weeks.

Mrs. Merlin Kaul spent Friday and Saturday in Amarillo visiting of army discharge, Johnny H. Jones. Reward offered. 108 North Texas Avenue. B-13-27-50-2p.

McLALLEN'S BEN FRANKLIN

See actual money used through stirring phases of our country's history!

SPIRIT OF '76

Memorable events of history and drama in the lives of our predecessors in America are recalled as we view the display of currency used in various periods, and now being shown in this Bank's lobby.

LOUISIANA PURCHASE

WESTWARD EXPANSION

History is replete with deeds of daring, valor, intrigue, and in nearly all of these, somewhere or other, the money of those periods entered into each picture to play its vital and important part. With a little imagination, the display at this Bank might well be titled: "The Romance of Money."

This educational and interesting presentation is offered as a service to the community by The Hereford State Bank. It is hoped that among the resultant emotions produced in viewing this display will be an appreciation of YOUR part of the importance of the proper handling of YOUR funds; today! We feel that making The Hereford State YOUR Bank is an important step in the proper regulation of your financial affairs.

22 Girls Enter National Contest For 'Homemaker'

Twenty-two girls took knowledge and aptitude tests for the Betty Crocker search for the American Homemaker of Tomorrow in the home-making department at the high school last week.

The test required about an hour to complete and was divided into two parts. The first was an objective, multiple-choice section, and the second was a discussion question.

The homemaker teachers commented that the test has been designed not only to choose the winners of the "Search for the American Homemaker of Tomorrow," but also to give the girls a better idea of the kinds of knowledge they will need to have before they go into their own homes.

The winner from Hereford High School will be announced at a later date. The Hereford entrant, Sammie Lu McLallen, last year was the state winner and went to Washington for the national contest as "Texas Homemaker of Tomorrow."

Girls taking this year's test are: Dorothy Daniel, Sue Springer, Jane Newsom, Kee Skypala, Elane Waggoner, Aivena Ritchie, Mary Lou McCullough, Claudia Green, Barbara Dameron, Mildred Paul, Patsy Carthel, Kay Kershner, Erlinda Lueero, Carolyn Shirley, Mary Katherine Husker, Shirin Wiseman, Lovilla Finley, Carol Sue Sparks, Loretta Straffuss, Jacquita Miller, Margaret Griffith, Beth Scott, and Carlynn Williams.

Talks On Sweden And France For Delta Xi Meeting.

A group of Hereford teachers were hostesses for a regular meeting of Delta Xi chapter of Delta Kappa Gamma at Hereford High School on Saturday, Dec. 8.

The meeting opened with initiation services for two new members, Mrs. Oleta Gallehon of Dimmitt and Mrs. Laura Penick of Farwell.

After the business meeting, the members heard a talk by Elisabeth Brummer of Sweden as she explained the Christmas customs of her native land.

Ted Moore, senior student at Hereford High School, showed slides and spoke of his three months' stay in France as an exchange student.

Another highlight of the program was a musical presentation of the slides of the new Delta Kappa Gamma headquarters building. This was given by Mrs. Faun Welker and Mrs. Genevieve Howe of Dimmitt.

Hereford hostesses were Mrs. Margaret Ann Dusham, Miss Madeline Bell, Mrs. Eleanor Hudspeth, Mrs. Minibel Collier, and Mrs. Luella Durham. Other Hereford members attending were Mrs. Elizabeth Bonafio, Mrs. Eloise McDougall, Miss Della Stagner and Miss Erma Walker. Mrs. Gene Leggett was a guest.

Golf Tourney Set Here For Sunday

A pro-amateur type golf tournament will be held here for Hereford golfers on Sunday. Regardless of the weather, entrants will be required to tee-off between 11 a.m. and 1:30 p.m.

A drawing at 9 a.m. will determine pairings, and all entries must be in by that hour on Dec. 16. Teams are to consist of four players each. Play will be by the point system.

The entry fee will be \$1 plus green fees. One turkey will be awarded the foursome scoring the highest number of points.

At The Movies

Back from Eternity
Showing at the Star Friday and Saturday is "Back from Eternity." This is a movie most adults will like. Robert Ryan, Anita Ekberg, and Rod Steiger play the leading roles.

The story is about an airliner

with 11 aboard which crash-lands in the Amazon jungle where the people spend two weeks before effecting an escape — and then they are forced to take only five back because of the plane's lack of flying power.

The Burning Hills
Tab Hunter, and Natalie Wood play the leading parts in Warner Bros. "The Burning Hills," at the Star Theater Sunday, Monday and Tuesday.

The ruthless murder committed by a cattle baron and his hired

gun slingers as he tries to grab all the land in the Pecos country is the basis of this story. One young man in particular, whose brother was murdered, in order to get him off his land, finds himself dangerously involved before order and peace are restored.

This is a good movie for the whole family. A rapid-action western of a youthful settler out to avenge the murder of his brother. Good direction and capable acting should contribute to the viewers' enjoyment of "The Burning Hills."

Sue Sowell Will Represent Club

Sue Sowell was named Spanish Club Queen in the recent meeting held during activity period. This is the second consecutive year in which Sue has been chosen to represent the high school group as queen. She will go to Clovis, N.M., to enter the contest for Miss Fiesta.

At the meeting on Dec. 6, the Spanish Club voted to have its an-

nual Christmas party on Dec. 20 at 7:30 p.m. Plans were made to help a needy family at the labor camp this Christmas.

Attending the meeting were Jo Soto, Jeff Gomez, Raymond Allen, Sue Sowell, Ruth Drapeau, Clelan Meharg, Leon Roberts, Bobby Burrus, Burke Inman, Carol Willoughby, Buddy Sparks, Dale Taylor, and Mrs. Roy Calvert, sponsor.

There were 13,600 buttons on one costume, made for Frances I of France in the 16th century.

ALL DISTRICT TEAMS ENTERED

CAGE TOURNEY HERE IS CLASH OF 1-AAA TEAMS

By BILL KNOX
Sports Editor

Basketball fans will get a preview of how the 1-AAA cage race may end here Thursday, Friday, and Saturday in the Hereford Invitational Tournament.

Eight top cage teams, including all 1-AAA teams, will be entered in the tournament. The tourney will be a single elimination affair with four games a day scheduled to be played. First game will begin at three p.m.

The tournament will be the third ever held in Hereford. The first was an invitational tournament in 1954 which was won by the Amrillo Golden Sandstorm. The Phillips Blackhawks copped the 1-AA tournament last year and journeyed to the state finals before losing. Hereford finished third last year and failed to finish the year before.

The Whitefaces are off to a good start this year, winning three and losing but one to Plainview, and may be hard to reckon with. However, such teams as Plainview, Phillips, and Dumas will be entered, making the going rough for any team.

To win the tourney, a team must win three straight games. First round games will see Dumas, Phillips, Hereford, and Plainview favored to advance into the second round.

Dumas engages Canyon; The Demons finished fourth recently in the Plainview tournament. The De-

mons seem to be weak in height, but their accurate shooters make them a contender. Canyon, led by Charles Neblett and George Snapp, will be strong as AA teams go but they aren't expected to be able to cope with Dumas.

The Hereford Whitefaces play the Littlefield Wildcats. Both are members of 1-AAA. The Wildcats are still playing football and may not be at full strength. The Herd boasts one of its best teams in years and will be favored to win.

The Phillips Blackhawks—Levelland Lobo game may be the most thrilling of opening round games. Levelland recently won the Plainview tournament and Phillips has looked potent in opening games. They lost narrowly to Palo Duro, and by a big margin to Pampa, but looked impressive in doing so. Since losing those games they have won over Clovis handsily.

The Plainview Bulldogs, being a member of 3-AAAA, may be rated the favorite of the tournament. The Bulldogs have been impressive thus far this year. They lose their own tournament but to rugged opposition. They dealt the Hereford Whitefaces their only loss, but since then they have lost the services of their fine center, Bob Grace.

Coach Cuby Kitchens has been sending his Hereford cagers through rugged workouts this week—"I'd surely like to win that tournament," he said. And who wouldn't?

Hereford, Texas, Thursday, December 13, 1956

Section Two

Tech Plays Twice More This Week

LUBBOCK — Texas Tech will play two more varsity basketball games in the Lubbock Municipal Coliseum during the next week.

Iowa State, a Big Seven power, plays the Red Raiders here Friday night, Dec. 14, and University of Nebraska meets Tech here on Thursday night, Dec. 20. Preceding the Iowa State game, the freshmen engage Schurzner Institute, coached by former Raider Verdel Turner. A clash with Odessa College precedes the Nebraska contest.

Tech makes its first trip of the season to Dallas to meet Southern Methodist University Dec. 17. The Mustangs, defending Southwest Conference champions, will play Tech here Feb. 9.

DO LOOK BACK

SACRAMENTO, Calif. — "Every driver should glance in his rear view mirror every five seconds," delegates to a safety conference here were told.

Gold leaf and leaf of other precious metals have been made since ancient times, but only recently has it been possible to produce palladium leaf for decorative purposes.

POLK ROBINSON... Tech cager's coach

Hereford Wins Again Over Brownfield Cubs

SPORTS GLANCES by Bill Knox

Buck Overall, Hereford High School principal and well known basketball referee, seems to think that the Levelland Lobos are the best team in 1-AAA.

We don't know where he got that idea, but we've got a good idea. "They're smooth," he said. "They're not at all big, but they're mighty smooth. Hereford will have to improve to beat them."

We knew that all along.

Here's how we predict first round games and why:

Dumas over Canyon — The Demons were a little too much for the Eagles last year, even if they did lose to Hereford. It'll be basically the same teams playing this year and probably the same outcome. Canyon could be lucky, which they are plenty of the time.

Hereford over Littlefield — What else could we say after predicting Hereford to win the district championship? The Wildcats probably won't be at full strength because they're still chasing after the state football title. They'll be lucky if they win it, but they've been lucky all year, so they may be lucky again — lucky enough to win the thing maybe, but we'll wager they are not.

Phillips - Levelland — A six hum dinger. Should be a tremendous battle and who cares who wins? Which ever team wins will be just as tough as the other one. So what difference does it make? After flipping a coin we say, Levelland!

Plainview - Olton — With no sweat we'll say Plainview. Why not? The Bulldogs may reach the finals of the tournament against the Hereford Whitefaces, but it'll be a rugged battle.

The Whitefaces have tremendous potential and could be the best team in 1-AAA if they wanted to. But, like Overall said, they must improve. Every team, if they keep playing, must improve, but the question is: Will they improve enough?

All along we've rated Levelland as a contender. The contenders, we predicted, are Phillips, Levelland, and Hereford. That, by itself, may not have been a rash prediction. But doesn't everybody remember what we predicted earlier?

Phillips won the 1-AA championship last year. They, along with Hereford and Dumas, jumped to 1-AAA this year. Littlefield, a member of AA last year, made the jump also. Levelland was already a member of 1-AAA.

That may be the main advantage for the Lobos. They've had the experience of playing rougher

opposition than the other teams. Of course, Phillips has played two AAAA teams this year, but they started a little late.

The Hereford Whitefaces roared from behind to erase a seven-point third quarter deficit and nip the vastly improved Brownfield Cubs, 51-48, Friday night at Brownfield.

Playing at times with the luck of Aladdin, the Cubs almost gained revenge for an earlier 54-44 defeat at the hands of the Whitefaces.

It was a brilliant fourth quarter flurry for the Herd which sent the Cubs down for the count. Trailing by seven points as they entered the fourth quarter, the Whitefaces began to pop the nets with consistency. With less than two minutes left, the Herd had charged into the lead.

Hereford Starts Fast

Hereford had taken the opening lead with two straight field goals by lanky Jim Curtisinger and Leroy Morrison. The Cubs tied the count with a field goal and a pair of free shots then whisked into the lead.

The Cubs were in front, 16-14, at the first quarter's end.

The Whitefaces regained their lead, however, in the second period. Jim Curtisinger tossed in nine points to lead the Herd. Brownfield managed to score only six points in the second quarter and trailed the Whitefaces at halftime, 25-22.

Cub's Defense Is Good

Brownfield threw up a splendid defense to hold Hereford to only five points in the third quarter. Terry Higgins scored all five of Hereford's third quarter points. At the same time the Whitefaces were scoring only five points, Brownfield was netting 15 to take a 37-30 lead.

It looked as though the Cubs might maintain their lead in the earlier stages of the last quarter. But then the Herd began to hit. Curtisinger and Morrison slowly chopped the lead with their accurate jump shots. Finally with little more than a minute left to play the score was tied at 48-48. After pilfering the ball Curtisinger tossed in a field goal to give Hereford the lead.

Stall Gives Payoff Shot

The Whitefaces then went into a stalling technique. The Cubs, desperate for the ball, fouled Terry Higgins, and Higgins' free shot tied the game for Hereford.

Hereford's Jim Curtisinger was the top scorer for the night, dunking in 25 markers. Bob Cason led Brownfield with 16, and Leroy Morrison scored 12 for Hereford.

The Whitefaces' next game will be against the Littlefield Wildcats in the Hereford Invitational Tournament which opens Thursday.

U. S. deaths from communicable diseases listed among the 10 leading causes of death were 36 per cent of all 1960 deaths compared with 5 per cent from the same diseases today.

Funk Defends Title In Match Saturday

Dory Funk, present holder of the Southwest States Junior heavyweight championship, will defend his title here Saturday against Rip Rogers.

Rogers won the right to meet Funk in a five man battle royal last Saturday at the new Deaf Smith County Bull Barn.

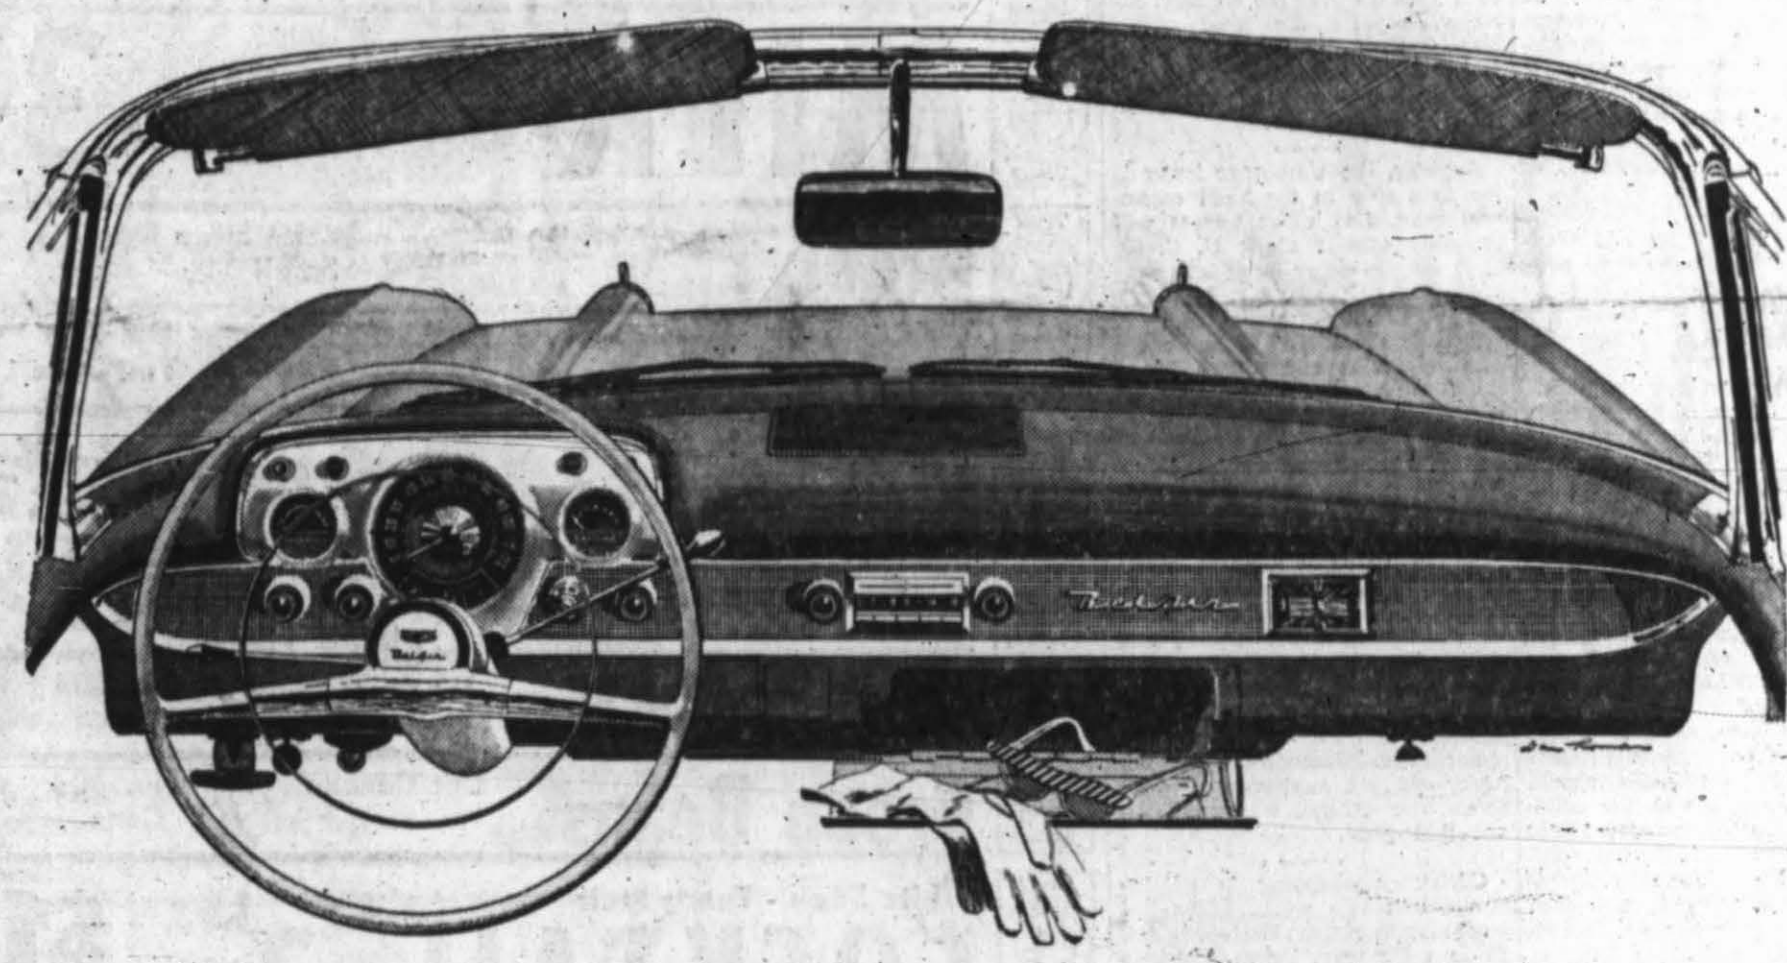

Dizzy Davis, former holder of the title, was the first man eliminated Saturday, and left with no pay. Funk and El Diablo, the next two out, clashed in a two of three falls match with Funk winning with no sweat.

Rogers wiped out-big John Tollas to gain the right to meet Funk. Rogers and Tollas were the last two left in the ring, and Rogers won the match and the fight a-ute time limit.

Funk's star-studded championship belt will be on display in the window of Dub's Man Shop Thursday and Saturday afternoons, reports Harold Wester, Lions wrestling chairman.

The match will be the first championship match held in Hereford since Dory Funk and Wayne Martin had a bloody brawl some five or six years back. Funk won the title then.

Another top match Saturday will be Big Bob Orton against Dizzy Davis for the best two of three falls or one hour time limit. The championship match is for the best two of three falls or 90 minutes.

You get better looking in a '57 Chevrolet!

There's a whole new outlook behind the wheel—a bigger view of the road over that sassy hood. And doesn't that new instrument panel also make you want to get in and go!

You feel for all the world like you're viewing one of these new wide-screen movies when you first look through that '57 Chevrolet windshield. Its new, deeper design gives you better, safer seeing. The whole outdoors seems to surround you in its crystal curve.

Glance down—just a bit—and your eyes rest on the sweetest instrument panel a car ever had.

But the going's even better than the looking! Chevy's full of vinegar (horsepower ranges up to 245*), and so well behaved that it gives you a whole new outlook on driving. Come in and see. *

Sweet, smooth and sassy! The Bel Air Convertible with Body by Fisher.

By Jimmie Gilentine

"If the government prints our money... how do they get it out into the hands of the people?"

This question was asked Sam Nunnally by his 10-year-old daughter, Sandy, and it still has Sam scratching his head. He tried to talk about Federal Reserves, Member Banks, Local Banks and the like and, when he got through, Sandy said: "Now tell me in words I can understand." It really is a pretty tough assignment. Truth of the matter, I don't think even the government understands it any too well; at least, I never have felt like I got my part of the swag.

And speaking of banks, the new Hereford State building is a honey. I went through it with Gerald McCaskill the other day, and thought that it was about the nicest thing I have seen. We did have quite a little argument about the color scheme in the executive offices. Gerald said it was green and I said it was yellow. He said, he knew it was green, because President Townsend Douglas said so, and I told him if I worked there I might think it was green, too. Meanwhile, I still think it is yellow. Anyway, they are having open house this afternoon and are inviting the public to inspect the new building. It is really nice. I think everyone who goes will be glad they went. I never saw a nicer or more complete bank anywhere, much less in a small town like Hereford.

Thanks to the self-styled Bootleg Philosopher for another letter. We are not going to print it, however, since he is still using the pseudonym and makes some pretty strong remarks about certain individuals. If he will sign the letter, like I have to sign this column, we will be glad to print it. Otherwise, no business.

A bouquet for "Jiggs and Claudine" Elliston, who came here from Dalhart a few weeks back and took over operation of the Hotel Coffee Shop. All of the luncheon club members who eat there are passing out laudatory remarks. Pleasing a bunch of service club eaters is second only to pleasing the enlisted men in the army and navy, but the newcomers are off to a good start.

Another plug for the coliseum (Bull Barn to us roughnecks). The Shriners met there Saturday afternoon, including a large delegation from Amarillo, and everyone was raving about how nice the building is. When I told them it was built without one cent of tax money, they just couldn't believe it. Those who haven't been inside should make it a point to visit the building. I hear by the grapevine that they are planning a formal dedication and open house after Christmas. This is a good deal. The building belongs to the people and, when people see it, they will use it more and more. It is truly something of which Deaf Smith County may well be proud. Our Commissioners Court used good business judgment, and they merit a word of congratulations and appreciation.

Raylan Evans was in Colorado a couple of weeks ago and found out the hard way that extreme cold weather and nylon seat covers do not mix. He says the mercury was down to around 15 degrees when he went out and plopped down into his automobile seat. A loud report followed, along with a big, jagged hole in the seat cover.

Again and again, I keep hearing rumors about the abundance of quail in New Mexico. They must be true, too, because Grady Rogers and Don Zimmerman were over there last week and reportedly got their limit. If these two can do it, there has to be a lot of quail.

Quite a few people have been asking about the new tower some two and one-half miles west of

town. After checking with everyone in the county, it develops that the tower is part of a privately owned microwave system and belongs to Station KICA, Clovis. The set-up is different from regular cable equipment, and it is not operated by the telephone company, but by KICA through special contracts with CBS and KFDA in Amarillo. The Hereford tower actually contains a receiving set which picks up the KFDA TV programs and, in turn, transmits the program to a similar tower in Bovina. The Bovina tower sends the program on to Clovis, where it will be re-broadcast through the station there. KICA will, of course, take what they want and skip the rest of the KFDA broadcast. They will originate their own local broadcasts. The system cost some \$43,000, according to Gar Packard, manager, and is calculated to bring CBS coverage to the folks in the Clovis area.

Not completely new, but certainly new to this area, the system affords cable TV in smaller towns, some of which might not otherwise be able to maintain and operate stations.

In looking for the answer to this tower, I ran across a lot of questions about another tower, now under construction near Umbarger. The Umbarger tower is part of the telephone company's mobile telephone service and will be operated in this area through Southwestern Bell. The idea is complete service to car telephones so a fellow driving along the highway can pick up his phone and converse with folks all over the country. Already, reports the local office, there have been demands in Hereford for this service during vegetable season — and they think that it is bound to grow.

Anyway, the Umbarger tower is the first step in the local expansion plan, and other towers will probably appear along U. S. 60, U. S. 66 and other large highways until such a time that a fellow simply cannot get away from the telephone at all. No question about it, progress is changing a lot of things — and we can expect a lot more.

The J. A. Pitmans and Lee Benefields are just back from New York, where they spent several weeks. One of Helen Ann McWhorter's former roommates is in one of the big time Broadway productions and had formerly visited in Hereford with the Pitmans, and she really showed them the town. They say that the weather was wonderful this time of year. I understand that Pit and Benny took along their Bermuda shorts, but never did get a chance to wear them. The weather was good, but not that good.

Christmas shopping is gaining momentum this week. Folks are beginning to get the Christmas spirit in a big way. Postmaster Jim Lipscomb tells me that the local office is handling more Christmas cards than ever before in history. Mrs. R. R. Wills and Mrs. Millard Nobles were also telling me that they have more than 2,500 families who signed up not to send local cards, due to the hospital promotion. Something is wrong, somewhere.

DRIVING PREACHER HUGO, Okla. — A 37-year-old drivers' license examiner with the Oklahoma Department of Public Safety has been busy since February combining his present job with newer duties as a minister.

R. J. Brown is looking forward to an even busier schedule as he prepares to further his education in the ministry. One of his problems was solved when a friend offered to pay his tuition for a session at Oklahoma Baptist University, Shawnee.

Active in church work since the age of 16, Brown was ordained as a minister last February and since has served as full-time pastor of Oak Grove Baptist Church.

Make Fruit Cake For Holidays

By CECILY BROWNSTONE

Like rich-as-Croesus Fruit Cake? Then here's a recipe that makes the sort of confection that is wonderful for holiday desserts: Cut the cake into small wedges and let your guests savor — with enormous satisfaction — the moist crumbly combination of fruit, nuts and batter.

These small fruit cakes look so pretty they're great to give for gifts. If you do this, be sure to include the slicing directions (given at the end of the recipe) with the cake.

OLD-FASHIONED BLACK-FRUIT CAKE

Ingredients: 1/2 pound candied

cherries, 1 pound golden raisins, 1/2 pound seedless raisins, 1/2 pound currants, 2 ounces slivered citron, 2 ounces mixed slivered candied orange and lemon peel, 2 1/2 cups sifted flour, 1/2 teaspoon double-acting baking powder, 1/4 teaspoon baking soda, 1 teaspoon cinnamon, 1/2 teaspoon allspice, 1/2 teaspoon of cloves, 1/4 teaspoon nutmeg, 1 cup golden shortening, 2 cups firmly-packed brown sugar, 4 eggs, 2 tablespoons molasses, 2 tablespoons cooking sherry, 2 tablespoons orange juice, 3 teaspoons vanilla.

Method: Prepare fruit and nuts. If citron, peel or raisins are hard, soften them by rinsing in warm

water and steaming for 30 minutes. Mix fruit and nuts with 1/2 cup of the flour. Sift remaining 2 cups with the baking powder, soda and spices. In a large bowl cream shortening and sugar. Add eggs one at a time and beat well after each addition. Stir in molasses. Stir in dry ingredients alternately with the sherry, orange juice and vanilla. Spoon the batter into 1-pound shortening cans lined with heavy brown paper and greased. Put a shallow pan of hot water in bottom of oven (250 degrees) and bake the cakes for 1 1/2 hours, or until cake tester inserted in center comes out clean. Remove cakes from cans to cake racks to cool.

Note: Slice cake lengthwise down the center, so that you have two half-cylinders. Lay half-cylinder on its flat side and slice into wedges lengthwise, so each slice has a bit of the frosting.

MARZIPAN

Ingredients: 1 cup almond paste, 1 egg white (stiffly beaten), 3/4 teaspoon salt, 1 teaspoon lemon juice, 1 1/2 to 2 cups sifted confectioners' sugar.

Method: Mix almond paste and egg white together. Beat in salt, lemon juice and gradually work in the sugar. When mixture becomes too stiff to work with a spoon, knead in enough remaining sugar

with the hands to make a soft, sweet dough. Roll out almond dough on a board covered with sifted confectioners' sugar and cut to fit top of cakes.

Note: Almond paste is available in 1-pound cans in specialty shops throughout the country. One pound is enough to make a thick topping for four 1-pound cakes.

CONFECTIONERS' SUGAR FROSTING

Mix confectioners' sugar with enough milk to make a thin icing. Flavor with almond extract.

LOST AND FOUND DEPARTMENT SPOKANE, Wash. — When 3-year-old Curtis Hahn disappeared from his home the fifth time in a month police began to catch on. Previously, a motorcycle patrol

man and patrol cars took him to the police station when he was found. Each time he headed right for the station's candy machine.

They decided to keep him away from the police station the fifth time. He likes candy too well.

During the Revolutionary War, the British Parliament was told that half the U. S. continental army came from Ireland.

Toyland Enters Atomic Age

By DOROTHY ROE
Associated Press Women's Editor

Today's children will get a head start toward genius through the electronic and mechanical marvels in Santa's 1956 toy pack.

The atomic age has come to Toyland, and every scientific miracle of the adult world is mirrored in miniature for the edification of a precocious younger generation.

This year's Christmas toy pack will top a billion dollars, says Melvin Freud, president of Toy Guidance Council. Prices of individual toys are about the same as last year, and American ingenuity has produced a record number of new designs, providing multi-play use and extra durability.

Almost every business, profession, art and hobby is represented in the new toy crop. National defense is a theme of many scientific new toys such as an electronic field telephone and a jet pilot helmet with a microphone and loud speaker. There's also an electronically controlled radar station, which includes an aircraft identification unit and rocket launching equipment.

The age of automation is exemplified by a toy electronic brain, powered by a heavy-duty electric motor and capable of doing 60 different things, including moving in any direction and firing missiles. It has not been established whether it will do Junior's homework.

For future engineers there's a miniature Panama Canal designed for indoor-outdoor play with operating lock devices that raise and lower boats. So far, however, there is no playroom Suez.

For would-be astronomers and space researchers there is a miniature Mt. Palomar telescope, and a device for viewing the moon.

Food toys make toy departments look like pint-size supermarkets these days, with a number of new kits for junior chefs. Cooking repertoire for the playroom now includes soup sauces, barbecue delicacies, chow; wagon specialties and jelly making. To prepare these there are miniatures of most of Mom's favorite appliances, such as stove and electric mixer.

Housing comes in for its share of attention with a variety of prefabricated structures of tough fib-

ELECTRONIC BRAIN—This young scientist is amazed at the latest marvel of the 1956 toy pack—an electric "brain" that will do almost everything except his homework.

RADAR STATION—This electronically-controlled contraption includes aircraft identification unit and rocket launching platform, for the new generation of child geniuses.

erboard, to be put together by the young builders. These range from split-level dream homes to frontier cabins and from a child-size fire department to a supermarket.

Germany's new luxury trains have hot and cold running water and electric kitchens.

Multi-use is stressed in a bicycle that converts from boy's style to girl's. Watercolor crayons do triple duty as fingerpaints, watercolors and regular crayons.

To teach adult skills there's an electronic switchboard with four lines, a transistor radio that Junior can put together himself and a full-scale broadcasting system. The budding fireman can practice with a new pumping engine that operates realistically and hitches to the garden hose.

There's a new doll stroller that converts into a doll swing or auto seat and has a detachable shopping bag and canopy as well. There's

SAFETY AWARD WINNERS—Practically all employees of the Deaf Smith County Electric Co-op and West Texas Rural Telephone Co-op were present Wednesday for safety award presentation ceremonies. The cooperative employees had received national attention for their safety record "on the job" and "at the wheel" before two accidents occurred last month to mar their records. (Staff Photo)

Christmas Clamor Ready To Start For Each and All

Our first Christmas card arrived Friday. It was from Bessie and Clarence Saulcy. This reminds me that I have not started the Christmas cards nor the Christmas shopping. I guess part of Christmas is

being in a rush.

Mrs. Lawrence Carlson, Route 4, tells me she still has some turkeys for sale. The hens will dress 12 to 15 pounds and the toms 20 to 25 pounds. She will sell them on foot or dress them for you.

I would like to buy some goose feathers to make pillows. I am wondering where I can find these.

My vote for Speedy Christmas Decorators goes to Doris Parsons and Marsha Robinson. They came to the council party last Saturday and as we had not gotten to the hall in time to decorate the tree,

Doris and Marsha were given a box of decorations and asked to decorate the tree. They did a good job and really helped the decorating committee which consisted of Mrs. Ernest Brown and Mrs. N.A. Brown.

Congratulations to the singers from the Bippus Community. They came into Hereford Sunday morning and gave a musical program over KPAN at 8:45 a.m. Some of the women told me that they got up at 5:00 a.m. Those who attended were: Mr. and Mrs. Jack Fortenberry, Mr. and Mrs. Melvin He-

nderson, Mr. and Mrs. A. L. Shelton, Miss Christine Fortenberry, Mrs. Jim Perrin, Mrs. G. V. Hall and Rev. Eugene Naugle. When they left the radio station, they were going back to the Bippus Community House for Sunday School.

FEATHER BED—Ducks by the thousands are resting on Buffalo Lake 35 miles southwest of Amarillo. The scarcity of lakes over the area due to drought conditions is the reason for the concentration of the water fowl on the lake. (AP Wirephoto)

How Can I?

Q. How can I clean kid gloves?
A. Put the gloves on the hands, then wash in spirits of turpentine, in the same manner as when washing the hands. When clean, hang the gloves in a warm place, or where there is a current of air. Keep turpentine away from any fire or flame.

Q. How can I make violet talcum powder?
A. Mix 14 ounces of powdered talc, 2 ounces of powdered orris root, 1/2 ounce extract of cassia, 1/4 ounce extract of jasmine.

Q. How can I set the color and shrink goods before making it into a garment?
A. Dissolve one pint of salt in four gallons of water and soak the goods for at least an hour.

Q. How can I peel the white lining when removing the skin of grapefruit?
A. Pour boiling water over the grapefruit and let it stand for a short five minutes. When it is peeled, the white lining will come away with the skin. The same method can be used with oranges.

Q. How can I make clothespins last longer?
A. Boil new clothespins before using. It will toughen the wood and prevent them from breaking so readily. They will last twice as long.

Q. How can I prevent cheese from becoming dry or moldy?
A. Wrap in greased paper or cheesecloth wet with vinegar. It should be kept in a covered dish in a dry, cool place.

Q. How should the oven be cooled?
A. When the oven door is opened, after the oven has been very hot, it often cools too quickly. But instead of doing this, if a pan of cold water is placed in the oven, it will lower the temperature gradually.

Q. How can I hasten the healing of cuts?
A. If a few drops of paraffin are applied to a cut it often gives instant relief and also hastens healing.

Q. How can I make use of coffee cans?
A. Always save the coffee cans that have tight-fitting lids. They make excellent containers for lard, cookies, or cereals.

Q. How can I make potatoes white and dry after they are boiled?
A. When preparing potatoes, place them in a kettle to soak in cold water for an hour before cooking. After they have boiled and are ready for the table, they will be white and dry.

Q. How can I make cranberry mayonnaise?
A. A delicious salad is made with cranberry jelly served with tiny balls of cream cheese. Cover the cheese with nuts, and serve with mayonnaise.

Brown mud, a waste product in the process of extracting aluminum from bauxite, is a good source of agricultural lime, says the U. S.

Choose Child's Christmas Toys With Care

Every Age Needs Toys Suited To Its Own Ability

Choosing toys for a child's Christmas entails more responsibility than most parents realize because those toys are the very basis of learning during the formative years. As tools of learning, the toys should be chosen for the right child at the right age.

The waking hours of every preschool child are spent in play. This element also figures prominently in the lives of the school child, inside and outside the classroom. During these years a child lays the groundwork for a satisfying life, physically, mentally, socially and vocationally.

Council Gives Suggestions

The Toy Guidance Council, Inc., has compiled the following information as a guide for the selection of the right toys at Christmastime—or at any other time during the year.

Before baby is six months old he grasps and tugs at dangling toys, likes objects he can watch, bang, bite, drop, push, shake and hear. Therefore, before he is one year he might have small, soft animals and dolls (preferably washable), balls, dangling beads (bright and lightweight), banks, bathtub toys, exercisers for crib or carriage, musical toys, rattles.

Age of Exploration

Between 1 and 2 years is the age of exploration. He handles everything with better control over hands and fingers and by 18 months has begun to walk. Toys recommended include blocks, and books (big, bright, with simple pictures), miniature vehicles, musical toys (music boxes, records, toy pianos), take apart toys, push and pull toys, table and chair sets, telephones, wheel toys.

Most children of 2 to 4 are content to play alone, take pride in ownership and develop "make-believe" tendencies at 3. At about 4 they play with other children.

Stuffed animals, balls and banks are useful during these years as are costumes, crafts (crayons, and chalk, strings of beads), doctor and nurse kits, realistic dolls, children's furniture, gun and holster sets, simple gear mechanisms, peep tubes, music boxes, records, push and pull action toys, hand runnets, simple inlay puzzles, kaleidoscopes and telephones.

Like to Imitate
Children 4 to 6 are happiest when playing in a group. They like simple tools, furniture, kitchen equipment and try to construct things. The imitative tendency is much stronger.

For this age group select blackboards, books (story, alphabet, and number), crafts, hobby horses, inflatable punching toys, fictional character dolls, games (ring toss, duck pins for group play), junior construction sets, mechanical action toys, miniature space ports, sireuses, musical toys, pull toys with action, puzzles, spellers, and sports equipment (skates, sleds, basketballs), stereoscopes, bicycles with trainers, pedal cars, wagons, and scooters.

TIME FOR SLEEP, BABY—Helen Cunningham, eight year old daughter of Mr. and Mrs. Fred Cunningham, exhibits true affection for her beautiful baby doll. Such dolls with all their accessories are recommended for little girls between the ages of eight and 10. (Staff Photo)

LOOK OF A JUNIOR SCIENTIST—At the age of 10, David Marcontell has his own ideas about what he wants to be when he grows up. Such toys as this chemistry set are important in developing these natural abilities and specific interests. David is the son of Rev. and Mrs. V. W. Marcontell. (Staff Photo)

Another New Phase

At 6 a child begins to assert individuality, works and plays with larger groups, learns to write, is interested in dramatic and imitative play. This "launching out" continues until about age 8 and toys recommended include more games, from games of skill to parlor games, magic sets, manipulative games, mechanical action toys, photographic equipment, puppets, puzzles, blackboards, books, school supplements, science toys, sports equipment, typewriters.

Dolls and all their accessories, beauty kits are recommended for girls age 6 to 8, while boys might like model building sets, electric trains and accessories, true scale model vehicles, gym equipment.

Little Housekeepers

From 8 to 10 girls' interests turn to animals as collectors' items, sewing, housekeeping toys, dolls and all their accessories. Boys prefer carpentry and model building sets, electric trains, miniature garages, sports equipment. Interests they share include science toys, sports equipment, mechanical action toys, challenging games, crafts, costumes, puppets, puzzles, books and blackboards.

In this 8 to 10 and over age classification, children begin to discover hidden talents, natural abilities, specific interests. Hobbies begin to develop and all of these factors should be taken into consideration.

GOTTA SCREW IT A LITTLE TIGHTER—The fingers of Randy Jones are now ready to manipulate simple tools and to learn the mechanics of a workbench. At four years of age, Randy wants to imitate things that his dad does around the house. He is the son of Mr. and Mrs. J. P. Jones. (Staff Photo)

Several Considerations

The physical and mental development of the child for whom the toy is intended should be taken into consideration, along with his or her age.

Toy council experts offer a very sound bit of advice when they say that a properly balanced "diet" of toys should include three types of toys with the specific choices dependent upon the age group: action toys, concentration toys and

relaxation toys.

PEGGY BROWNING WINS PRIZE WITH 4-H ELECTRIC RECORDS

Rated as a leader in many phases of 4-H Club work, Peggy Browning has been a consistent winner in projects and demonstrations undertaken as a member of the Jolly Girls Club. Her most recent award was a check for \$30 which she received from the Public Service Cos. of Texas for her 1956 record book on electricity.

Peggy Browning

Portable Yard Light
Major project completed by Peggy during the past year was a portable yard light which was built on a stand to be moved from one part of the yard to another. She also repaired electric appliances and cords in her electric project.

After Four Years
This was her fourth year to enter an electric project. In 1953 she won an electric hairdryer as third prize in the county. As second place winner in 1954, she received a waffle iron. With these years of experience, Peggy was able to win first place in the county in 1955 and a clock radio. In 1956 she again won first in the county and second in the district for the \$30 prize money. The other awards were given to her by the Hereford REA.

Wins Free Trip
Last year Ann Dyer and Peggy,

both of the Jolly Girls Club, worked together on a method demonstration of a load center to win an expense-paid trip to the 4-H Round-up at College Station.

A 4-H Club girl for the past six years, Peggy has won a number of blue ribbons in the County Dress Revue.

She is a sophomore at Vega High School where she is an active participant in many phases of the school program, including the girls' basketball team. She is the daughter of Mr. and Mrs. Henry Browning of the Ford Community.

Peggy is also the past president of the Jolly Girls 4-H Club.

CHORAL CLUB ENTERTAINS AT ANNUAL COUNCIL YULE PARTY

Home demonstration women of the county gathered at the Rock Club House in Veteran's Park for their annual council Christmas party on Saturday afternoon, Dec. 8. A large lighted Christmas tree and a snow scene gave a holiday decor to the large room.

Cecil Parker. The group sang Christmas carols and accompanied Mrs. Parker as she sang "O, Holy Night." She was also soloist for the presentation of "The Kings" with accompaniment by Mrs. Clay Ridgeway.

The program was introduced by Mrs. Duane Walker, council recreation chairman, who was in charge of the arrangements for the party. Nancy Parsons at the piano played traditional Christmas music as the group assembled.

The carol "There's a Song in the Air" was presented by a quintet composed of Mrs. T. J. Parsons, Mrs. Taft McGee, Mrs. Joe Landers, Mrs. Cecil Boyer and Mrs. B. L. Wilson.

Feature of the afternoon's entertainment was musical selections presented by the H. D. Choral Club under the direction of Mrs.

Special guest of the club women was Elisabeth Brummer of Sweden who spoke of the Christmas customs of her native country. Elisabeth is an exchange student to (Continued On Page 2)

Simple Chocolate Cake To Provide Delicious Dessert

AND THEN THE FROSTING—Mrs. Edgar Telchik frosts miniature versions of her favorite miracle whip cake for sale at the H. D. Market. Mrs. Telchik has been re-elected to serve as president of the Cultural H. D. Club for a second year.

A cake recipe that is easy and quick to prepare is certainly the order of the day in the present pre-holiday rush. A housewife is lucky to have a recipe that she can prepare with this wanted ease and with assurance that little can go wrong between the mixing bowl and the serving plate.

Mrs. Edgar Telchik recommends this miracle whip chocolate cake as one that everyone will enjoy making—and eating. She ices this cake with a fudge frosting for that extra goodness.

Miracle Whip Chocolate Cake
Mix 1 cup of salad dressing and 1 cup of sugar. Sift together 2 cups flour plus 1 T. of flour, 2 tsp. soda, 4 T. cocoa, and a pinch of salt. Add alternately—first—mixture with 1 cup cold water and 1 tsp. vanilla. Bake in two 8-inch layers in moderate oven (350 degrees) for 30 minutes.

Bippus HD Club Holds Two Meets In Recent Weeks

The Bippus H. D. Club met at the Community House on Nov. 28 with Mrs. Argen Draper presenting a discussion of the "Let's Work It Out Together" topic.

She gave the club members an outline to follow in solving personal and family problems.

Members present for the meeting were Mrs. Jimmy Perrin, Mrs. C. F. Hornfeld, Mrs. Jack Fortenberry and Christine Fortenberry.

The Bippus Club also held an all-day called meeting at the home of Mrs. J. G. Fortenberry on Wednesday, Dec. 5 to work on the club's scrapbook.

Members attending the work session were Mrs. Perrin, Mrs. Hall, Mrs. Hornfeld, Mrs. Fortenberry and Christine Fortenberry.

Step into the wonderful world of AUTODYNAMICS
It tames a tornado of torque!

It unleashes a hurricane of power
It breaks through the vibration barrier
It is swept-wing mastery of motion

Ahead of you, the hushed purr of a muted engine throbs with power.

And at your fingertips, the push-button magic of new TorqueFlite automatic transmission stands ready to convert this power to surging take-off.

A touch of the "Drive" button triggers the newest, slickest, most responsive "get up and go" on the road. You sweep to cruising speed through an extra speed range that gives silk-smooth breakaway acceleration.

every driving situation. You break away from the pack when the light says "go." Romp through stop-and-go 5 o'clock rushes. Breeze past "highway crawlers."

Push-button driving is just one of the exciting experiences that await you in the Swept-Wing Dodge.

There's a mighty new aircraft-type 310 hp. Super D-500 V-8 Engine. New Total-Contact Brakes that match stopping power with horsepower. New Torsion-Air Ride that cushions you in a "Realm of Silence."

All this is yours in a low-slung, swept-wing beauty only 4½ feet high. See and drive it today!

The Government And The Farmer-VII Long Time Ago

EDITOR'S NOTE: This is the seventh in a series of installments presenting the views of the Secretary of Agriculture on farm problems and needs, and their solutions. The views expressed or implied are not necessarily those of The Brand or its editors.

By **EZRA TAFT BENSON**
It is now the national policy of the United States,— endorsed by both major political parties — to use the powers of the Federal Government to aid farmers in gaining their fair share of the national income. We have proceeded in many ways and on many fronts during the past 35 years.

A farm problem occasioned by the First World War resulted in creation of the farm bloc which pushed through the two-price plan of the McNary-Haugen bill, twice vetoed by President Coolidge. President Hoover's Congress passed the Agricultural Marketing Act of 1929. This set up technical and financial aids to farm cooperatives. It created the Federal Farm Board and developed a system of cooper-

ative marketing associations. A half billion dollar revolving fund to stem price declines was used largely to protect wheat and cotton.

In the light of 25 years experience, the measure to aid farm cooperatives may be judged successful. The effort to stabilize farm prices through government purchase is generally agreed to have been a failure. (Author's Emphasis).

THE NEW DEAL

Then came the New Deal with its massive intrusion into the producing, marketing and pricing of agricultural products. I do not question that heroic measures were needed in those days for agriculture and other segments of the economy. But they should have remained emergency measures and should not have been permitted to accumulate tendencies toward subordinating the whole economy under the permanent control of the Federal Government.

With the New Deal came the Agricultural Adjustment Act of 1933. The stated objective was to re-

establish the ratio between prices of the things farmers sold and the things they bought, based on relationships of 1910-14. This formula was called "parity." All subsequent legislation during the New Deal was tied to the concept that it is part of the duty of government through price supports and other means to guarantee farmers some measure of parity. Naturally many farmers, and some farm representatives, developed the conviction that parity is synonymous with justice.

From 1933 to 1939 the Federal Government tried plan after plan to bring this about. It was becoming obvious that government planning was not getting the job done.

THE WAR'S EFFECTS

With the war, Federal policy changed from the price boost to the price guarantee. With Government supports, the farmer was promised that he would not end up in the slough of financial despair in which his father wallowed after the First World War.

The Agricultural Act of 1948 recognized the need for adjustment, but also was cognizant of the need for adequate protection to the farmer. This Act embodied flexible provisions that would adjust the mandatory government support levels on the six basic crops in terms of supply and demand. The Act passed the 80th Congress, then was repudiated by the 81st Democratic Congress. A compromise was reached which guaranteed high mandatory supports for another year. Succeeding Congresses could not resist the temptation to enact further extensions.

It was not until 1954 that the flexible features of the Agricultural Act of 1949 were allowed to begin to go into effect. Even then the amount of flexibility permitted was sharply limited. The flexibility permitted by the Act of 1954 became effective with the harvest of the 1955 basic crops. A number of factors partially nullified the effect of this legislation. The huge carryover piled up by past programs, the record-breaking harvests of 1955 and the limited flexibility provided by the Act all served to handicap this step towards a sound farm program.

The current complaint of the farmer is that he has been caught in a post-war price-cost squeeze; the price which he receives has gone down and the cost which he pays has gone up. However, never in history has there been such an orderly transition from war to peace. But it is of little consolation

to the farmer to know that he has experienced nothing so drastic in the present post-war adjustment period as did the post-war generation of World War I.

(Continued From Page 1)

America and is a senior at Hereford High School.

During the social hour, refreshments were served to those attending. Each club represented brought candy and cookies for the refreshment table.

Christmas gifts were presented to Mrs. Argen Draper, county home demonstration agent, by Mrs. N. A. Brown, outgoing president of the county council. A gift was presented to Mrs. Dorothea Prowell, assistant agent, by Mrs. T. J. Parsons, chairman of the adult 4-H leaders. Elisabeth Brummer was also given a gift of appreciation by Mrs. Walker.

Household Scrapbook

Softening Toothpaste

When the top of the tube of toothpaste has been left off and the contents so hardened that squeezing it will punch holes elsewhere, try holding it under hot water for a minute. This softens it and it will come out at the top.

Phonograph Records

If you wash your phonograph records with soap and water and rinse well with clear water, then dry well, they will sound clearer.

Freshening Fern

If your fern looks dead, try putting it into another pot with a little rich earth and fertilizer with commercial fern food.

Extracting Cork

Do you have a bottle rendered useless because a cork has been pushed into it? Simply add enough ammonia to float the cork and set aside for 48 hours. This will eat into the cork and it can be removed easily.

Removing Screws

To remove stubborn screws, apply a little vinegar to the screw, and in a few minutes it will loosen easily with the aid of a screw driver.

45 Years Ago

Plainview City Council has passed an ordinance forbidding boys or girls under 16 years of age from remaining on the streets of that town after the hour of 8:30 p.m. under penalty of \$100 fine. Lubbock has the same ordinance, and we believe it is a good one as far as it goes, but there are parents in this town who have no certain knowledge where their daughters and sons over this age are after night.

If they did know what some of their children do, they would be terrified and ashamed. Mother, do you know where your daughter is every night in the week, or are you merely guessing that she is at the home of your best neighbor and as safe as if at home?—Lubbock Avalanche.

If Hereford fathers and Mothers only knew what others were even saying about their sons and daughters who gad about after hours!

25 Years Ago

Breeders of registered Hereford cattle in this region met in Hereford last Saturday afternoon to

complete plans for holding the annual auction sale. The date was set for Thursday, Jan. 28, and W. T. Wombie was again chosen as sales manager.

It is estimated there will be 50 head or more bulls to be sold. Fred Rippert, veteran live stock auctioneer of Decatur, Ind., will sell them. The annual Hereford auction attracts buyers from all sections of the country, some for select individuals to head their choice registered herds, and others for extra high bred bull to head and raise the standard of their range herds. Two years ago the highest price ever paid for a young female was bid here when Donna Anna 66th sold for \$5,200.

It is acknowledged there are more straight Anxiety bred Herefords here than any place in the country, and practically all local breeders will have animals consigned to this season's auction. Among the select herds of Herefords here are those of D. L. McDonald, W. T. Wombie & Sons, George Burch of Dimmitt, T. E. Seigler, Leo Wolfe, Ed East, Burl France and Truman Hines.

Soup

If soup has a cloudy appearance, try dropping the white of an egg into it and when it curdles, remove it. This will take away any impurity that is in the soup.

Home-Made Paste

An ideal substitute paste is made of the white of an egg, or if the paste is only needed for a small amount such as a postage stamp or an envelope, then simply wipe out the inside of a shell of a freshly broken egg and you have a paste that sticks like glue.

Bolling Jam

Jam will not boil over, nor will skimming be necessary, if one-fourth teaspoon of butter is added to the jam before boiling begins.

Suede Slippers

Rain spots will quickly disappear from suede slippers if rubbed with an emery board, such as is used for manicuring.

Cleaning Ivory

Ivory ornaments, ivory and bone knife handles may be cleaned in the following way: Rub the stained parts with lemon juice, then with whitening made into a paste with a little lemon juice. Allow this to dry on, and when it is perfectly dry, rub off with a soft cloth or wash off and afterwards polish with a soft cloth.

Water Softener

A handful of borax added to a tub of washing water will make hard water soft.

Miss Mary Kitchens, Jae Morton United Saturday In Church Rites

Miss Mary Kitchens, daughter of Mr. and Mrs. C. D. Kitchens of the Rio community, and Jae Morton, son of Mr. and Mrs. Virgil Morton, were united in marriage at 5 p. m. Saturday, at the Assembly of God Church, Rev. Walter Lane, former pastor of the Assembly of God Church, now of Lubbock, directed the twin-ring service.

Mrs. Glenn Tubbs of Lubbock, organist, played a concert of nuptial music preceding the ceremony and accompanied Mrs. Walter Lane who sang "I Love You Truly," "Because," and "The Wedding Prayer." The traditional wedding mashes were used.

Decorations for the church included baskets of pink gladioli and chrysanthemums backed by emerald palms and seven branches of holly holding lighted tapers. The couple stood before an altar garlanded with chrysanthemums and greenery accented with pink carnations. Family pews were marked by white satin ribbon bows.

Attendants attending the bride were Mrs. Bob Manning, matron of honor, and bridesmaids Mrs. Jerry Morton of Littlefield and Carol Cartwright of Slaton. All three attendants wore pink formal dresses with strapless bodices and ballerina skirts. Topping the bodice was a matching bolero jacket. They carried hand bouquets of white carnations with a touch of pink.

Janice Galley of Dawn served as flower girl and Glenn Don Tubbs was ring bearer. Candles were lighted by Dorothy Kitchens of Slaton and Wynona Scott, also of Slaton. They wore yellow net formal dresses similar to the attendant's dresses.

Jerry Morton of Littlefield served as best man and groomsmen were Glenn Tubbs of Lubbock, brother in law of the bride, and her brother, C. L. Kitchens. Ushers were Dean Hudgens of Lubbock, and Eddie Morton, brother of the bridegroom.

The bride, in traditional white, wore a Chantilly type lace dress fashioned over matching taffeta. The fitted bodice featured a low

square neckline edged in scallops, and long fitted sleeves that came to points at the hands. Joining this was a voluminous floor length skirt of lace with tiers of lace ruffles extending from the bodice to the hemline at the sides. Her veil of silk illusion was edged in lace and fell to fingertip length from a band of pearlized tulle. Her only jewelry was matching ear rings and necklace of rhinestones and pearls, the gift of the bridegroom. The bridal bouquet of white frenched carnations and sweetheart roses was cascaded with white satin streamers.

The bride's mother wore a royal blue linen dress with black accessories and the bridegroom's mother wore a pale blue linen dress with black accessories. Their flowers were white carnation corsages.

Following the wedding a reception was held in the home of the bride's parents. The bride's table was laid in lace over pink and white carnations flanked by pink tapers. A three tiered wedding cake was featured.

Those included in the house party were Mrs. Glenn Tubbs and Miss Wynona Scott. Miss Loraine Morton presided at the guest book. The bride donned a pink frill dress, choosing black accessories, for the wedding trip. After Dec. 14 the couple will be at home at 212 Ave. J.

The bride attended Lubbock schools and is employed at the Southwestern Bell Telephone Co. Mr. Morton is a graduate of Hereford High School and spent two years in Army service. He is employed at Cooper's Market.

Miss Brummer Is Guest Speaker At L'Allegra Session

Miss Elisabeth Brummer, exchange student in Hereford High School from Sweden, told about Christmas in Sweden at the meeting of L'Allegra Study Club held in the home of Mrs. H. A. Cavness.

MRS. JAE MORTON (Angel Photo)

She explained that in Sweden the Christmas dinner was observed on Dec. 24 and traditional foods were frosted ham, dried sea fish and rice pudding which contains only one almond, the lucky young man or woman who finds it is to marry before another Christmas. "The Swedish Santa Claus looks like the American one, but they have no reindeer. A goat wearing bells pulls the sleigh. On Dec. 13, the birth of a Saint is celebrated and one of four girl finalists in contests held in the villages, is chosen to represent the Saint," she commented.

During the business session plans were made for the Christmas party which will be held at 10 a. m. in the home of Mrs. Sylvester Slagle on Dec. 20. Gifts will be exchanged. Mrs. Stanley Slagle will be hostess. Members present were Mesdames J. W. Barnett, Bill Hardwick, James E. Higgins, Chas. Hill, Francis Hill, Richard Ireland, Bill Lawrence, Ed Line, Joe Lyons, Stanley Slagle, Oliver Streu, Chas. Seeds, and the hostess. An oil filter will remove a pound or more of dirt from a car's oil during 5,000 miles of driving.

WARD NEWS

Harold Shearhart Trailer Burned In Cigarette Fire

By MRS. J. TOWNSEND Mr. and Mrs. Harold Shearhart and children spent Thanksgiving in the home of her brother, the John Coles, at Spearman.

A. B. Higgins received word on Saturday of the death of his aunt, Miss Carrie Wood, at Quitman, Mr. and Mrs. Higgins left Monday to attend the funeral. Mrs. Higgins' parents, the A. H. Davises, stayed with the Higgins children.

Mr. and Mrs. Raymond Higginbotham and Landis returned home Sunday afternoon from their holiday trip which took them to Austin where they visited with Mr. Higginbotham's sister Mrs. Frances Doll and children. They attended the Texas A&M-Texas University football game. The results pleased him very much because he is an ex-student and fan of A&M.

From Austin they journeyed to San Antonio to visit with Mrs. Higginbotham's sister and family, the Sam Clemmons. They returned by way of Spur where they spent Saturday night with Mrs. Higginbotham's parents, Mr. and Mrs. Ned Hogan.

Glenda Allison spent the holidays with a girl friend, Jean Barbon, in Tulia.

Here for Holidays Mr. and Mrs. E. W. Jernigan and children of Freeport, Texas, were guests of the Paul Allmons during the holidays.

"PEOPLE AND NATURE" TOPIC OF BETA SIGMA PHI PROGRAM

Facts about people and nature which followed were Mrs. T. M. Cox Jr., Mrs. Bob Brotherton and Mrs. Buren Scott.

The business meeting was conducted by Mrs. Glen Nelson, president. Those attending the meeting were Mesdames Ray Sult, Glen Nelson, J. H. McDonald, M. G. Duval, Bob Lamm, Charles Bell, Arthur Dean, Ed Line, Hugh Tremble, Clyde Russell, Carl Hollingsworth, Robert Brotherton, Guy Cornelius, Ann Woodward, Max Stipe, Labry Ballard, Jimmy White T. D. Devenport, Harold Beauchamp, Leo Box, Buren Scott, F. H. King, Paul Frey, Aubyn Hodges, Ray Johnson and Clarence Veazey.

Contestants on a "\$54,000 Question" program gave the information in answer to quiz mistress, Mrs. Carl Hollingsworth. The contestants were Mrs. Ray Johnson and Mrs. Ray Suits. Hostesses for the social hour

WATCH THOSE LEAVES! A handful of these leaves can kill a cow or several sheep, Dr. Guss said. Removal of the trees is the only permanent control. There are 2,000 telephones aboard the U. S. aircraft carrier Saratoga.

Winged Performance and a Floating Ride make The Big M the road-hungriest car ever built

BIGGEST SIZE INCREASE IN THE INDUSTRY—Mercury is now over 17 1/2 feet long, more than 6 1/2 feet wide. Wheelbase is a big 122 inches. Inside there are inches more headroom, leg room—as much shoulder room, for example, as in many of the most expensive cars.

3-WAY POWER CHOICE

New 290-hp Turnpike Cruiser V-8—Wait till you feel its silk-and-dynamite performance! Optional on all Montclairs and Monteitys.

New 255-hp Safety-Surge V-8 with Power-Booster Fan—A Mercury "first" in the Montclair Series. The engine fan coasts when not needed for cooling. You save horsepower other cars waste, enjoy a far quieter ride.

New 255-hp Safety-Surge V-8—Dream-car performance in the Monterey Series—Mercury's lowest priced line! Features another Mercury "first" which you get at no extra cost on all 316 M engines for '57—8 Thermomatic Carburetor. It automatically controls the temperature of the air the engine breathes—helps keep it uniform summer and winter. Engine starting is easier, usable power and economy are increased.

YEAR'S MOST IMPORTANT RIDE IMPROVEMENTS

Exclusive Full-Cushion Shock Absorbers—One of Mercury's great Floating Ride features. The first shock absorbers in the industry to give such amazing bump-smothering control on rough roads without sacrificing a soft, satin-smooth ride on average roads.

New Swept-back Ball-Joint Front Suspension—Mercury introduces a new improved version of its famous suspension system. Because of the new swept-back design, the front wheels are now, in effect, pulled gently over bumps, rather than pushed into them.

New balanced weight distribution greatly reduces nose dipping on sudden stops and lurching on fast starts.

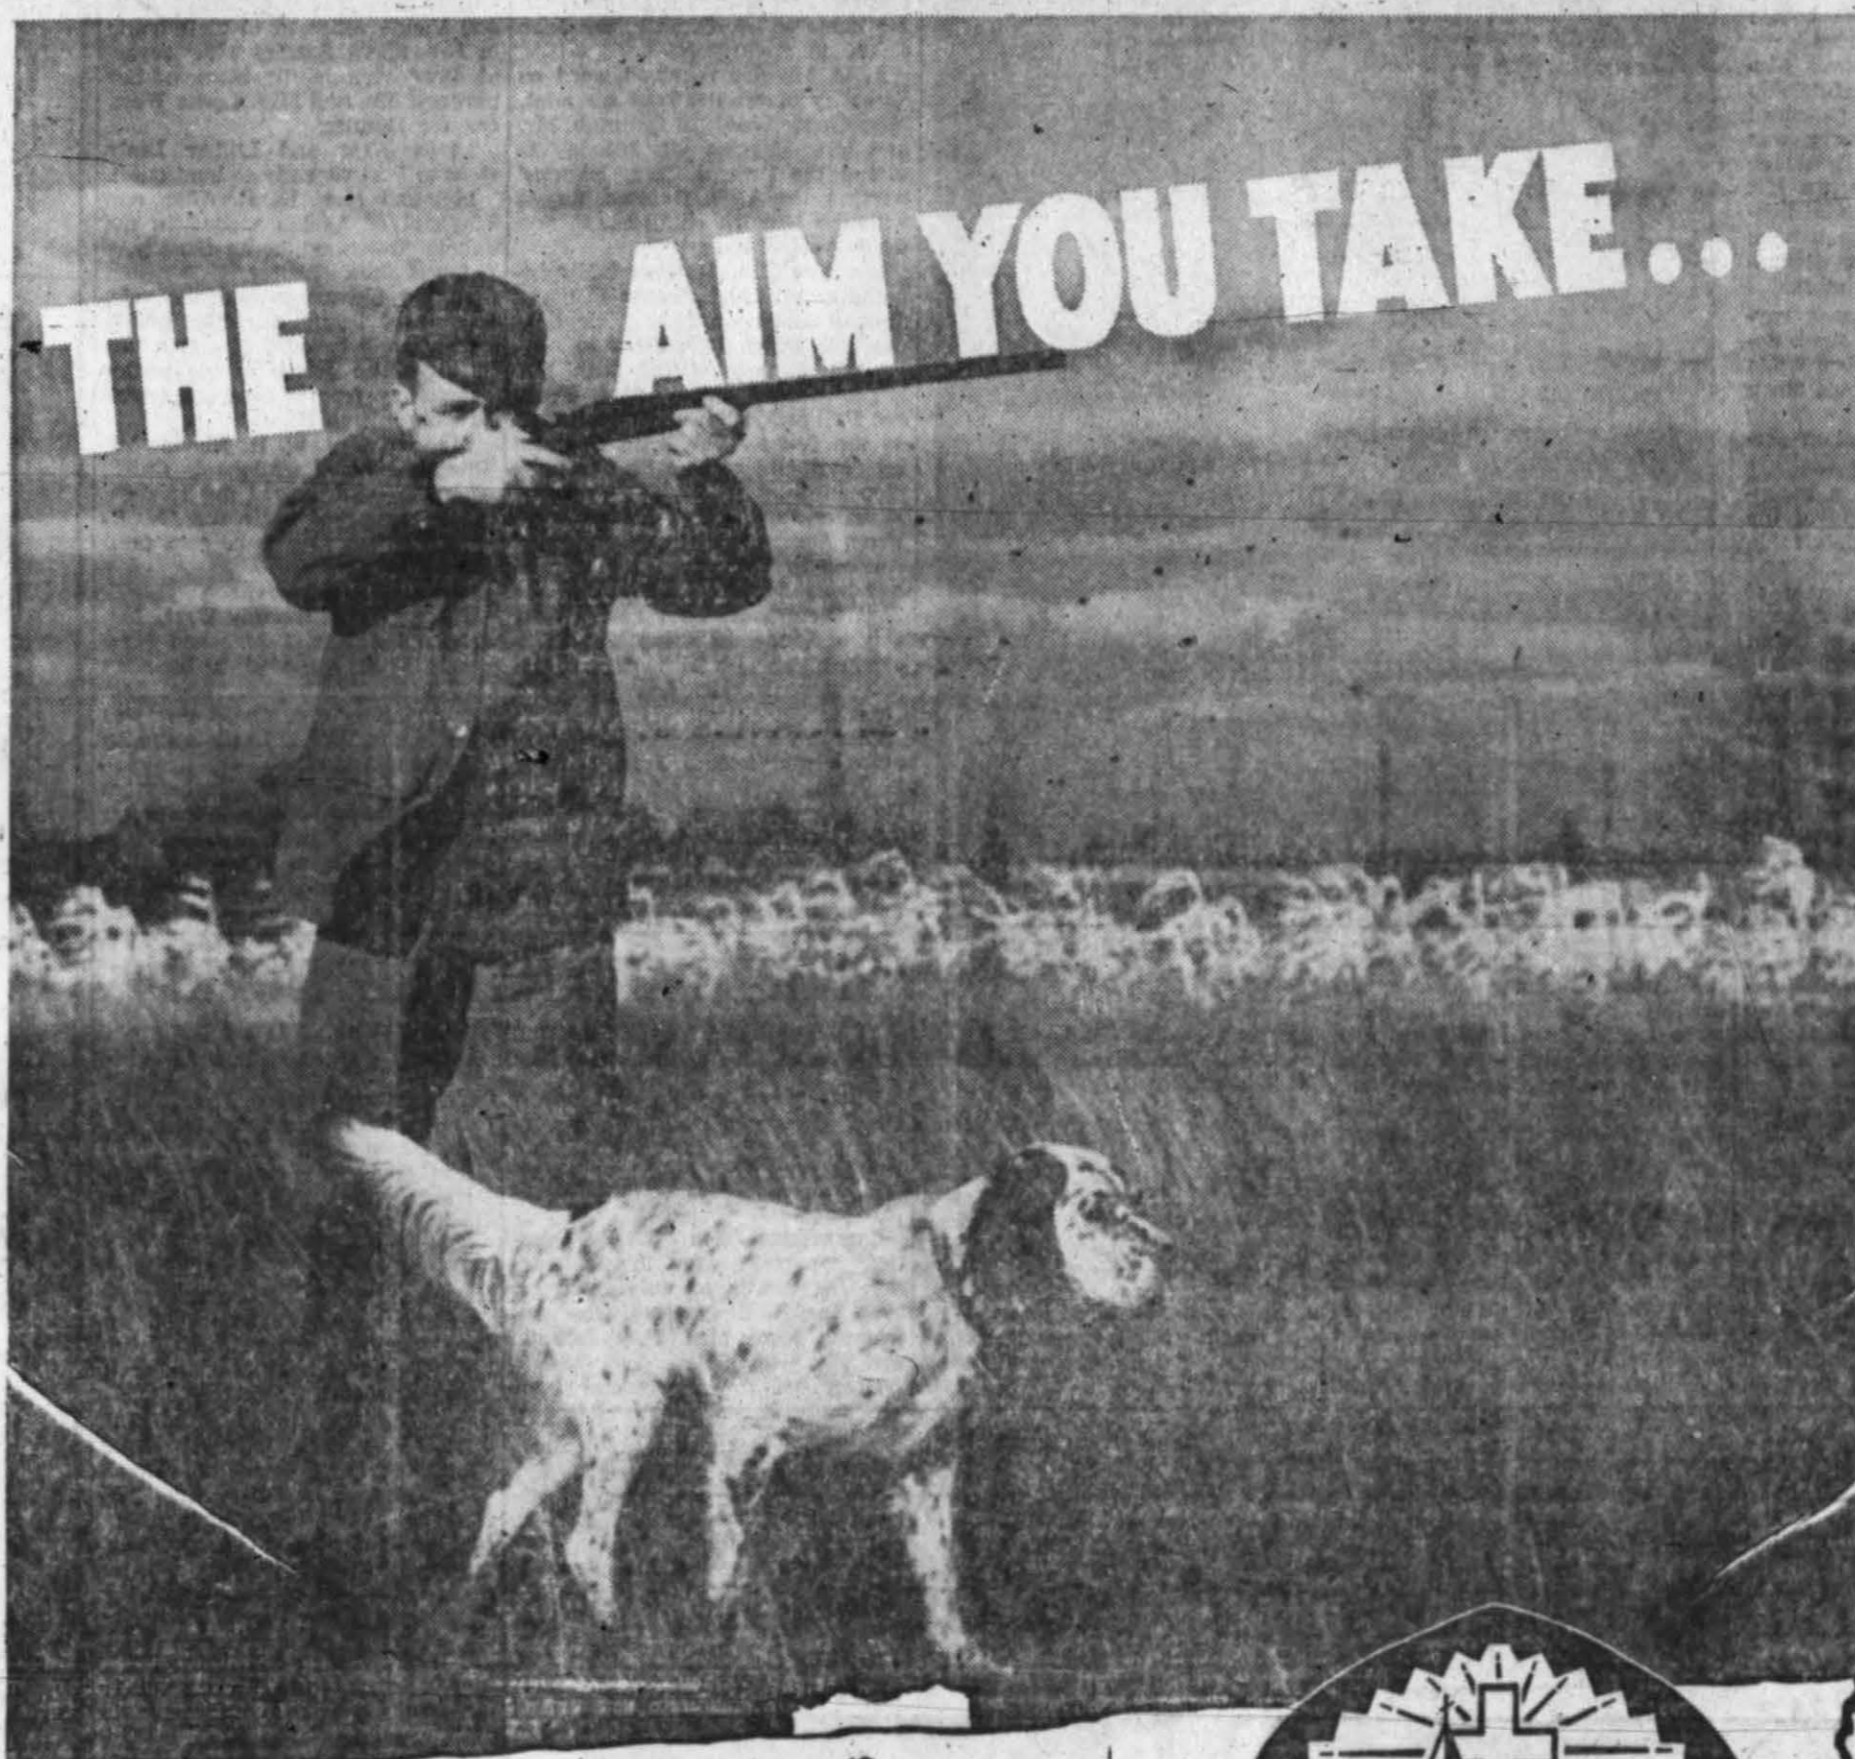

New road-hugging center of gravity—Everything is lower. Car height, passenger compartment, frame, and rear axle. You enjoy an amazing sense of "nailed-down" stability on curves.

You've got to feel Mercury's new Floating Ride to believe it. We invite you to do just that, today, at our showroom.

STRAIGHT OUT OF TOMORROW MERCURY for '57 with DREAM-CAR DESIGN Don't miss the big television hit, "THE ED SULLIVAN SHOW," Sunday evening, 9:00 to 10:00. Station KPFA-TV, Channel 10. DALE ZANT MOTOR CO. East Highway 60 Phone-9

It's a dear bargain if you buy insurance from anyone except an agent who stands ready to represent your interests if you and the insurance company should ever disagree. We have a laugh you'd rather BUY FROM AN AGENT whose first thought is of you—especially when you have a claim. Because we are an independent agency—we have only one master to serve you. That's how this Agency conducts its business. John McLean Insurance Agency 25 Years of Insurance Know How Phone 273

NO SERVANT CAN SERVE TWO MASTERS

In life or in death a man reaps the result of 'his Aim.' We counsel 'raise your sight' or, 'lengthen your horizon', or, 'set your self a goal.' So much depends on 'the aim you take.' Your family, your community, your school and your church will benefit or suffer from 'The aim You Take.'

This is the day of decision, of action. Many have dallied too long. You may choose light, or darkness; honor or shame; pleasure, or pain; life, or death! You cannot travel the wrong road and reach the right end! Jesus said, "I am the way!" Attend church regularly... take the 'Right Aim.'

**You In The Church...
The Church In You**

Form a combination for good. We should attend church regularly. Every man, woman and child needs the influence of the CHURCH. Be faithful Be a Churchman!

American Freedom Is Discussed In Bay View Meeting

A panel discussion on "The Calendar of American Freedoms" was presented at the Bay View Study Club session held Thursday afternoon in the home of Mrs. R. B. Miller.

Mrs. Eugene Naugle served as moderator and the panel was made up of Mesdames E. W. Harrison, J. W. Kirby, Colby Conkright, J. W. Spradly, Leo Forrest and Jack Gilliland.

Twelve important dates in American history and the influence of events having to do with the basic freedoms of the nation, were traced as the history of America was reviewed from the coming of colonists who wanted freedom of worship to George Washington, July 4, Flag Day, the Emancipation Proclamation, World War I, Mothers Day, Women's Rights, World

War II, Truman Doctrine Against Communism, United Nations Day, Pearl Harbor and concluding with the responsibility freedom brings to a free people.

In conclusion the moderator summarized the points brought out in the discussions, linking their significance in the development of a free world.

Mrs. George Heard presided over a business session when members voted to send a Christmas box to the state hospital at Wichita Falls. Members present were Mesdames D. H. Alexander, Colby Conkright, Leo Forrest, Howard Gault, Jack Gilliland, Jimmie Gillentine, E. W. Harrison, George Heard, A. M. Jones, Will S. Kerr, J. W. Kirby, J. C. McCracken, Ansel McDowell, John McLean, Eugene Naugle, Carl Perrin, J. W. Spradly, and the hostess.

COAXIAL THEFT

PINEVILLE, Ky. (AP)—Somebody stole the 1,500-foot coaxial cable that relays television from a mountain top to residents of this town.

Velvet Toys Are Soft Touch

By VIVIAN BROWN
If your youngster insists on having some odd toy around the house that doesn't exactly fit in with your elegant decor, such as one of the over-sized animal TV seats, why not treat it to a new costume for the holidays?

Velvet is an ideal texture for the purpose, should harmonize with almost any other fabric used in the home, and may be depended upon for a handsome effect. Add to the charm of the object by using twinkling stones for eyes, a string of pearls around the neck, or in the case of rabbit, kangaroo or giraffe, a bracelet around the ankle. The easiest method for covering an old animal toy is to remove the present fabric to form a pattern. Bind the stuffing so that it will not fall apart and ruin the shape. After you have sewed the main sections on the sewing machine, the slits that are left for the insertion of the stuffing may be sewed by hand. If this is a problem use one of the small stapling machines and cover over the staples with beads, pearls, sequins or cording.

One little duck seat became very special indeed when covered in red velvet with pale blue velvet feet and a yellow bill. Only 1 yard of red and scraps of blue and yellow velvet were used. A little space was left open at the bottom of the duck to insert feet. The feet were then cut in small double squares about 2 in., sewed together. These were turned on end with one corner placed into the slit and sewed into the seam.

Eyes may be dressed up as this little duck's were by inserting sequins into velvet-covered shoe buttons.

If you make one of these TV seats from scratch just make an

BUSY SANTA found time to cover that old TV duck seat with velvet and make a glamorous stocking for 4½-year-old Raymond Patrick Johnson of New York.

oval shaped pattern at the top and bottom for the duck, mold him of shredded latex or cotton. Draw a duck's head on paper until you get the proper proportions and then make his head out of latex or cotton until it looks like a duck's head. Once you have it shaped it will be easy to mold velvet over it. Fasten the head into the body of the duck before you cover that part. A velvet Christmas stocking may be made using the pattern of a

BANK NITROGEN THIS FALL...

FOR CROP DIVIDENDS NEXT YEAR

In your business of farming, good management pays off in increased profits. That's why fall application of Phillips 66 Ammonium Nitrate is a good investment because you bank nitrogen that pays dividends in low-cost crop profit gains.

Phillips 66 Ammonium Nitrate improves your soil fertility... makes your crops GREEN UP and GROW... faster, healthier. This 33.5% nitrogen fertilizer lowers your unit cost... helps lessen your farming risk.

SAVE TIME... SAVE WORK! Phillips 66 Ammonium Nitrate applied now saves you valuable time next spring when your work load is heavy. And there's less work... less worry with this high nitrogen fertilizer because the small coated prills are easy to handle, easy to apply.

SAVE MONEY! Phillips 66 Ammonium Nitrate costs you less this fall. See us today for your supply for fall application.

Patterns For Yule Decor

By DOROTHY ROE

Associated Press Women's Editor
It's amazing what comes in a pattern envelope these days. For those who are accustomed to seeing patterns that contain directions for only one garment, a surprise is in store if they take a look at new patterns featuring Christmas decorations.

Local sewing center experts suggest a standard pattern which has patterns and transfers for dozens of holiday accessories and decorations all in one envelope. The envelope contains a huge tissue sheet the size of a tablecloth, on which are patterns for: a Christmas card tree; a Christmas tablecloth runner with pockets for napkins; a Christmas tree skirt; a snowman; a Santa Claus; countless applique motifs of bells, holly, reindeer, stars, candles and wreaths, as well as transfers for the entire alphabet and other decorative designs.

To make the Christmas card tree, get 3/4 yard of 54-inch green upholstery plastic or felt. Follow directions for construction and lining and hang a hook at the top. In plastic, it may be hung on the front door for the mailman's convenience. In felt, it may be hung on the wall or over the fireplace to display Christmas cards.

Let your imagination run riot on the matter of decorating the tree. Load up on beads, sequins and spangles from the dime store and apply lavishly. Outline the tree and trim the base with wide metallic rickrack, or use motifs of snowmen and reindeer made from patterns in the same envelope.

The Christmas ideas contained in a single pattern can keep the children amused with gala pre-holiday preparations, and give the home a festive look at little cost. Pattern used to make the Christmas card tree is McCall 2087.

JOB FOR PASTOR

HARTFORD, Conn. (AP)—The concrete steps to the portico of the Horace Bushnell Congregational Church needed replacing, and that posed a twin problem for the trustees.

Where could they find a workman skillful enough not to mar the antique beauty of the Colonial style structure, and where would they get the money to pay for the job?

The pastor of the church, the Rev. Joseph Zizzo, solved both problems. A stone mason before he entered the ministry, he did the job for nothing.

CHRISTMAS CARD TREE—Directions for making this and many other decorations are contained in one pattern envelope.

Town's Decorators Are Commended

By MARGARET BELL

A hearty commendation to the Jaycees for a job well done in decorating Hereford for Christmas is being heard in all parts of town. The glamour of the silver tinsel is particularly popular with everyone because it sparkles so in the bright sunshine and gives such a glow to the lights at night.

The little ones are impressed with the Santas, bells and other lighted placards on the light posts with special delight for Rudolph and his flashing nose on the corner of Third and Main.

The impressive theme "Putting Christ Back into Christmas" was selected for the annual holiday parade held here at 3 p.m. Tuesday, Dec. 11. In recent years the often heard remark concerning modern Christmases has been dislike of the commercialization of the original religious observance. The merchants assn., in endorsing the religious theme for this year's parade, expressed the hope that the idea may grow into a tradition for Hereford that may increase in appeal and magnitude through the years.

See Santa Tuesday

Santa was here Tuesday for the festivities, and he was a part of the parade line-up. All of those entering floats were asked to keep Santa out of their float make-up with the religious theme predominating.

Choral groups who appeared on the floats sang the traditional religious carols of the Christmas season. The Hereford High School band also rehearsed music of the carols to be used as they proceeded down the parade route.

If clubs and church organizations were slow in responding to the request for entries in this year's parade, perhaps the general theme will have such appeal that the entry list will grow through the years.

"Christmas Card" Deadline Near

And everyone is reminded that just two days remain for participation in "Project Christmas Card." Deposits are to be made in special accounts at the two Hereford banks to provide funds for the furnishing of the new children's wing at Deaf Smith County Hospital.

The appealing feature of this project is that no extra money is needed for participation. Deaf Smith County families have been asked to use only the money usually spent for Christmas cards to be sent to friends here in Hereford and for the postage to mail the cards. Out-of-town friends are to be remembered as usual with Christmas greetings. With some extra boosts, the goal of \$8,000 doesn't seem unattainable.

Church Project

Mrs. Harold Beauchamp and Mrs. Bert Brown are members of a committee to pack boxes of candy for the boys of the First Christian Church who are in the service.

Mr. and Mrs. Carl McCaslin boarded the train on Thursday for a trip to Chicago and the National Lumbermen's convention. They expect to be in the "Windy City" for about a week.

Off To Boston

A real vacation trip is in store for the Bill Phipps family. They left on Thursday by train for Massachusetts for a visit with Bill's folks near Boston. Explanation of the train trip was the uncertain weather conditions in New England at this time of year and the fact that the Phipps children had never ridden on a train. They plan to start the return trip to Hereford soon after Christmas Day to be here for New Year's.

The first group of Letters to Santa Claus appeared in the Sunday Brand, and more are coming in to The Brand office every day. They will continue to be published in issues of the paper 'til Christmas comes. . . write your letter today if you haven't done so yet.

News editor Roy Clark received word this week that his mother, Mrs. Florence Clark of Corpus Christi, was the lucky winner of an \$1,185 mink stole given as a door prize by a department store there. She hopes to trade the article in as the down payment on a new car. . . preferring riding comfort to the wearing of mink.

Plan Bake Sale

The Ritual of Jewels chapter of Beta Sigma Phi Sorority will sponsor a bake sale to be held at Cooper's Market all day on Saturday, Dec. 15. Mrs. Bob Brotherton is chairman of the group's ways and means committee and will be in charge of the sale. The members promise to have plenty of homemade candy, pies, cakes and other baked goods for housewives too rushed to do much holiday cooking.

From the campus of North Texas State College in Denton comes the note that Pickens Moore of Hereford is the author of a poem which will be published in the fall edition of the Avesta literary magazine at the college. The son of Mr. and Mrs. Don W. Moore, 207 Grand, Hereford, Moore is a sophomore history major.

To Work In Houston

John B. Sowell Jr., of Hereford has been assigned as an assistant controller at the Houston tower of the Civil Aeronautics Administration. He was one of a class of 224 trainees that completed an eight-week course in air traffic control at the CAA Center at Oklahoma City, where graduation exercises were held Nov. 30, 1956. The class was the largest in history to graduate from the center.

Army Pvt. Joe L. Wilcox of Dimmitt is scheduled to complete six months of active military training Dec. 15 under the Reserve Forces Act at Fort Leonard Wood, Mo. Wilcox will now be permitted to finish his military service with a local Army Reserve on National Guard unit. The son of A. L. Wilcox, he was graduated from Dimmitt High School in 1956.

ceremonies in Seoul, Korea.

Was Two-Day Event

More than 250 American servicemen stationed in Korea were the guests of Korean civic leader and the American civilian community of Seoul for the two-day event.

Cpl. Baca is a communications chief in Medical Company of the 7th Infantry Division's 32nd Regiment. He entered the Army in April 1954, was last stationed at Fort Rucker, Ala., and arrived overseas last May.

Four Hereford students will make a four-day concert tour of 10 north-west Texas cities with the McMurry College Chanters, Dec. 9-12.

They are Ken and Nancy Crawford whose parents are Mr. and Mrs. H. V. Crawford; Robert Davis, son of Mrs. Gladys Davis; and Carroll Sparks, daughter of Mr. and Mrs. R. W. Sparks.

The McMurry chorus, directed by Dr. Richard C. von Ende, will present concerts at Methodist churches in Amarillo, Tulia, Dumas, Canadian and Paducah and for high school assembly programs in Amarillo, Dalhart, Borger, Phillips, Shamrock and Childress.

Brand's Visitors

Welcome visitors at the Brand office and shop Friday afternoon were the seventh grade Marinettes of St. Anthony's School. The girls and their leader, Mrs. A. J. (Doc) Bezner, were given a conducted

MARY BETH SPARKS
Parents Announce Coming Wedding

Mr. and Mrs. C. E. Sparks, 125 Ave. J, are announcing the engagement and forthcoming marriage of their daughter, Mary Beth, to Jess E. Jett, son of Mr. and Mrs. Ellis Lambert of Gladewater.

Wedding vows will be exchanged on Dec. 15. Miss Sparks is a graduate of Hereford High School and attended business school in Amarillo. She is presently employed at Graybar Electric in Amarillo.

Mr. Jett is athletic director at Amarillo Air Force Base. He is a graduate of Gladewater High School.

Dr. Mims Speaks To Club Meeting On Cancer Topic

Dr. A. T. Mims was guest speaker for the La Madre-Mia Study Club Tuesday evening when a meeting of the club was held at the Camp Fire Hut. Mrs. Hershel Miller was hostess.

Dr. Mims spoke on cancer, telling of symptoms and explaining the need for early detection.

During the business session a report was made of the Annual Toy Parade sponsored by the club, and members voted to contribute 25 cents per member to the TFWC Christmas Stocking project for Boys Ranch.

Plans were made for the Christmas party and names were drawn

for the exchange of gifts. Members present were Mesdames Don Fudge, John Hampton, Ted Hardwick, Dean Herring, Glen Hopson, Dennis Lomas, Hershel Miller, Bobby Owen, Troys Riddle, Eugene Sparks, Arthur Tinsley and Glen Wilson.

DECISIVE TEST RUN

DETROIT — Traffic Judge John D. Watts called for a test when Chester S. Bragiel argued he could not have been doing 80 miles an hour when arrested for speeding. "Why my car couldn't get over 50, your honor," Bragiel complained.

The judge had a policeman take Bragiel's car out on an expressway for a test run. The officer telephoned back that the car hit 80 miles an hour easily and could have gone faster. Bragiel was sent to jail for five days and ordered not to drive for a year.

9 AMERICANS ABOUT TO CRASH-LAND IN DEADLY JIVARO HEAD-HUNTER COUNTRY!

An airliner falls into a South American jungle. 9 people thrown together by fate . . . bound together by fear. Only 5 would survive!

As the Jivaro drums grow louder, love changed to fear, selfishness to tenderness, passion to pity.

- Passes have been sent to the following honoring them on the occasion of their anniversary December 13-15:
- | | |
|-----------------------------|-----------------------------|
| Mr. & Mrs. S. L. Kingry | O. E. Stevick |

We're Moving...

to our new location
At
3rd and Sampson Streets
and will be
OPEN FOR BUSINESS
In our New Building
Saturday, Dec. 15th

It is indeed a pleasure to announce the completion of our new banking building, located at 3rd and Sampson Streets.

We are now in the process of moving from our old location to the new. We will close at our present location Friday afternoon, and will reopen for business SATURDAY MORNING in our new facilities.

We're proud of our new building, and of course we want to show it off . . . so, be sure to

ATTEND THE BIG OPEN HOUSE
Sunday, Dec. 16th

See Our Advertisement in The Sunday Brand Concerning The

OPEN HOUSE
