City May Place Vapor Lights On Highway 51

Hereford City Commissioners Monday night studied lighting along Twenty-Five Mile Avenue, voted to annex a new block in the City and studied a report made by City Manager Cecil Massey on overhead traffic signals.

Commissioners were told by representatives of Southwestern Public Service that 50 vapor lights would be a minimum requirement along Twenty-Five Mile Avenue to adequately light the street. They took no action, but decided to study similar lighting in other cities.

Block 4 of the Engler Addition, which is located between Thirteenth and Fourteenth Streets on Brevard Avenue was voted into the City limits on request of property owners.

Commissioners approved a request for street lighting on Avenue I between Union and Grand. They were told by City Attorney Ernest Langley that it would be illegal to drop interest and penalties on back taxes, and Massey was told to notify county officials of the decision. The county had asked the City if they would join in such a move.

Massey's report on overhead traffic signals was made "due to an article that appeared in The

Hereford Brand in connection with our present overhead traffic signals." He said he felt the present lights were not obsolete and that the possibility of someone's being injured by one falling was "remote."

Massey said that total cost to

convert Main Street intersections from overhead to curb signals would be \$5291 per intersection. He recommended that the City consider replacing the Main Street signals with curb signals when the overhead lights now in use could be transferred to other areas.

Tax Office Faces Big Week As Car Tag Deadline Nears

Once again the Deaf Smith County tax office is getting ready for the annual landslide business which always comes during the last few days before the deadline for auto registration.

Despite a rapid increase in sales during the past week, some 2000 tags must be sold in the next nine days. April 1 is the deadline for getting the new 1956 license plates.

Sales to date are close to 1600 passenger car plates, according to deputies in the tax office. Total passenger car sales should hit 3600 by April 1. A total of 4100 plates

were estimated for Deaf Smith County during the 12-month period, but all of these are not purchased before the deadline.

Farm trucks, commercial vehicles and others requiring licenses are running about parallel in sales with the passenger car plates, deputies pointed out.

They also said that the new plates, which are larger than the 1955 plates, are meeting with the approval of vehicle owners. As one motorist put it, "Well, we are getting more for our money this year, anyway."

Kiwanians To Stage One-Day Broom And Mop Sales Drive Here Thursday

Thursday will be B-M Day in Hereford.

That's when some 35 members of the Kiwanis Club will hit the streets for the annual Texas Light-

house For the Blind broom and mop sale.

Dr. H. A. Cavness, drive chairman, said that this year the Kiwanis Club has taken over the drive, which in the past two years has been successfully sponsored by the Lions Club. Last year Lions sold \$916 worth of things manufactured in the Texas Blind shops, and Kiwanians hope to better that record this year.

A large percentage of the sales go to the "Blind Shops" and Light Houses, which are operated on a non-profit basis. The remainder of the money will remain in Hereford and will be used by the Kiwanis Club in their boys and girls work, Dr. Cavness said.

"A Kiwanian will be in the streets to call at every home, according to our plans," Dr. Cavness said. "However, if you are missed you can call me at 61 or Calvin Edwards at 730 and turn in your order. You can also buy your items at the Jim Hill Hotel, which will serve as distribution headquarters for the drive."

Dr. Cavness said the drive would begin immediately after the regular noon luncheon of the club.

Included in the sales will be house mops, house brooms, ware-house brooms, toy brooms, whisk brooms, bar-be-que aprons, ironing board covers, ironing board pads, rubber door mats, dust cloths, dust mops and utility mops.

Donna Buckmaster Rites Conducted

Funeral services for Donna Fawn Buckmaster, infant daughter of Mr. and Mrs. O. C. Buckmaster, were held Wednesday afternoon at 3 p.m. in the Rose Chapel at Gilliland Funeral Home with the Rev. Eugene Naugle officiating. Interment was in West Park Cemetery.

Donna Fawn was born March 18 at Deaf Smith County Hospital, where she died on March 20.

Survivors are her parents, Mr. and Mrs. O. C. Buckmaster; four sisters, Juanita, Margaret, Sue and Sandy, all of Hereford; grandparents, Mr. and Mrs. E. T. Bush of Hereford and Mr. and Mrs. George Rossiter of Garden City, Kans.

Gilliland Funeral Home was in charge of arrangements.

Instructors Class Attended By Three

Three senior life guards holding Red Cross certificates are this week attending an instructors class in Canyon. Mrs. Frank A. Gyles Jr., Mrs. Jimmy Roberts and Sam Lesly are being sponsored by the local chapter in the course which lasts for four weeks.

Plans are, with more instructors and working closely with the management of the Municipal Pool this summer to offer even more classes in swimming than in the past.

Girls Take Narrow Lead In Stork Race In Past Month

The girls finally came out in the lead with two more girls than boys in the month of February of 1956, with 10 girls and eight boys, making a total of 18 births for the month, according to birth records in the County Clerk's office.

However, in the month of January of 1956, they got off to an even start, with 10 boys and 10 girls, making a total of 20 for the month of January. In the two months of 1956, the total of births is 38, with 20 girls and 18 boys.

Born in February of 1956 were: a daughter, Vivian Suzanne, to Mr. and Mrs. Wavlan E. Smith, Feb. 3; a daughter, Billie Kay, to Mr. and Mrs. Donald Maurice Vaughn, Feb. 7; a daughter, Nannette Marie, to Mr. and Mrs. Alfred Reinart; Feb. 7; a son, Ricky Kim, to Mr. and Mrs. J. D. Poarch, Feb. 9; a daughter, Dorothy Mae, to Mr. and Mrs. Ray R. Smith, Feb. 9; a daughter, Marilyn Katherine, to Mr. and Mrs. Alvin C. Schmucker, Feb. 10; a son, Ray Earl, to Mr. and Mrs. L. F. Shannon, Feb. 10; a daughter, Deborah Louise, to Mr. and Mrs. Freddie Lee Evans, Feb. 10; a daughter, Juanita, to Mr. and Mrs. Alfonso H. Lamas, Feb. 11.

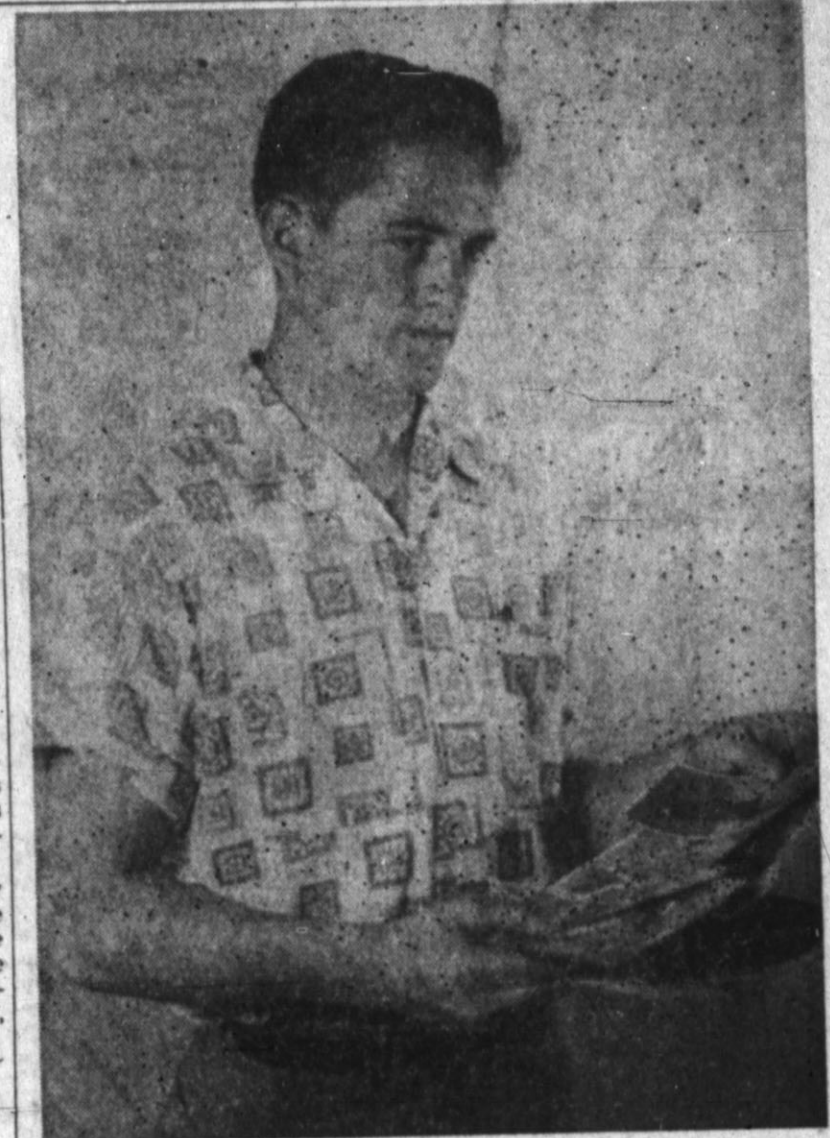

A son, Thomas Willard, to Mr. and Mrs. Raymond Paul Coneway Jr., Feb. 11; a son, Jackie Lon, to Mr. and Mrs. W. H. Miller, Feb. 15; a son, Larry Stephen, to Mr. and Mrs. J. H. McDonald, Feb. 17; a son, Jon Christopher, to Mr. and Mrs. Raymond C. White, Feb. 17; a daughter, Glenda Fay,

to Mr. and Mrs. V. Walter Arnold, Feb. 17; a daughter, Virginia Lou, to Mr. and Mrs. David Downey, Feb. 18; a son, Randal Scott, to Mr. and Mrs. Rex Vaughn, Feb. 24; a son, Billie Ray, to Mr. and Mrs. R. V. Booker, Feb. 26; a daughter, Darla Sue, to Mr. and Mrs. Joseph Marvin Payne Jr., Feb. 28.

Red Cross Goal Halfway Reached

With March, the Red Cross Month, half gone and the Deaf Smith County Chapter goal of \$7477 half reached, W. B. Wilson, fund chairman, urged workers to complete their work this week if possible.

Some 80 workers are yet unreported or incomplete. The last week of the month will be used as clean-up or call-backs, with three tables set up at the two banks and the post office to give those missed in the drive a chance to contribute.

NAMED VICE PRESIDENT—Bobby Veigel, Hereford High School junior, was elected president of the Panhandle Press Association Saturday at the annual meeting held in Canyon. Veigel is the son of Mr. and Mrs. Robert Veigel, and a member of the Round-Up annual staff. Two members of the school paper, The Whiteface, also won honors. Carolyn Inman, editor, won an honorable mention in the news story division and Chris Strain an honorable mention in the editorial division. (Staff Photo)

Athletic Banquet Will Be Held In Shirley Gymnasium

Arrangements for Hereford's first Athletic Banquet are finally definite, it was announced this week after the ticket prices were lowered to \$1.50 from \$2.25. The price was lowered when a local service was acquired and the Walter Jetton catering service out of Fort Worth cancelled.

The banquet was also changed from the Hereford High School gymnasium to the Shirley School gymnasium. If enough tickets are sold the banquet will be moved back to the high school gym, however.

All students of Hereford High School who participated in any athletic this year will be the honored guests. Over 80 are expected, athletic director L. B. Russell reports.

Tickets sold slowly at first, but officials report that the sales picked up near the deadline which was at 6:00 Wednesday. No tickets will be sold at the door.

In the past only a football banquet was held. This is the first year that a banquet feting all students who participated in athletics is being held. It is open to the public.

Ted Moore Awarded Summer Trip Abroad

A 16-year old Hereford student has been awarded a trip overseas, it was announced this week.

Ted Moore, the son of Mr. and Mrs. Don W. Moore, was informed Monday that he would go abroad in connection with the American Field Service Summer Program. His expenses will be underwritten by the Hereford Rotary Club.

The American Field Service Summer Program sends American students abroad for the summer. The student stays with a family in that country and does not go to school. To be eligible for the trip, one must be a high school junior, be at least 16 years of age and have two years of foreign language.

After reading an article in Life magazine year before last, Moore applied for a scholarship at Hot-kiss School, a college preparatory school at Lakeville, Conn. Moore was awarded the scholarship at the school.

While at the school in his sophomore year, Moore's grades placed him in the upper three percent. Only two people registered grades higher than his. Moore took Latin, French, a general course in math including algebra II and plane geometry, general science, medieval history and English. Three hundred and fifty boys were enrolled at the school.

Ted has not been informed where he will travel but states that he prefers a French speaking country. He has had two years of French. He moved here six years ago with his family. He is a member of Boys Choir, band and the First Methodist Church.

Mrs. Bill Frizzell and daughter, Terri Lynn, returned Friday from Weatherford, Okla., where they had visited for a week with her parents, Mr. and Mrs. Elmer Cecil and with Bill's parents, Mr. and Mrs. Frizzell.

Spring arrived Wednesday and Hereford stores blossomed forth with Easter eggs and Easter clothes. Folks Around Town were busy making plans for the holiday.

Mr. and Mrs. Henry Benson are attending the annual Texas Credit Union League convention in Dallas this week. One of the scheduled events of the convention will be the dedication of the Texas Credit Union League office building there. Mr. and Mrs. Benson are delegates from the Hereford Federal Credit Union and plan to remain in Dallas until Sunday.

Word was received here this week of the death of Mrs. Viola Hunt's father, George Henry Reitz, a retired grocer. Services were held Friday.

Faust Collier, chairman of the District II American Association of Sheriff's Poses and Riders Clubs, will attend a District meeting over the weekend in Amarillo. New officers for the coming year will be elected and the schedule for the five team polo league will be drawn up. Teams in the League include Hereford, Amarillo, Dalhart, Cactus and Funch.

Tommy Scroggins has been named market manager at Furr Food Store here. He replaces Tom Tuer.

Mayor Henry Sears and Commissioner Neil O'Connell will attend a meeting of Panhandle mayors and city commissioners in Canyon Saturday. Mutual problems will be studied.

Regular weekly meeting of the Hereford Merchants Association will be held Friday at the Jim Hill Hotel at 10 a.m. All businessmen were urged to attend by co-chairmen Bill Shore and W. B. Wilson.

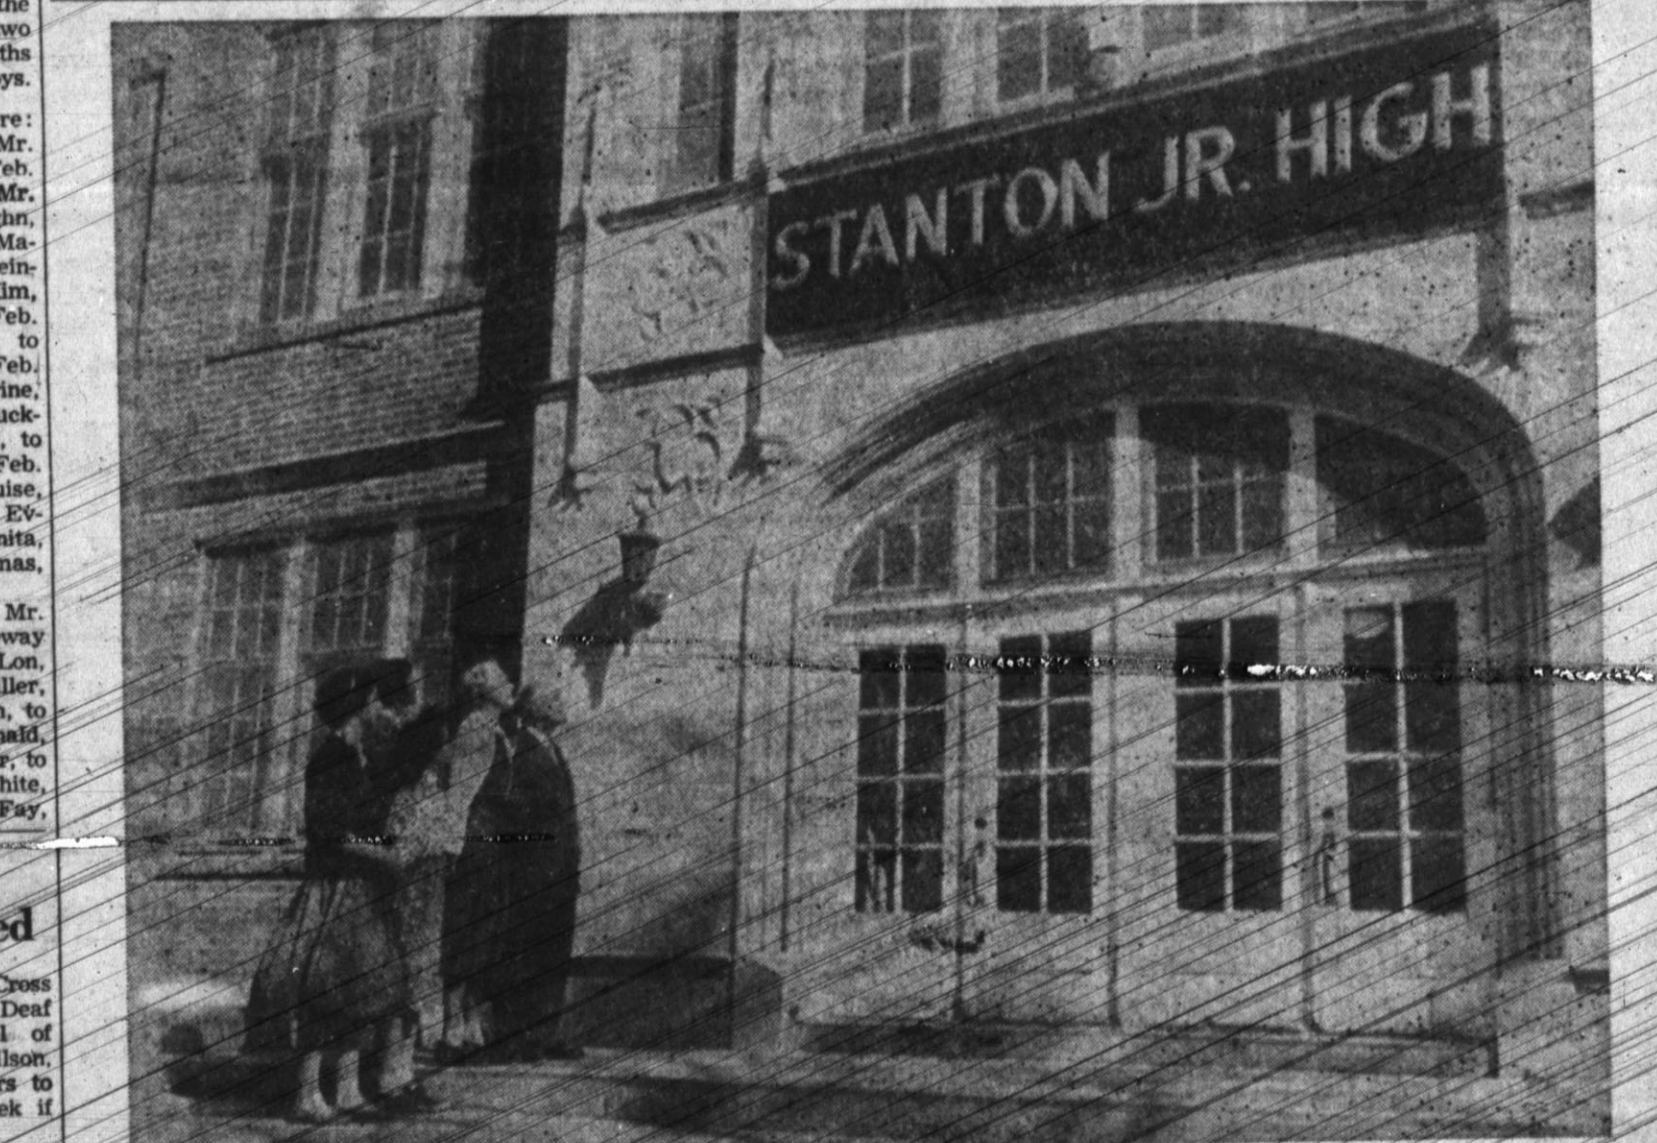

Farmers were reminded again Wednesday of the meeting of potato growers to be held Monday in the district courtroom here. Jack Ganaway, of the United States Department of Agriculture, will be present to discuss the proposed marketing agreement for this area. The meeting will begin at 7:45.

The Whirl and Twirl Dance Club will meet Saturday night at the Jim Hill Hotel.

Hereford High School will enter the District 1A one act play contest to be held at the Branding (Continued On Page 2)

WINS OVERSEAS TRIP—Sixteen-year-old Ted Moore looks over a map in anticipation of his summer trip overseas. Moore learned this week that he had been awarded the trip. He expects to learn soon where he will go (Staff Photo)

IT'S OFFICIAL NOW—Stanton Junior High School, which occupies the former high school building, has taken on a new look. Large, shiny lettering has been placed over the doorway of the school. In the picture above, from left to right, LaNeil Short, Barbara Tiefel and Sue Minor, Junior High students; Mrs. Lorene Stanton, science teacher; and W. C. Quattlebaum, principal, admire the sign. The school was named after Mrs. Stanton's husband, the late H. V. Stanton, who was Junior High School principal at the time of his death. (Staff Photo)

PHYLIS SUMNER

**Radio-TV
Program
Is Given**

"Radio and Television" provided an interesting topic for discussion at the meeting of L'Allegria Study Club held Thursday afternoon in the home of Mrs. V. C. Hopson.

During the business session with Mrs. H. A. Cavness, president, presiding, plans were completed for the club's annual guest day tea which will be given April 5 in the home of Mrs. V. C. Hopson.

Mrs. John Estes presented the program, giving an informative discussion of the distinctive musical features of radio and television programs. She discussed timing, musical background and effect types of programs, the writers and directors and salaries of performers.

Members attending the meeting were Mesdames Jack Brown, H.A. Cavness, John Estes, Gerald Hagg, Bill Hardwick, James E. Higgins, Charles Hill, Francis Hill, Richard Jewland, Joe Lyons, Stanley Stagle, Oliver Stren, Walter London Jr. and the hostess.

Mr. and Mrs. Gaston E. Baer are getting ready to leave on their trip April 1. They plan to go to New Orleans, Florida, Washington D. C., New York City, Canada, Michigan, Wichita, Kans., and then back to Hereford. They expect to be gone two months.

Mr. and Mrs. R. R. Jackson left Tuesday for Austin and San Antonio where they will visit their children.

**Camp Fire
Girl News**

The Dakonya Camp Fire group met Monday at the Hut.

Symbols, honors and scrapbooks were discussed and officers were elected as follows: Jerre-Bea Noland, president; Ruby Carthel, vice president; Sally Whiteside, secretary and treasurer; and Caroline Brunley, reporter. Refresh-

ments were served by Joyce Linder.

Members present were Becky Jackson, Barbara Woody, Sheri Damron, Ann Gentry, Jerre Bea Noland, Ruby Carthel, Sandra Hoover, Sally Whiteside, Connie Kent, Kathleen Knox, Joyce Linder, Jackie Nunley, Jo Ann Thomas, Sandra Vaughn, Caroline Brunley, the leaders, Mrs. W. B. Nunley and Mrs. Harry Linderer and one visitor, Barbara Woody.

Visiting Mrs. Alwyn Savage over the weekend were Mr. and Mrs. Edward Stinson and son, Duke,

Mr. and Mrs. Elwyn Dysart and daughter, Vicki, all of Dalhart; Mrs. A. B. McPherson and Miss Gayle Dysart of Amarillo.

Mrs. Stinson, the former Sue Savage, and family left Hereford on Monday morning for Edmonton, Alberta, Canada, where they plan to make their home.

Sp-3 Jon M. Leasure, 22, son of Mr. and Mrs. C. E. Leasure of Hereford, is due to return to the United States this month. He is serving with the 91st Division in

Germany and is a mechanic in the Divisions Anti Aircraft Artillery. Leasure is a graduate of Dimmitt High School. He entered the Army in June of 1954 and received his training at Fort Bliss and Norfolk, Va. Leasure arrived overseas the following December. He also attended Texas Tech.

Guests in the home of Mr. and Mrs. Offus Vick are their children, Mr. and Mrs. James Hatcher of Bartlesville, Okla., and Mr. and Mrs. Murrell Hatcher and Bobby of Sherman. Mrs. Vick recently underwent surgery.

Mr. and Mrs. F. H. King, Mr. and Mrs. Raymond Paetzold, Mr. and Mrs. Carroll Newsum, Mr. and Mrs. T. J. Clay, Mr. and Mrs. Jack Bradley and Mr. and Mrs. Fred Sims were the couples from

Hereford who enjoyed St. Patrick's Day in Shamrock over the weekend.

Daffodils Used In Spring Garden Club Arrangement

Mrs. Pat Robinson made the ar-
rangement for the day for the
Bud To Blossom Club meeting held
Friday afternoon with Mrs. Irving
Alexander, using golden yellow
daffodils and yellow foliage in a
green bowl.

During the business meeting,
plans were made for members to
attend the District 1, Texas Gar-
den Clubs Inc., convention held in
Amarillo Tuesday and Wednesday.
Members voted to sponsor one
of the Camp Fire groups.

Mrs. C. R. Higgins gave the first
part of the program on "The De-
velopment of Seeds" telling of the
great care used by seed compa-
nies to develop the best. She point-
ed out that most of the seeds we
use come from Detroit, Mich., and
parts of California.

Mrs. Herbert Haseloff brought
specimens to illustrate her program
on "Sweet Peas Are Sweet." She

called the sweet pea the forgotten
flower and urged gardeners to
grow them, not only for their
beauty, but for their adaptability
for any arrangement, and suitabil-
ity to any occasion.

Members in attendance were
Mesdames John Sands, W. B.
Goatz, R. A. Daniel, Ray Godwin,
Preston Hagans, H. A. Haseloff,
C. R. Higgins, Don T. Martin, J.F.
Martin, W. H. Patton, Pat Robin-
son, Ira Scott, Lloyd Sharp, Del-
mo Williams, W. Glenn Williams,
Weldon Roberson, Jimmy White,
and the hostess.

Thursday. Following the luncheon
members held a quilting party.

Those attending were Mr. and
Mrs. Arthur Rogers, Mr. and Mrs.
John Hacker and sons, Mr. and
Mrs. Charley Sowell, Mr. and Mrs.
J. E. Cockrell, Mesdames Edna
Bowe, Edna Draper, C. E. Beau-

SKELETON CASE
CHARLESTON, W. Va. (AP)—The
star exhibit in trial of a \$20,000
lawsuit, a human skeleton, was
never placed on display in Com-
mon Pleas Court.

The skeleton languished all the
morning inside a metal cabinet be-
side the judge's bench, but the
case was settled before it was
used. The suit involved a spine
injury and the skeleton was to
have been used to show structure
of the sacroiliac joint.

TROUBLE FOR TOMORROW
HOUSTON, Tex. (AP)—A funeral
home cancelled its scheduled tele-
vision advertisement when it was
discovered the spot commercial
would come between a program
called "What's Your Trouble?" and
another entitled "The World To-
morrow."

TOUGH POLICE
SALTA, Argentina (AP)—Citizens
have asked that the local police
station be demolished. They com-
plained the structure, formerly a
big old house, (1) looks like
something out of the Middle Ages
and (2) has symbolized "repression
and tortures for many years."

SHORT TALE
MOLINE, Ill. (AP)—A cat got its
tail caught in the wringer while
Mrs. Pearl Stofahl was doing the
laundry.

The outraged feline managed to
tug itself loose with the help of
Mrs. Stofahl, but in the process
her daughter, Janice, was clawed
and bitten. A veterinarian said the
tail was only slightly injured.

Dawn Music Study Club Elects 1956 - 57 Officers

New officers were elected at the
Dawn Music Club session held re-
cently in the home of Mrs. Lloyd
A. Hark.

Mrs. H. H. Miller was named
president, and those to serve with
her are Mrs. C. P. Norton, vice
president; Mrs. Melvin May, re-
cording secretary; Mrs. N. R. Mil-
ler, treasurer; Mrs. Orval Galley,
parliamentarian; Mrs. Gayle Neal,
reporter; Mrs. Bill Carthel, choral
director; Mrs. Carl Wimberley and
Mrs. Orval Galley, junior music
club counselors.

The program for the afternoon
was presented by Mrs. H. H. Mil-
ler who told of "Civic Musical Or-
ganizations in Texas." She cited as
examples San Antonio's "Little
Symphony" using young artists,
The Denton Boys Choir and the
Central Christian Church Laymans
Choir of San Antonio.

During the business session plans
were made for the club to present
the annual operetta, "Kentucky
Sue" April 6, and rehearsal dates
were announced.

THE GOLDEN TERROR and MARK ANTHONY

BOB GEIGEL

Golden Terror And Manager Tiff Saturday

The Golden Terror will make a return trip to the Bull Barn Saturday night, this time with his manager Mark Anthony, to wrestle in a main event tag team match with Dory Funk and Bob Geigel.

The masked champ of Honolulu will collaborate with Anthony and the two will pit their skills against the colorful combination of Funk and Geigel.

Preliminary events will see the foreman of the Flying Mare Ranch tangle with Mark Anthony for one fall or 20 minutes and Bob Geigel have battle with the Golden Terror for one fall or 20 minutes.

Reserve seats for the wrestling matches sponsored by the Hereford Lions Club are on sale at Dub's Man Shop.

Two Accidents Cause Damages Totaling \$250

Two-hundred and fifty dollars damage resulted in two accidents here, one on Saturday and one on Wednesday morning.

The first accident was at 11:55 a.m. Saturday at Ninth Street and 180 feet north of Fuller Street.

A 1951 Chevrolet $\frac{3}{4}$ T, driven by Aubrey W. Self, and a 1952 Ford panel, driven by John D. Killins, collided, police said.

Killins was going south on Ninth Street when Self backed out of a driveway and backed into the right rear fender of Killins' Ford.

Approximately \$125 damage was done to Killins' Ford and no damage to Self's Chevrolet. Self was charged with negligent collision and Killins was charged with driving without a Texas operator's license.

The second accident occurred at Avenue K and Highway 60 at 7:45 a.m. Wednesday.

A 1948 Ford pickup, driven by Raymond Gillham, and a 1953 Cadillac, driven by Otto Schanche of St. Louis, Mo., collided, police said.

Both were going east on Highway 60 and Gillham started to make a left hand turn onto Avenue K. Schanche started to pass Gillham and as he started around, Gillham pulled back on his side of the road and Schanche side-swiped the left hand side of Gillham's pickup.

Approximately \$75 damage was done to Gillham's pickup and \$50 damage was done to Schanche's Cadillac. Schanche was charged with passing within 100 feet of an intersection and Gillham was charged with no Texas Operator's License.

By MRS. W. R. MOORE

The WMU ladies of the Palo Duro Church quilted two quilts recently for the Mexican Orphans' Home in San Antonio.

The Palo Duro WMU met at Mrs. Loy Price's home Thursday. The women have charge of picking out the light fixtures and colors for the new rooms of the church.

Mr. and Mrs. Tim Wilson from Vernon have moved to the old Comminge farm and Mr. and Mrs. B. B. Conouette from Muleshoe are living on the Byron Campbell farm west of the Palo Duro Church. The people of this community welcome both families.

Mrs. Billy Moore attended a pink and blue shower Wednesday in Friona, honoring Mrs. Billy Sanders, in the home of Mrs. David Smith.

Mr. and Mrs. Ollo Smith from Hereford visited in the home of Mr. and Mrs. T. E. Price Sunday.

Mr. and Mrs. Charlie Cogdell made a business trip to Amarillo Friday.

Frank Barnhill Jr., from Canyon visited in the home of Clifford Hugg Sunday. Mr. and Mrs. Hugg and the two boys went to Buffalo Lake and spent the evening. It was Clifford Hugg's birthday.

Mrs. Zelma Aze and her niece, Francis Sullenger, made a business trip to Amarillo Saturday.

Mr. and Mrs. J. C. Simpson and children spent the weekend in Wellington visiting in the home of Mr. and Mrs. Leon Roberts.

Jaekie Myers from King City, Mo., en route to Midland, stopped over a few hours in the W. R. Moore home Saturday morning.

Miss Rose Ranson, who has been in Hereford looking after business interests, left Tuesday morning for California where she will visit relatives before returning to her home in Jacksonville, Ill.

Mrs. Bert Briscoe of Dumas is visiting her daughter and family, Mr. and Mrs. Harold Beauchamp. Mrs. Briscoe is moving to Kansas and she is here for a short visit before she moves.

KNOX'S KNOTHINGS

By BILL KNOX

We're sure that all those who attended the Little League meeting in the Hereford High School auditorium Monday night went away satisfied and feeling that Hereford's problem of recreation for children had been for the most part licked.

There is no doubt whatsoever in our mind that Hereford has gone a long way toward stamping out the juvenile problem in Hereford. Those boys who would be wandering the streets with nothing to do but get into mischief will now have nothing in their mind except Little League baseball. They won't have time to get into mischief!

According to Bill Lenderman, head of the committee dealing with franchise, the application for franchise has already been sent to national Little League headquarters in Williamsport, Pa. Additional books and information have also been ordered for those who wish to study further into the organization.

Equipment for the teams will be ordered pretty pronto also. The only posts remaining to be filled are those of umpires. The committee on selection of umpires is carefully deliberating upon their choices, but report that their selections will be forthcoming in the very near future.

The film of one game of the 1952 Little League World Series which was shown was quite interesting. The youngsters who participated in the game shown on the film displayed sportsmanship and fair play the like of which can be found nowhere else.

The game was surprisingly realistic in that the action was just as if it were a major league baseball team on a smaller scale. The level of play was very high.

We noticed one thing in particular. And it was all over Ray Cowser's face. We're now sure that he'd "rather be a shortstop than a lawyer any day."

preparing for the district tournament which is the first week in April.

The two teams played only nine holes, Hereford having a total of 166 strokes compared to the Eagles easily.

The Hereford Whitefaces racked up another golf victory Monday afternoon, clubbing the Canyon Linksters easily. The Whitefaces continued to show steady improvement while

Garland and Clara

By Jimmie Gilentine

Easter is just around the corner. Tuesday, in fact, was the first day of Spring. Next thing you know, some smart alec will be sponsoring "Straw Hat" day. The occasion also heralds a new month.

Personally, I am always glad when March has come and gone. This is generally the "dust storm" month. It is also the 31-day period when things usually seem quiet over the area. After March folks sort of roll up their sleeves and get to work in earnest. It is also the month when our weather more or less goes haywire; thermometer readings jump from low to high, often in a matter of minutes. March just sort of marks time between Winter and Spring. It is the month we have had colds, stomach virus and "leaditis." Most times it wipes out our fruit crops, sometimes even our wheat prospects. It sure is the month of uncertainty and indecision out in this country. All in all, March is the month about which I care the least.

April can be nasty, too—but somehow it is different. To me, it is one of the nicest months of all. The only thing I have against April is the fact that it is the month I was born — and I am fast getting to the point where I no longer look forward to birthdays.

Everything I pick up to read these days seems to concern "Juvenile Delinquents." I think they are getting too much publicity — and, too little work. Mrs. Billy Graham, wife of the famous evangelist, recently pointed out that the Book of Proverbs is a better guide to child training than all of the modern books on child psychology put together. The writer of the Book of Proverbs said:

"Train up a child in the way he should go; and when he is old, he will not depart from it."

Another thing we Americans over-do is the use of electricity. We have come to depend upon this giant servant far too much. When our electric sources fail, we are often thrown at the mercy of the elements. Take, for instance, a few nights back when the electricity was off 15 or 20 minutes. This threw all of the clocks off by the same margin — and about 50 percent of the kids were late to school. Even a few of the teachers! Electricity is a fine thing, but it has crowded the old grandfather clock clear out of the picture. Besides, I never have been able to figure out where you take one of the things to get it repaired — and I used to have a lot of fun working over those winding models in my spare time. Generally, I lubricated them with mineral oil (the only oil available) and once in a while they even ran when I got through.

EMBARRASSING MOMENT No.

673 occurred, however, after I spent six nights working on a cuckoo clock — and the fool bird wound up coming out backwards and saying, "What time is it?"

I have been trying to figure out which is the worst hobby: golf, cameras or boats? Hereford has a lion's share of all three — and they are possibly the poorest of all the hobbies. In addition to consuming time, they are expensive and non-productive; they are conducive to bad language, ill tempers and general degradation of character. I even know some few people who closely pursue two of these hobbies. If a fellow ever becomes addicted to all three, he might as well give up. I have decided that boating, perhaps, is the worst of the lot. However, I am sure that there would be some who would argue the question.

Coin collecting is another thing. If you have a huge collection of pennies, hang onto them — also any old copper chandeliers that may be laying around in the attic. Copper is today becoming one of our most valuable metals. We have been getting quite a bit of our copper from Chili lately, but the price is soaring. Last week it jumped from 46 cents a pound to 53 1/2 cents, which is the prevailing price in England. Copper consumers are now getting around one-tenth of the copper they need, according to trade reports.

Despite the protests of Miles Robertson, I feel that it is only fair to report on an article which Mrs. Arthur Thompson was kind enough to clip for me. It is about a deal the women pull each Leap Year Day in Ottawa, Ill. The women take over the police and court jobs — and they hang some real fines on all of the bachelors. The fine is usually \$10, but chronic offenders (such as Miles) are often assessed up to \$25. This year the women sent out 6000 summonses, printed in red ink and decorated with hearts and flowers. Two of the sample charges are:

"Failing to become a woman's home companion," and "Striking the spark, but not fanning the flame."

The woman's club uses the fine money for "worthy causes." In 1952 they extracted \$4000 from the male pockets. The entire stunt provides a lot of fun, they say — especially for the women.

Lyle Blanton, meanwhile, has gone plumb loco. He says that he will get a flat-top haircut if Ray Cowser and I will also get one. I told him that I just say "gimmie haircut" these days, and don't go to the trouble of specifying any particular kind. They all look alike anyway.

POLITICS are looking up, especially since "Pappy" O'Daniel announced his intentions of a come back. However, a lot of the pre-

sent day voters were before his time and W. Lee might find the going pretty rough. He is a campaigner, though, and is possibly capable of starting from scratch. I heard in the barber shop the other day that he is already planning to replace his once famous hillbilly band with Liberace.

Almost as far back as O'Daniel politics are the days when we used to make a big wheat crop in this country. We still have a chance, however, and it is well to remember the old saying that "a wheat crop has to be lost three times before it is harvested." Right now we are going through an insect scourge. There are mites, spiders, thrips and greenbugs — all working at the same time. Quite a few reports are rolling in about damage, especially from areas south

of town. All in all, though, this territory has an estimated 300,000 acres in wheat. We may lose it all, but we still have a chance, which is more than we have had at this time of year in quite a while.

POTATOES also have a fair outlook this year. The acreage in this area will probably total up to around 3200; this is quite a drop from '55, when the deal turned sour. Seed are extremely scarce, however, and it is doubtful if the non-spud states will be in the picture to mess things up as they did last year. A moderate acreage and a fair price seem to go hand-in-hand with good potato years. All in all, 1956 could most easily turn into a banner year for this whole section. Things seem to be following the 1954 pattern — which was

exactly what I predicted back in January. I still think the last half of '56 will be a record breaker for everyone.

Natural Coloring Influences Women's Selections For Home

Home Demonstration Club women have been somewhat surprised in many instances when told how much their own natural coloring influences color selections they make for their homes.

CLUBS REPORTING ARE:

CULTURAL
"Color is an emotional barometer," Mrs. M. W. Sumner told the members of Cultural Home Demonstration Club who met with Mrs. J. T. Richardson March 13 for a program on "Living Room Improvement."

Mrs. Sumner stressed the importance of selecting one dominant color and using with it one dark and one light color either in dull or bright. Gold, she told the group, coordinates or ties all colors together.

Mrs. Joe Johnson and Mrs. Chas. Vette of Michigan were visitors. Members attending were Mesdames Paul Corbett, Earl DeHart, A. C. Hershney, P. M. Houser, Art Lewis, Louie Olson, Grady Parsons, Pat Robinson, Edgar Telchik, Ira Scott, M. W. Sumner, Ted Roy and the hostess.

The next meeting will be with Mrs. Ted Royal March 27.

DAWN

Mrs. Walter Galley gave the program on "Living Room Improvement" for members of the Dawn H. D. Club who met with her March 2.

Mrs. Galley pointed out that the eye needs a place to rest and that the housewife can live better physically and mentally if she analyzes herself in connection with color schemes and thinks through her home decorating keeping this in mind.

Mrs. Martin Scripner and Mrs. Joe Evans were guests and members present were Mrs. Henry Spicer, Mrs. H. S. Fuller, Mrs. Marion Russell, Mrs. Jim McCabe, Mrs. Muri Little, Mrs. Cecil Payne, Mrs. Zed Stewart and Miss Lulu Botsford and the hostess.

March 16 Mrs. Henry Spicer was hostess for the Dawn H. D. Club when Mrs. Walter Galley discussed the program topic "Serving on the Jury."

Mrs. Galley stated, "The importance of your position as a juror

in a free society cannot be over-rated. If you perform your duties as a juror conscientiously you will have observed and learned about the judicial branch of your government. You will have strengthened the faith of all people in our form of government."

During the business which followed, the resignation of Mrs. Zed Stewart was accepted with regret, and Mrs. L. W. Tooley was elected to replace her as president.

Attending this meeting were: Mesdames Jim McCabe, H. S. Fuller, Walter Galley, Cecil Payne, Muri Little, Marion Russell, LaNor Tooley, Henry Spicer, Miss Lulu Botsford and the hostess.

NORTH HEREFORD

Mrs. E. E. Bishop was hostess March 15 for members of the North Hereford H. D. Club when Mrs. Frank Brinkman gave a demonstration on "Selecting Colors for a Living Room."

Mrs. Brinkman pointed out the homemakers natural coloring as a basis for selecting the color scheme for a living room. To emphasize her discussion, Mrs. Brinkman selected a magazine ad of a woman with similar coloring and used it as a basis for her selection of wall covering drapery material and also the rug and furnishings for the living room.

At the business meeting which followed members voted in favor of the outstanding H. D. Club woman of the year being selected from club nominees rather than by secret committee as was done last year. Roberta Campbell was the club's nominee.

Mrs. Bishop showed some of the sewing she had done with her new machine.

Mrs. Otto Olson, former president of the club, was presented with a surprise birthday shower at the close of the meeting.

Mrs. John Jacobsen Sr., West Hereford H. D. Club, Mrs. R. L. Campbell, Mrs. C. R. Williamson and R. L. Harms were guests.

Members present were: Mesdames Mary Bodkin, A. A. Hare, W. H. Russell, O. C. Williams, Otto Olson, George Parker, Otto Massie, A. E. Hodges, Frank Brinkman, Ludwig Kovacs, Paul Hoff,

O. L. Williams, Roberta Campbell and the hostess.

The next meeting will be a luncheon meeting with Mrs. A. E. Hodges on March 29 when Mrs. O. L. Williams will give the program on "Poisonous Snakes in Texas."

MESSSENGER

Members of the Messenger H. D. Club met with Mrs. Bruce Coleman March 9 when Mrs. S. N. Thweatt gave the program on "Living Room Improvement."

Those present voted to sponsor the annual political rally and pie supper held at the Walcott School. They also made plans to sell aprons at the H. D. Market as a fund raising project.

Mrs. R. J. Coleman won both the floating and the recreation prize.

Following the program the women finished a quilt they were making for Girltown.

Refreshments were served to Mrs. James Coleman and Roberta Campbell, who were visitors, and the following members: Mesdames N. A. Brown, Bob Howard, Floyd Brown, E. M. Jack, W. D. Howard, Ernest Brown, S. N. Thweatt, Ruth Coleman, J. E. Rouse and the hostess.

The next meeting will be a covered dish luncheon with Mrs. R. J. Coleman March 23 when the members will work on another quilt for Girltown.

FRIO HOMEMAKERS

The Frio Homemakers Club met March 13 in the home of Mrs. Earnest Harder for a program on "The Importance of Eating a Good Breakfast." Mrs. Floyd Cole gave the program and Mrs. T. L. Sparkman Jr., gave a demonstration on making cottage cheese.

Present for the meeting were two visitors Mrs. J. E. Andrews and Veradelle Andrews and members, Mesdames Jeff Terrell, a new member Annie Springer, Glenn Roberts, Owen Andrews, T. L. Sparkman Sr., B. M. Sudduth, Henry Dobbs, Leonard Schmidt, Floyd Cole, James Dobbs, T. L. Sparkman Jr., Herbert Schmidt, Miss Alma Andrews and the hostess.

The next meeting will be with Mrs. O. W. Parris March 27.

WYCHE

Mrs. Curtis Traweck was guest speaker for the Wyche H. D. Club at its regular meeting March 15 with Mrs. George L. Olson. Mrs. Traweck, who spoke on "Jury Service for Women," was introduced by Mrs. Charles Packard, program leader for the day.

Mrs. Traweck told the group that "The right to a trial by jury was a freedom fought for by our forefathers, and we who are qualified, should feel that it is our highest obligation to serve on a jury panel."

She pointed out that "We owe much to our government which grants us liberty, freedom and justice under the law and being away from our business is hardly comparable to those who left homes, family business and even country to fight for, to gain or to preserve that privilege to serve on a jury. Those who suffer extreme emergencies or hardships will be excused by the judge," she explained.

She emphasized that the jury's findings on a disputed question are usually final and are seldom set aside so in all verdicts one should be careful and be just.

Following a business session, the recreation chairman directed a St. Patrick's Day game in which Mrs. Sumner and Mrs. Newsom tied for highest score.

Present were: Mesdames Traweck, O. B. Sumner and John D. Zahn, guests, and J. V. Pickens, E. R. Roberson, W. P. Axe, H. L. Ward, G. W. Newsom, C. R. Dameron, C. C. Ellis, C. F. Newsom, Charles Packard and the hostess.

Argen Draper will present the next program on "Floors and Floor Coverings" April 4 in the home of Mrs. W. P. Axe. Young homemakers are especially invited.

WESTWAY

Mrs. Bess Warner, citizenship leader, had charge of the club meeting when the Westway H. D. Club met Thursday with Mrs. Jessie Olson as hostess. Mrs. Phillip Miller gave an informative talk on "Jury Service for Women." Mrs. Miller stated that poll tax weeds out people who do not care or who are incompetent.

"As we learn to serve on juries, we will become better citizens," she said. When the time comes for us to perform this duty we should be prepared, be honest, congenial and use our own judgment.

The Heart Program and the family party was to be combined and held at the community house on Wednesday March 14.

Visitors were Mrs. Ross White of Hale Center, Mrs. Dick Godwin of Hereford and Mrs. Ernest Flood.

Members present were Mrs. Phillip Miller, Leo Ohlig, George Turrittine, C. A. Sautley, B. B. Northcutt, Paul Rudd, G. C. Merritt, Bess Warner, Dee Johnson, R. L. Wilson, and the hostess.

The next meeting will be March 22 in the home of Mrs. Troy Smith. The program will be on "Living Room Improvement," given by Mrs. P. B. Sowell.

POLLY MONROE and DONNA LOVEL, members of the Merry Maidens 4-H group under the leadership of Mrs. T. J. Parsons, attend a demonstration on foods given to adult

leaders by Mrs. Doratha Prowell recently. Meeting place was the REA kitchen and the two girls will take demonstrations back to their club. (Staff Photo)

County 4-H Club Girls Use Foods As Topic For Month

Mrs. Doratha Prowell, assistant H. D. agent has been meeting with the 4-H Girls Club in the county for demonstrations on their program on foods.

Clubs reporting recent meetings are:

COUNTY-WIDE

The Junior County-Wide 4-H Club met in the home of Barbara Fulliam March 13 for a demonstration on "The Preparation of Green Vegetables," given by Mrs. Prowell.

Members present were: Barbara Barrett, Beverly Barrett, Kay Bishop, Gail Bishop, Carolyn Brooks, Anna Mae Schroeder, Sandra Wester, Maxie Wiseman and three new members, Billy Rae Gardner, Katharine and Betty Montgomery.

ARGEN DRAPER

The Argen Draper 4-H Club met March 15 with Doratha Stewart for a demonstration on "Quick Pizza," given by Mrs. H. H. Miller, adult leader for the group.

Lee Ahri Bell, recreation chairman, led a game following the business meeting.

Visitors present were: Mrs. C. C. Stewart, Mrs. W. T. Beavers, Nan Neal, John David Miller, Dion Miller and Buddy Stewart. Members attending were Kay Owen, Gail Miller, Lee Ann Bell, Lucy Beth Miller, Barbara Martin, Linda

Tooley, Audri Miller, Lynn Martin, Betty Alice Tucker, Wainie Beavers, Doratha Lee Stewart, Mrs. L. W. Tooley and Mrs. Miller, the leaders.

SADIE LEE OLIVER 4-H CLUB

Mary Lynn Morrison was hostess for the Sadie Lee Oliver 4-H Club Friday afternoon. Mrs. Doratha Prowell gave a demonstration on "Green Vegetables." The roll call was answered with vegetables that they liked. Spinach was one of the favorites. The new uniform was discussed and all members decided that it is going to be very attractive.

Mrs. Prowell cooked broccoli for the group. Some of the girls had never tasted this vegetable before, but decided that it was very good served either with lemon juice or the cheese sauce. Mrs. Prowell told the girls to cook strong flavored vegetables with the lid off and to cook them in a small amount of water.

Members present were Nancy and Sandra Green, Jane Auten, Carol Rickman, Diedra Thomas, Mrs. T. B. Thomas, Mrs. J. C. Morrison and Judith, Mrs. Buck Green and Jane, Mrs. Prowell and the hostess.

The next meeting will be with Diedra Thomas March 23 for a demonstration on "Quick Pizza."

H D Chatter

By Argen Draper

There have been good reports from most of the farm families about the tree seedlings received. We told you several different things about the trees but the nursery officials changed their minds first so we were not sure about the delivery, etc. Some of the trees were delivered by parcel post and some were shipped from the Experiment Station at Bushland. Anyway, most everyone is pleased. As far as we have heard in the office the A. J. Bezners order was the only one in which a substitute was made. In their order elms were substituted for the pine seedlings. Elms do have a very important place in the farmstead and it is away from the house and yard in the tree row. The elms grow well and fast and will give a lot of protection from the wind and sand and will stop the trash. Elms as well as other trees in the Windbreak should not be trimmed from the ground up. The limbs at the bottom of the trunk give the protection.

To 4-H Club girls: We have been discussing the baked products to be entered in the "Baking Program." At the moment it looks like the "Baking Program" will feature muffins for breakfast, or lunch or supper and cookies for dessert. The muffin recipe Mrs.

Prowell used in the February demonstration is good and can be used. Any muffin recipe can be used and later you will be given some cookie recipes.

Mrs. Dick Godwin gave us some of the birthday cake she made for her birthday. It was chocolate cake with seven minute frosting and it surely was good. Our vote to her for making a chocolate cake with just the right amount of cocoa in it.

The plans for the District meeting April 5 are well under way. Mrs. A. E. Hodges and Mrs. W. H. Goetsch were in the office this morning making the final plans on a special committee and Mrs. T. J. Parsons came in to pick up the song sheets that will be used. Mrs. Parsons will be song leader and Mrs. Cecil Boyer will play for the group singing.

Get your meal tickets from your club president for the luncheon. It will be served in the high school gymnasium and will be quite a nice affair. There are a lot of tickets in the office so if you can't see your club president why don't you come to the office. All clubwomen in the county are welcome — not just home demonstration club women. It is going to be a good program and you should make a special effort to come for the day.

There will be a nursery for preschool children April 5 to accommodate club members who want to attend the District meeting. The price will be 50 cents per day and each child will furnish his lunch and drink. If we have as many as 20 children the price is 50 cents and if a smaller number, it will be a little more. If you want more information call Mrs. Dick Godwin or Mrs. A. E. Hodges or talk to Mrs. W. H. Goetsch.

Council meets March 26 at 2:30 p.m. in regular session. The agenda will have to be out of town for a district meeting, but the meeting is well planned by Mrs. N. A. Brown, chairman.

The Johnson Grass farmer said as his wife took his wristwatch out of the washing machine, "Well, it won't need to be cleaned now." Mrs. Wayne Wilcox, Mrs. Jack Williams, and Mrs. J. D. Mabry from Friona have just left the office for the Friona 4-H Club and wanted some information on the contests. District elimination for state contests will be held at West Texas State College April 28.

Awtrey Sr., Mr. and Mrs. John J. Hastings, Mrs. W. A. Waters, Mrs. E. M. Cox, Mrs. L. W. Denton, Mrs. John Jacobsen Sr., Chris Jacobsen, Misses Evelyn Bell, Roberta Campbell and the host and hostess.

Music Festival Attracts One Hundred Thirty Five

One hundred and thirty-five music students in the Seventh District registered for the National Federation of Music Clubs Junior Festival held here Saturday. Teachers, officers, councilors, and judges in the various divisions

were honored at a luncheon at 12 o'clock noon at the Jim Hill Hotel. Appointments and decorations carried out the St. Patrick's Day theme combined with a musical accent in floral arrangements. Dr. Lloyd Patien, dean of Music,

Amarillo College, and Gladys M. Glenn, Musical Arts Conservatory, were the main speakers. A tea sponsored by the Music Study Club was held during the afternoon. Refreshments were served from a springtime table done in St. Patrick green and jonquil yellow. Harps and horns were used with golden yellow jonquils in the table center piece.

Committee on arrangements for the tea included Mrs. Homer Fox, chairman, Mrs. C. J. Mountz, Mrs. Cecil Massey, Mrs. J. R. Allison and Mrs. A. O. Thompson.

Walcott News

By MRS. T. L. COLLINS

Tuesday afternoon, Dr. H. A. Cavness and nurse, Mrs. W. B. Dowell, from Hereford came to Walcott School. They checked each child's teeth.

Children in the fifth and sixth grade room had a little birthday party for Connie Darwin Tuesday afternoon. They served refreshments. Mrs. Herschel Burrus and Mary Alice came to assist in their class-club entertainment. She also brought some Red Cross material with her.

Mr. and Mrs. Melvin Henderson and sons made a business trip to Levelland Tuesday. They returned home Wednesday. Keith Henderson spent Tuesday night with John Perrin.

Mr. and Mrs. T. L. Collins saw

the senior play, "Stars in Their Eyes," Thursday night in the Hereford High School auditorium.

Mr. and Mrs. Walter Neinst, Rose and Barbara went to Stamford last weekend to visit her parents, Mr. and Mrs. Charles Vasek. Walcott's boys and girls volleyball teams went to Bovina Wednesday afternoon in a school bus driven by their coach, A. L. Shelton. Thomas L. Collins accompanied the group. Both girls and boys teams lost their games. However, the boys gave Bovina boys a good struggle, the game was tied about six times.

Kathryn Burrus was "suing-out" in the Bovina dressing room with the handle of a rat-tail comb in her mouth. Kathryn stooped over, hit the comb on something, jabbing the point into the roof of her mouth. She was taken to the school nurse, who in turn, took Kathryn to the hospital in Friona, where she was picked up by the group on the return home later that afternoon. Kathryn still has a sore mouth, finds it difficult to talk and is eating soups. Moral—

"sharp objects should be kept out of one's mouth."

Some official interscholastic league games are coming up with Adrian on their court March 26 at 1:30 p.m. Coach A. L. Shelton will take both boys and girls volleyball teams to Adrian that day. He would welcome parents so plan on going.

Walcott P-TA met Friday for its regular March meeting. A good crowd attended. President, Mrs. J. V. Ferrin, called the meeting to order, and presided during the business session. We were pleased to have our secretary, Mrs. Roy Pruitt, back with us, after about a three and a half months' absence and illness. She read minutes of the last meeting, which were accepted. Mrs. Don Guseman gave the treasurer's report. Mrs. Wallace Lumpkins, program chairman introduced the program.

Gary Guseman and Wayland Northcutt gave an interesting 4-H demonstration on different varieties of wheat and soils.

The third and fourth grade children had a part on the evening's entertainment. They gave six Choral Reading numbers, suited to this season of the year.

Their play was a Western, entitled "The Dude Changes His Name." This had three scenes, taking place out on the open prairie, near the ranch house, around a campfire. Nancy Tyler introduced their play.

Cowboys on the range were: Rocky, Larry Minks; Slim, Clyde Lockhart; Chuck, Carl Myers; Steve Fatten; Hopalong, Leo Robinson; Tex, Clay Mick; and Roy (the Dude), George Steward. Since George didn't come, Gary Guseman took his part at the last minute.

Cowgirls were: Sal, Elizabeth Burrus; Lou, Nancy Tyler; Rose, Rose Neinst; Sue, Sue Minyen; Anne, Dianne Jack; and Ginny, Geneva Cates.

These children were dressed in typical western clothes. They closed their play by singing "Home on the Range."

Janell Weaver, program chairman of Walcott's 4-H girls, introduced Charles Hoover, now working on the soil conservation committee of Deaf Smith County. He talked very briefly, then introduced Hardy Benson from the Ford Community, who gave a very concise talk on why soil conservation has become a necessity and some suggestions as to how it can be done.

C. E. Van Doren from the Amarillo Experiment Station, showed some colored slides of actual fields there. He talked about each of these and gains made by experiments. He was an interesting speaker. In conclusion charts were

shown of wheat variety yields through the years, under certain conditions.

VanDoren told the group that the sign, "Visitors Welcome," at the station in Amarillo means just that. We were honored to have him with us.

Refreshments of home-made cookies, of several varieties, baked by the 4-H girls and their mothers, were served, along with coffee and Kool-aid, to all present. Donations were made to the 4-H girls club. This amounted to around \$18, which they appreciate.

During the social or visiting hour, a good time was had by all. Miss Rosalie Hutcheson from Hereford played her guitar and sang for the group as they enjoyed refreshments. Some parents visited classrooms and looked at classroom work of their children.

These people signed as visitors, other than those mentioned above: Ken and Paul Rudd from Westway; R. C. Godwin and Mrs. Hardy Benson, Ford Community; Mr. and Mrs. Luther Lesly, Tom and John of Hereford; Mr. and Mrs. Travis Alston of Westway; Mr. and Mrs. J. G. Fortenberry of the Bippus Community; Mr. and Mrs. Jim K. Wiman of Hereford; and Miss Verl Miller of Floydada (Mrs. Bertram Jack's sister).

Charlene and Mary Ruth Weaver, pre-school daughters of Mr. and Mrs. Jack Weaver, have both had smallpox vaccinations lately. Little Mary has a very unusual place for one of her smallpox vaccinations (in the edge of her nose). The Doctor believes she vaccinated herself there. This has certainly caused much concern and has been so painful and distressing to her.

Mr. and Mrs. Walter Neinst went to Dallas Saturday to see his sister, who is in the hospital there. Rose and Barbara are staying in the Wallace Lumpkins home while their parents are away.

Garcia News

By MRS. S. N. THWEATT

Friday night was regular P-TA night at the Walcott School. There was a large attendance. Mrs. Tom Collins' room presented a play, "Home on the Range," which everyone enjoyed very much even though some of the cast weren't present. These children were from the third and fourth grades. They were all dressed in some kind of cowboy or cowgirl suit. They were very pretty. Some one snapped pictures of them while they were on the stage.

The 4-H girls served refreshments of cookies, coffee and Kool-aid. They didn't charge, but the people donated to their funds.

Mr. and Mrs. Hoyt Smith left Saturday for Houston to take their baby to a doctor. They contacted a doctor in Denver, Colo., and he checked and advised this trip to Houston. We wish them the best of luck and the baby a speedy recovery.

We were wondering last week about the new road in Farmer County. Well, it's the road coming north out of Friona. The contract for building the road, and paving, will be let in the early spring. This road will join the south end of 1412 farm-to-market road, that goes north of Bootleg.

Mr. and Mrs. James Coleman and sons, Ted, Rex and Jo, left for Oklahoma one day last week. They sure have nice weather for the trip.

Bruce Coleman spent Friday night in Lubbock, he was helping his brother-in-law, Joe Brown, to move some farming equipment.

Eldred Brown made a business trip to Amarillo Saturday.

I was talking to Mrs. Roy Pruitt at P-TA Friday night and she said she was feeling so much better that she thought she was almost cured from her operation back in the early winter.

It's only three weeks until school trustee election, April 7. Everyone had better begin to think whom she or he is going to vote for and get out and do that voting.

Visitors in the home of Mr. and Mrs. Eldred Brown Sunday were Mrs. Brown's sister and family, Mr. and Mrs. Clyde Shadix and Mr. and Mrs. J. V. Perrin and boys, Johnny and J. V., Jr. They enjoyed playing croquet since it was such a beautiful spring day.

Miss Geneva King and Miss Marilyn Hutcheson of Rose Dale were guests of Mr. and Mrs. Floyd Brown Sunday.

YOUR RED CROSS ON THE JOB

CORINNE J. NEELEY, Exec. Sec.

March, Red Cross Month, begins and ends a campaign for funds and members to carry on work for another year. Your enrollment as a member and funds is necessary so that the chapter may operate.

Increased activities begin this month for your chapter. A new service is in the making for the community with the second part of a course scheduled Monday, 26th at 3 p.m. in County Grand Jury Room. Those taking part will receive a notice.

Three Senior Life Guards, Texie Gyles, Betty Roberts and Sam Lesly, are now taking classes at Canyon for instructors in Water Safety for summer classes at the Municipal Pool. A fourth, Bonnie Lewis, will attend a special school at Lake Murray in Oklahoma in June. All are sponsored by your chapter. Another new service, Mother and Baby Care, is being prepared for future classes with a new instructor trained last month in Pampa—Mrs. Earl Springer.

Besides these services in health and safety offered the regular work of the chapter continues; that of aid, financial and otherwise, to the serviceman, veteran and/or families; and preparedness plan and committees for Disaster. Both of these are MUSTS for any Red Cross Chapter.

Write or call your Red Cross Office for information and suggestions.—Adv.

Your Congressman Reports

The Senate is dawdling close to a final vote on the controversial farm bill. By the time this letter reaches you, this highly important legislation will be in a Conference Committee made up of members representing the House Agriculture Committee and the Senate Agriculture Committee. This Committee will try to work out the differences between the House of Representatives and the Senate and to work out a bill acceptable to both Houses of the Congress.

It will be remembered that the House last year passed the bill fixing mandatory price supports at 90 percent of parity. The Senate failed to act last year on the measure prior to adjournment. The House bill is still before the Senate, but the Senate has written a new bill into which has been injected a number of items. If this bill passes the Senate, which is expected, the chances are that it will never be debated in the House of Representatives. The reason being, that the Senate will substitute its farm bill for the wording in the House farm bill and then pass the bill as a House measure. This means that the bill will then be taken to a Conference Committee and not brought back to the House for further debate. The only time that the House will get to act on such a measure again will be to vote for or against accepting the report of the Conference Committee.

The Senate has already knocked out rigid 90 percent supports. As we predicted, the 90 percent support lost because a Republican block was joined by several Southern Senators to whom Benson had made a special appeal. I respect the sincerity of the Senators in what they have done, but I question their judgment. The farm problem is a nation wide problem and the attempt to settle the local matters and problems with a disregard for the rest of the farm economy must operate to divide the farm forces. We hope that this Administration is not pursuing the doctrine of "divide and conquer" in its attempt to cope with the farm matter.

As I have repeatedly stated in the past, the family-size farm is one of the pillars upon which this country has been built to its pre-

sent greatness. If we want to destroy our way of life, the greatest blow that can be struck against it would be the destruction of the family farm unit. It is in this source that democracy must find two of its essential roots, independence and freedom. These roots can be as completely destroyed by economic means as by physical force. This must not be allowed to happen.

HIGHWAY LEGISLATION
The battle lines on highway legislation are fast shaping up. The highly explosive tax matters in last year's bill have been measurably watered down by the Ways and Means Committee's recommendations. Plenty will be said, however, with regard to the present ones when this bill reaches the floor. Other items of apparent hot debate seem to have been cooled down some. The issue that is coming to the front fast as one of the leading controversies is the issue of whether or not the taxpayers should pay all of the expenses to relocate the facilities of utility companies along present highway rights of way. Congressman Brady Gentry of Tyler, a former Texas Highway Commissioner and County Judge, has been waging a running and effective fight against the use of tax monies to pay utility companies for relocating their facilities. One of his major weapons is the argument that the present rights of way have been used free of charge by the utility companies and that these companies have provisions in their contracts agreeing to relocate these facilities without cost to the public. The utility companies claim that, if the taxpayers are not required to pay for relocation costs, then they (the utility companies) will simply pass on the cost of this relocation to their customers. You can see that there is plenty of fuel here for a good sized bonfire.

Like the school aid bill and other pieces of legislation here, you can expect many attempts to put rider type legislation on the highway bill. This is one means of helping the trend towards total centralization of government and regimentation of individuals. Have you ever thought how fast centralization and regimentation are being accomplished? When most of

you my age were boys and girls you didn't have to have a license for every turn of your daily life. About the only licenses we knew of at that time were dog licenses and these only applied to city dogs. Country dogs didn't need them so long as they came to town for strictly social purposes. I guess it can properly be said that we are now leading a dog's life, at least in so far as licensing is concerned.

VISITORS
Visitors in Washington this last week included Colonel Joe Mason, formerly of the Amarillo Air Force Base and now at Wright Patterson. Incidentally, Joe kept his home in Amarillo and expects to return there. The Honorable Bill Healy, member of the Texas Legislature and attorney of Paducah, was in town for a couple of days and we enjoyed visiting with him. Mr. and Mrs. Robert Wheatley of Amarillo were in town. Mr. Wheatley represents the Brotherhood of Railway and Steamship Clerks, Freight Handlers, Express and Station Employees. They were able to sit in on some of the hearings on railroad retirement legislation which is before one of the subcommittees on which I serve. It was certainly good to have all of these folks in the Capital City and we hope more of you can come.

"The Outlaw's Daughter," a new and exciting western adventure, starring Bill Williams, Kelly Ryan, and Jim Davis will show Friday and Saturday at the Star. It tells the story of a marshal's fight against a band of ruthless outlaws who are responsible for his brother's death.

Bill Williams, who stars in the "Kit Carson" television series, plays the leader of the band of outlaws. Kelly Ryan is the girl who is torn between her love for the marshal and her fascination for the outlaws' leader. She is cast in the title role, playing the daughter of one of history's most ruthless outlaws, James Dalton. In the role of the hard-riding, hard-fighting marshal is the screen veteran, Jim Davis.

When a cynical journalist, a ship's stoker, and an economics professor are stranded on a desert island with a sultry, sulky female you can be assured of many amusing situations, especially as these four people are the only inhabitants of the island.

This eyebrow-raising, provocative situation is the basis of a new motion picture called "The Adventures of Sadie," which will also show Friday and Saturday at the Star.

Joan Collins plays the title role as the object of the three men's affections. An all comedy cast supports Miss Collins in this movie, which was filmed off the coast of Spain on the island of Majorca. George Cole plays the role of the journalist who at first can't stand the sight of Miss Collins but later does a complete about face and falls in love with her. Kenneth More is cast as the ship's stoker with an eye for liquor and a fancy for the ladies. Robertson Hare is the economics professor is of the belief that youth never ends, and thus also directs his attentions and affections toward the fiery Miss Collins.

When these three jovial characters try to outwit each other, the fun really begins. At first they agree to be perfect gentlemen toward Miss Collins, but suspicion and jealousy soon take their hold and the result is an island of peace turned into one of utter conflict and great hilarity.

Against an authentic background of wild animal life and weird tribal customs of one of the world's most primitive peoples, the current true adventure film, "Wakamba!" which will show Saturday and Sunday at the Texas, tells a simple but fascinating story.

The story concerns a Wakamba warrior who sets out to track down the largest elephant the tribe has ever seen so that its ivory tusks will supply him with the marriage price to claim a village maiden for his bride. Accompanied by another young warrior, this hunt provides many spectacular scenes such as stampeding elephants, and lions intent on their kill, a charging rhinoceros, wheeling vultures,

By a duly recorded order the county has discharged Chamberlain & Co., as architects and agents for the county in the construction work of the new courthouse. This is the second chapter in a recent suit filed by the county against the architect in the sum of \$30,000, in which the county claims misrepresentation and a breach of trust. Just what the outcome will be cannot be forecasted, as the indications point to a long drawn battle, in which the county may get the worst of it.

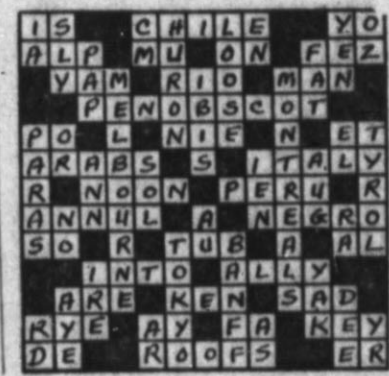

The making of overdrafts is forbidden by our banking laws, both State and National, and the officer of the bank permitting such practice is held personally responsible for the overdraft he allows. Besides, the practice itself is unfair to the Bank, tends to misunderstandings between Bank and Customer and is oftentimes productive of much annoyance when a favored and otherwise appreciated customer imposes on the Bank, by putting a check in circulation which will overdraw his account. For these and other good reasons, we have decided that from this date forward we will cut out overdrafts entirely.

Daily we drag about us every physical comfort of this age. Even our architecture reflects comfort. Yet, how many of us indulge in the Supreme Comfort...the comfort of religion? *Folded hands reflect a soul in fellowship with the Almighty.* See what aids he has summoned in his hour of need! When your nerves are worn from daily routine, when crisis tear at your soul, when tragedy overwhelms you...do you ever stop to experience the Comfort of Divine Presence? Compare the harried, cross, impatient faces you meet on the street with the crowd you see going to church each Sunday...that should be enough. The strain of modern life is too much. Psychiatrists are stampeded and mental institutions are overflowing. Our nerves simply can't take it. Why not try this man's remedy? *Light a candle, open The Book, fold your hands and get in company with noble souls.*

YOU IN THE CHURCH
THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a molding religious character. In the church the ministerial are the officers of state in these perilous times. Thus we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH GOER and a daily BIBLE READER.

AUSTIN - A long battle for interposition action begins in Texas next week.

At its Tuesday meeting in Houston the State Democratic Executive Committee will answer Gov. Allan Shivers' proposal to place the interposition question on the primary ballot.

Reports also are to be made by the party's legal subcommittee and the Texas Committee on School Segregation. Both have been studying the suggested interposition referendum.

Governor Shivers is expected to ask voters to join his crusade against federal encroachment by giving the legislature a mandate for interposition. He will address the committee at a night meeting to which all Democrats from the Houston area are invited.

Later, Shivers will visit various parts of the nation. He will talk to leaders, without regard to party, and make speeches to gain nationwide support for the interposition movement.

Also on the executive committee's agenda will be the laying of groundwork for the upcoming convention battles. Liberal-loyalists have indicated clearly that they intend to fight the conservative party leadership at precinct, county and state meetings.

GOP convention is expected to be solidly pro-Eisenhower, but the touchy question of a vice presidential nominee has been carefully avoided.

Vaccine Stretching Debated
Public health officials are in disagreement over a proposal to delay third polio shots in order to extend the dwindling vaccine supply to more people.

A two-shot plan was endorsed by the Public Health Service in Washington. Such a plan would stretch the still-short supply of vaccine to cover 25 to 30 million persons, officials said.

Dr. Henry A. Holle, Texas health commissioner, turned thumbs down. He said the difference between two shots and three "could be the difference between having paralytic polio and not having it."

Texas' supply is almost exhausted. However, a rush order of 150,000 cubic centimeters of the vaccine is expected to arrive before the end of the month. One cubic centimeter is sufficient for one inoculation.

Meanwhile 11 new cases of polio are reported in Texas, bringing the year's total to date to 121.

FFA Boys Act
More than 38,000 boys now are enrolled in FFA chapters in Texas high schools. So reports Lewis B. Taylor, executive secretary of the Texas Vocational Agriculture Teachers Association.

Biggest FFA chapter is at Burbank High School in San Antonio, where there are 188 members.

National awards have been won by chapters in Clifton and Whitney. Clifton boys won the FFA national gold emblem rating six times in a row. Five FFA boys from Whitney won the American Farmer Degree the same year.

Short Snorts
APRIL 5 is the opening gate for the old French legation in Austin. Dignitaries of the Sons and Daughters of the Republic, the State and

the University, will attend opening day ceremonies.

ONLY ABOUT HALF of Texas' motorists have obtained auto inspection stickers so far this year. Over 150,000 cars a week will have to be checked between now and the April 15 deadline.

GEORGE C. MENZIES died of rabies, last January, while working on an experiment with bats. He left a wife and four children. Austin friends of the former State Health Department scientist have started an educational fund for the children. Spearheading the drive is W. N. Colson. So far less than \$3000 has been collected. More money is needed. Contributions may be sent to Colson at Box 691, Austin.

SIX INSURANCE COMPANIES owned by W. Lee O'Daniel and his family, have fewer policies in effect than the new law requires for continued operation. So reports the insurance commission. Included are the W. Lee O'Daniel Life Insurance Co., and five others. If which O'Daniel's son, Pat, is president.

ANOTHER INSURANCE COMPANY is out of business. But without repercussions or financial loss. Home Life and Accident Insurance Co., of Dallas voluntarily surrendered its license and asked that a court-appointed receiver be named. Frank Cain, chairman of the board said that all policyholders and creditors would be paid in full and stockholders would receive more than their original investments.

APRIL OIL allowances have been cut by 64,159 barrels daily by the Texas Railroad Commission. Reduction to 3,356,857 barrels is effected by allowing one less producing day than in March.

PHILADELPHIA - The classroom notebook of the first graduate of the University of Pennsylvania School of Medicine shows the cost of medical schooling nearly 200 years ago was about \$50 a year. The cost exceeds \$2000 a year today.

The notebook belonged to Dr. John Archer, who entered the school when it opened in 1765. The book has been purchased by members of the class of 1916, which included Archer's great-great grandson, for presentation to the school. The great-great grandson also is named Dr. John Archer.

Favorite Son Approved
Speaker Sam Rayburn's proposal that Texas Democratic convention delegates be chosen who will support Senate Leader Lyndon Johnson as the favorite son candidate for presidential nomination, won general approval.

Rayburn's suggestion that Johnson be made chairman of the delegation was endorsed by liberals, but brought no reply from the conservatives.

Texas GOP Plans Strategy
Texas Republicans will bypass the holding of primaries this year. They will concentrate on the general election.
At their Austin meeting the State Executive Committee agreed (1) to nominate by convention; (2) to hold precinct conventions May 5, county conventions May 8 and the state convention May 22 in Houston; and (3) to focus efforts on the reelection in November of President Eisenhower and Dallas Congressman Bruce Alger, Texas' only Republican congressman.

NOW there is much more of the new polio vaccine available. Do go to your doctor and have all of your children given this immunization if possible.

There was so much trouble when this vaccine was first announced that some parents became frightened of it and did not want their children to receive it.

This is, of course, very understandable. No parent wants to run any risks of giving his child a serious disease like polio.

But that danger is past. There was some trouble with one batch of the Salk vaccine released last spring. When this was discovered, all the vaccine was withdrawn and put through the most rigorous of

tests. The whole process of manufacture was scrutinized with minute care and the tests given the final products were checked and rechecked. The flaw which permitted the unsafe vaccine to be released was discovered and corrected. The new procedures make it practically impossible that there could be a repetition of any of last spring's catastrophes. Probably the newly released Salk vaccine is one of the very safest vaccines now available.

The new Salk vaccine against polio produces no serious reaction. Usually there is no reaction at all. A very few children complain of soreness in the arm and an even smaller number have had a slight fever for half a day after a shot. Not only is polio vaccine safe

but it is remarkably effective in preventing the type of polio that leaves children paralyzed.

Last summer there was an epidemic of polio in Boston. The first and second grade children in that city had received the first of the series of polio shots (as did first and second grades in many other parts of the country.) During the epidemic there were almost no cases of polio among these children who had received one shot. Almost all the cases were among unvaccinated children. This was an unplanned demonstration, but it certainly did show the effective-

ness of the vaccine. While one shot seemed effective in Boston, it is recommended that for lasting protection children receive three shots of the polio vaccine. The second shot is given one month after the first, the third six months after the second. Whether or not subsequent booster shots will be needed no one knows at this time.

Many states and communities are arranging free clinics for the administration of polio vaccine.

Whether you get yours from your own doctor or from a clinic—go get it.

Jewels And History Offered By Swords Give Wonderful Opportunity

By ROBERT D. CLARK

KENNEBUNKPORT, Maine (AP)—You may have an opportunity to inspect historic American swords of every pattern, some the personal sidearms of dashing martial figures.

The noted Philip Medicus collection has been acquired by a youthful antiques dealer who hopes to foster widespread exhibits of the romantic relics.

Norm Flayderman, 27, has more than 800 of them; some richly chased and jeweled by master craftsmen, some crudely forged in the heat and haste of freedom's urgency by country blacksmiths. Navy boarding-cutlasses, dandles' dainty rapiers, glittering cavalry sabers and ornate presentation swords carpet upper floors of Flayderman's home and peep from under bedsteads.

He's making notes for a book planned as the first comprehensive work on the collection widely recognized as largest and best in American swordcraft. Medicus, a New York City connoisseur, died in 1954, an acknowledged expert in his field.

Flayderman wants to loan museums and other responsible exhibitors choice displays. He's confident that most modern Americans have never seen their like.

"Some of these presentation swords," he says, "belong in the realm of jewelry instead of weapons."

"Take this sword, for instance, of Maj. Gen. George H. Thomas, who went into history books as the 'Rock of Chickamauga. New York jewelers turned out this fancy sabre. It was presented to Thomas for his leadership in the 1862 battle of Mill Springs, Ky." The sword has a gold-decorated blade, a hilt with a silver knight as main motif and a reclining woman playing a wreath on the knight's brow. The ball pommel is set with stars

and amethysts, and the cross-guard is a large shield displaying an eagle over diamond-studded initials 'GHT'.

Contrasting with the jeweled ceremonial swords is one documented as the working side-arm of famous Civil War Maj. Gen. Ambrose E. Burnside.

Some of the rough-and-ready sidearms were turned out for soldiers of the American Revolution and for Confederate forces of nearly a century later.

DOGGY TESTIMONY

ESCONDIDO, Calif. (AP)—The president of Palomar College, Dr. Phil Putnam, and the dean of men, John Dunn, appeared in court as character witnesses for two dogs.

They testified that they did not consider the Kerry Blues of a former neighbor, Mrs. Garnet Helms, were a public nuisance, or disturbed the peace of the neighborhood. Municipal Judge John Barnett ruled otherwise, however and fined Mrs. Helms \$50.

MORE POWER

SEATTLE (AP)—In emphasizing the need for more hydroelectric dams in the Pacific Northwest, power company officials cite the growth of the region's peak load from 700,000 kilowatts in 1920 to nearly 8 million in 1955 — an increase of more than ten-fold.

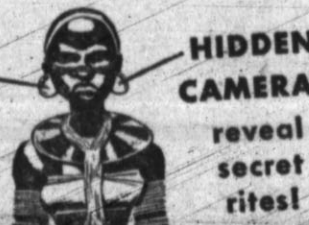

They estimate the requirements will soar to 11½ million kilowatts by 1961.
