Around Town

As of Wednesday people were still sweeping Colorado and/or Kansas dust out of their businesses and homes. As one housewife said, "You have to dust three times to be sure it's gone." Days like Sunday must be awfully good for vacuum cleaner and clothes dryer sales on Monday.

But the Rainbow girls will come to your rescue if housecleaning still has you bogged down Saturday. They have designated it as Work Day and their house-cleaning, baby-sitting, and pie-and-cake making services are available—for a price. Call Verita Sanders, 1156; or Elaine Wagner, 1698, if you need some help. They can probably also be inveigled to wash the car, wax the floor or polish windows. And they work by the job; not by the hour.

Grace Gospel Church has announced a Community Wide singing to be held at the church Sunday at 2:30 p.m. The public is cordially invited to attend.

Although the Red Cross drive officially ended March 31, contributions are still being received at the local office. This year Deaf Smith County's goal was \$7,470 and to date only about two-thirds of the total is in, according to Bill Decker, chapter chairman. Donations may be mailed to Mr. Decker or to Mrs. Corinne Neely at

Five Killed In Area Accidents During March

There were five people killed, 48 injured and property damage estimated at almost \$60,000 in rural highway accidents investigated by the Texas Highway Patrol during March.

This is a better record than March, 1955, however, when 10 were killed and 67 injured in accidents accounting for \$47,049 in damages. Of these wrecks, 52 were on state and federal highways, 10 on farm-to-market roads, nine on country roads, and six in small towns. Speeding was listed as the main cause of accidents last month, with driving while drinking and failure to grant right of way as second and third major reasons. These accidents bring the total for the year to 16 killed, 163 injured and more than \$200 worth of property damaged.

AFTER THREE DECADES

Corbetts 'Pull Up Stakes' To Settle In Los Alamos

After three decades of removing Golden Spread dust from the clothes of Hereford citizens, Roger Corbett has decided to pull up stakes and resettle in Los Alamos, government-owned "City of the Future."

Up there in New Mexico's mountains, amidst intensive experiments in nuclear energy and atomic developments, Corbett will run the only cleaning shop in the town of 24,000.

He and Zenda, who have called Hereford "home" for more than 35 years, agree that life in Los

No Action On "Bull Barn"

The future of Hereford's widely known landmark, the "Bull Barn," was still hanging fire following the Commissioner's Court meeting on Monday.

The court did meet with the insurance adjuster, but was unable to take action on the situation, due to the fact that only one estimate was submitted concerning cost of replacement for damage resulting from a recent fire, which partially damaged the structure.

Commissioners, after briefly discussing the matter, agreed to meet again Tuesday, April 17, at which time additional estimates will be secured and discussed with insurance adjusters.

In connection with the fire, the court also voted unanimous appreciation to the Hereford Fire department for outstanding work in halting the blaze before additional damage was incurred.

To Retire Bonds
Deaf Smith County will also retire \$12,000 in hospital bonds on May 1, according to action of the Commissioners Monday. The bonds will be five in number, valued at \$2,400 each, and were issued in 1936, when the hospital was constructed. One of the bonds will become due May 1, 1956, and the other four will retire scheduled payments through May 1, 1960.

"We have the money to take up the bonds," said Judge Homer

Henslee; "it cannot be used for any other purpose, so the Court felt that it was logical to save the interest on the additional four bonds."

Deputy Appointed
The commissioners also authorized Sheriff Lowell Sharp to appoint Domingo Pesino as a special deputy. The appointment was made in connection with handling law enforcement at the Labor Camp, where Pesino is manager, and is a special arrangement with camp directors, who were represented by Ed Dziuk, president. The arrangement will allow Pesino to enforce law as an officer, a problem which has been difficult, according to the camp representatives.

"It will be an asset to the camp, and will be a great help to the sheriff's department," said Sharp in his appearance before the court. Pesino was sworn in Monday afternoon.

Windstorm Batters Dryland Wheat

Deaf Smith County wheat survived Sunday's dust storm far better than experts predicted, according to reports coming in this week.

Although dry land wheat has deteriorated considerably during the past month, the weekend storm brought more sand in the air than actual blowing on the ground, even though many weathermen termed it the worst duster in 20 years as it whipped over a four-state area.

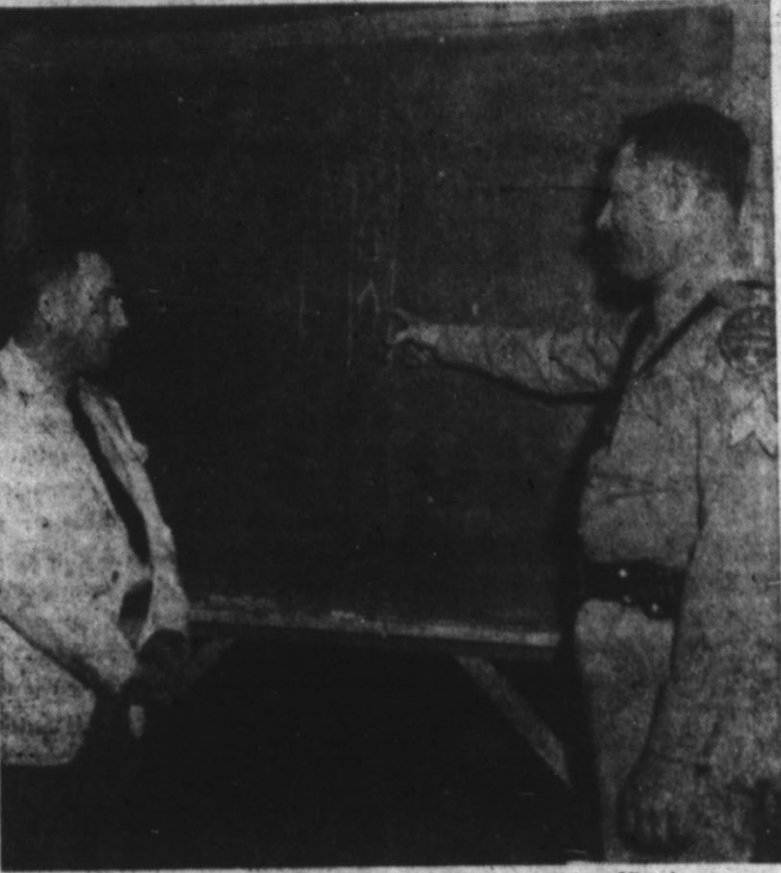

Reports from all over the county indicated that the dust was actually worse than the damage to crops, and whereas spots of wheat over the area might have been blown out, most of it seemed to weather the storm, according to county agent Hugh Clearman. Irrigated wheat, on the other hand, is plagued with greenbugs and brown wheat mites, at this stage.

Deaf Smith County's wheat also

Chas. Sowell In Precinct 1 Race

Chas. Sowell this week authorized The Brand to announce his candidacy for the office of Commissioner, Precinct 1, subject to action of the Democratic primary.

In making his announcement, Mr. Sowell said: "I think most of the voters in the precinct know me, are acquainted with my ability and qualifications. Upon this basis, I solicit their support and consideration and, if elected, promise to fulfill the duties of the office to the best of my ability."

TRAFFIC SAFETY—Rules and regulations on traffic law enforcement are getting a rigorous going over this week as policemen and sheriff's officials in the area attend Police School. Here Chief Leo Box gets personal instruction from Sgt. Bob Brookshire of the Highway Patrol.

Policemen Attend Traffic Law School

Police officers in this area are getting instruction in traffic law enforcement at a three week school conducted by the Department of Public Safety and the Federal Bureau of Investigation.

Sessions are held daily Monday through Friday from 5 until 7 p.m. in the City Hall. First and last week of the school is devoted to traffic law with courses in highway law, accident investigation and public relations. The second week is a firearms school under the direction of Leo Robertson of Dallas, who is with the FBI.

Welcoming the group Monday at the initial meeting were Mayor Henry Sears and City Manager Cecil Massey.

Police officers and sheriff's department officials from Hereford, Vega, Dimmitt, Prisma, Canyon and Littlefield were invited to attend.

Capt. J. W. Blackwell and Lt. Jack Higginbotham, of the Department of Public Safety, are instructing the traffic safety course. This is the third such school which has been held locally.

P-TA District Convention To Be Held Here Tuesday

The annual conference of Eighth District, Texas Congress of Parents and Teachers, will be held in the high school auditorium in Hereford Tuesday, April 17. This will be the first conference held since the division of the old Eighth District last fall.

Some 300 delegates and visitors from 62 local units are expected to

attend. Counties included in the new Eighth District are Potter, Randall, Oldham, Moore, Hartley, Dallam, Sherman, Deaf Smith, Parmer, Castro and Swisher.

Mrs. Stanley Erskine of Midland, vice president, and Dr. John McFarland, superintendent of Vert Public Schools and state chairman of International Relations, will represent the Texas Congress of Parents and Teachers at the conference. They will present the state and national program and serve as consultants during the afternoon workshop sessions. Mrs. J. R. Shackelford of Amarillo, district president, will conduct the conference sessions.

Registration at the high school from 8 to 9:30 will open activities for the one-day conference. The Hereford Parent-Teacher Association, host unit, will serve coffee during registration hours. A musical program will be presented in the auditorium from 9:00 to 9:30, preceding the invocation at 9:30, marking the official opening of the conference.

Hereford Hybrid Grains Harvested In Tampico, Mex.

Hybrid grain sorghums grown in Hereford are being harvested in test plots in Tampico, Mexico, this week supervised by some of the local men who raised the seed.

Growers who have long been interested in raising certified seed have recently turned their interest to hybrid grain sorghums. Last fall Ira Scott, Toya Carmichael, Ed Dziuk, Eddie Dziuk Jr., Wilbur Aze, Wirt Albracht, J. T. Richardson, and Chester Wiggins, sent certified hybrid seed to the Extension Department of Texas Technological College in Lubbock.

Texas Tech's agriculture specialists planted the seed in test rows on ground which they have leased near Tampico, where it is grown on irrigated land during the winter months.

Now it is ready for harvest. Carmichael, Wiggins, Dziuk, Albracht, accompanied by Dr. N.W. Kramer of Tech, drove to Mexico to check the plots, test harvest yields and determine the results of the hybrid seed.

The men left early Wednesday morning, and expect to be gone about one week.

Mrs. Jeff Gilbreath and daughter, Thornton Shirley and Mrs. Cliff Estes, accompanied by their sisters, Mrs. C. L. Morris of Vega and Mrs. Sam Steele of Fort Sumner, N. M., left Monday for Duncan, Okla., for a family get-together in the home of a sister, Mrs. Dean Rice. They were joined there by another sister, Mrs. Barney Casteel, of Atlanta, Ga., for the reunion. The six sisters will return to Hereford this week to continue the reunion with the relatives here.

TRUSTEES FACE MANY PROBLEMS

Reject Shop Bids; OK Health Plan

Two new school trustees, Bert Boomer and Marcus Latham, were officially sworn in at the regular meeting of Hereford Rural High School district Tuesday night, then immediately plunged into a six-hour session involving discussion of topics ranging from teacher personnel and salaries to shop expansion, a stepped up athletic program and curtdins for the Dawn School stage. Action was taken on only a few of the problems, including rejection of all bids on the proposed shop building expansion program.

Reorganization of the board of trustees saw Robert Wagoner, veteran board member, unanimously re-elected to the office of president. Don Zimmerman was named vice president and W. R. Hair was elected secretary.

The board for the second time carefully reviewed bids on the proposed shop expansion program and found the bids more than double their anticipated figure, ranging from \$20,490 to \$24,546. The group finally rejected all bids, and named a three-man committee, composed of Wilbur Aze, Bert Boomer and Don Zimmerman, to investigate the probable cost of expanding the facilities by addition of a concrete block structure. They also scheduled another meeting for Tuesday night, April 17, at which time new plans and specifications will be discussed and reviewed by the architect.

While recognizing the merit of continuing our present type of architecture and construction, I cannot find it feasible to spend \$20,000 on shop expansion so long as the over-crowded cafeteria (high school and junior high) and the entire fifth grade are housed in out-moded, inadequate barracks," said Zimmerman, who apparently spoke the sentiment of the entire board. Action on rejecting the bids was unanimous.

Good Financial Shape
Fred Baird, financial secretary, reported that the Hereford schools will finish the year in good financial condition. He also predicted that the schools will be able to operate through the next year

without any increase in local tax revenues, but said that future years will possibly present a different problem, due to expansion and growth of the school system.

The board discussed teacher salaries; including several possible plans through which local situations could be made more attractive. (Continued On Page 2)

Bleacher Capacity Increased To 3600

Hereford bleachers will handle 3,600 spectators next year as compared with the present 2,300 seating capacity.

Expansion will be entirely on the west side stands, which will be increased 60 feet on each end (north and south), and run 15 sections in height. The new stands will join into the old structure.

A contract in the amount of \$7,743 was let to Southern Bleacher Company at the trustee meeting Tuesday night, and work is expected to begin in the near future. Completion was scheduled well in advance of the opening of football season.

"This will still leave Hereford short of competitive schools in the new I-AAA district," said Robert Wagoner, board president. He also pointed out that all tickets will be "Reserve Seats," and will have seat numbers imprinted. Tickets will sell for \$1.25, including the reserve seat cost. Student tickets will be 50 cents.

"The same charge will be made by all teams in the district," said Wagoner. "Agreements also call

for a 50-50 split on gate receipts on all conference games, regardless of where they are played."

In connection with the stepped up athletic program, the board approved addition of a "first assistant," or line coach, who will be added to the present staff, following elevation of the head coach as athletic director. The staff will include a second and third assistant coach, freshman coach and basketball coach.

Under the new plan, coaches will also teach baseball, track, tennis, golf, cross country running, sprints and weight lifting, and will double in the physical education program for the entire school system. All coaches, including the athletic director, will carry classroom teacher work along with their other duties.

The new program will run a total cost of \$8,301, as compared with a total of \$5,101 during the current year, but the \$3,200 increase will include addition of one new man, in this instance the first assistant coach.

Car Inspections Lag With Deadline Sunday

Car inspections in Hereford, as elsewhere throughout the state, were lagging behind this week with 10 local authorized inspection stations reporting a total of 3988 cars inspected, less than 75 percent of the total.

Deadline for getting the stickers is April 15, said officials of the Department of Public Safety, who remind car owners that they have only three days left.

Homer Garrison, head of the Texas Department of Public Safety, said that everyone without the 1956 inspection sticker on their windshield would be subject to arrest and a \$1 to \$200 fine after April 15.

Reports from local inspection stations indicated that during the last week there had been a rush on inspections, but almost one quarter of the cars still remained to be checked, as of Tuesday afternoon.

The DPS estimated the average cost of repairs throughout the state was 88 cents and points out that even these inexpensive repairs had been responsible for saving about 120 lives since the inception of the program. Of 2400 people involved in automobile accidents, only about five percent of

the accidents were caused by mechanical failures.

Check list on automobiles and trucks includes inspection of horn, brakes, lights, wipers and legibility of rear license plates. A 20 mph road test for stability is also made.

Local authorized inspection stations include Charlie Seeds Motor Company, Kinsey Roberson Buick Company, Truly-Feague Chevrolet Lesly Motor Company, Beavers Motor Company, H&W Implement, Fullwood Electric, Warren Motor Company, Phillips and Lawrence Nash Agency and McCullough Motor Company.

AGE IS NO MATTER—Makes no difference whether you drive a 1956 super-charged chrome-plated three colored automobile or a more conservative model like this 1929

Buick, come April 16, it must have an auto inspection tag, like the one Charlie Reid plasters on this car driven by Robert Charles Kinsey.

well as to the size of their family. Because Corbett still has one dependent son, Tim, a junior at Northwest Texas State in Denton, the family will be allowed a two bedroom apartment; otherwise, they would be assigned only a one bedroom home.

The cleaning plant which Roger will operate has 14 workers and, in addition to being the only cleaning establishment, is a pick-up point for laundry service.

Roger first learned about the opening through bids advertised in daily papers throughout the area, indicating the cleaning plant contract in Los Alamos was available. Bids were received March 23 and the recipient was chosen on three counts: first of all his ability to supply the town with efficient cleaning service, second, his qualifications and third, his financial bid.

Roger and Zenda went up and looked over the place; they liked what they saw. It was different; but it was also close to Red River, where they have fished every year they could squeeze in a vacation. It wasn't home, but it offered a challenge.

So Roger submitted his bid. The first time he knew he had been awarded the contract was when he read it in the Albuquerque paper. Between times, however wheels had begun to roll. Roger was checked from A to Z. The FBI, which, incidentally, is heavily concentrated in Los Alamos, checked his past and his present.

For Los Alamos may perhaps, control many of the secrets of the future. This atomic center is guarded property. Although visitors to the town are welcome, they must be checked in by the guard at the gate, and must present a definite reason for their presence. They are checked out again when they leave.

The town is run by the ZIA company which takes care of utilities, business problems and public relations.

The Corbetts will begin their work in Los Alamos May 1; in June they will be joined by their son Roger Jr., now with the Dr. Pepper bottling company in Florida and Georgia, who is resigning as route supervisor to go into business with his father.

Their other two sons are Buddy, a coach at Longview, and Pat, who is a first lieutenant in the Air Force.

The American he took, unlike the tree whose juices killed Socrates, is not poisonous.

Last Rites Slated For Mr. Bergmann

(Continued From Page 1)

Funeral services for William John Bergmann, 80, of San Angelo will be held Thursday at 9:30 a.m. at St. Anthony's Catholic Church with Father Bartholomew Paytas officiating. Interment will be in St. Anthony's Cemetery.

Mr. Bergmann died Tuesday at St. Johns Hospital in San Angelo as the result of burns received in an explosion at his home.

He was born Nov. 13, 1875 in Indiana and married Clara Locke, in Ferdinand, Ind., in the year of 1902. Mrs. Bergmann died in 1911. They came to Texas 42 years ago from Indiana. Mr. Bergmann although never a resident of Hereford, was a member of St. Anthony's Catholic Church here.

Survivors include one son, Louis Bergmann of San Angelo; two daughters, Mrs. Pauline Henderson of Hereford and Gertrude Lamar of Troy, Ind.; one brother, Henry Bergmann of Troy, Ind.; eight grandchildren and three great-grandchildren.

Gilliland Funeral Home is in charge of arrangements.

All Scottish Rite Masons are urged to attend a special meeting at the Masonic Lodge hall in Hereford Friday evening, April 13, at which time the group will discuss emphasis of an examination clinic for crippled children of this area. Scottish Rite Masons from Castro, Farmer and Deaf Smith Counties were especially urged to attend by Jack Bradley, committee chairman, who said the occasion will be a dinner meeting, starting at 8 o'clock.

Preliminary plans are underway for the third annual Quarter Horse Show, scheduled here April 28 under sponsorship of the Hereford Riders, Inc. The show this year will also feature a Cutting Horse contest at the night performance. The contest will be sponsored in connection with the national association and is expected to attract 30 or more entries.

Plantment for this year was 219,981 acres, according to the ASC office, and Clearman estimated that approximately half of the wheat was planted to dry land and half to irrigated land.

Dry land wheat is badly in need of moisture, and only a good rain in the near future can salvage the crop which has been hampered with insufficient rainfall as well as heavy wind damage.

Cattle, incidentally, seem to have come through the duster all right. Clearman said reports indicated they were not hurt except for weathering a day and night of hard-blowing sand.

Pickup, Two Cars Collide Sunday

A two-car and pickup collision occurred Sunday at 2:30 p.m. in the 800 block of North Main.

A 1953 Dodge Pickup, driven by D. P. Wertenberger, a 1951 Pontiac, driven by J. A. Teas; and a 1952 Kaiser, driven by Roy Smith, collided, police said.

Teas and Smith had stopped to yield right-of-way for some unknown pickup and Wertenberger came up behind the two cars and hit them both.

Approximately \$75 damage was done to Wertenberger's pickup, \$25 damage to Teas' car and \$15 damage to Smith's car. Wertenberger was charged with following too closely.

Written examinations will be given on the traffic law portion of the program, and during the fire-arms school the men will hold silhouette target practice on the caliche pits west of town.

At the end of the three-week period, the policeman who makes the highest grade on attendance, instructor's evaluation examination and firing range average will be presented a pistol from the City of Hereford in recognition of his record. The pistol is a .38 Chief Special, Smith and Wesson, and anyone who attends is eligible to compete for the award. It is not limited to Hereford policemen, said Box.

Attending from Hereford are Chief Box, Marvin J. Boever, J.T. Sanderson, Tom Finley, G. G. Ridgeway, and M. P. Thompson. Also Chief of Police W. W. Jones of Dimmitt, Dan Thompson, Sheriff of Oldham County and City Marshall Jim Roberts, Friona.

The Hallmark of Circulation Value

In the same way that STERLING on silver signifies a standard of known value, so is the A.B.C. emblem a symbol of integrity for the circulation of newspapers and periodicals. It means that circulation so identified is measured according to the rules and standards of the AUDIT BUREAU OF CIRCULATIONS.

The A.B.C. is a cooperative and non-profit association of 3,450 publishers, advertisers and advertising agencies. Organized in 1914, these buyers and sellers of advertising brought order out of advertising chaos by setting up standards for paid circulation and establishing rules and methods for measuring, auditing and reporting circulations.

Therefore, the work of the A.B.C., of which this newspaper is proud to

be a member, provides you with a direct and valuable service. You can buy advertising as you would make any other sound business investment — on the basis of well known standards, known values.

At regular intervals one of the Bureau's large staff of experienced circulation auditors makes a thorough audit of our circulation records. The results of this exacting audit show how much circulation we have; where our circulation goes; how it was obtained; and many other FACTS that you need in order to know just what you get for your advertising dollars.

This audited information is published by the Bureau in easy-to-read A.B.C. reports which are available to our advertisers on request. Ask for a copy of our latest A.B.C. report.

The commissioners, at the same time, voted to divide the amount of insurance equally (16 2/3 percent each) between the six firms comprising the organization. They also expressed a desire that one agent, representing the Exchange, would service all county policies at all times.

The commissioners also cancelled plans and reservations for attending the West Texas County Judge and Commissioners Association in Mineral Wells in May. Reason for the cancellation was a general opinion among the members that they secured more information and benefit from the State association, which meets in Fort Worth later in the year.

How Can I?

(Continued From Page 1)

Q. How can I bleach a straw hat that is badly sunburned?

A. Remove the band and fasten the hat to the inside of a wooden box. Then invert the box over a dish of burning sulphur.

Q. How can I test the freshness of an egg when purchasing?

A. Look at the shell. If rough and dull, it is newly-laid. When eggs age, the shells become smoother and somewhat glossy. The color has nothing to do with the quality or age of an egg.

Q. How can I remove stains from the finger nails?

A. Squeeze one teaspoonful of lemon juice into one cup of warm water, dip the fingers into it, and let them remain for a few minutes. This will also soften the cuticle.

G.H. Brashear Dies In Corpus Christi

Word has been received here of the death of G. H. Brashear, long time Hereford resident, who has made his home in south Texas since 1941.

Mr. Brashear, 68, died in Corpus Christi April 2.

He is survived by 10 children and 23 grandchildren. Three of his children live in Hereford, Mrs. Betty Rice, Mrs. Benny Womble and George Brashear.

Household Tips

Don't Scour

Be sure never to scour the porcelain enameled pots and pans with steel wool, metal pads, or harsh, gritty cleaners. When foods stick, soak the utensils in water and then wash with soap and water.

Chamois Gloves

Chamois gloves will dry much softer if they are rinsed in soapy water.

The Bath

After any strenuous exercise add a cup of epsom salts to the water when taking a bath. It will prevent stiffness of the muscles.

Cleaning Bath Tub

To clean the bath tub thoroughly, put a half ounce of powdered pumice stone to soak in a half-pint of paraffin oil. Then with a piece of soft flannel steeped in the liquid, clean the inside of the tub. Wash out the tub with warm water and dry thoroughly.

Pictures

To prevent the soiled lines on the wall paper caused by pictures, cut a few small rubber squares, about one-half inch, and tack two to the bottom edge on the back of each picture frame.

Furniture Polisher

Do not throw away the odd pieces of velveteen, as nothing makes a better polisher for furniture.

Washing Brushed Wool

Any garment of brushed wool must be washed carefully. Make a suds of pure flakes and warm wa-

ter. Squeeze the garment in the suds, changing the water frequently. Rinse thoroughly, adding a few soap flakes to the last rinsing. Spread out flat to dry, turning the garment when one side is dry.

Removing Whitewash

Whitewash can be removed from walls by dissolving one pound of alum in one gallon of strong vinegar, applying with a brush, allowing the mixture to soak in real well and then scraping and washing.

Cleaning Brass

Brass can be cleaned and will

keep bright for a long time if a soft paste of whitening and ammonia is applied, followed by a rubbing with olive oil.

Draperies

Sometimes after draperies have been cleaned they do not hang as evenly as originally. Slip a curtain rod through the lower hem, adjust the folds, let the rod remain for a few days, and then remove it. The result will be pleasing.

Optimists Hold Ladies Night

Optimists celebrated Ladies Night with a variety program held Monday night at Jim Hill Hotel.

Johnny Lee, student at West Texas State in Canyon, performed a series of magic tricks, high school students sang musical selections and dance pupils of Mrs. Troy Shields performed. Doc Kirby served as toastmaster.

The presidents of Hereford's three other civic clubs and their wives were special guests.

Members of the quartet were Carla Sue Crosthwait, Molly Price, Clydene Allred and Mary Young. Dancers were Linda Jacobsen, Jo

Jury Commission Picks Four Panels

A four-person jury commission Tuesday completed selection of four panels (200 jurors and 16 grand jurors for the July term of District Court.

The sealed lists were delivered to Judge Harry Schulz Tuesday, after two days of deliberation by the commission, and will be opened 30 days prior to beginning of the new term. Serving on the commission were Mrs. R. L. Thompson, W. P. Axe, J. R. Allison and Luther Lesly.

Shield, Linda Scott, Susan Stapp, Barbara Clements, Jane Messick and Barbara Langley.

Garcia News

By MRS. S. N. THWEATT

Mr. and Mrs. Henry Irlbeck spent Easter at Happy with Mrs. Irlbeck's parents, Mr. and Mrs. Joe Large. In the afternoon they had an egg hunt in the park for the small children.

Messenger H. D. Club was represented at the district meet on Thursday. Those attending were Mesdames N. A. Brown, Ernest Brown, R. J. Coleman and Bruce Coleman and Barbara Brown. They reported a real nice meeting.

Mrs. R. J. Coleman and Mrs. Bruce Coleman attended the tea after the meeting.

Mrs. N. A. Brown took the club aprons to the H. D. Market Thursday morning.

Mrs. Floyd Brown was Mrs. Charles Hoover's guest at the Farm and Ranch Club Thursday night at Mrs. Waldon Melton's. Mrs. Brown enjoyed the evening very much.

We are having April showers, but not rain. Monday and Friday were two more of those high dry sandy days; started some of the fields to blowing even though they had been plowed.

S. N. Thweatt was in Amarillo Saturday on business.

The school trustee election Saturday went over big. There were 32 voters turned out.

These sand storms we are having are reaching a long and wide distance. S. N. had a letter from H. W. Barton of Wichita Falls Saturday saying the one last Monday was a bad one there. Mr. Barton owns land in the Walcott Commu-

ity. Mr. and Mrs. Eldred Brown and son, Tommy, had dinner Sunday with the Thweatts. Sunday afternoon they went to Happy on business on their way home. They were caught in that sand storm; at times it was hard to see the road.

Friday, Mr. Shelton, teacher of Walcott School, took some of the school children to Bovina to district meet.

Mr. and Mrs. Lewis Smith visited in the home of the Thweatts Monday night. They enjoyed an evening of "42."

Messenger H. D. Club will meet with Mrs. Bob Howard Friday at 2:30 p.m., April 13. The subject will be "Living Room Improvement." The agent, Mrs. Tom Draper, will be present to give the program. All members remember

to come. News has been received in Lovis that David Campbell, son of Mr. and Mrs. L. W. Campbell of Clovis, was injured in an oil field mishap. David is in the Muroy Hospital in Durango, Colo., in a critical condition. Mr. and Mrs. L. W. Campbell are at David's bedside. We wish David a speedy recovery.

Linda Smith, daughter of Mr. and Mrs. Hoyt Smith, is improving but very slowly, she's home.

Mr. and Mrs. Bruce Coleman, Cinda and Gary were in Amarillo Sunday when the storm struck. They were afraid to come home, so they spent the night.

Mrs. Dewey Lawrence of Tyler is in Hereford for a two weeks' stay with her parents, Mr. and Mrs. F. H. Oberthier.

Camp Fire Girls Make Bingo Card

Members of the Dakonya Camp Fire Group made Symbol Bingo Cards at their regular meeting on Monday afternoon. Mrs. Harry Lindner directed the meeting in the absence of the leader, Mr. W. B. Nunley.

Jo Ann Thomas served refreshments to Sheri Daparon, Ann Gentry, Jenny Holt, Becky Jackson, Ruby Carthel, Jackie Lynn Nunley, Sandra Vaughn, Jerre Bea Noiland, Joyce Lindner, Kathy Knox, Sandra Hoover, Connie Kent, Sally Whiteside, and Caroline Brunley.

Mrs. A. L. Manjeot will be in Portales, N. M., Friday to conduct a Flower Arrangement Clinic for the Portales Garden Club. Following the lesson Friday morning, Mrs. Manjeot will be honored by the club at a luncheon held in the Cal Baylan Hotel.

Mrs. Ed Warren was in Amarillo Monday for a brief visit with Mr. and Mrs. P.H. Gilliland, formerly of Hereford.

Personals

Mr. and Mrs. Pete Jones of Wellington are visiting in the home of their daughter, Mr. and Mrs. H.D. Buse.

Mr. and Mrs. Vance Crume and family visited in the W. H. Graham Sr. and Jr. homes in Farwell Sunday.

The First Baptist Church had four representatives attending the Tierra Blanca Youth Association at Salem Saturday evening. Attending were Tandy Legg, Marlene Legg, Beth Scott and Mary Ann Young.

The Harold Closes were in town Monday on business. From here they went to a meet in Denver. While they are there, they will visit with Freddie Close.

Mr. and Mrs. R. W. Sparks, Buddy Carroll, and Warren spent the first part of this week in Justin, because of illness in the family.

Farmers Union Banquet Scheduled

Deaf Smith County members of the Farmers Union will be among delegations attending the annual banquet of the Farmer County Farmers Union scheduled for 13 at the school cafeteria in Friona.

National and state officers of the organization will be present to explain policies of the group. They will include Alex Dickey, Denton, state president, Emery Jacobs, Oklahoma City, special assistant to the national president, and Joe Berg, St. Francis, state vice president. Berg's daughters, well known radio and television trio, will present musical numbers during the program; according to W. L. Edelman, president.

The public is invited to attend and tickets are on sale for \$2. Groups from Lamb, Bailey, and Gastro Counties are also expected to attend.

Mr. and Mrs. O. R. Neel and Lilit visited in the home of his parents, Mr. and Mrs. Owen Neel in Dumas Saturday night.

MOST VALUABLE GIRL—Lometa Odum, daughter of Mr. and Mrs. D. H. Odum of Dimmitt, receives the "Most Valuable Player" trophy from Coach Smith Markham at Wayland College's annual Basketball banquet.

MOST VALUABLE BOY—Max Newman of Hart, son of Mr. and Mrs. H. E. Newman, was voted "most valuable player" for 1955-56 by his teammates and was presented a trophy by coach Harley Redin at the annual banquet Friday.

Block Workers Attend Cancer Crusade Coffee

Approximately 50 workers attended the Cancer Crusade Coffee Monday morning at Hotel Jim Hill to see a skit on cancer detection, hear Wayne Thomas review the results of the drive to date, and receive their block workers' neighbor-to-neighbor packets.

Mrs. Glenn Nelson served as chairman for the coffee which was open to all zone and neighborhood chairmen. The Rev. S. M. Dunnam read the invocation and a report from Thomas, Deaf Smith County chairman for the American Cancer society, indicated that approximately \$300 had been received through special gifts and the Teletone program.

Members of Beta Sigma Phi presented a skit on cancer, which emphasized the 1956 campaign slogan, "Fight cancer with a check-up and a check." Written and directed by Mrs. Ronald Babione, the skit showed how cancer campaigns are conducted through the neighbor-to-neighbor method as the collection envelope travels from zone chairmen to block chairmen and from neighbor-to-neighbor.

Participating were Mesdames Neil Cooper, M. G. Duval, Cecil Massey, Charles Laing and three year old Kenneth Laing. Cancer's seven danger signals were reviewed and explanations made of how

contributions were spent.

The drive began immediately after the coffee and will end Saturday. Zone chairmen are Mesdames Laing, Duval, Massey, Jimmy Whitaker, Jess Robinson, Leo Box and Ed Line.

Coffee and doughnuts were served and piano music furnished by Mrs. Sam Albracht.

Beta Sigma Phi participates in the cancer drive each year, working with the local chapter of the American Cancer Society. It is one of the major projects of the international organization. This year the local group will sponsor a games night on April 20 at Jim Hill Hotel with Mrs. Nelson in charge. Games of bridge, canasta and forty-two will be played, prizes given and a Big Boy Barbecue set awarded.

Tickets are one dollar each and may be purchased from any Beta Sigma Phi member.

Also on that date the annual coffee day will be held under the auspices of the Junior Chamber of Commerce.

On April 2, Beta Sigma Phi members collected donations in the post office and both banks, receiving about \$65, but these collection centers will not be set up again during April, which is designated as Cancer Crusade month.

unless there is a special demand for them, according to the members of Beta Sig's cancer committee.

Serving on this group are Mesdames Nelson, Box, Line, Laing, Babione, Reuben Knox and Pete Guinn.

COMMUNIST NEST FAILS

GEARY, Okla. (AP)—A flock of 40 guineas on the R. G. Stegall farm decided to lay eggs in a community nest in a patch of weeds. They soon had a circle of about 100 eggs.

Three of the hens took over the job of hatching the eggs. The big trouble was that disagreements developed each day. The miffed hens would shift about, leave and then come back.

They seldom covered the eggs with their bodies at any one time. Before the incubation period was over, all of the eggs had been chilled a time or two. None hatched.

Mr. and Mrs. Gaston Baer are in Miami, Fla., for a two months' vacation trip. They will visit many points of interest in the south while away.

The brightest star seen from any place on earth, Sirius, the Dog Star, shines brilliantly in our evening skies each winter.

Hereford Riders To Attend Annual Roundup At Spur

Several members of the Hereford Riders Club will attend the annual Spur Roundup of Riding Clubs and Sheriff's posse of America held Friday, Saturday and Sunday in Spur. The registration will begin Friday morning.

This Roundup started in 1952 with 13 member clubs and poses and has grown to 62 members from eight states. In that growth it has become an American Association; however, when it was a 13 member club it was a West Texas Association.

Mounted games, Saturday morning trail ride, barbecue, parade, pancake supper, talent show and Sunday morning church service will be included in the activities of the annual Spur Roundup. Highlight of the weekend will be two polo games Sunday afternoon; one between Santa Fe, N. M., and Spur and the other between Sterling City and Lubbock.

Also on Sunday afternoon, there will be a polo panel discussion held and executive committee meetings for the Association with the vice-president, Faust Collier, attending from Hereford.

Last year there were 550 horses in the parade and this year officials expect 1000. Also in the parade last year, the Hereford Riders Club was awarded the second place trophy.

Added to the Roundup this year is an Idalou Trail Ride; this means a ride from Idalou to Spur. There will be approximately 100 horses covering this 60 mile area. They will leave from Idalou Thursday morning and arrive at Spur at noon Friday.

Members who will attend from the Hereford Riders Club are Messrs and Mesdames L. A. Smith and Leo Forrest, Jack Fyance, Mal

Stewart, T. W. Roberson, Walter Johnson, Faust Collier, Joe Kendall, Ky Lawrence, Harold Beauchamp and Meredith Ireland, Nell Spradley, Ed Johnson, Harold Easley, V. C. Hopson and Bill Kendall.

13 HHS Students To Enter Literary Events At Canyon

Thirteen Hereford High School students will enter the Interscholastic League Literary Events contest at Canyon Saturday. Contests will be in typing, boys' debate, girls' declamation, girls' poetry reading, extemporaneous speaking and numbers.

Donna Sue Guseman, Beth Scott, Bill Wimberley, Jane Newsom and Mary Kathrine Huckert will enter the typing contest with Clydene Allred, Susie Loerwald and Mildred Paul as alternates. Gwyn Lovel and Jack Rogers are entered in boys' debate and Ronnie Malone is the boys' poetry reading entry. Key Crawford is the alternate in girls' poetry reading.

Frankie Cuipepper will be the entry in girls' declamation, and Carolyn Virden will act as alternate. Della Ruth Dow and Mary Kathrine are the entry and alternate respectively. Robert Baldwin is the Hereford representative in extemporaneous speaking. Terry Higgins and Jimmie Dale Auten are entered in number sense with Ted Moore as alternate.

Odom, Newman Receive Basketball Trophies

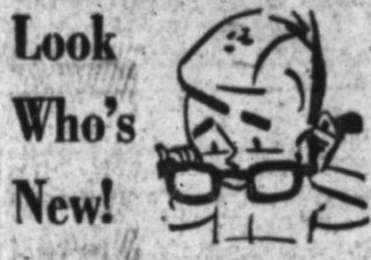

Plainview, April 11 (Sp.)—Castro County carried off the honors at the annual Wayland College Basketball Banquet Friday night when Miss Lometa Odum, Dimmitt, and Max Newman, Hart, were awarded trophies for being named "most valuable player for 1955-56" by their teammates. Several hundred persons were guests at the banquet, where Bob Carroll, sports editor of the Plainview Herald was toastmaster.

Miss Odum's trophy was awarded by Coach Smith Markham of the Hutcherson Flying Queens for which she has starred four years. Newman's trophy was awarded by Harley J. Redin, coach of the Wayland Pioneers and athletic director.

Miss Odum, Wayland's first four-time All American and captain of the 1956 mythical All American team, is a candidate for the B. A. degree and will teach and coach at Gruver next session. She is active in Future Teachers of America Club and secretary of the Senior Class. She is the daughter of Mr. and Mrs. D. H. Odum.

Newman, who has starred with the Wayland Pioneers for four years, has been given a teaching fellowship in physical education at Baylor University. During the current session he has served as president of Student Government Association and been active in Future Teachers of America. He was

also chosen for Who's Who in American Colleges and Universities. His parents are Mr. and Mrs. H. E. Newman.

Look Who's New!

Joe Dennis, born April 8, is the new son of Mr. and Mrs. Billy Joe Dennis. He weighed six pounds and 13 ounces. Paternal grandparents are Mr. and Mrs. T. D. Clayborn of Dimmitt and maternal grandparents are Mr. and Mrs. J. W. Muhle of Hereford.

Brian Keith, born April 8, is the new son of Mr. and Mrs. Calvin Goodin. He weighed six pounds and nine and one-half ounces. Paternal grandparents are Mr. and Mrs. J. J. Goodin of Hereford and maternal grandparents are Mr. and Mrs. W. P. McMinn of Sumnerfield.

Mr. and Mrs. Robert Vega have a new five pound and 15 1/2 ounce daughter, born April 10. Paternal grandparents are Mr. and Mrs. Ferdierzo Vega and maternal grandparents are Mr. and Mrs. Polcarpio Madrid.

San Juana, born April 10, is the new daughter of Mr. and Mrs. Felix Mendoza. She weighed five pounds and six and one-fourth ounces. Paternal grandmother is Mrs. Isabel Mendoza of Old Mexico and maternal grandparents are Mr. and Mrs. Lupe Pacheco of Hereford.

CARD OF THANKS

COFFEE BREAK

ROCKVILLE, Neb. (AP)—Mrs. Fred Dunker has had unusual success with flowers, her latest triumph being a cactus that has been blooming for more than two months. At one time it had 240 blossoms in addition to numerous buds.

Mrs. Dunker attributes much of her success to black coffee. She feeds it to her plants at intervals.

Frank Sullivan of Boston and Frank Lary of Detroit received the poorest fielding support in the American League in 1955. Each had 19 unassisted runs scored while they were pitching.

Mr. and Mrs. Julio Garcia have a new nine pound and eight ounce boy, born April 11. Paternal grandmother is Mrs. Elizabeth Garcia of Hereford, paternal grandfather is Julio Garcia of Lampasas and maternal grandparents are Mr. and Mrs. B. M. Gamez of Hereford.

GOVERNOR SETS TEXAS CANCER CONTROL MONTH—Governor Allan Shivers is shown above as he signed a strongly worded proclamation this week declaring April as Cancer Control Month in Texas, urging all citizens to support the educational fundraising crusade of the American Cancer Society. With the Governor are Joe Polichino (center) of Rosenberg, 1956 ACS crusade chairman for Texas, and Maxwell T. Dalby (right), crusade director for the Society's Texas Division. Governor Shivers designated April 17 as Texas Cancer Control Day—a day on which thousands of ACS volunteers will make a concerted statewide effort to tell all Texas citizens lifesaving facts about cancer.

Household Tips

When you iron embroidered table linens or children's clothes, just place the embroidered part face down on a soft fluffy towel; this will make the pattern stand out.

It's easy to add changes to the old standby, baked beans. Try canned ones emptied into a casserole, topped with sliced luncheon meat, baked in a moderate (375) degrees oven for 30 minutes, then garnished with onion rings.

You can substitute beet sugar for cane sugar in any recipe with the same results. They're chemically identical, so use what's available and economical.

A big help if you're trying to remove a little spilled candle wax from a table top is to hold an ice cube on the wax for a few seconds—but wipe up melted ice immediately so there won't be any water spots.

You'll have easier dishwashing after a baking bout if you're careful to wipe off any batter spilled on your cake pan before you put it in the oven.

Delicious breakfast dish: Cook sausage cakes, browning both sides then place in separate baking dishes or ramekins. Break an egg on each sausage cake and bake in a moderate (350 degrees) oven until the egg is set.

Ever try the water-displacement method of measuring shortening if you haven't the fraction you need among your cup sizes? You fill a regular marked measuring cup to the 1-cup level with water, then pour off an amount of water equal to the amount of shortening you'll need. Put pieces of shortening (pushing them below the liquid level) into the cup until the water reaches the 1-cup line again, and you'll have the required amount of shortening when you pour off the water.

Missioners Court. He adds, however, that when he wants to carry on a private conversation now, he usually goes out into the public hallway, which offers more privacy than the office—so he figures that anywhere will be an improvement.

The school board was also fun-up until 1 o'clock Wednesday morning. After that he got a bit monotonous. There are some new methods here, along with some new methods. These boys now have a coffee urn right in the room, and they go in pretty heavy on food consumption. It appears to be a sort of "covered dessert" affair with different folks furnishing home-made doughnuts, chocolate chip cookies, cake and even barbecue sandwiches. Someone slipped in a lot of those hot-hot peppers and the meeting almost broke up when Wilburn Axe choked down on one of them. Anyway, I got initiated along with Bert Boomer and Marcus Latham.

I almost forgot about the dust storm Sunday. There has been some controversy concerning its degree of intensity. A lot of newcomers figure it was "the worst," but it was really mild in comparison with the "Dirty '30's." There was a time back there when the cattlemen regularly fed their stock between 12 and 2 o'clock in the morning. This was the only time when the wind would lay—and just about the only time that it would not blow the stalks right out of the mouths of the cattle. Honest, I am not exaggerating. Ask O. G. Hill, Ask Burl Ellison, Ask C. R. Smith, Ask Joe Bishop. Even ask Jim Lipscomb. They are all honest men, and they will back up every word I say.

controversy it appears, has reached extreme proportions in Bailey County—and will probably wind up in the courts.

In a nutshell, the City of Lubbock bought some 53,000 acres of land in Bailey County for the sole and express purpose of drilling city water wells. The water will flow through a huge pipeline, and will feed the parched throats and industrial engines of "Greater Lubbock." Farmers and business men in the Muleshoe County area are no little upset over the possibility of exhausting the Bailey County underground water, which they would like to keep at home for irrigation purposes. They feel that Lubbock will use the water for industrial expansion, in which case they would rather use it to expand Muleshoe and Bailey County than to enhance Greater Lubbock.

I hear by the grapevine that the Muleshoe folks have raised around \$10,000 to fight the case in court. Much the same situation occurred here a few years back when Amarillo bought land and drilled in Deaf Smith County. Fortunately for this area, hydrologists located extensive water on non-irrigable lands north of Amarillo, and the thing has settled down to some extent.

All in all, Bailey County has a tough row to hoe. Cities with parched throats have legal priorities on water—and it looks like Lubbock has taken every precaution. Possibly most important, though, is the fact that the situation can happen to any area in the irrigation district. It definitely merits more than passing interest on the part of residents in the Deaf Smith, Castro and Parmer County territory. The question is an old one, dating back into the days of water rights and Spanish land grants. Personally, I think that Lubbock will emerge winner, but the Muleshoe folks have a lot of ideas—and they are not giving up without a fight.

April 15 is next Sunday, which is income tax time for a lot of people. The occasion brings to mind a custom which has overlooked in a lot of communities, people celebrate the occasion with considerable fanfare. This is in the form of a big, elaborate "income tax party." The hostess serves beans and corn pone—and the guests wear appropriate costumes. This includes the old boy who lost his shirt—and the well dressed couple who happened to chisel out a refund for overpayment.

All in all, it sounds like it has possibilities, especially if they raise the grain sorghum supports for the coming year.

Meanwhile, J. Evetts Haley is creating quite a stir in Texas politics. As usual, the candidate from Canyon is calling a "spade a spade." I figured that he was getting into the race chiefly to air

out some of his personal opinions. However, he appears to be 100 percent serious. He is sending out press releases, creating a statewide organization—and gives every indication of going all of the way. I personally doubt if he has much chance to be elected, but he is certainly in there punching.

Reports from Washington, D.C., indicate that politics is beginning to reign in full swing along the Patonac. The big change this year is the fact that there is a rampant emphasis on TV appearances. They have even set up television dramatic classes on Capitol Hill. Also, a facial make-up studio. Congressmen, they say, are ordering more mascaras, rouge and mud packs than Hollywood ever owned. Just where the whole thing will end nobody seems to know. Anyway, the term "mud-slugging politician" now has a complete new meaning.

Tom McFarland, High Plains Water district manager and former Hereford resident, was here this week. Tom said that he took off a few hours to measure the greenbugs on his Hereford farm, which he had not seen for more than eight months. He seemed most surprised to learn that very few people in this neck of the woods are excited over the Lubbock-Muleshoe water feud. The

Hereford's fine track performer, Wayne Smith, gained more admiration and drew added praise for his efforts at the District 1-A Track Meet which was held Saturday at Canyon.

Smith didn't break the records in the 100 and 220-yard dashes, but he set the records which stand now anyway.

He won both dashes going away with plenty to spare. He didn't have to run especially hard to win. The other teams in District 1-A couldn't furnish anything to give the speedy Hereford athlete competition. The field in the 100-yard dash was fairly close, but Smith ran completely away from everybody in the 220.

A conservative estimate would say that the nearest man in the 220-yard dash was a good ten or fifteen yards behind him. The only real competition was for second, third, and fourth places.

We noticed that the Hereford speedster doesn't run unless he has too, and we think it's a good policy. At the same time he has shown what he is capable of. At Panhandle where competition was keen, Smith unreeled two fine performances.

He ran the 220 in 21.3 at Panhandle, more than a second faster than his time at Canyon Saturday. But he was being pressed all the way by Stinnett's Freddie Thompson. He will be pressed again by the same man at the Amarillo Relays Saturday and may have to come up with a better time than he did at Canyon.

Smith drew the most praise for his brilliant effort in the 440-yard sprint relay. He took the baton from Dick Larsen trailing Dumas' Jim Tiner but wiped out the gap and literally dived across the finish line going full speed. He skidded a good ten yards.

He was badly skinned by the cinders but still had a race ahead of him. Smith won this race (the 220) in the slow time (for him anyway) of 22.7 and had to run without a jersey.

Coach Johnny Poindexter said he thought Smith would be ready, however, for the Amarillo Relays. He said the injuries were painful but not serious.

Poindexter had been prepping Smith for the 440-yard dash but says now that he will keep him in the sprint relay instead of running him in the quarter mile.

Hereford certainly has something to be proud of.

Spring Drills Will Start Next Wednesday

Hereford's Whitefaces will begin spring training Wednesday, April 18, athletic director L. B. Russell announced this week.

This is the first time in two years the Herd has held spring training. Only AAA and AAAA schools are permitted to have spring training by interscholastic League rules. Hereford was moved up into 1-AAA with Levelland, Phillips, Dumas, and Littlefield for 1956-57.

About 55 boys are expected to turn out for the workouts. However, Russell expressed the opinion that "a town this size should have at least 80 boys turn out." Hereford's varsity roster was made up of only 22 players last year.

The Herd will have 12 returning

Walcott Thinclads Cop Second Place In District Meet

The Walcott Track Team placed second in the District 3-B meet held Saturday at Bovina. Lazbuddie took top honors in the six team meet by racking up the total of 40 points. Walcott had 20.

Schools from Adrian, Vega, Bovina, Lazbuddie, Farwell and Walcott were represented.

The Walcott team produced two champions of the meet. Bobby Sesums took first place in the broad jump with a leap of 15-11 1/2. Wayland Northcutt carried away top honors in the shot put by heaving the heavy sphere 34-4.

DUMAS WINS FIRST

Whitefaces Are Third At Canyon

Dumas' classy Demons found themselves with a full time job on their hands but still edged in to take top honors in the District 1-A Track Meet held Saturday in Canyon's Buffalo Stadium. At the same time the Amarillo Golden Sandstorm won first in District 1-AA.

The Demons racked up 41 and 1 1/3 points to nose out three other teams, Canyon, Hereford and Phillips. Canyon finished with 36 and 2/3, Hereford 31 and 1/2, and Phillips 30 and 1/2.

A potent breeze prevented the fall of many records, only three marks being wiped out. Wayne Smith of Hereford failed to break the records which he, himself wrote in the 100 and 220-yard dashes, but he was the main cog in the 440-yard sprint relay team which established a new mark. The Hereford foursome of G. C. Merritt, Pat Elliston, Dick Larsen, and Wayne Smith sped the quarter mile in 44.7 to shave two tenths of a second off the old mark of 44.9.

Running the anchor lap, Smith roared from behind and dived across the finish line to nip the Dumas anchor man, Jim Tiner. The agile Hereford athlete skidded

about 10 yards on the cinder track before sliding to a halt. He was badly skinned but recovered sufficiently to still win the 220-yard dash.

Dumas was hard pressed all the way and didn't take the lead until after the final event, the mile relay. The Demons set a new record of 3:35.3 in this event while winning first place. They went into the relay trailing the Canyon Eagles by 1/3 of a point. Canyon failed to place in the relay.

The only other record to fall in 1-A was in the broad jump. Dempsey Gyger of Perryton rewrote the old mark of 20-11 by leaping an even 22 feet to win the event.

District 1-A times consistently bettered the 1-AA marks. In only five of the 14 events did the 1-AA times better the 1-A times. In some events AA times were a full second slower. Amarillo's fine Billy Walker had a better time in the 440-yard dash as did the Sandies' mile relay team. Canyon's Charles Neblett was high point man in the meet with 19 points. Wayne Smith of Hereford was next with 14 1/2 points. Neblett won first places in the 120-yard high hurdles and 180-yard low hurdles, tied for first in the high jump, and took second places in the broad jump and 100-yard dash. Smith won the 100 and 220-

yard dashes, anchored the winning sprint relay team, and was second in the discus throw.

Coach Says Smith Should Be Ready

Track Coach John Poindexter said this week that Wayne Smith should be ready for the Amarillo Relays which will be held Saturday in Amarillo Stadium.

Smith was skinned badly at the district meet last Saturday when he dived across the finish line and skidded about 10 yards after running the anchor lap of the 440-yard sprint relay team. Poindexter said that he would take only five men including his district champion sprint relay team to Amarillo.

Over 50 schools from three states are expected to be represented at the gigantic meet. The meet will be run off in two divisions, AA teams in the upper

and A and B teams in the lower. Mike Brumbelow of Texas Western will serve as the official judge, while Joe Bailey Chaney will be the starter. Fifteen trophies will be awarded to winners in track, tennis, and golf.

Traveling to the Amarillo meet will be G. C. Merritt, Pat Elliston, Dick Larsen, Wayne Smith, and Larry Rickman. The first four are members of the 440-yard sprint relay team which set a new record of 44.7 at the district meet. Larsen is also expected to enter the 440-yard dash. Smith will enter the 100 and 220-yard dashes, while Rickman will be in the mile run.

'PAINT IT OR LUMP IT!'

Veterans Issue Park Ultimatum

The Hereford VFW and American Legion gave the Hereford Softball League an ultimatum—"paint it or leave it"—this week when the league asked for the use of Veteran's Park.

Officials told league members that they could use the park if the league would paint the bleachers and fence posts. At a Friday meeting officials of the Hereford league drew up plans for the painting of the park.

Wendell Burdine was elected president, and Debbis Knox was named vice president at the meeting. A six team league was planned with one game to be played each night three nights a week.

Plans were also worked out for an all-star team picked from Hereford Softball League players to play an out of town team each Saturday night.

Burdine said that the six teams which will make up the league are not yet definite. Three teams, however, have already made plans for entering a team. Piggly Wiggly, last year's champion, Summerfield, and the Junior Oddfellows have all made definite plans to enter.

Medalist for the meet was Shamrock's Don Hodges. Hodges fired a fine 77. Low score for Hereford was an 87 shared by Charles Seed and Jeff Minton. Other members of the Hereford team are Danny Elliston and Donald Bridges.

Shamrock Irish Capture District Golf Tournament

Hereford High School golf fortunes went asunder in the district meet Friday, as powerful Shamrock walked away with top honors.

The Hereford team finished second, 38 strokes behind the Irishmen. Other district teams finished well behind the Whitefaces. The Irish finished with an 18-hole total of 328 strokes, while the Herd racked up 366 strokes.

High winds and blowing dust handicapped the five team meet which was played at Pampa. Other teams participating were the Shamrock "B", Dumas and Canyon.

Lincoln's Old Carpet Bag Becomes Treasured Relic

By BOB HOLTON

PORT TREVORTON, Pa. (AP)—When Levi Fisher died 33 years ago he left a legacy to this central Pennsylvania community—a carpet bag which residents of this area "believe beyond doubt" once belonged to Abraham Lincoln.

The bag is multi-colored and has leather hand straps and a big brass lock plate. It is worn and tired looking. But to inhabitants of this area "it is a real relic of the great Abraham Lincoln."

Fisher was in an Army hospital near Richmond, Va., recovering from the loss of his right leg during the Civil War battle of Cold Harbor, when he acquired the bag. Dr. Donald A. Cadzow, executive director of the Pennsylvania Historical and Museum Commission, says:

"The museum would be glad to accept the bag and display it. From the list of persons who claim the bag is authentic and from the historical dates connected with its reported transfer to Fisher, I myself would say the story is true."

Fisher's daughter-in-law, Mrs. Charles Fisher, of nearby Selinsgrove, said Levi Fisher used to give this account of the bag:

"Lincoln came into the hospital on a visit and saw that pop (Levi) was feeling pretty low about losing his leg and that he did not have

MEMENTO—Allen Sechrist and Lincoln's carpet bag.

any bag in which to carry his personal effects when he would be sent home. The President gave him his own bag and wished him God speed."

The bag is now in the possession of Allen Sechrist, 88, a justice of the peace.

Sechrist says that when Fisher returned home he was without any funds and gave the bag to Conrad Fetter, a cobbler, in exchange for a shoe for his left foot. Fetter was Sechrist's grandfather

and since that time the bag has been in the family.

"I have had some United States congressmen and many other people asking me over the years to give the bag to some museum," Sechrist said.

"But I'm keeping the bag right here in my family. I don't want to sell or give it away."

Col. Henry W. Shoemaker, chief folklorist for the state historical and museum commission, says he would be "very much inclined to believe that the bag is a real Lincoln treasure."

"There are too many dates and oral facts known by too many people for the story to be taken lightly," he says.

During the last 30 years the bag has been displayed at various civic events. Older residents of the area are quick to admit that Fisher came by the bag directly through Lincoln but they say:

"If you knew Levi Fisher, you couldn't help but believe the bag is the real McCoy."

Fisher was born in 1843 and entered the Union army at the age of 21. He died in 1922 at the age of 80. He served one term as Snyder county treasurer in 1891 and was widely known in the community.

Mrs. Frank M. Lewis has returned to her home in Humble after a short visit here in the home of her daughter, Mrs. Robert Hickman.

VISITS HOLY LAND—The Rev. Woodrow Adcock, pastor of the First Methodist Church in Pampa, will show slides of the Holy Land at the First Methodist Church at 8 p.m. Thursday. The meeting is open to the public. Before his talk, the men of the church will have a supper at 7 p.m. in the church parlor. Rev. Adcock, well known throughout the Panhandle, visited the Holy Land with a group of five ministers and made the pictures which will be displayed.

Arrangement Can Enlarge Any Room In Your House

By VIVIAN BROWN

THE AVERAGE homemaker is constantly concerned with how to get a wee bit more space in her home. Some tricks for accomplishing this have been worked out by Norman Fox MacGregor, designer for Valley Modern Upholstery. Says MacGregor:

"Houses get smaller as costs of building soar. But man doesn't shrink and his possessions increase as he earns more money and has more time to spend it."

What's the solution to the problem? MacGregor believes that proper placement of the right kind of furniture can help immeasurably in solving space problems. He suggests:

Unit furniture can provide more seating, storage and living space, creating a spacious look in a small room because sectional pieces are usually placed along one or two walls, leaving the center of the room uncluttered.

Planning is essential to proper utilization of space. A plan of the room drawn to scale is the first step. All furniture should be measured before it is ordered to make sure it fits. Even if you can't draw a straight line make a floor pattern and mark off space as best you can on it. It will be better than nothing.

If you are building your own home it is wise to measure existing furniture or that you plan to buy before work on the house begins. Even with only dimensions of a room to begin with, furniture can be laid out to scale to make an accurate picture of the finished room. Sometimes a window or a door can make the difference in the attractiveness of a room.

Typical of the space-saving virtues of unit-type furniture becoming more popular today are two plans devised by MacGregor in a living room 21 feet by 12 feet 9 inches with an attached dining alcove 10 by 6 feet.

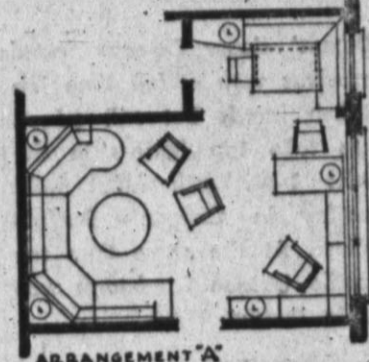

The most charming and space-saving arrangement proved to be in utilizing the end of the "L" away from the dining alcove with complete four-piece-sectional furniture unit that can seat 12 curving around the three walls. A large round coffee table and two easy chairs make this a lovely conversational point. The other side of the room has built-in corner units providing places for lamps. A built-in banquet table with storage pieces makes possible a large dining table and ample space for six diners in a small area.

Another arrangement proved to be not as pretty or convenient from any standpoint. Two love seats that could accommodate only four people cut seating space way down. The dining alcove could accommodate four in comfort, and storage pieces were cut down from five to two. Space was wasted around walls of the room, too.

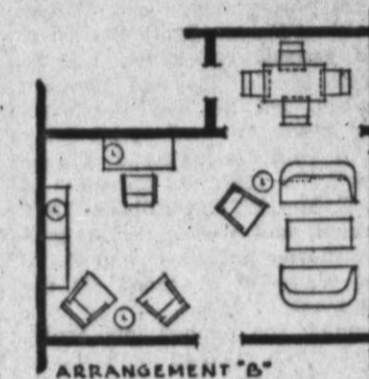

RABBIT PAPER

MOLINE, Ill. (AP)—R. L. Blomberg complained that his paper, delivered by a carrier boy, was missing at the rate of two or three a week.

The carrier was dependable, and neighbors said they hadn't seen it. One neighbor watched for several days before he saw a rabbit seize the rolled newspaper in its mouth and scuttled off. Neighbors and the Blombergs found a neatly constructed rabbit's nest built of all the missing newspapers under a porch.

MORE SEATING space is the key to this cozy setting designed by Norman MacGregor.

THIS ARRANGEMENT cuts down on seating space, love seats taking up considerable space.

lettermen to staff next year's team. The Whitefaces will have only five starters returning. Ten seniors and six starters were lost. Russell said that he expects a somewhat bigger turnout for this year's squad.

Interscholastic League rules that a team may have just 21 days straight through. Hereford will continue to run off the Split-T formation. This year's Herd will probably average out to about the same weight as last year's team. "We're going to work basically on just fundamentals," Russell stated. Last year's Hereford team won eight games while losing only two to powerful Phillips and the Perryton Rangers.

COST ACCOUNTING

LEWISTOWN, Ill. (AP)—According to local raconteur Perry Bailey, 85, buying for cash rather than credit used to cost more back in 90's. It's one of his favorite stories.

Charles Griffith, wagon maker, was confronted by the town's biggest deadbeat in 1890 with a request to fix a wheel. Griffith made the repair, and when the poor-credit-risk asked the price, the tradesman replied, "It's \$2.75 if you pay cash. \$2.50 to charge it."

Puzzled, the customer understood after Griffith explained, "You're a deadbeat. If you charge it, you won't pay, so that's why it's only \$2.50 for credit. I don't want so much on my books."

DIAPER IS SIGNAL

FLINT, Mich. (AP)—Mrs. Thelma Haywood, 47, lost control of her car. It plunged across a ditch and landed astride a double track-railroad crossing.

With two trains bearing down on the car, Mrs. Haywood grabbed a diaper and waded down the slowly moving trains.

CENTRAL TEXAS TORNADO—Dick Jones of Mullin, Tex., shot this close-up view of a tornado funnel as it swept across Central Texas near Moody. Jones, a stock tank builder, was headed for Moody on Highway 317 when he saw the funnel. He stopped his pickup near a small culvert so he could get under it if he had too, got out his box camera, with only one exposure left on the film, aimed at the tornado and pressed the lens trigger. As can be seen he got a rare bull's eye. The tornado passed on and Jones went on to Moody. (AP Photo).

Grasshopper Eradication Program Underway Here

Grasshoppers are scheduled to hatch in 10 days to two weeks, according to County Agent Hugh Clearman. The warning is particularly dire this year, he points out, because US Department of Agriculture Surveys have indicated that Deaf Smith County is faced with a moderate to heavy infestation of the crop-eating insects. Farmers in the county, interested in the possibilities of signing up blocks of infested land for spraying under the government participation program, report that at least one block of land in the southeast part of the county will probably get federal aid for the project. Last week farmers held a meeting in the county agent's office to discuss the possibilities of stamping out grasshoppers and at that time men representing different parts of the county agreed to contact their neighbors and see if there was interest in the project. The government will pay 20 cents per acre toward spraying land in blocks of 20,000 acres or more. This may include several contiguous farms, and represents about one-third the cost of spraying. Infested land in smaller plots must be sprayed at the cost of the individual farmer. Clearman warned farmers again to check their fields at hatching time. The hoppers are expected to appear in about 10 days or two weeks, depending upon the weather.

How Can I?

Q. What is a remedy for enlarged pores?
A. Mix 6 ounces of elderflower water, 1/2 ounce eau de cologne, 1 dram tincture of benzoin, 10 grains tannic acid, and apply twice daily. Get the approval of your physician or druggist before using.
Q. How can I make the surface of aluminum look like new?
A. By pouring a few ounces of vinegar in each aluminum utensil. Heat it and then scour the surface.
Q. How can I remove perspiration stains from garments?
A. By mixing one part of oxalic acid to twenty parts of water and applying with a small brush.
Q. How can I prevent tearing when loosening the leaves of head lettuce?
A. Cut out the core, place in a bowl under the cold water faucet, and turn water on full. The lettuce will loosen and can be easily pulled to pieces.
Q. How can I keep clothing free from moths?
A. The odor of branches of the arbor vitae is very pleasant and wholesome, and will keep the clothing that is to be packed away free of moths.
Q. How can I make a substitute for soap?
A. In an emergency, oatmeal is an excellent substitute for soap. Place a small quantity in a cheese-cloth bag and wash just as if using a bar of soap.
Q. How can I clean willow furniture?
A. Use a solution of salt and water. Apply to furniture with a stiff brush, scrub well and then dry thoroughly. The furniture will also last longer through this method of cleansing.
Q. How can I give my hair a nice golden brown?
A. By sprinkling a little flour on them before frying.

STREU HARDWARE

TO VISIT LIONS—Accompanied by the colorful Khiva Temple Drum and Bugle Corps, a large delegation of Amarillo businessmen will arrive in Hereford at 11:45 a.m. Wednesday, April 18. The trippers, traveling in two chartered buses, are slated to lunch with the Hereford Lions Club where they also will present the program. Arrangements to welcome the visitors to Hereford are being completed by Chamber of

Commerce Manager Bill Lenderman and City Manager Cecil Massey, program chairman for the Lions Club. The Amarilloans will be on a two-day tour to cities on the South Plains and in Eastern New Mexico. Warren Freeman is chairman of the visiting group; W. F. Perkins is co-chairman and George Hammock parade marshal.

Only 231 Votes Cast In School Elections

School elections last Saturday resulted in the election of two trustees for the Hereford Rural High School district, two county trustees, and one trustee in the Walcott Common School district. Voting was extremely light in all three elections, due generally to lack of opposition in any of the four races. A total of 231 votes were polled in the two boxes which serve the huge high school district as compared with 774 in the 1955 election. Bert Boomer and Marcus Latham, the only two candidates having announced for election and whose names appeared on the ballots, won this election by an overwhelming majority. Mrs. Earl Plank and H. H. Miller, retiring trustees, received a total of 10 votes. Tabulated, the county follows:

	Hereford	Dawn	Total
Boomer	216	9	225
Latham	215	9	224
Plank	3	3	6
Miller	2	2	4

County Elections
Leo Forrest was the only incumbent in any school election to be re-elected. He was unopposed in the race for County School trustee-at-large, and polled a total of 98 votes in two boxes. S. N. Thweatt, also unopposed, was named as county trustee in Precinct 3; he polled 31 votes. Mr. Thweatt will succeed Frank Ford in this post.

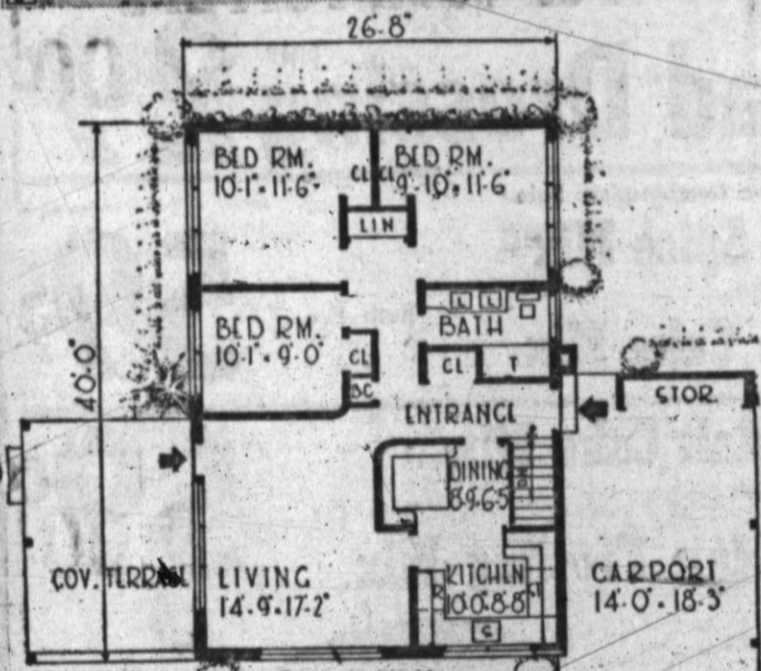

Rural Carriers Attend Session

Hereford Rural Letter Carriers and their wives attended a meeting of the Palo Duro Local of Texas Carriers Association Saturday night in Farwell. The meeting was held in the home of Mr. and Mrs. Nelson Smith. The main speaker for the occasion was Emigh of Washington D. C. national secretary, who gave by recording the same address he was giving at the same hour at a banquet in Nacogdoches. A round table of discussion with each guest telling something of interest concerning their work, was recorded and later played back for the audience. Pictures of the men's organization and of the auxiliary were also made. Refreshments were served to Armstrong, E. Ramey, Owen Stagner, E. W. Young, Carlos Vaughn, all of Hereford and other members from nearby points. Mr. and Mrs. E. Ramey were among those chosen as delegates to the State convention to be held

Bible Words for Today

ROMANS 8:37—"No, in all these things we are more than conquerors through him who loved us." (RSV)
There are many things we do not understand as we seek the presence and the supporting power of Christ. None of our usual senses of observation bring Him near. It is necessary to believe, to have a sure faith in His promises and to talk with Him in dedication and prayer. The human body, the human mind and the human spirit have great capacities for endurance in danger and hardship. Only when they are undergirded with the courage and confidence of a living faith in Christ are they competent to cast out fear. Most of us are surrounded with influences which poison human happiness and destroy human freedom. We need release from the bondage of dread. As believers in Christ we may have the triumphant assurance of a sustaining love in every crisis and circumstance. Through its power we may live positively, creatively and helpfully among our fellow men.
The Rev. O. M. Walton (Methodist) Council of Churches Pittsburgh, Pa.

Federation Tea Honors Delegates To THDA Meet

Delegates and visitors to the district THDA meeting held in Hereford last week were honored at a tea given by members of the county Federation of Women's Club in Fellowship Hall of the Methodist Church Thursday afternoon immediately after adjournment.

Mrs. Alice Cox, president of the Federated Clubs, received the guests along with Mrs. John Goightly, State THDA president. The guests were Mrs. M. L. Vance, Mrs. Ray Johnson, Roberta Campbell, Mrs. Melton McGeehee and Mrs. A. E. Hodges.

The serving table was draped with orchid and rose taffeta with floral arrangements to match and pink tapers. Appointments were in crystal and silver. Approximately 200 guests attended.

Presiding at the punch table were Mrs. Tom Draper and Mrs. L. H. Lookingbill Sr.

Assisting in the house party were Mesdames Ed Warren, M.T. Rutter, Frank Lookingbill, G. S. Solomon, Phil Barkley, Leo Forrest, Art Manjeot, John Jacobsen Jr., Robert Veigel, Homer Henslee, W. J. Krumbein; Ben Childers, H. H. Cannon, L. H. Lookingbill Sr.

H D Clubs Study Rugs, Floor Coverings

In spite of all the miracle blends, luxurious pile and variety in patterns offered by rug manufacturers there are still a good many things homemakers need to consider when carpeting a home, H.D. Club women are learning in their study of Floors and Floor Coverings given by Argen Draper, County Home Demonstration Agent.

Clubs reporting recent demonstrations on the subject are:

WYCHE

"Unless a rug has at least 30 percent fiber, don't expect good quality," said Argen Draper to the members of the Wyche H. D. Club who met with Mrs. W. P. Axe on April 4 for a program on floors and floor coverings.

"When fibers in carpets are listed they are in the order given. Few carpets are labeled and when we do find labels they do not protect us much," she said. "We can only rely upon dependable merchants."

Mrs. Draper pointed out that with better houses and modern cleaning methods, more people are privileged to enjoy wool, cotton,

Four-H Contest To Be Held Here

County elimination contests in Dairy Foods, Vegetable Preparation and Farm and Home Electric will be held at the REA kitchen on Saturday afternoon.

Four-H girls over 14 are eligible and the girls will compete in the teams or singly in some instances. The list of entrants is still incomplete but competition should create considerable interest among the nine 4-H girls' clubs in the county.

DAWN

Mrs. Jim McCabe was hostess on April 6 for the Dawn H. D. Club when Argen Draper gave the program on "Floors and Floor Coverings."

Mrs. Draper said that of the many things carpeting does for a home, the color and design it adds to the decoration can be most pleasing.

Mrs. Richard Golden and Mrs. Billy Moore were visitors. Mrs. Ray Pollan was welcomed as a new member.

Others attending were: Mesdames L. W. Tooley, Marion Russell, Cecil Payne, J. B. Caraway, Walter Beavers, H. S. Fuller, Muri Little, Miss Lulu Botsford and the hostess.

The next meeting will be with Mrs. Muri Little April 20.

Thanks folks for the fine help you gave the Home Demonstration Club Women in having one of the most successful district meetings in history. We thank each of you for all you have done and want you to know we appreciate it. The many compliments the club women heard on the program, the organization that was evident and the tea given by the County Federation of Women's Clubs made the hard work put into the meeting very minor.

It really is such a small world. When Mrs. J. A. Crofford was at the luncheon at the district meeting last Thursday she saw one of the helpers with the Jetton Catering service who looked very familiar. On investigating she found she was Mrs. Lois Parker of Fort Worth who is her sister-in-law's sister. They enjoyed the visit and said they had not seen each other for about 12 years.

The Division of Home Economics is inviting all area citizens to its annual Open House. The dates are April 20 and April 21, on Friday from 1 to 9 p.m. and on Saturday from 9 a.m. to 5 p.m. Blankets, jackets, wool skirts and dresses that have been in the "moth ball" storage, can be tumbled in the dryer for a few minutes to remove odor.

According to Don Root a recent dust storm was being discussed in the presence of Bill Harris. Rev. Root quoted a prominent citizen as saying just one more like this one last Monday and he was leaving the country for keeps. "Well," said Bill in his Texas drawl, "That was a bad day and sometimes the weather does act up but always the next day the weather apologizes."

One of the club women says that there are three kinds of furniture dusting—a thorough dusting where everything that needs dusting is cleaned; a second dusting where just the parts that will show are dusted, and a third kind, which is to pull down the shades.

A rug salesman gave us some consolation when he said that most people vacuum the carpets too much. Once a week to run the vacuum is enough. Other times one should use a carpet sweeper.

The Johnson Grass Farmer declared "I have just as much right to cook from the dining room table as my wife does to drive from the back seat."

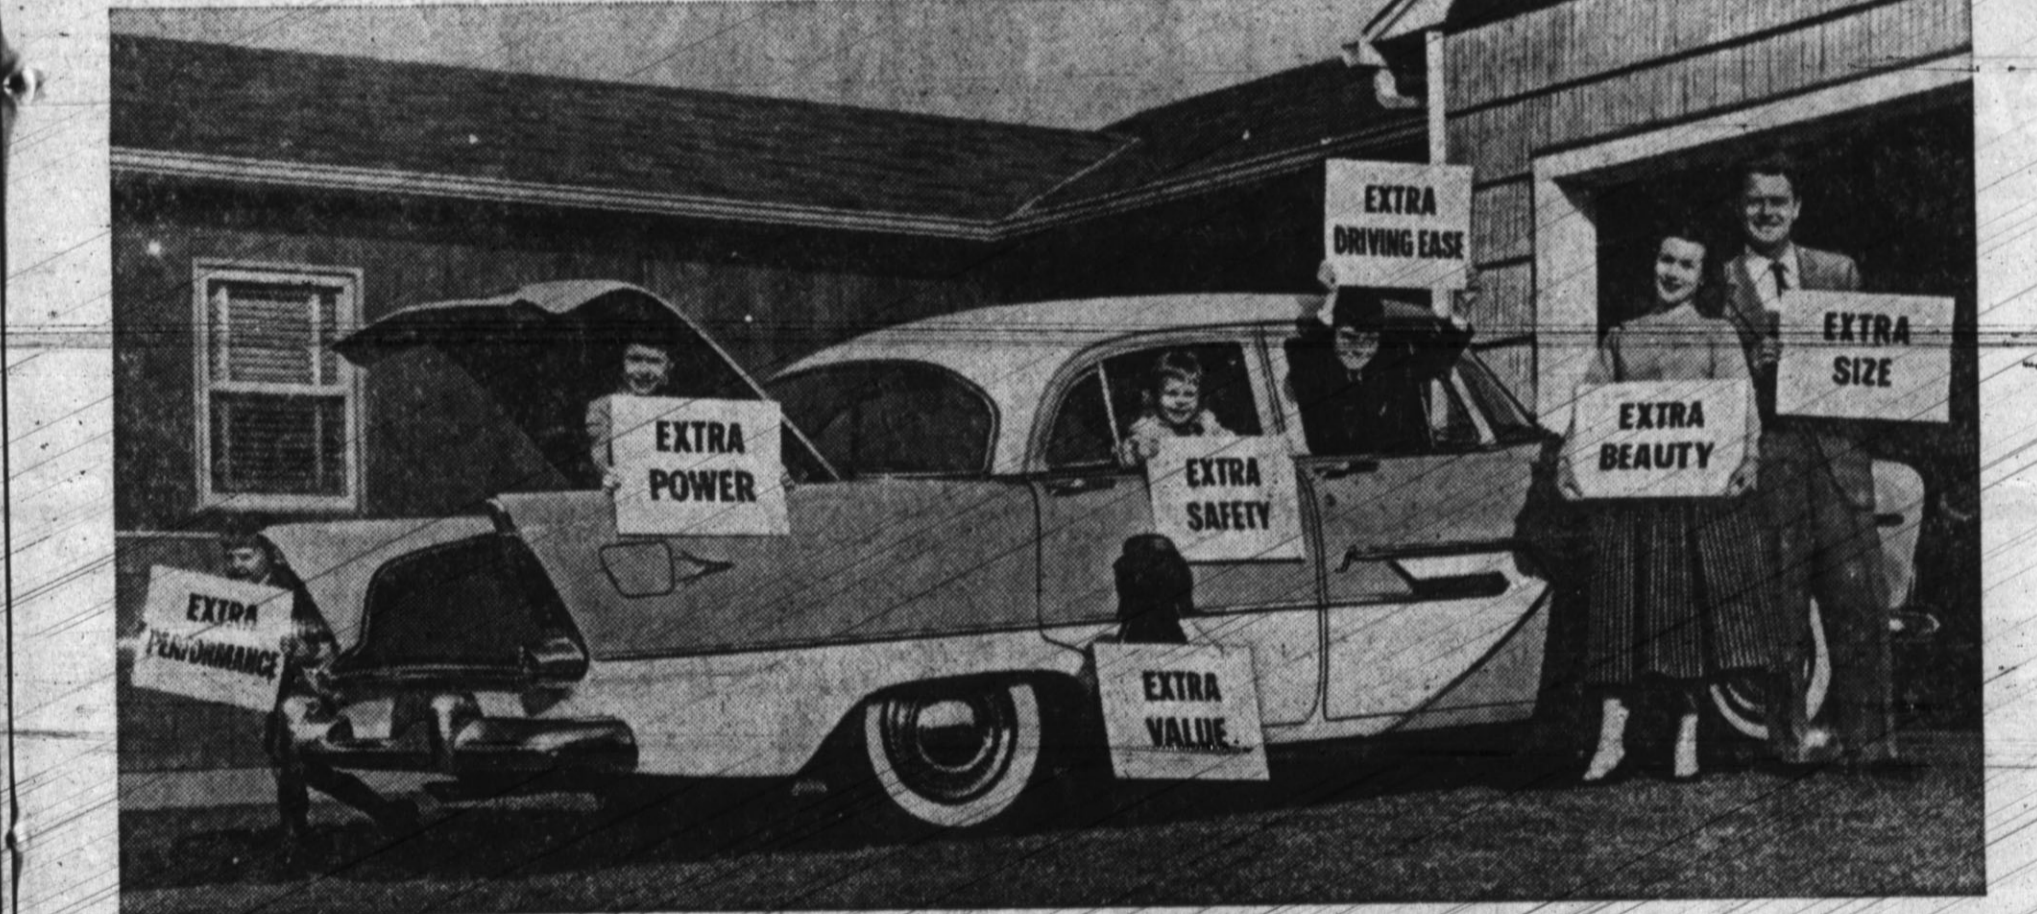

Mrs Milner Reviews Article On Teaching

The Simms Study Craft Club met in the home of Mrs. Charlie Burk recently. Mrs. J. S. Stock, president presided and introduced Mrs. Kenneth Milner who reviewed an article entitled "We Have Enough Teachers Right Now."

Attending were: Mesdames M. W. Blankenship, Ronald Fuhrman, C. W. Edwards, C. L. Bogle, Glen Hetzler, James Cavin, R. L. Pinnell, Cord Hammock, Mrs. Burk and her mother.

ATTEND TEA—Among those present at the THDA tea were Mrs. Ray Johnson, in charge of arrangements for the tea, Mrs. Alice Cox, president of the Federation and Mrs. M. L. Vance, Panhandle, vice-president elect of the THDA District One. Table arrangements were by Mrs. Art Manjeot. (Staff Photo)

EXPERT MOCKERY
COLUMBUS, Ohio (AP)—The mockingbird imitates other birds so well that only electronic analysis can tell the difference, say two ornithologists at Ohio State University. And the mockingbird mimics an individual bird, not just the general pattern of another species' song, study indicates.

The investigators, Profs. Donald J. Borror and Carl R. Reese, use an audiospectrograph to measure the rhythm, loudness and pitch of tape-recorded bird songs.

Analyzing a mockingbird imitating a Carolina Wren, they found one pattern was virtually identical to that of a wren recorded nearly 10 days earlier.

DARK HORSE?
CORPUS CHRISTI, Tex. (AP)—Deputy Sheriff E. W. Britt, investigating an attempted safe-cracking reported:

1. Nothing was taken, although the safe's knob was knocked off.

2. The only clues were tracks outside the door—horse tracks.

The Hallmark
of Circulation Value

In the same way that STERLING on silver signifies a standard of known value, so is the A.B.C. emblem a symbol of integrity for the circulation of newspapers and periodicals. It means that circulation so identified is measured according to the rules and standards of the AUDIT BUREAU OF CIRCULATIONS.

The A.B.C. is a cooperative and non-profit association of 3,450 publishers, advertisers and advertising agencies. Organized in 1914, these buyers and sellers of advertising brought order out of advertising chaos by setting up standards for paid circulation and establishing rules and methods for measuring, auditing and reporting circulations.

Therefore, the work of the A.B.C., of which this newspaper is proud to

be a member, provides you with a direct and valuable service. You can buy advertising as you would make any other sound business investment—on the basis of well known standards, known values.

At regular intervals one of the Bureau's large staff of experienced circulation auditors makes a thorough audit of our circulation records. The results of this exacting audit show: How much circulation we have; where our circulation goes; how it was obtained; and many other facts that

you need in order to know just what you get for your advertising dollars. This audited information is published by the Bureau in easy-to-read A.B.C. reports which are available to our advertisers on request. Ask for a copy of our latest A.B.C. report.

BRAND BABIES—"George is my oldest toy and I really do like to play with him," says Edward Wayne Keeling. He is the four year old son of Mr. and Mrs. Jimmie Keeling. (Staff Photo)

By VERN SANFORD
Texas Press Association

AUSTIN, Tex. — Atty. Gen. John Ben Shepperd grabbed the spotlight with his announcement that he would not be a candidate for "any state office."

Although he had forewarned his friends of the impending decision, they were stunned at the announcement. Most expected him to run for re-election. Many had urged him to enter the race for governor.

In giving his decision, he outlined the many accomplishments of his office, including the house-cleaning in Duval County; the veterans block-land exposure; the exposure of fraudulent insurance companies; and the establishment of an effective system of co-ordinating law enforcement activities in Texas.

Shepperd intends to remain where he is until his term ends on Dec. 31. It has been reported that he would accept a business offer in Odessa.

His decision not to run for any state office was announced in a letter to Harry Kates, publisher of his hometown newspaper, the Gladeswater Mirror.

Close friends of Shepperd say that the announcement does not remove him from the list of prospective entrants in the race for U. S. Senator, if and when Price Daniel resigns from the Senate.

Personal Privilege

An individual's right to express his opinions, within the bounds of libel, for or against any candidate for public office, or any public issue, will be tested in court by the Texas Press Association.

Under the new Texas Election Code, candidates themselves may publish any amount of advertising, limited only by their own personal finances, and contributions. But an individual is restricted to a \$25 expenditure during the entire campaign.

On the average, that is approximately 30 words over the radio; a few seconds of TV time; and less than 20 inches of newspaper space. And it is below the minimum requirement for billboard advertising.

Hearings on the subject will be before the Court of Criminal Appeals.

Lowry Gets Prison Term

Former Beaumont Mayor Leslie Lowry has been found guilty of perjury, in the organization of an insurance company, and sentenced to seven years in prison.

District Judge Charles O. Betts pronounced the sentence.

Lowry, now a Kansas School teacher, was accused of making false statements in an affidavit filed five years ago in connection with organization of the now defunct Texas Fire Insurance Co., of Beaumont and Ennis.

Supreme Court Ruling

Texas officials are aroused by a U. S. Supreme Court ruling knocking the props out from under another state law.

Latest to fall are state anti-sectarian laws, which the high court says are superseded by Federal Law. Apparent effect was to nullify Texas' anti-communist law.

Attorney General Shepperd called the action "a stunning blow to states rights. It rules out another field of state-federal cooperation, and is impossible to reconcile with the reserved powers of the Federal constitution."

Property Rights Asked by Women
A woman should be allowed to manage her separate property, say the Business and Professional Women's Clubs, Texas League of Women Voters, and Texas Federation of Women's Clubs.

They have asked the Texas Legislative Council for such a law.

They also urged repeal of the law requiring wives to make separate acknowledgements on legal documents covering property belonging to a couple.

Gas Company Wins Test
Companies which paid the old gas gathering tax "without protest" will get their money back.

In the first test case ruling the Third Court of Civil Appeals held that Tennessee Gas Transmission Co. is entitled to a refund of the \$1,146,906 it paid in taxes. Interest payment of \$249,576 was not granted.

Since the gas gathering tax was declared unconstitutional by the U. S. Supreme Court, the state has returned more than 25 million dollars in taxes paid "under protest." Last year the Texas Legislature granted permission for about 30 companies, which paid without protest, to sue for recovery.

SHORT SNORTS

Obie Jones, Travis County representative, took himself out of discussion as a candidate for state treasurer, by announcing for re-election to the House. Ambassadors of Mexico and all-South American and Central American nations, will tour Texas for three days, starting April 27. They will visit Houston, fly through the beautiful Port Arthur industrial areas, and on April 28 visit College Station and Austin. A written protest has been filed by the State School Land Board against Louisiana's attempt to lease submerged areas off the Texas-Louisiana boundary, on the ground that Texas claims the area. John D. Cofer, Austin attorney and leader in the Liberal Democrats' set-up, was named chief counsel of the Senate Armed Services preparedness sub-committee, of which Sen. Lyndon Johnson is chairman. He will serve through the present session of Congress. On May 1, Bill Collins of Austin will succeed Gordon K. Shearer as executive secretary of the Texas Parks Board. Collins is executive director of the Texas Nurserymen's Association. Ted Connell of Killean has been appointed by Governor Shivers to fill the unexpired term of Johny U. Foster of Lufkin, on the Veterans Affairs Commission. Connell is State Commander of the Veterans of Foreign Wars. Enforcement of the motor vehicle inspection law begins April 16, warns Col. Homer Garrison Jr., director of the Department of Public Safety. Automobile owners in areas hard-hit by juvenile windshield breakers face payment of higher insurance rates. Insurance Commission spokesmen are considering increased rates for Austin, San Antonio and Dallas, where vandalism has been rampant. In its hearings on credit insurance, the Board of Insurance Commissioners heard Field said the credit insurance charges were worked in on high-fat out-of-loan shark operations. Interest rate loans, to give the lenders more profit.

Walcott News

By MRS. T. L. COLLINS

In the election held at Walcott School Saturday, Glenn Burrus received 37 votes (no opposition) for his election to the place as trustee for Walcott School. He takes the place of his brother, Herschel Burrus, who has worked so faithfully in this capacity on the Walcott School board. Election judges were Don Guseman, Charlie Burk and Eldred Brown.

S. N. Thweatt had 31 votes cast for him as county trustee of precinct 3. Leo Forrest received 35 votes for county trustee-at-large. Walcott students entering in the literary event in the inter-scholastic league at Bovina on Friday were: Elizabeth Burrus, in story-telling; Nancy Tyler, alternate in story-telling; and Larry Minks, sub-junior declamation. He placed second.

Betty Lockhart, in sixth grade spelling; Connie Darwin, in sixth grade spelling as an alternate; Kathryn Burrus, sub-junior declamation; Marilyn Lumpkins, fifth grade spelling; Barbara Neinst, ready writing. She placed second. J. V. Perrin, ready writing. He placed third. Janell Weaver, eighth grade spelling; Gary Guseman, eighth grade spelling; Merry Kay Fruit, junior declamation; Gary Guseman, junior declamation. He placed third. Royce Lee Fruit, number sense; and Gary Guseman number sense.

On Saturday, these boys from Walcott entered in the track events at Bovina. Lee Myers, 50 yard dash; Bobby Sessums, first place in running broad jump, second place in 440 relay, second place in

75 yard dash, third place in shotput and third in the 100 yard dash; Gary Guseman, in 50 yard dash and 75 yard dash and chin up; Wayland Northcutt, first place in shotput, second place in 440 yard relay; Ray Northcutt, second place in 440 relay, tied for fourth in chin-up; and George Lockhart, second place in 440 relay.

Their coach, A. L. Shelton, drove a school bus with these boys and Bruce Collins to Bovina Saturday. On Friday, A. L. Shelton, Mrs. Glenn Burrus, Mrs. J. V. Perrin, Mrs. Don Guseman, Mrs. Walter Neinst, Mrs. Norman Minks, Mrs. S. D. Dufer and Mrs. Roy Fruit were adults from Walcott who attended the meet in Bovina Friday.

Walcott came out with second place for the whole of this inter-scholastic league meet (with 18 points) held at Bovina. We are the smallest school.

Children at school Friday saw a good educational film, "Aim For Safety." Mrs. Waldron Melton entertained the Farm and Ranch Club in her home Thursday night. This was their annual "guest" meeting.

Mrs. Wallace Lumpkins, Carol Lynn, Marilyn, Linda Gay and Carl went to Whiteface Friday afternoon to visit with her son, Chas., and brother and family, Mr. and Mrs. Steve Self.

Saturday morning, Charles McClure had his bad knee operated on in the Methodist Hospital in Lubbock. Some chips of cartilage were removed and the inside of his knee cap was scraped. It was late Sunday afternoon when Charles was released from the hospital. He will go to school on crutches for a week or so.

Mrs. Lumpkins and children drove home from Lubbock most of the way, in Sunday night's black duster, arriving about 9 p.m. They were tired, but grateful to be back home.

Mrs. Roy Fruit, Merry Kay and Royce Lee attended church Sunday in Hereford Methodist Church. The girls sat in the group of Rainbow Girls.

Mr. and Mrs. T. L. Collins and Bruce were Sunday dinner guests in the Travis Alston home near Westway.

Mr. and Mrs. O. A. Woods and Dell had visitors in their home this weekend. They were his sisters and families, Mr. and Mrs. S. M. Harry of Ackerly, Mr. and Mrs. R. C. Snider and Nettie Lee of Loop.

Raymond Collins attended the Texas Relays in Austin this weekend. He enjoyed his first visit to our Texas Capitol and the university campus, he reported.

A treat is in store for people of Walcott community and others who care to come — without any charge. The eighth grade class of 1956—soon to leave this school for good, is now working on a one-act comedy, "Love Hits Wilbur," to be presented Friday night, April 20 at 8 p.m. Better ring your calendar now.

You may note that this is the regular meeting time for our P-TA which will be held the following Friday, April 27. At this time we will have as our guest, Helga Thome, the German Exchange student, attending Hereford High

At The Movies

THE BAREFOOT-CONTESSA

"The Barefoot Contessa," which will show Thursday and Friday at the Tower Drive-in through United Artists release, was filmed in Technicolor on location in Italy, and Miss Gardner's high-powered co-stars are Humphrey Bogart, Edmond O'Brien, Marius Goring, Valentina Cortesa and Rossano Brazzi.

This movie is a dramatic and daring story of a famous international film actress who constantly seeks a love that seems to evade her.

Humphrey Bogart plays the role of Harry Dawes, a slipping Hollywood movie director.

The title-role in "The Barefoot Contessa" is played by Ava Gardner, and is easily her most dramatic and complex role to date. Ava herself regards the role as the sort actresses dream about.

Edmond O'Brien, whose stage and screen roles have run the gamut from Shakespeare to gangsters, portrays a press agent.

"The Barefoot Contessa" is a strictly American enterprise, conducted by one of Hollywood's outstanding producer-writer-directors, Joseph L. Mankiewicz.

TOP GUN

The Old West when guns roared and a gang of desperadoes were apt to take over and run a town unless there were men brave enough to stop them is told in the exciting new western, "Top Gun," show Friday and Saturday at the Star.

Sterling Hayden has the starring role as a gun fighter come back to warn his home town of an impending raid by a gang of marauders, against whose vicious tactics the little village is ill-equipped. Since Hayden's behaviour in that town (he was reputed to have killed several men—which later turned out to be in self-defense) is suspect, his help is not only refused, but he is given just a few hours to get out of the city.

William Bishop, as leader of the town council, heads the opposition to Hayden. Karen Booth is cast as the young girl both Bishop and Hayden are interested in. Regis Toomey plays the role of a bartender who befriends Hayden, and helps him trap the ringleader of the outlaws, a role played by John Dehner.

CARD OF THANKS

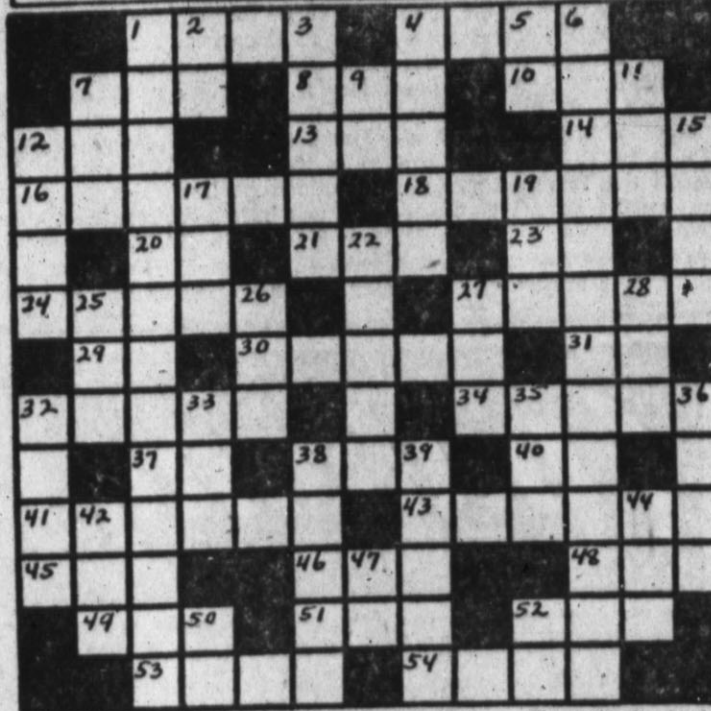

We would like to thank all of our friends for their kind acts and sympathy during our recent bereavement. Especially Rev. Howard Scott for his thoughtfulness and prayers in the recent loss of our Daddy, G. T. Brashear and for the lovely spray of flowers sent by Rev. Scott and the church.

George E. Brashear and family Mrs. Betty Rice and family Mrs. Bennie Worphe and family

School Children in the first and second grades will present a program — which you won't want to miss. Now don't say you didn't know about these meetings.

WIDE AWAKE FIRES
ENID, Okla. (AP)—Enid firemen said cigarettes were probably responsible for two divan fires in the same day recently — but they

couldn't blame the blazes on persons falling asleep while smoking. The two unoccupied divans were sitting outside stores in the downtown section.

WHAT MAKES "THE ROCKET" ROCKET?

Here's why the engine that started the high-compression era still tops the field today!

THE ROCKET BROUGHT HIGH-COMPRESSION performance to motoring... set the standards... broke the records.
Today it's the same. With a high in compression of 9.25 to 1 and a displacement of 324 cubic inches, the Rocket packs a potent new wallop.

THERE'S AN EFFORTLESS SMOOTHNESS that... this means a combination of balance and precision. What's more, this power plant's big-bore, short-stroke design means shorter piston travel for less friction, wear and longer life.

You'll rarely use the full 230½ horsepower under the hood. But you'll go for the Rocket's high torque—the force that makes the wheels go round. Even at medium speeds, your toe can call a hefty 340 pound-feet of torque into play—to move you away from a light or pass by any emergency. Add Jetaway Hydra-Matic® and you meet Rocket action at its smoothest.

VISIT OUR SHOWROOM TODAY! We invite you to "Rate the Rocket" on the road. You'll get out of the ordinary... into an Old!

ROCKET SCORES DOUBLE VICTORY IN '56 MOBILGAS ECONOMY RUN!
Tops for economy, too! In the famous Mobilgas economy run, the Rocket was the only car to win two weeks. Both the 88 and Ninety-Eight took first place in their field. More convincing proof that Oldsmobile brings you top value today... top resale tomorrow!

Legal Notice

"NOTICE OF INTENTION TO SUBMIT CHARTER AMENDMENTS"

A RESOLUTION PROVIDING THAT NOTICE BE GIVEN OF THE INTENTION OF THE CITY COMMISSION OF THE CITY OF HEREFORD, TEXAS, TO SUBMIT TO THE QUALIFIED VOTERS OF THE CITY, FOR APPROVAL OR REJECTION, AMENDMENTS TO THE EXISTING CHARTER OF THE CITY OF HEREFORD.

WHEREAS, the City Commission of said City of Hereford deems it advisable at this time to submit to the qualified voters of the City of Hereford amendments to the existing charter; and,

WHEREAS, the City Charter of said City has not been altered or amended within two years next preceding this date:

THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF HEREFORD, TEXAS:

SECTION ONE: That it is the intention of said City Commission to pass an ordinance on the 16th day of April, 1956, for the purpose of submitting to the qualified voters of said City, at an election to be held for that purpose, the following amendments to the existing charter:

AMENDMENT NO. 1

To amend Sections One and Two of Article IV of the City Charter of the City of Hereford so as to hereafter read as follows:

"Section 1. Governing Body: The governing and law-making body of the City of Hereford shall consist of four members and a mayor and said body shall be known as the City Commission of the City of Hereford, Texas."

"Section 2. Elective Officers: The members of the City Commission of the City of Hereford shall include four commissioners and a mayor, all of whom shall be elected from the City at large, and shall be the only elected officers of the city.

(a) The mayor shall be elected and hold office for a term of two years at an election to be held on the first Tuesday in April in each odd numbered year, and the present mayor shall continue in office until he is replaced by his qualified successor to be elected in 1957.

(b) The commissioners shall be designated respectively Commissioner, Place No. One; Commissioner, Place No. Two; Commissioner, Place No. Three; and Commissioner, Place No. Four. The two present commissioners are hereby designated as Commissioner, Place No. 1 and Commissioner,

Place No. 2, respectively, and the said present commissioners shall continue in office until they are replaced by their qualified successors to be elected in 1957. Two additional commissioners shall be elected at a special election held for that purpose at such time as shall be selected by the present City Commission, but not later than the 1st day of September, 1956. Such additional commissioners shall be designated Commissioner, Place No. Three, and Commissioner, Place No. Four, respectively, and they shall hold office until they are replaced by their qualified successors to be elected in 1958.

(c) Hereafter, Commissioner, Place No. One, and Commissioner, Place No. Two, shall be elected and hold office for a term of two years at an election to be held on the first Tuesday in April of each odd numbered year; and Commissioner, Place No. Three and Commissioner, Place No. Four, shall be elected and hold office for a term of two years at an election to be held on the first Tuesday of April in each even numbered year.

AMENDMENT NO. 2

To amend Section Eight of Article V of the City Charter of the City of Hereford so as to hereafter read as follows:

"Section 8. Corporation Court: (a) There shall be established and maintained a court designated as a "Corporation Court" for the trial of misdemeanor offenses, with all such powers and duties as are now or hereafter may be prescribed by the laws of the State of Texas relative to Corporation or Recorder's Courts.

(b) Said Court shall have jurisdiction within the territorial limits of said city of all criminal cases arising under the ordinances of such city, and shall have concurrent jurisdiction with the Justice of the Peace of the Precinct, or Precincts, in which the City is or may be situated of all criminal cases arising under the criminal laws of the State, where the offense is committed within the territorial limits of said city and the punishment is by fine only and the maximum of said fine, under the laws of this state, may not exceed two hundred dollars (\$200.00). Said court shall have no civil jurisdiction, except for the forfeiture and collection of bonds given in proceedings herein. It shall also have jurisdiction of violations of ordinances of the city enacted for the preservation of its water system, watersheds of the city's water supply and the purity of the water supply, its sewer disposal plant and its garbage dumping grounds, whether such offenses are committed inside or outside of the Corporate limits of the City of Hereford, and the violations of any nuisance ordinance within five thousand feet of the Corporate limits of the City, outside of the city limits.

(c) The Judge of said Court shall be a qualified voter of the City of Hereford, shall be appointed by the City Commission, shall hold his office at the pleasure of the City Commission, and shall receive such salary as may be fixed by the City Commission.

(d) The Judge of said Corporation Court shall have power to punish for contempt to the same extent and under the same circumstances as the Justice of the Peace may punish for contempt in all criminal cases.

(e) All complaints, prosecution, the service of process, commitment of those convicted of offenses, the collection and payment of fines, the attendance and punishment of witnesses and juries, punishment for contempt, bail and the taking of bonds shall be governed by the provisions of Title 2 of the Code of Criminal Procedure of the State of Texas applicable to Corporation Courts.

(f) The City Secretary or an assistant City Secretary shall be ex-officio clerk of said court.

(g) The Clerk of said Court and his deputies shall have the power to administer oaths and affidavits, make certificates, affix the seal of said Court thereto, and generally do and perform any and all acts usual and necessary by the clerk of courts in issuing process of said courts and conducting the business thereof.

(h) In case of the disability or absence of the Judge of the Corporation Court, the City Manager, or in the absence or disability of the City Manager, the Mayor, shall act as judge of said Court.

SECTION TWO: That the Mayor is authorized and instructed to publish a copy of this resolution in The Sunday Brand, the official newspaper of the City of Hereford, as notice of the intention of the City Commission to submit said amendments, and the same when marked "Notice of Intention to Submit Charter Amendments," signed by the Mayor and attested by the City Secretary, and published as aforesaid, shall be due notice thereof.

SECTION THREE: That said notice shall be published in The Sunday Brand, the official newspaper as aforesaid, for not less than twenty days prior to the date on which the proposed ordinance is to be passed.

PASSED AND APPROVED,
THIS THE 19th DAY OF March, 1956.

TRASH CANS SUCCESSFUL

BALTIMORE (AP) — Frustrated officials of the Keep Maryland Beautiful Committee have removed trash cans from the Ritchie Highway between here and Annapolis.

Chairman John E. Clark said the cans defeated their own purpose, attracting such a volume of refuse that they marred rather than protected the highway.

The cans were installed by the committee for use of motorists in an attempt to reduce highway litter. But Clark said householders in new communities along the highway which have no regular garbage disposal system have been using the cans as dumps for garbage and trash.

FISH STORY

PARIS, Ky. (AP) — Pupils on the school bus laughed and shrieked when A. V. Miller drove through water covering the road. That was all right, but when the shrieking continued, Miller stopped and discovered the cause. There sat 10-year-old Joan Gasser with a 4-inch fish she had caught as water splashed into the bus.

ACADEMY CHIEF

NEW YORK (AP) — Eliot Candee Clark has been elected president of the 130-year-old National Academy of Design. A member of the Academy since 1917, Clark is a painter and the son of a painter, and has written several articles and books.

Mr. and Mrs. Carol H. Miller in Lubbock Saturday.

Mr. and Mrs. Bob Wright of Amarillo spent Tuesday in the Finis Wright home.

Mrs. Ruth McDuffy spent the Easter weekend in Hartley with Mr. and Mrs. C. C. Corder, formerly of this community.

Mr. Henry Heckman's uncle, Mr. W. M. Bullock of Brice and Mr. Bullock's son and grandson, Lloyd and Gail, of Vigo Park visited with him recently.

Mr. and Mrs. H. S. Fuller and boys went to Floydada recently and visited the Bill Marrs family. Mrs. Marr is Mr. Fuller's sister.

Visitors in the J. B. Caraway home recently were Mr. and Mrs. Bruce Aibers and Debra, formerly of this community.

Mrs. Louie K. Wedel and Karl of Amarillo and Miss Vera Crawford of Canyon were Easter dinner guests in the H. H. Miller home.

The Dawn Musettes will present a recital April 22 at 3:15 in the Dawn Baptist Church. Everyone is welcome.

Mr. and Mrs. Finis Wright and Mrs. Paul McClung and sons, Kenneth Dale and David, attended the revival at the Palo Duro Baptist Church, Thursday night.

Those who attended the District H. D. meet Thursday from this community were Mesdames J. B. Caraway, H. S. Fuller, Zed Stewart, C. P. Norton, L. W. Tooley and L. B. Washington. Mrs. H. S. Fuller was one of the nominees for woman of the year. Mrs. L. W. Tooley helped with the registration Thursday morning. Others attending the meeting from this community were Mrs. R. A. Frye and Mrs. Lawton Hill. Mr. and Mrs. H. H. Miller and Dion attended the luncheon.

Mr. Henry Spicer went after his wife and two daughters at Boswell, Okla., this past weekend. They have been visiting the John Gordons, Mrs. Spicer's parents.

Mr. and Mrs. James Robinson and Barton of Canyon and Mr. and Mrs. Marion Russell ate dinner in the Zed Stewart home Sunday. In the afternoon they all visited Mr. W. J. Stewart of Canyon

who has just had an appendectomy recently. Mr. and Mrs. Reece Stewart and children also visited with W. J. Stewart, Sunday afternoon.

H. H. Miller left for Washington, D. C., Saturday morning. He will also visit his daughter and son-in-law, Lt. Col. and Mrs. H. W. Richardson and children at Falls Church, Va.

There was an operetta, "Kentucky Sue," presented last Friday night in the Dawn School Auditorium by the Dawn Music Club. To begin the program Audni Miller gave an interpretation in black face of "The Daniel Jazz" by Vachel Lindsay. The director of the play was Mrs. Reece Stewart and the pianist was Phyllis Ann Wimberley, Ray Stewart, R. L. Johnson, H. H. Miller, Melvin May, L. W. Tooley, Ted Richardson, C. P. Norton, J. B. Caraway, Gayle Neal and N. R. Miller. Misses Betty Hagar, Lucy Beth and Gail Miller and Lee Ann Bell.

Mr. and Mrs. H. C. Dow and Della Ruth went to Amarillo Saturday on business and to visit with friends, Mr. and Mrs. Kenneth Stickney and Mr. and Mrs. Paul Grace and Kenton. Mr. and Mrs. Stickney returned home with them and spent the weekend.

Mrs. Paul McClung and David will fly from Amarillo to Stonewall Okla., Monday to visit the Rev. and Mrs. Harold Jeter and family.

The Rev. Jeter preached the revival held in the Dawn Church in March. Mrs. McClung will visit in Seminole, Okla., her aunt and family, the Glen Blankenships and Richard, her cousin, who is fixing to go overseas as a missionary.

Mrs. McClung intends to go see the Rev. McClung in Ft. Worth where he is holding a revival while she is in Stonewall.

The last time Mr. and Mrs. Rea Cox took Susan and Beth to their doctors they were getting along fine. Susan will get to be taken out of her cast in three weeks and the brace will be put on. Beth didn't need a treatment because the center of the blood tumor is leaving.

Beauty At Home

Q. How can I exercise to help reduce a "bulging tummy"?

A. Lie on back, arms at sides. Without giving yourself any sort of boost with hands or arms, raise head, back and shoulders slowly off the floor. Hold them at a 45-degree angle for a few seconds, then very slowly lower them back to the floor. Repeat as often as you can—and regularly every day. This is a very good exercise!

Q. What is a good cleansing treatment for knuckles that have dark lines in them?

A. Use soapsuds and cornmeal. The gritty kernels will dig in and help uproot the dirt. The starch in the meal also has a way of healing, soothing and whitening.

Q. What can I do to help bring more life and glow into my complexion?

A. One very simple and simulating facial mask is comprised just of patting some honey in a thin film over face and throat, leaving on for 15 minutes, then removing with a damp cloth.

Q. What causes facial pimples?

A. These may be due to improper cleansing, infected blackheads, incorrect diet, faulty elimination, poor circulation, surface germs, or occasionally to glandular disturbances. Clean skin with a medicated or green soap and water; apply no creams, oils, or powder; eat fruits and fresh, leafy vegetables, but not too much meat, no fried or greasy foods, and no concentrated sweets or starches. And keep your hands away from your face, and if the condition persists, see your family doctor about it.

Q. I have a very small face, and my neck appears to be short and thick. How can I make up to counteract this appearance?

A. You can use a darker foundation makeup cream on your neck than on your face, and this will help reduce the apparent size of your neck.

Q. How can I minimize the appearance of my nose, which is en-

tirely too wide?

A. Blend some darker-than-skin-tone foundation along the sides of the nose, and a lighter shade down its center.

Q. How can I mix my own hand cream at home?

A. Use 2/3-cup mutton tallow, 1/3-cup mineral oil, one teaspoon borax, and three tablespoons of water. Mix these ingredients well, then add some oil of geranium for a pleasing aroma.

Q. How can I make some scars left on my face by pimples less noticeable?

A. Often effective for this are applications of hot and cold compresses alternately for 10 minutes night and morning.

Q. What can I use to enhance my eyebrows, which are very sparse? Penciling is quite noticeable.

A. You might try some eyebrow cream. This can be drawn on sparingly with a tiny brush so that it looks like the natural brow. You can buy it in a dark brown, and because of its creamy texture, it doesn't create a harsh line.

Q. What can I do if the old hem marks show after I've altered the length of a velvet dress?

A. Hold the affected parts over the spot of a steaming teakettle, and at the same time spray some

alcohol on the marks with an atomizer. Before the velvet is quite dry, brush it back and forth, with and against the nap, with a soft brush. This routine may need repeating for complete success.

Social Security Man Here

A representative of the Social Security Office in Amarillo will be in Hereford, April 18. He can be contacted at the Court House at 9:30 a.m.

This representative can furnish any information or assistance that would be available at the District Office in Amarillo. He will receive applications for retirement or survivors insurance under the Social Security Act; applications for original duplicate, or change of name social security cards; and applications for employer identification numbers for new employers or employers recently becoming liable for making social security returns. Any farm workers or self-employed farmers wishing information on the new provisions of the law applicable to farmers are also invited to contact this representative.

Two Birthdays Are Celebrated

Two sisters celebrating their birthdays with parties recently were Judy and Betsy Crume, the daughters of Mr. and Mrs. Vance Crume.

Betsy celebrated her fourth birthday with an Easter egg hunt and party at the Crume home. A feature of the party was the birthday cake in the form of an Easter bunny. Favours were given and games were played.

Those attending were Jean Ann Gore, Peggy Summers, Mike Shanks, Herbert Paul Lovan, John Stagner and Mrs. W. H. Graham Jr., and sons Ronny and Hal of Farwell.

Judy celebrated her birthday event with a line party at the Star Theatre, with the group returning to the Crume home for refreshments, when gifts were opened. Attending were Ann Braddy, Sharon Tinnin, Sandy Winkler, Susan Hopson and the honoree.

Sandra Roberson In Home Recital

Sandra Roberson, daughter of Mr. and Mrs. Deward Roberson, was presented in a recital program by her piano teacher, Mrs. B. Y. Crosswhite, Saturday afternoon in the Roberson home. Intimate friends were invited to attend.

Sandra's numbers included selections from Bach, Chopin, Mendelssohn, David Proper and Tchaikovsky.

She was assisted by her brother, Gary, who is a piano student of Mrs. C. J. Mountz.

Corsage Making Studied By Club

Mrs. Deward Roberson gave a demonstration - lecture on making corsages at the Garden Beautiful meeting held Friday afternoon in the home of Mrs. Townsend Douglas. Mrs. W. J. Stanford was co-hostess.

Mrs. Roberson gave directions for making different types of corsages, making the corsages as she spoke. Then each club member fashioned a corsage under her direction.

During the business portion of the program members discussed the project of the year, beautification of Deaf Smith County Hospital, either in landscaping or decorations for the interior.

Members in attendance were: Mesdames Lloyd Pool, Tom Carter, Ray Cowser, Ansel McDowell, Chas. Hood, D. C. Kinsey, E. P. Lyons, Dick Miller, G. P. Owen, Helen Pipkin, Joe Reinauer, Deward Roberson, Roy Smith, Robert Veigel and the hostesses.

Hereford Student In Opera Cast

CANYON, April 11 (Sp.) - Thomas E. Culpepper, Hereford freshman, has been selected for the casts of two operas to be presented during the annual Festival of the Fine Arts April 28-May 4 at West Texas State College.

The two operas will be given April 30-May 1 by the WT Opera Workshop directed by Royal Branley. The first, a short curtain raiser is "In A Garden" featuring...

The second, and longer, opera is "The Mighty Casey," adapted by William Schuman from the legendary "Casey at the Bat."

"Casey" will be a semi-comic opera, based on a baseball theme. Its cast of 16 will be supported by the WT orchestra and members of the A Cappella Choir forming a chorus or the fans in the stands. Culpepper, the son of Mr. and Mrs. L. Culpepper of 315 Main Street in Hereford is a music major at West Texas State College.

NEW YORK (AP) - The first award of New York University's University Medal has been made to poet Robert Frost.

Mrs. Pat Robinson Named Bud To Blossom President

Mrs. Pat Robinson was elected president of the Bud To Blossom Club Friday afternoon at a business meeting held in the home of Mrs. Ira Scott, Friday afternoon.

Others named to office were Mrs. Lloyd Sharp, first vice president; Mrs. Herbert Haseloff, second vice president; Mrs. C. F. Higgins, third vice president; Mrs. Ray Godwin, recording secretary; Mrs. Sam Long, corresponding secretary; Mrs. J. F. Martini, treasurer; Mrs. Weldon Roberson, reporter; Mrs. W. Glenn Williams, federation director; and Mrs. Delmo Williams, parliamentarian. All officers will be installed at the final session of the club year in May.

During the session Mesdames Pat Robinson and W. Glenn Williams gave reports of the district garden club meet held recently in Amarillo, and plans were made for the club's arrangement clinic to be held Friday April 20, in the home of Mrs. Ray Howell.

Members voted to sell a new material "Dases" which may be molded into the desired size containers and will hold water. These cases blocks will sell for 75 cents each.

The arrangement for the day was made by Mrs. Herbert Haseloff, who used a china teapot to hold pink and purple hyacinths and daffodils.

Members attending the meeting were Mesdames John Sands, W. B. Goatz, R. A. Daniel Jr., President Hagans, Ray Howell, Sam Long, Don Martin, J. F. Martin, Pat Robinson, Lloyd Sharp, W. Glenn Williams, R. N. Yarbro, Jimmy White and the hostess.

Long Time Ago

45 Years Ago

Charter of the Rock Island, Texas and Gulf Railroad, with a capital stock of \$175,000 has been submitted for the approval of the Attorney General. It calls for a line from Dalhart, where the Rock Island intersects with the Fort Worth and Denver to Bronco, Yoakum County, nearly 200 miles. The line is to pass through Hartley, Oldham, Deaf Smith, Parmer, Bailey, Cochran and Yoakum Counties. It goes down the west line of the Panhandle, opening a new tier of counties and giving a direct northern outlet for the products of those border counties. It will intersect the Santa Fe in Parmer County and is evidently planned to meet the extensive building in that section by the Santa Fe.

During a fierce battle today which resulted in the capture of the city of Agua Prieta, Mex., by the insurgents, American troops crossed the border and stopped the fighting. This action was taken after one American was killed and

a number dangerously wounded by scattering shots of the attacking rebels.

There was no competition in the trustee election to fill three vacancies on the Hereford independent school board, and little interest was shown in the voting Saturday.

L. W. Carlyle, H. G. Conkright and Jeff T. Gilbreath were unanimously re-elected. It was a courtesy to these members who were willing to give their time to such public matters.

Easter and opening services for the new unit were held by the Presbyterian Church Sunday morning at 11 o'clock. Rev. E. P. Gieser, the pastor, preached a sermon on the resurrection, basing his text on Paul's interpretations. Congregations of the Methodist and Christian Churches were visitors for the occasion, and every pew was filled to hear the Easter lesson and to rejoice with the Presbyterians in their being able to worship in their new home.

Mrs. Draper advised the women to select colors that are suitable for the room. She also emphasized that one must get at least 30 percent fiber before she can be assured of quality in a rug.

Refreshments were served to Mesdames C. C. Billingslea, Leon Coffin, Taft McGee, Frank Walterscheid, Pete Carmichael, Harold Beauchamp, C. V. Burges, H. L. Hershey, Cecil Boyer, Lester English, Tom Draper and the hostess.

The Bippus H. D. Club met with Mrs. Elmo Hall on March 28. Roll call was answered with "How I Choose the Color Scheme For My Living Room."

Mrs. G. V. Hall gave the program on "Backgrounds for the Living Room."

Members were 100 percent in buying tickets for the THDA lunch noon.

Members present were: Mesdames James G. V. Hall, Jackie Dowd, Jimmy Perrin, Jack Fortenberry, C. F. Homfeld, Christine Fortenberry, Mrs. Melvin Henderson, a guest and the hostess.

Mrs. Earl DeHart brought the program on Jury Service for Women for members of the Cultural H. D. Club who met with Mrs. Ted Royal March 27.

Mrs. DeHart introduced the program by stating "Jury service is one of the highest duties of citizenship, for by it the citizen participates in the administration of justice between man and man and between the government and the individual."

"Service on a jury is more important to the spirit of American and Texas freedom, liberty, independence and justice than the victorious wars to gain the right to serve," she said.

"Let us protest in the courtroom what we have won on the battlefield," she concluded.

At the business meeting Mrs. Louie Olson was nominated to represent the club in the H. D. Woman of the Year contest.

Meeting dates were changed from the second and fourth Tuesdays to the second and fourth Wednesdays each month. The next meeting will be with Mrs. DeHart April 11.

Members present were: Mesdames Paul S. Corbett, P. M. Houser, Earl DeHart, Louie Olson, Irving Robinson Jr., Ira Scott.

Acceptance of a \$1,641 award as settlement on a right-of-way tract by Chas. Sowell this week brought the Highway 51 underpass a step nearer to reality.

The award was made by a special County Commission and concerned a tract of land 35 feet by 200 feet on the west side of Highway 51, and located on the north end of Sowell's property. The tract will be used as part of a by-pass road leading to potato sheds and other industrial property west of the proposed underpass.

The award was made March 30 by the special commission, and Sowell was given 10 days to file an appeal. His acceptance Monday closed the case. Serving on the special commission were Lyle Woodford, C. R. Smith and Virgil Dodson.
